I hope that in the days and weeks to come, the greedtards start realizing that the side effects of their ridiculous crusades and corporate games cause more problems than gains even for themselves. I hope they are able to deal with their massive ego problems and get back to the truth before the world veers out of control.

I sort of like Alex Jones and I wish he really was working COMPLETELY for our best interests, but I sense something is wrong and he comes off as rather guilty at times. His insistence that we never question his loyalty as the ultimate trench warrior is rather annoying to say the least. Alex has stated he is not a Catholic, and I personally have no problem with traditional Catholic morality... but something is out of kilter in the world and we had better figure out what it is.

Ultimately, part of the problem may rest with the belief system that there is an eternal battle going on between good and evil and that we have to fight it forever and ever. I believe the only real evil is greedtardation and it's horrid side effects. It's actually greed based stupidity we are dealing with and not some kind of war that can't be solved and must be forever fought. Alex actually comes off as someone who loves war and it needs to fight something rather than actually solving things. The recent addition of all the heavy metal rock music as bumper music on his show makes me wonder what he is trying to say subliminally.

I think Alex has a lot of good information and a lot to say... but I do not believe we should trust him implicitly. One other danger that he creates is the fact that his job appears to be to unite the discontents of America and the world into a block of people that can be monitored and steered in a given direction. Fintan Dunne points this out to a certain extent although it's pretty hard to make sense of it all.

I hate to say it, but Alex comes off as kind of a tortured soul who is running cover for that file group of greedtards, our beloved Knights Hospitallers... whether he likes it or not. I do not need to repeat, but it appears that Alex Jones has a divine love for war, and this is what influences psychology so deeply. For him, there is always fighting to be done and an enemy to be vanquished. Therefore, there must be a faction somewhere that although imperfect, he must align himself with in order to be on the winning team. One faction must win to impose order over chaos. I hope Alex all the best, and he is extremely talented... but I believe he is confused and war-torn and has a lot of spiritual work to do like the rest of us.

Personally, I'm getting tired of the war and mass stupidity of this planet. I'm wondering if we're ever going to get our lives back from the greed based sickness that has infected the entire globe.

As illustrated by Fritz Springmeier, double and triple agents are produced by the jesuit Mind Control Network routinely. Jones fits this description. His mad dog temperament leads me to believe that he was and indeed is..a mind controlled Jesuit Asset. Father was a military man I believe? Military fathers are often called on to produce mind controlled children as was the case with Tiger Woods whos now deceased father, Earl Woods was a Green Beret.

He slams Alex Jones for whipping up unnecessary hysteria. He says that this discredits patriots and may even give an excuse for government crackdown and armies in the streets. Not saying it won't happen eventually, but perhaps Cooper thinks that what Jones does would make things worse or excell them. Anyway, it's a great listen from a legend. Amazingly, I found it on temporal coajutor Daryl Smith's site, which is authored by Hufschmid.

Description: *and his possible SMOM controller?*

AntiSionist - March 4, 2007 05:38 PM (GMT)

Eric Phelps mentioned how quite often when we see jews say wreaking havoc in Bolshevik Russia, or being the head of America's department of homeland security, there will be a knight of malta or a jesuit behind him. Anyone know who controls Chertoff? Phelps said a couple of months ago that it was a knight of malta. Does anyone know what I am talking about?

CRAIG-OXLEY - March 5, 2007 12:37 AM (GMT)

At the end of the day **Cardinal Edward Michael Egan** is above Chertoff and also **Rahm Emanuel III** the head of North American **MOSSAD** of which Chertoff is apart of. Remember **MOSSADs** ties to **FBI Division #5** and of course #5's master being **Defense Industrial Security Command**. Chertoff is also linked with the **Russian-Israeli Mafia** and has **Jewish-Russian Heritage** holding both **U.S/Israeli dual Citizenship!** He's also a known **closet Homo-sexual** as most of these cretins are.

AVBibleBeliever - March 24, 2007 04:14 AM (GMT)

In response to your question AntiSionist, Michael Chertoff is credited as the architect of the USA PATRIOT Act but he in fact co-authored it with Viet E. Dinh of Jesuit Georgetown Law. I am certain that Dinh consulted with the Jesuit community there as it was being written up because the Order had similar laws passed throughout the world which it considers to be their provinces and assistancies.

John C. Gannon is a member of the Jesuit Volunteer Corps meaning he is admittedly a Temporal Coadjutor as well as a lay Jesuit. Gannon is the founder of the Department of Homeland Security so while Papal Court Jew Chertoff is visible, Gannon is his boss and that of SMOM Emilio T. Gonzalez.

<http://www.holycross.edu/publicaffairs/fea...004-2005/gannon>

Knight of Malta Emilio T. Gonzalez is the head of U.S. Citizenship and Immigration Services for the Jesuits' Department of Homeland Security and he answers to Edward Cardinal Egan. The connection between the American Fourth Reich's DHS, SMOM and Georgetown University is undeniable.

http://www.dhs.gov/xabout/structure/biography_0148.shtm

Here is an example, pictorial proof of the aforementioned connection

Notice DHS Deputy Secretary Michael P. Jackson a Georgetown alum, SMOM Gonzalez and Papal Court Jew Chertoff.

Title: Jesuit Boyle; Gang mayhem grips LA

CRAIG-OXLEY - March 25, 2007 10:32 PM (GMT)

Gang mayhem grips LA

Paul Harris – The Observer March 18, 2007

Father Greg Boyle keeps a grim count of the young gang members he has buried. Number 151 was Jonathan Hurtado, 18 - fresh out of jail. Now the kindly, bearded Jesuit mourns him. 'The day he got out I found him a job. He never missed a day. He was doing really well,' Boyle says.

But Hurtado made a mistake: he went back to his old neighbourhood in east Los Angeles. While sitting in a park, Hurtado was approached by a man on a bike who said to him: 'Hey, homie, what's up?' He then shot Hurtado four times. 'You can't come back. Not even for a visit,' says Boyle, who has worked for two decades against LA's gang culture.

Boyle's Los Angeles, where daily slaughter is a grim reality, is a world away from the glamorous Hollywood hills, Malibu beaches and Sunset Strip - the celebrity-drenched city that David Beckham and Posh Spice will soon make their home.

Boyle's Los Angeles is where an estimated 120,000 gang members across five counties battle over turf, pride and drugs. It is a city of violence as a new race war escalates between new Hispanic gangs and older black groups, each trying to ethnically cleanse the other. Mayor Antonio Villaraigosa, who has referred to his city as 'the gang capital of America', has launched a crackdown on the new threat.

The latest front is the tiny strip of turf known as Harbor Gateway, a nest of streets between malls and office blocks. It was here, just before Christmas, that Cheryl Green,

a 14-year-old fond of junk food and television, died. At school she had just written a poem beginning: 'I am black and beautiful. I wonder how I shall live in the future.' She never found out. As she stood on a corner talking with friends, two Hispanic members of the neighbourhood's notorious 204th Street gang walked up and opened fire, killing Green and wounding three others. They were targeted because they were black. Traditionally the outside view of LA gangs has been of black youths like the Bloods and the Crips and their countless subsets. It focused on the streets of Compton and South-Central and the culture of gangsta rap. But Hispanic gangs are in the ascendant, spreading across America.

They have names such as Mara Salvatrucha, La Mirada Locos and Barrio Van Nuys, and now the 204th Street gang - who made it clear that they will kill innocent girls to force black families off their turf.

Last year there were 269 gang-related killings in LA. Gang-related crime leaped 15.7 per cent last year, as most other types of crime fell. Hate crimes against black people have surged. With a rapidly growing Hispanic population, LA's gang culture is shifting. It means that being black in the wrong neighbourhood can get you killed.

Green's murder was the latest in a line of killings by the 204th Street gang. In 1997, 11-year-old Marquis Wilbert was killed on his bike. In 2001, Robert Hightower, 19, was killed. In 2003, Eric Butler, 39, was shot dead trying to protect his daughter from being harassed. There are streets that blacks have been forbidden to cross.

Green's death brought the gang war between 'brown and black' to public awareness. Next week a summit will be held called the Black and Brown Strategy Meeting which aims to head off a race war. 'All of the signs are there that a racial war is going to explode in this city,' says Khalid Shah, director of Stop the Violence, one of the groups organising the meeting. Memories of the 1992 Rodney King riots, which claimed 53 lives, remain fresh, but Shah believes that worse is ahead. 'It will be 10 times bigger than what happened after King. You are looking at an event which could not only paralyse an entire city but an entire state,' he warns.

Green's death sparked Villaraigosa's crackdown. The police took the unprecedented step of publishing a list of the 11 worst gangs, including 204th Street. They vowed to go after them with police, FBI agents and injunctions to prevent members meeting. An extra 50 police were assigned to anti-gang duties in San Fernando Valley. In south LA, a team of 120 detectives and 10 FBI agents has been set up. An extra 18 officers have been put into Harbor Gateway. But Angelenos have seen it all before. The city's history is littered with anti-gang initiatives, and what the new effort shows is just how widespread the gangs have become. They have spread into the San Fernando Valley, an area previously famed for suburban prosperity. Last year one area of the north Valley saw a 160 per cent rise in gang crime.

Publishing the 'hit list' could backfire. In the warped gang sub-culture, being on the list is a badge of pride. The lesson of the 204th Street gang seems apt. They number only a few dozen members in a tiny strip of city that was open fields half a century ago, but killing blacks has propelled them from obscurity to enviable notoriety.

'Putting out a list was a bad idea. Groups that don't make the list will want to be on it. They don't exactly think rationally,' said Alex Alonso, a gang historian who has testified in more than 100 court cases.

Yet there is hope. Alfonso 'Chino' Visuet, 23, was sucked into the gang life as a teenager. There was the lure of excitement and riches, the push of a difficult home life. 'People who join a gang are always running away from something. They flee to the gang,' Visuet says.

Visuet is not running any more. He works for Father Boyle's Homeboy Industries, a project that helps people leave gang life. It provides jobs, an education, pays to have gang tattoos removed and gives counselling. It aims to remove the circumstances that lead to crime: poverty, abuse and unemployment. It is staffed almost entirely by former gang members and has spun off a bakery, a silk-screen printers and a restaurant. 'You have to address the lethal absence of hope. I have never seen a hopeful person join a gang,' Boyle says.

It worked for Visuet. He starts college this autumn and wants to be a probation officer. 'I was on the edge of doing something that would ruin my life, either by doing violence or having it done to me. That's over now,' he says.

For the moment it is organisations like Homeboy Industries that pick up the slack. Father Boyle has a catchphrase: 'Nothing stops a bullet like a job.' But that can be a hard message to get across in a city whose political classes see gangs as primarily a police issue. That is not the way it is on the street.

Visuet despairs at the conflict. 'A brown gang member now just sees a black gang member. What they don't see is how that person comes from the same place they do. They might have a mother who is an alcoholic as well or a father who beats on them. They have the same story,' he says.

Boyle and others have mixed feelings about the crackdown. The road to LA's problems is littered with failed plans and policing, and incompetence. Over the past decade the main anti-gang scheme, LA Bridges, has spent more than \$100m yet keeps no record of whether those it helps leave gang life or return to it.

Then there is political scheming. The list of 11 gangs, critics say, was drawn up deliberately to present a 'balance' by covering the whole city. Politicians use the presence of a high-profile gang to act tough on law and order and police chiefs use it as

a way of upping manpower. 'It is a ridiculous list,' says Alonso.

LA is a city of two worlds - Hollywood and gangs. On a two-lane highway that roars through the middle of Harbor Gateway, a few hundred yards from where Cheryl Green was gunned down, there is a billboard for a new TV show called Sons of Hollywood. It shows three rich young men against a backdrop of palm trees. It claims to be a 'reality' show, but for most of the impoverished, racially torn citizens it is nothing more than a fantasy.

Anyone know if this is a Jesuit Rev. Franz Meurer or if the Board at the Cologne St. Theodor Church are Jesuits? Sounds Jesuitish to me with their primary roles in refugee centers & harboring of illegal peoples of the third world into every Western Country on earth.

http://www.expatica.com/actual/article.asp...&story_id=37774

Catholic church collects money for mosque

16 March 2007

Cologne, Germany (dpa) - When the Rev. Franz Meurer stands at the altar this Sunday in his priestly vestments, he'll say to the congregation: "Today's collection is for the construction of the big new mosque in Ehrenfeld."

Meurer, 55, is not expecting protests. Both the board of Cologne's St. Theodore Catholic Church and the parish council have unanimously approved the action.

"It's only natural that we're helping them," he said of the Muslims living in a city that is one of the main centres of Catholicism in Germany.

After the special collection was announced last Sunday, several parishioners asked if it was really necessary - considering, for instance, that four young Turks beat a family man into a coma on the Thursday before Ash Wednesday.

"I said, 'Hey, people, think about it, will you? We'll be supporting the sensible ones'," Meurer recalled. "That's not so dumb."

St. Theodore's parish council came up with the unusual idea. Its chairman reminded the

group that their new church was completed five years ago, and that the Protestant parish in the neighbourhood had given a nice gift.

"Now we, in turn, should give someone a gift too," Meurer said. "That's how we hit upon the mosque; it's being designed by the same architect that did our church."

The mosque, at the headquarters of the Turkish-Islamic Union for the Institution of Religion (DITIB) in the Cologne district of Ehrenfeld, will be one of Germany's biggest. Plans call for two 55-metre-high minarets, a dome, and room for more than 3,000 worshippers.

A right-wing populist party called ProCologne has been gathering signatures for a public petition against the structure. Ehrenfeld residents who want nothing to do with the petition have reservations about the size of the mosque, however.

Meurer's parish is in the Cologne suburbs of Hoehenberg and Vingst, both of which have a high proportion of foreigners. At his initiative, 180 sponsors planted 41,000 daffodils now in bloom along the streets.

Christian community work for Meurer means things like installing public dog loos because, as he said, "once an area like this is neglected, it can go downhill very fast."

At the community centre, young Muslim women in headscarves are photographed at no cost for job applications. Turkish children play in the yard. And Meurer organises multi-religious celebrations.

Cardinal Joachim Meisner, archbishop of Cologne, set off a heated debate late last year when he directed Catholic school teachers in the region to stop participating in multi-religious events.

"All that matters to me about them is keeping peace in the area," Meurer remarked. "We don't pray together there. We get to know each other, which is possible only at get-togethers like that."

Weighing what the parish could buy for the mosque sparked a lively discussion about Islam, Meurer said.

"Our people were suggesting such things as a little kneeler, a bell, a picture and the like. But then I said, 'Friends, this isn't likely to lead anywhere. They pray to God one on one in their mosques. They haven't got liturgical objects like we do'."

About 350 euros (462 dollars) winds up in the collection bag on normal Sundays. This time, though, more than 1,000 euros has been collected in advance. DITIB officials said the amount of the gift was unimportant.

"It's simply a nice gesture by Mr Meurer," said Rafet Ozturk, DITIB's coordinator for interreligious dialogue. "We're pleased, of course. Even very pleased."

Pope Benedict Invites Bardakođlu to Vatican

Wednesday , 21 March 2007

21.03.2007

Zaman

<http://www.turkishweekly.net/news.php?id=43609>

In a high-profile move, Pope Benedict XVI has invited Professor Ali Bardakođlu, who heads the Turkish Religious Affairs Directorate, to the Vatican.

In a written invitation sent to the Turkish Religious Affairs Directorate it was stated that the Vatican would be honored to host Bardakođlu in the Vatican. Upon the directorate's acceptance of the pope's invitation, a papal representative will come to Turkey to finalize details of the visit.

Invited by Turkish President Ahmet Necdet Sezer, the pope paid a four-day visit to Turkey starting on Nov. 28 of last year. A harsh opponent of the Turkish EU bid before his ascent to the papacy and wreathed in controversy after a speech -- quoting a 14th century Byzantine emperor who described Islam as a religion of violence -- he delivered in Regensburg University in Germany sparked worldwide protests from Muslims, the pope managed to use the visit to Turkey to send the right signals to the Muslim world.

Bardakođlu has confirmed his receipt of the invitation, saying: "This is possible. We will

decide depending on the circumstances." With respect to the fact that the Vatican has considered their invitation to be a "continuation of the talks in Turkey," Bardakođlu said: "We are open to dialogue. We will meet in an atmosphere of dialogue as long as we remain as we are and the other side remains as they are. This is how we see dialogue."

A deputy head of the directorate will meet the cardinal sent by the Vatican to finalize the details of Bardakođlu's visit. The cardinal, effectively an aide in charge of foreign affairs, and the deputy head will reportedly meet in Ankara to finalize the timetable of Bardakođlu's visit and meeting. The senior bureaucrat expected to conduct the talks has also commented on the matter: "Yes, it is true. The Vatican has invited our head (Bardakođlu). They are inviting him as a continuation of the talks here. As we have accepted the invitation, a papal aide will come here to discuss the details of the visit."

Bardakođlu had previously spoken to Today's Zaman, giving his assessment of the pope's visit to Turkey, saying: "These visits are neither the first nor the last. Every week, we receive new guests. What we attempt to do is express ourselves fully."

Noting that the Religious Affairs Directorate was the focus of increased interest, Bardakođlu maintained that such interest stemmed from a desire "to make sense of the Turkish case." He added: "What is the meaning of such a religious institution within the secular structure? How does this system operate? They are seeking answers to these questions. We tell them what they want to know, with self-confidence and an easy conscience. We make our contribution when necessary. We express our opinions about other people or institutions. In our opinion, meeting with other people will help us to better express ourselves and to get to know other people."

He explained: "Naturally we are not against dialogue. We will meet in an atmosphere of dialogue as long as we remain as we are, and the other side remains as they are. This is how we see dialogue."

Pope Benedict's visit to Turkey was his first to a Muslim country and the first meeting with Bardakođlu was conducted in a rather tense atmosphere due to the then-recent Regensburg speech.

The pope listened attentively to the criticisms Bardakođlu directed against him, but did not respond.

Bardakođlu had said: "We seriously need self-sacrificial efforts from clerics. Religious leaders must not attempt to spread their respective faiths and deny other faiths using the media. Instead they should try to find solutions to common problems of humanity. Our faith condemns all kinds of terror and violence and equates killing an individual to the killing of humanity entirely. We feel sadness at the statements which have nourished Islamophobia, arguing that Islam has spread through war or that Islam has been stoking violence. We must save ourselves from historic fears and concerns."

One of the enduring images of the pope's visit was that of him waving a Turkish flag handed to him on a visit to the Church of Mary in Ephesus. Pope Benedict also stated that his visit to sites in Istanbul had greatly affected him.

Historic meeting

There have been three papal visits to Turkey in the past, but the Religious Affairs Directorate has yet to visit the Vatican. In this respect Bardakođlu's visit has a symbolic significance for both Turkey and the Muslim world. The directorate has also taken the papal invitation as an indication of the fact that the pope was influenced by Bardakođlu's ideas. It is said that the pope was happy to visit Turkey and he invited Bardakođlu as a consequence of his satisfaction with this visit. Bardakođlu was commended by many groups for the attitude he adopted during the pope's visit. Even Republican People's Party (CHP) leader Deniz Baykal paid a visit to Bardakođlu's office to express his commendation of the visit.

Do Americans Want To Turn Their Government Over To Rome? Look At Rwanda Genocide And Ask: Can It Happen Here?

In 100 days, 800,000 were slaughtered in a Vatican orchestrated genocide of the 1990's.

By Greg Szymanski

Mar 22, 2007

<http://www.arcticbeacon.com/articles/22-Mar-2007.html>

The Vatican has already admitted to taking part in the World War II Croatian genocide where more than 800,000 innocents were brutally slaughtered. These horrific admissions came to the sad light of day in recent federal court proceedings in San Francisco in a case presently on the docket where the Vatican bank is the defendant.

Now more horrific information is coming forward about Rome's most recent genocide in the 1990's where more innocent blood was shed in Rwanda, where in 100 days more than 800,000 Tutsis were slaughtered.

Although the Arctic Beacon has covered this Vatican genocide in previous articles, here is more information compiled by researchers in a compilation of facts entitled Innocent Blood:

Innocent Blood: Rome's Genocide of the 1990s

Four years after the Vatican representative marched down the aisle of the General Conference session to a standing ovation by the delegates, Rome began her genocide

of the last decade of the Twentieth Century in Rwanda.

Rwanda, called the "Little Switzerland" of Africa is the most Catholicized nation on the continent of Africa. (Philip Gourevitch, *We Wish to Inform You that Tomorrow We Will be Killed with our Families*. New York: Farrar, Straus and Giroux, 1998, p. 55). This book is a New York Times Bestseller and Editor's choice, and the winner of five prestigious prizes and awards, including the Los Angeles Times Book Prize.

The British Church Newspaper, April 16, 2004, carried an article by a correspondent, "Genocide of the Tutsis the Role of the Roman Catholic Church." This article declares,

Similar to RC Role In Supporting the Nazis

"Events and media coverage of the 10th anniversary of the Hutu massacres of 800,000 Tutsis in the spring of 1994 have strangely omitted the role of the institution largely responsible for the genocide-the Roman Catholic Church. Its role may be compared to its role in supporting the Nazis in the 1930s." -

"Genocide of the Tutsis - the Role of the Roman Catholic Church," British Church Newspaper, April 16, 2004, European Institute of Protestant Studies.

Rome Actually Claims Four Out of Five Rwandans Are Its Adherents

In Rwanda, 65% of the population is Roman Catholic. 9% are Protestant, according to Ecumenical News International. In the article, which quote a 1999 Guardian article by Christ McGreal, it is noted that the Roman Catholic Church actually claims four out of five, or 80% of Rwandans as its adherents.

Brief History of Rwanda

The British Church Newspaper article reveals the history of Rwanda from the time that German colonialists arrived in Rwanda-Burundi in the 1870s to find a well ordered society. The Tutsis were dominant cattle owners, and held power in the "central court".

The Hutus were peasant farmers who could move into the Tutsi elite on merit, with the Hutu chiefs playing a significant role in the society.

Roman Catholic "White Fathers" Order Arrives Beginning in 1880s

"From the 1880s onward, Belgian Roman Catholic missionaries from the Vatican's 'White Fathers Order' increased their influence in the area, and in the 1919 Versailles settlement after World War I, Rwanda became a League of Nations 'Trust Territory' under Belgian control.

White Fathers Develop Racist Theory

"The 'White Fathers' consolidated their influence. Darwinian evolutionary and racial theories were then in full flow. The 'Fathers' developed a bizarre racist theory to explain the relatively well-ordered African society they were dealing with, the so-called 'Hamitic hypothesis'. This proclaimed that 'civilised' African societies emanate-ed from an invasion of 'Ham-ites' who originally settled in Ethiopia.

Rwandan History Rewritten By RC Academics and Belgian Administrators

"Rwandan history was effectively rewritten by RC academics and Belgian colonial administrators. The Tutsi were Hamites, descended from Ham, whilst the Hutus were of inferior stock and destined to be treated like Bantu serfs, whilst a small group of hunter-gatherers and potters, the Twa, were regarded as 'aboriginal pygmoids' - supposedly remnants of an earlier stage of human evolution." Ibid.

Belgium Ruled Rwanda More or Less as a Joint Venture With the Roman Catholic Church Because of this only Tutsi were given responsibility in Rwanda. Their power increased greatly, while Hutu resentment grew. This set the stage for the post World War II Roman Catholic missionaries. Belgium ruled "Rwanda more or less as a joint venture with the Roman Catholic Church." (Gourevitch, 56)

Rwanda the Most Catholicized Country in Africa

In 1931 the Belgians and the Catholic Church installed a national leader selected for his compliance. He promptly converted to Catholicism which sparked a national rush to the baptismal font that made Rwanda the most Catholicized country in Africa.

The Same Year Hitler Conducted a Census to Identify Jews in Europe, the Belgians Issued Ethnic Identity Cards in Rwanda

"In 1933-34 the Belgians conducted a census in order to issue 'ethnic' identity cards, which labeled every Rwandan as either Hutu (eighty-five percent) or Tutsi (fourteen percent) or Twa (one percent)." -Gourevitch, 56, 57. The Belgians perfected the administration of an apartheid system.

Meanwhile, in Germany, "On June 16, 1933, one-half million census takers... went door-to-door...cadres of Storm Troopers and SS officers [were] added to create a virtual census army."-Edwin Black, IBM and the Holocaust. New York: Crown Publishers, 2001, p. 56. The census provided the intelligence for identifying the Jews for the Holocaust. While the "White Fathers" conducted the census in Rwanda, the Jesuit-run SS were conducting the census in Germany. What power might have coordinated the two censuses the same year, both which resulted in genocide?

Catholic Schools Dominate; Every School Child Taught Racism

The Catholic schools dominated the educational system. Ethnicity became the defining feature of Rwandan existence. Every schoolchild was reared in the "doctrine of racial superiority and inferiority." (Gourevitch, 57.)

The Tutsis were told "You whip the Hutu or we will whip you." The favoritism of the White Fathers for the Tutsis would now whiplash back the other way, for young Flemish priests arriving after World War II took up the cause of the Hutus.

"After World War II the influence of the White Fathers Order diminished as a new wave of young Papal missionaries came over from Belgian seminaries. They brought with them 'social justice' [note: read Marxist] theories that were now being developed by the Vatican to promote RC influence in third world countries. These mostly Flemish priests identified with the by-now oppressed Hutu majority, took up their cause, and gradually forced the Tutsis to relinquish their grip on the country. One result was a Hutu uprising in 1959 which led to 10,000 Tutsis being killed and over 100,000 being driven abroad."— British Church Newspaper.

The Flemish priests, calling for social revolution, sparked a national uprising of Hutus against the Tutsi, called "the wind of destruction." Belgian troops stood idly by as Hutus torched Tutsi homes.

RC Church Orchestrates Calls for Tutsis to Be "Sent Back Home"

"Three years later, Gregoire Kayibanda, Secretary to Monsignor Vincent Nsengiyuma, Rwanda's Archbishop, became first President of an independent Rwanda, having earlier founded the racial supremacist 'Parme Hutu' party. Now the Tutsi were seen by RC thinkers as 'invaders' from Ethiopia and the RC Church orchestrated calls for the Tutsi to be 'sent back home'.

Hutu RC Priests and Religious Leaders: Tutsi 'Cockroaches'

"A notable event was the disgraceful letter sent in 1972 to the Archbishop by a group of eleven Hutu RC priests and religious leaders, referring to the Tutsi as 'inyensi' (cockroaches) - a word used frequently by Hutu killers in 1994." Ibid.

Experts Say Genocide Planned and Coordinated By RC Church Leaders

"The events leading up to the genocide in April 1994 were, according to many experts, planned and coordinated by RC church leaders and politicians in conjunction with Hutu

racial supremacists and United States Ambassador David Rawson...

"A key role in the Rwandan massacres was to deny that genocide was taking place, since under international law that would have 'obliged' the UN and the international community to intervene. Instead, they claimed there were merely 'individual acts of genocide.' They also actively frustrated UN attempts to send troops to Rwanda....

Identification Papers

"Just as the identification of the Jews on local authority registers in Holland in the 1930s enabled Hitler's men to rapidly identify and round up Jews there in 1940, it is salutary to note that the Catholic inspired racial ideology of the 1920s and 1930s required all Rwandans to carry papers identifying them as either Hutu, Tutsi or Twa. This made the job of the Hutu mass-murderers, whose efforts at one time led to 40,000 Tutsi bodies floating down to Lake Victoria, all the easier." -"Genocide of the Tutsis - the Role of the Roman Catholic Church," British Church Newspaper, April 16, 2004.

Genocide Carefully Orchestrated: Register the Tutsi for Extermination

The Canadian UN General "Dallaire three months before the start of what would become the fastest killing campaign of the twentieth century" sent a fax from Rwanda "to Kofi Annan, that, according to 'Jean Pierre' an anonymous informant high up in the inner circles of the Interahamwe Rwandan militia, Hutu extremists 'had been ordered to register all the Tutsi in Kigali.' 'He suspects it is for their extermination,' Dallaire wrote.

'Example he gave was that in 20 minutes his personnel could kill up to 1,000 Tutsis. "'- -- Samantha Power in the Foreword to Lt. Gen. Romeo Dallaire, Force Commander of the UN Assistance Mission to Rwanda, 1993-1994, *Shake Hands With the Devil*. New York: Carroll & Graf, 2003, p. ix. Winner of the 2004 Governor General's Literary Award for Nonfiction, Canada Council for the Arts.

Cells Make Lists of Tutsis for Extermination

Later "Jean Pierre" revealed that Interahamwe cells were ordered to "make lists of the Tutsis in their various communes." He suspected that the lists were made "so that, when the time came the Tutsis... could easily be rounded up and exterminated." It was "a plan to create a series of highly efficient death squads." -Dallaire, 142. A little over a month before the genocide began, Dallaire learned that the schools were registering the ethnic identities of the students. (Dallaire, 198)

"Jean Pierre" even warned that the genocidists even infiltrated the UN peacekeeping force at the highest levels. Even Dallaire's driver was a spy. They had a steady stream of information about the UN mission at the highest levels that immediately was passed to the killers.

UN Betrayal

Kofi Annan ordered Dallaire to give the information collected from "Jean Pierre" directly and immediately to President Habyarimana, thus totally compromising the tiny UN force by giving all its intelligence to the enemy-the genocidists. This whole genocide was rigged from the beginning from the top down. When Dallaire sought to warn Belgium, the US and France about the plotting of the genocidaires, Dallaire was convinced that the governments of Belgium, the US and France already knew the crucial information he had acquired from the informant. At virtually every turn, the effort to stop the genocide was blocked by the UN and the international community.

"A Hidden Hand At Work, Orchestrating It All, " "The Shrouded Entity That Seemed to be Running the Show"

Lt. General Dallaire writes, "I couldn't get over the feeling that there was a hidden hand at work, orchestrating it all..."

" . . . the Rwandan ambassador to the UN, Jean-Damascene Bizimana, had had a seat on the Security Council and was not only privy to the inner workings of the mission but to the Security Council's attitude toward the mission and its many woes. All this

information was obviously being fed back to the shrouded entity that seemed to be running the show in Rwanda...my small team of intelligence officers... were risking their lives for crumbs of information while the extremists had a direct pipeline to the kind of strategic intelligence that allowed them to shadow my every move." -Dallaire, 194, 195. (emphasis ours)

Murder of Belgian Peacekeepers

The genocide was so well orchestrated and masterminded on an international level that the plan, according to 'Jean Pierre' was also "to murder a number of Belgian peacekeepers in order to 'guarantee Belgian withdrawal from Rwanda.'" Dallaire, *Ibid.*, p. ix.

The murder of Belgian peacekeepers took place the very day, April 6, 1994, the Rwandan president's plane was shot down, starting the genocide.

Apparition of the Virgin Mary Taken to Support the Genocide

On May 14, 1994, the apparition of the Virgin Mary appeared at the hilltop shrine of Kibeho. The message attributed to her by the visionary Valentine Nyiramukiza was "broadcast on Radio Rwanda at the time, and a number of Rwandan priests and journalists-including Thomas Kamilindi, who heard it at the Hotel des Mille Collines-told me [Gourevitch] that the Virgin was reported to have said that President Habyarimana was with her in heaven, and that her words were widely interpreted as an expression of divine support for the genocide." -Gourevitch, 137.

Priest Wenceslas Provides Killers With Lists of Tutsis

Father Wenceslas, a priest in Rwanda, was charged in France in 1998 with "providing killers with lists of Tutsi refugees at his church, flushing refugees out of hiding to be killed, attending massacres without interfering, sabotaging UNAMIR's efforts to evacuate refugees from the church," and much more. (Gourevitch, 136).

Local Priest Described As A Leader of Interahamwe Attacks

A "local priest, Father Thadee Rusingizandekwe, was described by survivors as one of the leaders of several interahamwe [militia] attacks."-Gourevitch, 137.

Bishop Accused of Barring Tutsis From Refuge

Bishop of Gikongoro, Monsignor Augustin Misago, was often described as a Hutu Power sympathizer, publicly accused of barring Tutsis from places of refuge, and telling "a group of ninety Tutsi schoolchildren, who were being held in preparation for slaughter, not to worry, because the police would protect them. Three days later, the police helped to massacre eighty-two of the children." Gourevitch, 137.

"Prosecutors say at least 2,000 people were killed at the Nyange Church in western Rwanda when the parish ordered the church to be bulldozed on top of Tutsi refugees." NPR: Catholic Complicity and Rwanda Genocide.

In 100 Days 800,000 Slaughtered

A box at the end of the British Church Newspaper article states that in 100 days an estimated 800,000 Rwandans were slaughtered. "The killers...did their work five times faster than the gas chambers used by the Nazis during the Second World War, according to some academics." Tutsis and Hutu moderates were killed 10,000 a day, 333 1/3 an hour, 5 1/2 every minute.

"The Vatican is Too Strong...to Go Taking On Bishops"

An official at the Ministry of Justice in Kigali told Gourevitch why Misago could not be arrested, "'The Vatican is too strong, and too unapologetic for us to go taking on

bishops. Haven't you heard of infallibility?" -Gourevitch, 140.

But local courts have charged some priests. White Fathers Priest Charged With Inciting Genocide

The Radio Netherlands website carried an article by Robert Chesal, Sept. 14, 2005, "A set-up? Belgian priest stands trial for Rwandan genocide."

Chesal reports, "A Belgian priest, Father Guy Theunis, has been charged with inciting people to take part in the 1994 genocide in Rwanda. The priest, a missionary with the 'White Fathers' in the African country between 1970 and 1994, was arrested at Kigali airport last week as he waited for a flight to Brussels.

"Father Theunis went on trial this week before a Rwandan 'gacaca' or community court. The charges against him: inciting genocide and spreading extremist propaganda by publishing articles in the magazine he edited at the time which encouraged Hutus to take part in the killing of Tutsis...

"They decided [the gacaca court]...he was a Category One offender, which means that he was one of the principle ideologues of the genocide.' -Richard Haavisto." Some in Belgium think this is an attempt to shift the blame from the Roman Catholic Church to an individual, making the priest a scapegoat to take the blame which should be placed upon the Roman Catholic Church.

Two Nuns Handed Thousands to Death

Over BBC News reports that "Sister Gertrude Mukangango received a 14-year sentence for her role in the massacre of some 7,000 people seeking refuge at her convent in southern Rwanda. Sister Maria Kisito

Mukabutera received a 12-year sentence.....

"The court heard how the two nuns handed over thousands of people who had sought refuge in their convent.

"They even supplied cans of petrol to the Hutu militias, who set fire to a garage sheltering some 400 refugees."

Benedictine Nuns Accused of Collaborating With Militia

The American Society of International Law states that the two nuns are "Benedictine nuns accused of collaborating with Hutu militia to kill Tutsis seeking refuge at the Sovu convent in Butare, Rwanda...

"Both nuns are accused of forcing Tutsis to leave the Sovu convent compound when they knew that armed Hutu militia were gathered outside; thousands of those who had sought sanctuary were allegedly driven out and killed. Sister Gertrude, Mother Superior of the convent, is also accused of contacting officials days later to ask them to remove the last remaining 30 Tutsi...the leader of the local militia has admitted his part in the genocide and stated that the nuns provided vehicles, information and support in killing the Tutsis. He states that '[t]hose two nuns collaborated with us in everything we did. They shared our hatred of the Tutsis. I did not do anything without first discussing it with Kisito and Gertrude. They handed over innocent people, without being threatened in any way, and without us having to use force.'" -ASIL Insights, "Belgian Jury to Decide Case Concerning Rwandan Genocide, by Linda Keller, May 2001.

Hundreds Now Being Executed Before Firing Squads

The two nuns and the White Fathers priest can be thankful to be tried in Belgium, for hundreds are now being executed before firing squads in Rwanda. "More than one hundred thousand Hutus accused of aiding the mass murder now await their trials in dirty jails, and hundreds have been sentenced to death; every few days the public can watch the convicted Hutus don black hoods before facing a firing squad." -M. L. Rossi, *What Every American Should Know About the Rest of the World*. New York: Penguin (Plume Book), p. 239.

Radio Stations Stirred Up and Directed the Genocide

Radio Stations drove the genocide. Three men have been convicted in this regard: Hassan Ngeze, who owned the newspaper Kangura, Ferdinand Nahimana, who controlled the popular radio station RTLM, and Jean-Bosco Baryagwiza, the station's co-founder. "The judges found that the station and newspaper branded all Tutsi, armed or unarmed, as the enemy." Sharon LaFraniere, New York Times, "Court Convicts 3 in 1994 Genocide Across Rwanda", Dec. 3, 2003.

"During the genocide, radio was used by the Hutu extremist conspirators to mobilize the Hutu majority, to coordinate the killings and to ensure that the plans for extermination were faithfully executed." Fahamu Networks for social justice, "Role of the Media in the Genocide in Rwanda."

The Propagandists

There appeared to be deliberate coordination among propagandists and between them and government officials. In the Butare prefecture a mimeographed document was discovered, "Note Relative a la Propagande d'Expansion et de Recrutement." In the document "one propagandist tells others how to sway the public most effectively. Obviously someone who had studied at university level, the author of the note presents a detailed analysis of a book called Psychologie de la publicite et de la propagande, by Roger Mucchielli, published in Paris in 1970.

Creating Events

"The author of the note claims to convey lessons learned from the book and drawn from Lenin and Goebbels. He advocates using lies, exaggeration, ridicule, and innuendo to attack the opponent, in both his public and his private life...the propagandist proposes two techniques that were to become often used in Rwanda. The first is to 'create' events to lend credence to propaganda. He remarks that this tactic is not honest, but that it works well, provided the deception is not discovered. The 'attack' on Kigali on

October 4-5, 1990 was such a 'created' event, as were others-the reported discovery of hidden arms, the passage of a stranger with a mysterious bag, the discovery of radio communications equipment-that were exploited later, especially during the genocide.

"Accusation in a Mirror"

"The propagandist calls his second proposal 'Accusation in a mirror', meaning his colleagues should impute to enemies exactly what they and their own party are planning to do. He explains, 'In this way, the party which is using terror will accuse the enemy of using terror. With such a tactic, propagandists can persuade listeners and 'honest people' that they are being attacked and are justified in taking whatever measures are necessary 'for legitimate [self-] defense.' This tactic worked extremely well, both in specific cases such as the Bugesera massacre of March 1992 described below and in the broader campaign to convince Hutu that Tutsi planned to exterminate them. There is no proof that officials and propagandists who 'created' events and made 'accusations in a mirror' were familiar with this particular document, but they regularly used the techniques that it described." --Human Rights Watch, "HRW Report- Leave None to Tell the Story: Genocide in Rwanda, March 1," "Propaganda and Practice. "

Radio: Extirpate the Enemy

Human Rights Watch states that the newspaper Kangura was one of the most virulent voices of hate, but the radio, particularly RTL, was to become even more effective, giving the message of hate directly and simultaneously to a wide audience. For the Newspaper, the Radio was an important ally in the "fight to defend the republic." After the genocide started, RTL radio pulled into its orbit another station, Radio Rwanda. The radio, during the genocide, became the sole source of news for the people, as well as the sole authority for interpreting its meaning. The two stations had a single message about the need to extirpate the 'enemy.'

Professors Become Propagandists

The propagandists would assert that their information came from 'intellectuals' or 'professors at the national university.' Two professors turned propagandists, one,

Nahimana, wound up director of RTLM radio.

Propagandists Used Religion and the Church

"Propagandists used religion and the church to validate their teachings. Umurava Magazine declared 'It is God who has given [President] Habyarimana the power to direct the country, it is He who will show him the path to follow.' . . . Cartoons sometimes portrayed

Habyarimana as a saint or a priest.... Following killings of Hutu in Burundi in 1991, Kangura featured the Christ child with Mary and Joseph on the cover of the January issue. Mary asks the Christ child to save the Hutu of Burundi. He replies that he will tell them to love each other. Joseph comments, 'No, instead tell the Hutu of the world to unite.' In a country where 90 percent of the people called themselves Christian and 62 percent were Catholic, these references to religion helped make the teachings of fear and hate more acceptable."-HR, op. cit.

Propagandists Used the Teaching of the Social Justice Priests

"The propagandists asserted that the Tutsi, as Ethiopids or Nilotics, had no right to inhabit Central Africa."-HRW; Ibid.

This, of course, is the very teaching of the Flemish Social Justice priests.

"Local officials at the level of cell, sector, and commune directed the early massacres." HRW. The government distributed machetes and radios.

ID Cards Spell Death

Roadblocks were everywhere. "Tutsi attempting to pass the barriers were usually

identified by their identity cards and then slain. Those who decided not to flee were killed in their homes."-HRW.

Does America really want to turn its government over to Rome, as Rwanda did decades ago, as Germany did in the 1930s?

Can It Happen Here?

Five Times the Intensity of the Holocaust

The horror of the Rwandan genocide is breathtaking. For intensity, compared with the Nazi genocide, it was five times as intense. And this over three months--100 days-- in 1994.

Truly the Rwandan genocide is a study in how Rome conducts genocide on the eve of the twenty-first century. It is a mighty reminder of what Rome does when she has the power.

Handing Power Over, Wholesale, to Rome

America is now handing over power, wholesale, to Rome. The executive, the legislative, the judicial-in every branch of government, and in all the denominations with Spiritual Formation and Spiritual Directors, and in the media.

God's word has given warning of the impending danger; let this be unheeded, and the Protestant world will learn what the purposes of Rome really are, only when it is too late to escape the snare. She is silently growing into power. Her doctrines are exerting their influence in legislative halls, in the churches, and in the hearts of men. She is piling up her lofty and massive structures in the secret recesses of which her former persecutions will be repeated. Stealthily and unsuspectedly she is strengthening her forces to further her own ends when the time shall come for her to strike. All that she desires is vantage ground. and this is already being given her. We shall soon see and shall feel what the purpose of the Roman element is. Whoever shall believe and obey the word of God will thereby incur reproach and persecution.

Vantage Ground

Truly, placing five Roman Catholic judges on the Supreme Court to interpret the Constitution in harmony with the papal interpretation is giving Rome vantage ground. Having Jesuits and the Jesuit Volunteer Corps run the Department of Homeland Security is giving Rome vantage ground. Teaching all the churches the fundamental training of the Jesuit Order, Spiritual Formation, is giving Rome vantage ground. Taking away the freedoms of the Constitution with antiterrorist legislation is giving Rome vantage ground. Expansion of executive authority, to the field of torture, secret CIA prisons around the world, wiretapping of American citizens illegally, and the president seeking the authority to solely determine who the enemy is, is all giving Rome vantage ground.

Insane Thinking: Transforming the State Into Totalitarianism

The same kind of insane thinking that gripped Nazi Germany is abroad in America today. The president, caught redhanded spying on US citizens without a warrant, even a warrant from the secret FISA court, is boldly justifying his right to spy on US citizens, based on the Constitution, though no citation is given from the Constitution, and though the Constitution expressly forbids it in the Fourth Amendment.

The Big Lie

It is the principle of the Big Lie, used by Hitler, that if you repeat a big enough lie, often enough, boldly enough, the people will believe it. Here the Big Lie is that though the Constitution expressly forbids it in the Fourth Amendment, the Constitution really completely endorses what it expressly forbids. The Vicepresident has just justified the President's illegal spying based on the Constitution, with no quotation given.

Talk Show Hosts Sway the Masses, Bv Radio. Just as in Rwanda, Calling for the Roundup of Any One in a Mosque, and the ACLU

And the talk show hosts take up the issue hour by hour, day after day, justifying illegal wiretapping, justifying torture, some even calling for the wholesale roundup and detention of massive numbers of people, and one talk show host calling for the extermination off of the face of the earth of those Islamic fundamentalists, wherever they might be, who might be a threat to national security. This talk show host, January 19, 2006, ranting and yelling, called for the roundup of everyone found in a mosque. Next, the talk show host, who is on hundreds and hundreds of stations, and who has written at least one best-seller, called for the leadership of the American Civil Liberties Union to be rounded up and hauled away. Then he could go after all the Islamic Fundamentalists without let or hindrance.

The Same Kind of Thing

After hearing this on the radio, I turned to my wife and said, After reading about the propoganda tactics used over the radio in Rwanda to drive the genocide, this kind of ranting sounds like the same kind of thing all over again.

A Sustained Effort to Identify those Opposing the Removal of Liberty With the Terrorists

Now on television, on talk radio, and now even books, there is a sustained effort to identify the Left, that is the Enlightenment forces in America who are opposing the removal of liberty in America, those opposing torture and illegal wiretaps along with other issues-there is a sustained effort to identify Civil Libertarians still seeking to maintain the Bill of Rights with the terrorists.

The King of the North, the Papacy, is beginning with whirlwind force to roll over its opposition, the King of the South, the forces of the French Revolution, which have kept the papacy in check since 1798. (Dan. 11:40)

America is teetering on the brink of what happened to Germany in the 1930s, and what happened in Rwanda in the 1990s. In Rwanda it was "save the republic," in Germany it was for the protection of the people and the state.

Totalitarianism Justified On the Basis of a Real Threat

And, while the Nazis justified their tyranny on the grounds of protection of the Fatherland from the Bolshevik threat, and it was a real threat, with the communists in the streets battling the Brown Shirts, today those vociferously advocating the reinstatement of torture, illegal spying, wholesale roundups of certain groups of people, are justifying it on the grounds of the Islamic fundamentalist threat.

To Protect the State and the People

In Germany, after the SS burned down the Reichstag, blaming it on the patsy-a half wit communist-the Enabling Acts were passed, sweeping away the Constitutional rights of the people, and giving Hitler dictatorial powers, --all in the name of the protection of the state and the people.

Paranoia of Identifying Enemies of the State

It is the Hegelian dialectic at work in the political field for building the totalitarian threat. It was the same in the Soviet Union. Tens of millions were starved to death or sent to the Gulags out of a paranoid fear of counter-revolutionary activity-that they might be an enemy of the state because of their class affiliation-such as the middle class farmers-the Kulaks-who were starved to death by the millions by Stalin.

All that she desires is vantage ground, and this is already being given her. We shall soon see and shall feel what the purpose of the Roman element is. Whoever shall believe and obey the word of God will thereby incur reproach and persecution.

"As Many As Would Not Worship the Image of the Beast Should Be Killed"

The Bible, the sure Word of Prophecy, declares:

"And he [the two-horned lamb like, dragons peaking beast] had power to give life unto the image of the beast, that the image of the beast should both speak, and cause that as many as would not worship the image of the beast should be killed." Rev. 13: 15.

It will be global. It will be considered to be a matter of national security, just as Caiaphas argued, it is better for this or that group to perish, that the nation perish not.

When half a dozen students in Neil Waters's Japanese history class at Middlebury College asserted on exams that the Jesuits supported the Shimabara Rebellion in 17th-century Japan, he knew something was wrong. The Jesuits were in "no position to aid a revolution," he said; the few of them in Japan were in hiding.

He figured out the problem soon enough. The obscure, though incorrect, information was from Wikipedia, the collaborative online encyclopedia, and the students had picked it up cramming for his exam.

Dr. Waters and other professors in the history department had begun noticing about a year ago that students were citing Wikipedia as a source in their papers. When confronted, many would say that their high school teachers had allowed the practice.

But the errors on the Japanese history test last semester were the last straw. At Dr. Waters's urging, the Middlebury history department notified its students this month that Wikipedia could not be cited in papers or exams, and that students could not "point to Wikipedia or any similar source that may appear in the future to escape the consequences of errors."

With the move, Middlebury, in Vermont, jumped into a growing debate within journalism, the law and academia over what respect, if any, to give Wikipedia articles, written by hundreds of volunteers and subject to mistakes and sometimes deliberate falsehoods. Wikipedia itself has restricted the editing of some subjects, mostly because of repeated vandalism or disputes over what should be said.

Although Middlebury's history department has banned Wikipedia in citations, it has not banned its use. Don Wyatt, the chairman of the department, said a total ban on Wikipedia would have been impractical, not to mention close-minded, because Wikipedia is simply too handy to expect students never to consult it.

At Middlebury, a discussion about the new policy is scheduled on campus on Monday, with speakers poised to defend and criticize using the site in research.

Jimmy Wales, the co-founder of Wikipedia and chairman emeritus of its foundation, said of the Middlebury policy, "I don't consider it as a negative thing at all."

He continued: "Basically, they are recommending exactly what we suggested — students shouldn't be citing encyclopedias. I would hope they wouldn't be citing Encyclopaedia Britannica, either.

"If they had put out a statement not to read Wikipedia at all, I would be laughing. They might as well say don't listen to rock 'n' roll either."

Indeed, the English-language version of the site had an estimated 38 million users in the United States in December, and can be hard to avoid while on the Internet. Google searches on such diverse subjects as historical figures like Confucius and concepts like torture give the Wikipedia entry the first listing.

In some colleges, it has become common for professors to assign students to create work that appears on Wikipedia. According to Wikipedia's list of school and university projects, this spring the University of East Anglia in England and Oberlin College in Ohio will have students edit articles on topics being taught in courses on the Middle East and ancient Rome.

In December 2005, a Columbia professor, Henry Smith, had the graduate students in his seminar create a Japanese bibliography project, posted on Wikipedia, to describe and analyze resources like libraries, reference books and newspapers. With 16 contributors, including the professor, the project comprises dozens of articles, including

13 on different Japanese dictionaries and encyclopedias.

In evaluations after the class, the students said that creating an encyclopedia taught them discipline in writing and put them in contact with experts who improved their work and whom, in some cases, they were later able to interview.

“Most were positive about the experience, especially the training in writing encyclopedia articles, which all of them came to realize is not an easy matter,” Professor Smith wrote in an e-mail message. “Many also retained their initial ambivalence about Wikipedia itself.”

The discussion raised by the Middlebury policy has been covered by student newspapers at the University of Pennsylvania and Tufts, among others. The Middlebury Campus, the student weekly, included an opinion article last week by Chandler Koglmeier that accused the history department of introducing “the beginnings of censorship.”

Other students call the move unnecessary. Keith Williams, a senior majoring in economics, said students “understand that Wikipedia is not a responsible source, that it hasn’t been thoroughly vetted.” Yet he said, “I personally use it all the time.”

Jason Mittell, an assistant professor of American studies and film and media culture at Middlebury, said he planned to take the pro-Wikipedia side in the campus debate. “The message that is being sent is that ultimately they see it as a threat to traditional knowledge,” he said. “I see it as an opportunity. What does that mean for traditional scholarship? Does traditional scholarship lose value?”

For his course “Media Technology and Cultural Change,” which began this month, Professor Mittell said he would require his students to create a Wikipedia entry as well as post a video on YouTube, create a podcast and produce a blog for the course.

Another Middlebury professor, Thomas Beyer, of the Russian department, said, “I guess I am not terribly impressed by anyone citing an encyclopedia as a reference point, but I am not against using it as a starting point.”

And yes, back at Wikipedia, the Jesuits are still credited as supporting the Shimabara Rebellion.

Wikipedia is good for some facts...but guess who they're controlled by?

CRAIG-OXLEY - March 20, 2007 10:29 PM (GMT)

MOSSAD controls WIKIpedia! Its Zionist territory! Therefore ultimately controlled once again by the JESUIT ORDER itself as all these Zionist so-called jews are Masonic labor and simply COURT JEWS.

Very much so. That is at least one more instance where judicial-inc has it right.

I find lots of good and damning evidence against the Jesuits on wikipedia.

JagDRS - March 22, 2007 10:51 PM (GMT)

I don't think anyone is debating whether or not some valid info can be found at Wiki. As far as this goes, some valid information can be gotten out of the nightly news, Washington Post, NY Times, and Times, Time et. al, and probably off milk cartons and glossy mags too. Be sure to have a magnifying glass and it probably won't hurt to have a crystal ball seer to help you locate, identify and distinguish it from all the misinfo, disinfo and propaganda it is likely to be wrapped in. The knock against Wiki, at least one of them, has always been that they promote themselves as the world's open source for information all the while being known to be quite closed off on quite specific issues, to the point of editing and re-editing information so as to expunge views contrary to theirs. For someone who built their founding riches off of purveying pornography, this is not all that surprising. Even Larry Flint and Hugh Hefner disclose some valid nuggets on occasion. One only need lower themselves to that level in order to partake of it.

Papal Knighthood Given to a Jewish Rabbi

http://www.traditioninaction.org/HotTopics...ght_Morella.htm

Gary L. Morella

On November 3, Rabbi David Rosen, the American Jewish Committee's international director of inter-religious affairs was invested with a papal knighthood. Cardinal Walter Kasper, president of the Vatican commission for relations with Jews, conducted the investiture that made Rosen a Knight Commander of the Pontifical Order of St. Gregory the Great.

Above, Rabbi Rosen warmly received by JP II

Below, greeted by Pope Ratzinger

who honored him with a knighthood

Pictures from David Rosen website

The ceremony was planned to coincide with the 40th anniversary celebrations in Israel of the Vatican II document *Nostra aetate*. Kasper credited Rosen with being a moving force in the realization and implementation of the spirit of *Nostra aetate*. ("Rabbi Rosen invested as Papal knight," *Jerusalem Post* online, Nov. 3)

What I would like to know is whatever happened to the end of Matthew's Gospel where Jesus told His disciples to convert the world to the one true faith of the Church that He founded upon the rock that is Peter for salvation's sake?

"And Jesus coming, spoke to them, saying: All power is given to me in heaven and in earth. Go therefore, teach ye all nations: baptizing them in the name of the Father and of the Son and of the Holy Ghost; teaching them to observe all things whatsoever I have commanded you" (Matt. 28: 18-20)

Has the Vatican II Church excised these verses from the New Testament? Just what is it about the One True Triune God, The Blessed Trinity, Father, Son, and Holy Ghost, that Cardinal Kasper, and the rest of the ecumaniacal interpreters of *Nostra aetate* (including its author) do not understand? It is Catholic dogma that the Creator of Heaven and Earth is the One True Triune God, a doctrine conspicuously missing from *Nostra aetate*.

How can a papal knighthood be conferred on a non-Catholic who denies this dogma of the faith? Did St. Isaac Jogues and his companions, the heroic missionaries in North America who gave their lives to convert the Hurons, die for no reason? And what about the rest of the holy martyrs who died defending the one true Religion? Has it not occurred to anyone in Rome that giving papal knighthoods to Jews makes a mockery of the blood of the Martyrs?

But of course we are talking about the Vatican II Church, which accords error rights that it does not deserve as a matter of course. Hence it sees no problem with congratulating the Hindus, a false religion, on the celebration of its "feast day" Diwali, which celebrates the false gods, or better said devils, that they worship. This is in the name of "inter-religious dialogue," which has replaced the need for conversion (Message to the Hindus on the Feast of Diwali 2005, Vatican website)

After all, Vatican II did away with that, according to Kasper, who evidently cannot see that doing away with "conversion necessary for salvation" is doing away with Catholicism. Period.

The truth of the matter is that Catholics, since Vatican II, have been wandering in a desert of dissension in a Church rife with confusion just as the Israelites physically drifted in circles in the desert after worshipping the golden calf. This is a Church where the "natural" has replaced the "supernatural" as the main priority in a vain search for a "Masonic New World Order earthly utopia" – a lie of the Devil who never sleeps, prowling the world like a raging lion for the ruin of souls. In short, this is the Syncretistic Indifferentist Church of Walter Kasper that is unrecognizable as Catholic!

We must pray for a Pope who will put a stop to the theological madness of the Kaspers in the Church instead of encouraging more of the same.

JOHN PAUL II "BLESSED" BY THE RABBIS

Atila Sinke Guimarães

<http://www.traditioninaction.org/bev/062bev02-03-2005.htm>

JOHN PAUL II "BLESSED" BY THE RABBIS - On January 18, John Paul II received about 160 rabbis from around the world at the Vatican. They went there to celebrate the change that Vatican II made in Catholic teaching regarding Judaism, and to pay official homage to this Pope for his support of Jews and Judaism. At the climax of the meeting, three rabbis carried out a religious ritual to "bless" the Pontiff.

The information I transcribe regarding this encounter is from news reports by CatolicaNet (January 18, 2005, online) and the National Catholic Reporter (January 20, 2005, "Word from Rome," online).

Appraising the meaning of the meeting, rabbi Jack Bemporad, director of the Center for Inter-Religious Understanding (CIU), declared, "For the first time in History, rabbis from all branches of Judaism met in Rome to thank a Pontiff." Among the important rabbis present were the president of the college of rabbis of New York, the ex-chief rabbi of Europe and France, the chief rabbi of Jerusalem, and the chief rabbi of Rome.

Bemporad emphasized the post-Vatican II change of position, saying, "In the world's History, the last 40 years will be regarded as the most revolutionary and important in Jewish-Christian relations."

Recalling some of the ground-breaking landmarks, he pointed out that John Paul II was

the first Pope in History to visit a synagogue; this Pontiff also established diplomatic relations with Israel, and asked forgiveness for the combat the Church has always made against Judaism (CatholicNet).

During his trip to Israel John Paul II promoted an encounter with the rabbis of Jerusalem.

Inside the Vatican, February 2003

This was the largest papal audience ever with a group of Jews. Normally when the World Jewish Congress or the Anti-Defamation League visits John Paul II, the delegation is composed of no more than 15 to 20 persons.

Rabbi Joseph Ehrenkranz from Connecticut said that while some Catholics "don't know" about the revolution that happened since Vatican II, many Jews "don't believe it." In that light, Ehrenkranz said, the January 18 audience was an opportunity for Jewish leaders to publicly acknowledge that the transformation is real.

Rabbi Gary Krupp, who initiated the plan to bring 160 rabbis to the Vatican, praised John Paul II in a solemn speech: "You have defended the Jewish people at every opportunity, as a priest in Poland and in your pontificate." He recalled John Paul's 1986 visit to the Roman synagogue, the first by a Pope since the time of the early church, and his 2000 trip to Israel.

Enigmatically, Krupp also added that John Paul II embodies the "spirit of Aaron, the high priest of ancient Israel."

After he finished his speech, three rabbis blessed John Paul in Hebrew and English. One part of the ceremony was open to the press, another was closed. No reports about the latter (National Catholic Reporter).

Why were these rabbis given such a spectacular gathering at the Vatican? The official explanation was that the event celebrated the 40th anniversary of the approval of the conciliar declaration *Nostra aetate*, which took a progressivist approach regarding Jews and Muslims.

I don't believe that this is the real reason. First, because the 40th anniversary of *Nostra aetate* will occur only on October 24, 2005, too distant a date to generate a special festivity in January. Second, because the week of January 16-22, when this audience was granted, has been dedicated to Catholic-Jewish relations. It seems to me the real reason lies in the background of this fact. Let me explain.

On January 20, 1842, Alphonse Ratisbonne, a young French Jew from an important banking family in Strasbourg and close relation to the Rothschilds, witnessed an apparition of Our Lady and immediately converted from Judaism to the Catholic Church. His conversion, which took place in Rome, represented a spectacular victory of Our Lady over Judaism that had enormous repercussions in Italy, France, and the whole Catholic world. The devotion of Our Lady of the Miracle was born on that occasion and the Basilica of Sant'Andrea delle Fratte, where the miracle took place, became a center of special prayer for the conversion of the Jews (for the whole story, [click here](#)).

Alphonse Ratisbonne and his brother, Theodore, who had converted also, became priests and founded a new religious institution – the Congregation of Our Lady of Sion – dedicated to the conversion of Jews from their perfidious religion to the Catholic Church.

Fifty years later, on January 17, 1892, the Vatican Capitolo granted the special honor for the picture of Madonna del Miracolo (Our Lady of the Miracle), which was crowned as Queen.

This Vatican act was an endorsement of a growing popular devotion to Our Lady of the Miracle, an indirect approval of the commemoration of the conversion of Alphonse Ratisbonne, and a blessing of the general aspiration for the conversion of the Jews. Since that time, every year the week including the two dates of January 17 and 20 was dedicated to celebrate these events.

The 2003 Jewish award of the Simon Wiesenthal Center is offered to John Paul II by rabbi Marvin Hier.

The Catholic World Report, January 2004

As should be expected, after Vatican II, the progressivist Holy Sees of Paul VI and John Paul II froze those festivities. But not only this. When I visited Rome in January 1993, I saw that the week had been re-directed to commemorate the precise opposite. That is to say, there was no more mention of the conversion of the Jews, and everything was designed to celebrate Catholic-Jewish inter-confessional dialogue. Throughout Rome, ecumenical events were scheduled with this aim. These inter-confessional commemorations have continued up to the present time.

Therefore, the January 18 audience granted to the large assembly of rabbis made up part of the week of Catholic-Jewish dialogue of 2005.

I wonder if in this last January event, we didn't take another step on the road of destruction of the traditional Catholic position. That is, it was an opportunity for the Jews to state openly and officially that Judaism is the "true" religion, without any need for conversion to the Catholic Church. Judaism would be so "true" that 160 rabbis came to Rome to proclaim this and "bless" the Head of the Catholic Church with their sinister rituals.

In practical terms, the rabbis would have gone to the Vatican to revenge the conversion of Ratisbonne, to deny that he needed any such thing, and to present the apparition of Our Lady of the Miracle as irrelevant and foolish. The whole episode represented, in my opinion, a great symbolic outrage to Holy Mother Church propitiated by the present day Pope.

The conversion of Ratisbonne took place 163 years ago. Was the number of rabbis who

visited the Vatican – around 160 – meant to match the number of years that have passed since it occurred? I don't have data to make any serious conclusion about that.

Description: *They sit behind the Jesuits*

Daniel - March 19, 2007 04:43 AM (GMT)

Dear friends,

Michael Tsarion mentions that the "Cult of Aton" are sitting behind the Black Pope and the Jesuits. He mentions it about 11 min into the video and he also mentions the word "Atonism".

<http://video.google.com/videoplay?docid=-8545585184878490822>

I have to say that I am shocked! At this moment you all need to read this. I have mentioned the name "Daskalos" before in several of my posts. I have all of his books and lectures and these people are dear friends to me and I trust what they say.

Please, you need to find out what I know about "Aton" already. This must be given to Michael Tsarion ASAP but before we pass it along to him, I would like us all to look into this matter further.

If what Michael Tsarion and Jordan Maxwell say is true, about this Cult of Aton sitting behind the Black Pope, then they are in reality referring to the **Cult of AMON-RA** who murdered Amenhotep IV and the followers of Aton and re-wrote history.

Amenhotep IV and his God "Aton" is the Father to the Essenes or the Essene Nazarenes!

THE SYMBOL OF LIFE by Dr. Stylianos Atteshlis (Daskalos) ISBN 9963-8162-1-5

The "Symbol of Life" is a symbol of Christian mysticism. Its ten centers and the path

between represent life, the whole process of creation and the way back to Man's origin. Until now the teachings of the "Symbol of Life" has been restricted to small circles of students. In this book the well-know Cypriot mystic and healer, Dr. Stylianos Atteshli, traces the history of the "Symbol of Life" and explains its symbolism. He invites the reader to meditate on the different aspects of life and creation in order to enable him or her to reach higher levels of consciousness.

From the Symbol of Life Book in Daskalos' own hand

The Symbol of Life given now is a purely Christian system. It is the old Egyptian Symbol of Life changed and modified by the Prince and High Hierophant Khor-Aton (Khor-Amon) at the time of his Majesty the King of Egypt, the Pharaoh Ankh-en-Aton.

Khor Aton was re-incarnated, again in Egypt, as the Christian Bishop Origenes (Origen). Origenes made also some changes in the Divine part of the Symbol and elsewhere, using the Revelation of St. John in the New Testament, giving the Symbol of Life (as it is now) to the Essenes....

[At the time of Moses] The Egyptian Symbol of Life was neglected and could be seen only in a few temples of the Sun-God Amon-Ra as an ornament Very few hierophants were using it; and the Shakh Kniu-Mu Mosis [Moses] was one of them.

Shakh Kniu-Mu Mosis [Moses] had succeeded in raising his self-consciousness to high levels. He was able to contact intelligences in space, and by invoking them, he succeeded to put their forces under his commands, which enabled him to perform great wonders...

In the Holy Bible, in the Old Testament, the chapter entitled "Exodus" describe clearly the events, the plagues, and also what Moses had succeeded to achieve by using the Egyptian Symbol of Life.

The Shakh Kniu-Mu Mosis [Moses] had changed the Egyptian Symbol of Life and gave the world the "Etz Ha' Chayim", the "Tree of Life", the Hebrew Qabalah.

On the "Etz Ha' Chayim" the names of the Egyptian Gods were taken out from the Centers (Sephira) and new names were given to each such as Kether, Yesod, etc...

On the sketch of the "Etz Ha' Chayim" one can see on the Sephria (Centers), the name of either an angel or the name of an Archangel....

On the Symbol of Life the seekers of the Truth are using, all the Archangels can be contacted in every Center

Surrounded by many dangers, [Pre-historic] man was feeling the need to rely on a stronger entity for protection. He had created his Gods to stimulate the courage necessary to face the difficulties of life he was facing at that time.

Man had worshipped the Sun, feeling that the Sun God was giving him strength. He had worshipped the moon, fire, rivers, mountains and nature. He was very often giving to his Gods the human form, giving also to his Gods names.

Of course those Gods Man had worshipped were Elementals which, when worshipped by many people were gaining both strength and a kind of intelligence. These Elementals, strengthened by the prayers of those worshipping them, could influence greatly the worshippers.

Man, having many experiences decided to find a way to record them. To record his beliefs for himself, and for his descendants, Man had found the easiest way was to use symbols.

Engraving his symbols Man could later bring back in his mind what these symbols meant to him. Man was explaining the meaning of his symbols to his descendants who would be able to share with him his beliefs and his experiences. Of course those symbols were creating Elementals (living thought-forms) most powerful at times....

From the Symbol of Life by Dr. Stylianos Atteshliis

user posted image

Dr. Atteshliis takes you to the 13th and 14th centuries B.C. of Ancient Egypt where the "Symbol of Life" was already known. He reveals the connection between the Symbol of Life, the radical reign of Egypt's Pharaoh - Amenhotep IV (Ankhenaton), the so called Amarna Period which introduced Monotheism (one god religion) for the very first time in recorded history.

... When Pharaoh Amenhotep IV (at a service in the temple of Amon Ra, the Sun God) was on the platform, invoking Amon-Ra repeating loudly the Khe-Kau (words of power), a red flame appeared on the right side of the golden image of the sun. A violet flame then appeared on the left side of the gold in image of the sun. In the flames two human looking figures appeared. The Pharaoh lost his consciousness, falling down on the

platform. Khor-Amon, [The High Hierophant] took the Pharaoh to the nearby palace in Uast (Thebes) Khor-Amon told the Pharaoh the he himself, and all the others had seen the flames and the human-looking figures. Mikh-Ra-Dat (a hierophant who was present) said that the materialized figures were an Archangel of the Order of the Maha-Els (Michaels) and an Archangel of the Order of the Ra-pfa-Els (Raphaels).

Next day the Pharaoh summoned the Assembly of Hierophants...and announced his decision to abolish the Assembly as a Body and expel from the Institute all Hierophants opposing the new order. The Pharaoh announced to the Assembly that the he believed in and was now worshipping, the One Real god Aton, the Absolute Infinite Beingness, the everlasting Life, the symbol of which is the holy Ankh.

An open ware between the Hierophants worshipping the many Gods and the Pharaoh had begun.

... Mikh-Ra-Dat & Khor-Amon prepared a hall [dedicated to the meditation and adoration of Aton - the spiritual sun] in the palace in Apts (Karanak)... and placed the Symbol of Life.

... on one occasion, the Pharaoh had to be standing in front of the Khaut (altar), the two flames - the red flame and the violet flame - appeared on the right and on the left sides of the Khaut. Maha-EI (Michael) appeared in the red flame and , stepping out of the fiery red flame, he materialized himself and beckond to Khor-Amon to approach him.

Khor Amon got up and approached the Archangel, who embraced Khor-Amon. Half of the Archangel's body entered in the body of Khor-Amon.

When the ceremony had ended the Pharaoh, in addressing Khor-Amon, had called him "Khor-Aton". In addressing his wife Nefer-Dhiti (Nefertiti), he had called her "Merit-Aton". He then asked all in the future to call him "Ankh-en-Aton"

Raising both his hands, the Pharaoh exclaimed:

Aton Neter Ankh tteta en Kheh rekh
God Aton, Life everlasting in eternity, I know

Neb En Pet Kha En T-ta Neter En Maat
Lord of Heaven and of Earth God of Truth

Rekh A-at Neb Sek-Hem-AA Em utu
I know Great Lord I have gained the mastery of what is asked

a-arit er-a ttep t-ta neb en ankh kna en Mer A-atef I-ia nek
to be done for me on Earth, Lord of Life and of Love. Divine Father I have come to you.

Now Spirit and matter, the light and the illusion were at war in Khemt (Egypt).

From a Stoa Lesson by Daskalos: 24 SEPTEMBER 1990

You may ask, "Is Absolute Beingness God? Where can I find Him?" Many centuries ago, thousands of years before the birth of Christ, human beings were already searching for this Truth. Why? Because they felt the need to get an answer to the questions "Who are we? What are we?" You cannot get the answer unless you know what God is.

Thousands of years ago, the human beings in their search started to think, "What is the relationship between men and animals, and why should men worship animals as gods?" They made that mistake. The Ancient Egyptians were adoring certain animals as gods, for example Anubis. It did not satisfy them, however. How had they come to the point of adoring animals as gods? Because they saw them living and expressing strength. And, instead of understanding the meaning of the phenomenon of life, they simply recognized the shape and form of them. That was a mistake.

They worshipped many animal gods until one day a Hierophant felt that this practice should stop. He asked himself why the sun should be adored as Amon Ra. He started to think about Life, why we are living and how we live. Amenophis the Fourth (Amenhotep IV) got new insight in a state of ecstasy. His nephew Khor Amon, also a Hierophant, agreed with him and together they denounced the many animal gods and even Amon Ra. They said "God is Life, infinite Life.". Instead of Amon Ra they adored Aton, the one and only God, the Incomprehensible. In the old Egyptian language Aton meant "incomprehensible". Amenophis gave himself a new name: "Ankh-en-Aton" (the one beloved by Aton) and Khor Amon was to be known as "Khor Aton".

They declared a new system of worship - worshipping Aton, the one God, being everywhere, giving light and heat to the sun and life to the human beings and the animals. **But the world was not ready for that. The High Priests of Amon Ra, Anubis and the other gods did not want to lose their importance and revenue. So they killed both; Khor Aton, by stabbing him to death, and Ankh-en-Aton by poison. This is what always happens to the pioneers who reveal the Truth.**

If you study ancient civilizations you find many (similar) stories, e.g. in the history of the 'Aztecs, the Incas, and the Hindus. Ankh-en-Aton, in ecstasy, revealed the Truth and said "I feel Aton within me, talking to me" (as Super Intelligence).

Daniel - March 19, 2007 06:40 AM (GMT)

<http://www.researchersoftruth.org/StoaLessons.htm>

Joshua Emmanuel the Christ, the God-man, was preaching all this to His disciple-healers. He didn't have only 12 disciples, He had thousands of Israelites and Essenes teaching them healing and preaching them the Reality. Talking about His Father and our Father, Joshua Emmanuel the Godman, used to call Him "Allaha".

Now, what you call Jesus, He and His family and most of His disciples were Essenes, they were not Jews. What were the Essenes? The Essenes appear in Egypt as descendants of the worshippers, Israelites and Greeks (in Egypt), believing in Aton, the one Spirit-God which the pharaoh Ankh-en-Aton, breaking the idols, declared as the real God. For centuries there was a fight between the old religion of the gods, the idols, and the one God, the Spirit-God, the God of the heavens and of the earth.

So, we find the Essenes in Egypt. They included the Greek-speaking Israelites who remained in Egypt and also the Egyptians. The language the Essenes were speaking was Greek and Aramaic. The Aramaic language came from the Egyptian language. So, these Essenes were in Egypt, but also in Palestine, in Cyprus, in Asia Minor and in Mesopotamia. They existed worshipping the one God the Father, the benevolent Father.

At that time they had three religions. The Greek idolaters worshipping idols, false gods, the Greeks and Romans. Then we have the Essenes believing in a God, calling him in Greek "Theos" and in Aramaic "Allaha". They believed in a God the Father in Spirit, the merciful, loving God. And the Israelites who were worshipping and believing in one Spirit-God also, but a God of vengeance. The difference between the Essenes and the Israelites was that the Essenes believed in Allaha, a benevolent Father, while the Israelites believed in a powerful vengeful God, who was claiming blood sacrifices.

They both believed in one and the same Allaha, but, while the Essenes were considering the Israelites their brothers, the Israelites were considering the Essenes heretics. Why? Because they made reforms - no blood sacrifices. Not the God of Moses who in the old times was even claiming human sacrifices. You may find it in the Old Testament. Ibrahim or Abraham had to sacrifice Ishak or Isaac. Then later, another biblical personality had to sacrifice his only daughter by burning. Reading the Old Testament you may find such cases. So, there was a great difference between the Allaha of the Essenes and the Allaha of the Israelites.

Now, though the Essenes were loving the Israelites, the Israelites were considering them heretics. They were killing them by stoning and, as they have done to Joshua Emmanuel the Christ, by crucifying them. Of course, this crucifixion of the Godman created, after a certain time, the claim that Joshua Emmanuel the Christ was a man who lost his powers, treating the crucifixion as the weakness of a human being. Even Caiaphas was provoking Him in front of the guards. He heard all, he acknowledged the miracles that Joshua was doing, and he was not helping himself at that time. But, for the Essenes it was not the weakness of a human being, of the Son of Man, it was the triumph of the Godman.

QUOTE (CRAIG-OXLEY @ Mar 20 2007, 12:08 AM)

Eric Phelps is well aware of the Jesuit Order from its creation onwards but it seems he's lacking or not letting on about their prior history such as Los Alumbrados.

There is something deeper we need to discover regarding the roots of Ignatius Loyola and Sir Francis Xavier. We know they were Spaniards. We know they were fanatics. But what was it they disliked about Roman Catholicism?

Do you guys have any quotes or information on what the Jesuits disliked about Catholicism?

What is the true difference between the Roman Catholicism before the Jesuits captured the Catholic Church and afterwards? And how in God's name could a small order who were once condemned for practicing witchcraft by the Pope, gain control over the church simply by asking the pope to trust them as their own military order? There is something more here!

Based on the writings of Blavatsky the Jesuits had not always been the most learned magicians but they had one great advantage over the Friars - they had a will of steal and they had eventually become powerful black adepts over time. But were they black adepts from the start?

I think they were always very much occultists!

If we look into Spain's history we find that there was a Sufi and Moor's and Kahazars who were passing a corrupted form of Aristotelianism that had reached it's peak by the year 666 AD. Islam arose in many ways to act as a counter balance to prevent those Hellenized black adepts in Persia from destroying Christianity. Ironically the Muslims fought with the Church but Islam also protected the Roman Empire from the Persians infiltration.

Dear friends, did not those Persians become later the Khazars? Did not those who were expelled from the academies (first by the Roman Church and second by the Muslims) join up later on with other occultists in Spain?

What if the Jesuits are the continuation of the same people who were attempting to

revive Bahomet at the Academy of Gundishapur?

According to Robert Mason:

<http://www.geocities.com/Athens/Sparta/1105/ahriman.htm>

"Recall that the Greco-Roman Epoch ran approximately 2160 years, from 747 BC to 1413 AD. The midpoint of this epoch was 1413 AD minus $2160/2 = 333$ AD. Consider (as an hypothesis) the occult teaching that events in history occur at times that, as it were, reflect and balance the events equidistant in time from a midpoint. Taking 333 AD as the midpoint, the fulcrum of the balance, and on one side the Birth in Palestine, on the other side of the scales would be $333 \text{ AD} + 333 = 666$ AD. The big event, known to history, of the Seventh Century was the rise of Islam. Another event, not so famous but still known to history, was the transfer of ancient Greek philosophy (especially Aristotle's works, probably including the lost work on alchemy) to the Academy of Jundi Sabur (near present-day Baghdad). **Following the expulsion of the philosophers from Syrian Edessa in 489 AD and from Athens in 529 AD, the philosophers had found refuge in what was then the Persian Empire, and at that Academy they pursued their calling.** Then this knowledge passed to the Islamic Arabs, and science of a particular bent reached a high development under them, while Europe was in the "Dark Ages". Only gradually, over many centuries, did this science pass over to Europe, where it developed into the modern scientific revolution. Again, the trend of modern science, as it has in fact developed, is Ahrimanic(Satanic). The direct ancestor of scientific materialism was this Arabian science, which was itself derived from the Academy of Jundi Sabur. Thus, on the other side of the 333 AD midpoint from the Birth in Palestine was the rise of an active materialistic, anti-Christian world view in Jundi Sabur.

Occult history (as given by Steiner) reveals how this came about: Sorat intended to approach physical manifestation in 666 AD at Jundi Sabur, and to bestow upon the philosophers there a super-human knowledge. This knowledge was to consist of everything that mankind, under the plan of the regular Gods, was to learn through its own efforts by the height of the present, Consciousness Soul Epoch. This epoch began in 1413 AD, so its midpoint will be 2493 AD. In other words, Sorat wanted to give to mankind, prematurely and without the requisite human effort and experience, the knowledge that would be right and healthy for mankind to achieve through work and evolution by the middle of the Third Millennium. The regular Gods' plan for the Consciousness Soul Epoch is for mankind to acquire, through self-education and self-discipline, the free, conscious, individualized human personality. If the mankind of the Seventh Century had been given this advanced knowledge at that immature stage of development, when people could not think in full consciousness, the result would have been disastrous. Just consider how much evil mankind has done with the science we have acquired up to now, at our present stage of maturity (or immaturity), and then try

to imagine what the relatively primitive people of the Seventh Century would have done with the science of 2493 AD. -- This picture is bad enough, but we need to recall Steiner's occult insights to begin to get the whole picture. If Sorat had succeeded, Men would have lost the possibility of developing our true nature, and would have become egotistic, animalistic automata, with no possibility of further development. We would have become earth-bound, and the earth could never then pass over to the Jupiter, Venus, and Vulcan stages. The normal Gods' plan would have been seriously hindered, and Men would have lost their due and timely opportunity to become Spirits of Freedom and Love. -- However, the rise of Islam thwarted this plan of Sorat. It is a deep, mysterious paradox that Islam, which was, and is, opposed to Christianity in many ways, also in effect worked jointly with the Christ-impulse in history, by blanketing, by "skimming the cream off", this Sorat-science, and by watering it down. Still, this science survived, and has worked on into the present day, but the worst was averted, for those times. **The weakened Jundi Sabur impulse, as a distorted quasi-Aristotelianism, passed to the Arabs, over Africa and Spain, to France, England, and through the monasteries (e.g. Roger Bacon) back over to the Continent.** The "Realism" of the Medieval scholastics (especially the revived Aristotelianism of Thomas Aquinas) opposed this Arabian influence, somewhat correctly seeing it as inimical to Christianity; but with the decline and decadence of Medieval Aristotelianism, and with the dawn of modern, anti-Aristotelian "empiricism" (e.g. Francis Bacon), the diluted, but still powerful, Sorat-science came to dominate world-culture. "

The Masons again demand nixing Dominican-Vatican pact

Santo Domingo.- The order of Masons yesterday demanded the canceling of the Dominican Government's decades old accord (Concordat) with the Vatican, and the establishment of a lay State to guarantee the absolute equality of all beliefs of a religious, philosophical or spiritual nature.

They recommend including both initiatives in the first draft of the constitutional reform.

In a letter to Senate president Reinaldo Pard, the Masons propose that "the role of the State would be limited to maintaining and respecting the rights to freedom of conscience and of cults."

The Masons made the same demand last year, which prompted no response from the Government.

Vatican's Cult Of The Dead That Worships Bones, Hair and Fingernails Rooted in Roman Canon Law

More answers surface answering why Vatican is so evil and why they are satanically obsessed with bones and relics

By Greg Szymanski

Mar. 20 2007

<http://www.arcticbeacon.com/articles/20-Mar-2007.html>

In a Mar. 18 Arctic Beacon article, the question was raised why is the Vatican obsessed with bones and relics as a part of its obvious Satanic ceremonies?

Frank O'Collins, author of the Almanac of Evil, raised the question, asking why is the Vatican so evil and what is their ultimate objective?

He answered, saying: "The answer to why the Vatican is obsessed with bones and relics is both simple and supremely evil," said O'Collins from his home in Australia. "The Vatican is a collector of souls.

"The Vatican has been collective souls for over fourteen centuries, damning souls to an existence of torment and obedience to demons controlled by the Vatican, in turn giving them unprecedented and real spiritual power."

After O'Collins comments appeared, Arctic Beacon reader, Shalom Solomom, added,

"Here are the roots and foundation to the story you posted today. The Empire of Rome (Vatican State) has a Constitution is called the Code of Canan Law. This is their highest

governing legal authority. The basis of the Cult of the Dead worshipping bones, hair, fingernails, etc. comes from their Constitution."

He provided the following verification, taken from Roman Canon Law while adding his comments and notations:

CANON 901 A priest is entitled to offer Mass for anyone, living or Dead.

CANON 1186 To foster the sanctification (superstitions) of the people of God, the Church commends to the special and filial veneration of Christ's faithful the Blessed Mary ever Virgin (Dead Human Woman), the Mother of God whom Christ constituted the Mother of all. The Church also promotes the true and authentic cult of the other Saints (Other Dead Humans), by whose example the faithful are edified and by whose intercession they are supported.

CANON 1188 The practice of Exposing Sacred Images in churches for veneration (to foster superstition) is to be retained.

CANON 1199 An oath is the invocation of the Divine Name as a witness to the truth.

CANON 1237:2 The ancient tradition of placing Relics of the Saints (Items like Dead Human's hair and bones) within a fixed altar is to be retained.

Solomom now asks to consider this law about corpses and the worship of dead humans.

CANON 1239:1-2 An altar, whether fixed or movable, is to be reserved for divine worship alone, to the exclusion of any secular usage. No corpse is to be buried beneath an altar, otherwise it is not lawful to celebrate Mass at that altar.

Solomom notes:

"As in Babylon the tombs of the most ancient gods were buried in the Temples. In the main temple under the altar is where all the Popes are buried. There is one exception concerning a Corpse under the altar in the Roman Empire (Vatican State). The Pope celebrates his mass above hundreds of corpses. The Roman religion has a fetish with dead bodies"

CANON 1242: Dead bodies are not to be buried in churches, Unless it is a question of the Roman Pontiff.

"For the past 1,700 years most of the Popes have been buried directly Under the Altar in St. Peters throne room in the Vatican. Constantine chose a large graveyard to build the Christian Church of St. Peter. It was built directly on it," Solomom said.

"The basilica of St. Peter was built over a large necropolis. He began building without

removing any of the tombs. Pope Constantine continuing with the pagan tradition of burying dead kings in the pagan temples. The location of this modern tomb chamber is famous.

"The Cardinals call this vault, the "City of the Dead" that is directly under the altar in St. Peter's square. The church services are held directly over the corpses of the Popes. The Romans followed exactly in the Egyptian footsteps as the Pharaohs in Luxor, Egypt who were idolized and mummified in the Valley of the Dead so also are the Pontiffs in the City of the Dead, under the altar in St. Peter's Square."

"The Tribulation Saints will be under the Altar here in Heaven, the Dead Popes are under the Altar on earth for it is written,

And as stated in Revelation 6:9-11:

"And I saw Under the Altar the souls of them that were slain for the word of God, and for the testimony which they held. And they cried with a loud voice, saying, "How long O Lord, holy and true, dost thou not judge and avenge our blood on them that dwell on the earth. And white robes were given unto every one of them."

Navy officer relieved of duty amid anti-Semitic accusations

By STEVEN G. VEGH, The Virginian-Pilot

March 10, 2007

<http://content.hamptonroads.com/story.cfm?...0893&ran=124140>

NORFOLK - The Navy has relieved an officer of duty while it investigates accusations that he heads two anti-Semitic groups.

Lt. Cmdr. John Sharpe was relieved Wednesday of his assignment as public affairs officer on the Carl Vinson aircraft carrier, said Jim Brantley, a spokesman for the U.S. Fleet Forces Command.

Brantley said regulations bar Navy personnel from participating "in any organization that espouses supremacist causes," but gave no additional information. He said the Navy investigation began after a reporter for PortFolio magazine asked Tuesday about allegations of "supremacist" activity by Sharpe.

According to the Alabama-based Southern Poverty Law Center, Sharpe leads the Legion of St. Louis as well as IHS Press.

The latest edition of Intelligence Report, the center's magazine, described Sharpe's groups as grounded in extremist Catholic traditionalism and "nakedly anti-Semitic."

Sharpe, who lives in Carrollton in Isle of Wight County, said Friday that he founded the Legion and IHS, but that neither he nor those entities are anti-Semitic or affiliated with any supremacist groups.

"What do you mean, anti-Semitic? Have I advocated harming people because they're Jewish, hating people because they're Jewish, having any attitude to them because they're Jewish or any other religion? Absolutely not."

He said IHS is principally a publisher of old titles by Catholic writers such as Hilaire Belloc and G.K. Chesterton.

Sharpe said he founded the Legion seven years ago as a Web-based forum for discussion on how Catholicism related to contemporary social and economic issues. He said the site has been inactive since 2002.

According to its Web site, the Legion's goals include "permeating society with the Faith" and combatting "the Judeo-Masonic tendencies of the modern social order."

Sharpe described Judeo-Masonry as convergence of secularist thinking by "liberal Jewish" groups and Freemasons that was "interested in keeping political and social life very separate and distinct from any faith-based approach."

Heidi Beirich of the Southern Poverty Law Center said it began tracking what the organization calls radical Catholic traditionalists three years ago after observing members of such groups attending white supremacist conferences.

"The Legion of St. Louis, if it's not the worst group we profiled in terms of anti-Semitism, is right up there," Beirich said.

Beirich said traditionalists maintain that Freemasons and Jews undermine the Catholic Church and condemn the church's outreach to non-Christian religions.

Stephen S. Neill, spokesman for the Catholic Diocese of Richmond, said the Legion and IHS Press were unknowns in the diocese.

"Nobody's ever heard of the group - it has no status in any way," he said.

Confession to the Jesuits No 25: Why Is the Vatican Obsessed With Bones And Relics? What Is The Essence Of Their Satanic Rituals Surrounding Human Remains?

In other words, why is the Vatican so evil and what is their ultimate objective?

By Greg Szymanski

18 Mar. 2007

<http://www.arcticbeacon.com/articles/18-Mar-2007.html>

In Confession to the Jesuits No. 25, Frank O'Collins, author of the Almanac of Evil, asks the question why is the Vatican obsessed with bones and relics? He goes on to ask what is the essence of their Satanic rituals surrounding human remains?

O'Collins questions may seem strange to mainstream America kept in the dark about Vatican evils and their role as the real spiritual controllers of the New World Order.

But to people "in the know" fully aware that all roads lead to Rome when it comes to figuring out the power structure behind the New World Order, the questions raised by O'Collins need to be answered while the evils of the Vatican finally need to be exposed.

"The answer to why the Vatican is obsessed with bones and relics is both simple and supremely evil," said O'Collins from his home in Australia. "The Vatican is a collector of souls.

"The Vatican has been collective souls for over fourteen centuries, damning souls to an existence of torment and obedience to demons controlled by the Vatican, in turn giving

them unprecedented and real spiritual power.”

O'Collins, has authored a quasi-legal document called "The Almanac of Evil", pinning the Vatican hierarchy, including the Jesuit Order, with a litany of serious crimes violating international treaties and international law.

The charges include but are not limited to prostitution, trafficking of prohibited narcotics, money laundering, murder, political assassination, fraud, pedophile rings, institutional incest, arms trade, as well as crimes against humanity including but not restricted to genocide, sadistic torture, germ warfare, ritual and satanic murder and cannibalism, child slavery, general slavery and wholesale destruction and suppression of human history, knowledge and wisdom.

The defendants listed in this quasi-legal document, a document still remaining in the court of public opinion, include:

1. Pope Benedict XVI, also known as Joseph Alois Ratzinger;
2. Cardinal William Levada, Prefect of the Congregation for the Doctrine of the Faith and all officials and staff of what if formerly known as the Supreme Sacred Congregation of the Holy Office, formerly known as the Supreme Sacred Congregation of the Roman and Universal Inquisition;
3. The remaining Heads of departments including all officials of the Roman Curia, otherwise known as The Holy See, otherwise known as the Vatican;
4. All regional Cardinals, archbishops and bishops not attached to the Curia;
5. All heads of orders of Priests. Nuns and Monks.

O'Collins will appear for his third interview on Greg Szymanski's radio show, The Investigative Journal at www.republicbroadcasting.org, Tuesday at 11am central time, presenting a case that most people have failed to realize or even have considered that the right combination of historic elements in combination can and will destroy the most evil organization to ever walk the earth. In fact, according to O'Collins, the Bible itself provides some (not all of the clues) of the clues.

Regarding the upcoming Tuesday radio interview as well as trying to answer the key question regarding why the Vatican is so evil and what is their ultimate objective, O'Collins added:

I look forward to the upcoming interview. I understand and what is more, I apologize for not providing you and your listeners with enough information to answer not just how evil is the Vatican, but why? Why are they so determined to destroy the US from the inside? Why do they continue to kill people? Why do they continue to hold the future of the

world to ransom?

After twenty years of research let me explain more clearly what I know in answer to this specific questions, why are they so evil? What is their ultimate objective?

The key question of questions regarding the Vatican- why are they so evil? What is their ultimate objective?

I read and continue to read all the articles and comments of your excellent array of guests, particularly the new information and proof you have managed to gather concerning the evil actions of the Vatican and their subversion of the United States.

But the key question of why? What is their ultimate objective? Remains less clear.

(1) On the surface, one could say it is an ancient war of payback for the emergence of protestant thinking and its connection to the founding of the United States. But this is nothing near the deeper and truly shocking reasons for their actions.

(2) At a deeper level, one could say their actions against the United States is because of a many centuries old plan for world domination for which the United States has become a key element. But the Vatican has always controlled the destiny of the Western world behind the scenes for over fifteen hundred years, so such theories don't hold.

(3) Digging further towards the truth, one could argue that the Declaration of Independence is a direct affront against the religious supremacy of the Catholic Church and if all nations enacted such concepts, then the church would lose its temporal powers. This is true and getting closer, but still far from the underlying reason of why.

(4) Now digging towards the core, one could state the shocking truth that the Vatican is in fact the epicenter of evil, that it is an organization run by Satanists, child murderers and corrupters who regard all positive systems such as democracy, particularly democracies that work, as their first and foremost threat. This is I believe the central objective of the Vatican against the United States- that it must not just ensure the collapse of the United States from within, but prove to the rest of the world that democracy is a flawed model, compared to theocratic fascism under Vatican controlled dictators.

Regardless of how poorly you now regard me or my insights, for the sake of America, this explanation of why? Why target the United States from the inside needs to be not only considered but explained to the American people, so they understand the why, for them.

Into the lair of the beast:

But I need to take you even further down to understand the ultimate why? Why cause such chaos, the destruction of so many, the pain of so many souls? What is the end game for the Vatican?

This then is the core, and arguably explains just how powerful and mindblowing the evil you are facing.

Curse the sheep in this life and the next:

A wonderful story told to those who are alive is that somehow when we die, a "higher force" helps us overcome the difficulties of our lives.

But what about the souls of those who died in the flames of the ovens of Vatican controlled concentration camps during World War II? Do you honestly believe that such tortured souls somehow find peace?

What about those who have died under torture by priests, who have been burned at the stake? Have they somehow found peace?

Why is the Vatican obsessed by bones and relics? What is the essence of their satanic rituals surrounding human remains?

The answer is both simple, and supremely evil. The Vatican is a collector of souls.

The Vatican has been collective souls for over fourteen centuries, damning souls to an existence of torment and obedience to demons controlled by the Vatican, in turn giving them unprecedented and real spiritual power .

Millions upon millions of souls trapped. Millions upon millions of still tormented souls who are forced through the twisted evil of the Vatican Latin rites to continue their obedience to Rome, long after their death.

This is and has always been their ultimate, supremely evil objective.

Living souls, can be unpredictable and weak. They can fall into behaviours like revolt, like democracy.

But dead souls, particularly those who have suffered and died at the hands of an appointed Catholic mass murdering dictator are the lifeblood of their existence.

The more the better.

Fresh condemned souls are always more powerful than old ones. That is because as time goes by, even the dead go numb from pain.

But fresh mass murder by the hand of the Vatican can produce a powerful new spiritual

army of condemned souls capable of being used for their own ends.

Without understanding the why, nothing makes sense. All the stories just sound like accusations without a clear motive. But understand the deepest motive and you see the battleground through the eyes of your enemy.

This is not a war just between the living, but a war between the living and the dead.

Without this knowledge, everything I have said to you previously just sounds strange, and quite possibly wrong.

Again, I apologize for not being clearer.

My only hope is that because of your extensive journey and your personal strength, you will understand precisely the importance of the why, not just the how

News Brief

Rome accused of bullying Latin American liberation theologian

By staff writers

16 Mar 2007

In a move which will confirm its critics' accusations of authoritarianism, the Vatican has issued a stern warning to pioneering Latin American liberation theologian Jon Sobrino, sending a formal notification claiming two of his books "may cause harm to the faithful."

Sobrino is a Jesuit priest, a highly regarded scholar and was formerly theological adviser to the late Archbishop Oscar Romero of El Salvador – gunned down by US-backed death squads for his advocacy on behalf of the poor. Other Salvadorean priests and theologians were also killed in the 1980s.

The ruling from the Congregation for the Doctrine of the Faith (the Vatican's ideological watchdog, formerly headed by Pope Benedict when he was Cardinal Ratzinger) finds various "flaws" in works by Sobrino.

In particular, it complains that he gives insufficient emphasis to the divinity of Christ in the earliest Christian writings (as distinct from later sources), and it suggests he ascribes to movements of the poor roles which belong to "the apostolic faithful". Fr Sobrino says his work has been misrepresented as part of a campaign to discredit liberation theology.

Contrary to a number of media reports, including some from Roman Catholic press services, the Vatican has not barred Fr Sobrino from teaching or publishing, though a Jesuit spokesperson in Rome said that future disciplinary action had not been ruled out.

Liberation theology is a movement which argues that the Christian gospels show God as having a particular concern for the marginalized and oppressed. It sees God's action for the poor as a key interpretative tool in reading the Bible, and a decisive element in the vocation and mission of the church.

Its opponents have tried to cast it as Marxism in priestly garb. But the chief proponents of liberation theology have been doctrinally conservative as well as politically radical, and have distinguished between the political and moral critique offered by the left and its philosophical underpinnings or ideological theories.

Friends and colleagues of Fr Sobrino are expressing shock but no surprise at the Vatican's move. Some say that it is part of a calculated attempt to suppress alternative voices – one which has also targeted Roger Haight (another Jesuit, and a philosophical theologian of international standing), Jacques Dupuis (an inter-faith scholar), Leonardo Boff (another liberation theology forerunner) and Tissa Balasuriya (a Sri Lankan priest who wrote a controversial book on Mary and liberation).

Those advocating women's ordination and recognition of lesbian and gay people have also been stamped on hard.

Fr Sobrino has not yet commented on the affair, but in a letter to Peter Hans Kolvenbach, Superior General of the Jesuits, in December 2006, he said that he could not accept the Vatican's judgment, according to the National Catholic Reporter.

NCR says he cited two reasons for rejecting the Sacred Congregation's stance. First, because it misrepresents his theology; and second, because to do so would be to acquiesce in what he described as a 30-year-long campaign of defamation against liberation theology.

This campaign against theology that speaks up for social justice, Jon Sobrino wrote to his superior, "is of little help to the poor of Jesus and to the church of the poor."

A Catholic commentator told Ekklesia today: "This action [by the Vatican] will be seen by many as heavy-handed, ideologically motivated and bullying."

The books which have come under scrutiny are Jesus the Liberator, originally released in 1991, and Christ the Liberator, first issued in 1999. Both were published in English by Orbis Books in the USA.

Jon Sobrino, now aged 69, was born in the Basque region of Spain. He joined the Jesuits and arrived in El Salvador in 1958. He became one of the leading voices in liberation theology, widely regarded as the most important stream in Latin American Catholicism following the reforming Second Vatican Council (1962-1965).

In 1989, Fr Sobrino narrowly escaped an attack on the University of Central America that left six of his fellow Jesuits dead, plus their housekeeper and her daughter.

The Vatican has cited “the wide diffusion of Father Sobrino’s works, especially in Latin America,” as grounds for the action – which began in 2001.

In his letter to Kolvenbach, Fr Sobrino points out that the two books in question were reviewed extensively by fellow theologians prior to publication – and one carried the imprimatur of then Cardinal Arns of Sao Paulo, Brazil.

Fr Sobrino says it would not be honest or ethical for him to accept the Vatican’s findings, and that to do so would be to question the judgment of many other theologians who have approved his work and affirmed it as appropriate Catholic theology.

NCR reports Fr Sobrino as writing to his Superior last year: “I think that to endorse these procedures would not in any way help the church of Jesus to present the face of God to our world, nor to inspire discipleship of Jesus, nor [to advance] the ‘crucial fight of our time,’ which is for faith and justice.”

More than business behind Putin's visit to Italy

03/14/2007

by Maurizio d'Orlando

<http://www.asianews.it/index.php?l=en&art=8739&size=A>

The Russian president inked the last economic and trade deals in Italy before flying off to Greece. His reasons to visit Rome and the Vatican largely reflect Russia's eternal fear of encirclement and its quest for 'warm' waters.

Bari (AsiaNews) – Putin's visit to Italy reflects an array of religious, political and strategic interests. Following his meeting with the Pope yesterday during which extremism, intolerance and ecumenism were discussed, the Russian leader will focus on energy and security during his summit with Italian leaders in Bari. He will then travel to Greece.

Today's agenda included banks, planes, international adoptions as well as several hot spots like Kosovo and Iran. Several agreements are expected to be signed with Italian companies like Enel, Finmeccanica, Italian Railways, and banks like Intesa and Mediobanca.

Enel is set to sign a letter of intent with the Russian Atomic Energy Agency for cooperation in producing electric energy. Finmeccanica will sign a protocol of industrial collaboration between its affiliate Alenia and Russia's Sukhoi to build passenger planes for regional routes over the next 20 years.

The expected deal between Italy's energy giant ENI and Gazprom has however been postponed. The meeting between the two companies' top executives did not take place. Still "technical talks" will continue. When it is sealed, the deal should give the Russian giant access to the Italian market where it could directly sell its gas. In exchange Italy gets guaranteed supplies till 2035. When fully implemented it could involve up to three billion m3 of gas annually.

Economic and strategic interests

Although not fully ironed out the accord would represent an economic victory for Russia as well as a strategic breakthrough because it would give Moscow an outlet to ice-free waters and a presence in the Mediterranean, a goal pursued by the tsars from the Crimean war till the Great War. Then, the goal was Constantinople and the straits.

Russia has always suffered from an encirclement complex which explains its role in the Sarajevo conspiracy.

Its goal was Constantinople and the Bosphorus (aim pursued in 1914 by Tsarist Foreign Minister Sazonov and the Pan-Slavists) at a time when the Ottoman Empire appeared on the brink of collapse.

Behind it all was and is the idea that who controls Eurasia controls the world, a theory formulated for the first time in 1904 by the founder of modern geopolitics Sir Halford John Mackinder, 1861 –1947). Russia already occupies much of the Eurasian landmass but does not control it. Natural resources would be Moscow's tools to pursue such goals. Indeed, controlling the Mediterranean—whose hub is Rome—would give Russia control over the Eurasia's Heartland and therefore over Eurasia.

Today like yesterday the Dardanelles and the straits are the key chokepoints that to control most energy supplies that reach the Mediterranean and Italy.

Direct gas sales in Italy would offer Gazprom good commissions but also valued added. Such access would enable it to get better wholesale prices than it does today when it has to sell to Italy's de facto ENI monopoly. In the tug of war between the two energy giants, Gazprom won. But for Italy the gain is greater domestic competition and guaranteed supplies. This is important since a wave of privatisations left Italy heavily dependent on foreign energy and, like many other Western powers, on hydrocarbons taxes.

On the short run, gas shipped via pipeline from Libya, Algeria (with which Gazprom has monopolistic deals) and Russia could be replaced by liquefied gas transported by ship and re-gasified at Italian terminals. This could reduce the price of natural gas by a lot.

Religious and political interests

Putin's trip to Italy also has a religious-political dimension that should not be overlooked since it is also his first visit to the Vatican. For the Russian president meeting Benedict XVI reflects a desire to have the Vatican on his side in the great strategic game that is being played out on the energy, political, ideological and religious fields. Support from the Church of Rome would help Putin dismiss European and US criticism over Russia's human rights record, its political use of energy supplies and its reticence vis-à-vis sanctions against Iran. It would also reduce the country's historic fear of encirclement.

This is especially true in the Middle East, where Putin like his predecessors probably views Russia as the traditional protector of Christian Orthodoxy in the Holy Land, and wants to break its isolation by preventing the Vatican from aligning itself to the staunchly pro-Israel positions of the US right. This way Russia would not have to make compromise with Islamic fundamentalism which Russians, too, view as a danger.

Vatican to Launch TV Network

Tuesday, March 13, 2007

http://www.newsmax.com/archives/ic/2007/3/...omo_code=2F33-1

Days after Pope Benedict XVI criticized the media for its "destructive" influence, the Vatican on Monday announced plans to launch its first television network by the end of the year.

H2O will broadcast news and original entertainment programming worldwide in seven languages, according to a statement. Additional details were sketchy.

Over the years, the Vatican has been quick to adopt new technologies in its efforts to communicate with the world's more than 1 billion Catholics. In 1996, the Vatican introduced its Web portal nearly three years before the Italian state unveiled its own Web site. And it has embraced digital and satellite technology.

In a speech to the Vatican's communications department last Friday, the Pope called on the media to promote family values, human dignity and the common good.

"Undoubtedly, much of great benefit to civilization is contributed by the various components of the mass media," he said. "On the other hand, it is also readily apparent that much of what is transmitted in various forms to the homes of millions of families around the world is destructive."

Larry Pelegrini, Another Bible Scholar, Claims Vatican and Jesuit Order Are The Real Spiritual Controllers Of New World Order

More information comes forward about immense political influence Jesuits have over American politics.

By Greg Szymanski

15 Mar. 2007

<http://www.arcticbeacon.com/articles/15-Mar-2007.html>

In past Arctic Beacon articles, this publication has tried to show the immense Jesuit influence in all facets of American society. Researchers and historians have also presented a compelling case, tracing hidden Vatican and Jesuit history, claiming their motives have always been to bring down the Republic from within.

This compelling case, showing the evils of the Vatican through its Jesuit Order, goes back hundreds of years before the founding of America, but according to activist, historian and Bible scholar, Larry Pelegrini, if "hidden history" isn't uncovered and understood, the evils of the past are bound to happen over and over again.

Furthermore, Pelegrini encourages Americans to study the true word of God in the Bible in order to fully determine the modern day connection between the Illuminati, Freemasonry, the secret societies and real spiritual controllers of the Vatican-led New World Order, the Jesuits.

"According to history and many researchers, they have been the most deceptive force for evil in the world and there is nothing they wouldn't do, including genocide and

assassination to bring the world under the total fascist control of the Pope,” said Pelegrini Thursday on Greg Szymanski’s radio show, The Investigative Journal.

On the show, Pelegrini delved back into hidden Jesuit history, tracing their evil motives of government and religious infiltration around the world to the edicts presented in the Council of Trent held between 1545 and 1563.

It was at these three historic meetings, according to researchers like Pelegrini, where the Jesuits outlined their duplicitous and devious plans against the Protestant Reformation, which still continues today in the form of the New World Order.

“I was raised Roman Catholic. At the age of 30-31 I began to study the Bible,” said Pelegrini. “After studying with others I began to see that the very church I was brought up in was the Anti-Christian Church and the Pope the Anti-Christ.

“I began studying the Protestant Reformation from the time of John Wycliff, the morning star of the Reformation (1350) and next was John Huss and Jerome of Bohemia (1410), all persecuted by Rome

“The comes William Tindale of England (1495) until the time of his death (1535), he fled from Henry the 8th and joined up with Luther where they had the Bible printed in the “English language and Luther had his in German. The break up of Europe was taken place and Protestantism was born. This names only a few of some of the priests of Rome that were enlightened by the Holy Spirit to translate the Bible in the languages of Europe.

“However, at this time as the Protestant Reformation was gaining strength and power the order of the Jesuits in 1534 came into war against the Protestant Reformation and this is known as the Counter Reformation. The purpose of the Jesuit order (Society of Jesus) would be to place back in the hands of the Pope political power throughout the world.”

“In England, Queen Elizabeth, would have to be taken out of the way (1565) but attempts of assassination on her life failed. The Jesuits would go then to Phillip II of Spain and the Spanish Armada of 130 ships sailed the sea. This was all part of the plan from the time of the council of Trent (1545-1563).

“Then the U.S. comes into power as a Protestant nation founded on two principles Protestantism and Republicanism and the Jesuits have been busy every since America’s inception at organizing a deceptive New World Order plan to bring down the Republic. This is what is going on in our country now, but their propaganda campaign has been quite effective at keeping people from the real truth.”

Besides Pelegrini’s brief look at Jesuit history, this publication has recently called attention to the vast Jesuit influence in America, especially in government, the media

and banking. Earlier articles documented how 10 per cent of the U.S. House and Senate are Jesuit trained from one of their 28 major American universities.

Another recent article presented a close look at the Jesuit alumni of Georgetown University in Washington D.C., showing a shocking number of world government and banking leaders are actually Jesuit trained, meaning they are loyal to Rome before being loyal to their respective countries.

Today we take a look at some of the alumni of another Jesuit institution in Wisconsin, Marquette University, finding more power and influence spread out through business, politics, the media and banking.

Description: *and the CIA!*

Vatican, CIA And North American Government Officials Complicit In The Torture And Murder of More Than 100,000 Children Known As Duplessis Orphans

Called the crime of the century and Canadian holocaust by Rod Vienneau, whose wife was a child victim who escaped, he added that Vatican and CIA are still covering up the mass murder of children.

By Greg Szymanski

15 Mar. 2007

<http://www.arcticbeacon.com/articles/14%20Mar.%202007.html>

Rod Vienneau and journalist Christine Hahn are just a couple of the thousands of people speaking out against the horrors that took place from the 1930's through the 1980's to a group of innocent children called the Duplessis Orphans.

The name of the orphans originated from the former Canadian Prime Minister, Maurice Duplessis, who according to Vienneau, was instrumental in protecting the culprits within Canadian mental institutions and Catholic orphanages, torturing and killing thousands of young children.

The despicable program, said Vienneau, was also part of a CIA mind experimentation program, carried out under the cover of darkness but with full knowledge and complicity from the Vatican, who knowingly provided children from Catholic run orphanages.

"I have written hundreds of letters to every imaginable higher-official in the Vatican, in the Canadian government and in the U.S.," said Vienneau, whose wife was one of the

Duplessis Orphans who manages to escape at a young age. "This is equivalent to the Canadian holocaust, but everyone in the Vatican, in the North American governments and in the media is covering it up."

Vienneau has been an activist for his wife's cause as well as an estimated 3,000 Duplessis Orphan survivors, who are now reaching middle or old age. And Wednesday on Greg Szymanski's radio show, The Investigative Journal, Vienneau talked plainly, in starkly graphic and horrific terms, telling the sad story of how thousands of children have been murdered and tortured as Vatican and government officials turned a blind eye.

"One victim who is now speaking out talked about how his job in the mental institution was to carry out the bodies of the dead children, throwing them like animals in a mass grave called the 'Pig Sty'," said Vienneau, adding the name of the mass grave acquired its name because it was right next to a pig farm. "We estimate thousands of children were buried there on an 800 plot of ground in Montreal where one of the mental institutions and orphanages was located.

"When the land was sold by the Catholic Church for other purposes, including a parking lot and an expanded city highway system, workers accidentally dug up human bones. This find was then covered up by the government who now owned the property, saying the bones were those of animals. But the workers told the true story because it is hard to mistake finger, arm and leg bones which were clearly human."

Vienneau for 15 long years has been trying to get justice for the horrendous crimes committed against his wife. It's been a long, hard battle – a fight that looks like David v. Goliath since the U.S. and Canadian governments are battling him tooth and nail to keep his case quiet.

And the reason for the government barricade at revealing the truth is Vienneau's case opens a "can of worms," exposing the government and Vatican sanctioned torture and abuse of more than 100,000 children involved in illegal psychiatric government-sanctioned experimentation programs.

Vienneau's wife, Clarina, was one of thousands of children experimented on during the 1950's and 60's in what has become known as the Duplessis Orphan case. She now is seeking justice for crimes including illegal mind-altering drug experimentation, physical beatings, torture with whips and chains while being collared like a dog, ice cold baths, sleep deprivation and other crimes that shock the conscience.

Clarina's case has resurfaced by the hard work of independent freelance journalist, Christine Hahn, who has spent two years of her life working with Vienneau and other victims like him, trying to document and bring to justice high level officials and doctors responsible for the horrendous child abuse involving thousands of child.

“After all these years of trying to get justice, I know for a fact the Vatican is involved and they have much power,” said Vienneau. “When I sent a letter to the Pope John Paul II, I believe it was intercepted by Ratzinger, who is now Pope Benedict XVI. Nothing has ever been done and if the Vatican is a good and holy place why haven’t they denounced the actions of the culprits involved.

“Our investigations have also found that more than 200,000 children, mostly from broken homes without proper family attention, have been sold for money on the black market and shipped out, some in cardboard boxers, on ocean going vessels headed for foreign ports.”

Vienneau added this about his wife’s personal tragedy on a previous Investigative Journal radio show:

“We have been married for more than 40 years, but Clarina kept secret she was one of the Duplessis Orphans until 1992,” said Vienneau. “She came from a poor family and was turned over to a Catholic orphanage when she was 9 years old.

“Since we began researching her case, we found overnight her medical files were changed and she was declared mentally ill for no reason. At the age of 11, she was then transferred to a psychiatric clinic where she underwent torture and abuse until she was 17 when she finally escaped. Her sister also was one of the Duplessis Orphans, undergoing the same torture and abuse.

“But my wife and sister may have been one of the lucky one’s. Over the years, even though the case has been sealed tight and we haven’t been able to find an attorney willing to stand up against the government, information has surfaced that thousands of other children were killed during the illegal experimentation programs.

“In fact, there is a place near one of the psychiatric institutes, next to a pig pen, where investigators claim more than 2,000 children have been buried in a mass grave. There is a move now to try and exhume the bodies but no court in the land wants to touch this case.”

Vienneau’s fight for justice is a stark example of how officials in Canada, the U.S. and the Vatican have joined together with large drug companies to keep the truth from the public. For his efforts to vindicate his wife’s name as well as prevent further child experimentation, Vienneau has had his phone wiretapped, as well as being harassed and followed by Canadian authorities.

The reason for the crackdown on Vienneau is that Hahn’s investigation into the horrendous crimes committed against Clarina and others can be traced to illegal CIA-funded mind control and drug experimentation programs performed by unscrupulous doctors, some with former Nazi Party affiliations, essentially using the children as

guinea pigs.

Hahn said since the ties go to high-level doctors and government officials in both countries, there has been a concerted effort to suppress her story as well as people like Vennout who are trying to get at the truth.

Although meticulously researched and documented, Hahn's investigative piece was rejected by all mainstream publications, as she had to settle for publication in an alternative outlet called Freedom Magazine.

Recently, Vienneau outlined what his main motives are in seeking justice for his wife and the many other children abused by the illegal experimentation programs.

"Criminal acts: Horrific criminal acts were done to thousands of innocent children here on Canadian soil ranging from murders, tortures; disappearance of children; lobotomy's and experimental drugs and falsely labeling thousands of innocent young children from 1935 to 1975 and nobody has yet been held accountable for these free criminal acts done to the Duplessis orphans.

"Thousands of orphans were falsely labeled mentally ill, and today, this label still hangs heavy on the orphans shoulder's, This label has not yet been erased, this alone is a criminal act.

"The Quebec government, the College of Physicians of Quebec; the Roman Catholic church of Quebec; the Quebec Public Trustee;(Guardianship) and the federal government of Canada have not yet acknowledged the harm done to thousands of young children here in Quebec.

"Constitutional Rights : The Quebec government took away the Duplessis orphans rights to defend themselves in a court of law since 1995, all though four members of parliament stated that the orphans could take a lawyer at any time for their case, but it has been 11 years now that many orphans have been trying to get a lawyer for their case but to no avail. Lawyer Daniel Lighter, told me flatly that the Duplessis orphans case is locked shut tight since over fifteen years. The Duplessis orphans have no Constitutional

"Rights, it all boils down to a huge cover up.

"The Duplessis orphans are entitled to a real compensation from all party's mentioned above for lives ruined and still having to live day to day with the after-effects of their horrific journey into a psychiatric hospital having been falsely labeled."

The following stories are reprinted from the arctic Beacon archives, further illustrating the horrific story behind the Duplessis Orphans:

Mass Graves Of Children Found Near Montreal; Another Duplessis Orphan Tells Of Being Tortured As A Child In CIA Experimentation Programs Using Nazi Doctors

Pierre Sampson, now 60, is calling for justice and an open investigation to stop the murder of innocent children in government sponsored child experimentation programs. More than 50,000 children said to be illegally experimented but crooked officials on both sides of the border blocking investigation.

13 Apr 2006

By Greg Szymanski

Another Duplessis Orphan has come forward with horror stories, including electro shock therapy, straight jacket sessions and mind altering drugs injections after being subjected to illegal government experimentation programs as a young child.

Pierre Sampson, 60, of Vancouver, Canada endured the torturous treatment for six long years until at the age of 14 when he finally escaped.

But thousands of other Duplessis Orphans weren't as lucky, as investigators recently uncovered a mass grave outside of Montreal where the bones of hundreds of children are buried in a mass grave.

Called the "pigsty" since the grave site is located next to a hog farm, Rod Vienneau, whose wife was also a child victim, said a push is now underway to exhume the bodies with strong resistance from governments on both side of the border, both denying any involvement in the face of compelling evidence to the contrary.

"I have been researching this atrocity for more than 10 years since my wife went public about being abused as one of the orphans," said Rod Vienneau this week on Greg Szymanski's radio show, The Investigative Journal, regarding the Duplessis Orphans, who may number more than 50,000 and named after former Prime Minister Maurice Duplessis, a key figure in the child experimentation cover-up.

"We have documentation proving the link among with the CIA, the United States government and the Canadian government, all of them willing accomplices to the illegal experimentation of children.

"Thousands of children have died, thousands of others have endured great suffering and there remains about 3,000 surviving victims we know about who are still seeking justice. What's even more astonishing is that the illegal experimentation is still taking place while we speak."

Sampson, who went public for the first time in the United States on The Investigative Journal, is one of tens of thousands of children who were reduced to experimental

guinea pigs by unscrupulous doctors, some known Nazi war criminals in a CIA program starting in the 1950's

Recently, a Canadian high court in 2004 awarded damages to adult mind control victims in a related case, pinning the CIA with responsibility as well as their unscrupulous doctors, including Dr. Ewin Cameron.

For a further look at Dr. Cameron's nefarious activities, a book called *The Most Dangerous Game* traces the history of top-secret CIA mind control operation MK-ULTRA: from the covert importation of NAZI scientists at the end of WWII, to the illegal brainwashing experiments conducted on the patients of psychiatric researcher, Dr Cameron

The same type of testing Dr Cameron and others performed on adults is now being traced to innocent children, as advocates for the Duplessis Orphans contend their evil knows no age limits.

Regarding Sampson's personal story, he said at the age of six he was transferred from a Catholic orphanage to a mental institution even though he was both mentally and physically sound as church and civil authorities overnight changed his paperwork, indicating he was mentally ill.

"After researching what happened," said Sampson, who also appeared this week on *The Investigative Journal*. "The Church made a deal with the government to turn over perfectly healthy children in return for money, giving the doctors the ability to experiment at will since we were all considered insane.

"To this day my records haven't been changed. Although I have never been mentally ill, my records still haven't been changed."

The link Sampson makes between the infiltrated Catholic Church and corrupted civil authorities is disturbing, indicating a consolidation of corruption not only in government but extending all the way to Rome and beyond.

According to Vienneau and Sampson, this inhumane treatment was accomplished with the full authority, cooperation and funding of the American and Canadian governments together with corrupted elements of the Catholic Church, one of the government's main suppliers of children used like experimental guinea pigs.

"I hope one day we can get justice and remove this evil element of people from the continent," said Vienneau. "How can we live in a society and trust a government who is killing our own children? These people will never admit to what they done and the only thing we can do is gather enough support among good people to have these corrupted leaders removed."

Vienneau also outlined what his main motives are in seeking justice for his wife, Sampson and the many other children abused by the illegal experimentation programs.

“Criminal acts: Horrific criminal acts were done to thousands of innocent children here on Canadian soil ranging from murders, tortures; disappearance of children; lobotomy's and experimental drugs and falsely labeling thousands of innocent young children from 1935 to 1975 and nobody has yet been held accountable for these free criminal acts done to the Duplessis orphans.

“Thousands of orphans were falsely labeled mentally ill, and today, this label still hangs heavy on the orphans shoulders, This label has not yet been erased, this alone is a criminal act.

“The Quebec government, the College of Physicians of Quebec; the Roman Catholic church of Quebec; the Quebec Public Trustee;(Guardianship) and the federal government of Canada and America have not yet acknowledged the harm done to thousands of young children here in Quebec.

“Constitutional Rights : The Quebec government took away the Duplessis orphans rights to defend themselves in a court of law since 1995, all though four members of parliament stated that the orphans could take a lawyer at any time for their case, but it has been 11 years now that many orphans have been trying to get a lawyer for their case but to no avail.

“Lawyer Daniel Lighter, told me flatly that the Duplessis orphans case is locked shut tight since over fifteen years. The Duplessis orphans have no Constitutional rights, it all boils down to a huge cover up.”

Editor's Note: It's beyond the realm of human comprehension how newspaper owners in the mainstream lack the decency to mount an investigation for the memory of all the dead children and the many others who have suffered at the hands of corrupted politicians and church leaders.

By ignoring this story for more than five decades, major newspaper owners in the United States should be branded as co-conspirators along with the corrupted church leaders and politicians, who all march to the altar in lockstep every Sunday with the blood of the Duplessis Orphans dripping from their dirty hands.

More Than 100,000 Children Used In CIA-Connected Experimentation Programs; Investigative Journalist Has Story Suppressed And Experiences Threats Before Its Eventual Release In Alternative PublicationC

Christine Hahn won't back down from threats and suppression, as she vows to get out the truth about the Duplessis Orphans.

26 Feb 2006

By Greg Szymanski

Christine Hahn is one of those investigative journalists who doesn't take no for an answer. She looks below the surface for a story, won't tolerate being lied to and considers the mainstream media a "joke."

Hahn considers "compromising the truth" a mortal sin and isn't afraid to tackle tough issues and controversial subjects, including how CIA-funded programs illegally experimented on more than 50,000 children since the 1950's.

"Stories have surfaced about illegal government experimentation on adults through programs like MKULTRA, but I have meticulously documented the abuse going on with innocent children," said Hahn, a Canadian now residing in the U.S., who also has been threatened numerous times during her two years of researching the story.

Further, Hahn's well-documented story pinning government involvement and influential doctors having Nazi ties, finally appeared in an alternative publication called Freedom Magazine after being suppressed by numerous mainstream outlets in the U.S. and Canada.

"Nobody wanted to touch this story because of the high-level names," said Hahn who recently appeared on Greg Szymanski's radio show, The Investigative Journal. "I also was working for a W-FIVE, a well-known Canadian film documentary outlet when I had my grant pulled as well as the project.

"I found out the head of the Investigative Journalist Grant Program also had CIA connections. The cover-up and media sell-out is keeping vital information from the public and is a big part of the problem facing the public."

Although Hahn's story was suppressed in both Canada and the U.S. she didn't give up, finally finding Freedom Magazine in Los Angeles as an outlet. Explaining some of her frustrations behind the Duplessis Orphan story, she said:

"Like I said I once worked for W-FIVE, a well known Canadian current affairs program. Even though two of the five documentaries I helped produce were among the highest rated shows of the season, my contract was not renewed. I suspect it is because of other stories I was exposing--a eugenics program involving the Duplessis Orphans.

"I could not get any mainstream media publication to run my stories and so Freedom Magazine ran the pieces. Through doing the story, I also have experienced first hand, how despite having documented unbelievable crimes including the fact that Canada's former Prime Minister Paul Martin's father was responsible for what happened to these

orphans, you cannot get your work published anywhere.

“In an effort to get out the truth, I have decided to create my own web site and put my stories on there and advertise my services. It's really nice to see that there are other journalists out there who won't sellout for money care and care about the truth.”

Referring to a recent article in the Arctic Beacon about a victim of the Illuminati mind control programs named Mauri, Hahn added:

“Your recent interview with Mauri really caught my attention because I have interviewed other survivors who were brought to Canada from the States as children and subjected to to the exact same horrific experimentation as Mauri.

“What's interesting is that hundreds of survivors recount the same experiences. They can't all be lying and their stories need to be told despite the sensitivity and despite the resistance people have in believing their government could be involved in such things.”

During Hahn's research, she talked with numerous victims, acclaimed psychiatrists and other experts, pinning the abuse on government funded programs using unscrupulous doctors, some having former Nazi Party connections.

The following is a segment of her story from Freedom Magazine, highlighting the enormity of the child experimentation problem. The entire story can be found at <http://www.freedommag.org/english/vol37i1/index.htm>.

“Children's advocate Carol Rutz, author of A Nation Betrayed, told Freedom that based on her research, the Duplessis Orphans became prime subjects for psychiatric testing and abuse.

“These children, she said, were defenseless — easy prey for ruthless doctors who inflicted pain and death under the guise of science.

“Many boys and girls, she said, “had no parents to return home to, hence the extent of their abuse needed no cover-up. Who would tell? They could be beaten or drugged into submission.”

“Orphans at St. Jean de Dieu were selected to receive electroshock, drugs and other “treatments” primarily based on whether or not they had immediate family members who might come to their defense or protection, said one source who worked at the facility.

“Rod Vienneau said Quebec psychiatrists viewed these children, who most often came from the province's poorest families, as “unwanted.” They emptied Quebec's orphanages, he said, “sending the ‘unwanted’ children to the psychiatric hospitals where psychiatrists could do any experiment that they wanted to do on 100,000 children

— and no one would know.” (See “He Had No Brain!”.)

“Evidence suggests that many boys and girls became victims of a psychiatric eugenics* program with connections to prominent members of the U.S. and Canadian psychiatric establishments.

“Defectives” was the sweeping label that Canadian psychiatrist Charles Kirk Clarke, a founder of the Canadian Mental Health Association, applied to immigrants from eastern and central Europe.¹⁰ Another Canadian eugenicist, Helen MacMurphy, a provincial “inspector of the feeble-minded,” campaigned for sterilization to prevent certain mothers from “filling the cradle with degenerate babies.”¹¹

“Freedom addressed this subject in a 1996 cover report in its Canadian edition entitled “The Ethnic Cleansing of the ‘Mentally Unfit’ — Sterilization in Canada.” The authors wrote, “The tools of the eugenicists thus became immigration controls, birth control, sterilization and finally euthanasia as carried out by the Nazis,” noting that the first three methods had been employed in Canada — resulting in, among other things, the involuntary sterilization of thousands of women, many of them Canadian Indian or other minorities.¹²

“With fresh allegations now surfacing that many Duplessis Orphans died or disappeared, the fourth item on the eugenicists’ agenda, euthanasia, certainly warrants official investigation.”

Hahn’s story then went on to charge that hundreds of innocent children were eventually killed during the horrific experimentation.

“Indeed, the bodies of hundreds or even thousands of Duplessis Orphans, buried near Quebec psychiatric hospitals, may today hold the key to documenting what survivors have called “organized psychiatric genocide.”

“Montreal attorney Daniel Lighter suggested that Quebec officials permit exhumation of bodies buried on hospital grounds to determine to what extent Orphans may have been used for psychiatric experimentation, including lobotomies, electroshock and mass drugging.

I was just about to bring up his older articles from 2006 on the CIA mind control and the Montreal connection, but you already did. Good stuff.

In case anyone is curious, they should also find out what the United Church is up to as well in Canada. Kevin Annett was a minister who moved to Port Alberni, British

Columbia and found out many stories about rapes and murders of native kids that witnesses never talked about for years. He also began to expose how the provincial government was in bed with certain big companies when it came to stealing native land. He also exposed how men in the United Church were also secretly funding these politicians campaigns, etc. He wrote a great book on it. Even the RCMP played a part in covering up murders by intimidating Indians who demanded certain bodies be exhumed.

Look around the internet. Annett is the man.

Perpetrated and Covered Up by the Church and State

Kevin Annett is a former United Church minister in Vancouver, Canada, who was fired without cause in 1995, and then expelled from the same church without due process, after he had unearthed evidence of the theft of native land by church officers, and of the murder of native children at the United Church residential school in Port Alberni, British Columbia, where Kevin ministered.

Since his firing and blacklisting by the United Church, Reverend Annett has worked as an advocate and counsellor in aboriginal healing circles on the west coast. He organized the first international Tribunal into Canadian residential schools in Vancouver in June, 1998, at which a United Nations affiliate, IHRAAM, presided. This website is a partial summary of that investigation.

Reverend Annett is working with aboriginal and human rights groups around the world in an effort to bring charges of complicity in Genocide against the government of Canada, the Anglican, United and Roman Catholic churches, and the RCMP. He is serving as the secretary of the recently-established Truth Commission into Genocide in Canada, and has authored a book about his experiences, "Love and Death in the Valley".

Men and women of the Pacheedat, Ahousat, Cowichan, Haida, Songhees, Penelakut, Carrier, Halalt, Tseshat, Inuit, Chemainus, Squamish, Hesquait, Cree, Blood, Sto:lo, Dene, Lakhota and Metis Nations wrote this report with their own witness, suffering, and courage. Some of them have chosen to remain anonymous in the face of death threats and other perils both to themselves and their families which have been made by agents of the state, the churches, the RCMP and government-funded native organizations.

IAHF List: A Canadian Activist has just been attacked by police and needs our help....

Recently we created a new section of the IAHF website called Canadian Holocaust, which points to a new website at <http://annett55.tripod.com/> which exposes for the first time a literal genocide campaign on the part of the Royal Canadian Mounted Police combined with powerful pedophiles acting under the auspices of the United Church of Canada and other churches to kill off the native people of Canada, to steal their land, and to torture and murder their children with sexual and physical abuse. Fully 50% of the native kids forced by church and state into the residential schools died in them or after leaving due to gross abuse suffered there. Go to the website above and help out by purchasing a copy of Kevin's 300 page heavily documented report, which is being massively suppressed. Kevin was fired from his job as a minister at the United Church of Canada for his efforts to expose these crimes, and his life is at extreme risk as a result.

Now Kevin Annett is reporting a horrible new development in this bizarre saga- in the article below he details how Ron Barbour, a Cree man who has been producing Kevin's radio show in Vancouver had his door kicked in by the jack booted RCMP due to his effort to help Kevin expose the truth about their criminal actions. In Canada, the RCMP has free reign to inflict this sort of reign of terror, without any government oversight whatsoever. Without a search warrant they have burst into this man's home, ransacked it after handcuffing him for 3 hours. They shut his electricity off afterwards, and told him to gather his things and "get out" because they intend to evict him from his home. He has not been charged with anything....

You might wonder why I am reporting this when it may seem like it has nothing to do with the Codex threat to steal our vitamins, but its all tied in together. This is a battle between good and evil. We share a common border with the Nazi country of Canada, but most Americans don't have any idea of just how evil Canada really is, and now, via the Free Trade Area of the Americas, an effort is being made to dissolve the border and to force the whole western hemisphere to harmonize its laws to so called "International Standards" including the very restrictive Codex vitamin standards.

How do we stop whats going on? Education, and please, if possible, send Kevin Annett a donation, see his address at <http://annett55.tripod.com/> he's risking his life to bring us this information. He has had many death threats, and I am taking a risk just to help him, but we must hang together, or we for damn sure will be hanging seperately. Please forward this widely. Ron Barbour, native activist and public supporter of Kevin Annett and The Truth Commission into Genocide in Canada, was attacked in his home by Vancouver police on August 2, 2001

In the early hours of Thursday, August 2, Ron Barbour, a prominent activist among Vancouver native people who had just engaged in a public protest outside a downtown United Church, was assaulted in his home by five gun-waving members of the Vancouver police.

"They banged on the door, and then just smashed it in" Ron described the next day. "They were all pointing their guns at me. They threw me down, handcuffed me, and took me out on the front lawn and held me down. None of them identified themselves, or read me my rights, or even told me what I was being charged with. Then they ransacked the house. It happened really quick.

"They kept the cuffs on me for over three hours. I was just held like that until they were done. They said they were looking for some guy who was growing pot, but the only other tenant lives below me in a completely different suite.

"Finally, they told me that I was being evicted, and I had to get my things together and move out right away. And then later they cut off all the power to my place. So basically I was assaulted, roughed up, threatened, and evicted by these cops. I still don't know what I was guilty of."

This latest attack on an activist connected with the investigation into genocide against native peoples is one in a series of state-organized assaults. On July 10, 1998, Harriett Nahanee, an eyewitness to

murder at the United Church's Alberni residential school, faced an armed RCMP tactical squad invasion of her home. Nahanee had just given her public testimony to the UN-affiliated IHRAAM Tribunal concerning the murder of Maisie Shaw, age 14, by United Church clergyman Alfred Caldwell.

In addition, native activists Frank Martin and Helen Michel, who also testified to the IHRAAM Tribunal concerning murders at residential schools, have been falsely arrested, assaulted, and imprisoned by city police on six different occasions since the Tribunal.

During this last week, other Truth Commission activists in Vancouver have received threatening phone calls at night. Kevin Annett has also faced a renewed smear campaign from United Church officer Debra Bowman, and new threats of lawsuits from that church. And the popular Vancouver TV host David Ingram, who was the only mainstream media personality to publicly support the Truth Commission's work and offer air time for Kevin Annett, has been suddenly fired from Shaw Cable television and had his program cancelled. Ingram's car was vandalized the night after he interviewed Kevin Annett on his show last May.

Please let the world know that those of us who are trying to expose past and present crimes against aboriginal people in British Columbia are being systematically attacked by the forces of the state and their church allies.

Renew your efforts to spread the story of the ongoing genocide, by reading and circulating the Truth Commission's report, "Hidden from History: The Canadian Holocaust", which is on this website:

Don't let our warriors be picked off, one by one! Contact Ron Barbour and lend him your support, at 604-322-3437.

Please note, too, that Ron is the technical operator for my regular program on Vancouver Co-op radio, which is the only medium by which the Truth Commission's work and findings have been publicly aired. Without Ron, this program would not be in operation.

Truth and courage,

Kevin Annett

Title: Help Me To Build "The Hierarchy of Evil"

Daniel - March 13, 2007 03:14 AM (GMT)

Dear Friends,

I read some great topics you all posted which had various diagrams and flow charts to help us construct the "Hierarchy of Evil"

I was wondering what you thought about placing together a thread for people who are very new to understanding the various ranks of the evil ones. I see Brother Phelps has also a nice chart on his website. For example, here is one of my favorite diagrams by John Coleman:

Dear Craig, you made some interesting connections between the below groups and I was wondering if you and the others here can help me to help fill in these missing groups and also add some of your own to "Hierarchy of Evil"?

Black Pope (KLOVENHOOF)

Jesuits

SMOM

Pilgrim Society

Order of the Garter

Committee of 300

Roundtables (front for the above)

Bilderberger

CFR/Trilat?

etc...

(where would these go?)

Opus Dea, RCC, J.A.S.O.N, Priory of Sion, OTO (other Satanic clubs like the Chronzos)Skul and Bones, P2, Grand Orient etc..

Best,
Daniel

Man, I'm on a role today!

CRAIG-OXLEY - March 14, 2007 01:05 AM (GMT)

The Order of the Garter control the Committee of 300. The Garter is an inner circle of the SMOM. The Garter is controlled by an even inner circle of the SMOM known as the Pilgrim Society. At the end of the day the SMOM control everything and come second only to the Jesuit Order who control everything they do. The Committee of 300 control the THE CITY of london. They use the Round Table Groups as a front. It is Round Tables which control Bilderberg, RIIA, Club of Rome, TRL, CFR. Remember the Queen of England is the leader of both the Garter and the Pilgrim Society. Also note the QUEEN is a descendant of the once almighty powerful bloodline from Venice called the GUELPH! She's of Black Venetian Nobility blood and thats powerful believe me. Her cousin controls the entire Sovereign Military of Malta and his name is Andrew Willoughby Ninian Bertie.

Opus Dei is within the Vatican my friend and therefore up there with the Knights of Malta. Opus is just another division of the RCC the Jesuits creating in the early 1900's. Prove the existance of the Priory of Sion? I'd say these either died or became your Grand Orient of France, the very Sionists who hated the Templars they created. Skull & Bones is the Russell Trust group and just a branch of the Round Tables within the Americas once again linked to the old British East India Company. Believe me theres other University societies just as powerful if not more and more secret. All these others are simply branches not trunks or roots. Your initial list was correct in its order. Don't forget The Society of the Cincinnati within the U.S

All intelligence agencies are directly controlled by the Sovereign Military of Malta. Notice how many hierachy intelligence agency cretins are Knights of Malta.

Daniel - March 14, 2007 01:27 AM (GMT)

Fantastic information, thank you Craig!

When I first logged in here I PM'd Craig ref if there was anything like this around. Seems strange that it isnt seeing as many dots have been connected although fragmented through many books and sites.

Good work so far ;)

Title: Spiritual Streams - Occult Wisdom

Description: *FREEMASONRY AND THE ROMAN SPIRIT*

Daniel - March 13, 2007 09:03 PM (GMT)

Dear friends,

Here is an article written by Terry M. Boardman, an Anthroposopher and a member of the Rudolf Steiner school of Esoteric Christianity. I have been following his work for many years and I feel it is a decent contribution to the truth.

In this article, Terry explores how the different Spiritual Streams are interconnected. The correct Spiritual Stream that was to flower in the West was the Stream that started from the birth of Jesus of Nazareth. The 2 other streams eventually merged together during the Council of Vienna and as such, Rudolf Steiner mentioned that at the top inner circle, they have all been working together since the early 1800's, yet directing the lower level against each other in infernal dielectrics.

Some of the article is cryptic and of course also has a slight Christian bias (if we may call it that for those of you who are not Christian). But it follows the knowledge of spiritual science as seen by adepts of Anthroposophy and there may be portions that we would all like to discuss in more detail. I have posted this article in full below. I hope you enjoy.

Best,
Daniel

FREEMASONRY AND THE ROMAN SPIRIT

Retarded spiritual stream:

First Roman Empire (Rome) --- Papacy --- Second Roman Empire (USA: New World Order)

Perverted spiritual stream:

Gnosticism --- Manichaeism --- Catharism --- Templars --- Freemasonry --- New World Order

Legitimate spiritual stream:

Gnostics --- Manichaeans --- Cathars --- Protestant/Mystical groups --- Rosicrucians --- Anthroposophers

Look into the manifestations of Evil and there you shall perceive the Good - in torment - striving for liberation

Christ came to earth so that each one of us could find the meaning of our own being - our relationship to the spiritual world - for ourselves in true spiritual freedom. With the Incarnation of Christ the age of spiritual elitism or spiritual aristocracy - the age of priests - came to an end; the seeds were planted for a spiritual democracy. Few lessons stand out more clearly from the way in which Christ dealt with the spiritual authorities in the Holy Land at that time. He referred to those would-be spiritual authorities, the Sadducees and Pharisees, in no uncertain terms. He may have told Peter to feed His sheep, but this was no injunction to perpetuate priestly elitism in the form of a Roman Papacy, although the Bishops of Rome and the later authorities in the Vatican were to take it as such. His disciples, still uncomprehending, may have called Him "master" (Rabboni) but he called them brothers and said that human beings were to become as gods. The spiritual childhood of the mass of mankind was drawing to a close. However, it was to be a very long time - until the Reformation of the 16th century - before this was realised in Europe.

The Irony

A great historical irony has taken place since the Incarnation, the kind of irony with which history is replete, though this has been one of the greatest of all such ironies. Many of the Gnostics and Manichaeans knew the secret that ultimately, evil is a former good turned bad, and that evil can also be turned once again to the good. Despite the Incarnation and Christ's union with mankind and the Earth, those who could not free themselves from the thinking of the spiritual aristocracy of priests and priest kings - sought to maintain dominance of that aristocracy in the Churches of Rome and Byzantium. Those who had justifiably been the shepherds of mankind prior to the Incarnation wished to remain the shepherds for all time; this is still the intention of the Vatican today. Consequently, they sought to repress those who, either out of a pre-

Christian or out of a Christened Gnostic consciousness, wished to find their own path to the divine. This led to the persecutions of 'the heretics' and a centuries-long attempt to snuff out a Christian Gnosis based on the individual's self-enlightenment. From Rudolf Steiner's insights into the deeper structure of history and the evolution of consciousness, it is clear that this effort by the authoritarian forces of the past, doomed though it was in the long term, nevertheless played a vital role in the development of mankind, because without it, the European culture of the West would not have been able to develop a materialistic and scientific society. It would, like the non-European cultures, have remained focused on the spiritual and divine planes of existence. Natural science would not therefore have developed and the modern world would not have developed its rich knowledge of the physical and material aspects of earthly life. This knowledge is essential to earthly man; it is part of the total process of self-knowledge, but only insofar as we are physical beings. Since we are not merely physical beings but also spiritual beings, physical knowledge must be complemented by spiritual knowledge. One of the most important keys for understanding the history of the modern age since 1500 is the thought that the age of natural scientific knowledge is being permeated with and complemented by spiritual scientific knowledge and indeed, if this process is somehow frustrated and blocked by those convinced materialists who believe that only natural science has validity, then human culture will increasingly be afflicted by sickness and death.

The Gnostic and Manichaean stream with its rich veins of Near Eastern esoteric knowledge of spiritual illumination available to the individual was forced underground as a result of repression by the established Church. Over the centuries it flowed on underground and metamorphosed into the streams of the Bogomils and Cathars. With the Crusades, it returned to its roots in the Near East, was replenished and flowed back with renewed vigour into Europe in various forms, for example, in the form of the Templars and their later successors, the Freemasons as well as various later Protestant mystical sects. However, while the Bogomils and Cathars had few friends in high places and were rooted out and exterminated wherever they could be found, the more successful Templars and Freemasons managed to ensconce themselves within the very Establishment of Christendom. The Templars became the elite knights and bankers of Christian Europe, while Freemasonry was ultimately to become the private religion of many in the social elites of 18th and 19th century Europe and America. After the brutal suppression of the Templar Order throughout Europe by the French King Philip IV aided by his puppet, Pope Clement V, the surviving Templars re-established themselves in Portugal, where they became the Order of Christ; in Prussia, where they joined the Teutonic Knights; and especially in the Scotland of Robert the Bruce, where they married into Scottish aristocratic families and, led by the Sinclair family, later midwived the birth of modern Freemasonry.

And now comes the great irony. A significant part - though not the whole - of this great stream of underground Gnostic esoteric life which had been constantly persecuted by

that ghost of the Roman Imperial spirit, the Vatican, and had been constantly struggling against that spirit in innumerable ways, has itself, since the 18th century, metamorphosed into that same Roman spirit: anti-democratic, imperial and aristocratic. This transformation reached its apotheosis with the founding of the United States of America, or better named, the United States of Freemasonry. Such a nomenclature may seem like an exaggeration, but that was how the USA was in fact regarded by many Masons, especially in the period 1775-1830. [1] The momentous year 1776 - which incidentally also saw the publications of Adam Smith's *Wealth of Nations*, the first volume of Gibbon's *Decline and Fall of the Roman Empire*, Friedrich von Klinger's *Die Zwillinge* (The Twins) and *Sturm und Drang*, as well as the founding of the Illuminati secret society by the Jesuit-trained Adam Weishaupt - witnessed the foundation of a completely new kind of state, a self-conscious Utopia or Promised Land, forged and led by men who were either Freemasons or who were infomed by the spirit of Freemasonry, a spirit which, by the late 18th century, had become largely non-Christian and was predominantly Deist. The United States was self-consciously founded by Freemasons and non-Freemasons with a New Rome in mind. The early 18th century Freemasonic emphasis on brotherly love and gentility receded in favour of the patrician Roman concept of virtue, which was seen as the glue that would be able to hold together the turbulent social forces of the insecure new Republic. Ancient Rome of course saw a continuous struggle between those within it who wished to maintain Rome's republican heritage and those who looked back to an older monarchical heritage; these latter were the supporters of Roman imperialism, who backed the Emperor against the Senate. The republican tradition was the legitimate and modern historical direction for Rome; it was a step forward in social and political development, whereas the notion of the divine Caesars was a harking back to the past ages of Egypt, Persia, Babylon and the age of oriental despotism. A similar struggle between the imperial and aristocratic element on the one hand and the republican or democratic element on the other hand revealed itself very early on in the history of the United States in for example, the struggle between Thomas Jefferson and Alexander Hamilton. Something of the same had been prefigured in the split that broke out within Freemasonry itself in the 1750s, first in Britain, the homeland of Freemasonry, and soon spread to the colonies. The wealthier, more elitist gentlemen of post-1717 Freemasonry, identified with the Hanoverian succession who became known as the Moderns were opposed by the upstart Antients, whose members often had Jacobite sympathies and were initially drawn more from lower social orders. By the time of the Revolution, the Antients had come to dominate American Freemasonry yet by 1820 they too had become elitists as American Freemasonry enjoyed its golden age of prestige and authority.

Right from the very beginning of the colonisation of North America by the British, there had been this polarity. In Virginia the first royal colony was founded at Jamestown under the aegis of King James I, formerly James VI of Scotland (1603-25), who had himself brought the Templar heritage of Freemasonry south when he succeeded

Elizabeth I as King of England. A highly complex character, a dualistic Geminian named by Steiner as the greatest occultist of his day, James attempted to make peace with Rome and the Catholic Powers, was severe with those he considered witches and Puritans, was responsible for the production of the King James Bible, refused to aid the Rosicrucian-inspired Frederick of the Palatinate, King of Bohemia, his own son-in-law, thus unintentionally provoking the 30 Years War, and held strongly to the mediaeval notion of the divine right of kings. Steiner saw James as a symptom of his age in that he had a foot in both the mediaeval and modern consciousnesses. In much of James' life we do indeed see the symptoms of the ancient stream of Gnostic wisdom but his case, as with King Solomon (and James was often called the Solomon of his time), attached to a royal and imperial cause which had its roots in even earlier times. With the Crusades, however, the Gnostic stream had bifurcated into an aristocratic and hierarchical, even priestly element - the Templars - and a more democratic element: the Cathars and those proto-Protestant groups that came after them, such as the Wyclifites, the Lollards, the Brothers of the Common Life, and others who became ever more radically democratic, culminating in the Levellers and Diggers of the English Civil War. James' aristocratic Freemasonic stream put down roots in Virginia and the later southern states of the USA, while the more democratic Protestants arrived in the North on the Mayflower in 1620. Already in that year the seeds of the American Civil War were planted, for the two streams - the one more modern, democratic, and egalitarian; the other ancient, oligarchic, hierarchical - were bound to clash, as they had in their homeland of England.

The result, in 1865, was an inevitable victory for the forces of historical progress. Just as Roman imperialism was doomed to collapse under the weight of its own obsolescence and decadence, so too was Southern aristocracy. And yet within a year, the ancient forces struck back, using the old weapons of clandestine manoeuvre the Gnostic underground had been forced to rely on during their long centuries of suppression by the Vatican. In April 1866, Albert Pike, a leading member of Scottish Rite Freemasonry in the USA was invited to the White House by President Andrew Johnson, "whereupon he was conferred the title of 32nd degree Scottish Rite freemason. Just a few months prior to that, Pike was hiding in Canada, hunted by the U. S. Army for complicity in the Lincoln assassination. Johnson, however, soon pardoned him upon assuming office." [2]. Both in Britain and in the USA in the 18th and 19th centuries, aristocratic, oligarchical and anti-democratic forces working within the hierarchical structure of Freemasonry ensconced themselves within the political establishments of those countries - to what end? Study of the ideas of the leaders of these forces within Freemasonry reveals that their dream, intention and plan was to create out of Britain and America a New Rome, a new World Empire, a new uniformity of thought and lifestyle that would embrace the whole world. To this end, a new state, the United States of America, was established, the first "world state", made up of immigrants from all over the world rather than just from one ethnic community - a New Atlantis as intended by the British Elizabethan occultist John Dee, adviser to the Virgin

Queen, and by Francis Bacon, James I's Chancellor, and ruled by a scientific priestly elite. This is how the Freemasons of the Revolutionary and post-Revolutionary generations saw themselves. "Through Washington, Lafayette and other master masons and heroic brethren Freemasonry gave to this country the principles of civil and religious liberty, and has preserved those very 'fundamental laws and principles' which guarantee to all freedom and equality." [3] The Masons suffered a major setback in the northern States of the Union when their movement fell from grace in the late 1820s and early 30s as a result of the populist Antimasonic campaign which even produced the USA's first third political party, the Antimasonic Party. Although the aristocratic South was not as strongly affected by the antimasonic furore in the North, Masonry suffered a huge blow to its reputation in the USA; membership plummeted and did not revive until the 1850s. The insecurities of the Civil War and President Johnson did much to restore its fortunes, so that by the 1880s Freemasonry was once again at the top of the American social pole. When the 22-story Chicago Masonic Temple was opened in 1894, it was the tallest building in the world and the most expensive.

The aristocratic and elitist social order of the 19th century received a severe setback in the cataclysm of the First World War; in Europe aristocracy could no longer flaunt itself in the way it had done before 1914. Alarmed by the victories of the Communists in Russia and elsewhere, aristocrats and hierarchs in European and American 'democracies' veiled themselves and retired from the limelight. So too did their accomplices and fellow travellers in the Freemasonic movement. Before 1914, Masonic processions and ceremonies in public were common throughout Europe and America. After 1918 they became less and less visible. The trappings of pseudo-mediaevalism were less attractive in the harsh modernist atmosphere of the 1920s. The Craft became tremendously popular in the USA in the 1920s but was forced by the temper of the times to become increasingly secular. The Depression was a hammer blow to American Masonry just as the Antimasonic movement had been exactly a hundred years before. Masonry in the UK, where socialism in the 20s and 30s was a more real threat to middle class values, hid its light under a large bushel of silence and invisibility which continued until the early 1980s when it was forced back into public scrutiny by critical expose books such as Stephen Knight's *The Brotherhood*. In response, the Masons, led by their Grand Master, the Duke of Kent, were forced into damage limitation PR exercises. In the context of the enormous social changes brought about by the First World War, the oligarchical forces which had been working through the higher echelons of Freemasonry sought new avenues by which they could influence events in a semi-clandestine way. There were the so-called 'thinktanks' and research institutes such as The Royal Institute of International Affairs (Chatham House), founded 1919 on the back of The Round Table (1910) and the American offshoot of the RIIA, The Council On Foreign Relations (1921). Many more followed and are still with us. These organisations, such as the Bilderbergers (1954), the Trilateral Commission (1973), the New Atlantic Initiative (1996) and the like pretend to be non-conspiratorial and open to public scrutiny, but in fact, their networking and policy-influencing operations, more or

less clandestine, are elitist to the marrow. They are merely instruments of applying oligarchical leverage in a democratic age, when the more overtly ancient ceremonial forms of the secretive Freemasonic lodges arouse too much suspicion and are no longer deemed as effective.

The circle has thus been completed: from spiritual resistance to the first imperial Rome and its Papal successor, to spiritual inspiration of the second imperial Rome - this has been the path of one significant element of the stream that began with the Gnostics around the time of Christ, or perhaps, one could even say, of the stream that began with Cain's struggle with Abel. The Order of the Templars carried within it something truly noble in the spiritual sense, but it was also infected by historical illegitimacy, a harking back to an essentially pre-Christian esotericism in an effort to combat what was seen as the Satanic spirit of Rome - the spirit of total control and unfreedom - the denial of the individual's own path to God. The same is true of much in the New Age or neo-pagan movements of today, which, in their ignorance of the esoteric essence of the Christian mystery, and appalled by the many crimes of the Christian churches over the centuries, throw the baby out with the bathwater, and reject all that is connected with Christianity as either deceitful or defunct.

How and why has this circle been closed ? Why have the modern successors of the original proponents of spiritual freedom become the architects of unfreedom in the crypto-totalitarian New World Order that is being created in the 21st century ? As Rudolf Steiner said many times, this question can only be understood in the light of esoteric knowledge.

Unlike the life of Buddha, that of Jesus Christ was inextricably bound up with the question of evil. Right at the beginning of the life of Jesus in the Gospel of Matthew, Herod ordered a massacre of infants in an effort to destroy Jesus. Jesus had to confront the spiritual and political authorities of his day, Jewish and Roman. He was betrayed by a kiss from his own disciple, tortured and killed by the imperial power of Rome, and his name was later appropriated by a Roman Church that committed or endorsed frequent acts of torture, massacre and persecution. Christianity has thus passed through its own Crucifixion - something which can be seen as necessary in its own development since the Resurrection, which is the very essence of Christianity, could not occur without a death preceding it: no new life without a death beforehand. And that Resurrection had to follow a violent death, not merely a death resulting from illness or age, as in the case of the Buddha who lay down and died at the the age of 80. Furthermore, Christ's violent death was presaged by a betrayal by one of His own disciples. It was not merely a violent death, but one brought about by betrayal - the perversion of what was right. Christ was not merely murdered but executed - an execution sanctioned by the whole legal and political system of His day, including the pre-eminent 'global' superpower; all were involved; indeed a crowd of His own people, urged on by their spiritual leaders, called for His execution. The nature of evil is very much involved here: what was originally right and justified - the spiritual leadership of

the people of Israel, the Republic of Rome (SPQR: the Senate and the People of Rome), the Temple in Jerusalem (Christ was arrested by the captains of the Temple - Luke Chapter 22:52) - all become perverted in an act of deceitful persecution and official murder.

The Temple and the Roman Imperial Spirit

The Jerusalem Temple and Imperial Rome: these are what have linked Freemasonry with the New Rome of the New World Order since the days of the Templars, who based their esotericism on the symbology of the Temple of Solomon which they had learned in the Crusades. Their very name was associated with the Temple, and many of Freemasonry's rites too are based on the Temple of Solomon. The god-given esotericism of ancient Israel was thus conjoined with what was essentially an imperial Roman will to power. Today we see again an alliance between those forces that lead the Jewish people and those that lead the New Rome; indeed the State of Israel today, just as in Herod's day, is a client state of an Imperial Rome, the only difference being that, unlike Herod's kingdom, without the aid of the New Rome, the modern State of Israel would very likely not have survived.

The support of the New Rome (USA) for modern Israel is based on several factors, two of which are of direct Gnostic origin. First, the elitist 'neo-Gnostics' (those 'in the know') who presume to guide America's destiny are the heirs to those elitist Freemasonic leaders of 18th, 19th and 20th century America (from Benjamin Franklin and George Washington to 33rd degree Masons Harry Truman and Franklin D. Roosevelt) whose traditions centred on the Temple of Solomon. Their interest is thus in the land of Israel and with the people of Israel - both of which are essentially pre-Christian Old Testament motivations. Second, the other, more democratic 'Gnostics', the fundamentalist American 'Christians', are heirs to the Puritan tradition of the Pilgrims, which ultimately goes back to what I have characterised as the non-oligarchical stream of Gnosticism.[4] Those in this stream saw themselves in the New World as God's Chosen People, just like the Israelites, removed by God from out of the land of perdition. They also believed, based on their misinterpretation of Biblical texts, and still believe, that they have a mission to help the Jews return to the Holy Land so that the Second Coming can take place. American support for Israel therefore comes both from the elite clubhouse and lodge, and also from the populist evangelical chapel.

There is a third factor at work in American support for Israel, or rather, for US remote control of Israel, which has deeper esoteric roots and is only understandable in the light of esoteric knowledge. This is that there will in the near future be an incarnation of the spiritual being known to Anthroposophers as Ahriman and to traditional Christians as Satan. The Russian writer and philosopher Vladimir Solovyov (1853-1900) pointed to this over 100 years ago in his book "War, Progress and the End of History: Three Conversations" (1899). As described by Solovyov, this being will attempt to seduce mankind, will make himself Emperor of a New Roman Empire and will set up his capital in Jerusalem with the intention of surpassing Christ in the estimation of mankind. The

ultimate aim of Ahriman/Satan is to persuade mankind that there is no spiritual world and indeed no individual spirit in Man; only the visible material world is real; only absorption in the mass has reality. As Bill Gates has put it: "A computer should only help one to have fun and have a nice life in a collective mind" [5]. This is one pole of spiritual life and experience, for materialism itself is a spiritual idea. The opposite pole is represented by the being traditionally known as Lucifer ('bringer of Light'). His temptation is to draw Man away from material and social life altogether in a self-obsessed urge to transcend and deny earthly life; the luciferic spirit holds that only the spiritual life has validity. Between Lucifer, who, according to Rudolf Steiner, had a human incarnation in China c.3000 BC and Ahriman, who is shortly to appear in the West, stands the Christ, whose human Incarnation in Jesus of Nazareth occurred 2000 years ago. Christ is the Balance between the other two, the principles of seduction. Just as He himself in the course of His life had to go through temptations by these two beings during the 40 days in the desert, so mankind has to undergo these same temptations in order to find its own balance, which is the Christ.

Why was it then that the stream of Middle Eastern esoteric wisdom, which later metamorphosed into that of the Cathars, Templars and Freemasons, became historically retrograde and sought to preserve an elitism and oligarchy similar to that of its old enemy, the Roman Catholic Church ? In a lecture of 4th November 1919, Rudolf Steiner said:

....when the Mystery of Golgotha [i.e. the Crucifixion and Resurrection of Christ - TMB] had taken place on earth, it was essentially the luciferic wisdom [stemming from Lucifer's incarnation in China in the 3rd millennium BC - TMB] through which it could be understood. The gnosis....was impregnated through and through with luciferic wisdom.....the significance of the incarnation of Christ was grasped because the power of the old Lucifer incarnation still survived. This power did not actually fade from the human faculty of comprehension until the 4th century AD; and even then it had its aftermath, its ramifications.

By this Steiner was referring to something he spoke about on many occasions, namely the closing of the doors of natural clairvoyant perception. Until about 3100 BC large numbers of human beings had natural clairvoyant perception as an inborn faculty; they could see into the spiritual world. In order for us to develop in freedom, however, this faculty had to disappear. From the 3rd millennium onwards, mankind gradually began to enter a state of darkness with respect to the spiritual world. Mystery centres and temples then began to appear in all cultures that maintained the connection with the spiritual world, but only for neophytes that were prepared to undergo the increasingly difficult training that was necessary to maintain the connection. An inevitable and indeed legitimate spiritual aristocracy came about. By the time of Christ's Incarnation, most human beings, with the exception of a few, had completely lost the faculty of clairvoyant perception; even doubts about the very existence of God and the spiritual world had begun to develop in the more sophisticated and more urban cultures.

Moreover, Steiner discovered that three centuries after Christ, a colossal development took place in the spiritual world which had the effect of plunging mankind even further into spiritual darkness. The spiritual hierarchy of the Exusiai (four ranks above mankind in the 9 hierarchies of our solar system) who had been responsible for the formation and regulation of the human thinking process gave this responsibility over to the hierarchical rank below them, the Archai. The Exusiai belonged to the Second Triad of hierarchies, who were responsible for the forms and concepts of the natural and spiritual worlds. Consequently, since they also regulated Man's life of concepts, when a human being perceived something in the natural world, say, a tree, or saw something inwardly as a result of some spiritual training, for example, an angel or a demon, prior to the 4th century AD, he also simultaneously perceived its concept and knew what it was. Percept and concept were one. The Archai and the other beings of the Third Triad of hierarchies, the Archangels and Angels, had no such responsibility for the action of the natural and spiritual worlds; their work lay with human souls. They were closer to human beings than the Exusiai. Consequently, there occurred within human thinking a disjunction from the 4th century AD onwards between percepts and concepts. This was to give rise to endless confusion and ever increasing intellectual disagreement about both spiritual and natural matters. The age of theological controversies began.

Theologians no longer knew or felt really sure who the Christ was, or the Father, or the Holy Spirit, or the Holy Sophia, nor did they understand how they related to each other. Vain attempts were made to fix their understanding in the dogmas and anathemas of the many tempestuous Church Councils that were called. Real spiritual insight was replaced by dogma and based on authority and tradition. Meanwhile, outside the Church, the doors of spiritual perception went on closing inexorably as they had since the third millennium BC. In the 6th century AD the Emperor Justinian finally closed the last of the pagan Mystery schools (529). Even in Asia, the great temple centres of religious instruction in China, India, Tibet, Japan slowly - more slowly than in the West, because they were closer to the original luciferic inspiration - lost their light. By 1600 they too had run out of vision and become rigidified in dogma and moribund forms of tradition.

The Division of the Gnostics

It was as a result of this great change in human thinking about spiritual matters in the 4th century that the bifurcation in the original Gnostic stream had occurred by the time of the Crusades. The real meaning of the Incarnation and Resurrection of Christ was lost. Many of the Templars, deeply affected by the remains of the old luciferic wisdom that they encountered in the teachings of the Sufis and the Ismailis and other such streams, fell into a kind of monotheism or pantheism which took little account of the significance of Christ's Incarnation and looked back to a syncretistic neo-Semitic religion more akin to Islam or Judaism. It was this that passed on to the Freemasons and which became the Supreme Being or Grand Architect of the Universe (GAOTU) deity of 18th century Freemasonry.. This was the being against whom the visionary

artist, poet and Christian esotericist William Blake railed so mightily and whom he lambasted as Urizen the cosmic lawgiver, the calculator, the weigher and measurer, for he perceived in this Deist religion of Isaac Newton and Francis Bacon (and of George Washington, Benjamin Franklin and Thomas Jefferson) a turning away from the being of Christ and thus from the very meaning of the Earth and of mankind's existence on the Earth. Blake was one of those Gnostics who, like Jacob Boehme in Germany, struggled through in the spiritual darkness of the age to his own heartfelt conception of the Christ and a truly individual realisation of the cosmic significance of Christ and Christianity. Many others in the Gnostic, Manichaean, Bogomil and Cathar streams and in the proto-Protestant movements of the Middle Ages managed the same lonely feat. They saw through to the new Christianity in their souls without harking back to pre-Christian religions. The Quakers, for instance, were not interested in disputing the meaning of this or that verse of the Old Testament as so many other Puritans were, nor were they concerned about the arcane geometric symbology of the Temple of Solomon like the Freemasons; rather, they sought direct communion with the divine in the silence of their hearts in this moment; not in lonesome meditation in cell or on mountaintop, but rather together with their fellows.

One more piece of spiritual research by Rudolf Steiner can be adduced here. He pointed out that whereas Lucifer had been the main source of temptation for mankind prior to the Incarnation of Christ, in the post-Christian centuries, up to our own day and looking forward to the incarnation of Ahriman himself, Ahriman replaces Lucifer as mankind's main adversary. It was in the 9th century that Ahriman struck into human consciousness in an incisive way. Ahriman always seeks to reduce the threefold element within Man to a dyad and to remove the mediating central heart element, rendering the human organism one merely of intelligence and will. It was no accident therefore, that at the 8th Ecumenical Council in Constantinople in 869-70, the 11th Canon of the Council anathematised the teachings of Photius, former Patriarch of Constantinople, who it said, had been teaching the doctrine of "twin souls", in which one of the "souls" was actually the individual human spirit. This was declared by the Council to be anathema. In the church of the Holy Spirit, Hagia Sophia, the human spirit was anathematised ! It was declared that the human being consisted only of two principles, not three, namely, the body and the soul, the soul being recognised vaguely as having certain "spiritual qualities". This was a logical consequence of the theological confusion about the nature of the Trinity which arose as a result of the spiritual changes in the 4th century. In the same year, 869-70, the threefold European heritage of Charlemagne and his son Louis the Pious was reduced to two when the kingdom of Lotharingia (which stretched from modern Holland through Burgundy and Switzerland down to Rome) between the domains of Charles of France and Ludwig the German was abolished following its invasion by Charles and Ludwig. Exactly 1000 years later, in 1869-70, the First Vatican Council was held, which proclaimed the doctrine of the infallibility of the Pope when he pronounce ex cathedra; the Kingdom of Italy was founded and the Pope's temporal rule ended; and the Franco-Prussian War began, that

led to the creation of the German Empire in 1871.

After the onset of Ahrimanic influence into Western consciousness in the 9th century, Ahrimanic thoughts made ever greater headway within the culture of Christendom. Many of those drawn either to a luciferic consciousness or who were struggling to find their own mystical way to Christ were siphoned off by the Church into monastic orders or, if they were too radical, were persecuted as heretics. The appearance of materialistic figures such as Roger Bacon, Siger of Brabant and Philip IV of France in the 13th century testified to the growing power of ahrimanic thoughts. Ahriman was at this time preparing for his own incarnation in the West. He needed a global vehicle for this just as he had inspired much in the materialist culture of republican and imperial Rome, the superpower of the day. The foundations for his political vehicle were laid in the British colonies in North America, established in the reign of the first Freemason King James I, which became the Freemason-led United States. One of the characteristics of American Freemasonry, particularly in the decades following the Revolution, was that it was less concerned with arcane esoteric secrets and more with fostering natural science and social networking amongst the many businessmen and merchants who made up the bulk of prominent Masons. Ahriman had managed to insinuate his thoughts into the desiccated husk of Gnostic Semitic wisdom that was Freemasonry and he was able over the next two centuries to turn it to his own purposes. This was especially the case after the Protestant Hanoverians came to power in Britain in 1714, and the first Freemasonic Grand Lodge was established in London in 1717 that was overtly pro-Hanoverian and anti-Jacobite. British Freemasonry directed from London became ever more identified with the monarchy and aristocracy from the late 1720s onwards. An excellent and well-researched book that details the extent of esoteric Masonic influence in 18th and 19th cent America is "The Secret Zodiacs of Washington DC - Was The City of Stars Planned by Masons?" by David Ovason (London: Century 1999), published in the USA as "The Secret Architecture of Our Nation's Capital: The Masons and the Building of Washington, D.C." (HarperCollins).

At the time of Christ's first Incarnation, He was met by ahrimanic thoughts working through the materialism of the Roman Empire; these represented Ahriman's only partially successful attempt to manipulate the final socio-cultural manifestation of the ancient Luciferic wisdom of the East. Today, in the globalised New World Order dominated by the USA, Ahriman comes into his own in his own era. The Freemasonic inspiration of the USA was based on Semitic gnostic wisdom from the pre-Christian luciferic era, and luciferic forces still try to insinuate themselves into this modern polity in various ways but they are no longer in pole position; this is Ahriman's epoch and he will drive it as fast and as hard as he can, for his time in the 5th Post-Atlantean epoch (1413-3573) is short. The Second Coming of Christ ("in the clouds") has been with us since the 1930s and will apparently - according to Rudolf Steiner - last until the end of this 5th Epoch [6]. Once more the Christ, this time not working through a man on a limited piece of the physical plane but through an angel on the global etheric plane of

the biosphere, is confronted by ahrimanic forces working predominantly through the materialist culture of the superpower of the age, and indeed shortly by Ahriman himself in his own incarnation. As Judas betrayed Christ to the oligarchical priests of the Temple and ultimately to the Romans, so the Freemasons and their more modern successors in the lobby groups and thinktanks, public and clandestine, have betrayed their Gnostic roots and original impulse to individual freedom and have allied themselves with the conservative and oligarchical forces of established religion (the Church of England and American denominations) and imperial power politics: what once was good turns into its opposite. The opponent of the Old Rome has become the New Rome.

Our epoch will have witnessed and will continue to witness a titanic struggle between spiritual idealism and materialism. The republican Roman spirit with its polity based on the civic life and mores of the individual was originally a legitimate historical impulse but it became perverted by the imperial and theocratic ghosts of the previous Egypto-Babylonian epoch. Out of this perversion emerged Byzantium and the Papacy: would-be Roman Empires, both of which became increasingly decadent after the first millennium of their existence. Eventually, in the Reformation, the gnostic will to individual spiritual freedom, only partly christianised, burst through the papal chains repressing it. When the unchristianised gnostic underground surfaced in the shape of the English Freemasonic movement after 1717 and identified itself with the British Protestant Hanoverians, the Papacy saw in Freemasonry a powerful spiritual rival and moved decisively against it; the first papal bull against Freemasonry was issued in 1738. A tremendous battle spiritual then ensued behind the scenes of European developments. The Jesuits launched themselves into an assault on Freemasonry, which responded by seeding itself throughout Catholic Europe. Irish Freemasons split the Freemasonic movement in 1752 between the Antients and the Moderns, a split which lasted till 1813, while the Masons managed to achieve the suppression of their sworn enemies the Jesuit Order by the Pope himself in 1773 ! The Pope had been under pressure from the Catholic monarchs of Portugal, Spain and the Holy Roman Empire whose aristocracies were by then riddled with Masons and masonic sympathisers. The Jesuits fled to Protestant Prussia and Orthodox Russia, but managed to reingratiate themselves with the Vatican by 1814 when the Pope restored their Order together with the Inquisition..

The following century saw continuing struggle between Jesuits and Freemasons until Pope Leo XIII signalled a papal retreat in the 1890s with his accommodation to the French Freemason-led Third Republic in a bid to reposition the Vatican favourably for the new challenges of the 20th century. The Papacy, formally resolutely opposed to the bourgeoisie, then introduced the concept of Catholic Christian Democracy attempting to build solidarity with the bourgeoisie in the face of the rising power of the socialist movement. In the 20th century, the Roman Spirit of the Papacy made a further major bid for a new kind of temporal power in its efforts to influence the development of a united Europe along the lines of a new Holy Roman Empire in which, just as had been

the papal intention in the original Holy Roman Empire of Charlemagne, the dynamism of the Germanic nation (in its modern forms of France and especially Germany) would be used as the foundation of the new polity, guided by the thoughts of the Vatican. The anti-Papal transatlantic heirs of English-speaking Freemasonry (in the Bilderberg Group, Trilateral Commission, the New Atlantic Initiative and others) have responded to this by seeking to outflank the Vatican. The US government has supported the EU project at almost every step, its object being to take the whole EU under the wing of a grand transatlantic system, guarded by NATO and allied to Russia, a system which, it is intended, will be able to withstand the 21st century challenge of China. Their aim is to build not just a new European or Mediterranean Roman Empire, which is the rather pathetic rearguard action of the fading luciferic power of the Vatican, but rather, a truly global Roman Empire based on an Atlantic Euro-American Union, which will serve admirably as the vehicle for the incarnating Ahriman, the spirit who wishes to dominate the entire world and transform it into his "collective mind". Free-masonry has led to this: the creation of a global Roman Empire of materialism.

"Free-masonry" - the word itself goes to the heart of the meaning of this 5th Post-Atantean epoch (1413-3573): freedom and masonry. Freedom is a spiritual ideal. Masonry is a physical substance shaped in accordance with spiritual principles. The spiritual task of our epoch is to develop both natural and spiritual science in freedom. In this sense, "masonry" means the understanding of the physical world. Esoteric knowledge reveals that a free ego in the modern age can only develop on this basis. Such was the insight of the Rosicrucians - out of the knowledge of the death-cross of the physical world, the sense world that is given over to inevitable decay, arises the rose sun of the free spirit.

[4] Of course it can be argued that the Pilgrim Fathers and other such Protestant groups always had 'oligarchical' elders who steered their communities, but the essence of Protestantism was always that each man could interpret the Word of God as he saw fit, whether from the words of the Bible, or from charismatic individual revelation - the antidote to established oligarchy was thus always present, which of course is the reason why so many Protestant groups have proliferated: people objected to what they were told by their 'leaders' and separated themselves from them. By contrast, there was no possibility of 'separation' from the Church of Rome; excommunication meant ostracism and ultimately, death or outlaw status. Rome was a totalitarian state, just as the New Rome of the New World Order is becoming a totalitarian state. No credit card? No livelihood. No gambling on the stock market? No pension. No involvement in the freetrading, arms dealing, drug running, eco-destructive global economy? No decent standard of living. No DNA profiling? No civil rights (well, that last one hasn't quite arrived yet, but it's on its way....).

I've got an ad, where a new coin is presentet: the 10 euro, but there's just one design so far (each country has its own backside), the one from the vatican.

So far i didn't even know that rome's in the union and now i really start to doubt that it was a good move to give up our currency, to be FED with whatever comes from Frankfurt.

Remember how Beligum is the Jesuit Order's favourite Western nation due to the fact they've never done anything to the Order ever. This is why it was rewarded with leadership of the E.U!

"In the early 1980's, President Reagan signed a concordat with Pope John Paul II, making the Catholic Religion the official religion of Christian America, enforceable by law (10). For the first time in U.S. history, Reagan established formal relation with the Catholic "Holy See", acknowledging the Pope's spiritual and temporal authority over the whole world. Reagan voided the law prohibiting the expenditure of public funds for a U. S. Representative to the Vatican. This law was in effect following President Abraham Lincoln's assassination by Jesuit John Wilkes Booth under order from Pope Pius IX (10).

The Military Order of the Jesuits was founded in the XVI century by Ignatius Loyola. The goal of this order was the destruction of Christianity via the counter reformation and the Inquisition. The project failed due to the abolition of the Inquisition in the early XIX century by Napoleon Bonaparte. In 1776, Jesuit Adam Weishaupt founded the Order of Illuminati. Weishaupt's Order of Illuminati (Illuminated ones in Latin) was a revival of Ignatius Loyola's Allumbrados (Illuminated ones in Spanish). The Allumbrados formed the inner sanctum of Loyola's Jesuits some three centuries before Weishaupt. The goal of the Order of the Jesuit Illuminati was the destruction of Christianity via the three successive waves of Communism, Humanism and Ecumenism. Then the New World Order was to be implemented with the Pope as Supreme Ruler. The goal of the Order of Illuminati has been on target for the past 200 years regarding their plan to destroy Christianity (10). Pilgrimage to Israel by German bishops ends in dispute

By Mark Landler Published: March 9, 2007

<http://www.iht.com/articles/2007/03/09/news/germany.php>

FRANKFURT: A pilgrimage to Israel last week by 27 Roman Catholic bishops from Germany was meant to be a historic symbol of reconciliation between Jews and German Catholics.

Instead, after two bishops drew a link between the plight of Palestinians in the West Bank and that of Jews in the Warsaw ghetto during World War II, it has become a fresh source of recrimination.

German-Jewish groups and the Israeli ambassador to Germany condemned their comments, which were reported in newspapers here, saying they were demagogic and "verging on anti-Semitism."

"If one uses terms like Warsaw ghetto or racism in connection with Israeli or Palestinian

politics, then one has forgotten everything, or learned nothing," the Israeli ambassador to Germany, Shimon Stein, said in a statement.

The Warsaw ghetto, established by the Nazi regime in 1940 as a holding pen for Polish Jews before they were deported to concentration camps, has come to epitomize the barbarity of the Holocaust.

The top Catholic official in Germany, Cardinal Karl Lehmann, disavowed the bishop's remarks in a letter made public Wednesday to the director of Yad Vashem, the holocaust memorial in Jerusalem. But the outrage among Jews living in Germany has not yet subsided.

"I made my point. Cardinal Lehmann made his point, unfortunately a bit late," Stein said in an interview. "Now we have to find other ways to deal with this. It tells us we have a problem."

The dispute came after a trip that had been considered successful.

The bishops were met by the deputy prime minister of Israel, Shimon Peres. At Yad Vashem, Lehmann, chairman of the Conference of German Bishops, spoke about deepening ties between Jews and Catholics.

The trouble started back in Germany when newspapers published more blunt remarks by two southern German bishops: Gregor Maria Hanke of Eichstutte and Walter Mixa of Augsburg.

"In the morning, we see the photos of the inhuman Warsaw ghetto, and this evening we travel to the ghetto in Ramallah," Hanke was quoted as saying by *Suddeutsche Zeitung*, the German newspaper. "That makes you angry."

Mixa described the situation in Ramallah as "ghetto-like" and said the situation was "almost racism."

The bishops said they had been reacting to an emotional meeting with Palestinian Christians and a stop at a children's hospital in Bethlehem, in the occupied West Bank, where nurses spoke of the hardships mothers faced because of security restrictions by Israeli authorities.

A third member of the delegation, Cardinal Joachim Meisner, the archbishop of Cologne, was quoted by the *Frankfurter Allgemeine Zeitung* as likening the separation barrier in the West Bank to the Berlin Wall. "I never thought I would have to see something like this ever again in my life," said Meisner, who is from the former East Germany.

German-Jewish leaders said the bishops either had a shaky grasp of history or were

trying to draw a comparison between the genocide of the Nazis and the policies of the current Israeli government.

Hanke said in a statement that he had not intended such a comparison. In his letter, Lehmann wrote, "It is inappropriate to connect contemporary problems or situations of injustice, in any way, with the National Socialists' mass murder of the Jews."

Title: Former Jesuit worker among Indonesia crash victims

Description: *involved in convicted Australian drug sm*

Former Jesuit worker among Indonesia crash victims

Former Jesuit Refugee Service worker and King Cross, Sydney's parishioner, Liz O'Neill, is believed to have died in Wednesday's plane crash at Indonesia's Yogyakarta airport, rescuers say.

According to a Eureka Street report last night, Ms O'Neill was the only remaining presumed victim of the crash, following the official confirmation of the other four Australian victims.

The Age says that Ms O'Neill was sitting next to Fairfax journalist Cynthia Banham in seat 3F on the window.

A former student of Kincoppal, Rose Bay, Liz O'Neill worked with the Uniya Jesuit Social Justice Centre in the early 1990s, before volunteering as office manager of a Hong Kong legal project with which Jesuit Refugee Service Australia (JRS) was involved.

After working with JRS, she joined the Department of Foreign Affairs, working initially in public relations at the Press Gallery in Canberra.

She visited East Timor, Bougainville and Bali after the first bombing. More recently, Ms O'Neill worked as the spokesperson for the Australian Embassy in Jakarta.

She was awarded a medal of the Order of Australia for her selfless efforts dealing with

the 2003 Bali bombing and was thanked for her selfless commitment to victims by Foreign Affairs Minister Alexander Downer.

Prime Minister John Howard remembered the work done by Ms O'Neill in the wake of the Bali bombings.

"Liz O'Neill I've dealt with a lot and she's a great girl," Mr Howard said.

She was also involved in the high profile Schapelle Corby case, shepherding the convicted Australian drug smuggler's relatives into court and dealing with Indonesian officials, the Australian adds.

According to personal friend, Jesuit Fr Peter Hosking, Ms O'Neill was a "vibrant and restless" person dedicated to her work.

"With the events in East Timor, the Bali Bombings, the Embassy bombing, the Tsunami and Aceh, the Corby trial, the central Java earthquakes, the 'Bali 9' arrests and trial, and the various other Australian Indonesia issues, it has been a full few years for her," said Fr Peter Hosking, who is a former director of Uniya.

"She was energetic, personable and confident. She had wide interests and a good sense of humour. She was a generous and good friend," he said.

Ms O'Neill, her husband Wayne and their nine-month-old daughter Lucinda were planning a visit home to Sydney to see friends and family in about three weeks.

Nun evacuated from East Timor

In another story, the Catholic Leader reports that an Australian nun has been evacuated from East Timor and workers on another project have taken their families and temporarily relocated to the hills amid escalating tensions in the country.

Mary MacKillop East Timor assistant director, Josephite Sister Susan Connelly, who is based in Sydney, returned from the country at the beginning of this month and said it was often hard to gain a true picture of what was happening.

"I didn't feel it (the tension) while I was there but we have a Sister of Our Lady of the Sacred Heart who we brought out on Sunday and she is now in Darwin.

"She works out in the districts and couldn't get out, but it is really Dili that is the problem," Sr Connelly told the Leader.

CRAIG-OXLEY - March 9, 2007 01:20 AM (GMT)

Now folks who understand the Roman Catholic Church know that the Pope was always known as the Anti-Christ! Infact now the Jesuit Order controls the Papacy since 1814 but concreted in 1870 (Doctrines of Infallibility) this means the Superior General is the new Anti-Christ and therefore his superior would be Satan. Now folks when you realise that the RCC is the king of the hill within the Saturnalian Brotherhood and Rome is within Saturnia (Italy) it all comes forth. Peter Hans Kolvenbach simply worships EL the Planet Saturn know to most as Satan coded as 666 (6th planet Saturn). Venus is also highly worshipped and is the god of banking/finance and more on Earth. If the truth be known you would say Venus was Earth's God. Venus is what we term Lucifer and Lucifer is most definately different to Satan. So folks no longer is the Pope the Anti-Christ its Peter Hans Kolvenbach or whoever takes over the Jesuit Order. The truth is that Christ means OIL or SEMEN so an anti-christ means anti-oil or semen haha. Therefore we can deduce an anti-christ is really anti-LIFE at least from the semen/sex point of view. Jesus Christ the ANNOITED ONE [OIL] {SEMEN} haha. The Vatican love people to think their such a powerless outfit these days when infact they wield more power than they EVER did! Making out that the Pope isn't the anti-christ in this article and so forth. Don't believe the myths on Lucifer or Satan its simply planet worship code for life/creation and to simply give meaning to human life. -2tuff

Reports from Rome are stating that [Cardinal Giacomo Biffi](http://www.cardinalrating.com/cardinal_13__article_499.htm), one of [Pope Benedict XVI](http://en.wikipedia.org/wiki/Pope_Benedict_XVI) most trusted advisors, and who was chosen by the Pope to lead this years Lenten Mass to the Vatican hierarchy, has issued a [startling warning](http://www.timesonline.co.uk/tol/news/world/europe/article1459003.ece) stating that the Anti-Christ is about to begin his rule on Earth, and that Global Warming will be the one single issue that will unite the World behind what many have feared will be the ending of our age leading to mass death and destruction.

style='mso-bidi-font-size:14.0pt'><o:p></o:p></p>

<p style='tab-stops:678.75pt'>Cardinal Biffi in issuing his warning of the coming Anti-Christ quoted the 19th Century Russian philosopher Vladimir Solovyov in saying, “<i style='mso-bidi-font-style:normal'>This Anti-Christ will convoke an ecumenical council and seek the consensus of all the Christian confessions</i>”</p>

<p style='tab-stops:678.75pt'>Reports from the West do indeed appear to be supporting Cardinal Biffi's warning as the issue of Global Warming has suddenly become a rallying cry for the World's Globalists since the release of the United Nations report on Climate change, and which stated in stark terms that Climate Change is indeed overtaking our Earth due to human causes.</p>

<p style='tab-stops:678.75pt'>Not reported in the West, or in the UN Climate Report, however, are the many divergent views on Global Warming being presented by many of the World's greatest scientists, including Russian scientist Vladimir Shaidurov, and whose research points to the Great Tunguska Blast of 1908 as being the cause, and Denmark scientist Henrik Svensmark from the Danish National Space Centre, and who blames Cosmic Rays.</p>

<p style='tab-stops:678.75pt'>Most importantly being ignored by the West on the issue of Global Warming has been the research of Russian scientist Habibullo Abdussamatov, the head research at St. Petersburg's Pulkovo Astronomical Observatory, and who has issued many warnings that it is not only our Earth that is undergoing a profound period of warming, but also the other Planets in our solar system, and which is affecting Mars to the point that its vast polar ice caps are now melting.</p>

<p style='tab-stops:678.75pt'>We have further noticed in the West the vast destruction of their educational standards, and institutions, and which has led to a populace ‘<i style='mso-bidi-font-style:normal'>ripe for the plucking</i>’ by the Globalist forces intent upon uniting the World's government under a

While many different conclusions can be drawn of all the factors one thing remains true.

There's an agenda to chip everyone, and the white pope is not the black pope. The actual religion side is still religious in some ways, not entirely sold out to the beast at this point in history. The Black Pope side & the Jesuits of the N.W.O. in power has no care for religion except to defame it to bring about their One World Order. They're still a far cry off even if they kill a million people like me, there will be 10 to step up in our places unless they want to invite an early return of Jesus with all the resurrected saints of history which they also killed. (from a spiritual point of view)

This is very correct.

There is a context in which everything that is recorded in scripture about Jesus has an inner esoteric meaning which is mainly about the psycho-spiritual physiology of the human body.

Conservation of the semen (Chrism) was always considered a very important discipline in awakening spiritually in the ancient world. A "Charismatic" person was one who had well preserved the "Chrism" (Oil of Christ) and so had extraordinary energy, was

dynamic, had a magnetic personality, etc.

The cerebral-spinal fluid that the brain floats in is composed of the same elements found in the Oil of Chrism (semen), particularly high in phosphorus and lecithin. (see "Science discovers the physiological value of continence" by Dr. RW Bernard BA MA PhD http://www.atmajyoti.org/br_value_of_continence_1.asp)

It was well known also by the ancients that celibacy leads to a very good memory. This is being "full of the power and spirit of the Christ" in this context.

The parable of the foolish virgins given by Jesus - who wasted the oil from their lamps and so were rejected by the groom when he came for them to choose them as a bride has parallels to this OIL = CHRIST = CHRISM = OJAS (India) idea. With no OIL within their lamps they could not access higher consciousness (commune with the bride).

Ojas is the power to transcend the body consciousness in meditation according to Indian yoga philosophy. There is a saying in India, "If you are not chaste, don't even bother trying to meditate."

Ojas ("vitality"): the subtle energy produced through practice, especially the discipline of chastity (brahmacharya), essential to meditation (calming the mind and withdrawing the spirit from the body so that one can have astral and beyond - experiences).

Same idea in the Jesus story: - loss of the OIL keeps one "down and out" from the inner spiritual sights and visions, and confined to the "outer darkness" where "there is weeping and gnashing of teeth", so says Christ.

The ancients used to believe that "the Macrocosm is in the microcosm" of the human body. In other words, "God made man in his image", and the human body itself has all the necessary apparatus built within it to tune into and become conscious of, everything that is conscious. That is also what used to be known as the Mind of Christ (Consciousness of everything).

This is the highest state of consciousness in the universe and the ancients believed that Man had as his birthright the ability to enjoy that state of consciousness, as it was God-given to man as a possibility from the beginning. We were never made to be slaves, we were meant to share in the consciousness of the Creator, to become conscious co-workers in the Divine Plan. When the drop (the soul) merges in the ocean (God), how can one distinguish between the drop and the ocean anymore, They become One.

That is why Christ said, "I and my Father are One" And also "What things I have done (can do) even greater things shall ye do (ie., you have the same "Givens" ie., psycho-spiritual physiological equipment that "Jesus Christ" had, so just put the dormant spiritual faculties into use and you can achieve your destiny and become what "I am", one with the Father (the All Consciousness), says the Christ.

That is the great secret of the prize of human birth which the Rome Jesuit devils try to keep from humanity. They don't want us to know about our royal heritage, they want to keep us as sweepers, serving the Pope and the Black Pope, who according to them are the only ones that are "Vicars of Christ - One with Christ". Total Roman BS.

They are not only useless for one's spiritual awakening, they are positively harmful. No one needs any priest, church, rite or ritual, just as no one needs any doctor, or petrochemically-derived medicines to be well. They're all useless.

If one eats what grows on trees (see Genesis 1:29, and be vegetarian) and not eat what tries to run away from you on four legs (ie eating of dead animal carcasses), you will never be sick.

To achieve God you have to cut out all the priestly middlemen. And then go inside yourself where alone He is. Priestcraft is inimical to spiritual advancement.

Going inside means: ascend in consciousness within: start doing some meditation. Start from the 3rd eye, or ajna chakra (focus your attention at between and behind the two eyebrows with eyes closed, then use a centering device to calm the mind (known in the east as a mantra); you don't have to start below at any lower center. Learn about the chakra system, its on the Web in abundance eg,: <http://en.wikipedia.org/wiki/Chakra> . The seat of the soul in the body is at the back of the eyes. From there you can ascend into the beyond. You will have to do it involuntarily at death anyways, "Learn to die while living," says St Paul (Apollonius).

"Dying while living" means knowing how to withdraw your spirit from the body at will and then come back again all under your complete control. It can be learned. Then all fear of death is gone. Death is fearful only for those who do not know this lost science of knowing how to leave the body and astral travel.

That is true spirituality: How to conquer fear of death. Then one can fully accept life without fear of what is to come. It is all Light for the one who knows how to withdraw "in the spirit" as the Bible puts it. We live in a multidimensional reality. The physical plane is the lowest rung, there are more higher and beautiful planes which we can access here and now while in the body. A perfected man works on all planes simultaneously.

Physical, astral, mental, causal planes: you have to cross them all, before one can reach to the "Father". It is not a short journey. The wise one plans a trip ahead of time. He studies and learns of the destinations in advance and then he is not bewildered. That is why meditation is so important, knowing how to traverse in the beyond so one can be an expert in it.

In the Tibetan tradition it is said, "Only he knows how to live, that learns how to die" (consciously leave and return the spirit daily, to the body.) You can go and read

from some of the great astral libraries even now, you can do any kind of unheard of things, talk with your just deceased relatives in person (in spirit - in your astral bodies): then go to your work on the physical. The possibilities are endless, when the bridge between the planes is broken -- you are free to travel from one end of the universe of universes to the other as a free citizen of it all, a Master soul. This is what the evil ruling dark powers want to keep you from doing. They want you an earth-bound slave to their system.

In Judaism this is what is meant by "rending the veil"; piercing the veil or removing the covering on your inner spiritual sight. There is an actual inner cover over your third eye right now, keeping you from seeing at a distance, from seeing what is going on in the higher spiritual worlds. The real meaning of the tabernacle and veil in the holy of holies and all that stuff was precisely this: the Rending of the Veil, to remove it from your inner sight, and then you can see the Face of the Most High. That my friends, is what you can do if you learn to meditate properly. Then you will have the wisdom of SOLO-MON (Solar Man, Universal Man, Perfected Man), seeing all in all. The temple of Solomon is also the human body. The tabernacle is the human head. Inside is the holy of holies in the third eye, one goes within it and rends the veil to see the Light. By the force of your attention, peer through the inner darkness into the Light. The veil will be rent, and you will see into the beyond.

A Saint in Indian terminology is one who has opened the inner eye to see the Light of God. From a Saint's point of view we are all presently blind, because we have not pierced the veil, covering our inner astral-mental-causal sight.

The human body was always considered the highest form in the creation, next to God. Even the angels were asked to bow down before the man-body. So amazing in fact, that it had the ability to also become conscious of everything that is conscious just like the Godhead itself. That was considered to be the state of the perfect man, the goal of life - to evolve to the state where one becomes a perfect human being - a god realized human being, that become one with the All-consciousness itself.

Everything about the story of Jesus can be seen from this context of pertaining to the development of the perfect man. Actually even going back to the Old Testament itself, we see that psycho-spiritual physiology is also well represented.

But what happened is that when Rome got in the act they suppressed these ideas and said that "God resides in a church" not in your own human body temple. You have to go to Mass, all that stuff about the "kingdom of heaven being within" yourself is all heresy, which we will exterminate and stamp out.

And so they did.

So they built temples built of stones and mortar and crushed the real human body

temples of anyone who stood in their way who suggested that the real temple is the human body itself, and that the priests were only making outer replicas of that temple with stone and mortar.

The real temple, where God resides, is in the human body. God is nowhere outside. It was always said, if you want to meet God, you have to within your own human body temple. What do the priests do in churches and temples? They light candles and ring bells. This is just an outer replica of the fact that inside the human body temple is the Light of God and also the Sound or Voice of God, known as the "Music of the Spheres" by the ancients, beautiful enchanting sounds that stir the soul to its depths and pull it up into the beyond. One ascends on the ladder of the Light and Sound. This idea is very ancient, as far back as the earliest Vedas.

The Sound was known as the Nada or "Word" -- in the Beginning was the Word, the vibratory sound principle which created and sustains the entire creation. One hears these remarkable sounds as one goes within. The bell sound is one of them that is heard within. Also the flute.

In India, Krishna subdues the hydra-headed monster in the river Jumna (the Mind) with the sound of his flute (listening to the inner sound within, tames the Mind). Mind is the main obstacle between man and God. It is the "Satan" which must be controlled, as it's many desires takes one into the myre of the sense pleasures. Also it is ensnared in lust, anger, greed, attachment and egotism which also trap the ascending soul. The mind has to be subdued and tamed on the inner spiritual journey. It is the "dragon" of the Book of Revelations which must be subdued. Then the seven seals (chakras) can be crossed to reach the New Jerusalem (the inner spiritual planes).

Christ also said, "If thine eye be single, thy whole body ashall be full of Light." The meaning of this has been lost, due to Rome. But in the East, it is well known that if one "makes one's eye single" ie., activates the "third eye" or ajna chakra, found between and behind the two eyebrows in the astral body (the energetic matrix interpenetrating the physical body which sustains it with vital force coming down from the soul itself), one's inner vision "lights up" and one can have clairvoyance, clairaudience, -- Chists's seeing at a distance which is well recorded in scripture.

These are birthrights of being a human, you can develop these faculties which are now dormant. But that cuts out the middleman - the priests - so Rome has always ruthlessly suppressed any knowledge of these freeing ideas coming from study of the life of Jesus himself, which is really esoteric psycho-spiritual physiology :: knowledge of your OWN BODY and its wonderful almost limitless capabilities.

Dylan a False 'Prophet,' Says Pope Benedict
Current Pope Did Not Want John Paul to See Singer in 1997
By PHILIP PULLELLA, Reuters

VATICAN CITY (March 8) - Pope Benedict was opposed to Bob Dylan appearing at a youth event with the late Pope John Paul in 1997 because he considered the pop star the wrong kind of "prophet," Benedict writes in a new book issued on Thursday.

Benedict, who was Cardinal Joseph Ratzinger at the time of the concert in Bologna, Italy, makes the disclosure in a new book of memoirs about his predecessor, who died in 2005.

"There was reason to be skeptical, -- I was, and in a certain sense I still am, -- to doubt if it was really right to let these types of prophets intervene," Benedict writes, only mentioning Dylan among the stars who appeared.

At the 1997 concert, Dylan, the anti-conformist troubadour of the 1960s and one of the 20th century's greatest influences on popular music, sang three songs before the Pope as part of a concert that included a number of other, mostly Italian artists.

Dylan sang "Knockin' on Heaven's Door," his 1960s anti-war classic "A Hard Rain's A-Gonna Fall," and "Forever Young," a song of hope and courage.

In his new book, Pope Benedict does not explain why he does not like Bob Dylan or why he considers him a false "prophet."

Benedict is a lover of classical and sacred music, and an accomplished classical pianist. Last year, he canceled the Vatican's traditional fund-raising Christmas concert, which was a magnet for pop stars.

Dylan, born Robert Zimmerman into a middle-class Jewish family in Minnesota, has been at times agnostic, Jewish and a born-again Christian during his musical career.

At the 1997 concert, John Paul referred to what is perhaps Dylan's most famous song, "Blowing in the Wind," which became an anthem for young people seeking meaning in life in the 1960s.

John Paul told the crowd of some 300,000 young Italian Catholics that the answer was indeed "in the wind" -- but not in the wind that blew things away, rather "in the wind of the spirit" that would lead them to Christ.

After Dylan sang, he took off his beige cowboy hat and went up to a podium to greet John Paul.

Benedict's new book, called "John Paul II, My Beloved Predecessor," is mostly a reflection on John Paul's personality and his religious writings.

Methinks the pope doth protest too much. Bumper sticker wisdom states:"Don't Steal!, the goverment hates competition". False prophecy is the domain of the rcc. The Heavenly Father has used knaves and saints(one who kept all the laws) to further His Plan. Personally I really like Bobs earliest material.say up to Highwat 61. But to this day,40+ years later,his tune "Masters of War" still moves me profoundly. It bespeaks a wisdom beyond his years and experience. If the fools in our congress would listen to this one tune every morning and heed its message,we would not be in the situation we are in today.

Dylan caused rift at the Vatican
Richard Owen in Rome
March 08, 2007

BOB Dylan and the pope were an unlikely double act for a rendition of the 1970s anthem Knockin' on Heaven's Door. But even the crowd of pop fans who were brought to their knees by the appearance of pope John Paul II alongside Dylan could scarcely have imagined the rift that it caused.

The pope's chief aide, the former Cardinal Joseph Ratzinger, was so appalled at the prospect of the pontiff sharing a platform with the "self-styled prophet of pop" that he tried his utmost to stop the spectacle. The Pope overruled him.

The cardinal, now Pope Benedict XVI, says in a book to be published next week that while he agreed with his predecessor on most matters, he did not share his liking for pop music. "There was reason to be sceptical, and I was," Pope Benedict writes in the book, *John Paul II, My Beloved Predecessor*. "Indeed, in a certain sense I still am today."

At the concert in Bologna, attended by 300,000 people in 1997, Dylan – who was born into a Jewish family in Minnesota but later flirted with Christianity – sang Knockin' on Heaven's Door and A Hard Rain's A-Gonna Fall, his antiwar classic, with Forever Young as an encore.

He did not sing his 1963 hit Blowin' in the Wind, but John Paul II – who was known for his showmanship and media skills – showed his familiarity with the song and based his homily on it in an effort to connect with the audience.

"You say the answer is blowing in the wind, my friend," he said. "So it is: but it is not the wind that blows things away, it is the breath and life of the Holy Spirit, the voice that calls and says, Come!" This brought the house down. The pope added: "You ask me how many roads a man must walk down before he becomes a man. I answer: there is only one road for man, and it is the road of Jesus Christ, who said, 'I am the Way and the Life'."

Pope Benedict says that he "doubts to this day whether it was right to let this kind of so-called prophet take the stage" in front of the pope. He admits that John Paul did get across a spiritual message that was otherwise largely "ignored by the entertainment industry".

Pope Benedict has said that rock music is the work of Satan and last year he cancelled the fundraising Christmas pop concert at the Vatican, which under John Paul II had run for 13 years. He may have been wary of a repeat of the 2003 concert, when American singer Lauryn Hill called on Church leaders to "repent" over sexual abuse by clergy, or 2005, when Daniela Mercury, the Brazilian singer, was dropped from the show in case she promoted the use of condoms to prevent Aids.

Pope Benedict is known to favour Mozart and Bach, and was always unlikely to enjoy

chatting – as John Paul did – with singers. He opposes the use of guitars during Mass, telling priests that “the liturgy is not a theatrical text, and the altar is not a stage . . . It is important not to become merely actors in a spectacle.”

<p class="MsoNormal" style="MARGIN:0in 0in 0pt;">More revelations about the untimely death of former Jesuit priest, Fr. Alberto Rivera, surfaced this week when his widow, Nury Rivera, said Vatican emissaries offered her a million dollars if she signed a paper claiming her husband was insane and delusional.</p>
<p class="MsoNormal" style="MARGIN:0in 0in 0pt;"> </p>
<p class="MsoNormal" style="MARGIN:0in 0in 0pt;">Rivera told her story Monday on Greg Szymanski's radio show, The Investigative Journal at
www.republicbroadcasting.org, telling listeners after her husband tried to inform the world about Vatican corruption, he was first discredited and then assassinated in the 1990's on direct orders

by the Jesuit Order.

"They poisoned him and I am 100 per cent sure of that," said Rivera, adding they killed her husband

after defecting from Vatican treachery and trying to tell the truth about the real intentions and satanic practices of the Jesuit Order. "He worked in the Vatican directly under the former Jesuit Gen. Fr. Pedro Arupe and then was assigned the task to infiltrate Baptist and Protestant churches in

America. When he found the Lord, he wanted to inform the world how the Vatican and Jesuit Order have infiltrated the top governments and religions of the world.

"For this he was killed and for this I was nearly killed as well. I am not afraid of these evil people and will speak against them for the rest of my life. After my husband was murdered, the

Vatican tried to bribe me, but I refused. They then came to me and said if I divulge Alberto's grave site, they will financially take care of me and my son for the rest of our lives.

"You see, these evil men wanted to take Alberto's remains back to the Vatican. This clearly demonstrated their satanic intentions. And I ask the question if Alberto wasn't a Jesuit priest, as the Vatican put forth with their lies, then why would they want to bribe me, saying he was crazy and why would they want to take his remains back to the Vatican? Also, why would they want to eliminate me after they knew I wouldn't cooperate with their demands"

Rivera said these actions should clearly prove to the world that Alberto was telling the truth.

"Why would they do this if what Alberto preached and what I and saying, is not the truth," added Rivera. "After Alberto was killed,

they even came to me saying if I told them where he was buried that I would be taken care of for life. I, of course, refused because they wanted to take his body back to the Vatican because these men worship death, not life and the beauty of God."</p>

<p class="MsoNormal" style="MARGIN:0in 0in 0pt;"> </p>

<p class="MsoNormal" style="MARGIN:0in 0in 0pt;">According to other researchers who have documented satanic rituals and worshipping taking place in the bowels and secret catacombs of the Vatican, Rivera's bones were to be placed among the bones of many others throughout history who have tried to alert the world about Vatican and Jesuit secrets.</p>

<p class="MsoNormal" style="MARGIN:0in 0in 0pt;"> </p>

<p class="MsoNormal" style="MARGIN:0in 0in 0pt;"> </p>

<p class="MsoNormal" style="MARGIN:0in 0in 0pt;"> </p>

<p class="MsoNormal" style="MARGIN:0in 0in 0pt;">"I think people can see the truth once they see how they have tried to cover-up Alberto's life and death," added Rivera. "The Vatican hierarchy worships evil and the devil. They are in the midst of taking over America, infiltrating the governments and religions of the world in order to make everyone loyal to the Pope's rule.</p>

<p class="MsoNormal" style="MARGIN:0in 0in 0pt;"> </p>

<p class="MsoNormal" style="MARGIN:0in 0in 0pt;">"Alberto tried to tell the world about their plans for America and how they were putting people in power who were loyal to the New World Order and the Pope and not to their own countries. Their evil knows no boundaries and when Alberto tried to alert people, they had him killed.</p>

</p>

<p class="MsoNormal" style="MARGIN:0in 0in 0pt;"> </p>

<p class="MsoNormal" style="MARGIN:0in 0in 0pt;">"I have always been open and honest about what happened to Alberto and the message he was trying to get out. I love America and it is difficult to see what is happening here."</p>

<p class="MsoNormal" style="MARGIN:0in 0in 0pt;"> </p>

<p class="MsoNormal" style="MARGIN:0in 0in 0pt;">Rivera said during the one hour radio interview that her

husband's story should act as an inspiration for all truth seekers, adding she has a ministry dedicated in his name to help Catholic priests and nuns who want to leave Rome's vice-grip and tell the truth like her husband.

"We proved a place of refuge for all nuns and priests who want to leave the Roman Catholic institution, but feel frightened and have no place to go," said Rivera. "The truth is the only thing that sets you free and Americans need to identify the real enemy trying to steal their minds, bodies and souls."

And as Rivera said, the Fr. Rivera story has been a well kept secret from mainstream America since it directly indicts the real evil-doers - The Vatican and Jesuit Order.

"I will speak loud and clear about the evils of the Vatican for as long as I live until everybody starts listening," added Rivera.

Book: "The Roman Catholic Church in Italy" by Alexander Robertson, DD (1903)

Page 51 of said book:

The position of Pope Leo XIII. in the Church to-day is simply that of a slave of the Jesuits. This is so universally recognized in Italy that when he says or does something outrageously disloyal the Italian press as a whole regards him in pity, rather than in anger, reserving its indignation for the Jesuits, saying, "Povera creatura (poor creature), he has to do what he is bid." The General of the Jesuits, the 'black Pope,' is the real and only Pope. The one who bears the title is but a figurehead.

Page 52

It is the Jesuits' policy he pursues, their voice that speaks through him, their hand that guides him.

When illustrating this fact to me, Count Campello, who was a great friend of the late Pope Pio Nono, drew a circle, and said, "Within that circle he is free; if he crosses it, he is a dead man." That is to say, in minor affairs he has a certain amount of freedom, but the moment he dares to act for himself in important matters, against the will of the Jesuits, he runs the risk of being got rid of, and the means the Jesuits threaten to use for this purpose is that one so indelibly associated with their name and history, poison. There is no exaggeration in the late Emile Zola's reference to this in his Rome, when he represents Pierre saying, "What! Poison? Again? The Pope poisoned!" To which Prado answers, "Why, yes, poison,...poison with all it's legends, poison which kills like lightening and leaves no trace, the famous recipe bequethed from age to age, through emperors and the popes."

Alexander Robertson, author of *The Roman Catholic Church in Italy*, has a lesson and a warning for ecumenists that is as valid today as it was when he wrote it in 1906:

"I believe that the greatest enemy Great Britain has at the present moment is the Roman Catholic Church. That Church - 'found out' in Italy, in France, in Austria, and more or less in every other Roman Catholic country, is turning its attention most particularly, almost exclusively, to Great Britain, the conquest of which is her main aim and object; for victory here would mean, more or less, victory everywhere. Her hope of success lies in the fact that whilst in every other European country she is tied down, to a greater or lesser degree, by penal statutes, in Great Britain she has a free hand. Not only so, but in Great Britain she is not regarded as an enemy at all, but as a sister Christian Church, and as such she is actually in favour in many quarters, and it is considered fashionable and generous to speak well of her, and to aid her in her propaganda. How Great Britain can conduct herself in this way in the face of her own past history, in which the Papal Church stands disclosed as her bitterest and most cruel enemy [...] is a mystery. How Britain can befriend the Papal Church in face of present-day facts [...] is also a mystery. [...] Everywhere the Roman Catholic Church seeks political power, encroaching on the civil sphere, interfering with the subject in the discharge of [...] his duties [...], and seeking to terrorise him into placing the interests of his Church before the interests of his country."

Writing in 1903, Alexander Robertson, who long resided in Italy, made the following observations:

On May 18, 1849, SOME THREE THOUSAND COPIES OF THE NEW TESTAMENT, ACCORDING TO THE MARTINI VERSION, WERE SEIZED AND DESTROYED IN TUSCANY. Priests have told me that even they were not allowed to possess a Martini Bible without the Papal consent, and that the very fact of applying for such consent would bring them under suspicion, and so damage their prospects in the Church. Therefore, they said, 'WE HAVE NO BIBLES.'

A daily newspaper in giving an account of a discussion being carried on between a layman and a clerical in regard to the falsification of the Ten Commandments by the Church, which omits the Second Commandment entirely, and divides the Tenth

Commandment into two to make up the number, relates the following dialogue:

"Layman. 'Go and get a Bible.'

"Clerical. 'A Bible, and where?'

"Layman. 'What! In a country of Catholics you cannot find a Bible! What kind of Catholics can you be?'

"Clerical. 'I suppose the priest may have one.'

"Layman. 'But the priest has not a genuine one. Go and get a Diodati Bible.'

"Clerical. 'And who has such a thing?'

"The newspaper commenting on this, says: 'Do you understand, O reader? IN A VILLAGE OF THREE THOUSAND INHABITANTS NO BIBLE COULD BE FOUND. And yet you call yourselves Catholics, religious people, believing people!'

"Students are not taught the Bible in the Papal seminaries. They have many text-books--Alfonso de Liguori's especially--but no Bible. Count Campello, ex-Canon of St. Peter's, was trained in the Academy of Noble Ecclesiastics, the highest training college in Rome (to which once only men of noble birth were admitted, but into which now not one such can be induced to enter), and yet DURING ALL HIS YEARS OF STUDY HE NEVER EVEN SAW A BIBLE" (Alexander Robertson, *The Roman Catholic Church in Italy*, 1903, pp. 211-215).

HISTORY OF GEELONG PARISH

Ukrainian Catholic Church

As throughout, the other parts of Australia where the first migrants settled in 1949, equally in Geelong the first migrants were organizing themselves into national and religious communities. Here they would attain through their actions far from their distant motherland, the retention of their religious beliefs and bestow to the future generations, love for their church, care for their mother tongue and respect for their heritage.

Looking around at the past achievements here in Geelong, one finds it extremely difficult to believe that only 50 years has passed since the first foot was set on the bare fields of Bell Park. In the space of a short time those bare fields have yielded a beautiful church in honour of "Our Lady of Protection" a parish home and spacious grounds.

Looking back at the past plight in their homeland, under the occupation of various oppressors, great courage was needed to forge ahead into this new land. With great energy a school, a community hall and a youth centre has been built. One must further ask "How much love and trust do these people have in their God to leave their homeland that they loved with a burning fire in their hearts and arrive on the shores of Australia with nothing more than the shirts on their backs?"

The Beginnings.

The beginnings of the life of the Church and its people, the Ukrainian Catholics of Geelong were very closely bonded with the life of the Church and its people in Melbourne. Because the parish of Melbourne is only 70 km from the Geelong Parish, one could openly say that in many instances the Geelong Parish played a supporting role to the Cathedral in Melbourne. The two parishes are united further by the fact that until 1977, when Fr. Zenon Chorkawyj became the first parish priest in Geelong, a priest would travel to Geelong every Sunday and Holy Day to celebrate the Divine Liturgy with the Geelong People.

Looking back at the situation and listening to the related stories of our past parishioners one can quite safely surmise that the first Divine Liturgy celebrated in Geelong for the Ukrainian Catholics was in 1949 at the Church of Sts. Peter and Paul by Father Smal. The liturgy was celebrated on Sunday, July 31, 1949. Later liturgies were celebrated in other churches – St. David, St. Roberts and St. Bernards. With the arrival of Fr. Ivan Prasko (in 1958 he was ordained as Bishop of Australia and New Zealand) the Divine Liturgies were celebrated once a month in Geelong. Between 1951 and 1955, Divine Liturgies were celebrated at the St. John Church. After Fr. Mykola Ivanco arrived, the Divine Liturgies were celebrated at the Holy Family Parish in Bell Park. At this time there was no designated parish as such and therefore a large number of Ukrainians were not aware of events, occurrences or times of the Divine Liturgies.

The last Sunday in March 1955, saw the first meeting of Geelong Ukrainian Catholics under the guidance of Fr. Ivan Prasko. This was held at the Holy Family Parish. **It was here that the decision was taken to establish the Church Brotherhood with the guidance of Fr. Mykola Ivanco. This became a reality on August 26, 1956. The Brotherhood was under the patronage of St. Volodymyr and the first president was Mr. Myhajlo Pidhajni. The Brotherhood committee members chosen were: Mr. Philip Horban, Mrs. Maria Duma, Mr. D. Kulibaba, Mrs. Anna Kalenjuk, Mr. Teodor Dzwonczyk, and Mr. Stanislaw Bereza. The chosen auditors were: Mr. Peter Skyba, Mr. Andrij Zaleskyj and Mr. Volodymyr Bobeckyj.**

It was decided at that first general meeting to build our own church and certain members immediately pledged verbally and by giving monies for this cause. At the committee meeting of July 21, 1957, it was announced that a plot of vacant land was in the process of being purchased with the specific aim of erecting a Ukrainian Catholic Church in Bell Park. **With this news, it was decided to choose a number of faithful to go and visit the parishioners and collect funds to achieve the projected goals for our own Ukrainian Catholic Church on Geelong soil. These first collectors were: Mr. P. Seniw, Mr. A. Napirko and Mr. Hnatyszyn. To assist the collectors was to be Mr. S. Bereza and Mr. P. Javni. On February 15, 1958, Metropolitan Maxim Hermaniuk from Canada blessed the plot and the foundation stone. This was a sign that our dream was in the process of becoming a reality. On September 14, 1958, Mr. Petro Seniw was elected as the president of the Brotherhood of St. Volodymyr. On October 11, 1959, Mr. Stefan Teplyj was elected as the next president.**

The Church in Australia was growing. On October 19, 1959, a large number of the Geelong faithful traveled to St. Patrick's Cathedral to witness the consecration of Fr. Ivan Prasko as the first bishop of Australia. On February 4, 1962, the foundations were excavated. A German architect, V. Kuelmar drew up the plans for the church. The head of the Building Committee was Mr. Stanislaw Bereza. He vigorously, threw himself into both the leadership role of overseeing the future of the building program and in company of a large number of parishioners physically led from the front on the actual

building site. In 1965 the external walls, together with the steel frame for the roof and domes were completed. This was a solidifying and uniting time for the people with having one goal in mind that "Our church will be built in Your Honour, Our Lord." The tasks performed, be it menial work, overseeing, collecting funds, etc. was done by one and all from the eldest to the youngest who gave up their pocket money just to see their church completed: Those were the days of the pounds, shillings and pence, - the three penny ice cream, the lunch for a shilling and the other shilling donated to build the Church.

On Sunday, October 16, 1966, Bishop Ivan Prasko blessed our new Church. On these Australian shores, upon a once barren plot, amongst the chooks and the weeds, the Church was blessed and placed under the patronage of "The Protection of the Most Holy Mother of God".

To those of us present, this was the end of one dream, but only a beginning towards a greater future. We now had what every Ukrainian prays for, "their own Church". Within these newly erected and sanctified walls, all the people who stood as one, joined as one within these walls to thank God for His infinite goodness.

1949 July 31 - Fr. Pavlo Smal celebrated the first Ukrainian Catholic Divine Liturgy at St. Peter and Paul Church.

1950 February - the first trustees were appointed.

1954 witnessed the First Holy Communion.

1956 August 26 - the Brotherhood was established.

1957 - Land was purchased for the new church.

1958 February 15 - Metropolitan Maxim Hermaniuk blesses the plot and the corner stone.

1962 February 4 – The foundation of the church was initiated.

1966 June 19 – Two plots were purchased on Alder Crescent with the intention of constructing a parish rectory.

1966 October 16 – Bishop Ivan Prasko blessed the Geelong Parish Church.

1969 - two plots were purchased on Alder Crescent, at the rear of the Church, with the intention of erecting a parish home to house our own parish priest within the Church precincts and not have a priest visit on a weekly basis or whenever required.

1969 October 13 - His Beatitude Patriarch Joseph Slipyj graced our parish with his presence.

1969 – The mosaic of the Protection of the Mother of God at the front entrance of the Church was blessed.

1970 – 71 – Fr. Zenon Chorkawyj commenced painting the icons in the Sanctuary and the lower walls of the church.

1971 – Bishop Gabriel Bukatko visited the parish.

1974 September 19 – Foundation was laid for the parish rectory.

1977 February 15 - Bishop Ivan Prasko blessed the parish home. A decree was given and officially our parish came into being with Fr. Zenon Chorkawyj as the first resident

pastor.

1977 Fr. Zenon Chorkawyj worked again towards completing the rest of the icons in the church.

1977 September – First church bulletins were printed.

1978 April 9 – Chandelier was blessed.

1980 January 27 – Iconostas was blessed.

1984 September – Parish Mission with Fr. Olinyk.

1984 October – Blessed the Icon of Zarwanicha.

1985 October 20 – Foundation of the Bell Tower was blessed.

1986 March 30 – Patriarch Myroslaw Ivan visited the parish and blessed the bells.

1987 March 30 – Bishop Ivan Prasko blessed the Bell Tower.

1993 May – Bishop Peter Stasiuk came to Australia as the second Ukrainian Catholic Bishop.

1993 June – Fr. Danilo Nowak was assigned as parish priest.

1994 March 19 – Melbourne Cathedral Youth Choir had a concert.

1994 September – Sister Maria Moravski, SSMI and Sister Cecilia Fystor, SSMI arrived to establish a mission home in Geelong.

1994 – Youth for Christ organized in Geelong.

1995 January 15 - Bishop Peter Stasiuk blessed The Sisters Servants of Mary Immaculate "Annunciation Home" in Geelong.

1996 – Sr. Marijka Konderewich, SSMI celebrated her entrance into the novitiate of the Sisters Servants of Mary Immaculate.

1997 – Third Youth For Christ Gathering held in Geelong.

1997 October 11 – Felix Figurek was ordained to the diaconate.

1998 October – Fr. Peter Struk was assigned as parish priest.

1999 May – Fr. Felix Figurek was assigned as parish priest.

1999 July 13 – Bishop Lubomyr Husar, Assistant to Patriarch Myroslaw Ivan visited from Ukraine.

The Roman Catholic Church in Australia is part of the worldwide Roman Catholic Church, under the spiritual leadership of the Pope and Curia in Rome.

There are an estimated 5.1 million baptised Roman Catholics in Australia, 28% of the population, a plurality, **making it Australia's largest single Christian denomination (larger than "Protestants" and "Anglicans" combined).**

In Australia's seven archdioceses and 32 dioceses there are an estimated 3,000 priests and 9,000 men and women in Catholic orders.

Until the 1986 census, Australia's most populous Christian faith was Anglican. Since then, Roman Catholics have outnumbered Anglicans in Australia and the percentage is rising. One rationale to explain this relates to changes in Australia's immigration policy, people more recently coming from a more diverse range of countries rather than predominantly the United Kingdom. While Roman

Catholicism is now the largest denomination in Australia, active participation seen in church attendance is low as Australians are not overtly religious[1].

OVERVIEW: Australia's Ukrainian Catholic Church

The history of the Ukrainian Catholic Church began when Ukrainians began migrating to Australia in 1948. They came from a background of persecution to a nation free of the darkness they had experienced, but also to a nation without the foundation of Ukrainian community to nurture them.

These migrants were from all age groups and a variety of different backgrounds, although the majority were quite young - between 18 and 25 years of age. Many did not intend to remain in Australia but wanted to rebuild their shattered lives and return to Europe. Nevertheless, these men and women gathered together as Ukrainians and a unique Ukrainian community began to develop.

The Ukrainian Catholic Church, the faith most of these immigrants brought with them, did not exist in Australia. During the early 1950s there was only a loose association of young Ukrainian clerics and older clerics from Canada, operating under the jurisdiction of the Roman Catholic Church, to serve the spiritual needs of this infant community.

The first official Ukrainian Catholic liturgy in Australia is considered to have been celebrated by the Rev. Paul Smal on August 13, 1949, in a chapel next to St. Patrick's Roman Catholic Cathedral in Melbourne. It is known, however, that the Rev. Smal also celebrated divine liturgies in the migrant camps in Bonegilla prior to his coming to Melbourne. In South Australia, the Rev. Dmytro Kachmar celebrated the first liturgy in that state on September 25, 1949.

It was not until 1958, when the Rev. Ivan Prasko was consecrated bishop, and an exarchate, to which he was appointed, was established in Sydney, that the Ukrainian Catholic Church became an entity in its own right in Australia. Very soon after that establishment, Bishop Prasko petitioned the Vatican to move the seat of the exarchy to Melbourne, where it has been since that time. The exarchate provided a legal framework for the Church which, in turn, provided structure for the community.

In October 1958, the Church held its first conference of clergy that was attended by Metropolitan Maxim Hermaniuk, leader of the Ukrainian Catholic Church in Canada, and Archbishop Buchko, leader of the Church-in-exile in Rome. These senior clerics brought with them much-needed experience and were able to provide some initial direction to the newly established Church and its community.

It was at this time that many migrant Ukrainians began to realize that they would not be returning to Europe and that Australia was now their home and with that realization came the determination to build their future in this country.

The middle years

The period from the late 1950s to the late 1970s was one of energetic building for the Ukrainian community. A critical element in the success of this building process was that the Ukrainian Catholic Church, under the inspirational leadership of Bishop Prasko, was able to provide a focus and to hold the community together in a sense of common purpose. The Church was the genesis of the Ukrainian community and identity in Australia.

Bishop Prasko was a remarkable man who united Ukrainian Catholics in Australia and New Zealand. It was his organizational skill and leadership that brought together a people who were scattered across the nation. During the early days of the eparchy, he, together with his clergy and the Ukrainian community, established parishes, church councils, convents, youth groups and choirs, and many other community and welfare agencies. In 1960 the bishop established the first Church magazine, which later became the newspaper "Church and Life." It was his vision that built the Church that exists today.

The Church rapidly expanded the number of its parishes in Australia; there are now Ukrainian Catholic parishes in most capital cities and other provincial cities in this country. Each church has a cantor and most parishes have established formal choirs, including the now famous Cathedral Youth Choir of the Melbourne parish.

During the early 1960s three young Ukrainian men left Australia to study to be priests at the Ukrainian Catholic seminary in Rome. They were ordained in 1967 and returned to Australia as the first priests ordained specifically for the Church in this country. This was a milestone in the journey of the Ukrainian Catholic Church in Australia.

In the same year, the first group of Basilian Sisters arrived from Argentina to support the work of the Church.

A very significant influence on the Church in Australia resulted from the visits of Patriarch Josyf Slipyj in 1965, when he was major archbishop, and again in 1973 after he had been named cardinal. He helped shape the Church in Australia by encouraging Ukrainians here to honor their past by maintaining their religion, their cultural identity and their language.

The later years and the present

With Bishop Prasko at its head, the exarchate, which was a temporary institution, became an eparchy in 1982. The establishment of the eparchy meant that the Ukrainian Catholic Church in Australia had become a permanent entity, taking its place as a separate but participating part of the Catholic Church in Australia.

In 1988 the Millennium of Christianity in Ukraine was celebrated throughout the world. Worldwide celebrations took place in Rome, and a large delegation of Australian parishioners participated in the international celebrations there. The Church in Australia organized events throughout the country and 500 people took part in the national celebration in Canberra.

The visit in 1985 by the head of the Ukrainian Catholic Church, Cardinal Myroslav Ivan Lubachivsky, to his Church in Australia, was another important event. The visit was particularly significant because it provided the Australian Church with a connection to the Ukrainian Church throughout the world.

Also a significant influence was the 1991 visit by Bishop Pavlo Wasylyk from Ukraine. Bishop Wasylyk was the first bishop from the former Church-in-the-underground to visit Australia and, as such, he represented the emergence of the Ukrainian Catholic Church from a long period of oppression in the Soviet Union.

These connections helped the Church and the Ukrainian community in Australia refresh their bonds with the universal Ukrainian Catholic Church, in the same way as the visits by Patriarch Josyf over a decade earlier had inspired Ukrainian Catholics to take pride in and honor their cultural and religious heritage.

In 1993 the Rev. Stasiuk was appointed bishop of Australia following the resignation of Bishop Prasko. He had been the rector of St. Vladimir's Minor Seminary in Roblin, Manitoba prior to his appointment. Bishop Stasiuk build the Ukrainian Church in Australia and is particularly keen to have the Church and its teachings more widely known in this country.

Bishop Stasiuk is a member of the Australian Council of Churches and is very active in the Australian Bishops' Conference, where he is secretary of the Migrant and Refugee Committee and a member of the Ecumenical Committee.

Since his appointment, Bishop Stasiuk has introduced the Youth for Christ Movement, the "God With Us" catechetical series and established a center to serve the needs of catechists of the eparchy. He has also welcomed nuns from the Sister Servants of Mary Immaculate to Australia to undertake educational and parish duties and to join with the Basilian Sisters in supporting the work of the Church.

In 1994 the Church in Australia began a major consultation process with its laity to discover their vision, concerns and hopes for the Ukrainian Catholic Church. During this process, the Eparchial Sobor, several parishioners were prepared represent Australia in two Patriarchal Sobors held in Ukraine. The level of participation and preparedness of the Australian delegation has been internationally recognized.

Concern about events in Europe led the Ukrainian Catholic Church and the

Ukrainian community to establish a special committee in 1995. That committee's goal was to find ways to assist Ukrainian refugees to come to Australia and to raise awareness of the plight of Ukrainians in Bosnia and the former Yugoslavia. At that time few Australians had a proper understanding of what was happening in Bosnia. The committee alerted Australia to the terrible phenomenon of "ethnic cleansing" by using media outlets and press conferences, by urging that the matter be raised in the Federal Senate, and by involving the Bishops' Conference.

The government changed the immigration clause related to Yugoslavia, and this enabled a number of people to come to this country as refugees. The committee is still operating and is in continuous contact with Ukrainians in Bosnia.

Paul Babie holds a BA in sociology and politics from the University of Calgary, a BThSt from Flinders University, a LLB from the University of Alberta, a LLM from the University of Melbourne, and a DPhil (Law) from the University of Oxford. His LLM thesis was entitled *The Implementation and Operation of Transferable Water Entitlement System in Alberta: Applying the Victorian Experience to a Similar Socio-legal Setting* and was published by the Government of Victoria. His doctoral thesis was entitled *Crown Land in Australia*. He is a Barrister and Solicitor of the Court of Queen's Bench of Alberta, Canada, and between 1992 and 1994 was an Associate-practising natural resources law, corporate/commercial law and securities law-with what is now Borden, Ladner, Gervais, Canada's largest national law firm. Between 1994 and 1995 he was Lecturer in Law at the University of Melbourne, and from 1996 until 1998 he was Tutor in Law at St Catherine's and Balliol Colleges, Oxford. In 1999 he was appointed Lecturer in Law at the University of Adelaide, where he teaches property, property theory, Roman law, native title, and torts.

Paul is an active and widely published researcher, working mainly on law and religion, especially the intersection of private property theory and Christian theology and the

nature of religious law. He is an expert in the history of the Ukrainian Catholic Church in Australia and the canon law of the Eparchy for Ukrainian Catholics for Australia, New Zealand and Oceania; he regularly consults on these matters.

In 2002, Paul was ordained a Sub-deacon, in 2003 a Deacon, and in 2004 a Priest of the Ukrainian Catholic Church. **He sits on various Committees and bodies of the Ukrainian and Roman Catholic Church.**

Paul is married and he and his wife have a wonderful daughter.

Online Extra: Supreme Court Justice Clarence Thomas Speaks

Justice Thomas talks about the lasting influence of the man who guided him through his years at Holy Cross and why he's not a beneficiary of affirmative action

Of all the influences in the life of Supreme Court Justice Clarence Thomas, little attention has been paid to the Reverend John E. Brooks. During his time at Holy Cross and in the years since, the Jesuit priest has been, in Thomas' words, "a combination of friend, uncle, priest, father, saint, Good Samaritan."

In this exclusive interview with BusinessWeek senior writer Diane Brady, Thomas reflects on racial politics, his job, his college crowd, and the influence of Brooks on his life. Here are edited excerpts of their conversation:

Thank you for meeting with me.

Father Brooks asked me to do it. One of the reasons I don't do media interviews is, in the past, the media often has its own script. One reason these stories are never told is that they are contrary to the script that people play by. The media, unfortunately, have been universally untrustworthy because they have their own notions of what I should think or I should do.

Why is Father Brooks such an important person in your life?

That was an era of in loco parentis. It was a transition period unlike today when you have these notions of race entrenched. It was a time, actually, when there was no set road map for kids. Father Brooks understood something intuitively, that we were just kids. He knew we were from a lot of different environments.

Father Brooks made a point of trying to recruit a lot more African Americans to campus in the months before you came. Do you think that recruitment drive helped you?

Oh no. I was going to go home to Savannah when a nun suggested Holy Cross. That's how I wound up there. Your industry has suggested that we were all recruited. That's a lie. Really, it's a lie. I don't mean a mistake. It's a lie.

I had always been an honors student. I was the only black kid in my high school in Savannah and one of two or three blacks in my class during my first year of college in the seminary. I just transferred. I had always had really high grades so that was never a problem. It was the only school I applied to. It was totally fortuitous....The thing that has astounded me over the years is that there has been such an effort to roll that class into people's notion of affirmative action. It was never really looked at. It was just painted over. Things were much more nuanced than that....You hear this junk. It's just not consistent with what really happened.

What did Father Brooks do?

Father Brooks realized that we needed to be nurtured—not that we needed it every day—but that we were going to have unique problems. When you have six blacks in a class of 550 kids, you need that. We all came from very different backgrounds. That's something that gets lost in this weird notion of race—that somehow you can come from New York and Savannah and Massachusetts and somehow you're still all the same. That's bizarre, and it denigrates individuals. Father Brooks understood that. He saw people who were individuals who happened to be black who had very different outlooks.

What was your mind set when you got to Holy Cross?

I was a kid. I was confused. I was 20 years old. I had no place to go. I had no precedent for anybody going to college. I had no precedent for anybody being in New England. I had no road map. I didn't know anybody to call. I had nobody to talk to. I had nobody to give me advice. Now, what do you do? You were just a kid, trying to make all these choices.

Were you angry?

Sure. I was upset. I was upset with a lot of things. You get there and you sort it out. Look at that neighborhood there [Thomas points to a photo of a desolate strip in Georgia]. How do you go from that to Holy Cross? How do you do it? That's why some of us were really concerned about throwing some of these kids into those environments without thinking because you have a theory. That's the neighborhood I lived in before I went to live with my grandparents. Doesn't look very good, does it?

There were a lot of changes to absorb. Just to think about it was fatiguing. It's still really fatiguing. It's also fatiguing that people assume we all showed up the same. A friend of mine sent me that print there. [A sketch of an African American man, draped over a desk with his hands extended toward the floor.] He has since passed away. He thought it captured my life.

Does it?

Oh yeah. That's why I keep it there. Look at the hand. Look at the exhaustion.

What sort of exhaustion?

Everything. Mental. Physical. Spiritual. Just constant change. You just want to slow down. You see people take a walk and you want to, too.

Isn't this where you want to be, where you can have the greatest impact?

Nah. I don't think you should do these jobs with that in mind. I don't think you should relish affecting people's lives like that, because you don't know whether you have the right answers. Along the way, you learn that.

Would you approach your education any differently, knowing what you know today?

I didn't come with a lot of confidence. People were attaching a lot of the racial baggage at the time, and a lot of us were very upset about that. You're young. If I could go without all of that, I would go to school a lot differently. There were things that I would enjoy, that I would take in, things that I rejected.

Like what?

Simple things, like different classes. Maybe I would have taken classes like Russian history or more science, maybe, more math courses. I would have taken more history courses, more philosophy courses. Maybe I would have gone to more events, some plays. I rejected all that. I would have been more open to some of the offerings that were different from the life I had become accustomed to. If you're intellectually alive—which you are at that time—you want to explore.

You lived in a black students' residence when you were there. Was that important to you?

No, I voted against that. I didn't like segregation and I still don't like it. But we were young and I think that was a good decision. We voted as a Black Student Union. I voted against it, but we had this thing we called solidarity. I went on board with the group....If somebody puts you in a predominantly male, black environment—let's say 2,300 black males and there are 50 white females—what would be your comfort zone? It may not have been a complete identification but it was the obvious identification....People were searching for a comfort zone because everything was uncomfortable. Everything was new to kids from inner-city areas or predominantly black schools. I was fortunate because I had already been in that environment.

In retrospect, did it turn out to be a good thing?

No. There's a lot of discomfort with learning from each other. What I learned by being the only black in my school was that it's hard but it's necessary. The rest of the world isn't going to accommodate you. You can't just go into a cocoon. At some point, you have to deal with it and the world has to deal with you. If others are comfortable with being over here, while you're comfortable with being over there, it makes it less likely that learning will occur. It's certainly comfortable because you don't have to put up with conflicts and the discomfort of being one of the few blacks on campus. But it's not as easy as the theorists think it is. They should try to be the only one in an environment. I had been the only black student in my high school. I knew what that was about.

So why did you help run the Black Students' Union?

Because I wanted to. That's basically it. I thought it was a good idea. We were all for change. You're 20 years old. Would I have joined if I were 50? I don't know, but I wasn't 50. I was 20. The war was upside down. We were upset about things and it seemed like a natural decision.

Why did you quit Holy Cross when some black students were suspended after the GE demonstration?

I thought: Fair is fair. If you take pictures with a bunch of white guys and two or three blacks, it's easy to pick out the people with dark complexions. The black kids were being treated unfairly. I said: Look, if we're not going to be treated fairly here, let's leave. And let's leave in a disciplined, professional way. That's hence the way we retired. Thank God for Ted [Wells] and Art [Martin] and Father Swords and Father Brooks. They worked it out. Where was I going to go?

Did you think about the repercussions of walking out?

You don't think about things like that when you're making impulsive decisions. You think about that later. And when you do, you think: I'm not going to do that again. I wasn't leaving like that again. What if Father Brooks did not understand that we were kids and we were confused and were maybe unjustifiably impulsive in leaving? What if he didn't prevail upon Father Swords and others to say: Look, let's just work this out with these kids? What if he had just said: Let them go? God only knows where I would be. Father Brooks was the kind of person who understood how difficult it was for us.

Did you have a lot in common with the other black students?

The assumption is that, since you're all black, you have something in common. That's like saying because you're all women, you have a lot in common. You might have nothing in common with these people. There were some white students that I actually had a lot in common with. I had a great roommate. He's now a pediatrician in the Hartford area. I didn't have any difficulty making friends. I had already been through this—finding common ground with kids who were ostensibly of different backgrounds. I didn't have difficulties getting along with anybody—black or white. Be clear about that. And I was a good student from the beginning and academically got along with

everybody.

Did you get caught up in the politics of the era?

We all did. I felt very connected to it, probably more than some other kids. But that was a flash in the pan. If you're upset and you don't have the answers, you latch on to things. That wasn't so unusual, whether it was the race issues or the antiwar issues. But then you have sane people around—you have adults around like Father Brooks—who give you a long leash but hold you accountable.

That's what people don't like to talk about. In the end, we were all held accountable. There were people who flunked out. There were people who were dismissed for academic and other reasons. You were held accountable. Those of us who did well were rewarded as students. It was an environment in which you had an opportunity to excel. Father Brooks always understood we were in a tough situation and he wanted to make it work. He wasn't trying to prove a point. He wasn't making any kind of a statement. He was trying to bring kids there who could benefit from that environment. That's one of the reasons he was so successful. He was just trying to help. The school was trying to help. He wasn't making a statement. He was just doing the right thing.

What about other teachers?

Virtually every single one—even the ones who didn't pay you much attention—just held your feet to the fire. There were rules. You obeyed them. I took Renaissance Prose from Dr. Lawler and I got a C+. That stood out. He never let me off the hook. I remember getting a composition back and the red ink was all over the place. My French teachers kept talking about preparation. I remember we were translating *The Stranger* in class and working hard to do it. And you're doing this with all the other cultural things swirling and making adjustments to New England.

It doesn't sound very inspiring.

I'm not a school person. I never liked school. My best day of school was the day I graduated. There was too much else going on.

Is it just serendipity, you think, that so many of your peers from that era were successful?

No. It was Father Brooks.

But doesn't that denigrate the efforts and intelligence of all of you?

There are lots of intelligent people. Who brought them in? If a coach recruits the best players in the country and wins the national championships, don't you give the coach credit? That's what he did.

But you weren't recruited.

I was never recruited. That was total serendipity. I just showed up. But somebody had to recognize it was a good place to be, and it was a Franciscan nun. The others were

recruited.

One of the things we had going for us was that we were not put in a position where we could not be successful. The programs weren't out of our reach. We were exactly where we belonged. Maybe if we had been at another school where we were above where we should have been, it might not have worked. There are times when you should be in Triple-A ball and not the Major Leagues, or Double-A and not Triple-A. We weren't overmatched. There was so much else there that was difficult to deal with. At least we weren't overmatched.

Father Brooks laments the fact that the school didn't have the same success with black students, say, 10 or 20 years later. Why do you think that is?

I always thought part of the problem was that there was much more competition for the kids. So there was a greater chance that kids were being pulled into situations where they were overmatched. Kids were going to School A, who should have been at School B, and the ones at School B should have been at School C. So everybody was pulled up a level above where they should be. And you began to have problems that we did not have. We did not have those mismatches early on.

You went to Yale later on. Would you have wanted to do your undergraduate degree there?

No. No, I belonged at a school like Holy Cross. In fact, in today's world, I probably belonged at a place like the University of Georgia. Holy Cross was perfect for me at that time. I had enough on my platter.

Do you feel a sense of fraternity with the people you went to school with?

In a distant way, I absolutely do. We don't pal around. I absolutely admire Ted Wells and he and I are quite different. He's one of the finest lawyers in the United States. But you know what? It's not unpredictable. It's something that could have been predicted. Think of the people who took chances on him.

There was a wonderful fraternity—The Cross. When you were a crusader, you looked after each other—no matter where you were. That doesn't mean they would always be in a position to do you a favor. But they were there, just as a friend. I've never been turned away by a graduate of The Cross.

How did you find your experience at Yale?

Let me put it this way: It wasn't the kind of environment Holy Cross was and I would not have done well there. I don't fit in there. It wasn't about them. I just didn't fit. I don't fit in an orchestra. I don't care how great the orchestra is. It's nothing against Yale. I'm extraordinarily pleased that through serendipity or, I like to think, almost divine providence, I wound up at Holy Cross.

Why do you think some people are so eager to cast you as a beneficiary of affirmative

action?

That was the creation of the politicians, the people with a lot of mouth and nothing to say and your industry. They had a story and everything had to fit into their story. It discounts other people's achievements. Ask Ted how many all-nighters he pulled. It discounts those. It's so discouraging to see the fraudulent renditions of very complicated and different lives of people who were struggling in a new world for them. Everything becomes affirmative action. There wasn't some grand plan. I just showed up.

How is the world different for college kids today?

You don't go to college to be a decoration. You're not there to please other people. You're there to do better in your own life. The only answer I'm interested in is to the question: Are these kids better off for having gone to a college? If they are, how? Ask that question about the first black kids who went to Holy Cross and the answer is a resounding 'Yes.' Yes, they are better off. Ask yourself that today. What's the attrition rate? It used to be up around 40% or something like that. There was no attrition in my class.

Is it solely because of a mismatch of students and the schools that admit them?

I don't know. I don't think people even ask the question any more. I tried for years to get focus on why you actually went to school as opposed to diversity and multiculturalism. I didn't go to school for any of that stuff. I went to school to learn and get on with my life. I wasn't there to prove or disprove anybody else's point.

I've thought a lot about these things, and I've spent the bulk of my life, beating my head against a wall, trying to get people to see that they can have their grand theories but, in the end, you can't impose them on other people's kids. How many kids do you have? They're different, aren't they? If your kids are different—and they're all yours—what about just some kids who happen to be different shades of black, different degrees of Negro? They're all from different family settings—some two parents, some no parents, some raised by grandparents. Come on. How can you just all of a sudden treat them as all the same?

Were you treated the same?

There was no requirement that we all be the same. There were faddish things, like you wear an Afro. Father Time takes care of the Afro. Holy Cross never once required us to be anything other than ourselves and good people.

Doesn't every college want that?

Oh no. I think there are different points of views that are not acceptable. I go around this country and the poor kids who want to dissent from a prevailing point of view have no room. There's no room for them.

Because of political correctness?

Oh yeah. Come on, that's obvious. You don't even have to ask. That's obvious. Otherwise, there are people who have set notions of what blacks should think. But I rejected that years ago. I rejected that back when I was considered radical.

Is it harder to be an African American heading to college these days?

I don't know. I'm not going to dissect these schools now. I'm just glad I went when I went, before everybody had all the answers and theories about blacks. I'm sure it was hard to make your own way but maybe it worked better that way. Maybe it made us better, stronger people.

Did you encounter much racism at Holy Cross?

Not really. That's an easy word to throw around. I'm going to just leave that. Holy Cross was not a racial problem for me. I had no incident the entire time I was there. None. The problem wasn't that other people hated you. That wasn't it. Of course, they didn't understand you. Of course, we all sort of thought of the whole world as bigoted against us, and asked what they thought of blacks. We all thought those things.

We weren't required to be anything. In *Invisible Man*, Ralph Ellison writes about that. Nobody had a prescription for us. We had little faddish prescriptions about what it meant to be black, and we were probably rough on the other students about that. But the institution didn't have any fad. It didn't prefer one way over the other. It didn't reward one way over the other. We were just kids. And, after we left, the institution didn't respond with some preconceived notions of what we should become.

Does that happen a lot?

Oh goodness, yes. Anybody who says it doesn't is lying to you. Why do you think I get in so much controversy? People have a model of what they think a black person should think. A white person is free to think whatever they want to think. But a black person has to think a certain way. Holy Cross has never ever done that. We did it to each other but we were just kids.

The institution didn't sanction it. Father Brooks didn't sanction it. He didn't stereotype. I love Father Brooks. I love him. He's a great man. He did right by us. He did right by the school. It was hard and not everybody made it through. Look at the standards they kept and the kids they admitted. A lot of us were Catholics so we fit right in...educated you with philosophy and history and metaphysics and modern language. And you became their kid. As long as you were honest and constructive and working hard, they were fine. You are who you are. It's almost existential.

Was it a happy period?

No. But neither is boot camp. There are lots of things that are good for you that are not a happy experience. It was a different time. There were people who were happy. There were happy moments. We got along. I was not an unpleasant person to anybody. But I was not happy. Think about what was going on in my life. It's a hard period. There's a

lot going on. It was very difficult.

I don't think you should underestimate how nurturing that school was, without being warm and fuzzy. It was all male so you didn't have to deal with all those complications. It was predominantly Catholic...probably still is. It had rules because it was Catholic. So there were lots of things that were off the table. And it was a crazy time. The school was changing. I wouldn't downplay the centrality of Father Brooks and the Jesuits' role.

Was it a loss for Holy Cross to rely more on lay professors?

Yes. They're not Jesuits. They lost the religiosity. A priest is a priest. A nun is a nun. For me, it's better. It's a Catholic school. It looks more identifiably Catholic when you have religious people running it. I think it's a loss. I liked it the way it was. I was not a practicing Catholic when I went there. I had left the church. But I just feel strongly that it's a Catholic school. I'm a practicing Catholic now, in part because I went to Holy Cross.

Do you keep up with the people you met there?

I'm 58 years old now. I went there when I was 20 years old...I've been focused on these jobs which consume your life. One of the downsides is you don't see your friends much. But I consider them all friends. It brings me great joy to see them. If Ted has a barbecue again, I'm there. I really think the world of that whole group of people. I think the world of Holy Cross. That era, for me, was formative.

Now that's a smart guy. No BS about being black, while still acknowledging that it's a different experience. Plus he seems to hate the media. And he's Catholic, too!

There is a book out that I saw at Barnes and Noble yesterday. Its title is Supreme Conflict, and it is a journalistic perspective on the politics of SCOTUS.. I paged through the chapter on Thomas(which was titled The Cruellest Justice and may explain some of his antagonism towards journalists in this interview), and was quite interested to learn the role he has played in that body.

How serendipitous that an article would be out today, just as I become interested in a particular subject. Perhaps the world revolves around me after all.

if you look into Holy Cross college where Thomas went before Yale Law you will see that there school motto is "In Hoc Signo Vinces"
(In this sign you shall conquer) also their Mascott is the Crusader.

http://en.wikipedia.org/wiki/College_of_the_Holy_Cross

Also look who else went there: Chris Matthews, host of MSNBC's Hardball with Chris Matthews and NBC's The Chris Matthews Show.

I think it was the great sage, Yogi Berra, who once remarked, "You can see alot, just by looking!"

Re MSNBC:

Also, Now Pat Buchanun is one of their Political Analists who was of course Jesuit trained. Then you have Tim Russert who was also Jesuit Trained and catholic Political analyst James Carville who was said to have gotten Bill Clinton (Jesuit Georgetown graduate) elected as president. That's just a few from MSNBC.

Tim Russert has been labeled one of the most powerful and influencial media personalities and he is totally very close with Jesuits. He went to Jesuit High school and College and is very active for them today.

http://en.wikipedia.org/wiki/Tim_Russert

"Early life:

Born in Buffalo, New York to Irish American Catholic parents, Russert is an alum of Canisius High School in Buffalo, New York and a graduate of John Carroll University and Cleveland-Marshall College of Law at Cleveland State University."

Thomas was/is(?) a member of Alpha Sigma Nu which has this as it's symbol:

recommendation from former president of Holy Cross college Reverend John E. Brooks (SJ).

<p class="MsoNormal" style="MARGIN:0in 0in 0pt;">The charges include but are not limited to prostitution, trafficking of prohibited narcotics, money laundering, murder, political assassination, fraud, pedophile rings, institutional incest, arms trade, as well as

<p class="MsoNormal" style="MARGIN:0in 0in 0pt;">2. <p class="MsoNormal" style="MARGIN:0in 0in 0pt;"> </p>

<p class="MsoNormal" style="MARGIN:0in 0in 0pt;">O'Collins will appear for his second interview on Greg Szymanski's radio show, The Investigative Journal at

www.rbnlive.com, Tuesday at 11am central time, presenting a case that most people have failed to realize or even have considered that the right combination of historic elements in combination can and will destroy the most evil organization to ever walk the earth. In fact, according to O'Collins, the Bible itself provides some (not all of the clues) of the clues.

</p>

<p class="MsoNormal" style="MARGIN:0in 0in 0pt;"> </p>

<p class="MsoNormal" style="MARGIN:0in 0in 0pt;">"The reason is that people view their wealth, following and buildings as insurmountable obstacles when the church has always been founded on just a handful of ideas.

 If those ideas are unraveled, if those ideas are superseded and integrated then their power will cease. They will disintegrate into chaos rapidly," said O'Collins in an email previewing the Tuesday radio show, whose uncle Fr Gerald O'Collins

S.J. is arguably the most senior Catholic and Jesuit theologian in the world today. </p>

<p class="MsoNormal" style="MARGIN:0in 0in 0pt;">"What he writes is published throughout the world.

 When he speaks, leaders of many different Christian faiths listen," added O'Collins. "Guess who his best friends are? That's right the current Pope is a friend of over 40 years, dating back to when they were both at Jesuit institutions together. So is the Archbishop of Canterbury, who has regularly attended functions for Gerald, launched books on his behalf and entertained him as a guest and decades old close and personal friend.

</p>

<p class="MsoNormal" style="MARGIN:0in 0in 0pt;"> </p>

<p class="MsoNormal" style="MARGIN:0in 0in 0pt;">"My great uncle, Jim O'Collins, was one of the personal secretaries to the Pope during the Second Vatican Council. It goes on and

one, century after century.

 Never "famous" enough to be noticed in the public eye, but always there."

For other clues on how to topple the Satanic evil in the Vatican by unraveling the "few ideas the Church is founded on", O'Collins said: "If those ideas are unraveled and if those ideas are superseded and integrated, then their power will cease. They will disintegrate into chaos rapidly. For example:

(i). The revelation of truth concerning their reign of evil in the context of divine revelation from God/as scripture (e.g. see Almanac of Evil as one of 144 books of the Supreme Bible of God).

(ii). The coming of a new Jerusalem, not necessarily physically, but as a concept. (

e.g. see <http://one-jerusalem.org> the united state of humanity);

(iii). The coming of the Messiah as an official position, elected by all Christians and Jews rather than yet another person claiming to be "the" messiah...(eg see

http://one-faith-of-god.org/constitution/one_faith_0550.htm)

(iv). The official end of the war in heaven between good and evil via the Treaty of Lucifer and the constitution of One Heaven (eg see: <http://one-heaven.org>)

FAMILY:Garamond;"> </p>

<p class="MsoNormal" style="MARGIN:0in 0in 0pt;"><b style="">(v). The uniting of all great spiritual forces of planet Earth into one great ecumenical event (see the Great Conclave of One Islam, One Faith of God, One Spirit Tribe and One Heaven in 2012).

</p>

<p class="MsoNormal" style="MARGIN:0in 0in 0pt;"><b style=""> </p>

<p class="MsoNormal" style="MARGIN:0in 0in 0pt;"><b style="">(vi). The reformation and unity of just and fair government through the wholesale improvement of all fundamental laws including civil codes, criminal codes, judicial codes, police codes, military codes, prison codes etc (see

http://heal-the-earth.org on UN charter reform), (see the six union sites for reformation of regional unions of states eg http://americas-union.org

. http://asia-union.org http://Arabian-union.org http://oceanic-union.org. http://euro-union.org. http://Africans-union.org and the restoration of rights and decency and the end of evil.)</p>

<p class="MsoNormal" style="MARGIN:0in 0in 0pt;"><b style=""> </p>

<p class="MsoNormal" style="MARGIN:0in 0in 0pt;"><b style="">(vii). The revelation of the true identity of the antichrist (not as the son of the devil, but of the bloodline of Judah with the power to be a messiah, but ante-rejects Christ-title of messiah- one who rejects the title of messiah).</p>

<p class="MsoNormal" style="MARGIN:0in 0in 0pt;"><b style=""> </p>

<p class="MsoNormal" style="MARGIN:0in 0in 0pt;"><b style="">2. Thinking in reverse- everything the church says is evil, has probably a basis of truth</p>

<p class="MsoNormal" style="MARGIN:0in 0in 0pt;"><b style=""> </p>

<p class="MsoNormal" style="MARGIN:0in 0in 0pt;"><b style="">The Catholic Church has been petrified about the coming of the antichrist more than any other sign for most of its history.

 The funny thing is that most of us have traditionally

thought of the person as pure evil, consistent with church teaching.

But knowing the true satanic evil of the Vatican, why are they so scared?

What is it about the antichrist that so fears them?

The problem with any rational discussion is that even all those who believe the

Vatican is evil, still think of the anti-christ in the Vatican's PR model and Hollywood films.

As I am sure you are aware, the term Messiah from the Jewish heritage applied only to those as blood descendents of the House of Judah, the line of David, the line of King Zedekiah.

The problem is that from 600 BCE, when Nebuchadnezzar ordered the execution of all noble Israelite blood only one true and historical account of survival of direct blood descendents remained- the saving of Princess Tamar Tephi to Ireland to marry into the oldest priest lines of humanity, the divine holly ones, known as the cuilleain, "coil/cuil" (woods) + "lia" (stone/physician) + "

an /in" (bird/divine spirit) (also "cualann", "cuileann" and "cuilieann").

Therefore it is only a person from that bloodline that rightly can call themselves a Messiah, if they have been properly anointed. Of course, the Bible says that Jesus was of the House of Judah and was anointed.

FAMILY:Garamond;"> </p>

<p class="MsoNormal" style="MARGIN:0in 0in 0pt;"><b style="">It is one thing for a person of this bloodline to reveal this history outside of the few church officials and historians who know the truth, it is an entirely different thing for such a person to reject the notion of messiah.</p>

<p class="MsoNormal" style="MARGIN:0in 0in 0pt;"><b style=""> </p>

<p class="MsoNormal" style="MARGIN:0in 0in 0pt;"><b style="">The whole system of the Vatican is predicated that people inevitably will find the temptation of power overwhelming and therefore seek to create their own churches- easily defeated, absorbed by Rome in an endless parade of people who imply or state directly they are the messiah. But a person who rejects the notion, represents the end point- the last. If there are no more divinely appointed messiahs, then there can be no more church to control such procedures and doctrine.</p>

<p class="MsoNormal" style="MARGIN:0in 0in 0pt;"><b style=""> </p>

<p class="MsoNormal" style="MARGIN:0in 0in 0pt;"><b style="">3. The Lenten message and reflection of Cardinal Biffi is the most significant and virtually only sanctioned point of Vatican calendar that permits the consideration of official prophecy of events to unfold. It is officially sanctioned by the Pope himself and so cannot be underestimated in importance.</p>

<p class="MsoNormal" style="MARGIN:0in 0in 0pt;"><b style=""> </p>

<p class="MsoNormal" style="MARGIN:0in 0in 0pt;"><b style="">So for a 78 year old Cardinal to be speaking about the things mentioned above and their great fear of the antichrist is equally significant. It means they have a greater appreciation of the impending danger they face. To make it public is also interesting, possibly because they are confident enough that 99.9% of the population see the antichrist as evil.</p>

<p class="MsoNormal" style="MARGIN:0in 0in 0pt;"><b style=""> </p>

<p class="MsoNormal" style="MARGIN:0in 0in 0pt;"><b style="">This is War, Greg. You and I did not choose it. Nor, if we had a choice would be probably want to know what we now do.</p>

<p class="MsoNormal" style="MARGIN:0in 0in 0pt;"><b style=""> </p>

```
<p class="MsoNormal" style="MARGIN:0in 0in 0pt;"><b style=""><span style="FONT-FAMILY:Garamond;"><font size="3">But history is a strange bedfellow.<span style="">&nbsp; </span>I now find my ultimate challenge, my ultimate destiny is to face a family who has always protected me and see to its salvation through its destruction. Popeye is a combination of two words: POPE and EYE.

So EYE of the POPE.

Popeye has only one eye. The ALL SEEING EYE.

Olive Oyl represents ISRAEL. she's jewish. The Oyl part of her name could refer to OIL as well. Olive as in MOUNT OLIVE.

Bluto is the EVIL MUSLIM.

So we have Popeye and Bluto fighting for the Price which is ISRAEL.

Just as with the crusades. Order of St. john. fleeing from Rhodes and landing on Malta.

So there is a little movie village called Popeye village. Its located on Malta.

Olive is only loyal to the winner of that battle. So when Bluto seems to win she chooses Bluto but in the end Popeye wins of course.

Thers also an "American" in the cartoon. A guy called WIMPY. A fat lazy, naive hamburger eating fellow. Quite an accurate description of the modern americans.

The fishers on Malta all have that EYE painted on their boats.

And that SPINACH.

well, when the final battle on malta, called the GREAT SIEGE of MALTA was in an advanced phase, the knights got help from Sicily, and the battle was over.

Sicily and spinach? As you know Popeye allways wins after the spinach. you know, when that famous tune comes playing.

SICILY was the first place in Europe where SPINACH was introduced.... and the Sicilians like to prepare Spinach in lots of Olive oil....

So now you understand why Popeye so desperately wants Olive.....

Mark Wahlberg Has A Vatican Cross In His Bedroom

Religious The Departed star Mark Wahlberg has turned his bedroom into a sacred space, complete with holy water and the replica of a crucifixion art piece that stands at the Vatican. The Catholic actor takes his religion seriously and claims his Frederick Hart clear resin cross with a statue of the crucified Christ inside is one of his proudest possessions.

Wahlberg showed off the sculpture, which stands in an antechamber of the master bedroom he shares with girlfriend Rhea Durham and their two kids, as part of a recent interview with movie magazine Premiere. Wahlberg says, "(Hart) was a famous sculptor who's done all kinds of religious work... for cathedrals and stuff. There's two of these (sculptures) - one in the Vatican and one here. The actor keeps a bottle of holy water by the side of the Hart cross so he can use the antechamber as his own personal chapel whenever he's home."

Pastor Steve - February 24, 2007 08:05 PM (GMT)

Mr. Willie Martin has written many books dealing heavily on the Black Pope, who is behind everything. Note: this is under the views of those who understand True Israel Identity, where the definitions of jew is the false jew ancestry. Even if it is 1% Khazarian, Edomite, or Canaanite that makes them a false-jew or as many people know them as Ashkenazi jews. Studies have proven the current Black Pope, which has an Ashkenazi Jewish name Kolvenbach, definitely has at least some of this corrupt blood which makes him full blooded under biblical Israel identification. Willie Martin wrote thousands of scholarly works as a disabled Vietnam War Veteran, and has been deceased for a couple years now. His books are still hard to find.

I want to say one thing that you'll never hear someone being banned off paypal or discriminated against , banned off of services, etc for fingering the vatican, but you will see EVERY SINGLE PERSON who fingers the jews cut off from everything necessary to operate, perhaps because they're actually getting warm.

[Jews Take Control of The Roman Catholic Church](#)

Halley's Bible Handbook has a commentary which is most informative. Innocent III [a Khazar-Edomite Jew] (1198-1216 A.D.), was the most powerful of all the Popes, claimed to be the "Vicar of Christ," "Vicar of God" and "Supreme Sovereign over the Church and the World." He claimed the right to depose Kings and Princes, and that "All things on earth and in heaven and in hell were subject to the Vicar of Christ." He brought the Church into the Supreme Control of the State.

Kings of Germany, France, England and practically all of the monarchies of Europe obeyed his will. He was even able to bring the Byzantine Empire under his control. Never in all of history has any one single man exerted more power. He ordered two crusades, decreed Transubstantiation, confirmed Auricular Confession... forbade

reading of the Bible in the vernacular, ordered the extermination of heretics, instituted the inquisition, ordered the massacre of the Albigenses.

More blood was shed under his direction and that of his successors, than in any other period of the Roman Church History. All of the nations of Europe were under this corrupt and despotic Political-Religious domination of the Popes and their Papacy for a total of 1260 years, from 606 A.D. to 1866 A.D., with each Pope bringing out his own private and pet doctrine or whim, to subject the people to.

Immorality was rampant in the Papacy and the Church. John XXIII [a Khazar-Edomite Jew (1410-1415)], called by some the most depraved criminal who ever sat on the Papal Throne, guilty of almost every crime: as Cardinal in Bologna, 200 maidens, nuns and married women fell victim to him. As Pope, he violated virgins, nuns, lived in adultery with his brother's wife, was guilty of sodomy and other nameless evils, he bought the Papal office and sold Cardinalates to the children of wealthy families.

By the 15th century, the "Sewer of Corruption" in Rome was bringing a decline to the Papal Power. Also, a rise in the Protestant Reformation was threatening the Supremacy of the Papal Power. Rome needed a shot in the arm to give it new life, this was the break the Esau-Edomite-Canaanite-Khazar Jews had been waiting for. Now was their chance to step in and convince the Vatican they had the answer to its problem [even though the Jews had been able to have 20 of their number made Pope, they were never able, prior to this time, to take control, as their time had not yet come]. Now it is possible to understand the following Scriptures: "I stood upon the sand of the sea, and saw a beast [the so-called Holy Roman Catholic Church, Communism and Judaism] rise up out of the sea, having seven heads and ten horns, and upon his horns ten crown, and upon his heads the name of blasphemy...and the dragon [Zionism-Judaism-Communism] gave him his power, and his seat, and great authority. And I saw one of his heads as it were wounded to death [this happened to the Catholic Church in 1866 and to Communism in 1989]; and his deadly wound was healed [the Jews left the Church intact just as they have allowed Russia and Communism allowing it to continue in its original anti-Christ activities but with some changes which would further the cause of the Zionists]: and all the world wondered after the beast. And they worshipped the dragon [almost the entire world today worships the Jews and have actually replaced God and the Lord Jesus Christ with them] which gave power unto the beast; and they worshipped the beast, saying, Who is like unto the beast? who is able to make war with him? And there was given unto him a mouth speaking great things and blasphemies; and power was given unto him to continue forty and two months. And he opened his mouth in blasphemy against God, to blaspheme his name, and his tabernacle, and them that dwell in heaven [America]. And it was given unto him to make war with the saints [If all the Christians are to be Raptured off the earth, then who are the Saints he is going to make war with?], and to overcome them: and power was given him over all kindreds, and tongues, and nations. And all that dwell upon the earth shall worship him, whose names are not written in the book of life of the Lamb slain from the foundation of

the world." (Revelation 13:1-8) "The first Jesuits were Jews..." (Coningsby (London, 1844), Disraeli)

It was at that time a Spanish Basque [a Jew] whose name was Lopez DeRecalde, but who preferred to be called Ignatius Loyola, and convinced the Papacy he could build an army of Priests completely dedicated to discipline and order and they soon became the most dreaded religious strike force in history. They were the special forces of the Vatican.

This Papal police force was called "The Society of Jesus," or "The Jesuits." Their job was/is to make all things subservient to "The Pope, he alone is supreme and worshipful." The Jesuit General is referred to as the "Black Pope" and it is he who actually runs the vatican behind the scenes even today. (The Godfathers, Chick Publication, page 9)

See how everything fits exactly the above quoted Scriptures! Now that the so-called Holy Roman Church was under the absolute and iron rule of the Jesuits [in actuality the Dragon: the Jews] and with the principle of absolute and unconditional obedience to the Pope, the Protestant Reformation was meeting with very strong opposition [for the Jews are never so efficient as when they have the opportunity to kill God's people the Anglo-Saxons, Celts, Germanic and Kindred people].

The Inquisition was the main agency used by the Papacy to crush the Reformation. Now the Jews were shining all their glory for they like nothing more than wallowing in the Blood of Christians! It has been recorded that in the 30 years between 1540-1570 more than 900,000 Protestant Christians were put to death in the Pope's War to stop the Renaissance. With the slaughter of the more than 70,000 Huguenots at the Massacre of St. Bartholomew, Ignatius Loyola and his army of Jesuits [Jews] had convinced the Vatican, "The Society of Jesus" was just what they needed to firm up and strengthen the Roman Catholic Institution. (Remember - Rev. 13:7)

Now at long last the Esau-Edomite-Canaanite-Khazar Jew had finally successfully infiltrated the so-called Holy Roman Catholic Churches' field [world] and they were securely concealed and hidden behind "The Society of Jesus." Now all they had to do was to wait for the appropriate time for "Nimrod" or the "Pope" to make his final appearance so they could bag their game.

After waiting for centuries, their time had finally come, but completely unknown and not even guessed at by the outside world, and it is still unknown and unbelievable by and to the vast majority of the world, they finally had control of the largest of the so-called Christian Churches!!!

To hasten the situation, and to set the stage a little more fully for their victory, the Esau-Edomite-Canaanite-Khazar Jew was fomenting the French Revolution through one of

its most able sons Adam Weishaupt and his organization "The Illuminate" through the Continental Masonic Lodges.

It was through this conspiracy, France, the Pope's ablest and most faithful bodyguard, recalled 10,000 French troops from Italy, leaving the Papacy vulnerable, whereupon the Unification Armies of Garibaldi and Victor Emmanuel, who were mere pawns in the hands of the Jews in Italy, moved in to capture the Pope, divested him of his temporal power, and added the Papal States to the New Liberated Kingdom of Italy.

Likewise, the two bodyguards of Papal Rome, France and Austria, quickly fell by the sword of nations who were directed by the Esau-Edomite- Canaanite-Khazar Jews. The Book of Jasher says the Kingdom of Nimrod, or Babylon, at his death, became divided into many divisions, and all these parts were restored to their respective kings who enslaved the people of Nimrod. (Jasher 27:16-17, and see also Revelation 17:12, 15-17)

Now many will ask, if the Papacy died in 1866, how come it is still in operation? Which is a good question. However, one must remember (Revelation 13:3) that it was to the advantage of the Esau-Edomite- Canaanite-Khazar Jew, who is clever and ingenious when it comes to intrigue, subversion and slight of hand [making something appear that which it is not], and it is not to their advantage for the world to have that information.

"And I saw one of his heads [Roman Catholic Church and Communism] as it were wounded to death; and his deadly wound was healed: and all the world wandered after the beast [Roman Catholic Church and will do about Communism when it rears its ugly head again]. And they worshipped the Dragon [World Judaism] which gave power unto the beast [Roman Catholic Church and Communism because it made it to live again]." (Revelation 13:3-4)

Under the heading of "A brief History of the Terms for Jew" in the 1980 Jewish Almanac is the following: "Strictly speaking it is incorrect to call an ancient Israelite a 'Jew' or to call a contemporary Jew an Israelite or a Hebrew." (1980 Jewish Almanac, p. 3)

I will let it go and it's up to your indoctrination folks as to what you wish to believe. Please note that no Judiac persons were allowed whatsoever within the Jesuit Order from the 17th Century till middle 20th (1946).

Please note how Jew blamers one minute claim the Papacy has always been a Judiac creation from day one. Then the next breath they claim that the Jesuits were formed by the Jew to take over the Papacy. These Jew blamers need to make their minds up exactly. Getting people to now think the Jesuits are Jews is a great ploy I believe to once against indoctrinating against the so-called Jew.

Gang #1 could be the most powerful gang but they don't over show their power in order to stay in the shadows. Gang #2 are lower but have less tolerance for people against them or who mess with them. Goes this mean Gang #2 is more powerful? Crack dealers locally kill, supress and maim their enemies all day long. Does this make them more powerful than British Intelligence who are THEE drug dealer on these shores? Of course NOT! But British SIS is intelligent they do it on the quiet and not up front for so many to see.

Ponder on those!

P.S Triads will think nothing of cutting you up, whilst a Russian-Israeli Mafia may simply blow you away. From the look of it you may think the Triad is the most powerful because his method is more gruesome. Alas this wouldn't be true. It doesn't always work as it may seem!

P.P.S Whats the big difference between the Jesuit Order hierachy and the RCC? The Jesuit Order believe their version of the Mystery Religion is the PURE version whilst they believe the RCC is a perversion. The idea to infiltrate and convert the RCC whilst handling its powers was always the true reason for the Jesuit Order's motives/agenda.

Thank You for the explanation.

I would note that it isn't jews banning people off of services, not actual members of their club inner circle ganging up on everyone & anyone who fingers them. Here's just one prime example: go by any judeoChristian Church and you'll see the most loving spiritual people turn into maniacs out for your blood if you speak one harsh word against jews. I had this happen to me on multiple occasions where dozens of supposed loving church goers were about to riot in their delievery of my unwelcome, all over my literature. Good thing I had friends with me or I may not have been delivered.

The majority of average joes wouldn't go see the film the passion because they saw some jew in the newspaper say it was anti-semitic, but turned out all those same jews changed their tune after seeing the film finally, and said it was actually a pro jewish film now.

The majority of Folks are Psycho-indoctrinated brainwashed and have sacred cows like Anne Frank and the holocaust which must be revered. Just like many have sacred cows like homosexuals which you can never mention unless it is delighting in them or they're offended.

Anyhow, gets me down to my point

There's a saying "reality is perception." If the jew has all this lobbying power to move mountains in their name for all to see and 99% of the people are a far cry's off from ever thinking they'd have a conspiracy, but think jews really are the victims and are holy people they must love & protect from all their shadows they think they see, then I would say that in fact is the power and few will ever realize that.

Now if you're speaking of Governmental levels perceiving they must give allegiance to the black pope I will have to take a closer look at such models. They are doing a good job of confusing folks if that's why I dont see it clearly as said. It makes sense to me when you combine it all with Communist Judaism. I'll have to evaluate motives and some real substantial items to really see that they operate outside of Talmudic-Judaism. Anyhow, there's a lot of research here I haven't read so will have to keep up with it. Either way it doesn't matter if you call them jew, gentile or demons, I know what they ARE, and that's Edomite-jew which by many definitions equates to being a gentile anyway.

Sacred Cows Make The Best Hamburgers

As far as I am aware Babylon may be defined as "CONFUSION" (correct me if I am

wrong)

What is the state of our affairs today? Mass confusion

Where is the best place to hide? Right in front of you (as servants of Jesus, a benign & loving man)

The Tribes of the "Old Testament" (vol. 1) are properly named the Yahdaim (people of Yahweh)

They (the true followers) are non-Talmudic

Where did the Talmud come from? Babylon

Babylon: Birthplace of the Mystery Religion

Nimrod (Tamuz) First Tyrant to oppose Yahweh, A mighty Hunter (of Men) Founder of Babylon and Mystery Religion

Tamuz' Symbol: The Cross (ankh)

Jesuits: Wolves in Sheeps clothing

The finest weapon in ones arsenal is information on ones opponent.

Praemonitus pramunitus (Forewarned, forearmed)

Thank you Craig for one Helluva arsenal.

P.S. Whats up with that Nimrod Class of Naval Vessels, eh? Spreading peace and love over the seven seas, (not).

P.P.S. a Talmudic Jew > Judah > Yahdah = Apostate Yahdai (person of Yahweh)

Some people actually THINK that Jews supposedly killed Jesus (if you believe Myths of course). The truth is that it was Roman Pilate that did it yet why some people think Jew is beyond me. Its high level mind control. Now folks if you're not religious this Pilate info I just spoke of ISN'T ANYTHING NEW TO THE MASSES!!!

Alexandra - February 25, 2007 02:38 AM (GMT)

It was the Jews who wanted Jesus crucified and it was Pilate who reluctantly had it carried out. The Pharisees seemed to have considerable influence in the Roman government.

No use blaming anyone, though, because Jesus sacrificed Himself willingly.

Strange theory although the bible does speak of Jesus Christ being our bright morning star, and the day star which is symbolic, not literal. This is to show us as to what people are to be in this world as made in His image and growing in the image of the son we've been created in. It does speak of us becoming as great fireballs to be as big as the sun, and that we are the stars, but again this is right now only symbolically speaking for our understanding of being Christians who have life that can also revolve around us as well, etc. If you're getting your sources from the bible, that is there, and so is the same thing describing every bride of every man is like the earth and the husband is like the sun that revolves around her as well. It is all things of higher consciousness we'll learn in due time, these hidden mysteries, when one day will be like 1,000 years, restored back to original uncorrupt creation, and even higher for those that have received the higher Sonship spirit of Jesus Christ YAHWEH in us.

As far as Seth biblically that's an interesting story, as well as in supporting apocryphal books because he was the high priest over the family who lived until the days of Abraham and directly passed down the priesthood to him. Get the book "Abraham Father of Many Nations" written with these supportive documents, etc.

A little whoopsie, guess I'm tired. Shem was a gg grandson of Seth, and I meant to say that about Shem (I dont know why I confused Seth with Shem, they're both great patriarchs I guess). Yet Seth was Adam's true firstborn son who got all the inheritance, he actually passed it down to Noah, and Noah, passed it to Shem and Shem was the one living in the days of Abraham and was able to convey to him much knowledge. That book I refer you to goes in detail on Abraham's battles as he conquered several kingdoms, great read, in a novel style.

Anyhow, with Seth who I meant to talk about, HE BUILT THE PYRAMIDS many sources say. That should explain enough for now. The book of Enoch, which was in the 1611 King James Version talks about this as well. Some believed Enoch built it since the scriptures & the book of Enoch talks about him going to heaven and the angels giving him much insight. If you were Adam's son, and Adam lived to be 900 years old, before the flood & protective canopy was destroyed that made men live so long, then you would know a lot. Adam "walked and talked with God".

The sons of Seth, as opposed to those of Cain were in opposition. It has been a major doctrine in the past that the Cain satanic seed of the serpent wars against the seed of Seth. This has been widely spoken of only until recently. History says St. Patrick drove all the snakes out of Ireland, those weren't real snakes, it was the seed Seth's sons would be constantly warring against as Gen 3:15 speaks of. If you're a descendant of Adam you're one of Seth's sons, the pure son, while Cain was of mixed race when Eve was "seduced" the scripture says in many places, and she took of the forbidden tree (genealogy tree). Cain had to go find his wife in the land of Nod, where he was afraid all those people there would kill him. There were nations in the earth before Adam, as Satan corrupted the earth, the first Adam was to be high priest and save the world, but He failed, so the second Adam JESUS came and had to pay the penalty for such an atrocious act of a high being son of the creator Adam committed and cursed us all. Now we can reach higher heirship than before.

The devil always comes as an angel of light, which is probably why historically any jesuits may have tried to hide behind & claim lineage of Seth. A lot of older commentary & theology books deals with this all in the main stream. Many of these books you can still get at any bookstore. Yet lately there's been a "great falling away".

Alexandra - February 26, 2007 01:54 AM (GMT)

That reminds me...some people believe that Cain was a literal son of Satan. I don't think so. Cain was Satan's son spiritually; I doubt physically.

Reading Genesis it seems that they were twins. Interesting, huh?

I have spoken to Muslims on this matter and they say it wasn't Jesus on the cross. God made someone (some say Judas) **look** like Jesus and take all the pain for betraying Him.

Also, Jesus ascended to heaven because God would never allow any of His prophets to suffer.

While many of the same camp do & many dont believe that. There's one thing that is quite interesting when twins are born of two separate fathers. It happens all the time. Some of the funniest ones is when one black child and one white child comes out because the woman was having an affair about the same time the other child was conceived. They do the DNA tests and confirm it is amazingly twins of two separate fathers! When those hit the newspapers & magazines it's always pretty interesting.

Jesus was never called a prophet. That's purely an Islamic idea. He is King and Priest, and ascended to heaven only after His 3 days spent in Hell in our place, and resurrected, and was witnessed by much of the world walking on this earth for 40 days, and witnessed by thousands when He did finally ascend into heaven on the appointed feast day exactly on time fulfilling the prophecies of Passover, unleavened bread,

firstfruits and the 40 days after when you're at the 10 day preparation period before Pentecost. Thousands of Christians in the first century were killed for saying that they witnessed the even of Jesus ascending into the clouds after walking the earth for 40 days after his resurrection from the grave.

We're guaranteed to suffer just like ALL THE PROPHETS were slaughtered by Jews:

As Jesus said IN KING JAMES VERSION:

Luke 11:50 "That the blood of all the prophets, which was shed from the foundation of the world, may be required of this generation(GENEALOGY/RACE in Greek);"

Get any concordance / Greek dictionary to verify, or look how "generation" is used throughout the bible. (In Hebrew the word is "toledaw", descent, ancestry and Greek is the word "gennema" #1081 in strong concordance reading:

That which has been born or begotten

a) the offspring or progeny of men or animals

It comes from the root word "Gennao": of men who fathered children.)

Mat 23:31 "Wherefore ye be witnesses unto yourselves, that ye are the children of them which killed the prophets."

Luk 11:47 "Woe unto you! for ye build the sepulchres of the prophets, and your fathers killed them."

Even Paul a Chief Pharisee said:

Rom 11:3 "Lord, they have killed thy prophets, and digged down thine altars; and I am left alone, and they seek my life."

1Th 2:15 "**Who both killed the Lord Jesus**, and their own prophets, and have persecuted us; and they please not God, and are contrary to all men:"

Again Jesus reiterates:

Matthew 23:33 "Ye serpents, ye generation(GENEALOGY) of vipers, how can ye escape the damnation of hell?" (KING JAMES VERSION)

Matthew 3:7 "But when he saw many of the Pharisees and Sadducees come to his baptism, he said unto them, O generation(GENEALOGY) of vipers, who hath warned you to flee from the wrath to come?"

Matthew 12:34 "O generation(GENEALOGY) of vipers, how can ye, being evil, speak good things? for out of the abundance of the heart the mouth speaketh."

Finally, Jesus Indictes the jews with not only all the prophets, but takes it a step further, and declares they've shed all the righteous blood upon the face of the earth:

Matthew 23:35 "That upon YOU(Jews) may come all the righteous blood shed upon the earth, from the blood of righteous Abel unto the blood of Zacharias son of Barachias, whom ye slew between the temple and the altar." (*the last old testament prophet killed before Jesus came, now thousands more have been killed, silly Arabs saying prophets never suffer, give me a break, where have they been? oh ya in a bunch of caves smoking opium I forgot.*)

Genesis 3:15 says there will be hatred & WARFARE between the serpent's seed and the Adamic man's seed until the Adamic man crushes them completely. A law & prophecy that is still going on today. As Jesus said the jews ancestors killed all the prophets, so now today. "That old serpent who is the Devil" (Rev 12:9 and 20:2)

[ALL in King James Version, minor emphasis added, and Greek also referenced in brackets where supportive, but not needed to still get the same conclusion by English only Authorized King James Version.]

All in all any born again Christian who just simply has been educated and speaks God's word, is the bibles definition of an anointed prophet through the Christos spiritual anointing into the Royal Priesthood, His peculiar people, His Holy Nation(Gentile/Ethnos in Greek). So literally we could have millions of prophets walking around, perhaps up to a billion if they would all awake at one time. We're born into all 3 anointings , prophet, priest and King of the order of Jesus Christ and Melchizidek, a prophet speaks any of God's word (contained in the bible), a priest ministers God's word, and a King rules by His word being done, and we're all our own governments starting at our homes and collectively assemble in Assemblies every Sabbath and gather into large areas of land to build for future generations on the 3 high feast days of the greater assemblies for the whole nation to rehearse our future national assemblies, when the whole world, even Egypt will have to come up for the feast in a new heavens and new earth, (Zach 14).

As Jesus said the jews ancestors killed all the prophets, so now today. "That old serpent who is the Devil" (Rev 12:9 and 20:2)

[ALL in King James Version, minor emphasis added, and Greek also referenced in brackets where supportive, but not needed to still get the same conclusion by English only Authorized King James Version.]

All in all any born again Christian who just simply has been educated and speaks God's word, is the bible's definition of an anointed prophet through the Christos spiritual anointing into the Royal Priesthood, His peculiar people, His Holy Nation(Gentile/Ethnos in Greek). So literally we could have millions of prophets walking around, perhaps up to a billion if they would all awake at one time. We're born into all 3 anointings , prophet, priest and King of the order of Jesus Christ and Melchizedek, a prophet speaks any of God's word (contained in the bible), a priest ministers God's word, and a King rules by His word being done, and we're all our own governments starting at our homes and collectively assemble in Assemblies every Sabbath and gather into large areas of land to build for future generations on the 3 high feast days of the greater assemblies for the whole nation to rehearse our future national assemblies, when the whole world, even Egypt will have to come up for the feast in a new heavens and new earth, (Zach 14).

That's the problem with religion: everyone is right. :ph43r:

The Jews didn't take over the Catholic Church. That church was wicked from the beginning.

The JEWISH BLOOD OF THE QUEEN AND MEL GIBSON.

Quote from P. Steve:

"....The majority of average joes wouldn't go see the film the passion because they saw some jew in the newspaper say it was anti-semitic, but turned out all those same jews changed their tune after seeing the film finally, and said it was actually a pro jewish film now...."

My colleague told the same to my, in fact I never seen The Passion (because I really banned movies and Hollywood from my life, I see about one, two movies on TV for month. Mind - Ecology... Fro example I never seen Clockwork Orange) so, after I explained how Jews are used by Rome to divert the blame, I asked him to tell me the movie. In fact, when I asked him if "was the movie a little anti-semite?" (as many times I heard from OFFICIAL media - take note of this), he answered that "no, absolutely, it appeared to be a banal movie full of strong emotion, like a director does when he hasn't real talent".

I remained for a pair of seconds thoughtful: "why should the supposed JEWISH Hollywood refuse to expose Jews? Meanwhile the JEWS are so powerful to control the media, plus Hollyw., why the JEWS let the media (by them controlled) say or insinuate 'The Passion is anti-semite'? So why the JEWS, (because is impossible that the insinuation of the media couldn't be controlled by JEWS), with that affermation, invited many people to see the movie? And then the people went to see the movies, they saw the movie, they understood that the movie WAS NOT anti-semite, and then they had a NEW REASON FOR BLAME THE JEWS? And a reason to say "the Jews are lying, is not true that The Passion is anti-semite"? Why?

If you analyze the results of the operation "The Passion", you would find:

- 1) The Jews are newly blamed because 'they lie' (because is SUPPOSED without demonstration that they control the media and the news which blamed The Passion for anti-semitism).
- 2) The Passion, its director, ALL the religious organizations to which the director is considered to be a frontman (RC Church just to understand), are newly seen like the VICTIM of the lies of Jews.

Final considerations.

With the movie "The Passion" you have a good opportunity to analyze how RC C. and Jesuits work psychologically to get their goals.

When you have the REAL power (RC Church) you can play the role of the VICTIM, and you can order your REAL victim (Jews) to play the role of the EXECUTIONER.

In this case, as many and many times happened in the history, the Company or a subsidiary, created a 'victim scenario'. One of today is:

>>> a poor devoted Christian director, who is 'serving' with his job (the movie) the 'cause of Christ', (the same 'Christ killed by the Jews'), has been newly attacked by the same 'infamous Jews', who didn't lose the opportunity to renew their 'infamous homicide' through their 'lies' which are like 'symbolic nails', for another times hammered in the image of Christ.

At the end of all you have the message that the RC Church is VICTIM of the LIE of the Jews. All this is a DRAMA constructed by the occult directors of the Company and of the Vatican. Remember folks: THE WORLD IS A BIG DRAMA, A BIG RAPPRESENTATION, A BIG TRAGEDY.

You must study Richard Wagner, who was a genius. All the life he was anti-semite (even if not in a Nazi-plateal way, and probably his natural father was a jew), but his works (books of theories) are very important to understand the real DRAMATIC-FICTIONAL core of the reality. Lately in his life he abandoned the German-Pagan mermaids and was a convinced Christian, and I think he was under the control of the Company or a lodge or occult society by the first controlled.

Folks: the reality is a BIG FICTION, A DRAMA, which is created and used by the occult directors in order to hit YOU inside, in order to raise the DEEP EMOTIONS they want.

The difference between a real drama and the reality is that in the latter you DON'T know it is a fiction. This is the reason for which they want to show you Jews everywhere, acting in everyway. They must raise in you the emotions and the conviction that they "control every thing".

But it seems that they don't control Hollywood: have you ever noticed of a big movie advertised on every TV about the bloody slaughter of Cathars? Of the persecution of the Jews by Sacro Uffizio? Of the dozen of times in which the Jesuits were expelled from every state of the world? Of the Vatican/Jesuit plot to kill Lincoln? Of the sinking of the Titanic by the hands of the Jesuit Capt. Smith? Of the slaughter of thousands of heretics serbs by the horrific Ustasha militia headed by priests, monks, bishops taking order from Rome? Of the rising to the power of Adolf Hitler by the help of the Vatican (and not only the disguising movies about Rat-lines).....

I COULD CONTINUE FOR A PAIR OF FEET BELOW, I JUST ADD: YOU'LL NEVER SEE A SINGLE MOVIE LIKE THESE (I MEAN: G R E A T MOVIES, NOT Z-SERIES MOVIES NO ONE KNOW THEY EXIST) AND YOU KNOW VERY WELL WHY.

Ps: the arguments about the 'Jewish blood' of the Queen is not sufficient, it only proves the OPPOSITE. It can prove that after the mixing of the Royals with the Jewish blood, now the royals are MORE subjected by the Christian/Catholic BLACKMAIL: "You have the blood of the ones which KILLED Jews....".

In the Middle Age for example they (the royals with J. blood) were more exposed, and in this case it was easy to move against them another royal family with pure no-Jews blood. "Divide et Impera" and "Divide et Blackmaila"....

In a world where everyone near you is searching a reason to eliminate you and to grip all your wealth and lands (the beautiful world of the Black Nobility - today is the SAME), is better to hide your 'Jewish' origins....

IN fact all the power of the Royals, ALL kind of royals, comes from who? ...It comes from GOD. And just let consider the day in which our friend GOD awakes with the 'not right leg'. Nervous, he tries to do something to calm herself down, then he goes to the heavenly windows and begin to watch the royals, to whom he gave the power to rule the Christian sheep. And what he discovers? That the Queen has 'Jewish' blood! The blood of the people who 'killed his son'!. Full of angry, he immediately calls his servant on heart, the pope: "Hey, you, come here! I discovered that the Queen has Jewish blood! Attack her immediately!".

So the servant, the pope, can declare the Queen 'excommunicated', and can declare all the Christian nobility under her LOOSE from the ties of the DIVINE OBBEDIENCE to her. Can you imagine what should have happened? A bloody civil war destroying the country of the 'Jewish Queen', Meanwhile other Monarchs, with pure Christians blood, would be allowed to share what remain of the reign like an apple pie for a birthday...

Good appetite!

All this worked very well during the Middle Age! The pope didn't need to excommunicate no one of the royals for their blood! Because the royal did ALL what the pope ordered them to do. The 'Jewish blood' was a CHRISTIAN/PAPAL DETERRENT (= you must always put on the power people who have something TO HIDE, and if this 'something' is related to the 'killing of the son of GOD', ok, is better!).

A deterrent that works under only one conditions: the conditions for which ALL THE POSSIBLE is made to avoid the impression that the 'Jewish blood' is a means of blackmail. In fact today you can ONLY observe efforts directed to expose the 'Jewish Blood' in every way possible EXCEPT the way of the PAPAL BLACKMAIL.

For the rest, just substitute the word 'royal' with the word 'Rotschild' etc....and you'll understand how the 'Jewish Blanket' today works better than Gore-Tex to cover the Vatican.... You can give all the banks you want to the Jews-Elite, they are just 'men of straw', in Italian Mafioso language: "PRESTANOMI" (meanwhile the rest of Jews receive only the blame for the 'services' their Elite is doing for the pope).

Finally: have you understood NOW because it is VERY IMPORTANT that you BELIEVE Jesus existed? And because is absolutely of NO importance if you believe that Jesus had sons who died in France, if Jesus died in Tibet, or in Etiopia, or in Norway, if Jesus was gay, if Jesus was an Alien ,a crack consumer, or coca sniffer etc? And because is the same RC Church which supports covertly Dan Browne?

They are very tollerant: believe what you want about Jesus, but you have NOT to deny his existence.

Because.....

.....IF JESUS DIDN'T EXISTED, HE COULDN'T BE KILLED; AND IF HE COULDN'T BE KILLED... NO A SINGLE JEW COULD BE BLACKMAILED!

Clear now?

(excuse me for the low English language)

"..Anyone who believes Jesus is God should be killed.." (by Islamic people)

Yes, like Al Qaeda: every one knows that it want to kill Bush, but not many people are aware that simultaneously it takes money from Bush....

Templars and Assassins were always doing 'good businness' among them: simultaneously

they claimed to be the very enemy of the counterpart... You know, THE WORLD IS A BIG DRAMA, A FICTION, LIKE THE ONES IN THE COLOSEUM (A FICTION FOR THE RULING ELITE, WITH REAL BLOOD OF THE SHEEP).

ISLAM = MADE IN VATICAN.

ISLAM = THE GLOABL 'AL QAEDA' OF THE VATICAN USED TO DESTROY BISANZIO IN THE SAME WAY THE TODAY 'AL QAEDA' IS USED BY SIS-CIA-MOSSAD UNDER THE RULE OF ROME.

If you have not understood this till now you'll never understand a single event of the last 1.000 years.

Foreigner's God? Please explain, I thought there was only one God.

The only thing I'm prepared to do, which you obviously aren't, is consider other points of view.

Yes, it's easy to pick out the bad bits in ANY religion - including yours.

Here's a few more items:

1. Partial List of "Jewish" Popes

URL SOURCE: <http://www.biblebelievers.org.au/malachy.htm>

This information / article is presented as a matter of record of the Malachy prophecies. The first ten (10) Roman Catholic popes were "Jews".

Here follows a list of 'Jewish' popes beginning with the 'prophecies' of 'Saint' Malachy in the year of 1139.

Pope No. 211: Callistus III (1455-1458) Jew*

Pope No. 216: Alexander VI (1492-1503) Jew*

Pope No. 217: Pius III (1503) Jew*

Pope No. 219: Leo X (1513-1521) Jew*

Pope No. 221: Clement VII (1523-1534) Jew* (cousin of Leo X)

Pope No. 222: Paul III (1534-1549) Jew*

Pope No. 227: St. Pius V (1566-1572) Jew*

Pope No. 228: Gregory XIII (1572-1585) Jew*

Pope No. 262: Pius XII (1939-1958) Jew**

Pope No. 264: Paul VI (1963-1978) Jew***

Pope No. 266: John Paul II (1978-2001 or 2005 [01]) Jew****

Pope No. 268: ? (This would be the last pope in accordance to St. Malachy)

Jew * Das Papsttum, Breitkopf & Haertel 1904. Pope Leo X was a Medici (i.e. Khazar Black Nobility [01]) and Clement VII was his cousin.

Jew ** Khazar Black Nobility, whose father was a banker brought to Rome in Rothschild [02] employ.

Jew *** Paul VI, Montini, was Jew according to the Blue Book of prominent families in Italy.

Jew **** Mother was a Jew, maiden name "Katz" Polonised as "Kaczorowska".

Despite the fact there was no such office or word as "pope" until about the fourth century and that Peter was neither Roman Catholic nor pope, commencing with Peter, the first ten popes were "Jews" of some description (Philip I by William Thomas Walsh, Shead & Ward London, 1938).

Some "Jewish" popes previous to Malachy's prophecy include, Zephyrin (199-217), Siricus (384-399), Hormidas (514-523), and Analdet II (1130-1138). (Gert Haendler: Kirchengeschichte, Evangelische Verlagsanstalt Berlin, 1980).

2. Excerpts from "Prophecies" of Saint Malachy

According to the prophecy of Daniel 9:27 and Revelation 13 and 17:10-18, the last pontiff will be the Devil-incarnate, and he will break Rome's covenant with the Jewish bankers. It seems Malachy made only 111 predictions so that John Paul II's successor, "Gloria Olivae" should be the final pope. It appears the Benedictines devised pope 112 to dissociate their order from the "Beast".

3. In his novel Coningsby (London, 1844), Disraeli drew a picture from the life of the Jews ruling the world from behind the thrones as graphic as anything in the Protocols of Nilus. Excerpts from pages 249-252.

"You never observe a great intellectual movement in Europe in which the Jews do not greatly participate. The first Jesuits were Jews; that mysterious Russian diplomacy which so alarms Western Europe is organized and principally carried on by Jews; that mighty revolution (of 1848) which will be in fact [followed] by a second and greater Reformation, and of which so little is as yet known in England, is entirely developing under the auspices of Jews, who almost monopolize the professorial chairs of Germany. Neander the founder of Spiritual Christianity, and who is Regius Professor of Divinity in the University of Berlin, is a Jew. Benary, equally famous and in the same university, is a Jew. Wehl, the Arabic Professor of Heidelberg, is a Jew. Years ago, when I was in Palestine, I met a German student who was accumulating materials for the history of Christianity and studying the genius of the place; a modest and learned man. It was Wehl; then unknown, since become the first Arabic scholar of the day, and the author of the life of Mohamet. But for the German professors of this race, their name is legion. I think there are more than ten at Berlin alone.

I told you just now that I was going up to town tomorrow, because I always made it a rule to interpose when affairs of state were on the carpet. Otherwise, I never interfere. I hear of

peace and war in the newspapers, but I am never alarmed, except when I am informed that the sovereigns want treasure; then I know that monarchs are serious. A few years back we were applied to by Russia. Now there has been no friendship between the Court of St. Petersburg and my family. It has Dutch connections which have generally supplied it; and our representations in favor of the Polish Jews, a numerous race, but the most suffering and degraded of all the tribes, have not been very agreeable to the Czar. However circumstances drew to an approximation between the Romanoffs and the Sidonias. I resolved to go myself to St. Petersburg. I had on my arrival an interview with the Russian Minister of Finance, Count Cancrin; I beheld the son of a Lithuanian Jew. The loan was connected with the affairs of Spain; I resolved on repairing to Spain from Russia. I travelled without intermission. I had an audience immediately on my arrival with the Spanish minister Senior Mendizabel; I behold one like myself, the some of Nuevo Christiano, a Jew of Aragon. In consequence of what transpired at Madrid, I went straight to Paris to consult the President of the French Council; I beheld the son of a French Jew, a hero, an imperial marshal and very properly so, for who should be military heroes if not those of the Jewish faith.'

'And is Soult a Jew?' 'Yes, and others of the French marshals, and the most famous Massna, for example; his real name was Mannasheh: but to my anecdote. The consequence of our consultations was that some northern power should be applied to in a friendly and mediative capacity. We fixed on Prussia, and the President of the Council made an application to the Prussian minister, who attended a few days after our conference. Count Arnim entered the cabinet, and I beheld a Prussian Jew. So you see, my dear Coningsby, that the world is governed by very different personages from what is imagined by those who are not behind the scenes.'" (pp. 249-252)

4. A Quote From another Jewish source:

"Mrs. Van Hying, I am surprised at your surprise. You are a student of history -- and you know that both the Borgias and the Mediciis are Jewish families of Italy. Surely you know that there have been Popes from both of these house. Perhaps it will surprise you to know that we have had 20 Jewish Popes, and when you have sufficient time, which may coincide with my free time, I can show you these names and dates. You will learn from these that: The crimes committed in the name of the Catholic Church were under Jewish Popes. The leaders of the inquisition was one, de TorQuemada, a Jew." (Woman's Voice, November 25, 1953)

(There is a plethora of material out there demonstrating in great detail that Pope John Paul II was a Polish Jew, let alone these several readily available on google <http://www.google.com/search?hl=en&lr=&q=j...pes&btnG=Search> and Ratsinger was always called his inquisitor, <http://www.google.com/search?hl=en&lr=&q=r...ion&btnG=Search> two of the most major pro-jewish Popes ever, the first ones going in the synagogues conducting services , and the first going into the mosques, this fulfills the prophecies of the Anti-Christ Beast which would try to mix God into a generic nameless being, truly fulfilling the definitions of the Babylon ONE WORLD RELIGION & one world order! all in the name of peace, etc. These two even went

as far as taking down many Church crosses in Poland so Jews & other religions wouldn't be offended.)

From <http://www.sullivan-county.com/news/mine/timeline.htm>

A Catholic Timeline of Events Relating to

Jews, Anti-Judaism, Antisemitism, and the Holocaust

From the 3rd Century to the Beginning of the Third Millennium

Prepared by Jerry Darring

c. 240 Origen of Alexandria writes that the Jews "have committed the most abominable of crimes" in conspiring against Christ, and for that reason "the Jewish nation was driven from its country, and another people was called by God to the blessed election"

248 St. Cyprian writes that the Jews have fallen under the heavy wrath of God, because they have departed from the Lord, and have followed idols

306 The Council of Elvira decrees that Christians and Jews cannot intermarry, have sexual intercourse, or eat together

325 Conversation and fellowship with Jews is forbidden to the clergy by the Council of Nicaea

4th century Christian emperors of Rome decree that Christians converting to Judaism, and Jews obstructing the conversion of other Jews to Christianity, will incur the death penalty; Jews can not marry Christians, or hold public office, or own slaves

c. 380 St. Gregory of Nyssa refers to the Jews as "murderers of the Lord, assassins of the prophets, rebels and detesters of God,... companions of the devil, race of vipers, informers, calumniators, darkeners of the mind, pharisaic leaven, Sanhedrin of demons, accursed, detested,... enemies of all that is beautiful"

c. 380 St. Ambrose calls the synagogue "a place of unbelief, a home of impiety, a refuge of insanity, damned by God Himself"

388 A mob of Christians, at the instigation of their bishop, looted and burned the synagogue in Callinicum, a town on the Euphrates. The Emperor Theodosius wants those responsible punished and the synagogue rebuilt at the expense of the bishop, but St. Ambrose, the

bishop of Milan, pressures him to relent and condone the action

400 St. Augustine writes: "the Church admits and avows the Jewish people to be cursed, because after killing Christ they continue to till the ground of an earthly circumcision, an earthly Sabbath, an earthly passover, while the hidden strength or virtue of making known Christ, which this tilling contains, is not yielded to the Jews while they continue in impiety and unbelief, for it is revealed in the New Testament. While they will not turn to God, the veil which is on their minds in reading the Old Testament is not taken away... the Jewish people, like Cain, continue tilling the ground, in the carnal observance of the law, which does not yield to them its strength, because they do not perceive in it the grace of Christ"

c. 400 Calling the synagogue "brothel and theater" and "a cave of pirates and the lair of wild beasts," St. John Chrysostom writes that "the Jews behave no better than hogs and goats in their lewd grossness and the excesses of their gluttony"

413 A group of monks sweep through Palestine, destroying synagogues and massacring Jews at the Western Wall

414 St. Cyril of Alexandria expels Jews from his city

425 Jews are required by law to observe Christian feasts and fasts and to listen to sermons designed to persuade them to convert

442 The synagogue in Constantinople is turned into a church

529-553 The Code of the emperor Justinian decrees that in Christian Byzantine society Jews cannot read their sacred books in Hebrew in their synagogues, and the Mishnah and other rabbinic interpretations are banned

538 The Third Synod of Orléans decrees that Jews cannot show themselves in the streets during Passover Week

591 Pope St. Gregory the Great decrees that Jews are not to be forced into baptism "lest they return to their former superstition and die the worse for having been born again"

600 Pope St. Gregory the Great decrees that Jews should not have excessive freedom, but also "in no way should they suffer a violation of their rights"

681 The Synod of Toledo orders the burning of the Talmud and other books

768 Pope Stephen IV decries ownership of hereditary estates by "the Jewish people, ever rebellious against God and derogatory of our rites"

c. 830 Agobard, Archbishop of Lyons, writes anti-Jewish pamphlets in which he refers to Jews as "sons of darkness"

c. 937 Pope Leo VII encourages his newly appointed archbishop of Mainz to expel all Jews who refuse to be baptized

c. 1010-1020 In Rouen, Orléans, Limoges, Mainz, and probably also in Rome, Jews are converted by force, massacred, or expelled

1050 The Synod of Narbonne decrees that Christians are not permitted to live in Jewish homes

c. 1070 Pope Alexander II warns the bishops of Spain to prevent violence against the Jews because, unlike the Saracens, they "are prepared to live in servitude"

1078 The Synod of Gerona decrees that Jews must pay the same taxes as Christians to support the church

1081 Pope Gregory VII writes to King Alphonso of Spain telling him that if he allows Jews to

be lords over Christians, he is oppressing the Church and exalting "the Synagogue of Satan"

1084 Rüdiger, bishop of Speyer, grants the Jews a charter allowing them to keep Christian servants and serfs, own fields and vineyards, and carry arms

1096 Massacres of Jews takes place in the First Crusade, destroying entire Jewish communities in Mainz, Speyer, Worms, Cologne and other cities. The Jewish chronicler reports: "The enemies stripped them naked and dragged them off, granting quarter to none, save those few who accepted baptism. The number of the slain was eight hundred in these two days." The chronicler Guibert de Nogent reports that the Rouen Crusaders said: "We desire to go and fight God's enemies in the East; but we have before our eyes certain Jews, a race more inimical to God than any other"

1182 Jews are expelled from France, all their property is confiscated, and Christians' debts to them are cancelled with the payment of one-fifth of their value to the treasury

1190 The Third Crusade, led by Richard the Lion-Heart, stirs anti-Jewish fervor and results in the mass suicide of the York Jews in Clifford's Tower on March 16

1198 Jews are allowed to return to France

1199 Pope Innocent III decrees that Jews are to be allowed to worship in their synagogues, they are not to be coerced into baptism, and that Jewish cemeteries are not to be mutilated

1215 The Fourth Lateran Council decrees that Jews are to wear distinctive clothing, and on the three days before Easter they are not to go out in public

1222 The Council of Oxford prohibits the construction of new synagogues

1227 The Council of Narbonne orders Jews to wear a round patch

1230 Jews in France are forbidden to lend money on interest

1234 The Council of Arles orders Jews to wear a round patch

1235 Thirty-four Jews are burned to death in Fulda on a blood-libel charge

1246 The Council of Béziers orders Jews to wear a round patch

1247 Pope Innocent IV defends the Jews: "they are wrongly accused of partaking of the heart of a murdered child at the Passover... Whenever a corpse is found somewhere, it is to the Jews that the murder is wickedly imputed. They are persecuted on the pretext of such fables... they are deprived of trial and of regular judgment; in mockery of all justice, they are stripped of their belongings, starved, imprisoned and tortured"

1254 The Council of Albi orders Jews to wear a round patch

1260 The Council of Arles orders Jews to wear a round patch, but not when traveling

1267 The Synod of Vienna decrees that Christians cannot attend Jewish ceremonies, and Jews cannot dispute with simple Christian people about the Catholic religion

1267 The Synod of Breslau decrees compulsory ghettos for Jews

1267 Pope Clement IV instructs the Franciscans and Dominicans to deal with the "new Christians" who had reverted to Judaism

c. 1270 St. Thomas Aquinas writes that the Jews sin more in their unbelief than do pagans because they have abandoned the way of justice "after knowing it in some way"

1272 Pope Gregory X defends the Jews: "It happens sometimes that Christians lose their children and that the enemies of the Jews accuse them of having kidnaped and killed these children in order to offer sacrifices with their heart and blood, and it also happens that the parents themselves, or other Christians who are enemies to the Jews, hide the children and

- attack the Jews, demanding of them, as ransom, a certain sum of money, on the entirely false pretext that these children had been kidnaped and killed by the Jews"
- 1275 Jews in England are forbidden to lend money on interest
- 1279 The Synod of Ofen decrees that Christians cannot sell or rent real estate to Jews
- 1283 Jews in France are forbidden to live in the countryside
- 1284 The Council of Nîmes orders Jews to wear a round patch
- 1289 The Council of Vienna orders Jews to wear a round patch
- 1290 Jews are expelled from England and southern Italy
- 1294 Jews in France are restricted to special quarters of the cities
- 1294 Jews are expelled from Bern
- 1298 The Jews of Röttingen, charged with profaning the Host, are massacred and burned down to the last one
- 1320 The "Shepherds' Crusade." A Christian chronicler records: "The shepherds laid siege to all the Jews who had come from all sides to take refuge... the Jews defended themselves heroically... but their resistance served no purpose, for the shepherds slaughtered a great number of the besieged Jews by smoke and by fire... The Jews, realizing that they would not escape alive, preferred to kill themselves... They chose one of their number (and) this man put some five hundred of them to death, with their consent. He then descended from the castle tower with the few Jewish children who still remained alive... They killed him by quartering. They spared the children, whom they made Catholics by baptism"
- 1326 The Council of Avignon orders Jews to wear a round patch, but not when traveling
- 1345 King John authorizes his subjects in Liegnitz and Breslau to destroy the Jewish cemeteries in order to use the tombstones to repair the city walls
- 1347-1350 During the Black Death, Jews are accused of poisoning wells in order to overthrow Christendom, and many thousands of Jews are killed. Pope Clement VI defends the Jews against these charges
- 1350 Jews are expelled from many parts of Germany
- 1367 Jews are expelled from Hungary
- 1368 The Council of Vabres orders Jews to wear a round patch
- 1381 Jews are expelled from Strasbourg
- 1394 The expulsion of Jews from France, begun in 1306, is completed with an edict promulgated on the Jewish Day of Atonement
- 1420 Jews are expelled from Mainz by the archbishop
- 1421 Jews are expelled from Austria
- 1424 Jews are expelled from Fribourg and Zurich
- c. 1425 Pope Martin V denounces anti-Jewish preaching and forbids the forced baptism of Jewish children under the age of twelve
- 1426 Jews are expelled from Cologne
- 1432 Jews are expelled from Saxony
- 1434 The Council of Basel decrees that Jews cannot obtain academic degrees
- 1435 King Alfonso orders the Jews of Sicily to attach a round patch to their clothing and over their shops
- 1438 Jews are expelled from Mainz by the town councilors

1439 Jews are expelled from Augsburg

1453 Jews are expelled from Wurzburg

1454 Jews are expelled from Breslau

1456 Pope Callistus III bans all social communication between Christians and Jews

1462 Jews are expelled from Mainz following a conflict between two candidates for the archepiscopal seat

1467 Jews are expelled from Tlemcen

1471 Jews are expelled from Mainz by the archbishop

1475 The entire Jewish community in Trent, northern Italy, is put to death on the allegation that it had murdered a boy for religious purposes

1485 Jews are expelled from Warsaw and Cracow

1492 After forcing many Jews to be baptized and then referring to them as Marranos (swine), and after an Inquisition in which some 700 Marranos were burnt at the stake for showing signs of "Jewish" taint, Spain expels all Jews from the country

1497 Jews are expelled from Portugal

1519 Jews are expelled from Regensburg

1553 Cardinal Carafa instigates a public burning of copies of the Talmud and other Jewish religious works in a square in Rome

1555-1559 Pope Paul IV restricts Jews to ghettos and decrees that they are to wear distinctive headgear

1566-1572 Pope St. Pius V expels Jews from the Papal States, allowing some to remain in Rome's ghettos and in Ancona for commercial reasons

1592-1605 Pope Clement VIII includes a ban on all Jewish books in the expanded Index of Forbidden Books

1826 Pope Leo XII decrees that Jews are to be confined to ghettos and their property is to be confiscated

1858 Edgardo Mortara, 6-year old son of a Jewish family in Bologna, is abducted by the papal police and brought to Rome. He had been secretly baptized five years earlier by a domestic servant who thought he was about to die. The parents try to get the boy back, and there is a universal outcry, but Pope Pius IX rejects all petitions submitted to him

1904 In an interview with Zionist leader Theodor Hertzl, Pope St. Pius X says: "I know, it is disagreeable to see the Turks in possession of our Holy Places. We simply have to put up with it. But to sanction the Jewish wish to occupy these sites, that we cannot do... The Jews have not recognized our Lord, therefore we cannot recognize the Jewish people... If you go to Palestine and your people settle there, you will find us clergy and churches ready to baptize you all"

1919 Newly independent Poland passes a law making Sunday a compulsory day of rest in Poland. The law is intended to force Jews to observe the Christian sabbath in addition to their own

1921 Speaking for Pope Benedict XV, a Vatican spokesman informed representatives of the Zionist Movement that they did not wish to assist "the Jewish race, which is permeated with a revolutionary and rebellious spirit" to gain control over the Holy Land

1925 At a conference of Catholic academicians in Innsbruck, Austria, Bishop Sigismund

Waitz calls the Jews an "alien people" who had corrupted England, France, Italy, and especially America

1933 In a series of Advent sermons, Cardinal Faulhaber of Munich defends the Old Testament against Nazi attacks but emphasizes that it is not his intention to defend contemporary Jewry, saying that a distinction has to be drawn between Jews living before and after the crucifixion of Jesus

1933 In a pastoral letter on January 23, Bishop Johannes Maria Gföllner of Linz, Austria, declares that while the radical anti-Semitism preached by Nazism is completely incompatible with Christianity, it is the right and duty of Christians to fight and break the harmful influences of Jewry in all areas of modern cultural life. The Austrian episcopate condemns the letter in December for causing racial hatred and conflict

1933-1939 The general consensus among the Catholic papers in Poland is that Jewish influence should be reduced in all areas of life, that the Polish and Jewish communities should be separated as much as possible, and that the most desirable option is mass emigration of the Jews from Poland. St. Maximilian Kolbe is an active promoter of antisemitic literature

1935-1936 The Polish Catholic Church gives full support to a government policy encouraging Jewish emigration from Poland

1936 Cardinal August Hlond, the primate of Poland, issues a pastoral letter, stating: "I warn you against that ethical attitude that is fundamentally and uncompromisingly anti-Jewish. It is contradictory to Catholic ethics. It is permissible to love your nation more than others, but it is not permissible to hate anyone. Not even the Jews... You should close yourselves to the harmful influence of Jewry... But you may not attack Jews, beat them, hurt them, slander them. In a Jew you should also respect and love a human being and your neighbor"

1937 Austrian bishop Alois Hudal publishes a book defending Nazi racial ideology, supporting laws preventing a flood of Jewish immigrants, and criticizing the "Jewish" press for playing off Austrians against Germans. His book receives the support of Archbishop (later Cardinal) Theodor Innitzer of Vienna

1938 In a speech before Belgian pilgrims, Pope Pius XI denounces antisemitism and says: "Spiritually we are all Semites." His comments are reported in various newspapers but not in the Vatican's L'Osservatore Romano

1939 Josef Tiso, a Catholic priest with a doctorate in theology, became president of independent Slovakia. An extremist hater of Jews, he allied Slovakia with Nazi Germany and, with strong objections from the Vatican, deported most Slovakian Jews to their deaths in the camps. He declared: "It is a Christian action to expel the Jews, because it is for the good of the people, which is thus getting rid of its pests." Monsignor Tiso was executed after the war as a war criminal

1941-1945 The "Final Solution" takes place in Nazi-occupied Europe. This Holocaust, the killing of some six million Jews, "happened in the 'heartland' of Western Christian Europe... It happened with the passive acquiescence or active collaboration of most European Christians, and no decisive protest from church leadership, Catholic or protestant" (Rosemary Radford Ruether)

1941 In Croatia, Bishop Ivan Saric of Sarajevo appropriates Jewish property for his own use.

His diocesan newspaper declares that "Jewish greed increases. The Jews have led Europe and the world towards disaster, moral and economic disaster. Their appetite grows till only domination of the whole world will satisfy it." Bishop Aksamovic of Djakovic teaches that "today it is the sacred duty of every citizen to prove his Aryan origins." Meanwhile, Archbishop Aloys Stepinac of Zagreb preaches in a sermon that "it is forbidden to exterminate Gypsies and Jews because they are said to belong to an inferior race" 1941 Provost Bernard Lichtenberg of Berlin's St. Hedwig Cathedral publicly declares that he will include Jews in his daily prayers. On October 23 he is arrested and sent to Dauchau, but dies on the way

1941 The German Bishops' Conference issues a pastoral letter secretly distributed and read from all pulpits. It outlines in detail the Nazi assault on the Catholic Church, but makes no mention of the Jews

1941 In Operational Situation Report USSR No. 54, the German Einsatzgruppen A reports from Kaunas, Lithuania: "The attitude of the Church regarding the Jewish question is, in general, clear. In addition, Bishop Brisgys has forbidden all clergymen to help Jews in any form whatsoever. He rejected several Jewish delegations who approached him personally and asked for his intervention with the German authorities. In the future he will not meet with any Jews at all"

1942 The French Assembly of Cardinals and Archbishops sends a letter to Marshal Pétain, head of the Vichy government, protesting against the mass arrests and cruel treatment of the French Jews

1942 Protest against the persecution of Dutch Jews is read from the pulpit of all churches in Holland

1942 In August and September, messages to be read out in their churches protesting the deportation of Jews from France are written by Archbishop Saliège of Toulouse, Bishop Théas of Montauban, Bishop Delay of Marseilles, Cardinal Gerlier of Lyon, Bishop Vanstenbergher of Bayonne, and Archbishop Moussaron of Albi

1942 Great Britain, the Polish Government-in-exile, Brazil, the United States, and Uruguay press Pope Pius XII to condemn the Nazi treatment of Jews. The Pope responds to this international appeal with his Christmas radio address, but does not specifically mention the Jews

1942-1945 Cardinal Adolf Bertram, Archbishop of Breslau and head of the German Bishops' Conference, opposes all public protest against the deportation and massacre of the Jews. He maintains a cordial relationship with Hitler, and in May 1945 he orders requiem masses for Hitler be offered in all his parishes

1943 At their annual meeting in Fulda, the German Catholic bishops debate whether to speak out about the Holocaust and confront Hitler with a direct accusation. They decide not to do so

1943 Slovakia's Catholic Bishops protest the deportation of Jews in a pastoral letter read in Latin from the pulpits. Many priests refuse to read it or insert their own negative comments

1945 Addressing the College of Cardinals after the end of the European war, Pope Pius XII speaks of the hundreds of priests and religious who died in Nazi concentration camps, but makes no mention of the Jews

1965 The Second Vatican Council issues its Declaration on the Relationship of the Church to Non-Christian Religions: "True, authorities of the Jews and those who followed their lead pressed for the death of Christ; still, what happened in His passion cannot be blamed upon all the Jews then living, without distinction, nor upon the Jews of today... The Jews should not be presented as repudiated or cursed by God... The Church decries hatred, persecutions, displays of anti-Semitism, directed against Jews at any time and by anyone"

1967 The Catholic bishops in the United States establish an Office on Catholic-Jewish Relations, and promptly issues Guidelines for Catholic-Jewish Relations

1967 In an interview with a Los Angeles rabbi, Cardinal Frings of Cologne, Germany, states that the Jews had been economically too powerful in the 1920s, and he doubts if six million Jews had actually been killed under Hitler

1974 The Vatican Commission for Religious Relations with the Jews issues its Guidelines for Catholic-Jewish Relations: "The spiritual ties and historical relations between the Church and Judaism are enough to condemn, as contrary to the spirit of Christianity, all forms of anti-Semitism and discrimination"

1979 Pope John Paul II visits Auschwitz and refers to the Holocaust as "the Golgotha of our century"

1980 The German Bishops Conference declares: "A serious dialogue of reciprocal love and understanding must replace the 'anti-Semitism' which, to some extent, still lives on in Christians. The spiritual bonds and historical statements that bind the Church and Judaism condemn any form of anti-Semitism as contradictory to the spirit of Christianity"

1984 The National Conference of Brazilian Bishops declares: "All forms of anti-Semitism must be condemned. Every unfavorable word and expression must be erased from Christian speech. All campaigns of physical or moral violence must cease. The Jew must not be considered a deicide people"

1985 The Vatican Commission for Religious Relations with the Jews issues the document Notes on the Correct Way to Present the Jews and Judaism in Preaching and Catechesis in the Roman Catholic Church: "Our two traditions are so related that they cannot ignore each other. Mutual knowledge must be encouraged at every level. There is evident in particular a painful ignorance of the history and traditions of Judaism, of which only negative aspects and often caricature seem to form part of the stock ideas of many Christians"

1987 Pope John Paul II holds a controversial Vatican meeting with Kurt Waldheim, President of Austria. The meeting causes an international uproar because of Waldheim's reputation as a willing bureaucratic accomplice under the Nazis

1988 The Pontifical Commission "Justice and Peace" issues a document on racism: "Amongst the manifestations of systematic racial distrust, specific mention must once again be made of anti-Semitism. If anti-Semitism has been the most tragic form that racist ideology has assumed in our century, with the horrors of the Jewish 'Holocaust,' it has unfortunately not yet entirely disappeared"

1989 Reacting to Jewish efforts to remove a Carmelite convent established at Auschwitz, Cardinal Glemp, the Primate of Poland, says in an August homily: "Dear Jews, do not talk with us from the position of a nation raised beyond all others and do not dictate terms that are impossible to fulfill. Don't you see, esteemed Jews, that openly opposing the Carmelite

nuns hurts the feelings of all Poles and violates our hard-won sovereignty. Your power is in the mass media, at your immediate disposal in many countries. Do not use it to spread anti-Polonism." The convent was eventually removed.

1993 The Holy See establishes diplomatic relations with the State of Israel

1994 Pope John Paul II hosts a concert at the Vatican to commemorate the Holocaust. It is the first time that the Chief Rabbi of Rome is invited to co-officiate at a public function in the Vatican; the first time a Jewish cantor sings at the Vatican; the first time the Vatican choir sings a Hebrew text in performance

1994-1995 Bishops in Hungary, Germany, Poland, Netherlands, and the United States issue documents condemning antisemitism on the occasion of the 50th anniversary of the Holocaust

1997 The French Catholic Bishops issue a Declaration of Repentance: "The end result is that the attempt to exterminate the Jewish people, instead of being perceived as a central question in human and spiritual terms, remained a secondary consideration. In the face of so great and utter a tragedy, too many of the Church's pastors committed an offense, by their silence, against the Church itself and its mission. Today we confess that such a silence was a sin. In so doing, we recognize that the Church of France failed in her mission as teacher of consciences"

1997 The Swiss Catholic Bishops' Conference issue a document on the role of Switzerland during the Second World War: "For centuries, Christians and ecclesiastical teachings were guilty of persecuting and marginalizing Jews, thus giving rise to antisemitic sentiments... It is in reference to these past acts of churches for which we proclaim ourselves culpable and ask pardon of the descendants of the victims"

1998 The Vatican Commission for Religious Relations with the Jews issues the document We Remember: A Reflection on the 'Shoah': "We wish to turn awareness of past sins into a firm resolve to build a new future in which there will be no more anti-Judaism among Christians or anti-Christian sentiment among Jews, but rather a shared mutual respect as befits those who adore the one Creator and Lord and have a common father in faith, Abraham"

1998 The Italian Bishops address a letter to the Jewish community of Italy, expressing the "hope that the maleficent plant of antisemitism will be extinguished forever from history, beginning with our cultural and linguistic habits"

2000 Pope John Paul II visits Israel. He pays tribute to the victims of the Holocaust at Yad Vashem (the Holocaust Martyrs' and Heroes' Remembrance Authority), and he leaves the following prayer between the ancient stones of the Western Wall in Jerusalem:

God of our fathers,
you chose Abraham and his descendants
to bring your Name to the Nations:
we are deeply saddened
by the behavior of those
who in the course of history
have caused these children of yours to suffer,
and asking your forgiveness

we wish to commit ourselves
to genuine brotherhood
with the people of the Covenant

Like I said before, Jews don't control the Roman Church. The Roman Church was evil and corrupt from the beginning.

Geetings Timothy,I concur! It is Father Yahwehs'(NOT A GOD!), estranged Wife Hillel(satan, lucifer,baal...) who created the Vatican to steal worship from the Father and his born in the flesh Son. They (satan,vatican) changed the days and times. From observation of Lunar phases they morphed it into SUN worship. ex. Constatines vision, The fatima event,the obelisk of horus at st.peters square(circle).Worship on "SUN"day,,, When Father Yahweh instucted Moses on the Codex of Law(Torah) he declared that they are His Laws' His Holy days, not the Jews'(Yahdaim,people of Yahweh). The Yahdaim(jews) were "chosen" to be an example of a People living by His Laws', not "PETS". Indeed, in todays political climate, Father Yahweh Himself would be accused of anti-semitism for declaring them stiffnecked backsliders amongst other Judgements.Indeed, if anything,this thread proves that when every member of a choir has a different sheet of music,(which, as is their right, at this time to believe it is correct) we have the natural result of cacophony! This cacophony will persist until each and everyone of us does Due Diligence in our research by using Peer Reviewed and Vetted sources for our conclusions. Examples: Sources for the Book of Yahweh(the bible)1. the "J" source. the oldest source, based on the "Tetragrammaton"(YHWH) 2.the"D" the deuternomic source 3.the "E" Elohist source 4. the "P" the priestly source. Who? amongst all the users of this Forum, would like to have their Name removed from their life story giving all credit to another. Not I. The crux of the Book of Yahweh(the bible) is Father Yahweh and all His servants opposition to GODS(all of

them) and their system. Worship the Creator, not His creations! Yahshua is not horus!

I agree with you these are YAHWEH's days, not even called the Israelite's feasts. These are for us to get on His time schedule so we can be closer to Him if we want to meet with Him on HIS timeschedule. (Lev 23 these are MY Feasts).

You cannot forget the bible says they who say they are of Judah (YAHUDIM), are LIARS and are not Judah but of the synagogue of Satan, and do blaspheme saying they are Judah.(Rev 2:9 and 3:9). Remember Judah is only 1 tribe and Israel is 12 tribes, and modern Judah is well confirmed to be over 90% non-semitic Ashkenazi and following a talmudic babylonian traditions of men, and totally reject the law of Moses as our King many times said they "REJECT" the law of Moses for their traditions.

As far as needing these false jews to show witness of His laws to us:

Well still the Anglican & Episcopal's oldest book of Common Prayer, (the one George Washington used, as well as many fine true Israelites used) **lists the way to calculate the proper Equinox for the 7 High Holy Feast Days** which are also listed in detail as **WORSHIP Services** in this most widely used Protestant Prayerbook.

Even nationally overall most western countries have most of the feast days on their national calendars as paid Holidays, or mandatory days of rest. i.e., many European countries have Passover(Easter), Ascension day, Pentecost(Whitsunday), Trumpets, Atonement & Tabernacles (Some have it on Tabernacles on time, some are off schedule but have a large Christmas season where Jesus is celebrated anyhow at least by many in spirit) and Saturday (the 7th Day) is naturally a day of rest in most of these countries, not by coincidence but of

divine will. I have a LONG list of non-Jewish Sabbath Keepers throughout history, though persecuted have prevailed. 4th century catholic churches as well, right on up to today well confirmed, and there are many non-jewish churches that keep all the commandments of God, it is only growing. I know that the most widely used prayerbook (though revised) still currently has services for major feast days, as well as **Saturday worship services**, as well as the Lord's Day, 1st day of the week services. There are services for all 7 days of the week, so a good Christian who goes for prayers every day is sure not to miss a Holy Day, and they can find through the calendar and the book of prayer and the bible, the ways of God's feasts at least. It has eben preserved by Christians in our calendars, without the new false ashkenazis talmudic babylonian anti-biblical traditions.

St. Patrick who is well recorded to have been observing the New Moon, all the Holy Days, Dietary laws, and commandments of God was also famous for "driving the snakes out of Ireland" these were the jew type of ashkenazi canaanite seed of the serpent which Jesus Christ labeled them "generation of serpents", the false-jew Edomites (Revelation 2:9 and 3:9 they saying they're descendant of this tribe but are NOT) Ashkenazi is entirely non-semitic.

The true cities of peace, cities of Jerusalem God said would be spread abroad are only found in the places where God's Bride are who received Jesus Christ and were redeemed back to Him, in predominate European towns where God has blessed them with the graces of having such YERU - SHALEM. Which that old land was to be "a den of dragons" and "curse to all nations", though Jesus YAHSHUA will come back and perhaps start His battles there.

When the figure of Jesus C. was engineered, the Illumianti putted in his mouth convenient and profitable words, in order to achieve the desired effects in the future. False Jews and real Jews, it doesn't matter if you understand what lie behind the character of Jesus.

I repeat:

- 1) Create a character, call it 'Jesus Christ';
- 2) Destroy the people (the Jews) in order to destroy the people who could witness about the fictive nature of your 'Christ J.'. In the future you could say that 'the Jews killed Jesus', but you will not have any nation or strong social organization capable to oppose to this tale.

3) Don't annihilate them completely: just exactly like the cells of a dead persons, which are used by scientist for many years after his disappearance, the 'remaining cell' of the Israel people shall be used by the 'Vatican scientists' in their experiments during Middle Age and forward.

4) You (the Vatican) must pay very attention to act with the 'cells': all must appear like the cells are ruling you. So the people could start to think that there's 'something magic and satanic' in these cells;

5) But you have not many cells: as every scientist you must care that they increase in number. So take another kind of cell and cross them with the 'Jews cells'. In the future all that could help to confuse and manipulate the situation, making it more complicated.

6) Throug the centuries cultivate the fear and hate of the people against your 'cells'. Treat the cells in a different way than you treat the common Christians: for example if a Christians disagree with you in some dogmas about Jesus, kill immediately him. But let the 'cells' do their lives, even if you claim they committed the worst crime against God, the murdering of his son. Soon the common Christian would accumulate a big quantity of hate against the cells: "hey, why we must die on the stake if we oppose to single dogma about Christ but not on the evidence of his existence, and they, the 'cells', they who killed him, are free not only to live, but to practice the banking?!!?!".

7) This fear, hate, grudge and resentment of the Christian people shall be your GUN pointed to the head of the 'cells': the single parts (individuals) of this gun don't know what they form together, but the 'cells' know it well.

But is the way you use this gun that is very intelligent: you use it do force your 'cells' to do the right opposite anyone expect. You must force the cells to do the dirty job of the executive power. Whit this *) you gain more hate of the Christians against the 'cells' which shall be blamed for the dirty job (which is in your interest); **) you obtain to keep more and more the cells dependants of you because the privileges they get doing the dirty work; ***) you balance the theological counts because you give to the 'cells' an opportunity to save their souls doing the dirty job. So we arrive to the.....

...8) point (eight, like Saturn, like Satan), i.e. today. Now that the times are arrived (all should happen well before 2012, the date is only a deceit) the 'cells' can be destroyed, maybe in the Final Show which will wipe away 11/12 of the world population (see the famous monument). In fact they created the 'cells', they created Jesus Fake, they created us, they created Renaissance, they created the modern industrial world, and now, they have all what (technology) they want, they don't need no more to use six billion sheeps so they shall wipe 'em away with the GLOBAL BURNING (with many greetings for David Icke & Giuliana Conforto).

All the conversations about the Jews are defective. All is based on the existence of Jesus, and denying his existence is prohibited by the dogma. Is NO tollerable to put every thing

under the lense of the doubt AND contemporarely to refuse to put the existence of the so called Jesus Christ under the lense of the doubt too. All this should arise the greatest suspects in a court or in a police inquiry. So,

WHO created the Jews?

WHO created Jesus?

Avles.

Pastor Steve - March 3, 2007 12:46 PM (GMT)

Dear Avles,

I dont know of any religions that are anti-jewish so a major part of your theory is proven flawed off the bat. Every major denomination of Christianity that believes in Jesus pretty much worships jewry, and would never consider harboring anything wrongful against "God's Chosen", these types simply do not exist contrary to what you think.

There is no fear, grudge or resentment by the Christian people at large. There is a tiny remnant who first of all even read the scriptures to find that Jesus is God, then there's a tiny remnant who find salvation, let alone ever uncover truths of true or false jew. This is all only for God's tiny small elect heirs to ever find, and none of your imagined master plan that has no substance in reality.

Nearly every religious person who reads the word of God is pro jewish. Those who ever speak against Jews will get the flack & attack from the religious people, not from the non-religious. There is however a trap and plan proven to kill non Jews, not the other way around.

Title: McCain, The ORDER & Middle East

Description: *Nicholas Rivera*

CRAIG-OXLEY - March 2, 2007 11:52 PM (GMT)

QUOTE

It very well could be McCain. He is in the pocket of Cardinal Egan being a member of his Council on Foreign Relations and a war hawk who would enthusiastically perpetuate the Papal Crusade in the Middle East. Then again Cardinal Egan has several slaves to choose from. Regardless of who is selected, the bloody inquisition against the Muslim peoples of the Middle East and Southeast Asia (remember the engineered nuclear tsunami?) will continue because the Jesuits want to reconstruct it to the liking of the Black Pope. The reason why the U.S. empire is there is because the Order controls its government and military which it uses to establish the men they train as dictators all over the globe through the intelligence agencies.

The war in the Middle East especially the current one in Iraq is a Jesuit payback operation for the Order's justified expulsion in 1969. Now they are returning to Babylon the land they consider theirs so they can start up their schools Baghdad College and Al-Hikma University again. The leadership of the new government in Iraq installed and controlled by the Jesuits' Fourteenth Amendment Empire and their CIA is Jesuit-trained not surprisingly. According to Wikipedia, http://en.wikipedia.org/wiki/Baghdad_College

Baghdad College boasts several well-known alumni. Among them are:

Iyad Allawi, former Interim Prime Minister of Iraq (attended, did not graduate)
[Freemason] Ahmad Chalabi, former Interim Oil Minister and former Deputy Prime Minister of Iraq (attended, did not graduate)(I have a picture of Chalabi with his brother 33rd Degree Freemason Jesse Helms in a Masonic handshake)
Adil Abdul Mahdi, Vice President and former Interim Finance Minister of Iraq (attended, did not graduate)
Laith Kubba, top aide to former Iraqi Prime Minister Ibrahim al-Jaafari
Kanan Makiya, author and founder of the Iraq Memory Foundation

Some of the school's more notorious alumni include:

Uday Hussein, son of [Masonic] Saddam Hussein
Qusay Hussein, son of [Masonic and currently living] Saddam Hussein (it is obvious the man who was hanged on TV was not Saddam, but one of his many lookalikes or decoys.)
Omar al-Tikriti, son of Iraqi secret service leader Barzan al-Tikriti

The Order is seeing to it that they only install leaders they know they can trust. Shriner Freemason Saddam Hussein served the Order by carrying out an inquisition against his own people and the Kurds with weapons the Jesuit-controlled U.S. gave him in the person of Jesuit-trained Donald Rumsfeld (who also is very much involved and profits from Big Pharma controlled by the Order's SMOM and The Pilgrim Society) who had a audience with Pope Paul VI back when he was a congressman. The Jesuits controlled him and orchestrated a genocide against a who had two of their leaders assassinated by the Vatican assassins after which they grew suspicious with good cause. Sadly, these people are ruled by the Jesuit-controlled government just as they are doing here in this country at this very moment.

Brother **Nick Rivera**

CRAIG-OXLEY - March 2, 2007 11:53 PM (GMT)

Well personally I do not believe it was Saddam who gased the Kurds and I look closer to Iran with their PHOSGENE GAS!

Like I said before, I believe McCain will be the next president even if Gore runs as they will simply screw him once again.

Alexandra - March 3, 2007 12:48 AM (GMT)

Yeah, but do you really want Gore as president? I don't.

I don't want McCain either.

Too bad Ron Paul doesn't stand a chance.

CRAIG-OXLEY - March 3, 2007 01:38 AM (GMT)

If Ron Paul won he would do EXACTLY what the Royal Institute of International Affairs and the Council on Foreign Relations wanted. He would be loyal to the Queen of England and ROME! If he wasn't well then he'd meet the same demise as JFK. Gore is about the best your going to get my friend. Right now knowing they hate Gore like they do then I want him to win but it will never happen, the SMOM through their Pilgrim Society based in THE CITY controlled from Rome simply are too powerful now. Quite frankly they don't care how many people know about them as they know they've almost sowed the bag right up and theirs naff all you can do about it. Once they get all these fancy frequency weapons everywhere and tracking devices, mankind will be doomed from any sort of freedom again.

LOOKING FOR NEW MEMBERS

English translation.
Kutna Hora Republic in Czechoslovakia.

In the 13TH. Century There was a vast find of silver ore in Kutna Hora. Many people came to the city hopping to make a fortune by digging this metal. But with the miners also a plague came that killed a lot of them, quickly filling the local cemenetry. The capacity of this was very limited, so they decided to build a chapel to store these bones. This idea was not very smart until a monk came with the Idea to utilize the pelvis and skull for decorations, the job was left incomplete. It was the labor of Frantisek Rint to finish The project utilising the bones of over 40,000 bodies. It was told that the cemenetry becamed so Famous that people donated their bones to form part of this creation.

BIOGRAPHY OF LEO LYON ZAGAMI AKA LEO YOUNG

RECORD PRODUCER - RADIO PRESENTER - CLUB DJ -WANNA BE ILLUMINATI :)

He has a sense of humour and he admits that he used to do Vatican TV shows also. He was top at programming and is of Royal Blood. I've spent too much time already trying to prove all his documents as fakes on his website and what I discovered is that Leo was attacked by the OTOA and other orders and they even go to the trouble to trying to

erase his past as being a part of these orders.

There is no comparing Zagami to Webb. Zagami does much more than merely provide names of the people, most of whom you nor I have heard of or can pronounce but he also exposes vital connections previously unknown. His research does hold water and he is true to his beliefs in every way.

Webb is a joke who can only claim "FBI Divison 5 and Kimbel Castle and cross-dressing, dildo users".

I think Zagami says he was a DJ though. Doesn't he?

Bladestorm - April 8, 2007 02:18 AM (GMT)

Yeah, he openly says he's a DJ. What clued me into thinking this guy might not be real was the "WANNA BE ILLUMINATI" phrase on his website. Granted all I know about this guy i've gathered from radio interviews and a quick glance at his site. Maybe i'm wrong, but everything he's said so far isnt exactly hidden. With a little research anybody could learn what he's knows. Has he brought anything new to light that other people didnt already know?

Edgar - April 8, 2007 02:30 AM (GMT)

He said some stuff that I thought was interesting. Like when he compared skull and bones to pirates. Yeah, I guess mostly he just verified stuff that was already known. Of course it is rare to come out and say the things he says. Tying the jesuits in at the top. There was something that wasn't real about him though. Thats why I never promoted anything he said or did.

Daniel - April 8, 2007 02:46 AM (GMT)

The other thing I've noticed is how he mentioned I've noticed is how he mentioned that the Bilderbergers were the most powerfull secret society. That made me think "HUH?". I hope it was only a case of semantics in one particular context, because I should hope he knows that they are not

the most powerful.

CRAIG-OXLEY - April 8, 2007 04:36 PM (GMT)

Yes thats absolute Bunkum about Bilderberg. Who had the dream, the vision of a Bilderberg Group? Jesuit Joseph Rettinger who then utilised Prince Bernard to help make it happen. These are controlled from THE CITY via the Committee of 300 who're controlled by the Order of the Garter and those controlled by THE PILGRIM SOCIETY. All of these are dirty fungus ridden smelly inner cores of the SMOM onion.

New Information Surfaces About Masonic/Vatican 9/11 Perps

Researchers Should Dig Deep into Monte Carlo P2 Lodge, Opus Dei and other Vatican connections concerning the real 9/11 perpetrators who are the same people that brought terrorism to Italy in the 1980's and caused the Bologna train station bombing.

By Greg Szymanski

April 15, 2007

<http://www.arcticbeacon.com/articles/15-Apr-2007.html>

In the last five years, there have been very few solid leads appearing in the mainstream and alternative media as to who really pulled the strings behind the scenes, causing 9/11.

Of course, the mainstream still clings to the bogus 19 Arab terrorist theory while the alternative media pussyfoots around, casting blame on the Bush administration and, of course, the Jews.

But, in truth, besides pointing fingers at tin-horn politicians, the trail leading to the real 9/11 puppet masters has been conveniently covered-up by their loyal minions working in the media, government and religious organizations.

And according to a number of credible researchers, the reason the truth about 9/11 will never be known is that "everybody is covering" for the evil masterminds working behind the scenes -- The Vatican and their henchmen in the Jesuit Order Gestapo.

However, recently the first chink in the Vatican's tightly knit and devious New World Order armor was made concerning 9/11 when Italian aristocrat and former high level Illuminati figure, Leo Zagami, began naming names, linking 9/11 to the Vatican and their Freemason followers.

Zagami, a former member of the powerful Monte Carlo P2 Lodge, claimed he had first hand information members of his lodge, including former P2 leader, Licio Gelli and Commandante Georgio Hugo Balestrieri had prior knowledge of 9/11 and even help orchestrate the attacks for their bosses in the Vatican and Jesuit Order.

"If you research Balestrieri and those around him, you will get to the truth about who caused 9/11 and it will lead right to the top people in the Vatican as well as Cardinal Egan and former New York Mayor Giuliani," said Zagami on a recent American radio appearance on Greg Szymanski's radio show, The Investigative Journal.

"These are the same people that caused the Bologna train station bombing and who used Italy as a test country for terrorism in the 1980's. Although Gelli is in his 80's now, he still is very powerful and well-connected to the Vatican and those other people like Kissinger and Michael Ledeen in America who are nothing more than Vatican puppets.

"Regarding Balestrieri, he has worked for them for a long time and used to control arms deals in the the Italian port of Livorno involving America, the Vatican and the Middle East. He now has been given American citizenship and is head of the New York Rotary Club. He also owns a company which takes care of airport security in U.S. airports."

Besides Zagami's firsthand knowledge, not much else is known about Gelli or Balestrieri other than Gelli was implicated in the infamous Vatican Bank scandal in the 1980's as well as being a close associate of former President Reagan and his cabinet, having been seen and photographed standing right behind Reagan at his inauguration.

"The both knew about 9/11 and their connections will lead to the real perpetrators, but they will never talk -- never!" added Zagami, who claimed that Balestrieri has placed him on his "blacklist" for talking.

However, a confidential source has sent more information to the Arctic Beacon about Balestrieri, saying the leads if thoroughly investigated, will fill in many of the missing pieces about 9/11 and other important matters concerning the Vatican-led New World Order.

Here is the recent information send by the confidential source. Note that B and GHB stand for Balestrieri:

Your analysis reg. G.H.B. was quite interesting. However, you only scratched the surface.

Here are some leads you might want to investigate further to put the puzzle pieces together. The information that is being share with you are all facts.

G.H.B. is a 'switched' off CIA/FBI asset. He was involved in so called anti drug operations for the US government. It was also through those channels that he obtained his US citizenship.

G.H.B's son was killed in an accident last Christmas in Italy. He had been an anti drug police officer who changed sides, became and addict, was hospitalized and jailed and then had the 'accident'.

G.H.B. has been, or still is, on a special Italian/Senate advisory job with special privileges, fronting for and probably spying his masters in the US.

It appear safe to assume that B is still involved in unauthorized technology transfer deals through his Italian/US connections. His alleged specialty is 'signals' / electronic eavesdropping equipment and other 'sniffer' electronics. He is 'using' www.rdn.it - Silvio Rononi to 'warehouse' for him.

Late last year he anchored himself into a situation in Rome/Italy. The Giacomo Maria Ugolini Foundation, set up by the legendary, Republic of San Marino ambassador Ugolini, who died in early 2006, that has its offices at www.villavecchia.it , a hotel / guest house near Frascati/Rome. The foundation's president is the ambassador's deputy Dr. Angelo Boccardelli, an artist and scholar, rather than a businessman. Villa Vecchia is practically bankrupt.

B. positioned himself as the international adviser to Dr. Boccardelli. Boccardelli has done extensive research on a sculpture alleged to have been carved by Michelangelo. This sculpture is owned by Boccardelli/the Ugolini Foundation.

B has taken Boccardelli to New York to promote and capitalize on the Michelangelo research results that Boccardelli hold. At the end of the Boccardelli interview, video clip you'll see B position himself with a comment that pretty much confirms all that has been stated here <http://www.youtube.com/watch?v=0ojNVJY4OVc>

In spite of the fact that Boccardelli was ambassador Ugolini's right

hand for decades, he is not a businessman and has pretty much no international experience, except for having been in Egypt, Jordan and Syria with the ambassador. Those were the countries Ugolini had been accredited for.

Boccardelli still holds diplomatic status with the Republic of San Marion. B is trying to gain diplomatic status using and instrumentalist Boccardelli so he can engage in activities under the protective umbrella that come with a person's diplomatic status.

<http://www.esteri.sm/default.asp?id=2195>

A person that could probably give you very deep Italian insights is the Marchese Roberto Caldirola in Rome. A somewhat unique and colorful individual with a vast network in Rome. Caldirola can give you more in depth information due to his intimate knowledge of the Italian scene.

Through B's prominent involvement with the Rotary Club at the UN in NY City - Free Mason Light - he is instrumentalizing that avenue as well to keep a front of legitimacy. Within Rotary NY he is collaborating with a Turk - Kaan Soyak -, a wheeler dealer who is being used by certain groups within the Turkish power elite to facilitate 'certain' transactions between the US and Turkey. There is a connection with a NATO contract one of Soyak's companies hold in Turkey. B and Soyak organized a multi state conference in Turkey two years back where all the regional players got together, using Rotary and their Free Mason components to make that all happen. There were more than 400 people at that event.

B, being in his early/mid sixties , being a failure and left over from the cold war era, being personally bankrupt, he grabs any straw he can get to use others for his very own and short term gain. In how far he is being still 'used' by his former handlers is not known. Caldirola might be in a position to tell you more.

There is also a very interesting connection to an Italian lawyer Fabrizio De Silvestri in Turino. De Silveri's father and brother run a prominent private banking operation out of Monaco. They are most certainly all P2 members.

This is also a very well camouflaged connection to Opus Die and B.

Please note that most of the people are not aware who B really is and who he fronts for at any given time. This is especially true for Boccardelli /Ugolini Foundation.

CRAIG-OXLEY - April 14, 2007 01:10 AM (GMT)

I'm sure you've probably already seen this, but I was wondering what you think about it. I was surprised to find this coin at an antique store. It is a gold 1616 Saxon (German) Ducat. It is the oldest representation of the "Eye of Horus" (illuminati) that I have seen anywhere. You will recognize the IHS logo and underneath that appears to be the rising phoenix.

I for some reason instantly thought about the bike company called **RALEIGH** as they have the **bird** on their logo. What I didn't realise until just now folks is that

the Capital **R** is actually an **Egyptian all-seeing eye** craftily concelled.

Now folks if you at their old range of **BMX** bikes back when these types of bikes first came out, you will see they were called the **BURNER** range. I'm sure the bird they use is the **Pheonix** and this would explain the BURNER range. I think they currently have a BURNER model in their bike range or if not its only recently finished. I don't think anyone has ever latched onto the Raleigh sign being what I've highlighted yet, maybe they have but I don't remember.

And here is the Symbol of a jesuit Fraternity called **Alpha Sigma Nu** of which **Jesuit** Holy Cross and Yale law graduate and Supreme Court Justice Clarence Thoms is a member.

<http://pages.slu.edu/org/asn/>

Note by the President of the fraternity:

Welcome to the Alpha Sigma Nu website.

Alpha Sigma Nu continues the **Jesuit** tradition of scholarship, **loyalty and service beyond the college years.**

With the support of our members, we provide scholarships at all our members' schools, award the prestigious ASN Book Awards each year, and now have committed our resources to alumni clubs in various cities to help our members to continue to put the Jesuit ideals to work in their own communities.

Thank you for your support of Jesuit education.

Also, another member is:

[George R Houston](#) I've never seen someone so highly decorated by the **Society of Jesus**. He Was on [Riggs](#) national Bank Board of Consultants.

Also, another Holy Cross graduate, who's motto is (IHS - In this sign you shall conquer which i know you have said means Isis Horus Seb) Chris Matthews, host of MSNBC's Hardball with Chris Matthews and NBC's The Chris Matthews Show.

Chris Matthews playing "hardball" with his Jesuit trained friend Pat Buchanun of georgetown University and member of Gold Key Society as was Clinton and John Rockefeller when he attended Brown university..

CRAIG-OXLEY - April 14, 2007 03:22 AM (GMT)

Clinton - **JESUIT** trained (**Georgetown**)

John Rockefeller - **SMOM** Papal Knight

Pat Buchanun - **JESUIT** trained (**Georgetown**) - **SMOM** Papal Knight.

Chris Matthews **BRITISH SIS**

Folks beware of CHRIS MATTHEWS! For a start of MSNBC is controlled fully by **BRITISH INTELLIGENCE** as is **SMOM** Rupert Murdoch's Fox News. Chris Matthews is nothing but a stooge for **British Intelligence** and its cliques. Matthews is also controlled by the likes of **Hillary "Mossad" "sabbatean" Clinton**. He's always promoting all these political figures who are all in-the-closet homosexuals or lesbians. He's a massive fan of **SMOM** Rudy Giuliani again a closet homosexual. Personally I believe one of Rudy's lovers is this **Bernard Kerik**. Remember also folks that Chris Matthews has been part of much '**Insider Trading**'. He utilised dodgy Brazilian Bond issues and made millions along with **Andrea Mitchell** who you all would know as Mrs. Greenspan. Matthews is simply a mouth piece in the political game for **Barney Frank** and **Harold Ickes** once again yet more devious cretins tied into the **Sovereign Military Order of Malta** control via **British Intelligence**. Why do you want Rudy to win the election Matthews? You one of his other secret lovers? Maybe your going with **Crist**? Remember when Matthews had on that **British SIS** agent **Jame Warren**? He's apart of the British Intelligence controlled **Chicago Tribune Newspaper** ruled by the "**Guelph**" **Queen Elizabeth II**, what a shock another **SMOM** connection. Also MOSSAD's North American boss **Rahm Emanuel III** pulls some of puppet Matthews strings quite heavily. Remember Emanuel's links to Hillary and **Nancy Pelosi**.

-Craig Oxley

CRAIG-OXLEY - April 14, 2007 05:14 PM (GMT)

Dear Craig,

Also remember that Matthews was trained by **Jesuits** at the College of the Holy Criss in Worcester, Mass., and that he was the personal aide of that notorious Jesuit Temporal Coadjutor and Senator from New York, Patrick Moynihan. Moynihan was most beloved by the Jesuits at **Fordham** and he denied any Jesuit hand in the JFK assassination. He was a real pig!

Sincerely in Faith,

Title: Bush's and STONYHURST COLLEGE, England

CRAIG-OXLEY - April 14, 2007 05:45 PM (GMT)

Dear Brother Nicholas,

I think you have nothing to apologize for. You have confirmed that Prescott Bush, Sr. was trained by Jesuits at Stonyhurst College in England. Another caller on Dr. Deagle's show who was a former Mormon proved that George H. W. Bush was also trained by Jesuits at Stonyhurst before he entered Yale. These two facts are undeniable, further proving the link between the Bush Crime family and the Jesuits/SMOM. I will recheck though.

Great post! Indeed, the Jesuits hate the Roman Catholic Mexicans who truly sought to resist the Order from Juarez to Calles. Over one million Mexicans were killed in the various civil wars from 1900-1930 in their righteous attempt to put down the Order tyranny in Mexico. But with help from the Order's Holy Roman Fourteenth Amendment Corporate Fascist American Empire, Masonic Army General John J. "Nigger Jack" Pershing along with Lt. Patton eliminated the Mexican patriots who sought to keep Mexico for the Mexicans. Indeed, General Smedley Butler was right when he said that he was nothing more than a muscle man for the big American Corporations. He did not know that those corps were Vatican controlled (US Steel, JP Morgan, DuPont, etc.).

It is my pleasure to work with you dear brother. You have courage proceeding from the faith given you by our Savior, the Lord Jesus Christ. Keep it up and keep a watch upon yourself while being alert to the devil's attempts to destroy your life.

Sincerely in Faith,

Brother Eric

Title: futurism = zionism

CRAIG-OXLEY - April 14, 2007 05:39 PM (GMT)

Dear Jim,

Thank you for your comments.

I have addressed the difference between Biblical Futurism and Jesuit futurism in the past. I realize that my amillennial, historic Calvinist brethren reject all futurism, but that's OK since they secured for me the freedom to speak on the radio here in the US in 2007. I do not disagree that Jesuit futurism was designed to take the eyes of God's people off the Papacy and "look for another Antichrist." But as you know, I keep focused upon the Papacy as the dynasty of the Antichrist, that every pope is an Antichrist and that the final pope (the final Roman king/caesar of Revelation 17:10) will be thee Antichrist (I John 2:18 has the article preceding "antichrist" indicating a specific person---that "man of sin of II Thess. 2).

No doubt that the Jesuits with their brand of futurism are the creators of Labor Zionism via the British Labor Party controlled by the Fabian Socialists of the late 19th century. But remember, there are four kinds of Zionism: Masonic Jesuit ruled Labor Zionism, Revisionist Zionism (all leaders murdered by the Order); Talmudic Orthodox Zionism (who deny that the racial Jews have any right to the land prior to the coming of Messiah---which is a denial of the Abrahamic Covenant, and Biblical, premillennial, Christian Zionism which believes that Jews must inhabit the land of Israel, especially Jerusalem, as a precondition for the return of the Messiah, the Lord Yeshua---which is my position. I am always careful to condemn the Pope's Masonic, CFR-directed, Knight of Malta controlled, Jewish Labor Zionist government ruling and oppressing the Lord's beloved and racially Hebrew/Jewish/Israelitic people now in the land. Further, since the Mosaic covenant is now set aside, the holy seed has a right to live in the land without obedience to the Law. This is the reason the Lord can righteously bring

the people back to the land and form the nation once again (Ezekiel 38:8), rebuild the Hebrew temple (Revelation 11:1-2; Matthew 24:15; Daniel 9:27) make a Jerusalem inhabited by Jews (Zechariah 12:6) in preparation for the coming of the Lord to the Mount of Olives when He delivers the city from its Jew-hating, Gentile mass-murdering armies of the world (Zechariah 14:4; Acts 1:11-12).

VAllI is not in hardcover but the copyright gives the purchaser the right to take the CD to a copy shop or a printer and put the work in book form. This is a much cheaper enterprise for both the publisher and the buyer.

Sincerely in Faith,

Brother Eric

hi Eric,

I've been enjoying your work and was just wanting to point out some differences in theories.

You're saying on radio that the temple will be built in Jerusalem for this evil AC and I agree with a few exceptions. The RCC papacy is the AC so they in no way will seat themselves in this futurist temple.

The RCC created "futurism" that goes like this:

-The Jews returned to Israel that started some countdown where a temple will be built that the antichrist will seat and be evil culminating in seven year tribulation and armageddon-

The above is all "futurism" and is unscriptural and wrong. I have a thread about this that is easier to read on Mike Riveros website. They all choked on it, but thats why I'm there.

<http://alaskafreepress.com/msgboard/board/1189>

I then found a website that says much of the same thing

<http://www.answerincatholicism.com/cathol...smcatholic.html>

They did this in response to the reformation as is documented in the thread.

Take Care,

Jim

ps: let me know if you have your book in hardcopy

VATICAN CITY -- The Vatican office that safeguards doctrinal correctness is examining a Spanish Jesuit who is a prominent champion of liberation theology, a Vatican official said Monday.

Vatican spokesman the Rev. Federico Lombardi declined to give any details about the probe by the Congregation for the Doctrine of the Faith into the work of the Rev. Jon Sobrino, a renowned theologian.

He said the congregation would report its conclusions soon, and this would lay out the case.

Spanish daily El Mundo reported last week that Sobrino would be banned from teaching in Catholic institutions and would not be allowed to publish. The newspaper said the Vatican accuses Sobrino of distorting the name and history of Jesus Christ.

The Vatican has objected to liberation theology, citing its basis in Marxist analysis of society _ particularly the idea of class struggle and the promotion of social, political and economic justice for the poor.

Before becoming pontiff two years ago, Pope Benedict XVI, as Cardinal Joseph Ratzinger, led the congregation's crackdown on theologians the Vatican judged to be perilously straying from church doctrine.

During his two-decade tenure at the congregation's helm, Ratzinger, who is a theologian, worked to cripple support for the "liberation theology" movement that is especially popular in Latin America.

Sobrino has been based in El Salvador for decades and was close to the Salvadoran archbishop Oscar Arnulfo Romero, an insistent critic of human rights abuses in the country. The churchman was slain in 1980 while celebrating Mass.

Jesuit headquarters in Rome declined to comment on the case until the Vatican issues its findings, possibly later this week. Its press office described the newspaper report as being "mistaken" on several points, but declined to be specific.

Jesuits "certain" about superior's exit in '08

February 27, 2007

<http://www.theindiancatholic.com/newsread.asp?nid=6343>

ROME (Zenit.org): A spokesman for the Society of Jesus said it is "morally certain" that the upcoming general congregation will formally approve Father Peter-Hans Kolvenbach's request to step down as superior general.

Father Kolvenbach received Benedict XVI's approval for his proposed resignation next year, though the Jesuit Constitution stipulates that the superior-general position is for life.

The Dutch-born Father Kolvenbach cited his age -- he will turn 80 in 2008 -- and his 25-year tenure as the superior of the Jesuits as reasons for his resignation.

In the wake of recent media reports, Father José de Vera, director of the Jesuits' information office, clarified the situation.

"A few months ago Father Kolvenbach obtained the Pope's permission to present his resignation," Father de Vera explained in a statement sent to ZENIT. "He will do so in the next general congregation which he has convoked for January 2008."

"Theoretically the congregation could reject the proposal of resignation presented by Father Kolvenbach," the Jesuit spokesman said. "Resignation from the office of superior general has no effect if it is not agreed to by the Society in general congregation."

"[P]ractically speaking, this will not happen because the superior-general has followed to the letter the process established for the case of resignation."

The Society of Jesus had recently asked the Pope if the organization's rule that superiors-general have a life term in their office should continue in force.

According to Father de Vera, the Holy Father chose to maintain the stipulation. This does not discard the possibility, the Jesuit added, that, "in special cases and after previous consultation with the Pope," the superior general "can present his resignation to the general congregation."

CRAIG-OXLEY - April 14, 2007 12:45 AM (GMT)

QUOTE

"This present window of opportunity, during which a truly peaceful and interdependent world order might be built, will not be open for too long - We are on the verge of a global transformation. All we need is the right major crisis and the nations will accept the New World Order."

- David Rockefeller, Sept. 23, 1994

If you remember this was said not long after the first WTC bombing. I believe **Knight of Malta** David Rockefeller financed the building of the WTC with every intent to bring those buildings down. I believe that was the event he was referring to back in 1994 that occurred six years later in 2001.

We must also remember that to usher in the Pope's NWO---the return to the Dark Ages and end of the Reformation---the Moslem peoples must be mass-murdered. Although their leaders are controlled via Freemasonry, the peoples are so easily excited that they are virtually uncontrollable. This is why the war in Iraq is a war of annihilation. As I have been told by reliable sources, neutron bombs have been used in Iraq.

This makes sense, for if the Pope and his Jesuits are to build a third Hebrew Temple in Jerusalem, there cannot be any possibility of Moslem bombings of the mount while the Temple is in building. So this war will continue, as the president following Bush will be behind this 21st century Crusade.

Sincerely in Faith,

Brother Eric

I'm sure you're aware, but an FBI informant named Emad Salem recorded hundreds of hours of audio (telephone conversations) with his FBI handlers, who instructed him to A) use a real bomb, and B) where to place the bomb...

it was initially to be a sting, but when the FBI wanted to use real explosives, Salem became suspicious. I've aired the recordings in my show, here's a link or 2 to get you started; if you're not already aware of this. <http://www.google.com/search?sourceid=navc...+recordings+FBI>

Title: Billy Graham an AMERICAN Traitor

CRAIG-OXLEY - April 14, 2007 12:38 AM (GMT)

According to this article, *"When Reagan established formal diplomatic relations with the Vatican, it was very controversial," Lichtman said, noting that Reagan sought the Rev. Billy Graham's help in trying to smooth things over with evangelical leaders."*

Graham was more instrumental in creating the mess we are in than what I thought!!

<http://www.msnbc.msn.com/id/7373881/>

Here is Chapter 8 of Jack Chick's Book entitled "Smokescreens" which talks of Billy Graham's traitorous behavior.

Title: Eric Phelps - His thoughts on Tim White

CRAIG-OXLEY - April 12, 2007 05:10 PM (GMT)

Dear Friends and Brethren,

Much controversy rages about Tim White.

Here is my position. I consider him to be a skirmisher, driving the Jesuit coadjutors out of the high grass into plain sight. He aided me greatly in providing new materials for VAIII. One of his topics was the Secret Treaty of Ft. Hunt after WWII.

Tim was also the man who provided the photos on the web of Johnny Gosh who was kidnapped as a paperboy and sold into sex slavery. Ex-NYPD detective James Rothstein, also pictured in VAIII thanks to Tim, backs Tim's exposure of this pedophile ring enjoyed by the Bush Dynasty and controlled by the American Roman Hierarchy.

Further, Tim White exposed "Captain" Eric May of Ghost Troop as being the Jesuit Temporal Coadjutor that he really is. This was also another great service. White also alerted me to the duplicity of Stew Webb, Tom Heneghen and Tom Flocco. After examining their works, I agreed and removed a reference to Stew Webb on my sight.

Further, it was because of the work of Tim White that I was introduced to Greg Szymanski and Dr. Bill Deagle. These two men, although we differ on some topics, have given me complete liberty to speak on the Jesuits many, many times on their shows.

Therefore, I will continue to consult the opinion of Tim White on topics I may be unfamiliar with. He has a total recall memory and thus is a walking encyclopedia. I deny that he is FBI Division Five or that he is a pedophile. If he was either one of

these, I would disassociate from him.

Further, it was Tim White who broke the story of Evergreen Air as being the culprit behind the 911 deception. The aircraft used in that psyops on the Pentagon and the WTC were prepared by the CIA's Bush-backed, Evergreen Air and White even names the people involved.

So, regardless of the opinions of others, I will continue to consult Tim and view him as a reliable source of information.

Sincerely in Faith,

Brother Eric

Martin Sheen [Educated by Jesuits at Fordham University]

This is very interesting considering his son's comments on 9/11 recently which I believe may be part of the sacrificing of Bush by the **Jesuits** as yet another used person in the Jesuit theatre show. Now when you consider the importance of Fordham University which in the Americas is only second to the almighty **Georgetown University** it gets interesting. Fordham monitor and oversee the almighty Prince of the Americas, **Archbishop Edward Egan** the leader of the Americas **Sovereign Military of Malta**.

What I also found funny was that one of Charlie's films was "Red Dawn" where these teenagers help fight a Russian invasion of parts of the U.S. Now when you consider this is a Jesuit plan for the U.S in the future but with the Chinese toeing along using Cuba as a launch pad thanks to Roman Catholic and Jesuit trained Fidel Castro, maybe its a covert sign.

Martin and Charlie are both **Roman Catholics**. Do you all notice how Alex Jones loves to be surrounded by these people and don't forget good old Mel and Hutton Gibson.

Martin Sheen Helps Dedicate Marquette's New Library

Recognized for his dedication to social justice, actor Martin Sheen received an honorary doctorate from Marquette recently and helped dedicate the university's new library that houses the archives of Dorothy Day and the Catholic Worker Movement, which she cofounded.

A pacifist, Sheen credits the Catholic Worker Movement for instilling in him an active social conscience and "liberal, democratic forces in the church," including Fr Daniel Berrigan SJ, Dorothy Day, and Pope John XXIII, for inspiring and nourishing his faith. Applying the church's social teachings to everyday life has been rewarding as well as challenging, he said. [Source: CNS. Activist Priest Father Bill O'Donnell Dies Suddenly

Jesuit Fr. Bill O'Donnell of St. Joseph the Worker in Berkeley with actor Martin Sheen (Photo/National Catholic Reporter Online)

by Peggy Stinnett

<http://www.commondreams.org/headlines03/1209-04.htm>

BERKELEY -- Peace-loving activists throughout Northern California were stunned and deeply saddened

by the sudden death Monday of Catholic priest Bill O'Donnell, who spent his life standing up for causes when others looked the other way. He was 73.

O'Donnell was at his desk writing a homily at St. Joseph's the Worker Catholic Church in Berkeley when he apparently died of a heart attack, the church reported. He had undergone coronary bypass about 10 years ago. On his desk was the book "The Violence of Love," by Archbishop Oscar Romero of El Salvador.

O'Donnell's Irish wit and outspoken truth-telling earned him cheers from common people to celebrities, including Hollywood actor Martin Sheen of "West Wing" fame, a close friend.

"Bill is one of the scariest people I know because he makes us tell the truth, the whole truth and nothing but the truth, all the time. He takes the cup as it is offered, not altered," Sheen once said about his friend. Many of his legions of friends regarded O'Donnell as the "saint of Berkeley" for his almost 250 arrests at protests, which included marching with farm workers along with Cesar Chavez.

Most recently, at Fort Benning, Ga., O'Donnell and 10,000 other protesters tried to shut down the controversial School of the Americas. They say the school teaches terrorist tactics on behalf of dictators, a charge the school denies.

O'Donnell also participated in repeated demonstrations at Lawrence Livermore National Laboratory, for which he once spent a week in Santa Rita Jail. During one protest, his arm was broken by a police officer, friends noted.

It was less well known that O'Donnell was born in Livermore, attended St. Michael's church and school there and came from a large Irish family who were farmers. He told friends his Irish mother, Maude Regan O'Donnell, was the "one who inspired me."

For trespassing on Fort Benning's federal property in November 2002 he was sentenced to six months in Atwater Federal Penitentiary. Within weeks, O'Donnell had formed a study group in prison on non-violence and was in frequent touch with the Catholic community in Atwater.

He had so many requests for visitors, his sister, Mary O'Donnell, called herself his appointment secretary.

Funeral services will be at 10:30 a.m. Dec. 15 at St. Joseph's the Worker, 1640 Addison St., Berkeley.

A community gathering in his memory is being planned for Sunday by Mayor Tom Bates' office at a location to be announced.

This past March, a week after his release, he joined a demonstration blocking traffic in the San Francisco financial district against the war in Iraq and was arrested again. He was not jailed.

Last month, O'Donnell made his annual pilgrimage to the School of the Americas but promised before he left he wouldn't trespass on federal property again because being in prison took so much time from his other activism.

He worked closely with Berkeley physician Dr. Davida Coady, who runs a drug diversion program for addicts. The two friends were principals in the San Carlos Foundation, which funds interns in Central and South American villages, similar to the Peace Corps.

Coady was shaken when she heard about his death because he had talked to her earlier in the morning after saying Mass and having breakfast.

"It's such a loss to all of us," she said. "Such a terrible loss."

While O'Donnell wasn't always associated with activism, the seeds were there waiting for something to bring them to life, he once said. At first he challenged the church itself but found his real life mission was

with the labor, civil rights and peace movements.

After graduation from St. Joseph's College, Menlo Park, in June 1950, he went to St. Patrick's Seminary there and graduated in June 1956. He was ordained in St. Mary's Cathedral, San Francisco, when Oakland was part of the San Francisco Diocese.

His first parish was St. Jarlath's in Oakland's Dimond district where he was assistant pastor from 1956 to 1963. From there, O'Donnell was sent to Corpus Christi Church in Piedmont from 1963-1965; St. Joseph's in Alameda, 1965-1966; St. Joachim, Hayward, 1966-1969; and Sacred Heart, Oakland, 1969-1973.

He once told a reporter he was "kicked out" of three parishes before finding his rightful home. That was his assignment in 1973 to St. Joseph's, which at the time was known as St. Joseph's the Workman. O'Donnell as assistant pastor was instrumental in "de-gendering" the name to St. Joseph the Worker, to honor the work of women as well as men.

He was pastor there through August 1995 and chose to become associate pastor to allow more time for his activism. Present pastor, the Rev. George Crespino, and O'Donnell were fast friends, as was recently retired Bishop John Cummins, who always stood by O'Donnell, sometimes in shock and awe but with an all-knowing smile.

Jesuit, Actor Discuss Spirituality & Prayer

<http://www.companysj.com/sjusa/030319.htm>

Fr Michael Kennedy SJ, pastor at Dolores Mission Church in Los Angeles, and Martin Sheen, who plays President Josiah Bartlet on the NBC drama "The West Wing," talked about their spirituality at the Religious Education Congress sponsored by the Archdiocese of Los Angeles.

The two men--friends since the mid-1980s--have teamed up on a new book, "The Jesus Meditations: A Guide for Contemplation," featuring Fr Kennedy's meditations based on Ignatian spirituality and Sheen's voice-over on a companion CD.

Prayer, oil, and ritual, in combination, create a powerful message of healing, Fr Kennedy said. He hopes his meditations help teachers, youth ministers, and those involved in adult education to use Ignatian meditation in their prayer groups and retreats.

Fr Kennedy credits prayer with saving his life. While delivering medicines to the poor of El Salvador, he and others were apprehended by the Salvadoran military, which was known for employing torture tactics. Fr Kennedy assumed they would never be released alive.

But he turned to prayer and found the peace that comes from "knowing God is present in the darkest moments." And it was from that sense that Fr Kennedy was able to talk his would-be torturers into setting him and the group free.

Sheen said he began to be formed more deeply in his faith when he met the New York Jesuit community, particularly Fr Daniel Berrigan. And following a health crisis while filming "Apocalypse Now" and a bout with alcoholism, he said, he began to more fully embrace his faith.

It is out of the worst times in one's life that "the genius of God's presence" begins to make itself evident, said the actor. [Source: CNS. Do not repost electronically]

Actor's social justice talk Challenges MU audience

<http://www.jesuitswisprov.org/news/03oct14a.html>

Acclaimed actor Martin Sheen was the guest speaker and received an honorary doctor of letters degree when Marquette University dedicated the new John P. Raynor, S.J., Library recently.

It would be fair to say that Sheen's speech made some in the audience uncomfortable as the actor focused on a variety of social justice issues in an uncompromising fashion.

A Catholic, Sheen works tirelessly as a humanitarian and social activist. He credits the Catholic Worker Hospitality House in New York, operated by Dorothy Day, with helping him through a period of poverty as a young person. Day and the people associated with the Catholic Worker Movement had a profound effect on him. Sheen has been a supporter of their efforts ever since.

The \$55 million library is named in honor of the Rev. John P. Raynor, S.J., who served as president of Marquette from 1965 to 1990. Sheen, an award-winning actor, director and producer, is currently a cast member of the Emmy Award-winning NBC television drama *The West Wing*, where he portrays President Josiah Bartlet.

Marquette University preserves the archives of Dorothy Day and the Catholic Worker Movement, now housed in a state-of-the-art archive facility in the new Raynor Library. Marquette's Department of Special Collections and University Archives has held the Dorothy Day-Catholic Worker Collection since the 1960s as part of its mission to collect in the areas of Catholic social action.

Sheen's acting roles include portraying Peter Maurin (one of the founders of the Catholic Worker Movement) and Mitch Snyder (a Vietnam veteran who fought for America's homeless by staging hunger strikes and protesting various government agencies).

Off screen, Sheen promotes social justice as a parish volunteer in soup kitchens and youth programs, as a nonviolent demonstrator against activities such as nuclear testing and the former School of the Americas at Fort Benning, Ga., and as spokesperson for such causes as the United Farm Workers and the Arctic National Wildlife Refuge.

Then, of course, when we discover that the most powerful man in Ireland, the Jesuit Provincial Francis M. Browne, was on the Titanic taking pictures of all those who would be going down. And then, right before it departs Queenstown, Ireland, to set out for the North Sea, "the lucky priest departed off the ship" in the words of Martin Sheen, who narrated *Secrets Of The Titanic*.

It was more than luck; it was planned that way. Martin Sheen has been to the Jesuit Novitiate at St. Jacques, in Warnersville, Pennsylvania. Martin Sheen is a bosom buddy of the Jesuits. **-Eric Phelps**

2TUFF, you are absolutely correct about Martin Sheen and his Jesuit connections. I saw the picture in VA outside of a Jesuit retreat house in Pennsylvania. Sheen is also connected with the Socialist-Communist Maryknolls who controlled by the Jesuits. I believe Temporal Coadjutor Roy Bourgeois of the Jesuit-controlled CIA's School of the Americas Watch [agitation] is an undercover Jesuit I have no doubt his son is in on it too. The Order controls the dictators which were trained there and installed and supported by their CIA.

Martin Sheen is a Jesuit Temporal Coadjutor---par excellence! Thus, his filthy son (evidenced by the movies he has made) is then ipso facto another coadjutor. Therefore the Order is using their Hollywood celebrities to begin to attack the Order's Bush lie of 911 being a Moslem terrorist event. By controlling all factions, the Order can then control the outcome of its dialectic of socialist revolution. And of course, Coadjutor Alex Jones would host his brother Coadjutor, Charlie Sheen.

Jesuit Gestapo Bearing Down On America's Freedom

In Confession to the Jesuits No. 26, we ask that you demand accountability of Vatican's real intentions from all media, preachers and politicians

By Greg Szymanski
April 13, 2007

<http://www.arcticbeacon.com/articles/13-Apr-2007.html>

Americans, now is not the time to back-off and retreat into the comfort of your homes, hiding behind the warm and cushy feeling that America is still a free country abounding with fairness and opportunity.

Instead, now is the time to demand the hidden truth from your state controlled media as well as from your politicians and preachers, most having sold out to the Vatican and its henchmen -- The Jesuit Gestapo.

If you have any doubts, listen to a quote from the Vatican's close accomplice and number one son during World war II:

"I learned much from the Order of the Jesuits. Until now, there has never been anything more grandiose on the earth, than the hierarchical organization of the Catholic church. I transferred much of this organization into my own party." – Adolf Hitler

Further, listen to the words of Walter Schellenberg, former chief of Nazi counter-espionage:

"The S.S. organization had been constituted by Himmler according to the principles of the Jesuit Order. Their regulations and the Spiritual Exercises prescribed by Ignatius of Loyola were the model Himmler tried to copy exactly. Himmler's title as supreme chief of the S.S. was to be the equivalent of the Jesuits' 'General' and the whole structure was a close imitation of the Catholic Church's hierarchical order." - Walter Schellenberg, former chief of Nazi counter-espionage

What Americans need to understand is that Vatican minions and the Jesuit Gestapo are doing the exact same thing here. and if you think the Vatican is an over-the-hill and impoverished religious organization, think again?

Listen to the words of John M. Swomley of the Centre for Research on Population and Security, and President of Americans for Religious Liberty:

"A massive political campaign is underway in an effort to achieve religious and political control of crucial American policies and institutions, an effort which the popular press and television have virtually ignored. It was inspired by the Vatican and has been carried out over a period of years under the supervision of the National Council of Catholic Bishops. The bishops have created the impression that they speak for 59 million Catholics, which makes them a formidable political force, able to influence or intimidate presidents and other public officials." – John M. Swomley, Centre for Research on Population and Security, and President of Americans for Religious Liberty

"In essence," continues Swomley¹, "the Vatican and its representatives in the United States are advocating a [Roman Catholic] theocracy, which has been repudiated by Catholics in Europe. Unless liberal Catholics, Jews, Protestants, humanists, and others organize to oppose such theocratic action, what appears simply to be right-wing politics will be even more subversive of democracy."

In this Confession to the Jesuits No. 25, let's look at how the Jesuits control of Hitler correlate to their control of George W. Bush and plans now being intituted under the cover of darkness with Homeland Security and FEMA.

Also let's look at Rome's true goal -- the destruction of Protestant America. To cover these topics we call on two writers. First, Professor Arthur Noble who penned an article in 2001 and Michael Bunker who wrote an article entitled Homeland Security: The Jesuit Gestapo.

These articles are a must read:

By Professor Arthur Noble

...Lincoln's prophetic warning

At the conclusion of the trial of Mr. Chiniquy, author of the book *Fifty Years in the Church of Rome*, Abraham Lincoln issued the following prophetic warning about the menace of Romanism to the United States Constitution and American democracy:

As long as God gives me a heart to feel, a brain to think, or a hand to execute my will, I will devote it against that power which has attempted to use the machinery of the courts to destroy the rights and character of an American citizen. But there is a thing which is very certain; it is, that if the American people could learn what I know of the fierce hatred of the generality of the priests of Rome against our institutions, our schools, our most sacred rights, and our so dearly bought liberties, they would drive them away, tomorrow, from among us, or would shoot them as traitors. [...] The history of the last thousand years tells us that wherever the Church of Rome is not a dagger to pierce the bosom of a free nation, she is a stone to her neck, and a ball to her feet, to paralyze her and prevent her advance in the ways of civilization, science, intelligence, happiness, and liberty. [...] I do not pretend to be a prophet. But though not a prophet, I see a very dark cloud on our horizon. And that dark cloud is coming from Rome. It is filled with tears of blood. It will rise and increase, till its flanks will be torn by a flash of lightening, followed by a fearful peal of thunder. Then a cyclone such as the world has never seen will pass over this country, spreading ruin and desolation from north to south. After it is over, there will be long days of peace and prosperity; for popery, with its Jesuits and merciless Inquisition, will have been forever swept away from our country. Neither I nor you, but our children, will see those things.²

The Church of Rome, her wiles thus exposed, was swift to instigate Lincoln's assassination. Plans for his murder were made in the home of Mrs. Surratt, a Roman Catholic. Booth, the murderer, was a Roman Catholic. Mr. Lloyd, who had the gun that Booth pretended he needed for "protection", was a Roman Catholic. Dr. Mudd, who set Booth's fractured leg, was a Roman Catholic. Garrett, in whose barn Booth tried to hide, was a Roman Catholic. It is now firmly established as historical fact that the death of Lincoln was announced by Roman Catholics several hours before it occurred at St. Joseph, Minnesota, forty miles from a railroad

and eighty miles from the nearest telegraph station. On his arrest Booth said: "I can never repent. God made me the instrument of his punishment." Prominent government officials said they had not the least doubt but that the Jesuits were at the bottom of the great iniquity. Mr. Chiniquy, Colonel Edwin A. Sherman and General Harris, friends of Lincoln, investigated the matter and unequivocally affirmed that Rome was the perpetrator of his assassination.

Why Rome hates America

Lincoln understood well the threat of Romanism to American democracy. Jeremiah Crowley, in his famous book *Romanism. A Menace to the Nation*, provides a concise summary of why the Vatican hates America and everything for which the United States Constitution stands:

The Declaration of American Independence asserts human equality: Rome denies it. The Constitution of the United States proclaims the sovereignty of the people; it prohibits any union of Church and State; and it guarantees freedom of conscience, freedom of speech and freedom of the press. Rome repudiates the sovereignty of the people; she demands the union of Church and State, and proclaims herself to be the Church to the exclusion of all others; and she condemns freedom of conscience, freedom of speech and freedom of the press. The non-sectarian public school has become an American institution, and is championed by the vast majority of the American people. [...] Rome condemns the non-sectarian school and asserts that the control of the education of the nation's youth belongs solely to her. The United States Constitution has been regarded by the fathers and builders of American institutions as a priceless document, and not only a blessing to Americans but a boon to mankind: Rome condemns liberties which the Constitution of the United States guarantees. Does the parochial school teach these Americanisms or Vaticanisms? If it teaches these Americanisms it is false to Rome; if it teaches these Vaticanisms it is false to America.³

It must be remembered that Roman Catholicism was the sole church that succeeded in resisting the democratic changes enshrined in the American Declaration of Independence. Romanism in the United States continued after 1776 without change as a completely authoritarian institution. It based its claim on the Encyclicals *Urbi Arcano* of Pius XI that Papal sovereignty "must not, nor must it ever appear to be, subject to any human authority or laws whatsoever" and that the Church "must demand as her right, a right which she cannot renounce, full liberty and independence from the civil power".⁴ Leo XIII also made it very clear that the duty of Roman Catholics is not only to disobey legitimate civil

authority, but also to resist by violent means. In his Encyclical *Sapientiae Christianae* he proclaims that if the laws of the State are at variance with the "divine law" [!], "to resist becomes a positive duty; to obey, a crime".⁵

Rome's goal – the destruction of Protestant America

In the early twentieth century, the 'Very Reverend' Francis C. Kelly, President of the Roman Catholic Church Extension Society of America, issued the following policy statement:

Without a doubt, if American Protestantism were blotted off the religious map of the world, the work of the so-called Reformers [...], within fifty years, might well be called dead. [...] From a strategic point of view, America [...] is our best missionary field. [...] We who hope for a Catholic America have as yet come only to the end of the desert.⁶

About the same time, *The Western Watchman* – whose Editor-in-Chief, 'Rev.' David S. Phelan, was called by Cardinal Satolli "the dean and senior of the Roman Catholic journalists of the United States" – launched a vile attack on the Protestant institutions of America and concluded his tirade with the following 'ecumenical' statement of fiendish hatred against American Protestantism:

Protestantism – We would draw and quarter it. We would impale it and hang it up for crows' meat. We would tear it with pincers, and fire it with hot irons. We would fill it with molten lead, and sink it in a hundred fathoms of hell-fire.⁷

Opus Dei and the McGovern Presidential Campaign

Few Americans, even American Roman Catholics, have any idea of the extent to which the Church of Rome is still working to impose its religious dogma on all Americans through law-making, judicial decision-making and the administration of government.

During the Presidential Campaign of 1972, for example, George Stanley McGovern, a U.S. senator from South Dakota (1963-1981) who opposed the Vietnam War, was defeated as the 1972 Democratic candidate for President. Closely associated with that campaign was the Papal organisation Opus Dei. Although its membership in the United States is estimated at only about 3,000, its "co-operators" have included such influential personages as Sargent Shriver, who was McGovern's running mate in the 1972 presidential election, and his wife, Eunice Kennedy

Shriver.

Opus Dei (Latin for "Work of God") is ostensibly dedicated to carrying out the apostolate of conquering new souls to the cause of Roman Catholicism, but a secret series of scandals confirmed suspicions that the institution has hidden goals that are less spiritual. In Spain, an eminent member of Opus Dei, Josemaria Ruiz Mateos, precipitated the bankruptcy of the holding company La Rumasa by donating tens of millions of dollars to the organisation. In Italy, Opus Dei perpetrated the fraud and bankruptcy scandal of Roberto Calvi, the late president of Banco Ambrosiano. Calvi's widow, Clara, said he was expecting to conclude a large deal with Opus Dei just before his body was found hanging under Blackfriar's Bridge in London.

Opus Dei is an ultra-secret society with clandestine political ambitions. In the United States, where church-state relations are currently being re-examined, the activities of Opus Dei pose a most serious threat to the Constitution and democracy. While many religious organisations lobby openly through licensed organisations, Opus Dei seeks to influence policy-making clandestinely under a vow never to divulge its membership. One of its leading priests, Gianni Baget Bozzo, has arrogantly proclaimed:

Opus Dei is in a position [...] to substitute the political party as administrator of (political) carriers in a society in which the Catholic world possesses a potential of power and does not have the organs capable of transforming this power into action, this space into structure.

The perils for a country which has been the bulwark of democracy are self-evident. In view of the fact that the Roman Catholic Church has never renounced its claim to temporal authority, the presence of Opus Dei in the United States as an underground political, economic and educational power must be viewed with extreme seriousness. True to her pattern of historical cunning, the Church of Rome always pretends to be the champion of democracy while plotting to destroy the very liberties which allow her to exist. On gaining power, she then denies them to her opponents in the name of her own fascist religious principles.

The Papal underground and the Gore campaign

Al Gore is, nominally, a Southern Baptist; but like the 'White House Defiler' Clinton, who defected not only from his draft but also from his Baptist heritage and took the Romanist mass in South Africa, Gore is another of those non-Roman-Catholics working in national, state and local

governments who actively promote the aims of the Vatican. Many of these Vatican-facilitators have played havoc with American policy-making and its implementation – both Clinton and Gore to the incredible extent of criticising the ruling of the United States Supreme Court on the Presidential Election result, so that an outgoing American President and an aspiring American President were actually attacking a fundamental facet of the United States Constitution!⁸

Mr. Gore's catch-phrase "When votes are cast, we count them" is couched in the typical language of Jesuitical equivocation and hypocrisy. Those who are aware of the facts know that the votes which Mr. Gore wanted to manipulate to stage his coup d'état were counted four times, and that he lost every time! They also know that the Democrats waged a campaign to throw out 1,420 or one-third of the overseas absentee ballots from military personnel which were not counted, many because they did not bear postmarks. Mail from Navy ships and Army field positions do not bear postmarks. All of these military soldiers and sailors were denied their vote because of so-called 'Democrat' double standards.

There is no doubt that the failed Gore campaign was but another manoeuvre by the Papal underground to divide the American people and undermine the American Constitution. The writer of "Things are seldom what they seem"⁹ did well to warn:

Who stands to gain from the disuniting of America? Who is threatened by a united, organised, committed America? Who stands to gain from social disorganisation in America? Who has the sophistication, resources, organization and motivation to set about disuniting America?

His answer, significantly, was:

[...] the Vatican, [that] sophisticated political institution [which] recognizes that America's bonds of national cohesion are fragile and that factionalism can tear our country apart. [...] The bishops have made progress in transforming the United States into a more segregated society. They have succeeded in their efforts to impose ethnocentric, Afrocentric, and bilingual curricula on public schools, designed to hold minority children out of American society and have remarkably advanced the fragmentation of American life. [...] It is hard to deny that the Vatican has a vested interest in ethnic identification and has repudiated the ideal of assimilation, an American institution.

The Vatican already stepped up its vilification crusade against George W. Bush after he publicly declared in 1994 that one doctrine of which he is

certain is that "heaven is open only to those who accept Jesus Christ".¹⁰ During the Presidential campaign Bush attracted Romanist hatred by mentioning the Bible several times. The magazine Christianity Today warned that Gore's advisers wanted him to attack Bush's self-identification as a born-again Christian, but that Gore considered it would be counter-productive to do so directly.¹¹ It would have exposed the sham of Gore's self-professed Baptism and drawn attention to the non-Christian beliefs with which his best-selling book, *Earth in the Balance: Ecology and the Human Spirit* (1993) is riddled, including the following blasphemous statement praising pantheistic earth-worship: "It seems obvious that a better understanding of a religious heritage preceding our own [i.e. Christianity] by so many thousands of years could offer new insights".¹²

At the same time, there had been warnings that the Vatican was even engaged in a takeover attempt against the Republican Party and that this was all but an accomplished fact.¹³

Other organisations in the Papal plot

The United States Catholic Conference

In 1990 Robert Maddox, the Executive Director of the organisation "Americans United for Separation of Church and State", warned of just how powerful the Roman Catholic lobbying effort really is, saying that the so-called "United States Catholic Conference" enjoys "an unprecedented veto power over all social legislation". This organisation, together with the "National Conference of Catholic Bishops", poses the most serious threat of all; they both operate from their lavish office building symbolically situated near the Capitol in Washington.

The 'Free Congress Foundation' and the 'Center for Catholic Policy'

The American Roman Catholic extremist Paul Weyrich, Head of the "Center for Catholic Policy" within his "Free Congress Foundation", is also a major threat to American democracy. He also leads the "Siena Group", a coalition of forty Roman Catholic public policy organisations which has proved to be one of the most effective religious forces in practical politics.

The 'Pastoral Plan'

To these subversive organisations must be added the Vatican's "Pastoral Plan", which has already had far-reaching effects on American political

institutions, including the executive, legislative and judicial branches, all of which were specifically identified as targets in the plan. Their aims are wittingly or unwittingly facilitated by the propaganda of a press which the writer of "Things are seldom what they seem" described thus:

The Protestant press which held the Vatican imposition of the Papal agenda in check in this country for 175 years has been neutralized. This arrangement has permitted the Vatican to influence American policy-making to a greater degree than would have been possible otherwise. All of our lives have been significantly affected.

Americans need to be aroused from their political slumber to recognise that Romanist Bishops and priests, who are duty-bound to place the interests of the Papacy above all else, cannot claim they are American patriots. They represent a foreign power which today, as in the days of Abraham Lincoln, is a deadly enemy of the United States.

Understanding the failed coup in context of world events

The Gore plot also needs to be understood in the international context of what is happening in Europe.

For years we have been warning about the hidden agenda behind the European Union, and we have been consistently right. We have been exposing its economic veneer as a cover for establishing a Roman Catholic superstate with its own political, judicial and financial institutions.

The latest of these became a reality in November, 2000, with the creation of a so-called European Rapid Reaction Force. This designation is merely a euphemism for a European Army, the purpose of which, despite what Mr. Blair tells us, will be initially to rival, then to undermine, and finally to destroy NATO.

As the world clearly saw, NATO was already hijacked and its Charter of non-intervention and non-aggression already violated by its European Union members in 1999, aided by sympathising politicians and military players in Britain and America, in order to break up Yugoslavia and bring the Balkans into the orbit of the Papal vision for Europe. Blair and Clinton became major collaborators in this act of treachery against Western democracy. They committed the United Kingdom and the United States to do the Vatican's dirty work against Serbia.

The picture now becomes clear. Since the cornerstone of NATO is the United States, the Papal underground has suddenly shifted its theatre of

war to America and is mounting an overt attack on the institutions of that great country. Make no mistake about it: the Presidential electoral farce in the United States was carefully pre-planned, and intentionally engineered, to divide the American people, impugn American democracy, undermine American institutions and mount an attack against the American Constitution. Noticeably, its aim was to weaken America's influence in the world at a time when Europe is beset with problems of cohesiveness and is in danger of losing its impetus towards its ultimate goal of world power through the instrument of a Roman Catholic superstate.

Wake up, America!

The plot against America has backfired; but the Vatican and its minions will stop at nothing to destroy the United States Constitution. President Grant predicted that it would prompt civil war in the U.S. in order to undermine America's capacity to confront the overpopulation problem and promote disintegration of the American social fabric to save the Papacy which cannot thrive in a democracy. President Thomas Jefferson, principal author of the Declaration of Independence, wrote in his treatise *On why Judges should not Legislate*: "The Constitution, on this hypothesis, is a mere thing of wax in the hands of the Judiciary, which they may twist and shape into any form they please."

The manipulation of the latest Presidential electoral campaign by the Vatican underground came within a hair's breadth of achieving Rome's goals described in the warnings of those two great former Presidents – causing civil unrest in America and letting judges install Al Gore as President in violation of the United States Constitution. The plan, by God's grace, backfired; but the Vatican will try again.

America is today the greatest bulwark of democracy confronting the bunker of Romanist theocracy; but many Americans have been tricked into adopting a positive image of the Pope and the Roman Catholic Church. In his work *The Corporate Status of the Catholic Church in America*, L.H. Lehmann issued the following dire warning that there would be no relaxation of the efforts of the Roman Catholic Church in the United States till it obtains its "ideal arrangement to which Catholic theology can alone give unqualified assent":

If ever that time comes, then not only will Roman Catholicism [...] be recognized as existing by direct ordinance and superior in power to the State, but control of its dependent, "minor" institutions in the field of education, marriage, economics, law and all social matters, will be exclusive and supreme. The Constitution of the United States of America,

as we know it today, will then have ceased to exist.

2 These facts are amply documented in Chiniquy's book Fifty Years in the Church of Rome, The Wickliffe Press, London, 1885. Note in particular Lincoln's remarks (p. 388) on the role of popery in the American Civil War: "This war would never have been possible without the sinister influence of the Jesuits. We owe it to Popery that we now see our land reddened with the blood of her noblest sons. Though there were great differences of opinion between the South and North, on the question of slavery, neither Jeff Davis nor any one of the leading men of the Confederacy would have dared to attack the North, had they not relied on the promise of the Jesuits, that, under the mask of Democracy, the money and the arms of the Roman Catholics, even the arms of France, were at their disposal if they would attack us."

“And I saw the beast, and the kings of the earth, and their armies, gathered together to make war against him that sat on the horse, and against his army.” – Revelation 19:19

August 9, 2002 – It is little recognized by most Americans that the Bill of Rights to the U. S. Constitution was the work of American Calvinists who desired to protect the young republic from the influence of the Roman Catholic Jesuits.

James Madison, the author of the Bill of Rights, was the student of the Calvinist Presbyterian minister John Witherspoon. Of Witherspoon it is said that,

*““He was not present during the writing of the U.S. Constitution in 1787, but his presence was felt through his Princeton student, James Madison. In Madison's system of checks and balances, with its separation of powers, one can discern the influence of Witherspoon's Calvinist lectures on the depravity of humankind.” (Mark Couvillon, “Christians in the Cause”, **Christian History**, Spring 1996)*

The Jesuits had been kicked out of almost every country in Europe for abusing the rights of the people, extorting, lying, cheating and murdering to maintain absolute

authority over Kings and Princes. The Jesuits always attack the freedom of conscience, the free press, and the right to bear arms, because these God-given rights are used by True Christians to resist the evils proposed by Jesuit controlled tyrannical governments.

But we must also note that the Society of Jesus is always at work on both sides of any battle. The Jesuits were the biggest beneficiaries of the first amendment. Prior to that amendment, Catholicism was a small (but potent) portion of the population. Catholics in most areas of the continent were prevented from owning property or participating in any form of government. Catholics were generally prevented from voting or owning property.

After the Bill of Rights was approved, guaranteeing full access to the reins of government, the Jesuits and Roman Catholics in general invaded America from almost every part of the globe. I can guarantee you that behind every attempt to enslave and dominate Americans today, particularly by the fraudulent teaching of Romans 13; you will find the murderous Jesuit hand at work. Although honest, God fearing men of conscience may disagree on the issue of resisting tyrants, I believe that in most cases, if your pastor, priest, preacher or teacher does not teach you that you have the God-given right to resist antichrist tyrants using your words, your thoughts and what the great Reformer John Knox called “the weapons of Just Defense”, then you might suppose that your pastor, priest, preacher or teacher is mortally infected by the poison of Rome, and owes his wicked philosophy to the Society of Jesus.

Remember that one need not be a Jesuit ordained “priest” in order to be a warrior for the Jesuits. According to the Jesuit Constitutions, the Jesuit Superior General is permitted to:

“receive agents, both priestly agents to help in spiritual matters and lay agents to give aid in temporal and domestic functions.”

Enter Tom Ridge and the Homeland Security Agency

According to the White House Biography of Homeland Security Czar Tom Ridge, Ridge is a practicing Roman Catholic. Ridge was educated at a prep school funded by the Jesuits and started by the Roman Catholic priest and Jesuit collaborator John M. Gannon. Gannon was one of the cogs in the Jesuits “education machine” that started over 35 colleges and universities in the United States and hundreds of preparatory schools and scholarship programs. Gannon was also the father Gannon University in Ridge’s home state of Pennsylvania. Gannon University is one of the central homes of the Jesuits JESUIT VOLUNTEER CORPS.

Speaking of Volunteer Corps... Tom Ridge and George Bush were creators of a new concoction in American government called the USA FREEDOM CORPS. I have shown in two of my previous videos where the founding documents of the USA FREEDOM

CORPS (which can be found at www.usafreedomcorps.gov) were taken almost word for word from Adolph Hitler's Mein Kampf. It is almost certain that Mein Kampf was written in the majority by a Jesuit priest named Bernard Staempfle. If Staempfle did not write ALL of Mein Kampf, he most certainly was the principle mind behind most of it.

"I learned much from the Order of the Jesuits. Until now, there has never been anything more grandiose on the earth, than the hierarchical organization of the Catholic church. I transferred much of this organization into my own party." – **Adolf Hitler**

The Nazi concept of the ever present and diabolical state police force was modeled on the Order of the Jesuits:

"The S.S. organization had been constituted by Himmler according to the principles of the Jesuit Order. Their regulations and the Spiritual Exercises prescribed by Ignatius of Loyola were the model Himmler tried to copy exactly. Himmler's title as supreme chief of the S.S. was to be the equivalent of the Jesuits' 'General' and the whole structure was a close imitation of the Catholic Church's hierarchical order." - **Walter Schellenberg, former chief of Nazi counter-espionage**

The Book Mein Kampf was not just a Jesuit masterplan for the domination of Germany, but a future plan for manipulating world opinion and creating support for dictatorship. In it, Hitler called for "Citizen Councils". Hitler learned about "citizen councils" from the Communists, who had created what they called SOVIETS, which were local councils who reported to the authorities and pushed national ideals and goals on a community level.

According to the Homeland Security plans The Federal Emergency Management Agency (FEMA) will coordinate with states and local communities to support the establishment of Citizen Councils under the auspices of the USA FREEDOM CORPS. The Administration is requesting \$144 million for Fiscal Year 2003 in matching grants to help support Citizen Corps Councils through training, materials, and certification.

According to the USA FREEDOM CORPS documentation, the new Homeland Security Agency will also operate a network of Citizen Spies:

"Operation TIPS will be a nationwide mechanism for reporting suspicious activity -- enlisting millions of American transportation workers, truckers, letter carriers, train conductors, ship captains, and utility employees in the effort to prevent terrorism and crime. Operation TIPS, a project of the U.S. Department of Justice, will be initiated as a pilot program in ten cities in America. DOJ will establish a 1-800 Hotline for participants in Operation TIPS to report information. Operation TIPS will establish a national reporting system that would allow these workers, who have routines and are well positioned to recognize unusual events, to report suspicious activity to the appropriate authorities."

According to Ritt Goldstein in an article published in the Sydney (Australia) Morning Herald and circulated widely on July 15th of this year:

“The Bush Administration aims to recruit millions of United States citizens as domestic informants in a program likely to alarm civil liberties groups. The Terrorism Information and Prevention System, or TIPS, means the US will have a higher percentage of citizen informants than the former East Germany through the infamous Stasi secret police. The program would use a minimum of 4 per cent of Americans to report ‘suspicious activity’.”

Keep in mind Goldstein’s comparison of Operation TIPS with the East German Stasi.

According to insiders, the New Homeland Security Agency is beginning to look more and more like the Gestapo. It has been recommended that the HSA police arm will contain three departments:

- * A plain-clothes division similar to the FBI, called the State Security Division (SSD). (The SSD was the acronym of the East German Stasi)
- * A smaller uniformed division acting as a de facto State Political Police.
- * The Office of the United States Air Marshals (Air Marshal Services.) A federalized Air Marshall Service will immediately supercede any prior jurisdictional boundaries provided by civil law.

As we examine the ramifications of such a monstrous Gestapo force in America, it would be good for us to re-examine the redefinition of law being proposed. What we are seeing is a renunciation of Madison’s Bill of Rights by Jesuit infiltrators who are bent on destroying Protestantism and Freedom wherever they find it. The recent ruling by a federal judge that the government must at least NAME the over 1100 political prisoners they have held as “enemy combatants” since September of 2001 has passed almost unnoticed. The administration has refused to answer such judicial orders and has instead sent John Ashcroft and the Justice Department to make perpetual war against the Judiciary.

What is being proposed here is a new concept in law. But it isn’t new at all. The Jesuit Gestapo in the Office of Homeland Security want to avoid operating under civil law OR martial law by creating a separate dominion called HOMELAND SECURITY law. This allows the federal government to kidnap and hold ANY person, without charges, without a lawyer and without Habeus Corpus. They do not have to announce that they have kidnapped the person, nor do they have to allow any person or agency to see someone who is being held. People are just “disappearing” in the middle of the night, without notice and without a word to their loved ones as to their plight. But like I said, this concept is not new at all. The Nazis and the Communists perfected the plan many years ago.

Now we see that Tom Ridge has proposed taking the Homeland concept even further. According to the July 21st, 2002 edition of the Washington Post:

“Homeland security chief Tom Ridge says the threat of terrorism may force government planners to consider using the military for domestic law enforcement, now largely prohibited by federal law. President Bush has called on Congress to thoroughly review the law that bans the Army, Navy, Air Force and Marines from participating in arrests, searches, seizure of evidence and other police-type activity on U.S. soil. The Coast Guard and National Guard troops under the control of state governors are excluded from the Reconstruction-era law, known as the ‘Posse Comitatus Act.’”

Is this a new plan, necessitated only because of the fear of “terrorism”? Is the government only just now being “forced” to consider overturning the Posse Comitatus Act? Insiders say no. In fact, it has been suggested that think tanks within the administration and the military were formulating the position against Posse Comitatus even before the “attacks” on September 11th. Why are we surprised when a Jesuit trained Catholic mercenary like Tom Ridge proposes Jesuit tactics according to Jesuit tyranny directives?

WHACHAGONNADO?

For those of you who are concerned with “spiritual” matters, and who deem any talk of tyranny to be “conspiracy theory”, let’s bring the conversation closer to home.

The Three-Fold plan of the Jesuits who were given their marching orders to engage in “Counter-Reformation” at the end of the Council of Trent in 1563 is coming to fruition. That plan unfolds like this:

1. Convert as many people as possible to Catholicism.
2. Infiltrate the Protestant (rebellious) sects with Catholic Doctrine. (namely Arminianism)
3. Contain and dominate all “rebels.”

Let’s examine each one of these elements. I go into greater detail on these elements in my upcoming book SWARMS OF LOCUSTS and in the companion video which was recently recorded in Chicago.

1. Convert as many people as possible to Catholicism.
 - Dominate Education – Infiltrate and control the education system.
 - Dominate UN and World Aid – Make sure world “benevolence” is attributed to Catholic works.
 - Unity movement and Patriotism – Link Patriotism and love of country to ecumenical unity and anti-“extremism.”

2. Infiltrate the Protestant sects with Catholic Doctrine. (these elements are discussed in great detail in SWARMS OF LOCUSTS.)

- Arminianism, the “sovereign drug”
- Emotionalism, mysticism
- Legalism, formalism
- Institutionalism (central government in denominationalism)
- Pacifism, non-resistance, submission to the “civil magistrate”
- Bible must decrease, personal experience must increase

3. Contain and dominate all “rebels.”

- Control the secular media, and therefore, popular opinion
- Attempt to keep any disagreements or discussions about doctrines within the sterile walls of “scholarly debate”
- Convince people that these are “not central salvation issues” and therefore are unimportant to our faith
- Demonize independent thought, attack anything that is “anti” unity, push institutionalized “church”
- Label rebels as “extreme”, “conspiracy theorists” or “insane”
- Label any staunch defense of the doctrines of grace as “Calvinism”, or mean, hateful and divisive
- Take over Christian publishing, outlets and media

As you peruse the Jesuit plan for America and the world, I have to ask, “How’s that workin’ out for ya?” During my recent trip to “spy” at Loyola University in Chicago, we took a picture of a large banner that was flying from the rafters in the student building. On the banner was a quote from Ignatius of Loyola, the father of the Jesuits:

“Go forth and set the world on fire”- St. Ignatius of Loyola

On my computer I have placed the picture of this banner next to some artwork depicting the burning at the stake of hundreds of Protestants by the Jesuits. I am intimately aware of the material used by Jesuits to start fires...

Most Americans believe that the coming attack on freedom is based in wartime necessity. Others believe that the Doctrines of Grace are mere secondary issues in the discussion of salvation. The last day’s Great Deception marches forward like a knife through butter.

When Christ returns, will He find faith on the earth?

QUOTE

What Geoff says about Viet Dinh co-authoring the USA PATRIOT ACT is true. (I really despise how they pervert the use of the word "patriot.")

About two years ago I confronted Viet Dinh, in a manner of speaking, when he spoke at a continuing legal education seminar in Albuquerque, New Mexico. I specifically attended that CLE program because I knew he would be there and I knew that he had a hand in the drafting of the Act.

I asked him during a Q&A session and at others times about the constitutionality of the Act and about when it was first authored.

With respect to my questions to him about the constitutionality of the Act, he stated it is constitutional, that it was carefully drafted to protect our liberties etc.. (it is clearly unconstitutional), and he stated that no court had declared it unconstitutional. (Viet Dinh was born in Vietnam and spent many years there before coming to the USA. He and his ancestors have not lived in a Republic subject to the perceived constitutionally recognized and protected natural rights we believe we enjoy here.) Dinh knew or should have known that it was false that no court had declared the Act unconstitutional I reminded him that certain provisions of the Act had been declared unconstitutional by 2 separate federal district court judges. (This was in 2005 and a US District Court in San Francisco and I believe in Penn had declared certain provisions unconstitutional.) As I recall he just went on with what he was saying and did not respond to that.

As to the authorship and genesis of the Act, I asked him if it was true that the Act had actually been authored prior to 9/11. He acknowledged that it had. I was very gratified to hear him admit that fact. He then went on to say that while he was at the DOJ and just after 9/11 he was charged with the duty of refining the Act and bringing it up to date He says he called in various different attorneys from throughout the DOJ and put them to work on putting the finishing touches on the Act after 9/11. The admission that the Act, consisting of over 300 pages, had been principally drafted prior to 9/11 explains in part how it could be rocketed through Congress in less than 6 weeks of 9/11. That, and the fact that no one in Congress read it, and thus, it was not debated or subjected to any of the other legislative protocols.

Dinh made some off-the-cuff remarks in response to my questions. One of his remarks that was not really responsive to anything, was to the effect that the "terrorist" flew the planes into WTC 1 and 2 at a point about 2/3 up from the foundation, because "they," the "terrorists," knew that striking the buildings at this point would cause the buildings to collapse. This is of course not only ridiculous, it is a lie and defies all applicable laws of physics. (It also does not explain why WTC 7 collapsed at 5:22 p.m. on 9/11/01. As you know, and as many more people have come to know, WTC 7 was not hit by a plane at any point.)

Dinh is doing what he can, when and where he can, to propagate the lies about 9/11.

Not one person other than me challenged him about the Act or questioned him about what he was saying. I was very professional in my questions to him, but I would not let him off the hook with responses that I knew were not truthful or forthright. (Although I did not challenge his remark about where the planes hit the WTC because it would have been futile to do so in that venue.)

After his presentation, he sought me out and shook my hand. I could not help but feel that he knew that I knew.... I also felt like I was shaking the hand of a machine and not a genuine person.

All of this is on a video tape. I need to get a copy of it. It can be obtained from the New Mexico

Minimum Continuing Legal Education at the New Mexico State Bar.

Stevan

Dear Brother Stevan,

Thank you for your comments. It is good for the list to see there is an honest attorney in our midst. The tools of the Jesuits of Georgetown University and the Department of Fascist Injustice had the Patriot Act prepared before 911. This is typical Jesuit intrigue. Thanks Stevan for confronting that foreign sinner and tool of the Black Pope who has aided in our enslavement. He must surely know that the Order used the American Air Force to bomb Vietnam back to the Stone Age killing 3.4 million Vietnamese.

Sincerely in Faith,

Brother Eric

Another item of interest:

In the fall of 2004 I was watching the third-party debate at Cornell on C-Span. This included Michael Peroutka from the Constitution Party, Michael Badnarik from the Libertarian Party, what's-his-face from the Green Party (Cobb, was it?), and some guy from the Socialist Party.

Peroutka pointed out that the Patriot Act (or rather, Treason Act) was already on the shelf and ready to go before 9/11. Too bad I can't seem to find the debate on YouTube. But that stuck in my mind.

Tony Stelmach - April 12, 2007 08:13 AM (GMT)

Pope wears Prada: Benedict XVI becomes icon of Vatican style

10.04.2007

http://english.pravda.ru/world/europe/10-0...pope_benedict-0

Pope Benedict XVI has become the first and only icon of style of the 21st century in the world of priesthood. Benedict, who is considered to be a champion of discipline and humility, unexpectedly brought new tendencies in the Vatican, Sueddeutsche wrote.

Pope Benedict XVI

Benedict's first public appearance became a little disaster: his gown was a little short for him. The new Pope could do nothing about it. Gammarelli, the company that makes gowns for Vatican priests and popes in particular (since 1792) made the clothing of

three different sizes because no one knew who of the cardinals was going to replace the deceased Pope John Paul II. Unfortunately, none of the produced models could fit the newly elected head of the Vatican.

British tabloids wrote soon after that that Pope Benedict XVI preferred Gammarelli to Raniero Mancinelli – the firm that was making him soutanes during his activities as a cardinal. The head of Gammarelli was infuriated with those rumours. Spokesmen for the company said that Mancinelli was an upstart company, whose history of business counted only 20 years.

The Vatican officials were forced to make an official statement for the press in which it was said that Gammarelli was still considered the official tailor of the Vatican, and the scandal was exhausted.

When a cardinal, Benedict was mainly wearing black. Now he can be seen dressed up in gorgeous purple and red outfits trimmed with fur and golden buckles. During his holiday in the mountains the Pontiff was spotted wearing a white baseball cap. Pope Benedict XVI does not hesitate to use the clothing of worldwide known brands in his wardrobe. He made a public appearance once wearing mirrored Gucci sunglasses.

The press service of the Vatican does not distribute any information about the Pope's stylist. The official tailor of the Vatican, Gammarelli, does not share this information either.

A Gammarelli store is the most exquisite one on Via dei Cestari near the Pantheon. This street is like Via Montenapoleone for Vatican priests. It sells pink gloves with golden embroidery and luxury fabric for bishops and cardinals.

Another store, called Salvi, sells a variety of magnificent golden crosses. Those are the most beautiful crucifixes that you can ever imagine. The market of such luxurious church items is apparently small, but it exists.

A Raniero Mancinelli store can be found right behind the Vatican gates. There is a picture hanging on the wall depicting Mancinelli standing beside the Pope. The shop owner says that they regularly make clothes for the Pontiff. Rainardo Mancinelli did not specify the prices of the Pope's outfits. "It is priceless," he said.

People started talking about Benedict's sense of style last year, when the Pontiff appeared in red Prada shoes that accompanied his liturgical clothing. Prada's spokespeople were surprised to see the Pope wearing their shoes. However, they definitely feel proud of such unexpected success.

None of Catholic priests can wear what they want. A set of rules about the clothes written on 100 pages appeared in 1907. There are strict rules about the cut, the fabric and the color.

Gore's failed Coup d'état in context – another blow to Romanism

Professor Arthur Noble

<http://www.ianpaisley.org/article.asp?ArtKey=gore>

"A massive political campaign is underway in an effort to achieve religious and political control of crucial American policies and institutions, an effort which the popular press and television have virtually ignored. It was inspired by the Vatican and has been carried out over a period of years under the supervision of the National Council of Catholic Bishops. The bishops have created the impression that they speak for 59 million Catholics, which makes them a formidable political force, able to influence or intimidate presidents and other public officials." – John M. Swomley, Centre for Research on Population and Security, and President of Americans for Religious Liberty

In the United States, the Roman Catholic Church is a \$200 billion operation, composed of millions of highly organised workers with an intense sense of mission and a long history of political manipulation. Many of the problems and ills in America's social fabric are the result of Vatican attempts to advance its power, control, influence, wealth or security at the expense of Americans and American institutions.

"In essence," writes Swomley¹, "the Vatican and its representatives in the United States are advocating a [Roman Catholic] theocracy, which has been repudiated by Catholics in Europe. Unless liberal Catholics, Jews, Protestants, humanists, and others organize to oppose such theocratic action, what appears simply to be right-wing politics will be even more subversive of democracy."

Lincoln's prophetic warning

At the conclusion of the trial of Mr. Chiniquy, author of the book *Fifty Years in the Church of Rome*, Abraham Lincoln issued the following prophetic warning about the menace of Romanism to the United States Constitution and American democracy:

As long as God gives me a heart to feel, a brain to think, or a hand to execute my will, I will devote it against that power which has attempted to use the machinery of the courts to destroy the rights and character of an American citizen. But there is a thing which is very certain; it is, that if the American people could learn what I know of the fierce hatred of the generality of the priests of Rome against our institutions, our schools, our most sacred rights, and our so dearly bought liberties, they would drive them away, tomorrow, from among us, or would shoot them as traitors. [...] The history of the last thousand years tells us that wherever the Church of Rome is not a dagger to pierce the bosom of a free nation, she is a stone to her neck, and a ball to her feet, to paralyze her and prevent her advance in the ways of civilization, science, intelligence, happiness, and liberty. [...] I do not pretend to be a prophet. But though not a prophet, I see a very dark cloud on our horizon. And that dark cloud is coming from Rome. It is filled with tears of blood. It will rise and increase, till its flanks will be torn by a flash of lightening, followed by a fearful peal of thunder. Then a cyclone such as the world has never seen will pass over this country, spreading ruin and desolation from north to south. After it is over, there will be long days of peace and prosperity; for popery, with its Jesuits and merciless Inquisition, will have been forever swept away from our country. Neither I nor you, but our children, will see those things.²

The Church of Rome, her wiles thus exposed, was swift to instigate Lincoln's assassination. Plans for his murder were made in the home of Mrs. Surratt, a Roman Catholic. Booth, the murderer, was a Roman Catholic. Mr. Lloyd, who had the gun that Booth pretended he needed for "protection", was a Roman Catholic. Dr. Mudd, who set Booth's fractured leg, was a Roman Catholic. Garrett, in whose barn Booth tried to hide, was a Roman Catholic. It is now firmly established as historical fact that the death of Lincoln was announced by Roman Catholics several hours before it occurred at St. Joseph, Minnesota, forty miles from a railroad and eighty miles from the nearest telegraph station. On his arrest Booth said: "I can never repent. God made me the instrument of his punishment." Prominent government officials said they had not the least doubt but that the Jesuits were at the bottom of the great iniquity. Mr. Chiniquy, Colonel Edwin A. Sherman and General Harris, friends of Lincoln, investigated the matter and unequivocally affirmed that Rome was the perpetrator of his assassination.

Why Rome hates America

Lincoln understood well the threat of Romanism to American democracy. Jeremiah Crowley, in his famous book *Romanism. A Menace to the Nation*, provides a concise summary of why the Vatican hates America and everything for which the United States Constitution stands:

The Declaration of American Independence asserts human equality: Rome denies it. The Constitution of the United States proclaims the sovereignty of the people; it prohibits any union of Church and State; and it guarantees freedom of conscience, freedom of speech and freedom of the press. Rome repudiates the sovereignty of the people; she demands the union of Church and State, and proclaims herself to be the Church to the exclusion of all others; and she condemns freedom of conscience, freedom of speech and freedom of the press. The non-sectarian public school has become an American institution, and is championed by the vast majority of the American people. [...] Rome condemns the non-sectarian school and asserts that the control of the education of the nation's youth belongs solely to her. The United States Constitution has been regarded by the fathers and builders of American institutions as a priceless document, and not only a blessing to Americans but a boon to mankind: Rome condemns liberties which the Constitution of the United States guarantees. Does the parochial school teach these Americanisms or Vaticanisms? If it teaches these Americanisms it is false to Rome; if it teaches these Vaticanisms it is false to America.³

It must be remembered that Roman Catholicism was the sole church that succeeded in resisting the democratic changes enshrined in the American Declaration of Independence. Romanism in the United States continued after 1776 without change as a completely authoritarian institution. It based its claim on the Encyclicals *Urbi Arcano* of Pius XI that Papal sovereignty "must not, nor must it ever appear to be, subject to any human authority or laws whatsoever" and that the Church "must demand as her right, a right which she cannot renounce, full liberty and independence from the civil power".⁴ Leo XIII also made it very clear that the duty of Roman Catholics is not only to disobey legitimate civil authority, but also to resist by violent means. In his Encyclical *Sapientiae Christianae* he proclaims that if the laws of the State are at variance with the "divine law" [!], "to resist becomes a positive duty; to obey, a crime".⁵

Rome's goal – the destruction of Protestant America

In the early twentieth century, the 'Very Reverend' Francis C. Kelly, President of the Roman Catholic Church Extension Society of America, issued the following policy statement:

Without a doubt, if American Protestantism were blotted off the religious map of the world, the work of the so-called Reformers [...], within fifty years, might well be called dead. [...] From a strategic point of view, America [...] is our best missionary field. [...] We who hope for a Catholic America have as yet come only to the end of the desert.⁶

About the same time, *The Western Watchman* – whose Editor-in-Chief, 'Rev.' David S. Phelan, was called by Cardinal Satolli "the dean and senior of the Roman Catholic journalists of the United States" – launched a vile attack on the Protestant institutions of America and concluded his tirade with the following 'ecumenical' statement of fiendish

hatred against American Protestantism:

Protestantism – We would draw and quarter it. We would impale it and hang it up for crows' meat. We would tear it with pincers, and fire it with hot irons. We would fill it with molten lead, and sink it in a hundred fathoms of hell-fire.⁷

Opus Dei and the McGovern Presidential Campaign

Few Americans, even American Roman Catholics, have any idea of the extent to which the Church of Rome is still working to impose its religious dogma on all Americans through law-making, judicial decision-making and the administration of government.

During the Presidential Campaign of 1972, for example, George Stanley McGovern, a U. S. senator from South Dakota (1963-1981) who opposed the Vietnam War, was defeated as the 1972 Democratic candidate for President. Closely associated with that campaign was the Papal organisation Opus Dei. Although its membership in the United States is estimated at only about 3,000, its "co-operators" have included such influential personages as Sargent Shriver, who was McGovern's running mate in the 1972 presidential election, and his wife, Eunice Kennedy Shriver.

Opus Dei (Latin for "Work of God") is ostensibly dedicated to carrying out the apostolate of conquering new souls to the cause of Roman Catholicism, but a secret series of scandals confirmed suspicions that the institution has hidden goals that are less spiritual. In Spain, an eminent member of Opus Dei, Josemaria Ruiz Mateos, precipitated the bankruptcy of the holding company La Rumasa by donating tens of millions of dollars to the organisation. In Italy, Opus Dei perpetrated the fraud and bankruptcy scandal of Roberto Calvi, the late president of Banco Ambrosiano. Calvi's widow, Clara, said he was expecting to conclude a large deal with Opus Dei just before his body was found hanging under Blackfriar's Bridge in London.

Opus Dei is an ultra-secret society with clandestine political ambitions. In the United States, where church-state relations are currently being re-examined, the activities of Opus Dei pose a most serious threat to the Constitution and democracy. While many religious organisations lobby openly through licensed organisations, Opus Dei seeks to influence policy-making clandestinely under a vow never to divulge its membership. One of its leading priests, Gianni Baget Bozzo, has arrogantly proclaimed:

Opus Dei is in a position [...] to substitute the political party as administrator of (political) carriers in a society in which the Catholic world possesses a potential of power and does not have the organs capable of transforming this power into action, this space into structure.

The perils for a country which has been the bulwark of democracy are self-evident. In view of the fact that the Roman Catholic Church has never renounced its claim to

temporal authority, the presence of Opus Dei in the United States as an underground political, economic and educational power must be viewed with extreme seriousness. True to her pattern of historical cunning, the Church of Rome always pretends to be the champion of democracy while plotting to destroy the very liberties which allow her to exist. On gaining power, she then denies them to her opponents in the name of her own fascist religious principles.

The Papal underground and the Gore campaign

Al Gore is, nominally, a Southern Baptist; but like the 'White House Defiler' Clinton, who defected not only from his draft but also from his Baptist heritage and took the Romanist mass in South Africa, Gore is another of those non-Roman-Catholics working in national, state and local governments who actively promote the aims of the Vatican. Many of these Vatican-facilitators have played havoc with American policy-making and its implementation – both Clinton and Gore to the incredible extent of criticising the ruling of the United States Supreme Court on the Presidential Election result, so that an outgoing American President and an aspiring American President were actually attacking a fundamental facet of the United States Constitution!⁸

Mr. Gore's catch-phrase "When votes are cast, we count them" is couched in the typical language of Jesuitical equivocation and hypocrisy. Those who are aware of the facts know that the votes which Mr. Gore wanted to manipulate to stage his coup d'état were counted four times, and that he lost every time! They also know that the Democrats waged a campaign to throw out 1,420 or one-third of the overseas absentee ballots from military personnel which were not counted, many because they did not bear postmarks. Mail from Navy ships and Army field positions do not bear postmarks. All of these military soldiers and sailors were denied their vote because of so-called 'Democrat' double standards.

There is no doubt that the failed Gore campaign was but another manoeuvre by the Papal underground to divide the American people and undermine the American Constitution. The writer of "Things are seldom what they seem"⁹ did well to warn:

Who stands to gain from the disuniting of America? Who is threatened by a united, organised, committed America? Who stands to gain from social disorganisation in America? Who has the sophistication, resources, organization and motivation to set about disuniting America?

His answer, significantly, was:

[...] the Vatican, [that] sophisticated political institution [which] recognizes that America's bonds of national cohesion are fragile and that factionalism can tear our country apart. [...] The bishops have made progress in transforming the United States into a more segregated society. They have succeeded in their efforts to impose

ethnocentric, Afrocentric, and bilingual curricula on public schools, designed to hold minority children out of American society and have remarkably advanced the fragmentation of American life. [...] It is hard to deny that the Vatican has a vested interest in ethnic identification and has repudiated the ideal of assimilation, an American institution.

The Vatican already stepped up its vilification crusade against George W. Bush after he publicly declared in 1994 that one doctrine of which he is certain is that "heaven is open only to those who accept Jesus Christ".¹⁰ During the Presidential campaign Bush attracted Romanist hatred by mentioning the Bible several times. The magazine Christianity Today warned that Gore's advisers wanted him to attack Bush's self-identification as a born-again Christian, but that Gore considered it would be counter-productive to do so directly.¹¹ It would have exposed the sham of Gore's self-professed Baptism and drawn attention to the non-Christian beliefs with which his best-selling book, *Earth in the Balance: Ecology and the Human Spirit* (1993) is riddled, including the following blasphemous statement praising pantheistic earth-worship: "It seems obvious that a better understanding of a religious heritage preceding our own [i.e. Christianity] by so many thousands of years could offer new insights".¹²

At the same time, there had been warnings that the Vatican was even engaged in a takeover attempt against the Republican Party and that this was all but an accomplished fact.¹³

Other organisations in the Papal plot

The United States Catholic Conference

In 1990 Robert Maddox, the Executive Director of the organisation "Americans United for Separation of Church and State", warned of just how powerful the Roman Catholic lobbying effort really is, saying that the so-called "United States Catholic Conference" enjoys "an unprecedented veto power over all social legislation". This organisation, together with the "National Conference of Catholic Bishops", poses the most serious threat of all; they both operate from their lavish office building symbolically situated near the Capitol in Washington.

The 'Free Congress Foundation' and the 'Center for Catholic Policy'

The American Roman Catholic extremist Paul Weyrich, Head of the "Center for Catholic Policy" within his "Free Congress Foundation", is also a major threat to American democracy. He also leads the "Siena Group", a coalition of forty Roman Catholic public policy organisations which has proved to be one of the most effective religious forces in practical politics.

The 'Pastoral Plan'

To these subversive organisations must be added the Vatican's "Pastoral Plan", which has already had far-reaching effects on American political institutions, including the executive, legislative and judicial branches, all of which were specifically identified as targets in the plan. Their aims are wittingly or unwittingly facilitated by the propaganda of a press which the writer of "Things are seldom what they seem" described thus:

The Protestant press which held the Vatican imposition of the Papal agenda in check in this country for 175 years has been neutralized. This arrangement has permitted the Vatican to influence American policy-making to a greater degree than would have been possible otherwise. All of our lives have been significantly affected.

Americans need to be aroused from their political slumber to recognise that Romanist Bishops and priests, who are duty-bound to place the interests of the Papacy above all else, cannot claim they are American patriots. They represent a foreign power which today, as in the days of Abraham Lincoln, is a deadly enemy of the United States.

Understanding the failed coup in context of world events

The Gore plot also needs to be understood in the international context of what is happening in Europe.

For years we have been warning about the hidden agenda behind the European Union, and we have been consistently right. We have been exposing its economic veneer as a cover for establishing a Roman Catholic superstate with its own political, judicial and financial institutions. The latest of these became a reality in November, 2000, with the creation of a so-called European Rapid Reaction Force. This designation is merely a euphemism for a European Army, the purpose of which, despite what Mr. Blair tells us, will be initially to rival, then to undermine, and finally to destroy NATO.

As the world clearly saw, NATO was already hijacked and its Charter of non-intervention and non-aggression already violated by its European Union members in 1999, aided by sympathising politicians and military players in Britain and America, in order to break up Yugoslavia and bring the Balkans into the orbit of the Papal vision for Europe. Blair and Clinton became major collaborators in this act of treachery against Western democracy. They committed the United Kingdom and the United States to do the Vatican's dirty work against Serbia.

The picture now becomes clear. Since the cornerstone of NATO is the United States, the Papal underground has suddenly shifted its theatre of war to America and is mounting an overt attack on the institutions of that great country. Make no mistake about it: the Presidential electoral farce in the United States was carefully pre-planned, and intentionally engineered, to divide the American people, impugn American democracy, undermine American institutions and mount an attack against the American

Constitution. Noticeably, its aim was to weaken America's influence in the world at a time when Europe is beset with problems of cohesiveness and is in danger of losing its impetus towards its ultimate goal of world power through the instrument of a Roman Catholic superstate.

Wake up, America!

The plot against America has backfired; but the Vatican and its minions will stop at nothing to destroy the United States Constitution. President Grant predicted that it would prompt civil war in the U.S. in order to undermine America's capacity to confront the overpopulation problem and promote disintegration of the American social fabric to save the Papacy which cannot thrive in a democracy. President Thomas Jefferson, principal author of the Declaration of Independence, wrote in his treatise *On why Judges should not Legislate*: "The Constitution, on this hypothesis, is a mere thing of wax in the hands of the Judiciary, which they may twist and shape into any form they please."

The manipulation of the latest Presidential electoral campaign by the Vatican underground came within a hair's breadth of achieving Rome's goals described in the warnings of those two great former Presidents – causing civil unrest in America and letting judges install Al Gore as President in violation of the United States Constitution. The plan, by God's grace, backfired; but the Vatican will try again.

America is today the greatest bulwark of democracy confronting the bunker of Romanist theocracy; but many Americans have been tricked into adopting a positive image of the Pope and the Roman Catholic Church. In his work *The Corporate Status of the Catholic Church in America*, L.H. Lehmann issued the following dire warning that there would be no relaxation of the efforts of the Roman Catholic Church in the United States till it obtains its "ideal arrangement to which Catholic theology can alone give unqualified assent":

If ever that time comes, then not only will Roman Catholicism [...] be recognized as existing by direct ordinance and superior in power to the State, but control of its dependent, "minor" institutions in the field of education, marriage, economics, law and all social matters, will be exclusive and supreme. The Constitution of the United States of America, as we know it today, will then have ceased to exist.

1 The Humanist, January/February, 1999.

2 These facts are amply documented in Chiniquy's book *Fifty Years in the Church of Rome*, The Wickliffe Press, London, 1885. Note in particular Lincoln's remarks (p. 388) on the role of popery in the American Civil War: "This war would never have been possible without the sinister influence of the Jesuits. We owe it to Popery that we now

see our land reddened with the blood of her noblest sons. Though there were great differences of opinion between the South and North, on the question of slavery, neither Jeff Davis nor any one of the leading men of the Confederacy would have dared to attack the North, had they not relied on the promise of the Jesuits, that, under the mask of Democracy, the money and the arms of the Roman Catholics, even the arms of France, were at their disposal if they would attack us."

The True origin of Scottish Rite Freemasonry

According to the Masonic Quiz Book:

Ask Me Another, Brother
by William Peterson

"The Jesuits wrote the first 25 rites of Scottish Freemasonry in then College de Clermont in Paris in 1754"

"Chevalier de Bonneville [like the Bonneville automobile manufactured by Chevrolet/ General Motors] formed a chapter of twenty-five Degrees of the so-called High-Degrees in the College of Jesuits of Clermont, in Paris in 1754. The adherents of the House of Stuart had made the college of Clermont their asylum, they being mostly Scotchmen. One of these Degrees being the "Scottish Master," the new body organized in Charleston, S.C., in 1801, gave the name of Scottish Rite to these Degrees, which name ever since that time has characterized the Rite all over the world."

In a letter written by **Charles Sotheran** addressed to the **New York Press Club**, dated January 11, 1877,:

"It is curious to note too that most of the bodies which work these, such as the Ancient and Accepted Scottish Rite, the Rite of Avignon, the Order of the Temple, Fessler's Rite, the 'Grand Council of the Emperors of the East and West Sovereign Prince Masons', etc., etc., are nearly all the offspring of the sons of Ignatius Loyola. The Baron Hundt, Chevalier Ramsey, Tschoudy, Zinnendorf, and numerous others, who founded the grades in these rites, worked under instructions from the General of the Jesuits. The nest where these high degrees were hatched, and no Masonic rite is free from their

baleful influence more or less, was the Jesuit College of Clermont at Paris."

The Jesuits are the true masters of high-level Scottish-rite Freemasonry. The JFK assassination proves it.

Roman Catholic bishops warn of mass uprising if Mugabe remains in power

By Angus Shaw, Associated Press Writer

Published: 09 April 2007

Roman Catholic bishops marked Easter Sunday with an unprecedented message to President Robert Mugabe to end oppression and leave office through democratic reform or face a mass revolt.

"The confrontation in our country has now reached a flashpoint," said the Zimbabwe Catholic Bishops Conference in a pastoral message pinned up at churches throughout the country.

"As the suffering population becomes more insistent, generating more and more pressure through boycotts, strikes, demonstrations and uprisings, the state responds with ever harsher oppression through arrests, detentions, banning orders, beatings and torture," the nine bishops said.

The majority of Zimbabwe's Christians - including Mugabe - are Roman Catholics. Several thousand worshippers who packed the cathedral in Harare - clustered around the notice boards to read the message after morning Mass on Sunday.

Although the Catholic bishops - especially Pius Ncube, the archbishop of the second city of Bulawayo, have criticized the government in the past, the tone of this year's pastoral message was the most strident since independence from Britain in 1980.

In his traditional Easter address from the central balcony of St. Peter's Basilica in the Vatican, Pope Benedict XVI singled out Zimbabwe among other troubled countries.

"Zimbabwe is in the grip of a grievous crisis," he said.

The letter, entitled "God Hears the Cries of the Oppressed," likened human and democratic rights abuses under Mugabe to the oppression of biblical pharaohs and Egyptian slave masters.

"Oppression is sin and cannot be compromised with," it said.

As in the colonial era, the current conflict in Zimbabwe pitted those determined to maintain their privileges of power and wealth at any cost, even at the cost of bloodshed, against those demanding democratic rights, it said.

The conflict was "between those who only know the language of violence and intimidation, and those who feel they have nothing more to lose because their constitutional rights have been abrogated and their votes rigged," it continued.

"Many people in Zimbabwe are angry, and their anger is now erupting into open revolt in one township after another," said the bishops.

"In order to avoid further bloodshed and avert a mass uprising, the nation needs a new people-driven constitution that will guide a democratic leadership chosen in free and fair elections," it said.

A similar letter in the nearby nation of Malawi pressured longtime dictator Hastings Kamuzu Banda into holding a referendum on reform in 1992 and calling democratic elections, which he lost, ending 30 years of brutal rule.

The Zimbabwe bishops' letter was also reminiscent of the role of Catholic churches in the eventual ouster of Ferdinand Marcos in the Philippines.

Deeply rooted Catholicism embraced the majority of the population in the Philippines and churches in Malawi triggered resistance to Banda, said Father Oskar Wermter of the Catholic communications secretariat in Harare.

"We cannot yet say what the response of our congregations will be, but basic biblical teachings apply. Oppression is not negotiable. It must stop before there can be any dialogue," he said.

Wermter said the bishops wanted the contents of the letter to receive the widest possible distribution. The letter was delivered in the traditional rural strongholds of Mugabe's ruling ZANU-PF party across the country, where priests showed what he called a very strong interest in it.

The bishops called for a day of prayer and fasting for Zimbabwe April 14 and said there

would be a prayer service for Zimbabwe every week after that.

The Anglican church has been more muted, with its leaders generally toeing the ruling party line.

Police violently broke up a multi-denominational prayer meeting March 11, describing it as a banned demonstration. Two pro-democracy activists died and Morgan Tsvangirai, leader of the main opposition Movement for Democratic Change, and a dozen senior colleagues were hospitalized after beatings.

Mugabe subsequently headed off a challenge to his leadership to win party support to stand for another presidential term in national elections in 2008. There was no response from the government Sunday to the pastoral letter and Mugabe was out of the country.

The once-prosperous nation is reeling under hyperinflation of more than 1,700 percent, 80-percent unemployment, shortages of food and other basic goods and one of the world's lowest life expectancies.

"The suffering people of Zimbabwe are groaning in agony," said the bishops. "A tiny minority of the people have become very rich overnight, while the majority are languishing in poverty. ... Our country is in deep crisis."

But the letter said it also wanted to convey a message of hope.

"God is on your side. he always hears the cry of the poor and oppressed and saves them."

Catholic pressure may sway Mugabe to reform - analysts

Apr 10, 2007

<http://today.reuters.com/news/articlenews...BWE-BISHOPS.xml>

By Cris Chinaka

HARARE (Reuters) - The Catholic Church's sharp criticism of Zimbabwean President Robert Mugabe could have a greater influence in persuading him to discuss political reform than a mass of attacks from elsewhere, political analysts said.

Zimbabwe's Catholic bishops accused Mugabe and his officials of running a bad and corrupt government and abusing the political rights of Zimbabweans in a pastoral letter posted in churches throughout the southern African nation during Easter.

Neither Mugabe, a practicing Catholic, nor his officials have publicly responded to the warning from Zimbabwe's Catholic Bishops' Conference that radical reforms were needed to avert a mass uprising in the economically-strapped country.

"The pastoral letter presents a new challenge to Mugabe and will probably help persuade him that he needs to be talking about electoral and constitutional reforms, too, as pressure is mounting on him," said Eldred Masunungure, a political science professor at the University of Zimbabwe in Harare.

"The Catholic bishops bring a new moral authority to the Zimbabwe crisis, which Mugabe cannot simply dismiss offhand by suggesting that they are supping with his Western enemies," he added.

Mugabe, who counts a number of Catholic priests among his friends, has traditionally taken a hands-off approach to political critics within the Catholic Church, the largest Christian denomination in Zimbabwe.

He has avoided direct confrontation with the bishops and spared them and other Catholic leaders from the hardline tactics used to muzzle the country's formal opposition, including the main Movement for Democratic Change (MDC) party.

MDC officials were not available for comment on Tuesday, but over the years the opposition has been urging Church leaders to speak up on the Zimbabwe crisis, and to get involved in the search for a solution.

STRIDENT ATTACK

In their letter, which was the church's most strident attack on Mugabe's ruling ZANU-PF party in years, the bishops pointedly condemned Harare's violent March 11 crackdown on MDC leader Morgan Tsvangirai and other members of the opposition.

Tsvangirai was among dozens of anti-Mugabe activists who sustained serious injuries after being arrested by police at an aborted prayer rally. Reports of their beatings in police stations prompted outrage and protests from Western nations.

Mugabe, who has branded the MDC a puppet of Western powers, accuses the opposition of launching petrol bomb attacks on police stations as part of a "terrorist campaign" to overthrow his government.

Although the Catholic bishops have deplored the violence and called for free elections and a new constitution, they are not seen likely to back street protests to end Mugabe's 27-year rule, which could give them more sway with the government than those who are committed to a mass revolt.

John Makumbe, a Zimbabwean political commentator and Mugabe critic, said local Christian leaders could play a large role in finding a solution to the crisis.

"I think after such a long silence, a criminal silence in my view, the Catholic bishops have woken up to this disaster, and the other church leaders will probably do the same soon and help sort out this crisis," Makumbe said.

The head of Zimbabwe's Anglican Church, Bishop Norbert Kunonga, has been accused of failing to publicly condemn Mugabe and even of supporting his government unconditionally. Anglican leaders, however, have said the church is worried by the crisis and working to help resolve it peacefully.

But the churches' involvement could backfire if Mugabe believes that religious leaders are taking their cues from clergy overseas, especially in Britain, the former colonial ruler.

The Zimbabwe government last weekend highlighted a U.S. State Department human rights report indicating that Washington was working with opposition and civic groups "in an attempt to topple" Mugabe.

this book is already free online. is someone trying to solicit money for it? Is Szymanski involved in soliciting money for this book that was written in 1904?

I found this excellent book on eBay called, "Thirty Years In Hell" by Bernard Fresenborg. I can't express how very good this book is. He was an ex-priest and tells startling revelations about the inner workings of the Vatican and catholic church. Upon doing a search on google I found the entire book is available free as a download or simply to read online. Title: Eichmann was sacrificed by the Jesuits

CRAIG-OXLEY - April 10, 2007 11:39 PM (GMT)

Eichmann was sacrificed by the Jesuits to save the Ben-Gurion government. I cover this in VAlll.

Brother Eric

I got some (maybe new) information for you, even if it's bits and pieces.

Recently I came across an article about Eichmann and that the Mossad lied about how they captured him.

<http://www.germany.indymedia.org/2007/04/172775.shtml>

1) In that article they talk about Eichmann having been in the same school as Hitler. So there is a possible connection up from childhood.

They are a few years apart - but that still makes it easier for Eichmann to connect to him.

2) Eichmann worked from 1927 as the Austrian branch of Rockefellers Vacuum Oil Company, the same year he joined Hitler's "Frontkämpferversammlung".

That's one of the reasons why he was able to hide in Argentina before they got to him.

That's just a first lead, but one not to ignore I think. You know: "Always follow the money" - and there he seems to have had friends in high places, too.

A reason for not spilling every connection and his more than detailed confessions about everything else might be his wife that was left back in Argentina, might it not?

Title: Occultist Exposing Jesuits

Description: *Madame Blavatsky*

Daniel - March 28, 2007 07:50 PM (GMT)

Madame Blavatsky Jesuit excerpts from her book called "The Secret Doctrine". It must be understood that although she spoke about the Jesuits, she has a very strong anti-western and anti-Christian bent because she came under the influence of the Eastern Brotherhoods, who wanted to destroy the Jesuits.

Enjoy
Daniel (my sics)

"The many-sided facets of the mystery language have led to the adoption of widely varied dogmas and rites in the exotericism of the Church rituals. It is they (Cabbalists), again, which are at the origin of most of the dogmas of the Christian Church, e.g., the seven Sacraments, the Trinity, the Resurrection; the seven capital Sins and the seven Virtues. The seven keys to the mystery tongue, however, having always been in the keeping of the highest among the initiated Hierophants of antiquity, it is only the partial use of a few out of the seven which passed, through the treason of some early Church Fathers -- ex-initiates of the Temples -- into the hands of the new sect of the Nazarenes. Some of the early Popes were Initiates, **but the last fragments of their knowledge have now fallen into the power of the Jesuits, who have turned them into a system of sorcery.**" (pg 311-312)

If our modern philosophers -- preceded by the medieval scholars -- have helped themselves to more than one fundamental idea of antiquity, theologians have built their God and his Archangels, their Satan and his Angels, along with the Logos and his staff, entirely out of the dramatis personae of the old heathen Pantheons. They would have been welcome to these, had they not cunningly distorted the original characters, perverted the philosophical meaning, and taking advantage of the ignorance of Christendom -- **the result of long ages of mental sleep, during which humanity was permitted to think only by proxy -- tossed every symbol into the most inextricable**

confusion. One of their most sinful achievements in this direction, was the transformation of the divine alter ego into the grotesque Satan of their theology.

As the whole philosophy of the problem of evil hangs upon the correct comprehension of the constitution of the inner being of nature and man, of the divine within the animal, and hence also the correctness of the whole system as given in these pages, with regard to the crown piece of evolution -- MAN -- we cannot take sufficient precautions against theological subterfuges. When the good St. Augustine and the fiery Tertullian called the Devil "the monkey of God," this could be attributed to the ignorance of the age they lived in. It is more difficult to excuse our modern writers on the same ground. The translation of Mazdean literature has afforded to the Roman Catholic writers the pretext for proving their point in the same direction once more. They have taken advantage of the dual nature of Ahura Mazda in the Zend Avesta and the Vendidad, and of his Amshaspendas, to emphasize still further their wild theories. Satan is the plagiarist and the copyist by anticipation of the religion which came ages later. This was one of the master strokes of the Latin Church, its best trump-card after the appearance of Spiritualism in Europe. **Though only a succes d'estime, in general, even among those who are not interested in either Theosophy or Spiritualism, yet the weapon is often used by the Christian (Roman Catholic) Kabalists against the Eastern Occultists.**

Now even the Materialists are quite harmless, and may be regarded as the friends of Theosophy, when compared to some fanatical "Christian" (as they call themselves, "Sectarian" as we call them) Kabalists, on the Continent. These read the Zohar, not to find in it ancient Wisdom, but to discover in its verses, by mangling the texts and meaning, Christian dogmas, where none could ever have been meant; and, having fished them out **with the collective help of jesuitical** casuistry and learning, the supposed "Kabalists" proceed to write books and to mislead less far-sighted students of the Kabala.

Such a pseudo-Kabalist was the Marquis de Mirville in France, who, having studied the Zohar and other old remnants of Jewish Wisdom under the "Chevalier" Drach, an ancient Rabbi Kabalist converted to the Romish Church -- wrote with his help half a dozen volumes full of slander and calumnies against every prominent Spiritualist and Kabalist. From 1848 up to 1860 he persecuted unrelentingly the old Count d'Ourches, one of the earliest Eastern Occultists in France, a man the scope of whose occult knowledge will never be appreciated correctly by his survivors, because he screened his real beliefs and knowledge under the mask of Spiritism." (pg 476-477)

Daniel - March 28, 2007 09:20 PM (GMT)

These are excerpts exposing the Jesuits taken from Madame Blavatsky's book called

"ISIS Unveiled". This was one her most honest books and she wrote this book before falling into the hands of the Eastern Brotherhoods. Notice how Blavatsky confirms the Iron-will of the Jesuits defeating the Friars.

There is a vast amount to information on the Catholic and Jesuits - simply too much for me to place here but I have placed a small taste below. I recommend that everyone read this Chapter:

<http://www.theosociety.org/pasadena/isis/iu2-08a.htm> also.

Enjoy,
Daniel

"Catherine, the pious Christian -- who has so well deserved in the eyes of the Church of Christ for the atrocious and never-to-be-forgotten massacre of St. Bartholomew -- the Queen Catherine, kept in her service an apostate Jacobin priest. Well versed in the "black art," so fully patronized by the Medici family, he had won the gratitude and protection of his pious mistress, by his unparalleled skill in killing people at a distance, by torturing with various incantations their wax simulacra. The process has been described over and over again, and we scarcely need repeat it.

Charles was lying sick of an incurable disease. The queen-mother, had everything to lose in case of his death, resorted to necromancy, consulted the oracle of the "bleeding head." This infernal operation required the decapitation of a child who must be possessed of great beauty and purity. He had been prepared in secret for his first communion, by the chaplain of the palace, who was apprised of the plot, and at midnight of the appointed day, in the chamber of the sick man, and in presence only of Catherine and a few of her confederates, the "devil's mass" was celebrated. Let us give the rest of the story as we find it in one of Levi's works: "At this mass, celebrated before the image of the demon, having under his feet a reversed cross, the sorcerer consecrated two wafers, one black and one white. The white was given to the child, whom they brought clothed as for baptism, and who was murdered upon the very steps of the altar, immediately after his communion. His head, separated from the trunk by a single blow, was placed, all palpitating, upon the great black wafer which covered the bottom of the paten, then placed upon a table where some mysterious lamps were burning. The exorcism then began, and the demon was charged to pronounce an oracle, and reply by the mouth of this head to a secret question that the king dared not speak aloud, and that had been confided to no one. Then a feeble voice, a strange voice, which had nothing of human character about it, made itself audible in this poor little martyr's head." The sorcery availed nothing; the king died, and -- Catherine remained the faithful daughter of Rome!

How strange, that des Mousseaux, who makes such free use of Bodin's materials to

construct his formidable indictment against Spiritualists and other sorcerers, should have overlooked this interesting episode! It is a well-attested fact that Pope Sylvester II. was publicly accused by Cardinal Benno with being a sorcerer and an enchanter. The brazen "oracular head" made by his Holiness was of the same kind as the one fabricated by Albertus Magnus. The latter was smashed to pieces by Thomas Aquinas, not because it was the work of or inhabited by a "demon," but because the spook who was fixed inside, by mesmeric power, talked incessantly, and his verbiage prevented the eloquent saint from working out his mathematical problems. These heads and other talking statues, trophies of the magical skill of monks and bishops, were fac-similes of the "animated" gods of the ancient temples. The accusation against the Pope was proved at the time. It was also demonstrated that he was constantly attended by "demons" or spirits. In the preceding chapter we have mentioned Benedict IX., John XX., and the VIth and VIIth Gregory, who were all known as magicians. The latter Pope, moreover, was the famous Hildebrand, who was said to have been so expert at "shaking lightning out of his sleeve." An expression which makes the venerable spiritualistic writer, Mr. Howitt, think that "it was the origin of the celebrated thunder of the Vatican."

The magical achievements of the Bishop of Ratisbon and those of the "angelic doctor," Thomas Aquinas, are too well known to need repetition; but we may explain farther how the "illusions" of the former were produced. If the Catholic bishop was so clever in making people believe on a bitter winter night that they were enjoying the delights of a splendid summer day, and cause the icicles hanging from the boughs of the trees in the garden to seem like so many tropical fruits, the Hindu magicians also practice such biological powers unto this very day, and claim the assistance of neither god nor devil. Such "miracles" are all produced by the same human power that is inherent in every man, if he only knew how to develop it.

About the time of the Reformation, the study of alchemy and magic had become so prevalent among the clergy as to produce great scandal. Cardinal Wolsey was openly accused before the court and the privy-council of confederacy with a man named Wood, a sorcerer, who said that "My Lord Cardinale had suche a rynge that whatsomevere he askyd of the Kynges grace that he hadd yt"; adding that "Master Cromwell, when he . . . was servaunt in my lord cardynales housse . . . rede many bokes and specyally the boke of Salamon . . . and studied mettells and what vertues they had after the canon of Salamon." This case, with several others equally curious, is to be found among the Cromwell papers in the Record Office of the Rolls House. A priest named William Stapleton was arrested as a conjurer, during the reign of Henry VIII., and an account of his adventures is still preserved in the Rolls House records. The Sicilian priest whom Benvenuto Cellini calls a necromancer, became famous through his successful conjurations, and was never molested. The remarkable adventure of Cellini with him in the Colosseum, where the priest conjured up a whole host of devils, is well known to the reading public. The subsequent meeting of Cellini with his mistress,

as predicted and brought about by the conjurer, at the precise time fixed by him, is to be considered, as a matter of course, a "curious coincidence." In the latter part of the sixteenth century there was hardly a parish to be found in which the priests did not study magic and alchemy. The practice of exorcism to cast out devils "in imitation of Christ," who by the way never used exorcism at all, led the clergy to devote themselves openly to "sacred" magic in contradistinction to black art, of which latter crime were accused all those who were neither priests nor monks.

The occult knowledge gleaned by the Roman Church from the once fat fields of theurgy she sedulously guarded for her own use, and sent to the stake only those practitioners who "poached" on her lands of the Scientia Scientiarum, and those whose sins could not be concealed by the friar's frock. The proof of it lies in the records of history. "In the course only of fifteen years, between 1580 to 1595, and only in the single province of Lorraine, the President Remigius burned 900 witches," says Thomas Wright, in his *Sorcery and Magic*. It was during these days, prolific in ecclesiastical murder and unrivalled for cruelty and ferocity, that Jean Bodin wrote.

While the orthodox clergy called forth whole legions of "demons" through magical incantations, unmolested by the authorities, provided they held fast to the established dogmas and taught no heresy, on the other hand, acts of unparalleled atrocity were perpetrated on poor, unfortunate fools. Gabriel

Malagrida, an old man of eighty, was burnt by these evangelical Jack Ketches in 1761. In the Amsterdam library there is a copy of the report of his famous trial, translated from the Lisbon edition. He was accused of sorcery and illicit intercourse with the Devil, who had "disclosed to him futurity." (?) The prophecy imparted by the Arch-Enemy to the poor visionary Jesuit is reported in the following terms: "The culprit hath confessed that the demon, under the form of the blessed Virgin, having commanded him to write the life of Antichrist (?), told him that he, Malagrida, was a second John, but more clear than John the Evangelist; that there were to be three Antichrists, and that the last should be born at Milan, of a monk and a nun, in the year 1920; that he would marry Proserpine, one of the infernal furies," etc.

The prophecy is to be verified forty-three years hence. Even were all the children born of monks and nuns really to become antichrists if allowed to grow up to maturity, the fact would seem far less deplorable than the discoveries made in so many convents when the foundations have been removed for some reason. If the assertion of Luther is to be disbelieved on account of his hatred for popery, then we may name discoveries of the same character made quite recently in Austrian and Russian Poland. Luther speaks of a fish-pond at Rome, situated near a convent of nuns, which, having been cleared out by order of Pope Gregory, disclosed, at the bottom, over six thousand infant skulls; and of a nunnery at Neinburg, in Austria, whose foundations, when searched, disclosed the same relics of celibacy and chastity!

"Ecclesia non novit Sanguinem!" meekly repeated the scarlet-robed cardinals. And to avoid the spilling of blood which horrified them, they instituted the Holy Inquisition. If, as

the occultists maintain, and science half confirms, our most trifling acts and thoughts are indelibly impressed upon the eternal mirror of the astral ether, there must be somewhere, in the boundless realm of the unseen universe, the imprint of a curious picture. It is that of a gorgeous standard waving in the heavenly breeze at the foot of the great "white throne" of the Almighty. On its crimson damask face a cross, symbol of "the Son of God who died for mankind," with an olive branch on one side, and a sword, stained to the hilt with human gore, on the other. A legend selected from the Psalms emblazoned in golden letters, reading thus: "Exurge, Domine, et judica causam meam." For such appears the standard of the Inquisition, on a photograph in our possession, from an original procured at the Escorial of Madrid.

Under this Christian standard, in the brief space of fourteen years, Tomas de Torquemada, the confessor of Queen Isabella, burned over ten thousand persons, and sentenced to the torture eighty thousand more. Orobio, the well-known writer, who was detained so long in prison, and who hardly escaped the flames of the Inquisition, immortalized this institution in his works when once at liberty in Holland. He found no better argument against the Holy Church than to embrace the Judaic faith and submit even to circumcision. "In the cathedral of Saragossa," says a writer on the Inquisition, "is the tomb of a famous inquisitor. Six pillars surround the tomb; to each is chained a Moor, as preparatory to being burned." On this St. Foix ingenuously observes: "If ever the Jack Ketch of any country should be rich enough to have a splendid tomb, this might serve as an excellent model!" To make it complete, however, the builders of the tomb ought not to have omitted a bas-relief of the famous horse which was burnt for sorcery and witchcraft. Granger tells the story, describing it as having occurred in his time. The poor animal "had been taught to tell the spots upon cards, and the hour of the day by the watch. Horse and owner were both indicted by the sacred office for dealing with the Devil, and both were burned, with a great ceremony of auto-da-fe, at Lisbon, in 1601, as wizards!

"It appears that the reverend fathers of the Order of Jesuits have picked up many such tricks in their missionary travels. Baldinger gives them full credit for it. The tschamping -- a Hindu word, from which the modern word shampooing is derived -- is a well-known magical manipulation in the East Indies. The native sorcerers use it with success to the present day, and it is from them that the father Jesuits derived their wisdom.

Camerarius, in his *Horae Subscecivae*, narrates that once upon a time there existed a great rivalry of "miracles" between the Austin Friars and the Jesuits. A disputation having taken place between the father-general of the Austin Friars, who was very learned, and the general of the Jesuits, who was very unlearned, but full of magical knowledge, the latter proposed to settle the question by trying their subordinates, and finding out which of them would be the readiest to obey his superiors. Thereupon, turning to one of his Jesuits, he said: "Brother Mark, our companions are cold; I

command you, in virtue of the holy obedience you have sworn to me, to bring here instantly out of the kitchen fire, and in your hands, some burning coals, that they may warm themselves over your hands." Father Mark instantly obeyed, and brought in both his hands a supply of red, burning coals, and held them till the company present had all warmed themselves, after which he took them back to the kitchen hearth. The general of the Austin Friars found himself crestfallen, for none of his subordinates would obey him so far as that. **The triumph of the Jesuits was thus accomplished.** “ (pg 221-332)

“But Jacolliot had not heard of the Rev. Dunlop Moore. This is why, perhaps, he and several other Indilogists are preparing to prove that many of the Vedic texts, as well as those of Manu, sent to Europe by the Asiatic Society of Calcutta, are not genuine texts at all, **but mostly due to the cunning tentative efforts of certain Jesuit missionaries to mislead science, by the help of apocryphal works calculated at once to throw upon the history of ancient India a cloud of uncertainty and darkness, and on the modern Brahmans and pundits a suspicion of systematical interpolation.** “ (pg 587)

“ **We have also read with great advantage the topographical descriptions of Hell and Purgatory in the celebrated treatise under that name by a Jesuit, the Cardinal Bellarmine.** A critic found that the author, who gives the description from a divine vision with which he was favored, "appears to possess all the knowledge of a land-measurer" about the secret tracts and formidable divisions of the "bottomless pit." Justin Martyr having actually committed to paper the heretical thought that after all Socrates might not be altogether fixed in hell, his Benedictine editor criticises this too benevolent father very severely. Whoever doubts the Christian charity of the Church of Rome in this direction is invited to peruse the Censure of the Sorbonne, on Marmontel's Belisarius. The odium theologicum blazes in it on the dark sky of orthodox theology like an aurora borealis -- the precursor of God's wrath, according to the teaching of certain mediaeval divines.

“We have attempted in the first part of this work to show, by historical examples, how completely men of science have deserved the stinging sarcasm of the late Professor de Morgan, who remarked of them that "they wear the priest's cast-off garb, dyed to escape detection." The Christian clergy are, in like manner, attired in the cast-off garb of the heathen priesthood; acting diametrically in opposition to their God's moral precepts, but nevertheless, sitting in judgment over the whole world. “

This immortal institution of Christianity did not remain without its Dante to sing its praise. **"Macedo, a Portuguese Jesuit," says the author of Demonologia, "has discovered the origin of the Inquisition, in the terrestrial Paradise, and presumes to allege that God was the first who began the functions of an inquisitor over Cain and the workmen of Babel!"**

Nowhere, during the middle ages, were the arts of magic and sorcery more practiced by the clergy than in Spain and Portugal. The Moors were profoundly versed in the occult sciences, and at Toledo, Seville, and Salamanca, were, once upon a time, the great schools of magic. The kabalists of the latter town were skilled in all the abstruse sciences; they knew the virtues of precious stones and other minerals, and had extracted from alchemy its most profound secrets. The authentic documents pertaining to the great trial of the Marechale d'Ancre, during the regency of Marie de Medicis, disclose that the unfortunate woman perished through the fault of the priests with whom, like a true Italian, she surrounded herself. She was accused by the people of Paris of sorcery, because it had been asserted that she had used, after the ceremony of exorcism, newly-killed white cocks. Believing herself constantly bewitched, and being in very delicate health, the Marechale had the ceremony of exorcism publicly applied to herself in the Church of the Augustins; as to the birds, she used them as an application to the forehead on account of dreadful pains in the head, and had been advised to do so by Montalto, the Jew physician of the queen, and the Italian priests.

In the sixteenth century, the Cure de Barjota, of the diocese of Callahora, Spain, became the world's wonder for his magical powers. His most extraordinary feat consisted, it was said, in transporting himself to any distant country, witnessing political and other events, and then returning home to predict them in his own country. He had a familiar demon, who served him faithfully for long years, says the Chronicle, but the cure turned ungrateful and cheated him. Having been apprised by his demon of a conspiracy against the Pope's life, in consequence of an intrigue of the latter with a fair lady, the cure transported himself to Rome (in his double, of course) and thus saved his Holiness' life. After which he repented, confessed his sins to the gallant Pope, and got absolution. "On his return he was delivered, as a matter of form, into the custody of the inquisitors of Logrono, but was acquitted and restored to his liberty very soon."

Friar Pietro, a Dominican monk of the fourteenth century -- the magician who presented the famous Dr. Eugenio Torralva, a physician attached to the house of the admiral of Castile, with a demon named Zequiel -- won his fame through the subsequent trial of Torralva. The procedure and circumstances attendant upon the extraordinary trial are described in the original papers preserved in the Archives of the Inquisition. The Cardinal of Volterra, and the Cardinal of Santa Cruz, both saw and communicated with Zequiel, who proved, during the whole of Torralva's life, to be a pure, kind, elemental spirit, doing many beneficent actions, and remaining faithful to the physician to the last hour of his life. Even the Inquisition acquitted Torralva, on that account; and, although an immortality of fame was insured to him by the satire of Cervantes, neither Torralva nor the monk Pietro are fictitious heroes, but historical personages, recorded in ecclesiastical documents of Rome and Cuenca, in which town the trial of the physician took place, January the 29th, 1530. The book of Dr. W. G. Soldan, of Stuttgart, has become as famous in Germany, as Bodin's book on Demonomania in France. It is the most complete German treatise on witchcraft of the sixteenth century. One interested to

learn the secret machinery underlying these thousands of legal murders, perpetrated by a clergy who pretended to believe in the Devil, and succeeded in making others believe in him, will find it divulged in the above-mentioned work. The true origin of the daily accusations and death-sentences for sorcery are cleverly traced to personal and political enmities, and, above all, to the hatred of the Catholics toward the Protestants. **The crafty work of the Jesuits is seen at every page of the bloody tragedies; and it is in Bamberg and Wurzburg, where these worthy sons of Loyola were most powerful at that time, that the cases of witchcraft were most numerous.** On the next page we give a curious list of some victims, many of whom were children between the ages of seven and eight years, and Protestants. "Of the multitudes of persons who perished at the stake in Germany during the first half of the seventeenth century for sorcery, the crime of many was their attachment to the religion of Luther," says T. Wright, ". . . and the petty princes were not unwilling to seize upon any pretense to fill their coffers . . . the persons most persecuted being those whose property was a matter of consideration. . . . At Bamberg, as well as at Wurzburg, the bishop was a sovereign prince in his dominions. The Prince-Bishop, John George II., who ruled Bamberg . . . after several unsuccessful attempts to root out Lutheranism, distinguished his reign by a series of sanguinary witch-trials, which disgrace the annals of that city. . . . We may form some notion of the proceedings of his worthy agent,** from the statement of the most authentic historians, that between 1625 and 1630, not less than 900 trials took place in the two courts of Bamberg and Zeil; and a pamphlet published at Bamberg by authority, in 1659, states the number of persons whom Bishop John George had caused to be burned for sorcery, to have been 600."

Regretting that space should prevent our giving one of the most curious lists in the world of burned witches, we will nevertheless make a few extracts from the original record as printed in Hauber's Bibliotheca Magica. One glance at this horrible catalogue of murders in Christ's name, is sufficient to discover that out of 162 persons burned, more than one-half of them are designated as strangers (i.e., Protestants) in this hospitable town; and of the other half we find thirty-four children, the oldest of whom was fourteen, the youngest an infant child of Dr. Schutz. To make the catalogue shorter we will present of each of the twenty-nine burnings, but the most remarkable.

IN THE FIRST BURNING, FOUR PERSONS.Old Ancker's widow.The wife of Liebler.
The wife of Gutbrodt.The wife of Hocker.

IN THE SECOND BURNING, FOUR PERSONS.Two strange women (names unknown). The old wife of Beutler.

IN THE THIRD BURNING, FIVE PERSONS.Tungersleber, a minstrel.Four wives of citizens.

IN THE FOURTH BURNING, FIVE PERSONS.A strange man.

IN THE FIFTH BURNING, NINE PERSONS.Lutz, an eminent shop-keeper. The wife of Baunach, a senator.

IN THE SIXTH BURNING, SIX PERSONS.The fat tailor's wife.A strange man.A strange woman.

Besides these burnings in Germany, which amount to many thousands, we find some very interesting statements in Prof. Draper's "Conflict between Religion and Science." On page 146, he says: "The families of the convicted were plunged into irretrievable ruin. Llorente, the historian of the Inquisition, computes that Torquemada and his collaborators, in the course of eighteen years, burned at the stake 10,220 persons, 6,860 in effigy, and otherwise punished 97,321! . . . With unutterable disgust and indignation, we learn that the papal government realized much money by selling to the rich, dispensations to secure them from the Inquisition."

IN THE SEVENTH BURNING, SEVEN PERSONS.A strange girl of twelve years old. A strange man, a strange woman.A strange bailiff (Schultheiss).Three strange women.

IN THE EIGHTH BURNING, SEVEN PERSONS. Baunach, a senator, the fattest citizen in Wurzburg. A strange man.Two strange women.

IN THE NINTH BURNING, FIVE PERSONS.A strange man.A mother and daughter.

IN THE TENTH BURNING, THREE PERSONS.Steinacher, a very rich man.A strange man, a strange woman.

IN THE ELEVENTH BURNING, FOUR PERSONS.Two women and two men.

IN THE TWELFTH BURNING, TWO PERSONS.Two strange women.

IN THE THIRTEENTH BURNING, FOUR PERSONS.A little girl nine or ten years old. A younger girl, her little sister.

IN THE FOURTEENTH BURNING, TWO PERSONS.The mother of the two little girls before mentioned.A girl twenty-four years old.

IN THE FIFTEENTH BURNING, TWO PERSONS.A boy twelve years of age, in the first school.A woman.

IN THE SIXTEENTH BURNING, SIX PERSONS.A boy of ten years of age.

IN THE SEVENTEENTH BURNING, FOUR PERSONS.A boy eleven years old.A mother and daughter.

IN THE EIGHTEENTH BURNING, SIX PERSONS.Two boys, twelve years old.The daughter of Dr. Junge. A girl of fifteen years of age. A strange woman.

IN THE NINETEENTH BURNING, SIX PERSONS.A boy of ten years of age.Another boy, twelve years old.

IN THE TWENTIETH BURNING, SIX PERSONS.Gobel's child, the most beautiful girl in Wurzburg.Two boys, each twelve years old.Stepper's little daughter.

IN THE TWENTY-FIRST BURNING, SIX PERSONS.A boy fourteen years old.The little son of Senator Stolzenberger.Two alumni.

IN THE TWENTY-SECOND BURNING, SIX PERSONS.Sturman, a rich cooper.A strange boy.

IN THE TWENTY-THIRD BURNING, NINE PERSONS.David Croten's boy, nine years old.The two sons of the prince's cook, one fourteen, the other ten years old.

IN THE TWENTY-FOURTH BURNING, SEVEN PERSONS.Two boys in the hospital. A rich cooper.

IN THE TWENTY-FIFTH BURNING, SIX PERSONS.A strange boy.

IN THE TWENTY-SIXTH BURNING, SEVEN PERSONS.Weydenbush, a senator.The little daughter of Valkenberger.The little son of the town council bailiff.

IN THE TWENTY-SEVENTH BURNING, SEVEN PERSONS.A strange boy.A strange woman.Another boy.

IN THE TWENTY-EIGHTH BURNING, SIX PERSONS.The infant daughter of Dr. Schutz.A blind girl.

IN THE TWENTY-NINTH BURNING, SEVEN PERSONS.The fat noble lady (Edelfrau).A doctor of divinity.

"Strange" men and women, i.e., Protestants, 28 Citizens, apparently all WEALTHY people, 100Summary: Boys, girls, and little children, 34In nineteen months, 162 persons.

"There were," says Wright, "little girls of from seven to ten years of age among the witches, and seven and twenty of them were convicted and burnt," at some of the other brande, or burnings. "The numbers brought to trial in these terrible proceedings were so great, and they were treated with so little consideration, that it was usual not even to take the trouble of setting down their names, but they were cited as the accused No. 1,

No. 2, No. 3, and so on.* The Jesuits took their confessions in private."

What room is there in a theology which exacts such holocausts as these to appease the bloody appetites of its priests for the following gentle words:

"Suffer the little children to come unto me, and forbid them not; for of such is the kingdom of Heaven." "Even so it is not the will of your Father . . . that one of these little ones should perish." "But whoso shall offend one of these little ones which believe in me, it were better for him that a millstone were hanged about his neck and that he were drowned in the depths of the sea."

We sincerely hope that the above words have proved no vain threat to these child-burners. Did this butchery in the name of their Moloch-god prevent these treasure-hunters from resorting to the black art themselves? Not in the least; for in no class were such consulters of "familiar" spirits more numerous than among the clergy during the fifteenth, sixteenth, and seventeenth centuries. True, there were some Catholic priests among the victims, but though these were generally accused of having "been led into practices too dreadful to be described," it was not so. In the twenty-nine burnings above catalogued we find the names of twelve vicars, four canons, and two doctors of divinity burnt alive. But we have only to turn to such works as were published at the time to assure ourselves that each popish priest executed was accused of "damnable heresy," i. e., a tendency to reformation -- a crime more heinous far than sorcery.

We refer those who would learn how the Catholic clergy united duty with pleasure in the matter of exorcisms, revenge, and treasure-hunting, to volume II., chapter i., of W. Howitt's History of the Supernatural. "In the book called Pneumatologia Occulta et Vera, all the forms of adjuration and conjuration were laid down," says this veteran writer. He then proceeds to give a long description of the favorite modus operandi. The Dogme et Rituel de la Haute Magie of the late Eliphas Levi, treated with so much abuse and contempt by des Mousseaux, tells nothing of the weird ceremonies and practices but what was practiced legally and with the tacit if not open consent of the Church, by the priests of the middle ages. The exorcist-priest entered a circle at midnight; he was clad in a new surplice, and had a consecrated band hanging from the neck, covered with sacred characters. He wore on the head a tall pointed cap, on the front of which was written in Hebrew the holy word, Tetragrammaton -- the ineffable name. It was written with a new pen dipped in the blood of a white dove. What the exorcists most yearned after, was to release miserable spirits which haunt spots where hidden treasures lie. The exorcist sprinkles the circle with the blood of a black lamb and a white pigeon. The priest had to adjure the evil spirits of hell -- Acheront, Magoth, Asmodei, Beelzebub, Belial, and all the damned souls, in the mighty names of Jehovah, Adonay, Elohah, and Sabaioth, which latter was the God of Abraham, Isaac, and Jacob, who dwelt in the Urim and Thummim. When the damned souls flung in the face of the exorcist that he was a sinner, and could not get the treasure from them, the priest-sorcerer had to reply that "all his sins were washed out in the blood of Christ,* and he bid them depart as cursed ghosts and damned flies." When the exorcist dislodged them at last, the poor

soul was "comforted in the name of the Saviour, and consigned to the care of good angels," who were less powerful, we must think, than the exorcising Catholic worthies, "and the rescued treasure, of course, was secured for the Church." Church as most favorable for the practice of exorcism; and, if the devils are difficult to drive, a fume of sulphur, assafoetida, bear's gall, and rue is recommended, which, it was presumed, would outstetch even devils."

This is the Church, and this the priesthood, which, in the nineteenth century, pays 5,000 priests to teach the people of the United States the infidelity of science and the infallibility of the Bishop of Rome!

We have already noticed the confession of an eminent prelate that the elimination of Satan from theology would be fatal to the perpetuity of the Church. But this is only partially true. The Prince of Sin would be gone, but sin itself would survive. If the Devil were annihilated, the Articles of Faith and the Bible would remain. In short there would still be a pretended divine revelation, and the necessity for self-assumed inspired interpreters. We must, therefore, consider the authenticity of the Bible itself. We must study its pages, and see if they, indeed, contain the commands of the Deity, or but a compendium of ancient traditions and hoary myths. We must try to interpret them for ourselves -- if possible. As to its pretended interpreters, the only possible assimilation we can find for them in the Bible is to compare them with the man described by the wise King Solomon in his Proverbs, with the perpetrator of these "six things . . . yea seven . . . which doth the Lord hate," and which are an abomination unto Him, to wit: "A proud look, a lying tongue, and hands that shed innocent blood; an heart that deviseth wicked imaginations, feet that be swift in running to mischief; a false witness that speaketh lies, and he that soweth discord among brethren" (Proverbs vi. 16, 17, 18, 19). Of which of these accusations are the long line of men who have left the imprint of their feet in the Vatican guiltless?

"When the demons," says Augustine, "insinuate themselves in the creatures, they begin by conforming themselves to the will of every one. . . . In order to attract men, they begin by seducing them, by simulating obedience. . . . How could one know, had he not been taught by the demons themselves, what they like or what they hate; the name which attracts, or that which forces them into obedience; all this art, in short, of magic, the whole science of the magicians?"*

To this impressive dissertation of the "saint," we will add that no magician has ever denied that he had learned the art from "spirits," whether, being a medium, they acted independently on him, or he had been initiated into the science of "evocation" by his fathers who knew it before himself. But who was it then that taught the exorcist? The priest who clothes himself with an authority not only over the magician, but even over all these "spirits," whom he calls demons and devils as soon as he finds them obeying any one but himself? He must have learned somewhere from some one that power which he pretends to possess. For, ". . . how could one know had he not been taught by the demons themselves . . . the name which attracts, or that which forces them into

obedience?" asks Augustine. “

A very startling bit of information that, when, before arriving at the book of Exodus, we are told in Genesis (xxii. 14) that "Abraham called the name of that place" -- where the patriarch had been preparing to cut the throat of his only-begotten son -- "JEHOVAH-jireh"! (Jehovah sees.) Which is the inspired text? -- both cannot be -- which the forgery?

Now, if both Abraham and Moses had not belonged to the same holy group, we might, perhaps, help theologians by suggesting to them a convenient means of escape out of this dilemma. They ought to call the reverend Jesuit Fathers -- especially those who have been missionaries in India -- to their rescue. The latter would not be for a moment disconcerted. They would coolly tell us that beyond doubt Abraham had heard the name of Jehovah and borrowed it from Moses. Do they not maintain that it was they who invented the Sanscrit, edited Manu, and composed the greater portion of the Vedas? “

Michael Tsarion sticks up for Blavatsky and from looking at this you may see why people would be fooled in doing so. Remember on that King James I was against the Catholics so was he the great FREEDOM man we really needed? Of course not, he controlled his people once again through religion. Were the people ever free? Of course not they were still within the system created originally by the Knights Templars and run since by the Sovereign Military Order of Malta for the Vatican ever since.

Yes, I don't think many Christians would also like to know that he was a Templar Freemason also and he accidentally started the 30 year war through his attempting to solve the problems between the Rosicrucions/Masons/Protestants and the Catholic Church. James' dream was to see the fighting all stop and he meant well mind-you. He was an interesting man of his time for he had one foot in the door to modern times and also he had another foot in the door of the ancient times by his believing in the "Divine Right of Kings." Didn't also Sir Francis Bacon (A Mason) also help edit the King James Bible and get into some trouble for doing something which I cannot recall if it was even

proven true.

Blavaty was brilliant and an advanced mystic but she made one HUGE mistake - she misunderstood the "Mystery of Golgotha" (hint). B)

Also the original Knights of the Templar were the 'good guys' and were betrayed by Philip the Fair and the Pope. The nonsense on the Templar worshipping Bahomet was a lie. King James was a descendant from the Sinclairs' and the Sinclairs' were the founders of Freemasonry.

Retarded spiritual stream:

First Roman Empire (Rome) --- Papacy --- Second Roman Empire (USA: New World Order)

Perverted spiritual stream:

Gnosticism --- Manichaeism --- Catharism --- Templars --- Freemasonry --- New World Order

Legitimate spiritual stream:

Gnostics --- Manichaeans --- Cathars --- Protestant/Mystical groups --- Rosicrucians --- Theosophy/Anthroposophy

Remember that none of these groups like the Rosicrucians, Freemasonry and even Protestant are what they used to be. IF they were, then why did the Freemasons freak out when the Illuminati infiltrated? If the Theosophical society was thr same then why did Steienr completely separate from them and found Anthroposophy? And also how many Protestants today if they read "On the Jews and Their Lies" by Martin Luther would even know who he is? Again, everthing has been infiltrated by the Jesuits and Eric Phelps would even admit that there have been Western Catholics who are acting in better accordance then many so-called Protestants today.

CRAIG-OXLEY - April 9, 2007 02:13 AM (GMT)

We know that China is controlled by Russia and that Russia has been controlled by the Jesuits since the late 19th Century, 1890 to be more precise. Remember on that the Red Chinese are already well upon American soil and their leader is that wicked Francis K. Fong. We must all remember the wonderful work of Sherman Skolnick on this subject and his outing of Hillary Clinton amongst others in this arena. The bankrupt corporation known as the UNITED STATES is controlled by the Trilateral Commission, Council on Foreign Relations and the ROYAL INSTITUTE OF INTERNATIONAL AFFAIRS. At the higher levels this is most obviously one linking into THE CITY within London. London is the Financial capital of the world and mission control for the Sovereign Military of Malta under orders from the Society of Jesus. The City is controlled by the some of the most inner cores of the Sovereign Military of Malta such as the all powerful PILGRIM SOCIETY, Order of the Garter & Committee of 300. The descendant of the most powerful Black Venetian Nobility family the GUELPH's known as Queen Elizabeth II she rules the roost over the United Kingdom for the British division of the SMOM. Her Order of the Garter being a very much feared secret society out to protect the Roman Empire. We see the most powerful King Juan Carlos of Spain that very high SMOM Papal Knight within the Order of the Garter. It seems that the RIIA rule the roost over the States via Wall Street, namely J.P Morgan and Chase and then all these British SIS front's like The Blackstone Group etc. Another powerhouse of theirs is THE ASPEN INSTITUTE within Colorado. Notice how the Queen owns much land within Colorado. In reality the Queen, Pope etc OWN the UNITED STATES lock stock and barrel. The Queen now owns 50% of the U.S Oil Markets. Rothschild has been allowed to take charge/manage THE CITY for the Jesuits who created the BANK OF ENGLAND utilising William of Orange. The Jesuits always use central banks and DEBT to control a nation and

its peoples. These Rothschilds are fully controlled as is the U.K by Stonyhurst College and Wimbledon College JESUITS. Remember the most powerful Jesuit in the U.K is MICHAEL HOLMAN SJ originally from Wimbledon College if I remember correctly but now Stonyhurst since his Provincial status occurred.

Dear Craig,

Great Post.

My only correction is that the Order gained control of the Bank of England with the false report via roost of Wellington losing Waterloo. Stocks plummeted and the Order's Rothschilds were the in London to purchase everything for pennies on the pound.

William of Orange III was a good guy. Without him Britain would have been forced into Romanism via his son-in-law, Jesuit King James II.

Sincerely in faith,

Brother Eric

If we take a look at <http://www.reformation.org/bank-of-england.html> we see they do not favour William of Orange:

"The Bank of England was chartered in 1694 in order to wrest the New World from the mother country and create a RIVAL power to Great Britain. This was to implement the Bull of Pope Alexander VI.

King William III (king from 1688 to 1702) was a moneychanger from Holland. During the reign of Queen Elizabeth I, England spent a huge amount of money helping the Hollanders to throw off the Spanish yoke. Their reward was the Bank of Rome controlled William of Orange.

King William's wife, Queen Mary, died in 1694 the very year that the Bank was chartered. Was it another timely demise like King Henry VII??

The Bank of England's strategy was to completely control the British Government. Then they could apply pressure on the colonies and force them to rebel. Lastly, they would impose a Bank of England type bank on the Colonies. This they did in the year 1791. It was called the Bank of

the "U.S." General Jackson refused to renew the bank charter and it died an unnatural death in 1836. The corrupt bank was re-chartered in 1913 under the name "Federal" Reserve Bank of the U.S"

Title: Martin Scorsese new film and JESUITS

CRAIG-OXLEY - April 9, 2007 01:37 AM (GMT)

hi eric,

I just wanted to let you know that martin scorsese will be directing a film about 2 jesuit priests who travel to 17th century japan under the shogunate regime.there they witness the persecution of japanese christians at the hands of their own government. Well, needless to say the jesuits will be portrayed in a positive light. the movie will be released in 2008.

That figures. I show in VAllI that the Jesuits fomented the revolution against the Shogun and the Emperor for which reason the Order was expelled from 1614 to 1865, the Christian ban being formally lifted in 1873. The Jesuits then massacred the final Samuari warriors in 1877 thanks to American made gattling guns. I cover this also in VAllI. The Jesuits assassinated the young Emperor Komei and then put his young son on the throne in 1868 ruling until 1912. Centralizing power in Tokyo, the Order built its Japanese "Sword of the Church" used in WWII to destroy all the Protestant missions in the Far East, China and the Philippines in particular. Masons Hirohito and FDR worked together through the entire duration of the Crusade in the Far East. All this is covered in VAllI.

I wanted to ask you, during world war 2, millions of polish catholics were killed. could you explain the reason for this? I remember you talked about it on the investigative journal but i don't recall your answer.

The Polish Roman Catholics were firm and committed nationalists. The fought against the Order's Bolsheviks in a Civil War in 1922, winning their independence. This was enraging to the Order so the destruction of Poland's greatest soldiers and leaders was put in motion. In 1939 Coadjutors Hitler and

Stalin invaded and divided Poland, the Gestapo and NKVD working together to bring about the Katyn Massacre---murdering 15,000 Polish officers and policemen, all devoted to the freedom of Poland. When General Zikorski was made aware of this he threatened to expose the plot to the world, that would have broke up the alliance of the Allies. Therefore Poland's greatest hero and patriot was murdered in a plane crash by the British SIS, Kim Philby being behind the plot. In the battle of Warsaw nearing the end of the war, some 200,000 Poles were killed by the Nazis WHILE THE POLAND'S SO-CALLED ALLIES, THE SOVIETS, WAITED A FEW MILES AWAY NEVER LIFTING A FINGER TO HELP!!!!

After the war and with the commencing of the Cold War Hoax, the Order put nationalist Poland under the heel of Jesuit Stalin to further murder Polish nationalists for the next 45 years. As you know, the Roman Hierarchy in Poland worked with the KGB betraying Polish patriots. An archbishop was recently forced to resign when he was EXPOSED as having participated in this betrayal. The man who became PJI also did the same during the Cold War---while backed by the CIA.

Thus, Rome kills her own when fulfilling her devious plans.

keep up the good work

Sincerely in Faith,

Brother Eric

I don't think they where all bad men the early presidents where pretty honest and good. Andrew Jackson, Thomas Jefferson, and James Madison where good presidents.

Note Andrew Jackson kicked out the Jesuit banking cartel.

The problem is not if Lincoln was or not was a Rothschild guy but the real power held by catholic church over the world. Vatican (& Jesuits) killed Lincoln, and they didn't do that to 'save' Americans from the Evil, but, at the opposite, to assure it goes together with the rest of the world, straight in the hands of the 'Devil', the real master of them.

The site

<http://www.spirituallysmart.com/lincoln.htm>

Is EXTRAORDINARY for his documents.

It should be translated in Italian and EVERY conspiracy Italian site should HAVE A LINK on it.... Yes, I admit.....what I am saying is only science-fiction. Just visited today the typical conspiracy Italian sites: my bollocks started to spin at a dangerous speed....

How can I find the words to describe the COWARDICE, the SERVILISM, the INDOLENT and the FEARFUL of the Italian 'conspiracy' sites and the most of the Italian people who are interested to research the real power behind the curtains????

You can hear only stupid and non-sense political chatter filled with "American Imperialism", with apologizes for "Iran which fight the American Imperialism", full with the foam of the hate against every thing which 'smell of America, Democracy, Freedom'.... This stupid and non-sense political chatter is the filthy abortion of the Vatican/Jesuit world, and the midwife was not only the fascism, but also all the "alternative movements" like the movement of the '68, whose marxist/guerillas ideas are spread everywhere in the web like leeches in order to suck the 'blood' of the intelligence in the heads of the italians.

ITALY IS A DEFINITELY LOST COUNTRY, NO ONE AND NOTHING COULD SAVE IT, just let it sink in his narcissist/intellectual hateful foam against 'America' and 'Neocons' which every day secretes . Obviously the 'enlightened' minority secretes it, the majority of Italian people has: no mouth --- no brain.

(Yes, it doesn't fit much with the argument of this topic, but it could render my explosive heart when I discover those information and compare it to the italian situation).

Yes, Lincoln was a Rothschild. He was related to the Springs family which were also related to the Rothschilds. Lincoln was a Rothschild cousin I think. Fritz Springmeier goes into this in his Rothschild chapter.

http://www.theforbiddenknowledge.com/hardt...d_bloodline.htm

QUOTE

The Rothschilds are one of the most well-known of the thirteen families. David J. Smith of Portland was asked to prepare an article on the Rothschilds for this newsletter. His article follows this introduction. Satan's selective breeding program has been continuing down through the ages hidden from the eyes of the public. One of the most powerful Rothschild bloodline families in America are the Springs. The Springs were originally the Springsteins when they came to America in the mid-1700s and settled in NY and NJ. They later changed their name from Springstein to Springs to hide their identity. Leroy Springs was hired by LC. Payseur. Now most Americans have to ask, who is L.C. Payseur? One of the most secret and most powerful families in North America has been the Payseurs. They have been so powerful that they could hide their wealth and power, and use other Satanic families as proxies. The Payseurs are part of the 3rd top Illuminati family. The first Payseur to come to America was the former crown prince of France Daniel Payseur (1785-1860). He came over about 1805 to the U.S. and married Susannah Kiser c. 1814. They had two boys Adam and Jonas (1819-1884). Jonas married Harrietta Smith and they had Lewis Cass Payseur (1850-1939). It was this Lewis Cass Payseur who hired the Rothschild bloodline of the Springs to run a number of the Payseur's companies. The Payseurs were one of the original big railroad families along with Isaac Croom and William H. Beatty. Isaac Croom's wife was a sister of William Beatty's, so the reader can see how all these elite bloodlines intertwine. Remember that LC. Payseur hired Leroy Springs to operate a host of his companies. Leroy Springs' father was A.A. Springs and A.A. Springs was the secret father of Abraham Lincoln.

In 1808, Nancy Hanks, of the lineage of the McAdden Scottish family visited some of her family at Lincolnton, N.C. Nancy Hanks visited the Springs family and that is when A.A. Springs impregnated her, and her child when born was named Abraham Lincoln. Abraham Lincoln's Rothschild blood was kept very secret, but he did grow up to be a famous lawyer, a secret leader of the Rosicrucians, and President of the United States. It is believed from the evidence that the establishment conspiracy concocted the person of Thomas Lincoln out of thin air. The actual early history of Abraham Lincoln is shrouded in myth and mystery, and as one encyclopedia puts it, "We know little about the family of his mother, Nancy Hanks Lincoln." While a lawyer, Abraham Lincoln had a sexual liaison with Elizabeth who was the illegitimate daughter of German King Leopold, who is also of elite blood lineage. Abraham Lincoln and Elizabeth had two twin daughters Ella and Emily in 1856 who were adopted out. Lincoln in fact had a fairly large number of illegitimate children. Now A. A. Springs, who was both the biological father of Leroy Springs and Abraham Lincoln left an enormous amount of land in what is now Huntsville, AL to his son Abraham Lincoln. Huntsville, AL by the way has become a hotbed of NWO activity. Some of the mind-control research the intelligence community has been conducting has been done at Huntsville.

The Rothschilds even named one of their boys after Abraham Lincoln, his name was Lincoln Rothschild.

Although Abraham Lincoln secretly had powerful occult blood, he was a great man in his own right. And just like JFK, he had the strength of personality to refuse to bow to the Illuminati's instructions. Lincoln refused to go the path that his distant European International Banking Rothschild relatives wanted for the United States. The Illuminati goal had been to split the U.S. into two easier to control nations. And just as with JFK, who also came from a top 13 family, a large scale conspiracy involving many government officials including the Secretary of Defense was put into place to assassinate Lincoln. There are numerous indications that show that the Rothschilds were in part behind the assassination of Lincoln. Some of the men who worked for the Payseurs of the 13th top family were Andrew Carnegie, J.P. Morgan, the Vanderbilts, Giftord Pinnchot, and John D Rockefeller. These men were selected to run Payseur companies because they belonged to the satanic elite. The Leroy Springs family got Payseur family companies in the early 1920s. It was Leroy that managed to get the Rothschild's involved with the Federal Reserve. Two companies that have come out of the Payseur's old Lancaster Manufacturing Co. ins Weyerhaeuser and Crown-Zellerbach. I have long know these were companies tied to the elite, but it wasn't until i found the secret Payseur family at the very top of these companies that I really understood the full story. The Payseurs have gone to extreme lengths to corrupt government documents, such as courthouse records. They have hidden the births of many of their descendants, and have covered over with extreme secrecy most of their monetary holdings.

There is a book called Pandora's Box which also talks about Lincoln's Rothschild blood. However, they also say that Mary Todd Lincoln shot Abe. Supposedly, Lincoln confided to a rabbi that he believed he himself was of jewish blood.

QUOTE

Little has been published about the early life of Abraham Lincoln. However, during a search of some old property records and will in a small courthouse in central North Carolina, Alex Christopher the author of "Pandora's Box", found the will of one A.A. Springs in an old will book dated around 1840. Upon reading the will he was shocked and amazed at the secret it disclosed. But the fact is that wills, even though classified as public records the same as property and corporation records, are rarely combed through as he was doing. These documents can hold dark secrets hidden from public view and never uncovered because few research these old records.

Thus secrets are hidden in public view so that when accused of concealing the records, bureaucracy can reply "It was on public record in plan view for any and all to find."

The will of the late A.A. Springs lists his property and to whom the beneficiaries who included his children. Mr. Christopher and others were looking to find what railroads and banks this man might have owned and left to his son Leroy Springs. He didn't find anything like that, but he did find the prize of the century. On the bottom of page three of four pages was a paragraph where the father, A.A. Springs, left to his son an enormous amount of land in the state of Alabama which is now known as Huntsville, Alabama. At first Mr. Christopher and his colleagues could not believe what their eyes, because the name of his son was "ABRAHAM LINCOLN"!

This new information added to what they had already learned about the Springs, whose real name was Springstein, was one more twist to this already enigmatic family. This unexpected knowledge about Lincoln set their hearts on fire to see what further secrets this new lead might disclose. Because everything they had so far found in the railroad and banking saga had been really mind-opening, they figured this one would be the same. So they investigated the local archives and historical records on families and found a reference to one Abraham Lincoln in a published genealogy of a Carolina family by the name of McAdden. This genealogy was a limited edition of the type once found in the public libraries. The section on Lincoln resembled the following form of words:

"In the late spring of the year of 1808 Nancy Hanks, who was of the family lineage of McAdden was visiting some of her family in the community of Lincolnton, North Carolina. During her stay in the Carolina's, she

visited many neighboring families she had known for many years; one such was the Springs family. The sordid details had been omitted but obviously the young Nancy Hanks had found herself in a compromised position and was forced to succumb to the lust of A.A. Springs. She became pregnant as a result. There were no details of a love affair or an act of violence on a helpless female. Abraham Lincoln was the result of that act, which leads one to wonder if the name Lincoln was real or fabricated from the area of conception which was Lincoln. Was there really a Thomas Lincoln? Since the Springs were of the race that called themselves "Jewish," Lincoln was part Jewish and as part of the Springs family, he also became a relative of the Rothschild family by blood."

The Forbidden Knowledge also talks about Rothschild blood in Lincoln's veins when they go through the similarities between Abe and JFK. They quote Pandora's Box by Alex Christopher.

(From the post of Antisionist).

But the answer is: are Illuminati so naive that they don't recognize in a man of their inner circle a potential "enemy within" - like Abraham Lincoln? And then they put him on power against their interests?

The problem repeated itself with JFK, a century later (but the assassination of a 'Catholic' president could sound like a martyrdom of the RC Church and the consequent assumption of new alibies to continue the NWO; in fact JFK was killed like a 'catholic' missionary between 'heretics'. At the opposite, ask yourself: after the killing of JFK, how many 'heretics' who putted trust and hope in him - is this the real reason for which he was so "anti-system"? - looked then tho the RC Church - rappedresented in USA by him - with not so critic eyes as they usually did before his election and "martyrdom"?

Maybe this was not the case of Abraham Lincoln, maybe he was killed because there was a war inside the Illuminati: the Rotschild could have tried to keep the score in front of their Babilonian/Chatolic/Jesuits spiritual controllers, and the assassination of A. Lincoln was an episode in that possible Illuminati/Gangsters war).

Or maybe they don't care too much about certain 'surprise' about their puppets on the power. Maybe they need people with a strong character and honesty, they use them because only a leader with a true carisma could move a population. Maybe Lincoln was a test, i.e. they tested - using a sincere and honest anti-Catholic and anti-Jesuit - how much Americans could follow him.... This tactic is often used in war,.... Just provoke the enemy with a pair of gunshot,.... see how he reacts.... and then prepare your future definitive attack.

They have all the time they want, they are coming from Babilonia, and Atlantide etc. If you want you can read between the lines their contacts with the 'others', Aliens or intra-terrestrial entity, call them as you want.

In any case, Rotschild or not Rotschild, I am proud to have translated in Italian (I think this happens for the first time in Italian language on a Italian site) the TRUE history of the assassination of A.Lincoln and the Jesuit/Vatican hands which moved the killer and the conspirators, on my blog (now inserviceable):

Rothschild isn't the most wealthiest banker on the planet but he has been given the head position to oversea all the banking and he's a keeper of the Vatican Treasury as explained in the Judiac Encylopedia. Theres many Italian Black Nobility familes mostly tied in with the old Venetian area who obliterate Rothschild in power and wealth. Rothschild and the Khazar fake jews simply accepted rule by the Pope and Norman Anglo Saxon's as long as they were given power over Banking and the Talmudic system was put in place. you should study the time of 1066. Once Freemasonry was joined it has been ruled ever since by the Jesuits, Vatican and their powerful SMOM known to most as the White Brotherhood. Title: Webster Tarpley is a Temporal Coadjutor

CRAIG-OXLEY - April 4, 2007 02:54 PM (GMT)

Dear Robert,

Webster Tarpley is an obvious coadjutor. As you know, he denies any Jesuit involvement in the Gunpowder Plot of 1605. We might as well deny the existence of light and darkness.

Concerning the Reformation, it was the work of the risen Lord Jesus Christ in breaking the spiritual and temporal power of the Pope that had enslaved Europe for 1000 years. Do you value freedom of conscience and freedom of the press? Then you must give thanks for the Reformation that secured these rights for you against the work and power of the Jesuits to overthrow them---as in the Patriot Act written at Georgetown Jesuit University.

The Zionists. Which of the four kinds of Zionists are you referring to? Labor Zionists? Revisionist Zionists? Orthodox/Talmudic Zionists or Biblical Christian Zionists---of which I am one? They are not all the same. And as I prove in VAlll, Labor Zionism is a work of the Jesuits first really advocated by their great avenger, Napoleon I. Labor Zionism has always been a creature of Rome. Thus, the Jesuits are the great protectors and defenders of Labor Zionism via the Pope's Knights of Malta, papal court Jews like Louis M. Bloomfield and Louis Lehrman of Rite Aide.

So please spare me the anti-Reformation rhetoric unless you want to return to the Pope's Dark Ages---the Jesuit Order's "New Age" fathered by the Jesuit Tielhard De Chardin.

Sincerely in Faith,

Brother Eric

Dear Axxxx,

I will have to review these sites. If Mr. Tarpley really blames the Jesuits for the Gunpowder Plot then he has changed his tune. My question is why? In his book on Bush 41 he never reveals that he was trained by Jesuits at Stonyhurst College in England before entering Yale and is a Knight of Malta along with his brother, Prescott. WHY? To regain credibility with me, Mr. Tarpley had better be blaming the Jesuits as the masters of the NWO to be centered in their Kingdom of Jerusalem.

Sincerely in Faith,

Title: Jesuit Link to Al Gore

Mark Brewer - December 6, 2006 02:29 AM (GMT)

"An obscure Jesuit priest and paleontologist named Pierre Teilhard de Chardin, whose quirky philosophy points, oddly, right into cyberspace.

Teilhard de Chardin finds allies among those searching for grains of spiritual truth in a secular universe. As Mario Cuomo put it, 'Teilhard made negativism a sin. He taught us how the whole universe - even pain and imperfection - is sacred.' Marshall McLuhan turned to Teilhard as a source of divine insight in *The Gutenberg Galaxy*, his classic analysis of Western culture's descent into a profane world. **Al Gore, in his book *Earth in the Balance*, argues that Teilhard helps us understand the importance of faith in the future. 'Armed with such faith,' Gore writes, 'we might find it possible to resanctify the earth, identify it as God's creation, and accept our responsibility to protect and defend it.'**"

No TOM HENEGHAN doesn't work for Al-Gore by Tom Heneghan knows that Al-Gore is the Duly Un-Elected President of the United States. Al-Gore has deep bloodline roots and if I remember correctly at the time it was claimed more than G.W Bush? Anyhow both are high level Masonics and both have their agendas to play out. Bush is about War and out and out destruction of the constitution which the Maltese Jesuits have always desired. Gore is to promote global death with the environment etc to bring the world under unity against the destruction. So go check out Iron Mountain Report and you'll see what Gore is up to. Remember on that the Bush family did try to assassinate Al Gore over a U.S City whilst he was in a plane, just the usual method like Senator Wellstone of course.

ha. speaking of vampires and hemophiliacs, I just saw a movie called "Queen of Blood". It was produced in **1966** --before the iron mt reports-- and dennis hopper was one of the starring actors. Ever seen it? the movie starts saying something like " the year is 1990, the problem of travelling to the moon, has been solved for many years(as this quote is narrated in the film, a picture of moon is shown with a blue-ligghted halo-type ring/ barrier), space stations have been set on the moon, but the moon is a dead world, and does life exist on other planets?" so they search for life on mars and venus. i thought that part was interesting

but the astronauts pick up a woman from mars who ends up being a vampire with green blood. a crew member scratches the vampire in a scuffle, and the vampire dies b.c. it has extremely thin blood.

oh yeah, i think they took a shperical spacecraft to mars, rather than a shuttle. its was funny to watch a movie from '66 that depicted 'the future'--90s was my childhood. i dont watch lots of movies, definitely not old ones like that, so it was amusing.

Then I was on Hufschmid's site looking at his essay on the 'truth' about global warming and how he is not buying it.

<http://www.erichufschmid.net/Global-warmin...al-warming.html>

QUOTE

Why trust liars about Global Warming?

Some of the news reporters and government officials who lied about 9/11 are now telling us that global warming is a problem, and they are telling us what the solution should be. As with 9/11, they are not encouraging any discussion.

On 25 February 2007, the mysterious group of people who give Oscar awards decided to promote Al Gore's documentary on global warming.

The evidence suggests that Al Gore, Hillary Clinton, Barak Obama, and virtually every other government official who is given publicity and funding are puppets of the Zionist crime network that is often referred to as the New World Order or the Illuminati.

We would be fools if we did not consider the possibility that this same criminal network helped create Al Gore's documentary, and that they are now promoting it because it proposes solutions that benefit their crime network.

Who in the British government is trying to push Al Gore's documentary on British schoolchildren? Take a look at [this](#) report, or [this](#).

Now, we all know that Gore is in hard opposition to Hilary as Tom Heneghan and Lenny Bloom have shown. Hufschmid is ignorant or he is covering for someone. But the last two sentences stuck with me and made me do a double take. Why is his film being promoted by people in the British government? Ain't Gore an enemy of the Bush-Clinton gang who are friendly to Queen Guelph Elizabeth and her ilk?

CRAIG-OXLEY - April 7, 2007 12:25 AM (GMT)

Remember this Chardin Jesuit was the promoter of the fraud known as the

Pitldown Man. He also endorsed a Universal Christ!

Daniel - April 7, 2007 02:44 AM (GMT)

The polmics between Gore and Bush are nothing less than the CFR. Stew Webb is an idiot and I got enough dirt on this punk to be sure enough that I do not trust him, period. Now I mentioned on another thread about how we need not allow our weekend be ruined by C&D being hacked, or claims of a nuke attack etc. But look at what old AJ has on his site: http://infowars.com/articles/ww3/iran_us_a...pril_07_end.htm You see folks, it's really nothing new here and now we are supposed to trust Kuwait newspapers also? I see a pattern of fear-mongering and I'll be damned if I allow these clowns to make the END of April the next stressful days to await more doom! I say Humbug! I'm not suggesting that we ignore major threats but let's be looking into who is telling us about these threats, shall we?

I'm a real fast learner. I think I might already know a small pattern for this Jesuit style of disinfo. Very crafty indeed. I think is vital we be stopping this massive confusion from circulating across the internet.

Regarding these Jesuit Temporals, Cowards and Ignorants:

First they support the truth - the Jesuits are in control etc but give very little specific information for any serious researcher to go on.

Second they mix in names of the lower-level bad guys like George W. Bush, Richard Cheney, John Ashcroft, Judge Roach, George H. W. Bush, etc and they combine it with truthsayers such like: Tim White, Ted L. Gunderson, Hilder, and John DeCamp etc. Ted is not what Stew Web and Heneghan say he is!

And third, they tell us who "the hero's" are by including names like Eric Phelps and (Sherman Skolnick - possibly only to appease the older listeners of C&D and also because Bloom may be a decent fellow) But Heneghan and Webb give lip service to Sherman Skolnick on C&D, they way that George Noorey gives it to the late Father Malikai Martin - a good Catholic who was brutally murdered.

Now from what I have read of Sherman Skolnick so far, I have to say that he was an honest man in every way and I am pleased that he is help in high regard. I do apologize if my words are now sounding hasty - but I learn alot this way.

Forthly, they mix in liars who do nothing much to support the real truth like Mike Ruppert and Barb Hartwell, Webb with those forementioned truthsayers to confuse the heck out of even the brightest of researchers! Ironically, these people (Webb) are in a way, shooting themselves in the foot because they also tell us who the real good-guys are. I started looking for this missing link just last week, and I will not accept or fall prey

to people like Eric May either. God Bless Eric Phelps, you AntiSinonist and Craig and the others for bringing this to my attention, as I would have fallen prey to this guy! Until May repents or answers honestly, I will not trust him at all!

C&D praises Sherman Skolnick by using buzz-terms. They have this annoying French Theme also. I leave it to you all to decide how it may compare to AJ;s buzz terms. They pay lip service to Sherman Skolnick (now deceased), yet both WEBB and HENEGHAN always derail everything over to their own Bush-Clinton Crime Cabal, while Bloom just sits there saying very little.

As I made mention early, very first time I heard Tom Heneghan speak, although impressive at first listening, I quickly disliked the ease at which his so-called knowledge just flew from his lips - it's as if his very words are all mechanically planted there to impress people - like he was all-knowing. Craig, please do not get caught up in the phoney polemics and dieletrics between Gore vs. Bush. The bad guys know this trick all too well and so they love to create these silly beef's that lead us all no-where. Even "The Last Circle" itself was designed to discredit Ted Gunderson -amazing at all those faked documents on Stew Webbs website. Also, so is Art Bell a fiend and EXPOSED liar by William Cooper and look who Art Bell attacked? It was none other than Ted L Gunderson! Do you all see a pattern here?

I've been listening to some C&D shows and it seems when we go back in the internet archives and take a look at how corny and "non-serious" his SPY website was at the beginning,

<http://web.archive.org/web/20020802075821/...akanddagger.ca/> Despite this, I do support Bloom ONLY because he allows on truthsayers like Eric Phelps and others. I take back my earlier critics on Bloom and leave it up to the future.

Now folks, where else do we see this face of Gore planted everywhere other than with Webb and Heneghan? Why doesn't Bloom say "enough of the Gore supporting"? My guess is that Heneghan and Webb are agents for sure.

I slept on something last night regarding Stew Webb. In that video called Terror in America when Webb claims he was approached by shadow agents, he mentioned something about them asking him to allow the left hand to keep an eye on the right hand etc. How ironic that the whole theme of his regards "left and right" (Gore vs Bush) - but I think that it has nothing to do with left and right party's - for we know the CFR already does that. I think it was referring to the left hand of God keeping an eye on the right hand of God! Thus confirming to me that they play both sides and that Webb poses as a good guy and thus the left (EVIL) hand keeps an eye over the right (GOOD) hand. You know the restraining order that Webb has up on his page? Well, he even spells the names wrong! See below:

Now, we all know that Gore is in hard opposition to Hilary as Tom Heneghan and Lenny Bloom have shown. Hufschmid is ignorant or he is covering for someone. But the last two sentences stuck with me and made me do a double take. Why is his film being promoted by people in the British government? Ain't Gore an enemy of the Bush-Clinton gang who are friendly to Queen Guelph Elizabeth and her ilk?

I think Hufschmid is honest and simply mistaken about who's at the top. Daryl and Hufschmid are characters and I do not think they have any hidden agendas. I put them into the "ignorant" category. But for the polemics between Gore and Bush? I think Hufschmid is correct in lumping them all together.

Tim White Denver, Colorado,
This Cross Dresser was busted last year by Denver Police for growing
60 pot plants in his back yard.

The police found all sorts of cross dressing materials.

**His Lover claims he dressed as a female while having sex,
and was using Dildo's on himself.**

He is know in "Denver as Denver little cutie".

He was release from Denver jails after six months,
he reported and still does to Denver Police and Denver FBI Tom Fisher
and an Arapaho County Sheriff, giving the names of all the Patriots
in Colorado in exchange for his freedom.

He has Lied to Denver Police and FBI about myself Stew Webb,

Whistleblower Barbara Hartwell. (<http://web.archive.org/web/20031003215712/http://www.barbarahartwell.com/>)

Barbara has posted on her web-site lots of articles in relation to the Denver connections.
In these article you will see who this clown really is.
He has further been in communications with Patriot spy Ted Gunderson, and Bush Crime Family member Leonard Millman.
He will tell them anything they want to hear.
He is know for extortion.

When I get time I will write a detailed report on Tim White.

I think you catch my drift...

I can take you through it all step by step but last time I wasted time doing this with Zagami's certificates you told me to stop wasting time.

How about I do that now and tell you that some truths are self-evident when you consider the manner in whcih Stew goes out of his way to slander and libel others, including falsifying restraining orders, and faking documents of Ted Gunderson selling rockets to Terrorists etc. Do you really Think that Tim White is a cross dresser who liked to share the fact that he has dildo's up his butt?

I know how you must feel hearing me say this but thank God I never fell for them earlier. Anyone who pulls these kinds of antics like Webb does, hanging out with that Mind-controlled freak named Baraba Hartwell are to be discredited almost 100%.

On another issue: I would say that even if you go to allwhois.com and put in cloakanddagger.de and you will find that it shows a connect error message. This is a sure sign of intellegence gathering. Not saying that other websites are not, but this is one sure dead give-away. Again, Blom is good because he gives airtime. Even the website is setup with silly icons all the way along the right-hand side of the screen to waste space. I listened to that interview with Webb and Levay's son and I knew it was rubbish.

But Webb, is dangerous to the truth movement and I think he needs to stop having our attention Craig. I think Leo Zagami would be FAR better person to listen to then Webb and Henghan but it's up to you Craig. I'm just looking out for us all.

Daniel

CRAIG-OXLEY - April 7, 2007 10:56 PM (GMT)

On the subject of cretin Ted Gunderson we shall speak right now. Do you honestly think a person of his level within the dreaded F.B.I Division #5 controlled by the Defense Industrial Security Command (by the way I TELL YOU THAT, Webb etc don't speak of them) is clean of these people? HELL NO! Only an idiot would believe he is. Ted Gunderson is simply sheep dipped meaning he still has all his old powers behind the scenes and if he wanted to come forward again and the DISC wanted him then he would be straight back. You never get away from these groups my friend and if you do. He's simply doing just as Webb tells you whilst being allowed to say what he's said and NOTHING more. Almost all the people on the internet are agents of Rome and its Crown. The only thing we can do is utilise them all, listen, store and recall then TRY to piece the puzzle together. If the likes of Gunderson were on our side fully they would be in a wooden box by now. William Cooper could not be compromised and wheres he? Phil Schneider? Jim Arrabito? Alberto Rivera? Fritz Springmeier? Ernst Zundel? Gary Webb, Brian Downing Quig? THERE EITHER IN A WOODEN BOX, DEAD OR THEIR IN JAIL FITTED UP!!!!!!!!!! So yes Tom Heneghan is an agent, Stewart Webb is an agent they all are almost but they all have some important things to say which help us along. I will tell you that even Greg Szymanski is an agent. He now goes on about Wanta in favour of his new buddie V.K Durham well folks their both stooges and Durham is very much a Bushite behind the scenes. So theres two more sh**s! Leo Zagami is the same he's still controlled regardless what he may claim. You will ONLY hear what the Order wishes you to hear. If he steps out of line then he's going to see the CUP OF BORGIA period! **I believe Eric Phelps, Alan Watts, Barry Chamish to be about the only genuine people of known name left.**

I believe Eric Phelps, Alan Watts, Barry Chamish to be about the only genuine people of known name left.

Agreed.

I am suspicious of:

Ted Gunderson
Leo Zagami
Greg Szymanski
David Icke

and several others.

Could Leo Zagami be one of few to get the hell away and the Vatican thus converting to Islam and could Ted be an honest man after all? Are there any honest FBI who may even made a mistake about J Edgar Hoover? I dunno, but I cannot call them agents just yet. Remember that Greg's show was cancelled and that tells you something and Greg seems to have become really aggressive in exposing the Jesuits lately. Sherman Skolnick was murdered after he started to expose more on the Jesuits also wasn't he? So may be Greg Szymanski is not so bad?

Daniel

CRAIG-OXLEY - April 7, 2007 11:43 PM (GMT)

Sorry there's simply no proof that Sherman Skolnick was murdered. It was quite possible with the drugs they were SUPPOSEDLY giving him but alas no proof has ever come forth and Skolnick was an ill man and getting on in age also. This would also be a good cover if they did murder him. I doubt Skolnick being killed for speaking of the Jesuits seeing as Eric Phelps and others have been doing the same. Skolnick was right in the mix with the court cases and knowledge which can cause serious complications. Knowing that the Jesuits rule the roost from the top really means nothing these days as they have full lock-down control so they don't care. When you can get in the way of a large court case etc then this believe or not is more dangerous to them. They know most people will never believe the Jesuits, Illuminati and so forth and also there's plenty of their Roman agents out there to divert people's thinking. David Icke is well over hyped and both Michael Tsarion and ALAN WATTS destroy him hands down. Leo Zagami will never be for real 100% the Vatican could have him executed at the blink of an eye. The Vatican is the most powerful human force on this planet and has been for centuries. They can destroy a country with the blink of an eye if they wish and they've done this utilising their Holy Roman 14th Amendment United States Empire as the strongarm and BULLY boy, yet another front to take the blame whilst the LONG ROBES laugh in the smokescreen.

Daniel - April 8, 2007 12:18 AM (GMT)

I agree on Sherman.

As for Leo Zagami, they have done much to Leo already and his family have in some ways helped him out. I think it is a valid assumption that the Vatican could assassinate anyone they so choose but I also think that Leo is safer now than he has been since going fully public. When I recall what Bill Colby told DeCamp about writing a book to stay alive, I also recall Leo mentioning how they

- a) imprisoned him
- b.) tortured him (beating, sleep deprivations etc)
- c) threatened to take his children
- d) breaking into his home
- e) cancelling his old website
- f) constantly asking Leo to forget and to forgive
- g) begging him to be bought out etc.

After Leo went more public on talk radio, they tried to win him back over and offered him money and are still offering him a position at the United Nations Rotary Club etc. They are very upset with Leo, dear Craig and I recall Leo was mentioned that "I'm no Saint" and "I will defend myself from them" because "I know how they operate" etc.

Leo once mentioned that he is holding back some other information which he says are in good hands - almost like blackmail but I could be reading into this part too much. Either way, Leo does appear legit to me and even Alberto Rivera was left alive for many years to teach truth before they finally poisoned him.

Hopefully we do not have to wait for all the truthseekers to be dead in order to trust them. I see no reason to distrust Leo, unless someone can do some good digging and find him:

- Lying about others (slandering libel like Webb does)
- Mis-spelling official documents (like Stew does)
- making claims which he cannot back up with names dates and places (like Webb)

Even though Ted Gunderson may have been FBI, so was Rivera a JESUIT and that does not mean that Gunderson still works for them. This is an accusation of Webb and an assumption he hopes we shall buy into. Recall the conversation between Ted and Stew? That hard to hear recording sounded like Webb was trying to setup Ted to say something which he could use in court. Ted was honest and even said "those are all lies and you know they are all lies" and "I'm not threatening you". If Ted was really so dirty, he would not be contacting Stew Webb and telling him off for lying. Ted did what I would do. Why would he say to just ONE on ONE "you know those are lies"? If Ted knew they were true, he would avoid saying this over the phone altogether.

What are my suspicions of Gunderson? His inability to focuss on the Jesuits and also his ideas about J Edgar Hoover etc. This is where I would be looking.

Gunderson is a threat to the bad guys because he aided in opening up a huge can of worms over those court cases of child abuse and Satanism along with DeCamp and others. It makes sense to be seeing all those "Ted Gunderson Dump Sites" and Ted Gunderson is a Satanist and he married a Satanist and sold rockets of all sorts to Bin Ladan and is friends with Cross-dresser and dildo-man Tim White etc. These claims are made by the same people from Webb and Hartwell and others and until I see more evidence on Ted coming from more legitamite sources other than WEBB, I cannot call him a member of Division 5, anymore Craig.

Daniel

CRAIG-OXLEY - April 8, 2007 04:44 PM (GMT)

Well your answers would be in HILLARY CLINTON about Ted Gunderson. I wouldn't trust him at all. He makes out that he removed himself from FBI Div 5 when he realised what they were about. Well then he was the HEAD of this for some time so why did it take so long to realise what div #5 was all about? They are one of the most devious dodgy bully groups in the United States. Its all bunkum my friend. Alan Watts and the lady who speaks to him, sum all this up perfectly in the David Icke is a mason MP3.

My friend William Cooper was public, Gary Webb was public and many others and their in a wooden box. How do we know that Leo has been harrassed along with his family? I could tell you tomorrow that 2 british SIS agents knocked my door and threatened to kill me but it wouldn't be true or I hope not haha.

You may find Alberto was still under certain conditions and when he over stepped the mark they whacked him off as with Malachi who was most definately controlled still by the Order. What did Rivera do to the people or try? Convert them to yet another bogus religion instead of Catholims it was now Protestantism. You have Leo doing the same this time its Rome's ISLAM Venus worship religion. Beware of anyone trying to make you religious or promoting religion, its a GATEKEEPER to a truely free thinking mind. No longer will you be trapped from trying or listening to something just because Jesus says this or the bible says its Satan.

Description: *P.S & G.H.W BUSH BOTH JESUIT SHORT ROBES*

CRAIG-OXLEY - April 6, 2007 10:02 PM (GMT)

Dear Brother Eric,

Yes, by the grace of God I am here keeping busy finishing up my last college semester strong spiritually, mentally, and physically (I covet your prayers dear brother on this matter) still researching and Lord willing within the year I will have written most if not all of a book of my own entitled "American Reich" In this book, I am going after what I call this nation's "golden calves" and expose their connection to the Jesuits like FDR, Communist Michael King, Ronald Reagan, Billy Graham, William J. Clinton SJ, Al Gore etc.)(who cites in his book Jesuit Teilhard de Chardin father of the New Age Movement inspired his view that the earth is sacred which is why he is propagating his version of the "inconvenient truth" of global warming-this nominal Southern Baptist and member of the Lodge just like the leadership of the apostate SBC) all of these men Masonic (I have read that Martin (Michael) King was made a Mason by sight and I wouldn't doubt it.) Is it possible you could send me a copy of VAIII? I support all the work you are doing and when I earn enough money I promise to pay you back because I believe in our cause very strongly and want to contribute financial support as well as research. I believe that it is part of the cause of Christ to wake up the saints and warn the lost about the mystery of iniquity of 2 Thess. 2 and reprovng the works of darkness as we are commanded to do. This is NO time to be complacent (sadly many of our brethren are due to Jesuit Arminianism) for we live in perilous times and we must stand in the evil day having put on the whole armor of God of Ephesians 6. I am searching for very telling photos and have found (some I know you'd be interested in) like one

showing Masonic honorary SMOM that traitor Ronald Reagan saluting Satan at the 1984 Presidential Convention alongside Masonic SMOM Bush Sr. that show the intrigue of the Luciferian Society of Satan in the U.S. how they infiltrated our country's politics both Democratic and Republican parties including the SMOM Masonic Luciferian pseudo-"Christian" Religious New Right led by the modern day Pharisees and Sadducees Freemasons, Knights of Malta, and other members of secret societies tied to the Jesuit Order at the top, how they dictate our foreign policy through the CFR and how they control and have perverted nearly every avenue of American life from the home and family, economy, education (their claim to fame) entertainment, they benefit from false religion, and they have conspired against all Americans especially saved born again Bible believing Christians and the descendants of Abraham, Isaac, and Jacob who have enjoyed religious freedom and in turn our nation has prospered because it has blessed them pursuant to the everlasting Abrahamic covenant of Genesis 12. I believe based on my study of the AV 1611 King James Bible that the existence of the Jew is one of many infallible proofs of the existence of God. Indeed, we do not have much time to be watchmen standing at the gate sounding our voices as trumpets proclaiming the gospel of the grace of God in these final days of the Church Age. 2011 will be 400 years since the AV 1611 King James Bible was published. 400 years of silence the Inter-Testamental period preceded the First Advent of our Lord Jesus Christ. Perhaps, (this is just a theory) 400 years of preaching the pure and wholesome inspired Hebrew Masoretic text and Greek Textus Receptus words of God preserved in the AV1611 which produced genuine biblical revival and conversions to Christ will herald his glorious appearing and revelation to his enemies at Armageddon.

Religious freedom has proven to be both a blessing and a curse in that those who fled religious persecution found refuge here, but the Jesuits after having been expelled from Europe set their sights on colonial America plotting to destroy it from the very beginning and make it their home. Religious freedom if it had been conditioned on rejection of Papal temporal and spiritual power (which had not been recognized here) [praise God!] this country would have taken immediate action to expel them. The Jesuits exploited America's ideal of religious freedom intending to destroy Washington's Constitutional Republic which they did with the illegal passing of the Fourteenth Amendment. May the Lord bless you and yours brother! He is risen and this is the greatest fact to rejoice in everyday He blesses us with.

Japan city opens first 'baby bin'

By Harumi Ozawa in Tokyo

April 05, 2007

<http://www.news.com.au/story/0,23599,21513100-1702,00.html>

A JAPANESE city has approved plans for the country's first "baby hatch", where parents can drop off unwanted infants anonymously, defying opposition from the conservative Premier.

Advocates say the baby hatch, if it becomes a trend, could help boost the birth rate in Japan, where abortion is widely accepted and adoption outside of extended families is rare.

A Roman Catholic hospital in Kumamoto, a provincial city in southern Japan, in December sought official approval of the system modelled on the "Babyklappe" in use in Germany.

"We have approved the plan by the hospital," Mayor Seishi Koyama said today.

"There is no legal basis to say that a baby hatch violates any relevant laws.

"We will make our utmost efforts to make sure it is not simple just to leave babies at the baby hatch," Mr Koyama said, adding that the city would consult with the Government on its operation.

Prime Minister Shinzo Abe, who has campaigned for Japan to return to "family values," has publicly opposed the plan, although his Government found no legal grounds to block it.

Abe argued that the baby hatch would discourage parental responsibility.

"I personally don't think it's permissible for a father or mother to abandon a baby anonymously. The Government will not allow this to become the general norm," Mr Abe said after the decision.

The baby hatch at the Jikei Hospital in Kumamoto would be called "the cradle of storks" and set up in the lobby like a postbox, according to hospital officials.

The cradle is equipped with a warmer and an alarm that goes off when a baby is deposited.

The Catholic hospital would then arrange care for the children.

But Yasuhisa Shiozaki, the Government's top spokesman and Mr Abe's right-hand man, said that "in principle no parent should abandon a child".

"It is important that parents be responsible for raising their children while the Government supports those with difficulties or in special circumstances through measures such as providing thorough counselling services," he said.

But Taiji Hasuda, director of Jikei Hospital, urged Mr Shiozaki and top Government officials to be more aware of the reality.

"I want national leaders to have strong feelings about people's lives," he said, adding that the hatch will be set up within the month.

Kumamoto prefecture's Governor, Yoshiko Shiotani, said she backed the city's move, saying: "The hospital hoped to set it up because of its desire to save babies' lives.

"I hope people understand the urgent background behind the hospital's move.

"This is a last resort and not for casually leaving babies," she said.

The system, said to be common in medieval Europe, was revived in 1996 by a Christian group in Germany.

Japan's population has been shrinking since 2005 as more young people choose to put off marriage.

Out-of-wedlock births are mostly taboo in Japan.

In 1955, abortions nearly matched the number of live births in Japan but the rate has gradually declined, in particular since 1999 when Japan became the last major developed country to allow birth control pills.

The number of abortions now hovers around 21 per cent of pregnancies, in line with Western countries.

Title: Joining Jesuits and KOC?

Description: *Conversation with a KOC*

Daniel - April 5, 2007 04:15 AM (GMT)

Today while at work, my aging friend revealed to me that he was a KOC. We were discussing the contaminated pet food and I mentioned that Queen-Bitch Quelp and the KOC somehow got brought up.

My friend says that he's been a member of the KOC for many years. I believe Bush is also a KOC, is this correct? But certainly, there are differnt levels for the KOC, correct?

Now this also got me thinking about the Jesuits. For example, many people can be educated in a Jesuit school and graduate but they are not Jesuits. Also, a person can sign up to the Jesuit of KOC but where would this place them on the scale? I once read that in order to become a Jesuit one must first be ordained as a Catholic Priest for many years.

Guys, would you know what the difference is between the typical KOC and the one that Bush is part of?

Daniel

smashstuff - April 5, 2007 05:33 AM (GMT)

Just like the Jesuits, there are four degrees in the Knights of Columbus. Funny that! A lot of Catholics see the K.O.C. as like masonry for Catholics. Jeb Bush is supposedly a 3rd degree Knight. Whenever you hear 'knight' or 'order', odds are it's masonic! The fourth degree emblem is strikingly similar to that vile creature Benny Hinn's logo, the dove and the earth (war on terra?) indicating that they are both working for the Jesuits. Note that there are EIGHT points on the red cross, indicating once again the Saturnalian Cult. It can be interpreted if you like as Chris Columbus(as the dove) coming to the Americas.

K.O.C. Fourth Degree Emblem

http://www.jesus-is-savior.com/False%20Rel...of_columbus.htm

Daniel - April 5, 2007 05:43 AM (GMT)

Thanks. Are there also very basic levels of KOC below the 4 degrees? For example, it seems like any average Catholic can become a KOC.

But can it be that easy to sign up to the first degree - with only 3 more to go to reach 4'th?

Daniel

gneiss - April 5, 2007 08:44 AM (GMT)

Here is a discussion on a Catholic forum about the KOC and why the secrecy. There are some 1st and higher degree KOCers talking with one another. One new guy says he will not join the KOC because of the secrecy.

All agree that the secrecy is held very tightly with the degrees and no "Knight" will expose the secret oaths, etc. Of course they diss Cutting Edge.org and all other similar sites, and deny the bloody oath that exposed them for good in 1913, for what they are, in the Congressional Record. Its quite interesting.

<http://forums.catholic.com/showthread.php?t=86639>

Here is an another interesting site:

<http://www.masonicinfo.com/KofC.htm>

A masonic site is defending the "honorable Catholic religious fraternity, the Knights of Columbus" over its bloody oath:

More evidence the KOCs and the Masons work together, as Eric Phelps has clearly proven in VA.

regards

Lisa

Bloody Oath of the KOC:

<http://www.biblebelievers.org.au/jesuits.htm>

The Oath of the Knights of Columbus, Knights of Malta and Rhodes Scholars is based upon the Oath of the Jesuits

(This is an extract of the Congressional Record of the House of Representatives dated February 15, 1913, where the oath is entered as purported to be of the Knights of Columbus).

"I,, now in the presence of Almighty God, the blessed Virgin Mary, the blessed St. John the Baptist, the Holy Apostles, St. Peter and St. Paul, and all the saints, sacred host of heaven, and to you, my Ghostly Father, the superior general of the Society of Jesus rounded by St. Ignatius Loyola, in the pontification of Paul the III and continued to the present, do by the womb at the Virgin, the matrix of God, and the rod of Jesus Christ, declare and swear that His Holiness the Pope, is Christ's vice regent and is the true and only head of the Catholic or Universal Church throughout the earth; and that by virtue of the keys of binding and loosing given His Holiness by my Savior, Jesus Christ, he hath power to depose heretical kings, princes, States, Commonwealths, and Governments and they may be safely destroyed. Therefore to the utmost of ray power I will defend this doctrine and His Holiness's right and custom against all usurpers of the heretical or Protestant authority whatever, especially the Lutheran Church of Germany, Holland, Denmark, Sweden, and Norway and the now pretended authority and Churches of England and Scotland, and the branches of same now established in Ireland and on the Continent of America and elsewhere, and all adherents in regard that they may be usurped and heretical, opposing the sacred Mother Church of Rome."

"I do now denounce and disown any allegiance as due to any heretical king, prince, or State, named Protestant or Liberals, or obedience to any of their laws, magistrates, or officers."

"I do further declare that the doctrine of the Churches of England and Scotland, of the Calvinists, Huguenots, and others of the name of Protestants or Masons to be damnable, and they themselves to be damned who will not forsake the same."

"I do further declare that I will help assist, and advise all or any of His Holiness's agents, in any place where I should be, in Switzerland, Germany, Holland, Ireland, or America, or in any other kingdom or territory I shall come to and do my utmost to extirpate the heretical Protestant or Masonic doctrines and to destroy all their pretended powers, legal or otherwise."

"I do further promise and declare that, notwithstanding I am dispensed with to assume any religion heretical for the propagation of the Mother Church's interest to keep secret and private all her agents'

counsels from time to time, as they intrust me and not divulge, directly or indirectly, by word, writing, or circumstances whatever but to execute all that should be proposed, given in charge or discovered unto me by you my Ghostly Father, or any of this sacred order."

"I do further promise and declare that I will have no opinion or will of my own or any mental reservation whatsoever, even as a corpse or cadaver (*perinde ac cadaver*), but will unhesitatingly obey each and every command that I may receive from my superiors in the militia of the Pope and of Jesus Christ."

"That I will go to any part of the world whithersoever I may be sent, to the frozen regions north, jungles of India, to the centers of civilization of Europe, or to the wild haunts of the barbarous savages of America without murmuring or repining, and will be submissive in all things whatsoever is communicated to me."

"I do further promise and declare that I will, when opportunity presents, make and wage relentless war, secretly and openly against all heretics, Protestants and Masons, as I am directed to do to extirpate them from the face of the whole earth; and that I will spare neither age, sex, or condition, and that I will hang, bum, waste, boil, flay, strangle, and bury alive these infamous heretics; rip up the stomachs and wombs of their women, and crush their infants' heads against the walls in order to annihilate their execrable race. That when the same can not be done openly, I will secretly use the poisonous cup, the strangulation cord, the steel of the poniard, or the leaden bullet, regardless of the honor, rank, dignity, or authority of the persons, whatever may be their condition in life, either public or private, as I at any time may be directed so to do by any agents of the Pope or superior of the Brotherhood of the Holy Father of the Society of Jesus."

"In confirmation of which I hereby dedicate my life, soul, and all corporal powers, and with the dagger which I now receive I will subscribe my name written in my blood in testimony thereof; and should I prove false or weaken in my determination, may my brethren and fellow soldiers of the militia of the Pope cut off my hands and feet and my throat from ear to ear, my belly opened and sulphur burned therein with all the punishment that can be inflicted upon me on earth

and my soul shall be tortured by demons in eternal hell forever."

"That I will in voting always vote for K. of C, in preference to a Protestant, especially a Mason, and that I will leave my party so to do; that if two Catholics are on the ticket I will satisfy myself which is the better supporter of Mother Church and vote accordingly."

"That I will not deal with or employ a Protestant if in my power to deal with or employ a Catholic. That I will place Catholic girls in Protestant families that a weekly report may be made of the inner movements of the heretics."

"That I will provide myself with arms and ammunition that I may be in readiness when the word is passed, or I am commanded to defend the church either as an individual or with the militia of the Pope."

"All of which I,, do swear by the blessed Trinity and blessed sacrament which I am now to receive to perform and on part to keep this, my oath."

"In testimony hereof, I take this most holy and blessed Sacrament of the Eucharist and witness the same further with my name written with the point of this dagger dipped in my own blood and seal in the face of this holy sacrament.

QUOTE

We always go to all the family KofC events - Pasta Night, Bowling night, Kids Christmas party, I like that DH is involved in the KofC. Too bad his work does not permit him to attend the meetings

I see my friend as perfectly unaware of anything sinister. I mean this old fellow would just as well go to meetings for the food but I doubt he has attended any at all. Well, he certainly has to be a very low Knight...lol! I am hoping that he is just part of some old boys

club and that they are all just low level KOC.

For example, my friend is always bugging me to lend him money - he's definately not Black or White Nobility...lol. But let us suppose now for the moment that say he wanted to reach a higher level like that Clown G.W.Bush...would it even be possible when he is not of that blood?

But allow me to share my question in another fashion. Many people today have gone to Jesuit Schools and Catholic Schools and they may get certain titles when they graduate. These may not be anything of significance but let's suppose that Eric Phelps found out that my friend went to a Jesuit School, or is a KOC, would that entitle Eric to be suspicious? I told my friend that RAT-Slinger was a Homosexual also he even laughed.

Where does one draw the line in knowing? For example, Greg Symanski is suspected by some for having a Jesuit school education. Even DBS had Jesuit Public school education also! I am not convined that either are temporals because one is in love with Zagami and the other is in love with Bengamen Freedman - hardly too much to go on for the moment. Perhaps a huge disinction from taking the training in University vs. public school...may be this is what we should all be wanting to find out, eh?

There must be more than just 4 ranks, do you see where I am going with this? Like in Freemasonry, they got some 97 degrees. So Catholic and Jesuits only have 4 degrees, it would appear like too much of a short cut to the bottom, eh? Why don't all those Masons save getting all those Degrees and just jump over to the 4 degrees in the Catholics..HA!

Best,
Daniel

P.S On the other hand, it's kind of disturbing because I have spoken quite openly to my friends about this. In fact, I do speak openly to most people I meet that are open to talk. I have a Black Pope and White Pope picture sitting near my desk as a sort of a reminder but my friend seems to take no offense at all.

The Knights of Columbus are a very powerful arm of the Jesuit Order. You have Opus Dei, KOC, SMOM all working together in different ways and places of need for the common goal of the Jesuit Order.

Alamo and Phelps Fearlessly Speak-Out About Vatican Corruption

Saying they fear God more than Satan's earthly followers, both men are not afraid to openly talk about Vatican minions in media, government and religious organizations.

By Greg Szymanski

April 4, 2006

<http://www.arcticbeacon.com/articles/4-Apr-2007.html>

So many people have fallen victim to the Vatican's campaign of deceit, deception and confusion that it's hard to break through the devil's evil veil in hopes of getting at the truth.

Pastor Tony Alamo and Vatican Assassin's author, Eric Jon Phelps, are two modern day patriots who have broken through the veil, trying on a daily basis to expose the real spiritual controllers of the New World Order, the Vatican and especially their henchmen in the Jesuit Order.

Pastor Alamo spoke for two hours Wednesday on Greg Szymanski's radio show, The Investigative Journal, telling people he has spent the better part of the last 40 years exposing Vatican corruption.

Alamo spreads his message through his various ministries across the country, including a rigorous daily radio schedule, including broadcasts on numerous AM and FM stations from coast to coast as well as overseas. He also meets people directly on the streets through many of his ministry followers, who have passed out hundreds of millions of brochures exposing Vatican corruption.

“The only way to defeat Satan and his most evil organization on earth, The Vatican, is to find ultimate salvation in the Lord through the words in the Bible,” said Alamo. “I do not fear these evil people, but only fear God if I do not follow his word. He has told me to expose the evil residing in the Vatican and that is what I will continue to do.”

Alamo on the radio show that the Vatican/Jesuit Order deception, deceit and murderous ways knows no earthly boundaries, having infiltrated all of the world’s major religions, governments and media outlets.

And according to many researchers of Vatican power, patriots are beginning to see how the Vatican has even infiltrated the so-called alternative media as well as truth movements like 9/11.

“They have taken over the media and the Vatican agents are working overtime to destroy America and this earth in what has become known as the Illuminati or New World Order,” added Alamo.

In an earlier interview, Alamo recounted his personal experience with Jesus on his ministry web site at www.alamoministries.com, as he reveals a miraculous story about what happened when Jesus spoke with him at a time in his life when he was a fun-loving, hell-raising Hollywood record producer who hob-nobbed with the big shots and movie stars.

"I was one of the most unlikely people to be chosen to spread the Gospel, but after Jesus came to me while in a Hollywood meeting with lawyers and movie stars, I quit my record promoting business and starting spreading the word of God and preaching the words in the Bible," said Alamo Tuesday on Greg Szymanski's international radio show,

The Investigative Journal, on the Republic Broadcasting Network at www.rbnlive.com

"Over the years my ministry has grown by leaps and bounds. I first learned many years ago about the Vatican's involvement in the New World Order from my first wife, who has since passed on. And what the Vatican hates most and why they have attacked and, still are, I might add, is someone like me who breaches the word of God, who preaches the word of truth and who is not afraid of Satan and his followers.

"In fact, once you find Jesus, God is the one to fear, not the criminals in the Vatican and all their evil workers."

And Pastor Alamo has been teaching people about the word of God and the evil residing in Rome for more than three decades, having coming face to face with the eye of Satan on many occasions, including unwarranted FBI and government harassment.

As told by former FBI agent John Peeler, assigned the task to murder Pastor Alamo on orders from then Gov. William Jefferson "Blythe" Clinton, the former self-proclaimed FBI jack-booted thug, said Alamo was a good man targeted by the evil Vatican-led New World Order.

Recently, Peeler came forward on Greg Szymanski's radio show, saying he quit the FBI after he couldn't carry out the Alamo assassination since he personally found out Alamo was "a good man, a man of God and only doing good things."

"I had to leave the FBI after I couldn't carry out the Alamo assignment. I then went to Pastor Alamo and apologized," said Peeler in a recent radio interview on The Investigative Journal. "After the FBI couldn't find any dirt on him, authorities had to trump up a bogus tax violation which finally landed Pastor Alamo in prison for six years."

Regarding the prison sentence, Alamo said he was "railroaded" in court, but made the best out of four years spent in federal prison by "saving thousands of souls and spreading the word of God" while serving his time.

In an article on his web site entitled Pastor Alamo, a Victim of Outrageous IRS Conduct, he cites how he was framed by the government. Here is the opening portion of the story:

"Congress only exposed the tip of the iceberg," said Pastor Tony Alamo. "I am in prison because the IRS lied about me and my church, relied on preposterous and fabricated tales from a notorious anti-religious group, the Cult Awareness Network (CAN), withheld material from my attorneys that they were legally bound to reveal, offered rewards to get witnesses to cooperate, threatened several witnesses, and lied under oath in a court of law in order to cover up these abuses."

Pastor Alamo continued, "The government relied on false information from the Cult Awareness Network to murder innocent men, women and children in Waco, and they relied on these same liars to falsify charges against me. The IRS used the Cult Awareness Network, a professional fabrication company, to prosecute innocent churches. And their chief fabricator was Peter Georgiades, a Pittsburgh lawyer. The government even allowed this scurrilous organization to literally write my pre-sentence investigation report (PSI). Worse, the Parole Board adopted CAN's anti-religious fabrications causing me not to get parole or to go to a minimum security facility. No one I ever spoke with has ever heard of an outside organization being able to influence a PSI, but the so-called Justice Department allowed CAN to load my PSI with blatant lies. CAN made their money by trying to destroy churches and God-fearing people.

We all cheered when a jury found them guilty of kidnapping and religious persecution, and they were forced into bankruptcy and finally closed."

"Now, we all watched this past week as Acting Commissioner Michael Dolan and other IRS agents admitted in Congress that they bald-faced lied and fabricated evidence that ruined people's lives, their reputations and businesses." said Pastor Alamo. "One IRS agent even admitted that the IRS is responsible for numerous suicides of innocent Americans. I am an innocent victim of the IRS. President Clinton should grant me an immediate pardon, and if the government wants to right the wrongs, they should restore the church's stolen properties and make restitution on the businesses that were destroyed."

The hearings provided a wealth of IRS horror stories. For example, the IRS went after a church in Conklin, NY after it had warned citizens in an ad that voting for Clinton would be a sin. "The same thing happened to me," said Pastor Alamo. "A 20-year now-retired veteran of the IRS made clear in the hearings that all the agents knew what organizations to go after. They didn't need a call from the president. After I did an exposé on President Bush, our church's tax-exempt status was taken away, our properties and businesses stolen," said Alamo. "What is more, I was living in Los Angeles when I was falsely arrested. I was transferred to Memphis, Tenn., an area I had no relationship to, where Bush-appointed Judge McCalla presided over my trial."

IRS agents confessed that they went after high profile cases as trophies to bag. "I was such a high-profile case. The Lord, through my wife Susan and I, built a highly-anointed of the Holy Spirit Christian world-wide ministry, which the IRS made controversial by using CAN's fabrication of us and what we were doing in the Lord's service," said Alamo. "The government constantly relies on their fairy tales and nightmarish interpretations of us. And these days it seems it's easier to sell fiction to the public than the truth. But the truth is, we had won many souls to the Lord, and I continued the Lord's work after Susan's death. We built homes for our parishioners, opened schools, and taught young people skills. The IRS took this away because some opportunistic agents decided I was a good high-profile publicity prize. The lives of thousands of good Christians were meaningless to these people.

Although Alamo was released in the late 90's, he still is the subject of government harassment and Vatican smear campaigns to discredit his character but, most importantly, to discredit his ministry, which has been the focal point of Vatican and Jesuit infiltration for many years.

"They are now spreading lies that I have been married to hundreds of women and accusing me of being a pedophile. These are all lies, of course, but this is how the Vatican and Satan's followers operate," said Alamo, adding he has forgiven Peeler for his past FBI wrong doings and is also trying to get Peeler's son out of prison after he was framed for a murder he didn't commit when Peeler went public with the real truth about Alamo, Waco, Ruby Ridge, Oklahoma City and 9/11.

Alamo spreads the word of God from Churches he has established in California,

Arkansas and other various locations, saying he also shares "the Vatican Message" on his international radio show.

"We also have thousands of people passing out flyers, like my article "The Pope's Secret" directly to people on the streets. Trying to reach them eye-to-eye and face-to-face.

"As we know the media also has been corrupted by the Vatican and going to the streets with millions of flyers over the years has been quite effective."

If you haven't read one of Alamo's articles on his web site or on a one of the millions of street handouts, here is the opening paragraph of an article entitled "The Pope's Secrets":

"The Vatican is posing as Snow White, but the Bible says that she is a prostitute, "the great whore," a cult (Rev. 19:2).¹ She uses government agency branches in every country, including the United States, as her vicious little dwarfs. The more power and control she gets in government, the more she will fade away into the background in her "Snow White" disguise so that government will be used and blamed for all her evil deeds." to read full story go to www.alamoministries.com.

Both Alamo and Phelps have been given a forum on The Investigative Journal to air their views as there exists a blackout in the mainstream about Vatican corruption. Further, there is very little room even in the alternative media to talk about Vatican corruption, indicating the evil hand of the Jesuits are present there, as well.

In response to this blackout, Alamo and Phelps believe it is important to expose everyone involved in hiding Vatican corruption, including preachers, politicians and journalists.

"The Bible demands this," said Phelps who made this statement in a recent Investigative Journal interview, adding anyone in a position of government or media power who does not discuss the Vatican issue openly is suspect.

Here are a number of recent emails sent to the Arctic Beacon from Phelps, revealing Vatican corruption as well as people he thinks covering for the Vatican:

“...The Jerusalem Temple will some day be rebuilt and animal sacrifices will be restored. It is all a matter of when not if according to Daniel 9:26 and Matt. 24:15”

“...Although I know that actor Fred Thompson is necessarily dirty in order to receive good press for his supposed presidential bid, I did not know he was involved in any way with "framing" Gore. Are you still believing the nonsense Tom Heneghen is spreading about Gore? Please, do some analysis on your own part, for example:

“Do you really believe that Al Gore, whose father was a Senator connected with Armand Hammer and Jacob Schiff, was really a good guy while both he and Clinton gave away our nuclear high-tech secrets to Red China? (See The China Threat.)

“Do you really believe that Gore was in fact a true candidate against Bush back in 2000 (the CFR controlling both parties and thus both candidates? The voter fraud in Florida was obvious to all---especially the Black congressmen and women. As recorded by Roman Catholic Jesuit Coadjutor Michael Moore in his Fahrenheit 911, all that was needed was one signature from one US Senator and the entire election could have been investigated. VP Gore at this time was presiding over the House and Senate during this key meeting. I remember the son of Jesse Jackson who said, "It is a sad day Mr. Speaker (Gore) when not one senator will sign this petition." If Gore would have wanted to really challenge Bush's "election," he could have found at least one Senator to sign that petition! No, Gore overruled Jackson and several other Black congressmen and solidified Bush's enthronement. Gore was nothing more than a pretended candidate for president. He never wanted to win or attempted to win. The election was a dog and pony show, no more! And both actors knew it as they were under orders from Egan!

“Gore is a low down dirty traitor just like his accomplices in crime, Bill Clinton, the Bushs and a host of CFR others. In VAIII I have a picture of the master of the Empire sitting with Bush on his right and Gore on his left at the Al Smith Dinner. That master was

none other than Edward Cardinal Egan, all three of them laughing and having a bloody good ball---at the expense of the duped American people!"

"Indeed, Pope John Paul II was a gangster and coordinated both the CIA and KGB for years. He betrayed his own Polish people into the hands of Soviet inquisitors while pretending to be against "the communists." Indeed, JPI should be honored as he thought he was really the Pope and sought to attack the corruption on many levels which led to his receiving of "the poison cup."

Phelps recently questioned radio broadcaster, Alex Jones, for not entertaining Vatican corruption. In response to Phelps' charges, an email was posted at Myspace.com regarding the issue:

"Ever since I saw Jones confronting David Gergen about Bohemian Grove I have been suspicious. How, three years after 9/11(at the time) could a former member of the Grove, CFR, and TC not know who Jones was??? Let's look at Jones friends Charlie Sheen, and Hutton Gibson. Why do they never mention the Vatican or the Jesuits at all? Hutton Gibson and his son Mel Gibson are Opus Dei! Martin Sheen chose the last name Sheen after a Bishop who did a lot of work helping out Jesuits. Is there more to Jones than he is willing to talk about? Is he for real, or is he controlled opposition? Greg Szymanski of Arcticbeacon.com claims that he was denied a job at the GCN radio network (note: this is GCN's second network, We The People Radio) because he often spoke about the Vatican and the Jesuits. There looks to be something to this, Jones has to come clean."

Phelps again:

"...As kindly as I can say this, the Oral Roberts men are charlatans and frauds, both of whom are high-level Freemasons. I know Oral Roberts was a 33rd Degree freemason. Richard is one of the most stupendous fakes and con men at this late hour of apostacy in addition to Benny Hinn, John Hagee and D. James Kennedy---the man with the IHS in the center of his sunburst cross in the midst of his temple/church in Florida.

“...Webster Tarpley is an obvious coadjutor. As you know, he denies any Jesuit involvement in the Gunpowder Plot of 1605. We might as well deny the existence of light and darkness.

“...Avro Manhattan played the right-wing, conservative anti-communist when he knew the Cold War was a hoax. He was also British Intelligence and thus connected to Spellman's CIA-led, anti-communist crusade. Manhattan also never revealed the fact that the Jesuits ruled both England and the US---just like another great traitor, Ian Paisley who has now sold out the Northern Irish Protestants.

“...Concerning the Reformation, it was the work of the risen Lord Jesus Christ in breaking the spiritual and temporal power of the Pope that had enslaved Europe for 1000 years. Do you value freedom of conscience and freedom of the press? Then you must give thanks for the Reformation that secured these rights for you against the work and power of the Jesuits to overthrow them---as in the Patriot Act written at Georgetown Jesuit University.

“The Zionists. Which of the four kinds of Zionists are you referring to? Labor Zionists? Revisionist Zionists? Orthodox/Talmudic Zionists or Biblical Christian Zionists---of which I am one? They are not all the same. And as I prove in VAIII, Labor Zionism is a work of the Jesuits first really advocated by their great avenger, Napoleon I. Labor Zionism has always been a creature of Rome. Thus, the Jesuits are the great protectors and defenders of Labor Zionism via the Pope's Knights of Malta, papal court Jews like Louis M. Bloomfield and Louis Lehrman of Rite Aide.

“So please spare me the anti-Reformation rhetoric unless you want to return to the Pope's Dark Ages---the Jesuit Order's "New Age" fathered by the Jesuit Tielhard De Chardin.”

Title: So Rense is a coajutor? Could be.

AntiSionist - April 2, 2007 11:13 PM (GMT)

Does Szymanski, the Vatican whistleblower, not have a regular spot on the Rense show, like every second Thursday? Or is that over now? I never listen to Rense. Anyway, Rense has a lot of articles on Zionism, but little on the Vatican as far as I know. He does host plenty of Sherman Skolnick articles. But then so what? Any deceiver can tell a little bit of truth. He was also showing his face in a BBC documentary talking about Mario Lamza.

<http://www.youtube.com/watch?v=hAOT7rY1WZg>

I also found this on Stew Webb's website in his section about exposing how Ted Gunderson is a pedophile, satanist, criminal and former husband of Anton Lebay's ex wife.

<http://www.stewwebb.com/Gov.%20Plants%20&%...%20CIA-FBI.html>

QUOTE

At one time I Stew Webb thought Ted L. Gunderson was

a true Patriot, I even booked him on Radio Programs, went to New York

and did a lecture there with him. Until I began to hear from CIA-FBI-Intel.

types, who would ask why are you associating with Ted Gunderson

he works for The Bush Bad Guys. This is when I began to ask Ted Gunderson about his involvements with George Bush Sr., Ollie North, General John Singlaub, Iran/Contra Drugs for Weapons, Stingers to Terrorist Bin Laden, when he would get drunk, (he drinks daily-Vodka and Orange Juice) sometimes he would then confess to me. Then when he was Sober

I would intentionally re address the issues. He admitted tons that I do not

have the time or inclination to put in this news release.

Further, I have been keeping recorded tapes of various Radio Programs

Ted Gunderson has been doing lately, including but not limited to

Jeff Rense May 7, 2002, in which Ted Gunderson has continued his attacks and lies about me. Ted Gunderson stated on the Jeff Rense program that Stew Webb works for the CIA and that I am an infiltrator for the CIA. This is BULL. I have never worked for the Government. I contact Jeff Rense about these slanderous statements, he refuses to allow equal airtime. WHY Jeff Rense?

Jeff doesn't give radio time to Stew Webb to respond? Was there not also some information up here about Rense giving Eric Phelps the cold shoulder?

Minuteman Matt - April 3, 2007 01:01 AM (GMT)

Jeff is a temporal cojuidtor he likes to give you half trues mixes up with half lies. He heavily promotes the UFO dis-info "bunkum" as craig says. Also Jeff is big buddies with Alex Jones.

Dadrious - April 3, 2007 05:22 AM (GMT)

Just flip a coin...tails is Coajutor...

Daniel - April 3, 2007 07:25 AM (GMT)

According to Webb, Rense will not allow equal airtime. Might he be concerned about them fighting too much? Weird!

Maybe I should send an email to Rense and ask him to set something up between those two and see what he says? I think that between Webb and Gunderson, they should have it out on the air and let the audience decide. If Rense has something against Webb, then let's see what he has to prove! There must be a sure way to know.....we just have to find out.

May be another host will offer to let them both on together and see who's the real agent. I'm tired of these two fighting and I do not trust either one at this point until I have more information.

But I got one idea already. Webb says Gunderson was married to some Satanist lady right? Well, how hard would this be to find out? Like what I mean is Webb makes a huge claim about something like this.....so if he's proven wrong then at the very least he may be a questionable source of info. But if Webb is telling the truth, then Gunderson is 100% BUSTED.

So let's find out if Gunderson was married to a Satanist woman. What do y'all think about this idea?

Daniel

Daniel - April 3, 2007 07:37 AM (GMT)

And once we resolve the issue of Gunderson and Webb, we can know even more about Rense. :P

AntiSionist - April 3, 2007 08:04 AM (GMT)

Stew Webb on his site, I saw this once, said that Tim White was an FBI assett doing their dirty work for Division Five and he no longer has their protection. Tim White has claimed Lenny Bloom, Eric May, Greg Szymanski and Stew Webb are all suspicious people. Eric May is an admitted Roman Catholic. Check this topic out. It's certainly food for thought.

http://z13.invisionfree.com/THE_UNHIVED_MI...showtopic=20882

Craig may be right about how these guys out the Bushes and Clintons but he never addressed what Eric May said which I wish he had. Another friend I have who has been into this for years and got me out of the Zionist trap, has told me that Heneghan and Webb are working for Al Gore, a man who is basically a vampire addicted to blood that is taken from victims at the high point of sacrifice in the Mother Darkness castle when they secrete a certain hormone or some kind of adrenalin into their blood.

http://z13.invisionfree.com/THE_UNHIVED_MI...showtopic=17858

I don't see why the jesuits couldn't control both sides of the whole thing. Yes, the Bushes and Clintons tried to shoot Gore's plane down nine years ago and I guess the animosity is still there since Webb and Heheghan have had their lives threatened. I see Gore as the lesser of two evils. He is white nobility and so he wants a new world order too. But he seems to want to drag it out and do it with less bloodshed. But that's still not good enough for the order and their bumboys the Bushes and Clintons. These families are just gangs who want power and are out for themselves. Think I'm kidding about Gore? Look at this article.

Gore's Global Warming Plan
Energy Rationing, Taxes, Red Tape, and Pork-Barrel Spending
by CEI Staff
March 22, 2007

Washington, D.C., March 22, 2007— Former Vice President Al Gore dropped the pretense in testimony before the House and Senate yesterday that the global warming problem as he imagines it can be solved by changing light bulbs and buying hybrid autos. Instead, he laid out an agenda for the federal government to take over every aspect of energy use in the United States.

The policies he laid out include: steep increases in energy taxes, a cap-and-trade regulatory system that would put rapidly declining limits on greenhouse gas emissions, more restrictive fuel efficiency standards for cars and trucks, a huge federal intervention in the finance market to subsidize more energy efficient houses, a prohibition on new coal-fired power plants unless equipped with expensive carbon sequestration technology, and a vast increase in federal payments to people who cannot afford the steeply higher prices to heat and light their homes.

"Gore's proposals would create a breathtaking expansion of government power over the lives of everyday Americans citizens and put the U.S. economy in a deep freeze. Normally such radical measures would be rejected out of hand – which is why the former Vice President has had to rely on alarmist predictions which mislead his audiences and distort the relevant science," said Competitive Enterprise Institute Senior Fellow [Marlo Lewis](#), author of [Al Gore's Science Fiction: A Skeptics Guide to An Inconvenient Truth](#), an exhaustive study rebutting Gore's version of global warming theory.

"Mr. Gore envisions a federal takeover of nearly every aspect of the economy and restrictions on people's individual choices," said [Myron Ebell](#), CEI's Director of Energy & Global Warming Policy. "He has validated Czech President Vaclav Klaus's recent observation that environmentalism in general and global warming alarmism in particular pose the greatest threat to individual liberty and to prosperity in the world today."

"Socialism failed because it claimed control over the economy in the name of the people, but the people realized they could run the economy better on their own," said Senior Fellow [Iain Murray](#). "Command-and-control is back, in the name of the environment this time, but it's the same people advocating it. And the effect will be the same - the aspirations of ordinary people sacrificed to the demands of the self-appointed intelligentsia."

Holy Crap! It just blows my mind at what you're getting at. How there may be 2 sides opposing each other here. Both wanting their own NWO. That would explain all this confusion also. I kind of assumed that the Jesuits had full control over everything (both sides) but may be Bush/Cheney and Clinton are giving a headache to the Jesuits?

Rudolf Steiner said something about how the Jesuits are often telling the truth about Freemasonry. And Freemasons tell the truth about Jesuits.

Some of those names you mentoned I was not familiar with. I got some researching to do, my friend. Thanks for the great info!

So far, which sides would you place these names, AntiSionist?

Can we put them in a quick list?

Best,
Daniel

According to Stew Webb, Tim White is an FBI snitch and worked for FBI Division Five and he no longer has their protection as he has expended his usefulness. While it can get confusing sifting through all the plants, disinfo, we must grab on to what puzzle pieces we can. All there really is when it comes to truth seeking is the next level, not the final level. At least that's my perspective.

This whole war between Lenny Bloom, Eric May, Heneghan, Webb and Gore against Bush, Clinton, Gunderson, Tim White, just has so much parallels with wingtv being outed by Daryl Bradford Smith. Both are coajutors working to confuse the public by disseminating little bits of truth at the same time.

For me, the best thing one can do in a situation like this is look at who gets killed, imprisoned, threatened or slandered in order to pick out the most available and reliable pieces of the whole truth and accuracy puzzle which may never be fully complete. Greg Szymanski was relentlessly attacked by wingtv.

<http://www.wingtv.net/thorn2006/szymanski.html>

<http://www.wingtv.net/thorn2006/syzmanski2.html>

Ted Gunderson, phony whistleblower and satanist, has attacked Stew Webb. Webb has photos of affidavits showing Gunderson's connections to drug running and arms dealing and even mentions a book THE LAST CIRCLE where he was named as part of a sanatic abuse ring on his website.

<http://www.stewwebb.com/Ted%20Gunderson.html>

Gunderson was upset at being outed and he threatened to put Webb in prison for Webb's whistleblowing.

<http://www.stewwebb.com/Ted%20Gunderson%20...Sept%202001.wav>

That shows that Webb is a danger to some people because of what he knows and what he says. Look at Fritz Springmeier. In jail for ten years for his all too revealing books on the bloodlines and the methods of mind control. He is worth reading even though he mentions the jesuits little. Look at Tom Heneghan. Almost died in late January due to Ted Gunderon and FBI Division five trying to vevtor a car across a highway. Look at cloakanddagger. Hacked so badly that had to move from canadian servers to German ones. They are dangerous, but to the Bush and Clinton gang. Not to Albert Gore.

Remember what Craig said about Albert Gore.

QUOTE

Gore is to promote global death with the environment etc to bring the world under unity against the destruction. So go check out Iron Mountain Report and you'll see what Gore is up to.

I still can't get over what Tim White says that Eric May has said about deferring to the nearest jesuit in that one old topic I brought up in here. Eric May and lenny Bloom for instance claim to have stopped a nuke "drill" in Texas in 2006. It could be true but what sticks in my mind is how Eric Phelps said that the jesuits will only foster another nuclear false flag at a certain time. They only do it when certain celestial bodies are postioned in a certain way. If that's the case, that the NWO are saturnalian astrologers, and they are, then what would have been the astological significance of the nuking of Texas in 2006, that Bloom and May stopped? Or what about that one general who in 2005, blew the whistle on other nuclear 'drills'? What's the saturnalian significance of having a nuke go off at that time and in Texas?

<http://www.prisonplanet.com/articles/augus...stargeneral.htm>

You know, Stew Webb could be right about Tim White as he was right about Ted Gunderson. Maybe Tim White is spreading lies. But again, I always go back to that jesuit comment Eric May, a Roman Catholic made

I'm ignorant about the whole saturnalian thing as I have so much other reading to catch up on and I cant' even begin to tackle that whole thread and read books on saturnalian brotherhoods outside that thread. I just have too many questions and only a few decades left, if that. I would just be careful about not reserving the same amount of skepticism for Gore, Bloom, Heneghan and co, that I do for the other crooks like Bushes Clintons, Rockefellers, Guelph, SMOM, etc.

Edit: Stew Webb complains on his site that Ted Gunderon was briefly married to the ex wife of satanist Aton Levay. That is ironic considering that Stew Webb was married to a woman who's father in law was into the same sick satanic shit that Gunderson was involved in. His father in law was Leonard Millman and also according to Tim White, related to the Bushes. Stew Webb even talks about this marriage of his on his site. His daughter has the last name Millman.

<http://www.stewwebb.com/AmandaMillman.html>

Maybe Stew Webb was an unwitting victim of circumstances and didn't know what he was getting into when he married Kerre Millman Webb. But I find that hard to believe sort of since he is in intelligence. What also gnaws at me about Stew Webb is how he can get pictures of her if he has only talked to her once when she was seven. That's an interesting question.

Here is Stew's page on his satanic involved ex wife.

<http://www.stewwebb.com/OfficeofCriminalRoundUp.html>

Edit 2:

Stew Webb says that not being able to see his daughter prompted him to become a federal whistleblower. That's quite an interesting way to get into the FBI. Be so driven to get your daughter back and let her know you love her. He says he knows she visits his site and emails him. Perhaps that's how he got the photos.

True. I think Steiner said the highest levels were working together since the end of the 18'th century or early 19'th century, through Napoleon first and then later the Council of Vienna where they really merged the top levels.

Steienr also said that at the lower levels, Catholics and Freemasons tend to oppose each other today - we can even see this by the Church restating their nonsense about how Masons cannot be Catholics etc. This is all a stage for the lower levels. There is a center which are made up of Rabbis, Masons and Monseniors, says Steiner.

We all have our own methods by which we take to a given personality (or not) who claims to be a patriot. I'm not saying my methods are any better than anyone elses, I'm just saying what my impression are and have been of Webb pretty much since the first times I was

exposed to his work. The effect for me when it comes to Webb has been nearly spot on with the similar impression I got quite quickly with some other personalities, like Daryl Bradford Smith, who comes to mind the quickest as example. Something about them just did not resonate with me.

When it comes to Webb, I cannot forget nor overlook that my first impressions of him came by way of his side-kick audio commentating over the shoulder of Heneghan on various Cloak & Dagger audio reports during the past year or two, wherein Webb came off as a blathering psychotic. I then spent a little time trying to make heads & tails out of Webb's web site and the way it attempts to organize/portray what the headlines promote as earth-shattering journalism, and I get the same impression; it appears to be a home page designed and laid out in the manner that a blathering psychotic might believe makes for an intelligent, good Internet Home page all the while being a rather haphazardly arranged assortment of manic tyrades.

Question: for any of you who find Webb to be a valuable personality, what was it that he ever did, or exposed, or revealed, and when, that helped to make you a proponent of his schtick? Somehow I seemed to have missed out on whatever his claim to fame originally was. Perhaps if I can get clued into this, I'll have reason to revise my opinion of him. Thanks in advance.

Meanwhile, while I continue to check in with C&D on occasion, over the recent months I've grown to view them increasingly as being about still riding on the coat-tails of Shernan Skolnick, may he rest in peace. Also, the last anyone heard, Eustace Mullins was said to have been taken in and under the care of Bloom and or friends, but this has now been nearly a year and I have seen neither hide nor tail of Eustace ever since. What's up with that? At that time, Eustace was under heavy assault from the state, particularly his home State of Virginia. Is the guy still alive and well?

CRAIG-OXLEY - April 4, 2007 01:28 AM (GMT)

QUOTE

I am a blood-washed child of the Lord God, having been saved by the blood of His Cross. I love the Lord with my whole heart. (or try to).

I am a married father of 4, with 1 on the way. I have a special-needs, 8 year-old daughter who is traumatically brain injured, with a severe case of cerebral palsy, etc.

Eric, WHO are five true CHRISTIAN LEADERS TODAY THAT YOU TRUST & ADMIRE?
WHO ARE 5 or 10 that are not to be emulated?

I am a graduate of Oral Roberts University.

I was raised Catholic but do not consider myself a 'catholic' now.

My mother is, and some family.

Please answer me if you can. Are you telling me John Paul II was no more than a gangster? what about his writings about the Lord?

John Paul I i guess is the one who should be up for sainthood.

XXXXX XXXXXX

Thank you for contacting me.

I truly hope you are indeed a blood-bought, blood-washed, justified and glorified child of God and brother in the Lord Jesus Christ.

As kindly as I can say this, the Roberts men are charlatans and frauds, both of whom are high-level Freemasons. I know Oral Robers was a 33rd Degree freemason. Richard is one of the most stupendous fakes and con men at this late hour of apostacy in addition to Benny Hinn, John Hagee and D. James Kennedy--- the man with the IHS in the center of his sunburst cross in the midst of his temple/

church in Florida.

Here is a good rule of thumb and quite scriptural. Any supposed man of God on the TV is compromised and is serving the Pope of Rome. Not one would ever invite me or any of my ilk to speak at their functions.

You ask of five Christian leaders that you can trust. The Lord has his elect who refused to bend their knee to Baal in Rome. But they are pastoring small churches and are for the most part unknown. You, with the Lord's leading according to His Word, must find them yourself my brother.

I am so sorry to hear about your daughter. You may wish to contact Dr. Bill Deagle www.clayandiron.com . He may have some suggestions of benefit.

Indeed, JP II was a gangster and coordinated both the CIA and KGB for years. He betrayed his own Polish people into the hands of Soviet inquisitors while pretending to be against "the communists." Indeed, JPI should be honored as he thought he was really the Pope and sought to attack the corruption on many levels which led to his receiving of "the poison cup."

Sincerely in faith,

Brother Eric

Title: The "Society of Jesus" the Engine of Destruction

CRAIG-OXLEY - April 4, 2007 02:41 PM (GMT)

The "Society of Jesus" the Engine of Destruction

The Society of Jesus the members of which are referred to as the Jesuits, has absorbed the Papacy. This Society was founded by a fanatic, one Ignatius Loyola, in 1541; its object being to combat the Protestant Reformation of Martin Luther of 1517.

Loyola was the son of a prominent Spanish family who had distinguished himself as a soldier, and by the immoral excesses of his private life, but who, owing to an accident which maimed him, was supposed to have become "converted," and during the illness which followed, the Society of Jesus was conceived in his brain, fertile with devilry.

The Society of Jesus is under the strictest military discipline, due to the military training and psychology of its founder. It is absolutely commanded by the "General" its head, also known as the "Black" Pope. The garb is always a plain black cassock. But here permit me to present the definition of one of its eminent "Generals" of the seventeenth century and which aptly describes it today:

"The members of the Society are dispersed in every corner of the world, and divided into as many nations and kingdoms as the earth has limits; divisions, however, marked only by distance of places, not of sentiment; by the differences of languages, not of affections; by the dissemblance of faces, not of manners. In that family the Latin thinks as the Greek, the Portuguese as the Brazilian, the Hibernian as the Sumatran, the Spanish as the French, the English as the Flemish; and amongst so many different geniuses, no controversy, no contention, nothing which gives you a hint, to perceive that they have more than one Their birthplace offers them no motive of personal interest. The same aim, same conduct, same VOW, which like a conjugal knot, has tied them together. At the least sign one man, the General, turns and returns the entire society and shapes the revolution of so large a body.

"It is easy to move, but difficult to shape." (Imago Primsaeculi Societas Jesu," published by the authorization of Mutto Vittelschi, General in 1640.)

With the above authentic illumination you will be able to somewhat grasp the reason that the execution of the mandate of the Holy Alliance and secret treaty of Verona was entrusted to the members of the Society of Jesus. God save the mark!

THE JESUIT OATH

As a further item of interest we quote the following excerpts of this oath-bound organization. It is the oath taken now by practically all priests of the Church of Rome, and has been charged as the one taken by the members of the Fourth Degree in the Knights of Columbus. (See Congressional Record, House Bill 1523, Contested election case of Eugene C. Bonniwell, against Thos. S. Butler, Feb. 15, 1913, pages 3215-16.)

"I, now in the presence of Almighty God, the Blessed Virgin Mary, the Blessed Michael the Archangel, the Blessed St. John the Baptist, the Holy Apostles, Peter and Paul, and all the Saints, sacred hosts of Heaven, and to you, my ghostly Father, the Superior General of the Society of Jesus, founded by St. Ignatius Loyola, in the Pontification of Paul the Third, and continued to the present, do by the womb of the virgin, the matrix of God, and the rod of Jesus Christ, declare and swear that his holiness, the Pope, is Christ's Vice-regent, and is the true and only head of the Catholic or Universal Church throughout the earth; and that by the virtue of the keys of binding and loosing, given to his Holiness by my Savior, Jesus Christ, he hath power to depose heretical kings, princes, states, commonwealths and governments, all being illegal without his sacred confirmation, and that they may be safely destroyed.

"Therefore, to the utmost of my power, I shall and will defend this doctrine and his Holiness' right and customs against all usurpers of the heretical or Protestant authority, whatever especially the Lutheran Church of Germany, Holland, Denmark, Sweden and Norway, and the now pretended authority of the Church of England and Scotland, the branches of the same, now established in Ireland, and on the continent of America and elsewhere I do now renounce and disown any allegiance as due to any heretical king, prince or state named Protestant or Liberals, or obedience to any of their laws, magistrates or officers.

"I do further declare, that I will help and assist and advise all or any of his Holiness' agents in any place wherever I shall be, and do my utmost to extirpate the heretical Protestant or Liberal doctrines and to destroy all their pretended powers, legal or otherwise.

"I do further promise and declare, that notwithstanding I am dispensed with to assume any religion heretical, for the propagating of the Mother Church's interest, to keep secret and private all her agents' counsels, from time to time as they may instruct me,

and not to divulge directly or indirectly, by word, writing, or circumstances whatever; but to execute all that shall be proposed, given in charge or discovered unto me, by you, my ghostly father

"I do further promise and declare, that I will have no opinion or will of my own, or any mental reservation whatever, even as a corpse or cadaver (perinde ac cadaver) but unhesitatingly obey each and every command that I may receive from my superiors in the Militia of the Pope and Jesus Christ.

"That I will go to any part of the world, whatsoever, without murmuring and will be submissive in all things whatsoever communicated to me I do further promise and declare, that I will, when opportunity presents, make and wage relentless war, secretly or openly, against all heretics, Protestants and Liberals, as I am directed to do to extirpate and exterminate them from the face of the whole earth, and that I will spare neither sex, age nor condition, and that I will hang, waste, boil, flay, strangle and bury alive these infamous heretics; rip up the stomachs and wombs of their women and crush their infants' heads against the wall, in order to annihilate forever their execrable race.

"That when the same cannot be done openly, I will secretly use the POISON CUP, THE STRANGULATION CORD, THE STEEL OF THE POINARD, OR THE LEADEN BULLET, REGARDLESS OF THE HONOR, RANK, DIGNITY OR AUTHORITY OF THE PERSON OR PERSONS WHATSOEVER MAY BE THEIR CONDITION IN LIFE, EITHER PUBLIC OR PRIVATE, AS I AT ANY TIME MAY BE DIRECTED SO TO DO BY ANY AGENT OF THE POPE OR SUPERIOR OF THE BROTHERHOOD OF THE HOLY FAITH OF THE SOCIETY OF JESUS."

The late Edwin A. Sherman, a 33rd Degree Mason of Oakland, California, in his book entitled. "The Engineer Corps of Hell," quotes Chas. Sauvestre, whose work he translated from the Spanish, which says in part:

"Such are the Jesuits. Always expelled, forever returning, and little by little, clandestinely, and in the darkness, throwing out its vigorous roots. Its wealth may be confiscated, its losses cannot be detained for they are covered . . . Confessors, negotiators, brokers, lenders, peddlers of pious gew gaws, inventors of new devotions to make merchandise. At times, mixing in politics, agitating states, and making princes tremble upon their thrones, for they are terrible in their hate. WOE UNTO HIM WHEN THEY TURN UPON HIM AS AN ENEMY! Its society grows and increases in riches and influence by all sorts of means; and no one can attack them, for everywhere we find men prompt to serve them, to obtain from them some advantage of position for pride For themselves, they are nothing, not having pompous titles, no crosiers, no mitres, no capes of the prebendaries, but pertain to that one ORDER, everywhere governing and directing In whatever place of the Catholic world a Jesuit is insulted or resisted, no matter how insignificant he may be, he is sure to be avenged,—and this

we know.

"The General is always surrounded by counselors, professors, novices and graduates." says Michelet . . . "prescribing friendship in the seminaries and being prohibited to walk two by two, it is necessary to be alone, or three together, but not less, for it is well known that the Jesuits never establish any intimacy before a third, for the third is a spy; for when there are three, which is indispensable, there cannot be found a traitor."

THE JESUIT OATH TAKEN BY THE FIRST ARCHBISHOP OF BALTIMORE (1769) LEAVES ITS IMPRESS

The papal church when expedient, follows the rule of pagan Rome to hold a conquered country in leash, and make it yield its pound of flesh, by placing over it native rulers, which is the easy way to approach the people on their blind side.

In 1753 an American-born boy of eighteen, one John Carroll, from Upper Marlborough, Maryland, entered the College of the Society of Jesuits at Wateau, Flanders, to study for the Romish priesthood in that Order. The time required ordinarily for the training in that Society, is fourteen years, and, as John Carroll was not ordained until he had served sixteen years in preparation, it is safe to conclude that this American-born youth was an especially well grounded Cadaver upon his return to the Colonies in 1769, and that his Society was justified in feeling that its interests would be competently administered.

John Carroll had taken the oath from which we quoted some pages back, to "When opportunity presents, make and wage relentless war, secretly or openly, against all heretics, Protestants and Liberals."

It is interesting to note that John Carroll was a first cousin to Charles Carroll of Carrollton, the only Romanist who signed the Declaration of Independence.

The officials of Maryland Colony sent a committee, of which Benjamin Franklin was a member, to visit French Canada to see if help could be had from that source in the interest of the Colonies in the coming conflict with England.

It was recommended by Congress that Charles Carroll ask his cousin, John Carroll, the Jesuit priest, to accompany them, hoping that he would use his influence in securing the assistance of the French priests in the Cause of the Colonies, an act which showed the lack of understanding of the fundamentals and discipline of the Jesuit Society, by the Colonists.

Of course, the expedition utterly failed, owing to the influence of the French priests and the people of French Canada, over whom "Father" John Carroll was supposed to have had the power of persuasion. Though England was an heretical country, the exceedingly liberal and the independent spirit of defiance in the American Colonies,

was far more menacing, in the eyes of the priests, to the interests of the church and the divine-righters, and Priest Carroll's Jesuit Oath precluded the possibility of his having any interest in his native country, consequently he had to think in the same channel as his French compatriots in religion. That he, a few years later, merited the distinction from his church to be made the first Archbishop of Baltimore, and was permitted to live to the ripe old age of four score years, is proof positive that he served his church faithfully by strictly adhering to his Jesuit Oath. The first Archbishop of Baltimore left his indelible stamp on that diocese as was clearly demonstrated during the Civil War, for every plot to assassinate President Lincoln, and there were many, were hatched in Baltimore—in fact, Baltimore is the Vienna of America.

The fact also must not be overlooked, that there were less than 30,000 Romanists and 25 priests in the Colonies at the breaking out of the Revolution. This, of course, was a handicap to the Reverend Carroll.

The first Archbishop of Baltimore must have been, however, thoroughly conversant with the rumblings of the Revolution in Europe, for his Society was having some "rough sledding" during the early eighteenth century when he arrived in Flanders, and its members were being driven out of first one country and then another.

The great battle for political freedom was being bitterly waged between the Jesuits on one hand and Freemasonry on the other, just as in the final analysis of the present irrepressible conflict in the United States today, these two forces are lining up, a fact which is becoming more obvious as time goes on.

They stand today as they have always stood, these Jesuits, against every principle upon which Freemasonry is founded—upon which Americanism is based.

A group of French cyclopedists, led by Jean Jacques Rousseau, had embodied a new concept of government, in which the central postulate was, that the only authority to govern should come from the consent of the governed. This was whipped into shape and published early in the eighteenth century and boldly proclaimed to the world by Rousseau in his "Social Contract"—contract of society. Eleven years after, Thomas Jefferson, Thomas Paine and other framers of our Declaration of Independence, incorporated it in that great chart of liberty, and when the silver tones of our old Liberty Bell in Philadelphia rang it out on July 4th, 1776, it reverberated around the world and stirred the red blood of every divine-right hater to its depths:

"Gravely plain the good pen lined it,
And the fifty-six all signed it;
Pledged their lives to seal and bind it, True and well!
Then sudden from the steeple,
Clanged the tocsin of the people,
Spoke the sum of history's pages,

Pealed the thoughts of saints and sages,
Rang the keynote of the ages,—in the Bell."
("The Liberty Bell" by Howard S. Taylor.)

It is difficult now for us to realize the boldness and courage required of that little group of Colonial Rebels who gathered around the table in Independence Hall in Philadelphia, to sign that document. It was a grim joke, indeed, that Benjamin Franklin sprung when he took up the pen to write in his name, and said: "Gentlemen, we must now all hang together, for if we don't, we will hang separately."

The success of the Revolution in the American Colonies gave the stimulation to the French to revolt in 1789. The triumphant conclusion of John Wilkes' battle for a free press in England, the rumblings of revolt in the Papal States where the pope was king, all these held the cradle of Popular Government in this country in security until the infant had dropped its swaddling clothes, and got a fair start to grow.

John Carroll was studying in the Jesuit College in Flanders when Rousseau's Social Contract set Europe ablaze with its message to the downtrodden masses. The sensation precipitated by that revolutionary proclamation can be but faintly imagined now. Certain it is that the pope of Rome with the rest of the crown heads of Europe saw the handwriting on the wall, if the New Idea of government were permitted to take root.

Four years later John Carroll was a full-fledged Jesuit priest, and was returned to his native land where he had an opportunity to get a close-up of the working out of the first Popular Government where the people were the only source of authority.

In 1808 this Jesuit priest was created the first Archbishop of Baltimore, by his Lord-God the pope. In receiving the pallium he took a more disloyal oath of allegiance than that as a priest, to direct the work of his Order and his church.

Verily, "The ways of God are wondrous strange." Who would have thought that a few months later an infant son would be born to a pioneer couple in the backwoods of Kentucky, in a rude log hut, who was destined to, fifty years later, with one blow, defeat the cautiously laid plans of the Vatican, its Jesuits, the Romanofs of Russia, the Hapsburgs of Austria and the King of Prussia!

I have often pictured the baby Lincoln playing about the humble log cabin in the Kentucky woods, whose life was no different from the infant life of other children of the pioneers, except in the greater degree of poverty, and wondered if by chance in her day dreams, Nancy Hanks Lincoln could have glimpsed the perspective in which her baby boy was destined to become the savior of this Popular Government; if, when she gathered him to her proud motherly heart, quieting him to sleep with a crooning lullaby, which all mothers sing, the noble but storm-tossed future of the child she snuggled might by chance, like summer lightning, have flashed over her vision? And, in my

mind's eye, I pictured the meeting on the other side of the Great Divide of this mother and son on the morning of April 15th, 1865, and the happy look of triumph in her glistening eyes as she beheld him in the immortal garb of martyrdom which his enemies had inadvertently placed upon him.

I haven't listened to this broadcast so I have no idea about Skolnick's condition. We know the establishment are after his group in the Chicago court system. I wouldn't put it past Skolnick receiving the Cup of Borgia. He should be given all the data on Ozone etc asap which could save his life like it did with Eric Jon Phelps and his Rife machine.

What do you rememeber about Eric Phelps bypassing an attempt on his life with the cup of Borgia, Craig?

CRAIG-OXLEY - April 4, 2007 02:32 PM (GMT)

Quite frankly you can ask Phelps himself about this. When the true Cup of Borgia comes you will know about it just as Max Gerson, Yitnaz Rabin, Ariel Sharon and many others have found out.

ArchAngel - February 24, 2007 01:05 AM (GMT)

And I opened the first seal.
And I saw, and beheld the Angel of the Air,
And between her lips flowed the breath of life,
And she knelt over the earth
And gave to man the winds of wisdom,
And man breathed in.
And when he breathed out, the sky darkened,
And the sweet air became fetid,
And clouds of evil smoke hung low over all the earth.
And I turned my face away in shame.

And I opened the second seal.
And I saw, and beheld the Angel of the Water.
And between her lips flowed the water of life,
And she knelt over the Earth
And gave to man an ocean of love.
And man entered the clear and shining waters.
And when he touched the water, the clear streams darkened,
And the crystal waters became thick with slime,
And the fish lay gasping in the foul blackness,
And all the creatures died of thirst.
And I turned my face away in shame.

And I opened the third seal.
And I saw and beheld the Angel of the Sun.
And between her lips flowed the light of life,
And she knelt over the earth
And gave to man the Fires of Power.
And the strength of the Sun entered the heart of man,

And he took the power, and made with it a false sun,
And he spread the fires of destruction,
Burning the forests,
Laying waste the green valleys,
Leaving only charred bones of his brothers.
And I turned away in shame.

And I opened the fourth seal.
And I saw, and beheld the Angel of Joy.
And between her lips flowed the music of life,
And she knelt over the Earth
And gave to man the song of peace.
And peace and joy like music
Flowed through the soul of man.
But he heard only the harsh discord of sadness and discontent,
And he lifted up his sword
And cut off the heads of the singers.
And I turned my face away in shame.

And I opened the fifth seal.
And I saw, and beheld the Angel of Life.
And between her lips
Flowed the holy alliance between God and Man,
And she knelt over the Earth
And gave to man the gift of Creation.
And man created a sickle of iron in the shape of a serpent,
And the harvest he reaped was of hunger and death.
And I turned my face away in shame.

And I opened the sixth seal.
And I saw, and beheld the Angel of the Earth.
And between her lips flowed the river of eternal life,
And she knelt over the Earth
And gave to man the secret of eternity,
And told him to open his eyes
And behold the mysterious Tree of Life in the Endless Sea.
But man lifted up his hand and put out his own eyes,
And said there is no eternity.
And I turned my face away in shame.

And I opened the seventh seal.
And I saw, and beheld the Angel of the Earthly Mother.
And she brought with her a message of blazing light
From the throne of the Heavenly Father.

And this message was for the ears of Man alone,
He who walks between the Earth and Heaven,
And into the ear of man was whispered the message.
And he did not hear.
But I did not turn away my face in shame.
Lo, I reached out my hand to the wings of the angel,
And turned my voice to heaven saying,
"Tell me the message. For I would eat of the fruit
Of the Tree of Life that grows in the Sea of Eternity."

And the angel looked upon me with great sadness,
And there was silence in Heaven.

Another amazing discovery was made in 1923. Edmond Bordeaux Szekely was able to discover Essene documents in the secret archives of the Vatican. In his book *The Discovery of the Essene Gospel of Peace*, he tells the story of how two chess players helped him meet the renowned Msgr. Angelo Mercati, Prefect of the Vatican Archives. He told the Prefect of his desire to learn all he could of the Saint called Francis. He was allowed to research the vast 25 miles of bookshelves containing scrolls, parchments, paper manuscripts and codices. Within the labarinth he found an aramaic translation of The Essene Gospel of Peace as well as the The Essene Book of Revelation. His research led him to seek out the Benedictine monastery of Monte Cassino. He was allowed, because of a letter of Msgr. had written granting access to the large vitrines in the Scriptorium. There he found the original Hebrew codices of The Essene Gospel of Peace, the source for the Aramaic version found at the secret Vatican Archives.

Whether you believe in the "Essene Jesus" or not, the fact is, if you mould your life on the teachings of Jesus as contained in the Essene Gospel -- becoming a **vegetarian**, using **fasting and prayer** (meditation) to raise your spiritual vibration, you will see for yourself the remarkable benefits to your health, clarity of mind and heart, and awakening of higher spiritual faculties that occurs by discarding a meat-eating lifestyle, as commanded below by Jesus.

best regards

excerpt:

But they answered him: "Whither should we go, Master, for with you are the words of eternal life? Tell us, what are the sins which we must shun, that we may nevermore see disease?"

Jesus answered: "Be it so according to your faith," and he sat down among them, saying:

"It was said to them of old time, 'Honor thy Heavenly Father and thy Earthly Mother, and do their commandments, that thy days may be long upon the earth.' And next afterward was given this commandment, 'Thou shalt not kill,' for life is given to all by God, and that which God has given, let not man take away. For-I tell you truly, from one Mother proceeds all that lives upon the earth. Therefore, he who kills, kills his brother. And from him will the Earthly Mother turn away, and will pluck from him her quickening breasts. And he will be shunned by her angels, and Satan will have his dwelling in his body. And the flesh of slain beasts in his body will become his own tomb.

For I tell you truly, he who kills, kills himself, and whoso eats the flesh of slain beasts, eats of the body of death. For in his blood every drop of their blood turns to poison; in his breath their breath to stink; in his flesh their flesh to boils; in his bones their bones to chalk; in his bowels their bowels to decay; in his eyes their eyes to scales; in his ears their ears to waxy issue. And their death will become his death. For only in the service of your Heavenly Father are your debts of seven years forgiven in seven clays. But Satan forgives you nothing and you must pay him for all. 'Eye for eye, tooth for tooth, hand for hand, foot for foot; burning for burning, wound for wound; life for life, death for death.'

For the wages of sin is death. Kill not, neither eat the flesh of your innocent prey, lest you become the slaves of Satan. For that is the path of sufferings, and it leads unto death. But do the will of God, that his angels may serve you on the way of life.

Obey, therefore, the words of God: 'Behold, I have given you every herb bearing seed, which is upon the face of all the earth, and every tree, in the which is the fruit of a tree yielding seed; to you it shall be for meat. And to every beast of the earth, and to every fowl of the air, and to everything that creepeth upon the earth, wherein there is breath of life, I give every green herb for meat. Also the milk of every thing that moveth and liveth upon earth shall be meat for you; even as the green herb have I given unto them, so I give their milk unto you. But flesh, and the blood which quickens it, shall ye not eat. And, surely, your spurting blood will I require, your blood wherein is your soul; I will require all slain beasts, and the souls of all slain men. For I the Lord thy God am a God

strong and jealous, visiting the iniquity of the fathers upon the children unto the third and fourth generation of them that hate me; and showing mercy unto thousands -of them that love me, and keep my commandments. Love the Lord thy God with all thy heart, and with all thy soul, and with all thy strength: this is the first and greatest commandment.' And the second is like unto it: 'Love thy neighbor as thyself' There is none other commandment greater than these."

And after these words they all remained silent, save one, who called out: "What am I to do, Master, if I see a wild beast rend my brother in the forest? Shall I let my brother perish, or kill the wild beast? Shall not I thus transgress the law?"

And Jesus answered: "It was said to them of old time: "All beasts that move upon the earth, all the fish of the sea, and all the fowl of the air are given into thy power." I tell you truly, of all creatures living upon the earth, God created only man after his image. Wherefore beasts are for man, and not man for beasts. You do not, therefore, transgress the law if you kill the wild beast to save your brother's life.

For I tell you truly, man is more than the beast. But he who kills the beast without a cause, though the beast attack him not, through lust for slaughter, or for its flesh, or for its hide, or yet for its tusks, evil is the deed which he does, for he is turned into a wild beast himself. Wherefore is his end also as the end of the wild beasts."

Then another said: "Moses, the greatest in Israel, suffered our forefathers to eat the flesh of clean beasts, and forbade only the flesh of unclean beasts. Why, therefore, do you forbid us the flesh of all beasts? Which law comes from God? That of Moses, or your law?"

And Jesus answered: "God gave, by Moses, ten commandments to your forefathers. 'These commandments are hard,' said your forefathers, and they could not keep them. When Moses saw this, he had compassion on his people, and would not that they perish. And then he gave them ten times ten commandments. For he whose feet are strong as the mountain of Zion, needs no crutches; but he whose limbs do shake, gets further having crutches, than without them. And Moses said to the Lord: 'My heart is filled with sorrow, for my people will be lost. For they are without knowledge, and are not able to understand thy commandments. They are as little children who cannot yet understand their father's words. Suffer, Lord, that I give them other laws, that they may not perish. if they may not be with thee, Lord, let them not be against thee; that they may sustain themselves, and when the time has come, and they are ripe for thy words, reveal to hem thy laws.'

For that did Moses break the two tablets of s tone whereon were written the ten commandments, and he gave them ten times ten in their stead. And of these ten times ten the Scribes and Pharisees have made a hundred times ten commandments. And they have laid unbearable burdens on your shoulders, that they themselves do not

carry. For the more nigh are the commandments to God, the less do we need; and the farther they are from God, then the more do we need. Wherefore are the laws of the Pharisees and Scribes innumerable; the laws of the Son of Man seven; of the angels three; and of God one.

"Therefore, I teach you only those laws which you can understand, that you may become men, and follow the seven laws of the Son of Man. Then will the unknown angels of the Heavenly Father also reveal their laws to you, that God's holy spirit may descend upon you, and lead you to his law."

And all were astonished at his wisdom, and asked him: "Continue, Master, and teach us all the laws which we can receive."

And Jesus continued: "God commanded your forefathers: 'Thou shalt not kill.' But their heart was hardened and they killed. Then Moses desired that at least they should not kill men, and he suffered them to kill beasts. And then the heart of your forefathers was hardened yet more, and they killed men and beasts likewise. But I do say to you: Kill neither men, nor beasts, nor yet the food which goes into your mouth. For if you eat living food, the same will quicken you, but if you kill your food, the dead food will kill you also. **For life comes only from life, and from death comes always death. For everything which kills your foods, kills your bodies also.**

And everything which kills your bodies kills your souls also. And your bodies become what your foods are, even as your spirits, likewise, become what your thoughts are. Therefore, eat not anything which fire, or frost, or water has destroyed. For burned, frozen and rotted foods will burn, freeze and rot your body also. Be not like the foolish husbandman who sowed in his ground cooked, and frozen, and rotten seeds. And the autumn came, and his fields bore nothing. And great was his distress. But be like that husbandman who sowed in his field living seed, and whose field bore living ears of wheat, paying a hundredfold for the seeds which he planted. For I tell you truly, live only by the fire of life, and prepare not your foods with the fire of death, which kills your foods, your bodies and your souls also."

"Master, where is the fire of life?" asked some of them.

"In you, in your blood, and in your bodies."

"And the fire of death?" asked others.

"It is the fire which blazes outside your body, which is hotter than your blood. With that fire of death you cook your foods in your homes and in your fields. I tell you truly, it is the same fire which destroys your foods and your bodies, even as the fire of malice, which ravages your thoughts, ravages your spirits. For your body is that which you eat, and your spirit is that which you think. Eat nothing, therefore, which a stronger fire than

the fire of life has killed. Wherefore, prepare and eat all fruits of trees, and all grasses of the fields, and all milk of beasts good for eating. For all these are fed and ripened by the fire of life; all are the gift of the angels of our Earthly Mother. But eat nothing to which only the fire of death gives savor, for such is of Satan."

"How should we cook our daily bread without fire, Master?" asked some with great astonishment.

"Let the angels of God prepare your bread. Moisten your wheat, that the angel of water may enter it. Then set it in the air, that the angel of air also may embrace it. And leave it from morning to evening beneath the sun, that the angel of sunshine may descend upon it. And the blessing of the three angels will soon make the germ of life to sprout in your wheat. Then crush your grain, and make thin wafers, as did your forefathers when they departed out of Egypt, the house of bondage. Put them back again beneath the sun from its appearing, and when it is risen to its highest in the heavens, turn them over on the other side that they be embraced there also by the angel of sunshine, and leave them there until the sun be set. For the angels of water, of air, and of sunshine fed and ripened the wheat in the field, and they, likewise, must prepare also your bread. And the same sun which, with the fire of life, made the wheat to grow and ripen, must cook your bread with the same fire. For the fire of the sun gives life to the wheat, to the bread, and to the body. But the fire of death kills the wheat, the bread, and the body. And the living angels of the living God serve only living men. For God is the God of the living, and not the God of the dead.

"So eat always from the table of God: the fruits of the trees, the grain and grasses of the field, the milk of beasts, and the honey of bees. For everything beyond these is of Satan, and leads by the way of sins and of diseases unto death. But the foods which you eat from the abundant table of God give strength and youth to your body, and you will never see diseases. For the table of God fed Methuselah of old, and I tell you truly, if you live even as he lived, then will the God of the living give you also long life upon the earth as was his.

"For I tell you truly, the God of the living is richer than all the rich of the earth, and his abundant table is richer than the richest table of feasting of all the rich upon the earth. Eat, therefore, all your life at the table of our Earthly Mother, and you will never see want. And when you eat at her table, eat all things even as they are found on the table of the Earthly Mother. Cook not, neither mix all things one with another, lest your bowels become as steaming bogs. For I tell you truly, this is abominable in the eyes of the Lord.

"And be not like the greedy servant, who always ate up, at the table of his lord, the portions of others. And he devoured everything himself, and mixed all together in his gluttony. And seeing that, his lord was wroth with him, and drove him from the table. And when all had ended their meal, he mixed together all that remained upon the table,

and called the greedy servant to him, and said: 'Take and eat all this with the swine, for your place is with them, and not at my table.'

"Take heed, therefore, and defile not with all kinds of abominations the temple of your bodies. Be content with two or three sorts of food, which you will find always upon the table of our Earthly Mother. And desire not to devour all things which you see around you. For I tell you truly, if you mix together all sorts of food in your body, then the peace of your body will cease, and endless war will rage in you. And it will be blotted out even as homes and kingdoms divided against themselves work their own destruction. For your God is the God of peace, and does never help division. Arouse not, therefore, against you the wrath of God, lest he drive you from his table, and lest you be compelled to go to the table of Satan, where the fire of sins, diseases, and death will corrupt your body.

"And when you eat, never eat unto fulness. Flee the temptations of Satan, and listen to the voice of God's angels. For Satan and his power tempt you always to eat more and more. But live by the spirit, and resist the desires of the body. And your fasting is always pleasing in the eyes of the angels of God. So give heed to how much you have eaten when your body is sated, and always eat less by a third.

"Let the weight of your daily food be not less than a mina, but mark that it go not beyond two. Then will the angels of God serve you always, and you will never fall into the bondage of Satan and of his diseases. Trouble not the work of the angels in your body by eating often. For I tell you truly, he who eats more than twice in the day does in him the work of Satan. And the angels of God leave his body, and soon Satan will take possession of it. Eat only when the sun is highest in the heavens, and again when it is set. And you will never see disease, for such finds favor in the eyes of the Lord. And if you will that the angels of God rejoice in your body, and that Satan shun you afar, then sit but once in the day at the table of God. And then your days will be long upon the earth, for this is pleasing in the eyes of the Lord. Eat always when the table of God is served before you, and eat always of that which you find upon the table of God. For I tell you truly, God knows well what your body needs, and when it needs.

"From the coming of the month of Ijar, eat barley; from the month of Sivan, eat wheat, the most perfect among all seed-bearing herbs. And let your daily bread be made of wheat, that the Lord may take care of your bodies. From Tammuz, eat the sour grape, that your body may diminish and Satan may depart from it. In the month of Elul, gather the grape that the juice may serve you as drink. In the month of Marchesvan, gather the sweet grape, dried and sweetened by the angel of sun, that your bodies may increase, for the angels of the Lord dwell in them. You should eat figs rich in juice in the months of Ab and Shebat, and what remain, let the angel of sun keep them for you; eat them with the meat of almonds in all the months when the trees bear no fruits. And the herbs which come after rain, these eat in the month of Thebet, that your blood may be cleansed of all your sins. And in the same month begin to eat also the milk of your

beasts, because for this did the Lord give the herbs of the fields to all the beasts which render milk, that they might with their milk feed man. For I tell you truly, happy are they that eat only at the table of God, and eschew all the abominations of Satan. Eat not unclean foods brought from far countries, but eat always that which your trees bear. For your God knows well what is needful for you, and where and when. And he gives to all peoples of all kingdoms for food that which is best for each. Eat not as the heathen do, who stuff themselves in haste, defiling their bodies with all manner of abominations.

"For the power of God's angels enters into you with the living food which the Lord gives you from his royal table. And when you eat, have above you the angel of air, and below you the angel of water. Breathe long and deeply at all your meals, that the angel of air may bless your repasts. And chew well your food with your teeth, that it become water, and that the angel of water turn it into blood in your body. And eat slowly, as it were a prayer you make to the Lord. For I tell you truly, the power of God enters into you, if you eat after this manner at his table. But Satan turns into a steaming bog the body of him upon whom the angels of air and water do not descend at his repasts. And the Lord suffers him no longer at his table. For the table of the Lord is an altar, and he who eats at the table of God is in a temple. For I tell you truly, the body of the Son of Man is turned into a temple, and his inwards into an altar, if he does the commandments of God. Wherefore, put naught upon the altar of the Lord when your spirit is vexed, neither think upon any one with anger in the temple of God. And enter only into the Lord's sanctuary when you feel in yourselves the call of his angels, for all that you eat in sorrow, or in anger, or without desire, becomes a poison in your body. For the breath of Satan defiles all these. Place with joy your offerings upon the altar of your body, and let all evil thoughts depart from you when you receive into your body the power of God from his table. And never sit at the table of God before he call you by the angel of appetite.

"Rejoice, therefore, always with God's angels at their royal table, for this is pleasing to the heart of the Lord. And your life will be long upon the earth, for the most precious of God's servants will serve you all your days: the angel of joy.

"And forget not that every seventh day is holy and consecrated to God. On six days feed your body with the gifts of the Earthly Mother, but on the seventh day sanctify your body for your Heavenly Father. On the seventh day eat not any earthly food, but live only on the words of God, and be all the day with the angels of the Lord in the kingdom of the Heavenly Father. And on the seventh day let the angels of God build the kingdom of the heavens in your body, as you labor for six days in the kingdom of the Earthly Mother. And let not food trouble the work of the angels in your body throughout the seventh day. And God will give you long life upon earth, that you may have life everlasting in the kingdom of the heavens. For I tell you truly, if you see not diseases any more upon earth, you will live for ever in the kingdom of the heavens.

"And God will send you each morning the angel of sunshine to wake you from your

sleep. Therefore, obey your Heavenly Father's summons, and lie not idle in your beds, for the angels of air and water await you already without. And labor all day long with the angels of the Earthly Mother that you may come to know them and their works ever more and more well. But when the sun is set, and your Heavenly Father sends you his most precious angel, sleep, then take your rest, and be all the night with the angel of sleep. And then will your Heavenly Father send you his unknown angels, that they may be with you the livelong night. And the Heavenly Father's unknown angels will teach you many things concerning the kingdom of God, even as the angels that you know of the Earthly Mother, instruct you in the things of her kingdom. For I tell you truly, you will be every night the guests of the kingdom of your Heavenly Father, if you do his commandments. And when you wake up upon the morrow, you will feel in you the power of the unknown angels. And your Heavenly Father will send them to you every night, that they may build your spirit, even as every day the Earthly Mother sends you her angels, that they may build your body. For I tell you truly, if in the daytime your Earthly Mother folds you in her arms, and in the night the Heavenly Father breathes his kiss upon you, then will the Sons of Men become the Sons of God.

"Resist day and night the temptations of Satan. Wake not by night, neither sleep by day, lest the angels of God depart from you.

"And take no delight in any drink, nor in any smoke from Satan, wakening you by night and making you to sleep by day. For I tell you truly, all the drinks and smokes of Satan are abominations in the eyes of your God.

"Commit not whoredom, by night or by day, for the whoremonger is like a tree whose sap runs out from its trunk. And that tree will be dried up before its time, nor will it ever bear fruit. Therefore, go not a-whoring, lest Satan dry up your body, and the Lord make your seed unfruitful.

"Shun all that is too hot and too cold. For it is the will of your Earthly Mother that neither heat nor cold should harm your body. And let not your bodies become either hotter or colder than as God's angels warm or cool them. And if you do the commandments of the Earthly Mother, then as oft as your body becomes too hot, will she send the angel of coolness to cool you, and as oft as your body becomes too cold, will she send you the angel of heat to warm you again.

"Follow the example of all the angels of the Heavenly Father and of the Earthly Mother, who work day and night, without ceasing, upon the kingdoms of the heavens and of the earth. Therefore, receive also into yourselves the strongest of God's angels, the angel of deeds, and work all together upon the kingdom of God. Follow the example of the running water, the wind as it blows, the rising and setting of the sun, the growing plants and trees, the beasts as they run and gambol, the wane and waxing of the moon, the stars as they come and go again; all these do move, and do perform their labors. For all which has life does move, and only that which is dead is still. And God is the God of the

living, and Satan that of the dead. Serve, therefore, the living God, that the eternal movement of life may sustain you, and that you may escape the eternal stillness of death. Work, therefore, without ceasing, to build the kingdom of God, lest you be cast into the kingdom of Satan. For eternal joy abounds in the living kingdom of God, but still sorrow darkens the kingdom of death of Satan. Be, therefore, true Sons of your Earthly Mother and of your Heavenly Father, that you fall not as slaves of Satan. And your Earthly Mother and Heavenly Father will send you their angels to teach, to love, and to serve you. And their angels will write the commandments of God in your head, in your heart, and in your hands, that you may know, feel, and do God's commandments.

"And pray every day to your Heavenly Father and Earthly mother, that your soul become as perfect as your Heavenly Father's holy spirit is perfect, and that your body become as perfect as the body of your Earthly Mother is perfect. For if you understand, feel, and do the commandments, then all for which you pray to your Heavenly Father and your Earthly Mother will be given you. For the wisdom, the love, and the power of God are above all.

"After this manner, therefore, pray to your Heavenly Father: Our Father which art in heaven, hallowed be thy name. Thy kingdom come. Thy will be done on earth as it is in heaven. Give us this day our daily bread. And forgive us our debts, as we forgive our debtors. And lead us not into temptation, but deliver us from evil. For thine is the kingdom, the power, and the glory, for ever. Amen.

"And after this manner pray to your Earthly Mother: Our Mother which art upon earth, hallowed be thy name. Thy kingdom come, and thy will be done in us, as it is in thee. As thou sendest every day thy angels, send them to us also. Forgive us our sins, as we atone all our sins against thee. And lead us not into sickness, but deliver us from all evil, for thine is the earth, the body, and the health. Amen.

And they all prayed together with Jesus to the Heavenly Father and to the Earthly Mother.

And afterwards Jesus spoke thus to them: "Even as your bodies have been reborn through the Earthly Mother's angels, may your spirit, likewise, be reborn through the angels of the Heavenly Father. Become, therefore, true Sons of your Father and of your Mother, and true Brothers of the Sons of Men. Till now you were at war with your Father, with your Mother, and with your Brothers. And you have served Satan. From today live at peace with your Heavenly Father, and with your Earthly Mother, and with your Brothers, the Sons of Men. And fight only against Satan, lest he rob you of your peace. I give the peace of your Earthly Mother to your body, and the peace of your Heavenly Father to your spirit. And let the peace of both reign among the Sons of Men.

"Come to me, all that are weary and that suffer in strife and affliction! For my peace will strengthen you and comfort you. For my peace is exceeding full of joy. Wherefore do I

always greet you after this manner: 'Peace be with you!' Do you always, therefore, so greet one another, that upon your body may descend the peace of your Earthly Mother, and upon your spirit the peace of your Heavenly Father. And then you will find peace also among yourselves, for the kingdom of God is within you. And now return to your Brothers with whom hitherto you were at war, and give your peace to them also. For happy are they that strive for peace, for they will find the peace of God. Go, and sin no more. And give to every one your peace, even as I have given my peace unto you. For my peace is of God. Peace be with you."

And he left them.

And his peace descended upon them; and in their heart the angel of love, in their head the wisdom of law, and in their hands the power of rebirth, they went forth among the Sons of Men, to bring the light of peace to those that warred in darkness.

And they parted, wishing one to another:

"PEACE BE WITH YOU."

Jesus Was a Vegetarian, Why Aren't You?

<http://home.sprintmail.com/~angelman24/jesus.html>

In fact, Christ can not be found any place in the Bible as actually being seen eating flesh of any kind. Many of His parables referred to fishing and fishers of men, all have symbolic meaning as research proves.

Many state Jesus ate fish and the Passover Lamb; this is untrue, as writings from the early church fathers prove. In fact only in the past century has much light been shed on the actual life of Christ, as very little can be found in the Bible itself.

It would be contrary to expect otherwise from the Teacher of Righteousness, as He based His humane diet on the unchangeable laws of God at Gen. 1:29 where it speaks of a vegetarian diet. Verse 30 gives the same diet to the animals as well. This original law or divine formula was given to Adam and Eve in the Garden of Eden where nothing died. No killing of the animals, fowl, or fish would be tolerated in Eden, this was a Holy Sanctuary of God. I believe that the Garden of Eden, rather than being in the past, is actually a vision of what could await humanity if we are good stewards of the planet.

Yes, this divine formula for man's everlasting good health, both physical and spiritual, was of unchanging nature. What was good for Adam would also be good for Jesus and even man today. Read James 1:16-18.

Adam and Eve (symbolizing humanity in the beginning) were created in perfect health by the greatest physician in the Universe, Jehovah God. To argue other-wise, that God did not know what He was doing at the time would indeed be foolish.

The Bible speaks of the first man, Adam as becoming a living soul, as the last Adam (Christ) became a life giving spirit. I Cor. 15:45. Here we see Adam the perfect man of Eden compared to a second Adam, Christ. Why is this sin? What we are talking about here is the atonement (at-one-ment) or corresponding ransom that make Adam and Christ perfect examples of the human race.

In other words, when Adam lost his right to everlasting life through willful disobedience to God. God promised that He would provide a ransom that would buy back "so to speak" what Adam had lost. Only an equal of Adam before his fall could fit the bill.

None of Adam's offspring or animals would do. Only a perfect example in every respect could be the corresponding ransom, thus Jesus was mankind's' Savior or Adam's equal in all things. Romans 5:12-14 puts it nicely. Please look up in your Bible.

For this reason then, all men die today and only through God's mercy was a price paid to give fallen man a second chance at everlasting life and health. Adam's fall in Eden caused him to be driven out and cursed, thus sin and death spread to all men.

This fall from perfection would also be the reason for most of the terror that man would soon be responsible for. This would include man's new self-made carnivorous diet. For Bible account of Adam and Eve see: Genesis, chapters two and three.

God's only begotten son in heaven was thus willing to intercede for man by coming to earth, born as a child in a manger among friendly animals. He would eventually take on His special mission as the Christ or Messiah at age 30. Read Romans 5:15-21; Luke 2:6-12.

Adam and Jesus had to be equals, Adam could not out class in the smallest way, nor could Jesus do the same. Both had to be spiritually and physically perfect, as well as mentally alert to God's law. The bill was fitted perfectly, there were no differences to dispute. This is why we know for sure without any doubt that Jesus was a vegetarian,

from the day of His birth, until His dis-incarnation.

A sacred law had been given in Eden on man's diet. This was to be an unchanging law for all time to come. Adam partook of a clean humane diet, Jesus could not do any different, as He was bound by this same unchanging law.

From Adam to Jesus some 4000 years passed by, but this diet law was not changed or altered in any way. God's laws never change when the good of man is at stake, but man does change laws without God's permission. It was for this very reason that the 14th apostle, Paul, wrote these words at Romans 3: 3 & 4 quoted in part: "Yea, let God be found true, but every man a liar." A.S.V.

The very fact that these words were preserved in the Bible, stands as a warning example for us today to learn by. For what is inspired of God when first written, can be relied on as inspired truth. II Tim. 3:16 & 17 says in part: "All Scripture is inspired by God and useful for teaching, for reproof, for correction, for instruction in justice; that the man of God may be perfect."

However what lying men did later to these same inspired writings is of utmost importance to us today, if we are to truly understand God's original message. For more texts on the ransom see: John 3:16 & 17; I John 4:9 & 14; John 17:3; Ex. 21:23 & 24; Luke 19:10; Rom. 5:19; I Tim. 2:5 & 6; Matt. 1:20 & 21; Acts 4:12; Phil. 2:7 & 8; I Pet. 1:18 & 19; Tsa. 53:12; Rev. 5:9; Eph. 1:7. (The need for atonement was met by animal sacrifices in the temples. However, since mankind did not give life to the animals sacrificed, the life of the animal was not theirs to give. Besides, after the sacrifice, in most cases, the animals flesh was consumed after ritual bleeding. This was not really a sacrifice. A real sacrifice is when you give of yourself for the good of the Creation of whom we are stewards). (VCF)

THE ESSENES

The recent archaeological discoveries of the Dead Sea Scrolls have caused much new light to be shed on the life of Christ. These scrolls were found intact untouched by men for 2000 years, thus they came to us just as they were written down first hand. We are talking about the Essene scrolls, which means we do not have to rely on a second hand account subject to error, deletion, insertion, or interpolation.

The exciting and fascinating knowledge brought out in the Essene writings alone

amount to the greatest Biblical find of the 20th century if not all time! For an example, if we search out what we now have as the New Testament we find very little said about the life of Christ. Only the closest study reveals that Jesus was a vegetarian like Adam. Now, however when comparing the Essene writings with what we now have on Jesus, we arrive at a complete clear picture of what the New Testament should have contained in the first place. That is, a more detailed story of the greatest humane creature that ever lived. A true Son of God that displayed love, mercy and compassion the like of which the world had never known!

According to *Josephus, an early Bible historian, only three sects were on the scene when Jesus was born. He named the Pharisees, Sadducees and the Essenes.

Up until the discovery of the Dead Sea Scrolls. very little was known of these Holy men of old, the Essenes. Now we know why the Essenes were among the three Jewish religious sects. First of all both the Pharisees and Sadducees condemned and rejected Jesus as the Christ.

Both of these sects were charged by the Essenes to have garbled the pure law of Moses and were thus under God's adverse judgment. They despised the Essenes. The Essenes on the other hand were known for their Godliness and had nothing to do with the traditions of men. They rejected even the animal sacrifices and temple service of their contemporaries. Because of this they were looked down on by the very ones that were hiding behind God, and pretending to be doing God's will.

The Essenes proved true to be the very ones awaiting the birth of Jesus. They did not eat animal flesh, drink wine, offer animal sacrifice, eat blood in any form. They forbid slavery, refused to take part in war or carry weapons and lived humble simple lives. They were known and respected for their Godliness and their reliance on God's prophets, especially Daniel, Jeremiah and Isaiah.

In fact for the same reasons Jesus was hated, so were the Essenes. Yes, the Essenes proved to be the prepared people or holy ones ready for Jesus' first presence, ready for what Bible prophecy had promised to occur. There were many Essene communities in Israel; Nazareth, Jesus' home town was one of them. It is now also known that John the Baptist known for his natural diet of honey and locust beans (not insects) was also raised from a child by the Essenes in preparation for Christ's coming.

This is one more reason we know for certainty that Jesus was a vegetarian, there could be no other diet for the Son of God. Mark 1:1-11. The Essenes thus proved by their display of humane love as based on God's unchanging law that they indeed were the faithful Jewish remnant that were to be among the very first to fully accept Christianity.

Indeed Jehovah God did prove He had a people for His Name, despite the fact that most of Israel had failed Him miserably.

Thanks to the recent finds, the Dead Sea Scrolls which contained the Essene writings and much more, the Bible can now be vindicated along with Jesus' clean natural diet and His humane teachings. The Essenes ethical way of life proves that the entire Holy Family, Mary, Joseph and Jesus' earthly brothers and all of the Apostles including the last, Paul, were abstainers like the Essenes. Thus living up to Gen. 1:29 the divine formula for life and love.

This new breakthrough of knowledge has re-written the life of Christ and early Christianity, for it proves that God's law does not change, it proves men of today as liars only defending their lustful diets of flesh foods, in order to support "their own" way of life.

(Read "The Prophet of the Dead Sea Scrolls"- available through the Essene Cooperative for donation.) Yes, it is certainly beyond question that Jesus was of a humane nature and loved and respected all of God's creation; not only the human creation but the animal creation as well. The modern church with no exceptions is seriously in need of learning such truth all over again.

If they could only tear themselves away from their selfish vain pursuits long enough to examine such truth, they like Israel of old would be blessed rather than cursed as they now are for ignoring God's law.

All who hold to truth have always been hated and mocked through the ages, this is to be expected in a world that enjoys sin and lawlessness.

The Essenes were no exception, their contemporaries, the religious leaders of Jesus' day did indeed hate and mock the Essenes for their refusal to eat flesh and offer temple animal sacrifices. Christ too was hated for these same things not only by the false Jews but by the Romans as well that also sacrificed animals and followed many false gods like the sinful Jews.

The Essenes were a strong "sting" to these same ones that would soon be a threat to Jesus' life. Indeed, the Essenes or "holy ones" did prove every man a liar and God true in their quest for upholding God's pure worship as based on His unchanging laws of love, mercy, and justice for all His creation.

You must know by now, these laws have never really challenged the meek, for only the wicked seek to change what is good and pure. Hence, we see that the laws given in Eden, were not to be temporary, but permanent as a part of a Universal Law Code that all peoples of the vast Universe do live by and for.

"Thou shall not kill"

was one of such laws in Eden, that has never changed, it took in animals as well as humans. **THE VERY NATURE OF ALL RELIGION IS TO PROMOTE LIFE AND THE QUALITY OF LIFE!!!**

The fallen angel of Genesis, known in the Bible as the Devil or Satan was and still is the enemy of God and man alike. This original slanderer well knew of these holy laws and did his best to corrupt them and the people who live by them. In Eden, the Devil was behind Adam's fall from perfection, it was on this account of both willful Adam and Satan in and through sin against God's laws, that Eden was defiled.

Hence man was put outside; this would lead him and his offspring to total moral breakdown through their own choice. All the Universe was involved with this willful outbreak of disrespect for law and order. Yet this is no mistake! We must have the freedom of choice between good and the dark side of creation.

This was the first time ever that God was to be put to the test as to His universal sovereignty and right to rule His way. Christ therefore offered to intercede for man's behalf as a balance of justice for what sinner Adam had lost and also brought upon his offspring.

Through Christ then or the human value of His own life, man was rescued from a certain death with no hope ever of living again in a paradise earth like Adam did at the start. Read John 17:1-8. Everlasting life is now open for all those who seek out the humane Christ and find Him true. Are we to allow flesh foods and strong drink be our masters instead of Christ? One can not serve two masters and still please God. There is a wrong way and a right way in God's sight; to choose the wrong way would be to choose Satan as master rather than Jehovah. Read Romans 6:22 & 23.

NATURAL HEALTH REFORM

The Essenes proved like Adam and Eve, that God demands a humane diet for His people on earth as well as elsewhere. It was because of food or simple appetite that the

human race be condemned into misery and death.

In actual fact, Christ taught the people of His day, health reform, first through a clean humane diet and second through His great knowledge of His Father's purpose for all men. Spiritual and physical health reform are integral, they can not be separated for man to go one way or another, but rather, man must learn of it as a whole if he is to be accepted by his God.

Christ, the early writings of the Church prove, was a humane person in the complete sense of the word. The Essenes were living proof of this as the record shows. They were seldom ill, and lived to be over one hundred years old, true testimony of a clean diet from God. Today Jehovah God expects a holy people like the Essenes of old to be on hand or prepared for the second physical and spiritual presence of His Son Christ. Is diet your master and god?

Christ abhorred animal sacrifice and was sad to see the many thousands of His day butchered by the religious liars and frauds that they proved to be.

He reasoned like the Essenes who were well educated by the prophets, that animal sacrifice was of no value and a practice of ignorant nations.

Writings of the early church fathers all agree that all of the early Christians were of a humane diet as taught by Christ and His apostles, in fact this part of health reform was a vital teaching of Christ and an earmark of true Christians. However, when we look at the modern church. we find these truths covered up and rejected.

Everything goes for the sake of keeping members; how sad it really is for such knowledge to be deliberately hidden, especially with the world as it is today. It will be this downfall of the church that will cause Christ to say: "I never knew you; depart from me, you evil doers." Matthew 7:23 R.S.V.

THE EARLY CHURCH

Yes, it is hard to believe that modern religion can go this far, but they are doing just as the Devil wants; that is to slander truth, and make God appear evil. Public libraries everywhere contain the writings of the early church fathers like: Jerome, Tertullian, Clement, Chrysostom. Tatian, Trenaesus, Eusebius, Cyprian, not to mention others like Hegesippus Epephanus, Papias, Origen, Prudentius, Pantaenus, Pliny to name a few.

It is also understandable why Clement referred to Plato, Socrates and Pythagoras as having been divinely inspired for they also taught and practiced the same mercy towards the creatures, as is to be found in the prophets and in the person of Christ.

Yes, to name but a few, all of the above were vegetarians like their master, Christ. Much has been written and recorded by these greats, how could such great minds be wrong, how could such knowledge be ignored?

These same authorities also testify that many of the original writings of the Apostles were deliberately deleted by the early Roman Church, this of course is for obvious reasons; the same reason why Adam sinned, appetite, yes, lusting for things against God's law.

Things man does not need or ever did need for good health. Many of these inspired writings are still in existence today, some can be found in private collections the world over. Like the early fathers they too speak of a humane Jesus that based His teachings on uncompromised love and respect for all things held sacred to God.

This same kind of love has long been held back by the modern church. There is no excuse for this, as it has brought much dishonor to God and His Word. The Bible we now have is incomplete and interpolated by the various translators and politicians like Constantine who have made changes down through the centuries. However, the Dead Sea Scrolls can lead men back to truth concerning the humane Christ, if they so wish. Or they can be deliberately overlooked just as the early church fathers and their writings were the past 2000 years.

WHAT SHOULD A CHRISTIAN BE?

Christians were to stand out in the world as a really different people, a holy people. A clean diet would thus be a quality looked for among them as an aspect of real love and devotion to God and all of His creation. When we look at the modern church with its many divided sects, we see extremes.

On the one hand, we find some smaller sects following the health reform laws to God's favor. On the other hand, we find most, the vast majority living in total sin and not caring one way or the other about God's law. Among their combined interests we see business ventures, church-state relationships, some going as far as operating their own slaughter houses to satisfy their selfish tastes and lusts.

These very ones are those openly denying that Christ and Adam were vegetarians. It reminds one of the days of Noah before the Flood, where Genesis speaks of divine

judgment against man. Luke 17:26 & 27 tells of the people of Noah's time eating and drinking and marrying and being given in marriage. Luke 17:28 & 29 also speaks of the same things in Sodom and Gomorrah.

Luke 17:30 further states: "so will it be on that day when the Son of man is revealed." But what is wrong with eating and drinking? What is wrong with marriage? Nothing at all with these perfectly normal activities.

But why did Christ here in the book of Luke mention these things if nothing were wrong with them? Because there was something wrong with them; for they were eating and drinking of the wrong diet; a diet against health reform; a diet of flesh foods and strong drink! Noah was among the very first of the Essene class of pure worshippers of Jehovah, as he too pictured the Christ. The Ark pictured the future salvation of Jesus' new "health reform" message whereby opening up the "way" to life, for all men. So we see the sin of wrong diet.

Title: Jesuit interpretation that a corporation is a
Description: *person*

CRAIG-OXLEY - April 4, 2007 12:41 AM (GMT)

Everything!

In Roman Civil Law so beloved by the Jesuits, a corporation is treated just like a natural person. There is no difference. It is for this reason, that the Jesuit Inquisition known as the IRS taxes corporations just like natural persons. That tax is an "income" tax that is direct but uniform (not apportioned) on both artificial and natural persons. This is contrary to American Common Law and thus no American laborer should ever file a tax return or be prosecuted for not paying an "income tax" on his wages. A wage-earner in the law is a "non-taxpayer." (See www.nontaxpayer.org) There is no law requiring a wage earner to file a tax return, as wages are not "income" within the meaning of the word "income" as defined by the Sup Court. (See the DVD Freedom to Fascism.) We Americans have been defrauded of our labor (withholding) since 1943. And if you are ever on a jury and the Jesuit Order's IRS/Fascist Justice Department is attempting to use you to rubberstamp their conviction of a working man aided by the corrupt Federal Judges, please find the defendant NOT GUILTY! We exercise our rights as the fourth estate ON THE JURY and can ignore the Judge's instructions as he is our servant, not vice versa.

Brother Eric

Dear Mr. Phelps:

What role, if any did the Jesuits have in the interpretation that a corporation is a person?

thanks,
C McNeill

ps. found this at Portland indymedia

JagDRS - April 4, 2007 01:22 AM (GMT)

fwiw, a "person" is synonomous with "corporation" has also been established via Supreme Court precedence from many years back. Unfortunately, I'm not the kind of legal mind that can quote case number / chapter / verse the way many legal eagles can, so I cannot cite the specific Supreme Court case and ruling, but it was one of those more famous ones from (don't quote me) back in the early 1900s. I'll scrounge around and see if I can confirm which SCOTUS case this was.

Also, as far as I know, the SCOTUS is also on record as confirming that the word "income" has never been defined in the context of income tax laws. On the recent Arctic Beacon interview with Eric Phelps (MP3 posted here at the hive just a few days ago), Eric actually quoted this same sentiment. The really sad reality is, the average person who takes a stand to tries to pursue justice in taxation through the courts more often than not finds out how quickly this scenario turns into the famous Abbot and Costello skit "Who's on first?....Third Base.... I Don't Know..... weeeeEEEEEEEOOOOOOooooo!". It goes kinda like this: average person - "After an exhaustive research, I cannot find any law that defines the requirement for me, as a wage earner, to pay & file, therefore it seems the law is that I am not required to pay/file"; tax court - "ahHA, so you are a tax protestor, Third Base, weeeeEEEEEEEOOOOOOooooo". average person - "what is the law?, please show me the law and I will abide by it". tax court - "I Dont Know, weeeeEEEEEEEOOOOOOooooo".

Pope says hell and damnation are real and eternal

By Richard Owen in Rome

March 28, 2007 12:00am

<http://www.news.com.au/couriermail/story/0...090-954,00.html>

HELL is a place where sinners really do burn in an everlasting fire, and not just a religious symbol designed to galvanise the faithful, Pope Benedict XVI has said.

Addressing a parish gathering in a northern suburb of Rome, the Pope said that in the modern world many people, including some believers, had forgotten that if they failed to "admit blame and promise to sin no more", they risked "eternal damnation - the inferno".

Hell "really exists and is eternal, even if nobody talks about it much any more".

The Pope, who as cardinal Joseph Ratzinger was head of Catholic doctrine, noted that "forgiveness of sins" for those who repented was a cornerstone of Christian belief.

He recalled that Jesus had forgiven the "woman taken in adultery" and prevented her from being stoned to death, observing: "He that is without sin among you, let him first cast a stone at her."

God had given men and women free will to choose whether "spontaneously to accept salvation...the Christian faith is not imposed on anyone, it is a gift, an offer to mankind".

Vatican officials said the Pope - who is also the Bishop of Rome - had been speaking in "straightforward" language "like a parish priest".

He had wanted to reinforce the new Catholic catechism, which holds that hell is a "state of eternal separation from God", to be understood "symbolically rather than physically".

Agostino Paravicini Bagliani, a church historian, said the Pope was "right to remind us that hell is not something to be put on one side" as an inconvenient or embarrassing aspect of belief.

It was described by St Matthew as a place of "everlasting fire" (Matthew xxv, 41).

"The problem is not only that our sense of sin has declined, but also that the world wars and totalitarianisms of the 20th century created a hell on earth as bad as anything we can imagine in the afterlife," Professor Bagliani said.

In 1999, pope John Paul II said heaven was "neither an abstraction nor a physical place in the clouds, but that fullness of communion with God, which is the goal of human life".

Hell, by contrast, was "the ultimate consequence of sin itself. Rather than a place, hell indicates the state of those who freely and definitively separate themselves from God, the source of all life and joy".

In October, the Pope indicated that limbo, supposed since medieval times to be a "halfway house" between heaven and hell, was "only a theological hypothesis" and not a "definitive truth of the faith".

The Times, London, in The Australian

This is the guy who's telling me I'm going to eternally burn in a tortured hell if I don't follow and obey him?!?!?

HELL?? See you there kiddies!!!

(The above would make a lovely avatar methinks.) ;)

Alexandra - March 29, 2007 05:35 AM (GMT)

That's exactly where the pope is headed, too.

Christianity is not about control...it's about a relationship with Christ. Being the best-behaved person in the world won't keep you out of hell.

Catholicism is about "check your mind at the door."

watchman - March 29, 2007 05:44 AM (GMT)

The philosophical debate/discussion about "heaven" and "hell" is a whole different matter... However, I don't know how people in positions of power, such as the Pope or anyone of religious authority, can seriously try to take claim over the ownership of these concepts, which have been around in various forms for thousands, and perhaps even 10,000+ years or more..

The reflection of these subjects, on intellectual and psychological levels is vitally necessary not only for the evolution of a conscious species, but also of the soul.. But noone should put themselves in a position of absolute authority on any of these complex and diverse topics, which span the full length of our human history.

Hopefully in the future, our very notions of all of these vastly important paradigms will advance so far beyond our current perceptions, that we might finally evolve past religious wars, social stagnation and depravity.

A perpetual bloom, instead of a world that must be seemingly and eternally balanced by the polar duality of "heaven" and "hell" and opposing forces..

That the Catholic Church has said and done all that it has throughout it's history, should be proof to independent thinkers, that Scriptural Christianity is the most important study you can undertake, because that's the LAST thing they want anyone to do.

And the first thing you need to do to understand the difference between the two, is dump all references to EGYPT, which they don't even pretend to have inserted over the MIZRAIM... TRUELY Ancient, North and South America....and read the discriptive meaning of the Hebrew and Greek.

Even at the easy level of Strong's Exhaustive Corncorance, you'll see deception, confussion and (NON-existant) 'contradictions', simply melt away.

Like all the BS he's spewed in the OP.

That's exactly where the pope is headed, too.

Christianity is not about control...it's about a relationship with Christ. Being the best-behaved person in the world won't keep you out of hell.

Catholicism is about "check your mind at the door."

I've no real qualms with Christianity, but I have no qualms with the core of Buddhism, Islam or almost any particular religion. It's in the extremist factions where I disagree, and extremism isn't always about blowing yourself up..

It can equally be just as much about close mindedness, smugness, condemnation of others, or always trying to covert people around you to your own particular mode of thinking, based on your personal interpretations of religion.. Some people like to validate their own beliefs, by trying to make other people believe it.. And if they don't believe, then they are condemned to burn in a hell of their own making. And this can be any religion, not just Christianity, but I live in America, so it's the most prevelant..

To each their own, but we shouldn't try to convert people, or be closed to the **corruption and manipulation that goes on behind the scenes** with our various world religions..

Personally, besides the layers of sociological significance behind all of history, the social engineering aspects and playing on our fears and weaknesses, I find most religion to be about Sun/Moon/Planet worship, Astrotheology, in one form or another..

Christianity has many beautiful aspects, but overall it seems like an amalgamation of many faiths and traditions that came long before. Even if we take it back to "Gnostic" roots, or Paganism itself, there are still the mechnizations of ORGANIZED RELIGION behind it all.. A political/economic institution, of which religion is its strongest and most wide-reaching arm...

Alexandra - March 29, 2007 05:56 AM (GMT)

The thing is though, true, Bible-based Christianity is not an organized religion at all. Jesus spoke against organized religion believe it or not!

Christians don't have a set of rules to follow. The Holy Spirit guides Christians. That's not to say we can do anything we want, though!

Open up a King James Bible (or a foreign-language equivalent) and look at Romans chapter 6.

watchman - March 29, 2007 06:12 AM (GMT)

I respect your beliefs Alexandra, and there's no denying the genius of the Bible, and inspiration it can provide for many. That being said, at what end? Just due to the fact that it is written down in a comformity of belief structure, represents and Organized Religion. There is unlimited negativity, racism, mutilation, death, vengence, and end times prophecy in the Bible, that while I understand it's significance, it's turned me off

from having "faith" in ANY particular religious branch..

I appreciate the mythology of it all, and historical value, allegories and lessons, but the only thing I really have "faith" in, is that there is a "God" and a purpose, a spritual existence, and that we all truly are eternal...

Goodness and Truth, Love and Compassion.. These should be the tenets of any spiritual faith, and a single "man icon" isn't really necessary to have this faith, which I believe has always been inherent in wise and noble peoples of this world.

Even animals show compassion and love, friendship and courage. "God" and divinity has always been at our core regardless of our "primitive" physical masks and costumes which we must wear in the reality of this planet..

Just to do Good for Good's sake.. Simple goodness..

I understand the need for religion up to this point, I just don't personally follow any specific religious affiliation. Studying religion is important though, and we should be open to the research of all the various beliefs systems..

It all makes for some extremely fascinating research, and is amazing how many pieces actually fit together!!!

The people who wrote these books were no dummies, that's for sure! Though, one way or another, some of their words and teachings are on the verge of being outdated...

Luther77 - April 3, 2007 06:36 PM (GMT)

This is not a reply to anyone in particular in this thread, but I always hear it being said that following any religion is about control. I agree, in some cases, when individuals look towards a living religious leader that can manipulate them. However, how can one go wrong with the teachings of Christ Jesus? Yahushua Christ Jesus teachings are most definatly NOT about control....it's about a personal relationship with God and taking a hard look at ourselves as individuals. Changing the world for the better starts with looking inside and bettering your very soul. One example is Matthew Chapter 6 verses 5 through 7.

5 And when thou prayest, thou shalt not be as the hypocrites are: for they love to pray standing in the synagogues and in the corners of the streets, that they may be seen of men. Verily I say unto you, They have their reward.

6 But thou, when thou prayest, enter into thy closet, and when thou hast shut thy door, pray to thy Father which is in secret; and thy Father which seeth in secret shall reward thee openly.

7 But when ye pray, use not vain repetitions, as the heathen do: for they think that they shall be heard for their much speaking.

8 Be not ye therefore like unto them: for your Father knoweth what things ye have need of, before ye ask him.

This passage is NOT about control!!

Pope says hell and damnation are real and eternal

By Richard Owen in Rome

March 28, 2007 12:00am

<http://www.news.com.au/couriermail/story/0...090-954,00.html>

HELL is a place where sinners really do burn in an everlasting fire, and not just a religious symbol designed to galvanise the faithful, Pope Benedict XVI has said.

Addressing a parish gathering in a northern suburb of Rome, the Pope said that in the modern world many people, including some believers, had forgotten that if they failed to "admit blame and promise to sin no more", they risked "eternal damnation - the inferno".

Hell "really exists and is eternal, even if nobody talks about it much any more".

The Pope, who as cardinal Joseph Ratzinger was head of Catholic doctrine, noted that "forgiveness of sins" for those who repented was a cornerstone of Christian belief.

He recalled that Jesus had forgiven the "woman taken in adultery" and prevented her from being stoned to death, observing: "He that is without sin among you, let him first cast a stone at her."

God had given men and women free will to choose whether "spontaneously to accept salvation...the Christian faith is not imposed on anyone, it is a gift, an offer to mankind".

Vatican officials said the Pope - who is also the Bishop of Rome - had been speaking in "straightforward" language "like a parish priest".

He had wanted to reinforce the new Catholic catechism, which holds that hell is a "state of eternal separation from God", to be understood "symbolically rather than physically".

Agostino Paravicini Bagliani, a church historian, said the Pope was "right to remind us that hell is not something to be put on one side" as an inconvenient or embarrassing aspect of belief.

It was described by St Matthew as a place of "everlasting fire" (Matthew xxv, 41).

"The problem is not only that our sense of sin has declined, but also that the world wars and totalitarianisms of the 20th century created a hell on earth as bad as anything we can imagine in the afterlife," Professor Bagliani said.

In 1999, pope John Paul II said heaven was "neither an abstraction nor a physical place in the clouds, but that fullness of communion with God, which is the goal of human life".

Hell, by contrast, was "the ultimate consequence of sin itself. Rather than a place, hell indicates the state of those who freely and definitively separate themselves from God, the source of all life and joy".

In October, the Pope indicated that limbo, supposed since medieval times to be a "halfway house" between heaven and hell, was "only a theological hypothesis" and not a "definitive truth of the faith".

The Times, London, in The Australian

Dang Ratzinger looks scary in that picture I bet the average sheeple would think he would fit the profile as the antichrist or the big boogymen but its really peter pulling his strings. Honestly I am more afraid of Ratzinger then Peter, maybe cause Ratzinger looks like the emporer and peter looks like a gentle old man. :lol:

The Passing of Tupper Saussy

A Belle Meade Renegade - A Nashville Original

By E. Thomas Wood
3-21-7

"I'm not attracted to your uniqueness. I am attracted to the Substance of your uniqueness which is 'Christ in you.' It's His workmanship that attracts me." ~Benjamin Bush

Tupper's Books <http://www.tuppersaussy.com/html/writings/writings.html>

Tupper's Main Website <http://www.tuppersaussy.com/html/foyer.html>

Tupper Saussy started life by displaying the contempt for authority that would mark both his life and his art for seven decades to come. Let him tell the story:

"My aunt, who was there, told how I was born. My grandfather delivered me from his daughter at home. He was an M.D. When he hoisted me high to examine my parts, I peed in his face."

Saussy, who died suddenly on Friday at the age of 70, is likely to be remembered as one of the great personalities in Nashville history, a man described over and over by friends and observers with the cliché "larger than life." He filled many different roles over the years, but he played each one with panache, wit and fierce originality.

As a teacher at Montgomery Bell Academy, fresh out of the University of the South in 1958, Saussy so dazzled his young charges that he was later suspected (erroneously, according to the screenwriter) of being part of the inspiration for the manic teacher in the film *Dead Poets Society*. He had a quality about him, son Haun Saussy remembers, that "made us not only smarter but more aware."

As an ad-man, Tupper Saussy co-founded a thriving Nashville agency in the early 1960s that was fueled by his amusing jingles and witty wordplay. McDonald Saussy Advertising Agency made its name with a Purity Dairies campaign featuring a cow, a kangaroo and the slogan "Don't pay no 'tention to kangaroos." Other clients included some of Nashville's most prominent businesses of the day, such as Genesco, Commerce Union Bank and May Hosiery Mills.

"He came and charmed Nashville," author David Halberstam later told a Nashville Scene interviewer. Halberstam was working for *The Tennessean* at the time. "He played the piano and married a beautiful woman. They were the golden couple. Everything seemed to be his."

When he grew tired of advertising and turned to music full-time, his band, Neon Philharmonic, turned out an album that attracted two Grammy nominations in 1970. Over the years, his songs have been recorded by such a diversity of artists as Shaun Cassidy, Perry Como, Chet Atkins, Al Hirt, Brenda Lee, Ray Stevens, Roy Orbison and Patti Page.

As his commercial music career faded out, Saussy became a restaurateur, briefly, and the paintings he executed to hang on the walls of the café led to yet another career in art. Encouraged by a leading collector, he produced and sold a large portfolio of works, many painted on paper bags.

And then Saussy became a tax protester. Feeling "bullied" by the Internal Revenue Service, he spent the last half of the 1970s reading and thinking about taxation and personal liberty. "He had an extremely demanding idea of what freedom is," son Haun remembers.

Saussy became a figurehead for radical anti-tax and anti-government activists across the country after he published *The Miracle on Main Street* in 1980. The book advised protesters on tactics for challenging and circumventing America's taxation and monetary systems. Saussy followed his own advice, and in 1985 he was convicted of

willful failure to file tax returns. The trial judge, after hearing out Saussy's theories, said to him: "You're so intelligent it hurts you."

While his case was on appeal, Saussy became attracted to a conspiracy theory about the murder of Dr. Martin Luther King Jr. in 1968. He got to know James Earl Ray, who had been jailed for the murder, and ghosted Ray's autobiography, *Tennessee Waltz*, which asserted Ray's innocence.

On April 10, 1987, Saussy turned up at a side door of the federal prison in Georgia where he was supposed to begin serving a one-year sentence. He had himself videotaped making a defiant statement about his case, which was sent to a Nashville television station, and then he disappeared.

For the next decade, Saussy lived on the run. Friends in Nashville would occasionally drop hints that they had been in touch with him, but he remained elusive. He came to believe that the government was not that interested in catching him, calling himself "the least wanted man in America."

Finally, in November 1997, federal agents caught up with Saussy. Captured without incident in California, he was sent to prison for a term that lasted 20 months.

Saussy returned to Nashville seemingly as popular as ever among his old friends in Belle Meade. In recent years, he revived his music career with a band called the Chocolate Orchid Piano Bar. "It's the ideal piano bar," he told an interviewer from the London newspaper *The Guardian* last year - a place "where only standards are played, standards nobody has ever heard before. One where the pianist sings his own songs that already seem familiar to you."

In his later years, Saussy was as mild-mannered and cheerful as ever, but no less committed to the ideas that landed him in prison. In the most recent article published on his website, Saussy called the United States "a war-making corporation, having a beast's capacity to exercise life and death power over its inferiors." He endorsed a recently published book as having showed that "the whole 9/11 attack on America was masterminded and overseen by Dick Cheney."

Haun Saussy says of his father: "You didn't have to agree with everything he said. Some of the best ideas I have ever had, I got by disagreeing with him."

Surviving Tupper Saussy, in addition to son Haun of Guilford, Conn., are one daughter, Melinda Saussy Miller of Phoenix, Arizona; a stepdaughter, Alexia Camille Vallord; and sons Pierre Philippe Saussy of Miami, Fla.; Laurent Amaury Saussy of Los Angeles, Calif.; and five grandchildren.

A memorial service in honor of Saussy will be held on Friday, March 23, at Christ Church Cathedral in Nashville. The family visitation will begin at 12:30, with the service

at 2:00. Burial will take place in Statesboro, Ga.

In lieu of flowers, the family has asked that donations be made to the Musicares Foundation,

'Rulers of Evil' - Divide & Conquer: The Jesuit Way
by URI DOWBENKO

Book Review:

Rulers of Evil: Useful Knowledge about Governing Bodies
by F. Tupper Saussy
www.tuppersaussy.com

American history is intimately entangled with occult politics.

The secret science of Masonic, Roman and Babylonian symbology figures prominently. The semiotics of cabalistic signs as well as Sumerian iconography also points to a subliminal influence which has been virtually ignored by mainstream historians.

Tupper Saussy's "Rulers of Evil" is a well-honed and highly readable account of the hidden history of America.

In great detail, the author circumscribes the influence of the Roman Catholic Church and its Jesuit cadres in promoting the governance of the Church Militant and the US Federal Government -- both of which he equates with the proscribed rulership by those bearing the Mark of Cain.

Well-versed in the nuances of Jesuitic and specious reasoning, Tupper Saussy maintains that American history has been dominated by the subrosa machinations of the Jesuits.

Furthermore, he contends that their behind the scenes manipulations have resulted in the government we deserve.

For instance, Saussy points out that the result of the Dred Scott decision, which was supposed to abolish slavery, actually did the opposite.

"First slavery was abolished by the Thirteenth Amendment (1865)," Saussy writes. "Then the Fourteenth Amendment (1868) created a new national citizenship. Unlike State citizenship, which was denied to Negroes, national citizenship was available to anyone as long as they subjected themselves to the jurisdiction of the United States -- that is to the Federal Government, whose seat is the District of Columbia, 'Rome.'"

"What is so remarkably jesuitic about the scheme that proceeded out of Roger Taney's opinion [Taney was US Supreme Court Chief Justice who wrote it] is that slavery was sustained by the very amendment that supposedly abolished it. Amendment Thirteen provides for the abolition of 'involuntary servitude, except as punishment for crime whereof the party shall have been duly convicted.'"

Saussy contends that, "In our time the federally regulated communications media, with their continually exciting celebration of violence and drug-use, have subtly but vigorously induced youthful audiences to play on the minefield of complementary criminal statutes. The fruit of this collaboration is a burgeoning national prison population of men and women enslaved constitutionally. American slavery has become a permanent institution."

In describing the origins of the Society of Jesus founded by Ignatius Loyola, Saussy delves into the organization's militaristic nature, its extreme oath of obedience (which he reproduces in the book from a Library of Congress document), and the cabalistic significance of their rituals and methodology.

Jesuit casuistry, writes Saussy, is known as "the process of applying moral principles falsely in deciding the rights or wrongs of a case -- the word 'casuistry' comes from 'cases.' WWWebster [the online dictionary] equates casuistry with rationalization, 'to cause something to seem reasonable; to provide plausible but untrue reasons for conduct.'

(In early 1999, President Clinton's biographer, David Maraniss, could be seen remarking on talkshows that the President owed his formidable skills as a criminal defendant to 'his training in casuistry at Georgetown University')."

Georgetown, of course, is the preeminent Jesuit school, still administered by the Society of Jesus and the foremost educator of US "policymakers," "lawmakers," and federal bureaucrats.

"The great Jesuit casuist Antonio Escobar pardoned evildoers as long as it was committed in pursuit of a lofty goal," continues Saussy. "Purity of intention, he declared in 1627, may justify actions which are contrary to moral code and to human laws."

Thus, Jesuit "logic" remains the foundation for rationalizing morally

repugnant and ethically questionable behavior in today's society.

"Hermann Busenbaum ratified Escobar with his own famous maxim, "Cum finis est licitus, etiam media sunt licita." If the end is legal, the means are legal. Escobar and Busenbaum boil down to the essential doctrine of terrorism: The ends justify the means."

State terrorism, of course, is not excluded from this dictum.

During the American Revolution, the Superior General of Jesuitism (also called the Black Pope) was Lorenzo Ricci -- pronounced "Richey". Saussey credits him with translating the most celebrated treatise on war ever published, Joseph Marie Amiot's "SunTzu" usually called "The Art of War." The French edition of Sun Tzu's "Thirteen Articles Concerning Military Art" was published by Amiot in 1772. Since Amiot was a Jesuit priest under obedience to General Ricci, Saussy maintains that Ricci is "the author of Amiot's Sun Tzu based on a remark by Malachi Martin that a book written by a Jesuit due to the obedience factor can be presumed 'in essence to be the work of his Superior General.'"

Saussy also maintains that Lorenzo Ricci was responsible for setting the stage for the American Revolution by using the draconian Stamp Act to manipulate the colonists into fomenting the American Revolution as well as the establishment of the Republic.

His speculation goes far afield, however, in ascribing a sinister motivation to the founding of America itself. For instance, his conjecture that Ricci came to the United States to instigate the signing of the Declaration of Independence has no basis in fact Tupper admits as much. It might have been the Wonderman of Europe for all we know -- who also was purported to have "died" a "philosophical" death in Europe, then come to America to finish his "work."

In addition, Saussy's exclusive emphasis on these negative aspects is an ipso facto denial of an intrinsically American optimism and idealism, which has survived despite any machinations of the Jesuits.

In fact, the author's exclusive reliance on canonical scripture and his neglect of the origins of spiritual warfare are the primary stumbling blocks in his final analysis -- though his grasp of historical facts must be commended.

For instance, he points out that the first American flag hoisted by George Washington himself on January 2, 1776 was the flag of the notorious East India Company, the prime opium trafficking agency of the British Crown.

Consisting of thirteen alternating red and white stripes with the double cross or Union Jack in the upper left, this flag has an occult significance which has been rarely described. Saussy also does an impressive cabalistic interpretation of the US Great

Seal.

Saussy leaves readers with much to ponder. His conclusions may or may not be correct due to his literalist interpretation of scripture, but "Rulers of Evil" remains an important historical work for the understanding of current events.

Without knowing the history of Roman religion and Babylonian priestcraft with its pantheon of gods and goddesses, as well as the subsequent Catholic religion with its idolatry of Jesus, it's impossible to gauge the significance of contemporary government, secular authority and the spiritual warfare of modern life.

"Rulers of Evil" is a rare book about understanding American history in context. Its ability to decipher the meaning of occult power struggles and translate them into living guidelines is impressive.

Finally the author's description of the world view of "Condemnation" vs. "Reconciliation" is an enlightened analysis of the significance of temporal power and spiritual wisdom.

Tupper Saussy's insights are worth reading again and again.

Yes , a great point about the 8 pointed star. Rulers Of Evil is a great book but clearly Saussy's job was to muddy the waters a bit. His book, while revealing many truths ,is

also meant to undermine Americans' belief in their foundings by God fearing and liberty loving men. Not all the Masonic "founding fathers" knew that Rome was helping to manipulate certain events. Rome clearly was involved in the revolution ,but I believe some things backfired on them. For example, a new government with checks and balances, a rule of law for ALL to follow (the Constitution with the Bill of Rights),etc.

My friend the Founding Fathers are not whats been made out even at the start. The Constitution isn't the greatest thing since sliced bread if you truely go into the subject. Remember you just said MASONIC! So remember that the Masons have always worshipped LUCIFER even before the Jesuits got their grubby mitts on them in 1776. So how can these Masons believe in God? Masons do NOT believe in God they believe in Lucifer if you study hard enough. Theres quite a few good videos on this subject. One of them is UN AND THE OCCULT AGENDA on this site now. Then theres one which has a ex-mason and ex-worshipful master showing you the rituals and comparing words of Masonry showing its a religion on its own and worshipping LUCIFER. So from day one these Founding Fathers were sh**. Also remember Benjamin Franklin and all the skeletons under his house, also remember his HELLFIRE CLUB membership.

I have to disagree about the constitution being useless thats one of the reasons why the Jesuits wants to destroy America is the constitution is a "heathen" document which stands against the catholic/JO doctrine therefore it must be destroyed. Thats why they added the 14th amendment to make it partially useless.

Furturemore, also believe the early settlers in America arrived here to escape the church of england/rome since they wanted to be securle.

Hey Eric,

Greetings again from Toronto. In the wikipedia entry for AM it states that he was a papal knight. Is this not odd for the world's greatest Vatican basher??

http://en.wikipedia.org/wiki/Avro_Manhattan

[This link sustained my conclusion that Avro Manhattan was indeed a Knight of Malta.]

Best regards,

Mark xxxxxx

Dear Friends,

Avro Manhattan, the greatest 20th century historian on the crimes of the Vatican, was indeed a Jesuit Temporal Coadjutor. He was a member of British Intelligence (MI5, MI6); was a personal friend of MI5/CIA/KGB agent Kim Philby; was a Fabian Socialist by which wicked organization the Jesuits put Lenin in power in 1917; was a personal friend of the Order's Irish Catholic Fabian Socialist, Irish Home Ruler and friend of Stalin enjoying the red carpet into Moscow during the reign of "Koba;" and was a friend of New Ager Freemason H. G. Wells---the writer of The Time Machine depicting the loss of the history and culture of the White Protestant peoples then being preyed upon by cannibals.

Manhattan was also a great promoter of the Pope's Cold War Hoax. He never exposed Rome's control of Moscow or Peking. Avro was a most successful Jesuit Temporal Coadjutor and is described as such in VAlll.

Sincerely in Faith,

Brother Eric

CRAIG-OXLEY - April 4, 2007 12:35 AM (GMT)

Manhattan played the right-wing, conservative anti-communist when he knew the Cold War was a hoax. He was also British Intelligence and thus connected to Spellman's CIA-led, anti-communist crusade. Manhattan also never revealed the fact that the Jesuits ruled both England and the US---just like another great traitor, Ian Paisley who has now sold out the Northern Irish Protestants.

Why Are There So Many Trained World Leaders From Georgetown University? Are They All Members Of the Vatican-Led New World Order!

Not only are 10 per cent of the U.S House and Senate Jesuit trained from Georgetown, but look at this long list of influential world leaders, which should leave your head spinning while asking "What are they really up to?"

By Greg Szymanski

Mar 13, 2007

<http://www.arcticbeacon.com/Mar.13,%202007.html>

In previous Arctic Beacon dispatches, it has been documented from a Jesuit web site how 10 per cent of the U.S. House and Senate have been trained at Georgetown University, one of 28 Jesuit universities located in America.

What makes this disturbing is that many credible researchers claim the Vatican, through its henchmen, the Jesuit Order, just happen to be the real spiritual controllers of the New World Order.

In other words, these Georgetown trained politicians, including man other puppets like Bush, Cheney, Rumsfeld, the Clintons and Condi Rice are really, under the cover of darkness, acting out the wishes of the Vatican-led Illuminati, a devious and diabolical group quickly bringing this country to its knees with the Pope's fascist agenda.

Furthermore, Vatican underground researcher Thomas Richards provides this brief statement, explaining why having so much Jesuit and Vatican influence in our government eventually will lead to the downfall of the Republic.

"The Military Order of the Jesuits was founded in the XVI century by Ignatius Loyola. The goal of this order was the destruction of Christianity via the counter-reformation and the Inquisition. The project failed due to the abolition of the Inquisition in the early XIX century by Napoleon Bonaparte.

"In 1776, Jesuit Adam Weishaupt founded the Order of Illuminati. Weishaupt's Order of Illuminati

(Illuminated ones in Latin) was a revival of Ignatius Loyola's Allumbrados (Illuminated ones in Spanish). The Allumbrados formed the inner sanctum of Loyola's Jesuits some three centuries before Weishaupt. The goal of the Order of the Jesuit Illuminati was the destruction of Christianity via the three successive waves of Communism, Humanism and Ecumenism.

"Then the New World Order was to be implemented with the Pope as Supreme Ruler. The goal of the Order of Illuminati has been on target for the past 200 years regarding their plan to destroy Christianity (10). For more information regarding Reference 10, see homebiblestudygroup.org for the full 173 page manuscript by G.E. Abraham, entitled "Chronology of important events in the life of Jesus Christ."

If anyone ever questioned the Jesuit influence in world affairs, look at this compilation of facts and former Georgetown alumni, compiled by a patriot recently who posted these facts at myspace.com:

Georgetown University, incorporated as the The President and Directors of the College of Georgetown, is a private university in the United States, located in Georgetown, a historic neighborhood of Washington, D.C.

Founded on January 23, 1789 by Archbishop John Carroll, it is both the oldest Roman Catholic and oldest Jesuit university in the United States.

It is a member institution of the Association of Jesuit Colleges and Universities. It is ranked by both The Times of London[2] and in studies cited by The Economist [3] amongst the leading institutions of higher learning in the world - particularly among Catholic universities - with Georgetown's undergraduate divisions at large, the university's law school, School of Medicine, and the School of Foreign Service ranking amongst the nation's best according to US News and World Report. The university currently has 6, 719 full-time and part-time undergraduate students, 4, 193 full-time and part-time graduate students on the Main Campus, 1, 992 students at the Law Center and 748 students in the School of Medicine as of 2005-06. STRAIGHT & NARROW

Rusty Dobson (RYAN PHILLIPPE) has always been a problem child. His single mom decides to send him to the Milgram Academy, **an ultra-strict private school that has produced some of the nation's top business and political leaders.** What Rusty's mom doesn't know - and what Rusty finds out the hard way - is that Milgram **doesn't just build the leaders of tomorrow, it controls them.** The academy **installs small computer chips in the student's brains, turning them into blindly loyal servants of the academy and The Committee, a shadowy body that controls the project.** Thanks to a malfunctioning chip, Rusty has eluded their control so far, but can he escape from this prison of the mind?

Minuteman Matt - March 17, 2007 01:53 AM (GMT)

Hey 2tuff I noticed "Al Gore" is one of those trained temporal cojuidtors so why is he promoted on this site when he is a known georgetown trainee. I know you said al gore was in a vampire cult & addicted to blood heroin. Thats like saying John Kerry is better then Bush cause he didnt kill JFK but both kerry & bush are skull & bones.

Minuteman Matt - March 17, 2007 02:01 AM (GMT)

ahh wait I don't think I see Al Gore on the list I thought I did <_<

CRAIG-OXLEY - March 17, 2007 02:03 AM (GMT)

Because he's the President of the U.S my friend and they tried to assassinate him in 1998 for trying to get criminal Rich arrested in 1993. Also note his attacks on the Patriot Act etc. Yes he's got many bad points also but alas he's definately an enemy of the Bush-Clinton crew!

Edgar - March 17, 2007 06:37 PM (GMT)

QUOTE (CRAIG-OXLEY @ Mar 17 2007, 02:03 AM)

but alas he's definately an enemy of the Bush-Clinton crew!

I don't believe that for one second. him and tipper, his wife, are evil plants in this system just as much as anyone. he's this big promoter of this global warming scam. I wouldn't say one good thing about al gore.

Gore also allowed the Supreme court that was flanked with Jesuit plants to elect Bush president and he didn't even fight it. THAT was done on purpose because he was in on it. WHAT A FARCE!!!

CRAIG-OXLEY - March 17, 2007 08:08 PM (GMT)

Showing that Picture at the Dinner they attended before the Election with their Supreme American master Cardinal Egan means NOTHING! So who ordered Gore's assassination in 1998? Why did Gore try to have Rich arrested in 1993? Just because they are all high level people doesn't mean they all get along. Gore may be liked say by the Vatican also but hated by Bush and Clinton. In bickering happens all the time and including in Agencies. Its like at work how you bicker and if you get caught or its highlighted your either seen to by the boss (egan) or fired by the boss (egan) it happens. Gore may be helping the Global Warming Scam and he may be a Bavarian Vampyre cult member and so forth but he's certainly not favoured by any British SIS news outlet like Fox or MSNBC. Study more on what his family did with General Electric to see why. From a Political point of view he has no chance with the SMOM's Pilgrim Society. Tipper has decked/punched out Hillary "SABBATEAN" Clinton in the White House for her decorating the CHRISTmasS tree with Lesbian decorations.

So Edgar tell me what you would do when faced by F.B.I Division #5 telling you to back down or

die basically. Could you handle the the pressure that was on Al Gore Jr at that time. If I remember correctly Medusa Sabbatean Hillary Clinton was behind that as usual. Whenever you smell div #5 you normally smell lesbian Clinton.

So we have Al Gore almost blow out the sky over Chicago in 1998. DO you honestly think Al Gore if he wanted to live and knowing what happened to him back then would not back down when FBI Div 5 are threatening him. Again you my friend not truly knowing the power of the ELite unlike someone within it like Gore simply wouldn't understand the pressures. So I have no problem with Gore backing down if his life was at risk. Look what they did to JFK back in 63 and look at their power now, what chance have you got?

Edgar - March 17, 2007 10:12 PM (GMT)

I'm having a very hard time believing that the powers that be failed at killing a man they wanted to kill. it doesnt make sense. i dont believe there are rogue groups in this game acting on their own when the Pope himself cant act on his own. it SOUNDED good what you said Craig but it doesn't add up. I don't buy it. Not for a penny.....

CRAIG-OXLEY - March 18, 2007 12:57 AM (GMT)

Well I guess you'd class Jacque Chirac as in the club wouldn't you? Well how come their attempt at assassinating him with the downed Concorde never happened and it was down to a great Pilot only. Also remember that British SIS's Permindex (Permanent Industrial Exhibitions) tried to kill Charle De Gualle twice. Now I guess with your thinking you'd say these were all one. Gualle was protected by the Jesuit Order. Gualle removed Permindex from France and this was why and when they set up in the Bahamas. So yes attempts on bloodlines goes on and has done thoughtout history. Again study the Venetian family feuds and assassinations and ATTEMPTS! Sorry Edgar but your argument isn't holding up.

We have to be careful about thinking that ALL these people are working perfectly together. As Jordan Maxwell said their all Gangsters and their lands are Gangs. Yes its more one these days since the 18th Century but there still individual gangs to a point and they DO fight. So do you think Al Gore Snr didn't do any damage? Do you think this will be forgotten? Remember this and thats do you honestly think the Elite would like you to know all their bickering internally? Of course not as it shows WEAKNESS. So they have agents out there claiming they all work in perfect harmony and all under one leadership doing everything their told. To a point its correct and yes the Vatican is the Principle/Headmaster of these pupils but harmony it is not and people jousel for power within this pyramid of power. Go to a large company and watch people shit on one another for a position. Watch a couple working together argue when one finds their partner had sex with a CEO etc to get a promotion. Then the partner fights the CEO. Its no different within this Pyramid of the Elite. Do you honestly think humans can work together so perfect haha its UNNATURAL and you should know this by putting yourself around even just 10 humans.

Here is why it is called "George"town University:

Saturn is the god of the Jews and of ancient Rome. The Jews were called Saturn's people and Rome was once called Saturn's city. Saturn is the God of agriculture because it (the planet) used to be a sun (a tiller of the ground) and is the original Adam. George means farmer (tiller of the ground) and he's installed as the present latter-day (and reincarnated) roman emperor in Washington (named after another George and originally known as Georgetown.)

Does anyone else sense that there may be something more to it than meets the eye with the situation of the North Carolina U. mascott who died today? The death seems to have occured in the wake of the roundball tilt between NCU and Georgetown. This matchup could easily have been viewed as a bout between heavyweight contestants that each make their respective homes in known masonc/satanic lairs. The again, perhaps it was merely the obligatory coincidence.

The mascott was injured a few days ago, "struck by a car" while walking along side a road, and then, apparently, kept alive via life support until earlier today.

PS - as an aside, I must say, Egan looks rather cute and dashing in pink, doesn't he?

Dear Craig,

Although I know that actor Fred Thompson is necessarily dirty in order to receive good press for his supposed presidential bid, I did not know he was involved in any way with "framing" Gore. Are you still believing the nonsense Tom Heneghen is spreading about Gore? Please, do some analysis on your own part, for example:

Do you really believe that Al Gore, whose father was a Senator connected with Armand Hammer and Jacob Schiff, was really a good guy while both he and Clinton gave away our nuclear high-tech secrets to Red China? (See The China Threat.)

Do you really believe that Gore was in fact a true candidate against Bush back in 2000 (the CFR controlling both parties and thus both candidates? The voter fraud in Florida was obvious to all---especially the Black congressmen and women. As recorded by Roman Catholic Jesuit Coadjutor Michael Moore in his Fahrenheit 911, all that was needed was one signature from one US Senator and the entire election could have been investigated. VP Gore at this time was presiding over the House and Senate during this key meeting. I remember the son of Jesse Jackson who said, "It is a sad day Mr. Speaker (Gore) when not one senator will sign this petition." If Gore would have wanted to really challenge Bush's "election," he could have found at least one Senator to sign that petition! No, Gore overruled Jackson and several other Black congressmen and solidified Bush's enthronement. Gore was nothing more than a pretended candidate for president. He never wanted to win or attempted to win. The election was a dog and pony show, no more! And both actors knew it as they were under orders from Egan!

Craig, Gore is a low down dirty traitor just like his accomplices in crime, Bill Clinton, the Bushs and a host of CFR others. In VALL I have a picture of the master of the Empire sitting with Bush on his right and Gore on his left at the Al Smith Dinner. That master was none other than Edward Cardinal Egan, all three of them laughing and having a bloody good ball---at the expense of the duped American people!

So please do not insult my intelligence anymore. Gore is as dirty as Bush. If he wasn't he would be "Wellstoned." And if you are following Tom Heneghen's lead in this "vindication of Gore crusade," you will be discredited in the future. All of your stupendous work will be degraded. You are the greatest public opponent of Rome in Great Britain that I know of.

Please reconsider and keep up your opposition to Rome!

Sincerely in Faith,

Brother Eric

As I've said in a reply to Phelps people are getting the wrong end of the stick here with myself. I do not think Al Gore Jr is a good guy at all. I've highlighted his Vampyre Cult and AdrenalCrone addictions and so forth.

I've also said whats wrong with debating with Heneghan on the Bloom show. Doubt this will happen.

Just what if FBI Division #5 were really putting the frighteners on Gore and others as has been said?

I haven't read The China Threat but then again we need to know who wrote this as theres much deception going on in this field.

Also note an old quote from myself:

Gore is to promote global death with the environment etc to bring the world under unity against the destruction. So go check out Iron Mountain Report and you'll see what Gore is up to.

People Are Whistling in Wind if Jesuit and Vatican Connection to the New World Order and U.S. Government Remains Hidden

Why do all politicians and influential media figures in the mainstream and the alternative run for the hills when the “V word” is mentioned?

By Greg Szymanski

April 1, 2007

<http://www.arcticbeacon.com/articles/1-Apr-2007.html>

People are just whistling in the wind and following false information when it comes to trying to stop fascism in America without addressing the New World Order connection with the Vatican and its henchmen in the Jesuit Order.

According to credible researchers not afraid to touch the Vatican connection, there is no hope at saving freedom in this country and around the world unless the Vatican and Jesuit Order are exposed.

Then why do the mainstream media, most in the alternative media and every single last politician on Capitol Hill avoid the Vatican connection like the plague?

The reason many truth-telling Christians give is that “all roads lead to Rome” and people in positions of power in the media and government are paid to protect the real perpetrators of evil – The Vatican and especially the Jesuit Order.

Ask why people like Bill O’Reilly, Rush Limbaugh and all the CNN and MSNBC commentators never mention the Vatican? Ask why supposed friend of the people and

Presidential candidate Ron Paul and Rep. Cynthia McKinney never mention the Vatican? Ask why big shot radio broadcasters in the alternative media like Alex Jones never mention the Vatican?

Furthermore, why don't people in Hollywood like Charlie Sheen and Rosie O'Donnell, who have supposedly come-out for 9/11 truth, never mention Vatican and Jesuit ties to New World Order and Illuminati terror?

The reason is very simple according to a number of truth-telling patriots: The reason is they all are either uninformed, cowards or working with the Jesuits and Vatican, protecting their evil ways why laughing at Americans all the way to the bank.

Furthermore, why won't any of the above-mentioned political and media figures enter in an intelligent debate about the Vatican's wealth and control over U.S. foreign and domestic policy? Ask yourself if Ron Paul is really working for you, the people of America, why does he run for the hills when the Vatican question is raised?

The following emails sent to the Arctic Beacon by 9/11 truth seeker, Phil Jayhan, and author of the Vatican Assassins III, Eric Phelps, should give the reader an incite never told anywhere in the mainstream or alternative media.

First Eric Phelps, who has gone on the record saying Rep. Paul works for the Vatican-led NWO since both the control of the political left and right is Jesuit strategy working at its best. In the following emails he addresses Avro Manhattan and broadcaster Alex Jones as well as Hutton and Mel Gibson:

On Manhattan:

Avro Manhattan, the greatest 20th century historian on the crimes of the Vatican, was indeed a Jesuit Temporal Coadjutor. He was a member of British Intelligence (MI5, MI6); was a personal friend of MI5/CIA/KGB agent Kim Philby; was a Fabian Socialist by which wicked organization the Jesuits put Lenin in power in 1917; was a personal friend of the Order's Irish Catholic Fabian Socialist, Irish Home Ruler and friend of Stalin enjoying the red carpet into Moscow during the reign of "Koba;" and was a friend of New Ager Freemason H. G. Wells---the writer of The Time Machine depicting the loss of the history and culture of the White Protestant peoples then being preyed upon by cannibals.

Manhattan was also a great promoter of the Pope's Cold War Hoax. He never exposed Rome's control of Moscow or Peking. Avro was a most successful Jesuit Temporal Coadjutor and is described as such in VAIII.

On Jones and the Gibsons:

Unfortunately, Alex Jones is indeed a Jesuit Temporal Coadjutor. The detailed work he

has performed and his many lower-level conclusions are absolutely correct. But when it comes to the grand question of "Who Rules?" he fades away into the woodwork refusing to even mention the "J" word. This keeps people agitated and produces the fear he seeks to induce. His intense facial expressions, his abrasive voice and his obvious collusion with coadjutors of power such as George W. Bush, Michael Moore and David Gergen, reveals his true part he has been ordered to perform.

All your points are correct. Butch Paugh has an allegiance to Opus Dei Hutton Gibson that he will never break. Of course Opus Dei Mel Gibson is the dear friend of William J. Fulco, the Jesuit who oversaw the all-seeing-eyed Jesus of The Passion.

Tony Alamo has paid the price for resisting the Order with his time in prison. But he remained faithful, and is a great encouragement to me. My request to you is that if you believe Jones is the Coadjutor that he in fact is, then please join with me and others in exposing this agent provocateur. For he will ultimately lead his followers to blame all Jews in general (as does Piper, Makow, Marrs and others) when the blame for the NWO---the return to the Pope's Dark Ages---should be clearly placed on the Jesuits and their master, the Black Pope.

And regarding Charlie Sheen and Jones related to 9/11, Phil Jayhan comments:

And is Alex Jones unaware of all these allegations, many of them documented, regarding Charlie Sheen? Is it possible Alex Jones is unaware of them? Is it possible that Charlie Sheen was chosen to come forth with these issues of 9/11 simply because he could be so easily written off and discredited? Because if his testimony attracted more attention than they suspected it would, that these allegations would be brought, and the tough questions asked? And who benefited directly from him coming forth? We saw above that the two people who benefited the most were Alex Jones and Charlie Sheen, in that order. And then in short order, CSPAN. And who owns all of the News Media in this nation? We all know that it is 110% owned by the bad guys! Thus we have to ask ourselves tough questions when we see them cover an issue, that they themselves would like to go away. Who benefits? Whats the purpose? Were they simply using Alex Jones as an unwitting dupe? Or are they in the process of making him the next Rush Limbaugh? Who is 10 miles wide, and a 1/2 an inch deep....

Alex Jones claims to be the Father of the 911 Truth Movement. This is an extremely arrogant claim, when so many millions are and have become a part of it. He makes these claims because he was the only one who 'predicted 911' before it happened. How was he able to predict 911 first of all? And if he is so able to connect the harder dots, why is it that Alex Jones cannot and will not connect the dots regarding the Vatican? Is this more Hufschmid talk? No. Alex Jones goes on and on and on about the Globalists, and has mentioned the Illuminati hundreds of thousands of times in his short career, and to my knowledge never made the connection publicly that the Illuminati were created by the Vatican! Why not? Is all it takes is about 5 minutes on a google search to

find these truths out. Seriously, 5 minutes on google will show you that both modern branches of the Illuminati were created by the Vatican. So why is Alex unable to make the connection between the Illuminati and the Vatican, while being able to predict 911? Could it be because he is a plant, and controlled opposition? Sometimes as I have learned in being part of 911, disinformation takes many different faces. Sometimes disinformation comes in the form of information overload, and with a little bit of gate-keeping thrown in, or if you will, sometimes disinformation comes in what a person doesn't hear, and what isn't spoken about, what dots are NOT connected, etc...

And let me say here that Alex Jones is not my Father. The Truth is my Father. And will allow the Truth to guide me withersoever it may lead me, and couldn't care less about the destination. If I find that the Girl Scouts had something to do with 911, and actively helping to suppress it, I would preach these truths as well, and ask the appropriate questions as well, those darned lousy Girl scouts.. [Said like angry Homer]

It is obvious that Alex Jones wants to be the leader of all of us, and claim us as his own. Or else he would never make such arrogant statements claiming to be the "father of 911." It is also obvious he wants all of us to come under the single umbrella leadership of himself. Why? What are his motives? Do we want him as our fearless leader? Are we willing to throw away our independence and lose this in favor of a "False Unity?" To become Ditto-Heads of yet another person? To become mind numbed robots of yet another possibly controlled personality? To be ever learning but never able to come to a complete knowledge of our own slavery and actually seeing the face of those who have enslaved us? Can you ever possibly hope to break free from your captor if you first don't know your a slave, and secondly without ever seeing and knowing the face of that captor, slave owner?

And in closing I would like to point out that all I am doing is asking relevant questions, and doing the very thing that Alex Jones tells me to do in most of his broadcasts. Which is to check into all the things he is claiming and see for myself if they are not so. And I have started to do that very thing, and found Mr. Jones of questionable character, as well as weighed him in the balance and found him to come up wanting. As well as finding that many things he says and claims are simply not as he paints them. Thus, since I am only doing as he commands everyone who listens to him to do, I hope you will all understand my own motives and the reasons for my own questions regarding Alex Jones, and some of those whom he has paraded in front of us as '911 truth heroes.'

Craig, as I said on the other thread, we really need to expose Alex Jones if he is a traitor but we really need to know for sure. How many members do you think signed up to his infowars? Do they have some sort of trap ready to identify truth-seekers?

Have you tried writing to Alex and does he usually respond? We need to be sure..... and ASAP!

Ive avoided prison planet because of the avoidance of the Vatican and the Jesuits, but I will say in America getting people to listen about the Vatican is as hard as telling them Reptilians rule the world it seems, folks just cant get past those harmless looking cloaks on them old geezers. I have had some success around here though, but there is a lot of hecklers, That is why I say let these insulant rude brain dead Bush or Clinton loving freaks burn. And it seems every body is Catholic around here except me, That said I dont even know what I am I was never raised in a church, Thank Pinetrees.

Minuteman Matt - April 1, 2007 01:26 AM (GMT)

My parents are Roman Catholic and I was raised as one but since the last 4 years after learning about the NWO and learning about the Catholic doctrine I abandoned it. I then considered converting to Islam but after finding the truth about that how they worship venus & how vatican created them I abandon that. Now I consider myself a Protestant, however even that has been infiltrated.

I like to believe there is a heavin/hell being handicap all my life I want to be able to walk when I go to heaven but I guess im fucked for all eternity :(

Da Vinci Code and Operation Templeman
by T Stokes

The bizarre, ritualistic slaying of a nun, sister Margaret Ann Pahl, 26 years ago in a chapel in Toledo, Ohio U.S.A. has resulted in 68 year old priest Rev. Gerald Robinson being charged with her death.

The two worked closely together and the nun's body was found with 31 stab wounds inflicted apparently by being stabbed repeatedly with an inverted cross. The body and then covered with an alter cloth.

The priest in the past had been convicted of sex crimes.

The Catholic Church is not happy about the Da Vinci Code book's exposure of sensitive hidden information weaved and exploited by poetic licence within the pages of the book. Those who say The Da Vinci Code is too far fetched ignore those who believe the doctrine of the virgin birth, Christ being born in a stable, three persons in one god, the bodily assumption of Mary into heaven, the pope cannot err in what he teaches, the Christian miracles and the classic, "Jesus died on the cross, and all for our sins" story?

"Operation Templeman" is the real Catholic scandal, this is the secret church investigation into the sexual behaviour of its priests, and of the church cover-ups at the highest levels.

The British far left newspaper the "Guardian" in a recent edition had an article by Mark Honigsbaum, which said the Council of Elvira in A.D.309 drew attention to priests sodomising children, and gave a list of punishments according to rank.

But the clearest evidence of early abuse is possibly the eleventh century tract written by St. Peter Damian who says that priests who abuse little children are the worst type of offenders, and should be punished - not just moved to another parish to offend again.

CRAIG-OXLEY - March 31, 2007 09:52 PM (GMT)

The Vatican have no problems with this nonsense being out there, infact it aids them in their coming destruction of the religions. Notice Dan Brown actually meeting with the Pope. Notice how Opus Dei have recruiting figures through the roof from utilising this book/film. Stop falling for the nonsense folks. The Vatican control the Sovereign Military of Malta. The SMOM control Hollywood, media, banking and so forth. Without their say so NOTHING will be seen by the masses.

Daniel - March 31, 2007 10:09 PM (GMT)

Craig,

Do you recall the Alberto Rivera Speech? In that he mentions how they will even pretend to not know what day the Sabbath was celebrated on - Sat or Sun. Then they will act all innocent and apologise to the Protestants as if they are not perfect and do also "make mistakes". The purpose being that they will use this method to gain trust with the Protesant Church etc.

Also. Leo Zagami (I know some of you do not like him) said that the Priests love to preach "anti-gay" or "anti-heavy metal music" yet they are themselves the biggest promoters. But they do like to preach this still!

I have a motto for them:

"Just do what we say, but don't do what we do" :huh:

Daniel

P.S Also, were they not supposed to reveal to us all this alien vistitation information? In otherwords, they are full of crap and they know it!

Vatican Bank Lawsuit Plaintiffs

For Immediate Release

Pius XII The Tainted Saint

While the debate about proposed sainthood for Pius XII rages between the Vatican and its critics, a lawsuit pending since 1999 against the Vatican Bank and its ultimate disposition may prove the case for or against Pius.

The pending lawsuit, *Alperin v. Vatican Bank* (USDC ND CA No. C99-4941), filed in federal court in San Francisco and backed by a coalition of Serbian, Jewish, Roma and Ukrainian individuals and organizations seeks compensation for Axis plunder from Yugoslavia laundered through the Vatican Bank in 1946, well after the atrocities of the Second World War were revealed in full.

The funds in question were the proceeds of genocide by the Ustasha, Nazi allied Croatian forces, who murdered over 500,000 Jews, Serbs, and Roma in former Yugoslavia 1941-1945 and plundered their possessions. In addition to the money and gold in question, the Vatican also sheltered the top Ustasha leadership including wanted war criminals.

So far, testimony in the *Alperin* case by a former US Army counterintelligence agent, William Gowen, who investigated the Ustasha in Rome in 1947 for the US Army, has stopped short of directly implicating Pius, instead pointing to Montini, Pius' Undersecretary of State, who later became Pope Paul VI. According to the witness, a top Vatican official tasked with overseeing Croatian affairs in Rome, Monsignor Draganovic, who reported directly to Montini, admitted being the mastermind behind the

smuggling and deposit of the Ustasha "treasure" at the Vatican bank.

To date, the Vatican attorneys have taken a hard line with the case, insisting that the Vatican Bank's money laundering scheme for Axis plunder violated no international law since the Ustasha's victims, mainly Orthodox Christian Serbs, were technically citizens of "Independent" Croatia. The unrepentant tone of the Vatican bodes poorly for Pius XII and the current controversy involving his elevation to sainthood.

While Jewish organizations like The Anti-Defamation League have concentrated on Pius' wartime record, the Vatican's sheltering of the perpetrators of genocide and their funds after the Second World War may be even more significant.

QUOTE**Charles Walsh**

Birth:

August 13, 1904, in Long Branch, New Jersey according to his death certificate. I did not find his baptismal record in either New York City or in New Jersey. Since he was baptized in West End, New Jersey his birth most likely also occurred in New Jersey. The birth probably occurred at home and was not reported.

Baptism: Charles Walsh, born in unknown, August 13, 1904, child of Joseph Walsh and Maggie Langan, was baptized in St Michael's' Roman Catholic Church, 800 Ocean Avenue, West End, New Jersey, by the Rev. Edward Cahill, on August 21, 1904, sponsors, Michael Walsh and Ellen Walsh.

Information obtained from St Michael's by Mary Walsh Herdman and forwarded by Michael McEneney, January 2003.

Education:

Charles Walsh graduated for Regis High School in 1921.

Career:

Charles played minor league baseball in Salem and Lawrence, Massachusetts. He once pitched a doubleheader and won both games giving up only one run. In 1927 he was signed by the Pittsburgh Pirates. He stayed with the Pirates until 1932 when he joined the New York City Fire Department.

From an undated newspaper article:

"Walsh has been in professional baseball for only two years, and has brilliant prospects. In 1925 he was with the Watsons in the Bronx, and also pitched for the Seventh Regiment. He was signed by Salem of the New England League and made a splendid record with that team in 1926.

In 1927 he was transferred to Lawrence, and despite poor support attracted sufficient attention to warrant his being drafted by the Pirates"

Charles Walsh was a member of the New York City Fire Department for 30 years. He served for 10 years as the Company officer in Harlem and 14 years as Deputy Chief. He taught fire administration at Queens College, Rutgers University and the Fire College of the New York Fire Department.

Charles wrote several books on firefighting including, *Firefighting Strategy and Leadership in 1963, Modern Guidelines for Fire Control in 1970 and The Fire Problem and Its Solution (Second*

Edition) published in 1992 at age 88.

He was awarded the George W Steele Award for Literary Achievements in Fire Science and Education given by the New Jersey State Fireman's Mutual Benevolent Association on October 15, 1976.

Remember September 11th 2001? Well remember Bush with that Firefighter at Ground Zero? Check out his number, adds to 11 doesn't it.

Notice the highlighting of the M in Time using the Masonic Light U.N Blue color. Also notice how they put the SPECIAL issue over the M.

Please remember folks all these people urinate in the same pot. Its all interlinked. You should also note that the White Gentile led Sovereign Military Order of Malta control all Sports so Walsh would be yet another stooge. Walsh simply appeased Rome's slaves trapped within an illusion to occupy their minds away from reality and whats really going on. This is why America is saturated in useless Sports and why it's been made a serious Venusian business.

New York City's Fire Department's Highest Ranking Female Will Speak At Saint Peter's College Friday, February 27, 2004

Jersey City, NJ - New York City Fire Department Battalion Chief Rochelle "Rocky" Jones will speak at **Saint Peter's College** at Noon on Monday, **March 22**, in Pope Lecture Hall on the College's Jersey City campus. Jones, who is the highest ranking female in FDNY history, is the featured speaker for the College's Women's History Month celebration. The event is free and open to the public. Call 201-915-9140 for more information. Jones has been a FDNY trailblazer since joining the department in 1982 after spending the first six years of her professional career in the banking industry. She began working as a firefighter in Williamsburg, Brooklyn and then transferred to Engine 159 in Staten Island. Jones was promoted in 1995 and became the first female lieutenant in the FDNY. Four years later, **Jones was promoted to captain and was the Commanding Officer of Engine 4 in Manhattan's Financial District during the events of September 11, 2001.** Jones lost 14 firefighters who rushed to assist in the World Trade Towers attacks, including Paul Tegtmeier, the brother of Saint Peter's College Assistant to the Vice President of Student Affairs Susan Tegtmeier. "My brother loved Rocky," Sue Tegtmeier said. "She had the respect of all of the firefighters who worked for her. She has been an incredible help to our family as we continue to recover from losing Paul. She has been with us at his Memorial Service and the 9/11 memorials and anniversaries. I am thrilled that Rocky agreed to speak at Saint Peter's. I can't imagine a more inspirational person to have on campus during Women's History Month. The FDNY administration was a man's world until Rocky came along." Since 9/11, Jones has continued her rise up the FDNY ranks. She was promoted again in June 2003 to Battalion Chief and now serves at various locations throughout New York City. Saint Peter's College is the **Jesuit College of New Jersey**. Founded in 1872, Saint Peter's has an enrollment of more than 3,000 students in undergraduate and graduate programs. The main campus is located in Jersey City and a branch campus, specializing in adult education, is located in Englewood Cliffs. Saint Peter's also offers classes in downtown Jersey City near the waterfront financial district and in South Amboy.

So folks what did we notice apart from the obvious in the above? Notice the date of **March 22? March is the third month therefore **3 22**! Whats significant about this? Well the **Russell Trust** also known as **Skull & Bones** or the **Germanic Chapter 322** thats exactly what. We could also say that if we multiply **322** by **Masonic 3** we get **966**. Now if we reverse the **9** we will get a **6** giving us the **Saturnian Brotherhood 666**. Remember that **322** is also linked to **Saturn** via **Fathertime** being before the Earth had seasons which only came along when **Venus** broke free from Saturn.**

The 'miracle pill'

<http://news.bbc.co.uk/1/hi/world/americas/6639903.stm>

The highlight of the Pope's visit to Sao Paulo will be the canonisation ceremony of Brazil's first native-born saint.

His name was Brother Antonio Galvao and he lived two centuries ago in a rather modest monastery still standing among the skyscrapers in sprawling modern Sao Paulo, where he used to dispense a cure-all "pill" to people who sought his aid to relieve such painful illnesses as kidney stones.

These "pills" were made of tiny scraps of paper with a minute inscription - a prayer to the Virgin Mary in Latin - written on them and then scrunched up to be small enough to swallow whole.

Brother Antonio died in 1822 but his "pills" are still being dispensed by the 14 nuns who live cloistered lives in the convent that he originally built.

In fact, there has been a huge demand for them this week - 10,000 a day at the moment, as sainthood looms for their inventor.

The nuns no longer have the time to write out the Latin prayer inscriptions by hand. The

tiny scraps of paper are cut from a printed sheet.

One man outside the convent told me that he had come along to get the "pills" for his mother, who was absolutely convinced that they work miracles.

I queued to get my three minuscule paper "pills", carefully hand-wrapped in a another tiny piece of white paper by these industrious nuns.

You almost need a magnifying glass to see them. I'm not quite sure if I shall take them or hoard them for some future undefined illness.

But Sister Celia Cadorin, the 70 year old Brazilian nun (in Vaticanese she is called the "postulator" of the cause of Brother Antonio) who brought about the successful conclusion of Brother Antonio's sudden final spurt to sainthood 185 years after his death, is justifiably proud about Friday's canonisation mass, which is expected to attract two million people.

She is a frequent flier.

In fluent Italian she told me: "Do you know I had to travel 30 times back and forth across the Atlantic from Sao Paulo to Rome to argue Brother Antonio's case before those difficult Monsignori at the Vatican finally caved in and agreed to create our first native Brazilian saint?"

DAY TWO: THURSDAY 10 MAY 2007

Aparecida and the bishops

Once in roughly every 10 years the Catholic Bishops of Latin America and the Caribbean gather for a jumbo meeting to decide on policy issues for the coming decade.

That is the main reason why Pope Benedict is here in Sao Paulo on his first trip to the Americas.

He is due to give the keynote speech at the opening on Sunday of the CELAM bishops' gathering in the bustling Catholic shrine town of Aparecida, situated in former gold mining country half-way between Brazil's two biggest cities, Sao Paulo and Rio de Janeiro.

Aparecida, which means apparition in Portuguese, takes its name from the finding of a small, broken clay statue of the Virgin Mary, fished out of a local stream at the beginning of the 18th Century.

The restored statue, dressed in a blue robe, crowned with jewels and enthroned in a silver and gold niche, has become the centrepiece of what is now one of the biggest and most visited Catholic shrines anywhere in the world.

Five million people travel from all over Brazil to pray here each year to the Virgin of Aparecida, who has been officially declared Brazil's patron saint.

When I was last here in 1980 with Pope John Paul, we travelled to Aparecida for the consecration of this huge and extraordinary temple of worship in the shape of a Greek cross with its four 40m-high naves and a 70m-high cupola.

The building can hold up to 45,000 people and in comparison seems to me to dwarf even Saint Peter's in Rome.

The first pope to travel across the Atlantic from Rome to open a meeting of Latin American bishops was Paul VI.

He attended their gathering at Medellin in Colombia in 1968 to try to stem a new tide of liberal Catholicism sweeping South America.

A tug-of-war has been going on between the Vatican and Catholic liberals ever since

the CELAM was founded (in Rio De Janeiro) just over half a century ago.

Latin Americans were among the most progressive voices heard at the Second Vatican Council held in Rome in the early 1960s.

Paul VI came to challenge the authority of the Liberation Theologians, as they were called, because they gave priority to achieving immediate political and social progress for Catholics in this part of the world, rather than to preach to them about salvation in the next world.

The Vatican feared that the Latin American Catholic Church risked being dominated by a bunch of Marxists.

It was significant that the very first foreign trip of the globe-trotting Pope John Paul II was to Mexico City to open the CELAM meeting there in 1979.

Pope Benedict was later given the task by John Paul of bringing the Liberation Theologians to order.

In the 1980s, as head of the Vatican department in charge of keeping order among turbulent priests, he sacked the leading Brazilian exponent of the movement, Leonardo Boff, and only recently disciplined another leading member, the Spanish theologian, Jan Sobrino.

CRAIG-OXLEY - May 12, 2007 02:12 PM (GMT)

hi brother, benedict is currently in Brazil right now, according to a secular newspaper in Latino America the vatican wants to sign a concordat with Brazil to make catholicism teachings a (MUST) in schools wether they are public,private,even evangelical schools. <http://www.elperiodicodearagon.com/noticia...asp?pkid=319789> that of course is to counterattack the growth of evangelical brothers and they are using the so-call universal church of christ as a smokescreen and according to the vatican " the universal church of christ is the head of all evangelical sects (they mean sects to all those opposing the vatican and its teachings) which of course thats a load of B.S. our brothers are not sectist they are the Sons and Daughters of the Living God.Anyway God bless you i just tough these trip to brazil is being used for something big to overthrow our evangelical brothers but jesus will always be by our side till the end comes as he said in Revelation God bless you brother take care bye.

Pope: God Will Punish Drug Dealers

Drug traffickers will face divine justice for the scourge of illegal narcotics across Latin America, Pope Benedict XVI warned Saturday, telling dealers that "human dignity cannot be trampled upon in this way."

Brazil and the rest of the region face dangerously high rates of drug abuse and traffickers must "reflect on the grave harm they are inflicting on countless young people and on adults from every level of society," Benedict said.

"God will call you to account for your deeds," he said before a cheering crowd of 6,000 on a sprawling lawn outside the "Fazenda de Esperanca," or "Farm of Hope," a drug treatment center founded by a Franciscan friar.

Brazil is the world's second-largest consumer of cocaine, after the United States, according to the State Department, and big cities across Latin America's largest nation are plagued with drug violence.

While surveys show cocaine use has been relatively stable in Brazil for years, drug-related violence is a huge problem, driven by gangs that control street-corner dealing and the transshipment of drugs to Europe and the United States from elsewhere in South America.

In Rio de Janeiro's teeming slums, gangs recruit children and engage in near-daily shootouts with police that frequently kill bystanders.

The violence is endemic in other Latin American countries, including Colombia, and Caribbean nations. In Mexico, gangs battling over billion-dollar smuggling routes into the United States leave a daily body count from beheadings, grenade attacks and execution-style killings.

The treatment center the pope visited claims an 80 percent success rate, giving addicts spiritual guidance as they milk cows, tend apple orchards and work as beekeepers.

Benedict donated \$100,000 to the treatment center and told more than 1,500 recovering addicts wearing white shirts with yellow sleeves, representing the Vatican's flag, that they must become "ambassadors of hope."

"The Lord has given you this opportunity for physical and spiritual recovery, so vital for you and your families," the pope said. "In turn, society expects you to spread this precious gift of health among your friends and all the members of the community."

Addicts who listened to the pope said his visit was important because Brazilian drug users are often ostracized and left to beg on the streets for drug money.

"We are excluded from society, but we are the ones the pope is coming to see," said Diego Cleto, a 19-year-old who started taking drugs at age 13.

But some doubted whether the pope's message to traffickers will have any impact.

"What the pope said is important for drug users, but religion doesn't matter to the dealers," said Felipe Kenji, 27, who has been under treatment at the center since December. "They'll only stop selling drugs when they die."

The Guaratingueta treatment center was founded by Friar Hanz Stapel in 1983. There are now 31 similar centers in Brazil and 10 more abroad — in Argentina, Germany, Guatemala, Mexico, Mozambique, Paraguay, the Philippines and Russia.

The center is near the shrine city of Aparecida, where Benedict on Sunday will open a Latin American and Caribbean bishops' conference aimed at reversing the erosion of the church in the region.

Benedict on Friday lamented "difficult times for the church" in Brazil amid "aggressive proselytizing" by born-again Protestant congregations.

Brazil's census shows the percentage of citizens characterizing themselves as Catholics fell to 74 percent in 2000 from 89 percent in 1980, while those calling themselves evangelical Protestants rose to 15 percent from 7 percent.

The pope is expected to map out strategy to combat the church's losses when he opens the bishops' conference in Aparecida, 100 miles east of Sao Paulo.

The small city is home to the mammoth Basilica of Aparecida — as well as the three-foot-tall statue of a black Virgin Mary, called "Our Lady Who Appeared," the patron saint of Brazil.

The statue was pulled from a river in the 18th century by poor fishermen who were not catching any fish, and then caught loads in their nets. Miracles were subsequently attributed to the statue, and so many pilgrims flocked to Aparecida that the church built the basilica and inaugurated it as a shrine in 1955.

Pope condemns LatAm 'autocrats'

Sunday, 13 May 2007, 21:30 GMT 22:30 UK

<http://news.bbc.co.uk/1/hi/world/americas/6651809.stm>

Pope Benedict XVI has criticised "authoritarian governments" in Latin America as he opened a major bishops' conference in the region.

He also condemned the growing gap between rich and poor in the region.

The conference will discuss ways to extend the Church's reach in Latin America, which has lost millions of faithful to evangelical churches.

Earlier, the Pope led an open-air Mass for thousands of Catholics on the final day of his five-day visit to Brazil.

'Illusions of happiness'

In his opening address to the two-week bishops' conference, the Pope attacked unnamed governments in Latin America that he said were "wedded to old-fashioned ideologies which do not correspond to the Christian vision of man and society".

He blamed both Marxism and capitalism for social problems in the region, and warned that the worsening gap between rich and poor was causing a loss of dignity through drugs, alcohol "and deceptive illusions of happiness".

"The people of Latin America and the Caribbean have the right to ... conditions that are human, free from the threat of hunger and from every form of violence," the Pope said.

Benedict urged the bishops to do more to confront the challenges facing the Catholic Church in the region.

The issue of attracting or keeping faithful, and the shortage of priests in the region, will be high on the agenda at the conference, which brings together 169 bishops from across Latin America.

Returning to a theme he had raised earlier in his Brazil visit, he also warned of the threat posed by legalised contraception and abortion.

'Continent of hope'

Earlier on Sunday, an estimated 150,000 pilgrims greeted him as he arrived outside the basilica at Aparecida, south-west of Sao Paulo.

He told them that the strength of the Roman Catholic faith had made Latin America a

"continent of hope".

Aparecida is home to Our Lady of Aparecida - a statue of a black Virgin Mary and the patron saint of Brazil.

Speaking outside the Basilica of Our Lady, one of the world's largest cathedrals, the Pope said the Catholic Church would grow by attracting new members, not by proselytising to reluctant audiences.

"This is the faith that has made [Latin] America the 'continent of hope'", the Pope said.

"Not a political ideology, not a social movement, not an economic system."

Despite the Pope's optimistic message, reports said the size of the crowds was smaller than the 500,000 that organisers had expected.

The rise of evangelical churches and the Vatican's traditional conservative stance on social issues are among the key obstacles to reviving the attraction of the Catholic Church in Latin America, correspondents say.

On Friday, the Pope acknowledged that the Church was experiencing "difficult times" in Brazil, the world's most populous Catholic nation.

In 2000, 74% of Brazilians were Catholics, compared to 89% in 1980. Many turned to evangelical Protestant faiths, which now make up 15% of the population.

Nearly a million people attended an open-air mass in Sao Paulo on Friday to see the Pope canonise Brazil's first native-born saint, Franciscan monk Friar Galvao, the highlight of his Brazilian visit.

Vatican calls verbal attack on Pope "terrorism"

Robin Pomeroy

Reuters

Thursday May 03, 2007

<http://today.reuters.com/misc/PrinterFrien...E-TERRORISM.xml>

The Vatican's official newspaper accused an Italian comedian on Wednesday of "terrorism" for criticizing the Pope and warned his rhetoric could fuel a return to 1970s-style political violence.

In an unusually strongly worded editorial, L'Osservatore Romano said a presenter of a televised May Day rock concert, which is sponsored by Italy's labor unions, had launched "vile attacks" on Pope Benedict in front of an "excitable crowd".

"This, too, is terrorism. It's terrorism to launch attacks on the Church," it said. "It's terrorism to stoke blind and irrational rage against someone who always speaks in the name of love, love for life and love for man."

At the concert, held every year in front of the Saint John in Lateran basilica -- Rome's cathedral where Pope Benedict sits as bishop -- one of the presenters, Andrea Rivera, spoke out against the Pontiff's stand on a number of issues.

"The Pope says he doesn't believe in evolution. I agree, in fact the Church has never evolved," he said.

He also criticized the Church for refusing to give a Catholic funeral to Piergiorgio Welby, a man who campaigned for euthanasia as he lay paralyzed with muscular dystrophy. He died in December after a doctor agreed to unplug his respirator.

"I can't stand the fact that the Vatican refused a funeral for Welby but that wasn't the case for (Chilean dictator Augusto) Pinochet or (Spanish dictator Francisco) Franco," he said between musical acts at the open-air concert.

The latest salvo between the Vatican and its critics in Italy comes a few days after the head of Italy's bishops' conference, Archbishop Angelo Bagnasco, received a bullet in the post after making comments that his critics say compared homosexuality with incest and pedophilia.

The Osservatore said Rivera's monologue came amid growing anti-clericalism in Italy which included graffiti and Internet messages supporting the Red Brigades, the Marxist group involved in political violence particularly in the 1970s.

"Some people have even twisted (Bagnasco's words) to start an insidious 'war', a new season of tension, which is inspiring those who are looking for motives to return to taking up arms," the newspaper said.

Prime Minister Romano Prodi, a devout Catholic who is backing legislation to give legal rights to unmarried couples, including homosexuals -- a bill opposed by the Church -- called for calm.

"We have to have calm and good sense," he told reporters. "Unfortunately the rhetoric has continuously been getting harsher over recent months. This country doesn't need it."

Vatican threatens to sue Indymedia

By FREEDOM OF PRESS 06/04/2007 At 19:41

It looks clear to us that the trial is going to restrict the liberty of expression and is politically motivated, trying to silence satirical criticisms published in a leftist site about the political positions of the new pope.

Back in April 2005, the World Press reported that the Italian Public Department's attorney, Salvatore Vitello, intends to take legal action against a satirical photomontage picturing Cardinal Ratzinger, the then newly chosen pope, in Nazi uniform. A few months ago, the intention materialized in the form of a letter of request that is now being considered by the Brazilian Superior Court of Justice (STJ). The request letter asks for the page to be taken down and disclose the identity of the people deemed responsible for the site, which is registered in Brazil.

The case in question is a good example of the double standards in dealing with the freedom of the press. In the incident of the cartoons that satirized prophet Mohammed in the Danish journal Jyllands-Posten, the public opinion of the liberal democracies jumped to condemn the fanaticism and the restriction of the freedom of expression. Now that the satire concerns a religious figure that occupies a privileged position in the international setting, the Italian Judiciary, in accordance with the Vatican, initiates forms of cyber political pursuit.

The photomontage at the heart of the trial is a satirical composition published on the Italy Independent Media Center site in April 2005. IMC, or Indymedia, is a global network of open publishing websites, where readers can publish news and opinion, established in 1999 to cover the protests against the World Trade Organization in Seattle. The photomontage is an anonymous contribution by one of the site users and puts the face of the Pope Benedict XVI to the body of a Nazi officer. The picture is accompanied by following comment, which the Italian Public Department considered offensive: "Nazi pope - happiness to all the faithful. After the anti-communist reactionary, now comes the ultra-reactionary Nazi."

The satire is clearly a composition that ridicules and criticizes persons and institutions by means of funny exaggeration. The right of satire is one of the foundations of the freedom of expression and press, and is what guarantees that all papers and magazines carry cartoons and caricatures on their pages every day. As an exaggeration, satire is always based on some elements of truth that are then maximised, aiming for a funny effect. In the case of the Pope photomontage, the truth element is that Pope Benedict XVI was member of the Hitler Youth in Germany when he was 14, as well as the fact that his politics, as Mayor of the Faith Doctrine Congregation during John Paul II rein, was considered ultra-conservative. The cartoon

does not have as its object the Catholic faith but, rather, the political orientation of the person in charge of the Papacy, as highlighted in the comment.

Despite the fact that the photomontage contains all the elements that qualify as a satire and, therefore, should be protected by the laws that defend the freedom of expression, the Italian Public Department used an article of the Italian penal code that criminalizes the "contempt of a minister of the Catholic faith", Catholicism being the "state religion" there.

However, the jurisprudence established in Italy already regards as outdated and illegitimate the argument that fuses State and Religion. That means that the core argument that substantiates the solicitation of the letter of request is questionable in its own country of origin.

Although Indymedia is not the author of the post concerned, the maintenance of the page where it is published is to us a question of principles. We believe that the photomontage is a satirical criticism of the political positions assumed by the Pope during his ecclesiastical career and that attorney Salvatore Vitello is criminalizing a publication based on outdated articles of the Penal Code, especially that this very Penal Code has recently had substantial changes to its writing.

The letter of request sent to the STJ is based on a judicial agreement of mutual cooperation between Brazil and Italy which limits this cooperation to predicted cases in the legislation of both countries and to crimes that are not of a political nature. However, the Brazilian law does not offer special protection for the ministers of the Catholic faith. Further, the letter of request, although claiming the trial is not of political nature, does highlight that the Independent Media Center website is the "expression of the information circuit of the antagonist left".

It is pretty obvious that the trial is going to restrict the freedom of expression and is politically motivated. It is trying to silence satirical criticism, published on a leftist site, about the political positions of the new pope. We expect the Minister entrusted by the trial in the Superior Court to have the same understanding. We also expect that the Brazilian civil society, as we as the international community, would express their opposition to this attempt by the Italian attorney to silence any criticism of the controversial political orientations of the Catholic Pope.

Recently, the request for filing the case was sent to the Italian Judicial authorities by the Italian Public Department itself. However, the request letter sent to Brazil is still being processed by the Federal Justice.

f**k you ratzinger you are a **RAT** if you where truely a good man you would inform the world about the evil jesuit order run by your master Peter Hans Kolvanbach and i know you clowns are reading these forums im bound to my faith I will never give in so don't even bother trying to brainwash me. **LONG LIVE AMERICA AND THE CONSTITUTION DOWN WITH THE CANNON LAW AND ROME!**

Alexandra - May 4, 2007 02:42 AM (GMT)

I guess that anti-Catholic forum I post on is terroristic.... :P

They probably consider the King James Bible a tool of terror too. Hey, why not...wasn't it the Vatican who came up with the BRILLIANT idea of the Patriot Act to begin with?

On that note, I think this spying is not to catch al-CIA-duh but to find out who the Christians, resisters, and patriots are!

P*ss on the pope, P*ss on the Vatican, and P*ss on the Society of Jesus the Jesuit order. And Sh*t on Hans face. LOVE this idiot speaks of LOVE, HA. They only love their Wealth and their created world wide misery with bloodshed and death. People suffer and die while they build another multi-million dollar wing onto their peice of shit Vatican maze of buildings, so they can line the walls with more of their stolen art and desecrated bones. They love their child slaves hidden away in the basements for their homosexaul deviant acts that go on behind closed doors. They love their slave planet, they love the fall of the Magna Carta and Common law in Great Britain, They love the Collapse of the free world and the Collapse of the Colonies they so love to hate. They love every minute of their deception leading up to their final conflict with freedom, hoping to love us all into their loving bone pile. Well I say BURN THE VATICAN TO THE GROUND AND ALL ITS WORLD WIDE WEB OF UNIVERSITYS WITH THE BASTARDS JESUITS THROATS SLASHED AND LYING DEAD IN HER RUINS. If it's any consolation, according to Bible prophecy the Vatican WILL be destroyed during the Great Tribulation.

CRAIG-OXLEY - May 4, 2007 02:59 AM (GMT)

Yes the Catholics are searching us out. This is why they utilise their loyal TEMPORAL COADJUTORS such as Alex Jones to weed out the dissidents, awakening and people with too much intelligence READY FOR ANNILATION. This

is the oldest **JESUIT** trick which they've done to themselves in order to weed out traitors. We will then be taken off to the **Containment camps** provided by FEMA and others ready for deletion. If they don't blatantly do it they will grab us when they claim a Bird Flu scare and no one will care or wonder.

QUOTE

If it's any consolation, according to Bible prophecy the Vatican WILL be destroyed during the Great Tribulation.

I believe this is simply when theres no Vatican anymore as its been shipped to 5 hills **Old Jerusalem** which subordinate **Jesuit** trained **Shimon Peres** started the handover of Jerusalem back in 1993 under orders of his master **SMOM Papal Knight King Juan Carlos of Spain**. So once again its simply an old order becoming a **New Order**. So as we saw before with the Caesar becoming a Pope, Legionaire becoming a Priest we will see the same but with different titles and maybe looks. One things for sure this **Babylonian/Egyptian** follow on will still be the same covertly behind the scenes.

Of course these **Jesuit scum** check out this site and others like it, we are unique and deal with the **Pinacle of control** unlike these Court Jew bashing diversionists. Seems that Freemason Jacob hadn't anything else to say to my destruction of his weak, childish and pathetic comments about Masonry. I speak the truth not the devious lies of these cretins.

Now the Italian population divides himself between two political side, one favourable to a law which could allow the union of two persons outside the traditional marriage, and the ones against. But all this is only a farce, to divert the attention away. The guy said: "the church must evolve, must become modern!". Foolishness. Idiocies. What they want then this kind of protesting 'anti-clericals'? They just want the pope "allow them the marriage between gays"!!!!,....Something every day practised by the priests and bishops among themselves....This people, the more "anti-clerical" are, the more a Medieval low population mentality they possess! Stay sure, I live in the Italian territory, I just knew only this kind of people till today! Only because the pope don't allow the marriage between gays, they remember that the Vatican buried in a Church a criminal.... When they'll get their fucking "gay marriages", they'll forget about Enrico de Pedis and Mafia blessed by the Pope!!! These anti-clericals, as regard my self, can go quite to the hell together with their pope...

THESE IDIOTS ARE THE FIRST WHO ATTACK YOU WHEN YOU BEGIN TO TALK SERIOUSLY ABOUT THE N.W.O!!!! 100% every day prooved by the undersigned Herr

Avles!!!!

They can't believe that the Vatican rules the world, just because it is a "retrograde and reactionary" associations!!!!!!!!!!!!!!!!!!!!!! And so, just the people in whom you trusted a minimum of understanding capability, are the first who are the Vatican's and Jesuit's defenders!!!!

The commies and the marxists are the worst!!!! Guaranteed 100%!!!

This is the reason for which I said and repeat: Italy is no more recuperable!

This 'anti-clericalism' is made to divert the attention from the real problem: the Vatican is a rough state and his formal Monarch/Head of State, Benedict XVI/Doc. Ratzinger, should be listed in the international list of the most wanted dangerous criminal, like Kim Yong Il, Castro, Ahmadinejad "the kidnapper", etc.

Herr doctor Ratzinger instigated to commit crime when he threatened with excommunication the priests who could have revealed the inquiries of the Church on paedophilia. American government should ask for extradition and detaches some aircraft carriers off the coast of Lazio treating the City of Vatican the same as they did with the Saddam's Iraq.

The Italian government (if for real a similar thing existed! I make a fiction) should do the same cause the protection assured by the RC Churches to the criminals and the Mafias, and for have apologized the crime and the social subversion with the burial/ blessing of a criminal leader of the most powerful criminal gang in Italy, involved in Mafia and red and black terrorism: Enrico de Pedis.

All the rest is only Vatican psy ops.

Avles - May 12, 2007 11:47 AM (GMT)

.....and finally this is my answer to the recent declarations of the formal monarch of the theocratic integralist anti-Christian based state of the Vatican. I wrote this in a single shot!

SOLEMN DECLARATION OF ANTI-CATHOLICISM.

I declare my life to be not only incompatible to the existence of a wherever situated kind of Catholic Church, but constrained to inexorably fight it till its destruction. Catholicism is a principle that denies my freedom, my independence, my dignity and the possibility of redemption of my soul, whatever religious or not religious significance could this expression have. "Catholicism" is a Greek term which stands for "universality", the universality that the so self-named religious organization based in Rome claims to order and administrate on the basis of its supposed religious principles. As I and my life, my dignity, my freedom, my soul are a part of the "universality" and the Catholic Church and Catholicism claim to rule over the "universality" and so over my soul, over my freedom, over my dignity, and as I totally don't recognize the supposed religious and temporal principles on which the organization named also "City of Vatican" is based, I declare myself an enemy of the Roman Apostolic Catholic Church and that the exercise of my freedom, my dignity, and the redemption of my soul means to fight against the Catholic principles.

As I don't recognize the pope and his controllers Jesuits as my spiritual masters, as I don't recognize the papacy as Christ's Vicarious, as I don't recognize the existence of the State of the Vatican based on the denial and the despise of Democratic principles meanwhile it uses them to spread the Antichrist's word, I can and I never will respect their principles which are based on slavery and prostration to the Evil. And I declare that the more I'll recognize the true message of Christ that my soul could receive, the more I'll recognize the true importance of the Self Government and of the Republican anti-feudal and anti-medieval state that my intelligence and my spirit could understand, I more and more will fight the Catholic Church and Catholicism as The Enemy Number One of these true universal and supreme values.

As I am an Italian citizen, with fully recognized rights mentioned in the Italian Constitution, and even if I declare my self a secessionists from Rome, I feel my duty to warn and fight every kind of danger which could threaten the Republican Italian state and the State of the Rights and the principle on which they are built, though I consider them only an empty artifice built to fill their total lack in the Italian society with a fake-republic and a fake-state of rights. Basing on this fundaments I absolve my duties warning the other Italian citizens about the danger constituted by the presence on the national territory of the organization which depends totally from the Monarch of the State of the Vatican, a totalitarian theocratic monarchy, who uses its religious associations, societies, communities fitted in every corner of the Italian territory and society, who uses the religious oath of his Vatican soldiers submitted to his hierarchical organization called "Roman Catholic Church", as a political tool to interfere and manipulate the life of a foreign nation, the Italian nation. From the schools to the university, from the civil administration to the military, from the culture to the sanitary system the members of the religious organization named "Catholic Church" which is an organ of the foreign Vatican state, decide, everyday, every moment, on the life of the people under they control, from the result of an examination in the university, to the result of a surgical operation where to an eventual dissident could be administered the capital punishment without no one suspecting of it, and meanwhile on the media a carpet bombing propaganda will show the monarch at the head of the foreign Vatican state protesting against the capitol punishment in America. I declare that the Roman Catholic Church uses the so called "organized criminality" in the form of the Mafia, Camorra, red and black terrorism, Intelligence, and others form of organizations, criminal or official, in order to carry out the Secret Points of the Treaty of Verona of the 22 October 1814 which affirm the decision to destroy the Self Government and the Freedom of Speech not only in the nation but also in all the world, what the burial and the implicit beatification of the criminal leader of the La Magliana gang of Roma in the S. Apollinare church among Christian martyrs and popes, Enrico de Pedis, strongly and brightly witnesses in front of all the world. Particularly, as I am concerned about the efforts to this goal, I declare the Catholic Roman Church as the first responsible of the state of paralysis, corruption, and demoralization of the police forces which are so

diverted from the real fight against criminality.

I declare the Catholic Church and its Jesuits controller, together with their servant ally the Guelph Black Nobility of Venetian and Babylonian origin, as the true responsible of the world massacre occurred in the twenty century named "world wars". I totally agree to what said by true Protestants, that the wars and revolutions occurred in the first half of the twenty century and over were a single, multi-decennials, religious war to punish and extirpate the heretics and to deep the Evil reign of the above mentioned Roman religious organization and its anti-Christian blue blooded ally. They used their Catholic crusader Adolf Hitler, their secret Jesuit agent Joseph Stalin, their Protestant traitor agents in England, in America and continental Europe and the Catholic herd to carry out the punishment of the heretics: Jews, Byzantines, Protestants and others; among them many million of the same Catholics. And particularly regard to the million of supposed Catholic died in the Second Thirty Years War occurred from 1914 to 1945 in Europe, I declare that their death and their sufferance were planned by the same Catholic masters to whom they gave trust and power. I declare that the great part of the Catholic are without awareness of the true meaning of the word "Catholic", due to the fact that the great part of them naturally refuse to actively and consciously operate to directly and by every means possible convert or extirpate non-Catholic, as the Church to which they belong impose them and makes of this mission his first reason of existence, an evil goal confirmed by the same word "Catholicism".

I declare that the Catholic Church and its Jesuits controller are totally aware of the impossibility to make their Catholic herd fully conscious of their real evil goals avoiding at the same time an open rebellion of their spiritual slaves, and so for this purpose they keep it always in a low ignorant and anti-moral condition, a condition gained by the help of their intellectual mercenaries who spread continually the nihilism necessary to weaken and destroy human dignity. This kind of mercenaries who work to hypnotize also non-Catholics, are impersoned by one of the most important of them, Karl Marx, followed by Nietschze and many others, whose duty was to begin the diffusion of the lies and perverted ideologies which prepared the souls of the Europeans and other populations in the world in order to willingly let themselves be involved in the religious butchery of the heretics of the 20. century. And to growth, to educate, to instigate all this kind of mercenaries, the Roman Catholic Church together with its Guelph allies created a subversive and occult organization, the Freemasonry together with many other lodges and sects and deviant members of other religions, with the intent to penetrate, infiltrate, conquer all the social and religious ambient which are traditionally enemy of the above mentioned alliance or impenetrable for any army of priests, informers, spies serving that alliance.

I declare that is impossible for the Catholic Church to exists without the hypocrisy, the lies, the falsity and the moral and spiritual depravation, as all this evil human attitudes are the necessary and not eliminable condition to get the sufficiency level of lack of dignity which helps the people under the evil influence of the Catholicism to lie to

themselves when they adore their pagan idols impersonated by saints, the virgin Mary, the pope and his priest's army, claiming at the same time that they do so to save their souls and the souls of the other humans, meanwhile they are nothing else helping the Antichrist to rule the world.

I declare that is a condition of surviving for Roman Catholic Church, the continuous spreading of lies and of the illiteracy necessary to believe in their Evil words, because the true goals of that evil organization are not compatible with the sense of humanity and civil life proper to the great part of human beings from the moment they are born, and so they must continuously trick their sheep to rule over them. I declare that the real original sin that the pagans soldiers of Catholicism want to extirpate is just this natural sense of humanity and dignity, in order to replace with or to reinforce the just existing very true Original Sin of whom they are the occult spreaders. And that the Roman Catholic Church is based on the Sin, which is cultivated in every form, the first of all is the one preferred by Satan itself: the disguise or the lie, of which he is lord. I declare that all humans, like the undersigned, are affected by the Sin, and so that their first duty to save their souls is to fight their indolence, their compliance, their tolerance to the Evil Roman Catholic Church that on the Sin is based and in every human cultivate.

I thanks God for having me inspired these words.

The undersigned,

Avles.

Confession to the Jesuits No. 28: Alperin v. Vatican Bank Shows Vatican Involvement in Genocide

But most astonishing in recent federal hearings in the Alperin case, attorneys for the Serbian and Jewish genocide survivors are outraged that the Vatican Bank suggests that genocide and plunder are permissible acts under international law.

By Greg Szymanski, JD
May 12, 2007

Hidden court documents prove the Vatican through its Jesuit Order henchmen organized the hit team to kill President Abraham Lincoln.

New York police detectives have documented that the pedophile rings ravaging American children were orchestrated by former New York Cardinal Spellman with full knowledge and complicity of the Vatican hierarchy.

Further, police documentation shows without question New York County District Attorney, Robert Morris Morgenthau, has covered up for Spellman, Cardinal Egan and other higher ups in the U.S. government, as the dirty cover-up trail leads all the way to the doorstep of the White House.

The cover-up, according to investigators, includes knowledge and complicity of the Bush family and one of its minions, Karl Rove, known as Miss Piggy in the Washington D.C. gay-bar circles.

Besides all the Vatican connections to the destruction listed above, there is much, much more, including the murder of Pope John Paul I for trying to clean-up the Vatican Bank and the pedophile rings in America.

Further, court documents in the case of Alperin v, Vatican Bank now pending in a San Francisco federal court show how The Vatican Bank stands accused of the post war laundering of the profits of genocide - including dental gold taken from the victims of the Nazi backed Croatian regime known as the Ustasha.

The case also has provided evidence of the Vatican connections and backing of Hitler and the Nazi Party with help from American intelligence officers in Rome.

But most astonishing in recent federal hearings in the Alperin case, attorneys for the Croatian genocide survivors are outraged that the Vatican Bank suggests that genocide and plunder are permissible acts under international law.

"On the one hand the Vatican is quick to condemn Israel and Serbia in recent years but in essence says its OK to butcher 500,000 people, steal their belongings and stash it in the Vatican Bank," said Jonathan Levy, one of the attorneys for the genocide survivors. "Pope Benedict should be concerned that the moral integrity of his Papacy is being undermined in a Federal Court."

However, with all the hard evidence pinning to the wall the Vatican and Jesuit Order's assault on the free world, including America, it remains a mystery how the U.S. government and all factions of the media ignore the hard facts.

In fact, it appears every last Congressman and Senator and all factions of the mainstream and most of the alternative are involved in the cover-up up to their dirty necks.

And in this Confession to the Jesuits No. 28, we present just a small portion of the evidence in the Alperin case, showing how the Vatican has been complicit with the genocide of more than 800,000 Serbs and Jews in an ethnic cleansing campaign.

What Americans need to consider is that if the Vatican was involved in the genocide of the Serbs and Jews, what is stopping them from doing the same thing here?

Here is a portion of the Alperin evidence as compiled by attorney Levy:

Alperin v. Vatican Bank was originally filed in Federal Court in San Francisco in November 1999. The plaintiffs are concentration camp

survivors of Serb, Jewish, and Ukrainian background and their relatives as well as organizations representing over 500,000 Holocaust victims.

The plaintiffs seek an accounting and restitution of the Nazi Croatian Treasury that according to the US State Department was illicitly transferred to the Vatican Bank, the Franciscan Order and other banks after the end of the war.

Defendants currently include the Vatican Bank and Franciscan Order. These defendants combined to conceal assets looted by the Croatian Nazis from concentration camp victims, Serbs, Jews, Roma and others between 1941-1945.

Levy v. CIA was a lawsuit filed under the Freedom of Information Act seeking release of US Intelligence agency files regarding the notorious Vatican spymaster, Fr. Krunoslav Draganovic. New records on Draganovic were released as a result of the successful conclusion of that lawsuit in 2001 in favor of Levy, clearly showing Vatican ties to U.S. intelligence officers and the Nazi Party.

Sex, Fraud, Money Laundering: All Roads lead to Rome

Attorneys in the Vatican Bank lawsuit (Alperin v. Vatican Bank) seeking restitution of Nazi loot laundered through the Vatican Bank after World War II have asked the United States District Court in San Francisco to coordinate all pending lawsuits against the Vatican. This includes another WWII era lawsuit against the Vatican Bank, three sex abuse cases filed in Missouri, Oregon, and Florida alleging a Vatican cover up of pedophile priests and a \$600 million dollar RICO (Anti Racketeering) lawsuit filed by five state insurance commissioners for insurance fraud aided and abetted by top Vatican officials in conspiracy with convicted swindler, Martin Frankel.

According to plaintiffs' attorneys Jonathan Levy and Tom Easton, the threshold issue in all these cases is whether the Vatican, which is the world's smallest country, can continue to hide behind sovereign immunity for criminal acts committed by its financiers and officials. Sovereign immunity is a legal doctrine that permits the Vatican to avoid civil lawsuits in the United States. Easton and Levy expect the US State Department will sooner or later weigh in on the issue of Vatican immunity and when it does, it makes more sense that all the cases are coordinated.

Furthermore according to the attorneys, the RICO lawsuit involves issues

of fact, which contradict pleadings already on file in the Vatican Bank cases. In the Vatican Bank cases, the Vatican Bank's Italian attorney asserted the bank's "fundamental purpose is to promote pious acts." On the other hand the RICO lawsuit filed by the state insurance commissioners alleges top Vatican officials including the Vatican Secretary of State Cardinal Sodano, were involved in a massive insurance fraud and money-laundering scheme with Martin Frankel utilizing the Vatican Bank and the Vatican itself as a front for their illegal activities.

"Americans have not yet put together all the pieces, " said Levy, "they need to know the Vatican is being used as a haven for crooks, pedophiles, and financial corruption. By combining these cases temporarily and forcing the issue of Vatican immunity we are actually helping the honest clergy who are trying to clean up an appalling situation."

But, the Vatican faces another legal time bomb that has been quietly wending its way through the federal court system since November 1999 and may be just as financially devastating. In November 1999, Ukrainian Holocaust survivors later joined by Serb and Jewish plaintiffs filed a class action lawsuit against the Vatican Bank, alleging complicity in the laundering of Nazi World War II loot including the proceeds of genocide from several Croatian run concentration camps where upwards of 500,000 Serbs were liquidated between 1941 and 1945.

The Vatican Bank has claimed sovereign immunity to the lawsuit declaring that it is an arm of the Holy See. However, the lawsuit persists and the thorny question of whether a US Court can hear a lawsuit against a Vatican organization remains unresolved. Plaintiffs' attorneys claim immunity is not available for the Vatican Bank which is no stranger to scandal; Federal Judge Maxine Chesney has yet to rule on the case.

Jonathan Levy, one of plaintiffs' counsels, suggests the Vatican is particularly vulnerable to legal process since it is both a Church and a quasi state, but has only enjoyed United States recognition since 1983 as a sovereign entity. Levy said, "Many of the Vatican's activities fall outside the traditional actions of a state, particularly when it comes to financing the Church. In the case of the pedophilia cover up, a Vatican policy of protecting guilty priests violates customary international law as well as the United Nations Convention on the Rights of the Child."

The UN Convention on the Rights of the Child has been ratified by over 190 nations including the Holy See and expressly prohibits sexual exploitation of children. According to Levy, "Some in the Vatican feel

they are above temporal laws, there is a parallel here, after World War II the Church assisted Nazi war criminals and helped them escape justice, now it is pedophile priests who have escaped punishment with help from Rome. In my opinion these are the actions of a rogue state and subject to full legal process in our courts.”

Vatican Lawyers Claim Nazi Regime Violated No Law in Genocide of 500,000 Serbs, Jews, & Roma

San Francisco:

Lawyers for the Vatican Bank including Pope Benedict's personal attorney have argued that genocide committed in Croatia during the Second World War by a Nazi regime was permissible under international law.

In the ongoing lawsuit *Alperin v. Vatican Bank*, the Vatican Bank has filed a motion set for hearing in November that argues in part that the Vatican Bank is immune because the Nazi backed Croatian regime did not violate international law by slaughtering 500,000 of its own citizens - Serbs, Jews, and Roma in an ethnic cleansing campaign.

The Vatican Bank stands accused of the post war laundering of the profits of genocide - including dental gold taken from the victims of the Nazi backed Croatian regime known as the Ustasha.

Attorneys for the Holocaust survivors are outraged that the Vatican Bank suggests that genocide and plunder are permissible acts under international law. Jonathan Levy, one of the attorneys for the Holocaust survivors, questions whether the Pope is even aware of what the bank's attorneys are proposing: "On the one hand the Vatican is quick to condemn Israel and Serbia in recent years but in essence says its OK to butcher 500,000 people, steal their belongings and stash it in the Vatican Bank...Pope Benedict should be concerned that the moral integrity of his Papacy is being undermined in a Federal Court."

The lawsuit has been ongoing since 1999 and despite growing evidence of the Vatican Bank's complicity in criminal acts has been resisted tenaciously by the Vatican Bank.

Pius XII – The Tainted Saint

While the debate about proposed sainthood for Pius XII rages between the

Vatican and its critics, a lawsuit pending since 1999 against the Vatican Bank and its ultimate disposition may prove the case for or against Pius.

The pending lawsuit, *Alperin v. Vatican Bank* (USDC ND CA No. C99-4941), filed in federal court in San Francisco and backed by a coalition of Serbian, Jewish, Roma and Ukrainian individuals and organizations seeks compensation for Axis plunder from Yugoslavia laundered through the Vatican Bank in 1946, well after the atrocities of the Second World War were revealed in full.

The funds in question were the proceeds of genocide by the Ustasha, Nazi allied Croatian forces, who murdered over 500,000 Jews, Serbs, and Roma in former Yugoslavia 1941-1945 and plundered their possessions. In addition to the money and gold in question, the Vatican also sheltered the top Ustasha leadership including wanted war criminals.

So far, testimony in the Alperin case by a former US Army counterintelligence agent, William Gowen, who investigated the Ustasha in Rome in 1947 for the US Army, has stopped short of directly implicating Pius, instead pointing to Montini, Pius' Undersecretary of State, who later became Pope Paul VI. According to the witness, a top Vatican official tasked with overseeing Croatian affairs in Rome, Monsignor Draganovic, who reported directly to Montini, admitted being the mastermind behind the smuggling and deposit of the Ustasha "treasure" at the Vatican bank.

To date, the Vatican attorneys have taken a hard line with the case, insisting that the Vatican Bank's money laundering scheme for Axis plunder violated no international law since the Ustasha's victims, mainly Orthodox Christian Serbs, were technically citizens of "Independent" Croatia. The unrepentant tone of the Vatican bodes poorly for Pius XII and the current controversy involving his elevation to sainthood.

While Jewish organizations like The Anti-Defamation League have concentrated on Pius' wartime record, the Vatican's sheltering of the perpetrators of genocide and their funds after the Second World War may be even more significant.

About the Attorneys fighting the Vatican

Dr. Jonathan Levy is licensed in California and the District of Columbia and has represented organizations and individuals in a variety of Holocaust and Second World War related lawsuits including banking,

insurance, and slave labor matters. Jon is also a member of the International Criminal Bar in The Hague and has a PhD in Political Science.

Tom Easton is a veteran California civil rights attorney. Tom has traveled extensively in Russia and Europe and holds a Masters degree in History.

Windle Turley is a nationally recognized plaintiffs' attorney and is responsible for the first multi million dollar jury verdict against a Roman Catholic Diocese for sexual abuse of children in 1998.

About the Writer

Dr. Greg Szymanski has a law degree and has been a journalist since 1976. He left the mainstream media in disgust over censorship and feels the same way about most of the alternative media. He will sitting for the California Bar later this year and plans to practice law as well as continue his radio and journalism work.

Description: *[Just like MOSSAD boy Michael Moore!!]*

TruthSeeker24 - October 27, 2005 06:24 PM (GMT)

Live now, (on 2:29 pm. EST) Alex Jones is saying that Weishaupt was trying to infiltrate the Catholic Church and denies that the Catholic Church was involved in Bavarian Illuminati in the interview with Barry Chamish. Sorry, Alex, but Adam was a Jesuit priest and the Jesuit help fund the Third Reich as well. Why doesn't he talk about that? What do you guys think about this?

By TruthSeeker24.

Alexandra - October 27, 2005 06:31 PM (GMT)

I think you know as well as I do. The Illuminati, Freemasons, etc., are basically Jesuit fronts.

As Jack Chick points out in one of his comics, people are forever writing books "exposing" the CFR, the Trilateral Commission, etc., but don't even touch the organization that links them all together.

CRAIG-OXLEY - October 27, 2005 07:51 PM (GMT)

Alex Jones is a Temporal Coadjutor its that simple and always has been, the same goes for Texe Marrs, Mike Ruppert, Stan Monleith, Noam Chompskey <_<

smashstuff - October 27, 2005 09:07 PM (GMT)

This is a real shame, as Jones gets good information out there.

CRAIG-OXLEY - October 27, 2005 09:34 PM (GMT)

Thats the idea to keep the Illusion and to weed out all the dissident anti-NWO !

DTD - October 27, 2005 11:16 PM (GMT)

Most of Jone's fans are sheeple who just like to think their hero is out there "fighting" for their freedoms. Jones and Rense are the biggest fakes out there.

Haha, i said this before. Fema's Rex84 plan. Anyone who calls his 800# too is being databased also.

About a year or so ago i listened to alex on shortwave, then he switched to a new station. Well, i was listening to the old station and the guy was going off about alex and the internet and infowars. He was saying the internet is "the beast" and is just being used to track people for REX84. He went on for an hour about how Alex is a schill, at first i thought he just angry alex jumped stations, but i completely agree with him now.

AVBibleBeliever - October 30, 2005 03:38 AM (GMT)

Dear Friends and Brethren in our Lord Jesus Christ,

Alex Jones often quotes the late Carroll Quigley who was a Georgetown Edmund A. Walsh School of Foreign Service prof of history. Quigley wrote about the Council on Foreign Relations and other roundtable groups however he never exposed how their are all controlled by the Jesuit Order. <http://www.premier1.net/~barkonwd/quigley.htm>

Quoting from <http://www.michaeljournal.org/nwo2.htm>

Professor Carroll Quigley, Bill Clinton's mentor at Georgetown University, authors a massive volume entitled "Tragedy and Hope" in which he states: "There does exist and has existed for a generation, an international network which operates, to some extent, in the way the radical right believes the Communists act. In fact, this network, which we may identify as the Round Table Groups, has no aversion to cooperating with the Communists, or any other groups, and frequently does so. I know of the operations of this network because I have studied it for twenty years and was permitted for two years, in the early 1960s, to examine its papers and secret records. I have no aversion to it or to most of its aims, and have, for much of my life, been close to it and to many of its instruments. I have objected, both in the past and recently, to a few of its policies, but in general my chief difference of opinion is that it wishes to remain unknown, and I believe its role in history is significant enough to be known."

The reason why Quigley never mentioned the Jesuits or hinted that they control all of the roundtable secret societies is obvious-he was a temporal coadjutor and he was in the employ of the Order. Carroll Quigley helped perpetuate the Red Communist scare (Communism is a Jesuit device).

Quigley who was one of Bill Clinton's mentors as was Jesuit Otto Hentz SJ who once asked Clinton over a burger if he ever considered becoming a Jesuit. Hentz was surprised when Clinton said he was a Baptist because Hentz said, "I've read your papers and reports. You write like a Catholic, you think like a Catholic." Carroll (paraphrased from Clinton's autobiography "My Life") http://www.library.georgetown.edu/dept/spe...e/t_quigley.jpg http://www.library.georgetown.edu/dept/spe.../t_quigphot.jpg <http://www.library.georgetown.edu/dept/spe...age/frhentz.jpg>

Quoting from <http://www.lewrockwell.com/yates/yates14.html>

"Who was Quigley? Not a "right winger" in the John Birch Society but a highly respected senior-level professor of political history at the Foreign Service School at Georgetown University. He specialized in macrohistory, or the study of large-scale, global developments and trends. In this one passage, he not only puts his finger on both conceptions of the New World Order [never told the truth that the Jesuit Order heads the NWO/international community] as presented above, he positions himself as one of the insiders. While one may, if one is so inclined, discount the writers of self-published tracts with PO Box addresses in small towns hardly anyone has heard of before, Carroll Quigley is impossible to dismiss. He was, after all, one of Bill Clinton's chief mentors, personal heroes, and the one person Clinton thanked by name in his first inaugural address. Quigley had had Clinton as an undergraduate years before at Georgetown. As a youth Clinton already had his eyes set on the Presidency. Seeing that even as a teenager, Clinton was one of those people who was fascinated by power and would compromise any principle to obtain it, Quigley saw him as having the "right stuff." It was Quigley's powerful connections that obtained for Clinton the Rhodes Scholarship." Quigley said this about the Bolsheviks, "Bolshevism [a Jesuit device] presented itself as an economic threat to themselves at the same time that Nazism [another Jesuit device] presented itself as a political threat to their countries."

The Bolsheviks were Masonic. The visible power the Masonic Jews the Jesuits gave them was used to foment anti-Jewish fury against the economically poor Jews of Russia in general. The Jesuits used this revolution to kill Jews in the name of Jesuit-created Communism and Marxism (named after Jewish Freemason temporal coadjutor Karl Marx) throughout Russia using their Fourteenth Amendment "Holy Roman" American Empire. This empire has blood on its hands, Jewish blood and God shall avenge them-these precious descendants of Abraham, Isaac, and Jacob (Israel) , this empire sowed the wind and now it is reaping whirlwind, this nation is cursed according Genesis 12. Presently the Order is using the fascist Religious Romanist New Right GOP to foment fury against Bible believers in general because in the the eyes of the Jesuits' CFR media the visible public leaders of the fascist GOP are "born again Christians" when they are actually Masonic and members of secret societies such as the Skull and Bones, Illuminati, CFR, Knights of Malta (SMOM), Knights of Columbus etc. all controlled at the top by the Luciferian Society of Jesus and its Black Pope.

Alex said i was co-intellpro after he hung up on me. He said im being paid by the globalist i wish someone would pay me. He gets so mad at some silly questions, hes an idiot.

First asked him if he ever interviewed Marc Stevens from www.adventuresinlegalland.com , he said he might have but doesnt remember??? He didnt, he's afraid of Marc. Marc has real solutions.

Then i said lots of people on David Ickes forum say GCN is an ABC affiliate.. is that true? he says NO and before he starts ranting i asked about the John Gray family that alex interviewed and then sold it to abc's 20/20.

He said he helped the John Gray family... See for yourself how he helped them. <http://www.christianmediaresearch.com/jones.html>

ABC still sells the video they bought from mr. jones

Then Alex Jonesbaugh ranted for 10 minutes about a bunch of stuff i never even said, he implied i was calling him a scientologist or something...

Just like people who swear up and down that Jews infiltrated the Catholic church. Never mind that Romanism has ALWAYS been corrupt!

People like that like to say the puppetmaster is the puppet.

One theme of the Bible, I think, is Christianity (as in God's people) vs. Mystery Babylon. Mystery Babylon's current incarnation is Romanism. I find it very interesting, this thought that popped into my head just now...just as Judaism was transitioning to Christianity (Old Testament => New Testament), pagan religion was transforming itself into counterfeit Christianity. Right within a few centuries.

AVBibleBeliever - November 13, 2005 09:56 PM (GMT)

I could not agree with you more Sister Alexandra. You are absolutely correct. It is my sincere belief that a select group of Jews during the Babylonian captivity adopted the occult mystery religion and brought corruption into true Torah/Hebrew Bible believing Judaism. This elite group of priests/rabbis (masters) called Pharisees started Pharisaical schools to subvert true Judaism and propagate a counterfeit which is what comprises modern Judaism today. I believe the Pharisees were the Jesuits of their time-late Old Testament period including the First Coming and earthly ministry of Messiah Jesus. These Pharisees hated true Torah believing Judaism and Satan used them to oppress the poor and persecuted who longed for the Mashiach of Israel, the Pharisees allied with the Roman Emperor (they were Caesar's Jews-they had no king but Caesar) their occult mystery religion was condemned by the Lord Jesus Christ and it was this group, this elite group of Jews along with the Romans who crucified the Lord's Christ. This is a fact but when the Babylonian mystery religion called Romanism entered into the picture with the first pope Constantine they distorted this fact and blamed all Jews in general for nailing Christ Jesus to a tree-the Jesuits perpetuate this lie to this very day.

What the Pharisees did to true Torah believing (the written Torah is the one and only Torah-there is NO oral Torah-the lie that there is an oral Torah has been used to falsely justify legitimacy of the Babylonian and Jerusalem Talmud as authoritative equal with or greater than the Hebrew Bible-which the Talmud is NOT nor the Zohar (Kabbalah or any other works of Jewish "mysticism")! all of which have nothing to do with true Biblical Judaism) the Jesuits seek to do the same to what remains of Bible believing Protestantism in the world today and destroy it completely. With God's blessing, mercy, and grace this can be prevented in this once great God-fearing Protestant nation and republic. I believe the Luciferian Society of Jesus and all of it's trusted third parties such as Freemasonry, Council on Foreign Relations, Knights of Malta (SMOM), Knights of Columbus, Skull and Bones, and all other secret societies (they all answer to the Jesuit Order and its Black Pope) must be expelled from our land and shores.

May the Lord bless you all.

Important post. Jesuit Coadjutor Alex Jones does tell the truth in certain details as does Jesuit Coadjutor Michael Collins Piper.

Brother Eric

QUOTE

Dear JL,

Alex Jones is a Jesuit Temporal Coadjutor. No one gets into the Bohemian Grove without permission! The Jesuits run the Grove as it is near one of their great havens, San Francisco. And yes, US presidents and congressmen and bankers can be seen at the Grove (called "Grover's") on a regular basis. Most of these men are Bonesmen, **SMOM**, high masons and CFR members.

Sincerely in Faith,

Brother Eric

QUOTE

Dear Greg,

I believe the Order uses Alex Jones to foment further agitation among the masses---particularly the Whites as it is apparent that the other races really don't care about the future of this country. To do this tactic, a certain amount of truth must be told. What has been revealed concerning the Bohemian Grove by Jones is absolutely true. But he will never expose the true masters of the Grove. His purpose is to be an agent provocatur---nothing more. He has no answers from history or from the Scriptures.

This same tactic has been used by a host of other "fringe groups." For example, the "right wing" John Birch Society has told the truth about the Council on Foreign Relations since the 1950s. But the Society never went to the core of the power within the CFR, maybe because Robert Welch was a 32 degree Freemason and was baptized into the RCC on his deathbed---for a job well done. Welch really blamed the Jews for the control of the CFR which is a typical Jesuit tactic. In fact, the JBS spoke well of Jesuit Superior General Pedro Arrupe in Gary Allen's None Dare Call It Conspiracy.

Another example is the Black Panthers. Their Stokely Carmichael rightly pointed out the hateful racism against Blacks existing in predominantly White northern Roman Catholic cities---like NYC. The intent was to incite hateful Black racism first against all Whites and then ultimately against the Jews. The Jews were blamed for the high rents and high food prices in Harlem (indeed they were high prices evidenced by the documentary The Poor Pay More) as per Jesuit protocol. But when Stokely discovered that the leases of these apartment complexes were owned by Morgan and Rockefeller interests and started speaking out about it, he was driven from the Panthers and later moved to Africa.

If Alex Jones ever dares to tell the truth about the connection between the Knights of Malta, the Jesuits and the Bohemian Grove, he is finished. But as long as he can further the ecumenical agitation among historic White Middle classes (both Protestant and Catholic) intended to culminate in a Jesuit-led, right wing, fascist military coup d'etat, Jones will be in the forefront of the Order's "infowars."

It is for this reason that Alex Jones will NEVER host anyone on his show that deals with the Jesuit Order. The same holds true for the White Jesuit Temporal Coadjutors Michael Collins Piper, Victor Thorne and Hal Turner. NEVER will any of them entertain the past history of the Jesuit Order or the Knights of Malta---"the most exclusive club on earth," according to Stephen Birmingham, author of Real Lace: America's Irish Rich.

Sincerely in Faith,

Brother Eric

Captain Eric May of Ghost Troop gives us yet another clue as to which side Alex Jones is really on. Remember how Jones promoted the COVERUP air hammer story about the Capitol building gun fire? Well heres another!

Listen to Eric May's comments in his:

[Captain May Update THE JESSE MACBETH AFFAIR June 6, 2006](#)

tkra - August 25, 2006 02:53 PM (GMT)

Greetings:

I have not posted here before, and I'm certainly not a scholar regarding Vatican issues. However, I own both a pre-release and a first edition of Vatican Assassins so I have been following the issue for some time. I thought I might comment about Alex Jones, and link to an audio clip of moderate interest for you.

Alex Jones is at the very least a very interesting personality and somewhat likeable. He dispenses a lot of useful information, but clearly he is misleading people about the Vatican and Jesuits. I'm not precisely sure what his problem is, but he has a war obsessed mentality and this rationale appears to have led him to take sides as a propagandist for >his< concept of "Christianity". I've listened to him quite a bit over the past few years and I sense a significant degree of guilt for the manner in which he is misinforming people. Perhaps he is taking a Tupper Saussy style approach to these matters reckoning that the Vatican may be awful but better than the alternatives. I can only speculate.

For the record, Jones has stated on his show that he is NOT a Catholic. He also stated that he will NEVER interview Eric Jon Phelps and he always gets jumpy when confronted with phrases like "Knights of Malta" when the odd caller asks about Catholic issues. Additionally he is friends with Mel and Hutton Gibson as well as Charlie and Martin Sheen who are heavy Catholics. As most of you probably know, Ramon Estevez changed his name to Martin Sheen as a young actor...having been influenced by Bishop Fulton Sheen.

Alex Jones does his best to "laugh off" the assertion that the Catholic Church could have anything to do with anything whenever the subject arises. This follows the same pattern of several heavily indoctrinated people I personally have known that are Catholics. One guy is an impressive intellectual, but he irrationally blames the Jews for absolutely everything, and can find little or no fault in his church that he describes as powerless and broken. This anti-semite (not Jones) is quite sickening to talk to and he has become so absorbed in the propaganda he reads that he is convinced that the Jews are ruling the world and winning. He despises the "Jews", but has confided that perhaps he should "join them" because they are supposedly taking over and gaining ground. These people exhibit a rather selfish "team player" mentality.

Anyway, here is a 4 and a half minute clip from the Aug 18, 2006 Alex Jones show, where he immediately starts talking about Dracos and Lizards when the Jesuit issue is brought up by a caller. He does his ?guilt ridden? best to associate the Jesuit issue with lunacy.

<http://www.how.org/tkra/alexjones-jesuits-...os-aug18-06.mp3>

It's interesting to note that immediately after Jones makes his awkward comments about lizards, he interviews Robert Gaylon Ross for over an hour. They go on to talk about the ('Jewish') Rothschild family as being the supposed controllers of everything behind the scenes.

I hope the best for Mr. Jones and I hope he can pull out of his bias but I'm certainly not counting on it. He appears to have lodged himself deep in the propaganda war and it's anyone's guess if he'll ever pull out. Alex Jones does his best to appear unbiased but he's helping to sow the seeds of anti-jewish sentiment. I'm not Jewish or even pro-Jewish. I simply don't like all the lying and misinformation that has been going on. The Jews are responsible for their own particular proportion of world misdeeds but obviously that cannot be 100%. I must admit that I do feel a tiny bit sorry for Larry "they promised me a third plane" Silverstein. That greedy dupe had no choice but to level WTC7 late afternoon Sept 11, 2001 to dispose of the obvious evidence. Currently the establishment is still covering for him but will probably withdraw support and launch the next anti-Jewish holocaust whenever it is felt that they can get away with it.

I kind of admire the ingenuity of the ?Jesuit? strategy. I suspect that the ?Zionist? collaborators involved in 911 were counting on a third plane hitting Building 7, but regretfully that plane was "accidentally" shot down as intended all along by the core conspirators. The Jews are poised to take all the blame as soon as the Jesuit establishment decides to flip the switch against them.

The mind control games for these events are planned well in advance. The 1985 movie the Holcroft Covenant with Michael Caine actually has a scene with a Jumbo jet flying directly towards the World Trade Center as well as massive amounts of occult calculations. Some of these complex mind games go so far as to correlate pre-meditation. The 2000 movie "American Psycho" has a scene in it set in the mid 1980s where there is a shootout with police at the site of WTC7. I can't reverse engineer the exact purpose of these games, but the perps appear to enjoy hiding their plans in advance in public view.

Whatever the case may be, Alex Jones appears to have gotten himself wrapped up in the middle of someone's nefarious plot and he's helping to sow the subtle seeds of the next anti-jewish furor. He exposes all kinds of corruption, but amid his flurry of activity he steers people away from the Vatican's real role in world manipulation. Most people will never hear about the REAL 'nazis' until it's too late.

I'll close this posting by commenting that that Jesuit plans for a world government are never going to materialize in a successful manner. The universe actually functions in a manner akin to parallel processing and not according to the dictates of power mad imbeciles. These people have one track minds and their concept that monopolistic greed is going to bring about favorable or functional results is ridiculous. I suppose they are in fact sons of god in their own right because their boundless selfishness make them true CHILDREN. They want their crazy monopoly like children want toys and they are oblivious to the reality that at the soul level, the entire planet despises them for what they do. Sooner or later, the people WILL wake up because crime doesn't pay. I mean...CRIME DOESN'T PAY. They just can't seem to figure that out. For them, monopolistic crime, murder, greed and sheer insanity is "holy" and all for a "good cause". They appear to believe that their nutty ideas are suddenly going to work as soon as everyone agrees with them. I hate to break it to them, but what they are doing is pure dysfunction.

I could ramble on forever but Eric Phelps is right. They're after money and power and they think that if they call it holy that somehow it will be holy...and if they lie enough, their dumb ideas will start working. Well, their dumb ideas are hated by the entire planet. The only reason why they've gotten this far is that the public has been chasing a carrot on a stick. They're money grubbing psychopaths overseeing a global money cult. Meanwhile, living on this planet of the criminal child babies is extremely frustrating. These Jesus men really need to grow up. A lot of people are afraid to talk this way, but aside from torture, my living conditions would actually be improved if the Mafiosi were sent to "whack" me. The cult of selfishness that these maniacs lead has degraded the world to the point of breakdown, but even now, they STILL can't figure out that they really are the problem. They are a bunch of selfish cult leaders, their ideas are terrible and they're not holy. The world despises them, but is hard pressed to even identify the problem. It's the religion of greed that we are dealing with. Are these guys ever going to even approach the point of realizing that what they are doing is bad for us all, and it doesn't work? I hope these guys figure out that they really DO have the option of quitting this nonsense before it's long past too late.

Maybe that explains what's afflicting Alex Jones. The Jesuit delusion is so immense and dedicated that he's a victim of it just like they are.

So in other words, Jones is trying to stir up agitation in order to further the Order's agenda.

Alberto Rivera said that riots were needed for the takeover, and I'm assuming he meant MARTIAL LAW takeover.

CRAIG-OXLEY - March 27, 2007 05:28 PM (GMT)

Just like what ERIC JON PHELPS said about Alex Jones's role being to agitate the coming conflicts they desire

CRAIG-OXLEY - March 30, 2007 05:05 PM (GMT)

Alex Jones says many truthful things and has accomplished some truly great work. But he fails to even entertain the Jesuit topic. Because of this dishonesty and his disdain for all who attack the Order he is ipso facto a Jesuit Temporal Coadjutor. I would be remiss in my duties if I let this go.

Sincerely in Faith,

Brother Eric

Daniel - March 30, 2007 08:14 PM (GMT)

I'll be honest: I want to be careful before assuming that these people are not who they claim to be. Other than the Bohemian Grove and some other slight questions, Alex Jones focuses on the general news - almost like a reporter. Do we need some reporters also? Do I find him annoying at time? YES! Do I find him all wound up? YES!

But he does what he does very well and I cannot say that he is working for the bad guys simply because he does not focus on the Jesuits.

I need more proof guys.

Daniel

P.S I love Eric but he also thinks that Edgar Cayce was evil because Wilson had a reading with him. Eric is an excellent reaeacher but has some limitation due to his bias. It's not gospel when he says things like this. He also thinks G Edward Griffin is not to be trusted because he was once connected with the JBS. Does it mean that it's necessarily true?

It seems to me that Rosie McDonald is just a pawn to make the "conspiracy theorists" look like a bunch of idiots. You can see how she is upsetting O'Reilly and his other analyst colleagues. He squawls and rants about the "kooks" so that the listening audience will learn to laugh, or better still, be belligerent towards anyone who goes beyond the bounds of media propaganda. This seems obvious to me. Their mind control game continues.

Bro. xxxxxxxxx

You have made the perfect analysis and drawn the right conclusion. The Order, controlling ABC via its CFR in New York City, could not have chosen a better agent to discredit the truth

about 911. Let us watch what happens to "Rosie."

The White Middle Class (Catholic and Protestant) must be moved to right-wing fascism. This is the corner into which Fox coadjutors are attempting to push us. This great feat will never be accomplished if the public begins to believe that 911 was an inside job of the intelligence community.

Fox News is not Right-Wing, nor is fascism right-wing. They are gun-grabbing, anti-private property.

Fox-news is so far left that they put Karl Marx to shame. Eric speaks about the agenda yet he falls for the left/right nonsense? Why?

It's either your a Republic (right) or your on the left.

Everything is left: Fascism, Communism, Socialism, Theosism, Collectivism and all the other "isms" are leftist and not right.

So unless Alex Jones is pushing us all to the LEFT, he cannot be supporting Fascism, see?

Daniel

P.S Alex is pushing toward "nationalism" and not "national-socialism"

Menses - March 30, 2007 10:46 PM (GMT)

I have always believed certain aspects to the 911 story were meant to be uncovered as it would serve to destroy American Morale. The Patsies of course being the Royal Court Jews (Neo-Cons) & Silversteins already in place to take the blame. Why else would Temporal CoAdjutor Jones be allowed to publicly reveal certain aspects of the coverup on mainstream networks like CNN & MTV Canada, which is now being filmed from the Masonic Temple in Toronto..?

In spite of that, I believe Eric is right in his estimation that Rosie is merely another Charlie Sheen. A disgraced high profile celebrity who can conveniently be ignored by the power worshipping sheeple whos opinions are swayed in the direction the media wishes their opinions to go. Is it mere coincidence then that the Rosie's conspiritorial rant came right upon the heels of her embarrassing and in my opinion staged tv showdown with Stone Mason Donald Trump..? A stunt designed to discredit her and at the same time tease the public with the possibility that perhaps their government isn't as honest as they once thought....

The fall out is minimal but just enough to get the ball rolling. The documentary Loose Change we must remember was financed by CBC broadcasting up here in Canada. Jesuit controlled through and through. This movie is hitting theatres one day and so we have to assume that much of what we see now is planned in advance...the exposing of 911...chaos...a black president in Obama who perhaps will be assassinated by the Order as a way of inducing the race riots they have planned for decades....wild cards but food for thought nonetheless

Hi, Eric I recently e-mailed you about your mention of Alex and I have come to my own conclusion regarding his denial of the vatican led nwo. I have wondered about him for some time and others too who dont mention it. I just red Greg Szymanskis article on the subject and it is making me wonder if in fact Alex and others are really working for the other side. I recall asking pastor Butch Paugh via e-mail to expose the real story behind Mel Gibsons movie-The Passion and got no reply and never heard him mention it on his show. Im sure you know of the occultic origins of that film. I also wondered why if people like Alex were such a thorn in the side of the nwo, they didnt attack him like they do people like Tony Alamo. Thank You for your work in exposing this great evil. In the name of our lord and master, Yeheshua Messia xxxxx

Unfortunately, Alex Jones is indeed a Jesuit Temporal Coadjutor. The detailed work he has performed and his many lower-level conclusions are absolutely correct. But when it comes to the grand question of "Who Rules?" he fades away into the woodwork refusing to even mention the "J" word. This keeps people agitated and produces the fear he seeks to induce. His intense facial expressions, his abrasive voice and his obvious collusion with coadjutors of power such as George W. Bush, Michael Moore and David Gergen, reveals his true part he has been ordered to perform.

All your points are correct. Butch Paugh has an allegiance to Opus Dei Hutton Gibson that he will never break. Of course Opus Dei Mel Gibson is the dear friend of William J. Fulco, the Jesuit who oversaw the all-seeing-eyed Jesus of The Passion.

Tony Alamo has paid the price for resising the Order with his time in prison. But he remained faithful, and is a great encouragement to me. My request to you is that if you believe Jones is the Coadjutor that he in fact is, then please join with me and others in exposing this agent provocatur. For he will ultimately lead his followers to blame all Jews in general (as does Piper, Makov, Marrs and others) when the blame for the NWO---the return to the Pope's Dark Ages---should be clearly placed on the Jesuits and their master, the Black Pope.

CRAIG-OXLEY - March 31, 2007 01:23 AM (GMT)

Daniel wake up and smell the coffee please before its too late. Do you see **Dr John Coleman, Eric Jon Phelps, Alberto Rivera, Gary Webb, Brian Downing Quig, William Cooper, Phil Schneider, Jim Arrabito, Fritz Springmeier** and other TRUTHsayers past and present upon mainstream TV? **NO!** Do you see Alex Jones now and then on mainstream? **YES!** My God he's even in a movie haha. Who controls all U.S Media? **The Council on Foreign Relations**. Who controls the CFR? The **SOVEREIGN MILITARY OF MALTA!** Therefore its all controlled and if they don't want something out then no one is saying anything. Do you honestly think they would allow people like Rosie to air their views unless its all a set-up?

These cretins like Alex Jones are deceiving the public and out to highlight dissidents as well as rattle up the people ready for whatever sick agenda the **Jesuits** have lined up for us to follow wether it be Civil War or whatever. **William Cooper** highlighted Jones antics in that audio file recently just nicely.

Nothing gets on TV, Commercials, Political announcements etc without it being known and PUT THEIR ON PURPOSE. Both Jones and Hilder have connections to **HOLLYWOOD** which isn't controlled by the Judiac peoples as your lead to believe. Hollywood is controlled by the **Sovereign Military of Malta** and the **Mafiosi**. The Mafiosi are subordinate to the local **Archbishops** who rule the roost. Now remember that the Druids used **MAGIC WANDS** always made of the **WOOD of HOLLY**. Hollywood is the **illusion** creator, the **alchemist** of the mind. Its used to slowly condition the people to lies, myths and coming agendas.

Alex Jones was never fit to lick **WILLIAM COOPER's** boots and never would have been. Look where William Cooper is right now for being one of the biggest **AMERICAN** Patriots, yes in a wooden box. Alex Jones couldn't lick the boots of **Fritz Springmeier** and where is he now? Locked up in a small jail cell, fitted up on phony robbery charges.

Stop falling for all the crackling and banging fireworks surrounding Jones as he looks great mouthing off outside Bilderberg meetings. None of the **Black Venetian Nobility** inside gave a damn and probably laughed at how their simply controlling the situation at his poxy level.

The **Jesuits** have been the masters of controlling situations and as **Hitler, Himmer** and others all knew and have spoke of, they are the masters of organisation etc. Do you honestly think the Jesuits would allow true opposition have this much spotlight unless they controlled it? You control the sheep with people like O-Reilly working for **BRITISH INTELLIGENCE** and their **FOX NEWS** channel. You control the awakening/so called awakened sheep or so they think with **AGENTS, TEMPORALS**. This is **Thesis** and **anti-thesis**, then what do you get? **SYNTHESIS** which is you still control both sides of the population. The Jesuits know x-amount of the so-called 6 billion population will wake up especially when we get the media like the internet etc. So they get in first with their agents. Some of these agents were genuine in the beginning but go over to the dark side eventually through greed. Some are forced into shutting up by the likes of assassins from **FBI Division #5** which is controlled by the **Defense Industrial Security Command**.

Take Care

The Church which is His Body/Pastor Keator

Dear Brother Williams, via our dear Brother Eric

Greetings in the Wondrous Grace of God. In reply to your email of the above subject, which you also sent to Eric. You may be confusing New Zealand with Australia which has introduced gun control since the Port Arthur massacre in the State of Tasmania. NZ has gun licensing but not disarmament. Switzerland has got it right, where almost every man bears arms. Very few murders occur there. Indeed, we should trust in The Lord, pass the ammunition, and keep our powder dry. NZ is suckered-in to helping fight the UN Vatican Blue Bonnets (Blue Nun's - RC Mary) war in Timor, to help install Jesuit Jose Horta as their new leader. Hell enlargeth itself for such. What a dichotomy – to be armed, in order to fight for your enemy, just like the USA is fighting the Papal Crusade against Islam. Popery is clouting its illegitimate spawning Islam, using its American militia.

We don't dabble or dwell in the semantics, wresting, or private interpretations of mixing Law and Grace. "Knowing that a man is not justified by the works of the law, but by the faith of Jesus Christ. Blotting out the handwriting of ordinances that was against us, which was contrary to us, and took it out of the way, nailing it to his cross." We are complete in Him. We see our calling, walk, and doctrine for this Dispensation of Grace, only in Paul's epistles. The preaching of Jesus Christ according to my (Paul's) gospel, the Gospel of the Grace of God according to the revelation of the mystery, Christ in you, the hope of glory. The rest of the Scriptures being for others, at other times. We don't

attempt to wrest signs or prophecies into this sign-less, un-propheesied, and un-prophetic dispensation, nor do we seek unsolicited attempts of correction by those that don't see this. Folks can, do, and will believe exactly as they please. We don't seek to use Eric's wonderful forum to invite contentious skirmishes on the side. We don't wrest that which applies to others (Israel, the Law, Matthew to John Kingdom Gospel, Hebrews to The Revelation) to make it "squeeze" into this day of Grace. We see that Pentecost was still the Kingdom Church, and not the start of the Church which is the Body of Christ which starts with Paul in mid Acts.

Am a great admirer of John Knox, and Admiral Coligny whom was murdered with the 100,000 plus Protestants in the evil Medici St Bartholomew's massacre, and the great Oliver Cromwell. Have three books on Cromwell. His battle prayers are the Bread of Heaven. My family, on both sides (Carson/Anderson/Butler/O'Dell), has extremely close affinity with Irish, Ulster, Ulster-Scot, and Scottish history. My grandmother was saved on the streets of Dublin due to Salvation Army street-preaching. S.A. were fundamental and sound back then. She was from an intensely Roman Catholic family. They emigrated to NZ when my mother (now 93 years) was six years old. Edward Carson (educated Trinity College Dublin) raised an army of 100,000 Protestants in Ulster to defeat Rome rule. At the outbreak of World War 1, Carson's army overnight became the Royal Ulster Rifles (36th Ulster Division) and went to France where most of them gallantly perished at the Somme 1916. Now, Britain betrays their memory and valour. Eleanor's family too, being Roman Catholic (Egan/Kilpatrick/Colquhoun) – we were saved in the first year of our marriage 1972. Have also read a lot of early American history.

We see that every member of the Body of Christ has a distinctive role in the edifying of all other members. After making a brief mention (in our recent email subject "Pastor Keator") of how we love Dr Ruckman's defence of inerrancy and preservation of Authorised Version Bible, we were sent a 46 page critique of Dr Ruckman (from a Brother whose good intention is to inform us of his findings) which in part, says Dr Ruckman is a Romanist. We would never consider him to be a Romanist. In fact, at the very present time, I'm re-hearing his excellent 12 cassette study on Church History which we got about 30 years ago. I listen to tapes as I drive around the province. Few make such a castigating exposure of Romanism, as does Dr Ruckman on this study set. Those whom write and state so much in their teaching and preaching lives, are bound to make statements that are misconstrued from the context of their overall belief and understanding. I'm thankful to set aside many points of doctrine and statements made over the years through lack of discernment. We have over 90% of Dr Ruckman's books and 850 of his cassette tapes. We love him despite our deploring the wrong division of Baptist doctrine, water baptism, and the start of their doctrine with John the

Baptist. We are not interested in his abundant wood, hay, and stubble. We are interested in, and love his vastly greater abundance of gold, silver, and precious stones. We have seen much jealousy over the years directed against the stridently forthright Dr Ruckman. Yet, he is jealous of no-one. As we all grow in the Grace and knowledge of our Lord Jesus Christ, we can relish in the comfort and hope of "Let nothing be done through strife or vainglory; but in lowliness of mind let each esteem other better than themselves. Look not every man on his own things, but every man also on the things of others". Phil 2:3-4. "All things are lawful for me, but all things are not expedient: all things are lawful for me, but all things edify not. Let no man seek his own, but every man another's wealth" 1 Corinth 10:23-24.

Let us more than ever witness to poor lost Roman Catholics. Converted RCs make the finest examples in exposing the evil of their former blind religion. The evil and arrogance of Romanism knows no bounds. Satan grooms his harlot Mother Church with exceeding devilry. Keep your Sword whet on The Rock which is Christ, dear brother. What a Sword we have in the Holy Infallible Word or God – KJV Authorised Bible.

With Christian Love & Greetings, in the riches of His Grace,

From Owen & Eleanor Carson.

Why does this make me feel so uncomfortable? I have no reason to be "jealous" of Dr. Ruckman. Doctrinally, no one who supports him wants to even approach a discussion of his patently cultic characteristics. Yet we see a strong compulsion to flaunt their vulnerability to this dangerously unhealthy hold that Ruckman seems able to exercise. Further, I would point out that a universal conception of the church (!) would probably rule out regarding men with pasts as checkered as Ruckman's as responsible teachers. Eric, your long-time followers know and appreciate your stand on Ruckman and have been edified thereby. How sad it would be if a new list-member (even though most could probably see through this) would be confused by forwards such as this.

CRAIG-OXLEY - May 12, 2007 03:35 PM (GMT)

Dear Friends and Brethren,

For the record, I consider Dr. Peter Ruckman to be one of the greatest Jesuit

Temporal Coadjutors to ever deceive the Church of the living God. His position on the AV1611, the Word of God for English-speaking people, is indeed cultic---espousing that the English "corrects" the Greek. His utter hatred of Calvinism (without which there is no AV1611 Bible or Geneva Bible) and his Jesuit Armenianism betray his hatred for the Protestant Reformation.

I will be posting on my site the work of Pastor N.C. Turner who was a follower of Ruckman for over ten years---just like myself. It is our intent to expose this notorious Bible-rejector in totality before he dies! Any man who says that "he is just as saved as the Pope" is indeed a rank heretic, while professing to believe the Book that broke the Spiritual and Temporal power of Rome over Europe.

Sincerely in faith,

Brother Eric

Title: This other Crown is a committee of 12 banks

CRAIG-OXLEY - May 1, 2007 02:57 PM (GMT)

Quoting, "This other Crown is a committee of 12 banks,headed by the Bank of England (House of Rothschild)."

Very recently, it has come to my attention that the supposed "control" of the Bank of England by the Rothschilds is almost certainly a misleading if not outright false allegation.

The common claim that Montagu Norman was jewish is false, for instance. The bankers associated with establishing the US Federal Reserve were associated with Schoder, a German concern.

The current Bank of England governor is Mervyn King. With his background and local origin, the likelihood he is jewish is about nil. I have copied some extensive information about the area of King's origin below.

If you look more carefully at the Federal Reserve ownership chart, you will notice that the mention of Rothschild is inserted at the top with no connecting lines. There is no direct link.

http://land.netonecom.net/tlp/ref/federal_reserve.shtml

I request that everyone take another look at the information, with a more scrutinizing and skeptical eye. We see very clear interconnection with German origins, pro-Nazi affiliations, and persons close to the Catholic Church. The jewish names are those who were promoting Germany. Several of you on the list have long been promoters of the asssertion that the Federal Reserve is controlled by five prominent jewish families.

In 1983, the charge that Rothschild banks and other international banking concerns, mostly with Jewish names, controlled the Federal Reserve was published (probably

from earlier sources) in the newsletter of a local Pennsylvania chapter of the National Association of Retired Federal Employees (NARFE) — not an extremist group. The article stated that the Federal Reserve System "is not a Federal entity but a private corporation owned in part by the following: Rothschild banks of London and Berlin, Lazard Brothers bank of Paris, Israel Moses Seif banks of Italy, Warburg bank of Hamburg and Amsterdam, Lehman Bros. bank of New York, Chase Manhattan bank of New York, Kuhn, Loeb bank of New York, Goldman Sachs bank of New York."

In fact the Federal Reserve Bank of New York —the largest and most significant of the Fed's 12 banks — lists the banks in the Second Federal Reserve District that are members and stockholders in the New York Federal Reserve Bank. With the exception of the Chase Manhattan Bank, the institutions cited by the NARFE newsletter as allegedly owning and controlling the Federal Reserve system ("Rothschild ...Lazard Brothers ...Israel Moses Seif ...Warburg ...Lehman Brothers ...Kuhn, Loeb ...Goldman, Sachs") were not members of the Federal Reserve Bank of New York.

At this point in my own research, having verified beyond doubt that Hjalmar Schacht and Montagu Norman were not Jewish, and that the Kaiser intended to militarily conquer the United States long before the outbreak of WWI, and that the Kaiser's government sponsored and funded the Bolshevik Revolution, and that the Protocols of the Learned Elders of Zion definitely was not a Jewish document, etc. -- I find that any and all sources of conspiratorial or "historical" information will have to be discounted on these grounds:

"By their fruits, ye shall know them>'

- 1) They are outright pro-German.
- 2) They are outright pro-Catholic.
- 3) They are outright anti-Jewish.

The following strategies are less obvious and more devious:

- 4) They are covertly pro-German -- this can be extremely subtle and almost undetectable.
- 5) They are covertly pro-Catholic - this can be extremely subtle and almost undetectable.
- 6) They are covertly anti-Jewish - this can also be subtle although usually less so.

Wolverhampton Grammar School was founded in 1512, making it one of the oldest active schools in the UK.

Old boys include Mervyn King, Governor of the Bank of England since July 2003, and Sir David Wright, former British Ambassador to Japan.

Wolverhampton is a city and metropolitan borough in the West Midlands, England. In

2002 the City of Wolverhampton had a population of 239,358; the wider Urban Area had a population of 251,462, which makes it the 13th largest city in England.

The city is commonly recognised as being named after Lady Wulfruna, who founded the town in 985: its name coming from Anglo-Saxon Wulfrûnehçantûn = "Wulfrûn's high or principal enclosure or farm". Alternatively, the city may have earned its original name from a local Danish leader who was called Wulfere. Wolverhampton or rather the area between Tettenhall (NW) and Wednesfield (NE) is recorded as being the site of a decisive battle between the Saxons and Danes in 963. The Saxons claimed a decisive victory and the field of Woden is recognised by numerous place names in Wednesfield. Nevertheless, the name Wulfruna is commonly used in the city - for example, for the Wulfrun Centre or for Wulfrun Hall. The city's name is often abbreviated to "W'ton" or "Wolves". It is also known as "Wolvo" by many of the locals. The city council's motto is "Out of darkness, cometh light".

The United Kingdom government announced on December 18, 2000 that Wolverhampton would be granted city status, making it one of three "Millennium Cities".

Geography and administration

Wolverhampton lies northwest of its larger near-neighbour Birmingham, and forms the second largest part of the West Midlands conurbation. To the north and west lies the Staffordshire and Shropshire countryside.

Wolverhampton city centre falls outside of the area traditionally known as the Black Country, although some districts such as Bilston and Heath Town fall within the Black Country coalfields, leading to confusion as to whether the entire city falls within the region. Modern usage has tended towards using the term to refer to the western part of the West Midlands county, excluding Birmingham/Solihull/Coventry. Examples would be UK Government regional bodies such as "The Black Country Development Corporation", under whose remit the city falls.

The bulk of the formerly independent urban districts of Bilston (a borough itself after 1933), Tettenhall and Wednesfield were added to the borough in 1966, along with part of the urban district of Coseley and small parts from Sedgley and Willenhall. Most of this area had been part of the Wolverhampton parliamentary borough created by the Reform Act 1832, which also included diverse areas such as Wren's Nest, New Invention and Gornal. Unusually, there was no change made to the boundary of the borough during the 1974 reorganisation of local government, the borough already having a population larger than the 250,000 required for education authorities. This contrasted with the Redcliffe-Maud Report, where large areas of the present South Staffordshire district were to be added to the borough.

Wolverhampton was also a Royal Peculiar covering a large area.

The 2001 census gives the Wolverhampton urban sub-area as the largest in the West Midlands conurbation, after Birmingham, and bigger than Dudley, whose metropolitan borough is bigger but is counted as several units. The figure given for Wolverhampton is 251,462, which also includes areas outside the borough (236,582). By this reckoning it is the 13th largest city in England.

History

St Peter's ChurchA monastery existed in Wolverhampton in Saxon times, founded by Lady Wulfruna and consecrated in 994, for which Wulfruna granted land at Upper Arley in Worcestershire, Bilston, Willenhall, Wednesfield, Pelsall, Ogley Hay near Brownhills, Hilton near Wall, Hatherton, Kinvaston, Hilton near Wolverhampton, and Featherstone. This became the site for the new St. Peter's Church in 1425. A statue of Lady Wulfruna, sculpted by Sir Charles Wheeler, can be seen on the stairs outside the church.

By the 13th century Wolverhampton had grown to become a thriving market town. The city was famous for its part in the woolen trade, a fact that can be seen by the inclusion of a woolpack on the city's coat of arms, and by the many small streets, especially in the city centre, called "Fold" (examples being Blossom's Fold, Farmers Fold, Townwell Fold and Victoria Fold), as well as Woolpack Street.

From the 16th century onwards, Wolverhampton became home to a number of metal industries including lock and key making and iron and brass working. In 1512, Sir Stephen Jenyns, a former Lord Mayor of London, who was born in the city founded Wolverhampton Grammar School, one of the oldest active schools in Britain.

In January 1606, two farmers, Thomas Smart and John Holyhead of Rowley Regis, were hanged in High Green, now Queen Square, for sheltering some of the Gunpowder Plotters who had fled to the Midlands. The pair played no part in the original plot but nevertheless suffered the traitor's death of hanging, drawing and quartering on butcher's blocks set up in the square a few days before the execution of Guy Fawkes and several other plotters in London.

In the 19th century the area to the south-east of the city became known as the Black Country because of the heavy industrial pollution which covered the area in black soot. In Victorian times, Wolverhampton grew to be a wealthy town mainly due to the huge amount of industry that occurred as a result of the abundance of coal and iron deposits in the area. The remains of this wealth can be seen in local houses such as Wightwick Manor and The Mount (both built for the Mander family, prominent varnish and paint manufacturers), and Tettenhall Towers. Many other houses of similar stature were built only to be demolished in the 1960s and 1970s. In the 19th century the city saw much immigration from Wales and Ireland; in the 20th and 21st centuries immigrants have come from places further afield, such as the Caribbean, South Asia, Africa and eastern

Europe.

Wolverhampton was incorporated as a municipal borough in 1849 under the Municipal Corporations Act 1835.

In 1866, a statue was erected in memory of Prince Albert, the unveiling of which brought Queen Victoria to Wolverhampton[1]. The unveiling of the statue was the first public appearance Queen Victoria had made since the funeral of her husband the Prince Consort. A 40 foot tall archway made of coal was constructed for the visit. The Queen was so pleased with the statue that she knighted the then mayor, an industrialist named John Morris. Market Square, originally named High Green, was renamed Queen Square in honour of the visit. The statue replaced a Russian cannon captured from Sevastopol during the Crimean War in 1855, and remains standing in Queen Square.

Commemorative traffic lights in Princes Square England's first automatic traffic lights could be seen in Princes Square, Wolverhampton in 1927. The modern traffic lights at this location have the traditional striped poles to commemorate this fact.

The railways reached Wolverhampton in 1837, with the first station located at "Wednesfield Heath", now Heath Town. This station was demolished in 1965, but the area exists as a nature reserve just off Powell Street. Wolverhampton railway works was established in 1849 for the Shrewsbury and Birmingham Railway and become the Northern Division workshop of the Great Western Railway in 1854.

Wolverhampton High Level station (the current main rail station) opened in 1852, but the original station was demolished in 1965 and then rebuilt. Wolverhampton Low Level station opened on the Great Western Railway in 1855. The site of the Low Level station, which closed to passengers in 1972 and completely in 1981, is currently undergoing redevelopment. Wolverhampton St George's (in the city centre) is now the northern terminus for the Midland Metro light rail system. Wolverhampton was one of the few towns to operate surface contact trams and the only town to use the Lorain Surface Contact System. Trolleybuses appeared in 1923 and in 1930 for a brief period, Wolverhampton was the world's largest trolleybus system. The last trolleybus ran in 1967, just as the railway line through the High Level station was converted to electric operation.

Wolverhampton was represented politically in Victorian times by the Liberal MP Charles Pelham Villiers*, a noted free trade supporter, who was also the longest serving MP in parliamentary history. Lord Wolverhampton, Henry Hartley Fowler was MP for Wolverhampton at the turn of the century. Sir Geoffrey Le Mesurier Mander**, a member of the Mander family, was Liberal MP for Wolverhampton East from 1929 to 1945, distinguished for his stance against Appeasement and as a supporter of the League of Nations; known as "the last of the Midland radicals". More recent members have included the Conservative mavericks Enoch Powell and Nicholas Budgen.

QUOTE

JP Morgan Chase---the most prominent controlled of the private Federal Reserve Bank of New York---is run by Gentile Knights of Malta with a direct telex from its New York office to the Vatican. Thus the Jews do not run the Fed; the Pope's Gentile Knights rule the Fed overseen by the Jesuits of Fordham University in the Bronx.

Brother Eric

Dear Eric,

Don't forget how the Royal Institute of International Affairs give their orders to the President. The Chief Executive of JP Morgan and Chase which right now is Jamie Dimon relays the orders of the RIIA to the Secretary of State which as you

know is CFR Condi Rice. Rice then relays them to Knight of the Virgin, George W. Bush. This has been the protocol for decades and was only broken once just before the Operation Desertstorm. Sovereign Military Order of Malta high Papal Knight G.H.W Bush didn't quite follow his orders so the RIIA sent British Prime Minister/Bilderberger/Le Cercle Margaret Thatcher over to the United "Corporation" States to settle it. SMOM Papal Knight Herbert Bush was ORDERED immediately to Colorado where he quickly arrived asap. The meeting took place in the amazingly powerful ASPEN INSTITUTE. What happened next? The war drums were beating and the War eventually started. I believe that if Bush had of played up some more dragging his pedophile feet that he would have been removed either by smear, health or DEATH by the British SIS arm known as Permanent Industrial Exhibitions as was John F Kennedy in 63.

CRAIG-OXLEY - May 2, 2007 11:55 PM (GMT)

Dear Eric,

Why do you wish to not speak about 'The Aspen Institute' in Colorado and how the Royal Institute of International Affairs conduct their affairs in the United States? Dr John Coleman blowed much of this open as you well know. It just would be nice to properly tie it into St Patrick's cathedral and the Maltese Knights correctly to understand the synergy. So what we need to know is how Edward Egan etc interacts with Jamie Dimon of JP Morgan and Chase. Yes both CFR and RIIA are controlled by the SMOM Inner cores but we now need more detail on the interaction between the two within the U.S. Deagle makes out the CFR is a division of the RIIA well its actually a division of the front Round Table Group. At the end of the day Americas is important but 'The City' is of far more importance being the mission control of Rome amongst the Jesuit/SMOM high minions. We're seeing Georgetown University, Fordham University, St Patricks Cathedral but then we're getting the impression that the RIIA skip straight through and we know the power of their Aspen Institute. So do you know how the interaction works out?

-Craig Oxley

CRAIG-OXLEY - May 3, 2007 10:01 PM (GMT)

Good point.

I will work on this.

Brother Eric

CRAIG-OXLEY - May 4, 2007 03:52 PM (GMT)

Dear Craig

Eric,

You speak of number 1 but we must remember what are these Bankers working behind the Bench? Their nobodies working under the British Court System. Did out creator(s) make this Court system? NO! A mere devious set of enslaving wanting Human beings did. Therefore its meaningless. Wages are for your labour and work and they are NOT profits. I do not have a care for any SMOM International Maritime Admiralty Law. Have we all drowned in all this invisible Sea water the Crown seems to have thrown over us covertly? I'm alive, your alive without breathing apparatus. They have a cheek these devious Papal Knights! I only hope we can crumble their illusions and enslaving systems before they get the New World Order in and totally capture us all like never before.

Agreed!

I'm often near a so-called Protestant (Romanised) church and my elderly friend helps out there a lot. Trying to teach these type of peoples about the Roman Catholic Church and its control of their system simply doesn't sink in.

Agreed!

We have articles coming out in the Times speaking of the joining of the Church of England and RCC very soon yet they still disbelieve. When will people wake up and see whats happening.

Amazing, isn't it!

Proposals to reunite Anglicans with the Roman Catholic Church under the Pope
http://z13.invisionfree.com/THE_UNHIVED_MI...showtopic=21339

In some ways these people will deserve the elimination the Vatican will do to them if they stand up when its too late.

Agreed and this is spoken of in John 15:6. These fruitless believers (if in fact they believe the gospel) will be gathered by men and physically killed as were the apostate German Lutherans during the Order's Nazi persecution in once Protestant Prussia.

The Jesuit will not tolerate a second reformation of its hypnotised sheople. I've got on the George Galloway show a few times when you'd think they would ban me. What happened when I wanted to discuss the joining of COE with RCC? I had

no chance of getting on and I had the run around they would call me back and so forth. Before they were good and did as they promised. Talk of he RCC and that was it!

Galloway the Coadjutor!

They should have given you a proper microphone at that seminar.

Agreed.

**Thanks
Craig**

P.S You've again not answered about the RIIA control through Wall Street and Aspen Institute? I'm getting worried I'll have to term you a Jesuit Coadjutor haha.. or should I say Pilgrim Society Coadjutor hehe.

I attack the CFR more than the RIIA because the CFR is most visible here in Rome's Fourteenth Amendment America. No doubt that the RIIA is the mother to the CFR as it was created by the Order's Masonic footsoldiers in 1919 and the CFR in 1921. I first learned of the Aspen Institute through that dear lady, Betty Mills. No doubt it is another arm of the Order and only evil can proceed from it.

Concerning the wicked Pilgrim Society, I have concluded it is merely an extension of the Knights of Malta. SMOM Elmer Holmes Bobst, the billionaire pharmaceutical owner of Warner Lambert, was a Pilgrim, a Nazi protector, a political backer of pro-Nazi and JFK assassin Richard Nixon, and willed his estate to the Archbishop of New York upon his death.

I trust this is helpful and dispels any concern that I am a Pilgrim coadjutor!

Sincerely in faith,

Brother Eric

I agree with your words on the CFR and RIIA. There no doubt in my mind that the Pilgrim Society is simply a very high inner core of the SMOM same as the Order of the Garter which is quite well known as an inner core of the SMOM. It would be nice to have further information on the RIIA workings and thankyou to Coleman for helping us somewhat further.

Thanks
Craig

CRAIG-OXLEY - May 12, 2007 02:06 PM (GMT)

I have listened to you for some time and you put much emphasis on Jesuits
I do agree with you in the sense of jesuits having there finger in much but what you
always seem to forgo is that within the jesuits it is massively saturated with jews

Disagreed. The Jesuits are not saturated with Jews. The Jesuit General, via a change in the Order's Constitutions, only permitted racial Jews to enter the Order since 1946. The official ban was in place since 1593. True, Jesuit Superior General Diego Laynez was a racial Jew which led to the upheaval within the Order leading to the ban in 1593. French Communist and Jesuit Coadjutor Jean LaCouture covers this topic extensively in his Jesuits: A Multibiography. Today, the Company controls the New York Council on Foreign Relations (CFR) which in turn controls the Fed, the Executive Branch, the Senate, the Speaker of the House and the Supreme Court. Indeed this wicked CFR is saturated with many hundreds of Jews---Jews who are traitors to their own race, men like Edgar Bronfman, Daniel Pipes, Henry Kissinger and Thomas Friedman. As I have said, these Labor Zionist, Sabbatean-Frankist Jews are indeed men of power but they are serving the devil's Papacy in a subordinate capacity. Thus, these "Masonic Jewish Labor Zionists" are merely the Pope's Court Jews as rightly stated by the late Jewish journalist, Sherman Skolnick. This is in accordance with Deuternomy 28:44, 64-68, and Luke 21:24-27. Both Moses and the Lord Jesus Christ prophesied of Israel's international Diaspora during which these Israelites would be "the tail" of all nations and continually persecuted until "the times of the Gentiles be fulfilled." Jerusalem would be ruled by Gentiles until the end of that Disapora with the second coming of Messiah, the One whom "they pierced." In the light of the Scriptures we see light. Thus Gentiles---White Gentiles---rule the world on behalf of the devil; the notable Masonic Jews (Rothschilds, etc.) are merely the willing servants of the Papacy---to the hurt and murder of their own racial brethren. The political policies of the Pope's Labor Zionists ruling the people of Israel is a perfect illustration of this Biblical truth.

going back to Confiscated documents of the organization disclose that of the thirty-nine chief sub-leaders of Weishaupt, seventeen were Jews ,
would this not change much of the tone .

Your point substantiates my point above. Indeed, there were subordinate Frankist/ Masonic Jews serving that White Gentile Roman Catholic Jesuit Coadjutor Adam Weishaupt. With the alias "Spartacus," Weishaupt was leading the "slave rebellion" of the Jesuit Order (the slaves of the Pope) "against Caesar"---the Pope---due to the Order's Suppression and Extinction by Pope Clement XIV in 1773. Weishaupt was under orders from Jesuit Superior General Lorenzo Ricci to create the Illuminati (patterned after the Jesuit Order no less!) to launch the French Revolution and subsequent Napoleonic Wars. The Order committed its treasure (in danger of being confiscated by Roman Catholic civil authorities due

to Clement's Bull of Suppression) to the Masonic House of Rothschild (resident in Protestant nations where the Bull did not reach) in league with Weishaupt---via Grand Orient Freemasonry---to finance that upheaval which resulted in the punishment of the Papacy, the whipping of the Roman Catholic Monarchs and the ultimate restoration of the Order by Pius VII in 1814. The Jews involved in fomenting the revolution overseen by the Jesuits were the Pope's Masonic Court Jews. But, as the Company always seeks to blame the Jews in general for the deeds of specific Masonic Jews subject to the Jesuit General, the French Revolution was then blamed on the Hebrews evidenced by Napoleon's enfranchisement of all French Jews and his cry that "Palestine" should be resettled with Jews. Thus, that Roman Catholic, White Gentile Masonic Jesuit Coadjutor from Jesuit-ruled Corsica was really our first Jesuit-controlled Labor Zionist. A most recent Jesuit priest who was a Labor Zionist following his backing of the Pope's Eurasian Jewish "Burnt Offering," was Augustin Cardinal Bea---in whose name the Masonic Labor Zionist ADL confers its highest award!

I have listened to you much in Lenny show but the more i think the more i feel you are working hand in hand with the jewish agenda .

Such a shame sir

I do not promote the radical, Masonic Jewish Labor Zionist, Jesuit Agenda. I clearly distinguish between five different kind of Zionists: 1) the Pope's Masonic Jewish Labor Zionists who were the agents of the Order during the French Revolution, the Bolshevik Revolution with its Cheka/NKVD and Nazi Third Reich with its Gestapo/SS/SD who now rule Rome's "Kingdom of Jerusalem;" 2) the patriotic Revisionist Zionists who were destroyed by the Pope's Labor Zionists; 3) the Orthodox Talmudic Zionists who deny that the Jews have a right to be in the land apart from the physical presence of the Messiah---which is heresy according to Ezekiel 38, Zechariah 12 and 14, etc.; 4) the pro-Jesuit Christian Zionists (John Hagee, Pat Robertson, Jerry Falwell, Jack Van Impe, Billy Graham, etc.---all preaching or backing Rome's Crusade against Islam) who deceptively do not distinguish between the wicked Masonic government of Israel serving the Papacy and the Lord's Abrahamic Covenant-bound, racial, Hebrew/Jewish/Israelitic people who have absolute right, title and interest to the promised land of Israel according to Genesis 15; 5) and the anti-Jesuit, Calvinistic, Christian Zionists such as myself who defend the right of the racial Hebrew people to live in their promised land exclusive of all other peoples, while we attack the government ruling "the holy people" as wicked, evil and sinful as that anti-Torah government---kept in power by Rome's CFR ruling the US government---is the mere agent for the Black Pope ruling the White Pope's "Kingdom of Jerusalem."

perhaps I am wrong but maybe you are a coadjutor of Zion ?? as i find it hard that a man with such learned background you could not know this.

Again, I am not a Coadjutor of the Black Pope's Masonic Labor Zionists ruling Israel. These sinners have passed an anti-missionizing law in Israel that there can be no open, gospel preaching in that country. Yet they take money from the foremost gospel preaching peoples in the world---the Americans---without which they would not exist. These Labor Zionists, backed by the Masonic Talmudic Orthodox Jewish rabbis, persecute my anti-Masonic Jewish brethren "in Yeshua/ Jesus Christ" who live in Israel, tearing down their churches and treating them dispicably while the police stand by and watch. All the while, the wicked, pro-Jesuit Christian Zionists (Hagee, Robertson, etc.) call for the financial aid and prayers of Bible-believing American people for these Jesuit-serving, Masonic Jewish Labor Zionists ruling Israel with the Gentile Knights of Malta, ratifying policies like the wicked Oslo Agreement and The Roadmap which has guaranteed war in Israel in the near future---and a subsequent punishment for America pursuant to Genesis 12:1-3.

at any rate i would love a retort

I trust this clarification is of help in your reconsideration of my position.

good day

This was 2 episodes, the 1st was about the inquisition in the town of Montaignou, France in the early 1300's and the 2nd was about the Spanish inquisition. Both shows seemed fairly accurate. They did note that pope JP II asked for forgiveness in 2004 for the horrors committed.... They said that Queen Isabella was the inspiration for the Queen in the game of chess, I knew there was a reason why I never liked that game.

Title: Clay Shaw SMOM and also the Sabbath

CRAIG-OXLEY - May 10, 2007 01:33 AM (GMT)

QUOTE

Dear Mr. Phelps,

Greetings.

I firstly want to thank you for your fantastic research exposing the Jesuit Order. The truth-seeking community owes you an inestimable debt.

Secondly, as a Seventh-Day Adventist, and noting that you bill yourself as a Seventh-Day Baptist, I am curious on your views regarding the Sabbath versus Sunday controversy, especially as concerns the traditional Adventist theory that the mark of the beast refers to enforced Sunday-keeping.

Also, just as a quick aside, I am wondering where you got the information that Clay Shaw was a Knight of Malta, a question Michael Collins Piper (whom Christopher Bollyn has accused of being an agent of the ADL) asked you on Greg Szymanski's radio show, but which you never got a chance to answer.

Thanks again, so much!

--

In Christ, and for the gospel of the kingdom,
Brett

Dear Brett,

Thank you for contacting me.

My source that CIA contract agent Clay Shaw was a Knight of Malta has chosen to remain anonymous. Thus, I prove Shaw was a SMOM by his intimate association with Canadian Knight of Malta Louis M. Bloomfield, SMOM Spadafora, "the Black Prince" of Italy during WWII, SMOM Winston Churchill, SMOM Allen Dulles and SMOM Ross Buckley, the brother of SMOM William F. Buckley, Jr., who lived a block away from Shaw in New Orleans at the time of the

JFK assassination. Shaw was a diehard fascist and sought to return Rome to the preeminence she enjoyed during the Dark Ages via Permindex and CMC---the World Trade Center in Rome.

Shaw was also tied to the Jesuits of Loyola University in New Orleans via ex-priest David Ferrie and Dr. Alton Oschner who received a very highest award from the Order's Loyola University in 1978---"Integritas Vitae."

Concerning Michael Collins Piper, "Michael Collins" being a Jesuit coadjutor used in the breaking away of Ireland from the Protestant British United Kingdom in 1921, I am not surprised that he would be accused of being a member of the ADL. For that wicked group is totally controlled by the Jesuit Order via its high Jewish Freemasons including Abraham Foxman---that traitor to his own race! The ADL not only works with the FBI but it creates anti-Jewish fury within the US with the intent to drive out or kill out every Jew in North America. The ADL gives its highest award which is named after a notorious Jesuit who participated in the Eurasian Jewish Holocaust---"the Cardinal Bea Award." Piper has also worked for years with that Knight of Malta and noted Roman Catholic fascist, Willis Carto, that dear friend of the late and most powerful American SMOMs Edward Bennett Williams and J. Peter Grace---JFK assassins!.

Concerning the Seventh Day, I believe in keeping that day over the First Day, since "the Sabbath was made for man [all men] . . ." according to the Lord Jesus Christ. I believe the mark of the beast is not keeping Sunday but a literal mark of a man---the final pope risen from the dead and possessed by the devil.

I trust this is helpful.

Sincerely in faith,

Brother Eric

Dear Eric,

You will note the reason the Judiac utilise Saturday as the Sabbath goes back to the Saturnalian Brotherhood and the worship of EL.

Enemy of liberal Anglicans was poisoned

Ruth Gledhill, Religion Correspondent

<http://www.timesonline.co.uk/tol/news/worl...icle1706475.ece>

A British missionary was fatally poisoned after helping to prevent a London vicar from becoming a bishop in Central Africa, The Times has learnt.

Relatives of Canon Rodney Hunter, 73, believe that his food was contaminated by supporters of the Rev Nicholas Henderson in a battle between the liberal and conservative wings of the Anglican Church.

In November Canon Hunter was found dead at his home in Nkhotakota, Malawi, with a strange black substance around his mouth. The day before his death he had complained of severe stomach pains, and postmortem examination has now shown that he was killed by three poisons.

Malawi police have charged his cook with murder and are investigating rumours that the poisoning was organised by supporters of Mr Henderson, who had no knowledge of the alleged plot.

Canon Hunter was an outspoken critic of plans to appoint the liberal Mr Henderson as Bishop of Lake Malawi. The Province of Central Africa is at the heart of conservative evangelical opposition to the liberal Anglican outlook in the West on homosexuality.

Mr Henderson, Vicar of St Martin's Acton West and All Saints' Ealing Common, was

elected as Bishop of Lake Malawi last August. He had known the region for 18 years, raising funds for religious, social and humanitarian projects, and was learning the local language, Chichewe. At the time, few in Malawi knew of his record as a leading liberal theologian and that he had been chairman of the Modern Churchpeople's Union. There was also concern in Africa at reports that he had a male lodger.

As a result, the Primate of Central Africa, the Most Rev Bernard Malango, wrote to Mr Henderson asking him to confirm that he subscribed to the Creeds, the Bible and the Thirty-Nine Articles and that he "fashions his own like and his household according to the doctrine of Christ".

The diocese's Court of Confirmation blocked Mr Henderson's consecration, deeming him "a man of unsound faith", and instead appointed the retired Bishop of Zambia, the Right Rev Leonard Mwenda.

Canon Hunter, who had been living in retirement in Malawi, was made assistant priest at All Saints Cathedral. He faced continuing violent protests against his opposition to Mr Henderson and had been physically attacked in the pulpit.

His nephew, Mark Hunter, an accountant from Bristol, told The Times that he had received an initial postmortem report which confirmed that three poisons had been used, and believed that his uncle had been murdered. He said: "I understand that in the last months of my uncle's life, local supporters of Mr Henderson made his life hell. I know he spoke out to the bishops, saying he should not be appointed. My uncle's beliefs were strong. If he believed something, he would not give way."

Canon Hunter had previously served as a cathedral dean in the diocese. He had been appointed after three priests died in strange circumstances and witchcraft was suspected.

His nephew said: "He would come back to England every couple of years, but his work was very important to him and he was highly thought of in Malawi. He loved Malawi. He thought of himself as Malawian, not English."

Archbishop Malango said of Canon Hunter, who had trained him for the priesthood at a seminary in Lusaka: "He was brilliant, a good philosopher. I owed him a lot — he was my mentor."

Mr Henderson told The Times: "I have not got anything to say. I have not seen the autopsy report. I heard accusations were going round that he was poisoned. I had a very high regard for Canon Hunter. But I am here in England, 5,000 miles away. I do not know what is going on. I have not been to Malawi for months."

A requiem for Canon Hunter is to be sung at Pusey House, Oxford, this Saturday.

See what happens if you go with what the Bible says rather than what is the new Godless trend of to the world? If you're against sodomite priests & marriages you get poisoned! Actually this should be classified as a terrorist attack since it is a deeply political attack.

Title: Jesuit Slave Trade

CRAIG-OXLEY - May 8, 2007 12:41 AM (GMT)

QUOTE

Hey Eric,

I just remembered that the Jesuits were heavily involved in the slave trade. Maybe here is something new in there for you...

"There are many organizations in America that benefited by slavery. This list could include Georgetown University, which owned slaves until the Holy See in the 1840s insisted that they be sold."

http://findarticles.com/p/articles/mi_m114..._39/ai_99019926

Here in their own words;

<http://www8.georgetown.edu/departments/ame.../jpp/index.html>

"Canada's first known African settler, Olivier LeJeune, came to Quebec as a slave boy in 1628, owned by a Jesuit priest, Father Paul LeJeune from France."

<http://www.thestar.com/article/178264>

"The Jesuit order was a major player in the slave trade, and "by the time of their expulsion in 1767 ... were the largest ... slaveholders in the Americas" (p. 14). Jesuit haciendas were also some of the most successful, and in Sandoval's time the order's college of Cartagena managed several, including one called La Ceiba, where 111 slaves were working at the time of the expulsion."

http://www.historycooperative.org/cgi-bin/...0.4/br_118.html

The Jesuits are the greatest slave-traders in the world, both then and now. They then blamed the past slave trade on the Protestants when the Protestant nations of England (via Wilberforce) and America (via Jefferson) were the first nations to officially abolish the trade.

Sincerely in Faith,

Brother Eric

Title: Leo Zagami Interview part1 2-26-07 Investigative J

Description: *important information from Leo Zagami*

Ishman - March 5, 2007 11:40 AM (GMT)

This interview especially needs to be heard by those who believe everything Alberto Rivero said, specifically about the history of Islam. It is unfortunate that lies about Islam have trickled through much of the truth in many different instances.

Listen to Leo and decide for yourself.

Part 1 of the interview with Leo Zagami on 2/26/07. This interview was never uploaded on RBN's site and contains some valuable information from Leo about the false disinformation about Islam.

<http://uploadhut.com/download/image.php?file=402633.mp3>

Said by a listener (posted on Leo's site):

"Leo,

You really came to the rescue of sanity and religious unity last week when you exposed the Alberto Rivera story on the "creation" of Islam as Vatican-Zionist disinformation. As you pointed out, the perpetrators of the story had no understanding of the actual origins of Islam in revelation. The "history" they created to support their myth came well after the fact. (Its entire historical basis has been challenged by Cearley in his book 'Thou Shalt Not Bear False Witness.')

You and I know that while all the religions are contaminated by pagan elements, God really did give his guidance through different prophets at different times. The faith shared by true Christians, Muslims and Jews shines through and gives testimony to this reality.

Who, on the other hand, is most likely to believe that Allah is nothing but a pagan god? For one, ultra-Christian chauvinists who rule out, a priori, the possibility of reaching God

without accepting Jesus as one's personal savior. Thanks to such zealots, the story has already been used to further discredit Islam, fanning the flames of hatred and bigotry. And who is LEAST likely to believe that the Church created Islam from the ground up? People of faith and tolerance with a nose for disinformation...exactly the ones the Vatican and Zionists hope will turn away in disgust, and refuse to believe the rest of the dirt on them either!

Look around: What else are they doing to set us against each other? Time we woke up and got our act together.

One last thing needs to be said about the Islam story discussed below. The tale didn't originate with Alberto Rivera, but was told to him by Cardinal Bea--who Leo says was not a real cardinal, and who is alleged to have been a Zionist agent. It seems at least possible that Rivera may have participated in the deception unknowingly."

CRAIG-OXLEY - March 5, 2007 05:34 PM (GMT)

I have to listen to this but remember why should any of us truly trust this Leo Zagami all of a sudden? He's been questioned and should always be questioned. Alberto River was an ex-Jesuit and was ASSASSINATED!!!!!!!!!!!!!! Leo Zagami is still here and claims to have had certain things happen to him, PROVE IT! Right now I'd always go with Alberto Rivera's words over Zagami any day. Also why does Zagami affiliate with Conspiracy Central? Its owner is very childish and so closed off to the Vatican control???????? It doesn't add up and I believe Zagami is giving us 75% truths with 25% bunkums. I may be wrong but anyone can come along and slag someone off whos dead and cannot defend themselves. But alas whos ASSASSINATED and whos alive???????? Its like Jordan Maxwell claiming Fritz Springmeier stole his bloodline information. Well if thats the case Maxwell why are you still throwing all this \$\$\$ around and Fritz is locked up on a jail cell rotting on phony robbery charges????????????? Just beware folks! Much of Albero's info has come true and is happening.

Also I get suspect of first time posters trying to put things up which would cause confusion/discrediting! Also note that Greg promote V.K Durham who is big fraud and was never married to who she claimed. Her and Wanta are both shz!**

Anyone got a direct link for this MP3 instead of these pathetic free storage sites which are about as fast as a snail taking a constipated stool????

Ishman - March 5, 2007 07:01 PM (GMT)

Just because Rivera was assassinated does not mean that everything he was told was the complete truth. I think it is possible that Jesuit lies told through the ages might have reached him. Him being assassinated for the Islam material would have made no

sense, since this information ultimately helps to serve Rome. I think that is obvious considering this neo-Crusade campaign going on with an agenda to put an end to Islam, which the Catholic church have deemed an enemy since its beginning. So I believe Rivera was assassinated for much more incriminating things.

And just because I am a first-time poster does not prove anything. I've had an account here and have not found it necessary to post anything until now because this issue happens to mean a lot to me.

I think its fine to be suspicious of Leo but I still have not found anything worthy of mention to say that he is untrustworthy. Its good to be skeptical, i know.

Also, I think it's important to remember that much of what Leo says about the Jesuits goes right along with what Rivera said. I have a lot of respect for Rivera for coming out with all of this and I know Leo does as well.

I forgot to post the last post by Naila on Leo's site about the interview:

"One last thing needs to be said about the Islam story discussed below. The tale didn't originate with Alberto Rivera, but was told to him by Cardinal Bea--who Leo says was not a real cardinal, and who is alleged to have been a Zionist agent. It seems at least possible that Rivera may have participated in the deception unknowingly."

Rivera was a 4th vow. that's the main reason he was killed. it'a rule, plain and simple. once you go 4th vow, there is no turning back.

Ishman - March 6, 2007 12:52 AM (GMT)

Alberto Rivera published a story called "The Prophet" which alleges A- that Islam was created by the Catholic Church for their own purposes, B- that Allah is just a pagan moon god, and C- that Mohammed was tutored by Catholics and never had any genuine divine revelations. The story came from Cardinal Bea, an alleged Zionist agent. Former high Illuminati member Leo Zagami claims that the story is disinformation from the Vatican and Zionists, and G.D. Cearley's evidence challenges the story's entire historical basis. Still, it has

been circulated in the alternative media, where it is being used to fan the flames of hatred and bigotry against Islam -- playing right into the hands of the NWO's agenda to destroy Islam while keeping us divided, ignorant, and impotent against them. Read this and help get the truth out!

EXCERPTS FROM THOU SHALT NOT BEAR FALSE WITNESS:
THE TRUTH ABOUT THE VATICAN AND THE BIRTH OF ISLAM,
BY GARY DALE CEARLEY

1. The strength of the early Church

. . .The first and most glaring outright falsehood in the above is that the Roman Catholic Church could even think in terms of political strategy in the third century. . .The Roman Catholic Church was still very embryonic, and was not even known by that name or form during that time period concerned in The Prophet. [Quote from Ralph Williams, student of Early Christian History:] “The ‘Roman Catholic Church’ didn’t exist in the third century when this fellow claims that this conspiracy was born.”

[From deacon George Kozak]: “The Roman Church was not all that powerful at that time. In fact, the power base of the Church were the Eastern Churches. Most of the early Councils and theology was developed in the East. The early Church was concerned with survival, Barbarian invasions and working out their theologies. . . The Church wasn’t desperate for capturing Jerusalem at the end of the third century. It was part of the Roman Empire. Any Christian could travel there and there were Churches there.”

2. The Arabs as a source of manpower against the Christians

pp. 37-38 – . . .During the time period that Alberto Rivera is referring to, most of the Arabs were simple Bedouins or were settled in the Hejaz or in Felix Arabia. Even the Bedouins who moved around were fairly confined. . . These Bedouins are least likely to have been the people to take up a religious mantle against Christians, as per the reported conspiracy. So regarding the assertion the Arabs were a “great untapped source of manpower to use against the Christians,” this is easily refuted.

3. The fall of the Roman Empire

p. 46 – Regarding Alberto Rivera’s “sweeping changes” that were “in the wind” and all the vices that were causing the end of the Roman Empire, as it turns out he was completely and utterly off the mark by centuries. In 476 AD, the Western part of the Roman Empire was lost, but the Eastern part continued until 1453 AD as the Eastern Roman Empire, which is now more often referred to as the Byzantine Empire, with Constantinople as its capital. Rivera was unclear as to what date he was referring to

when he declared the Roman Empire was “ready to collapse.” From the way the text is written he alludes to 70 AD. If that was the case Alberto Rivera was over 400 years off from the fall of the Western Roman Empire, and almost 1400 years off from the fall of the Eastern Roman Empire. If Alberto Rivera was actually referring to the “end of the third century” when the Roman Catholics, according to Rivera, had hatched the scheme to “make Jerusalem a Roman Catholic city,” again he’d be nearly 200 years from the fall of the Western Roman Empire and around 1180 years or so from the fall of the Eastern Roman Empire. Either way this part of the testimony is looked at, Alberto Rivera’s claims were unsubstantiated.

4. The Prophet (Sal.) being taught by a Roman Catholic, St. Augustine, and the “warning” against the Jews

p. 67 -- Again at this point Alberto Rivera repeats his false claim about Arabs being all over North Africa and having been converted to Roman Catholicism, which has been disproved in previous chapters.

p. 68 -- [From Imam Kavakci]: “We don’t believe Muhammad took his education or got knowledge from a priest of Jew, or Gospels or Torah, etc. We believe he was ummi, not trained and educated by anyone; he was as he was born in the religion of Abraham, natural religion, hanif, as it is mentioned in the Quran.”

p. 69 -- [From Karen Armstrong, a well-known biographer of Mohammed:]. . .”In general the Bedouin Arabs of Arabia Deserta were suspicious of both Judaism and Christianity, even though they realized that both these religions were more sophisticated than their own.”

[Regarding Bahira, a monk that Mohammad was supposed to have met on a trip:] As the extremely high likelihood was that Bahira was indeed actually a Nestorian, which most Christians of that region were, or an Arian, which would also have been much more likely than having been a Roman Catholic, then there is no way that there would have been any connection with Saint Augustine, who was already separated by time and distance, let alone religious doctrine.

p. 70 -- Regarding the “warning” against Jews, this is not within Islamic tradition. Even contemporary modern accounts mention that Abu Talib was warned to take care of the “orphan” because of his future greatness, but there are no accounts that warn Abau Talib of Jews. Again, Alberto Rivera missed the mark.

** 5. Khadijah, “Waraqqa” (teacher said to be “a very faithful Roman Catholic”), and studying the works of St. Augustine

pp. 76-77 -- Outside of the Quran and other subsequent Islamic writings there is no contemporary writing concerning Khadijah in any other language. There have been no Christian or pagan sources of the time period that tell us anything about Khadijah. . . It is not impossible that Khadijah might have been a Christian in that she did have

Christian relatives, or at least one, her noted cousin Waraqah ibn Nawful. But we do know that she did not die a Christian, which calls to question Alberto Rivera's assertion. If Khadijah had been such a devoted follower of Christianity and was "on assignment from the Pope" to create a false religion, why would she give up Christianity for a religion she knew to be false? I can only suppose Alberto and his apologists would answer that it was all an act. But it would be an act that makes no sense at all to a rational person who was at the same time a person of faith. . . she would be risking eternal damnation for such acts.

pp. 78-80 -- Waraqah [corrected spelling] was the cousin of Khadijah, Mohammed's first wife, and by all accounts he was a pagan turned Christian monk. It is not clear whether Waraqah ever adopted Islam as he died quite soon after meeting Mohammed. He was the first to recognize the signs of prophethood not long after Mohammed received his revelation. . .

Alberto Rivera tells us that Waraqah was a Roman Catholic monk, but the lack of development of the Church in Rome at this time, coupled with the fact that most Arab Christians were Nestorians, is a blow to this assertion. According to archaeologist and author Peter Hellyer who specializes in the Arabian Peninsula and the Persian Gulf, "It would be unlikely, I think that he would have been Roman Catholic, since the dominant sector of the Church in Arabia was either Nestorian or Jacobite, as far as I recall, while the Roman Catholic church, separated by this time from the Eastern Orthodox churches, of course, did not have a presence in the region."

. . . Chances are great that if Waraqah was a Christian he would have been considered a heretic by any follower of the Church in Rome at this time. The same would go for Khadijah, if in fact she ever was a Christian.

pp. 80-81 -- The only sources that we have that tell of Mohammed's life are the Quran Islamic tradition and the Doctrina Iacobi which are contemporary accounts of Mohammed's life. Both the Quran and Islamic tradition state that Mohammed was illiterate and the Doctrina Iacobi is silent on the matter. Even if Mohammed could read, he would have to have had knowledge of Latin to read and study the works of St. Augustine as there were no known Arabic translations in this day. Also the works of St. Augustine were known much better in Rome and North Africa at the time than anywhere else. . . [They] were preserved by monasteries [from the Vandals, Arian heretics], which had trouble growing during the Arian persecution of this time. The monasteries were in

a holding pattern at very best.

So again, Rivera falls short of the truth.

6. On Muslims considering the Pope to be a "prophet of God"

pp. 95-96 -- Moving along in the text Rivera then declares that Muslims consider the pope is a "prophet of God," rationalizing that because Muslims believe Jesus to have been a prophet and the pope is his representative on earth, then the Pope himself is a prophet, or at least a de facto prophet. This is such a stretch of imagination that it belies

logic.

First of all, one of the very basic and most important beliefs in Islam is that Mohammed is, was, and always will be the final prophet of God. No Muslim who knows his own religion would ever consider that any person who was born after the life of Mohammed could ever possibly be a prophet. To believe such a thing is heresy. To believe such a thing would automatically mean that this person is not a Muslim at all.

Secondly, there is not any tenet in Islam that mentions the pope as being Jesus Christ's representative on earth, or even God's representative anywhere and in any fashion for that matter. Although different Muslims throughout the ages may have made comments about the pope's position in the Roman Catholic Church, Islamic tradition does not get involved in recognizing hierarchical or pastoral positions within Christian denominations.

7. The Pope's "three favors"

pp. 98-100 -- Alberto Rivera, on top of the other stretches of the imagination, goes one further and asserts that during this same time this Pope makes a *qui pro quo* with the Arab armies over the lives of Jews and Christians who were to be killed in the conquests. For papal support of the Muslims the Pope request only two conditions: That the Augustinians and Roman Catholics are spared in the newly Arab-controlled lands, and that the Arab armies take the Holy Land for the Pope.

The lack of logic that Alberto Rivera used in these assertions about the popes is mind-boggling to say the least. But let's offer up some of the logic for Alberto.

It is extremely likely that Muslims would not have been able to differentiate Catholics from other forms of Christianity without asking the Christians themselves, nor would they have been likely to even care about the difference. At this time, as discussed earlier in this book, there were five patriarchates in Christianity. Not all Christians looked to Rome for guidance. The majority of Christians in the world at that time looked further East to other patriarchates. And as we are constantly reminded, there were many Christian groups existing in these lands as well who were considered heretics in Rome, such as the Arians, Gnostics, Donatists and Nestorians. Almost all of these heretical Christian groups the Muslims would have felt more comfortable with because they were neighbors geographically. And the Muslims also would have found more in common with most of these groups theologically than they would have Roman Catholics. So why kill them and spare the Roman Catholics?

Muslims, when conquering much of the Middle East and North Africa, left Christianity and Judaism mainly intact as long as the Jews, Christians and monotheistic Sabaeans abided by a series of religious pacts with the Muslim rulers such as the Covenant of Umar. . . This was part of their Islamic religion. To remain true to the teachings of Mohammed the Children of the Book were to be left alone. Yet if Alberto Rivera was correct the Pope would have been demanding the Muslims to deviate from their creed of protection for the Children of the Book, which the Muslims would not be able to do.

It is very important to note that prior to Umar Al-Khattab raising his army to begin the westward push across North Africa, the Arabs had already controlled Jerusalem as well

as the entire Holy Land for some years prior. . . So Rivera's claim that any Pope would have been able to bargain for the Holy Land could not have been factually true in the least. Before the conquest of North Africa, the Holy Land was already firmly under Muslim rule. Again Alberto Rivera fails the litmus test of honesty.

8. On spreading Islam through the slaughter of Jews and true Christians

p. 103 -- . . . There is a common misconception in the world that the conversion of Jews and Christians in these areas was strictly based upon "convert or die" tactics used by the new Islamic rulers. Although there were cases of this, this applied much more to polytheists than to the dhimmi, or Children of the Book (monotheists). In many parts of the conquered areas, early Christians did not see Islam as too far of a jump from their own beliefs, especially with the Christian groups that had not adopted the Nicene Creed. Another big factor was that the Byzantine Empire was very corrupted in the Middle East and North Africa, and many Christians welcomed the change of rule to the Muslim invaders.

9. Peace talks and St. Francis

p. 118 -- . . . By the year of 1090 AD no Moorish rule remained in any of the three Mediterranean islands, let alone having Arabs perched and aiming a dagger at Rome's heart at the end of the crusades, per Rivera's outrageous version of history. We also should note that Saint Francis of Assisi was born in the year 1182 AD; as such, even if the Moors had been ready to attack in 1090 AD, the last year of the Moors in Sicily, giving Alberto Rivera the benefit of the doubt, there is absolutely no way Saint Francis of Assisi could have been a negotiator. He was not even born for another 92 years!

p. 121 -- Alberto Rivera becomes a bit laughable when he mentions "Islamic priests, nuns and monks." There are no such positions in Islam. You do have religious men who are educated and able to lead other Muslims by word and by example. These are imams.

Compiled by Naila Claudia Schulte

Testimony of Alberto Rivera :

What I'm going to tell you is what I learned in secret briefings in the Vatican when I was a Jesuit priest, under oath and induction. A Jesuit cardinal named Augustine Bea showed us how desperately the Roman Catholics wanted Jerusalem at the end of the third century. Because of its religious history and its strategic location, the Holy City was considered a priceless treasure. A scheme had to be developed to make Jerusalem a Roman Catholic city.

The great untapped source of manpower that could do this job was the children of Ishmael. The poor Arabs fell victim to one of the most clever plans ever devised by the powers of darkness.

Early Christians went everywhere with the gospel setting up small churches, but they met heavy opposition. Both the Jews and the Roman government persecuted the believers in Christ to stop their spread.

But the Jews rebelled against Rome, and in 70 AD, Roman armies under General Titus smashed Jerusalem and destroyed the great Jewish temple which was the heart of Jewish worship, in fulfillment of Christ's prophecy in Matthew 24:2. On this holy place today where the temple once stood, the Dome of the Rock Mosque stands as Islam's third most holy place.

Sweeping changes were in the wind. Corruption, apathy, greed, cruelty, perversion and rebellion were eating at the Roman Empire, and it was ready to collapse. The persecution against Christians was useless as they continued to lay down their lives for the gospel of Christ.

The only way Satan could stop this thrust was to create a counterfeit "Christian" religion to destroy the work of God. The solution was in Rome.

Their religion had come from ancient Babylon and all it needed was a face-lift.

This didn't happen overnight, but began in the writings of the "early church fathers." It was through their writings that a new religion would take shape.

The statue of Jupiter in Rome was eventually called St. Peter, and the statue of Venus was changed to the Virgin Mary. The site chosen for its headquarters was on one of the seven hills called "Vaticanus," the place of diving serpent where the Satanic temple of Janus stood. The great counterfeit religion was Roman Catholicism, called "Mystery, Babylon the Great, the Mother of Harlots and Abominations of the Earth." Revelation 17:5.

She was raised up to block the gospel, slaughter the believers in Christ, establish religions, create wars and make the nations drunk with the wine of her fornication as we will see.

The roots of Islam are traced to a tribal contention over a well, (Zamzam), the treasure of the Kaaba. The offerings that pilgrims had given were dumped down the well and it was filled with sand - it disappeared. Many years later Adb Al-Muttalib was given visions

telling him where to find the well and its treasure. He became the hero of Mecca, and he was destined to become the grandfather of Muhammad.

Before this time, Augustine became the bishop of North Africa and was effective in winning Arabs to Roman Catholicism, including whole tribes. It was among these Arab converts to Catholicism that the concept of looking for an Arab prophet developed. Muhammad's father died from illness. After his mother and grandfather also died, Muhammad was with his uncle. A Roman Catholic monk learned of his identity and said, "Take your brother's son back to his country and guard him against the Jews, for by god, if they see him and know of him that which I know, they will construe evil against him. Great things are in store for this brother's son of yours." The Roman Catholic monk had fanned the flames for future Jewish persecutions at the hands of the followers of Muhammad.

The Vatican desperately wanted Jerusalem because of its religious significance, but was blocked by the Jews. Another problem was the true Christians in North Africa who preached the gospel. Roman Catholicism was growing in power, but would not tolerate opposition.

Somehow the Vatican had to create a weapon to eliminate both the Jews and the true Christian believers who refused to accept Roman Catholicism.

Looking to North Africa, they saw the multitudes of Arabs as a source of manpower to do their dirty work. Some Arabs had become Roman Catholic, and could be used in reporting information to leaders in Rome. Others were used in an underground spy network to carry out Rome's master plan to control the great multitudes of Arabs who rejected Catholicism.

When "St Augustine" appeared on the scene, he knew what was going on. His monasteries served as bases to seek out and destroy Bible manuscripts owned by the true Christians. The Vatican wanted to create a messiah for the Arabs, someone they could raise up as a great leader, a man with charisma whom they could train, and eventually unite all the non-Catholic Arabs behind him, creating a mighty army that would ultimately capture Jerusalem for the pope.

In the Vatican briefing, Cardinal Bea told us this story: A wealthy Arabian lady who was a faithful follower of the pope played a tremendous part in this drama. She was a widow named Khadijah. She gave her wealth to the church and retired to a convent, but was given an assignment. She was to find a brilliant young man who could be used by the Vatican to create a new religion and become the messiah for the children of Ishmael. Khadijah had a cousin named Waraquah, who was also a very faithful Roman Catholic and the Vatican placed him in a critical role as Muhammad's advisor. He had tremendous influence on Muhammad. Teachers were sent to young Muhammad and he had intensive training.

Muhammad studied the works of St. Augustine which prepared him for his "great calling." The Vatican had Catholic Arabs across North Africa spread the story of a great one who was about to rise up among the people and be the chosen one of their God. While Muhammad was being prepared, he was told that his enemies were the Jews and that the only true Christians were Roman Catholic. He was taught that others

calling themselves Christians were actually wicked impostors and should be destroyed. Many Muslims believe this.

Muhammad began receiving "divine revelations" and his wife's Catholic cousin Waraquah helped interpret them. From this came the Koran.

In the fifth year of Muhammad's mission, persecution came against his followers because they refused to worship the idols in the Kaaba. Muhammad instructed some of them to flee to Abyssinia where Negus, the Roman Catholic king, accepted them because Muhammad's views on the virgin Mary were so close to Roman Catholic doctrine. These Muslims received protection from Catholic kings because of Muhammad's revelations.

Muhammad later conquered Mecca and the Kaaba was cleared of idols. History proves that before Islam came into existence, the Sabeans in Arabia worshipped the moon-god who was married to the sun-god. They gave birth to three goddesses who were worshipped throughout the Arab world as "Daughters of Allah" An idol excavated at Hazor in Palestine in 1950's shows Allah sitting on a throne with the crescent moon on his chest. Muhammad claimed he had a vision from Allah and was told, "You are the messenger of Allah." This began his career as a prophet and he received many messages.

By the time Muhammad died, the religion of Islam was exploding. The nomadic Arab tribes were joining forces in the name of Allah and his prophet, Muhammad. Some of Muhammad's writings were placed in the Koran, others were never published. They are now in the hands of high ranking holy men (Ayatollahs) in the Islamic faith. When Cardinal Bea shared with us in the Vatican, he said, These writings are guarded because they contain information that links the Vatican to the creation of Islam. Both sides have so much information on each other, that if exposed, it could create such a scandal that it would be a disaster for both religions.

In their "holy" book, the Koran, Christ is regarded as only a prophet. If the pope was His representative on earth, then he also must be a prophet of God. This caused the followers of Muhammad to fear and respect the pope as another "holy man."

The pope moved quickly and issued bulls granting the Arab generals permission to invade and conquer the nations of North Africa. The Vatican helped to finance the building of these massive Islamic armies in exchange for three favors:

1. Eliminate the Jews and Christians (true believers, which they called infidels).
2. Protect the Augustinian Monks and Roman Catholics.
3. Conquer Jerusalem for "His Holiness" in the Vatican.

As time went by, the power of Islam became tremendous. Jews and true Christians were slaughtered, and Jerusalem fell into their hands. Roman Catholics were never attacked, nor were their shrines, during this time. But when the pope asked for Jerusalem, he was surprised at their denial!

The Arab generals had such military success that they could not be intimidated by the pope -- nothing could stand in the way of their own plan. Under Waraquah's direction, Muhammad wrote that Abraham offered Ishmael as a sacrifice. The Bible says that Isaac was the sacrifice, but Muhammad removed Isaac's name and inserted Ishmael's

name.

As a result of this and Muhammad's vision, the faithful Muslims built a mosque, the Dome of the Rock, in Ishmael's honor on the site of the Jewish temple that was destroyed in 70 AD. This made Jerusalem the 3rd most holy place in the Islam faith. How could they give such a sacred shrine to the pope without causing a revolt? The pope realized what they had created was out of control when he heard they were calling "His Holiness" an infidel.

The Muslim generals were determined to conquer the world for Allah and now they turned toward Europe. Islamic ambassadors approached the pope and asked for papal bulls to give them permission to invade European countries. The Vatican was outraged; war was inevitable. Temporal power and control of the world was considered the basic right of the pope. He wouldn't think of sharing it with those whom he considered heathens.

The pope raised up his armies and called them crusades to hold back the children of Ishmael from grabbing Catholic Europe. The crusades lasted centuries and Jerusalem slipped out of the pope's hands. Turkey fell and Spain and Portugal were invaded by Islamic forces. In Portugal, they called a mountain village "Fatima", in honor of Muhammad's daughter, never dreaming it would become world famous.

Years later when the Muslim armies were poised on the islands of Sardinia and Corsica, to invade Italy, there was a serious problem. The Islamic generals realized they were too far extended. It was time for peace talks. One of the negotiators was Francis of Assisi. As a result, the Muslims were allowed to occupy Turkey in a "Christian" world, and the Catholics were allowed to occupy Lebanon in the Arab world. It was also agreed that the Muslims could build mosques in Catholic countries without interference as long as Roman Catholicism could flourish in Arab countries.

Cardinal Bea told us in Vatican briefings that both the Muslims and Roman Catholics agreed to block and destroy the efforts of their common enemy, Bible-believing Christian missionaries. Through these concordats, Satan blocked the children of Ishmael from a knowledge of Scripture and the truth.

A light control was kept on Muslims from the Ayatollah down through the Islamic priests, nuns and monks. The Vatican also engineers a campaign of hatred between the Muslim Arabs and the Jews. Before this, they had co-existed peacefully.

The Islamic community looks on the Bible-believing missionary as a devil who brings poison to the children of Allah. This explains years of ministry in those countries with little results.

The next plan was to control Islam. In 1910, Portugal was going Socialistic. Red flags were appearing and the Catholic Church was facing a major problem. Increasing numbers were against the church. The Jesuits wanted Russia involved, and the location of this vision at Fatima, could play a key part in pulling Islam to the Mother Church.

In 1917, the Virgin appeared in Fatima. "The Mother of God" was a smashing success, playing to overflow crowds. As a result, the Socialists of Portugal suffered a major defeat. Roman Catholics world-wide began praying for the conversion of Russia, and the Jesuits invented the Novenas to Fatima which they could perform throughout North

Africa, spreading good public relations to the Muslim world.

The Arabs thought they were honoring the daughter of Muhammad. This is what the Jesuits wanted them to believe, as a result of the vision of Fatima.

Pope Pius XII ordered his Nazi army to crush Russia and the Orthodox religion and make Russia Roman Catholic." A few years after he lost World war II, Pope Pius XII startled the world with his phoney dancing sun vision to keep Fatima in the news. It was great religious show biz and the world swallowed it. Not surprisingly, Pope Pius was the only one to see this vision.

As a result, a group of followers has grown into a Blue Army world-wide, totaling millions of faithful Roman Catholics ready to die for the blessed virgin. But we haven't seen anything yet. The Jesuits have their Virgin Mary scheduled to appear four or five times in China, Russia, and major appearance in the U.S.. This is what "Project Blue Beam" is all about, great pretended apparitions of Vatican Roma's Virgin.

CRAIG-OXLEY - March 6, 2007 01:17 AM (GMT)

First of all folks remember of course Zagami is going to stick up for his wishful thinking about Islam when he's an actual Muslim or so he claims.

QUOTE

Rivera was a 4th vow. that's the main reason he was killed. it'a rule, plain and simple. once you go 4th vow, there is no turning back.

I wouldn't exactly say this, I think if Rivera had simply left the Jesuits and done nothing else at all he would still have been alive. The fact that he became a Protestant and informed the masses on the truth with the Vatican and Jesuit Order well thats a most definate reason for him to be killed.

QUOTE

Just because Rivera was assassinated does not mean that everything he was told was the complete truth. I think it is possible that Jesuit lies told through the ages might have reached him. Him being assassinated for the Islam material would have made no sense, since this information ultimately helps to serve Rome. I think that is obvious considering this neo-Crusade campaign going on with an agenda to put an end to Islam, which the Catholic church have deemed an enemy since its beginning. So I believe Rivera was assassinated for much more incriminating things.

Who said he was killed over his outing of Islam? I sure didn't! Please remember why the Crusade occured and how Islam wasn't an enemy of the Vatican when it was first created. Infact Islamic leadership isn't an enemy now as they're in their positions thanks

to the Sovereign Military of Malta and their Masonic Orders. The enemy is simply the PEOPLE and the agenda is how to get the people following the main agenda and accepting the Temporal Power (World Government). Remember on how high Papal Knight of the SMOM King Juan Carlos of Spain controls the whole Middle East region with an iron-fist even having Shimon Peres, Olmert etc subordinate to himself.

QUOTE

Also, I think it's important to remember that much of what Leo says about the Jesuits goes right along with what Rivera said. I have a lot of respect for Rivera for coming out with all of this and I know Leo does as well.

You are religious and you will do anything to protect your faith, thats normal in your circumstances. The facts are that all the religions are simply untrue, mythical ways of controlling the Populance and giving them something to look up to which most need in life. The fact that 99% of religions on Earth (Especially Muslim, Protestant, Catholic etc) are based on Astro-Theology & Sex well that says it all. I go further and believe that its all code for creation/life/sex a clever coding for a life manual so to speak. Remember disinformationists will give you 75% truth and 25% crap so therefore much would match up to Rivera's teachings.

QUOTE

"One last thing needs to be said about the Islam story discussed below. The tale didn't originate with Alberto Rivera, but was told to him by Cardinal Bea--who Leo says was not a real cardinal, and who is alleged to have been a Zionist agent. It seems at least possible that Rivera may have participated in the deception unknowingly."

Now do you honestly think that Leo Zagami who was a Knight of Malta and certainly not a real authority one at that would know more about a Cardinal than a JESUIT? No chance in hell my friend! I'm quite sure Alberto would have known exactly about Bea if that was the case. The Jesuits control the Vatican my friend, when Jesuits are around Cardinals and Priests of the RCC they fear them for their power. Now Leo Zagami goes on about his position in the Knights of Malta. If anyone thinks he's would be anywhere near the true inner circle of them then they must be crazy. Theres simply no way in hell! Also the Knights of Malta are controlled by the Jesuit Order. Like I say if anyone should know its a Jesuit over a Knight of Malta. So does anyone think Leo Zagami was higher than King Juan Carlos of Spain? Of course not! Therefore how can he have more knowledge than a 4th Vow Jesuit. Zionist encompasses all of these people together my friend, theres no them and us, their all ONE and have been since the 18th Century when the mass Masonic fighting from before was ended for unity to make sure this one-world system could arise. The fake Judiac people as you would obviously see them as when you term Zionist are mere high end workers for the hierachy who sit in charge of the RCC using it as a front when infact they follow the oldest religion once known as the

Saturnalian Brotherhood more known these days as the Mystery Religion. Its all the same Brotherhood of the Snake and so forth.

This is far more like it, just look at the Romanising of Islam:

Thank you for your response.

QUOTE

Who said he was killed over his outing of Islam? I sure didn't!

I only mentioned that in response to the argument that since Rivera was assassinated, he must have been telling nothing but the truth. My point was that of all the reasons they wanted to kill him, it wouldn't have been because of the Islam story.

QUOTE

The facts are that all the religions are simply untrue, mythical ways of controlling the Populance and giving them something to look up to which most need in life. The fact that 99% of religions on Earth (Especially Muslim, Protestant, Catholic etc) are based on Astro-Theology & Sex well that says it all.

Although I certainly don't believe that all religions are untrue and believe that they are all essentially based on the notion of one Power/God/Great Mystery/whatever, I certainly don't have a problem saying that they have been USED to control the populace. The common and unfortunate result of this knowledge is the hasty dismissal of anything having to do with the religion and the core beliefs. This has sadly driven an untold number of people away from any true concept that there is a higher power, which is and has always been one of THE satanic/NWO/Saturnalian/etc. goals since the beginning. They love to see people turn away from the belief in one God and that it is not an external God that has been told to us, but one within us at a very subtle level. I like how the Native Americans put it when they referred to it as the "Great Mystery."

For being based on astro-theology & sex, well, this is a naive statement to make if you're going to lump all religions on Earth into them simply being birthed from these ideas. Whoever established this "fact" anyway? I think you're going to need a lot of

evidence for this if you want people to believe this. The origins of religions are far more complex than this gross simplification and for anyone to think they know just what a religion is based on from its inception is very juvenile.

As far as Eric Phelps' knowledge on Islam, until he stops calling the Wahabis the "Wahibis" and making naive generalizations about Islam (the supposed threat of Islam), I won't be very willing to trust what the man has to say about the religion. He is basically parroting off the same old lies about Islam that have been used in the past. I don't think it's going to do anyone any good to rely on him for information on Islam. Although, he does know some obvious facts, other things are patently false. He says that Islam is anti-Jew for instance, yet anyone informed on the basics of Islam knows that there is no doctrine in true Islamic teaching of bias against any people. Although nowadays, many Arabs are mad at Israel and what has happened in the Middle East, is it a massive stretch to say that this means that Islam is anti-Jew.

As far as the outright falsehood of forced conversions in Islam, everyone who understands the religion sees this as a blatant and ludicrous statement.

"First of all, the Holy Qur'an clearly says "Let there be no compulsion in religion". In addition to this, Islam teaches that a person's faith must be pure and sincere, so it is certainly not something that can be forced on someone. In debunking the myth that Islam was "spread by the sword", the (non-Muslim) historian De Lacy O' Leary wrote: "History makes it clear, however, that the legend of fanatical Muslims sweeping through the world and forcing Islam at the point of the sword upon conquered races is one of the most fantastically absurd myths that historians have ever accepted." (Islam at the Crossroads, London, 1923, p. 8.)."

(from <http://www.jews-for-allah.org/jewish-mythson-islam/>)

Check that link out for many more myths if you are curious.

I think Phelps has a lot of great and important information and should stick to what he knows about.

I think it would be great if Leo would elaborate on the Cardinal Bea matter. I don't know exactly what he meant by that. It's up for grabs about the cardinal issue and I am in no place to form a definite opinion on it. But I don't think that whether he was a cardinal or not really makes a difference in the end.

CRAIG-OXLEY - March 6, 2007 04:01 PM (GMT)

I will ask of you a coupl of simple questions:

Do you like worshipping the Planet Venus aka Lucifer? Remember Islam is all about the worship of Venus. I hope you enjoy praying to her on FRIJA day being

Friday. You will also enjoy worshipping Satan in this religion also due to the fact that the Saturnian religion has mixed in this also. So you worship Lucifer (Venus) the morning star and the beast Satan (Saturn). You guys sure like that GREEN colour don't you. You also adore the Domes don't you? I bet if she was real Frija would adore you guys for all your loyalty. I suggest you go through your religion and see how much matches up with astro-theology and sex. Now you claim its juvenile yet as just one example being Jordan Maxwell who helps expose this religious indoctrinations based on Astro-Theology has 45+ years deep research in the matter. Can you compete with that? Do you think you can compete with the sheer knowledge of Michael Tsarion in this subject? Somehow I seriously doubt it. I do not know what it must be like for religious people to find what they've been told is hogwash but if it were I then I would investigate harder in order to throw the chains off once and for all. Now what most religions teach its sheeple is a counter-measure against truth. What I mean by this is that as soon as you mention say astro-theology, Maxwell blah blah then the counter-measure arises instantly and its "OCCULT" (thinking its bad, just means secret) and in the religious one's mind its "anti-jesus, god, allah and so on". I've even seen counter measures where by Protestants tell people some of the truth about this subject but then say thats the Catholic version not ours which to me is utter bunkum. Its all counter-measures to KEEP the sheeple chained to the religion they've chosen. Its no different to political science where they give the sheeple populace in the U.K 3 main parties to choose from, being Conservative, Labour or Lib Dems. The reality is that you get who the shadow government wishes regardless. Example is that all the leaders of those parties right now including the new Labour leader when Blair retires are Bilderberger's working for the Pilgrim Society coming out of THE CITY! People get locked into the poltical games and see nothing else as possible. Same for religion. So maybe you should look into Michael Tsarion's work and others infact he has a good few pages on Astro-theology which are very well researched but beware a broadband connection is advised.

Eric Phelps does not see Islam as an enemy he may say this at times (I dont recall) refering to how some group see's this. Like at one time before the Vatican controlled the Islamic leadership through its Masonic groups it was an ENEMY! This was when it decided to not give up Jerusalem. Well my friend thanks to Shimon Peres, Arafat etc Jerusalem will be handed over to the Vatican soon thanks to Peres signing in 1993. We already have French (Catholic) foreign troops within Lebanon, using the great ploy of Israeli war with Lebanon. For more on this seek Barry Chamish. I think the problem with religious people is that they take the sliighest wordings as a threat against them without really understanding what the person is saying. For instance I have no religion so I have zero blockages which could arise. No one can offend me whatsoever so I get through this stuff easy enough. How someone pronounces something is irrelevant and

even spells something if that were the case. Its the knowledge inside the voice or writing! You can have the best perfectly speaking person whos totally incorrect. You can have someone whos the best at english, grammar and have incorrect information.

I see the ROMANISING of Islam and all those connections. All the religions are HOGWASH full stop. The sooner people wake up to the fact the better. Its no good thinking well the ancient religions will be better because they ain't. They may have a few additions but its still the same. What do people fear about having nothing at the end of it as in a God way? I don't care! Like I say I believe that any real religious texts of old which the Jesuit will have in their possession will simply be manuals for life and nothing more. I do not believe the creator if any would have/want any contact with us at all and at best it would produce a manual for Earth and nothing more.

Naila - March 7, 2007 04:13 AM (GMT)

The question of whether Cardinal Bea was a "real" cardinal seems a bit irrelevant compared to the real issue, which is the distortion of Islam's origins behind a bogus historical smokescreen. Maybe Leo was using his own criteria (I've found no reason to distrust him) -- but it hardly matters, since we all know that those with genuine Church credentials are no less likely to spread disinformation. If anything, their status just makes it more credible! The real point is that the early church fathers could have had no knowledge of the early revelations of Mohammed, for both spiritual and historical reasons. The story was put together well after the fact, by religious bureaucrats who (like the atheists in our midst) wouldn't have recognized a genuine revelation if it hit them over the head!

Here's a suggestion for anyone who might still believe it. Terrorism and suicide have no place in real Islam, which is above all a path of morality and compassion. For every "Muslim" terrorist you hear about, also make the acquaintance of a true Muslim who is trying to live according to the will of God. Once you've gotten to know these folks, reflect deeply on whether their faith could have been inspired by "Venus" or a pagan moon deity, or whether it came from the one true God spoken of by spoken of by Jesus (his teachings are accepted as part of Islam). Be open to the possibility that the conscious practice of pure Islam, like pure Christianity, transforms lives and unites people through love

Naturally, the story's perpetrators are hoping you'd rather just hold onto your stereotypes and not bother. Keep me posted.

Greetings and Salutations:Two points I would like to address;

1. The Protest-ant Reformation did not go far enough by half. It was an intermadiate step,neccessary at the time. vatican doctrine=tap water, Protest-ant Reformation=50% water,50%wine. The full bodied wine has now been available for 25 years.

The vatican still,to this day,lays claim to all these wayward denominations,Mother to Daughters as it were.Even Malachi(sp) Martin agrees with this. He pointed out how most of them still hold the first day of the week as the Sabbath, and other major holy days of the pagan calander,easter christmas,etc... And yet this intermediate step was vital at the time for reasons yet to be revealed.

2.words:pronouncements and meanings are irrelevant. I disagree For example:Keith was doing his thing with numbers,fine,knock yourself out.You can do your number thing with comic books,cereal boxes,whatever,I will never say a word. Take the name of a Prophet of Yahweh,spell his name wrong,take the last syllable,toss the first and make a reach and conclusion based on an error results in an error. The name is Malakyah (messenger of Yahweh)He has messages from Yahweh(about Yahwehs' Plan),turn it to malachi>mala/chi.chi(esoteric energy force). Not the same as Yahweh. Yah is not chi. Message lost.Likewise the Greek Mathematician exercise.

Keiths-Pi/thag/or/as.....Reality in Athens Greece(first hand knowledge) Pyth/a/gor/as. Alas,no PI. As a life long,classically trained musician,I know Jazz when I hear it. Thankyou and good night.

Greetings Naila I lovingly take issue with a thought you put out,due to corruption of the earliest texts through mistranslations and changing of words,most of the world believes as you do. Yahshua(Yahweh is salvation),never engaged in god worship, the heavenly Father he promoted is Yahweh(not a god).jesus>iesous>joshua>Yahshua(Yahweh is salvation).It is the corrupt translation and the deliberate additions,omissions and deliberate misguiding that leads to all this confusion.I am under command to prove to my Mind,not to emotionally satisfy my heart.One of Father Yahwehs laws is:Do not follow the ways of the gods(elohim).

Alexandra, Leo Zagami has given over a dozen interviews and I've heard most of them. He definitely rings true to me, and connects a whole lot of things that now make sense. With all those hours of talk you'd think someone would have refuted his facts if he were into disinfo, but as far as I know the main attempts to discredit him have come from his former Illuminati connections. If you know something I don't, I'm certainly willing to listen. Lisa, I'm inclined to believe you about Cearley given his whitewashing of the Church's seamier side. Still, that doesn't mean the rest of his history is wrong. If there's a historian out there who can help us here, I'd be curious to know the real story -- but it still doesn't have any bearing on the original revelations of Islam. There's enough distortion to go around in any version of history, since it was mostly written by religious bureaucrats and propagandists whose specialty was not the truth of the inner Heart. They wouldn't have known about Mohammed's actual revelations. Neither would those who perpetuate the outer shell of what passes for Islam -- as with any religion, there are few who practice the real thing. I'm now inclined to believe that Leo Zagami and Alberto Rivera are both for real, and that Alberto really didn't know that what he was spreading was disinformation.

QUOTE (Naila @ Mar 7 2007, 04:13 AM)

Be open to the possibility that the conscious practice of pure Islam, like pure Christianity, transforms lives and unites people through love

Dear Naila, I suspect that no one told you something about the REAL world, as I see when you use such ingenuous expressions.

I consider that the religious rethoric is often like a "paedophile approach": in the latter you have the candies of the perverted, in the first you have words like "love", "purity", "salvation" expressed by men dressed in black....

Both - in order to work - need a big amount of ingenuity in the victim.

Talking about this arguments require to be a little shrewd, because the use of the words in order to control the emotions and the interior life of the people is a nasty trick.

The problem of Islam (believe or not in Jesus or Mohammed, that doesn't matter) is he never had something similar to the reform. But for me all this is obvious, because I consider Islam controlled (and created) by the Vatican.

The Illuminati/Babylonian mafia work always creating fronts by which control people through the fights. All the religions are part of this great game/drama (this doesn't mean that all what is said in the religions is perverted, but you know that if you want to draw people under your control, you must give them 50% of the truth (the 'cup of good wine') and 50% of lies (the 'bad poison' in it).

Islam is not an exception.

The religion in which the 6000 years old brotherhood is situated and from there it controls the other religious branches in the world is Catholicism, but they try to do everything in order to disguise that.

Islam is the better helper to the Vatican. Islam provided the "Enemy", against whom to unify the "Christian" Europe. Just look to the crusades, where RC Templars and Islamic made a great business together....Yes, the "understanding" worked fine between religions, but only for the masters, they were unified in the decisions by which the people below slaughtered themselves in name of "God", "purity", "love"!

I am convinced (don't know the opinion of Rivera about) that the first goal for the creation of this kind of "exotheric branch" of Rome in the Middle East was to contain the Christian concurrent of Byzantium. In the XIII century the Crusaders entered Costantinople, but was two centuries later that Islam definitively turned off Byzantium.... in 1453, sixtyfour years before the famous 95 thesis.

As it is said, is better you use a third person, who is formally and apparently your enemy, to commit a dirty work,... It should move away from you all the suspects. (Killing and destroying your Christian brothers of Byzantium could be well a dirty work).

Did Rome foretell the arriving of the reform? It could be. In fact in the XVI centuries, especially in Slovenija, where the Turks were doing raids, nearly all the low nobility was influenced by the Reform (Jesuit punishment for it: some centuries later, i.e. the Nazi-fascist aggression of Yugoslavia). The Empire here had serious troubles with the Reform. Yes, often it is said that the problem of the Turks prevented the emperor to act firmly against the Reform. But it could have been the opposite, in fact when you have problems inside your party, the better way to unify it under your rule is to find an external enemy.

Don't you hear this every day about Israel, which thanks to the "Islamic and Arab threat", justifies its war crimes?

So the same is happening in Israel/Palestina. The media here (=in the western world) present always Israel as the only one that gain a benefit thanks to the "Islamic threat". But it works also in the opposite way, the "Zionist threat" with its 200 atom bomb and military arrogance is a good reason to keep the Arab and Islamic masses under the mental and physical control of their religious leaders. Some of them want to 'throw the

Jews' in the see, but I think the day it could happen, they'll have no more a threat by which control the people.

Like in the past the Saracens were helping the Vatican grip on the Black Nobility, today I imagine that the real fortune of Hamas and Hezbollah is just the Zionism.

At least till the day in which Rome will decide to start the final war and annihilate definitively the heretic pair Jews and Islam (without mention for Global Warming).

Avles, everything you say makes perfect sense, and I thank you for answering my call for some solid historical input. And I'd be entirely convinced, except for one thing: since you apparently don't believe in God, you're effectively ruling out a priori the possibility that Islam could have originated in divine revelation.

Here's what I think happens: Someone really gets his act together big-time, spreads love and wisdom to others, exemplifies a whole different dimension of reality, and is really good at helping other folks get there. If you're a believer, you could say God sent him to show people the true path and help them do his will. Six of one, half dozen of the other.

Anyway, powerful interests hear about how cool this guy is, and start using his good reputation to enhance their own agendas. They co-opt his teachings and turn them into meaningless dribble that mostly has to do with why everyone needs their institution, and not the original teacher, to live right and be morally superior to everyone else. There are so many willing victims that kings and popes clash with each other for the right to enslave them. This all makes lots of noise, and gets written down as history.

Meanwhile, there's another whole branch of the original tree in which people are transmitting the original message in the way it was meant. These people are learning how to be kind, living from their inner hearts instead of concepts or dogma, and quietly raising the vibration of the planet. Since they don't make much noise or start wars, none of the people on the other branch of the tree notice. If they do, they drown them out by citing lots of history.

Religion on one branch, spirituality (or just "love" if that's more palatable) on the other. It's an old story.

Peace, Naila

"....And I'd be entirely convinced, except for one thing: since you apparently don't believe in God, you're effectively ruling out a priori the possibility that Islam could have originated in divine revelation...."

Naila, the problem is not the existence of God, but the ones which claim to speak for him.

So, as I believe in God (I tell you about below), I prefer the rationale aspect of him, instead the "love" or "purity" aspect. This is not because I despise "love" and "purity", it is the opposite, because I love the "love" and the "purity" I can't imagine no one trying to cage it in rules or religions. We could say that 'Religions are a "blasfemy" against God'.

And as rationality is an aspect of God, and an aspect which is the opposite of the mysticism irrationality of the religion, I use rationality AGAINST the religion, as a means (or a part of Him) that God gave me in order to destroy the blasphemous religious cages in which they try to trap him, in order to trap the human essence.

So I overturn what you say: is not through religions that we learn to love, but the opposite. Is through the ones, which learn to us religion, and make that in a way that the LOVE they have, (which NO religion can explain), goes directly from his heart to our heart, without being CONTAMINATED and DEPRAVATED by the idiot and stupid rules and laws of the same religions, this is the way (or one of the ways) by which we can learn to love.

Yes, religion could be indispensable. But as a means to test the strength of the LOVE, as a rusty hammer by which the "black dressed men" try to bend the love for their goals. The more the love remain the same, the more is pure, and THE MORE IS ANTI-RELIGIOUS!

So "love" is something tied with the individuals, their will, their freedom. This simple truth must be destroyed, this is the reason by which they created the 'religions', the cages where to trap "love" and the FREE WILL and RESPONSABILITY of the individuals which are absolutely required by the love.

And to kill definitively OUR Free Will and Responsibility, 'They' created the so called "will" of the God (Allah, Ywh, etc.) asking his sheep to realize on earth the cage of his reign.

I think Luther forewarned it when he attacked the RC Church and its hypocrisy, creating a formidable human revolution, the Reform. Primoz Trubar, a Reformer of Slovenija, went beyond this: meanwhile Luther conserved two sacraments from the seven of the Catholicism, Trubar said that only the faith is the real conjunction with god, while ALL the sacraments are only a symbol of it, even the baptism.

Doesn't matter here the fact that I don't believe in the existence of a person called "Jesus" and his baptism, for me is exceptional the formidable mind revolution of this great persons of the past.

They BEGAN TO INTRODUCE THE MORAL AND ETHIC QUESTIONS, AND THE QUESTIONS OF THE RIGHTS OF THE PERSONS.

Speaking continually about "love", "purity", etc., is only a diversive. Naila, do you LOVE the human rights? Do you LOVE the rights of humans to see NO clergy, NO mufti, NO rabby, NO Buddhist monk try to tell YOU the rules under which to live your life?

(My God is the God which come from Quantum Theory. Prof. Malanga of Italy - he helps the so called Alien Abductee to free from the slavery - gave a good definition of God: God is the awareness which created energy, space and time just to know itself. But creating this kind of 'mirror' - which is the virtual part of Universe, the real part is only the awareness - he loose itself, he loose awareness, and went 'to sleep'. IN THE LAST TIMES GOOD WASN'T KNOWING WHAT HE WAS CREATING, and, as regard to me, the tales of a God who "deliberately created this and that, we and them, etc.", is a pure foolishness which can only anticipate the banal characters of the science fiction movies, filled of scientist well aware of what they are creating.)

I conclude with the words of Sally, the daughter of Cathy O'Brian, tortured by the CIA and by the organizations controlled and manipulated by Jesuits (see the book "TranceFormation of America":

"Could God help us to free from religion!".

(And I think she was not much away from Luther, Trubar, etc. I am now reading the history of Trubar and of the Reform and it is illuminating: these ones were really right!.)

Leo, Leo..... you have to do a long work to try to fool me, with the Islam....

http://en.wikipedia.org/wiki/Byzantine_Empire

(Introduction).

"...After the sack of Constantinople in 1204, three Byzantine successor states were established: the Empire of Nicaea, the Empire of Trebizond and the Despotate of Epirus. [11]

The Empire of Nicaea, controlled by the Palaiologan dynasty, managed to reclaim Constantinople from the Latins in 1261 and defeat Epirus. This led to a short lived revival of Byzantine fortunes under Michael VIII, but the war-ravaged empire was ill-equipped to deal with the encircling enemies that now surrounded it. Much of Constantinople lay in ruins; the army was desperately short of funds; Italian merchants

and their ships dominated the empire's sea-lanes; the economy was in decline; the empire's ancient frontiers had been overrun; the provinces were in disarray.[11]

Civil war racked the empire during the 14th century. The Asian provinces were lost to the Turks, while the Serbians and Bulgarians conquered the empire's remaining territory in Europe. For a while, the empire survived simply because the Turks of Anatolia were too divided to attack. However, the unifying influence of Osman I (1258–1326) allowed the newly founded Ottoman Empire to deprive the Byzantines of all but a handful of port cities.[11]...."

BUT the most important is this:

>>"...The Emperors appealed to the west for help, but the Pope would only consider >>sending aid in return for a reunion of the Eastern Orthodox Church with the See of >>Rome. Church unity was considered, and occasionally accomplished by imperial >>decree, but the Orthodox citizenry and clergy intensely resented Roman authority >>and the Latin Rite. Some western mercenaries arrived to bolster the Christian >>defence of Constantinople, but most Western rulers, distracted by their own >>affairs, did nothing as the Ottomans picked apart the remaining Byzantine >>territories...."

(!!!???!!??!!?!?!???)

Were or not covertly allied, the Catholic Church and the Muslims????!?!?

And now, we have the brutal murdering of PROTESTANT (not-Catholic) Christians in Turkey.... yes, there was an Italian Catholic priests killed times ago, but this three murders..... Could be that the murdering of the Italian Catholic priests was due to get a disguise in order to cover a future brutal murdering, which would clean the zone from the not-Catholic religious activity?????

(The same I consider happened with JFK, many Americans and Protestants seem not realize it, or maybe I am wrong, but I am convinced He was murdered just to create a "Catholic Marthyr" which died fightin against the worst of "heretic America": Cia, Vietnam, etc. And after the murdering of JFK, Rome can cover his assassination of Lincoln better, due this to the "high moral implication" of the image of the Marthyr Roman Cahtolic JFK).

<http://www.speroforum.com/site/article.asp...r+of+Christians>

".....What remains is the shocking truth of the horrific act. What is even more alarming, as underlined yesterday during a press conference held by representatives from the Protestant Church present on the round, through the Turkish Pastor Ihsan Ozbek from the Church of Salvation: "there is no use in denying it any longer, it was a crime we all anticipated, it came as no great surprise given that we live in a climate where we expect

the worst to happen at any given moment, its an open witch hunt against Christians!"."

Yes, I have no proof, but if i should wait to get the proof..... All I perceive is always the same, the Islams - like theological mercenaries - do the dirty works for their exoteric masters in Rome, today as yesterday, in Turkey today as five centuries ago, or in MittelEuropa, when Slovenia, Karintzia, etc. were a bottle of Reform-powder ready to blow..... In a theological way, Primož Trubar was right when he said that the enemies were the Antichrist and the Turks (i.e. The Roman Catholic Church and the Islam invasion).

Till the moment when the Islam people will understand how they are used by their spiritual masters and by Rome, they'll remain a tool of ROMA....

For example some deays ago I saw a docu on Slovenian TV, it was about the election in France.... There was clear the enormous quantity of Muslims that the IllumiVaticans bringed on this country.... The ethnical clash is in the air, because is what the Masters of Islam want,.... i.e. the Vatican Monarchy.

All this is programmed: the integralism of the muslims will be only increased by the right reaction of the inhabitants of France who perceive themselves surrounded. All this will lead to an increase of the Catholic integralism, and this is the covert, final goal of VatiKommunism! All this is carried out succesfully thanks the collaborations of the Islam Masters.... The more the Catholic hyerarchy speak about the 'collaboration' and 'moderation' between and of the religions, the more they want the c-l-a-s-h. It has not to be a physical clash (excetp some episodes), you must only invade a country and start the psicological warfare....and to cut some throats, like the Dutch movies-director.... Just look Italy, where the Ultra-Super-Catholic secessionist party "La Lega" is angry against the muslims.... The "La Lega" is a tool of the priests, and useful to increase the fanaticism of the Babilonian Religions like Catholicism and Islam in Italy! Not strange that many fascists are for the party "La Lega".

So, just look what said Rivera, Mons. Augustin Bea (If I remember right), he was right: "We created the islam in the Illrd centuries, for our goals"

Best regards from Italy, the Theocratic Protectorate of the City of Vatican.

It was the rise of Islam that prevented the followers of Sorath from bringing about the

destruction of Roman Catholicism and Christianity. A paradox occurs because Islamic armies fought against the Christians and Catholics but who do you think allowed the Jews to live within their communities while the Jesuits burned them at the stake? The religiously tolerant Muslims!

Islam arose for many reasons and one of them was the need to skim the layer off the top of the Sorath science that was appearing in the academies near Baghdad. Had Jeshu succeeded in Iraq, he would have brought about a Hell on Earth, with today's high technology but in the hands of men back in those days who had even dimmer consciousness and less soul development than do men today. Look at how dangerous a time we are living in now due to the technology in the hands of immature men. If this had occurred back in the year 666 AD, men would be appearing all over the earth "awakened black adepts" and these adpets all over the world would have been cut-off from the spiritual course that was intended for us by their working deep into matter. Sorath was using his followers who were Hellenists to manefest Bahomet much earlier on than most know.

Leo is correct that Islam was created through the calling of Archangel Gabriel to the Prophet Mohammed and not through the Vatican. The later creations of fanatical Islam were indeed created/influenced by the Jesuits/Freemasons but once again, Rivera was not a Cardinal and not everything he taught was perfect.

Dear Daniel, I can't answer to you in every point, but I must say that when you speak about the Islam as a "defence wall" against Sorath..... In my head it sounds an alarm bell, a red flashing light (as in the movies, with the "alert panel" of the Norad...) on whom is written: Danger - IllumiVaticani Dualism.

I speak about that many times..... The famous 'David Icke's Problem(Sorath)-Reaction (something must be done)-Solution(give power to the Islam)" explain it very well.

Is right that the Islam arose for "many reasons".... also a forest can arise "for many reasons"..... for the water of the rain, for the good terrain, for the particular climate.... but if you mention all "this many reasons" to avoid to expose the FIRST reason, i.e. the hand which implanted the young trees....

So is right to say "islam aros for many reasons", but the hands which seeded the terrain

were Vatican/Babylonian hands.

In that it is sufficient to read again what said Icke. The mechanism is very 'einfach' - simple, I dare to say: childish.

As regards the "Jesuits burned the Jews --- Islams tolerated them!",..... , I could answer that the Jesuits NEEDED someone protecting the Jews,..... Islam kepted a sort of "store of new Jews", ready to be burned at the stakes when the other were 'consumed' by the Inquisition.... Can't you see the forest? Or do you see only the single trees? Have you never heard about the sijmple method of work based on the tasks sharing? (And finally the Jesuits NEVER exterminated completely the Jews..... If you need an enemy you can never totally annihilate him).

The Illuminati/Jesuits can always fool the people, because they make appear their action as a set of parts not linked between them. And finally, if Islam arose to fight Sorath, so is right to say that Nationalsocialism arose to fight the Jews Plot.

All the words about the "Archangel Gabriel" and "Prophet Mohamed" are just "beatiful words". The reality is that the Islam is a Medieval-Canonic law religion type, and is the exactly opposite of the principles of the Republican State and the State of Rights sanctioned by French Revolution and American indipendence who are stated in the American Costitution. I respect , admire and take as example the Protestants who believe in the Bible and fight for the Bill of Rights. This is the reason for which I admire Abraham Lincoln, be he a Rosacroce or not: he didn't put his faith in contradiction with the American COnstitution but in a SINERGY. But when I see men that for five times at day prostrate themselves to a God, don't know waht is a State of Rights and call themselves "the Surrenders" (=Muslims), sorry, but I 'arm my gun' and say: stay away from me, guy.

From this point of view I am enemy of Catholicism and of Islam equally. Stop.

Best regards from Italy, the country of Borgia.

Daniel - April 23, 2007 05:19 PM (GMT)

Dear Avles,

Years ago, I used to go to Ali Sina's website because I was once a fool and believed wrongly that Islam was an evil cult. Since that time I have learned incredible truths and I understand why you are concerned but there are several realities that need to be understood.

Firstly, men did not think the way they do today, back in those days. What did Mohammed continue to impress upon? Did he not say constantly say that there is only ONE God, Allah? He saw that the Roman Empire who adopted the idea of Trinity was a form of PAGAN WORSHIP. The Father, Son, and Holy Spirit was seen by Mohammed, as a form of Paganism because he did not understand it fully. However, when you know the events that were happening around the time of Mohammed, we would see how Pagan worship was rampant in the desert and people were burying babies alive and doing all sorts of terrible things! There was very little connection to the Catholic Church here to blame.

Mohammed's coming was to show an extreme, almost fantasy like religion where only God the "Father" was accepted and that way he could prevent the Paganism from spreading and put an end to it. What happened as a result was a golden age for those nations while the Roman Catholic world was in a dark age. Does it not sound odd to claim that Rome created Islam, when Islam was so much more free and the sciences flourished there for a very long time?

Mohammed himself, was not the man he has been typically made out to be. He liked to knitt and spent much of his time serving those around him. What the Koran and Hadith's say which tend to paint him in a negative light, are so very typical of the kings and rulers who would come after Mohammed's time and then claim that they do exactly what he did, rule others! But reading the Koran is like reading 2 books. One of a spiritual man who had little resources or time of his own, yet gave so much, and another man who apparently would smite thy at the neck! Something about this seems a contradiction of sorts but to claim that the Vatican needed to create Islam to fight with it all the way through, even past the Crusades assume that the NWO was already in place. It would also assume that they had the control over the banking structure and also the culture of the islamic part of the world, which they certainly did not at that time.

It was different in those times and the Vatican was even forced into merging with the underground Gnostic Christians in 333 AD so that they could control them and still give the appearance of not doing so. They did this with Christianity but the Islamic world through men like Al-Rachid opposed men like Thomas Aquinas, so blatently. Later, the soul of Al- Rachid went into Sir Francis Bacon and the Islamic Empire Impulse moved over into the Western World, where it was opposed by Goethe.

We always need to consider the spiritual connections that play out behind the scenes.

Best,
Daniel

You are all making Rome very happy.

They've posted millions of signs around the world, and you all eagerly point them out for folk to FOLLOW or SHUN.

But NONE of you DARE look at the final destination, of DOING ROME'S BIDDING; DENYING HOLY SCRIPTURE, WORSHIPING The COUNTERFEIT books of Rome and their LACKIES, islam, DENYING The Holy Spirit....it's PERMANENT DEATH.

Nah, mention the difference between HOLY SCRIPTURE and 'the bible/koran', and you all become parrots of JESUIT EDUCATORS and THEIR CONTROLLED SYSTEM, rather than study The Word for yourselves....

but then, that also involves taking it's advice and STUDYING the WORLD and what IS in it.

And that's not quick, easy, glamorous or "POPULAR".

DEATH exists, but it is NOT 'natural' and NOT part of ANY CYCLE.

ALL DEATH, ONLY leads to more DEATH.

LIFE ONLY SPRINGS FROM LIFE, and none of the skills in the "conspiracy" INDUSTRY, DARE look at this Major KEY.

The ONLY thing we NEED to be SAVED from, is the Second, PERMANENT DEATH, and ain't NONE of your worldly, knowledgable ex-priests and gurus capable of offering that....so if they WERE "Enemies of Rome", why aren't they making this CLEAR...see opening line.

My God! How people are attached to a rappresentation of the reality given by the Illumi (Vaticans)!!!!

"The Islam flourished"..... yes, ROME let him to flourish just because 1) ROME needed a place where the science could progress in peace (BUNA....); the science was developed by Islam like a contractor work for a boss.... 2) the "flourishing" was the 'candy' for the Islam, till the moment it was useful to ROME (about the time of the raids of Turks here).

Then, our open-minded Islam decayed..... yes, once 1) Islam was useless because ROME needed no more a continental power capable to contain and destroy Bisanzio and able to fear the Christian Europe during the Reform, they just "switched off" it.... and said by by to the "flourishing Islam".... .but, instead all of this, they will never understand it!

I forgot: when the "flourishing Islam" was going to sink in the today third world conditions or just a century before (with the anaesthetic of the memory of the 'old times'), ROME didn't forget to collect all the precious scientific progress of the Islam (for example the Algebra, which was further develope in Bologna by Cardano-Tartaglia-Del Ferro, etc.), used today in Iraq to make the today Islams more angry , integralists and full of hate against America, the State of Rights and what it rappresents.....

In the year that Mohammed was born, there was no Khazar, there was no Black Nobility that was separate from Rome, there were no Jesuits. We saw strife from within the Roman Church itself and also from the barbarians who were all around the Roman Empire.

Now several times we saw the Roman Emperors dethroned and replaced, only later to have it returned again. The Pope and Holy Roman Emperors were the head of the conspiracy back then, correct? Ok, fine! So when the heads were overthrown by another head, and since there was NO JESUITS back then, who was it then that decided to dethron the Head of the VERY CONSPIRACY which you claim was needing to create his own opposition and his own downfall? Do you not understand that today people do not know what or who is in charge? Well, back in those days people KNEW and understood clearly who and what was the Pope and Roman Emperor.

So are we to assume now that when Rome already had most of the Empire under it's grasp, it just decided to spring up Islam and also all the Barbarians to fight against them and even allowed them to lose much of their Empire?

In those times all the Christians knew that the Pope was the Anti-Christ. The Church went out of their way to murder and torture all other peoples.

I do not see anything other than blind faith in Rivera's point of view on Islam. Why should I accpet one man's point of view (based on heresay) to be defining the entire beginnings, culture, language and history of Islam as a creation of Romanism?

Gimmie a break!

I'm enjoying the discussion tremendously. Check out this article on Leo Zagami's site, about the way Wahabism was deliberately created to totally distort our perceptions of the real nature of Islam. Avles, I respect your knowledge greatly, but have to laugh when you claim to know what the angel Gabriel did or did not reveal to Mohamed! There is a very beautiful, very wise tradition within Islam that goes back to these early revelations, transforms lives, and carries a very real vibration to many people of faith (including myself, within the Sufi path). To go back to my earlier metaphor, it's the two branches of the tree: We don't cut down the whole tree because one branch happens to have died and become calcified; we keep watering the one that's still green and vibrant with life.

Avles, if someone stole your identity and committed atrocities in your name, would you just abandon your name for another one -- or would you redouble your efforts to do only good in your name? Why should I abandon words that fit much of my experience and perceptions, including "faith" and "purity", just because they were co-opted by idiots?

Oh, and promise you'll never again accuse me of standing up for "religion"! Where did you get the impression that's what I was about? :angry: Molti grazie, fratello caro.

If you think that Islam is about brainwashing, then you must also think so is christianity, and every other spiritual path, regardless of whether it be religious or not.

If we should follow you, after you are finished removing someone's faith, and it people were to follow your path, you would be leaving behind a HUGE dark hole for anyone who had once faith to fill up! The person who no longer had God to fill his or her heart, would fill that space with what exactly? A new form of worship called "Avlesism" perhaps?

So what would you fill back in it's place then? Would you expect the Muslim to just forget about

God and become an athiest, which was afterall a true creation of the Jesuits?

Please let us all know when you are done attacking Leo Zagami and Muslims so that we can continue to expose the Jesuits.

The NWO loves nothing better than to keep people in their minds, debating religion vs. religion, religion vs. atheism, etc. etc. They hate it when people speak of manifesting goodness and compassion, seeing through differences, and worshipping God through the open heart. The mind is the worst prison of all (though a valuable servant when used towards the ends of self-knowledge and service).

Remember folks Islam is **VENUS** worship a controlled opposition to christianity **SUN** worship.

On a side note I believe Leo Zagami is a fraud and a cojidor trying to distract us with freemasonry insted of exposing Peter. Also notice he converted to Islam which is more planet worship.

recontanker55@yahoo.com - April 26, 2007 02:47 PM (GMT)

In regards to Zagami and Islam, read the koran for youre self and you will see what it says, they must control all by conversion or by force, they have already made tremedous inroads in to our country, that will be seen shortly. If you do as the prophet Jeremia say's when God's (YEW) sanctuary is taken over, they set thier standards or symbols in God's house. Look closely at Masonic and Islamic symbols and you will see they are the same, we already know that the Vatican started masonry,rosicructions and most other abominations that are called religion. Recomend reading is Alexander Hislaps" the Two Babylons, Marshalls, The light and the glory, Check the web sight the three world wars, and David Meyer 's the triumphet" This is a very good start along with putting everthing to the test of the bible truths. Avles, what gives you the authority to claim they are the same, on the basis of totally superficial differences? (And maybe the word 'vibration' -- used here to mean those effects that can't be explained by external, rational, or typical cause & effect factors.) You're way, way out of your league here! I'd be very surprised if you'd read many of the inspired spiritual teachers, or -- more importantly -- known people (other than the strict 'religious' type) for whom these things are a reality.

The NWO loves nothing better than to keep people in their minds, debating religion vs. religion, religion vs. atheism, etc. etc. They hate it when people speak of manifesting goodness and compassion, seeing through differences, and worshipping God through the open heart. Dear Naila, I believe you are honest, honorable and of bright sentiments, and surely this values for the great part of the Muslims, but with my some dozens of years on my back of life experiences on this ball rolling in the space, I have seen too much how the s.c. Satana is the first one who uses beautiful words and astounding tales.

And how he is able to use the honest, honorable ones for his goals, without they realizing it.

The real "Master" of your life is the LIFE; sufi, guru, bishops, and the others are just and only the caretakers of the school where LIFE teaches you to live.

Avles,

Where does one go after they stop believing in God?

I knew a Christian who converted to Islam and he bragged about his conversion. Unlike Leo and Nalia, this person is immature in his understandings.

I asked him what it feels like to go from having faith in GOD, to converting to once more having "FAITH IN GOD".

What he finds different is the culture, and rituals etc. But even back in ancient times, were not some people following a God of love like the Nazarenes? And are we to believe that all sun-worship and moon worship was about the physical aspect of it and not what lay behind the material?

The problem with many people today, and not merely you Avles, is that you give yourself over to the "dirty sex jokes" about the male and female principle but like a typical modern materialistic scientist, you cannot fathom that at one time, these symbols represented what was not to be seen in a childish way but rather it was meant in a divine way that the world of duality has both it's male and female counterparts.

The Sun worship came from the time when the earth and Sun were merged together and we as humans were not yet physical beings. The moon worship prepared us for the individual ego, or the self-awareness "I am I".

You have much to learn. Jordan Maxwell and people like him are good for ONLY the materialistic approaching of it all. They are not an authority to be using to define what spiritual aspects I now speak of.

It goes WAY, WAY deeper than that - believe me.

First came the experience that Mohammed had and the recording of some kind of experience. Later came the religion and the cultish aspects like with all spiritual experiences that man interferes with. But what Mohammed felt was a Divine connection between him and God and that experience is what a true historian seeks to understand - not to disprove. it is Jesuitical education that makes one a pessemist.

Mohammed was no fool and he did not worship the planet Venus any more than today's scientists worship gravity. They both know it's there, they both understand it's influences or effects over us all but that does not mean that Mohammed worshiped the "physical" planet of Venus.

Christ said "Alaha" and Mohammed said "Allah". From the Armaic come the Arabic.

Ok, fine, I will agree that man made all the Gods of yesterday. But if we should accept this:

"Then who made you?"

Atheism is the most dangerous cult of all. Atheists can argue all day until they are blue in the face over moral issues and never come to an agreement. They will always see man as nothing but an animal and compare his actions with the animals. Thus, pedofilia is natural, and so is murder natural etc. But they see nothing of the forces that work from behind the scenes that is pushing science in thsi certain direction.

When Mohommed looked up to the Father, he saw a part of God in himself and saw that we are souls.

How can you know that when a Muslim today calls out to God that he is not speaking to the Divine creator, instead of some man-made God?

And how do you know that those Muslims that look within to find that divine part of themselves are not in touch with the true Creator?

Can you somehow know this (whether an atheist or not) better than they?

Arson investigated as cause of Jesuit fire

Saturday, 7 April 2007 19:09

<http://www.rte.ie/news/2007/0407/jesuit.html>

Gardaí are investigating the possibility of arson in relation to yesterday's fire at the headquarters of the Jesuit Order in Ireland on Eglinton Road in Dublin.

The fire broke out about 1.00pm yesterday afternoon, and caused extensive damage to the building.

No one was injured in the incident and the four Jesuits who live at the house were away on retreat.

The building is also the office of the Provincial of the Jesuit Order in Ireland.

It is understood that an examination of the scene of the fire and other information garnered by detectives has led them to consider arson as one possible cause of the fire.

Investigations are continuing.

Arson Attacks on Jesuit Community in Malta

<http://www.companymagazine.org/sjusa/06-04-08.htm>

Seven vehicles belonging to the St Aloysius College Jesuit community were destroyed by fire in the early morning hours of March 12. A similar incident occurred at the Jesuit community in Msida last November. Inquiries into both fires are underway.

The March 12 incident coincided with the publication of an EU commissioned report on the level of racism and xenophobia in Malta that was drawn up by the Jesuit Centre of Faith and Justice in collaboration with the Jesuit Refugee Service.

The Jesuit order has been the target of criticism from right wingers in Malta because of its stance against intolerance and racism, and the Jesuit Refugee Service has been especially criticized on account of assistance provided to the recent influx of illegal immigrants from Africa. JRS Malta Human Rights Lawyer Under Arson Attack

On April 10, 2006 a third arson attack took place on people connected with the Jesuit Refugee Service in MALTA . Katrine Camillieri, Assistant Director at JRS Malta , suffered damage to her car and door. She herself suffered no physical harm.

The attack took place one day after Fr Jan Stuyt was interviewed by The Times of Malta about the detention and asylum situation in Malta .

This follows previous attacks on the cars of Jesuits on November 16, 2005 two cars at the house of two Jesuits working for JRS; on March 13, 2006 seven cars belonging to the Jesuits, near the office of JRS.

Several NGO's in Malta expressed their support for JRS Malta:

The European Network against Racism Malta*, re-iterates its strong condemnation of acts of violence and arson that have once again taken place over the past days in the Maltese Islands.

Once again recent acts show clear and strong links to the issues surrounding asylum seekers in Malta and that the perpetrators of these actions are clearly targeting specific individuals who have, over the years and more importantly recently spoken in favor of the protection of the rights of irregular migrants.

These acts, are to us a strong sign of a growing violent group within Malta, which while probably still restricted to a few individuals has now moved on resort to sheer and indiscriminate acts in violation of law in the propagation of its ideology.

ENAR Malta* expresses its support to the victims of the attacks, and moreover, urges the authorities to take all necessary steps to ensure that those responsible are brought to justice in the shortest time possible.

ENAR Malta* further calls on the relevant authorities for the implementation of laws and regulations regarding hate crimes.

JRS stands up over flames

by Chris Galea, di-ve news (cgal@di-ve.com)

<http://www.di-ve.com/dive/portal/portal.jh...=233034&pid=147>

CHRIS GALEA met Fr. Paul Pace to see how the arson attacks are seen from the JRS' side

Tuesday, May 23, 2006

The recent spate of arson attacks has left many a victim, as no less than four residences or their doors, a boathouse, a yacht and over twenty vehicles have been set ablaze.

While Police investigations are still ongoing, there is yet no evidence that all of the attacks are connected.

Nevertheless, a good number of the incidents have seen a common target -- the Jesuit Order, particularly the Jesuit Refugee Services (JRS), including some of its employees.

The first arson attack that targeted the Order took place on November 16th, 2005, when two vehicles were burnt at Msida. The attack followed a press conference in which the Jesuit Centre for Faith and Justice announced the publication of the proceedings of the National Conference on Racism and Xenophobia in Malta.

Similarly, the second arson attack on the Jesuit Order followed a press conference announcing the publication of a report on the level of racism and xenophobia in Malta which was commissioned by the European Union. Seven cars belonging to the Order were burnt near the office of the JRS on March 13th, 2006.

A few weeks later, vehicles belonging to persons employed with the JRS or the Jesuit Order were targeted by arsonists. The most notable of these was the attack on Dr. Katrine Camilleri, a lawyer working with JRS, in which the facade of her residence and her vehicle were set on fire on April 11th, 2006.

This common trait has led most people to conclude that many of the attacks, albeit not all, have targeted the order for its stand on irregular immigrants and for its work amongst refugees.

But what does the organisation do? What does it say? Why should anyone want to intimidate it or try to make it shut up?

www.di-ve.com journalist Chris Galea met Fr. Paul Pace S.J., Acting Director of JRS (Malta), in order to learn more about the organisation, the work that it carries out, and how the attacks are seen from their side.

JRS is an international organisation established in 1980 and currently has a presence in over 50 countries. The Maltese branch was established around thirteen years ago, but at the time the problems it faced were on a much smaller scale.

During the Gulf War and the War in the Balkans, JRS provided its services to an

increasing number of refugees that came to Malta to seek asylum.

The greatest increase in asylum-seekers was however recorded in 2002, when roughly 1,200 irregular immigrants reached the Maltese shores aboard boats, particularly during the summer months. The figure has remained more or less constant in the following years.

Due to the present situation, JRS has decided to concentrate its work among the immigrants inside the detention centres, Fr. Paul Pace said, adding that the Emigrants' Commission is responsible for working amongst those immigrants living within the community.

The services offered are mainly three, namely legal services that also include aid in obtaining the required documents, for which being an international organisation has an advantage; social services, among which the provision of medicines, clothes and other items; and pastoral services such as the celebration of mass on weekends for the considerable amount of Catholics living at the detention centres.

Fr. Paul pointed out that one of the major difficulties encountered by JRS is that they are too few people to carry out such a heavy amount of work, particularly with regards the legal service which it offers to the around 1,500 immigrants and which is taken care of by only one lawyer with the help of a small number of volunteer lawyers and law students.

With regards the social aspect of the work, besides one social worker and one part-time nurse, JRS can also rely on a number of volunteers who offer some of their time even if just to keep the immigrants company, who often feel isolated.

"These people live in a closed environment. Even people who have a cold and are grounded home for two days grow impatient, let alone people who are kept in detention for 18 months and have nothing to do," Fr. Paul said while stressing on the importance of such a service.

Referring further to impatience, the Acting Director of JRS said that the organisation is often perceived as part of the government authorities -- as the immigrants would be coming from backgrounds where the concept of NGOs does not exist -- and thus the immigrants often urge them to take decisions to resolve their uncertainty.

Fr. Paul said that the immigrants often complain about the length of their detention and about the conditions of the detention centres. Even the delegation from the European Parliament was critical in this aspect, commenting that the detention period should be shortened and the conditions improved.

"There is no doubt that Malta is small and that our resources are under strain, but that doesn't mean we can't improve the conditions. It should be an even more reason to

study the possibility of shortening the detention period," he reasoned out.

"We believe there are alternative measures to detention with which immigrants can still be kept under control. For example, even people accused with murder can be given a pledge, why are we so hard with these people?" he further questioned.

Fr. Paul noted that the problem has come all of a sudden and caught most unprepared. "However," he went on, "the Maltese cannot allow their first reaction to be their normal reaction; they should be more rational and less emotional as emotion cannot always rule our actions."

Inevitably, the subject of discussion shifted to the arson attacks which have seen the JRS being targeted in an attempt of intimidation.

Fr. Paul went down heavily on the aggressors, saying that the country's very own democracy is at risk if, instead of discussing divergent ideas, people start using violence in order to shut up those who do not agree with them and stop them from expressing their ideas.

Such an attack on freedom of expression is very dangerous and could also be used on other people when other issues are being discussed, he warned.

Asked whether JRS has any suspects, Fr. Paul seemed at a loss -- a person acting in good faith for the well-being of others who could not understand how someone would wish someone else harm for that. He expressed his hope that the police investigations would shed more light onto the matter.

However, JRS would not be discouraged and would nevertheless keep working. Fr. Paul expressed his hope that the violent reaction encourages other people to speak up rather than be frightened.

The Lorretta House Arson --- 1992

CHAPTICO --- This old Jesuit Mission house formerly housed Jesuit priests who served several parishes, including Our Lady of the Wayside, Sacred Heart and Holy Angels. After a number of years, the Jesuits left St. Mary's and the Our Lady parish leased the building to a group that housed youths with emotional problems. Several small arson fires preceded this one which ended up destroying the building by fire getting into the walls and telescoping up the exterior walls, making it very difficult for firefighters to battle the blaze. Mechanicsville was assisted by Leonardtown, Avenue, Hollywood, Bay District, Hughesville, Benedict and several other Charles County companies.

Zero tolerance of political terrorism

<http://www.alternattiva.org.mt/page.asp?n=newsdetails&i=7236>

In a press statement issued today Alternattiva Demokratika - The Green Party Chairperson Dr Harry Vassallo said that the perpetrators of the arson attacks on the Jesuit community in Birkirkara and on a private house in Pembroke must be brought to justice. "There is nothing more dangerous to a society than its submission to threats and assaults of the kind. It is not only the Jesuit community that has been attacked but all of society which witnesses these acts and is placed under threat," stressed Dr Vassallo . "Another arson attack on a private residence in Pembroke some days ago may also be linked to the latest incident," added Dr Vassallo.

'The indications of who may have caused the damage in both instances lie clearly in the opinions expressed by the victims who have publicly denounced racism and xenophobia and also in the fact that in both cases the offenders have not felt the need to claim responsibility for these acts of intimidation," Dr Vassallo said.

"This sort of bullying must be severely repressed, if necessary by the passing of special laws. The midnight arsonists, those who vandalise our national heritage and public monuments for their own stupid reasons, step outside the democratic process and pose a threat to the rights of freedom of expression of all Maltese citizens. This kind of violence whether for private or political reasons must be taken very seriously and every effort must be made to bring the offenders to justice," emphasized Dr Vassallo.

"The country's history of political violence should have made it clear to us all that we cannot afford to tolerate the slightest instance of this intimidation to which we are all exposed. A public and energetic response by the police force is absolutely necessary in order to deter any recurrence of these cowardly and despicable acts," Dr Vassallo added.

"Acts such as these make it more difficult for all citizens to express themselves freely, to stand for public office and to participate in public life. The damage done is not only to the seven cars of the Jesuit community nor to the Pembroke residence's front door but to each and every one of us. We must let the offenders know that they will not be allowed to get away with such acts of smallminded terrorism," Dr Vassallo said.

"It was a great mistake that some similar incidents in the recent past were allowed to fade from public notice also when the offenders were apprehended. In others political vandalism was tolerated and even pardoned. These mistakes must not be repeated by the authorities. There should be no appeasement of the intolerant, no easy forgiveness, no wishing that these acts of political violence will simply go away," Dr Vassallo said

"If the authorities fail once more to be firm with such offenders they become accomplices in all the consequences that may ensue, in any violent political response as well as in any political murder as we have had in the past. With our history still fresh in our minds none of us may plead ignorance as an excuse," Dr Vassallo added. "This is terrorism and not merely a chance act of vandalism and should be dealt with accordingly." Dr Vassallo concluded.

Dear Craig,

Amen and Amen!

The Order is finally being found out! Praise God!!!

**The Company is also forcefully race-mixing White Roman Catholic Ireland with
Black Nigerians and doing the same with historically White Roman Catholic**

Malta. White nations, both Catholic and Protestant, are being forcefully race-mixed so as to mongrelize these nations making them nations of color (a White and a Black make a Black). All nations of color are under abject Jesuit control (Africa, Central and South America) and do not have the racial/genetic ability to successfully resist the Black Pope's intellectually superior White Gentile divine righters, those damnable White Knights of Malta.

The greatest threat to the Jesuit Order is a White nation that reads the Reformation Bible, is led by true Biblical nationalists defending their race, language, historic culture and national boundries and is armed with personal firearms. Thus, the US is the last on the Counter-Reformation hit list---to be crushed by Bush's fascist military police state culminating in our coming Sino-Soviet-Moslem-Latino invasion at the end of this present US-led Roman Crusade against Islam.

Sincerely in Faith,

Brother Eric

CRAIG-OXLEY - May 4, 2007 03:08 PM (GMT)

Dear Eric,

Eventually all these bashers of the simply **Labor TALMUDIC Masonic Zionists will smell the coffee and see the **SOCIETY OF JESUS** and its **VATICAN** as the Supreme power upon this Earth right now.**

I'm totally against this race mixing and I too see that all these *Mulattos* will simply in the future create sterility or at least bad carriages leading to child death before birth. Can not the people see whats going on right in front of them? They call us Racist well yes I am and as you say, read the true definition of a Racist.

Why do these blinkered people not see whats happening right now. Its time to *destroy* all Cell Phone towers and mobiles. Its time to get our water from streams/ rivers/lakes without Fluoride or Filter it. Its time we boosted out health to combat the poisons. Its time we grew our own food once again. I believe we should all go back to the ways of old and be done with all this **SMOM Bird Cage system layed on to pulverise us without many of us knowing.**

The secret society 'Encylopedas**' has managed well since the *French Revolution* to give the impression of education whilst keeping us in the **SMOM** Bird Cage. Now its plain as day its not education. What with **Encylopedas** and the **Robert Mueller School** the education now is terrible. We have gone from being great powerful **sovereign** nations of INTELLIGENCE to almost a nation of morons who**

cannot spell, communicate or count. When will people see that we're simply being socially engineered *backwards* and funny enough to just as it was when the damn **Pope** had his mitts on the people? If they dumb us down as far as they would like they would not have to put on the show they have planned with *their genetic, phony* alien creatures being made in the *DUMBS* across the World right now. Any more dumbing down and the people will simply swap their religion for the new one-world religion courtesy of the **SYNTHETIC SOCIETY**.

I try to explain to people how easily black people are manipulated by the White race and some seem to see it. At the end of the day look at most of the leaders of these black nations and their all terrible, tyranic military dictators. When the blacks do realise, they get together to fight them but the Order simply places many infiltrators within and what happens? They split into factions fighting the hell out of one another whilst they simply have forgotten what it was all about in the meantime. I hear regular here, blacks moaning about slavery yet still falling for the White mans Bird Cage upon them. Mind you theres many blacks who do not mind the riches and luxury given to them by the **SMOM Knights of Malta** in order to socially engineer acceptance within our society. All these Will Smiths and so forth in the Movies. People need to remember its the **Sovereign Military Order of Malta** and its **Mafiosi** that really control *Druidic* Hollywood and the Media. Then we have these cretins such as *Prince Hall* Mason Jesse Jackson also a stooge for **FBI Division #5** along with that evil cretin Al Sharpton also tied to this devious **Defense Industrial Security Command** lead group. Now we've heard recently about Spike Lee also being affiliated with this group, now are we shocked? I think not.

Thankyou
Craig

Craig,

Great.

You are acting like a true English Protestant! I trust you have truly repented of your sin and believed the glorious gospel of Christ---the gospel that broke the temporal power of the Pope over England.

The Lord used Queen Elizabeth I, King James I, Oliver Cromwell and William of Orange III to birth the British Empire taking the gospel to the ends of the earth via the British shippers. Praise the Lord for their dear memories. You have the greatest history of any White Gentile nation in history. Keep contending as your labors are not in vain, Craig.

Sincerely in Faith,

Brother Eric

Dear Eric,

I do not see myself as having any sins because I do not follow the KJV1611 Bible or any Bible/Religion. I do respect what happened during the Reformation but I do see the **Rosicrusian influence and so forth. My friend the Queen and so forth still had the people wrapped up in yet another **Bird Cage** after the Pope. Yes it was less of a prison than previously but at the end of the day its still a prison. Whats worse is the People are in ore of what they see as **Venusian freedom** when infact its a covert prison without bars. In some cases this is worse. So yes we have what we have today which is more than before but alas its still a damn prison and to be honest one which I would truely love to depart from if I had the guts to remove myself that is.**

I see clearly **Rome as the enemy right now but not from a religious point of view but from a greedy manipulative prison point of view, the physical. Wether we agree that Catholicism itself isn't an enemy as its simply a religion wether **Babylonian** or not, the true normal Catholic isn't an enemy. Therefore its the covert **Saturnalian/Venusian** crowd behind it. To be free of a religion means you are truely free and wouldn't the creator(s) wish this? Are animals bound to religions or are they free? We are the only being set up in such a false illusional bird cage.**

One thing I ponder is that by when people call someone a sinner doesn't that aid the Catholicism way of thinking with their *Confession*?

To me what you term sinning would be hurting someone wether it be a human or an animal. Something of true badness like that. You cannot sin just because you do not follow the Bible of yet another Tyrant(s).

I'm almost truly free, can you say the same?

**Thankyou
Craig**

Don't forget that these bastards like to give self inflicted wounds to bring their agenda to pass. this may be a cause for much tighter security and armed men at Jesuit localities.

"There is nothing more dangerous to a society than its submission to threats and assaults" yada yada yada.

All this whining over a couple fires? They probably already own the insurance companies, so I can't imagine they're worried about getting compensated for their claim. Over here arson is a daily occurrence and seldom even makes news any more because it is like reporting car crashes and all manner of other regularly repeating tragedy that is so common place, it really does not constitute genuine news any more. Jesuits need to grow up a bit, learn how to suck it up just like most of us have long been conditioned to do, quit their moaning, and get on with it.

If I was not handicapped I would go down to San Francisco and burn down the Jesuit HQ where that one Jesuit guy lives I forget his name but he's on the unhived mind picture.

Title: JESUITS INFILTRATED PHILIPPINE GOVERNMENT AND

Description: *POLITICS* by Bobby G Limeta

CRAIG-OXLEY - May 5, 2007 10:41 PM (GMT)

Dear Sir Manolo (MLQ3) :

In a humble and polite manner, I've decided to write to you again via e-mail and cc : to your colleagues in journalism to express my opinions and freedom of speech guaranteed by our constitution. I'm really very alarmed to the extent of Jesuit infiltration in our government affairs and political systems as well as Jesuit infiltration of our Armed Forces.

As I've written at your website blog before, I will say again and again that President Gloria Macapagal-Arroyo was a Jesuit Temporal Co-Adjutoress, educated and trained by the Jesuits in Ateneo, Georgetown University (Edmund A. Walsh School Of Foreign Service) and received an honorary award at Fordham University. After the Jesuits secretly engineered the ouster of former president Joseph Estrada, they (Jesuits) installed PGMA into presidency. Fr. Intengan is PGMA spiritual adviser, like Fidel Castro / Fr. Armando Llorente, Benito Mussolini / Fr. Venturi, Napoleon Bonaparte / Fr. Emmanuel Abbe Sieyes, Daniel Ortega / Fr. Fernando Cardenal, Harry Truman / Fr. Edmund A. Walsh, King George III of England and the Jesuits at Stonyhurst.

The late Cardinal Sin who also trained by the Jesuits at Ateneo and Bishop Franco (the Papal Nuncio) led the oath taking into presidency of PGMA. The person who administered PGMA into presidential oath taking was former supreme court chief-justice Hilario Davide who is a Knight Of Columbus like chief-justice Earl Warren who was also a Knight Of Columbus (KOC). KOC was established by Jesuit Rev. Fr. George J. William in the Philippines. The KOC also boasted the 9 out of 15 supreme court justices are KOC. No doubt the impartiality of Hilario Davide. Congressman Chiz Escudero is one of the leading guy for the impeachment of Hilario Davide and PGMA. Chiz Escudero was also educated and trained by the Jesuits at Georgetown University.

Another blatant Jesuit Temporal Co-Adjutor is no other than Secretary Norberto Gonzales together with Fr. Romeo "Archie" Intengan both founded the PDSF political party. Imagine a Jesuit priest of the Catholic Church deeply involve in forming a political party. Both Gonzales and Intengan are advisors of PGMA and that both men are opponent of CPP-NPA/NDF led by Jomar Sison and Fr. Jalandoni. Gonzales was held inside the senate and gone into verbal war with senator Joker Arroyo who was also educated and trained by the Jesuits at Ateneo University. Joker Arroyo may perhaps knew or may not knew that Gonzales is a Jesuit temporal Co-Adjutor. Back to Fr. Intengan – Norberto Gonzales Vs. Jomar Sison / Fr. Jalandoni. Again, communism was created and perfected by the Jesuits started from the Reductions Of Paraguay, Jesuit trained Karl Marx inside the British Museum in 1848, Jesuit trained Lenin in Geneva, Switzerland and the Jesuits trained Joseph Stalin inside the Orthodox seminary in Tiflis, Georgia in Russia. The Jesuits ordered J.P. Morgan to build a ship Titanic later to be sunk deliberately to eliminate Astor, Guggenheim & Strauss (men against the creation of Federal Reserve Bank). So the Jesuits sunk the Titanic and after one year the Jesuits created the Federal Reserve Bank to finance communist revolution in Russia through Trotsky. I think Jomar Sison / Fr. Jalandoni should read world history.

Now, PGMA and Fr. Intengan secretly met in one of the Jesuit House in Loyola Heights to discuss PGMA's problem about HELLO GARCI ISSUE. Both Fr. Intengan and Gonzales did their best to maintain PGMA as president despite of impeachment procedure inside the house of representatives. Oooppps..... Loyola Heights ! Ignatius Loyola was the founder of the deadly Jesuit Order. Fr. Intengan wrote "

Ateneo study warns against impending social disorder
By Perseus Echeminada
The Philippine Star 12/11/2005

A study prepared by the Center for Strategic Studies of the Ateneo de Manila University for National Security Adviser Norberto Gonzales has warned of a "deepening social disorder, destitution and despair" if the political crisis hounding President Arroyo is not resolved soon.

In a 49-page report titled " AFP: Defender of the Nation, Guardian of Democracy and Servant of the People," Fr. Romeo Intengan, the Ateneo center's president, warned that the country is in the "grip of a political crisis largely because of chronic inability of the present political system to effectively address the economic and cultural problems of Philippine society that are the roots of the revolutionary situation that the country is in now."

Fr. Intengan and the Jesuits also infiltrating AFP (Military). No doubt, the Jesuit raised, trained and put into power Napoleon Bonaparte through Jesuit Fr. Emmanuel Abbe Sieyes. Father Intengan, question pls. What the Jesuits did against French Military Major Dreyfus "DREYFUS AFFAIR" ? Fr. Intengan why did the Jesuits created Liberation Theology led by Jesuit Fr. Fernando Cardenal that havoc the state of Nicaragua into civil war. And the Jesuits cohort Daniel Ortega – leader of the Sandinista Rebel and later assassinated president Anastacio Somoza who was a good friend of notorious Cardinal Francis Spellman of N.Y. who was also trained by the Jesuits at Fordham University. Cardinal Francis Spellman together with Gen. Westmoreland led the U.S. troops into Vietnam War sometimes called "Spelly's War". Going back to Nicaragua, communist Fidel Castro secretly supported Daniel Ortega's Sandinista Rebel overseen by Fidel Castro's military adviser Jesuit Fr. Armando Llorente.

This liberation theology will be the foundation of the Jesuit's inspired Human Right Activists and Amnesty International. Liberation Theology was being taught inside Ateneo University under curriculum 141 Immersion Program "WHAT!". This liberation theology was embraced by the late priest Conrado Balweg.

Also, Fr. Intengan my question please, why did the Jesuit master-minded GUNPOWDER PLOT, SPANISH ARMADA, JESUITS PLAN TO DESTROY GREAT BRITAIN and one of the most deepest history – THE SECRET OF THE ELDERS OF BOURG FONTAINE in France. That is why famous French scientist Blaise Pascal as Jansenist hated the Jesuits. Fr. Intengan, how about the Jesuits smuggled A-BOMB into Hiroshima, Japan and why did the Jesuits created – THE SECOND 30-YEARS WAR.

Statement of Fr. Romeo J. Intengan, S.J. regarding a Supposed

"Exit Plan" for President Macapagal – Arroyo
4 December 2005

This concerns the series of articles in The Manila Times from November 23 thru November 25, 2005, which claimed that National Security Adviser Norberto B. Gonzales and I had presented an exit plan for President Gloria Macapagal-Arroyo. Supposedly, the plan contains: (1) a description of the country's political condition being "a revolutionary situation aggravated by political crisis," (2) a proposal for the abolition of the Intelligence Service of the Armed Forces of the Philippines (ISAFP), and (3) conditions for the President's "stepping down." Major parts of the above mentioned articles were picked up by other news agencies and given very wide dissemination.

I absolutely deny having submitted or having taken part in preparing any "exit plan" for

the President. The so-called exit "conditions" are not of my making, if they exist at all. Most probably these are pure fabrications fed to media practitioners for purposes of political intrigue. There exist not only one, but two documents which I authored, that do contain, but separately, two of the points raised by the source of the reporter who wrote the Manila Times articles. The first document, the 50-page "The Armed Forces of the Philippines: Defender of the Nation, Guardian of Democracy, and Servant of the People," carries my assessment of the present national crisis which, indeed, I describe as a "revolutionary situation aggravated by a political crisis." It also exhorts the country's armed forces to partake in the tasks of radical reform, social revolution, and national unity.

The second document, the 24-page "Program Points for Addressing the Revolutionary Situation," does include the proposal to "(s)tudy the possibility of abolishing the ISAFP." This proposal, however, is but one (and not even a major one) of the many initial policies and measures comprising my proposed "revolutionary agenda." The entire agenda, which is comprehensive, is aimed at "renewing and strengthening the state," "rectify(ing) the main defects and dysfunctions of our political system," and "making our democracy an authentic one."

Both documents are published by the Center for Strategic Studies (CSS), the office of which is on the Loyola Heights campus of the Ateneo de Manila University. Both documents are endorsed by the National Security Adviser. Both are also widely-circulated. Neither constitutes or contains an "exit plan" for the President.

A story published in the November 24 issue of The Manila Times alleges that I submitted the plan to the President "at the Jesuit House in Quezon City." The last time the President was in one of the Jesuit houses in which I have resided or held office was in the year 2000.

I can only wonder if the source of the report regarding an "exit plan" thoroughly read the documents referred to above, or if they did so, what was their intention in distorting the significance of their contents. I am also amazed at that source's capacity for invention.

Signed :

Romeo J. Intengan, S.J.

The above are statements and signed by Fr. Intengan. Why are the Jesuits are so involve in politics and affair of the states. Clearly, PGMA is a Jesuit Temporal Co-Adjutoress. Another guy who is becoming a blatant Jesuit Temporal Co-Adjutor is DILG Secretary Ronaldo Puno of KAMPI. Secretary Puno was educated and trained by the Jesuits at Ateneo. Now, secretly attacking Mayor Binay where sometimes many Makati

people called Mayor Binay as Nog-Nog.

Fr. Intengan and Norberto Gonzales together with Jesuit Fr. Toti Olaguer was implicated as the master-mind of the Light-A-Fire-Movement as per accusation by Ed Olaguer. Famous singer now doctor Nonoy Zuniga who lost his leg will be shocked. The Jesuits also was in extreme opposition against the late Ferdinand E. Marcos regime. It's a mere side show, to create public chaos and confusion while hiding the real agenda for Marcos was very busy in looting Philippine Gold together with OSS Agent Col. Santa Romana who is a.k.a. Rev. Father Jose Antonio Diaz (Opus Dei). Jesuits against Marcos who was a Papal Knight Of Malta . If many of you are confuse what is Knights Of Malta , well, better go to Pope Pius XII Center in U.N. Avenue , Manila . Inside that center you'll find the branch of the Knight Of Malta . The present Grand Knight today is Andrew Bertie.

Speaking of first gentleman Miguel Arroyo "Mr. Jose Pidal" according to Senator Ping Lacson. Miguel Arroyo is a member of the Rotary Club. Rotary Club is one of the meeting place of Italian Illuminati-Freemasonry called P2 LODGE involved in the Vatican Bank Scandal and the collapse of Banco Ambrosiano in Italy. At the Rotary Club in New York you'll see Hugo Ballistieri – a P2 Lodge Member. Also, Archbishop Paul Marcinkus and Cardinal Jean Villot who are also members of the Italian P2 LODGE.

Our politicians, government officials and military personnel will fight a never ending political war and no more cooperation that will lead into collapse of our nation. Many reporters, investigative journalists, tv / radio announcers and to include government officials and politicians and also to include public sectors and religious leaders (except for one of the most controversial bible evangelist the Philippine have) . If they will not spotted the illusive Jesuits infiltrated government affairs and political systems, our country will not attain peace and functional government, effective and fair political systems. The Jesuits must be stopped so that peace will be attained again. I knew every inch of Jesuitism, Fr. Intengan and Norberto Gonzales being in power will soon hunt me to silence me. GOD is not yet finish with me and I pray they still unable to touch me as I have so many things to say Sir Manolo.

Between 1555 and 1931, the Society Of Jesus [i.e., the Jesuits] was EXPELLED from at least 83 countries, city states and cities, for engaging in political intrigue and subversive plots against the welfare of the State, according to the records of a Jesuit priest of repute..... practically every instance of expulsion was for political intrigue, political infiltration, political subversion and inciting to insurrection. " (1987)

Railing against Graham Greene's tendency to glamorize evil in the New Yorker in

1948, George Orwell wrote that Greene "appears to share the idea, which has been floating around ever since Baudelaire, that there is something rather distingue in being damned". Trying to persuade people otherwise is a thankless task. As anybody who has seen the recent Meryl Streep movie The Devil Wears Prada knows, Satan is back

in vogue.

It is unsurprising, then, that some of the Devil's sparkle has rubbed off in Western universities. The past two decades have witnessed an efflorescence of academic studies in witchcraft, demonology and the occult. Perhaps the volume of works about the Devil is appropriate: when Jesus met a man possessed by an evil spirit and asked the demon to reveal itself, it replied, "My name is Legion: for we are many".

In *Satan: A biography*, the American scholar and former **Jesuit Henry Ansgar Kelly** talks of "the unjustifiably bad press given to Satan over the centuries".

This is not a new idea -more than a hundred years ago, Samuel Butler jotted in his notebook, "An apology for the devil: it must be remembered that we have heard only one side of the case; God has written all the books". But Kelly's use of the word "unjustifiably" betrays his innate sympathy for his subject: he is of the Devil's party. In this succinct study, he adopts the role of Satan's unofficial spin doctor. The result is entertaining as well as rigorous.

He is writing in a robust tradition. In 1726, Daniel Defoe published his satirical work, *The Political History of the Devil*. In the introduction he wrote, "I seem inclin'd to speak favourably of Satan, to do him justice, and to write his story impartially". This deliberately reversed the beginning of *Paradise Lost*, where Milton famously sets out to "justify the ways of God to men".

(Milton subsequently receives a kicking in Defoe's work: "Mr Milton has indeed told us a great many merry things of the Devil"; "neither do I think that the great Milton, after all his fine Images and lofty Excursions upon the Subject (of solving the Difficulties of Satan's Affairs), has left it one jot clearer than he found it".) While he acknowledges their shared purpose, Kelly mentions Defoe only in passing -which is a shame, given the jovial mettle that animates *The Political History of the Devil*, as well as the theological teaser about Satan's nature as a rebel angel that Defoe pithily raises ("How came seeds of crime to rise in the Angelic Nature?").

Instead, Kelly focuses on Satan's appearances in the Old and New Testaments and early post-biblical Christian writings by, among others, Origen of Alexandria.

What could have been a crawling survey is in fact a lively and sane account that does much to rehabilitate Satan's reputation. Kelly's conclusions will surprise many. He begins with the bald statement that there is no devil in Genesis (the identification of the serpent with Satan came much later). He points out that the Hebrew word "satan" simply means "adversary": it is in this guise that Satan appears in the Old Testament, in Numbers, Job and Zechariah, where he is identified as one of the "sons of God" responsible for testing the devotion of mankind. In the Old Testament, Satan exists as

God's assistant rather than his enemy, in a role that Kelly calls "Celestial Prosecutor against Humanity". In short, he undertakes dirty work on the Lord's behalf.

In the New Testament, his role shifts, but not dramatically. Satan retains his job as a shady functionary of God, testing Jesus during his forty-day sojourn in the wilderness. After cajoling him to turn rocks into bread, the Devil shows Christ the entirety of the world, which he claims to control and which he offers to hand over in exchange for homage. Who gave the world's kingdoms to the Devil? "There is only one possible answer: God", argues Kelly. "In other words, we must assume that Satan is somehow God's Vicar-General on Earth." In the later books of the New Testament, Satan spends his time luring Christians away from their faith, fulfilling the same function as he did in Job. He is not yet the scintillating overlord of evil that dominates popular imagination today.

Most significantly, perhaps, Kelly debunks the notion of "a primeval Luciferian fall": in Revelation, Satan's demise is clearly set in the present or the future and the narrative foretells the end of his role as the accuser of mankind. Kelly also makes clear that there is no single figure of the Antichrist in the Bible, nor is there a rebellious Lucifer (rather, Lucifer, the Morning Star, is a positive image associated with Christ in Revelation).

It was not until the 220s ad, when Origen of Alexandria wrote his *De Principiis*, that Satan started to resemble the Devil we know. Origen twisted the meaning of Isaiah 14:12 ("How is Lucifer, who used to arise in the morning, fallen from Heaven!"), which referred to the King of Babylon, into an opaque reference to Satan.

Origen's notion of a rebel Lucifer, of a sinful Angel cast down from Heaven before the world was created, meant that Satan could have infiltrated Eden in the form of the serpent, thus being responsible for the fall of mankind. Kelly calls this Satan's "new biography". It is exactly the kind of "unfavourable media attention" he wishes to dispel.

Throughout, Kelly displays impressive control of his material, attuned to nuances in Hebrew, Greek and Latin. He makes a convincing case that the Satan of the Bible is a very different figure from the cloven-footed, sulphur-snorting Beelzebub that emerged in later centuries. It is fascinating to discover, for example, that Satan was not associated with Hell until hundreds of years after the death of Christ. While Kelly warns that we must not view the past through the lens of the present, however, he is guilty of some anachronistic comparisons of his own in his zeal to pep up his account. He compares the saints who battle with the Devil in the medieval classic *The Golden Legend* to "that great fictional Defense Attorney, Perry Mason: they always win". Later, Kelly facetiously refers to Satan as "the CEO of Evil, Inc". I warmed to this colloquial style, which seems to be pitched at an audience of students with short attention spans. But many readers

will not.

More fundamentally, Kelly has only written a partial biography of Satan. The treatment of Satan in the Bible is complex; the later sections of Kelly's book, which sketch Satan's after-lives over the past millennium, feel simplistic. The thirty-page survey of the Devil's representation in literature and the visual arts, for instance, is far too skimpy: an up-to-date history of Satan's relations with artists and writers is still crying out to be written.

Robert Lima's *Stages of Evil*, an account of playwrights' fascination with the supernatural from Euripides to Arthur Miller, is an example of how not to write about dramatic representations of Satan. "To my knowledge, no other critical study has ranged as widely in time or assessed so many works on the subject of occult thematics in Western theater and drama", Lima boasts. Sadly, the author has been unable to draw his ranging research together with any success: the book is a baggy mess. Lima touches on several loosely connected themes (Dionysus, the Harlequin figure of commedia dell'arte, the "Mouth of Hell" motif in medieval theatre, lycanthropy, witches on the English stage, Eugene O'Neill's *The Emperor Jones*). The analysis of each is workmanlike and plodding, prone to vaporous nonsense ("The masks of Harlequin are manifestations of the primal elements of human nature itself") and overlong synopses (a chapter on *The Crucible* barely moves beyond a retelling of the story).

David Brakke's *Demons and the Making of the Monk*, by contrast, is a very sharply focused study of spiritual combat between monks and demons in fourth- and early fifth-century Egypt. Satan takes a back seat in this story; Brakke concentrates instead on the emergence of the monastic project ("The monk is now such a familiar figure that it is difficult to remember that he did not always exist"), and examines how conflict with demons was essential to the formation of this freshly minted religious identity.

Brakke's dense, often abstract argument is written for the specialist, unlike Kelly's biography of Satan. The book comes to life, though, in the second half, which is devoted to analysis of the monks' graphic stories about their encounters with demons. The appearance of an Ethiopian demon, for example, in the *Lausiaca History*, a collection of tales about Christians in Egypt written by Palladius, Bishop of Helenopolis in Asia Minor, around 420, is a tantalizing glimpse into the psychological combat in which the monks were mired.

Palladius records meeting a monk called Pachon, who was attacked by a demon that visited him in the form of a sexy Ethiopian maiden (a forerunner, perhaps, of Coleridge's dulcimer-playing Abyssinian damsel). After trying to resist the demon's lap dance for twelve years, Pachon became so despondent that he attempted suicide by wandering naked into a hyenas' den. When the hyenas refused to kill him, but rather licked him all over, Pachon returned to his cell, only to be attacked by the demon "even more harshly than before". In despair, Pachon stumbled into the desert, where he picked up an asp and placed it on his genitals, hoping to die from the snakebite.

Although the asp refused to strike, the action seemed to do the job, for soon afterwards the demon stopped troubling him.

Brakke skilfully relates the appearance of black demons to the threat posed by the military power of the darker-skinned Ethiopian people to Egyptians at this time.

He also makes a sound case for reading such stories from a psychological point of view: the demons represent aspects of a monk's character (sexual desire, for example) that were deemed incompatible with an ascetic lifestyle.

Alain Boureau's *Satan the Heretic*, an excellent account of the swift development of Scholastic demonology during the thirteenth century, has a similarly sure grasp of anecdotal detail that enlivens potentially dusty arguments. In 1308, for instance, Guichard, Bishop of Troyes, followed the instructions of a demon he had invoked and created a wax figurine in the image of Queen Jeanne de Navarre, wife of Philip the Fair, whom he wanted dead. He baptized the figure in her name before stabbing it, an action that supposedly hastened the Queen's death. The incident exemplifies popular belief in the proximity of demons and recalls the famous story of Gregory the Great, also related by Boureau, about a nun who ate a lettuce leaf without making a precautionary sign of the cross over her food: she was immediately possessed by a demon hidden in the leaf.

It also exemplifies Boureau's argument that a sudden obsession with the Devil emerged between 1280 and 1330, after a period of several centuries during which "the Devil appeared to have been defeated or confined". Pope John XXII was so concerned by the sudden rash of demonic stories that in 1320 he consulted ten theologians to classify the invocation of demons as heresy. The repercussions of their decision resonated down the centuries, ultimately paving the way for the crazed persecution of sorcerers that began with the publication of the *Malleus Maleficarum* at the end of the fifteenth century.

Boureau's sharp analysis of the thirteenth-century "return of the Devil" is a reminder that for long periods Satan has slackened his hold over humanity. Over the past half-century, though, the Devil has rarely been out of fashion, and today he is no longer a figure of fear. Mick Jagger, following Bulgakov, pinpointed this shift when he sang about the Devil as "a man of wealth and taste". When Orwell sneered that Greene had reduced hell to "a sort of high-class nightclub", his analysis was absolutely on the money: nowadays, everyone wants an entree into the hottest club around.

CRAIG-OXLEY - May 4, 2007 11:19 PM (GMT)

Bro. Eric,

I noticed that when you spoke of the invasion into the US, you had added "Latino" onto the "Sino-Soviet-Moslem" description phrase. Could you explain the reason for adding that word, or has it always been there and I just overlooked it before?

I have added the word "Latino" to the term "Sino-Soviet-Moslem" future invaders as they are being used first as a "fifth column" and then secondly as a military force to unite with the Soviet/Chinese invaders. As the Order's Hollywood movie "Red Dawn" depicts Latino Cubans accompanying the Soviets in our invasion, even so it will be. During the Vietnam war, when our downed pilots were being tortured in the "Hanoi Hilton," there was an infamous scoundral there surnamed "the Cuban." He delighted in helping the North Vietnamese devise the cruelest of tortures that drove many of our men out of their minds. The historic power of the Jesuits in Vietnam and Cuba truly dovetailed in the Holy Office of the Inquisition in North Vietnamese POW camps.

Further, the Atzlan Movement driven by Mexican Jesuits calls for the giving up of the American Southwest to Mexico, as it was "stolen from Mexico" after the Mexican-American in 1848. Everyone forgets that General Winfred Scott was asked by the Mexican people to resign from the US Army and become the President of Mexico---but Scott refused.

Further, when the White, extreme right-wing, fascist roundups begin in the US and the Mexicans are driven into the US concentration camps to be mass-murdered by infuriated White camp guards, Mexico will be further incited to invade militarily accompanied by the Chinese.

Do you happen to have any inside information as to how Costa Rica fits into the Jesuit

plan? I will soon be addressing many pastors and church workers there and will be introducing much of your material. I want to apply the valuable information to Scripture and through five messages show how it will affect their ministries and how they can alert their people. Former Nobel Peace Prize winner and current president Oscar Arias is a Jimmy Carter double, and I know he is fitting right into the Jesuit program.

Costa Rica as you know is a disarmed nation. It invites invasion due to the glaring absence of an organized military. Costa Rica is also serving as a trap for American expatriates; many move down with their monies to enjoy the weather and bank privacy. Costa Rica sits between two violent Jesuit hotbeds---Columbia and Nicaragua. I say Columbia as many Columbians consider Panama to be part of their nation as it was cleverly taken by Teddy Roosevelt to enable the building of the Panama Canal in preparation for the beginning of the Second Thirty Years's War (1914-1945). Panama is now hosting Chinese soldiers and the locks are controlled by a huge Chinese company, Hutchinson Whampoa. Columbia also has a concordat with the Pope and is the heart of Rome's illegal drug trade via the Medellin Cartel overseen by the Bush family. Columbia is also the Black Pope's monopoly over the emerald trade. Ortega ruling Nicaragua is most assuredly a Roman Catholic Jesuit Temporal Coadjutor with the full backing of the Archbishop of New York. I have a picture of Ortega embracing Egan's predecessor, Cardinal O'Connor. Managua has a raging inquisitional torture center called "El Casa de Sequenta." A Baptist missionary told me about it a few years ago.

Remember that Jimmy Carter is a CFR member, a Trilateralist and a 33rd Degree Freemason. His masonic ties were confirmed by our brother and former 33rd Degree Freemason, Jim Shaw, who was later murdered. When he was inducted into the 33rd Degree in Washington, Shaw identified Carter as one of the men on the Supreme Council of the 33rd Degree---along with Billy Graham! Thus, the people of Costa Rica are going to be betrayed into a foreign occupation. Therefore, I would inform our brethren to someday expect the absense of American pastors in the country and that they must have indigenous churches ready to remove into the mountains as did our European brethren during the Pope's Dark Ages. All the American expatriates are going to be killed.

Do you know anything by way of the grapevine concerning Hugo Chavez's actions lately? I saw where he has pulled Venezuela out of the World Bank and IMF. I've spoken with Venezuelans and others who have visited there, and they say he is setting the people up for a true dictatorship.

Roman Catholic Hugo Chavez is a Jesuit of the finest cloth. Chavez and Bush work together. He is a tremendous agitator---a preacher of a crusade---and uses the crimes of the American CIA committed against the Latin Americans over the past 50 years to justify his policies. Chavez, like Jesuit-trained Castro, is a

fascist, most beloved of Rome and will further unite the Latinos against the US--- especially against the White Anglo Saxon Protestants, not the Black Muslims who play into his hands via the free oil palm leaf. Again, Roman fascism and Islam always work together.

I haven't seen much in the news about Daniel Ortega in Nicaragua, nor has Castro made it on the scene. How do the Jesuits and their control of the drug industry fit in to the situation in Columbia?

The Black Pope's international drug trade finances the Order's International Intelligence Community composed of all intelligence agencies (including the Pakistani ISI backing Al Qaeda) wedded at the top via the Knights of Malta. The Order's International Banking Community launders all the trillions of dollars. DCI William Casey said himself that he sought to have an international intelligence community not beholden to Congress. Casey also admitted that he participated in the drug trade to "fight communism" thus proving that the CIA has been distributing drugs into the major US cities via the Roman Catholic Sicilian Mafia (SMOM/Mafiosi/Army Colonel Albert Vincent Carone) for the last 55 years. Columbia and Cuba are key stepping stones in the distribution of the drugs within the US as the Order is carrying out the destruction of the American population via its war on "heretic and liberal" North America. The DEA merely keeps out any other drug traders that would interfere with the Black Pope's monopoly run by his CIA/Mafia.

I had read also that George Bush had acquired one hundred thousand acres of property in Paraguay. Is there anything significant about that?

Yes. The Bush crime family fully intends to exit the North American Union (Canada/US/Mexico) when the final invasion begins. The Jesuit haven of Paraguay is a fine choice for such faithful Jesuit Temporal Coadjutors. Paraguay was the chief haven for such ex-Nazis as Martin Bormann and Josef Mengele--- two more accomplished Jesuit inquisitors.

Also, what's your opinion of Pam Shuppert (I think that's correct)? I can't remember exactly how to spell her last name. She is supposed to have a new radio program on the American Voice starting on Tuesday. I heard part of her interview with Gianni Hayes when she was on her show a couple of weeks back. She revealed some startling material. I just wanted to get your opinion of her.

Pam Schuffert comes from a military background and is telling the truth about the coming Inquisition. Keep in mind that she is a Pentecostal and thus differs from us in doctrine, but I believe she knows the Lord and is most honest about these "temporal" topics. I talked with her for over an hour last week.

Appreciate your input.

Title: The Vatican Blesses The Crime: The Case Of Enrico

Description: *De Pedis.*

Avles - May 4, 2007 05:08 PM (GMT)

The Vatican blesses the Crime: the case of Enrico De Pedis.

(I read that post. Europe is adopting the Canonical Law principles. This is a great danger, a death danger. It is the open door to the Medieval world of the Vatican. Below you'll read something about the blessing for the Crime the Roman Catholic Church every day is doing. I often use the term 'Canonical Law vs Common Law' in a general way, just to underline the war of the Vatican against the Republican state, against the State of Rights, the Freedom, in order to impose the Feudal Laws of the New World Order).

The principles of Catholicism are based on the denial of the rights of men. In the Feudal Middle Age you had not something like a 'right' which belonged to you 'naturally' and 'from the birth to death'.

You were a simple TOOL of your master. This is the goal of RC church and Jesuits. Kommunism and Nazifascism were only a disguised forms for the realization of this plan, the return to middle age. Just look in America where the Catholics are the majority, the criminality rate is higher. And if in Austria and Slovenia for example, this doesn't value, is because Austria and Slovenia haven't the duty to produce a flux of emigration from a Canonical Law, Mafia ruled and criminal society which have to colonize other parts of the world. South Italy is always kept in a criminal state because with the emigration it will export the criminality, the deny of the excommunicated State of Right. If you are a German, Austrian, Slovene, stay quite, before or later you'll be colonized by them, will you or not, and even if you are just a Catholic. In your country, doesn't matter "how proud are you of it", aren't you the one who has the last world, Rome is. Because for them to be only "formal Catholic" is not sufficient, you must be a "Catholic sheep".

So criminality denies the State of Rights, and everyone who denies it is BLESSED. This is the reason for which the Vatican have buried in a Basilica in his territory a criminal, Enrico de Pedis.

THE HISTORY OF THE BURIAL OF ENRICO DE PEDIS.

<http://www.chilhavisto.rai.it/Clv/misteri/...PedisEnrico.htm>

In the Italian TV program on Third Public Channel there's ".....a program which talk about disappeared people; the program received an anonymous phone call referred to the case of Emanuela Orlandi, the daughter of a Vatican functionary who disappeared more than twenty years ago in circumstances linked to the attempt to the Woytila life by Ali Agca: "Regard to Emanuela Orlandi, to find the solution of the case, go and see who is buried in the crypt of the Basilica St. Appollinare, and look about the favour which Renatino did to Cardina Poletti, at the times..."

After this signalling, the redactors of the program discovered important documents. In the centre of Rome, near Piazza Navona, there's the Basilica of Saint Appollinare, In the Crypt, where are the corpse of popes, Cardinals and Christian Martyrs, effectively there's the tomb of Enrico de Pedis, named Renatino, one of the most powerful leaders of the gang of the Maglian, killed the 2 Feb. 1990. The 6 march sequent, the rector of the basilica, mons. Piero Vergari, certified with a letter the status of De Pedis, the status of "great benefactor" (my note, I repeat: "GREAT BENEFACTOR"):

"Here is certified that Mister Enrico De Pedis, born in Rome – Trastevere the 15May1954 and dead in Rome the 2Feb1990, was a great benefactor for the poors who frequent the basilica and helped concretely to many good initiatives which have been sponsored in the last years, religious and social ones. Has given particular contributes to help young people, interesting himself especially regard to their Christian and Human formation".

...."

Blessing a criminal, blessing the crime and excommunicating so the State of Right. There aren't other explanations.

Who was Enrico de Pedis? To answer who was you must answer to the question: what is the "banda of Magliana"?

The Gang of Magliana is a criminal gang of Rome which is the expression of the P2, Gelli, Intelligence Services, Mafia, Vatican, Freemasonry and so on. The Gang of Magliana was involved in the "black terrorism", in the murder of the journalist Mimo Pecorelli, in the kidnapping of Aldo Moro, and many other criminal activities. But it is a very important organization, in the world capital not everyone could practise a criminal activity without the permission of the Master in Command:

Interesting what said about that the famous Public Minister Domenico Sica, who was 'decorated' with the authority of the "High Commissary for the Fight Against the Mafia". Surely a honourable office, in fact he was assigned as high commissary after he, in the '89, did some strange declarations. Did he realize something and they closed his mouth with that appointment?

<http://www.rifondazione-cinecitta.org/banda-magliana.html>

"...I believe that exists an organization composed by a few men who are able to blackmail many persons (note of Avles: don't you feel a 'buzzing' in the ears? Secret Instructions...). They are more powerful than secret and security services (again the buzzing...). From ten, fifteen years it works in Italy a real agency, composed by a limited number of people able to manage the big organizations of the crime world, an agency rich of information elements with whom can influence on different ambient at every level...."

"... The prefect remembered that was just what he defined as 'Crime Agency' the one which supplied documents with the same stamp, stolen by the same post office, to the mafioso Pippo Calò, to a Red Brigade terrorist and to a guerrilla member of the OLP. A structure which is similar too much to the one of the 'Noto Servizio' or of the 'Anello'mysterious organizations encountered in the massacre of Brescia and during the Moro kidnapping, or to the mysterious structure about whom the anonymous source of SISMI (Italian Intelligence of that time) referred to the Craxi (head of Socialist Party of Italy and prime minister), whose agents seemed in contact with a superior central, inside the one more languages were spoken, just as the 'uncomfortable' general Delfino Francesco. At the top of this agency it seems to be hidden a big puppet showman (note of Avles: Hans Peter Kolvenbach? The Italian provincial Francesco Tata or predecessors?) able to manipulate terrorist organizations of different colours, but also the organization which leads to the Mafia. From the MAR of Fumagalli (extreme right eversion) to the Red Brigades of Mario Moretti, from the Sicilian Mafia of Pippo Calò to the Camorra of Cutolo, then 'adjusted trials, rigged expert judgements, passports to fugitives, false stamps for falsification of documents, airplanes of the secret services, weapon and ammunitions for every purpose...."

"...what was the nature of this strange and powerful organization? In doing the disconcerting declarations, Sica has not stated precisely that, but in his later years in the Roman Procure he worked with numerous inquires which in a way or in the other way, no matter if related to Senzani's Red Brigades or to some homicides occurred in the Roman criminal organizations, led straight forward to the sort of Italian Spectre whose operative arm was the Banda della Magliana gang, the mysterious gang of the capital become powerful between the end of the '70ies and the beginning of the '80ies...."

And which is the “mysterious” organization, the strange powerful “agency of crimes” which rules the Banda della Magliana? Simple, is the one which awarded his leader Enrico De Pedis for his services treating him like a ‘saint’ after his death. The organization is the Vatican and the Jesuits.

The burial of the Enrico De Pedis, is not a simple “thank you, criminals, for the work to support our holy mission!”. It has the true taste of the reparation or restoration of something. Better: is an assurance.

<http://www.agrigentonotizie.it/notizie/leggi/3046.html>

“...He destroyed the silence wall. But moreover, he had the honour to put the Sicilian Church in the first line against the Mafia. The Cardinal Salvatore Pappalardo, 88 years, died yesterday in Palermo, has been an undisputed protagonist of our time., courageous interpreter, in Sicily , of the Vatican Council II. A Church, till that moment, presided by ‘don Abbondi’ (note of Avles: particular fiction figure of a coward kind of priest, always accommodating with the power; don Abbondio is present in the A. Manzoni “Promessi Sposi” romance of early ‘800) who were denying the existence of the Mafia. It is owed to him (Card Pappalardo) the new dimension of the Church against the Mafia. He was the man who pronounced, in the 1978, the excommunication to the Mafia bosses, recovering light years respect his predecessors who limited themselves to an excommunication of the simple criminals. Among, a series of documents, appeals, preaches. The most famous is the one of Cardinale Pappalardo, in occasion of the funerals of the general Alberto Dalla Chiesa, of his wife and of the agent who tried to defend him, massacred at the evening of 27 Sept. 1982. ‘While in Rome you are speaking, Sagunto is overcame’, said Card. Pappalardo quoting Tito Livio, but assigning the phrase to Sallustio, making an error as he himself recognized later, smiling. Palermo is Sagunto. Words of flames which remained impressed in the memory....”

“... He was near John Paul II in the May '93 when in the Temple Valley (Agrigento – Sicily) the pope launched the anathema against the Mafiosi, “convert yourself, a day will come the Universal Judgement of God!”. And was him who celebrated the funerals of Father Pino Puglisi killed with a shoot-gun at the heads by the Mafiosi of Brancaccio, promoter of the event which saw in the capital city of the provincial the delegates of all the Italian churches, in the '95. Always in the first fron line....”

Obviously only a farce and a parish theatre adapt to bigot saint adorer population. It is clear that Cardinal Pappalardo, when blames and excommunicates the Mafia, is less credible than Bush, when the latter blames and excommunicates his friend Osama. You must be really a very stupid and ignorant person, to believe to the words of a Satan’s servants like the pope and his cardinal Pappalardo. The Mafia IS the Church, and for an excommunication thereare dozens, hundreds of mafia-like signals launched to the society which say: “The excommunication is only a farce, you, Mafia, stay sure,

you are always the one blessed by us, the Vatican!”.

And the most powerful, unquestionable, indisputable and holy sign was the burial of the criminal Enrico De Pedis in the Vatican.

In fact in the late '70ies and early '80ies the situation was unsustainable. Everyday murders and murders and murders by the Mafia and Camorra. The Italian general, Dalla Chiesa, probably a sincere man in the intentions to fight the Mafia (a part other inclinations) was brutally murdered. To the Italians were clear that there was a power who was over the legitime power of the Republic. The people saw how the Mafiosi were near the Church, were friends of bishops, priests, were real, strong, bigot Catholic, saints/pagan idols adhorer.

So began the murders of some Catholic priests. “Victimization”. It could work in this way: choose the more honest and bright of your servants, instigate them to fight the Mafia. Then the Mafia kills 'em and you gain so:

- 1) the good image in front of the Catholic sheep who will see the Catholic Church as a “victim” in his “fight against the excommunicated Mafia”.
- 2) You'll have wiped away a poor idiot fool priest, cleaning so your servant's army of the elements who are dangerous, keeping safe only the most lackies, bastards priests, who sold entirely their soul to the Antichrist in Rome.

Is the Catholic Church which invented the “ecological recycling”! Don't you see here it? All is recycled, the 'idiot honest in-order-to-be-eliminated' priests too!!!!

So something have to be done: a clear politic of image, finely carried out by Cardinal Pappalardo and other (with the help of the'recycled' blood of don Puglisi etc.).

But it wasn't enough, it has to be started a continuous bombing of the society with a fake-fight against the Mafia, criminality, drugs and so one, with the use of some priests who every day appear on the TV and the media in general.

There are three of this soldiers of the Vatican, who you can really term them with the term “special priest corp for psychological operation”.

I begin with the poor Bongiovanni, who is used to cover the 'alternative area'. In fact Bongiovanni, who has the "marks of Christ", is active also on the side of UFO, he is contacted by Alien “who have messages for him and the humanity”. He is also in contact with functionaries of former KGB who gave him information and pictures of UFOs on Soviet bases.... And obviously he is active against the Mafia with a magazine, “antiMafia”. Maybe he could be in good faith.... But the Vatican really hopes to find other millions of people in good faith but without the brain like him!!!!!!

Also for you English-speaking, in case you conserve yet a little intelligence, look, here's the dustbin where you can throw it!

<http://www.giorgiobongiovanni.it/engl/index.htm>

In Italian:

<http://www.giorgiobongiovanni.it/index.htm>

And if you want to know the last dispositions given' to the Earth population by Supreme Space Commander Ashtar Sheran and his trustful collaborators SETUN SHENAR and ITHACAR, surely true supporter of the fight of Bongiovanni against Cosa Nostra, Camorra and Mafia, ok guys, just give a look in the Bongiovanni's site and all your Holy Thirst of True will be immediately satisfied!

http://www.giorgiobongiovanni.it/ita/ultim...06apr2007_15-15

"...Ashtar Sheran, commandant Archangel Michael, from spaceship Sha, communicates:

Our brother, messenger of Christ!

To you Giorgio Bongiovanni our angelic and brotherly consolation. Our sincere love. The passion of Christ on the crux is embracing you and immerses you in the suffer and in the desperate cry of a love without border, of a desire to see the men happy, in peace and fraternity.

The mirror of the Master Jesus Christ you reflect for the entire humanity and for the people who live in the no-border universe, where the love moves the worlds and the stars.

Our Love!..."

What said Primoz Trubar? ".But demons, which assume the image of angels, goddess virgin Mary and saints and appear to ignorant popes, bishops, parishes and monks....,". I think that Bongiovanni is often used to spread some information in order to rule better the Mafia organizations. He don't realize it, maybe he's too much busy with the Space Commander.

Ok, let's salute our friend Ashtar and return home, to land on the reality and see the second agent of the Vatican who works with the media, don Mazzi.

He is the leader of a community which treats people with drug problem. You can see also here the application of the method of the 'recycling': the heroin, which destroys lives, then supplies a monstrous input of opportunities to manipulate the minds for the same organization (the Vatican) which is the true promoter of the Drug-Culture, starting from the 'culture of the wine', passing to the 'trade of opium' dealt by Jesuits in the French Viet-Nam, to arrive to the 'heroin trade' of today Canonical Law Mafia. The opportunity doesn't consist in the few heroin dependants who are brainwashed, they are only a alibi. The opportunities is exploited by the continue presence of the Catholic Managers of the "Drug Health Centers" in the crucial knots of society, who are an obsessive presence everywhere, in every cultural episode, where they represent a Catholic and Jesuitical tentacle which brainwashes the minds.

You can see don Mazzi nearly every day on TV programs:

<http://www.sorrisonline.com/sorrisonline/diretta/art023001015084.jsp>

“....Don Mazzi and Gabbana, here are the opinion maker of Isola 2,” The priest of Verona, and the stylist (note of Avles. Yes, the boyfriend of Dolce! So, please, tell me now: ho spreads the homosexuality-fashion in the society?) and, maybe, Biscardi. They will commentate in studio the adventures of the shipwrecked persons. Meanwhile has been notified the new regulation. Surprise: it will be harder than the one of the last years....”

Don Mazzi, the special Agent for Vatican Media Psychological operations, is an opinion maker in some programs, like the ones “Big Brother” style. No wonder, if you want to spread the Antichristic double tongue Catholic moral, you need a public of the lowest moral, ethical and spiritual level. Because they are fitted to the brainwash. Note only the city of don Mazzi: Verona. Where the infamous Treaty of the 22 October was signed..... Coincidence?

The last agent is the best, don Ciotti. He is president of a Health Community for heroin dependent people. He is president of Libera, an association of 1200 associations, groups, schools, communities etc. which are involved in a anti Mafia activity.... In other words Libera is the supreme control of the Commander in Chief of all the Mafia and Criminality, the Pope, in order to render harmless the activity of the layer of Italian society which is against the Mafia.

<http://www.libera.it/index.asp?idmenuliv2=23>

The net constituted by Libera is really speaking a net of Vatican spies who infiltrates all the organizations with the same soldiers of the organization which, for his basilar principles, has blessed the Mafia. Priests, monks, nuns and bishops can be informed at instant time of every opinion, every action, every purpose which finds itself in the mind of the un-aware sheep who works with the organization of Libera. It is itself a Mafia organization, because if you want to survive in front of the Mafia, you must adhere to it. In other words you must submit to the control of the same Masters of the Mafia. Isn't a nightmare? Is a fortune that the 99,999999% of members is in a cerebral coma, and don't realize it, the pain from disillusion could be fatal.

Libera is an arm of the same Mafia and works so with the same principles: I cause to you a danger, a threat, so you can avoid it submitting to me. The Vatican Mafia causes dangers, death, pain, fears and threats to the people with the Mafia. But the Vatican offers to you the only alternative to escape to itby the submission to the same Vatican net!!!!

The real question is: knows Ciotti who is Enrico De Pedis and why he was been buried in Vatican in a Church among popes and Cardinals? Knows don Ciotti that his Catholic

Masters are blessing with that rite the Mafia he is 'fighting'?

It is clear that he knows very well the real situation. He is a Mafioso too, it is impossible he was un-aware. The Vatican can't put on the head of a Spy-System like Libera a man who is in good faith and don't know "where he find himself". A 'good faith' man is dangerous, because his idealism, his brightness could lead him, before or later, to discover the truth....

So act the Vatican in Italy, and in foreign lands is not too much different, because Italy is the model to whom the other part of the world should adhere.

As you can see the Vatican and his Jesuit Board of Directors is no more nor less similar to a global totalitarian mega corporation. It works every aspect of the human life on every hidden corner of this planet, directly or using his subsidiaries (freemasonry, intelligence etc.). It manages every part of the 'production process' which creates the society.

1) With the spectacular excommunication of the Mafia they grant the trust of their Catholic, ignorant and submitted herd and so they can COVER THEIR BACK TO AVOID THE SUSPECTS.

2) With the burial of a Mafioso they assure the Mafia, their preferred police force and army, that they are and ever will be the blessed Army of the Vatican which rules the Italian society in the name of the holy Medieval Canonical Law, and to assure them that the excommunication was only: a FARCE.

3) With the various priests who appear in the media, particularly the TV, the Vatican Regime continues his suffocating propaganda to the population, showing some priests victims of the mafia in the past (conveniently killed), and some other ones which "actively fight" Mafia and drug dealers, but are only an effective disguise for his Evil actions

In Italy the Vatikommunist Corporation/Dictature created the Mafia as his more trustful police force and army which imposes to the society the effective CANONICAL law. The rest of the 'constitutionally' police forces (Carabinieri, State Police, etc,) are submitted to the Mafia and even if it appears that the "police fights and arrests many mafiosi", this is only a farce made in order to make appear the opposite of the reality. The exception: the Carabinieri, a military – i.e. anti-democratic – police force is the preferred by the Vatican Regime, just look their uniforms and how they get financial funds, always more money than the "republican" Polizia di Stato which often lacks of cars and logistics, this is to make 'em angry and easily captured by another Canonic-law-based ideology, the fascist ideology which counts many adherents in the Republican State Police; it is obvious to say that many policeman in Carabinieri and Polizia di Stato and so on are honest and devoted to the Republican and Democratic principles, but they must remain in silence, they don't make the 'statistic', what matters is the global VATICAN control on these police corps.

It is obvious that in the society the Mafia is kept higher than the normal police forces. Why? Because with this difference the Roman Catholic Church expresses all his scorn and hate to the Common law, to the Republican State, to the State of Right and to the Freedom of Speech, which should be defended by 'consitutional' police. This is the reason for which the constitutional police forces NEVER reach the goal to beat the Mafia and the crimes, because the Mafia and the crimes are BLESSED by the Roman Catholic Church.

A crime is a kick in the face of the State of Rights; the State of Rights affirms that you are born with some rights which no one can or could move away from you, but the Catholic Canon Law is the essence of the Medieval world, where you had NO rights at all! You must only pray on your knees to gain something, and this is the condition where the Italian society finds itself more and more every day, you are not sure of any of your rights,if something happens to you, in every moment you could be trampled! And are not the Aliens the responsible!

In Italy you must pay very attention to what you say, because here's what I call the Vatikommunist Regime: spies, informators, delators in every aspect of the daily life. Don't you like the Catholic oriented trade unions where are plenty of Church's informators? You go with the former communists or leftist trade unions, but there, your colleague who works with the trade union, it could be a delator, even if he doesn't realize it. He could speak about your opinion to his superior who could be a friend of a well introduced Masson brother.... And when the directors of your department should decide about the treatment or transfer of the working personal, he, who is a habitu e of the same circles frequented by the friend of the local trade union directors, will do his best to grant you the worst treatment possible.... Do you think you could explain all this to the trade union delegate? Impossible, they are totally brainwashed, if they are communists they can't believe they are submitted to an ideology (Marxism) created by freemasonry and Jesuits in order to melt their brain.

The only solution for the Italy Vatican Mafia? A good old preach of Luther, and two/three campaigns of the New Model Army of Cromwell.

Best regards from a North Adriatic secessionist from Rome

every disgrace, to build them churches, donation offer, all that God, angels and saints severely forbid.

But demons, which assume the image of angels, goddess virgin Mary and saints and appear to ignorant popes, bishops, parishes and monks, to old witches and to the prostitute of the parishes and of the monks, impose them to be bigot, to torment themselves, to fall to the ground,... and to all these people the demons announce that now on this, now on a different mountain, on the field, or in the forest, churches have to be built, in order to bring there donations and to celebrate masses, in order to bring there wealth from everywhere, and every kind of cattle; and if they don't do that, the goddess Mary and the saints will destroy with lightning all the corn-fields and the vineyards and will kill them with the plague."

Title: Harsh TRUTHFUL comments about ROMAN England
Description: *time for the JESUITS to PAY -Craig Oxley*

CRAIG-OXLEY - May 4, 2007 01:55 AM (GMT)

*My friends now you can see the Jesuits, Roman Catholicising all their enemy Protestant nations whilst sucking up their Romanised weakened so-called Protestant Church back into the fold. These immigrants are the lowest of the low with no manners, common sense, communication skills, cares for others and unclean. I live amongst this sh** pouring through this City daily. I see how they act and live. Its certainly not pleasant, they are no better than animals, infact thats putting animals down. I feed the local Swans and they just come close and wait with manners patiently for food. These immigrants are crazy! Infact I know of two quality families in one street so plagued by their new Kosovo neighbours that they are both moving, one is a white family and the other Black. The noise from their animal instinct children is incredible and they have no cares for anyone. Their breeding at alarming rates as the Catholics want until they've got their NWO of course. This country of England is a bag of crap now, to think how great this nation once was with manners, common sense, Intelligence, good communication and so forth. Its all gone now. Try using public transport and its vile, its like hell cueing for a Bus, whats CUEING??? These people come into the country get big 4 bedroom houses due to all their KIDS (I dont class them as children, **THEY AREN'T AS WORTHY AS A GOAT**). People born here cannot get these houses and get off the council estates but these buggers come in and wham. Theres far more crime since these Catholic thieves have come in. One Town by me their shopping centre is loaded with pickpockets and muggings in plain day at the cash points, stores and markets. **ITS A NIGHTMARE! ENGLAND IS DEAD!** Whos to blame? **STONYHURST COLLEGE** and its wannabe subversive chronies such as **SMOM Tony Blair, John Reid and Prescott gits. DEATH TO THESE CRETINS, DEATH TO THE JESUIT ORDER, DEATH TO THE DAMN POPE!** Michael Holman SJ you damn cretin if I had my way I would get the public to string you up whilst we torture you slowly somehow prolonging your devilish life to punish your traitorous JESUIT ass. **TO ALL THOSE FOLKS WHO'VE BEEN BURNING THE JESUIT HAUNTS *KEEP IT UP* I COMMEND YOU***

HIGHLY. YOU KNOW WHAT THOUGH? PLEASE GUYS DO IT WHEN THESE JESUITS ARE IN THE BUILDINGS, CARS AND ON THE BIKES THIS TIME. -2tuff

Revealed: Immigrants swell populations of British towns by 10pc

CRAIG-OXLEY - May 4, 2007 03:33 PM (GMT)

Thanks Eric, also for circulating the item on King James.

You are right. This is particularly serious.

Alarminglly, attention in Britain is focussed elsewhere, even if with good reason.

Many folk are rightly concerned about the loss of British identity through 'multiculturalism,' e.g elevating heathen religions and customs above Britain's traditionally biblical Judeo-Christian background, e.g. churches are closing and mosques are opening, and many church clergy are apostate.

Many folk are also rightly concerned about loss of jobs through unrestricted immigration, especially from eastern and southern Europe, as cheap imported labour.

Many are rightly concerned about the Muslim menace, especially after the 7/7 bombings and the forestalling of other Muslim terrorist plots, including more intended suicide bombers who meant to wreak havoc on 21/7/05 but were foiled, by the mercy of God. But 1000s of trained Muslim terrorists or jihadists are at large in Britain, owing to 'multiculturalism' and unrestricted immigration..

Many ordinary folk are also rightly concerned about all the escalating social evils; marriage breakdown, illegitimacy, abysmal education standards, organised crime, e.g. Jamaican 'Yardie' drug gangs, Muslim paedophile 'grooming' gangs, and violent crime - not entirely but disproportionately inflicted by ethnic minorities on the host white Briton population. A non-white or white foreigner in this country is 70 times more likely to kill a white Briton than the reverse, according to figures I have been assessing since January 2005.

But frightful as all of the above is, I feel it is essentially diversionary. Whether or not the SJ is responsible, I don't know (I am sure they are in part) but it all suits their purposes admirably.

Because what you have highlighted below is what is most important for Britain. Rome is quietly working finally to destroy Britain as a nation, while the attention of concerned individuals (many others of course are mesmerised by sport, the

media, 'building and planting' and the summer vacation etc. with no clue about the burgeoning danger to their country) is diverted towards the evils listed above.

As threatening as they are, they not the main issue. Much of the Vatican subversion is of course from the EU and has always been, with little or no awareness of the EU menace having been raised.

A useful parallell article is to be found here, <http://eutruth.org.uk/#Queen>. Also, scroll down to The Westminster News and check the December 2006 issue.

Britain's final destruction as a sovereign independent nation is set for May 2009. Without the Lord's intervention, the Jesuit schedule must be right on target. In his book Vigilance, A Defence of British Liberty, p 126ff, British researcher Ashley Mote reviews Vatican strategy and concludes that "For the Roman Catholic Church, Britain is unfinished business stretching back 500 years."

Rome does not forgive or forget and she intends to finish that outstanding business.

We must also be VERY close to the time of Jacob's trouble, Jeremiah 30:7.

Yours in the Lord Jesus Christ, 2 Chronicles 14:11

Dear Eric,

Although Alan has some good points we must realise that another big threat is from the **Catholic** influx as highlighted in the article below:

Huge influx of migrants could make Catholicism, main religion in Britain

Title: Canon Law to replace Common Law & Magna Carta

CRAIG-OXLEY - May 3, 2007 10:09 PM (GMT)

EU: (1) Destroying our ancient freedoms and eliminating our Common Law

The European Union
Professor Arthur Noble

<http://www.ianpaisley.org/article.asp?ArtKey=eu1>

The Stratagem

On April 13 the European Parliament voted to consider the introduction of Corpus Juris ['body of law'], a plan to establish a common judicial system throughout the European Union. This proposal was craftily dismissed by Euro-Federalists last December as a scare story, but it now stands clearly exposed as part of a concentrated drive towards political unification.

Corpus Juris has emerged from its original disguise as an instrument for combating EU fraud and has now been uncovered as a further building-block in the construction of a European Superstate. Commission President designate Romano Prodi has described it as part of his intention "to create a single European economy and promote full political union" [emphasis ours].

The Implications

The motion passed in Strasbourg called for "the gradual establishment of a European criminal law system" and proposed that EU law should be "harmonised".

Such harmonisation will inevitably mean the adoption of the European inquisitorial model to replace the trial by jury system that applies in the United Kingdom. This will

seriously undermine the principle of presumption of innocence. Plainly speaking, it means that an accused person will no longer be treated as innocent before being proven guilty, but that the onus will now be on anyone accused of a crime to prove his or her innocence.

Inquisitorial Structure

Under Corpus Juris there is to be a European Public Prosecutor (EPP), similar to the Prosecuting Magistrate of the Continental model, to work "in parallel" with prosecuting chiefs in member States. In time, the EPP will acquire responsibility for initiating prosecutions and bringing court proceedings.

The European Superstate will be empowered to initiate criminal proceedings against British citizens for any reason whatsoever under a system which will bypass British law altogether, in practice placing on British citizens the burden of proof of their innocence without recourse to the system of British justice.

British Law rendered powerless

A designated prosecutor from each member country is to be attached to the Office of the EPP, but the Office will be independent of national authorities and judicial control will be exercised by a "Judge for Freedoms".

Even worse, the EPP may "request" the draconian measure of detention without trial for up to six months, renewable for three months at a time, with no maximum limit. Detention across borders will be permitted and arrest warrants valid across the EU, and there is to be a federal European police force, unaccountable to national governments, to enforce the new pan-European criminal law.

Destruction of the Magna Carta

The basis of our British law reverts to the Magna Carta of 1215, which was the origin of our Common Law system of Habeas Corpus. The Great Charter not only guaranteed the freedom of the English Church from Rome, but established the principles of 'trial by jury', 'due process of the law', 'innocent until proven guilty' and 'liberty and freedom of the subject'.

In the Federal European Superstate, professional judges, not jurors, are now to decide questions of guilt under the Continental Napoleonic system and suspects will be detained without right of Habeas Corpus during investigations. Effectively, this means the replacement of British Common Law by Continental Canon Law which was never before introduced into or legal system.

Last chance to defeat a criminal Proposal

The Nazis unsuccessfully tried to steal the Magna Carta manuscript in order to destroy it and demoralise the British Nation. The Daily Telegraph of November 30, 1998, has warned that the European Federalists are now trying to rewrite it and that Corpus Juris is being "heaved onto the launching ramp and its motors revved up" – a clear vindication of the DUP's warning that what European nations could not do for centuries by war they can now achieve by a stroke of the pen.

The British people have had no say on changes in such a vital matter concerning their cherished political, civil, economic and religious liberties which have been whittled away in secretive deliberations in successive European treaties.

In the European election of June 10 the people of Ulster have one last chance to say a resounding 'no' to the plot to destroy the freedoms guaranteed under their British legal system.

I'd rather eliminate Maritime Law, raid the Vatican, and collect the Canon Law books. Then I would publish it and distribute it worldwide and say, "Watch out for this in the future." You know, another reformation.

wolvshater - May 4, 2007 01:17 PM (GMT)

I would love to help with the raid on the vatican, Im thinking there are a few million documents tucked away in there the Planets inhabitants would be needing to read right away, Im thinking they would be rather embarrassing for a certain group of thieves, and would likely cause some necks to get snapped by a clean crisp rope, kinda like the crack of freedom.

Remember the RCC and JESUITS didn't possess Nuclear Weapons or Microwave, Advanced Physical Principle Weapons. It will be much harder to have another REFORMATION if we allow ourselves to be sucked back in.

Virgin Killers, The (Hardcover)

by Nick Awde (Author)

ISBN-10: 1898948151

ISBN-13: 978-1898948155

When two Jesuit priests die violently at an exclusive Catholic prep school, an inquisitive teacher and an investigative journalist decide to get to the bottom of the mystery. But Hugh Weld and his ex-lover Sara Reeve soon find themselves pitted against the closed ranks of sinister lawyers, Freemasons and English Catholics. The pair of amateur sleuths embark on a dangerous journey of discovery that leads them from the witch-haunted fells of Lancashire to the pagan fires of the Lewes Bonfire. The action is set against the backdrop of a

country in political turmoil as voters, fearful that Britain is losing its power to Europe, are hungry for a new regime . . .

QUOTE

Comment:

This is quite an intriguing novel. It's a peculiar combination of conspiracy thriller, popular history and anti-Jesuit tract. Some of the characters definitely have a sinister twist, like Faucon the ex SAS Jesuit headmaster and the Italian female assassin specializing in arson. Awde teases the reader with hints that the true motive behind the murders which might have something to do with recent well publicized scandals in the Catholic church. Apparently this is the first in a series called "The Public School Chronicles". I'm intrigued to see what's coming next.

It advocates squatters and redistribution of property and wealth. The Order will use this here in Fourteenth Amendment America after a concordat with the Papacy and according to Canon Law then we won't be able to evict an foreign invader or alien who decides to settle in our backyards. Title: KGB Knight of Malta Golitsyn

CRAIG-OXLEY - May 3, 2007 12:02 AM (GMT)

Thanks, Eric. I'll look for some more details on that particular item (the Morgan Chase-Vatican hotline).

Very important! Once JP Morgan/Chase is proven to be controlled by the Knights of Malta with a telex to the Vatican, the entire North American financial world opens up to be a mere tenacle of the Papacy. This includes the Federal Reserve Bank, the New York Stock Exchange and thus the SEC, and the US Treasury controlled by the CFR.

BTW, I realized a few weeks ago why the UK agents turned the Allies against true patriotic Serbs during WWII. Such key agents were later identified as "communists" - but their support for Croatian Tito had a triple purpose. Pointing out Philby's associations helps a lot.

Indeed. British MI5/MI6 "Kim" Philby, like his father, was an English Knight of Malta and most beloved of CIA Counterintelligence chief SMOM James Jesus Angleton. The war on the Serbs was a war on their "heretic" Orthodox faith. As per the plans of the Order, "Communism" was intended to be used to destroy both Protestant and Orthodox peoples around the world. The Fabian Socialist/ Communist governments of the US and Britain have destroyed the White Protestant peoples of those nations and the Communist governments over Russia and the Eastern block nations have destroyed the Orthodox peoples of those nations including the Protestant peoples of East Germany and the "liberal" Roman Catholic peoples of Poland. In order to unite these nations against the Jews, the Order then used their provocateurs to blame "Communism" on the Jews. It is a most brilliant and diabolical plan---and it has succeeded.

Germany and the Bolsheviks had been in bed during WWI. It was Germany that funded the Bolsheviks, though not because Germany favored communism.

German Knights of Malta with American and British SMOMs funded the Bolshevik Revolution. Joseph P. Grace of 120 Broadway in New York City was one of them. MI6 oversaw the Cheka in the person of MI6 Sidney Reilly directing Polish Roman Catholic Chekist Felix Dzerzinsky---who admired the Jesuits.

Kaiser Wilhelm II was a traitor to his people and devoted tool of the Black Pope, readmitting the Jesuits into the German Empire in 1917 after Bible-believing Lutheran Prince Bismarck had expelled the Order in 1872. Thus, we are not surprised to see the Kaiser and Jesuit Coadjutor General Ludendorff deliberately losing the Western Front in 1918 and thus the war by stationing over one million German soldiers deep within Russia after the USSR had exited the war! Had they been moved to the Western Front, those one million men would have destroyed the Allies and brought the war to an end---for the Triple Alliance. Hitler then became the second Ludendorff and finalized the destruction of Protestant Prussia including the rape of Berlin.

To this day, the Serbs have been falsely maligned. Continuing the anti-Serb crusade was a natural consequence of the original German planning against Russia, and Germany's loss in WWI.

Indeed, the Jesuit Bavarian Nazis were ordered to destroy Orthodox Serbia as much as possible. Hitler's enthronement of Pavelic and this the Jesuit/Franciscian-led, mass-murdering Ustashi makes this obvious. Hitler deliberately stalled his invasion of Russia by "fighting" the Serbs for an extra six weeks---further dooming the Protestant Lutheran Armies on the Eastern Front to the snows of Russia donning only summer gear.

I believe the White Russians (Solidarists) were involved in the JFK assassination.

Agreed. The CIA Lee Harvey Oswald/CIA George DeMorenshildt connection makes this obvious. With JFK seeking to end the Cold War prematurely, the White Russians foresaw the doom of their country to perpetual communism. Thus, they fell for the bait by participating in the murder of JFK while totally unaware that the Order ruled both the USSR and the US.

I also believe that the "defection" of Anatoli Golitsyn in December 1961 -- subsequent to the Bay of Pigs and nearly two years before the assassination -- was part of the assassination planning.

Absolutely true. I deal with this in VAllI using the work of Anthony Cave Brown's Treason in the Blood. Golitsyn was a false defector---and a member of the Russian tongue of the Knights of Malta, though the Knights had been formally expelled from the USSR in 1917 by Lenin. Knights Golitsyn and Angleton worked together to betray America's CIA agents in Russia, thus strengthening the KGB

and weakening the CIA at its lower levels. Golitsyn was a noble and his relative, Nikolai Dmitreyevich Gallitzin, 1856-1925, was a SMOM and key operative in the faking of Tzar Nicholas II's death and the supposed suppression of the Russian Knights via Lenin. All this was intended to create anti-Jewish fury in Russia at a later date---blaming "the Communist Jews" for the "overthrow and murder" of the Romanovs. Meanwhile, this lie would fuel anti-Jewish fury in Europe in preparation for Operation Barbarossa in 1941---the largest land invasion in the history of the world.

When the affect of Golitsyn is studied, it's obvious he was a major player in the big game. No one else has considered his early defection as evidence of advance planning.

No doubt. Oswald was controlled by SMOM Angleton; Angleton worked with both SMOMs Golitzyn and Philby. Golitzyn "defects" to the US in 1961 and Philby "defects" to the USSR in early 1963. These moves comprised a mere change of posts within the Order's International Intelligence Community as the Cold War was indeed a Hoax. Angleton, Golitsyn and Philby arranged for Oswald to return from the USSR with his wife, this being an absolute impossibility apart from CIA/KGB/SIS collusion.

We know about the "stay-behind" operations in Europe. Golitsyn was probably part of a Solidarist "stay-behind" operation in Russia. Exactly what the operation consisted of, I don't yet know.

The stay-behind operation in Europe was to send a portion of the Nazi SS/SD into the Eastern Block intelligence network. Many former Nazi SD men went into the East German Stasi, the SSD. The CIA used former Nazi SS and SD men to create the West German BND. The BND was then linked to the East German SSD. BND Chief Reinhard Gehlen's right hand man was Hans Felfe---later convicted of being a double agent for the SSD and KGB. Thus the Order's post war stay behind operation was merely to further unite the Black Pope's International Intelligence Community. GRU ajax SMOM Prince Anton Turkel was also a part of this as he worked directly with the two Dulles Brothers---both also being SMOMs.

His name has various spellings due to transliteration. However, the origin of the name Golitsyn -- which is apparently his real name, not a pseudonym -- goes back to an aristocratic family in Russia.

Correct, and that family had converted to Roman Catholicism.

In addition to his direct affect, there has been a long-running influence through various "experts" such as Christopher Story (UK - probably Freemason, definitely a Queen's agent) and JFK assassination debunkers.

Golitsyn and Angleton---along with William F. Buckley, Jr.---are some of the greatest debunkers of the conspiracy to kill JFK. All three were/are SMOM's.

CRAIG-OXLEY - May 1, 2007 03:09 PM (GMT)

pastor removed

Yonat Shimron, Staff Writer

from THE NEWS@OBSERVER

DURHAM - The removal of the Rev. Stephen M. Garrity as pastor of Holy Cross Roman Catholic Church couldn't have come at a worse time.

Just Saturday, a concrete floor had been poured at the site of the new \$2.8 million sanctuary two miles from the church's current location on the campus of N.C. Central University. The 67-year-old Garrity was the force behind the construction and fundraising.

When he didn't show up for Mass on Sunday morning, members were shocked to hear he had been "recalled" by his religious order, the Jesuits. According to the order, Garrity confessed to sexual relations with five adults 25 years ago. One of those people contacted the Maryland province of the order, which whisked Garrity away before he had a chance to say goodbye.

The congregation he left behind put up a strong front.

"This church will survive," said Bob Cefalo, the vice chairman of the parish council. "There's no question about it."

A representative of Raleigh Diocese Bishop Michael F. Burbidge, Msgr. Michael Shugrue, broke the news after 9 a.m. Mass. The diocese provided several representatives to help people sort through their emotions after the service.

Burbidge will join the church's 250 members for Mass next Sunday, and the Jesuits sent the Rev. Frank O'Connor, a retired priest who had served the church in the 1970s, to run the church temporarily.

In a statement, Burbidge said the Diocese of Raleigh received no complaints about Garrity before the one in Maryland. The alleged sexual affairs did not take place in North Carolina. All priests in the Catholic church take vows of celibacy.

Garrity, who became pastor of Holy Cross in 2001, was beloved by the parish, the diocese's only mostly black congregation. Many said he was a good pastor and a caring person and suggested they would be willing to forgive him.

"That was 25 years ago; don't you think he paid the price?" asked Brenda Roventini, who moved to the area from Washington a year ago. "This church is going through so many changes."

Garrity, who is not suspected of pedophilia or any criminal activity, will be evaluated at an undisclosed treatment center, said Kate Pipkin, a spokeswoman for the order, the Maryland Province of the Society of Jesus. She said the order will determine whether Garrity took advantage of people he was counseling or used his position of power inappropriately.

Before becoming a parish pastor, Garrity was known as a retreat leader who was schooled in the meditation exercises of St. Ignatius of Loyola, the founder of the Jesuit order.

With regard to Catholic Paganism
(An episode which clarifies the essence of The Catholic Church)

I just finished the dinner, now there are about 19.20 Italian and Slovenian hour and

tomorrow will be the first May.

The Slovenian Public Channel TV news starts at 19.00, and usually the first information broadcasted at the beginning of the tv news pertain to arguments which are important for the life of a nation or a community: inflation, scandals, murders, economic crisis or success, important foreign events, etc. Only during Easter and Christmas the first news pertain to the holy events. But Catholic Church doesn't celebrate only Easter and Christmas..... At least not in Slovenia. In fact after the beginning of the informative transmission, the very first news was five minute of bombing about the pyres of the night between 31 April and 1 May. This typical ceremony loved by the Nazis, has been strongly supported in the last years by..... the Catholic Church! There weren't other news, just the program started, you received a high intensity bombing about the coming pyres, with reporters from different parts of Slovenia where the biggest fires will started in the next hours. Take note: Slovenija is a stronghold of the Catholic Church, like Croatia, Austria, etc. Obviously the media are controlled, directly or indirectly by the bishops and various VATICOMRADES.

They showed the biggest pyre ever built, at Celje (named by Romans "Celeia"), 40m high; they 'll try to enter in the Guinness Book. Theshape is pyramidal with 4 sides. Could it be different??!?!??

After the initial five minutes of good Pagan-Catholic brainwash, finally, the real TV news started: one of the first news was "...the Americans don't have the 1° May, even if the event from which the festivity is born, happened in Chicago, America, were workers died in a strike....".

If they can, they never avoid to shoot a hit against America, and they did it! (They love to show you how they like the flames, typical elements of the nice place from where they comeIn Italy you have the Carabineers with the Baal flames on the uniform hat,.... But demons, which assume the image of angels, goddess virgin Mary and saints and appear to ignorant popes, bishops, parishes and monks, to old witches and to the prostitute of the parishes and of the monks, impose them to be bigot, to torment themselves, to fall to the ground,... and to all these people the demons announce that now on this, now on a different mountain, on the field, or in the forest, churches have to be built, in order to bring there donations and to celebrate masses, in order to bring there wealth from everywhere, and every kind of cattle; and if they don't do that, the goddess Mary and the saints will destroy with lightning all the corn-fields and the vineyards and will kill them with the plague."

And with regards to mutilations.:

Two weeks ago i saw a TV program (private Italia 7 channel) about Cromwell and his New Model Army. They told you that the Protestant were calumniating the Catholic because they were telling that the Romanists "...like to butcher people, especially the Protestants...". Also "Protestant lies".

When I heard that, my mind went immediately to the REAL CATHOLIC slaughter-house in the Ustasha Croatia in the '40ies where hundred of thousan were butchered alive.....

So, were the information on the Catholics during the Cromwell campaign really only "Protestant lies"????!?!?!?!?

And now the rites of Opus Dei.....It seems that these guys love blood and the flesh,... their sacraments are not only a theological rite.....

Just one thing was me clear when the docu finshed: that now I have a strong symphaty for Cromwell, the most they calumniate him the most I like him!

Best regards from Italy, the country which await his Cromwell.

Title: Eric Phelps - Answar Bin Shari??

CRAIG-OXLEY - April 26, 2007 02:28 AM (GMT)

Dear Eric,

May I ask of you a few questions:

Q. Why does William Deagle tell everyone of the power of the Superior General, then he goes and uses the mystical, mystery keeping you in suspense Pindar of the Council of 13. He claims this person is the ultimate controller. David Icke and other so-called superstars have spoke of this Pindar which personally I believe is utter diversion and nonsense.

Agreed. If there is a Pindar, it or he is subject to the Jesuit General as you know.

Q. From real research it quite obvious that the powerful Rabbi, Answar Bin Shari is the power behind the Council of 13 degrees of the Bavarian Illuminati, being its Chairman.

Disagreed. The Council of 13 that meets in the Rothschild mansion according to ex-Grand Druid John Todd (before he fell) were all Gentiles.

It will be fairly obvious to people in the know that Shari and SMOM Papal Knight King Juan Carlos will work together in the Middle East region. What do you say?

I do not know much about Rabbi Shari, but if he works with Juan Carlos, then he is most assuredly a subordinate just as Peres is his subordinate.

Q. Do you have a photo of Answar Bin Shari?

No. But Barry Chamish might have a photo.

I've looked everywhere coming to no avail unfortunately. I have masses of the Superior General but alas still no Shari.

Q. What did you make and think of the SMOM Hollywood movie "*Gangs of New York*?"

It is most anti-Protestant picturing the main Protestant "butcher" as a dishonest, evil individual. That same individual denegrates a black saying "A jig doing a jig." This is typical Jesuit rhetoric.

I was happy when Bill defeated the priest at the beginning, down with Popery. What I noticed was they sort of made the non-popists out to be bad and evil and yes they were but... They made the opposition out to be all great and good so to speak.

Right!

I only watched this the other day so this is why I'm late talking about this film. Is there anything you noticed deeper within the film?

Well, it creates anti-Protestant fury and makes the Irish Catholics mere victims of these evil Protestants at "Five Points." Maybe it also is being used to unite both the Catholics and Protestants against the Blacks. Remember the mass murder of the Blacks at the end of the movie by the Papists?

Thanks

CRAIG-OXLEY - April 26, 2007 02:31 AM (GMT)

Dear Eric,

Interesting reply but I'm still unsure on this character. On one hand its a good thing he's a mystery as it shows if he's real that he's a powerful character lurking in the shadows. It seems a few more people speak of Answar but it also seems we all don't really know anything about him apart from whats coming from the Bloom clique which is why I wanted more information. I've asked Barry Chamish and he doesn't seem to even know the Rabbi. Have we found someone very high Chamish hasn't yet or is it all fluff?

Usually the powerful Rabbis are men like the Rabbi of Rome and the Rabbi of Jerusalem. These are the Masonic Orthodox Rabbis of power. They love and host the Pope whenever they are called upon. I will have to check on this Rabbi Answar. But compared with the other chief rabbis, he is not much or maybe he is a Jesuit Coadjutor as the Order has openly received Jews since 1946.

There must be someone out there independant of C&D who know of this man if he is

real. What makes you think that the Council don't no longer bother with the Gentile rule?

The Illuminati has always been directed by Gentiles; high Jews merely financed it as they do all of the Order's business.

Maybe its true about him now being the Chairman or maybe again its fluff. Another problem is the people who flap their gums about this character and others, when asked for deeper information they do not respond.

Interesting. Is there a pic of him somewhere?

I quite enjoyed that 'Gangs of New York.' What I've noticed is that considering America is a Protestant Nation, in the movies they ALWAYS show Catholic churches and Romanism. Its obvious why when we know the SMOM control all of Hollywood with the help of their Mafiosi. I've highlighted this to others when they watch movies and they all say "oh yes I've noticed that."

Right!

Theres some sneaky diversionists out there with some good information only to slap it down with some pathetic information. I don't think Fritz Springmeier spoke of a Pindar but I may be wrong. It would be interesting to know all of Fritz's information as we know now that he's rotting in a jail cell fitted up on phony charges of robbery. So obviously he's more dangerous than Jordan Maxwell otherwise they'd both be in the clink right now. I was told by someone in Europe that Maxwell had said on a European show somewhere that he'd been warned about speaking of the Vatican.

I believe it. He was slow to speak of the Vatican when I met him at the Con Con in 2002. But he spoke out and did a great job.

I cannot remember the details but its possible. I still wonder where all his money really comes from that he throws around. Is it from a good source or a bad source, someone trying to really help mankind or the usual. It all seems a merry go round with these SUPERSTARS as Alan Watt calls them. This is why I followed your information on the conspiracy as it opened up new information which seemed much more logical for once.

I hope no one considers me to be a "superstar." I am only "Brother Eric" with no real bio.

It seems we focus much on Kolvenbach but we should focus also on his closest company around him.

Agreed. His Assistants are very important and make the Black Pope who he really is.

I would see these as far more powerful in the collective sense than singular Kolvenbach if it came to it.

Absolutely!!!

Do you think may be why he's stepping down in 2008 or simply his age and what would be expected of him by then as this agenda quickly escalates?

Agreed. He is really too old to be the aggressive, decisive Jesuit Superior General for this Crusade against Islam and the West. A younger man with new Assistants needs to be enthroned who will enjoy the backing of all the Professed electing the new Father General. This is to be the Order's greatest Crusade yet; the best must direct it.

I wouldn't want to be bothered with it all at his age personally. We think we have stressful jobs in our little illusional worlds but his much be amazingly stressful controlling almost the entire planet, what a task through his rather small team.

Agreed.

Thanks
Craig Oxley

Sincerely in Faith,

Brother Eric

Craig, are you sure the spelling is correct? I checked most of the newspapers in Israel, but this guy is nowhere.

AntiSionist - April 26, 2007 05:52 PM (GMT)

It could be Answar Ben Shari. According to Stew Webb's site, it is Ben, not Bin.

Aurora025 - April 26, 2007 06:10 PM (GMT)

I already checked that spelling, as wel as Anwar Ben Shari, Anwar Bin Shari, Answar Ben Sharri, Answar Bin Sharri.
Does this guy even exist? Seems it came from one source.

CRAIG-OXLEY - April 26, 2007 10:41 PM (GMT)

To be honest right now I'm giving up on looking into this person. Its so annoying when people flap their mouths about someone or something but do not respond when you want more data. He probably exists and may be a very powerful character but right now its too damn hard.

I do find it extremely funny how someone like Barry Chamish wouldn't be aware of him if he was the most powerful Rabbi of Israel. Chamish is probably the best source out there right now and he has no idea. Then we have Eric talking of the Rabbi of Jerusalem so I seriously do not know.

But again theres many powerful people in the shadows who need exposing. Until I get responses from the people mouthing off about Shari I will no longer address the issue or speak of him. I have proofs of Peter Hans Kolvenbach and so forth, I have nothing of Shari and no one will back anything up on him.

If people are purposely holding back info and just giving us tit bits to suit their agenda then this is incorrect. Information should be given in full where possible. I believe the sources of this Shari information do this all too often and I've noticed that names are regularly spelt incorrectly and I'm getting a little fed up of it to be quite honest. Its not helping one bit.

Again ERIC JON PHELPS work is excellent, well researched, well backed up and out there almost in full. I'll stick to this until more info of worth is forth on Anwar. The reality will always be Anwar controlled by Rome and its upper hierachy of the Jesuit controlled SMOM.

Stew Webb and Heneghan's imagination, I'm sure.

We got info on Klovenhoof but nothing so much as even a pic on this Answar Bin Shari? Hardly worth writing home about.

Let's see those that make the claim provide a few more solid leads. I'd certainly expect everyone to understand why it is all the more reason considering "who" is making the claim.

I saw the Gangs of NY and it was anti-Protestant. It pictured the Protestants as the bad guys and the Catholics as the holy men. Yes, many Irish in the early to mid 1800's were unfairly opposed, but many of the Irish weren't saints as well.

Most people have some knowledge of the Holocaust. The 6 years of torture and atrocities that the Jews suffered under Hitler and the Nazis during the Second World War. While in no way downplaying the terrible events of the Holocaust, such a massacre does not compare to the severity to the torture and murder that took place under Papal authority during the 605 years of the Inquisition.

From the beginning of the Papacy, until the present time, it is estimated by credible historians that more than 50,000,000 men and women have been slaughtered for the crime of heresy charged against them by Papal Rome. This Video contains actual photographs of some of the instruments of torture that were used. Since we consider this Video on the Inquisition one of the more important message that we have given, please make it known to others, and if possible post the link on your own website. BENEDICT TO PAY 1ST VISIT HERE

http://www.nypost.com/seven/04282007/news/...s_i__alpert.htm

April 28, 2007 -- Pope Benedict XVI has accepted an invitation to visit the United Nations, his press secretary said.

"The pope has accepted the invitation in general terms, and has expressed his willingness to visit the U.N. headquarters, although as yet there is no date or program

for the trip," said the Vatican's spokesman, the Rev. Federico Lombardi.

Secretary-General Ban Ki-moon had invited the pope to visit the international body in New York during a 20-minute meeting with the pontiff at the Vatican's library last week ago.

They "dwelled on topics of common interest," Ban said.

"I am very much happy that he accepted my invitation to visit the United Nations," Ban said.

Although no date has been set, a U.N. official said that in the past, popes have come during the meeting of the General Assembly in September. Pope John Paul II spoke to the United Nations in 1979 and again in 1995 for its 50th anniversary.

This will be Benedict's first trip to United States since his elevation to pontiff in 2005. He is scheduled to visit Brazil next month.

CRAIG-OXLEY - April 29, 2007 03:19 PM (GMT)

He will visit at the Sovereign Military Order of Malta's creation the United Nations of which the SMOM has Permanent Observer Status. He will visit the SMOM Americas mission control of St Patrick's Cathedral where me will meet up with the American Pope, Cardinal Edward Egan and his Maltese Knights of the Round Table. I'm quite sure the Jesuit soldiers of Fordham University will be sniffing around keeping an eye on their servants. There will be much security around the event utilising the SMOM's intelligence agencies. So soon we will see the American Military Vicar and Prince Egan with the Vicar of Christ himself on AMERICAN soil.

Yea, you know that video that Craig posted here on the Catholic Inquisition: http://z13.invisionfree.com/THE_UNHIVED_MI...showtopic=25022

It did not surprise me that the Church was burning Christ followers at the stake and torturing them to renounce their belief in Christ.

In this understanding, the Church truly hated people's faith in Christ, along with anything that did not conform perfectly with the Church. This should send a strong message to everyone that Jesus Christ was most certainly NOT invented by the Roman Church.

Confession To Jesuits No 27: The Treaty of Verona Kept Hidden From Americans

This treaty and its indictment of the Vatican and Jesuit Order was put in the Congressional Record by American patriots. Now our Congress has kept this hidden from the people and shows clearly Capitol Hill is now filled with traitors.

By Greg Szymanski

April 29, 2007

<http://www.arcticbeacon.com/articles/29-Apr-2007.html>

In this 27th Confession to the Jesuits we look at the importance of The Treaty of Verona as a key to understanding the Vatican and Jesuit Order's control over the U.S. government and most other world governments.

The following information was gathered by the late truth-seeker and patriot, Jim Arrabito, who was assassinated by the Jesuit Order in an Alaskan plane crash.

One of the articles he left us before his untimely death should be read as a starting point for understanding the real spiritual controllers of the New World Order -- The Vatican and its henchmen of the Jesuit Order.

JESUIT

Vatican Tyranny

ORIGINALLY INSTITUTED (Portugal/Spain,1534) BY THE VATICAN, FOR THE SOLE PURPOSE OF EXTERMINATING THE REFORMATION,

THE ORDER WAS SUPPRESSED 21 JULY 1773 BY POPE CLEMENT XIV (for which he was promptly poisoned). THE ORDER WAS

RE-INSTITUTED 1814 AND GIVEN THE "SECRET TREATY OF VERONA"

FOR THE EXPRESS PURPOSE OF CARRYING OUT ITS DICTATES.

THIS EDICT WAS FINALLY RATIFIED BY ITS CONTRACTING PARTIES OCT 1822: CAUSING PRESIDENT JAMES MONROE, WITH THE ASSISTANCE OF THOMAS JEFFERSON,

UPON LEARNING OF ITS EXISTENCE, TO WRITE THE MONROE DOCTRINE, AS RECORDED

IN THE: CONGRESSIONAL RECORD-SENATE., VOLUME 53, PART 7, PAGE 6781 OF THE

64th CONGRESS, 1st SESSION, 25 April 1916.

THIS WORK IS DEDICATED TO EX-JESUIT PRIEST: DR. ALBERTO ROMERO RIVERA, WHO'S LIFE STORY INSPIRED.

"Beware of false prophets, which come to you in sheep's clothing, but inwardly they are ravening wolves."

(Matt,7:15)

I read a book some years ago that started my research, that I am still involved in today. The information I have, I believe, if it were ever brought to a trial, would prove so conclusively of what I am about to tell you that not even the perpetrators themselves would try to deny it. In the past, when confronted with their prior history of atrocities, their only response has been: "we don't do that anymore", or sneer at its improbability, or a gratuitous imputation of bigotry and intolerance against the writer, while at the same time telling all their followers: "we never change". As you read it will become only too apparent that the latter is the case.

Before I begin, and you start thinking I'm an "extremist", let me say that I'm not the only person to find this information. It is readily available (at the finger tips of those on the internet) to anyone willing to put in a little time and research. I have found, what I believe to be, the common denominator for a very large percentage (if not all) of the events perpetrated and/or carried out by departments of government and/or its agencies, that are totally negative to the rights and freedoms of the American people, hence, also to the United States Constitution, its Bill of Rights and the Declaration of Independence. This organization is responsible for the wholesale slaughter of multi-millions of peoples all over the world. It is responsible for the "Dark Age" (inquisition) period leading up to the founding of this country: As you will learn, this organization, though having periods of civil and military power fluctuation (due to losses from their own tyrannical acts and resultant exposure) not only still exists: but is far more powerful (lethal) today than ever before: This is especially true in the United States, where the order has its highest concentration (at least seventeen times that of any other country).

A zeal for the discovery of new territory marked the fifteenth century. The first navigations for this purpose were concerted and directed by prince Henry. Born 1394, the fourth son of John I. king of Portugal. His valor in the assault and capture of the city: Ceuta in Africa 1415, presaged the fame he afterward acquired. From this period he devoted himself to naval expeditions for the discovery of unknown countries. His ships subjected divers parts of Africa and the neighboring islands to the dominion of Portugal. After the success in doubling cape Bojadoy, he gave to his father and successors all the land he discovered, or might discover, and applied to Pope Martin V to ratify the donation. He engaged that in all their expeditions the Portuguese should have mainly in view the extension of the Roman church and authority of its pontiff. Pope Martin granted the prince's request. In his bull of ratification, which was about the year 1430, it is declared that: "whatever might be discovered from the said cape to the utmost India, should pertain to the Portuguese dominion." Edward, brother of prince Henry, succeeded to the throne of Portugal 1433, on the death of John I. Pope Eugene IV. by his bull in 1438, ratified, to Edward, the grant made by Martin V. A bull of Nicholas V. dated 8 Jan 1454, refers to the aforesaid bulls of his predecessors, Martin and Eugene. It recites the declaration prince Henry made of his achievements "that for 25 years he had not ceased to send annually almost an army" of Portuguese, "with the greatest dangers, labors and charges, in the most swift ships, to search out the sea and maritime provinces toward the

southern parts and Antarctic Pole." that these ships "came at length to the province of Guinea, and took possession of some islands, havens and sea adjoining" that "sailing further, war was waged for some years with the people of those parts, and very many islands near thereunto were subdued and peaceably possessed, and were still possessed with the adjacent sea" that "many Guineans and other negroes were taken then by force, and some by barter." The bull describes Henry as "a true soldier of Christ, a most courageous defender and intrepid champion of the faith, aspiring from his early youth with his utmost might to have the glorious name of Christ published, extolled and revered throughout the world." It recognizes the exclusive right of Portugal to the acquisitions and possessions aforesaid, in virtue of the letters of Popes Martin and Eugene, which granted to the king of Portugal and prince Henry "free and ample faculty to invade, search out, expunge, vanquish and subdue all pagans and enemies of Christ whosoever placed, and their persons to reduce to perpetual slavery, and all their kingdoms, possessions and goods to apply and appropriate," etc. Pope Nicholas's letter then goes on to "decree and declare, the acquets already made, and what hereafter shall happen to be acquired, after that they shall be acquired, have pertained, and forever of right do belong and pertain to the aforesaid king and his successors, and not to any others whatever." It forbids, on the severest penalties, all Christian powers from settling in the countries discovered by the Portuguese, or any way molesting them in their expeditions for the discovery and conquest of unknown countries. It speaks of prince Henry's plan and his prosecution of it as "a most pious work, and most worthy of perpetual remembrance, wherein the glory of God, where the interest of the commonwealth of the universal church are concerned."

Thus was prince Henry's views and operations sanctioned by the highest authority, at that time, acknowledged in Christendom. A right derived from a source so venerable was then undisputed. The Roman pontiff bound princes at his pleasure, and as Vicar of Christ, was allowed to have at his disposal all the kingdoms of the earth. This grant of Pope Nicholas was confirmed by his successor: Calixtus III. 6 August 1458.

On the death of Edward, his son Alphonsus, then in his minority, succeeded to the throne of Portugal, 1438, and died 1481. Prince Henry died 1460-63. At his death the spirit of discovery languished, but revived with the accession of John II., son of Alphonsus. The year after his accession (1482), sent an embassy to Edward IV. of England, to acquaint him with the title acquired by the Pope's bull to the conquest

in Guinea: requesting him to dissolve a fleet, which some English merchants were fitting for the Guinea (slave) trade. The king of England showed great respect to the ambassadors and granted all they required. The king of Portugal assumed, and the king of England gave him, this style, Rex Portugalie et Algarbiorum citra at ultra mare in Africa. Pope Sixtus IV., not long before his death(12 Aug 1484), confirmed all the grants made by his predecessors, to the kings of Portugal and their successors.

In 1481 John II. sent 100 artificers, 500 soldiers, and all necessities to build a fort in Guinea. The large kingdoms of Benin and Congo were discovered 1484-85, and the Cape of Good Hope 1486. The Portuguese built forts and planted colonies in Africa: established a commercial intercourse with the powerful kingdoms, and compelled the petty princes, by force of arms, to acknowledge themselves vassals.

At this period, and by these means, the power and commerce of the Portuguese in Africa were well established. The wholesome decrees of five successive Roman pontiffs granted, conveyed and confirmed to the most faithful king a right to appropriate the kingdoms, goods and possessions of all infidels, wherever to be found, "to reduce their persons to perpetual slavery or destroy them from the earth", for the declared purpose of bringing the Lord's sheep into one dominical fold, under one universal pastor. Succeeding kings of Portugal have not forfeited the large grant by any undutiful ness to their holy father. Portugal long enjoyed the trade to Africa and the East Indies without interference of any European power. For more than half a century, before exporting any negroes from Africa, she made and held them slaves in their native country.

The Portuguese first imported slaves into Hispaniola 1508, and into their Brazilian colonies 1517. Their sugar works were first set up in these colonies 1580. Their union with Spain, at that time, was most unfortunate for them. The Dutch became their enemy, who took their East-India and Brazilian conquests and parts of their African colonies. They recovered Brazil and their African establishments 1640, but not that of India.

After the Dutch gave up Brazil and the gold mines were discovered, the trade of Portugal improved and a great importation of slaves took place: carrying yearly from Loangro to Brazil: 25,000, also many thousands from Goango and Cape Lopus. They themselves say they carry to Brazil 50,000 and more every year from Melinda, on the Mozambique coast. Such had been the increase of their Brazilian and African colonies for a

century that their increase in English goods, annually, was greater than that of Portugal and Spain combined prior to 1700.

Spanish America received slaves from the Genoese, Portuguese, French and English. Every state purchased from Spain seceded from the union (1861). The Vatican was the only country to acknowledge sovereignty to the Confederacy. Before, during and long after the African slave trade ended: the heads of state of Spain and Portugal were addressed (and may still be), in formal title, by foreign dignitaries/heads of state, as: "His/Her Catholic Majesty" (U.S. State Dept. records): thereby acknowledging them, only, as emissaries of the pope.

Catholic priest's dealing in the African slave trade is testified to, in this poem, by the famous nineteenth century poet, J.G. Whittier:

A poem, on the slave block in New Orleans.

THE CHRISTIAN SLAVE

BY J. G. WHITTIER

A CHRISTIAN! going, gone!

Who bids for Gods own image?-for His grace

Which this poor victim of the market-place

Hath in her suffering won?

My God! can such things be?

Hast thou not said that whatsoe'er is done

Unto Thy weakest and Thy humblest one,

Is even done to thee?

In that sad victim, then,

Child of Thy pitying love, I see Thee stand,
Once more the jest-word of a mocking band,
Bound, sold, and scourged again!

A Christian up for sale!

Wet with her blood your whips-o'ertask her frame,
Make her life loathsome with your wrong and shame,
Her patience shall not fail!

Cheers for the turbaned bey
Of robber-peopled tunis! he hath torn
The dark slave-dungeons open, and hath borne
Their inmates into day:

But our poor slave in vain
Turns to the Christian shrine her aching eyes-
Its rites will only swell her market price,
And rivet on her chain.

God of all right! how long
Shall priestly robbers at Thine alter stand,
Lifting in prayer to thee the bloody hand
And haughty brow of wrong!

O, from the fields of cane,
From the low rice-swamp, from the traders cell-
From the black slave-ship's foul and loathsome hell,
And coffle's weary chain-

Hoarse, horrible, and strong,
Rises to heaven that agonizing cry,
Filling the arches of the hollow sky,
How Long, O Lord, how long!

For those who think the Vatican's attitude, toward black people, may have changed through the ages bear this in mind: (1)the biggest race riot in American history(1864, Brooklyn, New York City) was instigated by Archbishop Hughes (in response to Lincoln creating a draft for more union soldiers), including the burning, and trampling to death of the occupants, of a black orphanage. (2)when the U.S. Army occupied Rome during WWII, Pope Pius XII made it clear to American generals there were to be no black soldiers garrisoned in Rome. (3)over 80% of St. Louis, New York City, Chicago etc. police are Knights of Columbus: bear this in mind when you learn that over 75% of these cops sell drugs; and when reviewing the facts of the Fred Hampton murder by the Chicago police, 4 Dec 69, 6:00AM: every shot fired in the apartment was from fully automatic weapons used by the police (no return fire); Amadou Diallo: four cops randomly "check out" Diallo: telling him to show his I.D.: while reaching for his wallet, in compliance with their "order" the cops open up on him: 41 shots fired, 19 striking his body: one bullet traveling almost vertically up each lower leg and another thru the bottom of the right shoe, proves Diallo was flat on his back when the shots were fired: Diallo was unarmed. Officer McMellon - bruised his tail bone falling from stoop; officer Carroll - injured his ankle in fall from steps: evidently, these four of "New Yorks finest" conducted themselves with all of the professionalism and expertise of Daffy Duck. If this is "New Yorks finest" I can't imagine what could possibly be their worst. The cops, defense lawyers and judge all had a party after the trial. Every unarmed black being shot in New York City (by police) is a working

immigrant. Special Forces Group's (snipers) have been giving weapons training (and illegally selling weapons) to the KKK in Alabama in exchange for info on black leaders that lead to the murder of Martin Luther King Jr. and was financed through, New Orleans godfather: Carlos Marcello (direct associate of J. Edgar Hoover: Knight of Malta; 33d degree Mason). Portuguese, Raul Maori (director of James Earl Rays movements and actions that set him up as a patsy: actual shooter of Martin Luther King Jr.) is a drugs and weapons smuggler for Carlos Marcello. To see a direct connection between the KKK, GBI and the FBI, see the docudrama: "Who Murdered Atlanta's Children?" Blacks are being systematically squeezed out of welfare, while legal and illegal catholic immigrants receive unending welfare. Blacks fear the police more than street gangs. Every American city has a predominate catholic influence, and the proportion of mafia/catholic power and influence and crime rate is consistent from city to city: <http://www.thelinkup.org>

Entire tribes of western American Indians were annihilated under the direct orders of the brown robed butchers, i.e. Coronado and his Spanish Conquistadors 1519-1540's. Not to mention the Aztecs and Incas of Mexico, Central and South America, Cuba, Haiti, Grenada, Guam, Philippines etc. With the likes of Almagro, Cortez, Pizarro, Valverde, de Meza, Gregory, Sepulveda, Valega and, yes, Christopher Columbus (imprisoned by Queen Isabella of Spain for his atrocities against the natives of Grenada), robbing them of all their national wealth and enslaving the people (try finding that in your public school history books. In the late middle age discoveries, the Vatican viewed all natives of the Americas as "indigenous natural slaves":

"Battle of Wounded Knee" (slaughter at wounded knee): With the Sioux, unarmed (except for a few skinning knives) and herded together like cattle: a man in a black robe (jesuit) asked the indians if they wanted to prey. After preying (non-catholic) the "man in the black robe" spoke to the cavalry officer, who then ordered the cavalry troops to form a line across in front of the defenseless indians, then ordered them to open fire.

Until 1960 you could read, in any public library, books detailing Vatican/Jesuit atrocities throughout the European middle age/dark age inquisitions, since 1960 there has been a systematic removal of all publications (after web pages, like this one, became known, several hundred books suddenly disappeared from the Library of Congress; example: "Confessions of The Conspirators" {to Lincoln's assassination}): evidencing a systematic takeover of all educational material: remember the "book burnings" in Berlin 1933?). This is further evidenced by the

remote location of Machu Picchu. And all in the name of their "holy mother", the Church of Rome. Our own war of independence was called a war of spiritual freedom: after seeing the purposeful destruction of every church and synagogue in every city, village and town the British Red Coats marched through. Every church that is except Roman Catholic. That's recorded in: "The Light and the Glory", by: Peter Marshall and David Manuel. Though the authors never mention the Jesuit's as the perpetrators of these atrocities other records leave little doubt ["British Canadian Sir Henry Clinton: commander-in-chief in North America, his troops made up of Oliver Delaney's and Cortlandt Skinner's brigades, New York Volunteers, Queens Rangers, Orange Rangers, Loyal Americans, Pennsylvania Loyalists, Maryland Loyalists, Roman Catholic Volunteers, West Jersey Volunteers, Chasseurs, Royal Americans Reformees, Volunteers of Ireland (Catholic), British Legion, Guides and Pioneers" (Secret History of the American Revolution, by: Carl Van Doren)]. In fact the authors try to exonerate the Jesuits. However in that attempt they accept the information of a man who was on the team of translators of the "American Standard version" of the bible. How anyone could put their trust in a person who would associate himself with a group of men of which 33% were known affiliates with communist fronts and causes is beyond me ("None Dare Call It Treason", by: John H. Stormer, 1964). The correlation of the Vatican's role in the instigation and continuance of the Revolutionary War is clearly evidenced in: "The Paris Peace Treaty of 1783". A synopsis of Vatican orchestrated atrocities can be seen when reading: "Foxes Book of Martyr's". This book also shows the direct correlation between the submission demands placed on the inquisition victims, by Priests, and the Papal encyclical to the Second Vatican Council, promulgated 25 May 1965 i.e. recognizing the Pope as the vicar of Christ (Christ incarnate); taking part in communion that recognizes the wafer of unleavened bread (Eucharist) as the literal body and blood of Christ, and making it an essential part of being a member of the body of Christ. For this to be a part of R.C. dogma is of no consequence, but to say that the R.C. Church has not only the authority, but the obligation and duty to God to apply it to every person, of every religion, that has been baptized in Christ's name (willing or unwilling), and that the sole purpose of the Vatican and its ecumenical movement is to bring about this end, is to expose the fact that the Vatican has not changed its dogma, stand, purpose or methods since the start of the inquisitions. Here are a few paragraphs: "We can now ask how much further we must travel until that blessed day when full unity in faith will be attained and we can celebrate together in peace the Holy Eucharist of the Lord. The greater mutual understanding and the doctrinal convergences already achieved between us, which have resulted

in an affective and effective growth of communion, cannot suffice for the conscience of Christians who profess that the Church is one, holy, Catholic and apostolic. The ultimate goal of the ecumenical movement is to re-establish full visible unity among all the baptized" (page 35, last paragraph). "It is already possible to identify the areas in need of fuller study before a true consensus of faith can be achieved: 1) the relationship between sacred scripture, as the highest authority in matters of faith, and Sacred Tradition, as indispensable to the interpretation of the Word of God; 2) the Eucharist, as the Sacrament of the Body and Blood of Christ, an offering of praise to the Father, the sacrificial memorial and Real Presence of Christ and the sanctifying outpouring of the Holy Spirit; 3) Ordination, as a Sacrament, to the threefold ministry of the episcopate, presbyterate and diocanate; 4) the Magesterum of the Church, entrusted to the Pope and the Bishops in communion with him, understood as a responsibility and an authority exercised in the name of Christ for teaching and safeguarding the faith; 5) the Virgin Mary, as Mother of God and Icon of the Church, the spiritual Mother who intercedes for Christ's disciples and for all humanity" (page 36, paragraph 7). "Consequently, for the out come of dialogue to be received, there is needed a broad and precise critical process which analyzes the results and rigorously tests their consistency with the Tradition of faith received from the Apostles and lived out in the community of believers gathered around the Bishop, their "legitimate pastor" (page 37, paragraph 3). The enormity of the implications of this edict so staggers the imagination that to refuse to acknowledge this threat to American freedoms and rights, and the enormity of its scope, can only be construed as complicity with its intentions. If you have any doubts at all about this all you have to do is read this edict. It is titled: "That They May Be One". It is interesting that the pope uses the word "they" and not "we", obviously excluding himself. After all, being the vicar of Christ (Christ incarnate), he can't consider himself a mere mortal (power is intoxicating, even to the extent of total distortion of logic). This edict has been given full approval by Skull & Bones: Pat Robertson, of the 700 Club. Also read the first and second points of the second week of "The Spiritual Exercises of Saint Ignatius of Loyola". Ignatius of Loyola, who's real name was Inigio Lopez De Recalde, founded the Society of Jesus(Jesuits)1534 in Spain, and also the Illuminati (holder of the light) [later instituted 1 May 1776 by Adam Weishaupt (German Jesuit, who's picture is on our one dollar bill) at Ingelstadt (jesuit) University, where he was Professor of Cannon Law, under the direct orders of the "Black Pope"(who is a member of the Masonic Lodge of Europe) and financed by the "House of Rothschild" (In 1777 Weishaupt was initiated into the Masonic Order, the Lodge of Good Council, in Munich,

to infiltrate and control it. At the Masonic International Congress at Wilhemsbad July 1782 the Masonic leaders received Illuminati indoctrination) (U.S. branch of the Illuminati is: "Council on Foreign Relations", of which U.S. Supreme Court judges: Ruth Bader Ginsburg (Catholic), Stephen Breyer (Catholic) and Sandra Day O'Connor are members, Bill Clinton, George Bush, Newt Gingrich, etc.); "Trilateral Commission" and "Skull & Bones" of Yale University]. De Recalde was also a Crusader (Vatican army that raped Israel, and most of Europe, in the dark age inquisitions). Interlocked Illuminati fronts are: United Nations, Bilderberg Group, Club of Rome, Royal Institute For International Affairs (England), Tri-Lateral Commission and Council On Foreign Relations.

Jesuit spiritual exercises are a daily ritual for Jesuits. A copy is easily obtainable thru the Internet. Let me quote a couple of lines: "The first point is to put before me a human king chosen by God our Lord, whom all Christian princes and men reverence and obey. The second, to look how this king speaks to all his people, saying: It is my will to conquer all the land of unbelievers. Therefore, whoever would like to come with me is to be content to eat as I, and also to drink and dress, etc., as I: likewise he is to labor like me in the day and watch in the night, etc., that so afterwards he may have part with me in the victory, as he has had it in the labors". Third week, first day, fifth point: "The fifth to consider how the Divinity hides itself, that is, how it could destroy its enemies and does not do it, and how it leaves the most sacred Humanity to suffer so very cruelly". In the bull: Unam Sanctam (by: Pope Boniface VIII, promulgated 18 Nov 1302) we see the Vatican's intention of using governments and their agencies to achieve Vatican goals: "We are informed by the texts of the gospels that in this church and in its power are two swords; namely the spiritual and the temporal. For when the Apostles say: "Behold here are two swords" [Lk 22:38] that is to say, in the church, since the Apostles were speaking, the Lord did not reply that there were too many, but sufficient. Certainly the one who denies that the temporal sword is in the power of Peter has not listened well to the word of the Lord commanding: "Put up thy sword into thy scabbard" [Mt 26:52]. Both, therefore, are in the power of the church, that is to say, the spiritual and the material sword, but the former is to be administered-for-the Church but the latter-by-the Church; the former in the hands of the priests; the latter in the hands of kings and soldiers, but at the will and sufferance of the priest": This self grandiosing butchery is espoused in more definitive terms, in the catholic publication: "Toward a Catholic Constitution", 1996, by: jesuit: Leonard Swidler (professor of catholic thought and interreligious dialogue,

Temple University, Philadelphia Pa.): "One need look no further than the now accepted bulwark of orthodoxy (conformity to an established belief or doctrine), Thomas Aquinas, to see how far the prevalent assumptions about the compenetration of religion and politics, with the presumed supremacy of the former, extended at that time. In treating of heretics Thomas views them as common criminals. Their crime is even greater than that of counterfeiters, for "it is much more grievous to corrupt the faith . . . than to falsify money." Therefore, heretics "may not only be excommunicated, but may justly be killed." The church should properly tolerate their existence for a while, so long as there is some reasonable hope for conversion, but when that is gone, then heretics (anyone not catholic) must be cut out like rotten flesh," as Jerome says. They should be handed over "to the secular judge to be exterminated from the world through death." (pg. 58). This edict was included in canon law until May of 1983: This should be sufficient to convince you of the militancy of the Vatican, Illuminati and their method of administration [now we know what was behind the raid on Mount Carmel in Waco (pilot program to establish future policy)]. Nowhere is this policy more obvious than in the Balkans. The "Dogmatic Constitution on The Church" proclaimed by pope Paul VI, 21 Nov 1964: 20. Paragraph 3: "with priests and deacons as helpers, the bishops received the charge of the community, presiding in Gods stead over the flock, of which they are the shepherds in that they are teachers of doctrine, ministers of sacred worship and holders of office in government." Ireland is a typical example of this policy.

"There is none that understandeth, there is none that seeketh after God. They are all gone out of the way, they are together become unprofitable; there is none that doeth good, no not one. Their throat is become an open sepulchre; with their tongues they have used deceit; the poison of asps is under their lips: whose mouth is full of cursing and bitterness: their feet are swift to shed blood: destruction and misery are in their ways: and the way of peace have they not known: there is no fear of God before their eyes." Romans, 3:11-18.

Ironically the jesuits are feared (and highly disliked) among the Catholic clergy more than anywhere else (there is inner-clergy rivalry within the R.C. orders, not unlike that of the upper-echelon of the Third Reich: they know the jesuits for what they really are). Not too surprising since the jesuits answer only to the "Black Pope". The jesuits do for the Vatican what the, jesuit trained, S.S., S.D., S.A. and Gestapo did for the Third Reich.

Frans Von Papen, (jesuit) Hitlers mentor, chancellor of Germany

(June 1932 - March 1933) and first vice-chancellor of the Third Reich, stated in his book: "My Conversations with Hitler": "Hitler has put into practice the high ideals of the papacy". This statement was made in reference to the death camps. As chancellor, von Papen's first act was to dissolve the Reichstag; his second was lifting the ban on Hitler's "Brown Shirts" (SA); he then integrated Catholic youth groups into the "Hitler Youth": setting up the civil and political base for Hitler and the Nazi Party to move into power. "Mein Kampf" was written for Hitler by Jesuit Staempfle. As papal nuncio to Germany (1917-1929), Archbishop Eugenio Pacelli worked with Germany's Illuminati bankers (Chase Manhattan, in New York City, and Bank of England funneled money's through Credit Swiss (Vatican bank) to the Reich's Bank in Berlin) and industrialist's (I.G. Farben), establishing the financial and industrial base for the Third Reich: WW II was in its planning stage while WW I was still in full swing. Thousands of Jews were hidden in the Vatican, as a precaution, in case Hitler lost the war.

"Yea the time cometh when he that killeth you will think that he doeth God service." (John 16:2)

The fact that the Vatican entered into a concordat with Hitler [signed in the Vatican by Von Papen and Cardinal Secretary of State: Eugenio Pacelli (later Pope Pius XII), 20 July 1933], as with Mussolini, Franco and Salazar is no secret. But the Vatican's attempt to seduce Hitler into extending the provisions of that concordat to include every country he raped and pillaged is not so well known, but is recorded in Hitler's own words in his book: "Hitler's Secret Conversations" i.e. "I have shown myself unresponsive to the attempts of the Vatican toward the extension of the provisions of the concordat to embrace the newly acquired territories of the Reich. The Saar, Sudetenland, Bohemia and Moravia, the Reichsgau Danzig-East Prussia, the Warthegau, a large part of Silesia and Alsace-Lorraine have, in fact, no relations with the Roman Catholic Church which are supported by formal international agreement" (page 516). "The attitude of the Bishop von Galen affords just one more argument in favor of terminating the Concordat after the war, substituting for it regional regulations and immediately withholding from the Church the financial support at present guaranteed to it by that treaty" (page 520). Pacelli (negotiating the concordat provisions) insisted, the German State, within the dictates of the concordat, "be bound by any and all proposals of the local bishop regarding teachers of religion, and that the state would be obliged to fire such teachers if the bishop so demanded; meanwhile, the state would be required to meet all financial obligations, and at the same time, guarantee the

application of cannon law to the faithful"; [Bill Bennett (and his, Jesuit, brother Bob are KNOWN operatives in CIA/MK-Ultra/Project Monarch <http://www.iahf.com/readings/index.html> -extreme trauma induced multiple personality mind control sex deviates and pedophiles), self professed Jesuit, Secretary of Education under Reagan, propagator of Outcome Based Education (OBE), stated: "All children should be taught by Jesuits" (to profligate Americas youth: Joan of Arc was burned at the stake, at age sixteen, after signing her name to a document {unknowingly authorizing her own execution} she could not read, and could only write her name: being a product of a catholic parochial school)]. This makes me very curious of the content of the concordat: "Conciliar Document on Religious Freedom", being pushed in Washington by John Courtney Murray (R.C. Priest).

It becomes apparent that a chain of events of influence by certain people directed R.C. Hitler's life. Leopold Poetsch, his (Catholic) teacher; Mein Kampf: written, for Hitler, by German Jesuit: Staempfle; his "recruitment" into the Thule Society, 1919 (totally racial, religious, ethnic biased and anti-Semitic satanic cult. Read: "The Occult and The Third Reich"), as stated in (web page) "Illuminati Outline of History". All of Hitler's "inner circle" were members e.g. Himmler (Knight of Malta), Goebbels & Hoess etc. (and still good Catholics) which were among the thousands of Nazi and Ustasha fascist war criminals smuggled to Argentina, Bolivia, Paraguay, Australia, Canada and the U.S. (with 10,000+) by the Vatican (using forged documents, with Vatican seal, on stolen Red Cross travel cards with Vatican Visa's). The mass evacuation ("Ratlines") being coordinated by a small cabal of Vatican officials ("Intermarium") such as the infamous Dr. Nix (CIA top secret document: "Illegal Emigration Movements In and Through Italy", declassified: NND 760050: 11 April 90), Giovanni Montini (later Pope Paul VI), Hubal and Dragonovic (worked with U.S. Army's Counter Intelligence Corps (CIC) organizing the escape of Gestapo head and war criminal Klaus Barbie to South America) under the direction of Pope Pius XII (1945-1950) "Unholy Trinity" by: Mark Aarons and John Loftus); "Those who did rescue the mass murderers from the hand of justice were not Peron (Argentine populist dictator) and his secret police but the [Roman] Catholic Church and its emissaries. It was the [Roman] Catholic Church, which, through its priests, church's, monasteries and forged Vatican passports, managed to foil the post-war hunt for Nazi war criminals. Nor was the church's rescue operation inconsistent with the policy it had pursued throughout the Nazi era. Henri du Lubac, a Jesuit theologian, filed a report in 1944, well before the end of the war, on the collaboration of the [Roman] Catholic Church with the pro-Nazi Vichy (French) regime. Hidden until

this month, the report condemns what du Lubac calls the moral and spiritual abdication of Roman Catholic Bishops under the Nazis. For decade's French cardinals, monks and nuns had helped one of France's worst war criminals, Paul Touvier, escape justice. It is difficult to imagine that it was possible, in the monolithic [Roman] Catholic Church, for so many to act so uniformly for so long without the knowledge and approval of the highest levels of the Vatican. Israelis have found it difficult to understand why the Vatican has refused to recognize the State of Israel." Jerusalem Post, editorial: "Maxima Culpa" 14 Feb 92; Adolf Eichmann was issued a Vatican visa and passport (in the name of Ricardo Klement, dated: 14 July 1950) by Franciscan monks in a Catholic monastery in Italy, giving him free passage to Argentina. At his trial in Jerusalem, raising his right hand in swearing to tell the truth, Adolf Eichmann gave the hand sign of the Pope. Hitler was backed by Illuminati bankers [the reason Rudolph Hess flew to Scotland (home of the Rothschild's)], in London, New York City and Berlin, after approval by Ivy Lee (probably chosen due to his successful promotion of the image of John D. Rockefeller), who was hired by I.G. Farben for that purpose [I.G.Farben, who fed the notorious "Farben buna soup" to the inmates working at "I.G. Auschwitz" factory (specially formulated to starve them to death in three months) and invented Zyklon B, the poison used to gas the Jews (according to Franciscan, Duns Scotus, Jews were slaves by divine decree), Gypsies etc. and now controls the pharmaceutical industry in the U.S., the A.M.A. and the F.D.A. That's why Laetrile (more recently called Mega-zyme Forte) was outlawed without ever being tested and not allowed to be tested. It's a food, (not a drug) vitamin B-17, derived from apricot seeds (and other food sources), that has been proven to cure three out of five "terminal" cancer patients. That's also why the F.D.A. "requires" \$210,000,000 and 10 years in research to put a vitamin on the market (effectively stopping all new vitamin company manufacturing). It really doesn't take much imagination to figure out the annual multi-million dollar income these pharmaceutical companies are raking in (\$29 billion in 25 years) from federal grants, which would come to a sudden stop if their were no more "cancer industry" (read: "World Without Cancer", by: G. Edward Griffen): while treating a congressman, Dr. Francisco Contraras, and the congressman, discussed hopes for an eventual cure: the doctor was told that if he took a total cure to the U.S. President tomorrow, he'd "Probably be killed!" "Cancer is such a big business in the U.S.A." Now you can see why Dr. Burzynski is being prosecuted in Texas for curing cancer patients. They will put him away because he is too much of a threat to their mega-buck industry] (in 1996 over 600 hospitals merged with Catholic institutions in 19 states, from Portland Maine to Oakland California).

Kernersville N.C : a cancer patient was told, by his doctor, he would have to have half his jaw removed to stop the cancer. The man went to Tijuana(Dr. Ernesto Contreras: Contreras Oasis Hospital, Playas De Tijuana, Mexico) and was treated with Laetrile and the cancer cleared up. The man told his doctor about the treatment and the doctor (by federal law) reported it to the American Medical Association: federal agents came and searched the mans home for the Laetrile. In the U.S: I.G. Farben is BASF, Bayer and Hoechst.

Tampa FL : Dr. James Kimball sentenced to thirteen years, by federal mob, psychopath, judge: richard lazzara : Dr. Kimballs crime ?: curing patients of degenerative diseases and slowing their aging processes, using non-pharmaceutical medicines he invented, and the FDA not making any profit from it : having a 100% success rate with his patients, he had to be stopped. Federal vermin lazzara stated: "he does not have any respect for authority or for the law". Are you starting to get the picture ?

Hitler stated in "Rise and Fall of the Third Reich", page 44:

"Regardless of how much room for criticism there was in any religious denomination, a political party must never for a moment lose sight of the fact that in all previous historical experience a purely political party has never succeeded in producing a religious reformation." Compare this with page 486-487: "These peoples looked longingly toward their "mother" countries, Hungary, Russia and Germany respectively, though the Sudeteners had never belonged to the German Reich (except as a part of the loosely formed Holy Roman Empire) but only to Austria". Obviously Hitler saw his Third Reich as a Roman Catholic enterprise ["Center Party"(re-established as Christian Democratic Party" following WWII) Catholic Church political party, who's president was Bishop Ludwig Kaas {one of its political protégés is in Peru with the same name and for the same purpose}), of Germany was disbanded by Cardinal Pacelli, throwing all of its support behind Hitler]. Hitler was baptized in Linz, paid the German state tax (Kirchensteuer) to the Vatican (still required of every German citizen today), was in communion and carried out cannon law and policy until his demise. With this in mind we can see why Hitler stayed true to his other concordat allies: Franco (who was put into power and assisted for his entire reign by Catholic order Opus Dei (founded by José Maria Escriva), who also assisted the Ustasha in Croatia during WWII and still assists Vatican mercenaries in Bosnia and Kosovo today; Sargent Shriver (and his wife, Eunice Kennedy Shriver), who was George McGovern's running mate in 1972, are Opus Dei (Pope's Mafia: Church and State magazine); F.B.I. special agent: Robert P. Hanssen (spied for the

Russians for 15 years) and F.B.I. head: Louis Freeh are Opus Dei supernumerary: keep this in mind when you learn the sole purpose of the order is the subjugation of governments to the Vatican)

<http://www.mond.at/opus.dei> (an annual mass is celebrated in Hitler's memory in Madrid) (the present day Irish Catholic press is full of flattering illusions to Franco of Spain and Salazar of Portugal) and Mussolini (who was put into power by the Vatican) while breaking every other international treaty. It is significant that Germany, Italy and Spain are together again as they were with Hitler, Mussolini and Franco (with their "Pact of Steel", signed, 22 May 1933).

2 March 1939: Cardinal Secretary of State, Eugenio Pacelli was sworn in as Pope Pius XII; four days later (as Hitler's tanks are rolling into Poland) Pacelli wrote to Hitler: "To the illustrious Herr Adolf Hitler, Fuhrer and chancellor of the German Reich! Here at the beginning of our pontificate we wish to assure you that we remain devoted to the spiritual welfare of the German people entrusted to your leadership. During the many years we spent in Germany, we did all in our power to establish harmonious relations between church and state. Now that the responsibilities of our pastoral function have increased our opportunities, how much more ardently do we pray to reach that goal? May the prosperity of the German people and their progress in every domain come, with God's help, to fruition!" Pacelli maintained a papal nuncio (Archbishop Orsenigo) in Berlin throughout the Third Reich. At Pacelli's express wish (20 April 1939) Orsenigo opened a gala reception for Hitler's 50th birthday, which became a tradition throughout the Third Reich, along with Cardinal Bertram sending "warmest congratulations to the Fuhrer in the name of the Bishops and dioceses in Germany", to which he added "fervent prayers which the Catholics of Germany are sending to heaven on their altars": "Hitler's Pope: The Secret History of Pius XII", by, John Cornwell (all research for this book was done in the Vatican Library).

Chick Publications (<http://www.chick.com>), in Ontario California, prints gospel tracts, storybooks and other Christian literature. This company is very important to this subject matter. As are the names of Joseph McCabe (former Franciscan monk and internationally famous atheist and author of almost 250 books); ex-Dominican monk: Walter M. Montano, author of "Behind the Purple Curtain"; ex-priest: Bernard Fresenborg, author of: "Thirty years in hell" and "Uncle Sam's New Fiancee". Chick Publications has, in print, the true story of a former Jesuit who, after many years in the service of the Vatican, came out of the Church of Rome and put his story into print, as did Montano, McCabe and Fresenborg.

This former Jesuit (Dr. Alberto Romero Rivera) and Jack Chick, of Chick Publications, have had many attempts made on their lives for publishing these materials, (Dr. Rivera, being poisoned by a dentist breaking off an infected needle in his jaw and systematically fed poison for many years, succumbed 20 June 1997) as have other authors and publishers of like subject matter. The Vatican does not take lightly the exposing of its practices, or of its secret books i.e. "Secret book of instructions for the Jesuits", LCCN: BX3705.A2 M65; "Secret History of the Jesuits": Edmond Paris 1975, LCCN: BX3706.2 .P3713 (these are two books you should definitely read). They expose the unquestionable clear methods and intentions of the Vatican for the future, (their own publications).

There are enough books, by such a variety of authors, from different time periods, writing from first hand knowledge, saying the same thing that the evidence is inescapable. Denial of this information can only be done with total bigotry and abstinence of logic, and therefore can only be construed as complicity with its intentions (yes it does bear repeating). It is very true that tyranny can only prevail when good men do nothing e.g. Chamberlain and the Treaty of Versailles.

"Romes responsibility for the assassination of Abraham Lincoln" (LCCN: E457.5.H316), author: Thomas M. Harris, Late Brigadier General U.S.V. (and a presiding judge over the trial of the conspirators), "The assassination of Abraham Lincoln" (LCCN: E457.5.H28 or .H31), also by Thomas M. Harris; "Behind the Purple Curtain" (LCCN: BX1773.M6); "The Great Conspiracy"; "The suppressed truth about the assassination of Abraham Lincoln" (LCCN: E457.5.M27) by Burke Mccarty; "Fifty years in the Church of Rome" by Charles Chiniquy, ex-catholic priest; "Treason History of the Order of the Sons of Liberty"(LCCN: E458.8.S85) by Felix G. Stidger; "Washington in the Lap of Rome" (LCCN: BX1770.F9) by Justin D. Fulton; "History of the Plots and Crimes of the Great Conspiracy to overthrow Liberty in America" (LCCN: E310.D983) by John Smith Dye; "The Trial of John Surratt" by: John Surratt [John Surratt hid in Catholic monasteries in Canada (6 weeks); England (4 weeks); became member of Zuaves (personal body guard to the Pope, in the Vatican) before, eventually, being extradited back to Washington D.C. to stand trial where (full row of Jesuits paraded, in file, up to John Surratt, at every break in the trial, to shake his hand and making sure the jury saw them) he got off on a hung jury. John Surratt and John Wilkes Booth studied for the catholic priesthood at the Sulpician Monastery, outside Baltimore]. "Official Records of the Union and Confederate Navies" series II volume III (federal depository library) shows the Vaticans involvement, on the side of the Confederacy, its complicity in the assassination of Abraham Lincoln and attempted assassination of Secretary of State William H.

Seward. As well as their planned control of politics, education [Bill Bennett (and his, Jesuit, brother Bob are KNOWN operatives in CIA/MK-Ultra/Project Monarch-extreme trauma induced mind control sex deviates and pedophiliacs), self professed Jesuit, Secretary of Education, under Reagan (Reagan was shot, 30 March 1981, after balking at assigning Bill Bennett as Secretary of Education: In April of 1982, in a speech made to the National Catholic Education Association: Reagan made the incredible statement: "I am grateful for your help in shaping American policy to reflect God's will, And I will look forward to further guidance from His Holiness pope John Paul II during an audience I will have with him in June.") propagator of Outcome Based Education (OBE), stated: "All children should be taught by Jesuits"], immigration [St. Leopold Foundation (Vatican spy network, founded: Vienna Austria, 1828)] and their already, at that time, control of much of the press (which has grown to include every other mode of media communication): "Liberty of the press, the most dangerous liberty, an execrable liberty, which can never inspire sufficient horror, and which some men very noisily and insistently demand to spread everywhere . . . ": Pope Gregory XVI: (Toward a Catholic Constitution", pg. 59, by: Leonard Swidler.). Pope Pius wrote a letter to Jefferson Davis, with the specific instruction to have it printed in the Richmond newspaper to get the Irish Catholic's in the Union army to desert. He did and they did (144,000+ deserted in one week). When Lincoln initiated a draft for the Union Army, in New York City(1864), Archbishop Hughes instigated the biggest race riot in American history, including the burning to the ground of a black orphanage and trampling to death of its occupants. We know the Illuminati's international bankers supplied Jeff Davis (who's secretary of state: Judah P. Benjamin, was a House of Rothschild agent), J. Wilkes Booth, Sons of Liberty, Knights of The Golden Circle (J. Wilkes Booth was seduced to assassinate Abraham Lincoln by a woman, Ella Turner, and joined Knights of The Golden Circle for the sole purpose of obtaining their assistance to that end; Leon Czolgosz joined Knights of The Golden Eagle and was seduced to assassinate president William Mckinley by the infamous woman anarchist: Emma Goldman), Order of American Knights (Copperhead organizations, still in existence today, with their own quarterly newspaper: "Copperhead Chronicles", with their same old anti-Lincoln and anti-Union rhetoric) etc. with money thru the Bank of Ontario, Montreal Branch, thru Jeff Davis's "Canadian Cabinet", which was planned in detail in the Vatican before Brig. Gen. Beauregard (Catholic) fired on Fort Sumter: "We have the proof that the company which had been selected and organized to murder me was led by a rabid Roman Catholic named Byrne; it was almost entirely composed of Roman Catholics. More than that, there were two disguised priests among them to lead and

encourage them. Professor Morse, the learned inventor of electric telegraphy, tells me that recently, when he was in Rome, he found the proofs of a most formidable conspiracy against this country and all its institutions. It is evident that it is to the intrigues and emissaries of the Pope we owe, in great part, the horrible civil war which is threatening to cover the country with blood and ruin." (Abraham Lincoln). All this is in the Library of Congress, along with U.S. State Department record of the U.S. Government breaking off diplomatic relations with the Vatican on 30 June 1867 (for refusing to allow non-catholic religious worship inside the walls of Rome: which should tell you how TBN now has an international religious TV broadcasting station in Rome), which was re-established by Ronald Reagan, 10 Jan 1984. Reagan only authorized the raid on Moammar Gahdafi after Gahdafi's terrorists set off bombs in Rome, even though he knew about Gahdafi's terrorism and counterfeiting activities for years.

According to Alberto Rivera there have been over two thousand Jesuits in U.S. government positions prior to 1980. If this is true, and all indications appear so, there's no telling how many there are now, and how much power they wield in Washington and state governments. The Jesuits control the entire CIA/MK-Ultra/Project Monarch (extreme trauma induced multiple personality: Jesuit/Vatican mind control) program. These robotic victims are used as sex slaves and to deliver drugs/money and/or encrypted messages to heads of state and/or their drug operatives all over the world. They are also used to carry out murders [Eric Harris and Dyland Klebold (Al Gore and his goons wore black trench coats while he made his speech at Columbine High School: identifying with the "Trench Coat Mafia")].

Operatives within Project Monarch program: Gerald Ford, Ronald Reagan, George Bush, George Bush Jr., Bill & Hillary Clinton, Robert C. Bird, Alan Cranston, Madeleine Albright, Dick Cheney, Bob (drug czar) & Bill Bennett (Jesuits), Alan Simpson, Arlen Specter, Jim Traficant, Governor Mellon, Bob Clement, Pierre Trudeau (Canadian President/Jesuit), De la Madrid (Mexico), Michigan governor: Blanchard, Prince Bandar Ben Sultan, Dr. Steve Hassen, Dr. Louis Jolyon West (psychiatrist who experimented with LSD for the CIA, and former head of Neurosychiatric Institute UCLA, Los Angeles), Civia Tamarkin, Sue Carper, Joe Casey, William Casey, Dennis Delaney, William Dieh, Lloyd Lindroth, Jimmy Buffett, Rev. Billy Roy Moore, Larry Flint, Charlie Pride, Jack Greene. Country music operatives: Alex Houston, Lee Atwater, Boxcar Willy, Jimmy Dean, Jimmy Walker, Tommy Overstreet, Lee Greenwood, Jerry Reed, Kris

Kristopherson, Wayne Cox, Ken Riley, R.C. Bannon. Baseball operatives: Tommy Lasorda, Nolan Ryan. Others: Don & Guy Vanderjagt, Bud Crammer, Steve Hassen, J. Bennett Johnston (Louisiana Senator), David Rorick, Patrick Leahy, George Lucas, Michael Dante' (Michael Viti), Reggie "Mac" McLaughlin, Hal Meadows, Dick Thornburgh, Mickey Miller, Ray & Regina Myers, Scott Rosenburg, Carlos Salinas de Gortari, H.R. Gibson, Gary Ackerman, Lamar Alexander (ritual Satanist), General Cedras, Lt. Col. Michael Aquino, Jack Valenti, Jose Busto (Puerto Rican drug lord). Catholic priest operatives: Vesbit, father Don, James Thaylen. Centers for mind control experimentation: Branson Missouri Country Music Center, Lords Chapel Church (Brentwood Tenn.), St. Frances of Assisi Catholic Church/Catholic Center high school (Muskegon, Michigan), Jesuit College (Wheeling W.V.), Boys Town Orphanage (incorporated) Omaha Neb.), Mormon Church (Salt Lake City, Utah), Church of Scientology, Andrews A.F. Base, Barksdale A.F. Base, McDill A.F. Base, Offutt A.F. Base, Plattsburgh A.F. Base, Tinker A.F. Base, Warner-Robbins A.F. Base, Ft. McLelland, Ft. George Meade, Ft. Campbell, NASA: Cape Canaveral; Washington D.C.; Marshall Space Flight Center, Redstone Arsenal, Huntsville Al., Harvard University ("Trance-Formation of America", by Cathy O'Brian and Mark Phillips). Advocacy Committee for Human Experimentation Survivors-Mind Control (ACHES-MC) is an organization dealing with survivor/victims of this heinous Jesuit/CIA program.

Linda Wegen's case is typical: (a loving mother simply trying to raise her children) after finding out her children were victims of SRA (satanic ritual abuse: by her ex-husband and the local day care center), Linda took her children to a psychiatric hospital who (after their examination) told Linda of her children's SRA condition. The federal authorities then confiscated everything Linda owned (home, bank accounts, car, clothing; literally, everything except the clothes she was wearing!): simply because she was trying to help her children: her children were given to her satanic ex-husband: even her children from her former marriage which he had not adopted. Satanic ritual abuse of children through day care centers is very prevalent, especially in Connecticut.

The "Finders" in New York City, is a CIA front organization dealing in kidnapping; international trafficking of children, pedophilia and drugs.

The Vatican bought 26.8 million dollars in gold from the U.S. reserves, at a dollar an ounce under market value (\$34 an ounce) and sold it back to the Government at market value [\$35 an ounce (United Nations World Magazine, Dec.1952)]; With 5500+ schools, colleges and universities

(Clinton was educated at Jesuit Georgetown University, where he and Fidel Castro were trained in communist philosophies; Jefferson Davis at St. Thomas Catholic college in Kentucky) all receiving government subsidies. Marymount College in Boca Raton, Florida is typical: Founded in 1963 and having a student body of 350 in 1968, it received, from the government, two million in housing grants, a \$55,000 anti-poverty grant to study migrant children and a \$10,000 education grant; In 1965 in Mississippi a \$7,000,000 government-sponsored program for the retraining of unemployed was run by an agency organized by a Roman Catholic Diocese, the \$7,000,000 was financed by the government via the Hillburton Act (1954, 1964). From 1947 to 1964 7,372 such projects were approved; HUD condemning public lands and giving it to the Catholic Church, along with protestant tax money to develop the land [build Catholic schools or hospitals (since 1961 the Catholic Church has been receiving \$83,000+ a day for such projects)]. HEW should be renamed CPA (Catholic Property Acquisition); Jesuit Fordham University acquired a valuable piece of Lincoln Square in New York City for a fraction of its worth, then got federal aid to develop the property; Manhattan College, famous for its wines and brandy, obtained a large factory and financial assistance from New York's Dormitory Authority; In Chicago HEW donated a sixty-acre, 4.5 million dollar tract at the Hines Veterans Administration Hospital to Jesuit Loyola University. When V.A. general councilman Fred B. Rhodes Jr. balked at the giveaway a devout Catholic replaced him. New York State banking records shows us that in 1962 the Catholic Church owns stocks and bonds in hundreds of corporations. Among others: Baltimore & Ohio R.R., Rock Island, Erie, Sea Board, Missouri Pacific, Pere Marquette, Goodyear Tire & Rubber, Firestone, Fisk, U.S. American Smelting, Commonwealth Edison, Brooklyn Edison, N.Y. Edison, Pacific Gas & Electric, West Penn Power, American Commonwealth Power, Texas Electric, Atlantic City Convention Hall, Louisiana Hotel Company, Squire Building, Lane Bryant, Fox Playhouses, Fox Theater (St. Louis), Denver Joint Stock Land Bank, Savoy Plaza Hotel, National Dairy, Thermoid, Washington Silk, Pillsbury Flour, Yankee Stadium, Watergate, General Motors, General Electric, Shell Oil, Bethlehem Steel, Gulf Oil, IBM, Boeing, Lockheed, Douglas, Curtis Wright, Phillips Oil Co., Creole Petroleum Co. And all tax-free.

CRAIG-OXLEY - April 30, 2007 01:22 AM (GMT)

In Massachusetts its hard to distinguish between the Catholic Church and the state government, every time a public school closes the Catholic Church buys it for a dollar; The Catholic Church never loses a

"sealed" bid on public land auctions. This is done via an open and devious by-passing of the U.S. Constitution, by the hidden Catholic pressure group within the U.S. Government, state and local, by the legal, semi-legal and dubious politico-financial manipulations of sly Catholic dealers relentlessly operating in the legislative, financial and real estate fields on behalf of the Catholic Church. At one time the Catholic Church owned more land area than the entire state of Connecticut. The Catholic Church has been "buying" land and constructing buildings in New York City at a rate second only to the city itself (being all tax exempt: care to take a guess why New York City went bankrupt twice when George "Mr. Cocaine" Bush was in the Whitehouse?) and all thanks to Cardinal Francis "burn-em alive" Spellman ("The Vatican Billions" by Avro Manhattan); [The Popes banker, Michele Sindona, was a very busy boy before being sent to federal prison in New York State for causing the default of Franklin National Bank. It appears he was not only the Popes banker but also the banker for: IOR [Vatican bank (Societa General Immobiliare), Italian Masonic Lodge, P2(Italian Masonic Lodge political arm), Vatican political party, Sicilian mafia and Lacosa Nostra (Sindona set up the system for Sicilian mafia and Lacosa Nostra to launder their drug money thru Vatican owned banks, Credit Swiss, in Switzerland). He, in all likelihood, set up the program of \$900,000,000 in counterfeit bonds for the Vatican, to be pushed in this country. When it was discovered that the Vatican Bank (IOR) and Cardinal Tisserant (second only to the Pope) were the main offenders, and an investigation was certain to follow, Tisserant conveniently died, requesting before his death that his diaries be removed from the Vatican.]; The I.R.S. classifying people who stand up for their rights as nonfilers, knowing full well there is no I.R.S. code or law requiring anyone to assess themselves for any tax (article five of the Bill of Rights) and then turning them over to the B.A.T.F. who (by computer program automatically) classifies them as drug smugglers with their semi-secret "T" code system["T5"(I.R.S.6209 manual)], to give them the appearance of legality, to confiscate properties [If you go to court (Title 4(annotated) U.S. Code, Chapter 1: u.S. flags in federal court rooms are military Ceremonial/Parade Flags (gold fringe), AR840-10(b-1): under which the u.S. Constitution is suspended {two gold-knotted-tasseled ropes are admiralty flag: again the u.S. Constitution is suspended}) with the I.R.S. they ask you about your U.S. citizenship and if you don't answer just right they classify you as a citizen of Puerto Rico, Guam, Samoa or the U.S. Virgin Island's [the "other" united states that are owned by the District of Columbia (acquired from the Spanish American War) and run by the Catholic Church]. Care to guess why? (Because that's the only place the I.R.S. & B.A.T.F. have "legal" jurisdiction). The I.R.S. is a

department of the Treasury of Puerto Rico. The title heading of the I.R.S. reads: "Internal Revenue Service a Department of The Treasury", it does not tell whose treasury it's a department of. Look in 31 USC under Dept. of U.S. Treasury and look for the agencies they authorize: guess who is missing, that's right, the B.A.T.F. & I.R.S. Why do you make checks payable to the I.R.S. and not the U.S. Treasury? That's how the I.R.S. diverts your money to the international bankers (IMF)]; The names of every member of the jury pool, in a tax case, is given to the I.R.S. by the U.S. Attorney prosecuting the case: securing a partial jury for the I.R.S. If you, or any one you know, is having problems with the I.R.S. contact, tax expert, Ben Houck Ph:(614)532-9669 or Fax: (614)532-3570. Ben knows more about income tax codes than the I.R.S.

The jesuits own fifty one percent of Bank of America (largest bank in the U.S.) the Vatican owns stock in hundreds of banks all over the world; Banca Nazionale de Lavoro (the Pope owns controlling interest), through its branch in Atlanta Georgia, laundered over \$5 billion of American taxpayers money from the U.S. Dept. of Agriculture to pay for Saddam Hussein's war machine, including his "super gun"; Railroadng Rep. George Hansen (R-Id.) into prison and physical torture ("Diesel Therapy", that left his wrist's crippled for life) by judge Edward Lodge, after Hansen called for a congressional investigation of the Justice Department and wrote the book: "To Harass Our People, The IRS and Government Abuse of Power" (assault on religion) [In this book Representative Hansen exposes the I.R.S.'s practice of selectively prosecuting church's for income tax evasion (Sun Yung Moon,1981, for not reporting interest on 112,000 in Chase Manhattan bank. Do not be deluded that this has anything to do with a zeal for collecting tax's for the United States Treasury. The tax, fine and penalties combined do not amount to a fraction of what the I.R.S. spent in prosecuting the Moon case. Not three miles from the court house where he was prosecuted, Roman Catholic Archbishop of New York: Terence Cooke, held personally in his own name, assets worth a thousand times that which Moon was charged with evading. In fact Catholic church law requires the reigning ordinary own its property in his own name: known in law as: "corporate sole", for which, of all the hundreds of Catholic Archdioceses reigning Cardinals and Bishops in the U.S., not one has ever been looked at by the I.R.S., much less brought up on any charge, showing conclusively, who the I.R.S. selects and why)]; In the trial of F. Tupper Saussy, <http://www.patshannan.bizland.com/rulerintro.html> prosecuted by (self professing jesuit) John MaCcoon, exculpatory evidence ignored or suppressed, prosecutorial improprieties excused, attempts to avoid consequences of improprieties bring punishment: This

prosecutorial/judicial steamrolling people into prison (Saussy with 14 months) is not unique to tax court cases. It is the typical judicial MO of state courts railroading parents (of phony child sex abuse cases) into prison: Kern County (Bakersfield) California is typical (see the docudrama: "Just Ask My Children"); Ruining Rep. Joseph Montoya (D-N.M.) for pushing for reforms of I.R.S. agency crimes exposed by him in Senate hearings in the 1970's; F.D.A., H.R.S. etc. arresting people, ransacking health food stores, confiscating property, killing animals, destroying property, and all without a court order and in deliberate violation of article five of the Bill of Rights, throwing peoples right of habeas corpus (assumed innocent until proven guilty) out the window; with immigration (totally controlled by Jesuits) bringing in Hispanics (all Catholic) by the boat loads (legally and illegally) to feed off our welfare system and further deplete the economy [which explains the planned failure of Nafta and Gat (sending companies and jobs to dominant Catholic countries) thru Vatican controlled Mexico] and influence federal, state, county and city legislation and elections [the unofficial private corporation: News Election Service (NES) has sole physical control of the counting and dissemination of every vote, in our national elections, and does not allow the public to know how it is done] and will be the only ones to receive unending welfare when welfare "officially" comes to an end. At or near every immigration office in the U.S. is a Catholic law firm to give free legal assistance to any Catholic immigrant entering this country. Anyone doubting this should read: "Illegal Emigration movements In And Through Italy", by: Vincent La Vista, declassification no. NND 760050, 4-11-90, National Archives Record Group No. 59, Center For Legislative Archives, Washington D.C: Why else would we have immigration offices in Rome and Mexico City? (It is no coincedence that the only other foreign office of U.S. Department of Immigration is in the worlds second highest volume route for heroine: Bangkok Thailand).

P.S. United States Constitution, Article I, Sec. 9, paragraph 4: No capitation, or other direct tax shall be laid unless in proportion to the census or enumeration herein before directed to be taken.

Article XVI: The Congress shall have power to lay and collect taxes on incomes, from whatever source derived, without apportionment among the several States, and without regard to any census or enumeration.

Ronald Reagan and Richard Nixon used the WWII fascist war criminals smuggled into this country(Nazi war criminal, Walter Dohrnberger, sentenced to be hung at Nuremberg, is head of Bell Aerospace Corp. R & D dept.) thru the Vatican "Ratlines" to get the ethnic votes that put them

in the Whitehouse. Ronald Reagan, while governor of California, set a day of recognition for the Ustasha of Yugoslavia until the Yugoslavian government protested; on his visit to a concentration camp in Europe: Reagan laid a wreath on the grave of an S.S. officer. "The Church can dispense from a promissory oath. This power belongs to the Pope and Bishops, who exercise it either by themselves or by their delegates." p.203; "The civil laws (of Christendom) are binding in conscience so long as they are conformable to the rights of the Catholic Church."p.278 "Abridged Course of Religious Instruction for the Use of Colleges and Schools" by: Rev. F.X. Schouppe (Jesuit); federal judges controlling the juries to the extent that they have no choice but to rule the way they say, or overruling them and passing his own judgement on the defendants (which moves sovereignty from the people to the courts), e.g. Walter Smith Jr.(Judge Roy Bean) of Waco Texas. The list of federal agency violations of "citizens rights" is a bottomless pit. Like the threat made on myself by an I.R.S. special agent from Pikeville Ky. in the I.R.S. office in Ashland Ky.(28 April 1995) when he laid a loaded snub nose cal.38 revolver on the desk in front of me, with the barrel pointed at me, while being witnessed by collections agent John T. Yewell.

Then there's Mt. Carmel, with its trumped up charge of a methamphetamine laboratory (never mentioned again after the raid started) to give assistant U.S. attorney Bill Johnston an excuse to get his warrant and special forces training for his B.A.T.F. goons; and with the B.A.T.F. agent Robert Rodriguez having been in Mount Carmel (day before the raid) where he inspected all the firearms and knew what was and was not there, and with further inspection of the weapons "requested" of the B.A.T.F. by David Koresh and "refused" by the B.A.T.F.(which would have left them without an excuse for their murder and mayhem). Five FBI agents rented a house across the road from Mt. Carmel: two of those agents attended bible study classes with David Koresh for a month before they started their slaughter: at the same time other FBI agents were busy printing and handing out leaflets in Waco, degrading the Branch Davidians. I'm sure Bill Johnston was expecting a turkey shoot, and all with 100% support from the controlled (Skull & Bones) media, before, during and ever since ("The Massacre of The Branch Davidians" by Carol Moore, 28 Jan 1994). All of this is a precursor of what is to come.

Ever notice how the media never misses an opportunity to jump on preachers who make statements concerning government policy, screaming: "separation of church and state"? And when the Pope comes to this country making speeches on the same issues their silence is deafening! The only person to voice a negative response to the Popes statements to abortion

was Madelin Murrey O'Hair, whose statements have not been published since. Just before O'Hair, and her family, was to go to New York, to protest the Pope, she and her family disappeared without a trace. Again the media silence was deafening. Ever notice the A.C.L.U. in all of its rantings about separation of church and state is stone silent about government (protestant taxpayer) moneys going to Catholic schools? (Federal grants and loans to Jesuit colleges, universities and their programs are in the billions). At the turn of the century Pope Leo XIII was raking in over one and a half million dollars annually from: (1) Peter's pence contribution (over \$415,000); (2) Apostolic Chancellery aggregate (\$520,000); (3) Interest of the vast sum left by Pius IX in the Pontifical treasury, invested chiefly in English Consols (\$625,000). Notice the Pope trusted the securities of a Protestant nation and not a Catholic as France, Spain or Mexico. These figures would hardly make a dent in those of today.

The Jesuits rake in over \$280 million annually. The assets of Grey Nuns of Charity \$3.5 million; Sisters of the Immaculate Heart \$7.5 million; Sisters of Saint Joseph of Newark \$17,899,384; Little Sisters of the Poor \$25 million; Sisters of Mercy \$39,754,132; Sisters of Charity \$66,533,833; Sisters of Charity of Providence \$90,187,000; Sisters of the Sorrowful Mother \$93,636,516; Sisters of the Holy Cross \$110,892,759. There are 539 such orders of nuns and monks. All tax-free! AND THE I.R.S. NEVER LOOKS AT!! "Praise The Lord For Tax Exemption", by: Stanley Lowell and Martin Larson.

If you think my thesis untenable then please prove me wrong. Simply run a background check (personnel file) to see which (if any) Jesuit schools were attended by (or: Knights of Columbus; Knights of Malta; Opus Dei): publishers of public school history books; federal judges: Joyce Hens Green, Manuel L. Real, Tanner, Hodges, Thomas P. Griesa, Milton Pollack, John W. Walker Jr., Kimba Wood, Clifford Weckstein, Richard A. Posner, Richard Maich, Ranck, James F. McClure and definitely Walter "Roy Bean" Smith Jr. of Waco; Assistant U.S. Attorney's Bill Johnston, John Maisto (U.S. diplomat), Leslie Brydon, Herschel Lock, Jeffery Mench, [the previous three, along with Tom Bowman (personal aid to Skull & Bones Senator Arlen Specter), Richard Medellin, Judges: Rank and James F. McClure being instrumental in the kidnapping (the children were taken without the parents being present or even notified when the charges were presented in court) of the children of Steven and Dawn Ames in the court of common plea's of Northumberland County Pennsylvania. The sole charges being: teaching their children the Bible and the U.S. Constitution], and B.A.T.F's: John Magaw, Davey Aguilera and Lloyd

"Bilderberg" Bentsen [who was C.F.R. (Illuminati)]; Peter Galbraith: U.S. Ambassador in Zagreb; Bob Bartel of "The Spotlight" newspaper (his political tabloid is anti-Semitic and denies the Holocaust, which was orchestrated in the Vatican); Tom Metzger, who's skinhead organization uses R.C. symbology [the mirror image dragon/bird, used by the Skinheads, is identical to that used by the Nazi's and Albanian K.L.A. (Stash)] and doctrine (with the names changed) and has direct links with skin head/nazi organizations in Germany; US Magistrate: Richard Kop, US Attorney Thomas Taken, FBI head: Nicholas O'Hara, Mickey Mott (the last four being Satan worshiping pedophile of Omaha Nebraska); Frank Liberto (New Orleans godfather/close associate to J. Edgar Hoover (Knight of Malta) and key figure in the assassination of Martin Luther King Jr.). Known Knights of Malta members are: William Casey (CIA head), Jeremiah Denton (Alabama Senator), Pete Domenici (New Mexico Senator), Alexander Haig, William Simon (Treasury Secretary), William F. Buckley, Lee Iacocca.

Every Government official, especially C.I.A., graduate from Yale University is Skull & Bones (which had its origin in the University of Berlin. Founded at Yale by Alphonso Taft and William H. Russell and exists only at Yale University). Some members being: Arlen Specter, Prescott Bush (and other Skull & Bones members robbed the grave of Geronimo in Oklahoma taking the body back to the "Tomb" on the Yale campus), George Bush, George Bush Jr., Franklin Roosevelt, Kellogg, Dupont, Richard Bissell Jr. etc.

Since the Pope has set down, in document, his clear intentions it would be prudent to do a background check on Robert L. Sumner (who spreads lies about fundamental preachers): "Against an elder receive not an accusation, but before two or three witnesses." (I Timothy 5:19), Jim Bakker, Pat Robertson [J. Peter Grace, top man in Knights of Malta (a secret Catholic quasi-religious on the surface/anti-religious at the core organization that dates back to the Crusaders), is godfather to his children], Paul Crouch, Benny Hinn, Billy Graham and Jack Van Impe. These are T.V. preachers pushing the ecumenical whitewash of the "Mother of harlots and the abominations of the earth" (Rev.17:5). "For such are false apostles, deceitful workers, transforming themselves into the apostles of Christ. And no marvel for Satan himself is transformed into an angel of light. Therefore it is no great thing if his ministers also be transformed as the ministers of righteousness; whose end shall be according to their works" (II Corinthians 11:13-15). The Jesuits have been in control of the National Council of Church's and World Council of Church's for over thirty years.

It is very relevant to remember that the Vatican [Vatican is from the classical Latin root word: Vaticanus, which by definition means: "house of divination" (dwelling of demons); standing in the center of St. Peters Square is an obelisk (symbol of male sex organ in Satan worship) from Egypt] is an independent country with its own dogmatic constitution. With the Pope (vicar of Christ) being the head of that state. Therefore for a practicing R.C. "not to" adhere to the dictates of the Pope and his encyclicals is to go against God. This is Roman Catholic canon law: "Abridged Course of Religious Instruction for the Use of Colleges and Schools," by Rev. Father F.X. Schoupe (Jesuit) p.203: "The Church can dispense from a promissory oath. This power belongs to the Pope and bishops, who exercise it either by themselves or by their delegates." p.278: "The civil laws (of Christendom) are binding in conscience so long as they are conformable to the rights of the Catholic Church." (Whats this tell you about the U.S. Supreme Court of which at least four are R.C. and ruled to keep the Bible out [while allowing two dirty books: "Of Mice and Men" and "Catcher In The Rye" (of which John Lennons killer {Mark David Chapman} was a student) to be required reading in every high school in the country] of Public schools and to murder the unborn and calls pornography: "freedom of speech"?). ("The kings of the earth set themselves, and the rulers take counsel together against the LORD, and against his anointed, saying, let us break their bands asunder, and cast away their cords from us. He that sitteth in the heavens shall laugh: the Lord shall have them in derision. Then shall he speak unto them in his wrath, and vex them in his sore displeasure." (Psalm, 2:2-5.) This is very important to remember also when reviewing the events leading up to and during the Vietnam War i.e. secret meetings in the early fifties of certain democratic senators (including John Kennedy) concerning Vietnam; placing R.C. Ngo Dinh Diem in the presidency [after being schooled in the U.S., by Cardinal Francis "Burn-em Alive" Spellman (key figure behind William J. Donovan (Knight of Malta), creator of the O.S.S., forerunner to the CIA; close associate of Dwight D. Eisenhower {who directed American B-17 bombers to avoid I.G. Farben headquarters in Berlin and cut off the gas supply for General Pattons tanks to slow him down, thus extending the war), who's only answer to communism was to burn them alive, and Robert Strange Mcnamara thru the CIA (Catholic Illuminati Assassin's)] in deliberate violation of a legally constituted (U.N. sanctioned and observed) election, which communism won; Diem's systematic "ethnic cleansing" of all who would not recant of their religion and embrace Catholicism; creating a tax structure that was so oppressive that non-Catholics were starved out, and so favorable to Catholics that it caused a mass exodus of north Vietnamese Catholics to the south and south

Vietnamese Buddhists to the north, which was more than even John Kennedy could tolerate, so he had Diem killed (2Nov63), and twenty days later Kennedy was shot by three hit men (Oswald look-alike: William Seymour-school book depository; Manuel Gonzales-Dal-Tex building; Emilio Santana-open manhole on street curb: last two picked from, FBI Division 5's thirty professional assassins kept on retainer in Mexico City) 22Nov63 (planned and supervised by, two sex deviates: Clay Shaw (Knight of Malta), Solidarist-Catholic priest: David Ferrie and William Seymour: employees of Defense Industrial Security Command (DISC) which is a joint venture of FBI's Division 5 and Defense Intelligence Agency of the Pentagon). Almost all of the orchestration operatives were WWII Nazi's smuggled into this country 1945-1950 on Vatican visa's e.g. Werner von Braun and Walter Dohrnberger. Ferenc Nagy: high level boss in FBI Division 5 and president of Permindex Corp. (money laundering liaison for FBI Division 5 and DISC operatives) was the "umbrella man" in Deily Plaza who opened his umbrella (sunny day) signaling the start of the shooting (closing his umbrella signaled the stop).

Top planners in the assassination cabal: Lyndon Johnson, J. Edgar Hoover, L.M. Bloomfield, Ferenc Nagy, John DeMenil, Carlos Prio Socarras, Walter Jenkins, H.L. Hunt [American Council of Christian Churches (ACCC)], Bobby Baker, Clifford Jones, L.J. McWillie, Werner Von Braun, Roy Cohn, Fred Korth, John Connally and Clint Murchison.

L.M. Bloomfield (answering only to Hoover and Johnson) was in overall charge of the supervisory and working assignment group: Walter Dohrnberger, Guy Bannister, Albert Osborne (ACCC), E.E. Bradley (ACCC), Morris Dalitz (Las Vegas), Major General John B. Medaris, Robert McKeown, Igor Voshinin, George Bouhe, Peter Gregory, Maurice Gatlin, Sergio Arcacha Smith, Lee Harvey Oswald, William Seymour, David Ferrie (Catholic priest), T. Gonzales, Manuel Garcia Gonzales, Layton Martens, Gordon Novel, Walter Sheridan, William Dalzell, Paul Raigorodsky, Joe Bonnano, Dimitri Royster (ACCC), Alex Carlson, George Mandel, Breck Wall, Clay Shaw, Joe Cody, Jake Kosloff, Mike McLaney, Ruth and Mike Payne, Igor Vagonov, Jack Bowen, Mike Ryan, Tammie True, Max Cherry, Patrick Hoy, David Hoy, James Powell and many others with lesser assignments. (Nomenclature of An Assassination Cabal, by: William Torbitt { pseudonym}). This document previously quoted: "Plausible Denial" by, Mark Lane. However, due to more recent revelation, it is obvious that publication is without merit [Mark Lane (personal friend and confidant to the infamous Jesuit: Jim Jones), as attorney for James Earl Ray, sent his key witness to Jonestown the day before the Jonestown massacre. Fortunately, for her, she didn't go].

The Vietnam "genocide" was given a fresh shot in the arm in the 1967 C.I.A. "Operation Phoenix", implemented by, sovereign Knight of Malta: William Casey [known MK-Ultra/Project Monarch pedophile operative (CIA's Laos & Vietnam station chief, egregious mass murderer, Theodore Shackley being the key operative in the assassination cabal, under George Bush)]. General Westmoreland became a Catholic while in command in Vietnam. Ross Perot wasn't able to contact any POW, MIA's because the C.I.A. kept getting in the way, with their operation of taking over the opium smuggling trade, for themselves and the Sicilian Mafia, out of the "Golden Triangle" [largest buyers of opium in the world are well known top officials in the C.I.A. & D.O.D. (Richard Armatage, no.2 man in the Department of Defense (DOD); Theodore Shackley, no.2 man in the CIA, under George Bush. Bush is on the board of directors of Eli Lilly: the company that produces the precursor chemicals to produce cocaine, heroine and the company that first synthesized LSD for the CIA)]. The U.S. government transports over half the illegal narcotics into the U.S., mostly on military transport, tons at a time with no customs check, then flown on commercial airliners, in cargo containers, to organized crime families, then distributed in cities street gangs, Contra's and motorcycle gangs: <http://www.ciadrugs.com>

Nixon got us out of Vietnam without winning and the Vatican getting control of the southern government, for which he was watergated (the Watergate office building complex was built and is owned by the Vatican). Read: "Vietnam, why did we go?" by: Avro Manhattan. Ten days before his assassination John Kennedy stated in a speech at Columbia University: "The high office of president has been used to foment a plot to destroy the Americans freedom, and before I leave office I must inform the citizen of his plight". There is evidence of Fidel Castro's involvement in the conspiracy but not conclusively. However Dr. Alberto Rivera's testimony of knowing of Castro's presence in the Vatican while he, and the infamous Jim Jones, were there in school (being trained to destroy church's), and Soldier of Fortune magazine's article on two Jesuits kidnapping Honduran peasant farmers and sending them to Cuba, into forced guerilla warfare training, along with John Kennedy stopping the B-26 bombers from taking off in support of the freedom fighters during the Bay of Pigs invasion, which they were totally dependant on; leaving Castro's planes to strafe and bomb the raiders {its obvious the raid was designed to fail: all aspects were controlled by the CIA; troop transport deck machine guns malfunctioned, mounts rusted thru, four of six landing craft sink before their even boarded; using Bay of Pigs [which the Cuban Revolutionary Council would never approve (reefs, surrounded by swamp,

radio station nearby) so Kennedy has them flown, under false pretences, to a blacked out airfield at Opa-Locka Fla., where they held in isolation, against their will, under armed military guard: Only then do they learn, via AM radio, that the raid has been moved up (putting the initial air strike, using six B-26's, not all fourteen, securing minimal damage and giving Castro ample warning of an impending attack) just before the UN meeting knowing the US would be blamed, giving Kennedy his excuse to ground the bombers (but not the paratroop planes taking off from the same field in Nicaragua) and, had not only already started, but already past the point of no return] guaranteeing the failure of the raid and effectively ending all organized effort to remove Castro}. "This was how the whole thing was going from the beginning", General Lemnitzer: Chairman Joint Chiefs of Staff ("Bay of Pigs, The Untold Story" by Peter Wyden), certainly lends credibility to the assertion that Castro is a Jesuit and was involved in Kennedy's assassination. We do know Castro is Illuminati and indoctrinated in communism at Georgetown (jesuit) University (as was Bill Clinton). Kennedy had stopped borrowing money from the IMF: had issued and signed executive order 11110, abolishing the FED, and had new inflationary money printed at the US Treasury (the bills you see with red serial numbers) which secured the orchestration of his assassination by the Illuminati, Bilderberg's (modern day version of: "Congress of Vienna" who wrote the "Secret Treaty of Verona" 1814-1815: the execution of this edict was assigned to the re-established Jesuits 1814) and Trilateral Commission; he made it known he was going to dissolve the CIA, thereby securing Skull & Bones organizations co-operation; having Ngo Dinh Diem killed, plan of pulling U.S. troops out of Vietnam without getting control of Vietnam for the Vatican secured the co-operation of the Jesuits and the Vatican. Though J. Edgar Hoover set the procedural orchestration in motion, John Connolly, Lyndon Johnson and Louis M. Bloomfield (Canadian lawyer who did the contract operative hiring for FBI's Division 5), the planning of the assassination itself was done by E. Howard Hunt (also an operative in the "watergating" of Richard Nixon), William Seymour, Clay Shaw and David Ferrie (Catholic priest). Financing the entire assassination operation was Vatican banks: De Famaco Astalde Vaduz (Swiss), Leichtenstein (Swiss), Seligman Bank (Swiss), Banca Nazionale de Lavoro (Rome) [this bank, owned by the Pope, through its branch in Atlanta Georgia, laundered \$5 billion from the U.S. Department of Agriculture to Saddam Hussein's war machine, including his "Super Gun"]. Lyndon Johnson sent the USS Maddox and USS C. Turner Joy into North Vietnamese territorial waters (2&4 Aug 64) to draw fire from North Vietnam (the radio message the USS Maddox received, ordering it, and USS C. Turner Joy, into North Vietnamese territorial waters came direct from the Whitehouse). When the plan failed to bring the desired

results (knowing why they were there: Maddox and C. Turner Joy fired on each other in the night out of sheer paranoia) Johnson lied to Congress and the nation, saying the North Vietnamese fired on an American "peace keeping" ship in international waters: giving him his excuse to commit U.S. troops into armed conflict with North Vietnam. Later Johnson realizing "his" war is a non winner and his bombing escalation's bring protest's and riots and not able to back out either (he didn't want to take a ride through Dealy Plaza): simply elected not to run for "another term as your president", thereby escaping: "the poisonous cup"; "the strangulation cord"; "the steel of the poiniard"; "the leaden bullet". The blanket of corporate stonewalling (by every department of legislative, executive and judicial branches of government, including the media, to all subsequent investigations into the murders of John F. Kennedy, Martin Luther King and Robert F. Kennedy, extending from the local levels all the way to the U.S. Presidency and Supreme Court) culminates into a preponderance of evidence of, not only a cover-up, but complicity in the carrying out of these atrocities ("The Truth behind The Murder of Martin Luther King, Orders To Kill" by, William F. Pepper). The one common element connecting John F. Kennedy, Martin Luther King Jr., Robert F. Kennedy: all three were working to get us out of Vietnam (militarily) when they met their untimely demise: The executive order President Kennedy issued: ordering all American troops back home from Vietnam, was reversed by Johnson, before Kennedy's body was in the ground. Cardinal Francis "Burn-em Alive" Spellman (trainer of Ngo Dinh Diem, president and butcher of South Vietnamese Buddhists) was the one person the F.B.I. consulted to persuade the Pope not to have a meeting with Martin Luther King Jr., and Spellman concurred. Project Monarch operative: Gerald Ford was the only member of the congressional investigative committee to say that Lee Harvey Oswald acted alone in the assassination of John Kennedy (and the only one in the committee to make president: and he made it by appointment). Dorothy Kilgallon ("Whats My Line" game show panelist): upon leaving Jack Ruby's cell, stated: "I 'm going to blow this thing wide open": two days later she was dead: another jesuit/Illuminati convenient "suicide": after this, Louis Jolyon West (psychiatrist and Project Monarch mind control operative) was assigned to "take care" of Jack Ruby.

By LAPD's own SUS file: Sirhan Sirhan was hypno-programmed using hypnotic drugs and torture (by, DISC operative: reverend Jerry Owen, CIA mind-control specialist: William Bryan and others) producing MPD (Multiple Personality Disorder mind control, a product of CIA's MK-Ultra-Project Monarch) at the horse stable, in Santa Anita, where he worked with Thomas Bremer (the brother of Arthur Bremer: who shot George

Wallace in 1972). Sirhan Sirhan was used to distract attention while CIA's Thane Eugene Cesar (in the employ of the LAPD) shot Robert F. Kennedy behind the right ear. John Hinckley Jr's (shot Ronald Reagan) brother was George Bush's golf partner. John Hinckley Sr.(owner of Vanderbilt Oil Co.) has been George Bush's neighbor in Texas for years, and contributed to his campaign when he first ran for congress.

John Maisto (U.S. Diplomat to the Philippines) came to Panama to train the "Civic Crusade" (C.I.A. operatives {many of which are trained in the infamous terrorist-revolutionary "School of the Americas" at Fort Benning, Ga.}): organizing street campaigns, burn tires, protest march's etc. Archbishop Marcos Mcgrath, Monsignor Jose' Sebastian Laboa, Priest Javier Villanueva being among the operatives in the destabilization campaign. A repeat of Manila, Guatemala, Nicaragua, Grenada and Haiti's Francois "Papa Doc" Duvalier. Archbishop Mcgrath and his priests ran their own operation of ballot box confiscation and vote counting (having no connection with the Panamanian Voting Commission) in deliberate violation of Panamanian law (what's this tell you about NES, News Election Service, giving the established press total control of counting and dissemination of national voting and does not allow the public to know how it is done?! What's this tell you about John Kennedy winning the election when Richard Nixon won the vote?). Archbishop McGrath later became guarantor of transition of the Panamanian Government from military to civilian control (the Vatican has \$1.4 billion invested in sundry Panamanian and other "shell" companies) after he, along with Laboa and Villanueva, tricked Noriega into the Vatican Embassy with the promise of diplomatic immunity, then once in the embassy giving him the choice of surrendering to the U.S. Army or they would let the army in to capture (kill) him. The Panamanian raid was concocted by Senator Alan Simpson ® Wyoming. This is a direct continuance of: "Secret Treaty of Verona" policy of extermination of all representative governments as recorded in the: U.S. Congressional Record-Senate of the 64th Congress, 1st session volume 53, part 7, page 6781, 25 April 1916 and in the: American Diplomatic Code, 1778-1884, vol. 2; Elliott, p.179.

With main accusers like Jorge Canalias, Floyd Carlton Caceres, Cesar Rodriguez, Teofilo Watson (pilots who flew arms to the Contra's and cocaine to the U.S.) and paid convicts (recruited from American prisons) as key witnesses in conjunction with the Classified Information Procedures Act (CIPA, U.S. Code 22) Noriega's fate was sealed as soon as he entered the Vatican Embassy (With legal procedures like this you could convict John Kennedy of assassinating Lee Harvey Oswald). William Kunstler was planning to defend Manuel Noriega in Miami federal court

before his(convenient) death prevented his representation.

CRAIG-OXLEY - April 30, 2007 01:23 AM (GMT)

Now with no Panamanian National Guard [many of which were shot(at Balboa High School concentration camp) with their hands zip tied behind their backs, by U.S. marines (journalist Julio Guerra was murdered by U.S. marines for photographing the bodies)], Panama is now a major stopover point on the opium trail from south and Central America to the U.S. Cocaine is rampant now in George "Mr. Cocaine" Bush's (who's cocaine running boats from his oil well rigs go unchecked by the coast guard) Panamanian narcodemocracy. With drug money's being laundered thru Panamanian banks, e.g. Interbanko, First Inter America's Bank (owned by drug cartel boss Gilberts Rodriguez Orejuela) ("The Memoirs of Manuel Noriega, America's Prisoner" by: Manuel Noriega and Peter Eisner). Now with, RC Priest, Jean-Bertrand Aristide, back in power in Haiti the cocaine trail is complete.

We know from WW II that the Vatican had a highly militant influence in Yugoslavia. War records show the existence of a Vatican organization called "Ustasha" (from the verb: ustati, meaning "to rise up"). The reputation of the Ustasha throughout Yugoslavia is far worse than that of the S.S., S.D., S.A. and Gestapo combined: being created by Ante Pavelic, the head of the Ustasha state of Croatia. Pavelic held many and frequent meetings with Bishops and Archbishops of Croatia and Pope Pius XII. Pavelic was to Yugoslavia what Hitler was to Europe. Pope Pius XII's statement to a group of Croats, on a pilgrimage to the Vatican (lead by Archbishop Aljzije Stepinac), Nov 1939, outlined the Vatican orchestrated atrocities from 1941-1945 and 1991-1995: "The hope of a better future seems to be smiling on you, a future in which the relations between church and state in your country will be regulated in harmonious action to the advantage of both." Catholic priests like Stane Kukavica (Franciscan monk), changed their robes for the uniforms of the dreaded Ustasha killer squads and led the most barbaric, brutal raids upon those people and practiced satanic torture never before known in this century. The entire genocide operations were overseen by the military vicar Archbishop Alojzije Stepinac ("Jasenovac" was the main center for extermination, being the third largest concentration camp in WWII where over 800,000 Serbs, Jews and Gypsies were systematically butchered) working directly with the Nazi's, helping to create the state of Croatia. (read: "Smokescreens" by: Jack Chick; "The Yugoslav Auschwitz and the Vatican" by: Vladimir Dedijer; "Blowback" by: Christopher Simpson). The

gold from Holocaust victims jewelry and teeth (what was not used to smuggle WW II war criminals out of Europe) is today held in Vatican banks: for which there is an ongoing lawsuit by the law firms of Easton & Levy, at: <http://www.remnantofgod.org/Ustashe.htm>
<http://www.skolnicksreport.com/vaticanbank.html> ;
<http://www.priestofdarkness.com/gold.html> ;
<http://www.vaticanbankclaims.com/press.html> . In Bosnia the revived Ustasha movement is called "Croatian Peoples Party" (HSP) and its army, the "Croatian Defence Force" (HOS). Dobroslav Paraga led HSP. HOS units (Black Legion) comprised of Belgian, Austrian, British and Canadian mercenaries, as well as units from the French mercenary unit: "Nouvelle Resistance". After HOS was dissolved in 1993, by its mentor president Franjo Tudjman (for fear of being exposed for his Vatican connection as too politically obvious units), members were absorbed into other units, later amalgamated into the 108th Bosnian Brigade or the International Brigade. "Front National", "Croatie Libre", and "Slavonie Libre" run by Faci, are also Vatican organizations fronted as Humanitarian Aid. MPRI (shadowy mercenary organization based in Virginia) contracted by the Pentagon to train Ustasha in Croatia, Bosnia and now Kosovo. Who but the Vatican has the power and/or influence to coordinate both sides in a military conflict to annihilate thousands of peoples at a time i.e. using U.S. troops to control Serbs in a (so called) fire free zone while Fascist Croats murder them, while the U.S. troops keep the Serbs defenseless. This policy will continue throughout the Balkans.

Hitler presented the Independent State of Croatia (NDH) to Pavelic, 10 April 1941, as Greater Croatia which lasted from 1941 to 1945. The original plan was to annihilate one third of the population, force a third to migrate out of the country and force a third to convert to Catholicism. The process was to take ten years. The second half of the plan was completed 1991-1995. U.S. troops now enforce that Croatian state, against the displaced Orthodox Serbs. Today Franjo Tudjman is doing everything to have Greater Croatia presented by Germany (today if you publish anything in the German press about the Vatican Nazi concordat the state prosecutes you) the United States and the Vatican, reconstructed from Bosnia and Serbian lands. While a concerted propaganda campaign is being mounted to frighten small Balkan countries with the spectre of "Greater Serbia" and are being offered a protective "umbrella", behind the smokescreen of the Washington Agreement from 1994 that inaugurated Greater Croatia in which the Muslims are a majority, while the 1995 Split Agreement consolidated the military alliance between Tudjman and Izetbegovi} and was given the blessings by the United States Ambassador in Zagreb: Peter Galbraith. Both of them have been sent teams

of U.S. military planners and experts and they have been rendered military and financial assistance. The United States has unilaterally discontinued the control of the arms embargo against Muslims and Croats in violation of the Security Council arms embargo resolution in whose adoption it participated. It is only too obvious that the Vatican plans to continue the Serbian genocide throughout Yugoslavia only now the genocide will be financed by the United States with military assistance, while we can trust the national and international media to continue its lies about Orthodox Serbs murdering Muslims. The Vatican has established its own international court in Rome to try anyone it so chooses with total disregard to the sovereignty and/or autonomy of the country under whose authority the person had acted.

The theme here is unification, the same kind of unification that, Roman Catholic Ngo Dinh Diem so ruthlessly administered in South Vietnam, under the protection of the C.I.A. (and US Army "advisors") using civilian internment camps probably similar to those built by Trudeau (Jesuit) of Canada, see "Civilian Internment Camps", Toronto Sun, 4 March 1982. And with the sole theme of the popes 5 May 95 encyclical: "That They May Be One", being "unification"; Thru Netscape-Altavista: word-search I.G.Farben, click on "The Rockefellers mass murder and the U.N."), leaves no doubt whatsoever, in my mind, what the Vatican, in coordination with the Illuminati, has in store for this country. With the literacy rate in the U.S. being below 50% in 1986 and getting lower every year (Virginia Department of Motor Vehicles), [20% in Ireland (Ireland has no comprehensive public school system)] knowing you can't control an educated populace, and 88%+ in Vietnam (Groliers Encyclopedia): Who are we trying to kid? Remember Joan of Arc: who signed her name to the document, unknowingly, authorizing her execution (burned at the stake) at age sixteen. Being a product of a catholic perochial school: she was illiterate.

"Sex": There is enough real evidence (past and present) of the Roman Catholic Churches "practice" of child sex abuse that it is without precedence: <http://www.thelinkup.org> : this is worldwide. Sodom and Gomorra could have taken lessons from the Catholic Church. I seriously doubt there is enough paper to record all of the victims (over 400 priests in North America from 1984-1992 and that's just the ones that were reported). Ask any insurance company that sells liability coverage to Catholic Church's and/or orphanages (if you can find one) why they charge the high premium rates. Ask any fourteen year old Catholic girl of the explicit questions about every form of sex imaginable the (so called) celibate priest puts to her ear (by cannon law) every time she

enters the confessional, then watch the expression on her face when she says she is not allowed to say under pain of excommunication: How convenient! Ask a Catholic priest what a "Blessed Creature" is, then watch the expression on his face. Read: "Why Priests should Wed" by: Justin D. Fulton, 1888 (not on a full stomach) and, March 2001 issue of Newsweek magazine: You should have no difficulty seeing the correlation between the rate of illegitimacy and crime with the Catholic population in any given area. Typical examples of this priestly practice are: priest James Porter, who molested hundreds of boys and girls in who knows how many diocese: for which the Catholic Church did nothing but move him to another diocese (standard church policy) until even the Catholic Church patronizing news media had enough. No formal charges were made until the media made his practices public, for which the presiding cardinal over the diocese blasted the journalist's from his pulpit. This same cardinal was later promoted; Priest O'connel of New Hampshire: "ditto"; Priest Brendan Smyth, who's case brought down the Irish government: "ditto" (the Catholic Church now files lawsuits against those exposing the church's child sex abuse, regardless of the accuracy of the charges). Pedophiling priest: Marcial Maciel Degollado, founder of Legionaries of Christ, molested his students in Spain and Italy with full approval from Pope Pius XII; Catholic orphanages are run by pedophiling priests, these sadistic practices being protected by local and provincial governments: Mt. Cashel orphanage in Newfoundland, where 20 priest's molested young boy's for over 15 years (for which a book was written and a movie made) is typical; See the docudrama: "Where The Spirit Lives" to see the sexual abuse of Indian Children, by catholic priests and nunns, after being kidnapped from their parents, the Canadian Government has subscribed to for over a hundred years:

<http://www.vheadline.com/readnews.asp?id=14522-59k> ; see the docudrama "Rabbit Proof Fence" for accounts of the same abuse's in Australia; Boys Town (incorporated) of Omaha Nebraska sells children into child prostitution and demonic occult ritual sacrifice: the key operative being Larry King (who sang the National Anthem at the 1984 & 88 Republican National Convention's) of Omaha. King's practice of Reagan, Bush, Contra drug money laundering (used in Nicaragua & Haiti) thru Franklin Community Federal Credit Union (banking system made possible by Nebraska Senator Bob Kerry) and selling children and drugs at his political parties (George Bush was a regular customer) held in his apartment in Omaha, his Southfork Ranch outside Dallas Texas and his \$5000 a month rented house on California Ave. off "Embassy Row" in Washington D.C. (where he secretly videotaped politicians sexual acts with young boys he brought in from Boys Town Catholic orphanage, to be blackmailed later) are well documented in: "The Franklin Cover-Up: Child

Abuse, Satanism and Murder in Nebraska", author: Senator John DeCamp. Monsignor Robert Hupp, head of Boys Town, verified every detail of the authors investigation of the Franklin Cover-up and told of the priest who kidnapped a boy in Elkhorn, Nebraska, raped and murdered him and was immediately transferred to another diocese (probably out of the country) by the head of the Omaha diocese and provided guidance on where to look to develop further proof of the children's stories of abuse by this nations wealthy and powerful (who have been adopting children in Paraguay, bringing them back to the US before sacrificing them to Satan, <http://www.radioliberty.com/stones.htm> . This is acknowledged by the Paraguayan government). Monsignor Hupp was later, unceremoniously, retired from his position as head of Boys Town. The pedophiling group: North American Man-Boy Love Association (who's members buy kidnapped children at auctions held at a ranch outside of Las Vegas Nevada) has been given official status by the United Nations. CIA head, William Colbey, was found dead in a river after telling Senator DeCamp he was going to give him information to help his investigation. "Professing themselves to be wise, they became fools, and changed the glory of the uncorruptible God into an image made like to corruptible man, and to birds, and four-footed beasts, and creeping things. Wherefore God also gave them up to uncleanness through the lusts of their own hearts, to dishonour their own bodies between themselves: who changed the truth of God into a lie, and worshipped and served the creature more than the Creator, who is blessed for ever. Amen. For this cause God gave them up unto vile affections: for even their women did change the natural use into that which is against nature: and likewise also the men, leaving the natural use of the woman, burned in their lusts one toward another; men with men working that which is unseemly, and receiving in themselves that recompence of their error which was meet. And even as they did not like to retain God in their knowledge, God gave them over to a reprobate mind, to do those things which are not convenient; being filled with all unrighteousness, fornication, wickedness, covetousness, maliciousness; full of envy, murder, debate, deceit, malignity; whisperers, backbiters, haters of God, despiteful, proud, boasters, inventors of evil things, disobedient to parents, without understanding, covenantbreakers, without natural affection, implacable, unmerciful: who knowing the judgment of God, that they which commit such things are worthy of death, not only do the same, but have pleasure in them that do them." Romans, 2: 22-32.

Another demonic practice, of the Catholic church, is convents. Held within these walls are thousands of young women enticed, while still children, with the belief of living a life of Holiness and purity in service for Christ, for those lost souls (anyone not catholic). What

these little girls never learn (until it is too late) is that they are there for the sole purpose of satisfying the sexual appetites of priest's (drunk most of the time). These girls are fed a cup of black coffee and a slice of bread in the morning and a bowl of soup in the evening (no lunch) 365 days a year. And doing laborious work all day long. It's certainly no wonder why catholics, who give their daughters over to this sadistic vermin, never see their little girls again (one can only imagine their emaciated bodies). In the cellar of every convent is a lime pit, where the bodies are thrown. Sometimes their thrown in alive, with their hands and feet bound: if the priest, or mother superior, deems their offense bad enough. For lesser offenses they can be subjected to a dungeon cell chained to a wall, where their bodies decompose hanging from the wall. These are by no means the only forms of torture (they can be strung out on racks for days, hung by their thumbs for days etc.) If you find this too offensive to believe, simply ask the Mexican government why there are no more convents in Mexico. William Casey [Cardinal Spellman protege, sovereign Knight of Malta, George Bush's campaign manager and "authorized" Clintons bid for the White House (being fully aware of Clintons background of a bank robbing sister, drug trafficking brother and murdering mother; his receipt of a bucket of cocaine a month for Reagan's Iran/Contra-weapons/cocaine smuggling/money laundering(\$100 million a month) operation out of the Mena Arkansas airfield (Iran/Contra was the brain child of William Casey and Oliver North] was named in a class action law suit in Southern California (case no.99-02603) along with Robert Gates, John Deutch, George Tenet, estate of William French Smith, Edwin Meese, Richard Thornburgh, Janet Reno and others; CIA and US Department of Justice] responsible for the 1980's crack cocaine epidemic and resulting social and economic devastation of inner city communities.

The Jesuits have orchestrated the deaths of presidents, heads of state and dignitaries of countries all over the world i.e. C.I.A. [French king: Henry IV issued: "Edict of Nantes", giving freedom of religion for all French citizens, for which he was assassinated (14May1610), by Jesuit: Ravillac; by the "leaden bullet": Presidents: James A. Garfield (2 July 1881), William McKinley (6 Sept 1901), Abraham Lincoln(14 April 1865), John F. Kennedy (22 Nov 1993); "by the poison cup": presidents: William Henry Harrison (4 April 1841), Zachary Taylor (5 July 1850); attempted assassination of James Buchanan by poisoning the tea at the National Hotel, Washington D.C., (Feb 1857) where 50 were affected and 38 died, Andrew Jackson: shot for refusing loans from international banks; Franklin D. Roosevelt: injected with strychnine [(for refusing to acknowledge the newly created catholic state of Croatia) the medical examiners report, of Roosevelt's body, disappeared from the safe in the

Bethesda Naval Medical Center (only three doctors had key) the day after the examination] as was WWII General: George Patton. Jesuitism was born in Spain, 1534 (for the express purpose of exterminating the reformation); reared in France; developed in Papal Rome; sanctioned by Pope Paul III, 1540. Expelled from: England,1581; France,1594; Portugal,1598; England again, 1604; France again,1606; Russia,1717; Portugal again,1759; France again, 1762-3; Spain, Genoa, Venice and Sicily,1767; Naples, Malta and Parma,1768. All, except England and Russia, being strictly Roman Catholic states. The order was suppressed 21 July 1773 by Pope Clement IV (for which he was promptly poisoned); continued to exist under other names i.e. "Brothers of the Faith"; re-established by Pope Pius VII, 1814 (to carry out the dictates of the "Secret Treaty of Verona"): In the words of Abraham Lincoln: "If the Protestants of the North and the South could learn what the priests, nuns, and monks, who daily land on our shores, under the pretext of preaching their religion, were doing in our schools and hospitals, as emissaries of the Pope and the other despots of Europe, to undermine our institutions and alienate the hearts of our people from our Constitution and our laws, and prepare a reign of anarchy here, as they have done in Ireland, Mexico, Spain, and wherever there are people that wish to be free, they would unite in taking power out of their hands". "The Jesuits never forsake." (Washington in the lap of Rome, Justin D. Fulton; Fifty Years in the Church of Rome, by: Charles Chiniquy LCCN: BX1770.F9).

Phyllis Schlafly, Reed Irvine, Dusty Rhodes (of National Review), Brent Bozell, Edwin Fulner, Robert Godwin, Richard Viguerie, Sommers White, Foster Friess, Oliver North, Coors family, Roland Hinz, Rush Lembaugh, Tim La Haye, Pat Robertson, Jack Kemp, George Will, Jean Kirkpatrick, William Bennet (Jesuit), Robert Kriebel, Burton Yale Pines, Gary Hofmeister, Clarence Thomas, Ed Meese and Charles Colson are pseudo conservatives who's puppet strings are pulled by Jesuits, Skull & Bones, Council on Foreign Relations or directly from the Illuminati.

"I am not happy about the rebirth of the Jesuits. Swarms of them will present themselves under more disguises ever taken by even a chief of the Bohemians, as printers, writers, publishers, school teachers, etc. If ever an association of people deserved eternal damnation, on this earth and in hell, it is this society of Loyola." (John Adams, 1816).

"I will shew unto thee the judgment of the great whore that sitteth upon many waters. With whom the kings of the earth have committed fornication, and the inhabitants of the earth have been made drunk with the wine of her fornication. So he carried me away in the spirit into the wilderness: and I saw a woman sit upon a scarlet colored beast, full of

names of blasphemy, having seven heads and ten horns. And the woman was arrayed in purple and scarlet color, and decked with gold and precious stones and pearls, having a golden cup in her hand full of abominations and filthiness of her fornication: And upon her forehead a name written, MYSTERY, BABYLON THE GREAT, THE MOTHER OF HARLOTS AND ABOMINATIONS OF THE EARTH. And I saw the woman drunken with the blood of the saints, and with the blood of the martyrs of Jesus. And here is the mind which hath wisdom. The seven heads are seven mountains, on which the woman sitteth. And he sayeth unto me, the waters which thou sawest, where the whore sitteth, are peoples, and multitudes, and nations, and tongues. And the woman which thou sawest is that great city, which reigneth over the kings of the earth. And he cried mightily with a strong voice, saying, Babylon the great is fallen, and is become the habitation of devils, and the hold of every foul spirit, and a cage of every unclean and hateful bird. For all nations have drunk of the wine of the wrath of her fornication, and the kings of the earth have committed fornication with her, and the merchants of the earth are waxed rich through the abundance of her delicacies. And the kings of the earth, who have committed fornication and have lived deliciously with her, shall bewail her and lament for her, when they shall see the smoke of her burning, standing afar off for the fear of her torment, saying, alas, alas, that great city of Babylon, that mighty city! For in one hour is thy judgment come. And the merchants of the earth shall weep and mourn over her; for no man buyeth their merchandise and more: The merchandise of gold and silver and precious stones, and of pearls, and fine linen, and purple, and silk, and scarlet, and all thyine wood, and of brass, and iron, and marble, and cinnamon, and odours, and ointments, and frankincense, and wine, and oil, and fine flour, and wheat, and beasts, and sheep, and horses, and chariots, and slaves, and souls of man." (Rev. 17:1b-6a, 9, 15, 18 & chapter 18:2-3, 9-13)

This hardly scratch's the surface of info on the Jesuits and Popery as a whole. If you refuse to see and believe the pattern that is set forth here, you wouldn't believe the rest either.

The Treaty of Verona as set forth in the Congressional Record

CONGRESSIONAL RECORD - SENATE.
64th CONGRESS, 1st SESSION
VOLUME 53, PART 7
Page 6781

25 April 1916

I wish to put in the RECORD the secret treaty of Verona of November 22, 1822, showing what this ancient conflict is between the rule of the few and the rule of the many. I wish to call the attention of the Senate to this treaty because it is the threat of this treaty which was the basis of the Monroe doctrine. It throws a powerful white light upon the conflict between monarchical government and government by the people. The Holy Alliance under the influence of Metternich, the Premier of Austria, in 1822, issued this remarkable secret document :

[American Diplomatic Code, 1778 - 1884, vol. 2 ; Elliott, p. 179.]

SECRET TREATY OF VERONA

The undersigned, specially authorized to make some additions to the treaty of the Holy Alliance, after having exchanged their respective credentials, have agreed as follows :

ARTICLE 1. The high contracting powers being convinced that the system of representative government is equally as incompatible with the monarchical principles as the maxim of the sovereignty of the people with the high divine right, engage mutually in the most solemn manner, to use all their efforts to put an end to the system of representative governments, in whatever country it may exist in Europe, and to prevent its being introduced in those countries where it is not yet known.

ART. 2. As it can not be doubted that the liberty of the press is the most powerful means used by the pretended supporters of the rights of nations to the detriment of those princes, the high contracting parties promise reciprocally to adopt all proper measures to suppress it, not only in their own states but also in the rest of Europe.

ART. 3. Convinced that the principles of religion contribute most powerfully to keep nations in the state of passive obedience which they owe to their princes, the high contracting parties declare it to be their intention to sustain in their respective States those measures which the clergy may adopt, with the aim of ameliorating their own interests, so intimately connected with the preservation of the authority of the princes ; and the contracting powers join in offering their thanks to the Pope for what he has already done for them, and

solicit his constant cooperation in their views of submitting the nations.

ART. 4. The situation of Spain and Portugal unite unhappily all the circumstances to which this treaty has particular reference. The high contracting parties, in confiding to France the care of putting an end to them, engaged to assist her in the manner which may the least compromit them with their own people and the people of France by means of a subsidy on the part of the two empires of 20,000,000 of francs every year from the date of the signature of this treaty to the end of the war.

ART. 5. In order to establish in the Peninsula the order of things which exhisted before the revolution of Cadiz, and to insure the entire execution of the articles of the present treaty, the high contracting parties give to each other the reciprocal assurance that as long as their views are not fulfilled, rejecting all other ideas of utility or other measure to be taken, they will address themselves with the shortest possible delay to all the authorities exhisting in their States and to all their agents in foreign countries, with the view to establish connections tending toward the accomplishment of the objects proposed by this treaty.

ART. 6. This treaty shall be renewed with such changes as new circumstances may give occasion for, either at a new congress or at the court of one of the contracting parties, as soon as the war with Spain shall be terminated.

ART. 7. The present treaty shall be ratified and the ratifications exchanged at Paris within the space of six months.

Made at Verona the 22d November, 1822.

I ask to have printed in the CONGRESSIONAL RECORD this secret treaty, because I think it ought to be called now to the attention of the people of the United States and of the world. This evidence of the conflict between the rule of the few verses popular government should be emphasized on the minds of the people of the United States, that the conflict now waging throughout the world may be more clearly understood, for after all said the great pending war springs from the weakness and frailty of government by the few, where human error is far more probable than the error of the many where aggressive war is only permitted upon the authorizing vote of those whose lives are jeopardized in the trenches of modern war.

Mr. SHAFROTH. Mr. President, I should like to have the senator state whether in that treaty there was not a coalition formed between the powerful countries of Europe to reestablish the sovereignty of Spain in the Republics of South and Central America?

Mr. OWEN. I was just going to comment upon that, and I am going to take but a few moments to do so because I realize the pressure of other matters. This Holy Alliance, having put a Bourbon prince upon the throne of France by force, then used France to suppress the constitution of Spain immediately afterwards, and by this very treaty gave her a subsidy of 20,000,000 francs annually to enable her to wage war upon the people of Spain and to prevent their exercise of any measure of the right of self-government. The Holy Alliance immediately did the same thing in Italy, by sending Austrian troops to Italy, where the people there attempted to exercise a like measure of liberal constitutional self-government ; and it was not until the printing press, which the Holy Alliance so stoutly opposed, taught the people of Europe the value of liberty that finally one country after another seized a greater and greater right of self government, until now it may be fairly said that nearly all the nations of Europe have a very large measure of self government. However, I wish to call the attention of the Senate and the country to this important history in the growth of

constitutional popular self-government. The Holy Alliance made its powers felt by the wholesale drastic suppression of the press in Europe, by universal censorship, by killing free speech and all ideas of popular rights, and by the complete suppression of popular government. The Holy Alliance having destroyed popular government in Spain and in Italy, had well-laid plans also to destroy popular government in the American colonies which had revolted from Spain and Portugal in Central and South America under the influence of the successful example of the United States. It was because of this conspiracy against the American Republics by the European monarchies that the great English statesman, Canning, called the attention of our government to it, and our statesmen then, including Thomas Jefferson, took an active part to bring about the declaration by President Monroe in his next annual message to the Congress of the United States that the United States should regard it as an act of hostility to the government of the United States and an unfriendly act if this coalition or if any power of Europe ever undertook to establish upon the American Continent any control of any American Republic or to acquire any territorial rights. This is the so-called Monroe doctrine. The threat under the secret treaty of Verona to suppress popular governments in the American Republics is the basis of the Monroe doctrine. This secret treaty sets forth clearly the conflict between monarchical government and popular government and the government of the few as against the government of the many. It is a part, in reality, of developing popular sovereignty when we demand for women equal rights to life, to liberty, to the possession of property, to an equal voice in the making of the laws and the administration of the laws. This demand on the part of the women is made by men, and it ought to be made by men as well as by thinking, progressive women, as it will promote human liberty and human happiness. I sympathize with it, and I hope that all parties will in the national conventions give their approval to this larger measure of liberty to the better half of the human race.

6. The experience we have had, has made us acquainted with the many advantages that have been taken by the Society of its intervention in the marriages of the House of Austria, and of those which have been effected in other kingdoms, France, Poland, and in various duchies. Forasmuch assembling, proposing with prudence, selecting choice persons who may be friends and families of the relatives, and of the friends of the Society.

Scripturally, No Jewish Conspiracy

Friday, April 20, 2007 2:08 PM

A couple of items on the above.

'Khazar' Jews

One of the main planks of anti-Semitism is that modern Jews are 'Khazars,' or descendents of converted Gentiles. This falsehood is used as a means of justifying Muslim terror in Israel.

You have dealt with this matter in a recent post but I think it is useful to add Esther 8:17b.

"And many of the people of the land became Jews: for the fear of the Jews fell upon them."

The scriptural lesson here is that a mass conversion of Gentiles to Jews will only take place through fear.

Please correct me if I am wrong but I don't believe that any such circumstances have arisen amongst Gentiles, anywhere, any time, during the Jewish Diaspora of the last two millenia.

Scripturally, therefore, we must conclude that the supposed 'Khazar' ancestry of modern Jews is a lie - and all that derives from it, including support for the supposed 'Palestinians' against Israel.

Alleged 'Jewish Conspiracy'

Anti-Semitism in the West often focuses on an alleged 'Jewish Conspiracy.'

There is no Jewish Conspiracy. Anti-Semitism stems from greed and jealousy.

It is common knowledge that the Jew is unusually gifted with respect to making money. God has given the Jew this ability to enable him to survive the millennia-long Diaspora. But the Gentile loves money. Greed and jealousy on his part toward the Jew therefore often follows.

It is true that some Jews have used their unusual money-making abilities for avaricious ends, e.g. international profiteering (Rothschild, Schiff) and even criminal ventures (Lansky, Siegel, Cohen etc.). - although the latter group is greatly outnumbered by Italian-Sicilian and Irish Catholics.

Of course, it is also regrettably true that some Jews have engaged in nefarious politics with globalist implications, e.g. Marx, Trotsky, though again, they are far outnumbered by Papists, especially the SJ.

But all such activities are entirely outwith the Jewish scriptures. If the Jew obeys his scriptures, he cannot engage in a conspiracy against his host community, his host nation and by extension, against any nation and therefore the world, as God's instructions to His people through the prophet Jeremiah show unequivocally.

"And seek the peace of the city whither I have caused you to be carried away captives, and pray unto the Lord for it: for in the peace thereof shall ye have peace" Jeremiah 29:7.

Historically, that instruction applied to the Babylonian Captivity under Nebuchadnezzar but in principle, it applies to the Diaspora.

However, a Muslim can engage in conspiracy, and indeed must, according to his belief system. Any non-Muslim country is perceived as being part of Dar-al-Harb, the House of War. Jihad, including conspiracy, must be mounted until that country, e.g. Britain, is forced into Dar-al-Islam, the House of Islam.

The same applies for the Catholic, whose belief system requires that the whole world be brought under the thraldom of the Pope of Rome. (Contemporary Marxists will basically fall into line with Papists, under the aegis of 'Liberation Theology.' Sinn Fein/IRA members Gerry Adams and Martin McGuinness are two examples.)

A Catholic, like a Muslim, may perceive his first loyalty to his host nation but he violates his own belief system in so doing and is therefore not a 'good' Catholic, or a 'good' Muslim. Both Catholicism and Islam are church-state ideologies. Judaism is also a

church-state but only within the biblically ordained borders of the land of Israel - another reason why a scriptural Jew cannot engage in a global conspiracy.

These comments are apposite, as they apply to Britain but by extension to the USA or any non-Catholic nation:

*“Let us never forget that whatever [Queen Elizabeth’s] boasted authority may be it is as nothing and less than nothing compared to that of the **Vicar of Christ**”[i].*

“The law of God that is the Pope’s command will be or rather has been and is being carried into effect: the Parliamentary lie will be spit upon and trampled underfoot” [ii].

As is this, the substance of which had tragic consequences for the Jewish people. It is from another study I did.

Albert Close was a Protestant Christian historian. He revealed that when Oxford Don, Mr R.H. Crossman, was investigating the pre-war Hitlerian blood purges, he was told repeatedly, *“The pope [is] behind all the trouble”*[iii] p 39.

Mr Crossman attempted to broadcast this from Berlin in July 1934, via the BBC. The broadcast was suddenly cut off when he mentioned the pope. No explanation was ever given. The then BBC Chairman, Lord Reith, was part of the cover-up.

That BBC cover-up helped bring about World War 2. That war resulted in 55,000,000 dead, including 500,000 deaths from Britain and the Commonwealth (and 6,000,000 Jewish deaths).

It is no accident, that the present-day director-general of the BBC is Mark Thompson, who is a Catholic, as is Mark Byford, his deputy.

Thompson is said to be the most influential lay Catholic in Britain[iv]. No doubt he is. The BBC still portrays the pope as a man of God, not the antichrist (which he is).

In other words, Britain, Israel, the USA and the Jewish people have the same enemy as they have always had. Our national leaders do not understand this because, if not conspiratorial agents of the enemy themselves (which is entirely possible) then as St Paul revealed, Romans 11:25, they are conceited and ignorant - which adjectives are also apposite if they are enemy agents.

Best regards, 2 Chronicles 14:11

These are some excellent observations from the Scriptures. No one should discount the notion and possibility that a Christ rejecting Jew in a Gentile nation who reads his own Torah and finds the injunctions in the prophets and writings here cited would not take heed to them. I personally have been amazed at some of the observations and expositions that lost Jews have made on certain parts of both the Old Testament and the New Testament. God in his sovereign purpose controls the world through his word, and it is a restraining influence against sin and rebellion, not just upon the elect, but upon the elect nation of Israel, who are as a whole yet in blindness. Cheers and Blessings, **NCT**

Truth_Sets_Free - April 28, 2007 10:36 PM (GMT)

Of course many Jews would say it is unscriptural. Which bible are they reading? Surely it isn't anything from which Christians use such as the King James Version. There are way too many verses where Jesus specifically charges and indicts them with conspiracy in every generation, and calls them guilty of all the righteous blood shed upon the face of the earth, not in one place but in many:

Matthew 23:35 "That upon YOU(Jews) may come all the righteous blood shed upon the earth, from the blood of righteous Abel unto the blood of Zacharias son of Barachias, whom ye slew between the temple and the altar."

This word isn't for everyone to hear, because the Jew is the false God of this world for all those who deny the Christ JESUS.

It is interesting all jews claim to be canaanite-ASHKENAZI, a non-Hebrew origin, NOT EVEN OF THE SHEM (SEMITIC) LINE! Talking about Anti-semitism, the Nordics have much more claim of Shem than anyone off the Ham & Japheth branches, let alone the

canaanite which Esau married into and became. Folks who are against any form of Nordic protectionism would be the true definition of antisemitic! Protection of the seedlines is biblical. (We know as a part of history Esau Edom became Jewry and much of the Popery this site unhived mind seeks to expose.)

In addressing these Papal type Pharisee Rabbi Orders controlling the Government in the First century, Jesus only said:

Matthew 23:33 "Ye serpents, ye generation(GENEALOGY) of vipers, how can ye escape the damnation of hell?" (KING JAMES VERSION)

Genesis 3:15 says there will be hatred between the serpent's seed and the Adamic seed until the true seed crushes them completely. "That old serpent who is the Devil" (Rev 12:9 and 20:2)

Christ himself warned us not to follow teachings that come from "Jewish Traditions" and said many times that through their traditions they REJECT the law of Moses(God's Word) such as in Mark 7.

Now this is a huge obstacle in us knowing that 99% of the media is owned by ATHEIST JEWS. See these Jewish quotes saying that they do not follow God's word but have their own traditions.

1John 4:3 "And every spirit that confesseth not that Jesus the Messiah is come in the flesh is not of THE LORD: and this is that spirit of ANTI-CHRIST, whereof ye have heard that it should come; and even now already is it in the world."

2John 1:7 "For many DECIEVERS* are entered into the world, who confess not that Jesus the Christ is come in the flesh. This is a DECIEVER* and an antiChrist."

1John 2:22 "Who is a LIAR* but he that denieth that Jesus is the Messiah? He is ANTI-CHRIST, that denieth the Father and the Son."

Rev. 3:9 "They who say they are of Judah are Liars and not of Judah but worship in they synagogue of satan." (don't confuse the southern kingdom JUDAH with the Northern Kingdom *ISRAEL who are not Jews)

THOSE WHO JOIN THEM ARE TWICE THE SON OF THE DEVIL as we read:

Mat 23:15 Woe unto you, scribes and Pharisees, hypocrites! for ye compass sea and land to make one proselyte, and when he is made, ye make him twofold more the child of hell than yourselves.

The bible declares Judah and Israel have remained 2 separate houses and will remain separate when Christ returns, one place you can easily see God still calls them by two

separate names. See Hebrews 8 "the house of Judah AND the house of Israel" and many other places in the bible distinguish the difference between Judah and Israel. Part of the Northern Kingdom "Ephraim and Manasseh" were given the name ISRAEL (GENESIS 48), not Judah(Jews). As it says word for word in the scriptures listed above the Jews as a people are *DECIVERS, LIARS, and ANTI-CHRIST SATANIC.

We are not to love or embrace satan and his teachers, nor love sin or evil. The bible tells us to hate sin, hate evil and all wickedness and not let it exist anywhere near us. Such as written on the scriptures I've compiled HERE. Jesus Said: Matthew 10:34 "Think not that I am come to send peace on earth: I came not to send peace, but a sword."

We're warned about the Anti-Christ bible the jews claim is their bible "THE BABYLONIAN TALMUD" (The traditions of the elders). The jews say their bible "THE TALMUD" supercedes God's word, the Christian old and new testaments which they hate.

Titus 1:14 "Not giving heed to Jewish fables, and commandments of men, that turn from the truth."

Matthew 15:3 "But he answered and said unto them, Why do ye also transgress the commandment of THE LORD by your tradition?"

Mark 7:8 For "laying aside the commandment of THE LORD, ye hold the tradition of men, as the washing of pots and cups: and many other such like things ye do."

Mark 7:9 "And he said unto them, Full well ye reject the commandment of THE LORD, that ye may keep your own tradition."

Matthew 21:43 "Therefore say I unto you(JUDAH/JEWS), The kingdom of THE LORD shall be taken from you(JUDAH/JEWS), and given to a nation bringing forth the fruits thereof."

Revelation 2:9 "I know thy works, and tribulation, and poverty, (but thou art rich) and I know the blasphemy of them which say they are Jews, and are not, but are the synagogue of Satan."

Revelation 3:9 "Behold, I will make them of the synagogue of Satan, which say they are Jews, and are not, but do lie; behold, I will make them to come and worship before thy feet, and to know that I have loved thee."

Christ called them a race of serpents & vipers below. He also said in John 8:39 - 44 "Abraham is not your father", and read it for yourself He said their race is the physical offspring of satan himself! Genesis 3:15 says the seed of the serpent will war against the seed of the woman. If you believe in the literal seed of the woman then you must

also believe in the literal seed of the serpent, the same seed that Most Pastors teach is a satanic race such as mentioned in Genesis 6 and Jude where angels left their first estate to mix their race with humans.

Matthew 3:7 "But when he saw many of the Pharisees and Sadducees come to his baptism, he said unto them, O generation(GENEALOGY) of vipers, who hath warned you to flee from the wrath to come?"

Matthew 12:34 "O generation(GENEALOGY) of vipers, how can ye, being evil, speak good things? for out of the abundance of the heart the mouth speaketh."

Matthew 23:33 "Ye serpents, ye generation(GENEALOGY) of vipers, how can ye escape the damnation of hell?"

Luke 3:7 "Then said he to the multitude that came forth to be baptized of him, O generation(GENEALOGY) of vipers, who hath warned you to flee from the wrath to come?"

Acts 26:7 "Unto which promise our twelve tribes(ISRAEL), instantly serving God day and night, hope to come. For which hope's sake, king Agrippa, I am accused of the Jews(NOT ISRAEL)."

John 8:39 "They answered and said unto him, Abraham is our father. JESUS saith unto them, If ye were Abraham's children, ye would do the works of Abraham." In the book of Revelation notice the colors of the Great Whore are purple the color of JUDAH. Christ endighted the Jews(who are not JUDAH) with all the blood of the righteous slain on the earth:

Matthew 23:35 "That upon YOU(Jews) may come all the righteous blood shed upon the earth, from the blood of righteous Abel unto the blood of Zacharias son of Barachias, whom ye slew between the temple and the altar."

Revelation 19:2 "For true and righteous are his judgments: for he hath judged the great whore, which did corrupt the earth with her fornication, and hath avenged the blood of his servants at her hand."

Revelation 16:6 "For they have shed the blood of saints and prophets, and thou hast given them blood to drink; for they are worthy."

Revelation 18:24 "And in her was found the blood of prophets, and of saints, and of all that were slain upon the earth."

Luke 11:50 "That the blood of all the prophets, which was shed from the foundation of the world, may be required of this generation(GENEALOGY/RACE in Greek);" Get any concordance / Greek dictionary to verify, or look how "generation" is used throughout

the bible. (In Hebrew the word is "toledaw", descent, ancestry and Greek is the word "gennema" #1081 in strong concordance reading:

That which has been born or begotten

a) the offspring or progeny of men or animals

It comes from the root word "Gennao": of men who fathered children.

You can verify any or all of this through thousands of Christian Sources in EVERY GENERATION, However, up until 50 years ago under the strength of the Anti Christ System "A Great Falling Away from the truth"(2Thes. 2:3) makes it less common today.

So as you have learned today, Jews are the literal offspring of satan. Jesus said they CANNOT hear His word. John 8:43 "Why do ye not understand my speech? even because ye cannot hear my word."

If you still think there's no way there could be any Jewish conspiracies going on just look to Rothschild, or even just look at Bush's cabinet, which are almost all Jews: <http://www.biblebelievers.org.au/bushlist.htm> (many dual citizen israelis, explaining their Zionist decisions.)

Ya I expect to hear back from those who run unhived mind saying it's the Papal orders who have the control but the zionist orders are so much older, the Rosicrucian are from the days of King Solomon, and these are the same peoples we're dealing with, the Edomites, who later claimed to be Jewish leaders who's people were "never in bondage to any man", unlike the true Israelites. The Papal orders came out of the same more ancient orders that go way back BC.

ROME (April 19) - President Bush will pay his first visit to Pope Benedict in June, the Vatican said on Saturday.

Vatican spokesman Federico Lombardi said Bush will meet the Pope on June 9 or 10 after attending a Group of Eight summit in Germany.

Benedict, who was elected pope two years ago after the death of John Paul II, last week lamented the "continual slaughter" in Iraq. "Nothing positive comes from Iraq," he said in his Easter message.

A government source said on Thursday Bush may also see Prime Minister Romano Prodi during his trip to Rome.

Relations between the two countries have been strained since Prodi took office a year ago, replacing centre-right leader Silvio Berlusconi, a staunch U.S. ally.

Maybe the Pope criticized the war in Iraq because there is not enough murder and chaos for the money spent as of yet Im sure 10,000,000 dead would be much better than 600,000 dead, hell can not be pleased they say. Bush obviously is a failure we are pissed that there

is to many dead his boss is pissed that there is not enough dead. Poor stupid bastard cant get any thing right.

Pope envoy ends Holocaust protest

Monsignor Antonio Franco attends the Yad Vashem event

The Vatican's envoy to Israel has attended the annual Holocaust remembrance event in Jerusalem after earlier threatening not to be present.

Archbishop Antonio Franco was angered by a caption in the Yad Vashem **Holocaust museum describing the actions of wartime Pope Pius XII.**

The photo caption had said the **Pope remained silent even when reports about the murder of Jews reached the Vatican.**

The museum's chairman has now said he is happy to review the matter.

Archive request

"Yad Vashem believes it was inappropriate to link an issue of historical research with commemoration of the victims of the Holocaust," the museum said in a statement.

The museum added that it would be glad to study Vatican archives from the period **"to possibly learn new and different information than what is known today"**.

The Vatican has denied access to its archives, including those covering

the period during World War II, to researchers.

The caption in question said that during World War II, **Pope Pius XII "abstained from signing the Allied declaration condemning the extermination of the Jews" and "maintained his neutral position throughout the war".**

Archbishop Franco had protested that **the caption was offensive to Catholics.**

The Vatican has always maintained that the wartime Pope led quiet diplomacy that saved the lives of thousands of Jews.

The memorial ceremonies are traditionally attended by all foreign diplomats in Israel.

The museum said that **the Vatican envoy's absence would have been the first case of a diplomat missing the official events.**

Royal honour for cancer company

The success of a company that provides travel insurance for cancer patients is being celebrated by the Queen on her 81st birthday.

Surrey-based Medi Travelcover Ltd is one of **119** companies to receive the Queen's Award for Enterprise.

Also among the British brands honoured are the fashion retailer Monsoon and the Edinburgh Military Tattoo.

Both are praised for their international success and growing overseas earnings.

The Queen's Awards are said to be the most prestigious honour the government can give to a firm.

The organisers said Medi Travelcover Ltd, a small company also known as InsureCancer, offers a "highly appreciated" service, providing cover at "realistic prices" by looking at cases on an individual basis.

Cancer charities say patients generally find it hard to get travel insurance because of their illness.

'Coveted award'

The Edinburgh Military Tattoo wins an award in the international trade category for doubling its export earnings to £1.9 million over three years.

The awards' organisers said the annual event presents a unique musical entertainment which has become an attraction in countries from the US and Australia to the Czech Republic and China.

Major General Euan Loudon, who is in charge of the Tattoo, said: "We are thrilled to have won such a coveted award."

High-street chain Monsoon, which also owns Accessorize, was founded by Peter Simon on a market stall in London's Portobello Road in 1972.

It now has more than 800 stores in more than 40 countries.

Other winners include Oxfordshire-based FlavourActiV Ltd, which has developed software which assesses the competence of professional beer tasters, and Bristol's Solagen Limited, which makes solar-powered road signs.

De La Rue Currency of Basingstoke, Hampshire, won an award for developing a banknote security thread which allows people to check that notes are real.

And yacht builder Sunseeker International, based in Poole, Dorset, won for the fifth time for increasing its exports by more than £50m in three years.

The lifetime achievement award was won by Joan Richards, youth business advisor of Business Connect in Neath, Port Talbot, south Wales.

She was singled out for her work in the deprived former coal-mining community over the past 23 years.

Queen's Award winners hold the title for five years and are entitled to fly the award flag and use the emblem.

The Queen's Award to Industry, the scheme's original title, was instituted by Royal Warrant in 19**66**.

The Vatican has denied access to its archives, including those covering the period during World War II, to researchers.

The caption in question said that during World War II, **Pope Pius XII "abstained from signing the Allied declaration condemning the extermination of the Jews" and "maintained his neutral position throughout the war".**

Archbishop Franco had protested that **the caption was offensive to Catholics.**

The Vatican has always maintained that the wartime Pope led quiet diplomacy that saved the lives of thousands of Jews.

The memorial ceremonies are traditionally attended by all foreign diplomats in Israel.

The museum said that **the Vatican envoy's absence would have been**

the first case of a diplomat missing the official events.

Thanks to The Unh. Mind I get information better than in Italy (obviously...).

Yes is right that now I hear and watch Italians televisions nearly no more, but on the web where the pages remain, There's nearly nothing about it.

I add: America should ask for extradition for Pope Ratzinger, he committed the crime of "aiding and abetting the pedophilia" with the order he gave in 2001 when he threatened all the clergy to make silence on every case of internal investigation on child abuse .

If you investigate it means you know there's the possibility of a crime. Evden in Italy, the reign of VatiKommunism, the law says that if you have notice of a crime you are obliged by penal law to inform the police! I think this in America is not differnt!

You investigate on child abuse = you know something criminal has happened = you must immediately inform the judicial and police corps so they'll find if this is true or not!!!!!!!

But the Catholic world is a world apart, they are NOT submitted to the laws THEY wrote for us! Why our friend Ratzy was so anxious to cover the abuse on kids? Did he fear to expose the source of poor, disgraced, mentally ill or disturbed persons who in the future they could....

....USE AS SCAPEGOAT IN THE MASSACRES IN THE UNIVERSITIES AND SCHOOLS?

The Jesuits in the person of Fr. Morton A. Hill created Morality in Media Inc. an organization which publicly was anti-pornography, but secretly did nothing about it because the "pimp of the cloth" Archbishop of New York Edward Cardinal Egan in control of the Mafia Commission (Hugh Hefner, Bob Guccione, and Larry Flynt all have Mafia ties and Flynt once spoke at Jesuit Georgetown) is the porn king of the U.S.

I believe the Foley page pedophilia scandal was allowed to leak because the Order controls the White House prostitution ring in Washington DC through their Illuminati. Foley's case is not isolated, but it is commonplace. The White House and U.S. Capitol are Jesuit-controlled whorehouses. The Order will foment scandal after

scandal until Americans grow disillusioned with both CFR parties. The race agitation was further fueled with Master Mason and Scottish Rite 33nd Degree Freemason Michael Richards who played Kramer on the sitcom Seinfeld who pretended to leave the lodge the same month he fomented racial tension during a comedy routine at the Laugh Factory Nov. 17 2006. The African American men Richards directed his tirade against had a Jesuit-trained Jewish lawyer Gloria Allred seek monetary compensation from Richards.

As a result of this meeting, a White House Working Group on Pornography was formed in June of 1983, and in December, President Reagan addressed the nation's U.S. Attorneys and called for tighter enforcement of the laws.

Title: Islam, Mafia, Italian secessionism, all tied toget

Description: *her in the RC Church NWO net.*

Avles - April 25, 2007 07:14 PM (GMT)

ISLAM, MAFIA, ITALIAN SECESSIONISTS ANTI-ISLAMIC PARTY, all tied together in the evil Roman Catholic New World Order net.

Lately I noted a particular pressure aimed to accept the Islam as a “good religion” which could save the world from the N.W.O. I read in that only efforts of the Vatican and Jesuits masters to confuse and create chaos. But the way how they works is more subtle, and the case of the Italian autonomist/secessionist anti-Islamic and Catholic integralis party La Lega is an example.

La Lega, Italian constitutional autonomist party is a very, apparent, strong defender of the tradition of the “Christian Europe”:

<http://www.leganord.org/quilega/24aprile.pdf>

(title: “ELEZIONI IN FRANCIA - No a Europa superstato”).

“...I francesi hanno capito ciò che la Lega sostiene da tempo: l'Europa che verrà dovrà essere popolare e cristiana...”

(“....Frenchmen understood what La Lega claimed for many times, the coming Europe must be popular and Christian...”).

The symbol of the party is Alberto da Giussano, the leader under whom the North Italy communes defeated the army of Frederick I called “the Barbarossa” (meaning Redbeard in Latin):

http://en.wikipedia.org/wiki/Frederick_I%2...y_Roman_Emperor

The symbol on the shield of Alberto, a red cross Templar-like:

<http://www.radiomarconi.com/marconi/battaglia.html>

<http://www.br3nn0s.org/albertodagiussano/image/carroccs.jpg>

<http://www.br3nn0s.org/albertodagiussano/index.htm>

And now look at this:

http://z13.invisionfree.com/THE_UNHIVED_MI...opic=2298&st=15

(Guelphs and Ghibellines)

“...One of the last acts of Frederick I had been to secure the marriage of his son Henry with Constance, aunt and heiress of William the Good, the last of the Norman kings of Naples and Sicily. The son of this marriage, Frederick II (b. 1194), thus inherited this South Italian kingdom, hitherto a bulwark against the imperial Germanic power in Italy, and was defended in his possession of it against the Emperor Otho by Pope Innocent III, to whose charge he had been left as a ward by his mother. On the death of Otho (1218), Frederick became emperor, and was crowned in Rome by Honorius III (1220). The danger, to the papacy and to Italy alike, of the union of Naples and Sicily (a vassal kingdom of the Holy See) with the empire, was obvious; and Frederick, when elected King of the Romans, had sworn not to unite the southern kingdom with the German crown. His neglect of this pledge, together with the misunderstandings concerning his crusade, speedily brought about a fresh conflict between the Empire and the Church....”

And finally in the same post:

“...The names "Guelph" and "Ghibelline" appear to have originated in Germany, in the rivalry between the house of Welf (Dukes of Bavaria) and the house of Hohenstaufen (Dukes of Swabia), whose ancestral castle was Waiblingen in Franconia. Agnes, daughter of Henry IV and sister of Henry V, married Duke Frederick of Swabia. "Welf" and "Waiblingen" were first used as rallying cries at the battle of Weinsberg (1140), where Frederick's son, Emperor Conrad III (1138-1152), defeated Welf, the brother of the rebellious Duke of Bavaria, Henry the Proud. Conrad's nephew and successor, Frederick I "Barbarossa" (1152-1190), attempted to reassert the imperial authority over the Italian cities, and to exercise supremacy over the papacy itself. He recognized an antipope, Victor, in opposition to the legitimate sovereign pontiff, Alexander III (1159), and destroyed Milan (1162), but was signally defeated by the forces of the Lombard League at the battle of Legnano (1176) and compelled to agree to the peace of Constance (1183), by which the liberties of the Italian communes were secured....”

So, with the above mentioned passages, you can clearly perceive how the party “La Lega” smells not only of Vatican , Jesuits, but also of Black Nobility stench. So we have in the game the South kingdoms of Italy, whose borbonic society has been and is used as a sort of ‘ethnic tool’ to invade other country (for ex. Immigration of late ‘800 in America) and to bring there covertly the Canonical Law. These kingdoms are discretely but continually at the centre of the disputes between the Vatican and his not always obedient servant, the Black Nobility.

Observation: doesn't Leo Zagami belong to a Aristocratic family of Sicily?

So you don't need the "astounding revelations" of the Leo "Picciotto" Zagami, just use what everyone could have at his disposition, the most important is to use YOUR brain.

But is the colour of the Italian secessionist "La Lega" party to be of some interest. It is green, like the Islam. In fact they call them selves "le Camice Verdi" = "the green shirts". Again the official address of the party:

<http://www.leganord.org/>

And now, please, for a million dollars, is able the competitor to answer to the next question? "Who were, in Egypt, the s.c. 'green shirts'?"

http://www.atimes.com/atimes/Middle_East/DL04Ak01.html

".....Islamism, or fascism with an Islamic face, was born with and of the Muslim Brotherhood. It proved (and improved) its fascist core convictions and practices through collaboration with the Nazis in the run-up to and during World War II. It proved it during the same period through its collaboration with the overtly fascist "Young Egypt" (Misr al-Fatah) movement, founded in October 1933 by lawyer Ahmed Hussein and modeled directly on the Hitler party, complete with paramilitary Green Shirts aping the Nazi Brown Shirts, Nazi salute and literal translations of Nazi slogans. Among its members, Young Egypt counted two promising youngsters and later presidents, Gamal Abdel Nasser and Anwar El-Sadat....."

Don't you believe that the militia of La Lega call itself "green shirts"? Yes, they obviously haven't the salute of the Nazis, however here is some web-results which involves documents of the Italian Parliament where the term "camice verdi" (=green shirts) is used as synonymous for "militants of the La Lega":

http://www.camera.it/_dati/leg15/lavori/do...9/relazione.htm

Or go at the page 18 of this pdf document:

http://new.camera.it/_dati/leg13/lavori/do.../014/pdf002.pdf

The address of the result-page:

<http://www.google.it/search?q=camicie+verd...al&start=0&sa=N>

And now let's discover how could work the plan where the party La Lega works. La Lega is the realization of the same strategy which remember the one used by the Jesuits to colonize the Japan, obviously using it with different etiquettes. This is one of the reasons for his existence. They usually make not an invasion of a land using an army which attacks in a front manner that land or organizations or spiritual movements.... The very first avant-garde of the invasion is constituted by special corps who apparently are the exactly OPPOSITE and IRRIDUCIBLE antagonists of the principles and of the core of the invasion army which is awaiting.... This is a evolution of

the concept of the Horse of Troy, 3.000 years ago it served only to hide in a 'neutral' way the enemy, but today all this is not sufficient, today it must present an external face which is a 'total' enemy of what is contained.... The La Lega is one of this new kinds "technologically revisited" social, ideological, SPIRITUAL Horse of Troy of today....well fitted to hide, through the negation of the appearance, the very goals for which it has been created, the final external unification of Islam and Roman Catholic Church in the religion of the NWO:

<http://www.spirituallysmart.com/lincoln1.htm>

"...The next stop in the Vatican's Great Scheme is to make war between this country and Japan after the latter country has been placed under full dominance of the Jesuits. The priests, monks and nuns of the Roman Church have been pouring into Japan from all over the world now for many years with that purpose in view. The writer was told by a Christian Japanese minister in charge of a Protestant mission in Los Angeles in reply to the question as to why the Jesuits, who had been barred for years from Japan, had now been permitted to enter. He answered that the Roman Church had gotten into his country under the guise of Mohammedanism, and that after it was well entrenched threw off its disguise, and his country learned to its astonishment that it was to the Roman Church and its monastic orders it had opened its doors...."

The difference: today in the peninsula, in Europe, Rome is pouring the Imams, the Mufti, their soldiers....

Mohamedanism:

<http://www.newadvent.org/cathen/10424a.htm>

So, you need just invert the role of the etiquettes, the Italian "secessionist" case is the same of the Japan case. Use first your brain, you'll see that it is sufficient to understand the situation. Waiting for "astounding revelations" is only a way to put your brain in a "sleep mode", that's what they want. That is to put you in a dependence-state, where you need the information coming from a single person. Who controls the person controls you.

So: La Lega is an expression of the same Brotherhood which connected Islamism (= the real core of the Islam switched on) with Nazis? The party "La Lega" was financed at his beginning from where?..... But from MONACO/MUNCHEN/MUNICH, my friend, the same city where Adolf the Catholic found shelter!!!

I remember very well, ten or fifteen years ago. It was on the usual third public channel of the Italian Tv broadcast held by the former communist party, a programm (if I remember well) called "Samarcanda" or similar. It was a political and social programm, with hosts in the studio talking about the political and social problems of the Italian society, the conductor was the well known Italian journalist Michele Santoro; the transmission was about the 'secessionist' problem in North Italy, stirred by the political movement of the party La Lega. A Tv troupe went to Munich, Germany, to interview some German people who were suspected to be involved in the funding the building of the autonomist North Italian party. Obviously all was turned in the usual not dangerous argumentation of the "economic interest of South Germany in determining the fate of

the North Italy”, a discussion which obviously was intended to divert the attention in a blind alley. In fact I don't remember a single allusion to the city as the place from where the Nazis started their run to the power. Strange, because the autonomist movement La Lega collects the very sympathy of the fascist and moreover of the Nazis movement in Italy. His rhetoric, based on the “purity of the Christian Europe” that has to be defended against the invasion from the Africa, attracted many former fascists in its organization. So, finally, I found the article on the web.... Strange, this time I can open the page,.... Did they realize that is better not to act an open censorship? Many expert says that the Mafia (Police and Army forces of the creators of La Lega) today want not to appear in the first line, and avoids the clashes and the renown; it prefers to crawl in the dark:

<http://digilander.libero.it/antilega/artic...o%20'98.htm>

(from: “LA GERMANIA DIETRO LA SECESSIONE?” = “Germany behind the secession?”)

“...A part the former Yugoslavia, remains the thesis of an interest of Germany on Italy. So, the declarations of the senator Saverio Vertone (note: member of the party “Forza Italia” created by the Opus Dei puppet and P2 guy Silvio Berlusconi) to the review “Limes” don't appear so clamorous, if not for the case that they put in evidence some dates much punctual. Vertone says that financing groups of Deutschland were foddering from a long time the party La Lega whose leader is the Umberto Bossi. The collectors of the funds should be the financing group Matuschka Gruppe of MONACO of Baviera, active also in Croazia (remember the bloody Vatican butchers of WWII Croatia, “Hustasha”?) and Slovenia (another stronghold of the Vatican). In Italy, the funds should be managed by a citizen of Trieste (the city from where I write) of name Stock (in Trieste the Stock factory produced liquors, and Stock here is a name of Jewish people), and from an important Friulan family, the Strassoldo (a Nobiliar name, the heirs of the old Carantanian Nobility of Slovenian origins later Germanized and later latinized), but the family has immediately denied and threatened to bring a law action against Vertone....”

Oh, my God! How much material, my head is turning and turning. Ok, maybe if you are a citizen of Oklaholoma and now you are going to leave all this boring information on a damned Catholic party which lays in a asshole of the Europe....But all is tied, and I add, just to render the picture, that about 100 or less miles from this city, where worked the probable manager of the Deutschland/Jesuits funding of the La Lega named Stock, there's a mountain region named Karnten/Carinzia/Koroska, which is the reign of a pupil of the infamous Black Nobility and Pope servants family of the Habsburg, Jorg Haider. He claimed in public: “the SS were honourable and respectable persons”.... So you can stay sure that was the Habsburg family, proud Vatican servants, the one which sent another Adolf-adoring Catholic soldiers in your country in order to sabot and make sink your country exactly as in 1865. This Vatican soldier is the Karintzian hero of Hollywood, Arnold Schwarzenegger, now the Governor of California.

But speaking about the Nazis who started their rise in Munich, there was also the bold

“von Sebottendorf”, the very first organizer of the Nazi Thule Society in Deutschland. Where he went in order to find help?

http://en.wikipedia.org/wiki/Rudolf_von_Sebottendorf

“.....In Turkey, he became interested in numerology, kabbalah and Sufism, especially the Sufism of the untypical Bektashi order. He may well have converted to Islam, although the evidence (from his own semi-autobiographical writings) is unclear on this point. It should also be known that at that time many such Bektashi orders were attended by the Donmeh groups who were secret disciples of Shabtai Tzvi. In his autobiographical novel *Der Talisman des Rosenkreuzers* (The Rosicrucian Talisman), Sebottendorff distinguishes between Sufi-influenced Turkish Masonry and conventional Masonry....”

Nazis, Islam, Green Shirts, Imam, Mufti, Catholicism, Jesuits, SMOMs, Black Nobility, only faces of the same reality.

“IF I SAY THE WORDS ‘LEO’ AND ‘ZAGAMI’, what do you FEEL?”

Every where here in the North I experience the same, every where you can find the Sicilians in a power position, in a crucial point of society, every where they are spread with their arrogant attitude. Last days, at the barber shop, a customer, with strong Sicilian accent entered, began to scream, like a boss or captain of Mafia in their arrogant style.... My barber was silent, took by a little fear, due to the arrogant appearance of this kind of people, then I said, at clear and strong voice: “the problem of Italy is the Mafia and his Vatican masters, which should all be hanged like the plotters of the Lincoln’s assassins”. The Sicilian man immediately became silent, and I imagine that now my phrase is now recorded in the book and hard disks of the Jesuits, Freemasonry, Carabinieri etc.....And now my barber is more under surveillance.... Because they are a NET, not a population.... Then you return home and on your way you find a Carabinieri patrol which asks for your documents...The captain is he also a Sicilian, with his arrogant attitude of a boss with the ‘Republican’ uniform.... With the flame of Lucifero/Baal on the hat....He makes you understand that you are in their hands,...in Italy there are dozens of thousands of laws, and they could find out for sure some dozens of articles you don’t respect..... Then they make you imagine what could happen to you if you – God will that not! – go for a moment in Jail, a jail full of micro-criminality which speaks with their fucking Sicilian dialect, full of people arrogant and prostrated to their bosses exactly how in mosque Muslims do...(Sicilian or Islam, Mafia is Mafia)... every two/three days in a TV news they show to you a chronicle about judiciary court and jails,... just to make you understand the torture and how this bunch of pigs can destroy your life and the one of YOUR family..... Then you arrive at home and find the man of your sister, a Sicilian too, with this arrogant attitude who pretends to command in your home, the only thing these people are capable and skilled to do.....

And then you switch on Internet and what do you find??? Leo, ... Another Sicilian!!! You can't hear him, but I perceive perfectly the same arrogant attitude, of whom I have now the bowl well filled, when he shows himself in a insinuating "devil style" on his site.... Again, I ONLY hear a MEMBER of the MAFIA clan with their arrogance and attitude, they are like the sellers, in the times of the Far West age, of dirty water claiming it was "miraculous medicine"., No means is spared to trying to put their feet on the heads of other people and in their homes where they did and continually do as I continually experience here in the North Adriatic. And not only in my case, as I hear from many people of here tired of this invasion which works, in order – here- to latinize the Nordic not-so-right-Italian populations, there – in America – to convert or exterminate a population of heretics...As they saw that the fucking Roman priests and Jesuits were not meeting with the success in the effort to pervert the mind of the s.c. American heretics, they send a Picciotto, Leo Zagami, just to try to fool the people taking 'em from the side of the Islam, because they thought (and made a big mistake) that "if people think that Islam is enemy or at least an adversary of the Roman Church, and the people hate the Roman Church, we could use the Islam to capture the trust of the people".... Is normal that Leo likes Islam, because Mafia and Islam have the same mental and SPIRITUAL attitude: prostration, surrender, annihilation of free will in front of Satana disguised as Allah/God. May God send all them, Mafia, the Roman Church and the Islam, to Hell! Because if is not God that do it, I could think that could be my holy duty to do.....

My Grandfather, whose only single guilty was to be captured by communist (Jesuit's) ideology (but thinking to the ignorance and the poverty of those times it is comprehensible), was, during WWII for a period of time, a member of the first "partisans" i.e. the armed resistance against Nazi-Fascism . He didn't wait the Carabinieri, the prefecture, the Government, the bishop, for a permission to take a gun and make a good, healthy, deep hole in the heads of the pigs invaders of those days..... Just hold a gun and "do it", like said the Fathers of the Independence of America.... Around my zone, you'll find hundreds of monuments which today recalls the last period of the Thirty Years Jesuit's War, the WWII, where many people here poured their blood to stop the "Turkey & Antichrist" invasion of the 1941, and I assure you that today, if it is the case, many of the descendents of them are ready to do the same.... Me enclosed too.

Today I hope to go, (if I can later arrange with a promise I did with my parents), for the first times after years, to the Manifestation of the 25 April, which is the official date of the Liberation of the Italy from Nazi fascism. For a period, influenced by the 'Antichrist' propaganda on 9-11, I was anti-Semite and a sympathizer of the Nazi movement, which at my eyes was the real victim, because the 'democracy is criminal' as the 'Imperialism USA' every days 'shows it'. But this 'Antichrist' propaganda failed to grip my heart, and I with my spiritual forces, completely destroyed it!!! So today I am happy to go to the anniversary-manifestation. I know very well that the war was wined by the Real Nazis-Fascism, which simply destroyed his "official" body in order to transfer themselves in the new "body" of the s.c. democracy, in order to pervert her like a demon who

possesses a body pervert it....And I know very well that the ones who will speak today from the tribune are just emissaries of this Evil, which take his fun presenting itself to the poor ignorant masses obscured by many ideologies, as "the Good".

The world to whom Leo Zagami belong and which ordered him to go to spread the confusing smoke propaganda around he world, is the world which smells of the stench of the massacre of the Portella della Ginestra, a massacre occurred in the '47 in Sicily. Now there are new revelations about it, it was not performed only by the Mafia, but it had a role of support with the OSS agents, to the active raid performed by former fascist militia:

<http://lists.autistici.org/message/2005120...325e93b.en.html>

<http://www.holycross.edu/departments/histo...ride/mafia1.htm>

There was something else you must know about Cosa Nostra & Company, something that take us near the world of our friend Leo Zagami, who belongs to the nobility of Sicily and is a fervent Muslim, this 'something' is the ties that Mafia, Camorra, etc. have with the Arabic world,...with the ISLAM.... I tried to find out an Italian address which could expose that, but till now found nothing.... This is the silent censorship, now Cosa Nostra acts without bombing but in a silent manner, the silence on the web is the clash of his Satan's hoofs. In fact I remember very well, when it was the period of the bloody mafia in the papal south Italy, with car-bombs, killings with Kalashnikov, the Massacre of Capaci of '92, and so one. Often was mentioned the strict ties of Cosa Nostra with the Islamic world, just look the technique of car bombing arrived from the Lebanon, the supplying of explosives and Kalashnikovs, just look the Marocco and Lebanon free zone where Cannabis is produced and traded by Mafia.... There was often mentioned a covert, discrete but strict bound with the Palestinian liberation organizations, not surely with the Zionists..... But now all that is disappeared from the information. Oh, don't cry, in change you haveLeo Zagami, the fan of the Islam's bosses, the Imams!

Obviously then I repeated a search only in English language, and the results, thanks the minor censorship respect the one in the Protectorate of Vatican (Italy) gave some good results:

<http://www.jihadwatch.org/archives/001650.php>

"....ROME (Reuters) - Italian investigators have found a link between Islamic militant groups and the Camorra, one of Italy's main organized crime groups, a top anti-Mafia investigator said on Monday.

"We have evidence that groups of the Camorra are implicated in an exchange of weapons for drugs with terrorist groups," Pierluigi Vigna, Italy's national anti-mafia prosecutor, told reporters at the foreign press club.

Asked what kind of groups, he said: "Islamic terrorist groups."

Vigna, whose Rome-based office coordinates the work of magistrates investigating organized crime in Italy, said he could not give more details.

Pressed further, he suggested the cooperation came about after a member of the Camorra, the Naples-area version of the Sicilian Mafia, converted to Islam and met in prison with Muslims who had been arrested in Italy....".

Nothing strange, the world of submission of the Mafia and Camorra is perfectly close to the Islam world because they are the essence of the Medieval world, where the rights of the individuals doesn't exists. I am not blind, the five-times- at- day- prostration- mentality, thanks to God, is something that has been 'passed' by the guillotine in the Place of de La Revolution. But now is coming back from the South in an 'above suspicion' way. Moderate or extreme, the Islam, except the RC Church, is the enemy n° 1 of the State of the Rights and of the Republican State and in that will always find the Canonical law supporter Mafia as trustful and strong ally. The Roman Catholic Church uses his Islam mercenaries to invade Europe and to give then the coup de grace (finishing stroke) to the implacable enemies of the principles on which Islam, Mafia, Black or White or Sicilian Nobility and Catholicism are based, and this enemy are the principles of the French and the American Revolutions.

Remember the Treaty of Verona.

So, from "Portella della Ginestra" to the "Massacre of Capaci" of '92, you can see just a single plan, which involves Islam, Fascism, Cosa Nostra (& Camorra of Napoli, and Stidda of Puglia, and etc.), ideologism, parties, commies, secessionism "made in Vatican" of the La Lega, and finally, Vatican itself, above all!

The 'moderate' Islam has the same function of the 'moderate' Catholic world, a immense fooling disguising organization which prevent the people to realize the cage where they live and keep 'em prostrated.

As happens here, in Trieste and North Italy in general, you'll find in America many PELOSI,.....GIULIANI,..... ZAGAMI. All fitted in crucial places, of the power or of the information, in official structure or in not-official and 'alternative' organizations, all collecting information because they act as delators and informators, just how did the spies of the Fascists here, who unfortunately were not all hanged when the war finished. You can find these people every where the destiny of a nation and the life of their inhabitants is decided,....Till you are in times to do it, before a civil war explodes, take 'em and gently and with courtesy but firmly drive 'em out your country to return to their home, the Protectorate of Vatican in the Middle of Mediterranean See. This is a question of life or death for your nation, for your ethnical and moreover spiritual identity and for the most high values you believe in them.

You can take all of this as my personal political and spiritually 'manifesto', just some points of my "95 thesis" strongly nailed on my soul.

Best regards by a North Adriatic "Minuteman", I am near to everyone in the world fighting for the flag of the Freedom and against the brutal, ignorant, superstitious prostration in front of the religions of the Antichrist.

Avles.

But demons, which assume the image of angels, goddess virgin Mary and saints and appear to ignorant popes, bishops, parishes and monks, to old witches and to the prostitute of the parishes and of the monks, impose them to be bigot, to torment themselves, to fall to the ground,... and to all these people the demons announce that now on this, now on a different mountain, on the field, or in the forest, churches have to be built, in order to bring there donations and to celebrate masses, in order to bring there wealth from everywhere, and every kind of cattle; and if they don't do that, the goddess Mary and the saints will destroy with lightning all the corn-fields and the vineyards and will kill them with the plague."

CRAIG-OXLEY - April 23, 2007 02:39 AM (GMT)

Orgies are the way to ease social tensions, claims US judge

Oliver Burkeman in New York

Friday October 1, 2004

The Guardian

<http://www.guardian.co.uk/usa/story/0,12271,1317386,00.html>

He is the conservative bastion of the US supreme court, a favourite of President Bush, and a hunting partner of the vice-president. He has argued vociferously against abortion rights, and in favour of anti-sodomy laws.

But it turns out that there is another side to Justice Antonin Scalia: he thinks Americans ought to be having more orgies.

Challenged about his views on sexual morality, Justice Scalia surprised his audience at Harvard University, telling them: "I even take the position that sexual orgies eliminate social tensions and ought to be encouraged."

It seems unlikely that this is what President Bush meant when he promised to appoint more judges like Scalia to the court, should the opportunity arise. Crucially, Justice Scalia is one of the judges in favour of overturning Roe v Wade, the landmark judgment protecting abortion as a constitutional right.

One audience member also asked the judge "whether you have any gay friends, and, if not, whether you'd like to be my friend," the Harvard Crimson newspaper reported.

"I probably do have some gay friends, but I have never pressed the point," Justice Scalia responded. He offered no clue to the logic behind his claim that orgies eliminate social tensions.

Nobody asked him whether he was familiar with Rick Moody's novel *The Ice Storm*, turned into a movie by Ang Lee, which appeared to suggest the exact opposite.

Title: Black Pope's Fraud Payments

Truth_Sets_Free - April 20, 2007 11:26 PM (GMT)

Does anyone know what the Black Pope uses for directly paying his big shots? I bet several times his money has turned out to be fraud and there are some billionaires pissed off at him. I know many times banks have not paid people out the money they were due from him and there's more than one billionaire pissed off at him. I've heard he pays primarily in fraud which makes many big shots think very little of him.

Additionally, if anyone has a bad story of doing business with him or had been requested by him to go into business but declined because of past bad deals etc please do share on this thread.

CRAIG-OXLEY - April 20, 2007 11:43 PM (GMT)

All business deals, transactions etc are done through his Banking system which the **Papacy** and **Norman Anglo-Saxon Kings** granted power to the so-called Jew back in **1066**. Therefore right now it is Rothschild that would deal with payments for loyalty and work done for the **Order**. Most times payment never surfaces but people simply do nothing or they simply are **TERMINATED** or loose what they have got! The **Society of Jesus** and its **Sovereign Military Order of Malta** hold that much power. You do exactly as your told or your **EL**iminated. Most money for all the dodgy agenda comes from massive unimaginable **slush funds** created by stealing from Nations along with **Drugs & Arms** deals by the **Intelligence agencies** controlled by the **OMEGA PROJECT** in Colorado for the **Sovereign Military Order of Malta**. Notice how **FBI Divison #5's** HQ is within **DENVER, COLORADO!!!!**

Truth_Sets_Free - April 21, 2007 09:46 AM (GMT)

I thought ARCHBISHOP PAUL MARCINKUS was the Jesuits so called "God's Banker"? Look what happened to him.

CRAIG-OXLEY - April 21, 2007 04:44 PM (GMT)

Well the big boy in the Americas for the money is Archbishop of Chicago, Eugene. He also is in charge of the Nation of Islam, KKK and local Mafiosi. Yet again another most powerful person in the region far excelling the rest.

Title: Eric Jon Phelps - Highlights Dirk's DISinformation

CRAIG-OXLEY - April 20, 2007 10:54 PM (GMT)

Hi,

your site carries a somewhat misleading name. I'm not a catholic at all so I don't write you to defend catholicism but I feel I must inform you about the following facts:

OK

You are very right that Jezuits are ruthless and responsible for a lot of misery in this world. However, you don't seem to be aware that the priory of sion, the knights templar, the order of malta, the elite of the jezuits, the new order of the templars (founded by Von Liebenfels) AND the elite of the SS (Thule Gemeinschaft= a creation of the bavarian illuminati) are all organisations which were created by the same people : the black nobility.

Agreed. I know this and speak much about it in VAIII. I show that Bavaria is the greatest Jesuit stronghold north of the Alps. It was from Munich that the Order launched its First Thirty Years' War (1618-1648) that destroyed Protestantism in Austria, Bohemia and one third of Germany. The Order had a powerful Inquisition in Ingolstadt as proven by James J. Wylie in his The History of Protestantism, Vol II, written in 1878. This Black Nobility who are Knights of Malta is composed primarily of White Gentiles, families like the Krupps, Bohlens and in Bavaria, the Wittelsbachs. I prove in VAIII that the Jesuit Order founded Scottish Rite Freemasonry in the College of Clermont in Paris, France, writing the first 25 degrees by 1754. The purpose was to restore the pro-Jesuit, Roman Catholic Stuarts to the throne of England. I further show that the symbology in the rite of the Master Mason (3rd degree) is in perfect correlation with the history of the Jesuit Order's suppression in 1773 and revival in 1814. Hiriarn Abiff is the Jesuit Order; he is killed by three ruffians---the Roman Catholic Kings of Portugal,

France and Spain who expelled the Order from their empires in 1759, 1764 and 1767. The Pope extinguished the Order forever in 1773 with a Papal Bull---thus the death of Hiriam Abiff. But how is Abiff raised from the dead? He is brought back to life by the Grand Master of the Lodge with the Lion's grip and the whisper of a phallic password (Mah-Hah-Bone) into the ear of Abiff. The Pope is the Grand Master of the Lodge and it was Pope Pius VII who revived the Order in 1814 via another Papal Bull. Scottish Rite Freemasonry was intended by the Order to be the front for the Jesuits in establishing the Pope's Temporal Power over every nation on earth. Von Libenfels was a Masonic Jesuit Temporal Coadjutor and I cover his history extensively in VVIII. His calling for making the Jews of Europe a "burnt offering" was carried out by the Order controlling Bavarian Roman Catholic Jesuit Coadjutor Heinrich Himmler. In fact, half-Jew Hitler had a secret meeting with ex-priest, openly Lutheran, Georg Lanz von Libenfels before the Jewish Holocaust began. That mass-murder of the Jews within "The Pale of Settlement" had been planned by the Order controlling Tzar Nicholas I (who first established the Pale) for nearly 100 years.

Please spell the Society of Jesus members correctly utilising a 'S' and not a 'Z' just for a start. Now has this indoctrinated bafoon Dirk read any of Eric's information before running off at the mouth? Seems not, how can anyone say Eric doesn't seem aware of the Knights of Malta? This is a complete joke and you'll probably find this clown Dirk doesn't even know their real name being the SOVEREIGN MILITARY ORDER OF MALTA.

Hence the fact that they share the same symbols: the iron cross and the deadhead with the crossed bones. Ever wondered who the black nobility is? They are a bloodline of Ashkenazi jews who pretend they are christians: they claim that they are descendants from christ but they aren't since their origin lies in eastern europe since 600 before christ so they have nothing to do with the Sephardic or Mizrahi jews from the middle east.

Disagreed. The Ashenazi Jews are indeed racial Jews and their origins can be traced back to the Assyrian captivity of the ten northern tribes of Israel in 728 BC. This heresy that the Ashkenazi Jews are not racial Jews was newly introduced into the early twentieth century. You will look in vain to find such a teaching prior to 1900 or thereabouts. I have a friend who is a racial Ashkenazi (who believes on the Lord Jesus Christ of the Reformation New Testament) whose Hungarian parents were murdered in Auschwitz. If the Ashkenazis were not racial Jews, then why would the Jesuit ordered SS go to the trouble to round up 400,000 Ashkenazi Jews of Hungary? The Ashenazis are racial Jews as are the Sephardic Jews. Rome knows who are the racial Jews. This is why the Order went to the trouble of installing the IBM Hollerinth machines thoroughout Europe before the roundups began. The census enabled the SS to more easily arrest the Jews of Europe after Hitler's invasion of France. And IBM was run by 33rd Degree Freemason Thomas

J. Watson, Sr. His picture is in VAIII.

Oh his programming is wild isn't it as are most sheoples still falling for all this Judiac ruling the world front nonsense.

So why does the black nobility claim they are christians?

They claim they are Roman Catholics. They do not claim to be Christians as Roman Catholics are not Christians by any definition. Roman Catholics, just like the Moslems, believe in works salvation and conduct ordered mass-murderes called crusades or jihads. Thus a Roman Catholic is no more a Christian than is a Moslem. The Black Nobility of Europe is composed of Roman Catholics and a few Pope-serving racially Jewish families.

Simple answer: because they wanted to infiltrate in the top of european organisations. They also wanted to be able to deliver banking services without being recognized as jews.

The Vatican has used certain Jewish families as their money men for centuries. Before the Rothschiles it was the **Fuggers. The Jewish families of wealth and banking are nothing more than the "Keepers of the Vatican Treasury." And the Vatican is ruled by White Gentiles, not racial Jews. According to the Scriptures, we are living in the "times of the Gentiles" with Gentile supremacy controlling Jerusalem. The Jews ruling Israel are merely surrogates for the Papacy for which reason it is illegal to openly preach the Biblical gospel in Israel. This time will only end with the coming of the Lord Jesus Christ (Luke 21:24-27).**

*"Now turn to the "The Shetars Effect on English Law" -- A Law of the Jews Becomes the Law of the Land, found in "The George Town Law Journal, Vol 71: pages 1179-1200." It is clearly stated in the Law Review that the **Jews are the property of the Norman and Anglo-Saxon Kings**. It also explains that the Talmud is the law of the land. It explains how the Babylonian Talmud became the law of the land, which is now known as the Uniform Commercial Code. The written credit agreement -- the Jewish shetar is a lien on all property (realty) and today it's called the mortgage! The treatise also explains that the **Jews are owned by Great Britain** and the Jews are in charge of the Banking system. We are living under the Babylonian Talmud, it is were all of our problems come from. **It was brought into England in 1066 and has been enforced by the Pope, Kings and the Christian churches ever since.** It is total and relentless mind control, people are taught to believe in things that do not exist."*

So why would a bloodline Ashkenazi jews murder 6 million jews and people with jewish blood (beware that some people who were murdered didn't even know they were jews because they happened to have a jew in the family 4 generations earlier) ?

I will not deny that the Masonic Jewish Labor Zionists participated with the Black Pope's SS in the mass-murder of European Jewry, including the Ashkenazi and Sephardic Jews. Ben Hecht in his *Perfidy* makes this perfectly clear as well as Barry Chamish in his several writings. This is further evidence that these Masonic Labor Zionists are merely Rome's Court Jews carrying the policies of their master, the Pope of Rome. The Chief Rabbi of Rome and the Pope are bosom buddies!

Because these black nobility Ashkenazi jews don't give a f*** about a human life and the 6 million people had to die because their (Ashkenazi) bloodlines were not pure or because they were Sephardic or Mizrahi jews (real jews from middle east) and they don't like Sephardic or Mizrahi jews and last but not least: they knew that killing 6 million jews and people with jewish blood would give an enormous boost for their zionistic ideas and their plans for a world order:

Further, these Masonic Jewish Labor Zionists (many of whom were racially Jewish Ashkenazis) have used the mass-murder of over 6 million racial and religious Jews as a stepping stone to the restoration of the Pope's Dark Age "Kingdom of Jerusalem"--- the nation of Israel. Thus, these wicked sinners have converted the horrible Jewish Holocaust into an Industry to finance Rome's Masonic Jewish Labor Zionist-led "Kingdom of Jerusalem." Never does the Holocaust Industry blame Rome for the murder; only the Lutheran Church and Martin Luther are blamed as shown in Washington, D.C.'s Holocaust Memorial. Further, Luther never wrote *On the Jews and their Lies* which I also address in **VIII.**

the holocaust made sure that nobody these days dares to speak out loud the fact that all important banking organisations are led by their bloodline of Ashkenazi jews while Sephardic or Mizrahi jews are treated just like us, like cattle..

As i already stated, these Ashkenazi black nobility bloodlines are among us since about 1000 after christ and their worst enemy has always been the Vatican and the pope.

Disagreed. The racial Jews of power are mere servants of the Pope. If they disobey, they are eliminated, like Rabin. Certain Jews of power are Knights of Malta Henry Kissinger and Edgar Bronfman as well as the late and wicked Louis M. Bloomfield---one of the greatest financiers of the Jesuit Order's colleges in Canada. Again, they are the Pope's Court Jews and never resist the Vatican.

However, with the creation of the jesuits in 1540 they infiltrated the Vatican to be able to control it from within.

The Jews never started the Jesuit Order. Loyola was not a Jew but a Spanish Gentile whose family would have been expelled by Ferdinand and Isabella in 1492 had the Loyola's been racial Jews. True, Laynez was a racial Jew but due to that

exposure, the Order passed a statute to their Constitutions in 1593 that no Jew could be a Jesuit. Ex-Irish Jesuit E. Boyd Barrett confirms this in his work, The Jesuit Enigma which is quoted in VAll. This statue was repealed in 1946, Jews thereby being admitted for their service during the Order's Second Thirty Years' War. Several key Jews in Israel are Jesuit Temporal Coadjutors.

Yet we see more Vatican programming trying to fool people that the Jews rule the world. These people will do anything to hold onto their beliefs that Jews rule the World. When we speak of the Vatican their security blanket is removed and they become fearful, attacking and deceitful.

Hence the fact that the jesuits killed ,poisoned and intimidated countless popes!

Disagreed. The Jesuits attacked the Pope's who resisted their centralizing power. The Devil founded the Jesuits to reorganize the Papacy after the Lord's Bible-based Protestant Reformation had dealt such terrible blows to the credibility to the Papacy. A different group of Luciferian Gentiles were given the power over the Papacy. Those popes who resisted were punished or killed---as were many of the Roman Hierarchy.

The first freemasons were also a fierce enemy of the black nobility but freemasons were also infiltrated. In 1776 the black nobility Ashkenazi jew Adam Weishaupt created the Bavarian Illuminati and in the meantime these guys have almost complete control over the Scottish and York rite so they are in control of the world.

Adam Weishaupt was not a racial Jew. He was a German White Gentile who was appointed to teach at the Order's University in Ingolstadt---the strongest Jesuit haven north of the Alps! Weishaupt was under orders from the Black Pope Lorenzo Ricci to create the Illuminati for the purpose of uniting all Freemasonry with the Order including the Masonic House of Rothschild. It was at this time that the massive fortunes of the Jesuits were committed into the hands of the Rothschilds---this becoming the bankers for the Jesuit Order. With this order in place, the Jesuits launched the French Revolution and Napoleonic Wars---financed by the Order's House of Rothschild. After the Order's revival, the Rothschilds and Warburgs and Sassons and other Jewish Houses (in submission to Gentile bankers who are now Knights of Malta) merely became the "Keepers for the Vatican Treasury." This is why the Jewish Freemason, CFR/British Knight, Alan Greenspan openly headed the Federal Reserve Board. Jews must appear to rule the Pope's bank. But his master were Knights of Malta, men like Irish Roman Catholic William J. McDonough of the New York Fed.

The most powerfull family of the black nobility- Ashkenazi bloodline are the Rotschild's. They lost exactly one family member in the holocaust: a catholic born women married to one of the Rotschild's with no Ashkenazi roots whatsoever. A cheap cover up to hide

the fact that the Rotschild's themselves were the chief architects of the holocaust: hence the fact that the lists of the people who had to be deported to concentration camps were made by a jewish council and NOT by the germans!

Disagreed. The German Nazis of power were Roman Catholic Bavarians. Himmler, Gestapo Mueller, Josef Mengele and many others were Bavarian Roman Catholics. Their immediate master was Munich Archbishop Michael Cardinal von Faulhaber beholden to the Jesuits of St. Michael's Church about 100 yards away from the Munich Cathedral. Himmler had the power of life and death relating to the deportation lists. No priest could be shipped to Dachau without Himmler's approval---as Rome was purging its Vatican Empire of "liberal" priests. Agreed, the Germans have unjustly been blamed for the deeds of the Pope's Nazis, as this was all a plan to destroy the Protestant Reformation in Germany---especially in Prussia. Protestant Prussia died in 1946---to the delight of the Jesuit General.

Disagreed also, as the Rothschild wealth is dwarfed by some of the main players within the Black "Venetian" Nobility, being the most power of the black families.

Did you know that Bilderberg was founded by Joseph Hieronim Retinger (a polish Ashkenazi jew!),

Disagreed. Joseph Rettinger, who indeed founded the Bilderbergers was a "33rd Degree Freemason and a well trained Jesuit priest" according to John Coleman's Conspirators Hierarchy, p. 52. And Coleman would know as he was British Intelligence.

This shows he's simply running off at the mouth but hasn't studied correctly. Why didn't he mention that Joseph was a Jesuit? Mind you at least he speaks of him unlike David Icke who just speaks of Bernard whilst conveniently forgetting the Jesuit mastermind behind the SMOM's Bilderberg controlled from their 'The City' by one of their inner cores being the PILGRIM SOCIETY.

Prince Bernhard (an ex-SS officer) and Paul Rijkens who, in 1933, had a personal meeting with Hitler!

Both men were White Gentiles as no Jew was permitted into the SS as per the policy of the Jesuit Order. The SS was patterned after the Jesuit Order as you know.

Before you think I'm just another conspiracy geek I must tell you that I was meant to be a very high ranking Scottish rite freemason but due to the fact that I found out the truth during my initiation period things may turn out to be different..

So glad to hear of your refusal to continue.

This persons writings and mannerisms seem very immature indeed. So are we supposed to be amazed because of being around the Scottish Rite? No thanks it means nothing and from your writings it most definately means nothing. Theres 33 degrees were told in the Scottish Rite. Until you hit 32 your almost nothing as Albert Pike highlights in 'Morals and Dogma.'

Anyway even if your site doesn't tell the whole truth I respect your initiative to resist these new world order freaks. However, I advise you that you change the name of your site or at least tell the people that the vatican itself is in complete control by those jesuits and that ordinary priests, bishops and kardinals have NOTHING to do with the evil intentions of the black nobility and these Ashkenazi bloodlines like the Rotschild's.

The title of the site will remain the same. I do state that the Jesuits rule the Vatican. I do state that the Rothschilds finance the Jesuit Order and the Vatican Empire, as do the White Gentile Rockefeller and the White Gentile Morgans. But the Bible is clear: The Jews, while in their Disapora, are the "tail" of all nations, not the "head" of all nations (Deuternomy 28:44, 64-68). Jerusalem is "trodden down by Gentiles" to this day (Luke 21:24-27). Thus, Gentiles rule the world's politics, banking and religions. Racial Jews, if in the limelight, are merely the Pope's Court Jews. Thus, the gulit for the world's woes falls on the Devil-worshipping, White Gentiles ruling the Jesuit Order which Order rules the Pope and his Roman Hierarcy as well as international Scottish Rite Freemasonry. I trust this is helpful.

Who does this person think he is? I wouldn't have wasted my time with a reply to this ignorant, I-know-it-all-NOTHING personally.

Regards,
Dirk

Dear Eric,

It was quite obvious this person hasn't read any of you work and more

importantly understood it. I'm really fed up of all this Judiac ruling the World **NONSENSE**. I also didn't appreciate him utilising the 'F' word in your presence when we know you absolutely hate to see any form of swearing withing our mails addressed to yourself. When are people finally going to wake up and smell the Vatican coffee? Theres just so many agents out there pumping peoples minds about the Jews. As I've highlighted in the past its utter nonsense and goes against common sense if it were true. I really think William Cooper was right in taking the Gloves off with people and their fallacies and nonsense. Its time to forget people like this and concentrate on people of worth who can make a difference. Right now I'm fuming about all this Jew disinformation and people constantly fighting one another about who was in OTO and who was in Scottish Rite. The Order is seriously controlling the so-called conspiracy exposing opposition. Their making it so difficult to get the true message into sheople's dense brains loaded with Fluoride and God only knows what else. I personally believe that people should be addressing their **HEALTH** first before even caring about **JESUITS** ruling the Earth. Our health is being seriously attacked like never before, without it you cannot fight and lead a reasonable life. Mind you within this **SMOM** Bird Cage prison we live in I truely cannot see anyone having a good life wether they believe it is or not.

I thought your explanation of the Hiram Abiff interesting but I would just like to ask why you think others such as the legendary William Cooper thought Abiff was jacque De Molay of the Knights Templar? It makes me laugh when Jew haters cannot use common sense and ask themselves why would the **SMOM** give up what they had awarded to them after the Templars were destroyed? Oh right their really going to give it all to the so-called Jews. I think not indeed, the Jew can work for his keep and x-amount more freedoms than most walking the Earth.

That was fantastic, well done Eric! But not to take away everything from the other person because his questioning allows us all to learn more and this is part of what it is all about.

For example, I can see why this Dirk person would think that the Ashkenazi Jews are

not racial Israelites since many are coming from Mongolia-Khazar. Also some are true Edomites (just as was King herod) so it would be fair to say that the whiter-skinned 10 Northern Tribes of Israel may also include SOME Ashkennazi's and as well as the majority of the Anglo-Saxon peoples who are now the majority of Europeans and also North-Americans.

Calling Ashkenazi's "racial Jews" is fine but we should NOT be forgetting that people like myself (being a white-skinned Anglo-Saxon) are also part of those 10 Northern Tribes. As far as I'm concerned, "Israel" is as much "MINE" as it is belonging to any Jew. But that is a foolish notion considering that many Jews and many non-Jews do not uphold the Covenant. So why should it be mine simply if I can prove that I'm part of the lost 10 Tribes? Does that sound correct?

It's not about blood, unless we are all to believe GOD IS A RASCIST, see? And Eric cannot deny the words of Martin Luther regarding how one cannot circumsize the ear unless it is meaning "spiritual connections". So it's not about FLESH and I'm sure Christ never took blood samples to show who gets Israel.

I would not call him a cretin because many of the posters who eventually made their way here, were coming from similar Anti-Zionist thought. He may even drop by here one day?

I think many well-meaning folks truly believe that the Zionists are behind the Conspiracy, although however they are incorrect. But I agree that it can waste time. Eric is very kind to get into so much detail with a stranger but I do hold careful watch to the blood-line question.

Considering that the very creation of Israel was a form of materialism of the very worst kind; a return to what was once taking away a part of the human race and seperating it

from all the rest, is exactly what Christ did not want.

israel is a spiritual reality and not a land and when Satan appears, he will use any form of materisliam to his advantage. Israel will never succeed in it's present form and the people of Israel are in great danger. They need to GET OUT and let the land go back to it's rightful owners.

Anyone who can claim the right to a land by a racial bond are rascists and also have no understanding of what the true meaning of Israel is. That is why I keep close watch over the idea of calling for a "return to the homeland" by those of a certain blood.

CRAIG-OXLEY - April 21, 2007 02:11 AM (GMT)

Hello Eric,

thanks for your extensive and detailed reply. I'm aware that most jews are, just like us, victims of the despotic world order. When I started investigating things about this world order my first impression was that indeed the vatican and especially the jesuits and opus dei were controlling the current world order. One of the things which convinced me at first was the fact that the jews were all alone while fighting against the arabs in the 6-day war and the yom kippoer war, they didn't get any help from western countries.

Good point, however, the diplomacy that arose out of both wars benefitted the Vatican. The Temple mount was now in the hands of the Masonic Jewish Labor Zionists although Moshe Dayan gave back the mount to Arab Moslem control within 24 hours. And the Yom Kippur War "intended to bleed the Jews" in the words of SMOM Henry Kissinger, was used to give more advanced military hardware to Israel via SMOM Alexander Haig, Jr.

However, there are some facts I just don't understand: why are the largest international investment banking companies like Goldman Sachs and many others owned by jews?

This is the impression the Order wishes to make on the casual observer. Goldman Sachs is Jewish in name but is run by the Knights of Malta---White Gentile Roman Catholics. Google Geoffrey T. Boisi and Carnegie Corporation of New York. Both Carnegie and Goldman Sachs have Jewish names. (By the way, when J. P. Morgan bought Andrew Carnegie's steel works White Gentile SMOM Morgan paid 100 million less than the company was worth, thus stealing that amount from Carnegie.) Boisi had been a senior general partner of Goldman, Sachs & Co. where he served on the firm's management committee and head of investment banking overseeing worldwide mergers. This is but one of many examples of the SMOMs controlling what apparently seem to be Jewish firms.

These companies really own much more than 50 % of the investment capital in the US. The world bank is also led by a jew, Wolfowitz.

Paul Wolfowitz is another CFR token Jew. The Archbishop of New York oversees the CFR via his Jesuits at Fordham University---Jesuits like CFR Presider Joseph A. O'Hare. Wolfowitz, like Bloomberg, like Greenspan, like Blumenthall and a host of others are conscious, traitors to their own race, while serving Rome and the interests of the Jesuit Order.

If jesuits really control the world, then why don't they do anything about the fact that jews own such vast amounts of capital ?

White Gentiles (English, Irish and Italian Roman Catholics) own the vast majority

of the world's capital, i.e., all paper currencies, all the central banks, all the gold hordes and the oil cartels. The Jews involved in finance are always up front and ready to take the blame for the crimes committed by the Order. This same pattern is evident in Hollywood---the Jesuit Theater.

And what about this prophecy which would refer to Ashkenazi jews ?:

Revelation 2:9 I know thy works, and tribulation, and poverty, (but thou art rich) and I know the blasphemy of them which say they are of Israel, and are not, but are the synagogue of Satan.

Revelation 2:9 says:

". . . I know the blasphemy of them which say they are Jews, and are not, but are the synagogue of Satan."

This verse must be understood in light of other passages from the Word of God.

In John 8 Christ is speaking to racial Jews. In 8:37 He said, "I know that ye are Abraham's seed; . . ." acknowledging that these Jews were racial Jews. But he then goes on to tell them that they are not spiritual Jews as was Abraham. Christ later says in 8:44 that you Jews "ye are of your father the devil, and the lusts of your father ye will do."

The contrast is important to understand. These Jews he was speaking to were indeed racial Jews and the physical descendants of Abraham. But spiritually, just like all Gentiles, the spiritual father of these Jews is the devil. This is why every man must be born again (John 3) if he is to see the kingdom of God, be it on earth with Christ's earthly reign yet future or in heaven with Christ for eternity.

Further, all who deny that Jesus the Messiah (the Son of God) has come in the flesh is of that spirit of antichrist (I John 4:3). Thus, there are Jews who are saved whose spiritual Father is God (Romans 9) and there are Jews who are not Jews whose father is the devil---just as there are the world's unsaved Gentiles whose father is also the devil.

In this light we understand Revelation 2:9. The Jews of that verse are indeed racial Jews, but they are not spiritual Jews with a circumcised heart (Romans 2:29). Their father is the devil and their synagogues are synagogues of Satan as says the verse. The same principle holds true for Gentile churches. They are composed of racial Gentiles but because they do not believe the Scriptures, their churches are churches of Satan---the first being the Roman Catholic Institution. All the apostate Protestant churches follow suit now penetrated with Freemasonry.

Now does this verse make sense to you, Dirk?

Kind regards,

Dirk

Sincerely in faith,

Brother Eric

Well said. I'm glad that Eric has made it clear the difference between the people of the Seed of Abraham and the people who uphold the spiritual Commandments. But at the same time, nowhere does Christ confirm that they are ALL of the people of Jacob (Israel).

King Herod was also of Abraham's seed. So are the people of Ishmel or the Muslims. Herod was an Edomite and the Edomites are also of Abraham's seed. But being of Abraham's seed does not make them of Jacob's seed and thus not of the 12 Tribes of Israel - by blood, not to mention in spirit!

Title: The Labor Zionist is the COURT JEW of the JESUIT

CRAIG-OXLEY - April 18, 2007 11:48 PM (GMT)

Dear Mike,

Thak you for contacting me.

Indeed, the Masonic Jewish Labor Zionists are wielding great power here in the US via the CFR. But the Jesuits rule the CFR and the Labor Zionists as both were created by the Order. A classic example of this power structure is New York Jesuit Joseph A. O'Hare. This man is a PRESIDER at the CFR. He is also one of the main backers of Labor Zionist Michael Bloomberg in his successful election to Mayor of NYC.

The Masonic Labor Zionists are merely the Pope's Court Jews controlled by the Black Pope. The Jesuits were also the key power behind Vatican II, men like Cardinal Bea and Carl Rahner.

Sincerely in Faith,

Brother Eric

Subject: Fw: Fw: THE MOST DEADLY ENEMY THE UNITED STATES WILL EVER HAVE TO FACE

Folks, the enemy IS NOT the Catholic Church.

Please, Wake up!!!!!!!

The Catholic Church was usurped by Jewish Zionists lock, stock, and barrel in 1958. With Vatican II they effectively neutered the power of the church.

The Vatican does not own the majority of the world's corporations - Jewish Zionists do.

The Vatican does not control the world's money - Jewish Zionists do.

The Vatican does not control mainstream media - Jewish Zionists do.

The Vatican and the Catholics have not usurped the entire body politic of the American government - Washington is drowning in Jewish Zionist influence and control.

Bush doesn't carry the Catholic Bible around, he carries the TALMUD!

Since 1958, the Vatican has had a series of "anti" Popes with Pope John Paul II being the most notable.

May I suggest that you investigate:

Cardinal Siri and the Plot Against the Pope, and The Plot Against the Church

Also visit Maurice Pinay's blog .

Please - focus on the facts and the mounting evidence that the malignancy of Political and Religious ZIONISM, which the Jewish "elite" is responsible for and Fundamentalist Christian Zionists are now championing, is the enemy of ALL humanity including the Jewish people themselves.

CRAIG-OXLEY - April 18, 2007 11:59 PM (GMT)

Notice how when we finger the **VATICAN** we get attacked? Notice how Israel has been blamed for 9/11 along with Britain, Russia, CIA, NSA? Why is it whenever someone fingers the **Sovereign Military Order of Malta** behind the attacks **THEY ARE ATTACKED?** Why is it that the **VATICAN** is never spoke about at all these conferences but everyone else is.

Its quite obvious to see who rules the roost and always have done.

THE - JESUITS

Theres many people fully aware out there who want us to shut up so they can have free run to keep the ILLUSIONS going. Theres many people who have been

hoodwinked into the ILLUSION once again. Zionist Masonic Labor Jews are dominated by the **Society of Jesus** and their **Sovereign Military Order of Malta**.

You will hear diversionists try to get you believing the Jews rule this and that. They will try to make out that the **Jesuit Order** is a bunch of crypto-jews. When will they make their minds up? This person above tries to claim the Jew took over in 1958. Well the Jesuits took control of the Papacy in 1870 so if they were crypto-jews as some claim then the Jews will have ruled since 1870 thanks to the Jesuits '**Doctrines of Infallibility**.' The Jesuits have controlled Vatican II since 1968 if this is what this person is trying to say but via Jews.

People study the year of 1066 to understand why the Talmudic Jew come forth in the eyes of the public and why THEY WERE PUT THERE! See the deal made with the Vatican for them to be ruled.

CRAIG-OXLEY - April 19, 2007 12:11 AM (GMT)

Sit back folks and use some common sense a minute. We're told by diversionists and the hoodwinked that the World is controlled by the Zionist Masonic Labor Jew who supposedly control all media. Why is it then that almost all the conspiracy information out there pushes the Jews did, done, want it. Almost everywhere you look. Would you as the so-called leadership of the Conspiracy help programme the minds of your populace against you? **OF COURSE NOT!** If it were the Jew ruling the World you would hear more anti-Vatican talk for instance. Do we hear this? **NO!** Only recently has the anti-Vatican talk finally got some of the spotlight it deserves. Maybe this is a new plot by a jew group to start a fight with the Jesuit Order in the future I don't know but one things for sure, **THE JESUITS** rule the roost now. I cannot see the Vatican and more so the **JESUITS** ever loosing their power to another Society of secrets. The only way the Vatican will be beat will be by populace power with us holding 98-99% of the World's population, if only we'd wake up for once and see it soon.

Now since you were a little child you've heard people complain of the JEWS, THE JEWS. You've seen films made forcing the Jew issue upon you. How often growing up did anyone speak of **THE VATICAN**? How often did you hear about **THE SOCIETY OF JESUS** or even the **SOVEREIGN MILITARY ORDER OF MALTA**? Theres your answer right there folks. Why is this when at one time not so long back the Vatican completely dominated the Planet **OVERTLY**????? Just easily forgotten due to Vatican programming of its populace.

QUOTE

Here is the key to where this started:

Many people tend to blame the Jews for our problems. Jewish Law governs the entire world, as found in Jewish Law by MENACHEM ELON, DEPUTY PRESIDENT SUPREME COURT OF ISRAEL, to wit:

"Everything in the Babylonian Talmud is binding on all Israel. Every town and country must follow all customs, give effect to the decrees, and carry out the enactment's of the Talmudic sages, because the entire Jewish people accepted everything contained in Talmud. The sages who adopted the enactment's and decrees, instituted the practices, rendered the decisions, and derived the laws, constituted all or most of the Sages of Israel. It is they who received the tradition of the fundamentals of the entire Torah in unbroken succession going back to Moses, our teacher."

We are living under what the Bible calls Mammon. As written in the subject Index, Mammon is defined as ("Civil law and procedure").

Now turn to the "The Shetars Effect on English Law" -- A Law of the Jews Becomes the Law of the Land, found in "**The George Town Law Journal, Vol 71: pages 1179-1200.**" It is clearly stated in the Law Review that the **Jews are the property of the Norman and Anglo-Saxon Kings**. It also explains that the Talmud is the law of the land. It explains how the Babylonian Talmud became the law of the land, which is now known as the Uniform Commercial Code. The written credit agreement -- the Jewish shetar is a lien on all property (realty) and today it's called the mortgage! The treatise also explains that **the Jews are owned by Great Britain** and the Jews are in charge of the Banking system. We are living under the Babylonian Talmud, it is where all of our problems come from. **It was brought into England in 1066 and has been enforced by the Pope, Kings and the Christian churches ever since.** It is total and relentless mind control, people are taught to believe in things that do not exist.

The UCC also relates to Maritime Admiralty Law which connects to Vatican Cannon Law.

As for this whole Vatican being taken over in 1958, we get that from Roman Catholic Jim Condit Jr. He's not the only one to say it, but he brought it to my attention when Eric Hufschmid talked to him in September 2006.

He has done a one hour show on this with Eric Hufschmid. The mp3 can be found here. <http://www.erichufschmid.net/Infiltrate/Va...filtration.html>

Start the mp3 at the twelve minute mark when he talks about 1958. He talks about a website called www.october1958.com. He says it's the, "year pope piux IX died and this conclave funny business happened and the pro-zionist, pro-communist anti popes have been reigning ever since." (14:30 into the show he says this quote)

TruthSeeker24 - April 19, 2007 12:29 PM (GMT)

It's funny AntiSionist that people criticize us for exposing both the Jesuits and the Labor Zionists. These hypocrites say that we don't expose evil Zionists and when we do, they still say that isn't good enough. They are just hypocrites. The Vatican was wicked way before 1958. The ignorant man Mike Hrynich (his name looks like it's German. He might be a Catholic or Lutheran since a lot of Germans are Catholic or Lutheran), but anyway, the Knights of Malta including high level Freemasonry control many corporations (such as Geoffrey Biosi, Alexander Haig, and Thomas Monaghan). The CFR (not "Zionist Jews") control the majority of the media (like Knight of St. Gregory Rupert Murdoch and CFR member Richard D. Parsons), and the money is run by the Vatican & the Black NObility families (who created the Pilgrim Society, which is more powerful than the ADL, Jewish Congress, and the Israeli Lobby combined). The enemy isn't Catholic people. Yet, the enemy is Satan, the hierachy of the Vatican/Jesuits, all occult Secret Societies, Labor Zlonism, and all evil organizations period. Hrynich is ignorant of history. Without "fundamentalist" Christians" like Leland, he would never have the Bill of Rights (and of saying the garbage that he has a right to say). It's funny that people like Hrynich spew out half truth, but won't take the time to listen to other points of view.

Yeah. I saw your thread where you showed how the SMOM controlled the media. It was excellent. Jim Condit Jr, mentions in that interview a book by an IRISH CATHOLIC

PRIEST about how jews supposedly controlled the Bolshevik revolution.

http://www.stormfront.org/truth_at_last/bo...s-of-Russia.htm

Tell me that's not conflict of interest? Especially given how lots of Wall Street Bankers helped fund it and also given how Phelps shows that the front jews let the jesuits back into russia in the early twenties.

And in Italy??????

From the first day of the 9-11 the various Italian 'counterinformation' sites, COmedonchisiotte, Luogocomune, blogs here and there, journals, chats, well knowed journalists like the fascist Catholic Maurizio Blondet who wrotes in the Italian daily 'La Padania' ("indipendentist and secessionst journal, really speaking the 'Lega', the party which support the daily 'La Padania', is a creation of Vatican, financed in the first times from Munich-Munchen, one of the headquarters of Jesuits in Europe!!!!), etc. etc. they never did els than to expose the Jews, the Zionists, the Neoconsw, the USA imperialism etc, and these dogs were and are the Fascists, the Communists, from fascist sites to the communists 'marxists' sites, all ideologies created by Jesuits & C.!!!!!!!!!!!!!!!!!!!!

I wrote now in capital letter, not to scream but to make it more clear:

Meanwhile they filled their papers and sites with tons of materials about the "Jewish conspiracy" about the 9-11, DID EVERY ONE OF THESE SITES, MEN, JOURNALS, EXPOSE THE ITALIAN MAFIA, WHICH EVERY DAY KILLS, EXPLOIT, OPPRESSESS PEOPLE AND IS DEVOUTED TO THE CATHOLIC CHURCH, TO THE CATHOLIC SAINTS AND IS BLESSED BY BISHOPS, CARDINALS, PRIESTS, MONKS,NUNS, POPES and the devils knows what other of his servants else??

WHO RULE AND SUPPORT THE ULTRA-MEGA-CATHOLIC MAFIA, NDRANGHETA, CAMORRA, ETC. IN ITALY? THE "ZIONISTS"????????????????????????????

All these sites and persons don't waste time to expose the Jews, the Neocons, the Imperialism of Usa, the Capitalism, bla bla bla, but for them the Mafia i.e. the trustful

police force and army of the Vatican which has the duty to impose the papal CANONIC law in Italy, oh yeah!, it doesn't exist!!!!!!

"The Zionists gripped the Vatican in the '58...." ha ha ha.... is only the wolf which acts like a victim, typical lie of this men and organizations, a lie repeated by millions and millions times in the last 1.000 years,... they IMPOSE to their servants to act like the 'masters' so the REAL masters can appear like the victims.....

Very stupid the people, sometimes,....

Here are the only address where were information about the financing of the Lega Party from abroad, the funds arrived from Monaco/Munich/Munchen, (where Mons. Staempfle wrote "mein Kampf" for the ultra Catholic Adolf, hahaha, where the Nazi party was created by SMOM, Jesuits and Freemasonry, hahah, today they created something more moderate,..... the "La LEGA"!).

But now the site is.....empty!!!!!!

hello eric,

I wanted to throw this piece of info to you. You probably already are aware of this. Jack welch(Irish Catholic) was ruling the roost at GE. For his head of news he picked Robert Wright (Irish Catholic). Wright hired Tim Russert (Irish Catholic) to run the nbc washington bureau and to host meet the press. And he hired Chris Matthews(Irish Catholic) to be the number 1 cable guy.He also groomed Brian Williams(Irish Catholic) to take over the nightly news. Matthews' guest host is usually mike barnicle(Irish Catholic) and another guest host is pat buchanan(Irish Catholic). I could go on with other names, NBC NEWS is a club of Irish Catholics. Incredible.

take care
tony

Dear Tony,

Priceless information! And Chris Matthews was trained by Jesuits at College of the Holy Cross in Worcester, Mass. and Tim Rissert was trained by Jesuits at John Carroll University in Cleveland. Brian Williams is CFR and Jack Welch is most assuredly a Knight of Malta as GE is one of the major contractors in the building of the Black Pope's anti-gravity machines---flying saucers.

Title: The Origin and Meaning of the Word "Church"

Mark Brewer - April 20, 2007 03:52 PM (GMT)

Alexandra - April 20, 2007 04:26 PM (GMT)

Keep in mind that the Jesuits were trying to sabotage the whole project...they pushed to have the Apocrypha put in as well.

My understanding is that when you see the word "church" you should read it as "congregation" or "assembly." So no problem. I just think "congregation."

Niall Kilkenny goes into further detail about this on reformation.org.

I would still say that the King James is the only accurate English translation we have today, and that it's possible that half a dozen words were not translated properly due to Jesuitical influence. I have no doubt we have the Word of God today. You just have to be careful with what MAN does with it!

CRAIG-OXLEY - April 20, 2007 08:57 PM (GMT)

Circe was the goddess daughter of **Helios**, the **SUN** deity. The word Circe is related to the words **Circle, Circus, Circulate & Circuit**. Her name was written & pronounced **Kirke**, this is where Church originates. Notice the shape of the windows of the Churches symbolising the **Female opening**, once again pointing to **creation/sex**. English Church goes back to **Scottish Kirk** then to the **Roman Goddess** and finally to the **Greek Goddess**. Notice how she was able to hypnotise people making them loose their minds and then feed off them. Sounds familiar doesn't it?

Sounds a lot like the Catholic CHURCH, Craig.

Title: 2TUFF destroys Madthumbs on Jew disinformation

CRAIG-OXLEY - December 2, 2006 12:57 AM (GMT)

QUOTE

So you made accusations without proof? -Reminds me of Phelp's on the Black Pope.

Madthumbs do you read? I have only recently announced Michael A Dyer has been a spammer. I know its him now and this is why I have disclosed it now. So where you get your pathetic made-up words from I'll never know.

Now lets see a debate between you and **ERIC PHELPS** and lets see who destroys who. Lets see who can be backed up and who cannot. Lets see who gives the REAL history and who don't. Eric Phelps is proven whilst your disinformation JEW bashing agents have served The **Vatican** well and will continue to sucker people like yourself in. Now your a Jew basher and you probably don't even know any of the history of the word Jew and Israel. Do you realise that the word Jew wasn't even used till the 18th/19th Century. Why don't you listen to **Michael Tsarion** and others on all this Jew nonsense. While your there, notice how they are aware of **VATICAN** power and agree with Eric Phelps on **Georgetown University** etc.

So whilst people like yourself and other ignorant attackers, gatekeepers and suppressors try to keep people ill-informed. I and a few others will continue to expose the likes of **Georgetown University, Fordham University, St Patrick's Cathedral, Aspen Institute, Mont Pelerin Society, House of Gesu & Black "GENTILE" "Venetian" Nobility**. We will continue to expose how the **Sovereign Military of Malta** control all Media, Banking, Intelligence etc. We will continue to expose how the **Sovereign Military of Malta** control the Middle East using their **Papal Knight King Juan Carlos of Spain "The Protector of the Holy Places of Jerusalem"**. We will expose how **Shimon Peres** is subordinate to **King Juan Carlos** and the **Vatican**. We will continue to expose the Israeli deputy prime minister Peres as educated and trained by the **Jesuit Order** in Poland along with being a **Vatican Spy** and Assassin of Rabin and cabbaging of **Ariel Sharon**. We will also continue to expose how this **Vatican/SMOM** stooge Peres gave the **Holy Places of Jerusalem over to the Vatican back in 1993** as found in newspapers at the time and highlighted by **Barry "TORAH BELIEVING JEW" Chamish** from Israel. We will also continue to expose how the **Ancient & Accepted Scottish Rite of Freemasonry** created B'Nai B'Rith and control it to this day. Now BN BR are the most powerful Jewish organisation whos hierachy are amongst the **Order of Illuminati**. So when we realise that the **Scottish Rite** is actually a **Gentile Order** in reality it also highlights the truth. BN BR are totally subordinate to the **Scottish Rite**. Do some damn real homework! Now we will go further and actually expose how the **Jesuit Order** created all 33 degrees of the AA Scottish Rite of Freemasonry which include the ones instituted by **Fredrick the Great II**. Notice the **Jesuit Motto** of "**Ad Majorem Dei Gloriam**" within the 32nd degree of the Scottish Rite.

We will continue to expose the Council of Foreign Relations as the power over not only the United States but ISRAEL also. We will also expose how the Sovereign Military of Malta created the CFR in 1921. We will also expose how the United Nations were created by the CFR and it was the United Nations who created the State of Israel in 1948.

GENTILES RULE THIS PLANET AND ALWAYS HAVE!

I think that destroys your jew nonsense. Keep listening to the jew bashers and common knowledge disinformation every man and his dog knows and comes across by agents planted giving you exactly what the real masters want you to know.

Remember truthseekers that its the **Sovereign Military of Malta** which controls all banking/finance/insurance

CURRENCY (Venus). They do this through 'Mission control' The City, New York, Dubai and the 'Headquarters' in Switzerland. The most powerful and wealthiest people on the planet belong to the **Sovereign Military of Malta** hierarchy and their the **Templar Knights/Bankers of the Black Nobility** with the ***Venetian/Italian*** families being the **highest banking/wealth power**. Remember also that the **SMOM** contains over **50% Black Nobility Gentile bloodline**. Notice how powerful the **Committee of 300** (Black Nobility) really are! Also notice how Banking is controlled by **International Maritime Admiralty Law (Venus)** and how its based on **VATICAN Canon Law**. Also notice how our system is based on the **first known** International Banking which was due to the **Knights Templar** who were **subordinate** to the **Roman Catholic Church** at the time.

CRAIG-OXLEY - December 2, 2006 04:36 AM (GMT)

*This week Rabbi Avraham Goldstein of the Diaspora Yeshiva of Mount Zion announced that **a deal with the Vatican had been done** and his yeshiva would be the first in a series of accords to replace Israel as master of Jerusalem. Well, at least now HE knows. -Barry Chamish 11-30-6*

Papal SMOM Knight King Juan Carlos of Spain has always been the **covert** controller of Jerusalem thanks to his **medival** titles of "**King of Jerusalem**" and "**The Protector of the Holy Places of Jerusalem**." Remember folks that Israel was **created** by the **Jesuit Order** through their **Sovereign Military of Malta**. Israel was created in 1948 by the **United Nations** which itself was **created** by the **Council on Foreign Relations**. Who created the Council on Foreign Relations? The **Sovereign Military of Malta**. This is why the **SMOM** have **permanent observer status** at the **United Nations**. The **CFR** controls Israel Foreign Policy just as with the U.S. **Papal Knight King Carlos** is the **head** of the Middle Eastern Region. Remember his title is **Medival** meaning its a **very very old** title. Remember Israel is **only** a creation since 1948 haha. The **Papal Templar Knights of Malta** go back to the **11th Century** same as the **Black Nobility** which make up their Hierarchy and 50%+ of the membership.

Minuteman Matt - December 2, 2006 02:47 PM (GMT)

I have known madthumbs is a dis-info agent for along time in fact I pmed you awhile back and warned you of him. I first found out when he was heavily attacking Alex Jones the guy who has woken up alot of people. You and I know AJ is a NWO gatekeeper and frontman however, Alex Jones has his uses for the NWO and the sheeple alike. If it was not for AJ I would of not been intrested in learning about the occult and I certainly would of never found this forum or learned about the Jesuit Order/BN/KOM/Illuminati

CRAIG-OXLEY - December 2, 2006 03:06 PM (GMT)

I've known about Madthumbs for some time before you had even come across him but I just left it while he wasn't affecting me then I wouldn't affect him. He recently made a pathetic lying sarky remark towards me and against Eric Phelps and this is why I've highlighted him. I think his forum is linked from Jew bashing JudizialBiz which is a highly Temporal Coadjutor site. This same site ran an article smearing Joe Vialls knowing that because Joe had been assassinated using a Bio-Virus a few months before that he could not defend himself of the false charges they laid. Funny how someone trys to make out someone is an agent when infact they've been assassinated as well known haha. What it was to do was to try to discredit Joe's work as much of his work contained data relevant to even now. Joe Vialls was one of the best around and I'd say almost always 80-90% correct if not 100 in some cases. I personally emailed Joe a few times and I had an email from him about 24 hours before his sudden relapse and death from his kidneys if I remember now.

Alex Jones is a Temporal Coadjutor and does his job well of helping to highlight and enrage the awakening sheep and also keep them stagnated in knowledge within only a small arena allowable to be known. So now awakening sheep are highlighted as they are **ANGRY** and getting on the net to find more out which **HIGHLIGHTS** them. They will be fed the Bohemian Grove and normal Bankers nonsense whilst the real Jesuit/Vatican SMOM/Black "Venetian" Nobility information is kept hush hush. Thats the game they need full control of both sides which they've got. Now Michael Moore is a worse Temporal with the job of just showing a tiny tiny opposition side to the SHEEP themself and certainly not going no where near as deep as Jones. My friend its controlled opposition for the levels of consciousness out there. They would rather have their man feeding you 10% diversion and you following them. They certainly don't want you following someone like me who they have **NO** control of whatsoever. Understand? Yes I utilised Alex Jones and David Icke to get into this and David Icke is by far the better of the two. But my friend it was not either of these people who got me started on this. It was the actual attack of Sept 11th. This is why the Jesuit Order have agents all around because they know that certain events etc will trigger minds to hunt for information.

TruthSeeker24 - December 5, 2006 01:49 PM (GMT)

oh no, madthumbs and MAD are really intimidating me man. I'm so terrified. ha ha ha ah ha!!!!!! YOu 2 surely made me wake up to your views. You know I had to say more of my opinion on this issue. Even though I don't agree with MAD on everything, **that interview he had with Wes from IlluminatiNews.com was good. I will be man enough to admit to that..** Other than that he made so many false statements that I lost count. First off, 2tuff never called everyone under the sun except a couple of people temporal coadjutor. **Also, 2tuff always confronted the Israel/Zionist issue including me. It's a lie to assume otherwise.** I wrote about this issue very heavily. **There are righteous Jews and evil Jews. The evil Jews formed the Kabbala (a belief that Moses made secret codes of the Hebrew alphabet in the Torah to give man the secrets of enlightenment and perfection. In Kabbala God's emanations instead of God himself directly created the Universe. That's similar to Gnosticism) and the Talmud [created in ca. 6th century A.D.] after their captivity in Babylon. This was the foundation of the Sabbatean movement. That movement promoted Shabbatai as a false Messiah in the 1600's around the country of Turkey.** They were banned by Orthodox Judaism and some became the Frankists. The Frankists were anti-Torah and according to Rabbi Antelman created the modern reform Movement. Offshoots of the Reform movement according to the Rabbi are the Masonic B'nai B'rith Lodge, the ADL, and some of the original ACLU members. The ACLU was invented by blatant socialists and communists. Even Roger Baldwin is quoted as wanting socialism. The ACLU is declaring war on religious speech. Many Jesuits and Masons like **Hugo Black** and Earl Warren (a 33rd Degree Mason), who supported concentration camps for innocent Japanese human beings, who supported concentration camps for innocent Japanese human beings, made massive changes in American society. He was also an ex-Klansman from California. Warren (along with his Brother Freemasons William O. Douglas and John M. Harlan) banned public Bible reading from the public schools in the 1960's though he was right to promote Miranda rights in the same decade. They were heavily involved in the Political, apostate Zionist Movement. These people were subordinationate and not the rulers of the world. The reasons are they were always under high level Freemasons, the Jesuits, and other groups to carry out their plans. Without the help of **Cardinal Spellman [via the U.N. {created by the CFR, globalists, socialists, and other globalists on Rockefeller-owned land in the year of 1945. Cardinal Spellman is one of the most strongest American clergyman in the 20th century will aiding the Roosevelt administration and a strong advocate of the Vietnam War}]** and high level Freemasonry [like 33rd Degree Freemasons Harry Truman and Chaim Weizman] Israel would never of have been formed. Now, Europe and America still funds Israel for its economy, so Israel is on an economy leach of the American/European power structure. There are evil in Israel and that must be exposed, yet many Muslim radicals must be made known as well in Darfur and other locations killing my people off in Africa. As 2tuff said, Knight of Malta Juan Carlos is a strong world leader. He meet with George W. Bush in Crawford Texas. his medieval titles of "King of Jerusalem" and "The Protector of the Holy Places of Jerusalem." Carlos is one big player in the Cintra corporation attempt to build the NAFTA Superhighway. Now, Israel have full of pro-Papacy, traitorous to their own Jewish people leaders like Shimon Peres (trained by the Jesuits in Poland according to Barry Chamish's research), Olmert, Sharon (who is in a coma ruling nothing), Netahayhu, Daniel Pipes, Kissinger (in the Bilderberg Group, the CFR, and the TC. He's uniting with Pope Benedict XVI. That Pope was in the Hitler's Youth and a hard liner), etc. 2tuff has a section in his forum talking about the Israel/Zionism issue. MAD and madthumbs doesn't like his opinion on this issue. Most Secret Societies either are originated or related to the ancient Mystery schools of ancient Egypt and Babylon. They worshipped many gods and tried to control the common by withholding knowledge (except unto their high priests and other elites). **Akentaton (is one Egyptian Pharoah [from the 18th Dynasty]** whom many Rosicrucians claim that they originated from. Akhentaton worshipped the sun god Aten. King Tut later destroyed images of the monotheist worship of the sun god). **Now madthumbs is a bigger liar than MAD.** This liar claimed that 2tuff was Jewish, which he isn't. Then he called all Christians Jews, which is a lie. He called Christianity a denomination of Judiasm, which is false. Judaism explicitly denies Jesus as the Messiah, so Christianity is an offshoot of Judaism not a demoniation of it. **The "genius" Madthumbs** said that all Israelites are black, which is a lie. Olive complexed Jewish people do exist from North Africa, Yemen, Iran, and India. I would say that there are black Israelites from Ethopia. **The biggest lie that this liar madthumbs said is that we have no evidence to back up what we say like Eric. For years, people here and other locations have cited newspapers, books, internet sites, studies, and other sources backing up our assertion.**

I'll debate MAD, madthumbs, and any of them are refute them badly. Unlike them, I won't call another man a "prick" because I disagree with them like MAD did. I won't have a sick obsession with blaming Jewish people for almost everything under the sun like the liars NOvember and madthumbs do. I have a long track record in refuting people really back from NOvember, WINGTV, Michael Collins Piper, and even **Alex Jones (he calls himself the father of the 911 Truth Movement, but Patriot William Cooper talked about terrorism in NYC and the heartland of America in the mid 1990's)** if I have too. Now, Secret Societies weld strong power in many cultures like in ancient China, Africa, the Celts, the Romans, Persians, Gnostics, and other groups. Saturn was a symbol embraced by much of these ancients. **Saturn (along with Venus) is called the sun** and other connotations. By the end of the Roman Empire, the Vatican controlled most of the land and religious power in the Western world. THE Vatican was a synthesis of Christianity and paganism (i.e. the Mithras religion, Babylonian, etc. as documented in Alexander Hislop's book). In the Middle Ages, the Vatican continued to rule most of the political policies in Europe. They had their groups of **the Roman Catholic Knights Templar** and the Hospitaller to try to rule the Holy Land. Afterwards, the Knights Templar were persecuted for growing too powerful and **having a stranglehold in the international banking system of Europe.** The Knights Templars escaped into Scotland, while the Knights Hospitaller got much of their wealth. The Hospitaller are the ancestors of the modern Knights of Malta (who have great power. Their alias is the Sovereign Military Order of Malta involved in WWII [SMOM Franz von Papen was Hitler's friend in helping to create the 1933 concordat

between the Third Reich and the Vatican], intelligence agencies, the military, and other great international power). **Many of the elites were part of the Black Nobility families that still have great power today.** The Jesuits existed in the 1500's to end the strength of the Protestant Reformation. Ignatius Loyola invented it and it infiltrated many kingdoms and governments. They were banned by the Pope by the late 1700's.

In the 1800's, the Jesuits (via Seyes) propelled Freemason Napeloen to punish the Monarchs who banished the Jesuit Order. Later they were in full effect by the time of **the Council of Vienna** (which promoted internationally and abhorred legitimate freedom for citizens). **The Jesuits had prominent roles in developing many Secret Societies. For example, many of the Scottish Rite degrees were created in the Jesuit college of Clermont (as proven by a speech given by William O. Peterson, who is a 32nd Degree Freemason plus other sources. Must of Freemasonry is related to the Templars) with help from King Frederick II of Germany.** Freemason Brigham Young (a founder of Mormonism. Mormonism like Scientology [created by OTO agent L. Ron Hubbard. Hubbard copies the teachings of Satanist/ British Intelligence agent ALiester Crowley. Scientology believes that an alien god created the Earth over 70+ million years ago to trap man into a **PRISON PLANET**. Get it, a prison planet], Romanism, Jehovah Witness [my good friend David J. Stewart wrote about the Jesuit link to this religion by helping writing their book. The New World Translation of the Jehovah's Witnesses was written by Senior Jesuits Jose Maria Bover and A. Merkz], and Islam are works-based religion) was an ally of the Jesuit De Smet. The Jesuits were key in formulating the Nazi SS infrastructure **(as documented in Edmond Paris' research along with Eric Jon Phelps)**. The goal of the Jesuits and many of these groups is to form a new world order (or global government) and possibly the Solomon's Temple in Jerusalem **(as written about by high level Freemasons like Albert Mackey's Encyclopaedia of Freemasonry book)**. Everyone should reject propaganda. The drug culture is a perfect example of that. Supposedly many thought recreational usage of drugs like LSD will expand someone's conscienceness. Although, that wasn't the case. The CIA, MI6, etc. were doing LSD experiments years before the Cold War. The CIA actively allowed such drugs to ship all over the nation from California to New York.

Don't worry, I will write more much more. People like madthumbs have the nerve to lie and say that we have no proof to what we write and say. People should work for solutions like activism, calling town to pass ordiances to ban illegal laws the Patriot Act, and even secession if necessary. America have many strong men, women, and children, but evil people controlled it from early on. Now, the Jesuit family of Carroll owned a lot of land in Maryland and help led the construction of D. C. (based on the constellations of Sirius, etc. David Ovason's book exposed this). Many Roman Catholic were crucial in the early building of Washington D.C. like Robert Brent (the first mayor of D.C.), Daniel Carroll, Charles Carroll, and Constantino Brumidi (the famous painter of the occult pictures in the captial dome. This was written in John Daniel's book called "The Grand Design"). **The Jesuits, high level Freemasons, and Rosicrucians (like Benjamin Franklin. Franklin had bastard children was in the Satanic Hells Fire Club. That's similar to the Bohemian Grove where satanic rituals are done) formed these symbols to make America a "New Atlantis" and a springboard to execute their spiritual empire globally. After the assassiantion of Abraham Lincoln (in 1865 done by JOhn Wilkes Booth. co-conspirator John Surrat had Jesuit allies and he was temporary in the Zouavre pope army unit based in Alexandria, Egypt. CT Wilcox's new book make known of this), British/Jesuit powerhouses further controlled America via high level Freemasons (Freemason Theodore Roosevelt was one man who advanced the imperialist movement to another level in the early 20th century), SMOMs, etc. That's why today U.S./British foreign policies are almost unison. I like to thank MAD and madthumbs for awaken me. Let's the games begin.** Today, the Vatican/Jesuit are still very influential in universities, the ecumencial movement, illegal immigration, and other issues. This is real talk. I don't slack off. All evil groups ought to be exposed from the Jesuits, Freemasons, Labor Zionists, etc. This is only 1% of my total intellect. I could say a whole lot about these haters.

By Timothy

CRAIG-OXLEY - December 5, 2006 05:24 PM (GMT)

At the end of the day my friend jew bashers are STUMPED when their informed that:

1. **Council on Foreign Relations** dominates Israeli Policy same as they do U.S
2. **SMOM Papal Knight King Juan Carlos of Spain** dominates the Middle East and Jerusalem especially.
3. The Vatican has been handed old Jerusalem (The Holy Places) since 1993 by Vatican assassin/spy trained by Jesuits Shimon Peres along with Masonic Arafat.
4. The GENTILE Scottish Rite of Freemasonry controls all Jewish organisations via its control of the ultimate Jewish organisation known as B'Nai B'Rith of which the Rite created back in the 19th Century in New York.

When Islam turned against its Papacy creator this was the reason the Crusades came as they did. Then it was the **Jesuit Order** who infiltrated the Middle East using high level Freemasonry and thus regained the power back within the hands of the Vatican once again. Remember all leadership over the middle east is the **Muslim Brotherhood**. Remember that all banking/wealth period is controlled by the **Sovereign Military of Malta** under **International Maritime Admiralty Law** bason on **Vatican Canon Law**. Remember that they control all Middle East finance via their Dubai. The current idiot big mouth in Iran is once again a masonic figure controlled by the **Black Pope, Ratzinger, Andrew Bertie** and the main figure they've placed in charge of the region being **Papal Knight King Juan Carlos of Spain**. At the end of the day the same bloodlines have ruled going all the way back to Egypt and so forth and it will never change. Their illusion which I call a movie they direct well enough to fool most of the sheep but alas us awakening can see through their direction and it turns from a most excellent movie to a 'b' or 'c' grade movie from the Horror Channel quite quickly. Full of bad acting, scripts and nonsense. But alas the sheep can easily be fooled whilst playing with their I-pods, Xboxs, down the pub and so forth.

Remember folks to copy the **Jesuits** and remove ALL wants. If you can do this then theres hardly anything they can attack you on. If you loose your job then hey you don't need much money to live on as you no longer want flash cars, houses, plasma tvs and other useless meaningless items. **Go check Peter Hans Kolvenbach's** office and see how sparse it is. These people understand deeply the weakness of their enemies which is **YOU!** So study their strengths and let them come onto you and strengthen yourself like a firewall against **Jesuit** attack!

Only last quote I think I should add once again:

Texe Marris is a really bad one. I used to get his newsletter in the mail and all he does is blast Jews right and left.

Whatever happened to Eric calling Marris out on that? I think Eric was ready to debate him or something.

My dear wife being a Jew (Ashkenazim at that), I KNOW that many of them are good people not at all involved in planetary manipulation. My wife and her family are even **SECULAR**, she's never even read the Talmud or Torah or gone to temple (or "synagogue" rather, as some of them seem to find the term "temple" offensive for some silly reason, there being only one true Temple in their minds).

CRAIG-OXLEY - December 5, 2006 10:24 PM (GMT)

If she is going around calling herself a Jew yet not following either the Talmud or Torah then she believes its due to her race! I hate to say this but theres no Jewish race as your told and shes simply Turkish/Mongol/European and this is something these people hate being exposed. In other words their **ARAB!** Which then goes against a lot of their thinking doesn't it and defeats all there arguing. Check their DNA.

Which leads me to once again ask - what, by definition, is a Jew?

This horse has been beaten before around here, but it's still alive. From recent observations while doing my own informal polling of the public, I've learned that asking the question flirts with inciting a discussion akin to the Abbot & Costello skit "who's on first..... i don't know, 3rd base.....weeeEEEEEEEE" Some people told me it isn't a matter of race, others say it is, some say blood, some say not, some say it's heritage, sine say it's a matter of geography, some say it's a particular faith or belief, some say it's a choice, others say its by birth, some say it can be and may be all or any of these..... and a few even took the time to pause a good moment, then the light sort of came on after which they looked me in the eye and said "ya know..... now that you've prompted me to actually stop and consider the question, I realize for the first time that I do not really know for sure".

If I were to contact the Antisemite Defamation League, anyone care to speculate on the odds they'll be able and willing to provide me a legitimate definition?....seriously, I'm tempted, as I otherwise do not seem to be having much success getting a consistent answer to this seemingly simple question.

Alexandra - December 6, 2006 12:55 PM (GMT)

I always thought that a physical Jew (not Jew by religion) was someone descended from one of the twelve tribes of Israel (Jacob).

The apostle Paul was descended from the tribe of Benjamin...he was a Jew.

Now if it's true that royalty today is descended from Judah (one of the twelve tribes).... :blink:

According to that one lengthy article I posted, Jesus was descended from one of Judah and Tamar's twin sons, and the royals from the other.

The word 'jew', supposedly originally meant a learned or wise person, and did not relate to any kind of race.

Both her and I know this, but it doesn't change the fact that technically, practicing or not, a jew is a jew, just as technically, a person who happens to be born in Canada is Canadian, even if they never ever return to Canada after their birth.

But yeah, her roots are definitely German more than anything else (NO, she's not a Rothschild or even remotely related to them. I checked. Not that I don't trust her implicitly. ;)).

CRAIG-OXLEY - December 6, 2006 06:22 PM (GMT)

The word Jew was never used until the 1800's. I can't remember which but either Jew or Judiac etc means Judge.

Anyhow the word Israel comes from Egypt and was originally used on an Egyptian moment to represent the people of Caanan and simply meant Priestly Clan. Also we get the ISis-amenRA-ELgod of course from it also. Now remember that the place of Caanan was the land of the Pheonicians which came out of Ireland and the West! The Hebrew language is simply Pheonician.

Theres no mention within the 5 books of the Bible or the Torah anywhere of a Jerusalem or a Temple of Jerusalem. This is another lie for those Talmudic creatures to magic wand illusions. Not once has any archeologists found anything of Jerusalem or of a chosen people. Its all a lie!

Forget all this Jew nonsense and look deeper into Egypt and Akhenaton from the 18th Dynasty onwards. Follow on from Joshua who carried on this cult from then on. It is but a single tribe of people whilst the so called other 11 tribes are merely bunkum. Its this group which is made up of high level Jesuits and Black Nobility Bloodlines.

Yes, this horse deserves more beating..... and yes, clear away all the fluff, pomp, and misdirects, at the end of the day the ADL is chiefly about leading the charge to defaming and smearing as anti-semite any and all people the ADL finds reason to put within their crosshairs... so enough of deceptive language, lets call them what they deserve to be called - antisemite defamation league B)

This dialogue is itself characteristic of and very much part and parcel to the motivation for asking the question in the first place. Just look at the dialogue it's incited in this thread alone, and all the places it's taken people looking for semblance of an answer..... more clues to evidence. Evidence of what? Evidence that on the one hand, people in the present by and large have become well conditioned to throwing around the term "anti-semite" at the drop of a hat..... even our Radio commercials our now subtly encouraging all shapes and sizes of people to be further conditioned in this way.....but on the other hand, many of these same people, when pressed on the question, cannot sufficiently explain, describe and define what a Jew is in the first place..... all the more reason for them to go to further and further away places in scratching and searching for some kind of a reasonable answer, some answer, any answer.....perhaps as far back as the lore of the original 12 tribes.....?.... hellOooo..... ?..... anyone?.....Bueller?.....anyone? BTW, Alexandra, this was a great example. Thanks :)

How can we people be so prone to having a flimsy understanding of what a Jew is yet all the while be so tolerant of the throwing around of the crowning catch-phrase that purports to embody the phenom of Jew bashing?

potential moral to this story: people can be made quite eager to have their passions enflamed to the point of joining in with the commotion and fray of a herd and the herd's propensity to be led this way and that. Throwing around catch phrases is a popular way, one which at the same time highlights the fact that people have become quite eager to avoid understanding of more fundamental issues - like the definitions of basic terms that, due to lacking such understanding, leads them to become eager to joining a herd so as to substitute, smooth over, and cover up their glaring inadequacies, with hollow catch phrases.

Devious Madthumbs SUPRESSES Eczema suffers my help

Folks this agent of the realm once again shows his true colours. If you look upon google and scan for "cured eczema 2tuff" you will see the following come up:

Now at one time my article about how I cured Eczema with Water Fasting was added to this thread by this agent Madthumbs. Recent this under-educated cretin attacked me once again publically slugging my health knowledge off. Now remember on who got him on Cayenne and sorted his GERD out. Remember person has no idea about hollistic health and doesn't even understand detoxing/Herxheimer hardly at all. Also note hes suffered with GERD and used my help and suffers with Lupus, 5 yr old Tumour and lumps in his Penis. So what promotion of health is that exactly? Well since I exposed that he had put my Eczema info upon his site and mentioned it on there also, well this showed him up good and proper. Well since I highlighted this he has simply REMOVED my Eczema information he had posted in that thread above. Notice how part of my information is still attached thanks to google. So theres the

evidence it was there at one time. See the tricks folks these agents play??? Don't be fooled by them. All hes done is simply deny someone the opportunity of healing themselves of a problem which can be so frustrating and depressing. What a good show he is isn't he? Seems every day more and more people are turned off by this deviant.

Madthumbs also likes to throw around accusations of pedophilia pretty loosely. He even tried it against Ryan Dawson who had a nice anti-zionist blog. I found it [on opposing digits](#) after checking his recent posts.

I also think that this person is of a very young age or certainly acts that way indeed.

I sort of didn't want to resurrect this but Craig's comment that madthumbs is a child is on the right track, but I think it just may be more sinister than that. He really may in fact be counterintelligence if he's going to suppress Craig's health information or continue to blame the jew like that person he split ways with, Daryl Coajutor Smith. Does anyone know what that site looks like now?

THIS SITE IS SATANIC INFLUENCED!!

Hello,

I was linked to this site after watching the youtube vid titled "ALEX JONES EXPOSED!"

I have watched pretty much all Jone's vids, completed my OWN research regarding the issues and OTHER issues dating back to the early church days and ALL of it is compatable with what jones is exposing.

what he is saying 100% TRUE.

Why am I here? well for starters I'd LOVE to put out that this site is satanist influenced; the all seeing eye on the home page, the numerous members with satanic supporting avatars ie: yashua's baphomet avatar. 'yashua' meaning Christ...a satanic picture with Gods name on it? yep thats satanic.

Funny how one of the moderator's name is 'illuminated' thats also what satanists say when adopting the fake religion. they become 'illuminated'

what am I talking about? all seeing eye?
<http://www.cuttingedge.org/News/n1731.cfm>
<http://exposingsatanism.org/signsymbols.htm>

Dont even think about using wikipedia! it is entirely unreliable. IT IS NO THE EYE OF GOD. THATS BULLSHIT.

and whats with the triangles?

Thaumaturgic Triangle Used for magical purposes in casting of spells and the summoning of demons. Found near ritual sites. believed to be the door through which the demon will be called.

pentagon?

Talisman or Amulet Believed to have magical powers. Usually has a drawing or writing with the name or image of a deity.

YOu dont have to read through all of this, just scroll through and you will notice the important parts.

ahhh, aleister crowley. the master satanist. a Drug-addict and Sexual Degenerate.

notice the all seeing eye and the pentagram? seems like i saw that eye somewhere on this site? OH on the home page!

Someone down below says that was used on purpose and that's okay. They left this thread up so maybe they have nothing to hide. But then they did change the symbol. Still, I dunno. Craig, you may think he's a fool. But me, I've thought worse for quite a while now. It just came back to me when I saw that all seeing eye image in a video on youtube put together by some anti-NWO person who set all these NWO images to the Rush song FREE WILL.

<http://www.youtube.com/watch?v=KZO8wdCwsLE&NR=1>

Speaking of Rush, it is curious that this compilation video from a fan should have the OROBOROS symbol on it since that symbol currently appears on rush.com before you see the flash animation that has to take a few seconds to load.

CRAIG-OXLEY - April 20, 2007 09:19 PM (GMT)

I have nothing against a so-called conspiracy site having an all-seeing-eye on their logo, it most times would mean nothing. Remember the Enemy uses the All-Seeing-Eye my friend! Many logos contain elements of the Satanic system the Jesuits utilise.

What I will say is that when someone removes important health information just because they do not like someone then its a complete joke. If someone I didn't like did some good health work on a certain problem as I did with Eczema then it would be online asap. Its not about fighting its about information and right now peoples health is the NUMBER ONE priority over everywhere else. But alas sheople continue the arguing with the wrong people, following/spreading diversions. Whilst all that nonsense goes on people continue to be poised from the food, air, vaccines and water. Time for people to grow up or SHUT UP! Its gloves off we're almost at the point of zero return unfortunately. William Cooper used to speak his mind because of the grave dangers and that was way back then before he was TERMINATED. So people like this Madthumbs I have seriously no time for, especially when their health knowledge is severely limited and they attack the likes of myself who truly help and teach people. He's a big and very bad liar easily caught out in the past. Forget him and get on with PROTECTING YOURSELF and then finding the real enemy which ISN'T the Judiac peoples.

Zimbabwe's turbulent archbishop

Tuesday, 17 April 2007, 09:48 GMT 10:48 UK

By Grant Ferrett

BBC News

<http://news.bbc.co.uk/1/hi/world/africa/6562815.stm>

Zimbabwe's Roman Catholic Archbishop of Bulawayo Pius Ncube accepts he may lose his life opposing Robert Mugabe, as he calls for Zimbabweans to overthrow their president.

In fact, he may appear to embody a contradiction.

On the one hand he is a deeply religious man who constantly stresses his belief in non-violence.

In what little spare time he has he likes to read biographies of inspirational leaders, such as Mahatma Gandhi and Desmond Tutu.

Yet on the other hand, he is prepared to urge his fellow Zimbabweans to join him in their thousands in street protests, even at the risk of being killed.

The problem with Zimbabweans, he says, is that they are not brave enough - and he includes himself in that category.

Pius Ncube is impatient. He wants change now.

Witness

To understand that impatience, and his apparently contradictory nature, the archbishop told me you have to go back to his time as a young Roman Catholic priest in Matabeleland, in south-west Zimbabwe in the early 1980s.

The country had just gained independence after a civil war which resulted in defeat for the white minority government.

The new prime minister, Robert Gabriel Mugabe, won international acclaim for his message of reconciliation.

But Mr Mugabe was determined to stamp out any potential threats to his new government.

He suspected his former rivals in Matabeleland of plotting against him, and launched the Gukurahundi campaign.

An estimated 20,000 people were killed, most of them civilians.

Pius Ncube witnessed the suffering and was desperate to speak out.

But his superiors in the Roman Catholic Church told him to keep quiet.

Now that he is in charge, Archbishop Ncube is determined not to watch in silence again.

'Rough side'

And his suspicion of Robert Mugabe and other senior political figures goes back still further.

After being ordained as a priest in 1973, Pius Ncube worked in rural areas of what was then Rhodesia through the civil war.

He says he saw first-hand the "rough side" of what he refers to as the "so-called liberation struggle" - the fact that those with weapons could trample on the rights of civilians.

True liberation, he believes, requires respect for what he calls "god-given human rights".

Pius Ncube told me in his quiet, unassuming way, that his interest in the church was sparked by his mother and his aunt, both of them "strong" Christians.

He was born in 1946 in Gwanda, a rural area in the south of the country, one of four children.

His family moved closer to Bulawayo when he was about six years old.

He was educated by Jesuits, who have a reputation as good, if sometimes rather stern, teachers.

When I point out to the archbishop that the man he wants to overthrow, **President Robert Mugabe, was also educated by Jesuits**, he scowls.

"You can't blame the Jesuits for what he has become."

Look at the logo of the order! The Jesuits' I.H.S.! With eight points of course (Saturnian).

<http://www.redicecreations.com/article.php?id=354>

Wallenberg, the aristocrats of Swedish business and the Order of the Seraphim

The Swedish Wallenberg's are like the equivalent to the United States Rockefeller's or Europe's Rothschild's.

Swedish National Broadcasting (SVT) has just run a three-part documentary about the Wallenberg's, and it includes some interviews with the otherwise reserved family members. The series seems to have sparked some interest, so it might be convenient to briefly relay some info about them here. I have only seen parts of the series so far, but I will screen it myself soon and I might write something more about it later on.

Here are a few excerpts from a recent article about the Wallenberg's from thelocal.se:

Who are they and why are they famous?

The Wallenberg's are Sweden's most powerful financial family. Just over 150 years ago André Oscar Wallenberg started literally minting it when he established Stockholms Enskilda Bank. Since then the family's power has become almost regal in its scope. In fact one of them, Marcus "district judge" Wallenberg, was a Knight of the Order of the Seraphim.

The family has formed a seemingly unbreakable bond with the Swedish economy. In 1916 they set up Investor, an investment company with a major interest in Scania,

Ericsson, Saab, ABB, Electrolux, AtlasCopco, AstraZeneca, and a ridiculous number of others besides.

Anyway, why are these Wallenbergs in the news?

National broadcaster SVT has just run a three-part documentary on the family, which has planted bums firmly on seats all over the land.

Why? They just sound like a bunch of suits with visible history stains.

Ah yes, but these particular suits constitute the very fabric of Swedish society. And they very rarely give interviews. If we look at Sweden as being divided between state and capital, they have supplied das Kapital.

And the Social Democrats have been der Staat?

Precisely. And since we've come over all German, it's probably worth mentioning that the Wallenbergs have a Second World War hero in their ranks. While off on business trips to the continent Raoul Wallenberg was soon confronted with the treatment of Jews by Nazi Germany. In Budapest he acquired diplomatic status and saved thousands of Hungarian Jews by issuing them with false protective passports and claiming they were awaiting repatriation to Sweden.

Nice work! Was he treated as a hero when he returned to Sweden?

Unfortunately he never did return. He was arrested by the advancing Soviet forces, who took him to be a US spy. He was never seen again.

A tragic end...

Indeed, and there are other tragic tales too. Remember the bank that began the family fortune?

Yes.

Well, Marc Wallenberg was its chief executive when, in 1971, it was to be merged with another bank to form what is now SEB. Marc committed suicide that same year, possibly because the onus on him to perform became too great. His father, Marcus "Dodde" Wallenberg had pushed the merger through against his wishes.

Dodde seems to have been a central Wallenberg.

Yes, he was. He was also a dab hand at tennis and competed for the Swedish Davis Cup team in the mid-1920s.

Good for Dodde. Are there any other Wallenbergs with silly nicknames?

Oh yes, tons of them. There was Jaju (Jakob) for example, who was Dodde's older brother. Both were involved in "the Bosch Affair" at the end of the Second World War, which led to them being accused by the USA of collaborating with Nazi Germany. The SVT documentary gives the brothers the benefit of the doubt on this score, particularly Jaju, whose name was mud after the scandal broke.

As if it wasn't bad enough being called Jaju! Any more?

Yes. There's Pirre (Peter), of course, born in 1926 and still a major power broker in what is commonly known as "the Wallenberg sphere". Then there's his son Poker (Peter), who's on the board of Investor. And Husky (Marcus), who is chairman of the board of SEB.

...

What's going to become of them now that they have been giving an airing on the telly? They will probably return to the motto that has served the family so well over the years: *Esse non videri* - to be, not to be seen.

You can read the entire article here: <http://www.thelocal.se/6104/20070115/>, although there isn't much more of interest if you'd ask me.

Obviously there's a lot more to say and write about concerning these guys – but this short piece might serve as a nice introduction for future articles and writing.

You can read more (but not that much) about the Wallenberg family over at [this wikipedia thread](#).

Another thing worth mentioning again is that Marcus Wallenberg Sr (1864–1943), was a Knight of the Order of the Seraphim. This Order is exclusive to Sweden and I find this interesting since Seraphim is Hebrew for a class of Angel (the highest one). I think that this further strengthens the evidence for a Hebrew/Kabbalistic connection to Sweden and the “original language” that I elaborated on in the article about Johannes Bureus and the ancient runes entitled: [Dee's 007, Tubal-Cain and the Rune of the "Original Language"](#)

On the insignia of the Order of the Seraphim is also the three crowns. The origins of the three crowns and the connection to the runes and the Kabbala is also discussed in this article: [Johannes Bureus, the Renaissance rune magician](#)

And since we have made the connection to John Dee and his Enochian magic this is what we can read about the Seraphim in the Book of Enoch:

Seraphim in the Book of Enoch

The 2nd-century BC Book of Enoch also mentions the Seraphim, but the term used is the Greek drakones (δρακόνες meaning "serpents"). Enoch was never accepted in the Hebrew canon, but it was widely read and quoted by early Christians -- most notably in the Epistle of Jude, which was included in the New Testament canon. From the usage of the word "saraph" in this late text, Christian exegesis identifies as seraphim the snakes responsible for the deaths of the blaspheming Israelites in Numbers chapter

21:"And the LORD sent fiery serpents. And the LORD sent fiery serpents (Seraphim, in hebrew)".

And if we continue to read about the [Seraphim](#) we see that there are some interesting names attributed to this angelic order:

Elaborating upon the Christian celestial hierarchy that was created by Pseudo-Dionysius the Areopagite, the expanding modern literature of angelology has assigned many names to the unnamed seraphim.

- Seraphiel
- Metatron
- Uriel
- Nathanael
- Gabriel
- Jehoel
- Chamuel (Kemuel, Shemuel)
- Lucifer
- Satan
- Abaddon
- Asmodeus
- Astaroth
- Leviathan
- Samael
- Semyazza

So is the Order of the Seraphim really the Order of the fallen angels?

Well, we have to return to that in another article. In the meantime you can read some more official, but still interesting stuff:

The Order of the Seraphim (in Hebrew for a category of Angels) or the Order of His Majesty the King (Swedish Serafimerorden or Kungl. Maj:ts Orden) is a Swedish Royal order of chivalry created by King Frederick I of Sweden on 23 February 1748, together with the [Order of the Sword](#) and the [Order of the Polar Star](#). After the reorganization of the orders in 1975 the order is only awarded to foreign heads of state and members of the royal family. The order has only one grade with the dignity of Knight (Member for women and clergymen), and is the foremost order of Sweden.

When a knight of the Order dies, his coat of arms is hung in the former royal burial church [Riddarholmskyrkan](#) in Stockholm, and when the funeral takes place the church bells are rung constantly from 12:00 to 13:00.

Insignia

Knights and Members of the Order wear the badge on a collar (chain) or on a sash on the right shoulder, and the star on the left chest:

The collar of the Order is in gold, with eleven double crosses enameled in blue and eleven [seraphim](#).

The badge of the Order is a white-enamelled gilt Maltese Cross, with a gilt double cross on each arm of the cross, and gilt seraphim between the arms of the cross. The obverse central disc is in blue enamel, with a white-enamelled "IHS" [Christogram](#) amongst [Three Crowns](#) beneath this are three nails with which Jesus Christ was crucified. The reverse central disc is also in blue enamel, with white-enamelled letters "FRS" (Fredericus, Rex Sueciae, [Frederick I of Sweden](#) # The badge is topped by a gilt crown.

The star of the Order is the same as the obverse of the badge, except the crosses and seraphim are in silver and without enamel, and is not topped by a crown.

The ribbon (sash) of the Order is pale blue.

The above on the Order of the Seraphim is from:

The badge is topped by a gilt crown.

The star of the Order is the same as the obverse of the badge, except the crosses and seraphim are in silver and without enamel, and is not topped by a crown.

Check Out Head of NY Rotary Club And You May Get To The Bottom Of Who Caused 9/11

Connections go deep to the White House and **Vatican, according to Illuminati insiders. Further, high level P2 Masons knew about 9/11 before it happened.**

By Greg Szymanski

April 18, 2007

<http://www.arcticbeacon.com/articles/18-Apr-2007.html>

Leo Zagami, a former high level Mason and member of the Illuminati, said the head of the Monte Carlo P2 Lodge and the head of the New York Rotary Club, Georgio Hugo Balestrieri, told him in private conversations they had prior knowledge of 9/11.

The conversations, according to Zagami, took place in Europe before 9/11, adding that he had personal information many high level Masons overseas also had prior knowledge of 9/11, including former P2 head and personal friend of former President Reagan, Licio Gelli.

Zagami said these European connections lead directly to the Vatican and especially the Jesuit Gen., Fr. Peter Hans Kolvenbach, who were instrumental in hatching and carrying out the 9/11 tragedy.

Further, he added these connections will lead to high-level U.S. and Vatican officials like President Bush, Vice President Cheney, Cardinal Egan and former New York Mayor Giuliani, all who had prior knowledge and were instrumental in causing 9/11.

Besides Zagami, a high level insider has been feeding information to the Arctic Beacon about Balestrieri's connection to 9/11 and other Illuminati wrongdoings as well as his Vatican and U.S. connections, saying "you are at the tip of an iceberg that is 10 kilometers below the surface."

The source added Balestrieri is a lower level Illuminati minion and thug who has at least two higher levels working above him and directing his activities, which now include his position as head of the New York Rotary Club as well as business holdings in U.S. airport security.

In a previous Arctic Beacon article, the source provided inside information about Balestrieri's New World Order connections to the Vatican, U.S. officials and P2 members abroad. The source now adds more information, referring to Balestrieri as B:

B is a low level Ninja who gets his orders from a couple of layers high above him.

The day of 911 he was conveniently not at his office but at a Rotary meeting at the UN.

B is currently being investigated by a couple of European (UK, France, Germany, Switzerland, Austria etc.) services and the Russians. Due to his old connections to Russia it is suspected that he is instrumental in helping to facilitate the Russian 'informal' sector in the Republic of San Marino. San Marino is a totally independent country, and a landlocked territory right near Rimini/Italy - Adriatic Sea - . San Marino is not an EU member but is allowed to use the EURO. The Russian mobsters try to anchor into San Marino with gambling operations. This is a nightmare for the Italian government since they could not touch them there. The middle of the Adriatic Sea are international waters. The mobsters are meeting out there with their interlocutors from the mainland and it is very easy for them to slip in and out.

Since the Ugolini Foundation is registered in San Marino and its president Boccardelli has diplomatic status, B is believed to try to use this structure as a Trojan donkey for his hidden agenda to facilitate the Russians so they can establish casino there to launder their money and to run drugs via the Kosovo/Albania through San Marino into the EU. It is a fact that Boccardelli is absolutely clueless with respect to B really is and what is agenda is. (see details below).

B seems also to use the humanitarian container 'relieve' shipments to wherever, to ship whatever else is shipped in those containers to those

countries. After all, he has been doing this in the past.

B's Turkish activities with Kaan Soyak are also being investigated. Kaan Soyak is also an US 'asset' being told what to do by his higher ups.

B was at one time involved in business that related to Barsani in the Kurdish part of Iraq but it is believed that he was squeezed out there due to his utter incompetence.

CRAIG-OXLEY - April 16, 2007 11:23 PM (GMT)

This is typical.

The Vatican is OPENLY against the "war on terror." SECRETLY, the Vatican cause the war on terror. Rome controls the CIA which funded the Pakistani ISI which backs and trains Al Qaeda. It is just that simple. The Order controls both Bush and Bin Laden as both families are connected to the Carlyle Group.

Now the push is to blame the Jews for 911 and Rome's Third Thirty Years' War (2001-?). What the Papacy did to Germany it will repeat here in the Black Pope's Holy Roman Fourteenth Amendment American Empire.

In a one-hour lecture, Father John Martinez warns about the Jewish plot to rule the world and to use the United States to ignite the flames of World War 3 by it's satanic plan to unjustly attack Iran. He exposes that George Bush is Jewish and how congress is controlled by the Jews.

Father John Martinez gravely warns of nuclear weapons being used by the United States and the threat of the possible **END OF THE WORLD.**

The sad thing is, every "attack against the 'Jews'",
is short hand for,
"attacks against ALL the Children of The Creator",
as that is who they represent through their HOLY SCRIPTURE,
now only 'taught' as ROME'S/The FATHER of The LIE'S
COUNTERFEIT 'books'.

It's what causes US to 'condemn' the "deceivED"
(whether 'Jew', 'Chatholic', 'Islamic', whatever)
rather than to REJECT the "deceivERS", and so,
CURSE OURSELVES.

The report in the OP of this thread, was just touched on

Benedict Has Criticized War in Iraq

Reuters

ROME (April 19) - President Bush will pay his first visit to Pope Benedict in June, the Vatican said on Saturday.

Vatican spokesman Federico Lombardi said Bush will meet the Pope on June 9 or 10 after attending a Group of Eight summit in Germany.

Benedict, who was elected pope two years ago after the death of John Paul II, last week lamented the "continual slaughter" in Iraq . "Nothing positive comes from Iraq," he said in his Easter message.

A government source said on Thursday

Bush may also see Prime Minister Romano Prodi during his trip to Rome.

Relations between the two countries have been strained since Prodi took office a year ago, replacing centre-right leader Silvio Berlusconi, a staunch U.S. ally.

umm...I wonder how much Bush's up coming visit, has to do with The VATICAN CHANGING it's 'mind' about Supporting Holocaust Rememberence?

Well they couldn't very well so PUBLICLY Turn Their Backs On The Jews, AGAIN, WHILE "entertaining" NAZI AMERICA... and not expect much more of the world to finally WAKE UP to WHAT they REALLY SERVE.

Pope envoy ends Holocaust protest

Monsignor Antonio Franco attends the Yad Vashem event

The Vatican's envoy to Israel has attended the annual Holocaust remembrance event in Jerusalem after earlier threatening not to be present.

Archbishop Antonio Franco was angered by a caption in the Yad Vashem **Holocaust museum describing the actions of wartime Pope Pius XII.**

The photo caption had said the **Pope remained silent even when reports about the murder of Jews reached the Vatican.**

The museum's chairman has now said he is happy to review the matter.

Archive request

"Yad Vashem believes it was inappropriate to link an issue of historical research with commemoration of the victims of the Holocaust," the museum said in a statement.

The museum added that it would be glad to study Vatican archives from the period **"to possibly learn new and different information than what is known today"**.

The Vatican has denied access to its archives, including those covering the period during World War II, to researchers.

The caption in question said that during World War II, **Pope Pius XII "abstained from signing the Allied declaration condemning the extermination of the Jews" and "maintained his neutral position throughout the war"**.

Archbishop Franco had protested that **the caption was offensive to Catholics.**

The Vatican has always maintained that the wartime Pope led

quiet diplomacy that saved the lives of thousands of Jews.

The memorial ceremonies are traditionally attended by all foreign diplomats in Israel.

The museum said that **the Vatican envoy's absence would have been the first case of a diplomat missing the official events.**

Title: Teilhard de Chardin and Hinton - Piltdown Man

CRAIG-OXLEY - April 16, 2007 11:49 PM (GMT)

Teilhard de Chardin and Hinton

http://www.crimelibrary.com/criminal_mind/...down_man/4.html

Teilhard de Chardin

Like Dawson and Woodward, Teilhard had access to many of the artifacts "found" at Piltdown. In fact, he made some of the "discoveries" himself, including a canine tooth that had been stained to make it appear ancient. Because of this, he was believed by many to have been an accomplice in the Piltdown forgery. Yet, there is little if any evidence that supports the theory and there doesn't seem to be any apparent motive.

However, a Harvard paleontologist named Stephen Jay Gould thought differently. He believed that Teilhard co-conspired with Dawson in masterminding the Piltdown hoax. Furthermore, he thought that Teilhard did have reason enough to follow through with the fraud. Spencer suggested that "Teilhard's probable motive for assisting Dawson was a curious mixture of nationalistic spite and the 'irresistible' desire to test the gullibility of the scientific establishment."

According to an article by Mary Lukas titled Teilhard and the Piltdown "Hoax," Gould's biggest reason for suspecting Teilhard was a letter he wrote to Kenneth Oakley in 1953. In the letter, Teilhard claimed that Dawson took him to the Piltdown II site in 1913, two years prior to Dawson having found the cranial remains and other artifacts at the location. Based on this information, Gould believed he was guilty because he had actually been to the site years before anyone had known of it.

Yet, Thomson stated in his article that Teilhard was an unlikely candidate because he had no quarrels with Dawson or Woodward. Most importantly, he was absent from the country at the time many of the alleged discoveries were made at Piltdown II. Thus, it is less likely that he could have planted any of the material at the sites or have altered the pieces while he was nowhere near the artifacts or Piltdown II during most of the times in question.

It may not have been likely that Teilhard was actually a collaborator in the Piltdown fraud, yet Martin Hinton was considered a more probable candidate. Hinton was a respected paleontologist and the curator of zoology at the British Museum of Natural History. He was also an expert in the authentication of fossils, as well as a practical joker.

Martin Hinton

It was widely known at the time that Hinton held little warmth for Woodward. In fact, he disliked him immensely. Some believed that this was motive enough for him to alter and plant the objects later found at the Piltdown site.

With a reputation as a jokester and knowledge in the field of fossils, especially of those found in gravel beds, it was likely to many that he could have concocted and carried out the infamous Piltdown hoax. It was even suggested that he could have been the source of a rumor that questioned the authenticity of the Piltdown artifact. Although there is only circumstantial evidence, which supports this theory, it is believed that Hinton may have been the first to call the Piltdown discoveries a hoax. If this is the case, there is a chance he had knowledge of the forgery from very early on.

Hinton (left) & Dawson in ditch

Thus, if he did have such knowledge, where would it have come from and does it point to his possible involvement in the scam? It will never be known, but Hinton seems to be the only one who claimed to have an early knowledge of the hoax before most were aware of it. Yet, that doesn't necessarily mean he was the perpetrator. It is a possibility that he just knew the person behind the scheme.

Hinton did claim at one point to have known the identity of the Piltdown hoaxer. Spencer stated that he declared that the person responsible for the Piltdown fraud worked at the British Museum at the time the "discoveries" were revealed to the world. However, he apparently was reluctant to divulge his identity because the man was still living and he did not want to damage his reputation.

Piltdown, A Scientific Forgery

Throughout his life, Hinton maintained that he was in no way involved in the hoax. Although, he did stick with his story that he knew the person who did it. Unfortunately, the culprit's name was never revealed and the mystery of who was behind the Piltdown hoax continued to elude the scientific community. Then in the 1980s a new suspect rose to the forefront of the mystery. He was one of the least likely culprits, but he was by far the most intriguing and widely known. His name was Sir Arthur Conan Doyle.

Religious Racketeers - People Who Love Them

By Frosty Wooldridge and Jan Herron

The Catholic Church promotes, aids and abets illegal aliens in America!

Jill Sergeant Los Angeles (Reuters) 6/14/06 wrote - "U.S. Catholic bishops urged the U. S. Congress to resolve differences on immigration reform and seize a 'historic moment' to give all of the estimated 12 million illegal immigrants a path to citizenship."

Meeting in Los Angeles for their bi-annual conference, the bishops said an enforcement-only approach to immigration failed and that stronger border fences and a piecemeal approach would do nothing to deter those seeking to find work in the United States.

"Over the past 12 years, our government has spent \$25 billion on enforcement of our border. During the same period, the number of undocumented in the nation has nearly doubled," said Bishop Gerald Barnes of San Bernardino, who heads the U.S. Catholic Bishops committee on immigration. "We urge congressional leaders and the President to seize this historic moment and enact a just and humane immigration measure."

"Either fix it, or five years from now there will be 20 million illegal immigrants here," said Los Angeles Cardinal Roger Mahony, whose vow to disobey any laws that would criminalize illegal immigrants and those who help them has made him a leading voice in the national debate.

What Mahony doesn't tell the press makes for interesting reading. The Catholic Church does not allow birth control. Therefore, Mexico will grow from its current 104 million people to well over 300 million in this century. If Mexicans can't find a better life in their home country in 2007-30, 40 to 50 million will stream over U.S. borders in the coming years. Americans suffer displacement from their own country.

Lawmakers struggle to reconcile a bill in the House of Representatives that focuses strictly on border enforcement with a Senate bill that would also create a temporary work program denounced by many conservatives as equivalent to an amnesty for illegal immigrants.

The bishops said all illegal alien workers currently in the United States should be given a "viable and workable earned path to citizenship."

"Why are we involved?" Mahony asked. "Fundamentally it is because it is our Gospel mandate...to welcome the stranger."

Mahony supports the Kyl/Kennedy Amnesty Bill (SB1348)! As citizens mounting nationwide campaigns to end all public assistance to illegal aliens, we could easily overlook an important source of "safety-net assistance" to illegal aliens: government funding to "non-profit" groups who knowingly and intentionally provide assistance to illegal aliens. Federal law (USC Title 8, Chapter 12, subchapter II, Section 1324) has a name for this:

"aiding and abetting illegal immigration." It's a crime punishable by a fine

and/or jail time. Several "faith-based" groups are involved (Lutheran Social Services, Hebrew Immigrant Aid Society, American Friends Service Committee), but Catholic Charities prove the largest in the USA.

Most people believe Catholic Charities is funded entirely by voluntary donations, but they couldn't be more wrong. In 2002, over 60 percent of CCUSA funding came from government grants and contracts, another term for "taxpayers' money!"

Only by public disclosure of these groups and their activities can citizens demand that Congress cease funds to such groups. Since President Bush often meets with "faith-based" representatives in the effort to increase "immigration/refugee" numbers, contacting the President proves futile.

Various Catholic Charities officials have openly admitted "aiding and abetting," and the organization's website openly promotes its open borders agenda: Welcome Refugees, Asylees, and Immigrants.

"All immigrants are entitled to be treated with respect and dignity. To this end, CCUSA promotes legislative reforms to restore federal benefits to legal immigrants, increase admissions of refugees and asylees, create better opportunities for illegal aliens to earn legalization, allow aliens to reunite with their families more easily, and improve protections for immigrants under federal laws, including labor laws."

Those agencies who openly aid and abet illegal immigration and in other ways "bite the hand that feeds them" is not only an insult to every American taxpayer, but an indictment to every government official charged with administering public money. Giving taxpayers' money to groups who openly defy our laws is an outrage!

Oregonian Barbara Anderson published a website report to Catholic Citizens of Illinois how two "Catholic Charities" groups use taxpayers' money to undermine and violate our laws.

"Time was when the poor widow in the pew gave her mite, assured that she was helping someone even more vulnerable than she was. That is no longer true, as the money being given may or may not end up feeding the poor. Two of the "Catholic" charities sanctioned by the bishops have become circuitous routes leading to unexpected ends."

Stephanie Blank "exposed the labyrinth of entities used to divert money to causes most Catholics would not support. CCHD is not a Catholic charity, strictly speaking, as its literature casually points out. From money given by Catholics, grants are made mainly to groups who agitate, politically and otherwise, for causes many Catholics know nothing about, and would not give their money to--if they knew.

Catholic Charities USA indicates on its website the amount of lobbying being done to influence lawmakers to effect its "social justice" programs. CCUSA also mentions that it helps all people, regardless of race, religion, etc. It, too,

advocates aggressively for illegal immigration. Most of its advocacy could have been lifted from the Democrat platform. Since most colleges have tight enrollment capacity, this would mean that some citizens would be passed over in favor of children of illegal

aliens via the Dream Act.

Apparently, the bishops have determined that this country doesn't have enough poor people, so we must import poverty. Ironically, the line only increases from Mexico.

From birth, free for any illegal that goes into a hospital in America, through Head Start and higher education, through all the welfare systems, CCUSA is there to lobby our lawmakers.

The Catholic Church takes credit with inventing the "City of Sanctuary" program for illegal aliens. The Catholic Church aided and abetted illegal aliens since the late 1960s. They employ well-paid lobbyists to knock on congressional doors to secure taxpayers' funds for the "branch" of the church known as "Catholic Charities." These "Catholic Charities" organizations receive billions of taxpayer dollars annually, with absolutely no oversight. They are rolling in the dough to support a haven for illegal aliens and you pay for it.

"Taking America Back" means shining the light on such "religious" racketeers as Cardinal Mahony and his "Catholic cronies" who steal from American taxpayers to support lawbreaking illegal aliens.

Description: + more by *NICHOLAS RIVERA*

CRAIG-OXLEY - June 4, 2007 11:55 PM (GMT)

Dear Brother Eric,

<http://www.youtube.com/watch?v=3yfxcZz69Gw...related&search=>

I watched the History Channel special on Star Wars earlier today with my father and was stunned when I heard this and searched Google and YouTube for it and found it here. This is a must see!

<http://www.youtube.com/watch?v=3yfxcZz69Gw...related&search=>

On YouTube from "Star Wars Revealed:The Legacy" during segment "Mentors and Wizards" (I recommend watching the whole thing because it describes the Jedi mentor as a part priest and surrogate father. at exactly 3:00 mins into it Masonic Newt Gingrich compares the Jedi to the Jesuits calling them the "Jesuits of this [Star Wars] world." and then it is sickening to see him as he praises the sons of Loyola as "the priesthood of freedom who give their lives in order to stop evil." What a load of Papal bull!! This shows why Gingrich gets attention from Cardinal Egan's CFR. Sounds like he really wants to be selected for the emperorship of Fourteenth Amendment America. I have read that George Lucas based the concept of the Jedi loosely on the Company which is not at all surprising. Star Wars was completely full of Buddhism, Hinduism, and Jesuit Teilhard New Age Luciferian religion and Hegelian philosophy called light and dark side (yin and yang, "white is black and black is white" of the Satanic Spiritual Exercises of Luciferian Ignatius Loyola) sides of the "Force."

Jesuit Patents <http://www.wired.com/wired/archive/12.09/start.html?pg=4>

According to Wired, the Jesuits own the following equipment patents:

Patent No. 5,054,310: Ultrasonic beam tester

"The California Province of the Society of Jesus, a Jesuit organization, holds the

patent on this curious contraption, used to calibrate and test ultrasonic medical equipment such as the pulse-echo body scanner."

Patent No. 4,403,916: Wind turbine

"Another Jesuit group, the Chicago Province of the Society of Jesus, holds the patent on this electricity-generating windmill. The device powers farm well pumps and air compressors and boasts of a "novel oscillating tail structure."

I can agree with you on the Pope Ratzinger identity for the emperor and the Peter Hans Kolvenbach identity for Vader, however Egan is represented there too. He is probably one of the people associated with the Emperor (Ratzinger) and Vader (Kolvenbach) that wear the RED robes and helmet/hoods. (Thesee represent the Colledge of Cardinals.)

Maybe only parts 4,5 and 6 were written as a whole, but there are many disorders in the plot. I missed out part 3.

All this hidden symbols dont't come from nowhere, so i doubt it's all out of lucas' feather.

He has made some other "important" movies too, like "Schindler's List".

"Lord of the Rings" was a catastrophe made by an b-movie director, so read the [Silmarillion](#) if you want to see what Tolkien's about.

The only movie reaching it's book was "Hitchhiker's Guide to the Galaxy" :lol: .

Re Arnold and Christoph Cardinal Schoenborn, the Archbishop of Vienna

Caption reads: This would also be the kind of mitre he would wear if in the presence of the Pope."

The Cardinal is in not in the presence of a Pope but in the presence of a Schwarzenegger. He dressed accordingly.

Blue bloods always marry their own.

Schwarzenberg is a berg .. or the vicinity in which the Schwarzens would reside. In the case of Schwarzenberg Castle the Schwarzen bergs family married into the Eggen berg family. The result of this family match would be a Schwarzen- egger. The name meaning black plowman or tiller...or dark harvest.

It was this Schwarzenberg Palace (or Dark castle) that was the original model for Bram Stokers Dracula. A very real fear of Vampires swept over Europe based upon tales about horrors at Schwarzenberg castle. Looking at the grotesque photos of the Ustashe and knowing of the human cannibalism that went on by the Jesuits in Croatia WWII we can easily determine that these vampire fears were not the result of paranoia but based upon a horrible reality. History repeats.

Here is a documentary clip regarding Schwarzenberg Castle and Dracula.

http://www.vampire-princess.com/v_p_web.swf

Look at the coat of arms for the Schwarzenberg family decorated with human bones. Even the most primitive uncivilized peoples exhibit some degree of nominal decency

and bury their dead! This is the Jesuits most gruesome , macabre and boasting work yet. One look at this place would tell the most hardened scorners that there is a devil.

The church steeple of Schwarzenberg Castle is decorated with a skull and crossbone and people WONDER who the pirates were? And people do not see the connections with Skull and Bones from Yale? 2Th 2:11 !

Here is a the Jesuit Theatre at Schwarzenberg Palace where the Jesuits perfected their idol tales to shepherd the people away from God and onto fanciful fables.

I know why they call these folks blue bloods . First time I ever saw this Schwarzenegger thirty years ago my blood ran cold. That thing reeks of evil.

Title: BILL DEAGLE a DANGEROUS Temporal Coadjutor

Description: *By Craig Oxley!!!*

CRAIG-OXLEY - April 4, 2007 10:31 PM (GMT)

Eric,

You may dislike Tom Heneghan but from where I'm standing Tom is of far more use than Temporal Coadjutor Bill Deagle will ever be. What Deagle knows about true health you could write on the back of a postage stamp and still have room for more. The only thing Deagle does of any worth is allow you air time to speak on the Jesuits but then again HE controls the show there far too much unlike the great Lenny Bloom. I'm sorry but I just enjoy Cloak and Dagger a lot haha.

Craig Oxley

April 3 2007

QUOTE

> Dear Craig,

If Deagle continually backed such a known Jesuit tool and traitor as Al Gore, I would refuse to go on his show. But you are correct, he monopolizes the show many times and does not allow me to speak as much as he should allow ant guest to speak.

Brother Eric

Eric Phelps,

You utilise the great Cloak and Dagger radio show and Lenny Bloom allows Tom Heneghan and Stew Webb to promote Adrenochrome addicted Al Gore Jr??

You've been on many Temporal Coadjuting Radio Shows. Also note that Tom Heneghan could never do as much damage to people as Temporal Coadjutor Bill Deagle and his MOST DANGEROUS so-called health information. I don't see Tom Heneghan pushing the use of deadly non-plant converted METALLIC METALS in human bodies claiming all sorts to sell a product. Anything he claims for this OFFENSE can be achieved much better with Electricity and various herbs SAFELY! Infact Bill Deagle is just as bad as Al Gore Jr if we want to get down to it. Al Gore Jr promotes the false information to so-called backup his Climate warming nonsense. This is simply exactly what we were told in the Iron Mountain Report as a needed threat to bring the world into unity, a common worldwide threat. Now Deagle promotes the Sovereign Military of Malta's MYTH of a virus supposedly called HIV being the cause of AIDS. This lie is probably far worse than what Al Gore Jr is doing as what Gore is doing will mostly simply mean new living areas for humans and plenty of TAXS etc. The hiv myth and the phony tests KILL PEOPLE claiming their positive and so on when their not, then the administering of lethal poisons such as AZT takes place really killing the people. When the person dies they simply believe it was the virus and voila DEPOPULATION, MISERY, LIES and ultimately PROFIT all in one. You must learn the truth on AIDS and its many many REAL causes. When you do then you will see through this dangeorus idiot known as Bill Deagle for once. It so annoys me to see people hurt, ignored and diseased because of people like Deagle. Theres many thousands of people flocking to alternative health with bad Cancers and all sorts of SMOM induced diseases wether through bio-agents or through wrong diet promotion. Then they find these Deagle cretins first who program them to poisonous methods and make them worse. Some people feel a little better but then eventually they will see the dangerous arise. I've done all this crap in the past, I KNOW! Theres no one out there who can compare for REAL health knowledge than these people; Dr Max Gerson, Dr John Christopher, Dr William Donald Kelley, Professor Arnold Ehret & Edgar Cayce. Now you've accused Cayce over him doing readings. My friend Cayce has done more for people with REAL health knowledge than almost anyone else. He's the grandfather of modern times Alternative Health, well infact it wasn't known as alternative back then. I've found his work to be of great important! I've utilised it on myself, my mother and many others to great result. Once you learn about nutrition, fasting, cleanses & Spinal alignments you realise all this supplement junk and metallic POISONS are just that. Only PLANT CONVERTED METALS can enter the body and get used correctly. Now I'm one for promotion of Ozone which you sell to people. But my friend regardless of all the claims about even Ozone, NOTHING comes close to the power of a Water Fast or Water/Urine Fast. I've done it all and I know. You will never cleanse the body like you can on a Water Fast or Water/Urine Fast, its truely amazing. Why promote death to people when most times a simply Orange juice fast of duration is the cure all almost???????????????????? Bill Deagle in my eyes should be put up a wall and shot for his crimes against humanity selling a

product which diseases people. Also note how the SMOM utilise METALLIC METAL poisons via the water, food and AIR (Chemtrailing). Metallic Metals are a most perfect way to destruction of the body via electrical dysfunction, destruction of microorganisms within the body (flora etc), local constipation such as within the brain causing alzheimers etc. Its a perfect dumbing down tool. Right now Titanium is one of the worse being used against us and its killing thyroids like no tomorrow especially in Women already low on Iodine (ooooo Breast Cancer I hear your mind thinking). So Eric Phelps I respect your tremendous Jesuit knowledge and promotion of the Pinnacle OMEGA point conspiracy control and many of your views. I do not go along with some of these clowns who you appear on their shows with. So like I say does Tom Heneghan do this much damage? Does the good old Lenny Bloom? Theres something from everyone Temporal Coadjutor or not to take in. Remember normally 75% is truth and the 25% is diversion. Deagle makes me real angry sorry. All he does is use all this high tech scientist type talk to trump himself up to the awakening sheep who know no better. The greatest healers who walked this planet have had no poxy scientific degrees and so forth. These great healers have utilised what they found themselves and much knowledge from the GAELIC peoples who taught the World most of its REAL information which has been surpressed mostly thanks to those damn Romans once again.

**Thankyou

Daniel - April 4, 2007 11:22 PM (GMT)

Dear Craig,

This conversation between you and Eric is so very important, I think. It's almost as if you are both helping each other to work out certain areas and to shed some light into all this confusion.

I see 3 main issues here that are all interconnected:

Health understanding
Spiritual understanding
Connections to Jesuits

Based on this objective of the Jesuits today:

<http://www.geocities.com/Athens/Sparta/110...revExcerpts.htm>

The Brothers and Monsignori of high degrees are no mean methodologists, even if in its reversed aspect. They understand that great historical processes cannot

be guided if one pays attention to particulars and small details. It is enough to give the process the required direction, bring two forces into violent opposition with each other -- thereafter one needs only to keep general control over these forces. But below, where the 'dialectic' of the battle is played out, one even brings members of the Lodges and Orders to destroy one another. But this battle is always oriented towards a goal.

and based upon their steps:

Behind the intention to destroy the people of Russia is concealed the prevention of the sixth cultural epoch; a further aim is to procure a potential of cheap raw material and manpower; a third aim is to overcome the old schism of the Churches. -- The national-socialist experiment has as its aim the destruction of the centre, whose main task is the development of the 'I'. A second goal was the elimination of an economic competitor; and a third, the final eradication of the 'heresy' of the Reformation; the fourth the wiping out of the 'anthroposophical heresy'; and the fifth the prevention of an interrelationship between the German and Russian cultures.

Let's take tackle each of these areas seperately.

First on Dr. Bill Deagle on his health understanding: I agree that his health knowledge is somewhat limited but we also have to compare his knowledge to those people like Dr. Day and even G. Edward Griffin (World Without Cancer) and others. When you think about it, none of these people speak much on Edgar Cayce because in a way, they are all materialists. Horowitz may be an exception here but also look into the controversy surrounding his ADA involvments - as per Dr. Day and also his KOM issue. Craig, even Dr. John Coleman mentioned that when he was on duty he saw first hand the effect of the HIV/AIDS. Does that mean he was not to be trusted? Craig, even look at how you helped me out! I already heard of Cayce and Steiner medicine and yet I did not know much here either. Al Gore, supports peak oil, and global warming which also support the AIDS/HIV agenda. Dr. Bill Deagle does not support Global Warming or Al Gore - a Jesuit pawn.

On Dr. Deagle's Spiritual understanding - I am not too aware but if he shy's away from Cayce, than it means that he is either thinking too much as a materialist (out of only his 2 frontal lobes) or he shy's away from anything to esoteric.

On Dr. Deagle's ties to Jesuits (SMOM etc) I have seen none.

Now take a look at Eric Phelps on health: He does not trust both Edgar Cayce and G. Edwrd Griffin due to the fact that he says Cayce gave readings to Wilson. Plus Griffin was once connected to the JBS! Both these are based upon connections but not necessarily are those connections incumbent on the mission or true intent of Edgar

Cayce and Griffin. I disagree with Eric Phelps on these 2 people being Temporal Coadjutors.

Eric's spiritual understanding tends to also place a negative light on those who are of more esoteric nature - excepting Jesus Christ. He fails to see that King James was himself in fact a powerful Protestant Templar-Freemason and he was known as the Greatest OCCULTIST of his time - they called him the King Solomon of that time! King Wrote Demonology and was harsh against those he deemed witches. Eric also falls into the Jesuit trap himself by exaggerating the JESUS Principle and this is what the Jesuits did with that movie called "Passion of the Christ". The Jesuits wish to trick Christians into accepting Jesus (ZThe KING!), as opposed to accepting the Christ principle in our hearts. Eric should already know that John the Baptist was told by Jesus while Jesus laid his head upon his breast "...the temple of heaven and true church lies here..." The second coming of Jesus in flesh is PURE BLACK MAGIC because Satan will convince everyone that he is CHRIST - when he is an imposter! All Christian, Muslims, Jews etc, and even scientists need to do to bring about Satan's coming faster is to continue to read our religious texts LITERALLY WORD-Per-WORD. Thus Eric's illusion with Israel and the Jews also!

The true second coming of Christ is spiritual - NOT IN FLESH AGAIN. I beg anyone to show me where it says on the Bible that his coming is in flesh? Indeed, it says some on a cloud - the cloud is ETHER - the spiritual awakening!

Now look at this Tom Heneghan fellow:

His health knowledge may be better than Dr. Deagle's but I am not too familiar with what he knows in this particular area.

His spiritual understanding seems only very limited to his HUGE ego, IMO.

Tom Heneghan's connections to the Jesuits are exposed through Tim White. Tom Heneghan also associated with Stew Webb and Larry Bloom which are all defaming Tim White, Gunderson, Goshe, Chamish, Hilder, Decamp and the list goes on, for no reason. Tom Heneghan also confused the hell out of me with this Al Gore VS. Bush/ Clinton stuff. He makes quick references to Jesuits (here or there) but so does Stew Webb. Both these are not only conspiring together but their agenda has the intent of seeding massive confusion through creating blind alleys for no researcher to ever find the truth.

Craig, it's just my humble opinion and I think Eric is not perfect in all his analysis of who's a Temporal Coadjutor but he's right on the money regarding Webb, Bloom, and Heneghan being Temporal Coadjutors.

CRAIG-OXLEY - April 5, 2007 12:20 AM (GMT)**QUOTE**

First on Dr. Bill Deagle on his health understanding: I agree that his health knowledge is somewhat limited but we also have to compare his knowledge to those people like Dr. Day and even G. Edward Griffin (World Without Cancer) and others. When you think about it, none of these people speak much on Edgar Cayce because in a way, they are all materialists. Horowitz may be an exception here but also look into the controversy surrounding his ADA involvments - as per Dr. Day and also his KOM issue. Craig, even Dr. John Coleman mentioned that when he was on duty he saw first hand the effect of the HIV/AIDS. Does that mean he was not to be trusted? Craig, even look at how you helped me out! I already heard of Cayce and Steiner medicine and yet I did not know much here either. Al Gore, supports peak oil, and global warming which also support the AIDS/HIV agenda. Dr. Bill Deagle does not support Global Warming or Al Gore - a Jesuit pawn.

You cannot even compare Deagle anywhere near Dr Lorraine Day. Lorraine gives the needy people far more important knowledge than Deagle. You must also realise though that Lorraine falls down when she too promotes this MYTH called hiv. Anyone who does some serious research and has a truly open and free mind can see through the hiv lies very easily. Study the real reason(s) for AIDS! Sorry but Griffin and his promotion of Vitamin B17 doesn't cut the mustard. I certainly wouldn't rely on this method especially singularly. Anyhow his method of B17 the cure for Cancer is wrong. Does B17 regenerate the Pancreas? NO! Does B17 remove the toxic waste of the body/ blood and lymph? NO! Does B17 remove Parasites? Does B17 cleanse the elimination orders? Once again its all NO! Its no different to an allopathic idiotic approach. If someone wishes to follow this sort of tackling of Cancer then they should look to quality herbs making up formulas like the Rene Caisse or Harry Hoxsey versions. These work very synergistically and do wonders. The body must be cleansed and that Pancreas rebuilt. Now from the looks of it Essiac actually add Pancreas function which is MOST important with Cancer being a Metabolic Disease sourced at the Pancreas as evidenced by John Beard, William Donald Kelley and other good Cancer researchers.

Dr Leonard Horowitz has some great information to give the people and his most important work really is on the Vaccinations, not much compares to his Vaccines lecture which is probably one of the most crucial things needed in the beginning of waking people up. Unfortunately he's still a Knight of Malta and hasn't given it up so now people should be careful of him and certainly still listen to him but be even more careful than usual. He too promotes this lie of hiv and forgets all the many true causes of AIDS. Yes the Sovereign Military of Malta will love him for this as it aids their profiting and depopulation. Now even awakening people still believe in the MYTH of hiv which is enforced by their new mind frame of conspiracy. They now believe in the MYTH still because they feel ELite persons created it on purpose. Low and behold anyone who informs these fallen people that its still LIES. Its Heresy from both sides wether the Elite or the fallen sheep. Once again a controlling mental counter-measure is added and

works well for the SMOM controlling all Pharmaceutical industries. Remember David Rockefeller controls the Big Pharma and he's a high inner core SOVEREIGN MILITARY OF MALTA PAPAL KNIGHT monitored by his immediate master CARDINAL EDWARD EGAN at St Patrick's Cathedral.

If Dr John Coleman can prove hiv exists he's a better man than any of the microbiologists who simply haven't been able to do this. Yes he may have seen the effects of AIDS but not hiv. He may be too promoting it and still working for the Order as he's never fingered the Jesuits if I recall but just blames it all on The Committee of 300. I think he's just hoodwinked like most about the myths of hiv and all these people simply wish to believe in something more exciting and sinister.

To be honest most people you hear on these radio shows and internet films don't have a clue on health and real health my friend. When you do then you see through the disinformation wether done on purpose by them or them being hoodwinked also.

Eric Phelps claims Robert Gallo got the Sword of Loyola for the hiv Virus but Gallo is a complete fraud and has been destroyed in decent publications such as AIDS INC by Jon Rappoport. Yes Gallo will be rewarded for his part in the fraud, death and profiting thanks to this myth.

Yes I suppose your right that the Climate agenda would play its part in the depopulation and they use hiv to allow them to depopulate masses of people by other means. Africa is being depopulated by MALNUTRITION yet the SMOM medical Cartel utilise this to help back up their myth of hiv. In order to enforce their lies on even the African people they employ local african healers now to indoctrinate the peoples of Africa and bring them into line with the bunkum. These healers are trained up on all the lies and many wouldn't question a thing. You see these African healers will be glad of the funding they will get along with thinking these men are intelligence and have all these fancy degrees and babble all day long, long words of no meaning. Its a vicious game indeed and probably the biggest Mind Control of modern times if not of all time. Remember Jon Rappoport absolutely destroys the myths of hiv.

Bill Deagle supports theres a virus called hiv and its creating AIDS. This is wrong! He also pushes dangerous products, PROFITING from peoples misery. People like myself do as much as we can FOR FREE and most the real powerful healing can be done for FREE or from common weeds such as Dandelion, Sheeps Sorrell found in many gardens but simply ignored. Stop falling for these cretins. His promotion of hiv and supplements makes him a Temporal Coadjutor for simply helping to promote the Jesuit agenda wether knowing or unknowingly PERIOD!

QUOTE

On Dr. Deagle's Spiritual understanding - I am not too aware but if he shy's away from Cayce, than it means that he is either thinking too much as a materialist (out of only his 2 frontal lobes) or he shy's away from anything to esoteric.

On Dr. Deagle's ties to Jesuits (SMOM etc) I have seen none.

If Deagle promoted the work of Cayce then he would be out of business with his POISONS. You hardly see anyone talk about JOHN CHRISTOPHER, MAX GERSON, EDGAR CAYCE, ARNOLD EHRET. Why is this? Because theres no profiting with their methods which are free things such as fasting and simply cleansing utilising FOODS. I've explained above why he's a TEMPORAL COADJUTOR and by promoting hiv as the cause of AIDS along with all his other useless babble he's obviously aiding the SOVEREIGN MILITARY OF MALTA who control all of Big Pharma through their loyal Papal Knight David Rockefeller.

Now take a look at Eric Phelps on health: He does not trust both Edgar Cayce and G. Edwrd Griffin due to the fact that he says Cayce gave readings to Wilson. Plus Griffin was once connected to the JBS! Both these are based upon connections but not necessarily are those connections incumbent on the mission or true intent of Edgar Cayce and Griffin. I disagree with Eric Phelps on these 2 people being Temporal Coadjutors.

Eric Phelps is the master on the subject of the Jesuits although I would like to learn the pre-history of this group from the Los-Alumbrados and before if any which Eric simply doesn't know or share with us all. As for health Eric Phelps is NO authority. I do not and have never claimed to be the Jesuit knowledge of the World as some think I am. What I am very knowledgable on is HEALTH and this is my true field. What I preach I PRACTISE! I've been through all the layers within the so-called health world. I've even fought with Herbalists which were attacking and quite frankly DESTROYING the supplement knowledge I'd learn't. This was the counter-measure coming into force to protect a bunkum system of thinking installed by agents and clowns. Theres no one better for health than a quality HERBALIST, NUTRITIONIST and CHIROPACTER. I've utilise Cayce's work and its of GREAT IMPORTANCE. No body knew what this man did and still many don't now its incredible. I do not care if he got his information from a 4th dimension Ginn or wherever he got his visions from. The facts are his information is correct and heals many people worldwide. He's helped heal myself and I'm forever grateful. Again who was the first to speak of a Violet Ray system for instance????? There you go, such an amazing man in HEALTH.

Although I don't agree with Eric on his Religious stance I do respect him if he wishes to follow this as he does. I also except that if he hadn't been this way then we wouldn't have come across all this great Jesuit knowledge and found the true controller of the World. All this Occult crap is tiring and its simply a word used incorrectly and these days just for suppression. So if I find an ancient document and translate it then utilise it I'm bad? Lets say I find a fancy set of frequencies and that I have to play them on certain parts of the body with certain other things involved. Now lets say this heals a health problem and more. According to the likes of Phelps this is OCCULT and Satanic etc. Occult simply means SECRET! So my friend if you tell someone in confidence something are you a satanist or evil or shouldn't be listened to? Thats how it seems to work in religion. A friend of mine told me a secret about a neighbour, is she EVIL? NO! Whilst this religious following of Phelps has aided up in one way it has also brought us down in another as many people don't trust him who understand what religion is being used for. We can see the suppression all day long.

Are you sure you don't mean Eric May rather than Tom Heneghan with Tim White? I agree that some disinformation is coming out but theres such a lot we can also learn from these people. Even Eric has claimed that Tom has some very interesting information in an email in the past. Tom isn't the easiest of people to follow even when your well into the conspiracy but eventually you can just about do it. Its not done that way on purpose. I think Tom may have a problem some where as he struggles to pronounce things even when he's just been told. I haven't seen Cloak and Dagger slag off Barry Chamish infact quite the opposite my friend, be careful what you say. Now come on would you trust anyone who was the head of FBI Division #5? HELL NO, I would NOT! He's still controlled by Defense Industrial Security Command. I tell you what theres no doubt in my mind that if Gunderson wasn't a mole he would most definately be DEAD by now. He's simply too well connected like you wouldn't believe. Once again Jesuits controlling both sides through major deception. I don't see nothing confusing about the Bush vs Gore.

CRAIG-OXLEY - April 5, 2007 12:47 AM (GMT)

Notice all the pathetic attempts at trying to discredit CLOAK & DAGGER thanks to that cretin known as **MARK HOLSTLAW** whos in charge of **FBI DIVISION #5** and a whipping boy for **DEFENSE INDUSTRIAL SECURITY COMMAND!** My site is a great repeater of the work of Heneghan and company and their getting all too popular these days. Notice the attacks a coming folks since **HENEGHAN** was spot on with the Scooter Libby case the other week? Hacks on Cloak and Dagger and even today and **ATTACKS** regular coming **Hostlaw** are you worried you sh**? **RICO-CCE** are you worried you sh**s?

HOW DARE YOU, JUST HOW DARE YOU! YOU CONSPIRITORIAL TYRANTS AND WANNABE KINGS.

Yes, I am also very suspicious about Deagle. I listened to a interview with Deagle and Texe Mars this week and Deagle did not mention the word Jesuits once. When Deagle has Phelps on the show, he agrees with Phelps all the time and does mention the jesuits a lot. On the show with Phelps, Deagle mentioned that the Jesuits are the Pursekeepers of the Vatican, but on the show with Marrs, he said that the Bankers of the middle ages were the Pursekeepers of the Vatican.

Dear gneiss,

I think that between yourself, Craig, many posters here and many researchers alike, that it would be beneficial to live the vegetarian lifestyle. Very nice point, gneiss! Jesus of Nazareth was a vegetarian/vegan and would never harm a fly.

Eric is such a wonderful fellow though, isn't he? I'm almost afraid to bug him too much. Poor man must be spent enough at times. I want to tell him that Christ may come back in the spirit (on the cloud) and not necessarily come in the flesh but I fear that he may think I'm practicing voodoo with Cayce. I'm kidding. :P I think Eric has a decent handle on it.

I still wonder what Eric thinks about what "IHS" means? The last time I asked him, years ago, he mentioned he was not sure if it was "ISIS HORUS SETH"? You may have heard this one before and I'm sure Eric will know more today.

Blessings,
Daniel

The very same Basque priest Erroa that maintained Basque was the language spoken in the earthly paradise belonged to The Company of Jesus most commonly known as The Jesuit Order.

I said before Basque being the Proto Language-Egyptians spoke this too.

The emblem of The Jesuits is I H S they say comes from the Jesus in Greek Iehesus. I stands for (ISIS) H (HORUS) AND (SETH) ... Coincidence or not??? Erroa knew about this thats why he was checking Bible names and codes too.

(no h) greek commonly used h in beginning words... its like f or v in basque you wont find no words starting with this sound because there was never such sound... f v and w's were invented through orthography(writing later on) thats why Spaniards and South americans pronounce always B for v or w. (occlusive bilabial sound)

In canonic or catholic writings as well as gnostic ones the name of Jesus is Jeshua, or Joshua, or again Jehoshua.

however, and this is hotly debated in linguistic circles the word jesus in Greek is Iesous

So somebody tell me where Ignatius of Loyola got the initials IHS from???? Sorry!!! St. ignatius (Pope cannonized him! I forgot!)

O what a Saint!

St Ignatius as well as St. Anselm and many others believed in divination old egyptian astrology and what we call today masonry.... Im not inventing or making this up check for yourself the code of arms or emblem of this company of Jesus below and ask any Greek professor to spell in Greek the name of jesus in any shape or form...

well unless you use the Loyola derivation (more read here <http://www.studiolum.com/en/cd05.htm>)

By the way where do you think the trinity came from?? St. Anselm or Thomas of Aquinas??

Egypt perhaps??? My guess this IHS thing has lot to do with it!!!

Remember that THE JESUITS were the principal disseminators of the symbolic language that was developed in emblems and allegories beginning in the sixteenth century.....

hope this further your knowledge if you are not aware!!!

On the show with Phelps, Deagle mentioned that the Jesuits are the Pursekeepers of the Vatican, but on the show with Marrs, he said that the Bankers of the middle ages were the Pursekeepers of the Vatican.

Now who was the Pope once in large debt to? Did they mention the real bankers or just hint at these wannabes like Rothschild again? The Pope was in debt to the **MEDICI** Family, the most powerful European Bankers of their time. Who were the Medici? **BLACK NOBILITY**, the Italian divisions are the most powerful of all Black Nobility families especially the old **Venetians**. This is still the same today my friends and when they speak of Rothschilds as if their so great don't believe it. Theres people from Italy far greater in **POWER** and **WEALTH** than any of the Rothschilds. Whilst you hear of Rothschild this and that, what do you hear or know of these powerful Italians? Think about it. But alas these Temporals never speak of the true powerful families. How many have even mentioned that the Queen is a descendant of the **Black Venetian "GUELPH?"** My friends **Dr John Coleman** has done more in this area than any of these Temporal Coadjutor disinformationists.

The World is controlled from **Rome** and **Italy** and guess what? It has been this way for eons and will stay this way until the **Vatican** moves to **Jerusalem**. I still believe Italy will be used as a powerbase after this also and the same for '**The City**' their *Mission Control* in London. New York City will take a large hit though when the moves come and the **New Atlantis** is all in place finally. To me the term pursekeeper simply means someone who holds onto someone elses money. Therefore the Vatican Purse is simply guarded and kept by Rothschild. This certainly doesn't mean that Rothschild now has the Vatican's money for himself. Remember what the *Judiac Encylopedia* says about Rothschild simply being '*Keepers of the **Vatican Treasury***.' Its just that, **VATICAN** treasury. The Vatican has its many arms to utilise in order for its system of Babylon we live within. They hand tasks out to their various organisations and families. Now remember these fake jews were joined up via a deal to give them control of the Banking and introduce the Talmudic system. They accepted and this is why their like they are to this day. Look to the time of 1066 onwards for this. Simply loyal labor zionists controlled by **Jesuit Freemasonry**.

I.H.S

You'll find that theres two meanings for this I.H.S. When you understand that the **Jesuits** or should I say **Black Brotherhood** follow the **Egyptian Mysteries** then you can

understand this. The Jesuits hated the version of the mysteries which the RCC utilised and they simply saw it as perverted. Now the other meaning of I.H.S is the '**In Hoc Signo**' meaning '**In this Sign**'. It was first come up with by **Constantine** and it used to have a '**V**' added also which meant '**Vinces**'. So therefore it was **I.H.S.V** meaning '**In This Sign CONQUER**.' The Jesuits use the I.H.S but cleverly kept out the V as it would look suspicious when their trying to pass themselves off as damn monks and teachers when infact their **MILITARY**, a **COMPANY**. Remember they were once known in France as the **COMPANY OF SION**. Ooo now we start to see the **SIONISTS** the true power of this World which utilises a '**S**' not a damn '**Z**'. Now remember the original protocols were of **Sion** not Zion. Also remember how it was the **Jesuit** creation in order to divert attention to their enemy the **Judiac** people via their most loyal followers the **Labor Zionist fake Jews** helping to stir the hatred pot of the **real Judiac Torah** believing **Hebrew** people. Then what happens? The Vatican and especially the Jesuit are kept well in the shade covered also with a thick veil with much smokescreen protections.

Edgar - April 6, 2007 04:23 PM (GMT)

I don't understand where this whole vegiterian doctrine comes from. it certainly isn't biblical. Just because it says in genesis that God gave herb to man for food doesnt mean thats all they had to eat. Obviously they ate all manner of meat as described in the law of Moses. Also in the NT it states:

<< Romans 14 >>
King James Bible

1 Him that is weak in the faith receive ye, but not to doubtful disputations.

2 For one believeth that he may eat all things: another, who is weak, eateth herbs.

3 Let not him that eateth despise him that eateth not; and let not him which eateth not judge him that eateth: for God hath received him.

4 Who art thou that judgest another man's servant? to his own master he standeth or falleth. Yea, he shall be holden up: for God is able to make him stand.

all this attention on what people eat is in direct violation to these scriptures. This doctrine must come from new agers who practice hinduism and worship of different animals that many consider food.

Although just because i say and agree with what God says about eating meat doesnt mean that I think all meat is healthy. In this day and age I would be careful not to eat much meat.

Daniel - April 6, 2007 09:18 PM (GMT)

I agree that there can be a very materialistic and self-rightous vegan/vegetarian movement but at the same time, one day in the future, man will gaze back onto today with distain at how we ate animals. In the future, our physical bodies will be less hardened and this means more etheric in nature. Those who would be stuck eating meat would have a harder time separating from the flesh; they are closer to matter and thus less of the spirit. Satan wants us all to be hardened or stuck in matter.

The animals were not put upon the earth to be eaten. Ghandi was correct in saying something about how you can measure the spiritual development of a people by seeing how they treat the animals.

If a monster came into our bedroom and then gobbled our children for its food, would most of us not say that it was an evil monster?

Yet, look at what we do the to animals, our closest brothers?

This is one of those videos I recommend watching because it includes things not discussed elsewhere, but watching with discernment because some parts seemed off. Also watch it through to the end, otherwise you'll slit your wrists. I know that his time to lecture was limited, but it would have been great if he gave more do-it-yourself solutions than just going through lists of costly supplements and services to buy. I'm naturally cautious of people with photographic memories and good speaking skills because sometimes they can make themselves sound smarter than they are. He gives a lot of trivia and information, chunks of things to be aware of, but there seems to be a lack of self-consistency, cohesion, and practical understanding infused into this. So it came off a bit patchworky. Then again, only so much can fit into the time slot, and I haven't listened to his radio shows to get the bigger context on which to gauge his spiel. But overall, I think there are more plusses than minuses, which is why I posted it.

Bird Flu a reality? Thats certainly news to me, just like the myth of hiv this nonsense is also just that BUNKUM. Once again Jon Rappoport destroys Deagle and all these other agents spreading pure fear and false ridiculous science.

So when the ELite want to sell you their poison jabs they tell you it will give you ANTIBODIES to whatever its designed against. They tell you this will make you immune, healthy and so forth. Now when they wish to screw with your mind and use their FEAR tatic they scare you that you've got hiv because you've got antibodies or the same for bird flu. WHAT A LOAD OF BUNKUM!

Stick the reality and throw away the chains of these false cretins spreading much disinformation. It all sounds exciting, scary you name it but its BUNKUM! FEAR FEAR FEAR.

David Rockefeller and his minions hate people like myself who sit back, see clearly their myths and laugh at their bunkum. They hate the SIMPLE REALITY getting out but they know they have a good backup being their counter measure enclosed in their life long mind control games via media etc. They know most still cannot shrug off the chains especially when their agents have come in as false truthsayers as an opposition illusion.

Brown's Invite To Pope

Updated: 17:55, Friday February 09, 2007

<http://news.sky.com/skynews/article/0,,30200-1250773,00.html>

Gordon Brown has personally invited Pope Benedict XVI to visit Britain.

The Chancellor met the Pope in the Vatican where the Chancellor has been launching a scheme giving vital vaccines to children in the developing world.

The meeting, which included a personal audience, is being seen as further indication of Mr Brown's status as "Prime Minister-in-waiting" before Tony Blair's expected departure this summer.

If his invitation is accepted, it would be the first papal visit to the UK since John Paul II in 1982. Tony Blair is thought to have made a similar offer when he met the Pope last summer.

At the meeting, the Pope appealed to Mr Brown and other finance ministers to face the problem of global poverty.

During Mr Brown's private audience, he presented the Pope with a book of collected sermons by his father John Brown, a Church of Scotland minister.

The Pope then presented the Chancellor with a Vatican medal.

Britain has joined forces with Italy, Canada and Norway to create a £750m fund to encourage drug companies to develop vaccines for pneumococcal disease, which kills 1.6 million people - including one million children under five - each year.

Brown will enter No 10 unopposed

Wednesday, 16 May 2007, 21:08 GMT 22:08 UK

http://news.bbc.co.uk/1/hi/uk_politics/6660565.stm

Gordon Brown has secured the backing of enough MPs to ensure he will not face a contest to become the next Labour leader and prime minister.

Mr Brown has 308 nominations, prompting his only rival, left-winger John McDonnell, to concede. He was 16 nominations short of the 45 required.

Mr McDonnell said he was disappointed on behalf of Labour Party members and it was a "blow to democracy".

Mr Brown should now take over unopposed after Tony Blair steps down on 27 June.

Nominations officially close on Thursday, but there are not enough remaining MPs to allow Mr McDonnell to run.

'Mathematically impossible'

He said: "With Gordon Brown having gained 308 nominations from Labour MPs, it is now mathematically impossible for me to reach the nominations I require to stand. There will not now be an election."

He congratulated Mr Brown, but said it was a shame party members would be denied "an opportunity of participating in a democratic election for the leader of this party".

"I had hoped by standing I would have given them a voice in this crucial decision."

Mr Brown's campaign said they would await the formal voting figures announced by the party on Thursday before making any statement.

But his campaign manager, Commons Leader Jack Straw, said that they were "delighted" the party was "uniting" behind the chancellor.

Labour MP for Cannock Chase, Dr Tony Wright, earlier told the BBC he had nominated Mr Brown as leader, but it had not yet been added to the Labour Party website.

This gives the chancellor more than the 308 nominations needed to avoid a contest.

Remaining MPs

Labour MP Andrew Mackinlay's office has reportedly said he would be nominating Mr Brown, although this has yet to be confirmed by the BBC.

A Labour spokesman said the party would not be commenting further on the nominations until they closed at 1230 BST on Thursday.

Of the other MPs yet to declare, the speaker cannot nominate and the deputy speaker, Sylvia Heal, has told the BBC she will not nominate anyone.

That leaves 15, including former home secretary Charles Clarke and former welfare reform minister and long-standing opponent of Mr Brown, Frank Field.

Candidates who get 45 or more nominations go to a ballot of party members, trade unionists and Labour MPs and European Parliament members.

In the deputy leadership contest, in which there are six candidates, only International Development Secretary Hilary Benn - with 42 nominations - has yet to get through to the national ballot.

Backbencher Jon Cruddas, Education Secretary Alan Johnson, Justice Minister Harriet Harman, Northern Ireland Secretary Peter Hain and Labour chairman Hazel Blears have all got through.

Those candidates who make it on to either ballot paper will take part in 10 hustings around the country ahead of a special conference in Manchester on 24 June, when the new leader and deputy leader will be named.

But even as the sole leadership candidate, Mr Brown will still take part in hustings.

On Wednesday he was at a campaign event in Manchester, outlining his ideas for an "environmental corps" for young people to combat climate change and saying he wanted the World Bank to be "a bank for the environment".

Mr Blair and deputy Labour leader John Prescott will hand over on 27 June.

THE DISAPPEARANCE OF BRITISH GOLD

Then there are the "direct" sales of gold by the Central banks. The most recent sales were made by **the Bank of England**. It sold off at least half of its gold reserves over a 3-year period ending in March.

The man responsible for the decision to sell the gold is **Gordon Brown**, the Chancellor of the Exchequer. He has now come under fire for having made horrendous investment decisions.

The British Independent newspaper published the story on May 26.

In part that paper says "Gordon Brown has "lost" **400 million pounds by ordering the sale of part of Britain's gold reserves by the Bank of England....."**

"Figures obtained by the Independent on Sunday also show that his decision to order the Bank of England to part with some of its gold reserves and switch into Euro and yen was also not a good bet for the taxpayer. The value of gold has soared on world markets as investors have switched to gold."

First gold disappears from Russia, then from Britain and now seemingly from the U.S. Where did it all go? Well, a good part of it went to China and a little bit of it went to Japan. But fairly substantial portions have wound up in the hands of wealthy families.

Brown joins the Pope to launch £750m child vaccination plan

Andy McSmith

London Independent

<http://news.independent.co.uk/world/politi...icle2255721.ece>

Gordon Brown and the Pope are trying to save millions of children in the poorest countries by speeding distribution of life-saving vaccines.

A group of world leaders, including the Chancellor and Pope Benedict XVI, launched the £750m scheme in Rome yesterday.

The audience with the Pope could also bring domestic political benefits for Mr Brown, so soon after the conflict between the Government and the Catholic Church over whether gay couples should have in adoption law similar rights to heterosexuals. The row threatened to erode Labour's traditionally strong base among working-class Catholics, with vital local elections looming in Scotland in May.

Also at the ceremony in Rome were Queen Rania Al-Abdullah of Jordan and Paul Wolfowitz of the World Bank launching the "Advance Market Mechanism". Italy, the UK, Canada, Norway, Russia and the Gates Foundation are to create a £750m fund that will give the poorest countries purchasing power in the drugs market, spurring pharmaceutical companies to develop the needed drugs. Mr Brown told The Independent: "It will give them the power to buy at discounted prices a suitable vaccine when one becomes available. At a stroke, it turns a vague hope for a medical breakthrough into an immediate reality. It will now make economic sense for pharmaceutical companies to develop the new vaccine."

He added: "Of course, drugs and vaccines are only part of the answer of addressing the arithmetic of disease and death. Weak health systems and insufficient doctors and nurses are among the main obstacles to access to basic health care. Nothing less than a bold commitment to action is now needed."

The first disease to be targeted will be pneumococcal infection, the main cause of deaths from pneumonia among children, and the second leading cause of childhood meningitis deaths. It kills more than 1.6 million people, including nearly a million children under five, every year.

Worldwide, nearly 10 million children under five die every year, or about one every three seconds. A quarter of these deaths are caused by diseases such as measles, polio, diphtheria and hepatitis, for which there are vaccines available. There are no effective vaccines yet for malaria, pneumonia, tuberculosis and Aids, which kill seven million under-fives a year.

The fund founders hope that by stimulating the market in life-saving drugs, five million lives will be saved by 2030.

Private-sector pharmaceutical research is heavily tilted towards tackling health problems found in the richer countries, where companies are guaranteed a lucrative market for any effective treatment. Every year, more than £50bn is spent globally on health research, but only 10 per cent goes on the diseases that cause 90 per cent of all health problems.

While Mr Brown was in Rome he also had talks with the Italian Prime Minister, Romano Prodi.

Brown accused of conning the country over pensions

By Francis Elliott, Whitehall Editor

Published: 01 April 2007

<http://news.independent.co.uk/uk/politics/article2411382.ece>

The revelation that Gordon Brown defied official advice on the effects of his policies on pensions led yesterday to calls for an inquiry by the independent financial watchdog.

The Conservatives sought to step up the pressure on the Chancellor in the wake of the disclosure of warnings over the effects of a £5-billion-a year raid on pension funds in 1997. Officials told him that the scrapping of tax relief on dividends paid into pension funds risked driving many into insolvency, as £75 billion pension fund assets would be instantly wiped out. The warnings have been borne out as tens of thousands of pensioners have lost out.

The Treasury maintains that the decision was taken on the "best advice" of civil servants, who had advised that pension funds would be better off in the long term. But the release of the papers - presented to Mr Brown in 1997 - provoked fury from pension campaigners.

The Tories seized on the documents as proof that the Chancellor had been "conning the country" for the last decade. Philip Hammond, Shadow Pensions Secretary, said: "Gordon Brown must explain to the House why he acted in defiance of his top civil servants".

Gordon Brown may not give the UK a referendum on the 'Constitution for Europe'

According to the FT, regime change in the UK and the coronation of a new king is just as unlikely to give the British people a referendum on the EU Constitution. According to Geoff Hoon, the 'Minister for Europe', Mr Brown is under no constitutional requirement to hold a referendum on 'detailed processes' of the European Union.

He cites, of course, the bleak reality that no previous government has held a referendum on the 'detailed processes' which have all effectively been mini-treaty amendments to the Treaty of Rome. The reality is that, while France and the Netherlands have failed to ratify the Constitution, some 18 other member states have managed to do so. Mr Hoon refers to the 'important politics' in those member-states that have ratified the treaty and this should be recognised.

In the 'third way', all-things-to-all-people politics of New Labour, a way has to be found of facing both directions at once: 'We have got to find a way forward that respects both the obvious problem of those countries that have held a referendum where it has failed, but equally acknowledges that some countries have held a referendum and succeeded. That is an important context. We tend to see it solely from the perspective of a country that has not ratified. But trying to find a solution involves countries that have as well.'

We have already seen cabinet ministers voting for cuts in the NHS, then defending their endangered A&E services within their constituencies; and secretaries of state who preach comprehensive education for all, yet send their own children to selective and private schools. How long will the British people remain blind to this?

The Lord may well say to them: 'You hypocrites! You are like whitewashed tombs, which look beautiful on the outside but on the inside are full of dead men's bones and everything unclean. In the same way, you appear to people as righteous but on the inside you are full of hypocrisy and wickedness.'

Is it remotely possible that the British people will simply roll over and silently accept a politically foreign and philosophically alien constitution which rides roughshod over centuries of English and British tradition?

Who will deliver us from this evil?

Chancellor Gordon Brown to speak at Vatican

Monday 05 July 2004

http://www.cafod.org.uk/news_and_events/ne...rown_at_vatican

Chancellor Gordon Brown will give a key note speech at a seminar in the Vatican on Friday July 9th to highlight the International Finance Facility.

The International Finance Facility seeks to double global aid budgets between now and 2015 to finance the Millennium Development Goals by selling Government backed bonds on international capital markets.

If adopted by governments worldwide it would raise aid from rich to poor countries to \$100 billion per year in the years to 2015.

Overseas aid scheme receives church backing

The scheme has received strong backing from the Vatican and from Cardinal Cormac Murphy O'Connor, leader of the Catholic Church in England and Wales who will chair the morning session.

The Director of the Catholic Agency for Overseas Development, Chris Bain, will make a speech aimed at galvanising other Catholic development agencies to muster grass roots support among Catholics worldwide.

The seminar will bring together politicians from developed and developing countries, including from the G8 countries, and senior representatives of the international finance institutions as well as Catholic development agencies and bishops conferences.

As with the Jubilee Debt Campaign the backing of the Catholic Church and other churches and faith communities is seen as crucial in putting pressure on governments to act.

Moral duty to act to end poverty

A spokesman for the Cardinal said: "As Catholics who are fortunate to live in rich countries we believe that it is our moral duty to work for the relief of the suffering and the eradication of poverty in our world today. Having willed the ends, in the form of the Millennium Development Goals, it is important to will the means.

This is an excellent opportunity to share with key politicians and church leaders from all over Europe a practical proposal that, as matters stand, is the last best hope of finding the resources needed to meet the Millennium Development Goals and to lift millions of people out of poverty."

Director of CAFOD Chris Bain added: "Clinics without doctors or drugs and schools without teachers or textbooks are the everyday experience of CAFOD's partners and the communities they work with.

The IFF could provide the long-term resources that countries need to build the health and education systems that are the essential foundations of human development."

So Who Is Gordon Brown? Blair and New Labour on Steroids

Infowars.net | May 17, 2007

[dohtml]<embed src='http://www.youtube.com/v/AKV0_LzpmHM' type='application/x-shockwave-flash' wmode='transparent' width='425' height='350'></embed>[/dohtml]

Gordon Brown celebrates, what he calls, a "New World Order" (ie Global Government) numerous times referring to what "somebody" said back in 1990. That "somebody" was none other than George Herbert Walker Bush.

Many might not have noticed but Britain has a new Prime Minister. It was announced yesterday that Gordon Brown will enter number 10 uncontested.

Recently, as he senses power coming his way, Brown has been making speeches announcing the coming of a new world order and triumphing the virtues of globalization.

The British people have long had it drilled into their minds that the Prime Minister after Tony Blair will be Gordon Brown. It has been widely reported by every major media outlet for years and is well known within government that the pair had established a "working assumption" that would enable Mr Brown to take over the reins. A television drama was even made about the so called "deal" made between the two before Blair became Prime Minister.

The deal has now been done. The current chancellor of the Exchequer, Brown has been the financial brainpower behind the New Labour agenda since it was kick started by globalist connections in the early 1990s. He is and always has been personally determined to be Prime Minister of Britain though, many believe every decision he has taken as chancellor has been with his prime ministerial ambition in mind.

As a young politician Brown was a staunch Socialist within the Scottish Labour party. When John Smith became leader of the Labour Party shortly before his premature death, he appointed Brown as Shadow Chancellor. Smith was a member of the steering committee, the inner core of the Bilderberg Group. He got Gordon Brown invited to the 1991 Bilderberg meeting where he was effectively groomed along with Blair as the next big thing in British politics. Incidentally this was the same meeting at which Arkansas Governor Bill Clinton was in attendance, he became President a matter of months later.

Brown has also, as far back as 1998 been listed in the "Global Leaders group" at the World Economic forum (otherwise known as the DAVOS group) . He has often been touted for high ranking IMF positions.

Brown was a traditional Labour figure, the economic spokesman who doesn't know much about economics. He took on an advisor - Ed Balls, a Financial Times leader writer - an ideologist for globalization, in effect - who learned his economic trade at Harvard. Balls is a regular Bilderberg attendee, his name can be found on the attendance lists almost every year since 2001. Brown soon started going to New England regularly for his summer holidays and became a true believer in the the neo-liberal line from Harvard - Globalization, the Washington consensus.

Brown's Bilderberg connections were most recently highlighted by Norman Baker, MP for Lewes, who officially requested that Gordon Brown provide details of Bilderberg meetings he has attended.

Brown's takeover from Blair has been in effect for the last two years. He began concentrating less on his role as chancellor and more on over all policy a long time ago. Recent major speeches have seen Brown demonstrating his "personal commitment" to tough anti-terrorism laws and methods to reduce crime and make the country safer.

Brown has called for police to be allowed to hold terrorist suspects for longer than 28 days, a move that was rejected by Parliament in 2005. He has also championed the Big brother state, suggesting that biometric technology be implemented in banks and supermarkets, and that it made sense to extend the use of the technology into the public sector for use in an ID scheme.

Brown even quoted George Orwell, to equate these authoritarian ideas with the struggle for freedom: "writing in the thirties, at democracy's darkest hour in Europe, when the threat was fascism, "the thing that I saw in your face no power can disinherit, no bomb that ever burst shatters the crystal spirit".

Brown has continually equated 7/7 with 9/11 as historical turning points, even though on 7/7 the attack in London was on a very small scale with only 52 fatalities.

In perhaps the most hypocritical fashion you can imagine, though continuing the Blair like use of newspeak and spin, the next Prime minister is also heavily drawing on British heritage, defence of hard earned freedom and dignified British military history. Yet he is doing so in order to tout prison without trial, biometrics, ID cards and citizen databases.

As Chancellor Brown has introduced more forms of taxation in Britain than anyone who has gone before him, often by stealth. Interest rates have sky rocketed under Brown and continue to rise.

Last month it was revealed that Brown disregarded advice from the Bank of England before he sold off more than half the country's gold reserves at the bottom of the market. Since then the price has almost trebled, meaning the decision cost British taxpayers an estimated \$4.8 billion.

Brown has long been in the pocket of the globalists and has pledged to overhaul the IMF, the World Bank and the UN into a new order through which the "final goal must be to offer a global new deal".

Columnist Brendan O'Neill sums up the shift from Blair to Brown and the turn in British politics quite neatly,

"Brown wants to go a step further than Blair in ratcheting up fear of an overblown terror threat

and reorganising British politics and society around suspicion and security. In short, he plans to apply the accountant's instinctive caution to life, liberty and politics in the twenty-first century, which is likely to make even the Blair era look like a hotbed of political principle."

Britain's next PM pressed on military action in Iran

AFP

Monday May 28, 2007

<http://www.spacewar.com/2006/070526144909.odvb6etd.html>

Britain's prime minister-in-waiting Gordon Brown refused Saturday to rule out military action against Iran over its programme of nuclear enrichment, the BBC reported.

Brown, seen as less hawkish than outgoing premier Tony Blair, said he believed that the Iranian nuclear row could be settled through "multi-lateral pressure."

Speaking in Bristol, western England, at a hustings event for the Labour party leadership, which he has already won, and deputy leadership, Brown was pressed on whether he would rule out military action.

But he would not give such an assurance, the broadcaster said.

The Press Association news agency reported Brown had called for a "peaceful settlement" to the situation and replied that multilateral action and economic sanctions were the best way forward when asked about the military option.

The United States has not ruled out taking military action against Iran over the disputed nuclear programme, while Britain has said that the use of force is not on the agenda.

Last week, Washington threatened new UN sanctions after the UN's International Atomic Energy Agency found that despite earlier measures, Iran continues to enrich uranium.

Iran denies any suggestion that it wants to develop nuclear weapons and insists its programme is for peaceful purposes.

Brown is due to replace Blair, who has stood shoulder-to-shoulder with the United States in neighbouring Iraq, on June 27.

Brown to push ahead with ID card scheme

Gordon Brown will stick with the identity cards scheme when he takes over at No10, it was claimed today.

He appears to be warming to the £5billion project but will focus on its advantages to business and individuals rather than its value in combating terrorism.

There are now signs that the Chancellor and the Treasury - both of whom were initially highly sceptical - have come to support a version of the cards.

He is understood to be concerned about the rising cost of identity fraud and believes biometric cards should go ahead if they can within budget.

Mr Brown has commissioned former HBOS chief Sir James Crosby to look at potential benefits to business and customers, and has delayed publication of the report until he becomes prime minister.

The review team has consulted London School of Economics experts, who were highly critical of the original proposal on cost and workability grounds.

Academic Simon Burns, who has talked to the Crosby review, said: "I think Gordon Brown wants to create clear blue water between himself as premier and Tony Blair on the ID programme, without scrapping it like the Tories want. The Crosby report will help him justify such a move."

Meanwhile Labour party sources say Mr Brown is considering a new "British Day to celebrate traditional national values. But he is understood to oppose a bank holiday because of the cost to the economy.

Reminds me of his Global Warming NWO call:

Brown demands 'new world order'

Press Association

Monday March 12, 2007 2:38 AM

<http://www.guardian.co.uk/uklatest/story/0,-6473968,00.html>

Chancellor Gordon Brown is seeking to regain the initiative on the environment with a call for a "new world order" to combat climate change.

Ahead of the launch of the Government's Climate Change Bill on Tuesday, the Chancellor will herald the Government's role in new European emissions standards and call for the UN to prioritise the fight against global warming.

And he will dismiss Tory leader David Cameron's capacity to lead the continent on the environment because of his, and his party's Euroscepticism.

A Tory Government would have "no credibility, no influence and no achievements" within the EU, he will say. "Let us also be clear: only a government fully committed to the UK's role in Europe can show such leadership. Euro-scepticism and continent-wide environmental action are at odds with each other.

"A government ambivalent about the UK's future in Europe and allied to the most reactionary forces in the European Parliament would have no credibility, no influence and no achievements."

After a weekend in which the Tories launched a bold package of proposals to tax frequent fliers, Mr Brown will criticise "ill-conceived" and "unworkable" measures.

"Changes must be considered, costed, credible and consumer friendly not ill-conceived, short-termist, unworkable and unfair."

But the Chancellor's efforts were undermined when a spokesman for the organisation hosting his speech said the Tory proposals were more radical than the Government's.

Stephen Hale, director of the Green Alliance, said that Conservative proposals on aviation fuel "would take them ahead of where the government are at present, if they see it through".

He told told ITV's The Sunday Programme: "David Cameron is good news. [But] the concern is that every time he makes another photo-call, our expectations rise of what the Conservatives would actually deliver."

Brown plans new anti-terror laws

Sunday, 3 June 2007, 12:41 GMT 13:41 UK

http://news.bbc.co.uk/1/hi/uk_politics/6715885.stm

Gordon Brown has said he wants to strengthen anti-terror laws when he becomes prime minister this month.

He wants new powers for police and a fresh look at whether material from telephone tapping can be used in court.

The chancellor also wants to revive proposals to increase the time terror suspects can be held without charge from 28 to 90 days.

But he accepts any new powers should include more parliamentary and judicial scrutiny to protect civil liberties.

In a speech to Labour activists, Mr Brown said he would give the courts and Parliament "greater oversight" over his proposed counter-terror measures.

'Fight'

He is also reported to be intending to ask the cross-party Privy Council to review the case for allowing intercept evidence in court.

The move has until now been rejected by the government amid opposition from the security services.

Mr Brown is said to believe there could be a case for allowing it if a way could be found to protect intelligence sources.

Judges might also be allowed to take account of links to terrorism as an aggravating factor in sentencing.

And police could be given new powers to continue questioning suspects after they have been charged.

But it is the proposal to extend detention without charge that is likely to prove the most controversial.

Liberal Democrat justice spokesman Simon Hughes said Mr Brown would have a "fight on his hands" if he tried to get it through Parliament again.

And he warned: "Gordon Brown must start seeking cross-party support, because if he doesn't do that, there'll be rows and parliamentary defeats in his early days for the new prime minister."

'Proper debate'

Tony Blair's attempt to introduce 90-day detention without charge in 2005 was opposed by Tories, Liberal Democrats and some Labour backbenchers.

And Conservative sources say there is no new evidence to suggest that police need more than 28 days.

But Constitutional affairs minister Harriet Harman, one of six Labour MPs vying to be Mr Brown's deputy, said she thought MPs would back new laws - including 90 day detention - if Mr Brown could prove they were needed.

"I don't think there will be a huge problem if there is a proper debate about it - if evidence is brought forward about why current powers are inadequate and what the safeguards will be," she told BBC One's Sunday AM.

In a speech on Saturday, Mr Brown said stronger measures would have to be put in place to give the authorities the power to intervene at earlier stages of an investigation.

He said: "That's why I support, for terrorists suspects, post-questioning interviewing.

"That's why we will need to strengthen the policing resources available. But at every stage I would say this.

"Because we are a country that believes in civil liberties of the individual, every time you have to strengthen the security measures that are necessary to protect our country, you also have to strengthen the accountability to parliament and the independent oversight of what police and other authorities are doing."

'Grave mistake'

Shadow Home Secretary David Davis, for the Conservatives, criticised the timing of Mr Brown's announcement.

He said: "It is extraordinary that the chancellor has chosen to publicise these proposals five

days before the home secretary announces his counter-terrorism plans in Parliament.

"It does not auger well for cross-party attempts to build a consensus for counter-terrorism measures which the whole country needs to get behind."

Shami Chakrabati, director of pressure group Liberty, welcomed the phone intercept proposals but said Mr Brown was making "a grave mistake" in proposing to extend questioning without charge beyond 28 days.

"Twenty-eight days is already the longest period to hold a person without charge in the free world. If you go beyond 28 days it is internment," she told BBC News.

Taxing times ahead for us all with grabbing Gordon

TERESA HUNTER

(teresahunter@ntlworld.com)

PEOPLE worry about what a government led by Gordon Brown will be like. They needn't. There'll be nothing wrong with a Brown regime which a tidal wave on the Thames couldn't cure.

If you think I'm being harsh, try reading the latest report from accountants Grant Thornton, which calculates that during a decade as Chancellor, Brown raised taxes by the equivalent of 10p on the basic rate.

And this from the man who promised in manifestos that taxes would not rise under Labour. I've read more convincing pledges in a plate of Heinz Alphabetti Spaghetti.

Two-thirds more taxpayers are hit by 40% tax than in 1997, making 3.5 million. Tomorrow marks the first day in the year when we begin working for ourselves, rather than for the state. Have a drink on me, because Grant Thornton predicts next year it will come even later.

People all over the world have long admired the Palace of Westminster as a great institution. Life in an institution is all we deserve if we put up with much more of this.

More pension pain

WHICH brings us to Labour's Personal Accounts revolution. You'd think after the bitter fallout over the Chancellor's tax raid on pensions, ministers might have wised up to the dangers of playing with fire by interfering in things they don't understand, thereby triggering a shock-wave of unintended consequences.

Not a bit of it. This government confuses sincerity with competence; it means well, so it is convinced all will be well, despite a gathering storm of evidence to the contrary. Was there ever a better example of the bland leading the bland?

These accounts, which will force employers to pay into a pension for all their staff, sound like a great idea. They are a great idea, just like fairies at the bottom of the garden and a pot of gold at the end of the rainbow.

But examine how they might work in practice, and faster than the Tories can U-turn over grammar schools, even the dimmest among us will see that more pensions do not necessarily equate to better pensions; potentially rather the reverse.

The latest research from the Association of Consulting Actuaries reveals that three-quarters of employers believe it will lead to the closure of more good workplace schemes. Seven out of 10 predict a levelling down of pensions expectations for a good chunk of the workforce. More than a third of smaller firms say they will abandon their existing pensions altogether.

It may be altruistic to want poorer employees to have their own pension. But what is the point if it leaves them no better off than if they had not saved at all? We know, as does the government, that most simply do not earn enough to make it worth a candle.

But millions of other staff will pay the price for this shibboleth of Labour doctrine that all must have prizes, sorry pensions, even if those pensions turn out to be ultimately worthless.

For these very reasons, many respected observers believe we are sleepwalking into the next pensions disaster. Aon Consulting reports that half our final salary pensions are now back in surplus, giving many employees great comfort that they will get a pension after all.

But smoke signals wafting up from finance directors couldn't be clearer. They are determined never to live through a repeat of the pensions traumas of the past seven years. Despite funding improvements, more schemes will close. Personal Accounts will hand some employers the excuse they are waiting for.

Elsewhere, faced with significantly larger pension bills, many companies will cut back on contributions to existing staff. If you have a decent pension, but work in an industry with poor provision, such as retailing, building or indeed the world of the media, you should begin asking your employer now about how they intend to cope with its introduction.

Even after the dust has settled on what promises to be a painful transition, the worst danger still lies ahead. The entire nation's pension savings will be riding the equity horse. Never in our history will so many have taken such a massive gamble with our wealth. If markets crash just as, say, seven million are due to retire, thousands will be jumping out of windows.

To avoid such a nightmare scenario, the ACA is calling on ministers for a middle way which

gives enough concessions to employers to allow them to continue offering good-quality pensions, rather than abandoning their staff to the government's substandard offering.

I confess, I'm not too optimistic. As Groucho Marx said of his brothers: "They may talk like idiots and look like idiots, but don't let that fool you. They really are idiots."

Well unless in the next few years there is a massive change in how our country is run, as i told my Job Center adviser today, i will simply be too sick and tired of these secretive despots in charge and will simply go and lie down in the middle of the road in the city of london.

What joy do you think this Brown chap gets out of calling for a NWO, emulating his predecessors hero George Bush, is he to be the one to force it upon us?

First of all Micky you should tell that New Deal adviser to shove his conning bunch of crap up his backside. You should inform him of how he's a **Maritime product no different to cargo with a barcode. You should enlighten him on the con's of the **SMOM** Banking system. You should tell proceed to tell him to shove New Deal. He will then threaten you about losing your benefits. You then go down to the Citizens Advice or better still find out the forms and info prior. You then claim Hardship and still get your Council Tax and Rent paid. This will last until your suspension from Job Seekers. You then go back on Job Seekers signing as normal. When the time comes round again you do it all again. Learn the system. The system shits on you all the time. New Deal is another excuse to simply con the figures on un-employment. As soon as your placed on New Deal your no longer on the unemployment figure. This is the same for any course they try to put you on. This is the real reason they push the issue. So when you see the figure drop on TV just think of all the courses and new dealers. Its **BUNKUM!****

Duly noted my friend i do however intend to get into Dietetics through these training courses etc, i figured i might as-well use the Job Center to my advantage so i intend to train to become a dietitian or nutritionist, as i am already practicing on myself it seems the logical thing to do plus the people in there seem to be very interested in helping get me into this occupation.

More Illuminati Persecution In Norway

Roy Saetre says he was viciously attacked by Norway police dogs for no reason and Leo Zagami, Illuminati insider, says he won't stop talking despite police

threats.12 Dec 2006

By Greg Szymanski

<http://www.arcticbeacon.com/12-Dec-2006.html>

Leo Zagami, the former high level Illuminati insider turned whistleblower, is not the only one being harassed in Norway, as the evil arm of fascism exists on both sides of the Atlantic.

Americans take notice of what lies ahead.

Roy Saetre of Sandefjord says his illegal detainment is a case of mistaken identity, but Norwegian police claim he is a "terrorist law breaker" even though police admitted Saetre wasn't their man.

Although Saetre has apparently been cleared, he claims police harassment continues, including an episode where he was viciously attacked by a police dog leading to a hospital stint.

"I have been harassed by the police in Sandefjord in Norway in the deepest way you can think of," said Saetre from his home in Norway . "I have done nothing wrong, but was mistaken for a terrorist/lawbreaker.

"Although there is proof I am not the police have found another way to harass me. Help!

Now the police are saying I am cooperating with terrorists and this is just not true. I have done nothing wrong, but their dog tore up my foot so I had to be transported by the same police to the hospital where they left me without proper medical care, holding me without any charges being filed.

"I believe that the Norwegian authorities are corrupted and part of the New World Order. Look at Stoltenberg, Peterson, Bondevik, and the rest of our leaders, all selling out to eventually allow world dominance by one leader. I am trying to stop this and I know there are a lot of other people thinking the same way."

Regarding Zagami, who lives in Oslo, his web site was recently shut down and police made an unexpected visit to his house, trying to threaten and coerce him to stop publishing articles exposing Satanism and New World Order corruption leading to the Vatican and the White House.

However, Zagami refuses and here is his most recent observations:

Key Satanist of today is Cardinal William Levada who is running the Congregation from the Doctrine of the Faith (CDF) Piazza del S. Uffizio.

Cardinal William Nevada was the Bishop of San Francisco were Anton Lavey use to have is Black House HQ's.

On the 13th of May 2005, Benedict XVI announced Archbishop William J. Levada of San Francisco was his choice to head the CDF. Ratzinger held the post of CDF Prefect for close to 25 years under secret direct Jesuit control. Levada, is the first American illuminati in history to hold such a senior position in the Vatican and he is not a distinguished academic theologian, unlike his predecessor but a good friend of the Jesuits since Levada holds a doctorate from Rome 's reputed Jesuit-run Gregorian University and has worked in the CDF for six years from 1976 to 1982. He was a member of the Vatican commission to draft a Catechism for the Catholic Church, a source book on the fundamentals of the faith, a bit scary the idea that these kind of people have control over the faith of millions around the world, especially somebody who comes from San Francisco Satanic HQ's. . Since 2000, he has been a full member of the Congregation from the Doctrine the modern version of the Holy Inquisition.

Levada's asset is his rich pastoral experiences as a bishop for about 20 years. Levada worked with the California Catholic Conference of Bishops and the archdiocese of Los Angeles before being appointed as Archbishop of Portland in 1986 and Archbishop of San Francisco in 1995.

As Archbishop of San Francisco, the unofficial capital of Satanism and gay activism in the U.S., he has been in the forefront of opposition to same-sex marriages maintaining the great hypocrisy of the Vatican in these matters as the Vatican elite is (as we all know by now) full of gay men and many deviant ones who like very much young children. So it seems that hypocrisy is a must for the Catholic Clergy these days.

And with people like Anton Lavey the founder of the Church of Satan first and Lt .Col.Michael Aquino founder of the Temple of Set after, the CIA and the illuminati of America maintain a close and intimate contact with the Vatican clergy. These dangerous criminals from the Satanic Vatican Mafia participate in ritual sexual abuse of children all over the United States. These Satanist form and constitute together the most advanced weapon to submit mankind to a state of slavery using MIND CONTROL something they love in their satanic and corrupt PSYOP departments loyal to the Vatican Church Satan.

So the new representative of the Congregation for the Doctrine of the faith had to be from San Francisco, so to honor in secret their Past Satanic Master Anto LaVey and more important all the various evil practices done in the name of Satan in California since Crowley chartered is own illuminati Lodge in the early 1940s the U.S. based O.T.O. Lodge, AgapôU led by 'Jack' Parsons (1914-1952).

This O.T.O. lodge was the home of many evil things to come including the Scientology cult, Dianetics, and L. Ron Hubbard a proud disciple of the Beast A.Crowley and a IXo O.T.O. member!

Like the "Invocation of my Demon Brother" a filmed

ritual that Anton La Vey did at the end of the 60's with infamous Kenneth Anger and Bobby Beausoleil at a mansion that used to be the Russian Embassy .

Bobby Beausoleil soon after became an evil puppet in the hands of is satanic illuminati Masters like Kenneth Anger so to manipulate the sheep towards satanism and terminate the Hippie-movement once and for all . That's why Frater Bobby got involved with the Manson Crew of brainwashed psychedelic puppets, and after that became one of the assassins of the infamous Manson killings.

Beasoleil who was arrested wrote and performed in prison the music for the famous Illuminati Satanic film "Lucifer Rising" of Kenneth Anger that was later edited and mastered in the basement of the famous Rock musician Jimmy Page a member of the Ordo Templi Orientis/Illuminati who works these days with the OHO of the O.T.O. William Breeze.

Breeze participated to a Black Mass in the Vatican with the General of the Jesuits in May 2000 e.v. with Alberto Moscato IXo OTO ,Massimo Introvigne Xlo OTO/OTOA and Michela Mercenaro from the Order of Zion and a few other very important satanist.

Charlie Manson was a member of the Ordo Tempi Orientis Solar Lodge of Jean Brayton's , The 'Caliphate' often claims that Brayton's group was irregular in O.T.O. terms, but Phyllis Seckler, a protagonist in the founding of the 'Caliphate', has admitted that it was a genuine O.T.O. lodge. To exaggerate for a moment, you might say that without Manson the 'Caliphate' OTO would not even exist.

During Crowley's lifetime there was only one active O.T.O. lodge in the USA, the so-called 'second' Agap=ùfont> Lodge in California, yes the place were all this evil started and the home of Cardinal William Levada and and his sick crew. An insight into the prevailing spirit at the Lodge in the 1940s was given by Harry Hay, the founder of the modern gay movement in California : during their performance of the Gnostic

Mass, he was present sitting at a piano playing the tune "Yes, We Have No Bananas" and the gay catholic clergy present apparently liked it very much ; he remembered thinking to himself that anyone who hadn't belonged to the O.T.O. would have had a very hard time not bursting out laughing at such a comical Mass but after all they were a bunch of illuminati pervets.

One of its members Grady Louis McMurtry, received some special instructions from Crowley which stated that in "case of emergency" McMurtry was to take over this lodge, subject to the approval of Crowley's heir insofar as the O.T.O. went, a German called Karl Germer. Germer did not think much of McMurtry (calling him a "Minus" and saying that the US was a "spiritual desert"), and he closed Agapî'n 7 September 1953. Germer now favored H.J. Metzger from Switzerland as his own O.T.O. successor. With that, McMurtry completely lost interest in the O.T.O. When he heard of Germer's death and the question as to the succession arose, on 25 October 1963 McMurtry stated "there is nothing I can do at the moment."

In the 1960's, a former member of AgapîTalled Mildred Burlingame "initiated" Jean Brayton with some of Crowley 's O.T.O. rituals;

Brayton's Solar Lodge of the O.T.O. had existed well before the modern 'Caliphate' lodge did; So what exactly did Manson do in the Solar Lodge? As witnesses have reported, Brayton began putting on "profane parties" to draw in recruits for the illuminati from the public, attracting people to the idea of a special, semi-secret organization which performed magical rituals, and which involved "sex and strange doings and good drugs and groovy people." About fifty outsiders were involved, including Hollywood figures like Jerry Kay, who had been the art director on the film 'Easy Rider'. Kay left the Solar Lodge around August 1967, having done little more than take the 'Oath of a Probationer' (an A.'A.'. "degree"); the one thing he took with him on his departure was a copy of the 'Book of the Law', which he decorated with illustrations, and later sold.

The most famous guest at Brayton's parties was Manson, who, like Brayton, believed he was the reincarnation of Aleister Crowley (another one...hi..hi..) and Sister Brayton an agent of the illuminati gave Manson the possibility of being initiated to the highest degree of this corrupt and sick illuminati Order the Ordo Templi Orientis .

McMurtry who was a key agent of the illuminati for their future satanic propaganda informed on Brayton to the FBI to avoid the FBI investigating him (a piloted move of the illuminati do get out of any future reference). He also provided the journalist Ed Sanders with material about the affair - and in return Sanders made no mention of McMurtry in his book "The Family" about the Manson murders. Now McMurtry, together with his wife Phyllis Seckler founded a group called 'The Continuum', and started publishing Crowley material.

The Continuum was the nucleus of the 'Caliphate' a new O.T.O. founded in 1977 for the purpose of receiving tax-free status as a religious body, and to benefit from the royalties generated by Crowley copyrights worldwide.

The scandals surrounding the Solar Lodge happened at the same time as the Manson 'Family' was committing the murders of Sharon Tate and her friends - seven people in all - in August 1969; and both sets of events took place within a few miles of each other. This, and the similar occult backgrounds of Manson and Brayton, made the tabloid press leap to the conclusion that there must be a direct connection between the Manson murders, and the Solar Lodge scandals - a highly tenuous connection, to say the least. But there is one more dependable, if unusual link between the characteristics of the 'Family' and Brayton's Solar Lodge, and other O.T.O. groups. One member of Manson's 'Family' called Robert Beausoleil lived together with celebrated underground filmmaker and occultist Kenneth Anger. Before he became embroiled in the Manson affair, Beausoleil had acted

the r?of Lucifer in Anger's film 'Lucifer Rising'. While imprisoned as a result of the murders, Beausoleil occupied his time in composing a musical score for the film. Anger was also instrumental in founding Anton LaVey's 'Church of Satan' - and allegedly LaVey played the r?of Satan in Roman Polanski's film 'Rosemary's Baby' (which is in fact not true); Sharon Tate, one of the Manson murder-victims was Polanski's wife.

While Karl Germer had refused to accept Anger as an O.T.O. member, today, Anger is a close friend of William Breeze, the 'Caliph' or leader of the 'Caliphate'. He is an IX? and as a member of the VIII?-Areopagus has a say in this Order's fate. Breeze gave Anger the IX? for his knowledge and services, that is his so-called art and Crowley collection.

But who is really this disciple of A.Crowley known to the profane as Major Grady Louis McMurtry but to the Illuminati as

HYMENAEUS ALPHA 777

Born on October 18, 1918 EV in Big Cabin, Oklahoma to Grady and Bee Ivery Puckett McMurtry. He became a member of Ordo Templi Orientis in June 1941 when he was initiated to the O? and I? at Agapížodge, Pasadena . His first profession was that of a soldier and later intelligence officer; he served in the European theatre during WWII, enabling him to become a personal student of Aleister Crowley (with time off for D-Day, and the liberation of France and the low countries). In Fall 1943 he was initiated by Baphomet XI? into the IX? O.T.O. It was also Crowley who suggested he take the name `Umenaios A (Hymenaeus Alpha), which in Greek gematria adds to 777. A.C. wrote many letters discussing him as a Caliph, a future successor. Crowley was guarding against the possibility that Karl Germer (Saturnus X?), his "heir apparent," might fail of an heir himself and endanger the continued existence of the O.T.O.

In the late 1950's he worked as a management analyst

for the State Department of Labor in Sacramento, moving in 1961 to Washington, D.C. to work for the Labor Department and the Washington Shakespeare Society. Karl Germer died in 1962 and did indeed fail of an heir-- McMurtry therefore returned to California and used his emergency powers from 666 as Caliph and de facto head of the Illuminati O.T.O., presiding over the rebirth of the O.T.O. In his last years he did battle once again--in a courtroom rather than a beachhead. Here also his victory was complete--the world, as well as the Secret Master, acknowledged him King of this Templar Order. But the final victory of Grady McMurtry is yet coming as the Satanic powers and George W.Bush and the grandson of A. Crowley are in charge of humanity.

I think however that leo Zagami deserves attention.

All that could be a kind of "100 flowers politic" carried out by comrade Mao Tze Tung: he opened the intellectual and political world just to encourage the internal dissident to emerge.

Once emerged, they were beheaded.

In this case our friend Hans Peter could need a cleansing of the internal dissidents who hidden themselves between Freemasonry, Opus, etc.

But we must pay attention to Leo Zagami, because if this hypothesis is right, it doesn't mean he is NOT forced to act in this way....

...in this case we don't know who or what is blackmailing him...

I started to post the reports on him from Arctic Beacon, today I talk about the letter of Leo about the infamous ITALIAN and CATHOLIC servant of the Vatican Masters Licio Gelli:

In this case our friend Hans Peter could need a cleansing of the internal dissidents who hidden themselves between Freemasonry, Opus, etc.

But we must pay attention to Leo Zagami, because if this hypothesi is right, it doesn't mean he is NOT forced to act in this way....

...in this case we don't know who or what is blackmailing him...

I started to post the reports on him from Arctic Beacon, today I talk about the letter of Leo about the infamous ITALIAN and CATHOLIC servant of the Vatican Masters Licio Gelli:

Doesn't matter, it is in Italian, but due maybe to my ignorance in informatic, or maybe because they did something in it, I can't no more enter in it. THE last post is from 03 Februar 2007 and I don't intende to open another blog or similar, I don't want to collect blogs then I could no more manage!

I am happy to write no more in Italian on Italian blogs and sites. I feel persecutee by this Catholic nation and feel exile from this Vatican protectorate!

I have definitively closed with Italy!

Best regards from a North Adriatic anti-Catholic isolationist!

(Here are the translation in Italian of the true histories of the Lincoln assassination and of the sinking of the Titanic. I am proud to be maybe the first Italian-speaking --- no more Italian-nation-belonging! --- who translated these facts! I have translated then 30 pages of other materials on Jesuits in America, but the blog ceased to work!)

Leo Zagami is linked with Norway,... And in the last article of Barry there's an interesting news related to Norway:

<http://www.thebarrychamishwebsite.com/news...abswin52407.htm>

".... OSLO, Norway (AP) - Norway said Monday it would make its first transfer of direct aid to the Palestinians' new government, more than two months after the Nordic country broke with most Western nations by recognizing the Hamas-led coalition.

Foreign Minister Jonas Gahr Stoere said Norway would soon transfer \$10 million to a financial account set up by Palestinian Finance Minister Fayyad...."

Anti-Gun Chicago Priest Calls for Death of Gun Shop Owner - Media Silent

Posted by Warner Todd Huston on May 31, 2007 - 06:33.

<http://newsbusters.org/node/13106>

On May 29th a Catholic Priest from Chicago's St. Sabina Church joined a rally in front of a gun shop and called for the owner of the shop and all pro-gun legislators to be "snuffed out", yet, the media is strangely silent on the "Father's" extreme comments -- words one would think would be explosive enough to get media coverage. Father Michael Pflieger, known the city over for his overt political activism, made the obscene comments while demonstrating with Jesse Jackson and his Organization Operation Push in front of Chuck's Gun Shop in Riverdale, a Chicago suburb.

This from the Capitol Fax Blog (one of Illinois' best political sites):

Rev. Michael Pflieger, pastor of St. Sabina's Church, went way over the top this week. During a protest against Chuck's Gun Shop, Father Pflieger twice threatened to "snuff out" the shop's owner and threatened the same fate for legislators who oppose his position on gun control.

"We're gonna find you and snuff you out," Flegler said about the gun shop owner, likening the man to a "rat." He later repeated his threat to "snuff out" the owner.

"We're gonna snuff out legislators who are voting [garbled] against our gun laws and we're coming for you because we are not going to sit idly."

That is some of the most vicious rhetoric one could imagine coming out of the mouth of a so-called Priest, but, the MSM had nothing to say about the comments. In fact, while several Chicago MSM sources mentioned the Jackson sponsored protest, none of them mention Pflieger's outrageous and inflammatory rhetoric.

NBC5 News (TV), with a story copyrighted by the Chicago Sun-Times, doesn't mention that Pflager was even at the rally.

ABC7 News (TV) similarly doesn't mention that Pflieger was at the rally. They do, however, recount Jackson's unfounded claim that "weapons sold at Chuck's Gun have ended up in the hands of criminals." There is no proof that Jackson's claim is true and ABC notes at the end of the piece that, "From

time to time, protestors target Chuck's Gun Shop, but there have been any charges that the gun stores breaks the law." Still, and once again, Jackson gets away with making unfounded claims without any proof whatsoever to back it up with no one calling him to account.

The Chicago Tribune at least mentioned that Pflieger was at the rally, but does not report his comments at all. All the Trib said was that, "Michael Pflieger encouraged the crowd to push for stricter gun laws." And that he, "vowed that the rally was just the beginning and that civil disobedience was possible."

So, why the blackout of the "Father's" outrageous comments?

Could it be because they agree with the efforts at gun control and they don't want Pflieger's idiotic rhetoric to tarnish that effort?

Or, perhaps, Pflieger has been a loose cannon for so long that his foolishness doesn't even rate comment anymore?

That last point is a shame if true, too. After all, don't we always hear that Bush is an evil, evil "extremist Christian" for wanting to have faith based charities being able to receive Federal funding? Don't we hear that this is some sort of violation of the so-called "separation of church and state"? Don't detractors always say that the Church should stay out of political fights? Additionally, don't leftists claim that Churches that get involved with right leaning political causes should have their tax exempt status threatened or removed?

Yet, here we have in Father Michael Pflieger, a Catholic Church and it's Pastor getting directly involved in political fights and causes all the time. You can go right to the St. Sabina website and immediately see a graphic and a link to an overtly political message against Illinois gunrights legislation. The link takes you to a Church sponsored page featuring a listing of current Illinois gun bills that they are targeting for activism.

If THIS isn't a violation of Church and State... what is?

But, do we hear the left railing about this political activism by a church? Do we hear calls for St. Sabina's tax exempt status to be threatened?

Um, no. After all, it is an MSM approved brand of political activism, one that leans squarely against the Constitution and in a heavily leftward direction.

And, can we remind one and all of what kind of coverage Reverend Jerry Falwell got upon his passing? How often did the MSM rail against his political activism? It shouldn't have to be noted that Falwell's activism was scorned because it emanated from a distinctly right leaning direction.

In any case, the MSM's failure to report this incident is telling, indeed.

If the gun shop owner called for the death of Pflieger the National media would be all over it like flies on a terd. I can see the head lines, Anti semetic Nazi gun seller freak threatens terrorism in Chicago, FBI brings him in for questioning and torture, found guilty and sent to prison for 400 years. Jesse Jackson gets Nobel stupid peace piss award. I'm sick to death of this lop-sided anal extreme liar media. I'm wondering if Phelps time line is correct, I know he said he was estimating based on previous history, and we are 5 years into this 30 years war Crusade by the Order, but it seems to me we are moving a lot faster than that to total Anarchy, Arent we really 17 years into this Crusade against Islam starting with the Gulf war till now. ISRA Press Release:

Chicago Priest Calls for Murder of Gun Shop Owner

SPRINGFIELD, Ill., May 29 /PRNewswire-USNewswire/ -- The following was released today by the Illinois State Rifle Association (ISRA):

Nobody expected Saturday's Operation PUSH protest at Chuck's Gun Shop & Range to be anything other than a circus of the bizarre. However, nobody anticipated that an address by a Chicago priest would include a call for the murder of a suburban gun shop owner and legislators who oppose gun control.

During an address at an anti-gun rally in front of Chuck's, Rev. Michael Pflieger, pastor of St. Sabina's Church, exhorted the crowd to "drag" shop owner, John Riggio, from his shop "like a rat" and "snuff" him. Rev. Pflieger went on to tell the crowd that legislators that vote against gun control legislation should be "snuffed" as well. As many know, "snuff" is slang for especially violent murder.

The ISRA has a recording of Pfleger's remarks in MP3 format.

"Certainly Fr. Pfleger has offered Absolution to a murderer or two during his tenure as a priest," commented ISRA Executive Director, Richard Pearson. "That's why it's shocking to hear him actually advocate the murder of a gun shop owner who has never committed a crime in his life. He then compounds the problem by calling for the murder of legislators who disagree with his personal political views -- something I suspect is a felony in this state. Pfleger's comments were disgusting and dangerous. And, I seem to remember that the Fifth Commandment frowns on murdering one's neighbor."

"This week, I'll be penning a letter to the Archbishop, expressing my concerns over Rev. Pfleger's comments," continued Pearson. "I would hope that the Archbishop would reply with words of comfort for Mr. Riggio, his family, state legislators, and all others who were injured by Rev. Pfleger's thoughtless, inflammatory remarks."

The ISRA is the state's leading advocate of safe, lawful, and responsible firearms ownership. Since 1903, the ISRA has represented the interests of over 1.5 million law-abiding firearm Illinois firearm owners.

CRAIG-OXLEY - June 4, 2007 02:44 AM (GMT)

Dear Friends and Brethren,

The gold fringe bordered on three sides of the US flag is a military flag according to **Title 4 of the **USC**. It is the flag of the US President as "Commander-in-Chief. And since the US has been in a declared state of war since 1941 we have been living in a military dictatorship for nearly 70 years.**

The Pope's flag is also trimmed in gold fringe for he is the Commander-in-Chief over the Vatican Empire. The Jesuit Order is his Praetorian Guard.

The Holy Roman Fourteenth Amendment Corporate Fascist American Empire has been modeled after Rome's Vatican Empire.

Title: More Questions answered by Eric Phelps

CRAIG-OXLEY - June 4, 2007 02:35 AM (GMT)

Hi Eric;

I hope that this finds you and your family well.

I once read some literature from Jack Chick that included a chart indicating that all governments were of the devil. Noting how you seem to manage to find something disparaging to report on all of our country's leaders (I still hold US citizenship) I would like to ask you if there are any acting politicians in the federal government (congress etc) that support your views or come close to them.

None that I know of, and if they sought to resist the Order's CFR domestic and foreign policies they would be "Kennedyed" or "Nixoned" or "Wellstoned."

I would also ask this with regard to the press, media etc. I also would like to ask what your take might be on the time when Pat Robertson was running for president but I think I know that you are not a supporter of Pat.

Pat Robertson is controlled by the Knights of Malta via the Council for National Policy, not to mention SMOM Jeremiah Denton and the late J. Peter Grace. Robertson is a traitor to his nation and the Savior.

In fact, are there any known politicians that can be trusted?

On a federal level, none that I know of.

Turning to Israel, isn't it possible that with his faults, Bibi has more to offer than the other leading Israeli politicians and that he at least works toward building up the security of this country?

Benjamin Netanyahu is a high-level Jewish Freemason subordinate to the Vatican. Though he advocates some right policies as does Irish Roman Catholic Jesuit Temporal Coadjutor Bill O'Reilly of Fox News, he still is in the grip of Rome. Israel will never be governed by truly nationalistic Jews for the benefit of Jews. The Popish anti-missionizing law of the 1970s proves this as the most patriotic Hebrew/Jews in Israel are Bible-believing Messianic Jews. I know two of them in the IDF.

Further, Bibi will never advocate a plan to end the Arab/Hebrew conflict that has been stoked for over 60 years by the Vatican via its American Empire ruled by the CFR. I could implement policies that would end the conflict within 3-5 years at most.

What about Moshe Arens?

I don't know of this man.

Isn't he a decent man who would have worked for the security and benefit of this country but grew exasperated and tired?

Quite possibly. The same is true for the former Israeli Prime Minister who gave away the Sinai. He left politics and died a broken man.

Waiting to hear from you.

All the best,

Barry

Sincerely in Faith,

Brother Eric

Title: More Sino-Soviet-Moslem-Latino invasion talk

Description: -*Eric Phelps answers*

CRAIG-OXLEY - June 1, 2007 12:56 AM (GMT)

Bro. Eric,

Concerning the Sino-Soviet-Muslim-Latino invasion, please forgive me if this is a simple question, showing my ignorance. I may have an obvious oversight in what I am about to ask you. What will be the aftermath of this invasion?

We know that the Jesuits have plotted to use their CFR-Wall Street-financed and US grain-fed Soviet Union (which in fact was never dissolved in 1989-90) for the downfall of the WASP West---specifically Canada and the US, these two nations being the heart of foreign missions preaching the gospel of Jesus Christ since 1900. The plan was to use the Order's New York and London banking houses to finance Stalinist communism (i.e., covert fascism condemned by American communists in the 1930s) as a false threat (then an impotent enemy) to drive the US and Canada into right-wing fascism after destroying the White Middle Class Protestant population. That destruction was accomplished with Marx's tenets of Communism (universal equality between Whites and Blacks, men and women, children and parents, etc.) forced down our throats via the Order's CFR-controlled, Masonically-led US Supreme Court. With the socialist-communized US and Canada now going into Jesuit fascism with George Bush and Stephen Harper, it is apparent that the US (now in all practicality united with Roman Cathaolic Jesuit-ruled Mexico via our alien invasion) will absorb Canada in the near future as Nazi Germany absorbed Austria in 1938. As Jesuit-ruled, fascist Germany/Austria/Italy was the Axis of power during the last half of the 20th Century's Second Thirty Years' War (1914-1945), even so Jesuit-ruled, fascist US/Canada/Mexico---the North American Union now under construction via the Knights of Malta---will be the Axis of power during the 21st Century's Third Thirty Years' War (2001-2030?).

After the Crusade and Rome has controlled the military dictators on both sides, the US/Canada will be invaded and partitioned as was Germany and Austria after WWII and during the "Cold War." As Roman Catholic Italy was not partitioned and occupied, even so Roman Catholic Mexico will not be partitioned and occupied. As Hitler built the Autobahn for the real purpose of enabling the invading Allied armies to quickly conquer Germany, even so the I69 Corridor linking Mexico, the US and Canada (yet to be built by SMOM King Juan Carlos' construction company) will be used by our invaders to more easily occupy the conquered and apostate Protestant US and Canada.

What will happen to the country after its over?

The merciless subjugation of the surviving population including torture, rape and murder in a concentration camp system. As was done to the Russian and Chinese nationalists and true Bible-believers during the Cold War, so will it be done to us Americans---and we deserve it for we financed the bloody Soviet and Maoist regimes. The Russians and Chinese/Japanese hate Americans due to the US government's financing of Stalin and Mao as well as the occupation of Japan for over 60 years. And since the Orientals hate the American Blacks with a passion, the North American Black savages (80% of US Blacks) along with the Bible-believing and Civil Blacks (20% of US Blacks) will be tortured and murdered in extreme Oriental fashion. It seems that the White American fascists will have liquidated the 40 million Roman Catholic Mexicans (a common enemy of American Black s and Whites) in US concentration camps via the use of the Black and White integrated American military. The same will be done with the American Moslems (another common enemy of American Blacks and Whites) who have been imported into the US to kill off the American Jews. (Remember that the fascist Black Nation of Islam and the fascist White KKK work together as both are Masonic and controlled by the Jesuits.) With Mexico surrendering to the Sino-Soviet-Msolem invaders before the invasion of the US mainland (even as Italy surrendered to the Allies before the invasion of Germany), Mexico can then be used as a staging base into the US with millions more of Mexicans helping to kill the fascist "American gringo." (And the Roman Catholic Mexicans absoultey hate the American Blacks.) The European Union will also be involved in this invasion, and will occupy Roman Catholic Canada and Roman Catholic New England and maybe even New York and as far south as predominately White Roman Catholic Pennsylvania.

Who will be the occupiers?

The Chinese, the Russians and the Moslems of many nations united over the perceived US destruction of Mecca, Medina and the Jerusalem mosques. Latin nations will also occupy the fallen US, especially from Cuba---the home to some

of the most accomplished Jesuit-ruled inquisitors. They perfected their skills in Castro's prisons and in North Vietnam against American POWs. Out of this we can see the unification of Russia with the Moslem world in preparation for their invasion of Israel (Ez. 38) during the Seventieth Week of Daniel.

I say this, because during the tribulation conflicts, there is little mentioned, if any, of opposition coming out of the West - only the North, South, and East. My reference here is, of course, when the Antichrist has his headquarters in Jerusalem.

Agreed. The partitioned West will serve merely as material support for the Kings of the East, Russian Gog of Magog and the risen-Pope/Beast ruling the ten European kings. Remember Japan sought to absorb Alaska during WWII.

It's obvious that neither Russia nor China will set up base in North America, seeing that the tribulation context speaks of the great opposition coming out of the North and East. So what will become of North America after the invasion?

I believe that the land from the West Coast of the US and Canada to the Mississippi River and up through the Great Lakes region, including the entirety of once Protestant Ontario and thus Toronto, will be occupied by the murderous Chinese and the Russians. The historic Protestant South from the Mississippi River to the Atlantic and from the border of Pennsylvania/Maryland to Miami, Florida, will be occupied by the savage and incited Moslems aided by the Chinese who now control the Panama Canal and are resident in the Bahamas and Cuba at this moment. I believe that the Northeast from the Pennsylvania borders (Southern and Western) up through once White Protestant Nova Scotia and into Roman Catholic Quebec to its border of historic Protestant Canada will be occupied by a united Roman Catholic European force. This would be my general partition borders if I was the Jesuit General.

Another question. In your answer concerning Costa Rica, you said that Costa Rica would be handed over to "foreigners." Who will be these foreigners?

The Chinese and possibly a united South American force led by the likes of a Jesuit-backed Hugo Chavez. Since Costa Rica has no military and had once expelled the Jesuits in the 1880s, it will most definitely be invaded and occupied by "foreigners."

And why would the American expatriates in Costa Rica be killed?

They have sought to escape the fascism and IRS tax-inquisitors in the US. These Americans are true nationalists whose answer to US fiscal tyranny is to move south, also including Panama. All American ex-patriates in Central America will be systematically killed by the Sino-Soviet-Moslem crusade against all Americans

wherever found. The Japanese did this to all Americans in the Philippines when discovered.

Do you have inside information on this, or are you just speculating as if you were in the Jesuits' position?

I am speculating based on past Crusades of the Order, its purpose of the "Cold War" and what I would recommend if I was the Jesuit General's North American Assistant. That man, at this moment, could answer every question with pristine accuracy.

I thought that since you say these things with assurance, you might have some inside information. You know why I'm coming at you with these things. I'll soon be preaching to Costa Rican pastors, and I would like to have as much a handle on your information as I can when I stand before them. I will be preaching five sessions on "the New World Order."

Wonderful! If I was in your place, I would exhort these dear brethern to be completely autonomous, self-sufficient without any help from America or Americans. True nationalism is a biblical maxim and will work to the benefit of these brethren. I would add that when the Chinese arrive they will kill Costra Ricans who are in open alliance with any Americans resident in the country as did the Japanese to the Filipinos during WWII.

I know you didn't like my answer I gave you in my last letter about the roundup of the Jews, so you may not answer me this time. That's okay. I appreciate all the nuggets you hand out freely.

Bro. Carl

Sincerely in Faith,

Brother Eric

Whatever happened to the good old 19th century attitude that any invader that DARES set up a totalitarian state in America with torture and concentration camps gets the ROPE, HORSE and TREE treatment the minute they make it obvious?????!!!!!!!
Actually I'm pretty disgusted with the hopelessness and GUTLESSNESS I see being posted on these forums today. Patriots have become even more sheepleish than the SHEEPLER it seems.

If it is confiscation of your guns that makes you so afraid to take on the NWO when it

makes itself obvious with concentration camps and the other aspects of Totalitarianism them I'm going to let you in on a little secret about our current gun control laws. They COMPLETELY EXEMPT muzzle loaders and revolvers of the cap and ball type that load from the FRONT of the cylinder (Examples of these are the Colt and Remington Army and Navy style revolvers from Civil War times and ALL MODERN REPLICAS THEREOF.) If you can't get anything else than get one of these to defend yourself against the ROAMN/NWO invaders when they come.

I can agree with you on that one. I'm getting ready to publish my own theory about the use of Amanita muscaria and other hallucinogenic substances in "chemtrails" combined with television and RCC brainwashing being used by the RCC/NWO to produce and control the content of mass visions such as UFOs, aliens, reptilians and Marian visions.

This theory is right. I believe in the real existence of the alien interferences that are not only allucination, but this is a serious and scientific topic destroyed by the clownification of the Jesuit and others propaganda.

Now I am not involved in a 'crusade' against people who seriously are studying it , If I did that I'll become exactly like the Inquisition Court, where meanwhile all the bishops and popes knew that the eliocentric theory was right, they were condemnig their supporters! Anyway, this is another topic.... but Chemtrails, Aliens, Psycotronic

weapons are today 90% and more just theatrical scenario! This is the real key to understand the phenomena!

Just few persons know how the Tesla's Theories work on Mind COntrol: because are not the ELF only the ones entering your brain..... The most powerful discover of Tesla was the alternating current, whose technological applications like not only the TV but also the special effects in theaters, delivered in the hands of the Romanist camorra not simply the "mind" or the "psyche" of the sheep, but the Soul and the Hearth of people!

The world is a big rappresentation and what is involved in it is not simply the 'orgone' or the 'scalar waves' but more the "Birth of the Tragedy" of Nietschze or "Religion and Art" of Richard Wagner!!!!!!

(.....and the drugs spreaded by the Chemtrails could be right! Just yesterday on a TV program It., a former extreme wing intellectual said that the real beginner of the '68 movement in Italy was for real Gabriele d'Annunzio, (a mercenary of Rome, a beginner of the Fascism from the intellectual/artistic side, many say that he was the FATHER of Fascist aesthetic). "..His intellecual movement was anticipating the freedom of the costumes of the alternative culture movements of the sixties!.." said the intellectual in TV. He was right! The un-morality spreaded by those movements is only the occult un-moral core of the REAL Catholic Church. If you add to this the spreading of drugs in Europe in the '800 (Verlaine, etc....) starting from the French Empire normalized by Jesuits (Viet-Nam, opium) , tHis explains very well the goals of these Beasts.... And today we are living in the realization of what was experimented lately in WOODstock - 1969....only applied in a large scale with the Stratotankers).

The problem is the 2012, they are fixed with that date because 2012 is 2017 - 5, and 31 Oct 2017 will be the 500th anniversary....for that date they'll have surely planned something and the Third 30ies Years War probably now just started should definitively kill every record in the world about the real French and American Revolution!

Best regard from a North Adriatic anti-Catholic isolationist.

We know that the Jesuits have plotted to use their CFR-Wall Street-financed and US grain-fed Soviet Union (which in fact was never dissolved in 1989-90) for the downfall of the WASP West---specifically Canada and the US, these two nations being the heart of foreign missions preaching the gospel of Jesus Christ since 1900. The plan was to use the Order's New York and London banking houses to finance Stalinist communism (i.e., covert fascism condemned by American communists in the 1930s) as a false threat (then an impotent enemy) to drive the US and Canada into right-wing fascism after destroying the White Middle Class Protestant population. That destruction was accomplished with Marx's tenets of Communism (universal equality between Whites and Blacks, men and women, children and parents, etc.) forced down our throats via the Order's CFR-controlled, Masonically-led US Supreme Court. With the socialist-communized US and Canada now going into Jesuit fascism with George Bush and Stephen Harper, it is apparent that the US (now in all practicality united with Roman Cathaolic Jesuit-ruled Mexico via our alien invasion) will absorb Canada in the near future as Nazi Germany absorbed Austria in 1938. As Jesuit-ruled, fascist Germany/Austria/Italy was the Axis of power during the last half of the 20th Century's Second Thirty Years' War (1914-1945), even so Jesuit-ruled, fascist US/Canada/Mexico---the North American Union now under construction via the Knights of Malta---will be the Axis of power during the 21st Century's Third Thirty Years' War (2001-2030?).

I can see it at work in the Italian fake-alternative web sites, like LuogoComune, Comedonchisciotte and many others... Or just in the 'official information', where under a superficial political and ideological legitimization of the USA foreign politic, all is done to give a powerful occult spin in order to arise the hate of people against America, Israel, and moreover against the Revolutionary Principles on which America till today is based!

You Americans! You are the last sincere Revolutionary country remained in the world! You are falling down, but because you are still at war against the Satan's Beasts whose nest is in Italy, Rome! These Antichrist's Pigs want to destroy you! I can see it every day, I can breath it every moment when I watch TV or talk with common Catholic brainwashed people on the streets!!!

(....kommunism is a subtle form of Catholic brainwashing).

They transformed the Italians in a big enormous nation composed only by millions of "John Surrat", people who are NOT grateful if America hosted them once like immigrated population --- when they STARVED AT THEIR ITALIAN HOME DUE TO THE BASTARD VATICAN PIGS,, no!, they are only prepared, with the typical hate of the lowest Medieval population of the pogroms, to stab America in the back!

In my parts, after WWII, when people was not so corrupted and depravated like today, many of them, incluse my relatives, had the opinion that if you should emigrate from your country because you starved in it, you should completely forget it, because your country betrayed you and its population!!! But there were other times, and the Italian, Catholic Camorra was not so suffucating in the North East like today!!!! Once were people that had a Single WOrd and an Honour, not the depravate and anti-moral population of today!!!

Long Live to the American Revolution! Death to the Vatican Feudalism!

When this attack does happen im going to hide my girlfriend in the basement cause you know what the russians love to do when they capture women. So I bet by then all the traitors in DC would of escaped to switzerland or aussie so they would not have to stay on the sinking ship.

When this attack does happen im going to hide my girlfriend in the basement cause you know what the russians love to do when they capture women. So I bet by then all the traitors in DC would of escaped to switzerland or aussie so they would not have to stay on the sinking ship.

My personal conviction is that it will remain very little of these "paradised" like the today Austria, Slovenia, Swiss, Bavaria etc.....

Ok , there will be always "free zone" where the next Global Gulag will not rule, but if you see how Italy is transforming itself (by Vatac.) from day to day, i.e. in a "bomb" in order to explode in Europe, with its corruption, lowest morality and ethic, Mafia, Immigration and, I repeat, an absolutely lack of ethic, so you'll see that not only the America will be submerged by the New World Order invasion, but the Europe too!

The first to be wiped away could be the "Alpine Paradises", which have not been engineered by the Vatican for love of the Austrian, Bavarian etc. inhabitants.... They were strong independent people, so Rome didn't front them in a frontal way, but increased their 'autonomy' in exchange of a total trust and obedience to Rome.... The sense of order, independence, freedom, autonomy of the Alpine populations (descendants from German, Celts, and not to forget the Veneti) is the ENEMY of Rome and of its goals who are the construction of a World Slavery, and if Rome has not destroyed these civilization, is only because to not lose a powerful shelter.... Now Rome respects the independent attitude of these population, JUST ONLY because it can't act in another way.... Rome FEAR that if the Vatican could show its very face, all the illusion of the ultra-Catholic Alpin people will immediately cease, and, after 2000 or 1500 years, when many of these population refused to go under the rule of Rome, they'll do it again, maybe not to return to pure paganism, but to the most dangerous

LUTHERANESIM....

But when the 'dangerous' Protestantesim and the other 'heretics' will be definitively annihilated,.... Then Rome WILL NEED NO MORE OF ITS "CATHOLIC ALPINE PARADISES", and the Alps could become like the South American mountains and its Indios populations.....

So it could be a consolation for you that are the first on the butchery list of the Vatican in these dirty war. I think that if these Thirty Years War will have the center in North America, here - in Europe - will be not a complete peace.... And all these population, include the ones to whom I belong here, on NOOrth Adriatic coast, will 100% deserve it!!! Because they always lived as "outside of the world", believing that, like in the Ancient Middle Age (I consider the present times the Modern Middle Age), the valleys, the passess, the mountains, their traditions and together with the "good Catholic Church", are an effective shield against the "low outside world".....ILLUSIONS!!!! And the reality will soon arrive at their/our doors!

But demons, which assume the image of angels, goddess virgin Mary and saints and appear to ignorant popes, bishops, parishes and monks, to old witches and to the prostitute of the parishes and of the monks, impose them to be bigot, to torment themselves, to fall to the ground,... and to all these people the demons announce that now on this, now on a different mountain, on the field, or in the forest, churches have to be built, in order to bring there donations and to celebrate masses, in order to bring there wealth from everywhere, and every kind of cattle; and if they don't do that, the goddess Mary and the saints will destroy with lightning all the corn-fields and the vineyards and will kill them with the plague."

Ya, as from the site you're listing:

<http://www.soul.org/Americas%20Invasion.html>

QUOTE

As you will read in The Manisis Chronicles, the three momentous events of our time will be (1) The Invasion of the United States by the combined forces of the Old World, (2) The Revolt of the American People (Second American Revolution) against the Established Order because of the obvious betrayal of their responsibilities by this Establishment and (3) Cataclysmic Earth Changes that will all but destroy the integrity of the Old World and bring about the final stage of the Great Separation. The processes that are to bring about these events are now well begun. By the concerted efforts of the Celestial forces our leaders are doing everything they can to court the enmity of the nations of the Old World. However, as Chapter 17 of The Manisis Chronicles tells us, all this is essential to bring about the glorious New Renaissance—the prophesied Heaven on Earth.

But, what, you may ask, is the Great Separation? This is the underlying purpose for all three of these catastrophic events. Just as in the days of Biblical patriarchs Noah and Lot, the Celestial Forces feel the earth is in need of a thorough "cleansing." This they will accomplish by the three phase operation mentioned above. By this cleansing triumvirate they will fulfill the Scriptural separation of the wheat and the tares. The wheat being those who are "fit" to live in the coming New Renaissance—not that they are perfect mind you, but that they have far more good in them than evil. The tares, of course, being of a contrary constitution, have within them far more evil than good.

This Great Separation will take place in three stages. First will be the invasion of the United States as described above and as is described in detail in The Manisis Chronicles. By this invasion many Americans and many of the invading forces will be destroyed. This constitutes phase one of the Great Separation. Phase two will be initiated by the American public themselves as they rise up against those who have for so long deprived them of their true rights and opportunities as American citizens. This will constitute phase two of the Great Separation. Last and final stage will be the most dramatic and will be completely under the direction of the Celestial Beings themselves. As happened in the days of Atlantis, old lands will sink away and new lands will rise due to great changes in the Continental tectonic plates. With these changes, America will be saved from the invading armies, but most of the Old World will be no more as it has been known for centuries. Those people throughout the world who are eligible to be of the wheat will find ways to be safe wherever they are, but those who are of the tares, will find no safe haven, no matter where they are.

As the Nazarene once said these are "hard sayings." So they are, but we believe that time will bear out their validity. In the pages of The Manisis Chronicles you will find described in detail the methods you, and those you love, may use to assure your being among the wheat of the Great Separation. These are all very practical and honorable procedures that will not only help to bring you and yours into the light of the New Renaissance, but will also help you to prosper in any constructive temporal goal you may have for now or in the future. [Click here for more information of Manisis' teachings.](#)

The Rosicrucians are part of the most ancient Illuminati that goes back to the time of King Solomon, 1000BC, etc. No "Jesuit" creation. Anyhow, the Jesuits all know about this coming invasion as well. I think this topic belongs in the section on the [14th Amendment LONG WAR](#).

Their so-called prophecy, or I think PLAN of making the entire world go against America, invade etc, is already 1/2 way complete; the 14th Amendment and 1965 Immigration Act invaders are only part of it. When America (the original WE THE PEOPLE CONSTITUTIONAL PROGENY didn't consider blacks & nonwhites as Americans), when true America, (the white Western Europeans for 300 years of it) becomes at their weakest point, THAT is when the ARMIES will role in to kill off & enslave the last of them. You'll see some REAL Birdflu scenarios happen around the same time. It is all foretold in the Holy Bible in clear words for those who dont subscribe to such other mysticism. Yet Psalms 91 tells us not to fear the arrow that flies by day, and not to fear the FOWLER and his "NOISOME PESTILENCE", nor should we fear all the great TERROR, for those of us who abide under the shaddow of the almighty. These things are all a part of the TRUE PASSOVER, when the latter rain happens on top of the early rain , and we're to all enter in our prayer closets and the next day we will come out and kick up our heals rejoicing because all evil will be rid out of the earth. Much will come to pass first, but that great day will be greater than any plague the earth has ever seen with a major cataclysmic solar & divine event. The angels will be set lose and all who has not taken Christ's penalty as PAID for their sins will then take the penalty for themselves, and they will receive no less punishment than He received.

Again I think this is an article for the section [14th Amendment LONG WAR](#).

An article entitled "Meet Your "Moderate," "American" Muslim Neighbors: New Study Shows U.S. Muslims Are Extremists" http://www.debbieschlussel.com/archives/20...your_moder.html and another entitled "Blacks recruited for terror by al-Qaida" http://www.worldnetdaily.com/news/article....RTICLE_ID=55796 96 both links originally found at this site. <http://cofcc.org/>

For starters "al-Qaida" appears just to be a name the government uses for Muslims and probably some non-Muslims that they do not like and we never know if a message attributed to "al-Qaida" is real or a false flag message but overall rather this message came from Muslims or Jews matters little. A call has been made for blacks to commit acts of "terrorism" against Whites, of course, they have been doing that for years but now they want them to do it in the name of "Islam". Jews and their lackeys have tried to use blacks as their revolutionary army to impose international socialism on the USA for many years and repeatedly the blacks prove brave only against helpless victims but when facing resistance they proved cowardly and submissive, which is why they might have been considered good slaves even though their working abilities were substandard.

Why should it shock us that people who are mostly nonwhite support their own people over ours? A lot of the problems with Muslims maybe relative to them being nonwhites. Sure there are some White Muslims and a tiny number of these will act up and probably do a lot of damage if they attack, but these will be relatively few because their genes pull them closer to the White society probably in time many will change religions if surrounded by non-Muslims Whites.

Minuteman Matt - June 3, 2007 07:25 PM (GMT)

I can't wait for this to happen then everyone will believe me and finally know the jesuits dirty tricks but by then i am afraid it would be to late. When the crap hits the fan I would try to escape to the EU zones i do not want to be near the chi coms or the soviets also the muslims.

Meet Your "Moderate," "American" Muslim Neighbors: New Study Shows U.S. Muslims Are Extremists

http://www.debbieschlussel.com/archives/20...your_moder.html

By Debbie Schlusel

For almost six years, we've heard the constant chorus: "Muslims in America are different."

On 9/11, we were told that American Muslims would never commit the attacks like those perpetrated upon 3,000 Americans by 19 foreign Arab Muslims in our midst. The 19 men were different than Muslims in America, because they "hijacked their religion," we were told.

On 7/7, we were told that European Muslims are different. We were told that American Muslims would never try to blow up subways and train stations here, unlike those in London who did it . . . twice, and those in Madrid who killed far more on their trains.

islamicrescentsmaller.jpgpoisonsmaller.jpgamericanflag2.jpg

Poll of American Muslims: Islam is Hazardous to America

We were told--and continue to be told--that American Muslims would never continuously riot in the streets, burning hundreds of cars a day, as they've been doing throughout France, going on 3 years, and violently attacking and injuring more than a dozen police per day. American Muslims are different, we're told. They're far more assimilated, far more successfully financially (as if jihad and Islamism are motivated by finances, not an extremist religion).

Younger Muslims--born and/or raised in America--are more "Westernized" we've been didactically informed. They would never do such a thing. They've watched "The Simpsons" and grown up with Christina Aguilera. Therefore, they'd never want to blow a fellow American up, we've been instructed.

Since 9/11, we've been subject to a virtual echo chamber from the conventional wisdom-ites: that Muslims in America different from their pan-jihadist brothers and sisters around the world--that somehow their American experience is far different, even though their mosques and imams and korans and hadiths preach the same hate against us.

Well, now we've come to find out that Muslims in America are not so different from their co-religionists around the world. In fact, their viewpoints are pretty much the same as that of their religious counterparts around the world, and getting more extreme with age and American upbringing.

The message of the just-released Pew Research Center study on "Muslim Americans" is clear (if you can get beyond the biased press coverage and headlines): America hasn't moderated Islam or its adherents. Islam has made America Muslim residents more extreme, just as with its European counterparts. Wealth and education and

opportunity and freedom have done nothing to moderate them.

The title of the study is deceptive: "Muslim Americans: Middle Class and Mostly Mainstream." But while the study shows that most Muslims in America are, indeed, middle-class, they are anything but "Mainstream." That is, unless the mainstream is referring to the mainstream of Islam around the world and not the mainstream of American values.

Islamists, like Ingrid Matteson, president of the extremist Islamic Society of North America (ISNA), consulted with Pew in conducting this study. But, even with the cosmetics, the numbers and opinions should disturb you. Without the cosmetics, the real numbers are far worse.

The numbers are not news to me, because I've been warning you for years that this is exactly what the American Muslim street is thinking. Now there's statistical proof. Here are the notable results (and, remember, since people lie in polls, the real statistics are likely a lot worse):

American Muslims Support Homicide Bombings

* More than one in four Muslims (or 26%), aged 18-29, said "Suicide Bombing is Justified." 2% percent of them say it can often be justified, 13% say sometimes, and 11% say rarely. Add to that, the 5% don't know/refused to answer this easy, instinctive question, and it's even worse--for a total of 31%--almost a third of young American Muslims, who support homicide bombings. This younger group of Muslims is the most radical, the study found, and it's the largest group of Muslims in America. It is also the future of "America's" Islam.

* 12% of foreign-born Arab Muslims said that "Suicide Bombing Can be Justified Often/Sometimes." That's more than one in ten. 10% of them don't know/refused to answer. That's a total of 22% who apparently support homicide bombings. That's more than one in five and almost one in four. Yup, if you meet an Arab Muslim on the streets of America, it's a likely one in four chance he/she supports homicide bombings.

* 8% of all U.S. Muslims said suicide bombing is justified. Add to that the 9% that don't know/refused to answer, and you get 17%, almost 1 in 5 American Muslims. For all foreign-born U.S. Muslims, 9% support suicide bombings--plus 9% refusing to answer, and it's 18%. For all native-born U.S. Muslims, it's 8% who support the bombings, plus 5% who refused to respond--for a total of 13%. Yup, being born and raised in the U.S. isn't the moderating force it's cracked up to be . . . if you're raised in the Islamic faith.

American Muslims Support Al-Qaeda

So much for the Muslim propaganda slogans about Al-Qaeda not representing Islam and "hijacking the religion." A significant portion of America's Muslims support the

group, and it's growing:

* More than one in four American Muslims, aged 18-29, support Al-Qaeda. 7% outright viewed it favorably, plus 19% don't know/refused to answer--for a total of 26%. Yup, more than one in four young Muslims in America supports Qaeda.

* One third of American Muslims age thirty or more support Al-Qaeda. 4% support the group outright, plus the 29% that refused to answer, for a total of 33%. If you can't answer an outright no to this question, you support Al-Qaeda.

* Of all American Muslims, only 58% have a very unfavorable view of Al-Qaeda. 5% of American Muslims admitted to viewing Qaeda favorably and 27% refused to answer or claimed they didn't know. Hmmm . . . 32% or about 1/3 of all American Muslims either openly liking Al-Qaeda or not wanting us to know what they really think (which means they like Qaeda, too).

Muslims Don't Consider Themselves as Americans

* Among those under 30, only one in four--25%--consider themselves Americans first. 60% consider themselves Muslim first, 10% say "both equally," and 5% don't know. Age 30 and over, only 30% say they consider themselves American first, with 41% considering themselves Muslim first. Among total Muslims, 47% think of themselves as Muslim first, not American.

* Only 43% of all American Muslims said "Muslims coming to the U.S. today should adopt American Customs." Among native-born American Muslims, that number drops to 37%.

Most American Muslims Don't Believe Al-Qaeda Perpetrated 9/11 Attacks

Apparently, American Muslims want it both ways. Many of them cheer Al-Qaeda on, yet claim they don't believe Qaeda perpetrated the 9/11 attacks:

* Only 40% of American Muslims believe Arabs carried out the 9/11 attacks. 28% don't believe it, with 32% refusing to answer/don't know. That's a total of 60% who claim it wasn't Qaeda. Among American-born Muslims, it's hardly better. 48% believe Arabs did 9/11. 31% don't believe it, and 21% refuse to answer/don't know, for a total of 52% not believing Arabs committed the attacks.

And there are other serious implications:

The study says that 65% of Muslims are still foreign-born, mostly from the Middle East. Why are we allowing--why have we allowed--so many of those who hate us into this country to spread their hate and reproduce it in large families?

The study shows that even from 2000-2007, 18% of Muslims are still immigrants--significantly up from the 1980s. Why--after 9/11--are we letting one in five Muslims in America in from countries and a religion that hate us? It isn't news to me. But it should be disturbing, nonetheless, that we have a policy of affirmative-action immigration for the religion of 19 hijackers and assorted worldwide beheaders, homicide bombers, and rioters.

But, predictably, this extremism and its implications and suggestions for our immigration policy, for our student visa policy, for other policies that should keep more Muslims out of America is ignored by the press.

Instead, they pretend--as do the makers of this study at Pew who call American Muslims "Mostly Mainstream"--that the study shows Muslims to be "just like us."

The National Public Radio headline: "Pew Study Sees Muslim Americans Assimilating."

Since when is one in four members of a religion supports homicide bombings in America a sign of "assimilation"?

Perhaps when the homicide bomber grew up learning who Paris Hilton is on FOX News and CNN and seeing the latest Spiderman movie. And, while his classmates shop at the Gap for the latest fashions, he's there to find hoodie under which to camouflage the explosive belt.

Apparently, American Muslims want it both ways. Many of them cheer Al-Qaeda on, yet claim they don't believe Qaeda perpetrated the 9/11 attacks:

* Only 40% of American Muslims believe Arabs carried out the 9/11 attacks. 28% don't believe it, with 32% refusing to answer/don't know. That's a total of 60% who claim it wasn't Qaeda. Among American-

born Muslims, it's hardly better. 48% believe Arabs did 9/11. 31% don't believe it, and 21% refuse to answer/don't know, for a total of 52% not believing Arabs committed the attacks.

And there are other serious implications:

The study says that 65% of Muslims are still foreign-born, mostly from the Middle East. Why are we allowing--why have we allowed--so many of those who hate us into this country to spread their hate and reproduce it in large families?

The study shows that even from 2000-2007, 18% of Muslims are still immigrants--significantly up from the 1980s. Why--after 9/11--are we letting one in five Muslims in America in from countries and a religion that hate us? It isn't news to me. But it should be disturbing, nonetheless, that we have a policy of affirmative-action immigration for the religion of 19 hijackers and assorted worldwide beheaders, homicide bombers, and rioters.

But, predictably, this extremism and its implications and suggestions for our immigration policy, for our student visa policy, for other policies that should keep more Muslims out of America is ignored by the press.

Instead, they pretend--as do the makers of this study at Pew who call American Muslims "Mostly Mainstream"--that the study shows Muslims to be "just like us."

The National Public Radio headline: "Pew Study Sees Muslim Americans Assimilating."

Since when is one in four members of a religion supports homicide bombings in America a sign of "assimilation"?

Perhaps when the homicide bomber grew up learning who Paris Hilton is on FOX News and CNN and seeing the latest Spiderman movie. And, while his classmates shop at the Gap for the latest fashions, he's there to find hoodie under which to camouflage the explosive belt.

Title: McCanns to attend papal audience

CRAIG-OXLEY - May 30, 2007 01:58 AM (GMT)

This whole kidnapping of this Child is very fishy indeed. I don't know any person here in England who've used common sense who understands it. Many say theres something further going on. The reasons? The way these so-called Parents have been acting which is almost as if nothing has happened. If people go back and look at the Parents of Holly and Jessica they will see GENUINE worried/upset parents. This couple have been up to something. I only wish Joe Vialls wasn't assassinated as he would have blow the lid off this like he did with expsoing that Ian Huntley WAS NOT the murderer of Holly and Jessica but that it was U.S Soldiers from the nearby base. Now we see all this added hooray over this but this time with the Supreme Pontiff. Wether thats a coded message I do not know but I know that one things for sure the Pope/Jesuit RCC will milk this. This will help get the U.K populace on side for when they join the RCC and Church of England as planned for around 2009 I thinks. We've already had posters going up in all the factories and businesses across the whole U.K for this child. Its gone ballistic and all i can see happening is the SMOM using it for promoting CHIPPING and so forth. This child's probably been sacrificed to the East like most of these. I'd check the parents association with any Satanic Cults or members. -2tuff

McCanns to attend papal audience

Tuesday, 29 May 2007, 23:50 GMT 00:50 UK
<http://news.bbc.co.uk/1/hi/uk/6701819.stm>

The parents of abducted four-year-old Madeleine McCann are to attend an audience with Pope Benedict in Rome.

Kate and Gerry McCann, from Rothley in Leicestershire, flew from Portugal in tycoon Sir Philip Green's private jet, which he put at their disposal.

The pair's twins, Sean and Amelie, have been left in the care of relatives.

The couple are also due to visit Spain, the Netherlands, Morocco and Germany to raise awareness of their daughter.

Madeleine disappeared from the family's holiday apartment in the Algarve resort of Praia da Luz on 3 May as her parents ate dinner at a nearby restaurant.

This week the family released the last video clips taken of their daughter before her abduction.

Meanwhile, Portuguese police have received hundreds of calls after they released a description of a man seen near the McCanns' holiday flat.

But the family said on Tuesday that police had got a crucial fact wrong in the description of the man.

The height of the man given on the Portuguese press release was 170cm (5ft 7ins) but it mistakenly appeared as 5ft 10ins in the English version.

Spokesman for the McCanns, Clarence Mitchell, said the family were happy that a description had been released but hoped every detail "would be absolutely accurate in every respect".

Mixed emotions

On arrival at Ciampino airport on Tuesday evening, the McCanns were met by the British ambassador to the Holy See, Francis Campbell, and a representative of the Catholic Church.

The McCanns decided their two-year-old twins were too young to take on the trip to Italy, and left them with Mr McCann's sister, Trish Cameron, and her husband Sandy.

Retail tycoon Mr Green, who owns Top Shop, had offered the couple his 12-seater Gulfstream jet after hearing about the abduction.

After attending the general audience with Pope Benedict XVI, the McCanns, both 38, will then have a private conversation with the pontiff on the steps of St Peter's.

Mrs McCann plans to give the Pope a photograph of Madeleine.

The couple will stay at the residency of the British ambassador to the Holy See.

The Pope is expected to "prominently" refer to Madeleine during prayers.

Mr McCann said they were feeling nervous: "Meeting the Pope is so potentially hugely

important to what we are trying to achieve as a family.

"We never for one moment thought we would get such publicity, but it means we can get our message across."

The couple, who are both Catholic, said they had mixed emotions about coming to the Vatican.

Mr McCann said: "If we were doing this if Madeleine hadn't been abducted, we would have been really excited, but the only reason we are here is because Madeleine is missing."

'Respectable, pillars of the community' indulging in paedo parties. The parties were held around Xmas, Easter etc; times when grown-ups arriving with children wouldn't appear suspicious.

I believe JonBenet was accidentally killed at the party during some weird sex involving strangulation. Her mother then took her dead body home and concocted this ridiculous story.

Ever notice that the Ramseys were EPISCOPALIANS? Something weird about that bunch.

There was a date at the end of April on the **30th** known as **Walpurgis** where they actually kill a female infant. I think McCann child was taken on the **3rd May 2007** so if its linked to any Satanic situation she will have probably been bound and bonded with for a while. Now if we look at the dates in May we have the **Beltanc** on **May 1st** which was only 2 days prior to her being taken. The next date is the **24th** being **Ascension Day** when they kill to mock the ascension of Jesus into Heaven. So you'll probably find this girl was alive until that date. They would then make sure the girl knew she was going to die whilst they killed her slowly at first. This would produce a mass of **Adenocrone** which they would utilise via the drinking of her blood. Remember how **Stanley Kubrick** put the new drug called '**Denocron**' in *Clockwork Orange*. By the way **Sabbatean Al Gore Jr** was addicted to this, and probably still is for all I know.

I'm just wondering how , if like some on here claim, the Maltese Knights can be part of Papal (Catholicism). Especially since it is an Anglican Queen giving all the memberships.

CRAIG-OXLEY - June 2, 2007 11:30 PM (GMT)

Do some basic homework on this Group and you will soon see how their Catholic and subordinate to the Pope. The Queen controls simply the British Protestant division of this most powerful group. The leadership is her Cousin the Prince and 78th Grandmaster Andrew Bertie. I feel you're getting mixed up with the British Empire and the Queen.

Title: The Socialism's Youth Brigades Of The Vatican At

Description: *Work In Its Italian Protectorate.*

Avles - June 1, 2007 01:35 PM (GMT)

In his colony (Italy) the Vatican continues to build his totalitarian and theocratic state.

Today is appeared on the last number of the review "Il Venerdì" (=the Friday....) of today 01 June 2007, associated with the daily "La Repubblica" (a left wing supporter daily, it fights on the side of the government coalition of the papal butler Romano Prodi) an interesting article about the progress in the construction of the totalitarian theocratic state in the Catholic protectorate called "Italy". The realization of the brainwash and of the drafting of the young ingenuous people is more and more carried out by the institution of the civil service. Civil service was a institution created in order to let the people who refused to be drafted in the obligatory military service in the Italian Army (=Italian Swiss Guards), to serve the nation (=the priests) in another way. I too refused to join the military service and did civil service years ago. The important point in that is to understand that the Civil Service is entirely under the strict control of the Holy Feudal Landlord who controls Italy from Rome, which through his 'military' agents – priests, nuns, bishops, friars, etc. – or his 'civil' covered agents – members of Catholic associations, Catholic parties, Catholic worker's trusts, etc. - controls what is carried out by the "civil service", really speaking, a "Vatican service". A little part of the Civil Service is under the control of the organizations of the former communist party, but if you keep in mind that the communism and the dialectic materialism, from Marx to Lenin, continuing with Che Guevara, is only the realization of the Catholic goals under the disguise of the revolutionary and scientific terms, you'll understand that the Theological Army of the Italian Civil Service has only one general in command, the Superior General of the Jesuits who control the nation, Hans Peter Kolvenbach and his minion Francesco Tata, the Italian Provincial.

The dirty politic of the Catholic Church consist in the full realization of the Kommunism, which was the philosophic and ideologic core of the same Fascism and the same

Nazism (wasn't Karl anti-semite?).

From this point of view you can clearly see the delinquent job operated by the Marxists from the first Internationals to the present days: the economy is just a tool of the Vatican and the Guelph Black Nobility to enslave men and women in a single global gulag/religious herd, but all this has to be hidden spreading the propaganda which tell you that the "economic laws" are "independent" from the "human willing", from "every kind of willing". Precisely in that consists the dirty work of the dirty criminal intellectual mercenaries, the Jesuit's ass**** lickers, the kommies.

The economy in Italy is obviously strictly controlled in order to not give a single light of hope to the young inhabitants of the peninsula. Instead they have only spiritual s**t from the medias which are controlled by fanatic Vatican puppets, for example see Silvio Berlusconi who is a puppet of Opus Dei, a Vatican organization which gave to this lowest antichristian servant the management of the Vatican properties in the world of the media, under the name of the Mediaset Corporation (and when they'll need no more of him, they'll give him a good drink to wipe him away, like they did probably with the leader of the La Lega, Umberto Bossi, who now is a un-offensive larva due to a providential "ictus". A good warning for his friend Silvio...); and when the young are tired to assume all the antichrist s**t of the media and go out in the streets, what they find there? They find what the Vatican has prepared for them, the oppression of the Mafia, Camorra and the corruption and moral and ethic perversion which are lying everywhere in the today Italian society. But the Antichrist's Adorers in Rome are not yet satisfied. They have to realize in Italy the same they realized in the Germany of the Thirties, the "Hitlerjugend", or the same realized in the former communist Yugoslavian regime, where the "Young Pioneers" were drafted for the brainwash in the totalitarian state in order to build the "socialism". For this purpose the Civil Service is perfectly fitted. This kind of "Antichrist's Pioneers Brigades" who drafts young ingenuos people to exploit their honesty and good willing in order to build the "Socialism/New World Order", is more and more collecting an increasing amount of youngs, who have no hope to find a work and are more and more depressed and without a sign of light in their lives. In fact the Civil Service pay you for the service only 433 Euros at month, meanwhile armies of clandestine aliens from the Albania, Romania, etc, are entering in the peninsula in order to realize the goals of the Catholic Church: the realization of the Kommunism, collecting every kind of human animals in a single world-herd of human beasts in the name of the Catholicism=Universalism. Like in the concentration camps, in the gulags, the very revolution of the Catholic Church, which – don't forget it! - is the most modern and innovative power in the world, consists in transform the same society in a big concentration camp, in a big gulag, instead to force the prisoner to enter in them beyond usual gates and barbed-wire entanglements. Is not a mystery the reason for which in Italy corruption is everywhere, moral depravation is inside everyone, criminality reigns in every institution starting from the judiciary and police forces and the double tongue is the only rule who dictates his evil morals to the workers of the information: but all that was also the essence of the life of the prisoners in the camps!

They were reduced in an abominable condition of violence, anti-morality, perversion, criminality and falsity that are the essence of the concentration camps and the gulags, and all this, which is the core of the New World Order, the Roman Catholic Apostolic Church is realizing at great speed in Italy!

It is not strange that in the central headquarter in Rome near the railway station of Termini there's a big picture of the famous episode of the Tienanmen square, where a young Chinese was fronting a tank. This is a typical double message symbolism, where a picture contains two plains of lecture, the most superficial, "for dummies", is the apparent description of an "heroism act", but the covert, inside real message which is the essence of the organization controlling the Civil Service, is the triumph of the Totalitarianism and Theocracy, consisting in the communist tank.

So the Civil Service of the New World Order Pioneers continues to draft people. The first January 2005 the obligatory draft ceased but instead to see a total fall of the number of the people who choice to join the civil service, many young remained in it. From 180.000 people there remained 50.000 new volunteers for years, and this is great result, absolutely not a defeat! The reason is admitted by the same Party's Hierarchs who control the Civil Services: the 433 Euros attracts seven people on ten of the ones joining the Civil Service. On 60 millions people of Italian nation it could appear a little number, but potentially there are involved other half million volunteers. And then you have the "Civil Protection", a form of civil control of the population formed on a voluntary base and controlled directly by the government, where are involved many people and is always active during emergencies. Stay sure that in it Freemasons, Intelligences, Jesuits and the Devil knows what else find a good place to hide and to infiltrate everywhere!

So, as in other totalitarian regimes, also in the Italian Catholic theocracy you join the everywhere present "Young Brigades" more to obtain means for survival than for an ideological conviction. Exactly like in the communist Russia to the Islamic Iran of Ahmadinejad passing through the Yugoslavia of Tito. And meanwhile you beg for some money, you help to build the big disguise helping to present the theocracy of Vatican as a "poor, humile" church which "helps the poor".

The 2nd June is a national holyday in Italy, the "holyday of the Republic", where the Armed Forces, like in the totalitarian states, will do the parade in front of the traitors and the executioners of the Republicans principles and of the State of the Rights, dressed with the costumes of the 'highest authorities' of the Institutions, really speaking, the puppets of the Vatican! And it is obvious that also the Civil Service's Youth Brigades will parade, because they are a fundamental brick of the New World Order.

Best regards from a North Adriatic anti-Catholic isolationist.

I was very tired and went to sleep. During the program they broadasted the docu of BBC on the pedophile priests! THE church today attacked the transmission, but strangely I didn't heard nothing in the TV news of the 12, means it that they have difficulties to manage their crimes???

Unfortunately it was lik I suspected from the first time when I heard about the programmed broadcasting of the docu of BBC.

I read an article of the Italian Catholic integralist and supporter of the La Lega about the blame on the Catholic priests for pedophiloia.

I fear that all that was a double-charachter play. You have the one that put the "blame" on the table, and the "accused" one. If they agree, they could decide to speak only about the 0,0000001 of the real charches, and then to play the theatral game of the "abslution of the criminal because the proofs don't exist".

In fact the accusations were made to divert the attention from the real criminal and satanist essence of the power of the RCC which together the Guelph Black Nobility rule the world and is responsible of hundreds of millions of death people in their dirty holy wars, just only the occult crusades occurred in the previous century!

Nothing new under the Antichrist sun of Italy: if it seems there's an "opposition", is only a fake made by the same Vatican which after a fake-process will absolve itself....

When they are under pressure, they always act the strategy of the duplication, the real Beast take refuge under the disguise of an innocent sheep, and let the idiot brainwashed population destroy its fake-image.... when the thunderstorm is passed and the population has been satisfied in its bestial low medieval instincts, the Beast throw away its shep-poor-victim-costume and start to rule again....

All this is happened during that program: the trick is the reign of Satana, the reign of which they are the trustful guardians!

The real problem is not the "pedophilia" of the priest, IS THE EXISTENCE OF THE CATHOLICISM = UNIVERSALISM = KOMMUNISM ITSELF, that has to be DESTROYED!

I still can't believe that so many researchers in this field are still believe in the saviour Jesus Christ.

Just because THE ROMAN EMPIRE filched Christianity and made a FAKE version of it under the name "Roman Catholic Church" to cover their continuance as an EMPIRE (now also known as the New World ORder or NWO) does not mean there was no original savior Jesus Christ. I don't buy into the Amanita muscaria theory of the origins of Christianity because Amanita muscaria is a drug and drugs fry people's eggs and turn them into CARROTS, NOT founders of major religions. Furthermore I believe that New Agers and others with Roman/NWO axes to grind are behind the Amanita muscaria theory of Christian origins.

I do however believe that Amanita muscaria and other hallucinogens continue to be used by THE ROMAN EMPIRE (the true identity of the RCC and the NWO) to produce mass visions that include most of the UFOs, alien abductions, reptilians and and visions of Mary being seen today, probably as a "chemtrail" component. I believe that television and the doctrine of the RCC concerning Mary is also used to program the people who get the drugs anto seeing the visions desired by the EMPIRE. (Most Marian visions are of a White European woman similar to the statues used to represent her in Roman

Catholic Churches and NOT the Simitic/Middle Eastern woman that the mother of Jesus would really be. Most UFOs in the late 1800s through World War I quite resembled "futurized" versions of lighter than aircraft then being experimented with and publicized in the "dime novel" fiction of the time. Seems that the last of the cowboys were getting a little SOMETHING ELSE in their saloon drinks along with the alcohol courtesy of Jesuit Temporal Coadjutors working as barkeeps and out of key piano players at the time.) : lol:

Sorry but wheres your proof of a Christianity before the **Council of Nicaea**? I think you'll find your just wishful thinking my friend! Blame everything on **Catholics** whilst never seeing the suppression of your own religions and religious texts. I'm really fed up truely at how suppressive these books are and how people cannot see past their eyelashes.

Amanita was created like yourself by the creator of this World who ever that shall be. You seem to demonise it by calling it a drug as if its something from **SMOM Papal Knight David Rockefeller** and his Medical **Mafia Cartel**. Whats all this New Age demonising your doing of us who speak of Amanita and so forth? What we speak about is **Old Age** in reality and all this anti-new age is simply suppression by your religion to cover the tracks of its **under-pinnings**. Wake up! Face facts that this old Age beginnings information is simply going to come forth for when we enter the New Age of **Aquarius** which your **Mazzaroth** encoded **Sun** Bible contains and speaks of.

You tell me how many of the Populance use Amanita Muscaria? So my friend when **I** witnessed a flying transparent orb craft in Boston during the day that I was on Amanita? I can assure you I wasn't using this, maybe Colloidal Silver back then. But alas explain the Helicopter right opposite watching the craft then the other helicopter doing the same a few minutes later and guess what a third was coming in the HORIZON (**Horus**). By then I'd entered the tunnel/bridge and lost sight.

You tell me how many of the Populance use Amanita Muscaria? So my friend when I witnessed a flying transparent orb craft in Boston during the day that I was on Amanita? I can assure you I wasn't using this, maybe Colloidal Silver back then. But alas explain the Helicopter right opposite watching the craft then the other helicopter doing the same a few minutes later and guess what a third was coming in the HORizon (**Horus**). By then I'd entered the tunnel/bridge and lost sight.

First on the subject of Amanita. I was not refering to the actual eating of a mushroom or even INTENTIONAL use of any halluconogen when saying such substances may be behind UFO sightings. I was refering to their possible use in "chemtrails" drinks or some other unintentional route of ingestion. Secondly I am somewhat of an amateur herpetologist and mycologist (this means that the study of reptiles and mushrooms, ALL mushrooms, edible, hallucinogenic, mildly toxic and deadly are amongst my hobbies which also include 19th century guns 19th century VENUSIAN charmin (paper currency) and 19th century music, mainly classical and popular/saloon piano).

Amanita is a GENUS of mushrooms that comprises NOT just Amanita muscaria but several others in the same subgeneric grouping including the potentially DEADLY Amanita pantherina and the edible WHEN COOKED Amanita rubensis. Amanita also comprises one safe edible subgeneric grouping comprising Amanita cesaeria and its relatives outside Europe (again tied with CESAER and ROME) and the WHITE Amanita subgeneric grouping which are the DEADLIEST mushrooms in the world (These include Amanita phalloides along with Amanita virosa and Amanita verna amongst others. Remember too that WHITE is the color of the POPE when he is in regular "working" vestments and these working vestments except for the ALL WHITE coloration are identical to those of CARDINALS. Think the Jesuit Order is trying to TELL THE POPE SOMETHING by dressing him up like the DEADLY Amanita phalloides, virosa, verna type mushroom????!!!!).

As for the new age movement, I have read even in NON CHRISTIAN SOURCES that it has it's foundations in the Theosophical Society that helped along with Pope Pius XII in creating Nazi Germany, the Jewish Holicaust and World War II, and In the Lucis Trust which is a UNITED NATIONS NON GOVERNMENTAL ORGANIZATION and therefore tied to ROME like the rest of the UN.

However in my view (I tend to be on the Trinitarian Universalist side of Christianity these days) I'm not going to attack what you believe about Amanita muscaria or anything else of a religious/spiritual nature on a PERSONAL level. I don't believe in attacking other people for their religion and even get along pretty well with a Wiccan on another forum I post to. But I will attack any religious, spiritual, secular or materialistic movement's involvement in the UN, the gun grabber movement, Central Banking, Socialism in any form (Its tendency toward Socialism is another thing I have against the New Age Movement. Socialism is nothing but the old Roman FUDALISM in a modern "progressive" disguise), Mass medication and poisoning, genocide or any other part of the Roman Empire/New World Order.

By the way my doctrines are so different from other Christians (mainly I don't believe in eternal Hell which I feel is another ROMAN creation to get people to re attach themselves to their EMPIRE out of spiritual fear) that I don't belong to ANY organized church. Another thing that most modern fundie "Christians" today would not like about me is that I practice Astrology this even though the Bible SPECIFICALLY says that part of the purpose of the stars and planets were to be for SIGNS and this in the very part of it they use to justify their 6000 year old earth nonsense. (I guess you would call this Astro-THEOLOGY but I prefer the popular term for it. Astrology.)

I would also like to give my opinion on why I believe that at least some UFOs have their origin in the use of Haluconogens like Amanita muscaria on unknowing populations by use of chemtrails or some other form of spraying. It was basically in the design change in some of them that occurred with the mass popularity of the **Star Wars** movies by George Lucas. Before the Star Wars trilogies the predominant type of UFO was the so called flying disk or flying saucer. However after Star Wars started gaining mass popularity an increasing number of TRIANGULAR UFOs began to be reported with the Belgian flap being the main one involving TRIANGULAR craft. Star Wars used TRIANGULAR craft to represent its evil EMPIRE.

This led to more study by me of the UFO subject and I began to notice that a lot of UFOs were always either futurizations of ideas already being experimented on at the time they were seen, or representations of ships seen on early science fiction movies or even more importantly TELEVISION. (The "airship" flap of the 1890s was an example of this as the UFOs of that time were basically futuristically streamlined versions of the rigid airships being experimented with and popularized in "dime novels" even to the point of some UFOs having PROPELLERS on them like experimental rigid airships while still retaining the "futuristic" UFO design of the "dime novel". Flying saucers and disks were the dominant type of LANDING spaceship in the early science fiction movies and TELEVISION shows when ALIENS were flying them, Rockets were the dominant type when HUMANS were flying them. I have yet to hear of a UFO of typical 1940's/50s rocket ship design which were flown by HUMANS in Science Fiction TELEVISION and movies but plenty of the flying saucers and disks that the ALIENS flew.

Another vision that fascinates me and causes me to implicate Amanita muscaria in a lot of this activity is the Marian and "dancing sun" vision in Fatima Portugal during World War I, particularly the "dancing sun" part of the vision which was seen by the most people and featured the sun growing and shrinking in size (which the "observers" saw as the sun coming close to earth and then resuming its normal distance away from Earth) amongst other "dancing" activity. Amanita muscaria has a type of hallucination that is unique to it and that is to distort the SIZE of objects causing them to GROW and SHRINK then return to normal as its hallucinogenic agent wears off.

In this case I believe that we are dealing with a vision caused directly by a Jesuit priest of a Roman Catholic parish and not a Coadjutor by the surprise re introduction of Amanita muscaria in the Eucharist wafers of the parish involved in these visions and the visions were the result of the mushroom backed up by a crapload of RCC dogma. This is probably one of the most important RCC "miracle" historically because it probably led to the fanatical support for Hitler and Nazi Germany on the part of Pope Pius XII who saw Hitler as the man who would fulfill the parts of the Fatima vision where "Mary" was talking to the first three children affected by it about the fate of Russia.

Also while on the subject of Astrology I am a SIDERIAL practitioner and not a TROPICAL one. While the age of Aquarius is very close in the TROPICAL Zodiac it is still centuries off in the more accurate SIDERIAL zodiac.

Title: Eric Phelps answers on Race issues

CRAIG-OXLEY - May 24, 2007 11:18 PM (GMT)

Also, dear Eric I have great concern of your stance on whites and the hurtful things you say about non-whites.

I do not say any "hurtful" things about non-Whites. I have made it clear that I am a non-hateful, Biblical racist---as is God and His Son, the Lord Jesus Christ. I attempt to tell the truth about non-Whites as I do about the Whites. This is a forbidden topic in these days of cowardice and sin among God's men (not to mention the Pope's CFR-controlled press), but I have attempted to address these issues with impartiality based on the teachings of the Bible, the record of true history, and my personal life experiences of 53 years.

I tell you it's giving you a bad name and many have judged you because maybe you do not explain yourself fully enough.

That is their problem, not mine. When I explain my position to honest Blacks they agree with me. They agree that Black-on-White crime is unreportable in this country---intended to inflame the Whites into uniting into a White, right-wing, hatefully racist, fascist movement. They know the Black Nation of Islam is a Black fascist, hatefully racist, anti-White cult with an army intended to be used in the coming race war---the army being called "the Fruit of Islam." They know that the inner cities of every major American city have been destroyed by the Savage Blacks (as opposed to the Civil Blacks) and that 60 percent of all gun crime is committed by Savage Blacks. They know that behind the success of nearly every Black man is a White man, be he a businessman or an instructor of some sort. I know a Black journalist who said that if the US was turned over to the Blacks it would be destroyed within six months---and I agree. I was born in Oakland, California, and raised in the North Bay Area. I learned early-on how much the Blacks in general hate all Whites in general and have been a victim of Black-on-White insults and crime for simply having a White face. Further, my pastor was beat up by savage Black in Philadelphia and a dear lady friend was raped by a savage Black, but that is all OK since it is Black on White crime. This Jesuit-incited, calculated, encouraged, anti-White, hateful, Black racism must stop or we White Protestants and Baptists will be destroyed. This is why I advocate the creation of a new White Protestant and Baptist nation somewhere here in North America where we will not be insulted, raped, plundered and murdered by the majority Savage Blacks any longer. The truth that the mulatto Malcolm X ("Big Red") told in the 1960s regarding the White-on Black hateful racism and crime, I repeat in the 2000s concernig the Black on White hateful racism and crime. Why? Because it is the truth, and most Whites and Blacks can't handle the truth of this most forbidden topic.

My wife is a Hebrew Christian and she questions your theology in the matter.

My wife is also a Hebrew Christian; her father was a Russian Jew.

Here is something she wrote up to you that I do not believe is covered in VA III (of course I bought a copt and have a signed one).

Here is her letter/question:

The Bible says that Abraham was the descendent of Shem. (Genesis chapter 11:10- 27). In researching this, I have found that the White Europeans are said to be decedents of Japheth and that Black people are the decedents of Ham.

[Agreed.]

As I'm sure you know, Jesus Christ, God in the flesh, through his mother Mary (Miriam in the original Hebrew, translated to Mary) was a descendent of Abraham, and Christ was a descendent of Abraham (Matthew chapter 1). Therefore, we know Christ was also, in the flesh, a descendent of Shem.

[Agreed.]

How can you say:

(here's a transcription of something you said)"...And because we're White, because the White Race has a superior intellect to the other races, we have the ability for this.

[Are you denying White intellectual supremacy over Blacks and Orientals? If so give me the historical documentation to substantiate this opinion.]

And by the way the greatest servants to the Lord have been White, we wrote all the systematic theologies,

[Name one systematic theology or even a dictionary that a Black has written without training from a White man. Was not the New Testament record of the Son of God given in a White man's language---koine Greek? Did not God use other White languages to put the Bible in the "vulgar" tongue for the common man, languages like German and English? Why did not God chose to use Chinese Mandarin or African Swahili?]

we did all the preaching,

[Please name the Blacks sent from Black nations and supported by Black churches to preach the gospel to White and Oriental nations during the last 500 years.]

we were the ones who sent the Gospel to the ends of the Earth, we were the ones who worked hard every day.

[Did not the White Dutch, German, English, Scot, American, Canadian Protestants and Baptists take the gospel to Black and Oriental nations while supported by their White brethren in business? Do not the White churches have bus routes into the Savage Black, inner city neighborhoods to take those poor children to Sunday School and church? Where have the Black Christians done this for poor White neighborhoods?]

And the Greatest servants of the Devil have been White, I've never seen a Black Pope, I've never seen the Devil use the Black Race to run all the Lodges.

[Well? Does the Devil use the White or the Black race to run his world government via his secret societies? Evidently the devil also does not believe in "universal equality"---just like God. The devil practices White supremacy in the rule of his universal government of the nations headed up in the White-man ruled Vatican. I do not know of one Black Skull and Bonesman.]

What we have here is an absolute case of Racial White Supremacy on both sides. Forget these ideas of universal equality, they're not true, they are the doctrines of Communism..."

[Is this not true?]

Why exalt the descendants of Japheth over those of Shem when it's the Jews who are God's chosen people and they are decedents of Shem?

[Because God has set aside the Jewish descendants of Shem---the Nation of Israel in general---as his primary servants during "the times of the Gentiles" as the Lord Jesus called this age. Observe for yourself: have the racial White Gentile Protestant nations been the greatest missionary peoples or have the racial

Jews been the greatest missionary people for the last 500 years? The vast majority of racial Jews who have been Bible-preaching missionaries have proceeded from White Protestant nations.]

The Bible talks about the Gentiles being "grafted in" (Romans 11: 17-25) to the Jewish branch and "standing by faith".

[Agreed. And one day the White Gentile nations will be "cut off" and Israel will be grafted in once again (Rom. 11:22).]

Doesn't it sound like the distinction of black and white is just a human construct anyway?

[Tell me, where did the races come from and why? Answer this question and you will answer the previous question. Further, do you live in a Black neighborhood or a White neighborhood, generally? If you do not live in a Black neighborhood, why not? This is just a "human construct" anyway, right? Or do you live in a White neighborhood because you know you are safer and enjoy a greater respect for private property? Think about this: when the White Bible-believing or Bible-principle-observing White communities are destroyed within the next 30 years or so, where are you racial Jews going to live? Will you move into the Black communities who generally hate the prosperous racial Jews? The answer is found in the history of apostate, White Protestant South Africa for the last 30 years. The White Protestants have been raped, plundered, murdered and destroyed by the Savage Blacks and the Jews have left the country. There are no more Jewish communities in Nelson Mandela's South Africa. This will be the same story here in the US. Remember, I consider 80 percent of American Blacks to be "Savage Blacks" and 20 percent of American Blacks to be "civil Blacks." And those Civil Blacks are mostly Bible-reading brethren in Christ or have a heritage of reading the Bible---thanks to some White man who got the Bible (written in a White man's language) into their hands through much work and sacrifice.]

Shouldn't we make the distinction of the saved and the unsaved, (the Spiritual Jews (Jews who believe in the Messiah and Gentiles who have been grafted in and believe in the Messiah) contrasted with the Gentiles of whatever skin color they happen to have?)

[Of course. This is our first and foremost distinction. All men are either in Christ or in Adam, sheep or goats, saved or unsaved. But this does not mean we cease to be Gentiles without a distinct race, language and culture.]

Galatians 3:28 There is neither Jew nor Greek, slave nor free, male nor female, for you are all one in Christ Jesus.

[Are you advocating that we abandon the distinction between male and female? Of course not, as this is absurd. It is equally absurd to abandon our racial, linguistic and cultural distinctions. Our status in Christ is the same; our racial, gender, cultural distinctions remain the same and will last throughout eternity via our resurrection bodies.]

"...so it was the White Anglo Saxon Protestant with the help of Southern Baptists [some Baptists] who brought us out of the Dark Ages..."

[Is this racial and religious statement not true? If so, why do you have a problem with this conclusion? It appears it is because you have been deliberately brainwashed to put down the White race, to blame it for every evil under the sun, for the slave trade (without mention of the savage Black Moslems of Africa who really did the rounding up of the Blacks in preparation for the arrival of the Pope's White slavers to ship their "cargo" to South America and later North America), and for the Jesuit-ordered destruction of the North American Native American Indians---all of which topics are dealt with in V. You are a racial Jew married to a White Bible believing Gentile and you live in a White Gentile community where you are not a victim of White Gentile on Jew crime. Why did you not marry a Black Gentile man and chose to live in a Black Gentile community? Why do many, many Jews make this choice over a people who merely have a "different skin color," which in fact is not the only difference? It is because you prefer the White Gentile race and prefer to live in a White neighborhood enjoying Protestant liberties as do most Jews in general. This means you are enjoying the fruits of the White Gentile Protestant Reformation while advocating a philosophy that is destroying that very people and civilization. Why, dear sister in Christ, are you cutting

your own racially Jewish throat?]

Eric Jon Phelps

Sure, but is that related to their white skin color, or because they were believers in Jesus, a descendant of Shem?

[Away with the nonsense that the only difference between White Gentiles and Black Gentiles is the skin color. Blacks have larger extremities, smaller cranial capacities, a different bodily metabolism (cannibals have stated that Black flesh is sweeter to the taste while White flesh is bitter), erect different cultures and thus are as different as night and day. The Whites are intellectually and culturally the higher races and the Blacks are intellectually and culturally the lower races---to the exclusion of mulattos who enjoy the White man's brain. Do your own research and remember the Jesus Christ will be a racial Jew for eternity as Gentiles will be distingusited by their language, race and nationality for eternity (Rev. 5:9) Our racial differences are God-ordained as He created the races to keep mankind separate so that we would not unite against God as we did before the Flood when there was only one race, one language and one land mass.]

Sincerely in Faith,

Brother Eric

"Black culture", also called ghetto culture, is not caused by genetic difference but by the refusal to accept responsibility for your actions and a disregard for the rights of others. The same is true for "white trash" culture which usually consists of engaging in incest in trailer parks and watching Jerry Springer. Both "cultures" have their roots in the Jacobite rebellions, but that is another story.

Minuteman Matt - May 25, 2007 12:16 AM (GMT)

Blacks don't even belong in America they where brought here **ILLEGALLY** they should of been shipped out of the country after the slave trade ended. What was the white man thinking when they tried to "westernize" the "native" African? thats like trying to teach a 5 year old algebra.

CRAIG-OXLEY - May 25, 2007 12:37 AM (GMT)

Now we see the Sovereign Military Order of Malta promoting these Black peoples via their media and especially Hollywood. Notice how many blacks have the lead roles in the SMOM/Mafiosi Hollywood blockbusters? Right now it seems the Westerners are now being Africanised and its really showing. Here in England the youth act, dress and speak like Blacks. Now I have much experience of this because when I was younger this was me also. Its all about getting us to accept non-whites amongst us. Remember how SMOM Papal Knight Bush snr first spoke publically on the New World Order? Of DIVERSE nations!!!??? Here in England we are far more acceptive of the Black person compared to Indians, Pakis and so forth. It will take longer to bring those races into the fold. I too believe the blacks are inferior in many ways yet superior in others. We were all made unique and we shouldn't be mixed! Where I live I'm riddled with all sorts of races. The schools are black round here. If I had a child theres NO way they would be going to a local school and personally they'd be Homeschooled or put through private school if I had the money. England has been destroyed by Stonyhurst College Jesuits through their subversive techniques coming out of their SMOM's 'The City'.

Alexandra - May 25, 2007 01:09 AM (GMT)

Matt, I think they were kept here on purpose--the Jesuits plan YEARS in advance. Keep the blacks here, race riots ensue.

I have no problem against black people, personally. I know a few decent (civil) black people. But they're so few and far between.

I've also noticed that typically the type of white woman seen with a black man is of the trailer park trash (or chav for you Brits) variety. About 90% of the time.

One time I saw this blonde at this store and I was thinking, I bet she has a black man. Five minutes later I saw her again and sure enough--I was right!

I've had black men try to flirt with me. I just ignore them. Apparently the fact that I have a white child with me isn't enough of a hint as to which variety I prefer!

I don't mind being friends with black people...but I always knew I'd marry white. If that's racist, oh well. I don't care.

Minuteman Matt - May 25, 2007 01:32 AM (GMT)

I praise the Japanese and other asian cultures who are trying to keep the blacks and other races out. They are keeping there heritage pure although the last 100 years the Jesuits have been trying to westernize them more its only a matter of time before they cave in but in Japan a black person is still rare its 80% japanese with a few chinese/koreans and americans.

Daniel - May 25, 2007 02:04 AM (GMT)

First, a little rant since I've never said it before:

I do not fit in well with the Black 'Gangsta' culture and why should I try to? This degeneracy was created to be antagonistic, abrasive, rude, arrogant and ignorant toward White people and not just White people but also to anyone who is not part of this evil culture. COrrrection, they are rude to each other also! The Asian people also do not appreciate this ignorant culture seeing that they have some honour and respect for the elderly also. I cannot even stand looking at their faces all pent up this "I got a HUGE chip on the shoulder complex" and "you owe me" Complex! I see no peaceful merger between those people like myself who believe in some humility (but not punishing oneself mind you) and those who wish to force their will upon another through sticking their necks out, mumbling trash and poking their hands in our faces. The Gangsta movement is a disgrace to the Black people and I know many Black people who depise this trash as much. if not more than I do.

This movement mistakes kindness for weakness! They see people who are quiet and humble, as weaklings! Well that may be so in their opinion, but I got news for them, when the "nice guy" gets fed up and loses his temper, you ALWAYS RUN!! (end of rant)

The white Anglo-Saxon race are the movers and shakers of the modern era and date back for a very long time also. But this time of dominance will eventually end. The Black race had their time long ago in the past era's but in this modern Age, the Anglo-Saxon peoples, or white people in general are dominating in the epoch of intellect. When this intellect is combined with darker features, like darker hair and eyes, the potential is there for greater materialsim; with blond or red hair and blue eyes, more potential for spirituality.

Each race have a slightly more enhanced ability than the other. Although it is true that we are Souls and we can always transcend these traits but still most people do not! Such that the Eastern Indian peoples have a dominated sense of smell, the Blacks have a better sense of taste, the Red's a better sense of touch, the Whites are of better seeing and the visuals, the Orientals in hearing etc. But even this notion does not quite explain the differences we are clearly seeing today.

I'd say that culture plays a very strong role in the racial differences we see today. No one can deny that where I live, the mostly Chinese drivers are the worst drivers and this is more to do with CULTURE, rather than race. At the very least, the American Black culture has serious problems and no-one knows this better than do the black people themselves! Now of course, history was not kind to the slaves but when the British people enslaved the Indian people, do we hear every single day about how evil the White man is for what was done to the Eastern Indian people? No, not to mention that none of us alive today were responsible!

If we look closely at each of the races, we can see clearly that there is no equality and that there is also not such thing as "Universal Equility". For this idea is about taking every man **down to the very lowest common denominator** and this destroys all the beauty of uniqueness by removing a peoples' culture.

Black skin is not like White skin. Black hair is different also and even a barber must cut it differently. Certainly this notion of SAME is rather very foolish in actual application!

Now something even deeper to consider is where have all the blond-haired/red haired and blue-eyed people gone? It is a fact that only 150 years ago, there were so many more to be seen but now we have more of the brown and black haired - or that which is darker in general.

Now lets look at skin: Scientists know that the darker skin has dominant Chromosomal features and this cross-breeding dominance has led to less blond and red-haired people. You see, this may sound racist and that means that people like myself who are white-skinned but still have darker hair are different still, than the blondes. The nutrients are taken up deeper into the head and thus we see the color of brown or black - remember that everyone has blue-eyes but those who take up the nutrients further have darker features! Thus, in colder climates, we see the blue-eyes more often because the colder weather forces the body to keep most of the nutrients lower in the body - for heat. Those in hotter climates can afford to have the nutrients go further into the head. The dark-skinned people and those with dark eyes also, tend to come from hotter climates.

Now one might imagine that the nutrients going further into the head would matter for intellect but it is not so much for intellect as it is for "materialism". So those who are fair in complexion are more spiritually-inclined and those who are more dark, are more likely to be "hardened" and less spiritual.

So in conclusion, the black people more-so than any other race, have a Chromosomal dominance in these features making them more likely to pass on their genetics. But this also makes them very materialistic and less able to be spiritual. Not saying all of them, but this is a fact well known to the mystics for hundreds of years now.

(Edited to add my rant at the top)

The schools are black round here. If I had a child theres NO way they would be going to a local school and personally they'd be Homeschooled or put through private school if I had the money. England has been destroyed by Stonyhurst College Jesuits through their subversive techniques coming out of their SMOM's 'The City'.

Is this thr reason you promote the **Amanita muscaria** mushroom (used largely by WHITE Shamens in areas of northern Europe like Lapland where Shamenism is still widely practiced by WHITES) over the Psilocybe mushrooms used largely by Native Americans (along with the Peyote cactus) and Blacks for the same purpose (religious visions and symbology).

My friend it is you who has Amanita Muscaria on the brain haha. Take a break and see a nice Echinacea flower for once and great for the immune system :D

The "Ja-fake-ins", since they cannot run without tripping over their own pants are the road kill for the bad Oriental "cultured" drivers in my town.

Indeed, there may be some balance after-all! :lol: :lol:

Peyote is a wild ride Marshal, chewed a few of them myself. Had me a go round years back with some black thugs in the city, tried to rob me, They had a knife, I guess the three of them did not see my chuks in my belt, got me a new knife and they got some exercise. HA HA.

I don't know...if blond is recessive....

My mother's sister married a Puerto Rican. My cousins from this marriage are blue-eyed blondes. I've heard that there are blond Hispanics...I read somewhere that Spaniards used to be a Celtic race until they intermarried with the Moors and whoever else. But I've heard of blond Spaniards and blond Cherokees.

My husband has dark hair and eyes--his brother and sister, who are twins, are blue-eyed blonds.

You may be right Alex. I've seen East-Indian people with blue-eyes also.

I'm still not sure why all the blondes and blue-eyes are becoming less and less frequent these days. I thought it might be due to the idea of gene types although, I was taught that it's due primarily because we are moving away from "spirituality" and more toward "scientific materialism". But being taught this made less sense to me on its own, so I looked toward science as it seemed to fit somehow that the "recessive nature" of genes are to spirituality, what the "dominate nature" of genes is to "materialism".

It should be remembered that Charles Darwin was a believer in the idea that whites were superior to others.

Hispanics are not a race. The fascist reconquistas have tried to convince the general public that Hispanics are a race, but the facts contradict this claim.
