5.0 Monsignor Montini, an OSS operative in S.E. Asia. Of course, this is true. Rev. Father Jose Antonio Diaz (Opus Dei) alias Col. Severino Santa Romana (OSS Agent) with Ferdinand Marcos looted the Philippine Gold deposited inside the vault of the Philippine Central Bank.

Hence, both Montini and Diaz are Roman Catholic Clergies employed by the U.S. OSS. Actually, they are the employer of the OSS Agents. As this intelligence agency is owned by the Jesuits-Vatican.

6.0 Until now, millions of Americans didn't know that the Federal Reserve Bank was created and controlled by the Jesuits.

The Bank Of America and Lockheed Martin Corporation are owned by the Jesuits. Millions of Americans are unaware of these facts until now.

7.0 Until now, millions of Americans doesn't know that the Jesuits sunk the ship Titanic to eliminate those people aboard that opposed to the creation of the Federal Reserved Bank as planned by the Jesuits.

8.0 Until now, millions of Americans doesn't know that the Jesuit's controlled Federal Reserve Bank was used to finance Jesuit's Second 30-Years War from 1914 to 1945.

9.0 Until now, millions of Americans doesn't know that the Jesuit's controlled Council On Foreign Relations and Federal Reserved Bank operates and finances many wars where American forces goes to fight under Jesuit's Vatican's "Papal Crusade".

10.0 Iraq War and the in-coming Iran attack is merely a Papal crusade under the expense of the American people's money (paid taxes).

11.0 Millions of Americans doesn't know that their President George Bush is a member of the Jesuit's controlled Skull & Bones (Satanic Secret Society). President Abraham Lincoln is a Bible Believing Christians assassinated by the Jesuits. While Bush attends satanic rituals at the Bohemian Grove.

This is a clear horizon that America will lead into destruction as long time planned by the Jesuits.

12.0 There are now approximately 200,000 Red Chinese troops in Panama. All itching to go for the future invasion of mainland United States. The Jesuit controlled U.S. Military Official and the Pentagon thru high-level freemasons are slowly betraying the American people. By showing to the Red Chinese Armed Forces how the U.S. Navy & Air Force conducts air and naval strikes. Three US carriers are involved, USS Abraham Lincoln, USS Ronald Reagan (I forgot the other carrier) maneuvers shown to the Red Chinese in the Philippine Sea. How open and expose our Philippine territorial waters.

13.0 Millions of Americans doesn't know that many notorious NAZI war criminals was helped by the Jesuits-Vatican to escape into South America. It is called "VATICAN RATLINES".

South American countries are Roman Catholic Territories. It was once before called the Jesuit's Republic Of South America due to Jesuit's experimented utopia communal system, like "Reductions In Paraguay".

I'm not an American, but I already knew sixteen years ago that one of Jesuits mortal enemies is the United States Constitution & Bill Of Rights and the Jesuits are constantly determine to destroy America. Why ? American Constitution & Bill Of Rights are derived from the Holy Bible, word of GOD. American founding fathers are Bible Believing Christians. Because of this, United States Constitution & Bill Of Rights, founding fathers and early settlers are Protestants Bible Believing Christians and did not goes along with the Vatican.

When someone heartily analyze the world history, he / she will be stunned as all road leads into Vatican. Will Americans rise up against the Jesuits-Vatican ? It will depend on every free American who loves democracy and freedom of religion. It's up to them if they will, but for me as soon as possible. The Jesuits-Vatican already hold their grip almost at the throat of the United States. It was negligence, poor co-ordination and poor co-operations within various protestant denominations, and lack of knowledge from the past and recent world historical events. It's very difficult to stretch an old tree than a young tree. In fact, millions of people around the world will just mad to somebody who will expose or tell that the Jesuits are the real controllers of this world.

It all started during the time of the Reformation Era (Matin Luther, John Calvin, John Knox, etc.) the Jesuits was created just to destroy true Bible Believing Christians.

>
Which simply shows to what extent the English establishment had been Jesuit-infiltrated by 1910. The Coronation Oath that HM undertook in 1953 was in fact unconstitutional in that it neglected abjuration of the mass as a 'blasphemous fable and dangerous deceit' Article XXXI of the C of E (also junked now, I understand). HM should have said this:

I do solemnly, and in the presence of God, profess, testify, and declare that I do believe that in the Sacrament of the Lord's Supper there is not any Transubstantiation of the elements of bread and wine into the body and blood of Christ, at or after the consecration thereof by any person whatsoever, and this Invocation or adoration of the Virgin Mary or any other Saint, and the Sacrifice of the Mass, as they are now used in the Church of Rome, are Superstitious and Idolatrous.

Article XXXVII (also junked, no doubt) states in relation to Civil Magistrates "The Bishop of Rome hath no jurisdiction in this realm of England" i.e. no Catholic should hold public office in England or be a member of parliament.

All this is in keeping with the Declaration of Rights and Act of Settlement stemming from the Glorious Revolution of 1688, constitutional documents drawn up by Protestant Christians who had first hand experience of what papal power was like, via the disgraceful reign of James II. They were far-sighted statesmen. A recently published leaflet from Olympia Publications, Glasgow, entitled The Unsettling Act, states "The "conversion of England" has never ceased to be an ambition. Still in force is a Papal Bull dating from 1570, denouncing our Protestant Monarchy as heretical, and requiring Roman Catholics to use every effort to depose their Monarch. No other religion has been capable of such venom*."

*Except Islam, though Islam is but an offspring of the Roman Catholic whore

of Revelation 17-18. See The Prophet, from Chick Publications, [.http://www.chick.com/catalog/comiclist.asp#alberto](http://www.chick.com/catalog/comiclist.asp#alberto). The entire series is worth reading. Various efforts have been made to discredit the testimony of the late Dr Rivera but without success. Islam, as we have seen it in operation on July 7th 2005 via true believers in the Qur'an and subsequently with the cartoon protest, is but Jesuistry at street level (for now).

Article 9 of the Bill of Rights states:

Article 9: All persons who shall hold communion with the Church of Rome, or shall marry a papist, shall be excluded, and for ever incapable to possess, inherit, or enjoy, the Crown and Government of this realm; and in all such cases, the people of these realms shall be absolved of their allegiance, and the Crown shall descend to the next heir

It has been repeatedly flouted but is still in force. I understand that a BNP Government, when it comes to power, will institute treason trials for those who have flouted these various Acts. This step, drastic as it sounds, is absolutely essential once that form of Government withdraws Britain from the EU (which it has pledged to do, as well as dismantling the cancer of multiculturalism.)

For a post-1910 example of papal interference in this country, which led up to WW2, consider the following from Albert Close's Book, Jesuit Plots from Elizabethan to Modern (1930s) Times.

Close revealed, p 39, that when Oxford Don, Mr R.H. Crossman, sought to investigate the Hitlerian blood purges of the 1930s, he was told repeatedly, "The pope [is] behind all the trouble".

When Mr Crossman attempted to broadcast his findings from Berlin in July 1934, via the BBC, the broadcast was suddenly cut off when he mentioned the pope. No explanation was ever given and it is virtually certain that the then BBC Chairman, Lord Reith, was part of the cover-up.

That cover-up helped bring about WW2. Moreover, papal antagonism against Britain was voiced vehemently in the 19th and 20th centuries from authoritative sources and nothing has changed, as Mr Hilton points out in his book.

"Let us never forget that whatever [Queen Elizabeth's] boasted authority may be it is as nothing and less than nothing compared to that of the Vicar of Christ." [i]

"The law of God that is the Pope's command will be or rather has been and is being carried into effect: the Parliamentary lie will be spit upon and trampled underfoot." [ii]

Rome is 'semper eadem,' always the same. See also Lindsay Jenkins, The Last Days of Britain, and Ashley Mote, Vigilance, a Defence of British Liberty, for confirmation. Mr Mote states, p 125ff:

"Rome has opposed the UK at many critical moments in its history, ever since the signing of the Magna Carta on 15th June 1215. [Pope] Innocent III wrote bluntly to the English abbots and bishops who had signed the document, saying they had done something "abominable" and "illicit". The pope also assumed powers to annul Magna Carta.

"Three centuries later, Henry VIII finally threw the Roman Catholic Church out. His act of rebellion is still talked about in Rome to this day. The British have not, and never will be, forgiven for such heresy."

Mote catalogues the popes' efforts to conquer England via the Armada of 1588, the Stewart rising of 1745, Napoleon, Kaiser Wilhelm, Hitler, the IRA and the EU. (Magna Carta, btw, is also still in force, though also treasonably flouted by HM and parliament.)

Mote concludes, "For the Roman Catholic Church, the UK is unfinished business stretching back 500 years."

Finally, it is instructive to look at what happened to Adrian Hilton, for his disclosures:

The Guardian reported on March 4th, 2005[i].

"A Tory candidate who believes the EU is a Catholic plot to impose Vatican sovereignty over Britain was today accused by the Catholic church of preaching a conspiracy theory traditionally associated with the far right.

"In an article in the Spectator magazine, Adrian Hilton, who is standing in Slough, argued that "a Catholic EU will inevitably result in the subjugation of Britain's Protestant ethos to Roman Catholic social, political and religious teaching".

"His outspoken views prompted the spokesman for Cardinal Cormac Murphy-O'Connor, the leader of the Catholic church in England and Wales, to accuse him of deploying "the sort of argument that tends to be made by extreme Protestants or radical nationalists".

"These views are bizarrely a-historical and fundamentally erroneous, and an unfair depiction of the Catholic view of Europe," the spokesman said.

"Defending his views, Mr Hilton insisted that "a Protestant view of history is every bit as valid as the Cardinal Archbishop's", and said making "an assertion of the law cannot be bigotry or conspiracy theory".

"It is unfortunate that, in this day and age, if one expresses an Islamic perspective it has to be accepted, if one expresses a Roman Catholic perspective it has to be accepted - and yet an assertion of the

constitutional position of her majesty the Queen and parliament with regards to Protestantism is greeted with derision.""

The Times reported on March 30th, 2005[ii].

"Sheila Gunn, a former Times journalist who served as a press secretary to John Major, the former Prime Minister, has been imposed as the new Tory candidate for the seat [of Slough]. Mr Hilton was ousted this month after party officials were alerted to an article that he wrote in 2003, which described the European Union as a Roman Catholic conspiracy and suggested that Mr Major's signing of the Maastricht Treaty had been an act of treason"

That's what happens to EU dissenters in public life, who speak the truth. The Vatican is poised for the kill. It is hoped - see above - that a government can be elected within the next decade to stave off the pope's coup de grace but time is running critically short.

To get things in perspective, you should consider the following. I quote first from Dr Paisley's article, Be the Soul of Europe www.ianpaisley.org, December 6th 2000. That we have another pope now does not change things. Nor does the service of any individual Catholic in the armed forces, no matter how distinguished. In WW1, French Catholics and German Catholics killed each other virtually by the million. The pope wasn't bothered. He was out to avenge himself on France as he is now out to avenge himself on Britain via the EU (and Islam). See The Godfathers and The Prophet*, both by Chick Publications and Vigilance, A Defence of British Liberty, by Ashley Mote - in addition to Adrian Hilton's book, which I note you have avoided any reference to in your responses. You should also understand that 500 years is a relatively short timescale in Vatican strategy, as my references will demonstrate.

*The pope's WW2 Nazi Waffen SS contained two Muslim Divisions, the 13th Handzar and 21st Skanderberg, recruited from Bosnian, Kossovan and Albanian Muslims. They were both noted for sickening cruelty against civilians, even by SS standards and saw Mohammed Amin al-Husseini, Grand Mufti of Jerusalem, who sided with Hitler, as their spiritual role model. The 13th Division exists in Bosnia today [or it did in 1993], glorying in its Waffen SS origin. It will probably become part of eurocorps, eventually (and maybe used to 'police' regions in Britain).

That many English Catholics may see their first loyalty to HM simply shows that they don't fully understand the implications of their own religion, for the simple reason that at the coronation of the popes, the Papal Crown is

placed on their head with the words: "Thou art Father of Princes and Kings, Ruler of the World, and Vicar of Christ". Primacy of the Pope "not only in matters which belong to faith and morals, but also in those that pertain to the discipline and government throughout the world", is also part of the decrees of the Council of Trent 1545-63, which I understand to be still in force - note, nearly 500 years later. [The last citation is from Lambert, Catholicism Against Itself, Vol. 1, p 229.]

Dr Paisley writes as follows: He too reveals that any Catholic lay person, whether in the forces or in civilian life MUST hold prior allegiance to the pope to be a 'good' Catholic.

"To appreciate Rome's involvement in the politics and social policy of the European Union one must understand that the Roman Catholic Church is both a religious and political body and acts accordingly! The Roman Catholic Church considers it has the right to rule in the temporal affairs of the world, since the Church's hierarchy represents the kingly rule of Christ on earth - that is, through the Pope, bishops and priests, the sovereignty of Christ is exercised in the affairs of nations and society.

"HOW POLITICAL?"

"The Roman Catholic Church is founded on a political dogma claiming that the Pope is a ruler, or rather claims that the Pope is the supreme ruler of the world. Throughout history royalty of all nations including our queen have been expected to be subservient to the Papacy. Nothing of the Roman church has been revoked, both the spiritual and temporal supremacy of the Pope being still very much fundamental dogmas of Roman Catholic teaching and social doctrine.

"Deliberate engineering to create the coming about of the European Union provides an enormous opportunity to develop and extend the influence of the Church of Rome. Remember it is Roman Catholic laymen who, from the beginning were behind the formation of, and today continue to push the growth of, the European Union."

"In the Sunday Telegraph an article of July 21st 1991 under the title of, Hatching a new Popish Plot, informed us of the Pope's plans for the 'evangelisation of Great Britain and the whole European Continent': 'Karol Wojtyla is calmly preparing to assume the mantle which he solemnly believes to be his Divine Right - that of new Holy Roman Emperor, reigning from the Urals to the Atlantic.

"May God save us from coming under this dictatorship once again.

"The best thing I know between Europe and England is - the sea!"

My second main citation is from American Christian researcher, Eric Jon Phelps, showing that imposed papal power is a most real and very present danger, affecting even the most powerful of nations. I would highly recommend his book, Vatican Assassins, Halcyon Unified Services, P.O. Box 958, Tehachapi, CA 93581, 2001.

The quote is from p 26-7. It is long and I hope readers will bear with me because the threat is also to our own country, not only via the EU Fourth Reich (as Adrian Hilton shows) but also via the Vatican's 'street thugs' of

Islam, who demonstrated their potential for total war in our own capital last July. (For the connection between the Vatican and Islam, read *The Prophet*, by Chick Publications. Again, note also the Waffen SS connection, also real and present. See above.)

"The purpose of the expose' of the Twentieth Century [Vatican Assassins] is to prove the assassination of President John F. Kennedy, ordered by the Jesuit General and executed by Pope Paul VI, was carried out by "the American Pope", Francis Cardinal Spellman. Spellman, being the Archbishop of New York, was "the American Military Vicar" and therefore used his most obedient soldiers - certain Knights of Malta, Shriner Freemasons, Knights of Columbus and Mafia Dons - in carrying out his orders from Rome.

"The single reason for the President's assassination was his interference with the purpose of the Jesuits' Fourteenth Amendment American Empire created in 1868. That purpose was to restore and maintain the worldwide Temporal (political) Power of that Jesuit Creation of 1870 - the "infallible" Pope. In resisting the Pope's Temporal Power, he threatened the monopoly of the Jesuits' Federal Reserve Bank by circulating four billion dollars in interest-free "United States Notes" only to be recalled the day after his burial.

"The President also attempted to break the foremost international intelligence arm of the Vatican's Jesuits - the evil Central Intelligence Agency - "into a thousand pieces." In 1963 the CIA was manned by many of Hitler's old warriors - the Jesuit-controlled Nazi SS - turned "cold warriors". According to the great Frenchman, Edmond Paris, in his *The Secret History of the Jesuits*, it was the Jesuit Staempfle who wrote Hitler's *Mein Kampf*. It was Roman Catholic Hitler who said of the Roman Catholic Himmler having modelled the SS after the Jesuit Order,

""I can see Himmler as our Ignatius of Loyola."

"And lastly, one of the main posts of the feared SD, the Central Security Service of the SS (after which the American CIA would be modelled with the help of the repatriated Nazi General, Reinhard Gehlen), was manned by a priest - a former teacher of the evil Council of Trent at the Court of Bavaria, one of the Jesuit General's favorites, a superior officer of the SS and the uncle of Heinrich Himmler - the Jesuit Himmler!

"Secreted out of Europe through the Vatican's Ratlines, these murderers escaped their rightful punishment as war criminals who, during the Jesuit Crusade in Europe and Russia, killed millions of Jews pursuant to the Jesuits' evil Council of Trent, which, after condemning freedom of conscience and freedom of the press, concluded with these words:

""Accursed be all heretics. ACCURSED!! ACCURSED!!"

"Lastly, President Kennedy began to end the Vatican's hoax known as "the Cold War", the American CIA and Russian KGB having secretly worked together since World War II. He also began to end that Jesuit Inquisition in Vietnam, as its future highpoint would be "Operation Phoenix", the CIA mass-murder of 60,000 Vietnamese "in cold blood" according to its Director, William Colby. The President interfering with Rome's Holy Office of the Inquisition could not be tolerated! Millions of "heretic" Buddhists were to

be exterminated, the international drug trade would explode, American patriotism and liberty would further be destroyed and Vietnam would be reunited under another communist military dictator loyal to the Pope - like Stalin, like Chairman Mao, like Castro - Ho Chi Minh.

"Waged under the guise of "fighting godless communism", Cardinal Spellman championed America's most disastrous conflict known as "Spelly's War" overseen by Spelly's General, the Roman Catholic and CFR member, William Westmoreland. (Remember, according to Col. Fletcher Prouty in his JFK, the forced movement of over 600,000 Roman Catholics on U.S. Navy transport vessels from North Vietnam into South Vietnam was "one of the root causes of the Vietnam War." The arch-Catholic Secretary of the Navy responsible for implementing that Jesuit-agitation was the Supreme Knight of the Knights of Columbus, Francis Matthews. Knight Matthew's Master was America's "Military Vicar", Francis Cardinal Spellman. Later, Spellman made several visits to the war-front calling the American troops "the soldiers of Christ", fighting the Pope's Crusade against "godless Jew Communism"!) The outcome was 58,000 dead, 80,000 post-war suicides and a 220 billion dollar debt to the Jesuits' Federal Reserve Bank.

"All these acts of President Kennedy were proper assertions of national sovereignty and therefore infringed on the Pope's Temporal Power.

"As the "infallible" Vicar of Christ and thus, "the Universal Monarch of the World", the Pope, through the religious, political and financial power of the Jesuit Order, fully intended, then and now, to ultimately rule all nations through his loyal kings and dictators, from Solomon's rebuilt Temple in Jerusalem. For when the Pope is crowned during his coronation these words among others are spoken: "Take thou the tiara adorned with the triple crown, and know that thou art the father of princes and kings, and art the governor of the world." Thomas Aquinas, Rome's "Angelic Doctor" wrote in his Summa Theologica in 1272: "The Pope, by Divine Right, hath spiritual and Temporal Power, as supreme king of the World: ." Ferraris wrote in his Bibliotheca Prompta (1763), which has been adopted as a standard of Roman Catholic law, as follows:

""On account of the excellence of his supreme dignity, he is called Bishop of Bishops, Ordinary of Ordinaries, universal Bishop of the Church, Bishop or Diocesan of the world, divine Monarch, supreme Emperor and King of Kings. Priest Phelan paraphrased those words when he wrote in the Western Watchman, June 27, 1912: ".Why, if the government of the United States were at war with the Church, we would say tomorrow, To Hell with the government of the United States; and if the church and all the governments of the world were at war, we would say: - To Hell with all the governments of the world. Why is it the Pope has such tremendous power? Why the Pope is the ruler of the World. All the emperors, all the kings, all the princes, all the presidents of the world are as these altar boys of mine: .""

"Therefore, for challenging the Pope's Temporal Power, in attempting to thwart Rome's grand design against the peoples of the world, John F. Kennedy, America's first Roman Catholic President, was brutally murdered in Dallas, Texas, on November 22, 1963, by the soldiers of Francis Cardinal Spellman within the FBI, the CIA, the Secret Service, Military Intelligence and the Mafia".

Focussing on the pope's obsession with temporal power, all the above is relevant to our current national dilemmas. Remember (as Ashley Mote points out) Britain has never been forgiven for the break with Rome under Henry VIII, and in Vatican strategy, she will be punished with the utmost severity, a punishment compounded by Britain's more recent double humiliation of the Vatican by helping to thwart her 20th century papal crusades for world domination, better known as WW1 and WW2.

CRAIG-OXLEY - June 23, 2006 01:43 PM (GMT)

I created this forum/site in order to inform people with decent information to help them find what their looking for. I didn't want people coming on asking one line questions which have been answered many times before. I would prefer it if people only created a thread if they have decent information or articles to put forth. The rest should go and study all the books, articles and audios and they will find hopefully what their looking for. I've deleted a thread earlier asking what proof the Illuminati are controlled by the Jesuits and if the Jesuits are within the Illuminati. This is easily answered if one takes time to look.

Thankyou

Jesuits take on Wal-Mart over Ontario megastore

Updated Thu. Aug. 5 2004 11:35 PM ET

GUELPH, Ont. -- The world's largest retailer is taking on one of the Catholic church's most respected religious orders.

In a hearing that started this week, a two-member Ontario Municipal Board panel will decide whether a 12,541 square-metre Wal-Mart store is compatible with the adjacent Ignatius Jesuit Centre, a rural property that includes a retreat house to which people from all over the world come for prayer and reflection.

The Jesuits say the Wal-Mart proposal, at the junction of Highways 6 and 7, will spell the end of the spiritual nature of the centre, which is about 200 times the size of the proposed Wal-Mart site.

"This is sacred ground -- a sanctuary for people, a sanctuary for wildlife," said Rev. James Profit, the centre's director, as he looked out over wetlands, an organic farm and quiet forested spaces that the Jesuits have occupied for almost a century.

Profit believes that God is on the side of the Jesuits.

"We're not walking this path alone," he said. "There is a greater power on our side."

There are three cemeteries nearby, but the modern world can be seen and heard. There's a plaza anchored by a Canadian Tire store and from the west, there's a persistent hum from the ventilators of an Imperial Tobacco plant.

But Profit said the megastore, on land currently designated as industrial, will spawn a new level of commercial activity and traffic and fuel more development in the city's north end than is presently envisaged.

Wal-Mart Canada spokesperson Kevin Groh sidestepped questions on whether the retail giant is taking on God.

"We have been very cautious about how we have proceeded," he said in a telephone interview from the company's Mississauga headquarters.

"We have consulted for almost a decade, and that includes the Jesuit group. The changes that we've made to the original design proposal are significant."

They include a reduction in the size of the store, protection for the wetlands, more trees in a buffer zone -- and an acknowledgement of the sort of spiritual dimension raised by the Jesuits.

"For every development we undertake coast to coast in every community, we give a great amount of thought to compatibility," Groh said. "We need to know that ultimately a new store is going to be a good fit for everyone involved."

Profit acknowledged that Wal-Mart has made changes to alleviate some concerns, but he pointed out that the Jesuits -- who have been in Guelph for 152 years and built a noviciate here in 1913 -- won't be able to make similar demands of other businesses attracted to the area if the rules change.

Wal-Mart should locate in space designated under the official plan, in areas where the city's major growth is taking place -- to the east, west and south, he said.

For eight years, Guelph city council, headed by smart-growth proponent Karen Farbridge, refused to approve the Wal-Mart store -- until Farbridge was defeated in last November's municipal election by pro-development Mayor Kate Quarrie.

Seven months later, after hearing from 36 deputations against the project and six in favour, council reversed its position and voted 10-3 to allow it to proceed.

"What was amazing was that there was no debate despite all the people coming forward," Profit said.

Wal-Mart's Groh defended the about-face as a reflection of the will of the people as expressed in the election and a petition signed two years ago by 10,000 people.

Profit agreed there's passion on both sides of the issue.

"It's our spiritual connectedness to the land itself which gives us the passion to

persevere," he said.

"It's made me reflect on the consumer culture and the perception that people have that there is nothing wrong with our consumption in the world today and the amount of it."

"What we have here also has value -- in our busy lifestyle, people more and more need sanctuary places to touch into the spiritual, the divine."

At first glance this appears to be a peculiar scenario. The mention of walmart motivated me to dig deep into Skolnick's archives and re-read. His plodding and methodical dot-connecting expertise for me usually lends to a feeling of being educated in a way that sunk in on numerous fronts, especially when put side by side with the comparative whirlwind fashion of Heneghan that tends to leave me dripping soaked in information that does not always sink in. After seeing this topic headline and then re-reading the first installment of Sherman's **WAL-MART and the RED CHINESE SECRET POLICE** ,

<http://www.skolnicksreport.com/rcsp.html>

I'm left with the impression that despite the public spin on this scenario, with sufficient background information in hand (thank you, Sherman :wub: this is effectively plotting Master vs Servent or more specifically Pope[s] vs Rockefeller, but either way the incongruous nature of such a headline certainly gives reason to wonder - what is the real story not being told here?

Co-incidentally, I went for a long car ride yesterday and ended up carving a circular path of approximately 200 miles around the greater central Pennsylvania area, taking in numerous tiny to medium-sized rural 'burgs in the process. I lost track of how many new walmart stores passed by in the process, somewhere around 6, keeping in mind that two of the areas I drove through I know there are current plans underway to build new stores within the next few months. Don't know where the public version of this headline is really going, but it's also worth pointing out that the next to last super-store passed yesterday sits no more than 1/2 mile from the Huntingdon State Correctional Institution, replete with 4-tiers of rolled, razor-sharp barbed wire fencing. B)

CRAIG-OXLEY - June 16, 2006 04:15 AM (GMT)

I haven't read the Skolnick story yet except the first couple of paragraphs. One thing interested me straight away and this helps with what Eric and I have said about the Rockefellas being more wealthy than the Rothschilds:

QUOTE

To understand Wal-Mart, you have to have a handle on Arkansas. And to figure out Arkansas, you have to be knowledgeable about the Rockefellers. And to fathom the Red Chinese Secret Police, you have to know a lot about the **richest family in the world**.

Now bare in mind that Skolnick was one of the very best ever. This is why they wanted him out the way or dead but unfortunately for them Skolnick battled till recently where they overcome him easier with his older age. What I will say is that the Rockefelleras are blitzed by the **Italian Black Nobility families** when it comes to real wealth.

Wal*WART which incidentally is used as the major distribution for the CIA's drugs running to float the economy and of course certain black ops as found by Gary Webb before him assassination and others. Now without going into this story on the Jesuits we have to be careful to find out if its the high levels of the Jesuits who're against the Walmart store or just some low down Jesuit priests. Remember not all Jesuits are the almighty power of the world same as not all masons are all powerful. So is it just a campaign by a low down, decent deceived Jesuit whos deceived by his 4th Vow superiors? Is it yet again another veil being used to promote distance from one of the biggest companies within the Orders world system helping to deal the Superior Generals drugs? We shall see, but it wouldn't surprise me if walmart wins either way. Walmarts are everywhere and again check out the drug connections. Here in England they came and bought up the ADSA stores. They renamed only the large ASDA's to WALMART which they class as superstores. Theres no doubt that ASDA will be playing its part in the distribution of Afghan Heroin and Cocaine with England controlled by the leading world intelligence British MI5/6. Now its supposedly illegal in some states of America to pull over and search walmart trucks (think about it). I doubt right now a similar law in England, so maybe some curious police could do this across the country. If you do then please check inside bicycle frames and check that what tubs are labelled for have the right product inside. Walmart have in the past put Cocaine in containers marked as Talc Powder etc in the past. Of course when caught as they have been in the past they've blamed the immigrant drivers totally.

WAL*MART

Deals

DRUGS

Families get destroyed by drugs and children addicted thanks to the CIA, MAFIA and Walmart. So stop helping Walmart do this along with cripple local businesses etc. Get down to local businesses and pay a little more along with markets and farmers markets. If everyone could stop the junk foods then this could be done real easy.

Alexandra - June 16, 2006 04:28 AM (GMT)

Our town has a farmer's market every week. I have yet to check it out...that's something I should do Saturday.

I never even heard of a farmer's market until I moved here...tell you what, I really don't miss the city at all (grew up in Detroit until just before I turned 20).

CRAIG-OXLEY - June 16, 2006 04:30 AM (GMT)

We have a farmers market here in my city but unfortunately for me its only useful for buying herb plants and real honeycomb honey. Its mostly meats and dairy which I have no time for as these are acidic, fermenting death tools against the body. Why mine doesn't sell vegetables and a little fruit I do not know.

Alexandra - June 16, 2006 04:35 AM (GMT)

I live out near Amish country and sometimes on US30 or in the parking lot of a store you'll see some Amish selling produce out of their buggies. That might be something to check out too.

Menses - June 16, 2006 06:12 AM (GMT)

I live in Toronto, so I will look into this matter. When it comes to Wal-Mart, it may just be a shell game or perhaps it is Lower ranked Jesuits like 2tuff said....to think I used to work for them, but I did rob them every chance I could get.

Alexandra - June 16, 2006 01:13 PM (GMT)

I worked at Wal-Mart about 9 years ago, didn't like it. That stupid Wal-Mart cheer is like a reverse Two Minutes Hate!

JagDRS - June 16, 2006 02:39 PM (GMT)

I've been doing my own informal study for about 2 years or so when it comes to shopping. Produce and other perishable-type goods are one thing and yes, fortunately, at least around Pennsylvania, even in the cities like Philadelphia, Pittsburgh and Harrisburg, it is not difficult to find locally grown products in-season. When it's out of season, chances are better that produce bought in Pennsylvania has been shipped in either from California, Florida, or Central & South America.

The story is completely different when it comes to durable goods, finished products and such. It is nearly impossible to buy such goods that are "made in america", nearly

everything is made in china and in some cases one of the smaller nation/islands from that area. Just trying to point out here that even when one is so inclined to NOT shop at walmart, there are not a lot of other alternatives. I have not tried looking at the high-end type of stores, like a Saks or perhaps other high-end department store, so who knows? Perhaps finished goods made in america can actually be bought for a high price? Likewise I have not sought buying big-ticket items either in my informal study, like furniture (couches, mattresses, bed-frames, and large appliances like washer&dryer, refrigerator, etc). However, in the realm of smaller finished products, like dinner ware - cups/plates/dishes, cutlery, or bedding - blankets, sheets, linens, or smaller type furniture - like cabinets, bookstands, lamps, and even smaller tools - wrenches, screw-drivers, bolts, saws, socket-sets, power drills, I've searched high and low, and nearly all this commonly available and sold stuff is made in china, as sold across the entire spectrum starting at walmart, kmart, sears * , lowes, home depot, target, and getting into the various outlet-type chains, like pier-one import and the like. EDIT: add to this, there is also a phenomenal amount of foreign products that I consider trinket-style-junk, being sold in the present area, all kinds of really cheap stuff, that people by and large have become well accustomed to regularly supplying and adorning their homes with, essentially toys for the kids and toys/distractions for the adults.

* i'm still uncertain whether or not brands such as Craftman are truly the same as they once were when it comes to who they are. At one time nearly all Craftsman tool products were guaranteed for life or your money back. In this era, I believe they still try to get marketing mileage out of that old reputation, but there are now many many exceptions owing in large part because it's difficult for a company to stand behind such products when they are no longer made domestically with the thought of quality in mind but are instead produced in over-seas labor camps with the thought of cheapest cost in mind.

The last time I walked through a walmart superstore, they seemed to have most of the bases covered, from produce, to finished goods, as well as pre-packaged & processed "food" items, as well as perishable type meats, chicken, beef, etc. Around here a few of the superstores also have their own self-serve gas stations although I have no idea who's refined petroleum they are putting their (walmart) label on. There has also been talk of the same superstore wanting/trying to get the authority to have their own bank outlet.

Since I live in a rural area dotted with small to medium-sized towns, there are some opportunities to buy some finished goods that are hand-made locally, there are several small outlets that sell amish-made bare-wood furniture and some other knick-knack-like goods. Other than this, it has become virtually impossible to buy domestic-made stuff. The specific rural area I grew up in and have now returned to, during my early life, was still known as an area that produced a variety of durable goods, including even some textiles. It was also common for real "machine shops" to be found, places where products were literally cast or forged from raw steel products, then machined down as

the products neared sale quality. Proabably goes without saying regarding the once booming steel industry of this state, but then again the likes of carnegie, morgan and rockefeller had thouroughly canibalized the lion's share of profits from that industry long before the federal government officially decided to abandon it in the early 70s..... part of what the master social engineers had planned as "zero post war industrial growth". With few exceptions, in the present area the things the local area is best known to produce is cookies, candy bars, pretzels/chips and retail shopping malls where foreign goods rule the roost.

EDIT: from another real-life observattion. Several years back I had the good fortune to vacation in the Hawaiian islands a few times. On the first visit I did a lot of typically-touristy things, like go on a few of the various pre-planned tours that are commonly sold there. Of significance to this thread, the first such tour taken was a bus tour of the island of Maui, with the bus driver also being the tour guide/speaker who was full of all kinds of interesting lore, history and information regarding Hawaii in general and Maui in specific. As we came down from visiting the top of Mount Haleakala, he explained a lot of the former pineapple business, Hawaii of course famous for being the source of growing this wonder fruit. A few days later, I then took what was considered the medium-sized loop tour around the island of Oahu, said tour being done in a mini-bus that began in downtown Honolulu and made a medium-sized circuit around the island. At one point we reached an area related to several somewhat well-known businesses, to include the old and now defunct Dole Pineapple Cannery as well as the old stone hi-rise building where the tv-show Hawaii Five O was once filmed. There were many shops in this area so the tour was given a good two hours to get out and move about before the tour moved on. I walked to and through the old and mostly idle cannery area and some of the words from the guide in Maui came back to me: in the present era, Dole has arranged for the pineapples to be grown and picked in Hawaii. The cannery is now only used as a shipping dock, where they load the picked pineapples onto large boats, ship to asia, where they are processed and canned, then ship back to Hawaii for eventual retail sale in mainland america. Keep in mind while pondering this that this method was chosen because it significantly reduced costs compared to the old method of processing and canning the fruit locally in Hawaii..... :wacko:

The second observation occured while taking a Luau tour of the Polynesian Cultural Center, itself which supposedly embodies the effort for the many native island peoples a measure of hanging onto their past ways while also putting them on display as a retail attraction to be sold to viewing tourists wanting a glimpse of the native experience. Several of the individual islands of Polynesia are represented here at the PCC, they each have their own section where they dress, talk and act in ways promoted as their original ancient ways, then the end of the tour culminates in a big presentation performed by each of the native groups in unison done in a unique amphitheater with stage, lights and music. Most of this I found quite interesting and fascinating. The thing that ultimately puzzles me as I continue to ponder - how much of the old genuine ways

have they really succeeded in preserving here at the PCC, given that PCC is now operated and managed by Brigham Young University? Note, the actual workers - throngs of young, polite and friendly males and females doing a "hitch" while working their way through college at BYU.

Alexandra - June 16, 2006 05:26 PM (GMT)

My dad used to buy Craftsman tools at garage sales, then change them for brand new ones at Sears! He told me a long time ago about the lifetime guarantee. (He died six years ago and his workshop still looks the same as the day he died.)

I mostly buy my clothes at Goodwill. Nothing wrong with second-hand. It's cheaper and it doesn't really matter where it was made, if it's second-hand! Plus I have a sewing machine, so I can repair those clothes.

I was buying my son new clothes at Wal-Mart one time...I had to settle for Made In [name foreign country here] of US Fabric. Well, at least the fabric was made here! I just feel like such a traitor if I buy stuff made in China. China and Mexico are my top-two Don't Buy From countries. My husband says that if you want to sell your product here, you should MAKE it here!

We have a Rubbermaid store in this area, a lot of stuff sold there is made here in America and I picked up a few things--cheaper than at Wal-Mart (probably have to factor in shipping and everything). But you have to look. I was undecided about whether to buy a dish rack to replace the one I have...and when I saw Made In China, that settled it--just use the old one, it's still good!

I believe this is all an act. The Order wants to appear as if they oppose corporate fascism when they control it and built their Holy Roman Fourteenth Amendment American Empire through it. Wal-Mart was founded by 33rd Degree Freemason [according to John Daniel author of Scarlet and the Beast] Sam Walton. I want to caution you that the John Daniel I'm talking about is not the author of the great anti-Jesuit work "The Grand Design Exposed." John Daniel author of Scarlet and the Beast

believes in a strictly Masonic conspiracy instead of a world Gentile Jesuit conspiracy and by what I have skimmed in his section on the Jesuits, he is soft on Jesuitism and Roman Catholicism. I would not trust his misleading info on the Jesuits. John Daniel of the "The Grand Design Exposed" rightfully exposes the Jesuits who head the world conspiracy against Torah believing Jews, Bible believing Protestants and Baptist-Calvinists.

Wal-Mart is a retail giant which receives products made in China from Jesuit-controlled Red China's COSCO (China Ocean Shipping Company) which has smuggled AK-47s and other weapons into Long Beach, Los Angeles and Oakland California, Panama, Cuba, and the Middle East, in preparation for the coming race riots (weapons have been given to the Masonic street gangs controlled by the Jesuits like Greg Boyle SJ and archbishops such as Roger Cardinal Mahony of Los Angeles) and invasion of North America especially the Post-Protestant Reformation U.S.

From: <http://www.immigrationcontrol.com/archives.htm>

"Red China has forward deployed elements of its intelligence and military assets into the U.S. homeland," writes Canfield. "Its sailors roam strategic U.S. seaports. Its soldiers observe U.S. military facilities and exercises. Its scientists visit and work in U.S. factories, research labs and universities. Its officials take notes and photos of the technical and structural vulnerabilities of critical infrastructures - water power and communications." The author explains that Red China's intelligence-gathering in our major port cities adjacent to key U.S. naval bases is facilitated by the China Ocean Shipping Company (COSCO), a Red Chinese government enterprise which has 600 ships worldwide of which 100 call on 15 U.S. ports from Seattle to LA to Miami, to Norfolk, to Boston weekly. These are container-ships, only 2% of which are inspected by U.S. customs. One of those rare inspections uncovered a huge COSCO container with thousands of AK47 rifles destined for street gangs in America! Our homeland is insecure!"

"Certainly no conservatives were surprised about Clinton's sell out to the Red Chinese;

he is what the Chinese would describe as a "yellow running dog." i.e. an unscrupulous errand boy for sale. But there are many others who fit in that category. For instance, Dr. Canfield points out that "retired General Alexander M. Haig, Jr. [is] a COSCO advisor... the former Secretary of State and Presidential Chief of Staff has been paid [as a] 'domestic and overseas senior advisor' to COSCO."

According to the film Walmart: The High Cost of Low Price, Walmart encourages employment of illegal aliens.

I refuse to buy anything from Walmart or Sam's Club because doing so would be an act of treason in that I would be funding the coming Jesuit-led Sino-Soviet-Mexican-Cuban invasion of North America.

Government

Rt. Hon. Ruth Kelly MP(UK)Ruth Kelly - Minister for Women and Equality (2006 - Present), Labour Party (center-left) in the United Kingdom. John L. Allen, Jr. states that she is a supernumerary member in his book, Opus Dei.

Paola Binetti - Senator-elect in Italy (2006). A numerary member. According to John

Allen in 2006, although Opus Dei is accused of favoring a right-wing and anti-woman agenda, two of the most visible politicians connected to Opus Dei in 2006 (Kelly of UK and Binetti of Italy) are from the center-left and are women. [1]

Antonio Fontán - President of the Senate of Spain in 1977-1979. A journalist who advocated free elections and trade unions, and was persecuted by Franco. He helped draft Spain's new democratic constitution after Franco. "He was elected to the Senate as a member of the Unión de Centro Democrático coalition in the first democratic general elections in June 1977. Before he became a politician, as the International Press Institute notes, Fontán was the editor of the independent national daily Madrid from 1967 to 1971. He was prosecuted on 19 occasions and fined some 10 times before the government demanded his resignation and shut down the paper over its calls for democracy and an end to authoritarian rule." [2]

Alberto Ullastres (d. 2001) - Minister of Trade (1957-1965). He is one of the several members of Opus Dei who were appointed by Franco as ministers (Spain under Franco). These ministers are generally acknowledged to have introduced to Franco's rule a capitalist, technocratic ideology which contrasted with previous Falangist, Carlist and military influences. (See Berglar 1994 p. 186).

Laureano López Rodó (d. 2000) - Technological Secretary of the State Department (Spain under Franco); Minister of Foreign Affairs (1973-1974)

Mariano Navarro Rubio (d. 2001) - Treasury Department (1957-1965; Spain under Franco)

José María Albareda (d. 1966) - Secretary General and head of the Higher Council for Scientific Research (Consejo Superior de Investigaciones Científicas) (1939-1969?). He was close friend of Escrivá and one of the first numerary members of Opus Dei. He was also close friend of José Ibáñez Martín, Minister of Education (1939-1953). Albareda was asked by the minister to write some of the legal text that allegedly brought Nationalcatolicism into the Spanish education system in the 1940s.[citation needed] Albareda was appointed soon after the Spanish Civil War as staff in the Ministry of National Education.

Jesus Estanislao - Secretary of Economic Planning and subsequently Finance Secretary of the Philippines under Corazon Aquino (1989-1992)

Joaquín Lavín - politician in Chile. He is a member of the Independent Democrat Union (UDI) party and former mayor of Santiago and Las Condes municipalities of capital Santiago.

Robert Hanssen - convicted FBI spy
[edit]

Journalism

Robert Duncan - a journalist; an ombudsman for foreign press in Spain; an executive board member for Spain's oldest and largest foreign press body, the Club Internacional de Prensa; and honorary vice-executive president for the Organización de Periodismo y Comunicación Ibero-Americana. Robert was the bureau chief for Dow Jones in Madrid for many years, and was published regularly in Dow Jones Newswires, with articles appearing in The Wall Street Journal, WSJE, Barron's and Smart Money. He has also been published in World Catholic News, National Catholic Register, Renew America, Lifesite.net, and others. He is the editor in chief for Spero News, and blogs at Pelican Press. [3]

Antonio Fontán, Spanish journalist who fought for press freedom. He later became the first Senate President of Spain's democracy. Rafael Calvo Serer - editor and founder of Diario Madrid who was hounded into exile for his criticism of Franco, who closed the publication. Although Messori (1997, p. 30) states that Calvo, by working underground, helped to bring democracy to Spain, some historians explain that he was fired from his position in a governmental agency for supporting the throne pretender Don Juan (father of today's King Juan Carlos). He did not oppose Francoism, but Franco himself about Franco's succession (see Preston 623-3, 663 and 671).

Antonio Fontán - journalist who advocated free elections and trade unions. Persecuted by Franco. After the death of the latter, he returned as President of the Senate in 1977. He helped draft Spain's new democratic constitution. (Messori 1997, p. 30) The International Press Institute notes, Fontán was the editor of the independent national daily Madrid from 1967 to 1971. IPI says: "Fontán's staunch defence of the principles of free expression during those five years as editor of Madrid earned the paper and the men and women on its staff a unique place in the annals of Spanish journalism."
[edit]

Academia

John F. Coverdale, law professor at Seton Hall University.

Scott Hahn, Assistant Professor of Theology and Scripture at Franciscan University of Steubenville[4], Founder and Executive Director of the St. Paul Center for Biblical Theology[5] and director of the Institute of Applied Biblical Studies. A former ordained Presbyterian minister who converted to Catholicism after an exhaustive study of scripture. One of the most renowned Catholic apologists today.

Tony Shannon, Master of Warrane College at the University of New South Wales, in Sydney and Provost of KvB Institute of Technology, at North Sydney.[6]

To Use There Own Words.

"It is not a form of religious persecution to say and to show that another religion is false. for an informed person to expose publicly a certain religion on being false, thus allowing persons to see the difference between false religion and true religion."

More will be added to this list as it is gathered. Please check back often.

Updated

02/21/2002

The following information is excerpts from reliable sources throughout the web. Most of these articles quote from the Watchtowers own printed material, which at one time the Watchtower ordered to be turned in by its members. To fully understand these excerpts one must read the material from which they came. It has been proven that The Watchtower Society has been involved in Enochian magick since its founding by Charles Taze Russell. Russell himself has been linked to a Satanic bloodline and was operating with key figures whose agenda has been a New World order. We all know how important the bloodline was to Christ through David. So is the bloodline to Satan to bring about the Anti-Christ New World Order. Russell was part of this bloodline. To understand the Satanic Bloodlines, start here. [The Satanic Bloodlines](#)

To bring about a new world order one would need to infiltrate all matters of government, religion, school systems, police enforcement, etc., etc. The following list is only a partial list. Groups Promoting A Globalist, Anti-American Agenda

You would then need a strong-arm force such as the United Nations to enforce this agenda worldwide.

"No one will enter the New World Order unless he or she will make a pledge to worship Lucifer. No one will enter the New Age unless he will take a LUCIFERIAN Initiation." (David Spangler, Director of Planetary Initiative, United Nations)

I hate to say this more than you can imagine, but through research and direction of the Holy Spirit, I have come to the conclusion that it is the United States who will help bring about this new world order. Our history is not what we have been taught. Our true history has been hidden by these key figures of power, the Satanic Elite. Satan's right hand men. Rewriting U.S. History Even the late American Professor Revilo P. Oliver, a confirmed atheist, was forced to conclude: "The question of precisely what fires the will of the wealthy supranational elites seeking to manipulate and control world events, has not escaped the attention of serious students of conspiracies and cover-ups. A theory that a conspiracy has been working consciously for many centuries is not very plausible unless one attributes to them a religious unity. That is tantamount to regarding them as Satanists engaged in the worship and service of supernatural evil. The directors of the conspiracy must see or otherwise directly perceive manifestations, which convince them of the existence and power of Lucifer. And since subtle conspirators must be very shrewd men, not likely to be deceived by auto-suggestion, hypnosis, or drugs, we should have to conclude that they probably are in contact with a force of pure evil." Prof. Revilo P. Oliver, (Conspiracy or Degeneracy? USA)

You may be familiar with the term of the Illuminati. The enlightened ones. Some of these are the people who founded this country. The United States. A large portion of men who wrote our constitution. Almost every one of the Presidents have been involved with this group at some level, or have been lead by the power behind them. The group mostly responsible for the United States part of the New World Order has infiltrated the Freemasons. Yes they hide it very well through good deeds and much secrecy. But it is a large portion of the Freemasons who are responsible under the direction of Satan himself for the state of affairs here in the U.S. As I said earlier, almost every President has been involved in Freemasonry. Start here. U.S. Presidents and The Masonic Power Structure

Now we come to Russell's part. Russell was a freemason. It has been recorded in his own material, his admittance to being a Freemason." I am very glad to have this particular opportunity of saying a word about some of the things in which we agree with our Masonic friends, because we are speaking in a building dedicated to Masonry, and

we also are Masons. I am a Freemason." Charles Taze Russell. (The Temple of God-Pastor Russell page 120)

The Rothschild's had long had a plan to create a personal fiefdom for themselves and the Illuminati in Palestine and that plan involved manipulating Jewish people to settle the area as their "homeland." Charles Taze Russell, of the Illuminati-reptilian Russell bloodline, was the man who founded the Watchtower Society, better known as the Jehovah's Witnesses. He was a Satanist, a pedophile according to his wife, and most certainly Illuminati. His new "religion (mind-control cult) was funded by the Rothschild's and he was a friend of theirs, just like the founders of the Mormons who were also Rothschild-funded through Kuhn, Loeb, and Co. Russell and the Mormon founders were all Freemasons. In 1880, Charles Taze Russell, this friend of the Rothschild's, predicted that the Jews would return to their homeland. It was about the only prediction Russell ever got right. Why? Because he knew that was the plan. He wrote to the Rothschild's praising their efforts to establish a Jewish homeland in Palestine. WAS HITLER A ROTHSCHILD?

No Jesus was the foundation stone; there were no stones chiseled out before he came; none could be accepted before that. He did the great work of founding this great order to which we belong, the order of free and Accepted Masonry. (The Temple of God-Pastor Russell page 121)

You know that in these orders of Masonry, as they progress from one step to another; they learn more and more, and there are Masons in the thirty-second degree that know a great many things that Masons on the fourteenth or sixteenth plane that would not know. (The Temple of God-Pastor Russell page 123)

Albert Pike addressing the 23 Supreme Councils of the world on July 14, 1889:- "To you, Sovereign Grand Instructors General, we say this, that you may repeat it to the Brethren of the 32nd, 31st and 30th degrees: 'the Masonic Religion should be, by all of us initiates of the high degrees, maintained in the purity of the LUCIFERIAN Doctrine. . ."

Mat 21:42] Jesus said to them, "Did you never read in the scriptures: 'The stone that the builders (aka Freemasons) rejected has become the cornerstone; by the Lord has this been done, and it is wonderful in our eyes'?

[Mat 21:43] Therefore, I say to you, the kingdom of God will be taken away from you and given to a people that will produce its fruit.

A thousand years during which these Knights Templars are to scatter blessings to all the families of the Earth. We may not wear our white feathers now but we will all have white raiment by and by. "They shall walk with Him in white for they are worthy." Now the question arises, How can we become members of this order? Would you like to become one of these Knights Templar on a heavenly plane. (The Temple of God-Pastor

Russell page 122) see also: SATANIC SOURCES CLAIM KNIGHTS TEMPLAR TO BE SATANIC! THIS IS MORE PROOF THAT FREEMASONRY IS ALSO SATANIC

All our historians, at least nearly all of them, agree that Freemasonry owes very much to certain occult societies or groups that flourished -- often in secrecy -- during the late Middle Ages, and even into the after-Reformation times. Chief among these were the Rosicrucian's and the Knights Templar. (H. L. Haywood, The Great Teachings of the Lodge (Richmond, Virginia: Macoy Publishing and Masonic Supply Company, 1971), page 94.) The above crown with the cross is very much a Masonic symbol. A close up of the plaque below reads "Watchtower Bible and Tract Society".

Russell's Instructions for his funeral

I desire to be buried in the plot of ground owned by our Society, in the Rosemont United Cemetery, and all the details of arrangements respecting the funeral service I leave in the care of my sister, Mrs. M. M. Land, and her daughters, Alice and May, or such of

them as may survive me, with the assistance and advice and cooperation of the brethren, as they may request the same. Instead of an ordinary funeral discourse, I request that they arrange to have a number of the brethren, accustomed to public speaking, make a few remarks each, that the service be very simple and inexpensive and that it be conducted in the Bible House Chapel or any other place that may be considered equally appropriate or more so. (from Watchtower Reprints, 12/1/16) for those wishing to visit the gravesite: The area is the North Hills area of Pittsburgh. It is in the "Rosemont United Cemeteries at Allegheny, in the Bethel Family plot, according to his request." (Jehovah's Witnesses In The Divine Purpose, 1959, p. 62) Charles T. So I ask you to entertain a question. If Russell wasn't a Mason then why would the Watchtower allow a Masonic erected pyramid to remain at his grave site. It wouldn't be the fact that Russell is buried next to the Greater Pittsburgh Masonic Center would it?

Update: The above crown and cross is the Masons York Rite Knights Templar emblem. See below.

The Crown and cross emblem on the left from this Masonic Drawing clearly indicates the emblem is the York Rite of Masonry Knights Templar. To see the full picture click here.

Some might mistake it for a Christian symbol, but Masonic author Ray Denslow reveals its true meaning:

"The Cross and Crown may be said to be confined almost exclusively to the historical degrees in Masonry as exemplified in the various orders of knighthood of York and

Scottish rites. In Gaul we find the cross to have been a solar symbol when it had equal arms and angles; to the Phoenicians it was an instrument of sacrifice to their God, Baal; and to the Egyptians, the crux ansata was his symbol of eternal life." Now that we have established that Russell was a York Rite Knights Templar, same as 32 or 33rd degree Freemason. Lets look at Enochian Magic. What is Enochian Magic? Have you ever heard of Aleister Crowley? He was one of the most evil men besides Hitler to walk this Earth. In his book "Confessions." Crowley claimed that he had been initiated as a 33-Degree Mason in the Ancient and Accepted Rite of Masonry (A&AR). He probably did this in Mexico, where he went after the break-up with the Golden Dawn. To learn a bit more about Crowley start here. Aleister Crowley. You may have heard people speak of it in hushed tones: Enochian magick! Some say it is dangerous. Others say it is the most powerful magick known. Now you can find out the truth when you read The Enochian Magick of Dr. John Dee by Geoffrey James (previously published as The Enochian Evocation of Dr. John Dee).

This system was received by Dr. John Dee, astrologer to Queen Elizabeth I of England, and his assistant, Edward Kelly. Together, through a series of evocations, they discovered a system of magick so potent that some people fear to use it. Now you can learn the entire Enochian system as never before.

Previously, people went to secondary sources such as the Golden Dawn or Aleister Crowley for information on the Enochian system. Here, for the first time, are the diaries of Dr. Dee, which reveal the entire system so you can use it for a wide variety of magical purposes.

Presented here is the definitive version of the forty-eight angelic keys according to Dee himself. Revealed are the names of the sixteen good angels who are most skilled and powerful in medicine and in the curing of diseases, as well as the sixteen angels of the four elements. Every step of the method by which Dee and Kelly worked their evocations is fully explained so you can recreate their experiments and tap into some of the most powerful magick available.

The Watchtowers. It was believed that angels ruled a certain compass direction and they lived in the ends of the earth (more like the ends of the universe). These angels are to record every event that occurs in the world.

WATCHTOWERS, GUARDIANS OF: 1) A term used to describe the Elementals who are Energy Forms, Raiths or Spirits of the 4 Elements. 2) Originally used in the Enochian Tradition of Ceremonial Magick but whose usage is now widespread. 3) Those Entities connected to the Elements & Directions & certain attributes as follows:

North Air thought & intellect Male yellow

East Earth stable, solid, dependable Female green...

South Fire change, passion, willpower Male red.....

West Water emotions & purification Female blue....

Center Spirit intuitiveness unisexed soul

They are both visible & physical and invisible & spiritual. They are invoked during ritual as protectors of our Circle of Power & sometimes as advisors. Some 'set' these Guardians, during rituals in a more complex exercise than simply invoking the Elements. <http://www.ancientpathway.com/reference/glossary.html> External Link

Now lets look at a bit of history of Enochian Magic. The Golden Dawn history. This secret society made great impact on the European magic of the XX century with the publishing of its secret material by its former members. According to a story that circulated among the members of the society, it is based on a coded manuscript that Win Westcot, one of the founders, freemason and occultist found in an antique store. Then Westcot contacted Samuel Lidel McGregor Mathers, who was a respectable magician and Egyptologist in that time, and they together decoded the manuscript which consisted of four complicated rituals. In the manuscript they found an address of a certain person called Mrs. Spriengel from Germany who was responsible for a secret

magic order, supposedly from the tradition of the Rosicrucian's. From Mrs. Spriengel they received a letter of approval for founding the secret magic order Golden Dawn with the first lodge Isis-Urania in London. The founders and the heads of the society were Mathers, Westcot, and Woodman, another English occultist and freemason. Early Medieval magic

OK we have proved that Enochian magick is a reality. We see that Russell was involved with Freemasonry and used Freemasonry symbols on his earlier magazines. We also learn that the Freemasons were involved in the occult and The Golden Dawn order, which used Enochian Magic. The Freemason is heavy into the Pyramids and the worship of Isis and Osiris. The ancient Egyptians, for example, constantly refer to a remote Golden Age they called Zep Tepi, 'The First Time' of Osiris, (Both of these terms are older terms for NEW WORLD ORDER) which they believed had long predated the Pyramid Age. The Sphinx: Guardian of the Treasure of the gods External link

We have also learned those three phrases of terminology that are popular with Enochian Magic, and the Freemasons are "Millennial Dawn", "Golden Age" and "Watchtower." Russell named his organization Watchtower Bible and Tract Society. His earlier magazine was called The Golden Age. Before the name of Jehovah's Witnesses was established the followers of Russell's teachings were known as Russellites and Millennial Dawnist. Not a chance this is coincidence.

It is the restoration of that corrupt "Golden Age" of incarnate demons which the Egyptian mystery religion represented and continues to represent. It is an ancient violent and immoral world which developed before the Flood which New Age spirit guides are seeking to re-establish, but which will be swept away by the War of Armageddon. The term "Golden Age" is a very misleading one, as is the term "spirituality" when used in conjunction with Adam Weishaupt whose "spirituality" was referred to as "horrifying." The Illuminati's fundamental principles pervert the noble meaning of spirituality, and are working for the establishment of a "horrifying" "Golden Age." New Age Army Expose, Psychic Warrior Subversion Exposed

Now keep all of this in mind when reading the Watchtowers false predictions, and their constant change of doctrines. Oh yes and a little FYI. (For Your Information). The WT Society performs a secret ritual every year, which is their primary ritual. This ritual is actually the ancient Gnostic (Satanic) ritual of saying no to the body of Christ. Of course the lower rank and files JW's do not know this. This ancient Satanic ritual is now secretly practiced under the disguise of the Memorial Supper - where the elements of communion are passed and no one partakes of the elements. (When I say "no one" I mean that in a qualified sense-only a small group is allowed to partake. The actual

figures of how many partake of the elements is a totally fictitious figure according to my sources, which is created at Bethel headquarters in Brooklyn. The_Russell_Bloodline

In their main textbooks for indoctrinating new converts, "You Can Live Forever in Paradise on Earth," and "Knowledge that Leads to Everlasting Life", the Watchtower Society subtly presents circular reasoning and cleverly formulated arguments garnished with half-truths to begin the process of thought control on unsuspecting individuals sincerely interested in learning about the Bible.

Here is a bit of Watchtower History. At the end of each excerpt will be the link from which it came.

Biblical Test for a Prophet

The test for a prophet is found in Deuteronomy 18:20-22. This scripture teaches that a prophet must be tested by checking his prophecies. Also. Jesus said, "Beware of false prophets which come to you in sheep's clothing, but inwardly they are ravening wolves. "This is not telling us to examine a prophet's good works. Many false prophets have led moral lives. The fruit of a fig tree is its figs. The fruit of a prophet is his prophecies. One false prophecy (even if some true prophecies are given) and that person is a false prophet. It does not matter how sincere he or his followers are. It does not matter how often his followers pray or what feelings they seem to receive in answer to their prayers. He is a false prophet.

This thread tickled some threads in my memory from having read various Fritz Springmeier works, so I went back and quickly browsed some of them. Below are some excerpts from his voluminous work - **13 Illuminati Bloodlines** . I have e-copy of this large book from around 2 years ago, but now forget where on the web I found it. The references within to Jehova's Witness / Watchtower are many. I cutNpasted them to a Word file so I could copy them here, unfortunately, all of the places where I put bold and colored font to make easy to read have been deleted by the forum editor here :(I'll try to put them back using the forum editor, but this is a tedious process and I may miss several. Also note, the e-copy of this book that I have contains numerous misspelled words, bad punctuation, etc, which for the most part I have left intact. Anyplace you see the ~ symbol indicates the end of one particular excerpt from the book. Sentences in red are my own words added to further keep track of these excerpts.

In the *Be Wise As Serpents* book I gave a good example of how Satan's realm works behind the scenes. **The Illuminati control the Watchtower Society.** The nominal head of the WT Society for many years was their **President Fred Franz.** Yet, Fred Franz had grown very old, was blind and stayed in his bed. **Natheer Salih** was supposedly Fred Franz's bodyguard and helper, but all communications **to WT** President Fred Franz had to go through 6'2" Natheer Salih, who would supposedly ask Franz and then would come back with an answer. Apparently Salih may be from an Iraqi Jewish bloodline. He wears big rings and has expensive tastes. Salih was the channel through whom the Illuminati could pass their decisions for the WT onto the Governing Body and Bethel staff.

Regarding the Bundy bloodline:

I have learned that Ted had an interest in Astrology. Perhaps the closest person to Ted Bundy, his longtime girlfriend Elizabeth Kendall, wrote in her book *The Phantom Prince My Life with Ted Bundy* that she didn't know why he brutally killed so many women. She was aware that he liked bondage-type sexual arrangements. But the inner workings of Ted's mind were a mystery to her. And Ted was capable of some of the biggest lying and yet coming across totally honest. (This type of lying goes on everyday by the Illuminati members who as a habit make boldface lies to the public.) Ted Bundy was adopted by his father Johnnie Bundy, who was a dentist in the northwest area of Washington State. What is this main branch of Bundy's that we are speculating that Ted's father might or might not be tied to? The original Bundy family came to the New World before 1635 to Boston, MS. A few years later they moved to Taunton, MS. A large branch of these Bundys went to Connecticut, and later a few went on to New York. Another group of colonial American Bundys were in North Carolina. The particular members of the Bundy family that are prominent in the New World Order today, are the one's who would have inherited the position of authority over the family if Satanic tradition had been followed. The Bundy family was an old American family that was part of the Eastern establishment, but with only a few exceptions like Congressman Solomon Bundy in the early 19th century; the family has only come into the public's eye during the twentieth century. This family also surfaces in not so prominent places too. **Two of the key early Watchtower Society leaders were Bundys.** These were **Walter H. Bundy**, who went with Charles Taze Russell to Great Britain on his May 29-31, 1909 trip, and **Edwin Bundy** who worked at the Bethel Headquarter at the turn of the century and travelled around the U.S. for the Watchtower Society from 1906 to 1910. The following is my own Who's Who of the Bundy Illuminati family. After this list introducing our cast of characters, this article will get back to discussing the Bundys.

Regarding the Rockefeller bloodline:

John D. Rockefeller Sr.

One of the 13 Satanic bloodlines that rule the world is the Rockefeller bloodline. Today, there are around 190 members of this family with the Rockefeller name and of course some others by other last names. This article is to explore further for those who investigate the Illuminati, how the Rockefeller bloodline is involved in the promotion of the occult and Satanism, and how they are involved in the control of the Christian denominations. This article keys in on just one family, the Rockefellers. To understand the full extent of the Illuminati's control of religion, including Christendom, would require perhaps several books. The Illuminati itself draws its lifeblood from around 500 very powerful families worldwide. This article will not attempt to explain their networks and the many organizations of the Illuminati. It will not even try to do this for the Rockefellers. In fact, no one knows how many trusts and foundations the Rockefellers have. They have hidden trusts within secret trusts within secret trusts. It is estimated that they have between 200 and several thousand trusts and foundations. The finances of the Rockefellers are so well covered that Nelson Rockefeller did not pay one cent in income taxes in 1970, yet he was perhaps the richest man in the U.S. The Rockefellers exert enormous influence over religion in this nation in the following ways:

1. They provide a large share of the money that Seminaries in the United States need to operate.
2. They provide a large share of the money that universities need to operate. Education influences the religious values of our people.
3. They provide large grants to various religious organizations.
4. Their influence and control helps determine who will get publicity in the major news magazines, and on television.
5. Their influence has contributed to various anti-Christian organizations being set up.
6. They directly help control certain religious groups such as Lucis Trust.

The Rockefeller's influence is both subtle and not so subtle.

In the book *The Unholy Alliance* details are given on how the seminaries, church boards and Christian colleges have been captured. Much of the money for this came from the Rockefellers. One of the principle large Foundations that was instrumental in controlling religious institutions of various kinds was the Sealantic Fund. (They have now shifted to other channels.) This Foundation which was incorporated in 1938 and was headquartered in New York City (50 West 50th St.) gave enormous sums of money to manipulate Protestant concerns. In 1964, according to the Russell Sage Foundation's book *The Foundation Directory* the Sealantic Fund gave away \$681, 886 in grants.* In 1969, the Fund gave \$1,889,550 in grants.** By 1984, the Sealantic Fund was not being used. But a look at another Rockefeller non-profit untaxed Foundation the Rockefeller Brother's Fund shows a revealing grant pattern. Many people would not be able make any sense out of what seems a random pattern of grants without the broad picture of what the Illuminati is doing today. My book *Be Wise As Serpents* should have clarified how those various groups who receive grants are related and helpful to the

Rockefeller agenda. Although these other Rockefeller Foundations are not specifically geared toward religion such as the Sealantic Fund was, it is clear these other Foundations still impact religion.

We will now go into some depth on the six items above.

1. They provide a large share of the money that Seminaries in the United States need to operate.

The Union Theological Seminary has operated from Rockefeller funds.***** UTS hasn't been the only Protestant Seminary receiving Rockefeller funds, but it may be the best example of a seminary controlled by the Rockefellers. The Sealantic Fund stated under its purpose and activities, "Current interests are primarily Protestant theological education..... ***** The President of the Sealantic Fund when it operated was David Rockefeller, and Laurance (not Lawrence) S. Rockefeller was Vice-President. Steven C. Rockefeller was one of the trustees.

2. They provide a large share of the money that universities need to operate. Education influences the religious values of our people.

In 1952, Congressman Eugene E. Cox headed up a committee that for the first time tried to uncover the Rockefeller's (and other's) foundations' activities. For some reason, Cox encountered stiff opposition everywhere against his committee's investigation, and the Congressman for some reason got sick and died. One member of the committee, Congressman Carroll Reese, and his Counsel Rene Wormser attempted to continue the investigation. Rockefeller's henchmen and newspapers did their best to destroy Congressman Reese. The Reese investigation was given only the barest minimum of time and little resources for their investigation. However, they were still able to uncover that beginning in the 1930s vast sums of money were spent in Education by the Rockefeller and Carnegie foundations. This money went to promote John Dewey, Marxism, a One-World-Government agenda, and Socialism. The foundations (principally the Rockefeller and Carnegie) stimulated two-thirds of the total endowment funding of all institutions of higher learning in America during the first third of this 20th century.***** The NEA (National Education Association) was largely financed by the Rockefeller/Carnegie foundations. A 1934 NEA report advised, "A dying laissez-faire must be completely destroyed and all of us, including the 'owners', must be subjected to a large degree of social control." Reece Committee Counsel Rene Wormser wrote of the investigation, "...leads one to the conclusion that there was, indeed, something in the nature of an actual conspiracy among certain leading educators in the United States to bring about socialism through the use of our school systems..." They discovered that the Rockefeller foundation was the primary culprit behind the teaching of socialism in America's schools and universities and also behind the NEA's policies. Rene Wormser, Counsel for the Reece Committee reported, "A very powerful complex of foundations and allied organizations has developed over the years to exercise a high degree of control over education. Part of this complex, and ultimately responsible for it, are the Rockefeller and Carnegie groups of foundations." This was the situation in the 1950s

when the Reece Committee briefly investigated. The Rockefeller-Carnegie groups have continued basically unopposed for the next 40 years in controlling education. One of the educational book producers is Grolier, Inc. Avery Rockefeller, Jr. sits on Grolier, Inc. board meetings. Another interesting board member is Theodore Waller who is the director of Grolier, Inc. He was a member of the International Book Committee of UNESCO. The Rockefellers maintain great influence in the United Nations.

3. They provide large grants to various religious organizations.

On Jan. 31, 1945, John D. Rockefeller addressed the Protestant Council of the City of N.Y. and told them that the answer to the problems Christianity was that Christianity needed to become "the Church of the Living God." Many listening that day, may not have realized that he and other top Illuminati consider themselves gods, and that the solution John D. was cryptically giving was for Christianity to serve him a living god. (Rockefeller, John D. The Christian Church- What of its Future? NY: Protestant Council, 1945, & 1917.)

4. Their influence and control helps determine who will get publicity in the major news magazines.

The Rockefeller family has enormous controls over various magazines and newspapers. Let us examine how the power of the press can be used in religion. One of the magazines that the Rockefellers have some control over is Time magazine. Time's board chairman, Andrew Heiskell was associated with David Rockefeller. Another Illuminatus of the 6th level¹ Henry J. Fisher, ran McCall's Magazine from 1917 to 1956. The establishment's media boosted Anton LaVey's Church of Satan into prominence. The Jan. 31, 1967 New York Daily News ran a story about Anton LaVey performing the first Satanic wedding ceremony in America. The March 1970 issue of McCall's ran a nice story about the Church of Satan. Not only is LaVey's Church of Satan a publicity stunt to make Satanism more popular and to deflect criticism of real covert Satanism, the McCall issue makes Anton LaVey's church sound even better in the article than it is. (For those brainwashed folks who think that this free advertising for Anton LaVey was just for the sake of finding a good story for the Daily News and McCall, I can show you dozens of better juicier stories that never have seen the light of day--because they are contrary to what the Illuminati want people to hear. I won't argue that a story on Satanism may be interesting, I am pointing out that many other interesting stories don't get printed. Stories are selected by an editor, they don't just happen.) Finally on June 19, 1972 Time Magazine provided more coverage for LaVey with an article "The Occult: A Substitute Faith." Believe me; the sincere devout Christian groups haven't ever received such nice free publicity. I'm not referring to men like 33° Mason Billy Graham, who works for the New World Order and **Knights Templar Mason Charles T. Russell, founder of the Watchtower Society** who both received great press coverage ~ Is it any wonder Marvel Comics promotes the occult and heroes like 'The Son of Satan'? Where does the buck stop? You say that the Rockefellers don't control subordinates. Bear in mind, that many of the Rockefellers call themselves Baptists. If they are really

Christians don't you think they could use their influence to stop such terrible things? The point is that the rottenness starts at the top. The rest of the pyramid has a hard time turning out O.K. when the top of the pyramid is dedicated to Satan. Rockefeller and Hearst worked together in their news monopolies. It was Hearst who promoted both books on Satanism and Billy Graham. (If you learn what I know--the two are not contradictory.) Hearst made Billy Graham who he is today by financially backing him and publicizing him. Rockefeller was supportive of Billy Graham's New York Crusade, and the Manhattan-Chase Bank helped Billy Graham out.

5. Their influence has contributed to various anti-Christian organizations being set up.

Maurice Strong is a good friend of the Rockefellers. He has been promoting Mother Gaia worship. David Rockefeller works with Maurice Strong and his New Age ideas. Reverend Moon from Korea has been very much loved by the Rockefellers. Moon calls himself Christ and is setting up a religion promoting internationalism. His religion is also a good testing ground for brainwashing/recruiting techniques that are being perfected by the NWO. The Rockefellers have been helping Moon, who also has his primary mansion in NY. Also of interest is that the prominent political figures that have endorsed Moon are those with ties to the NWO, and include Ted Kennedy, Mason Mark C. Hatfield, Mason Jesse Helms, & Illuminatus William F. Buckley, Jr. (See pg. 32-33 of *The Puppet Master* by J. Isamu Yamamoto.) A lesser known group is the Spiritual Frontiers Fellowship (SFF) in Independence, MO. Their address was Exec. Plaza, 10715 Winner Rd, 64052. They were founded in 1956. Just like Reverend Moon they claim to be Christians, but teach and practice other things. They teach and practice the occult. Two prominent men in SFF are Marcus Bach and Gardner Murphy. They both have interesting backgrounds. Marcus Bach shows the touch of the Rockefellers. Marcus Bach, born in 1906, is director of special projects for SFF. The Rockefeller Foundation granted him a fellowship in "research and creative writing" from 1934-36. Gardner Murphy was the consultant in 1950 for UNESCO in New Delhi to the Hindus of the Indian Ministry of Education. From '52-'68 he was director of research at the Menninger Foundation, Topeka, KS. (Yes, psychology is led mainly by occultists!) Menninger himself is a member of several environmental groups for the elite, an Honorary trustee of the Aspen Institute, a Freemason, member of ACLU, and a close associate of W. Clement Stone. W. Clement Stone in turn is also a Mason, a member of the occult American Society for Psychical Research, and the financial backer of the Menninger Foundation. The Federal Council of Churches was financed to a large extent by Rockefeller money. In my *Be Wise As Serpents* book I detail how the FCC was designed to destroy Christianity, how they carefully plotted to make the creation of the FCC look like a grass roots movement, when it was actually the creation of the elite (Illuminati). I further detail how the men who ran it were high ranking Masons, Socialists, and One-Worlders. Also shown is how they carefully manipulated the real gospel for their own devious ends.

6. They directly help control certain religious groups such as Lucis Trust.

David Rockefeller is part of Lucis Trust's management. Lucis Trust puts out the book *Externalization of the Hierarchy* by Alice Bailey which spells out The Plan for the Satanists and New Agers on how the spiritual Hierarchy (actually the demonic hierarchy) is to externalize their rule of the planet. The book gives quite a few of the details of the plan, and is used as a textbook for New Agers at the Arcane Schools in NY, London, and Europe on how the New Age/One World Religion/One-World-Government will be brought in. If anyone doubts the Rockefeller's commitment to Satan, read page 107 of *Externalization of the Hierarchy*. On page 107 Alice Bailey, President of the Theosophical Society and part of Lucis (formerly Lucifer) Trust, tells us who will rule when the New Age (New World Order) takes over. On the Earthly level-- Humanity so to speak, the Ruler is given on page 107 as Lucifer. On the Spiritual level-- called "Shamballa - the Holy City" the coming ruler is given as "the Lord of the World" which we Christians know as Satan. Lucis Trust knows it is Satan too, but for public consumption they say that the "ruler of the world" is Sanat (a scrambling of Satan) Kumara. They also predict there will be a Christ Consciousness and the Christ (actually the Anti-Christ) The book *Externalization of the Hierarchy* teaches repeatedly (see pages 511-512, 514) that the 3 vehicles to bring in the New Age will be the Masonic Lodges, (obviously not everyone attends Lodges), next the Churches (this is clearly revealing to us that men like the Rockefellers are using the churches for the Luciferian plan of Lucis Trust), and finally Education (Well, of course education. Not everyone attends churches. They need a safety net to catch everyone in their brainwashing to make us all want to be happy slaves under the Light-bearer.) The home life of the Rockefellers is decidedly different than for most people. They have over 100 homes to stay at. The Rockefellers own vast tracts of good land in various countries in South America, and have nice homes in Brazil, Ecuador, and their Monte Sacro Ranch, Venezuela. They have two mansions in Washington, D.C. (at least), numerous ranches around the United States, resorts in Hawaii, Puerto Rico, and the Caribbean, a 32-room 5th Ave duplex in N.Y., not to mention their place at Seal Harbor, Maine, and the large estate at Pocantico Hills, NY. It is estimated that they have 2,500 house servants. Over the years, they have built up the reputation of being miserly with their help, and to each other. (I couldn't begin to know all about the Rockefellers, but I can give a sampling of some of the many items that surround the real lives of America's top Illuminati family.) Winthrop, who is homosexual,, enjoyed living in Arkansas with his black male friend. He reportedly had the world's largest porn collection. Winifred Rockefeller Emeny, Nelson's cousin, murdered her two children and committed suicide. Michael Rockefeller died when he tried to bribe New Guinea tribesmen with large sums of money to go head hunt and make shrunken heads for him. The natives had given up head hunting and Michael couldn't successfully bribe them. Finally getting tired of Michael, the natives decided to head hunt Michael himself! Many of the Rockefeller family have had troubled lives, filled with all kinds of fears and occult activities. It is known that the Rockefellers have frequently built many hidden tunnels and hidden rooms onto their buildings. They have developed their occult and worldly powers to the

point they consider themselves gods. Their powerful often suffer violent ritual death as most high level Satanists traditionally go through. One who died in Arizona is known to have been cremated.

Regardign the Rothschild bloodline:

THE ROTHSCHILDS

A CONTINUATION OF ARTICLES ON THE TOP 13 ILLUMINATI FAMILIES

INTRODUCTION by Fritz Springmeier

The Rothschilds are one of the most well-known of the thirteen families. David J. Smith of Portland was asked to prepare an article on the Rothschilds for this newsletter. His article follows this introduction. Satan's selective breeding program has been continuing down through the ages hidden from the eyes of the public. One of the most powerful Rothschild bloodline families in America are the Springs. The Springs were originally the Springsteins when they came to America in the mid-1700s and settled in NY and NJ. They later changed their name from Springstein to Springs to hide their identity. Leroy Springs was hired by LC. Payseur. Now most American's have to ask, who is L.

C. Payseur? One of the most secret and most powerful families in North America has been the Payseurs. They have been so powerful that they could hide their wealth and power, and use other Satanic families as proxies. The Payseurs are part of the i 3th top Illuminati family. The first Payseur to come to America was the former crown prince of France Daniel Payseur (1785-1860). He came over about 1805 to the U.S. and married Susannah Kiser c. 1814. They had two boys Adam and Jonas (1819-1884). Jonas married Harrietta Smith and they had Lewis Cass Payseur (1850-1939). It was this Lewis Cass Payseur who hired the Rothschild bloodline of the Springs to run a number of the Payseur's companies. The Payseurs were one of the original big railroad families along with Issac Croom and William H. Beatty. Isaac Croom's wife was a sister of William Beatty's, so the reader can see how all these elite bloodlines intertwine. Remember that LC. Payseur hired Leroy Springs to operate a host of his companies. Leroy Springs father was A.A. Springs and A.A. Springs was the secret father of Abraham Lincoln.

The origins of the Masonic and Rosicrucian movements lie with the medieval alchemists. Manly P. Hall, Freemasonry's greatest philosopher writes, "During the Middle Ages, alchemy was not only a philosophy and a science but also a religion. Those who rebelled against the religious limitations of their day concealed their philosophic teachings under the allegory of gold-making. In this way they preserved their personal liberty and were ridiculed rather than persecuted. Alchemy is a threefold art, its mystery well symbolized by a triangle."

(The Secret Teachings of All Ages, pg CLIV-ul) -- Manly P Hall also states in his book on magic entitled Magic, "... [the] pentagram. This was known to medieval alchemy as the sign of the cloven hoof (Hall.. Magic, Los Angeles, CA: Philosophical Research Soc., pg. 46) Quicksilver (**IE> Mercury**) (which was one of the things the early Astor family traded in) was one of the primary items employed in the alchemical transmutations. The oxide produced using quicksilver was considered magical and mystically identified with the god Osiris. As the reader may have already figured out, alchemy practiced Hermetic magic from ancient Egypt. Alchemy was really a front for the mystery religion of Satanic witchcraft. The leading alchemist was a german Richard Bauer who was alive sometime in the 14 or 15 hundreds. Richard Bauer is said to have been the only alchemist who was successful in transforming lead to gold. Whether that report is meant in an allegorical way, or some other way I do not know What I am trying to communicate is that the Bauer family was a leading alchemical family which secretly practiced Hermetic magic during the late Middle Ages. David's article on the Rothschilds is meant to be an extension of what I have already put out on the Rothschilds. for instance my chapter 3.3 in the **Be Wise As Serpents** book. Chapter 3.3 is entirely devoted to the Rothschilds. I chose them to write about in the book, because the family is the most renown of the Satanic families and the easiest to expose

to people just becoming acquainted with what is going on.

The other family which has a chapter devoted to it is the Russell family, which is described in chapter 1. 6. The Russell family has yet to be covered in this series, but was covered in the **Be Wise As Serpents** book because of their importance to the Watchtower Bible & Tract Society.

Regarding the Russell bloodline:

The Russell Bloodline.

THE WATCHTOWER & THE ILLUMINATI

Last year in the Jan. '93 newsletter I wrote an article about the Illuminati and the Watchtower Society. Recently, on Dec. 10, '93, Texe Marrs interviewed me over international short wave radio about the 1990 book "The Watchtower and the Masons." Having got a good response from the short wave radio interview, it is only appropriate that this newsletter starts off the new year with another article on the Watchtower Society and the Illuminati. Because of numerous problems within the congregations of **Jehovah's Witnesses with Satanic Ritual Abuse**, the Watchtower Society put out an article in the Oct. 8, 1991 issue of the magazine. Lee Waters of Bethel Headquarters kept a file on his computer of Jehovah's Witnesses who were reported to be victims of SRA. It is possible headquarters has told him to delete the file. **Another man who was at headquarters who is now believed out of the Society was also well informed of SRA among the congregations of Jehovah's Witnesses.** In fact, two J.W.s who had actually been in the Illuminati while J.W.s but had broken free, confronted the Governing Body and headquarters with their evidence of the Illuminati operating within the membership of the **Jehovah's Witnesses.**

What was the response of the WT leaders? To simply ignore and coverup the evidence. The actions of the Governing Body in squelching any serious action against the high level Satanism secretly operating within the Jehovah's Witnesses shows what my **Be Wise A Serpents** book revealed, which is **that very secret high level Satanism has long been controlling the Watchtower Society.** One of these 2 eyewitnesses to Illuminati activities within the higher levels of the Watchtower Society realized that something is seriously wrong at the top, when the WT leaders do not really care for those people in the congregations who are becoming the victims of SRA. One elder in good standing lost his position because he warned the WT Society of satanic infiltration. It is obvious that the Watchtower organization is more interested in public relations than it is in having a clean organization. In examining the families that are involved with the Illuminati who use the Watchtower Society as a cover, we find a continuation of the same pattern as I noticed before: there is a large contingent of Scottish and a large Jewish bloodlines. For instance, one J.W. Illuminati family was the Udell family (Scottish name) who married Picketson Milliken (English maiden name with Jewish first

husband).

This type of combination typifies so many of the elite who I have researched. In the *Be Wise As Serpents* book, chapter 1.11 discusses how the Satanism within the Illuminati and the Watchtower Society could be tracked by an understanding of Enochian magic. Readers may want to refer back to that chapter after reading this paragraph. The Illuminati operating within the Watchtower Society use the Enochian Language which has its own language and its own Enochian alphabet (letters in boxes). According to eyewitnesses who have left the J.W. part of the Illuminati, the Enochian alphabet is known and used as the cult language by those Illuminati operating in the high levels of the Watchtower Society. In other words, their ceremonies are done in this ritual Enochian language. Sir William Sinclair in the 16th century was one of those who introduced Enochian Magic to Scotland. The Scottish connection in the Watchtower Society is overpowering. Both the Russell and the Rutherford families came from Scotland as well as MacMillan and many other key early Watchtower leaders. From this it appears that the Scottish type of Illuminatism that created the early Watchtower Society has always practiced Enochian magic. Remember from the *Be Wise As Serpents* book that knowing the Watchtowers is the key to Enochian magic. The same type of winged-sun-disk that C.T. Russell used was also used on the Magic. Two phrases that were popular among satanists who practiced Enochian Magic in Rumli's day were 'Millennial Dawn and 'Golden Age.' The following are some of the Illuminati operating within the Watchtower Society today (names may be spelled incorrectly in some cases):

Chris family - Domelie family-Irish bloodline

Karrls - JW Overseer in Miami, FL Prince George McKee-Monroeville, AL Melers, or Myer-Jewish Satanic bloodline.

Sharon Russell - left the Illuminati, still a JW, worked with police showing ritual sites.

Princess Proud Swift - lived in Delaware, with the travel industry Jim Tifton-important WT official and elder in So. Calif. A secret Satanic serial murderer.

Walt family -

Woomer family-

The areas which have been identified as strong Satanic stronghold within the Watchtower religious empire are:

Southern California (cap. San Bernadino Valley), Florida, the Carribean, Scotland, Bethel Headquarters in Brooklyn, and various places in New York. I expect that this list of strongholds is very incomplete. According to an eye witness of the Illuminati within the Watchtower Society the following items can be ascertained:

- Some type of trauma based mind control is being used to create MPD and control children born into the Illuminati within the WF Society.
- The rank and file JWs have no awareness that the WT Society has a secret upper level of involvement. (Note, I identified this upper level in my chart explaining how religions are controlled by Satanism.)
- The Illuminati within the Jehovah's Witnesses have a hidden agenda that is separate from the published goals of the WT Society, although they also support many of the goals of the Society.

RITUAL SITES.

Beside rituals taking place in the above mentioned stronghold areas, it is of value to point out that one of the rituals that I have found out about took place when a boat load of generational satanic JWs went to the Bahamas (believed to be Andros Is.) and had a ritual at a high place. This was in 1958.

Related items.

There are three items which relate to what has been described above.

- There is a particular man who is well informed about the WT Society who is able to explain how the WT Society is interlocked with a lot of major corporations.
- As a consequence of how connected the WT Society is with politics, big business, etc. the WE Society has been closely watched by the FBI which has over 12,000 pages in its files on the WT Society alone. This figure does not include its extensive files on individuals, of which everyone of the WE Society Presidents has had a file.
- The WT Society performs a secret ritual every year which is their primary ritual. This ritual is actually the ancient gnostic (satanic) ritual of saying no to the body of Christ. This ancient satanic ritual is now secretly practiced under the disguise of the Memorial Supper - where the elements of communion are passed and no one partakes of the elements. (When I say 'no one' I mean that in a qualified sense-only a small group are allowed to partake. The actual figures of how many partake of the elements is a totally fictitious figure according to my sources, which is created at Bethel headquarters in Brooklyn.
- Canadian citizens who have tried to find out why the Watchtower Society in Canada is allowed to evade taxes, have been stonewalled by government officials. MacGregor Ministries newsletter News & Views, Oct. 1993, p. 10 discusses how various people have tried to expose the Watchtower's avoidance of the GST and how the Minister of Finance, the Minister of National Revenue and many other government groups have simply stonewalled people. The fax no. of one of the most powerful committees of the Watchtower Society is the WT Service Dept. whose fax no. is 718-6244030. This newsletter will continue to bring articles on the various branches of Satan's One World Religion which includes the Mormon authority structure, the Catholic authority structure, the Pentecostal and the Jehovah's Witnesses authority structures just to name a few.

One of the strangest things for this Author was to continue running into evidence that seems to indicate Charles Taze Russell, the man who started the Jehovah's

Witnesses' Watchtower Society, was secretly an important Satanist. Lest the reader devalue the evidence, permit this author to state that the evidence came in first before I came up with my theory that Russell was an important Satanist, and not vice-versa. Some of the outstanding clues are:

- a.) C.T. Russell was definitely a Mason, yet he puts up some great smokescreens in his writing concerning his membership.
- b.) C.T. Russell's Bethel staff became concerned about his occultic activities and required him to take an oath forswearing any further occultic activities.
- c.) In my previous book *The Watchtower and the Masons*, I study 35 parallel beliefs that Russell had with Masonry. I spent a page per parallel. These 35 are not in any way inclusive, Russell had many other identical ideas to what the Masonic lodges propogate.
- d.) Various items from magic were part of Russell's religious beliefs including healing handkerchiefs, phrenology, the Winged-Sun-Disk, Enochian Magical planes, etc.
- e.) Russell's family's possible Illuminati links, and his wife's possible connections with a family line of Satanists.
- f.) Russell's apparent secret Rosicrucian membership with the Quakertown, PA group of Rosicrucians, as revealed by the pyramid he ordered erected, his use of the Winged-Sun-Disk. and his cremation three days after his death.
- g.) Russell owned a cemetery in Pittsburgh. Leading Satanists try to own cemeteries for several reasons. First, it facilitates the disposal of human sacrifices which are buried in pieces below the fresh holes dug for someone else's burial. When the casket is placed in the hole, it would be rare for anyone to dig below the casket level ever again. Second, magic power is associated with cemeteries. The spiritual power of the dead is pulled up by making a circle of light over them then within the circle a naked Satanist lays. Third, specific bones are sought such as the skulls and left hands. Left hands are preserved in order to hold candles for certain ceremonies.
- h.) Contacts from various places today indicate that the modern Watchtower Society is working with the New World Order. This implies that at some point the Society began cooperating with the New World Order. Russell seems to be the likeliest starting point.

~

Should the reader allow, I will quote from the Power's own statements plus other proof to show that this god, the god of the world, is Lucifer (aka Satan, Sanat, Venus, etc.) For thousands of years, The Plan for world domination has been passed down from occult generation to occult generation. Spaced every 28 is a Feast of the Beast, a year-long holiday during which Satanists receive new instructions from Satan on how to carry out The Plan.' We read of the great holiday and its Great Councils in *Externalization of the Hierarchy*, when Satan's instrument Alice Bailey writes, "The past year... has, however, been the year in which the greatest spiritual Approach of all time has shown itself to be possible - an Approach for which the initiates and Masters have for centuries been preparing, and for which all the Wesak Festivals since the meeting of the Great

Council in 1925 have been preparatory. I have, in past instructions, referred to the great meetings held at intervals by Those to Whom is entrusted the spiritual guidance of the planet and particularly of man." (Externalisation of the Hierarchy, p. 389.)

ONE SAMPLE OF THEIR PLANS

As example of how ingenious these plans are to create a One-World-Government consider the following part of it. The Drug War is not what it seems. It is a very ingenious scheme to enslave the American people, and destroy all their civil rights. The first rumblings of the Drug War part of The Plan seem to stir from the occult, so it is highly possible the Drug War originally was first developed by Satanists, perhaps even given during one of the Feasts of the Beast. The Drug War seems like the perfect plan, with no way for the Power to lose. First, the Power creates a drug culture in America. The Drug Culture would and did give many their first step into the Aquarian (New Age) conspiracy.⁶ The Power would make billions of dollars by running drugs, to further finance other nefarious schemes, and could use their world-wide power to crush all their competitors. When the Power crushed and arrested their competitors in drug running, they would be hailed as heros by the majority of people. (And they have.) The introduction of drugs into society does several things. It taxes the Christian church's ability to oppose immorality. It gets the public indignant about drugs, and the public's moral outcry allows the Power to pass "drug" laws that remove the last vestiges of legal civil rights. In fact, the beguiled public demands the laws which abolish their rights, and applauds these laws in ignorance unknowing what the laws actually say and mean. If the public somehow gets a complete picture that their government has been smuggling drugs to create a drug war in spite of the controlled media, or perhaps through the media at the right time, then they can create a scandal involving several U. S. Presidents to eliminate the U. S. government and switch the public's alligience to a world government. (See chapter 3.9 for more details and a chronology of the secretly planned escalation of today's designed Drug War.) As an ex-Mason, who is very aware of their plans, said to this author, "These people are in it for the long-term."

THE BLOODLINE OF THE RUSSELLS

The purpose of this next subsection may be misunderstood, unless I make myself clear at this point. This author has not established any link between the various famous Russells. (Although I have been doing genealogy work, I have not had the chance to do the long term geneology work required to clarify the issue, if the reader is dissatisfied with the extent of this information, he is encouraged that rather than criticize to research it himself.) The reader will observe by the time he finishes this book, that this author has done extensive research into many groups. One item that has popped up consistently is that people with the surname Russell repeatedly appear as important figures in the various elements of the World Order as it has developed. Before becoming aware of the One World Order, this Author had no inkling how important blood lines have been for the elite that controls the world. Friendships have also played a role, for instance, Eleanor Roosevelt (who was involved in numerous communist organizations' and was

an actual card carrying member of the American communist party) was a close friend and confidant to Ronald Reagan's mother. This seems trivial, but the reoccurrence of blood lines and the reoccurant discovery of connections of friendships between what have been thought of as unrelated personages, compels one to believe the elite is more compact than appears. (More on that later) The mysterious Watchtower Society and its founder Charles Taze Russell will serve as perhaps the most used example in this book of an organization that is secretly serving the New World Order.

~

Let's comment about the type of Russells that keep appearing throughout the course of the history of the New World Order as this author went about his research. To summarize, these various Russells (who until the genealogy work is done to show the connections should be viewed as individuals -- not a group) have been prominent members of the Illuminati, the Masons, the Fabians, the Mormons, the Jehovah's Witnesses, the Jesuits, the Royal Society, and the Media controlled by those of the New World Order, and a deputy chairman of the Federal Reserve. Typically they have been merchants and lawyers, with a fair share of them also as Christian heretics. It will be easier perhaps to illustrate how the Russells keep popping up in the New World Order story line by listing a good sampling of them.

SAMPLE OF RUSSELLS OF INTEREST

RUSSELLS WHO FOUNDED FRATERNAL SOCIETIES

William Huntington Russell - founder of what is believed to be an american chapter of the Illuminati (Skull & Bones Order).⁹ More on this in chapter 2.3. It's legal name is Russell Trust.

John Russell - founder of the fraternity of Daughters of Isabella (DOI) in May, 1897 in New Haven, Conn.¹⁰

RUSSELLS CONNECTED TO FRATERNAL ORGANIZATIONS

Charles Taze Russell - Knights Templar Mason of York Rite, in Allegheny Pa. and founder of the WT Society.

Harvey D. Russell - KT Mason leader of Pittsburgh, PA Beaver Valley Lodge No. 8412

John Russell - Pastor C . T. Russell's step-mother was executor of his will. His mother was the one chosen to dance with famous Mason and Illuminatus Lafayette when he was in Philadelphia.

William H. Russell - Mason and part owner of the Pony Express, which was a firm made up mainly of Masons."

George William Russell (1869-1935) - leading member of the Dublin Theosophist lodge,

wrote art. for the theosophic periodical The Irish Theosophist. Initiated into the Lodge of Isis (with its sexual rites). The keynote of his work is from the Bhagavadgita. He was a good friend of Golden Dawn leader William Butler Yeats who wrote some of the Satanic Masonic Rituals for the Golden Dawn.

'15

James Russell- President of the Royal Society of Edinburgh which was associated with esoteric groups like the Masons.

16

Archibald D. Russell (1811-1871) - A Presbyterian Mason who graduated from the Univ. of Edinburgh, Scot. He studied at the Univ. of Bonn, Ger. and was active in setting up various organizations in the United States.

17

Benjamin Russell (1761-1845)- Mason and early American Journalist.

18

Charles H. Russell - Governor of Nevada, 1950-58, and 32^o Mason, also in the York Rite, and a Shriner.

19

J. Stuart Russell - Mason and newspaper editor and deputy chairman of the Fed. Reserve Bank in Chicago.

20

Lee M. Russell (1875-1943) - Mason and Lt. Gov. of Miss. 1916-20.

(21)

Louis A. Russell (1854-1925) - Mason, organist for South Park Presbyterian Church, Newark, N.J.

22

Richard B. Russell (1861-1938) - Mason, judge, editor & business exec.

22

Richard B. Russell, Jr. - Mason and Gov. of Georgia, 1931-33 and Sen. from Georgia since 1933.

24

Before going to our next section would be worthwhile to cover the family that Bertrand Russell came from. They hold the title of Dukes of Bedford. Ordo W. Russell served in Lord Palmerston's office from 1850-52. He served as unofficial ambassador for Great Britain to the Vatican from 1857-70. His son Baron Ampthill was Grand Master of the English Masons 1908-1935. He joined the English equivalent of the Knights of Malta -

that is the Order of St. John of Jerusalem, and served as the Grand Master of the lodge formed at the Bank of England! He was appointed head of the Indian Masons of Madras, India (home of the Theosophical Society). Ordo Russell's son also served in some high political positions.

RUSSELLS CONNECTED TO GROUPS THAT TIE BACK TO THE ILLUMINATI

(see future chapters such as 2.5)

Charles Edward Russell, Jewish Socialist who worked for N. Y. Life controlled by J.P. Morgan, and also for N.Y. Tribune and Herald.

25

James E. Russell, Columbia University professor who introduced Wundt's Hegelian philosophy to his students at Columbia.

26

Thomas Russell (1767-1803) - a revolutionist of the Illuminati-stream of Revolution.

27

Samuel Russell - represented Baring Bros. Helped open up the Port of Shanghai for the International Financiers.

28

Bertrand Russell - famous Fabian socialist, and One-World Order .

29

Alys Russell- ex-eccentric Quaker, wife of Bertrand and also a Fabian Socialist.

30

Rev. Matthew Russell (1834-1912)- Jesuit writer.

31

RUSSELLS CONNECTED IN SOME WAY TO THE IBSA (NOW CALLED JEHOVAH'S WITNESSES)

Charles Taze Russell, Sr. - Pastor RusseU's uncle, broker and real estate agent.

32

Moses F. Russell, Postmaster of Saltillo, Hopkins Co. ,TX near where Hayden Cooper Covington's parents moved.

33

Brother Russell- an early elder of the Belfast Ireland IBSA congregation.

34

RUSSELLS CONNECTED IN SOME WAY TO MORMONISM

Elder Isaac Russell- a prominent early Mormon missionary to Great Britian in 1837.

35

Captian Joseph H. Russell- original investor in stock in the Mormon Deseret Manufacturing Co. which was intended to be an umbrella company for many early Mormon enterprises.

36

The Russell who opened a store with Mormon blessings in the newly created Salt Lake city. The store was called Miller, Russell & Co., a branch of Russell, Majors, & Waddell, and was a primary source of goods in the area of Utah.

37

OTHER RUSSELLS

Baron Charles Russell (1832-1900)- Solicitor (Lawyer) in Ulster and advocate for Ireland.

38

Jerome Russell a Greyfriar, burned in 1539 for heresy with John Kennedy in Glasgow, Scot.

39

Philemon R. Russell- editor of the Christian Herald & Journal, in the Mar. 19, 1840 issue he stressed 2,520 years in prophecy, which was an idea C. T. Russell would later pick up and promote.

William Howard Russell- first war correspondent for London's The Times newspaper in 1854. The London Times has long been part of the World Order, that William was the first of his kind is quite significant.

1. Michels, Robert. Political Parties: A Sociological Study of the Oligarchical Tendencies of Modern Democracy. (orig. 1915) reprint: New York: Free Press, 1962, p. 70.
2. This Author has colloborated the connection of the Mormon leadership to the Satanic bloodlines and the Priere de Sion through several independent sources. One descendent of Joseph Smith who took part in Satanic rituals has been willing to tell about the family's occult history. A Christian who was once part of the Satanic hierarchy who ran verbal instructions to the Mormon First Presidency from the Council of 13 colloborates their connections. The historical roots, even those that the Mormon leaders themselves have printed, expose the genealogical ties to some of the most powerful occult bloodlines.

3. This subject is very controversial. One of the few books even willing to touch the subject in a scholarly biblical manner is Crawford, Jarah B. Last Battle Cry, Christianity's Final Conflict With Evil. Knoxville, TN: Jann Publishing, 1986. Although I don't concur with all of Crawford's conclusions, the book shows more than enough evidence to support the point superscripted.

4. Confidential source personally involved with the it.

5. The documentation to show that the drug war is a contrived scheme is extensive. I have chosen to place some of the documentation much further back, but will state that several researchers give seminars exposing it in detail. The Vietnam War was an important part of the scheme and since then some of the recent important laws passed to implement this contrived war are P.L. 99-570, P.L. 100-690, and the Omnibus crime bill in 1991.

6. Marilyn Ferguson, New Age writer, states in her famous book The Aquarian Conspiracy, p. 90, " 'LSD gave a whole generation a religious experience. But chemical satori is perishable, its effects too overwhelming to integrate into everyday life. Non-drug psychotechnologies offer a controlled, sustained movement toward that spacious reality. The annals of the Aquarian Conspiracy are full of accounts of passages: LSD to Zen, LSD to India, psilocybin to Psychosynthesis."

7. Checks by the FBI, and other federal agencies confirmed this.

8. Victims of Satanism have disclosed information about some of the extent of Satanism within the rank and file Jehovah's Witnesses, and hierarchy. When it became obvious that the art department of the Watchtower Society has been hiding Satanic symbols in the pictures of Watchtower publications for many years the Governing Body chose to cover it up rather than stop it.

C.T. RUSSELL'S STORY

Once there was a Jewish family whose name was Roessel. They lived in early 17th century Germany. They moved to a country called Scotland. There they re-spelled the name Russell. They took on the ways of their new homeland. The English tried to settle Protestants from Scotland in Ireland in order to control the Irish. When the opportunity opened up to go to the Emerald Island (Ireland) with the Scottish settlers who went to the plantation Ulster they went. It is possible, but not known for sure that they learned to know the Rutherfords either in Scotland or Ireland. Scotland repeatedly appears as the source of much of the religious heresy connected with the Power. That C . T. Russell's family were in Scotland for a period, and also from the German states which seem to be a hot bed for Jewish Satanism may be only a coincidence and then again it might be a clue to understanding the origin of the Watchtower Society. This Author's previous book The Watchtower and the Masons tells the story how the Arian heresy began at the University of Edinburgh, Scotland and spread to the the Presbyterians of the Synod of

Ulster. The book gives this Author's reasons for believing that the C . T. Russell's family in northern Ireland were Arian in belief before coming to the U. S. and chances are they were involved with Freemasonry also.

THE ACKLEY CONNECTION

In The Watchtower and the Masons the early history of C . T. Russell is given. Charles and his father married two Ackley sisters a number of years after Charles' mother died. What is an intriguing item is that C . T. Russell's mother's will indicates she owned land in Iowa. A description of that land shows it was north of the town of Ackley, Iowa. It turns out that a man named William Ackley had purchased the land in that area, and had sold it in large part to Scot-Irish settlers of the Presbyterian faith as they were coming to America. At the time C T. Russell's mother died a town named Ackley had been staked out in 1857, but the Civil War had interfered with construction plans. A Presbyterian congregation had been formed in the area during the early 1860s in the Ackley area, which indicates some settlers had arrived. What connection did the Russells have with the Ackleys years before Charles T. and his father married Ackley sisters? Who are the Ackleys? Maria Ackley, who was Charles T. Russell's wife, was well-educated and an excellent writer. Interestingly, in the 19th century she believed a socialist revolution was coming. She wrote, "This great revolution has not yet come, but where is the statesman or the intelligent citizen that does not see it coming?" (Russell, Maria. This Gospel of The Kingdom, p. 26.) She was the ghost writer and ghost editor for much of her husband Charles Taze ' s work. Her family was well-off. William Ackley, the land speculator/seller in Iowa, traces his ancestry back to Prence Doane and Elizabeth Godfrey. Elizabeth Godfrey in turn was the great-granddaughter of William Brewster of the Mayflower fame. The Ackleys were Puritans to begin with and seem to have been concentrated in the Connecticut area, and from there their family members moved out into NY and PA. Another Ackley (1832-1881) at that time was Richard Thomas Ackley, a Freemason who worked for the Miller, Russell and Company store in Salt Lake City in 1858 soon after the Mormons built Salt Lake City.

LEADS

Of course, these are all simply tantalizing leads for the investigator but nothing solid. There seems to be much more to Charles Taze RusseU than the little that the public has been told. In the next few chapters we will attempt to dispel some of the mystery surrounding the man.

God's "Annoited Seed"

In 1852, the Joseph Lyttle Russell family had a baby who they gave the same name to as his uncle had. This baby, named Charles Taze Russell had a brother Frank who was two years older, but Charles ended up the favorite of his father. Later Charles would get a sister Margaret M. Both Charles T. and his sister Margaret spoke on various occasions that his had been chosen before his birth for the work that he was to carry out.¹ Margaret referred to her brother as the greatest man alive "a giant unmatched." She stated that he had been chosen for his religious work before his birth. Perhaps,

Charles' Russell family, and his father Joseph L., (like Joseph Kennedy who had goals for his son to be president) had goals for Charles. If Charles had been encouraged to meet such expectations and had gone forward, then that could account for his sister's great admiration for him. He had fulfilled her father's wishes. At the Put-In-Bay Convention his sister Margaret had outlined how God planned and chose her brother. First God had planted a seed with the early church. But the seed had laid dormant for centuries. "In due time", she says, the seed of truth grew and was watered according to God's plan. During the Dark Ages the seed of truth was barely kept alive waiting for God's Chosen One to bring it to fruition. When it was time, God "annointed the eyes" of her brother at age 17, and "God's smile of favor rested upon him." Margaret said her brother was the one, the faithful one who God could depend upon, the "one despite the burden and heat of the day" would remain faithful to God.²

Think Bruce "Born in the USA" Springsteen is one of them?

JagDRS - April 14, 2006 07:26 PM (GMT)

Yeah, LOL, funny as that is, while I was quickly scanning the book to find and cut out excerpts for this forum, I scanned over that one paragraph, my eyes briefly saw the mention of Springsteen and you guessed it, the first thought that popped into my mind was "bruce?..... hmmm". :lol:

:o I just want to give thanks for those who took the time to research and share their finding about JW's. There is a lot of information presented.

Title: Is the Bible Based On A Conspiracy?
Description: *Did The Jesuits Tamper With It?*

Menses - June 20, 2006 02:37 AM (GMT)

It is becoming more and more apparent to me that perhaps the reason the Jesuits did not want people reading the 1611 KJV is that there is indeed much truth to that Bible. It exposes them and in the Church they do not seem to address this issue. From I have seen in Church, they merely sing songs about Jesus but do not discuss prophecy or Revelations much. Bring up government and the middle east and they say ignore that and let God choose your leaders. I cant go for that, so I am not religious but I am no fool, there are certain things I have found in the Bible that clearly point toward this very Jesuit trickery that we are now faced with. Im reading my Catholic editions of the Bible and Im seeing all kinds of distortions in there as well. I have never noticed these before. There can be no doubt the New Testament Jesus is the Sun...however I am not one of those people who just throws the baby out with the bath water. So I have tried to study it, study where the lies have been put in. There seems to be two different Pauls in the New Testament that contradict one another...

Last year during the whole "Purpose Driven Life" hype that was created vis a vis the Manchurian court shooting in Atlanta, CNN was running a 2hour special on Paul and how Christianity owes its inception to him. A&E and the history channel also salivate over this Paul issue quite a lot, attributing much of Christianity's "success"to him. This for me is a red flag and perhaps this is indeed the source of much of the forgery accusations aimed at the Catholic Church...Paulinism run amuck

Have they manipulated this Bible so that it would appear to the Bible believer that Gods word is indeed what it says it is, because so much of what is transpiring is inded in the Bible. Was this done so that people would accept the Messiah to come not suspecting that this messiah is Anti Christ...

Paul teaches a fleshly Christ that he never met, and also teaches about the Christ

within that Marcion taught and was deemed "heretic" by Rome. Then in Acts It would appear as if he is chastized for preaching a false doctrine...Was revelations indeed Gods Word or is it a blueprint laid out by The Jesuits that they are seemingly following today and thus fooling people into believing that it is indeed the end of the world instead of it actually being the end of an Age (Pisces)(Fish)?

Alexandra - June 20, 2006 02:50 AM (GMT)

Yes, they have tried to tamper with it. The Catholic church tried to keep the Bible from the people--and failing that, they came out with counterfeits, such as the NIV, the New King James, etc.

The Authorized King James is the only accurate English translation. King James I of England and VI of Scotland is the one who commissioned it--and from what I've read, he was a Christian man, very loving towards his wife--NOT the sodomite that people have accused him of being! In fact, James despised sodomy and advocated that men (as well as women) keep chaste before marriage.

Ive heard that they took out parts of Daniel that showed that government is babylon. I may be wrong about this. I find that suspicious because when I try and discuss this with my Christian extended family, they say God provides the leaders and so we shouldn't worry about who is Mayor, Senator or President....It figures the Church would say something like this.....

Not surprising--they quote Romans 13 and twist it so they don't have to lift a finger to do anything. In fact, FEMA has been instructing pastors to keep their flocks in line in the event of martial law, gun grabbing, and the like!

Eric Jon Phelps Interview Questions

Introduction: Eric Jon Phelps is the author of the excellently researched book Vatican Assassins: Wounded in the House of My Friends. If you're looking for the dope on the Pope look no further than the work of Eric Jon Phelps who with his expert research reveals the corruption going on in the Vatican today. Eric has appeared on such radio shows as From the Grassy Knoll, Frankly Speaking Radio, The Investigative Journal, and Peering Into Darkness Radio.

Q: What are the origins of the Society of Jesus/Jesuits?

The Society of Jesus/Company of Jesus originated with a Gentile Spanish nobleman and member of the Alumbrados, Don Ignatius Loyola, on August 15, 1534. There in the subterranean chapel of the Church of Montmartre, Paris, Loyola and his nine followers vowed to wage war against the Moslem Saracens of the East. (This doctrine has much to do with the Pope's present "War on Terror," called a "Crusade" by Skull and Bones Jesuit Temporal Coadjutor, President George W. Bush. The Order used Masonic Napoleon for the same purpose when he invaded Egypt in 1799, ultimately killing all the Islamic Mamelukes.) In 1540 the Company (i.e., Loyola and his nine followers) was brought into the Roman Papacy by Pope Paul III via a papal bull. Although legally subject to the Pope, the Order is a "Church within a Church;" "a jurisdiction within a jurisdiction," as Sir William Blackstone has described it. A recent illustration of the relationship between the Company and the Papacy is found in the working order between the Nazi party and the SS. Hitler played the part of the

Pope; Bormann (Hitler's "Brown Eminence") played the part of the Cardinal Secretary of State; and the Nazi Hierarchy was patterned after the Roman Hierarchy. Outside of this Nazi political power was the SS. Himmler was the Jesuit General; his SS Generals acting as his "Jesuit Assistants;" his SS being dressed in Black as the Jesuits have been called "the men in black," which title was used in the Order's Hollywood movie, Men In Black starring that Jesuit Temporal Coadjutor Tommy Lee Jones---another intimate friend of Jesuit Georgetown University graduate and CFR member, William Jefferson Clinton, the Order's "Crusader" against the Orthodox Serbian people.

Q: From your research, what do you believe is the goal of the Jesuits?

The goal of the Company of Jesus is to consolidate all of the world's wealth (including all land and labor) and all power (both spiritual and temporal) into their hands. By these means, the Order then seeks to compel all nations to submit to the earthly government of the Roman "White Pope." J. A. Wylie wrote in his nineteenth century release, The History of Protestantism, Vol. II, Book Fifteen, pp. 387, 388, 393, 398, 412 and 399, concerning the Jesuits:

"An army to conquer the world, Loyola was forming. . . . The General is the society. . . . he could enkindle them with fanaticism, inspire them with a Luciferian ambition, and so pervert and indurate their souls by evil maxims, and long and rigorous training, that they should be insensible to shame and pain, and would welcome suffering and death. Such were the weapons of the men he sent forth to the battle. . . . But, further, these sons of Loyola are the kings of the world, and the sole heirs of all its wealth, honours, and pleasures; and whatever law, custom, sacred and venerable office, august and kingly authority, may stand between them and their rightful lordship over mankind, they are at liberty to throw down and tread into the dust as a vile and accursed thing. The moral maxims of the Jesuits are to be put in force against kings as well as against peasants. . . . they will be the lords of its lands and palaces, the masters of the bodies and the souls of its inhabitants, and nothing of all that the heart can desire will be withholden from them if only they will obey him [the Jesuit General]. . . . What a harvest of plots, tumults, seditions, revolutions, torturings, poisonings, assassinations, regicides, and massacres has Christendom reaped from the seed sown by the Jesuits! Nor can we be sure that we have yet seen the last and greatest of their crimes."

Ignatius himself declared the purpose of the Order was to:

". . . win to God [the Pope of Rome], not only a single nation, a single country, but all nations, all the kingdoms of the world."

That earthly government is to be centered in Jerusalem, within the rebuilt Temple of Solomon---the Third Hebrew Temple. Loyola first sought to take Jerusalem from the Moslems when he made his trek to that city prior to creating the Order. (Michael Cervantes, a Spaniard himself, satirically characterized Ignatius via his infamous creation of "the madman," Don Quixote.) As the Order sought to rule the world from Jerusalem then, so does it now. This is in complete accord with Bible prophecy declaring that the final end time Satan-possessed dictator---"the beast"---will rule the world from Jerusalem's Third Hebrew Temple for forty-two months prior to the return of the Lord Jesus Christ, He then to sit on the throne of his father David ruling the world for one thousand years.

Q: How did you get involved in researching the Jesuits?

There were three issues that drove me to discover, further understand and know the Jesuits. The first was the assassination of President Kennedy. On that day, when in the fourth grade, I saw my teacher whom I loved, the feminine and kind-hearted Miss Beals, come into the classroom, blowing her nose and sobbing. She then told us the president had been shot and was dead. Such utter helplessness I felt at that moment, seeing my beloved teacher comfortless, deeply affected me. Later, my swim teacher at the YMCA, Jack Bath, was killed in Vietman. When I told my guitar teacher, Dan Boyd, of Jack's death in beginning one of my lessons, Dan bitterly cried and dismissed me as Jack had been one of his students: Dan had a portrait of each of us on his wall seated with our personal guitars. I waited a good twenty minutes in an adjacent room and could hear the sobs of the tall, cleft-palleted man I also deeply loved. These bitter emotional wounds were buried but never healed.

Then one day, years later in Bible college, the second issue arose. My history instructor, Dr. Rembert Carter, gave a class on the Jesuit assassination of Abraham Lincoln. Dr. Carter was rated third in the nation for his knowledge of

history, earning his Ph.D from Edinburgh University at the young age of about twenty-five. I then concluded that if the Order could murder Lincoln and get away with the crime, what about JFK?

The third issue was the attack on the Reformation Bible for English-speaking people, the Authorized Version of 1611. Many at school were reading from the New International Version and the New American Standard Version which I did not really object to---until I discovered that an entirely different Greek Text, a pro-Jerome's Latin Vulgate Greek text, was employed as the foundation for these new "bibles." With the Sons of Loyola behind the Lincoln and JFK assassinations, could they also be the masters behind all the new versions? Later, I learned that Jesuit Carlo Cardinal Martini was on the translation committee for the NIV. These connections drove me to prove the Order was the master behind the murder of JFK and thus the Vietnam War, called "Cardinal Spellman's War."

Q: Could you tell us more about the Jesuit's founder, Ignatius Loyola?

Ignatius Loyola was a soldier with a will of steel. Although the greatest enemy of the Lord's Bible-believing Church given spiritual and temporal liberty as a result of the risen Son of God's grand and glorious Protestant Reformation preached by the bold and brave, Bible-believing Martin Luther, Loyola is worthy of respect even as his master, the devil, is worthy of respect (Jude 9). Wounded at the battle of Pampeluna during which he commanded the Spanish forces against the French---he refusing to surrender in the face of certain defeat---, Ignatius suffered a shattered leg from a canon ball. The French commander, ordered his own surgeon to attend the valiant warrior after which Ignatius was taken back to his family castle of Loyola. Upon the leg healing, when the courtier began to walk he discovered the leg was shorter than the other. Determined to remedy the imperfection, LOYOLA ORDERED HIS LEG TO BE BROKEN AGAIN and surgically repaired, including the SAWING OFF of a protruding bone. Without crying out, he endured the torture only to find that he was still a cripple, unable to wear the courtier's high knee boots. At this, he constructed a RACK upon which he ordered the stretching of the leg. Enduring weeks of yet another torture, he finally accepted his fate---that he would remain a limping cripple for life. His subsequent demon-possession in writing The Spiritual Exercises and the Order's absolutist Constitutions (later perfected by General Aquaviva and thoroughly condemned by the French government in the 1760s), pale in comparison to this will of relentless determination. It is this trait, subordinated to the will of the Black Pope and tempered with absolute obedience produced by The Spiritual Exercises, that

has characterized the infamous Jesuit Order.

Q: How did the Jesuit's become the superpower and driving force behind the New World Order that you propose they are today?

That answer entails a long and detailed history provided in my book, Vatican Assassins "Wounded In The House Of My Friends" with its accompanying CD. That the Order ruled the world (save for a few Protestant nations such as England and the Netherlands) prior to its Suppression is without controversy. But with Pope Clement XIV issuing his bull of Suppression and Extinction, "Dominus ac Redemptor noster," in 1773, the Order went underground. From there a host of secret societies were formed, including the Bavarian Illuminati, while gaining control over other papal orders, including the Redemptorists and the Vincentians. (The priest who gave JFK last rites in Dallas was a Vincentian---Fr. Oscar Huber overseen by Knight of Malta and Bishop of Dallas-Fort Worth, Thomas K. Gorman.) The Order received open protection from Russia's Catherine II "the Great" and Prussia's Frederick II "the Great." Its secret protector was England's King George III. In control of the Jacobins, the Order launched and led the French Revolution and later brought Napoleon to power, he waging his Napoleonic Wars executing vengeance upon the monarchs who dared to suppress and expel the Society from their borders---including the Knights of Malta. In August of 1814, the Company was restored by Pope Pius VII; from that moment on it wielded control over "the White Pope" until finally declaring him to be "infallible" in 1870. This declaration of Papal Infallibility enabled the Order to control the entire Roman Hierarchy through one man---the Pope. This explains the silence of Pope Pius XII during the Order's Eurasian "burnt offering" of Jews via Himmler's SS---secretly commanded by the Bavarian German Jesuit and Pius's confessor, Robert Leiber. The Black Pope's Second Thirty Years' War (1914-1945) consolidated all political power into the hands of the Order; the Cold War (including the Berlin Airlift intended by both Masons Stalin and Truman to distract attention away from the Order's Vatican Ratlines including ODESSA) was a mop-up of Europe and build-up of Soviet Russia, China and the Moslem world in preparation for this new Third Thirty Years' War---the Black Pope's "War on Terror"---, he now controlling both sides of the conflict.

Q: Many people believe that the plan for the New World Order dates back to ancient times and say that the Jesuit's are only 500 years old. What do you have to say about this?

I would agree that Satan's plot for the New World Order---world government of all nations under the rule of his chosen world dictator---has been in the making since the literal Fall of Adam. (Genesis 3.) The AV1611 Bible calls this "the mystery of iniquity." (II Thess. 2:7.) However, with the Lord's Reformation brought about by means of Luther, we have the devil's subsequent Counter-Reformation brought about by means of Loyola. Thus, Satan has sought to consolidate all occult power into the hands of his "Black Pope." This includes all Freemasonry, the Crusading Orders including the Priory of Zion (said by one of the author's of Holy Blood, Holy Grail to have been taken over by the Jesuits in 1619), the Templars (high-level Masons), the Hospitallers (Knights of Malta) and the German Teutonic Knights---revived as Himmler's SS.

Further, Satan has always sought to rule the world through ONE MAN. This was evidenced in his temptation of Jesus Christ when the Lord was offered all the kingdoms of the world if He would but worship the devil. (Luke 4:5-6.) And further, since we live in "the times of the Gentiles," we can expect to see Gentiles at the pinnacle of world power, Masonic Jews merely serving them. This is in accord with Luke 21:24 and Deuteronomy 28:43-44, 64-68. As long as Jerusalem is under Gentile rule, via "the times of the Gentiles"---specifically White Gentiles for the last five hundred years---these devil-worshipping Gentiles will rule the banking and politics of the world until the Lord Jesus Christ returns to then rule Jerusalem and thus the world by Himself, "for he must reign till he hath put all enemies under his feet." (I Cor. 15:25; Psalm 110:1)

Q: Is it true that many of the world's leaders from dictators to presidents have been trained by Jesuits and if so could you tell us some of the people in positions of power that have been trained by Jesuits?

Yes. The list is huge. Here are a few. Marx was tutored by Jesuits in the British Museum for nearly thirty years; Lenin and Mussolini were both trained by Jesuits when in Geneva---the Order's international banking haven for which reason Switzerland never goes to war; Stalin was trained by Jesuits while in the Tiflis Orthodox Seminary in Georgia---openly admitted by "Koba" himself to journalist and Masonic Jew Emil Ludwig (Cohen). Fidel Castro was trained by Jesuits for seven years in Cuba, was put in power by the CIA, and advised by a Jesuit, Fr. Armando Llorente, during the revolution. Masonic Douglas MacArthur was trained by Jesuits according to an Army Colonel who personally knew him. Masonic Lyndon Johnson was trained by Jesuits at Georgetown University for a time, as was "the graduate" President Bill Clinton. Don Shula of the Miami

Dolphins was Jesuit-trained along with Denzel Washington, that traitor to his own Black people. The star of Mash was Jesuit-trained while Martin Sheen (who changed his name after the name of Cold Warrior Bishop Fulton Sheen) has taken Loyola's Spiritual Exercises and recently dedicated a new library at the Order's Marquette University. John C. Gannon, the real father of the Order's Department of Homeland Security (our American Gestapo) was a member of the Jesuit Volunteer Corps and is affiliated with Georgetown University while an ex-CIA officer and CFR member. Pat Buchanan, a Knight of Malta (SMOM), is affiliated with Jesuit John McLaughlin of the McLaughlin Group, and was Jesuit-trained at Georgetown, as was SMOM and former CIA Director, George J. Tenet---the man in charge of bringing down the WTC and attack on the Pentagon via a Cruise missile. This is one of the connections, along with SMOM Rudolf Giuliani, that enables us to connect the Archbishop of New York, Edward Cardinal Egan, to 911 and thus Bush's "War on Terror." Chris Matthews of Hardball was Jesuit-trained at College of the Holy Cross, he serving for many years as the assistant for another Jesuit-trained Coadjutor and Kennedy assassin, Speaker of the House and Jesuit Boston College trustee, Thomas "Tip" O'Neill. The head of the Pope's Federal Reserve Bank of New York---where all of the nation's gold is in storage thanks to FDR's gift of our Ft. Knox gold to the Fed according to "the man who opened Ft. Knox," the late Roman Catholic Washington attorney Dr. Peter Beter---is CFR President Peter G. Peterson, holding an honorary doctorate from Georgetown University. Even JFK attended Georgetown for a while as well as the Order's Fabian Socialist London School of Economics. (The Order prepared him for the presidency, obtained his "election," and then killed him for being a disobedient "tyrant and a usurper.") Indeed, the Jesuits train or influence those who will rule on their behalf. The State Department is full of those having graduated from the Order's School of Foreign Service started by Jesuit Edmund A. Walsh---the master of both military tribunals after WWII and backer of Jesuit-trained inquisitor Joseph McCarthy. AGain Wylie writes on p. 388:

"Wherever the Jesuits have planted missions, opened seminaries, and established colleges, they have been careful to inculcate these principles in the minds of the youth; thus sowing the seeds of future tumults, revolutions [the Black Civil Rights movement], regicides [the murder of JFK], and wars [the Vietnam War]."

Q: It has been said that the Adam Weishaupt, founder of the Bavarian Illuminati, was trained by Jesuits. But many point out that Adam Weishaupt defected from the Christianity. If this is so how are the Jesuits connected to the Illuminati?

The Jesuits are the masters of conspiratorial history. Their agents are always in place to re-direct those who discover the conspiracy for a world government. One of their greatest deceptions is to divert the seeker into blaming Freemasonry and thus the Jews exclusively. This tenet sits at the heart of one the Order's most effective lies---that Adam Weishaupt was a Jew (contrary to the Order's Constitutions until 1946), that he defected from the Jesuit Order (as he had been an instructor of Canon Law and Jesuit "Moral Theology" at Ingolstat College in Bavaria---Bavaria being the Company's mightiest stronghold north of the Alps) and that his founding of the Illuminati was completely free of Jesuit influence. The historians who espouse this position are Jesuit Abbe Barruel in his History of the French Revolution and Roman Catholic Nesta Webster in her several works, including Secret Societies and Subversive Movements. Both Masonic Hitler and Masonic Stalin---those Jesuit jackhammers who collaborated in the destruction of the Orthodox Russian and German-Prussian people---held to this Jesuit lie. Masonic Winston Churchill, the Fabian Socialist destroyer of the Protestant British Empire and Protestant Dresden (he commanding "Bomber Harris" who created the horrible firestorm and incineration of Protestant Germans) also promoted this Jesuitism, blaming the Bolshevik Revolution on those "godless Bolshevik Jews." Jesuit Coadjutor Father Charles Coughlin did the same as do the new Father Coughlins---Texe Marrs, Michael Collins Piper, Daryl Bradford Smith, Hal Turner, Louis Farrakhan and host of others too numerous to number. F. Tupper Saussy is quite right however when he stated in his Rulers of Evil that Weishaupt was under orders of Jesuit General Lorenzo Ricci. Weishaupt, who as "Spartacus," never left the Order, and openly led the revolt of the Pope's Jesuit "slaves."

The Order has been extremely careful to keep their guiding "black hand" out of sight in the histories covering both the French Revolution and the Bolshevik Revolution. At this moment, we are suffering from approximately one hundred years of Rockefeller-funded, CFR-backed, censored history. The same has been done with the histories of the Jesuit General's Second Thirty Years's War (1914-1945). Masonic Jewish Zionist and CFR-member William L. Shirer authored The Rise and Fall of the Third Reich---eliminating all papal collaboration in the rise of Hitler while refusing to name Himmler's Jesuit minions throughout the SS, including Dr. Richard Korherr (the "traditionalist" Roman Catholic who tabulated Himmler's secret totals of murdered Jews for Bavarian German Jesuit and confessor to Pius XII, Robert Leiber) and Edmund Veesenmayer (Hitler's overseer of the Jesuit and Franciscian-led Ustachis murdering one million Jews and Serbs in Croatia), as well as Walter Rauff (who worked with the Jesuits personally in helping SS men escape Europe through the Brenner Pass into Italy) and Josef

Mengele (Auschwitz's "Angel of Death," nicknamed "Father Mengele" while at the Frankfurt University Institute of Hereditary Biology and Racial Hygiene). The British Hugh Trevor-Roper in his work Hitler's Last Days has done the same.

Q: Who are the Knights of Malta and how do they tie into all of this?

The Sovereign Military Order of Malta (the Knights of Malta---SMOM) is an international secret society composed of the world's Black Nobility as well as top bankers, businessmen, politicians and intelligence operatives. Some of the names you might recognize are Pennsylvania US Senator Rick Santorum; William J. McDonough, CFR-member and former head of the New York Federal Reserve Bank; Alexander Haig, Jr., whose brother Francis is a powerful Jesuit; George J. Tenet, John McCone and William "Wild Bill" Donovan---all former heads of the CIA; William F. Buckley, CFR member, CIA officer---Kennedy assassin---and former head of National Review; Cartha De Loach, former Assistant FBI Director---and Kennedy assassin; Henry Luce---Kennedy assassin---, the late head of Time-Life and commander of Order's Rockefeller Center adjacent to the SMOM headquarters in the US, St. Patrick's Cathedral. Elmer Bobst, the founder of Warner Lambert pharmaceuticals (now Pfizer), was the godfather of the Nixon presidency and upon his death donated much of his estate to the Archbishop of New York; John DeGioia, CFR member and President of Jesuit Georgetown University; Prescott Bush, Sr., and Prescott Bush, Jr., as well as George H. W. Bush who entertained the Grand Master of the Order, Andrew Bertie, at the White House in 1988. Mikhail Gorbachev, former head of the KGB and negotiator with President George H. W. Bush at the Island of Malta thus ending the Cold War in 1989 (the Knights of Malta hosting that eventful meeting). Others are Sir St. John Philby, a British SIS agent and Wahhabi member of the Saudi royal court having created the Kingdom of Saudi Arabia in 1932 building the Black Pope's international oil monopoly; son Kim Philby, that dear friend of SMOM James Angleton who was British MI6, CIA and KGB officer; and Anatoli M. Golitsin, KGB officer and collaborator with Angleton in betraying hundreds of CIA operatives into the hands of the Holy Office of the Inquisition's KGB. Other Knights of Malta have been and are Frank Sinatra, Sammy Davis, Jr., (America's first Black SMOM), Gerald Ford, Ronald Reagan (honorary) and Bob Hope, all of them being sexual perverts involved with CIA mind-controlled sex slaves. Other Dames of Malta are Clare Boothe Luce---Kennedy assassin and former Ambassador to Italy under Eisenhower, Archbishop Spellman's WWII Crusader; and Phyllis Schlafley, the pseudo-conservative pundit building the right-wing fascist dictatorship along with Fox News Network's Knight of St. Gregory (probable SMOM) and CFR

member Rupert Murdoch. Rupert is also good friends with another brother CFR member, Masonic Jewish Zionist George Soros!

The Knights were driven from Malta by the Order's Napoleon Bonaparte in 1798, after he stole all their treasures and weapons for the invasion of Egypt. The Knights were given refuge in Russia under Tzar Paul I at which time the Jesuit General then resident in Russia subordinated the Knights to his Order. Since that time the SMOM of Russia have never been expelled. Before and after the Bolshevik Revolution, the Knights conducted business through the Grace-Russian Trading Company, controlled by the Grand Master's American and Russian branches. Today the Knights control the Black Pope's unified International Intelligence Community (Russia's SVR, American CIA, German BND, Britain's SIS, China's SIS, Israel's Mossad, Pakistan's ISI, INTERPOL, etc.); the Black Pope's International Banking Community (Rockefeller, Morgan and Rothschild interests); the Order's International Drug Trade (protected by the DEA by eliminating outside opposition); the International Organized Crime Syndicate (Japanese Yakuza, Sicilian Mafia, Russian Mafia, Israeli Mafia, American Mafia, etc., which launders its trillions in blood money through the Order's International Banking Community) and of course the Black Pope's International Masonic Islamic Terrorist Network financed by the Black Pope's International Oil Syndicate and Drug Trade. Fidel Castro is also subject to SMOM Grand Master, Andrew Bertie. King Juan Carlos of Spain---the King of Jerusalem---is a Jesuit-trained Knight of Malta and visitor of the Bushes at their ranch in Crawford, Texas.

Q: What is the Opus Dei and how they figure into things?

Opus Dei is an extreme, right wing, ultramontane, traditionalist, pro-Council of Trent, anti-Vatican II, arm of the Jesuit Order. Its members can be found in every walk of life, for they are Jesuit Temporal Coadjutors in the final analysis. Founded in 1928 in Spain by Jesuit-educated Josemaria Escriva, it played an important role in overthrowing the Spanish Republic having expelled the Order in 1932 and having shut down all the convents after thousands of baby skeletons had been discovered. Opus Dei participated in the Pope's Vatican Ratlines which evacuated top Nazis to South America. Chile's late, pro-nazi President, Augusto Pinochet's personal secretary was a member of Opus Dei; the Heritage Foundation has Opus Dei members along with SMOM; America's greatest spy, Robert Philip Hanssen, was Opus Dei, Hanssen in fact being at apex of the Black Pope's International Intelligence Community working for the FBI, CIA, NSA and

the KGB as did the arch traitor and SMOM CIA counterintelligence chief, James Jesus Angleton---the real mole in the CIA! Opus Dei was involved in the Vatican Bank Scandal and has been implicated in the murder of Roberto Calvi according to Italian authorities. Opus Dei, "the work of God," serves the Jesuit Superior General Peter Hans Kolvenbach "for the greater glory of God," the God who sits in St. Peter's Chair.

If anyone after reading this doesn't see the Jesuit connection to the New World Order, then you're 100% blind to history and the truth. It all makes perfect sense.

If anyone after reading this doesn't see the Jesuit connection to the New World Order, then you're 100% blind to history and the truth. It all makes perfect sense.

Thanks! I was the one that conducted that interview! Should be doing part 2 when Eric is less busy. I guess I asked the right questions!

TruthSeeker24 - June 21, 2006 06:17 PM (GMT)

I found this link of <http://www.davidickeforum.com/forum/viewto...=1395&start=975>

This described a person named "cruise" who agreed with another person named "November." I guess November forgotten that Biblical Christianity is the only religion that teaches salvation by grace alone. Every religion known to man accepts salvation of works, which is one cardinal trait of the Babylonian Mystery Religion. Now, here's my take of "cruise":

QUOTE

The jesuit order is not in control.

It's an unknown "entity", non human, hidden.

The Jesuits are an organasition. Not bloodlines. So probably just part of the lower powers of the pyramid.

Blood is stronger than whatever loyalty.

I guess this is the new group of doubters I guess. The truth is the Jesuits are in control. They control many Universities like Fordham, Xavier, Boston College, and other locations. They train many of the most famous world leaders in history like Castro, Bill Clinton, George Tenet, and other. Also, they use groups like the Knights of Malta (who own many corporations and are in intelligence organizations today like Le Cerle), Opus Dei, and the Knights of Columbus to enforce the Vatican's policies globally. Cathy Burns' literature proves that Rome is at the forefront of the ecumencial movement, therefore Rome control most of the apostate religious figures in the world like Billy Graham and others. Why does this "cruise" person beleives that the real power is hidden. Man has always decipher complex mathematical formulas for thousands of years. Therefore, why is it unusual for man to understand the real power structure on Earth. Every organization has a leadership and even God is the leader of the Universe.

So, it isn't strange to expect a ruler person of the global elite network. Bloodlines? Bloodlines are part of the power structure yes, but it's bigger than bloodlines. Power can work with or without bloodlines directly. Also, which bloodlines are you talking about. The real most powerful bloodlines on Earth are the Black Nobility which originated in Europe (i.e. Guelph, Orinisi, etc.) In truth, the leadership of world geo-political is the Vatican/Jesuits (because they're the ones heading the Ecumencial/One world Religion movement, have diplomatic relations with hundreds of nations, and have 1.1 billion members worldwide. Not to mention that Rome is uniting with Muslim leaders and the Charasmatic Movement [being reported at the link of <http://www.wayoflife.org/fbns/charismaticmovementcont.htm> and <http://www.pawcreek.org/articles/endtimes/...dRickJoyner.htm>]). The Vatican is the wealthiest church in human history whose total wealth is unknown. Now, under the Vatican/Jesuits are the Black Nobility families and the UK elite. Now, the Black Nobility families and the UK elite control the high level management level organizations (i.e. NATO, UN, Club of Rome, CFR, Bilderberg Group, Pilgrim Society, Trilateral Commission, etc.) These management level groups control and implement policies in America and the world. That's one simple way to outline how this global political process work.

And about Phelps.

I have read his interview with Rick Martin.

There are too many incredible BLOOPERS; no one can take him serious.

People can make mistakes, but not on all essential subjects.

Unless, you can cite some real evidence that Eric made tons of bloopers in his interview, your accusations are going to be reject by me. I heard of Eric's interview with Rick Martin in October or November 2001 immediately after 9/11. Eric statement's about Paperclip, JFK, Clinton, Bush, wars, etc. were very accurate. By that time, I knew that 9/11 was an inside job because of the occult symbolism and the mysterious events that occured. Many people take Eric seriously like Greg Symanski, Barry Chamish, Lisa and Gary Ruby from Liberty to Captives Ministries, etc. I read his interview and I don't see any massive mistakes in it. It's a fact that the Jesuit trained Weishaupt created the Bavarian Illuminati. **Even when you look at Freemasonry, John Daniel's book believes that the Jesuits run Freemasonry. Many of the Scottish Rite degrees were written in a Jesuit College and the Jesuits were protected by the most powerful European Mason by the name of King Frederick.** It's a fact that the Jesuits and Freemasons were involved in the French Revolution (admitted by Emanuel M. Josephson wrote about this history). **You can see the Jesuits being directly involved in the Abraham Lincoln assassination. This is proven by C.T. Wilcox's new book.** The Jesuits were involved in Communism. **Communist philosophy were from Plato and other groups. The Jesuits had their Communist institution in Paraguay before Karl Marx was born. Karl Marx hated his own race and hated Zionism. I guess these bigots didn't mention that in their handbooks.**

In the First Revolution, Jesuits supported it like Ropp. This led to the Kerensky government and Kerensky was a Freemason. During the Second Revolution, Paul Warburg opposed it since he opposed communism. Also, after the 2nd one, many of the Jewish leaders of it were killed, so it wasn't really a Jewish thing. The bankers funding them included Knights of Malta, Freemasons, and Bonesmen. It's true that the Vatican allowed Nazi war criminals into America by the Vatican Rat Line. It's a fact that the Jesuit Walsh Schools trained many of the Military leaders fighting the war inside of IRaq. Geoffrey T. Boisi is a Knight of Malta, chairman and senior partner of Roundtable Investment Partners LLC, ex-co-Chair of MPMorgan Chase, and The Trustee, Carnegie Corporation of New York. That's basically real. While some people in Davidickeforum will focus on myths of Reptilians and Jews (who only make up less than 20 million people), I'm going to focus on all evil groups. So, to say that the Jesuits is a nothing group is fantasy.

By TruthSeeker24 (Timothy)

*P.S. You know I had to talk some more about November. November promotes a book called "Adolf Hitler Founder of Israel" filled with bigotry and half truths. The truth is that the people who organized WWII were the Vatican/Jesuits who were mostly Gentiles, not Jews at all. Also, it was Gentile Knight of Malta Franz von Papen that made Hitler to

sign a concordat with Hitler in 1933. Regardless if Hitler and others were half-Jewish or not, we judge a man by their deeds not their race. If we judge people by their race, then people like November can have license to condemn anyone even with a remote amount of Jewish blood. That's stupid. Also, **Only a specific group of Masonic Jewish Labor Zionists supported the Nazis (that Barry Chamish wrote about), not Messanic Jewish Zionists at all. These Labor Zionists never followed true Torah Judiam, but the anti-Torah Sabbateanism and Frankism. That's why they killed Yemeni and Sephraidic Jewish people.** Also, Hitler and the Nazis are quoted as wanting to kill Jews and other races of people. Jesuit written Mein Kampf talked about killing Jews. Himmler is quoted as saying that anti-Semitism is a necessity (in the Megiddo film). Also, mostly Gentile Knight of Malta, Bonesmen and Freemason international bankers like Hjamar Schaat, Henry Ford, Prescott Bush, Thomas Watson, Henry Ford, and others aided the Third Reich.

Even blacks died in the Holocaust (as confirmed in http://www.black-history-month.co.uk/artic...t_victims.html), so to say that the Holocaust isn't all of the Nazis' fault is a lie. This guys spews the same Christian bashing garbage, but won't evaluate every other religion equally. Also, Hebrews lived in Israel for 2,000 years nonstop from the Romans to the Ottomans. I've proved it time and time again. [http://en.wikipedia.org/wiki/List_of_Nazi ...s and officials](http://en.wikipedia.org/wiki/List_of_Nazi...s_and_officials) shows a list of Nazi leaders. Daryl Ebehart, Eric Jon Phelps, etc. have conclusively proven that WWII was a Vatican operation. Ciggy from davidickeforum is just a liar. Good righteous Jews did create Christianity, but the Gentile Constantine and others invented Catholicism. **Catholicism is from Gentile Babyloniansim. Catholicism slaughtered Jews, formed the Crusades, and other evils. The origin of Nazism is from the Gentile Ancient Mystery Schools.** Also, Freemason Sebottendorff is one father of Nazism, who subscribed to Aryanism. Aryanism supports the view that Aryans are superior and every other race (including Jews are inferior). That's the smoking gun refuting Ciggy and Novemeber. ***Cleary many of the Nazis had Jewish blood, but their deeds indicate that they didn't promote the value of Torah Judaism, but seek to exterminate Jews in Europe and violate the tenets of morality. That's isn't pro-Jew or pro-Gentile. That's pro-evil.** People like November forgot that many Muslim radicals support the Nazis and killed people in Southeastern Europe during WWII also. This is confirmed in a book called "The Nazi Connection to Islamic Terrorism: Adolf Hitler and Haj Amin Al-Husseini: Adolf Hitler and Haj Amin Al-Husseini " by Chuck Morse. This opposite from peaceful Arabic people that wanted peace with the Jewish people in Israel like Emir Faisal Ibn Husein, the enlightened Arab King of Hejaz (who supported a Jewish homeland). Many bigots want to blame the Jewish people for everything, but that isn't true as history proves. **Now, "TruSoujah" called people like me groupies. "TruSoujah" if I were a groupie, I'm a groupie for God and Truth. I'm that groupie, but I am not groupie for no human on this Earth at all. I rather be a groupie for the Creator than mythical Reptilian creatures.** You guys offer little evidence, but hype and halftruth and as usual, I just refute you. I hear the same mess from WINGTV. WINGTV, even if the numbers of

Jewish deaths were hyped, we do know that Jews and Gentiles died in the Holocaust and that was wrong. To call it a "holohoax" is a lie. These liars make my blood boil. Also, Hitler never founded Israel at all.

I'm just getting started and I'm researching very hard in this year. I knew WINGTV was anti-Jewish. Now, they went and try to bash everyone in the so-called Religious Right (refusing to make a difference between Neo Con Christians and real Christians who sincerely want Israel to exist, yet oppose any evil act that Israel may done). These people cite a link claiming that "Christian fundamentalism" has its roots from the Reformation, which is a lie. The truth is the the promise of a Messiah and the restoration of Israel came from the Torah and the NT when even Pslams said that when Zion is rebuilt the Messiah will come. This isn't multiple interpretations like WINGTV lies about, but real literal verses. I've called them out before. I've email one woman who mocks the information and she never refuted my core arguments. Then, they made up some half-truth article about Eric's debate, then I made my commentary which was pages long and blasted Piper and WINGTV (Winged Ra logo having site) to the water.

Title: Jesuit Provincials (USA) Letter on Iraq

CRAIG-OXLEY - June 20, 2006 10:20 PM (GMT)

Dear Brethren and Friends,

This is typical Jesuitism. Openly the Provincials are against the war in Iraq; secretly they have caused it and advise Bush as to policy via the Council on Foreign Relations intimately tied to Georgetown University.

Notice the article admits that the Order was in Iraq from 1934 to 1969 yet all is silence as to why the Order was expelled in 1969.

This is the doctrine of mental reservation at its finest.

Sincerely in Faith,

Brother Eric

CRAIG-OXLEY - June 20, 2006 10:56 PM (GMT)

I do not support our `New Holy Jesuit Roman Empire' troops one bit. I hope all these blinkered gung ho soldiers who call themself British (Covenant Man - Promise to Pay) come back in body bags and the same for the other worse America fools. I hope the

Medhr Army & The Republican Guard keep destroying them and repelling the illegal invaders of Iraq. People need to realise the attacks are not Al-CIA-DAH but there caused either by the above or more so by western intelligence agencies/special ops such as Mossad Team 121, Blackwater Group, Blackstone Group, Olive Group and so forth to create chaos and try to create civil war. Iraq has to be balkanised and then the soldiers who've sold their soles to the devil will protect just the oil areas and the rest will go to hell. This is about to happen soon to Iraq, Syria and Saudi.

Alexandra - June 20, 2006 11:22 PM (GMT)

Not as easy for me to say that, 2TUFF. My husband's brother has a stepson over there. I don't know him to be all gung-ho either...he's more of a clown, always teasing his stepsisters.

I see bumper stickers around here that say "Support the Troops--Bring Them Home" or "Support the Troops--Impeach Bush." :D

I would agree that they're not heroes...nothing heroic about what they're doing over there. Especially not the ones torturing people!

CRAIG-OXLEY - June 21, 2006 12:08 AM (GMT)

When you consider the coalition are carpet bombing 100's of innocent people and of course soldiers following orders to kill iraqi women, children and all on the ground as exposed by Jesse Macbeth, then they deserve to die and be judged by the creator for following the Roman devils.

smashstuff - June 21, 2006 12:33 PM (GMT)

Every person that joins the US or UK armies is a trained killer, with one job to do, and they join up of their own volition, there is no draft at the moment (just wait though), so I have no sympathy for them when they come home in body bags, after invading a foreign country. What else did you expect? Wouldn't you defend your country in the same way? Nobody is sparing a thought for the Iraqi people stuck in the middle of this disgusting mess. Where are the 'Support the poor bastards in Iraq' bumper stickers? All this support the troops nonsense means zilch if you are not actually over there as a soldier. Have Dick Cheney, George Bush or Tony Blairs' children joined up?

Alexandra - June 21, 2006 01:11 PM (GMT)

My nephew is in the MP or something like that...but yeah, I do feel sorry for the Iraqis.

Know what, I don't believe that "I was just following orders" line. That line has been

used to attempt to justify all sorts of misbehavior.

I just want them to pull the troops out. I know I for one am sick of those magnets and stickers that say "Support the Troops."

And not all soldiers are heartless. Let me give an example: My dad was in the Army, and yes, he was trained to kill and all that.

One day he was driving a truck filled with explosives. The brakes went out and his superior ordered him to keep driving. I'm not sure exactly how it went down but Dad was trying to stop the truck (going against his superior)...it kept on rolling and he had to jump out right before it smashed into this farmhouse, killing all the residents.

Dad even went to the funeral because he felt really bad and the family's relatives just hated him. And naturally Dad got railroaded and the superior, who was at fault, didn't even get so much as a slap on the wrist.

My mother said it haunted him for the rest of his life. And remember, this was someone who was trained to kill! He was in the 82nd Airborne.

I've had various relatives--uncles, stepbrother, near ancestors--in the service and I don't remember any of them saying they took pleasure in killing people. I don't know...I wasn't there personally in Vietnam or North Africa where my granduncle died in 1943. But I don't think all soldiers are heartless.

CRAIG-OXLEY - June 21, 2006 01:19 PM (GMT)

No Tony "**FUROR**" Blair the *Dunblaine Peodophile's* son is set for Yale University and we all know what secret society he will then belong to don't we? Yes Skull & Bones. Tony Blair wants to live in the U.S now and its possible if I remember correctly he will head for New York, possibly a United Nations position. He will be very happy in New York this time watched over by the powerful Prince of the Americas/the American Pope, Archbishop of New York **Cardinal Egan**, Blairs Sovereign Military of Malta master.

Title: Carl Jung: Psychologist or Sorcerer?

CARL JUNG: PSYCHOLOGIST OR SORCERER?

By Marsha West

June 16, 2006

NewsWithViews.com

“Many Christian psychology professionals are only average pew warmers, who then practice secular psychology.” -- Pastor Steven J. Cole

Psychiatrist Carl Gustav Jung changed the way we think about the human psyche. For those who have never heard of him, he was the foremost pioneer of dream analysis, which is the process of assigning meaning to dreams. In many ancient traditions dreams were considered to be messages from the gods.

Jung's research asserts the concept of an impersonal or “collective unconscious” (a type of library containing everything ever known) present in each person's unconscious. The inspiration came to Jung from contacting the spirit realm. Jung claimed that his spirit guide, Philemon (more on “it” later), was a source of information that gave him crucial insights. According to Don Matzat, “Jung theorized that all humanity, past and present, were connected on an unconscious plane. Therefore, deep within each individual was the collective wisdom of the ages, including all religious, mythical

content. ? Jung placed a "scientific" footing under occult phenomena and mystical experience. Jung was deeply involved in the occult and did his doctoral thesis on parapsychology. He also was interested in Catholic mysticism and **conducted seminars on the teachings of Ignatius Loyola.**"[1]

The lie detector test and the Meyers-Briggs Type Indicator (MBTI) are also based on Jung's theories. MBTI is a personality and psychological test to see what makes people tick. Are you an extrovert or an introvert? Do you mentally live in the now or in the future? Do you plan in advance, or do you move into action without a plan? Take a personality quiz and find out! Several years ago a church I attended gave newcomers the MBTI to identify their spiritual gifts. Knowing an individual's desires and gifts helped the leadership figure out where they could best serve the church body. It's pretty much a given to say that in most congregations today, 20 percent of the people do 80 percent of the work. Which means desires and gifts have to be put on the back burner when there's a shortage of Sunday school teachers. So why take the test in the first place? But I digress.

Carl Jung was a "spiritual thinker" who offered Western culture a way back to religion that places no shame on being human. Spiritual teacher, codependency therapist and author, Robert Burney, agrees with Jung: "We are not sinful, shameful human creatures who have to somehow earn Spirituality. We are Spiritual Beings having a human experience."[2]

If Burney's assertion is correct, and the human race isn't sinful, then the Bible is nothing more than myths and fables -- and Jesus was a nut job for declaring He was the Son of God who came into the world to die for the sins of all mankind. Jesus clearly taught that we are sinners, with a capital S, and "fall short of the glory of God." Sin was the reason Jesus went to the cross. His death was payment for mankind's sin debt. Thus He threw open the gates of heaven, and all who believe in Him will be reconciled to God. If it's true that we are merely "Spiritual Beings having a human experience" as Burney claims, the Son of God would have had no reason to leave His throne in heaven and come to Earth. Which is Burney's whole point! If we're not sinners, we have no need of a Savior!

But what if Burney and all the other Jungian psychologists have it wrong? If they do, those that never admit their sin and accept Christ as their Lord and Savior are in a real pickle. Basically they have a one-way ticket on the H Train. Once you're on that train, there's no getting off, no turning back.

Bear with me for a moment while I share the biblical account of the Fall of Man (and woman, if you must). "When the woman saw that the fruit of the tree was good for food and pleasing to the eye, and also desirable for gaining wisdom (emphasis added), she took some and ate it." Because the fruit was pleasing to the eye Eve gave into temptation. She came, she saw, she ate. Bingo! Her eyes were opened. In one split second Eve went from God-centeredness to self-centeredness. From thereon out

everything went downhill. "She also gave some to her husband who was with her, and he ate it. Then the eyes of both of them were opened, and they realized they were naked"(Genesis 3:6). When Adam and Eve deliberately disobeyed God, sin, which is deadlier than the AIDS virus, entered into the world and infected all humankind. And the only sin cure is Jesus Christ!

Burney's approach to psychology might seem right for unbelievers, but it's wrong for Bible believing Christians. STOP

Which brings me back to Carl Jung. As I mentioned above, Jung was considered a "spiritual thinker," albeit his lofty ideas came from Eastern mysticism, not Christianity or Judaism. The man was no ordinary psychologist by any stretch. Actually, he thought of himself as a "spiritist." According to Elliot Miller, "The movement that Jung initiated is much closer in nature to a neopagan (Aryan) cult than the scientific psychiatric discipline that it has always claimed to be. It is not just religious but a religion." [3] And a pagan religion at that!

Jung was deeply involved with his mother and two female cousins in hypnotically induced séances. He was also involved in alchemy, fortune telling, and channeling spirits. All are occult practices. To be involved in any of this is to go against God.

Ponder this for a moment. When Carl Jung was three years old a "spirit guide" named Philemon contacted him. The spirit was one of his teachers and tutored him all of his life. Other spirits came to him as well and he made this observation about them: "Philemon and other figures of my fantasies brought home to me the crucial insight that there are things in the psyche which I do not produce, but which produce themselves and have their own life. Philemon represented a force that was not myself. In my fantasies I held conversations with him, and he said things which I had not consciously thought. [?] Psychologically, Philemon represented superior insight." [4] There was no reason for Jung to believe that his visitors were benevolent spirits; nevertheless he chose to believe they were. Could the "forces that were not myself" have been the forces of evil? Absolutely! Scripture tells us that Satan masquerades as an angel of light, which is why John gave this warning: "Do not believe every spirit, but test the spirits to see whether they are from God, because many false prophets have gone out into the world" (I John 4). John calls the devil the "father of lies" and addressed the Gnostics with these harsh words, "You belong to your father, the devil," he says, "and you want to carry out your father's desire. He was a murderer from the beginning, not holding to the truth, for there is no truth in him. When he lies, he speaks his native language, for he is a liar and the father of lies" (John 8:44).

Carl Jung has been called the "Father of Neo-Gnosticism and the New Age Movement" and rightly so. Dr. Satinover comments, "One of the most powerful modern forms of Gnosticism is without question Jungian psychology, both within or without the Church." [5]

Jung's view of good and evil is worth noting. To quote the Rev. Ed Hird, "Jung believed that 'the Christ-symbol lacks wholeness in the modern psychological sense, since it does not include the dark side of things...' For Jung, it was regrettable that Christ in his goodness lacked a shadow side, and God the Father, who is the Light, lacked darkness." [6]

Further, Jung believed not that good should overcome evil; good should be integrated with evil in order to achieve wholeness. "The homosexual who has the courage to 'come out', for example, is welcoming and integrating the darker and 'opposite-sex side of the personality. There can be no moral condemnation when wholeness is achieved." [7]

The Apostle Paul has something to say about uniting good and evil, (my comments in brackets) "Do not be joined to unbelievers. What do right (good) and wrong (evil) have in common? Can light (good) and darkness (evil) be friends? How can Christ (our standard of goodness) and Satan (pure evil) agree? What does a believer (good) have in common with an unbeliever (evil)?" (1 Cor. 6:14, 15) The answer to Paul's last question is, in a word, nothing! The Prophet Habakkuk says of God, "Your eyes are too pure to look on evil; you cannot tolerate wrong" (Habakkuk 1:13).

Unfortunately, Jungianism has influenced not only our popular culture, but Christian teaching as well, in spite of the fact that God expressly forbids practicing sorcery in any way shape or form. (Leviticus 19:26-31; II Chronicles 33:6; Isaiah 47:8-11) J. Budziszewski, professor of Government and Philosophy at the University of Texas, says this about Jungianism: "[It] is based on damnable lies about the nature of good, evil, God, and the human soul. Yet these lies are being taught in ostensibly Christian seminaries and promoted by ostensibly Christian psychotherapists. I shuddered when I spoke to a Christian lady who said that her minister had been teaching her to 'gain strength from her dark side.'" [8]

Amazingly, Jung believed that "It is possible for a man to attain totality, to become whole, only with the co-operation of the spirit of darkness..." Jung said that opposites always balance one another and "onesideness, though it lends momentum, is a sign of barbarism." [9] Who knew?

"How can these dangerous teachings be confronted?" asks Budziszewski. His answer is to inform Christians who have never heard of Carl Jung about his New Age teaching. Many years ago when I first heard about Jungianism it was described to me as a kind of psychoanalysis that's open to "spirituality." (Not knowing what was really behind "spirituality" I started reading "Christian psychology books.")

The catchword "spirituality" has a whole host of meanings. For Carl Jung spirituality "blended psychological reductionism with gnostic spirituality to produce a modern

variant of mystical, pagan polytheism in which the multiple 'images of the instincts' (his 'archetypes') are worshipped as gods." [10]

The difficulty, says Budziszewski, is that there's a little truth mixed in with Jung's lies. "Through a little twist, he turns the truth that for the time being God tolerates certain evils into the lie that God is beyond good and evil. Through another twist, he turns the truth that we must reckon with what we repress into the lie that we must achieve a reconciliation with what is evil. To dispel this kind of confusion, we need to identify each truth, but show how he distorts it."

For "the wolves of the flock," who fully understand what Jung's ideas mean, and teach them anyway, Budziszewski gives this advice: "Like the Gnostics against whom St. Paul and the early church waged spiritual battle, these people don't need instruction, but rebuke. Christ gave disciplinary authority to the church for a reason (emphasis added). He meant it to be used."

Budziszewski says we face two obstacles to exposing Jung's earlier writings: (1) His writings were composed in a misleading style. (2) His teachings twisted the truth rather than ignoring it. He suggests that Christians respond to this dangerous philosophy in two ways: First, become informed about the deceptive teachings of Jung's psychology. Second, familiarize yourself with the metaphysical concepts and techniques of New Agers.

If someone claims to be a Christian and yet embraces an incompatible, non-Christian pluralistic worldview, he/she has not received the Spirit of God. In Scripture believers are admonished, "give no regard to mediums and familiar spirits; do not seek after them, to be defiled by them: I am the Lord your God" (Leviticus 19:31). How much plainer could God be?

Because of what we know about Carl Jung, it would be wrong for Christians to "seek after" his dangerous worldview. Christians play a part in his twisted religion when they incorporate the theories and therapies that come from dream analysis, 12-step programs, inner healing, and through personality types and tests. Apostle Paul warns, "Do not be conformed to this world, but be transformed by the renewing of your mind, that you may prove what is that good and acceptable and perfect will of God" (Romans 12:2).

I suspect that I'm going to receive a lot of hate mail for daring to express my views on psychology in the Church. I don't pretend to be an expert on this subject. Far from it. I'm only expressing my personal opinion and the opinion of many other Christians who are opposed to meshing sorcery with Christianity for any reason. And that's exactly what so-

called “Christian psychology” does. It might help some people, but at what cost?

“We must carefully discern the theories and practices of modern psychology before we visit them upon the people of God.” Don Matzat

I'd like to know why this is often mentioned as the Oath of the Jesuits when the Congressional Record of the House of Representatives dated February 15, 1913, states this is of the Knights of Columbus. Who came to the conclusion that it is a Jesuit Oath and why?

Thanks

They both have Oaths and the KOFC oath is simply a copy of the Jesuit Oath.

Title: More SMOM info on the JFK Assassination

CRAIG-OXLEY - June 20, 2006 10:22 PM (GMT)

I might add it has recently been brought to my attention that Major Louis Mortimer Bloomfield, a personal friend of SMOM Clay Shaw and co-conspirator in the JFK assassination, was also a Knight of Malta according to ex-MI6 officer John Coleman. Thus, Mr. Piper's linking Bloomfield with Permindex and also the Masonic Jewish Labor Zionist government of Israel was correct. But never would Coadjutor Piper name Bloomfield as being a Papal SMOM, for this would further prove the Jesuit Order's control of Labor Zionism now wickedly ruling the Lord's beloved Hebrew/Jewish/Israelitic people in Israel, that race holding exclusive rights to the land as per Genesis 15.

Sincerely in Faith,

Brother Eric

Title: Lehman's Work: Behind the Dictators

CRAIG-OXLEY - June 20, 2006 10:18 PM (GMT)

Thanks Eric

A most comprehensive post. I have L.H. Lehmann's 'Out of the Labyrinth' which used to be available from Chick Publications. It is most useful in setting out the errors of Rome.

On WW2, I think the SJ had a flexible strategy - being master contingency planners. If Blitzkreig had worked and it nearly did, well and good, Rome would be in power. If not, SJ intrigue would simply adapt to bring about an even greater conflagration, decades hence if necessary.

The ultimate objective is a war that so disrupts nations that they are willing to accept a single global leader, if he will guarantee peace and stability. The pope has never been slow to volunteer and no doubt the UN is part of the SJ strategy to this end - all it seems to do is oversee incessant wars.

On the prewar SJ peace movements (see Alberto's testimony in The Godfathers, Chick Publications) one effect would be to hinder Allied war preparations, once the conflict becomes inevitable following SJ planning, in order to precipitate maximum losses for forces going into action ill-equipped and ill-prepared, until the Allied nations got themselves on a sounder war footing. The fight-back of course was long drawn out and bloody, costing many more millions of lives. That was largely how WW2 turned out. With diabolical ingenuity, the SJ maximised loss of life and suffering with the available 1940s technology, preventing a prematurely decisive victory for either side - see also the case of General Meade's mysterious late-night civilian visitor after the victory of Gettysburg, July 3rd 1863.

As indicated, the SJ must have used this horrific result to establish the next part of their strategy, i.e. the UN and re-instatement of the pope as a respected leader and 'man of peace.'

Though an unsaved man for much of his life, Avro Manhattan described in some detail the extraordinary amount of Allied diplomacy with the Vatican after WW2 in his work *The Vatican Moscow Washington Alliance*, even though, according to Jack Chick, in *Smokescreens* p 45, it was only Eisenhower who prevented Pius XII from being indicted as a war criminal.

Some leaders must have had discernment at the time, though thanks to Ike, they were overruled. The Vatican has never looked back and must by now be well placed to attain its global political goals. (From the SJ standpoint, Rome was wise eventually to decide to ignore Alberto's testimony, until the publicity even in the Christian press died down. The general public, alas, both saved and unsaved is too like the Athenians of Acts 17, always desirous of "some new thing" verse 21. But Alberto's testimony, a quarter of a century later, is now seen to be prophetic and God has never seen fit to vindicate Alberto's detractors e.g. Livesey et al.)

On the masons, an American evangelist of the 1920s and converted Catholic, L.J. King, wrote a book entitled 'House of Death, Gate of Hell' urging dismantling of the convent system and revealing, often with the testimonies of ex-nuns, the victimisation of the women incarcerated in that satanic system. King was physically attacked and seriously injured during his public meetings on repeated occasions by Knights of Columbus but often rescued to preach again by members of the Ku Klux Klan, whose beliefs at the time were essentially scriptural - King quotes the KKK as believing, for example:

"I believe in God and in the tenets of the Christian religion and that a godless nation can no longer prosper."

"I believe in the eternal separation of church and state"

"I hold no allegiance to any foreign government, emperor, king, pope or any other foreign, political or religious power"

"I believe in the limitation of foreign immigration"

"I am a native born American citizen and I believe my rights in this country are superior to those of foreigners"

With so few prepared to oppose Rome openly, you can see why converted Catholics prepared to take a public stand against the pope and for the Bible would lean on the KKK for support. However, its (unscriptural) masonic elements would make it vulnerable to SJ infiltration and its (scriptural) emphasis on racial segregation would doubtless expose it to media vilification.

Alxxx

Title: Protestant churches

jimmy007 - June 20, 2006 04:58 AM (GMT)

The Protestant churches here in the US seem to be quite full these days and growing.

I was wondering if these churches like the Lutherans, Episcopalians, and Baptists are viewed as enemies by the Vatican and being attacked now because they don't agree with the Pope's teaching?

All churches in Christendom other than Catholic seem to be doing very well these days.

I don't see these other versions of Christianity as anything but controlled opposition to Catholicism, they're all phoney. If you don't like cheddar, perhaps you'll like Edam.

CRAIG-OXLEY - June 20, 2006 12:22 PM (GMT)

Go read or listen to IAN PAISLEY of Ireland and he will expose what the Jesuits have been doing to Protestant churches from the inside with chameleon infiltration. The Jesuits are so devious

Alexandra - June 20, 2006 12:30 PM (GMT)

There's an ecumenical movement that's been going on the last 40 years or so...your "mainstream" churches are buddying up with Rome. Only true Christians will refuse to go along with this.

JagDRS - June 20, 2006 05:50 PM (GMT)

Just as an observation: I have not regularly attended church for close to 30 years now, but I was raised Methodist and most of my immediate family still frequent the same small-town church we grew up in. A few months ago I was standing on the sidewalk beside the church one day (it's right beside a post office) admiring its design - it's an old gray stone design, broad base, lots of steep sloping angles, with steeple and bell tower, and adorned with several huge stained-glass windows crafted in a now-gone era; but, no gargoyles, beastly heads, statues or other ghastly symbols. I noticed that one of the foundation stones had a bit of engraving carved into it, hard to see clearly due to age and lighting, but a closeup view revealed "Methodist Presbyterian". This confused me, given, I've sort of always been confused about how the Methodist method fits into the grand scale/category of Protestantism. I asked mom and she had to think/recollect a while before remembering this local church was once affiliated with Presbyterians a long time ago.

Anyway, back to the observation I want to share. As of 30 years ago when I was regularly attending, communion service was something our church held only every so often, maybe 3 or 4 times per year. Of recent, I've been paying attention to some of the "new ways" I hear family talking about how church service is now regularly conducted in the old Methodist Church in town. The recent addition of a multi-thousand dollar sound system was one such red flag. The impression had already been forming in my mind - that they sure seem to be taking on increasingly Catholic-like ways, practices & rituals, and this thought was solidified upon hearing that the old Methodist Church in town now conducts communion each and every week. An aunt recently revealed to me that Catholic, literally interpreted, means "one".

FWIW, this particular Methodist Church (as I suspect most of them now are) has been under the fold of the National Council of Churches for many years (formerly Federal Council). Research suggests NCC has as dubious of a culture and history about them as does many of the clandestine orgs frequently discussed here at this site.

I noticed an all-seeing eye on one of the SMOM's fortifications and castles. The Knights of Malta are occultists and fanatical Papists. They and Muslims battled each other and the certain Knights and Dames in American Intelligence namely the CIA and FBI commanded by Edward Cardinal Egan and his Council on Foreign Relations in obedience to their Jesuit masters helped to spearhead the current Papal Crusade in the Middle East. The Papal SMOM is battling the unsuspecting Papal-controlled Muslim peoples (all of the Masonic Islamic leaders are in the loop) being members of the Black Pope's International Terrorist Network which the Order spawned through its International Intelligence Community. "Al Qaeda" was created by the Order's CIA and their British Intelligence agencies funded by the Black Pope's International Drug Trade and his Order of the Illuminati which is openly secular but as a sword of the wielded by the Black Pope it ultimately serves the Papacy, Masonic Jewish Zionists, high-level Freemasons, and certain Knights of Malta who act as the Jesuit Order's financiers and bankers. The Masonic Islamic leaders know they are Jesuit and Papal-controlled and they cooperate with the Company and its Vatican out of fear for their lives with no concern for their own people who extipated as heretics and murdered pursuant to the Jesuits' Council of Trent.) What is happening in the Middle East is a genocide which will resemble the Jewish Holocaust by the time this decade long Papal Crusade ends. The

prison camps are concentration camps where innocent Middle Eastern men, women, and children who have no connection to terrorism but falsely blamed as a collectivity are tortured and systematically murdered by the "Great Satan" Fourteenth Amendment America.

is the link of it. It had so much deception that I wouldn't waste my time showing the link here since it has the link. I can answer these people flawlessly. This is the new era we're in I guess. It's a good thing that people here and other place have the guts to expose the real criminals in the world. Bruce Campbell doubts that Steampfle wrote Mein Kampf for Hitler. The truth is that Edmond Paris (in his book "The Secret History of the Jesuits"), Alberto Rivera, and other credible scholars believed that Steampfle wrote Mein Kampf for Hitler. There has been so much information proving a Vatican/Jesuit/Knight of Malta connection to WWII that it's overwhelming. One simple connection is that Hitler was funded by many Knights of Malta and high level Freemasons including Franz von Papen, Reinhard Gehlen, Henry Ford, and Thomas Watson. It was the Roman Catholic party of Zentrum that propelled the Nazis to control the German Republic and turn it into a dictatorship. Hitler compared the Jesuits to the SS and many Jesuits were in the SS as admitted by Himmler. Also, the Vatican Ratlines sent Nazi war criminals into the Americas and other locations globally.

Why is it prospertious for this Bruce Campbell character to believe that the Labor Jewish Zionists are subordinate under Rome. Wasn't the Jews slaughtered by the dictates of Rome centuries. Assaults against them are occuring now in Europe. The truth is that the Labor Zionists existed from the Frankists and Sabbeateans in the Middle Ages. One of them were Jacob Frank, who converted to Romanism. Today, the Labor Zionist government and the Vatican have colloborated on many ventures. One was allowing the Vatican to control many artifacts in Israel. As for the Rothschilds, they had the title of Vatican gaurdian of the treasures for years. Also, the Black Nobility Families are more wealthier and have more political power than the Rothschilds. That's why Fritz Springmeier (a real truthseeker who's in jail now) said that 50% of the Knights of Malta are related to the Black Nobility families. That's why Fritz wrote that the Merovingians (who are in Black Nobility I might add) are more stronger than the

Rothschilds also. Many of the Knights of Malta are in leadership positions of our banking, intelligence, and political bases of the world. Some are in the 1001 Club and the Pilgrim Society, which are stronger than the Masonic Jewish Zionists. Dov Zackheim and Ari Fleischer and Michael Chertoff and John Bolten are Masonic Jewish Zionists. Ari isn't even in the administration. Once again, no one denies the influence of Zionists in the USA government, but it's secondary. All of these groups existed from the Ancient Mystery Schools of Babylon and Egypt, before modern pro-Talmud, pro-Sabbatean Zionism existed. As for President Wilson, he was a Gentile and advised Freemason (not Zionist) 'Colonel' [Edward Mandell] House and others. The Versailles Treaty was created by Europeans.

The Masonic Jewish Zionists that Bruce Campbell obsesses about like the Rothschilds, Bronfmans, etc. are either under or work with the CFR, Bilderberg Group, and other organizations. Sharon has worked with the CFR for years. There is no evidence that Bush is an agent of Sharon. In fact, Sharon is in a coma, so Sharon isn't dictating anything. The Fed is controlled by the CFR, Bilderbergers, Knights of Malta, high level Freemasons, and others. The FED itself was invented by many high level Freemasons and SMOMs. David Icke has clearly stated that the City of London is run by Freemasons (many Mayors of the city were Masons as mentioned by David Icke) and the Vatican (yes, David Icke admitted to this in one of his books. That suprised me that he would say this). Bush sent troops into Iraq to protects the interests of the people controlling the Vatican and Israel. Also, many of the military generals were trained in a Jesuit school at Georgetown like Pace and Roman Catholic Donald Rumsfeld. The Israeli people aren't benefiting from the Iraq War at all. In fact, they are blamed for it and it's creating more anti-Jewish sentiment worldwide. Most people in America now don't agree with the Iraq War and differently don't agree with making a war with Iran. Chaibi, one of the architects of the Iraq war, was trained in a Jesuit college in Bagdad. Another leading man heading the Iraq War is Roman Catholic, Jesuit trained John Abaizad. Not to mention that most people who were involved in the Project for a New American Century agenda that lead to the war on terror, were mostly non-Jews and members of the Council on Foreign Relations as well.

The US Congress is filled with Jesuit trained officals, CFR members, Vatican members, and other folks. The White House is headed by CFR members and one Bonesman. The Talmud is from the rabbis in 500 AD. It is a tradition that isn't equivalent to the Bible. All of the unscriptural traditions of old related to Babylonianism not authentic Judaism. Bush met with John Paul many times. Also, hundreds of heads of state met with the Pope in his funeral. It's a known fact that during the Dark Ages, Rome ruled most of the lands in Europe and killed Jews, Arabs, real Christians, and others. The Bolsehivic Revolutions were funded by high level Freemasons, bankers, and others. Eric, Nicholas Rivera, and others have proven that many Jesuits supported it. The persecutions didn't involve Roman Catholics mostly, but Orthodox Christians, Baptists, Lutherans, and even Jewish people in the millions. There's a difference Campbell. Also, Stalin hated

Zionism and persecuted Jewish people (<http://www.washingtontimes.com/books/20030816-105043-6895r.htm> is a link proving it). As for John Paul II, does it matter if he has some Jewish heritage? The truth is that he is mostly Polish (in his total ancestry) and accepted the dictates of his church. The church isn't an agent of Zionists, which is a big Lie. If that were the case, why has the Vatican never attempted to apologize for its crimes against Jews until recently. Why have they still collaborate with Muslim groups. Why have the Vatican never condemned the Council of Trent damning to hell Protestants, Baptists, and Orthodox Jews who don't accept the Eucharist, baptismal regeneration, freedom of conscience, and freedom of religion.

Also, the Jesuits weren't dancing in 911. On the other hand, Knight of Malta George Tenet was executing a war game in 9/11. Roman Catholic Cheney allowed the stand down of aircraft. Roman Catholic Rudy allowed the steel from the Twin Towers to be shipped into China. According to Eric Jon Phelps, "Buzzy" Krongard is a Roman Catholic that was involved in the put stock options before 9/11. As for foreknowledge, Jewish people and Gentiles were warned about the attack. Mostly Gentile generals were warned about an attack in September 2001, so it's not totally a Jewish deal. Any major involvement by Masonic Jewish Zionist is secondary under Gentile leadership. That's history. Accept it. The Inquisition, bible suppression, evil Council of Trent, assassinations, wars, etc. proves that the Vatican was evil before Vatican II, regardless of Miss Ross says. Oh, I'm back. I thank everyone at this forum, because you guys are very smart and amazing. Most Jews don't want to divide Catholics and Protestants. It is the leadership of the Vatican (not all Catholics) that seek to unite Protestants and Baptists under Rome in ecumencialism. Also, no one doubts evil Jewish people in the world. What we doubt is that the Jews rule the world. There's a real difference. Anne Emmerich was a mystic whom inspired Mel Gibson to create his Poision of the Antichrist film. Now, Anne Emmerich was known to use the occult and according to many Christians, her visions were anti-Semitic and included divination (<http://www.av1611.org/Passion/passion.html> talks about it further). Funny how people like Bruce don't want to discuss the Vatican link to the Vietnam War, the Jesuit assassination of Abraham Lincoln (written by CT Wilcox recently), the Vatican support of illegal immigration, and the occult nature of the Order of the Jesuits.

Your little cheap shots and tricks don't work Campbell.

I think you've got the wrong idea about Icke. He's never denied the power of the Vatican or the Jesuits, I just think he's been misled as to their absolute power. He's said in his books that the Jesuits are a secret society that run the Vatican, but he seems unaware that they are the biggest secret society. Other than that, his research is spot on.

From the Biggest Secret:

'The Jesuits and the Knights of Malta are esoteric secret societies which hoard and use the secret knowledge while outwardly claiming to be Roman Catholic and 'Christian'. They are doing exactly the same as the Templars did at the time of the Crusades and together they control, with the higher levels of Freemasonry, the Vatican, the Pope and the Roman Catholic Church.'

'The Roman Catholic Church is the epitome of hypocrisy and deeply, deeply sick. As this book has explained, it was the creation of the Babylonian Brotherhood from the start, back at the time of the Roman Empire.

The Roman Catholic Jesuit movement is an important vehicle for the manipulation of the global conspiracy. Like the Knights of Malta, who help to control the Vatican, the Jesuit hierarchy does not even believe in Christianity! That's just a front. The whole conspiracy is a lot of masks, mirrors and smokescreens. The Jesuits, the Knights of Malta, and the Roman Catholic hierarchy are part of the Babylonian Brotherhood.'

Hitler compared the Jesuits to the SS and many Jesuits were in the SS as admitted by Himmler. Also, the Vatican Ratlines sent Nazi war criminals into the Americas and other locations globally.

Here are some quotes about Himmler.

Walter Schellenberg, chief of the German counter-espionage, said after the war:

"The S.S. organization had been constituted, by Himmler, according to the principles of the Jesuits' Order. Their regulations and the Spiritual Exercises prescribed by Ignatius of Loyola were the model Himmler tried to copy exactly... The "Reichsfuhrer SS"-Himmler's title as supreme chief of the SS-was to be the equivalent of the Jesuits' "General" and the whole structure of the direction was a close imitation of the Catholic Church's hierarchical order. A mediaeval castle, near Paderborn in Westphalia, and called "Wewelsburg", was restored; it became what could be called a SS monastery".

Alfred Rosenberg's memoirs:

"Himmler knew nothing about the East; what he gradually learned from me about Berger was superficial, and even when he realised that my ideas were right, he still wanted to be the one to translate them into actuality, no matter how. Sometimes without, sometimes with, the aid of Vlassov, depending upon how it suited his sickly mania for power. Not as a strong personality, not as a brilliant thinker, but always as an insidious traducer and Jesuitic trickster. "

"In further pursuance of his plans Himmler then founded the Nordland Verlag (Northland Publishing House) which issued novels, books on the Jewish question, and so on. He would not permit scientists not under his influence to work in the libraries he controlled, and once again put the police to work on research. This obviously constituted a great spiritual menace, and my relationship with Himmler became ever more precarious. In due course I became quite outspoken about this and said more than once: It is possible to leave the Catholic Church ten times over and yet remain a Jesuit."

Description: *New World Order Tyranny?*

CRAIG-OXLEY - June 19, 2006 03:18 AM (GMT)

Confession No.9: Will America Rise Up Against Jesuits, Vatican And New World Order Tyranny?

As the question lingers will Americans sit back and allow the 'powers that be' to refer to them as 'useless eaters' or will they rely on past history to uncover and remove the real culprits behind the destruction of America.

18 Jun 2006

By Greg Szymanski

<http://www.arcticbeacon.com/18-June-2006.html>

The term "useless eaters" was first used by Nazi doctors, referring to their concentration camp victims. It was later used by former CIA director William Colby, referring to the Mexican people.

Now it used in the inner circles of the Illuminati and the dungeons of the Vatican when referring to the people of the United States.

And the reason Americans are now considered "useless eaters" is they are being set-up by the spiritual controllers of the New World Order -- the Jesuits -- for mass eradication like the 22 million Russian citizens slaughtered during the failed fascist offensive at Stalingrad, as well as numerous other genocides orchestrated by fanatical elements in the Vatican.

As we move on with Confession No. 9 in our search for the true spiritual controllers of the New World Order by the shores of Brushy Creek, according to researcher John Judge the Vatican's dirty work through the Jesuits can be traced to the creation of the

communist Soviet Union, as well as backing Nazi Germany's terror campaign.

In a lengthy article connecting the dots of the Vatican, the Illuminati and the impending destruction of America, Judge wrote:

"A group of the most fanatically conservative elements of the Catholic Church, men who still supported the inquisition in Spain and who used flagellation as prayer, formed a lay order known as Opus Dei, the Works of God.

"These were joined in rank by the ancient military order of the church ' the secretive Knights Hospitallers, or the Knights of Malta. Their ultimate objective was the downfall of the new Soviet government. No method or means was too extreme, so these forces backed and helped to create Franco in Spain, Mussolini in Italy, and Hitler in Germany. Some of the U.S. firms continued their financial trade and support of the fascists throughout all of World War II, with Russia as the target.

"But the fascist offensive failed at Stalingrad, though the cost had been enormous, with 22 million Soviet citizens dead. At this crucial turning point, they retreated and retrenched, adding to their ranks the embittered revanchists of Eastern Europe, the "cold warriors" and Klansmen of America, and even worse elements.

"From 1943 forward, plans began to escalate the "cold war" of propaganda and paramilitary spying into the nuclear exchange of World War III.. Still, no other goal was so important as the "recapture" of Mother Russia into monarchist and fascist hands. But now they had also added the perspective of the eugenicists and the "scientific" racists of the Third Reich, who saw most of the non-white world as expendable."

Judge's well researched article is a piece of lost history, highlighting the secret assassins from the World War II era who escaped justice, formulating the basis of the fascist movement now destroying America with the full cooperation and assistance of the Vatican through the Jesuit Order.

The following portion of the article reveals the names of the men most responsible for the establishment of the New World Order as well as naming those who worked together with them to determine how America is being undermined today.

Judge said the following is based on his own research and that of Mae Brussell, and the few researchers looking into the truth of what became of democracy in America:

Add to this international fascist cabal the following sources of power: Kameradenwerk, Die Spinne and Odessa -- the secret webs of Nazi SS men and mass murderers who escaped justice after the war and found a home in Europe, South America and the obliging United States.

Project Paperclip -- A successful American operation which brought to the U.S. literally

hundreds of top aerospace and munitions experts from Nazi Germany to form the corporate leadership and the expertise behind the technological and military advances of a growing military-industrial complex.[]

Belarus Brigade -- The dreaded combined forces of Nazi and White Russian troops in Byelorussia during World War II, a counter-revolutionary stronghold since World War I and a Nazi-infested army against Russia. The top government officials, nearly 300 of them, were brought to the United States and given important government and intelligence jobs by our thankful CIA and OSS.

Dictatorships -- Arisen in South America and throughout the world whose fascist rhetoric and genocidal direction come directly from Nazi collusion and training, not historical chance.

The Gehlen Network -- A black orchestra of spies whose infamous dealings during World War II had put the Nazi spies in bed with every major intelligence network in the world from British M15 and M16, to the American OSS and the heavily infiltrated KGB,] Under the evil genius of Allen Dulles, whose espionage attacks on the Soviet Union date back to the 1920's, \$200 million in Rockefeller and Mellon funds was directed into the hands of Hitler's spymaster Reinhard Gehlen and his 350 Nazi spies, who formed and founded our Central Intelligence Agency in 1947.] Later, these same forces created post-war European intelligence , our Defense Intelligence Agency, our National Security Agency, and covert groupings here and abroad whose very initials are considered classified information.

Assassins -- An international fascist network of terror, congealed in the grey underworld of Mafia murders, drug trafficking, gun smuggling and political murders worldwide. These mercenary armies still draw their ranks from the refugees encamped everywhere, still operate with names like Alpha 66 and Omega 7,] AAA or DINA, the Kuomintang of Chiang Kai Shek, the Somocistas along the Honduran border now, the Hmong peoples of Laos and the reactionary ranks of the Vietnamese, the Phalangists in Lebanon, and even the Grey Wolves of Turkey whose members include Mehmet Ali Agca, the attempted assassin of the Pope now so falsely accused of working with the Soviet KGB.

Interpol -- An international police intelligence agency begun at the end of World War II in collaboration with Nazi war criminals and our own J. Edgar Hoover of FBI fame.[19]

These elements meet internationally under the aegis of organizations like the World Union of National Socialists, the Asian People's Anti-Communist League, and the World Anti-Communist League. Their cover is provided by "journalists" like Claire Sterling, [20] and Marvin Kalb of Opus Dei.[21] Their legitimacy and recruiting is aided by evangelical fronts like "World Vision," which runs many of the refugee camps and includes John W. Hinckley, Sr.[22] They draw their funds from the illeval and profitable world heroin and

cocaine trade, [23] and their training from CIA experts like Mitch WerBell, Edwin Wilson, Frank Terpil and unreconstructed Nazi torturers who provide 'lechniques.'" [24] Their weapons come from an equally lucrative gun smuggling trade, assisted by intelligence agencies.[25]

This is the real historical framework of current events, that follow from "cold war" to "COINTELPRO" and "CHAOS," [26] from the framing of the Rosenbergs to "Operation Garden Plot," [27] from Alger Hiss to the "Houston Plan," [28] from McCarthy to "MK-ULTRA," [29] from the Third Reich to the Fourth. What the demon Dulles brothers engineered, [30] the massive cold-war lie [31] that justified any excess in the direction of fascism, is the root of Malcolm X's statement on Vietnam, that "the chickens are going to come home to roost." Under the current rubric of the World Anti-Cummunist League," [32] the Solidarists, the Nazis and other fascists, the reactionary forces in every part of the globe unit to bring us a legacy of deception and murder, of war profits and starvation, of open dictatorial rule. Their now three-quarter-century-old goal of crushing the Soviet revolution has brought us to both financial and physical ruin, and to the brink of World War III.[33] To attain that goal, fascism has come home to roost.[34]

During World War II, the Nazis in France gained collaboration and capitulation by going first to the task of corrupting the courts, compromising the judges, and turning the slim hope of judicial justice into a political weapon.[35] In our own country, the most respected Justice of the Supreme Court was unable to solve the obvious case of conspiracy in the assassination of President John F. Kennedy. The primary role of the state police has become spying and suppression of legitimate attempts to challenge the undemocratic and secret rule of the national security state.[36] The purpose of the law now is to put the protection of profits above people at all costs, even to the point of police destruction of the evidence necessary to reconstruct the crime.[37] Do you think we are in some better or more holy condition in our own courts today? What special sort of American chauvinism leads us to blindly assert "it can't happen here?" For it has.

In a recent editorial in the Boston Globe, dated February 14, 1983, we can see the delayed reaction of the established press shortly after the extradition of Klaus Barbie, [38] the Nazi "Butcher of Lyons," from Bolivia to France:

Barbie is only one of many notorious Nazi leaders who were welcomed like prodigal sons into service with Western intelligence agencies after the war. Their unspeakable crimes against humanity were implicitly forgiven and conveniently forgotten. They were paid and protected so that they could return to active duty in the anti-Communist crusade which their fuhrer, Adolf Hitler, had temporarily discredited with his extremism.

Their names compose a rogue's gallery of fascist thuggery. Hitler's master spy, Reinhard Gehlen, was made chief of the Western German intelligence agency (BND) and shared his Nazi intelligence data with his protectors in the CIA. Otto Skorzeny, a Nazi specialist at organizing terror networks in occupied countries, was employed in the

U.S. Army's historical division, which served as a way-station for former Nazis who would go on to serve in the Gehlen-CIA intelligence network. Skorzeny used his tacit immunity to shepherd old Nazi comrades out of Europe, working through cover organizations, known as Odessa, Kamaradenwerk, and Die Spinne.

As the years went by, Gehlen, Skorzeny and their network of old-boy collaborators accumulated enormous influence both in Europe and Latin America. Skorzeny shuttled between Franco's Spain and Peron's Argentina, where he served the Argentine dictator as a gray eminence. His goal was to foster the growth of a fascist Fourth Reich centered in Latin America.

He could count on such loyalist operatives as Josef Mengele in Paraguay, on Adolf Eichmann and Hans Ulrich Rudel in Argentina; on Walter Rauff in Chile; and on Klaus Barbie in Bolivia.

Rauff, who is charged with sending 97,000 Jews to their death, has served as a revered adviser to the fascist dictatorship imposed on Chile by Augusto Pinochet after the overthrow of Salvador Allende, and was instrumental in setting up the infamous Chilean secret police agency known as DINA. Barbie, in Bolivia, organized paramilitary death squads and drug smuggling networks for a succession of military regimes.

To grasp the full meaning of Barbie's belated appointment with justice, his career may be seen as an emblem of the unchecked metastasis of fascism. It is particularly mortifying for Americans to be reminded that our government put Barbie on its payroll a few years after he worked for Hitler.

Erhard Dabringhaus of U.S. Army Intelligence sheltered this mass murderer, paid him \$1700 a month to run a spy network in France, and helped him escape to South America. "I am a good American of German extraction and I did my job," he said recently from his position as a German history professor at Wayne State University.[39] These people, and those who aided them, have names, addresses, and connections to the top levels of the United States government. They figure prominently in the hidden history of our police-intelligence state, and in the rash of political assassinations and other crimes that keep it in place. The names of the men most responsible for bringing them here read like a roll call of the world establishment, and those who collaborated with them fit together like pieces of a puzzle in decoding events since World War II.[40]

Allen Dulles -- Who collaborated with Gehlen's spies, headed the CIA, and later sat on the Warren Commission investigation of J.F. Kennedy's death.[41]

John J. McCloy -- A High Commissioner of Germany after the war who pardoned key Nazi criminals like Krupp, Abs, Dohrnberger, Schacht, and others.[42] His long career has made him a "Godfather of the American establishment." He sat atop the World Bank, directed construction of the Pentagon, worked with Earl Warren to set up the

Japanese concentration camps in America, blocked any military attacks on the Nazi death camps as Assistant Secretary of War. He stopped the summary execution of Nazis in favor of the Nuremberg Trials which he later thwarted, and also sat as a member of the Warren Commission.[43]

General Lucius Clay -- The military commander of Germany at the end of the war, Clay helped undermine the prosecution of Otto Skorzeny, and later worked with Nazi generals at Oberammergau to train Eastern European revanchists, Nazis and American GIs into the 5,000-strong "Special Forces" against communism. This team later became our Green Berets.[44]

Henry Kissinger -- Worked with General Lucius Clay at Oberammergau, and then with key stateside Army Intelligence and CIA units responsible for bringing in the Nazi spies. [45] Kissinger, who came from Germany to join U.S. Army Intelligence during World War II, had as his "mentor" the mysterious Fritz Kraemer.[46] Kraemer's 30-year silent career in the Pentagon plans division includes the prepping of Alexander Haig.[47] It may also conceal his real identity -- prisoner #33 in the dockets at Dachau, the special Lieutenant to Hitler, Fritz Kraemer.[48] Mr. Kissinger still relies on his advice, and did so while Secretary of State.

C.D. Jackson -- Joined Nelson Rockefeller and Richard Nixon in the scheme to bring the Byelorussian government here. He worked for the Henry Luce publishing empire, and for Life magazine when they published the doctored photos of Lee Harvey Oswald holding a rifle. Both Time and Life were owned by Luce, and were responsible for much of the cold-war propaganda that allowed the national security state and the Pentagon to grow untouched.[49]

Richard Milhous Nixon -- Former President whose work with Navy Intelligence at the end of World War II included the importation of Nazi criminals through the Gould family estate on Long Island. Among them was Nicolae Malaxa, whose collaboration with Hermann Goering was apparently no problem for Nixon, who defended Malaxa's U.S. citizenship.[50] In fact, a special bill was introduced in Congress to secure the citizenship by Senator Pat McCarren of Nevada. McCarren and Senator Joe McCarthy later introduced legislation to set up "detention and internment camps" in the U.S. in times of war or national emergency for "internal security." [51]

Other figures involved in this dirty little secret connect to the highest levels of our government and intelligence agencies. The solemn pledge to end the Nazi rñ•me was completely betrayed.[52] Instead, the British and American spies saw a more important function, that of finding a new common enemy. The cohesiveness and control offered by this scenario seemed to urgent and so appealing that they even considered creating the illusion of an enemy from outer space.[53] For the less inventive, the communist revolution still served as sufficient scapegoat, and historical target.

Frank G. Wisner -- An official of the OSS and a CIA veteran who brought the Byelorussian government here, the Latvian Thunder Cross, the Hungarian Arrow Cross, and the Roumanian Iron Guard among others. As many as 5,000 came to work at Radio Free Europe and Radio Liberty, the CIA, the Voice of America, the Defense Language Institute, "for the United States in defense of liberty.[54] Allen Dulles said of Gehlen, "He's on our side now." Bobby Inman of the NSA and CIA networks today admitted recently that these fascists were "the bedrock" of covert operations in Europe in the 40s and 50s by the CIA, and molded the anti-communist policy there.[55]

J. Peter Grace -- A scion of the Grace fortunes, he is currently head of Reagan's commission to study domestic economic cuts.[56] For 30 years his company employed Otto Ambrose, a Nazi war criminal from the German drug cartel I.G. Farben. Ambrose, a chemist, developed "Zyklon B," the actual gas used in the chambers to kill the Jews and others deemed "inferior." [57] The German steel group, Flick, which has extensive Nazi ties in the past and whose scandals are rocking German politics today, hold a controlling stock interest in the Grace company.[58] The Grace family is intimately involved with the formation of the anti-Communist American Institute for Free Labor Development (AIFLD).[59] AIFLD played a key role in the Kissinger plan to overthrow Allende in Chile, and insert the ruling fascist Pinochet.[60] After the coup, which involved American Green Berets, [61] Kissinger sent a Mr. Rauff from the State Department to advise the newly formed Chilean secret police (DINA). Rauff had been in charge of the "mobile ovens" used to kill Gypsies and Jews, homosexuals and political dissidents in Eastern Europe for the Nazis.[62] These same forces were later involved in the assassination of Chilean diplomat Orlando Letelier in Washington, D.C.[63]

Helene von Damm -- Personal White House appointment secretary long-time personal secretary to Ronald Reagan, she stands to be appointed Ambassador to Vienna, and controls all cabinet level appointments in the Reagan administration.[64] She came to the United States in the 1950s in the company of Albrecht Otto von Bolschwing, and worked for him as a translator.[65] Von Bolschwing gave the direct orders to Adolph Eichmann in the dread Eisenstatz, group, the SS killers.[66] Helene's husband, Christian von Damm, ran the Bank of America in La Paz, Bolivia, which defaulted on a huge U.S. loan.[67]

Errol Flynn -- The famed actor, whose exploits included meetings with Nazi sympathizers, and the Duke and Duchess of Windsor, and Nazi spymasters during the late 30s. His roommate and constant coM anion at the time was actor Ronald Reagan. [68]

Anna Chennault -- A Nixon confidant, and head,, of the old "China Lobby" that got us involved in both Korea and Vietnam.[69] Her husband, General Claire Chennault, formed the Flying Tigers in World War II, which later flew heroin for the CIA from Vietnam as "Air America." [70] She sits on the board of 20th Century Fox with Henry Kissinger, William Rogers, Gerald Ford, and until recently, Princess Grace Kelly of

Monaco.[71]

Evita Peron -- Once a ruler in Argentina, Evita got her funds from the Nazi treasuries stolen by Martin Bormann at the end of the war, and put hundreds of millions in the "Evita Peron Foundation" and Swiss bank accounts. This money aided war criminals like Josef Mengele, Heinrich Dorge, Hjalmar Schacht (who had worked under Herman Abs at the Reichsbank), Rudolf Freude, Dr. Fritz Thyssen Dr. Gustav Krupp, Otto Skorzeny, and others.[72]

Peter Drucker -- Well-known industrialist who began the multinational corporation concept, he was responsible for bringing Nazi leader Fritz Kraemer from Frankfurt to the Pentagon.[73]

General George Patton -- An American hero of World War II, whose credit for invading Sicily was later tarnished by the Kefauver commission study suggesting that he traveled into friendly Mafioso villages as part of a secret deal between Navy Intelligence and mobster "Lucky" Luciano.[74] In his assignment to construct a history of the war, Patton assembled Nazi Army officers and had "admiration, affection and sympathy" for them. He picked the "best brains," Von Manteuffel, Brandenberger, Count von Schwerin and Fritz Kraemer.[75] After the war, Patton worked closely with John J. McCloy. In relation to Russia he said, "Anyone who says there won't be a future war is a goddamn fool.[76]

George Bush -- Former head of the CIA who employed, among others, U.S. Army officer, Capt. William Rhine of the Bay of Pigs operation. Rhine is really top SS spy Helmut Streicher, who worked directly with Hitler, Gehlen, Otto Skorzeny, and then U.S. Army Intelligence from October, 1945 on.[77]

General Douglas MacArthur -- Another World War II hero, he helped to cover up Japanese war crimes involving chemical and biological experiments on American prisoners so that we could use the secret results.[78] This operation and others directly involved MacArthur's chief of staff, Colonel Charles Willoughby, who is in reality a Nazi criminal, Kurt Weidenbach.[79]

J. Edgar Hoover -- Who formed the FBI, and without whose help Nazi criminals could never have entered the U.S., worked in Interpol with founder Reinhard Heydrich, SS head of Nazi police from 1940 to 1942, and his successor, SS officer Ernst Kaltenbrunner, later hanged at Nuremberg.[80] Hoover's career involved extensive mob connections, [81] and his death has yet to be fully investigated.[82]

Thomas Dewey -- The "gangbuster" New York prosecutor who put Luciano in jail, and then later petitioned for his release and deportation to Italy in honor of his "wartime services." [83] In 1948, Dewey ran for President in a close race with Harry Truman. Dewey's vice-presidential candidate was Earl Warren and his campaign manager was Allen Dulles.[84]

Historically interconnected with the Solidarists and the fascists, powerful elements in the Vatican continued their work through high church officials, Opus Dei, and the Sovereign Military order of Malta, the Knights of Malta.[85]

Monsignor Montini -- An OSS operative in Southeast Asia at the end of World War II, he was later appointed Pope Paul VI. He used Caritas Internationalis, a welfare organization, to provide refugee travel documents to such Nazis as euthanasia killer Hans Hefelman and Hitler's secretary, Martin Bormann, aiding in their escape to Argentina.[86]

Pope John Paul II -- Worked at Auschwitz in a rubber plant run Nazi financier Hermann Abs for Solvay Drugs of I.G. Farben.[87] Farben, which also employed Fritz Kraemer, has 750 subsidiaries worldwide, including U.S. firms.[88] In the wake of the recent Vatican Bank scandals, Pope John Paul II appointed a four-man committee to study and run Vatican finances, which included Hitler's personal banker and the pontiff's old boss, Hermann Abs.[89] Nazi hunter Simon Wiesenthal protested this recently.[90] The Pope also elevated Opus Dei, with 72,000 members in 80 countries, to the status of a religious order.[91]

Cardinal Spellman -- Religious leader in New York, he was a protégé of Cardinal Pacelli, Pope Pius XII, who is often accused of collaboration with the Nazis.[92] Spellman is the U.S. spiritual leader of the Knights of Malta.[93] He is responsible for introducing Ngo Dinh Diem to Allen Dulles, and then proposing his presidency of South Vietnam to President Kennedy.[94] When Diem resisted the introduction of American troops into Vietnam, Dulles told General Westmoreland to go ahead anyway, and our CIA helped to kill Diem.[95]

Father E. Walsh -- His Georgetown University Center for International Affairs and Strategic Studies became the first major CIA training center.[96] This Jesuit priest was the motivating force behind Joe McCarthy's campaign against "communism" in the 50s, and he is a long-time member of the Knights of Malta.[97]

Avery Dulles -- Son of John Foster Dulles, then Secretary of State, and a nephew to Allen Dulles, then CIA director. Avery worked with Martin Bormann to help his escape to Argentina, and is now working as an advisor at Georgetown University. He also is a member of the Knights of Malta.[98]

Roy Cohn -- The key lawyer in the prosecution of the Rosenberg case the alleged "Atom Spies" executed in the 1950s, [99] he worked with Joe McCarthy and David Schine to spread the "Communist Menace" lies. He currently sits on the board of the anti-communist Western Goals Foundation, and his law partner, Tom Bolan, is a member of the Sovereign Military Order of Malta.[100]

Alexander Haig -- A long-time protege of the Pentagon "Iron Mentor" Fritz Kraemer, [101] Haig extended favors and NATO links to the fascist cell in Italy known as P-2 or Propaganda Due, whose "puppetmaster," Licio Gelli, worked with Franco and Mussolini and shares dual citizenship in Italy and Argentina.[102] The involvement of high government officials in this secret order of Free-Masons scandalized and rocked the whole Italian government, and opened the ensuing scandal of Banco Ambrosiano and the Vatican Bank's missing billions.[103] Many of the key figures are either imprisoned (Licio Gelli and Michele Sindona, former head of the Vatican Bank) or dead (Roberto Calvi, known as "God's Banker," found hanging beneath Blackfriar's Bridge in London.) [104] Haig has just been knighted into the secretive Knights of Malta, which includes his brother, and prestigious members like William Colby (CIA), William F. Buckley (CIA), J. Peter Grace, John McCone (CIA), General Vernon Walters (Reagan's "roving ambassador"), James Angleton (CIA), and others.[105]

Charles G. Bludhorn -- The founder and chairman of Gulf and Western conglomerate, he came from Vienna in 1942. He worked closely with Michele Sindona and his boss, Licio Gelli, had secret dealings with Antonio Guzman of the Dominican Republic, and knew Vatican Bank scandal figure Archbishop Paul Marcinkus.[106] Bludhorn bought Music Corporation of America (which gave Reagan his start), Madison Square Garden, and much more. His financial manager, Kirk Kerkorian began with a \$50,000,000 loan from West German banker Otto Schoeppler to buy MGM. Alexander Haig was soon on the board.[107]

Michele Ledeen -- Reagan's appointed state department official is the unofficial source for the "Bulgarian Connection" like about the KGB role in the shooting of the Pope. He is the major source on "Soviet terrorism" misinformation to Claire Sterling, who deftly covers up fascist terrorism and state terrorism alike.[108] Ledeen has close ties to Alexander Haig, the Georgetown University grouping, Henry Kissinger, Licio Gelli Opus Dei, and the P-2 Masonic Lodge scandal.[109] He is also close to Francesco Pazienza, suspected to have set up "God's Banker" Roberto Calvi for murder.[110] At the time of his death, Calvi was director of Banco Ambrosiano, and his family members openly claim he-was killed by Opus Dei.[111]

Joseph Lehman -- A brother to John Lehman, currently Secretary of the Navy. John Lehman is involved in a growing scandal involving contracts between the Pentagon and the Abingdon firm (a front for Lockheed and Boeing), which employs Joseph, Christopher and other Lehman family members.[112] A cousin of the family, Princess Grace Kelly, was knighted into the Sovereign Military Order of Malta shortly before her death, and her home at Monaco was a center for fugitive Nazi activity for many years. [113] The Lehmans have worked openly to curb the Catholic bishops who favor a nuclear freeze, scaring them with the "KGB shot the Pope" nonsense.[114] In this effort, Christopher Lehman works closely with Senator John Tower of Texas. Senator Tower's brother-in-law is Samuel Cimmings, a CIA gun runner to international fascist terrorists, including "Carlos," Frank Terpil, Ed Wilson, Gregory Korkola, and others.[115]

Once the cast of characters is clear, the interconnections continue. One of the front companies used by Wilson and Terpil in California, TCI, was founded by Helene von Damm and Otto Albrecht von Bolschwing.[116] The relative importance of von Bolschwing cannot be underestimated. He was placed in charge of the Gehlen-CIA network in the United States when Gehlen returned to Germany to set up their post-war intelligence agency.[117] Many of the people mentioned already have direct or indirect links to the assassination of John F. Kennedy, later political murders, and their coverups.[118] Others make the connections of the international fascist cabal very clear in the murder of John F. Kennedy and many more progressive leaders.

Werner von Braun -- Whose infamous "Rocket Team" developed the first intercontinental missiles at Peenemunde, and were then brought here to develop NASA rocketry, and the growing aerospace industry.[119] The NASA security teams are implicated in several sources in connection with the murder of John F. Kennedy.[120] The actual physical capture of von Braun, who had used slave labor to build the rockets, was done by American,; troops in Switzerland led by Clay Shaw, later charged by District Attorney Jim Garrison for his role in the Kennedy killing.[121]

General Walter Dohrnberger -- A Nazi murderer convicted at Nuremberg for working with the "Butcher of Auschwitz" to kill 6,000 Jews, he was scheduled to be hanged according to British prosecutor Shawcross.[122] He had been a "mentor" and friend to Von Braun throughout the war, getting materials and labor denied at times by Hitler for the rocket works. Von Braun refused to work on NASA rockets unless we intervened to save Dohrnberger. Of course, we did, and a full pardon was arranged by John J. McCloy.[123] General Dohrnberger came to the United States, worked at NASA briefly, and then became director of the Helicopter Division, Bell Aerospace, in Dallas and Houston, Texas.[124] He still trains pilots abroad, working with dictators like the Shah of Iran. Dohrnberger employed topranking military intelligence agent Michele Paine, who housed Marina Oswald in his home in Irving, Texas.[125] Marina, who married Lee Harvey Oswald in Russia, lived in Minsk, Byelorussia, and was the niece of the top officer of the NKVD, the Soviet secret police.[126] Her family was openly anti-communist.[127]

George de Mohrenschildt -- His whole family was Byelorussian, and rabidly anti-communist after their fortune was lost to the revolution at the Nobel family oil fields. They moved to Germany and worked with the Nazis during World War II. George was a spy, carrying papers from Nelson Rockefeller after the war, and his cousin Baron Meyerling was a Nazi film propagandist. His brother, Von, was put to work at the Pentagon after the war, and now sits on the CIA's Tolstoy Foundation. His wife was related to CIA and OSS employees, and her father ran the railroads in China before Mao took power. George later lost another oil fortune of his own in Cuba following the ouster of Batista by Fidel Castro.[128] He was the contact for the Oswalds to the White Russian Solidarist community in Dallas, and the CIA "babysitter" and best friend to Lee

Harvey Oswald. De Mohrenschildt introduced the Oswalds to the Paines, and it was Ruth Paine who got Oswald the job in the Texas School Book Depository, and lied to the Warren Commission about "Oswald's rifle" and set him up as the patsy in the Kennedy assassination.[129]

Leon Jaworski -- Considered by some to be "the most trusted man in America" due to his role as special prosecutor in the Watergate and Koreagate scandals, he spent 20 years with the CIA's M.D. Anderson Foundation.[130] A lawyer at the Nuremberg trials, Jaworski undermined prosecutions, then worked with the Red Cross international rescue division to move the Nazi Odessa network around the world.[131] He was later Special Liaison between the Dallas police and the Warren Commission.[132]

Otto Winnacker -- The actual author of the Warren Commission Report, he was taken away from his job as an official Pentagon historian (recall that the U.S. Army historical division was the way station for the Gehlen operation), and he had come to the United States after years of faithful service as one of Hitler's official historians of the Reich. [133]

Believe it or not, these are only a few of the thousands of connections that history has hidden, only a few of the thousands of fascists brought to light, their worst crimes still unexposed.[134] This is the dirtiest secret of post-war America: our vast intelligence networks were a haven for, and eventually a tool in the hands of international fascism. The increasing challenge to simple Constitutional rights is a direct result of the legislative and political role, played behind the closed door of "security" by these elements. The growing threat to the already damaged economy by the military-industrial complex is out of control. All is geared to a new world war, a bloodbath in section of the Third World, a reduction of population worldwide.

The attacks in Congress and the courts on rights are the prelude to open martial law and fascist rule in America -- a new "final solution." [135]

"When they came for the Jews, I did nothing for I am not a Jew . . . when they came for me, who was left to defend me?" asked Martin Niemoller of Germany in the 1940s. The continuing murders of labor leaders, musicians, political dissidents, progressive thinkers, Black and Hispanic leaders, and others here in the United States parallels the hundreds of political murders in the late 20s and early 30s in Weimar Germany that preceded Hitler's rise to power.[136] When they came for the socialists and communists in the 1950s, the targets of the Smith Act and other repressive treatment, many of us did not act since we were not members of such organizations.

Will we make the mistake twice?

Hanging solemnly over the mass murder at Jonestown, Guyana, was the George Santayana quote, "Those who do not remember the past are condemned to repeat

it." [137] We are not far from the open collusion of the courts in all aspects of state repression. Recent events must be seen for what they are, an attack on us all, spearheaded by the very forces of reaction that threaten life and freedom worldwide, hiding beneath the cloak of anticommunism. To sit back now will put us in a category akin to Klaus Barbie's Army Intelligence contact, Ernst Dabringhaus. Will we be "Good Germans of American extraction" and "do our job," or will we rise?

I'd like to know if there are other sources beside the Book of Edmond Paris (which reports a claim made by Rivera I believe) that confirm that Staempfle actually wrote the Mein Kampf.

Thanks

The Nazi State and the New Religions: Five Case Studies in Non-Conformity by Christine Elizabeth King mentions it, but it is probably sourcing from the book below:

Behind The Dictators by LH Lehmann (written 1944)

This doesn't seem to be well documented, but then, it's not going to be if they want it kept secret.

I found this passage about Staempfle from "Behind the Dictators"

¹ Cf. *Mein Kampf*, p. 4. ² P. 293. ³ P. 385. ⁴ P. 417. ⁵ P. 507. ⁶ P. 513.
See *The Catholic Church in Hitler's "Mein Kampf"*; 15c Agora Publishing
Co. It was a priest, Father Staempfle, not Hitler, who really wrote "*Mein
Kampf*."

I also found out that according to the same Lehmann, jesuits fought against freemasonry. What do you think about this?

In order to attain their objective, they spend all their energies (in their various lives) against the one factor they consider in-
volved in their cause—Judaism and Freemasonry. From its first
founding, the Jesuit Order has battled, by every means, against
these two, because they are the chief adversaries of tolerance and
freedom for all. By the ruthless extermination of Jews and Free-
masons in so many countries of Europe, His Holiness has surely
realized what the Jesuits have intended and worked for during
many centuries.

In his *Mein Kampf* Hitler repeats these principles of the Jesuits
against Judaism and Freemasonry like a well-trained parrot. All
that he says against the Jews and the revolution in Germany after
the war, about Zionism, Jewish infiltration of industry and
science in Germany, racism, slavery and the Jews, their part in
the organization of vice, prostitution and white slavery, was but
rough almost word for word from the official writings of the
Jesuits. Everything he says, however, against the Freemasons—
their fight for religious toleration, their efforts to break down racial
and religious barriers, as well as their alleged disloyalty in Ger-
many during the world war—is in agreement with both the teach-
ing of the Jesuits and of the papacy in their campaigns against

The Company of Jesus used its sheep-dipped (still within) priest known as Adam Weishaupt to bring together powerful oppositions. The result was the group called the Order of Illuminati all working under the guidance of The Company of Jesus.

Various Jesuits like Kircher were geocentrist but I found an interesting note about Galileo:

"The Dominican scholar William Wallace, O.P., in his book *Galileo's Early Notebooks* (Notre Dame, 1977), has demonstrated, by using the internal evidence of terminology, word order and symbols, that much of Galileo's teachings came from Jesuits teaching at the Roman College. He names nine of them, thus corroborating the research of other scholars such as A. C. Crombie and Adriano Carigo. After studying Galileo's manuscripts for fifteen years, he found that all Galileo's notebooks show considerable

evidence of copying. Practically all of the material derives from textbooks and lecture notes which were being used by the Jesuits at the Roman College. This evidence is available in collections like Sommervogel. "

Philippines Being Ransacked By Jesuits And Vatican, According To Foreign Freedom Fighter

It's a question of freedom or fascism and Bobby Limeta of the Philippines says the U.S. is the only barrier remaining in the world.

14 Jun 2006

<http://arcticbeacon.com/14-June-2006.html>

The looting of the Philippines is underway in "full force" by the Jesuit Order, according to foreign freedom fighter Bobby G. Limeta, as he claims the devious Catholic order of militaristic priests are the real culprits behind the New World Order.

"I'm a Filipino and I'm not an American, but I'm deeply concerned that the last barrier of freedom the world now enjoys is the United States," said Limeta this week from his home in the Philippines, adding he hopes information he has collected about the Jesuits provides a warning to Americans.

"I've discovered the diabolic works of the Jesuits since 1990. The more the Americans will be confused about Jesuits & Zionist Jews issues, the better for the Jesuits. As they smile to the Americans for they have already eaten up the foundation of America "United States Constitution and Bill Of Rights.

"Even our national hero Dr. Jose Rizal the greatest of all Malayan Race, knows the Jesuits well and he did not mentioned Zionist Jews. Now, I never wonder why, if there are Filipino traitors working for the Jesuits-Vatican like Fr. Diaz and Marcos, there's also American traitors like Ronald Reagan who recognized the sovereign state of Vatican.

"I'm angry at Ronald Reagan as the Jesuits murdered my favorite American President Abraham Lincoln and my favorite hero Dr. Jose Rizal. But they are not murdered by Zionist Jews."

As Limeta watches his country being infiltrated by traitors working together with the Vatican, he wants Americans to listen to what is going on in his country, as well as begin understanding the "real story" of the Vatican in order to protect the liberties remaining in America.

"I have a picture of Adolf Hitler taken 1997 at the age of 107 or 108 in Santiago, Chile. Hitler has Parkinson's disease. And his favorite pastime is painting "Pastel" and always murmuring to himself and sometimes he's even scolding himself for what he had done to the millions of people killed during WWII," said Limeta.

"His wife, Eva Braun," just died on 1972. I and Ernesto Pinero Suarez , a Chilean, knew this matter long time ago. And I'm keeping this picture in a safe location where only I know where it is located. The couple escaped via "Vatican Ratline"s and the couple carried gold with them.

Limeta went on to explain how the Jesuits have influenced and infiltrated his country for the benefit of the elite and to the detriment of the common man. He claims the same thing is happening in America but the people are "blinded from the truth" and a well orchestrated disinformation campaign has been protecting the Jesuits and Vatican using their fascist influence to destroy America.

"The Jesuits owned first class schools and universities in the Philippines and teaching Liberation Theology under curriculum 141 Immersion Program, the Zionist Jew are not teaching it," added Limeta.

"The Jesuit's Opus Dei and Vatican are the culprits in the looting of our Philippine Gold (a gold different from Yamashita's looted Asia's Gold). The culprits OSS/CIA Agent Col. Severino Santa Romana a.k.a. Reverend Father Jose Antonio Diaz (Jesuit's Opus Dei) and Vatican's cohorts Ferdinand E. Marcos.

"President Gloria Macapagal Arroyo studied in Edmund A. Walsh School of Foreign Service (Jesuit's Georgetown University) and his religious adviser is Fr. Romeo "Archie" Intengan, S.J. And sometimes they have secret meeting at the Jesuit's house in Quezon City.

"GMA's national security adviser "Norberto Gonzales" is my pin-pointed Jesuit Temporal coadjutor. He's a close friend of Fr. Archie. And our national hero Dr. Jose Rizal's confessors are Jesuits before he was executed by firing squad. Zionist Jews are not with Rizal. It means, the Jesuits are everywhere and the Zionist Jews.

Limeta went on to explain why he feels the Jesuits and the Vatican are the real culprits

of the New World Order, using the Zionist Jews as scapegoats to deflect attention.

"When you analyze the geographic locations of Vatican in Rome it is within seven mountains, exactly what the book of Revelations said. Jerusalem is not," added Limeta. "Also it mentioned in the Bible that the anti-christ will be a preacher from a religious order and not the Zionist Jew.

"Why are there Jesuit defectors like Alberto Rivera and others, but I haven't heard a Zionist Jew defectors? Why is the head of the grand tip of masonry the Jesuit Black Pope and not a superior Zionist? For every group or organization there shall be a leader to have direction and perform leadership function. If there isn't a leader, it will only scatter. Is there a Zionist Jew leader to cover all Zionist Jew affairs throughout the world if any?

"Why are Popes murdered by the Jesuits and not the Zionist Jew. David Yallop did not point his accusations against the Zionist Jews but he point his finger at Cardinal Jean Villot (P2 Lodge member)."

Title: Two Jesuit Statues in U.S. Capitol

Description: *Images of Jesuits Kino and Marquette*

AVBibleBeliever - June 16, 2006 02:19 AM (GMT)

The U.S. Jesuit Conference boasts that "Jacques Marquette discovered and explored the Mississippi River. Eusebio Kino labored among Indians in California and Arizona. Both Kino and Marquette are among the one hundred outstanding figures in American history whose statues stand in Statuary Hall in the United States Capitol."

http://www.jesuit.org/sections/sub.asp?SEC...BSECTION_ID=211

According to the U.S. Capitol Statuary website

"The National Statuary Hall Collection in the United States Capitol is comprised of statues donated by individual states to honor persons notable in their history. The entire collection now consists of 100 statues contributed by 50 states. All fifty states have contributed two statues each."

<http://www.aoc.gov/cc/art/nsh/index.cfm>

Here are photos of these abominable bronze and marble statues in the Rotunda of our nation's Capitol which is fashioned after the dome of the Vatican's St. Peter's Basilica with Persephone/Semiramis/Catholic Mary (the patron saint of the U.S. according to Rome and the Jesuits who rule it and Washington City) atop it and the Masonic Washington Monument obelisk in the Mall. There is also an obelisk in St. Peter's Square. But that is just a "coincidence" right?-impossible!

<http://www.aoc.gov/cc/art/nsh/kino.cfm> Eusebio Kino SJ-Arizona

(given to the Capitol in 1965)

<http://www.aoc.gov/cc/art/nsh/marquette.cfm> Jacques Marquette SJ-Wisconsin

(given in 1896)

There are statues of Catholic priests of lesser orders like the Franciscans in the Capitol as well.

http://en.wikipedia.org/wiki/Basilica_of_t...late_Conception

According to http://en.wikipedia.org/wiki/Roman_Catholicism_of_Washington

" The Archdiocese of Washington often prides itself in sharing the fact that the Society of Jesus celebrated the first Mass in the United States on its shores in 1634. During the colonial era however, Catholics would remain a persecuted people suffering the wrath of oppression allowed by local penal laws.

Upon the establishment of the United States by its founding fathers, the Holy See appointed a Jesuit, John Carroll, to be the first bishop of the newly created diocese which would later become the Archdiocese of Baltimore. The Prefecture Apostolic of the United States, as the entity was known then, had jurisdiction over all American Catholics including present-day City of Washington."

Washington DC is Rome on the Potomac

<http://www.newadvent.org/cathen/15558a.htm>

"Father Andrew White, S.J., "the Apostle of Maryland", was the first priest to visit this region: in 1639 he established a mission at Kittamaquund, a few miles below Washington, and, with solemn ceremony, baptized the tawac, or "Emperor of Piscataway". He also carried the Gospel still nearer to a Washington. The "Annual Letter" for 1641 mentions that the King of the Anacostans was a most promising candidate for baptism. The tribe from which the Anacostia River (eastern branch) is named, dwelt in the immediate neighbourhood, and on the site of the national capital: so that the history of Catholicism in the District is traced back to the earliest days of Lord Baltimore's Colony. As settlements advanced up the country from lower Maryland, a fair proportion of those who acquired land in what is now the District were Catholics. In 1669 "a parcell of land. . .called Rome. . .was layd out of Francis Pope. . .extending to the south of an inlet called Tiber"; this gentleman, "Pope of Rome on the Tiber", was sheriff of Charles County, and, in all probability, a Catholic. The well-known families of Carroll, Digges, Queen, and Young were the possessors of extensive landed estates before the American Revolution. There was no church in the region during the early decades of the eighteenth century, as the public exercise of Catholic worship was prohibited by the laws of Maryland: the faithful depended for spiritual aid on the Jesuit Fathers from White Marsh, Prince George's County, or St. Thomas' Manor, Charles County. Stations were visited and Mass was celebrated in private houses, a room being set aside for the purpose, the neighbours being invited. An interesting collection of vestments, altar furnishings, chalices etc., relics of those stations and memorials of the old Jesuit missions, is preserved in the museum of Georgetown College. The independence of the United States ensured religious liberty, and new era for the Catholic Faith began in Maryland. Father John Carroll, having returned to America in 1774, resided at Rock Creek, from which he made missionary excursions to all the neighbouring region, including what is now the District. In 1784, he was appointed superior of the American Church, and his consecrations at Lulworth Castle, England, in 1790, to the Sea of Baltimore coincided with the selection of Washington as the seat of

government. The District of Columbia has always been included in the Diocese of Baltimore. In 1789 Bishop Carroll had already taken steps for the establishment of Georgetown College, where, on 4 May, 1912, a bronze statue to his memory as founder was erected by the Alumni Association, with imposing ceremonies and addresses by the chief justice of the Supreme Court, the rector of the university, the attorney--general representing the president, Cardinal Gibbons, the Ambassador of Austria-Hungary, dean of the Diplomatic Corps, and the speaker of the House of Representatives."

This is an interesting and very significant piece of info. The statue of Jesuit Marquette was sculpted by Gaetano Trentanove. This same man sculpted the statue/monument of Masonic leader Albert Pike in the Judiciary Square of Washington DC completed in 1901.

Famous British astrophysicist Stephen Hawking says pope told him not to study beginning of universe

By MIN LEE Associated Press Writer
2006-06-15

<http://www.nwfdailynews.com/articleArchive...hawkingpope.php>

HONG KONG (AP) - Famous astrophysicist Stephen Hawking said Thursday that the late Pope John Paul II once told scientists they should not study the beginning of the universe because it was the work of God.

The British author _ who wrote the best-seller "A Brief History of Time" _ said that the pope made the comments at a cosmology conference at the Vatican.

Hawking, who didn't say when the meeting was held, quoted the pope as saying, "It's OK to study the universe and where it began. But we should not enquire into the beginning itself because that was the moment of creation and the work of God."

The scientist then joked during a lecture in Hong Kong, "I was glad he didn't realize I had presented a paper at the conference suggesting how the universe began. I didn't fancy the thought of being handed over to the Inquisition like Galileo."

The church condemned Galileo in the 17th century for supporting Nicholas Copernicus' discovery that Earth revolved around the sun. Church teaching at the time placed Earth at the center of the universe.

But in 1992, Pope John Paul II issued a declaration saying that the church's denunciation of Galileo was an error resulting from "tragic mutual incomprehension."

Hawking is one of the best-known theoretical physicists of his generation. He has done groundbreaking research on black holes and the origins of the universe. He proposes that space and time have no beginning and no end.

His hourlong lecture to a sold-out audience at Hong Kong University of Science and Technology was highly theoretical and technical. During the question-and-answer session, Hawking was asked where constants like gravity come from and whether gravity can distort light.

But there were several light, humorous moments.

Hawking _ who must communicate with an electronic speech synthesizer _ said he once considered using a machine that gave him a French accent but he couldn't use it because his wife would divorce him.

The astrophysicist is wheelchair-bound and uses an electronic voice because he has the neurological disorder called amyotrophic lateral sclerosis, or ALS.

Hawking was asked why his computerized voice has an American accent.

"The voice I use is a very old hardware speech synthesizer made in 1986," he said. "I keep it because I have not heard a voice I like better and because I have identified with it."

But Hawking said he's shopping for a new system because the hardware he uses is large and fragile. He also said it uses components that are no longer made.

"I have been trying to get a software version, but it seems very difficult," he said.

He urged people with physical disabilities not to give up on their ambitions.

"You can't afford to be disabled in spirit as well as physically," he said. "People won't have time for you."

The moderator at the lecture told the audience that at a recent dinner, she asked Hawking what his ambitions were. He said he wanted to know how the universe began, what happens inside black holes and how can humans survive the next 100 years, she said.

But she added he had one more great ambition: "I would also like to understand women."

Hawking ended his lecture saying, "We are getting closer to answering the age-old questions: Why are we here? Where did we come from?"

Listen to authors Eric Jon Phelps and Michael Collins Piper square off for two hours from 1pm-3pm on the Republic Broadcasting Network.

Tuesday May 16th 2006, 1:00 PM Central.

The Investigative Journal on [RBNlive.com](#)

TruthSeeker24 - May 16, 2006 06:10 PM (GMT)

*The following is my frame of thought showing what is happening minute by minute.

The great debate is starting now. I will get what I can now about. Piper is starting first talking about how he starting blaming the "Zionists" ruling the world. He's forgetting the Vatican/Jesuit connections to world events. He's talking about JFK, forgetting about the SMOM link to it as well. Now, Eric is talking. Eric is talking how he exposed the Jesuits. Now, Eric is talking about the Jesuit link to Abraham Lincoln's assassination, JFK, the KJV Bible, and his life. Greg is starting the first main question. He's asking Piper how "Zionists" came into power. Piper is talking about "Zionists" how it isn't interchangeable to

Jewish people. Piper defines Zionism as Jewish nationalism and supporting a Jewish state. Piper says that Jewish power before 1948 was still powerful in the 1800's in America. He says that Zionist control was complete in America by 1967. Then according to his deluded mind, Zionists controlled all of America's foreign policies. Piper says that people can't openly discuss this. He believes that the JFK assassination laid the groundwork for Zionists in America to rule it 100%.

There is a break and Eric will soon respond. ok, the break is over. Eric said that the Jesuits were created after the Protestant Reformation in the 1500's. he said that the Jesuits were created to kill the Reformation, rule the world under the Pope, and fight against the Middle East. The Pope didn't know that the order had its own agenda. The Jesuits were involved in assassinations, etc. Eric said that a papal bull in 1773, they were suppressed by a papal bull. Later, the Jesuits punished the Pope and the monarchs for suppression. They forced the SMOM to leave the Isle of Malta. Napeoleon was involved with Jesuits. In 1870, Vatican I centralized power under the Pope. Eric goes on to discuss about more information. Eric said that the Jesuits were in Belgium and later went into America and the Uk to be strongholds.

Piper asked Eric that Mossad is working under the Jesuits. Eric believes this and Eric said he read his book about the JFK assassination. Piper called John Loftus a Zionist. Eric admits to some Mossad involvement in the JFK assassination and will add that information in his book. Eric believes that the Mossad and the CIA works together, but the CIA is the head, while the Mossad is the tail. I read Piper's book. Some of it is true and some of it is borderline anti-Semitism and omission of the Knight of Malta link to the cover up of the JFK assassination. The commerical break is over. Greg wants to ask more questions. Piper criticizes the "Zionist" lobby. Piper is asked in how the Zionist lobby rules US policy. Piper says that powerful Zionist Jewish families in cities and towns have grouping of families have great economic power. He believes that the Zionist lobby is more powerful than any lobby. Piper says that the Jesuits and the Vatican isn't more powerful than the Zionists since abortion isn't outlawed.

Piper goes on talking about the Rothschilds and Jewish families being under the Vatican being just wrong. Piper is trying to ask Phelps a question. Piper is asking Eric about JFK and Israel. He said that if JFK supports Israel, why did the Mossad kill him. Eric responds by saying that he may have been mistaken. Eric said that Knight of Malta Reinhard Gehlen trained the Mossad with the CIA in 1951. Eric said that the SS existed today by the CIA and the CIA was Nazified by Cardinal Spellman after WWII. Eric didn't realize about the JFK war with Israel. Eric said that the Jesuits wanted JFK dead by his ending the Vietnam war (ending the massive drug trade) and destroy the CIA. Eric says that the Black Pope wants Israel to exist, so the Third Temple can be created for the Pope. Eric said that JFK resisted Cardinal Spellman and JFK allowed Diem to die. Diem was a Catholic dictator in S. Vietnam. Eric said that the Knights were involved in the assassination at key points like DeLoach (in the FBI), and others.

Eric says that the Jesuits controls all high level Freemasonry and wrote the last 8

degrees. Eric says that the Jesuits control nations through high level Freemasonry and the Knights of Malta. He said that the Masonic Warren court supports abortion and anti-school prayer, etc. Greg asks Piper why it is unusual that the Vatican has great power. Piper says that he doesn't think it's unusual, but he hasn't looked that much into the Jesuit info. Piper says that the JFK assassination info presented by Eric has errors. Piper said that he has no particular religion. Piper believes that the Zionists infiltrated the Catholic Church during Vatican II. Piper says that he denies that the CIA isn't related to the Nazi SS. Piper said the the office of strategic services made the CIA (filled by Zionists). Eric responds by that Donovan was a key member of the Services and he was a Knight of Malta. Piper goes into his anti-Semitic rant saying that pro-Israel people formed Israel in 1948.

Piper goes on about the Mafia. Piper denies any Jesuit link to the Mafia. Piper said that the Chicago Mafia that the real leaders were Jewish pro_Zionists. He talked about Meyer Lansky. Greg now asks then about if history is contrived. Eric says that CFR controls the press, academia, banking, etc. He then says that Cardinal Spellman back then and the archbishop Egan today runs the CFR. Eric says that a trusted third party allows to work with the real powers. He cites Prescott Bush as a SMOM and William Buckley JR. plus George H. W. Bush. Eric says that many media figures are in the SMOM. Joseph Hare is a Jesuit as he says and supported Michael Bloomberg. Piper responds by saying Eric says a lot of nonsense. Piper said that the RIIA and the CFR are part of the Rothschild Empire and form foreign policies. Piper says that the Rothschilds aren't agents of the Jesuits. Piper says that the Jesuits and Catholics are in decline across the globe.

Eric will respond after the break. The break is over. Greg said that he respects both of them. Eric said that if the Rothschilds rules the CFR, then Jews rule the world. Piper admits to this. Eric says that the Bible says that Rome (the great city) reigns over the Kings of the Earth. Eric says that Rome rules the political world and is Gentile not Jew. Eric said that Gentiles will rule Jerusalem now according to the prophecy of Luke until the coming of Jesus Christ. Eric said that this time has the Gentiles rule. Eric says that blaming the Masonic Jewish Zionists as the rulers of the Earth, a Jewish holocaust might happen. Eric says that Dreyfus is a Jesuit affair. Eric said that Herzl had a meeting with the Pope to support Zionism. A break occurs now. The break is over. The debate is going forward. Greg asks Piper about who are the leaders of Zionism.

Piper responds to Eric that the ADL is an agent of the Jesuits. Piper said that ADL stands against the views of the Catholic Church's views. Piper said that the ADL is powerful in the Zionism-Freemasonry movements. Piper said that the Zionists and other groups control the ABC, NBC, and other major news networks. He says that the powerful Jewish Zionist families run the media and dictate who will get elected and send Catholic politicians into jail like Traffican. Piper says that Zionists run things. Their will be a break with questions and calls are coming soon. Greg said this a great debate. Greg said he wrote a book about Neo Con pro-Israel warhawks fighting Iraq, Iran, and the rest of the Muslim world. Michael Collins Piper said that the Vatican opposes the Iraq War. Piper said that the Jesuits don't control the Vatican, since the Vatican doesn't support the war.

Eric said that the Vatican has a secret policy and true policy. Eric said that Bavaria is a Jesuit stronghold where the Nazi party came. Then, Eric said that while some Jesuits opposed the Nazis, while the Jesuits secretly funded Hitler and the Nazis. James Angelton called a war against Muslims and Eric said that. Eric said that the Archbishops of NYC are controlled by the Georgetown University. Eric that George Tenet is a CFR and SMOM and have involvement in 911 and the war against terrorism today. Piper responds by saying that he's so confident that he's willing to respond to any pro-Eric supporter. Piper says that the Vatican has a secret policy. Eric says that the Vatican supports abortion in convents. Piper says that he doesn't believe that Babylon in Revelation refers to Jerusalem. Piper says that we can't have a real debate with many interpretations of the Bible. Eric responds on saying that this is his position. Piper says that he doesn't believe that Cardinal Spellman was a mastermind in the assassination. Piper doesn't believe that Clay Shaw and Cardinal Spellman are Knights of Malta.

Greg said that Joe sent him a list with Knights of Malta being Clay Shaw. Piper said that John McCone is a Knight of Malta. Piper said that McCone was a friend of the Kennedy family and when McCone was in the CIA, JFK as using intelligence against Israel. Piper denies any involvement in the JFK assassination. Eric said that Angelton was pro-Israel. Piper said that McCone leaked nuclear technology. Piper denies any Knight of Malta involvement in the Kennedy assassination when he omitted that Knight of Malta DeLoach covered up info and the Knights in a car company sent the care out of Dallas without an elaborate investigation. Eric said that Piper is right about the Zionist connection. Eric also said that Piper denies any Zionist connection. Eric said that Peres in Oslo supported Vatican control of parts of Israel. Eric said that the Rothschilds are the keeper of the Vatican treasury. Piper responds by saying that Eric refuses to link crimes to Zionists. Piper feels that the Jesuits aren't that powerful. Piper said that Eric made so many mistakes in the Kennedy assassination.

Piper said that many errors appear in his book "Vatican Assassins" on the Kennedy assassination. He said Eric uses biased sources. Piper said that the Rockefellers are under the Rothschilds. Eric said he doesn't work for any organization and he works week to week. Piper said that his book was funded by Liberty Lobby (an anti-Semitic group) and American Free Speech and he's working by himself. AFS supports Holocaust denial. There is a break waiting for calls. Greg is back. Piper is plugging his book and he has a first amendment right to do so. Eric said that the 3rd book would be available by mid-June or early July. Piper said he doesn't have much research into the Lincoln assassination. Greg said that in 1867 the US dropped diplomatic relations with the Vatican until 1984. Greg said that the new book exposing the Jesuit assassination of Lincoln. Greg said it's important to talk about the Vatican and Zionists. Greg said that he's attacked for saying stories about Catholics and Zionists.

Eric said that the doctrine of the Pope's temporal power says that the Pope has a right to rule all governments, which is the maxims for the Jesuits to rule. Piper responds saying that all religious movements has a desire to rule the world to make their own religious

philosophy. Piper said that the Vatican didn't commit the JFK assassination. Piper believes that the Zionists were involved. Callers are coming in now.

A female caller from Maryland existed. She said that millions have died. The woman says that it's a Catholic vs. Christian worldviews since Catholics murdered millions of people. Eric agrees. Piper disagrees and is baptized in the Church of Christ (which accepts the unbiblical view of baptismal regeneration). Piper said that Eric made 50% errors in his view of the Kennedy assassination. Another caller talks about accepting both the Zionist and Jesuit view. The caller talked about the Israeli Liberty scandal and the Vatican Bank scandal. She believes that it's both sides working for a NWO. Piper called Malachi Martin a traitor working for Zionist interests. Eric said that the Jesuits are the real Zionists. Eric said that the ADL uses a Cardinal Bea award. Eric said that who was here first Jesuits or Zionists? Eric said the Jesuits. Piper said that the traditional elements resisted Zionism and by Vatican II, the Zionists infiltrated the Papacy. Eric said that there was no Zionists were in 1814. Eric said that Zionism is luciferianism based on Freemasonry. Eric said that the Jesuits want to rebuild the Temple under the Pope.

A traditional Catholic caller came up. She believes that a infiltration of Catholic church came up without realizing that Catholicism itself was created with Babylonian occult influence spanning thousands of years from Constantine. Eric said that the Jesuits were behind Vatican II. Eric said that the Protestants are called seperated bethren in Vatican II. Piper said that Catholic nuns in Spain were killed by whom? Eric and Piper debate about the Spanish deaths during the 1930's. Piper tries to tell Eric who was responsible when the Jesuits were expelled. Eric said the Republicans were involved. Greg wants to inspire both of them to defeat the NWO and the criminals running the globe. A caller said that high level Freemasons and Knights of malta are in the intelligence community headship. This caller said that he doesn't want dual loyalty of Zionists or Freemasons and Knights of Malta. Piper responds by saying that he agrees 100%. Piper said he doesn't believe that the SMOM are dual loyalty. He says that the Zionists murdered William Colby for working with Arab interests. Piper said that the Zionists rule and the Jesuits rule very little. Eric said that the Pope claims universal temporal power in all nations including Zionists. He wants free governments to reign. After that, the debate is over. Both men are done.

The Debate is over between both me. Greg said that he might do another one.

This statement is completely false. People who make statements like this can never back them up with any facts. All they can say is that the wars in Iraq and Afghanistan were started by Zionist neoconservatives. They never bother to mention that Sharia law has been instituted in both of those countries as a result of the wars. This is not a war against the Muslim world, but a war for it!

The Vatican did not really oppose the Iraq war since Jesuit trained Ahmed Chalabi was the primary lobbyist for the passage of the Iraq Liberation Act. That act was signed into law by Jesuit trained Bill Clinton. In 2000, one of planks of the Republican party was the implementation of the Iraq Liberation Act. If this act had not been passed then there would not have been any war. Other fact that is hardly discussed is the fact that Ahmed Chalabi was working for the Iranian government.

The main group that received U.S. support in Iraq was the Supreme Council for the Islamic Revolution in Iraq, which has ties to the Iranian government. Did not neoconservative Paul Wolfowitz praise the assassinated leader of SCIRI?

I made a typo. I meant Michael Collins Piper believes and said in the debate that the Zionists are behind the Iraq war not Greg. Not to mention that most of the PNAC document crowd were CFR Gentiles not Jewish people at all.

MooseDog - May 16, 2006 08:17 PM (GMT)

This was rather uneventful. Too many commercials... more than usual. That guy Piper is lacking in history of the jesuits. Eric agreed with this guy and accepted his info he put forth and said he would research more of these issues, Piper said over and over Phelps didn't know what he was talking about and said jesuits have no power. If we learned anything from this debate it is that Phelps is clearly more open minded to new info.

Who's at the top of the most powerful Hierarchy? Follow the money. Who has the most stuff? The Vatican comes out the winner every time. They still have everything they looted from the library at Alexandria. All those at the top at the Federal Reserve are all Knights of Malta and went to Jesuit colleges.

All roads lead to Rome...

TruthSeeker24 - May 16, 2006 08:25 PM (GMT)

My immediate take on the debate:

I think the debate is fairly good among both sides. I read Piper's book "Final Judgment" a while ago. Much of the book is true and the rest is anti-Jewish stuff. He almost praises the pro-Nazi philosophies of Knight of Malta Joseph Kennedy, the father of JFK. I would say that Eric could of listed more information about the SMOM link to the Carlyle Group, various corporations (i.e. KFC, Domino, etc.) but Eric held his own. The time format led both minds to think fast and speak with urgency. Both people were crippled into not speaking their minds fully on several occasions. Piper is a man who omits historical information. Piper's biggest lie is that that oh no, the Catholics were infiltrated by the "Zionists" in Vatican II. The truth is that Romanism was always corrupt from Constantine onward. They butchered not only Protestants and Baptists, but Muslims, Jews, Gypsies and others for centuries. The Inquisition was committed by many Catholics. The Catholic decrees in the middle Ages wanting the Pope to rule the world and call Christians who just disagreed with their doctrines as anathema or accused. That's in the Council of Trent. Piper doesn't want to admit to those historical truths. If I were debating Piper, I would speak more deeper since I have a deeper accent, especially when I'm angry. Also, the Vatican is increasing numbers in the Third World and have investments in tons of corporations as mentioned by Avro Manhattan's research. An research Eric brings up, he calls it pro-Zionist. This is a shill tactic since Piper uses pro-Israel sources as well. He never even equally condemns Muslim radicalism killing Christians and other dissidents worldwide, which has nothing to do with Zionism. In the final analysis, all of the occult groups existed from the Gentile Mystery Schools of the ancients. Piper must realize the history of the persecutions by the Jesuits and the Jesuit link to WWII that he isn't talking about. The reason is that it destroys his "Zionists rule the world" mantra. I think that Eric's best words in the debate was about who existed first the Jesuits or the Zionists. The answer is the Jesuits of course. The other best refutation of Eric against Piper is the Mossad. Eric calmly said to Piper that the Mossad was trained by Knight of Malta Reinhard Gehlen, who was a member of the CIA. Also, Fritz Springmeier confirmed other intelligence groups stronger than the Mossad as well. There has always been a subordination of the Mossad unto the CIA. The CIA has been involved in more election rigging, terrorism, coups, etc. than the Mossad.

Dear Brethren and Friends,

Greg Szymanski is hosting a debate between me and Michael Collins Piper today from 2-4pm EST. If unable to listen, it will be archived on Greg's site. www.thearticbeacon.com

It took me a week to read his most informative book, Final Judgment: The Missing Link in the JFK Assassination Conspiracy. I learned much and the book is loaded

with many significant facts.

Mr. Piper contends it was the Mossad that was the driving force behind the assassination. Though the Mossad had motive and was indeed involved in the assassination, it was the Vatican's Jesuits that oversaw the assassination: the Mossad was one of their many factions overseen by CIA Counterintelligence chief, James Jesus Angleton. Mr. Piper rightly portrays Angleton as the great personage manipulating events behind the assassination both before and after. But Piper wrongly states that Angleton was a creature of the Mossad, its minion in the CIA.

Final Judgment's great flaws are the following:

- 1. No mention is ever made of the Council on Foreign Relations in the body of his thesis. Only one mention is made of the CFR when critiquing a book in one of his appendixes.**
- 2. No mention is ever made of the Sovereign Military Order of Malta (SMOM). This is a critical mistake in that Angleton was a SMOM along with William F. Buckley, Jr., John McCone, Clay Shaw, Henry Luce and Alexander Haig, Jr., (whose brother Francis is a Jesuit) all of whom are named in FJ.**
- 3. No mention is made of the secret meeting between all the players in the assassination at Clint Murchison's mansion on the night before the murder. Those in attendance were J. Edgar Hoover, John McCloy, Carlos Marcello, Lyndon Johnson and, among others, Jack Ruby.**

What I learned from FJ was that JFK was against Israel's development of nuclear weapons and thus was an enemy of Masonic Jewish Zionist David Ben-Gurion. (Remember Revisionist Zionist Vladimir Jabotinsky called the Prime Minister "Stalin Ben-Gurion Hitler.") Further, if JFK sought to break the CIA into a thousand pieces, he would have effectively broke its surrogate, the Mossad, into pieces also. Further, if JFK sought to end the Pope's Cold War PREMATURELY in 1963 (later ended by the Knights of Malta at the Island of Malta in December, 1989), there could have been no justification for LBJ's military buildup of Israel that led to the Black Pope's successful 1967 war resulting in the Labor Zionist possession of the temple mount, having taken it away from Jordan. The 1967 war prepared for this present Papal Crusade against Islam (called for by Angleton) to include the ultimate demolition of the Dome of the Rock thereafter to be replaced with a Third Hebrew Temple---for the Pope. Further, if JFK would have ended the Pope's Cold War, the Vatican---secretly behind the Masonic Jewish Zionist government of Israel but openly against it---would have been forced to openly oppose the Arab nations whom it was befriending and building at that time. Clearly, JFK was an enemy of the Ben-Gurion Government and thus an enemy of the Jesuits ruling the Vatican via Pope Paul VI---the overseer of Pius XII's Vatican Ratlines. (Remember also that the Order sacrificed SS Colonel Adolf Eichmann then living in Argentina thanks to

Bishop Hudal, using its CIA-controlled Mossad to bring the ex-Nazi to Jerusalem for trial. This key act saved the government of Ben-Gurion that was about to fall after the revelation that Rudolf Kastner was involved with Eichmann in deporting 400,000 Jews to Auschwitz shortly before the end of the war.) Since the CIA was a creation of the Vatican via the Knights of Malta and high-level Freemasonry, and since the Mossad was a creation of the CIA via SMOM Reinhard Gehlen, then yes, the Mossad was involved in the JFK assassination---Leah Rabin admitting that her husband, Yitzhak Rabin, was in Dallas the day of the murder. This will be included in VAIII because Piper's claims on Mossad involvement are TRUE.

But we are in "the times of the Gentiles" according to the Son of God, the Lord Jesus Christ, which times will end with his second coming (Luke 21:24-27). As long as Jerusalem is under Gentile rule during the international Jewish Diaspora, then Gentiles rule every other faction of world government. This includes Gentile supremacy in banking, politics, religion, organized crime, military might and the sciences to name a few. The Jews involved in these arenas are SUBORDINATE, not Supreme over Gentiles. This is in perfect agreement with Deuteronomy 28:44, the Gentile being the head, the Jew being the tail this day.

The Gentile Jesuits of power have reversed this truth (ah, Black is White and White is Black), seeking to place the blame for the demise of world---and the United States---on the Jews in general. This is classic Jesuitism, and this is what Michael Collins Piper has done.

The debate will be well ordered and quite interesting. Please tune in, but don't drop out!

Sincerely in the Faith,

Brother Eric

Exactly, Phelps is more educated. Piper is either not as informed or purposely ignoring some facts, either way doesn't really matter.

Mark Brewer - May 17, 2006 01:37 AM (GMT)

If the Liberty Lobby is pushing Piper's books, that explains a lot. The Liberty Lobby was founded by Willis Carto, who was a disciple of the Jesuit trained fascist Francis Parker Yockey.

I might write a long response about Piper today.

TruthSeeker24 - May 17, 2006 01:32 PM (GMT)

I've decided to do it. This time is destroying time. This new response will rip apart Piper's main arguments and I will add new information. Plus, this is going to long. This is historic and mark it down y'all. It's getting annoying to see these doubters. It's going to get real. I'm going to stick with the facts on this. Piper can't refute me on this point. I'm half way done. This is going to be special. This is great. This guy Piper is going down in a refutation. I got this person.

TruthSeeker24 - May 17, 2006 03:04 PM (GMT)

This is my official opinion on this debate. This is classic material and it's historic. I'm covering all bases. I think that both men showed their opinions eloquently. I disagree with Michael Collins Piper on so many issues that it can pages to write. At least Piper is more tolerable than the shill Daryl Bradford Smith. Now, I can easily refute Piper on many angles. Let's go for his errors. He said that he hasn't investigated the Jesuits very much, but he's acting like the expert in refuting any Jesuit involvement in world, geo-political affairs. That's really ridiculous. ok, now Piper had a tough time defining what Zionism is. Zionism is the belief in establishing a homeland of Israel and promoting the interests of Israel. Zionism to me are divided into 2 groups.

One are good, patriotic people who just want to live their own lives. The others are secularists and elitists (some of whom are Labor Zionists that Barry Chamish exposes) who are evil and want to control areas in corruption with global influence. The Zionists always play a secondary, but significant role in world events. For example, the ADL was created by B'nai B'rith Lodge of Masonry. B'nai B'rith Lodge was created by the Gentile-run Scottish Rite of Freemasonry (as admitted by researcher Anton Chaitkan). Additionally, the Scottish Rite was created by Gentiles, not Zionists. Another example is that the Mossad was helped to be invented and trained by Roman Catholic Knight of Malta Reinhard Gehlen (one of Hitler's intelligence men). Gehlen is also an inventor of the CIA as admitted in an interview between Alex Jones and John Buchannan. Another example is that the neo-cons mostly are CFR members (as proven by Stan Monolieth) controlled by mostly Gentiles, not Jews or Zionists. Even when you look at the Iraq War, it has CFR and Jesuit fingerprints all over it. For example, Mark Brewer truthfully stated that Ahmed Chalabi (a CIA asset and one of the promoters of the Iraq War) was Jesuit trained. Even the Iraq Liberation Act was signed by ecumencial, DeMolay Freemason, and Jesuit trained Preisident William Jefferson Clinton. Therefore, the people forming most of foriegn policy of the Iraq War were members of the CFR, Bilderberg Group, and other political arms, not 100% Zionists. Now, Michael Collins Piper says that the Vatican is at odds with the ADL because of abortion. Abortion is evil and murder, but the Vatican has been uniting with the ADL in ecumencialism. Many in the ADL accept the Talmud, but I don't since it's an unnecessary addition to the Torah, not for racial reasons. The Talmud was invented in ca. 500 A.D. by rabbis in Babylon.

The ADL and the Vatican have been meeting in dialogue for decades, so there is no hardcore friction between both groups. There is even the Cardinal Bea Interfaith Award (supported by the ADL), which is the smoking gun refuting Piper's

deception. If I were a Jew, I will never join the Vatican for its involvement in shedding tons of Jewish blood, ghettos, and discrimination spanning centuries. Now, Eric Jon Phelps is right that the Vatican has a covert and overt policy. One proof is that the Vatican II decrees wants religious freedom, but Vatican II never condemns the Council of Trent's proclamations calling those who disagree with Romanism as "anathema" or accursed (ie. damned to hell). Vatican II never condemned the Papal edicts supporting Inquisition or banned its false doctrines. Even in the issue of abortion, the almost majority Catholic Supreme Court never banned Roe v. Wade. Yes, 5 out of the 9 Supreme Court Justices are Catholics like Samuel Alito, Justice Roberts, Antonin Scalia, Anthony M. Kennedy and Clarence Thomas. Mostly Roman Catholic US states never banned abortion. Many Vatican officials have done abortions like Priest Don Paulo. Vatican II being infiltrated by Zionists is a big lie. Piper never cites any evidence in his debate with Eric Jon Phelps proving it. In truth, the Pope organized Vatican II. Also, many Jewish people are secular and Israel is very secular in certain circles. Piper is a hypocrite for saying that the Vatican hasn't banned abortion in America, yet secular people in Israel hasn't banned abortion in Israel (when Israel supposedly is ruling the world and many Orthodox Jews live in Israel). Also, you can make a case for Masonic involvement in Vatican II since according to Freemasonry Watch.org, Cardinal Annibale Bugnini was a Freemason and worked in Vatican II. It wasn't really an infiltration though.

The truth is that Romanism was always corrupt from Constantine onward. They butchered not only Protestants and Baptists, but Muslims, Jews, Gypsies and others for centuries. The Inquisition was committed by many Catholics. The Bartholomew Massacre killed many Huguenots. Catholicism before Vatican II readily used Babylonian ceremonies and rituals like the Goddess, confessionals, prayers to priests, transubstantiation, the mitre, the obelisk, and other things. This is proven by Alexander Hislop's book "The Two Babylons." Many Popes centuries ago were adulterers, pedophiles, and sexual deviants. Piper's main error is denying any great influences of the Jesuits in world history. When you look at the facts, you can see that Piper is wrong on that issue. Ignatius Loyola invented the Jesuits and he was in sympathy with the Spanish Alumbrado (a Spanish Illuminati group in the 1500's. Yes, there were Illuminati groups all over the groups centuries before 1776). Adam Weishaupt invented the Bavarian Illuminati in 1776 and he was a Jesuit priest. Tons of resources and books point to the Vatican/Jesuit involvement in the death of Abraham Lincoln. For example, Roman Catholic John Surratt was involved in the assassination of Lincoln and John Wilkes Booth (the assassins) was not only a member of the Knights of the Golden Circle, but he was accepted into the Roman Catholic Church by Archbishop Spaulding 3 weeks prior to the assassination according to Eric Jon Phelps.

Surratt was acquitted in 1867 and was once enlisted in the Pope's Zouavre army. The Jesuits honored Surratt a Salem High Requiem Mass. Many books back up my

assertions. A new book with even more sources exposing the Jesuit link to Lincoln's assassination is called "The Transformation of the Republic: The Origins of the Religious Hi-Jacking of the American Government and the Truth Behind the Assassination of Abraham Lincoln." The author of this book is named C.T. Wilcox. Even the United States withdraw diplomatic relations with the Vatican from 1867-1984. Therefore, it's not the Zionists being involved in Abe's death, despite what Piper says. WWII had Vatican/Jesuit fingerprints all over it. Hitler signed Concordant with Vatican Cardinal Pacelli in 1933 with the help of Knight of Malta Franz von Papen. Hitler was never excommunicated from the Roman Catholic Church at all. The canon to Munich Archbishop Michael von Faulhaber was Wilhelm August Patin.

Patin was a Dominican priest, S.S. officer, and Himmler's cousin. SS General Baron Frederick von Eberstein admitted on questioning at Nuremberg that Archbishops Michael von Faulhaber and Brunswick were high ranking officers in Himmler's S.S. Heinrich Himmler's uncle was a Bavarian Catholic priest. The Jesuit confessor Tacchi Venturi influenced Italy's dictator Benito Mussolini to outlaw Protestantism in Italy, deported Jews to Auschwitz, and gave military aid to Saudi Arabia's King Ibn Saud in 1932. The Jesuit/Nazi link is further exposed in Edmond Paris' book called "The Secret History of the Jesuits." When you look at Vietnam, it was Vatican-supported dictators that slaughtered the Buddhists and contributed to the drug trade that crippled citizens in America. It wasn't a majority Zionist situation. Even Ngo Dinh Diem and some of his associates were Catholics. Avro Manhattan's book called "Vietnam, Why did we go?" talks about this subject rather conclusively. Master Mason LBJ, Roman Catholic and CFR member William C. Westmoreland, Supreme Knight of the Knights of Columbus Francis P. Matthews, many Bonesmen, and of course Cardinal Spellman [The Vietnam War was readily nicknamed "Spelly's War"] were active players in the Vietnam War. That's a historical fact.

People talk about the Rothschilds, but the Rothschilds originally never had powerful wealth. The Roman Church controlled most of Europe during the 1700's. Also, even today, Black Nobility families (plus other powerful bloodlines like the Guelphs, Ghibellines, GROSVENORS, and the Habsburgs) and the Vatican put together are more wealthier and powerful than the Rothschilds. Even the author Saussy said that the Rothschilds are the Gaurdians of the Vatican treasures denoting subordination. It is even unknown to find out the total wealth of the Vatican. Back in the 1980's, Avro Manhattan wrote that the USA Catholic Church had about \$500 million. This was in the 80's, so imagine how much wealth the Vatican has today. Not to mention that Piper omits about the superrich Black Nobility families in Europe that rival and surpass the Rothschilds political influence and monetary wealth. Piper says that the CFR is an extension of the Rothschilds, but this isn't totally true. The CFR was invented from the Round Table Group. This had very little with the Rothschilds since some Rothschilds solely funded. The mover and shaker of the Round Table Group was Cecil Rhodes, who

was a Freemason. Even when you look at the CFR inventors, a lot of them were Freemasons, not Zionist Jews like 33rd degree English Grand Lodge Mason "Colonel" Edward Mandell House, 33rd Degree Scottish Rite Mason Christian Herter, Scottish Rite Mason Averell Harriman, 33rd Degree Scottish Rite Freemason Bernard Baruch, and Grand Orient Lodge Mason Paul Warburg plus Jacob Schiff. John Daniel's Scarlet and the Beast book wrote about that. It's interesting to note that in Milner's "Confession of Faith", he admitted that Rhodes wanted to:

"...Rhodes envisages a group of the ablest and the best, bound together by common unselfish ideals of service to what seems to him the greatest cause in the world. There is no mention of material rewards. This is to be a kind of religious brotherhood like the Jesuits, 'a church for the extension of the British Empire...'"

The CFR today is not headed by the Rothschilds at all and many Catholics and Knights of Malta are members of the CFR today. In fact, according to Fritz Springmeier, the Pilgrim Society is stronger than the CFR and that isn't headed by Rothschilds at all. Piper doesn't show any evidence that any Rothschild control the CFR or the Pilgrim Society. Piper tells about the Zionist control of the media. I knew Piper would talk about the media. I found the following from various websites and Wikipedia.com. I'm not afraid to confront this issue. I'm going to do it. The truth is that most of the media is run by people in the CFR, Bilderberg Group, heads of corporations, and mostly Gentiles not Jews. Gaylon Ross wrote about the CFR's influence in the media, industry, etc. I will agree that a large portion of Jewish people are in the media. That's a fact that can't be ignored. No sane man denies that. I've looked the media power structure. When you see who owns the media, you will look at 5 big, major conglomerates that control most of the media in America. They are GE, Time Warner, The Walt Disney Company, Viacom, and News Corporation. GE is headed by Jeff Immelt. Gentile Mark Welch once ran GE. Note that he isn't Jewish along with Welch. See one of the biggest (if not the biggest) media company on Earth is AOL/TimeWarner. The head of that isn't a Jew, but Jack Parsons. The head of News Corporation is an Australian Billionaire by the name of Rupert Murdoch. Not only is he a Roman Catholic, but a member of the Papal Knight of St. Gregory. Murdoch owns FOX News. Anti-Semites talk about Eisner in the Disney co., but George J. Mitchell is the real Chairman of the Disney company. Sumner Redstone is the Executive Chairman & Founder of Viacom.

Redstone is Jewish, but Tom Freston, President & CEO of Viacom isn't. So, by this simple analysis, our of these big media companies on Earth are headed by all Gentiles except 1. Let's go further. The large Bertelsmann AG company is run by Germans. Vivendi is another powerful media company and its CEO and Chairman is Jean-Bernard Lévy, who is Jewish. Ted Turner, Bill Gates, Roman Catholic billionaire Warren Buffet, and others who are very powerful in the media, yet they aren't Jewish people at all. Gentile Roman Catholic Knight of Malta Gustavo Cisneros is a billionaire, media magnate, and a member of the Pilgrim Society. Cisneros is the CEO of the Cisneros Group of Companies [very prominent in Puerto

Rico and the U.S. Virgin Islands], which has large stakes in companies like Univision, AOL Latin America, DirecTV Latin America, and a score of other media companies. The media readily supports the CFR promoted Roadmap to Peace and the creation of a Palestinian state in a peaceful manner (while abhorring Hamas). The media has supported Israel and supported the Palestinians back and forth for decades. That destroys Piper's argument of a Jewish/Zionist control of the media. Also, Piper's opinion that the Vatican has no influence in the media is shown to be a lie. The truth is here.

Piper seems to lack history of Zionism. He says that Zionism spans over a thousand years. Give me a break. The truth is that the Vatican owns most of Europe's wealth during the Middle Age, while the Sabbeatean movement wasn't as potent as the Vatican. That is the smoking gun refuting his expose only Zionism canard. Now, all of the modern Secret Societies are from the Gentile Mystery schools of Babylon and Egypt. So, it's still a Gentile orientated situation. The Kabbala itself was from Jewish people who were apostates that got it from Babylon and Egypt during their Diaspora. Also, one of his biggest omissions is about the Muslim radical groups in geo-politics. The Nazis readily supported the anti-Jewish Muslim Brotherhood. John Loftus wrote about this fact. Many Muslim radical worked with the Nazis like the Grand Mufti of Jerusalem al-Husseini. Many folks like Mark Brewer and Daveed Gartenstein-Ross. Ross wrote in his article "The Peculiar Alliance" that new August Kreis, the new head of Aryan Nations, call al-Qaeda freedom fighters. It's even before now. Many Muslims support the Vatican strongly today.

Piper is highly emotional about the JFK assassination. Eric is right that JFK was going against the Vatican's wish. John F. Kennedy supported easing tensions in the Cold War (which Anthony Sutton proved that both sides were funded by Wall Street), send 1000 troops from Vietnam, opposed the Catholic dictator (and Spellman's ally) Diem, and he was trying to destroy the CIA into a thousand pieces. JFK also supported birth control and supported gun rights (he wrote a letter praising the NRA), which the Vatican abhorred as well. Many of the folks in the cover up of JFK's death were Knights of Malta and Roman Catholics. One was Cartha DeLoach (Assistant Director, FBI, and FBI liaison to the Warren Commission). DeLoach supported the Warren Commission's results. Lee Iacocca is another Knight of Malta. Iacocca was the Director of the Dearborn Division of Ford Motor Company, who "took care of" the presidential limousine evidence. Piper doesn't go into depth into the Masonic aspects of the JFK assassination as well. Many Masons were in the Warren Commission (like Gerald Ford & Earl Warren). We can't forget that the Jesuits have a connection with Freemasonry also. Michael Collins Piper talks about James Angleton constantly, but he wasn't just a member of a security desk to Israel. Angleton was also a member of the Knights of Malta and part of the Vatican desk. The Central Intelligence Agency is definitely related to the Vatican. In fact, William Donovan, one of the founders of the CIA recieved the Catholic Lateran

Medal. William also received the Order of St. Sylvester award for intelligence work. During the 1980's, Reagan and Pope John Paul II worked together even using the CIA to stop the influence of Communism in Poland. That's historical fact, so Piper don't tell me that the Vatican has no mighty political involvement in world affairs. Time Magazine showing this entitled "HOLY Alliance." Reagan supported the Vatican, was a honorary 33rd degree Freemason, and he gave the Vatican diplomatic relations in 1984.

The Ancient Accepted Scottish Rite Valley of Grand Rapids homepage admitted that some of the degrees of the Scottish Rite was formed in 1754 at the College of the Jesuits of Clermont. The site also admitted that Chevalier de Bonneville established the Chapter of Clermont. Many writers have talked about the Masonic link to 11/22/1963 like Kennedy being shot near a Masonic Temple, Dealey Plaza looking like a pyramid, and Dealey being named after a real Freemason. The late great patriot William Cooper wrote about this. It's obvious that Freemasonry isn't controlled by Israel. The strongest Lodges are in the United Kingdom. Freemasonry existed before modern Zionism came about in the 1800's.

Now, I read Piper's book called "Final Judgment." Some of the information is good and the rest of it is borderline anti-Semitism. He tried to sympathize not only with booze selling racist Knight of Malta Joseph Kennedy, but traitor Jesuit trained Bill Clinton. In truth, Clinton sold China high tech American devices, he allowed the feds to kill those in Waco, he lied under oath, and some believe that he had connections with the cocaine trade in Mena, Arkansas. He's a traitor. I guess he's saying that, because Piper is a leftist. Also, he used a shill tactic by questioning Eric by saying you use "Zionist sources." When I look at his book, he admits using pro-Israel sources in "Final Judgment." Piper in the book even gives some praise to Barry Chamish, a supporter of the existence of Israel. Can you say a H-Y-P-O-C-R-I-T-E. He's a hypocrite. Piper also talks about Lobbies. I don't agree with any dual loyalty or corruption in any lobby whether the ACLU, AIPAC, or whatever. The truth though is that many more lobbies exist not just AIPAC or "Zionist" related lobbies. According to the Center for Public Integrity investigation (an article written by M. Asif Ismail), the pharmaceutical and health products industry is Washington's biggest spending lobby. Now, AIPAC is under investigation, so AIPAC's power isn't reaching more heights. Israel was formed by European and American interests, not by Jewish people alone. Also, the headquarters of most Secret societies and big corporations aren't in Israel, but in Europe & America.

He also talked about the Mob. The Mob was invented in the 1800's not by Zionists, but Roman Catholic Silicians. Piper is right that Meyer Lansky is a powerful figure in the Mafia. He's omitted that Luciano and others were powerful figures as well and most Mafia chieftians were Italians not Jewish at all. There are many other Mafia members of different ethnic groups. In fact, David G. Guyatt wrote an article called "The Mafia, The CIA, & The Vatican's Intelligence Apparatus" proving the Vatican connection with the CIA and the Mafia. In fact during WWII, the Vatican

used its Ratlines to send Nazi war criminals into America and other places. Also, the OSS (which evolved into the CIA) created Operation Underworld to fight against the Axis using the Mafia man Luciano.

The Opus Dei, Knights of Columbus, and the Knights of Malta are Secret Orders as well. Rick Sanctorum, Patrick Buchanan are in the SMOM headed by Bertie, a cousin of Queen Elizabeth (head of the Order of the Garter and head of the Order of St. John). Other Elitists groups are Le Cerle, 1001 Club, Pilgrim Society, etc. are very prominent and powerful, but very few people know about them. I assure you that the Pilgrim Society doesn't run the Rothschilds and Piper can't make one link to the 1001 Club, Le Cerle, and the Pilgrim Society to the Rothschilds 100%. So, that ruins his Rothschilds rule the world opinion. I'm not even discussing other occult organizations that have little to nothing to do with Zionism like Skulls and Bones, Bohemian Grove, the OTO, the Rosicrucians, and others. To say that the Vatican/Jesuits have little power is laughable when you look at the facts.

At the death of John Paul II, tons of world leaders were in his funeral. The Catholic Church has over 1.1 billion members, while there are under 20 million Jewish people worldwide. Also, the Catholic Church own and has stock in many corporations not to mention that the Vatican's total wealth is unknown. The Vatican owns tons of priceless artifacts and documents in its headquarters that many people don't have access to. The Vatican is increasing in the Third World, while decreasing in the West, because the West isn't having massive growth in spirituality or population. A lot of people in the West don't care about religion. Also, the Roman Catholic Church is at the forefront of the ecumencial movement. They've invented it from Vatican II. Many preachers like 33rd Degree Freemason Robert Schuller and Billy Graham support the Vatican and ecumencialism. That's a historical fact outlined in Dr. Cathy Burns' book called "Billy Graham and Friends." Piper says that his friend Ted Pike (who believes in the all Askhenazi Jewish people not being real Hebrews lie. The truth is that Askhenazi tribes were in the Rhine valley in the 200's A.D. before the Khazar came into Europe) believes that Jerusalem is Babylon. That is a lie since the book of Revelation says that Babylon has 7 hills and Jerusalem doesn't have 7 main hills at all. Jerusalem is called spiritual "Sodom" in the book of Revelation for its corruption in the reign of the Antichrist. The only city that I know off that was created at 7 main hills (or mountain) is the city of Rome. Mystery Babylon by the early church was always a code name for Rome, because of the persecutions of early Christians by Roman emperors. Also, Israel does have a right to be nation for the reason of a permanent presence in the land for over 2,000 years (Hebrews lived in Israel during the time of the Romans, Byznatinum, early Islamic Empire, the Ottomans, and during the British reign) and the British Mandate supporting a homeland.

Arabic people worked with the Jewish people in Israel, North Africa, and Spain peacefully during the Middle Ages. During that time, many Arabic people developed calligraphy, improved upon mathematics, and other spheres of cultural

development. What more evidence can I prove of not only a permanent Jewish presence, but a peaceful co-existence between Jews and Arab? Well, in 638 A.D., caliph Omar was welcomed by Jewish people. In 1187 A.D., Jews actively participated with Salah-ud-Din Al'Ayyub (Saladin) against the Crusaders in the conquest of Jerusalem. Caliph Salahuddin al-Ayyub (Saladin), knew the Jews and kindly invited them to settle in Jerusalem. Also, the Sephardic Jewish community in Spain and the Arabic community worked together greatly in the Middle Ages as well. 1.1 million Jewish people were murdered by Titus and the Romans, but all of the Hebrews still weren't destroyed. Even the term "Palestine" was created by the Romans to get rid of any Jewish historical reference. It was supported by the bigot Hadrian. Obviously, I don't agree with Islam. <http://www.imninalu.net/myths-pals.htm> is a link proving my views further. I support Israel's right to exist, but I don't support the evil acts of the Mossad (i.e. spying, terror, etc.) neither evil done by the government of Israel. I also don't support no persecution of Arabic people. I also oppose the Muslim persecution of Christians in Sudan, Saudi Arabia, Egypt, Pakistan, Afghanistan, and other locations globally. I realize that most Muslims aren't involved in terrorism, but I do disagree with Islam.

Piper's opinion that the Knights of Malta don't have too much is a lie when you look at the evidence. The Knights of Malta came from the Middle Ages, not from the Zionists at all. The Knights of Malta are the enforcers of Vatican Policy who are under the Pope's authority. Look at history: Knight of Malta (or SMOM) J. Peter Grace was key figure in Operation Paperclip, SMOM Rick Santorum is a well known Pennsylvanian US Senator, and SMOM Alexander Haig, Jr. worked for the Nixon White House and has connections with the COSCO company. Frank C. Carlucci (also a CFR member) heads the Carlyle Group and is a member of the Knights of Malta. THE Carlyle Group have many links with Saudi royal billionaires. The head of Dominos Pizza is Thomas S. Monaghan, who is a Knight of Malta. I just found out that Lord Guthrie is not only a Knight of Malta, but a a director of N.M. Rothschild & Sons today (mentioned in the site of <http://home.planet.nl/~reijd050/index.html>). He supported the Iraq War.

Other Jesuits facts the Michael Collins Piper and WINGTV omits is that Joseph Stalin was Jesuit-trained, as was his friend Catholic Cardinal Agagianian, at the Jesuit Seminary in Tiflis, [Soviet] Georgia. Cuban dictator Fidel Castro was advised by Jesuit priest Armando Llorente. Many Jesuits control a lot of university training some of the most influential people in power like Geoge J. Tenet, Martin Sheen, and others. It's hilarious that Piper criticized Phelps for sources, but Piper's book used sources from biased individuals who harbor hatred for Israel. Also, it doesn't matter if the source is biased. It matters if the source is accurate. I use sources from people that I don't agree, but you have to use if it's accurate. He doesn't even talk about Opus or the power of the Knights of Columbus. The Vatican being not popular in the media is a lame argument by WINGTV and Michael Collins Piper. The truth is that media praises John Paul II in specials on CNN and FOX news. They

praised Benedict XVI being the new Pope. Right now, there is little exposure of the pedophile priest scandal except in certain times. Also, the Vatican is readily powerful in many groups promoting its agenda in the media. I've list many Vatican kingpins in the media as well. Dick Cheney, Jeb Bush, Arnold Schwarzenegger are intimidatly involved in today's world and they are all Roman Catholics.

I do my homework.

To those in Davidlckeforum:

2tuff, I look at your comments from Davidickeforum. I witness one person who calls himself "stormholloway" (who denies the Jesuit link to world events) saying what about the time before 1500. I heard the same comments from a person in Davidickeforum called "TruSouljah." stormholloway, it isn't foolishness. It's just your distortion in citing no historical evidence to rebut us. Also, stormholloway, no one denies that historical events existed before 1500 as well. The truth is that world power isn't necessarily stationary in one location or disposition permanetly. Just because Babylon and Egypt were the ancient world powers, doesn't mean it will stay that way. The truth is that through thousands of years, empires change and shift and it just shift into the Vatican during the early Middle Ages. Frankily, it was the Roman Catholic Knights Templars that were the world's international bankers of Europe. Many of them were murdered and went into Scotland and other locations by the 1300's.

It was the Roman Catholic Knight Hospitallers who are the origin of the modern Knights of Malta and Knights of the St. John of Jerusalem. It was the Roman Catholic stonemasons that lead to the invention of modern Freemasonry in 1717. It was Roman Catholics in Europe who left Roman Catholicism to influence modern Rosicurianism. Even the real Priory de Sion were were originally Catholic monks in 1600 according to Mary Ann Collins (an ex-Catholic). The mythical Priory de Sion is the one protrayed in Dan Brown's "Da Vinci Code" book (the book claimed that Leonardo Da Vinci and Newton were members, which is false. Watch unto Prayer ministries accepts Dan Brown's view the Newton was a Priory de Sion). Plantard admitted that he made up the 20th century Priory de Sion. I've noticed that Dan Brown doesn't talk about the real history of Freemasonry, yet alone the real facts behind the Jesuit invention of the Bavarian Illuminati in 1776 (Bavaria is a stronghold of Jesuit influence and proof is the Jesuit run Ingolstadt University). I wanted to mention this also because I'm fully aware of the comments of some people in the Davidickeforum. Note that this simple response destroyed Piper's views. Piper and WINGTV, I guess it's a new era for me. You have to bring it now. Don't say that biased source crap since all researchers used sources that we don't agree with 100% all of the time. I tear Piper apart in a debate and mention all of these point. Eric is a meek man. I also talk with a deep voice. The lies and half-truths are finally exposed. Forget the Passion of Christ with its porn queen as actresses, with its unscriptural scenes, and with its deception unto many

Christians. Forget all of the fake religious nonsense. I embrace real religion not the book "Christkillers." The logo of Icon Publications has an All Seeing Eye of Horus, which is the pagan sun god of the Egyptian Mysteries. WINGTV man, did you think that me, 2tuff, Alexandra, Daryl Eberhart, moosedog, Mark Brewer, norvousedo, and othe crew were going to play dead. We're not playing dead.

Immediately I emailed Victor in this message:

is the link where Michael Collins Piper's omissions are exposed. This shows mine, Mark Brewer, and Eric's assessment of Collins Piper. Also, I've studied Zionism for a while now, so I'm not ignorant of the subject. The following link is what many anti-Semites don't want you to know. In the future, I will write an even longer analysis of the debate.

By TruthSeeker24 (Timothy)

P.S. If someone looks at my long response in bold, you can see that the Vatican/Jesuits have tons of global influence. I knew WINGTV would make a response like that, so I made a superlong response of my own.

<http://www.wingtv.net/thorn2006/szyszy.html>

is WINGTV's view on Greg. Note the shot at Eric Jon Phelps. I'm not like some in the alternative media, because if WINGTV goes after me, I will refute them badly. I guarantee that. WINGTV support the book "Christkillers" in supports of Poison of the anti-christ film. Mel Gibson created that film with Christ showing his buttocks and having porn queens as actresses. It's very unscriptural and a Jesuit Fulco was involved in the film as well. I tell

you it's a shame they support a fake religious film with a false Christ and demonic imagery.

The following link is what many anti-Semites don't want you to know. In the future, I will write an even longer analysis of the debate.

The first link that came after this statement leads to the Wingtv people, which I followed assuming this is where it is intended for people to go who want to know what it is the anti-Semites don't want you to know. I'd like to know. I'd also like to know exactly what/who the anti-Semites are both in the context of this statement but also within the larger context of conspiracy debate in whole.

I've done what I believe is giving an earnest attempt to explore and get to the root of this particular vocabulary snafu, having endured some wrath in the process, but hey, that's okay, nobody guaranteed me the journey to truth won't include some wrath along the way. Yet nearly every where I turn it seems there is little agreement on what constitutes a Semite in the first place, but there is a lot of confusion and venom lying in wait for those who ask. Some people try to blow this off by saying the word Semite is synonymous with the word Jew, which it may be for all I know, but in the little I do know, I know that there is virtually no consensus and agreement on what constitutes a Jew. Some say Semite (and or Jew) is a matter of blood/race/heritage, others vehemently say not blood, not race, not heritage. Some say religion, others say not religion. Some say it's a title of convenience, others say it's not. Some say one must further divide the word Semite into further identifiable constituent parts, whatever they all may be; Zionists seems to be chief among them. Some say it can be a mix of all these. Would a live, actual and genuine Semite please step to the fore and set this straight? Meantime, it sort of makes sense that there is a corresponding lack of consensus on what an anti-Semite is since so few agree on what a Semite is. It also seems to make sense that the effort to focus so much attention on the contrived use of particular words has produced so much of what was probably a primary intention in this design to start with - mass confusion, hate and bitter disagreement. This all seems as though it could be part of a well-planned boobytrap, we the people being the potential boobs attempting to use the set traps of distilled word concepts engineered for us by our friends at the local establishment Word Smithory. Maybe the words Semite, anti-Semite and Jew should be given a much needed rest for a while. Who knows? With these words removed from circulation, the process of people actually being required to articulate and intelligently form the thoughts they mean to convey before speaking them rather than relying on the mindless utterance of distilled and enflamatory catch words may possibly lead to some actual and genuine communication as a result, and better yet possibly reduce and eliminate a whole lot more erroneous and

enflamatory speak and rebuttal speak in the process that results when people speak words which they don't even understand the proper use of in the first place.... it's conceivable.

It is interesting that aforementioned "link to what they don't want you to know" story immediately yields a quote from Ms Guliani

QUOTE

....Szymanski has engaged in some very questionable practices over the past two years that, quite honestly, members of the mainstream media would have been fired for.

I gotta tell you, folks, maybe it's just me, but I don't get a lot of warmNfuzzy factor out of a supposed alternative media journalists who is so quick to be concerned by what may get somebody fired from the mainstream media. Who gives a flying f!#k what gets some spineless hump fired from the mainstream media? While I enjoy reading other's thought's on how the great debate went, it seems safe to say that each side has portrayed some truth in the matter, the question of how much truth is being revealed by either side seems to be where a lot of the debate rests, Piper revealed himself to be fairly close-minded on the issue, but even Phelps himself agreed that there is some good information being put out by the zionist-mongers like Piper. Yeah, it the final analysis it would be nice to know who the ultimate controllers are, if nothing else Piper and Phelps seem to have identified some players who, whether or not they are the ultimate controllers, are blatant players nonetheless.

Let the wrath ensue :ph43r:

TruthSeeker24 - May 17, 2006 07:28 PM (GMT)

I would say that at least Piper isn't like Daryl unwilling to look at anything. I would say that many anti-Semites don't want to know the evil is done by all people of many cultures not just people who are in Israel. That's my simple point.

Bladestorm - May 18, 2006 02:01 AM (GMT)

Did anyone else listen to Michael Collins Piper's own show after the debate? I almost couldnt get all the way through it. He talks with callers about how he supposily "won" the debate and calls Eric Jon Phelps a Zionist himself. This man is truely ignorant of the facts.

The Italian mafia will just kill you and take what they want. The Jewish mafia will guilt you with thier excellent book keeping skills. Maybe the pen is mightier than the sword. who knows? I'm wondering how come I've never seen a movie where the Jewish Empire is

holding the Romans as slaves. The Romans even made their own calender that we still use today.

I'm gunna listen to that link Blade, thanks. Phelps is laid back, he isn't going to lower himself and act like that guy Piper. He's not going to talk over people and get in a shouting match. I guess since Piper said numerous times that Eric's points are "illogical" or "falls on its illogical face" or just "wrong wrong wrong" and never explains why anything he says is wrong then it must be true. Even if we pretend with Piper that Zionists control the vatican and jesuits... How do they do it? When did this take place?

Phelps can name every person in government and tell us thier connection whether they are Jew, or SMOM, or high level mason. Phelps is the only guy that even names names. You never hear any talk show host mention any names. That's how you investigate crimes... identify the person, track thier money/investiments, identify his fellow conspirators. And everyone is always SMOM or some other Jesuit College trained flunky.

This WingTV article is pretty funny, at least it's not one sided.

Mark Brewer - May 18, 2006 03:22 AM (GMT)

Folks like Piper never say exactly what is wrong with being a Zionist anyway. I guess they expect people to associate Zionism with evil conspiracies. I actually have no problem with Zionism, but the people who run the Israeli government are just as corrupt as other government officials.

MooseDog - May 18, 2006 05:51 AM (GMT)

That Michael Piper's show is silly, it is painfull to listen too. He says everything Phelps says about JFK is totally wrong and his example: he says Phelps wants us to believe the vatican is pro-abortion. Doesn't everyone believe Bush is anti-abortion? but then he increases planned parenthood funding, all the state judges he appointed as texas governor were pro-abortion. Ummm hello michael and lisa. Everyday politicians say one thing do the exact opposite. Maybe they haven't been paying attention. The Pope is just a politican who wears funnier looking clothes and goofy hats. The mobster will hug his best friend and tell him he loves him and then blow his head off the next second. Maybe Michael and lisa have never seen Mob movie. Anyway Piper and wingnutTV seems to really want to just say Phelps is wrong and illogical and push thier opinions, i'm sure phelps could care less what any of them think or what any of us think.

Maybe Phelps is a Zionist he does have that diamond and gem business where he imports from tel aviv. :D

Mark Brewer - May 18, 2006 06:34 AM (GMT)

I was not that impressed with the debate either. It revolved too much around the JFK assassination and there are many other conspiracies the Vatican has been proven to be involved in that are much more significant.

TruthSeeker24 - May 19, 2006 06:20 PM (GMT)

After seeing WINGTV's article on:

<http://www.wingtv.net/thorn2006/911israel.html>

I decided to send another powerful email to WINGTV to return the favor:

I don't agree with the ADL and the AIPAC lobby myself, but I still haven't seen any evidence that Israel headed the 9/11 attacks. I've exposed the ADL and secular Zionists for years. In truth, Israel did have a secondary role in 911. On the other hand, you've forgotten the following information:

It was the US that allowed NORAD to stand down
It was the US that recieved warnings about terrorist attacks.
It was the US that funded the Taliban and Al-Qaeda.
It was the US that funded the Bin Laden family.

It was the US that invented the PNAC document.

It was the US that allowed FEMA to have camp in NYC before 911

It was the US that made the CIA have a drill on the morning on 9/11.

It was the US allowed many of the "hijackers" to be trained in military bases.

It was the US that handled security for the WTC Towers, Dulles, and United.

It was the US that allowed ca. 8000 Al-Qaeda members out of Afghanistan and sent them into Pakistan.

It was the US that allowed the Buildings to collapse.

It is the US that's using its forces fighting in Afghanistan and Iraq.

It was the US that created the Twin Towers.

It was the US that shot Flight 93 according eyewitnesses, debris, and other evidence.

It was the US that created the wargames.

IT was the US that passed the Patriot Act and Homeland Security.

In the final analysis, it was US intelligence and other arms that spearheaded 9/11, not Israel (who had probably a lower role). Israel probably had a role in planning and executing 911, but I see it solely in a lower role. They didn't spherehead it. Also, most people in the 911 Movement are not sponsored by the Israeli lobby or any lobby. We in the 911 Truth Movement aren't going into anti-Semitism. We support freedom for both Palestinians and Israelis. We oppose any evil done by Israel or Palestinians. That's fair. To blame collectively Israel for 911 is like collectively blaming all Americans for 911. It just isn't right. Many people in Israel are good people and patriotic. The government in Israel is corrupt, but not all people in it. Israeli people aren't benefiting from 9/11. Israeli people are being condemned. Jewish folks in Europe have been persecuted. Only the elite in America and Israel are benefiting after 911 by the huge profits they're receiving. We all agree that the Arabic people aren't benefiting after 911 and the Arabic people never committed all of 911. That's impossible.

Until the day I die, I will expose Israel's mistakes, but I won't damn all people in Israel as evil. Neither will I cover up the Muslim persecutions of Christians, the Muslim radical/Nazi connection, etc. that you guys aren't discussing. I don't believe you guys are shills, but you've been brainwashed by borderline anti-Semitism. Europe and America committed more land theft and sin than Israel has ever done. Now, you know I wrote a long expose destroying many of Michael Collins Piper's omissions and arguments. Piper ignores many Knights of Malta controlling corporations and other arms. He also ignores Vatican-religious orientated media kingpins like Rupert Murdoch, Ciseneros, and Warren Buffet. I'm not like some people in the alternative media. If you dare try to slander my character, then I will go all over the Internet showing the truth about you. I can't wait until Eric's book comes out. Not only is he showing hundreds of sources, but it's over 1,000 pages refuting the "expose only Zionism" mantra. Yes, many Masonic Jewish Zionists are evil, but that isn't the extent from what we need to expose. We need to expose all forms of evil whether Muslim radicals killing blacks in Sudan and the Chinese doing forced abortions and population control.

Agreed. To avoid the mass of historical facts against the Jesuits amassed by both of us---and many others---is to be either ignorant or dishonest. Mr. Piper is not ignorant of the power of the Vatican and is quite familiar with the Jesuit Order's Vatican house organ, La Civiltà Cattolica. Although he conducted himself as a gentleman, I am more convinced than ever that he is a Jesuit Temporal Coadjutor.

Sincerely in faith,

Brother Eric

CRAIG-OXLEY - May 19, 2006 11:19 PM (GMT)

Thank you for contacting me.

Mr. Piper is a gentleman as is the host Mr. Szymanski. Mr. Smith lacks that quality evidenced by his past ad hominem attacks against me; although, I would debate him pursuant to the same identical ground rules to which Mr. Piper and myself agreed. A debate must always be for the benefit of the listening audience. Thus the opponents must address the claims of one another and refrain from sweeping frontal attacks which are unproductive leading to emotional responses depriving the audience of hitherto unknown facts necessary to reach reasonable conclusions.

Sincerely in Faith,

Brother Eric

Rebuttal: Piper-Phelps Debate

by Vyzygoth

With all the falderal that surrounded the Michael Collins Piper - Eric Jon Phelps debate, which you, Victor, proclaimed a “unanimous decision” in favor of the former, I felt the need to pass along some final comments regarding the thesis of Phelps’ work.

I am not coming to his defense. He didn’t and wouldn’t ask me to do such. He’s a big boy and has acquitted himself well in the rough-and-tumble of talk-show discussions, call-ins, and the like.

What I think might have gotten lost in the winner-take-all atmosphere you engendered in your critique of the debate is an understanding that the accusations leveled at the Vatican and Jesuits are well-founded. I believe people should be aware that there are an abundance of books, newspaper accounts, and personal correspondences from across the centuries that indict the Vatican and the Jesuit Order for desiring world rule—a second Holy Roman Empire, if you will.

This is not conjecture. This is not theory. This is history. And it’s there for all to read. Phelps and Charles T. Wilcox have done, what I consider, the best work on the Vatican-Jesuit nexus.

They, in turn, have based their work on the forms of information mentioned above. That information should be accessed—as I have done—to determine the veracity of Phelps’ and Wilcox’s works.

Years ago, when I looked into this, I did so not believing that what Phelps was maintaining was, in fact, true. But I had to find out. And I found that the Vatican and the Jesuits run the show.

Christians are forewarned in the New Testament that the enemy would eventually be found inside the gate, that Satan would come not as a hideous monster but as one of their own.

Therefore, what better disguise to wear than one of religiosity?

The Vatican is the smiley face; the Jesuits are the enforcers.

Undoubtedly, during the twentieth century, many global and quasi-political organizations have emerged. All have a job to do. But this entire New World Order network is not a horizontal structure.

The Zionist movement—measured against the Vatican/Jesuit existence—is modern. The relationship between the Rothschilds—perhaps the preeminent Zionists—and the Vatican is well-documented.

When I read accounts from the nineteenth century—especially mid-century—our political leaders are warned to be wary of Vatican not Zionist provocateuring.

At the Secret Treaty of Verona in 1822, several monarchies—the Holy Alliance—pledged themselves to destroy the concept of popular government that had taken root in the United States. It was called the Holy Alliance because the monarchies were pledged to do the bidding of the Vatican, not the Zionists.

When John Surratt fled the U.S. because of his role in the Lincoln assassination, he found safe haven in the Vatican Guard. The U.S. threatened the Vatican with a cessation of

diplomatic relations unless Surratt was returned.

When Cecil Rhodes was preparing his Round Table to pursue his dream of global rule, he wished to create an organization that mirrored the Jesuits. The oath the initiates would take was to be based on the Jesuit oath. Nothing there about Zionism.

How many times have we seen our heads of state with the pope in the Vatican? How many times in the City of London?

Certainly Zionism is a palpable force in the United States, but it has become a much bigger concern in the last half of the twentieth century, with a dramatic intensification under the current administration.

I don't deny that Zionism has had and is having an impact in the United States. I do wonder sometimes if resentment toward Zionism is pouring over to encompass all Jewry, all those who live in Israel? Is this fervor fueling what might turn out to be a pogrom?

In his analysis, Victor criticized Phelps for too often throwing together "dates, countries, names. . . ."

I would think that sort of information is referential and necessary.

Victor said the information was "never qualified by substantive (or significant) facts."

To make that pronouncement, I think it would've been better if he had first checked out Phelps's Vatican Assassins and Wilcox's Transformation of the Republic and any/all of the works both authors list in their bibliographies.

With regard to the contradictions that exist between what the Vatican states publicly and does privately through the Jesuits, does Victor think it a stretch—since he clearly understands the NWO's modus operandi—that duplicity, false fronts, and the Hegelian Dialectic are also in play with the Vatican?

Both Zionists and the Vatican ultimately wish to rule the world from Jerusalem. The Vatican is quite content to let the world's ire draw down upon the Zionists, while it goes about its dirty business undetected.

The role of Zionism in the Grand Scheme cannot be denied, but to underestimate the power of the Vatican-Jesuit nexus is a huge mistake.

has the total Jewish population under 20 million, which is a couple million people off. It's lower than I thought.

My Thoughts on the Piper-Phelps Debate

By Born

While at first the debate between Michael Collins Piper and Eric Jon Phelps seems one-sided there was one thing I observed that seemed odd to me. Or maybe it wasn't so odd. Piper put all his attention on the JFK assassination and not the history of the Jesuit Order. His thinking was overly simplistic like that of an "irrational rationalist" as Robert Anton Wilson would say. What was his thinking? Mainly that since Phelps is wrong or incorrect on some of his information concerning the JFK assassination that he must be wrong on all his information. Everyone should know very well that that is not always the case. Many people do not agree with David Icke's information on the whole "Reptilian/Annunaki" angle, but they do agree with most of his other work involving the New World Order. If David is wrong about the "Reptilian/Annunaki" angle is he wrong about everything? If Alex Jones or any other researcher is wrong about something does that make him or her wrong about everything? What is amazing is the Eric did not point this out. It must be noted that Eric was honest enough to say that he found Michael's work helpful and corrected some of the mistakes in his own book afterwards.

That led me to my next point. While Eric was very kind to Michael. He was also unusually less aggressive in this case (from what I know Eric is no pacifist when it comes to talking about the Jesuits) than he usually is. Michael on the other hand attacked Eric's theories calling them "ridiculous" and using other very demeaning words rather than pointing out what was wrong with what Eric said or believed or wrote in his book, *Vatican Assassins*.

Michael also made claims that Eric's sources were Zionist agents. He cited John Loftus as a Zionist. Fine, but does that mean Mr. Loftus has any power in the Zionist control pyramid. No it doesn't. People are allowed to have their political opinions. If I remember correctly Barry Chamish is also a Zionist. That does not make him one of the global elite Zionists who are ruling the world right this very instant. He also stated that Eustace Mullins is a great anti-Zionist. If you look into Mullins career he wrote an article entitled "Adolf Hitler: An Appreciation." This leads me to SERIOUSLY consider the possibility that Mullins is in fact a rabid anti-Semite. But I digress. Michael also stated that Malachi Martin, a priest who revealed a great deal about the Vatican's corruption as well as the satanic forces within, was a Zionist agent. He states his source for this as being "Google." Of course, if you actually do a Google search on the words Malachi Martin and Zionist (if you want to do this yourself I suggest you put a "-" in between Malachi and Martin) you will find that two of the sources that claim this are Michael Hoffman and a CATHOLIC website. Michael Hoffman is a Holocaust revisionist/denier from what I understand. And let's not even get into the other source I mentioned (not that Catholics are all bad people, but that website is obviously biased).

CRAIG-OXLEY - June 15, 2006 02:32 AM (GMT)

Dear Eric,

I listened to your debate with Michael Collins Piper, and had a few questions pertaining to

it. If you have time to answer them they are as follows:

1. Michael brought up a good point concerning Clay Shaw. You have said that he is a Knights of Malta. Where did you get that information from?

I received it from a private source. As you know, there is no listing of any Knights of Malta who were intimately involved with the assassination. The known Knights were all operating at a distance protected by the findings of the Warren Commission. William F. Buckley, Henry Luce, J. Peter Grace, Frank Shakespeare, Lee Iacocca, Martin F. Shea and others were involved but at a safe distance giving orders and not directly involved.

Therefore I had to decide if Clay Shaw fit the mold. To begin with, the Knights of Malta have always ruled the Central Intelligence Agency, first known as the Office for Strategic Services. As you know the first head of the OSS/CIA was Knight of Malta William Donovan. Therefore the Archbishop of New York controlled the American Branch of SMOM and thus the CIA. At the time of the JFK assassination there were several SMOMs in the CIA including William Casey, James Angleton, Herman Kimsey, John McCone and the ex-Director, Allen Dulles---according to one of my advisors who was AF Intelligence for several years. Therefore, Shaw qualifies for being a Knight since he was a confirmed contract agent for the CIA---later admitted by DCI Richard Helms.

Secondly, Knights are usually extremely wealthy cartel capitalists. Knight Elmer Bobst was the head of Warner Lambert pharmaceuticals and willed much of his estate to the Diocese of New York upon his death. Bobst was also a high financier of the Republican party and was the real power behind the election of Richard M. Nixon. The same holds true for J. Peter Grace: he was a man of extreme wealth, a shipping tycoon for the western hemisphere, and also a contract agent for the CIA as was William F. Buckley, Jr. Again, Shaw fits the bill. He is probably the wealthiest man in New Orleans running the Trade Mart. He is a public man and a banker who rebuilt the French Quarter. His company was the pipeline for trade with Latin America and he was involved with United Fruit as was Dulles and Grace. I would love to know through which bank he conducted the business of the New Orleans Trade Mart and his relationship to Loyola University in New Orleans.

Thirdly, Shaw was a public figure and well known in the New Orleans business community. Knights can be public figures, men such as the former Nazi and music conductor Lawrence Welk; the commissioner of Baseball Bowie Kuhn; Rite Aid owner Louis Lehrman; Hollywood director Frank Capra; Hollywood entertainers Danny Thomas and Frank Sinatra, and America's first Black Knight of Malta, Sammy Davis, Jr.,---according to the most prominent Black SMOM in Africa. So, on this third point, Clay Shaw fits the bill.

Fourthly, and most importantly, Shaw was in intimate contact with European

nobility, nearly all of which are Dames and Knights of Malta. According to an article you can download off the internet, Shaw as a director of Rome's Centro Mondiale Commerciale ("World Trade Center") was an Agency (CIA) man in Rome seeking to bring back fascism to Italy. (The Knights are always openly backing losing fascism, although they also secretly back winning communism.) The CMC had originally been formed in Jesuit-ruled Montreal, Quebec, but then moved to Rome in 1961 later opening an additional office in Switzerland. Claw Shaw was on the Board of Directors as stated. Who were other directors of note? According to two sources, Prince Gutierrez de Spadafora, Italian industrialist, cartel capitalist and large landowner whose daughter-in-law was related to Hitler's banker, Hjalmar Schacht, acquitted at Nuremberg along with German Nazi Knight of Malta Franz von Papen. Spadafora was a member of the House of Savoy whence came Umberto, the last of Italy's kings. This royal, who had been Mussolini's secretary of agriculture was most assuredly a SMOM and personal friend of Shaw. Shaw as also a director of Permindex---a fascist assassinations group subject to CMC. And one of the purposes of CMC was that "Rome will recover once again her position as center of the civilized world." This is purely a goal of the Jesuits ruling their Knights of Malta via the Pope.

Fifthly, Knights can be admitted as secret members, mob bosses and others. I really believe Vito Genovese was an Italian Knight of Malta through his association with Mussolini's connection with the Knights at the Vatican. It is reported that some pay up to 200,000 dollars to join the Knights and remain secret members, never to be named on any known membership list. Martin Bormann is another prime candidate and fits the bill when examining his post WWII status and functioning in Buenos Aires protected by Knight of Malta Juan Peron. Here, Shaw fits the bill also. He could have been secretly inducted never to be listed on any membership roster---which seems to fit the situation at hand.

So, if the shoe fits, wear it. I shall maintain that Shaw was a SMOM based upon a tip and background study. And if Piper claims that the SMOM is merely another Rotary Club, then why make an issue of it? Stephen Birmingham in his Real Lace: America's Irish Rich, that the SMOM is the most exclusive club in the world! Piper knows the power of SMOM but did not push the issue too far so as to be able to make the comment as to its insignificance. Clever!

I am in no way trying to be disrespectful and I'm definately not trying to sound smart with you, but I was curious. I agree with your work and just wanted to ask this question. I myself also noticed on another situation like this that you seem to say that Walt Disney was a 33rd Degree Freemason if I am correct? From what I know Disney was not a Freemason, but rather a DeMolay. Am I correct to think that?

He was both DeMolay and a 33rd Degree Freemason. There are many sources for this including Cathy O'Brien in her Trance: Formation of America. Disney was a pedophile as are many masons of that degree.

2. Michael said that Eustace Mullins is a great anti-Zionist, but according to some websites I visited Mullins wrote an article entitled "Adolf Hitler: An Appreciation." Do you believe Mullins is an anti-Semite (whether he is a Temporal Coadjutor is a completely different story)?

Mullins stresses the Jewish connections to the Fed, but never clarifies the Gentile control of the Fed. He like many others claim that Warburg was the great mover of the Fed when that was not at all the fact. Thus, it appears that Mullins is dishonest for not fingering the White Gentiles of real financial power involved with the Fed--- Gentiles like J. P. Morgan who hated Jacob Schiff and Freemason John Davison who was Morgan's agent at Jekyll Island. Mullins never states that the Rothschilds are merely the keepers of the Vatican treasury but portrays them as the superpower ruling the world via the Illuminati. That is typical Jesuit rhetoric and Mullins knows better for he read my book and endorsed it personally when I met him at the Con Con in 2002. So in so far as Mullins does not attack the real power behind the Labor Zionists, he is indeed a promoter, though it may be indirectly, of anti-Jewish fury.

3. You mentioned John Loftus in the debate. I am sure you do not necessarily agree with everything John Loftus believes as Loftus feels that everything is "90% stupidity and 10% conspiracy" as he has stated before?

Loftus is an Irish Roman Catholic educated by Jesuits at Boston College. I am convinced by his defense of the Pope's Masonic Jewish Labor Zionists ruling Israel that he is a Jesuit Temporal Coadjutor. His explanation of JFK's relationship with Israel prior to the assassination was a complete lie that I repeated in VA, on which error Piper rightly corrected me. But Loftus was right about the CIA training the Mossad in 1951. That will remain in VAIII. This point is key, for if the CIA received SS Nazis through Spellman's Vatican Ratline, and the CIA trained the Mossad, then the Pope's Masonic Jewish Labor Zionists are as wicked as the Pope's SS protected by the Vatican after the war and throughout the Cold War. The SMOM Gehlen Org trained the Mossad---it makes me sick! And Loftus defends this.

Lastly, another and anti-communist/CIA operative was Russian born noble George DeMorenschildt. I am also convinced that he was another Knight of Malta by virtue of his associations with nobles in Rome including the Order's SMOM Chigi family and with SMOM's William F. Buckley and George H. W. Bush who entertained the Grand Master of SMOM at the White House in 1991. I have no name on a formal list, but I will name him as a Knight. Maybe this will provoke some Knight to share his secret lists with me since none of the Knights are safe from the assassination teams controlled by the Jesuit General in Rome.

I trust this helps.

Sincerely in Faith,

Brother Eric

RBN Radio Live By Greg Szymanski Debate Between Eric Jon Phelps And Michael Collins Piper

By Bobby G. Limeta

Dear Brethrens :

I've listened in the debate between Eric Jon Phelps and Michael Collins Piper RBN Radio Live hosted by Greg Szymanski. Who are the culprits behind New World Order, is it the Zionist Jew or the Jesuits. This is my judgement.

I'm a Filipino and I'm not an American, but I'm deeply concern that the last barrier of freedom the world now enjoys is the United States. The last obstacle for the total implementation of NWO is the United States Constitution And Bill Of Righst. The most unique constitution and bill of rights ever emerged in this world, 99% of U.S. Constitution & Bill Of Righst are derived from the Bible and that's true.

I'm a Filipino and Mike Collins Piper is an American, yet 16 years ago based on my reasearch and thorough study the Jesuits are the real enemy of America and not the Zionist Jew. I smiled the way Mike speaks and his statements are purely narration and his own points of view lacks historical background (name of persons, date, place and events). Time will come I'll challenge him in a debate and I will speaks of historical facts and not my own personal narration.

I will now going to shock Mike Collins Piper for what I knew about the Jesuits.

I have a picture of Adolf Hitler taken 1997 at the age of 107 or 108 in Santiago, Chile. Hitler has parkinson's disease. And his favorite pastime is painting "Pastel" and always murmuring to himself and sometimes he's even scolding himself for what he had done to the millions of people killed during WWII. His wife Eva Braun just died on 1972. I and Ernesto Pinero Suarez (Chilean knew this matter long time ago). And I'm keeping this picture in a safe location only me who knew where to find it. The couple escaped via Vatican Ratlines and the couple carry some golds.

The Jesuits owned first class schools and unversities in the Philippines and teaching Liberation Theology under curriculum 141 Immersion Program, the Zionist Jew are not

teaching it.

The Jesuit's Opus Dei and Vatican are the culprits in the looting of our Philippine Gold (a gold different from Yamashita's looted Asia's Gold). The culprits OSS/CIA Agent Col. Severino Santa Romana a.k.a. Reverend Father Jose Antonio Diaz (Jesuit's Opus Dei) and Vatican's cohorts Ferdinand E. Marcos. The Zionist Jews did not.

President Gloria Macapagal Arroyo studied in Edmund A. Walsh School Of Foreign Service (Jesuit's Georgetown University) and his religious adviser is Fr. Romeo "Archie" Intengan, S.J. And sometimes they have secret meeting at Jesuit's house in Quezon City. The Zionist Jews are not.

GMA's national security adviser "Norberto Gonzales" is my pin-pointed Jesuit Temporal Co-Adjutor. He's a close friend of Fr. Archie. The Zionist Jew are not.

Our national hero Dr. Jose Rizal's confessors are Jesuits before he was executed by firing squad. Zionist Jews are not with Rizal.

And many more, but not Zionist Jew. It means, the Jesuits are everywhere and the Zionist Jews are not everywhere.

I DISCOVERED THAT FR. EDMUND A. WALSH, S. J. WAS A MEMBER OF THE COUNCIL ON FOREIGN RELATION. I WAS SHOCKED !

When you analyze the geographic locations of Vatican in Rome it is within seven mountains, exactly the book of Revelations said. Jerusalem is not ! And that the anti-christ criteria is a preacher of a religious order and not the Zionist Jew. I can be a Christian even I'm a Filipino, just as my good friend Greg Szymanski can be a Christian even he's an American "SAVE GENTILES". But we can't be a Jew, for we are not have bloodlines from generations to generations of Abraham, Isaac and Jacob. A apple tree will not produce a cherry fruit.

All will received a mark of the best on their right-hand and in the forehead.

HAVE YOU SEEN A CATHOLIC MAKING A SIGN OF THE CROSS USING HIS/HER LEFT HAND, NO! ONLY RIGHT HAND INTO THE FOREHEAD MAKING SIGN OF THE CROSS EVEN THAT PERSON IS LEFT-HANDED.

HAVE YOU SEEN A ZIONIST JEWS MAKING A SIGN OF THE CROSS ? THEY ARE NOT CATHOLICS.

Why are there Jesuit priests defectors like Alberto Rivera and others, but i haven't heard a Zionist Jew defectors. Why is the head of the grand tip of masonry is the Jesuit's Black

Pope and not a superior Zionist person as a leader. For every group or organization there shall be a leader to have direction and perform leadership function. If there's no it will only scatter. Is there a Zionist Jew leader to cover all Zionist Jew affairs throughout the world if any ?

Why there are Popes murdered by the Jesuits and not the Zionist Jew. What will the Zionist Jews will do inside the Vatican which is not their perimeter fence? David Yallop did not pointed his accusations against the Zionist Jews but he point his fingers Cardinal Jean Villot (P2 Lodge member).

Adam Weishauf, they say he's a Jew and he's a Jesuit. How come he's a Jew for the Jesuits will not allow any Jews to be a Jesuits. It's against Jesuit's rules and it is a slap on the Jesuits face to have a Jew being a Jesuits.

Lastly, I challenge Michael Collins Piper : Better read the EXTREME OATH OF THE JESUITS AND SECRETA MONITA. Why the Jesuits will do such kind of oath for worldwide domination? Again, WHY ?

Bro. Eric is there EXTREME OATH OF THE ZIONIST JEW and SECRETA MONITA OF THE ZIONIST JEW ? AN OATH OR SECRET INSTRUCTIONS SO DIABOLIC FOR WORLDWIDIE DOMINATION JUST LIKE THE JESUITS".

I immediately felt during the time I'm listening on the radio debate, Mike is spreading a very confusing information a diversionary tactics to keep the issues away from the Jesuits. He speaks of shallow information it doesn't pierce my heart and my minds. He forgot, that this world is now in deep spiritual battle (principalities and low ranking of demons and their master Lucifer). Jesus Christ speaks of deep meaning, spiritual meaning.

I've discovered the diabolic works of the Jesuits since 1990 and I only knew Eric Jon Phelps since 2004. Yet, we share a common ground against the Jesuits. The more the Americans will be confused about Jesuits & Zionist Jews issues, the better for the Jesuits. As they smile to the Americans for they have already eaten up the foundation of America "United States Consitutions & Bill Of Rights".

Lastly, Bro. Greg please, analyze the conversation between Charles Chiniquy and President Abraham Lincoln. Charles Chiniquy warns President Abraham Lincoln that Jesuits will kill him. Charles Chiniquy did not mentioned "Mr. President the Zionist Jew will kill you". Because, Chiniquy knows exactly who are the Jesuits and Alberto Rivera also knows exactly who the Jesuits are when they are still alive. For Alberto is a Jesuits. Actually, I'm now waiting for anybody that will announce into the world, hey people of the world I'm a Zionist Jew and I broke away from the system.

Even our national hero Dr. Jose Rizal the greatest of all Malayan Race, knows the Jesuits well and he did not mentioned ZIONIST JEWS. Now, I never wonder why, if there are Filipino traitors working for the Jesuits-Vatican like Fr. Diaz and Marcos, there's also American traitors like Ronald Reagan who recognized the sovereign state of Vatican. I'm angry to Ronald Reagan, the Jesuits murdered my favorite American President Abraham Lincoln and my favorite hero Dr. Jose Rizal. But they are not murdered by Zionist Jews.

For me, when somebody speaks he/she is a Jew, he/she is a fake. But if he/she speaks I'm a Hebrew generation-children of Jacob, then I'll believe. By the way, who started coined word Zionist-Jew all I knew is Israelites, hebrew or Children of Jacob.

smashstuff - June 15, 2006 09:59 AM (GMT)

I just listened to this debate the other day, and putting aside who is really in control, I found Piper to be just plain rude and arrogant towards Phelps. Also, I think he was playing dumb or is ignorant on a number of issues, such as 'if the Catholic church is against abortion, why is it still legal in America if the Jesuits are in charge?' My God, what a moron! Does he really think that the Catholic Church is going to outwardly support the war in Iraq and abortion, while maintaining a Christian facade? Do the Zionists out and out say we want control of the world? No.

As Born pointed out, Piper concentrated on J.F.K., because this is what he knows, so this in itself is an admission of ignorance of the history of the Jesuit order. Piper used Eric's supposed errors in his investigation into the assassination to dismiss everything else in Eric's book.

And what was that crap about the Zionists taking over the Vatican during Vatican II? So, the Vatican was a great and peaceful place until the 1960s?

TruthSeeker24 - June 15, 2006 02:01 PM (GMT)

I have to be honest with you. I thought I've seen it all, but Eric makes a whole lot of sense here. It all fits perfectly like a puzzle. My knowledge about this conspiracy is definitely improving. Piper is a great ommitter. To say that the Jesuits are nothing when you look at history from the Bavarian Illuminati, Abraham Lincoln's assassination, WWII, and the War on Terror is pretty silly. One of the biggest lies by Piper is how Vatican II was infiltrated by Zionists in 1962. IN truth the Jesuits and many Freemasons (whom the Jesuits created some of their rites. Even my little brother realizes this) created Vatican II. All of the Council of Trent decrees (which bashed Protestant, Baptist, and Torah Judaism beliefs) are still maintained in them. Rome heads the ecumencial movement, which began from Vatican II. In fact, the ecumencial isn't even about Zionism totally, but New Age acceptance of all religions into one format or framework. Many Jesuits like Jesuit Pierre Chardin was apart of that New Age agenda. That's why you see John Paul II kissing the

Koran or praising a Shiva priest. That's why you see Pope Benedict quoted as wanting a new world order. Piper uses conjecture in citing random information and obsessing with the Rothschilds and the JFK assassination. He kind of forgotten how many high level Freemasons and the Pope's Knights of Malta were involved with his death and cover up (like Cartha DeLoach, Henry Luce, Earl Warren, and others). In Gaylon Ross' book about Lincoln, JFK, MLK, and RFK, he cited that Clint Murchison (whom LBJ's mistress claimed that he had a meeting with many of the co-conspirators in his death) was another Freemason. Plus, Ross wrote that R. L. Thorton was another Freemason. Gaylon Ross in his book neglected to discuss the Jesuit link to Abraham Lincoln's death and how John Surrat was a Vatican/Jesuit agent who escaped into Rome into the Vatican's ZOUvare army for safety (as proven by the new book authored by C. T. Wilcox).

As for the abortion, ex-Catholic Mary Ann Collins proved that the Jesuits in Georgetown do indeed support abortion and enthanasia. Some of your biggest Jesuit trained folks support abortion (even partial birth abortion, which most Americans don't support) like Bill Clinton. The Vatican always fronts a Christian facade, but in reality they are just as Babylonian in their doctrines as the Wiccans across the globe. Also, Jesuit trained folks from the Walsh School are leading military men executing the Iraq War like George Pace and others. Brother Nicholas Rivera put that into our attention along with the influence of the Jesuit Quinn. Eric, me, 2tuff, and others refuted this man before. Eric kept his cool in the debate. I don't know if I would of kept my cool since I would told him on what's happening in a bold manner. People like us cite sources, news articles, books, science, and other evidence all day. People like Piper have an almost sick fixation on blaming a nation in the Middle East for most of our global problems when that isn't the case at all. Piper losed the debate to Eric Jon Phelps. Michael Collins Piper certainly can't kill me in a debate.

Title: Lehman's Work: Behind the Dictators

CRAIG-OXLEY - June 15, 2006 02:38 AM (GMT)

Hello Brother,

Hope that all is well with you. I finally found a copy of Lehman's book and bought it. I am up to page 68 and have a couple of questions:

1) Lehman makes no connection between Freemasons and Jesuitism. In fact he exhonerates freemasonry as being anti-catholic (as in it's fascist controlling nature) and goes back to the 18 - 19th century speaking of freemasonry's fervor to fight against catholicism as freemasonry does NOT dictate one's personal religious beliefs. Could you comment on that?

This is often the mistake of converted priests who have been taught that Freemasonry is their mortal enemy. Charles Chiniquy made the same mistake, even becoming a Freemason after he was saved, left the Roman Catholic Institution and wrote his masterpiece Fifty Years in the Church of Rome (1886). Bible-believing Ex-Romanist Burke McCarty makes the same mistake in her masterpiece, The Suppressed Truth About the Assassination of Abraham Lincoln, (1924) going so far as to praise the masonic "Know Nothings." Remember, the open policy of Rome was to be against Freemasonry evidenced by several Bulls promuglated for that deceptive purpose, the most powerful being issued by Pope Leo XIII. Many Masonic Presidents and Kings were assassinated by the Order for resisting the policies of the Jesuits, including King Victor Emmanuel II of Italy and Presidents Garfield and McKinley. We must also not forget that the second great Masonic Schism was in the late 19th century when the Order lost control of certain factions of Freemasonry including Masonic King Victor Emmanuel II who took the temporal power away from Pope Pius IX and expelled the Jesuits from Rome from 1872 to 1893. Kaiser Wilhelm II enabled the Order to return! The King was later poisoned.

But the secret policy of Rome was the creation and sustaining of the Masonic Order controlling it at the top via the Palladium rite and using it indirectly for its purposes even as Masonic President Andrew Johnson lifted the bounty on Lincoln's Jesuit assassin John Surratt enabling Surratt to further escape American justice. Further, Pope Leo XIII's Cardinal Secretary of State (the Vatican's second in command) was a high level member of the Craft, the Order of Oriental Templars (OTO) in particular, according to Roman Catholic author Craig Heimbichner's Blood on the Altar (2005). Lehmann confuses the open lying policy with the secret truthful policy of the Vatican and for this reason nobody ever made the connection between Masonry and the Jesuits controlling the French Revolution except the brilliant Jew, Emanuel Josephson in his The "Federal" Reserve & Rockefellers (1967).

2) Lehman makes a remarkable case for the fact that Romanism's GOAL during WW2 was to see Hitler win the war and begin the first stages of bringing Europe back under the power of the Pope.

Again, Lehmann fell for the Order's open policy of supporting Hitler, Mussolini and Franco, leading to the apparent conclusion that Rome wanted the Axis powers to win. He also fell for the delusion that Rome did not control the US, Britain or the USSR. He knew that Europe would ultimately be united under the Pope as per the Scriptures, but his timing was premature. The Jews of Europe had to be destroyed or driven out of Europe and the REformation in Germany had to be finally annihilated via Allied bombing and 60 years of occupation armies---especially in historic Protestant East Germany, the seat of the Reformation.

In addition, he adds that the Catholic Church did NOT want the USA to come into the war because if they did, Hitler would be defeated and the Jesuits would once again have to come up with a plan to dissolve the independent states of Europe. Could you comment on that when you have time?

The Jesuits were OPENLY against the US coming into WWII. This is evident in the speeches of Jesuit Spiritual Coadjutor Fr. Charles Coughlin and Jesuit Coadjutor Charles Lindbergh and his "America First" organization. SMOM Joseph P. Kennedy was also against going to war with Hitler, which again was the Order's open policy. The Jesuit General's secret policy was most assuredly to enter the war against Japan and Germany effected by the staged attack on Pearl Harbor---planned months before the actual attack by FDR's Office of Naval Intelligence working in conjunction with the Japanese Military High Command. Bombs were placed in the USS Arizona to make sure the attack was a success!

The same holds true for today. Pope John Paul II was openly against the US going to war with Iraq. Secretly, he caused 911 and completely backs that war as

his puppets on both sides conduct the crusade as per the directives of the Jesuit Provincials.

I know that you are busy, so if it takes you a few weeks to get back to me, that is fine.

With much love,
Rob

I trust this helps.

Sincerely in Faith,

Brother Eric

Title: 2tuffs reply to Anunnaki disinformationist.

Description: *2 corrections added thanks to Mr Phelps*

CRAIG-OXLEY - June 11, 2006 04:06 PM (GMT)

[Read their Revised Anunnaki Protocols article](#)

Aliens have been responsible for the scorn and ridicule that arises when people discuss UFOs, alien experiences or conspiracy theories about world domination. This is by alien design. Many know that something is very wrong and believe that there is a conspiracy to enslave the population, but few suspect or dare to discuss that the conspiracy is an Anunnaki one.

The Church of Rome now ruled by the Jesuit Order and their brothers the SMOM have designed this control system that enslaves us all. It is not aliens which keep the history books suppressed. It is not aliens who own all the mighty treasures of the world or almost all the wealth and land of the planet. Take a much closer look at the Catholic elite. I believe if there were any Anunnaki at one time, I believe they've now perished with the various events of time and only the Sons of the Serpant mulattos with the Adamic race and the Adamic race are left. This means the Bloodline families such as Black Nobility and of course us normal blooded humans.

Aliens are behind the wars on the planet. When United States President John F. Kennedy commissioned a report asking what would happen if there were worldwide peace, the ruling elite had to remove him quickly and replace him with his war-mongering Vice-President, Lyndon B. Johnson.

Sorry but you'll find its the Catholic Church and its Jesuit hierachy using their Masonic elite leadership know to most as the Order of Illuminati. Without the Jesuits and wealthy banking controlled by the SMOM the wars couldn't happen. JFK was removed for far bigger direct implicating reasons than this which include the attempt to stop Cardinal Spellmens war in Vietnam which was the Black Popes golden triangle drug trade war

along with destruction of many Buddhists. He also was at war with Israel over their Nuclear ability and of course he was going to desolve the Sovereign Military of Malta's creation the CIA which by the way is run under the British MI6 same with Mossad and they're all subordinate to the Jesuit Order's wishes and command! He also was about to try and demolish the Jesuits Federal Reserve central banking system. The last person to be a real threat to this banking system was John Jacob Astor and they took him out along with his buddies on the Titanic. So as you see theres far more reasons for JFK's death. Now remember The Iron Mountain Report was created by the Elite in order to create a New World Order under the guise of World peace ruled publically by the United Nations. Basically its a United Nations America land/people/property take over and destruction of the Bill of Rights and Constitution. Right now U.N troops are on U.S soil working on devious projects under the banner of FINCEN and these are the black helicopters and so forth noticed especially round HUMAN cattle mutilations using many years ahead technology developed by places like Dulce and other underground secret bases.

Who Sunk the Titanic?

Aliens have planned world domination for a long, long time. For example, the Anunnaki planned to have the British and Catholics united under a single banner in their drive to achieve world domination. The British-Catholic plan for world domination was a long time in the making. It underwent trial-and-error testing during the reign of the Roman Empire. The British-Catholic conquest of the world was designed to keep the technology stagnant at the level achieved in the eighteenth century.

With the Reformation the Catholics had lost much power, they needed someone to help them regain power across the world and bring people back to Temporal rule. This is where Loyola and his Jesuit Order came in when formed in 1536 within Loyolas cave. They were created to defeat the Saracens and to counter the reformation. Now the Jesuit Order have control of the Vatican, SMOM and have regained almost all the power the Catholics once had, we are now living in a covert Catholic system once again. When the New World Order is completed we will once again see our real masters the Catholics. By this time there will never be another reformation as their technology control over us will not allow such another criminal act against Catholicism to happen again unlike before. You will see by this time that people are brought back to the dark ages just like when the Catholics dominated once before. Technology will increase to what is needed by man but the education, freedom, religious freedom will be stagnant and removed.

The Reptilian plan was dangerously close to consummation and final establishment of the New World Order when the Light intervined and assisted in the American Revolution. Had the Light not intervined, the Reptilians would have succeeded in implementing their NWO in the nineteenth century. The Light could not allow that to happen because the Rescue Mission by the Light had not been completed.

Replace the word `Reptilians' with `The Jesuit Order' and finally were out of the world of disinformation and onto something real and highly hidden by most.

Had the British-Catholic conquest succeeded, it would have given the Reptilians control of the world under the framework of the Reptilian Anunnaki Protocols of 1492. However, the American Revolution broke the relentless British colonization of the world and ultimately forced the British to give many of its other colonies some form of independence.

You simply mean that the rule went from overt to covert in order to please the herd and infact gain more control over the people. Remember the United States has been ruled by the British since day one regardless what fake history tells you. The masters of the United States were always the British Royal family and of course their masters such as the Cecil family and Black Nobility etc.

“The Real Controllers of the USA”

FOREIGN CONSPIRACY AGAINST THE LIBERTIES OF THE UNITED STATES

Due to the victory by the American colonists, the Anunnaki were forced into delaying their One World Government and adopt two basic alternative plans for world domination. As a part of alternative plan number 1, the Reptilians initiated a united alien front to enslave humans. The united alien plan involved the emergence of the industrial revolution.

To truely have a secure and one world government you could only truely do this in this age and the future. This is why the Catholics lost their power with the Reformation. Now that technology is so advanced and we have all the communication etc it can be done. Right now this is happening with the creation of the EU and soon the AU, American Union etc. Its gradually coming together. We wont be able to defeat it once its fully implemented.

The alternative plan number 2 was to revive the Reptilian NWO through a British-Catholic conquest according to the original version of The Protocols. This was initiated simultaneously with alternative plan number 1 and involved attempting to re-assimilate America into the British Empire.

Again America has always been ruled by the British and this is why it was called the United States. The U.S is simply a British controlled Corporation and G.W Bush is simply the President of the company.

The American Constitution is a very effective model for the NWO except for one thing - the Bill of Rights that was amended to it after it was adopted. James Madison is usually given credit for the attachment of the bill of individual rights, but it was Jefferson who

basically forced Madison to support the amendments. The Bill of Rights ultimately protected the American nation from being the mainspring of the Reptilian NWO.

If this is the case then why on earth do the Jesuits wish to destroy the Constitution and the Bill of Rights? They cannot completely take over the U.S whilst these are in place, making Americans Sovereign Kings.

The Reptilians held enough influence in America that they kept slavery legal until another Attas of the Light, Abraham Lincoln, was elected the sixteenth president. During his presidency, the American Civil War was waged, and, with the North's victory, slavery was finally abolished in America.

I suggest you again replace Reptilians with Jesuits and do some homework on the real people behind the assassination of Lincoln.

ROME'S RESPONSIBILITY FOR THE ASSASSINATION OF ABRAHAM LINCOLN

Were The Jesuits Involved In The Assassination Of Abraham Lincoln?

The Reptilians made another strong move on America in 1913 when they influenced the nation to adopt the Federal Reserve Act, which eventually converted the country from a creditor to a debtor nation. Also, in 1913, the United States authorized internal taxes on incomes and changed the method of election of senators so that state legislatures no longer voted for the federal senators. Instead, senators were elected by majority vote of the people, which made it much easier for the Reptilians to manipulate the elections of the senators.

Now now, we again replace reptilians with Jesuits and their agents Rothschilds (the keepers of the vatican treasury). The Federal Reserve was about the several attempt at a centralised banking system in order to pay the Bank of England and of course the Bank of Rome. The ultimate reason the Titanic was destroyed was to assassination John Jacob Astor and friends who were against the Fed and had power to stop it. J.P Morgan who owned the Titanic and was an agent of the Jesuit Order also managed to fraud his insurance on his damaged Olympic ship used in this big plot.

It must now be obvious to the reader that there were plans within plans in the Reptilian agenda for world control. Eventually, the Reptilians concluded that the American Bill of Rights made it an unworkable nation from which to launch their NWO. This is why the Reptilian consciousness has now moved to China. Australia has followed the American Constitution as the model, but denied the citizens of a bill of rights, making this now an ideal Reptilian launching pad for the NWO. This is yet another Reptilian initiative under the revised version of The Protocols.

The United States is the launch pad of the New World Order and its vast armies are the bully boy helping to further the Jesuit agenda. Once the Jesuits have got what they desire with their 14th amendment American 'new holy roman empire' they will simply destroy it possibly utilising China/Russia/Cuba/Venezuela what I call the Russian controlled opposition (for the public eyes only). Now remember that Russia has been controlled by Jesuits since the 1800's and so forth. Fidel Castro is a 4th vow jesuit himself and a 33rd degree freemason subordinate to the Superior General of the Society of Jesus. Now Hugo Chavez of Venezuela is Roman Catholic and subordinate to the Pope who ultimately serves the Superior General of the Society of Jesus (Jesuits). Now lets remember what the Jesuit Order was known as in France, the Company of SION. When we consider that the Protocols were originally known as Sion and not Zion and that they came out of France thanks to the Jesuits we see another story dont we. The Protocols were to be used by their collective elites once they grabbed them within their control. Once this happened and people like Rothschilds were brought into the Roman Catholic fold they used the protocols as the Order of Illuminati's secret instructions. Then they used it under a different name Zion etc in order to divert peoples attention onto their Masonic Labor Zionist loyal Court Jews such as Olmert of today etc. Its that simple and it worked well!

To recapitulate: When the Reptilian 1492 Protocols failed, the Reptilians used an alternative plan to try to destroy America from within and re-assimilate it into the British Empire. This was the revival plan of the 1492 Protocols.

The Jesuits realised that in most cases and certainly in the cases of high power that using armies to invade doesn't work well if at all. This occurred after they tried to invade Britain with the Spanish Armada. So yes the Jesuits then realised the only way to gain control was to infiltrate positions of power such as government, media and so forth. They have done this well and nobody is as wise as the Jesuits on this subject. I call Jesuits the Chamelons because they will blend and change in order to further and complete the goals of their order. In other words they will become a overt fake protestant whilst being a covert real Catholic in order to help destroy protestantism. Which by the way they've been doing for years and one of the best exposers of this area is Ian Paisley.

At the same time that the Reptilians tried to resuscitate the 1492 Protocols, they commenced a desperate alternative plan in which they solicited the aid of other alien groups, which included Vulturites, Greys, Masa-karas, Wagools etc. However, this is only a show alliance. The Reptilians have no intention of sharing and being in alliance with other alien races.

My friends out there see through this disinformation and replace these alien names simply with human races such as Black, Jew and so forth! Examples would be Kofia Annan (UN), Olmert (Israel) etc. All the different races who sell out and be loyal to the Gentile WHITE super power known as the Jesuit Order and its Church of Rome.

Hence, superficially, other alien races are allowed to be involved in the Reptilian-initiated alternative plan. That is why there has been total silence thrown on the alien issues, including alien abduction, alien experimentation on humans and animals and other matters. That is why all the aliens are in a conspiracy not to let themselves be known. The alien issue is tightly controlled by the alien conspirators. They make sure that reports about alien events are mocked, discredited and obscured. They even influence people to make bogus sightings and then expose them as hoaxes. Among the alien creations are the Galactic Confederation and the so-called channellings from alien beings, which are aimed at deceiving and sidetracking certain audiences. Another example is the staged Mexican UFO incident of 5th March 2004

Quite simply you'll find that if any aliens are on this planet they most likely aren't even aliens but creatures of this Earth long before us therefore non-alien. Also prove that the abductions are simply not military and the use of their technology which gives the mind reprogramming that it was aliens. If there were aliens then probably on 5% if that which are spotted as UFO's would be these. 9%% of the spotting will for sure be human projects. I believe these greys people talk about if they are real are simply genetic mutant experiments conducted by the black ops teams such as the underground bases at Dulce. Remember on that many designer viruses etc are all invented in places like these. Now remember that the Sovereign Military of Malta's Hollywood shows many truths in its media of which the herd is unaware and the SMOM and elite laugh at how they can put things right in front of us. We in conspiracy are aware of the underground bases and their trains etc and many have reported this. Well take a film called Resident Evil for example and you may find some clues in that, the herd will think its pure science fiction but well thats why their still simply herd and not fully functioning humans using the grey matter in their heads.

Part of the *Iron Mountain Report* to help instigate a New World Order and control of the U.S by U.N is yet another threat to Earth and its species. This time its an alien threat from outer-space. What all these sighting, mind control images etc really are is simple. The Jesuits and their elite wish to turn us onto aliens and get indoctrinating us to all be aware of them and the elites imagine of them. We all then get mind controlled and given yet another illusion and hoax. Now when the elite are ready they can fake an alien threat to help instigate their NWO. Look at things like Project Bluebeam etc. Its not rocket science. Remember on as we got closer to the real push for NWO we see Sovereign Military of Malta knight Ronald Reagan mentioning an alien threat could help unite the world. Its all not rocket science and quite simple to see right through. Unfortunately disinformationists continually try to confuse and deceive the public.

The Reptilians had become the dominant alien race on Earth and held a stranglehold over all the other alien races. Ironically, it was the American Revolution, which was mainly fought by humans, that ultimately weakened the Reptilians to the point that other alien races dared to contest them again. This opened the door for the Vulturites to

make inroads into world affairs.

The White Gentile race is the dominate race on Earth and has the stranglehold over all other races including Jew. Now what annoyed me about this article was that it claimed the protocols weren't created by Hebrews. To me this gave me the impression their trying to make out that real jews following the Torah are the same as these fraudulent jews following the Talmud. This is simply not the case. Real Hebrews detest the Masonic Labor Zionist movement and Israel.

It was approximately a century after the industrial revolution was set into motion that the united aliens marched headlong towards their NWO. As noted in the nineteenth-century Protocol 15, the Anunnaki would not come into their kingdom until after some time, perhaps "even a whole century" after the 1492 Protocols was revised.

As I explained further above, in order to have a truly powerful and secure one-world-government system you need technology as we're seeing now. The stranglehold that will secure us within their power will be things like RFID/Chip implants, Sonar/Scalar/Microwave/Frequency weaponry etc. They could only dream of this eons ago.

According to the 3rd Protocol, many of the Anunnaki Remnants are awaiting the return of the head of the snake. The snake represents the Anunnaki Reptilians and the head represents the Anunnaki Elite who are quarantined from the Earth.

The Jesuits await the return of the Anti-christ! Remember its knowledge which is light which is Lucifer the light bearer. You see its MAN's evil mind thinking he can be god and do godly things. This will mean cloning and all sorts which only god should be able to do etc. Remember how they wish to be god by destroying a planet with Plutonium such as Saturn now with Cassini after Jupiter failed Galileo. This is the real meaning of Lucifer/Baal etc. They believe with their science they can be god and maybe in the future better than god. Absolute idioticness if you ask me!

The original 1492 Protocols called for a feigned division of the Catholic Church, which was put into motion in the early sixteenth century. However this portion of the 1492 document was redacted from The Protocols that were revised in the late nineteenth century.

There is a division amongst Catholics as you have the Vatican I and II, II is the Jesuit Order and their Masonic influence. There are many Catholics who detest the Jesuit Order and its agenda but again they have no power against this almighty foe and therefore follow its commands since it took control with the Doctrines of Infallibility.

In fact, the Jesuits were founded in 1534 to combat the Reformation and to spread the Catholic message around the world, which strengthened the Church. Further, in 1542, the Roman Inquisition was established to combat the growth of Protestantism. So, it

can be seen that Martin Luther's actions and the Church's response to them helped to heal the failing Church, and the world wondered at the healing.

At last we see the word Jesuits mentioned! The real date was 1536.

The above is an example of how and why the Reptilians would sponsor apparent opponents to its own group and then instigate conflicts between two seemingly opposed groups. The reason is that both groups have the same ultimate controller. They give with one hand and take with the other.

This is exactly how the Jesuit Order works and has much controlled opposition such as the Sheen family recently with 9/11 and Alex Jones etc. They control both sides of the equation wether it be the KKK or the Nation of Islam which by the way are controlled by the Archbishop of Chicago.

THE SHEEN FAMILY STENCH OF THE ALMIGHTY JESUIT ORDER

The Anunnaki led a desperate technological drive to achieve world conquest before the latest date in which time could be re-started. Many think this date is 2012 based upon the Mayan records, but those records are corrupted and the Anunnaki actually only have until 2008. However, those dates were made irrelevant in early 2006 when the Light rescued the True-Light consciousness who had been enslaved in the Atu-waa. This rendered the time-re-starting device permanently inoperable.

July 1-8 is the dates hoped for the coming of the new sun Lucifer which is hoped to be created by the detonation of Plutonium within Saturns atmosphere using the Cassini which incidently is named after a JESUIT priest.

Right I've had enough of this report already!

I believe The Jesuit disdain for humanity and their willingness to sacrifice human life is something that perhaps may be born out of non-human origin. They are afterall Sorcerers and Black magicians of the highest order. I believe it may very well be where their esoteric knowledge and perhaps technical knowledge comes from. These men have mind controlled nations not just people. That is the extent of my "alien" beliefs per say, the rest I believe is Hollywood rubbish. From time to time you get movies like [The](#)

Island which touch upon issues like Cloning which even truthsayers like Henegen have touched upon in the past. Nephilim Spirits are nothing new as I believe that is Biblical, (correct me if I am wrong however) therefore there is nothing Alien about that. Drugs and Baal Music leave unsuspecting souls open to that kind of manipulation. Hollywood will not tell us that though, instead we get Alien Remakes and Will Smith chasing Alien Monsters. ironically, the very skeptics who do not believe in Aliens will be the first people to acknowledge the **Alien Threat** when Bluebeam jumps off....

Well if you study hard enough you may come across the 'Macrobes' which are supposedly a higher dimensional race/spirit whatever. It is rumoured that prior to the Tudor times these were contacted and this helped spawn our modern day once all the data could be analysed by multiple scientific minded people across the world. This is why Universities were really created. This is also where the blood rituals and sacrifices come about as gifts for the great knowledge.

CRAIG-OXLEY - June 14, 2006 01:32 AM (GMT)

Great response!

There are only two small errors on your part.

1. The Jesuit Order was founded by Loyola in 1534, not 1536. I have also made this error in the past.

2. The British did not always rule the US. We did achieve true national sovereignty with our God-blessed War of Independence fought by White Anglo Saxon Scotch-Irish Protestant and Baptist Calvinists due to the First Great Awakening preached by Jonathan Edwards and George Whitefield. Without the Great Awakening there is no American Revolution with its many attendant answered prayers and great Bible-believing leaders (Washington, Witherspoon, Madison, etc.) in spite of the devil's Jefferson, Paine and Franklin.

Illuminated Freemasonic Papal/British rule was restored with the assassination of Lincoln and the resultant "ratification" of the centralizing Fourteenth Amendment reversing the "origin and character of American citizenship." That amendment converted our Calvinist AV1611 Bible-based Republic into "the New Atlantis" for the high-level Freemasons, which new empire was in fact the Jesuit Order's "Holy Roman" Fourteenth Amendment Corporate-Fascist American Empire. (Just look at the two Roman fascis on the wall behind the seat of the Speaker of the House!) The purpose of that empire was to restore the Pope's temporal power around the world and bring to pass the fulfillment of the Order's Protocols of the Learned

Elders of Zion (Sion). That fulfillment included the destruction of the apostate White Protestant nations of Germany, the British Empire and now the American Empire. Also, the Pope's Masonic Fabian Socialist British Labor Party (inspired by the Irish Catholic---turned atheist---"Home Ruler" Sidney Webb and financed by Masonic Cecil Rhodes) would be used to create the Pope's Masonic Socialist-Communist Labor Zionist Party intended to rule Israel---the "Kingdom of Jerusalem" of the Pope's Dark Ages. (Jabotinski's anti-Pope Revisionist Zionists must be destroyed---and were indeed destroyed!) Further, the Temple of Solomon was to be rebuilt as per the dream of all high-level Freemasons and the rebuilding of the commercial treasure city of Babylon on the Euphrates River was to be realized which is one of the main purposes of this Anglo-American-led Papal Crusade into Iraq. The Jesuit-ruled SMOM ruling Bush and Blair via the RIIA and CFR have no exit strategy evidenced by the massive construction projects within that nation including the building of fourteen military bases and a huge American embassy in "the Green Zone."

Thus, the Order POLITICALLY conquered Great Britain with its control of King George III; it used the British Empire (SPIRITUALLY corrupted by its Romeward-bound Oxford and Tractarian Movements) for its purposes during the entire 19th century ("the British Century") which included the leveling of the American Calvinist Republic (1787-1868); it united its British banking and military powers with the American Empire's employing White Gentile Freemasons Teddy "Rex" Roosevelt and J. P. Morgan culminating in the Federal Reserve Act, both Democrats and Republicans backing that treason. Then from 1914-1945 the Order used its British and American Empires (via the RIIA and CFR) to fulfill the Black Pope's wishes during the Second Thirty Years' War. It continued its Crusade under the guise of the Cold War Hoax, saving the Order's Nazi/SS apparatus including the SS treasure, as the Black Pope built the armies of America's future invaders---Russia, China and the Moslem World, including Turkey (remembering what those Sunni Moslem monsters did to the Orthodox Armenians). The financing of our enemies was accomplished with credit created by the stroke of a pen by the Federal Reserve Board and then extended to the US Congress, the collateral for that bogus credit being the land and labor of all America---enslaving every 14th Amendment American citizen! (This is why the Order ruling Washington hates the notion of secession of a state from the empire! Those of us who advocate this most biblical solution are called "rebels and traitors.")

After a few days of intensive study and prayer, I am now convinced that the Babylon of Jeremiah 50-51, Isaiah 13 and Revelation 18 is indeed the literal city of Babylon yet to be rebuilt. If we are to read the Bible literally (unless the text indicates otherwise) then that city must be rebuilt if it is to be destroyed as per Isaiah 13 and Revelation 18---as Sodom and Gomorrah were destroyed and never occupied again. Thus, the "Mystery Babylon the Great" of Revelation 17 is indeed

Rome built upon seven hills/mountains and its Vatican Empire; Revelation 18 is the literal city of Babylon yet to be the commercial capital of the world during the coming Great Tribulation of the risen Pope turned Antichrist (Matt. 24:15). Therefore we should not be surprised to see the 600,000 gold bars being removed from the Pope's New York Branch of the Federal Reserve Bank prior to America's intended military defeat and Sino-Soviet-Moslem-Cuban-Mexican military invasion as depicted in Red Dawn (Cuba and the USSR). As I understand, that removal is now in the making.

Keep up the great work and make a please note of the corrections.

Sincerely in Faith,

Brother Eric

Where does all this "Atlantis" stuff come from anyway? Just curious.

BTW I do know that once there was a supercontinent, Pangaea. The Bible says that the earth was split in the days of Peleg (after the flood).

Genesis 10:25--And unto Eber were born two sons: the name of one was Peleg; for in his days was the earth divided; and his brother's name was Joktan.

I'm wondering if maybe, just maybe, some continent sank during this time. Just speculation here...I don't have anything to back that up. I've only heard bits and pieces about the Atlantis legend, so I may sound way off base here.

CRAIG-OXLEY - June 14, 2006 02:43 AM (GMT)

Within the bloodline families they believe the purer and more Dragon genes the closer they are to the Alantean race. One of the best people to listen to on this subject is Michael Tsarion who by the way is one of the few with the strength to admit how powerful the Catholic Church is.

Its talked about that a race of superior beings came here (talked about as Nephilim/ Eloheim in the Bible). They were living in Atlantis and created the first slave race known as the sons of the serpant. This race having the DNA which we now term Human mixed with alien DNA. Due to the human spirit of this new race they eventually decided to get away from their masters and this is what they did, moving out and away. I suppose you could call this the first migration so to speak. The Nephilim then decided to make another slave race but learn about their mistake. This new race was known as the

ADAMIC race which is us my friend! What they did is basically created yet another son of the serpent to a point but they dumbed down the intelligence and brain DNA. This is why they claim that we only use 10% of our total DNA and we only have 2 strands. People who have checked out the DNA have talked about how creepily its been purposely clamped. I think you'll find that the SOS race had 12 strands. The more strands the more intelligence and eventually you get things like psychic etc and this is the reason for these types of people. Now what happened was that the SOS were keeping an eye on the Nephilim and Atlantis and weren't impressed that another human race were created as slaves. The SOS came back and tried to teach the Adam & Eves (Adamics) what they knew. Unfortunately this was very hard and eventually only the women were of intelligence enough to understand. It took a long time before the women taught the men on the subject. Again now all of this race moved out but a large percentage did. This is why women are worshipped and again this links into why church windows are shaped like they are and more. This is why Queen Semararis of Babylon is worshipped etc. Remember she gave birth to Baal the light bearer. What happened next was that some of the SOS race interbreed with women of the Adamic race thus making the Hybrid race which we know of today as people like Queen Elizabeth II etc. This is where they look for the most genetics which links them closer to Atlantis. People like Cecil Rhodes and many other power British amongst others all followed this and it was taught to many young elite children. They believe in Vril and something else as being the power. This is where Hitler came off with his Vril society and Vril UFO projects. Atlantis was aware of Vril which basically is what I believe we now call Orgone. Remember how Hitler was obsessed with Atlantis. Now when the Adamic race left the nest, the Nephilim went back to the drawing board and created a 3rd race which utilised reptilian DNA. They found that the reptile was the perfect species to utilise in their final creation. It proved correct and the reptilian race was very loyal and the Nephilim were happy. Now when people tell you that the super race were outer space reptilians, this is pure nonsense. The reptilian SLAVE race were created on Earth by the Nephilim. Now I dont know if this race survived the catastrophic events on Earth but its possible. I often wonder if we've all be hoodwinked and that we are not adamic humans as we believe and are infact the reptilian 3rd race. Now when you consider our brains have the R-Complex which is reptilian well maybe I'm right but who knows. This is a touchy subject and again very complex and deep. Fritz Springmeier used to show pictures to people who could handle the reptilian issue. In these pictures were human looking being in everyway except the eyes which were different from the shape from what I remember. You would be very hard pressed to spot one in the street. I urge you all to listen to Michael Tsarion as he explains what he knows quite well and he could just be right on with what he claims. You will also be told about the 2nd Sun which is in many old texts from around the world and I think in the Bible. This was the planet Tiamet which was not actually a Sun but its atmosphere reflected enough to give that impression. This was worshipped as what we call now Lucifer and when it was destroyed this is where we get the term `Fallen Angel'. This is exactly why they call the project to ignite a planet (cassini with Saturn) Project Lucifer, first exposed by William

Cooper.

Like I said in another write up I did, Lucifer is simply knowledge. I believe if you follow the above information you could deduce that it represents the moving away from our once creator and masters the Nephilim. Remember on that it was the serpant who gave Adam & Eve the apple which was knowledge. This serpant represented the sons of the serpant race. The nakedness represented lack of knowledge.

I would add to 2tuff is that the ancients believed in Atlantis like the ancient Egyptians and the homosexual Plato. Plato talked about it first in a very big way. Plato wrote about communist and socialist ideas that influenced the Jesuit communes in Paraguay and the modern Communist movement. The Jesuits and others obsess with Atlantis, because Atlantis to them is a representation of the new world order. Whether Atlantis is real or not, the story of Atlantis says that it was run by a few and controlled the whole world with 10 Kings (sound Familiar). The story goes that those in Atlantis was destroyed by a great Flood for their pride and wickedness. Theologians theorize that Atlantis (if real) was the pre-Flood period of world history. Some of the many occultists who talked about this were Freemason Manly P. Hall (who talked about this in his "The Secret Teachings of All Ages" book, which has hundreds of pages of occult related information) and Francis Bacon (a Roscrucian and he followed the Kabbala). He wrote his book called the "New Atlantis" describing America as a New Atlantis and how he wanted to use America as a tool to form a global democratic revolution (i.e. code for a new world order or global government). Vril is apart of it and pro-Atlantis people believe as 2tuff said that Vril was the life force that can help man to achieve great powers. All in all, the Jesuits and others want to create their utopian world in their version of "Atlantis." They and New Agers believe that man can achieve an utopian world without being totally reliant upon God or before the coming of the Messiah. They accept that by free will and works, perfection can be achieved. That's why they talked about the "Great Work" or the "7 Days Work" like Bacon subscribed to. This agenda is really the same as the Mystery Religions of old. They want to form an unified society of all peoples under one person. That's why your hear Global Unions all of the time and the American Union promoted by the CFR, the Bilderberg Group, and other people. Even teachers in colleges are saying point blank let's have an one world government and an one world church. It's all evil and sickening since man has a right to be in nations, to learn real wisdom, and live their lives to the fullest (bounded by God's Word of course).

According To Catholic Educated Woman, If Truth Were Ever Taught About Rome It Would Be Exposed As A Complete Fraud

Rebecca Sexton says millions of children aound the world have been brainwashed with rosaries, scapulars, candles, incense and image worship.

13 Jun 2006

By Greg Szymanski

<http://www.arcticbeacon.com/13-June-2006.html>

Rebecca Sexton has written a powerful article about the false doctrines of Catholicism from the unique perspective of a child being "brainwashed" in Catholic schools.

Sexton pulls no punches and minces no words, saying if the unbiased history of Rome were ever truthfully told, it would be once and for all exposed as a complete fraud.

Further, Sexton claims the masters of deception and mysticism responsible for brainwashing millions of children around the world are none other that the Jesuits, calling them the diabolical masterminds behind Catholic education.

And in order to better understand how the Jesuits and the Vatican are undermining the liberties and freedom of Americans by totally making a mockery of the separation of church and state, what better way then to listen to a Catholic educated woman who says she has uncovered the hidden truths about the master manipulators - the Jesuits and Vatican hierarchy.

Here is as article, entitled a Jesuit Foundation, an article that will never make it into the

pages of the controlled media, but one of utmost value and well worth reading:

A JESUIT FOUNDATION

Mary worship was one of the last false doctrines of Catholicism from which I had to be delivered. From the moment I entered St. Paul's grade school, I was indoctrinated into the cult of Mary. For the next eight years of Catholic schooling, I would be taught daily prayers to Mary (morning, twice at noon and at the end of the school day). I would be taught songs that glorified Mary and learn the use of rosaries, scapulars, candles, incense and image worship. I can honestly say that I was "saturated" with Mary worship.

At age six, I had no idea that the masters of mysticism were about to brainwash me or that the same methods used on me would be used on millions of other Catholic children around the world. These masters of mysticism are none other than the Jesuits, the master minds behind Catholic education.

The Jesuits, founded by Ignatius Loyola (himself a mystic given to visions of Mary, often flagellating and cutting himself), are, in the words of Catholic theologian J.Huber (a professor in Munich) in his publication Les Jesuites (1875):

"A mixture of piety and diplomacy, asceticism and worldly wisdom, mysticism and cold calculation: as was Loyola's character, so is the trade-mark of this Order" (Secret History of the Jesuits, Edmund Paris, 19).

It is not my purpose to go into the history of the Jesuits, their moral depravity or their numerous crimes against humanity all done "to the glory of God", but more so their teachings, of whom I was a student.

"It is not a Jesuit of old, but a contemporary one who writes: 'He (the Jesuit) will not forget that the characteristic virtue of the Company is total obedience of the action, the will, and even the judgment...All the superiors will be bound in the same way to higher ones and the Father General to the Holy Father...It was so arranged as to render the Holy See's authority universally efficacious, and saint Ignatius was sure that teaching and education would henceforth bring back to Catholic unity a Europe torn apart.' It is with the hope of 'reforming the world', wrote Father Bonhours, 'that he particularly embraced this means: the instruction of youth...' The education of Paraguay's natives was done on the same principles the Fathers used to apply, now apply and will apply on everyone and everywhere; their aim, deplored by Mr. Boehmer, but which is ideal to the eyes of those fanatics: the renouncement of all personal judgment, all initiative, a blind submission to the superiors. Is it not that 'height of freedom', 'the liberation from one's own bondage' praised by R.P. Rouquette and which we mentioned earlier on? In fact, the good Guaranis [savages] had been 'liberated' so well by the Jesuitical method for more than one hundred and fifty years that, when their masters left during the 18th

century, they went back into their forests and returned to their ancient customs as if nothing had happened" (The Secret History of the Jesuits, Paris, 58)(Emphasis mine).

The Jesuits believed that if they could teach the youth they would belong to them forever. They regarded the education of the young as the most important means of achieving this aim,

"...for thus could the mind, reason and imagination of innumerable young people, from their first inclination towards independent thought and emotion up to full maturity, be permanently and systematically influenced in the best and most effective manner" (The Power and Secret of the Jesuits, Rene Fulop-Miller, 404-405).

O.C. Lambert, who wrote Catholicism Against Itself, on page 278 of the second volume, recognizes the dangers:

"If they [Catholics] can ever get hold of the schools, soon everything else is ruled out. There is no more effective way to make America Catholic than to get control of the schools. THIS IS ALWAYS THEIR FIRST LINE OF EFFORT IN SUBJUGATING A COUNTRY." (Emphasis mine)

"Father" Charmot, in La Pedagogie des Jesuites, pages 413-17, says:

"The pedagogic method of the Company [Jesuits] consists first of all of surrounding the pupils with a great network of prayers...Let us not be anxious as to where and how mysticism is inserted into education!...It is not done through a system or artificial technique, but by infiltration, by 'endosmosis'. The children's souls are impregnated because of their being in close 'contact with masters who are literally saturated with it' " (The Secret History of the Jesuits, Paris, 59).

Just these few quotes tell us enough about the principle aim of the Jesuits...their desire to "insert" mysticism into education ...but what mysticism are they talking about?

"At the front - it is characteristic of this Order - we find the Virgin Mary. 'Loyola had made the Virgin the most important thing in his life. The Worship of Mary was the base of his religious devotions and was handed down by him to his Order. This worship developed so much that it was often said, and with good reason, that it was the Jesuits' real religion' " [the quote inside the quote is by "Father" Charmot, a Catholic, not a Protestant] (The Secret History of the Jesuits, Paris, 59).

Loyola himself was convinced that the "Virgin" had coached him through visions and audible voices to draw up "Exercises" which are still practiced today. These exercises of "exterior piety to Mary" were promised "to open heaven's doors". They consisted of

"...giving Mary morning and evening salutations, frequently charging the angels to greet her, expressing the desire to build her more churches that all those built by monarchs

put together; carrying day and night a rosary as a bracelet, an image of Mary, etc... THESE PRACTICES ARE ENOUGH TO ASSURE OUR SALVATION and if the devil, when we are about to die, makes claims on our souls, we just have to remind him that Mary is responsible for us and he must sort things out with her" (The Secret History of the Jesuits, Paris, 61). (Emphasis mine)

These practices and the such were taught to all Catholic children. But the more extreme actions such as described by "Father" Pemble in the following quote were left to the "holy" men and women who supposedly had reached a perfection we could scarcely hope to attain.

"To beat or flagellate ourselves, and offer each blow as a sacrifice to God through Mary, to carve with a knife the holy name of Mary on our chest: to cover ourselves decently at night so as not to offend the chaste gaze of Mary; to tell the Virgin you would be willing to offer her your place in heaven if she didn't have her own; to wish you had never been born or go to hell if Mary had not been born; to never eat an apple, as Mary had been kept from the mistake of tasting of it" (The Secret History of the Jesuits, Paris, 61).

These degenerate "exercises" and forms of worship were cultivated into licentious and sensual expressions in many Jesuits, some of which are too obscene to mention. One hymn dedicated to the Virgin by Jesuit Jacques Pontanus stated:

"...He [Jacques] knew of nothing more beautiful than Mary's breasts, nothing sweeter than her milk and nothing more delightful than her abdomen" (The Secret History of the Jesuits, Paris, 60).

It's important to understand that the people behind the education were indeed "saturated" themselves with mysticism and so could more effectively pollute the children they were teaching. Many of the Jesuits experienced mystical visions such as Rodrigue de Gois, who:

"...was so enraptured with her [Mary's] inexpressible beauty that he was seen soaring into the air. A novice of this Order, who died in Rome in 1581, was sustained by the Virgin in his fight against the devil's temptations; to strengthen him, she gave him a taste of her Son's blood from time to time and 'the comfort of her breasts' " (The Secret History of the Jesuits, Paris, 60).

Not only are Catholic children taught Mary worship on a regular basis, but in every subject Catholic propaganda is used to better indoctrinate them, making it even more difficult to escape her bonds. The following paragraph was quoted in a concurring opinion by Justices Douglas, Black and Marshall as the Supreme court of the United States, in two cases, June 28, 1971, held by decisions of 8 to 0 and 8 to 1, that State aid to parochial and private schools was unconstitutional.

"In the parochial schools Roman Catholic indoctrination is included in every subject. History, literature, geography, civics, and science are given a Roman Catholic slant. The whole education of the child is filled with propaganda. That, of course, is the very purpose of such schools, the very reason for going to all the work and expense of maintaining a dual school system. Their purpose is not so much to educate, but indoctrinate and train, not to teach Scripture truths and Americanism, but to make loyal Roman Catholics. The children are regimented, and are told what to wear, what to do, and what to think."

As a quick example of this "Catholic slant" let me quote from Christianity in America, The Catholic Social Studies Series, by Rev. Charles J. Mahoney, Ph.D., on page 220, under the title "The Roots of Frontier Democracy":

"This [Democracy] was not a new doctrine; it had been developed in classic form in the Middle Ages by men like St. Thomas Aquinas...The true parents of democracy are the medieval Scholastic philosopher and the American farmer."

This is a blatant lie. Thomas Aquinas never taught democracy...quite the opposite. He believed that anyone who went against the teachings of Rome should be killed...that doesn't sound democratic to me. The Church of Rome is totalitarian and blatantly anti-democratic. Just re-read Pope Pius IX's Syllabus of Errors, which is still binding on all Catholics! One view held by our American government and condemned by Pope Pius IX is that:

"Every man is free to embrace and profess that religion which, guided by the light of reason, he shall consider true."

It is obvious that Catholic children are hearing a corrupt and twisted history. The struggle of Protestantism to be free from the chains of tyranny that Rome tried to enslave all humanity under is lost in the retelling in Catholic books. Why tell the truth as it would shed light on their abominations and atrocities? They were known as the "Home of Forgeries" for seven centuries by the Greeks.

"These forgeries made it seem that his [Pope Gregory VII] absolutist claims were based on ancient records zealously kept in the Rome archives. whenever they [Greeks] tried talking with Rome, the popes brought out forged documents, even papal additions to Council documents, which the Greeks, naturally, had never seen...Many earlier documents were touched up to make them say the opposite of what they said originally" (Vicars of Christ: The Dark Side of the Papacy, Peter De Rosa, 58-59).

If unbiased history were taught, Rome would be exposed as a fraud, therefore she continues to deceive her students with false information, and works zealously to get public funding for this deception.

A most interesting observation is made by Loraine Boettner in his book Roman Catholicism:

"Most of the teaching in the parochial schools is done by the nuns. They teach the children to revere and worship the Virgin Mary and to trust in images and rosaries whether they know anything about faith in Christ or not. All nuns are under solemn vows to promote their religion in every course they teach. They work year in and year out without receiving anything more than their board and keep, and without the personal freedom that every American has the right to enjoy. They are kept in abject poverty, while money flows freely to the priests, bishops, and especially to the Vatican in Rome" (360-361).

It is the heart of Jesuitism to cause all to come under subjection to the Pope, therefore it is to the hierarchy's advantage to have their servants teaching the children to become servants like themselves. I know...I wanted to be a nun throughout all my gradeschool years. Using this kind of mental seduction has caused many young men and women to enter the convent or priesthood only to find themselves ridden with guilt for daring to think for themselves and many end up committing suicide. A friend's sister came home from the convent during the holidays and shot herself. Few knew why.

Many fellow Christians will find it hard to witness to a Catholic because they were "saturated by mysticism" by the same techniques that Hitler used on his youth and on his SS. Yes, it was Jesuit techniques that Hitler so admired,

"...Ecclesiasticism without Christianity, the discipline of a monastic rule, not for God's sake or in order to achieve personal salvation but for the sake of the State and for the greater glory and power of the demagogue turned leader - this was the goal for which the systematic moving of the masses was to lead" (Brave New World Revisited, Huxley, 44-45).

As Hermann Rauschning in 1939 wrote:

"Hitler has a deep respect for the Catholic church and the Jesuit order; not because of their Christian doctrine, but because of the 'machinery' they have elaborated and controlled, their hierarchal system, their extremely clever tactics, their knowledge of human nature and their wise use of human weaknesses in ruling over believers."

These same techniques are used on Democratic children in America to this day! How well our early Founding Fathers of America discerned the dangers of the Jesuits. John Adams, as early as 1816 wrote to his successor Thomas Jefferson:

"I do not like the reappearance of the Jesuits...Shall we not have regular swarms of them here, in as many disguises as only a king of the gypsies can assume, dressed as printers, publishers, writers and schoolmasters? If ever there was a body of men who

merited eternal damnation on earth and in hell, it is this Society of Loyola's. Nevertheless, we are compelled by our system of religious toleration to offer them an asylum...." (The Power and Secret of the Jesuits, Rene Fulop-Miller, 390)

Thomas Jefferson replied to his predecessor:

"Like you, I disapprove of the restoration of the Jesuits, for it means a step backwards from light into darkness...." (The Power and Secret of the Jesuits, Rene Fulop-Miller, 390)

And darkness it is. A Catholic parent is pressured to send his/her children to the Catholic school.

"Canon Law 1374 denies freedom of choice to Roman Catholic parents in regards to schools, and say that they must send their children to parochial school under pain of mortal sin unless excused from doing so by the bishop" (Roman Catholicism, Boettner, 358) (Emphasis mine).

In Roman Catholicism, pages 358-359, Boettner points out that parents have no choice, no rights at all as regards teachers, texts, or methods of instruction by Catholic Canon Law 1381:

1. "In all schools the religious training of the young is subject to the authority and inspection of the Catholic Church" (i.e., the priest or bishop) 2. "It is the right and duty of the Bishops to take care that nothing is taught or done against the Faith or sound morals in any school in their territory." 3. "The Bishops have also the right to approve the teachers of religion and the textbooks and further to require that texts be dropped or teachers removed, when the good of religion or morality demands this action."

We entered Catholic school at the request of the priest, who said it was bad enough that we were living in a God-forsaken town (Greentown was primarily Protestant).

"The fact is that the parochial school has been promoted primarily by the priests and bishops as a means of keeping the children of their church separate from Protestant children and from public school influences during their formative years, the better to indoctrinate and control them" (Roman Catholicism, Boettner, 359).

In all the Jesuit's methods of control to form our minds in complete obedience to Rome, they have only one thing to fear... the Word of God. That's why they have worked overtime putting out "new and better" versions. They know from experience of history that the

"...word of God is quick, and powerful, and sharper than any two-edged sword, piercing even to the dividing asunder of soul and spirit, and of the joints and marrow, and is a discerner of the thoughts and intents of the heart." (Heb.4:12)

From the moment that Jesus circumcised my heart (Deut.30:6) to hear His Word, the control Catholicism had over me diminished, until it eventually lost all holds. I have escaped Rome, but left behind me are millions like me who were given a Jesuit foundation. If you wish to witness to a Catholic, be prepared for a struggle, for we are in a war, a spiritual war.

"For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places." (Eph.6:12)

These high places are not only the Vatican and her Jesuit army, but also any denomination that has broken with her, yet still retains any of her blasphemous doctrines or practices. Yes, they have their army and use education and indoctrination against our youth, turning church and school into a battleground. Our strength lies in the knowledge that the "...battle is the Lord's...."(I Sam.17:47) and that it is "...not by might, nor by power, but by my spirit, saith the Lord of Hosts." (Zech.4:6)

"For God, who commanded the light to shine out of darkness, hath shined in our hearts, to give the light of the knowledge of the glory of God in the face of Jesus Christ." (2 Cor.4:6)

When a Catholic plot is discovered or exposed, Rome calls upon specialists to solve the problem. These are men who are called ***truth distorters***. They spearhead attacks to counter those who are trying to warn others. In WW II, when the Vatican was massacring the Greek Orthodox church members in Yugoslavia, survivors tried to reach the United States to tell of the murders with documented evidence. Once the information started coming in about what was happening in Yugoslavia, the master truth distorters moved against it, calling it anti-Catholic propaganda, and bigotry! They minimized the atrocities to confuse the public.

1. care to shed any light on how the jesuits fit together with the cfr trilateral commision and fed reserve?
 What is the relation between black nobility and the jesuits? Is the maffia the connecting link between those 2? (in the sense: jesuits running black nobility, black nobs running maffia)

Jesuit rule over the Sovereign Military of Malta, its the SMOM who rule over the Council on Foreign Relations. The head controller of this organisation is non other than the Archbishop of New York whos known as The Prince of the Americas. It was the Archbishop of NY in 1921 who created the CFR. Right now this role is taken by Cardinal Edward Egan, the most singular powerful man in the Americas, closely followed by the Archbishop of Chicago. Egan controls the Shriners, TRL, CFR, Mafia Commission, SMOM, Knight of Columbus etc utilising his Round Table of Maltese Knights. Just as the Jesuits created the centralised bank in England using William of Orange, called The Bank of England they did the same in the U.S after defeating the opposition namely John Jacob Astor and friends. This was done via their court jew and banking agent Rothschild and friends. The Federal Reserve was created in order to fund the 14th Amendment American Empire. The Black Nobility are very powerful families indeed with the most powerful all coming from guess where? Italy, what a shock huh! These families are all subordinate to the Pope and therefore controlled by The Superior General of the Society of Jesus. Black Nobility make up 50% of the Sovereign Military of Malta who is by the way is the second most powerful Order in the world and actually older than its leader and brother the Jesuits. These Black Nobility families are Roman Catholic and again subordinate to the Pope. Prince Bernhard was supposedly able to have his input into the selection of the Pope due to his bloodline tying back to the last emperor. Once his selection was heard he too was still subordinate to the Pope. The Mafia are subordinate to the Pope

and their used mostly for narcotics dealing and trafficking. Remember who were the big boys behind the destruction of the black panthers etc. The Mafia were used by the government and CIA in order to help flood in the Cocaine. The Mafia are utilised for the Ports and Trucking which aid Narcotics trafficking. If the truth be known, Hollywood isn't run by Jews, its run by the SMOM and Mafia and always has been! The CFR and alike are not as all powerful as people believe, they are controlled by an even more centralised system in this case `The City of London' owned by the Jesuits and fronted by court jew Rothschild. Remember theres many compartments all centralising power within power to keep the illusions and power hidden as best as possible. Who directly controls `The City'? Yes its Stonyhurst College the powerhouse of the United Kingdom. The queen curtsies here and also needs permission to enter the sovereign CITY. Theres much detail amongst all my posts in this thread and my site etc. You will find such things as founders of organisations linked all to SMOM etc. I always quote Bilderberg as its one I can always remember easily. Joseph Rettinger (Jesuit) & Prince Bernhard (Black Nobility/Roman Catholic) founded Bilderberg. Again Bilderberg isn't as almighty as Alex Jone and other disinformationists wish us to believe. Many try to claim that Bilderberg is the all dominant force. Its part of a team of power such as COR, CFR, TRL etc but its run by much higher levels. Does anyone honestly think Queen Beatrix of Holland is of supreme power? Of course she isn't.

QUOTE

2. Have you heared about the black pope being the head of freemasonry, and what are your thoughts on this?

Yes this is very true and remember that the most powerful of the publically known orders The Scottish Rite was created by the Jesuit Order itself. All freemasonry is subordinate to the Black Pope wether they realise it or not.

QUOTE

3. One of freemasonry's min goals is the destruction of catholicism. Still, since 1981 or so freemasons are welcomed into the catholic church by papal decree (if i am correct). Is the destruction of catholicism as we know it a jesuit goal as well? Are jesuits really catholics anyway?

Freemasonry goal is the completion of the 3rd Solomans Temple in Jerusalem and a world order what we know of as N.W.O or New Atlantis. The Jesuits wish to destroy all religion as we know it and implement another one world religion soon. This has already been created in the Americas NWO Capital of Colorado. The same old faces will be behind the new religions and names just as they were when Caesars became popes and legionairres became priests etc. This devious

plan to destroy even their own religion eventually will aid in keeping them very well veiled more so than ever. Who on Earth in the sheepville are going to believe that the Catholic elite are in charge when their religion was destroyed? There you go, again the Jesuits and Catholics have the ultimate devious cover. The Jesuit elite do not care for Catholicism and if the truth be known neither do the Vatican elite. Its a charade used in order to veil themselves and to control the world. I watched `Devils Advocate' again last night, Satan tells his soon that being a lawyer is a great veil just like priesthood. That made me think and its true nothing can veil sheer evil better than good old friendly looking religion. The Jesuits follow the 90 degrees of the Egyptian Mystery Religion.

QUOTE

4. Was the club of rome a direct jesuit endeavour?

The Club Of Rome deal with issues such as Population control and if I remember correctly The Global 2000 report which calls for population reduction. They were created in 1968 for the unification of the Pope's Europe. The Jesuits are of course be the controller and mastermind of this yet again powerful organisation within the same league as the CFR and BLD again controlled through a central point known as `The City'.

I know that Jordan's Prince El Hassan bin Talal was given the controlling position of the Club of Rome thanks to SMOM King Juan Carlos of Spain. Remember that Juan is subordinate to Cardinal Bertie, Pope, Superior General.

QUOTE

5. Any guesses who's gonna step up for black pope in 2008??

Again this has been pointed out here and my site many times over! Its likely to be someone linked to Spain and its likely to be Elias Royon Lara SJ.

QUOTE

6. Seeing as the jesuits only managed to off 100 million people in a 150 years or so, is it fair to say population-reduction is not on their mind?

World Population reduction is well upon their minds right now, again look to the likes of Global 2000 report and U.N diveristy documents etc. They are doing just this right now in Iraq, Afghanistan and soon Iran, North Korea, Syria and Saudi Arabia with their Long War. Population deduction is occuring on a large scale in places like Jesuit controlled Russia etc. Look at the deductions in Africa based

on malnutrition, dehydration and bad sanitisation falsely promoted as hiv and AIDS. Remember the more they can trump up hiv the better for world depopulation through false testing and toxic drugging which the herd simply follow.

Yours Sincerely

Pope Benedict XVI meets with Jesuit Temporal Coadjutor Venezuelan President Hugo Chavez (L) during a private audience at the Vatican May 11, 2006. Chavez arrived in the Italian capital Wednesday to meet politicians and Pope Benedict XVI during his first stop in a tour of five countries in Europe and North Africa.

Chavez's anti-clerical fascade is exposed here. He knows who his master and king is and he answers to him. Just as the Red Communist Chinese government did after the death of JP II. They paid homage to him because the Jesuits who control it want their Antichrist worshipped and adored by all including the atheistic Chinese.

From http://en.wikipedia.org/wiki/Chinese_Patri...lic_Association

"The Chinese Patriotic Catholic Association is a division of Beijing's Religious Affairs Bureau, and has oversight over China's Catholics. According to the American Catholic magazine, Commonweal, [1] the CPCA is neither a Church itself, nor are China's Catholics required to be members of the organization. It is the only organizational body of Catholics in China as officially recognized by the government of the People's Republic of China."

"When Pope John Paul II died in 2005, churches throughout China held special memorial services to commemorate and mourn his passing. Such activities are permitted, though official policy toward the Pope in Rome remain the same. Many Chinese Catholics, often with no awareness of any political implications or the rift between the two sides, expressed that they would have liked him to visit China, as he had once indicated was his desire."

Pope Benedict XVI meets with [Masonic and Jesuit Temporal Coadjutor] Mr. Shimon Peres in a private audience at the Vatican, April 6, 2006.

Peres is a Jesuit assassin having murdered disobedient Jewish Freemason Yitzhak Rabin in conjunction with the SMOM and Nazi-trained Mossad and disobedient Ariel Sharon by the poison cup which Barry Chamish proved. Before Sharon suffered a

massive stroke he had met with Peres and the mastermind of this plan was apostolic nuncio Pietro Sambi.

<http://www.barrychamish.com/html/vatican-lebanon-war.htm>

According to Barry Chamish's "The Vatican's Victory in Lebanon" Shimon Peres promised the pope East Jerusalem in May of 1992 and the Vatican wants to cash in now. But Ariel Sharon wasn't playing ball. In July of last year he actually banned diplomacy with the Vatican. So the Vatican tried working around him. In September they invited both Israeli chief rabbis to Rome to threaten the Jews if the holy sites of Jerusalem weren't handed over to them. In November, they hatched the Mount Zion plot, trading a Spanish church for the Last Supper room. President Katsav flew to the Vatican but Ariel Sharon still said no.

"Finally they knew Ariel Sharon had to go. Enter the apostolic nuncio Pietro Sambi. He plotted with Shimon Peres to finish Ariel Sharon and possibly supplied the poison Ariel Sharon drank in his final meeting with Shimon Peres on Dec. 18. On thing is certain, 18 hours before, after 8 1/2 years in Jerusalem, Sambi flew out for a new assignment in Washington. "Once Ehud Olmert and Shimon Peres won the election, Shimon Peres flew to the Vatican taking with him a letter from Ehud Olmert to the pope. No one will say what was in the letter, but you can be sure he promised the pope 'his land' and the war drastic enough to give it to him."

From <http://www.conspiracyarchive.com/Commentary/Renay.htm> "Why the Cypriot Racketeer Racketeers"

Sharon's doctors confessed. They murdered the Prime Minister, and on April 27 said so on the Channel Two show, Uvda, meaning, fact. They should have said, "Peres blew the first attempt on Dec. 19 because Sharon didn't drink enough poisoned tea. So these thugs cornered us and made us murder Sharon for good." But they coordinated their testimonies. They were all "frustrated" that they killed Sharon. Yes, they found his weak brain veins and prescribed an anti-coagulant guaranteed to pop them. But they weren't alone. They got lots of help from the secret service, the Shabak.

Photo by Ellie Hidalgo

I believe Jesuit Boyle is taking gang members and making them into fanatical Romanists in preparation for the coming race riots.

From <http://www.usc.edu/dept/socialwork/news/item.php?id=76>

"Activist priest and founder of Jobs for a Future and Homeboy Industries, Father Gregory Boyle delivered the day's keynote presentation, sharing personal anecdotes from his roles as advisor, counselor, employer, father and friend to thousands of at-risk and gang-involved youth. Homeboy Industries, whose mission is to find jobs for ex-gang members, now runs five businesses of its own, including a silk-screening operation, landscaping service, bakery, cafe and a graffiti-removal service.

Believing that community is the truest antidote to gangs, Father Boyle gives his young subjects a sense of belonging, a sense of purpose and a sense of responsibility -- unlike what many have ever experienced."

Jesuit Boyle is getting them to work for the interests of the most notorious gang on earth-the Company of Satan.

QUOTE

Interesting entry here, and I appreciate the depth to which you have examined Freemasonry. But as a Freemason, and a CHRISTIAN Freemason, I find no conflict with my faith.

Response: It's an interesting entry about the truth behind Freemasonry. I appreciate your response since this is a free country. A "Christian" Freemason to me is very troubling. Most "Christians" who are Masons are either deceived or not very CHRISTIAN at all. The reason is that Freemasonry swear death oaths and takes the name of God in vain in its Blue Degrees. That is a direct violation of the Word of God. Also, many pagan symbols are in it like the All Seeing Eye (relating to the false god Horus) and the Inverted Pentagram (also called the Baphomet or Goat of Mendes. Even Washington D. C.'s design readily have those occult symbols) is the logo of the Eastern Star. That pentagram relates to fertility and Satanists plus occultists readily accept that symbol. Pagans accept the Pentagram that's not inverted as well. The obelisk is readily use in Masonic gravestone and near Temples. The obelisk is from Ancient Egypt relating to the false sun god Ra. It's a phallic images relating also to the penis of Osiris, which is another smoking gun of the pagan nature of Freemasonry. God in the OT to destroy the pillars. This is very conflicting with my faith indeed.

QUOTE

What I do find interesting however is the level and degree of intolerance that you foster in your message. Because someone does not believe in the bible the way you do, they are wrong, a sinner, and a Satanist. How backward is this teaching?

Response: I show no intolerance. Why do people in this generation view dissent with a group as intolerance. I show my dissent with Freemasonry and I have a First Amendment right to do that. Just as you have a right to come out spew your pro-Mason agenda. Sorry, the Bible is very clear. The Bible doesn't need multiple interpretation. The Bible says that Christ is the only cornerstone, yet you guys replace it with the Lodge. The Bible says that all believers are part of the Temple of God, yet Masons view themselves as working in a Temple. Many Masons deny that it is a religion, yet many high level Freemasons like Albert Pike call Freemasonry as a religion. The Bible is rather clear. I never call all people who are wrong a Satanist or a sinner. We are sinner since the NT says we are all sinners in need of God. The Bible says that Jesus died on the cross so that we may be saved. How clear you be. This is not backward teaching. Compromise and accepting concept contrary to the Word of God is backward teaching. Not telling the truth unto the members of the Blue Degrees is backward teaching as well.

QUOTE

Freemasonry offers to many men something many churches could not, which is an open secular organization occupied with men of faith (all faiths), to promote social well being. It's rites and obligations, archaic true, and no more faith shattering than swearing in a courtroom to tell the truth.

Response: The true church offers tons of things that Freemasonry will never give. You know what that is? It's the truth of Jesus Christ. It's the history of many contributions in science, astronomy, architecture, theology, math, civil liberties, civil rights, and other things that Freemasons can never equate. It gives men, women, and children the opportunity to grow in their spiritual relationship with Almighty God without the compromise and unification with false faiths. I know that Freemasonry is open to all faiths, yet they consider people of all faith brothers of the Lodge. A man who is an unbeliever is my neighbor, but he's not my brother of faith. Freemasonry readily have social dealings with society. I don't deny that, but Freemasonry also uses occult rituals and doctrines contrary to scriptures for which reason I will never join it. Many of its rites says that they come into the light from darkness, which denies Christ as possessing the only Light. That alone denotes a contradiction and errors in the Lodge. You can easily say "I affirm" in a courtroom to replace swearing and cite the Freedom of Religion part of the First Amendment as your justification. People have done that before.

QUOTE

Your denouncement of a very astute organization is deplorable, and for you to continue to broadcast that message is even worse. Perhaps you will take your intolerance to Jews, Mohammadians, and Catholics next?

Response: My denouncement of a group with occult influence is honorable. Me broadcasting the truth is part of Bill of Rights. If you don't like it, you have that right but I

have my right to show what I believe. I'm not going to be coward and back down. I have no intolerance of Jews, Muslims, and Catholics. You don't understand that dissent isn't necessarily related to hate. Let's hear some facts, shall. The fact is that some Jews are good and some are evil. The fact is that Muhammad not only had more than 4 wives (violating his own Koran), but the Koran denies the Jesus is the Son of God. The fact is that Catholics accept calling the Pope Holy Father, accept venerating images, accept Mary as the Every virgin, believe in purgatory, and other concepts, which have no basis in the Bible. A lot of their beliefs never existed in the early church, but was added centuries after the birth of Jesus Christ. I'm bringing it. I'm happy that people like me (who are in the alternative media movement) are gaining ground. People are waking up and I must be a man and expose Freemasonry. My advise to you is to demit from Freemasonry. <http://www.cuttingedge.org/fmcorner.html> is a link with more than enough evidence to prove my point exactly.

this is interesting. the explanation of this pyramid with the eye is the most fascinating one yet.

"The 33 bricks in the pyramid stand for 33 degrees of Free Masonry...US Masonry... However, the next illustration will demonstrate that in the 13 steps, 33 is very low. There are AT LEAST 99 degrees of Freemasonry! Some believe that there are 360 degrees but I have yet heard anyone confirm that from experience yet."

I believe the M stands for Mary. I heard that JP2's motto was "Totus Tuus Sum Maria," or "Mary, I'm all yours." He was a bigtime Mary worshiper.

Dagger used for the secret ceremony to induct a new Jesuit Warrior of God
The Oath of the Jesuits The Warrior Priests of Roman Catholicism

The Reformation began in 1517 when a Catholic priest named Martin Luther, nailed his 95-points of righteous protest against Roman abuse and biblical errors to the door of the church in Wittenburg, Germany. The Reformation resulted from centuries of political, financial and spiritual bondage to Rome by citizens of the countries of Europe who were hunted down, tortured and executed unless they bowed to Rome's authority.

The complete oath for is on file at the Library of Congress, Washington D.C. Catalog Card 66-43354:

This dagger

The 12 1/4" dagger is accented with a sculpted handle surrounded by cast metal accents

and ebony and sapphire jewels and a 7" satin finished stainless steel blade.

The coordinating cast metal sheath offers ancient designs accented with ebony and

sapphire jewels.

The dagger sits neatly in the all metal table top display stand.

look at this item (click above link to see) Description:

Tryals Jesuits Priests For High Treason, KING, 1679

The Tryals and Condemnation of Jesuits and Priests For High Treason in Conspiring the Death of the King

CONTENTS: The full title of this rare Jesuit Plot trial pamphlet reads "The tryals and condemnation of Thomas White alias Whitebread, provincial of the Jesuits in England, William Harcourt, pretended rector of London, John Fenwick, procurator for the Jesuits in England, John Gavan alias Gawen, and Anthony Turner, all Jesuits and priests; for high treason: in conspiring the death of the King, the subversion of the government, and Protestant religion. At the Sessions in the Old-Bailey for London and Middlesex, on Friday and Saturday, being the 13th and 14th of June, 1679. Published by authority."

The king referred to is Charles II and the date puts it as shortly after the English Civil War and only 19 years after the monarchy was reinstated.

The men mentioned above all pleaded innocent to the charge. They were accused of plotting to murder the king on religious motivation, wishing to introduce Catholicism back to England. The wording of the charge is very rich in adverbs, "James Corker and the other False Traitors, did falsely, advisedly, maliciously, devilishly, and traitorously plot".

The defendants were all found guilty of the charge and sentence to be hung, drawn and quartered.

The rear of the volume features an advertisement for Mr Recorder's speech before judgement.

Pope JP I killed over 'reform plans'

Sunday, December 18th, 2005

POPE John Paul I, who died from an apparent heart attack just 33 days after becoming pontiff in 1978, was assassinated over his plans to radically reform the Catholic Church, a novel to be published worldwide next year charges.

Portuguese author and television scriptwriter Luis Miguel Rocha, 29, said he based The Last Pope on documents he obtained through an undisclosed Vatican source, which he will make public once the novel is published in April.

The novel expounds the theory that John Paul I had become a threat because he was aware of money laundering involving the Vatican Bank as well as due to his plans to liberalise some aspects of centuries-old church doctrine.

"He wanted to be the last wealthy pope. John Paul I wanted to redistribute the riches of the church, open the church to women and authorise the use of contraceptives," Rocha told AFP in an interview.

The novel depicts John Paul I's assassination as the result of a Conspiracy involving top financial officials, several European governments and a Mafia group that counted top officials of the Roman Curia, including the pontiffs personal secretary, as members.

Rocha's novel triggered huge interest during October at the annual Frankfurt Book Fair, the world's largest trade fair for publishers, as editors from more than 50 nations indicated they wanted to buy the rights, Portuguese publishers said.

John Paul I's death on September 28, 1978 instantly gave rise to speculation due to discrepancies between the official story of the discovery of his body and the facts,

combined with the Vatican's refusal to perform an autopsy.
Rocha's book is not the first to point to foul play.

In 1984, British author David Yallop, who writes mostly about unsolved crimes, published *In God's Name*, which proposed the theory John Paul I's death was linked to alleged corruption at the Vatican Bank.

The book has sold over six million copies but many of its points of suspicion were challenged four years later by British historian and journalist John Cornwell in his book *A Thief in the Night*.

Rocha's Portuguese publishers, Saida de Emergencia, said the new book would be the first to be based directly on Vatican documents.

"This book is a work of fiction based on real facts," said the author's Portuguese editor, Luis Corte Real.

The novel is one of several religious thrillers to be launched in 2006 following the runaway success of Dan Brown's *The Da Vinci Code*, which has more than 25 million copies in print worldwide.

The Portuguese Media has already labelled Rocha, who divides his time between London and Portugal's second city, Oporto, as the "new Dan Brown" and Rocha has reportedly agreed to write a preface to *The Last Pope*.

Elected on the third ballot of the 1978 papal conclave, Pope John Paul I – born Albino Luciani – immediately sparked controversy with his refusal to have the traditional papal coronation ceremony, choosing to have a less formal papal inauguration mass instead.

His successor, Pope John Paul II, who left a deeply conservative stamp on the church he led for 26 years until his death in April, opted to copy the low-key ceremony rather than reinstate the millennium-old papal coronation.

The Last Pope will be published in April in Portugal, Britain and the United States, Corte Real said.

The English edition alone is expected to sell more than two million copies, according to forecasts by the book's British publishers, he added.

Bishop apologizes for delay in reporting alleged priest sex abuse

Sat, Aug. 12, 2006

Associated Press

<http://www.mercurynews.com/mld/mercurynews...ia/15262082.htm>

SANTA ROSA, Calif. - A Roman Catholic church official apologized Saturday for waiting several days to notify authorities about sexual abuse allegations against a priest, a delay that may have allowed the priest to flee to Mexico.

Bishop Daniel Walsh of the Santa Rosa diocese said in a one-page statement to parishioners he put "caution" before "doing the right thing" in handling the allegations against priest Xavier Ochoa.

Church officials say Ochoa admitted April 28 to sexually abusing a 12-year-old altar boy, but the allegations were not reported to Child Protective Services until May 1, and Ochoa disappeared the next day.

"I made an error in judgment by waiting to report Rev. Ochoa's admission," Walsh wrote in the statement, distributed at Saturday Mass throughout the diocese, which stretches from Santa Rosa to the Oregon border. "I should have acted immediately, and not delayed. For this I am deeply sorry."

Ochoa, 68, was charged June 22 with 10 felony counts and one misdemeanor count of child sex abuse involving three alleged victims. A warrant was issued for his arrest.

Walsh said the public admission could aid prosecutors in filing criminal charges against

him.

Prosecutors said in July they were investigating whether church officials violated a state law requiring doctors, nurses, teachers and clergy members to immediately report child sex abuse claims.

"If I am found guilty for not taking immediate action, I will accept whatever punishment is imposed," Walsh said.

Sonoma County District Attorney Stephan Passalacqua told The (Santa Rosa) Press Democrat on Saturday he had not seen the letter and that the investigation was still pending.

Walsh said he lamented the damage his delayed reporting caused the church and wanted to admit his error.

"With this letter," he wrote, "I am choosing to step forward and admit my mistake because not to do so would only compound my original inaction and further tarnish all of our shared efforts over the past six years, in working to eradicate sexual abuse in the Church."

George W Bush and Cheif Justice Roberts Leave the Red Mass. Behind them you'll see Laura Bush and Condoleeza Rice

"Red Mass"

[St. Thomas Moore who was beheaded for treason against the king of England. The treason was listening to the Pope over the king.](#)

[Red Mass Link One](#)

[Red Mass Link Two](#)

[Red Mass Link Three](#)

Now check Out this part of Wikipedia's entry for Anti-Catholicism: ".....Catholics constitute an imperium in imperio, a sort of a fifth column of persons who owe a greater allegiance to the Pope than they do to the civil government,...."

This is what they do to infiltrate and undermine free Republics and this is what they have done here. They have infiltrated our civil government and have changed it to an oppressive and un-free society

This is out and out proof that the Catholic Church, the Vatican, the Pope, the black Pope and his Jesuits are running things here in America. For they are ALL honoring this St Thomas Moore through the "Red Mass" who was beheaded for treason! wikipedia url for anti-catholicism: http://en.wikipedia.org/wiki/Anti-Catholic...d_Protestantism you have to substitute the .. with shift 3 (pound sign) because all posts with the pound sign turns to .. on myspace for some reason.

Now some of you may wonder what the big deal in all this is. Well, what if the Pope and the Catholic church have said that the U.S. Constitution is a "satanic document" and have been the enemy of freedoms all over the world? well, they have. Here are some contrasts between the U.S. Constitution and the Laws of the Roman Catholic Church.

"The Church of Rome Against The American Constitution."

Charles Chiniquy Said, "Rome is constant conspiracy against the rights and liberties of man all over the world; but she is particularly so in the United States.

"Long before I was ordained a priest, I knew that my church was the most implacable enemy of this Republic. My professors of philosophy, history and theology had been unanimous in telling me that the principles and laws of the Church of Rome were absolutely antagonistic to the laws and principles which are the foundation-stones of the Constitution of the United States.

"1st. The most sacred principle of the United States Constitution is the equality of every citizen before the law. But the fundamental principle of the Church of Rome, is the denial of that equality.

"2nd. Liberty of conscience is proclaimed, by the United States, a most sacred which every citizen must uphold, even at the price of his blood. But liberty of conscience is declared by all the popes and Councils of Rome, a most godless, unholy and diabolical thing, which every good Catholic must abhor and destroy, at any cost.

"3d. The American Constitution assures the absolute independence of the civil from the ecclesiastical or church power; but the Church of Rome declares, through all her Pontiff's and Councils, that such independence is an impiety and revolt against God.

"4th. The American Constitution leaves every man free to serve God according to the dictates of his own conscience; but the Church of Rome declares that no man has ever had the right, and that the Pope alone can know and say what man must believe and do.

"5th. The Constitution of the United States denies the right in any body to punish any other for differing from him in religion. But the Church of Rome says that she has the right to punish with the confiscation of their goods, or the penalty of death, those who differ in faith from the Pope.

"6th.

the Constitution of the United States is based on the principle that the people are the primary source of all civil power. But hundreds of times, the Church of Rome has proclaimed that that this principle is impious and heretical. She says that 'all government must rest upon the foundation of the Catholic faith; with the Pope alone as the legitimate and infallible source and interpreter of the law.'

"I could cite many other things, proving that the Church of Rome is an absolute and irreconcilable enemy of the United States; but it would be too long. These are sufficient to show the American people that Rome is a viper, which they feed and press upon their bosom. Sooner or later, that viper will bite to death and kill this republic.

"This was foretold by Lafayette and is now promulgated by the greatest thinkers of our time."

Isn't MySpace owned by Rupert Murdoch? Major Big Brother territory either way.

Also from Chiniquy's book, Lafayette is quoted as saying that if the American republic should ever fall, it will be at the hands of the Catholic clergy.

I think that Catholics think Thomas Moore was martyred...killed for being a Catholic. Not the case. He was killed for treason.

At reformation.org brother Kilkenny documents that Sir Thomas Moore was a Bible burner and one of the cruelest inquisitors that ever lived.

<http://reformation.org/thomas-more.html>

here's a snippet from another website:

1478 Feb 7, Sir Thomas More (d.1535), English humanist, statesman and writer, was born in London. He was best friend of Erasmus, and called by Erasmus: "a man for all seasons." He studied law and rose to the post of lord chancellor after the fall of Cardinal Wolsey. More would not accept Henry VIII's divorce from Catherine of Aragon nor his subsequent marriage to Anne Boleyn. The king had charges of treason filed and More was beheaded on July 6, 1535. He was canonized in 1935. The 1966 film "A man for All Seasons" was based on his life. He is famous for "Utopia."

I just put a bunch of "Red Mass" pictures online.

tlthe5th - August 13, 2006 01:50 AM (GMT)

So apparantly the Red Mass was from before the time of Thomas More. Why now, they honor Thomas More during or along with the Red Mass is an interesting question.

St. Thomas More and Red Mass History

St. Thomas More (1478-1535) was an English statesman who served as Chancellor

under the reign of Henry VIII. More opposed the King's attempt to divorce his wife and refused to renounce the authority of the Pope. For that he was beheaded. In 1935, Sir Thomas More was canonized by the Roman Catholic Church.

The Red Mass has a long history. It is thought to have originated in the Cathedral of Paris in 1245 to invoke the guidance of the Holy Spirit on the judges of the Ecclesiastical Courts. The name "Red Mass" refers to the red robes worn by the judges and the red vestments worn by the priests. They are still worn today. The Red Mass was introduced into the United States in 1928 at St. Andrew's Church in the shadows of the federal, state and municipal court buildings near Foley Square in New York City.

Nominations for the 2007 St. Thomas More Award are due by April 1, 2007.

AVBibleBeliever - August 13, 2006 04:13 AM (GMT)

They are Knights of Columbus. Roman Catholic Jeb Bush is himself a Third Degree Knight of Columbus according to his brother Skull and Bonesman Luciferian Crypto-Catholic George W. Bush in his speech to the 122nd Annual Knights of Columbus Convention in Dallas, Texas, Tuesday, Aug. 3, 2004.

From <http://www.whitehouse.gov/news/releases/20...0040803-11.html>

Quote: "I'm proud to say that my family has contributed to your ranks. A few years ago, Governor Jeb -- (applause) -- became a Knight. (Applause.) And he -- yes -- and he recently took his Third Degree. (Applause.) I'll see him this weekend. His son is getting married. I'll pass on the word, aim for the Fourth."

http://upload.wikimedia.org/wikipedia/en/4..._4th_Degree.jpg

Jeb Bush received an award from the Knights of Malta of Florida on March 11 2006 From http://www.maltamessenger.info/artman/publ...article_4.shtml (last paragraph)

Finally, on the occasion of the 7th Annual Order of Malta South Florida Gala, the Board of Directors has voted to bestow The Honorable Jeb Bush, Governor of the State of Florida with its Ethic of Life Award for Outstanding Service towards the defense of life and human dignity of the unborn. Congratulations Governor!

Tell that to the family of Terry Schiavo! Jeb Bush most certainly does not have an ethic of life!

Emperor Bush, in his speech to the K of C mentioned that the Knights of Columbus head the White House Office of Community and Faith Based Initiatives in the person of K of C James Towey.

According to Luciferian Emperor Bush "I needed someone to lead this program, so guess who I turned to? The Knights. (Applause.) I found Towey. Jim Towey is the Director of the White House Office of Faith-Based and Community Initiatives. He's with me. You know what his job is? His job is to help the faith community -- by the way, all faiths, all faiths -- Christian, Jew, or Muslim -- all faiths understand what is possible now. His job is also to make sure the federal government is a hospitable place for faith programs to work with. Let's be frank about it. Many faith-based programs don't want to interface with government. You know why? They're afraid of losing the ability to practice their faith. How can you be a faith-based program if you're not allowed to practice your faith?

Towey's job -- (applause) -- so Towey has got a big job, it's to change a culture, a suspicious culture, and we're making progress. A suspicious culture in Washington, a suspicious culture in the grassroots. Here's Towey's story. He goes to meet Mother Teresa for the first time. He shows up at one of her homes for the dying in India, and the sister who greeted him assumed he was there to work. (Laughter.) That's what I

assume every day that Towey shows up. (Laughter.) So she gave Jim some cloth, and said, go clean the sores of a dying man. He says it changed his life, that experience. He went on to work full-time for the Missionaries of Charity. Incredibly enough, Jim Towey, Director of the Office of Faith-Based Initiatives in the White House, was Mother Teresa's lawyer. I ask you, what kind of society is it where Mother Teresa needs a lawyer? (Laughter and applause.) It's a society that needs tort reform. (Laughter and applause.)

Bush also said, "I also appreciate the Knights' of Columbus stand on the federal judiciary. I have a responsibility as President to make sure the federal judicial system runs well. I have nominated superb men and women for the federal -- for the federal benches who will strictly and fully interpret the law, not legislate from the bench. (yeah right like Knight of Columbus Samuel Alito Jr. and Opus Dei and [Jesuit] John Carroll Society member U.S. Supreme Court Chief Justice John G. Roberts?)

The Bush family is a tool of the Papacy. George H. W. Bush is a Knight of Malta as is Prescott Bush Jr. Pro-Nazi Skull and Bonesman Prescott Bush Sr. was trained by the Jesuits of Stonyhurst.

One thing about Jeb that disgusted me--during the drawn-out Terri Schiavo murder last year, he was running around hollering "We're a nation of laws!"

Well boy howdy Jeb, I thought our laws were intended to PROTECT a person's God-given rights, such as the right to LIFE?

He ticked me off about as much as that George Felos character did. Now that Felos is one sick character.

hey everyone, I updated this Red Mass web page with lots of info. I feel this is a very important topic due to the fact that they're honoring a murderer of many and someone who listened to the Pope over his own king. The reasons why he listened to the Pope isn't important I don't think. It's just that he did that. That is treason. They are honoring a treasonist and murderer in this country through the Legislative branch of our Government. This resurrects new charges against the Catholic Church for the death of

Bible translator William Tyndale who Thomas More had burned alive at the stake!!

I find it odd there is never no videos on the JO or SMOM there always seems to be videos on masons,zionist,illuminati,aliens,ufos etc etc but never the Jesuit Order/Black Nobility I have only seen 1 about the JO & Black nobility and that was made by d3v

CRAIG-OXLEY - May 22, 2006 01:09 AM (GMT)

The only one I've come across was of Eric Phelps at ConCon2002 if I remember correctly! It was a 2 hour lecture with the legend himself.

Ask yourself why you do not see hundreds of videos showing the Jesuit Order or even the SMOM for that matter? Because these are the true pinacle control leaders. Every man and his dog are now aware of the Illuminati but most simply either believe its reptilians or simply haven't a clue who they really are and what groups they consist of. Every man and is dog see Illuminati in SMOM Hollywood films like Tombraider & Chainsaw Massacre. Its a way of getting interest in Secret Societies which believe me as Opus Dei has proved with Da Vinci Code is a great way of recruiting. Yes I said correctly recruiting as at one time this was forbidden but with the dwindling numbers coming in, they now have started recruiting in many lodges. Again remember we hear Zionists all day long, along with Illuminati bloodlines. Why is this the case yet many have never heard of the Jesuit Order and/or SMOM let alone its leadership and members etc? The answer is staring you in the face. Remember on that the Jesuits were known in france as the Company of Sion.

smashstuff - May 22, 2006 03:53 AM (GMT)

I'm of the opinion that Mel Gibson's 'The Passion of the Christ' was a recruitment film for Opus Dei, what with all the violence in it, as Opus Dei is into self-flaggelation.

Alexandra - May 22, 2006 03:59 AM (GMT)

Gibson's movie was basically a theatrical mass. I refused to see it. Even the Bible doesn't go into great detail about Jesus' beatings.

Gibson didn't get it from the Bible, he got his info from some mystic, Anne Catherine Emmerich.

Vatican fury at 'blasphemous' Madonna

By Nick Pisa in Rome
(Filed: 04/08/2006)

<http://www.telegraph.co.uk/news/main.jhtml...04/wmadge04.xml>

The Vatican accused Madonna of "blasphemy and profanity" yesterday - and even suggested that she should be excommunicated over a scene in her current Confessions Tour.

The so-called Queen of Pop brings her show to Rome on Sunday, and Roman Catholic leaders are furious at part of her performance in which she wears a crown of thorns and is apparently crucified.

Cardinal Ersilio Tonino, speaking with the Pope's approval, said: "This is a blasphemous challenge to the faith and a profanation of the Cross. She should be excommunicated. To crucify herself ... in the city of popes and martyrs is an act of open hostility. It is nothing short of a scandal and an attempt to generate publicity."

Another Vatican official, Bishop Velasio De Paolis, said: "How this woman can take the name of the mother of Christ, I don't know. Her show represents the rotten fruit of secularism and the absurdity of evil."

Meanwhile, in an interview with the Italian edition of Vanity Fair, Madonna said a bad riding accident last year had brought her closer to God. "It made me look at life in a new way ... I promised God: 'I am never going to complain, moan or grumble or be ungrateful again'."

Alexandra - August 10, 2006 11:21 PM (GMT)

I thought she was a Kabbalah high priestess and ex-Catholic...?

Either way I think her 15 minutes have long been over.

Alexandra - August 11, 2006 05:19 AM (GMT)

Yeah, I heard that years back on the Arsenio Hall show or something she was seen kissing her Baphomet ring.

Kinda creepy.... :blink:

JagDRS - August 11, 2006 03:11 PM (GMT)

"Madonna is an Illuminati mind control slave"

like so many of the pop/rock invaders, she, it & they have and continue to do quite well the job they were created to do. Just on the girly slut pop scene alone, consider for a moment the millions upon millions of drone mind-control-slavettes that have been lured, enlisted and indoctrinated into this style and lifestyle over the years. Brave New World is no longer just a wishful visionary blue-print; it's here, and in many cases it's running around mindless, on 10 to 15 year-old legs, and thinks promiscuity, wearing underwear as outerwear or wearing hardly nothing at all, and giving it up without a clue as to what it is, is cool.

CRAIG-OXLEY - August 11, 2006 11:09 PM (GMT)

Take a look at all these so-called stars and you'll see they mostly have almost zero talent. Look at the Spice Girls who just couldn't sing for toffee. They like like the British agents The Beatles were all created and controlled by The TAVISTOCK INSTITUTE the king of mind control for the Jesuits and their Illuminati Order. Over here everyone wants to crack the U.S market but very few ever do. When the Spice Girls arrived it was instant success! This is utter nonsense of course and all this happens whilst talented people keep getting the chop. The Spice Girls were created to help promote womens dysfunction. This is why the media love to attack Posh Spice because she is everything opposite to what they wished. She loves Marriage, Children and the Family unit. Tavistock absolutely loved the Lesbian dysfunctional scary spice and of course promoted Hariwell the dysfunctional fool to the United Nations for godsake. Now when

the Beatles were around there were many much better groups such as The Kinks who were banned from the U.S for some reason, was it so the Beatles could have free rome. Arrrrrrghhhh its annoying!

Now we actually had a form of music come along which finally got out the true message at one time. This form of music was known as Hip-Hip from the streets of the Bronx, New York. We had black ghetto living peoples telling it how it is right to the core and many conspiracy raps along the way by the likes of KRS-One whos well aware and fights The New World Odor. We had Public Enemy giving a really strong black panther military style outlook of Truth. What happened? The ELitests tried to destroy this form of music. They didn't succeed so what did they do? The same trick the Jesuits did after the Spanish Armada on Gt Britain and that was INFILTRATE! So they infiltrated and dictated what was to be said. Now all you hear are useless, self-centered raps talking about furr coats, cars & jewellery etc. Wheres the message gone? Even the likes of Ice-T, Ice-Cube etc have been destroyed and replaced by sell-out mainsteam softies now both in the Sovereign Military of Malta's Hollywood!

Alexandra - August 12, 2006 01:10 AM (GMT)

Ugh, that gangsta cRap. Too many kids around here (there are quite a few college campuses in this area) blare that crap going down the street...never mind that some towns around here have noise ordinances. And that's exactly what it is--NOISE. You can hear them next street over, and when they get right behind you at the light you can FEEL their sub-woofers!

Why'd you bring up Spice Girls, 2tuff? My husband's brother's ex-wife used to listen to that...now I got "tell me what you want, what you really really want" in my head! :P

LOL...as a fan of Rap Music, I do understand. Ice T rapped about shooting back at police. They would show up at his shows and arrest him. A few years later, he appeared in the movie version of Cathy Obriens testimonial about Cheneys hunting expeditions...entitled "[Surviving The Game](#)". Ice T plays a character who is paid to try and escape a few crazed hunters as if he is an animal. His characters name is "Mason".

Quite often, The Maltas will tip off the adepts through the Holly Tree Socery about the next pop star to become a Mason. The person will usually play a character of the same name. Ice T now plays a police officer on the show Special Victims Unit. The irony. Many boys in blue are masons of course, usually of the "blue" Degree.

They subverted the hiphop culture in the same way they did the flower children of the 60's replacing groups like War with people like Satanist "Sir" Ozzy Osbourne. Speaking of Rock Music, it would appear as if Gene Simmons of KISS fame has moved up a few "degrees" as his indoctrination of the youth continues with his new show promoting Luciferian Atonism through the outlet of Rock Music by way of his "dysfunctional family"

Alexandra - August 12, 2006 03:07 AM (GMT)

You couldn't pay me to watch Ozzy Osbourne's show or Gene Simmons'. I stay far away from that stuff.

Vatican Lawyers Claim Nazi Regime Violated No Laws in Genocide of 500,000 Serbs and Jews

A November hearing is set in Federal Court in the ongoing lawsuit of Alperin v. Vatican Bank. The Vatican Bank stands accused of post war laundering of genocide profits.

10 Aug 2006

By Greg Szymanski

<http://www.arcticbeacon.com/10-Aug-2006.html>

Vatican lawyers, including Pope Benedict's personal attorney, recently argued that genocide committed in Croatia during the Second World War by a Nazi regime with complicity by the Papacy was permissible under international law.

The outrageous argument was part of a motion in the ongoing lawsuit of Alperin v. Vatican Bank set for a hearing in November in Federal Court in San Francisco.

Vatican attorneys are seeking a dismissal, saying the Vatican Bank is immune because the Nazi backed Croatian regime did not violate international law by slaughtering 500,000 of its own citizens - Serbs, Jews, and Roman in an ethnic cleansing campaign.

"The Vatican Bank stands accused of the post war laundering of the profits of genocide, including dental gold taken from the victims of the Nazi backed Croatian regime known as the Ustasha," said Jonathan Levy, attorney for the victims.

"We are outraged that the Vatican Bank suggests that genocide and plunder are

permissible acts under international law."

Levy further questions whether the Pope is even aware of what defense the bank's attorneys are proposing, adding:

"On the one hand the Vatican is quick to condemn Israel and Serbia in recent years but in essence says it's OK to butcher 500,000 people, steal their belongings and stash it in the Vatican Bank. Pope Benedict should be concerned that the moral integrity of his Papacy is being undermined in a Federal Court."

According to Levy, *Alperin v. Vatican Bank* was originally filed in Federal Court in San Francisco in November 1999. The plaintiffs are concentration camp survivors of Serb, Jewish, and Ukrainian background and their relatives as well as organizations representing over 300,000 Holocaust victims.

The plaintiffs also seek an accounting and restitution of the Nazi Croatian Treasury that according to the U.S. State Department was illicitly transferred to the Vatican bank and other banks after the end of the war.

Named defendants currently include the Vatican Bank, Franciscan Order, and the Croatian Liberation Movement. Levy said these defendants combined to conceal assets looted by the Croatian Nazis from concentration camp victims, Serbs, Jews, Roma and others between 1941-1945.

Levy is also quick to point out the heart of the Vatican Bank lawsuit is based on information chronicled in the book, *The Secret War Against the Jews*, co-authored by John Loftus who also serves as the plaintiffs expert witness in this case.

He added that from the authors of the bestselling, *The Secret War Against the Jews*, comes another explosive work, *Unholy Trinity*, exploring links between the Vatican and the Nazis, featuring startling new information that redefines the Catholic Church's role in twentieth-century history.

"I have filed another lawsuit, *Levy v. CIA*, filed under the Freedom of Information Act, seeking release of U.S. Intelligence agency files regarding the notorious Vatican spymaster, Fr. Krunoslav Draganovic. New records on Draganovic were released as a result of that lawsuit in 2001," said Levy.

Levy, who has appeared several times on Greg Szymanski's radio show, *The Investigative Journal*, is licensed in California and the District of Columbia, as well as having represented organizations and individuals in a variety of Holocaust and World War II related lawsuits including banking, insurance, and slave labor matters. Levy is also a member of the International Criminal Bar in The Hague.

Title: Did OPUS DEI kill banker Gianmario Roveraro?

Description: *[Right after meeting with Opus Dei]*

CRAIG-OXLEY - July 22, 2006 10:23 PM (GMT)

Banker in food scandal is found dead after Opus Dei meeting

From Richard Owen in Rome

<http://www.timesonline.co.uk/article/0,,13...2280543,00.html>

A BANKER who had been questioned over a huge corporate scandal was found murdered yesterday, having apparently been kidnapped on his way home from a meeting of the Roman Catholic organisation Opus Dei.

The body of Gianmario Roveraro, 70, had been chopped into pieces and hidden in a hut beneath a motorway bridge about 18 miles (30km) from Parma.

The gruesome discovery made sensational headlines in Italy, by chance drawing together two enduring elements of national life: a mysterious financial scandal and the influence of the Church.

Police said that three men had been arrested and charged with Signor Roveraro's kidnap and murder. But a bizarrely limited confession by the alleged ringleader opened the way for a flood of speculation.

Signor Roveraro, a former Italian Olympic pole-vaulter, had been questioned in an inquiry into the collapse and fraudulent bankruptcy of the food and dairy conglomerate Parmalat, which is based in Parma. In 2003 Parmalat collapsed with €14 billion of debt — Europe's largest corporate failure.

Signor Roveraro, who had helped Parmalat to list its shares on the stockmarket a decade ago, was last seen on July 5 at a meeting in Milan of the secretive organisation

Opus Dei. Italian media reported that he was closely linked with the arch-conservative movement. Some reports said Signor Roveraro was a “supernumerary” or member of Opus Dei. The organisation never confirms individual membership.

Police have made no linkage between his disappearance and Opus Dei.

The speed of the arrests suggested that police had already followed leads concerned with his financial activities.

Noted for his reserve and discretion, Signor Roveraro once said in a rare statement about his involvement with Opus Dei that it was “not concerned with finance - finance is not Catholic or masonic, it is just finance”.

Initial reports said that Signor Roveraro’s corpse had been burnt, but police later said it had deteriorated badly in the heatwave and had been in an advanced state of decomposition when found.

The chief of the police squad that found the body, Luciano Garofano, said: “We are dealing here with a particularly savage murder.”

The alleged ringleader of those arrested is Filippo Botteri, 43, described as a former financial consultant from Parma who allegedly had had business dealings with Signor Roveraro.

Police said that he had confessed to the kidnap and murder but had refused to reveal a motive. He had told investigators he had suffered a memory loss, adding: “Don’t ask me any more questions, I don’t remember a thing”. Police said that the kidnappers appeared to have intended to murder Signor Roveraro from the start given that credible ransom note had been received.

In Dan Brown’s bestselling novel *The Da Vinci Code*, Opus Dei is portrayed as a ruthless organisation whose members practise corporal mortification and which is prepared to kill to keep its secrets. Opus Dei has vigorously denied this as ludicrous, and has denounced both the book and the film.

The news magazine *Panorama* yesterday headlined its account “The Roveraro Code”, saying the case involved “rivers of money, opaque interests and shady figures”.

Signor Roveraro was the founder of Akros Finanziaria, a financial services group. Alberto Nobili and Guido Salvini, the magistrates leading the inquiry, said that they were also looking into his “interests” in companies registered in Lugano and London and the recent collapse of an Austrian “high risk” investment firm that he had helped to set up.

On the day of his disappearance Signor Roveraro who had three grown-up children, told his wife Silvana he would be back at his Milan flat in the evening. Instead he

telephoned to say he was abroad, in a "German speaking country", and she would "soon have news".

Alarmed by this "unusual behaviour", Signora Roveraro contacted the Carabinieri, who began an investigation. His business colleagues said they later received a "suspicious request" from him by fax, purportedly from Switzerland, asking them to release a million euros.

Police said they were investigating whether the kidnap gang had used "sophisticated computer technology" to make it appear that both the phone call and the money request had come from abroad when in fact the murdered banker had "never left Parma".

Pippo Corigliano, spokesman for Opus Dei in Italy, said: "We are close to the family at this time and we respect their grief. We are praying for Gianmario, whom God will surely reward for his goodness and kindness." He added "We were friends for a long time, he was a person of great refinement".

The case has echoes of the death of Roberto Calvi, the Vatican-linked Milanese financier founded dead under Blackfriars Bridge in London in 1982 after his bank collapsed in a fraud scandal. His death was initially ruled to be suicide, but a murder inquiry was later opened and five people with Mafia links are on trial in Rome accused of conspiring to kill him.

QUOTE

Noted for his reserve and discretion, Signor Roveraro once said in a rare statement about his involvement with Opus Dei that it was "not concerned with finance - finance is not Catholic or masonic, it is just finance".

What he forgets to tell you is that the Vatican rules over all of International Banking. International Banking is based on International Maritime Admiralty Law which is based on Vatican Canon Law. International banking was created by the Catholics via their order known as the Knights Templars which later became one with the Sovereign Military of Malta who control all banking via Switzerland. This is why the Pope and Vatican archives are protected by Swiss guards as symbolism. The Swiss guarding is nothing more than symbolism because if theres a real threat against the Vatican, whos brought in to guard then? Yes the Sovereign Military of Malta. The SMOM control Switzerland, The City, New York & Dubai. The SMOM took on totally catholicism and had to in order to be protected by the Pope, this was one of their conditions. Both Vatican and SMOM are controlled by the ELders known as the Jesuits or the true Elders of Sion, they were known as the Company of Sion in France at one time. They created the documents:

The Secrets of the **EL**ders of Bourg-Fontaine against the the Jansenists.
The Protocol of the **EL**ders of Zion (originally Sion) to put blame on Jews.

These are the most powerful, organised, sneaky and knowledgable Order in the world and in full control of Opus Dei also. Now Dan "Temporal" Brown dont want you knowing this. -2tuff

According to Alberto Rivera, chopping someone into pieces is a sign of Jesuit involvement. I read that in Jack Chick's comic "The Godfathers," I think.

Looks like he got worse then a cup of borgia I think being beatin and butcherd into peices would be worse then getting a cup of borgia. That killing would look like something Jeffory Daulmer would of done.

CRAIG-OXLEY - July 23, 2006 01:15 PM (GMT)

Alexandra thats interesting and I wondered if the Order were the ones behind it. See if you can find something about this chopping up for us all.

CRAIG-OXLEY - July 24, 2006 01:16 AM (GMT)

Thanks to Alexandra:

"The Jesuits had moved so fast, the Central Communist Party wasn't even aware¹ of the trial or the killing of the Czar and his family until it was all over. It was a tremendous victory for the Vatican.

"We were told that the hunt for the Patriarchs (the religious leaders), the priests, nuns and monks of the Orthodox Church, began in earnest.

"The Vatican was anxiously waiting for news of the destruction of their religious competitors. The Soviets attacked the monasteries and convents, and the killing began. Only a strange twist of fate saved the Russian church... the old Patriarch had an ace up his sleeve.

Interesting Note: Dr. Rivera claims this was a test case. If the Russian church was destroyed, the next target would be the Church of England, which was still reeling from the false conversion of the great Jesuit, Cardinal Newman. But since this case failed, the Church of England was pulled into the hands of the Vatican about 60 years later through the ecumenical movement.

¹ A Jesuit technique and a secret sign of their involvement, according to Dr. Rivera, ex-Jesuit Priest.

Police Seeking Suspects in Kansas City, Mo., Knights of Columbus Shooting

Monday, July 24, 2006

Two Killed, Nine Injured in Kansas City Knights of Columbus Shooting

KANSAS CITY, Missouri — The volley of shots fired into a crowd outside a Knights of Columbus hall, killing two people, came nearly an hour after a dance party there had ended, a promoter said Monday.

Investigators had yet to provide details Monday about possible suspects or what may have triggered the shooting that sent people diving to the ground around 1 a.m. Sunday. In addition to the two people killed, nine were wounded, two of them critically.

The Knights of Columbus hall, in a working-class neighborhood along a retail strip in south Kansas City, had been hired by a local party promoter called Monarch Entertainment.

One of the owners of Monarch, Bobby Logan, said the shooting occurred about 45 minutes after the party ended as people lingered on the parking lot. He said the company had security inside the hall during the party and had twice asked people loitering outside to disperse.

Police did not publicly release the names of any of the victims, however relatives and friends held a vigil Sunday night for Nathan Buie and DeMarco Harvey, both 20.

Buie would have been a junior in the fall at the University of Missouri at Kansas City, where he was a member of the track team.

"Nathan wanted to make it to the Olympics someday," a longtime friend, Desmond Nugent, told The Kansas City Star. "If not, he was going to try to have a radio show."

Harvey was going to be a junior at the University of Arkansas at Pine Bluff in the fall, said his sister, DeMarchelle Harvey.

The hall where the party had been held sits behind a hair salon and a bar called D'Angelo's Lounge.

Dan Blevins, 58, was at D'Angelo's and saw parking lots on both sides of the street fill up around 10:30 p.m. with young people milling around and leaning against cars. The bartender called police, who arrived around 11 p.m. and left a short time later, he said.

Around 1 a.m., Blevins said, "We see people diving to the ground, and it sounds like firecrackers."

Police would not say if the shots were fired from within the crowd or from a passing vehicle.

Police Sgt. Doug Niemeier estimated that 25 to 50 shots were fired. Police arriving at the scene witnessed "people running in all different directions," Niemeier said Sunday.

Police said Sunday that two were in critical condition — a 17-year-old shot in the chest and a 24-year-old hit in the neck — but they would not identify them and hospitals wouldn't give information Monday without names. The other seven were treated at hospitals for wounds that were not considered life threatening.

check this out everyone, I had a dream of Ignatious Loyola, lol! it was very incredible actually. it started off as I was looking at a painting of him and it turned real and he was walking by me with his head looking at me. when I woke up I felt like it was a message from God maybe, it just seemed real, like the jesuits were watching me now. remember, i did those videos and put that alberto video online. i dont think they would like that. also, i was a member of tony alamo's ministry for a few years (i still consider him a dear friend) and my testimony was on one of his literatures and went worldwide and I criticized the catholic church in it. Jack chick is friends with Tony Alamo and Eric Phelps told me Tony's ministry had a lot of damage done to it by the jesuits.

Eric links to his site in his vatican assassins.org site under "other vatican links" or something like that. Plus Eric put my video on his site so the jesuits might know about that too. In the jesuit induction i do believe they specifically say that they'll kill anyone no matter how rich or poor they are. or something similar to that so I am watching out.

but like it's been said here, and I believe it, that only God can protect me if it pleases Him to do so.

Title: The Jesuit Smokescreen of Opus Dei

AVBibleBeliever - August 8, 2006 03:15 AM (GMT)

The Jesuit Smokescreen of Opus Dei

Last week, I went with my mother to Sam's Club (founded by the late Sam Walton a 33rd Degree Freemason-Wal-Mart and Sam's Club are funding the coming Chinese invasion which is why I discourage my family and friends from purchasing from this retail monster ultimately controlled by the Jesuits). I checked their DVD selection and I saw one called "The Da Vinci Hoax" hosted by Jesuit Mitch Pacwa of the Order's University of Scranton in Pennsylvania and Catholic EWTN (Eternal Word Television Network). I looked at the back of the DVD and saw it was distributed by Ignatius Press and a company called Xenon.

There are Jesuits who are acting as opponents of the Da Vinci Code when in fact it was the Order who used their Temporal Coadjutor Dan Brown (who had a audience with Papal Antichrist prior to writing Angels and Demons which purposely misleads the reader into thinking the Illuminati is the enemy of the Roman Catholic Church and Vatican) to direct attention to the Jesuits' Opus Dei. Brown never mentions the Jesuits in the book Angels and Demons. Personally, I have never read the Da Vinci Code but I am certain that the Jesuits are not named at all. The Da Vinci Code was written with the intention of creating a smokescreen so the focus would shift toward Opus Dei, Freemasonry, and Rosicrucianism. Now, you have Jesuits and their temporal coadjutors who openly oppose it but in secret this deception under the guise of entertainment is being used to make the Order appear to be heroes, "defenders of the (Catholic) faith" and therefore most trustworthy.

After the Da Vinci Code was released, numerous articles about the Jesuit-controlled order Opus Dei came out which overestimated its power and influence. There was an article in Time Magazine, TV specials, books, films, that portray Opus Dei as the most powerful order of the Roman Catholic Institution when this is not the case.

2tuff, I heard some ignorant person named albie criticize you. Here's my response to albie.

To albie:

<http://www.davidickeforum.com/forum/viewtopic.php?t=32305>

It isn't rubbish to expose all evil, even the Jesuit. Mel Gibson is a Vatican I agent. The Vatican and the Jesuits have been proven that they've killed many people in Inquisitions, wars, attacks, and other forms of unjustified violence. Credible authors have written about this like Edmond Paris, Avro Manhattan, Alberto Rivera, and Eric

Jon Phelps. THE Passion is a Jesuit psy-op film by using Jesuit Fulco in some of its translation. Many of the film has nothing to do with Bible like demons tormenting Judas and Jesus'(I would say a false Jesus') buttocks shown at the end of the film. Cavizel was naked at the end of the film. It's a piece of propoganda and Icon Publications (who funded it) has an All Seeing Eye for its logo. Gibson used msytic monks for inspiration of the film. Anne was one of them. He apologized, but the Passion must be exposed. Also, 2tuff never talked about a mind probe, but his connections to secret orders and false church movements. That's reality. It's not really a Jewish or Gentile thing. It's a fake person and false agenda thing. It's a good vs. evil thing. I do agree with the pro-Mel crowd that people must get over Mel and move on. But, The same hypocrites taking up for Mel, don't give a inch of care to the evil nature of the Poison of the Antichrist film. Forget the Passion and forget Vatican I. Indeed, Masonic Labor Zionists must be exposed, yet the Jesuits must be exposed as well.

Paedophile priest was given post at school for the deaf

Campaigners demand inquiry into 'reign of sexual terror'

Antony Barnett and Ali Beach

Sunday August 6, 2006

The Observer

http://observer.guardian.co.uk/uk_news/sto...1838319,00.html

The Roman Catholic Church covered up the criminal past of a paedophile priest and gave him a job in a school for deaf children where he went on to sexually assault vulnerable young boys, an Observer investigation can reveal.

The church is now facing a massive compensation claim from the victims of the priest, Father Neil Gallanagh, who accuse the authorities of 'wilful neglect'. Child abuse campaigners are calling for a public inquiry into the case, which they claim led to a 'reign of sexual terror' for some boys at the school .

Last year Gallanagh, 75, pleaded guilty to indecently assaulting two pupils of St John's Roman Catholic School for the Deaf in Wetherby, West Yorkshire. The school was under the control of the diocese of Leeds, which employed Gallanagh. A further 11 charges against him of indecently assaulting five other boys aged under 16, including an 11-year-old, were left on file.

The attacks took place while Gallanagh was a resident chaplain at St John's during the Seventies. Many of the pupils at this residential school were deaf and dumb. The victims are mainly now in their forties and the assaults came to light only recently after one alleged victim spoke to his doctor and another attended a reunion party and spoke

with other pupils.

The Observer has obtained evidence showing that Gallanagh was given the job by the Catholic church at St John's despite having been caught abusing children as a priest more than a decade earlier while working at Craigbane church in Derry, Northern Ireland. It has emerged that, while he was on a day-trip to the Isle of Man in June 1960, he sexually assaulted a nine-year-old boy. A report from the Isle of Man Daily Times on 27 June 1960 described how Gallanagh sat with 'bowed head clasped to his hands' in the dock at Douglas Court House after he was arrested.

'I realise it was a horrible thing to do,' Gallanagh said in a statement to police at the time. 'I have been worried with this sexual trouble for some time, and recently it has become an obsession with me.'

Gallanagh was not jailed but fined £30 after he promised to seek medical treatment. A short report of his arrest appeared in the Belfast Telegraph

It appears that rather than throw Gallanagh - who was related to the then Bishop of Derry, Neil Farren - out of the church, he was moved to Leeds and allowed to continue preaching. The then Bishop of Leeds, William Wheeler, made him resident chaplain at St John's School for the Deaf in 1974. Gallanagh's previous conviction was not made known to the court in the 2005 case and his victims at St John's were unaware of his history until The Observer uncovered the earlier press reports from newspaper archives.

One of his victims at St John's expressed his outrage at the latest disclosures. 'I am more than livid and feel totally let down by a so-called Christian organisation. How could the church have allowed this to happen? How could they have put a paedophile into a school for deaf children who were unable to speak out? This man ruined many people's lives, including mine. At the very least the church is guilty of wilful neglect; at the worst it is something unimaginable,' he said.

David Greenwood, a solicitor acting for eight of Gallanagh's victims, confirmed he is suing the diocese of Leeds. 'We were unaware of this previous conviction, and it will certainly add strength to our case,' he said.

Margaret Kennedy, chair of Minister and Clergy Sexual Abuse Survivors (MACSAS), said: 'We now call again for a public inquiry into the sexual abuse of deaf children in St John's School. The new evidence suggests a cover-up scandal of sexual abuse of disabled children.'

Last year The Observer revealed how dozens of young children at a deaf school in south-east England were subject to brutal sexual abuse by the headmistress's husband over three decades.

Kennedy, along with other abuse campaign groups such as Phoenix Survivors, claims

that deaf victims of sexual abuse are not getting proper justice. Phoenix was outraged that, even after his latest crimes, Gallanagh received only a six-month suspended sentence and a £1,500 fine. Judge Norman Jones said that Gallanagh's age, recent poor health and good character for the last 30 years meant jail was inappropriate.

A spokesperson for Leeds diocese said: 'The two bishops and the vicar-general of that period died some considerable time ago and written records from the time are scant. The diocese of Leeds has developed good policies and practice in regard to all aspects of the protection of children and vulnerable adults and has co-operated fully when approached by statutory authorities in regard to historical cases.'

CRAIG-OXLEY - August 6, 2006 10:36 AM (GMT)

Aug. 1, 2006 -- "Casino Jack" Abramoff attracted one unusual set of customers to his former restaurant, "Signatures." Among the interests who gathered there to lobby and socialize was the Opus Dei, the secretive Catholic cult that counts such members as Sen. Sam Brownback of Kansas, Associate Justice Antonin Scalia, and former FBI Director Louis Freeh, Jr. While Opus Dei members or "supernumeraries" are secret, that apparently did not stop the organization from inviting its A-List members to Abramoff's restaurant to take advantage of the establishment's well-known deal-making services.

*Abramoff's restaurant attracted **Opus Dei** members: no word if his customers included any albino priests.*

The Evil Empire of Jesuit Futurism

(From Chapter 3 of The Left Behind Deception)

Imagine a pair of supernatural, high-tech, Heaven-inspired eyeglasses that can give a Christian the instant ability to see one of Lucifer's greatest end-time deceptions. Such X-ray eyeglasses do exist. The purpose of this chapter is help you find them and put them on, and then you will be able to understand the almost unimaginable Evil Empire of Jesuit Futurism.

Modern Christianity has largely forgotten the importance of the Protestant Reformation, which took place during the 1500s. "The sixteenth century presents the spectacle of a stormy sunrise after a dismal night. Europe awoke from long sleep of superstition. The dead arose. The witnesses to truth who had been silenced and slain stood up once more and renewed their testimony. The martyred confessors reappeared in the Reformers. There was a cleansing of the spiritual sanctuary. Civil and religious liberty were inaugurated. The discovery of printing and revival of learning accelerated the movement. There was progress everywhere. Columbus struck across the ocean and opened a new hemisphere to view. Rome was shaken on her seven hills, and lost one-half of her dominions. Protestant nations were created. The modern world was called into existence" (H. Grattan Guinness, Romanism and the Reformation, p. 122).

For almost a thousand years, Europe had been ruled by the iron hand of Rome. Only a few Bibles existed then, and Christianity was largely permeated with superstition. Faith in Jesus Christ, heart-felt appreciation for His love, and a simple trust in His death on the cross, were almost unknown. The New Testament truth about grace, full forgiveness, and the free gift of eternal life to believers in the Son of God (Romans 6:23), had been buried under a mass of tradition. Then Martin Luther arose like a lion in Germany. After a period of tremendous personal struggle, Martin Luther began teaching

justification by faith in Jesus Christ (being declared "just" by God), rather than through reliance on "creature merits," or any human works (Romans 1:16; 3:26, 28; 5:1).

Eventually, Martin Luther turned to the prophecies. By candlelight, he read about the "little horn," the "man of sin," and "the beast," and he was shocked as the Holy Spirit spoke to his heart. Finally, he saw the truth and said to himself, "Why, these prophecies apply to the Roman Catholic Church!" As he wrestled with this new insight, the voice of God echoed loudly in his soul, saying, "Preach the word!" (2 Timothy 4:2). And so, at the risk of losing his life, Martin Luther preached publicly and in print to an astonished people that Papal Rome was indeed the Antichrist of Bible prophecy. Because of this dual message of salvation through faith in Jesus Christ apart from works and of Papal Rome being the Antichrist, the river of history literally changed its course. Hundreds of thousands of people in Europe and in England left the Catholic Church.

"There are two great truths that stand out in the preaching that brought about the Protestant Reformation,' American Bible Commentator, Ralph Woodrow, reminds us, 'The just shall live by faith, not by the works of Romanism and the Papacy is the Antichrist of Scripture.' It was a message for Christ and against Antichrist. The entire Reformation rests upon this twofold testimony" (Michael de Semlyen, *All Roads Lead to Rome*, Dorchester House Publications, Dorchester House, England, 1991, pp. 202, 203). It has been said that the Reformation first discovered Jesus Christ, and then, in the blazing light of Christ, it discovered the Antichrist. This mighty, Spirit-filled movement, for Christ and against the Antichrist, shook the world.

H. Grattan Guinness wrote these memorable words: "From the first, and throughout, that movement [the Reformation] was energized and guided by the prophetic word. Luther never felt strong and free to war against the Papal apostasy till he recognized the pope as antichrist. It was then that he burned the Papal bull. Knox's first sermon, the sermon that launched him on his mission as a reformer, was on the prophecies concerning the Papacy. The reformers embodied their interpretations of prophecy in their confessions of faith, and Calvin in his 'Institutes.' All of the reformers were unanimous in the matter, even the mild and cautious Melancthon was as assured of the antipapal meaning of these prophecies as was Luther himself. And their interpretation of these prophecies determined their reforming action. It led them to protest against Rome with extraordinary strength and undaunted courage. It nerved them to resist the claims of the apostate Church to the utmost. It made them martyrs; it sustained them at the stake. And the views of the Reformers were shared by thousands, by hundreds of thousands. They were adopted by princes and peoples. Under their influence nations abjured their allegiance to the false priest of Rome. In the reaction that followed, all the powers of hell seemed to be let loose upon the adherents of the Reformation. War followed war: tortures, burnings, and massacres were multiplied. Yet the Reformation stood undefeated and unconquerable. God's word upheld it, and the energies of His Almighty Spirit. It was the work of Christ as truly as the founding of the Church eighteen centuries ago; and the revelation of the future

which he gave from heaven - that prophetic book with which the Scripture closes - was one of the mightiest instruments employed in its accomplishment " (H. Grattan Guinness, *Romanism and the Reformation*, pp. 136, 137).

In 1545, the Catholic Church convened one of its most famous councils in history, which took place north of Rome in a city called Trent. The Council of Trent actually continued for three sessions, ending in 1563. One of the main purposes of this Council was for Catholics to plan a counterattack against Martin Luther and the Protestants. Thus the Council of Trent became a center for Rome's Counter-Reformation. Up to this point, Rome's main method of attack had been largely frontal - the open burning of Bibles and of heretics. Yet this warfare only confirmed in the minds of Protestants the conviction that Papal Rome was indeed the Beast which would "make war with the saints" (Revelation 13:7). Therefore a new tactic was needed, something less obvious. This is where the Jesuits come in.

On August 15, 1534, Ignatius Loyola founded a secret Catholic order called the Society of Jesus, also known as the Jesuits. Historically, we might compare this order to Darth Vader's Evil Empire in the classic Star Wars films. The Jesuits definitely have a dark history of intrigue and sedition, that's why they were expelled from Portugal (1759), France (1764), Spain (1767), Naples (1767), and Russia (1820). "Jesuit priests have been known throughout history as the most wicked political arm of the Roman Catholic Church. Edmond Paris, in his scholarly work, *The Secret History of the Jesuits*, reveals and documents much of this information" (*Seventy Weeks: The Historical Alternative*, by Robert Caringola. Abundant Life Ministries Reformed Press, 1991, p. 31). At the Council of Trent, the Catholic Church gave the Jesuits the specific assignment of destroying Protestantism and bringing people back to the Mother Church. This was to be done not only through the Inquisition and through torture, but also through theology.

It's time to discover those X-ray eyeglasses. At the Council of Trent, the Jesuits were commissioned by the Pope to develop a new interpretation of Scripture that would counteract the Protestant application of the Bible's antichrist prophecies to the Roman Catholic Church. Francisco Ribera (1537-1591), a brilliant Jesuit priest and doctor of theology from Spain, basically said, "Here am I, send me." Like Martin Luther, Francisco Ribera also read by candlelight the prophecies about the Antichrist, the little horn, that man of sin, and the Beast. But because the Pope was his boss, he came to conclusions vastly different from that of the Protestants. "Why, these prophecies don't apply to the Catholic Church at all!" Ribera said. Then to whom do they apply? Ribera proclaimed, "To only one sinister man who will rise up at the end of time!" "Fantastic!" was the reply from Rome, and this viewpoint was quickly adopted as the official Roman Catholic position on the Antichrist.

"In 1590, Ribera published a commentary on the Revelation as a counter-interpretation to the prevailing view among Protestants which identified the Papacy with the Antichrist. Ribera applied all of Revelation but the earliest chapters to the end time rather than to

the history of the Church. Antichrist would be a single evil person who would be received by the Jews and would rebuild Jerusalem" (George Eldon Ladd, *The Blessed Hope: A Biblical Study of the Second Advent and the Rapture*. Grand Rapids, MI: Eerdmans, 1956, pp. 37-38). "Ribera denied the Protestant Scriptural Antichrist (2 Thessalonians 2) as seated in the church of God - asserted by Augustine, Jerome, Luther and many reformers. He set on an infidel Antichrist, outside the church of God." (Ralph Thompson, *Champions of Christianity in Search of Truth*, p. 89). "The result of his work [Ribera's] was a twisting and maligning of prophetic truth" (Robert Caringola, *Seventy Weeks: The Historical Alternative*, p. 32).

Following close behind Francisco Ribera was another brilliant Jesuit scholar, Cardinal Robert Bellarmine (1542-1621) of Rome. Between 1581 and 1593, Cardinal Bellarmine published his "Polemic Lectures Concerning the Disputed Points of the Christian Belief Against the Heretics of this Time." In these lectures, he agreed with Ribera. "The futurist teachings of Ribera were further popularized by an Italian cardinal and the most renowned of all Jesuit controversialists. His writings claimed that Paul, Daniel, and John had nothing whatsoever to say about the Papal power. The futurists' school won general acceptance among Catholics. They were taught that antichrist was a single individual who would not rule until the very end of time" (*Great Prophecies of the Bible*, by Ralph Woodrow, p. 198). Through the work of these two tricky Jesuit scholars, we might say that a brand new baby was born into the world. Protestant historians have given this baby a name - Jesuit Futurism. In fact, Francisco Ribera has been called the Father of Futurism.

Before we go much farther, let's define some terms. Historicism is the belief that Biblical prophecies about the little horn, the man of sin, the Antichrist, the Beast, and the Babylonian Harlot of Revelation 17, all apply to the developing history of Christianity and to the ongoing struggle between Jesus Christ and Satan within the Christian Church, culminating at the end of time. Historicism sees these prophecies as having a direct application to Papal Rome as a system whose doctrines are actually a denial of the New Testament message of free salvation by grace through simple faith in Jesus Christ, apart from works. Historicism was the primary prophetic viewpoint of the Protestant Reformers. In direct opposition to Historicism, and rising up as a razor-sharp counter-attack on Protestantism, was the Evil Empire of the Jesuits with their viewpoint of Futurism, which basically says, "The Antichrist prophecies have nothing to do with the history of Papal Rome, rather, they apply to only one sinister man who comes at the end."

Thus Jesuit Futurism sweeps 1,500 years of prophetic history under the proverbial rug by inserting its infamous GAP. The GAP theory teaches that when Rome fell, prophecy stopped, only to continue again right around the time of the Rapture. Thus the ten horns, the little horn, the Beast, and the Antichrist have nothing to do with Christians today. According to this viewpoint, how many prophecies were being fulfilled during the Dark Ages? None. Zero.

For almost 300 years after the Council of Trent, this Catholic baby (Jesuit Futurism) remained largely inside the crib of Catholicism, but the plan of the Jesuits was that this baby would grow up and finally be adopted by Protestants. This adoption process actually began in the early 1800s in England, and from there it spread to America. The story of how this happened is both fascinating and tragic. As I briefly share some of the highlights, I want to clarify that many of those whom I will mention were (and are) genuine Christians. But is it possible for a Christian to unknowingly become a channel for error? In other words, can a sincere Christian be used by both Jesus Christ and the devil? At first we might say, "Never!" but consider this. In Matthew 16, Jesus told Peter that God was blessing him as he shared his faith in Christ (16:15-17), and then, just a few minutes later, Peter yielded to temptation and Satan spoke through him (16:21-23)! This proves that a Christian can be used by both God and Lucifer, and all within a short space of time. I call this the Peter Principle.

"The Futurism of Ribera never posed a positive threat to the Protestants for three centuries. It was virtually confined to the Roman Church. But early in the nineteenth century it sprang forth with vehemence and latched on to Protestants of the Established Church of England" (Ralph Thompson, *Champions of Christianity in Search of Truth*, p. 91). Dr. Samuel Roffey Maitland (1792-1866), a lawyer and Bible scholar, became a librarian to the Archbishop of Canterbury. It is very likely that one day he discovered Ribera's commentary in the library. In any event, in 1826 he published a widely-read book attacking the Reformation and supporting Ribera's idea of a future one-man Antichrist. For the next ten years, in tract after tract, he continued his anti-Reformation rhetoric. As a result of his zeal and strong attacks against the Reformation in England, the Protestantism of that very nation which produced the King James Bible (1611) received a crushing blow.

After Dr. Maitland came James H. Todd, a professor of Hebrew at the University of Dublin. Todd accepted the futuristic ideas of Maitland, publishing his own supportive pamphlets and books. Then came John Henry Newman (1801-1890), a member of the Church of England and a leader of the famous Oxford Movement (1833-1845). In 1850, Newman wrote his "Letter on Anglican Difficulties" revealing that one of the goals in the Oxford Movement was to finally absorb "the various English denominations and parties" back into the Church of Rome. After publishing a pamphlet endorsing Todd's futurism about a one-man Antichrist, Newman soon became a full Roman Catholic, and later even a highly honored Cardinal. Through the influence of Maitland, Todd, Newman, and others, a definite "Romeward movement was already arising, destined to sweep away the old Protestant landmarks, as with a flood" (H. Grattan Guinness, *History Unveiling Prophecy or Time as an Interpreter*, New York: Fleming H. Revell Co., 1905, p. 289).

Then came the much-respected Scottish Presbyterian minister Edward Irving (1792-1834), the acknowledged forerunner of both the Pentecostal and Charismatic Movements. Irving pastored the large Chalcedonian Chapel in London with over 1,000

members. When Irving turned to the prophecies, he eventually accepted the one-man Antichrist idea of Todd, Maitland, Bellarmine, and Ribera, yet he went a step further. Somewhere around 1830, Edward Irving began to teach the unique idea of a two-phase return of Christ, the first phase being a secret rapture prior to the rise of the Antichrist. Where he got this idea is a matter of much dispute. Journalist Dave MacPherson believes Irving accepted it is a result of a prophetic revelation given to a young Scottish girl named Margaret McDonald (The Incredible Cover-Up: Exposing the Origins of Rapture Theories, by Dave MacPherson. Omega Publications, Medford Oregon. 1980). In any case, the fact is, Irving taught it!

In the midst of this growing anti-Protestant climate in England, there arose a man by the name of John Nelson Darby (1800-1882). A brilliant lawyer, pastor, and theologian, he wrote more than 53 books on Bible subjects. A much-respected Christian and a man of deep piety, Darby took a strong stand in favor of the infallibility of the Bible in contrast with the liberalism of his day. He became one of the leaders of a group in Plymouth, England, which became known as the Plymouth Brethren. Darby's contribution to the development of evangelical theology has been so great that he has been called The Father of Modern Dispensationalism. Yet John Nelson Darby, like Edward Irving, also became a strong promoter of a Pre-Tribulation Rapture followed by a one-man Antichrist. In fact, this teaching has become a hallmark of Dispensationalism.

Dispensationalism is the theory that God deals with mankind in major dispensations or periods. According to Darby, we are now in the "Church Age," that is, until the Rapture. After the Rapture, then the seven-year period of Daniel 9:27 will supposedly kick in, and this is when the Antichrist will rise up against the Jews. In fact, John Nelson Darby laid much of the foundation for the present popular removal of Daniel's 70th week away from history and from Jesus Christ in favor of applying it to a future Tribulation after the Rapture. Thus, in spite of all the positives of his ministry, Darby followed Maitland, Todd, Bellarmine, and Ribera by incorporating the teachings of Futurism into his theology. This created a link between John Nelson Darby, the Father of Dispensationalism, and the Jesuit Francisco Ribera, the Father of Futurism. Darby visited America six times between 1859-1874, preaching in all of its major cities, during which time he definitely planted the seeds of Futurism in American soil. The child of the Jesuits was growing up.

One of the most important figures in this whole drama is Cyrus Ingerson Scofield (1843-1921), a Kansas lawyer who was greatly influenced by the writings of Darby. In 1909, Scofield published the first edition of his famous Scofield Reference Bible. In the early 1900s, this Bible became so popular in American Protestant Bible Schools that it was necessary to print literally millions of copies. Yet, in the much-respected footnotes of this very Bible, Scofield injected large doses of the fluid of Futurism also found in the writings of Darby, Todd, Maitland, Bellarmine, and Ribera. Through the Scofield Bible, the Jesuit child reached young adulthood. The doctrine of an Antichrist still to come was becoming firmly established inside 20th-century American Protestantism.

The Moody Bible Institute and the Dallas Theological Seminary have strongly supported the teachings of John Nelson Darby, and this has continued to fuel Futurism's growth. Then in the 1970s, Pastor Hal Lindsey, a graduate of Dallas Theological Seminary, released his blockbuster book *The Late Great Planet Earth*. This 177-page, easy-to-read volume brought Futurism to the masses of American Christianity, and beyond. The *New York Times* labeled it "The number one best-seller of the decade." Over 30 million copies have been sold, and it has been translated into over 30 languages. Through *The Late Great Planet Earth*, the child of Jesuit Futurism became a man.

Then came *Left Behind*. In the 1990s, Tim LaHaye and Jerry Jenkins took the future one-man antichrist idea of Hal Lindsey, Scofield, Darby, Irving, Newman, Todd, Maitland, Bellarmine, and Ribera, and turned it into "The most successful Christian-fiction series ever" (*Publishers Weekly*). Hal Lindsey's book, *The Late Great Planet Earth*, was largely theological, which limited its appeal, while *Left Behind* is a sequence of highly imaginative novels, "overflowing with suspense, action, and adventure," a "Christian thriller," with a "label its creators could never have predicted: blockbuster success" (*Entertainment Weekly*). The much-respected television ministries of Jack Van Impe, Peter and Paul Lalonde, and Pastor John Hagee, have all worked together to produce *LEFT BEHIND: The Movie*. The entire project has even caught the attention of the *New York Times* and the *Wall Street Journal*, resulting in an interview of LaHaye and Jenkins on *Larry King Live*. The *Left Behind* books have been made available on displays at WalMart, Fry's Electronics, and inside countless other stores.

Again let me clarify, I believe the producers of *Left Behind* and the leaders of these television ministries are genuine Christians who are doing their best to influence people for the Kingdom. God is using them, just like the Father spoke through Peter when he firmly confessed his faith in Christ (Matthew 16:15-17). Remember that Peter Principle. There is much that is good in *Left Behind* which God can use to influence people for Jesus Christ. But, in the full light of Scripture, prophecy, and the Protestant Reformation, something is terribly wrong. *Left Behind* is now teaching the very same Jesuit Futurism of Francisco Ribera which is hiding the real truth about the Antichrist. Through *Left Behind*, the floodgates of Futurism have been opened, unleashing a massive tidal wave of false prophecy which is now sweeping over America. Sadly, it is a false "idea whose time has come."

As we have already seen, the theological foundation for the entire *Left Behind* series is the application of the "seven years" of Daniel 9:27 to a future period of Tribulation. Are you ready for this? Guess who was one of the very first scholars to slice Daniel's 70th week away from the first 69 weeks, sliding it down to the end of time? It was the Evil Empire's very own Francisco Ribera! "Ribera's primary apparatus was the seventy weeks. He taught that Daniel's 70th week was still in the future....It was as though God put a giant rubber band on this Messianic time measure. Does this supposition sound familiar? This is exactly the scenario used by Hal Lindsey and a multitude of other

current prophecy teachers" (Robert Caringola, *Seventy Weeks: The Historical Alternative*, p. 35).

Interesting stuff. I think it was the apostle Paul who said there are MANY antichrists.

I've heard things to the effect that Prince William will be the beast and the pope the false prophet. Could be...it's an interesting scenario.

I don't believe in a pre-tribulation rapture. We're in it for the long haul. Jesus promised we'd be persecuted.

I don't believe in a pre-tribulation rapture. We're in it for the long haul. Jesus promised we'd be persecuted.

It creates armagedonists who strive for the end of the world without any fear because they will get beamed up before TSHTF.

The great deception...

It does something to the mind, and I'm sure you understand somewhat from WWCoG.

It removes a burden, but at the same time creates appethy towards the victims.

The results will be Baby Killers of the Lord.

They pulled the same crap with the Chinese Christians...they told them, "Oh, don't worry, you'll be raptured out of here before anything really bad happens!"

Now Chinese Christians have gone underground--they're very heavily persecuted. You can only belong to a state-run religion over there.

Title: Extra information about Opus Dei by McCarter

TruthSeeker24 - August 4, 2006 03:05 PM (GMT)

OPUS DEI IN THE USA

By J. Parnell McCarter

PURITAN NEWS WEEKLY

www.puritans.net/news/

05/09/06

From <http://www.puritans.net/news/opusdei050906.htm>

What the Jesuit Order is for the left wing of the Roman Catholic Church, Opus Dei is for its right wing. (Hegelian politics at its finest, for the Roman Catholic Church cannot lose if it has strong ties with both ends of the political spectrum! Of course, to work it requires Protestants to be duped into political alliances with heretics.) Many Protestants are not familiar with Opus Dei though, so a bit of education is necessary.

Although Americans United for Separation of Church and State is a wicked secular humanist organization, its website contains useful information concerning Opus Dei. One informative article, excerpted below, is at <http://www.au.org/site/News2?page=NewsArti...d=8183&abbr=cs> :

“...Opus Dei, Latin for “work of God,” has, according to media reports, at least 3,000 members in the United States but its influence, critics say, has been more substantial than its numbers would indicate. In 2002, an Opus Dei priest, the Rev. C. John McCloskey III, former director of the Catholic Information Center, converted U.S. Sen. Sam Brownback (R-Kan.) from evangelical Protestantism to Catholicism. Brown-back’s conversion was shepherded by U.S. Sen. Rick Santorum (R-Pa.), a conservative Catholic and Opus Dei booster. Long the scourge of progressive Catholics, Opus Dei, with an estimated 80,000 members worldwide, has enjoyed a close relationship with the

church's conservative hierarchy, serving, as one writer put it in the mid 1980s, as a "holy mafia" to promote far-right views on "culture war" issues. The organization has long had its own order of priests, and in 1982, Pope John Paul II granted Opus Dei special status known as a "personal prelature." That means the group is overseen by its own bishop, who reports directly to the pope. Opus Dei is the only organization to enjoy such unique privileges...

Ann Schweninger, a former Opus Dei member, told Martin, "Opus Dei plays by its own rules. If they don't want to have something out in the open, they won't make it accessible."...

Opus Dei does not publish a directory of members but is known for its interest in targeting the rich and powerful. Over the years, rumors have surfaced that certain high-profile Catholics might be members. Supreme Court Justices Antonin Scalia and Samuel A. Alito have been fingered as possibilities. There is no proof in either case, but Newsweek magazine reported in 2001 that Scalia's wife has attended functions at the Catholic Information Center, and his son Paul, a Catholic priest, has spoken there.

Santorum is also pegged as a possible member. In 2002, Santorum attended an Opus Dei event in Rome, during which he attacked President John F. Kennedy's famous 1960 endorsement of church-state separation. Santorum said the Kennedy vow not to enforce Catholic doctrine through civil law has caused "much harm in America" and went on to describe President George W. Bush, a Methodist, as the nation's first true Catholic president.

"From economic issues focusing on the poor and social justice, to issues of human life, George Bush is there," Santorum told the National Catholic Reporter. He has every right to say, 'I'm where you are if you're a believing Catholic.'"

...McCloskey foresees a smaller Catholic Church in the future, but he predicts that it will be much more obedient and will include "hundreds of thousands of Evangelical Protestants" who convert to Catholicism...

McCloskey and other Opus Dei leaders deny any political agenda. They note that Escriva founded the group on Oct. 2, 1928, after what he said was a command from God. The son of a Spanish textile merchant was on a spiritual retreat at the time and claimed that God ordered him to establish the organization and to limit it to men only. Two years later, Escriva said, he received a revelation from God to open the group to women.

In 1946, Escriva moved to Rome and began traveling throughout Europe to spread the message of Opus Dei. Four years later, Pope Pius XII officially recognized the group. Escriva died on June 26, 1975. In 1992, he was beatified, the first step to sainthood. His official canonization as a saint occurred on Oct. 2, 2002, during a ceremony at St.

Peter's Square in Rome attended by thousands of devotees. Yet there has always been another side to Opus Dei. Escriva's critics were less than pleased with his fast-track to sainthood, noting that in 1958, Escriva had written a fawning letter to Francisco Franco, the fascist dictator of Spain, congratulating him for extending official recognition to the Catholic Church. The May 28, 1953, missive reads, "Although alien to any political activity, I cannot help but rejoice as a priest and Spaniard that the Chief of State's authoritative voice should proclaim that, 'The Spanish nation considers it a badge of honor to accept the law of God according to the one and true doctrine of the Holy Catholic Church, inseparable faith of the national conscience which will inspire its legislation.'" ...

Opus Dei first appeared in the United States in 1949. Growth was initially slow, but its presence in the country today is far-reaching. Opus Dei runs 60 centers in 19 cities, among them Boston, Chicago, Dallas, Houston, Los Angeles, Milwaukee, Pittsburgh and San Francisco...Frequently aligning with fundamentalist Protestants, far-right Catholics are an often-overlooked, but powerful, segment of the Religious Right..."

Another article at <http://www.au.org/site/News2?page=NewsArti...d=8186&abbr=cs> supplies additional useful information:

"In the fall of 1980, an FBI agent in New York and his wife paid a visit to an Opus Dei priest, the Rev. Robert P. Bucciarelli. Robert Hanssen had an unusual confession to make: He had turned over sensitive material to the Soviet Union and been paid \$30,000 for it. Robert and Bonnie Hanssen wanted to know if the G-man would have to turn himself in. Bucciarelli at first said yes, but the next day telephoned the Hanssens and asked to see them again. The priest told the couple all would be well if Hanssen would donate the money to charity.

After mulling it over, Hanssen, who had already spent most of the \$30,000, told his wife he would pay an equivalent amount to Mother Teresa. As The New York Times reported in May of 2002, "[Hanssen] began to make small payments over several years to a charity affiliated with Mother Teresa's Catholic organization, moving the family close to bankruptcy. [Bonnie Hanssen] said she repeatedly questioned her husband to ensure that he was making the payments, and each time he insisted that he was."

The incident, recounted in David Wise's 2002 book *Spy: The Inside Story of How the FBI's Robert Hanssen Betrayed America*, is a reminder that Opus Dei, known for its aggressive outreach to the rich and powerful, has some devotees it would probably rather forget all about. Convicted spy Robert Hanssen is one of them...

Hanssen, a highly placed FBI agent, was arrested in February of 2001 after 22 years of

spying for the Russians. His activities netted him millions of dollars – but also resulted in the deaths of three double-agents in Russia who were exposed by Hanssen.

Incredibly, even as he was betraying his country, Hanssen became deeply involved with Opus Dei. He frequently promoted the group to his colleagues and took his family to Saint Catherine of Siena Catholic Church, a conservative parish in Great Falls, Va., popular with many Opus Dei members in the Washington, D.C., area.

In affiliating with the group, Hanssen was in some respects traveling a well-trod path. Wise quotes one source who pointed out that the Tenley Center, a focal point for Opus Dei in Washington, had strong ties to the Reagan administration.

“Half of the Reagan White House would come to meetings at Tenley House,” the source told Wise. “Opus Dei is very strong on recruiting people, and once they have you, they don’t let go. They’re all over you.”...

And another website <http://www.pnionline.com/dnblog/attytood/a...ves/001764.html> adds this:

“Opus Dei has a friend in Pennsylvania: Sen. Rick Santorum.

A report released yesterday by Political Money Line -- detailing trips for all members of Congress funded by outside groups since 2000 -- notes that in January 2002, the Pontifical University of the Holy Cross Foundation paid \$2,000 for Santorum to travel to Rome to give a speech. The senator reported that the school paid \$1,800 for airfare and \$200 for meals on a 5-day trip. The Rome university, which has trained hundreds of new priests, is the educational arm of Opus Dei. It traces its roots back to the Saint Josemaria Escriva, the Opus Dei founder whose life and subsequent canonization under Pope John Paul II has been shrouded in controversy.

Indeed, Santorum's 2002 trip -- which got little attention in the post-9/11 haze -- was to address of celebration of the 100th anniversary of Escriva's birth. He was interviewed there by the National Catholic Reporter and said he was an admirer of Escriva -- who is recorded as having whipped himself until the walls of a bathroom were splattered with blood and once wrote: "Blessed be pain. Loved be pain. Sanctified be pain...Glorified be pain!"

When in Rome, Santorum also disavowed John F. Kennedy's famous 1960 speech on the separation of church and state -- the speech that is credited with helping to elect JFK as the first, and still the last, Roman Catholic president:

He told NCR that a distinction between private religious conviction and public responsibility, enshrined in John Kennedy's famous speech in 1960 saying he would not take orders from the Catholic church if elected president, has caused "much harm in America."

... Santorum told NCR that he regards George W. Bush as "the first Catholic president of the United States."...

In March 2004, Santorum received a standing ovation from the first-ever National Catholic Prayer Breakfast, which was organized in part by the director of the Catholic Information Center run by the Opus Dei movement. In 2002, the Pennsylvania senator worked closely with Father John McCloskey, head of Opus Dei in Washington, to guide the conversion of Kansas Sen. Sam Brownback to Catholicism...."

This same cadre of individuals attended the National Catholic Prayer Breakfast in April 2006, as explained at <http://www.madisoncatholiceraid.org/natl-world.html> :

WASHINGTON (CNS) -- From commonly used language to societal priorities, the "moral relativism" decried by Pope Benedict XVI often seems to be the only way to cope with modern times, said Bishop Robert C. Morlino of Madison, urging participants at the National Catholic Prayer Breakfast April 7 to work against that tide.

In a program that also included remarks by President George W. Bush, the Vatican's representative in Washington, and the priest who is supervising the reconstruction of Catholic schools in New Orleans, Bishop Morlino's keynote address warned about the "dictatorship of relativism" and described what he said are the "members of the junta" and the enforcement mechanisms they employ in maintaining that dictatorship.

In his remarks, Bush expressed appreciation for the Catholic Church's role in encouraging "a vision of human freedom and dignity rooted in the same self-evident truths of America's founding." He also acknowledged the church's role in providing social services, and in "welcoming neighbors and helping them become good citizens."

Referring to the ongoing legislative battle to craft an immigration bill, Bush repeated his call for changes to "an immigration system that forces people into the shadows of our society, or leaves them prey to criminals."

As Congress continues the debate, he said, its members must remember "we are a

nation of immigrants. And immigration has helped restore our soul on a regular basis."

Archbishop Pietro Sambi, the Vatican's diplomatic representative to Washington, and Dominican Father Neal McDermott, who is in charge of school reconstruction in the Archdiocese of New Orleans, also made brief remarks.

Among those attending the third such Catholic prayer breakfast were Chief Justice John Roberts, Republican Senators Rick Santorum of Pennsylvania and Sam Brownback of Kansas, a handful of Republican members of Congress, and one Democratic member, Representative Bart Stupak of Michigan, as well as several current and former officials of the Bush administration.

Cardinals Theodore E. McCarrick of Washington and Anthony J. Bevilacqua, retired archbishop of Philadelphia, were joined by Archbishop Jose H. Gomez of San Antonio, Bishop Paul S. Loverde of Arlington, Va., and Auxiliary Bishop Martin D. Holley of Washington..."

We would be fools not to ask what the relationship of these US leaders is to Opus Dei, and what their agenda for America is vis-à-vis the Roman Catholic Church. And how does their stance on illegal immigration from predominantly Roman Catholic countries like Mexico play into their agenda?

The Vatican Wins The Oslo War

My heart breaks as Israel loses the war. But her crooked leaders are doing wonders for the New World Order. Now the Vatican gets in its dibs and a new trade bloc is in formation.

While the rockets fly, the US and Kuwait sign a free trade agreement. So so Dubai, Bahrain and Jordan. And did anyone notice that America no longer patrols Afghanistan? NATO has taken the reins.

Not ten years ago, PM Shimon Peres was tired of the Grapes Of Wrath mini-war and put an end to it with an attack on Kana which killed 100 and brought international troops to Lebanon. The week before, the leaders of the NWO met in Rome under the kind but stern guidance of Condeleeza Rice. They decided to put in Lebanon International Troops...someday. A second Kana bombing, no matter who was responsible, gave Peres another chance to bring back his buddies, the French. Yes, it was decided that French troops would form the majority of the contingent. And are they balanced:

<http://www.israelnationalnews.com/news.php3?id=108844>

* At the news conference held in Beirut, French Foreign Minister Phillippe Douste-Blazy praised Iran as a "stabilizing force in the Middle East." Douste-Blazy told reporters that

Iran "is an outstanding country with great people and an honorable civilization. It has a crucial role in the region."

* This whole awful war was designed to get those Vatican soldiers into Israel and given another few weeks of rocket attacks, barring a nuke on Teheran, Israelis will lift their arms and beg for any troops, anywhere, just to get a night's peace. Even in Jerusalem.

A few nights ago, I was almost back in Israel. A brilliant researcher, who, yes indeed, demands recognition, Kati Cohen, called me and let me have a 90 blast of her research. She began easy; "You were right about Daniel Abraham and this dreadful man Joel running Yeshiva U. They brought in half the Vatican to YU to supposedly discuss anti-semitism with their rabbis. That wasn't the discussion. They wanted "their" land and that meant Jerusalem."

It was 102 degrees in America, the fields were dessicated by the minute and I was back in corrupt Israel. I was home. Abraham almost cost Olmert his "honesty," he writes with a broad smirk, by passing him a couple of spare million dollars, by buying his home for 2.5 times its value in the midst of the election campaign. And that, lesser crime, tied Shimon Peres up with Olmert more than politically. Abraham is a valued member of the milestone to money laundering, the Shimon Peres Peace Center.

And Peres, the Vatican's chief spy along with Yossi Beilin, is now number two in Israel, an apt number if there was one. And all those crooks and murderers who caused the war, Peres, Barak, Beilin, are they strung from the highest oak tree in the land? Of course, not! They go to cabinet meetings and decide how to kill the most Israelis in one day.

Kati goes on, and I'm now taking notes. It's just like being in Modiin.

"Peres promised the pope East Jerusalem in May of 1992 and the Vatican wants to cash in now. But Sharon wasn't playing ball. In July of last year he actually banned diplomacy with the Vatican. So the Vatican tried working around him. In September they invited both Israeli chief rabbis to Rome to threaten the Jews if the holy sites of Jerusalem weren't handed over to them. In November, they hatched the Mount Zion plot, trading a Spanish church for the Last Supper room. President Katsav flew to the Vatican but Sharon still said no.

"Finally they knew Sharon had to go. Enter the apostolic nuncio Pietro Sambi. He plotted with Peres to finish Sharon and possibly supplied the poison Sharon drank in his final meeting with Peres on Dec. 18. One thing is certain, 18 hours before, after 8 1/2 years in Jerusalem, Sambi flew out for a new assignment in Washington.

"Once Olmert and Peres won the election, Peres flew to the Vatican taking with him a letter from Olmert to the pope. No one will say what was in the letter, but you can be

sure he promised the pope "his land" and the war drastic enough to give it to him."

Catholicism & Islam: Ties That Bind

T.A. McMahon

http://www.reachingcatholics.org/cath_islam.html

The above title became a source of controversy when I used it for a talk given at a recent prophecy conference. What I found curious about the commotion was that it came from Catholics (and some evangelicals) who had yet to hear my presentation. Furthermore, the title reflects the hope and prayers of the Pontifical Council for Interreligious Dialogue. Rome has been tilling this "common ground" with Islam for decades, as evidenced by the 1994 Vatican publication, *Recognize the Spiritual Bonds Which Unite Us: 16 Years of Christian-Muslim Dialogue*. Why, therefore, would anyone be upset by my simply repeating what the Roman Catholic Church very much desires? Actually, the real controversy stems from confusion created by the Church of Rome herself. In her zeal to be the spiritual voice of the world's religions, she talks out of both sides of her ecumenical mouth. Regarding her relationship to Islam, not only has she made to those of the Muslim faith some theological overtures which contradict Christian orthodoxy, but even worse, there are ties between the two religions which go a lot deeper than most people realize. Let's first consider some commonalities between the two faiths.

Starting with the number of adherents, Catholicism and Islam each exceed one billion, nearly all of whom enter their respective faiths as infants. More than 16 million babies are baptized into the Roman Catholic Church each year. It's a family thing. My sisters and I were baptized as Catholics because our parents were Catholics, and they and their siblings were baptized into the Church because their parents were Catholics. That's the primary way the faith is propagated.

Practically speaking, although baptism is not part of Islam, all children born into a Muslim family are Muslims. Their official "confirmation" follows as soon as they are able to confess the shahada ("There is no God but Allah, and Muhammad is his messenger"). This baby-oriented process for increasing their ranks has been a motivating factor in the Vatican/Saudi-sponsored lobby against UN endeavors to introduce contraception and other methods of population control, especially in third-world countries.

Islam is the fastest growing religion in the world today; Catholicism is the largest religious body among those professing to be Christian. If the number of followers was a good measure for selecting a religion, then Islam and Catholicism would definitely be the way to go. However, the Bible has no such yardstick. Rather, Jesus said, "[W]ide is the gate, and broad is the way, that leadeth to destruction, and many there be which go in thereat. Because strait is the gate and narrow is the way, which leadeth unto life, and few there be that find it" (Mt 7:13,14).

Most people are aware of the veneration and even worship of Mary found among Roman Catholics, but not many know that much the same deference exists among Muslims. A chapter in the Qur'an is named after Mary ("Surah Maryam"). From the outskirts of Cairo to Bombay to Medjugorje in Bosnia-Herzegovina, hundreds of thousands of the Islamic faith have congregated wherever processions carry her statues and where her apparitions are said to have appeared. She is esteemed above the most revered women of the Muslim faith, including Muhammad's two favorite wives, Khadija and Aisha, and his daughter Fatima. The hadith teaches that Muhammad selected Mary as his first wife upon entrance into Paradise (for more about Mary and Islam see "Mary Who?" in TBC 10/00). One of the most popular Catholic apparitions of Mary is referred to as Our Lady of Fatima.

Catholic and Islamic prayers have many similarities. For the Muslim, praying to Allah five times a day is altogether an act of obedience, and the prayers are always repetitive. As one former Muslim puts it, "It's hardly intimate communication with Allah;...it's done more to escape the punishment due to those who neglect prayer." Most prayers prayed by Catholics are also rote and repetitive, saying the rosary being the best example. Repeating 16 "Our Father's" and 153 "Hail Mary's" is far from personal communication. Furthermore, when a Catholic goes to confession the priest assigns rosaries as severe punishment, or penance, for one's sins.

Prayer beads were a part of Islamic devotion to Allah long before an apparition of the Blessed Lady taught St. Dominic to pray the rosary beads in the thirteenth century. Prayer beads, by the way, are a stock item in ancient and modern paganism. On an ironic note, Catholic Church historians credit the prayers of members of the Confraternity of the Rosary for a major naval victory over the Turks, which "saved Europe from the Mohammedan peril."

Catholics and Muslims regard pilgrimages as a means of obtaining favor from God. The hadj, one of the five pillars of Islam, is a required (one-time) journey to Mecca. For Catholics, pilgrimages historically have been acts of religious purification, often induced by the promise of indulgences. Multi-millions of Catholics travel yearly to hundreds of shrines (nearly all dedicated to Mary) located throughout the world. The Crusades were indulgence-stimulated attempts to regain Jerusalem from the infidel Muslims in order to re-establish Catholic pilgrimages. Incidentally, the Church of Rome offered the crusaders full pardon from purgatory should they die trying to liberate the Holy Land. Similarly, Islam offers rewards in and assurance of Paradise to those who die in religious battles (jihad), including suicide bombings.

Roman Catholicism recognizes Allah as the God of the Bible. In 1985, Pope John Paul II declared to an enraptured audience of thousands of Muslim youths, "Christians and Muslims, we have many things in common as believers and as human beings....We believe in the same God, the one and only God, the living God...."

But how is that possible?

Historically, Allah was a pagan idol, supreme among many idols worshiped by Muhammad's Quraish tribe long before he was born. Will Durant in his classic, *The Story of Civilization*, writes,

Within the Ka'aba, in pre-Moslem days, were several idols representing gods. One was called Allah; three others were Allah's daughters, al-Uzza, al-Lat, and al-Manat. We may judge the antiquity of this Arab pantheon from the mention of Al-il-Lat (Al-Lat) by Herodotus [fifth century b.c. Greek historian] as a major Arabian deity. The Quraish paved the way for monotheism by worshiping Allah as chief god....

Archaeological evidence uncovered in Arabia is overwhelming in demonstrating that the dominant pre-Islamic religion was the worship of the moon-god, Allah. Muhammad simply eliminated the other 300-some deities, including Allah's daughters, making Allah supreme while retaining many of the pagan rituals and symbols associated with him. For example, the crescent moon was the symbol of the moon-god from the time of the Sumerians and the Babylonians through the time of Christ and right up until Muhammad's arrival. It's hardly a coincidence that Ramadan, the Muslim time of fasting, begins and ends at the time of the crescent moon. Nearly all of the moon-god rituals and other idolatrous practices, including kissing the Black Stone, praying toward Mecca, running around the temple and between the two hills of Safa and Marwa, were pre-Islamic rituals.

Catholicism's zeal to relate to Islam makes one wonder how honest it is about its own perspective on God, based on the "Sacred Scripture." God is referred to as Yahweh or Jehovah about 9,000 times in the Bible. Never is He thus referred to in the Qur'an. He reveals himself in the Scriptures as "The God of Abraham, the God of Isaac, and the God of Jacob/Israel." He is the Father of the Jews, "the God of Israel." In the Qur'an, Allah never refers to himself that way. God calls the Jews His "chosen people." He gave them the land of Israel as a heritage "forever": "And they shall dwell in the land that I have given unto Jacob my servant, wherein your fathers have dwelt; and they shall dwell therein, even they, and their children, and their children's children for ever" (Ezk 37:25). God's covenant is with Isaac (Gn 17: 19-21), while Muslims believe Allah's covenant is with Ishmael.

Allah has a completely different attitude toward the Jews than does the God of the Bible. Allah commands his followers to "Take not the Jews...for friends" (Sura 5:51). While the Jews are referred to in the Qur'an as "the people of the book" (i.e., the Bible), if they refuse to convert to Islam they must pay a tribute tax to their overlords and become subservient to them: "Fight against such of those who have been given the Scripture as believe not in Allah nor the Last Day, and forbid not that which Allah hath forbidden by his messenger, and follow not the religion of truth, until they pay the tribute readily, being brought low" (Sura 9:29). According to the hadith, which most Muslims regard to be nearly as authoritative as the Qur'an, Muhammad is quoted as saying, "The last hour will not come before the Muslims fight the Jews, and the Muslims kill them." Again, the hadith says that, related to the Day of Judgment, Muslims will fight and kill Jews, who will hide behind trees that say, "Oh Muslim, Oh servant of Allah, here is a Jew hiding behind me. Come here and kill him." Catholicism has its own grievous and well-documented history of slaughtering the Jews.

Further comparisons between Jehovah and Allah demonstrate clearly that they cannot be one and the same. Jehovah has a Son: "And we have seen and do testify that the Father sent the Son to be the Saviour of the world" (1 Jn 4:14). Allah has no son: "And say: Praise be to Allah, Who hath not taken unto Himself a son, and Who hath no partner in the Sovereignty..." (Sura 17:111); "Allah hath not chosen any son, nor is there any God along with him" (Sura 23:91). Whereas God the Father declared from heaven concerning Jesus, "This is my beloved Son, in whom I am well pleased" (Mt 3:17), Allah of the Qur'an condemns such a belief: "...the Christians say: Messiah is the son of Allah. That is a saying from their mouths. They imitate the saying of the disbelievers of old. Allah's Curse be on them, how they are deluded away from the truth!" (Sura 9:30 - The Holy Qur'an www.orst.edu/groups/msa/index.html).

While there are both clear and critical differences between the biblical God and Allah, nevertheless, the Roman Catholic Church accepts them as one and the same God. The following quote is from Vatican II:

The Church has also a high regard for the Muslims. They worship God, who is one, living and subsistent, merciful and almighty, the Creator of heaven and earth, who has also spoken to men. They strive to submit themselves without reserve to the hidden decrees of God, just as Abraham submitted himself to God's plan, to whose faith Muslims eagerly link their own.

Although not acknowledging him as God, they venerate Jesus as a prophet, his virgin Mother they also honor, and even at times devoutly evoke. Further, they await the day of judgment and the reward of God following the resurrection of the dead. For this reason they highly esteem an upright life and worship God, especially by way of prayer, alms-deeds and fasting (Nostra Aetate, Vatican II).

Consider carefully the above quote (taken from what the Roman Catholic Church claims is an infallible council) and you will realize what truly binds Catholicism and Islam together: They both have a Jesus who cannot save their souls. The Qur'an teaches that Jesus did not die on the cross: "And because of [the Jews] saying, We slew the Messiah Jesus son of Mary, Allah's messenger They slew him not nor crucified, but it appeared so unto them; and lo! those who disagree concerning it are in doubt thereof; they have no knowledge thereof save pursuit of a conjecture; they slew him not for certain" (Sura 4:157). Vatican II may give Muslims credit for "venerating" Jesus, but in fact, it's a bogus Jesus. Sadly, Catholicism also has a false Christ. It teaches that His death on the cross was not sufficient for our salvation. Not only must His sacrifice (which, according to the Scriptures, was offered only once to take away our sins completely [Heb 9:28]) be "re-presented" as a daily sacrifice for sins on altars around the world, but Catholics must expiate their own sins through sufferings here on earth and in purgatory.

Finally, Vatican II spells out clearly what Islam and Catholicism regard as their hope for salvation: "...they highly esteem an upright life and worship God, especially by way of prayer, alms-deeds and fasting." This is works salvation. In Islam, a person is accountable for every thought, word, and deed. His or her life is to be lived according to what is pleasing to Allah as found in the Qur'an and the hadith. In addition, there is shari'a, which is the body of rules that attempts to cover the totality of Islamic religious, political, social and domestic life. Breaking such laws involves various forms of temporal punishment. At the Last Judgment Allah will determine one's eternal destiny as He places one's good and evil works on the divine scale: "Then those whose scales are heavy [with good deeds], they are the successful. And those whose scales are light are those who lose their souls, in hell abiding" (Sura 23:102,103). The hadith vividly describes the tortures of hell.

A friend of mine, James McCarthy, produced a video titled Catholicism: Crisis of Faith in

which he interviews about a dozen people leaving Mass at St. Patrick's Cathedral in New York. He simply asks them on what basis they expect to get to heaven. Only one made any reference to Jesus. The overwhelming response was that they felt they were pretty good people, and were fairly confident that their good deeds outweighed their bad ones. Although the Catholic Church states that it is only by God's grace that one can enter heaven, it becomes very clear that what is meant is that grace is required to enable one to do the works which qualify one for heaven. According to the Catechism of the Catholic Church, they "obtain the joy of heaven, as God's eternal reward for the good works accomplished with the grace of Christ" (par 1821) and they "can merit for [them]selves and for others all the graces needed to attain eternal life" (par 2027).

Pope John Paul II addressed a Catholic community in Turkey with these words: "I wonder if it is now urgent, precisely today when Christians and Muslims have entered a new period of history, to recognize and develop the spiritual bonds that unite us." No! What is "urgent" is that Catholics and Muslims be set free from the spiritual bondage of attempting to qualify for heaven by their good deeds. Pray that their hearts would be open to receive the gift of eternal life (Rom 6:23). TBC

Bloomfield Hills, Michigan!?

That's not too far from where I grew up (Detroit suburbs).

AVBibleBeliever - July 27, 2006 02:59 AM (GMT)

See this webpage- http://www.manresa-sj.org/stamps/1_Loyola_2.htm and see the Espana (Spain) stamp picturing Loyola and a sun with the all-seeing eye of Horus/Lucifer/Satan. I sent this to you sometime ago and you displayed the actual photo so people could see it for themselves that the the Sons of Loyola head the NWO and the Illuminati and according to the late Brother Alberto Romero Rivera-Loyola founded the Spanish Alumbrados so it all makes sense.

http://www.manresa-sj.org/stamps/Images/a_Loyola_29.jpg

The Illuminati/Freemasonry is openly secular and the Jesuit Order is openly religious. According to Unam Sanctam (1302) by Papal Antichrist Boniface VIII. Though he was not referring to the Jesuit Order or the Illuminati at the time it was written you can see how Unam Sanctam is applied today and why the Jesuits love it so and incorporated its claim of universal spiritual and temporal power of the Papacy controlled by the Black Pope in their evil and bloody Council of Trent and Extreme Oath of the Fourth Vow. This is what a Professed Fourth Vow Jesuit lives for and the end that he believes justifies the means to achieve this diabolical aim.

"Both swords, therefore, the spiritual and the temporal, are in the power of the church. The former is to be used by the church, the latter for the church; the one by the hand of the priest (the Jesuit), the other by hands of kings and knights (Knights of Malta and Knights Templars perhaps? They were the forerunners of Scottish Rite Freemasonry), but at the command and permission of the priest (Jesuit namely the Black Pope) Moreover, it is necessary for one sword (Illuminati/Freemasonry) to be under the other, the temporal authority (Illuminati/Freemasonry) to be subject to the spiritual (Jesuit Order); for the apostle says, "For there is no power but of God: and the powers that be are ordained of God" [Rom. 13:1]; but they would not be ordained [i.e. arranged or set in order; note the play on words] unless one were subjected to the other, and, as it were, the lower made the higher by the other...

The Black Pope-the head of the Roman Catholic Institution behind the scenes wields the

spiritual sword (false doctrine of Romanism/Sun worship) and the temporal sword (openly secular Freemasonry, Illuminism, and all secret societies all subject to the Black Pope on Borgo Santo Spirito).

We therefore declare, say, and affirm that submission on the part of every man to the bishop of Rome (the Antichrist Papacy) is altogether necessary for his salvation" (this why the Bible believer and the Papist have no common ground) The Pope is a usurper and a tyrant being a fascist and his master is the quintessential fascist, Socialist-Communist, Luciferian, (the Jesuits say this about anyone who opposes their order and Pope both White and Black).

The Bible says otherwise so the Pope is a liar and he is of his father the devil and the lusts of his father he will do. Yea, let God be true but every man (including the Pope and his master the Jesuit General) a liar (Romans 3:4).

Brother **Nicholas N. Rivera**

AVBibleBeliever - July 27, 2006 03:02 AM (GMT)

Just wanted to clarify this:

The Pope (both White and Black) is a usurper and a tyrant. (these are the labels the Jesuits give anyone who opposes their order and their Pope both White and Black).

Dear Joel,

After reading Gordan Thomas' Gideon's Spies, I believe that I finally understand the true use and purpose of the most illustrious Yassir Arafat. But first a short review.

As I have stated, the Masonic Jewish Zionists and the Masonic Islamic Dynastic families all work together under the supervision of the Jesuit General. In the early 1920s the first British High Commissioner to Palestine was Sir Herbert Samuel. This Masonic Jewish Zionist was the son of a wealthy Jewish banker whose fortune was tied to England's House of Rothschild. Samuel, before the First World War had ended, advocated a British protectorate over Palestine once Turkey was defeated. (Thus, the true purpose of the British "Lawrence of Arabia" was to unite the Moslem Arabs against the Moslem Turks, drive the Turks out of Palestine, put Palestine under British control and then set aside Palestine as a "homeland for the Jews" under the British Mandate. The Jesuit General, in control of Britain since 1800 via King George III, had used the British and a united Arab front to take Palestine from the Moslem Turks. By designating Palestine as a homeland for the Jews who were intended to be used to rebuild Solomon's Temple unknowingly for the Pope, the Jesuit Order, using England as its front man, betrayed the Arab people and later assassinated their King Feisal.) This Herbert Samuel, in working for the British in conjunction with the Masonic Islamic Hussein Dynasty, appointed Haj Amin al-Husseini the Grand Mufti of Jerusalem in 1921. This man was Yassir Arafat's uncle.

Therefore, we should not be surprised to see the leading Masonic Jewish Zionists working together with leading Masonic Islamic Dynasties, as both are controlled by the Jesuit General at the top via his International Intelligence Community. That Community includes the Mossad. Now we understand how Arafat, Bin Laden and Peres can be joint business partners in the Arab Palestinian phone company, Paltel.

This brings us to that mysterious enigma known as Yassir Arafat. What is his real purpose, really? He was trained to be a terrorist in the early 1950s during the Cold War Hoax in the Jesuits' Moscow, the Order having taken Russia during the Bolshevik Revolution. He has been the greatest agitator of Zionist Israel since the founding of the Jewish State in 1948, OR HAS HE BEEN ISRAEL'S GREATEST AID IN MAINTAINING ITS EXISTENCE?

Is it not true that the Mossad could have eliminated Arafat many times during the last fifty years? Why not? Guaranteed, if Arafat was a genuine enemy of the Black Pope's Zionist State, Yassir would have been eliminated years ago. Why not? Why did Peres sign the Oslo Accord in 1993 effectively bringing Arafat out of Tunisia who then called for Intifada? Why do both Peres and Arafat make regular

trips to New York's Council on Foreign Relations - secretly controlled by the Knights of Malta (William F. Buckley, Jr., Alexander Haig, Frank C. Carlucci, George Tenet, etc.), they being the soldiers for New York's Edward Cardinal Egan, the most powerful Archbishop in North America? Why have both Peres and Arafat kissed the ring of the Pope? Because the Masonic Jewish Zionists and the Masonic Islamic Dynasties both serve the Jesuit General who in turn controls of the Pope.

Therefore two of Arafat's purposes are these:

- 1. To bring forth Arab leaders who are true enemies of the Pope's Zionist Israel in order to be identified and executed by the Mossad around the world. The principle of smiting the shepherd and scattering the sheep is fully employed.**
- 2. To be used to create sympathy for "the rights of the Palestinians" resulting in anti Jewish fury in all nations harboring a large Jewish population. The purpose for this calculated agitation is to drive back the Jewish People to Israel for their attempted mass murder in the future by the final Pope who will rule the world from the Third Temple yet to be rebuilt. Arafat is the key presently being used by the Jesuit General's International Press to create massive anti Jewish fury within the United States and in Europe.**

In conclusion, Yassir Arafat has been mightily used by the Black Pope in identifying Israel's true enemies enabling his Order's Mossad to eliminate them. And since the House of Saud, the Bin Ladens and the Husseins have not been eliminated those dynasties are not truly the enemies of the Pope's Zionists running Israel via the Labor Party today. Therefore, Arafat will never be eliminated as he is the GREATEST TRAITOR TO THE EVIL ISLAMIC ARAB CAUSE, HAVING BEEN OUTLINED IN THE PALESTINIAN COVENANT OF 1968, IN THE HISTORY OF ISLAM.

The price for this secret treason in maintaining his cover and furthering the Arab Israeli agitation have been the lives of thousands of unsuspecting Israelis and Arab Palestinians further enabling the Pope to have the final arbitration in this evil predetermined conflict. The ultimate prize in that arbitration will be the possession of Jerusalem and the rebuilding of the Temple the greatest golden wonder of the world.

Meanwhile, God, who worketh all things after the council of His will, has used the Devil to establish His elect nation of Israel after 1900 years of international dispersion. Both the Devil and the risen Son of God intend that nation to remain, not to be overrun by any Gentile host for the moment. The Devil will use Jerusalem to manifest his coming risen Pope - the Beast - to the unbelieving world. The Son of God will use Jerusalem to be the first city of Israel He that will

deliver through His mighty power when His feet touch the Mount of Olives once again.

And it is outside of Jerusalem, where he was crucified for the sins of His beloved Jewish brethren and Nation that he will judge all Gentile nations having survived the "time of Jacob's Trouble." The deciding factor as to whether these surviving Gentiles will not be executed and enter into the Messiah's earthly millennial kingdom promised to King David WILL BE HOW THEY INDIVIDUALLY TREATED THE JEWS DURING ISRAEL'S FINAL ATTEMPTED HOLOCAUST. Only saved Gentiles will protect the Jews during this most terrible time of the risen Son of God's judgment upon the nations of the earth. Dear truth-seeker, how will you treat the Jews in that day if you live to see it? Your answer lies in how you treat the Jews today. And in America it looks like we are going to be put to that test very shortly.

Sincerely in Faith,

Brother Eric

By the way folks if your wondering, **Eric Jon Phelps** is perfectly fine right now.

Alexandra - July 26, 2006 11:35 PM (GMT)

I'd been wondering about Eric, what with all the flooding in Pennsylvania and everything.

That's good to hear!

Charlotte is boycotted after `Nazi' jibe at Pope

By Simon Caldwell

Typed up by 2TUFF

Saturday 22 July 2006

Charlotte Church's music has been banned by a major Catholic trading company after she described Pope Benedict XVI as a `Nazi'.

Directors of the U.S based firm - which sells via the internet - were outraged when the Welsh singer mocked the Church in the pilot of her forthcoming Channel 4 char show.

The 20-year-old, once known as the Voice of an Angel, also dussed up as a nun and pretended to hallucinate while eating communion wafers imprinted with Ecstasy smiley faces.

She smashed open a statue of the Virgin Mary to reveal a can of cider inside, said she worshipped St Fortified Wine, and stuck chewing gum on a statue of the child Jesus.

Now Ignatius Press, which sells books, DVDs and videos online and publishes its own material, has withdrawn Miss Church's products from its website and catalogue. The company is the world's primary English language publisher of the writings of Benedict XVI.

`It is with regret that we do this,' the firm said in a statement. `Miss Church possesses a great gift from God, and in the past, she has used her talent often to offer praise and glory to Our Lord.'

'We cannot stand by a young woman who uses her stature in the media to mock the Eucharist, slander of the Holy Father and denigrate the vows of religious women.

'Please join us in praying for this trouble young woman.'

Miss Church began her career as a classical singer, but has switched to pop in recent years.

The Star who lives with her rugby player boyfriend Gavin Henson, has become known for her binge-drinking and speaker her mind.

She was raised a Catholic and sang for Pope John Paul II at the Vatican at the age of 12. However, she is believed to have become disillusioned with German-born Pope Benedict shortly after it was reported that he considered the Harry Potter books as capable of corrupting young Christians.

Benedict was in the Hitler Youth as a child and during the second World War he served briefly on an anti-aircraft battery.

In May, he denounced the crimes of his country's Nazi past when he visited the site of the Auschwitz death camp in Poland. The pilot for The All New Charlotte Church Show was filmed before a live studio audience last week. It was not broadcast, but Ignatius Press learned of its content.

Channel 4 deemed it such a success that it immediately signed her up to present an eight-part series in the autumn as a Friday night rival to Jonathan Ross's BBC1 chat show.

It is likely to be just as controversial. During the pilot show, Miss Church also referred to actress Keira Knightley as a 'scrawny bird' and said Victoria Beckham was as 'thick as two short planks'.

Is the pope's coffin always made of cypress? In fact, three coffins are used. The innermost coffin is made of cypress to signify the pope's humanity. Before burial, the cypress coffin is sealed in an 800-pound lead coffin which bears a skull and crossbones. The outermost coffin is made of elm to symbolize the great dignity of the pope.

Both the lead and elm coffins bear bronze plaques with the name of the pope and the significant dates of his

life. For example, the inscription for Paul VI read: "Corpus Pauli VI P.M. -- Vixit annos LXXX menses X

dies X -- Ecclesiae universali praefuit -- annos XV menses I dies XVI -- Decessit dies VI mesnis Augusti --

Anno Domini MCMLXXVIII"

I remember a Special Edition issue of Time Magazine which pictured JP II's casket which was lined up perfectly with the obelisk in St. Peter's (Jupiter's) Square. The Jesuits performed an occult ritual in that they timed the funeral of their sun king-the Pope-being a type of Horus or Baal so it coincided with the solar eclipse.

The solar eclipse gave false credence to the Jesuits' "Papal Prophecies of St. Malachy" which I believe are satanically inspired. According to this Jesuit forgery, JP II was "De Labore Solis" (Labor of the Sun). They say Karol Wojtyla was born on the day of a solar eclipse-SO WHAT?

Here is some nonsense from La Voz de Aztlan. Notice that the Jesuits are never spoken of in a negative context. They talk about all of the smokescreens like the Freemasons, Illuminati, Talmudic Jews, Zionists, etc. but they dare not say anything bad about the Jebbies. In fact, they look at Jesuits Malachi Martin and Teilhard de Chardin as men who exposed Satanism in the Vatican which their Order is responsible for.

QUOTE

The Pope was buried in a Trapezoidal coffin. A Trapezoid is defined as a quadrilateral having a couple of parallel sides. There is no requirement as to which 2 sides have to be parallel & which 2 sides have to be coming together. Why Am I talking about Trapezoidal shapes?

Michael Aquino who is the head of the Church of Set (Set is Egyptian for "Satan") a well known & highly respected Satanic Organization, tells how the unique insignia was created for the Order of the Trapezoid by the Modern American Church of Satan headed by Anton Lavey. Google this mans name and find out just how "influential" this man has been in Hollywood and in other circles..you will be quite "amused".

<http://rds.yahoo.com/S=2766679/K=Order+of+.../evolution.html>

He wrote a commentary about it, in an issue of the "Cloven Hoof", a satanic magazine, in which the article said that the emblem was worn for the ritual use by all members of the magical circle, whatever the hell that means....The background of the medallion used is black with a trapezoid, sometimes called the "Trident" & the number "666" etched in white.

At the base of the medallion are red & yellow flames with a "Trident"...a three pronged pitch fork emerging out of the flames. This medallion remains the only one used by the church of Satan, Council of 9. At this point given the background information on this "Trapezoid". Why on earth would the Pope, Leader of the Catholic Church, be buried in a "Trapezoidal" Coffin, when such a shape is well known by Priest & Satanists alike to have satanic meanings attributed to it.

This type of coffin is designed in such a manner to draw in & preserve evil, dark energy. The idea is to attract enough vampire like, demonic energy in & store this evil energy so that at the right moment the dead man can come out of the coffin. A demonic resurrection is the end result. This is the kind of satanic dogma that surrounds the "Trapezoid" coffin and this is what they chose to bury the Pope in. Is this normal? Why is this happening?

HOMELAND SSECURITY(inquisition)

(Weapon of Mass Distraction)

(Phoenix Program)

Vatican Tyranny

The Final Nail In The Coffin of Freedom ?

"He has the strength, experience, personal commitment and authority to accomplish this critical mission": This statement was made by George W. Bush, in reference to the newly "appointed" head of, the newly formed, "Homeland SSecurity": Tom Ridge. As you will see, with the exposure of Tom Ridge's background, that there is more than meets the eye in this sinister encrypted message.

In order to see the full implications of this sinister message, we could go back to the middle age (dark age) inquisitions, but for now, we'll start in the early 1950's: when certain democratic senators, including John Kennedy, were holding secret meetings, ironing out the details to turn VietNam into a Roman Catholic state; and from the words of the perpetrators themselves:

In the early 1950's the CIA brought Ngo Dinh Diem to New York City, where he was

trained, by Cardinal Francis "burn-em alive" Spellman, in the procedures of turning VietNam into a Roman Catholic state. To get non-Catholic politicians, military and government officials to participate: was offered the ever, monetarily lucrative: opium out of the, ever fertile, Southeast Asian jungles. The program was implemented when Diem was sent back to VietNam and replaced, the self exiled, Bao Dai (who had tried to do the same thing under French rule). From the middle fifties to 2 Nov 1963 Diem worked, unceasingly (for the Vatican), in the systematic task detailed to him by Spellman. Diem replaced all government officials (and everyone in any position of power or influence) with devout Roman Catholics. Diem then changed laws that reflected a total bias in favor of Catholics (and against all other religions). Land was given to Catholics while peoples of all other persuasions were forced to live under a legal and tax structure that was so oppressive that it caused an exodus of North Vietnamese Catholics to the South and South Vietnamese Buddhists to the North. Many Buddhists remained in the South in an attempt to affect change for more tolerant government policies: These people became Viet Cong (VC). Not content with the progress he was making: Diem started rounding up all the Buddhists, especially monks, and put them into concentration camps. When Diem started killing monks, it caused a rebellion in the general population: many demonstrations with several monks committing suicide in protest: one of these was Thich Quang Duc, who set himself on fire in the middle of a busy intersection in Saigon, 11 June 1963, bringing international attention to Diem's religious genocide: so much so that it brought a stern warning from President Kennedy to stop the killings. Thinking Spellman would take care of Kennedy and to keep on his schedule of "conversion", Diem continued the killings: fearing exposure of the connection of the Catholic church to the killings: Kennedy has Diem and his brother killed in a CIA backed coup, 2 Nov 1963 (effectively stopping the genocide). Twenty days later Kennedy is assassinated in Dealy Plaza (read: JESUIT, Vatican Tyranny, for the connection between the assassinations of John Kennedy, Bobby Kennedy and Martin Luther King Jr.).

We now move to Dec 1967, though not officially implemented until July 1968, by official decree of, Catholic President, Nguyen Van Thieu:

May 1968, General Edward G. Lansdale (CIA Saigon station chief and Knight of Malta) reported to ambassador Bunker that "Thieu's efforts to create a base of support in both Houses have been made difficult by, Buddhist backed, Vice President, Ky's influence among some important senators and Ky's influence over the Democratic Bloc in the lower House.":

2 June 1968, Ky's main support bloc, while meeting at a command post in Cholon district of Saigon, was attacked with rocket and machine gun fire from a U.S. Army helicopter: killing Lieutenant Colonel Pho Quoc Chu (Ky's brother-in-law); Lieutenant Colonel Dao Ba Phuoc; Lieutenant Colonel Nguyen Van Luan; Major Le Ngoc Tru and Major Nguyen Bao Thuy: effectively wiping out Ky's political financial base.

Now given the official title of "Phoenix" Program: planned and implemented solely by the CIA: the "conversion" process (genocide) of the South Vietnamese Buddhists starts again. As will become only too apparent, the Phoenix Program was a program of extermination. As you read, keep in mind that the only difference between the Phoenix Program and "Homeland SSecurity" is their names.

In the Phoenix Program, offices were set up from top government levels down to the local communities. These operatives, from the top level of command all the way down to the PRU (Provincial Reconnaissance Units) operated with total impunity.

Their function:

- (1) Collate intelligence on community infrastructure.
- (2) Carry out sweeps through communities: picking up people at random, along with all those named by "anonymous informants", and indefinitely detained in CIA interrogation centers.
- (3) Interrogation of suspects: according to the "CIA Manual For Interrogation and Elimination": proves that these procedures were standard policy: Not one person interrogated, as a VC, ever survived this "procedure".
- (4) Neutralize (kill) targeted members of communities: often carried out by CIA lead locals organized into "Provincial Reconnaissance Units" (PRU).
- (5) Units are pressured from higher ups to fill "numerical quotas" to be "neutralized" (killed): quota pressure forced PRU to neutralize all who cannot prove their innocence of "suspicious activity": resulting in indiscriminate brutality, torture and murder. (U.S. & Saigon intel services maintained active lists of VC/Buddhist cadre marked for assassination. Phoenix Program for 1969 called for "neutralizing" 1800 a month).
- (6) Suspects were not allowed: trial, preliminary hearing, legal representation, confront accusers, plead in own behalf or present evidence in their defense.
- (7) Quotas were used for sentencing: proving, conclusively, that the entire Phoenix Program was academic to genocide (40,994 dead: mostly women and children): and all on the, non descriptive, intentionally vague, presumption of "suspicious activity". (U.S. military personnel, considered security risks, were also ordered killed by CIA directors).

1975 issue of Counter-Spy magazine described the "Phoenix Program" as "the most indiscriminate and massive program of political murder since the Nazi death camps of WW II.

The Phoenix Program/Homeland SSecurity is the incorporation of unam sanctam, 18

Nov 1302, of Pope Boniface VIII: "We are informed by the text of the gospels that in this church and in its power are two swords; namely the spiritual and the temporal. For when the Apostles say: "Behold here are two swords"[Luke 22:38] that is to say, in the church, since the Apostles were speaking, the Lord did not reply that there were to many, but sufficient. Certainly the one who denies that the temporal sword is in the power of Peter has not listened well to the word of the Lord commanding: "Put up thy sword into thy scabbard"[Mt. 26:52]. Both, therefore, are in the power of the church, that is to say, the spiritual and the material sword, but the former is to be administered-for-the church but the latter-by-the church; the former in the hands of the priests; the latter in the hands of kings and soldiers, but at the will and sufferance of the priest".

..... By her own admission, Rome intends to destroy America...

By her own admission, Rome intends to destroy America, where she is entrenching herself with strength. An article in The Union and Echo, official diocesan organ of the Roman Catholic Church in Buffalo, in December 1950, declared: "At the rate of 126,000 converts a year in the United States it would take us too long [to Romanise America]. We must convert Politics, Economics, Sociology, Business, Entertainment, Labor and management, the Department of State and the Executive Branch of our Government to Christian and hence Catholic principles."

This was put in no uncertain terms by "Father" Patrick O'Brien quoted in L'Aurora of the same date: "We control America and we do not propose to stop until America or Americans are genuinely Roman Catholic and remain so." "We, the Hierarchy of the Holy Catholic church, if necessary, shall change, mend, or blot out the present Constitution so that the President may enforce his, or rather our, humanitarian programme and all phases of human rights, as laid down by our saintly Popes and the Holy Mother Church. We are going to have our laws made and enforced according to the Holy See and the Popes and the canon law of the Papal throne. Our entire social structure must be rebuilt on that basis. Our educational laws must be constructed to end the atheism, the Red peril of totalitarianism, Protestantism, Communism, Socialism and all other of like ilk and stamp, be driven from this fair land. We control America and we do not propose to stop until America or Americans are genuinely Roman Catholic and remain so." http://www.ianpaisley.org/article.asp?ArtKey=rome_010198

The Phoenix Program was concocted by CIA's Far East Division Chief, William Colby (Jesuit trained, Knight of Malta; WWII "Vatican Ratline" operative: working in the Vatican with James Jesus Angleton {awarded the Sovereign Military Order of Malta by Pope Pius XII for rescuing Prince Valerio Burghese/"Black Prince": leader of the neo-fascist syndicate: "Movimento Sociale Italiano" from a twelve year prison sentence given him at Nuremberg} who was an operative in the assassination of John Kennedy), was implemented by CIA station chief, William Casey (Sovereign Knight of Malta:

"Vatican Ratline" operative). Tom Ridge (Knight of Columbus), Oliver North and Bob Kerry (Nebraska Senator) were among the operatives in the Phoenix Program (genocide).

All of the CIA programs, since the VietNam War, are simply extensions of the Phoenix Program: "Iran-Contra"(drugs and weapons smuggling operation) in Nicaragua (concocted by William Casey and Oliver North); Bush's raid on Panama (20,000 dead). And what more we could say about the rest of South and Central America; Ireland; Croatia; Serbia (read: KOSOVO, Vatican Tyranny); Macedonia; Montenegro; Afghanistan; Indonesia(500,000 murdered [the names of all people rounded up was accumulated, collated and given to Suharto (put into power through a CIA coup) by the CIA] in four months, by Suharto's army: under the direction and assistance [given jeeps, weapons, field radios {Collins: single side band, KWM-2's: radio messages monitored by National Security Agency: keeping track of the incarcerated and dead, then relaying the info to Washington D.C. where a running count was kept in maintaining a numerical quota} from Clark Field in the Philippines] of the CIA) etc: Colby said the program of genocide in Indonesia and the Phoenix Program were the same. The schools of training for these indigenous government terrorists are, Western Hemisphere Institute For Security Cooperation, formerly The School of The Americas (Ft. Benning Ga.) and The Counter-Insurgency Training Center (Ft. Bragg, Fayetteville, N.C.).

The federalization of all local and county/provincial and state governments by force, under the guise of the "War On Drugs", is typified by the Mexican military's, "Airborne Group Special Forces" slaughter of 45 Mayan Indians (who were trying to maintain their local sovereignty) at Acteal, Chiapas, Mexico: Mexico's version of Homeland SSecurity: In Oct. 95 William Perry (U.S. Secretary of Defense) met with his Mexican counterpart, Enrique Cervantes Aquirre: within months, of Perry's visit, the first group of young Mexican military officers were training in "anti-drug operations" at the Counter-Insurgency Training Center at Ft. Bragg, N.C. In April 96 Perry and Aquirre signed a military aid package to Mexico: the agreement gave Mexico: 73 Huey helicopters; 4 C-26 reconnaissance planes; 500 armored personnel carriers (bringing Mexico's total to 7000); high tech spy hardware; rifles; grenades; flame throwers; \$50,000,000 for arms and training (at Ft. Bragg) where "particularly heavy emphasis" was placed on the airborne group of Special Forces (Aerotransportado de Fuerzas Especiales) to be located in the Mexican states of Chiapas and Guerrero southern Mexico, where "special airborne forces" were set up. What really blows the lid off of the U.S. Governments blatant lies about the phony war on drugs is, with all of this military buildup and slaughter going on in Southern Mexico, both U.S. and Mexican governments admit that "ALL" of the Mexican drug production and activity is in the north! Subsequent to the massacre: the Mexican government ordered all "foreigners" (correspondents and journalists) out of Mexico: again showing the Mexican governments direct responsibility for the slaughter and attempted cover up! <http://www.xs4all.nl/~peace/engels.html> ; <http://www.infowars.com> ; <http://www.AmericanHolocaust.50megs.com> <http://www.>

thenewliberator.com/wethepeople.htm

Louis Freeh (Opus Dei { <http://geocities.com/catolicos2001/truth.htm> }: who's personal goons alter FBI lab reports to make them read the way he wants) was head of the FBI when they blew up the Alfred P. Murray Federal building in Oklahoma City (not a single FBI or BATF employee in the building when it went down; when have you ever seen any structure blow up in an "L" pattern from a single explosive source ?), which got Clinton's, unconstitutional, "Counter - Terrorism" bill through congress and destroyed the records of the investigations of the government holocaust (at Mt. Carmel, outside Waco, Texas), and Iran-Contra (weapons and drugs smuggling operation run out of the airfield at Mena, Arkansas), kept in the Alfred P. Murray federal building safe. In the 9/11/01 World Trade Center disaster (Bush hopes will result in the, totalitarian, "Homeland Security" passage in Congress): 40,000 people did not show up for work; terrorist pilots received CIA flight training at Pensacola Naval Air Station, Pensacola, Fla.; Bush issues executive order W1991-WF-213589, threatening prosecution of FBI agents for reporting on Al Qaeda, after they had reported several working at several US International Airports, two months before 9/11/01; Bush stops all subsequent investigation into the disaster:

....the most telling of government involvement in 9/11: "NORAD"....

"NORAD": America's (and Canada's) air "national security" system, on 9/11/01, showed all of the professionalism of the "Three Stooges": when an aircraft: makes a deviation from its flight plan; turns off its transponder; loses radio contact with a tower, or any combination thereof, a fighter aircraft immediate/rapid deployment/intercept (scramble) is automatically launched that is on any day except 9/11/01. About a half hour after flight 11 was taken over (and its IFF transponder turned off), and eight minutes after it hit building 1 of the World Trade Center, two F-15 fighter aircraft are "scrambled" from Otis air force base at Falmouth Mass. To make sure they didn't catch and intercept flight 175 before it flew into WTC building 2 eight minutes later: the two F-15s fly at 447 mph (23.8% of their optimum speed and 53 mph slower than flight 175); two F-15's flying off the coast of Long Island are not redeployed to intercept either flight 11 or 175 until after flight 175 hits WTC building 2 and it gets better (or worse) by the time the four F-15s arrive over Manhattan the only jetliner still flying, with its IFF transponder off, has made a 180 degree turn over southern Ohio and has been headed for Washington D.C. for 12 minutes and still 34 minutes from the Pentagon. After the airliner hits the Pentagon (or so we are supposed to believe), we now know there was no flight 77 into the Pentagon, but was a missile, in all likelihood fired from one of the two F-16s from Andrews air force base(10 miles from the Pentagon) that did a slow "fly over" of the carnage immediately after the Pentagon was hit.

There were seven buildings in the World Trade Center complex: five, out of the original seven, went down. Buildings 1 and 2 are all you hear about (no explanation is ever given for the other three). Immediately after flight 175 flies into building 2, an explosion

is seen, going through the roof of building 6, rising 550 ft. into the air; re-enforcing steel is partially vaporized. Explosions are seen inside building 7 and collapses in on itself (in the same demolition fashion as the other 4) after 5:30pm. Demolition explosions are seen at every level, going off in sequence, as building 1 and 2 are collapsing. There are three rules of operation to every terrorist organization: (1) commit the terrorist act; (2) take credit for the evil deed; (3) go on international TV, with unit colors and weapons, and make demands from the people you committed the act against: Who took credit for 9/11/01?: NOBODY!! After this fact was being talked about on TV, the feds suddenly came up with "the magic letter" (like "the magic bullet" in the Kennedy assassination) written by Al Qaeda: taking credit for the trade center disaster, which was later proven to be a forgery: Bush lies again! Georgia Congresswoman, Cynthia McKinney, is ostracized, by the administration, Congress, media and, so called, conservative groups, for calling for a more thorough investigation into the disaster; World Trade Center bombing (26 Feb 93): Arab intermediary (between FBI and the Arab terrorists) was given two bombs, by the FBI, for the terrorists (one real and one dummy): when the intermediary asked the FBI which bomb he should give the terrorists, the FBI control agent said: "give them the real one": realizing the significance of that statement, the intermediary asked the FBI agent a second time and, after a long hesitation, got the same response (seen on C-Span); DC snipers: John Alan Muhammad and Lee Boyd Malvo: who's names were on the police desks from the beginning (and that of their car) went about their killing spree unhindered by any authorities. The police never did look for them: (even after their car had been reported being at at least three of the murder crime scenes): They were located (in a well lit-up rest area) and caught by private citizens who called the police, and after waiting thirty minutes called them again: after ten to fifteen more minutes the cops finally show up. John Alan Muhammad's wife works in the office of U.S. Attorney General, John Ashcroft (if you think that's a coincidence, I have some ocean front property in Kansas I'll be glad to sell you). The Anthrax virus mailed to Congressmen and others in DC has been traced to Fort Detrick Army Medical Center (the AIDS virus was invented by the Army also), Frederick Maryland.

Adolph Hitler (put into the chancelory by Cardinal Secretary of State, Eugenio Pacelli) had his Reichstag fire: hanging, Dutch communist, Marinus van der Lubbe for the fire Goering had set: persuading President von Hendenberg to execute executive order: Die Verordnung des Reichspraesidenten zum Schuetz von Volkund Staat (ordinance of Reichspresident for the Defense of the People and State). The Verordnung suspended the portions of the German Constitution equivalent to our Bill of Rights: transferring sovereignty from the German people to the Nazi regime: shutting down dissenting press; political rivals rounded up and sent to Dachau Concentration Camp (paving the way for Endloesung, Holocaust {"Final Solution"}); Australia had its "Port Arthur Massacre", perpetrated by the Australian government (28 April 96, the "lone nut" (patsy): Martin Bryant (arrested, held in isolation for weeks without benefit of council; tortured with mind altering techniques: easy to do with an I.Q. of 66; resulting in

his "persuasion" to accept a plea bargain; resulting in the government not having to present its flimsy case in court, where they knew they didn't stand a chance) being prosecuted in the media before he is even arrested and the Australian governments corporate stonewalling of all subsequent investigation into the disaster: sound familiar?: this is almost "carbon copy" of what happened to James Earl Ray), resulting in the passage of anti-gun legislation/confiscation and the, now infamous, "2000 Aid To Civilian Authorities" (25 Aug 00): amendment to the Defense Act: authorizing the Australian military to shoot and kill Australian citizens, which has resulted in random raids by the Australian police: such as "Operation Vikings 12" (22 Sept 02: 600+ police, and dogs, aggressively confronting people, without provocation, at random in Burwood, Marrickville, Newtown, St. George, Surry Hills, Kings Cross and Sydney CBD: entering places of business without invitation or provocation, etc). Of course the Australian citizen can no longer fend off any tyrannical government aggression, since his guns have been confiscated for his "protection". Evidently Australia doesn't have a Bill of Rights, at least not any longer: Australia's "Civilian Internment Camps" are under construction on Christmas Island.

Blast from the past:

First of all, "Nazi" was gutter slang for the verb "to nationalize". The Bider-Meinhoff gang gave themselves the moniker. The official title of the Nazi Party was "The National Socialist Workers Party of Germany". Hitler and the Brownshirts advocated the nationalization of education, health care, transportation, national resources, manufacturing, distribution and law enforcement. (Homeland SSecurity)

Hitler came to power by turning the working class, unemployed, and academic elite against the conservative republic. After Der Fuhrer's election ceased being a political conspiracy and was transformed into a fashionable social phenomenon, party membership was especially popular with educators, bureaucrats, and the press. ("Students in service to America", George Bush).

Being a Nazi was "politically correct" (patriotic). They called themselves "The Children of the New Age of World Order" and looked down their noses at everyone else. As Hitler acquired more power, he referred to his critics as "the dark forces of anarchy and hatred" (axis of evil?). Anyone who questioned Nazi high-handedness in the German press was branded a "conservative reactionary" (domestic terrorist). Joseph Goebbels, minister of propaganda and communications, proclaimed a "New World Order". The Nazi reign of terror began with false news reports on the Jews, Bohemians and Gypsies: who were said to be arming themselves to overthrow the "New World Order" (see Al-Qaeda's House of Horrors): Hitler demanded that all good people register their guns so that they would not fall into the hands of the "terrorists and madmen". Right-wing fanatics of the "Old Order" (based on the Constitution, Bill of Rights, limited government, and Judeo-Christian values) who protested firearms registration were arrested by the S.S. and put in jail for "fomenting hatred against the

Government of the German people" (Fatherland/Homeland Security).

Then Goering set the Reichstag fire and Hitler ram-rodged an "Emergency Anti-Terrorist Act" ("Patriot Act") through Parliament that gave the Gestapo (Homeland Security) extraordinary powers. The leader then declared that for the well-being of the German people, all private firearms were to be confiscated by the Gestapo and the Wermotten (federal law enforcement and military). German citizens who refused to surrender their guns when the "jack boots" (Gestapo) came calling, were murdered in their homes: the S.W.A.T. team was invented and perfected, by the Gestapo, for this purpose. The Gestapo was the federal marshals of the Third Reich.

When the Policia Bewakken, or local police, refused to take away guns from townsfolk, they themselves were disarmed, dragged into the street and shot to death by the S.A. and S.S. (Nazi versions of the B.A.T.F. and F.B.I.): local ministers speaking out against these atrocities were imprisoned and never seen again. The Gestapo confiscated and seized homes, businesses, bank accounts, and the personal belongings of wealthy conservative citizens who had prospered in the old Republic (warrantless searches, asset forfeiture and seizure, condemnation: "Medical Emergency Powers Act").

Pamphleteers who urged revolt against the Nazis were shot on site by national law enforcement and the military. Photocopying shops were urged to spy on customers and report "suspicious activity". Gypsies and Jews were detained and sent to labor camps. mountain roads, throughout central Europe, were closed to prevent the escape of fugitives into the wilderness ("Wildlands Project"), and to prevent the movement and concealment of partisan resistant fighters. Public schools rewrote history and Hitler youth groups taught the children to report their parents to their teachers for anti-Nazi remarks. Such parents disappeared. Pagan animism became the state religion of the Third Reich and Christians were widely condemned as "right wing fanatics". Millions of books were burned first and then people. Millions of them burned in huge ovens after being gassed to death. Unmarried women were paid large sums of money to have babies out of wedlock and then given medals for it. Evil was declared as being good, and good was condemned as being evil. World Order was coming and the German people were going to be the "peacekeepers". [Thomas Colton Rutherford]

Hitler, while reflecting on the Jewish Holocaust, stated: "in Himmler I see our Ignatius de Loyola". Frans Von Papen (Jesuit, Chancellor for six months before Hitler, first Vice Chancellor of the Third Reich) stated, in reference to the death camps, "Hitler has put into practice the high ideals of the Papacy".

UNDISPUTED PROOF: U.S. INTELLIGENCE IS BEHIND GLOBAL TERRORISM:
Michael Meiring, who operated under the cover of being a treasure hunter, was in fact, a CIA operative under the direct protection of the White House. After ten years of associating himself with Islamic groups: Abu Sayef; MNLF; Moro Islamic Liberation Front and other Philippine based Islamic groups: supplying them with U.S. counterfeit

notes (courtesy of U.S. Intelligence) and bomb making materials, to make terrorist attacks within the Philippines: to give the U.S. the pretext to move in and create another "Phoenix Program/Homeland SSecurity", just like they did in Viet Nam (40,994 dead: mostly women and children) and Indonesia (500,000 dead in four months). Not content with waiting for one of his Islamic acquaintances to act, or possibly to keep on a global agenda time table: Michael Meiring constructs a bomb himself (to create another "Al Qaeda attack"), in a Philippine hotel room, where he prematurely detonates the device, blowing off both of his own legs. It seems when undisputed proof surfaced connecting the CIA, NSA, British Intelligence, U.S. Secret Service and the FBI with the 16 May 2002 blast: Mr. Meiring is spirited away in a NSA/FBI medivac to San Diego CA for his emergency care: verifying his employ as a black ops spook and giving the Philippines a reprieve, if only temporarily.

Los Angeles Times, Wed, 14 Aug. 02: "U.S. Atty. Gen. John Ashcroft (who went to church and college with, and is a personal friend of, TBN's, Paul Crouch: who calls Ashcroft a Christian, a friend and a servant of GOD!) has announced a desire/plan for MORE "civilian internment camps" to be built. http://www.apfn.org/apfn/camps_confirmed.htm , <http://www.freedomfiles.org/war/fema.htm> , http://www.greaterthings.com/news/Concentration_Camps/ for U.S. citizens "he" deems to be "enemy combatants". Ashcrofts plan, disclosed last week but little publicized, would allow him to order the indefinite incarceration of U.S. citizens and summarily strip them of their Constitutional Rights and access to the courts by declaring them "enemy combatants". The camp plan is forged at an optimistic time for Ashcroft's inner circle psychopaths, who have been watching two test cases to see if their vision could become a reality: The cases of Jose Padilla and Yaser Esam Hamdi will determine if U. S. citizens can be held without charges and subject to arbitrary and unchecked authority of the government. In response to a federal judges order to turn over underlying evidence justifying Hamdi's barbaric treatment, the Justice Dept. stated: "The Judge must simply accept its declaration and cannot interfere with the "president's absolute authority" in "a time of war".

Its not like this is the first time civilian internment camps have been proposed by "appointed" government officials: on 3 Aug 1948, J. Edgar Hoover (homosexual - cross dresser, Knight of Malta and 33rd degree Mason) met with Attorney General J. Howard McGrath to form a plan that would allow President Truman to suspend constitution liberties during a national emergency: code named "Security Portfolio", the plan, when activated, would authorize the FBI to summarily arrest up to 20,000 people and place them in "national security detention camps". Prisoners would not have the right to a court hearing, confront accusers or habeas corpus appeal. Meanwhile, "Security Portfolio" allowed the FBI to develop a watch list of those who would be detained, as well as detailed info on their personal lives and that of their families, friends, neighbors, etc. (read: "Above The Law", by, David Burnam). Two years later Congress approved the Internal Security Act of 1950 which contained a provision authorizing an emergency

detention plan. Hoover was dissatisfied with the law because it did not suspend the constitution and it guaranteed the right of habeas corpus. "For two years, while the FBI continued to secretly establish the detention camps and work out detailed seizure plans for thousands of individuals, Hoover kept badgering... (Attorney General McGrath) for official permission to ignore the 1950 law and carry on with the more ferocious 1948 program. On 25 Nov 1952, the attorney general caved in to Hoover." <http://www.apfn.org/THEWINDS/archive/gover...t/camp9-97.html>

When watching these charismatic (founded by Pope John Paul II), prosperity gospel, preachers(?) on TV, a pattern develops, they all adhere to: "the walls (denominational guidelines/differences) are coming down; denominations are coming together ...Oh ... Hallelujah!"; "as soon as He removes the "old order brethren", "old way", "old generation", "old fuddy duddies", "moralists", "pharisees", "legalists", "doctrinal believers", old Sanhedrin", etc. (real Christians) from the world, GOD is going to bring about a worldwide revival that the world has never seen before; forget all of these legalistic doctrines"; "lets just get this Gospel out to the lost!" (as if you could win the lost to Christ without Bible doctrine); the overall theme of their emotional hype invariably builds up the "believer" (exalting the flesh) as much, if not more, than Christ, through such feel good, flesh favoring terms as, "since Christ is in you (indwelling Holy Spirit), you are a part of Jesus Christ ... therefore you are a member of the family of GOD ... therefore you are little gods" etc. etc. (This is the opposite of what the apostle Paul espoused: "He must increase and I must decrease" (this is the same thing GOD kicked Lucifer out of Heaven and made him satan for: "I will exalt my throne above the stars, I will be as the most high").

It seems nothing gets Paul Crouch's feathers ruffled quicker that to be asked about his doctrinal beliefs: like dracula throwing back his cape and bearing his teeth: count Crouch (showing himself for what he really is, has said (on National TV): "That old rotten Sanhedrin crowd, twice dead, plucked up by the roots they're damned and on their way to hell and I don't think there's any redemption for them the hypocrites, the heresy hunters that want to find a little mote of illegal doctrine in some Christians eyes ... I say to hell with you ! I want to say to all you scribes, pharisees, heresy-hunters, all of you that are around pickin' little bits of doctrinal error out of everybody's eyes and dividin' the Body of Christ get out of God's way, stop blockin God's bridges, or God's goin' to shoot you if I don't let Him sort out all this doctrinal doodoo ! I refuse to argue any longer with any of you out there ! Don't even call me if you want to argue doctrine, if you want to straighten somebody out criticize Ken Copeland or Dad Hagin. Get out of my life ! I don't even want to talk to you I don't want to see your ugly face !" (I wonder if Paul Crouch has ever read: "That which you have done unto the least of these my brethren, you have done it unto me" "Out of thine own mouth will I condemn thee" ?)

When looking into Paul Crouch's, Springfield and Kansas City, Missouri, past it

becomes very apparent why it is not without substantial reason that Paul Crouch bears his demonic teeth at the very thought of revealing his "doctrinal beliefs": It seems he is connected to some very seedy religious characters, like William Branham, George Warnock, Oral Roberts, Paul Cain, Jack Deere, Bob Jones (not Bob Jones of Bob Jones University, S.C.), through the religious organization, Vineyard Ministries, which holds to a Gnostic (those who believe only they, within their own select group, who get divine revelations and visions from GOD, are "qualified" to interpret scripture for everyone else) doctrine that they affectionately refer to as The Latter Rain/ Manifest Sons of God, that went underground in 1949 and resurfaced in the 1960's as the Manchild Company:

Modern Prophets have received "new revelations" of the end-time which, until now, have not been understood by the Church. Truly, a "New Breed" of Apostles and Prophets is being raised up who will assume their end-time role of leading the Church to take dominion and to execute God's judgment in the world.

"... The Church movement, like all else, is but a temporary expedient and serves but a transient resting place for the evolving life. Eventually, there will appear the Church Universal, and its definite outline will appear towards the close of this century This Church will be nurtured into activity by the Christ and His disciples when the outpouring of the Christ principle, the TRUE second Coming has been accomplished ... the church, as a teaching factor, should take the great basic doctrines and (shattering the old forms in which they are expressed and held) show their true and inner spiritual significance. The prime work of the Church is to teach, and teach ceaselessly, preserving the outer appearance in order to reach the many who are accustomed to Church usages. Teachers must be trained; Bible knowledge must be spread; the sacraments (Catholic) must be mystically (demonically) interpreted

Paul Cain says: "God is raising up a new standard, a new banner if you will, that's going to radically change the expression, the understanding of Christianity in our generation ... God has invited us to have a role in establishing this NEW ORDER of Christianity ... God is offering to this generation something He has never offered to any other generation ... Beware lest OLD ORDER brethren (real Christians) rob you and steal this hope from you !"

Bob Jones says: "I have called the best of every blood line in earth unto this generation ... I have elected to bring them forth in this generation ... THE ELECT GENERATION ... even the bloodline of Paul ... of David ... of Peter, James and John ... They will even be superior to them in heart, stature and love for me ... Your children will possess the spirit without measure ... They will move into things of the supernatural that no one has ever moved in before ... coming into the DEVINE NATURE of Jesus Christ ... a Church that has reached the full maturity of the GODMAN ! This generation ... is going to see the beginning of this WORLD WIDE NEW ORDER."

Are you having difficulty receiving this "new revelation"? Then perhaps you have been interpreting your Bible in the "old way"-- comparing Scripture with Scripture ... being careful to rightly divide the Word of truth. If this describes you, then you belong to the "Old Generation" which will not enter in to "possess the land" in the Latter Rain Revival. You may even be a member of a denominational church with its dogmatic confession of faith and statement of doctrine. These legalistic forms will be relics of the past in the up and coming "Post denominational Church." Paul Cain advises that you "dump all that carnal stuff" (doctrine) and listen to what the "spirit" is saying to the churches through the Latter Rain Prophets and Apostles, who are dispensing many "new, sacred truths:"

In your Bible you will want to change the book of "The Revelation of Jesus Christ" to "The Manifestation of the Sons of God." We are not to be looking for the "coming of our Lord Jesus Christ and our gathering unto Him." That would be an "escapist mentality" to be repented of at once if we would be Overcomers. Instead we should be looking forward to the glorification of the Corporate Church, which will become perfect and immortal here on earth before the Second Coming. In fact, as Jesus comes "spiritually and invisibly" to His Church, He will actually "incarnate" the Corporate Body and reveal Himself to the world through miraculous signs and wonders performed by the "Manifest Sons of God." "For verily I say unto you, Till heaven and earth pass, one jot or one tittle shall in no wise pass from the law till all be fulfilled." Matt: 5:18; "And it is easier for heaven and earth to pass than for one tittle of the law to fail." Luke: 16:17; "All scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness: That the man of God may be perfect, throughly furnished unto all good works." II Tim: 3:16-17; "For I testify unto every man that heareth the words of the prophecy of this book, If any man shall add unto these things, God shall add unto him the plagues that are written in this book: And if any man shall take away from the words of the book of this prophecy, God shall take away his part out of the book of life and out of the Holy city, and from the things which are written in this book." Rev: 22:18-19; "For there shall arise false Christs, and false prophets, and shall show great signs and wonders; insomuch that, if it were possible, they shall deceive the very elect." Matt: 24:24; "But though we, or an angel from heaven, preach any other gospel unto you than that which we have preached unto you, let him be accursed (anathama; damned to hell). As we said before, so say I now again, If any preach any other gospel unto you than that ye have received, let him be accursed." Gal: 1:8-9.

This great end-time Company is really the "Manchild" of Revelation 12 which will rule the nations with a rod of iron. (you will need to replace Israel with the Church in this passage.) This end-time Church is also the prophetic fulfillment of the dreadful army in Joel 2, which is Gods agent of judgment to cleans the earth of evil during the "times of restitution." (You will find this army also in Revelation 9!) Since the Manifest Sons of God are "the Christ," they will be putting all things under their (oops) His feet, including the "old order" brethren (real Christians).

Paul Crouch puts his stamp of approval on this self serving doctrine with his own self

...serving exegesis of Jesus parable: "Read the parable of the wheat and the tares in Matthew 13:24-30 and you will see that at the end of this age the "ANGELS" are sent forth to remove evil from the earth. That word "ANGELS" also means messengers. So God may use some of us to finish up the work of this age."

If you are wondering what all this religious/Illuminati hype is for, it's really quite simple. When people are faced with a crisis they have no solution for; they go to church. This is one of the reasons Billy Sunday had such great crowds at his revival meetings during the depression. These Illuminati satanists are well aware of this fact, hence the purpose for a large phony religion: when all of the real christians are gone, (disappearing through Homeland Security and US Patriot Act II): there will be Paul Crouch, Pat Robertson, Benny Hinn, D. James Kennedy, Jack Van Impe, Oral Roberts, Jerry Falwell, Billy Graham(33rd degree Mason) and the rest of the Vatican ilk, standing with open arms, and that big smile of deceit, welcoming the deceived into satans church under the guise of christianity: All national parks and forests have been given over to the United Nations and are now International Parks and International Forests: which are being closed and the roads into them are being dug up to keep people from having that avenue of finding a place to hide.

The sole purpose for these inquisitions is to bring about the demise of freedom and establish a totalitarian Roman Catholic (Anti-Christ) world (Illuminati) through "outcome based education": "no child left behind" (every child left behind), coercion, torture, murder and outright genocide is summated by the "Secret Treaty of Verona", "KOSOVO, Vatican Tyranny" (on this web site) and the first paragraph of page58, in the publication: "Toward a Catholic Constitution", by, Leonard Swidler (Jesuit: professor of inter-religious dialog at Temple University, Philadelphia, PA):

"One need look no further than the now accepted bulwark of orthodoxy, Thomas Aquinas, to see how far the prevalent assumptions about the compenetration of religion and politics, with the presumed supremacy of the former, extended at that time. In treating of heretics Thomas views them as common criminals. Their crime is even greater than that of counterfeiters, for "it is much more grievous to corrupt the faith ... than to falsify money." Therefore heretics "may not only be excommunicated, but may justly be killed." The Church should properly tolerate their existence for a while, so long as there is some reasonable hope for conversion, but when that is gone, then heretics "must be cut out like rotten flesh," as Jerome says. They should be handed over "to the secular judge to be exterminated through death."

With this in mind, you can more readily understand the encrypted statement of George W. Bush, when he said: "He has the strength (proven practice of genocide), experience (practice of genocide in the Phoenix Program), personal commitment (dedicated to his Knights of Columbus roots and Jesuit superiors) and authority (what authority, and who gave it?) to accomplish this critical mission (the act of sending, or state of being sent with certain powers, especially to propagate religion; a series of special religious

services)".

George Bush, 13 Sept. 01: "The most important thing is for us to find Osama Bin Laden. It's our number one priority and we will not rest until we find him."

George Bush, 13 Mar. 02: "I don't know where he is. I have no idea and I really don't care. It's not that important. It's not our priority."

All of Osama Bin Laden's siblings were picked up in New York City by the FBI, taken to the airport, put on a corporate jet and flown out of the country on 9/11/01:

So why blame Al Qaeda?:

"DRUGS": After Nixon pulled us out of Viet Nam (for which he was "Watergated") the CIA eventually lost all of its opium holdings in the "Golden Triangle". Poppy growing in Afganistan came to a stop after Al Qaeda took control of the country. Now with Al Qaeda gone and the Mujahedeen back in power: the Afgan drug trade is back in full operation: Of course its routed through Russia to give the US government the excuse to claim they have nothing to do with it.

Tom ridge continues to refuse to testify before Congress about his newly appointed position (it's a crime to give false testimony before Congress). George Bush is defending Ridges refusal to testify by telling Congress Ridge "has no authority, he is only working for me": yet in his speech, appointing Ridge as head of Homeland SSecurity, Bush says Ridge has the "authority to accomplish this critical mission".

In a speech, at Georgetown University, to a congregation of Jesuit students, Senator Joseph Lieberman stated: "I admire the fact that so many of you (Jesuits) are more eager than ever to channel your talents and energy into constructive public service. I hope that government will help make it easier for you to do just that."

If the two World Trade Center Towers (and adjoining buildings) and Pentagon disasters do not bring their desired results in Congress (Homeland SSecurity passage), one can only speculate as to what they will do next : one thing you can rest assured of : if you work in a building where there are any federal agency offices, and you suddenly notice these offices are empty (like vacated over night), or you aren't seeing any federal employees showing up for work : you better run for the nearest exit !!!

"And Jesus answered and said unto them, Take heed that no man deceive you. For many shall come in my name, saying, I am Christ; and shall deceive many. And ye shall hear of wars and rumours of wars: see that ye be not troubled: for all these things must come to pass, but the end is not yet. For nation shall rise against nation, and kingdom against kingdom: and there shall be famines and pestilences, and earthquakes, in divers places. All these are the beginning of sorrows. Then shall they deliver you up to be afflicted, and shall kill you: and you shall be hated of all nations for my name's sake.

And then shall many be offended and shall betray one another. And many false prophets shall rise, and shall deceive many. And because iniquity shall abound, the love of many shall wax cold. But he that shall endure unto the end, the same shall be saved. And this gospel of the kingdom shall be preached in all the world for a witness unto all nations; and then shall the end come. When ye therefore shall see the abomination of desolation, spoken of by Daniel the prophet, stand in the holy place, (whoso readeth, let him understand:) Then let them which be in Judea flee into the mountains: Let him which is on the housetop not come down to take anything out of his house: Neither let him which is in the field turn back to take his clothes. And woe unto them which are with child, and to them which give suck in those days! But pray ye that your flight be not in the winter, neither on the sabbath day: For then shall be great tribulation, such as was not since the beginning of the world to this time, no, nor ever shall be. And except those days shall be shortened, there should no flesh be saved: but for the elect's sake those days shall be shortened. Then if any man shall say unto you, Lo, here is Christ, or there; believe it not. For there shall rise false Christs, and false prophets, and shall show great signs and wonders; insomuch that if it were possible, they shall deceive the very elect. Behold, I have told you before. Wherefore if they shall say unto you, Behold, he is in the desert; go not forth: behold, he is in the secret chambers; believe it not. For as the lightning cometh out of the east, and shineth even unto the west; so shall also the coming of the Son of man be." Matt: 24: 4-27.

CESARE BORGIA we're really fed up with all the stress from the public and all just to be puppets of your Black Nobility family and the JESUIT masters.

-haha

Alexandra - July 13, 2006 01:40 AM (GMT)

I saw that one with Bush a while back. Yep, that pretty much hits the nail on the head. (Jesus would be against him for the record.)

So the Catholic church's idea of Jesus was based on Cesare? That's interesting. I should share that with the people on the Former Catholics for Christ board.

CRAIG-OXLEY - July 13, 2006 08:24 PM (GMT)

99% of the Protestant religion was given by the CATHOLIC religion. Its all nonsense sorry and lets all get real and research Astro-Theology as Jordan Maxwell lectures about. Like Maxwell says its the basis of all religions on Earth. It certainly makes far more sense than the storybook bibles/korans and please dont use the Protestantism

indoctrination that ITS OCCULT AND BAD. Occult simply means hidden/Secret and its not bad.

Alexandra - July 13, 2006 10:33 PM (GMT)

I'm not sure many are aware that there's a difference between a Protestant and a Bible-believer. I agree, most if not all Protestant denominations came out of Rome...and they're going right back to her, like Lutherans, Methodists, etc. But in a sense I'm a Protestant in that I protest Catholicism's un-Biblical teachings.

God hates organized religion...bet a lot of people don't know that either.

Religion is basically a set of rules you have to follow...and that is totally un-Biblical.

True Christianity never came from paganism/heathenism. Look at it this way--Satan put out the counterfeits FIRST, so of course people are going to think Christianity is based on paganism when it's really not. Throw into the mix Catholicism CLAIMING to be Christian, and let the fun begin.

The Jesuit Order's worst enemy is the Bible-believing Christian, because a Bible-believer is totally against the NWO.

CRAIG-OXLEY - July 13, 2006 10:55 PM (GMT)

Im not a christian but I detest the New World Order even though I believe in Astro-Theology. Satan created nothing as satan is simply yet again Saturn worship and how can a planet put out counterfeits. People are too hoodwinked by religious stories full of holes.

TruthSeeker24 - July 14, 2006 01:33 PM (GMT)

I have to defend Alexandra here. First off, Satan is real. He isn't just mentioned in the Bible. He also is mentioned by occultists and Satanists who claim that he exists, appears to people, and inspire people to do evil deeds. The scriptures and other sources records demonic influence unto human beings for a very a long. Also, non-Catholic groups existed for over 2,000 years which were the Waldensians, Vigilantians, early Christians prior to Constantine, etc. There was no real Catholicism before the 300's A.D. Also, The Bible is a very special book. It has over 20,000 copies more than any anicent work in history. People have proven its accucary in history (since Augustus, Nebuccbnzar, David, Solomon, and Tirbarhak are real people mentioned in the Bible), science, and regular moral and life lessons. It has nothing to do with indoctrination. I'm indoctrinated by no one here. Why is the occult wrong? Occult does mean secret knowledge, but it entails more than that. The occult deals with imperfect philosophies

related a lot to paganism, witchcraft, and other non-perfect aspects of views. The worship of non-existent pagan deities and the embrace of imperfect system is bad and deceitful. Not only the Bible condemn the occult, but the occult is never 100% accurate and can lead to the New Age Movement (which everyone knows is controlled by the Jesuits and the NWO crowd). Many in the New Age believe insanely that man is God or can achieve godhood. I won't follow astro-theology. I don't worship the stars or view the stars as somehow divine. They have no bearing in my life, but the expression of the Creator plus other purposes.

Tons of religious stories are backed up real facts. Have you heard of apologetics before. People have answered many criticisms skeptics have made against the Bible for years. Biblical Christianity has nothing to do with all of the myths and paganism. One easy smoking gun is that Biblical Christianity accepts the tenets of salvation of God's grace through faith alone. No religion on the planet has that. Every religion has salvation by works or knowledge. That sets Biblical Christianity from every other faith. There is a God since in most instances a Creator has to be the origin for complex systems. What's more complex than the total universe. Nothing can't create nothing, so there must be a cause for the something in the universe. I view the cause as God, the Creator of the Universe. There is nothing wrong in believing in God.

Sorry my friend but if you follow one of the Earths religions then you've been indoctrinated PERIOD. Just go and learn about the Heavens and you will see why you have the pathetic stories your religion has given you for times of the years such as Easter, Christmas and so forth. You will understand pathetic stories like Judas kissing Jesus to identify him haha. I do not care how old Bible books are and how they've falsified their authenticity.

Solomon? You mean Latin SOL - Hindu OM - Egyptian ON - all meaning THE SUN known to hoodwinked Christians as Jesus oops should be Iesus. The annoited Jesus Christ haha Christos meaning OIL and going deeper SHEMAN or SEMEN mans sacred fluid and again this is where all the Phallic worship all ties in.

Do you agree that Satan is just Lucifer? Whats Lucifer? The DAYSTAR, why? Because it was worshipped early in the morning by high priests as they knew day was coming and thus light. Lucifer is Venus that beautfil small bright light and this is where Lucifer comes from it means light and hes the lightbringer yes because he brings in THE DAY LIGHT of the SUN! Its heave worship PERIOD! Lets get away from the nonsense storys used to hide the plane old boring facts of the heavens (planets & stars).

So when we're hoodwinked we believe the Jesuit Order are Luciferians when infact they're just ELders and Saturn is their true god along with SUN and heavens worship.

ASTRO THEOLOGY PERIOD

You have a First Amendment right to believe in what you want. I didn't know that the Earth is round, life being in the blood, abhorring the evil of murdering innocent life, worshipping the true Creator of this Universe, and displaying great moral character (all

of these are found in the Holy Scriptures) was pathetic. If that's pathetic, every ancient tablet and ancient scrolls are pathetic for historical research. In truth, viewing man as divine and worshipping the stars is rather pathetic for me instead. NT copies have been found as early as the 100's A.D., while the Greek stories from Homer have copies centuries after the men lived. That's accuracy to me. Even atheists admit to accurate recording of the OT through the Massoretic text. Also, I don't agree with Easter, Christmas, etc. This has nothing to do with the subject. No where in scriptures outline these "holidays" at all. In fact, Bible believing Christians have exposed these "holidays" for centuries. Solomon's name has been used by pagans and Masons and I'll admit to that. I realize the etymology of Lucifer.

On the other hand, there is value in following moral principles. We humans have a higher thinking level of intelligence than any other creature on Earth. We have a responsibility to follow absolute moral principles and real religion is apart of that process. Why do you think that The New Age Movement (NWO crowd) plus the media bashed religious folks for years? This isn't by accident. The Council of Jamnia in ca. 90 AD. outline an accurate appraisal of the OT, while condemning the Apocrypha. Mainstream historians like Tacitus, Thallus, and others outline Jesus Christ's existence then and now. Just because there are similarities in every religion, doesn't mean that every religion ought to be rejected per se.

So you believe in no God existing? If you do then, that's a shame.

Geocentricity is found in the Bible too...a good example is Joshua chapter 10. And Job declared that God "hanged the earth on nothing" or something like that.

As far as this thread...I simply found it interesting that the Catholic depiction of Jesus seems to be based on Cesare Borgia. Jesus had short hair, because in 1 Corinthians it says it's a shame for a man to have long hair. He wasn't some long-haired hippie.

I don't care what century this is, smashstuff.

God gave us a sex drive and we're expected to control it, for example--like, no fornication.

Likewise, while God gave men hair, a man's expected to control it--like cut it if it gets too long.

All I was doing was pointing out that the Bible prohibits long hair on men, yet Catholics want to portray Jesus with long hair. That's all I was saying!

CRAIG-OXLEY - July 15, 2006 12:49 PM (GMT)

Long Blonde hair is simply the worship yet again of the **SUN** wether its depicted on some Jesus's (the SUN of GOD) or Samson. Represent the SUN of GODS rays.

Because it's natural...as the apostle Paul said, nature should teach you that.

My husband knows someone who cut his hair because he was tired of being mistaken for a woman and whistled at by guys.

Interesting how some can get 'stuck in Bible beliefs' which has been around for 2,000 odd years & how can that compare to the TRUTH which is Eternity.

I agree with 2TUFF that Maxwell & Tsarion have absolutely marvelous sites which are worthy of study. The Occult does mean hidden/secret but can be used for selfless or selfish reasons, good or evil so to say. The Occult teachings are available to all who seek & all advertising agencies use 'symbolism' as that is a powerful tool that once seen is imprinted on the subconscious & consciousness of the human mind. A very powerful tool on the physical plain but on the mental plain thought is all powerful.

The Bible is so limiting in a limitless Universe I cannot understand why people get stuck into believing what has some good points but is basically a story book.

I will post this piece & welcome it being 'pulled to pieces'. In case some words need explaining please go to

WHY EVOLUTION ? WHY THE UNIVERSE ?

"What then is the universe for, and for what final purpose is man the immortal thinker here in evolution? It is all for the experience and emancipation of the soul, for the purpose of raising the entire mass of manifested matter up to the stature, nature, and dignity of conscious god-hood, The great aim is to reach to self-consciousness...by and through the perfecting after transformation, of the whole mass of matter as well

as what we now call soul. Nothing is or is to be left out. The aim for present man is his initiation into complete knowledge, and for the other kingdoms below him that they be raised up gradually from stage to stage to be in time initiated also. This is evolution carried to its highest power; it is a magnificent prospect; it makes of man a god, and gives to every part of nature the strength and possibility of being one day the same; there is strength and nobility in it, for by this no man is dwarfed and belittled, for no one is so originally sinful that he cannot rise above all sin...Present religions keep the element of fear..." Ocean p. 60-1

" The Law for the birth, growth, and decay of everything in Kosmos, from the Sun to the glow-worm in the grass, is ONE. It is an everlasting work of perfection with every new appearance, but the Substance-Matter and Forces are all one and the same. But this LAW acts on every planet through minor and varying laws." Secret Doctrine Vol I page 145.

"...until every grain of dust has, by gradual transformation through evolution, become a constituent part of the "living soul" and, until the latter shall reascend the cyclic arc, and finally stand--its own Metatron or Redeeming Spirit--at the foot of the upper step of the spiritual worlds, as at the first hour of its emanation." This covers the concept of Universal evolution and includes all beings without exception." Isis II 420-422

"In the hearts of all, at some time there arises the desire for knowledge.
He who thinks his desires will be fulfilled, as the little bird in the nest,
who has only to open his mouth to be fed, will very truly be disappointed...The soul develops like the flower in God's sunlight, and unconsciously to the soil in which it grows. Shut out the light and the soil grows damp and sterile, the flower withers or grows pale and sickly.
Each and every one is here for a good and wise reason. If we find partially
the why we are here, then is there the more reason that we should by intelligent contact with life, seek in it the farther elucidation of the problem. It is not for the study of ourselves so much, as the thought for
others that opens the door. The events of life and their causes lead to

knowledge. They must be studied when they are manifested in daily life."

WQJ Art. II 410-1

THE PRESIDING SPIRIT SUPPORTS THE COSMOS

"As stated in the last paper, the substratum, or support, for the whole cosmos, is the presiding spirit, and all the various changes in life, whether of a material nature or solely in mental states, are cognizable because the presiding spirit within is not modifiable. Were it otherwise, then we would have no memory, for with each passing event, we, becoming merged in it, could not remember anything, that is, we would see no changes.

There must therefore be something eternally persisting, which is the witness and perceiver of every passing change, itself unchangeable. All objects, and all states of what Western philosophers call mind, are modifications, for in order to be seen or known by us, there must be some change, either partial or total, from a precedent state. The perceiver of these changes is the inner man -- Arjuna-Krishna.

This leads us to the conviction that there must be a Universal Presiding Spirit, the producer as well as the spectator, of all this collection of animate and inanimate things.

The philosophy taught by Krishna holds that at first this spirit -- so called, however, by me only for the purpose of the discussion -- remained in a state of quiet with no objects, because as yet there was no modification.

But, resolving to create, or rather to emanate the universe, IT formed a picture of what should be, and this at once was a modification willingly brought about in the hitherto wholly unmodified spirit; thereupon the divine Idea was gradually expanded, coming forth into objectivity; while the essence of the presiding spirit remained unmodified, and became the perceiver of its own expanded idea.

Its modifications are visible (and invisible) nature. Its essence then differentiates itself continually in various directions, becoming the immortal part of each man -- the Krishna who talks to Arjuna. Coming like a spark from the central fire, it partakes of that nature, that is, the

quality of being unmodifiable, and assumes to itself -- as a cover, so to speak -- the human body (5) and thus, being in essence unmodified, it has the capacity to perceive all the changes going on around the body.

This Self must be recognized as being within, pondered over, and as much as possible understood, if we are to gain any true knowledge.

We have thus quickly, and perhaps in an inadequate way, come down to a consideration of Arjuna as composed of all these generals and heroes enumerated in this chapter, and who are, as we said, the various powers, passions and qualities included in the Western terms "brain and mind."

G. Notes Ch 2 pp 26-30

"In Evolution, as it is now beginning to be understood, there is supposed to be in all matter an impulse to take on a higher form--a supposition clearly expressed by Manu and other Hindu philosophers of the highest antiquity. The philosopher's tree illustrates it in the case of the zinc solution. The controversy between the followers of this school and the Emanationists may be briefly stated thus The Evolutionist stops all inquiry at the borders of ' the Unknowable "; the Emanationist believes that nothing can be evolved-or, as the word means, unwombed or born-EXCEPT IT HAS FIRST BEEN INVOLVED, THUS INDICATING THAT LIFE IS FROM A SPIRITUAL POTENCY ABOVE THE WHOLE."

THEOSOPHICAL GLOSSARY, pp. 113-4

INVOLUTION OF IDEALS INTO OBJECTIVE FORMS

"This visible universe of spirit and matter...is but the concrete image of the ideal abstraction; it was built on the model of the first divine idea. Thus our universe existed from eternity in a latent state. The soul animating this purely spiritual universe is the central sun, the highest deity itself. It was not himself who built the concrete form of his idea, but his "first-begotten;" and as it was constructed on the geometrical figure of the dodecahedron [Plato, Timaeus], the first -begotten "was pleased to employ 12,000 years in its creation." Isis I 342

"...every living creature and thing on earth, including man, evolved from one common primal form." SD II 659

SVAYAMBHU (Sk.) A metaphysical and philosophical term, meaning "the spontaneously self-produced" or the "self-existent being." An epithet of Brahma. Svayambhu is also the name of the first Manu." Glos 315 [see Isis I xvi, 590, II 39, 391, 443, SD I 52, 375, Isis II 128, 307]

"It is the Spiritual evolution of the inner, immortal man that forms the fundamental tenet in the Occult Sciences...the One Universal Life, independent of matter...and...the individual intelligences that animate the various manifestations of this Principle...The One Life is closely related to the one law which governs the World of Being--Karma." S D I 634

THE EVOLUTIONARY SCHEME (Threefold: Spirit, Mind, Body)

"...there exists in Nature a triple evolutionary scheme for the formation of the three periodical Upadhis...the Monadic (or spiritual), the intellectual, and the physical evolutions. These are the finite aspects or the reflection on the field of Cosmic Illusion of Atma, the seventh, the One Reality.

1. The Monadic is...concerned with the growth and development into still higher phases of activity of the Monad in conjunction with:--
2. The Intellectual, represented by the Manasa-Dhyanis(the Solar Devas, or the Agnishwatta Pitris) the "givers of intelligence and consciousness" to man and:--
3. The Physical, represented by the Chhayas of the lunar Pitris, round which Nature has concreted the present physical body. This body serves as the vehicle for the "growth"...and the transformations through Manas and--owing to the accumulation of experiences--of the finite into the infinite, of the transient into the Eternal and Absolute.

Each of these three systems has its own laws, and is ruled and guided by different sets of the highest Dhyanis or "Logoi." Each is represented in the constitution of man, the Microcosm of the great Macrocosm; and it is the union of these three streams in him which makes him the complex being he now is." SD I 181-2 (see also SD I 188-189)

"Every Spiritual Individuality [Higher Manas] has a gigantic evolutionary journey to perform, a tremendous gyratory progress to accomplish.

First--at the very beginning of the great Mahamanvanataric rotation, from first to last of the man-bearing "planets," as on each of them, the monad has to pass through the seven successive races of man...up to the present fifth race, or rather variety, and through two more races, before he has done with this one. Each of the 7 races send 7 ramifying branchlets from the Parent Branch: and through each of these in turn man has to evolute before he passes on to the next higher race; and that--seven times...The branchlets typify varying specimens of humanity--physically and spiritually--and no one of us can miss one single rung of the ladder...when I say "man," I mean a human being of our type. There are other and innumerable manvantaric chains of globes bearing intelligent beings--both in and out of our solar system--the crowns or apexes of evolutionary being in their respective chains, some--physically and intellectually--lower, others immeasurably higher than the man of our chain..." Mahatma Letters, p. 119

"The ultimate origin or beginning of man is not to be discovered, although we may know when and from where the men of this globe came from. Man never was not. If not on this globe, then on some other, he ever was, and will ever be in existence somewhere in the Cosmos. Ever perfecting and reaching up to the image of the Heavenly Man, he is always becoming." Ocean p.127

"The object of [the] amalgamation and precipitation is to give to every race the benefit of the progress and power of the whole derived from prior progress in other planets and systems .Nature never does her work in a hasty or undue fashion, but, by the sure method of mixture, precipitation, and separation, brings about the greatest perfection...Hence man did not spring from a single pair. Neither did he come from any tribe or family of monkey...7 races of men appeared simultaneously on the earth..."
Ocean p. 122-3

MANKIND - THE APEX OF PHYSICAL FORM EVOLUTION

"The spirit in man is the only real and permanent part of his being; the rest of his nature being variously compounded...everything in man but his spirit is impermanent...the Universe being one thing and not diverse, and everything within it being connected with the whole and with every other thing therein, of which upon the upper plane...there is perfect knowledge, no act or thought occurs without each portion of the great whole perceiving and noticing it. Hence all are inseparably bound together by the tie of

Brotherhood...it is taught that there is no creation of worlds...but that their appearance is due strictly to evolution,

When the time comes for the Unmanifested to manifest as an objective Universe, which it does periodically, it emanates a Power or "The First Cause"--so called because it itself is the rootless root of that Cause, and called in the East the "Causeless Cause."...The projection into time of the influence or so-called "breath of Brahma" causes all the worlds and the beings upon them to gradually appear. They remain in manifestation just as long as that influence continues to proceed forth in evolution.

After long aeons the outbreathing, evolutionary influence slackens, and the universe begins to go into obscuration, or pralaya, until, the "breath" being fully indrawn, no objects remain, because nothing is but Brahm. Care must be taken by the student to make a distinction between Brahm (the impersonal Parabrahm) and Brahma the manifested Logos.

This breathing forth is known as a Manvantara, or the Manifestation of the world between two Manus...For the purpose of a Manvantara two so-called eternal principles are postulated, that is, Purusha and Prakriti (or spirit and matter), because both are ever present and conjoined in manifestation.

This brings us to the doctrine of Universal Evolution as expounded by the Sages of the Wisdom-Religion. The Spirit, or Purusha, they say, proceeds from Brahma through the various forms of matter evolved at the same time, beginning in the world of the spiritual from the highest and in the material world from the lowest form...yet unknown to modern science. Thus, therefore, the mineral, vegetable and animal forms each imprison a spark of the Divine, a portion of the indivisible Purusha.

These sparks struggle to "return to the Father," or in other words, to secure self-consciousness and at last come into the highest form, on Earth, that of man, where alone self-consciousness is possible to them. The period calculated in human time, during which this evolution goes on embraces millions of ages. Each spark of divinity has, therefore, millions of ages in which to accomplish its mission...all depends upon the individual's own will and efforts.

Each particular spirit thus goes through the Manvantara, or enters into manifestation for its own enrichment and for that of the Whole.

Mahatmas and Rishis are thus gradually evolved during a Manvantara, and become after its expiration, planetary spirits, who guide the evolution

of other future planets. The planetary spirits of our globe are those who in previous manvantaras ...made the efforts, and became in the course of that long period Mahatmas.

This system is thus seen to be based upon the identity of Spiritual Being, and, under the name of "Universal Brotherhood," constitutes the basic idea of the T S, whose object is the realization of that Brotherhood among men." WQJ-Epitome, pp. 9 - 12

"...man came to this globe from another planet, though of course then a being of very great power before being completely enmeshed in matter, so the lower kingdoms came likewise in germ and type from other planets, and carry on their evolution step by step upward by the aid of man, who is, in all periods of manifestation, at the front of the wave of life...This is the point where the intelligent aid and interference from a mind or mass of minds is absolutely necessary. Such aid and interference was and is the fact, for nature unaided cannot do the work right...It is Man who does this.

Not the man of the day, weak and ignorant as he is, but great souls, high and holy men of immense power, knowledge and wisdom...just as every man would now know he could become...Various names have been given to these beings now removed from our plane. They are the Dhyanis, the Creators, the Guides, the Great Spirits, and so on by many titles..." Ocean p. 130-1 [see SD II 79-80, 93-4] =09

"By methods known to themselves and to the Great Lodge they work on the forms so brought over, and by adding here, taking away there, and often altering, they gradually transform...This process is carried on chiefly in the purely astral period preceding the gross physical stage, as the impulses thus given will surely carry themselves forward through the succeeding times. When the midway point of evolution is reached the species emerge on to the present stage..." Ocean p. 131-2

"The object of all this differentiation, amalgamation and separation is well stated by another of the Masters, thus: "Nature consciously prefers that matter should be indestructible in organic rather than inorganic forms, and works slowly but incessantly towards the realization of this object--the evolution of conscious life out of inert material." Ocean p. 133-4

"Man occupies the most important place in the whole scheme of evolution. He stands where Spirit and matter meet. He is the link between the higher

beings and those below. He has so to act, so to think and act, in and upon and with this physical matter that he raises it all up, and gives it another tendency, another trend. By the very constitution of his nature, by reason of his being connected as he is in a physical body with all nature, the Secret Doctrine states that man can become greater than any one of the Dhyani Chohans and equal to all of them put together. That is the goal which lies before him--the goal of the "Kingly Mystery"--the seeing and knowing and feeling and acting universally. For there is a power in man which enables him to judge aright; he has the all-seeing eye--the all-encompassing sight which permits him to see the justice of all things. And always there is present the power of choice in one direction or another. The questions before each human being are: Whom will ye serve? Will you serve the higher spiritual nature, or the body of flesh?" F P p. 225

THE POWER OF EVOLUTION

"The active Power, the "Perpetual motion of the great Breath" only awakens Kosmos at the dawn of every new Period, setting it into motion by means of the two contrary Forces [Fn.: "...male/female, positive/negative, physical/spiritual, the two being the one Primordial Force"], and thus causing it to become objective on the plane of Illusion. In other words, that dual motion transforms the Kosmos from the plane of the Eternal Ideal into that of finite manifestation, or from the Noumenal to the phenomenal plane.

Everything that is, was, and will be, eternally IS, even the countless forms, which are finite and perishable only in their objective, not in their ideal Form. They existed as Ideas, in the Eternity [Fn.: "Occultism teaches that no form can be given to anything, either by nature or by man, whose ideal type does not already exist on the subjective plane. More than this; that no such form or shape can possibly enter man's consciousness, or evolve in his imagination, which does not exist in prototype, at least as an approximation.], and, when they pass away, will exist as reflections.

Neither the form of man, nor that of any animal, plant or stone has ever been created, and it is only on this plane of ours that it commenced "becoming," i.e., objectivizing into its present materiality, or expanding from within outwards, from the most sublimated and supersensuous essence into its grossest appearance.

Therefore our human forms have existed in the Eternity as astral or

ethereal prototypes; according to which models the Spiritual Beings...whose duty it was to bring them into objective being and terrestrial Life, evolved the protoplasmic forms of the future Egos from their own essence. After which, when this human Upadhi, or basic mould was ready, the natural terrestrial Forces began to work on those supersensuous moulds which contained, besides their own, the elements of all the past vegetable and future animal forms of this globe in them. Therefore, man's outward shell passed through every vegetable and animal body before it assumed the human shape." S D I 281

SOURCE OF MAN'S CONSCIOUSNESS

"The legend of the "Fallen Angels" in its esoteric signification, contains the key to the manifold contradictions of human character; it points to the secret of man's self-consciousness; it is the angle-iron on which hinges his entire life-cycle...On a firm grasp of this doctrine depends the correct understanding of esoteric anthropogenesis. It gives a clue to the vexed question of the Origin of Evil; and shows how man himself is the separator of the One into various contrasted aspects.

.The "Fallen Angels,"...are Humanity itself. The Demon of Pride, Lust, Rebellion, and Hatred, has never had any being before the appearance of physical conscious man. It is man who has begotten, nurtured, and allowed the fiend to develop in his heart; he, again, who has contaminated the indwelling god in himself by linking the pure spirit with the impure demon of matter...Add to it the claim that a portion of Mankind in the 3rd Race--all those Monads of men who had reached the highest point of Merit and Karma in the preceding Manvantara--owed their psychic and rational natures to divine Beings hypostatizing into their 5th principles...The divine man dwelt in the animal, and, therefore when the separation took place in the natural course of evolution--when also "all the animal creation was united," and males were attracted to females--that race fell..." SD II 274-5

PERFECTION OF MANKIND'S CONSCIOUSNESS

"A visitor from one of the other planets of the solar system who might learn the term Mahatma after arriving here would certainly suppose that the etymology of the word undoubtedly inspired the believers in Mahatmas with the devotion, fearlessness, hope, and energy which such an ideal should

arouse in those who have the welfare of the human race at heart...The whole sweep, meaning, and possibility of evolution are contained in the word Mahatma. Maha is "great," Atma is "soul," and both compounded into one mean those great souls who have triumphed before us not because they are made of different stuff and are of some strange family, but just because they are of the human race.

Reincarnation, karma, the sevenfold division, retribution, reward, struggle, failure, success, illumination, power, and a vast embracing love for man, all these lie in that single word.

The soul emerges from the unknown, begins to work in and with matter, is reborn again and again, makes karma, develops the 6 vehicles for itself, meets retribution for sin and punishment for mistake, grows strong by suffering, succeeds in bursting through the gloom, is enlightened by true illumination, grasps power, retains charity, expands with love for orphaned humanity, and thenceforth helps all others who remain in darkness until all may be raised up to the place with the "Father in Heaven" who is the Higher Self." WQJ Art. II, p. 39-40

EVOLUTIONARY TIME SCALES : Globes, Rounds, Races,

"The universe evolves from the unknown, into which no man or mind, however high, can inquire, on 7 planes or in 7 ways or methods in all worlds, and this 7-fold differentiation causes all the worlds to have a septenary constitution...The divisions of the 7-fold universe may be laid down roughly as: The Absolute, Spirit, Mind, Matter, Will, Akasa or AEther, and Life.

In place of "the Absolute" we can use the word Space. For Space is that which ever is, and in which all manifestation must take place."

Ocean, p. 14

"...the Earth is 7-fold. It is an entity, and not a mere lump of gross matter...The earth is one of 7 globes in respect to man's consciousness only, because when he functions on one of the seven he perceives it as a distinct globe and does not see the other 6...the 7 globes are in "coadunition with each other but not in consubstantiality" (SD I 166)...these globes are united in one mass though differing from each other in substance, and this difference...is due to change in center of consciousness." Ocean p. 23-24

"The stream or mass of Egos which evolves on the 7 globes of our chain is limited in number, yet the actual quantity is enormous...the whole number of Monads now going through evolution on our Earth Chain came over from the old 7 planets or globes [Moon]...a "life wave," meaning a stream of Monads...This journey went on for four circlings round the whole and then the whole stream or army of Egos from the old Moon Chain had arrived, and being complete, no more entered after the middle of the Fourth Round. The same circling process of these differently arrived classes goes on for 7 complete Rounds of the whole 7 planetary centers of consciousness [Globes]...and when the 7 are ended as much perfection as is possible in the immense period occupied will have been attained, and then this chain or mass of "globes" will die in its turn to give birth to still another series."
Ocean p. 25-26

"Each one of the globes is used by evolutionary law for the development of 7 races, and of senses, faculties and powers appropriate to that state of matter: the experience of the whole 7 globes being needed to make a perfect development. Hence we have Rounds and Races. The Round is a circling of the 7 centers of planetary consciousness; the Race the racial development on one of those 7...as no complete race could be evolved in a moment on any globe, the slow, orderly processes of nature, which allow no jumps must proceed by appropriate means." Ocean p. 26

"It has been repeatedly stated that evolution as taught by Manu and Kapila was the groundwork of the modern teachings, but neither Occultism nor Theosophy has ever supported the wild theories of the present Darwinists--least of all the descent of man from an ape...Man belongs to a kingdom distinctly separate from that of the animals...Every Round repeats on a higher scale the evolutionary work of the preceding Round.

With the exception of some higher anthropoids...the Monadic inflow, or inner evolution, is at an end till the next Manvantara...the full-blown human Monads have to be first disposed of, before the new crop of candidates appears on this Globe at the beginning of the next cycle.

There is a lull; and this is why, during the Fourth Round, man appears on Earth earlier than any animal creation...what the Occultists have never admitted...is that man was an ape in this or in any other Round; or that he ever could be one, however much he may have been "ape-like." S D

I 186-7

"A vast period of time, about 300,000,000 years, was passed...at the end of that stretch of years the process of hardening began, the form of man being the first to become solid, and then some of the astral prototypes of the preceding rounds were involved in the solidification, though really belonging to a former period when everything was astral. When these fossils are discovered it is argued that they must be those of creatures which coexisted with the gross physical body of man...[the missing links] all exist on the astral plane..." Ocean p. 132-3

"The real age of the world is...almost incalculable, and that of man as he is now formed is over 18,000,000 of years. What has become at last man is of vastly greater age, for before the present two sexes appeared the human creature was sometimes of one shape and sometimes of another, until the whole plan had been fully worked out into our present form, function and capacity....[his shape was] at one time globular...when conditions favored such a form...This was accomplished by the Ego or real man going through experience in countless conditions of matter all different one from the other, and the same plan in general was and is pursued as prevails in respect to the general evolution of the universe...details were first worked out in spheres of being very ethereal, metaphysical in fact. Then the next step brought the same details to be worked out on a plane of matter a little more dense, until at last it could be done on our present plane of what we miscall gross matter. In these anterior states the senses existed in germ...in idea, until the astral plane which is next to this one was arrived at, and then they were concentrated so as to be the actual senses we now use through the agency of the different outer organs...he who stops to think must see that the senses are interior and that their outer organs are but mediators between the visible universe and the real perceiver within."
Ocean p. 21

"...evolution on the Earth, it is stated that the stream of Monads begins first to work up the mass of matter in what are called the elemental conditions when all is gaseous or fiery...no evolution is possible without the Monad as vivifying agent...next comes the mineral, when the whole mass hardens, the Monads being imprisoned within. Then the first Monads emerge into vegetable forms which they construct themselves...the first class of Monads emerges from the vegetable and produces the animal, then the human astral and shadowy model...When the middle of the 4th Round is reached no more Monads emerge into the human stage..."

"The plan comes first in the universal mind, after which the astral model or basis is made, and when that astral model is completed, the whole process is gone over so as to condense the matter up to the middle of the 4th Round.

Subsequent to that, which is our future, the whole mass is spiritualized with full consciousness and the entire body of globes raised up to a higher plane of development...7 great races have to evolve here on this planet, and the entire collection of races has to go 7 times round the whole series of 7 globes.

"Human beings did not appear here in two sexes first. The first were of no sex, then they altered into hermaphrodite, and lastly separated into male and female. And this...was over 18,000,000 years ago." Ocean p. 27-28

QUOTE (Alexandra @ Jul 16 2006, 04:18 AM)

Because it's natural...as the apostle Paul said, nature should teach you that.

My husband knows someone who cut his hair because he was tired of being mistaken for a woman and whistled at by guys.

I'm sorry, but this is just a contradiction. You say it's natural to cut hair that grows to a natural length by itself? Would you really worry about these things if the bible didn't exist?

Alexandra - July 16, 2006 03:52 PM (GMT)

Let me show you the passage, smashstuff:

1 Corinthians 11:3-15, noting last two verses:

But I would have you know, that the head of every man is Christ; and the head of the woman is the man; and the head of Christ is God.

Every man praying or prophesying, having his head covered, dishonoureth his head.

But every woman that prayeth or prophesieth with her head uncovered dishonoureth her head: for that is even all one as if she were shaven.

For if the woman be not covered, let her also be shorn: but if it be a shame for a woman to be shorn or shaven, let her be covered.

For a man indeed ought not to cover his head, forasmuch as he is the image and glory of God: but the woman is the glory of the man.

For the man is not of the woman; but the woman of the man.

Neither was the man created for the woman; but the woman for the man.

For this cause ought the woman to have power on her head because of the angels.

Nevertheless, neither is the man without the woman, neither the woman without the man, in the Lord.

For as the woman is of the man, even so is the man also by the woman; but all things of God.

Judge in yourselves: is it comely that a woman pray unto God uncovered?

Doth not even nature itself teach you, that, if a man have long hair, it is a shame unto him?

But if a woman have long hair, it is a glory to her: for her hair is given her for a covering.

Basically, my whole point was this: Catholic art portrays Jesus with long hair, when Scripture clearly says that it's shameful for a man to have long hair. That was my ENTIRE point. It's yet another example of Catholicism going against what's in the Bible.

Minuteman Matt - July 17, 2006 02:42 AM (GMT)

No offense but that whole "Jesus has short hair thing & long hair is a sin" is a big pile of BS

Inner World of the Occult - Jordan Maxwell Lecture & Slideshow (2002)

Jordan Maxwell delivers an interesting lecture in which he delves deeply into the occult and its role in the control of the western world and its leaders through the Faustian financial fraternity. He also shows, in detail, the role and significance of the attacks of September 11, 2001; how they help to bring forth the New World Order.

Jordan Maxwell has spent 44 years studying conspiracy and the occult. In the video, Inner World of the Occult, Maxwell delves deeply into the occultic forces which play a major role in our lives.

He is the foremost expert when it comes to research on the occult; on those images that we see all around us and the pictures which few of us understand, which are subliminal. The video has slides, pictures and stories and makes much clearer, the significance of what we are seeing happen in the world today.

Well thats the thing, is there more info on exactly what the score is between them .. he covers it briefly in the video but I would like to know more as regards there relationship & how that came to be such bad feeling.

I get the feeling of he helped him & also gave him information and basicly Icke ran with it without credit to him? Is that the basic gist?

AVBibleBeliever - July 15, 2006 03:39 PM (GMT)

This presentation is fantastic. Jordan Maxwell is right on about the pagan Pharisaical school of what we know today as modern-day Judaism which survived following the destruction of the Second Jewish Temple in 70 AD. The so-called star of David or seal/shield of Solomon is actually the star of Remphan referred to in Scripture. This occult symbol was adopted by the Jesuit-controlled Illuminist Rothchilds those keepers of the

Vatican treasury. This abominable star symbol is in no way inherently Jewish.

Acts 7:43 (AV1611 KJV)

"Yea, ye took up the tabernacle of Moloch, and the star of your god Remphan, figures which ye made to worship them: and I will carry you away beyond Babylon."

I looked up the name Remphan is derived from a Greek word. In Hebrew, after I Googling Remphan and Remphan+Saturn I found that Remphan is rendered as Kewan which is from the Old Babylonian Kayawanu or Moloch (the Owl at the Jesuits' Bohemian Grove) or Saturn just as Jordan Maxwell found in his research.

According to Wikipedia <http://en.wikipedia.org/wiki/Remphan>

"Remphan, the King James Version of the Bible's rendering of the Greek word variously appearing in Acts vii.43 as Ῥῆῖῶά, Ῥῆῖῶαῖ, Ῥῆῖῶαί, and Ῥῆῖῶαί. It is part of a quotation from Amos v.26 where the Septuagint's reading raiphan or rephan stands the Hebrew Chuin or Kewan. The Greek forms are probably simple mistakes for the Hebrew, k (qoppa) having been replaced by r (resh) and ph substituted for v (yod). Kewan is probably the Old Babylonian Kayawanu, the planet Saturn, another (the Akkadian) name for which is Sakkut, which appears as Siccuth in the earlier part of the verse."

I believe Old Testament Judaism was subverted and destroyed only to be replaced by a pagan, eclectic, occult, system controlled by an elite group-the rabbis or masters who practiced magic, Kabbalah, etc. The Lord Jesus Christ rebuked these traditions of men and the corrupt false religion of the Pharisees thus they hated Him and this hate is fostered by modern day Judaism-the Jews' religion.

I believe the elites who embraced the Babylonian mystery religion infiltrated Old Testament Torah believing Judaism and destroyed it just as the Jesuits who embrace the Egyptian and Babylonian mystery religions have been trying to do to New Testament Christianity by diluting and perverting it with their ecumenical movement, false Alexandrian corrupt bibles, charismatic movement, and Freemasonry. Sadly, they have just about met their goal especially in the U.S. their final target of their Counter-Reformation before the return to the Dark Ages on a global scale.

Galatians 1:13

"For ye have heard of my conversation in time past in the Jews' religion, how that beyond measure I persecuted the church of God, and wasted it:"

The apostle Paul was a Pharisee before his conversion to Jesus Christ. Note he called it the "Jews' religion" that is what Judaism is today-merely the Jews' religion completely separated from God of Abraham, Isaac, and Jacob who did not worship Saturn but Jehovah.

It is very interesting how Jordan Maxwell says there is a story within the story of the Bible. There is a verse that comes to mind.

2 Peter 3:16 As also in all his epistles, speaking in them of these things; in which are some things hard to be understood, which they that are unlearned and unstable wrest,

as they do also the other scriptures, unto their own destruction.

I saw T.N.T. (The Naked Truth) and Maxwell said the Bible is nothing more than a story of the Zodiac. I thought about that real hard. I don't believe the Bible is an occult book however those who are in the occult wrest the other scriptures to their own destruction. I also thought about the dozen or so-called "saviors." I believe Krishna, Buddha, Zoroaster, and all the rest of them are elaborate counterfeits raised up by Satan to deceive and keep people in the dark about the shining light of the gospel of Christ. The Lord Jesus Christ is the real and only Saviour all of the rest are cheap and deviously "convincing" substitutes to those who have never heard the gospel of the grace of God. I do not agree with Maxwell and other two in T.N.T. who count out Jesus Christ and say He is merely a recycled savior and that His life is merely a myth or belief.

The Lord Jesus Christ of Bible was of course not born on Dec. 25 and the Jesus of Romanism is not the same as the Jesus Christ of scripture. Romanism is a continuation of the Egyptian and Babylonian mystery religion hence she is the woman, the whore riding on the scarlet coloured beast with the name on her forehead "MYSTERY BABYLON THE GREAT THE MOTHER OF HARLOTS AND ABOMINATIONS OF THE EARTH" (Rev. 17:5)

Alexandra - July 15, 2006 04:35 PM (GMT)

So basically, Nick, all these roads (Catholicism, Talmudic Judaism, Islam, etc.) lead straight to Babylon. Seems the Babylonian system takes on different forms.

As I tell people, Christianity is not based on paganism. Interesting how Satan tossed out Semiramis and Nimrod first, and over time they "evolved" into the Catholic Mary and Jesus, and because of these people think true Christianity is based on paganism. I saw a bumper sticker a while back that proclaimed "Christianity Has Pagan DNA." Shows how ignorant too many people are of the truth! (For the record this was on an SUV with a bunch of tree-hugging and pagan stickers on it...go figure.)

In the end it's going to be Satan's servants versus God's servants. The question is-- whose side are you on?

The Good Will Die Young If Americans Don't Wake Up And Smell The Coffee

We must find the main source of evil destroying our country or the world is doomed.

14 Jul 2006

By Greg Szymanski

<http://www.arcticbeacon.com/14-July-2006.html>

The ideas and words of hero-priest Fr. Alberto Rivera should never be forgotten.

But, unfortunately, the good die young and evil prevails.

Why?

It has been that way from the beginning of time and it will be that to the end unless we, as Americans, wake up and smell the coffee.

By smelling the coffee, it means waking up and smelling the truth behind the mountain of lies fed hand to mouth by the Vatican.

And if America sleeps, many will die and evil will run its course just like it has since the Pope's Crusades of the Middle Ages.

The Vatican is the main source of evil and the Jesuits do their dirty work. If you remain skeptical, listen to the words of former Jesuit priest, the deceased Fr. Rivera, killed by

the wicked hand of the Society of Jesus.

Testimony of Alberto Rivera :

What I'm going to tell you is what I learned in secret briefings in the Vatican when I was a Jesuit priest, under oath and induction. A Jesuit cardinal named Augustine Bea showed us how desperately the Roman Catholics wanted Jerusalem at the end of the third century. Because of its religious history and its strategic location, the Holy City was considered a priceless treasure. A scheme had to be developed to make Jerusalem a Roman Catholic city.

The great untapped source of manpower that could do this job was the children of Ishmael. The poor Arabs fell victim to one of the most clever plans ever devised by the powers of darkness.

Early Christians went everywhere with the gospel setting up small churches, but they met heavy opposition. Both the Jews and the Roman government persecuted the believers in Christ to stop their spread.

But the Jews rebelled against Rome, and in 70 AD, Roman armies under General Titus smashed Jerusalem and destroyed the great Jewish temple which was the heart of Jewish worship, in fulfillment of Christ's prophecy in Matthew 24:2. On this holy place today where the temple once stood, the Dome of the Rock Mosque stands as Islam's third most holy place.

Sweeping changes were in the wind. Corruption, apathy, greed, cruelty, perversion and rebellion were eating at the Roman Empire, and it was ready to collapse. The persecution against Christians was useless as they continued to lay down their lives for the gospel of Christ.

The only way Satan could stop this thrust was to create a counterfeit "Christian" religion to destroy the work of God. The solution was in Rome.

Their religion had come from ancient Babylon and all it needed was a face-lift.

This didn't happen overnight, but began in the writings of the "early church fathers." It was through their writings that a new religion would take shape.

The statue of Jupiter in Rome was eventually called St. Peter, and the statue of Venus was changed to the Virgin Mary. The site chosen for its headquarters was on one of the seven hills called "Vaticanus," the place of diving serpent where the Satanic temple of Janus stood. The great counterfeit religion was Roman Catholicism, called "Mystery, Babylon the Great, the Mother of Harlots and Abominations of the Earth." Revelation 17:5.

She was raised up to block the gospel, slaughter the believers in Christ, establish religions, create wars and make the nations drunk with the wine of her fornication as we will see.

The roots of Islam are traced to a tribal contention over a well, (Zamzam), the treasure of the Kaaba. The offerings that pilgrims had given were dumped down the well and it was filled with sand - it disappeared. Many years later Adb Al-Muttalib was given visions telling him where to find the well and its treasure. He became the hero of Mecca, and he was destined to become the grandfather of Muhammad.

Before this time, Augustine became the bishop of North Africa and was effective in winning Arabs to Roman Catholicism, including whole tribes. It was among these Arab converts to Catholicism that the concept of looking for an Arab prophet developed.

Muhammad's father died from illness. After his mother and grandfather also died, Muhammad was with his uncle. A Roman Catholic monk learned of his identity and said, "Take your brother's son back to his country and guard him against the Jews, for by god, if they see him and know of him that which I know, they will construe evil against him. Great things are in store for this brother's son of yours." The Roman Catholic monk had fanned the flames for future Jewish persecutions at the hands of the followers of Muhammad.

The Vatican desperately wanted Jerusalem because of its religious significance, but was blocked by the Jews. Another problem was the true Christians in North Africa who preached the gospel. Roman Catholicism was growing in power, but would not tolerate opposition.

Somehow the Vatican had to create a weapon to eliminate both the Jews and the true Christian believers who refused to accept Roman Catholicism.

Looking to North Africa, they saw the multitudes of Arabs as a source of manpower to do their dirty work. Some Arabs had become Roman Catholic, and could be used in reporting information to leaders in Rome. Others were used in an underground spy network to carry out Rome's master plan to control the great multitudes of Arabs who rejected Catholicism.

When "St Augustine" appeared on the scene, he knew what was going on. His monasteries served as bases to seek out and destroy Bible manuscripts owned by the true Christians. The Vatican wanted to create a messiah for the Arabs, someone they could raise up as a great leader, a man with charisma whom they could train, and eventually unite all the non-Catholic Arabs behind him, creating a mighty army that would ultimately capture Jerusalem for the pope.

In the Vatican briefing, Cardinal Bea told us this story: A wealthy Arabian lady who was

a faithful follower of the pope played a tremendous part in this drama. She was a widow named Khadijah. She gave her wealth to the church and retired to a convent, but was given an assignment. She was to find a brilliant young man who could be used by the Vatican to create a new religion and become the messiah for the children of Ishmael.

Khadijah had a cousin named Waraquah,, who was also a very faithful Roman Catholic and the Vatican placed him in a critical role as Muhammad's advisor. He had tremendous influence on Muhammad. Teachers were sent to young Muhammad and he had intensive training.

Muhammad studied the works of St. Augustine which prepared him for his "great calling." The Vatican had Catholic Arabs across North Africa spread the story of a great one who was about to rise up among the people and be the chosen one of their God.

While Muhammad was being prepared, he was told that his enemies were the Jews and that the only true Christians were Roman Catholic. He was taught that others calling themselves Christians were actually wicked impostors and should be destroyed. Many Muslims believe this.

Muhammad began receiving "divine revelations" and his wife's Catholic cousin Waraquah helped interpret them. From this came the Koran.

In the fifth year of Muhammad's mission, persecution came against his followers because they refused to worship the idols in the Kaaba. Muhammad instructed some of them to flee to Abyssinia where Negus, the Roman Catholic king, accepted them because Muhammad's views on the virgin Mary were so close to Roman Catholic doctrine. These Muslims received protection from Catholic kings because of Muhammad's revelations.

Muhammad later conquered Mecca and the Kaaba was cleared of idols. History proves that before Islam came into existence, the Sabeans in Arabia worshipped the moon-god who was married to the sun-god. They gave birth to three goddesses who were worshipped throughout the Arab world as "Daughters of Allah" An idol excavated at Hazor in Palestine in 1950's shows Allah sitting on a throne with the crescent moon on his chest. Muhammad claimed he had a vision from Allah and was told, "You are the messenger of Allah." This began his career as a prophet and he received many messages.

By the time Muhammad died, the religion of Islam was exploding. The nomadic Arab tribes were joining forces in the name of Allah and his prophet, Muhammad. Some of Muhammad's writings were placed in the Koran, others were never published. They are now in the hands of high ranking holy men (Ayatollahs) in the Islamic faith. When Cardinal Bea shared with us in the Vatican, he said, These writings are guarded because they contain information that links the Vatican to the creation of Islam. Both

sides have so much information on each other, that if exposed, it could create such a scandal that it would be a disaster for both religions.

In their "holy" book, the Koran, Christ is regarded as only a prophet. If the pope was His representative on earth, then he also must be a prophet of God. This caused the followers of Muhammad to fear and respect the pope as another "holy man."

The pope moved quickly and issued bulls granting the Arab generals permission to invade and conquer the nations of North Africa. The Vatican helped to finance the building of these massive Islamic armies in exchange for three favors:

1. Eliminate the Jews and Christians (true believers, which they called infidels).
2. Protect the Augustinian Monks and Roman Catholics.
3. Conquer Jerusalem for "His Holiness" in the Vatican.

As time went by, the power of Islam became tremendous. Jews and true Christians were slaughtered, and Jerusalem fell into their hands. Roman Catholics were never attacked, nor were their shrines, during this time. But when the pope asked for Jerusalem, he was surprised at their denial!

The Arab generals had such military success that they could not be intimidated by the pope -- nothing could stand in the way of their own plan. Under Waraquah's direction, Muhammad wrote that Abraham offered Ishmael as a sacrifice. The Bible says that Isaac was the sacrifice, but Muhammad removed Isaac's name and inserted Ishmael's name.

As a result of this and Muhammad's vision, the faithful Muslims built a mosque, the Dome of the Rock, in Ishmael's honor on the site of the Jewish temple that was destroyed in 70 AD. This made Jerusalem the 3rd most holy place in the Islam faith. How could they give such a sacred shrine to the pope without causing a revolt? The pope realized what they had created was out of control when he heard they were calling "His Holiness" an infidel.

The Muslim generals were determined to conquer the world for Allah and now they turned toward Europe. Islamic ambassadors approached the pope and asked for papal bulls to give them permission to invade European countries. The Vatican was outraged; war was inevitable. Temporal power and control of the world was considered the basic right of the pope. He wouldn't think of sharing it with those whom he considered heathens.

The pope raised up his armies and called them crusades to hold back the children of Ishmael from grabbing Catholic Europe. The crusades lasted centuries and Jerusalem slipped out of the pope's hands. Turkey fell and Spain and Portugal were invaded by

Islamic forces. In Portugal, they called a mountain village "Fatima", in honor of Muhammad's daughter, never dreaming it would become world famous.

Years later when the Muslim armies were poised on the islands of Sardinia and Corsica, to invade Italy, there was a serious problem. The Islamic generals realized they were too far extended. It was time for peace talks. One of the negotiators was Francis of Assisi. As a result, the Muslims were allowed to occupy Turkey in a "Christian" world, and the Catholics were allowed to occupy Lebanon in the Arab world. It was also agreed that the Muslims could build mosques in Catholic countries without interference as long as Roman Catholicism could flourish in Arab countries.

Cardinal Bea told us in Vatican briefings that both the Muslims and Roman Catholics agreed to block and destroy the efforts of their common enemy, Bible-believing Christian missionaries. Through these concordats, Satan blocked the children of Ishmael from a knowledge of Scripture and the truth.

A light control was kept on Muslims from the Ayatollah down through the Islamic priests, nuns and monks. The Vatican also engineers a campaign of hatred between the Muslim Arabs and the Jews. Before this, they had co-existed peacefully.

The Islamic community looks on the Bible-believing missionary as a devil who brings poison to the children of Allah. This explains years of ministry in those countries with little results.

The next plan was to control Islam. In 1910, Portugal was going Socialistic. Red flags were appearing and the Catholic Church was facing a major problem. Increasing numbers were against the church. The Jesuits wanted Russia involved, and the location of this vision at Fatima, could play a key part in pulling Islam to the Mother Church.

In 1917, the Virgin appeared in Fatima. "The Mother of God" was a smashing success, playing to overflow crowds. As a result, the Socialists of Portugal suffered a major defeat. Roman Catholics world-wide began praying for the conversion of Russia, and the Jesuits invented the Novenas to Fatima which they could perform throughout North Africa, spreading good public relations to the Muslim world.

The Arabs thought they were honoring the daughter of Muhammad. This is what the Jesuits wanted them to believe, as a result of the vision of Fatima.

Pope Pius XII ordered his Nazi army to crush Russia and the Orthodox religion and make Russia Roman Catholic." A few years after he lost World war II, Pope Pius XII startled the world with his phoney dancing sun vision to keep Fatima in the news. It was great religious show biz and the world swallowed it. Not surprisingly, Pope Pius was the only one to see this vision.

As a result, a group of followers has grown into a Blue Army world-wide, totaling

millions of faithful Roman Catholics ready to die for the blessed virgin. But we haven't seen anything yet. The Jesuits have their Virgin Mary scheduled to appear four or five times in China, Russia, and major appearance in the U.S.. This is what "Project Blue Beam" is all about, great pretended apparitions of Vatican Roma's Virgin.

The Vatican and the Space Age!!

From Russia with love to the heavens above!!

The space age officially began on October 5, 1957, when Russia launched Sputnik 1 into space.

From Russia with love to the heavens above. Sputnik was the world's first satellite launched into outer space.

Sputnik 1, the world's first artificial satellite, was launched on October 5, 1957.

Sputnik 2 was launched on November 3, 1957 and carried the first living passenger, a dog named Laika. The mission planners did not provide for the safe return of the spacecraft or its passenger, making Laika the first space casualty.

The first attempt to launch Sputnik 3, on February 3, 1958, failed, but the second on May 15 succeeded, and it carried a large array of instruments for geophysical research. Its tape recorder failed, however, making it unable to measure the Van Allen radiation belts.

Panic at the Vatican over the launching of Sputnik!!

There was panic at the Vatican over the launching of Sputnik in 1957. Satellites in orbit around the earth would confirm that the earth was stationary and that the Bible was true after all.

The loss of the Papal States in 1870 was an unmitigated disaster for the Vatican and now the exposure of the heliocentricity lie would be the final nail in the coffin.... Jesuit general Jean-Baptiste Janssens decided that a radical change of tactics was necessary for the very survival of the system.

This Trojan horse strategy necessitated getting rid of Pope Pius XII and replacing him with a more friendly ecumenical Pope!!

Pope Pius XII was a fanatical Fatima Crusader

At the dawn of the space age, imperious Pope Pius XII was the reigning pontiff.

Eugenio Pacelli (1876-1958).

White Pope from 1939 to 1958.

Pope Pius XII was a fanatical Fatima Crusader and a bitter enemy of Russia.

He was Pope during World War II and is often referred to as Hitler's Pope because of his support for the Third Reich.

In 1950, he almost started World War III over the Korean conflict.

In 1957, Pius and the Pentagon had definite plans for a nuclear war with Russia. It was called OPERATION DROPSHOT. The pretext for the invasion of Russia was the Hungarian Revolution of 1956.

Thank God Presidents Truman and Eisenhower had the final say and they would not give the Pentagon the go-ahead to kill millions of people with a world war.

Pope Pius XII was poisoned in 1958

Pope Pius XII met a timely demise by the poison cup on Oct. 9, 1958. Dr. Galeazzi-Lisi was the Pope's personal physician and it looks like he was doing a GREAT job at keeping the Pope fit and healthy:

Pope Pius XII taking a daily stroll weeks before his death.

These photos were taken by Dr. Galeazzi-Lisi just days before the timely demise of his patient.

Black Pope Janssens ordered a change of tactics called Vatican Council II

After the timely death of Pope Pius XII, General Janssens ordered a complete change of tactics. He had Angelo Roncalli "elected" White Pope and he called Vatican Council II or the ecumenical movement.

"Good Pope" John XXIII
(Pope from 1958 to 1963).

Under orders from his general, Pope John XXIII inaugurated the Trojan horse ecumenical movement or Vatican Council II.

The Latin Mass was dumped along with the dogma: there is no salvation outside the Church of Rome....All religions were now going to get you to Heaven as long as you were sincere.

Under the teachings of Vatican II, sincere Communists, Buddhists, Hindus, Moslems, atheists etc., etc. were all going to Heaven . . . as long as they were SINCERE!!

Among the multiplicity of "changes" brought about by Vatican II was the teaching that Protestants were no longer "heretics" but SEPARATED BROTHERS!!

The final GOAL of the ecumenical movement was "President" Nelson Rockefeller!!

The success of the ecumenical movement in the U.S. necessitated getting a Vatican and Pentagon puppet into the White House because the President still has the final say when it comes to launching nuclear weapons. The friendly overtures of the ecumenical movement did not extend to Russia and her allies and they were still the FINAL TARGET for a nuclear attack by the Pentagon.

Nelson Rockefeller (1908-1979).

Vice President from 1974 to 1977.

In 1947, as assistant secretary of state, Nelson Rockefeller was actually very close to the U.S. Presidency. President Truman slammed that door shut when he became President after the sudden demise of Roosevelt.

The stage was set for another attempt however by the assassination of President Kennedy and the passage of the 25 Amendment.

Nelson would have no qualms whatever about starting World War III. He was very familiar with the Encyclical of Pope Pius IX condemning all progress and the onward march of civilization.

All Nelson had to do was put some "commies" on airplanes and crash them into his Twin Towers.

With Nelson only a heartbeat from the Presidency, it was the most dangerous time in the history of world.

All freedom loving people can thank God that he thwarted the plots of evil men in order to preserve world peace and the onward march of human progress.

Thank God for advances in TECHNOLOGY!!

The word "science" does not appear in the Old Testament but it does mention clever or witty inventions:

"I wisdom dwell with prudence, and find out knowledge of witty inventions" (Proverbs 8:12).

Most of the greatest inventions of history came not from scientists or mathematicians but from practical men using their heads . . . and their hands.

The greatest invention of the past 1,000 years was the printing press. For centuries, the Vatican had Europe in its iron grip and the light of the Gospel was obscured by papal superstition and the corrupt Latin Vulgate version of the "Bible." That time was rightly called the Dark Ages. The printing press was like the rising sun dispelling the darkness and bringing the light of the Gospel to millions. That is why the Vatican DREADS advances in technology.

Pray daily for Russia!!

Thank God that the space age has given us the ability to observe the stationary earth from outer space and verify the truth of the Bible.

Pray daily that Russia will be converted to the true Protestant Christian Faith and that God will enable them to continue to BLESS the world with more witty inventions.

I Keep Living

By [TruthSeeker24 \(Timothy\)](#)

When I look at what is happening at the world now, I keep on living. There is no other option, but to follow the truth plus act. In my lifetime, there has been a lot of debates and challenges, but I'm willing to fight back and not waver in my core belief systems. I will never forget that one of the strongest forces involved in the new world order agenda is the New Age Movement. Numerous New Agers bash conservative religious people, especially Christians for being "intolerant." In reality, the truth is intolerant. $1+1=2$ is an intolerant mathematical fact and there's no escaping it. One of the founders of this movement aren't only the usual Freemasons (like Foster Bailey), but Jesuit priest Pierre de Chardin (the promoter of Piltdown man hoax. He also endorsed a Universal "Christ" to convert the world). Some people say that life is a myth. Well, life isn't a myth. It is

normal for us humans to embrace deeply held moral principles in life like love of family, love of human life (especially for the unborn), and the desire to repel evil. That is what makes us humans. We must foster the dedicated hope of never relinquishing our creativity and always hold high esteem to the Creator of the Universe or God Almighty. In another forum, I mentioned about the Council of Jamnia at ca. 90 A.D. (which Hebrews condemned the inaccurate Apocrypha works) and other information about the Bible (with over 24,600 ancient New Testament copies alone making it the most documented work from the ancient world).

There has been a lot of discussion on the Middle Eastern crisis. The truth is that both sides have made mistakes and it could blow over to a real World War III scenario. The government of Israel claims that Hezbollah and Hamas kidnapped their soldiers, so that merits a strike against Gaza and Lebanon. The Palestinians, Syrians, and Hezbollah believes that Israel is acting overly aggressive in responding to the kidnappings. They cite deaths of civilians as proof of this and their disregard of their sovereignties. This could raise the possibility for an invasion of Iran, which I don't support. This could be a provocation of an Iranian war. It's obvious that Iran doesn't have a nuclear weapon and is no direct threat to America. Even if it did, many nations (including ourselves) have nukes, yet those nuclear nations are striking other nations with them. Not to mention for Iraq, Over 100,000 Iraqi civilians have been murdered. Imagine how many Americans and Iranians will die if a preemptive strike in Iran by America occurred.

Some people like Daryl Bradford Smith lie and said that Israel rules the globe. In truth, Israel was helped to be created by the American and European Elite (like 33rd Harry Truman, the Rothschilds, and others). Daryl Bradford Smith talks constantly about the Askhenazi, but the truth is that Jewish tribes were in Germany at the 300's A.D. as proven in Encyclopaedia Judaica, Vol. 7, col. 458 (all before the Khazars came into Europe). Not to mention that scientists have proven that Askhenazi are related to the Sephardic tribes. I know for a fact that the Sephardic, Ethiopic, Yemeni, Iraqi, Indic, etc. tribes are clearly descended from the ancient Hebrews. Though I agree with the Jewish people right to live in the land of Eretz Yisrael, I disagree with any evil policy of the government of Israel. I don't agree with any evil acts of Muslim radicals as well. I believe in Israel's right to self defense, but what does an airport in Beirut, bridges in Lebanon, etc. have to do with self-defense? I think nothing. Not all Israelis and not all Jews are evil. I'm against the evil governments of Saudi Arabia, America, evil folks in Israel, etc. I really give credit to Barry Chamish, a patriotic man, who exposes many evil Labor Zionists, yet won't collective blame everyone in Israel or all Jewish people for the world's ills. Barry Chamish also writes about the CFR interests in Israel. Ehud Olmert is the new Prime Minister of Israel and it seems like he is similar to Ariel Sharon. The truth is that Middle Eastern leaders (both Jews and Arabs) collaborate with the West to spread globalization around.

The conflict is still continuing. The Guardian on July 14, 2006 cite a study (headed by Professor Gillian Baird) that read that Child autism rate is 25 times accepted figure inside of Britian. Robert Kennedy Jr. and others believe that Thimerosal, a mercury-based preservative in children's vaccines may be responsible for the increase in autism. Even now in this century, the Pentagon has been in support of forming robot fighting force. The Pentagon want to use them as soldiers. It's looks like some of the stories that people read from science fiction are coming about today.

There is a new film called the "American Drug War" outlining the failure of the War on Drugs. Don't get me wrong. I don't agree with using cocaine, alochol, marijuana, herion, etc. (especially for recreational purposes). On the other hand, far too often, non-violent offenders are given heavy handed sentences, while intelligence agencies (i.e. the CIA exposed by Gary Webb) have been caught shipping illegal drugs into America.

There is still a lot of deception on this planet. Many folks (even preachers) don't understand how the Bush administration along with other groups (like the Skulls and Bones, Jesuits, Bohemian Grove, Bilderbergers, etc.) have done great evil in the world. Bush claims to be a moral guy, yet allows a war with a nation that didn't strike us and is part of a group (Skulls and Bones) that performs pagan coffin rituals. We're now near another year of the Bohemian Grove. The Bohemian Grove is in Northern California (composed of 2400 acres) where the rich, CEOs of Business, Presidents, and other elite perform rituals. One ritual is about praising an statue of Molech (in the Cremation of Care ceremony). Prostitutes are sent into the Grove and other activities abound. The ceremonies are to take place every year at July 14 - 30. The Patriot Act is against the Bill of Rights, it has Section 802 that ambiguously defines terrorism, and the government have used the Patriot Act in nefarious ways like targeting innocent doctors. There is a video of Congresswoman McKinney grilling Donald Rumsfeld over DynCorp's sex slaves. So, human trafficking is still a disgusting occurence in the world today. The whole war on terror is a big deciet. Western interests funded many of the Muslim radicals decades ago and now we're fighting them in the Middle East. If you look at

history, the KLA had ties to al-Qaeda and the CIA during the late 1990's. Peter Goodgame has written an excellent article about how Britian Intelligence had influenced in the development of the Muslim Brotherhood.

The Bush Family is in league with the Saudi royals, whose nation of Saudi Arabia have religious persecutions and other corruptions. There are many weird items of America. There is a Pentagram pattern not only in the design of Washington D.C., but in the Pentagon. Back then in the 1700's, many Freemasons and Rosicrucians started to infiltrate the government of America. This is evident in the high level of Founding Fathers who were Freemasons or members of other occult groups like the Hell Fire Club (one member of it was Freemason Benjamin Franklin). The interest of Freemasonry is exempfified in films and books like "National Treasure." Many of them endorsed Francis Bacon's philosophy of wanting a new order for the world. John Daniel's book "The Grand Design Exposed" mention the Jesuit (the same subservise group banned by nations and condemned by a Papal bull in the 1700's) connection to the creation of Washington D.C. (i.e. John Carroll and Charles Carroll).

The The good news is that many patriotic Christians in the 1700's opposed Freemasonry and Bacon's utopian agenda. There are still many people to this day that resist the agenda of occult Secret Societies. These are only a small piece of facts that many Americans don't know today. It's our responsibility to help our nation and to educate our neighbors on these truths as well. Another big deception is Scientology. Even some in the alternative media won't discuss them a lot. Lisa and Gary Ruby from Liberty to Captives Ministries in my opinion has some of the greatest information exposing Scientology. It was invented by the protege of Aliester Crowley (who inspired rock musicians like the Beatles and the Rolling Stones) named L. Ron Hubbard. One of

the most disturbing aspects of Scientology is L. Ron Hubbard's disdain of human life, especially those who are disabled. Various levels in it are called OTs. OT 8 is the highest level in the group.

I have no choice, but to live. History is replete with examples of what is happening today. What's happening today is that governments with huge amounts of power then to become tyrannical. The Roman Empire (spanning centuries in 476 A.D.) had a government that conquered lands in 3 continents to gain as much wealth as possible. Brutal Emperors like Titus, Tiberius, and Nero reigned with an iron fist against innocent people. In Nazi Germany, Hitler (a member of the occult Thule Society) exploited the event of the Reichstag Fire [which occurred in February 27, 1933] to gain power and kill anyone that stood in his way. Knight of Malta Franz von Papen, Himmler, and other players were in the Third Reich. Millions died in World War II. Now, in America, we have the neo cons and others using 9/11 as an excuse for world and decreasing our civil liberties home. I will have to hope for the best, but prepare for the worst.

The Very Fabric of American Existence is being Rocked

Brian Anderson comes forward saying beware Americans a fascist takeover is on the horizon.

12 Jul 2006

By Greg Szymanski

<http://www.arcticbeacon.com/12-July-2006.html>

Brian Andersen of San Diego is another good example of a growing number of Americans who are questioning, researching and uncovering information that is rocking the very fabric of their existence.

Andersen, an independent businessman deeply troubled by the loss of freedoms, began his personal quest for the truth back in the 1970s when he became disturbed and troubled about the JFK assassination.

Realizing then his government was lying and even involved in the cover-up, he spent countless hours researching JFK, coming to the sad conclusion the American people were being duped and being set up for a more sinister scenario of events yet to come.

So as all the conspiracies unfolded over the last 30 years, Andersen continued to research them, including Waco, Ruby Ridge, the first WTC bombing and, of course, 9/11.

His conclusion: Beware of a complete fascist takeover of America and look back on history for all the tell-tale signs.

And when a recent discussion surfaced about the New World Order and the **Jesuits** sinking the Titanic to ensure implementation of the Federal Reserve system by killing many influential and wealthy passengers who opposed it, Andersen provided his views on the subject, adding he has researched it for many years.

The super ship named Titanic of the early 20th century was constructed to withstand blows from the largest icebergs. Like the Twin Towers, the Titanic had steel construction to take any abuse from nature or humans. Edward Smith, captain of the Titanic, like Larry Silverstein, owner of the Twin Towers, received calculated and critical assistance in scuttling the massive structure of steel under his control.

In an issue of Fate Magazine written in the 1960s that I reviewed over 15 years ago the author stated there was undisputable proof that the Titanic took on tons of high grade flammable coal that was stored in the mid-section and bow the ship.

The reason why the coal was stored according to the author was to secretly test out the feasibility of shipping and selling coal from Europe to America. That motive never made any sense to me because America has endless supplies of coal and importing the plentiful commodity from Europe would be impractical. The Fate Magazine article was very informative but created an unfinished puzzle in my analysis and investigation that began when I finished reading the article in the early 1990s.

However, after being informed of the hard facts related to the Jesuit?s involvement in the sinking of the Titanic in your 7/9/06 article I realized the true purpose for the tons of coal that was stealthily loaded before the maiden voyage. Fact ? Edward Smith, Captain of the Titanic, was a Jesuit priest?read article below:

<http://www.arcticbeacon.com/9-July-2006.html>

According to the Fate Magazine author, the coal suspiciously caught fire at the bottom of the pile and burned uncontrollably for days. In fact the coal was probably burning at furnace levels when the Titanic took on the first passengers. The author stated the crew did not know the coal was burning until 24 hours before colliding with the iceberg?yea right and 19 persons with box cutters who could not fly Cessna aircraft carried out 9-11.

The intense furnace like burning coal with steel melting temperatures at the core of the fire did a most important task?weaken the steel to an almost brittle consistency on the entire bow and forward portions of the port and aft. The intense melting temperatures on the inside of the ship and the frigid cold waters of the Atlantic buckled and swayed the steel structure of the Titanic so critical strength was compromised and lost.

A normal and unhampered Titanic would have taken on any iceberg and survived but

the weakened steel of the barbequed Titanic crumbled like a potato chip when hitting the clump of ice at full speed.

The rushing sea water carried the tons of unburned coal to the most forward position of the bow therefore the Titanic went nose first like a dropping bomb into the abyss.

Had the coal not been on board the Titanic would have listed for days like any normal large ship with a breach in the hull and slowly submerged into the sea.

Those Jesuits are a crafty and creative cabal who really know how to throw an outrageous and historic barbeque gala and swim party?the Astor?s were very impressed but they weren?t informed to bring their gold plated skewers and silk covered rubber ducks.

So the Jesuits use coal on the Titanic that is blamed on icebergs, and then they use aerial dropped ?dirty? atomic bombs that are a cover for ground based pulse weapons on Japan during World War II and then they use thermite and thermate to professionally demolish the steel of the Twin Towers that is hilariously blamed on jet fuel.

I do hope one day before it is too late the Protestant Christians of America and the intellectuals and patriots of the political and scientific communities will open their hearts and minds to the treachery and plots of the Jesuits and realize the English royalty, Rothschild?s, Mossad, Morgan?s, Warburg?s, Samurai, Boxer?s, Clinton?s, Bush?s, CIA, NSA, United Nations et all directly or ultimately answer to the black Jesuit pope Kolvenbach.

The J-Boys have their bloody bases and asses covered due to the refusal of key American Protestant Christians in media and leadership positions and patriots, intellectuals and politicians to open their scope, scrutiny and awareness to all the probabilities of the Jesuits that are supported by a mountain of hard evidence, historical facts and common sense.

Confession No. 12: Did The Jesuit Order Mastermind The Sinking Of The Titanic?

The captain of the ship was a Jesuit and many of its influential passengers opposed the formation of the Federal Reserve. Also, we look this week at portions of Vatican Assassins overlooked in past weeks.

9 Jul 2006

By Greg Szymanski

<http://www.arcticbeacon.com/9-July-2006.html>

This week in Confession No. 12 by the shores of Brushy Creek we ask whether the Jesuit Order masterminded the sinking of the Titanic, moving next to discuss overlooked portions of author Eric Jon Phelps book, *The Vatican Assassins* .

Regarding the ill-fated Titanic, it must be remembered a rather large contingent of influential and wealthy businessmen were among the passengers, a contingent when looked closely openly opposed the establishment of the corrupt Federal Reserve banking system now financially destroying America.

To open the debate on the Jesuit connection to the Titanic, Doug Yurchey contributes this concise article, first pointing out the ship's captain was Edward Smith, a Jesuit who worked for J.P. Morgan.

Who Sunk The Titanic?

The above title does not read: What sunk the Titanic? It says: Who? The information

below appeared inside my Outlook Express e-mailbox. The following is stunning and inspired me to write. When we think of great mysteries, controversies, conspiracies or historical questions...many come to mind:

- *Who really murdered JFK?*
- * Who was really behind 9-11?*
- * Did a greater conspiracy surround the Oklahoma Bombing?*
- * Was Marilyn Monroe killed?*
- * Did aliens crash at Roswell?*

Another historical mystery or puzzle is: What was the real story behind the sinking of the Titanic? The book 'The Secret Terrorists' printed by Truth Triumphant Ministries and reprinted by Tree of Life Resources places blame squarely on the Roman Catholic Order known as the Jesuits. 'The greatest tragedies in the last 200 years can be traced to the Jesuits.'

Founded in 1540, the Society of Jesus grew rapidly within the Catholic Church. They were confessors to the ruling families of Europe. They defend the Pope and Catholicism around the world in nearly every country. In 1773, Clement XIV suppressed the Jesuits.

In 1814, Pope Pius VII responded to pressure and restored the Society. There are Jesuit colleges and ministries today. They are a very influential organization. Jesuits are dedicated to furthering Catholicism and the power of the Pope. Yet...there is a secret, negative side to this organization called 'the Society of Jesus.' For hundreds of years they carried out religious killings. They were the men in dark cloaks who carried daggers. (Were they the religious CIA for their time?)

In 1910, seven men met on Jekyll Island just off the coast of Georgia to plan the Federal Reserve Bank. Nelson Aldrich and Frank Valderclip represented the Rockefeller financial empire. Henry Davidson, Charles Norton and Benjamin Strong represented J.P. Morgan. Paul Warberg represented the Rothschilds Banking dynasty of Europe. The Rothschilds were the banking agents for the Jesuits and hold 'the key to the wealth of the Roman Catholic Church.'

The Morgan gang, the Rothschilds gang and the Rockefeller gang were fierce competitors yet entered joint ventures. They established the national banking cartel called the Federal Reserve System....according to G. Edward Griffin in 'The Creature From Jekyll Island (American Opinion Publishing P. 209). A review of this book stated: 'It tells a story of how bankers have lured politicians with easy money and end up in control of most of the world.'

[This writer traveled to Jekyll Island in 1970 with his college tennis team. I had such a beautiful moment there one night: I was alone and drawn to a lighthouse. There stood deer in the darkness drinking from a pond. In the moonlight, it was a sight I'd never

forget. Little did I realize that this wonderful, winter-resort for the rich had an evil history. Jekyll Island was properly named].

The Rothschilds, Morgans and Rockefellers are controlled by the Jesuit Order. The most powerful of families 'do whatever is necessary to destroy constitutional liberty in America and bring the Pope to world domination.' Construction of the Titanic began in 1909; at a shipyard in Belfast, Ireland. Belfast was Protestant and hated by the Jesuits. Morgan took control of the White Star Lines. The Jesuits ordered J.P. Morgan to build the Titanic.

From the very beginning of the luxury liner, the Titanic was destined for doom.

There were a number of powerful men who were NOT in favor of the Federal Reserve System. Benjamin Guggenheim, Isa Strauss and John Jacob Astor opposed the formation of a F.R.S. These men were arguably the richest men in the world and stood in the way of the Jesuits' plan. 'These three men were coaxed and encouraged to board the floating palace.' Not only were these enemies of the Jesuits against a Federal Reserve Bank, but they would have used their wealth and influence to oppose World War I.

This was the 'maiden' voyage of the greatest ship ever built. The 'unsinkable' campaign assured passengers of comfortable safety. Many Irish, French and Italian Catholics were on board. Protestants from Belfast were also encouraged to immigrate to the United States on the Titanic. These were 'expendable' people; for the most part. But, the real reason for the ship's destruction was a game between the super rich whereby Guggenheim-Strauss-Astor could be eliminated. 'They had to be destroyed by a means so preposterous that no one would suspect they were murdered, and no one would suspect the Jesuits.'

The Captain of the Titanic was Edward Smith. He was a Jesuit and worked for J.P. Morgan. Anyone could be a Jesuit and their identity not be known. >From National Geographic 'The Secrets of the Titanic,' (1986):

When the ship departed southern England, on board was Francis Browne. He was the most powerful Jesuit in all of Ireland and the 'Jesuit Master of Edward Smith.' 'Here is Jesuit treachery at its finest. The provincial Father Francis Browne boards the Titanic, photographs the victims, most assuredly briefs the Captain concerning his oath as a Jesuit, and the following morning bids him farewell...' Eric J. Phelps, Vatican Assassins Halcon Unified Services. P. 247.

Captain Smith believed this high-ranking 'Jesuit General' was God. Browne instructed him on what to do in the North Atlantic waters. 'Edward Smith was given orders to sink the Titanic and that's exactly what he did.' According to Jesuit secret philosophy: The innocent can be massacred for the greater good; the ends justifies the means.

Captain Smith had been traveling the North Atlantic for 26 years. He was the 'world's most experienced master' in these cold waters. The Captain knew all along that his ship was built for the enemies of the Jesuits. Its purpose was always to be a 'death ship' and sink on its first voyage. Captain Smith also knew exactly where the icebergs were. Under secret orders, he propelled the Titanic full speed at 22 knots on a moonless night and through a huge ice field 80 square miles in area! He had been 'given orders from his God in the Vatican, and nothing would turn him from his course.'

Captain Smith's actions in his last hours were not those of a strong leader. He seemed as if he was wrestling with his conscience. Should he be the brave sea captain or obey his master and sink the ship?

There were purposely not enough lifeboats. Many of the lifeboats only had a few passengers of women and children during the emergency. White distress flares were jettisoned. Passing ships thought those aboard the Titanic were having a party. The distress flares should have been red. These examples were not because of an arrogant crew who believed the Titanic was unsinkable. These shortcomings were planned.

Those richest of men, who opposed the Federal Reserve System, were killed along with the middle and lower classes. John Jacob Astor's wife was rescued. Molly Brown was also saved. The sinking of the Titanic was possibly the greatest disaster of the 20th Century outside of the World Wars. According to 'The Secret Terrorists,' the cause of this tragedy was the Jesuit Order of the Roman Catholic Church.

The unsinkable ship, the floating palace was created to be a tomb for the wealthy, who opposed the Federal Reserve System. On April 14th (the same date in history as the assassination of Abraham Lincoln) of 1912, the Titanic struck an iceberg and all opposition to the Federal Reserve was eliminated. In December of 1913, the Federal Reserve System came into being in the United States. Eight months later, the Jesuits had sufficient funding through the Federal Reserve Bank to begin World War I.' Notice the F.R.S. was established soon after the disaster of the Titanic.

The rich have always created unnecessary wars where the poor have to fight and die. The pages of 'The Secret Terrorists' do not specifically name the Templars, Freemasons or Illuminati. But these Secret Societies are related and do control: The banks; the money system; the oil companies; corporations; governments; the politicians; the military; the police; the law and judicial system; the churches; the schools; the media, etc., etc...

The rich and powerful have always ruled the world. The elite make the news; they create the great, international events. William Randolph Hearst invented the news and printed his propaganda in his paper.

It was the rich that purposely crashed the Stock Market in 1929 and caused the suffering of the Great Depression. The super rich had a highly-profitable, financial day during the Crash. It was the lesser-rich, want-to-be investors who lost everything.

IT IS NOT INCONCEIVABLE THAT WE HAVE HEARD SO MUCH ABOUT THE FAMOUS VOYAGE OF THE TITANIC BECAUSE IT WAS ONE OF THE MOST PERFECT CRIMES EVER COMMITTED!

Next we turn to portions of **The Vatican Assassins** overlooked in previous Confessions. The writings of author Eric Jon Phelps have helped open up the eyes of many people around the world about the devious undertakings of the **Society of Jesus**. Called a "Catholic basher." by his critics, Phelps, however, has always defended his controversial position with solid facts extracted from historical records.

*The following are direct excerpts from his book, adding a better foundation for those trying to answer the question **Who are the Real Spiritual Controllers of the New World Order?***

It should also be mentioned that Phelps' new and revised Vatican Assassins Third Edition will be available next month.

The Jesuits - 1540

Their Purpose And Oath

The purpose of the Jesuit Order, formally established by the Pope in 1540, is to destroy the Protestant Reformation. They call it the Counter-Reformation. Nicolini of Rome wrote:

"The Jesuits, by their very calling, by the very essence of their institution, are bound to seek, by every means, right or wrong, the destruction of Protestantism. This is the condition of their existence, the duty they must fulfill, or cease to be Jesuits." [Footprints of the Jesuits, R. W. Thompson, 1894]

Extract from Jesuit's Oath

To this end the professed Jesuits have obligated themselves with an oath, part of which was published in 1899, and reads:

"I do now renounce and disown my allegiance as due to any heretical King, Prince or State, named Protestant, or liberals, or obedience to any of their laws or magistrates or officers.

"I do further declare that the doctrine of the churches of England and Scotland, of the Calvinists, Huguenots, and other of the name Protestant or Liberals, to be damnable,

and they themselves to be damned who will not forsake the same.

"I do further declare that I will help, assist and advise all or any of His Holiness' agents, in any place where I shall be, in Switzerland, Germany, Holland, Denmark, Sweden, Norway, England, Ireland or America, or in any other kingdom or territory I shall come to, and do my utmost to extirpate the heretical Protestant or liberal doctrines, and to destroy all their pretended powers, legal or otherwise." [Errors of the Roman Catholic Church, 15 Contributors, 1894]

* * *

In 1981, one of our heroes, Alberto Rivera, disclosed the oath he took as a professed Jesuit. We read:

Ceremony Of Induction And

Extreme Oath Of The Jesuits

(Given to a Jesuit of minor rank when he is to be elevated to a position of command.)

Superior Speaks:

"My son, heretofore you have been taught to act the dissembler among the Roman Catholics to be a Roman Catholic, and to be a spy even among your own brethren: to believe no man, to trust no man. Among the reformers, to be a reformer; among the Huguenots (French Protestants) to be a Huguenot: among the Calvinists, to be a Calvinist: among the Protestants (those who protest and disagree with the Roman Catholic institution), generally to be a Protestant: and obtaining their confidence to seek even to preach from their pulpits, and to denounce with all the vehemence (violent emotion) in your nature our Holy Religion and the Pope; and even to descend so low as to become a Jew among the Jews, that you might be enabled to gather together all information for the benefit of your order as a faithful soldier of the Pope.

"You have been taught to insidiously plant the seeds of jealousy and hatred between states that were at peace, and incite them to deeds of blood, involving them in war with each other, and to create revolutions and civil wars in communities, provinces and countries that were independent and prosperous, cultivating the arts and the sciences and enjoying the blessings of peace;

"To take sides with the combatants and to act secretly in concert with your brother Jesuit who might be engaged on the other side, but openly opposed to that with which

you might be connected;

"Only that the church might be the gainer in the end in the conditions fixed in the treaties for peace, and that the ends justify the means.

"You have been taught your duty as a spy, to gather all statistics, facts and information in your power from every source: to ingratiate yourself into the confidence of the family circle of Protestants and heretics of every class and character, as well as that of the merchant, the banker, the lawyer, among the schools and universities, in parliament and legislatures, and in the judiciaries and councils of State, and to 'be all things to all men', for the Pope's sake, whose servants we are unto death.

"You have received all your instructions heretofore as a novice (one who has no training), a neophyte (a newly ordained priest), and have served as a coadjutor (worked as a helper), confessor and priest, but you have not yet been invested with all that is necessary to command in the army of Loyola and in the service of the Pope.

"You must serve the proper time as the instrument and executioner as directed by your superiors; for none can command here who has not consecrated (made secret or holy) his labors with the blood of the heretic; for 'without the shedding of blood no man can be saved.'

"I, _____, now, in the presence of Almighty God, the blessed Virgin Mary, the blessed Michael the Archangel, the blessed St. John the Baptist, the Holy Apostles, St. Peter and St. Paul and all the saints and sacred hosts of heaven....

"I, furthermore, promise and declare that I will, when opportunity presents, make and wage relentless war, secretly and openly, against all heretics, Protestants and Liberals, as I am directed to do.

"That when the same cannot be done openly, I will secretly use the poisoned cup, the strangulation cord, the steel of the poniard (a dagger) or the leaden bullet, regardless of the honor, rank, dignity, or authority of the person or persons, whatever may be their condition in life, either public or private, as I at any time may be directed so to do by any agent of the Pope or superior of the brotherhood of the holy faith, of the Society of Jesus." [Double-Cross: Alberto, Part 2, 1981]

In addition to the Oath, the Jesuits have a guidebook entitled *Secreta Monita*. To the author's knowledge it has only been disclosed to the world twice: once in the 1600s and once in the 1800s. Because of the magnitude of its contents as it relates to our subject, *The Secret Instructions Of The Jesuits (1857)* is reprinted in its entirety [in *Vatican Assassins*].

THE SECRET INSTRUCTIONS

OF THE JESUITS

Chapter 1: How the Society must behave themselves when they begin any new foundation.

V. At their first settlement, let our members be cautious of purchasing lands; but if they happen to buy such as are well situated, let this be done in the name of some faithful and trusty friend. And that our poverty may be the more colorable gloss of reality, let the purchases, adjacent to the places wherein our colleges are founded, be assigned by the provincial to colleges at a distance; by which means it will be impossible that princes and magistrates can ever attain to a certain knowledge what the revenues of the Society amount to.

VI. Let no places be pitched upon by any of our members for founding a college but opulent cities; the end of the Society being the imitation of our blessed Saviour, who made his principal residence in the metropolis of Judea, and only transiently visited the less remarkable places.

VII. Let the greatest sums be always extorted from widows, by frequent remonstrations of our extreme necessities.

VIII. In every province, let none but the principal be fully apprised of the real value of our revenues; and let what is contained in the treasury of Rome be always kept as an inviolable secret.

Chapter II: In what manner the Society must deport, that they may work themselves into, and after that preserve a familiarity with princes, noblemen, and persons of greatest distinction.

I. Princes, and persons of distinction every where, must by all means be so managed that we may have their ear, and that will easily secure their hearts; by which way of proceeding, all persons will become our creatures, and no one will dare to give the Society the least disquiet or opposition.

II. That ecclesiastical persons gain a great footing in the favor of princes and noblemen, by winking at their vices, and putting a favorable construction on whatever they do amiss, experience convinces; and this we may observe in their contracting of marriages with their near relations and kindred, or the like. It must be our business to encourage such, whose inclination lies this way, by leading them up in hopes, that through our

assistance they may easily obtain a dispensation from the Pope; and no doubt he will readily grant it, if proper reason be urged, paralleled cases produced, and opinions quoted which countenance such actions, when the common good of mankind, and the greater advancement of God's glory, which are the only end and design of the society, are pretended to be the sole motives to them.

V. Above all, due care must be taken to curry favor with the minions and domestics of princes and noblemen; whom by small presents, and many offices of piety, we may so far byass, (bias) as by means of them to get a faithful intelligence of the bent of their master's humors and inclinations; thus will the Society be better qualified to chime in with their tempers.

VII. Princesses and ladies of quality are easily to be gained by the influence of the woman of their bed-chamber; for which reason we must by all means pay particular address to these, for thereby there will be no secrets in the family but what we shall have fully disclosed to us.

XV. Finally,-Let all with such artfulness gain the ascendant over princes, noblemen, and magistrates of every place, that they may be ready at our beck, even to sacrifice their nearest relations and most intimate friends, when we say it is for our interest and advantage.

Chapter III: How the Society must behave themselves towards those who are at the helm of affairs, and others who, although they be not rich, are notwithstanding in a capacity of being otherwise serviceable.

I. All that has been before mentioned, may, in a great measure, be applied to these; and we must also be industrious to procure their favor against every one that oppose us.

II. Their authority and wisdom must be courted for obtaining several offices to be discharged by us; we must also make a handle of their advice with respect to the contempt of riches; though at the same time, if their secrecy and faith may be depended on, we may privately make use of their names in amassing temporal goods for the benefit of the Society.

Chapter IV: The chief things to be recommended to preachers and confessors of noblemen.

VI. Immediately upon the death of any person of post, let them take timely care to get some friend of our Society preferred in his room; but this must be cloaked with such cunning and management as to avoid giving the least suspicion of our intending to usurp the prince's authority; for this reason (as has been already said) we ourselves must not appear in it, but make a handle of the artifice of some faithful friends for effecting our designs, whose power may screen them from the envy which might

otherwise fall heavier upon the Society.

Chapter V: What kind of conduct must be observed towards such religious persons as are employed in the same ecclesiastical functions with us.

Chapter VI: Of proper methods for inducing rich widows to be liberal to our Society

I. For the managing of this affair, let such members only be chosen as are advanced in age, of a lively complexion and agreeable conversation; let these frequently visit such widows, and the minute they begin to show any affection towards our order, then is the time to lay before them the good works and merits of the society. If they seem kindly to give ear to this, and begin to visit our churches, we must by all means take care to provide them confessors by whom they may be well admonished, especially to a constant perseverance in their state of widowhood, and this, by enumerating and praising the advantages and felicity of a single life: and let them pawn their faiths, and themselves too, as a security that a firm continuance in such a pious resolution will infallibly purchase an eternal merit, and prove a most effectual means of escaping the otherwise certain pains of purgatory.

IV. Care must be taken to remove such servants particularly as do not keep a good understanding with the Society; but let this be done by little and little; and when we have managed to work them out, let such be recommended as already are, or willingly would become our creatures; thus shall we dive into every secret, and have a finger in every affair transacted in the family.

Chapter VII: How such widows are to be secured, and in what manner their effects are to be disposed of.

I. They are perpetually to be pressed to a perseverance in their devotion and good works, in such manner, that no week pass in which they do not, of their own accord, lay somewhat apart out of their abundance for the honor of Christ, the blessed Virgin, or their patron saint; and let them dispose of it in relief of the poor, or in beautifying of churches, till they are entirely stripped of their superfluous stores and unnecessary riches.

XIII. Let the confessors take diligent care to prevent such widows as are their penitents, from visiting ecclesiastics of other orders, or entering into familiarity with them, under any pretence whatsoever; for which end, let them, at proper opportunities, cry up the Society as infinitely superior to all other orders; of the greatest service in the church of God, and of greater authority with the Pope, and all princes; and that it is the most perfect in itself, in that it discards all persons offensive or unqualified, from its community, and therefore is purified from that scum and dregs with which these monks

are infected, who, generally speaking, are a set of men unlearned, stupid, and slothful, negligent of their duty, and slaves to their bellies.

XIV. Let the confessors propose to them, and endeavor to persuade them to pay small pensions and contributions towards the yearly support of colleges and professed houses, but especially of the professed house at Rome; not let them forget the ornaments of churches, tapers, wine, and things necessary in the celebration of the sacrifice of mass.

XV. If any widow does in her life-time make over her whole estate to the Society; whenever opportunity offers, but especially when she is seized with sickness, or in danger of life, let some take care to represent to her the poverty of the greatest number of our colleges, whereof many just erected have hardly as yet any foundation; engage her, by a winning behavior and inducing arguments, to such a liberality as (you must persuade her) will lay a certain foundation for her eternal happiness.

XVI. The same art must be used with princes and other benefactors; for they must be wrought up to a belief, that these are the only acts which will perpetuate their memories in this world, and secure them eternal glory in the next.

Chapter VIII: How widows are to be treated, that they may embrace religion, or a devoted life.

Chapter IX: Of increasing the revenues of our Colleges.

XV. Let the confessors be constant in visiting the sick, but especially such as are thought to be in danger; and that the ecclesiastics and members of other orders may be discarded with a good pretence, let the superiors take care that when the confessor is obliged to withdraw, others may immediately succeed, and keep up the sick person in his good resolutions. At this time it may be advisable to move him by apprehensions of hell, and at least of purgatory; and tell him, that as fire is quenched by water, so sin is extinguished by acts of charity; and that alms can never be better bestowed than for the nourishment and support of such who by their calling profess a desire to promote the salvation of their neighbor.

XVI. Lastly, let the women who complain of the vices of ill-humor of their husbands, be instructed secretly to withdraw a sum of money, that by making an offering thereof to God, they may expiate the crimes of their sinful help-mates, and secure a pardon for them.

Chapter X. Of the private rigor of discipline in the Society.

Chapter XI. How our members are unanimously to behave towards those who are expelled from the Society.

I. Since those that are dismissed, do frequently very much prejudice the Society by divulging such secrets as they have been privy to; their attempts must therefore be obviated in the following manner. Let them be prevailed upon, before they are dismissed, to give it under their hands, and swear that they never will, directly or indirectly, either write or speak any thing to the disadvantage of the Order; and let the superiors keep upon record the evil inclinations, failings and vices, which they, according to the custom of the Society, for discharge of their consciences, formerly confessed: this, if ever they give us occasion, may be produced by the Society, to the nobility and prelates, as a very good handle to prevent their promotion.

VIII. Let the misfortunes, and unlucky accidents which happen to them, be immediately published; but with entreaties for the prayers of good Christians, that the world may not think we are hurried away by passion: but, among our members, let these things, by all means, be represented in the blackest colors, that the rest may be the better secured.

Chapter XII. Who should be kept, and favored in the Society.

Chapter XIII. How to pick out young men to be admitted into the Society, and in what manner to retain them.

V. Let them be allured, by little presents, and indulgence of liberties agreeable to their age; and, above all, let their affections be warmed with spiritual discourses.

VI. Let it be inculcated, that their being chosen out of such a number, rather than any of their fellow-collegiates, is a most pregnant instance of divine appointment.

VII. On other occasions, but especially in exhortations, let them be terrified with denunciations of eternal punishment, unless they accept of the heavenly invitation.

VIII. The more earnestly they desire admission into our Society, the longer let the grant of such favor be deferred, provided at the same time they seem steadfast in their resolution; but if their minds appear to be wavering, let all proper methods be used for the immediate firing of them.

Chapter XIV. Of reserved cases, and causes of dismissal from the Society.

Chapter XV. Of our conduct towards nuns and female devotees.

[It is noted in the pre-publication copy of Vatican Assassins from which these excerpts are being extracted that one of the pages is missing from this section of the instructions.]

Chapter XVII. Of the methods of advancing the Society.

I. Let our members chiefly endeavor at this, always to act with humanity, even in things of trifling moment; or at least to have the outward appearance of doing so; for by this

means, whatever confusions may arise in the world, the Society of necessity will always increase and maintain its ground.

VII. The favor of the nobility and superior clergy, once got, our next aim must be to draw all cures and canonships into our possession, for the more complete reformation of the clergy, who wheretofore lived under certain regulation of their bishops, and made considerable advances towards perfection. And lastly, let us aspire to abbacies and bishoprics, the obtaining which, when vacancies happen, will very easily be effected, considering the supineness and stupidity of the monks; for it would entirely tend to the benefit of the church, that all bishoprics, and even the apostolical see, should be hooked into our hands, especially should his holiness ever become a temporal prince over all. Wherefore, let no methods be untried, with cunning and privacy, by degrees, to increase the worldly interests of the Society, and then, no doubt, a golden age will go hand in hand with an universal and lasting peace, and the divine blessing of consequence attend the catholic church.

VIII. But if our hopes in this should be blasted, and since offences of necessity will come, our political schemes must be cunningly varied, according to the different posture of the times; and princes, our intimates, whom we can influence to follow our councils, must be pushed on to embroil themselves in vigorous wars one with another, to the end, our Society (as promoters of the universal good of the world,) may on all hands be solicited to contribute its assistance, and always employed in being mediators of public dissensions; by this means the chief benefices and preferments in the church will, of course be given to us by way of compensation for our services.

IX. Finally, the Society must endeavor to effect this at least, that having got the favor and authority of princes, those who do not love them at least fear them.

JESUIT POWER

The Society of Jesus was thenceforth recognized as the chief opposing force of Protestantism. The Order became dominant in determining the plans and policy of the Rowish Church. The brotherhood grew and flourished. It planted its chapters first in France, Italy and Spain, and then in all civilized lands. The success of the Order was phenomenal. It became a power in the world. It sent out its representatives to every quarter of the globe. Its solitary apostles were seen shadowing the thrones of Europe. They sought, by every means known to human ingenuity, to establish and confirm the tottering fabric of Rome, and to undermine the rising fabric of Protestantism. They penetrated to the Indus and the Ganges. They traversed the deserts of Thibet, and said, "Here am I," in the streets of Peking. They looked down into the silver mines of Peru, and knelt in prayer on the shores of Lake Superior. To know all secrets, fathom all design, penetrate all intrigues, prevail in all counsels, rise above all diplomacy, and master the human race, - such was their purpose and ambition. They wound about human society in every part of the habitable earth, the noiseless creepers of their ever-

growing plot to retake the world for the Church, and to subdue and conquer and extinguish the last remnant of opposition to her dominion from shore to shore, from the rivers to the ends of the earth." [Ridpath's Universal History, John Clarke Ridpath, 1899]

The Jesuits are the true authors of socialist-communism. The economic system of the Dark Ages was feudalism consisting of the few rich landowners and the many poor peasants. It was a sin to make a profit by anyone other than the feudal lords. Thus, if the world is to be returned to the Dark Ages, the Protestant middle class must be destroyed. Socialist-communism accomplishes this, having yielded its bitter fruit in both Great Britain and the United States. The great deception is that the Jews are the authors of communism. (After all, is not Zionism Jewish communism?) The facts are that the Jesuits used their Masonic Jews to introduce it in 1848 and again in 1917 with the Bolshevik Revolution.

The Jesuits then moved their Shriner Freemason FDR to recognize Russia's bloody government in 1933. The Jesuits then financed Russian communism with their Knights of Malta on Wall Street. This enabled Joseph Stalin to carry out the purges of the Thirties.

Having deceived the world into believing communism was of Jewish origin, the Jesuits then used Hitler to implement "the Final Solution to the Jewish Question"-pursuant to the evil Council of Trent. The result was the mass murder of European and Russian Jewry at the hands of the Jesuit-controlled SS.

At the close of the Second Thirty Years War (1648) the Jesuits, with their Vatican Ratline, helped top Nazis to escape to South America. And where in South America? To the old dominion where socialist-communism had been perfected by the Jesuit fathers-to the nation of Paraguay.

The Jesuits entered Paraguay in the early 1600s, sent by the kings of Spain and Portugal. They established their supremacy over the natives called "Guarani Indians" and did not allow them to mix with the Spanish or Portuguese. It was among this people that the Jesuits established their communes called "reductions".

THE JESUITS - 1776

The Jesuits, now formally suppressed by the Pope, were allied with Frederick the Great of Prussia and Catherine of Russia. The Jesuit General was in control of Scottish Rite Freemasonry and now sought an alliance with the Masonic House of Rothschild in England. To accomplish this he chose a Jesuit who was Jewish by race-Adam Weishaupt. Weishaupt was a brilliant instructor of Canon Law-the evil Council of Trent-at a Jesuit university in Bavaria. We read:

"From the Jesuit College of Ingolstadt is said to have issued the sect known as 'the Illuminati of Bavaria' founded by Adam Weishaupt. Its nominal founder, however, seems to have played a subordinate though conspicuous role in the organization of this sect." [Occult Theocracy, Lady Queenborough, originally published in 1933]

On May 1, 1776, the Order of the Illuminati was officially founded in the old Jesuit stronghold of Bavaria. The Company would now use the Jewish House of Rothschild to finance the French Revolution and the rise of Napoleon the Freemason with his Jesuit-trained advisor, Abbe Sieyes. In spite of the historical writings of the Jesuit Abbe Barruel, who blamed the Rothschilds and Freemasonry for the Revolution, it was the Society of Jesus that used these very tools to carry out the Revolution and punish the monarchs who dared to expel the Jesuits from their dominions. The Jesuits, having been expelled from the Spanish Empire, found refuge in Corsica. From there they raised up their great avenger, Napoleon Bonaparte.

* * *

Lately, it was George Washington who was so beloved by France's General Lafayette. During the Revolution our great chieftain took the "boy General" under his wing for which cause the Frenchman named his eldest son, George Washington Lafayette. With this same endearing love the Roman Catholic Lafayette warned:

"It is my opinion that if the liberties of this country, the United States of America, are destroyed, it will be by the subtlety of the Roman Catholic Jesuit priests, for they are the most crafty, dangerous enemies of civil and religious liberty. They have instigated most of the wars of Europe."

* * *

Napoleon was captured by the English and banished to the island of St. Helena. There, his Memoirs were written which accurately described his masters, the Jesuits:

"The Jesuits are a military organization, not a religious order. Their chief is a general of an army, not the mere father abbot of a monastery. And the aim of this organization is: POWER. Power in its most despotic exercise. Absolute power, universal power, power to control the world by the volition of a single man. Jesuitism is the most absolute of despotisms: and at the same time the greatest and most enormous of abuses....

"The general of the Jesuits insists on being master, sovereign, over the sovereign. Wherever the Jesuits are admitted they will be masters, cost what it may. Their society is by nature dictatorial, and therefore it is the irreconcilable enemy of all constituted authority. Every act, every crime, however atrocious, is a meritorious work, if committed for the interest of the Society of the Jesuits, or by the order of the general." [Fifty Years

In The Church Of Rome, Charles Chiniquy, 1968, reprinted from the 1886 edition, quoting Memorial Of The Captivity Of Napoleon At St. Helena, General Montholon]

The Knights of Malta and the Jesuits work together!

(Truth seeker, this may seem irrelevant now, but it is important for you to be aware of this connection. As we shall see, the Knights financed Lenin and Hitler from Wall Street, also using their Federal Reserve Bank headed by Masonic Jews, Warburg in particular.) The Knights negotiated the Concordat (a Papal treaty) between the Pope and Hitler in the person of Franz Von Papen. They also helped top Nazis to escape to North and South America after World War II in the persons of James Angleton and Argentina's President Juan Peron.

In America, the Knights, with their OSS, later the CIA, were behind "Operation Paperclip". After World War II, top Nazis and scientists were illegally secreted into the United States. Many were placed in the top-secret military installation in Tonopah, Nevada known as "Area 51". The perfection of the Nazis' anti-gravity aircraft (flying saucers) was to be completed there, among other secret technologies. "Operation Paperclip" was overseen by America's most powerful Knight of Malta, J. Peter Grace. J. Peter Grace was subject to the Jesuit-trained Archbishop Spellman, as the American headquarters for the Knights was and is St. Patrick's Cathedral in New York.

1816 - JOHN ADAMS

Our founding Fathers knew of the Jesuit intrigue directed at the new Protestant Republic of these United States of America. In 1816, John Adams wrote to President Jefferson:

"Shall we not have regular swarms of them here, in as many disguises as only a king of the gypsies can assume, dressed as painters, publishers, writers, and schoolmasters? If ever there was a body of men who merited eternal damnation on Earth and in Hell it is this Society of Loyola's." [The New Jesuits, George Riemer, 1971]

PRESIDENT ABRAHAM LINCOLN

A personal friend of Professor Morse believed his warning of this Jesuit conspiracy. He was President Abraham Lincoln. We read:

"The Protestants of both the North and South would surely unite to exterminate the priests and the Jesuits, if they could learn how the priests, the nuns, and the monks, which daily land on our shores, under the pretext of preaching their religion...are

nothing else but the emissaries of the Pope, of Napoleon III, and the other despots of Europe, to undermine our institutions, alienate the hearts of our people from our Constitution, and our laws, destroy our schools, and prepare a reign of anarchy here as they have done in Ireland, in Mexico, in Spain, and wherever there are any people who want to be free." [Fifty Years In The Church Of Rome , Charles Chiniquy, 1968, reprinted from the 1886 edition]

The Jesuits - 1868-1872

This new nation would be a centralized republic with the President exercising powers of an absolute monarch. The old Federal Republic of Washington would be converted into a huge centralized Empire, with the ten planks of the Masonic Communist Manifesto replacing the Ten Commandments of Moses.

In order to accomplish this, the Constitution had to be amended-"by hook or by crook". It would be amended in accordance with the Masonic cry of both French Revolutions. "Liberty" would be the Thirteenth Amendment. "Equality" would be the Fourteenth Amendment. "Fraternity" would be the Fifteenth Amendment. We now will examine the Fourteenth Amendment, as it was the coup d'etat.

THE ASSASSINATION OF PRESIDENT LINCOLN

Even though he acted the tyrant in keeping Maryland from seceding and raised the Army of the Potomac to "put down the rebellion", there is evidence that he had a change of heart. Accordingly to many, Lincoln was converted to Christ after viewing the battlefield at Gettysburg. He later joined the Presbyterian Church in Washington and had several spiritual conversations with his close friend and converted priest, Charles Chiniquy. We read:

"I will repeat to you what I said at Urbana, when for the first time you told me your fears lest I would be assassinated by the Jesuits: Man must not care where and when he will die, provided he dies at the post of honor and duty. But I may add, today, that I have a presentiment that God will call me to Him through the hand of an assassin. Let His will, and not mine, be done! The Pope and the Jesuits, with their infernal Inquisition, are the only organized powers in the world which have recourse to the dagger of the assassin to murder those whom they cannot convince with their arguments or conquer with the sword.... It seems to me that the Lord wants today, as He wanted in the days of Moses, another victim.... I cannot conceal from you that my impression is that I am that victim. So many plots have already been made against my life, that it is a real miracle that they have failed, when we consider that the great majority of them were in the hands of skillful Roman Catholic murderers, evidently trained by Jesuits. But can we expect that God will make a perpetual miracle to save my life? I believe not. The Jesuits are so expert in those deeds of blood, that Henry IV said that it was impossible to escape them, and he became their victim, though he did all that could be done to protect

himself. My escape from their hands, since the letter of the Pope to Jeff Davis has sharpened a million daggers to pierce my breast, would be more than a miracle." [Fifty Years In The Church Of Rome, Charles Chiniquy, 1958, originally published in 1886]

[Further along:]

Of the Jesuit hand in Lincoln's murder we read:

"I feel safe in stating that nowhere else can be found in one book the connected presentation of the story leading up to the death of Abraham Lincoln, which was instigated by the "black" pope, the General of the Jesuit Order, camouflaged by the "white" pope, Pius IX, aided, abetted and financed by other "Divine Righters" of Europe, and finally consummated by the Roman Hierarchy and their paid agents in this country and French Canada on "Good Friday" night, April 14, 1865, at Ford's Theatre, Washington, D.C." [The Suppressed Truth About The Assassination Of Abraham Lincoln, Burke McCarty, 1973, originally published in 1924]

THE JESUITS - 1945-1990

The Great and Terrible Second Thirty Years' War was now over. Europe, Russia, North Africa, China, and Japan were "a universal wreck" thanks to the Company of Jesus. Millions of "heretics" had been "extirpated" pursuant to the Jesuit Oath and the Council of Trent. Unlike the Treaty of Westphalia ending the First Thirty Years' War, the agents of the Jesuits controlled the negotiations at Yalta and Potsdam ending the second Thirty Years' War.

It was time to apply the Jesuits' Hegelian Dialectic worldwide. It would be known as "the Cold War". The thesis and antithesis would be "the Free World in the West" verses "the Communist Block in the East". The American Empire would head the West, and the Russian Empire would lead the East. Both sides would be financed by the Jesuits' International Banking Cartel centered in London and New York-the Federal Reserve and Chase-Manhattan Banks in particular.

The synthesis would be the destruction of the American Empire through the so-called "ending of the Cold War". The illusion of ending the Cold War would legally enable Rome's Corporate Monopolies, federated together in New York City under the leadership of the Council on Foreign Relations, to give Russia and China high technology and financial backing. The giving of these necessities would perfect the War Machines of both economically communist and politically fascist giants for the purpose of invading North America, it containing the majority of the world's Protestants, Baptists, and Jews. It is for these reasons that the financial might of Hong Kong was given to Red China, along with an American Naval Base in Long Beach, California. It is for these reasons that the Panama Canal, built with American blood, sweat, tears and Yellow Fever, was given away to Panama to be manned by Chinese soldiers imperiling the

American navy. It is for these reasons that the Jesuits in control of Washington have established nationwide gun registration for the purpose of nationwide gun confiscation just as they did in Hitler's Germany. It is for these reasons that the Jesuits, with their international corporations managed by the Knights of Malta, have financed and continue to build both the Russian and Chinese War Machines, while influencing American Presidents to close down scores of military installations across the country. These facts spell invasion-massive invasion by millions of foreign soldiers, with no God and no mercy. And if the Jesuits can manage to blow-up the Dome of the Rock in Jerusalem and blame the American Empire for it, the Arabs will declare a holy war against "the great Satan". The private wealth of Americans using International Business Corporations with bank accounts in the Bahamas will be seized just as they were in Castro's Cuba. (The Knights have moved all their wealth into European banks denominated in Franks and Marks as well as Eurodollars, thereby escaping the coming American economic catastrophe.)

Meanwhile, as the Jesuits, with their American dictator's internal police (FEMA) and foreign invaders, are "extirpating" "the execrable race" of American "heretics" and "liberals", the European nations will be driven to lay down their historic differences and unify.

This unification will restore the Holy Roman Empire, for which reason the Jesuits are rapidly rebuilding Rome. When the smoke clears, China will control the East, Russia will control the North, and a unified R.C. [Roman Catholic] Europe will control the West. The Pope's International Intelligence Community will see to it that Jerusalem is declared an international city with Solomon's rebuilt Temple in her midst. World government will ensue and the Jesuits' "blessed despotism" of the Dark Ages will have arrived, with the Pope being the Universal Despot of the World, so appropriately described in the Protocols Of The Elders Of Zion, while being the World Authority of The Documents Of Vatican II.

The Jesuits - 1963

THE ASSASSINATION OF PRESIDENT KENNEDY

"It is of faith that the Pope has the right of deposing heretical and rebel kings. Monarchs so deposed by the Pope are converted into notorious tyrants, and may be killed by the first who can reach them.

"If the public cause cannot meet with its defense in the death of a tyrant, it is lawful for the first who arrives, to assassinate him." [Defensio Didei, Jesuit Suarez, Book VI. C 4, Nos. 13, 14]

Freed remembers what apparently passes for polite conversation when men such as Colby and Cline get together. "It was quite bizzare" Freed said, "for the subject they

chose was, 'When is it acceptable to assassinate a head of state?' Colby presented what he said was a theological and philosophically sound approach. The Catholic Church, he said, had long since wrestled with this question and had, to Colby's mind, emerged with a sound concept: " It is acceptable" he said, "to assassinate a tyrant." [Plausible Denial, Mark Lane, 1991, p. 85]

"A conspiracy is rarely, if ever, proved by positive testimony. When a crime of high magnitude is about to be perpetrated by a combination of individuals, they do not act openly, but covertly and secretly. The purpose formed is known only to those who enter into it. Unless one of the original conspirators betray his companions and give evidence against them, their guilt can be proved only by circumstantial evidence...and circumstances can not lie." [Special Judge Advocate John A. Bingham, quoted in The Trial Of The Conspirators, Washington, 1865]

This chapter will examine the forest, not the trees. The hundreds of works covering the assassination can be reduced to a few simple facts. These facts viewed in the context of the previous chapters lead us to the "Lion" in his "Den of Iniquity" that had the power to execute Kennedy's murder and successfully cover it up. That Lion was the Cardinal of New York and his Den of Iniquity was St. Patricks' Cathedral, "the Little Vatican", and home base of the American Branch of the Knights of Malta. From the death of Cardinal Spellman in 1967 until now (1999), the succeeding "Lions" having kept the assassination covered-up were: Cardinal Cooke (himself a Knight of Malta) and Cardinal O'Connor, a former Navy Chaplain during Spellman's Vietnam War, and presently the Archbishop of New York.

Knowing that President Kennedy was not going to escalate the Vietnam War, the Intelligence Community began to prepare for his assassination. Roman Catholic Lee Oswald was chosen to be a patsy.... As a CIA agent, he had been sent to Soviet Russia by Allen Dulles in 1959, supposedly as a defector. Knowing that the CIA (OSS) and the KGB (NKVD) had worked together during WW-II, Oswald apparently took a vacation for nearly two years. During that time he married a Russian whose uncle was a Colonel in the KGB.

When he returned to the American Empire in 1962, he associated with CIA agents Howard Hunt, Frank Sturgis, David Ferrie, Guy Banister, Count George DeMohrenschildt, and Clay Shaw. Oswald was CIA, and related to a Jesuit. Emmanuel Josephson tells us:

"An interesting angle is presented by the Lee Oswald involvement. His cousin is reported to be a Jesuit priest. And it is a matter of record that Lee Oswald was invited to address the Jesuit college in Springhill, Alabama, on the subject of his activities, two weeks before the Kennedy Assassination. The Jesuit involvement closely parallels that in the Lincoln Assassination." [The Federal Reserve Conspiracy And Rockefellers, Emanuel M. Josephson, 1968]

Jim Garrison clearly proved the CIA was involved in the assassination through Clay Shaw. He writes:

"...we discovered Shaw's extensive international role as an employee of the CIA. Shaw's secret life as an Agency man in Rome, trying to bring Fascism back to Italy, was exposed in articles in the Italian press.... To me among the most significant revelations were...the confirmation by both Victor Marchetti and Richard Helms that Clay Shaw had been an agent of the Central Intelligence Agency." [On The Trail Of The Assassins, Jim Garrison, 1991]

And who was the Director of the CIA in 1963? It was Knight of Malta John McCone. Prior to that McCone had been a defense contractor who had formally headed the Atomic Energy Commission. Later in 1970, he was a board member of ITT while remaining a CIA consultant. Marchetti tells us:

"[The] ITT board member who later admitted to a Senate investigative committee that he had played the key role in bringing together CIA and ITT officials was John McCone, director of the CIA during the Kennedy administration and, in 1970, a CIA consultant." [The CIA And The Cult Of Intelligence, Victor Marchetti, 1975]

Cardinal Spellman's soldier, John McCone, Director of the CIA, participated in the Kennedy assassination.

Jim Garrison and others have proved that the FBI was also involved in the assassination. He writes:

"I already had concluded that parts of the local Dallas law enforcement establishment were probably implicated in the assassination or its cover-up. But now I saw that the highly respected FBI was implicated as well." [On The Trail Of The Assassins, Jim Garrison, 1991]

Cardinal Spellman had two agents in the FBI. The first was the Shriner Freemason and brother-Cold Warrior, J. Edgar Hoover. According to Loftus, Hoover had cooperated with the Vatican Ratlines resettling Nazi war criminals in the Northeast. Why would he not cooperate with Spellman now? How could he refuse?

More importantly, Spellman's key man in the FBI was Knight of Malta, Cartha DeLoach. As the third in command, DeLoach was in a position to supervise the assassination and suppress evidence. Garrison proved DeLoach did in fact suppress evidence.

After the assassination we see a telling relationship between Johnson and DeLoach. DeLoach was known as Johnson's man in the FBI and the President would call him any time of the day. Curt Gentry writes:

"Lyndon Johnson couldn't sleep. Late at night he had his aide, Marvin Watson, telephone the DeLoach bedroom. The president had suddenly become convinced that the murder of his predecessor had been a conspiracy and wanted more information from the FBI." [J. Edgar Hoover: The Man And The Secrets, Curt Gentry, 1991]

This is the Cartha DeLoach who had signed a five-year contract with Lee Iacocca's Ford Mercury in connection with the series, "The FBI". Both DeLoach and Iacocca were Knights of Malta, subject to Cardinal Spellman during the Kennedy assassination. Later DeLoach went on to be a director of PepsiCo. And according to Col. Prouty, that company also participated in Kennedy's assassination. We read:

"Nixon was in Dallas with a top executive of the Pepsi-Cola Company, Mr. Harvey Russel, the general counsel. Nixon was a legal counsel to that corporation. That top executive's son has told of Nixon's presence in Dallas at the time of the assassination, and Russell has confirmed the accuracy of his son's account. Later, sometime after the shooting, Nixon was driven to the Dallas airport by a Mr. DeLuca, also an official of the Pepsi-Cola Company. In addition, the son of another Pepsi-Cola executive was in Dallas at that time and had dinner with Jack Ruby, Oswald's killer, the night before JFK was murdered." [JFK: The CIA, Vietnam, And The Plot To Assassinate John F. Kennedy, Col. L. Fletcher Prouty, 1992]

DeLoach, Iacocca, and the Knights of Pepsi, now PepsiCo, all worked together.

At the time of the assassination in Dallas, the Catholic priest, Oscar Shubert, was sent from Holy Trinity Catholic Church in Dallas to administer "Last Rites" for the President. Knowing that Kennedy's wounds were wounds of entry, he reported everything to his superior. Shubert's superior was the Bishop of Dallas, then The Most Reverend Thomas Kiely Gorman, DD. According to Martin Lee's article entitled "Who Are The Knights Of Malta?" appearing in the October 14, 1983 edition of the National Catholic Reporter, Thomas K. Gorman was a Knight of Malta. Being a brother Knight he reported directly to Cardinal Spellman, and kept him apprised of what was happening in Dallas.

At the time of the assassination in Dallas, roughly 12:30 P.M. in the afternoon, all the telephones went dead in Washington, D.C. for about 30 minutes. How could this have happened? Someone at ITT had to be responsible, as it served the Washington area. In 1963, one of the VIPs of ITT was Francis D. Flanagan. You guessed it. Flanagan was a Knight. Later, McCone, with his brother knights, coordinated a deal between the CIA and ITT to better work together.

CONTINUED.....

The author knows there were several Knights of Columbus involved in the Kennedy assassination. They were working for the FBI in particular. But the only notable Knight who was involved was Senator Edward Kennedy in that, through his silence, he was consenting to his brother's murder. Maybe this is what has driven the perpetual Senator from Massachusetts to his ruined alcoholic life. Let us take a few moments to pray for the Senator that he might have a change of heart, that he would tell all, and that we might protect him. For he too was subject to the power of Cardinal Spellman.

Lastly we know that the Mafia was involved in the Kennedy assassination. The Mafia, CIA, FBI, and Office of Naval Intelligence has been working together throughout World War II. Jack Ruby was a mafioso and David E. Scheim makes it perfectly clear in his Contract On America that the Mob had at least two motives: the Kennedy brothers assault on Organized Crime and the loss of the Mob's gambling paradise in Cuba.

But those were not the reasons. The Mafia Dons were promised that they would make more money than Havana could ever produce, through the explosion of the international drug trade made possible by the Vietnam War. If they helped eliminate Kennedy, Johnson would escalate the war and, thereby, the drug trade. The CIA would bring the drugs in from the Golden Triangle, distribute them to the Mafia families, and both would profit.

More importantly, the Mafia's Commission had a favor to repay. Cardinal Spellman, through FDR, had arranged the release of "Lucky" Luciano because of "Operation Underworld" mentioned in the previous chapter. Now the Cardinal needed a favor. If refused, Spellman could use the entire intelligence community which he had helped to organize, to eliminate any mob boss. If agreed to, new gambling centers would open up, Atlantic City in particular.

Clearly, if the President was removed, everybody would acquire more power and wealth, the intelligence community would become more absolute, and the Cardinal would be even more respected by his peers in Rome. The rest is history.

Later, in 1964, for the first time in history, the Pope of Rome set foot in Fourteenth Amendment America. Cardinal Spellman had performed well and was rewarded by a visit from his Master, fellow Cold Warrior and Vatican Ratline handler, Cardinal Montini, who was now Pope Paul VI.

There is yet another reason for the removal of President Kennedy. He wanted to arm Israel. Loftus writes:

"In September 1962 Kennedy decided to supply Israel with defensive ground-to-air missiles capable of stopping aircraft, but not the Egyptian offensive missiles. It was the first arms sale by the U.S. Government to Israel.... Kennedy promised the Israelis that as soon as the 1964 election was over, he would break the CIA 'into a thousand pieces

and scatter it to the winds'.... With Kennedy's assassination in November 1963, the Israelis lost the best friend they had in the White House since Truman departed." [The Secret War Against The Jews, John Loftus, 1994]

And why did the Vatican's Jesuits not want any arms sales to Israel at this time? Why did the Jesuit-controlled President Johnson turn his back as the Egyptian army moved up through the Sinai desert to prepare its assault on Israel in 1967? Because the attack upon Israel had to be provoked. That attack was provoked by the Jesuits' International Intelligence Community through Egypt falsely perceiving the weakness of the Israeli army and the supposed abandonment of Israel by the American Empire.

The six-day war, engineered by Knight of Malta James Angleton, had one primary purpose: the taking of Jerusalem along with the Temple Mount. The apparent lack of military hardware on the part of Israel provoked the planned attack by Egypt. Therefore, Israel launched a preemptive strike and, in six days, the holy city was in the hands of Rome's Zionist government.

Had Kennedy armed Israel, the Egyptians would never have been emboldened to maneuver for war. With no provoked war, there would have been no Israeli attack. With no Israeli attack, Jerusalem would never have been taken by the Zionists, controlled by the Jesuits' Mossad. With Jerusalem in Arab hands, the Zionists could never rebuild Solomon's Temple- unbeknown to them-for the Jesuits' "infallible" Pope "Who opposeth and exalted himself above all that is called God, or that is worshiped; so he is God sitteth in the temple of God [Solomon's rebuilt temple], showing himself that he is God." [II Thes 2:4]

It is safe to say that the Jesuit General, using the Pope with his most powerful Cardinal in the American Empire, assassinated President John F. Kennedy in 1963.

For it was Cardinal Spellman, "the American Pope" in command of his soldiers, the Knights of Malta, who oversaw the assassination.

And it was the Knights of Malta, using the Central Intelligence Agency, who aided in the actual assassination of the President. Those Knights were: CIA Director, John McCone, CIA officers William F. Buckley, and Henry Luce.

In 1963, both William F. Buckley and Henry Luce were personal friends of CIA agent Howard Hunt. We read from Mark Lane's Plausible Denial on page 270, concerning Time and Life magazines, of which Henry Luce was the owner:

"I (Howard Hunt) had them typed up on a typewriter (fabricated official cables), and they were xeroxed, and the xeroxes were eventually shown to a person of Mr. (Charles) Colson's confidence, and in Time and Life." Hunt, after swearing that he had never been involved in a disinformation effort to embarrass Kennedy, had now testified that he

had merely sought to doctor and create evidence to prove that Kennedy was a murderer.

Again in *Plausible Denial* we read of Hunt's connection with pompous William F. Buckley, Jr. on page 207:

"(G. Gordon) Liddy completed his testimony perfectly, stating that while he no longer associated with Hunt, he did see him last, he recalled, when both men demonstrated their support for another former CIA officer, William F. Buckley, as Buckley celebrated the anniversary of his television show at the New York Yacht Club."

Dear truth seeker, Hunt was close to both powerhouses, Buckley and Luce. Hunt was also working with two of his fellow criminals in the future Watergate scandal, G. Gordon Liddy (Jesuit-trained) and Chuck Colson.

And in 1985, it was Mark Lane who proved in Miami's federal court that Hunt was in Dallas the day President Kennedy was murdered. Therefore, the conclusion was obvious. The CIA, with its agent, E. Howard Hunt, had killed the President. In the words of the jury's forewoman, Leslie Armstrong, found on the inside cover and page 322 of *Plausible Denial*, we read:

"Mr. Lane was asking us to do something very difficult. He was asking us to believe that John Kennedy had been killed by our own government. When we examined the evidence (for 65 minutes) we were compelled to conclude that the CIA had indeed killed President Kennedy." Hunt had been part of it, and that evidence, so painstakingly presented, should now be examined by the relevant institutions of the United States Government, so that those responsible for the assassination might be brought to justice.

Description: *Jesuits didn't like this guy!*

[King James VI of Scotland and I of England](#)

King James I of England
(VI of Scotland)

INTERESTING FACTS

King James I was a Christian who wanted the Bible in the hands of the common man. Commissioned the Authorized King James Bible in 1611.

Fluent in Greek, Latin, French, English, and his native Scots. Schooled in Italian and Spanish.

Wrote extensively including Basilicon Doron (the Kingly Gift), Daemonologie, and tracts on varied subjects such as "Counterblaste to Tobacco" which condemned the use of tobacco.

William Shakespere was one of his subjects. Learning and writing thrived under the King's reign.

Formed the foundation for what is now known as the British Empire by uniting warring tribes of Scotland and then enjoining the crowns of Scotland and England in 1603. First to call it Great Britain.

King James was became King of Scotland in 1567 when he was 13 months old and

acceded to the English throne in 1603.

Reformation leader John Knox read the sermon when he was crowned King.

He endured racism as a Scot ruling over the English, nevertheless had the love and admiration of many subjects. **Years after his death, detractors tried to sully his good name.** Unfortunately, it continues today, yet KJV translators, yea the King himself had predicted such.

King James was sickly having crippling arthritis, weak limbs, abdominal colic, gout, and a number of other chronic illnesses. He also had physical handicaps which affected his legs and tongue. Coupled with numerous attempts on his life, he required constant attention and watchcare.

His mother was Mary Queen of Scots who was deposed in 1567 and executed in 1587 after 19 years in prison. His father, Lord Darnley, was murdered in 1567.

Held the Roman Catholic religion in contempt. Roman clerics tried to kill him more than once. **The King was born during the time of the Reformation and well knew popery's atrocities.** In 1536, **popery burned William Tyndale to death for distributing the Bible and it was MUCH displeased with King James' authorization of a Bible in English** (see translator's notes). Roman Catholic Nicolo Molin, an Ambassador said this of King James:

"...He is a Protestant...The king tries to extend his Protestant religion to the whole island. The King is a bitter enemy of our religion (Roman Catholic)...He frequently speaks of it in terms of contempt. He is all the harsher because of this last conspiracy (Gun Powder Plot) against his life...**He understood that the Jesuits had a hand in it.**"

King James said this in Basilicon Doron:

"I am no papist as I said before...Now faith...is the free gift of God (as Paul sayeth). It must be nourished by prayer, which is no thing else but a friendly talking to God. Use oft to pray when ye are quiet, especially in your bed..."

He led a chaste life. Sir Henry Wotton (June 1602) said this of King James:

"There appears a certain natural goodness verging on modesty...He wears short hair... among his good qualities none shines more brightly than the chastness of his life, which he has preserved without stain down to the present time. Contrary to the example of almost all his ancestors, who disturbed the kingdom with the great number of bastards which they left."

F.A. Inderwick wrote in 1891:

"James had a reputation for learning, for piety, for good nature, and for liberality."
In 1603, Sir Roger Wilbaham wrote:

"The King is of sharpest wit and invention...of the sweetest most pleasant and best nature that I ever knew, desiring nor affecting anything but true honor."

King James loved literature and wrote extensively including the Basilicon Doron which contains instructions to his son on how to live and be a just king. King James' advice to his son concerning chastity:

"Keep your body clean and unpolluted while you give it to your wife whom to only it belongs for how can you justly crave to be joined with a Virgin if your body be polluted? Why should the one half be clean, and other defiled? And suppose I know, fornication is thought but a venial sin by the most part of the world, yet remember well what I said to you in my first book regarding conscience, and count every sin an breach of God's law, not according as the vain world esteems of it, but as God judge and maker of the law accounts of the same: hear God commanding by the mouth of Paul to abstain from fornication, declaring that the fornicator shall not inherit the kingdom of heaven, and by the mouth of John reckoning out fornication among other grievous sins that declares the committers among dogs and swine."

Advice to his son on how to treat his wife.

"And for your behavior to your wife, the Scripture can best give you counsel therein. Treat her as your own flesh, command her as her lord, cherish her as your helper, rule her as your pupil, please her in all things reasonable, but teach her not to be curious in things that belong not to her. You are the head, she is your body, it is your office to command and hers to obey, but yet with such a sweet harmony as she should be as ready to obey as you to command, as willing to follow as you to go before, your love being wholly knit unto her, and all her affections lovingly bent to follow your will."

King James loved his wife, Queen Anne, and wrote beautifully of her. They had nine children together. Once, while out hunting, Queen Anne mistakenly killed King James' favorite dog. Sir Dudley Carleton wrote in 1613:

The queen shooting a deer mistook her mark and killed Jewel, the King's most special and favourite hound; at which he stormed exceedingly awhile; but after he knew who did it he was soon pacified and with much kindness wished her not to be troubled with it for he should love her never the worse; and the next day sent her a diamond worth £2000 as a legacy from his dead dog....The Queen by her late pacification hath gained Greenwich.

King James is the founding Monarch of the United States. Under his reign, we have the first successful colonies planted on the American mainland--Virginia, Massachusetts and Nova Scotia. King James ordered, wrote and authorized this Evangelistic Grant Charter to settle the Colony of Virginia:

"To make habitation...and to deduce a colony of sundry of our people into that part of America, commonly called Virginia...in propogating of Christian religion to such people as yet live in darkness...to bring a settled and quiet government."

The morality of King James has come under attack from a number of groups. Among the most vociferous are sodomites and apologists who defend modern Bible versions like the NIV. He's being falsely accused of atrocities such as homosexuality, being a closet papist (Catholic) and burning baptists! These fallacies are not going without rebuttal, however. Historians who've studied this great King for many years, are setting the record straight.

More questions about the great King James? I highly suggest, "King James, Unjustly Accused?" by Stephen A. Coston, Sr., A.V. Publications Corp., P.O. Box 280, Ararat, VA 24053, 1-800-435-4535.

A pre Jesuit history

Going back in time, carefully watching the line of Pope's passing the public exposure in this worlds theater, we see that in 1314 the Pope's seat became vacant for 2 years. So what was going on?

On June 5, 1305, Bertrand de Goth was instituted as French Pope Clement V. The French King Philippe IV the Fair (the one who is clean and pure. his father King Philip III apparently was bold) managed to have French archbishop Bertrand de Goth elected pope as Pope Clement V and the

official seat of the Papacy moved to Avignon, an enclave surrounded by French territories.

This turned out to be a key event in King Philip's fight against the Roman Papacy and the Knights Templar who were a military order answerable only to the Pope.

from <http://www.encyclopedia.com/html/P/Philip4-Fr.asp> :

"The policies of Philip's reign greatly strengthened the French monarchy and increased the royal revenues. Philip asserted his right to tax the clergy for the defense of the realm, thus making permanent a special tax permitted by the popes for support of crusades.

Pope Boniface VIII opposed this measure by the bull *Clericis laicos* (1296), but when threatened with loss of revenues from France he capitulated (1297). The conflict was revived by the arrest and condemnation by the king's court (1301) of Bishop Bernard Saisset. Boniface demanded that Saisset be sent to Rome for trial, issued two bulls denouncing Philip, and called for a council at Rome in Nov., 1302.

Philip, in retaliation, convoked the nobility, clergy, and commons in the first French States-General (1302-3) to hear a justification of his course of action; and Boniface issued (1302) the bull *Unam sanctam*, an extreme statement of his right to intervene in temporal and religious matters.

Threatened by excommunication, Philip had Boniface seized at Anagni. Although freed, Boniface soon died (1303). After the brief pontificate of Benedict XI, Philip secured the election as pope of Clement V, who annulled Boniface's bulls, and in 1309 transferred the papal residence to Avignon, thus beginning the "Babylonian captivity" of the papacy.

Clement cooperated with Philip in his persecution of the Knights Templars, whose wealth the king appropriated to finance his wars. Other wealthy groups persecuted by Philip were the Jews and the Lombards (Italian bankers). Philip also debased the coinage.

Between 1294 and 1296, Philip overran Guienne, the duchy of King Edward I of England; in 1297 Edward came to the defense of his lands. A truce (1297) became (1303) a permanent peace, conceding

Guienne to Edward. After the withdrawal of Edward, Philip turned his attention toward Flanders. He aided the Flemish towns against the count of Flanders, Guy of Dampierre, and after Guy's defeat (1300), he imposed French rule on the Flemish.

They rebelled and defeated (1302) the French at the disastrous battle of Courtrai. Although Philip was victorious over the Flemish in 1304, he was forced, in subsequent treaties, to reduce his demands on them.

Philip was more successful in his attempts to expand at the expense of the Holy Roman Empire; Lyons and Viviers were incorporated into France during his reign. Philip summoned the States-General twice more (1308, 1314), chiefly to obtain support for his warfare. His son, Louis X, succeeded him."

Its reported that King Philip also used rather harsh methods to take on the Knights Templars. However people should remind, that the Knights Templars was a military order answerable only to the Holy Roman Empire, which supposedly owned major seizable assets inside France.

From http://en.wikipedia.org/wiki/Philip_IV_of_France :

"Philip tried and tortured a number of the Templars that he had captured, and in 1314 he had Jacques de Molay, the Templar Grand Master, and Geoffrey de Charney, the Preceptor of Normandy, burned at the stake. It is said that de Molay cursed both Philip and Clement V from the flames and then he summoned them before God's Tribunal within a year; both king and pope died within the next year.

Philip IV's rule signaled the decline of the papacy's power from its near complete authority. He died during a hunt and is buried in Saint Denis Basilica. He was succeeded by his son Louis X"

(Side note: Let me make one thing clear here. In the fight between good and bad, right and wring, holy and evil, certain events clearly mark the parties as identifiable: And that is the use of satanic curses and sort alike practices. Thats were the research stops, and the clean-up should start.)

King Philip finished the Knights Templar to such an extend that they were completely vanished from the face of France. They were forced to go underground.

After in 1314 the Pope's seat became vacant, and was only taken again after 2 years by Pope John XXII, the start of a new Papal reign was started and was called the Avignon Papacy (1309-77).

In the meantime between 1314 and 1316, in the rural mountains a heavy battle was going on. It was the war for independence of Switzerland. The paper work was already filed inside the Federal Charter of 1291. This charter united the involved parties (the three forest cantons of Uri, Schwyz, and Unterwalden) in the struggle against the rule by the Habsburgs, who were a Swiss family then holding the German imperial throne of the Holy Roman Empire. At the Battle of Morgarten on November 15, 1315, the Swiss defeated the Habsburg army and secured factual independence as the Swiss Confederation.

After this the so-called Western Schism or Papal Schism was started, which was a split within the Catholic Church in 1378. The schism in the Western church resulted from the untimely return of the Papacy from Avignon to Rome by Pope Gregory XI in 1378, ending the Avignon Papacy.

We saw the Council of Constance in 1414, which main purpose was to end the Papal schism which had resulted from the Avignon Papacy, or as it is sometimes known, the "Babylonian Captivity of the Church."

The Council of Basel in 1431, which basically started the reputation of Switzerland as being the neutral zone for such meetings, but more important, the start of Switzerland as a banking country for the assets of the Roman Holy Empire, where in 1506 Pope Julius II engaged the Swiss Guard that continues to serve the Vatican to the present day.

In June 1448 the rump of the council migrated to Lausanne. The Anti-pope, Felix V, at the insistence of France, ended by abdicating (7 April 1449). Eugene IV died on 23 February 1447, and the council at Lausanne, to save appearances, gave their support to his successor, Pope Nicholas V, who had already been governing the Church for two years. Trustworthy evidence, they said, proved to them that this pontiff accepted the dogma of the superiority of the council as defined at Constance and at Basel.

Now what the heck is an anti-Pope?

<http://en.wikipedia.org/wiki/Antipope>

"An anti-pope is one who, in opposition to the generally recognized

Pope, makes a widely accepted claim to be the lawful Pope. In several cases, it is hard to tell which was in fact the lawful Pope and which the anti-pope."

http://en.wikipedia.org/wiki/Amadeus_VIII_of_Savoy

"Amadeus VIII (1383 November 7, 1451) surnamed the Peaceful was the Count of Savoy from 1391 to 1416 and was elevated by Emperor Sigismund to the Duke of Savoy in 1416. Amadeus was also the anti-pope Felix V from November 1439 to April 1449."

After that the Spanish tried to rule the papacy with their own "holy" Cardinals, but it was only rural times. It was the start of the Spanish Inquisition, where Tomás de Torquemada was appointed by Pope Innocent VIII. What a contradiction in names and its true meaning.

We saw the total demise and falldown of the papacy, where Pope Alexander VI, real name Roderic Borgia, was reputed to have committed his first murder at the age of twelve. After his uncle's election as Pope he was created successively bishop, cardinal and vice-chancellor of the church, an act of nepotism characteristic of the age.

The demise of the Papacy became a real serious thing when one of the Italian de Medici boys became Pope. Pope Clement VII, real name Giulio di Giuliano de' Medici. At his 'reign' Rome was plundered by imperial troops ("Sacco di Roma"), 1527, taking much of the Pope's wealth.

This became too much of a embarrassment to all these Roman Catholic Priests all across Europe.

(from <http://en.wikipedia.org/wiki/Jesuits> :)

"On August 15, 1534, Ignatius (born Iñigo López de Loyola) and six other students (Francis Xavier, Alfonso Salmeron, James Lainez, and Nicholas Bobadilla, fellow Spaniards, Peter Faber from France and Simon Rodriguez, a Portuguese) met in Montmartre outside Paris, probably either at Saint Pierre de Montmartre (the local abbey) or near the modern Chapel of St Denys, Rue Antoinette, and binding themselves by a vow of poverty and chastity, founded the Society of Jesus to "enter upon hospital and missionary work in Jerusalem, or to go without questioning wherever the pope might direct".

In 1537 they traveled to Italy to seek papal approval for their

order. Pope Paul III gave them a commendation, and permitted them to be ordained priests. They were ordained at Venice by the bishop of Arbe (June 24). They devoted themselves to preaching and charitable work in Italy, as the renewed war between the Holy Roman Emperor Charles V, Venice, the pope and the Ottoman Empire rendered any journey to Jerusalem inadvisable.

With Faber and Lainez, Ignatius made his way to Rome in October 1538, to have the pope approve the constitution of the new order. A congregation of cardinals reported favorably upon the constitution presented, and Paul III confirmed the order through the bull *Regimini militantis* (September 27, 1540), but limited the number of its members to sixty."

To me this looks like a couple of brave Spanish youths could not stop throwing up when reading about these Borgia and de Medici Popes.

Pope Paul III also made a important contribution himself and organized the Council of Trent, which laid the foundation of the Roman Catholic Church of which much is still in use as of today.

(from http://en.wikipedia.org/wiki/Council_of_Trent :)

"The Council of Trent is the Nineteenth Ecumenical Council of the Roman Catholic Church. It was held from December 13, 1545, to December 4, 1563 in the city of Trent (modern Trento, Italy) as a response to the theological and ecclesiological challenges of the Protestant Reformation. It is considered one of the most important councils in the history of the Catholic Church, clearly specifying Catholic doctrines on salvation, the sacraments and the Biblical canon, and standardizing the Mass throughout the church, largely by abolishing local variations. This became called the "Tridentine Mass", from the city's Latin name Tridentum."

The Trent Council had a Attendance of about 255 in the last sessions. So this Council was a big success in their fight to keep some of its religious leadership in place. At least all noises were pointing again in the same direction, resisting the Protestant Reformation.

My conclusion?

There's two types of Popes:

There's Popes who are are sons of rich black nobility families.

And there's Popes who are democratically elected during these Councils and sometimes even turnout to have been true Saints.

The black pope is IMHO just a nasty name bastardation of the anti-Pope. The idea of the anti-Pope was only started when the Roman Popes like the Borgia and de Medici were way out of line with what prayers inside the Bible and scriptures stated. It was more of a publicity act to take the Borgia and de Medici Popes head on inside a public campaign.

Now where do the rich black nobility families and its popes keep their fortunes? Inside the Vatican bank, favorably inside a Swiss Kanton branch, well protected by Swiss Guards.

rmstock - June 25, 2006 01:41 AM (GMT)

To my understanding are the Jesuits a organization which started out of disgust for the Italian popes who were sons of the Borgia's and de Medici families.

They are actually a result of a plot layed out in 1291 by the King of Aragon and the King of France to fight the almost complete domination of the Roman Papacy. King Philippe IV the Fair kicked the Knights Templar out of France and took all the assets under Papal control inside France back in French hands. Philip IV's rule signaled the decline of the papacy's power from its near complete authority.

In the same year the Federal Charter of 1291 was filed, which was the papertrail needed to start the independent Swiss Confederation. It was the paperwork which started the fight to kick the black nobility family of the Habsburg out of Switzerland.

So basicly these two Kingdoms were fighting against the almost complete "New World Order" of the Vatican. And they were rather succesful. After King Phillip the Fair died, things seemed to go bad again. The Kingdom of France and Kingdom of Aragon in their turn choose to take the fight undercover by a new order, The Jesuits.

One thing is evident to me, and that is that the colors inside the seal of the Jesuits can be found back inside the Arms coats of Aragon and France. Also the official Swiss Guard uniforms have the same colors. Just a coincidence?

In later ages the Jesuits as the society of Jesus are still around to this very day. It is indeed possible that the Jesuits have been infiltrated by black nobility family members, in effect coverting the Anti-Pope into a Black Pope. I however do not believe that the Jesuits were started as a dark evil organization. On the contrary i would say.

CRAIG-OXLEY - June 25, 2006 01:08 PM (GMT)

I suggest you enquire with Eric "Mr History" Jon Phelps who could give you a more precise and clearer answer possibly I suspect. You are exactly right about the Borgia's and it was Don Francis Borgia along with Loyola who created the Jesuit Order in 1534. There can be no doubt about it that the Order was created to dominate the Catholic Church and I believe this was the task all along. The Jesuits have caused trouble since day one and simply used their so-called loyalty to the Pope as a way of eventually gaining full control of the Vatican which happened in 1814. Remember on that families like The Medici, Pizza & Borgia were all Roman Catholic and therefore subordinate to the Pope and his Vatican. The problem is that these families were so into backstabbing and fighting one another its incredible. The amount of family feuds in Italy was amazing which many assassinations mostly through the Cup of Borgia or stabbings. Just look at the Sovereign Military of Malta's membership list and like Fritz Springmeier pointed out its just over 50% Black Nobility. The true power of the world lies in the hands of Jesuits, SMOM, Vatican and of course the Italian Black Nobility families (who by the way eclipse Rothschild for wealth). The Jesuits tasks when teamed with the Vatican were to defeat the Saracens and counter the Reformation. The Swiss guard not only protect the bank but they protect the archives and so forth. Now this is the important bit and thats if theres a threat at all then the Knights of Malta guard are bought in and the Swiss replaced. Be care of this Wikipedia as its heavily censored and monitored by Mossad who keep tabs on its members once they write something upon it. France plays a big part with the Jesuits who were known there as the Company of Sion and this is where the Protocols of the Elders of Sion (NOT Zion) come forth to fool the world into blaming the Jew. England will never war with France since we now have the same masters. There is currently a lot of in bickering between our agencies like school children gone out of control. This has led to such issues as the Riots and Oil depot explosions etc. The Jesuits shouldn't be too unhappy with the situation though as although its in fighting its still helping with the creation of the World Government. They can add their agenda to things such as rioting etc. The British will kick start the rioting off just a little earlier than the French would and therefore have a dig at the French for meddling in their business. These families have fought cat and dog for eons and it will never stop. The Jesuits are the headmasters and the rest are mere naughty schoolKIDS.

rmstock - July 8, 2006 06:59 PM (GMT)

according http://en.wikipedia.org/wiki/Saint_Francis_Borgia, Francis Borgia, wasn't co-founder but joined the Jesuits in 1546 and was offered the Cardinals title because of his birth rights. He refused that title. After being a Jesuit for more as 20 years he became Jesuit General.

QUOTE

In 1546 his wife Eleanor died and Francis was determined to enter the newly formed Society of Jesus. He put his affairs in order, renounced his titles in favour of his eldest son, Carlos, and became a Jesuit priest. Because of his high birth, great abilities and Europe-wide fame, he was immediately offered a cardinal's hat. This, however, he refused, preferring the life of an itinerant preacher. In time, however, his friends persuaded him to accept the leadership role that nature and circumstances had destined him for: in 1554, he became the Jesuits' commissary-general in Spain; and, in 1565, Father General of the entire order.

This all supposedly happened in the year 1546 , way way before the real troubles by the Jesuits started as described by you in the 1700 and 1800's .

Cheers,

Robert

CRAIG-OXLEY - July 8, 2006 10:42 PM (GMT)

Compañã de Jess have caused trouble since day one and just one example was the assassination by Compañã de Jess of Pope Sixtus V in 1590 so this is way before 1700's and 1800's?!?!? Francis Xavier was also a co-founder as well as Don Francis Borgia. It seems they don't like people being aware too much about Don Francis being a co-founder as you can find the pre-history of the Jesuits through this knowledge.

Mary a Meeting Point of Cultures, Says Muslim

Encourages Pilgrimages to Marian Shrines

ROME, JUNE 29, 2006 (Zenit.org).- An Egyptian Muslim and deputy director of a prominent Italian newspaper suggested that Mary could be the figure who brings Christians and Muslims together.

Magdi Allam of Il Corriere della Sera spoke to ZENIT about the appeal he launched in the pages of the national daily newspaper to Muslims living in Italy to visit the Marian shrines in their host country.

The journalist said that he is convinced that the Virgin Mary is a meeting point between Christians and Muslims.

"Mary is a figure present in the Koran, which dedicates an entire sura [chapter ed.n.] to her and mentions her some thirty times. In Muslim countries there are Marian shrines that are the object of veneration and pilgrimage by Christian and Muslim faithful," he said.

"Therefore, I believe that if this happens in Muslim countries, why can't it happen in a Christian country, especially in a historical phase in which we need to define symbols, values and figures that unite religions, spiritualities and cultures?" he asked.

In Allam's opinion, "the Marian pilgrimage of Loreto -- Italy's National Shrine -- could represent a moment of meeting and spiritual gathering between Muslims and Catholics, around Mary, a religious figure that is venerated by both religions."

Vittorio Messori, author of book-interviews with Pope John Paul II and Cardinal Joseph Ratzinger (now Benedict XVI), also wrote in Il Corriere della Sera on June 15 in support of Allam.

He said that the dialogue between Christians and Muslims "can begin afresh from Mary."

QUEEN SEMIRAMIS THE WHORE OF BABYLON

Note: I do not care wether its Catholicism or Protestantism its the same dribble just like the religions before them.

Alexandra - July 8, 2006 12:56 PM (GMT)

Just like Alberto Rivera was predicting years ago.

Note: The real Mary (Biblical Mary) is not the Roman Catholic Mary. The Catholic Mary is based on Semiramis/Isis. True Christianity is NOT pagan-based at all. Catholicism is a COUNTERFEIT.

Muhammad declared that next to Mary, his daughter Fatima was the most holy woman in Paradise (or something to that effect).

CRAIG-OXLEY - July 8, 2006 03:08 PM (GMT)

There was no real Mary or Jesus (would have been Iesus if so) its the same dribble regardless of being a Catholic or a Protestant. I'm sorry but I'm not holding my tongue any more on this religious tripe. I respect the protestant religion for the Reformation and freedoms but its still another controlling religion with the same spin. Once again religions before christianity & protestantism had once again the same STORIES of Mary/Jesus but with different names and that should give you a clue.

Yes the Reformation gave us many freedoms but lets not forget that we were still ruled by Masonic cliques and Monarchs just instead of the Pope.

dlux - July 8, 2006 03:42 PM (GMT)

Religions certainly know how to corrupt.

A list of the many virgins.

Virgin In ancient mystic philosophy the feminine potency of nature as well as cosmic space which is often referred to as the immaculate celestial virgin (cosmogonically undifferentiated cosmic matter, alaya, mahabuddhi, etc.), or the astral light which is sometimes called the celestial virgin. Again, it refers to the numerous Queens of Heaven, such as Isis, Moon, Ashtoreth, Nuah (the Chaldean feminine Noah considered as one with the cosmic arc), Belita, Diana, Artemis, Ark, etc. -- most of these names having reference to the moon. However, a sharp distinction should be made between the idea of the virgin connected with the lower planes of matter, including celestial bodies such as the moon, and the immaculate or undifferentiated cosmic virgin which is the immaculate spatial mother of the cosmic deep. On lower planes the Mother-Virgin is the various wombs of hierarchies, a feminine Manu or Prajapati, through whom pour the seeds of life from higher cosmic planes. The cosmic virgin is immaculate, and the zodiacal sign Virgo is her emblem; in human affairs she represents the nature of humanity before the division into sexes, in commemoration of which the sign Virgo became divided into Virgo and Scorpio. The name may also be used of a virgin male such as a kumara.

The ideas of the Virgin Mary in orthodox Christianity have been taken over from the pagans, as for example from the mother in the triad which heads all cosmogonies of the countries surrounding the Mediterranean Sea (Isis, Juno, etc.). The word Mary from the Hebrew would seem etymologically cognate with the Latin mare (sea); the Hebrew word meaning bitter, and the sea likewise being bitter it is also cognate with other words meaning water, as in the Jewish expression, the waters of space, or the feminine productive principle. See also IMMACULATE CONCEPTION; VIRGIN BIRTH

Virgin Birth Often applied to any kind of reproduction which is not sexual, including that of human races before the separation of the sexes. In a mystical sense, it applies to some of the rites of initiation, where the candidate has to go through by an anticipatory process the experiences which mankind will live through in the course of the next two root-races. Among these was the experience of the mystical virgin birth. The corresponding fact concerning mankind of the future is, that there will be in due course of evolutionary time no more sexual birth, which will then have run its course and will have disappeared, but instead, reproduction will be by the power of kriyasakti: by thought and will.

The mystic Christ, by whatever name, is said to be virgin-born, as emanating from the higher nature of the individual, not engendered by the terrestrial nature. The symbol has often been materialized, so that the divine quickening or overshadowing of a human virgin, whether man or woman, is spoken of as being a virgin-born.

Virgin Men, Virgin Youths. See KUMARAS

Virgo The virgin; the sixth zodiacal sign, an earthy, feminine, common or mutable sign, the house and exaltation of Mercury. Its bodily correspondence is the abdomen.

In an older zodiac, which had only ten signs exoterically (though there were two other secret signs), the three present signs of Virgo, Libra, and Scorpio were combined in a single sign between Leo and Sagittarius, representing a stage of evolution before the separation of the sexes. When Eve, according to the Hebrew story, was drawn out of the "side of Adam," and the human race fell into generation, the sign then representationally was split into two, Virgo and Scorpio, and the balancing sign Libra was added.

In following the Hebrew system of assigning the twelve sons of Jacob to the zodiac, if Gemini represents Simeon and Levi conjoined, there is one son too few for the signs; and this may be adjusted by putting Jacob's daughter Dinah for Virgo.

In the Hindu zodiac the sixth sign is also named the Virgin, Kanya and is presided over by Karttikeya, the god of war. Subba Row says that Kanya represents Sakti or Mahamaya, and its number six indicates that there are six primary forces in nature, which in their unity represent the astral light, this unity thus making a seventh (Theosophist Nov 1881, p. 43). To this Blavatsky added: "Even the very name of Kanya (Virgin) shows how all the ancient esoteric systems agreed in all their fundamental doctrines. The Kabalists and the Hermetic philosophers call the Astral Light the 'heavenly or celestial Virgin.' The Astral Light in its unity is the 7th. Hence the seven principles diffused in every unity or the 6 and one -- two triangles and a crown."

The Dendara zodiac in Egypt, circular in form, has three Virgins, showing that three precessional cycles had elapsed and that this length of time had been recorded. Virgo is assimilated to Astraea, goddess of justice.

TruthSeeker24 - July 6, 2006 12:23 PM (GMT)

2tuff and guys, how do you think I should respond to these 2 responses from Kelly and another person bashing Eric. I said to them plenty of times that I don't agree with Eric on every issue, but he is a sincere man and 100% correct on the Jesuits and the Vatican. Me personally, this is the lamest justifications I have ever seen for Barbara Aho ever. I totally refuted all of their half truths and Daryl Bradford Smith's lies in their forum and now they say these things. I'm shocked. Then, one of them lies and said I lack credibility. This is too funny. Their Jew-baiting rhetoric is annoying to me after I told them that the Synagogue of Satan isn't Jewish at all as said by Christ.

By TruthSeeker24 (Timothy)

Kelly McGinley: Hey Timothy, Thanks for your response. Though I can not listen to anyone who could spend any time listening to Phelps. He is 100% Calvinist which puts him 100% in the doctrin of Demons catagory. You lost all credibility with me as soon as you mentioned his name. If you cannot see the Synagoug of Satan in this conspiracy and in charge of the gentile movements, then you are blind. I have a Freemason King James Bible here and they give a description to all 33 levels and they are all jewish. One level is even Kabala. I have put up a big boundary and that is to not listen to Calvinists, and those who qoute them.

Alexandra - July 6, 2006 12:42 PM (GMT)

I don't 100% agree with Calvinism myself but that's not a very good reason not to want to hear someone.

TruthSeeker24 - July 6, 2006 12:50 PM (GMT)

I agree with you Alexandra. I've refuted these people strongly and they still try to cover up for Aho's errors. Here's my response to them at this link of

<http://com4.runboard.com/bthebereanchronic...|offset=10>

This is rather sad by both of you. When I saw your response just minutes ago I was shocked. I made my points in refuting Barbara Aho clear. Aho claims that the Priory de Sion exists today, when historians and real Christians like Mary Ann Collins have refuted that charge. Aho claims that Judah was never united with Israel after the destruction of the First Temple, when the NT clearly called Jesus the King of Judah and the King of Israel in Mt. 27:37, Mt. 27:42, and John 12:9-13 (plus many so-called "Lost Tribes" like Asher lived in Israel during the First Coming of Jesus Christ). Not to mention that Judah is a son of Israel (Jacob), so

their is no real division. Other facts show her errors. For you to try to justify them is desperation on your parts. As for questioning my credibility is funny to me. Then, Kelly, you go on and talk about the Jews. Well, what is wrong with being a Jew? Nothing. They've created most of the Bible, many are strong Christians, some are Messanic Jewish believers, and they made great contributions in history like every race of people. Gentile Movements? Your Jew baiting rhetoric is annoying. Barbara Aho called the Waldensians Gnostics, which is false as well.

As for Freemasonry, 33rd Degree Freemasons like Albert Pike admit that the Gentile Ancient Mysteries are the real origin of Freemasonry not the Jewish people. Freemasonry distort many concepts from Judaism into the Lodges. That's true, yet the Masonic concepts of the obelisk, groves, pagan dieties, etc. have nothing to do with real Jewish God believers or Torah Judaism. That's Babylonianism and you need to see that. I heard of all 33 degrees of the Scottish Rite itself and not only is none of them entitled "Kabbala," but all of them relates to the Babylonian Mystery Schools of Babylon & Egypt (that is related to the Kabbala as we know). You have to get your facts straight. The Kabbala was invented by apostate Jewish people in the Middle Ages. The Kabbala relates to mysticism and the occult, which is not the religion of Moses at all. Moses condemned the occult, so I'm not the one. Not to mention that there are Druid, ancient Greek, etc. connections to Freemasonry as well as said by many scholars. As for Eric, I made it clear that I don't agree with him on every issue, but he is accurate about the Jesuits and the Vatican. Also, I don't have pride. I just outlined the facts and both of you can't stand it. You can't it that the Jewish Messiah I might add is Jesus Christ and that he is God.

You can't stand it that most of the OT prophets and NT leaders were Jews. You can't stand the many great deeds of many Jews throughout history. I'm not persecuting anyone, but outlining the facts that you hate. I made it clear that I don't agree with Calvinism. I mention information from those that I don't agree with. This is perfectly normal. For example, people writing essays on many occasions cite source from people that they don't agree it to improve accuracy. That doesn't mean you accept all of their tenets. I made it clear that there is a great Vatican/Jesuit connection to the New World Order. I made it clear that Romanism is Babylonianism as said in the works of Alexander Hislop and others. Barbara Aho just lied and said it's primarily Judaism that invented Romanism when Romanism butchered Jews for centuries. Constantine, who invented Modern Romanism, wasn't a Jew at all. Even the Synangogue of Satan, which you obsess about isn't Jewish, as said by the Lord Jesus Christ. You also hate it that I expose Aho's errors and how I'm a strong man. I refuted Daryl Bradford Smith and I've debated people for years. I'm used to this stuff. I'm always prepared.

***There is so much more I can say, so I'm not intimidated and I will defend my**

honor regardless of what you say.

Personally I cannot even be bothered with people like this who I too consider the herd like the Jesuit Order. Until they utilise their grey matter this is all they are worth when they are following the luciferians either knowing or unknowing. To get help or respect a person has to earn it with me these days. Theres so many people out their who utilise one of the Jesuit labels such as Racism etc then they block themselves off to truthful information. Truthseeker24 is black and although I fully agree with Eric Jon Phelps and Timothy is aware of this he still utilises our information and sites. I do not agree Tim on everything either but I respect the fact he can move past the Jesuit labels put in place to try to make him do the opposite. Remember on folks that truth usually hurts and its not always what we want to here. People who attack myself go around claiming that its my way or the highway, this is incorrect. If I didn't let people have their own opinion then whys Timothy still here and others? If someone has an opposite opinion to me but speak of it without attacking myself and my friends then it will be heard. If they're simply trying to divert people away from real information then they will be tackled by myself. I'm lucky that people who have come to my forum and following the information here are decent intelligent people unlike the masses on other sites, riddled with temporal coadjutors, agents, herd and sheep.

So regarding this woman who cares? Just ignore her as shes obviously un-intelligent and has no common sense. So she hates Calvinism etc but forgets that her freedoms she has right now and HAD were given to her thanks to the REFORMATION. Her actions of gatekeeping are simply aiding the COUNTER-REFORMATION Jesuit agenda and she probably has no idea. I'm not a protestant but again I respect what the reformation has done for us and I listen to Eric's religious knowledge. You can tell when you've evolved in the knowledge seeking when you can still hunt for the information even when something is presented you don't go with or want to hear. So as an example if you dont like Religion then you dont listen to Eric's religious statements but you listen to his masonry, jesuit knowledge. Remember on though that you may not be religious but our unseen masters certainly ARE and its very important considering the New World Order. Its the Babylonian Christianity religion which rules the world publically if known and Luciferian behind the scenes to people aware. So again you may not rape/kill children and drink their brain hormones but the elite Jesuits and their elite DO!

Absolutely, one has to keep an open mind. I'm no fan of John Calvin, to me he's just another pawn of the Vatican, but if Eric Phelps wants to follow him, and it doesn't affect his research into the Jesuits, then it's none of my business.

I understand that perhaps Eric would perhaps be more mainstream if he wasn't so concerned with Calvinism, races etc., but then so would David Icke be if he'd never mentioned Reptiles. The connection is that both these researchers believe in what they are writing, so why self-censor yourself, just to pander to Mr and Mrs Tesco, who don't give a damn in the first place?

TruthSeeker24 - July 7, 2006 05:42 PM (GMT)

I appreciate the comments and I'll move on from the woman Kelly. Also, WINGTV is talking about the Jewish agenda at:

<http://www.wingtv.net/thorn2006/israelilobby.html>

I read the whole thing in less than 3 minutes and I almost laugh. At least I'm thankful that they showed their true colors and admit they blame all of our ills on the Jews, which is a lie. Many Jewish people are Patriot and holy. The vast majority of American Jews oppose the Iraq War and many Jews are pro-gun and patriotic like JPFO, Carmen who is a Messianic Jewish person, etc. Thorn's other lie is saying that the media is mostly Jewish when (in my refutation of Piper), I've cited evidence to the contrary. One example is that CFR member Richard Parson is a Gentile and runs AOL/Time Warner. The head of Disney and other companies are Gentiles. WINGTV are into pessessism, while they condemn those who promote fear mongering. I reject both pessessism and fear mongering. Both are depressing, negative, and a tactic of the Elite to intimidate instead of inspire folks to improve their basic conditions in life. Many conservatives are fighting for true like Ron Paul, and others. Also, they bash the Religious Right, when Jews were in Israel for centuries in Palestine before the Aliyah and people have a right to support good Jewish people in Israel, yet oppose the evil policies of the government of Israel.

If my memory is correct, I'm sure Eric Phelps showed some more direct ties between Monteith and the Jesuits. I remember a video of his which blamed everything on Cecil Rhodes and discredit every other theory and version. Now guess what? He never once mentioned the idea of a Jesuit conspiracy but he spat out all the others. Remember they can give you almost all truths but they can NEVER expose the Order.

TruthSeeker24 - July 5, 2006 03:18 PM (GMT)

Stanley doesn't want to offend Roman Catholics. Frankily, I could care less if someone offends as long as it's the truth. If you're a man, you can handle offensive material. Also, it's kinda of funny that he mentions Rhodes, but refuse to mention that Rhodes is not only a Freemason, but he took inspiration to create his group from the Jesuits. Some people are scared to death to expose the Jesuit Order, when they have committed tons of criminal acts from the 1500's onward. His refusal to expose the Jesuit when much of the alternative media crowd is talking about is a shame. Lisa and Gary Ruby from Liberty to Captives Ministries talked about Stanley as well. Eric Jon Phelps I think did talk about this issue. I recall in an older former of a person from NC giving Eric info about Stanley. As for me, I get the meat from Stanley and throw away his ecumencial bones that he executes. Stanley talked about the Illuminati (which was invented by the Jesuits).

CRAIG-OXLEY - July 4, 2006 01:38 PM (GMT)

2tuff,

I definitely think something big will happen soon. The 450th anniversary of the death of Jesuit Order founder Luciferian Ignatius Loyola is July 31. This is a key date of the "Jesuit Jubilee 2006."

Brother Eric once said that the summer is an ideal time to detonate a nuke I suspect that this date may be pivotal. I'm not a prophet obviously and I'm not saying this will actually happen, but I wouldn't be surprised if something went down, an orchestrated event to escalate the Jesuit-led Papal crusade in the Middle East. One of my best friends is in the army national guard and he will be deployed in Baghdad later this month. I hate this bloody crusade and we know the real reason why it is happening.

NASA is completely controlled by the Jesuits through high-level Freemasonry and their Nazis. Werner von Braun was a Nazi and a key player in the moon landing hoax. Every launch is staged and meticulously calculated to coincide with occult numerology. The Jesuits' Illuminati worship numbers and base their deceived lives on them.

The agitation in the Middle East especially in Israel between Israelis and Palestinians is fueled by the Jesuits through Shriner Freemasonry. It is an agitation that they need to perpetuate until the final phase of their plan is implemented. They have to make it appear as if the leaders of both groups are truly foes when in actuality they are inextricably linked through Freemasonry. The people suffer both Israelis and Palestinians and they are sacrificed because for their traitorous Jesuit-controlled leaders you can only have "Ordo ab Chao" (Order out of Chaos) and the Jesuit maxim "the end justifies the means" applies, and the Hegelian Dialectic is standard operating procedure.

Cardinal Egan's CFR-controlled corporate fascist press and media outlets lie day in and day out to the American public. I saw on CNN and ABC news a CFR member talking about the next terror attack. I did not get the details the fact that a CFR member speaks as an authority on it shows that this traitorous shadow government controlled by the Jesuits is in the loop and they planned the state-sponsored terrorist act their CIA (the military teeth of the CFR) and FBI would perpetrate against the unsuspecting public which has been conditioned to assume any act of terror cannot come from within and must be from the proported and created enemy of Islamic fundamentalism/Wahhabism which would not exist were it not for Jesuit-controlled American and British intelligence agencies headed by select Knights of Malta and high-level Freemasons.

I read your article about the Jesuits and their Woolworth Building and the launched missile that hit the WTC from there. I noticed from the aerial view photo that there is an all-seeing eye near the base of the towers which were symbolic of the Masonic Boaz and Jachin pillars you will find outside of every Masonic temple. My dad told me about the shape of the new "Freedom" tower which is nothing more than a Masonic obelisk a symbol of Baal worship which will be 1,776 ft tall. The Jesuits through this tower will boast of their worship of Lucifer.

This year I've been very interested in health, nutrition and fitness and I appreciate all of your work on the forum that addresses these issues. My dad bought some sea salt today after I explained to him how our bodies crave it and how the typical chemically manipulated table salt is a slow killer as well as white sugar. I have quit fast food. I saw "Supersize Me" and read articles about how the Jesuits are poisoning and fattening Americans through their Masonic and SMOM chains such as KFC, Wendy's, McDonalds, Domino's Pizza, Carl's Jr., Hardees, Taco Bell etc. Since December I have lost over 30 lbs. I decided to quit soda and drink strictly pure water filtered through reverse osmosis and lost 10 pounds in one week. I am almost back to my normal weight of 170-180 pounds. I am 5' 8 1/2" and 21 years old so I want the energy and vigor I should be enjoying. When I started taking my weight and diet seriously I was 237 lbs and overweight. Poor nutrition in college and an anti-depressant increased my appetite which I want to get weaned off of were the culprits. I am battling Jesuit Medica personally by getting in shape, steering clear of fast food, and planning to gradually discontinue use of a pharmaceutical drug/poison.

Do you know about the long-term effects of the drug Effexor XR? I know that long-term use of any drug is harmful, but this drug is the thorn in my side that I must taper off of. If you have any info on its long-term effects I'd appreciate it.

The articles will keep coming my friend and thank you for the message.

I definitely think something big will happen soon. The 450th anniversary of the death of Jesuit Order founder Luciferian Ignatius Loyola is July 31. This is a key date of the "Jesuit Jubilee 2006."

Nothing surprises me with these creatures known as Jesuits. I wasn't aware of the above information so thanks for sharing this with us all. I've not noticed any major problems arise with past Jesuit celebrations but maybe this time it could be different.

Yes I remembered Eric's information and worries about Long Island-New Jersey or whatever. Now what's weird is the recent close down of New Jersey's government. Right now there's so many things happening which could lead to a staged attack. The economy is pathetic right now amongst other things and this Iran bourse is another big issue. We must remember that it's not just the bourse which is inflaming the Western banking powers. It's the strategic positioning which is very important but everyone is getting diverted with Oil and Dollars. Remember war is only to keep the banking system and control of the Jesuit Elite alive and nothing else.

Yes most definitely right on the Freemasonry issue. The moon landing was an utter joke and I enjoyed watching the phony astronauts' faces in that movie 'Astronauts gone wild' or something similar to that title. Yes if I remember correctly that Temporal shill Richard Hogland has exposed a lot of this information on angles, numerology, Sirius etc.

Yes just look at what group Saddam was part of and probably still is and that was Safari 500 if I recall. Its a gigantic illusion and I think of it as a movie or a play which is constant. Its aim is to socially engineer the people how the Jesuits and Black Nobility wish them to be. We may in the short future see a war between the West and Russia/China but again they are freinds. We must remember that theres no bigger ally with Washington like Moscow other than of course London & Rome. The Jesuits are the permanent directors whilst everyone else are mere contractual actors. The only difference is theres no end credits and if there were, the Jesuits wouldn't have their name listed but would allow at best SMOM or their secret societies as they allow the awakening herd to see already thanks to shill Alex Jones, Stan Monteith and so forth who help promote DIVERSIONS.

Cardinal Egan is allowing Cardinal O'connors big boys upon America soil. We must remember how big a part the British intelligence agencies play in America. When the truth is known that British SIS control all the other agencies then people will see things more clearly. I do not believe that the CIA was the only group linked to the staged 9-11. I believe it was a combination of CIA,SIS,MOSSAD utilising groups like Blackstone/Blackwater/Olive/Group 13 and of course Israeli/british run Team 121 etc. Theres so much more we're not aware of and we just stick to the basics like CIA when theres many small split off groups like the above committing the atrocities. Rumour has it that it was the British Olive Group which were killing the witnesses to the Levees in New Orleans. Some say they saw FEMA doing this with their jackets on which FEMA written on it. Well my friends I believe that FEMA are a devilish organisation but I believe Olive Group would be setting them up for the awaking sheep to blame whilst once again like the Jesuit controllers the real perputrators get away in the shadows.

Now remember just after 9-11 within a day if I recall, who was mouthing off the most about another attack with bio-weapons and New World Order? Yes CFR member Gary Hart and he even told you where and Dallas was one of them. I will never forget this.

Well it wasn't my article but I pasted what was left of that information the other day as you've become aware of. I believe theres something to that information and again when you realise the Jesuit part and what you've said above it becomes even more clear. We need to remember that when Police, firefighters etc say things like what they did then 9/10 their on the money. In court a Police officer, firefigther or military personel would be a highly credible witness, but when it comes to the conspiracy they are simply forgotten or hidden. Yes this Woolworth building incident is very interesting and how many of the shills have mentioned this? I do not recall major temporal coadjutor Alex Jones doing so? Same as he refused to inform people of the almost nuke detonation in Houston Texas not so long back at the British Petroleum groups run by **SMOM** Queen "Guelph" Elizabeth II and **SMOM** George Herbert Walker Bush. They've used this area for a long time and especially for printing dodgy U.S currency and others.

Thankyou and I enjoy it when people take control of their life and especially health which then is one up against the Jesuit controlled Rockefeller family who incidentally are truely more wealthy than the Rothschilds although the diversionists will tell you otherwise. You should be careful with Sea Salt as much of it these days is processed

and therefore lacking in the minerals needed and again making it difficult for the body to utilise and remove like table salt/sugar. You must check that it has a mineral content of at least 30. If I were you then just get Himalayan or Redmond and be sure of the best with up to 83 minerals and the purest of salt. I would also like to point out that although Salt is vital to life, Potassium is exactly the same and 3 grams of this should be taken daily through natural sources such as Blackstrap Molasses (344mg per 2 teaspoons), Bananas, Figs, Oranges etc. Everything needs to be in balance and its no good banging in the correct salt figures but not getting correct potassium levels as you will simply create an even bigger imbalance in the Potassium levels using salt and then big problems can arise. Everything should be balanced correctly.

Yes if you eat correctly and have the correct fluid intake etc you will soon notice a difference in your weight and energy. I highly recommend you look into hot chillies wether it be Cayenne or the really hot peppers like African Birdseye. There is NO BETTER WAY to getting true health than WATER FASTING and URINE THERAPY. These two FREE treatments are the most powerful healing treatments in existance naturally and again free. I cannot comment on Antione Pierre's old Scalar machines which were supposedly amazingly at rejuvenating the body. This is why I'm hated by many health sites because I promote the truth in health and the truth is usually CHEAP/FREE/EASY which isn't good for both the Rockefeller medical cartel or the so-called Alternative pill popping bunch. I've been part of both lifestyles and none of them come close to true herbalism and especially fasting and urine therapy. Of course another big attack against myself arrives because I commit modern heresy, 2tuff is the modern day Gallielo as I expose the truth that hiv doesn't exist and certain isn't the cause of AIDS which has many other well know cause(s). I don't get big money grants from David Rockefeller so I have nothing to protect and I serve the creator and not one of his misfits turned to the devil like Rockefeller. I wouldn't accept the grants anyhow! You should be aware that RO water doesn't remove all fluoride and if Fluoride is present on your water line then the filter will need to be replace in half the time they tell you or quicker due to it eating through the membrane. Whats more important is that according to Hulda Clark, RO water damages the immune system!

No as I do not study POISONS I'm not likely to be ingesting other than obviously Fluoride and food chemicals we have to be careful of as I'm not a Jesuit or one of their lackies. If the drug is for depression then you need to increase B-Vitamins and take herbs like Valerian, St Jons Wort etc and preferably in a tincture form. The only way to truely rid the body of all the accumulated poisons is through WATER FASTING and

nothing else.

Now they claim its down to their beliefs of abortion. Remember on that they are secretly pushing the abortion issue as they want depopulation and population control. This is another reason why they simply do not want stem cell research or should we say US getting it. Do you honestly think they want us animals as they see us having stem cells which can cure a whole host of disease and problems? No way!! Vatican vows to expel stem cell scientists from Church

By Malcolm Moore in Rome and Roger Highfield, Science Editor

(Filed: 30/06/2006)

[LINK](#)

Scientists who carry out embryonic stem cell research and politicians who pass laws permitting the practice will be excommunicated, the Vatican said yesterday.

"Destroying human embryos is equivalent to an abortion. It is the same thing," said Cardinal Alfonso Lopez Trujillo, head of the Pontifical Council for the Family.

"Excommunication will be applied to the women, doctors and researchers who eliminate embryos [and to the] politicians that approve the law," he said in an interview with *Famiglia Christiana*, an official Vatican magazine.

Excommunication forbids Catholics from receiving communion, assisting in any Church duties, and sometimes from having a Church burial.

But the threat was shrugged off yesterday by Italy's leading expert on cloning, Prof

Cesare Galli, of the Laboratory of Reproductive Technologies in Cremona, who was the first scientist to clone a horse.

Prof Galli likened the Vatican to the Taliban and added: "I can bear excommunication. I was raised as a Catholic, I share Catholic values, but I am able to make my own judgment on some issues and I do not need to be told by the Church what to do or to think.

"I will be, together with Elena Cattaneo [a scientist working in the University of Milan] the first to be affected by the excommunication and then there are two other labs that I know using imported embryonic stem cells."

The research is opposed by the Catholic Church because it involves destroying embryos. This occurs at the point when they consist of about 100 to 200 cells and the so-called inner cell mass is removed. These stem cells can grow indefinitely and turn into any of the body's 200 cell types.

Scientists believe research making use of the cells could eventually yield treatments for a range of diseases, including diabetes, heart disease and Parkinson's.

The Vatican's tough stance on the issue came as the Pope prepared to visit Valencia for the fifth annual world conference on the Catholic family. Spain passed a law permitting embryonic stem cell research two years ago to the dismay of the Church.

An Italian senator, Paola Binetti, a member of Opus Dei and a prominent campaigner for Catholic rights, also spoke against the Church's line.

"I am upset and stunned," she said. "It is a mistake to give out the idea that God is angry with Man because he is not in agreement with him."

Cardinal Trujillo said it was not just Spain which had "thrown out the fundamental laws of nature" but also Belgium, Holland, the Scandinavian countries and France. He did not mention Britain, which is at the forefront of embryonic stem cell research. Belgium's divided State.

I'm totally against embryonic stem cell research, because it's destroying life.

Adult stem cell research is okay...and I hear it works a LOT better. You can even get stem cells from your own body fat! I say keep working with adult stem cells because you don't have to kill anyone to get them. And if you can use your own, that's great!

It's like the legal/illegal immigration issue...people try to lump the two together and not

differentiate. I'm against ESC but not ASC.

is a link talking about the Jesuits. I don't agree with this site on every issue, but it has interesting information. As for life issues, Mary Ann Collins proved that the Jesuits have funded anti-life goals. I researched this stem cell research issue for years and it's true that adult stem cells are better, because embryonic stem cells increase risk of tumors. Also, new adult stem cells are being formed with embryonic stem cell-like characteristics.

I remember reading about problems with ESC, Timothy. I was thinking something along the lines of they don't work, or rejection, or something like that. So it's tumors, then? (Maybe that's God dropping a hint?)

I'm all for research so long as it's ethical. And ethical does not include killing the innocent or monkeying around with cloning--things like that. I firmly believe that some things are better left alone...like genetically-modified food, for example. You shouldn't try to improve on what God created...that's a form of arrogance IMO.

Title: Shimon Peres, Jesuits, Israel, Mossad, 9/11

Description: *Fritz Springmeier*

Born - September 25, 2006 09:13 PM (GMT)

The New York Times of Sept. 22, states that the only one Israeli died in the WTC 9-11 tragedy. He was visiting the WTC on business. Considering 199 are listed dead from Columbia and 428 from the Philippines, and some Jews have reported that they were tipped off prior to the attack, it looks to me like this was a Mossad operation on behalf of the Illuminati perhaps using Moslems. The Mossad, by the way, takes orders daily from MI-6, who in turn are hand-in-glove with the Illuminati. Both M's have Moslem assets.

The bigger picture is why you will find **Jesuit educated Shimon Peres (the Israeli leader)** having stock (2.46%) in the PLO's public phone company Paltel along with the Bin Ladens (40%) and Arafat (40%). This is why the Bush family and the Bin Ladens are connected in business together, for instance, the Carlyle group. (Well, it's reported the Bin Ladens recently pulled out of the Carlyle Group.) It's no different than when Bush's grandfather aided Hitler financially, and Brown Bros. Harriman made big bucks. - Fritz Springmeier

<http://whale.to/b/sp/f6.html>

CRAIG-OXLEY - September 25, 2006 09:56 PM (GMT)

Shimon Peres was educated and trained by **JESUITS**. Shimon Peres is immediately subordinate to Roman Catholic **Sovereign Military of Malta King Juan Carlos** of Spain "*Protector of the Holy Places of Jerusalem*" and "*King of Jerusalem*". Shimon Peres helped give Ariel Sharon `the **cup of Borgia**' Shimon Peres and Israel are controlled lower down by the SMOM creation known as **The Council on Foreign Relations** who by the way created the same **United Nations** which created Israel in 1948 :D

ArchAngel - September 26, 2006 12:19 AM (GMT)

<http://www.cnn.com/SPECIALS/2001/memorial/...ntry/page9.html>

According to the 911 memorial at CNN the only Israeli to die in the 911 attacks was on UA Flight 175.

I compared with the official list at the US STATE department years ago and confirmed this.

TruthSeeker24 - September 26, 2006 01:33 PM (GMT)

In the final analysis Peres, bin Laden, Abbas, and now Olmert are controlled by the same people. Shimon Peres is definitely a traitor to his own people by not only being trained by Jesuits while in Poland. Also, he collaborated with the Vatican on many ventures like Oslo and the Temple Mount. A real patriotic Jewish person should never work with the Vatican at all since they slaughtered their people more than any other creed in history. I believe the Mossad probably had some involvement in 9/11, yet it's bigger than the Mossad. Never forget that the Mossad is an arm of the CIA/MI6 network as evident from the Mossad being trained by Papal Knight Nazi Reinhard Gehlen. The Mossad is definitely subordinate under the CIA/MI6 since the CIA/MI6 have more powerful and participated in more evils, deaths, and false flags than the Mossad has ever achieve (i.e. Operation Ajax, Operation Phoenix, drug trade, MK ULTRA, Project Mockingbird, etc.). I agree there is a firm collaboration between the leadership of the Masonic Muslim network and the pro-Labor Zionist government of Israel benefiting the Vatican/Jesuits (as evident on how the populace constantly blames the Muslims or the Israelis while the truth is that it's bigger than those 2 factions). I also agree with the Bush/Bin Laden connection and the Arafat/Peres connection through the Paltel company exposed this "war on terror" as being contrived.

I can't believe Fritz Springmeier wrote this in December 2001. I knew 9/11 was an inside job in September 2001 by the occult symbolism, but Fritz's information about 9/11 (done only a couple of months after the event) is incredible. No wonder he's in jail to at least past 2010.

By TruthSeeker24 (Timothy)

The only problem is that Springmeier sometimes makes very uncritical comments and makes statements that are just plain stupid. Here are some examples in quotes with my comments below:

QUOTE

The 90 mm. "Night of the Living Dead" expresses the satanic black magic goal to control bodies. [Illuminati Formula by Springmeier and Wheeler Chapter 12](#)

This is not true if he is speaking of the old film and probably the remake (although I haven't seen the remake so I can't make a definitive statement, but I have seen the original) too. I know this because the original was made on a very low budget and never implies that black magic is the cause of the zombie pandemic. In fact that theme is more prevalent in OLDER movies such as the 1930s Bela Lugosi film *White Zombie*.

QUOTE

the movie Army of Darkness with its mirror image programming, "London Bridges falling down" programming ditty, etc.; [Deeper Insight by Springmeier and Wheeler Appendix 3](#)

This was the third installment in a low-budget horror movie series called Evil Dead. It definitely doesn't qualify as a Hollywood A-List movie. Notice how Springmeier believes that there is programming and occult meanings in every film, even the low-budget ones that few have heard about or have only gone on to success in small circles.

QUOTE

Organic robotoid technology is being made to make exact as possible copies of important people such as Presidents and some of their staff. For instance, the Jimmy Carter who came to Portland a few years ago who I stood two feet away from and examined visually was not the Jimmy Carter that had run for President. On Easter, 1979 the first robotoid model of Jimmy Carter replaced the man Jimmy Carter. By the time "Carter" was seen by me, they must have been on at least robotoid no. 100. Wasn't Scientology involved in the two-week long Terri Schiavo murder?

TruthSeeker24 - September 26, 2006 02:08 PM (GMT)

There are so many Scientology connections to Terri's murder that it's unbelievable when you think about it. Now, Terri was murdered in Clearwater Florida. Clearwater is the world headquarters of Scientology. Scientology is notorious in promoting dehumanization by Hubbard bashing those who were crippled or in mind damage. Scientology's literature is very Gnostic in classifying humans as meat. Gnosticism bashes the physical in calling physical reality an illusion (similar to the movie "The Matrix." The Matrix has Gnostic symbolism all over the place even bashing the Creator or the Craftsman, which is totally Gnostic). Scientology is a fruit of **the hermtic/Gnostic/Masonic babylonian mysteries (i.e. the Saturnian religion) that 2tuff writes about.** Florida officials like Pinellas County Sheriff Everett Rice and Knight of Columbus Jeb Bush have been allies of Scientology for a while now. Lisa and Gary Ruby's research is the best in exposing the Terri/Scientology link on the Internet. Terri's murder was illegal

since Florida statues forbids intentional starvation of a human being (regardless of the news pundits say). Judge Greer is a longtime friend of Mary Repper (a Scientologist consultant). Even before Terri Schiavo, Scientologists allowed the death of Lisa McPherson to transpire. The Clearwater Bar Association has been cozy with Scientology. Scientologists are sensitive about being exposed. **Scientology is another extension of the Whore of Babylon frankly.** Hubbard in fact is quoted (according to level OT8s secret briefing) that he wanted to derail the Second coming of Jesus Christ. Hubbard was a blasphemer and a liar.

Title: Ex-Bishop- Jesuits Are NWO Spiritual Controlers

Description: **full text**

ArchAngel - September 26, 2006 12:16 AM (GMT)

I don't remember ever seeing anything about the Jesuits at Rense until the last few days. Has he converted or something?

Confession No. 16: Former Bishop of Gautemala Claims Jesuits Control the Vatican and Are the Real Spiritual Controllers of the New World Order

Bishop Gerard Bouffard says the Jesuit General, Fr Peter Hans Kolvenbach, gives the marching orders to the Pope. He also backs up the accusations made by the late Fr. Alberto Rivera about the evil Jesuit Order.

25 Sep 2006

By Greg Szymanski

<http://www.arcticbeacon.com/25-Sept-2006.html>

Former Bishop Gerard Bouffard of Guatemala said the Vatican is "the real spiritual controller" of the Illuminati and New World Order while the Jesuits through the Black Pope, Jesuit Gen. Fr. Peter Hans Kolvenbach, actually control the Vatican hierarchy and the Roman Catholic Church.

Bishop Bouffard, who left the Church and is now a born again Christian living n Canada, based his conclusion after working six years as a Vatican priest, assigned the task of passing daily, sensitive correspondence between the Pope and the leaders of the Jesuit Order residing at Borgo Santo Spirito 5 near St. Peter's Square.

"Yes, the man known as the Black Pope controls all major decisions made by the Pope and he in turn controls the Illuminati," said Bishop Bouffard last week on Greg

Szymanski's radio show, The Investigative Journal, at www.gcnlive.com where archives of the startling statements can be heard in their entirety.

"I know this to be true since I worked for years in the Vatican and traveled with Pope John Paul II. The Pope takes his marching orders from the Black Pope as the Jesuits also arte the leaders of the New World Order, with the task of infiltrating other religions and governments of the world in order to bring about a one world fascist government and a one world religion based on Satanism and Lucifer.

"People can't imagine how evil and how much destruction they have caused and will cause while, at the same time using the perfect cover of hiding behind black robes and professing to be men of God."

Bishop Bouffard's first hand knowledge of the evil lurking within the hierarchy of the Vatican and particularly the Jesuit Order confirms the testimony of other researchers, including Bill Hughes, author of the shocking books *The Enemy Unmasked* and *The Secret Terrorists*, as well as preeminent researcher of the Jesuit Order, Eric Jon Phelps, author of *Vatican Assassins*.

Besides painting a dark picture of the Black Pope in Rome, Bishop Bouffard claims the evil power of the Jesuits extends throughout the world, including solid infiltration of the U.S. government, the Council on Foreign Relations (CFR) and major religious organizations.

Bishop Buffard claims the Jesuits act like the perfect chameleons, taking on the identity of Protestants, Mormons, Baptists and Jews with the intention of bringing about the downfall of America as well as bringing the country under a one world religion based in Jerusalem and under the control of their leader, Lucifer.

"I know first hand that the Vatican controls and monitors everything in Israel with the intention of destroying the Jews," said Bishop Bouffard, adding the true purpose of the Jesuit Order is to orchestrate and control all leaders of the world in order to bring about a major worldwide conflict which will eventually destroy America, the Middle East and Israel. "They destroy everything from within and want to bring about the destruction of the Catholic Church, as well, in order to usher in a one world religion based on Satanism. This is also seen in the way priests worship in the Mass, actually worshipping the dead. Also, signs of Satanism are seen in many outward symbols, customs and vestments displayed by the Church."

After his service in Rome, Bishop Bouffard spent time in Africa and Guatemala, rising to a position of power within the Church. However, with this religious power came affiliation and membership as a Freemason, becoming a 37 Degree Masonic member, something supposedly frowned upon in the Roman Catholic Church since, according to Canon Law, membership in a Masonic Lodge brings immediate excommunication.

According to Bishop Bouffard, Freemasonry is used by the Church to carry out its secret plans, as many other high-level priest, bishops, cardinals and even popes have joined secret societies along with others in positions of power in other religions and governments, many working together to further the evil Illuminati agenda.

And his statements back up reports which surfaced in Italian and French newspapers in the early 1980's, reporting more than 150 high level priests with membership in Freemasonry, including the P2 Masonic Lodge and other secret societies.

"I finally was born again and denounced the Catholic Church," said Bishop Bouffard, who now is a practicing Christian following the word of God through the Bible. "We must always pray for our leaders by openly denouncing evil and exposing the Jesuits for what they really are."

After leaving the Church, Bishop Bouffard also made amends and asked the late Jesuit priest, Fr. Alberto Rivera for his forgiveness. Fr. Rivera was one of the few Jesuit priests with the courage to expose the evil intentions of the Society of Jesus, coming forward telling how he worked as one of the Jesuit Order's infiltrators in America with the job of infiltrating Protestant and Baptist churches with the intent of destroying them from within.

"When I was a bishop and still loyal to the Church, I once wrote a letter denouncing Fr. Rivera and advocating his death," said Bishop Bouffard. "When I realized the truth, I searched out Fr. Rivera and asked his forgiveness. We became good friends and I know he was telling the truth. He was an honest man who also found God.

"I know the Jesuits tried to change the truth, saying he never was a priest and destroying all evidence backing that up. They have tried to do the same to me, but Fr. Rivera was telling the truth without question. I know that for a fact and even was with him several weeks before his death. He was suffering terribly after being poisoned with acid. Like I said, you can't imagine the suffering and destruction that has been caused and will be caused by the Jesuits"

In an article entitled Alberto: the Big Brou-haw-haw, an unknown writer who followed Bishop Bouffard career and his connection with Fr. Rivera had this to say, including the Vatican's difficulty in trying to cover-up both Rivera and Bouffard's accusations:

"Then there's the corroborating testimony provided by Fr. Gerard Bouffard. He was a high ranking bishop born in Quebec, Canada. He rose from lower levels of his orders to become an assistant for many years to Popes such as Paul VI and John Paul II. He converted to protestantism and claims he was the man who received the order to eliminate Rivera. In a documentary called Unveiling the Mystery Behind Catholic Symbols, Bouffard shows a fancy 18-carat gold plated pen containing a special

disappearing ink with which the Holy Office authorities sign top secret documents. He claims, "With this pen that I am holding, I signed the order to kill Dr. Rivera". Pretty dramatic cloak and dagger stuff! His previous high profile position would make him an easy target for discrediting... Yet the silence is deafening.

"The Vatican also has its own credibility problems to contend with. From a historical context, Alberto's claims to be a Jesuit working undercover to destroy protestant churches is not as far flung as it might seem. The Jesuits were created in 1541 by Ignatius De Loyola for that very purpose (although some Jesuits dispute this, naturally). They engaged in countless dirty tricks, assassinations, and treasonous plots during their hay day. The Office of the Inquisition was an out growth of their mission which resulted in the torture and/or murder of millions of innocent people for "heresy". That department has since been renamed The Holy Office, but the Jesuits have never bothered with a name change. How much their goals have changed with time is also a uncertain. Neither organization is very transparent and both serve the interests of the Pope. Bad reputations are not easily forgotten.

"If Alberto's story is a lie, it's brilliant piece of fiction with amazing consistency. There are certainly other conspiracies that have been dreamed up which are equally vivid and intricate. The JFK assassination conspiracy and the UFO /Majestic 12 conspiracy come foremost to mind. But these conspiracies were created and improved by hundreds of people over a long period of time, then pieced together and rearranged until they formed a plausible narrative. After twenty or so years of "public input" and revisions, a semi-"official" version is adopted. If any particular part of it is proven to be false, it morphs into a slightly different version without the disproven parts.

"Alberto had none of these resources. His own story came from him alone. It wasn't revised and honed for decades by committee before Chick published it. On the contrary, it was published in its entirety and then sublimated with additional volumes (five more comics) giving more names and dates but no retractions. If he in fact "made it all up", then he certainly deserves a prize for literary genius. Especially as far as his own biographical intrigues are concerned (move over Baron von Munchausen?).

"After twenty years of investigation, all the Pope's resources have failed to "prove" Alberto was a fake. Of course, Alberto failed to "prove" his allegations against the Vatican as well. So at best, the contest is still a draw. Maybe future developments will yield something dramatic. But don't count on it. We'll probably never know if Alberto was really "real" unless the Pope were to come straight out and confess it. (And that stands about as much of a chance of happening as a flying saucer landing on the White House lawn.) It is definitely delicious food for thought, however, and far more scary than any premise aired on X-files.

Throughout history, the Jesuit Order has been tied together with war and genocide, being formally removed from many countries, including France and England. As researchers claim the Jesuits are the real spiritual controllers of the New World Order, author Phelps has also called for the Order's banishment in this country.

However, with more than 28 major universities from coast to coast, the Order has created a strong political and financial foothold here, including secret control of the CFR and control of many banks like Bank of America and the Federal Reserve banking system, making Phelps' call for banishment a difficult if not improbable task.

My research also says the Mohammed Atta guy has a connection to suncruise lines (based out of florida) and **Jack Abromaff**. Mr Abramaff had assassins gun down 2 people 1 of them was his former employer. Suncruise lines also helped rig the florida 2004 election where bushs brother **Jeb Bush** kept about 5000 americans from voteing. Also Bushs other brother **Marvin Bush** was in charge of security on 9/11 and **Bushs**

Pope Benedict XVI is the Saturnalian priest controlled by the Luciferian Black Pope who is the head of the Babylonian Mystery Religion of Roman Catholicism and Freemasonry.

So Benedict wants to be a Cowboy now he just needs some 6 shooters :D

Alexandra - September 25, 2006 01:24 PM (GMT)

That one hat the pope wears (is it a mitre?)...that's a throwback to pagan worship as well.

On a side note...my freshman year of high school, a friend of mine made himself such a hat out of newspaper and wore it to our annual pep rally! There's a picture of it in my 1987-88 yearbook! :lol:

CRAIG-OXLEY - September 25, 2006 02:32 PM (GMT)

Nicholas Rivera is absolutely correct and I hope that some of my work has helped him

reach his conclusion. Most people take the Mitre back to the Akkadian Pagan fish god called **Dagon**, **Saturn (EL)** is the same thing and simple the fish god.

The **Jesuit Order** is the **Black Brotherhood** of the highest level within the *Ancient Babylonian Mysteries Schooling*, following the purest form. The **Jesuit Order** at its highest peak are pure **Sorcerors** and **Magickians**. They are the highest level of the **Saturnalian Brotherhood**, simply the worship of the planet **Saturn** known as **EL** the most ancient of gods and thee god. This is why we wear earrings, wedding rings, normal rings, necklaces, watches, bracelets & Crowns etc its simply covert worship of **EL** and its outer rings known even in the ancient world.

Remember the **51st** of the United States? ISRAEL ruled by the **Council on Foreign Relations!** Remember folks that it was the **Sovereign Military of Malta** who created the CFR and it was the CFR who created the **United Nations**. Now remember who created the State of Israel in 1948 and it was the U.N. The reason for the 6 pointed star on the flag of Israel is to do with the worship of the Planet **Saturn/666**. Israel is IS=ISIS RA=AMEN RA **EL**=GOD or you could say ISIS's Rays shining upon God so to speak as RA really meant Rays of the Sun and AMEN was the sun/god (Jesus).

The Merovingian's also worship **Saturn** using this insignia. Check into the goddess **Lua** and her links to **EL**. Notice **Saturn** on the **Commemorative Coin of Pope John Paul II**. Also notice **Saturn** on the Dollar bill above the Eagle. Notice Saturn worship in the symbol of the Masons the compass and set square.

The **Jesuit Order** is based upon the Egyptian known **Seth, the Prince of Darkness**. The **Jesuits** twist everything and are the sickest cretins you can imagine. Theres two reasons they used the name Jesus in their Order. One was so that the **Vatican** would have to bow and remove their hats showing serious subordination. Two was because like I say they twist everything, remember that Seth is the killer of the Sun (Jesus) the battle of good and evil, good being the Sun (light) and evil being Darkness. So the **Jesuits** have their own little sick joke which also fools the public on their real agenda and motive. Not one of the highest level **Jesuits** gives a damn for Catholicism or any other religion other than the **Ancient Babylonian Mysteries Religion/Saturnalian Brotherhood**.

If you don't believe theres such thing as **sorcerors** and **alchemists** then how come just the 3rd degree of the Order of Illuminati is known as a **Master Witch**? How come these Witches have coven leadership and summon **DEMONS**? Oh people don't want to hear the reality which may not fit with their lilly white perfect wishes. Some of the highest in this order are known as **IPSISSIMUS** if male and **GRANDE MOTHER** if Female. Of course you have lower down the male titles of **Grande Master** and **Asmodeus** and female are **Mothers of Darkness** and **Sisters of Light**. If you wish to go this far within the **Bavarian Illuminati** then your looking at a **6th** Degree thus being known as **Prince**. This is also the level of the **Pilgrim Society** which dominates the formerly known **Round**

Tables Group of the **Sovereign City of London** managed by **Rothschild** for his **Jesuit/SMOM** masters. Within the **OTO** at this level your classed as an **Initiate of Sanctuary of Gnosis IX** and all these fit well with of course **The Red Brotherhood**.

QUOTE

"It is '**SATAN** who is the god of our planet and **the only** god'... In the order of divine evolution **SATURN (SATAN)**, astronomically, 'is the seventh and last in the order of macrocosmic emanation'" (**Blavatsky**, p. 234, quoting Dr. A. Kingsford: Perfect Way, Appendix: The Secret of Satan)

QUOTE

"One is" - Imperial Rome

1) **The Roman god Saturn**, known as **Chronos** to the Greeks, was the king of **Atlantis**.

"**SATURN** wandered to Italy, where he ruled as king in the Golden Age and gave the name **SATURNIA** to the country." (Encyclopedia Britannica, "Saturn," p. 231)

"Uranos was deposed from the throne [of Atlantis], and succeeded by his son **CHRONOS**...

"We have seen Chronos identified with the **Atlantic**, called by the **Romans** the '**CHRONIAN SEA**.' He was known to the Romans under the name , and ruled over 'a great **SATURNIAN** continent' in the Western ocean." - 635:300-301

"One is yet to come" - Papal Rome

"About the very time when the Bishop of Rome was invested with the pagan title of Pontifex, the Saviour began to be called **ICHTHUS**, of '**THE FISH**', thereby identifying him with **DAGON**." (Hislop, p. 215)

"The two-horned mitre, which the Pope wears...is the very mitre worn by **DAGON**." (Hislop, p. 215)

Georgia Guidestones: Jesuit Connection?

By "Born" Zacherle Hoag

Many people, it seems even in the truth movement, are unaware of an oddly sinister monument located in Elbert County, Georgia. This monument has become known as the "American Stonehenge", but it's official name of sorts is the Georgia Guidestones. The following are the messages which the Guidestones espouse:

1. Maintain humanity under 500,000,000 in perpetual balance with nature.

2. Guide reproduction wisely - improving fitness and diversity.
3. Unite humanity with a living new language.
4. Rule passion - faith - tradition - and all things with tempered reason.
5. Protect people and nations with fair laws and just courts.
6. Let all nations rule internally resolving external disputes in a world court.
7. Avoid petty laws and useless officials.
8. Balance personal rights with social duties.
9. Prize truth - beauty - love - seeking harmony with the infinite.
10. Be not a cancer on the earth - Leave room for nature - Leave room for nature.

While some of what the Guidestones espouse may be good there is one, the maintaining humanity under 500,000,000 people message, that has frightened many people, namely fundamentalist Christians. Some believe it was made by people looking to bring tourism to the small, unknown town which is highly possible. Others believe that it was the work of satanists, and it should be noted that occultists do seem to gravitate towards this strange monument. **Listen to this interview of one of the people who helped build the Guidestones, Hudson Cole:**

<http://realradioarchives.com/files/JB0626061.mp3>

While Hudson doesn't feel there is a conspiracy he mentions a few interesting things that go both in favor and against the idea that there is something sinister going on with the Guidestones.

If you listen to this show you will hear the name "**R.C. Christian**" mentioned. It is well known that **R.C. Christian** is a pseudonym. John Conner claims that it most likely stands for Christian Rosenkreuz, the alleged founder of the Rosicrucians. But what if, and this is just speculation it stands for something much simpler. I was talking to someone close to me, actually we were listening to an interview of Stanley Monteith where he talked about the Georgia Guidestones. We would pause to discuss at times, and while we were discussing he brought up an interesting idea- that **R.C. Christian** stands for **Roman Catholic Christian**. We had not looked into the Vatican connections to the alleged New World Order at the time, so this was a very interesting idea. Here are some pictures of the Guidestones.

If you see **RCC** or **IHS** run a mile or shoot your gun in their direction haha. Today I had a program on my TV called Blue Peter here in the U.K. On this program they were basing it around going to Holland and Holland's culture etc. They showed some very old houses and went inside one and up into the roof. There was a large *secret* church which spanned into 2 other houses behind. I almost instantly noticed to **I.H.S Jesuit** (In Hoc Signo with the missing V for Vincens) logo. Just as I told my mother it was a Jesuit church the presenter admitted it was a Catholic church but didn't specify anything any deeper.

By the way anything linked to the conspiracy will be controlled by The Jesuit Order and the Vatican via Rome/Italy the World HQ!

Also I.H.S.V is the true logo and it means **IN THIS SIGN CONQUER** and originates from Constantine. The Jesuits just use the I.H.S to cover their tracks.

Born - September 25, 2006 08:56 PM (GMT)

2Tuff, please be careful of how you state things (in regards to the run if you see 'RCC' comment). Some people will take that to mean you are anti-Catholic. The Catholics as a whole our are friends. Many Catholics who I have spoke to even admit that the Vatican

corruption is business as usual for the Papacy. Trust me when I say that many Catholics trust the Vatican less than other Christian sects.

CRAIG-OXLEY - September 25, 2006 09:50 PM (GMT)

When I say RCC I mean its hierachy such as the Pope, Red Cardinals etc. When I say I. H.S I mean the In Hoc Signo VINCES superpower the **Jesuit Order**

Alexandra - September 25, 2006 09:57 PM (GMT)

Catholics need to wake up to what the RCC is about and run far, run fast! I'm sure your average Joe Catholic has no idea what's going on. Even some ex-Catholics I've communicated with seem shocked to hear about this kind of thing!

The East India Company was one of the more notable of these elite controlled trading companies. These trading companies tie in with the occult world's leadership and the formation of drug cartels during the age of discovery. The 13 Illuminati families were participants in the narcotics cartel that was set up clear back before the United States became a nation. **The roots of the cartels**, go back to Knights Templars, **the Knights of Malta** and some of the Italian oligarchies who had been involved in narcotics trade for centuries. Was JFK's 'Secret Society' Speech One Reason Why the Vatican Orchestrated His Murder?

Kennedy spoke against any religious leader, including the Pope, from influencing his actions as President. Researchers claim this was one reason he was killed, as the Vatican-led New World Order knew he had uncovered their evil plans.

21 Sep 2006

By Greg Szymanski

<http://www.arcticbeacon.com/21-Sept-2006.html>

On Sept. 12, 1960, President John F. Kennedy spoke to The Greater Houston Ministerial Assoc., saying emphatically that no religious leader, including the Pope, had the right to control his actions and influence the foreign and domestic policies in any way, shape or form.

For his strong words and his speech denouncing secret societies and religious infiltration, some researchers of the JFK assassination claim this speech "set him up for murder by the Vatican/New World Order controllers through the Jesuit Order."

"In that speech, he outlined the exact methodology of the Jesuit Order when he spoke of the global conspiracy and its operation," said Walter Williams, an avid researcher of the Vatican conspiracy and its worldwide orchestration of wars and genocide.

Williams, who has appeared several times on Greg Szymanski's radio show, The Investigative Journal, where he has enlightened Americans about the Vatican and Jesuit connection to the New World Order and the eventual destruction from within of

America, added the "Extreme Oath of the Jesuits" administered as the 4th Vow to the evil Jesuit hierarchy clearly indicates why and how Kennedy was assassinated by the evil symbol of "The Leaden Bullet."

Here is reprint of the complete "Extreme Jesuit Oath" as published in 1883. It should be noted that nothing has changed today and according to Jesuit insiders who have flipped, including the late Fr. Alberto Rivera, the exact same evil oath is administered today.

CEREMONY OF INDUCTION AND

EXTREME OATH OF THE JESUITS

[When a Jesuit of the minor rank is to be elevated to command, he is conducted into the Chapel of the Convent of the Order, where there are only three others present, the principal or Superior standing in front of the altar. On either side stands a monk, one of whom holds a banner of yellow and white, which are the Papal colors, and the other a black banner with a dagger and red cross above a skull and crossbones, with the word INRI, and below them the words IUSTUM NECARE REGES IMPIOS. The meaning of which is: It is just to exterminate or annihilate impious or heretical Kings, Governments or Rulers. Upon the floor is a red cross upon which the postulant or candidate kneels. The Superior hands him a small black crucifix, which he takes in his left hand and presses to his heart, and the Superior at the same time presents to him a dagger, which he grasps by the blade and holds the point against his heart, the Superior still holding it by the hilt, and thus addresses the post.

SUPERIOR.

Among Roman Catholics to be a Roman Catholic, and to be a spy even among your own brethren; to believe no man, to trust no man. Among the Reformers, My son, heretofore you have been taught to act the dissembler: to be a Reformer; among the Huguenots, to be a Huguenot; among the Calvinists, to be a Calvinist; among the Protestants, generally to be a Protestant; and obtaining their confidence to seek even to preach from their pulpits, and to denounce with all the vehemence in your nature our Holy Religion and the Pope; and even to descend so low as to become a Jew among the Jews, that you might be enabled to gather together all information for the benefit of your Order as a faithful soldier of the Pope.

You have been taught to insidiously plant the seeds of jealousy and hatred between communities, provinces and states that were at peace, and incite them to deeds of blood, involving them in war with each other, and to create revolutions and civil wars in countries that were independent and prosperous, cultivating the arts and the sciences and enjoying the blessings of peace. To take sides with the combatants and to act secretly in concert with your brother Jesuit, who might be engaged on the other side,

but openly opposed to that with which you might be connected; only that the Church might be the gainer in the end, in the conditions fixed in the treaties for peace and that the end justifies the means.

You have been taught your duty as a spy, to gather all statistics, facts and information in your power from every source; to ingratiate yourself into the confidence of the family circle of Protestants and heretics of every class and character, as well as that of the merchant, the banker, the lawyer, among the schools and universities, in parliaments and legislatures, and in the judiciaries and councils of state, and to "be all things to all men," for the Pope's sake, whose servants we are unto death.

You have received all your instructions heretofore as a novice, a neophyte, and have served as a coadjutor, confessor and priest, but you have not yet been invested with all that is necessary to command in the Army of Loyola in the service of the Pope. You must serve the proper time as the instrument and executioner as directed by your superiors [such as the murder of Cornelius Jansen (1585-1638), Bishop of Ypres, Holland, and father of Jansenism who was a most determined Roman Catholic enemy of the Jesuits and died of a sudden illness - the poison cup - on the 6th of May, 1638 at the young age of fifty-three] for none can command here who has not consecrated his labors with the blood of the heretic; for "without the shedding of blood no man can be saved." Therefore, to fit yourself for your work and make your own salvation sure, you will, in addition to your former oath of obedience to your Order and allegiance to the Pope, repeat after me:

The Jesuits - 1540 Vatican Assassins 92

THE EXTREME OATH OF THE JESUITS.

I, M____ N_____, Now, in the presence of Almighty God, the Blessed Virgin Mary, the blessed Michael the Archangel, the blessed St. John the Baptist, the holy Apostles St. Peter and St. Paul and all the saints and sacred hosts of heaven, and to you, my ghostly father, the Superior General of the Society of Jesus, founded by St. Ignatius Loyola, in the Pontificate of Paul the Third [Paul III], and continued to the present, do by the womb of the Virgin, the matrix of God, and the rod of Jesus Christ, declare and swear, that his holiness the Pope is Christ's Vice-regent and is the true and only Head of the Catholic or Universal Church throughout the earth; and that by virtue of the keys of binding and loosing, given to his Holiness by my Saviour, Jesus Christ, he hath power to depose heretical kings, princes, states, commonwealths and governments, all being illegal without his sacred confirmation and that they may safely be destroyed. Therefore, to the utmost of my power, I shall and will defend this doctrine and His Holiness' right and custom against all usurpers of the heretical or Protestant authority whatever, especially the Lutheran Church of Germany, Holland, Denmark, Sweden and Norway, and the now pretended authority and churches of England and Scotland, and branches of the same now established in Ireland and on the Continent of America and

elsewhere; and all adherents in regard that they be usurped and heretical, opposing the sacred Mother Church of Rome. I do now renounce and disown any allegiance as due to any heretical king, prince or state named Protestants or Liberals or obedience to any of their laws, magistrates or officers.

I do further declare that the doctrines of the churches of England and Scotland, of the Calvinists, Huguenots and others of the name Protestants or Liberals to be damnable, and they themselves damned and to be damned who will not forsake the same.

I do further declare, that I will help, assist and advise all or any of his Holiness' agents in any place wherever I shall be, in Switzerland, Germany, Holland, Denmark, Sweden, Norway, England, Ireland, or America, or in any other kingdom or territory I shall come to, and do my uttermost to extirpate the heretical Protestants or Liberals' doctrines and to destroy all their pretended powers, regal or otherwise.

I do further promise and declare, that notwithstanding I am dispensed with, to assume any religion heretical, for the propagating of the Mother Church's interest, to keep secret and private all her agents'

The Jesuits - 1540 Chapter 1 93

counsels from time to time, as they may entrust me, and not to divulge, directly or indirectly, by word, writing or circumstance whatever; but to execute all that shall be proposed, given in charge or discovered unto me, by you, my ghostly father, or any of this sacred convent.

I do further promise and declare, that I will have no opinion or will of my own, or any mental reservation whatever, even as a corpse or cadaver, (perinde ac cadaver), but will unhesitatingly obey each and every command that I may receive from my superiors in the Militia of the Pope and of Jesus Christ.

That I will go to any part of the world whithersoever I may be sent, to the frozen regions of the North, the burning sands of the desert of Africa, or the jungles of India, to the centres of civilization of Europe, or to the wild haunts of the barbarous savages of America, without murmuring or repining, and will be submissive in all things whatsoever communicated to me.

I furthermore promise and declare that I will, when opportunity presents, make and wage relentless war, secretly or openly, against all heretics, Protestants and Liberals, as I am directed to do, to extirpate and exterminate them from the face of the whole earth; and that I will spare neither age, sex or condition; and that I will hang, burn, waste, boil, flay, strangle and bury alive these infamous heretics, rip up the stomachs and wombs of their women and crush their infants' heads against the walls, in order to annihilate forever their execrable race. That when the same cannot be done openly, I

will secretly use the poisoned cup, the strangulating cord, the steel of the poniard or the leaden bullet, regardless of the honor, rank, dignity, or authority of the person or persons, whatever may be their condition in life, either public or private, as I at any time may be directed so to do by any agent of the Pope or Superior of the Brotherhood of the Holy Faith, of the Society of Jesus.

In confirmation of which, I hereby dedicate my life, my soul and all my corporeal powers, and with this dagger which I now receive, I will subscribe my name written in my own blood, in testimony thereof; and should I prove false or weaken in my determination, may my brethren and fellow soldiers of the Militia of the Pope cut off my hands and my feet, and my throat from ear to ear, my belly opened and sulphur burned therein, with all the punishment that can be inflicted upon me on earth and my soul be tortured by demons in an eternal hell forever!

The Jesuits - 1540 Vatican Assassins 94

All of which I, M_____ N_____, do swear by the blessed Trinity and blessed Sacrament, which I am now to receive, to perform and on my part to keep inviolably; and do call all the heavenly and glorious host of heaven to witness these my real intentions to keep this my oath.

In testimony hereof I take this most holy and blessed Sacrament of the Eucharist, and witness the same further, with my name written with the point of this dagger dipped in my own blood and sealed in the face of this holy convent.

[He receives the wafer from the Superior and writes his name with the point of his dagger dipped in his own blood taken from over the heart.]

SUPERIOR.

You will now rise to your feet and I will instruct you in the Catechism necessary to make yourself known to any member of the Society of Jesus belonging to this rank.

In the first place, you, as a Brother Jesuit, will with another mutually make the ordinary sign of the cross as any ordinary Roman Catholic would; then one crosses his wrists, the palms of his hands open, the other in answer crosses his feet, one above the other; the first points with the forefinger of the right hand to the center of the palm of the left, the other with the forefinger of the left hand points to the center of the palm of the right; the first then with his right hand makes a circle around his head, touching it; the other then with the forefinger of his left hand touches the left side of his body just below his heart; the first then with his right hand draws it across the throat of the other, and the latter then with his right hand makes the motion of cutting with a dagger down the stomach and abdomen of the first. The first then says *Iustum*; and the other answers *Necare*; the first then says *Reges*. The other answers *Impios*. (The meaning of which

has already been explained.) The first will then present a small piece of paper folded in a peculiar manner, four times, which the other will cut longitudinally and on opening the name JESU will be found written upon the head and arms of a cross three times. You will then give and receive with him the following questions and answers.

The Jesuits - 1540 Chapter 1 95

Ques. From whither do you come?

Ans. From the bends of the Jordan, from Calvary, from the Holy Sepulchre, and lastly from Rome.

Ques. What do you keep and for what do you fight?

Ans. The Holy faith.

Ques. Whom do you serve?

Ans. The Holy Father at Rome, the Pope, and the Roman Catholic Church Universal throughout the world.

Ques. Who commands you?

Ans. The Successor of St. Ignatius Loyola, the founder of the Society of Jesus or the Soldiers of Jesus Christ.

Ques. Who received you?

Ans. A venerable man in white hair.

Ques. How?

Ans. With a naked dagger, I kneeling upon the cross beneath the banners of the Pope and of our sacred Order.

Ques. Did you take an oath?

Ans. I did, to destroy heretics and their governments and rulers, and to spare neither age, sex nor condition. To be as a corpse without any opinion or will of my own, but to implicitly obey my superiors in all things without hesitation or murmuring.

Ques. Will you do that?

Ans. I will.

Ques. How do you travel?

Ans. In the bark of Peter the fisherman.

Ques. Whither do you travel?

Ans. To the four quarters of the globe.

Ques. For what purpose?

Ans. To obey the orders of my General and Superiors and execute the will of the Pope and faithfully fulfill the conditions of my oath.

Ques. Go ye, then, into all the world and take possession of all lands in the name of the Pope. He who will not accept him as the Vicar of Jesus and his Vice-regent on earth, let him be accursed and exterminated. {} 17[Emphasis added]

(This same identical Oath can be found in Subterranean Rome by Carlos Didier, translated from the French and published in New York in 1843. It can also be found in the Library of Congress, Catalog Card Number, 66-43354.)

A portion of the Oath published in 1894 reads:

"I do now renounce and disown my allegiance as due to any heretical King, Prince or State, named Protestant, or liberals, or obedience to any of their laws or magistrates or officers.

I do further declare that the doctrine of the churches of England and Scotland, of the Calvinists, Huguenots and other of the name Protestant or Liberals, to be damnable, and they themselves to be damned who will not forsake the same.

I do further declare that I will help, assist and advise all or any of His Holiness' agents, in any place where I shall be, in Switzerland, Germany, Holland, Denmark, Sweden, Norway, England, Ireland or America, or in any other kingdom or territory I shall come to, and do my utmost to extirpate the heretical Protestant or liberal doctrines, and to destroy all their pretended powers, legal or otherwise." {} 18

A portion of the Oath entered into the Congressional Record as taken by the Fourth Degree of the Knights of Columbus, published in Feb. 15, 1913 reads:

" . . . That I will provide myself with arms and ammunition that I may be in readiness when the word is passed, or am commanded to defend the church either as an individual or with the militia of the Pope . . .

In testimony hereof, I take this holy Eucharist and witness the same further with my name written with the point of this dagger dipped in my own blood [Does this not sound

like the oath of the Mafia called 'Omerta?'] and sealed in the face of this holy sacrament . . .

I do further declare that I will . . . do my utmost to extirpate the heretical Protestant or Liberal doctrines and to destroy all their pretended powers, legal or otherwise . . . I do further promise and declare, that I will, when opportunity presents, make and wage relentless war, secretly or openly, against all heretics, Protestants, Liberals and Masons, as I am directed to do to extirpate and exterminate them from the face of the whole earth, and that I will spare neither age, sex, nor condition . . . And that I will hang, burn, waste, boil, flay, strangle, bury alive, these infamous heretics, open up the stomachs and wombs of their women and crush their infants' heads against the walls in order to annihilate their execrable race . . .

The Jesuits - 1540 Chapter 1 97

That when the same cannot be done openly, I will secretly use the poison cup, the strangulation cord, the steel of the poniard, or the leaden bullet, regardless of the honor, rank, dignity or authority of the person or persons whatsoever may be their condition in life, either public or private, as I at any time may be directed so to do by any agent of the Pope or superior of the brotherhood of the holy faith of the Society of Jesus [Does not this sound like the Jesuit Oath?].

Should I prove false or weaken in my determination, may my brethren and fellow militia of the Pope cut off my hands and feet, cut my throat from ear to ear, may my belly be opened and sulphur burning therein with all the punishment that can be inflicted upon me on earth and my soul shall be tormented by demons in eternal hell forever [Does not this sound like a Masonic Oath?]. That I will in voting always vote for a Knight of Columbus in preference to a Protestant, especially a Mason . . . " [The former Governor of the State of California was Gray Davis, a Fourth Degree Knight of Columbus, who is continued to further disarm the citizens of that State in preparation for the coming massive Chinese invasion of the West Coast after the Company's new "Sword of the Church" first conquers Taiwan, Japan, South Korea, the entire Pacific Rim and then Hawaii. This Chinese naval campaign will apparently be fueled by Unocal's oil from the Caspian Basin because of which the Jesuit Order's war in Afghanistan is presently being fought.]" {} 19

(Dear truth-seeker, the Jesuits not only authored the above Oath of the Knights of Columbus but also, as we shall later see, they wrote the Oaths of Scottish Rite Freemasonry over one hundred years prior to the creation of their new Order of the Knights of Columbus. In 1879 Edmond Ronayne, another Bible-believing hero, converted Romanist and Past Master of the Keystone Lodge in Chicago, gives some of the guidelines from his Masonic Handbook - Hand Book of Freemasonry -evidencing nearly identical Oaths with Freemasonry's supposed enemies and junior Jesuits, "the Knights of Columbus":

"When a brother reveals any of our great secrets; whenever, for instance, he tells anything about Boaz, or Tubalcain, or Jachin, or that awful Mah-hah-bone ('the name of the great Masonic god'), or even, whenever a minister prays in the name of Christ in any of our assemblies, you must always hold yourself in readiness, if called upon, to cut his throat from ear to ear, pull out his tongue by the roots, and bury his body at the bottom of some lake or pond. Of course, all this must be done in secret, as it was in the case of that notorious man [Captain William] Morgan [who was murdered by the Brotherhood for publishing Illustrations of Masonry,

The Jesuits - 1540 Vatican Assassins 98

otherwise known as Exposition of Freemasonry, in 1827, revealing the first three degrees of Masonry including all the signs and grips while functioning in the lodge room which is patterned after Solomon's Temple], for both law and civilization are opposed to such barbarous crimes, but then, you know you must live up to your obligation, and so long as you have sworn to do it, by being very strict and obedient in the matter, you'll be free from sin." {} 20[Emphasis added])

A portion of the Oath published in 1981 by one of our heroes Alberto Rivera, a former Professed Jesuit under this Extreme Oath reads:

CEREMONY OF INDUCTION AND

EXTREME OATH OF THE JESUITS

(Given to a Jesuit of minor rank when he is to be elevated to a position of command.)

Superior Speaks:

"My son, heretofore you have been taught to act the dissembler among the Roman Catholics to be a Roman Catholic, and to be a spy even among your own brethren: to believe no man, to trust no man. Among the reformers, to be a reformer; among the Huguenots (French Protestants) to be a Huguenot: among the Calvinists, to be a Calvinist: among the Protestants (those who protest and disagree with the Roman Catholic institution), generally to be a Protestant: and obtaining their confidence to seek even to preach from their pulpits, and to denounce with all the vehemence (violent emotion) in your nature our Holy Religion and the Pope; and even to descend so low as to become a Jew among the Jews, that you might be enabled to gather together all information for the benefit of your order as a faithful soldier of the Pope.

You have been taught to insidiously plant the seeds of jealousy and hatred between states that were at peace, and incite them to deeds of blood, involving them in war with each other, and to create revolutions and civil wars in communities, provinces and countries that were independent and prosperous, cultivating the arts and the sciences

and enjoying the blessings of peace;

The Jesuits - 1540 Chapter 1 99

To take sides with the combatants and to act secretly in concert with your brother Jesuit who might be engaged on the other side, but openly opposed to that with which you might be connected;

Only that the church might be the gainer in the end in the conditions fixed in the treaties for peace, and that the ends justify the means.

You have been taught your duty as a spy, to gather all statistics, facts and information in your power from every source: to ingratiate yourself into the confidence of the family circle of Protestants and heretics of every class and character, as well as that of the merchant, the banker, the lawyer, among the schools and universities, in parliaments and legislatures, and in the judiciaries and councils of State, and to "be all things to all men," for the Pope's sake, whose servants we are unto death.

You have received all your instructions heretofore as a novice (one who has no training), a neophyte (a newly ordained priest), and have served as a coadjutor (worked as a helper), confessor and priest, but you have not yet been invested with all that is necessary to command in the army of Loyola and in the service of the Pope.

You must serve the proper time as the instrument and executioner as directed by your superiors; for none can command here who has not consecrated (made secret or holy) his labors with the blood of the heretic; for 'without the shedding of blood no man can be saved.'

Therefore, to fit yourself for your work and make your own salvation sure, you will in addition to your former Oath of obedience to your order and allegiance to the Pope, repeat after me:

'I _____, now, in the presence of Almighty God, the blessed Virgin Mary, the blessed Michael the Archangel, the blessed St. John the Baptist, the Holy Apostles, St. Peter and St. Paul and all the saints and sacred hosts of heaven . . .

[JFK SECRET SOCIETY SPEECH \(MP3\)](#)

Minuteman Matt - September 24, 2006 12:17 AM (GMT)

10 days after he gave that speech he was assassinated. What a coincidence!

CRAIG-OXLEY - September 24, 2006 08:31 PM (GMT)

Archbishop of New York Cardinal Spellmen hated the traitor to the Roman Catholics known as J.F.K. JFK was close to getting in the way of the Federal Reserve, The Golden Triangle Heroin dope trade(stopping of the Vietnam war), Removal of the Jesuits CIA and of course many other areas such as his anger at Israel and its nuclear program etc etc. Spellmen and his Maltese crew utilised the British hit squad known as Permindex for the assassination. Remember a country of origin will rarely use their own intelligence agencies for a hit on someone of high importance. Its like the Diana case I do not believe SIS did the actual hit although some planning of course same as the CIA with JFK. Its more likely French Intelligence or possibly the English secret society known as The Committee of 26 from Knights Templar Bristol, maybe even the Order of the Garter who protect the British Empire (yes its still alive and kicking for Rome). It was the Sovereign Military of Malta who got rid of JFK for the Jesuit masters. Theres some clues within the JFK movie by Oliver Stone? Notice the Mozart music loved by the Order.

TruthSeeker24 - September 25, 2006 04:40 PM (GMT)

<http://www.archive.org/details/jfks19600912>

is the link having his September 1960 speech. Many Catholics consider him a traitor, but it is legitimate for him to outline that religious freedom ought to reign regardless of religious affiliation. JFK by his words eloquently defined his ideals. I wished more of our leaders expressed the same determined intellect as JFK presented.

Of course all people want to bring up about JFK was his womanizing...we can't let that detract from what he did as president.

Title: Coptic Pope Says Roman Pope Comments On Islam Are

Description: *"Against The Teachings Of Christ"*

ArchAngel - September 23, 2006 10:17 PM (GMT)

A Christian leader - the head of Egypt's Coptic Orthodox Church - said Benedict's comments on Islam went "against the teachings of Christ."

Coptic Pope Shenouda III told Egypt's pro-government Al-Ahram newspaper that he didn't hear the pope's exact words but that "any remarks which offend Islam and Muslims are against the teachings of Christ."

"Christianity and Christ's teachings instruct us not to hurt others, either in their convictions or their ideas, or any of their symbols - religious symbols," Shenouda was quoted Saturday as saying.

http://breitbart.com/news/na/cp_w091608A.xml.html

Do the Jesuits have any influence in the Coptic Church?

Alexandra - September 23, 2006 10:39 PM (GMT)

I do know that they were once one church and they split about 1000 years ago if I remember right. The western church became the Catholic church and the eastern church (out of Constantinople) became the Orthodox--which I think includes Greek/Russian Orthodox and Coptic.

They have a lot of the same rituals...the mass, patriarch (pope), priests, monks, nuns, idols, everything.

*The Pope and his Superior, the **Superior General of the Jesuit Order** have always been behind it all. Ayatollah Ali Khamenei is well aware of Rome's power within the world. Roman Catholic and **SMOM Knight King Juan Carlos of Spain** rules the Middle East for Rome under his medieval title of **'Protector of the Holy places of Jerusalem.'** Remember Juan being a SMOM means hes a Knights Templar as the SMOM and **Scottish Rite** are the Knights Templars of old. The SMOM dominate Middle Eastern finance via their financial powerhouse in Dubai just the same as they dominate the world via the City, New York and of course HQ in Switzerland! -2tuff*

Pope has joined US crusade, says Iran

- **Response marks setback to 25 years of diplomacy**
- **Morocco denies killing of Italian is linked to row**

John Hooper in Rome

Tuesday September 19, 2006

The Guardian

<http://www.guardian.co.uk/frontpage/story/0,,1875811,00.html>

Ayatollah Ali Khamenei yesterday accused the Pope of committing the world's biggest Christian church to what he claimed was a "crusade" launched by President Bush against Islam.

The Iranian leader's words represented a setback to more than 25 years of Vatican diplomacy aimed at distancing Roman Catholicism from the west many Muslims regard as hostile and decadent. In his first comment on remarks on Islam made by Pope Benedict last week, the Ayatollah said they formed "the latest link in the chain of a

crusade against Islam started by America's Bush".

The Iranian leader's remarks increased concern for the safety of Roman Catholics in the Middle East. As even moderate Muslims deplored the Pope's comments, tensions remained high across the Islamic world.

In Morocco police sources denied that the death of an Italian EU official and his Belgian wife, found stabbed to death at their villa in Rabat, was religiously motivated. The sources were quoted as saying the two Europeans were killed during a burglary. Break-ins at the villas of foreigners in the Moroccan capital have increased recently, an Italian news agency report said. But this was the first time such a robbery had ended in death.

The Mujahedeen Shura Council, an umbrella organisation of Sunni Arab extremist groups that includes al-Qaida in Iraq, issued a statement on a web forum saying the pontiff and the west were "doomed". The message, the authenticity of which could not be immediately verified, said: "We shall continue our holy war and never stop until God enables us to chop your necks and raise the fluttering banner of monotheism when God's rule is established governing all people and nations."

The Vatican launched a damage limitation exercise. Cardinal Tarcisio Bertone, its secretary of state, sought to quell protests with a statement on Saturday. He told the Italian daily *Corriere della Sera*: "We have instructed the nuncios [papal ambassadors] in Muslim countries to take my statement to the political and religious authorities and explain it to them."

He said they had also been encouraged to make available the full text of the lecture by the Pope that prompted the row. Addressing a university audience, he quoted a 14th-century Byzantine emperor who said Muhammad's contribution had been "evil and inhuman". Cardinal Bertone said the nuncios were under orders to point out "aspects that have so far been ignored, for example where the Holy Father describes the emperor's reference to Muhammad "as shockingly brusque". All the signs, however, were that they would run into a wall of scepticism.

The King of Morocco, Mohammed VI - scarcely an ally of fundamentalism - was reported to have chided the Pope in a letter he sent on Saturday. It invited the pontiff to respect "Islam in the same way as he respects other religions".

A representative of Jordan's signally moderate government said the Pope's expression of regret on Sunday was "a step forward", but "not sufficient". And in Egypt the veteran author Gamal al-Banna, who has received death threats for airing progressive views, said Benedict had "carried out a pre-meditated act. He detests Islam and has not made any apology." Almost the only glimmer of light came from Somalia, where an Islamist group accused of links to al-Qaida vowed to punish those responsible for the murder on Sunday of an Italian nun.

Vatican-watchers expressed pessimism about the consequences of the affair. Marco Politi, of the daily La Repubblica, said the policy towards the Islamic world would need to be "rebuilt from scratch".

Benedict's predecessor, John Paul II, responded to the 1979 Iranian revolution and the rise of fundamentalism by trying to keep open channels to the Islamic world. His opposition to the US-led invasion of Iraq also helped to convince many Muslims that the west's biggest church was not to be confused with the policies of its most powerful nation.

I thought SMOM's HQ was on the Island of Malta off the coast of Italy. Also I thought the Sionist HQ was in Switzerland. :unsure:

CRAIG-OXLEY - September 22, 2006 12:30 PM (GMT)

The SMOM are based in Rome my friend and the headquarters for Banking is Switzerland and as you know the SMOM dominate Banking/Finance, they are the continuation and first division of the Knights Templar whilst the second is the Jesuit created Scottish Rite of Freemasonry.

Minuteman Matt - September 22, 2006 10:09 PM (GMT)

Hmmm so thats why all these corrupt leaders get a "swiss bank account" cause the Jesuits will give criminals a safe haven. I bet Bush or Rudy Gulliani put that gold they stole from the basement of the WTC in that account. Soppoosly there was about 20 tons of foreign gold stored in the WTC basement. Over half of this gold dissaperd..... And Larry Greedytien made about 7 billion dollars off a 15 million contract on the WTC complex I bet he also put that money in a special account. 7 Billion is alot more then 15 million.

CRAIG-OXLEY - September 22, 2006 10:58 PM (GMT)

This is the reason why the Pope has a Swiss guard as its just symbolic thats all seeing as his SMOM control all Finance and Banking via Switzerland using International Maritime Admilitary Law. When in times of trouble the Swiss guard are removed and the SMOM are put in their place. Do not believe that Switzerland rules the world and has the core of Illuminati present, thats just disinformation to grab the idiot.

Description: *INFORMATION IS POWER*

Luther77 - September 22, 2006 03:32 PM (GMT)

I have been noticing a pattern of HUGE tele-communications companies being started and/or run by Jesuit-trained people.....while this doesn't "prove" anything, it says allot .

The Co-Founder , former CEO, and first Chairman of AOL was Jesuit-trained at Georegtown University

http://en.wikipedia.org/wiki/Jim_Kimsey

The current Vice Chairman of AOL is Jesuit-trained at Georgetown University

http://en.wikipedia.org/wiki/Ted_Leonsis

The co-founder and CEO of Weblogs, Inc. which he sold to AOL.He was trained at Fordham University

http://en.wikipedia.org/wiki/Jason_Calacanis

Former FCC Chairman,Michael Powell ,trained at Georgetown University

http://en.wikipedia.org/wiki/Michael_Powell_%28politician%29

<http://en.wikipedia.org/wiki/AOL>

Anyone that pays attention already knows that AOL uses Illuminati symbolism in the logo (the pyramid and all-seeing eye). Then ,pronouncing AOL as a word , not as seperate letters, it sounds allot like owl (the owl is an all-seeing and WISE bird)... The Illuminati use that symbol. Just look on the front of the US one dollar-bill.Just look at the US Capitol building from above.

Then you see that AOL is headquartered in Dulles, Virginia. This town is named after the brother of former CIA chief Allen Dulles (Kennedy-Assassination co-conspirator and Vatican tool).The man that the town is named after is one, John Foster Dulles, former Secretary Of State under Eisenhower.His son is (Jesuit)Cardinal Avery Robert Dulles (a Vatican tool) who still teaches at FORDHAM UNIVERSITY.

The CEO of Intel is Jesuit-trained at the University of San Francisco.

http://en.wikipedia.org/wiki/Paul_Otellini

This man is also a director at GOOGLE.

Oh, just one more coincidence!

McAfee (the "firewall" company, "protecting" your info) is headquartered in Santa Clara, California. A Jesuit stonghold on the west coast (Jesuit-run Santa Clara University)I can't find it right now, but I'm pretty sure that the CEO or president of McAfee is Jesuit-trained too.

<http://en.wikipedia.org/wiki/McAfee>

What's my point?

These guys create and run the computer/software/telecommunications companies that we all use.They are all Jesuit-trained.

Just a coincidence.

Intresting find and frightening as well... Now there is a known medical mafia agent trying to pollute the food supply I feel real safe now :rolleyes:

CRAIG-OXLEY - September 17, 2006 12:26 PM (GMT)

The Food and Drug Agency is a complete farce, it tests nothing itself and leaves it to the very companies who make the damn products, how bias and fraudulent is that. The FDA is part of the Cup of Borgia to all the population wether it be the Jesuit created Vaccines thanks to Francis Xavier and Edward Jenner or simply Aspartame and other population control muck in the Black Pope's super"death"markets. Everything is controlled by Jesuits and that pesky Sovereign Military of Malta. For example Domino's Pizza was created by a SMOM Knight. Just look at what they get up to with their pizzas using plasticity type chemicals and all sorts within them. Not so long back people were finding out about one dodgy method. So folks go and study up on the *Club of Rome* and their *Global 2000 report*, also study up on the U.N's *Agenda 21* for a serious look into Population control etc.

Now the World Health Organisation has decided to spread mass POLIO once again around the planet. They're about to do this by allowing the deadly D.D.T back on the scene claiming its fine and all the other nonsense. Polio is and was not caused by a damn virus, just the same as a phony virus doesn't cause AIDS. Polio is caused through DDT and everything timed just nicey with the phony Vaccines as they were tapering DDT use down and of course especially when it was banned. What got the credit for it all? Rockefella's Medical Cartels/Vaccines and the pathetic fraudulent story continued about viruses and vaccines. Once again the ELite covered their chemical crimes up with a phony virus and vaccine. This is what their trying to do with all the other chemical poisons their spreading and blaming it on anything other than what it really is. This is why I predict once the Polio increases again that the ELite will once again claim its a virus but this time is a stronger virus hard to sort out, just as they've done with TB etc really. Then eventually another Vaccine will come forth and you'll probably find a new pesticide being used by then when the numbers have been reached as desired. Then DDT will no longer be used once again and the same old story once again....

The Movie "Elizabeth" w/ Cate Blanchett

Has anyone seen this movie? It's actually very good and suprisingly accurate. It shows the power of the Vatican at the time of Queen (bloody) Mary's Reign and shows the Jesuits as assassins. It starts off with the burning of Protestant 'heretics' at the stake which really happened at that time.

I recommend the movie. I don't watch many movies but this one is good. Be careful if you watch it around children (i recommend that you don't) there are some "R" rated scenes in it.

Election of the new Superior General of the Jesuits for 2008, names unveiled of frontrunners for the succession

Rome, Feb. 06, 2006 (CNA) - The General Assembly of Jesuits will meet with Pope Benedict XVI at the Vatican on April 22. In the letter convening the 35th General Congregation for the year 2008, the Superior General Fr. Hans Kolvenbach announced his wish to retire. A new Superior General will therefore be elected in January 2008.

A high ranked Jesuit spoke to CNA on condition of anonymity, and gave us the names and profiles of possible frontrunners for the election of the successor of Peter Hans Kolvenbach.

P. Franco Imoda, S.J., former Rector of the Gregorian University. He is an Italian psychiatrist. He is well known in the Vatican, and would represent the Italian Jesuits and the educational sector of the Company.

Fr. José Morales Orozco, S.J, current rector at the Iberoamerican university of Mexico. Former provincial of Mexico, and advisor to Kolvenbach for formation. He knows well the Company worldwide and is well appreciated internationally. He would represent Latin-America as well the Faith and Justice and educational sectors of the Company.

Fr. Elias Royon Lara, S.J, current provincial for Spain for the second time. He was also master of novices, rector in Philosophy and provincial of Toledo, vice-rector of the University of Comillas in Spain, advisor to Fr. Kolvenbach for Italy, Spain and Portugal and co-president of the Conference of Religious people in Spain. Well known and respected by the Spanish bishops and the Vatican. He is older than the others, but it might work in his favor if the election is controversial and a compromise candidate is

sought.

Fr. Mark Raper, S.J, current provincial of Australia. Former director of the Jesuit Refugee Service. He knows Rome and is well known there. He would represent the movement of Faith and Justice in the Company.

Title: Strong words from Texe Marris to Eric

Description: *This was from February 2006*

TruthSeeker24 - August 24, 2006 02:07 PM (GMT)

Note by Me: This is funny, because Eric didn't call Texe or Alex jesuits, but coadjtors.

By TruthSeeker24 (Timothy)

From <http://www.peeringintodarkness.com/forum/i...hp?topic=2145.0>

I just received an email from the Tex Marris newsletter site. It looks like there's a bit of controversy between these three. Take a look at the email. What do you think?

Hi Texe!

Two items of interest here. First, I felt very strongly led of the Lord to purchase you a RARE edition of the 1924 Manly P. Hall book, "The Occult Anatomy of Man To Which is Added Occult Freemasonry." He would have been 23 when he channeled it (There's no way a human that age could have written this). I found it at a rare bookstore here in Edmonton and it is my gift to you. It's in the mail today.

The second issue is one we have to get closure on. Eric Phelps says he can prove Alex Jones is a Jesuit. It's under "Vatican Assassins: The New World Jesuit Order," at www.fossilizedcustoms.com/agenda.html where Phelps emphasizes, "Alex Jones, unfortunately a Jesuit Temporal Coadjutor, made a secret video - not so secret, as he was on the grounds ONLY with the Order's permission - of the Bohemian Grove meetings..."

So, Texe, help. One of two things is true here: Jones is not a Jesuit and he's innocent

and Phelps needs to be exposed. Or, Jones is a Jesuit, and had you marry him to get in your inner circle for credibility to his cause. It could be the latter, as when Jones was asked what John 3:16 was, he stumbled over it for 2 minutes and still couldn't answer it. The main thing is that inner circles up here are believing Phelps and, if Phelps isn't telling the truth, people really do need to know.

Tex, Have A Great Day, We Love You In Jesus, Enjoy The Book!
Steve Volk

Dear Oliver,

I'd love to have the Manly P. Hall book and am delighted you thought of me!

Alex Jones a Jesuit? Baloney! If Eric Phelps says that Alex Jones is a "Jesuit Temporal Coadjutator," he's a nut, or worse. Maybe Phelps is a Jesuit agitator and provocateur!

Alex Jones is a believer in Christ. I've met his dad and mom and they, too, are good bible-believing people.

We offered Phelps book on the Jesuits while it was still in print as a service to people, even though a lot of its claims were dubious and exaggerated. We do need an updated, thoroughly documented book exposing the Jesuits and their evil, but Phelps' book is not it. Now, if it's true, that he's falsely labeling Alex and other good people as Jesuits, we won't be offering anything of his again.

As for Alex Jones hesitating when asked on air about John 3:16, remember, Alex's program, unlike mine, is not a religious format. He's a Christian who hosts a radio program centering on exposing political corruption and the police state. Nothing wrong with that. There's a time and place for everything. (For example, an auto mechanic may be a Christian, but his earthly job at work is to fix cars, not explain John 3:16!)

Probably, because of this e-mail, Phelps will next go after me as a Jesuit. Satan, as you know, is said in the scriptures, to be the "accuser of the brethren." In doing so, we see on which side Phelps falls.

All God's Best,
Texe Marrs

Alexandra - August 24, 2006 02:23 PM (GMT)

Oh yeah, Mr. Blame-it-All-On-the-Jews himself.

What's wrong with an auto mechanic explaining John 3:16 while on the job? Especially if a co-worker or customer may be interested?

Isn't Alex Jones a Catholic?

TruthSeeker24 - August 24, 2006 02:40 PM (GMT)

I see no problem with sharing your religious faith in an auto mechanic shop. I'm reminded of a verse saying if you deny me before men, I deny you before my Father. Places isn't the reason to not share your belief system. It's in the First Amendment to believe in what you want and have free speech. Me an little brother laugh at how he talks about Jews ruling the world. Texe marrs is right on many things, but it's bigger than just the Jewish people.

By TruthSeeker24 (Timothy)

JagDRS - August 24, 2006 05:49 PM (GMT)

I'm not totally uninitiated; i've seen his name often, especially but not limited to right here at Unhived, I've read just a little about him, but otherwise have not yet found any reason to really delve into who/what he is supposed to be about and therefore consider myself generally as a Tex-mars uninitiated. From this perspective, I have a question: what did he do and or what does he do and or what is/was his legacy or fame and or from where comes the implied reputation that he is somebody genuinely worth listening to?

FWIW, I tried to glean answers from his response to Oliver as an example but that did nothing except re-inforce the notion that I'm not missing out on much by remaining un-initiated, and it also left me stuck between wanting to know "is that the best he can offer?" in a "hey!, where's the beef?" kinda way, and trying to rationalize how a seemingly mature aged person can exhibit such a great propensity for speaking in terms of substance-less, school-kid mentality and logic.

TruthSeeker24 - August 24, 2006 05:59 PM (GMT)

His reputation existed from the numerous conspiracy related books he has written. Also, it comes from him exposing the new world order in a hard way. He's known additonally in talking about NASA and Space years ago in a video. Recently since 2003, he took a turn of blaming the Jews for the world's ills primarily. He's has a Pentecostal mixed with a Baptist theology. His most famous book is called Codex Magica where he talks about Freemasonry and secret societies. Its hundreds of pages. I really don't get involved with these controversies that much. In the future, I won't

mention this stuff a lot, because it's getting quite redundant. You are right on this, JagDRS, that we will have to move on into more important issues.

By TruthSeeker24 (Timothy)

CRAIG-OXLEY - August 24, 2006 07:38 PM (GMT)

Well it shows either how ignorant Texe Marrs and this Steve Volk are or how much Texe Marrs is a Temporal Coadjutor, personally I go for both.

It really does annoy me when people claim things which haven't been said and of course twist wordings to suit themselves. Texe Marrs knows what a Temporal Coadjutor means and it certainly doesn't mean your a Jesuit. When we call people Temporal Coadjutor's it means their simply working to aid the Temporal Power thus being the Infallible Pope and WORLD GOVERNMENT! So if you promote the agenda of the Jesuits and their ELite then this is what you are knowing or unknowingly. Unfortunately people like Texe Marrs are knowingly Temporal Coadjutors and I haven't enjoyed anything Texe Marrs has done including his videos. Now I can't say this about Eric Phelps, Jordan Maxwell or Michael Tsarion of which I've enjoyed and respected. If you want to understand occult within the NASA space programs look to both Jordan Maxwell & Richard Hoagland and their information will exceed Texe Marrs rehash, very similar to Icke rehashing other peoples work. Texe Marrs even if he isn't a knowing Temporal Coadjutor certainly is a Temporal Coadjutor for his stance on the Jews. Hes either devious or stupid enough to fall for the beat-up-on-jews nonsense. Remember folks the Jesuit Order, Vatican, SMOM & Opus Dei wish the jews to take the blame and their simply the Jesuits front men. Texe Marrs has been fingered as a Temporal Coadjutor for some time now.

Vatican Assassins is one of the most harmful books of modern times to the Order and the World Government. Yes theres a couple of mistakes in the first edition which are corrected in the latest 3rd edition. Because Vatican Assassins is so damaging to the Order, SMOM and Vatican these Temporals like to highlight the odd mistake. You tell me many big conspiracy books with no mistakes? Also remember that hardly anyone is clued up on history let alone the true history which has been suppressed from us all. Eric Jon Phelps is "Mr History" and because of this hes feared like all people of great knowledge others don't know or once thought they did. Phelps, a handful of others and myself have helped push forward the Jesuit Order's sheer power and finally its making its mark. Many authors either not in the true know or scared to talk about them have now come out and starting speaking a little on the issue.

What annoys me is how people have been killed for the information they've tried to expose on Jesuits and Vatican. You then have people and agents bad mouthing their good work and name to discredit them either because their the Order and agents trying

to protect their veils or simply because their ill-educated and wish to continue in their new indoctrination thanks to agents like Alex Jones, Texe Marris, Stanley Monteith and so forth. Some people also just cannot see a wider scope of the conspiracy.

Alexandra - August 24, 2006 07:57 PM (GMT)

Timothy, have you read Marris' "translation" of the Book of Esther? I sat down and read Esther several times and could not figure out where he got his exegesis. He claims there's some hidden prophecy or something in Esther.

TruthSeeker24 - August 31, 2006 12:35 PM (GMT)

Alexandra, I've read Esther much, but I hear from others that Esther wasn't an evil whore. If you think Esther was extreme, you haven't seen anything yet. Texe marris' new article (called Babylon 21) is probably one of his most anti-Jewish works I've have ever seen. It claims that Israel is Mystery Babylon when it's a fact that the Vatican slaughtered millions of the saints through the centuries, not Israel. Also, he claims that Ishmael isn't the wild man when God in Genesis perfect called him a wild man. Yet, God promised Ishmael 12 nations and in Isaiah Ishmael's seed (or the Arabic people whom Muhammad claimed he was from the Kedar, one of the 12 sons of Ishmael) will be blessed and recieved blessings from God. Joktan is also an ancestor of modern Arabic people as well. Texe Marris convey a hatred of Jewish people with little inspiration for Jewish people to be saved. Both Jew and Gentile have wicked people and Israel is not more wicked than America or Europe. Jesus is a Jew and salvation is of the Jews. I wonder if Texe believes that?

Alex Jones suppresses an awful lot of knowledge and truth, especially The Vatican and its hierachy the JESUIT ORDER.

JagDRS - September 12, 2006 12:39 AM (GMT)

Sometimes I get the sense that many of the alternative news/views sites are prone to leading us around in dizzying mazes and convoluted circles. In a way, I guess this is to be somewhat expected and comes with the terrirtory of our general mission and dilemma of, #1, avoiding & shunning mainstream media as the two-bit propagandizing liars and whores that they are, and as a result, #2, being somewhat resigned to searching for truthful news from other places beyond mainstream..... I guess nobody ever said that the journey to seek and find truth would be an eay one. Anyway, the mention of Hartwell tickled some relatively distant memories. At the same time, the mention of Webb triggered some pretty fresh and recent memories. Whether or not the murky circle that results means anything? I leave that up to you good folks.

It stuck in my mind that the name Hartwell somehow relates to Ted Gunderson; talk

about a murky subject. Even though I don't really dwell and wallow in the Gunderson story, I am a bit familiar with it, so I checked the one site that I know stocks info on this story, Ken Adachi's site. Here is an overall view, the 10,000 feet up big view, so to speak.

<http://educate-yourself.org/tg/>

With the above page open (assuming you are using Windows/IE), just click on the **Edit** menu at the top, then click on **Find**, and in the little box that pops up and begins with **Find What**, type in **Hartwell**, then click Find Next, to quickly get to the first hit in this story that connects Hartwell (and subsequently Webb, Flocco and many others) to Gunderson... in a Lets Get Ted kind of way.

I check in at Ken's site frequently looking for updated news, almost as frequently as I check in here. Yesterday there appeared this story that alleges Web as a whacked out Mind Controlled agent of sorts, and does not have much flattering to say about Flocco either. Upon reading browsing the previous and lengthy Gunderson Files article, there is also an allegation that Webb is a card carrying member of the Cuckoo's Nest. His audio cameos at the Cloak seem to lend credence to Stu being more than a few bricks shy of a full load .

<http://educate-yourself.org/lte/floccowebb...ed06sep06.shtml>

What does any of this mean, if anything? After being led in circles for a while, I sit down and in earnest begin to wonder what, if anything does any of this alterna news mean?

An interesting aspect of Ken's site is, it is so broad and deep of a category of alternative views and news, many articles which he admits are from opposite positions of a given issue; Croft v Rense is a good example but not the only one. I like the idea that Ken regularly puts out there "read and decide for yourself". I'd probably feel a little better about his site if he kicked habits like Rense, ZSL, and P Redoux. About the best I can say from having frequented many such sites the past 2 year is that collectively, they all do a pretty good job of stretching my capacity for what I can or cannot, at least not yet, conceive and or believe. At the end of my day, about the best I can say with respect to most of any of these alterna sites we frequent (reserving a few exceptions, of course) is that in many cases, I've learned enough to confidently say that I am not in a good enough informed position to either confirm or deny a given story/situation, and that the more I learn, the more I truly realize how little I really do not know :blink:

MoroccoMole - September 12, 2006 03:21 AM (GMT)

I know what you mean about Webbs style, it can seem at times a little extreme and without constraint however the work Webb has done on the Bush crime family network

is undoubtedly credible, his many radio broadcasts with Tom Heneghan are highly informative and Patriotic intuitively i trust both.

As is publicised on Webbs site he is an ex son in law of Ted Gunderson and knows first hand what this guy is capable of, however i have read lengthy pieces about Stew Webbs harrasment of said officials, he has filed hundreds of cases against gunderson and co.

I just finished reading James Casbolts latest article on Drug trafficking, Underground bases and ET's and this paragraph caught my attention:

QUOTE

There is currently an internal war raging in the global intelligence community regarding the alien agenda. This is between negative and positive factions. From my understanding one of the main negative factions is a group centred around MI6 and the CIA called 'Aquarius'. This group is covering up the truth, blatantly lying and discrediting or murdering anyone who gets too close to exposing what is going on. There is also a positive group centred around naval intelligence called 'Comm 12' which is leaking accurate information regarding the alien agenda into the public arena.

I know Stew Webb has recently covered a story about a shoot out on capitol hill involving elements of British, French and US intelligence services, and often we can hear on Cloak and Dagger of the French American Alliance, these good guys of the intelligence services taking it to Bushfraud and "Dunblaine Peadophile" Tony BLIAR, could these guys be "comm 12", the description in casbolts article would point to me that the Webb/Heneghan/Bloom/Flocco intelligence community and their contacts within the Intelligence Services are a part of Comm 12, working against the Bush Cabul controlled CIA FBI or "Aquarius"?.

Also what Casbolt is saying checks with an mp3 interview on Rense with an agent who worked deeply within intelligence agencies and had contact with said extra terrestrial groups, the name of the guy escapes me now but it was about stargates and secret meetings with ET's conducted by the US government and shadow government.

Regards

CRAIG-OXLEY - September 12, 2006 02:14 PM (GMT)

I believe much of Webb's work and I find it suspicious that people like Alex Jones, Rense etc keep their work quiet. Just look at how all the large bandwidth sites kept quiet on the information Captain Eric May was putting out about the nuke strike in Houston. Now remember that eye witnesses locally were noticing plenty of things happening and it was obvious in the end that the abort code had gone out. Jones etc will never report on events like this and about Vatican/Jesuit/SMOM business just the

same as John Birch Society will tell you much about the U.N and CFR but not of their SMOM creator and controller. Webb has made a few mistakes and the biggest one was when he claimed Kolvenbach was dead which is totally untrue as we all well know.

JagDRS - September 12, 2006 03:12 PM (GMT)

QUOTE

I know Stew Webb has recentley covered a story about a shoot out on capitol hill involving elements of British, French and US intelligence services.....

I think this was the late spring story that first broke, of all places, on mainstream media as "shots fired in a capitol parking garage!!....run for your lives dear terrorized citizens, SHOTS FIRED!!!!!" and which they then evolved over the subsequent few days into the "oops, silly us, it wasn't gun fire, it was just some harmless construction noise..... i guess all this terrorism hype of ours has us just as edgy as you regular viewer patsies out there in tv land :wub:fear not our terrorized tv viewers, you can all return to your normal activities now" story.

Agreed, just because Webb, or anyone else, comes off as a loon that's obviously wound a bit too tight is no reason to discredit all what they purport. Even those sites/sources for which there is pretty solid evidence that they are fronts/agents/provacateurs are said to be good for somewhere around 80/20 or 90/10 truth-to-lies ratio, which leaves us all back to the dilemma of learning & knowing how to discern the 80 from the 20.....which at times is about as fruitful as trying to pick an ounce of flea shit out of 100 gallons of ketchup..... a messy proposition, but this also is good study and practice for developing discernment. There is also the rule of thumb that information sources are generally prominent by the stories they don't tell as much as the ones they do tell. The MSM patented this characteristic and is generally known to use it in a roughly 50-50 ratio, but there are others (Jones) out there quite prominent (Rense) by the stories they are known not to tell, ever. This is something that makes Phelps angle difficult to ignore - it reveals as accomplices pretty much every other gangster/bankster/politician/villain that anybody and everybody else in the whole bleepin conspiracy world has ever fingered. Correct me if I'm wrong, but it seems that ETs are just about the only villain absent from Phelps' Jesuit Order formula. And finally, when all else fails, there is intuition to help guide one as to how a story feels, at least,there is for those who know how to recognize and avail themselves to such in-born capability.

I believe x-amount of Webb but not everything my friend and the same goes for Tom Heneghan and Tom Flocco. We take what truths can be found as agents and sneaks certainly through around a lot of truth in order to grab us in. So yes we can get a lot from these people when we know what we're looking for. I personally prefer Tom Heneghan to all of them.

Well, you can make your own decisions. I'm sure Webb has given out his share of good information, but my heart tells me not to trust them.

CRAIG-OXLEY - September 20, 2006 01:39 PM (GMT)

I wrote back to this last nite but unfortunately for some reason it never made it online hmm.

Anyhow I listen to all who come along and take what I believe is truth from their information. Even Temporal Coadjutors/agents have many truths infact they utilise between 80-90% in order to use the hardcore 10% diversion/lie tatic. So yes we can get good information from these people at times. Quite frankly what Stew Webb said about Peter Hans Kolvenbach being dead was absolutely pathetic especially when we see of him at Jesuit conferences etc haha. Anyhow I much prefer Tom Heneghan.

JagDRS - September 20, 2006 04:43 PM (GMT)

Back before the (supposed) operation-shutdown went into effect on the Fitzgerald/Plame grand jury, Webb was an occasional guest along side (at least in terms of the audio he was along side) with Heneghan. For me I specficially recall the bizarre outbursts Webb was given to during the recording of a couple of those many Cloak-audio-mp3 files. What does this mean? I dunno, it may mean anything between nothing.... and something. At that time , especially this time last summer when the news from the Cloak was coming fast and furiously as it pertained to what they portrayed as inside info on the grand jury proceedings and findings, I got the impression that Webb

was.....loosley, a buddy.... colleague.....associate, of sorts, with Lenny and Tom. Funny thing about impressions.... they can be both given (by one person) and taken (by another person), either independently one from the other, or mutually. Sometimes they can be taken by one person even when they were not really given/made by the first person. Just trying to say, the impression taken by one person of another person is not always true impression identical to what was made/given by the other person..... all the more reason for people to reguarly revisit and revise their impressions as needs be. Now that it's nearly a full 12 months later, I'm left with two thoughts: #1, yes, like 2Tuff remarked, it most likely is quite difficult and possibly impossible to take down the THE cabal.....the ultimate conspirators; #2, I'd allowed myself to get really drawn and sucked into the glimmer of hopes promised....the ones that seemed to be always one more day away before the whole house of cards came gloriously tumbling down in the way the high-drama unfolded with those "secret" revelations of the Fitzgerald case.

I do not recall having seen/heard any more Webb-via-Cloak audio sessions since the shutdown occured. Then again, I do not have membership to the Cloak, so I'm not in the best position to say for sure, but I can say pretty sure that as far as what the Cloak make freely available to non-members, the Cloak has geneally not been hosting Webb since the shutdown. This could mean anything, like, maybe since the shutdown, it finally dawned on Lenny that it was no longer worth being associated with Webb despite whatever occasional and genuine nuggest he may have been mining him for?..... or perhaps Webb was a key component/source of secret info the Cloak assembled on the Fitzgerald/Plame drama? Again, this may mean anything, just voicing my observations.... and trying to keep my impressions updated as needs be.

Portugal Newspaper Shows Pope John XXIII Was a Practicing Freemason

Other allegations surface showing John XXIII was closely associated with Communists and Freemasons, as he and his followers illegally usurped the papacy from the lawfully elected and true Pontiff, Pope Gregory XVII.

19 Sep 2006

By Greg Szymanski

<http://www.arcticbeacon.com/19-Sept-2006.html>

After the Vatican Bank scandal erupted in the early 1980's, French and Italian news publications listed the names of more than 150 high ranking bishops, archbishops and cardinals who were active members of Freemasonry, including the P2 Masonic Lodge and other dark and sinister secret societies.

The startling information never was publicized in the United States, but the implications should have been devastating to practicing Catholics worldwide since affiliation with Freemasonry is against Canon Law and grounds for immediate expulsion from the Roman Catholic Church.

As damning as the Masonic connections should have been to the Vatican, nothing happened as the allegations were quickly swept under the rug while those high level Vatican priests connected to Freemasonry actually flourished in positions of Vatican power.

However, as bad as it was for high-ranking bishops to be connected with Masonry, now comes even more shocking allegations that Angelo Roncalli, a.k.a. Pope John XXIII was also a practicing Freemason.

The following article, originally published in the Portugal Daily Newspaper on Nov. 12, 2002, and never seeing the light of day in America, proves beyond a reasonable doubt even the highest leader of the Roman Catholic Church was serving a devilish master instead of following and spreading the word of God.

Not only was Roncalli subject to immediate expulsion from the Church for his duplicitous and satanic actions, other recently declassified FBI documents showed Roncalli illegally usurped the papacy by force, at the 1958 Papal Conclave, from the lawfully elected and true Pontiff, Gregory XVII, formally Cardinal Giuseppe Siri of Genoa, Italy.

Here is the 2002 Portugal news article:

The Portugal Daily News
(November 11, 2002)

F•ma International (FI), an historic review organisation with offices in Australia , USA, Paraguay and Portugal, has issued a further press release claiming that Cardinal Angelo Roncalli, who was elected as Pope John XXIII in 1958, was a Freemason. In 1994 the Portuguese newspapers "O Dia" and "Correio de Domingo" published a summary of FI's investigations into the case, which stated that Pope John XXIII [Roncalli] had been initiated into a secret society, the Order of Rosicrucians, whilst serving as the Vatican's Charge d'Affairs in Paris during 1935.

A spokesman for FI told THE NEWS that Virgilio Guito, former head of the Italian Grande Oriente Masonic Lodges, in a statement published by the French newspaper "30 Days", said: "It seems that Pope John XXIII has been initiated in Paris, and participated in the works of the Lodges in Istanbul". The spokesman said that as leader of Italian Masonry, Guito would be in a position to know with certainty if Angelo Roncalli had been initiated into the Order in Paris. "It would be incredibly reckless of him to make such a statement if it were not true" he said.

According to Carpi's book, during his Nunciature in Turkey, Roncalli was admitted "into the sect of the Temple" receiving the name "Brother John" - Prophecies of John XXIII, Pier Carpi, p. 52.

The implications of FI's disclosures are of tremendous importance to Catholics worldwide. Under Canon Law any Catholic who [...] becomes a Mason is ipso facto excommunicated from the Church. The consequence regarding Angelo Roncalli, would have been that as an excommunicate it would have been impossible for him to be elected pope. FI also points out that any decrees issued by Roncalli under the mantle of the Papacy would therefore be null and void, including the convoking of the Second Vatican Council in 1962.

Long-standing suspicions regarding John XXIII's links to Masonry were further aroused in 1977, fourteen years after his death. Of particular interest was an advertisement published in the USA, Boston Pilot Magazine, which was offering for sale replicas of John XXIII's pectoral cross. The cross was decorated with several Masonic symbols and had been authorised for sale by Archbishop Capovilla of Loreto, Italy , with the backing of the Vatican.

The Australian Robert Bergin, a founder member of FI who died in 1996, spent the last years of his life in Portugal, where he financed several publications detailing the facts linking the plight of Roncalli to the prophecies given by the Virgin Mary at F•ma in 1917. His efforts to persuade the Vatican to investigate Roncalli' s Masonic connections were unsuccessful.

This was of little surprise, as in 1976 the Vatican had failed to respond to the Italian journal, Burghese, which had published a list of over one hundred bishops and cardinals who it claimed were Freemasons. The list was purported to have been taken from the Italian Masonic Register and included the initiation dates and code names assigned to each of the clerics involved.

Furthermore, the "Siri Thesis/Fact," holds that actually Cardinal Giuseppe Siri was elected pope after the death of Pope Pius XII in 1958, but the newly-elected Pope (Gregorius XVII, formerly Cardinal Siri) was threatened [i.e. put under grave duress at the conclave], prevented from taking the Papal Chair and illegally replaced by Roncalli aka "pope" John XXIII.

As reported on the Immaculate Heart web site, here is a sermon by Fr. Louis J. Campbell given on the last Sunday after Pentecost on Nov. 23, 2003, addressing the issue of Pope Gregory XVII as well as other problems within the hierarchy of the Church:

His Holiness Gregory XVII

Those who are "filled with knowledge of God's will, in all spiritual wisdom and understanding" (Col.1:9), are able to read the signs of the times. They look for those things spoken of by Jesus in today's Gospel from the twenty-fourth chapter of St. Matthew, by which we may know that His Second Coming is near. Christians have

always looked for signs of the Lord's return, although St. Paul says in Second Thessalonians that the proximate signs of His coming are the "the great apostasy" and the appearing of the "man of sin" the Antichrist.

"We beseech you, brethren, by the coming of our Lord Jesus Christ and our being gathered together unto him, not to be hastily shaken from your right mind, nor terrified, whether by spirit, or by utterance, or by letter attributed to us, as though the day of the Lord were near at hand. Let no one deceive you in any way, for the day of the Lord will not come unless the apostasy comes first, and the man of sin is revealed, the son of perdition, who opposes and is exalted above all that is called God or that is worshipped, so that he sits in the temple of God and gives himself out as if he were God" (2Thess.2:1-4).

To ignore the signs sent by God is to invite disaster. God sent the Blessed Virgin to Fatima, Portugal, in 1917, to warn the world of the dangers threatened by Communist Russia. If her requests for prayer and sacrifice were not heeded, she said that Russia "will spread her errors throughout the world, causing wars and persecutions of the Church. The good will be martyred; the Holy Father will have much to suffer; various nations will be annihilated." Pope Pius XII, the "Fatima Pope," took her message seriously, although he failed to make the consecration of Russia to her Immaculate Heart together with all the bishops of the world, as she had requested.

If the Revolution of which Our Lady spoke, which began in France and was exported to Russia, were to succeed in becoming global, it would first have to neutralize the Catholic Church, the greatest enemy of the Revolution. Popes like Pius XII could no longer be tolerated. At the time of his death in 1958, the Church and the hierarchy were already riddled with Communist and Masonic infiltrators, agents of change ready to move in for the kill.

Pope Pius had promoted as his successor Cardinal Giuseppe Siri, ardent foe of Communism and defender of the true faith, who would no doubt have followed through with Our Lady's wishes. At the conclave that followed the death of the old Pope, Siri was elected both on the third and fourth ballots, and took the name of Gregory XVII, a fact which is attested to even by documents recently declassified by the FBI, and cited in a recent book. ["The Vatican Exposed" by Paul Williams, pgs. 90-92, Notes p. 243, Prometheus Books, Amherst, NY, 2003. In it Williams cites as his sources the Department of State secret dispatch, "John XXIII" , November 20, 1958, declassified November 11, 1974, and "Cardinal Siri", April 10, 1961, declassified February 28, 1994; the book Murder in the Vatican, Manhattan, page 29-32; and by John Cooney in his book The American Pope: The Life and Times of Francis Cardinal Spellman, 1988, Times Books, as well as Louis Remy in his article "The Pope: Could he be Cardinal Siri?" in Sous La Banniere.

According to the writer on the Immaculate Heart web page, the following conclusions

can be drawn:

"This should finally be enough to convince the skeptics that the so-called "Siri Theory" is no theory at all, but an historical fact. It is the best explanation why for more than forty years under the "conciliar popes" the Church has been revolutionized, and the true Church is now in a state of eclipse."

The following is an AP story documenting the confusion regarding the 1958 papal election:

VATICAN CITY (AP) 1958 A.D. - Cardinals balloted Sunday without electing a pope. A mix-up in smoke signals made it appear for about half an hour that Pius XII's successor had been chosen. For a time 200,000 Romans and tourists in huge Saint Peter's Square were certain the church had a new pontiff. Millions of others who listened to radios throughout Italy and Europe also were certain. They were certain. They heard the Vatican speaker shout exultantly: 'A pope is elected..'

"The scene around the Vatican was one of incredible confusion. White smoke from a little chimney atop the Vatican is the traditional signal announcing the election of a new pope. Black smoke indicates failure. Twice during the day smoke billowed from the chimney. At noon the smoke at first came white but it quickly turned unquestionably black. This was the sign the cardinals had failed to elect on the first two ballots, at nightfall white smoke billowed from the slender chimney for a full five minutes. For all the outside world knew, a new pontiff had been chosen."

"Clouds of smoke were caught in search lights trained on the Sistine Chapel chimney. 'Bianco! Bianco!' roared many in the crowd. 'White, white.'

"The Vatican Radio announced the smoke was white. The announcer declared the cardinals at that moment probably were going through the rites of adoration for a new supreme pontiff. For a long time Vatican Radio stuck to its insistence the smoke was white."

"Even high Vatican officials were fooled. Callori di Vignale, governor of the conclave, and Sigismondo Chigi, the conclave Marshall, rushed to take up the positions assigned to them. The Palatine Guard was called from its barracks and ordered to prepare to go to St. Peter's Basilica for (the) announcement of the new pope's name. But the guard was ordered back to barracks before it reached the square. The Swiss Guard was also alerted."

"Chigi, in an interview with the Italian radio, said uncertainty reigned in the palace. He added that this confusion persisted even after the smoke had subsided and until assurances were received from within the conclave that black smoke was intended. He said he had been at three other conclaves and never before seen smoke as varied in

color as Sunday's. He told newsmen later he would arrange to have the cardinals informed of Sunday's smoke confusion in the hope that something can be done to remedy the situation Monday."

"Priests and others working within the Vatican grounds saw the white smoke. They started to cheer. They waved kerchiefs enthusiastically, and figures of conclavists -- cardinal's assistants -- in the windows of the apostolic palace waved back. Possibly they, too, believed a pope had been elected."

"The crowd waited in agony of suspense. Any pope elected would ordinarily appear on the balcony within twenty minutes. The crowd waited a full half hour now wondering whether the smoke was meant to be black or white. Doubt set in swiftly. Many in the vast crowd began to drift away. But still there was confusion. News media had flashed around the world the word that a new pope had been chosen."

"Telephone calls poured into the Vatican, jamming its exchange. As time wore on and doubts increased, the callers all asked one question: "Black or white?"

"After a half hour, radios began to chatter excitedly that the answer was still uncertain. Only well after the time when a new pope should have appeared on the balcony above St. Peter's Square was it certain that the voting would have to resume Monday at 10 a. m. (3 a.m. CST).

Talking about how the papacy was actually "wrestled" from Pope Gregory by Roncalli who was a friend of Communists and Freemasons, here is the continuation of Fr. Louis Campbell's sermon:

The world had watched expectantly as white smoke signaled the election of the new pope, the crowds cheered, the papal guard assembled to welcome him, church bells rang all over Italy, and reports of his election flashed around the world. But a momentous struggle was taking place within the conclave, the outcome of which was already "fixed". Pope Gregory XVII would not be permitted to take his rightful place in the line of the successors of Peter. The papal office was wrested from Siri, and that friend of Communists and Freemasons, Angelo Roncalli, usurped the papal throne as John XXIII.

John XXIII's address at the opening of Vatican II, the instrument which was to bring about Revolution within the Church, are a rebuke for Pius XII, Cardinal Siri, and the Blessed Virgin Mary herself: "In these modern times," he said, "they can see nothing but prevarication and ruin. They behave as though at the time of former Councils, everything was a full triumph of the Christian idea and life. We must disagree with these prophets of gloom. Divine Providence is leading us to a New Order of things" (John XXIII, October 11, 1962).

The Freemasons could not conceal their delight that a pope who would implement their "New Order of things" was finally seated on the papal throne, something for which they had long plotted and conspired. He was immediately labeled "Good Pope John." No friend of Fatima, considering it a hoax, "Good Pope John" would put a stop to it, beginning by refusing to publish the Third Secret of Fatima in 1960, as Our Lady had requested. Fatima would not be allowed to interfere with his grandiose plans for dialogue with Communism, the Great Red Dragon that threatened to envelop both world and Church in its godless ideology.

The dire consequences of ignoring Our Lady's message at Fatima may be understood from the words of Our Lord Jesus Christ to Sr. Lucy at Rianjo in August, 1931: "Make it known to my ministers that given they follow the example of the King of France in delaying the execution of My request, that they shall follow him into misfortune." Our Lord was referring to the failure of the King of France to consecrate France to His Sacred Heart, as He had requested through St. Margaret Mary Alacoque. The result- Revolution against throne and altar, bloodshed, apostasy, from which France has never recovered. King Louis XVI, the last king of France before the Revolution, was imprisoned and finally executed in 1793. "They shall follow him into misfortune." Misfortune indeed has fallen upon the papacy and the Church. As a result of ignoring Our Lady's pleas we have seen two great world wars and worldwide Revolution, while the "great apostasy" predicted by St. Paul marches through the Church like the grim reaper.

A sad epilogue to these events confirms their reality. The final insult to the Blessed Virgin Mary is that her beloved Shrine at Fatima has fallen into the hands of apostates who plan to convert it into an ecumenical center "where all the religions of the world will gather to pay homage to their various gods," as the recent news release from Portugal put it. Archbishop Michael Fitzgerald, President of the Pontifical Council for Inter-Religious Dialogue has denied the report, but plans are already underway, and a hideous new basilica will be built to house the strange new Fatima pilgrims.

But we are getting somewhere. Gradually, the truth leaks out, and everyone will soon realize that the true Church has been eclipsed by a monstrous deception. The Immaculate Heart of Mary will finally triumph, and Jesus Christ will return to claim His Bride, the Church, purified and made holy and immaculate through present trials. "He who testifies to these things says, 'It is true, I come quickly!' Amen! Come, Lord Jesus!" (Apoc.22:20). [END SERMON]

From the common man, to mainstream political entities, they must all kiss this man's hand! This is an open act of worship the pope is receiving with complete agreement. Often the pope won't even raise his hand for the person to kiss it. They literally have to bow before him to kiss his hand dangling at his side as we see the British dignitary doing in that photo. It used to be not so many days past that it was the pope foot you must kiss as is shown in this etching...

can't forget this one. I beleive this is an important one. Especially right now:

http://i43.photobucket.com/albums/e372/tlt...vez_sff_ful.jpg

The following taken from online blog:

"About two months ago, after hearing all the praise everyone was giving Chavez, including Alex Jones and others alike, I decided to look into this guy a little. I discovered that he called for a New World Order not once, but twice BEFORE everyone started praising him and this has bothered me greatly since I found this out. And today, for the THIRD time he has called for a New World Order so lets see if these big-shot 'truth seekers' will start talking about this now. I have emailed a link to Paul Joseph Watson (prisonplanet.com) so lets see if this article gets posted and if Alex Jones speaks out about this on his show... which is due to start in two and a half hours. I have also emailed Jack Blood and urged him to talk about this on his show. Chavez is part of the problems we are facing in the world today and it's time for everyone to stop talking about him as if he is some kind of god. My guess is that Chavez is part of the 'bring down America' agenda which we are clearly seeing taking place right now."

He (Hugo Chavez) said: "I am a Catholic and a Christian and a very committed Christian and I was talking to the Pope about the struggle against poverty -- I call it Christ's cause." Then he was talking about the first time he had met Fidel Castro.

Here is a search of Alex Jones website. Notice that not one word of Hugo Chavez's call for a NWO is mentioned. Why? Alex is supposed to be covering everything pertaining to a NWO.

just today (or yesterday's refeed) alex jones was discussing the iranian president, i think a caller called in and brought it up or something. anyway as he was discussing the iranian president, he went off into chavez. the caller brought up the possibility that the iranian president and people liek chavez are either incredibly usefull idiots, or something more sinister.

anyway when he was talking about chavez, he said "i think chavez is one of the good

ones/guys"

i believe we will be seeing more of alex jones in the spotlight, in the coming years, as this all unfolds.

TruthSeeker24 - September 19, 2006 01:26 PM (GMT)

This is one more symptom of the ecumencialism of Alex Jones. Recently, Alex calls any hardcore discussion about the Jesuits by his callers as baloney. What's really baloney is Alex's refusal to discuss about the Jesuits elaborately. I believe (like many others) that Hugo Chavez and Castro are used as tools in formeting anti-American agitation. Those in power want all of the focus on America, while not realizing that America itself is controlled by the Jesuits, SMOM, and other Secret orders and is manipulating America to execute wars against innocent human beings that have nothing to do with the 911 attacks. Many ignorant people refuse to make a distinction between the good people in America and the evil CIA (and other corporate powers)'s policies negativity impacting the region of the South and Central America. The CIA and others do these things (like the murder of Allende, the prop up of Castro, etc.) in our name. Chavez have called for a new world order on many occassions and his other policies alone would merit us to call him as part of the NWO agenda. Alex Jones is a flaming ecumencial person. In my heart and in my conscience, I don't get it why Jones won't go deeper. He admittedly knows this stuff and he knows some of us, because he names us as the "blame Jesuit" crowd. I remember a while ago he called people like us cointelpro, which is a lie. So, Alex is nothing to worry about. We need to continue to mention our information and expose all evil orders on the planet not just focus mundanely on Bohemian Grove, CFR, and all of these other "third party" organizations. In his film "Terrostorm" (I admit that some of it was good), Alex should of added the Jesuit Gunpowder plot, the Vatican/Jesuit-Nazi connection, the Masonic connection to events, The Knight of Malta link to the CIA & corporations (plus historical events), etc. Why do I get the feeling that he won't do it.

good news everyone. super-rare audio messages from Dr. Alberto Rivera are on their way. I have put one on google and it is in the final 'processing' stage. it is 1:17 long!! and I put pictures to it the best I could to make it more exciting. Of course as soon as it finalizes on google I will immediately post here. the lecture is from 6/25/1984 and he

talks about how 'The Prophet' is about to come out. When you here this man talk you will immediately know why the Vatican had to get rid of him. I will not tell you too much but two things that stick out to me in his lecture is:

1: He says the Black Pope is called the black pope because he stays in the shadaw of the Pope and is behind him in everything he says under the guidance of satan himself thus the term 'infallible' is given him.

2: at the end of the lecture he says that America was never meant to be free and that it was a conspiracy from the beginning and that there was no constitution.

that is only the first of three my friends. All three lectures will be online. One is a lecture from a Nun with Alberto translating from Spanish to English as she talks about the horrors of the convent.

Alexandra - September 19, 2006 05:03 PM (GMT)

I've got to hear Alberto...he was martyred back in 1997...Cup of Borgia.

From what I've heard and read, he really blew the lid off everything.

tlthe5th - September 19, 2006 10:10 PM (GMT)

Of course don't forget the time Alberto went to kiss the ring of a secret black mass official what happened.

I WAS INVITED TO ATTEND A SECRET BLACK MASS BY HIGH RANKING JESUITS IN A MONASTERY IN THE NORTHERN PART OF SPAIN.

WHEN I KNELT TO KISS THE RING OF A HIGH OFFICIAL, I SAW A SYMBOL ON THAT RING THAT MADE MY BLOOD RUN COLD.

Alexandra - September 19, 2006 10:55 PM (GMT)

I have all the Alberto comics. :)

Pure **WORSHIP** and **SUBORDINANCE**

Now remember folks this guy kills wild bears and boars illegally whilst pregnant then parades with his Animal charities just like the other cretin Prince Philip. Lets hope that when the **Superior General of the Jesuit Order** gets fed up of both these pions in the Roman conspiracy he doesn't order a quick death and instead punishes them with a slow version of the Cup of Cantrella.

Madrid Bombings: Intersects with Intel Operation of NWO

By Barry Chamish author, teacher

http://www.cephas-library.com/nwo/nwo_madrid_bombing.html

March 17, 2004 (Many of the following concepts will be unfamiliar to those who have not been following my research steadily. It is the author's contention that Spain is playing a central, though covert, role in Middle East diplomacy, believing it has a God-given, if Medieval, right to rule Israel and especially Jerusalem. Its **Jesuit King, Juan Carlos**, owns the title, **Protector Of The Holy Places Of Jerusalem**, and he takes the responsibility seriously, as do **his superiors in Rome**.

The Spanish people are clamoring to know who was responsible for the March '04 bombings which killed over 200 of their people. They will not receive a true answer. They will be told Al Qaida did the deed in retaliation for Spain's support of the Iraq invasion and will display some Moslem bombers as proof.

The more conspiratorial analyses places the blame on the Bush/Blair New World Order gang who fomented another atrocity to justify their war on terror and give a boost to its flagging popularity. All such proponents point to the conveniently found van with the Koranic audiotape beside the unignited bombs as a set-up, like the 9-11 van with the Koran and 767 flight manual found in Boston.

The Spanish government lied to its people, claiming ETA, the Basque separatists, were the main suspects and were thrown out of power in national elections a few days later, which seemed to be a motive for the outrage in the first place.

The lie was formulated to keep the public off the real trail of the bombings, which leads to Spain's secret role in the Middle East, as well as its goal of eliminating Israel by shoving a suicidal "peace" process down its throat. The leaders of the Middle East know Spain controls their fate, and that all diplomatic roads pass through Madrid.

But the rest of humanity remains ignorant of Spain's covert power. Let us try and clear the fog with the events that led to the slaughter in Madrid as seen through the media. My commentary will begin and end with two stars **.

We begin the journey that led to the bombings on Aug. 18 '03. On that day, the PA prime minister Abbas, and his foreign minister Shaat, announced they would be visiting Damascus on September 8. The announcement was made as Spain's Foreign Minister is in Damascus announcing that his king will be visiting Syria that autumn.

So, the story begins as the PA, Syria and King Juan Carlos plot to coordinate diplomacy.

<http://www.arabicnews.com/ansub/Daily/Day/...2003081807.html>

Abbas to meet with al-Assad in Syria in September Syria-Palestine, Politics 8/18/2003

Palestinian foreign affairs minister Nabil Shaath said that the Palestinian prime minister Mahmoud Abbas will visit Damascus in September.

Shaath explained following his talks with the Syrian foreign minister Farouk al-Shara in Damascus that the Palestinian leadership wants to deepen consultation and coordination with each of Syria and Lebanon concerning the peace process in the region.

The Palestinian minister said that Abbas will meet during the forthcoming visit with President Bashar al-Assad. <http://www.middle-east-online.com/english/syria/?id=6468>
Spain's King to visit Syria

Spain's economy minister announces King Juan Carlos, Queen Sofia are to visit Syria in autumn.

DAMASCUS - King Juan Carlos and Queen Sofia of Spain are to visit Syria in the autumn, Spanish Economy Minister Rodrigo Rato said here Monday.

Rato told a news conference that he had informed Syrian President Bashar al-Assad of

the visit. Assad and his wife Asma paid an official visit to Spain in May 2001 - the couple's first to a Western country after Assad took power in July 2000.

Rato, who arrived in Damascus Sunday night, said his own visit also aimed to "strengthen economic relations" between the two countries, particularly in the tourism, transport and industry sectors. He said Spain supports Syria "economically and politically", adding that Damascus is important in the quest for peace in the Middle East.

Spain also supports talks to broker a partnership agreement between Syria and the European Union, the minister said.

A Syrian-Spanish accord giving Damascus five million dollars was signed Monday, Rato added.

** Now why would Spain commit itself to pushing for a Syrian partnership agreement with the EU? What could Syria offer the EU but some canned dates and its fine human rights record? Note the \$5 million bribe to Assad and ask what was behind it. The PA's prime minister lands in Damascus on September 8 and look at the reaction on September 9. **

Article.... <http://www.scoop.co.nz/mason/stories/WO0309/S00113.htm> Powell, Palacio Discuss Middle East, Iraq, UN Tuesday, 9 September 2003, 9:34 pm Press Release: US State Department

http://english.daralhayat.com/world_news/0...cbbf/story.html

Spanish Foreign Minister Says Israeli Threat To Expel Arafat Is A Big Mistake

....."We (the Spanish government) have always said that Arafat has been part of the solution and the decision by the Israeli government (to expel him) is a big mistake," she told reporters.

...Palacio spoke at a joint press conference with Syrian counterpart Farouk al-Sharaa after arriving in Damascus on the first leg of a three-nation tour, which includes Iraq and Kuwait.

...Palacio said her talks with al-Sharaa focused on Israel's threat to expel Arafat, plus Iraq.

...She said Syria and Spain shared some basic principles, including the role some regional players could have in Iraq's reconstruction and returning that country to its rightful place in the international community.

Al-Sharaa said Syria and Spain have identical views on Iraq, including the maintenance of its integrity and "getting rid of the foreign occupation as soon as possible."

He said both states also believed in the formation of a legitimate Iraqi government elected by Iraqi people.

** The PA prime minister has just left and a day later Spain's Foreign Minister announced that he will be meeting with Colin Powell of the Council On Foreign Relations (CFR). And where was the announcement made but in Damascus? But look what else is in the Spanish FM's repartee. First comes the defence of Arafat against Israeli threats to expel him for his direction of terror against their country. Then come what have to be huge lies. Do Spain and Syria really hold "identical views" on Iraq? Is Spain really in favor of "getting rid of the foreign occupation" or its American and British partners, in Iraq?

Or was Spain threatened by Syria with terrifying violence?

When Palacio met Powell did he pass on the message that if American troops don't get out of Iraq, Syria would pulverize us at home? He most certainly did, but since the troops are still there, Powell obviously didn't pay heed, or care.

However, Powell and his CFR backers must have given Spain still another assignment... Libya. **

Spanish PM makes historic Libya visit

A Spanish government source said Aznar's ground-breaking trip was aimed at helping bring Libya back into the international fold.

Spain would like to see Libya play a bigger role in the partnership between the 15-nation European Union and 12 Mediterranean countries. Libya has observer status in the grouping at present.

** And now we know who was behind Libya renouncing its weapons of mass destruction. Little old Spain must have carried one nasty message to persuade Libya to return to the fold. And in the process, Spain must have angered not a few of Libya's terrorist allies.

Now we step forward to October 4 when Maxim's Restaurant was bombed in Haifa, killing 22, including members of one of Israel's most prestigious military families. Israel reacts by bombing empty warehouses in Syria.

But note Syria's reaction to the futile attack on its soil. It threatens to re-open the MADRID conference of 1991, a very peculiar threat indeed and one which must have meant something to those in the know in Israel.

Spain, apparently got the message, condemned Israel's attack and stepped up Juan Carlos' visit to Damascus. **

<http://www.haaretzdaily.com/hasen/spages/347908.html>

Syria vows military response if Israeli attacks continue

Last paragraph

Asked if that meant militarily, he said: "By all means. If Israel continues to attack us and continues its aggression of course we shall react to the attacks in spite of the fact that we are fighting for peace and wish to reopen the (1991) Madrid (peace) conference."

<http://www.middle-east-online.com/english/?id=7460>

Spanish king meets Syrian leader in Damascus

....Madrid condemned Israel's raid on a suspected militant Palestinian training camp near Damascus on October 5 - the first such attack in 30 years and one which Washington regarded as self-defence.

The English-language government daily, Syria Times, hailed the royal visit as "an important event" that will "rectify the holes in the relations between the Arabs and the West" and "play a significant role in the dialogue between Islam and Christianity".

Talks will redress the "many misunderstanding in the West about Syria's attitudes towards Iraq and Palestinian resistance," the paper added.

Spanish diplomats say the trip is intended to foster "intensified political dialogue" between Damascus, Madrid and the European Union.

For the past six years, Syria has been negotiating a partnership accord with Brussels due to be signed at the end of 2003, after Assad ordered discussions to be stepped up a gear.

King of Spain to visit Syria Syria-Spain, Politics 10/17/2003

At the invitation of President Bashar al-Assad and his Wife, King Juan Carlos and Queen Sofia of Spain pay an official visit to Syria during the period from 19 to 23 of the current month.

** And now Juan Carlos is in Damascus and the fun begins. We have already observed that the Syrians are doing their best to drive a wedge between Spain and America, or more precisely, the CFR.

Now observe the machinations. While Juan Carlos is in Damascus, Yossi Beilin is in Geneva formulating an alternative diplomacy which gives the Arabs all they want. Once the ink is on the paper, Beilin flies to Washington to meet with Powell. A concerted effort is being made to appease the Arabs at the cost of Israel's basic security.

However, Spain offers Syria the ultimate appeasement; a renewed Syrian empire if it behaves itself. **

.....al-Assad visits Spain to inaugurate the role of the Umayyads with KJC and other officials.....two days later PJP visits Syria to visit the Umayyad Temple and call for inter-faith dialogue. Interesting the way visits go.....KJC visits Spain Oct. 19 just after the Geneva Accord is announced but just before it is signed in Geneva on Nov. 4th.

<http://www.arabicnews.com/ansub/Daily/Day/...2001050413.html>

Damascus 18-10 (SANA)- President Bashar al-Assad, in a speech opening the Fair of "From Damascus to Cordova" during a visit he paid with the First lady to Spain, said " the Arab civilization in Andalusia was an important era marked with accord, tolerance, social and intellectual richness among different peoples. That era transferred the civilization from Shami-Andalusia to Arab-Andalusia, creating a sort of civilization merger that it was impossible to attain without the dialogue among civilizations".

Syria has always sought as a strategic aim for dialogue, not conflict, among civilizations, and has always called for fostering meeting points among cultures of different peoples, for the creation of a civilized, harmonious mixture that takes humanity to higher levels.

From this point of view, Syria looks for the forthcoming visit of His Majesty King of Spain Juan Carlos and Her Majesty Queen Sofia, and warmly welcomes their Majesties The Royal Couple in Damascus, capital of the Omayyads who were the first to establish and deepen the dialogue of civilizations when they set for Europe and the world through Andalusia to spread their message of tolerance. They also carried with them the latest digest of human thinking in various fields of knowledge, assisted by the fertile land in Andalusia, for long the settling point for different ancient civilizations. That climate led to a unique state of interaction and communication among civilizations in the Omayyad-Andalusia epoch, and became an example for the whole world. Cordova at that time attracted Europe as a source of new knowledge in philosophy, arts, architecture, poetry and literatures.

We also pin great hopes on this visit for strengthening existing relations of cooperation

between Syria and Spain, and through her with the European countries to further deepen a constructive dialogue and the establishment of a real partnership based on reciprocal respect, equity and mutual benefit. We hope that the European countries would take a more active role in building world peace, establishing security and stability in the Middle East region by bringing about a just and comprehensive peace and the return of rights to their owners so that this would be positively reflected on the region's prosperity and for the sake of dialogue, not conflict, among civilizations.

Welcome to His Majesty King of Spain, to Her Majesty Queen of Spain, to Damascus the land civilizations and cradle of divine faiths which call for amity and peace.

Madrid - International forum seeking a solution to the Israel-Palestinian problem
Meanwhile, Israeli Knesset members and Palestinian administration officials are meeting in Madrid as guests of an international forum seeking a solution to the Israel-Palestinian problem, Israel Radio reported Friday.

Among the guests are also ex-US ambassador to Israel Martin Indyk, ex-EU special envoy Miguel Morratinos, ex-Jordanian foreign minister Abdullah Hativ and Spanish government officials. Israeli delegates include MK Gideon Sa'ar (Likud, MKs Dalia Itzik and Danny Yatom (Labor) and MK Ahmed Tibi (Balad). Mohammed Dahlan and Nabil Sha'at are representing the Palestinian side.

** Now how do you like that? Look who's meeting in MADRID just a month after Juan Carlos' sojourn in Damascus? Why its the creme de la creme of the Israeli government and parliamentary opposition, the head tyrants of the PA, the one and only Martin Indyk of Oslo fame, all meeting Spanish officials. Now what makes MADRID such a magnet for these NWO bigshots?

Whatever came of these meetings, the world public is not privileged to know. But immediately after, Pres. Bush made us all privy to the consensus. Whatever the BARCELONA process may be, it was central to his State Of The Union address: **

<http://www.reuters.com/newsArticle.jhtml?t...Edge&storyID=41> 59384

BRUSSELS (Reuters) - The United States is seeking to engage European allies in President Bush's drive for democracy in the greater Middle East, partly to heal the rifts of the Iraq war.

U.S. officials say involving Europeans through both NATO and the European Union in the initiative launched by Bush late last year is one of the administration's top priorities for 2004.

Bush is expected to give more pointers to his approach in his State of the Union message to Congress Tuesday.

"We are looking at ways to work better together with the EU on the greater Middle East, in security, economically and in promoting democracy and human rights, as we did in the Cold War toward Eastern Europe," a U.S. official in Brussels said.

He said Washington wanted to build on the EU's existing Euro-Mediterranean dialogue -- known as the Barcelona process -- which offers North African and East Mediterranean partner states trade and aid benefits in return for economic and political cooperation and reform.

State of the Union address Jan. 29/91 George Bush Sr.

<http://www.geocities.com/americanpresidency.net/1991.htm>

"What is at stake is more than one small country; it is a big idea: a new world order, where diverse nations are drawn together in common cause to achieve the universal aspirations of mankind -- peace and security, freedom, and the rule of law. Such is a world worthy of our struggle and worthy of our children's future.

We have within our reach the promise of a renewed America. We can find meaning and reward by serving some higher purpose than ourselves, a shining purpose, the illumination of a Thousand Points of Light. And it is expressed by all who know the irresistible force of a child's hand, of a friend who stands by you and stays there, a volunteer's generous gesture, an idea that is simply right.

** This was a State Of The Union address that no one apparently understood. Whatever this BARCELONA process is, it inspired the President to announce a "New World Order," illuminated by "a thousand points of light." The Spanish diplomacy was more than part and parcel of the world order we are entering, it was central to it.

So, what is this Barcelona Process that Bush is certain will usher in a new order on the planet? Let us go back four years before the Madrid bombing to get well more than a hint: **

Mubarak's Madrid visit to focus on Euro-Mediterranean cooperation Egypt-Spain, Politics 5/22/2000

"President Hosni Mubarak's itinerary of the visit to begin on May 29 includes three separate meetings with King Juan Carlos, in addition to expanded session of talks with Prime Minister Jose Maria Aznar and the speakers of the Congress of Deputies and the Senate," he said.

"The issue of Euro-Mediterranean partnership is expected to top the agenda of talks with Spanish officials, specifically on the activation of the Barcelona process, and the Middle East peace process started in Madrid and bilateral relations," he said.

Ambassador Haridi stressed the importance of activating the Barcelona process during President Mubarak's visit to Spain.

"The EU will expand in the near future and European states will be busy trying to acclimatize themselves with this expansion," he said.

"It is this pre-occupation with how to correspond to and face these new changes that raise fears among south-of-the Mediterranean states," he added.

Will Europe's interest in Euro-Mediterranean partnership and the Barcelona process subside?, he questioned.

"Spain is the European country to activate the Barcelona process and to set aside fears arising in this respect, given its geographic proximity to the Arab world and its exceptional relationship with Egypt in particular and Arab countries in general," Ambassador Haridi told MENA.

"Spain presented the Mediterranean initiative to the European union to unite all European policies in one that all states must follow," he said.

** So Spain has chosen itself, or has been chosen, to unite the warring factions of this simmering World War III. It plays the role of the **Jesuit** mediator between all the factions: Islam versus the EU, Vatican, Bilderberg, CFR, or to simplify matters, Europe and America. However it may try to fool Islam, its sympathies lie with what is known as the West. And Islam is getting madder and madder. All the bones thrown at it are not calming the wolf.

And the Islamic wolf is clearly catching on to the deeper game. Now we reach one of the most significant acts which preceded the Madrid bombing, that somehow was left unconnected to the upcoming carnage.

Two days before the Madrid mass murder, a Masonic Lodge was bombed to rubble in Istanbul. This was not a coincidence, it was a message. And one can be certain, the real power brokers got it.

One of the points of the so-called illumination that Pres. Bush referred to was the

Sabbatean movement. Founded by followers of the false Jewish messiah, Shabtai Tzvi in the 1660s by the Donmeh cult of Turkey, this anti-Jewish cult determined to upend humanity's morality, and found a home in the lodges of Turkish Freemasonry. From Turkey, the movement spread through Europe in the 18th century through Jacob Frank and his followers, the Frankists. Again, look at www.barrychamish.com for the whole story. However, others have reached the conclusion that this is one of the main addresses of the NWO Bush referred to as coming out of the Barcelona process: The Turkish bombing preceding Madrid was no coincidence. And Turkey was all set to play its role in the creation of the new planetary order. **

Fritz Springmeier, who is currently in Federal prison, has written several books on Illuminati blood lines. In *Illuminati Formula for Undetectable Total Mind Control* we read: "There is a connection between Marxism and a group of Satanists called Frankists. One of the strongest satanic cults to take control over the Jewish population was called Sabbatianism. Jacob Frank assumed the role of leader of this group, and afterward this brand of satanism was called Frankism. (Freud's sexually-obsessed theories came from Frankism.) Frank taught his followers to convert to another religion and hide behind that religion to practice their satanism. (One of several books on the subject of Frankism is *The Contemporary Faces of Satan* by Ratibor-Ray M. Jurjevich.)

** The Islamic rulers want no part of the New World Order. All the bribes and attractions to Syria are falling on deaf ears. So in comes Vatican agent Shimon Peres to sweeten the deal. Though the leader of merely the Israeli opposition, Peres will back an Israel mortally weakened, joining a coalition of Arab states in a united World Order led by Europe, led by Spain. And where does this wacky proposal to unite Islam and Europe get its public airing but in MADRID? And where will the agreement be signed, but in Istanbul? **

NATO to upgrade relations with Israel By ASSOCIATED PRESS

NATO is seeking to deepen political and military contacts with Israel and a number of Arab states and may invite their representatives to a summit of alliance leaders in June, officials said Thursday.

According to The Associated Press, it was not yet clear at what level these nations would be represented at the June 28 - 29 summit in Istanbul, Turkey.

Spain offers EU ties as incentive for peace talks

Spain will help Israel and the Palestinians achieve closer ties to the European Union as an incentive to advance the Middle East peace process, Spanish Foreign Minister Ana Palacio said Sunday. Peres brought the proposal up the day before in Madrid at a

meeting of the Socialist International.

On Sunday, the co-winner of the 1994 Nobel Peace Prize said, "Once the two parties reach an agreement for peace, each will be admitted to the European Union, and the European Union will serve as a common ground for economic and social life."

Spain offers EU ties as incentive for peace talks

Spain will help Israel and the Palestinians achieve closer ties to the European Union as an incentive to advance the Middle East peace process, Spanish Foreign Minister Ana Palacio said Sunday.

Her remarks came on the same day that Jordanian King Abdullah called for a "heavy-handed" international alliance to force a negotiated settlement on Israel and the Palestinians, who he said had shown they were incapable of making peace alone.

Speaking at a brief news conference in Toledo with Labor Party Chairman Shimon Peres and Palestinian negotiations minister Saeb Erekat, Palacio said that, "an association of Palestine and Israel" with the EU at "the conclusion of this peace process... is an idea" worth consideration.

"We need to discuss it in the European Union and see how we can integrate it into the peace process," she added. "So, my commitment is to discuss it, to put it before European" institutions.

Peres brought the proposal up the day before in Madrid at a meeting of the Socialist International.

On Sunday, the co-winner of the 1994 Nobel Peace Prize said, "Once the two parties reach an agreement for peace, each will be admitted to the European Union, and the European Union will serve as a common ground for economic and social life."

Asked whether the proposal really was membership in the European Union, he replied, "There are variations how to do it. And anyway, the European Union already put their legs in the Mediterranean by admitting Cyprus and Malta. So they're no longer innocent. They're Mediterranean."

** And who is the ultimate source behind the Peres sellout of Israel; who lo and behold but the Vatican? Without an ounce of understanding of who is manipulating their nations and cultures, both Israelis and Moslems have rejected the plots of the New World Order. The difference is in style. Israel tries to limit civilian mortality while Islam attempts to increase it for effect.

The inciters of world violence know this difference and exploit it. But subtract the style for now, and reach a common cause: Judaism and Islam are being tricked into slaughtering each other by precisely the same forces. Israel has paid deeply for the hidden war between planetary fascism and now Madrid got a taste of the same medicine Jerusalem has been forced to swallow since Oslo was foisted on it in 1993.

Now trace the common address for both our pain: **

<http://www.haaretzdaily.com/hasen/spages/391957.html>

Qorei, who has yet to meet with his Israeli counterpart Ariel Sharon since taking office last autumn, confirmed he hopes the meeting could take place by "the end of this month if the preparation succeed."

Palestinian foreign minister Nabil Shaath said the meeting could take place as early as next week. "We are determined to pursue the peace process and that is why the meeting will take place around February 20," he said at a joint news conference in Madrid with Spanish Foreign Minister Ana Palacio.

The EU advotes Israel and the Palestinians taking a series of small steps to move the peace process forward, and said such measures should be discussed by the prime ministers at their meeting, said Ahern.

Qorei heads next to Italy, where he will meet late Tuesday with Prime Minister Silvio Berlusconi, and on Wednesday with President Carlo Azeglio Ciampi and lawmakers.

On Thursday Qorei is due to meet with Pope John Paul II at the Vatican.

** The same forces are at work: the CFR, **Jesuit Vatican**, and Sabbateans. Spain has chosen itself as the uniter of all these factions with Islam. Islam rejected the offer in Madrid with its own form of heartless evil. And this battle between two evils will continue to engulf the world. Israel is at the forefront of the war, but Madrid offered a foul taste of what's in store for all of us. **

More on MADRID Bombings

By Bryan Bender and Farah Stockman, Globe Staff, 3/13/2004

WASHINGTON -- A group purporting to be part of Al Qaeda that claimed responsibility for the Madrid train bombings and warned of a looming attack on the United States seems to be a phantom organization, according to US intelligence officials and terrorism specialists.

In a 24-hour news cycle dominated by fears of terrorism, the latest e-mail from the Abu Hafs al Masri Brigade to a London-based Arabic newspaper sowed anxiety and drew instant headlines all over the world.

But specialists say there is no evidence the organization exists. E-mail messages purporting to be written by the group previously claimed responsibility for everything from the North American blackout to a suicide attack that killed 20 Italian policemen in Iraq. But none of those claims has proved true, intelligence specialists say.

The latest message warned that an attack against the United States is "90 percent ready."

Employees at the Al-Quds Al-Arabi newspaper in London, which has received several letters in recent months purporting to be from the group, say they are not sure what the group is.

Deciphering the group -- which first surfaced in July 2003 -- illustrates a larger challenge for counterterrorism officials: assessing the murky world of purported Al Qaeda splinter groups that have been responsible for a dramatic increase in highly sophisticated terrorist bombings around the world.

Spanish officials said yesterday they had no concrete evidence of Al Qaeda involvement in the Thursday attacks, and continued to identify ETA -- a Basque separatist group -- as one suspect.

But the worldwide attention generated by the Abu Hafs al Masri e-mail, received hours after the attacks occurred, demonstrated how easily threats purported to be from Al Qaeda can be spread. Terrorism analysts say such claims form part of the tactics of psychological warfare and propaganda, designed to capitalize on actual violence and deepen public fear of more attacks.

"It goes to the more virtual nature of Al Qaeda," said Peter Bergen, a terrorism specialist at the New America Foundation in Washington. "Some are real; some are waging psychological warfare."

A US official who has access to the latest intelligence information said the brigade's name is the nom de guerre of a senior bin Laden lieutenant who was killed by American forces in an airstrike in Afghanistan in November 2001.

"The name they picked out is what is sometimes confusing. Their ties to Al Qaeda are not as clear-cut," said the official, who asked that his name not be used. He added that US intelligence officials do not know whether the group exists.

Another US intelligence official said, "This group, organization, or whatever it is, is a

phantom."

Ben Venzke, CEO of IntelCenter, a private company that specializes in analyzing terrorist messages for government agencies, said that while he believes Al Qaeda could have been responsible for the Madrid bombings, messages from the purported brigade are not credible.

Venzke said it became clear last year that the many letters and faxes did not have the same style as messages from Al Qaeda. Bin Laden's organization and offshoots have become more media-savvy in recent years and are increasingly providing video or audiotapes that can be verified for authenticity, Venzke said.

For example, e-mail messages to a journalist for Al-Majallah magazine who is based in Dubai, United Arab Emirates, sent days before the May 13 bombings in Saudi Arabia are thought to have come from a bona fide messenger of Al Qaeda. The e-mails warned of impending guerrilla warfare on the Arabian Peninsula. The attackers even made videotapes of the preparations for the bombing to be sent to the public.

But unlike those messages, none of the brigade's e-mails has ever proved authentic, Venzke said.

By last August, he said, he already had begun to disregard the group when it sent the clearest indication that it is a sham: a message to Al-Quds claiming responsibility for the blackout that struck New York City, Ohio, southern Ontario, and eastern Michigan last year.

That blackout was determined to have been caused by a power grid failure.

Larry Mefford, executive assistant director for counterterrorism at the FBI, told Congress that the group's terrorism claims were "wishful thinking."

"We have no information confirming the actual existence of this group," Mefford said, adding that the group also has claimed responsibility on Internet sites for the Aug. 5, 2003, bombing of the Marriott hotel in Jakarta, Indonesia.

Venzke said: "They started claiming responsibility for just about everything in the world. We've never been able to determine if it is just one person sitting at a computer having fun or if it really is a group."

The editor of Al-Quds, Abdel Bari Atwan, could not be reached yesterday, but a woman who identified herself as a receptionist said that e-mail messages from the brigade came in Arabic and that she has no other information about the group. When asked whether the letter seemed credible, she said: "That's the problem. Probably not.

"There is no proof of anything, if such a thing exists or is being made up by America or

someone else."

Peres Raises 'World Capital' Solution for Jerusalem

JERUSALEM (Reuters) - Shimon Peres, the head of Israel's opposition Labor Party, has suggested resolving Israeli-Palestinian conflict over Jerusalem by putting its holy sites under U.N. stewardship, a spokesman said Tuesday. His plan calls for declaring a holy area of sites sacred to Jews, Christians and Muslims in Jerusalem's old walled city as a "world capital," with the U.N. Secretary-General serving as mayor, Peres' spokesman Yoram Dori told Reuters. Israel claims Jerusalem as its capital, including the Arab eastern part captured in the 1967 Middle East War and annexed in a move that is not recognized internationally. Palestinians want to make East Jerusalem capital of the state they hope to establish in the West Bank and Gaza Strip (news - web sites) under a U.S.-backed peace plan. Peres raised the idea in a meeting with visiting Russian diplomats-in-training when they asked how he envisaged a solution to conflicting Israeli-Palestinian claims to the city, Dori said. Israel has previously rejected proposals raised by the Vatican (news - web sites) to internationalize Jerusalem. Peres, a former prime minister and an architect of interim peace deals with the Palestinians,

has not raised the proposal with Israeli or Palestinian leaders, Dori said.

THE JERUSALEM POST added that under the Peres plan, the sovereignty of the holy places would revert to their owners. And since the Vatican has the lion's share of real estate claims, guess who gets to own the most holy land in Jerusalem?

AFTER PERES let the cat out of the bag, I was deluged with letters asking how ten years ago I knew this was his real objective. The explanation is found in Save Israel, pp. 131:

In March 1994, the newspaper Chadashot revealed a most remarkable secret of the Middle East "peace" process. A friend of Shimon Peres, the French intellectual Marek Halter, claimed in an interview that in May 1993, he delivered a letter from Peres to the pope. Within, Peres promised to internationalize Jerusalem, granting the UN political control of the Old City of Jerusalem, and the Vatican hegemony of the holy sites within. The UN would give the PLO a capital within its new territory and East Jerusalem would become a kind of free trade zone of world diplomacy.

Halter's claim was backed by the Italian newspaper La Stampa which added that Arafat was apprised of the agreement and it was included in the secret clauses of the Declaration Of Principles signed in Washington in September 1993. In March 1995, the Israeli radio station Arutz Sheva was leaked a cable from the Israeli Embassy in Rome to Peres's Foreign Ministry in Jerusalem confirming the handover of Jerusalem to the Vatican. This cable was printed on the front page of the radical leftwing Israeli newspaper, Haaretz two days later. A scandal erupted and numerous rabbis who had invited Peres for Passover services cancelled their invitations in protest of his treachery.

Peres reacted by claiming that the cable was real but that someone had whited out the word, "not;" the cable really said that Israel would "not" hand Jerusalem over to the holy pontiff. Illustrating the sorry political state of Israel's rabbis, they accepted this cockamamie excuse and re-invited Peres to their tables. However, in the widely distributed minutes of a meeting with Clinton in 1997, Peres reiterated his diplomacy, ending with the words, "as I had previously promised the Holy See."

The Grand Illusion of the Roadmap

It's an illusion, this Roadmap To Peace.

by Barry Chamish

http://www.totse.com/en/politics/the_world...lusi170351.html

President Bush's trip to Roadmap summits in Sharm El Sheikh and Aqaba this week were to further the illusion that he is personally committed to peace for Israel. Most people did not see through this illusion; in fact, except for some of my readers, especially one in Ontario, no one saw through the illusion. But then, most people are under the illusion that they have a choice of leadership when they vote. If PM Sharon has done the Jews only one favor lately, it is that he has finally shattered that illusion for good.

The hard reality behind the illusion is that the Roadmap is one more ugly Vatican manoeuvre to place those unwanted Jews in a deadly trap. Now if anyone dares doubt that Bush is being guided by Rome and its Spanish outpost, please read the following reports and try to draw another conclusion.

I will add not another word until you finish reading:

ACTIVITIES OF SECRETARY-GENERAL IN SPAIN, 6 - 10 APRIL

Secretary-General Kofi Annan departed New York on 6 April and arrived in Madrid, Spain, on Sunday, 7 April, to begin a weeklong visit to Europe that would also take him to Rome and Geneva.

On Sunday evening, he and Mrs. Annan attended a private dinner hosted by King Juan Carlos and Queen Sofia at the Palacio de la Zarzuela on the outskirts of the Spanish capital.

In the afternoon, the Secretary-General visited the Madrid-based World Tourism Organization and then addressed a ceremony to mark 160 companies signing up to the Global Compact. (See Press Release SG/SM/8193.)

Also on Tuesday, the Secretary-General conferred with his Special Coordinator for the Middle East Peace Process, Terje Roed-Larsen, in advance of his meeting the following morning with members of the so-called "Quartet" on the situation in the Middle East.

At that meeting on Wednesday morning, the Secretary-General discussed the escalating crisis for over an hour without aides at Madrid's Palace of Moncloa with U.S. Secretary of State Colin Powell, Spanish Foreign Minister Josep Piqu? representing the rotating presidency of the European Union, High Representative for European Union Common Foreign and Security Policy Javier Solana, and Russian Foreign Minister Igor Ivanov.

Immediately after the press conference, the Secretary-General departed Madrid for Rome, Italy.

New World Order without Ideologies

by HRH Prince El Hassan bin Talal (Jordanian Prince, Uncle of King Abdullah of Jordan and present President of the Club of Rome.)

Hours after the five-week standoff at Bethlehem's Church of the Nativity ended, Israeli Foreign Minister Shimon Peres arrived in Rome for talks with Premier Silvio Berlusconi and top Vatican officials. Peres met with Vatican Secretary of State Angelo Sodano and Vatican Foreign Minister Archbishop Jean-Louis Tauran. During his visit Peres said Italy would be a good venue for a peace conference.

Israel's Prime Minister, Ariel Sharon, said: 'We have excellent relations with Rome and my personal relations with Prime Minister Silvio Berlusconi are great.'

Saturday, May 03, 2003 MADRID, Spain — Pope John Paul II (search) began a whirlwind visit to Madrid on Saturday, testing his frail health and seeking to reinvigorate those Spanish Catholics who have strayed from their once-dominant church. The pontiff, who turns 83 this month, arrived at Barajas airport outside Madrid aboard an Alitalia jetliner. King Juan Carlos and Queen Sofia greeted him at the VIP terminal as he began his first visit abroad in nine months.

King Juan Carlos, speaking before the pope, praised the pontiff as "a tireless fighter for the most noble causes."

"This will probably be this pope's last visit to Spain, although you never know," the archbishop of Madrid, Cardinal Antonio Maria Rouco, said in an interview published Saturday in the newspaper El Mundo.

Powell To Meet Pope US Secretary of State Colin Powell will visit Pope John Paul II next week to discuss the Middle East peace process and rebuilding post-war Iraq, US and Vatican sources said today. The meeting on Monday will be the first high-ranking face-to-face talks between the US government and the Vatican since the US-led war in Iraq, which the Pope vehemently opposed.

Pope Meets with Colin Powell, Calls for a Palestinian State

Again, Pope John Paul II takes a position regarding God's covenant land that is not biblical.

As a reminder, PLO Chairman Yassir Arafat had nine meetings with Pope John Paul II at the Vatican since the signing of the Oslo I Agreement on September 13, 1993.

Vatican Signs Agreement with the Palestinians over Jerusalem

The Vatican and the Palestinians signed an agreement on February 15, 2000, stating the following:

An equitable solution for the issue of Jerusalem, based on international resolutions, is fundamental for a just and lasting peace in the Middle East, and that unilateral decisions and actions altering the specific character and status of Jerusalem are morally and legally unacceptable; Calling, therefore, for a special statute for Jerusalem, internationally guaranteed, which should safeguard the following: (a). Freedom of religion and conscience for all. (B). The equality before the law of the three monotheistic religions and their Institutions and followers in the City. ©. The proper identity and sacred character of the City and its universally significant, religious and cultural heritage. (d). The Holy Places, the freedom of access to them and of worship in them. (e). The Regime of "Status Quo" in those Holy Places where it applies.

The Israelis responded by saying, "Israel expresses its great displeasure with the declaration made in Rome by the Holy See and the PLO, which includes the issue of Jerusalem, and other issues which are subjects of the Israeli- Palestinian negotiations on permanent status. The agreement signed by these two parties constitutes a regretful intervention in the talks between Israel and the Palestinians."

POWELL HAILS ITALY'S US SUPPORT US Secretary of State Colin Powell has been holding talks with Italian Foreign Minister Franco Frattini in Rome. He said Italy was the US's best friend and ally and that President George W Bush was grateful for Italy's contribution during the war with Iraq. Mr Powell also met Pope John Paul II in the Vatican to discuss Middle East peace efforts and the reconstruction of Iraq. It was the first high- level meeting between the US and the Vatican since the Iraq war. During the audience, the Pope spoke of his hopes for the United States- backed 'road map' for Middle East peace. He said he hoped that Israelis and Palestinians would be able finally to enjoy the same security and the same sovereignty. Source: WorldWatch

The Republican George W Bush will be elected US president on November 7 because he has more royal blood than his opponent, it was claimed today.

Mr Bush has direct descents from William the Conqueror, Henry II and Charles II, according to Burke's Peerage.

He also scores better than his father, who lost the office of president to Bill Clinton, because of his mother's well-to-do ancestors. Barbara Pierce Bush's royal connections include French Bourbon and several Scandinavian monarchs, as well as members of the Russian, Spanish and German monarchies.

Danish foreign minister hints at sanctions if road map stalls

By Arnon Regular, Haaretz Correspondent

Danish Foreign Minister Per Stig Moeller said Saturday the foreign ministers of the international Quartet (the UN, United States, EU and Russia) had prepared various means of applying pressure to force Israel and the Palestinians to implement the road map for a solution to their conflict.

Moeller, whose country, Denmark, headed the EU presidency when the road map was put together, was speaking on the eve of the arrival in the region of U.S. Secretary of State Colin Powell. He had been asked what sanctions could be imposed by the EU and the Quartet on any side that failed to implement the road map.

"We have a series of measures we will come out with at the appropriate time," Moeller

said at a conference of peace activists from Israel, the Palestinian Authority, Egypt and Jordan that was organized by the Jordanian Foreign Ministry. "I won't expose them now because if I were to do so, they would lose their effectiveness; but we are ready to use them if we are required to do so," he added.

Delegates at the conference included Haim Ramon, MK (Labor), former Labor lawmaker Uzi Bar'am, representatives from the Peres Center for Peace, Fatah activists from the PA and Jerusalem, and members of Jordanian and Egyptian peace movements.

Remarks with UN Secretary General Kofi Annan, Foreign Minister Igor Ivanov of the Russian Federation, Foreign Minister Josep Pique of Spain in the capacity of EU Presidency and Javier Solana, High Representative for Common Foreign and Security Policy of the EU

SECRETARY POWELL: Good afternoon, ladies and gentlemen. I am pleased to welcome to the State Department today Secretary General Annan, Foreign Minister Ivanov, Foreign Minister Pique, and High Representative Solana of the European Union to the Department to continue the discussion that we began in Madrid on April 10th on ways to end the violence and move towards peace in the Middle East.

Son's approach towards Europe misunderstood, says Bush Sr

MADRID: Former U.S. President George Bush said on Friday that some people had misunderstood his son's attitude towards Europe.

"I know there is a perception in some quarters here in Europe that this administration of his hasn't reached out to our friends and allies as much as some would like. I know that this is a misperception," the father of current President George W. Bush told a business conference in Madrid. The elder Bush, 79, cited his son's close work with Spanish Prime Minister Jose Maria Aznar as an example of how the president had reached out to Europe in the run-up to the war in Iraq.

May. 12, 2003 Spanish foreign minister to tour Middle East By THE ASSOCIATED PRESS

MADRID, Spain

Foreign Minister Ana Palacio said Monday she plans to visit governments in the Middle East to encourage peace efforts in the region. Palacio said she intended to include Cairo, Egypt, in her tour but provided no further information. Her office said details of her trip were not yet confirmed.

The support of the region's leaders for the so-called road map to peace proposed by the United States, United Nations, European Union and Russia is "very important" in securing its success, Palacio told reporters.

It is time to move "from statements to action," she added.

Enacting the Middle East blueprint for peace has become one of Spain's main foreign policy goals. It was one of the main arguments used by Prime Minister Jose Maria Aznar to justify to Spaniards his government's support for the US-led war in Iraq.

Spanish FM to meet Arafat in Ramallah

MADRID (AFP) - Spanish Foreign Minister Ana Palacio will meet with Palestinian leader Yasser Arafat (news - web sites) and prime minister Mahmud Abbas in the West Bank town of Ramallah, diplomatic sources said Tuesday. Palacio was due to head for Jerusalem later Tuesday after a meeting of EU and Arab ministers on the Mediterranean island of Crete. She will meet in Ramallah with Abbas and her Palestinian counterpart Nabil Shaath on Wednesday before a "short visit" to see Arafat the same day, the sources here said, adding there were no plans to meet with Israeli officials.

*** Now surely, even the most stubborn adherents of their own understanding of reality, saw the pattern. Powell and Bush run to Spain and Rome before planning their moves in the Middle East. That they are pulling the strings is an illusion. That they intend to bring peace to Israel is an illusion. That they are doing the Vatican's dirty work is the only truth that can be discerned from their actions.

Title: Text of Pope's Apology

Mark Brewer - September 17, 2006 07:40 PM (GMT)

The Byzantine emperor spoke the truth about Islam. Mohammed was evil and spread his religion by the sword. However, the pope denies the fact that Mohammed is evil in his apology! That shows whose side he is really on.

The following is the text of Pope Benedict XVI's remarks regretting causing offence to Muslims in his 12 September speech in the Bavarian city of Regensburg.

"Dear Brothers and Sisters,

The pastoral visit which I recently made to Bavaria was a deep spiritual experience, bringing together personal memories linked to places well known to me and pastoral initiatives towards an effective proclamation of the Gospel for today.

I thank God for the interior joy which he made possible, and I am also grateful to all those who worked hard for the success of this Pastoral Visit.

As is the custom, I will speak more of this during next Wednesday's general audience.

At this time, I wish also to add that I am deeply sorry for the reactions in some countries to a few passages of my address at the University of Regensburg, which were considered offensive to the sensibility of Muslims.

These in fact were a quotation from a medieval text, which do not in any way express my personal thought.

Yesterday, the Cardinal Secretary of State published a statement in this regard in which he explained the true meaning of my words.

I hope that this serves to appease hearts and to clarify the true meaning of my address, which in its totality was and is an invitation to frank and sincere dialogue, with great mutual respect."

Patriarch Visits Churches Attacked in West Bank

JERUSALEM, SEPT. 17, 2006 (Zenit.org).- The Latin patriarch of Jerusalem visited four of the churches in the West Bank and Gaza that were attacked following remarks by Benedict XVI that angered many Muslims.

No injuries were reported in the string of fire-bombings and shootings Saturday that caused no major damage to Christian churches of various denominations in Nablus, Tubas, Tulkarem and Gaza City.

Archbishop Michel Sabbah said on Vatican Radio today that in Nablus he was able to meet with the small Christian community, and they reported that "all the churches were attacked by a group of youths."

The patriarch reported that today "the mayor, the governor, and all those in charge met with the Christian religious leaders to avoid any kind of violence."

"All Muslim political and religious leaders are with us and support us. They have placed armed men to stand guard all night in the four churches," he added.

The patriarch explained that the Grand Mufti of Palestine and President Abu Mazen have expressed their solidarity.

Archbishop Sabbah added: "Now we must reflect on what initiative must be taken to reinforce the relationship between Christianity and Islam."

CRAIG-OXLEY - September 19, 2006 03:12 PM (GMT)

The Vatican dominates the world and people are petrified of them. The Muslim leaderships of the Middle East and also the Israeli Jews know and fear the Vatican and know they will destroy them if they don't play ball (ask the now cabbaged Ariel Sharon thanks to the Cup of Borgia he was given).

The reason the Israelis and Arabs are allowing the Vatican to own/rule all the Holy sites/old Jerusalem etc is because of this fear and knowing of the sheer power of the Vatican. Also the Vatican has given many promises of which it will never keep or only a few. One for instance offering Arafat which he accepted the giving of a PLO state within the Vatican's new Vatican/United Nations controlled Jerusalem. This will be full of U.N & NATO foreign troops guarding the Superior Jesuit General and Pope's kingdom.

Oh by the way Shimon Peres was behind Sharon's Cup of Borgia and guess who educated him from a youth? The **Jesuits** all the way through! Peres is a lackey for the Jesuit Order and of course his immediate master **Sovereign Military of Malta** Knight, King Juan Carlos of Spain who controls the Middle East for the highest hierarchy of course. This is why Bush and Blair were *ORDERED* to Spain just prior to the Iraq war. This King is very very powerful indeed and eclipses the Queen of England.

Title: Could Pope Ratzinger be giving a "cup of borgia"

Minuteman Matt - September 17, 2006 01:36 PM (GMT)

I read a poll on another forum and I find this possible playing card for the NWO. Knowing that the Pope has pissed off millions of Muslims across the globe and the Muslims are falling for the trap it might be possible. Also remember Pope John Paul I was giving a cup of borgia as well as Pope Clemons IV (don't know his exact name but he was poisend) This event would further fuel the hatred against Muslims by demonizing them and makeing the world hate them even more. This would give the Jesuits/Jews more power over Muslims and anyone who supports the JO/BN doctrine.

Also in a Star Wars perspective Darth Vader (Peter) Kills Ratzinger Emperor except Peter stays evil and becomes the New Emperor. However Peter seems to be getting old I really wonder who would take over for Peter.

Some possibiltys I could see...

1. Peter Hans Kolvanbach or another JO member gives him the cup of borgia.
2. Peter and the gang poisens then shoots him to make it look like a Muslim shot him
3. A radical Muslim or a Muslim group.
4. By some other entity
5. other

Alexandra - September 17, 2006 01:47 PM (GMT)

Sounds to me like RATzinger is doing his part. Though that's an interesting thought, Matt.

I think the whole idea at this point is to rile the Muslims up. They were framed on 9/11 and now we're invading Muslim countries and the pope is just pouring gas on the fire.

CRAIG-OXLEY - September 17, 2006 11:05 PM (GMT)

The idea is to further insight anger by the Christian world against the Muslim world as support is fading dramatically. At the same time the Muslims get more angry at whats happening to them. You may find a false flag of some sorts happening in the West or in Italy ready to insight big anger by Christians shortly. I doubt the Superior General Kolvenbach ordering Ratzinger to be given the Cup of Borgia but who knows with those evil Black Brotherhood pure Ancient Babylonian Mysteries Black Magickians and Sorcerors. What makes me laugh is that the Muslims still do not realise that the Koran and their current religion was created by the Papacy haha.

Peter Hans Kolvenbach will be replaced by someone of Spanish origin and of course one of the four in line to replace him fits the bill nicely. I forget his name but its something like ELYON??? Please someone remind me of this high level 4th Vow Jesuit. The reason for this choice and prediction is of course look at the Jesuits past history and also look at how their simply the ALUMBRADOS from Spain which was headed by once again Ignatius Loyola. Now if we want to go back further you will learn that all these powerful societies such as Templars, Alumbrados/Jesuits etc all got their pyramidal control system from the ROSIYANS or better known as the Assassins from the Middle East.

Could the false flag attack happen on my prediction of October 13th 2006? If you haven't checked up on my prediction then look at the October 13 thread in the Illuminati/NWO forum.

Brother Eric Jon Phelps believes that Elias Royon Lara SJ the Provincial of Spain will be the next Black Pope-I agree with him. I believe he is a hardliner and a Spanish Inquisition Black Pope while his slave Josef Ratzinger is the Nazi White Pope and their target is the historically Protestant West after they obliterate most of the Muslim world using their military industrial complex manned by the SMOM, High level Shriner and Scottish Rite Freemasonry, and other secret societies all controlled by the Jesuit Order at the top. The Protestant West is apostate having been infiltrated and subverted by the Black Pope's Masonic Craft, Arminianism, Jesuit eschatology, and Charismatic movement today for the most part. The Jesuits' Counter-Reformation has gained the upper hand after the War Between States they agitated and fueled after which they erected their Fourteenth Amendment Unholy Roman Empire from the ashes of the Biblically Protestant Baptist-Calvinist Federal Republic of these United States of America. I posted this awhile back-it has info on him. Take a few letters in his name, unscramble them and you get "Loyola" which could be significant or not.

HOW THE JESUITS, SMOM & SCOTTISH RITE(KNIGHTS TEMPLARS) RULE ISRAEL AND THE JEWS

Dont fall for the disinformation that Jews rule the world. Do some of your own research

By 2TUFF
[Original Link](#)

These people won't tell you who controls the United States and Israel. This corporation and its 51st state are both controlled from Britain itself through the formerly know Round Tables group within `The City' owned by the **Jesuits** and their **Sovereign Military of Malta** and managed by the Rothschilds. The Round Table Group controls groups such as RIIA, **CFR**, TRL etc. The Council on Foreign Relations was created by the Sovereign Military of Malta and its controlled from the Americas by the SMOM Maltese Knight leadership from the NY Round Table headed by **Cardinal Edward Egan** the current Archbishop of NY.

Now once again if you seriously research Israel you will find that the **CFR** dominate its government and policies and this helps give the sheeple the illusion that Israel controls the U.S when infact the **Jesuits, SMOM** and British have controlled their corporation since 1868.

Something else to ponder is this, B'Nai B'Rith an actual Illuminati Jewish group controls the Anti Defamation League another jewish group. Now who created and controls the B'Nai B'Rith? **The Scottish Rite** of Freemasonry! Whos the Scottish Rite? Its the highest order of freemasons created by the **Jesuit Order**. All the degrees within the Scottish

Rite were created by the **Jesuits** including the ones instituted by *Fredrick the Great II*. Now for more info on the Scottish Rite you will find their another division of the **Knights Templar** whilst the first division is the **Sovereign Military of Malta**.

So how do jews rule anything?

The Vatican owns 60% of Jerusalem and of course Temple Mount. This always stumps the disinformationist Jew bashers and diversion masters diverting your attention away from the Omega point of control. When Ariel Sharon didn't follow the **Superior General** and his Pope what happened to him? Whos one of the highest known Templars? George H.W Bush and of course the head of the Scottish Rite is really the **Superior General of the Society of Jesus**.

They fear the mass people finding out about the Jesuits, SMOM, Scottish Rite and Vatican rule of the planet. One thing which shields the Jesuits well is the damn Catholic religion. If only people realised they follow the purest form of the Ancient babylonian Mysteries Religion really well that would be interesting. So once again the Jesuit "**Black Brotherhood**" Order uses its agents and the dumb sheeple to spread the disinformation on the jews.

I guess I'll get called a disinformationist myself by the usual agents and idiots who claim I'm a Jesuit then a Jew then something else. I just spread the truth and if your denial and gatekeeper systems along with all the misinformation you've followed for so long puts barriers up against the truth then thats your problem. What people need to realise is that the Jesuit Order banned Jews from entering the Order which lasted all the way till 1948.

Do you have a source for that?

Thanks for the links. I read through them all, but didn't see where it says the Vatican owns the Temple Mount, or where they gave the 60% figure. I don't doubt that they own a lot of land in the area, or that they hold some treasures from the Temple Era, but the Temple Mount is a different story. Its owned by the Muslim Waqf in Jerusalem.

They call it the Dome of the Rock, and Al Aqsa.

I had heard this claim of Vatican ownership before, and questioned it, but never got an answer.

Proof has profound implications, and if the Muslims don't own it they don't know about it.

CRAIG-OXLEY - September 17, 2006 11:14 PM (GMT)

Barry Chamish & Eric Phelps will answer this indepth quite easily and I think you will find the land is owned by the Vatican and thats different to whats on top of it.

I did some research and all I came up with is their claim that someone said a secret agreement was being made. It didn't speak of it in the past or present tense. And the other parts of the supposed agreement have not come to pass. It sounds like sensationalism.

Either way Israel never held ownership. Israel recognizes the Waqf, and no one told them any different yet so it couldn't be a valid deal without their consent. Without documents available to the public, and without any formal statements this is highly specualtive.

What source do Chamish and Phelps have other than the single person making the claim?

I'm not trying to make this into a problem, I really would like information on it.

There are staggering implications, but not without some hard proof skeptics will swallow.

I'd like to get out on other founs and discuss this, but it wouldn't help matters if there's no way to verify.

CRAIG-OXLEY - September 18, 2006 11:12 PM (GMT)

Ive got an audio file I need to listen to! You must also remember that Barry Chamish is a serious thorn in the side of the Israeli and Vatican hierachy. This is why hes had the hassles hes had of late. Hes also very reliable!

Confession No. 15: A Look Back at Who Really Killed Pope John Paul I

The evil and devilish hands controlling the Vatican even kill their own when they try to come against the New World Order and Illuminati.

17 Sep 2006

By Greg Szymanski

<http://www.arcticbeacon.com/17-Sept-2006.html>

There is an outdoor caf  near St. Peter's Square nicknamed La Strada di Puttani(street of the whores) where common-folk drink espresso while men disguised in black robes perform the devil's dirty work inside the walls of the Vatican.

Coincidentally, the street where the coffee shop sits acquired its rather unusual nickname years ago as it was common knowledge that brothels lined the streets, making it an easy walk for the Vatican priests who blatantly disregarded the vow of chastity just as they recklessly disregarded the vow of poverty, considering the Vatican owns 25 percent of the world's gold bullion and enormous land holdings world wide.

Although the "Street of the Whores" now has turned into a religious side show, as the brothels have been replaced by rows of shops where artifacts such as candles, blessed rosaries and holy water are sold for high prices to tourists who flock to take home a lasting remembrance of their trip to the Vatican.

This street and the caf  however, have a lasting remembrance in my soul, not for buying a bottle of tap water supposedly turned holy, but for the first time hearing from a

visiting Vatican priest (who will remain nameless) that Pope John Paul I was assassinated by the Vatican Masonic/devil worshipping hierarchy on Sept. 28, 1978, after his 33 day papacy was one of the shortest reigns in papal history.

"Who did it?" I remember asking the priest, as he quickly leaned over his espresso saying the "poison cup was given to him" by former Cardinal and Vatican Secretary of State, Jean-Marie Villot, born in Saint-Amant-Tallende, France in 1905 and died only six months after the assassination of Pope.

Besides getting that incredible inside information of the demise of John Paul I while working as a fledging young reporter in Rome from 1979-1986, the caf d till holds a lasting memory in my soul since it was also the first place I learned the truth about the Vatican real intentions, as well as its hierarchy being devilishly involved in satanic worshipping and child sacrificing, as rather bloody sacrifices reportedly for centuries had been going on inside what many Italians openly called "the belly of the black beast."

"It's the perfect cover," I remember one Italian telling me who also claimed "nothing is what it appears to be. They claim to be men of God, but they are Lucifer's men bringing destruction to Italy and the rest of the world."

The Italian went on to say the Jesuits and Franciscans were to be watched closely, adding that especially the Jesuits should be watched since they had been assigned the gruesome task of being the Vatican's deceitful and cunning henchmen and assassins worldwide.

Although this Confession with the Jesuits No. 15 will not concentrate on child sacrificing and devil worshipping or the Jesuits worldwide underhanded influence, it will focus on the Vatican assassins of John Paul I, who were none other than those filthy members of the Church's hierarchy actually working for Lucifer and who were also active members of Freemasonry.

It is the contention of this Confession writer and many other esteemed researchers that John Paul I was killed for the following reasons:

--He wanted to clean up the Vatican Bank which was later riddled in 1982 with scandals revealing the Vatican hierarchy's filthy connection with Freemasonry, the Mafia, the CIA and its real purpose of bringing financial destruction while advocating wars and genocide worldwide. *Note: Italian and French reports connected and named over 150 high ranking bishops and cardinals who were active members of Freemasonry, including the P2 Masonic Lodge and many other secret and dark societies.*

--He was against passionately against the policies of the New World Order and the Illuminati, as well as wanting to diminish the power of the Jesuit General, better known as the Black Pope, who is the real leader of the Vatican.

For this he was killed on the 33rd day of his papacy, the number 33 being an occult symbol that good will never defeat evil and the disguise and duplicity of the Vatican will never be uncovered.

Although much information during the early 1980's was uncovered and reported in Europe about John Paul's murderers, including Cardinal Villot's connection, very little information ever surfaced in the U.S. Furthermore, the Vatican's control and evil tentacles to this day have kept any serious investigation under wraps and in the realm of only conspiracy theories.

In fact, Cardinal Villot's reputation and legacy has been tightly protected by the Vatican ever since he died, with reports surfacing firmly denying he had ever had any Masonic affiliations.

However, recently this Confession writer was contacted by the former body guard of the Most Reverend Marcel-Fran^oYs Lefebvre C.S.Sp. (November 29, 1905-March 25, 1991), better known s Archbishop Marcel Lefebvre, a Roman Catholic bishop who took the lead in opposing the reforms within the Catholic Church associated with the Second Vatican Council (1962-65). In particular, he also condemned ecumenism,[3] the principle of religious liberty, collegiality] and the replacement of the Tridentine Mass. In 1970, he founded the Priestly Society of St. Pius X (SSPX), an organization which continues in existence to this day.

No friend of Cardinal Villot, Archbishop Lefebvre had a different view of Villot's activities outside of the Vatican:

"I had the privilege to act as bodyguard for Archbishop Marcel Lefebvre who was no friend of the Masons and said Villot was a member which I believe him," said his bodyguard about what the Archbishop told him before he died.

So, knowing Cardinal Villot was connected with the dark side, let's look at what others have found over the years connecting the Vatican hierarchy with responsibility of ordered the death of its own leader. However, first let's briefly look at some of the main characters:

Who was Pope John Paul I?

Pope John Paul I (in Latin Ioannes Paulus PP. I), born Albino Luciani (October 17, 1912 - September 28, 1978), reigned as pope and as sovereign of Vatican City from August 26, 1978 to September 28, 1978. His 33-day papacy was one of the shortest reigns in papal history, resulting in the most recent Year of Three Popes. By contrast, the pontiff who succeeded him and who shared his regnal name, John Paul II, went on to have one of the longest reigns in history.

Having died before he could make a legacy as a pope, he is best remembered for his friendliness and humility, drawing comparisons with "Good Pope John", the widely popular Pope John XXIII.

He was the first pope to choose a double name and did so to honor his two immediate predecessors, Pope John XXIII and Pope Paul VI. He was also the first (and so far only) pope to use "the first" in his regal name.

Who was Cardinal Villot?

Jean-Marie Cardinal Villot (11 October 1905 - 9 March 1979) was a French Cardinal of the Roman Catholic Church, Archbishop of Lyon, and a prominent member of the Roman Curia in Vatican City.

Born in Saint-Amant-Tallende, France in 1905, Jean-Marie Villot was ordained a priest in 1930 and an auxiliary bishop of Paris in 1954.

Villot was named Archbishop of Lyon in January 1965 and was elevated to Cardinal the next month by Pope Paul VI, in the consistory of 22 February, with the title of Cardinal-Priest of SS. Trinità Monte Pincio. He was later given the title of Cardinal-Bishop of Frascati in 1974. Pope Paul VI appointed him prefect of the Congregation for the Clergy in April 1967 and he would then from henceforth play a very prominent role in the papacy of Paul VI, being named Cardinal Secretary of State by Paul in May 1969. In 1970, Cardinal Villot was named Camerlengo of the Holy Roman Church.

In July 1971 he was appointed president of the newly-formed Pontifical Council Cor Unum. It was a position he held until 1978 when he resigned from it during the reign of Pope John Paul I.

Villot remained Secretary of State for the remainder of Paul VI's reign, and was retained in that capacity by both John Paul I and John Paul II, although there is some speculation that he might have been slated for replacement by John Paul I had the Pope reigned longer.

Cardinal Villot participated as an elector in both the August 1978 Papal conclave that elected John Paul I and the October 1978 Papal conclave that elected John Paul II as Pope. Jean-Marie Cardinal Villot died in 1979 in Rome.

Before looking at some of the others involved in John Paul's untimely demise, let's look at how other researchers, including David Yallop and Father Jesus Lopez Saez, felt about the murder of the Pope, as reported by an unknown researcher on the internet:

The murder of Pope John Paul I

"We will go back, My child, in history, a short history, and remember well what had

happened in Rome to John, Pope John, whose reign lasted 33 days. O My child, it is history now, but it is placed in the book that lists the disasters in mankind. He received the horror and martyrdom by drinking from a glass. It was a champagne glass given to him by a now deceased member of the clergy and the Secretariat of the State [Cardinal Villot]." - *Our Lady of the Roses*, May 21, 1983

Yet another book has been written on the suspicious death of Pope John Paul I, this time by a Spanish priest named Father Jesus Lopez Saez. Building upon the work of David Yallop, Father Saez writes:

*After almost three years of research, David Yallop wrote, in his book *In God's Name* (1984), that the precise circumstances attending the discovery of the body of John Paul I "eloquently demonstrate that the Vatican practiced a disinformation campaign." The Vatican told one lie after another: "Lies about little things, lies about big things. All these lies had but one purpose: to disguise the fact that Albino Luciani, Pope John Paul I, had been assassinated." Pope Luciani "received the palm of martyrdom because of his convictions."*

Sister Vicenza

Sister Vicenza found the Holy Father dead at approximately 4:45 a.m. on September 29, 1978 and was forced to keep silent by the Secretariat of State, Cardinal Villot, who imposed a vow of silence upon her to cover-up the whole affair. The secretaries were likewise forbidden to advise anyone of the events without Cardinal Villot's authorization. A trustworthy person conveyed to Fr. Saez personally that Sister Vicenza had said, "But the world must know the truth."

Sister Vicenza gave two conflicting reports concerning the state that she first found Pope John Paul I. According to her breathless words to a group of French priests that same morning, it was "in his bathroom" that she had "found him dead." Yet another report (no doubt arranged by Cardinal Villot), says that Sister Vicenza entered the room and found the Pope sitting up in bed, "with an expression of agony" before he died. This discrepancy is very important: if it was determined that Sister Vicenza found the Holy Father dead in the bathroom, still in his papal robes, this would indicate that Pope John Paul I died shortly after his "toast" with Cardinal Villot the night of September 28, 1978.

Cardinal Villot in the hours following

Pope John Paul I's murder

David Yallop reconstructs the actions of Cardinal Villot and paints a very suspicious portrait. It is reported that at 5:00 a.m. Cardinal Villot confirmed the Holy Father's death. The Pope's glasses, slippers, and will disappeared, "none of these items has ever been seen again." Speculation is that there may have been vomit on the slippers, which if examined would identify poison as the cause of death.

Cardinal Villot (or an aide) telephoned the embalmers and a Vatican car was sent to fetch them. Incredibly, the car was at their door at 5:00 a.m.! What ensued in the following hour is still a mystery.

It was not until 6:00 a.m. that Dr. Buzzonati (not Professor Fontana, the head of the Vatican medical service), arrived and confirmed the death, without drawing up a death certificate. Dr. Buzzonati attributed the death to acute myocardial infarction (heart attack).

At about 6:30 a.m. Villot began to inform the cardinals, an hour and a half after the embalmers had arrived! Yallop notes that, for Cardinal Villot, the embalmers took precedence over the cardinals and the head of the Vatican medical service.

By 6 p.m. that evening, the Papal Apartments had been entirely polished and washed. Yallop writes that the secretaries packed up and carried away the Pope's clothes, "including his letters, notes, books and a small handful of personal mementos.... By 6:00 p.m., the entire 19 rooms of the Papal Apartments were totally bereft of anything remotely associated with the Papacy of Luciani."

Villot arranged for the embalming to be performed that evening, a procedure as unusual as it was illegal. Why the rush? It is also reported that during the embalming it was insisted that no blood was to be drained from the body, and neither were any of the organs to be removed. Yallop notes that "a small quantity of blood would of course have been more than sufficient for a forensic scientist to establish the presence of any poisonous substances."

An alibi for Cardinal Villot:

*As the book *In God's Name* (more than 5 million copies sold) attracted worldwide attention, a disinformation campaign arose in 1984 to discredit David Yallop's conclusions. In a news article quoting Fr. Giovanni Gennari (attempting to defend the Curia against the accusations of investigative journalist David Yallop), Fr. Gennari stated: "John Paul II's predecessor mistakenly took an overdose of tranquillisers... After his conversation with Cardinal Villot, the Pope [John Paul I] mistook the dose he should have taken." (Ouest-France, undated press clipping, July 1984) The same article repeats a statement made by Cardinal Villot in 1978, his alibi*

Villot: "What occurred was a tragic accident. The Pope had unwittingly taken an overdose of his medicine. If an autopsy was performed it would obviously show this fatal overdose. No one would believe that His Holiness had taken it accidentally. Some would allege suicide, others murder. It was agreed that there would be no autopsy."

So Cardinal Villot's alibi was that Pope John Paul I overdosed on his own medication for low blood pressure (Effortil). This alibi intentionally left room for speculation of suicide, to deflect attention away from the real cause of John Paul I's death: poisoning

by Cardinal Villot himself.

Pope John Paul I was in good health

According to Dr. Buzzonati, Pope John Paul I's cause of death was a heart attack. Regarding this alleged "heart attack," John Paul I's niece affirmed:

"In my family almost no one believes it was a heart attack that killed my uncle. He never had heart trouble or any illness of that kind." (San Juan Star, October 3, 1978) <http://www.thesanjuanstar.com/>

And Pope John Paul I's brother:

"John Paul's brother Edoardo, in Australia on a trade mission, reported that the Pope had been given a clean bill of health after a medical examination three weeks ago. He was frail in health as an infant and as a young priest, but there were no reports of heart trouble." (San Juan Star, October 9, 1978)

From Time magazine (October 9, 1978):

In an earlier age so untimely a death might have stirred deep suspicions: "If this were the time of the Borgias," said a young teacher in Rome, "there'd be talk that John Paul was poisoned."

But the Vatican replied that such allegations were "irresponsible." (San Juan Star, October 18, 1978)

Enough evidence for any law-respecting state

Fr. Saez notes in his book that the amount of evidence is such that "no judge on earth could disregard it." He also notes that

"the data and the evidence that we already possess would justify a serious judicial enquiry in any law-respecting state. Now, not only does the Vatican refuse to conduct such an enquiry, but it does exactly the opposite: it thwarts and suppresses any research that tries to get to the bottom of this enigma surrounding John Paul I's death. This state of affairs is manifest in the Vatican's refusal to carry out an autopsy (if in fact one was not carried out) or in the clandestine nature of this operation (if it did actually take place). It also reveals itself in the obscurity surrounding the embalming, in the way that information regarding the circumstances of the death and the discovery of the body was manipulated, in the silence imposed on Sister Vicenza, in the pressure brought to bear on individuals and institutions, and in the widespread fear of speaking about this whole affair. This fear, whether conscious or not, runs particularly deep in ecclesiastical circles."

Prior to Pope John Paul I's murder, Our Lady's message of September 13, 1978 warned that there was a "foul plot" against the Holy Father, and that the world would "soon understand" what She meant. According to Fr. Saez, a recent poll reports that 30% of Italians are convinced that John Paul I was assassinated (about 15 million people).

Fr. Saez's book, *Se Pedira Cuenta*, (143 pages) is published by: Origenes; Plaza del Tuy, 4; 28029 Madrid Spain.

"But, My children, as I said in the past, I repeat again, that satan and his agents, the band of 666, has entered into the highest places of the hierarchy; and therefore he has captured some of Our formerly noble hierarchy to do his bidding." - Our Lady of the Roses, June 1, 1978

Our Lady of the Roses awesome Bayside Prophecies... <http://www.tldm.org/./Bayside/>

These prophecies came from Jesus, Mary, and the saints to Veronica Lueken at Bayside, NY, from 1968 to 1995.

The murder of Pope John Paul I

"We will go back, My child, in history, a short history, and remember well what had happened in Rome to John, Pope John, whose reign lasted 33 days. O My child, it is history now, but it is placed in the book that lists the disasters in mankind. He received the horror and martyrdom by drinking from a glass. It was a champagne glass given to him by a now deceased member of the clergy and the Secretariat of the State [Cardinal Villot]." - Our Lady of the Roses, May 21, 1983

Furthermore, to help in understanding some of the other evil doers inside the Vatican before and after the murder of John Paul I, a web site entitled Bayside Prophecies provided an analysis of some of the major players, including the aforementioned Cardinal Villot:

For the sake of brevity, we will focus on only four cardinals: Cardinals Villot, Benelli, Casaroli, and Sodano. Three of these Cardinals have held the office of the Secretariat of State, the second highest position in the Catholic Church. Our Lady of the Roses mentioned three of these men by name on September 27, 1975:

"Antonio Casaroli, you shall condemn yourself to hell! Giovanni Benelli, what road have you taken? You are on the road to hell and damnation! Villot, leader of evil, take yourself from among those traitors; you are not unknown to the Eternal Father. You consort with the synagogue of satan. Do you think you shall not pay for the destruction of souls in My Son's House?" (Our Lady, September 27, 1975)

Cardinal Villot

Fr. Jesus Lopez Saez, in his book Se Pedira Cuenta, reports that 30% of Italians are convinced that John Paul I was assassinated (about 15 million people). The convictions of these people are confirmed by Our Lady of the Roses: "We will go back, My child, in history, a short history, and remember well what had happened in Rome to John, Pope John, whose reign lasted 33 days. O My child, it is history now, but it is placed in the book that lists the disasters in mankind. He received the horror and martyrdom by drinking from a glass. It was a champagne glass given to him by a now deceased member of the clergy and the Secretariat of the State [Cardinal Villot]." - Our Lady, May 21, 1983 (Read more...)

Cardinal Benelli

After the murder of Pope John Paul I, prior to the papal election in October, 1978, Our Lady of the Roses gave this dire message: "My children, a conclave shall start, and without prayers you will receive one on the seat of Peter, one with dark spirits, consorting with the devil." (Our Lady, October 6, 1978)

And Our Lady of the Roses message of June 4, 1977: "Already in Rome, as I gave you in the past, the man called Benelli has come forward to approach the seat of Peter and to bring upon Rome the full reign of 666 on the seat of Peter! I beg you, I implore you, as your Mother, to listen! I have warned you now upon your earth; I have come to you as a Mediatrix between God and man, imploring you to listen to My counsel and My direction. The forces of hell are loosed upon your earth now."

Our Lady of the Roses prophecy fulfilled

The history of this papal election bears witness to Our Lady of the Roses prophecy: In the first ballot Cardinal Benelli got 22 votes; Siri 18; Felici 17; Baggio 15; Poletti, the Vicar General of the Pope, 6; Cardinal Wojtyla only 2. The remaining 31 votes were dispersed (of the 138 electors, 27 were Italians). 75 votes were required to be elected. The second vote shortened the field with a big surprise: Cardinal Siri had no votes, but Felici had increased to 30. Benelli had escalated to 40; he needed 35 more to win. Cardinal Wojtyla was astonished to have escalated to 9. Cardinal Koenig was certainly his enthusiastic fan, making proselytes in his favor, especially among the Polish and Germans such as Cardinals Krol and Ratzinger. The other 23 votes were dispersed. The idea of a non-Italian Pope was still hard to digest.

For the third vote there were two big contenders: Cardinal Felici, 38; and Benelli, 46. Cardinal Wojtyla remained immovable at 9 votes.

The fourth ballot was, for many, the end, when they heard that Benelli had got 20 more votes for a total of 60, leaving all other challengers far behind.

So went the fifth and the sixth ballots, except that Cardinal Wojtyla had started to gain ground and his supporters now were 25.

After the seventh ballot, Cardinal Benelli thought he was nearly elected: 70. Five more and he would be the new Pope. Still black smoke poured through the Sistine chimney. Suddenly, after the eighth ballot, the count had switched: Cardinal Wojtyla, 70; Benelli, 40. All stared at Wojtyla, who went to his room to pray.

Finally, the ninth scrutiny voiced loudly: Karol, Cardinal Wojtyla, from Krakow, had obtained 96 votes. The news was announced by white smoke. Pope John Paul II had become the 266th successor of St. Peter!

Cardinal Casaroli

Our Lady of the Roses gave yet another stern warning to Cardinal Casaroli: "And now, My child, I must ask that you write, that you all write, to Cardinal Casaroli, who is influencing the Holy Father to not listen to this message. His influence shall bring great penance to his soul if he does not come from his course of appeasement, which shall lead to enslavement for many. My child and My children, I do not have to go into a long discourse to tell you of the evils of communism. The world, and its condition, speaks for itself." (Our Lady, June 18, 1987) (Read more...)

Cardinal Casaroli became the Secretary of State in 1979, and held that position throughout the following decade. He was considered the primary practitioner of the Vatican policy of "ostpolitik" (which is precisely the "course of appeasement" Our Lady was talking about) during the years of the Cold War, and in a public address he described his successful efforts to persuade Pope Paul VI to seek accommodations with the Soviet empire-- abandoning the policies of Pope Pius XII, who had refused all forms of cooperation with the communist regime.

Pope Paul VI was torn by doubt about the morality of "ostpolitik," which was administered during his pontificate by the late Cardinal Casaroli. In an interview not long before his death, Casaroli revealed that Pope Paul feared he was not being faithful to the Gospel in remaining silent while Catholics were suffering communist persecution, and that Casaroli had to persuade the Pope "to stay with his (Casaroli's) policy." ["Paul VI had doubts about ostpolitik," CWN news interview, Nov. 24, 1997]

Cardinal Casaroli died on June 9, 1998.

Cardinal Sodano

Cardinal Sodano, once holding the second most powerful position in the Catholic Church (Secretariat of State), has publicly denounced Pope John Paul II as "despotic."

Sodano: praises heretic

In a 1998 speech at the Lateran, Cardinal Sodano praised the heretic Hans Kung as having written "beautiful passages on the Christian mysteries," even though Kung has denied: the divinity of Christ, the miracles of the Gospel, the bodily resurrection of Christ, the historical founding of the hierarchical Catholic Church, and that the Mass is a re-presentation of the Sacrifice of Calvary.

Cardinal Sodano called Kung "the German theologian," even though Cardinal Ratzinger (by order of Pope John Paul II) had stripped K? his theological credentials in 1998.

Kung is considered to be the most notorious heretic of the post-conciliar era.

Sodano: receives praise from liberals, heretics and anti-Catholics

Cardinal Sodano has drawn praise from the infamous and heretical organization "Call to

Action." Readers may recall that Bishop Fabian Bruskewitz of Lincoln, Nebraska, excommunicated all Catholics in his diocese who attained or retained membership in Call to Action after April 15, 1996 (Read more...). Advocates of Call to Action, elated at what they termed a "Vatican thaw," proclaimed that Cardinal Sodano astonished the worldwide Church by praising the heretical Swiss theologian Hans Kung. The liberal National Catholic Reporter (NCR) also joined the bandwagon. The April 3, 1998 edition applauded Cardinal Sodano's friendly mention of Kung. The NCR promotes contraception, married priests, and acceptance of woman priests, amongst other things.

Hans Kung was happy, too. He said, "I never got much praise from the Vatican ... I think ... it's an indication of change ... coming changes in the general climate of the Church."

Are any Catholics paying attention?

*Sodano: supported Germany's collusion in counselling that facilitated abortions
Cardinal Sodano initially supported Cardinal Lehmann's stance that Germany's issuance of certificates used to kill children was a matter for the bishops of Germany to decide. But Sodano was later forced to sign a joint Vatican declaration with Cardinal Ratzinger, insisting that the German bishops' complicity in abortion must cease. According to The Tablet (April 28, 2001), Cardinal Sodano "had originally supported [Cardinal] Lehmann's position in the controversy over whether the Catholic Church in Germany should continue to provide some of the pregnancy counselling centers there, as Lehmann desired. The question was whether the Church was colluding in abortion by issuing certificates confirming that pregnant women in distress had been given counselling, if these were then used to secure a termination. It had been Sodano's opinion that such matters could be decided by the local bishops' conferences, but eventually he was forced to sign a decree together with Ratzinger which compelled the German Catholic bishops to pull out"*

Sodano: honors mass-murderer Gorbachev

At a June 27, 2000 Vatican press conference, Mikhail Gorbachev was given a seat of honor between Vatican Secretary of State Cardinal Angelo Sodano and Cardinal Achille Silvestrini. The subject of this "press conference" (at which no questions were permitted) was the Ostpolitik of the late Cardinal Casaroli, the former Secretary of State. The Vatican's policy of refusing to condemn communist repression of Catholics during the Cold War was lauded by Gorbachev and the two Cardinals. This is the same Gorbachev who, in 1987, told his fellow communists that "There must be no letup in the war against religion because as long as religion exists, communism cannot prevail. We must intensify the obliteration of all religions." This is the same Gorbachev who promotes worldwide abortion and contraception through his tax-free foundations. And this is the same Gorbachev who ordered the bloody invasion and war against Afghanistan, in which between 1.5 million and 2 million Afghans were killed (90% of whom were civilians), and 2 - 4 million were wounded.

Cardinal Sladkevicius of Lithuania, a witness to communist persecution of the Church, has warned, "The West has committed a serious error: it is trusting Gorbachev." The Cardinal also said, "Behind the openings of perestroika, a sham can be hidden: I am truly scandalized by the enormous and gratuitous credit which is given to the Kremlin outside the U.S.S.R."

And the Church has been scandalized by Cardinal Sodano.

Sodano: perpetuates infamous Vatican-Moscow Treaty

This horrendous scandal of honoring a murderer like Gorbachev would not have been possible without the Vatican-Moscow Treaty, the outcome of secret negotiations between the Holy See and the Kremlin in Metz, France in 1962. Cardinal Tisserant, Pope John XXIII's own representative, met with Archbishop Nikodim, the Kremlin spokesman, who at the time was head of the department of the external relations of the Russian Orthodox Church. At this meeting, the Vatican promised not to attack the people or the communist regime of Russia at Vatican II. This agreement enabled Russian Orthodox observers to attend the Council.

This existence of the Vatican-Moscow Treaty explains a great deal. It explains why the petition of more than 200 bishops from 46 countries to discuss communism during Vatican II was blocked. It also explains why the petition of the Spanish and Portuguese bishops to consecrate Russia at the Council was also refused.

This treaty has perpetuated a "communism-friendly" negotiating style amongst the Catholic hierarchy that has, for the most part, silenced the Church from effectively speaking out against the atrocities of this godless and ruthless system. In 1990, the KGB defector Anatoliy Golitsyn warned of this mistaken attitude:

"The Vatican should reverse its mistaken support for the renew of the communist regimes.... It fails to understand the greater apparent official tolerance of religion ... is accompanied by a secret drive to increase Party and KGB penetration of the Catholic and other churches and to use agents therein for political and strategic purpose...."

Just what Our Lady of the Roses has warned us about for years, but who listened? Pope Pius XI, prior to Vatican II, issued this crystal-clear condemnation of atheistic communism:

"See to it venerable brethren, that the faithful do not allow themselves to be deceived! Communism is intrinsically evil, and no one who would save Christian civilization may collaborate with it in any undertaking whatsoever. Those who permit themselves to be deceived into lending their aid towards the triumph of communism in their own country, will be the first to fall victims of their errors." (Pope Pius XI, Divini Redemptoris)

Cardinal Sodano continues to uphold the infamous Vatican-Moscow Treaty, the "course of appeasement", and seeks to silence all those who support and encourage the Pope to use God's weapon against worldwide communism: the consecration of Russia by the Pope and all the bishops of the world to the Immaculate Heart of Mary.

"Go forward, My child, now, and bring this message to the world: satan has entered into the House of God. He rules now from the highest places. The world and the Church of God is in deep darkness. Those who are in command-many have fallen away. Pray, My children, much, for with your prayers and sacrifices they, too, can be recovered."

Was Rome and the Vatican Responsible for the Lincoln Assassination?

Hidden book written in the late 1800's by Gen. Thomas M. Harris provides startling details, finding **all roads lead to Rome when it comes to Lincoln's real killers.**

By Greg Szymanski

<http://www.arcticbeacon.com/14-Sept-2006.html>

The investigation concerning whether Abraham Lincoln was killed by the devious and cunning hand of the Jesuit Order with the assistance of the Vatican has been well hidden from the American people.

Although numerous books, long since taken off the library shelves to protect the guilty parties, document the Jesuit and Vatican connection to the Lincoln assassination, it still remains a mystery and something most Americans consider as preposterous.

But if the truth be told and Americans were allowed to read the facts hidden in these books, the proposition forwarded by Eric Jon Phelps, author of *Vatican Assassins*, to banish all Jesuits from American soil wouldn't appear so outrageous.

In fact, if the real history of the Jesuits and the Vatican ever be truthfully told it would also be easy to see why America in the 1860's cut-off all diplomatic relations with the Vatican, not to be reinstated until President Ronald Regan officially reinstated relations during his Presidency.

However, besides most Americans not even realizing the above, has anyone really bothered to ask why diplomatic relations with the Vatican were originally cut-off? Could it have had something to do with many American leaders who actually understood the Jesuit connection to the Lincoln assassination?

Furthermore, has anyone ever asked why Reagan reinstated official diplomatic ties with the Vatican? Was it because high leaders in our government understood the Vatican and Jesuits were going to play a big part in the final overthrow of freedom, leading to fascism and martial law which, by the way, is the government of choice of the Jesuit Order and the Vatican.

In an effort to uncover the veil of secrecy, here is a passage taken from a book well hidden by the Jesuits and written by BREVET MAJ.-GEN. THOMAS M. HARRIS in the late 1800's entitled "Rome's Responsibility for the Assassination of Abraham Lincoln.

Listen how the opening passages in the book, dedicated to the memory of Lincoln, are questions that should be asked today, but are strangely kept out of the stream of discussion, indicating how deep the devious power of the Jesuits and the Vatican has infected the free institutions of our country.

The Anti-Catholic agitation that is now so rife in the United States, marks a crisis in our history. Hundreds of intelligent, patriotic, conscientious men are earnestly, laboriously, and courageously devoting themselves to this agitation.

Newspapers have sprung up all over the country to give warning of danger, and to arouse the spirit of American patriotism.

Societies are being organized all over the land to protect and defend American institutions against the aggressions and encroachments of a Foreign political power that has gotten a lodgment in this land of Liberty, and that is evidently bent on the destruction of our free institutions, and substituting for them the Papal despotism; a despotism that lords it over the minds, the consciences, and the actions of its subjects; and thus renders them incapable of loyalty to any other government.

What does it all mean? It is evident that a crisis is even now upon us; a crisis in which the world-old contest between freedom and despotism is to be definitely and finally settled. This is an old fight. The cause of liberty seemed to have achieved the victory when our forefathers achieved their independence through a successful revolution and founded our government on the principles for the first time formally announced in our Declaration of Independence; securing to our people the natural rights of man; freedom of the mind and conscience, freedom of worship, and freedom of speech and of action, and protection in the exercise of these rights.

Here, in the wilds of a newly discovered world, was established a well considered, well

understood, and truly democratic government; a government "of the people, by the people, and for the people." The tree of liberty was here planted in a fertile soil, and a congenial clime, and has become a well-rooted, vigorous and fruitful tree, of goodly stature. Its branches overshadow the land, and its fruit is pleasant to the taste. The question now is, shall it be plucked up by the roots, and burned in the fire?

To this question more than twelve million of American freemen, for themselves, their wives, and their children, and in behalf of humanity, return, in the most emphatic manner the answer: "Never!" and stand ready, if need be, to seal that answer with their blood. The fruit of the tree of liberty is so sweet to the taste, so refreshing and so invigorating that we are ready to say with Patrick Henry, "Give me liberty, or give me death."

It is because of a conviction that our government is threatened by a wily and formidable foe; that the cause of human liberty is in danger that we are in the midst of this anti-Catholic agitation. Is all this imaginary, or is there a real danger hanging over us like a cloud? Is the Roman Catholic Church the friend, or the foe of liberty? Is it a branch of the Church of Christ, in common with the various Protestant denominations, laboring in common with them, for the establishment of Christ's Kingdom on earth? If we answer this question in the light of history, in the light of present experience, in the light of the monstrous claims of the Pope, and in the light of the spirit by which it is everywhere and always animated, and in the light of its present efforts in our country, and in all lands, we must say that it does not, in any degree, bear the marks of a church of Christ. It is, in fact, only a compact, well-organized, and powerful political machine, wielded in the interest of the greatest despotism that has ever cursed the earth.

Knowing how so few people get a chance to hear "the dark side of the story" regarding the duplicity and evil cunning of the Vatican, as well as their connection with the Lincoln assassination, here are more pertinent passages from General Harris' book: Please read every word since we have no idea how long we have before the Jesuits figure out a way to take these words off the internet.

The Jesuit plans with the utmost art and cunning, unhampered by any moral restraints, and always with the utmost secrecy; and carries out his plans in the dark. We think, however, that this case, we have succeeded in tracing him through all the devious wanderings of his dark and slimy path, and, in fixing upon him the responsibility for the assassination of President Lincoln.

But we are not done yet. In the early part of September, 1865, these unholy Fathers thought it safe to unload their charge onto their brethren in England; and so made arrangements for sending Surratt across the Atlantic, under an assumed name, and in disguise.

For this purpose they arranged for his passage on a British steamer, the Peruvian,

which was to sail from Quebec on the 16th of September, 1865.

A physician with whom Boucher was well acquainted, by the name of McMillen, had just gotten the position of surgeon to this vessel, and they arranged with him to take under his especial charge, a man by the name of McCarthy, who, for certain reasons, wished to cross the Atlantic under an assumed name, and in the most secret manner. The day before the Peruvian was to sail from Quebec, these two unholy Fathers conveyed Surratt, in a covered carriage, to the steamer that was to carry passengers for the Peruvian from Montreal to Quebec. They had disguised Surratt by coloring his hair, painting his face, and putting spectacles over his eyes. Father LaPierre went also in the disguise of a citizen's dress. Arriving on board the steamer, Surratt was immediately stored away in a stateroom, from which he did not emerge during the voyage, LaPierre remaining in his room with him. Reaching Quebec, these two unholy Fathers placed their charge in the care of Dr. McMillen; and then took their final leave of him.

They had consigned him to the care of their friends in Liverpool, by the hands of Dr. McMillen, and through whose aid Surratt succeeded in placing himself under the care of the Roman Catholic Church in a foreign land. Rome is everywhere, and always the same, and he can feel safe as long as he is in the custody of the church. Here he waited for the Peruvian to make another voyage to Quebec and return. He sent by the surgeon, to his rebel employers in Canada, a request to send him some money; but only to receive the answer that they had no money for him. The expense of sending him across the continent, to Italy, thus fell on the church. His rebel friends had now forsaken him; but the church stood by him. He was sent to Italy and was mustered into the army of the Pope. Here he remained safely hidden away for a year or more; but was finally discovered by a government detective who had been sent in search of him, and who went voluntarily, hoping to get the offered reward, and who had enlisted in the same company to which Surratt belonged. This detective informed our government of his discovery; and through the agents of our government the Pope was informed that his soldier, who had enlisted under the name of Watson, was none other than the notorious John H. Surratt, who was a member of the conspiracy that accomplished the assassination of President Lincoln.

With a shrewd show of virtuous innocence, the Pope hastened to clear his skirts, and those of his underlings, by ordering his arrest, and rendition to our government, without waiting for its requisition. He was arrested by the Pope's authority, but was allowed to escape by his guards; and thus given another chance for life and liberty. The story was, that he made his escape by a bold leap over a precipice, at the risk of his life. "Tell this to the marines; the old sailors will not believe it." He was finally captured at Alexandria, Egypt, and was brought home in chains, where he was held to answer for his crime. Let us here pause a moment to consider the relations of the Hierarchy to this crime.

The testimony given on the trial of John H. Surratt, clearly convicts two of its priests, Boucher and LaPierre, of being accomplices in the conspiracy; and by implication, as

clearly convicts the Bishop of Montreal, Bishop Bourget. This testimony was spread before the world, and so must have been known to the Roman Catholic Hierarchy, yet it never called any of these priests to accountability, or held them responsible for this crime; the crime of the ages! No one of them was ever held to have forfeited his standing or good character in the church, on account of his connection with this conspiracy; and so, the Hierarchy stands before the world today, as having given its approval to their conduct in this matter.

We now come to the trial of John H. Surratt before a civil court. It is not our purpose to go into a general review of the trial; but only to show the interest taken in it by the Roman Catholic priesthood; the animus of the defense toward the government; and the means resorted to, to make sure of his acquittal. The hand of the Jesuit is everywhere traceable throughout the history of this trial; and by that hand, one of the most important trials that the history of American jurisprudence records, was well nigh turned into a farce by the skill and cunning of the defense. The cunning of the Jesuit was exercised in the preparations made in advance, to make sure of acquittal of the accused. The law of Congress, specifying particularly how juries to try cases in the criminal court, in the District of Columbia, should be secured, and was entirely ignored, in some of its most important and essential particulars. Counsel for the defense had been selected with special care. There were three of these: Mr. Merrick and the two Bradleys, Sr. and Jr. Of these, only one, Mr. Merrick, was a member of the Roman Catholic Church. The Bradleys were Episcopalians; but in their political sympathies, hostile to the government; and in full sympathy with its enemies, and with the assassins.

When the jury that had been drawn for this trial was challenged by the prosecution, and good reasons shown for its rejection, the counsel for the defense made a most vigorous, earnest and persistent effort to prevent its being set aside by the court. It is evident that they must have had a special reason for being so urgent for its retention, as the failure of the officers, whose duty it was to secure this jury, to observe the requirements of the law, was made so apparent that it could not be controverted. It leaked out, however, that sixteen out of the twenty-four drawn were Roman Catholics. and so, the reason for their determined effort for its retention was made obvious. It was set aside, and a venire was summoned, from which to obtain a jury. A jury was finally obtained, through a two-day effort and as the prosecution desired to remove, as far as possible, all religious and political considerations and influences from the trial, a considerable number of Roman Catholics were accepted on this jury. The trial then proceeded.

The defense proceeded at once to put the government and not the prisoner at the bar, on trial, They arraigned it for the murder of an innocent woman, Mrs. Surratt; and for having secured her conviction through an illegal tribunal, organized to convict, and not to try. By every means in their power they aroused a partisan spirit of political and religious bigotry; and so, surrounded the court with the air and spirit of a political convention, and removed, as far as possible, from the trial, the air and spirit of a judicial

procedure. The result was a hung jury. The author was informed by a very intelligent man, who took a prominent part in this trial, that, meeting one of the jurors, who appeared to be a very frank and intelligent man, on the day after the trial, he asked him if he felt free to tell how the jury stood. He replied that they were very nearly equally divided for conviction and acquittal. He then asked him if they did not think that he was proven guilty. "Oh, yes," he replied, "we thought he was proven guilty, but we thought his conviction would be a triumph for the Radicals, and we thought that the hanging of his mother was about enough."

A most noteworthy fact in connection with this trial, as bearing upon the subject of our investigation, was the deep interest manifested by the Roman Catholic priesthood of Washington in this trial; and their sympathy with the accused. There was scarcely a day, during the trial, but what one or more of them was found in the courtroom. They also made it manifest that they were there in behalf of the prisoner at the bar; and that they were ready to aid in his defense was very apparent.

Whenever the prosecution brought a witness on the stand whose testimony was particularly damaging to the accused, a witness was always found to rebut his testimony; and was always a member of the Roman Catholic Church. It was also a very significant fact, that no one of all these witnesses was able to pass the ordeal of Judge Pierrepont's cross-examination unscathed. It looked as though the task of these priests was to aid the prisoner's counsel, by finding the witnesses that they needed; and stuffing them with the needed testimony. It was thus made manifest, during the trial, on more than one occasion, that witnesses had been hunted up and furnished with a cooked up testimony to meet the requirements of the case. It is worthy of note that whenever the prosecution thought it important to rebut any testimony a witness was always promptly found for them: and was always a Catholic. The manner of these witnesses in testifying and the fact that they could never stand the test of Judge Pierrepont's searching cross-examination, justly gave rise to the suspicion that they had been suborned and were delivering a cooked up testimony. And these facts gave rise to the suspicion that it was the special business of someone to find and stuff the witnesses for the occasion.

John H. Surratt had been a student at St. Mary's College for a year or two, at the breaking out of the war. He had commenced a collegiate course, having the priesthood in view. His sympathies were so strongly with the South that he left the college, gave up his priestly aspirations, and engaged actively in the secret service of the Confederate government.

As a student, he was very popular at the college and seemed to have won the favor of the president and faculty. The summer vacation at the college occurred during the progress of the trial, and the president took occasion to spend a day in the courtroom, and sat, all day, at the side of the prisoner in the dock. His presence there was no doubt intended to have its effect on the Roman Catholic members of the jury. It was as much

as to say. "You see which side I am on." Many of the students of that college took occasion to visit their former fellow student during the trial; and always manifested their sympathy for him by the warmest friendly greetings; taking their places at his side.

How different was their treatment of his, and their fellow student, L.J. Wiechmann, who has also had the priesthood in view, but finding himself unable to continue at college, turned aside, temporarily, to replenish his pecuniary resources. He first found employment as a teacher in one of the Roman Catholic schools in the city of Washington; but finding a more lucrative position in one of the government offices, in the military department, he resigned his position as teacher, and became a clerk under General Hoffman, who was Commissary General of prisoners.

Mrs. Surratt rented her property at Surrattsville, and took a house in Washington, and as a means of support, took in boarders. Through his acquaintance with her son, John H. Surratt, at St. Mary's College, Wiechmann became an inmate of her house; and boarded and lodged there for some months before, and up to the time of assassination. In this way he saw many things that occurred in that house in connection with the conspiracy, but without understanding their import; and as he was a very agreeable and obliging young man, bright and intelligent, he seems to have been a favorite with Mrs. Surratt. He frequently escorted her to church, as she was a very devout Catholic; and was used by her on two occasions, just before the assassination, to drive her down to her former home at Surrattsville. The last time was on the afternoon before the assassination. As soon as the assassination was made known, the military police of the city and General Baker's whole secret service force, were set at work to discover the perpetrators of the crime.

It was soon ascertained that it was John Wilkes Booth who had shot the President; and the detectives soon discovered that Surratt was an accomplice of Booth; and that Booth had been a frequent caller, of late, at the house of Mrs. Surratt; and so, within six hours after the assassination, Mrs. Surratt's house was visited by the detectives, and all of its inmates were kept under their surveillance. Wiechman went, voluntarily to the Provost Marshall's office, along with another of the inmates of Mrs. Surratt's house, by the name of Hollohan, and submitted to a honestly and conscientiously, in answer to the questions put to him, narrated all that he knew in connection with Booth's visits to Mrs. Surratt's house. This examination developed the fact that Booth's business there was always with John H. Surratt, and in his absence, with his mother; and that it was always strictly private and confidential in its character.

Wiechmann was thus discovered to be an important witness in the case, and was so held by the government.

After the arrest of Mrs. Surratt and Payne, Wiechmann recognized Payne as a man who had made two visits to Mrs. Surratt's, once under an assumed name and other suspicious circumstances; and remaining there three days on the occasion of his last

visit. He left for Baltimore, but returned a few days later, clandestinely, to the city, and occupied quarters that had been provided for him by Surratt, where he was kept hidden away; but had been visited, on one occasion, by Mrs. Surratt, to the knowledge of Wiechmann. All of these things he faithfully related to the examining officer. On the trial of Mrs. Surratt he showed himself to be conscientious witness to the truth. He was placed in a very delicate and trying position, in being called upon to testify in a case where those with whom he had been intimately associated, and trusted as friends, were on trial for the highest crime that they could have committed; and that involved their lives. His bearing before the court made it manifest that he felt very deeply the delicacy and gravity of his position; but that he could not shrink from a frank disclosure of the facts that had come within his knowledge, in connection with the case.

The facts disclosed by this witness, taken by themselves, though calculated to give rise to strong suspicions of Mrs. Surratt's connection with the crime, were not sufficient to have convicted her. It was only when the testimony of Lloyd and of Colonel Smith was made to supplement that of Wiechmann, that her guilt was clearly shown. Because Wiechmann had been thus brought into the case as a witness, and had given an honest and truthful testimony, he was most cruelly followed up with the persecutions of the Roman Catholic priesthood; and was treated, by both priest and layman, as an excommunicated person, only worthy of scorn and contempt; and on no account to be associated with. He was given to know that he would never be allowed to enter the priesthood: and it was only through the good offices of the government that he was allowed to find any employment by which to gain a livelihood. He never met the fact of any priest after that, for many years at least, but to see the deepest _expression of hatred and scorn. He was completely boycotted, and ostracized by his church.

He was made a witness again on the trial of John H. Surratt, when every effort was made by the counsel for the defense to cause him to contradict the testimony he had given before the commission; but without avail. To discredit him, much of the cooked up testimony previously referred to was brought in.

In this effort, also, they were foiled. He was badgered on the witness stand for two whole days, and treated with the most scornful contempt by the counsel for the defense. He was branded by them as a perjured witness, although they had been unable to impeach him by the methods known to the law. He was even charged with having been a member of the conspiracy; and that he had testified falsely, to save his own neck by convicting Mrs. Surratt. It was even charged that he had bought his immunity from the government by consenting to give the testimony which it had prepared for him, in order to convict Mrs. Surratt. This charge had also been reiterated publicly, within a very recent period. Wiechmann was on the witness stand, at the time of the visit of the president of St. Mary's college, and of its students to Surratt, in the courtroom, but could not gain the slightest token of recognition from any of them. They were fast and free to show their warmest sympathy with the man who stood before the world as guilty of the murder of the President of the United States, but would not

recognize the man, who, but recently, had stood on equal terms with him at the college, as a fellow student. And why was this? The only obvious reason was that he had been an honest and conscientious witness to the truth.

The same treatment was given by the counsel for the accused to another witness: Dr. McMillen.

It will be remembered that this witness was the surgeon of the Peruvian, and that it was to his care that Surratt had been committed, under the name of McCarthy, by his co-conspirators, Boucher and LaPierre.

The voyage across the Atlantic occupied seven or eight days, and as the doctor was the only man on board in whom Surratt could confide, and as he was carrying in his breast the secrets of a great crime, that was weighing heavily on his conscience, and being all the time haunted by the spectra of detectives, it was natural that he should seek relief in the confidential companionship of McMillen. He became very communicative, and related the difficulties that he experienced and overcame, in making good his escape from Washington, and in getting back to Canada, after the assassination--the parts taken by Porterfield, Boucher and LaPierre, in keeping him hidden away in Canada for five months, and many other things relating to the conspiracy; and finally, he revealed to him his identity. The testimony of this witness was entirely conclusive as to his guilt, and so, he was particularly obnoxious to the prisoner's counsel.

He was treated by them, from the start, just as they would have treated a witness who had been convicted of perjury, although they were unable to discredit him, by the legal methods. They could not look at him, or speak of him, but with the air and language of scorn and contempt. So important did it seem to discredit this witness, that priest Boucher voluntarily came all the way from Canada, to rebut his testimony. His man, DuTilly, was also brought: but notwithstanding the fact that they showed themselves to be swift witnesses, of the most ready kind, they failed to discredit this witness. Under the searching cross-examination of Judge Pierrepont they were made to corroborate the testimony given by the doctor, in all of its most essential and important particulars, and the unholy Father was made to convict himself of being equally guilty with the prisoner. (See report of the trial of John H. Surratt, published in two volumes by the government.)

It would seem that the Jesuits had had it in mind, from the beginning of the war, to find an occasion for the taking off of Mr. Lincoln. Early in the war, they set a paragraph going the rounds of the press, as far as they had it under their control, to the effect that Mr. Lincoln had been born in the Catholic Church, and had been made a member of the church by his baptism into it and that he had apostatized and became a heretic. Mr. Lincoln had seen this statement going the rounds of the press, and believed that such a gross falsehood would not have been published without a purpose. On the occasion of

a visit from Father Chiniquy about this time. Mr. Lincoln called his attention to this paragraph, saying he had been greatly perplexed in trying to discover the object of its publication; and asking him if he could give any clue to the motive that had inspired such a falsehood. I will give Father Chiniquy's own account of his interview with the President on this subject.

"The next day, I was there at the appointed hour, with my noble friend, who said, 'I could not give you more than ten minutes yesterday. but I will give you twenty today: I want your views about a thing which is exceedingly puzzling to me, and you are the only one to whom I like to speak on that subject. A great number of Democratic papers have been sent to me, lately, evidently written by Roman Catholics, publishing that I was born a Roman Catholic; and baptized by a priest. They call me a renegade, an apostate, on account of that; and they heap upon my head mountains of abuse. At first, I laughed at that, for it is a lie, thanks be to God. I have never been a Roman Catholic. No priest of Rome has ever laid his hand on my head. But the persistency of the Romish press to present this falsehood to their readers as a gospel truth, must have a meaning: Please tell me, as briefly as possible what you think about that.' "My dear President:" I answered, "it was just this strange story published about you, which brought me here yesterday. I wanted to say a word to you about it; but you were too busy.

"Let me tell you that I wept like a child when I read that story for the first time. For, not only my impression is, that it is your sentence of death, but I have it from the lips of a converted priest, that it is in order to excite the fanaticism of the Roman Catholic murderers, whom they hope to find, sooner or later, to strike you down, they have invented that false story of your being born in the church of Rome, and of your being baptized by a priest. They want by that to brand your face with the ignominious mark of apostasy. Do not forget that, in the Church of Rome, an apostate is an outcast, who has no place in society, and who has no right to live. The Jesuits want the Roman Catholics to believe that you are a monster, an open enemy of God and of the church, that you are an excommunicated man. I have brought to you the theology of one of the most learned and approved of the Jesuits of his time. Bussambaum, who, with many others, say that the man who will kill you will do a good and holy work. More than that, here is a copy of a decree of Gregory VII, proclaiming that the killing of an apostate, or a heretic, and an excommunicated man, as you are declared to be, is not murder; nay, that it is a good, a Christian action. That decree is incorporated in the canon law, which every priest must study, and which every good Catholic must follow.

"My dear President. I must repeat to you here, what I said in Urbanna, in 1856. My fear is that you will fall under the blows of a Jesuit assassin, if you do not pay more attention than you have done, till now, to protect yourself. Remember that because Coligny was a heretic, as you are, he was brutally murdered in the St. Bartholomew night; that Henry IV was stabbed by the Jesuit assassin, Revailles, the 14th of May, 1610, for having given liberty of conscience to his people, and that William, the Taciturn, was shot dead

by another Jesuits murderer, called Girard, for having broken the yoke of the Pope. The Church of Rome is absolutely the same today, as she was then; she does believe and teach, today, as then, that she has the right and that it is her duty to punish with death any heretic who is in her way as an obstacle to her designs.

"The unanimity with which the Catholic Hierarchy of the United States is on the side of the rebels, is an incontrovertible evidence that Rome wants to destroy the Republic, and as you are, by your personal influence and popularity, your love of liberty, your position, the greatest obstacle to their diabolical scheme, their hatred is concentrated on you; you are the daily object of their maledictions; it is at your breast they will direct their blows. My blood chills in my veins when I contemplate the day which may come, sooner or later, when Rome will add to all her other iniquities, the murder of Abraham Lincoln."

The charge that Rome was responsible for the assassination of Abraham Lincoln was first made, so far as I am advised, by Father Chiniquy; and was founded not only on the facts which I have here given; but the facts that came to him as a result of his own personal research. His charge is distinctly and explicitly made in his book. entitled, Fifty Years in the Church of Rome." He there shows that Mr. Lincoln had incurred the deadly enmity of the Jesuits by foiling and disappointing them in an effort they made to convict Father Chiniquy of a crime, of which they had falsely accused him; and which, had they succeeded in convicting him, would not only have ruined his reputation, but would have secured his incarceration in prison.

Mr. Lincoln defended Father Chiniquy, and being furnished, apparently by a special Providence, with evidence that revealed their wicked conspiracy to destroy him, and convicted them of perjury, he was able triumphantly, to defeat their wicked scheme; and gave them such a scathing as made them tremble with rage, and slink away with vows of vengeance in their hearts.

Father Chiniquy, in making his warm acknowledgements to Mr. Lincoln, could not refrain from shedding tears. Upon Mr. Lincoln's expressing surprise at this, and saying to him that he ought to be the happiest man in the world, Father Chiniquy replied, that it was for Mr. Lincoln, and not for himself, that his tears were falling. He then explained the cause of his emotion, saying that, knowing the Jesuits as he did, and reading a purpose of vengeance in their murderous eyes, he knew that they would never rest until they had compassed his death. This occurred at Urbana, Illinois, in 1856. In the Providence of God, the duty fell on Mr. Lincoln of putting down a most formidable rebellion, and of maintaining the authority of the government by its military arm; and Father Chiniquy, realizing that a state of war would afford the Jesuits the opportunity that they sought, to at once wreak their vengeance on personal account, and give a stab at the life of the government, made three different visits to the President during his administration, to give him warning of his danger and to put him on his guard. As Father Chiniquy has kindly give me liberty to use his book freely for the purposes of this book, I

have given above the result of one of these visits, and shall make still further use of his book, in closing up this inquiry.

In doing so. however, I feel that I ought to commend Father Chiniquy's book to all who desire to inform themselves fully of the character, claims, and wicked purposed of the Roman Catholic Hierarchy. Father Chiniquy had a long, varied and cruel experience in the Roman Catholic Church; spending twenty-five years of his life in its priesthood. By the grace of God he was led to see and abjure the errors of the church in which he had been reared, and so, becoming a Christian, he has spent nearly another fifty years as an able and honored minister of the Protestant church, and in warning the nation of its danger from the Roman Catholic Hierarchy, and especially from the Jesuits. Would that every American citizen could read his book! It would prove to him an eye opener.

We have now traced the history of this assassination as revealed by the testimony given before the Military Commission, and before a civil court, two years later; and we find ourselves coming in contact with the Roman Catholic Church, at every point, and always as a deeply interested party, thus showing its relation to the crime. Its sympathy was always with the assassins wherever we came in contact with it. Its animus toward government was always seen to be that of the bitterest hatred and scorn. Its manner that of a lion robbed of its prey. Its every effort was to shield, and give aid to those on trial; and when it failed in this, to cast obloquy on the government, and to bring it into contempt. Thus the history of this great crime reveals to us Rome's responsibility for the assassination of Abraham Lincoln, not as an individual man, however much of personal hatred on the part of the Jesuits might have led them to plan for his death, but as the head of the nation they desired to destroy. But we shall now proceed to give the most positive and unequivocal proof of the complicity of the Romish Hierarchy in, and its responsibility for, this crime.

Father Chiniquy was so well satisfied that the priests of Rome were at the bottom of this plot, that he spent a great deal of his time in investigating the matter, to see if he could not find convincing proof of the fact. The result of his investigations will be best given in his own words.

"Murder will out" is a truth repeated by all nations from the beginning of the world. It is the knowledge of that truth which has sustained me in my long and difficult researches of the authors of the assassination of Lincoln, and which enables me, today, to present to the world a fact, which seems almost miraculous, to show the complicity of the priests of Rome in the murder of the martyred President.

"Some time ago, I providentially met the Reverend F. A. Conwell of Chicago. Having known that I was in search of facts about the assassination of Abraham Lincoln, he told me he knew one of those facts, which might perhaps throw light on the subject of my researches.

"The very day of the murder, he said, he was in the Roman Catholic village of St. Joseph, Minnesota State, when, at about six o'clock, in the afternoon, he was told by a Roman Catholic of the place, who was a purveyor of a great number of priests who lived in that town, where they have a monastery, the State Secretary Seward, and the President, Lincoln, had just been killed.

"This was told me," he said. "in the presence of a most respectable gentleman, called Bennett, who was not less puzzled than myself As there were no railroad lines nearer than forty miles, nor telegraph offices nearer than eight miles, from that place, we could not see how such news was spread in that town. The next day, the 15th of April, I was at St. Cloud, a town about twelve miles distant, where there are neither railroad nor telegraph. I said to several people that I had been told in the priestly village of St. Joseph, by a Roman Catholic, that Abraham Lincoln and the Secretary Seward had been assassinated, the very day before, which was Friday the 14th, at 10 o'clock p.m.

"But how could the Roman Catholic purveyor of the priests of St. Joseph have told me the same thing, before several witnesses, just four hours before its occurrence? I spoke of that strange thing to many, the same day and the very next day I wrote to the St. Paul Press, under the head of "A Strange Coincidence."

"Some time later, the editor of the St. Paul Pioneer having denied what I had written on that subject, I addressed him the following note, which he had printed, and which I have kept. Here it is; you may keep it as an infallible proof of my veracity.

"To the Editor of the St. Paul Pioneer: You assume the non-truth of a short paragraph addressed by me to the St. Paul Press, viz.:

"A STRANGE COINCIDENCE!

"At 6:30 p.m., Friday last, April 14th, I was told as an item of news, 8 miles west of this place, that Lincoln and Seward had been assassinated. This was three hours after I had heard the news."

St. Cloud, 17th April, 1865.

"The integrity of history requires that the above coincidence be established. And if anyone calls it in question, then proofs more ample than reared their sanguinary shadows to comfort a traitor can now be given.

Respectfully,
F.A. Conwell.

"I asked that gentleman if he would be kind enough to give me the fact under oath, that I might make use of it in the report I intended to publish about the assassination of Lincoln. And he kindly granted my request in the following form:

"STATE OF ILLINOIS, COOK COUNTY.

"Reverend F. A. Conwell, being sworn deposes and says, that he is seventy-one years old; that he is a resident of North Evanston, in Cook County, State of Illinois; that he has been in the ministry for fifty-six years, and is now one of the chaplains of "Seamen's Bethel Home," in Chicago; that he was chaplain of the First Minnesota Regiment, in the war of the rebellion. That on the 14th day of April, A.D., 1865, he was in St. Joseph, Minnesota, and reached there as early as six o'clock in the evening in company with Mr. Bennett, who, then and now, is a resident of St. Cloud, Minnesota. That on that date, there was no telegraph nearer than Minneapolis about 80 miles from St. Joseph; and there was no railroad communication nearer than Anoka, Minnesota, about 40 miles distant. That when he reached St. Joseph on the 14th day of April, 1865, one Mr. Linneman, who then kept the hotel of St. Joseph, told affiant that President Lincoln and Secretary Seward were assassinated; that it was not later than half past six o'clock on Friday, April 14th, 1865, when Mr. Linneman told me this. Shortly thereafter, Mr. Bennett came into the hotel, and I told him that Mr. Linneman said the President and Secretary Seward were assassinated; and then the same Mr. Linneman reported the same conversation to Mr. Bennett in my presence. That during that time, Mr. Linneman told me that he had charge of the friary, or college for young men, under the priests, who were studying for the priesthood at St. Joseph; that there was a number of this kind at St. Joseph at the time. Affiant says, that on Saturday morning, April 15th, 1865, he went to St. Cloud, a distance of about 10 miles, and reached there about 8 o'clock in the morning; that there was no railroad or telegraph communication to St. Cloud. When he arrived there he told Mr. Haworth, the hotelkeeper, that he had been told that President Lincoln and Secretary Seward had been assassinated, and asked if it was true. He further told Henry Clay Wait, Charles Gilman, who afterwards was Lieutenant Governor of Minnesota, and Reverend Mr. Tice, the same thing, and asked them if they had any such news; and they replied that they had not heard anything of the kind.

"Affiant says that on Sunday morning, April 16th, 1865, he preached in St. Cloud, and on the way to the church, a copy of a telegram was handed to him, stating that the President and Secretary were assassinated on Friday evening at about nine o'clock. This telegram had been brought to St. Cloud by Mr. Gorton, who had reached St. Cloud by stage; and this was the first intelligence that had reached St. Cloud of the event. Affiant says further, that, on Monday morning, April 17th, 1865, he furnished the Press, a paper of St. Paul, a statement that three hours before the event took place, he had been informed, at St. Joseph, Minnesota, that the President had been assassinated, and this was published in the Press.

(Signed) FRANCIS ASBURY CONWELL.

"Subscribed and worn to by Francis A. Conwell, before me, a Notary Public of Kankakee County, Illinois, at Chicago, Cook County, Illinois, the 6th day of September,

1883.

STEPHEN R. MOORE
Notary Public."

Father Chiniquy adds,

"Though this document was very important and precious to me. I felt that it would be much more valuable if it could be corroborated by the testimony of Mr. Bennett and Mr. Linneman, themselves, and I immediately sent a magistrate to find out if they were still living. and if they remembered the facts of the sworn declaration of Reverend Mr. Conwell. By the good Providence of God, both of these gentlemen were found living, and both gave the following testimonies:

"STATE OF MINNESOTA,

STERNS COUNTY,
City of ST. CLOUD,

"Horace B. Bennett, being sworn, deposes and says, that he is aged sixty-four years; that he is a resident of St. Cloud, Minnesota, and has resided in this county since 1856; that he is acquainted with Reverend F.A. Conwell, who was chaplain of the First Minnesota Regiment in the war of the rebellion; that on the 14th day of April, 1865, he was in St. Joseph, Minnesota, in company with Mr. Frances A. Conwell; that they reached St. Joseph about sundown of said April 14th; that there was no railroad or telegraph communication with St. Joseph at that time, nor nearer than Anoka, about 40 miles distant. That affiant, on reaching the hotel kept by Mr. Linneman went to the barn, while Reverend F.A. Conwell entered the hotel; and shortly afterward, affiant had returned to the hotel, Mr. Conwell had told him that Mr. Linneman had reported to him the assassination of President Lincoln; that Mr. Linneman was present and substantiated the statement;

"That on Saturday morning, April 15th, affiant and Reverend Conwell came to St. Cloud and reported that they had been told at St. Joseph about the assassination of President Lincoln; that no one at St. Cloud had heard of the event at this time: that the first news of the event which reached St. Cloud, was on Sunday morning, April 16th, when the news was brought by Leander Gorton, who had just come up from Anoka, Minnesota; that they spoke to several persons of St. Cloud concerning the matter, when they reached there, on Sunday morning, but affiant does not now remember who those different persons were, and further affiant says not.

HORACE P. BENNETT.

"Sworn before me, and subscribed in my presence, this 18th day of October. A.D.,
1883.

ANDREW C. ROBINSON,
Notary Public.

In regard to Mr. Linneman, Father Chiniquy says:

"Mr. Linneman having refused to swear on his written declaration which I have in my possession, I take only from it what refers to the principal fact, viz.: that three or four hours before Lincoln was assassinated at Washington, the 14th of April, 1865, the fact was told as already accomplished in the priestly village of St. Joseph, Minnesota.

"He (Linneman) remembers the time that Messrs. Conwell and Bennett came to his place (St. Joseph, Minnesota) on Friday evening, before the President was killed, and he asked them if they had heard he was dead, and they replied they had not. He heard this rumor in his store from people who came in and out. But he cannot remember from whom.

October 20th, 1883. J.H. LINNEMAN."

We have now before us positive evidence that these Jesuit Fathers, priests of Rome, engaged in preparing young men for the priesthood away out in the village of St. Joseph, in far off Minnesota, were in correspondence with their brethren in Washington City, and had been informed that the plan to assassinate the President had been matured, the agents for its accomplishment had been found, the time for its execution had been set, and so sure were they of its accomplishment, that they could announce it as already done, three or four hours before it had been consummated. The anticipation of its accomplishment so elated them that they could not refrain from passing it around, in this Romish crowd, as a piece of glorious news.

It is plain from this testimony that Good Friday had been set, as the time for its accomplishment; and that ways and means had been planned, and that there was to be no such word as fail.

At the time that this news had been transmitted to these Fathers, it was not known that President Lincoln would attend Ford's theatre; and so, it is plain that had not this opportunity been afforded to Booth and his co-conspirators, they would still have attempted it in some other way; that their purpose had been fixed; and so desperate was their determination that they would not have been foiled in their attempt by any difficulties that they might have had to encounter.

The word had been passed to this Jesuit college in St. Joseph, Minnesota. and no doubt to all other Jesuit institutions in the United States, in Canada and in the Confederacy, that, on that Good Friday, Lincoln was to be slain.

That this was to be done to overthrow our government is to be seen in the fact that Secretary Seward was also to be taken off that day.

This news could only have been communicated to these Jesuits by their Jesuit friends in Washington, who, under the protection and hospitality of our government, were thus, in the hour of its sore trial, and extreme peril, planning and plotting for its destruction: and ready, for this purpose, to resort to their favorite policy of assassination. I feel, however that I must give my readers Father Chiniquy's own construction of this evidence. He says.

"I present here to the world a fact of the greatest gravity, and that fact is so well authenticated that it cannot allow even the possibility of a doubt.

"Three or four hours before Lincoln was murdered in Washington, the 14th of April, 1865, that murder was not only known by some one, but it was circulated and talked of in the streets, and in the houses of the priestly and Romish town of St. Joseph, Minnesota. The fact is undeniable; the testimonies are unchallengable, and there were no railroad or telegraph communication nearer that 40 or 80 miles from the nearest station to St. Joseph. Naturally every one asked: 'How could such news spread? Where is the source of such a rumor?'

"Mr. Linneman, who is a Roman Catholic, tells us that, though he heard this from many in his store, and in the streets, he does not remember the name of a single one who told him that. And when we hear this from him, we understand why he did not dare to swear upon it, and shrunk from the idea of perjuring himself.

"For everyone feels that his memory cannot be so poor as that, when he remembers so well the names of the two strangers, Messrs. Conwell and Bennett, to whom he had announced the assassination of Lincoln, just seventeen years before. But if the memory of Mr. Linneman is so deficient on that subject, we can help him and tell him with mathematical accuracy.

"You got the news from your priests of St. Joseph! The conspiracy which cost the life of the martyred President was prepared by the priests of Washington in the house of Mary Surratt, No. 541 H Street.

"Those priests of Washington were in daily communication with their priests of St. Joseph; they were their intimate friends.

"There were no secrets amongst them, as there are no secrets among priests. They are the members of the same body, the branches of the same tree. The details of the murder, as the day selected for its commission were as well known among the priests of St. Joseph, as they were among those of Washington. The death of Lincoln was such a glorious event for those priests! The infamous apostate, Lincoln, who, baptized in the

Holy Church, had rebelled against her, broken his oath of allegiance to the Pope, taken the very day of his baptism, and saved the life of an apostate! That infamous Lincoln, who had dared to fight against the Confederacy of the South after the Vicar of Christ had solemnly declared that their cause was just, legitimate and holy! That bloody tyrant, that godless and infamous man was to receive, at last, the just chastisement of his crimes, the 14th of April. What glorious news! How could the priests conceal such a joyful event from their bosom friend, Mr. Linneman?

"He was their confidential man; he was their purveyor; he was their right hand man among the faithful of St. Joseph .

"They thought that they would be guilty of a great want of confidence in their bosom friend if they did not tell him all about the glorious event that great day. But, of course, they requested him not to mention their names, if he would spread the joyful news among the devoted Roman Catholics, who, almost exclusively, formed the people of St. Joseph. Mr. Linneman has honorably and faithfully kept his promise never to reveal their names, and today we have in our hand the authentic testimonies, signed by him, that though somebody on the 14th of April told him that President Lincoln was assassinated, he does not know who told him that!

"But there is not a man of sound judgment who will have any doubt about the fact.

"The 14th of April, 1865, the priests knew and circulated the death of Lincoln four hours before its occurrence in their Roman Catholic town of St. Joseph, Minnesota. But they could not circulate it without knowing it, and they could not know it without belonging to the band of conspirators who assassinated Abraham Lincoln."

Our case is now before the jury of our countrymen. What say you, gentlemen? Is the charge that the Roman Hierarchy was implicated in the assassination of our martyred President sustained by the evidence which we have presented; or, has it been unjustly made?

CRAIG-OXLEY - September 14, 2006 12:03 PM (GMT)

CONTINUED....

We have no doubt of the verdict of the American people when all of this evidence, both circumstantial and positive, shall have been duly considered and weighed.

The case is too plain to admit of a reasonable doubt; and the charge of being sustained, we have before us matter for the gravest consideration, and calling for the wisest, firmest and gravest consideration, and calling for the wisest, firmest and most heroic

treatment. That same foe to our liberties, secured to us in our Constitution and Governmental institutions, that so insidiously and malignantly sought to take advantage of our civil war, which it had had a great hand in fomenting, to overthrow and destroy our government, is still in our midst; and under the guise of friendship for and love to our governmental institutions, is gaining position after position, to be used, finally, for their destruction. There is an impending crisis, an irrepressible conflict, before us. The history of the assassination of our martyred President, which we have now before us, reveals the desperate character of the foe that we are called to face. It is unwise to shut our eyes to the situation that confronts us. It may not be a pleasant task to contemplate the greatest of possible dangers; but it will be wiser to do so than to shut your eyes and cry peace! peace! when there is no peace. Rome will never let go her hand, nor relax her efforts to establish her despotism until she shall have been completely despoiled of her power.

Then let the trumpet be sounded throughout the length and breadth of the land, to marshal the hosts of freedom for the conflict. Let us agitate, agitate and agitate; and then let us organize for the conflict. Let this be a war of discussion and agitation for the peaceful settlement of the great issues involved, that it may not have to be settled on the field of carnage and blood.

If it fails of the former, and much to be desired settlement, then there is but the other dread alternative left. It can never be a drawn battle; it will be a fight to the finish. Rome seems now to have the advantage in the contest: but it is only because the hosts of freedom are not fully awake to the issues involved. A wily Jesuit Arch-bishop has had the ear of the President recently elected; and has endeavored to control his cabinet and other appointments in the interest of his church; and the patriotic people, who voted for McKinley, have expressed great disappointment at the freedom of access which the wily Jesuit has to the executive head of our nation. They have felt mortified and grieved to see him take up his quarters in Washington, and for months giving his attention to the political, rather than to the spiritual interests of his church. They have felt that it was ominous of no good to see this Arch-bishop and Cardinal Gibbon cultivating such friendly relations with the President, evidently for the purpose of securing certain very desirable appointments. And they have felt disposed to censure the President for allowing this to be.

But they have no reason to find fault with the President. The Arch-bishop got the party down at St. Louis, when he caused the committee on platform to reject the resolutions offered to it by the representatives of the American Protective Association; the party having made this surrender to him, he felt himself to be master of the situation, and expected, of course, to have the President in his power, just as it has turned out that he has.

Neither would the case have been different had Bryan been elected. The party that nominated him would not have entertained these resolutions had they been offered in

the Chicago convention; and the candidate could not have taken higher ground than his party.

It would only have been another Archbishop that would have taken him in charge, and the result would have been the same. We have, however, grounds for encouragement in the fact, now well known, that States, which the wily Jesuit had thought he had well fixed, have been smashed by the volume of protests that came to the President from all parts of the country. The patriotic orders were weak in the convention. but strong in protests.

It becomes us now to consider the cause of their weakness in the convention. Their weakness did not lie in lack of numbers, but in the want of an organization. The vote of the various patriotic orders in the United States outnumbers the Roman Catholic vote by at least three to one; and yet it was the Roman Catholic vote that could command the consideration of the political leaders of the land. It is easy to see why this was the case. The thorough organization of the forces of the Hierarchy is well understood. It is known that this vote can be wielded, virtually, as a unit by the priesthood, and that it can be secured by whichever party makes the highest bid for it. It is thought to be a balance of power vote in a presidential election, and the priests desire to have it so considered, in order to secure the highest price for it; not in cash, but in place and power. This is the secret of Rome's power with the politicians.

And now the question of prime importance is, how is this power to be broken?

It can only be done by a compact and thorough organization of the entire patriotic vote of the country. This vote is sufficiently large to control the entire situation; but is powerless in its present disorganized condition. It is vain to think of gaining the victory over Rome through either of the two dominant parties. They have gotten so demoralized, through long subservience to Rome, and know so well the power of its organization, and have so little dread of the patriotic organizations in their present scattered and disjointed condition, that nothing short of a crushing defeat will ever cause them to follow the dictates of patriotism. It will take a new party. The flame of patriotism must be aroused to the height of a sublime endeavor. Men must be taught to follow the flag, rather than party. We must have a party that will boldly take its stand on a platform of American fundamental principles. It must declare for the immediate incorporation of the XVIth Amendment into our National and State Constitutions. This will settle, for good, the question of the appropriation of public funds to any sectarian purposes whatever, and secure the complete separation of the Church and State.

It must also declare for such amendments to our emigration laws as will exclude all undesirable classes from coming to our shores: such as criminals, paupers, illiterates, vicious, and all who are in any way disqualified for making good and desirable American citizens. Then, to those admitted, the limit of their probation must be extended to such a length of time as is necessary to enable them to become

acquainted with the nature and to catch the spirit of our institutions. The right to vote must be based upon a qualification of intelligence. The rightful jurisdiction of the civil power must be exercised over all private institutions in which people are held under surveillance and control for the preservation of the rights and liberties of their inmates. No property held by any religious society, other than actual houses of worship, should be exempt from taxation. Now, whatever party can rise to the highest of these requirements for the protection of our institutions, and will incorporate these measures in its platform, should receive the undivided support of the American Protective Association, and of all of the other patriotic organizations, and individual citizens; provided, that in connection with these, it shall embrace all other reforms in our policy that are essential to the prosperity of our country. A party that is sound in its Americanism, and patriotic in its purposes, may be safely trusted to find, ultimately, the right side of all other questions.

The People's party ought in addition to its other reform measures, to be able to arise to the height of these requirements; but it will perhaps be found to be too much under the influence of the politicians, who seem to think that to set themselves against the Romish Hierarchy would be fatal to the success of any party. It will, in all probability, be found necessary to organize the patriotic forces into a new party, that will have the courage to accept, and to meet the issues presented fairly and squarely; and to take the name that logically presents itself: "The Protestant American Party."

They are but the garnered fruit of the tree of the Reformation. The foe we have to fight is the same that they had to contend against. The contention is in a part, at least, over the same issues; for it is the civil claims of the Papacy, and not its religious dogmas, that we are, in the present field of operations, called upon to resist. These latter we accord to it the right to hold, and to teach; believing with Jefferson that "error is harmless whilst truth is left to combat it;" so, that, however erroneous, and soul-destroying we may think its dogmas to be, they must still be held to be under the domain of reason, and to be overthrown by truth; and so, not under civil control. But the claim of the Papacy to supreme civil jurisdiction must be met, according to its nature, in the field of politics. To admit this claim is to surrender all human rights, and human liberty, to the keeping of a fallible fellow-mortal; and to enthrone him as a despot. This is what is done in theory by every loyal son of the church of Rome; and to bring all mankind into the same bondage with himself is ever to be his supreme endeavor.

Every Roman Catholic priest, of whatever grade, believes the Pope to be Christ's vicar on earth, and to stand to the human race, in all matters, spiritual and temporal, in the place of God. This places him in the position of supreme authority; so that all civil power must be dispensed under his direction and control. Every priest not only believes this, but is put under the obligation of his oath of ordination to use all the means that may at anytime be in his power to bring the whole world into the acceptance of this dogma, and to submission to the Pope's authority.

This is what the whole body of the Romish priesthood in the United States are engaged in today; and it means the subjugation of our Protestant civil institutions, and the surrender of our liberties. Here we have Romanism pitted against Protestantism, and its success simply means the destruction of our government, and the enthronement over us of the Prince of all Despots.

Let us then have the courage to take a name that immediately suggests the issues involved in the contest, and the nature of the contention, and thus raise a banner that will draw to its support every lover of liberty, and foe of despotism. Nothing would more alarm the foe we have to fight than this party name, that would so clearly indicate the real matter at issue; and nothing would more cheer and encourage the hosts of freedom.

I am aware that this proposition will be met with the objection that it would be unwise and dangerous to introduce the element of religious differences into our political contests, and especially, to make this the basis of party organizations.

But it is sufficient to meet this objection with the simple truth, that it is the civil claims of the Romish Hierarchy that we resist; and these come clearly under the domain of politics. In this resistance we do not interfere with, or even call in question, the Papal system of religion. Every American citizen, who had had his mind expanded with the Protestant ideas of civil and religious liberty, will ever stand ready to accord to his Roman Catholic fellow citizens the same right to protection in their rights of conscience, in matters of religion, that he claims for himself; but he will at the same time see to it, that under the guise of religion, he shall not be allowed to undermine the very foundation of these privileges.

Our country must be maintained as it is now, the land of liberty, under the protection of Protestant institutions. Let us then declare to the world this purpose, by bringing it under the control of a "Protestant American Party."

The Hierarchy has never had to encounter anything in this country that has given it so much concern as does the present patriotic awakening. It affects, however, to regard it with contempt, but at the same time redoubles its efforts to tighten its grasp on the politicians. It is to them that it looks for help, and appeals for aid. It tries to hide the real issues, by its usual resort to misrepresentation and falsehood. It represents it as a revival of know-nothingism. In this it is not so far wrong. The A.P.A. is, however, built on a broader foundation, as a result of a wider knowledge, and more extended experience of the deadly hostility of Rome to our civil institutions; and so upon a better comprehension of the safeguards that are necessary for the protection.

It represents this, and all the other patriotic organizations as founded on bigotry and for the purpose of religious persecution, and so, as being un-American and unpatriotic. And all this is to throw chaff into the eyes, that they may be closed to the threatened danger.

But in this way many well meaning people and true friends of our institutions. and lovers of our country's flag, are being deceived, and lulled to sleep. Now, why does Rome resort to this line of defense? It is because all of the facts are against her, and so, as they cannot be denied or controverted, her policy is to hide them out of sight, by changing the line of vision. Rome knows; and every American citizen ought to know, that these anti-Catholic agitators are unearthing her purposes, and uncovering her plans to get hold of all the departments of our Government; and then give to the Pope all that he claims as Christ's vicar; supreme control over our civil institutions; that he may wield the civil power for the upbuilding of the so-called church. We have only to turn to the pages of history to learn how he would use this power. We want no more of his interference with our God-given rights. We want no more union of church and state; and the danger lies more than anything else, in the seeming incredibility that there should be any persons found at this late day, and in this land of ours, who would favor a return to the rack, the thumbscrews, and other instruments of inquisition torture, for the promotion of the glory of God, and the salvation of souls.

Let the incredulous look at Rome's boasted declaration: *Semper eadem*. (Always the same.) Let them also scan the declarations made by Romish priests of every grade, in recent years, in the Roman Catholic Journals and Periodicals, and they will learn that all that Rome wants is the power to enable her to revive these mild methods of propagating her version of the Gospel of Christ. Why doesn't she meet the charges that are made against her openly and fairly? When it is charged that she is storing away arms in the basements of her churches, why does she not proffer the keys, and invite inspection? When it is charged that she is restraining helpless females of their liberty, for the basest purposes, and inflicting upon them untold cruelties to bring them under subjection to a lecherous, drunken priesthood, why does she not open her doors, and appeal to the civil magistrates to make the most rigid inspection and examination, that they may thus show the charges to be false? This she has never yet done, and never will do; neither will she permit it to be done as long as she can find means for successful resistance.

In the name of liberty, in the cause of humanity, let us compel her to submit to such inspections. In the name of Protestant Americanism, let us set up our banners for complete subjugation of this corrupt, unscrupulous, and dangerous foe to liberty, and murderer of human rights.

Let it be known to the world that American freemen will ever stand on the watch tower, and will compel the submission of all within the domain of our government to submit themselves to its rightful authority---that there can be in this country in civil affairs no power greater than the State.

I have Chiniquy's book, which I got from Chick Publications. It's a very good read. I even have the comic book version.

I skimmed through it, as like I said I already have the book...but a quote from Lafayette comes to mind, something like if America should ever fall, it will be by the hands of the Catholic clergy.

Minuteman Matt - September 15, 2006 06:23 AM (GMT)

I have a feeling the 4 assassinated presidents of the United States of America may have been victims of the Jesuit/Black nobility banking cartel... Here is some interesting quotes I found from President Abe Lincoln.

"No scheme of amelioration [of our ills] has the least chance of success unless and until the money to be the master and becomes the servant of mankind, thus that no financial barrier is ever again interposed between man and his ability to create wealth." -- Abraham Lincoln

"I see in the near future a crisis approaching. It unnerves me and causes me to tremble for the safety of my country ... the Money Power of the country will endeavor to prolong its reign by working upon the prejudices of the people, until the wealth is aggregated in a few hands and the Republic is destroyed." -- Abraham Lincoln, just after the passage of the National Banking Act of 1863

"... the privilege of creating and issuing money ... is the government's greatest creative opportunity ... [saving] the taxpayers immense sums of money" -- Abraham Lincoln

Now lets take a look at the presidents in history

President Andrew Jackson the first one to expose the banking cartel (from my knowledge he survived 2 or so assassination attempts) Jackson managed to kick out the bankers temporarily for a few decades.

"You are a den of vipers. I intend to rout you out, and by the Eternal God I will rout you out. If the people only understood the rank injustice of our money and banking system, there would be a revolution before morning." President Andrew Jackson 1829 - 1837

"If Congress has the right under the Constitution to issue paper money, it was

given to be used by themselves, not to be delegated to individuals or corporations." -- Andrew Jackson

I also heard president Garfield "knew" about the agenda of the Jesuit banking cartel as well and he was assassinated by a gunman

President James Garfield

President James Abram Garfield, our 20th President, had previously been Chairman of the House Committee on Appropriations and was an expert on fiscal matters. (Upon his election, among other things, he appointed an unpopular collector of customs at New York, whereupon the two Senators from New York--Roscoe Conkling and Thomas Platt--resigned their seats.)

President Garfield openly declared that whoever controls the supply of currency would control the business and activities of all the people. After only four months in office, President Garfield was shot at a railroad station on July 2, 1881.

President John F Kennedy tried to abolish the FED assassinated 1963

President John F. Kennedy planned to exterminate the Federal Reserve System. In 1963 he signed Executive Orders EO-11 and EO-110, returning to the government the responsibility to print money, taking that privilege away from the Federal Reserve System.¹⁰

Shortly thereafter, President John F. Kennedy was assassinated.¹¹ The professional, triangulated fire that executed the President of the United States is not the most shocking issue. The high-level coordination that organized the widespread coverup is manifest evidence of the incredible power of a "hidden government" behind the scenes. (Sound preposterous? Read Kill Zone, by Craig Roberts for an update on the events in Dealey Plaza.)

The Trail of Blood Continues

In the 70's and 80's, Congressman Larry P. McDonald spearheaded efforts to expose the hidden holdings and intentions of the international money interests. His efforts ended on August 31, 1983, when he was killed when Korean Airlines 007 was "accidentally" shot down in Soviet airspace. A strange coincidence, it would seem.

Senator John Heinz and former Senator John Tower had served on powerful Senate banking and finance committees and were outspoken critics of the Federal Reserve and the Eastern Establishment. On April 4, 1991, Senator John Heinz was killed in a plane crash near Philadelphia.¹² On the next day, April 5, 1991, former Senator John Tower was also killed in a plane crash. The coincidences seem to mount.¹³

Attempts to just audit the Federal Reserve continue to meet with failure. It is virtually impossible to muster support for any issue that has the benefit of a media blackout.¹⁴ (The bizarre but tragic reality that the American people suffer from a managed and controlled media is a subject for another discussion.)

Beginning of a Series

For many years, numerous authors have attempted to sound the alarm that there exists a hidden "shadow government" that actually rules America. Most of us have dismissed these "conspiracy theory" views as extremist and unrealistic. However, when I had the opportunity to have lunch with Otto von Habsburg,¹⁵ Member of the European Parliament, he made two remarks that caught my attention. The first was: "The ignorance in America is overwhelming." Indeed, the contrast in general awareness of world affairs between the average American and the average European is striking.

It was his second observation that really provoked me: "The concentration of power in America is frightening."¹⁶ As a reasonably circumspect senior executive, having spent three decades in international finance and viewing America as a broadly based representative democracy, his remark shocked me. It prompted me to do some more homework. The results of my inquiries are most disturbing.

Is the predicted One World Government distant, or is it on the immediate threshold? How would one tell when it is imminent? We will address some of these issues in future articles.

So the following presidents could of been assassinated by the JO/BN banking cartel...

Andrew Jackson (assassination attempt failed 3 times)

James Garfield (assassinated)

Abe Lincoln (assassinated)

William McKinley (assassinated) (this president I don't know if he was killed by the banking cartel I remember finding a article on this forum about him but lost it) I do not know why McKinley was assassinated but the story is real fishy.

John F Kennedy (assassinated.)

I think just about anytime you're in a position of influence and you go against the plans of TPTB, you earn yourself a place on the Cup of Borgia list.

CRAIG-OXLEY - September 15, 2006 01:33 PM (GMT)

When we talk about the Vatican and the very Omega point of the conspiracy the Society of Jesus and SMOM the power is tremendous. If you go against these people in their agenda you will be punished quickly and harshly as Ariel Sharon found out the

other month. Believe me the dosage of the Cup of Borgia was mean't to cabbage this man rather than all out kill him. Trust me if they wanted him dead the dosage/poison would have been perfect for the job. Just look at the torture the Dominican Monks did for the Vatican with the Inquisition which exists to this day.

Pope's speech stirs Muslim anger

Thursday, 14 September 2006, 15:50 GMT 16:50 UK

Muslim religious leaders have accused Pope Benedict XVI of quoting anti-Islamic remarks during a speech at a German university this week.

Questioning the concept of holy war, he quoted a 14th-Century Christian emperor who said Muhammad had brought the world only "evil and inhuman" things.

A senior Pakistani Islamic scholar, Javed Ahmed Gamdi, said jihad was not about spreading Islam with the sword.

Turkey's top religious official asked for an apology for the "hostile" words.

In Indian-administered Kashmir, police seized copies of newspapers which reported the Pope's comments to prevent any tension.

A Vatican spokesman, Father Frederico Lombardi, said he did not believe the Pope's comments were meant as a harsh criticism of Islam.

'Abhorrent'

In his speech at Regensburg University, the German-born pontiff explored the historical and philosophical differences between Islam and Christianity and the relationship between violence and faith.

Stressing that they were not his own words, he quoted Emperor Manuel II Paleologos of

the Byzantine Empire, the Orthodox Christian empire which had its capital in what is now the Turkish city of Istanbul.

The emperors words were, he said: "Show me just what Muhammad brought that was new and there you will find things only evil and inhuman, such as his command to spread by the sword the faith he preached."

Benedict said "I quote" twice to stress the words were not his and added that violence was "incompatible with the nature of God and the nature of the soul".

The Pope is due to visit Turkey in November and the Turkish response was swift and strong, the BBC's Sarah Rainsford reports from Istanbul.

Religious leader Ali Bardakoglu said the Pope's comments represented what he called an "abhorrent, hostile and prejudiced point of view".

Whilst Muslims might express their criticism of Islam and of Christianity, he argued, they would never defame the Holy Bible or Jesus Christ.

He said he hoped the Pope's speech did not reflect "hatred in his heart" against Islam.

Many Turks see Benedict as a Turkophobe and commentators call his words just before the holy month of Ramadan "ill-timed and ill-conceived", our correspondent adds.

Its simply a set up and what these Arabs do not realise is that it was the Papacy who created their Koran and religion.

Quite a nugget to be found in that PID-audio, in which Phelps is describing how the kill shot came from the shooter in the drain located at the curb of the street, the same drain where the limo driver (Greer) stopped in front for a moment while driving Kennedy through the Plaza he goes on to say he knows two people who were there in Dallas " two sources I know who were there in Dallas, Ben Jones and my personal friend Lenny Bloom.....they were there, they walked the whole thing " :o clarification: the way Eric says it, it is not clear to me when it was he's saying they were there..... like, was on the day of the killing?.....or, perhaps, on a subsequent day, like a year later, or 10 years later, or last week, while taking a vacation/tour of that part of Dallas?it's not clear to me.

Actually, this audio is full of nuggets. Thanks. The one on Lenny occurs at minute 49 of the audio.

Hi, I dont think I did "get into conspiracy stuff" to be fair. I feel Bulshit was knocking on my door and It was required for me to find out why I kept thinking things were such bullshit. This area has helped me put my finger on things I couldnt quite manage directly & also make alot more sense out of the crap I could not understand.

Or putting a name to a face as it were. Theres alot of smoke screen crap about and its best to cut through the noise and merge many sources and see what sticks.

I actualy do cringe when I get tagged "a conspiracy theory type" like its a side or a club to be boxed in and made safe. Im an individual looking for understanding of this world that, if left just thinking the systems way, is quite literally health effectingly bad (which it has been for me until I started to stack up my own bigger picture).

PS when i say im new to this Im refering to the Jesuits area, so far unlike others who

poo-poo or continually hit a mental brick wall everytime they find another layer, I have not.

Confession No. 14: The 9/11 Dead, Speaking In The Midnight Skies, Demand Justice

Any discussion of who are the real perpetrators of 9/11 is incomplete with discussing Vatican and Jesuit Order hierarchy.

10 Sep 2006

By Greg Szymanski

<http://www.arcticbeacon.citymaker.com/arti...18131/57670.htm>

If you listened closely last night, the voices of the 9/11 dead began speaking from the heavens, demanding with a thunderous midnight cry to bring the true perpetrators to justice.

And in the name of the fallen, we begin this Sept. 11 Confession with the Jesuits with a moment of silence and a solemn prayer for the more than 3,000 innocent souls killed by the U.S. government with complicity of the Vatican hierarchy and the evil hierarchy of the Jesuit Order.

Yes, the Mossad was involved. Yes, the CIA played an important role. Yes, the members of the CFR knew what was coming down. And yes they all knew full-well and without a shadow of a doubt that Muslim terrorists were going to be used as scapegoats and that they had the full cooperation of all the Middle East leaders who agreed to play the bad guys in this fake war on terrorism and who together with their corrupted American leaders are all playing on the same New World Order/Illuminati team.

However, even if you nailed every last one of them you still wouldn't have cut off the

head of the real snaky perpetrator until the chain of 9/11 legal causation was linked to the Vatican hierarchy and the creepy hierarchy of the Jesuit Order led by the priest known as the Black Pope and the Jesuit General, Fr. Peter-Hans Kolvenbach.

Although prayers or a court of law can never bring back the lives cut short on 9/11, we can at least in the names of those who died, as well as for the sake of their loved ones, dedicate all of America's resources and all of America's waking hours to nail the real killers hiding behind black robes and the thin veil of a free America.

Simply put, five years have passed and the 9/11 criminal investigation has been a joke.

The U.S. has put up a big smokescreen. The media has helped spread more smoke. Hollywood movie and video makers are now profiting from the tragedy by spreading more false propaganda.

And the table is now set like it was in the JFK assassination debate for 30 more years of endless seminars and symposiums among truth seekers who enjoy listening to themselves talk ad essentially playing with the tail of the snake instead of having the courage to cut off it's ugly head.

As we meet for Confession 14 among the peaks of the Rockies where God's beauty still abounds, we urge the Jesuit Order and the Vatican hierarchy "to finally come clean and give it up," so to speak in the parlance of street criminals, as many good Americans now fully understand who are the true spiritual leaders of the New World Order.

However, those Americans who still only listen to Katie Couric and mainstream media, who are covering for the spiritual controllers, are told the war on terrorism is being caused and 9/11 was caused by Muslim extremists.

For those Americans who don't buy the official government story, now estimated by a recent poll to be 36 percent of the population, they are forced to turn to the alternative media for answers.

And when one turns to the alternative media, they are most likely to hear in unison from most sources in radio, print and internet television, the real perpetrators of the war on terrorism and 9/11 are either the international banksters and the Zionist Jews.

What's most disturbing in the alternative media is that usually the discussion of the real snakes in the grass goes no farther than corrupted politicians, Zionist Jews and international thieves and banksters.

However, after a close examination of distorted and hidden history, as well as modern day realities of the true power of the Vatican and their henchmen Jesuits, we have come to the conclusion that any discussion of who really caused 9/11 is incomplete without a thorough investigation of the above-mentioned entities, both of which are far

more than just benign religious organizations.

Knowing this discussion will be silenced on this 5th anniversary of 9/11 by the true spiritual controllers and their temporal co-conspirators in the media, government and other religious organizations, we present the writings of true patriot, Eric Jon Phelps, author of *Vatican Assassins*, who is one of the few Americans brave enough to speak out and cut off the head of the real snake behind 9/11 and the war on terrorism – the Vatican hierarchy and the hierarchy of the Jesuit Order.

Here are some of Phelps' writings:

Vatican and Jesuit Connection to 9/11

Peter-Hans Kolvenbach, the General of the International Military Order of the Society of Jesus, commonly known as “the Black Pope”, ordered the attack on the World Trade Center and the Pentagon on Tuesday, September 11, 2001, with the advice and consent of his General Staff, composed of five assistants (each representing a hemisphere and under whom are many advisory Provincials), an advisor (resembling the likes of a military commander to warn him of any faults or mistakes), and his confessor (to ease his conscience and absolve him of his many sins).

Why? Because the appointed time has arrived for the Jesuit General to destroy both the Dome of the Rock and the Al Aqsa Mosque in Jerusalem, secretly using his CIA/Nazi-trained, Masonic Zionist Mossad in conjunction with his CIA/Nazi-trained, Masonic Islamic Intelligence Agencies, including Osama bin Laden's MAK and Pakistan's ISI, while shrouded in the confusion of a huge aerial war yet to come. This will enable the General's crusading Knights Templars (the present day Shriner Freemasons) to rebuild Solomon's Temple — for the Papal Caesar in Rome's Vatican. And how could the Black Pope destroy these Moslem Mosques, they comprising the third most important Islamic religious site in the world behind Saudi Arabia's Mecca and Medina, without causing an uncontrollable Moslem holy war, called a “jihad”, resulting in the destruction of Pope Pius XII's creation of Zionist Israel? (Remember, Israel was admitted into the New York-based United Nations in 1949 through the efforts of Jesuit-trained Francis Cardinal Spellman – the darling of Pope Pius XII who, after his Jesuits carried out the Jewish Holocaust in Europe and then driving the survivors to Palestine, intended, under the guidance of his Jesuit confessor, Augustin Cardinal Bea, to make Jerusalem an international city – while governed by the Papal Caesar's Chaim Weizmann and his Masonic Jewish Zionists.) The Black Pope must cause a war using a country he also wishes to further destroy. Enter the “Holy Roman” Fourteenth Amendment American Jesuit Empire created in 1868 on the ruins of George Washington's Calvinist Republic, the last political stronghold of the Protestant Reformation with freedom of conscience, freedom of speech and freedom of the press.

Here was the “Father General's” plan. In synchronizing his worldwide overt and covert

factions to work the Order's evil ends of the Vatican's Counter-Reformation in restoring the Papal Caesar as the absolute Universal Monarch of the World, the Black Pope used his Masonically-controlled, fanatically anti-Jewish Race, Islamic Intelligence operatives under the domestic control of the CIA (Osama bin Laden having been directed, financed and trained by the CIA for at least ten years — just like Jesuit-trained and CIA-financed Fidel Castro before he, like bin Laden, became a false enemy of the CFR-controlled American government) to be openly and notoriously instructed as Islamic pilots at the Venice Airport (a Florida facility used by the CIA since 1948) in order for Archbishop Egan's controlled American Press to spread the prepared news release that the doomed airliners were hijacked by "Arab terrorists" in the employ of Osama bin Laden when in fact, to the horror of the American pilots, the airliners had been taken over and guided to their targets, remotely controlled by American Military Intelligence operatives overseen by the Black Pope's CIA/NSA.

The Mussulmans in training never boarded the airliners involved in the September attacks evidenced by the absence of Islamic names on all four passenger lists. There was no fight between the passengers and the "hijackers" on flight 93, as reported by the deceived wife of the late Jeremy Glick. For flight 93 was shot down by an F-16 fighter, blowing off its wing which landed at least six miles away from the main wreckage! And if the inexperienced "hijackers" had boarded all four airliners, the novices never would have been able to navigate the planes into the targets unless they had been crack fighter pilots according to a group of highly professional, both civilian and military, American aviators. Archbishop Egan's CFR-controlled American Press then placed the blame for these acts of high treason and murder squarely on the shoulders of the Black Pope's Saudi prince and CIA operative, Osama bin Laden, including his al-Qaeda Network secretly working for the Jesuit General's International Terrorist Network. Tens of thousands of "heretic and liberal" Americans perished, thereby justifying a war between the Moslem World and "the Great Satan".

(Has not American technology, developed through the Protestant right of freedom of conscience as applied to science, brought wealth and prosperity to the once poverty stricken, barren wilderness of Saudi Arabia, the cultural center for the religion of Islam? And if so, why would not Saudi Arabia, in a gesture of thankfulness, give economic aid to their brother Moslem Arab Palestinians enabling them to relocate to other surrounding Islamic nations of their choice? Would not this further secure the peace of the Jewish People now in their own land, having been persecuted and mass murdered for the last two thousand years, whose right to the land through the Abrahamic Covenant has never been abrogated by them or disannulled by Almighty God who gave it to this "seed of Abraham" in Genesis 17: 7, 8?

A Papal conspirator in the assassination of Israel's Masonic Prime Minister, Yitzak Rabin, Freemason Shimon Peres, who was educated by Jesuits as a youth in Poland and now the Minister of Foreign Affairs of Zionist Israel, is being welcomed to the Jesuit General's Council on Foreign Relations, based in New York's Harold Pratt House, by its

Masonic Chairman of the Board, Peter G. Peterson, and by one of its Directors, Leslie H. Gelb, on September 29, 1993. Shimon Peres also holds shares in the PLO's public phone company, Paltel, in conjunction with the Bin Laden Royal Family of Saudi Arabia and Yassir Arafat! Since there is an obvious Bush/Bin Laden business connection through the CFR,s Carlyle Group headed by Edward Cardinal Egan's Knight of Malta Frank C. Carlucci, why should not there be a similar connection between Peres, Bin Laden and Arafat? For they are all in the same Masonic Brotherhood's "Invisible Empire" overseen by the sovereign Grand Master and Commander of all - the Black Pope.

A Papal mass murderer of Jewish People, "Chairman" of the Palestinian Liberation Organization (PLO) and professional agitator, Freemason Yassir Arafat is also being welcomed by the Archbishop of New York's Council on Foreign Relations in the person of one of its "Presiders", Lee H. Hamilton, on January 20, 2000.

Could it be that neither the Masonic Jewish Zionists in the person of CFR-controlled Shimon Peres nor the Masonic Moslem Palestinian Liberation Organization in the person of CFR-controlled Yassir Arafat, both being secret agents for the Black Pope, truly want to resolve this Jesuit agitation? Do not the ongoing and unfair international negotiations, like the historic Treaty of Versailles, always promote more intense resultant agitations, furthering the agenda of Rome's Papal Caesar who intends to rule the world from a Third Temple in Jerusalem? Indeed, this unceasing agitation is necessary if the Pope is to be the Universal Monarch of the World!)

The Black Pope now has a perfect war between two Peoples he wishes to destroy. For both Peoples, the White and Black Protestants and Baptists along with the Jewish Race of North America, and the Semitic Moslems of the Middle East, are condemned by the Jesuits' evil and wicked Council of Trent, they having been historically the greatest enemies of the Jesuit Order's "infallible" Pope, who, since the days of Innocent III (1215), has claimed to be the one true God on earth. According to Motley's The Dutch Republic, it was America's White Anglo-Saxon Protestant-Calvinist Dutch Reformed forefathers, known as the "Wild Beggars of the Sea", who gave religious liberty to Bible-based Western Civilization. These godly and fearless sailors, in stoutly resisting Papal tyranny, wore an Islamic Crescent – not a Cross – on their caps with the immemorial inscription written below:

"Rather Turkish Than Popish".

The institutions to be destroyed on September 11, 2001 were the Banking and Military centers of "the Great Satan" – the Pope's World Trade Center and the Pentagon overseen by his Knights of Malta – supporting and protecting the Pope's Zionist government of Israel. There, the Jewish People, in the midst of whom are the Lord's beloved Jewish Race, known as "the holy seed" with Biblical promises yet to inherit including the fulfilling of the Abrahamic and Davidic Covenants under their returning

Messiah, the Lord Jesus Christ, have been set up to be ultimately betrayed, as they are UNKNOWINGLY living under the secret government of the Black Pope, publicly overseen by his Masonic Jewish Zionists in conjunction with certain of his Masonic Talmudic Rabbis, who betrayed their own Jewish People, both racially and religiously, into Hitler's Death Camps during World War II!

Its subterranean storehouse of gold quite possibly having been previously removed to the New York Federal Reserve Bank, the World Trade Center was sacrificed, INTERNALLY IMPOLODED, using surgically placed Composition C5 charges detonated by the New York Archbishop, Edward Cardinal Egan, through his unified American Intelligence Community.

Cardinal Egan's American Intelligence Network includes the Central Intelligence Agency, the National Security Agency, the Secret Service, Military Intelligence, the Federal Bureau of Investigation, and the Mafia Commission. Years ago these agencies and criminals all worked together in carrying out the Kennedy Assassination and Cover-up under the control of their former master, Francis Cardinal Spellman. The World Trade Center's Masonic Twin Towers, Jachin and Boaz, were sacrificed in EXCHANGE for the future destruction of the Dome of the Rock and the Al Aqsa Mosque in Jerusalem. This mass murder has ignited American blind patriotic rage as calculated, that rage being now directed by the Black Pope's CFR-controlled Press, including his CFR-controlled Masonic Jewish Zionists, against the Islamic Middle East Peoples — among whom reside the Masonic Moslem branch of the Jesuit General's International Terrorist Network. This act of secret Papal terrorism has been used to justify a massive foreign war, a secret Papal Crusade, while the tools of the Jesuit Order have tyrannically implemented domestic martial law by means of the "USA PATRIOT Act" in America and the "Bomb Bill C-36 Act" in Canada. Sadly, cooler and more informed, truly patriotic heads have not prevailed. God help us!

This attack was an act of war carried out by the slaves of the Black Pope, both domestic and foreign, thereby enabling the White Pope's American fascist puppet, George W. Bush, to declare a "war on [Islamic] terrorism" – to the exclusion of Roman Catholic terrorism led by secret Jesuits such as Fidel Castro of Communist Cuba and Gerry Adams of the IRA – with no specific enemy nation in sight. (For Washington, D.C. is secretly ruled by Edward Cardinal Egan from St. Patrick's Cathedral in New York. As the country's "Military Vicar" and most powerful American Archbishop, Egan is aided by Georgetown University and Fordham University Jesuits including the learned and seasoned, eighty-two year old, Avery Cardinal Dulles.) This massive retaliation, to last between four to ten years being another Papal Crusade against the Islamic Peoples in rivaling those of the Dark Ages, has now been declared. It will be waged by Cardinal Egan's CFR-controlled Commander-in-Chief, George W. Bush, having been advised of his role to play during his most recent visit with the Baal-worshipping, cannibalistic (believing the unbiblical doctrine of transubstantiation), absolute dictator in the Vatican, Pope John Paul II.

New York's Edward Cardinal Egan, being the "Archbishop of the political Capital of the World", the master of the Council on Foreign Relations and thus controlling all the agencies comprising his unified American Intelligence Network, has used six primary tools in igniting this secret Papal Crusade. They are President George W. Bush, ex-President George H. W. Bush, Vice President Dick Cheney, National Security Advisor to the President Condoleezza Rice, Federal Reserve Board Chairman Alan Greenspan, and CIA Director George Tenet, all being members of the Archbishop's Council on Foreign Relations. The following Bill of Particulars justify our charges:

1. The "terrorist" attacks were predicted and exposed well in advance of September 11, 2001. Dr. Garth Nicholson, Ph.D., a foremost researcher of the Gulf War Syndrome investigators, reported to Pentagon officials that he had confirmed intelligence indicating that on Sept. 11, 2001 a "terrorist" strike against the Pentagon would be made. Their sources included individuals in key intelligence positions, the Mafia, and one high-level African diplomat. The warning was passed on to, among others, the National Security Council (Condoleezza Rice) but it was ignored. Dr. Leonard Horowitz, an award winning author of several tremendous books, also made a valiant effort to alert the government, but to no avail.
2. On Friday, September 7, Florida Governor Jeb Bush, a brother to the President, issued an Executive Order in which members of the Florida National Guard were activated, "for the purpose of training to support law-enforcement personnel and emergency management personnel in the event of civil disturbances or natural disaster." The Bush Dynasty, including the former Director of the CIA and business partner of the Gulf War's Saddam Hussein, Shriner George H. W. Bush, not only knew the attacks were coming but actively participated in them.
3. On Sunday night, September 17, 2001, in the Providence of the risen Son of God, CBS's television program titled "60 Minutes" revealed that President Bush's close associates had suddenly, and inexplicably, sold all their airline stock only a few days before the "terrorist" attacks. The story was subsequently buried by the CFR-controlled Press, which includes CFR-controlled CBS. Again, the CFR/CIA-controlled Bush Dynasty, had a foreknowledge of the coming mass murder and thus stand indicted of high treason being the agents of Edward Cardinal Egan.
4. President and Papal Agent George W. Bush controlling the Federal Emergency Management Agency (FEMA) sent the Urban Search and Rescue Team to New York City THE NIGHT BEFORE the attacks occurred! One FEMA official, Mr. Tom Kennedy, told Press icon, CFR member and player in the Kennedy Assassination, Dan Rather, on September 11, 2001, "We're currently one of the first teams that was deployed to support the City of New York in this disaster. We arrived on late Monday night [that is, on September 10, the NIGHT BEFORE] and went right into action on Tuesday morning."

5. Osama bin Laden and his band of “Terrorists” could not have pulled off the “sophisticated” operation of four simultaneous air hijackings, and precision directed attacks, without the support of one or more “intelligence organizations [which includes the CIA and its Director, CFR member George Tenet].” This was the expert testimony provided by past CIA Afghanistan operations director and bin Laden’s intelligence advisor, Milt Bearden, interviewed by Dan Rather on September 12, 2001. In fact, when pressed by Dan Rather to endorse the theory of bin Laden’s culpability, Mr. Bearden stated, “If they didn’t have an Osama bin Laden, they would invent one.”

6. On October 31, 2001, the French daily “Le Figaro” reported that Osama bin Laden had met with a high-level CIA official in July 2000. At that time, bin Laden was already being sought for trial due to his involvement in two U.S. Embassy bombings and the U.S.S. Cole attack. The meeting was held in bin Laden’s private suite in the plush Dubai Hospital built by American construction companies for the care of the Order’s Masonic royal Moslem families running Islam’s unified Middle East Intelligence Community and Terrorist Network on behalf of the CIA. Though he could have been killed – like the CIA’s Fidel Castro – according to President Bill Clinton’s intelligence findings, on July 14th he was released and left Dubai on his private jet. Osama bin Laden is a creature of the Black Pope’s CIA and has remained so to this day.

7. Osama bin Laden took his direction and money from the CIA for ten years. During this time, approximately five (5) billion dollars was funneled to his organization through black op budgets (financed by the Black Pope’s International Drug Trade) into a CIA operation known as Maktab al-Khidamar—the MAK. It is clear, as a MAK mercenary army leader, bin Laden’s fortune vastly increased during that time. Since, like the Mafia, “Once in the CIA, always in the CIA”, bin Laden’s MAK is merely an extension of the Black Pope’s International Intelligence Community and Terrorist Network. And if the CIA controls the Intelligence Network of Afghanistan, then it controls the Intelligence Agencies of Pakistan, Iraq, Iran, Jordan, Syria, Lebanon, Egypt, Libya and Turkey. Indeed, the words of Taliban leader Mullah Mohammed Omar were correct when he said in an interview contained on page thirty-four in the November issue of Free American:

“America controls the governments of the Islamic countries...It should stop trying to impose its empire on the rest of the world, especially on Islamic countries.”

8. Aaron Swirski, one of the architects of the World Trade Center, said they designed the towers to withstand airplane collisions. “I designed it for a 707 hit,” he said. The collapse of the buildings came as a complete “shock” to him and his colleagues. Van Romero, a demolition expert, former director of the Energetic Materials Research and Testing Center, and current Vice President for research at New Mexico Institute of Mining and Technology, said that the manner in which the Twin Towers collapsed resembled those of controlled implosions used in planned demolition. “My opinion is, based on the videotapes, that after the airplanes hit the World Trade Center there were

some explosive devices inside the buildings that caused the towers to collapse,” Romero said. NBC News interviewed people who had escaped "ground zero" on September 11, 2001. One unidentified man said "We were stuck on the stairs for a while. I came down from the 85th floor. When we were just about to leave the building, there was a blast." A woman's testimony followed: "I got stuck on the stairs. When we got to the lobby there was a blast," she said.

Further, the demolition of the North Tower of the World Trade Center, floors 22, 23, and 24, destroyed massive FBI evidence against CFR member James Giffen, the CEO of the CFR's Mobile Corporation, for illegal oil swaps between Iran and Kazakhstan. There was also evidence against CFR member and Shriner Freemason Alan Greenspan – the Jewish Chairman of the Board of Governors of the Jesuit General's Federal Reserve Banking System – involving GOLD PRICE FIXING. Greenspan's Masonic Jewish Zionist partners in crime included the CFR's Morgan Stanley & Company and the CFR's Goldman Sachs & Company. The evidence shows that those floors exploded and were destroyed minutes before the explosions from the airplane, and suggests that the airplane crashes were simply a "ruse of war". Obviously, the Intelligence Community of Archbishop Edward Cardinal Egan IMPLoded the buildings which not only suppressed and destroyed evidence, but also resulted in the death and burial of at least forty-two of his loyal Knights of Columbus and several honest FBI agents. Indeed the Archbishop followed the great Jesuit maxim of "the ends justify the means."

9. On September 11, 2001, President Bush, with the full knowledge of CFR member and the intimate friend of Archbishop Egan, Vice President Richard Cheney, was in Sarasota, Florida (the home of the Venice Airport, a CIA facility, that had openly and notoriously trained Islamic pilots thereby enabling the Black Pope's CIA to blame its contract agent, Osama bin Laden, for the destruction of the WTC). The President was "reading to children in a classroom at 9:05 a.m. when his chief of staff, Andrew Card, whispered [the news] into his ear, according to an Associated Press release of September 12, the day after the attack. The President briefly turned somber before he resumed reading...[Next] President Bush listened to eighteen Booker Elementary School second-graders read a story about a girl's pet goat...before he spoke briefly and somberly about the terrorist attacks." Here we have America's Commander-in-Chief calmly talking for about thirty minutes before he leisurely responded to the country's greatest national security crisis in history along with its accompanying tragedies. And no wonder, for he had been briefed by Pope John Paul II during his visit to the Vatican only weeks prior to our national disaster! CFR member and CIA Director George Tenet had also kept the President advised.

10. Many journalists have reported that the bombing of Afghanistan, allegedly intended to punish the Taliban for affiliations with bin Laden, is simply a cover for the Taliban's destruction of Afghanistan's opium crop thus the curtailing of the Black Pope's International Drug Trade. The Taliban also withdrew its former support for an oil pipeline to be built by CFR Henry Kissinger and CFR George Shultz's Unocal

Corporation through Afghanistan from the vast Caspian Sea oil fields. September 11 provided a great excuse to pursue the Jesuit Order/CFR's illegal drug traffic along with its petrochemical, economic, and "national security" martial law objective. More importantly, this pipeline is necessary for the fueling of the war machine of our future invader, the massive Red Chinese Army, under the command of the Company of Jesus.

We, the American people, thanks to our Popish, prostitute Press, have been hoodwinked into fighting this war even as we were deceived into fighting the Pope's war against the Japanese People during World War II, the consummation of the Jesuit General's Second Thirty Years War waged from 1914 to 1945. For the attack on Pearl Harbor was no surprise to the nation's most visible Shriner Freemason, President Franklin D. Roosevelt, even as the attack on the World Trade Center and the Pentagon was no surprise to the nation's most visible Skull and Bones member, the wicked and evil mass murderer, President George W. Bush.

If the foregoing scenario is true, we believe the American People, deceived by our own Jesuit/CFR-controlled government, will fall into the trap of fighting a lengthy, large scale Middle East War, resulting in at least six things that will further our country's demise including the scrapping of our Reformed Protestant Constitution, while thoroughly benefiting the Jesuit Order's Counter-Reformation. They are:

1. Worldwide anti-Jewish fury on a grand scale, especially in America, as a result of the Black Pope's openly agitating, secretly CFR-controlled, Masonic Jewish Zionists and thus, the beloved Jewish People of Israel being blamed for the Papal Caesar's international Jesuit Crusade;
2. The destruction of both the Dome of the Rock and the Al Aqsa Mosque – blamed on American Military forces – thereby enabling the Pope's Shriner Freemasons to rebuild Solomon's Temple, while simultaneously unifying Islamic fury, coordinated and directed by the Black Pope's Masonic Moslem Intelligence Agencies in conjunction with his Masonic North American Intelligence Agencies, against the "heretic and liberal" American and Canadian Peoples of North America, we having been paganized through the Jesuit Order's Bible-rejecting and deceptive educational systems, controlled Press and demoralizing theater movies;
3. The killing of millions of fanatical Moslems who would otherwise attack Israel when the Dome of the Rock and the Al Aqsa Mosque are destroyed in Jerusalem, not to mention the possible destruction of Mecca and Medina, further securing the peace of the Papal Caesar's Zionist government of Israel. That false peace will be maintained by the united European nations, their unity brought about by the Club of Rome in the person of the Spanish Knight of Malta and Commander of NATO forces during the bombing mass-murder of Orthodox Serbs in Yugoslavia, JAVIER SOLANA. These united, predominantly Roman Catholic, European nations will compose the Pope's revived Holy Roman Empire, the new "Sword of the Church". At this time the Black

Pope will have no more need for the drugged, exhausted, bankrupt, amalgamated and demoralized American People of his "Holy Roman" Fourteenth Amendment American Empire;

4. The tyranny of a White American fascist military dictator having arisen out of the "New Right" Republican Party due to anarchy giving way to a race war as a result of Negro and Hispanic rioting in our major cities coordinated by the Black Pope's Masonically-led and racist Black army of the Nation of Islam. He will use America's existing concentration camp system to kill millions of Jews, "heretics and liberals" pursuant to the Jesuits' evil Council of Trent – just as Hitler "the Austrian" and homosexual drug addict destroyed apostate Protestant Germany with the help of FDR's USAF and Churchill's RAF - further justifying our nation's destruction;

5. The betrayal and defeat of our armies fighting a two-front war which we cannot win, one in the Middle East and the other possibly in the Far East against China, just as Napoleon betrayed his army in Russia in 1812, and just like Hitler betrayed his army in Russia one hundred and thirty years later, both treasonous dictators having been under orders from the advisors of the Black Pope;

6. Massive invasion and attack into North America, China and Russia storming the West Coast while China and a united Moslem host march into the Southeast Coast, known as "the Bible belt", using the Bahamas and Cuba as staging bases. Our Jesuit-controlled leaders carrying out the nation's immigration policies, in establishing a huge resident "fifth column" of Chinese, Moslem, Hindu and Hispanic aliens within our borders, have betrayed us Americans. The heart-breaking result will be the subjugation of the last apostate bastion of the Protestant Reformation and will compel Europe to unite reviving the old Holy Roman Empire – under the Papal Caesar.

This scenario is the answer as to Who and Why we were attacked on September 11, 2001, Bloody Black Tuesday. But after all, we apostate, Bible-rejecting White People deserve it, as I have said on this web page and in my book, Vatican Assassins: "Wounded In The House Of My Friends". The Jesuit General's "Holy Roman" Fourteenth Amendment American Empire has been used to fulfill the Papal Caesar's evil Council of Trent by oppressing and destroying "heretic and liberal" Bible believers, peoples and governments of at least eighty nations during the last one hundred years. Called by Jesuit John Courtney Murray and Knight of Malta Henry R. Luce "the American Century", the Knights of Malta and Shriner Freemasons on Wall Street restored the Temporal Power of the Papacy (which Power was destroyed in the glorious Nineteenth Century) by financing Mao Tse-tung's Communism, Stalin's Communism, Hitler's Nazism and the Fascism of Mussolini, Franco and Castro.

We Americans have it coming, and now that we have leapt into this trap of a Middle East war with the Moslem World, advocated by our Pennsylvania Senator and Shriner Freemason, the infamous Arlen Specter (who was "Cardinal Spellman's Jew" having

authored the magic single-bullet theory of the Warren Commission and served as President Clinton's defender while on trial in the Senate), apparently the righteous Judgment of the risen Son of God is about to unfold. Our beloved country, the only nation in the history of the world to be founded on the Bible of the Protestant Reformation, will be turned into a nightmarish police state and a Nazi/Soviet concentration camp hell-on-earth because we have forgotten the God of our White American Protestant and Baptist-Calvinist founding fathers, the God of Abraham, Isaac and Jacob Whose Spirit inspired these words:

For God so loved the world, that he gave his only begotten Son,
that whosoever believeth in him should not perish,
but have everlasting life.

For God sent not his Son into the world to condemn the world;
but that the world through him might be saved.

He that believeth on him is not condemned:
but he that believeth not is condemned already,
because he hath not believed in the name
of the only begotten Son of God.

--John 3:16-18

What is the Real Power of New York's Edward Cardinal Egan

The power of the Archbishop of New York has not diminished but rather grown. Today, the man who wields the power of Cardinal Spellman from "the Powerhouse" in New York - St. Patrick's Cathedral (across the street from Rockefeller Center) - and continues to suppress the truth about the assassination of President Kennedy by virtue of his Oath as a Cardinal, is the arch-conspirator, traitor to his American countrymen and master of the infamous, Jesuit-trained agitator, high-level Freemason and CFR member, former President Bill Clinton, and now master of Skull and Bones member, President George W. Bush, (whose father, George H. W. Bush, is also a high-level Freemason, a former Director of both the CFR and CIA, as well as a participant in the Kennedy Assassination),

Remembering that Fr. Kolvenbach is the master of the Pope, Edward Cardinal Egan of New York, and President "elect" George W. Bush (of the Bush crime family descending from England's House of Stuart), as well as the petty military dictators of Communist Russia and China, we would do well to meditate on the words of Napoleon recorded in his Memoirs - the Emperor having been betrayed into the hands of his captors by his Jesuit masters - while imprisoned on the island of St. Helena in the middle of the South Atlantic Ocean:

"The Jesuits are a military organization, not a religious order. Their chief is a general of

an army, not the mere father abbot of a monastery. And the aim of this organization is POWER. Power in its most despotic exercise. Absolute power, universal power, power to control the world by the volition of a single man...

The General of the Jesuits insists on being master, sovereign, over the sovereign. Wherever the Jesuits are admitted they will be masters, cost what it may... Every act, every crime, however atrocious, is a meritorious work, if committed for the interest of the Society of the Jesuits, or by the order of the general."

Cardinal Egan, a staunch supporter of the "infallible" Pope's Temporal Power and the Jesuit General's evil Council of Trent, will continue the Great Jesuit Cover-up, even as his predecessors, Cardinals Spellman, Cooke and O'Connor. This power is exercised through New York's Council on Foreign Relations, as both former Presidential candidates, Albert Gore and George W. Bush are under its control. Both candidates were also present (along with former President Bill Clinton and his wife Hillary) during Cardinal O'Connor's funeral overseen by the Knights of Malta at St. Patrick's Cathedral.

President and Mrs. Clinton were flanked by presidential candidates George W. Bush (lef and Al Gore - none of whom were Roman Catholics - at the funeral Mass for their political boss, John Cardinal O'Connor.

Of this Jesuit power over statesmen through the Pope and his hierarchy, M.F. Cusack wrote in her 1896 masterpiece, *The Black Pope*, on page 106:

"It is here that the tremendous power of the Church makes itself felt. It is through this [Jesuit] 'direction' that statesmen are compelled to act, not for the benefit of the country to which they belong, but for the benefit of the Church, which controls them. It is here that matters of the most secret nature are discussed and decided [like the present Crusade against Islam, the attack into Afghanistan commencing on the anniversary of the naval Battle of Lepanto when the Armada of the Pope's Knights of Malta destroyed the Armada of the Islamic Ottoman Turks on October 7, 1571]. It is here that alliances... are arranged, and political treaties are agreed on."

Hopefully, the Jesuit Order, in control of the Archbishop with his Network of Vatican Assassins, will be brought to justice for the cold-blooded murder of President Kennedy and for continuing the Great Jesuit Cover-up of his death. This includes the most recent murder of John F. Kennedy, Jr. along with his beautiful wife, Carolyn Bessette and her sister, Lauren. Justice will only be done when the Jesuit presence has been purged from the Justice Department in control of the FBI - Rome's Holy Office of the Inquisition within the American Empire.

And why was JFK, Jr, along with his innocent passengers, murdered? According to Tom Kuncl in the August 31, 1999 issue of the *National Examiner*, JFK, Jr. had, "... recently launched an all out investigation, to find his father's real killer."

[For John had said in his own words:]

"I want to know who killed my father. I want there to be absolutely no doubt."

Nicolini, in his History of the Jesuits published in 1854, gives us further light, declaring on page 269:

"...one of the most prominent characteristics of Jesuitism, [is] never to forgive an injury, and to persecute the remotest descendants for the offences they may have received from their ancestors."

Therefore, the following chart (go to www.vaticanassassins.org) contained in Vatican Assassins: Wounded In The House Of My Friends is humbly given on behalf of the Kennedy and Bessette families. They must know the same savage Jesuit power that killed President Kennedy, mercilessly murdered their three darlings in the prime of their young lives. The same has been done to Princess Diana; for, the Jesuits would never permit the Moslem offspring of her union with an Arab prince to be an heir to the British throne. That throne may only be occupied by a monarch loyal to the Jesuits' "infallible" Pope of Rome - a loyalty that has been unbroken from the wicked King George III, whose Prime Minister was the Jesuit Lord Shelburne, to the present Queen Elizabeth II. For uniting with Dodi Fayed, the "Moslem dog" or "Moslem wog" as the English nobles would call him, Princess Diana was buried out of public view at Althorp Park in Northamptonshire, on a small island in the middle of a pond, where only pet dogs had previously been buried!

As you examine the chart dear reader, picture in your mind's eye the faces of President Kennedy, Princess Diana, John F. Kennedy, Jr., Carolyn and Lauren Bessette. Then may your heart be strengthened to do you duty in exposing the criminal Papal Knights manning that great Sword of the Jesuit General - the Vatican's International Intelligence Community,

"...whose points are everywhere and whose hilt is in Rome."

Dear fellow soldier in Christ, having been born-again by the will of God, remember the Words of God spoken through the great King Solomon:

"The wicked flee when no man pursueth:
but the righteous are bold as a lion."
- Proverbs 28:1

"The fear of man bringeth a snare:
but whoso putteth his trust in the Lord shall be safe."
- Proverbs 29:25

"The Lord is my light and my salvation;
whom shall I fear?
The Lord is the strength of my life;
of whom shall I be afraid?"
- Psalms 27:1

Remedy

A photo, taken from the November 13th, 2000 edition of Pittsburgh's Tribune Review, depicts the late Leah Rabin in 1995, following her "private audience" at the Vatican, with the greatest accomplice to her husband's cold-blooded murder, the "infallible" Pope John Paul II. The Mossad, an arm of the Jesuit General's International Intelligence Community, carried out the assassination; as, the disobedient Freemason and Prime Minister Yitzak Rabin opposed Rome's policy for Zionist Israel. For the Jesuits will never allow any portion of the old city of Jerusalem to be given to the Moslems, especially the Palestinians controlled by the Order through Arafat. Indeed, "the arm of the Church is long."

In ending, Vatican Assassins: "Wounded In The House Of My Friends", calls for national repentance to all Americans, a return to the Protestant Bible and maxims of the true faith in the Christ of the English Reformation and the expulsion of the Jesuit Order from American Soil.

We American Protestants and Baptists, having inherited the greatest Protestant form of government in the history of the world - our blessed Presbyterian Constitution and Baptist Bill of Rights - will be used no more to enthrone fascist-communist military dictators around the world in restoring and maintaining the Temporal Power of the Jesuits' "infallible" Pope.

If we, the American People, do not bring the real assassins of President Kennedy and his son to justice,(as well as 9/11 victims)and if we do not take back our sovereign federal powers usurped by the Jesuit General on behalf of the "infallible" Pope, if we do not dissolve the Council on Foreign Relations through which the Jesuit General rules New York, Washington D.C., the American Empire and thus the whole World (while deceptively employing certain notorious Masonic Jews and Gentiles as front men), if we do not expel the Army of the Pope - those odious Sons of Loyola - then our nation is truly lost. For then the Jesuits will use the very peoples our government oppressed (having armed and financed merciless tyrants in submitting them to the "infallible" Pope's Temporal Power), to invade our land, destroy our people and we will deserve it! The peoples we speak of are the Russians who suffered under Stalin, the Romanians who suffered under Ceaucescu, the Bulgarians who suffered under Zhivkov, the Hungarians who suffered under Kadar, the Japanese who suffered under Tojo, the Chinese who suffered under Mao Tse-tung, the Vietnamese who suffered under Diem, the Cambodians who suffered under Pol Pot, the Germans who suffered under Hitler

and then Stalin, the East Germans who suffered under Honecker, the Spanish who suffered under Franco, the Italians who suffered under Mussolini, the Yugoslavians - particularly the Serbs - who suffered under Tito (and under American bombers), the Argentineans who suffered under Peron, the Portuguese who suffered under Salazar, the Mexicans who suffered under De la Madrid, the Chileans who suffered under Pinochet, the Haitians who suffered under Aristide, the Panamanians who suffered under Noriega, the South Africans who continue to suffer under Mandela, the Iraqis who continue to suffer under Hussein, and the Cubans who continue to suffer under Castro, just to name a few.

For the Jesuits, in restoring and maintaining the Temporal Power of the "infallible" Papal Caesar, have shed the blood and spent the treasure of this once great Protestant Nation for the entire Twentieth Century. And in so doing Rome, in which is The Sovereign State of Vatican City, has fulfilled these words concerning herself:

"...the great whore that sitteth upon many waters...
arrayed in purple and scarlet...is that great city,
which reigneth over kings of the earth...
and in her was found the blood of the prophets,
and of saints, and of all that were slain upon the earth."

Revelation 17:1, 4, 18; 18:24

We, the betrayed American People, can expect a created national crisis resulting in widespread lawlessness, similar to the Negro rioting of 1968 following the King Assassination. (Possibly the Masonic, Black Muslim leadership, subject to the Archbishops of New York and Chicago, will ignite urban riots across the nation with their private army, "the Fruit of Islam". Their greatest target will be the capital, Washington D.C., eighty percent of its population being easily agitated Blacks, the majority having been taught from their youth to hate all White people. (Remember, the Black "Reverend" CFR member Jesse Jackson, the Jesuits' professional agitator functioning as a Masonic "Yassir Arafat of America" having never pastored a Church, years ago as a waiter used to spit on the food of White people he would serve!) This violent city, which has insanely banned all handguns, holds the "honor" of being "the murder capital of the world". More importantly, it hosts the Empire's most powerful Jesuit presence - the military fortress of Georgetown University. (We know Washington is their target as the Jesuits' major European and Asian revolutions began in capital cities, a few of them being Paris (1789,1848), Moscow (1917), Berlin (1933) and Peking (1912,1949).)

The ensuing anarchy will result in a Jesuit-controlled, right-wing, fascist military dictator (like "Bonesman" George W. Bush, whose President father, George H. W. Bush, is a Shriner Freemason, a drug lord and was a player in the Kennedy Assassination, and whose uncle, Prescott Bush, Jr., is a Knight of Malta and whose grandfather Prescott

Bush, Sr., was one of the original founding members of the Jesuit General's Council on Foreign Relations. President Bush is also endorsed by CBN's Evangelical Pat Robertson, who was a friend of the late J. Peter Grace, and whose past consultant and personal friend is another Knight of Malta, Jeremiah Denton who wrote When Hell Was In Session). There will be mass roundups, torture and murder of American Jews in concentration camps (just like in the Jesuits' Nazi Germany). (Codenamed "Rex 84", the camps were established by Ronald Reagan and his Director of the CIA, Knight of Malta, William J. Casey.) There will be foreign war (like "Spelly's War" in Southeast Asia), invasion, occupation and persecution of the American Protestants and Baptists by foreign armies under the command of Jesuit-controlled dictators (like the Grand Inquisitor - Joseph Stalin). The army presently being prepared to spearhead this massive invasion of the American Empire is that of the Red Chinese in particular.

This will be the final blow, to individual liberty, national sovereignty and the Protestant Reformation. It will be the greatest victory for the Jesuit General's Counter-Reformation, restoring the Pope's "Holy Roman Empire" - founded on a reunited and rebuilt Germany - and returning the world to the Dark Ages. For then it shall come to pass, with Satan's last attempt to destroy the Lord Jesus Christ's beloved racially Jewish People, having used Rothschild's Masonic Zionists - controlled by Rome's Mossad - to resettle them in Israel for the purpose of rebuilding Solomon's Temple, that the Jesuit General's "infallible" Papal Caesar,

"...which had the wound by a sword, and did live...",
- Revelation 13:14

shall become

"...that man of sin..."
- II Thessalonians 2:4

who, possessed by the devil himself, will be called

"...the beast..."
- Revelation 13:4

The beast will rule all nations from Solomon's rebuilt Temple in Jerusalem for

"...forty and two months..."
- Revelation 11:2 ;13:5

as,

"...the abomination of desolation..."

- Daniel 9:27

- Matthew 24:15

"...he shall exalt himself, and magnify himself above every god..."

- Daniel 11:36

"...so that he as God sitteth in the temple of God, showing himself that he is God..."

- II Thessalonians 2:4

"...he shall speak great words against the most High..."

- Daniel 7:25

"...he shall also stand up against the Prince of princes;..."

- Daniel 8:25

"...until Shiloh come..."

- Genesis 49:10

"...In flaming fire taking vengeance on them that know not God..."

- II Thessalonians 1:8

"...out of his mouth goeth a sharp sword,
that with it he should smite the nations..."

- Revelation 19:15

"...the Lion of the tribe of Juda...shall...roar..."

- Revelation 5:5

- Isaiah 42:13

"...he shall fill the places with the dead bodies;
he shall wound the heads over many countries..."

- Psalms 110:6

"...his feet shall stand in that day upon the Mount of Olives..."

- Zechariah 14:4

"...and there was given him a dominion, and glory, and a kingdom..."

- Daniel 7:14

"...and the Lord God shall give unto him the throne of his father David..."

- Luke 1:32

"...and his dominion shall be from sea even to sea...to the ends of the earth..."

- Zechariah 9:10

"...Of the increase of his government and peace there shall be no end..."

- Isaiah 9:7

"...And he shall judge among many people, and rebuke strong nations afar off; and...the kingdom shall come to the daughter of Jerusalem..."

- Micah 4:3,8

"...for out of Zion shall go forth the law, and the word of the Lord from Jerusalem..."

- Isaiah 2:3

"...In his days Judah shall be saved and Israel shall dwell safely..."

- Jeremiah 23:6

"...At that time they shall call Jerusalem the throne of the Lord; and all the nations shall be gathered unto it..."

- Jeremiah 3:17

"...all kings shall fall down before him: all nations shall serve him..."

- Psalms 72:11

"...That at the name of Jesus every knee should bow... And that every tongue should confess that Jesus Christ is Lord to the glory of God the Father..."

- Philippians 2:10,11

"For the father judgeth no man, but hath committed all judgment unto the Son: That all men should honour the Son, even as they honour the Father.

He that honoureth not the Son honoureth not the Father which hath sent him."

- John 5:22, 23

For the Semitic, Hebrew/Jewish-Israelitic
risen and returning Son of God,
Jesus of Nazareth, the King of the Jews,

not the Gentile Priest-King Papal Caesar of Rome
presently treading down Jerusalem with his Masonic Jewish Zionists,
who are persecuting and afflicting
Jehovah's beloved and racially Hebrew/Jewish People,

"until the times of the Gentiles be fulfilled"

- Luke 21:24

is the only

"KING OF KINGS AND LORD OF LORDS".

- Revelation 19:16

Unless we repent, our time is short and our destruction, as a Protestant nation enjoying Baptist-Calvinist liberties, is at hand!

Title: PAPAL BONESMEN

CRAIG-OXLEY - September 12, 2006 08:43 PM (GMT)

Remember on that this symbol has been used by the likes of the Knights Templars who buried their dead with their heads in a certain position and legs crossed to symbolise this symbol of the skull & crossbones. We know of this worship more so within the Germanic order, Chapter 322 known to most as Skull & Bones which Kerry and Bush are apart of, please remember this is really The Russell Trust. -2tuff

On this page are numerous articles from reputable sources reporting on the skull and crossbones displayed on the Pope's inner coffin. Strange as it may seem, after many weeks of researching this, the Vatican has somehow prevented any photos of the pope's coffin that does in fact carry the skull and crossbones of the Masonic order.

I wasn't planning on placing this page online until I had the photo. However, due to the fact that many scoffers are claiming online there are no images of a skull and crossbones on the pope's coffin, I have decided to go ahead and post this compilation of articles so as to quench their desires to continue the deception.

As research continues, and additional pictures are discovered, rest assured I will be posting them on this page as soon as is possible. In fact, if you know of any pictures of the pope's coffin with the skull and crossbones, please [email me](#). As you can see by the pics on either side of this paragraph there is in fact photographic evidence of this. As you can also see by the many articles on this page it is in fact true, the Popes are indeed Freemasons.

* A Roman Catholic Priest was describing the burial of the Pope to Matt Lauer on the Today show. The Priest said that the Pope will be buried in the Vatican, with a real skull and crossbones over him as a Symbol of where we all return.

QUESTION: Is it true that the pope's body was placed in other caskets before it was placed in the crypt? I have heard that one is of wood and another is marked with a skull and cross bones. Why would skull and cross bones be used?

ANSWER: Pope John Paul II's body was interred in three caskets. The triple caskets reflect longstanding tradition for the burial of popes. The innermost casket--the one in which his body lay during his funeral--was made of cypress wood. That casket was placed inside a second casket made of zinc (traditionally, lead was used), presumably to seal the body from the ravages of insects. The third, outermost casket was made of walnut wood (the traditional wood was elm).

The second casket bears a skull and crossbones, along with John Paul's regnal dates. In Christian iconography the skull and crossbones symbolize death, but they are also a symbol of Adam, the first man, who, according to Christian legend was buried at Golgotha, directly underneath the place where Jesus Christ was crucified. That is because Christians believe that Christ is the new Adam, whose death atoned for Adam's sin and who represents a new template for humanity. Just as Christ conquered death in his resurrection, so will all Christians on the last day. Many crucifixes and paintings of the Crucifixion depict Adam's skull underneath the cross of Christ.

Aside from symbolizing victory over death, this skull more specifically represents the skull of Adam, said in Jewish and Christian legend to have been buried at Golgotha, where Jesus was crucified. The Blood of Christ, the New Adam, redeems man, as symbolized by the skull of the First Adam. I Corinthians 15:22, 45: "And as in Adam all die, so also in Christ all shall be made alive...The first man Adam was made into a living soul; the last Adam into a quickening spirit."

Notice if you will they make excuses that the skull and crossbones are used to symbolize death in the Christian world, or Adam supposedly being buried under the place Christ was crucified.. NEVER has that been the case! It has always symbolized only two things on earth. Pirates, and a secret society of the Freemason's known as bonesmen

Many days of tradition, security and homage

April 3, 2005

Funeral ceremonies for a pope last nine days, a period called Novendiales. Details are set by the College of Cardinals, but some basic rules on handling the death of a pope were started in the 14th century because of a history of deceit, disorder and crime associated with papal deaths. Further guidelines are set by past church documents and the pope's will.

Day 1

Cardinals worldwide are formally summoned to Rome. The camerlengo locks the papal apartments for security reasons. The chamberlain finds the pope's ring (used as a seal for documents), which will be destroyed in front of the College of Cardinals to prevent forgeries. He also drafts a death certificate. Confirming the pope's death, the Cardinal Camerlengo — or chamberlain — may or may not follow the traditional practice of tapping the pope's forehead with a silver mallet.

Day 2

After its embalming, the pope's body is placed for public viewing in St. Peter's Basilica. The Vatican plans a Mass at 10:30 a.m. today (Rome time) for Pope John Paul II. The gold papal Ring of the Fisherman shows St. Peter — the first pope —

fishing in a boat. The College of Cardinals begins its daily meetings to govern the church until a new pope is elected. They will decide funeral details, destroy the papal ring and plan for the election.

Day 3

Elm signifies dignity. The middle lead coffin is engraved with a skull and crossbones. Innermost cypress coffin signifies pope's humanity.

Day 4, 5 or 6

The casket is installed in its final place in the lower crypt level of the basilica. A cypress coffin is set inside two other coffins, each with different meanings. The chamberlain may allow photographs only after the pope's body is dressed in papal vestments. The pope's funeral Mass is celebrated at St. Peter's.

The next 8 days after the burial

On each of the eight days that follow, a special Mass is said. The College of Cardinals designates the basilica that will be host to each day's funeral Mass, and the cardinal to preside. But all cardinals may "concelebrate," or recite together, the Eucharistic Prayer.

Is the pope's coffin always made of cypress? In fact, three coffins are used. The innermost coffin is made of cypress to signify the pope's humanity. Before burial, the cypress coffin is sealed in an 800-pound lead coffin which bears a skull and crossbones. The outermost coffin is made of elm to symbolize the great dignity of the pope.

Both the lead and elm coffins bear bronze plaques with the name of the pope and the significant dates of his life. For example, the inscription for Paul VI read: "Corpus Pauli VI P.M. -- Vixit annos LXXX menses X dies X -- Ecclesiae universali praefuit -- annos XV menses I dies XVI -- Decessit dies VI mesnis Augusti -- Anno Domini MCMLXXVIII"

POPE JOHN PAUL II

Pontiff's funeral a Mass for the masses

Huge crowds will flock to Pope John Paul II's funeral on Friday. Catholic liturgy experts say his funeral will be a typical funeral Mass -- for two million people. BY ALEXANDRA ALTER

As Catholic cardinals, heads of state and hundreds of thousands of pilgrims converge on the Vatican to witness Pope John Paul II's funeral Friday, Vatican experts predict the service will be simple in keeping with Roman Catholic tradition.

"The very same funeral that any Catholic would get today is what the pope will have," said Monsignor Kevin Irwin, a professor of liturgy and theology at Catholic University of America in Washington.

According to papal tradition, the pontiff will be buried under St. Peter's Basilica in an ancient grotto where popes have been buried since the fourth century. Cardinal Joseph Ratzinger of Germany, dean of the College of Cardinals, will celebrate the Mass, which will be conducted on a platform in front of St. Peter's to accommodate the two million people expected to attend. Ratzinger will also deliver the homily.

The service will be similar to the last two papal funerals. It will begin with a procession of cardinals, with the most senior

going first, each wearing red vestments and white miters. Some clergy will carry incense, while others will carry a cross or candle. The pope's coffin, traditionally made from cypress, will be brought out of the basilica and placed in front of the altar, liturgical experts say.

In 1978, the coffin of Pope Paul VI was placed on the steps, breaking from tradition, said Monsignor Robert Wister, a professor of church history at Seton Hall University in New Jersey. As a seminary student in Rome, Wister attended the funerals of the previous two popes -- Paul VI and his successor John Paul

I, who died in 1978, 33 days after being elected, and whose coffin was also placed on the steps. Prior to the Second Vatican Council, which established liturgical reforms from 1962 to 1965, the pope's coffin was displayed on an elevated platform inside St. Peter's and surrounded by candles. Pope Paul VI requested a less extravagant funeral, Wister said.

SEATING LOCATIONS

Heads of state, including Prince Charles, President Bush and President Vicente Fox of Mexico, will likely be seated in front of the casket across the aisle from members of the College of Cardinals, Wister said. In keeping with a traditional Catholic funeral Mass, Ratzinger will sprinkle the casket with holy water, recalling baptism, and swing incense over it before offering opening prayers.

In previous papal funerals, a cross and a book of Scripture have been placed on top of the casket, said Monsignor Anthony Sherman, the associate director of the Secretariat for the Liturgy at the U.S. Conference of Catholic Bishops. A candle representing the resurrection of Christ may also be placed at the head of the coffin, Sherman said.

"It's the light that the pope is trying to bring into the world," he said. The readings during the Mass will be chosen from the 45 or so readings that are approved for funeral Masses, Sherman said. The readings will emphasize Christ's resurrection, he added. "With the last pope, it was made explicitly clear that it not be a eulogy, but rather a proclamation of the resurrection," Sherman said.

LENGTHY SERVICE

The Mass will likely last nearly three hours, a portion of which will be devoted to delivering the Eucharist. During the previous papal funerals in 1978, 40,000 people received communion, said Wister, who was a graduate student in Rome at the time and covered the funeral for CBS News. Irwin was among the priests who waded out into the crowds to administer Communion during the last two papal funerals.

"They have hundreds of priests, because God knows, there's wall-to-wall clergy in Rome," he recalled. After the ceremony, an expected 12 pallbearers will carry the coffin into St. Peter's along with a procession of cardinals. Pope John Paul II will be buried with a white silk veil on his face, wearing liturgical vestments and a white miter. Archbishop Piero Marini, a longtime close aide as papal master of ceremonies, has said soil from Poland will not be placed in the coffin, as Polish officials had hoped.

The pope's body will be interred in three coffins, one of cypress, which symbolizes humility, one of zinc or lead, to preserve the body, and one of elm, one of the most expensive woods in Italy, conveying respect.

The lead and elm coffins will probably bear bronze plates with the pope's Latin name, Ioannes Pavlas II, and the dates of his life. The lead coffin, which weighs 800 pounds, has traditionally been marked with a skull and crossbones, Sherman said.

The three coffins will be interred beneath a marble slab in the crypt under St. Peter's. The pope will be buried in the tomb of Pope John XXIII, whose coffin was removed from the crypt after he was beatified in 2000. His tomb now resides on the ground floor of St. Peter's so pilgrims can see it. The pope will be buried nearly six full days after his death. A Vatican official said Tuesday the pope's body had not been embalmed, only "prepared" for viewing. Popes have been embalmed in the past, with varying degrees of success. Pope John XXIII, who died in 1963, was reportedly well preserved when his body was exhumed following his beatification in 2000, whereas Pope Paul VI's body began to deteriorate during his viewing.

Before the cypress coffin is sealed, a copy of the funeral homily, a notarized death certificate and a summary of the pope's major works are traditionally placed in the coffin.

Traditionally, Vatican medals and a bag of coins minted during the pope's 26-year reign are put in the coffin as well, along with the papal ring, which the cardinals crushed after the pope's death.

Most recent popes have been buried under St. Peter's Basilica. John Paul II will rest alongside his immediate predecessor, John Paul I. He also will be interred near popes Benedict XV (who served from 1914-22), Innocent IX (October 1591-December 1591), Julius III (1550-1555) and Paul VI (1963-78).

Once the pope is laid to rest, several days of mourning will ensue before the College of Cardinals gathers in the Sistine Chapel to select the pope's successor. -Macon Telegraph April, 07, 2005 <http://www.macon.com/mld/macon/11331991.htm>

Pope's coffin

Question from Gail on 4/4/2005:

My son came home from school today asking what the skull and crossbones represented on the Pope's coffin? Could you please help me out? I have searched and came up with nothing.

Answer by Matthew Bunson on 4/8/2005:

The skull and crossbones is a traditional symbol of death to denote that the person enclosed within is deceased.

Funeral of John Paul II's predecessor marked by symbolism

The Orange County Register

Details of Pope John Paul II's funeral are unclear, but the funeral of his predecessor was quite interesting.

The body of Pope John Paul I, who led the Catholic church for less than a month before dying of a heart attack in 1978, was placed in a simple coffin on top of an oriental rug on the steps of St. Peter's Square. An open book of gospels was laid atop his body, and a white candle, signifying eternal life, burned next to the coffin. Cardinals, wearing red vestments, came by to pay their public respects, visiting in order of seniority.

But, as with most papal funerals, the event went beyond such simplicity.

After the public viewing, the casket of John Paul I was laid in two other coffins. The first is a lead liner that weighed more than 880 pounds that also includes important papers signed by the pope under the papal seal. The second extra coffin is a massive elm casket, the wood signifying the importance of the person being buried.

The lead and oak caskets were embossed with inscriptions giving the dates of John Paul's life and reign, as well as a cross with a skull and crossbones at its foot, and John Paul's personal coat of arms, a shield with mountains and the winged lion of Venice's St. Mark's Cathedral. The word "humilitas" also was inscribed on the two outer coffins.

All three coffins then were lowered into a marble sarcophagus and covered by a large stone slab. The tomb is near others that hold at least 144 other popes.

The last papal funeral was marked by rain and a strong wind, and even this became cause for graceful ceremony.

When the wind picked up, midway through the outdoor portion of the service, eight Vatican attendants carried a canopy to cover Cardinal Carlo Confalonieri, who delivered the Mass. As the rain picked up, attendants behind each of the 92 cardinals in attendance opened black umbrellas. The wind then blew the pages of the holy gospel placed on top of John Paul's coffin and, soon, rain soaked the pages.

Pope's coffin sealed in private ceremony

Cardinal Ratzinger presides over funeral

ASSOCIATED PRESS

VATICAN CITY - The funeral for Pope John Paul was preceded today with an intimate ceremony attended only by high-ranking prelates, who placed a pouch of silver and bronze medals of his papacy and a scrolled account of his life in his coffin.

John Paul's longtime private secretary, Archbishop Stanislaw Dziwisz, and the master of the liturgical ceremonies, Archbishop Piero Marini, placed a white silk veil over the Pope's face before the coffin was closed.

Royalty and dignitaries from more than 100 countries, including Canada, waited outside as the coffin was carried out of St. Peter's Basilica and placed in front of the altar. The book of the Gospel was placed on the coffin.

The outdoor funeral mass, which began at 10 a.m. (4 a.m. EDT), was celebrated by Joseph Cardinal Ratzinger, dean of the College of Cardinals. He was joined by the cardinals and patriarchs of the Eastern Rite Churches, all in red vestments.

After the mass ended, bells tolled and 12 pallbearers with white gloves, white ties and tails presented the coffin to the crowd one last time, then carried it on their shoulders back inside the basilica for burial.

John Paul was buried at 2:20 p.m. (8:20 a.m. EDT) in the grotto under the basilica, attended by prelates and members of the papal household, the Vatican said.

The funeral rites were based on the Vatican's book of liturgical ceremonies, published in 2000. The mass began with the Gregorian chant, Grant Him Eternal Rest, O Lord, followed by the singing of Psalm 64 (65), To You We Owe Our Hymn of Praise, O God of Zion.

A prayer for the soul of the Pope was read by Ratzinger. Then the following texts were read:

The First Reading:

Acts of the Apostles, Chapter 10, verses 34-43, known as Peter's Speech.

Psalm 22 (23), "The Lord is my Shepherd, I shall not want."

The Second Reading:

Letters of St. Paul to the Philippians, 3:20-4:1, "But our citizenship is in heaven."

John, 6:40, "For this is the will of my Father that everyone who sees the Son and believes in him may have eternal life."

The Gospel

John, 21:15-19, dialogue between Jesus and Peter, "Follow me."

The homily delivered by Ratzinger followed the Gospel reading. The communion hymn was Psalm 129 (130), "Out of the depths I cry to you O Lord, Lord hear my voice."

During the rite of Final Commendation and Farewell, the cardinals encircled the coffin and Ratzinger called all to prayer with the following words:

"Dear brothers and sisters, let us entrust to the most gentle mercy of God, the soul of our Pope John Paul II. ... May the Blessed Virgin Mary ... intercede with God so that he might show the face of his blessed son to our Pope, and console the church with the light of the resurrection."

A choir sang the Litany of the Saints. Names of saints canonized by John Paul were included.

The patriarchs, archbishops and metropolitans of the Eastern Rite churches surrounded the coffin and offered chanted prayers for the soul of the deceased pontiff and blessed the coffin with incense.

After a moment of silent prayer, Ratzinger sprinkled the coffin with holy water and blessed it with incense.

The funeral mass ended with all standing and together singing: "May the angels accompany you into heaven, may the martyrs welcome you when you arrive, and lead you to Holy Jerusalem."

Once in the grotto, the cypress coffin was definitively closed with red bands, sealed with both papal and Vatican seals. Then the coffin was placed in a second casket of zinc, and subsequently into a third of walnut. This outside casket bears the name of the Pope, his cross and his papal coat of arms.

The coffin was then lowered into the ground in a plot inside a small chapel, between the tombs of two women: Queen Christina of Sweden and Queen Carlotta of Cyprus, said a senior Vatican official who attended the ceremony.

The service was not open to the public, but was witnessed by top Vatican prelates. The camerlengo, or chamberlain, Cardinal Eduardo Martinez Somalo, performed the rite, concluding with the words: "Lord, grant him eternal rest, and may perpetual light shine upon him."

The burial ceremony ended with those present singing the hymn Salve Regina, dedicated to Mary.

The reason I posted this last article was to let ALL know the sealing of the coffin where the SKULL AND CORSSBONES is

apparently displayed was done **PRIVATELY!** They admit globally the skull and crossbones is on the coffin, but **WHY** do they refuse to let the people see it? Could it be it displays a **NUMBER** as well?

John Paul II Coffin

Cardinal Cormac O'Connor and two Freemasons

Notice the "M" on Pope John Paul II's coffin here? By the way, that is a **TRAPEZOIDAL** coffin. Those into the occult, especially Vampirism would know the reason for this shape. It supposedly allows for a demonic resurrection if enough evil energy is generated by their god Satan after they die.

My point here is, notice the letter "M" on the coffin. Now yes, we all know that John Paul II had a "special" devotion" to the Pagan goddess known as "Queen of Heaven" and we all know he claimed it was actually "Mary" the mother of Jesus Christ. He even had his clothing engraved with "TOTUS TUUS SUM MARIA" which in English translates to, "MARY, I'M ALL YOURS." Thing is, nowhere do you see the leyzer "M" prominently displayed by Marionists as a symbol for Mary. Only in the Masonic religion do you see such a display with the letter "M" as being significant.

Notice the picture on the right of this page. Also notice the letter "M" on the Masonic Aprons. Have you noticed that the "M" on John Paul II's coffin is the exact same font on that apron?

By the way... I am still investigating the reason the cross arm on the pope's coffin is longer on the right side. If anyone reading this knows the reason for this please contact this ministry.

The following photos are displayed to let those harboring doubt realize the skull & crossbones of the Mason are a normal occurrence in Roman Catholic cathedrals.

Commentary on Movie: Kingdom of Heaven

Comments by Darryl Eberhart, Editor of "Tackling the Tough Topics"
Concerning religious fanaticism, cruelty, and barbarism; and,
Concerning the outstanding movie "Kingdom of Heaven"

My main reasons for writing this article are:

- (1) To point out that institutional religious fanaticism, cruelty, and barbarism are very wicked; and,
- (2) To promote one of my two very favorite movies, "Kingdom of Heaven" by Ridley Scott. ((My other "very favorite movie" is "King Arthur – Director's Cut" by Jerry Bruckheimer. Some of the outstanding dialogue in both of these movies exposes the very ugly, dark side of "institutional religious fanaticism, insanity, cruelty, and barbarism".))

DEFINITION:

“Crusade” (per Webster’s New World Dictionary, Second College Edition, 1974): “1. Any of the military expeditions which Christians undertook from the end of the 11th [century] to the end of the 13th century to recover the Holy Land from the Moslems. 2. Any church-sanctioned war or expedition like this...”

GENERAL INFORMATION ABOUT THE MOVIE “KINGDOM OF HEAVEN”

First, here is some information concerning the movie “Kingdom of Heaven”:

The back cover of the DVD copy of this movie that I purchased states: “From Ridley Scott, director of ‘Gladiator’ and ‘Black Hawk Down’ comes a thrilling, action-packed epic of honor, passion and courage that ‘explodes with adventure’ (Chicago Tribune). Orlando Bloom heads an all-star cast in this sweeping tale about a young knight during the Crusades who must battle overwhelming forces to save his people, and fulfill his true destiny.”

The back cover also has the statement: “Twentieth Century Fox presents A Scott Free Production, A Ridley Scott Film, ‘Kingdom of Heaven’.”

The DVD version of this movie is a two-disk set. Disk #2 contains Special Features such as: “Movie Real: Kingdom of Heaven” as seen on the A&E Network and “History Vs. Hollywood: Kingdom of Heaven” as seen on The History Channel.

“Kingdom of Heaven” is a 144-minute (2 hour and 24 minute) color film that was released in 2005. The “Rating” for this movie listed on the back cover of the DVD is “R [i. e., Restricted]: For strong violence and epic warfare”.

((Ed. WARNING to parents: This movie contains scenes of intense battle violence, and one short scene of mild (per Hollywood standards) sexuality.))

At the beginning of the movie the following statements are given:

“It is almost 100 years since Christian armies from Europe seized Jerusalem [Ed. Note: in 1099 A.D.]. Europe suffers in the grip of repression and poverty. Peasant and lord alike flee to the Holy Land in search of fortune or fame.”

“One knight [i.e., Godfrey of Ibelin] returns home in search of his son [i.e., Balian].”

“France – 1184.”

SELECTED EXCERPTS OF GREAT DIALOGUE IN “KINGDOM OF HEAVEN”

Now let’s take a look at some of the great dialogue (by William Monahan) in this movie

along with some of my “editorial comments” (all “emphasis”, unless otherwise noted, is mine):

(An early scene in the movie has Catholic Crusaders on their way to the Holy Land):

Unidentified monk at the Pilgrim Camp on the road to Messina (addressing the Crusaders): “To kill an infidel is not murder – it is the path to heaven.”

((Ed. Comment to the preceding statement: Popes and other assorted Roman Catholic prelates exhorted men to go on crusades to the Holy Land with promises of the forgiveness of sins, entry to heaven if they died fighting on the crusades, and, of course, booty and the other fringe benefits of winning battles. Roman Catholic monks, friars, and priests made the Church’s enemies to often appear less than human, and came up with such “war propaganda” phrases as the one seen immediately above. After all, it certainly was no “sin” to kill a Moslem (an “infidel”) during a “holy” crusade – no matter what the circumstances of that murder.))

((Here, briefly, is a description of the seven major characters whose dialogue is used below:

- Balian (played by Orlando Bloom) – the character that is the main focus of this movie — a poor village blacksmith who has only recently found out who his father (Godfrey of Ibelin) is – he finds himself heir to his father’s estate in Ibelin (not far from Jerusalem) – he is knighted by his dying father on the way to the Holy Land;
- Godfrey of Ibelin (played by Liam Neeson) – a Crusader knight and baron of Ibelin;
- The Hospitaller (played by David Thewlis) – a Crusader priest and knight;
- Sibylla (played by Eva Green) – princess of Jerusalem and sister of King Baldwin IV; also wife of villainous knight and lord Guy de Lusignan;
- King Baldwin IV (played by Edward Norton) – the King of Jerusalem; a leper;
- Patriarch of Jerusalem (played by Jon Finch) – a bishop and the highest ranking Catholic prelate in Jerusalem; and,
- Tiberius (played by Jeremy Irons) – a knight and lord; the Marshall of Jerusalem.))

((NOTE: Historical setting: The Christian [to be more accurate, “Catholic”] Crusaders had captured Jerusalem in 1099 from the Moslems, and in the process slaughtered almost all of the city’s inhabitants (men, women and children – mostly Moslems, some Jews, and possibly even a few Christians). 10,000 Moslems – men, women, and children – were slain just on the Temple Mount. For a period of time an uneasy peace existed between the King of Jerusalem and Saladin [the famous Moslem warrior; Sultan of Egypt and Syria, 1174-93]. Religious (and “political”) fanatics on both sides were intent on ending that peace. The movie “Kingdom of Heaven” wonderfully portrays this “battle” between those wanting peace and those wanting war. In “Kingdom of Heaven” we find King Baldwin IV and the Marshall of Jerusalem (Tiberius) trying to keep the peace with Saladin. We also find two powerful Crusader lords (who are genuine

historical persons), Guy de Lusignan and Reynald of Chatillon, trying to provoke a war.))

Godfrey (to Balian): “There is peace between Christian and Muslim. We live together. Or, between Saladin and the king [i.e., King Baldwin IV], we try.”

(Godfrey is dying from an earlier wound, and so as his final act in this life, he knights his son Balian, while administering the following oath to him):

Godfrey: “Be without fear in the face of your enemies. Be brave and upright, that God may love thee. Speak the truth always – even if it leads to your death. Safeguard the helpless and do no wrong. That is your oath.” (Godfrey then adds): “Defend the king. If the king is no more, protect the people.”

((Ed. Comments to the preceding dialogue: The above is a wonderful oath, if one is ever to take an oath. Compare this oath with the horrible blood oaths taken by those in secret societies, such as the oaths of higher level Jesuits, higher level Knights of Columbus, and higher level Masons, where they swear to blindly obey any and all orders from their superiors – no matter how evil those orders are – and without daring to ever question those orders!))

((Balian, upon arriving in Jerusalem, is having a conversation with the Hospitaller (the priest-knight who was the spiritual guide to Balian’s father)):

Balian: “It seems...I’ve lost my religion.”

The Hospitaller: “I put no stock in religion. By the word ‘religion’ I’ve seen the lunacy of fanatics of every denomination be called ‘the will of God’. Holiness is in right action, and courage on behalf of those who cannot defend themselves. And goodness – what God desires – is here [pointing to Balian’s head] and here [pointing to Balian’s heart]. By what you decide to do every day, you will be a good man...[pauses]...or not.”

((Ed. Comment to the preceding dialogue: The words used in the dialogue immediately above, and the words of the oath administered by Godfrey to Balian, have me wondering if God Himself might not be smiling in approval at some of the great dialogue in this movie. Truly, “organized religion” has been one of the greatest purveyors and promoters of hate and bloodshed that the world has ever seen! Throughout this movie we see clerics exhorting the “faithful” to slaughter other human beings (created in God’s image) because, say they, “It is God’s will”.))

(A following scene finds Balian and the Hospitaller priest-knight in a section of Jerusalem where some Templar Knights are being hung for killing Arabs [wrongfully, and in violation of the truce]. The following conversation takes place between Balian and the Hospitaller):

The Hospitaller: “These men are Templars [i.e., Knights Templar]. They killed Arabs [in

violation of the truce between the king of Jerusalem and Saladin].”

Balian: “So they are dying – for what the pope would command them to do.”

The Hospitaller: “Yes, but not Christ, I think. Nor this king [referring to King Baldwin IV].”

((Ed. Comment to the preceding dialogue: Wicked popes indeed have commanded the slaughter of the Moslems – the “infidels”. Wicked popes have also commanded the slaughter of innocent Christians, such as the Albigenses in southern France in the early 13th century. Since the pope claims to be the “vicar of Christ” on earth, the question that we must all ask ourselves is this: Would Jesus Christ have commanded the slaughter of innocent men, women, and children – whether Jew, Moslem, or Christian?))

(The following is said by Tiberius to Balian and the Hospitaller in his office – the office of the Marshall of Jerusalem):

Tiberius: “He [i.e., Saladin] has 200,000 men in Damascus [Syria] alone. He could win a war if he goes to war...and he’s daily given cause for war by fanatics newly arrived from Europe...by Templar bastards like Reynald de Chatillon.”

(Balian is having a private conversation with the leper King of Jerusalem, King Baldwin IV):

King Baldwin (addressing Balian): “But remember that even when those who move you be kings – or men of power – your soul is in your keeping alone. When you stand before God, you cannot say: ‘But I was told by others to do thus’, or that virtue was not convenient at the time. This will not suffice. Remember that.”

((Ed. Comment to the preceding statement: That is good advice for all of us. “We were just following orders” was not accepted as an “excuse” at the Nuremberg Trials [of Nazi war criminals] in Germany at the conclusion of World War II, and I doubt that such an “excuse” will be accepted by the LORD God Almighty when all human beings are judged in His court!))

(Princess Sibylla is commending Balian for the improvements he has made at his estate – such as an irrigation system he has set up):

Sibylla: “You’ve been given a patch of dirt, and it seems you will build a new Jerusalem here.”

Balian: “It is my land. Who would I be if I did not try to make it better?”

((Ed. Comment to the preceding dialogue: What kind of people would we be if we do not try to expose evil in order to make the world a better place in which to live?))

(Crusaders, led by Guy de Lusignan and Reynald of Chatillon, are shouting the following as they prepare to attack a Moslem caravan): “God wills it!”

(A council is being held with King Baldwin IV, Tiberius, Guy de Lusignan, the Patriarch of Jerusalem, and various priests and knights present in the aftermath of the Crusader attack [led by Guy de Lusignan and Reynald of Chatillon] on the Moslem caravan):

Tiberius (Marshall of Jerusalem): “We must not go to war with Saladin. We do not want it [i.e., a war], and we may not win it.”

Priest: “Blasphemy!” (The others who desire the war all join him in shouting “Blasphemy!”)

Priest (continuing to address the council): “An army of Jesus Christ, which bears His holy cross, cannot be beaten.”

((Ed. Comment to the preceding dialogue: Those desiring peace were accused by a Catholic cleric of “blasphemy”. Placing the supposed cross of Christ in the front of the marching army was supposed to “guarantee” victory. Of course, the war hawks later prevail once Guy de Lusignan becomes king, and the Catholic Crusader army marches out with the “cross of Christ” in the advance guard of the army, and gets slaughtered by the Moslems! Religious superstition and hocus-pocus may lull many of the “faithful” to sleep during peacetime; however, religious superstition and hocus-pocus cannot guarantee a victory on the field of battle!))

(After King Baldwin IV dies, the new king of Jerusalem (Guy de Lusignan) calls a war council after Reynald de Chatillon has attacked yet another Moslem caravan, and has slain Saladin’s sister):

Priest: “There must be war. God wills it!”

(Balian then advises against taking the army out away from water supplies to fight Saladin.)

Priest: “We should fight the enemies of God!”

((Ed. Comment to the preceding dialogue: Of course, the clergy and war hawks prevail, and the Catholic Crusader army marches out to its destruction.))

(Later, the city of Jerusalem is under siege by Saladin’s army. The Catholic bishop – the Patriarch of Jerusalem – catches up to Balian as he is preparing the city’s defenses):

Bishop (addressing Balian): “We must leave the city [of Jerusalem].”

Balian: “How exactly, my lord bishop?”

Bishop: "The fastest horses from a lesser gate."

Balian: "And the people?"

Bishop: "It is unfortunate about the people, but it is God's will."

((Ed. Comments to the preceding dialogue: The bishop is basically saying that Balian, the bishop, and possibly a few other high-ranking dignitaries within the city should escape on fast horses from a gate far from the main gate, thus leaving the population of the city to fend for itself. This type of action by high-level prelates and civil officials has occurred throughout history. Common people – don't you know – are quite frequently "expendable".))

(Balian is preparing to have dead bodies within the city of Jerusalem burned in order to prevent an outbreak of disease. The following exchange takes place between him and the Patriarch of Jerusalem – the Bishop):

Bishop: "When a body is burnt, it cannot be resurrected until Judgment Day."

Balian: "If we do not burn these bodies, we will all be dead of disease in three days. God will understand, my lord. And if He doesn't, then He is not God, and we need not worry."

((Ed. Comment to the preceding dialogue: Not only do some Roman Catholic Church "traditions" defy logic and reason, they also do not "square" with the Holy Bible. A lot of superstition, fables, wives' tales, and paganism itself entered the Roman Catholic Church quite early in its history.))

(A section of the wall in Jerusalem has been breached by Saladin's army. Balian is about to go out to talk to Saladin. A short exchange takes place between Balian and the Patriarch of Jerusalem – the Bishop):

Bishop (to Balian and those standing close by): "Convert to Islam. Repent later."

Balian (sarcastically to the Bishop): "You've taught me a lot about religion, your Eminence."

((Final Comments to the outstanding dialogue from this movie: Some readers may say that these conversations never really took place in history, nor did some of the scenes depicted in the movie. To which I firmly reply: True – the exact words used in these dialogues may never have occurred in exactly the same sequence portrayed in the movie; however, you can be sure that similar conversations have been held throughout history! And some of the scenes in this movie may not have occurred exactly in history as they were portrayed in this movie; however, you can be sure that such events as

generally portrayed in this movie have taken place in history! My study of European history – and of Church history – show me that this movie rings so very true in its description of these times! And this movie is based upon solid history!))

SOME HISTORY ABOUT CRUSADES

Most people know about the Catholic Crusades to recover the Holy Land, and especially Jerusalem, from the Moslems. But few Americans seem to be aware of the fact that the Roman Catholic Church launched religious expeditions – crusades – against Christians, such as the Albigenses in southern France, and against the Waldenses (the Vaudois) in France and Italy. Most of what follows (one paragraph has been added) is some history of “crusades” from a TTT newsletter I wrote on December 7, 2005 – entitled “Bloody Hands & Wicked Hearts”:

- 1095 – Pope Urban II proclaims the First Crusade. Here is what historian Will Durant has written concerning this episode of religious genocide: “When in 1095, Pope Urban II proclaimed the First Crusade, some Christians [i.e., Roman Catholics] thought it desirable to kill the Jews in Europe before proceeding so far to fight Turks in Jerusalem. Godfrey of Bouillon, having accepted the leadership of the crusade, announced that he would avenge the blood of Jesus upon the Jews...leaving not one of them alive; and his companions proclaimed their intention to kill all Jews who would not accept Christianity [Ed. Note: i.e., the Roman Catholic version of it].”
- 1096 – Catholic Crusaders slaughter half the Jews of Worms on their way through that town.
- 1098 – Catholic Crusaders capture the city of Antioch. They kill almost all the inhabitants: Moslems, Jews, and even non-Catholic Christians – men, women & children.
- 1099 – Catholic Crusaders, sent on a holy mission by the pope of Rome, make it to the walls of Jerusalem. Almost all of the city’s inhabitants – men, women, and children – Moslems, Jews, and possibly even a few Christians – are butchered by the “Christian” (i.e., Catholic) crusaders!
- 1208-1226 – The Albigensian Crusades take place. Pope Innocent III orders a crusade to be launched against the Albigensian Christians in southern France, and armies are sent to exterminate them. At the French city of Beziers over 20,000 men, women, and children are butchered. The Albigensian Christians are wiped out. Author Henry H. Halley tells us: “[The Albigenses] preached against the immoralities of the [Roman Catholic] priesthood, pilgrimages, worship of saints and idols...opposed the claims of the Church of Rome; made great use of the Scriptures. ...By 1167 they [i.e., the Albigenses] embraced possibly a majority of the population in South France. ...In 1208 a crusade was ordered by Pope Innocent III; a bloody war of extermination

followed, scarcely paralleled in history. Town after town was put to the sword, and the inhabitants murdered without distinction of age or sex. ...Within a hundred years the Albigenses were utterly rooted out.”

FINAL THOUGHTS

Some would accuse me of “being hard” on the hierarchy of the Roman Catholic Church. I have indeed written much in the last year or so about its propensity for “holy” crusades, torture & Inquisition, mass murder & religious genocide, intolerance, etc., throughout history – and also of such “crimes against mankind” that occurred in the quite recent past (historically speaking), such as its vicious religious genocide in Croatia during World War II. (The “price” of the Vatican’s Holocaust in Croatia was the slaughter of 600,000 to one million innocent Serb Orthodox Christians – men, women, and children!) Such “crimes against mankind” need to be exposed, because the Roman Catholic Church still reserves to herself the “right” to use FORCE wherever and whenever she so determines that there is a “need” to do so! The hierarchical system of the Roman Catholic Church (which bears NO resemblance to early Christianity) lends itself well to ecclesiastical tyranny; claims to infallibility and the “right” to use force; perpetuation of its monopolistic, totalitarian papacy at any cost, to include the outright murder of its enemies (real or perceived); and to mass murder via religious and/or State-sponsored genocide (using the State which it controls as its tool for mass murder); etc.

((Ed. Note: Hint to Hollywood: Why don’t you make some movies about the Inquisition, the Albigenian Crusades, and the Vatican’s Holocaust in Croatia in the 1940s?))

My special thanks to all involved in making the two outstanding movies – my two “very favorite movies” in the world – “Kingdom of Heaven” and “King Arthur – Director’s Cut”, especially to those who wrote the great dialogue in both these movies that exposes the dark, ugly side of “institutional religious fanaticism, cruelty, and barbarism”.

If you would like to learn more about torture, Inquisition, “holy” crusades, and religious genocide, then please visit the following Internet web sites: www.calltodecision.com (please click on the “Tackling the Tough Topics” ‘box’ in the left-hand column of the home page) and www.tacklingthetoughtopics.net and then please read the following newsletters:

- “Death by Government and Death by Church”;

- “Deceitful Revisers and Editors of History”.

Please buy a VHS or DVD copy of the movie “Kingdom of Heaven” – or rent a copy – and pay close attention to those scenes that correctly depict the “fanatical” use of such expressions as “It is God’s will” and “It is no sin to kill an infidel” to “justify” brutal warfare; sacking of cities; and the rape, pillage, and slaughter of civilian populations!

((NOTE: If you can, when purchasing the video or DVD of this movie, also buy the beautifully illustrated 176-page paperback book Kingdom of Heaven: The Ridley Scott Film and the History Behind the Story, edited by Diana Landau – and with an introduction by Ridley Scott.))

HERE ARE SEVERAL INTERESTING POPE QUOTES CONCERNING CRUSADES:

“We confidently reply that those who shall die in battle fighting bravely against pagans or unbelievers shall receive eternal life.” – Pope John VIII

“Now we hope that none of you will be slain, but we wish you to know that the Kingdom of Heaven will be given as a reward to those who shall be killed in this war.”

Pope Leo IV

((Ed. Comment to the preceding two quotations: There is nothing in the Holy Bible to indicate that the sole act of dying “in battle fighting bravely against pagans or unbelievers” or being slain in a crusade sanctioned and called for by a pope will obtain for anyone “eternal life” or “the Kingdom of Heaven”. Such promises are the “inventions” of Biblically ignorant popes.))

“A king need not fear to command massacres, when those will retain his subjects in obedience...”

We order you, in the name of religion, to invade his states, burn his cities, and massacre his people.” (860 A.D., in a letter to the King of Bulgaria)

Pope Nicholas I (800? – 867 A.D.; pope: 858-867)

CLOSING QUOTES:

“The king, Richard the Lion-Hearted, went on to the Holy Land and crusaded for three years. His struggle to regain Jerusalem ended in an uneasy truce with Saladin.

Nearly a thousand years later, peace in the Kingdom of Heaven remains elusive.”

(Closing statement of the movie “Kingdom of Heaven”)

“POWER tends to corrupt, and ABSOLUTE POWER corrupts absolutely.”

John E. E. Dalberg Acton (1843-1902; English historian)

“And of all plagues with which mankind are cursed,

Ecclesiastic tyranny is the worst.” – Daniel DeFoe (1660-1731; English writer)

“Men and women become accomplices to those evils they fail to oppose.”

(Author unknown to this editor)

“All that is necessary for evil to triumph is for good men to do nothing.”

Edmund Burke (1729-1797; British orator, author, and statesman)

“It Is Simply Amazing!”

By Darryl Eberhart, Editor of “Tackling the Tough Topics (TTT)”
www.tacklingthetoughtopics.net // June 28, 2006

What I am about to tell you is “simply amazing!” A sizable portion of the “alternative media” tells us that “the Jews” (i.e., Masonic-Zionist Jews) run the entire New World Order, to include banking, the current U.S. administration, the Congress, Hollywood, and the mainstream media. Well, let’s just talk about Hollywood and the mainstream media. For if the Masonic-Zionist Jews do indeed control Hollywood and the mainstream media, then I am very confused. You may be asking: “Why are you confused?” I am glad you asked.

Dear reader, the greatest “exterminator” of Jews over the past 1000 plus years has been the Roman Catholic Church. The Roman Catholic Church has also been the biggest “exterminator” of independent Christian groups (e.g., Albigensian and Waldensian Christians) – the biggest “exterminator” of Protestants (e.g., French Huguenots in 1572 and Irish Protestants in 1641) – and one of the biggest “exterminators” of Orthodox Christians (e.g., the Serb Orthodox Christians in Roman Catholic-controlled Croatia in the 1940s). If the mainstream media and Hollywood are run by Masonic-Zionist Jews, then why wouldn’t they be fully exposing the Roman Catholic Church’s extensive involvement in slaughtering Jews during World War II?

First, let’s examine just a small portion of this well-documented historical record of

Roman Catholic “extermination” of Jews. Please consider the following quotations:

“Jews were slaughtered by the thousands all across Europe as the Catholic Crusaders made their way to the ‘Holy Land’ to recover it from both Jews and Turks for the Roman Catholic Church...” – Dave Hunt (A Cup of Trembling; Page 159)

“One of history’s most malevolent persons died on this day [September 16] in 1498. Tomas de Torquemada, as [Roman Catholic] Inquisitor General of Spain, ordered more than 10,000 people to be burned at the stake because they didn’t agree with his religious views. He used the Inquisition for religious and political reasons, believing punishment of [Ed. Note: so-called] ‘heretics’ and non-Christians – chiefly Jews and Muslims – was the only way to achieve political unity in Spain. Greatly feared and hated by millions, he persuaded [Spanish King] Ferdinand and [Queen] Isabella to rid Spain of Jews. More than a million families were driven from Spain during that time. The country never recovered from the resulting decline.”

Pastor Ron Hembree (A Daily Joy: A Quick Study Guide Through God’s Word)

“...[Roman] Catholic priest, [Monsignor] Fr. Jozef Tiso, ruler of Slovakia’s Nazi puppet regime of 1939-45...sent that tiny country’s Jewish population of 70,000 to the extermination camps in Poland.” – Dave Hunt (A Cup of Trembling; Page 191)

“To a Jew, Hitler and [Italian Fascist dictator] Mussolini were Christians. In fact, they were Roman Catholics from birth, and in spite of their horrendous crimes against humanity they were never excommunicated from their Church. The same was true of [Nazi SS Chief Heinrich] Himmler and many others in the Nazi hierarchy. Indeed, the Roman Catholic Church has a long history of persecution, expulsion, and slaughter of Jews, to which Hitler referred in justifying the Holocaust.” – Dave Hunt (A Cup of Trembling; Page 158)

Here is some of that historical record of Roman Catholic slaughter of Jews:

- 1095 – Pope Urban II proclaims the First Crusade. Here is what historian Will Durant has written concerning this episode of religious genocide: “When in 1095, Pope Urban II proclaimed the First Crusade, some Christians [i.e., Roman Catholics] thought it desirable to kill the Jews in Europe before proceeding so far to fight Turks in Jerusalem. Godfrey of Bouillon, having accepted the leadership of the crusade, announced that he would avenge the blood of Jesus upon the Jews...leaving not one of them alive; and his companions proclaimed their intention to kill all Jews who would not accept Christianity [Ed. Note: i.e., the Roman Catholic version of it].”
- 1096 – Roman Catholic Crusaders slaughter half the Jews of Worms on their way through that town.
- 1099 – Roman Catholic Crusaders, sent on a holy mission by the pope of Rome,

make it to the walls of Jerusalem. The city's inhabitants – men, women, and children – Jews, Moslems, and probably even a few Christians – are butchered by the “Christian” (i.e., Roman Catholic) crusaders! (The Roman Catholic Crusaders had earlier slaughtered the inhabitants of Antioch – men, women, and children – when they captured that city!)

- 1236 – Catholic Crusaders slaughter Jews in Anjou and Poitou. Here is what historian Will Durant has written on this massacre: “[Catholic Crusaders] invaded the Jewish settlements of Anjou and Poitou. ...[The Crusaders] bade all Jews be baptized; when the Jews refused, the Crusaders trampled 3000 of them to death under their horses’ hoofs.”
- 1243 – All Jews in Belitz, Germany (near Berlin) are burned alive by Roman Catholics. According to historian Will Durant, their alleged crime was that ‘some of them had defiled a consecrated host’.
- 1298 – All Jews in Rottingen are burned to death by Roman Catholics. According to historian Will Durant, their alleged crime was: ‘desecrating a sacramental wafer’.
- 14th century (1300s) – The Roman Catholic Church blames the Jews for the “Black Death” (probably the bubonic plague). Here is what Dave Hunt, author of the book *A Woman Rides the Beast*, has written concerning this time: “From the time the popes ruled Rome, the Jews’ plight...was far more grievous than it had ever been at the hands of the pagan rulers. Pagans had blamed every disaster upon Christians. Now the Roman Catholic Church blamed all on the Jews. Accused of causing the ‘Black Death’, Jews were rounded up and hanged, burned, and drowned by the thousands in revenge.”
- 1481 – Kickoff of the “Spanish Inquisition”. The Roman Catholic Church’s hierarchy choreographs an orgy of torture and burning folks alive – called the Inquisition. Though aimed primarily at Jews and Moslems, the Inquisition also targets Christians whose beliefs are not completely in line with the Roman Catholic Church’s doctrines and practices. In the first two years (1481-1483), at least 2000 individuals are burned alive. As author Dave Hunt recounts in his book *A Woman Rides the Beast*: “...In Spain alone the number of condemned exceeded 3 million, with about 300,000 burned at the stake [during the length of the Spanish Inquisition].” (Hunt quoting from R.W. Thompson’s book *The Papacy and the Civil Power*)
- 1941-1945 – The Jewish holocaust occurs in Nazi-Fascist-controlled Europe. Up to six million Jews are murdered and starved to death. Roman Catholic involvement in this holocaust is extensive. Roman Catholic German Knight of Malta Franz von Papen, along with the Roman Catholic Centrum (Zentrum) Party in Bavaria, put Adolph Hitler into power. Jesuit ‘father’ Himmler (uncle to Heinrich Himmler) is a top officer in the Nazi SS (which is admittedly modeled after the Jesuit Order). The Vatican signs Concordats with Nazi Germany and with Fascist Italy. (Neither Hitler or Mussolini, both

Roman Catholics, is ever excommunicated by the Roman Catholic Church.) Roman Catholics are installed as puppet dictators in occupied and allied countries. For example, in Slovakia, the Jesuit priest, Monsignor Tiso, was installed as dictator. Roman Catholic Knights of Malta head up three powerful intelligence agencies during World War II (William Donovan heads the American OSS – which later becomes the CIA; German General Reinhard Gehlen heads Nazi Intelligence on the eastern front; and Russian Anton Turkul heads Soviet Intelligence, and uses Jesuit priests for his couriers). By using elements within the warring factions, the Vatican is able to ensure the slaughter of large numbers of its favorite targets: Jews, Protestants (in northern Germany and in Prussia), and Orthodox Christians. At the end of the war, the Vatican helps many Fascist war criminals to escape punishment (via the Vatican Ratlines), hiding them at various locations in Europe until they can escape to such countries as the USA, Argentina, etc.

- 1941-1945 – The “Vatican’s holocaust” occurs in Croatia. Though primarily directed against Serb Orthodox Christians, much smaller numbers of Jews and gypsies are also targeted. This monstrous, barbaric, and savage religious genocide is planned, orchestrated, and conducted by Roman Catholic clergymen – mainly Franciscan monks, friars, and priests, along with several high-ranking Jesuits. Roman Catholic Croatian Fuehrer Ante Pavelic teams up with high-ranking Roman Catholic prelates, such as Jesuit Monsignor Aloysius Stepinac (Archbishop of Zagreb) and Jesuit Monsignor Ivan Saric (Archbishop of Sarajevo), to use Roman Catholic Ustashi military units to torture and butcher from 600,000 to 1 million innocent Serb Orthodox Christian men, women, elderly, and children. This religious genocide includes the most brutal forms of torture, forced conversions, burning people alive, raping and murdering girls and women, impaling young children alive on stakes, gouging out the eyes of live victims to make necklaces, starving children to death, burying victims alive, crucifying Orthodox priests to wooden doors, and some other atrocities that I do not feel should be written in a newsletter. Roman Catholic clergymen not only frequently lead the Roman Catholic Ustashi military units in their murder and mayhem, but also participate in this savagery. For example, a Franciscan monk, by name of ‘father’ Miroslav Filipovic, served as the cruel camp commandant at Jasenovac (one of the worst of the concentration camps).

((NOTE: The above historical “bullet points” were taken from my TTT newsletter entitled “Bloody Hands & Wicked Hearts”. You can view it on the web site listed at the top of page 1.))

Indeed, the Roman Catholic Church has over the past several decades tried to “whitewash” its involvement in agitating, fomenting, and actually orchestrating and leading, the persecution and slaughter of Jews throughout history, and especially during World War II. Please consider the following quote by author Dave Hunt as he was examining the Roman Catholic Church’s modern “condemnation” of “anti-Semitism” from the Vatican II Council:

“Nothing could be more hypocritical than this statement [by the Roman Catholic Church’s Vatican II Council condemning “anti-Semitism”]. The [Roman Catholic] Church strongly condemns ‘hatreds, persecutions...anti-Semitism’, but only by others, not by herself. No mention is made of the fact that during the many centuries when the [Roman] Catholic Church held sway over society, ruling even kings and emperors, she was the inspirer and perpetrator of an anti-Jewish bias as bad as anything the world has ever seen.”

(A Cup of Trembling; Page 165)

Indeed, Roman Catholic involvement in helping to foment World War II (WWII), and then supporting Catholic-controlled Fascist regimes in Europe during that time, has been well documented. The Roman Catholic Church put Adolph Hitler into power in Germany through the Roman Catholic Centrum (Zentrum) Party in Bavaria, with a Roman Catholic Knight of Malta named Franz von Papen playing a leading role. Roman Catholic priests exchanged their priestly robes for the black uniforms of Nazi SS officers. Roman Catholic priests actually led, or held top positions, within some of the WWII Fascist states, such as Jesuit Monsignor Tiso (who became the leader of Fascist Slovakia). In the Roman Catholic Fascist State of Croatia, Franciscan priests, friars, and monks led and “advised” many of the Roman Catholic Ustashi military units that tortured and butchered from 600,000 to one million innocents. Please carefully consider the following quotes that show Roman Catholic involvement “to the maximum” in WWII – involvement that resulted in the deaths of MILLIONS of both Jews and Christians:

“The public is practically unaware of the overwhelming responsibility carried by the Vatican and its Jesuits in the starting of two world wars – a situation which may be explained in part by the gigantic finances at the disposition of the Vatican and its Jesuits, giving them power in so many spheres, especially since the last conflict.”
Edmond Paris (The Secret History of the Jesuits; Page 9)

“The Jesuits, in control of [Adolph] Hitler’s occultic and homosexual Third Reich... installed puppet dictators throughout Europe. They were:

- Bavarian Germany and the Third Reich – [Adolph] Hitler [born-died: 1889-1945]
- Italy – [Benito] Mussolini [born-died: 1883-1945]
- ‘Vichy’ France – [Henri Philippe] Petain [born-died: 1856-1951]
- Spain – [Francisco] Franco [born-died: 1892-1975]
- Austria – Seyss-Inquart
- Poland – Frank
- Slovakia – [Jesuit] Priest Tiso
- Croatia – [Ante] Pavelitch ((Ed. Note: alternate spelling: Pavelic))
- Belgium – Degrelle.

All these Roman Catholic, Jesuit-controlled, Jew-hating dictators were loyal to the greatest war criminal of all, Papal Caesar Pius XII and his master, Jesuit [Superior]

General Wlodimir Ledochowski.” – Eric Jon Phelps (Vatican Assassins; Page 478)

“The [Nazi] Third Reich is the first power which not only recognizes, but which puts into practice the high principles of the papacy.” (Statement made on January 14, 1934)
Franz von Papen (German Roman Catholic Knight of Malta)

“The [Roman Catholic] priests and the faithful must unhesitatingly uphold the great German state [i.e., Nazi Germany], and the Fuehrer [i.e., Adolph Hitler] whose struggle to set up [Nazi] Germany’s power, honor and prosperity is in accord with the wishes of Providence.”

Jesuit Roman Catholic Cardinal Innitzer (Archbishop of Vienna, Austria)

“The declaration of [Roman Catholic Jesuit] Monseigneur [Ed. Note: French spelling of ‘Monsignor’] Tiso, chief of the Slovakian state, stating his intention to build up Slovakia according to a Christian [sic] plan, has the full approval of the Holy See [i.e., the Papacy].”

Radio Vatican (June 1940)

“I have learnt most of all from the Jesuit Order. ...So far, there has been nothing more imposing on earth than the hierarchical organization of the [Roman] Catholic Church. A good part of that organization I have transported direct to my own [Nazi] party. ...The Catholic Church must be held up as an example. ...I will tell you a secret. I am founding an order [Ed. Note: the Nazi SS]. ...In [Heinrich] Himmler [who would become head of the Nazi SS] I see our Ignatius de Loyola [Ed. Note: the founder of the Jesuit Order].”
Adolph Hitler (1889-1945; Nazi leader and chancellor of Germany from 1933-1945)

((Ed. Comment to the preceding quote: This quotation of Hitler was taken from Edmond Paris’ book The Vatican Against Europe.))

“The [Roman] Catholic priests [in Croatia in the 1940s] changed their robes for the uniforms of the dreaded [Roman Catholic] Ustashi [militia – and later the army] killer squads, and led the most barbaric, brutal raids upon those [Serb Orthodox Christian] people, and practiced satanic torture never before known in this century. We are not talking about 800 years ago. We are talking 1940.” – Jack Chick (Smokescreens; Page 25)

“This [Ed. Note: her booklet “Ravening Wolves”] is the record of torture and murder committed in Europe in 1941-1945 by an army of [Roman] Catholic Actionists known as the Ustashi, led by monks and priests, and even participated in by nuns.”
Monica Farrell (Author of the booklet “Ravening Wolves”)

“Most of [Fascist] Croatia’s [Roman] Catholic clergy were fanatically behind [Croatian poglavnik/fuehrer Ante] Pavelic and his unbelievably evil regime. Medals were even given by Pavelic to nuns and priests, thus betraying the fact that many of them played

active roles alongside the Ustashi military. Franciscan monks in particular joined Ustashi battalions.”

Dave Hunt (A Woman Rides the Beast; Page 301)

“[Roman] Catholic religious orders gave total and continuous support to the [Roman Catholic] Ustashi [militia – and later the army]. Before the establishment of the Independent State of Croatia (1941) their convents were hiding places for the Ustashi terrorists, [where they] concealed Ustashi presses, and were depositories of Ustashi subversive literature and even of hand grenades, guns and dynamite.

The Ustashi carried out their [pre-World War II terrorist] activities screened by members of [Roman Catholic] religious orders, male and female. Nuns prepared uniforms, emblems and medical equipment for Ustashi detachments.”

Avro Manhattan (The Vatican's Holocaust; Page 99)

“Once [Croatian fuehrer Ante] Pavelic took power, [Jesuit] Archbishop [Aloysius] Stepinac issued a Pastoral Letter ordering the Croatian clergy to support the new Ustasha State. The involvement of [Roman] Catholic clergy either in active participation or in blessing the Ustashi-run holocaust is well documented. One Franciscan monk, Miroslav Filipovic, headed the Jasenovac concentration camp for two years, during which time he directed the extermination of no less than 100,000 victims, mostly Serbian Orthodox. [Jesuit] Archbishop Stepinac headed the committee which was responsible for forcible ‘conversions’ to Roman Catholicism under threat of death – and was also the Supreme Military Apostolic Vicar of the Ustashi Army, which effected the slaughter of those who failed to convert [to Roman Catholicism]. [Jesuit Archbishop] Stepinac was known as the ‘father-confessor’ to the Ustashi, and continually bestowed the blessing of Holy Mother Church upon its members and actions.”

Dave Hunt (A Woman Rides the Beast; Page 302)

“Estimates of the number of victims [of the Vatican's Holocaust in Croatia in the 1940s] exceed a million. This is probably a realistic figure. Yugoslavia in its war crimes trials estimated that from 700,000 to 900,000 victims were ‘tortured and put to death...[in] the two dozen concentration camps’ within Croatia, and tens of thousands never reached the camps. Many were Jews, but most were Serbians of Orthodox faith who were give the choice of conversion to Roman Catholicism or death.

Both in Yugoslavia and the Ukraine, Roman Catholic priests, bishops, and cardinals, with the full knowledge of the Vatican, participated in and gave their blessing to some of the bloodiest and most barbaric massacres of the war, aimed at giving Roman Catholicism control of these regions.” – Dave Hunt (A Woman Rides the Beast; Pages 303, 304)

“...By a ‘providential’ synchronism, when [Italian dictator] Mussolini seized power in Italy thanks to don Sturzo, Jesuit and chief of the Catholic party, [then] Monseigneur Seipel, a Jesuit, became chancellor of Austria. He held that position until 1929, with an interregnum of two years, and, during those decisive years, he led the Austrian interior

politics on to the reactionary and clerical road; his successors followed him on that road which led to the absorption of that country into the German block. The bloody repression of working-class uprisings earned him [i.e., Jesuit Monseigneur Seipel] the nickname 'Keine Milde Kardinal' – the 'Cardinal without mercy'." – Edmond Paris (The Secret History of the Jesuits; Page 139)

"It is believed that the Pope [i.e., Pius XI] will offer these services to Signor [Benito] Mussolini through the Jesuit Father Pietro Tachi-Venturi, who is often consulted by Mussolini on important matters." (Daily Express, 2/9/1935)

British United Press

"The SS had been organized by [Heinrich] Himmler according to the principles of the Jesuit Order. The rules of service and spiritual exercises prescribed by Ignatius de Loyola [Ed. Note: the founder of the Jesuit Order] constituted a model which [Heinrich] Himmler strove carefully to copy. Absolute obedience was the supreme rule; every order had to be executed without comment." – Walter Shellenberg (Chief of the Nazi Sicherheitdienst)

"[Nazi SS Chief Heinrich] Himmler's Catholicism was very important to him. He attended church regularly, took Communion, confessed, and prayed."

G.S. Graber (The History of the SS)

"In the early days of May (1936), [German Knight of Malta Franz] von Papen entered into secret negotiations with Dr. Schuschnigg (Austrian Chancellor) working on his weak point [i.e., he was a devout Roman Catholic] and showed him how advantageous a reconciliation with [Nazi leader Adolph] Hitler would be as far as the Vatican's interests were concerned; the argument may seem odd, but Schuschnigg was very devout, and von Papen was the pope's [German] chamberlain [i.e., a high official in certain royal courts].

Not surprisingly, it was the [pope's] secret chamberlain [in Germany – i.e., Knight of Malta Franz von Papen] who led the whole affair, which ended, on the 11th of March 1938, with the resignation of the pious Schuschnigg (pupil of the Jesuits), in favor of Seyss-Inquart, chief of the Austrian Nazis. The following day [March 12, 1938], the German troops entered Austria and the puppet government of Seyss-Inquart proclaimed the union of the country to the [Nazi German Third] Reich. The event was welcomed by an enthusiastic declaration of Vienna's archbishop, Cardinal Innitzer (a Jesuit)." – Edmond Paris (The Secret History of the Jesuits; Page 139)

"The German author Walter Hagen gives also this discreet information: 'The Jesuits' [Superior] General, Count Halke von Ledochowski, was ready to organize, on the common basis of anti-communism, some collaboration between the German Secret Service and the Jesuit Order.'

As a result, within the SS Central Security Service, an organization was created, and most of its main posts were held by Catholic priests wearing the black uniform of the

[Nazi] SS. The Jesuit [priest] 'father' Himmler [uncle of Heinrich Himmler] was one of its superior officers." – Edmond Paris (The Secret History of the Jesuits; Page 168)

"...Kurt Heinrich Himmler [was] chief of the Gestapo [i.e., the secret police force of the German Nazi state], which meant he held in his hand the essential reins of power of the [Nazi] regime. Was it his personal merits which earned him such a high position? Did Hitler see in him a superior genius when he compared him [i.e., Heinrich Himmler] to the creator of the Jesuit Order [i.e., Ignatius of Loyola]? It is certainly not what the testimonies of those who knew him imply, as they saw in him nothing more than mediocrity.

Was that 'star' [of Heinrich Himmler] shining with a borrowed 'brightness'? Was it really Kurt Heinrich Himmler, the ostensible [i.e., apparent] chief, who actually reigned over the Gestapo and the secret services? Who was sending millions of people, deported for political reasons, and Jews to their death? Was it the flat-faced nephew or [was it] the [Jesuit priest] uncle, the former Canon at the Court of Bavaria, one of [Jesuit Superior General] Ledochowski's favorites, a Jesuit 'father' and superior officer of the [Nazi] SS?" Edmond Paris (The Secret History of the Jesuits; Page 168)

"When thousands of German anti-Nazis were tortured to death in Hitler's concentration camps, when the Polish intelligentsia was slaughtered, when hundreds of thousands of Russians died as the result of being treated as Slavic Untermenschen [subhumans], and when 6,000,000 human beings were murdered for being 'non-Aryan', [Roman] Catholic Church officials in Germany bolstered the [Nazi] regime perpetrating these crimes. The Pope [Pius XII] in Rome, the spiritual head and supreme moral teacher of the Roman Catholic Church, remained silent.

In the face of these greatest of moral depravities which mankind has been forced to witness in recent centuries, the moral teachings of a Church [allegedly] dedicated to love and charity could be heard in no other form but vague generalities."

Guenter Lewy (The Catholic Church and Nazi Germany)

"[German] soldiers returning from the Eastern Front were telling horrible stories, how in occupied Russia Jewish civilians – men, women and children – were being lined up and machine-gunned by the thousands.

...In the spring of 1942 the leaflets of the 'White Rose', composed by a group of students and a professor of philosophy at the University of Munich, told of the murder of 300,000 Jews in Poland and asked why the German people [about 43 percent were Catholic] remained so apathetic in the face of these revolting times?"

Guenter Lewy (The Catholic Church and Nazi Germany)

"This concealment [of the truth concerning Roman Catholic Church cooperation with the Nazi regime] has been so bold and successful that in Germany...not a single [Roman Catholic] bishop had to resign his office [for this cooperation with the Nazis during World War II].

Quite the contrary, Bishop Berning, who had served until the downfall of Hitler in

Goering's Prussian State Council, in 1949 was given the honorary title of Archbishop. Herr [Franz] von Papen [who helped put Hitler into power and who negotiated the Concordat between the Vatican and Nazi Germany in 1933] was made Papal Privy Chamberlain in 1959.

Such rewards for men deeply involved with the Nazi regime represent a mockery of [the true] heroic figures...who died fighting Hitler."

Guenter Lewy (The Catholic Church and Nazi Germany)

"Fascism is the regime that corresponds most closely to the concepts of the Church of Rome." – Civiltà Cattolica (House organ of the Jesuits)

"Without the deadening hand of Vatican control, resistance might have been multiplied across the country [i.e., Nazi Germany during World War II] from the outset. And had Catholic officialdom, from the outset, not turned a blind eye to the expanding anti-Semitic propaganda and persecution, the terrible disaster that befell the Jews might never have occurred."

John Cornwell (Roman Catholic historian and journalist; Hitler's Pope: The Secret History of Pius XII; Page 199)

"Practically every right-wing dictator of the period [i.e., Europe during World War II] had been born and brought up a [Roman] Catholic – notably Hitler, Franco, Petain, Mussolini, Pavelic, and Tiso (who was a Catholic priest)."

John Cornwell (Hitler's Pope; Page 280)

Well, then, we seem to have a well-documented history of:

- The Roman Catholic Church slaughtering Jews from at least the time of the early Crusades;
- The Roman Catholic Church launching a "holy" INQUISITION that initially targeted many Jews in Spain; and,
- The Roman Catholic Church being heavily involved in supporting Nazi Germany and the other Fascist regimes in Europe during World War II – a time when up to 6 million Jews were exterminated by these Roman Catholic Church-supported murdering regimes!

Let us again remember that much of the "alternative media" tells us that the Masonic-Zionist Jews are running the New World Order! If this is so, then according to much of the "alternative media", these Masonic-Zionist Jews must be running Hollywood and the mainstream media. And if these Masonic-Zionist Jews are running Hollywood and the mainstream media, then why in blazes aren't CNN, Fox, ABC, NBC, and CBS telling us a whole lot about Roman Catholic heavy-duty involvement in fomenting World War II (WWII), bringing Hitler to power, filling key positions in the Nazi SS, supporting numerous Fascist regimes in Europe during WWII, orchestrating the "Vatican's Holocaust" in Croatia, and helping Fascist war criminals escape at the end of WWII via

the Vatican Ratlines? Yes indeed – why isn't Hollywood producing numerous movies to show us all this important truth that ties the Roman Catholic Church directly into massive genocide against Jews and Christians on the European continent during WWII? After all, we've seen from the numerous quotations in this article that the Roman Catholic Church has been the greatest enemy the Jews have ever seen – especially in the past 1000 plus years! Again I must ask: If the Masonic-Zionist Jews are controlling the mainstream media and Hollywood in America, then why in blazes aren't they exposing this greatest enemy of the Jews, i.e., the Roman Catholic Church?

Let me tell you WHY this isn't taking place: It is because the Masonic-Zionist Jews are not "in charge". Oh, yes, they hold some mid-level "management positions" within the New World Order (to include some positions inside Hollywood and America's mainstream media), and even a couple high-level "management positions". However, they are NOT the "top player" in the New World Order. The real "controllers" (who operate "in the shadows" and "behind the scenes") are the "secret societies", such as the Jesuit Order, its Knights of Malta, and the top levels of Freemasonry. (They "direct" and "steer" the mid-level managers.) Some folks in the "alternative media" love to point out that the Jewish B'nai B'rith is a Masonic organization, and it indeed is. But, who runs Freemasonry? Please consider the following quotes:

"...If you trace up Masonry, through all its Orders, till you come to the grand tip-top, head Mason of the World, you will discover that the dread individual and the Chief [i.e., the Black Pope, the Superior General] of the Society of Jesus [i.e., the Jesuits] are one and the same person." – James Parton (American historian)

"This inner and invisible Freemasonry is international in extent, and it is within the Inner Circle that the Jesuits conceal themselves, work, and mastermind the projects that suit their goals." – John Daniel (The Grand Design Exposed; Page 170)

"Without exception, every chief actor in the French Revolution [1789-1799] was either Jesuit-educated, a Catholic prelate, or a member of the Illuminati Order [Ed. Note: a Jesuit front organization] where within the Jacobin Club they would come together to conspire and carry out the 'Great Work' – which in the open system of the Jacobins was the reflection of the complete hidden system of the Illuminati – and in back of the Illuminati were the hidden Jesuit 'masters'."

John Daniel (The Grand Design Exposed; Pages 212, 213)

"There are other secret and semi-secret organizations such as the International Bankers, the Council on Foreign Relations, the Bilderberger Group, [the] Club of Rome, the Trilateral Commission, the New Age Movement, the Illuminati, and Freemasonry, who are all deeply involved in global politics, and who actively promote the uniting of the people of our planet under a New World Order. However...these all are but mere 'front' organizations, behind which the true source of power [i.e., the Jesuit Order] hides and uses to distribute and channel its designs. And, as in any conspiracy, secrecy and

shifting attention and blame away from itself is paramount to its success.” – John Daniel (The Grand Design Exposed; Page 9)

I highly recommend that you read John Daniel's book The Grand Design Exposed. His 411-page paperback book makes a compelling case that the Roman Catholic Jesuit Order took over the top levels of British and French Freemasonry. To order his book for \$20 postpaid, please make check or money order payable to “American Sentry Books” and mail it to: American Sentry Books // P.O. Box 14 // Crawley, WV 24931.

Well, someone may now ask: “Didn't the mainstream media expose some of the horrible pedophilia in the Roman Catholic Church?” Yes, they did – but how could they not help but do so, since so much information was leaking out about it through numerous sources (such as many local newspapers)? They simply reported the minimum necessary to show that they were aware of the problem, and so that they would not lose total credibility with the American people!

No, the Masonic-Zionist Jews do NOT control Hollywood or the mainstream media in America. They do NOT control international banking (although there are some wealthy Jews involved), the international intelligence community, or the New World Order itself! The Jesuit Order (which controls the Vatican, the wealthy and powerful Knights of Malta, and the top levels of Freemasonry) is the top player on the world's geopolitical-financial-religious “chessboard”!

The following famous men warned us about the Jesuit Order:

“...They [i.e., the Jesuits] are a secret society, a sort of Masonic order with super added features of revolting odiousness, and a thousand times more dangerous. They are not merely priests, or priests of one religious creed; they are merchants, and lawyers, and editors, and men of any profession, having no outward badge (in this country [i.e., the USA]) by which to be recognized; they are about in all your society.

...They [i.e., the Jesuits] are educated men, prepared, and sworn to start at any moment, and in any direction, and for any service, commanded by the general of their order [i.e., the Jesuit Superior General, the “Black Pope”], bound to no family, community, or country, by the ordinary ties which bind men; and sold for life to the cause of the Roman Pontiff.”

Samuel F. B. Morse (1791-1872; American inventor of the telegraph)

“My history of the Jesuits is not eloquently written, but it is supported by unquestionable authorities, is very particular and very horrible. Their restoration [i.e., the Jesuits' reinstatement as an official order by Pope Pius VII in 1814] is indeed a step toward darkness, cruelty, perfidy, despotism, [and] death. ...I do not like the appearance of the Jesuits. If ever there was a body of men who merited eternal damnation on earth and in hell, it is this Society of Loyola's [i.e., the Jesuits, the “Company”].” (1816; from a letter to Thomas Jefferson)

John Adams (1735-1826; 2nd President of the United States)

“[The Jesuits] are the deadly enemies of civil and religious liberty.”

R.W. Thompson (Ex-Secretary, American Navy)

“It is my opinion that if the liberties of this country – the United States of America – are destroyed, it will be by the subtlety of the Roman Catholic Jesuit priests, for they are the most crafty, dangerous enemies to civil and religious liberty. They have instigated most of the wars of Europe.” – Marquis de Lafayette (1757-1834; French statesman and general)

Title: JESUIT Gerry Adams meets Hamas

CRAIG-OXLEY - September 6, 2006 11:32 PM (GMT)

*Remember who created Hamas and what they really are and you'll understand why this devious **Jesuit 4th Vow** has met up with them. Oops I forgot we're not mean't to spill the beans on Adams being a **Jesuit**. Remember that the I.R.A was always a **BROTHERHOOD** linked to the Green Lodge etc. Simply a tool to create **ORDO AB CHAO**, the desired outcome of the **Jesuit Order**. -2tuff*

Sinn Fein president meets Hamas

Wednesday, 6 September 2006, 12:44 GMT 13:44 UK
http://news.bbc.co.uk/1/hi/northern_ireland/5318978.stm

Sinn Fein leader Gerry Adams has met members of the militant group Hamas in the Palestinian parliament.

On the second day of his visit to the Middle East, Mr Adams laid a wreath at the tomb of the former Palestinian President Yasser Arafat.

Earlier, he was met by members of the Palestinian Authority and travelled to the compound where President Arafat was once besieged by the Israelis.

He was invited to the region by the country's president, Mahmoud Abbas.

Mr Adams had been scheduled to meet Mr Abbas personally, but he has been called away unexpectedly.

On Tuesday, the Sinn Fein leader travelled in a presidential-style motorcade with government officials.

He was also taken on a tour of the West Bank, where he was shown the controversial security wall which the Israeli government is building in the area.

The Israeli government has refused to hold talks with Mr Adams because he is meeting with Hamas.

'Peaceful resolution'

On Tuesday, during a news conference in Israel, Mr Adams said the aim of his visit was "to encourage the search for a peaceful resolution to the Israeli-Palestinian conflict".

"The Anglo-Irish conflict was once labelled as intractable. Talk of peace and of peace processes was dismissed as nonsense, as fantasy. But we proved the pessimists and cynics wrong," he said.

The West Belfast MP said that Israelis and Palestinians had more to gain from peace than continuing conflict.

Ulster Unionist MEP Jim Nicholson said he was "really delighted" when the Israelis said they would not meet Mr Adams.

"He has gone out there, he is meeting Hamas, which is a listed terrorist organisation. I just condemn it," he said.

"I think it is a ploy on his part and I fear we are going to see an awful lot more of these PR exercises by the Sinn Fein leadership as you go into the Irish elections next year."

Hamas, which forms the current Palestinian administration, is banned by the EU and US.

Earlier this year, the US and EU froze aid to the Palestinian Authority because Hamas has refused to renounce violence and recognise Israel.

Israel has been conducting military operations in the coastal Gaza Strip since Palestinian militants captured an Israeli soldier in June.

The Irish Republican Army was once known as the Irish Republican BROTHERHOOD, coming out of the Ancient Order of the Hibernians. They changed the name to distance themselves from any suspicion that they are a masonic order. The Irish Flag tells the whole story,

The Vatican may come under the white banner but the Jesuit Order certainly does not as these are the BLACK Brotherhood of the Ancient Babylonian Mysteries religion. The JO are here to destroy the Church, State & populations.

CRAIG-OXLEY - September 6, 2006 12:10 AM (GMT)

As Hiram Dukes exposed many years ago, the aim of the Catholics for full takeover of the U.S was immigration of Catholics and of course at the same time this helps them destroy national sovereignty ready for their United Nations front take takeover the public will be able to see shortly. -2tuff

Mahony calls for border reforms

L.A. cardinal urges Congress to act.

By Rachel Uranga, Staff writer

http://www.presselegram.com/news/ci_4287217

Calling for a pathway to citizenship for illegal immigrants, Cardinal Roger Mahony forcefully urged Congress on Monday to pass immigration reform before the November elections.

Under increasing pressure from supporters and detractors of illegal immigration to pass reform this year, the chances of a deadlocked Congress approving legislation is slim.

Still, Mahony - head of the country's largest Catholic Archdiocese - told a packed Cathedral of Our Lady of the Angels in downtown Los Angeles that it is "a moral imperative" and that the next weeks are crucial.

"Our Congress has exactly four weeks to deal with one of the most pressing moral issues this country has faced in decades," he said. "They do not have the luxury of turning this into a political game."

Mahony announced to the cathedral filled with top labor leaders and a handful of local politicians that he sent letters to President George W. Bush and top house and Senate leaders calling on them to put aside partisan politics and pass a comprehensive

immigration law.

A just law would include a movement toward citizenship for the 11 million illegal immigrants living in the United States, he said.

But leaders of the House, who went on the road this summer to promote their immigration legislation, have backed a security-heavy bill with no temporary worker program, as the Senate bill seeks.

Immigrant rights groups have generally backed the Senate bill.

"We

Advertisement

would like to see something done this year but no bill would be better than the Senate bill," said Ira Mehlman, a spokesman for the Federation for American Immigration Reform, which seeks tougher border security. "But I am certainly frustrated by the failure of the Senate and Bush administration to come through on their process. They are asking the American public to take another set of empty promises when they never have made good on enforcement before."

In cities across the country, immigrant rights groups used the weekend to rally support. But the outpouring seen a few months ago - including a rally in L.A. that attracted 500,000 - has slowed.

But an Associated Press report released today shows that while organizers used the slogan "today we march, tomorrow we vote," efforts to increase immigrant voter rolls have had little impact here. In other cities, the rolls have remained stagnant.

Cardinal Mahony's master is the California Jesuit Provincial John P. McGarry SJ one of many behind the illegal alien invasion of Roman Catholic Mexicans. McGarry ordered Mahony "to extend the Jesuit call to a month of prayer and fasting" for immigration

Responding to the diversity of our Province

"Work with immigrant communities—including Italians, Portuguese, Irish, Germans, and Mexicans—has been a significant ministry from the beginnings of the Province. During the 1990s the immigration of 3.89 million people from even more countries into our Province, and the 33 percent increase in the Catholic population, brought many underserved groups into our region.

California Jesuits are using innovative ways to unify their multicultural parishes: America's quintessential pastime—baseball—provides the "social glue" that transcends nationality at St. Francis Xavier, and Most Holy Trinity wants to install a simultaneous-translation projection screen for multilingual Masses

Pete Neeley, S.J., is conducting a feasibility study in Las Vegas to learn how our Province can help meet the needs of the Church in southern Nevada."

says it all really.. but lets take this a step further, so Bertie is descendant of Mary queen of scots right ? but who was Mary ? wich bloodline ? well her mother was Mary of Guise and her father was James V of Scotland.. house of Guise eh ? funny that the House of Guise was founded as a junior branch of the House of Lorraine by Claude de Lorraine, first Duke of Guise (1496-1550) take this another step further and you'll find out that the House of Lorraine is yet another branch of the House of Habsburg

so that means that our Bertie is subordinated BY BLOOD to the House of Lorraine and ultimately to the House of Habsburg..

uh ? suddenly it makes sense that Otto v Habsburg is the CURRENT King of Jerusalem, a title throughout history strictly held by Templar Knights. brings me straight to another important point; SMOM is Templar Knights is Knights Hospitaller is Teutonic Knights, same organization -period-

Bertie is also blood related to the Queen of England through the house of steward, so obviously he's subordinated by blood to her as well.. dunno bout Kolvenbach tho, would be interesting to know his bloodline, anyone has any decent info about him ? my guess would be; a Rothschild..

2tuff since your the authority on Jesuits on this board and as far as i can tell on many other boards too, i'll ask you two questions that bugger me when it comes to the Society of jesus..

Nice to see you found this little paragraph, if only people understood the sheer power of the Sovereign Military of Malta!

Bertie is subordinate to the POPE and his superiors in the Jesuits and that's it period. Bertie is the leader of the 2nd most powerful order in the world, the SMOM. Yes the Templars are the Knights of Malta when they merged back in the days of the Crusades. Remember the information that these 3 groups all worked together for the good of the Church in the Crusades and burnt the Jews in the Synagogue. Otto V Habsburg is Sovereign Military of Malta and servant to both the Pope and the 78th Grandmaster Cardinal Bertie. Remember the church and its system dominates the power.

Bertie is above the Queen and she's subordinate to Bertie being the leadership of the SMOM from Rome/Italy.

I have no idea what Bloodlines Kolvenbach may be linked with but the facts of the matter are that Kolvenbach is the king of the hill when it comes to power within the Catholic Church and world control/conspiracy.

Firstly I'm not the Authority on anything!

No not all jesuits have a say just the same as not all priests have a say about the pope. The Pope is decided by Cardinals were told but in reality its the Society of Jesus who decide and Prince Bernhard had the chance to veto also due to his descendancy to the last Emperor of Rome. Remember what happen to the Habsburg's when they tried to interfere with the Jesuits groomed Rampolla becoming Pope, the Jesuits destroyed them in 1918 I believe as punishment for vetoing Rampolla through a cardinal.

Kolvenbach is elected by a small amount of Jesuits which are known as assistants. So like I've said before the Black Pope is the most powerful SINGULAR person on the planet but yes the assistants as a collective are more powerful in other ways, just like a board of directors almost I guess.

Title: Jesuit Assassination of JFK Jr.

Description: *See this 4 part documentary*

AVBibleBeliever - August 13, 2006 06:12 PM (GMT)

In Vatican Assassins, Brother Eric Jon Phelps detailed the Jesuit assassination of Fourth Degree Knight of Columbus JFK and revealed the web of assassins including Knight of Malta and CIA George H.W. Bush who was in Dallas that day. Pursuant to their methods they also killed his descendant, his son JFK. He was determined to investigate the murder of his father and wanted everyone to know the truth of who killed his father. In his magazine George a controversial article was printed about the assassination of Israeli Prime Minister disobedient Freemason Yitzhak Rabin. A woman was interviewed for the article and she said she knew for certain that the Mossad carried it out.

Part 4 21 mins

JFK Jr.'s assassins were the Jesuit-controlled Pentagon (which ordered the FAA not to begin searching for the plane, took over the investigation and delayed the search for over 18 hours. FAA regulations say a search must begin within 5 mins). Jesuit-trained Bill Clinton, his uncle Knight of Columbus and Jesuit-controlled Senator Ted Kennedy, Skull and Bonesman Luciferian George W. Bush, (who went missing for three days following the assassination. his father was an accessory to the murder of JFK. George

Jr. had to prove he was "presidential material" like his father by killing someone who could expose his father's involvement in the assassination of JFK and thus ruin W's presidential campaign.) the Jesuits' CIA who used mind control to create a Manchurian candidate who acted as a flight instructor who accompanied JFK Jr., his wife, and sister-in-law on the plane. this mind-controlled assassin deliberately plunged the plane into the Atlantic Ocean. He was trained to turn off the fuel valve, grab the controls, and make the plane nosedive from 25,000 feet to the 0 in a matter of seconds. The Mafia (known as "the family") and the CFR controlled press mislead the public about the what actually transpired.

The documentary did not mention American Pope Jesuit-trained Edward Cardinal Egan but he controls the CIA and Pentagon through the CFR. Cardinal Egan is the master of SMOM Skull and Bonesman George H.W. Bush. who wanted his direct culpability in the JFK assassination covered up.

You should see this documentary JFK 2: The Bush Connection produced by the same guy schoolteacher John Hankey. He names E. Howard Hunt as one of the key assassins and shows how there is more than sufficient evidence for a jury to convict and sentence George H.W. Bush to death for conspiracy, treason, and murder.

<http://video.google.com/videoplay?docid=29...478705121&q=JFK>

(You will see "Prison Planet TV" but Jesuit Coadjutor Alex Jones had nothing to do with the making of the documentary).

This video by the late William Cooper is excellent! It proves completely that the limo driver William Greer fired the shot the that killed President Kennedy. Brother Eric proved this in VA as well.

Good post, however I really believe the CIA assassinated since JFK tried to abolish the CIA, along with the federal reserve which is controlled by the Jesuits.

AVBibleBeliever - August 13, 2006 11:18 PM (GMT)

Absolutely the CIA which is the teeth of the Council on Foreign Relations, FBI, the Mafia, and the Secret Service were complicit in the assassination of JFK. William Greer fired the close range shot which is typical of the Jesuit method of assassination.

The CIA in the persons of SMOM George H.W. Bush, E. Howard Hunt, Freemason/ SMOM Allen W. Dulles, SMOM William F. Buckley Jr., and SMOM Clay Shaw, etc. were all responsible being under the command of Jesuit-trained Francis Cardinal

Spellman.

Was it William Cooper who released the footage showing the guy in the front passenger seat turn around and shoot him - amazing footage

CRAIG-OXLEY - August 14, 2006 12:18 PM (GMT)

Yes William was one of the first with this footage if I remember correctly.

Also that picture is wrong because Ratzinger is nothing compared to the Superior General. Whilst it is true he looks like the old Emperor, he certainly does not possess anywhere near the power of Kolvenbach!

TruthSeeker24 - August 14, 2006 01:29 PM (GMT)

Even though the film is googled, I plan on buying the DVD. The reason is that I've emailed John Hankey and he was a meek man. Also, I want to show it to my family since I usually show NWO related films to my family on occasion. Hankey sent me a card about his film. He's from LA. As for William Cooper, he was one of the first men who talked about Greer killing JFK. Yes, that's true. As for the assassination, it's all true. The powers that be didn't want especially JFK's son talking about the Freemasons, Jesuits, Knights of Malta, Bonesmen, etc. being involved in JFK's death and cover up. Some of the criminals involved in both JFK and his son's death are still alive. On the Mediggo I film, surprisingly it talked about the Jesuits. Though, it was a short segment, it showed quotes from leaders opposing the Jesuits. The Mediggo I film is good like Megiddo II film about the New Age Movement. The Mediggo II film talked more about the Jesuit priest Chardin and Aliester Crowley.

Ya I know kolvanbach should really be the emperor and ratzinger should really be vader but ratzinger looks better as the emperor :D

On a side note technically in the Catholic doctrine it says the pope is suppose to be the supreme being of the world and the messenger for god so that would leave kolvanbach out of the picture inless kolvanbach assassinate ratzinger and declares himself the pope.

Which in fact that would fit along with the star wars plot well because afterall vader (kolvanbach) killed the emperor.

CRAIG-OXLEY - September 2, 2006 12:55 PM (GMT)

The Pope has been known this since creation and the Jesuits who use the Vatican power as their veil weren't going to make it obvious. Its obvious to the cardinals, popes etc they control but not to us as to them its not our business and hey blame JEWS haha. The only person Kolvenbach looks up to is AKHENATON!

RE: SHINING ONES, JUDAS & ENEMIES OF JEHOVAH (BAGATTEL

Posted By: Maralela <Send E-Mail>

Date: Tuesday, 1 August 2006, 5:28 p.m.

Il_Bagattel's post was so far down that I'm posting my answer here. I hope you don't mind.

In Response To: THE SHINING ONES, JUDAS AND THE ENEMIES OF JEHOVAH (Il_Bagattel)

You wrote

": Is the US,
: which is currently spearheaded by followers of Jehovah,
: involved in a frantic final attempt to destroy evidence of
: the eternal, Shining enemy of Jehovah?"

The shining enemy of Jehovah is not eternal. He lost his "war" when he caused the Son of God to be killed. THE US IS supposedly SPEARHEADED BY followers of Jehovah, but they are really FOLLOWERS OF THE ENEMY OF JEHOVAH. For the most part, the PTB in the high ranks of our government are Masons or Jesuits, or both. The one that is directing the Masons and Jesuits is Lucifer, the devil, Satan, or whatever you want to call him. Perhaps you will have time to go to some of the links I put here.

Going to the link at the bottom of your message I find many things I don't agree with

(you have the right to believe it or not or question it, and I can't really tell from your post if you believe it or not). After each ----I have written something.

Mary Sparrowdancer (after this designated as MS) says "information given to the masses by the most powerful church on earth."----

What does she mean by "church"? Roman Catholic church? Christianity"? Something else? See "Jesuits" farther along in my post. Actually, the Jesuits are a military organization, not really a religious organization, but they rule the Pope.

MS says "In some instances, different gods gave conflicting instructions. In Genesis, for example, there were conflicting instructions pertaining to what mankind may and may not eat. In Genesis 1, mankind is told by the unnamed elohim that we may partake of all seed-bearing fruits and vegetation on the face of the earth. There is no mention of anything forbidden, and there is also no mention of Jehovah. The unnamed gods in Genesis 1 stated we were created in their image.

Genesis 2 tells a different story. The Jehovah elohim tell mankind that severe penalties will apply if certain forbidden vegetation is so much as touched. (The list of forbidden fruits and vegetation continues to this day.) Unlike the unnamed elohim in Genesis 1 who stated we are in their image, the Jehovah elohim state instead that we are dust - and will return to dust - an insult that until the Gospel of Judas has been unchallenged."----

Genesis 2:7 tells HOW God created man in His image "And the LORD God formed man of the dust of the ground, and breathed into his nostrils the breath of life: and man became a living soul." Also, the fruit that was forbidden was that of a certain tree. Genesis 2:17 "But of the tree of the knowledge of good and evil, thou shalt not eat of it: for in the day that thou eatest thereof thou shalt surely die." I wonder where MS got her idea of "The list of forbidden fruits and vegetation continues to this day".

(BTW the Bible was not originally divided up into chapter. That was done to make it easier to reference but the chapters don't always end in places that make sense.)

MS says "What else has been kept hidden from us by those in control of church and state?"----

During the "dark ages" the Jesuits, controlling the pope (the Jesuit general that was called the "black pope" controled the "white pope" that is the Pope that the world in general sees dressed in white pretending to be divine/diety) controlled the Roman Catholic church and its believers and esentially the whole "known world". They suppressed the Bible completely from "the masses", and in general suppressed much knowledge.

I didn't know much about this until I read Sveli's message(1st one is a sort of

introduction but is not Svali's message

<http://www.arcticbeacon.com/16-Jan-2006.html>

<http://www.arcticbeacon.com/17-Jan-2006.html>

<http://www.arcticbeacon.com/18-Jan-2006b.html>

<http://www.arcticbeacon.com/19-Jan-2006.html>

then I HEARD A LECTURE BY ERIC JON PHELPS.

The 2nd edition of "Vatican Assassins: Wounded in the House of My Friends" by Eric Jon Phelps is coming out in July this year (the 1st edition is difficult to obtain). But a little info can be found at

http://www.cloakanddagger.de/guests/eric_jon_phelps.asp

<http://www.theforbiddenknowledge.com/hardtruth/blackpopo.htm>

Then I did some more research.

Here are the notes (the part enclosed in " ") I took the first time I listened to Phelps lecture (on the Meria Heller show)(then a later listening produced more notes but I plan to get his book) (I did post this before.)

Do you really want to know about the top of the chain of command that is destroying "America"? I do not subscribe to Phelps' statements near the end about certain parts of the Bible. But he has done some VERY important research.

"Jesuits are at the top of the chain of Bilderburgers, Rothchilds, etc etc..

Most of the common level of Jesuits don't know about this.

A Jesuit lower rank MUST obey his superiors completely. They must kill anyone who stands in the way.

I couldn't find the quote again but it is either one or both---Condoleeza Rice graduated from a Jesuit school or is a Jesuit (or both?)

Bill Clinton--Jesuit Georgetown graduate

George W. Bush is tied to it through his father

Knight of Malta 1st pres Bush

The "black pope" controls all the high level Masonery as well as the international intelligence community, etc.

vaticanassasins.org

Georgetown U controls the CFR

Jesuits stacking the Supreme Court to control our country

all Fox News is all Jesuit Temple ...

(I couldn't understand the word here)

Jesuits are behind the Council of Foreign Relations

the "Temple Power"

Pope John Paul the 1st and Clemente the 14 were killed by the Jesuits

Rothchilds keepers of the Vatican treasury

Luciferian Masonic Labor Zionists

(as opposed to the ... Zionists and the Biblical Zionists)

They kill whoever disobeys like JFK

("black pope" vs the "white pope"

the "Black Pope"---The Jesuit General & he oversees the Papacy, the white Pope dresses in white, the black Pope dresses in black

They control Los Angeles

high Masonry is occultic

"They use this false Jesus"

9/11 to justify this war against Islam

JFK and "Arch Bishop Spellman and the CIA where it belonged"

THIS IS GETTING too LONG. BUT AFTER YOUR WORDS BELOW I WILL PUT THE LONGER NOTES I TOOK JUST IN CASE SOMEONE WANTS MORE INFO.

Just one more thought. MS talks about Baal. That is connected with the "god" Nimrod and his wife Semiramis and their son.

: Mary Sparrowdancer ...another side of her writings that poses
: some very important questions. It is a bit long, but a
: damned fine thought provoking read. Here is a snip:
: "This is a time for us to ask many questions. What is
: the real reason that the US is plundering the ancient land
: of Babylon at this time? Why were the ancient writings and
: artifacts in the museums immediately stolen? And why the
: bloodbath in Basra? The ancient Chaldean name of Basra was
: "Perat Maishan." Al-Maisan in Arabic is "the
: Shining One." Are there multidimensional portals
: associated with the "gates of god?" Is the US,
: which is currently spearheaded by followers of Jehovah,
: involved in a frantic final attempt to destroy evidence of
: the eternal, Shining enemy of Jehovah? Could it be that
: there is something other than WMD and oil the US government
: is desperately searching for in order to forestall the
: arrival of a long-awaited coming? Is this why the heads of
: state keep meeting at the Vatican?"

: <http://www.rense.com/general71/defmo.htm>

(Then I listened again, backing up a lot and taking more notes.)

Condeleeza Rice graduated from ... as a Jesuit

Phelps was 20 years collecting this info.

Opus Dei is a subordinate , somewhat Masonic, was involved in killing of 600,000 of Franco's own Spanish people.

Jesuits established by Ignacio Loyola, waging war against Moslems, destroying

Protestant Reformation.

1773 the Jesuits were expelled from Portugal, Spain, and France.

Once the Jesuits own America, they own the world.

In the 1800's the Jesuits sought to reshape the U.S., and accomplished this with the war between the states.

Before the 14th amendment, we were citizens of states FIRST before the United States, but this was reversed by the 14th amendment.

1899 does not include the common law rights or the Bill of Rights. See Marshall vs Daws 1899 case. Now the only limitation on our government is the Supreme Court.

There are 5 Catholics now on the Supreme Court, 3 of which are Opus Dei.

Jesuits control the CFR (Council on Foreign Relations).

High level Masons on the Supreme Court in past like Earl Warren.

Georgetown University controls the CFR.

Ruth Bader Ginesburg is one of the Pope's Masonic Zionists.

Behind the Dictators by Leo Leyman 1942.

Jesuits killed about 12 million of Native Americans in the USofA and 14 million Native Americans in Canada.

A Jesuit co agitator has a secret alligiance to the Jesuit order.

Michael Collins Piper and Alex Jones.

If they won't deal with the Jesuits, it is either out of ignorance or trying to protect them.

All of Fox News is Jesuit Temple ... (then I couldn't understand the word--colaborators?).

In a picture of the 2004 annual report of the CFR members meeting, Condoleeza Rice is going to the podium.

Jesuits intended to take Jerusalem from ... (Mussolini?) but were unable to do so, so under King George the 3rd they took control of Britain, conducted all this foreign policy thru 19th century, including the opium wars, used the British to launch 2 wars, Drefus Affair, Drefus wrongly convicted and sent to Devil's Island.

The Rothchilds are the keepers of the Vatican Treasury, according to their own ... (Jesuit?) Jewish Encyclopedia.

All top Luciferian Masonic Zionists are tools of the Papacy (distinguishing from the Biblical Zionists and Revisionist Zionists.

Complete allegence to the Pope, war on Protestants, will feign themselves to be... Muslims, Jews, etc., will become all things to all men.

Osama ben Laden and Saudi Princes are high level Masons working with Bush and Blair to bring them back.

Any Pope that doesn't obey will be

Clemente the 14 was poisoned with a slow painful poison. Pius the 9th was killed.

1870 the Pope declared infallible.

What the general wants will be done by the Pope, murder the innocent, comit lewdness

1534 Ignatius Loyola the 1st Luciferian Zionist.

Jesuits were expelled from all Europe except from Belgium.

Clinton is a Jesuit Georgetown graduate where he was president of his class.

George W. Bush is tied to it through his father.

In 1988 George Herbert Walker Bush entertained the Grand Master Andrew Wilabee Berte, an Englishman of the sovereign order of Malta (first allegiance to the Temple Power of the Pope of Rome).

150 heads of state were at John Paul II's funeral--They had to be there, subject to the Temple Power.

Jesuits of 3rd vows don't have any idea.

Jesuits control all high level Masonry, Masonic Zionists, OTO, Br'Braith, National Intelligence community.

Lower ranks obey completely the orders of their superiours.

Jesuits is a military order, not religious.About the time of 1993 ... Oslo ... Shalome Perez... deeding the old city of Jerusalem, including the Temple Mount, to the Pope.

Jesuits control all high level Free Masons ... 1st 25 degrees of Masonry.

1901 Pope Leo the 13th outspoken against Freemasonry.

Ariel Sharon a Mason.

... Masons of Peace with the King of Jordan.

Perfidy by Ben Heck, Ben Gurion worked in conjunction with Adolf Eichman for 400,000 Hungarian Jews ... late 1950's this was brought public ... had Mossad bring back Adolf Eichman to save government of Ben Gurion.

Mossad is controlled by the CIA. There is no Mossad without the CIA and there is no CIA without the continuation of the Nazi SS.

In 1951 the Guillin organization affiliated with the CIA trained the Mossad.

These men that serve the Jesuits in high political places and national intelligence agencies do what they are told or lose their lives like JFK, Joseph Stalin, FDR.

They kill whoever becomes disobedient.

JFK, Lincoln, sink Titanic, tomorrow and great miliary leaders.

Jesuit general is called the black pope because he wears a black ... (cossack?).

Whe white pope is dressed in white as a picture of his divinity or diety, and his visitors dress in black.

Black pope overseer is his bodyguard.

Jesuits are post praetorian guards.

Jesuits are like Hitlers' SS, paterned after the Jesuit order.

Jesuits order is the policing guard of the Roman Hiarchy not subject to ... but only subject to their superior.

The black pope rules the Jesuit order and oversees the Papacy and he with his 10 assistants determine policy for the Papacy.

A Jesuit institution is a fortress set out to control the area where it is.

Don't fear the Jesuits. They are not to be feared if you know the Lord.

Detroit, NY City, Los Angeles, Baltimore, Philidelphia, San Francisco are all controlled by the Jesuits.

Protocols of Zion were written by Jesuits not the other Zionists.

Protocols of Zion are true, but they try to make the "duty perfidious Jews" are behind

this world conspiracy and the Bolshevik Revolution appear to be Jewish, Lenin and his Jewish lieutenants in front.

Bishop Rolf, and Jedman Walls from Georgetown who in 1922 put Stalin in power secretary of the communist party.

Himmler modeled his ... after the Jesuits.

Hitler said of Himmler "my Ignazio Loyola.

No SS no Nazi party with a Bavaria, in Munich Nazi party came from etc, a Jesuit stronghold.

If any pope or Cardinal crosses that, it's over.

Occultic at its core, Luciferian, false Jesus of Romanism, continuation of Isis and babe and on the crucifix.

But really, Jesus Christ is the only mediator needed.

Jesuits did 9/11 to justify this war against Islam.

JFK ... keeping the blame off of Arch Bishop Carol Spellman and the CIA where it belonged.

Hoover head of the FBI and a 33rd degree Freemason.

Jack Ruby also FBI, Lyndon Johnson, Carlos Marchelo the mafia don of New Orleans, Joseph Savila the mafia don of Dallas--It was the secret service and they were all planning.

That power Cardinal Spellman has been left intact in the person of the Archbishop of NY Edward Cardinal Egan.

It was Edward Cardinal Egan who brought down the World Trade Center towers and attacked the Pentagon using his knight of Malta. (The head of the Knights of Malta is a NY senior Arch Bishop.

The head of the CIA at the time was Knight of Malta Georgetown Jesuit trained George J Tenet.

Another Key Knight of Malta J. Cardinal Avery Dulles, the nephew of the former head of the CIA Allen Dulles, party to 9/11 and JFK assassination.

Lee Harvey Oswald was a member of the CIA. They sent him to Russia (not a defector) working in conjunction with the KGB and also an FBI agent.

Avery Dulles was the nephew of Allen Dulles, John Foster Dulles was the brother of Allen Dulles, John Foster Dulles was the father of Avery Dulles.

Jesuits aim for all nations to serve the pope IN Jerusalem with a world government in Jerusalem.

In defending JFK this shows the Jesuits will kill their own Roman Catholic people to further their purposes.

(to be continued the next day which would include information about the assassination of JFK--but I didn't get to listen to it)

THE KNIGHTS OF BUSINESS

In a crop of corporate dramas, Knights of Malta are everywhere

When W.R. Grace & Co. Chief Executive J.P. Bolduc sensed a few months ago that his strained relations with Chairman J. Peter Grace were putting his job in jeopardy, he took his case to a rather unorthodox authority: John Cardinal O'Connor, Archbishop of the Archdiocese of New York. At Bolduc's request, the cardinal asked Grace to patch things up, hoping to avoid the scandals and the corporate upheaval that have since cost both men their jobs.

Grace rebuffed the advice, say sources close to the company; Grace, Bolduc, and the cardinal won't comment. But why did O'Connor even attempt to referee a boardroom blowup at W.R. Grace, a publicly held chemicals giant? Grace, Bolduc, and three other company directors--former Fidelity mutual fund whiz Peter Lynch, former Borden CEO Eugene Sullivan, and former University of Notre Dame administrator James Frick--all are Knights of Malta, an elite, secretive, Catholic lay order that counts O'Connor as its

spiritual leader in the U.S. The knights trace their history back some 900 years, to a band of warrior-monks who tended to the injured during the Crusades.

Though the order has only about 2,600 U.S. members, several have played roles in recent high-profile corporate meltdowns. William J. Agee, ousted in February as CEO of Morrison Knudsen Corp., is a member, as are his wife, Mary Cunningham Agee, and at least two directors, Lynch and headhunter Gerard R. Roche. The boards of both Grace and Morrison Knudsen have come under fire for not living up to their duties to shareholders. At Morrison Knudsen, the board was widely criticized for allowing the company to deteriorate for years without replacing a poor-performing CEO. Grace's board was criticized as being too cozy with the Grace family, which long enjoyed rich company-provided perks. And when Bolduc resigned on Mar. 2, amid sexual-harassment allegations he denies, the board was criticized again for paying out \$47 million in separation benefits.

The issue in these situations is not religion; nor is it, per se, the Knights of Malta, a benevolent group devoted to charitable works. Rather, the question is whether such close ties among a network of influential executives have affected business decisions. "What does membership mean?" asks activist shareholder Robert A.G. Monks. "With very close bonds [as] Knights of Malta, the board as a group may have loyalty to themselves instead of the shareholders."

"SELECT COMPANY."

Prominent knights dot the business and political landscapes. Lee A. Iacocca, a knight for decades, is part of a bid by investor Kirk Kerkorian to take over Chrysler Corp., whose directors include at least one other knight--former Health, Education & Welfare Secretary Joseph A. Califano. Other knights include Domino's Pizza founder Thomas Monaghan, Chase Manhattan CEO Thomas Labrecque, and public-relations maven Robert Dilenschneider, who counts W.R. Grace as a client.

Well-known columnists Michael Novak and William F. Buckley Jr. are knights. So is Senator Pete Domenici (R-N.M.), along with former Cabinet Secretaries William Simon and Alexander Haig. The knights also figure prominently on the board of Ingersoll-Rand Co., which recently agreed to acquire Clark Equipment Co. Peter Grace is a director emeritus at Ingersoll-Rand, and knights Theodore Black and Joseph Flannery serve on the board. Former Ingersoll-Rand CEO Thomas A. Holmes, while not a knight, is now the acting CEO at Grace. In Europe, it takes four generations of noble ancestry to become a knight.

In the New World, though, the rules for admission are somewhat relaxed by necessity. Still, being inducted is a big deal. "You're joining select company," says Iacocca. Knights are asked to make regular pilgrimages to Lourdes, a holy site for Catholics, and

to be active volunteers in charity work. Joining "had nothing to do with business," says recent inductee Richard Torrenzano, former spokesman for the New York Stock Exchange who now runs his own firm. "It was an opportunity to really do something substantial for people in need."

EVEN COZIER?

But to some critics, the links between knights reinforce complaints that boards are too frequently chummy, nonconfrontational clubs. "When board members have other allegiances [tying them] together, it may make it difficult for them to be objective in doing their job in an independent fashion," says Harvard business school Professor Jay W. Lorsch. The problem is not being a Knight of Malta, Lorsch notes. Rather, any common membership in an exclusive group can indicate personal ties between some directors and the CEO that should be publicly disclosed. "Public shareholders have the right to know what the connections on that board are," Lorsch says.

Simon, for one, would like to see the knights become even more of a force: "There is a close bond when you meet knights in other parts of the U.S. [and] obviously a camaraderie. But [we're] not as close as I'd like to see." In the boardroom, that may not be desirable. Clearly, the ties that bind the knights weren't strong enough to prevent Bolduc or Agee from losing their jobs. But the camaraderie instilled by the Knights of Malta may have affected the speed and character of directors' decisions--and that may have cost their shareholders dearly.

I just started listening to this, it's still playing, but it jumped right out at me that Eric does not sound like the normal Eric. It does not sound like the normal, vibrant and clear Eric that I'm accustomed to. Instead, the voice sounds quite horse, strained and weary.

TruthSeeker24 - August 11, 2006 04:28 PM (GMT)

I've listened to it. The information was accuracy. I believe Eric was clear about his beliefs. There is a resurgence of anti-Jewish and anti-Muslim feeling here in America. He made good points about Freemasonry and the Jesuits. Not to mention that according to Freemasonry Watch.org, Hitler promoted the Prussian Masonic Lodges of Germany. Hitler's hero was King Frederick, a German Freemason who protected the Jesuits after their Papal ban in the late 1700's.

I do not believe he has difficulty sleeping because of fear. Brother Eric is fearless and trusts in the sovereign Lord God Almighty and his protection. I have not heard from Brother Eric in some time. I will call his friend and see if he knows anything about how he is doing and if I hear anything I will relay the info to all of you.

I liked the interview, but the bigoted woman made me angry. The woman forgot about thousands of Serbs, Gypsies, and Jews being killed by the Vatican ustashi armies in the WWII. Hitler supported a Ustashi leader Ante Pavelic. I guess the woman also forgot about the Ethopic, Sephradic, and Indic Jews (real Jews or Hebrews) living in Eretz Yisrael today. The Society of Loyola has a long history of bashing all Jewish people in general (without distinguishing between good and bad Jewish people) and I won't fall into their trap. Hitler was a bad man in the occult Thule Society and he was a bisexual (according to Texe Marrs, he was a male prostitute). Many of the original Brownshirts were gay.

The False Prophet of the New World Order

By David J. Stewart | August 2006

Last month RATzinger was in Valencia, Spain, and here are some photos of his trip!

The creepy photo to the right is where the Anti-Christ Pope preached ... see the big Horus eye? This is Spain's City of the Arts and Sciences. I think it's the biggest eye I have ever seen! And of course ... a "Washington Monument" in the center of the photo! There's even a small pyramid ... see top-left (across the street from the four tall buildings)! This "plaza" is 100% occult Masonic!!!

Freemasonry is a Satanic organization, which is one of many occult groups that Satan uses to control the leaders of this evil world. Such dens of vipers as Skull and Bones, Bohemian Grove, and Freemasonry are of the Devil. Satan is the god of this wicked world (2nd Corinthians 4:4), and he controls this world through evil men and women who have sold out to him. These men and women belong to occult organizations. Such God-hating unbelievers show their allegiance to Satan, by identifying themselves with occult/illuminati symbols. The "all-seeing eye" is without a doubt the hallmark symbol of the illuminous beast system (aka, the New World Order).

Below is a panoramic view of the City of the Arts and Sciences. The city is pictured full of Catholic patriots who came to listen to RATzinger's sermon about family values! I wonder what that's blue thing...?

And there's the False Prophet himself, next to the creepy illuminati eye!

Boy, this place is full of eyes!

Now this is quite an interesting photo below: Satan-possessed young people holding this banner with a triangle and the eye, except that the eye of Horus is replaced by the Pope's Dagon hat! That lady in blue doing the Satanic salute has no idea how correct she is!

Dagon, the Philistine fish god.

Note the mouth-shaped hat. Compare to the two-horned mitre worn by the Pope and Church officials today. Learn more about this by clicking [here](#).

It's also interesting to note that the Pope's hat forms an EYE when viewed from the top looking down upon him.

Below we see carvings and diagrams of Dagon priests and their fish head hats along side the Pope with his similar fish-head hat holding the crooked cross of Mithra.

My Goodness... is Revelation 13:16 already here?!!

"And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads" -Revelation 13:16

Here's a Catholic church in Spain. Jesus and ... a Phoenix bird...?!!

The Phoenix Bird is an ancient occult symbol:

The Phoenix Bird is one of the oldest occult symbols in the world, having been invented in the Egyptian Satanic Mysteries. Occultists believe that only one of these magnificent birds lives at any one time, and lives to be about 500 years old. Then, it self-immolates and its body is reduced to ashes; however, a new Phoenix Bird immediately arises out of these ashes, to live another 500 years. [Manly P. Hall, *The Phoenix: An Illustrated Review of Occultism and Philosophy*, as quoted by Dr. Burns, *Masonic and Occult Symbols Illustrated*, p. 121]

The Phoenix Bird is a symbol of Lucifer:

The Phoenix ... is believed to be a divine bird going back to Egypt ... This Phoenix destroys itself in flames and then rises from the ashes. Most occultists believe that the Phoenix is a symbol of Lucifer who was cast down in flames and who they think will one day rise triumphant. This, of course, also relates to the rising of Hiram Abiff, the Masonic 'christ'." [Bill Schnoebelen, quoted by Dr. C. Burns, "Masonic and Occult Symbols Illustrated", p. 123]

Diocese Punishes Work of Mercy

Thursday, August 24, 2006

<http://gaelicstarover.blogspot.com/2006/08...k-of-mercy.html>

...from the Duluth News Tribune:

"Catholic Sister Helen Prejean, author of 'Dead Man Walking' and a longtime social activist, has been uninvited as the keynote speaker at the Diocese of Duluth education dinner in October.

In a letter to some diocese residents sent Monday, Duluth Bishop Dennis Schnurr said the decision to cancel the event and Prejean's address was based on her name

appearing on an Aug. 3 New York Times advertisement calling for President Bush to be removed from office.”

Would Bishop Dennis Marion Schnurr disinvite Saint John the Baptist for criticizing Herod?

Would he dismiss Saint Ambrose for his witness to the Emperor Theodosius?

Sister Helen, in effect, is being punished for engaging in a Spiritual Work of Mercy.

Indeed, for the Bushling, the Presidency is a near occasion of sin from which he should be removed.

QUOTE

I'm just wondering, if these are two of the main families and which companies they own. Do they `own` Rupert Murdoch also?

Anyone and anything, they have a finger in.

I want to know just how much influence they have over our lives.

The Rothschilds are keepers of the Vatican Treasury and subordinate to the Sovereign Military of Malta who control ALL of the Banking system from Switzerland, The City, New York and Dubai. Remember banking is based on International Maritime Admiralty Law which is based on Vatican Canon Law and developed by the Knights Templars whilst controlled by the Vatican before they merged with the Sovereign Military of Malta. Rothschilds wealth is nothing in comparison to the high end Italian Black Nobility families who never get fingered as usual.

Apparently if you go into things deep enough you find that Rockefellas are infact more powerful than the Rothschilds. The Rockefellas have their hands in many pies and remember on they control Oil and Pharmaceuticals amongst other things. The Rockefellas are definately a powerful family but again simply do not compare to the high end Black Nobility and of course the Jesuits and Vatican. I cannot say SMOM as the SMOM is made up fo 50%+ of Black Nobility.

Rupert Murdoch is a Roman Catholic and Knight of St Gregory the Great. Hes also a British SIS agent and hes controlled by the Jesuit Order and SMOM via Cardinal O'Connor and the Queen "Guelph"! Murdoch is naturally subordinate to the Pope due to his religion. Whilst living within the Americas then Rupert will

also have another master being the Archbishop of New York Cardinal Egan whos the head of the Americas SMOM who by the way control the Council on Foreign Relations who control this region and the state of IS-RA-EL (ISIS-RA-EL). The CFR created the U.N and the CFR is the one pushing from the top down the U.S into a World Government whilst these poxy NGO's push from the bottom up for the U.N World Government.

International Maritime Admiralty Law, the Law of Money and Banks fully controls your life from birth to death. Banking and Commerce is life within this prison system. Your simply Energy which is money to them and therefore a Maritime Product. Now also remember that the god EL which all these high end ELite & ELders worship is the god of Chaos and BANKING! So when you worship money like humans do then you're too worshipping EL the Planet Saturn without knowing, whilst trading in Debt/IOU's known as Paper money or useless alloy coins or worse 1,0's digital pure phony currency. If you get in the way of the Currency flow they will CHARGE you with crime in their BANK, its pure commerce.

QUOTE

Know that, the bloodlines are at the top of power in world, and they all connected, and family are more loyal to there own kind when to any organasition. But as 2tuff said, over 50% of the jesuits are bloodlines and they all connected together. So guess the jesuit order is more like a bloodline big business operation, when secret society or maybe both.

Would you agree to that 2tuff?

The Sovereign Military of Malta is made up of over 50% Black Nobility families. Remember the co-founder of the Society of Jesus was Don Francis Borgia. So folks if you wish to keep harping on about Bloodlines go find a more powerful and twisted family than the Borgia's. This is why when the Order assassinates someone via poison we call it the `Cup of Borgia' or the `Cup of Cantrella.'

So all you bloodline followers how powerful is Queen Elizabeth II's bloodline? Yes shes linked into the all powerful Venetian Guelph bloodline. Now who is she servant to actually? She servant to Cardinal Cormac O'Connor behind the scenes within the U.K and his masters at Wimbledon College and of course the powerbase of the U.K being Stonyhurst College Jesuits (Remember the Queen has to curtsie before entering this college). The Queen is the head of the protestant division of the Sovereign Military of Malta in the U.K whilst O'Connor is the head of the Catholic and more powerful U.K Division. The SMOM control the Jesuit created and sovereign nation known as `THE CITY OF LONDON'. The

Vatican agents known as the Rothschild's were put in place as the front people of the City. Both O'Connor and the Queen are subordinate to their Prince and 78th Grandmaster, his eminence Andrew Willoughby Ninian Bertie the leader of the entire Sovereign Military of Malta (Knights of Malta). Now remember on that he is an Englishman and the first to be appointed to Rome. Also remember that Bertie is the Queen's cousin and you will see him in all family wedding photos etc. Now whos Bertie highly subordinate to? Take a look at the picture in my last message and you'll see. Bertie is subordinate to the Pope and the SMOM have been since the Pope saved them.

The Jesuit Order is a Military Order formed by Ignatius Loyola & Don Francis Borgia (not so well know). They were created to defeat the Saracens and counter the Reformation which they've been doing ever since. Jesuits do not forget or give up and this is why they've defeated their opposition and now getting stuck into their final stages for complete domination via the Universal Monarch in Jerusalem with the Temporal Power (World Government) ruling all forms of life possible. Just look at how many people they were training yearly at Georgetown University to infiltrate U.S Protestant churches. The figure was 900 and above and that was back then.

Now everyone knows that the Knights Templar were the foremost original Secret Society the west had ever known. The Knights Templar created International Banking, Education & Maritime Law and basically the life you live in today. Who did the Knights Templar work for? The Vatican! What happened to the Templars? The few remaining Templars joined forces with the remaining Knights of Malta who they'd worked with in the Crusades. Theres now at least 10,000 Knights worldwide all very powerful. The SMOM control all forms of your life through International Maritime Admilitary Law which is based on VATICAN CANON LAW. The Knights Templars like the Pheonician Caananites along with the ELders the JESUIT ORDER all follow/ed the worship of the `Black Sun', `Dark side of the Sun', `Black Square', `EL', `SATURN'. Some may call this the `cult of Aton'. Basically the God of this planet from the ancient times to now is simply not the Sun/Solar(Jesus) but its **Saturn(EL)**.

Take Care and go forth and spread the truth.

Confession No. 13: Americans Have Never Confronted 'The Real Enemy'

Listen to Abraham Lincoln's words as he warns America against the power of the Vatican.

20 Aug 2006

By Greg Szymanski

<http://www.arcticbeacon.com/20-Aug-2006.html>

"So we in our mad pursuit of wealth and pleasure and of our own special interests, have neglected the great heritage, which has come down to us from our fathers; a heritage of a free government, and of free institutions; and these we have abandoned, because of our neglect, to our enemies, who are doing their utmost to destroy our Constitution and our Laws and free institutions, which we ought to hold so dear." **Luther S. Kauffman, 1922.**

Freedom is a fleeting concept. One minute it rings out loud and clear and the next it's wrapped around the shackles and barbed wire fences of a concentration camp.

And the reason freedom is here one minute and gone the next is because Americans have never really confronted its true enemy. In fact, Americans have been shadow boxing with its real foe for centuries, instead of landing a solid right punch directly in the face of the Jesuit Order and The Vatican.

In an effort to no longer side-step the truth, we again pick up our **Confessions With The Jesuits**, no longer by the banks of Brushy Creek but somewhere high among the

mountain passes and rushing fresh water streams, a heavenly place where the birds fly free and elk still graze without man's incessant and diabolical interruptions.

In fact, it is a place where no evil-minded and duplicitous high-ranking Jesuit priest would dare to venture for fear of being struck-dead by lightning or eaten by a hungry black bear who realized the devil himself had just entered the peaceful forest.

However, it must be mentioned in recognition of those who may consider the hungry bear to be a "biased eater of good human flesh," identifying the Vatican and Jesuits as the true enemy of the American people is not based on conjecture or biased opinions, but based on solid facts presented in history books over the ages, many of which have been hidden out of sight by none other than the Jesuits themselves.

Although we shall delve into a little of that suppressed history by following up the words of Mr. Kauffman, presented above, let's remember the key to the Vatican's fascist role is to deflect all negative attention to Jewish-Zionist leaders who have sold out their own people and have been strategically put into positions of power and wealth in order to trick Americans into believing Israel is the real enemy.

However, nothing is further from the truth, as many historians who have commented in the previous 12 Confessions have shown.

In fact, it is this stepped up effort in recent months to blame everything on the Jews, without even mentioning the Vatican, that leads any reasonable minded American into seeing through the duplicity -- duplicity carried out by high-level politicians, the mainstream media and even the members of the so-called alternative media, many who are bought and paid off whether through ignorance, cowardice or outright treasonous and complicit misdirection of withholding facts.

It further should be noted that the Vatican and Jesuit Order's intention is to destroy Israel, the Middle East and America, instituting a One World Government and religion, dedicated to fascism and dedicated most importantly to Satan himself.

If you have the slightest doubt, ask why the Vatican owns title and ownership to the sacred Temple Mount in Jerusalem (*purchased in 1992) as well as ownership of most of East Jerusalem? In fact, there are many questions the Vatican through its cowardly minions in America don't want asked for fear the real enemies, bound with loyalty to Rome, will finally be exposed.

Eric Jon Phelps, author of Vatican Assassins, has for a long time called for the expulsion of the Jesuits from American soil. And after careful consideration, his words should be taken to heart, considering the Society of Jesus' long and sordid past, revealing a road of destruction and killing unprecedented throughout the course of history.

Historians Who Know the Truth

Those historians who know the truth have known since the beginning of America the dark cloud of the Jesuits and the Vatican has been hanging ominously over the country.

Although the dark cloud is even more ominous in 2006, most Americans remain like deer in the headlights, when the subject of the Vatican and the Jesuits is mentioned. And it's not because Americans are ignorant, it is because they have been misled by a strategic campaign of misinformation, coming from the highest level officials and media members to the lowest level alternative purveyors of misinformation hiding to the truth from even those most intent on finding it.

To prove this point, here are some passages from a suppressed book called **Romanism as a World Power**, written by Kauffman in 1922, showing how far back and deep the Vatican and Jesuit Order's duplicity really goes.

Besides pointing out how the Jesuits and the Vatican's bloody hands were all over the Abraham Lincoln assassination (conveniently left out of the history books by the Jesuits who control education here with more than 28 major universities, including Georgetown) the former 16th President pointed out how the Vatican and Jesuit Order would one day be as the real culprits spreading death and destruction throughout America and the world.

Is the Country in Peril?

Is the Country in Peril, wrote Kauffman, from the machinations of its foes? He continued:

"I firmly believe that never in its history was it in such great peril as it is today. If I did not so believe, I would not, at my age, be devoting myself to the task of arousing my fellow-countrymen to the dangers of the situation in the hope that I may be able to induce them to action in defense of these priceless liberties before it is too late.

"I believe that the prophetic words of Lincoln are being fulfilled today. Rev. Charles Chiniquy, in his autobiography, on page 715, in describing an interview with President Abraham Lincoln, in Washington D. C. in June, 1864, thus quotes the President: 'You are almost the one I speak freely on the subject (the Jesuits). But sooner or later, the nation will know the real origin of those rivers of blood and tears, which are spreading desolation and death everywhere. And, then, those who have caused these desolations and disasters will be called to give an account for them.

'I do not pretend to be a prophet,' continued Lincoln to Rev. Chiniquy, 'but through not a prophet I see a very dark cloud is coming from Rome. It is filled with tears of blood. It will rise and increase, till its flanks are torn by a flash of lightning, followed by a fearful peal of thunder. Then a cyclone such as the world has never seen, will pass over this

country, spreading ruin and desolation from north to south. After it is over, there will be long days of peace and prosperity: for Popery, with its Jesuits and merciless Inquisition, will have been swept from this county. Neither either nor you, but our children will see those things.'

Have these days so predicted by Lincoln arrived?

Editor's Note: In an effort to stop the desolation and destruction which is being orchestrated on America from Rome by Jesuit leader Fr. Hans Peter Kolvenbach, the Arctic Beacon is beginning a petition, the first of its kind in this country, which is a petition to banish the Jesuit Order from this country before Lincoln's words, based on fact not prophecy, come true.

If you want to rid the Jesuits from this land, do not be afraid to send your rightful name and a comment, as do not let these followers of Lucifer destroy this land for your children. Note: send name and comment and it will be included on a special page in the Arctic Beacon. Further, someone please send this article to the Jesuit headquarters located in Washington D.C. Thank You.

tlthe5th - August 20, 2006 03:58 PM (GMT)

what an excellent article. I'm going to spread this one around real good.

Minuteman Matt - August 22, 2006 11:36 AM (GMT)

I got mixed feelings about president Abraham Lincoln I have read stories a lot that he was in a desperate struggle at trying to kick out the foreign Jesuit bankers out of the country and he was assassinated for it. Then I hear other stories from some of my "southerner" friends who said Abe Lincoln was a tyrant.

Whether or not he was a tyrant I do not know I believe he did some good and some bad but I always believed in the "southern cause" in the American civil war. I saw that war as a "2nd revolution" to try to kick out the NWO influence.

Alexandra - August 22, 2006 08:32 PM (GMT)

I believe the Jesuits played both sides. I had at least two ancestors who fought in the Union Army.

The idea was to SEPARATE the United States--divide and conquer. Interesting how the line was drawn between North and South--not New York teaming up with Florida and

Virginia against Michigan, Ohio, and Maine, for example.

I read somewhere (and I honestly can't remember where) that the idea was to split up the United States and have Canada annex the North and Mexico annex the South. That's why Lincoln wanted to PRESERVE the Union.

The Constitution allows for habeas corpus to be suspended in cases of rebellion...and it's the South that rebelled.

Remember that the Constitution is anathema to the Vatican. They tried to destroy this country and FAILED. Looks like they've been pretty well biding their time the last 140 years or so, coming up with these crazy amendments (14th and 16th to name a couple of examples, along with the Federal Reserve), little by little destroying us. Now it looks like they're ramping it up with 9/11, North American Union, etc.

TruthSeeker24 - August 23, 2006 01:53 PM (GMT)

I agree. I have mixed feelings over Lincoln. My little brother doesn't like him for obvious reasons. My little brother likes Afrocentric history. I agree with some of it, but not all of it. The Vatican condemned the Constitution on occasion in the 1800's. The Jesuits differently wanted to kill Lincoln after he endeavored to place the South on equal footing with the North. You can find legitimate grievances on both sides of the war. The Jesuits and the Freemasons infiltrated both sides though. This is evident on the Masons in the Scottish Rite of Freemasonry promoting secession and agitation. Also, in the North, many Masons were involved in the North as well. When the European powers failed to divide the nation up, the Jesuits decided to ruin the nation from within through laws and crises.

Title: The Story of King James

CRAIG-OXLEY - October 17, 2006 01:28 AM (GMT)

The Story of King James

For the last three centuries Protestants have fancied themselves the heirs of the Reformation, the Puritans, the Calvinists, and the Pilgrims who landed at Plymouth Rock. This assumption is one of history's greatest ironies. Today, Protestants laboring under that assumption use the King James Bible. Most of the new Bibles such as the Revised Standard Version are simply updates of the King James.

The irony is that none of the groups named in the preceding paragraph used a King James Bible nor would they have used it if it had been given to them free. The Bible in use by those groups, until it went out of print in 1644, was the Geneva Bible. The first Geneva Bible, both Old and New Testaments, was first published in English in 1560 in what is now Geneva, Switzerland. William Shakespeare, John Bunyan, John Milton, the Pilgrims who landed on Plymouth Rock in 1620, and other luminaries of that era used the Geneva Bible exclusively.

Until he had his own version named after him, so did King James I of England. James I later tried to disclaim any knowledge of the Geneva Bible, though he quoted the Geneva Bible in his own writings. As a Professor Eadie reported it:

"...his virtual disclaimer of all knowledge up to a late period of the Genevan notes and version was simply a bold, unblushing falsehood, a clumsy attempt to sever himself and his earlier Scottish beliefs and usages that he might win favor with his English churchmen."

The irony goes further. King James did not encourage a translation of the Bible in order to enlighten the common people: his sole intent was to deny them the marginal notes of the Geneva Bible. The marginal notes of the Geneva version were what made it so popular with the common people.

The King James Bible was, and is for all practical purposes, a government publication. There were several reasons for the King James Bible being a government publication. First, King James I of England was a devout believer in the "divine right of kings," a philosophy ingrained in him by his mother, Mary Stuart. Mary Stuart may have been having an affair with her Italian secretary, David Rizzio, at the time she conceived James. There is a better than even chance that James was the product of adultery. Apparently, enough evidence of such conduct on the part of Mary Stuart and David Rizzio existed to cause various Scot nobles, including Mary's own husband, King Henry, to drag David Rizzio from Mary's supper table and execute him. The Scot nobles hacked and slashed at the screaming Rizzio with knives and swords, and then threw him off a balcony to the courtyard below where he landed with a sickening smack. In the phrase of that day, he had been scotched.

Mary did have affairs with other men, such as the Earl of Bothwell. She later tried to execute her husband in a gunpowder explosion that shook all of Edinburgh. King Henry survived the explosion only to be suffocated later that same night. The murderers were never discovered. Mary was eventually beheaded at the order of her cousin, Elizabeth I of England.

To such individuals as James and his mother, Mary, the "divine right of kings" meant that since a king's power came from God, the king then had to answer to no one but God. This lack of responsibility extended to evil kings. The reasoning was that if a king was evil, that was a punishment sent from God. The citizens should then suffer in silence. If a king was good, that was a blessing sent from God.

This is why the Geneva Bible annoyed King James I. The Geneva Bible had marginal notes that simply didn't conform to that point of view. Those marginal notes had been, to a great extent, placed in the Geneva Bible by the leaders of the Reformation, including John Knox and John Calvin. Knox and Calvin could not and cannot be dismissed lightly or their opinions passed off to the public as the mere ditherings of dissidents.

First, notes such as, "When tyrants cannot prevail by craft they burst forth into open rage" (Note i, Exodus 1:22) really bothered King James. Second, religion in James' time was not what it is today. In that era religion was controlled by the government. If someone lived in Spain at the time, he had three religious "choices:"

1. Roman Catholicism
2. Silence
3. The Inquisition

The third "option" was reserved for "heretics," or people who didn't think the way the government wanted them to. To governments of that era heresy and treason were synonymous.

England wasn't much different. From the time of Henry VIII on, an Englishman had three choices:

1. The Anglican Church
2. Silence
3. The rack, burning at the stake, being drawn and quartered, or some other form of persuasion.

The hapless individuals who fell into the hands of the government for holding religious opinions of their own were simply punished according to the royal whim.

Henry VIII, once he had appointed himself head of all the English churches, kept the Roman Catholic system of bishops, deacons and the like for a very good reason. That system allowed him a "chain of command" necessary for any bureaucracy to function. This system passed intact to his heirs.

This system became a little confusing for English citizens when Bloody Mary ascended to the throne. Mary wanted everyone to switch back to Roman Catholicism. Those who proved intransigent and wanted to remain Protestant she burned at the stake - about 300 people in all. She intended to burn a lot more, but the rest of her intended victims escaped by leaving the country. A tremendous number of those intended victims settled in Geneva. Religious refugees from other countries in Western Europe, including the French theologian Jean Chauvin, better known as John Calvin, also settled there.

Mary died and was succeeded in the throne by her Protestant cousin, Elizabeth. The Anglican bureaucracy returned, less a few notables such as Archbishop Cranmer and Hugh Latimer (both having been burned at the stake by Bloody Mary). In Scotland, John Knox led the Reformation. The Reformation prospered in Geneva. Many of those who had fled Bloody Mary started a congregation there. Their greatest effort and contribution to the Reformation was the first Geneva Bible.

More marginal notes were added to later editions. By the end of the 16th century, the Geneva Bible had about all the marginal notes there was space available to put them in.

Geneva was an anomaly in 16th century Europe. In the days of absolute despotism and constant warfare, Geneva achieved her independence primarily by constant negotiation, playing off one stronger power against another. While other governments allowed lawyers to drag out cases and took months and years to get rid of

corrupt officials, the City of Geneva dispatched most civil and criminal cases within a month and threw corrupt officials into jail the day after they were found out. The academy that John Calvin founded there in 1559 later became the University of Geneva. Religious wars wracked Europe. The Spanish fought to restore Roman Catholicism to Western Europe. The Dutch fought for the Reformation and religious freedom. England, a small country with only 4-1/2 million people, managed to stay aloof because of the natural advantage of the English Channel.

The Dutch declared religious freedom for everybody. Amsterdam became an open city. English Puritans arrived by the boatload. The 1599 Edition of the Geneva Bible was printed in Amsterdam and London in large quantities until well into the 17th century.

King James, before he became James I of England, made it plain that he had no use for the "Dutch rebels" who had rebelled against their Spanish King. Another irony left to us from the 16th century is that the freedom of religion and freedom of the press did not originate in England, as many people commonly assume today. Those freedoms were first given to Protestants by the Dutch, as the records of that era plainly show. England today does not have freedom of the press the way we understand it. (There are things in England such as the Official Secrets Act that often land journalists in jail.)

England was relatively peaceful in the time of Elizabeth I. There was the problem of the Spanish Armada, but that was brief. Elizabeth later became known as "Good Queen Bess," not because she was so good, but because her successor was so bad. Elizabeth died in 1603 and her cousin, James Stuart, son of Mary Stuart, who up until that time had been King James VI of Scotland ascended the throne and became known as King James I of England. James ascended the throne of England with the "divine right of kings" firmly embedded in his mind. Unfortunately, that wasn't his only mental problem.

King James I, among his many other faults, preferred young boys to adult women. He was a flaming homosexual. His activities in that regard have been recorded in numerous books and public records; so much so, that there is no room for debate on the subject. The King was queer.

The very people who use the King James Bible today would be the first ones to throw such a deviant out of the congregations.

The depravity of King James I didn't end with sodomy. James enjoyed killing animals. He called it "hunting." Once he killed an animal, he would literally roll about in its blood. Some believe that he practiced bestiality while the animal lay dying.

James was a sadist as well as a sodomite: he enjoyed torturing people. While King of

Scotland in 1591, he personally supervised the torture of poor wretches caught up in the witchcraft trials of Scotland. James would even suggest new tortures to the examiners. One "witch," Barbara Napier, was acquitted. That event so angered James that he wrote personally to the court on May 10, 1551, ordering a sentence of death, and had the jury called into custody. To make sure they understood their particular offense, the King himself presided at a new hearing - and was gracious enough to release them without punishment when they reversed their verdict.

History has it that James was also a great coward. On January 7, 1591, the king was in Edinburgh and emerged from the toll booth. A retinue followed that included the Duke of Lennox and Lord Hume. They fell into an argument with the laird of Logie and pulled their swords. James looked behind, saw the steel flashing, and fled into the nearest refuge which turned out to be a skinner's booth. There to his shame, he "fouled his breeches in fear."

In short, King James I was the kind of despicable creature honorable men loathed, Christians would not associate with, and the Bible itself orders to be put to death (Leviticus 20:13). Knowing what King James was we can easily discern his motives.

James ascended the English throne in 1603. He wasted no time in ordering a new edition of the Bible in order to deny the common people the marginal notes they so valued in the Geneva Bible. That James I wasn't going to have any marginal notes to annoy him and lead English citizens away from what he wanted them to think is a matter of public record. In an account corrected with his own hand dated February 10, 1604, he ordained:

That a translation be made of the whole Bible, as consonant as can be to the original Hebrew and Greek, and this to be set out and printed without any marginal notes, and only to be used in all churches of England in time of divine service. James then set up rules that made it impossible for anyone involved in the project to make an honest translation, some of which follow:

1. The ordinary Bible read in the church, commonly called the Bishop's Bible to be followed and as little altered as the truth of the original will permit.
2. Or, since the common people preferred the Geneva Bible to the existing government publication, let's see if we can slip a superseding government publication onto their bookshelves, altered as little as possible.
3. The old Ecclesiastical words to be kept, viz. the word "church" not to be translated "congregation," etc.
4. That is, if a word should be translated a certain way, let's deliberately mistranslate it to make the people think God still belongs to the Anglican Church

- exclusively.

5. No marginal notes at all to be affixed, but only for the explanation of the Hebrew or Greek words, which cannot without some circumlocution, so briefly and fitly be expressed in the text.

[Was King James a homosexual?](#)

"Royalty, Rumors and Racists"

BY STEPHEN A. COSTON, SR.

AUTHOR OF THE NEW BOOK:

KING JAMES

The VI Of Scotland & I Of England

Unjustly Accused?

The character assassination of His Majesty King James VI & I is an ongoing evolving process that has matured in this present day to a sort of "open season" of differing opinions variously setting forth different theories and hypotheses on the whys, hows, and ifs of the alleged "homosexuality" of King James VI & I. Part of the reason for so many differing opinions is that many historians and would-be historians have forsaken fact for fictional accounts on the life of King James VI & I. Without facts to restrain the imagination the investigative process turns into a rumor mill and as such is an aberration of the historical process. Often these highly speculative accounts, contemporary or modern, are based not on the actual life and words of King James VI & I but on what these individuals THINK what King James VI & I said and did meant. Honest professional historians are beginning to admit this and this is most welcome; however, King James VI & I still has his ardent critics.

More often than not even when actual facts of King James VI & I are presented they are subjected to interpretive twists designed to give the reader the impression that the words and deeds of King James VI & I support the allegations commonly leveled against him. **Case in point, it is a known fact King James VI & I was handicapped from birth with weak limbs and injured himself many times. This caused him to have an unsteady gait. To compensate for this King James VI & I often leaned on his most trusted councilors and friends which also happened to be members of his personal staff, individuals critics freely term "favorites."** It is often stated that "James was fond of leaning all over his beautiful young favorites" giving the reader the impression King James VI & I did so not because of a physical handicap but because of sexual attraction to same. Nothing could be farther from the truth. Further, it is also freely alleged that King James VI & I "passionately kissed" his "favorites" in public.

Critics of King James VI & I are fond of inferring from the above that King James VI & I

engaged in the "French kissing" of his "favorites." They then use this assumption as yet another "proof" to support their contention that King James VI & I was indeed truly a "homosexual."

What the detractors of King James VI & I utterly fail to realize; however, (to their detriment) is the fact that the accounts responsible for popularizing this characterization were penned by individuals who hated not only King James VI & I as a Scot, but the whole country of Scotland as well. They were some of the most militant racists of the time of the most vicious type. Some of their contemporaries knew this and railed against them and defended King James VI & I and it is quite the mystery why modern critics seem not to know this.

Another point that critics of King James VI & I fail to recognize relative to this issue of kissing is that King James VI & I "slobbered" when he ate his food, consumed his drink, or even when he "kissed" someone's hand or cheek. Are we to infer then that King James VI & I passionately kissed inanimate objects, foods and drinks and bodily extremities? What about the widely accepted practice of a monarch's kiss at court to show the King's favor upon an individual? Besides that what of the British acceptance of public kissing for all kinds of events and circumstances. Are we then to infer that the whole island of Great Britain was a hot bed of homosexuality?

It is also inferred that because some individuals rejoiced to have King James VI & I's "legs soon in their arms" upon their return to court that this is somehow indicative of a reference to a sexual position. However, there exist many woodcuts depicting just this position of many noble and common men in with King James VI & I at court. It was customary to prostrate oneself at the feet of the monarch when allowed so close to His Majesty's person to receive a welcome, greeting or honor. King James VI & I's own son, the future King Charles I, himself was in just this position at the feet of his father when he returned from Spain. It is amazing that such shallow reasoning can be allowed to be pawned off as legitimate historical analysis.

Finally, much is made of King James VI & I articulating in his writing that he "loved" someone of the same gender giving the reader the mistaken belief that "love" stood for a sexual attraction and thus yet another "proof" of the "homosexuality" of King James VI & I. Also, it is alleged that King James VI & I "justified homosexuality many times" in his writings.

The most common offered "proof" of this mistaken assertion is a quotation from King James VI & I's speech to Parliament which is violently ripped from its intended meaning and context. For an in- depth refutation of this form of argument the diligent reader is referred to my book King James VI Of Scotland & I Of England - Unjustly Accused.

The Reverend Barrie Williams sums up the desperation of this reasoning:

"... there must be many besides myself for whom nine short words of the King are sufficient: 'Jesus had His John, and I have my George.' King James was in every estimate a devout protestant, and anyone who can believe that he would cast aspersions on the moral integrity of Our Saviour would have no difficulty in believing that the world is flat."

The sheer etymological ignorance of this type of argument is astounding! In my book King James VI Of Scotland & I Of England - Unjustly Accused I examine the widespread and commonly accepted practice of men and women writing to each other in loving terms and expressing their "love" for one another. Such Jacobean stylistic expressions of this kind were in no way indicative of sexual attraction or homosexuality.

I believe Lucius Annaeus Seneca said it best when he wrote:

"... they refute their case by means of the very passages which lead them to infer it." Certain revisionist historians would have you believe otherwise and advocate the use this method to prove Biblical characters were likewise "homosexuals" to include Jesus Christ, David and Jonathan. These types of evidences, if you can call them that, are the types of things that critics of King James VI & I use to validate their claims. When they can't force King James VI & I to say what they want they simply make him "mean" what they want. Or, in other words, what they can't find stated they simply infer is there and place between the lines even though it is not "in the lines." However, if King James VI & I did not mean what he wrote then who is anyone to tell us what he actually meant?

As far as "witnesses" go, critics can only cite a handful of contemporaries of King James VI & I and most of these were men fired from office (sour grapes), or were political or religious enemies of the King, or they were otherwise disgruntled courtiers with an ax to grind and none ever were eye witness to any overt sexual acts on the part of King James VI & I.

Not only this but I have not found one yet that ever formally accused King James VI & I of directly being a homosexual and brought his case before any legal or religious body not to mention attempting to obey the precepts of Scripture in making such outlandish claims. For an in- depth examination of the charges commonly leveled at King James VI & I the careful reader is referred to my book mentioned previously.

It is obvious that myriad are the claims leveled at James Charles Stuart's (King James VI & I) moral character or lack thereof. However, out of this great sea of negative opinion the tide is fortunately turning away from the shores of libel and gossip and heading towards the calm home port of objectivity and evidentiary concerns.

Historians like the rest of our society are not immune from the influences of modern faddish trends and regrettably King James VI & I has suffered more than his share of diatribes that are directly due to a falling away from classical objective interpretive methods that were long indicative of the traditional historical method. Recent trends

have captivated modern historians and led them to experiment with eisegetical techniques and to put it colloquially "tabloid style journalism." Therefore, much that has been written regarding His Majesty King James VI & I has not been the result of a balanced exegetical method.

Further complicating the situation and making matters worse has been the regrettable over reliance by historians on certain scurrilous sources that were produced in an era when libels of the Stuarts and the Monarchy were at a premium in general and whose opinions were motivated by a distrust and outright hostility to the noble Scots as a nation and King James VI & I in particular. King James VI & I being the first Scot to sit on the English throne and the natural father of the last Stuart King to reign in England before the regicide of The Royal Martyr, King Charles I, King James VI & I was naturally a prime target for abuse.

Making an easy target for his pursuit of peace and his many physical handicaps, King James VI & I was and is ill treated by many who venture to put pen to paper with a view to ruminating on the character of this much misunderstood Monarch. Like all of us in the course of King James VI & I's life he made enemies, and as king he had more than his share. Not only this but King James VI & I had to deal and overcome outright racism against his home of birth, Scotland. It is a sad fact that most of King James VI & I's contemporary critics were either disgruntled courtiers who were removed from office by King James VI & I himself or otherwise suffered loss of political or peerage advancement under King James VI & I or were haters of the whole Scottish nation!

Much indeed has been written on King James VI & I and because of this plethora of information a few researchers when doing analysis on King James VI & I simply refer back to past popular and easily obtainable sources rather than expending time and effort in obtaining rare and difficult to find first hand accounts of either the critical or ameliorative sources. Most indeed who have written about King James VI & I have never actually sat down to read what he actually wrote. This environment has created a prime climate for the kind of slanders and libels King James VI & I has been subjected to.

In my years of research on the life and character of King James VI & I, I have found that there is a great reluctance on the part of some of the more militant and bellicose of modern day critics of King James VI & I who claim to have facts to prove (beyond what they assert in their books) King James VI & I was a homosexual.

They seem unwilling to stand up to investigative criticism of their conclusions. They speak of research but balk at detailing the fruits thereof. They are fond of citing whole volumes of books and articles which they claim validate their assertions but refuse to justify any conclusions or data found therein. Some of the more extreme "Christian" critics of King James VI & I are extremely reticent about applying Biblical injunctions against gossip and rumor to their sources or even allow King James VI & I the

protection of Scripture as found in Deut. 19:15 or I Tim. 5:19. Further, some are found to deny King James VI & I even professed to be a Christian! I find this extremely curious that such individuals who claim to be "Christians" would ignore Biblical injunctions on falsely accusing a brother and the evidentiary requirements to sustain charges of the type they advocate.

Thankfully, modern secular critical opinion on King James VI & I is reevaluating the negative assertions of his moral character and moderate critics of King James VI & I are now admitting that these charges are basically OPINION not historical facts! As noted above, only a few extremist and militant and the most ardent of King James VI & I's critics are espousing some of the most vociferous and invectively rancorous libels of King James VI & I.

I have also found in the course of my research a most curious phenomenon, that there is almost a total vacuum of consideration of what King James VI & I actually wrote or what he believed outside of a few brief excerpts of his writings which are more often than not stripped from their context or misinterpreted almost beyond recognition. Great weight almost to the point of complete dependence is attached to the writings of a few disgruntled courtiers, racists and bigots (Sir Anthony Weldon, Francis Osborne and Sir Edward Peyton and a few others).

The writings of Peter Heylyn, Sir William Sanderson, Bishop Godfrey Goodman and Anthony A. Wood and others (not to mention King James VI & I himself) are almost totally forsaken thus creating an unbalanced view of King James VI & I as viewed from contemporary accounts. Similarly, most modern works which discount the critical view of King James VI & I are also almost completely ignored by those who wish to paint King James VI & I as a homosexual.

When authors are unduly influenced by the scandal value of such poor sources they tend to rely on them in extreme and thus forsake detailed historical research and ignore the principles of evidentiary preponderance of evidence and thus sacrifice this for the propensity of our frail human nature in its attraction for dirt and scandal. Contradictory applications of principles and imbalanced research techniques can only result from a defective research method. Unfortunately this type of phenomenon has run rampant and caused many such evaluations to run amuck of the facts concerning King James VI & I.

I have not found any persons yet who libel King James VI & I as being a homosexual who are willing to allow themselves to be judged based on the same lines of evidence and principles upon which they unjustly convict King James VI & I .

All these factors coupled with the cultural and etymological ignorance prevailing in our day and the outright historical bias of some against King James VI & I have produced a situation where King James VI & I's accusers have played free with the actual historical

facts and in some cases invented more ingenious eisegetical interpretations than any stretching of the imagination could ever produce. Thus the facts of history have been traded for the inventions of the imagination and regrettably there has of yet been no limitation to the unbridled attacks on the ever blessed memory and reputation of His Majesty, King James VI & I. When such pseudo-history is accepted for the real thing and we refuse to be bound to actual historical facts and opinions are masqueraded in place of reality then no valid conclusions can ever be reached.

In my attempts to request evidence that is commonly purported to exist by the sternest critics of King James VI & I sadly I have found that this evidence is often elusive and at best highly speculative. Instead what I have been offered in place of hard data from King James VI & I's militant and extremist critics is sarcasm, evasion, ridicule, rudeness and outright refusal to provide the requested information.

From King James VI & I's more mild critics they are at least recognizing the fact that their opinions have led to incorrect assumptions that accusations of homosexuality leveled at King James VI & I are factual, which they are not, and are based on speculation and opinion. Many are even willing to entertain the belief that King James VI & I might not have been homosexual at all. This is something that King James VI & I's hard line critics have yet to do and seem dead set against.

The personal slanders and racially motivated innuendoes and epithets were indicative more of the declarant's anti-Scottish bias and resultant dislike of King James VI & I than they were etiologically the result of actual facts. Thus, the scandalous artifacts which have been so carefully exhumed setting forth the "dirt" of the matter are in need not of study but of burial. These slurs are only allegorically and vaguely implying misdeeds on the part of King James VI & I in the most indirect manner and should be highly suspect. Often by their own account imagination played a key role in their assertions and this was based on their own particular interpretation (not provable facts) of the actions of King James VI & I. It is highly coincidental that the promoters of the charges were those who either bore no good will to the Scots or otherwise had a grudge to bear against their King. So, like irreverent grave robbers having no respect for the dead they attempt to steal that which does not belong to them and not content with desecrating the memory and honor of King James VI & I they also trample under foot his blessed memory. This ought not be so!

There seems to be a divergence of opinion amongst King James VI & I's critics. This is indicative of the fact that modern attitudes on King James VI & I are changing and the hard liners are refusing to budge. So far factual rebuttals of the hard line opponents of King James VI & I have had little effect as the pugnacious critics are refusing to yield to the actual evidence and are holding on to the rumors of the past. Such is the decline and decay of our society when we will allow the least of us, those who cannot defend themselves, to be thrown to the wolves if you will and be unjustly accused. In our passive acceptance of this injustice I see the fate of us all in that one day we may all

find ourselves the target of false accusers. Where have moral and historical ethics gone!

The sheer bankruptcy of the critical case should be evident to any sincere lover of history. To those who will convict King James VI & I on the scantiest of evidence it must be seen that these individuals will thus embody the demise of all true history. The plethora of moral indictments and claims against King James VI & I's character are not historical facts but rather in all actuality primarily unjust criticisms which are commonly mistaken for facts.

Serious dialogue seems to have been relegated to the museum of ancient history and fallen into disuse. However, the criticisms of King James VI & I actually reveal more about our society's preoccupation with scandal and dirt than they do about the life and character of King James VI & I . We can no longer allow lopsided research to overpower the facts of history.

The best advise and observation on this sad situation ironically comes from King James VI & I himself. As His Majesty King James VI & I noted almost prophetically long ago:

"And principally exercise true wisdom in discerning wisely between true and false reports. First concerning the nature of the person reporter; next, what effect he can have in the well or evil of him whom of he maketh the report; thirdly, the likelihood of the purpose itself, and the last the nature and past life of the delated person ... "

And:

"They quarrel me (not for any evil or vice in me) but because I was a king, which they thought the highest evil, and because they were ashamed to profess this quarrel they were busy to look narrowly in all my actions, and I warrant you a moat in my eye, yes a false report was matter enough for them to work upon."

[Facts about King James](#)

King James I was a Christian who wanted the Bible in the hands of the common man. Commissioned the Authorized King James Bible in 1611.

Fluent in Greek, Latin, French, English, and his native Scots. Schooled in Italian and Spanish.

Wrote extensively including Basilicon Doron (the Kingly Gift), Daemonologie, and tracts on varied subjects such as "Counterblaste to Tobacco" which condemned the use of tobacco.

William Shakespere was one of his subjects. Learning and writing thrived under the King's reign.

Formed the foundation for what is now known as the British Empire by uniting warring tribes of Scotland and then enjoining the crowns of Scotland and England in 1603. First to call it Great Britain.

King James was became King of Scotland in 1567 when he was 13 months old and acceded to the English throne in 1603.

Reformation leader John Knox read the sermon when he was crowned King.

He endured racism as a Scot ruling over the English, nevertheless had the love and admiration of many subjects. **Years after his death, detractors tried to sully his good name. Unfortunately, it continues today, yet KJV translators, yea the King himself had predicted such.**

King James was sickly having crippling arthritis, weak limbs, abdominal colic, gout, and a number of other chronic illnesses. He also had physical handicaps which affected his legs and tongue. Coupled with numerous attempts on his life, he required constant attention and watchcare.

His mother was Mary Queen of Scots who was deposed in 1567 and executed in 1587 after 19 years in prison. His father, Lord Darnley, was murdered in 1567.

Held the Roman Catholic religion in contempt. Roman clerics tried to kill him more than once. The King was born during the time of the Reformation and well knew popery's atrocities. In 1536, popery burned William Tyndale to death for distributing the Bible and it was MUCH displeased with King James' authorization of a Bible in English (see translator's notes). Roman Catholic Nicolo Molin, an Ambassador said this of King James:

*"...He is a Protestant...The king tries to extend his Protestant religion to the whole island. The King is a bitter enemy of our religion (Roman Catholic)...He frequently speaks of it in terms of contempt. He is all the harsher because of this last conspiracy (Gun Powder Plot) against his life...**He understood that the Jesuits had a hand in it.**"*

King James said this in Basilicon Doron:

"I am no papist as I said before...Now faith...is the free gift of God (as Paul sayeth). It must be nourished by prayer, which is no thing else but a friendly talking to God. Use

oft to pray when ye are quiet, especially in your bed..."

He led a chaste life. Sir Henry Wotton (June 1602) said this of King James:

"There appears a certain natural goodness verging on modesty...He wears short hair... among his good qualities none shines more brightly than the chastness of his life, which he has preserved without stain down to the present time. Contrary to the example of almost all his ancestors, who disturbed the kingdom with the great number of bastards which they left."

F.A. Inderwick wrote in 1891:

"James had a reputation for learning, for piety, for good nature, and for liberality."

In 1603, Sir Roger Wilbaham wrote:

"The King is of sharpest wit and invention...of the sweetest most pleasant and best nature that I ever knew, desiring nor affecting anything but true honor."

King James loved literature and wrote extensively including the Basilicon Doron which contains instructions to his son on how to live and be a just king. King James' advice to his son concerning chastity:

"Keep your body clean and unpolluted while you give it to your wife whom to only it belongs for how can you justly crave to be joined with a Virgin if your body be polluted? Why should the one half be clean, and other defiled? And suppose I know, fornication is thought but a venial sin by the most part of the world, yet remember well what I said to you in my first book regarding conscience, and count every sin an breach of God's law, not according as the vain world esteems of it, but as God judge and maker of the law accounts of the same: hear God commanding by the mouth of Paul to abstain from fornication, declaring that the fornicator shall not inherit the kingdom of heaven, and by the mouth of John reckoning out fornication among other grievous sins that declares the committers among dogs and swine."

Advice to his son on how to treat his wife.

"And for your behavior to your wife, the Scripture can best give you counsel therein. Treat her as your own flesh, command her as her lord, cherish her as your helper, rule her as your pupil, please her in all things reasonable, but teach her not to be curious in things that belong not to her. You are the head, she is your body, it is your office to command and hers to obey, but yet with such a sweet harmony as she should be as ready to obey as you to command, as willing to follow as you to go before, your love being wholly knit unto her, and all her affections lovingly bent to follow your will."

King James loved his wife, Queen Anne, and wrote beautifully of her. They had nine children together. Once, while out hunting, Queen Anne mistakenly killed King James' favorite dog. Sir Dudley Carleton wrote in 1613:

The queen shooting a deer mistook her mark and killed Jewel, the King's most special and favourite hound; at which he stormed exceedingly awhile; but after he knew who did it he was soon pacified and with much kindness wished her not to be troubled with it for he should love her never the worse; and the next day sent her a diamond worth £2000 as a legacy from his dead dog....The Queen by her late pacification hath gained Greenwich.

King James is the founding Monarch of the United States. Under his reign, we have the first successful colonies planted on the American mainland--Virginia, Massachusetts and Nova Scotia. King James ordered, wrote and authorized this Evangelistic Grant Charter to settle the Colony of Virginia:

"To make habitation...and to deduce a colony of sundry of our people into that part of America, commonly called Virginia...in propogating of Christian religion to such people as yet live in darkness...to bring a settled and quiet government."

The morality of King James has come under attack from a number of groups. Among the most vociferous are sodomites and apologists who defend modern Bible versions like the NIV. **He's being falsely accused of atrocities such as homosexuality, being a closet papist (Catholic) and burning baptists! These fallacies are not going without rebuttal, however. Historians who've studied this great King for many years, are setting the record straight.**

More questions about the great King James? I highly suggest, "King James, Unjustly Accused?" by Stephen A. Coston, Sr., A.V. Publications Corp., P.O. Box 280, Ararat, VA 24053, 1-800-435-4535.

TruthSeeker24 - October 17, 2006 12:21 PM (GMT)

Let's be reminded that King James never wrote a word of the KJV. Also, I can mention articles linking the New Age Movement to Nazism and show links about the Atheist Holocausts by the Soviets, Chinese, and others. So, blaming religion for all of our ills is just a lie. Me personally, I'm neutral on the man. King James is just a man. I don't worship the man. I worship the Creator of this Universe.

It's basically Jesuits discrediting King James just like they bad-mouth Alberto Rivera and Abraham Lincoln. If you can get people to believe these lies, then they won't want to read the King James Bible (associated with a "queer") and they won't want to listen to "liar" Alberto.

CRAIG-OXLEY - October 17, 2006 05:17 PM (GMT)

Dr Alberto Rivera is in a totally other league to James and I have the highest respect for Rivera although I still cannot believe he still feel for Astro-Theology oops Religion :D

Confession No. 18: Inside Illuminati Lodge Skull and Bones 322 Yale University

According to Italian celebrity, Leo Zagami, these our truly the end times because the Jesuit Order, firmly in control of the Catholic Church and NWO, are well known black magicians of the most powerful kind, dealing directly with the Devil himself.

By Greg Szymanski

<http://www.arcticbeacon.com/>

This Confession to the Jesuits features the efforts of Leo Zagami, an Italian fighting the forces of evil by exposing real stories about evil Satanists, hiding behind names like the Illuminati, Zionists, Freemasons, P2, GLADIO, Opus Dei, the Jesuits and the New World Order.

Zagami is a man of many talents, becoming one of Italy's most respected DJ's and a member of one of his countries successful dance music shows called Centro Suono Sound System.

Besides recording his own music and starting a successful record label, in 1994 he hosted a very funny night talk show on a local Roman radio, and in 1995 he became part of the now famous HOUSE MACHINE TEAM, hosting shows on Swiss National radio, COLOUR 3.

Presently, Zagami is experimenting to create the ultimate DJ concept of the future, in

which he becomes the High Priest DJ of electronic music. Now, in 2006, he is one of the biggest representatives of Cosmic Sound in northern Europe, simply defining his music as enlightened.

However, besides music, Zagami is dedicated to the truth and recently started an English speaking web site, Illuminati Confessions, to enlighten Americans about what many Europeans know about the real intentions of the New World Order.

"My web site has everything you always wanted to know about the real story of the Illuminati and the struggle between good and evil in the end of times, before the great surprise of 2012," said Zagami.

Here is a reprint of one of Zagami's recent posts entitled Skull and Bones and the Final Show, raising many questions about the Jesuits and the Vatican role in the Order of the Illuminati.

INSIDE ILLUMINATI LODGE SKULL AND BONES 322 YALE UNIVERSITY : There is a devil, a Don Quixote and a Pope who has one foot sheathed in a white monogrammed slipper resting on a stone skull. The initiates are led into the room one at a time. And once an initiate is inside, the Bonesmen shriek at him. Finally, the Bonesman is shoved to his knees in front of Don Quixote as the shrieking crowd falls silent. And Don Quixote lifts his sword and taps the Bonesman on his left shoulder and says, 'By order of our order, I dub thee knight of Euloga.' (Skull and Bones Ritual/Show inside Yale University USA)

The show is very simple, it's between three characters. Which are the Pope... popi, then you have the Emperor and the Devil. But the western people has substituted the Emperor with a distorted version of Don Quixote for the final chapter. Why Don Quixote?

Because the western has chosen the path of freedom against any temporal form of power, which means at the end communism and atheism if badly interpreted...The real Don Quixote never loses is faith because without God you become a satanist. So the false western illuminati ideal of Adam Weishaupt was born out of a bunch corrupt European aristocrats, who has accepted money from the Jews selling of their states, families, servants, and even their dogs in exchange for atheism.

From the French revolution onwards we see actually a faster and faster decline of moral values, typical of the growing atheism that was going against the corrupt Catholic religion starting from the decadent aristocratic circles of that period. But let's also remember that what was created in 1776 The Order of the illuminati and the United States of America, was in the first place a group secretly working with the Vatican rebels of that time, the Jesuits! In the present time instead, the Jesuit order has been recently nominated and promoted to one of the most powerful post in the Vatican (what a surprise?). The modern inquisition otherwise known as the Congregation for the

Doctrine of the Faith.

This means that the Jesuits who first brought to peoples attention to Egyptian alchemical knowledge and other secret Egyptian formulas including black magic hidden in the Vatican archives for centuries are now finally in charge of the Catholic faith.

So these our truly the end of times because the Jesuit Order are well known black magicians of the most powerful kind, dealing directly with the Devil himself and his colleagues trough various sects and secret societies like the illuminati created for the corrupt Freemasons of our time .

For the Angelical side a supposed support should come from their "older Brothers" (that's how the past Pope defined them) the Jews who have at present no God but gold in their Zionist creed and want to rebuild the Temple of Solomon to place the Anti=Christ of the evil illuminati.

In the meantime, they celebrate secret black magic rituals in the underground rooms of Jerusalem, together enter with an androgen priestess belonging to the Order of Zion (another illuminati Zionist trap built in Switzerland) called Michela Mercenaro who used to be a Catholic priest called Don Michele Mercenaro officially operating in Vatican HQ' s. This before Don Michele now Michela had a sex change and marriage fully approved by the Holy Seed in the Vatican and strongly supported by the italian Freemasons who even gusted her on a TV SHOW by known P2 member Maurizio Costanzo on P2 Brother Silvio Berlusconi TV channel 5.

Now Michela Mercenaro works officialiy for a university in Rome, writes New Age rubbish on the net and secretly collaborates with the Italian police in cases related to the world of the occult.

Disciple of Michela Mercenaro its a known Italian Freemason at times working for the Secret Services, Bro.Roberto Amato of the powerful P2 Lodge/ GLADIO Network working with the GRAND LODGE OF NEW YORK trough Commandant Giorgio Hugo Balestrieri one of the present Directors of the NEW YORK ROTARY CLUB and a big fan of Michela Mercenaro.

Bro.Roberto Amato was recently invited to join officially the GRAND LODGE OF NEW YORK with other ten members of his own Masonic Obedience the GLIDI, Bro.Amato is also the new Italian leader of the Imperial Order created by il Duce Benito Mussolini.

Bro.Amato is the writer of a book we published on our site on women freemasonry and the Devil (unfortunately we only have it in Italian at the moment).

Roberto the illuminati wants to make out of Michela Mercenaro originaly a freak of nature that was half man, half woman the next Grand Master for woman Freemasonry in Italy... as he doesn't really want a real woman after all his nice words on the book but

only a fake version with balls(nice try mate).

This position of Roberto Amato was actually criticized by the woman illuminati of the Zonta international at the recent Universal Unity Conference of San Cerbone in early June 2006 e.v. but Roberto Amato is currently one of the people responsible for the Italian Masonic Federation GRANDE ORIENTE FEDERALE D'ITALIA. The GOIF is a part of the illuminati network created by Brother Rui Gabirro "the Duke of Cabinda" Grand Secretary of the Regular Grand Lodge of England and a slave of the New World Order.

So the plan we are all so desperate to know is for the New World Order to have full control of the show, terrorize everyone and place the Anti-Christ on the throne which they have already done if you were sleeping in the last 6 years...

And they will now go on for the next 6 with more destruction, pain and suffering, 6 years but on that time 21st of December 2012 a Prophet will come forward as the Prophecies say and finally fight this New World Order of Satan and the result will be ARMAGEDON that's survival of the fittest in spiritual matters, and great destruction for all delivered by God himself, followed by several wars that will eventually bring together the Kingdom of the real Messiah, the Kingdom of God, a Kingdom of peace, tolerance and truth, and that's the real Islam not the one created by the CIA and their MOSSAD Zionist friends, because that's only more mind control and slavery directed by the Antichrist.

So as we can imagine being the chosen one in this case will be a blessing and a curse. May God provide us with legions of Angels to fight the demonic forces in such difficult and demanding times in search of our true leader.

Western people wake up and smell the coffee we are about to start a war even bigger than the present one ? .though more invisible it is more dangerous because Satan now wants not only your body, your family or your material wealth but YOUR MIND and he calls it "freedom" but there is no freedom in the Kingdom of MIND CONTROL and credit cards. Only big Banks and their owners who are secretly linked to a chain of black magicians and evil Rabbi's who want to take over the world with the help of a few corrupt Bedouins and a gay Pope sitting in the Vatican.

So is very difficult to save your soul because Satan is at present time winning the game unfortunately and in one way or the other we are all connected to his web of materialistic nonsense and fake values.

A major demonstration of your faith towards God and his beautiful creation is the only way you can fight the Devil in the end of times but you must also be ready to confront soon his evil legion of men on earth, who will try to defend him, because they sold their soul to Satan himself in the illuminati Lodges all over the world, and they will never leave him even if he will leave them to perish like idiots and leave himself, at the very

end... probably going to another destination as the mission continues Galaxy after Galaxy, Time after Time.

Title: The Sunday School Teacher - By Joel Berry

CRAIG-OXLEY - October 17, 2006 12:26 AM (GMT)

The Sunday School Teacher

10/16/2006

by Joel Berry

I know a Sunday School Teacher and decon of his church; he is teaching about the story of Noah and how after the so called ark landed, GOD told Noah that he could now eat all animals.

He then goes on to state all you vegetarians don't have a case and the law provides for what he calls PETAA diet.

P- people

E- eat

T- tasty

A- animals

A- anyway

It would be worthless to explain to this man that Pope Constiteine Added the one line saying now you can eat animals.

TO ALL WHO BELIEVE THE POPE'S ONE LINE ADDITION TO THE BIBLE:

You are telling GOD that he is FAILABLE, that his first laws were WRONG and they must be changed to fit the purpose of mankind (aka the meat eating pope of the 4th century.

"IT IS EASY" to SPOT the lies in the Bibles, the evil church tried to alter the handed

on this earth that makes 1 man better than another. Black, White, Red, Yellow, etc. are all 100% God's children ALL with the inherited abilities of GOD their Father.

Only the church makes for slaves, the church depended upon this so the ones playing god could live in castles and the people who were murdered so badly to the point of total FEAR caused the women and children to seek safety outside the castle walls. The castle owners would war amongst each other in seeking more lands/slaves and this made the people more dependant upon the castle owners. Wars were a must for each generation, with out wars the popes paper bible would fade away.

With out FEAR the system as we know it would not exist.

This Bible teaching Sunday School Teacher gives himself insulin daily by needle injection. He believes 100% in the PETAA theory.

The PETAA theory is opposite what the Pyramid messages to us teach. The PETAA theory leads to aggressive males that abuse sex. The eating of animals and the unnatural use of sex are the TWO MAJOR sins the Bible teaches. The popes paper version called a bible in hundreds of names/versions has lead to the days known as the days of Noah which we are living in right now, EVIL is in control and has been for 1,500 years and this world is a living example.

Are we to complain? NO, we are in school, we are to learn about good and evil and make correct decesions and that is what we are daily graded upon. God allows the evil, God allows ALL, we are graded for what we do and not one human on this earth can do this for us, we do not know who/why all other humans do what they do, god TELLS US PLAINLY TO NOT QUESTION the acts of others, He may have made them for our personaltestof the day. They may be like us or they may not, they are a creaton of God to do his will and his will , will be done.....

The system we live in can not be changed, won't be changed. We are the student, we are here to learn and be a wittness. We can not change another's veiw, we can't take their daily test for them. We can not eaze their sufferings. Each human has chosen their path to take.

God clearly has one message to all:

Those that help them selves reap the rewards. Those that earn interrest are rewarded. Reap the harvest that you have sewn. You are what you eat.....

The fact of all religions is this: The human body is a temple for the spirit of God. Defile this body and you loose the blessings of the Spirit. Does the spirit need to have dead animals, does the spirit need to have sex with others, does the spirit need stimulat

from electronics/drugs, etc.????????????? The handed down info from the Pyramids is our "purest" education, handed down to those who survive the rocks of each earth cycle.

God created a system of cleansing this earth and it works very well, when NOT ONE PURE HUMAN is left, this earth's surface will be destroyed and once again God will plant his seed and once again a new season starts, I call it a new school year. Class starts all new when the first humans are created and as time goes the human race goes forward to the times of Noah that take about 23,000 years to happen.

The pope would like the world to believe his ideas that the earth is but a few thousand years old and his Jesus will come and forgive all the evil doers, in return he only asks for 10% of your earnings and his buddies in government only want another 25% and then when you can't work, you're eliminated from their farm.

Those with eyes can see that many cities lay beneath our feet. Those with eyes can see the fossils in the layers of limestone that go hundreds of feet beneath our feet. Those who read or seek to learn see cities being dug up or mountains that have split open to show 5 cities stacked on top of each generation..... Those with eyes and wisdom can see the church/government has never wanted the slaves to know the true schools have always been the pyramids and they don't want you to know the Roman Empire and the Vikings murdered all of these teachers of the world and ran off with the loot to the Vatican.

The temples and pyramids circled the earth prior to the pope, our schools were all over this earth for all HUMANS and I doubt they taught the PETAA theory of life on earth.

Today we humans are told by PBS types that "WE" do not know what happened to all the people who lived around these old ruined temples. You know PBS would love to tell you the Roman Empire murdered all these people, but to do so would be suicide for them, their plug would be pulled, their pay checks gone.

PAUL has the golden message to all who have eyes, all who have ears,,,,,,,,,; Tune out the world, seek no \$\$\$\$\$ and be slave to no one. Depend upon God for all your needs. This is nearly 100% impossible for the civilized human, to do so is to walk away from their family and friends and thus is the hidden message from the dead monks in the story of Jesus's 12 disciples. You will not find a story in the Bibles of a real man/woman short of Paul, the names/places/events are all allegories of human health and welfare. The book of relations explaining when the rocks come!

Blessings,
Joel Berry

CRAIG-OXLEY - October 16, 2006 03:27 PM (GMT)

Pope to visit Turkey despite row

Monday, 16 October 2006, 11:25 GMT 12:25 UK

<http://news.bbc.co.uk/1/hi/world/europe/6054958.stm>

The Vatican has confirmed that Pope Benedict XVI will travel to Turkey in November, his first visit to a predominantly Muslim country.

The Pontiff will visit Ankara, Izmir, Istanbul and ancient Ephesus during the trip, which will begin on 28 November.

The trip has been overshadowed by a row over remarks he made about Islam.

Muslims were angered when the Pope quoted a 14th Century Christian emperor who said the Prophet Mohammed had brought only "evil and inhuman" things.

In the speech at Regensburg University in September, Pope Benedict explored the historical and philosophical differences between Islam and Christianity, and the relationship between violence and faith.

Stressing that they were not his own words, he quoted Emperor Manuel II Paleologos of the Byzantine Empire, the Orthodox Christian empire which had its capital in what is now the Turkish city of Istanbul.

The speech sparked several days of protests in Muslim countries and calls for an unequivocal apology.

In response the Pope said that the remarks had been "misunderstood" and that he regretted the reaction they had caused.

The visit, which will run until 1 December, is the result of an official invite by the Turkish government.

The Pontiff will begin his tour with a one-night stay in Ankara, capital of the officially secular state. The second night will be spent in Ephesus - home to an ancient Christian community.

The Pope will then spend two nights in Istanbul, Turkey's largest city and the place where Orthodox Patriarch Bartholomew I is based.

Pope Benedict will call upon the patriarch, who is the spiritual leader of the world's Orthodox Christians.

Description: *the evidence & sources of Eric Jon Phelps*

ov3rkomer - October 12, 2006 07:33 PM (GMT)

After I presented the book Vatican Assassins on another forum, I got the following reply (below in quotes). My responses are below his quotes. I'm sure people on this forum have a bigger overview of the evidence and could add some good points to my short comments. Please help :D

QUOTE

Seems to consist mostly of assertions without providing substantial evidence...

I also included links to the 13 books Eric recommends as sources and got this response:

QUOTE

About evidence - first besides looking for positive corroboration, you have to also consider negative ones. And you must examine the sources. Only from one source, one category of sources ... don't make for a strong case.

Most, if not all of the "evidence" proffered suffer from the above 2 flaws.

Consider the pieces (videos/books) about masonry. The material is taken from the masons themselves. Here most are from a fundamentalist denomination, Baptist, one of the worst of the lot, support Bush, he loses ground, then withdraws, etc, etc.

The evidence of Roman Catholic, Vatican and since the 16th Century Jesuit control mainly falls in 4 categories:

1. General historic sources, not just written by Roman Catholics, but also by opponents. Since the 16th Century this includes Protestants, Atheists/Agnostics, Jews, Orthodox, Roman Catholics etc. The counter-reformation is not even disputed, just the extent of Jesuit power. (They show WHAT happened.)

2. Documents which were recovered from former insiders, such as the Vows of Jesuits, Instructions for Jesuits etc. These show the goals and methods of the Jesuits. (These sources show WHY it happened - the *motive*, and also the *means*.)

3. Corroborating testimony giving evidence of the implementation of these Jesuit goals and methods. These come from former Priests, Nuns, Jesuits etc. (These sources confirm the WHO's done it.)

4. More recently we have public news sources, showing events, meetings, financial connections, agreements, membership rolls (e.g. SMOM) etc. This helps in connecting the dots for the present. Remember 80% of 'intelligence' can be found in publically available sources.

These are four different kinds of sources. You can check many of those sources by reading the documents in the links provided. Even the information from those who have opposing theories have been incorporated by Eric Jon Phelps. You could email Eric and I'm sure he could answer the question of sources much better than I could. Additionally Jesuit power has been exposed not only by Calvinist-Baptists, like Eric, but by people from all kinds of religious and ideological backgrounds.

QUOTE

The "Black Pope" controls the "White Pope"? Well he sure had a mutiny on his hands with the White Pope with regards to his agents' work in China. The Jesuits almost "conquered" China, missionarywise. See the account of the work of Matteo Ricci, for starters http://en.wikipedia.org/wiki/Matteo_Ricci.

Matteo Ricci and the other Jesuits replicated the success of the earlier Nestorians in penetrating China, (and who also succeeded in Mongolian and Japan, Genghis Khan was Nestorian as his mother was. His letter to the Pope was in effect, lets see which form of Christianity is more pleasing to God). The White Pope ruined the work of the Jesuits. The Nestorians were so successful in China, the Buddhists in China in response depicted Kuan Yin as solely female unlike in other places and only did this after after the Nestorian landed.

Nestorians were not controlled by the Vatican in any way. Jesuit history is quite complex and there have been up and downs. I wonder how the activity of Jesuits in China supposedly disproves Eric's position?

CRAIG-OXLEY - October 12, 2006 10:18 PM (GMT)

As far as I'm concerned these types of people are an annoyance and think they know more than they really do. So what if they wish to disbelieve the truth and Eric Phelps, its their lose not ours. Eventually after trying to teach many people information you get to this frame of mind.

People slag off Eric all the time claiming nonsense about him. They go on about references etc but forget that Eric utilises 1000 pages and dont forget all those books given away with his first book. Now look at the new VAIII 1500 pages etc. How many

have done this? How many have had the knowledge of these old works he supplied. You see because his information is not the normal CLAPTRAP that goes around people attack it. Too many Agents spreading disinformation around which easily gets latched onto. You even get pathetic debunkers claiming silly things like it was Jews dancing on 9-11 not Jesuits. Do these people believe the Jesuits would get their hands dirty? Dr Rivera explains this well in the video. Believe me the 4th Vow were very happy on 9-11 and of course the Maltese Knights of the Round Table who had a more closer hands on in the development of Jesus's agenda.

Remember Eric Phelps is known as

"MR HISTORY"

Real History, not bunkum!

ov3rkomer - October 13, 2006 05:12 AM (GMT)

Personally, I like to check things out and check for a trail of evidence. So far the things I was able to cross-check from Eric's information all turned out to be true. I checked some of his info concerning WW2 and Pope Pius XII with my German books. The information was confirmed and I found out that Pius XII was literally surrounded by Jesuits. Additional to the German Jesuit Bea, the German Jesuit Leiber, who are mentioned by Phelps. Pius XII had another 3 German Jesuit advisors named Hentrich, Gundlach and Hürth. He was literally surrounded by German Jesuits; the ideal setup for controlling the Pope and directing Germany from the Vatican.

Some people obviously do not want to consider evidence or logical reasoning. In the end, the guy on the other forum never tried to reply to the facts and went ahead with personal attacks against Eric and myself. I answered him, because he tried to put people off the material I had posted. Even if he does not respond to reason, other people on the board may be convinced.

formerslave - October 16, 2006 01:36 AM (GMT)

I have always had the opinion that the church controlled the Italian Mafia, and I'm coming round to your way of thinking about the church being the top boys in the New world order, my granddad went to a Jesuit school in Surrey and he used to tell me when he was alive to never trust the bastards and that they were evil, keep up the good work 2tuff your efforts will be rewarded and congrats on the info you supply here, i will be posting on your site a lot more.

CRAIG-OXLEY - October 16, 2006 02:14 PM (GMT)

Now it would have been interesting to have heard from your Grandfather himself especially if he hadn't gone to Surrey but to Stonyhurst itself, the powerhouse of the United Kingdom. My friend the Mafia are subordinate to their local Archbishops so example would be the Mafia within Chicago being subordinate to Archbishop Eugene. Once again the two powerhouses of the United States are its creator the Vatican and its Mafia. Remember folks the United States is a corporation not a country and it was created in 1868 by Jesuits. Its headed by Georgetown University.

You will notice most people just wont speak bad of the Vatican and Jesuits whilst slamming jews left right and center. This is because religion is the greatest veil their is and it upsets too many applecarts if you say anything bad/truth about anything linked to that religion/organisation. The greatest VEIL THEIR IS. If you do slam the truth out about the Vatican your an anti-catholic and yes the usual mug, tomatos will be thrown at you. You see the Jesuits have installed labels within the minds of their sheeple such as anti-catholic, racist, anti-semetic (total hogwash), anti-gay blah blah and instantly like robot computers the mind throws them out and also surpresses data from entering within it.

Description: *[Cassini lives on in a devious project]*

CRAIG-OXLEY - October 15, 2006 11:48 PM (GMT)

Giovanni Domenico Cassini

<http://www-groups.dcs.st-and.ac.uk/~histor...es/Cassini.html>

Born: 8 June 1625 in Perinaldo, Republic of Genoa (now Italy)

Died: 14 Sept 1712 in Paris, France

[Show birthplace location](#)

The first thing we should clarify in this biography is **Giovanni Cassini's** name. He was given the name Giovanni Domenico by his parents, Jacopo Cassini and Julia Crovesi, after his birth in Italy. However he also used the name Gian Domenico Cassini, and after he moved to France, he changed his name to the French version of Jean-Dominique Cassini. To add just one more comment to the question of his name, he was the first of the famous Cassini family of astronomers and as such is often known as Cassini I.

We know little of his parents but certainly his father was a Tuscan. In fact Giovanni was brought up, not by his parents but by an uncle, a brother of his mother Julia Crovesi. After spending two years being educated at Vallebone, Cassini entered the Jesuit College at Genoa where he studied under Casselli. After this he studied at the abbey of San Fructuoso. Taton writes [1]:-

He showed great intellectual curiosity and was especially interested in poetry, mathematics and astronomy.

His first interest, however, was in astrology rather than astronomy. He read widely on this topic and soon was very knowledgeable, yet was convinced that there was no truth in astrological predictions. It was, rather strangely, his extensive knowledge of astrology that led to his first appointment. In 1644 the Marquis Cornelio Malvasia, who was a senator from Bologna with a great interest in astrology, invited Cassini to Bologna. He offered him a position in the Panzano Observatory which he was constructing at that time.

From 1648 Cassini observed at the Panzano Observatory with instruments which he had purchased with financial resources from the Marquis Malvasia. This was an important time for Cassini who learnt much from the outstanding Jesuit scientists Giovanni Battista Riccioli and Francesco Maria Grimaldi (who later discovered diffraction). In 1650, Cassini became professor of mathematics and astronomy at the University of Bologna, filling the chair which had been vacant since the death of Cavalieri at the end of November 1647. This appointment came about through the support of the Marquis Malvasia whose important position in Bologna gave him considerable influence in naming Cavalieri's successor.

Cassini observed a comet in 1652-3 and he published an account of his observations which he dedicated to the Duke of Modena. From the work we can see that at this time Cassini believed in an Earth centred solar system, with comets beyond Saturn but originating from the Earth. Observations would lead him to accept the model of the solar system proposed by Tycho Brahe and, in 1659, he presented an Earth centred system with the moon and sun orbiting the Earth and the other planets orbiting the sun. Later

he came to accept a version of the Copernican model.

One of Cassini's predecessor's as professor of mathematics and astronomy at Bologna had been Egnatio Danti who had been appointed in 1576. Danti had built a gnomon at the Church of San Petronio in Bologna, one of the largest Christian churches ever built. A small hole allowed the rays of the sun to enter the church. They formed a small image on a scale on the floor which allowed the position of the sun to be accurately determined. The church of San Petronio had mostly been built between 1445 and 1525, but work continued on extending it and not long before Cassini arrived in Bologna further building work had made Danti's gnomon unusable [1]:-

In 1653, Cassini, wishing to employ such an instrument, sketched a plan for a new and larger [gnomon] but one which would be difficult to build. His calculations were precise; the construction succeeded perfectly; and its success made Cassini a brilliant reputation.

He made many important observations with his new gnomon which he published in *Specimen observationum Bononiensium ...* (1656), a work he dedicated to Queen Christina of Sweden who was in exile in Italy at this time.

His expertise, however, covered many areas other than astronomy. He was an expert in hydraulics and engineering and as such was consulted regarding the dispute of 1657 between Bologna and Ferrara on the course of the River Reno. The dispute was settled by Pope Alexander VII with advice from Cassini and for several years after this he was regularly consulted by the Papal Court as an expert on river management. He wrote treatises on this aspect of his work, in particular on the flooding of the river Po. He was also employed by the Pope in 1663 as superintendent of fortifications, then he travelled to Rome again in 1665 when he was named Superintendent of the waters of the ecclesiastical states.

The Pope asked Cassini to take Holy Orders for he wished to see him permanently working for him. However, Cassini preferred to keep his post as professor of mathematics and astronomy at Bologna where he taught when not undertaking Papal duties. He continued with his research in astronomy, proposing a model for atmospheric refraction which turned out to be incorrect, making an intensive study of the sun, publishing tables in 1662, and continuing to search for comets. In 1664 he observed a comet which led him to propose a new theory that comets travelled in circular orbits around the sun with the centre of the orbit in the direction of the star Sirius.

Beginning in 1664 Cassini was able to observe with new powerful telescopes made by the excellent lens maker Giuseppe Campani of Rome. With these instruments Cassini made a series of new discoveries. In July 1664 he measured the period of rotation of Jupiter on its axis, discovered the bands and spots on the planet, and saw that the planet was flattened at its poles. In 1666 he measured the period of rotation of Mars on

its axis, getting a value within three minutes of the correct one, and observed surface features. He published detailed series of observations of the moons of Jupiter in 1668. Cassini discovered discrepancies in his data which at first he attributed to light having a finite speed:-

... light takes some time to come from the satellite to us; and it takes approximately ten or eleven minutes to traverse a distance equal to the semi-diameter of the Earth's orbit.

However, Cassini was too traditional in his views to accept his own idea, and he soon rejected it and looked for other explanation for the discrepancy. It is rather ironical that it was Cassini's data that was used by Römer in calculating the speed of light seven years later.

Cassini's brilliant discoveries gave him an international reputation and led to him being invited to Paris by Louis XIV in 1668. The construction of the Paris Observatory had just begun and Cassini was offered a generous salary, free accommodation, and a good travel allowance to oversee the project. The senate of Bologna and Pope Clement IX agreed to the trip which they believed would be a short one of at most two years. However Cassini was immediately involved in the work of the Académie des Sciences although at this stage he made little attempt to settle down and improve his French as he still fully intended a quick return to his duties in Italy. After he became head of the Paris Observatory in 1671, he soon changed his views on returning to Italy and became a French citizen two years later, changing his name to Jean-Dominique Cassini. In 1674 he married Geneviève de Laistre who was the daughter of the lieutenant general of the comté of Clermont. On their marriage Geneviève brought with her a dowry which included the Château de Thury in the Oise which became the Cassini summer residence for succeeding generations of the family. There were two sons from this marriage, the younger one Jacques Cassini being born in 1677 and eventually succeeding to his father's position as head of the Paris Observatory.

At the Paris Observatory Cassini continued to make revolutionary discoveries, as he had done in Italy, using a telescope he had brought with him. He was the first to observe four of Saturn's moons: Iapetus (1671), Rhea (1672), Tethys (1684), and Dione (1684). He discovered the gap in the ring system of Saturn now known as the Cassini division in 1675. Impressively he correctly proposed that the rings were composed of large numbers of tiny satellites each orbiting the planet. He drew a large Chart of the Moon, which he presented to the Académie des Sciences in 1679. This remained the best that was available prior to the invention of photography for astronomical purposes.

Cassini's tables of Jupiter's moons were used to determine longitudes by providing a universal time with which to compare the local time at various positions on the Earth. While French expeditions measured the longitudes of numerous places, Cassini remained in Paris coordinating their data and making his own measurements. In 1672 Jean Richer made measurements of Mars from Cayenne, French Guyana, while Jean

Picard and Cassini made measurements in Paris. From their data the first accurate value of the solar parallax was found, giving the distance from the Earth to the sun. Another measurement made by Jean Richer, namely that a pendulum with a period of one second is shorter in Cayenne than Paris, led him to explain this by suggesting that the Earth was flattened at the poles. This supported theoretical proposals by Newton and Huygens, but Cassini did not accept Jean Richer's explanation. He sought another experiment to determine whether the Earth was a perfect sphere.

In order to determine the shape of the Earth, Cassini proposed measuring an arc of the meridian from the north of France to the south. The project was begun in 1683 with Cassini making measurements from Paris towards the south, while Philippe de La Hire began making measurements north from Paris. The project was cancelled for financial reasons in 1684 when Cassini had reached Bourges, which is almost exactly in the centre of France.

In 1695 Cassini travelled in Italy. He took his eighteen year old son Jacques Cassini with him and they made numerous geodesic observations, as well as returning to Bologna where they repaired the gnomon at the Church of San Petronio in Bologna which Cassini had designed nearly thirty years before. In 1700 the meridian project was revived and now, in addition to a number of other scientists, Cassini had his son Jacques to assist him. They made measurements of the meridian from Paris to Perpignan, which is 13 km west of the Mediterranean coast. He obtained results which wrongly suggested that the Earth was elongated at the poles. As someone who rejected Newton's theory of gravitation, this result was rather pleasing since Newton's theory led him to a theoretical proof that the Earth would be flattened at the poles. However, having observed the flattening of Jupiter at its poles, it is surprising that he should have been such a strong advocate of the elongation of the Earth.

In 1680 he studied the Cassinian curve which is the locus of a point the product of whose distances from two fixed foci is constant. He worked on this as part of a study of the relative motions of the Earth and the sun and proposed this as the curve for planetary orbits rather than the ellipse as proposed by Kepler. The lemniscate of Jacob Bernoulli is a member of the Cassinian curves but this was not realised for 100 years.

From around 1709 Jacques Cassini gradually took over his father's duties as head of the Paris Observatory. Cassini's health began to deteriorate, in particular his eyesight became poor so that by 1711 he was nearly completely blind. Fontenelle [4] says that Cassini's calm and gentle character, coming from a deeply religious belief, allowed him to bear nearly total blindness with good cheer.

Taton gives this assessment of Cassini in [1]:-

Judgements on Cassini's work vary greatly. While many historians, following Delambre, accuse him of having found his best ideas in the writings of his predecessors and of

having oriented French astronomy in an authoritarian and retrograde direction, others insist on the importance of his work as observer and organiser of the research at the Observatory. Although Cassini's control did restrict the Observatory's studies and although he did fight against most of the new theories, his behaviour does not seem as uniformly tyrannical and baleful as Delambre described it. He was not a theoretician; he was, however, a gifted observer and his indisputable discoveries are sufficient to win him a high position among the astronomers of the pre-Newtonian generation.

Wanta Money Languishing In 'Hands of the Devil'

The \$4.5 trillion still not released, but Wanta and his group, who have recently remained silent, may go public next week if money not released by Wednesday.

14 Oct 2006

By Greg Szymanski

<http://www.arcticbeacon.com/14-Oct-2006.html>

The Leo Wanta \$4.5 trillion - earmarked for the American people - is still languishing in the "hands of the devil" and, according to Wanta and his staff, they are receiving "very little assistance " from the evil powers that be in repatriating the stolen off shore money.

Calls to top level U.S. government officials and the Washington D.C. Jesuit Order headquarters have gone unanswered as to the veracity of Wanta's story and as to the whereabouts of the \$4.5 trillion.

High level members of both the government and the Society of Jesus have been targeted as suspects in the theft of trillions since the end of the Cold War, according to several researchers following the story.

"It's turning out to be like a Dr. Strangelove situation as our efforts have pretty much been ignored," said Michael C. Cottrell, treasurer of Wanta's financial group set up to handle the money. "If we do not get the money by next Wednesday, then we are going to implement some severe measures to get it released and perhaps go public again

with what has happened.

Cottrell added the "people in the White House" can't be trusted with honoring the financial deal entered into by Wanta, saying in lieu of releasing the trillions he wouldn't be surprised if the October Surprise talked about in the media turned out to be all out war in the Middle East.

Repeated attempts to contact Wanta have also gone unanswered ever since he recently went into hiding, claiming security reasons due to death threats. However, Cottrell said t Wanta may begin talking again next week if last ditch efforts to release the money fail.

"I just got off the phone with Leo and we had a long talk about what to do," said Cottrell.

Wanta has been at odds with the powers that be ever since he was declared legal trustor of more than \$27.5 trillion accumulated as a result of his financial efforts on behalf of President Ronald Reagan to destabilize the Russian currency at the end of the Cold War.

Furthermore, Wanta was jailed for the better part of a decade for trying to return trillions to the American people, as Reagan had dictated, but later was backstabbed by the following three presidential administrations who instead wanted to illegally pocket the money for their own personal use, according to Wanta.

Previously, Wanta came forward with these allegations, presenting documentation of more \$745 billion in misdirected and stolen money, attributing the thievery to those occupying the White House after Reagan left office.

Upon his release about a year and a half ago from a Wisconsin state prison, Wanta set out on a financial quest to repatriate the money according to Reagan's directives, in May entering into a negotiated settlement with the powers that be to return \$4.5 trillion for the benefit of the U.S. economy.

However, the money has been blocked by the Bush administration since May and according to Wanta first being held up in a Virginia Bank of America account and now being held illegally in a New York Citibank account.

Besides the \$4.5 trillion supposedly earmarked for the American people with \$1.6 trillion to be paid in federal taxes, Wanta's shocking testimony opens the door to the devious way the last three presidential administrations have been bilking the American people out of trillions of dollars, using the "off the books offshore" money for covert purposes, including funding to the New World/Illuminati's quest to destroy America socially, economically and politically.

Other strange events surrounding the "trillion dollar deal" is that the Bush administration

has reportedly put incredibly tight restrictions on the release of the money, recently saying they will release the funds only when "we are God Damn ready."

Since his release even more questions linger as to whether Wanta is being used as a patsy by the powers that be, including high level officials in both the U.S. government and the Vatican.

Wanta has never addressed whether Vatican involvement has ever determined the fate of the trillions stolen and used by the New World Order to bring down the American economy, saying he was always a loyal servant working on the directions of President Ronald Reagan, who he considered to be an American hero.

It should be noted Reagan was the first President since the middle 1860's to reinstitute formal diplomatic ties with the Vatican after ties were broken to to widespread knowledge the Vatican and Jesuit Order assisted in the assassination of President Abraham Lincoln.

Although Wanta has declared loyalty and admiration of Reagan, many others consider him to be an American traitor in the first degree by allowing the Vatican-led New World Order to flourish and continue its devious take over of this country.

Furthermore, the Wanta story has up until now succeeded in creating serious agitation among the American people who are expecting to see some "financial light at the end of the tunnel" while creating, at the same time, a financial uproar around the world, attacking the full faith and credit of our nation while adding more fuel to the firestorm and downfall of our economy.

And if you look closely, isn't that exactly what the Vatican-led New World Order has planned for this country, planning a complete financial, social, political and moral destruction.

The questions regarding the Ambassador Wanta story need to be answered in hopes that the release of his money will help the cause of freedom and not further fuel the diabolical fires of fascism, working behind the scenes to destroy this country.

It is also hoped that if Wanta decides to talk again he will address issues concerning Vatican involvement, if any, as well as setting the record straight about many things concerning the first placement of the \$4.5 trillion in the Jesuit-owned Bank of America and then in Citibank in the firm control of many Knights of Malta members.

Title: Sovereign Order of Malta FAQ

Description: *from their own site*

ov3rkomer - October 13, 2006 11:33 PM (GMT)

1) What is the Order of Malta?

The Sovereign Military Hospitaller Order of St. John of Jerusalem of Rhodes and Malta, better known as the Sovereign Order of Malta, has a two-fold nature. It is one of the most ancient religious Catholic Orders, founded in Jerusalem in around 1050. It celebrated the 9th centennial of its official foundation in 1999. **At the same time it has always been recognised by nations as an independent subject of international law.**

The Order's mission is summed up in its motto "Tuitio Fidei et Obsequium Pauperum" - defence of the faith and assistance to the suffering.

2) What do we mean by saying that it is a religious Order?

The Order was born as a monastic community inspired by St. John the Baptist. This community, which was created by Amalfitan Merchants around 1050, ran a hospice providing care and shelter for pilgrims to the Holy Land. In 1113 it received formal acknowledgement as a religious Order from Pope Paschal II. Before the loss of the island of Malta (1798) most of the knights were religious, having taken the three vows of poverty, chastity and obedience.

Today, although some members of the Order are professed knights (having taken the three vows of poverty, chastity and obedience), others have pronounced only the promise of obedience. Most of the Order's 12,000 knights and dames are lay members. Although **they have not pronounced any religious vow**, they are all devoted to the exercise of Christian virtue and charity, and committed to developing their spirituality within the Church and to expending their energies in serving the Faith and assisting others.

3) Is it a military Order?

The Order had to become military to protect the pilgrims and the sick and to defend the Christian territories in the Holy Land. The Order ceased to carry out this function when it lost Malta (1798). Today the Order preserves only the military traditions.

4) Is it a chivalrous Order?

Traditionally Knights of the Order belonged to chivalrous and noble families of the Christian world. The Order is still a chivalrous order today as it has maintained the values of chivalry and nobility. **Although the majority of its members no longer come from ancient noble families, they are admitted because of manifest merits towards the Church and the Order.**

5) What are the works of the Order?

The Order of Malta works in the field of medical and social care and humanitarian aid, in over 120 countries, supported by the diplomatic relations it currently has with 94 nations. The Order also runs hospitals, medical centres, day hospitals, nursing homes for the elderly and the disabled, and special centres for the terminally ill . In many countries the Order's volunteer corps provide first aid, social services, emergency and humanitarian interventions.

Malteser International, the Order's worldwide relief service, works in the front line in natural disasters and armed conflicts.

For over 40 years, the Order has been dealing extensively with the treatment of leprosy - a disease that unfortunately still plagues various areas of the world - through its CIOMAL foundation (Comite International de l'Ordre de Malte). CIOMAL is also involved in the fight against disease or handicaps and has launched programmes to assist mothers and children in the third world who suffer from AIDS.

The Order is also engaged in the cultural field.

6) How is the Order Governed?

The life and activities of the Order are governed by its Constitutional Charter and its Code.

The head of the Order is the 78° Prince and Grand Master Fra' Andrew Bertie, elected for life by the Council Complete of State. The Grand Master is assisted by the Sovereign Council, in turn elected by the Chapter General (the assembly of the representatives of the Order's members, that meets once every 5 years). The new Government Council is the advisory body of the Sovereign Council and provides advice on political, religious, medical and international issues. A Board of Auditors performs auditing functions. Both councils are also elected by the Chapter General.

Juridical issues are submitted to the Magistral Courts, appointed by the Grand Master and the Sovereign Council.

7) What is the international organisation of the Order?

Today, the Order is present in 54 countries. It has 6 Grand Priories, 5 Subpriories and 46 National Associations.

8) How many members does the Order have?

The Order is made up of **more than 12,000 Knights and Dames.**

9) Where have the main humanitarian missions been carried out in recent years?

The most significant aid projects have been carried out in Kosovo and Macedonia, Mozambique, El Salvador, India, Angola, Zimbabwe, Peru, Afghanistan and Iraq.

10) How does one become a member of the Order?

One can become a member of the Order of Malta **only by invitation**. Only persons of undoubted Christian morality and practice, who have acquired merit with regard to the Sovereign Order, its institutions and its works are eligible for admission. The relevant Grand Priory or National Association is responsible for proposals of admission.

11) How does one become a volunteer?

Volunteers are most welcome. You should ask the National Association of your country. Please see the section "The Order in the World" on this website for a list of Order organisations in the various countries.

12) How are the Order's diplomatic activities conducted?

In accordance with public international law, the Order maintains full diplomatic relations with 94 countries through its embassies. It also has permanent observer status at the United Nations and the Commission of the European Union as well as in 16 International Organisations such as the FAO and UNESCO. Diplomatic relations allow the Order to intervene with timely and effective action in the event of natural disaster or armed conflict. Due to its neutral, impartial and non-political nature, the Order can act as a mediator whenever a State requests its intervention to settle a dispute.

13) How are the Order's activities financed?

Activities are funded essentially by its members. Funds come from private donations and vary according to different countries and situations. Resources for hospitals and medical activities usually come from agreements stipulated with the national health and social systems. The same is true for emergency services. In developing countries, activities are often backed by grants from governments, the European Commission or other international organisations. Funds also come from donations or benefactors' contributions to Order's activities.

14) Where is the Order based?

After the loss of the island of Malta, the Order settled permanently in Rome, Italy, in 1834. Its two headquarters, granted with extraterritoriality, are the Palazzo Malta in Via dei Condotti 68 - where the Grand Master resides and Government Bodies meet - and the Villa Malta on the Aventine. The latter hosts the Grand Priory of Rome, the Embassy of the Order to the Holy See and the Embassy of the Order to the Italian Republic.

Much sneaky disinformation within that piece to veil their true power and strict bloodline links at the *hierachy*. Remember **50% of the SMOM are BLACK NOBILITY! The Sovereign MILITARY of Malta** just like the **Jesuit Order** still both remain **MILITARY** orders.

An interesting ebook from 1839 available for download on Google: [The Principles of the Jesuits](#)

Its the Jesuits 'from the horses' mouth. Their own words condemn them!

Looking at pages 206ff the Jesuits justify Murder of Parents, Murder of 'Heretic' (meaning Protestant) Rulers, stirring up rebellions etc. You can find hundreds of incredible quotes in there.

Quoted from a review:

QUOTE

Another book I have particularly enjoyed looking through is The Principles of the Jesuits, [translated? edited?] by Henry Handley Norris and published in 1839. As far as I can tell, this is a piece of anti-Jesuit propoganda designed to collect quotes by various Jesuit writers saying objectionable things, conveniently organized into categories of evil acts they condone. An early footnote even mentions that Jesuits have responded with the accusation that the collection of quotes are "studied fabrications" but that the editor has checked, where he could, the citations within. Thus, the contents of the work should be read with great care. I find this kind of work especially interesting though, because the Jesuits, with their Catholic universalism, are portrayed in such works with much of the same condemnatory language that has been directed at Communists (as well as their fellow travelers, or just anyone on the Left) for their treasonous internationalism.

Dear Friends,

Satan's Papacy was born in 312 AD with Constantine becoming the first Papal Caesar The pagan Council of Nicea (325) solidified and defined his power.

Since 1814 the Jesuit General (the Black Pope) has controlled the Papacy. If a Pope becomes disobedient or rebellious to the Black Pope's commands, he is punished (like Pope Pius IX) or is murdered (like Pope John Paul I). Thus, the Jesuit General was in command of Vatican I (1870) and Vatican II (1963-65). All the lasting decrees of those Councils were written from Jesuit penholders (like Cardinal Avery Dulles presently at Fordham University in New York).

In conclusion, neither the Council of Nicea nor the Second Vatican Council hijacked the Vatican. The Jesuit General, using his military Company of Jesus, hijacked the Papacy in 1814 and has retained his absolute power over the Vatican Empire since that fateful year.

Sincerely in Faith,

Brother Eric

And Ms. Bella Dodd said that she alone sent over 1000 radicals into Catholic seminaries. By Vatican II, some of these infiltrators had been made bishops. So Vatican II "reforms" now make sense when viewed in this light. The whole pedophilia scandal NOW makes sense.

Pope set to bring back Latin Mass that divided the Church

By Ruth Gledhill, Religion Correspondent
The Times October 11, 2006

THE Pope is taking steps to revive the ancient tradition of the Latin Tridentine Mass in Catholic churches worldwide, according to sources in Rome.

Pope Benedict XVI is understood to have signed a universal indult — or permission — for priests to celebrate again the Mass used throughout the Church for nearly 1,500 years. The indult could be published in the next few weeks, sources told The Times.

Use of the Tridentine Mass, parts of which date from the time of St Gregory in the 6th century and which takes its name from the 16th-century Council of Trent, was restricted by most bishops after the reforms of the Second Vatican Council (1962-65).

This led to the introduction of the new Mass in the vernacular to make it more accessible to contemporary audiences. By bringing back Mass in Latin, Pope Benedict is signalling that his sympathies lie with conservatives in the Catholic Church.

One of the most celebrated rebels against its suppression was Archbishop Marcel Lefebvre, who broke with Rome in 1988 over this and other reforms. He was excommunicated after he consecrated four bishops, one of them British, without permission from the Pope.

Some Lefebvrists, including those in Brazil, have already been readmitted. An indult permitting the celebration of the Tridentine Mass could help to bring remaining

Lefebvrists and many other traditional Catholics back to the fold.

The priests of England and Wales are among those sometimes given permission to celebrate the Old Mass according to the 1962 Missal. Tridentine Masses are said regularly at the Oratory and St James's Spanish Place in London, but are harder to find outside the capital.

The new indult would permit any priest to introduce the Tridentine Mass to his church, anywhere in the world, unless his bishop has explicitly forbidden it in writing.

Catholic bloggers have been anticipating the indult for months. The Cornell Society blog says that Father Martin Edwards, a London priest, was told by Cardinal Joseph Zen, of Hong Kong, that the indult had been signed. Cardinal Zen is alleged to have had this information from the Pope himself in a private meeting.

“There have been false alarms before, not least because within the Curia there are those genuinely well-disposed to the Latin Mass, those who are against and those who like to move groups within the Church like pieces on a chessboard,” a source told The Times. “But hopes have been raised with the new pope. It would fit with what he has said and done on the subject. He celebrated in the old rite, when Cardinal Joseph Ratzinger.”

The 1962 Missal issued by Pope John XXIII was the last of several revisions of the 1570 Missal of Pius V. In a lecture in 2001, Cardinal Ratzinger said that it would be “fatal” for the Missal to be “placed in a deep-freeze, left like a national park, a park protected for the sake of a certain kind of people, for whom one leaves available these relics of the past”.

Daphne McLeod, chairman of Pro Ecclesia et Pontifice, a UK umbrella group that campaigns for the restoration of traditional orthodoxy, said: “A lot of young priests are teaching themselves the Tridentine Mass because it is so beautiful and has prayers that go back to the Early Church.”

TRADITIONAL SERVICE

The Tridentine Mass is celebrated entirely in Latin, except for a few words and phrases in Greek and Hebrew. There are long periods of silence and the priest has his back to the congregation

In 1570, Pope St Pius V said that priests could use the Tridentine rite forever, “without scruple of conscience or fear of penalty”

Since the Second Vatican Council, the Tridentine Mass has been almost entirely superseded by the Mass of Pope Paul VI

Archbishop Marcel Lefebvre, who took the lead in opposing the reforms, continued to

celebrate the old Mass at his seminary in Ecône, Switzerland, and formed a dissident group. He was excommunicated in 1988

The advantages of the Mass, according to the faithful, are in its uniformity and the fact that movements and gestures are prescribed, so that there is no room for “personalisation”

Description: *The Jesuits, and the Plot to Kill Hitler*

ov3rkomer - October 12, 2006 09:24 PM (GMT)

I came across this strange book while looking for VA:

<http://www.markriebing.com/archives/00000230.html>

QUOTE

Vatican Assassins

The Pope, The Jesuits, and the Plot to Kill Hitler

Preface

How I Came Upon This Story

Chapter 1

Darkness over the Earth

Sidebars, Appendices, & Out-Takes

Was the Pope a Nazi?

Looks like he used the same title on purpose to confuse others. Is this an indirect attempt at 'debunking' the original VA by the Vatican?

Another article by this guy reveals the 'cozy' relationship between the Pope and Reagan:

QUOTE

Among the more lasting impressions conveyed by these papers is the sheer deference showed by Reagan's working-level staffers toward the pope, even when the two sides were at odds over policy. Admiration for this pope's spiritual leadership has stripped Protestant White House staffers of any evident cynicism. They pun about a papal "missile" on disarmament, but are in dead earnest in their respect, and at times even reverence, for the Holy Father. Reagan himself, in his letters to Pope John Paul II, admits to being uniquely inspired by the leadership of the pope. The letters have an intensely personal quality, a warmth and light, which is striking when compared to the no less sincere, but far more formalistic, expressions of solidarity made by FDR to the World War II pope, Pius XII.

<http://www.nationalreview.com/comment/rieb...00504040753.asp>

He makes it sound - oh so harmless, but reading between the lines this 'deference showed by Reagan's working-level staffers toward the pope' confirms who is the boss here. Its amazing how much these people reveal, while trying to whitewash the Vatican.

CRAIG-OXLEY - October 12, 2006 10:47 PM (GMT)

I doubt him trying to do anything against Eric Phelps by having this title which if you think about it could be easy to come up with.

Theres **no** at odds between sides when it comes to U.S Government and **Jesuit/Vatican** wants. The United States is the Corporation of the **Jesuits** thanks to its control of Britain.

Whatever the **Jesuits** wish for the United States, THE **JESUITS** GET through its **Council on Foreign Relations** controlled by the **Jesuits** brothers the **Sovereign Military of Malta** headed in the region within New York (The **EMPIRE STATE**) by the **Maltese Knights of the Round Table** headed by the **Archbishop of New York**. Theres no sides or differences of opinions, **YOU DO NOT GO AGAINST THE VATICAN POWER!** The only differences will occur within the populance or should I say slaves. This is why we're given the movie directed by the **Jesuits** in order to manipulate and create alchemy amongst the minds of the populance in order for the agenda to be accepted. This usually includes much chaos in order to get order known as **ORDO AB CHAO** (*Latin* for **Order out of Chaos**).

Georgetown University rules the United States and its second in command **Fordham University**. **Ronald Reagan** was very friendly with Pope John Paul II because they both we're victims of plots on their lives. Remember that Reagan was GROOMED for President ever since he made the film where hes a football player at **Notre Dame**. **Knight of Malta**, **Russell Trust** and high **Templar Bush SNR** became the driving force of the White House almost 100% after Reagan was almost whacked and even more useless. The same happened within the **Vatican** and it was good old **Ratzinger** who was the main man and this is why he got the position he has today. Try and check out the great picture on here somewhere and in the Jesuit Threads I've spread around showing Ronald Reagan at Georgetown with his Jesuit masters. Check out the information on Vatican Assassins about Reagan and the Knights of Malta.

Do Christians today behave more like Satanists?

<http://www.progressiveu.org/142538-do-chri...#comment-106944>

Christians today, lets face it, don't follow their commandments. I mean when we look at the Christian population in America and their American Dream, we are hard pressed to see their commandments in effect. I just want to outline a few of the commandments favoured by The Church of Satan to illustrate this. For those Christians who are getting all hot under the collar after reading these few lines, I must clarify something about the Church of Satan. The Satan they worship has nothing to do with the Christian devil. The powers that be in the Vatican and elsewhere in the Christian massive told their diciples back in the day that Satan and the devil were one. They are not. Satanism was originally an Earth religion which actually predates Christianity by a leap and bound. Satan represented the Earth, the elements, the universe. However Satanism also represented a rival pagan religion which Christians needed to vilify in order to eradicate it. So the master manipulators told their sheep, that Satan was actually the devil. Satanists today consist of two main strains, the pissed off confused goths who think that Satan is the devil and think that anything 'eeeevviilll' is sooo coooool, and those who know what Satan is and make fun of the fact that the average joe still believes in the devil. I have excluded commandments that are not relevant, focusing on the ones which are directly contradicted by the Christian ten commandments. Anyway here they are:

1. Satan represents indulgence instead of abstinence!

This is interesting when we consider the Christian involvement in the Capitalist wrecking machine that America represents. When we see the gluttony of Christians in their big homes, squeezing their fat asses into SUVs, and consuming more of everything than any other country on Earth. Since 1950 America has consumed more unrenewable resources than the rest of mankind since the dawn of written history. Now tell me that the Christians had nothing to do with this indulgence. Do you as a Christian abstain like say, um I dunno, a Christian? Would the Vatican be a good example of abstinence or indulgence? Would the revenue gathered by so many Christian organisations not be considered indulgent?

2. Satan represents kindness to those who deserve it instead of love wasted on ingrates!

Do Christians today really 'love thy neighbour'? Even if they are another religion, race or even nationality? Do they fuck. They love who they want and fuck the rest. One nation under God, if you're not with us you're against us etc.

3. Satan represents vengeance instead of turning the other cheek!

Whoa, here's a beauty for ya folks. I don't even think I need to elaborate on this one... Ahem, Iraq, Hiroshima, Nagasaki, Guatanamo Bay, I haven't got the time or energy so you can make your own lists for the rest of this one.

So, if Christians prefer to live their lives by the Satanic commandments instead of their own, why bother clinging to a religion which they don't actually practice? Going to Church and 'spreading the word' are surely far less important than following the big ten, no? I mean it's a bit redundant spreading the word, if the word is so insignificant it doesn't really need to be followed by those spreading it.

4. Satan represents kindness to those who deserve it instead of love wasted on ingrates!

Do Christians today really 'love thy neighbour'? Even if they are another religion, race or even nationality? Do they fuck. They love who they want and fuck the rest. One nation under God, if you're not with us you're against us etc.

When Lucifer rebelled, he was thrown out of heaven and renamed Satan. One third of the angels had gone along with him and these too were cast out. Lucifer had been one of the archangels (Gabriel and Michael are the other two if I remember right). Satan's destiny is to be tormented forever in hell (he doesn't rule hell contrary to what people believe) and he wants to take as many as he can with him.

So yes, Satan is the devil. That's just another way for Satanists to justify their warped religion.

And the devil doesn't *make* anyone do anything. He merely tempts people.

CRAIG-OXLEY - October 8, 2006 07:37 PM (GMT)

The Planets Saturn or Venus cannot do as you claim although of course at certain times/points in the heavens the energy releases they can give off can have effect upon the Earth and its population as with all the heavenly creations.

Saturn is Satan

Venus is Lucifer

Some may argue that the Sun is Lucifer

Alexandra - October 8, 2006 08:59 PM (GMT)

2tuff...I'm not talking about planets.... :P

While we're on that subject, the Bible refers to Jesus as the bright morning star. The NIV perversion of the Bible tries to say Satan is, equating Jesus with Satan (HUGE no-no).

Jesuits have been trying to pervert the Bible for years. If you can't keep it away from the people, make counterfeits. That's why I only read the King James. I know some people say that you can't trust the King James Bible because King James, who's of the Merovingian line, commissioned it--but that's bull. King James was actually a Christian. The Jesuits HATED him because he commissioned the Authorized Version and to this day they're STILL slandering him. Bible-based Christianity is contrary to Catholicism/

Babylon mystery religion.

As Abe Lincoln pointed out, the Jesuits neither forgive nor forsake.

CRAIG-OXLEY - October 8, 2006 11:18 PM (GMT)

Do you really think the highest levels of the Jesuit Order give a damn about the Protestant or Catholic bibles? They are what's now known as Luciferians which is simply the Ancient Babylonian Mysteries Religion. Your religion is simply no different from 99% of all other religions and that means it's based on Astro-Theology. Jesus, Lucifer and Satan are all completely different and in fact Jesus is the SUN, Lucifer is VENUS and Satan is SATURN it's as simple as that. Then if you wish to go deeper then you will find these mean different body/spirit interactions such as light meaning intellect etc etc.

Do you honestly think that the Vatican would just let what happened with the Reformation occur like it did? They killed thousands over such tiny tiny matters yet a Reformation is started by the few and they get away with it?!?! Now remember how Luther was a member of the Order of the Rosy Cross haha, it's all a hoax my friend. Yet another charade instead of that this one being directed by the Jesuits it was the Vatican before it directing that movie.

It's about time people stopped coming up with pretty lame excuses to keep believing in their created religions which are worthless and quite frankly a waste of time, effort and money. Keep praying to Jesus and asking him to help this and help that, he never does because he's the damn Sun and never will help/cant. How many times has Jesus helped people who've begged for his help and the same for god? It's all bunkum especially when religious people have to say well we shouldn't listen to that because it's occult, we shouldn't listen to that because it's the opposition speaking from the devil blah blah, NONSENSE!

See folks what religion does to ones mind? This is exactly why the powers at be have used it for centuries. See how this person uses very offensive words all because I go further than his belief? Its pure

GATEKEEPERISM

He wishes to keep people stuck within lies which have given the World and its people nothing all these years.

By the way folks this person is well and truly banned from here.

Not only is he gatekeeping himself with his religious thoughts but he obviously wishes to put down one of our creators greatest healers Urine. For his information I haven't utilised Urine Therapy for some time now unfortunately. One thing I will say is that I'd much rather drink from a cup of my fresh Urine than any religious cup of Holy Water and all its falsities. I'm FREE can you say that?

You see how easy it is to lead people around like idiots?

So, everything's fine and dandy until someone insults (i.e. tells the truth about) your particular brand of religion.

This is exactly the same as when Isaac Hayes left South Park, after years of Jesus and Pals, Satan and Saddam Hussein as gay lovers, basically taking the piss out of everyone and everything, but when they decide to target Scientology, Hayes' religion of choice, well, suddenly they've gone too far.

ALL religion is mind control. Let's try to get to the TRUTH people!

Exposing the Jesuits as Babylonian Priests is one thing, but to then get involved in watered down Babylonian religion (Christianity), is just so stupid! I'm not going to get

involved in any, 'oh, REAL Christianity has nothing to do with Babylon, that's Catholicism', I'm fed up with it! There is NO record outside of the bible of any guy named Jesus going around performing miracles in Nazareth at the time, nor much about this 'Nazareth'.

'In my Father's house are many mansions' yeah, all twelve signs of the zodiac.

Why was Jesus' dad a carpenter? Hmm, could this be a clue that Jesus is connected to masonry perhaps? Why is Jesus referred to as the chief cornerstone?

ov3rkomer - October 10, 2006 12:42 PM (GMT)

Is it not possible to respect each other (and others' beliefs) and refrain from calling those who disagree 'idiots'?

If you really are truth-seekers, you should not so easily dismiss the historicity of Jesus. It seems many here just assume Jesus is a myth. The excerpt and article below show, that this assumption is based on unreliable and one-sided information:

QUOTE

I should also mention at the outset that, in spite of the sporadic complaints on the Internet about the matter(!), the manuscript evidence in support of the iron-clad, "pre-accretions" reference to Jesus in Jospheus is strong, stable, and accepted by the mass of professional historians. Between the NT and Jospheus, there is no serious reason whatsoever to doubt the historical 'existence' of the Jesus of Nazareth behind those references.

The internet debate about this subject (generally NOT participated in by the more historically-informed skeptics and Christians) is a very peculiar phenomenon. Graham Stanton is a New Testament scholar of a 'moderate' position. In the most recent edition of his excellent "The Gospels and Jesus" (Oxford:2002), Professor Stanton includes this section commenting on the debate [GAJ2, 143-145]:

"We have a good deal of information about the polemical and often bitter arguments Christians, Jews, and pagans had with one another in the early centuries. But the early Christians' opponents all accepted that Jesus existed, taught, had disciples, worked miracles, and was put to death on a Roman cross. As in our own day, debate and disagreement centred largely not on the story but on the significance of Jesus.

"Today nearly all historians, whether Christians or not, accept that Jesus existed and that the gospels contain plenty of valuable evidence which has to be weighed and assessed critically. There is general agreement that with the possible exception of Paul, we know far more about Jesus of Nazareth than about any first- or second-century Jewish or pagan religious teacher."

An in-depth article here: [The Historicity of Jesus](#)

On the subject of the behaviour of Christians: Jesuits have infiltrated many formerly evangelical Churches, so some of the behaviours in those Churches are definately not Christian. Nevertheless the article is just one of many trying to 'demonize' Christians.

You have to remember, that biblical Christianity is the main thing which Jesuits hate. According to Phelps, the only countries who in the past successfully stopped the Jesuits were those who followed the biblical teachings of the Reformation.

Alexandra - October 10, 2006 01:44 PM (GMT)

It would also help if people knew what Christianity was all about. Anyone can claim to be a Christian. Doesn't mean the claim is true.

I see religion as a system of rituals designed to please some deity. It's works-based, and Christianity is FAITH-based...works come about as a RESULT of that faith. Religion is putting apples on a tree and calling it an apple tree. Christianity is an apple tree bringing forth apple blossoms and apples. Religion is mostly eye and ear candy IMO.

Now how about Fred "God Hates Fags" Phelps? (Probably no relation to Eric.) I think he's a tool, designed to discredit true Christians. I agree, homosexuality is a sin, and it should be condemned--BUT--is Fred actually leading people to Christ, or is he just attention-whoring? I strongly suspect the latter. He just likes to get a rise out of people. The thing of it is, though, people are thinking that's what Christians are like.

The Powers That Be don't care if you call yourself a Christian so long as you don't act like it, and so long as you play their game by their rules. Which true Christians won't do!

ov3rkomer - October 10, 2006 02:27 PM (GMT)

I was referring to Eric Jon Phelps (I didn't know about the other Phelps), who in his interviews and in his book Vatican Assassins asserts, that only biblical Christians (those truly born of the Spirit of God) can stop the progressing power of the Jesuits:

QUOTE

With the dilemma that we Bible-believing Protestant and Baptist Americans find ourselves in, what shall we do? With the Society of Jesus having poisoned our bloodstreams with their "vaccinations and immunizations," having mutilated us with their unnecessary surgeries, having drugged us with their "medications" and now ready to slit our throats from ear to ear using a fascist dictator bringing upon us invading foreign armies, to whom shall we turn? The Word of God tells us: "If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land." – II Chronicles 7:14 "If we confess our sins, he is faithful and just to forgive us our sins, and to cleanse us from all unrighteousness." – I John 1:9 Historically, the Lord's people, Israel as well as true Bible-believing Churches, have indeed repented in the past. A classic example was the Presbyterian Church of Scotland....

from Vatican Assassins - CONCLUSION p. 684ff

CRAIG-OXLEY - October 10, 2006 02:50 PM (GMT)

My friend your paste trying to stick up for the myth of Jesus doesn't cut the mustard I'm

afraid. The same old story has been going on well before Jesus and its plain and simply worship of the Intellect deep down or worship of the SUN the risen saviour. There's much to prove there was no Jesus/Nazereth but nothing to prove of him, oh I forgot that fraud called the Shroud of Turin hmm doesn't cut it my friend.

You see that most people upon sites like mine have gone further with their research and have seen past religion. The rest upon my site are only here because they detest the Catholic hierarchy whilst adoring the protestant religion.

The Jesuits detest Christianity yes but that doesn't mean it's just protestantism! They have massive hatred of the Catholic Church which started all this perversion of the Mysteries religion. The Protestants obviously become a pain as it's yet another form of Christianity needed to be conquered. Again though ask yourself how the few started the Reformation whilst others doing much smaller things against the Church were put to death? Why was Luther a member of the Order of the Rosy Cross in other words a Freemason? It's all a fiddle and anyhow all Masonry is joined together tightly as one now under the control of the Jesuit Order.

If people wish to come here thinking it's a christian site then they're totally incorrect. I will not hold my views on Religion, in fact I'm glad I was never religious and could look at things more openly otherwise I probably wouldn't have been here as I am now. I may have latched onto the Jesuits from a Catholic-Protestant point but then I'd be stuck and not see the bigger picture by understanding the Ancient Babylonian Mysteries and how the Black Brotherhood Jesuits follow it in its purest form.

Catholicism is just the veil!

Church = Anglo Saxon Word

coming from

Kirk = Scottish Word - Kirche = German word - Kerk = Dutch

coming from

CIRCE = Greek Goddess

who was able to hypnotise people making them loose their minds and FEED off them.

QUOTE

"CIRCE: In Greek and Latin mythology the name of an enchantress who dwelt on the island of Aea, and transformed all who drank of her cup into SWINE; often used allusively"(Oxford English Dictionary).

Church is quite simply **ISIS** again its **SUN WORSHIP**

QUOTE

In the Egyptian trinity Isis was first, followed by Horus and Seb.

Now realising that the **Jesuit Order** is the **Black Brotherhood** and follower of the pure **Mysteries** religion you then understand that the **I.H.S** is simply **ISIS HORUS SEB** as some have informed others. When you're getting caught up in the religious/Catholic side of it all then you believe its In Hoc Signo from the Emperor Constantine with his In Hoc Signo Vincas (In this sign conquer). So alas the deeper meaning is **Isis Horus Seb** and once again **ITS SUN WORSHIP!**

ov3rkomer - October 10, 2006 04:08 PM (GMT)

The Historicity of Jesus has nothing to do with the Shroud of Turin. You are just trying to shoot down a strawmen argument. I have never even mentioned the Shroud of Turin and doubt it has any significance. The article "The Historicity of Jesus" <http://www.christianorigins.com/case/>, does not try to use this as a proof either.

I have also gone beyond 'religion' after years of investigating most of the worlds religions, philosophies and world-views. I do not believe in religion, but in reality. A relationship with God the Father and Creator thru trust in Jesus Christ of Nazareth is real and is not a religion, as Alexandra pointed out. Religion is man trying to find his own way to a higher purpose (mostly thru some form of 'doing good').

There is also another (sociological) way to see religion. Certainly you have adopted a world-view, a philosophy of life or a belief about the truth which you are following right now. It may not be called a 'religion' in the traditional sense, but certainly there are some things which you 'believe' and which you 'trust' in. The things which you believe will rule your life. Religion can also be defined as " an abstract set of ideas, values, or experiences developed as part of a cultural matrix". In this sense no-one is free from religion, even 'believing in yourself' or atheistic humanism is a form of religion.

The Jesuits detest the Bible and those who follow it, because they are Luciferians (worshipping Satan) according to their belief in the ancient babylonian mysteries. The Bible has nothing in common with these 'mysteries', but rather warns against them and condemns those paganistic and idolatrous beliefs. Biblical Christianity is no way a 'watered down' form of the babylonian mysteries. You're just trying to grasp at straws to find similarities:

The etymology of the word 'Church' is irrelevant in this context. The proper translation of the original greek would be 'a calling out', 'an assembly' or 'a congregation', which

has none of the connotations that you describe. (Some translations actually use one of these terms.)

The word church is the english translation of the greek word ekkle•sia:

QUOTE

Thayer Definition:

- 1) a gathering of citizens called out from their homes into some public place, an assembly
- 1a) an assembly of the people convened at the public place of the council for the purpose of deliberating
- 1b) the assembly of the Israelites
- 1c) any gathering or throng of men assembled by chance, tumultuously
- 1d) in a Christian sense
- 1d1) an assembly of Christians gathered for worship

Roman Catholicism has perverted the understanding of the biblical 'ekklesia' in a multitude of ways. I would not be surprised, if even the translation has been purposely distorted, thus using the word 'Church' (you're possibly right about the english root of 'Church' being the 'goddess Circe'; on the other hand Circe could etymologically simply refer to a gathering in a 'Circel').

The 'congregation' (ekklesia) is not a building, it is not an organization, it is a group of people with a common faith in Jesus Christ, 'called out' from this world.

Alexandra - October 10, 2006 04:38 PM (GMT)

As Leon Kilkenny points out on his Reformation.org site, the proper word should be "congregation" instead of "church" and he cites the same reasons. Remember Jesuits were trying to infiltrate and mess with the King James Bible from day one (wonder why). So where it says "church" I think "congregation."

Catholicism is not Christian, it's not a Christian denomination, never has been, never will be. It's counterfeit Christianity. It's paganism/Babylonian mystery religion dressed up to look Christian. To counterfeit something, it has to look as much like the real thing as possible.

Satan knew that one day the Saviour would be born of a virgin, so way before that happened he set up his own mother-and-child religion. And it works in deceiving people into believing that Jesus is a myth based on Satan's religion.

2tuff you're absolutely right in saying that the Shroud of Turin is a fraud. Especially when you read in the New Testament just what Jesus was buried in.

Let me run down a list here:

Catholics believe in holy water. Christians do not.

Catholics worship Mary. Christians do not.

Catholics believe that the bread and wine become the actual body and blood of Jesus. Christians know that it is only SYMBOLIC.

Catholics believe in salvation for sale--indulgences, purgatory, mass, etc. Christians look to Jesus for salvation.

Catholicism has a hierarchy. Christians believe that a pastor should be held accountable by the congregation.

Catholics believe that enough good works will get you to heaven (after a stay in purgatory). Christians know that "the just shall live by faith."

Catholics believe that the RCC is the one true church. Christians know that the "church" is comprised of believers in Christ, and that the RCC is the Whore of Revelation.

See a difference there?

All I have to say right now is

Jesuits

CONGREGATION OF THE SACRE COEUR DE JESUS

Alexandra - October 10, 2006 04:55 PM (GMT)

Their Jesus is a piece of bread though.

Seriously...one time I flipped the TV to EWTN (the Catholic Channel) and they promote the worship of that piece of bread. Now that particular ritual can be traced back to ancient Egypt.

There was this one ad where this girl says "I look at Jesus...and he looks back at me," whereupon the camera pans to a shot of the wafer god in the monstrance. I was thinking, it would be a bit more believable if I took a magic marker and drew a face on it.... :lol:

CONGREGATION OF THE SACRE COEUR DE JESUS

I wonder where you found this name in regards to Jesuits? which language?

I can find:

*Society of Jesus, or Company of Jesus (Engl.)

*Societas Iesu (Latin)

most european languages use either the word for 'society' or for 'company'.

Certainly 'congregation' this is not the common designation for the Jesuits

If you talk about the 'Sacred Heart' orders there are plenty:

- * Apostles of the Sacred Heart
- * Brothers of the Sacred Heart
- * Congregation of the Sacred Hearts of Jesus and Mary
- * Franciscan Servants of the Sacred Heart
- * Grey Nuns of the Sacred Heart
- * Handmaids of the Sacred Heart of Jesus
- * Handmaids of the Sacred Heart of Jesus, Mary and Joseph
- * Missionaries of the Sacred Heart
- * Missionary Sisters of the Sacred Heart of Jesus
- * Priests of the Sacred Heart of Jesus
- * St. Joseph's Society of the Sacred Heart
- * Sisters of St Joseph of the Sacred Heart
- * Sisters, Servants of the Most Sacred Heart of Jesus
- * Society of the Sacred Heart

only one of them uses the word congregation

Certainly 'congregation' is a neutral word, just as 'assembly'

CRAIG-OXLEY - October 10, 2006 10:37 PM (GMT)

It comes from the 19th Century infact 1801 from what I have written down. I took it as French but I may be incorrect and it may be Italian or Spanish. I cannot remember the source of this as it was quite a while back. I simply made a note upon my notebook of this name as I knew it was something I would never remember.

The Jesuits have had many names including in France, The Company of Sion. I'm sure theres one thats something like Sons of the Perfect or similar, I know Eric Jon Phelps knows this name exactly which reminds me of the Rite of the Perfect (Scottish Rite) a nice coincidence huh?

Is it not possible to respect each other (and others' beliefs) and refrain from calling those who disagree 'idiots'?

I did not call anyone an idiot. I said that people are led around like idiots.

Smashstuff its amazing how these religious folk go off on one when you say anything of truth they do not like to hear. I've had emails mouthing off at me and people dropping off etc its quite frankly pathetic but shows the manipulation.

smashstuff - October 12, 2006 12:16 AM (GMT)

Well, yeah, it's just that because I'm outside of any religion, I can see what mind control it really is. You can be a Jehovah's Witness for example, and look at something like Scientology, and say, my goodness, what a bunch of nonsense that is', but then not be able to look objectively at your own religion, which will seem just as nonsensical to a Scientologist or a Muslim for example.

I know that there are some really decent people in the Christian world, and I like the postings of Alexandra, Truthseeker et al, but it always seems that there is something holding them back from the entire truth, because it may go against something or other written in the official King James bible. I would never trust ANYTHING approved by a monarch.

I know that there are some really decent people in the Christian world, and I like the postings of Alexandra, Truthseeker et al, but it always seems that there is something holding them back from the entire truth, because it may go against something or other written in the official King James bible. I would never trust ANYTHING approved by a monarch.

King James commissioned the Bible. He had a team of about four dozen translators.

These weren't people who had Hebrew II or Greek I in high school or college...these were people who KNEW the languages. He was also a Christian, despite what people who buy into Jesuit lies say about him. The Jesuits enjoy dragging his name through the mud, because he opposed them. Remember they neither forgive nor forsake.

The funny thing is, I'm here because of Bible prophecy. The Bible predicts a NWO-like scenario. I see things fulfilling prophecy. And you don't have to pay \$3.99 a minute to Miss Cleo, either! :lol:

Giants are mentioned in the Bible, in Genesis 6.

The Bible also says this is a geocentric universe, not heliocentric. I kind of cringe when people say "solar" system because that's a misnomer. Ever see time-lapse videos of the sun rising and setting? You can tell what's really moving! I get accused of being a flat-earther when I'm not.

I've also learned quite a lot from this forum. I admit that when I first heard of urine therapy I had a knee-jerk reaction like, "What the hey!" I've never tried it...but let's just say I don't consider it to be totally off-the-wall now. :D

ov3rkomer - October 12, 2006 08:05 PM (GMT)

I agree with Alexandra's comments on King James. Additionally we need to remember, that the English Bible did not start with King James. The most popular Bible until 1644 was the Geneva Bible of 1560/1599, which was translated by the reformers and brought to the USA by the Puritans. It had an excellent margin-commentary, which helped spread the reformed teachings. Before that, there was the Bible by Tyndale, who was burned at the stake because of his efforts. You could say that the KJV translators perfected the previous works while retaining most of the Geneva wordings. Those facts they express in the extensive foreword to the 1611 edition. Luthers translation of 1545 generally agrees with the English Geneva/KJV Bibles and is a reliable German translation since the reformation up to today. The original text of the reformation, the greek NT 'Textus Receptus' is found in more than 95% of the 5000 available greek manuscripts. Today we have a reliable greek text of the Bible, which has not been corrupted by Roman Catholic or Eastern Orthodox influences. The text was already widely used and wide-spread before Romanism was organized in 312AD, therefore there was no possibility to corrupt a majority of the manuscripts.

Jesuit influence in translations entered in the 19th century when the Alexandrian Text (based on the 'Vaticanus' and other manuscripts) replaced the greek text of the reformation. A minority of unreliable manuscripts were cobbled together by Westcott and Hort in 1881 and continued by Nestle-Aland. The Jesuits promoted their shortened and poorly translated Bibles to Catholics and Protestants alike. The newer translations are almost all based on the shorter 'Vaticanus' (Alexandrian) text. Additionally, most

popular modern translations are not word-for-word, thereby often influenced by the bias of the translators.

Therefore, if you want to read the Word of God in English, you should use the KJV (which is the edition of 1769 with modernized spelling). If you study ancient Greek you should use the Textus Receptus, and in German the Luther 1545 Bible. :D

Alexandra - October 12, 2006 11:04 PM (GMT)

Look at it this way: If the Bible were "just another holy book", why would the Jesuits/Catholic church go to such lengths to destroy it or pervert it? There's something in that Book they don't want you to read or know!

Title: The New World Order agenda

TruthSeeker24 - October 11, 2006 06:25 PM (GMT)

AGENDA The New World (Jesuit) Order : world tyranny: The Jesuit Order

(EXCERPT FROM THE BOOK, TORAH ZONE)

(THIS IS AS "POLITICAL" AS I WANT TO GET; BUT I DO WANT TO SHARE THE TRUTH WITH YOU ABOUT HOW EVIL RUNS THE WORLD)

"The Agenda" is one term for the "new world order" used by the insiders / globalists -- the ILLUMINISTS, also called the ILLUMINATI. Ultimately, the "Agenda" is: to move the Papacy to Jerusalem, and this has been the primary design for 1600 years, only overshadowed by the objective to wipe out the entire nation of Israel from the Earth. This conspiracy is very old, and of course is also known as the "hidden agenda". Think about history; Constantine moved the capital of the empire eastward from Rome, to "Constantinople" (this one move was about 2/3 of the way). This was one of the first major leaps to achieve The Agenda. What a goof it turned out to be; it was probably one of the real major reasons for the fall of the empire within a few decades. All the roads of the empire led to Rome, not Constantinople, so the authoritarian rule could no longer be sustained. The barbarians swept into the abandoned city of Rome. The totalitarian grip of the "Nicolaitans" (Catholic Papist tyrants) had to re-group; not long afterward they were slapped in the face with the "Magna Carta", or "Great Charter", defining and limiting the powers of rulers. They've designed conflicts of every sort, and even invented Islam to plow the way for the big Papal move from Rome to Jerusalem. When it failed to achieve the goals it was designed for, 400 years of "Crusades" were sent against the new invaders of Jerusalem. No matter what they did, the Papacy could

not seem to get moved to Jerusalem. When Israel was established in 1948, The Agenda became endangered of never becoming possible. The friendship of Israel and the US is their open sore, and they bewail it at every turn, especially in their own halls of the United Nations. The ultimate charter to control power-lusting rulers is embodied in the US Constitution. It is designed to control government, not citizens. It sets boundaries of behavior, and the US Constitution is like KRYPTONITE to tyrannical Papists -- they want to destroy it. It will NEVER allow a concordat to be established with the Papacy. It empowers the people, not their "god", the Pope. The Pope rules over the leaders of the nations of this world, and to back up that claim we simply look at Rev. 18:3, but it's best to read chapters 17 & 18 entirely. Daniel 4:17 tells us that we are ruled over by the lowest of men; that's religiously and politically. The Jesuit JEDI are also controlling the media. They are phenomenal propagandists. After all, the Jesuits put the finishing touches on the Roman calendar we all inherited from Julius Caesar; They are also the source of the promoted name, "JESUS", which many are now learning is not the true "one Name given among men by which we must be saved". They are known as, "The Society of Jesus", and also promote the "inspired Greek New Covenant". Their influence around the world through seminaries is one thing; but they also play a part in every social and political upheaval wherever they may occur. Often a media person will interview a "Jesuit priest"; but be aware, they are all Jesuit priests, even those in deep cover within societies -- they are the primary agitators to change or over-throw regimes. They are rampant in the media (broadcasting, print, etc.,) The nerve-center to watch is the UNITED NATIONS. Created by the CFR (Illuminati), the UN is the "New World Order", and will be firmly established as the one-world government when the globalists set up the UN TAX they have have planned for every person on Earth. The secret Order of the Quest (world domination, NWO) is planned and facilitated ultimately by:

The Jesuits: Assassins, Teachers, Infiltrators, Tyrants

These two pictures literally illustrate what is happening. In the movie 2001 A Space Odyssey, the apes represent free men; but one morning they wake up and their "country" was taken over by the presence of a foreign object - forever changed! Have you ever felt that your country is no longer the same one you were born in?

2001 A Space Odyssey monolith UN Building, New York City

The US Constitution is their primary obstacle, and it is under constant attack by infiltrating CFR members as "candidates" for US government offices 24/7. Proclaiming "liberty" as a right of all people means tyrants can't go around locking-up people without due process. They have a right to their liberty -- personal freedom to travel and live where they choose. This was not so until the US Constitution declared it. They (tyrannical Papists) tried their hand at global domination with the "League of Nations", and it failed. A few decades later, they tried it again with a new name, the United Nations, and it's about to work. They even placed its headquarters in the US, their

greatest obstacle to their success, with the hope that becoming a recognized "fixture" will make us more comfortable having them around. The UN is a foreign power on US soil. New York and Chicago are the most populous Catholic areas in the USA. The ILLUMINATI changed its name to operate as a "shadow government" within the US government through the infiltration of its members -- it is known as CFR, or the Council on Foreign Relations. The Jesuits are fantastic infiltrators. Another element of the "shadow government" is the Central Bank, called the "FED", or "Federal Reserve Bank". The Catholic-Jesuit-CFR-FED infestation within the US government is "cloaked" almost as if people are unaware of what they are really looking at. "Maryland", the state, is named for "Mary"; the Whitehouse is built on farmland that was originally named "Rome". Those who you would never consider to be "Catholic" would surprise you -- once Jesuit-trained, they enter their disguised, infiltrating role and often seem to be against Catholicism. You would not believe the list of men who are Jesuit-trained (do a search on google using the key words "Jesuit trained"; Francis Cardinal Spellman, Fidel Castro, Adam Weishaupt, Cecil Rhodes, -- and many others that would shock you, like Yassar Arafat). The organization, the CFR, is the Illuminati, in disguise. Presidents from both sides of the aisle are elected from its membership; so effectively there is really only ONE party, the CFR. The parties are simply different "management teams". Whichever one "wins" in any election, POLICY doesn't change one wit. "Democrat" or "Republican" -- such labels are meaningless really, because the outcome of either winning an election will be the same. The objectives of the CFR will be carried out. Their main purse strings extend from the central bank, the Federal Reserve Bank (a private bank, but it has an "official" sounding name). They thrive financially on our national debt. Follow the money-trail, and you'll find the really bad-guys. The Jesuits. Sure, they use the ruse or facade of "Jewish bankers" to hide behind, but this is all propaganda. "Blame it on the Jews" is their excuse every time. Forget about the "Rothchilds" -- that's all just FORD/NAZI propaganda promoted through the "Protocols of the Elders of Zion" non-sense. The "Protocols of the Elders of Zion" is actually a Jesuit-authored forgery authorized by the anti-Semitic Czarist police in early 20th-Century Russia that purports to be minutes of a meeting of top Jewish leaders plotting world domination. The Jesuits composed the "Protocols", and in fact many of them wear their own Jesuit protocols written in a miniature book on a chain around their necks. These little books contain the Jesuit protocols, which the Jesuits used as the model for the "Protocols of the Elders of Zion". The Jesuits coined the word "Zionism". Henry Ford had this Jesuit-authored document translated into English and published in America, but it was all composed by Jesuits as a conspiracy to "frame" the Yahudim for their own actions. Hitler had a portrait of Henry Ford behind his desk, declaring that "this is one American who understands us". Vatican / Jesuit assassins have killed many; Abraham Lincoln, the Czar of Russia and his family, and John F. Kennedy to name but a few. The Order (Jesuits) were at the center of the Vietnam conflict, as they used the Catholic president (Diem) of South Vietnam to wipe out the Buddhists. You'll notice the Jesuits are present in most of the conflicts around the world. Often, the media interviews them, and even tells you they are "Jesuit priests". Over the centuries,

they would get as close to leaders as possible, and become their advisors. They would teach the leaders' children, and the higher classes' children, in order to steer the culture toward the Papacy. Here is an overview of their current international organizational structure:

Here's a few words shared from deoxy.org: " The head of the global banking trans-corporation known as the Illuminati is in Belgium, at the famous Castle of Darkness, a large mansion estate in the countryside near Muno. The Illuminati are actually the JESUITS (remember the spanish inquisition?) they have never disappeared from the earth, they are the modern Elite EU banking families we have today. (Rothchilds,bank of London, etc) They control most of the politicians in Belgium and the USA through Blackmail and Coercion tactics, including sexual blackmail, death threats, etc. The Castle of Darkness is a real castle in MUNO, BELGIUM, in case you want to run a search.

Muno, Belgium is famous for its JESUIT roots, and many JESUITS still live in the area today. The JESUITS are obsessed with global domination and have been at it for many centuries. They are all over the world, and practice ancient SAXON BLOOD RITES and RITUALS, that include child sacrifice to satan.

Run a search on google for "Belgium's silent heart of darkness" The URL: <http://observer.guardian.co.uk/review/stor...,710090,00.html>

You will see a pattern of kidnapped children , terrified Judges, and dead witnesses surrounding the JESUITS and evidence of ritual satanic torture and murder,etc, wherever they hold their secret meetings, many local kidnapped children are never seen alive again. (on December 16, 2004, a woman was killed and her baby cut from her womb in Missouri, USA, and there have been many other women killed and their babies taken from their wombs).

The Illuminati are the brains behind the NEW WORLD ORDER, and have a global plan for its conception and design.

Many of the former US presidents are members of their secret society, they meet in America at a place in Northern California called BOHEMIAN GROVE. Run a search of Google for BOHEMIAN GROVE. Alex Jones made a secret video of the Bohemian Grove meetings (Near Monte Rio California) where you can see the JESUIT Rituals being performed next to a giant stone statue of HORUS the Falcon. The JESUITS secretly hold Egyptian statues in high esteem to be used in some of the outdoor rituals. " (end of excerpt)

The Jesuit General is often called "the black pope". Truly, whoever this man happens to be at any point in time, he's the most powerful man on Earth. They will use some "Latin" because any good old-school Catholic knows this is a "sacred" language. Actually, Latin is the language of the men who executed our Messiah, Yahushua -- the Italian Roman army (it wasn't carried out by the "Jews" after all, but the Romans). Watch for the Latin stuff -- they use it to hide meanings from the common, uninitiated population. Also,

remember there is "old Latin" and "new Latin" -- words are spelled slightly differently, and this allows them to further conceal their cryptic messages to one another.

"Announcing the birth of a new world order." These words are inscribed on the back of each US Dollar bill, written in Latin: ANNUIT COEPTIS NOVUS ORDO SECLORUM. The "ORDER" that is being described here, to cut to the chase, is the JESUIT ORDER. To conceal the true meaning of the words, this "motto" is translated for public consumption in a number of benign-sounding ways: in their words, Or, as it is now translated by the U.S. State Department:

"He (God) has favored our undertakings." (LIKE THAT SOUNDS RIGHT OR SOMETHING)

THEY NOTE: Annuit does not mean "to announce" (annuntio). (so THEY say).

The disinformation concerning these words written on the "Great Seal" is very strange, and it's possible there are people gullible enough to believe it. For example, they "translate" (twist) the phrase NOVUS ORDO SECLORUM this way:

Thomson coined the motto: Novus ordo seclorum.

The accepted translation is: A new order of the ages. (notice the word "accepted").

Thomson explained:

"The date underneath [the pyramid] is that of the Declaration of Independence and the words under it signify the beginning of the new American Æra, which commences from that date."

THEY NOTE: Novus ordo seclorum cannot translate into "new world order." (so THEY say).

The Illuminati and the Free Masons adhere to the hope that eventually the "New World Order" will be ushered in, and they will be the puppet masters. They believe their "arcane" and mysterious secrets will draw men to them; Adam Weishaupt actually stated that it was the "mystery" of his organization that made it so easy to control people. Men don't learn this at the lower levels, but Masonic authors writing to their own brotherhood of "masters" have revealed that they worship Osiris / Horus, and this is why the Great Seal has the "EYE" at the top of the Egyptian pyramid. They admit the name changes according to the culture; but ultimately it is the sun, and "Lucifer" that they call upon with the name "JA-BUL-ON" (a combining of the name YHWH, BAAL, and ON).

The familiar logo we call the "Great Seal" was really adopted from the Illuminati, and its

designer was actually Adam Weishaupt of Bavaria, the Illuminati's founder (a Jesuit). He founded the Illuminati in 1776, seen in ROMAN numerals at the base of the Nimrod-pyramid-obelisk seen on every one dollar bill. The glowing EYE is not YHWH, but rather satan, worshipped for millennia as the SUN. The "eye-in-the-sky" has always been the sun, called Solis Invictus, Horus, Molech, to just name a few. The occultic (hidden) religion of the Pagan king NIMROD is secretly being kept alive through traditions, and secret societies all over the globe. Is there any doubt in anyone's mind that the fabulous "builders", the Masons, might not be involved to some extent? The Jesuits are the ultimate control freaks, or tyrants, and have been attacking our rule of law, the US Constitution, for 200 years. They assassinated Abraham Lincoln because he resisted the establishment of a "central bank". The Jesuit assassins murdered him. The Jesuits cannot operate with a free hand as long as the US Constitution is controlling their actions. The US Constitution grants and defends life, liberty (non-imprisonment), and the pursuit of happiness to all men, as inalienable rights endowed to them by the Creator. It only limits and controls GOVERNMENT, and shuts down their authoritarian, oppressive, invasive tyrannical tendencies. Politicians serving the interests of the Jesuit Order have for years attempted to change, bend, and stretch the US Constitution in order to free their hands and get at us.

The government of the United States derives its power from the consent of the governed, and all men are created equal. (Not "evolved" equally, but created). The first thing they do when they take their oath of office is swear to defend the US Constitution, but they break this oath often, and get away with it. When the government is afraid, there is justice and liberty; when the people are afraid, there is tyranny. Yes, the US Constitution leaves no room for tyrants to take control -- and tyranny is the main goal of the JESUIT ORDER. Through free public education, Humanism is promoted (an atheist religion promoting situation ethics). The conspiracy of the globalistic Jesuit/Illuminists is to establish a world government (U.N.) by "educating" the children with evolution-communism-Humanism ideals, and have the nations of the Earth submit to the global laws, and slowly surrender their arms in exchange for the military protection of the World Government. The objective is world peace, accomplished by the "peace keepers", the U.N. strike forces. The Humanist Manifesto reveals the ultimate objectives of the new world order, and seeks to eliminate the family unit and all competing religions.

There has been a constant attack against the US Constitution, the rule of Law we are ruled by in our Republic. The average person hears "democracy" so often, they accept it. The Nazi party (NSDAP) was made up of social democrats. Candidates, presidents, and the media use the word democracy sometimes correctly, that is when they describe the process used in electing those who represent us. Our form of government, however, is not a democracy; it is a republican form of government, and that government is controlled and kept in check by the rule of law, the US Constitution. "We the people" are the government, and we elect those who represent our will, so those governed over

allow and consent to the policies of that government. As the world grows increasingly reprobate morally, we witness scandalous behavior at every level of society. Yahushua will rescue His pious ones from what is coming, and fire will consume every abomination.

The majority doesn't rule over our people, the rule of Law does, expressed in the US Constitution and Bill of Rights. The majority simply elects our representatives, who are elected to defend the US Constitution. George Washington warned us long ago:

"Government is not reason; it is not eloquent; it is force. Like fire, it is a dangerous servant and a fearful master."

If we were ruled by what the majority wanted, we would be a mob-ruled nation. Or, we would be ruled over by the tyranny of a papist, as most of the countries of Europe we escaped from have been (investigate the word "concordat"). A papist is a patsy of the "Pope", whether they be ruling a country or simply obeying Roman Church "dogma". Persecution of any minority is not justice, and cannot lead to peace. We are seeing the last days of the US Constitution now, and soon authoritarian, tyrannical billionaire-lawyers will enslave us even more through higher taxation, national debt, high interest rates, and national emergencies engineered by Jesuit manipulation. High courts are misinterpreting the Constitution, which was instituted for the sole purpose of controlling the government, not the citizens. Courts are molding LAWS through their twisted decisions, countering what legislators have established. Ultimately, the force behind this activism in the judges must be: JESUITS. When time permits, do a Google-search on the words: Jesuit assassins.

All small businesses will be out-lawed, and Socialism will grow in demand, to attempt to solve all the problems for the citizens.

The military industrial complex, and the shadow government guided by the CFR, have already entrenched themselves (infiltration), but the population doesn't realize it yet. The "Order" in the phrase "New World Order" is really the Jesuit Order, which uses the central bank (Federal Reserve) to fill its treasuries. With wealth and power, there is nothing they cannot accomplish. They control where and when The Scriptures may be quoted in public; and soon they will out-law possessing them, since the new laws concerning "hate crimes" will enable them to do so. This will not be the first time the RCC outlawed the possession of the Scriptures; among the "dogmas" (official teachings) of the Roman Church, you will find that in 1229 the Scriptures were forbidden to all "laymen". This is against Yn. 5:39, 8:31, and 2 Tim. 3:15-17. The vast majority of the "priests" of Catholicism were not permitted to read Scripture -- they truly were "dark ages" between Constantine and the Reformation.

There's quite a bit more to consider. There's a separating taking place between the sheep and the goats, between the two world-views.

The Ten Commandments display was removed from the Alabama Supreme Court building. There was a good reason for the move: You can't post Thou Shalt Not Steal, Thou Shalt Not Commit Adultery and Thou Shall Not Lie, in a building full of politicians and lawyers without creating a hostile work environment. ---- from anonymous Email

Joseph Ratzinger (78) assumed the title "Pontifex Maximus" on Roman Date 4-19-2005 - a title which began in 46 BCE!

now going by "Pope Benedict XVI" in costume. He leads the Curia, the same organization the Pontifex Maximus of Roma set up under the sun-worshipping Caesars. Many of the same statues used by the Pagan Mithraic culture have been re-named. Not only are statues/images used, but also many other Pagan articles: holy water, medals, scapulars, steeples, bells, rosaries, candles, costumes, the Kyrie Eleison, the calendar, solar-shaped wreaths, domes, relics, crosses, and former Pagan feast dates revised to put a Scriptural spin on things, blending the Satanic model with new terms and meanings. "Ishtar" became "Easter", and the "birth of the Sun" became Christmas. The solar image, the crux, became the central symbol of Christianity during the 4th century. Most Jesuits, if not all, know all these things. They simply keep it from becoming popular knowledge. This "pope" is also known within Catholicism as: "Governor of the World" and "God on Earth" (To Catholics, according to their Dogma) whose master is:

Peter Hans Kolvenbach
General of the Jesuits
"Sovereign over the Pope"

"PAPA NERO", OR BLACK POPE

from infoplease.com, we read this about The Dead Sea Scrolls:

Discovery of the Scrolls

"The first of the Dead Sea Scroll discoveries occurred in 1947 in Qumran, a village situated about twenty miles east of Jerusalem on the northwest shore of the Dead Sea.

A young Bedouin shepherd, following a goat that had gone astray, tossed a rock into one of the caves along the seacliffs and heard a cracking sound: the rock had hit a ceramic pot containing leather and papyrus scrolls that were later determined to be nearly twenty centuries old. Ten years and many searches later, eleven caves around the Dead Sea were found to contain tens of thousands of scroll fragments dating from the third century B.C. to A.D. 68 and representing an estimated eight hundred separate works.

The Dead Sea Scrolls comprise a vast collection of Jewish documents written in Hebrew, Aramaic, and Greek, and encompassing many subjects and literary styles. They include manuscripts or fragments of every book in the Hebrew Bible except the Book of Esther, all of them created nearly one thousand years earlier than any previously known biblical manuscripts. The scrolls also contain the earliest existing biblical commentary, on the Book of Habakkuk, and many other writings, among them religious works pertaining to Jewish sects of the time.

The Controversy Begins

The shepherd who made the discovery at Qumran brought the seven intact scrolls he found there to an antique dealer. Three were sold to a scholar at Hebrew University and four were sold to the Archbishop of Syria, who tried for years to place them with a reputable academic institution and ultimately sold them in 1954 through a classified ad in *The Wall Street Journal*. The ad was answered by Israeli archaeologist Yigael Yadin, who donated these scrolls to the state of Israel and established a museum for them, The Shrine of the Book, at Hebrew University.

Control of the remaining tens of thousands of scroll fragments, however, was not soon resolved. One year after the discovery at Qumran, the United Nations partitioned Palestine and war began. Meanwhile, a U.N.* -appointed, Jesuit-trained official had summoned Roland de Vaux, director of the Ecole Biblique, a French Catholic Theological School in Arab East Jerusalem, to oversee research on the scrolls. The slow pace of publication and the extreme secrecy of de Vaux's almost entirely Catholic group fueled the theory that the Vatican wished to suppress information in the scrolls."

The Illuminati seeds to destroy civilization, so they may set those they choose in rulership. They openly serve ha shatan under a Latin term, "Lucifer", meaning "bringer of light". They infiltrate governments and businesses to set powers against one another.

All Illuminati members are 33rd Degree Masons.

The Illuminati strives to accomplish these main objectives:

- 1) Abolition of the Monarchy and all ordered government.
- 2) Abolition of private property.
- 3) Abolition of inheritance.
- 4) Abolition of patriotism.
- 5) Abolition of the family, through the abolition of marriage, all morality, and the institution of communal education for children.
- 6) Abolition of all religion.

THE MESSAGE OF THE GEORGIA GUIDESTONE

1. Maintain humanity under 500,000,000 in perpetual balance with nature. (Note that item #1 is about population control - for a sustainable, equitable, manageable society! This is why ABORTION is such a huge issue for them to "keep legal". They will have to murder much more than the unborn to achieve their goals. They are concerned about the limited natural resources and current rates of consumption, so they are going to foment viral pandemics, to which a selected few will be immune).
2. Guide reproduction wisely - improving fitness and diversity. (Notice this wording

softens the idea of EUGENICS).

3. Unite humanity with a living new language.

4. Rule passion - faith - tradition - and all things with tempered reason. (religious fanatics will be cured or eliminated).

5. Protect people and nations with fair laws and just courts.

6. Let all nations rule internally resolving external disputes in a world court. (The Hague is already the NWO court)

7. Avoid petty laws and useless officials.

8. Balance personal rights with social duties. (If you don't produce, you're a burden, and must be eliminated - cleansing).

9. Prize truth - beauty - love - seeking harmony with the infinite.

Swords, titles, snakes, knight stuff, and oaths to keep a secret are the constant "mesmerization" each initiate endures. These oaths all lead up to the ultimate revelation at the 30th degree, when the "BIG SECRET" is finally revealed. But, smart people like you (reading this) can find out anything with the web -- but even when told in advance, most will not believe it when told. Albert Pike explained in *Morals & Dogma*: "The Blue Degrees are but the outer court or portico of the Temple. Part of the symbols are displayed there to the Initiate, but he is intentionally misled by false interpretations. It is not intended that he shall understand them; but it is intended that he shall imagine he understands them. Their true explication is reserved for the Adepts, the Princes of Masonry...It is well enough for the mass of those called Masons, to imagine that all is contained in the Blue Degrees; and whoso attempts to undeceive them will labor in vain." The Knights Templar (WARRIOR MONKS) would be so proud to see how their secret society influenced so many "modern" minds. They may have been upset about the red fez, but who cares. The red fez is another interesting study in itself, but we won't deal with it here.

Great info to have in advance: They won't succeed; Yahushua is going to surprise them at the moment they take over. Their "anti-Messiah", titled "Maitreya", will be slain by the brightness of Yahushua's coming. Maitreya's minions will also perish.

There will be 2 "denominations" in the world-to-come. One of them (Israel) will be permitted to enter the gates, and the other will have to remain outside:

ISRAEL (Rev. 21:12)

DOGS (Rev. 22:15)

That's all there is, so the choice will be easy for us. "No Dogs Allowed" signs might even be posted.

Title: Ian Paisley in talks with most senior Catholic

Description: cleric

CRAIG-OXLEY - October 9, 2006 11:26 PM (GMT)

*Remember folks that Ian Paisley is fully controlled regardless what flim-flam they show you on the TV. He may have given out a few good bits of information but so do many other **Temporal Coadjutors**. Do you honestly think he would be in the position he is if he wasn't controlled by the **Jesuit Order** himself? Of course not he would have been bumped off a long time ago. -2tuff*

Church-DUP discussions 'positive'

Monday, 9 October 2006, 14:54 GMT 15:54 UK

http://news.bbc.co.uk/1/hi/northern_ireland/6031821.stm

DUP leader Ian Paisley and Ireland's most senior Catholic cleric have described their first formal talks as positive.

Mr Paisley, moderator of the Free Presbyterian Church, met Archbishop of Armagh Dr Sean Brady at Stormont.

Speaking afterwards, Dr Brady described the discussions as "helpful and constructive".

Mr Paisley said they had "a very good and useful exchange of views across a range of issues". Both men shook hands.

The DUP leader said his party looked forward "to further discussions with Archbishop Brady and his colleagues in the coming months".

The meeting came just two days before multi-party talks in St Andrews, Scotland, aimed at brokering a deal on devolution and policing.

Mr Paisley said: "Our topics of discussion were social, economic and political.

"I welcome the opportunity that this meeting has provided.

"We have had a very good and useful exchange of views across a range of issues.

"It is in the interests of everyone to develop the foundations for stability and prosperity for all the people of Northern Ireland."

Dr Brady said it confirmed for him that everyone had a part to play in creating a more stable and prosperous future.

"I firmly believe that such a future is within our grasp if each one of us can find the courage to take account of the needs of the other, and not just those of our own community," he said.

"I think that real peace will come only when we focus on the common good of all of our society and not just on sectional interest."

Dr Brady said he discussed the need to develop support for law and order and he prayed that the coming months would bring "a more democratically accountable and stable society".

The DUP said the meeting was one of a series being held with church leaders.

Mr Paisley's decision to meet Dr Brady was welcomed by nationalists.

BBC Northern Ireland political editor Mark Devenport reports: "I don't think we should be getting ahead of ourselves just yet.

"It's not necessarily going to be the case that this ground-breaking meeting between the Catholic church and the DUP leads immediately to a similar ground-breaking meeting between the DUP and republicans."

The DUP delegation included deputy leader Peter Robinson and MPs Nigel Dodds and Gregory Campbell.

The archbishop's delegation included Bishop Francis Lagan, the auxiliary bishop of Derry, and Father Timothy Bartlett, secretary to the Northern Bishops.

Northern Ireland Political Development Minister David Hanson said he welcomed the meeting as "a positive step".

"I hope it will form the background to some very useful talks that we will have this week in Scotland."

He said he would welcome a meeting between Mr Paisley and Sinn Fein's Gerry Adams, but that it was a matter for the two party leaders.

Meanwhile, the DUP also met the Independent Monitoring Commission on Monday to discuss its latest report on IRA activity.

Mr Paisley accused Secretary of State Peter Hain of "selling deceit" over what was actually being said by the IMC.

He said the discussions with the IMC were "most interesting" and he was "quite amazed by their forthrightness".

The picture of IRA activity - in terms of criminality and other activities - was nowhere near perfect, said the DUP leader.

He said it was quite clear the government were "trying to put words into mouths of IMC".

Last week, the IMC said in its 12th report into paramilitary activity that the IRA had changed radically and some of its most important structures had been dismantled.

Interesting! Apart from Ian Paisley still being alive, what other proofs/indications are there, that he could be a Temporal Coadjutor?

Come to think of it, it DID take the Jesuits 30 years to finally off Alberto Rivera.

But what gets me is Paisley actually holding dialogue with these guys. What's going on here?

No way. Ian Paisley is the real Mc Coy... a blessed saint of the most high . Those jesuit boys can only put on a show to a certain point.. but they soon foul up and without realizing it bear witness against themselves. Ian Paisley has insights into the scriptures that only a child of God would perceive . I am sure Eric Phelps would agree. Paisley is alive because he is immortal and untouchable til the Lord calls him home.

The photos of this meeting made me sick. I do not trust Ian Paisley who smells of the Jesuits. Please remember also that Gerry Adams is Jesuit Educated/Trained and a 4th Vow Jesuit. Also remember the rumours that his friend Martin of the IRA is actually a British MI5 agent but again this is rumour about Martin. If I remember correctly its claimed his codename was J119?

My God, there are so many MI5 agents among the I.R.A., it's ridiculous. Even if Gerry Adams is not a Jesuit, he's British Intelligence through and through. Ex-MI5 agent and I. R.A. infiltrator Martin Ingram named Martin McGuinness as an MI5 operative.

Film on Pedophile Priest Revives Focus on Cardinal

October 7, 2006

By JENNIFER STEINHAUER

<http://www.nytimes.com/2006/10/07/us/07pri...agewanted=print>

LOS ANGELES, Oct. 6 — A documentary film featuring an extraordinarily candid interview with a former priest convicted of molesting children has heightened interest among law enforcement officials here in considering a criminal case against Cardinal Roger M. Mahony, says a prosecutor who has been investigating sexual abuse cases involving priests.

In the documentary, “Deliver Us From Evil,” the former priest, Oliver O’Grady, describes how he abused young boys and girls across central California over 20 years, including a period in the 1980’s when Cardinal Mahony was his superior as the bishop in Stockton.

The former priest, who lives in Ireland, said he was able to continue abusing children in part because of actions by Cardinal Mahony, who now heads the country’s largest Roman Catholic archdiocese, here in Los Angeles, and is among the church’s most influential American leaders. Mr. O’Grady says in the film that as bishop in Stockton, the cardinal moved him from parish to parish in the face of abuse accusations.

“The film does certainly charge the atmosphere here in Los Angeles,” said William Hodgman, the top deputy of the target crimes division of the Los Angeles District Attorney’s office, who coordinated prosecutions of priests in Los Angeles.

The film also “will fuel ongoing consideration as to whether Cardinal Mahony and others

engaged in criminal activity,” Mr. Hodgman added.

Joe Scott, a spokesman for the district attorney, Steve Cooley, confirmed that characterization.

The lawyer for the Los Angeles archdiocese, Michael Hennigan, said Friday, “If Mr. Hodgman is suggesting in any way that the cardinal is the subject of a criminal investigation, he is being irresponsible and in our judgment is committing prosecutorial misconduct.”

Mr. O’Grady, who confessed to abusing boys and girls as young as 9 months old and also adult women, said in the documentary that “I should have been removed” from the priesthood by Cardinal Mahony. In 1993, he was convicted on four counts of “lewd and lascivious” acts with two preteen brothers and served seven years in prison.

Cardinal Mahony, who was the bishop in Stockton from 1980 to 1985, when he was appointed archbishop of Los Angeles, has disputed Mr. O’Grady’s account of events. His spokesman, Tod Tamberg, said Mr. O’Grady’s comments in the documentary were not believable.

“The film rests on the credibility of a convicted child molester who lied to his bishop, to his therapists, to the families of the young people he abused and to law enforcement,” Mr. Tamberg said. “He is the classic pedophile. He lies to conceal his activity from public view.”

But Mr. Hodgman said officials in the district attorney’s office believed that Mr. O’Grady’s revelations in the documentary, along with documents obtained from the archdiocese through subpoena, had given new evidentiary muscle in determining whether criminal acts were committed in handling pedophilic priests.

Mr. Hodgman, who appears in the documentary, declined to comment about the content of the documents, which he said his office had spent several years trying to obtain.

In a telephone interview on Thursday from Ireland, Mr. O’Grady maintained that he informed Cardinal Mahony of his “situation” while working as a priest in Stockton. “I told him I would go to counseling and he said fine,” Mr. O’Grady said. “We thought I had resolved it.”

The film was written and directed by Amy Berg, a former television producer. It features a taped deposition from 1997 stemming from a civil trial in Stockton in which the brothers in the criminal case against Mr. O’Grady brought suit against the local diocese, alleging that its bishops — including Cardinal Mahony — failed to prevent Mr. O’Grady from having contact with children in the face of evidence of his history of abuse.

In that deposition, Cardinal Mahony denied having known that Mr. O'Grady was a pedophile. The brothers' lawyers presented a police report about Mr. O'Grady's being accused of molestation along with a 1976 letter to one victim, an 11-year-old girl, in which Mr. O'Grady admitted molesting her.

In a 2004 deposition related to civil trials in Los Angeles, Cardinal Mahony stated that expressing sexual urges toward a 9-year-old would not be automatic cause for removing a priest from duty. He also said he barely knew Mr. O'Grady, though lawyers in the cases presented warm letters exchanged between the two.

In the Stockton civil case, a jury awarded \$30 million in damages to the brothers in 1998, an award reduced to \$7 million in negotiations. According to news media accounts at the time, jurors said they did not find Cardinal Mahony's testimony, that he was unaware of Mr. O'Grady's proclivities, credible.

"I was in Stockton for that trial," said David Clohessy, the national director of Survivors Network of Those Abused by Priests. "The jurors were crystal clear that they didn't buy what he was saying."

The Los Angeles district attorney's office is currently prosecuting or investigating several criminal cases of sexual abuse by priests in Los Angeles County, where there are also more than 500 civil suits, some naming Cardinal Mahony.

In September, a man from Mexico City filed suit against the Diocese of Tehuacán, Mexico, the Archdiocese of Los Angeles and Cardinal Mahony and his counterpart in Tehuacán, alleging that the two of them transferred a priest to the United States in 1987 despite knowing he had molested minors in Mexico.

The district attorney has had protracted battles with the archdiocese over obtaining church records, and has long examined Cardinal Mahony's criminal culpability in the unresolved cases, Mr. Hodgman said.

Criminal cases against church leaders are rare and extraordinarily difficult to pursue. Legal experts said prosecutors might hope Mr. O'Grady's statements would help them establish a pattern of Cardinal Mahony responding inadequately to reports of abuse.

"What the movie does is confirm that this was a longstanding practice of covering up," said Prof. Marci A. Hamilton of the Benjamin N. Cardozo Law School in New York, who is an expert on church-state cases. "It corroborates evidence. But whether the movie by itself could be aired in the courtroom is another issue"

No senior Roman Catholic Church official in the United States has been prosecuted in a sex-crimes case, Professor Hamilton said. Because most victims do not come forward until years or even decades after they are abused, the statute of limitations has been a preventive bar.

“The statute of limitations has been a huge impregnable wall,” Professor Hamilton said. “To the extent that a movie like this stirs up the passions of rank-and-file Catholics and citizens it makes it harder for Mahony to say he is being singled out. He has such a history and the numbers are so large, it has been frustrating for prosecutors to get nowhere.”

Mr. Tamberg, the Los Angeles Archdiocese spokesman, dismissed the notion that the film would harm the cardinal. “It is such a biased piece of filmmaking,” he said, “that it has no credibility and will almost certainly have no credibility in the eyes of authorities.”

The documentary, which won first place in the documentary category at the Los Angeles film festival in June, will be publicly released in New York, Los Angeles and Boston next week.

From the 1970’s to the 1990’s, Mr. O’Grady concedes in the film, he sexually abused children. He also describes conversations with Cardinal Mahony about his sexual feelings toward children, and his troubles with law enforcement officials and angry families in towns where he committed his abuse.

(The Stockton police are portrayed in the documentary as filing a report on Mr. O’Grady, and having dropped their investigation after church officials assured them that he would be removed from the parish. A spokeswoman for the department, Roseann Clark, said the department had no record of an investigation into him.)

After the incident in Stockton, but long before his conviction, Mr. O’Grady was moved to another parish — his fourth.

The film also features interviews with several of his victims and their parents, whose festering anguish and heartache seem to have healed little over the years.

Ann Jyono, one of Mr. O’Grady’s victims and a central character in the film, said in a telephone interview Thursday that she was a practicing Catholic, and that while she longed to see Cardinal Mahony prosecuted, she would settle for a conversation with him about her years of abuse at Mr. O’Grady’s hands.

“I hope people appreciate that it is not easy to be naked in front of everybody with your shame,” Ms. Jyono said. “In this film, you find out that Mahony had a hand in everything that happened to me.”

How can limbo just be abolished?

WHO, WHAT, WHY?

Friday, 6 October 2006, 09:38 GMT 10:38 UK

The Pope may be about to abolish the notion of limbo, the halfway house between heaven and hell, inhabited by unbaptised infants. Is it really that simple?

Pope Benedict XVI's anticipated pronouncement on limbo will have been informed by the International Theological Commission - a group of leading Roman Catholic theologians who have been meeting to consider the issue.

The Pope, himself, has been quoted in the past as saying that he would let the idea of limbo "drop, since it has always been only a theological hypothesis".

He was quoted as saying that limbo has never been a "definitive truth of the faith".

So what is limbo?

According to the BBC's Religion and Ethics site [see internet links, right], the church held that before the 13th Century, all unbaptised people, including new born babies who died, would go to hell. This was because original sin - the punishment that God inflicted on humanity because of Adam and Eve's disobedience - had not been cleansed by baptism.

This idea however was criticised by Peter Abelard, a French scholastic philosopher, who said that babies who had no personal sin didn't even deserve punishment.

It was Abelard who introduced the idea of limbo. The word comes from the Latin "limbus", meaning the edge. This would be a state of existence where unbaptised babies, and those unfortunate enough to have been born before Jesus, would not experience pain but neither would they experience the Beatific Vision of God.

But limbo has long been a problem for the Church. Unease has remained over reconciling a Loving God with one who sent babies to limbo and the Church has faced much criticism.

The current review of limbo began in 2004, when Pope John Paul II asked the commission to come up with "a more coherent and enlightened way" of describing the fate of such innocent babes.

This review is part of a wider re-examination of the notion of salvation that has been taking place within the Church.

Many Catholics would see the abandonment of limbo as a good thing - there is little doubt that some interpretations of the teaching may have caused untold misery to the millions of parents whose children have died without being baptised.

But there are those who argue that it is not simply a "hypothesis" that can just be swept aside; that the notion that unbaptised children do not go to heaven has been a fundamental part of Church teaching for hundreds of years.

Then, of course, there is the argument that if this can be abolished, what else is disposable?

Not popular

According to church historian Michael Walsh limbo is so unpopular it has all but dropped out of Catholic consciousness.

It has not really been standard teaching for decades and it has not been part of official teaching since the early 1990s, when it was omitted from the catechism - the Church's summary of religious doctrine.

"Most priests don't talk about the notion of limbo anymore. There is a understanding that it just simply doesn't wash with people," says Mr Walsh.

But, there are a number of conservative and traditionally minded Catholics who say they are shocked by the notion of getting rid of limbo.

Father Brian Harrison, a theologian, told the BBC News website that while limbo may have been a "hypothesis", he argues that the clear "doctrine of the Catholic Church for two millennia has been that wherever the souls of such infants do go, they definitely don't go to heaven".

He argues that this is borne out in the various funeral rites for unbaptised children practised by the Church.

"A papal decree reversing the firm Catholic belief of two millennia that infants dying unbaptised do not go to heaven would be like an earthquake in the structure of Catholic theology and belief," he said.

Some argue that the question of limbo has taken on fresh urgency because it could be hindering the Church's conversion of Africa and Asia, where infant mortality rates are high.

An article in the UK's Times newspaper this week suggested that the "Pope - an acknowledged authority on all things Islamic - is only too aware that Muslims believe the souls of stillborn babies go straight to heaven".

The theological commission ends its deliberations on Friday. Most commentators believe the Pope will not make any decision immediately. Until he does, the fate of limbo is in - well, limbo.

Excuse me for being stupid but I can't find a way of replying without quoting.

As for this subject, I'm an athiest but welcome the Pope's words on this matter.

Surely all children are innocent of all sin.

If God is as great as He should be then He will understand.

So what is limbo?

According to the BBC's Religion and Ethics site [see internet links, right], the church held that

before the 13th Century, all unbaptised people, including new born babies who died, would go to hell. This was because original sin - the punishment that God inflicted on humanity because of Adam and Eve's disobedience - had not been cleansed by baptism.

This idea however was criticised by Peter Abelard, a French scholastic philosopher, who said that babies who had no personal sin didn't even deserve punishment.

It was Abelard who introduced the idea of limbo. The word comes from the Latin "limbus", meaning the edge. This would be a state of existence where unbaptised babies, and those unfortunate enough to have been born before Jesus, would not experience pain but neither would they experience the Beatific Vision of God.

But limbo has long been a problem for the Church. Unease has remained over reconciling a Loving God with one who sent babies to limbo and the Church has faced much criticism.

The current review of limbo began in 2004, when Pope John Paul II asked the commission to come up with "a more coherent and enlightened way" of describing the fate of such innocent babes.

This review is part of a wider re-examination of the notion of salvation that has been taking place within the Church.

Many Catholics would see the abandonment of limbo as a good thing - there is little doubt that some interpretations of the teaching may have caused untold misery to the millions of parents whose children have died without being baptised.

But there are those who argue that it is not simply a "hypothesis" that can just be swept aside; that the notion that unbaptised children do not go to heaven has been a fundamental part of Church teaching for hundreds of years.

Then, of course, there is the argument that if this can be abolished, what else is disposable?

Not popular

According to church historian Michael Walsh limbo is so unpopular it has all but dropped out of Catholic consciousness.

It has not really been standard teaching for decades and it has not been part of official teaching since the early 1990s, when it was omitted from the catechism - the Church's summary of religious doctrine.

"Most priests don't talk about the notion of limbo anymore. There is a understanding that it just simply doesn't wash with people," says Mr Walsh.

But, there are a number of conservative and traditionally minded Catholics who say they are shocked by the notion of getting rid of limbo.

Father Brian Harrison, a theologian, told the BBC News website that while limbo may have been a "hypothesis", he argues that the clear "doctrine of the Catholic Church for two millennia has been that wherever the souls of such infants do go, they definitely don't go to heaven".

He argues that this is borne out in the various funeral rites for unbaptised children practised by the Church.

"A papal decree reversing the firm Catholic belief of two millennia that infants dying unbaptised do not go to heaven would be like an earthquake in the structure of Catholic theology and belief," he said.

Some argue that the question of limbo has taken on fresh urgency because it could be hindering the Church's conversion of Africa and Asia, where infant mortality rates are high.

An article in the UK's Times newspaper this week suggested that the "Pope - an acknowledged authority on all things Islamic - is only too aware that Muslims believe the souls of stillborn babies go straight to heaven".

The theological commission ends its deliberations on Friday. Most commentators believe the Pope will not make any decision immediately. Until he does, the fate of limbo is in - well, limbo.

Excuse me for being stupid but I can't find a way of replying without quoting.

As for this subject, I'm an atheist but welcome the Pope's words on this matter.

Surely all children are innocent of all sin.

If God is as great as He should be then He will understand.

In the skewed world of Catholic Dogma, some people actually believe that if you are an un-baptised baby and you die, you have to spend an eternity or two in limbo/pergatory to learn your lesson, because we're all born with 'original sin', as Adam and Eve ate the apple. What a crock of shit. Their whole manifesto is FEAR, FEAR, FEAR, followed with a double helping of FEAR.

I've seen Scriptures that appear to back up babies going to heaven (like when David's first child with Bathsheba died). It has to do with age of accountability--and that age varies from one person to another. Obviously newborns can't make the decision to be saved.

Catholicism runs contrary to Scripture. Baptism is for someone who has already received Jesus Christ as his Lord and Saviour, whether it's a nine-year-old girl or a ninety-year-old man. That's why Anabaptists were persecuted--they don't believe in infant baptism (and neither do I).

That one thief on the cross hadn't been baptized. He recognized that he was a sinner and acknowledged Christ.

CRAIG-OXLEY - October 7, 2006 02:53 PM (GMT)

Whether it's a good thing or bad thing to some people this limbo is a part of CATHOLISM and therefore should stay within CATHOLISM till Catholicism no longer exists (which won't be long). This is exactly what the Jesuit Order is doing to its enemy Catholicism. Remember folks the Jesuit Order hierarchy are followers of the purest form of the Ancient Babylonian Mysteries Religion not Catholicism, the Catholicism is a FRONT! They wish to destroy Christianity, the State and the Population.

Alexandra - October 8, 2006 04:17 AM (GMT)

Catholicism is not even a Christian denomination. It's simply the Babylon mystery religion dressed up to look Christian.

We can see the daughters of Catholicism returning to Mother Church. It was on the anniversary of Luther's 95 Theses on the door at Wittenburg (Oct 31) that the Lutherans and Catholics signed an agreement...Lutherans and Catholics together or something like that, and I think it was in 1999, I'm not sure. I think it's part of the ecumenical movement.

Bishops condemn BBC abuse claim

Monday, 2 October 2006, 12:56 GMT 13:56 UK

<http://news.bbc.co.uk/1/hi/uk/5397346.stm>

The Catholic Church in England and Wales has said a BBC documentary, which said Pope Benedict XVI supported a child sex abuse cover-up, was "false".

Panorama examined a document which allegedly encourages secrecy in dealing with cases of priests abusing children.

It says this was enforced by Cardinal Joseph Ratzinger before he became Pope.

The Most Reverend Vincent Nichols, Archbishop of Birmingham, said the claim was "entirely misleading" but the BBC said it stood by the programme.

'Misuse of the confessional'

The document called Crimen Sollicitationis was written in 1962 and apparently instructed bishops on how to handle claims of child sex abuse.

Programme makers asked Father Tom Doyle, a former church lawyer who was sacked from the Vatican for criticising its handling of child abuse, to interpret the document.

He said it was an explicit written policy to cover up cases of child abuse, which stressed the Vatican's control and made no mention of the victims.

The Catholic Church said the document was not directly concerned with child sex abuse, but with the misuse of the confessional.

Archbishop Nichols, speaking on behalf of the Catholic bishops of England and Wales, said of the programme: "It is false because it misrepresents two Vatican documents and uses them quite misleadingly in order to connect the horrors of child abuse to the person of the Pope."

He added that the editing, which used old footage and undated interviews, was misleading, and said the BBC should be ashamed of the standard of its journalism.

Of its viewers, he said: "They will know that aspects of the programme amount to a deeply prejudiced attack on a revered world religious leader."

Cardinal Cormac Murphy-O'Connor, head of the Catholic Church in England and Wales, has written to the BBC's director general, Mark Thompson, to complain.

'Deflect attention'

The National Secular Society (NSS) has now called on the BBC not to "give in" to pressure from the Catholic Church.

NSS executive director Keith Porteous Wood said: "It's a familiar technique that the Church is using, trying to make itself into the victim, so as to deflect attention from the real victims, the children."

Cardinal Ratzinger was head of the Congregation for the Doctrine of the Faith - the Vatican department that enforces doctrine - from 1981 until his election as Pope in April 2005.

A BBC spokeswoman said the BBC had a well-defined complaints system and would reply to the letter once they received it.

She added: "The protection of children is clearly an issue of the strongest public interest."

What a liar. During JP2's time RATzinger was shelving the abuse reports and sweeping things under the rug.

Pedophiles don't get excommunicated, they get sent to another diocese.

I was reading somewhere, I think in Dave Hunt's "A Woman Rides the Beast," about how criminals would hide out in monasteries. They couldn't be arrested because they did penance or something like that. Really stupid stuff.

Title: Decline of the Jesuit Order?? (from a book review)

Description: *declining membership 'cause most are gay*

ov3rkomer - October 6, 2006 05:09 PM (GMT)

The Decline of Religious Orders
Garry Wills discusses the Jesuits.

Garry Wills in the New York Review of Books has reviewed a book called *Passionate Uncertainty: Inside the American Jesuits* by Peter McDonough and Eugene C. Bianchi on the Society of Jesus (Jesuits). The book states: "Membership in the Society of Jesus in the United States peaked in 1965, at 8,393 men. By 2000 it had been cut by more than half, falling to 3,635."

One of the issues discussed in the review is the importance of the role of gay men in the order as indicated in the paragraph quoted below.

It is not surprising that the numbers of heterosexuals have declined, as many left to marry and others were deterred by the celibacy requirement from entering. The remaining or arriving gays have formed protective networks—the authors call it a "lavender Mafia"—to provide the sense of community otherwise so hard to come by in the order. Of course, this works against a larger sense of community, since some of those Jesuits interviewed express resentment at being excluded by the gays. A straight young Jesuit says: "I feel quite alone when Jesuits of my generation talk about sex and sexuality. Straights complain about being in the minority in the 'younger Society' and about being held to stricter norms of conduct. Gays want shoulders to cry on as they struggle with coming out and are unduly sensitive to any detail of a response which they can interpret as nonacceptance." A man in his thirties teaching in a high school also feels stranded: "Several of my former Jesuit friends would mention the large number of gay Jesuits and the impact that had on community life as being a big reason they left. As a relatively young Jesuit who is heterosexual, I believe I am in the minority, and that raises questions." A priest in his sixties is less tolerant of the younger men: "I get

annoyed with those gays who seem stuck on one note—anger." This man seeks escape from the community room by spending time with women friends outside his institution.

Religious orders have provided an alternative form of social structure to the modern individual and nuclear family. It is a question whether these orders will eventually cease to exist or transform themselves into something quite different.

Whether the Jesuit order is declining in members is not the point to me. The top 1% of the rich controls the economies of the 99% of the rest of us. Therefore, numbers mean little in control. Also, The Vatican is the head of the ecumenical movement (formed in this era from Vatican II. This ecumenical movement includes the Charismatics, ecumenical Protestants, etc. making up billions of people). The Charismatics are growing rapidly now (in the millions today) and they are in league with many Catholics as evident with Paul Crouch and Pat Robertson. Now, the Third World is increasing with Charismatics and Catholics, so the Vatican is still powerful politically and numerically. The Vatican has 1.1 billion worldwide. So, we still need to oppose the Jesuits and their agenda.

Yes it is very true that in order to control you do not need masses of members and followers, especially in this day and age of infiltration. People always use this excuse in order to try to claim the Catholics have no control because they aren't as large as they once were. Its utter nonsense because the mass of these sheeple followers mean nothing when it comes to the hierachy power anyhow so you could do away with them. Infact all these sheeple followers are, are simply gatekeepers and help also with veiling its that simple. Its simply the Jew bashers who like to promote the Vatican is dying haha when infact the Vatican rules and has done for a long time. Remember these same Jew bashers and pushers of myths aid the Vatican by doing this wether knowingly or unknowingly.

smashstuff - October 7, 2006 06:22 AM (GMT)

All of the 'Christian' T.V. channels and preachers such as Pat Robertson, Benny Hinn, Kenneth Copeland et al, are 100% Jesuit fronts, I have no doubt in my mind about that

at all. Look at the power there alone!

Confession No. 17: Vatican and Jesuit Corruption Questioned at Chicago 9/11 Truth Conference

Average Americans starting to get wise to Vatican tyranny.

6 Oct 2006

By Greg Szymanski

<http://www.arcticbeacon.com/6-Oct-2006.html>

A growing number of American researchers are coming to the conclusion that the real controllers of the Illuminati/New World Order are the Vatican and Jesuit Order.

A recent email from Shaw to the Arctic Beacon highlights how average Americans are also catching on, better late than never, to Vatican tyranny. The email said:

"Really appreciate your courage to expose the Vatican and the Jesuits. I would like to send you some dvd's on the history of the Jesuits that I feel in my many years of researching this secret society are the best around. I have downloaded many of your mp3's and am listening to them in the car...we had a booth in Chicago earlier this year for the 9-11 truth conference and we were exposing the Jesuits and the Vatican, as you can imagine we were the only ones there doing this."

Shaw then directed the Arctic Beacon to an informative web site entitled Exposing Deceptions, where a highly informative article appeared, explaining how one American came to the conclusion beyond a reasonable doubt that the Jesuits and Vatican are the true devilish culprits controlling the New World Order's quest to destroy America.

Since the Jesuits, called the "Great Educators" with 28 major universities in America, have been adept at erasing true American history from the bookshelves, the article at Exposing Deceptions is reprinted in an effort to enlighten and fill some of the missing gaps.

Remember, those who control the past control the future. And hopefully this article will slow down the duplicitous Jesuit misinformation freight train, trying to lead us all to hell.

JESUIT

Vatican Tyranny

ORIGINALLY INSTITUTED (Portugal/Spain, 1534) BY THE VATICAN, FOR THE SOLE PURPOSE OF EXTERMINATING THE REFORMATION,

THE ORDER WAS SUPPRESSED 21 JULY 1773 BY POPE CLEMENT XIV (for which he was promptly poisoned). THE ORDER WAS

RE-INSTITUTED 1814 AND GIVEN THE "SECRET TREATY OF VERONA"

FOR THE EXPRESS PURPOSE OF CARRYING OUT ITS DICTATES.

THIS EDICT WAS FINALLY RATIFIED BY ITS CONTRACTING PARTIES OCT 1822:

CAUSING PRESIDENT JAMES MONROE, WITH THE ASSISTANCE OF THOMAS JEFFERSON, UPON LEARNING OF ITS EXISTENCE, TO WRITE THE MONROE DOCTRINE, AS RECORDED IN THE: CONGRESSIONAL RECORD-SENATE., VOLUME 53, PART 7, PAGE 6781 OF THE 64th CONGRESS, 1st SESSION, 25 April 1916.

THIS WORK IS DEDICATED TO EX-JESUIT PRIEST: DR. ALBERTO ROMERO RIVERA, WHO'S LIFE STORY INSPIRED.

"Beware of false prophets, which come to you in sheep's clothing, but inwardly they are ravening wolves."

(Matt,7:15)

I read a book some years ago that started my research, that I am still involved in today. The information I have, I believe, if it were ever brought to a trial, would prove so conclusively of what I am about to tell you that not even the perpetrators themselves would try to deny it. In the past, when confronted with their prior history of atrocities, their only response has been: "we don't do that anymore", or sneer at its improbability, or a gratuitous imputation of bigotry and intolerance against the writer, while at the same time telling all their followers: "we never change". As you read it will become only

to apparent that the latter is the case.

Before I begin, and you start thinking I'm an "extremist", let me say that I'm not the only person to find this information. It is readily available (at the finger tips of those on the internet) to anyone willing to put in a little time and research. I have found, what I believe to be, the common denominator for a very large percentage (if not all) of the events perpetrated and/or carried out by departments of government and/or its agencies, that are totally negative to the rights and freedoms of the American people, hence, also to the United States Constitution, its Bill of Rights and the Declaration of Independence. This organization is responsible for the wholesale slaughter of multi-millions of peoples all over the world. It is responsible for the "Dark Age" (inquisition) period leading up to the founding of this country: As you will learn, this organization, though having periods of civil and military power fluctuation (due to losses from their own tyrannical acts and resultant exposure) not only still exists: but is far more powerful (lethal) today than ever before: This is especially true in the United States, where the order has its highest concentration (at least seventeen times that of any other country).

A zeal for the discovery of new territory marked the fifteenth century. The first navigations for this purpose were concerted and directed by prince Henry. Born 1394, the fourth son of John I. king of Portugal. His valor in the assault and capture of the city: Ceuta in Africa 1415, presaged the fame he afterward acquired. From this period he devoted himself to naval expeditions for the discovery of unknown countries. His ships subjected divers parts of Africa and the neighboring islands to the dominion of Portugal. After the success in doubling cape Bojadoy, he gave to his father and successors all the land he discovered, or might discover, and applied to Pope Martin V to ratify the donation. He engaged that in all their expeditions the Portuguese should have mainly in view the extension of the Roman church and authority of its pontiff. Pope Martin granted the prince's request. In his bull of ratification, which was about the year 1430, it is declared that: "whatever might be discovered from the said cape to the utmost India, should pertain to the Portuguese dominion." Edward, brother of prince Henry, succeeded to the throne of Portugal 1433, on the death of John I. Pope Eugene IV. by his bull in 1438, ratified, to Edward, the grant made by Martin V. A bull of Nicholas V. dated 8 Jan 1454, refers to the aforesaid bulls of his predecessors, Martin and Eugene. It recites the declaration prince Henry made of his achievements "that for 25 years he had not ceased to send annually almost an army" of Portuguese, "with the greatest dangers, labors and charges, in the most swift ships, to search out the sea and maritime provinces toward the southern parts and Antarctic Pole." that these ships "came at length to the province of Guinea, and took possession of some islands, havens and sea adjoining" that "sailing further, war was waged for some years with the people of those parts, and very many islands near thereunto were subdued and peaceably possessed, and were still possessed with the adjacent sea" that "many Guineans and other negroes were taken then by force, and some by barter." The bull describes Henry as "a true soldier of Christ, a most courageous defender and intrepid

champion of the faith, aspiring from his early youth with his utmost might to have the glorious name of Christ published, extolled and revered throughout the world." It recognizes the exclusive right of Portugal to the acquisitions and possessions aforesaid, in virtue of the letters of Popes Martin and Eugene, which granted to the king of Portugal and prince Henry "free and ample faculty to invade, search out, expunge, vanquish and subdue all pagans and enemies of Christ whosoever placed, and their persons to reduce to perpetual slavery, and all their kingdoms, possessions and goods to apply and appropriate," etc. Pope Nicholas's letter then goes on to "decree and declare, the acquets already made, and what hereafter shall happen to be acquired, after that they shall be acquired, have pertained, and forever of right do belong and pertain to the aforesaid king and his successors, and not to any others whatever." It forbids, on the severest penalties, all Christian powers from settling in the countries discovered by the Portuguese, or any way molesting them in their expeditions for the discovery and conquest of unknown countries. It speaks of prince Henry's plan and his prosecution of it as "a most pious work, and most worthy of perpetual remembrance, wherein the glory of God, where the interest of the commonwealth of the universal church are concerned."

Thus was prince Henry's views and operations sanctioned by the highest authority, at that time, acknowledged in Christendom. A right derived from a source so venerable was then undisputed. The Roman pontiff bound princes at his pleasure, and as Vicar of Christ, was allowed to have at his disposal all the kingdoms of the earth. This grant of Pope Nicholas was confirmed by his successor: Calixtus III. 6 August 1458.

On the death of Edward, his son Alphonsus, then in his minority, succeeded to the throne of Portugal, 1438, and died 1481. Prince Henry died 1460-63. At his death the spirit of discovery languished, but revived with the accession of John II., son of Alphonsus. The year after his accession (1482), sent an embassy to Edward IV. of England, to acquaint him with the title acquired by the Pope's bull to the conquest in Guinea: requesting him to dissolve a fleet, which some English merchants were fitting for the Guinea (slave) trade. The king of England showed great respect to the ambassadors and granted all they required. The king of Portugal assumed, and the king of England gave him, this style, Rex Portugalie et Algarbiorum citra at ultra mare in Africa. Pope Sixtus IV., not long before his death (12 Aug 1484), confirmed all the grants made by his predecessors, to the kings of Portugal and their successors.

In 1481 John II. sent 100 artificers, 500 soldiers, and all necessities to build a fort in Guinea. The large kingdoms of Benin and Congo were discovered 1484-85, and the Cape of Good Hope 1486. The Portuguese built forts and planted colonies in Africa: established a commercial intercourse with the powerful kingdoms, and compelled the petty princes, by force of arms, to acknowledge themselves vassals.

At this period, and by these means, the power and commerce of the Portuguese in Africa were well established. The wholesome decrees of five successive Roman

pontiffs granted, conveyed and confirmed to the most faithful king a right to appropriate the kingdoms, goods and possessions of all infidels, wherever to be found, "to reduce their persons to perpetual slavery or destroy them from the earth", for the declared purpose of bringing the Lord's sheep into one dominical fold, under one universal pastor. Succeeding kings of Portugal have not forfeited the large grant by any undutifulness to their holy father. Portugal long enjoyed the trade to Africa and the East Indies without interference of any European power. For more than half a century, before exporting any negroes from Africa, she made and held them slaves in their native country.

The Portuguese first imported slaves into Hispaniola 1508, and into their Brazilian colonies 1517. Their sugar works were first set up in these colonies 1580. Their union with Spain, at that time, was most unfortunate for them. The Dutch became their enemy, who took their East-India and Brazilian conquests and parts of their African colonies. They recovered Brazil and their African establishments 1640, but not that of India .

After the Dutch gave up Brazil and the gold mines were discovered, the trade of Portugal improved and a great importation of slaves took place: carrying yearly from Loangro to Brazil: 25,000, also many thousands from Goango and Cape Lopus. They themselves say they carry to Brazil 50,000 and more every year from Melinda, on the Mozambique coast. Such had been the increase of their Brazilian and African colonies for a century that their increase in English goods, annually, was greater than that of Portugal and Spain combined prior to 1700.

Spanish America received slaves from the Genoese, Portuguese, French and English. Every state purchased from Spain seceded from the union (1861). The Vatican was the only country to acknowledge sovereignty to the Confederacy. Before, during and long after the African slave trade ended: the heads of state of Spain and Portugal were addressed (and may still be), in formal title, by foreign dignitaries/heads of state, as: "His/Her Catholic Majesty" (U.S. State Dept. records): thereby acknowledging them, only, as emissaries of the pope.

Catholic priest's dealing in the African slave trade is testified to, in this poem, by the famous nineteenth century poet, J.G. Whittier:

A poem, on the slave block in New Orleans.

THE CHRISTIAN SLAVE

BY J. G. WHITTIER

A CHRISTIAN! going, gone!

Who bids for Gods own image?-for His grace

Which this poor victim of the market-place
Hath in her suffering won?

My God! can such things be?

Hast thou not said that whatsoe'er is done
Unto Thy weakest and Thy humblest one,
Is even done to thee?

In that sad victim, then,
Child of Thy pitying love, I see Thee stand,
Once more the jest-word of a mocking band,
Bound, sold, and scourged again!

A Christian up for sale!

Wet with her blood your whips-o'ertask her frame,
Make her life loathsome with your wrong and shame,
Her patience shall not fail!

Cheers for the turbaned bey
Of robber-peopled tunis! he hath torn
The dark slave-dungeons open, and hath borne
Their inmates into day:

But our poor slave in vain

Turns to the Christian shrine her aching eyes-
Its rites will only swell her market price,

And rivet on her chain.

God of all right! how long

Shall priestly robbers at Thine alter stand,

Lifting in prayer to thee the bloody hand

And haughty brow of wrong!

O, from the fields of cane,

From the low rice-swamp, from the traders cell-

From the black slave-ship's foul and loathsome hell,

And coffer's weary chain-

Hoarse, horrible, and strong,

Rises to heaven that agonizing cry,

Filling the arches of the hollow sky,

How Long, O Lord, how long!

For those who think the Vatican's attitude, toward black people, may have changed through the ages bear this in mind: (1)the biggest race riot in American history(1864, Brooklyn, New York City) was instigated by Archbishop Hughes (in response to Lincoln creating a draft for more union soldiers), including the burning, and trampling to death of the occupants, of a black orphanage. (2)when the U.S. Army occupied Rome during WWII, Pope Pius XII made it clear to American generals there were to be no black soldiers garrisoned in Rome. (3)over 80% of St. Louis, New York City, Chicago etc. police are Knights of Columbus: bear this in mind when you learn that over 75% of these cops sell drugs; and when reviewing the facts of the Fred Hampton murder by the Chicago police, 4 Dec 69, 6:00AM: every shot fired in the apartment was from fully automatic weapons used by the police (no return fire); Amadou Diallo: four cops randomly "check out" Diallo: telling him to show his I.D.: while reaching for his wallet, in compliance with their "order" the cops open up on him: 41 shots fired, 19 striking his body: one bullet traveling almost vertically up each lower leg and another thru the bottom of the right shoe, proves Diallo was flat on his back when the shots were fired:

Diallo was unarmed. Officer McMellon - bruised his tail bone falling from stoop; officer Carroll - injured his ankle in fall from steps: evidently, these four of "New York's finest" conducted themselves with all of the professionalism and expertise of Daffy Duck. If this is "New York's finest" I can't imagine what could possibly be their worst. The cops, defense lawyers and judge all had a party after the trial. Every unarmed black being shot in New York City (by police) is a working immigrant. Special Forces Group's (snipers) have been giving weapons training (and illegally selling weapons) to the KKK in Alabama in exchange for info on black leaders that lead to the murder of Martin Luther King Jr. and was financed through, New Orleans godfather: Carlos Marcello (direct associate of J. Edgar Hoover: Knight of Malta; 33d degree Mason). Portuguese, Raul Maori (director of James Earl Rays movements and actions that set him up as a patsy: actual shooter of Martin Luther King Jr.) is a drugs and weapons smuggler for Carlos Marcello. To see a direct connection between the KKK, GBI and the FBI, see the docudrama:

"Who Murdered Atlanta's Children?" Blacks are being systematically squeezed out of welfare, while legal and illegal catholic immigrants receive unending welfare. Blacks fear the police more than street gangs. Every American city has a predominate catholic influence, and the proportion of mafia/catholic power and influence and crime rate is consistent from city to city: <http://www.thelinkup.org>

Entire tribes of western American Indians were annihilated under the direct orders of the brown robed butchers, i.e. Coronado and his Spanish Conquistadors 1519-1540's. Not to mention the Aztecs and Incas of Mexico, Central and South America, Cuba, Haiti, Grenada, Guam, Philippines etc. With the likes of Almagro, Cortez, Pizarro, Valverde, de Meza, Gregory, Sepulveda, Valega and, yes, Christopher Columbus (imprisoned by Queen Isabella of Spain for his atrocities against the natives of Grenada), robbing them of all their national wealth and enslaving the people (try finding that in your public school history books. In the late middle age discoveries, the Vatican viewed all natives of the Americas as "indigenous natural slaves":

"Battle of Wounded Knee" (slaughter at wounded knee): With the Sioux, unarmed (except for a few skinning knives) and herded together like cattle: a man in a black robe (jesuit) asked the indians if they wanted to prey. After preying (non-catholic) the "man in the black robe" spoke to the cavalry officer, who then ordered the cavalry troops to form a line across in front of the defenseless indians, then ordered them to open fire.

Until 1960 you could read, in any public library, books detailing Vatican/Jesuit atrocities throughout the European middle age/dark age inquisitions, since 1960 there has been a systematic removal of all publications (after web pages, like this one, became known, several hundred books suddenly disappeared from the Library of Congress; example: "Confessions of The Conspirators" {to Lincoln's assassination}): evidencing a systematic takeover of all educational material: remember the "book burnings" in Berlin 1933?). This is further evidenced by the remote location of Machu Picchu. And all in the

name of their "holy mother", the Church of Rome. Our own war of independence was called a war of spiritual freedom: after seeing the purposeful destruction of every church and synagogue in every city, village and town the British Red Coats marched through. Every church that is except Roman Catholic. That's recorded in: "The Light and the Glory", by: Peter Marshall and David Manuel. Though the authors never mention the Jesuit's as the perpetrators of these atrocities other records leave little doubt ["British Canadian Sir Henry Clinton: commander-in-chief in North America, his troops made up of Oliver Delaney's and Cortlandt Skinner's brigades, New York Volunteers, Queens Rangers, Orange Rangers, Loyal Americans, Pennsylvania Loyalists, Maryland Loyalists, Roman Catholic Volunteers, West Jersey Volunteers, Chasseurs, Royal Americans Reformees, Volunteers of Ireland (Catholic), British Legion, Guides and Pioneers" (Secret History of the American Revolution, by: Carl Van Doren)]. In fact the authors try to exonerate the Jesuits. However in that attempt they accept the information of a man who was on the team of translators of the "American Standard version" of the bible. How anyone could put their trust in a person who would associate himself with a group of men of which 33% were known affiliates with communist fronts and causes is beyond me ("None Dare Call It Treason", by: John H. Stormer, 1964). The correlation of the Vatican's role in the instigation and continuance of the Revolutionary War is clearly evidenced in: "The Paris Peace Treaty of 1783". A synopsis of Vatican orchestrated atrocities can be seen when reading: "Foxes Book of Martyr's". This book also shows the direct correlation between the submission demands placed on the inquisition victims, by Priests, and the Papal encyclical to the Second Vatican Council, promulgated 25 May 1995 i.e. recognizing the Pope as the vicar of Christ (Christ incarnate); taking part in communion that recognizes the wafer of unleavened bread (Eucharist) as the literal body and blood of Christ, and making it an essential part of being a member of the body of Christ. For this to be a part of R.C. dogma is of no consequence, but to say that the R.C. Church has not only the authority, but the obligation and duty to God to apply it to every person, of every religion, that has been baptized in Christ's name (willing or unwilling), and that the sole purpose of the Vatican and its ecumenical movement is to bring about this end, is to expose the fact that the Vatican has not changed its dogma, stand, purpose or methods since the start of the inquisitions. Here are a few paragraphs: "We can now ask how much further we must travel until that blessed day when full unity in faith will be attained and we can celebrate together in peace the Holy Eucharist of the Lord. The greater mutual understanding and the doctrinal convergences already achieved between us, which have resulted in an affective and effective growth of communion, cannot suffice for the conscience of Christians who profess that the Church is one, holy, Catholic and apostolic. The ultimate goal of the ecumenical movement is to re-establish full visible unity among all the baptized" (page 35, last paragraph). "It is already possible to identify the areas in need of fuller study before a true consensus of faith can be achieved: 1) the relationship between sacred scripture, as the highest authority in matters of faith, and Sacred Tradition, as indispensable to the interpretation of the Word of God; 2) the Eucharist, as the Sacrament of the Body and Blood of Christ, an offering of praise to the Father, the

sacrificial memorial and Real Presence of Christ and the sanctifying outpouring of the Holy Spirit; 3) Ordination, as a Sacrament, to the threefold ministry of the episcopate, presbyterate and diocanate; 4) the Magesterum of the Church, entrusted to the Pope and the Bishops in communion with him, understood as a responsibility and an authority exercised in the name of Christ for teaching and safeguarding the faith; 5) the Virgin Mary, as Mother of God and Icon of the Church, the spiritual Mother who intercedes for Christ's disciples and for all humanity" (page 36, paragraph 7). "Consequently, for the out come of dialogue to be received, there is needed a broad and precise critical process which analyzes the results and rigorously tests their consistency with the Tradition of faith received from the Apostles and lived out in the community of believers gathered around the Bishop, their "legitimate" pastor" (page 37, paragraph 3). The enormity of the implications of this edict so staggers the imagination that to refuse to acknowledge this threat to American freedoms and rights, and the enormity of its scope, can only be construed as complicity with its intentions. If you have any doubts at all about this all you have to do is read this edict. It is titled: "That They May Be One". It is interesting that the pope uses the word "they" and not "we", obviously excluding himself. After all, being the vicar of Christ (Christ incarnate), he can't consider himself a mere mortal (power is intoxicating, even to the extent of total distortion of logic). This edict has been given full approval by Skull & Bones: Pat Robertson, of the 700 Club. Also read the first and second points of the second week of "The Spiritual Exercises of Saint Ignatius of Loyola". Ignatius of Loyola, who's real name was Inigio Lopez De Recalde, founded the Society of Jesus(Jesuits)1534 in Spain, and also the Illuminati (holder of the light) [later instituted 1 May 1776 by Adam Weishaupt (German Jesuit, who's picture is on our one dollar bill) at Ingelstadt (Jesuit) University, where he was Professor of Cannon Law, under the direct orders of the "Black Pope"(who is a member of the Masonic Lodge of Europe) and financed by the "House of Rothschild" (In 1777 Weishaupt was initiated into the Masonic Order, the Lodge of Good Council, in Munich, to infiltrate and control it. At the Masonic International Congress at Wilhemsbad July 1782 the Masonic leaders received Illuminati indoctrination) (U.S. branch of the Illuminati is: "Council on Foreign Relations", of which U.S. Supreme Court judges: Ruth Bader Ginsburg (Catholic), Stephen Breyer (Catholic) and Sandra Day O'Conner are members, Bill Clinton, George Bush, Newt Gingrich, etc.); "Trilateral Commission" and "Skull & Bones" of Yale University]. De Recalde was also a Crusader (Vatican army that raped Israel, and most of Europe, in the dark age inquisitions). Interlocked Illuminati fronts are: United Nations, Bilderberg Group, Club of Rome, Royal Institute For International Affairs (England), Tri-Lateral Commission and Council On Foreign Relations.

Jesuit spiritual exercises are a daily ritual for Jesuits. A copy is easily obtainable thru the Internet. Let me quote a couple of lines: "The first point is to put before me a human king chosen by God our Lord, whom all Christian princes and men reverence and obey. The second, to look how this king speaks to all his people, saying: It is my will to conquer all the land of unbelievers. Therefore, whoever would like to come with me is to

be content to eat as I, and also to drink and dress, etc., as I: likewise he is to labor like me in the day and watch in the night, etc., that so afterwards he may have part with me in the victory, as he has had it in the labors". Third week, first day, fifth point:

"The fifth to consider how the Divinity hides itself, that is, how it could destroy its enemies and does not do it, and how it leaves the most sacred Humanity to suffer so very cruelly". In the bull: Unam Sanctam (by: Pope Boniface VIII, promulgated 18 Nov 1302) we see the Vatican's intention of using governments and their agencies to achieve Vatican goals: "We are informed by the texts of the gospels that in this church and in its power are two swords; namely the spiritual and the temporal. For when the Apostles say: "Behold here are two swords" [Lk 22:38] that is to say, in the church, since the Apostles were speaking, the Lord did not reply that there were too many, but sufficient.

Certainly the one who denies that the temporal sword is in the power of Peter has not listened well to the word of the Lord commanding: "Put up thy sword into thy scabbard" [Mt 26:52]. Both, therefore, are in the power of the church, that is to say, the spiritual and the material sword, but the former is to be administered-for-the Church but the latter-by-the Church; the former in the hands of the priests; the latter in the hands of kings and soldiers, but at the will and sufferance of the priest": This self grandiosing butchery is espoused in more definitive terms, in the catholic publication: "Toward a Catholic Constitution", 1996, by: Jesuit: Leonard Swidler (professor of catholic thought and interreligious dialogue, Temple University, Philadelphia Pa.): "One need look no further than the now accepted bulwark of orthodoxy (conformity to an established belief or doctrine), Thomas Aquinas, to see how far the prevalent assumptions about the compenetration of religion and politics, with the presumed supremacy of the former, extended at that time. In treating of heretics Thomas views them as common criminals. Their crime is even greater than that of counterfeiters, for "it is much more grievous to corrupt the faith . . . than to falsify money." Therefore, heretics "may not only be excommunicated, but may justly be killed." The church should properly tolerate their existence for a while, so long as there is some reasonable hope for conversion, but when that is gone, then heretics (anyone not catholic) must be cut out like rotten flesh," as Jerome says. They should be handed over "to the secular judge to be exterminated from the world through death." (pg. 58). This edict was included in canon law until May of 1983: This should be sufficient to convince you of the militancy of the Vatican, Illuminati and their method of administration [now we know what was behind the raid on Mount Carmel in Waco (pilot program to establish future policy)]. Nowhere is this policy more obvious than in the Balkans. The "Dogmatic Constitution on The Church" proclaimed by pope Paul VI, 21 Nov 1964: 20. Paragraph 3: "with priests and deacons as helpers, the bishops received the charge of the community, presiding in Gods stead over the flock, of which they are the shepherds in that they are teachers of doctrine, ministers of sacred worship and holders of office in government." Ireland is a typical example of this policy.

"There is none that understandeth, there is none that seeketh after God. They are all gone out of the way, they are together become unprofitable; there is none that doeth good, no not one. Their throat is become an open sepulchre; with their tongues they have used deceit; the poison of asps is under their lips: whose mouth is full of cursing and bitterness: their feet are swift to shed blood: destruction and misery are in their ways: and the way of peace have they not known: there is no fear of God before their eyes." Romans, 3:11-18.

Ironically the jesuits are feared (and highly disliked) among the Catholic clergy more than anywhere else (there is inner-clergy rivalry within the R.C. orders, not unlike that of the upper-echelon of the Third Reich: they know the jesuits for what they really are). Not too surprising since the jesuits answer only to the "Black Pope". The jesuits do for the Vatican what the, jesuit trained, S.S., S.D., S.A. and Gestapo did for the Third Reich.

Frans Von Papen, (jesuit) Hitlers mentor, chancellor of Germany (June 1932 - March 1933) and first vice-chancellor of the Third Reich, stated in his book: "My Conversations with Hitler": "Hitler has put into practice the high ideals of the papacy". This statement was made in reference to the death camps. As chancellor, von Papen's first act was to dissolve the Reichstag; his second was lifting the ban on Hitlers "Brown Shirts" (SA); he then integrated Catholic youth groups into the "Hitler Youth": setting up the civil and political base for Hitler and the Nazi Party to move into power. "Mein Kampf" was written for Hitler by jesuit Staempfle. As papal nuncio to Germany(1917-1929), Archbishop Eugenio Pacelli worked with Germany's Illuminati bankers (Chase Manhattan, in New York City, and Bank of England funneled money's through Credit Swiss (Vatican bank) to the Reich's Bank in Berlin) and industrialist's (I.G. Farben), establishing the financial and industrial base for the Third Reich: WW II was in its planning stage while WW I was still in full swing. Thousands of Jews were hidden in the Vatican, as a precaution, in case Hitler lost the war.

"Yea the time cometh when he that killeth you will think that he doeth God service." (John 16:2)

The fact that the Vatican entered into a concordat with Hitler [signed in the Vatican by Von Papen and Cardinal Secretary of State: Eugenio Pacelli (later Pope Pius XII), 20 July 1933], as with Mussolini, Franco and Salazar is no secret. But the Vatican's attempt to seduce Hitler into extending the provisions of that concordat to include every country he raped and pillaged is not so well known, but is recorded in Hitler's own words in his book: "Hitler's Secret Conversations" i.e. "I have shown myself unresponsive to the attempts of the Vatican toward the extension of the provisions of the concordat to embrace the newly acquired territories of the Reich. The Saar, Sudetenland, Bohemia and Moravia, the Reichsgau Danszig-East Prussia, the Warthegau, a large part of Silesia and Alsace-Lorraine have, in fact, no relations with the Roman Catholic Church which are supported by formal international

agreement" (page 516). "The attitude of the Bishop von Galen affords just one more argument in favor of terminating the Concordat after the war, substituting for it regional regulations and immediately withholding from the Church the financial support at present guaranteed to it by that treaty" (page 520). Pacelli (negotiating the concordat provisions) insisted, the German State, within the dictates of the concordat, "be bound by any and all proposals of the local bishop regarding teachers of religion, and that the state would be obliged to fire such teachers if the bishop so demanded; meanwhile, the state would be required to meet all financial obligations, and at the same time, guarantee the application of canon law to the faithful"; [Bill Bennett (and his, Jesuit, brother Bob are KNOWN operatives in CIA/MK-Ultra/Project Monarch <http://www.iahf.com/readings/index.html> -extreme trauma induced multiple personality mind control sex deviates and pedophiles), self professed Jesuit, Secretary of Education under Reagan, propagator of Outcome Based Education (OBE), stated: "All children should be taught by Jesuits" (to profligate Americas youth: Joan of Arc was burned at the stake, at age sixteen, after signing her name to a document {unknowingly authorizing her own execution} she could not read, and could only write her name: being a product of a catholic parochial school)]. This makes me very curious of the content of the concordat: "Conciliar Document on Religious Freedom", being pushed in Washington by John Courtney Murray (R.C. Priest).

It becomes apparent that a chain of events of influence by certain people directed R.C. Hitler's life. Leopold Poetsch, his (Catholic) teacher; Mein Kampf: written, for Hitler, by German Jesuit: Staempfle; his "recruitment" into the Thule Society, 1919 (totally racial, religious, ethnic biased and anti-Semitic satanic cult. Read: "The Occult and The Third Reich"), as stated in (web page) "Illuminati Outline of History". All of Hitler's "inner circle" were members e.g. Himmler (Knight of Malta), Goebbels & Hoess etc. (and still good Catholics) which were among the thousands of Nazi and Ustasha fascist war criminals smuggled to Argentina, Bolivia, Paraguay, Australia, Canada and the U.S. (with 10,000+) by the Vatican (using forged documents, with Vatican seal, on stolen Red Cross travel cards with Vatican Visa's). The mass evacuation ("Ratlines") being coordinated by a small cabal of Vatican officials ("Intermarium") such as the infamous Dr. Nix (CIA top secret document: "Illegal Emigration Movements In and Through Italy", declassified: NND 760050: 11 April 90), Giovanni Montini (later Pope Paul VI), Hubal and Dragonovic (worked with U.S. Army's Counter Intelligence Corps (CIC) organizing the escape of Gestapo head and war criminal Klaus Barbie to South America) under the direction of Pope Pius XII (1945-1950) "Unholy Trinity" by: Mark Aarons and John Loftus); "Those who did rescue the mass murderers from the hand of justice were not Peron (Argentine populist dictator) and his secret police but the [Roman] Catholic Church and its emissaries. It was the [Roman] Catholic Church, which, through its priests, church's, monasteries and forged Vatican passports, managed to foil the post-war hunt for Nazi war criminals. Nor was the church's rescue operation inconsistent with the policy it had pursued throughout the Nazi era. Henri du Lubac, a Jesuit theologian, filed a report in 1944, well before the end of the war, on the collaboration of

the [Roman] Catholic Church with the pro-Nazi Vichy (French) regime. Hidden until this month, the report condemns what du Lubac calls the moral and spiritual abdication of Roman Catholic Bishops under the Nazis. For decade's French cardinals, monks and nuns had helped one of France's worst war criminals, Paul Touvier, escape justice. It is difficult to imagine that it was possible, in the monolithic [Roman] Catholic Church, for so many to act so uniformly for so long without the knowledge and approval of the highest levels of the Vatican. Israelis have found it difficult to understand why the Vatican has refused to recognize the State of Israel." Jerusalem Post, editorial: "Maxima Culpa" 14 Feb 92; Adolf Eichmann was issued a Vatican visa and passport (in the name of Ricardo Klement, dated: 14 July 1950) by Franciscan monks in a Catholic monastery in Italy, giving him free passage to Argentina. At his trial in Jerusalem, raising his right hand in swearing to tell the truth, Adolf Eichmann gave the hand sign of the Pope. Hitler was backed by Illuminati bankers [the reason Rudolph Hess flew to Scotland (home of the Rothschild's)], in London, New York City and Berlin, after approval by Ivy Lee (probably chosen due to his successful promotion of the image of John D. Rockefeller), who was hired by I.G. Farben for that purpose [I.G. Farben, who fed the notorious "Farben buna soup" to the inmates working at "I.G. Auschwitz" factory (specially formulated to starve them to death in three months) and invented Zyklon B, the poison used to gas the Jews (according to Franciscan, Duns Scotus, Jews were slaves by divine decree), Gypsies etc. and now controls the pharmaceutical industry in the U.S., the A.M.A. and the F.D.A.

That's why Laetrile (more recently called Mega-zyme Forte) was outlawed without ever being tested and not allowed to be tested. It's a food, (not a drug) vitamin B-17, derived from apricot seeds (and other food sources), that has been proven to cure three out of five "terminal" cancer patients. That's also why the F.D.A. "requires" \$210,000,000 and 10 years in research to put a vitamin on the market (effectively stopping all new vitamin company manufacturing).

It really doesn't take much imagination to figure out the annual multi-million dollar income these pharmaceutical companies are raking in (\$29 billion in 25 years) from federal grants, which would come to a sudden stop if their were no more "cancer industry" (read: "World Without Cancer", by: G. Edward Griffen): while treating a congressman, Dr. Francisco Contreras, and the congressman, discussed hopes for an eventual cure: the doctor was told that if he took a total cure to the U.S. President tomorrow, he'd "Probably be killed!" "Cancer is such a big business in the U.S.A."

Now you can see why Dr. Burzynski is being prosecuted in Texas for curing cancer patients. They will put him away because he is too much of a threat to their mega-buck industry] (in 1996 over 600 hospitals merged with Catholic institutions in 19 states, from Portland Maine to Oakland California).

Kernersville N.C : a cancer patient was told, by his doctor, he would have to have half his jaw removed to stop the cancer. The man went to Tijuana(Dr. Ernesto Contreras:

Contreras Oasis Hospital, Playas De Tijuana, Mexico) and was treated with Laetrile and the cancer cleared up. The man told his doctor about the treatment and the doctor (by federal law) reported it to the American Medical Association: federal agents came and searched the mans home for the Laetrile. In the U.S: I.G. Farben is BASF, Bayer and Hoechst.

Tampa FL : Dr. James Kimball sentenced to thirteen years, by federal mob, psychopath, judge: Richard Iazzara : Dr. Kimballs crime ?: curing patients of degenerative diseases and slowing their aging processes, using non-pharmaceutical medicines he invented, and the FDA not making any profit from it : having a 100% success rate with his patients, he had to be stopped. Federal vermin Iazzara stated: "he does not have any respect for authority or for the law". Are you starting to get the picture ?

Hitler stated in "Rise and Fall of the Third Reich", page 44: "Regardless of how much room for criticism there was in any religious denomination, a political party must never for a moment lose sight of the fact that in all previous historical experience a purely political party has never succeeded in producing a religious reformation." Compare this with page 486-487: "These peoples looked longingly toward their "mother" countries, Hungary , Russia and Germany respectively, though the Sudeteners had never belonged to the German Reich (except as a part of the loosely formed Holy Roman Empire) but only to Austria". Obviously Hitler saw his Third Reich as a Roman Catholic enterprise ["Center Party"(re-established as Christian Democratic Party" following WWII) Catholic Church political party, who's president was Bishop Ludwig Kaas {one of its political protñ•s is in Peru with the same name and for the same purpose}), of Germany was disbanded by Cardinal Pacelli, throwing all of its support behind Hitler]. Hitler was baptized in Linz, paid the German state tax (Kirchensteuer) to the Vatican (still required of every German citizen today), was in communion and carried out cannon law and policy until his demise. With this in mind we can see why Hitler stayed true to his other concordat allies: Franco (who was put into power and assisted for his entire reign by Catholic order Opus Dei (founded by JosíYaria Escriva), who also assisted the Ustasha in Croatia during WWII and still assists Vatican mercenaries in Bosnia and Kosovo today; Sargent Shriver (and his wife, Eunice Kennedy Shriver), who was George McGovern's running mate in 1972, are Opus Dei (Pope's Mafia: Church and State magazine); F.B.I. special agent: Robert P. Hanssen (spied for the Russians for 15 years) and F.B.I. head: Louis Freeh are Opus Dei supernumerary: keep this in mind when you learn the sole purpose of the order is the subjugation of governments to the Vatican) <http://www.mond.at/opus.dei> (an annual mass is celebrated in Hitler's memory in Madrid) (the present day Irish Catholic press is full of flattering illusions to Franco of Spain and Salazar of Portugal) and Mussolini (who was put into power by the Vatican) while breaking every other international treaty. It is significant that Germany, Italy and Spain are together again as they were with Hitler, Mussolini and Franco (with their "Pact of Steel", signed, 22 May 1933).

2 March 1939: Cardinal Secretary of State, Eugenio Pacelli was sworn in as Pope Pius XII; four days later (as Hitler's tanks are rolling into Poland) Pacelli wrote to Hitler: "To the illustrious Herr Adolf Hitler, Fuhrer and chancellor of the German Reich! Here at the beginning of our pontificate we wish to assure you that we remain devoted to the spiritual welfare of the German people entrusted to your leadership. During the many years we spent in Germany, we did all in our power to establish harmonious relations between church and state. Now that the responsibilities of our pastoral function have increased our opportunities, how much more ardently do we pray to reach that goal? May the prosperity of the German people and their progress in every domain come, with Gods help, to fruition!" Pacelli maintained a papal nuncio (Archbishop Orsenigo) in Berlin throughout the Third Reich. At Pacelli's express wish (20 April 1939) Orsenigo opened a gala reception for Hitler's 50th birthday, which became a tradition throughout the Third Reich, along with Cardinal Bertram sending "warmest congratulations to the Fuhrer in the name of the Bishops and dioceses in Germany", to which he added "fervent prayers which the Catholics of Germany are sending to heaven on their alters": "Hitlers Pope: The Secret History of Pius VII", by, John Cornwell (all research for this book was done in the Vatican Library).

Chick Publications (<http://www.chick.com>), in Ontario California, prints gospel tracts, storybooks and other Christian literature. This company is very important to this subject matter. As are the names of Joseph McCabe (former Franciscan monk and internationally famous atheist and author of almost 250 books); ex-Dominican monk: Walter M. Montano, author of "Behind the Purple Curtain"; ex-priest: Bernard Fresenborg, author of: "Thirty years in hell" and "Uncle Sams New Fiancee". Chick Publications has, in print, the true story of a former Jesuit who, after many years in the service of the Vatican, came out of the Church of Rome and put his story into print, as did Montano, McCabe and Fresenborg. This former Jesuit (Dr. Alberto Romero Rivera) and Jack Chick, of Chick Publications, have had many attempts made on their lives for publishing these materials, (Dr. Rivera, being poisoned by a dentist breaking off an infected needle in his jaw and systematically fed poison for many years, succumbed 20 June 1997) as have other authors and publishers of like subject matter. The Vatican does not take lightly the exposing of its practices, or of its secret books i.e. "Secret book of instructions for the Jesuits", LCCN: BX3705.A2 M65; "Secret History of the Jesuits": Edmond Paris 1975, LCCN: BX3706.2 .P3713 (these are two books you should definitely read). They expose the unquestionable clear methods and intentions of the Vatican for the future, (their own publications). There are enough books, by such a variety of authors, from different time periods, writing from first hand knowledge, saying the same thing that the evidence is inescapable. Denial of this information can only be done with total bigotry and abstinence of logic, and therefore can only be construed as complicity with its intentions (yes it does bear repeating). It is very true that tyranny can only prevail when good men do nothing e.g. Chamberlain and the Treaty of Versailles.

"Romes responsibility for the assassination of Abraham Lincoln" (LCCN: E457.5.H316),

author: Thomas M. Harris, Late Brigadier General U.S.V. (and a presiding judge over the trial of the conspirators), "The assassination of Abraham Lincoln" (LCCN: E457.5.H28 or .H31), also by Thomas M. Harris; "Behind the Purple Curtain" (LCCN: BX1773.M6); "The Great Conspiracy"; "The suppressed truth about the assassination of Abraham Lincoln" (LCCN: E457.5.M27) by Burke McCarty; "Fifty years in the Church of Rome" by Charles Chiniquy, ex-catholic priest; "Treason History of the Order of the Sons of Liberty"(LCCN: E458.8.S85) by Felix G. Stidger; "Washington in the Lap of Rome" (LCCN: BX1770.F9) by Justin D. Fulton; "History of the Plots and Crimes of the Great Conspiracy to overthrow Liberty in America" (LCCN: E310.D983) by John Smith Dye; "The Trial of John Surratt" by: John Surratt [John Surratt hid in Catholic monasteries in Canada (6 weeks); England (4 weeks); became member of Zuaves (personal body guard to the Pope, in the Vatican) before, eventually, being extradited back to Washington D.C. to stand trial where (full row of Jesuits paraded, in file, up to John Surratt, at every break in the trial, to shake his hand and making sure the jury saw them) he got off on a hung jury. John Surratt and John Wilkes Booth studied for the catholic priesthood at the Sulpician Monastery, outside Baltimore]. "Official Records of the Union and Confederate Navies" series II volume III (federal depository library) shows the Vatican's involvement, on the side of the Confederacy, its complicity in the assassination of Abraham Lincoln and attempted assassination of Secretary of State William H. Seward. As well as their planned control of politics, education [Bill Bennett (and his, Jesuit, brother Bob are KNOWN operatives in CIA/MK-Ultra/Project Monarch-extreme trauma induced mind control sex deviates and pedophiliacs), self-professed Jesuit, Secretary of Education, under Reagan (Reagan was shot, 30 March 1981, after balking at assigning Bill Bennett as Secretary of Education: In April of 1982, in a speech made to the National Catholic Education Association:

Reagan made the incredible statement: "I am grateful for your help in shaping American policy to reflect God's will, And I will look forward to further guidance from His Holiness pope John Paul II during an audience I will have with him in June.") propagator of Outcome Based Education (OBE), stated: "All children should be taught by Jesuits"], immigration [St. Leopold Foundation (Vatican spy network, founded: Vienna Austria, 1828)] and their already, at that time, control of much of the press (which has grown to include every other mode of media communication): "Liberty of the press, the most dangerous liberty, an execrable liberty, which can never inspire sufficient horror, and which some men very noisily and insisently demand to spread everywhere . . . ": Pope Gregory XVI: (Toward a Catholic Constitution", pg. 59, by: Leonard Swidler.). Pope Pius wrote a letter to Jefferson Davis, with the specific instruction to have it printed in the Richmond newspaper to get the Irish Catholic's in the Union army to desert. He did and they did (144,000+ deserted in one week). When Lincoln initiated a draft for the Union Army, in New York City(1864), Archbishop Hughes instigated the biggest race riot in American history, including the burning to the ground of a black orphanage and trampling to death of its occupants. We know the Illuminati's international bankers supplied Jeff Davis (who's secretary of state: Judah P. Benjamin, was a House of Rothschild agent), J. Wilkes Booth, Sons of Liberty, Knights of The

Golden Circle (J. Wilkes Booth was seduced to assassinate Abraham Lincoln by a woman, Ella Turner, and joined Knights of The Golden Circle for the sole purpose of obtaining their assistance to that end; Leon Czolgosz joined Knights of The Golden Eagle and was seduced to assassinate president William Mckinley by the infamous woman anarchist: Emma Goldman), Order of American Knights (Copperhead organizations, still in existance today, with their own quarterly newspaper: "Copperhead Chronicles", with their same old anti-Lincoln and anti-Union rhetoric) etc. with money thru the Bank of Ontario, Montreal Branch, thru Jeff Davis's "Canadian Cabinet", which was planned in detail in the Vatican before Brig. Gen. Beauregard (Catholic) fired on Fort Sumter: "We have the proof that the company which had been selected and organized to murder me was led by a rabid Roman Catholic named Byrne; it was almost entirely composed of Roman Catholics. More than that, there were two disguised priests among them to lead and encourage them. Professor Morse, the learned inventor of electric telegraphy, tells me that recently, when he was in Rome, he found the proofs of a most formidable conspiracy against this country and all its institutions. It is evident that it is to the intrigues and emissaries of the Pope we owe, in great part, the horrible civil war which is threatening to cover the country with blood and ruin." (Abraham Lincoln). All this is in the Library of Congress, along with U.S. State Department record of the U.S. Government breaking off diplomatic relations with the Vatican on 30 June 1867 (for refusing to allow non-catholic religious worship inside the walls of Rome: which should tell you how TBN now has an international religious TV broadcasting station in Rome), which was re-established by Ronald Reagan, 10 Jan 1984. Reagan only authorized the raid on Moammad Gahdafi after Gahdafi's terrorists set off bombs in Rome, even though he knew about Gahdafi's terrorism and counterfeiting activities for years.<http://www.mosquitonet.com/~prewett/holyalliance1of2.html>

CRAIG-OXLEY - October 6, 2006 09:42 PM (GMT)

According to Alberto Rivera there have been over two thousand Jesuits in U.S. government positions prior to 1980. If this is true, and all indications appear so, there's no telling how many there are now, and how much power they wield in Washington and state governments. The Jesuits control the entire CIA/MK-Ultra/Project Monarch (extreme trauma induced multiple personality: Jesuit/Vatican mind control) program. These robotic victims are used as sex slaves and to deliver drugs/money and/or encrypted messages to heads of state and/or their drug operatives all over the world. They are also used to carry out murders [Eric Harris and Dyland Klebold (Al Gore and his goons wore black trench coats while he made his speech at Columbine High School: identifying with the "Trench Coat Mafia")].

Operatives within Project Monarch program: Gerald Ford, Ronald Reagan, George Bush, George Bush Jr., Bill & Hillary Clinton, Robert C. Bird, Alan Cranston, Madeleine Albright, Dick Cheney, Bob (drug czar) & Bill Bennett (Jesuits), Alan Simpson, Arlen Specter, Jim Traficant, Governor Mellon, Bob Clement, Pierre Trudeau (Canadian President/Jesuit), De la Madrid (Mexico), Michigan governor: Blanchard, Prince Bandar Ben Sultan, Dr. Steve Hassen, Dr. Louis Jolyon West (psychiatrist who experimented with LSD for the CIA, and former head of Neurosychiatric Institute UCLA, Los Angeles), Civia Tamarkin, Sue Carper, Joe Casey, William Casey, Dennis Delaney, William Dieh, Lloyd Lindroth, Jimmy Buffett, Rev. Billy Roy Moore, Larry Flint, Charlie Pride, Jack Greene. Country music operatives: Alex Houston, Lee Atwater, Boxcar Willy, Jimmy Dean, Jimmy Walker, Tommy Overstreet, Lee Greenwood, Jerry Reed, Kris Kristopherson, Wayne Cox, Ken Riley, R.C. Bannon. Baseball operatives: Tommy Lasorda, Nolan Ryan. Others: Don & Guy Vanderjagt, Bud Crammer, Steve Hassen, J. Bennett Johnston (Louisiana Senator), David Rorick, Patrick Leahy, George Lucas, Michael Dante' (Michael Viti), Reggie "Mac" McLaughlin, Hal Meadows, Dick Thornburgh, Mickey Miller, Ray & Regina Myers, Scott Rosenberg, Carlos Salinas de Gortari, H.R. Gibson, Gary Ackerman, Lamar Alexander (ritual Satanist), General Cedras, Lt. Col. Michael Aquino, Jack Valenti, Jose Busto (Puerto Rican drug lord). Catholic priest operatives: Vesbit, father Don, James Thaylen. Centers for mind control experimentation: Branson Missouri Country Music Center, Lords Chapel Church (Brentwood Tenn.), St. Frances of Assisi Catholic Church/Catholic Center high school (Muskegon, Michigan), Jesuit College (Wheeling W.V.), Boys Town Orphanage (incorporated} Omaha Neb.), Mormon Church (Salt Lake City, Utah), Church of Scientology, Andrews A.F. Base, Barksdale A.F. Base, McDill A.F. Base, Offutt A.F. Base, Plattsburgh A.F. Base, Tinker A.F. Base, Warner-Robbins A.F. Base, Ft. McLelland, Ft. George Meade, Ft. Campbell, NASA: Cape Canaveral; Washington D. C.; Marshall Space Flight Center, Redstone Arsenal, Huntsville Al., Harvard University ("Trance-Formation of America", by Cathy O'Brian and Mark Phillips). Advocacy Committee for Human Experimentation Survivors-Mind Control (ACHES-MC) is an organization dealing with survivor/victims of this heinous Jesuit/CIA program.

Linda Wegen's case is typical: (a loving mother simply trying to raise her children) after finding out her children were victims of SRA (satanic ritual abuse: by her ex-husband and the local day care center), Linda took her children to a psychiatric hospital who (after their examination) told Linda of her children's SRA condition. The federal authorities then confiscated everything Linda owned (home, bank accounts, car, clothing; literally, everything except the clothes she was wearing!): simply because she was trying to help her children: her children were given to her satanic ex-husband: even her children from her former marriage which he had not adopted. Satanic ritual abuse of children through day care centers is very prevalent, especially in Connecticut.

The "Finders" in New York City, is a CIA front organization dealing in kidnapping;

international trafficking of children, pedophilia and drugs.

The Vatican bought 26.8 million dollars in gold from the U.S. reserves, at a dollar an ounce under market value (\$34 an ounce) and sold it back to the Government at market value [\$35 an ounce (United Nations World Magazine, Dec.1952)]; With 5500+ schools, colleges and universities (Clinton was educated at Jesuit Georgetown University, where he and Fidel Castro were trained in communist philosophies; Jefferson Davis at St. Thomas Catholic college in Kentucky) all receiving government subsidies. Marymount College in Boca Raton, Florida is typical: Founded in 1963 and having a student body of 350 in 1968, it received, from the government, two million in housing grants, a \$55,000 anti-poverty grant to study migrant children and a \$10,000 education grant; In 1965 in Mississippi a \$7,000,000 government-sponsored program for the retraining of unemployed was run by an agency organized by a Roman Catholic Diocese, the \$7,000,000 was financed by the government via the Hillburton Act (1954, 1964). From 1947 to 1964 7,372 such projects were approved; HUD condemning public lands and giving it to the Catholic Church, along with protestant tax money to develop the land [build Catholic schools or hospitals (since 1961 the Catholic Church has been receiving \$83,000+ a day for such projects)]. HEW should be renamed CPA (Catholic Property Acquisition); Jesuit Fordham University acquired a valuable piece of Lincoln Square in New York City for a fraction of its worth, then got federal aid to develop the property; Manhattan College, famous for its wines and brandy, obtained a large factory and financial assistance from New York's Dormitory Authority; In Chicago HEW donated a sixty-acre, 4.5 million dollar tract at the Hines Veterans Administration Hospital to Jesuit Loyola University. When V.A. general councilman Fred B. Rhodes Jr. balked at the giveaway a devout Catholic replaced him. New York State banking records shows us that in 1962 the Catholic Church owns stocks and bonds in hundreds of corporations. Among others: Baltimore & Ohio R.R., Rock Island, Erie, Sea Board, Missouri Pacific, Pere Marquette, Goodyear Tire & Rubber, Firestone, Fisk, U.S. American Smelting, Commonwealth Edison, Brooklyn Edison, N.Y. Edison, Pacific Gas & Electric, West Penn Power, American Commonwealth Power, Texas Electric, Atlantic City Convention Hall, Louisiana Hotel Company, Squire Building, Lane Bryant, Fox Playhouses, Fox Theater (St. Louis), Denver Joint Stock Land Bank, Savoy Plaza Hotel, National Dairy, Thermoid, Washington Silk, Pillsbury Flour, Yankee Stadium, Watergate, General Motors, General Electric, Shell Oil, Bethlehem Steel, Gulf Oil, IBM, Boeing, Lockheed, Douglas, Curtis Wright, Phillips Oil Co., Creole Petroleum Co. And all tax-free.

In Massachusetts its hard to distinguish between the Catholic Church and the state government, every time a public school closes the Catholic Church buys it for a dollar; The Catholic Church never loses a "sealed" bid on public land auctions. This is done via an open and devious by-passing of the U.S. Constitution, by the hidden Catholic pressure group within the U.S. Government, state and local, by the legal, semi-legal and dubious politico-financial manipulations of sly Catholic dealers relentlessly operating in the legislative, financial and real estate fields on behalf of the Catholic

Church. At one time the Catholic Church owned more land area than the entire state of Connecticut. The Catholic Church has been "buying" land and constructing buildings in New York City at a rate second only to the city itself (being all tax exempt: care to take a guess why New York City went bankrupt twice when George "Mr. Cocaine" Bush was in the Whitehouse?) and all thanks to Cardinal Francis "burn-em alive" Spellman ("The Vatican Billions" by Avro Manhattan); [The Popes banker, Michele Sindona, was a very busy boy before being sent to federal prison in New York State for causing the default of Franklin National Bank. It appears he was not only the Popes banker but also the banker for: IOR [Vatican bank (Societa General Immobiliare), Italian Masonic Lodge, P2 (Italian Masonic Lodge political arm), Vatican political party, Sicilian mafia and Lacosa Nostra (Sindona set up the system for Sicilian mafia and Lacosa Nostra to launder their drug money thru Vatican owned banks, Credit Swiss, in Switzerland). He, in all likelihood, set up the program of \$900,000,000 in counterfeit bonds for the Vatican, to be pushed in this country. When it was discovered that the Vatican Bank (IOR) and Cardinal Tisserant (second only to the Pope) were the main offenders, and an investigation was certain to follow, Tisserant conveniently died, requesting before his death that his diaries be removed from the Vatican.]; The I.R.S. classifying people who stand up for their rights as non-filers, knowing full well there is no I.R.S. code or law requiring anyone to assess themselves for any tax (article five of the Bill of Rights) and then turning them over to the B.A.T.F. who (by computer program automatically) classifies them as drug smugglers with their semi-secret "T" code system["T5"(I.R. S.6209 manual)], to give them the appearance of legality, to confiscate properties [If you go to court (Title 4(annotated) U.S. Code, Chapter 1: u.S. flags in federal court rooms are military Ceremonial/Parade Flags (gold fringe), AR840-10(b-1): under which the u.S. Constitution is suspended {two gold-knotted-tasseled ropes are admiralty flag: again the U.S. Constitution is suspended}) with the I.R.S. they ask you about your U.S. citizenship and if you don't answer just right they classify you as a citizen of Puerto Rico, Guam, Samoa or the U.S. Virgin Island's [the "other" united states that are owned by the District of Columbia (acquired from the Spanish American War) and run by the Catholic Church]. Care to guess why? (Because that's the only place the I.R.S. & B.A.T. F. have "legal" jurisdiction). The I.R.S. is a department of the Treasury of Puerto Rico. The title heading of the I.R.S. reads: "Internal Revenue Service A Department of The Treasury", it does not tell whose treasury it's a department of. Look in 31 USC under Dept. of U.S. Treasury and look for the agencies they authorize: guess who is missing, that's right, the B.A.T.F. & I.R.S. Why do you make checks payable to the I.R.S. and not the U.S. Treasury? That's how the I.R.S. diverts your money to the international bankers (IMF)]; The names of every member of the jury pool, in a tax case, is given to the I.R.S. by the U.S. Attorney prosecuting the case: securing a partial jury for the I.R.S. If you, or any one you know, is having problems with the I.R.S. contact, tax expert, Ben Houck Ph:(614)532-9669 or Fax: (614)532-3570. Ben knows more about income tax codes than the I.R.S.

The Jesuits own fifty one percent of Bank of America (largest bank in the U.S.) the

Vatican owns stock in hundreds of banks all over the world; Banca Nazionale de Lavoro (the Pope owns controlling interest), through its branch in Atlanta Georgia, laundered over \$5 billion of American taxpayers money from the U.S. Dept. of Agriculture to pay for Saddam Hussein's war machine, including his "super gun"; Railroaded Rep. George Hansen (R-Id.) into prison and physical torture ("Diesel Therapy", that left his wrist's crippled for life) by judge Edward Lodge, after Hansen called for a congressional investigation of the Justice Department and wrote the book: "To Harass Our People, The IRS and Government Abuse of Power" (assault on religion) [In this book Representative Hansen exposes the I.R.S.'s practice of selectively prosecuting church's for income tax evasion (Sun Yung Moon, 1981, for not reporting interest on 112,000 in Chase Manhattan bank. Do not be deluded that this has anything to do with a zeal for collecting tax's for the United States Treasury. The tax, fine and penalties combined do not amount to a fraction of what the I.R.S. spent in prosecuting the Moon case. Not three miles from the court house where he was prosecuted, Roman Catholic Archbishop of New York: Terence Cooke, held personally in his own name, assets worth a thousand times that which Moon was charged with evading. In fact Catholic church law requires the reigning ordinary own its property in his own name: known in law as: "corporate sole", for which, of all the hundreds of Catholic Archdioceses reigning Cardinals and Bishops in the U.S., not one has ever been looked at by the I.R.S., much less brought up on any charge, showing conclusively, who the I.R.S. selects and why)]: In the trial of F. Tupper Saussy, <http://www.patshannan.bizland.com/rulerintro.html> prosecuted by (self professing jesuit) John MaCcoon, exculpatory evidence ignored or suppressed, prosecutorial improprieties excused, attempts to avoid consequences of improprieties bring punishment: This prosecutorial/judicial steamrolling people into prison (Saussy with 14 months) is not unique to tax court cases. It is the typical judicial MO of state courts railroading parents (of phony child sex abuse cases) into prison: Kern County (Bakersfield) California is typical (see the docudrama: "Just Ask My Children"); Ruining Rep. Joseph Montoya (D-N.M.) for pushing for reforms of I.R.S. agency crimes exposed by him in Senate hearings in the 1970's; F.D.A., H.R.S. etc. arresting people, ransacking health food stores, confiscating property, killing animals, destroying property, and all without a court order and in deliberate violation of article five of the Bill of Rights, throwing peoples right of habeas corpus (assumed innocent until proven guilty) out the window; with immigration (totally controlled by Jesuits) bringing in Hispanics (all Catholic) by the boat loads (legally and illegally) to feed off our welfare system and further deplete the economy [which explains the planned failure of Nafta and Gat (sending companies and jobs to dominant Catholic countries) thru Vatican controlled Mexico] and influence federal, state, county and city legislation and elections [the unofficial private corporation: News Election Service (NES) has sole physical control of the counting and dissemination of every vote, in our national elections, and does not allow the public to know how it is done] and will be the only ones to receive unending welfare when welfare" officially" comes to an end. At or near every immigration office in the U.S. is a Catholic law firm to give free legal assistance to any Catholic immigrant entering this country. Anyone doubting this should

read: "Illegal Emigration movements In And Through Italy", by: Vincent La Vista, declassification no. NND 760050, 4-11-90, National Archives Record Group No. 59, Center For Legislative Archives, Washington D.C: Why else would we have immigration offices in Rome and Mexico City? (It is no coincidence that the only other foreign office of U.S. Department of Immigration is in the worlds second highest volume route for heroine: Bangkok Thailand).

P.S. United States Constitution, Article I, Sec. 9, paragraph 4: No capitation, or other direct tax shall be laid unless in proportion to the census or enumeration herein before directed to be taken.

Article XVI: The Congress shall have power to lay and collect taxes on incomes, from whatever source derived, without apportionment among the several States, and without regard to any census or enumeration.

Ronald Reagan and Richard Nixon used the WWII fascist war criminals smuggled into this country(Nazi war criminal, Walter Dohrnberger, sentenced to be hung at Nuremberg, is head of Bell Aerospace Corp. R & D dept.) thru the Vatican "Ratlines" to get the ethnic votes that put them in the Whitehouse. Ronald Reagan, while governor of California, set a day of recognition for the Ustasha of Yugoslavia until the Yugoslavian government protested; on his visit to a concentration camp in Europe: Reagan laid a wreath on the grave of an S.S. officer. "The Church can dispense from a promissory oath. This power belongs to the Pope and Bishops, who exercise it either by themselves or by their delegates." p.203; "The civil laws (of Christendom) are binding in conscience so long as they are conformable to the rights of the Catholic Church."p.278 "Abridged Course of Religious Instruction for the Use of Colleges and Schools" by: Rev. F.X. Schoupe (Jesuit); federal judges controlling the juries to the extent that they have no choice but to rule the way they say, or overruling them and passing his own judgement on the defendants (which moves sovereignty from the people to the courts), e.g. Walter Smith Jr.(Judge Roy Bean) of Waco Texas. The list of federal agency violations of "citizens rights" is a bottomless pit. Like the threat made on myself by an I. R.S. special agent from Pikeville Ky. in the I.R.S. office in Ashland Ky.(28 April 1995) when he laid a loaded snub nose cal.38 revolver on the desk in front of me, with the barrel pointed at me, while being witnessed by collections agent John T. Yewell.

Then there's Mt. Carmel, with its trumped up charge of a methamphetamine laboratory (never mentioned again after the raid started) to give assistant U.S. attorney Bill Johnston an excuse to get his warrant and special forces training for his B.A.T.F. goons; and with the B.A.T.F. agent Robert Rodriguez having been in Mount Carmel (day before the raid) where he inspected all the firearms and knew what was and was not there, and with further inspection of the weapons "requested" of the B.A.T.F. by David Koresh and "refused" by the B.A.T.F.(which would have left them without an excuse for their murder and mayhem). Five FBI agents rented a house across the road

from Mt. Carmel: two of those agents attended bible study classes with David Koresh for a month before they started their slaughter: at the same time other FBI agents were busy printing and handing out leaflets in Waco, degrading the Branch Davidians. I'm sure Bill Johnston was expecting a turkey shoot, and all with 100% support from the controlled (Skull & Bones) media, before, during and ever since ("The Massacre of The Branch Davidians" by Carol Moore, 28 Jan 1994). All of this is a precursor of what is to come.

Ever notice how the media never misses an opportunity to jump on preachers who make statements concerning government policy, screaming: "separation of church and state"? And when the Pope comes to this country making speeches on the same issues their silence is deafening! The only person to voice a negative response to the Popes statements to abortion was Madelin Murrey O'Hair, whose statements have not been published since. Just before O'Hair, and her family, was to go to New York, to protest the Pope, she and her family disappeared without a trace. Again the media silence was deafening. Ever notice the A.C.L.U. in all of its rantings about separation of church and state is stone silent about government (protestant taxpayer) moneys going to Catholic schools? (Federal grants and loans to Jesuit colleges, universities and their programs are in the billions). At the turn of the century Pope Leo XIII was raking in over one and a half million dollars annually from: (1) Peter's pence contribution (over \$415,000); (2) Apostolic Chancellery aggregate (\$520,000); (3) Interest of the vast sum left by Pius IX in the Pontifical treasury, invested chiefly in English Consols (\$625,000). Notice the Pope trusted the securities of a Protestant nation and not a Catholic as France, Spain or Mexico. These figures would hardly make a dent in those of today.

The Jesuits rake in over \$280 million annually. The assets of Grey Nuns of Charity \$3.5 million; Sisters of the Immaculate Heart \$7.5 million; Sisters of Saint Joseph of Newark \$17,899,384; Little Sisters of the Poor \$25 million; Sisters of Mercy \$39,754,132; Sisters of Charity \$66,533,833; Sisters of Charity of Providence \$90,187,000; Sisters of the Sorrowful Mother \$93,636,516; Sisters of the Holy Cross \$110,892,759. There are 539 such orders of nuns and monks. All tax-free! AND THE I.R.S. NEVER LOOKS AT!! "Praise The Lord For Tax Exemption", by: Stanley Lowell and Martin Larson.

If you think my thesis untenable then please prove me wrong. Simply run a background check (personnel file) to see which (if any) Jesuit schools were attended by (or: Knights of Columbus; Knights of Malta; Opus Dei): publishers of public school history books; federal judges: Joyce Hens Green, Manuel L. Real, Tanner, Hodges, Thomas P. Griesa, Milton Pollack, John W. Walker Jr., Kimba Wood, Clifford Weckstein, Richard A. Posner, Richard Maich, Ranck, James F. McClure and definitely Walter "Roy Bean" Smith Jr. of Waco; Assistant U.S. Attorney's Bill Johnston, John Maisto (U.S. diplomat), Leslie Brydon, Herschel Lock, Jeffery Mench, [the previous three, along with Tom Bowman (personal aid to Skull & Bones Senator Arlen Specter), Richard Medellin, Judges: Rank and James F. McClure being instrumental in the kidnapping (the children were taken without the parents being present or even notified when the charges were

presented in court) of the children of Steven and Dawn Ames in the court of common plea's of Northumberland County Pennsylvania. The sole charges being: teaching their children the Bible and the U.S. Constitution], and B.A.T.F's: John Magaw, Davey Aguilera and Lloyd "Bilderberg" Bentsen [who was C.F.R. (Illuminati)]; Peter Galbraith: U.S. Ambassador in Zagreb; Bob Bartel of "The Spotlight" newspaper (his political tabloid is anti-Semitic and denies the Holocaust, which was orchestrated in the Vatican); Tom Metzger, who's skinhead organization uses R.C. symbology [the mirror image dragon/bird, used by the Skinheads, is identical to that used by the Nazi's and Albanian K.L.A. (Stash)] and doctrine (with the names changed) and has direct links with skin head/nazi organizations in Germany; US Magistrate: Richard Kop, US Attorney Thomas Taken, FBI head: Nicholas O'Hara, Mickey Mott (the last four being Satan worshipping pedophile of Omaha Nebraska); Frank Liberto (New Orleans godfather/close associate to J. Edgar Hoover (Knight of Malta) and key figure in the assassination of Martin Luther King Jr.). Known Knights of Malta members are: William Casey (CIA head), Jeremiah Denton (Alabama Senator), Pete Domenici (New Mexico Senator), Alexander Haig, William Simon (Treasury Secretary), William F. Buckley, Lee Iacocca.

Every Government official, especially C.I.A., graduate from Yale University is Skull & Bones (which had its origin in the University of Berlin. Founded at Yale by Alphonso Taft and William H. Russell and exists only at Yale University). Some members being: Arlen Specter, Prescott Bush (and other Skull & Bones members robbed the grave of Geronimo in Oklahoma taking the body back to the "Tomb" on the Yale campus), George Bush, George Bush Jr., Franklin Roosevelt, Kellogg, Dupont, Richard Bissell Jr. etc.

Since the Pope has set down, in document, his clear intentions it would be prudent to do a background check on Robert L. Sumner (who spreads lies about fundamental preachers): "Against an elder receive not an accusation, but before two or three witnesses." (I Timothy 5:19), Jim Bakker, Pat Robertson [J. Peter Grace, top man in Knights of Malta (a secret Catholic quasi-religious on the surface/anti-religious at the core organization that dates back to the Crusaders), is godfather to his children], Paul Crouch, Benny Hinn, Billy Graham and Jack Van Impe. These are T.V. preachers pushing the ecumenical whitewash of the "Mother of harlots and the abominations of the earth" (Rev.17:5).

"For such are false apostles, deceitful workers, transforming themselves into the apostles of Christ. And no marvel for Satan himself is transformed into an angel of light. Therefore it is no great thing if his ministers also be transformed as the ministers of righteousness; whose end shall be according to their works" (II Corinthians 11:13-15). The Jesuits have been in control of the National Council of Church's and World Council of Church's for over thirty years.

It is very relevant to remember that the Vatican [Vatican is from the classical Latin root

word: Vaticanus, which by definition means: "house of divination" (dwelling of demons); standing in the center of St. Peters Square is an obelisk (symbol of male sex organ in Satan worship) from Egypt] is an independent country with its own dogmatic constitution.

With the Pope (vicar of Christ) being the head of that state. Therefore for a practicing R. C. "not to" adhere to the dictates of the Pope and his encyclicals is to go against God. This is Roman Catholic canon law: "Abridged Course of Religious Instruction for the Use of Colleges and Schools," by Rev. Father F.X. Schouppe (Jesuit) p.203: "The Church can dispense from a promissory oath. This power belongs to the Pope and bishops, who exercise it either by themselves or by their delegates." p.278: "The civil laws (of Christendom) are binding in conscience so long as they are conformable to the rights of the Catholic Church." (Whats this tell you about the U.S. Supreme Court of which at least four are R.C. and ruled to keep the Bible out [while allowing two dirty books: "Of Mice and Men" and "Catcher In The Rye" (of which John Lennons killer {Mark David Chapman} was a student) to be required reading in every high school in the country] of Public schools and to murder the unborn and calls pornography: "freedom of speech"?). ("The kings of the earth set themselves, and the rulers take counsel together against the LORD, and against his anointed, saying, let us break their bands asunder, and cast away their cords from us. He that sitteth in the heavens shall laugh: the Lord shall have them in derision. Then shall he speak unto them in his wrath, and vex them in his sore displeasure." (Psalm, 2:2-5.) This is very important to remember also when reviewing the events leading up to and during the Vietnam War i. e. secret meetings in the early fifties of certain democratic senators (including John Kennedy) concerning Vietnam; placing R.C. Ngo Dinh Diem in the presidency [after being schooled in the U.S., by Cardinal Francis "Burn-em Alive" Spellman (key figure behind William J. Donovan (Knight of Malta), creator of the O.S.S., forerunner to the CIA; close associate of Dwight D. Eisenhower {who directed American B-17 bombers to avoid I.G. Farben headquarters in Berlin and cut off the gas supply for General Pattons tanks to slow him down, thus extending the war), who's only answer to communism was to burn them alive, and Robert Strange Mcnamara thru the CIA (Catholic Illuminati Assassin's)] in deliberate violation of a legally constituted (U.N. sanctioned and observed) election, which communism won; Diem's systematic "ethnic cleansing" of all who would not recant of their religion and embrace Catholicism; creating a tax structure that was so oppressive that non-Catholics were starved out, and so favorable to Catholics that it caused a mass exodus of north Vietnamese Catholics to the south and south Vietnamese Buddhists to the north, which was more than even John Kennedy could tolerate, so he had Diem killed (2Nov63), and twenty days later Kennedy was shot by three hit men (Oswald look-alike: William Seymour-school book depository; Manuel Gonzales-Dal-Tex building; Emilio Santana-open manhole on street curb: last two picked from, FBI Division 5's thirty professional assassins kept on retainer in Mexico City) 22Nov63 (planned and supervised by, two sex deviates: Clay Shaw (Knight of Malta), Solidarist-Catholic priest: David Ferrie and William Seymour:

employees of Defense Industrial Security Command (DISC) which is a joint venture of FBI's Division 5 and Defense Intelligence Agency of the Pentagon). Almost all of the orchestration operatives were WWII Nazi's smuggled into this country 1945-1950 on Vatican visa's e.g. Werner von Braun and Walter Dohrnberger. Ferenc Nagy: high level boss in FBI Division 5 and president of Perminindex Corp. (money laundering liaison for FBI Division 5 and DISC operatives) was the "umbrella man" in Deily Plaza who opened his umbrella (sunny day) signaling the start of the shooting (closing his umbrella signaled the stop).

Top planners in the assassination cabal: Lyndon Johnson, J. Edgar Hoover, L.M. Bloomfield, Ferenc Nagy, John DeMenil, Carlos Prio Socarras, Walter Jenkins, H.L. Hunt [American Council of Christian Churches (ACCC)], Bobby Baker, Clifford Jones, L. J. McWillie, Werner Von Braun, Roy Cohn, Fred Korth, JohnConnally and Clint Murchison.

L.M. Bloomfield (answering only to Hoover and Johnson) was in overall charge of the supervisory and working assignment group: Walter Dohrnberger, Guy Bannister, Albert Osborne (ACCC), E.E. Bradley (ACCC), Morris Dalitz (Las Vegas), Major General John B. Medaris, Robert McKeown, Igor Voshinin, George Bouhe, Peter Gregory, Maurice Gatlin, Sergio Arcacha Smith, Lee Harvey Oswald, William Seymour, David Ferrie (Catholic priest), T. Gonzales, Manuel Garcia Gonzales, Layton Martens, Gordon Novel, Walter Sheridan, William Dalzell, Paul Raigorodsky, Joe Bonnano, Dimitri Royster (ACCC), Alex Carlson, George Mandel, Breck Wall, Clay Shaw, Joe Cody, Jake Kosloff, Mike McLaney, Ruth and Mike Payne, Igor Vogonov, Jack Bowen, Mike Ryan, Tammie True, Max Cherry, Patrick Hoy, David Hoy, James Powell and many others with lesser assignments. (Nomenclature of An Assassination Cabal, by: William Torbitt { pseudonym}). This document previously quoted: "Plausible Denial" by, Mark Lane. However, due to more recent revelation, it is obvious that publication is without merit [Mark Lane (personal friend and confidant to the infamous Jesuit: Jim Jones), as attorney for James Earl Ray, sent his key witness to Jonestown the day before the Jonestown massacre. Fortunately, for her, she didn't go].

The Vietnam "genocide" was given a fresh shot in the arm in the 1967 C.I.A: "Operation Phoenix", implemented by, sovereign Knight of Malta: William Casey [known MK-Ultra/ Project Monarch pedophile operative (CIA's Laos & Vietnam station chief, egregious mass murderer, Theodore Shackley being the key operative in the assassination cabal, under George Bush)]. General Westmoreland became a Catholic while in command in Vietnam. Ross Perot wasn't able to contact any POW, MIA's because the C.I.A. kept getting in the way, with their operation of taking over the opium smuggling trade, for themselves and the Sicilian Mafia, out of the "Golden Triangle" [largest buyers of opium in the world are well known top officials in the C.I.A. & D.O.D. (Richard Armatage, no.2 man in the Department of Defense (DOD); Theodore Shackley, no.2 man in the CIA, under George Bush. Bush is on the board of directors of Eli Lilly: the company that produces the precursor chemicals to produce

cocaine, heroine and the company that first synthesized LSD for the CIA)]. The U.S. government transports over half the illegal narcotics into the U.S., mostly on military transport, tons at a time with no customs check, then flown on commercial airliners, in cargo containers, to organized crime families, then distributed in cities street gangs, Contra's and motorcycle gangs: <http://www.ciadrugs.com>

Nixon got us out of Vietnam without winning and the Vatican getting control of the southern government, for which he was watergated (the Watergate office building complex was built and is owned by the Vatican). Read: "Vietnam, why did we go?" by: Avro Manhattan. Ten days before his assassination John Kennedy stated in a speech at Columbia University: "The high office of president has been used to foment a plot to destroy the Americans freedom, and before I leave office I must inform the citizen of his plight". There is evidence of Fidel Castro's involvement in the conspiracy but not conclusively. However Dr. Alberto Rivera's testimony of knowing of Castro's presence in the Vatican while he, and the infamous Jim Jones, were there in school (being trained to destroy church's), and Soldier of Fortune magazine's article on two Jesuits kidnapping Honduran peasant farmers and sending them to Cuba, into forced guerilla warfare training, along with John Kennedy stopping the B-26 bombers from taking off in support of the freedom fighters during the Bay of Pigs invasion, which they were totally dependant on; leaving Castro's planes to strafe and bomb the raiders {its obvious the raid was designed to fail: all aspects were controlled by the CIA; troop transport deck machine guns malfunctioned, mounts rusted thru, four of six landing craft sink before their even boarded; using Bay of Pigs [which the Cuban Revolutionary Council would never approve (reefs, surrounded by swamp, radio station nearby) so Kennedy has them flown, under false pretences, to a blacked out airfield at Opa-Locka Fla., where their held in isolation, against their will, under armed military guard: Only then do they learn, via AM radio, that the raid has been moved up (putting the initial air strike, using six B-26's, not all fourteen, securing minimal damage and giving Castro ample warning of an impending attack) just before the UN meeting knowing the US would be blamed, giving Kennedy his excuse to ground the bombers (but not the paratroop planes taking off from the same field in Nicaragua) and, had not only already started, but already past the point of no return] guaranteeing the failure of the raid and effectively ending all organized effort to remove Castro}. "This was how the whole thing was going from the beginning", General Lemnitzer: Chairman Joint Chiefs of Staff ("Bay of Pigs, The Untold Story" by Peter Wyden), certainly lends credibility to the assertion that Castro is a Jesuit and was involved in Kennedy's assassination. We do know Castro is Illuminati and indoctrinated in communism at Georgetown (jesuit) University (as was Bill Clinton). Kennedy had stopped borrowing money from the IMF: had issued and signed executive order 11110, abolishing the FED, and had new inflationary money printed at the US Treasury (the bills you see with red serial numbers) which secured the orchestration of his assassination by the Illuminati, Bilderberg's (modern day version of: "Congress of Vienna" who wrote the "Secret Treaty of Verona" 1814-1815: the execution of this edict was assigned to the re-established Jesuits 1814) and Trilateral Commission; he made it

known he was going to dissolve the CIA, thereby securing Skull & Bones organizations co-operation; having Ngo Dinh Diem killed, plan of pulling U.S. troops out of Vietnam without getting control of Vietnam for the Vatican secured the co-operation of the Jesuits and the Vatican. Though J. Edgar Hoover set the procedural orchestration in motion, John Connolly, Lyndon Johnson and Louis M. Bloomfield (Canadian lawyer who did the contract operative hiring for FBI's Division 5), the planning of the assassination itself was done by E. Howard Hunt (also an operative in the "watergating" of Richard Nixon), William Seymour, Clay Shaw and David Ferrie (Catholic priest). Financing the entire assassination operation was Vatican banks: De Famaco Astalde Vaduz (Swiss), Leichtenstein (Swiss), Seligman Bank (Swiss), Banca Nazionale de Lavoro (Rome) [this bank, owned by the Pope, through its branch in Atlanta Georgia, laundered \$5 billion from the U.S. Department of Agriculture to Saddam Hussein's war machine, including his "Super Gun"]. Lyndon Johnson sent the USS Maddox and USS C. Turner Joy into North Vietnamese territorial waters (2&4 Aug 64) to draw fire from North Vietnam (the radio message the USS Maddox received, ordering it, and USS C. Turner Joy, into North Vietnamese territorial waters came direct from the Whitehouse). When the plan failed to bring the desired results (knowing why they were there: Maddox and C. Turner Joy fired on each other in the night out of sheer paranoia) Johnson lied to Congress and the nation, saying the North Vietnamese fired on an American "peace keeping" ship in international waters: giving him his excuse to commit U.S. troops into armed conflict with North Vietnam. Later Johnson realizing "his" war is a non winner and his bombing escalation's bring protest's and riots and not able to back out either (he didn't want to take a ride through Dealy Plaza): simply elected not to run for "another term as your president", thereby escaping: "the poisonous cup"; "the strangulation cord"; "the steel of the poiniard"; "the leaden bullet". The blanket of corporate stonewalling (by every department of legislative, executive and judicial branches of government, including the media, to all subsequent investigations into the murders of John F. Kennedy, Martin Luther King and Robert F. Kennedy, extending from the local levels all the way to the U.S. Presidency and Supreme Court) culminates into a preponderance of evidence of, not only a cover-up, but complicity in the carrying out of these atrocities ("The Truth behind The Murder of Martin Luther King, Orders To Kill" by, William F. Pepper). The one common element connecting John F. Kennedy, Martin Luther King Jr., Robert F. Kennedy: all three were working to get us out of Vietnam (militarily) when they met their untimely demise: The executive order President Kennedy issued: ordering all American troops back home from Vietnam, was reversed by Johnson, before Kennedy's body was in the ground. Cardinal Francis "Burn-em Alive" Spellman (trainer of Ngo Dinh Diem, president and butcher of South Vietnamese Buddhists) was the one person the F.B.I. consulted to persuade the Pope not to have a meeting with Martin Luther King Jr., and Spellman concurred. Project Monarch operative: Gerald Ford was the only member of the congressional investigative committee to say that Lee Harvey Oswald acted alone in the assassination of John Kennedy (and the only one in the committee to make president: and he made it by appointment). Dorothy Kilgallon ("Whats My Line" game show panelist): upon leaving

Jack Ruby's cell, stated: "I 'm going to blow this thing wide open": two days later she was dead: another jesuit/Illuminati convenient "suicide": after this, Louis Jolyon West (psychiatrist and Project Monarch mind control operative) was assigned to "take care" of Jack Ruby.

By LAPD's own SUS file: Sirhan Sirhan was hypno-programmed using hypnotic drugs and torture (by, DISC operative: reverend Jerry Owen, CIA mind-control specialist: William Bryan and others) producing MPD (Multiple Personality Disorder mind control, a product of CIA's MK-Ultra-Project Monarch) at the horse stable, in Santa Anita, where he worked with Thomas Bremer (the brother of Arthur Bremer: who shot George Wallace in 1972). Sirhan Sirhan was used to distract attention while CIA's Thane Eugene Cesar (in the employ of the LAPD) shot Robert F. Kennedy behind the right ear. John Hinckley Jr's (shot Ronald Reagan) brother was George Bush's golf partner. John Hinckley Sr.(owner of Vanderbilt Oil Co.) has been George Bush's neighbor in Texas for years, and contributed to his campaign when he first ran for congress.

John Maisto (U.S. Diplomat to the Philippines) came to Panama to train the "Civic Crusade" (C.I.A. operatives {many of which are trained in the infamous terrorist-revolutionary "School of the America's" at Fort Benning, Ga.}): organizing street campaigns, burn tires, protest march's etc. Archbishop Marcos Mcgrath, Monsignor Jose' Sebastion Laboa, Priest Javier Villanueva being among the operatives in the destabilization campaign. A repeat of Manila, Guatemala, Nicaragua, Grenada and Haiti's Francois "Papa Doc" Duvalier. Archbishop Mcgrath and his priests ran their own operation of ballot box confiscation and vote counting (having no connection with the Panamanian Voting Commission) in deliberate violation of Panamanian law (what's this tell you about NES, News Election Service, giving the established press total control of counting and dissemination of national voting and does not allow the public to know how it is done?! What's this tell you about John Kennedy winning the election when Richard Nixon won the vote?). Archbishop McGrath later became guarantor of transition of the Panamanian Government from military to civilian control (the Vatican has \$1.4 billion invested in sundry Panamanian and other "shell" companies) after he, along with Laboa and Villanueva, tricked Noriega into the Vatican Embassy with the promise of diplomatic immunity, then once in the embassy giving him the choice of surrendering to the U.S. Army or they would let the army in to capture (kill) him. The Panamanian raid was concocted by Senator Alan Simpson ® Wyoming. This is a direct continuance of: "Secret Treaty of Verona" policy of extermination of all representative governments as recorded in the: U.S. Congressional Record-Senate of the 64th Congress, 1st session volume 53, part 7, page 6781, 25 April 1916 and in the: American Diplomatic Code, 1778-1884, vol. 2; Elliott, p.179.

With main accusers like Jorge Canalias, Floyd Carlton Caceres, Cesar Rodriguez, Teofilo Watson (pilots who flew arms to the Contra's and cocaine to the U.S.) and paid convicts (recruited from American prisons) as key witnesses in conjunction with the Classified Information Procedures Act (CIPA, U.S. Code 22) Noriega's fate was sealed

as soon as he entered the Vatican Embassy (With legal procedures like this you could convict John Kennedy of assassinating Lee Harvey Oswald). William Kunstler was planning to defend Manuel Noriega in Miami federal court before his (convenient) death prevented his representation.

CRAIG-OXLEY - October 6, 2006 09:44 PM (GMT)

Now with no Panamanian National Guard [many of which were shot (at Balboa High School concentration camp) with their hands zip tied behind their backs, by U.S. marines (journalist Julio Guerra was murdered by U.S. marines for photographing the bodies)], Panama is now a major stopover point on the opium trail from south and Central America to the U.S. Cocaine is rampant now in George "Mr. Cocaine" Bush's (who's cocaine running boats from his oil well rigs go unchecked by the coast guard) Panamanian narcodemocracy. With drug money's being laundered thru Panamanian banks, e.g. Interbanko, First Inter America's Bank (owned by drug cartel boss Gilberts Rodriguez Orejuela) ("The Memoirs of Manuel Noriega, America's Prisoner" by: Manuel Noriega and Peter Eisner). Now with, RC Priest, Jean-Bertrand Aristide, back in power in Haiti the cocaine trail is complete.

We know from WW II that the Vatican had a highly militant influence in Yugoslavia . War records show the existence of a Vatican organization called "Ustasha" (from the verb: ustati, meaning "to rise up"). The reputation of the Ustasha throughout Yugoslavia is far worse than that of the S.S., S.D., S.A. and Gestapo combined: being created by Ante Pavelic, the head of the Ustasha state of Croatia. Pavelic held many and frequent meetings with Bishops and Archbishops of Croatia and Pope Pius XII. Pavelic was to Yugoslavia what Hitler was to Europe. Pope Pius XII's statement to a group of Croats, on a pilgrimage to the Vatican (lead by Archbishop Aljzije Stepinac), Nov 1939, outlined the Vatican orchestrated atrocities from 1941-1945 and 1991-1995: "The hope of a better future seems to be smiling on you, a future in which the relations between church and state in your country will be regulated in harmonious action to the advantage of both." Catholic priests like Stane Kukavica (Franciscan monk), changed their robes for the uniforms of the dreaded Ustasha killer squads and led the most barbaric, brutal raids upon those people and practiced satanic torture never before known in this century. The entire genocide operations were overseen by the military vicar Archbishop Alojzije Stepinac ("Jasenovac" was the main center for extermination, being the third largest concentration camp in WWII where over 800,000 Serbs, Jews and Gypsies were systematically butchered) working directly with the Nazi's, helping to create the state of Croatia. (read: "Smokescreens" by: Jack Chick; "The Yugoslav Auschwitz and the Vatican" by: Vladimir Dedijer; "Blowback" by: Christopher Simpson). The gold from Holocaust victims jewelry and teeth (what was not used to smuggle WW II war criminals out of Europe) is today held in Vatican banks: for which there is an ongoing lawsuit by the law firms of Easton & Levy, at:

<http://www.remnantofgod.org/Ustashe.htm> <http://www.skolnicksreport.com/vaticanbank.html> ;

<http://www.priestofdarkness.com/gold.html> ; <http://www.vaticanbankclaims.com/press.html> . In Bosnia the revived Ustasha movement is called "Croatian Peoples

Party" (HSP) and its army, the "Croatian Defence Force" (HOS). Dobroslav Paraga led HSP. HOS units (Black Legion) comprised of Belgian, Austrian, British and Canadian mercenaries, as well as units from the French mercenary unit: "Nouvelle Resistance". After HOS was dissolved in 1993, by its mentor president Franjo Tudjman (for fear of being exposed for his Vatican connection as too politically obvious units), members were absorbed into other units, later amalgamated into the 108th Bosnian Bregade or the International Bregade. "Front National", "Croatie Libre", and "Slavonie Libre" run by Faci, are also Vatican organizations fronted as Humanitarian Aid. MPRI (shadowy mercenary organization based in Virginia) contracted by the Pentagon to train Ustasha in Croatia, Bosnia and now Kosovo. Who but the Vatican has the power and/or influence to coordinate both sides in a military conflict to annihilate thousands of peoples at a time i.e. using U.S. troops to control Serbs in a (so called) fire free zone while Fascist Croats murder them, while the U.S. troops keep the Serbs defenseless. This policy will continue throughout the Balkans.

Hitler presented the Independent State of Croatia (NDH) to Pavelic, 10 April 1941, as Greater Croatia which lasted from 1941 to 1945. The original plan was to annihilate one third of the population, force a third to migrate out of the country and force a third to convert to Catholicism. The process was to take ten years. The second half of the plan was completed 1991-1995. U.S. troops now enforce that Croatian state, against the displaced Orthodox Serbs. Today Franjo Tudjman is doing everything to have Greater Croatia presented by Germany (today if you publish anything in the German press about the Vatican Nazi concordat the state prosecutes you) the United States and the Vatican, reconstructed from Bosnia and Serbian lands. While a concerted propaganda campaign is being mounted to frighten small Balkan countries with the spectre of "Greater Serbia" and are being offered a protective "umbrella", behind the smokescreen of the Washington Agreement from 1994 that inaugurated Greater Croatia in which the Muslims are a majority, while the 1995 Split Agreement consolidated the military alliance between Tudjman and Izetbegovi} and was given the blessings by the United States Ambassador in Zagreb: Peter Galbraith. Both of them have been sent teams of U.S. military planners and experts and they have been rendered military and financial assistance. The United States has unilaterally discontinued the control of the arms embargo against Muslims and Croats in violation of the Security Council arms embargo resolution in whose adoption it participated. It is only too obvious that the Vatican plans to continue the Serbian genocide throughout Yugoslavia only now the genocide will be financed by the United States with military assistance, while we can trust the national and international media to continue its lies about Orthodox Serbs murdering Muslims. The Vatican has established its own international court in Rome to try anyone it so chooses with total disregard to the sovereignty and/or autonomy of the country under

who's authority the person had acted.

The theme here is unification, the same kind of unification that, Roman Catholic Ngo Dinh Diem so ruthlessly administered in South Vietnam, under the protection of the C.I. A. (and US Army "advisors") using civilian internment camps probably similar to those built by Trudeau (Jesuit) of Canada, see "Civilian Internment Camps", Toronto Sun, 4 March 1982. And with the sole theme of the popes 5 May 95 encyclical: "That They May Be One", being "unification"; Thru Netscape-Altavista: word-search I.G.Farben, click on "The Rockefellers mass murder and the U.N."), leaves no doubt whatsoever, in my mind, what the Vatican, in coordination with the Illuminati, has in store for this country. With the literacy rate in the U.S. being below 50% in 1986 and getting lower every year (Virginia Department of Motor Vehicles), [20% in Ireland (Ireland has no comprehensive public school system)] knowing you can't control an educated populace, and 88%+ in Vietnam (Groliers Encyclopedia): Who are we trying to kid? Remember Joan of Arc: who signed her name to the document, unknowingly, authorizing her execution (burned at the stake) at age sixteen. Being a product of a catholic perochial school: she was illiterate.

"Sex": There is enough real evidence (past and present) of the Roman Catholic Churches "practice" of child sex abuse that it is without precedence: <http://www.thelinkup.org> : this is worldwide. Sodom and Gomorra could have taken lessons from the Catholic Church. I seriously doubt there is enough paper to record all of the victims (over 400 priests in North America from 1984-1992 and that's just the ones that were reported). Ask any insurance company that sells liability coverage to Catholic Church's and/or orphanages (if you can find one) why they charge the high premium rates. Ask any fourteen year old Catholic girl of the explicit questions about every form of sex imaginable the (so called) celibate priest puts to her ear (by cannon law) every time she enters the confessional, then watch the _expression on her face when she says she is not allowed to say under pain of excommunication: How convenient! Ask a Catholic priest what a "Blessed Creature" is, then watch the _expression on his face. Read: "Why Priests should Wed" by: Justin D. Fulton, 1888 (not on a full stomach) and, March 2001 issue of Newsweek magazine: You should have no difficulty seeing the correlation between the rate of illegitimacy and crime with the Catholic population in any given area. Typical examples of this priestly practice are: priest James Porter, who molested hundreds of boys and girls in who knows how many diocese: for which the Catholic Church did nothing but move him to another diocese (standard church policy) until even the Catholic Church patronizing news media had enough. No formal charges were made until the media made his practices public, for which the presiding cardinal over the diocese blasted the journalist's from his pulpit. This same cardinal was later promoted; Priest O'connel of New Hampshire: "ditto"; Priest Brendan Smyth, who's case brought down the Irish government: "ditto" (the Catholic Church now files lawsuits against those exposing the church's child sex abuse, regardless of the accuracy of the charges). Pedophilingpriest: Marcial Maciel Degollado, founder of Legionaries of Christ,

molested his students in Spain and Italy with full approval from Pope Pius XII; Catholic orphanages are run by pedophilic priests, these sadistic practices being protected by local and provincial governments: Mt. Cashel orphanage in Newfoundland, where 20 priest's molested young boy's for over 15 years (for which a book was written and a movie made) is typical; See the docudrama: "Where The Spirit Lives" to see the sexual abuse of Indian Children, by catholic priests and nuns, after being kidnapped from their parents, the Canadian Government has subscribed to for over a hundred years: <http://www.vheadline.com/readnews.asp?id=14522-59k> ; see the docudrama "Rabbit Proof Fence" for accounts of the same abuse's in Australia; Boys Town (incorporated) of Omaha Nebraska sells children into child prostitution and demonic occult ritual sacrifice: the key operative being Larry King (who sang the National Anthem at the 1984 & 88 Republican National Convention's) of Omaha. King's practice of Reagan, Bush, Contra drug money laundering (used in Nicaragua & Haiti) thru Franklin Community Federal Credit Union (banking system made possible by Nebraska Senator Bob Kerry) and selling children and drugs at his political parties (George Bush was a regular customer) held in his apartment in Omaha, his Southfork Ranch outside Dallas Texas and his \$5000 a month rented house on California Ave. off "Embassy Row" in Washington D.C. (where he secretly videotaped politicians sexual acts with young boys he brought in from Boys Town Catholic orphanage, to be blackmailed later) are well documented in: "The Franklin Cover-Up: Child Abuse, Satanism and Murder in Nebraska", author: Senator John DeCamp. Monsignor Robert Hupp, head of Boys Town, verified every detail of the authors investigation of the Franklin Cover-up and told of the priest who kidnapped a boy in Elkhorn, Nebraska, raped and murdered him and was immediately transferred to another diocese (probably out of the country) by the head of the Omaha diocese and provided guidance on where to look to develop further proof of the children's stories of abuse by this nations wealthy and powerful (who have been adopting children in Paraguay, bringing them back to the US before sacrificing them to Satan, <http://www.radioliberty.com/stones.htm> . This is acknowledged by the Paraguayan government). Monsignor Hupp was later, unceremoniously, retired from his position as head of Boys Town. The pedophilic group: North American Man-Boy Love Association (who's members buy kidnapped children at auctions held at a ranch outside of Las Vegas Nevada) has been given official status by the United Nations. CIA head, William Colbey, was found dead in a river after telling Senator DeCamp he was going to give him information to help his investigation. "Professing themselves to be wise, they became fools, and changed the glory of the uncorruptible God into an image made like to corruptible man, and to birds, and four-footed beasts, and creeping things. Wherefore God also gave them up to uncleanness through the lusts of their own hearts, to dishonour their own bodies between themselves: who changed the truth of God into a lie, and worshipped and served the creature more than the Creator, who is blessed for ever. Amen. For this cause God gave them up unto vile affections: for even their women did change the natural use into that which is against nature: and likewise also the men, leaving the natural use of the woman, burned in their lusts one toward

another; men with men working that which is unseemly, and receiving in themselves that recompence of their error which was meet. And even as they did not like to retain God in their knowledge, God gave them over to a reprobate mind, to do those things which are not convenient; being filled with all unrighteousness, fornication, wickedness, covetousness, maliciousness; full of envy, murder, debate, deceit, malignity; whisperers, backbiters, haters of God, despiteful, proud, boasters, inventors of evil things, disobedient to parents, without understanding, covenantbreakers, without natural affection, implacable, unmerciful: who knowing the judgment of God, that they which commit such things are worthy of death, not only do the same, but have pleasure in them that do them." Romans, 2: 22-32.

Another demonic practice, of the Catholic church, is convents. Held within these walls are thousands of young women enticed, while still children, with the belief of living a life of Holiness and purity in service for Christ, for those lost souls (anyone not catholic). What these little girls never learn (until it is too late) is that they are there for the sole purpose of satisfying the sexual appetites of priest's (drunk most of the time). These girls are fed a cup of black coffee and a slice of bread in the morning and a bowl of soup in the evening (no lunch) 365 days a year. And doing laborious work all day long. It's certainly no wonder why catholics, who give their daughters over to this sadistic vermin, never see their little girls again (one can only imagine their emaciated bodies). In the cellar of every convent is a lime pit, where the bodies are thrown. Sometimes their thrown in alive, with their hands and feet bound: if the priest, or mother superior, deems their offense bad enough. For lesser offenses they can be subjected to a dungeon cell chained to a wall, where their bodies decompose hanging from the wall. These are by no means the only forms of torture (they can be strung out on racks for days, hung by their thumbs for days etc.) If you find this too offensive to believe, simply ask the Mexican government why there are no more convents in Mexico. William Casey [Cardinal Spellman protege, sovereign Knight of Malta, George Bush's campaign manager and "authorized" Clintons bid for the White House (being fully aware of Clintons background of a bank robbing sister, drug trafficking brother and murdering mother; his receipt of a bucket of cocaine a month for Reagan's Iran/Contra-weapons/cocaine smuggling/money laundering(\$100 million a month) operation out of the Mena Arkansas airfield (Iran/Contra was the brain child of William Casey and Oliver North)] was named in a class action law suit in Southern California (case no.99-02603) along with Robert Gates, John Deutch, George Tenet, estate of William French Smith, Edwin Meese, Richard Thornburgh, Janet Reno and others; CIA and US Department of Justice] responsible for the 1980's crack cocaine epidemic and resulting social and economic devastation of inner city communities.

The Jesuits have orchestrated the deaths of presidents, heads of state and dignitaries of countries all over the world i.e. C.I.A. [French king: Henry IV issued: "Edict of Nantes", giving freedom of religion for all French citizens, for which he was assassinated (14May1610), by Jesuit: Ravillac; by the "leaden bullet": Presidents:

James A. Garfield (2 July 1881), William McKinley (6 Sept 1901), Abraham Lincoln (14 April 1865), John F. Kennedy (22 Nov 1993); "by the poison cup": presidents: William Henry Harrison (4 April 1841), Zachary Taylor (5 July 1850); attempted assassination of James Buchanan by poisoning the tea at the National Hotel, Washington D.C., (Feb 1857) where 50 were affected and 38 died, Andrew Jackson: shot for refusing loans from international banks; Franklin D. Roosevelt: injected with strychnine [(for refusing to acknowledge the newly created catholic state of Croatia) the medical examiners report, of Roosevelt's body, disappeared from the safe in the Bethesda Naval Medical Center (only three doctors had key) the day after the examination] as was WWII General: George Patton. Jesuitism was born in Spain, 1534 (for the express purpose of exterminating the reformation); reared in France; developed in Papal Rome; sanctioned by Pope Paul III, 1540. Expelled from: England, 1581; France, 1594; Portugal, 1598; England again, 1604; France again, 1606; Russia, 1717; Portugal again, 1759; France again, 1762-3; Spain, Genoa, Venice and Sicily, 1767; Naples, Malta and Parma, 1768. All, except England and Russia, being strictly Roman Catholic states. The order was suppressed 21 July 1773 by Pope Clement IV (for which he was promptly poisoned); continued to exist under other names i.e. "Brothers of the Faith"; re-established by Pope Pius VII, 1814 (to carry out the dictates of the "Secret Treaty of Verona"): In the words of Abraham Lincoln: "If the Protestants of the North and the South could learn what the priests, nuns, and monks, who daily land on our shores, under the pretext of preaching their religion, were doing in our schools and hospitals, as emissaries of the Pope and the other despots of Europe, to undermine our institutions and alienate the hearts of our people from our Constitution and our laws, and prepare a reign of anarchy here, as they have done in Ireland, Mexico, Spain, and wherever there are people that wish to be free, they would unite in taking power out of their hands". "The Jesuits never forsake." (Washington in the lap of Rome, Justin D. Fulton; Fifty Years in the Church of Rome, by: Charles Chiniquy LCCN: BX1770.F9).

Phyllis Schlafly, Reed Irvine, Dusty Rhodes (of National Review), Brent Bozell, Edwin Fulner, Robert Godwin, Richard Viguerie, Sommers White, Foster Friess, Oliver North, Coors family, Roland Hinz, Rush Lembaugh, Tim La Haye, Pat Robertson, Jack Kemp, George Will, Jean Kirkpatrick, William Bennet (Jesuit), Robert Kriehle, Burton Yale Pines, Gary Hofmeister, Clarence Thomas, Ed Meese and Charles Colson are pseudo conservatives whose puppet strings are pulled by Jesuits, Skull & Bones, Council on Foreign Relations or directly from the Illuminati.

"I am not happy about the rebirth of the Jesuits. Swarms of them will present themselves under more disguises ever taken by even a chief of the Bohemians, as printers, writers, publishers, school teachers, etc. If ever an association of people deserved eternal damnation, on this earth and in hell, it is this society of Loyola." (John Adams, 1816).

"I will shew unto thee the judgment of the great whore that sitteth upon many waters. With whom the kings of the earth have committed fornication, and the inhabitants of the earth have been made drunk with the wine of her fornication. So he carried me away in the spirit into the wilderness: and I saw a woman sit upon a scarlet colored beast, full of names of blasphemy, having seven heads and ten horns. And the woman was arrayed in purple and scarlet color, and decked with gold and precious stones and pearls, having a golden cup in her hand full of abominations and filthiness of her fornication: And upon her forehead a name written, MYSTERY, BABYLON THE GREAT, THE MOTHER OF HARLOTS AND ABOMINATIONS OF THE EARTH. And I saw the woman drunken with the blood of the saints, and with the blood of the martyrs of Jesus. And here is the mind which hath wisdom. The seven heads are seven mountains, on which the woman sitteth. And he sayeth unto me, the waters which thou sawest, where the whore sitteth, are peoples, and multitudes, and nations, and tongues. And the woman which thou sawest is that great city, which reigneth over the kings of the earth. And he cried mightily with a strong voice, saying, Babylon the great is fallen, and is become the habitation of devils, and the hold of every foul spirit, and a cage of every unclean and hateful bird. For all nations have drunk of the wine of the wrath of her fornication, and the kings of the earth have committed fornication with her, and the merchants of the earth are waxed rich through the abundance of her delicacies. And the kings of the earth, who have committed fornication and have lived deliciously with her, shall bewail her and lament for her, when they shall see the smoke of her burning, standing afar off for the fear of her torment, saying, alas, alas, that great city of Babylon, that mighty city! For in one hour is thy judgment come. And the merchants of the earth shall weep and mourn over her; for no man buyeth their merchandise and more: The merchandise of gold and silver and precious stones, and of pearls, and fine linen, and purple, and silk, and scarlet, and all thine wood, and of brass, and iron, and marble, and cinnamon, and odours, and ointments, and frankincense, and wine, and oil, and fine flour, and wheat, and beasts, and sheep, and horses, and chariots, and slaves, and souls of man." (Rev. 17:1b-6a, 9, 15, 18 & chapter 18:2-3, 9-13)

This hardly scratch's the surface of info on the Jesuits and Popery as a whole. If you refuse to see and believe the pattern that is set forth here, you wouldn't believe the rest either.

"If they hear not Moses and the prophets, neither will they be persuaded, though one rose from the dead" (Luke16:31).

Constantine and Columbus

This expose is under construction

Jesus said:

"For nothing is secret, that shall not be made manifest; neither any thing hid, that shall not be known and come abroad" (Luke: 8:17).

St. Paul said:

"And now ye know what withholdeth that he might be revealed in his time. For the mystery of iniquity doth already work: only he who now letteth will let, until he be taken out of the way. And then shall that Wicked be revealed, whom the Lord shall consume with the spirit of his mouth, and shall destroy with the brightness of his coming" (2 Thessalonians 2:6-8).

Pope Constantine, the destroyer of the Old World.

Christopher Columbus, the destroyer of the New World.

The life of Constantine . . . like the life of Columbus . . . was full of SECRETS!!

The Oration

of

Eusebius Pamphilus

in praise of

The

Emperor

Constantine

Pronounced on

the 30th

Anniversary of his reign.

A.D. 337

"THESE words of ours, however, [gracious] Sovereign, may well appear superfluous in your ears, convinced as you are, by frequent and personal experience, of our Saviour's Deity ; yourself also, in actions still more than words, a herald of the truth to all mankind. Yourself, it may be, will vouchsafe at a time of leisure to relate to us the abundant manifestations which your Saviour has accorded you of his presence, and the loft-repeated visions of himself which have attended you in the hours of sleep. I speak not of those secret suggestions which to us are unrevealed: but of those principles which he has instilled into your own mind, and which are fraught with general interest and benefit to the human race. You will yourself relate in worthy terms the visible protection which your Divine shield and guardian has extended in the hour of battle ; the ruin of your open and secret foes ; and his ready aid in time of peril. To him you will ascribe relief in the midst of perplexity; defence in solitude; expedients in extremity; foreknowledge of events yet future ; your forethought for the general weal ; your power to investigate uncertain questions ; your conduct of most important enterprises ; your administration of civil affairs; your military arrangements, and correction of abuses in all departments; your ordinances respecting public right ; and, lastly, your legislation for the common benefit of all. You will, it may be, also detail to us those particulars of his favor which are secret to us, but known to you alone, and treasured in your royal

memory as in secret storehouses. Such, doubtless, are the reasons, and such the convincing proofs of your Saviour's power, which caused you to raise that sacred edifice which presents to all, believers and unbelievers alike, a trophy of his victory over death, a holy temple of the holy God : to consecrate those noble and splendid monuments of immortal life and his heavenly kingdom : to offer memorials of our Almighty Saviour's conquest which well become the imperial dignity of him by whom they are bestowed. With such memorials have you adorned that edifice which witnesses of eternal life: thus, as it were in imperial characters, ascribing victory and triumph to the heavenly Word of God : thus proclaiming to all nations, with clear and unmistakable voice, in deed and word, your own devout and pious confession of his name"(Oration of Eusebius, chapter XVIII).

When Eusebius wrote these words, Constantine was already Pope for 30 years. With flattering words he eulogizes the Emperor in order to live to a ripe old age....By this time, the Roman government had destroyed all of the history of the Christian church . . . except for the New Testament. Eusebius had to write in CODE in order to preserve his words for posterity.....He knew that Constantine was a diabolical monster from hell but he dare not say so openly. Had he done so, he, and his writing, would be immediately committed to the flames.

In his previous writings, he used the Name of JESUS frequently. In writing about Constantine he never once mentions JESUS . He know that Constantine and his empire was the 10 horned, 10 toed monster of the Book of Revelation and that right before his eyes, Satan had introduced his mystery of iniquity into the world. He know that the real JESUS of the Bible had absolutely no place in this evil empire so he never once mentions that NAME in writing about Constantine.

The secrets of Christopher Columbus

"Reflecting on this, I was moved to believe that just as most of his affairs were directed by a secret Providence, so the variety of his name and surname was not without its mystery. We could cite as examples many names which a hidden cause assigned as symbols of the parts which their bearers were to play. Just so, the Admiral's name foretold the novel and wonderful deed he was to perform. If we consider the common surname of his forebears, we may say that he was truly Columbus or Dove, because he carried the grace of the Holy Ghost to that New World which he discovered, showing those people who knew Him not Who was God's 'beloved son, as the Holy Ghost did in the figure of a dove when St. John baptized Christ; and because over the waters of the ocean, like the dove of Noah's ark, he bore the olive branch and oil of baptism, to signify that those people who had been shut up in the ark of darkness and confusion were to enjoy peace and union with the Church. So the surname of Colon which he

revived was a fitting one, because in Greek it means "member," and by his proper name Christopher, men might know that he was a member of Christ, by Whom he was sent for the salvation of those people. And if we give his name its Latin form, which is Christophorus Colonus, we may say that just as St. Christopher is reported to have gotten that name because he carried Christ over deep waters with great danger to himself, and just as he conveyed over people whom no other could have carried, so the Admiral Christophorus Colonus, asking Christ's aid and protection in that perilous pass, crossed over with his company that the Indian nations might become dwellers in the triumphant Church of Heaven"(Admiral Christopher Columbus, p.4).

The Donation of Constantine by Joseph McCabe.

Pope Alexander VI
(1492-1503).

This Spanish Pope gave the New World to Spain. He was a MONSTER of iniquity even by the standards of his day.

"But there is a more astonishing fraud....During the pontificate of Hadrian (772-795) certain documents which purported to supply a legal basis for the Papal claim appeared for the first time, and it is the general opinion of historians that the Pope's officers fabricated them in order to forestall any ambition of the Frank to conquer Italy for himself. The most important of these documents is known as the Donation of Constantine, and it is so blatant a forgery that not even the most desperate apologist will break a lance in its defence. It is a quite ridiculous claim that Constantine, when he was driven from Rome, handed over Italy to the Papacy. Catholic writers are content to plead that Hadrian, who must have known enough about the history of Italy and the Papacy in the fourth century to realize how childish this forgery was, did not submit it to Charlemagne. I have, however, pointed out in my Crises in the History of the Papacy that in a letter to Charlemagne four years later Hadrian says:

Just as in the time of the Blessed Sylvester, Bishop of Rome, the Holy Catholic and Apostolic Roman Church was elevated and exalted by the most pious Emperor Constantine the Great, of holy memory, and he deigned to bestow upon it power in these western regions

This is beyond question a reference to the Donation, and it assumes that Charlemagne is acquainted with it. It is ingenuous to suggest that a Papal Court which had by this time forged thousands of lives of saints and martyrs, to say nothing of canons of Councils and the letter of " the Blessed Peter," would shrink from these more profitable fabrications; nor can any other plausible origin of them at this period be imagined. The

Temporal Power of the Popes was based upon a lie" (A History of the Popes by Joseph McCabe, pp. 167-168).

Columbus brought genocide on a vast scale to the New World!!

Las Casas's description of the New World people.

"And of all the infinite universe of humanity, these people are the most guileless, the most devoid of wickedness and duplicity, the most obedient and faithful to their native masters and to the Spanish Christians whom they serve. They are by nature the most humble, patient, and peaceable, holding no grudges, free from embroilments, neither excitable nor quarrelsome. These people are the most devoid of rancors, hatreds, or desire for vengeance of any people in the world. And because they are so weak and complaisant, they are less able to endure heavy labor and soon die of no matter what malady. The sons of nobles among us, brought up in the enjoyments of life's refinements, are no more delicate than are these Indians, even those among them who are of the lowest rank of laborers. They are also poor people, for they not only possess little but have no desire to possess worldly goods. For this reason they are not arrogant, embittered, or greedy. Their repasts are such that the food of the holy fathers in the desert can scarcely be more parsimonious, scanty, and poor. As to their dress, they are generally naked, with only their pudenda covered somewhat. And when they cover their shoulders it is with a square cloth no more than two varas in size. They have no beds, but sleep on a kind of matting or else in a kind of suspended net called hamacas. They are very clean in their persons, with alert, intelligent minds, docile and open to doctrine, very apt to receive our holy Catholic faith, to be endowed with virtuous customs, and to behave in a godly fashion. And once they begin to hear the tidings of the Faith, they are so insistent on knowing more and on taking the sacraments of the Church and on observing the divine cult that, truly, the missionaries who are here need to be endowed by God with great patience in order to cope with such eagerness. Some of the secular Spaniards who have been here for many years say that the goodness of the Indians is undeniable and that if this gifted people could be brought to know the one true God they would be the most fortunate people in the world "(The Devastation of the Indies, pp.38-39).

Las Casas's description of the genocide of the New World people.

Bartolomé de las Casas
(1474-1566).

"Yet into this sheepfold, into this land of meek outcasts there came some Spaniards who immediately behaved like ravening wild beasts, wolves, tigers, or lions that had

been starved for many days. And Spaniards have behaved in no other way during the past forty years, down to the present time, for they are still acting like ravening beasts, killing, terrorizing, afflicting, torturing, and destroying the native peoples, doing all this with the strangest and most varied new methods of cruelty, never seen or heard of before, and to such a degree that this Island of Hispaniola, once so populous (having a population that I estimated to be more than three millions), has now a population of barely two hundred persons" (The Devastation of the Indies, p. 39).

"In truth, I believe that without trying to deceive myself that the number of the slain is more than fifteen million" (The Devastation of the Indies, p. 41).

That's right.....over 15 million New World people killed in 40 years by the Spanish Inquisition and that is a conservative estimate!!

Even more interesting in these events is the reported involvement of the former US Secretary of State for President Nixon, Henry Kissinger, and who is now reported to be a top advisor to President Bush, **but whom Russian Intelligence Analysts say is also continuing his previous role from the Vietnam era as being the main conduit between the Vatican and the United States Military Leaders.**

Title: Charlie Sheen rewarded for his work?
Description: *is now highest paid sitcom star*

tlthe5th - October 2, 2006 06:08 AM (GMT)

<http://www.allheadlinenews.com/articles/7005005828>

Amazing. Jesuit controlled Hollywood makes Charlie sheen highest paid sitcom star right after coming forward and teaming up with Alex Jones. Coincidence?

Charlie Sheen brought 9/11 conspiracy theorist Alex Jones mainstream when Charlie called Alex on his radio program and expressed his doubts in the official government story of what happened on 9/11. CNN's showbiz tonight interviewed Alex Jones three nights in row regarding his 9/11 theories blaming mainly the Bush administration for the 9/11 attacks on the WTC, and the Pentagon.

Sheen's father, Martin Sheen took the name "Sheen" after the charismatic Bishop Fulton Sheen and has done lots of work for and with Jesuits. As Eric Phelps brought out as well. Martin Sheen hosted and Narrated the documentary about the Titanic called "The Secrets of the Titanic" made by National Geographic in 1986.

"A vacationing priest, Father Francis Browne, caught these poignant snapshots of his fellow passengers, most of them on a voyage to eternity. The next day Titanic made her last stop off the coast of Queenstown, Ireland. Here tenders brought out the last passengers; mostly Irish immigrants headed for new homes in America. And here, the lucky Father Browne disembarked.... Father Browne caught Captain Smith peering down from Titanic's bridge, poised on the brink of destiny." — The Secrets of the Titanic, National Geographic, video tape, 1986.

Francis Browne, the Jesuit master of Edward Smith, boarded the Titanic. This man was the most powerful Jesuit in all of Ireland and answered directly to the general of the Jesuit Order in Rome.

"Here is Jesuit treachery at its finest. The Provincial [Father Francis Browne] boards Titanic, photographs the victims, most assuredly briefs the Captain concerning his oath as a Jesuit, and the following morning bids him farewell." — Eric J. Phelps, Vatican Assassins, Halycon Unified Services, p. 427.

Of course, Alex Jones doesn't fail to publicly praise the "work" that Martin Sheen, Charlie's Father has done, thus trying to establish Charlie's credibility in coming forward and shifting the blame from the true culprits who have wanted to bring down America since it's inception and bring her into slavery under the tyranny of the Pope in Rome and his insane Lucifer worshipping Jesuits!

Alex Jones went on to appear on MTV and was mentioned on FOX news as well where everything that is said is under the clamp of Papal Knight Rupert Murdoch.

So now many who are seeking for truth have been caught up into this Alex Jones movement and this same movement has become militant in adhering to anything Alex Jones says.

Congratulations Charlie! You now deserve to be the highest paid sitcom star in Hollywood. You've thwarted the public's investigation of the suspicious events of 9/11 away from the true culprits and instead to the Jesuit's strawmen. Congratulations! You have served your Jesuit masters well as your father before you!!

JESUIT LACKIES

The thing that bothers me is that now all 911 truth movements are being invited into mainstream shows. The same is happening in England and Italy. I don't know about over countries but it's happening all at the same time.

CRAIG-OXLEY - October 5, 2006 02:19 PM (GMT)

If Sheen wasn't linked to the Jesuits through his father Martin and a paid lackie then whys he still within the position he is. Look at Prof Steven Jones and where he is and

the troubles hes had with his job. Its just controlled opposition and an attempt to take over the movement which is independant, the same old usual Jesuit tatics.

hornet - October 5, 2006 02:43 PM (GMT)

Exactly, it's going mainstream everywhere and all at the same time.

it's not right

Alexandra - October 5, 2006 02:47 PM (GMT)

I think for most of us here anything going mainstream should raise a red flag.

CRAIG-OXLEY - October 5, 2006 07:16 PM (GMT)

Well to be honest I see Alex Jones as almost mainstream and we know he feeds the sheeple to the opposition just nicely for his Jesuit masters. You see with someone like Jones they can control what they wish you to know and gatekeeper out what they dont and Jones does this well. Also remember at the same time as giving you a little information they're weeding you out and finding out al the intelligent, waking up sheeple who don't easily play along. Now what will they do with this information as time goes on? Remember the camps etc? Remember on the Jesuits have killed their own in this devious sneaky manner in the past to find traitors amongst themselves.

Title: Can you be Catholic and an American Patriot?

Description: *the answer is NO. Here's why....*

tlthe5th - October 1, 2006 08:40 PM (GMT)

The very very basis of being a catholic means you follow the teachings of the Catholic 'church'. The Catholic church obviously receives it's direction from Rome. Because one calls themself a 'catholic' doesn't mean anything. I can call myself a tennis player but if I don't play tennis that would seem silly. It's silly to me that people so generally label themselves without giving much thought about what that means. This is where I bring forth the challenge to the readers.

I have spent too much time on this subject because it should be so easy to understand yet many people don't want to. Others, within the 'church' heirarchy have come forward and dictated why the church is an unreconcilable enemy of American ideals. Like Charles Chiniquy for instance. Here's what he says:

"The Church of Rome Against The American Constitution."

Charles Chiniquy Said, "Rome is constant conspiracy against the rights and liberaties of man all over the world; but she is particularly so in the United States. "Long before I was ordained a priest, I knew that my church was the most implacable enemy of this Republic. My professors of philosophy, history and theology had been unanomous in telling me that the principles and laws of the Church of Rome were absolutley antagonistic to the laws and principles which are the foundation-stones of the Constitution of the United States.

"1st. The most sacred principle of the United States Constitution is the equality of every citizen before the law. But the fundamental principle of the Church of Rome, is the denial of that equality.

"2nd. Liberty of conscience is proclaimed, by the United States, a most sacred which every citizen must uphold, even at the price of his blood. But liberty of conscience is declared by all the popes and Councils of Rome, a most godless,

unholy and diabolical thing, which every good Catholic must abhor and destroy, at any cost.

"3d. The American Constitution assures the absolute independence of the civil from the ecclesiastical or church power; but the Church of Rome declares, through all her Pontiff's and Councils, that such independence is an impiety and revolt against God.

"4th. The American Constitution leaves every man free to serve God according to the dictates of his own conscience; but the Church of Rome declares that no man has ever had the right, and that the Pope alone can know and say what man must believe and do.

"5th. The Constitution of the United States denies the right in any body to punish any other for differing from him in religion. But the Church of Rome says that she has the right to punish with the confiscation of their goods, or the penalty of death, those who differ in faith from the Pope.

"6th. the Constitution of the United States is based on the principle that the people are the primary source of all civil power. But hundreds of times, the Church of Rome has proclaimed that that this principle is impious and heretical. She says that 'all government must rest upon the foundation of the Catholic faith; with the Pope alone as the legitimate and infallible source and interpreter of the law.'

"I could cite many other things, proving that the Church of Rome is an absolute and irreconcilable enemy of the United States; but it would be too long. These are sufficient to show the American people that Rome is a viper, which they feed and press upon their bosom. Sooner or later, that viper will bite to death and kill this republic.

"This was foretold by Lafayette and is now promulgated by the greatest thinkers of our time."

I don't know how anybody can come on this forum and say that 'catholics can be American patriots' Timothy.

My answer to them and this lines up with many wise people who has risked their lives exposing the jesuits and who have died exposing jesuits is that that they are not catholics if they are real American Patriots and will be murdered by the vatican if they get in Romes way.

True catholics say that the Pope is infallible not the U.S. Constitution.

Why allow the deceit of Rome to continue through this issue? Romes stealth is the most evil conspiracy in this country yet you hide it or allow it to continue by proclaiming that you can be 'catholic' and an American patriot? Why deceive someone who considers themself 'catholic' by telling them they can be an American patriot and yet be loyal to Rome? That is the worst misinformation that could ever be given in this forum and I refuse to be silent and let it continue.

Let me put it this way: Catholicism is counterfeit Christianity. It's Satan's system, not God's.

Catholics view us Bible-believing Christians not only as liberals as 2tuff indicated, but heretics as well--heretics they must destroy. Look at their cursed Council of Trent. Which, by the way, was REAFFIRMED at Vatican II 40 years ago.

In my book corruption and Catholicism are pretty much the same thing. Look at what they teach and compare it to the King James Bible--that same Bible they tried to sabotage (think Gunpowder Plot).

I don't doubt that many Catholics are sincere--but they're sincerely wrong. You can say the sky is purple and genuinely believe it, but the truth is the sky is blue, and all the sincerity in the world won't change that fact.

Not only that, but God hates organized religion. Christianity is defined by a relationship with Jesus Christ, not by rituals and elaborate ceremonies.

Do you really believe that? So now I view as a heretic because I'm Catholic? Um... no, I actually respect people's spirituality A LOT, unlike yourself who just said that I'm am of a "Satan's system" because I'm Catholic. Please don't misquote 2Tuff either. He said we would ALL be considered liberals by the Catholic Church ESTABLISHMENT. And that is what it all comes down to- The "Establishment" Vs. the "People". I can understand you disagreeing

with my religious beliefs, but saying I am not a Catholic because of my religion is akin to saying that a Jew cannot be a patriot because he is a Jew.

Alexandra - October 4, 2006 10:26 PM (GMT)

Born, may I suggest you part ways with Rome. The Catholic "church" is EVIL. I'm not kidding.

Please, please, please get a King James Bible and with an open mind compare Catholicism's teachings with those found in the Bible.

Feel free to PM or e-mail me if you want to discuss this further.

Catholicism isnt the main problem its the **JESUIT ORDER** which have INFILTRATED the vatican. Remember 2 popes have been giving a cup of borgia and numerous others tied to the vatican has been assassinated.

While I agree the Catholic doctrine is a NWO doctrine to say catholics are 'un-american' is a bunch of BS. Most Catholic Americans are extremely brainwashed and don't event attend or worship there own religion. My stepdad is a Roman Catholic he is no terrorist or peter hans worshipper in fact he has been real brainwashed. He thinks its all Islam but I have been teaching him, he has then been understanding and even questioning his own religion.

Bottom line weather your protestant or catholic its all BS imo age of the fish religion from a mythical man Jesus who is really ISIS.

tlthe5th - October 5, 2006 12:49 AM (GMT)

they're not catholic then. like i said they just call themselves catholic but that doesn't mean anything except to them. like i said before you call call yourself a computer tech but if you're not fixing computers that would be stupid. Alberto says the same thing, people say their catholic but don't beleive that the things that the catholic church are doing are right and he said 'they're not catholics' and i think a jesuit 4th vow who answered only to the Pope knows who qualifies as catholics.

in america we only know the americanized catholic church. it's not the same as in europe where her roots are. jesuits are allowed to operate in the 'church'. and Rome and the popes have done similar things before the jesuits were officially established. like when rome destroyed jerusalem, put Jesus on a cross unjustly when there was no evidence against him, or when Nero attacked Rome and blamed it on the christians. Or the inquisitions and crusades and bible burnings and burning christians at the stake and mass murdering people who weren't catholic. For hundreds of years the priests have been having sex with the nuns and burying the bodies of the babies under their convents.those aren't only jesuits hiding

paedophiles and molesting young children. those aren't only jesuits who were behind mass murder of jews, Serbs and Gypsies in Ustasha. they're all in it together. Those weren't all jesuits marching with the Nazis, etc.

And Jesus is the Greek translation from Joshua or Yeshua and has nothing to do with isis or any false god. And I looked that up in the original languages.

Alexandra - October 5, 2006 12:50 AM (GMT)

Matt, the real Jesus is not based upon any mythical gods.

Say I have a product I want to produce and then sell. My competitor swipes the plans and makes knock-offs before I can produce my product. As a result, people wind up saying my product is a copy of my competitor's instead of the real McCoy. To complicate matters, other people are making knock-offs of the knock-offs!

That's pretty much what's happened here.

The Roman Catholic "Jesus" is a piece of bread based on Nimrod, and their Mary on Semiramis. The Bible speaks of Mary as a humble Jewish girl who was chosen by God to give birth to Jesus--no more, no less. In fact in Acts we see she's part of the newly-formed church.

The Jesuits were intended to be counter-Reformation, since the Catholic church was starting to lose power. I think they more or less took the ball and ran with it, so now THEY run the show.

Jesuits hate us Christians because we will not buy into their NWO plans. They don't care if you CALL yourself a Christian so long as you don't ACT like one.

Description: *To Destruction of their Liberty*

Pirates of the Mediterranean

By ROBERT HARRIS

Published: September 30, 2006

<http://www.nytimes.com/2006/09/30/opinion/...i=5070&emc=eta1>

IN the autumn of 68 B.C. the world's only military superpower was dealt a profound psychological blow by a daring terrorist attack on its very heart. Rome's port at Ostia was set on fire, the consular war fleet destroyed, and two prominent senators, together with their bodyguards and staff, kidnapped.

The incident, dramatic though it was, has not attracted much attention from modern historians. But history is mutable. An event that was merely a footnote five years ago has now, in our post-9/11 world, assumed a fresh and ominous significance. For in the panicky aftermath of the attack, the Roman people made decisions that set them on the path to the destruction of their Constitution, their democracy and their liberty. One cannot help wondering if history is repeating itself.

Consider the parallels. The perpetrators of this spectacular assault were not in the pay of any foreign power: no nation would have dared to attack Rome so provocatively. They were, rather, the disaffected of the earth: "The ruined men of all nations," in the words of the great 19th-century German historian Theodor Mommsen, "a piratical state with a peculiar esprit de corps."

Like Al Qaeda, these pirates were loosely organized, but able to spread a disproportionate amount of fear among citizens who had believed themselves immune from attack. To quote Mommsen again: "The Latin husbandman, the traveler on the

Appian highway, the genteel bathing visitor at the terrestrial paradise of Baiae were no longer secure of their property or their life for a single moment.”

What was to be done? Over the preceding centuries, the Constitution of ancient Rome had developed an intricate series of checks and balances intended to prevent the concentration of power in the hands of a single individual. The consulship, elected annually, was jointly held by two men. Military commands were of limited duration and subject to regular renewal. Ordinary citizens were accustomed to a remarkable degree of liberty: the cry of “Civis Romanus sum” — “I am a Roman citizen” — was a guarantee of safety throughout the world.

But such was the panic that ensued after Ostia that the people were willing to compromise these rights. The greatest soldier in Rome, the 38-year-old Gnaeus Pompeius Magnus (better known to posterity as Pompey the Great) arranged for a lieutenant of his, the tribune Aulus Gabinius, to rise in the Roman Forum and propose an astonishing new law.

“Pompey was to be given not only the supreme naval command but what amounted in fact to an absolute authority and uncontrolled power over everyone,” the Greek historian Plutarch wrote. “There were not many places in the Roman world that were not included within these limits.”

Pompey eventually received almost the entire contents of the Roman Treasury — 144 million sesterces — to pay for his “war on terror,” which included building a fleet of 500 ships and raising an army of 120,000 infantry and 5,000 cavalry. Such an accumulation of power was unprecedented, and there was literally a riot in the Senate when the bill was debated.

Nevertheless, at a tumultuous mass meeting in the center of Rome, Pompey’s opponents were cowed into submission, the Lex Gabinia passed (illegally), and he was given his power. In the end, once he put to sea, it took less than three months to sweep the pirates from the entire Mediterranean. Even allowing for Pompey’s genius as a military strategist, the suspicion arises that if the pirates could be defeated so swiftly, they could hardly have been such a grievous threat in the first place.

But it was too late to raise such questions. By the oldest trick in the political book — the whipping up of a panic, in which any dissenting voice could be dismissed as “soft” or even “traitorous” — powers had been ceded by the people that would never be returned. Pompey stayed in the Middle East for six years, establishing puppet regimes throughout the region, and turning himself into the richest man in the empire.

Those of us who are not Americans can only look on in wonder at the similar ease with which the ancient rights and liberties of the individual are being surrendered in the United States in the wake of 9/11. The vote by the Senate on Thursday to suspend the

right of habeas corpus for terrorism detainees, denying them their right to challenge their detention in court; the careful wording about torture, which forbids only the inducement of “serious” physical and mental suffering to obtain information; the admissibility of evidence obtained in the United States without a search warrant; the licensing of the president to declare a legal resident of the United States an enemy combatant — all this represents an historic shift in the balance of power between the citizen and the executive.

An intelligent, skeptical American would no doubt scoff at the thought that what has happened since 9/11 could presage the destruction of a centuries-old constitution; but then, I suppose, an intelligent, skeptical Roman in 68 B.C. might well have done the same.

In truth, however, the Lex Gabinia was the beginning of the end of the Roman republic. It set a precedent. Less than a decade later, Julius Caesar — the only man, according to Plutarch, who spoke out in favor of Pompey’s special command during the Senate debate — was awarded similar, extended military sovereignty in Gaul. Previously, the state, through the Senate, largely had direction of its armed forces; now the armed forces began to assume direction of the state.

It also brought a flood of money into an electoral system that had been designed for a simpler, non-imperial era. Caesar, like Pompey, with all the resources of Gaul at his disposal, became immensely wealthy, and used his treasure to fund his own political faction. Henceforth, the result of elections was determined largely by which candidate had the most money to bribe the electorate. In 49 B.C., the system collapsed completely, Caesar crossed the Rubicon — and the rest, as they say, is ancient history.

It may be that the Roman republic was doomed in any case. But the disproportionate reaction to the raid on Ostia unquestionably hastened the process, weakening the restraints on military adventurism and corrupting the political process. It was to be more than 1,800 years before anything remotely comparable to Rome’s democracy — imperfect though it was — rose again.

The Lex Gabinia was a classic illustration of the law of unintended consequences: it fatally subverted the institution it was supposed to protect. Let us hope that vote in the United States Senate does not have the same result.

Yes, but you don't expect to see that information in mainstream articles. They may have been aiming low, but they were almost pointed in the right direction.

Comparison between Rome 68 BC and America 2001 fits, in my opinion. The precedent is what I thought was important; How terrorism is used to strip people of their freedom, and how the Peoples freedoms and the governments powers are inversely proportional.

BTW: It would not surprise me that the Pirates were paid for by *New Babylon*.....

Cardinal Stepinac archbishop of Zagreb and the Dictator Ante' Pavelic are the two that took most of the blame for this genocide. Yet Stepinac was beautified by Pope JPll in 1988. Even though Stepinac died a war criminal under house arrest. The Vatican just says that the communist party in Croatia convicted him of war crimes to make it look like he was the righteous one. Even though he ruthlessly murdered 10's of thousands of little children and 100's of thousands of men and women.

"Speaking lies in hypocrisy;..." 2 Tim 4:2a

"Situating not really behind the iron curtain, Jasenovac concentration camp and its unsurpassed cruelty on Serbs, Jews and Gypsies have never all been acknowledged in the west. One is for the desire of communist president Tito (of croatian descent) to impose ideology of "brotherhood and unity" to Fmr Yugoslavia, and the other is lack of awareness in the West, of the victimization of Serbian people fighting the fascism, including the cruelest ustashe (croatian nazi), the only hitler's puppet state that imposed the same racial laws as Nazi Germany against Jews, Gypsies and Serbs. Watch this educational documentary and discover the shameful role of Vatican in the genocide. Citizens of the world owe it to 700.000 victims."

Wanta Dealing With Austria Now For Release of Trillions. What Happened to the American People?

Wanta principals say **Vatican** not involved in behind the scenes control of Wanta trillions. But other researchers disagree, saying the whole story now smells with **Vatican/NWO** deceit, as Wanta may have good intentions but being used as a patsy.

3 Oct 2006

By Greg Szymanski

<http://www.arcticbeacon.com/3-Oct-2006b.html>

According to Michael C. Cottrell, treasurer of the company formed by Ambassador Leo Wanta to distribute \$4.5 trillion in repatriated off shore money, the Vatican is not involved in the behind the scenes shenanigans of blocking the release of the money.

But Eric Jon Phelps, author of Vatican Assassins, strongly disagrees. Phelps claims after researching the story and watching the story mature, every "sign and signal" in the story leads him to believe the Vatican is working hard behind the scenes to control Wanta and working "overtime, in fact, never to release one penny for the betterment of the American economy."

And Phelps accusations need to be taken seriously because ever since the Arctic Beacon started questioning Vatican involvement in the Wanta story, the publication's editor has been the subject of threats, harassment and CIA surveillance.

"Why would Wanta ever allow the money to be put into a Bank of America account or a

Citibank account since the BOA is controlled by the Jesuits and Citibank is under Knights of Malta control.," said Phelps regarding the transfer of the \$4.5 trillion in June. "Why did he ever allow the money to be transferred into the hands of a third party when he supposedly has control of the money as legal trustor."

In fact, the Arctic Beacon recently asked the same question publicly, as legally Wanta was declared trustor of more than \$27.5 trillion with supposed signatory power over the money spread in hundreds of foreign banks. Further, if Wanta is legal trustor, asked many readers, why does he have to enter into an agreement with the U.S government in the first place?

But instead of Wanta putting the money in his account after reaching a deal to repatriate \$4.5 trillion, the money was transferred into a third party BOA and Citibank account, where then, according to Wanta and Cottrell, the Bush administration has illegally blocked the transfer, using the money in a nefarious manner to reap monetary benefits while usurping Wanta and the American people's legal right to the money.

"You have to question the Vatican involvement here," added Phelps. "They want to bring this country to its knees and never would they allow this much money back into the economy since we know they have control of our banking system through the CFR and control over the Federal Reserve."

Besides the Vatican being questioned as the real behind the scenes controllers of this story, Wanta has been at odds with the powers that be ever since he was declared legal trustor of more than \$27.5 trillion accumulated as a result of his financial efforts on behalf of President Ronald Reagan to destabilize the Russian currency at the end of the Cold War.

Furthermore, Wanta was jailed for the better part of a decade for trying to return trillions to the American people, as Reagan had dictated, but later was backstabbed by the following three presidential administrations who instead wanted to illegally pocket the money for their own personal use, according to Wanta.

Previously, Wanta came forward with these allegations, presenting documentation of more \$745 billion in misdirected and stolen money, attributing the thievery to those occupying the White House after Reagan left office.

Upon his release about a year and a half ago from a Wisconsin state prison, Wanta set out on a financial quest to repatriate the money according to Reagan's directives, in May entering into a negotiated settlement with the powers that be to return \$4.5 trillion for the benefit of the U.S. economy.

Phelps added that it's hard to tell what Wanta's real role is in the story, but said either he is being used as a patsy or that the Vatican is in firm control of the entire series of

events with the ultimate goal to "agitate the people and destabilize the economy" by creating a smokescreen while the powers that be continue stealing trillions of off shore money.

Although Phelps would like to believe Wanta's version of events, he added the "whole scenario" looks like a "Jesuit operation" to create confusion while further debasing the American government and bringing down the economy.

"You have to remember that the Jesuits and the Vatican control the New World Order and their goal is to destroy freedom and the American economy," added Phelps. "They will never allow anything good to happen and will release trillions into the economy."

On a recent radio show on a Christian station, Phelps said the reason the Arctic Beacon editor became the target of a stepped-up harassment campaign was because he began questioning Vatican and Jesuit control of the story. Szymanski also appeared on the show in order to leave a public record of the strange series of events, leading him to go public for protection and/or protection of Wanta, who has gone into hiding.

Until recently, Wanta has always "gone public" with his accusations and financial details about the repatriation settlement, but of late has been hiding away and staying out of the public eye, citing security reasons.

And it wasn't until last week, after the Vatican involvement was questioned and a strange sequence of events occurred involving the whole Wanta story, that finally prompted the Arctic Beacon editor to "go public" in an effort to protect his future, the future of his family and/or the safety of Ambassador Wanta.

As detailed in a recent article, Here is an update and the sequence of strange events that occurred:

According to principals close to the story, Wanta is keeping out of sight and a very low profile, fearing for his safety as the release of the money may only be days away.

According to Cottrell if the money isn't released in the next few days, he is prepared to go public again on Greg Szymanski's radio show, The Investigative Journal on the Genesis Communications Radio Network at www.gcnlive.com.

The following strange sequence of events, occurring after the Jesuit Order and Vatican's motives were questioned related to the Wanta story, took place in the following manner, leading the Arctic Beacon editor to go public in order to protect himself as well as protecting the safety of Ambassador.

The editor also told his story Saturday on a Christian radio network in order that the harassment and threats be immediately chronicled publicly, as and added measure of safety and protection for the parties involved. Here is the sequence of events as they

occurred:

----After an article appeared in the Arctic Beacon critical of the Vatican and Jesuits, a call was placed to the landline phone number of the editor on Sept. 21, asking for an unknown individual. The call was obviously placed from an Intelligence Agency since the number was non existent and was traced to be 489-489-4894.

---- After the editor conducted an interview with former Catholic Bishop of Guatemala, Gerard Bouffard, on Sept. 22, highly critical with eye-witness testimony implicating the Jesuit Order and Vatican as the spiritual controllers of the New World Order, a threatening email was received on Sept 23 essentially telling the editor to leave the country quickly or blood may be shed.

---- After several stories appeared in the Arctic Beacon questioning the Jesuit manipulation of the Wanta story and asking questions why Wanta was not communicating with an "old friend" who essentially verified his story, Wanta left a message on the editor's answering machine asking for a minor change, saying to call Cottrell since he was traveling. The funny thing about the call was that it was placed from a calling card number in a town very near the vicinity of the editor's residence.

---- On Sept. 28, the editor also received a message on his answering machine, saying the story had "created quite a stir" also indicating a minor word correction needed to be made on the story. Later in phone conversations, Cottrell indicated Wanta had called from nearby the editor's location, but was staying out of the public eye since he feared for his life. Cottrell added from what he knew and heard Wanta's life was in danger and the editor was being put under surveillance and harassed, as a scare tactic to quite down the story and perhaps give a clue to Wanta's location.

---- On Sept. 30 the editor received an email from France or Brussels, where Wanta has people handling his financial affairs, saying Wanta was going to meet with his "old friend", an international financier, as well as meet with the editor, saying " Amb Wanta will be seeing you soonest as well Further, he had never stated he did not want to speak w/you, but he is not in WI presentlyfor security reasons."

---- In the late morning on Sept. 30, the editor received another call from Intelligence, this time from a man with a Middle Eastern accent asking if Ratti was home. The number again was traced as nonexistent and was the same 489-489-4894 number used on Sept. 21.

Commenting on the story further, Phelps said it looks like the powers that be want to create further world wide financial confusion by spreading the Wanta story. He added that if the money was released, he might think differently, but it appears the purpose is to spread endless confusion and further deflate the American economy.

Phelps' point is well-taken as many readers have commented that the story appears to spiraling "out of control with no end in sight." Furthermore, with each passing day the story gets stranger and stranger, creating world wide financial confusion while never ever getting close to really helping the American people.

"That's the Jesuit strategy," added Phelps. "This story looks like a perfect Jesuit tactic to agitate the people while reaching their goal of debasing the U.S. government around the world and destroying the economy. There is a very good chance they have been using this publication as a patsy, but once you called them on it, they realized you were on to them and that is when the harassment began, The Arctic Beacon has always stood for the truth and I applaud your efforts at having the courage to tell this story and try to get to the bottom of it while, at the same time, exposing that trillions of dollars have been stolen from the American people."

To illustrate the continued confusion being fueled here and abroad, Christopher Story, editor of the International Currency Review, one of the few journalists writing about Wanta, printed a story today, leaving the Arctic Beacon's tongue hanging out and wondering:

"Who's who and what is really happening behind the scenes of the "\$27.5 trillion dollar man story?"

The story is reprinted in order for readers to make sense out of it, as frankly we can't, and provide comments to the Arctic Beacon, as this publication thinks the Wanta story is spiraling out of control with no clear end in sight and no clear benefit to the American economy. The only benefit, however, is that the truth will one day be told and at least we understand how many trillions have been stolen from the American people.

By Christopher Story FRSA, Editor and Publisher, International Currency Review,
London, 3 October 2006

Ambassador Leo Emil Wanta, who is legally a resident of the Republic of Austria, has offered the new Austrian Government the opportunity to charge its standard 50% corporate tax on the entire portfolio of assets, worth originally \$27.5 trillion, and now valued, with ongoing accruals, at in excess of \$70 trillion.

He is legally the Principal of these funds.

This is because the White House and the U.S. Treasury have refused to honour Ambassador Leo Wanta's compromise \$4.5 trillion settlement, which has been the subject of successive postings since June 2006 on this authorised website.

It is now October, and this farce has gone on for long enough.

In addition, the full value of the 2,000 tonnes of gold bullion acquired by Leo Wanta, during his Financial Warfare operations against the Soviet Union, in accordance with the direct instructions he received from President Reagan, will be chargeable to Inland Revenue tax in Austria.

He is also the Principal and owner of this gold.

VIENNA RECEIVES AMBASSADOR WANTA'S OFFER WITH UNDERSTANDABLE ENTHUSIASM

The incoming Austrian Government led by Chancellor Wolfgang Schuessel, and the Austrian Chancellor-designate, Alfred Gusenbauer, and their advisers, have received this offer with understandable enthusiasm, and are already working on arrangements for the payments, which will convert Austria into the richest nation country in Europe, and indeed the world.

Leo Wanta held back making this offer pending the \$4.5 trillion Settlement with the US authorities, on which the US Treasury has repeatedly defaulted since June 2006.

Instead, the White House, Treasury and Federal Reserve have hijacked the funds as collateral for exotic off-balance sheet financial transactions in order to sustain the fiat \$ money carousel from which officials have been enriching themselves in a grotesque abuse of power which may lead to the Second American Revolution.

WANTA ORIGINALLY ORDERED BY THE WHITE HOUSE TO RESIDE IN AUSTRIA FOR OPERATIONAL PURPOSES

Leo Wanta was ordered by the White House to go and live in Austria, from where he conducted extensive international intelligence operations in the 1980s and early 1990s on behalf of the US Government. With effect from June 1988, he obtained authorisation from the Austrian Court ? the sole means of obtaining Austrian residency ? to reside in Austria, where his business and personal accruals are taxable.

On 7th July 1993, he was kidnapped in Switzerland, while on US Government business and serving as Somali Ambassador (agreed with the White House) to Switzerland and Canada. He was thrown into a stinking, polluted Swiss jail, where Swiss intelligence tried to murder him by feeding him tainted cheese, and was illegally extradited in shackles after 134 days, to New York.

A United States Federal Court in Brooklyn threw out the US Government's case, but Leo was then illegally rearrested on the US Courthouse steps without a warrant, and was illegally extradited to Wisconsin, on trumped-up civil tax charges ? where he languished both in jail and under house arrest, for 12 years. The purpose of this cynical, heartless operation was to remove him from the scene so that the funds of which he is Principal could be diverted, stolen and cynically misappropriated.

INTERNATIONAL CURRENCY REVIEW TO PUBLISH DOCUMENTS EXPOSING THE SCANDA

Full exposure of this travesty, including the text of a letter containing a nexus of demonstrable lies from the FBI to the Wisconsin Assistant Attorney General, Douglas Haag, which was then forwarded by Mr Haag to the Wisconsin County Judge, Michael B. Torphy ? thereby perverting the course of justice ? will be exposed, along with an unprecedented presentation of related intelligence and documentation about this scandal, in the forthcoming issue of International Currency Review (1).

The FBI's lies conflicted absurdly with the parallel lies perpetrated by the CIA, which maintained to the international financial community and to its own deceived cadres, that Ambassador Wanta was dead. (A dead man cannot (yet) be tried in US Federal Courts, although he can evidently be tried in State Courts. This fiasco shows that the culture of lying, which permeates the US Government, is so crudely applied that the FBI and the CIA cannot even co-ordinate their lies to ensure they match).

Underlying these scandals was the determination of rival US criminal intelligence gangs to grab control of the \$27.5 trillion that Leo Emil Wanta had assembled on President Ronald Reagan's instructions. The funds were regarded as 'fair game', and so a repulsive free-for-all ensued.

ALSO: THE CLINTONS STOLE AMBASSADOR LEO WANTA'S UNITED NATIONS CONTRACT # 4, WORTH \$5.0 TRILLION

Following his successful 'takedown' of the Soviet Union by means of Presidentially authorised Financial and Economic Warfare operations, Leo Wanta was awarded control of United Nations Contract Number 4, worth \$5.0 trillion. This was stolen from him, after he had been 'taken down', by the CIA's operative, President William Jefferson Clinton, and his CIA wife, Hillary Clinton.

OVER 200 PAGES OF WANTA BANKING TRANSACTION DOCUMENTS AND COORDINATES TO BE PUBLISHED

The forthcoming special issue of International Currency Review will display over 200 pages of Leo Wanta's banking and related documents illustrating and identifying banks, account coordinates and other relevant information ? including details of bank accounts which have been illegally brought under the control of others, and accounts opened in the personal name or names of American intelligence-related criminal operatives, with the funds placed corruptly in their own personal names. Publication of these documents will throw the international spotlight onto the biggest nexus of banking-intelligence scandals in world history.

SCARED CIA 'LAWYERS' AND INTELLIGENCE OPERATIVES,

SEEING WHAT'S COMING DOWN, HAVE PACKED UP AND EMIGRATED

Certain financially compromised US intelligence operatives known to have stuck their corrupt fingers into this banking pie, have recently disappeared ? with some, it is now believed, having suddenly taken up residence in the Republic of Ireland, which has no extradition treaty with the United States because of Washington's hypocritical attitude towards Irish terrorists, who are for some reason considered acceptable. (The British have lost over 5,000 people murdered by these terrorists over the years, while more than 25,000 people have been injured).

U.S. OFFICIALS HAVE CYNICALLY WASTED FIVE PRECIOUS MONTHS PLAYING SELF-ENRICHMENT GAMES

The U.S. authorities have wasted five months playing illegal self-enrichment games with the \$4.5 trillion belonging to Ambassador Wanta, which will now be payable in accordance with Ambassador Wanta's instructions into accounts under his control, that will be taxable by the Austrian authorities.

TWO GIANT WALL STREET FIRMS (NAMED BELOW) MUST DISGORGE THE \$4.5 TRILLION ? PLUS THE INTEREST DUE

It will be necessary for the two Wall Street financial institutions which have been trading the \$4.5 trillion illegally, to disgorge the full \$4.5 trillion plus all the interest applicable since the beginning of July, for Ambassador Leo Wanta's taxable corporate accounts in Austria and as designated.

The identity of the two large US institutions that have been trading the \$4.5 trillion ? in lieu of the funds being credited to Leo Wanta's Virginia-based AmeriTrust Groupe, Inc, as instructed by its Treasurer, Michael C. Cottrell, M.S., in unacknowledged correspondence to the US Treasury ? was revealed in a terse communication from Ambassador Wanta to President George W. Bush Jr. on Friday 29th September 2006.

This referred to the fact that economic receipt of the long since formally agreed financial Settlement worth \$4.5 trillion, was 'still unlawfully delayed within Goldman Sachs/ Citibank, as clearly acknowledged within our US Department of the Treasury et al'.

DETAILS OF THE ORIGINAL TRANSACTION ? FOR THE RECORD

As a consequence of its blatant banditry with Ambassador Leo Wanta's funds [see earlier postings on this website for details], the US Treasury, Federal Reserve and the White House have forfeited the residual respect of the entire international financial community. And the US Treasury has 'lost' \$11 trillion to date by way of tax windfall payments from Wanta's operations, since midsummer 2006.

But such behaviour by the US authorities is nothing new, as will now be explained.

The original (late 1980s) refunding requests, met by a consortium of 200+ international banks, consisted of two tranches, as follows:

** \$12 trillion of 'Fresh Cut' promissory bank Notes earning 7.5% interest annually, for 20 years and one day, with Swiss Bank Corporation and Deutsche Bank being the issuing bank for the funders [Transaction code: DKGO 83188 and JOS-TT-0001].

** \$15 trillion of 'Fresh Cut' Promissory Bank Notes earning 7.5% interest annually, for 20 years and one day, with Banque Romande as the lead Funding Bank [Transaction Code: G.O.C.H. 11 0888].

The Collateral Code for both tranches was EFG JACOB/ICC400/322/C3416, with Barclays Bank Plc (London) and ABN-AMRO Bank (Amsterdam) being the lead banks handling the collateral.

The purposes of this transaction, which was the largest ever arranged, included buttressing the fragile dollar-based banking system; filling in gaping holes following the criminal ransacking of the US Savings and Loan institutions by criminalised US intelligence cadres; and providing US officials with the financial resources to 'manage' the intended 'post-Cold War' environment. As President Ronald Reagan's most trusted intelligence aide, Leo Emil Wanta was given the responsibility, as Principal, for controlling and managing these funds in accordance with his Presidential instructions.

Promissory Bank Notes (PBNs) are one form of bank instrument that are used by nation states and international institutions for debt-financing purposes. They are also used as the basis for arbitrage transactions, which are illegal in the United States, but not elsewhere. In the original transaction, for an overall face value of \$27.5 trillion, the PBNs were purchased by a consortium of foreign banks, mainly in the Far East and Europe. The funders agreed to purchase the PBNs at 71.5% of their face value, to be repaid at par in 20 years and one day, plus an annual interest rate of 7.5%. The PBNs were sold by the consortium of 200+ banks at a cost of 61.5% ? the 10% difference being made up of bank fees, suppliers' (collateral) fees, funding agents' fees and various commission fees, together with monies targeted for various countries to finance agreed projects.

1991 REPORT CITED SIMILAR FRAUD COMMITTED BY U.S. BANKS, ON U.S. GOVERNMENT INSTRUCTIONS

As noted, the loan transaction was the largest ever put together. By 22nd February 1991, some two-thirds of the overall transaction had been completed. A report of that date on the transaction leaked, to International Currency Review and published in 2003 and 2005(2), contained this statement:

'The remaining monies for disbursement have been held by the US banks, for reasons

which can only be described as fraudulent, under the direct instruction of the US Government, for over a year and a half.

In addition, there has been a conspiracy of misinformation, orchestrated at the highest levels of the US Government, regarding the exact whereabouts of these monies, and the timing of the payout. These

monies should have been paid out in June 1989, or shortly thereafter' (3).

A REPLAY OF THE 1989-91 MONEY-MAKING SCAMS ? BUT WITH THE SPOTLIGHT SHINING IN THEIR GREEDY FACES

Sounds familiar? A replay of such behaviour has taken place since June 2006, when the formal Wanta Settlement, signed off by the US Supreme Court, the President, the US Treasury Secretary, the Chairman of the Federal Reserve, and senior legislators last December, should have been initiated ? prior to taxable business transactions beginning in July 2006 which would have netted the US Treasury some \$11 trillion by now, plus massive windfall tax revenues payable to the cash-strapped states of Virginia and Pennsylvania, as described in our earlier reports.

But instead of honouring their obligations, the seemingly mentally deficient operatives in the White House, the US Treasury and Federal Reserve, and their intermediary associates in the banking and intelligence communities, preferred, predictably, to revert to their usual untaxed off-balance sheet self-enrichment ploys, as in 1989-91 ? using the \$4.5 trillion brought across the foreign exchanges from April to June 2006, as 'collateral'.

GRAVE CONSEQUENCES OF THIS OFFICIAL CRIMINALITY ARE NOW ANTICIPATED

This time round, however, the spotlight has been shining in their faces ? a fact which does not seem to have deterred those concerned, from their reckless determination to indulge in a frenzied orgy of self-enrichment ? without regard for the consequences.

These, however, are now likely to be so severe that the whole world may be rocked to its foundations ? unless there is a sudden, belated change of attitude at the highest levels in the US official structures.

It goes without saying that the reputation of the US Treasury, the Federal Reserve and of certain US institutions is suffering, as the international financial community contemplates the prospective fall-out from this latest demonstration of American official arrogance.

And quite apart from what is now very liable to happen in the United States itself at any time, consequent upon the reprobate failure of the US authorities to fulfil their

obligations ? and to prefer de facto default in order to buy more time for self-enrichment ? the banks also face an unprecedented crisis.

Let us consider specifically what this implies.

WHAT 'CALLING THE WANTA MONEY' ACTUALLY MEANS IN PRACTICE: AN EXAMPLE

At a certain bank in Central London, there is a lock box belonging to corporations owned by Ambassador Wanta, and it is open to the Ambassador to walk into this institution at any time, having made an appointment for the purpose, to request to open the lock box in the presence of the Bank Custodian, and to dispose of the real assets contained therein, as he sees fit. The bank must of course implement his instructions. If these assets have been used illegally as collateral for hypothecation purposes, so that their withdrawal from this bank might cause not just the bank in question, but other banks with which it has been merged, to collapse, that is not the Ambassador's problem any longer. Mr Wanta has been leaning over backwards for months to 'provide space' for the American authorities to fulfil their Settlement obligations ? so that the banks which have stolen and diverted funds for collateral and hypothecation purposes, could be let off the hook.

But the US Treasury and the White House seem to prefer the prospect of a global financial calamity, to the simple task of ordering the \$4.5 trillion to be transferred to the relevant securities accounts of AmeriTrust Groupe, Inc [see ID and taxation coordinates below].

BANKS HAVE BEEN USING AMBASSADOR WANTA'S FUNDS FOR THEIR OWN BOOKS, AS A MUTUAL SURVIVAL 'FLOAT'

The banks holding Leo Wanta's real assets, while he was so conveniently taken 'out of the way' on trumped-up charges for 12+ years (as it turned out), so that the funds could be diverted and stolen, have been using them for their own books ? institutionalising the system of interbank pledges and ledger entries (ledger to ledger).

In other words, the banks are supporting each other, using inter alia the vast float of funds generated from Leo Wanta's real assets, to keep themselves solvent.

Naturally, the institutions concerned are individually and collectively anxious (an understatement) for the Leo Wanta Settlement to be finalised ? because they will thereby be 'off the hook', in the sense that the assets will not be called, so that they will not, accordingly, be required to account for their source of funds, and use of funds. That would be anathema for them, since in many cases the funds have been diverted, collateralised, and/or stolen.

U.S. TAX EVADERS MAY STILL FACE A SHOWDOWN,

WHILE AMERICANS WILL GO ON PAYING MORE TAX

The US intermediaries who have been generating money and storing their profits in unreported offshore bank accounts, will still remain liable to be indicted for tax evasion, if the US Internal Revenue Service (IRS) ? which has been in gross dereliction of its duty of fairness to all US taxpayers ? finally gets round to investigating the convoluted financial affairs of the self-enrichment officials and others who have been cynically milking the US dollar fiat money system for their own benefit while occupying official positions.

And following the failure of the Treasury to order the \$4.5 trillion belonging to Ambassador Wanta to be credited to his Virginia corporation's securities accounts with designated US institutions, not only does the Treasury now face the prospect of losing the further trillions in tax accruals that had been intended, but the badly betrayed American people will clearly be condemned to shoulder ever-increasing taxation burdens indefinitely.

This is because the Bush II White House prefers the fiat money carousel, which generates ever-expanding 'hidden' Federal budgetary debts that have been growing exponentially for over a century ? but which also enable senior officials to enrich themselves off-balance sheet without paying tax. Over the medium term, the volume of such untaxed US 'funny money' that will have been generated will destroy the dollar ? which may even be the intention (for it to be replaced by a world currency).

The United States is going to regret defaulting on Leo Wanta's Settlement: and it is likely that the American people will have something decisive to say on this matter.

THE UNITED STATES' CATASTROPHIC LOSS WILL BE THE REPUBLIC OF AUSTRIA'S GAIN

But the Republic of Austria, which provided Leo Wanta with hospitality and security in the years before the criminal cadres took complete control in the United States, will become the richest nation in Europe ? and indeed, in the world.

Work started on details of the new arrangements with the Austrian authorities and Chancellor-designate Alfred Gusenbauer, on the evening of Sunday 1st October 2006, when it became clear that the US authorities were not interested in the trillions of tax accruals payable under the Wanta Settlement, on which they have reneged.

Quite rightly, the Austrians see this is an opportunity not to be missed: and they will be hastening completion of the formalities with the Ambassador over days and weeks ahead.

And Americans, facing mid-term elections shortly, will be demanding to know why the Bush II White House has let them down so badly.

according to Steven M Greer - just read an extract from Hidden Truth Forbidden Knowledge in the latest Nexus magazine - Greer mentions that the jesuits have the capability to electronically interface with consciousness and remote view in real time - he says this wipes the floor and is light years ahead of anything the NSA/NRO have for surveillance.

does anyone have any further info on this?

is a link with information about Jesuits and UFOs. I have to look at it further if it discusses anything about remote viewing.

CRAIG-OXLEY - October 3, 2006 02:02 PM (GMT)

I haven't checked any of these links out but I'm surprised to see that the Jesuits are being named with these devices. Personally with the skills of the high sorcerors within the Black Brotherhood (Jesuit Order) I cannot see why they would need electronic

devices unless its just to make things far more simpler.

When it comes to space the Jesuits dominate this also from an Earth's perspective at least. Not one ounce of information is allowed to pass anywhere until its been approved by Vatican intelligence first. So alas the Vatican and its Hierachy the Jesuits rule space also.

* Temporal Hugo Chavez meets his Roman Catholic MASTER Pope Benedisc XVI

* Jesuit Fidel Castro meets the SMOM Grandmaster Andrew Willoughby Ninian Bertie

When you rule and enslave people and you know that a certain percentage of your herd will rebel and awaken. You do not let an individual come along who may guide these people to the truth and possibly then become a threat to yourself. You get in there first and plant agitators and people who give the illusion of opposition (Temporal Coadjutors). This is exactly how the Society of Jesus works and this is why they've been veiled so well for so long whilst disinformation was spread to divert the herds attention.

Above & below are some nice examples of how Roman Catholic 4th Vow Jesuit & 33rd Degree Freemason Fidel Castro and his buddy Roman Catholic Hugo Chavez are simply controlled opposition. Castro is a high end Jesuit himself where as Hugo Chavez

is a Temporal Coadjutor. Both work to create the illusion of opposition to American imperialism.

Remember on that for a start off its not America doing any crimes but its the corporation created in 1868 called the United States which is committing the crimes. We could also argue that the purposely incorrect military patch U.S flag on right shoulders of Soldiers is enough to claim the U.S has no involvement in a war crime tribunal, remember flags are very important to this day. The real criminals come out of the Council on Foreign Relations who were the creators of the United Nations in order to hand over government power across the globe to the United Nations. United Nations operates covertly within the U.S via FINCEN known to many as the secret black helicopters etc. Who controls the Council on Foreign Relations? The all powerful Sovereign Military of Malta headed by the Queen of England's cousin, the 78th Grandmaster and Prince Cardinal Andrew Willoughby Ninian Bertie. Now remember on that the SMOM in the Americas is headed by the Archbishop of New York known as Cardinal Edward Egan and his Maltese Knights of the Round Table in New York. Egan is then controlled by the Jesuit Order out of Fordham and ultimately Georgetown University in Washington D.C. Now please go check out why Brussels is so important to the European Union by looking into Jesuit history and it will all become clear. The United States is nothing more than the `New Holy Roman Empire' thanks to the 14th Amendment. Once the Jesuit Order have used their bully boy army of the U.S they will then discard this corporation as used rubbish just like they did with Nazi Germany and Americans will suffer dearly. Notice how the United Nations will rule the U.S via 10 sections and no more 50 States. Now go and notice how the Jesuit Order have always ruled the U.S via 10 Provinces and each one having a Provincial who then report to a Jesuit assistant who then reports to the Superior `Black Pope' General at the pinnacle of World control.

Chavez warns US over Iran policy

Sunday, 14 May 2006, 20:57 GMT 21:57 UK
<http://news.bbc.co.uk/2/hi/americas/4771229.stm>

Venezuelan President Hugo Chavez has warned the US that any attack on Iran will have

devastating consequences and send oil prices soaring.

Mr Chavez, on a two-day trip to the UK, called for a socialist new world order and said nations were cowards for not standing up to the "American empire".

The US has not ruled out military action against Iran over its nuclear programme but is pursuing diplomacy.

Hundreds of supporters gave Mr Chavez a rapturous welcome in north London.

Packed ballroom

The president told the meeting in Camden, hosted by Mayor of London Ken Livingstone, that a US military attack on Iran would lead to Tehran cutting off its oil supply.

"If the United States attacks Iran... oil could reach \$100 (£52) a barrel or more," he said.

"Moreover, Iran has said it would attack Israel, and I know they have the wherewithal to do so.

"This would be a terrible escalation and I do not know where it would end and I do not know who would get out the first nuclear bomb or how many people would die. No-one would be safe from this madness."

Mr Chavez said the US "doesn't know what to do" in Iraq, which he called "the Vietnam of the 21st Century".

Jubilant supporters cheered him, many clad in Venezuela's red, blue and yellow and banging drums, while hundreds more were left outside the packed ballroom.

Mr Chavez said capitalism was a "destructive" system and that "socialism is the way forward".

Mr Chavez called unrestricted free trade "a trap by the world's most powerful so they can keep the weakest in slavery".

Britain and a number of other countries have criticised Mr Chavez's moves to exert greater control over his country's oil reserves - the world's fifth largest.

On Friday Prime Minister Tony Blair urged Venezuela to use its energy resources responsibly.

The president's trip has been described as a private one - he has made no request to see Mr Blair or any government officials.

On Monday Mr Chavez will have lunch with Mr Livingstone, and will deliver a lecture in the evening.

BBC Americas editor James Painter says Mr Chavez's strategy for this trip is similar to the one he used when visiting the US in September last year. He does not meet government officials but rather appeals over their heads to appear as a man of the people.

Our correspondent says Mr Chavez does not want a "European flank" opening that would support the critical comments made of his regime by the US.

There are many Masonic lodges worldwide with the name Cuba. If this Catholic bishop is a Freemason then you can safely assume that the Archbishop of Havana which would explain why he doesn't care or complain that Professed Fourth Vow Jesuit Fidel Castro is a 33rd Degree Freemason.

Nicholas Rivera

QUOTE

Roman Catholic Hugo Chavez is a Jesuit Temporal Coadjutor as is Roman Catholic Fidel Castro in Cuba. Chavez is leading the anti-American agitation in South America due to the oppressive and murderous policies of the Order's CIA for the last fifty years. The CIA murder of Allende in 1972 and his being replaced with fascist Knight of Malta Pinochet---the protector of scores of ex-Nazis resident in Chile and whose secretary was Opus Dei---is one such example. Again, we American people are being blamed for the crimes of the Pope's CFR/CIA-controlled US government committed in our name.

Chavez Says He Has White House Informant

Venezuela leader Chavez says White House informant has warned him about plots against him

CARACAS, Venezuela, Oct. 2, 2006

By CHRISTOPHER TOOTHAKER Associated Press Writer

(AP) Venezuela President Hugo Chavez said Sunday he has received warnings from within the White House that the Bush administration is plotting to assassinate him or topple his left-leaning government.

Citing what he said were warnings from an alleged White House informant, Chavez told thousands of supporters at a campaign rally that President Bush has ordered him to be killed before he leaves office in 2008.

Bush "has said that before he goes, Hugo Chavez shouldn't be the president of Venezuela,"

Chavez told the crowd. "The president of the United States has said it, especially in recent days. What he doesn't know is that I have friends in the White House."

The Venezuelan leader has claimed before that the U.S. government is out to kill him _ allegations that U.S. officials deny.

The latest accusation came a day after he alleged that there had been a recent attempt to assassinate him and said those responsible had since fled to neighboring Colombia.

Chavez appeared to link the alleged plot to his main rival in upcoming presidential elections, Gov. Manuel Rosales of Zulia state, claiming that he is in constant danger from opponents seeking to get rid of him.

He said a sniper had waited with a long-range gun and planned to shoot him after he debarked a helicopter, he said. He did not elaborate further on the alleged plot.

Chavez vowed to win the Dec. 3 vote and continue governing this South American nation until 2021. "Fourteen more years, that's what's coming," Chavez said.

Venezuela's Constitution allows a president to be re-elected only once in immediate succession. If Chavez wins a second six-year term in December, he wouldn't be able to run again in 2012 _ without a legal change.

Chavez has floated the possibility of changing Venezuela's constitution to allow indefinite re-election.

CRAIG-OXLEY - October 1, 2006 09:11 PM (GMT)

Arctic Beacon Editor "Goes Public" With Threats and Harassment Over Wanta Story

Editor also goes public in order to protect the safety of Wanta, who is hiding and staying out of the public eye until the \$4.5 trillion is released for the betterment of the U.S. economy. Also, when **Vatican manipulation of the Wanta money was questioned, only then did the strange sequence of events and surveillance begin.**

1 Oct 2006

By Greg Szymanski

<http://www.arcticbeacon.com/1-Oct-2006.html>

The Ambassador Leo Wanta story gets stranger and stranger with each passing day, as the Arctic Beacon editor has been targeted with harassment and threats ever since about a week ago when he began "putting under the microscope" whether the **Vatican** and **Jesuit Order** were using Wanta and this publication as patsies.

The series of articles last week did not question Wanta's credibility but whether "something unpredictable" was going on behind the scenes -- events unknown to the principal parties involved in trying to repatriate \$4.5 trillion in off-shore money.

Wanta has been at odds with the powers that be ever since he was declared legal trustor of more than \$27.5 trillion accumulated as a result of his financial efforts on behalf of President Ronald Reagan to destabilize the Russian currency at the end of the Cold War.

Furthermore, Wanta was jailed for the better part of a decade for trying to return trillions to the American people, as Reagan had dictated, but later was backstabbed by the

following three presidential administrations who instead wanted to illegally pocket the money for their own personal use, according to Wanta.

Previously, Wanta came forward with these allegations, presenting documentation of more \$745 billion in misdirected and stolen money, attributing the thievery to those occupying the White House after Reagan left office.

Upon his release about a year and a half ago from a Wisconsin state prison, Wanta set out on a financial quest to repatriate the money according to Reagan's directives, in May entering into a negotiated settlement with the powers that be to return \$4.5 trillion for the benefit of the U.S. economy.

However, the money has been blocked by the Bush administration since May and according to Wanta first being held up in a Virginia Bank of America account and now being held illegally in a New York Citibank account.

Besides the \$4.5 trillion supposedly earmarked for the American people with \$1.6 trillion to be paid in federal taxes, Wanta's shocking testimony opens the door to the devious way the last three presidential administrations have been bilking the American people out of trillions of dollars, using the "off the books offshore" money for covert purposes, including funding to the New World/Illuminati's quest to destroy America socially, economically and politically.

Other strange events surrounding the "trillion dollar deal" is that the Bush administration has reportedly put incredibly tight restrictions on the release of the money, recently saying they will release the funds only when "we are God Damn ready."

The Bush administration reportedly also wants the following conditions met before the release of the Wanta money:

They want it done quietly with no press coverage. They want to take credit for the release of the \$4.5 trillion as if they were the "good guys wearing white hats." They want only the principal parties to mention the release by the verification of \$1.6 trillion due in taxes without mentioning the use and purpose of the remainder of the money. And, of course, the administration wants no mention about how many trillions have been stolen in the past or how the trillions are to be used in the future.

Until recently, Wanta has always "gone public" with his accusations and financial details about the repatriation settlement, but of late has been hiding away and staying out of the public eye, citing security reasons.

And it wasn't until last week, after the **Vatican** involvement was questioned and a strange sequence of events occurred involving the whole Wanta story, that finally prompted the Arctic Beacon editor to "go public" in an effort to protect his future, the future of his family and/or the safety of Ambassador Wanta.

Here is an update and the sequence of strange events that occurred:

According to principals close to the story, Wanta is keeping out of sight and a very low profile, fearing for his safety as the release of the money may only be days away.

According to Michael C. Cottrell, treasurer of Wanta's financial company established to distribute the trillions for the betterment of the U.S. economy, if the money isn't released in the next few days, he is prepared to go public again on Greg Szymanski's radio show, The Investigative Journal on the Genesis Communications Radio Network at www.gcnlive.com.

The following strange sequence of events, occurring after the **Jesuit Order** and **Vatican's** motives were questioned related to the Wanta story, took place in the following manner, leading the Arctic Beacon editor to go public in order to protect himself as well as protecting the safety of Ambassador.

The editor also told his story Saturday on a Christian radio network in order that the harassment and threats be immediately chronicled publicly, as and added measure of safety and protection for the parties involved. Here is the sequence of events as they occurred:

----After an article appeared in the Arctic Beacon critical of the **Vatican** and **Jesuits**, a call was placed to the landline phone number of the editor on Sept. 21, asking for an unknown individual. The call was obviously placed from an Intelligence Agency since the number was non existent and was traced to be 489-489-4894.

---- After the editor conducted an interview with former **Catholic Bishop of Guatemala, Gerard Bouffard**, on Sept. 22, highly critical with eye-witness testimony implicating the **Jesuit Order** and **Vatican** as the spiritual controllers of the New World Order, a threatening email was received on Sept 23 essentially telling the editor to leave the country quickly or blood may be shed.

---- After several stories appeared in the Arctic Beacon questioning the **Jesuit** manipulation of the Wanta story and asking questions why Wanta was not communicating with an "old friend" who essentially verified his story, Wanta left a message on the editor's answering machine asking for a minor change, saying to call Cottrell since he was traveling. The funny thing about the call was that it was placed from a calling card number in a town very near the vicinity of the editor's residence.

---- On Sept. 28, the editor also received a message on his answering machine, saying the story had "created quite a stir" also indicating a minor word correction needed to be made on the story. Later in phone conversations, Cottrell indicated Wanta had called from nearby the editor's location, but was staying out of the public eye since he feared for his life. Cottrell added from what he knew and heard Wanta's life was in danger and

the editor was being put under surveillance and harassed, as a scare tactic to quite down the story and perhaps give a clue to Wanta's location.

---- On Sept. 30 the editor received an email from France or Brussels, where Wanta has people handling his financial affairs, saying Wanta was going to meet with his "old friend", an international financier, as well as meet with the editor, saying " Amb Wanta will be seeing you soonest as well Further, he had never stated he did not want to speak w/you, but he is not in WI presentlyfor security reasons."

---- In the late morning on Sept. 30, the editor received another call from Intelligence, this time from a man with a Middle Eastern accent asking if Ratti was home. The number again was traced as nonexistent and was the same 489-489-4894 number used on Sept. 21.

Although Cottrell added that he didn't think the Catholic Church was involved in the background of the Wanta story, it should be noted that this strange series of events surrounding the story only occurred after the **Vatican** and **Jesuit Order's** manipulation was questioned.

Pope Receives Kissinger

Date: 2006-09-29

<http://www.zenit.org/english/visualizza.phtml?sid=95698>

Castel Gandolfo, Italy, Sep. 29 (Zenit.org).- Benedict XVI received Henry Kissinger, the former U.S. secretary of state, in a private audience at Castel Gandolfo, reported the Vatican.

The Vatican press office did not issue any public statement on what was discussed during Thursday's meeting.

Kissinger, who was Secretary of State from 1973 to 1977, also met with Italian Prime Minister Romano Prodi and President Giorgio Napolitano during his weeklong visit to Rome.

The German-born American diplomat served as national security advisor and later secretary of state during the presidency of Richard Nixon, a position he continued to hold during the presidency of Gerald Ford.

In 1973, Kissinger, along with Le Duc Tho of Vietnam, won the Nobel Peace Prize for their efforts to negotiate the Paris Peace Accords to end the Vietnam War.

TruthSeeker24 - September 5, 2006 06:17 PM (GMT)

I wanted to mention this as well. November has been obsessive with demonizing 2tuff on this Jesuit issue. First off, it's bigger than the Jewish people and Judaism November. Have November look at religious scripts like the "Book of the Dead" and other ancient documents before Judaism was creation outlining control of human beings. Tons of these Gentile Mystery Religion scripts existed before Judaism and the Jesuits. Also, the modus operandi of the ancients is from the Mysteries from the Gentiles not Jews collectively. That's something that November from davidickeforum doesn't understand. For thousands of years, Jewish people were subjugated and oppressed by Europeans and other human being. No doubt, evil Jewish people exist in the world, but to omit the Vatican/Jesuit connection to the New world order is a bad move. New information are coming through daily about the truth. Just because groups exist from the ancient times, doesn't mean that all ancient group have supreme power today. Power shifts through the centuries from the Egyptians, Chinese dynasties, Babylon, Medo-Persia, Greece, Rome, etc.

Let's look at history. In the Middle Ages, the Vatican had most of the power in Europe. In the 1500's, the Jesuits were created by Igantius LOyola. Adam Weishaupt was trained by Jesuits and invented his Bavarian Illuminati in July 1776. Not only was he trained by Jesuits, but he died in good graces with the Roman Catholic Church according to John Daniel's research. Today, we see the Vatican/Jesuits have roles in

the French Revolution (as proven by John Daniel's the Grand Design book), the Civil War (look at CT Wilcox's new book), The O.T.O. (a Vatican official name Rampolla was a member), the Russian Revolution (Jesuit Maly supported it. Freemason Kerensky first ran Russia then Trotsky and Lenin took it over by later 1917. Notice that many of the original Jews involved in the Revolution were hunted down and murdered), WWI, WWII (that's 100% proven by Edmond Paris, Alberto Rivera, Eric Jon Phelps, and others. The Nazis based their SS on the Jesuits. Hitler was a baptized Catholic and was never excommunicated. Many Jesuits were in the SS and SMOM Franz von Papen was a key powerful Nazi in the Third Reich. Catholic Bishop Alois Hudal and others organized the Vatican Raltine sending Nazis out of Europe to escape prosecution. 33rd Degree Freemason Robert Jackson prevented real Nazi war criminals from being found guilty. THE Jesuit/Nazi link is suppressed by many in academia to this day), Vietnam (Catholic Diem butchered Buddhists {the religious slaughtered of Buddhists was so bad that many Buddhists burned themselves alive as a protect like Thich Quang Duc at Saigon at June 11, 1963. Diem was murdered by his own people at November 1963. It's rumored that LBJ and JFK had foreknowledge or a role in Diem's murder}, Cardinal Spellman supported the war {the war was called Spelly's war}, and Jesuit Lyons was an active supporter of the war), the Cold War (Both the CIA and KGB had SMOM members in times past like Prince Anton Turkul, William Colby, William Casey, etc. Also, each side were funded by NYC/Europe based multinational corporations like Chase Manhattan), JFK's assassination, Vatican II & the Ecumencial Movement (33rd Degree Freemason Robert Schuller and his "Brother" Billy Graham have submitted themselves under Rome), Iran Control (filled with Knights of Malta connected to that event like William Colby and Oliver North), and 9/11 plus the war on terror (many of the figures in the military are connected to Jesuit Georgetown University as explained by Brother Nicholas Rivera. One architect of the Patriot Act Viet Dinh was a Jesuit graduate from Georgetown University). The vast majority of the people on Earth aren't Jewish (who make up less than 30 million people worldwide), so Jews aren't involved in every evil conspiracy. Also, Novemeber hypocritically blames the Jews for the world's ills yet believes that the "Jews" he's refering aren't real Jews. That's being a hypocrite because according to him they aren't real Jews, but still the Jews are to be blame for our major ills.

You still have billionaire Papal Knight of St. Gregory Rupert Murdoch running FOX News and Knight of Malta Juan Carols working in the Middle East plus own the Cintra corporation according to Paul Joseph Watson. All of the previous information can't be discounted as baloney or a fairly tale. November is talking about a blueprint, but common sense will tell you that the Jesuits, SMOMs, high level Freemasons, and other groups running the world are doing things contrary to the OT. For example, many of them are embracing the New Age and occultism specifically condemned in the OT. The Syllabus of Errors (instituted in the 1800's), the Council of Trent, and other blueprints are supported by the Jesuits and these documents are evil bashing free speech, freedom of religion, etc. November, nice try, but your tactics doesn't work. Me and other

will continue to expose all evil whether the Bilderberg Group & the Kabbala all the way to the Jesuits. So, November needs to stop fronting about this issue. This is real backed up by books, new articles, documents, and other forms of research. No one is denying evil Jewish people or evil Labor Zionists in the world. What we deny is that the Jews solely rule the world. There's a big difference. I wouldn't trust people like Daryl Bradford Smith, which even WINGTV exposes now.

A caller talked to Alex Jones again today on the Jesuits. Alex said that the Jesuits don't rule the world, but are involved in evil. He believes that the Catholics were just infiltrated by evil folks at a certain time in history. The caller is talking about Alberto Rivera's testimony. He trying to send Alex information about Alberto Rivera. He denies that the Catholics run everything. He denies that he is a Jesuit Temporal Coadjtor. He claims that many of the Jesuit information is baloney. This is silly by him, because real Jesuit exposers aren't saying that all Catholics are involved in global government. But, the Jesuits, SMOM, Opus Dei, etc. are involved in a lot of evil. People have a First Amendment right to believe that the Jesuits runs the Papacy and runs the world. I've always said that Alex Jones is an ecumencial. He won't elaborately expose the Jesuit. He refuses to expose the Passion when the film was helped to be created by a Jesuit and it has unscriptural and occult scenes. Icon Publications (who produced the film) has an all seeing eye as its logo, so he ignores that. **Not to mention that foreign pornographers were actresses in the Passion movie.** He also ignores a lot information about the Knights of Malta and their history in WWII, Cold War, JFK, etc. Even the Jesuits assassinated Abraham Lincoln at 1865 admitted by CT Wilcox's research. John Surratt (one of the co-conspirators in the Lincoln assassination) escaped into the Vatican zouare army after being helped by priests in Canada. The Civil War was manipulated by many interests from Europe, the Jesuits, Freemasonry, and the Knights of the Golden Circle. John Wilkes Booth was a member of the KGC according to conspiracy scholars. Gaylon Ross doesn't know why the Czars did help the USA. The Czars wanted to help the US because Russia didn't want England and France to control America. The Czar threaten England and France to not invade America. The Russian therefore formed a naval blockade of the Atlantic Ocean. Also, the Russian Czars were notoriously anti-Jesuit and the Jesuits killed many Czars. The Czars banned the Jesuit order in the 1800's. Payback came in the Russian Revolution where the Czars were murdered. The Russian Revolution was supported by the Jesuits, SMOM, and high level Freemasons like Paul Warburg, "Father" Theodore Maly, etc.

He talks about the Bohemian Grove all he wants, but omitting the Vatican involvement in the Third Reich is odd. I do believe Alex Jones can wake up and he isn't in the league of a blatant shill like Daryl Bradford Smith. Alex Jones calls legitimate dissent with Catholic doctrine bashing?? When is exposing the myth of a cookie being God and the evidence of the Inquisition committed by many Catholics bashing? That isn't bashing because there is no collective blame on all Catholics for all crimes in the world, but the corruption within the Catholic Hierarchy. I don't consider Eric Jon Phelps, Jack Chick, Cutting Edge Ministries, and others Catholic bashers. I consider them Dissenters with the doctrines of the Papacy and opponents of the agenda of Jesuits. Alex Jones can't refute a single word of this, so that's life. I respect Alex Jones' exposing the new world order, but that isn't a justification for ecumenicalism or compromise. I'm a debater and I can debate Alex Jones on the Jesuit/new world order connection. It would be courageous on Alex Jones' part if he discussed the Jesuits, Knights of Malta, etc. on his videos. Why do I get the feeling that he won't do it?

*P.S. Alex seems to take cheap shots against Christians who love Israel. Just because people love Israel, doesn't mean people support the evils in Israel. The truth of the matter is exposing all secret orders isn't baloney. What's real baloney is being a coward and refusing to expose the Jesuits. Even Christian Pinto exposed the Jesuits in his film.

I'm sure your average Joe Catholic thinks the Jesuits to be very pious. However, I don't think Jones is your average Joe Catholic.

As Jack Chick points out, a Catholic's first loyalty is to the Vatican. So it's impossible to be a good Catholic and a patriot.

I have just one question. Where did Alex Jones go to school? It's impossible to find out anything about Alex. Thats one of his problems.

CRAIG-OXLEY - August 18, 2006 11:53 PM (GMT)

Alex Jones teams up with Illuminati TV station Channel 4 from the U.K, the biggest promoter of the New World Order agenda with programs like Big Brother.

Alex Jones enters the Bohemian Grove which no one else has ever been able to achieve, along with the Illuminati Channel 4.

Alex Jones films pretty useless information about the Grove, he captures zero people of importance. He doesn't show any of the more sinister rituals just the pretty Cremation of Care.

Alex Jones denies the Catholic power whilst HEAVYWEIGHTS out way before Alex Jones expose the Catholics. So lets ask Sherman Skolnick, Antony J Hilder, Jordan Maxwell, Tom Heneghan, Michael Tsarion, Eric Jon Phelps and many more what they think and they know who rules the roost and its Vatican and Mafia.

Alex Jones promotes Opus Dei members such as Mel Gibson and his father. Hes sold Catholic published products.

People who won't admit out right Catholic power still admit the Catholics are up there with the best (their fantasies). So why doesn't Temporal Coadjutor Jones address them properly. All Jones is doing is controlling the opposition to the establishments normal line and thats it. Jones is their more sneaky plant where as Michael Moore is so in your face a Temporal its

incredible. Jones does not report red hot information unlike a couple of outlets. Jones has massive bandwidth and many sites whilst the real truth outlets need subscription and have small bandwidths and one sight.

So when Jones talks about the Order of Death hes simply meaning the JESUIT ORDER but of course he won't go there. Jones knows his masters will let him speak to a certain degree but they will not allow him to stay as he is if he dare talks of the Jesuit Order.

So whilst Jones is talking about an 18th century secret society known as The Order of Illuminati, he forgets the 16th century Jesuit Order. How can anyone just not tell you whos behind Rothschild and how theres many Italian Black Nobility families far more powerful. So when they promote `The City' as the ultimate just remember the real power is within Italy and especially Rome. For godsake its well known by many who controls the CIA (and all the rest) and everyone knows the power of the CIA.

I've made a thead about this cretin so check it out!

Now how many mainstream TV stations Alex Jones been on? Now we see him in the Cinemas in that Dark Scanner film. Realise who controls Hollywood and you see the SMOM and Mafia. Do you see Jordan Maxwell, Antony Hilder, Eustace Mullins ect in films???????????? Its called CONTROLLED OPPOSITION!

<http://www.geocities.com/tlthe5th/russert.html>

This Tim Russert is very active within the catholic 'church'. He is the one Alex Jones often shows confronting George Bush and John Kerry about their Skull and Bones membership. If anybody has any more info about this Br. Liguori fro Iona college I would like to hear it.

Also I Put this together real fast. I'm sure many can add to it. I would like what ever info about this to add to it in posts here and there. Some of this I got from this forum.

Rome plays on every side to manipulate controlled opposition and create chaos. They bring in men like Alex Jones who point fingers at all the wrong people. Like George W. Bush for instance. George Bush at best is a dim wit.

Alex was there predicting 9/11. He was on the scene with groundbreaking journalism regarding 9/11 and has been instumental in getting controlled opposition against a false enemy.

This is an old war technique called a 'smokescreen'.

I've been thinking this for a long time and it's snowballed to an extent that I can not go on without bringing it to every one's attention.

Alex Jones Jesuit/Jesuit Coadjutor connections. These men Alex have lauded and praises and publically supported in a tremendous way

1. Hugo Chavez

Hugo Chavez has called for a New World Order against the United States of America three times publically. Yet Alex has yet to utter a word to the public regarding this. Why? To this day Alex Jones continues to publish articles supporting Hugo Chavez. Why?

Hugo is Very close to satanic ex Hitler youth and Paedophile cover-up Pope benedict (formally Cardinal Ratzinger).

A display of 100% submission to the Pope who is controlled by the Luciferian Black Pope, Superior Jesuit General Hans Kolvebach.

2. Hutton Gibson and Mel Gibson

Hutton Gibson who is a vicious Roman Catholic who believes that the Catholic church should have remained the way it was before the Vatican II where any one who didn't recognize the Pope as the Infallible God was cursed and worthy of death.

Hutton Gibson has also publically come forward and said that the Holocaust was greatly exaggerated. We also recently remember this drunk of a son, anti-semitic Nazi saying Jews were the problem in the world. This is straight up catholic doctrine. I was taught that in my religious instruction as a small child in the catholic church.

As we all know Mel Gibson recently did the movie "the Passion of Christ" which was highly Roman Catholic in many ways. This movie was highly promoted by Alex Jones. Hutton Gibson was interviewed by Alex Jones and Alex considers him a very dear friend.

3. Martin and Charlie Sheen

Martin Sheen took his stage name of "Sheen" after the charismatic Bishop Fulton Sheen and has done a lot of work for the Jesuits. Alex Jones Lauded Martin Sheen on his short appearance on CNN's Showbiz tonight.

4. Pat Buchanan.

Rabble Rouser Jesuit Trained Pat Buchanan here to point more fingers at Bush and push to bring in what he terms as a "New Republican Party" This man has a long laundry list of work he's done while being an agitator of the American people. Also greatly respected by Alex Jones and interviewed Pat recently as well.

5. Tim Russert.

This man Alex Jones always uses in the clip where he confronts George Bush and John Forbes Kerry in their involvement in Skull and Bones when he knows full well that the catholic church has a much more deadly history of mass murder, government infiltration, subversion, and intrigue.

Alexandra - September 23, 2006 10:45 PM (GMT)

A lot of what I remember is off the top of my head here, and I'm sure Timothy or Nicholas or someone will set me right if I'm wrong here:

The Council of Trent basically condemned all Christian (Protestant) beliefs. Vatican II reaffirmed Trent.

Calling people heretics doesn't work in this day and age (it gets a shrug and a "whatever" from me), so Rome has changed tactics...she refers to Protestants as "separated brethren." So many have fallen into this trap!

If you can't beat 'em, get 'em to join you. Then beat 'em!

Exactly 2Tuff. The reason I got so mad at this "Alexandra" person was because she said that Catholics cannot be patriots. I myself am Catholic, but see the evils that pervade the Vatican. I get very upset when people spread hatred and or racism. It just doesn't help the truth movement. Here's a quote from Fritz Springmeier that sums it up:

QUOTE

Our problem is not the Moslems. Our problem is not the Roman Catholics. Our problem is not the Jews. Our problem is not the Christians. Our problem is the people who use these religions as fronts!!!! Don't be so mesmerized by the play that you join it thinking it's real. This is why Christ says bring every thought into captivity into his obedience. (2 COR 10:5) If you don't, Satan will do just the opposite, take your thoughts captive to him.

<http://whale.to/b/sp/f6.html>

Alexandra I'm sorry I got so upset, but it pains me to see people like yourself taken in by hateful doctrines or so it seems from your choice of words. Blaming the Catholics is just as bad as blaming the Jews. We really have to watch what we say. Just be careful with how you state things, we really don't need to spread anymore hatred in this movement.

tlthe5th - September 28, 2006 03:23 AM (GMT)

Born, even Alberto says in this audio message that, (I'll paraphrase) "That Catholics will come up to me (Alberto) and say I don't believe in this or that about the catholic church (for example, that the Pope is infallible) but I still call myself catholic." Alberto's response to them is, you may call yourself catholic but you're not and the Pope definitely doesn't consider them to be catholic." They may be something else but they're not catholic.

true catholics can not be american patriots because they choose the pope over american laws and even the constitution. if you call yourself a catholic you can not be a patriot. if you call yourself a patriot you can not be a catholic. sorry if that makes you angry but it's the truth and i can't help if the truth makes you angry. but those two are opposites.

If the Pope called you up and asked you to do something for him and you refuse you are on the hit list, you are not considered a catholic. even if it was murder.

what is catholicism? is it christianity? what do you think of Alberto's testimony?

I agree with you that people shouldn't generalize regarding jews, catholics, etc. Many people who considered themselves catholics have died fighting Popish tyranny. Eric Phelps says that also.

I beleive there are good people within the organization that don't know about what the vatican and Jesuits are up to. But being you know I would highly reconsider whether or not I would call myself 'catholic'.

And it's more than just the Vatican being infiltrated. It has always been a powerful military and political force that was paganistic, murderous. Those pagan rituals they have mingled in with their worship is satanic in origin.

This is coming from someone who was raised around catholics and catholic teachings.

So now people can't try to convert people from the porno industry to Christ?

There is a difference between trying to convert porn people to Christ than promoting a unscriptural film with porn stars, having a false Jesus, a Jesuit being involved its script, and utilizing occult symbolism. The Passion has been exposed by real Christians for years. Forget the Passion with its false Antichrist figure. Frankily, I do believe that many Catholics can be patriots, yet Catholicism has false doctrines. I will debate that and the Passion to the nth degree. I'm prepared and not intimidated by you or anyone here. I do believe Alexandra has a right to dissent with Romanism, although there is no collective blame on all Catholics for all evils in the world. I'm not the one Born. I don't follow Romanism, I don't adhere to compromise, and I don't follow ecumencialism like Mr. Alex Jones. Thank you Born for awakening me from my slumber. Also, dissent is not necessarily hatred or racism. If that's the case, almost everything under the sun is racism or hatred. I dissent with Papal doctrines, but I don't believe in showing hatred toward Catholics. ALEXandra doesn't hate Catholics (which is forbidden in scripture), but dissent with some of their false doctrines (like a cookie being Jesus, Mary called an evervirgin, or the Council on Trent damning to hell Protestants, Baptists, and Jews). I get annoyed when people demonize Alexandra when she isn't really a mean person. She's a meek woman. I'm ready to respond to people back and forth. Alexandra can handle herself, but when you say my name, then it's on. I will defend myself.

Like the Age of Alcohol Prohibition: in order to give more power to Mafia and Gangsters, the Prohibition allow them to grow up with clandestine distillery.

Title: Murdered Body Found At Roman Catholic Church

CRAIG-OXLEY - September 30, 2006 11:06 PM (GMT)

Family wait for post mortem tests

The family of a missing student are still waiting for identification of a body found in the church where she had been staying.

Strathclyde Police have yet to identify the body which had been hidden within St Patrick's Roman Catholic Church in Glasgow's Anderston area.

Angelika Kluk, a 23-year-old Polish student, had been staying at the church since July.

A post mortem is due to be carried out on the body, police have said.

The discovery was made at about 2000 BST on Friday during a detailed search of the church.

'Risk to the public'

Ms Kluk was reported missing on Monday after she had failed to turn up for her job as a cleaner in the city.

She was last seen with the church handyman within the church grounds on Sunday afternoon.

It has since emerged that the handyman, who the congregation knew as Pat McLaughlin, was in fact convicted sex offender, Peter Tobin, 60.

Tobin, who spoke to police briefly earlier this week, has since vanished.

Detectives are keen to speak to him, stressing that he poses a "potential risk to the public".

The last known address for Tobin, who was jailed in 1994 for raping a 14-year-old girl and indecently assaulting her friend in Hampshire, was in Paisley.

This was Ms Kluk's second summer in Glasgow, having visited Scotland the previous year along with her father and older sister Aneta.

Church closed

On both occasions she stayed at St Patrick's chapel house where priest Father Gerry Nugent operates an "open door policy" for those in need of shelter.

Ms Kluk has a Scottish boyfriend who has been assisting detectives with the investigation.

Officers are still guarding the church entrance and a police cordon has been put in place across the gates to the chapel house where a forensic team are thought to be at work.

A post mortem examination to establish the cause of death is being carried out, but police said they could not determine when the results would be available.

Priests 'took US church millions'

A Catholic priest in the US is under arrest and another is on the run after being accused of stealing millions of dollars from their parishioners.

Monsignor John Skehan, 79, was charged with grand theft, as Florida police searched for Father Francis Guinan.

The two men are suspected of stealing a total of \$8.6m (£4.6m) from their Palm Beach church and funding a lavish life of property, holidays and gambling.

A lawyer for Monsignor Skehan said the figures were "over-sensationalised".

Court documents contained few details about where the \$8.6m went, Associated Press news agency reported.

Tip-off

Monsignor Skehan served at St Vincent Ferrer Catholic Church for about 40 years and was succeeded at the church three years ago by Father Guinan.

Monsignor Skehan used funds skimmed from the congregation to buy property, Florida law department officials said.

"In Father Guinan's case we found he used it more in lifestyle such as travelling, visits to Las Vegas, casinos, in the Bahamas," a department spokesman told the AFP news agency.

A police spokesman said they began investigating the two men after a tip-off in 2005.

"We got an anonymous letter that started it all," police spokesman Jeff Messer told AFP.

Monsignor Skehan was arrested at Palm Beach airport after returning from Ireland, officials said, but Father Guinan's location is unknown.

"One is in custody, one is not. We're still looking for his location, we knew where he was until Monday."

Parish manager John Krolikowski told AFP: "We hope the parishioners base their faith on God and Jesus and not on men."

FOX ON POPE'S ISLAM ATTACKS

<http://www.matthewfox.org/sys-tmpl/theemperporhasnoclothes/>

The Emperor Has No Clothes: How this "Not-Ready-For-Prime-Time-Pope" Puts his papal foot in his mouth and starts a Holy War between Islam and Christianity
Dr. Matthew Fox

I know Cardinal Ratzinger rather well insofar as I was in a protracted theological battle with him for twelve years. Though he called my work, "dangerous and deviant," I try to wear his attacks on me lightly and as a modest badge of honor.

Now we have the latest debacle from Cardinal Ratzinger's poisonous pen and mouth one might call it dangerous and deviant. I refer to his speech in Germany where, to the world's astonishment and the Muslim world's profound consternation, he cited a fourteenth century Byzantine Emperor to the tune that Muhammad was evil. Has he set Muslim/Christian relations back 200 years? Has he set fire to the already blazing conflagration and confrontation between the West and Islam? Here is what one Muslim speaker, Salih Kapusuz, who is deputy leader of the Turkish Islamic-rooted party of the prime minister of Turkey thinks: The pope's comments were either "the result of pitiful ignorance about Islam" or a deliberate distortion. "He has a dark mentality that comes from the darkness of the Middle Ages. He is a poor thing that has not benefited from the spirit of reform in the Christian world. It looks like an effort to revive the mentality of the Crusades."

I agree. He is a poor thing who knows nothing even about contemporary Christian theology—which he spent his career shooting down rather than studying—saying nothing of Muslim wisdom. I believe the speaker is correct in his assessment of

Cardinal Ratzinger who does indeed represent the dark ages of Christian history and following are the reasons why.

1. Ratzinger is a bully. He was given unbridled power by the late and extreme right pope John Paul II and he used it to threaten, cajole, beat up on, fire and expel theologians from the Roman Catholic Church. I was only one of 107 theologians so expelled for doing our job, i.e. thinking.

The first major theologian Ratzinger attacked was the late and esteemed Father Bernard Haring, a Redemptorist priest and moral theologian who was about 78 years old when Ratzinger attacked him. Haring had in fact been tortured by the Nazis in the second world war and he emerged from Ratzinger's offices saying that the experience with Ratzinger was "more scary" than his experience with the Nazis.

A bully does not listen and does not learn. He uses power-over in preference to power-with. He is afraid to meet one to one with his critics but instead has to rely on outside threats and power-over tactics. The Ratzinger I know is a bully.

Now we are told—and Muslims are being told—to come to the pope and have a dialog. One Muslim scholar of great stature, Ahmed Al-Tayyib, the president of Al-Azhar University and a former mufti of Egypt, call this invitation "extremely weird." He says: "It is extremely weird to see someone who insulted you asking for a delegation to go to him to explain reasons behind his insults." A Vatican proposal to invite Pope Benedict to Cairo to deliver a speech on Islam was also rejected by Al-Azhar. I couldn't agree more with Al-Tayyib—a pope who spent twenty-five years attacking viciously theologians of his own faith hardly seems well grounded for "dialog" between faiths, much less between faith and science. Just to imagine such a situation is "extremely weird." Why does it take a Muslim to teach Catholics these obvious truths? Ratzinger has made a career of insulting Catholic theologians, women, homosexuals, Protestants, and any one to the left of Hitler. Why should anyone expect a "dialog" with a Chief Inquisitor with a track record like this ones? By choice, Ratzinger is as ignorant of Christian theology as he is of Muslim theology. A truly dangerous religious figure.

In response to yesterday's meeting, one of the Muslim participants who represented the Italian Muslim community declared: "We were invited for a dialog but it was a monologue." Welcome to the world of the Inquisitor-in-chief. I know of no instance in which Ratzinger has ever had anything but a monologue with any theologian from his own tradition, much less a Muslim one.

2. History will remember Cardinal Ratzinger for one thing: He brought the Inquisition back (now, with his ridiculous speech in Germany, he seems to want to bring the Crusades back and may have succeeded). Operating out of the exact office in the Vatican that was called for centuries the "Office of the Holy Inquisition" and changed its

name to the Office of the Sacred Congregation of the Faith in 1968, Ratzinger and a band of petty and ignorant theological minds killed theological thought in Catholicism and indeed killed theologians themselves.

He did this not by reintroducing the rack and physical torture as in the past but by, as Leonardo Boff of Brazil, remarked, “psychological torture” and releasing legions of spitting, extreme right wing ideologues upon theologians. (I experienced such attacks in Seattle among other places by CUFF and other miscreants.) Many Catholic theologians suffered heart attacks and nervous breakdowns as well as loss of dignity and their livelihoods as a result of these attacks (one Dominican theologian in France expelled by Ratzinger was last seen driving a taxi as a way to make a living).

3. Sycophants around this pope love to tell us he is a “first rate theologian” but in fact Ratzinger surrendered all rights to being a theologian when he eagerly and enthusiastically took on the very jaded mantle of Chief Inquisitor and declared “I want a smaller church.” Was Torquemada a theologian? Of course not. He was a religious enforcer. Just like Ratzinger who is rapidly getting his desire for a smaller church in the as his third rate band of kept theologians in the bowels of the Inquisition room in the Vatican assure that no thought beyond the seventeenth century is entertained. One cannot be both a theologian and a Chief Inquisitor. We know which road Ratzinger chose to take some twenty- five years ago.

One wonders how many of Ratzinger’s attacks on thinker/theologians is in fact a case of intellectual and theological envy. Envy is a capital sin that trumps most of the others and helps to explain the viciousness and ruthlessness of his language and assaults.

4. His first and only encyclical with the deceptively charming title of “God is Love” was nothing but a pile of dualisms left stinking on the ecclesial doorstep. If a student of mine had written such a paper that does nothing but cite past dualistic shibboleths, he or she would have received an “F” for a grade.

5. His three published diatribes against homosexuals, two of them signed off by Pope John Paul II, reveal an ugliness of tone and a scapegoating reminiscent of his fascist forefathers. The total ignorance of scientific understanding of the phenomenon of homosexuality is, in accordance with Thomas Aquinas’ understanding of ignorance as a “mortal sin” for it deliberately avoids scientific study of the subject (while citing numerous times from his own silly catechism). Like the celebrated Galileo case of four centuries ago, we have here the embarrassing situation of religion going out on the limb once again oblivious of what science knows. Aquinas should be heeded: “A mistake about creation results in a mistake about God.” One wonders seriously if such gross homophobia as arises from Ratzinger (as well as such pre-occupation with sexual issues) can come from anyone except a self-hating homosexual.

6. Ratzinger’s sexism is everywhere on display including his silly position against

women's ordination that so occupies his ecclesiology. (Jesus ordained only men with male genitals we are told oblivious of the fact that 1) Jesus ordained no one and 2) Mary Magdalene and other women, as noted by St. Paul, were integral to the early leadership and spiritual healing ministries of the early church).

7. This is the thinker who forbids condoms in an age of AIDS, forbids birth control in an age of humans swamping the earth with too many children, and does so not because Jesus taught these things but because Augustine, the fourth century theologian for a Christian empire, taught these things saying that all sexual activity had to be legitimized by having children.

8. This first ever Chief Inquisitor-made-pope (who appointed 112 of the 115 cardinals who elected him pope) pushed through in record time the canonization of a Hitler-admiring, Franco-supporting, fascist priest named Jose Escriva founder of the infamous and secretive Opus Dei Society. This clandestine group the present pope and the past one used as a bludgeon to kill off liberation theologian and base communities in Latin American (with CIA assistance) and substitute its motto of "a preferential option for the poor" with a preferential option for the rich and powerful.

Ask Mel Gibson, Clarence Thomas, Antonio Scalia, the recent heads of CIA and FBI and the biggest spy turncoat in American history who is now in prison—all of these opus dei members—how sweet it is to carry out extreme right wing missions in the name of this now canonized "saint" who praised Adolf Hitler.

9. Ratzinger joined the Hitler youth as a teen ager. The Vatican "spin" that he was "forced to do this" is contradicted by every German I have spoken with who tell me that no one was forced to join Hitler youth. People chose to join, perhaps there was some peer pressure, but no one was forced. Nonsense. There is a sickness here, the refusal to learn from the evil of the past.

10. Ratzinger went to Auschwitz this past year, and instead of repenting and admitting the guilt of his Southern Bavarian Catholics in particular who voted so enthusiastically for Hitler and of the Roman Catholic Church that succumbed to Hitler's appeal (and never excommunicated Hitler who was after all a Catholic!), he actually blamed the holocaust on God! This ischutzpah carried to its 'nth degree. God did not do the holocaust. Right wing, scapegoating, church-going Catholics from Bavaria in particular (Ratzinger's home area) elected Hitler. Just as today, right wing, scapegoating, fearful church going fundamentalist Christians, aided and abetted by Ratzinger's interference in the US presidential election of 2004, also elected George Bush, Dick Cheney, and in effect Donald Rumsfeld to carry on this immoral slaughter of Iraqi people and culture that we are all witnessing being done in our name.

11. One former student of Ratzinger's, an American who did his doctorate under him years ago, went to visit him when he was chief inquisitor under John Paul II and

confronted him about his motives and his attacks on theological thinkers. He left the meeting shaking his head and saying: "This man has sold his soul in his quest for the purple." Meaning his quest for ecclesial power.

But power corrupts—and "absolute power corrupts absolutely" as the Catholic historian Lord Action commented in the late nineteenth century when Pope Pius IX came up with the strange dogma of papal infallibility. (Ratzinger's extreme right wing Vaticanists want to canonize Pius IX who, among other things, condemned democracy; they also tried to canonize Queen Isabella of Spain who, among other accomplishments, expelled Jews and Muslims from Spain and confiscated their property and used it to finance Columbus' invasion of the Americas and they tried to canonize Junniperio Serra, a Franciscan missionary in California who was beating Indians fifty years after the governor of California—no saint himself— forbade the beating of Indians!)

11. And there arises the ugly head of the priestly pedophilia scandals. These scandals are not restricted to the U.S. church. Indeed, one such scandal sat on Ratzinger's desk for twenty years (sic!) and he did nothing about it even as he was silencing theologians everywhere. It concerned the Mexican priest and founder of Legionaires for Christ, Father Macel. Only a few months ago did the Vatican discipline this hard right wing ideologue who was so chummy with Pope John Paul II that he was invited onto the papal airplane for numerous trips with him. It turns out over twenty ex-seminarians over the years complained to Ratzinger's office that they were sexually abused by this priest. But no action was taken until this year. Indeed, Ratzinger and John Paul II were cheerleaders for this extreme right wing organization from Latin America as they were for Opus Dei from Spain and for Communion and Liberation, an extreme right wing group in Italy.

12. Now to the American pedophile scandal. I attribute the scandal directly to the conscious effort by Ratzinger's office to dumb down the clergy and the hierarchy. The appointment of "Yes men" instead of thinking prelates created the situation where, when these scandals broke, so-called church leaders did not end it but instead sought to shuffle perpetrators from parish to parish and diocese to diocese. A CEO in business said to me, "When this happens in business the CEO is gone in 24 hours no questions asked." Well, the CEO of the Boston diocese where this scandal first broke, Cardinal Law, stayed on for 2.5 years and then was given a promotion—a plum assignment in Rome overseeing a fourth century basilica by the powers that be in Rome. Meanwhile, Catholic lay people in the U.S. alone are paying upwards of one billion dollars for the sins of their follow-the-leader-at-all-costs hierarchy, all hand picked by Ratzinger.

Ecclesial spin notwithstanding, Cardinal Ratzinger, aka Pope Benedict XVI, is no opponent of Hitler or Mussolini (his pal Escriva had three members of Opus Dei on Franco's cabinet). His shutting down of theological thought and spreading of fear in Catholic theologians is everywhere in evidence. One faculty member of my alma mater

in Paris, the Institut catholique, told me several years ago that the Vatican had “killed all theological thought in Europe.” Ratzinger is a carrier of evil.

The highest seat of learning in the Sunni world is that of the Grand Iman Al-Azha Sheikh Mohaammad Sayyed Tantawi of Cairo. Just recently he told a group of visiting Catholics that Ratzinger made “a huge religious and scholarly mistake” by citing the 14th century

Byzantine emperor as he did. The Iman is correct. How many other “huge religious and scholarly mistakes” will this self-appointed pope and ex-Inquisitor General Ratzinger make? Maybe it is time for him to step down from the papacy that he so coveted that he broke all rules and ran for the office. He is obviously in overhis head. He is not ready for prime time.

How amazing it is that it took Muslims to stand up and tell the truth and shed light on the sickness and degeneracy of this papacy while Catholics galore are just hiding in their pews hoping that this nightmare will go away. The Catholic Church, once proudly combating injustice in Latin America and wrestling with issues of science and religion, has been reduced to a preoccupation with sexual trivia as the sole moral issue of our day. Shame, Shame, Shame.

The end of an era is upon us. All credibility in the Catholic Church is gone. Islam has shed necessary light on this very dangerous man.

Speaking as a theologian, this is by no means a negative accomplishment. The demythologizing of the papacy is necessary for true ecumenism and interfaith to unfold. Now Catholics and recovering Catholics can move on, taking what was valuable in this tradition, especially the mystical, prophetic and intellectual accomplishments and its sacramental spirituality, into fuller and deeper places while lining up with today's science and the interfaith movement of the world. It is time to 'let the dead bury the dead,' as Jesus wisely proposed. Let the Ratzingers of the world go. Take back the power. Religion is dead. Long live spirituality!

Recently I met a nineteen year old young man, a college student whose parents are from Vietnam and who still speak only Vietnamese. He was raised Catholic. When I told him a bit about my story and came to the part about the Vatican (i.e. Ratzinger) expelling me from the Dominican Order, he spontaneously spoke up: “Oh, they got you for daring to think.” He gets it. The younger generation gets it.

It is pitiful how few Catholic adults and Catholic theologians dare to tell the truth of what is truly going on in their Church. History will not be kind to the fawning media or the kept clerics and theologians who commit profound sins of omission by not telling the truth. Aquinas teaches that sins of omission are so great because they are always sins against justice. As opus dei bishops get appointed all over North America (there are

four now and one of them has already dismantled what was once a live diocese of Kansas City) just as they reign today in Central and South America, people will wake up. But it may be too late. Christo-fascism is being spread by this and the past papacy at unprecedented rates. Fascism and religious fundamentalism make good bed partners and are far more dangerous to all the values we hold dear than are, for example, homosexual lovers.

Know what I think...seems to me that things are gearing up for that invasion that Eric Phelps talks about.

I can't help but think that if it weren't for people trying to stir up stuff, we and the Muslims would probably be content to leave each other alone.

QUOTE

[A member of our group petitioned the Nuclear Regulatory Commission to forbid the Vatican from proceeding with its plans to build further Nuclear plants in Illinois, already site of the most in the nation. Federal law prohibits a foreign power, such as the Vatican, from owning nuclear facilities in the U.S. The Vatican-owned Edison arbitrarily cut off the electricity to her home, as a reprisal. She won a damage suit against the Vatican after sixteen local judges disqualified themselves, some not even Catholics, but beholden to the Church Hierarchy. Muhammad's Sword

Why did Pope Benedict utter these words in public? And why now?

by Uri Avnery

September 26, 2006

<http://www.globalresearch.ca/index.php?con...&articleId=3338>

Since the days when Roman Emperors threw Christians to the lions, the relations between the emperors and the heads of the church have undergone many changes.

Constantine the Great, who became Emperor in the year 306 - exactly 1700 years ago - encouraged the practice of Christianity in the empire, which included Palestine. Centuries later, the church split into an Eastern (Orthodox) and a Western (Catholic) part. In the West, the Bishop of Rome, who acquired the title of Pope, demanded that the Emperor accept his superiority.

The struggle between the Emperors and the Popes played a central role in European history and divided the peoples. It knew ups and downs. Some Emperors dismissed or expelled a Pope, some Popes dismissed or excommunicated an Emperor. One of the Emperors, Henry IV, "walked to Canossa", standing for three days barefoot in the snow

in front of the Pope's castle, until the Pope deigned to annul his excommunication.

But there were times when Emperors and Popes lived in peace with each other. We are witnessing such a period today. Between the present Pope, Benedict XVI, and the present Emperor, George Bush II, there exists a wonderful harmony. Last week's speech by the Pope, which aroused a world-wide storm, went well with Bush's crusade against "Islamofascism", in the context of the "Clash of Civilizations".

IN HIS lecture at a German university, the 265th Pope described what he sees as a huge difference between Christianity and Islam: while Christianity is based on reason, Islam denies it. While Christians see the logic of God's actions, Muslims deny that there is any such logic in the actions of Allah.

As a Jewish atheist, I do not intend to enter the fray of this debate. It is much beyond my humble abilities to understand the logic of the Pope. But I cannot overlook one passage, which concerns me too, as an Israeli living near the fault-line of this "war of civilizations".

In order to prove the lack of reason in Islam, the Pope asserts that the prophet Muhammad ordered his followers to spread their religion by the sword. According to the Pope, that is unreasonable, because faith is born of the soul, not of the body. How can the sword influence the soul?

To support his case, the Pope quoted - of all people - a Byzantine Emperor, who belonged, of course, to the competing Eastern Church. At the end of the 14th century, the Emperor Manuel II Palaeologus told of a debate he had - or so he said (its occurrence is in doubt) - with an unnamed Persian Muslim scholar. In the heat of the argument, the Emperor (according to himself) flung the following words at his adversary:

"Show me just what Mohammed brought that was new, and there you will find things only evil and inhuman, such as his command to spread by the sword the faith he preached".

These words give rise to three questions: (a) Why did the Emperor say them? (B) Are they true? © Why did the present Pope quote them?

WHEN MANUEL II wrote his treatise, he was the head of a dying empire. He assumed power in 1391, when only a few provinces of the once illustrious empire remained. These, too, were already under Turkish threat.

At that point in time, the Ottoman Turks had reached the banks of the Danube. They had conquered Bulgaria and the north of Greece, and had twice defeated relieving armies sent by Europe to save the Eastern Empire. In 1453, only a few years after Manuel's death, his capital, Constantinople (the present Istanbul) fell to the Turks, putting an end to the Empire that had lasted for more than a thousand years.

During his reign, Manuel made the rounds of the capitals of Europe in an attempt to drum up support. He promised to reunite the church. There is no doubt that he wrote his religious treatise in order to incite the Christian countries against the Turks and convince them to start a new crusade. The aim was practical, theology was serving politics.

In this sense, the quote serves exactly the requirements of the present Emperor, George Bush II. He, too, wants to unite the Christian world against the mainly Muslim "Axis of Evil". Moreover, the Turks are again knocking on the doors of Europe, this time peacefully. It is well known that the Pope supports the forces that object to the entry of Turkey into the European Union.

IS THERE any truth in Manuel's argument?

The pope himself threw in a word of caution. As a serious and renowned theologian, he could not afford to falsify written texts. Therefore, he admitted that the Qur'an specifically forbade the spreading of the faith by force. He quoted the second Sura, verse 256 (strangely fallible, for a pope, he meant verse 257) which says: "There must be no coercion in matters of faith".

How can one ignore such an unequivocal statement? The Pope simply argues that this commandment was laid down by the prophet when he was at the beginning of his career, still weak and powerless, but that later on he ordered the use of the sword in the service of the faith. Such an order does not exist in the Qur'an. True, Muhammad called for the use of the sword in his war against opposing tribes - Christian, Jewish and others - in Arabia, when he was building his state. But that was a political act, not a religious one; basically a fight for territory, not for the spreading of the faith.

Jesus said: "You will recognize them by their fruits." The treatment of other religions by Islam must be judged by a simple test: How did the Muslim rulers behave for more than a thousand years, when they had the power to "spread the faith by the sword"?

Well, they just did not.

For many centuries, the Muslims ruled Greece. Did the Greeks become Muslims? Did anyone even try to Islamize them? On the contrary, Christian Greeks held the highest positions in the Ottoman administration. The Bulgarians, Serbs, Romanians, Hungarians and other European nations lived at one time or another under Ottoman rule and clung to their Christian faith. Nobody compelled them to become Muslims and all of them remained devoutly Christian.

True, the Albanians did convert to Islam, and so did the Bosniaks. But nobody argues that they did this under duress. They adopted Islam in order to become favorites of the government and enjoy the fruits.

In 1099, the Crusaders conquered Jerusalem and massacred its Muslim and Jewish inhabitants indiscriminately, in the name of the gentle Jesus. At that time, 400 years into the occupation of Palestine by the Muslims, Christians were still the majority in the country. Throughout this long period, no effort was made to impose Islam on them. Only after the expulsion of the Crusaders from the country, did the majority of the inhabitants start to adopt the Arabic language and the Muslim faith - and they were the forefathers of most of today's Palestinians.

THERE IS no evidence whatsoever of any attempt to impose Islam on the Jews. As is well known, under Muslim rule the Jews of Spain enjoyed a bloom the like of which the Jews did not enjoy anywhere else until almost our time. Poets like Yehuda Halevy wrote in Arabic, as did the great Maimonides. In Muslim Spain, Jews were ministers, poets, scientists. In Muslim Toledo, Christian, Jewish and Muslim scholars worked together and translated the ancient Greek philosophical and scientific texts. That was, indeed, the Golden Age. How would this have been possible, had the Prophet decreed the "spreading of the faith by the sword"?

What happened afterwards is even more telling. When the Catholics re-conquered Spain from the Muslims, they instituted a reign of religious terror. The Jews and the Muslims were presented with a cruel choice: to become Christians, to be massacred or to leave. And where did the hundreds of thousand of Jews, who refused to abandon their faith, escape? Almost all of them were received with open arms in the Muslim countries. The Sephardi ("Spanish") Jews settled all over the Muslim world, from Morocco in the west to Iraq in the east, from Bulgaria (then part of the Ottoman Empire) in the north to Sudan in the south. Nowhere were they persecuted. They knew nothing like the tortures of the Inquisition, the flames of the auto-da-fe, the pogroms, the terrible mass-expulsions that took place in almost all Christian countries, up to the Holocaust.

WHY? Because Islam expressly prohibited any persecution of the "peoples of the book". In Islamic society, a special place was reserved for Jews and Christians. They did not enjoy completely equal rights, but almost. They had to pay a special poll-tax, but were exempted from military service - a trade-off that was quite welcome to many Jews. It has been said that Muslim rulers frowned upon any attempt to convert Jews to Islam even by gentle persuasion - because it entailed the loss of taxes.

Every honest Jew who knows the history of his people cannot but feel a deep sense of gratitude to Islam, which has protected the Jews for fifty generations, while the Christian world persecuted the Jews and tried many times "by the sword" to get them to abandon their faith.

THE STORY about "spreading the faith by the sword" is an evil legend, one of the myths that grew up in Europe during the great wars against the Muslims - the reconquista of Spain by the Christians, the Crusades and the repulsion of the Turks,

who almost conquered Vienna. I suspect that the German Pope, too, honestly believes in these fables. That means that the leader of the Catholic world, who is a Christian theologian in his own right, did not make the effort to study the history of other religions.

Why did he utter these words in public? And why now?

There is no escape from viewing them against the background of the new Crusade of Bush and his evangelist supporters, with his slogans of "Islamofascism" and the "Global War on Terrorism" - when "terrorism" has become a synonym for Muslims. For Bush's handlers, this is a cynical attempt to justify the domination of the world's oil resources. Not for the first time in history, a religious robe is spread to cover the nakedness of economic interests; not for the first time, a robbers' expedition becomes a Crusade.

The speech of the Pope blends into this effort. Who can foretell the dire consequences?

Pope excommunicates Zambian archbishop

by Martine Nouaille

Tue Sep 26, 12:49 PM ET

VATICAN CITY (AFP) - A Zambian archbishop, who stunned the Roman Catholic Church in 2001 by getting married in a mass "Moony" ceremony, has been excommunicated for ordaining four married men as bishops, the Vatican has said.

AFP/Getty Images/File Photo: Zambian archbishop Emmanuel Milingo speaks during a

news conference in Washington, DC in July 2006....

Milingo, who has a fondness for carrying out exorcisms and advocates optional celibacy for Roman Catholic priests, was excommunicated because of "his increasing split" with church regulations and for "sowing division and disarray among the faithful," Tuesday's statement said.

The archbishop ordained the four men in Washington on Sunday, despite what the Vatican said were several attempts by the Holy See to dissuade him otherwise.

The excommunication was carried out "latae sententiae" (literally "by the law itself") -- an automatic expulsion resulting from serious violation of canonical law.

Other offences incurring such a severe penalty include heresy, apostasy, schism, violence against the pope and procuring abortion.

Milingo, 76, was archbishop of Lusaka from 1969 until 1983, when the Vatican asked him to resign because he refused to stop using rituals that were judged to be inconsistent with Catholic teaching.

In 2001, he shocked the Catholic establishment by marrying a Korean acupuncturist in a mass wedding ceremony in New York presided over by Reverend Sun Myung Moon, founder of the Unification Church.

Under threat of excommunication from the pope at the time, John Paul II, Milingo renounced the marriage two and a half months later and said he had decided to return to the church.

The Vatican sent him on a year's retreat to a religious order in Argentina, after which he spent four years at a spiritual centre in Zagarolo, east of Rome, where his activities were closely monitored.

He reportedly disappeared from Zagarolo in July, only to turn up days later at a press conference in Washington to announce the formation of "Married Priests Now!" -- a group aimed at defending the rights of Catholic priests to wed.

The Roman Catholic Church requires that all priests be celibate and any choosing to marry must first leave the priesthood.

Born in 1930 in a village in eastern Zambia, Milingo became a Catholic priest at age 28.

Famous across Africa for his radio broadcasts, the Zambian preacher was nominated Archbishop of Lusaka at age 39, a post he held for 14 years before falling out of favor with the Vatican over his activities as a healer and an exorcist.

He was recalled to Rome in 1983 but managed to keep his rank of archbishop.

Later, in his autobiography "The Healer of Souls, " he accused the Vatican of "kidnapping" him and forcing him to live for months -- "like a prisoner" -- in a monastery.

At one point, he even managed to record a couple of music albums, the first entitled "Gubudu Gubudu" ("The Drunkard") and the second an eponymous album dedicated to the continuing battle against evil.

JESUIT AGENT MAZZIMO MAZZUCCO "EXPOSED".

Hello, 2tuff.

I can now login in your site, but prefer to post directly to you these messages because

- 1) The bad English! (I will undertake an English Course!).
- 2) Don't want occupy the forum with less important matter which regard specifically Italian People (I am alone, no have decent computer capability or know a trustable person who have it and could me help, but in the future, if the destiny will me help, I will try to open a site here, in the country of SataVatican! Now I feel exiliated from this country! I could, yes, log in many sites, but I don't trust them! Italy = the Country of SataVatican).

Aliens a part, I have some intersting notice now.

Syria is beginning doing her duty blaming U.S. for the attack to the U.S. embassy in Damasco, and this in accord to the vulgata of the "anti-USA/anti-neocon/anti-Jewish" "alternative movement (The Official Antitesi/Reaction to the Tesis/Problem of the "Islamic Terrorists" propaganda). I received it from the lcke's newsletter , I am on his mailing list:

http://www.worldnetdaily.com/news/article...RTICLE_ID=51942

On Sunday, 24 September 2006, at 09.00 p.m. italian hour, the third public tv channel ("Rai 3") will broadcast the documentary "Confronting the Evidence" which is advertised by spot where you see the fatal collapse of the Larry 's WTC7.

Is this maybe a coincidence about what you say a propos of the 13th October?

Are they preparing something big?

http://www.report.rai.it/R2_HPprogramma/0,,243,00.html

The third public channel is hold by the former Communist party, today Leftist Democrats which have for logo a oak ("ancient Marxist and Gramscian origin") and a rose (Rosa Croce?).

An important member of DS (Democratici di Sinistra, Leftist Democrats) is Walter Veltroni, who is the Sindaco (Mayor, Burgmeister, etc.) of ROME!!!!

(Sindaco Walter Veltroni is in the middle with the band – commemoration for Beslan massacre)

So. The Jesuits are tryng to spread the kaos in the world and this is a strategy to use to defend themselves when they are in difficulties.

Just the day (Sunday 17 September) after I posted my "braking topic" with which I ceased every form of "collaboration" with Comedonchisciotte (i.e. ComedonLoyola), accusing this site and his parallel friend site Luogo Comune to be the tools of

*) Fremasonry;

***) Intelligence Community Network;

****) Company of Jesus.

See:

<http://www.comedonchisciotte.org/site/modu...iewtopic&t=3265>

Immediately appeared on the Italian Indymedia site:

<http://italy.indymedia.org/news/2006/09/1150801.php>

an article accusing the site Luogo Comune (from me just blamed for the silence about the Vatican connection regarding 9-11) to carry the battle for the truth about 9-11. They said that Luogo Comune is fascists and the "truth" they are spreading about 9-11 is only hoax!

Very strange, don't you find it so?

Take care, till now I have discovered NO single person, NO single site who reports what I report (arguments of your site and Barry Camish site, i.e. SMOM, Jesuit's smell everywhere in the 9-11, anti-jewish "spin" in the "alternative" information, etc.):

I AM ALONE!!!!

So, making a noise about the "fascist" inner nature of the ones which are spreading the "hoax" of a conspiracy behind 9-11, helps to:

- 1) unify in the minds of these people what I say (i.e. what Unhived Mind, Barry Camish, etc. are saying) with what Italian Communist (i.e. Jesuit) --Controlled Indymedia says: the 9-11 truth is only a hoax;
- 2) or, on the other side, due to the reaction to this kind of article attacking the 9-11 truth, provoking the reaction to unify more and more the fascists and the communists (left and right radical movement) in a unique movement "for the truth" (of Loyola...) manipulated by Loyola Boys and SMOMs.

In fact there's a special section on the Luogo Gesuitico, pardon!, Luogo Comune site in which they speak about the techniques of dialectic to be used in confrontation with debunkers about the 9-11 truth:

(I think it doesn't to to translate)

Is this like "jesuit" mentality? Yes, I read about "anphibiology" and technic of omission (I mentioned them below my posts...). All this above smell of Company of Loyola....

But this is not all.

Massimo Mazzucco (this "Jesuit Agent" live in USA! From USA he works for his Italian site. Coadiutor Temporal? Friend of Mister Edward Egan?) posted an article Monday 18 september,

<http://luogocomune.net/site/modules/news/a...hp?storyid=1425>

Note, he posted the article the SAME day in which was posted the strange article in IndyMedia (Truth about 9-11 = fascism), and I think they could be correlated because the article of IndyMedia is causing in Luogo Comune's forum a sense of attack against the "work" of the site, attack perpetrated by accusing Mazzucco to be a fascist or ANTISEMITE. And in this last definition are implicitly considered my (i.e. your) arguments, but definitively parifying them to the integral deniers of 9-11 conspiracy! (Remember, Donchisciotte has a logo with direct link with Luogo Comune, and the same with other sites of communist and radical left movement! Be sure that they are all tied in the Jesuit network together!)

But let's read some very interesting revelations from our "friend" Temporal Coadiutor Mazzucco. Temporal Coadiutor even if not a pure Jesuit.

He talk in the letter about a meeting of researchers about the truth in 9-11.

After the introduction to the participants of the meeting he said that there were NO MANY contributors AT THE HIGEST MONDIAL LEVEL which were not mentioned in the guest list or not mentioned in the list of acknowledged leaders. Maybe Barry Camish was one of them? I don't know, I was not there, but I suspect...

Let's hear what the Coadiutor Mazzucco says.

"...Just three years ago the members of Italian association Faremondo (organizers of the meeting my note) were carrying among them the Hufscmid's book "Painful Deception", which they divide among them like Carbonari (occult fraternal movement promoting Italian Nation in the 19 century – my note) made with the works of Mazzini (yes, I know, and they know it very well, Mazzini: Illuminati servant, 33 degree and friend of Pike...- my note)..."

Ok, bravi! Please, shake hands! Please, cry!

Then he speak about Internet, the net without it "no one could be read this words today!"

Ohhh! A deep rumour of surprise arise from the hall!

"...born (internet is born – my note) from the same dreams of global domain of the American Military..."

And now he corrects the speech to point the ideological gun to the heads of Hans Peter's Slaves:

"...the internet hidden snake is growth so much in order to represent the only variable, in the cynical calculations of the neocons, able to set their plans blowing up etc etc...."

People are rising from chairs shaking hands till blood. Women are crying. The orchestra begin to play the Vatican hymn and all together sing it with hand on hearts!

Ok, I am freely adding this choreography just to render the psychological and emotional atmosphere in the site and in the related forum.

But the most revealing words have yet to come.

After saying that humanity is now apprehending how to educate herself (tell this to Educate Yourself Site, I am laughing!), Agent Mazzucco begins to speak seriously about the prevision when there will be the "final clash".

He says that Giulietto Chiesa (former Communist Italian party, collaborator to the 9-11 truth movement and participating to the meeting) thinks that the clash will be in about twenty, twentyfive years max and, adds our Jesuit Agent Mazzucco, the "final clash" will occurs between the ones which for ever managed the power and the fooled "cow" population which became now more and more aware of his exploitation..."

Tell me if it doesn't sound like "V for Vatican" Agenda!!!

Let's go further with Mazzucco.

"...And if the geometrical curves are continuing in this way, my optimism will lead to think that this (the "final clash") will occurs in a shorter period of time, a period of FIVE-SIX YEARS AT MAX".

Is or is not all that the occult revelation of the Satanic and Luciferian Company Plan? Do you remember the fatal date of 2012? Just five-six years to coming! Is this a programmed date from deep past that the Satanist in Roma present us like "the changing of the times" in a "new bright full of Love Era" or is only the HOUR X to make definitively the Reign on Earth of Evil (or Aliens, but this now is no of crucial importance)??????

Jesuit Agent Mazzucco: YOU are now "exposed"!!!!!!

He goes further saying that as the dart of time, "...the human history points only in one direction: the one in which the common man could free from the privileged ones, that is the liberation OF THE IGNORANCE RESPECT TO THE KNOWLEDGE (the liberation of the ignorange respect the knowledge... – my note) , rescued (what? Ignorance? Knowledge?) from the one which till yesterday was the absolut possessor of it (newly: possessor of what? Knowledge? Ignorance?)."

Is this or is not this the OCCULT DECLARATION OF THE COMING NEW --- WORLD -- ORDER ???

And then he continues in a speaking priest-like, he invites "to cease to be desperate and measure the centimetre" (inches) that "divide us from the arrival", and to continue "with serenity" to do what the counscious tell us to do, and not forget the "sacrifice of the millions before us" IN THE COURSE OF THE HISTORY (WHICH history, the history of the "truth movement" or of the "humanity" or of the "christendoom" or....), millions which were very unlucky in front of us meanwhile we are "privileged" (yeah, I no doubt, we are privileged because will see the rising of the Universal Monarch i.e. the Alien / Beast / Antichist / As you prefer on the Temple in Jerusalem? - my note)

CONCLUSION FOR THIS SAD "HISTORY".

What does it mean Luogo Comune? It has two significance.

The first means a concept used commonly without concern if it is true or false.

Example: "the jews are always plotting".

The second significance is a "spatial" significance and means "a common place". First we see that this is a terminology used by many catholichs organizations (for example "commondream" site which remember father Jesuit O'donnely with censored and bloody Martin) and metaforically it points to annihilation of the individuals, annihilation which is not the REAL buddist (just an example – they like to play like "buddist"...))

annihilation of our "greedy individuality", but the SUBMISSION of ALL the individuality to – guess whom? – the Common Prison of New World Order depending to the Holy Dirty Individuality in Rome.

So go to this address, this is the portal of the site Luogo Comune. Doesn't it remember a TEMPLE? You must click IN IT before going beyond in the site (i.e. YOU must WORSHIP HIM).

<http://www.luogocomune.net/>

(or type "luogo comune" in an engine and enter)

Then you enter in the TEMPLE of the Beast. So, don't you feel happy now?

And there, what do you see for the first time? You will see that the principal combination of colours are WHITE and YELLOW, the colours of the VATICAN FLAG!

And this is the site of the Vatican newspaper "l'Avvenire" (the meaning is "the future, what is to come" – the N.O.W., I have no doubt!). See the triangle of Horus in the "A" and the movie-like "V" in the logo.

<http://www.avvenire.it/>

The "poor innocent" Vatican.... Bwhahahahahah..

Good work!

Bie!

Avles.

(Ps.: I should return about the "dialectic" page in which they teach to the lie the people...).

The text of Mazzucco I speak about above:

Con il convegno di Bologna di ieri si può dire, per coloro che si occupano di undici settembre, che in Italia si sia chiuso un ciclo. E si è chiuso nel migliore dei modi, specialmente se si guarda al fatto che era iniziato, circa tre anni fa, con quattro gatti sparuti, che si muovevano brancolando nel buio, mossi più da un atavico istinto di

sopravvivenza che da una qualunque "strategia programmatica".

Un paio di questi gatti - il gruppo Faremondo di Bologna - ieri ha avuto la non piccola soddisfazione di presentare, nel più ampio spazio teatrale disponibile in città, un convegno sull'11 settembre davvero internazionale, sia nelle parole che nei fatti. Con la presenza, o il contributo, di personaggi come David Ray Griffin, Steven Jones, Giulietto Chiesa, Maurizio Blondet, Webster Tarpley, e Eric Hufschmid, sono ben pochi i nomi al massimo livello mondiale, nell'ambito della ricerca per la verità sull'undici settembre, che non figurassero in cartellone. E in ogni caso i doverosi tributi a gente come Thierry Meyssan, Chris Bollyn, Jim Fetzer o Paul Thompson non sono certo mancati.

Solo tre anni fa gli stessi soci di Faremondo importavano timidamente le prime cinquanta copie del libro di Hufschmid, *Painful Deceptions*, che si dividevano religiosamente, come dei carbonari con gli scritti del Mazzini dall'esilio.

Fra questi due momenti, innegabile realtà, c'è stato Internet: senza la rete, ...

...nessuno di noi oggi starebbe leggendo queste righe, che parlano di un convegno che non sarebbe mai avvenuto, poichè si è occupato di una verità di cui praticamente nessuno al mondo sospetterebbe l'esistenza.

Nata dagli stessi sogni di dominio globale dei militari americani, la serpe in seno di Internet è cresciuta al punto da rappresentare l'unica variabile, nel cinico calcolo dei neocons, che rischia di impedire la completa realizzazione del loro ambizioso progetto. Difficilmente Internet porterà in galera uno solo dei responsabili di quegli attentati, ma se non altro sta rendendo molto difficoltoso il completamento del loro disegno criminale, e sicuramente impedirà, in futuro, che un simile disegno venga messo nuovamente in atto con l'illusione di una totale impunità.

Lentamente in un senso, molto rapidamente nell'altro, l'umanità sta imparando a informarsi da sola, e come ben sanno tutti coloro che hanno contratto il "morbo di Ashcroft", quello è un pessimo vizio che, una volta acquisito, non ti abbandona più.

Giustamente Giulietto Chiesa faceva dei calcoli, molto realistici, in cui prevedeva che lo "scontro finale" - fra chi da sempre ha gestito il potere con grande comodità, e il popolo bue che sta cominciando ad accorgersi di essere cornuto - verrà necessariamente a risolversi nell'arco di venti-venticinque anni al massimo. E se le curve geometriche continuano a comportarsi come hanno sempre fatto, l'ottimismo del sottoscritto porta a pensare che questo avverrà in un periodo ancora più breve, di cinque-sei anni al massimo.

Impensabile, vero? Provate solo a domandarvi se quanto accaduto in quest'ultima settimana - fra trasmissioni TV, presentazioni dei vari filmati, stampa nazionale, radio, convegni e raduni un pò dovunque - sarebbe stato minimamente immaginabile anche

solo sei mesi fa. Sto parlando dello scorso Aprile, amici, non di un secolo fa.

Ma al di là di previsioni temporali, difficili per chiunque a causa delle troppe variabili interessate, rimane il fatto che il quella direzione si vada, e che da quello scontro finale sia ormai inevitabile passare. Almeno su questo, nei molti interventi ascoltati ieri a Bologna, nessuno sembrava discordare.

Come la freccia del tempo, la storia dell'umanità punta da sempre in una sola direzione: quella dell'affrancamento dell'uomo comune rispetto al privilegiato, che è poi l'affrancamento dell'ignoranza rispetto alla conoscenza, sottratta a chi fino a ieri ne era il detentore assoluto.

"Informazione è potere" non è certo un assioma nato per caso.

Fino a ieri, l'informazione era totalmente controllabile da pochissimi eletti, da oggi non lo è più. Smettiamo quindi di contare i minuti e di misurare i centimetri che mancano al traguardo, e continuiamo sereni a fare quello che la coscienza ci dice di fare, senza mai dimenticare che se solo oggi riusciamo a intravedere quella destinazione, è grazie alle sofferenze e ai sacrifici sopportati da milioni di altri prima di noi, nel corso della storia, in situazioni e in condizioni ben più drammatiche e disperanti, al confronto delle quali noi stessi siamo dei veri privilegiati.

Ho avuto il piacere di scambiare due parole, qualche giorno fa, con una persona eccezionale come Steven Jones, e nel commentare la triste vicenda della sua sospensione dal ruolo universitario, ci siamo ritrovati a condividere una riflessione sulla terribile solitudine - quella sì, davvero incolmabile - che deve aver accompagnato gli ultimi anni di vita di una persona come Galileo Galilei.

E persino Steven Jones, nonostante la sua poco invidiabile situazione del momento, mi è sembrato trovare per un istante uno spiraglio di luce, un momento di sollievo, un senso di direzione in tutto quello che gli sta accadendo intorno.

My first post here, some of you might know me from "The Forum".

Anyways, I live in Italy and came across that site, Luogo Comune, just last week. I registred and started posting. My first comment was on how there was too much space given to 911 theories and such rather than concentrate more on the big picture. The

answer was that there was enough room for everything...oh well !

I then got involved in a thread that was about freemasonry, with a "real" mason answering questions about it. 14 pages of it with many posters interested. I started asking questions myself, and commented on how freemasonry was created by the Jesuits. All 33 degrees and also the special addendums made by Ferdinand the Great.....guess what ? the thread was dropped ! Still open but everybody seems to have lost interest all of a sudden !!!

I then got onto another thread this morning and posted that the real controllers of finance and banking are the Jesuits and the Vatican through the SMOM...site got closed down for maintenance immediately. I can't access the site anymore, we'll see later if it works.

I'll keep you updated.

The site is back up. Nobody comments on the Jesuits remarks I made, they just keep getting ignored. They rather talk about the Saudis and John Titor

Hallo, I am the author on the letter, it is in Italian on my blog

Yes, Hornet, there is a big problem: the hands of the Loyola's order on the "alternative" media, in Italy and not only.

Intelligence, freemasonry, SMOM, all under the Black Pope, are the first involved in the 9-11 attacks.

It is natural they prepared in advance to manage, manipulate, control and address the "truth movement" concerned with the attacks!

And for this job the "alterantive" media are better!

Should we (Italians) ask ourselves:

WHY WE HEAR ABOUT THESE FACTS (Vatican, Gesuits and SMOM hands on the world) ONLY ON A NOT-ITALIAN SITE?

Your Sincerely

Avles.

Ciao Avles, I just read your blog. Interesting to find someone like you in Italy. I must admit that at first I found what 2tuff was saying a bit difficult to believe. That was probably because of my Catholic upbringing and subsequent indoctrination.

Then the more I researched and read and learnt, the more things let in the same direction. **All roads lead to Rome.**

There's still a lot that I need to learn though. Lets keep up the good work in our search for the truth.

Title: Pictures of Kolvenbach at Stoneyhurst

Description: *(request if anyone has any)*

MoroccoMole - August 28, 2006 03:04 AM (GMT)

Hi everyone,

I recentley watched Vatican Assasins @Con con on google Video i really enjoyed hearing Jordan Maxwell introduce Eric Phelps and hearing Eric's lecture.

In his lecture Eric Phelps introduces many pictures of the Jesuits and one in particular sticks in my memory, if my memory serves me it is a picture of HRH Queen Elizabeth kneeling in servitude to the superior general.

I feel this is a groundbreaking image and have searched google tirelessly to find it, i have even searched the VA PDF book without much luck, has anyone seen this picture too and by any chance does anyone have it, showing the Queen courtseying to Kolvenbach would really put in perspective the way power works in the UK.

Thanks in advance.

Morroccomole.

P.S 2tuff i am really enjoying the site, the new look is brilliant and as always your articles are so very informative, sad thing is i feel there is not enough time in the day to read all the ones i want to.

The more common spelling would be 'poppet', but popet is another older spelling, yes, the french word is poupette I believe. Poppet is used as a term of endearment in the U. K., for a small child. These words are definitely connected to papa, pop, pope etc, all meaning father.

Turn Mecca into an Islamic Vatican City?

by Joe Katzman at September 22, 2006 09:22 PM
<http://www.windsofchange.net/archives/009068.php>

The President of the Reform Party of Syria has some thoughts to offer that might be interesting to Pope Benedict. Over at Jack Wheeler's site To the Point, Farid Ghadry has a proposal to offer:

"Unlike the prosperous Abbasid era, the Wahhabi era is confrontational, fanatic, and universal because of undue influence by Saudi Arabia. That influence is justified, in the eyes of Moslems, because Saudi Arabia is the Guardian of the Two Holy Cities of Mecca and Medina.

The radicalism of Wahhabi Islam demands a concerted effort by moderate Moslems and Moslem nations alike if ever Islam is to survive to usher another era of peace and prosperity.

To succeed, we must chart a strategy to wrestle control of Mecca and Medina from the hands of the 5 million extremist Najd-bred Wahhabis and trust these two Holy Cities to

an International Council of Moslem Nations with the country of Jordan as the host.

In other words, we need an Islamic Vatican City...."

Sounds like a good start. Saudi money would of course shift to buying council members/ countries, much as they currently finance militant Islamic organizations around the globe. Terrorist proxies that intimidated contrary Council members would have to be reckoned a strong possibility as well, and not just from the Saudis. Still, in the end that would divert a decent sum of money away from the direct financing of global terror. It would also create an open arena within which Islam's struggles to adapt and restore itself or fail and die would be given a coherent face. Both net plusses.

Title: Is Ambassador Wanta Being Used as a VATICAN Patsie
Description: *By Greg Szymanski*

CRAIG-OXLEY - September 23, 2006 02:16 PM (GMT)

Is Ambassador Wanta Being Used as a NWO Patsie?

The delay in releasing the Wanta \$4.5 trillion by the Bush administration forces the story to go to next level of truth. Is the Vatican-led NWO using Wanta as a patsie with the intention of never releasing the money and further escalating the financial destruction of the U.S.?

22 Sep 2006

By Greg Szymanski

<http://www.arcticbeacon.com/23-Sept-2006.html>

It's no secret the Vatican-led New World Order has in its evil eyes on the destruction of America. It's no secret the Jesuit Order is used as Vatican henchmen. And it's no secret they will stop at nothing to achieve their goal of world domination, including total control of America's political, social and financial resources.

If this is case, then how does the does the Ambassador Leo Wanta story fit into the grand scheme of things?

Ambassador Wanta, for those readers who feel the story has fallen off the radar screen, is the former U.S. Treasury agent, assigned by President Reagan, to financially destabilize the Soviet Union at the end of the Cold War.

For his efforts of raising more than \$27.5 trillion in off-shore money, he was subsequently incarcerated in a Swiss jail for 133 days and then jailed on Wisconsin state income tax evasion charges for the better part of a decade.

According to Wanta, during his time of incarceration, instead of the trillions being used for the American people, the last three presidential administrations have decided to line their own pockets with the loot, using it for covert operations directly responsible for the destruction of this country.
