There's no doubt that God empowered Dr. Gene Scott to unfold and restore the ages old mystery of "[Solo Fida](#)" or Faith Alone. And to fulfill the Greatest Commission since Jesus walked the Earth. The commission? Taking the [Good News of the Gospel](#) to every corner of the Globe. As all Christians know, this task is/was prophecy. That the whole world would know Him who they denied or embraced.

Rom 10:10-18

For with the heart man believeth unto righteousness; and with the mouth confession is made unto salvation. For the scripture saith, Whosoever believeth on him (Jesus) shall not be ashamed. For there is no difference between the Jew and the Greek: for the same Lord over all is rich unto all that call upon him. For whosoever shall call upon the name of the Lord Jesus Christ shall be saved.

How then shall they call on him in whom they have not believed? and how shall they believe in him of whom they have not heard? and how shall they hear without a preacher? And how shall they preach, except they be sent? as it is written, How beautiful are the feet of them that preach the gospel of peace, and bring glad tidings of good things!

But, they have not all obeyed the gospel. For Esaias saith, Lord, who hath believed our report? So then faith [cometh] by hearing, and hearing by the word of God. But I say, Have they not heard? Yes verily, their sound went into all the earth, and their words unto the ends of the world....

The film consists of footage of Scott on the set of his television program Festival of Faith and interviews with Scott and Scott's parents conducted by Herzog. The footage from Scott's television program focuses almost exclusively on his fundraising efforts and an elaborate rant against the FCC. Scott at one point refuses to speak until his viewers pledge an additional \$600. After a minute's silence, he yells angrily at the camera until a production assistant informs him that they had already received \$700. Scott represents the FCC on his show by a cymbal-banging monkey toy.

Doc always said that "God raises a voice up every 400 years or so to save the message of Faith and Grace". If these are the "Last Days", then Doc's voice is the last.

Doc also saved the historic "Jesus Saves" signs that sat atop the now demolished Hope Street Church. These signs are still sending the age old message from the top of the University Cathedral, located deep in the heart of the City of Angels.

The late Dr. Gene Scott came to television in the mid-seventies after being "Voted in" by the desperate church board members to save FAITH CENTER, (The world's first television ministry) from corruption and bankruptcy. It wasn't long before he had fired and kicked the "Mutha's out". including the likes of Paul & Jan Crouch and Jim & Tammy Baker! Then God Took Dr. Gene Scott and the message of "Saved by Grace, Kept by Faith" WORLDWIDE! (Worldwide: Every square inch of the planet, 24/7/365. No other person or broadcaster can make this claim.)

Like it or lump it, love him or hate him, Dr. Gene Scott's voice is the ONLY voice to have penetrated the ENTIRE GLOBE with the message of Jesus Saves!
