“...the Jesuits have been heavily involved in fomenting revolutions and wars; in running vicious, murderous inquisitions; in confiscating individuals’ wealth and property during inquisitions; in assassinating heads of state and popes, and in destroying nations and peoples. And I fear that the horrible things they have done in the past (such as the French and Russian Revolutions) are coming soon to a neighborhood near us all. These schemers who destroyed Czarist Russia and other nations now have the USA clearly in their [gun] sights! Why else have they infiltrated and taken control of every important institution in this country? Why else have they set up a police state with internment camps already prepared for the ‘dissidents’ and ‘resisters’? Why else are they having their black-robed lackeys (federal judges) making decisions that are destroying the Bill of Rights, such as the recent Federal 5th Circuit Court of Appeals Ruling that gutted our 4th Amendment Right against unreasonable searches and seizures? (The police can now come into your house or business WITHOUT a search warrant!) Why else would they be pushing the American people so hard right now, much like they did when they fomented the American Revolution between the colonies and England in the 1770s, and much like they did when they fomented the Civil War of 1861-65 by sending their ‘Knights of the Golden Circle’ down from Ohio to ‘stir up’ the South to secede?”

FOURTH DEGREE of the Knights of Columbus (as recorded in the Congressional Record, and published on February 15, 1913; the following being an excerpt – a portion – of said oath)

“...that I will provide myself with arms and ammunition that I may be in readiness when the word is passed, or [I] am commanded to defend the Church either as an individual or with the militia of the Pope...

In testimony hereof, I...witness the same further with my name written with the point of this dagger dipped in my own blood... ((Ed. Comment: Yes, they really do this kind of stuff!))

I do further declare that I will...do my utmost to extirpate [i.e., destroy, exterminate] the heretical Protestant or Liberal doctrines and to destroy all their pretended powers, legal or otherwise...I do further promise and declare, that I will, when opportunity presents, make and wage relentless war, secretly or openly, against all ‘heretics’, Protestants, Liberals and Masons,

[Ed. Comment: The ‘Masons’ portion of this oath is a joke, since both Masonry and the Jesuits are controlled by the Superior General of the Jesuits!] as I am directed to do to extirpate and exterminate them from the face of the whole earth, and that I will spare neither age, sex, nor condition...And that I will hang, burn, waste, boil, flay, strangle, bury alive, these infamous heretics, open up the stomachs and wombs of their women and crush their infants’ heads against the walls in order to annihilate their execrable race...

That when the same cannot be done openly, I will secretly use the poison cup, the strangulation cord, the steel of the poniard [i.e., dagger], or the leaden bullet, regardless of the honor, rank, dignity or authority of the person or persons whatsoever may be their condition in life, either public or private, as I at any time may be directed so to do by any agent of the Pope or superior of the brotherhood of the holy faith of the Society of Jesus [i.e., the Jesuits].

Should I prove false or weaken in my determination, may my brethren and fellow [members of the] militia of the Pope cut off my hands and feet, cut my throat from ear to ear, may my belly be opened and suffer burning therein with all the punishment that can be inflicted upon me on earth, and my soul shall be tormented by demons in eternal hell forever...”

((Ed. Comments: The above excerpts were taken from the book Vatican Assassins by Eric Jon Phelps. I am including it here for several reasons: (1) Such oaths are UN-American and UN-Christian; (2) Such oaths have NO place in a nation that claims to be “Christian”; (3) The only oath that any American ought to be taking is “to support and

defend the U.S. Constitution”; (4) The similarity between this ‘professed blood oath’ of the Fourth Degree of a Knight of Columbus and various Masonic oaths should be noted; and (5) We do NOT need secret and “semi-secret” societies here in our Republic.

Does this Fourth Degree oath still exist? There are two things of which we may rest assured: (1) if we ask lower-level Knights of Columbus, most will not know; (2) if we ask those Knights of Columbus of the higher (professed) degrees, they cannot and will not tell us the truth, because they will almost always LIE to those outside of their Order! These types of blood oaths have been largely responsible for men’s willingness to commit horrible atrocities throughout recorded history!))

((Ed. Note: If you want to check the Congressional Record for this, I recommend that you do so as soon as possible, because such documents will probably start disappearing soon down some deep “memory hole”. Already many old books have been removed from the Library of Congress, with their contents placed on microfilm – which will surely be a medium ready-made for making documents to “disappear” at the appropriate time.))

The question of the hour for all of us is: What are WE going to do with the information contained in this newsletter and its Attachment 1? Will we be like these people described in Winston Churchill’s famous quote listed below

“Most people, sometime in their lives, stumble across the truth. Most jump up, brush themselves off, and hurry on about their business AS IF NOTHING HAD HAPPENED.”

Title: Eric Phelps - CIA is the Jesuit assassination HQ

CRAIG-OXLEY - October 17, 2005 09:04 PM (GMT)

The CIA is the assassination headquarters for the Jesuits. Every CIA assassination is done in accordance with Jesuit policy as dictated by the Order's Council on Foreign Relations in New York. CIA assassins, and I know two of them now retired, are the Order's Manchurian Candidates.

Subject: CIA Publishes Its Own "Assassin's Manual," Proving It Condones Killing Those Who Oppose U.S. Policy

The CIA 'Killer's Manual' was kept out of the public eye for years, but now we know it teaches the 'fine art' of assassination as if it was a mandatory college course.

8 Sep 2005

By Greg Szymanski

If there are any lingering doubts about whether the U.S. government acts like a bunch of mafia hit men, the following documents, classified for years, should clear things up.

And as the "CIA's Killer's Instruction Manual" points out remember that possibly the only thing separating the mafia from the U.S. government is that the thugs in the underworld are much, much smarter.

Never in a month of Sundays would mafia thugs ever think of leaving behind a paper trail, like the following CIA documents indicate, on how exactly to pull off the perfect assassination attempt.

But that's exactly what the U.S. government did when the CIA distributed a training manual for would-be killers called "A Study of Assassination," distributed to agents and operatives taking part in the agency's 1953 covert coup in Guatemala, which ousted the country's democratically elected President.

The killer's training manual, hidden and classified until 1997, until the National Security Archive, a Washington D.C. public-interest group, obtained a copy among roughly 1,400 pages found by the group concerning the Guatemala coup, in light of CIA statements that it has destroyed all other secret files about the coup.

Since the release of the documents, however, their contents have remained virtually hidden from the public eye, the messy details of how to pull off the perfect assassination never making it into the mainstream press and only viewed by a select few elsewhere.

Presented by the CIA almost like a college course for future killers, the Department of Defense and CIA spokesmen this week denied knowing anything about the manual, adding they were not aware of any such teaching tool being distributed to agents or operatives.

As the manual verifies purely by its publication, the U.S. government is involved up to its neck in the killing business, the involvement going back to the early 1950's and most likely much farther back.

And it's safe to say nothing has changed today, since reports by John Perkins in his latest book, "The Economic Hit Man" and other reports surfacing, seem to indicate the killing business is booming for the government.

Take, for example, the recent story told by former Army wife Kay Griggs of Virginia, who recounts how her husband for more than 10 years told her about his involvement with training and participating in government hit squads, knowledge of which leads to the doorstep of some of the most powerful leaders in our country, including the Oval Office.

Also, consider the recent stories coming out of Venezuela where democratically elected President Hugo Chavez is running for his life from the CIA after he publicly on numerous occasions has announced to the world that the Bush administration wants him dead for not cooperating with policies that would leave his country bankrupt and his people starving.

And in a sick, twisted manner, working on a theory that the end justifies the means, the CIA published its killer's manual, breaking down the art of committing the perfect assassination into eight major categories, including definition, employment, justification, classification, the assassin, planning, techniques and examples.

Here are the portions of the manual, the words taken directly from the CIA writers illustrating just how sick, twisted and distorted they really are:

DEFINITION

According to the CIA, assassination is a term thought to be derived from "Hashish", a drug similar to marijuana, said to have been used by Hassan al-Sabbah to induce motivation in his followers, who were assigned to carry out political and other murders, usually at the cost of their lives.

It is here used to describe the planned killing of a person who is not under the legal jurisdiction of the killer, who is not physically in the hands of the killer, who has been selected by a resistance organization for death, and whose death provides positive advantages to that organization.

EMPLOYMENT

Assassination is an extreme measure not normally used in clandestine operations. It should be assumed that it will never be ordered or authorized by any U.S. Headquarters, though the latter may in rare instances agree to its execution by members of an associated foreign service.

This reticence is partly due to the necessity for committing communications to paper. No assassination instructions should ever be written or recorded. Consequently, the decision to employ this technique must nearly always be reached in the field, at the area where the act will take place. Decision and instructions should be confined to an absolute minimum of persons. Ideally, only one person will be involved. No report may be made, but usually the act will be properly covered by normal news services, whose output is available to all concerned.

JUSTIFICATION

Murder is not morally justifiable. Self-defense may be argued if the victim has knowledge which may destroy the resistance organization if divulged. Assassination of persons responsible for atrocities or reprisals may be regarded as just punishment. Killing a political leader whose burgeoning career is a clear and present danger to the cause of freedom may be held necessary.

But assassination can seldom be employed with a clear conscience. Persons who are morally squeamish should not attempt it.

CLASSIFICATIONS

The techniques employed will vary according to whether the subject is unaware of his danger, aware but unguarded, or guarded. They will also be affected by whether or not the assassin is to be killed with the subject hereafter, assassinations in which the subject is unaware will be termed "simple"; those where the subject is aware but unguarded will be termed "chase"; those where the victim is guarded will be termed "guarded."

If the assassin is to die with the subject, the act will be called "lost." If the assassin is to escape, the adjective will be "safe." It should be noted that no compromises should exist here. The assassin must not fall alive into enemy hands.

A further type division is caused by the need to conceal the fact that the subject was actually the victim of assassination, rather than an accident or natural causes. If such concealment is desirable the operation will be called "secret"; if concealment is immaterial, the act will be called "open"; while if the assassination requires publicity to be effective it will be termed "terroristic."

Following these definitions, the assassination of Julius Caesar was safe, simple, and terroristic, while that of Huey Long was lost, guarded and open. Obviously, successful secret assassinations are not recorded as assassination at all. [Illeg] of Thailand and Augustus Caesar may have been the victims of safe, guarded and secret assassination.

THE ASSASSIN

In safe assassinations, the assassin needs the usual qualities of a clandestine agent. He should be determined, courageous, intelligent, resourceful, and physically active. If special equipment is to be used, such as firearms or drugs, it is clear that he must have outstanding skill with such equipment.

Except in terroristic assassinations, it is desirable that the assassin be transient in the area. He should have an absolute minimum of contact with the rest of the organization and his instructions should be given orally by one person only. His safe evacuation after the act is absolutely essential, but here again contact should be as limited as possible. It is preferable that the person issuing instructions also conduct any withdrawal or covering action which may be necessary.

In lost assassination, the assassin must be a fanatic of some sort. Politics, religion, and revenge are about the only feasible motives. Since a fanatic is unstable psychologically, he must be handled with extreme care. He must not know the identities of the other members of the organization, for although it is intended that he die in the act, something

may go wrong. While the Assassin of Trotsky has never revealed any significant information, it was unsound to depend on this when the act was planned.

PLANNING

When the decision to assassinate has been reached, the tactics of the operation must be planned, based upon an estimate of the situation similar to that used in military operations. The preliminary estimate will reveal gaps in information and possibly indicate a need for special equipment which must be procured or constructed. When all necessary data has been collected, an effective tactical plan can be prepared. All planning must be mental; no papers should ever contain evidence of the operation.

In resistance situations, assassination may be used as a counter-reprisal. Since this requires advertising to be effective, the resistance organization must be in a position to warn high officials publicly that their lives will be the price of reprisal action against innocent people. Such a threat is of no value unless it can be carried out, so it may be necessary to plan the assassination of various responsible officers of the oppressive regime and hold such plans in readiness to be used only if provoked by excessive brutality. Such plans must be modified frequently to meet changes in the tactical situation.

TECHNIQUES

The essential point of assassination is the death of the subject. A human being may be killed in many ways but sureness is often overlooked by those who may be emotionally unstrung by the seriousness of this act they intend to commit. The specific technique employed will depend upon a large number of variables, but should be constant in one point: Death must be absolutely certain. The attempt on Hitler's life failed because the conspiracy did not give this matter proper attention.

The techniques portion of the manual then went on to provide details about the particular effectiveness and use of an assortment of weapons, including all types of firearms, explosives as well as blunt and sharp-edged weapons. However, the most interesting assassination techniques recommended by the CIA were:

1. Manual

It is possible to kill a man with the bare hands, but very few are skillful enough to do it well. Even a highly trained Judo expert will hesitate to risk killing by hand unless he has absolutely no alternative. However, the simplest local tools are often much the most efficient means of assassination. A hammer, axe, wrench, screw driver, fire poker, kitchen knife, lamp stand, or anything hard, heavy and handy will suffice. A length of rope or wire or a belt will do if the assassin is strong and agile. All such improvised weapons have the important advantage of availability and apparent innocence. The

obviously lethal machine gun failed to kill Trotsky where an item of sporting goods succeeded.

In all safe cases where the assassin may be subject to search, either before or after the act, specialized weapons should not be used. Even in the lost case, the assassin may accidentally be searched before the act and should not carry an incriminating device if any sort of lethal weapon can be improvised at or near the site. If the assassin normally carries weapons because of the nature of his job, it may still be desirable to improvise and implement at the scene to avoid disclosure of his identity.

2. Accidents

For secret assassination, either simple or chase, the contrived accident is the most effective technique. When successfully executed, it causes little excitement and is only casually investigated.

The most efficient accident, in simple assassination, is a fall of 75 feet or more onto a hard surface. Elevator shafts, stair wells, unscreened windows and bridges will serve. Bridge falls into water are not reliable. In simple cases a private meeting with the subject may be arranged at a properly-cased location. The act may be executed by sudden, vigorous [excised] of the ankles, tipping the subject over the edge. If the assassin immediately sets up an outcry, playing the "horrified witness", no alibi or surreptitious withdrawal is necessary. In chase cases it will usually be necessary to stun or drug the subject before dropping him. Care is required to insure that no wound or condition not attributable to the fall is discernible after death.

Falls into the sea or swiftly flowing rivers may suffice if the subject cannot swim. It will be more reliable if the assassin can arrange to attempt rescue, as he can thus be sure of the subject's death and at the same time establish a workable alibi.

If the subject's personal habits make it feasible, alcohol may be used [2 words excised] to prepare him for a contrived accident of any kind.

Falls before trains or subway cars are usually effective, but require exact timing and can seldom be free from unexpected observation.

Automobile accidents are a less satisfactory means of assassination. If the subject is deliberately run down, very exact timing is necessary and investigation is likely to be thorough. If the subject's car is tampered with, reliability is very low. The subject may be stunned or drugged and then placed in the car, but this is only reliable when the car can be run off a high cliff or into deep water without observation.

Arson can cause accidental death if the subject is drugged and left in a burning building. Reliability is not satisfactory unless the building is isolated and highly combustible.

3. Drugs

In all types of assassination except terroristic, drugs can be very effective. If the assassin is trained as a doctor or nurse and the subject is under medical care, this is an easy and rare method. An overdose of morphine administered as a sedative will cause death without disturbance and is difficult to detect. The size of the dose will depend upon whether the subject has been using narcotics regularly. If not, two grains will suffice.

If the subject drinks heavily, morphine or a similar narcotic can be injected at the passing out stage, and the cause of death will often be held to be acute alcoholism.

Specific poisons, such as arsenic or strychnine, are effective but their possession or procurement is incriminating, and accurate dosage is problematical. Poison was used unsuccessfully in the assassination of Rasputin and Kolohan, though the latter case is more accurately described as a murder.

EXAMPLES

Agents may be presented brief outlines, with critical evaluations of the following assassinations and attempts:

Marat, Hedrich, Lincoln, Hitler, Harding, Roosevelt, Grand Duke Sergei, Truman, Pirhivie, Mussolini, Archduke Francis Ferdinand, Benes, Rasputin, Aung Sang, Madero, Kirov ,Abdullah, Huey Long, Gandhi, Alexander of Yugoslavia, Trotsky.

Title: Eric Phelps - Racial Separation

CRAIG-OXLEY - October 15, 2005 10:27 PM (GMT)

Dear Brother Axxxx,

As you know and as you also propose, the principles of racial separation I advocate for Whites, I also advocate for the Blacks, as well as the Jews. These principles are Biblical and they really work to the benefit of the obedient race that would put them into practice.

Thanks for your most excellent response. Coming from an English scholar having spent years in dwelling on the Word of God, your insights are greatly appreciated.

I agree with your every word below.

Sincerely in Faith,

Brother Eric

Subject: Re: Question on Vatican Assassins

Hi Eric

Many thanks on your forthright statements on the issue of race. I look forward to the appearance of VAIII, where it appears you provide extra information.

I will state plainly that racial integration is of the devil. Satan incarnate, Revelation 13, is an integrated man.

It is he that boasts of having "removed the bounds of the people," Isaiah 10:13, thereby impoverishing them.

Doctrinally, this is likely to refer to Israel but it is applicable to any western nation robbed of its white Anglo-Saxon identity - and its wealth - by an influx of non-white individuals (or non Anglo-Saxon whites, as we have many Eastern Europeans deported INTO this country, as cheap labour and ultimately, no doubt, to cause mayhem thus justifying an international "peace-keeping" force, thereby taking away our sovereignty).

This is how Satan "weaken(s) the nations" Isaiah 14:12.

This is how he works to set up his NWO, Revelation 13 and corrupt God's creation, the Lord having sought to salvage it as far as possible by dispersing Noah's descendents to 3 separate continents. Africa (Egypt) is "the land of Ham" Psalm 105:27. Blacks have no business living outside of Africa. That pitiful continent is in desperate need of saved, educated blacks to repatriate there and sort out the mess their own people are in.

The meeting place for the races (though not a mingling place) was meant to be Israel, so all the families of the earth could be blessed, Genesis 12:3.

Interesting that a study of Genesis 9:25-27 reveals that "God shall enlarge Japheth." It is "Japheth the elder" Genesis 10:21, who according to God's preferred will, should go worldwide to care for his younger brothers, to prevent tyranny (Shem) and savagery (Ham) and to propagate the Gospel.

Note, "He (Japheth) shall dwell in the tents of Shem, and Canaan shall be his servant" Genesis 9:27. It is not meant to be the other way around. I'm sure you can confirm the plight of native Americans who have relocated into the cities and the mess that results when any US City has a black mayor.

Sadly, God's plan was largely thwarted but it was most closely manifest by the British Empire that got the AV1611 to the uttermost parts of the earth, in the 19th and early 20th centuries. Things collapsed when the SJ deceived the Anglican Church into adopting the Catholic RV of 1881-4.

As for interracial marriage, of any kind, one should consider prayerfully the reactions of two great men of God, Ezra and Nehemiah, Ezra 9, 10, Nehemiah 13. The overwhelmingly effect of this sin is that it threatens a nation's God-given destiny, according to Noah's prophecy, Genesis 9:25-27, by diluting its identity.

Specifically concerning Christians and interracial marriage, Paul says that young women are "to be discreet" Titus 2:3 and young men are "to be sober minded" Titus 2:6.

I fail to see how marriage to a member of another race fulfills either of those exhortations.

I close with an anecdote.

Not long ago, I received a newsletter describing how the Lord protected a young female Christian university student from rape, when she observed a strange man watching her as she walked home alone one night through an otherwise deserted place. Understandably, she prayed for God's protection.

Another girl, a non Christian, sadly was raped shortly afterwards in the same area. The Christian girl later identified the attacker from a police line-up and he confessed to the attack against the second girl. The Christian girl asked the police to ask the rapist why she had not been attacked. His reply was "She had two tall men with her."

Not long ago, in Liverpool, a black Christian teenager named Anthony Walker, was murdered by a gang of whites. I believe it is significant that Anthony Walker's girlfriend at the time was white, not black. Had Anthony been keeping company with a girl of his own race, as he should have been, I believe he would be alive today.

(It is impossible to believe that somehow God's preferred will for 17-year old Anthony was that he receive a fatal blow from an axe to the back of the head, which was what killed him.)

Regards
Axxxxx

God Bless Phelps and all those who go out on a limb for the truth, no matter how controversial it is. Although many others dont have the guts to speak it, God bless those that do, including the blacks who also do. Only those who reject divine order are the ones who end up reaping the grave consequences of it.

TruthSeeker24 - October 17, 2005 12:21 PM (GMT)

The only thing I agree with Eric is that indeed many blacks need to go back to Africa to help our continent. I always felt this way since I was young. I might do this decades from now when I have money and resources. As for the other stuff, I wrote a long expose refuting the heretic views of segregation of believers, etc.

P.S. oh, no, more links showing the truth. It's hilarious for Eric to say that no advanced sub-Saharan civilizations existed in Africa, which is wrong for the Mali, Songhai, Zimbabwe, and other advanced sub-Saharan civilizations did occur. Eric needs to understand real black history indeed. That's what my little brother always tell me since it is seems that only the white supremacists are supplying

much of his information about race. I don't think that Eric is a racist, but have distorted views on race. What did you guys think, that I wasn't going to make another stiring comeback. I'm full of comebacks. I'm very young, so I will be around in the Net for decades to come. As for Blacks staying in Africa is nonsense, for Black people not only migrated across the world thousands of years ago (i.e. Agta, Olmec, some Dalits, etc.), but we made contributions doing it as well. Racial separation of believers always composed of contradictions and impossibilities, which are its main errors indeed. Racists always cite personal experience as evidence, but they discount the possibility of change of men as an option for them to embrace. Not to mention that one's personal experience isn't necessary a sign of total conclusive evidence at all. Some of these bigots embrace much of the concepts that Darwin believed. The smoking gun is that virtually all humanity aren't homogeneous in their ethnic group at all. For example, the Hispanic people have White, Native American, and some with even Black heritage. Even the Israelites married foreign women and God didn't condemn it at all. God did condemn the foreign women marriages if they followed false gods. I have a whole lot of firepower and my people will never be slandered. God is no respecter of persons. I've got my A-Game.

By TruthSeeker24.

From <http://www.jesus-is-lord.com/race.htm>

God ain't prejudiced and neither am I.

II Chronicles 6:32-33 Moreover concerning the stranger, which is not of thy people Israel, but is come from a far country for thy great name's sake, and thy mighty hand, and thy stretched out arm; if they come and pray in this house; Then hear thou from the heavens, even from thy dwelling place, and do according to all that the stranger calleth to thee for; that ALL PEOPLE OF THE EARTH MAY KNOW THY NAME, AND FEAR THEE, AS DOTH THY PEOPLE ISRAEL...

Jesus is for everybody--whether Jewish, Black, Hispanic, Asian, Native American, Indian, Aborigine, Eskimo, Tibetan or White--I do not mean to leave anyone out. Jesus is for the old, young, fat, skinny, not-so-cute, cute, poor, rich, diseased, healthy, etc. Your externals do not make one tiny bit of difference--just repent, believe, and follow. When Jesus walked this earth, it was the outcasts of society that heard Him gladly--the prostitutes, the publicans, the sinners.

If any one has a remote means to boast about their heritage, it is the Jewish Christian,

for Jesus came to him! Nevertheless, the scripture hath concluded (1) all under sin so no one can boast and (2) that God is the God of both the Jew and the Gentile (a Gentile is anyone that is not a Jew).

Is he the God of the Jews only? is he not also of the Gentiles? Yes, of the Gentiles also. (Romans 3:29)

There is neither Jew nor Greek, there is neither bond nor free, there is neither male nor female: for ye are all one in Christ Jesus. (Galatians 3:28)

What is exceeding interesting is that it is not the Jewish Christian that boasts, it is a segment of the White Gentile "Christian" community--as if they have whereof to boast. To my face, I have been told that spiritually there are differences between Black folks and others. Mmm. Many racists write e-mails here saying, "Great site!" and then add on something racist--when I reveal that I am Black, they don't write back. Sickening.

I've met racists in church...At the King James Bible Conference in June of 1998, author Bill Grady degraded Black people from the pulpit for 15 minutes before me and my husband walked out while he was talking. Many folks followed suit as he stood up there babbling. I know he must have felt like a fool. There were only four Black people in the audience--including me and my husband. I was very hurt but the Lord Jesus used it for His glory. I had been wanting to meet Gail Riplinger and she was one of the people who came outside to comfort me. I also got to meet a lot of other wonderful people I wouldn't have met otherwise. By week's end, I had interviewed every conference speaker that I wanted to (we have a local access tv show). It was a sober, but blessed week.

Me and the Lord Jesus are tight so I can deal with racism, but my concern is for the new Christian whose tender faith might be wounded by a marauding lion like Peter Ruckman who says that Black people should still be slaves (see his foolish book, "Integration or Segregation" where he wrongly divides the scriptures). A few members of Ruckman's cult have told me that I'm not a Bible believer because I reject Ruckman's nonsense (they write saying that this is one of their favorite websites--then when they find out I'm Black, things change.)--but in actuality my beliefs are based only on my King James Bible. Glory to God for That Book! Satan and misled folks can't kick your hind parts all up and down the street if you will read the Bible and obey it. Let's take a look at the scriptures and figure this race thing out--

The scriptures make it VERY clear that God is no respecter of persons:

Romans 2:11 For there is no respect of persons with God.

Ephesians 6:9 ... your Master also is in heaven; neither is there respect of persons with him.

Colossians 3:25 But he that doeth wrong shall receive for the wrong which he hath done: and there is no respect of persons.

James 2:1-3, 9 My brethren, have not the faith of our Lord Jesus Christ, the Lord of glory, with respect of persons. For if there come unto your assembly a man with a gold ring, in goodly apparel, and there come in also a poor man in vile raiment; And ye have respect to him that weareth the gay clothing, and say unto him, Sit thou here in a good place; and say to the poor, Stand thou there, or sit here under my footstool: But if ye have respect to persons, ye commit sin, and are convinced of the law as transgressors.

1 Peter 1:17 And if ye call on the Father, who without respect of persons judgeth according to every man's work, pass the time of your sojourning here in fear:

Throughout the Old Testament we see that God told the Jewish people to love the stranger and not mistreat him.

Deuteronomy 10:19 Love ye therefore the stranger: for ye were strangers in the land of Egypt.

In the New Testament, we see that Gentiles worshipped the God of Israel and that God wanted them evangelized. A good example is the Ethiopian eunuch--

Acts 8:27-29 ...behold, a man of Ethiopia, an eunuch of great authority under Candace queen of the Ethiopians, who had the charge of all her treasure, and had come to Jerusalem for to worship, Was returning, and sitting in his chariot read Esaias the prophet. Then the Spirit said unto Philip, Go near, and join thyself to this chariot. God has always welcomed the stranger who would worship Him.

Ezekiel 47:22 ...ye shall divide it by lot for an inheritance unto you, AND to the strangers that sojourn among you, which shall beget children among you: and they shall be unto you as born in the country among the children of Israel; they shall have inheritance with you among the tribes of Israel.

Leviticus 19:34 But the stranger that dwelleth with you shall be unto you as one born among you, and thou shalt love him as thyself; for ye were strangers in the land of Egypt: I am the LORD your God.

Isaiah 56:3 Neither let the son of the stranger, that hath joined himself to the LORD, speak, saying, The LORD hath utterly separated me from his people: neither let the eunuch say, Behold, I am a dry tree. 56:6 Also the sons of the stranger, that join themselves to the LORD, to serve him, and to love the name of the LORD, to be his servants, EVERY ONE that keepeth the sabbath from polluting it, and taketh hold of my covenant; 56:7 Even them will I bring to my holy mountain, and make them joyful in my house of prayer: THEIR BURNT OFFERINGS AND THEIR SACRIFICES SHALL BE ACCEPTED UPON MINE ALTAR; FOR MINE HOUSE SHALL BE CALLED AN HOUSE OF PRAYER FOR ALL PEOPLE.

The believing stranger was to be treated like the Israelite.

Numbers 15:15-16 One ordinance shall be both for you of the congregation, and also for the stranger that sojourneth with you, an ordinance for ever in your generations: as ye are, so shall the stranger be before the LORD. One law and one manner shall be for you, and for the stranger that sojourneth with you.

Exodus 12:49 One law shall be to him that is homeborn, and unto the stranger that sojourneth among you.

Joshua 8:33 And all Israel, and their elders, and officers, and their judges...as well the stranger, as he that was born among them;

Ezekiel 47:23 And it shall come to pass, that in what tribe the stranger sojourneth, there shall ye give him his inheritance, saith the Lord GOD.

Isaiah 14:1 ...the strangers shall be joined with them, and they shall cleave to the house of Jacob.

God wanted His people to avoid the HEATHEN stranger that was worshipping false gods. It was not about race:

Deuteronomy 31:16 ...this people will rise up, and go a whoring after the gods of the strangers of the land, whither they go to be among them, and will forsake me, and break my covenant which I have made with them.

Racists often appeal to Old Testament scripture to prove that God is against interracial marriage when in actuality He was against marrying the heathen who would turn His people away towards other gods. Two of the peoples that Israelites were warned against intermarrying were the Ammonites and the Moabites--who were of the SAME racial line as the Jewish people--they were Shemites! The Ammonites and Moabites served other gods--THAT was the problem. Both the Ammonites and the Moabites came from the incestuous relationships between Lot and his two daughters.

Genesis 19:36-38 Thus were both the daughters of Lot with child by their father. And the first born bare a son, and called HIS NAME MOAB: THE SAME IS THE FATHER OF THE MOABITES UNTO THIS DAY. And the younger, she also bare a son, and called his name BENAMMI: THE SAME IS THE FATHER OF THE CHILDREN OF AMMON UNTO THIS DAY.

Racists often use Ezra 9:1 to show that interracial marriage is a sin. Well, it has just backfired--the Israelites were forbidden to marry nations of their own race (the Ammonites and Moabites who were Shemites) because those people were heathens--

Ezra 9:1 Now when these things were done, the princes came to me, saying, The people of Israel, and the priests, and the Levites, HAVE NOT SEPARATED THEMSELVES from the people of the lands, doing according to their abominations, even of the Canaanites, the Hittites, the Perizzites, the Jebusites, THE AMMONITES,

THE MOABITES, the Egyptians, and the Amorites.

Ruth was a Moabitess, yet there is a book in the Bible about her. Ruth is also in the lineage of Jesus Christ (Matt. 1:5). Why wasn't her marriage to an Israelite cursed? Because she decided that she wanted the God of Israel! It ain't about race or nationality. It is about whether or not you serve the Lord!

When Moses married a Black woman, his sister and brother murmured against him for it. What did God do? He smote Moses' sister Miriam with leprosy. We saw earlier in this discussion that when the stranger came in, he was to be treated as the Israelite.

God has ALWAYS been kind to the stranger that wanted to do right by Him. You can see it throughout Deuteronomy and other books of the Pentateuch.

Psalms 146:9 The LORD preserveth the strangers; he relieveth the fatherless and widow: but the way of the wicked he turneth upside down.

Racist Peter Ruckman wants to oppress Black people who are apparently strangers to him. He says that we should still be unwilling slaves by virtue of our skin color.

Ezekiel 22:29 The people of the land have used oppression, and exercised robbery, and have vexed the poor and needy: yea, they have oppressed the stranger wrongfully.

22:7 In thee have they set light by father and mother: in the midst of thee have they dealt by oppression with the stranger: in thee have they vexed the fatherless and the widow.

22:29 The people of the land have used oppression, and exercised robbery, and have vexed the poor and needy: yea, they have oppressed the stranger wrongfully.

Peter Ruckman is cursed because he seeks to pervert the judgement of the Black man (not to mention that he is an adulterer with three wives--he's twice divorced and shackin' with his third).

Deuteronomy 27:19 Cursed be he that perverteth the judgment of the stranger, fatherless, and widow. And all the people shall say, Amen.

God will judge him:

Deuteronomy 10:17-18 For the LORD your God is God of gods, and Lord of lords, a great God, a mighty, and a terrible, which regardeth not persons, nor taketh reward: He doth execute the judgment of the fatherless and widow, and loveth the stranger, in giving him food and raiment.

Ruckman and his followers say Black people should still be slaves. Well, stealing a man, which is what American slavery was, is punishable by death in the Bible.

Exodus 21:16 And he that stealeth a man, and selleth him, or if he be found in his hand, he shall surely be put to death.

Concerning the race of Ham being cursed, I've found something interesting. The Bible doesn't say "the race of Ham" would be cursed. It said Canaan, HIS SON would be cursed--

Genesis 9:22 And Ham, the father of Canaan, saw the nakedness of his father, and told his two brethren without.

9:25 And he said, CURSED BE CANAAN; a servant of servants shall he be unto his brethren.

This is a curse on a son ONLY! It says nothing about it being a curse on Ham and his descendants. Many people WREST with the scriptures to make them say what they want them too.

Some racists (thinking that I am White) want me to publish their "works" on this website. It'll never happen. There is no provision for racism in the Christian faith--NONE WHATSOEVER. If you meet a "racist Christian" (oxymoron though it be) don't think that their wickedness is indicative of what the Bible says because it is NOT. They take a number of scriptures out of context and wrest with them to their own destruction.

I want to make one more note. Real Christians love the Jewish people. It is the wicked Catholic religion that has killed them, mistreated them, and called them "Christ-killers" for centuries on end. Hitler was a "good" Catholic and the Vatican supported him. Hitler WAS NEVER EXCOMMUNICATED from the Catholic religion because they approved of what he did. The Vatican's little phony apologies ain't fooling nobody...I killed Jesus and so did every man, woman, boy and girl. It is my sin that He went to the cross for. His people gave Him over to the Romans who did the dirty work--both Jew and Gentile killed Jesus. Real Christians know this. Jesus was Jewish! We need to be rejoicing everytime we see a saved Jewish person and we need to evangelize those that are not saved.

In conclusion, all sincere, Christian people are loved and welcomed here. Your color makes absolutely NO difference to me.

The following is from my e-mail response to a reader who wanted more information. Many racists say Ham was black and cursed. For that reason, say they, black people are cursed unto the current day and should still be slaves (Ruckman-type nonsense)--

Concerning the race of Ham being cursed, I've found something interesting. The Bible doesn't say "the race of Ham" would be cursed. It said Canaan, HIS SON would be cursed--

Genesis 9:22, 25 And Ham, the father of Canaan, saw the nakedness of his father, and told his two brethren without. And he said, CURSED BE CANAAN; a servant of servants shall he be unto his brethren.

This is a curse on a son ONLY! It says nothing about it being a curse on Ham and his descendants. Many people WREST with the scriptures to make them say what they want them too.

To show another example of a curse being passed on to a son we have the curse to King Solomon being placed on Rehoboam his son. We know Solomon went a whoring after the gods of his wives. In the following passage Jeroboam is told that God would rend the kingdom out of the hand of Solomon and give ten tribes to him. But notice verses 34 and 35 where it says for David's sake, he wouldn't take it from Solomon but from his son. His SON Rehoboam was cursed (not all his generations)--

1 Kings 11:31- And he said to Jeroboam, Take thee ten pieces: for thus saith the LORD, the God of Israel, Behold, I will rend the kingdom out of the hand of Solomon, and will give ten tribes to thee:

11:32 (But he shall have one tribe for my servant David's sake, and for Jerusalem's sake, the city which I have chosen out of all the tribes of Israel:)

11:33 Because that they have forsaken me, and have worshipped Ashtoreth the goddess of the Zidonians, Chemosh the god of the Moabites, and Milcom the god of the children of Ammon, and have not walked in my ways, to do that which is right in mine eyes, and to keep my statutes and my judgments, as did David his father.

11:34 Howbeit I will not take the whole kingdom out of his hand: but I will make him prince all the days of his life for David my servant's sake, whom I chose, because he kept my commandments and my statutes:

11:35 But I will take the kingdom out of his son's hand, and will give it unto thee, even ten tribes.

11:36 And unto his son will I give one tribe, that David my servant may have a light alway before me in Jerusalem, the city which I have chosen me to put my name there.

11:37 And I will take thee, and thou shalt reign according to all that thy soul desireth, and shalt be king over Israel.

11:38 And it shall be, if thou wilt hearken unto all that I command thee, and wilt walk in my ways, and do that is right in my sight, to keep my statutes and my commandments, as David my servant did; that I will be with thee, and build thee a sure house, as I built for David, and will give Israel unto thee.

11:39 And I will for this afflict the seed of David, but not for ever.

11:40 Solomon sought therefore to kill Jeroboam. And Jeroboam arose, and fled into Egypt, unto Shishak king of Egypt, and was in Egypt until the death of Solomon.

The Bible and Racism

The Bible is clear in teaching the equal opportunity of all races to join God's family by accepting God's laws and principles. There are no Scriptures which support the separation of races or the superiority of one racial group over the other. The Bible translation used is the New International Version (NIV).

SECTION 1: CREATION AND RACE

Genesis 1:27

So God created man in His own image, in the image of God He created him; male and female He created them.

Genesis 2:22

Then the Lord made a woman from the rib He had taken out of the man, and He brought her to the man.

These two verses illustrate that in the beginning there were two people, obviously of one 'race.' Just as both were made in God's image, so would their offspring be. Thus, all mankind is equal in the sight of God as all are offspring of Adam and Eve.

Genesis 1:24

And God said, "Let the land produce living creatures according to their kinds..."

The God-given natural law for each creature to reproduce according to its 'kind' may be applied to man: since there were only two humans, Adam and Eve, and all people descended from them, there is no Biblical mandate against racial intermarriage.

Genesis 9:1

Then God blessed Noah and his sons, saying to them "Be fruitful and increase in number and fill the earth."

With the great flood, the only human life remaining on planet earth was Noah, his wife, their three sons and their wives. The racial makeup of these wives is not known or mentioned in the Bible. If, however, racial characteristics are physical variations God allowed to help different peoples adapt to the habitat in the varied regions of the world, these wives could be the sources of the three races. Some scholars have postulated a racial breakdown of the three sons, with the Semitic peoples (such as the Jews), descending from Shem, the black peoples from Ham and white peoples from Japeth.

Genesis 9:24-25

When Noah awoke from his wine and found out what his youngest son had done to him, he said: "Cursed be Canaan! The lowest of slaves will he be to his brothers."

Because Ham means 'dark' or 'black,' some have incorrectly theorized that Ham was cursed with blackness because of the sin of the 'youngest son.' Since Canaan is specifically named as the guilty party, it is likely that the crime (likely a homosexual act or action) was committed by him personally. The 'youngest son' refers to the grandson, a common literary practice in Biblical writings. This curse definitely does not cover all of the Hamitic peoples, just the Canaanites. Additionally, all Hamitic peoples were not 'black' or negro: the Babylonians were a Hamitic people.

Genesis 11:9

This is why it is called Babel - because there the Lord confused the language of the whole world. From there the Lord scattered them over the face of the whole earth. The Tower of Babel is sited by some as the origin of different racial groups, but this challenges the specific nature of God's action in relation to language. The racial differences which result from living in different regions of the earth may have been a result of this scattering, but were not part of God's act at this time.

Leviticus 19:19

"Keep my decrees. Do not mate different kinds of animals. Do not plant your field with two kinds of seed. Do not wear clothing woven of two kinds of material."

Mating of different kinds of animals can produce infertile offspring, planting seeds together lead to problems in harvesting and different kinds of clothe create a problem in cleaning and care of the fabric. These are practical laws... there is no context to assume it applies toward humans. Even if it did, all mankind has two common

ancestors and thus is classed as one 'kind.'

SECTION 2: JEWISH PROHIBITIONS AGAINST INTERMARRIAGE

Genesis 15:16

"In the fourth generation your descendants will come back here, for the sin of the Amorites has not yet reached its full measure."

God did not give the Israelites the land of an 'innocent' or 'inferior' people (the Canaanites), but rather of a wicked people whose religious practices were an abomination to God. This verse shows that God delayed the entry of Israel into the land until the magnitude of the Amorites' sin justified their annihilation.

Exodus 34:15-16

Be careful not to make a treaty with those who live in the land (Canaanites and related peoples); for when they prostitute themselves to their gods and sacrifice to them, they will invite you and you will eat their sacrifices. And when you choose some of their daughters as wives for your sons and those daughters prostitute themselves to their gods, they will lead your sons to do the same.

This is the initial warning to Israel about intermarriage with the peoples of Canaan whose abominable pagan religious practices were the reason God was giving them the land. Adopting those practices would turn Israel from God, and this was the reason for prohibition of intermarriage and contact in general (Deuteronomy 7 expands on this as does Exodus 23:31-33). Numbers 25:1-9 records a plague sent from God which killed 24,000 Israelites as a punishment for sexual relations and idol worship with Moabite and Midianite women, stopped only by the spearing of a brazen couple by Phineas.

Judges 3:6

They took their daughters in marriage and gave their own daughters to their sons, and served their gods.

This passage summarizes the reason behind the events throughout the Book of Judges: the Canaanite people left behind as a 'test' (Judges 3:4) of the obedience of the Israelites to remain separate, entice Israel into idolatry and pagan worship, resulting in God allowing a foreign oppressor to assault them. The repentance of the Israelites and turning to God lasts only a short time, and the Israelites again return to their sin and disobedience

1 Kings 11:1-3

King Solomon, however, loved many foreign women besides Pharaoh's daughter - Moabites, Ammonites, Edomites, Sidonians and Hittites. They were from nations about which the Lord had told the Israelites, "You must not intermarry with them, because they will surely turn your hearts after their gods." Nevertheless, Solomon held fast to them in

love. He had seven hundred wives of royal birth and three hundred concubines, and his wives led him astray.

The 'greatest' King of Israel serves as the greatest example of the result of the sin of intermarriage with pagan women. The subsequent idolatry of the soon-to-be-divided nation of Israel/Judah, which led to their eventual conquest and removal from the land by foreign empires, is directly traceable to disobeying God's commands concerning intermixing with the pagan peoples.

Nehemiah 13:26-27

"Was it not because of marriages like these that Solomon king of Israel sinned...Must we hear now that you too are doing all this terrible wickedness and are being unfaithful to our God by marrying foreign women?"

Ezra 9:2; 10-12

"They have taken some of their daughters as wives for themselves and their sons, and have mingled the holy race with the peoples around them. And the leaders and officials have led the way in this unfaithfulness."

"But now, O our God, what we say after this? For we have disregarded the commands you gave through your servants the prophets when you said: The land you are entering to possess is a land polluted by the corruption of this peoples. By their detestable practices they have filled it with their impurity from one end to the other. Therefore do not give your daughters in marriage to their sons or take their daughters for your sons... The reason for remaining separate from the people is reiterated while post-captivity leaders Ezra and Nehemiah deal with the seemingly unending problem of intermarriage with pagan peoples. The term 'holy race,' or 'seed' as in the King James, does not designate a 'racial' group of people but rather is meant to designate the unique status of the Jewish people as a religio-ethnic group

CONCLUSION: God's prohibition against intermarriage with the Canaanite and other peoples of the land was not based on racial but rather the religious and societal practices of those peoples. Using this prohibition to support racist theories of superiority or segregationist policy is inaccurate. A further proof that the covenant was not 'racial' in nature is found in the accepting and honoring of non-Israelite (and non-Semitic) people in Scripture:

Numbers 12:21 - Moses marries an Ethiopian woman, resulting in Aaron and Miriam challenging his leadership; God forcefully supports Moses with no condemnation of the marriage

Matthew 1:5 - Rahab, the Canaanite from Jericho, and Ruth, the Moabite, are part of Jesus' genealogy

2 Samuel 3:3 - David's wife Maccah was a Geshurite, an Aramean

1 Chronicles 11:26-47 - the list of David's honored Mighty Men included Zelek the Ammonite, Ithmah the Moabite and Uriah the Hittite, all non-Israelite peoples.

SECTION 3: THE SAMARITANS

2 Kings 17:28

So one of the priests who had been exiled from Samaria came to live in Bethel and taught them how to worship the Lord. Nevertheless, each national group made its own gods in the several towns where they settled, and set them up in the shrines the people of Samaria had made at the high places.

The 'Samaritans' were actually foreign peoples that Assyria brought in to populate the Northern Kingdom of Israel (also called Samaria) after the native Israelites had been deported. The mixing of their own pagan religious practices with the corrupted 'Israelite' religion which Jeroboam established at Bethel, led the Israelites to avoid contact with the Samaritans as the new 'Canaanites.' Their racial/ethnic makeup was not the issue.

John 4:21-23

Jesus declared, "Believe me, woman, a time is coming when you will worship the Father neither on this mountain nor in Jerusalem. You Samaritans worship what you do not know; we worship what we do know, for salvation is from the Jews. Yet a time is coming and has now come when the true worshipers will worship the Father in spirit and truth, for they are the kind of worshipers the Father seeks."

In His conversation with the Samaritan woman at the well, Jesus reveals the true nature of the point of hostility between the two groups of people (true versus false worship of God), and the ultimate goal of God to have all, regardless of race or ethnic group, to worship Him together.

SECTION 4: The NEW COVENANT

Matthew 28:19

Therefore go and make disciples of all nations...

While Jesus' personal ministry was spent with the Jewish nation (Matthew 15:24), He did minister to non-Jews (Gentiles) who called upon him (the 'woman of Canaan' in Matthew 15:22, the Samaritan leper in Luke 17:16, and the Roman centurion in Matthew 8). The New Covenant, however, was for all people and the disciples were given the Great Commission to spread it to all, regardless of race.

Romans 4:16-17

Therefore, the promise comes by faith, so that it may be by grace and may be guaranteed to all Abraham's offspring - not only to those who are of the law but also to those who are of the faith of Abraham. He is the father of us all. As it is written, "I have made you a father of many nations..."

After writing that all men (Jew and Gentile in Romans 3:9-10) are equally guilty of sin, Paul writes that the true heirs of Abraham and his promise are those people of all

nations who believe.

Acts 8:14; 8:34-39; 11:1

These verses show how the Samaritans, a black Ethiopian and white Roman Gentiles receive the Gospel of Jesus Christ. The Ethiopian is a direct refutation of racists propaganda that declares blacks are not 'human.'

1 John 2:9

Anyone who claims to be in the light but hates his brother is still in the darkness. The Greek word for brother (adelphos) is used widely in the New Testament to denote a neighbor (Luke 10:29), the 'brethren' of Jesus bound by belief in Him (Matthew 25:40 and Mark 3:35), and is widened to include all human believers and angels (Revelation 22:9). Thus, hatred of any person for any reason, including race, is sinful.

James 2:9

But if you show favoritism, you sin and are convicted by the law as lawbreakers. James is specifically addressing favoritism shown to wealthier individuals who visit the church. This command, however, is applicable to showing favoritism for any characteristic, including race.

CONCLUSION: The New Testament emphasizes that all men are equally guilty of sin and equally able to be saved by accepting Jesus Christ as Lord and Savior. No where is racial separation or superiority taught or condoned. The interaction of Jews and Gentiles, the 'segregation' of the day in Israel, was specifically condemned (Galatians 2:11-12).

Inter-racial marriage: is it biblical?
by Ken Ham

What if a Chinese person were to marry a Polynesian, or an African with black skin were to marry a Japanese, or a person from India were to marry a person from America with white skin—would these marriages be in accord with biblical principles?

There are a significant number of Christians (particularly in America) who would claim that such 'inter-racial' marriages directly violate God's principles in the Bible, and should

not be allowed.

But does the Word of God really condemn such mixes as those above? Is there ultimately any such thing as 'inter-racial marriage'?

What constitutes a 'race'?

New Zealand Caucasian husband and Malaysian-Chinese wife on their wedding day; both fervent Christians and Biblical creationists.

In the 1800s, before Darwinian evolution was popularized, most people, when talking about 'races,' would be referring to such groups as the 'English race,' 'Irish race,' and so on. However, this all changed in 1859, when Charles Darwin published his book *On the Origin of Species by Means of Natural Selection or the Preservation of Favoured Races in the Struggle for Life*.

Darwinian evolution was (and still is) inherently a racist philosophy, teaching that different groups or 'races' of people evolved at different times and rates, so some groups are more like their ape-like ancestors than others. The Australian Aborigines, for instance, were considered the missing links between the ape-like ancestor and the rest of mankind.¹ This resulted in terrible prejudices and injustices towards the Australian Aborigines.² The leading evolutionary spokesperson, Stephen Jay Gould, stated that 'Biological arguments for racism may have been common before 1859, but they increased by orders of magnitude following the acceptance of evolutionary theory.'³

Racist attitudes fueled by evolutionary thinking were largely responsible for an African pygmy being displayed, along with an orangutan, in a cage in the Bronx zoo.⁴

As a result of Darwinian evolution, many people started thinking in terms of the different people groups around the world representing different 'races,' but within the context of evolutionary philosophy. This has resulted in many people today, consciously or unconsciously, having ingrained prejudices against certain other groups of people.

However, all human beings in the world today are classified as *Homo sapiens Sapiens*. Scientists today admit that, biologically, there really is only one race of humans. For instance, a scientist at the Advancement of Science Convention in Atlanta stated, 'Race is a social construct derived mainly from perceptions conditioned by events of recorded history, and it has no basic biological reality.'⁵ This person went on to say that 'Curiously enough, the idea comes very close to being of American manufacture.'⁵

Reporting on research conducted on the concept of race, the American ABC News science page stated, 'More and more scientists find that the differences that set us apart are cultural, not racial. Some even say that the word race should be abandoned because it's meaningless.'⁶ The article went on to say that 'we accept the idea of race

because it's a convenient way of putting people into broad categories, frequently to suppress them—the most hideous example was provided by Hitler's Germany. And racial prejudice remains common throughout the world.'⁶

In an article in the summer issue of the *Journal of Counseling and Development*,⁷ researchers argue that the term 'race' is basically so meaningless that it should be discarded.

Personally, because of the influences of Darwinian evolution and the resulting prejudices, I believe everyone (and especially Christians) should abandon the term 'race (s).' We could refer instead to the different 'people groups' around the world.

The Bible and 'race'

The Bible does not even use the word race in reference to people,⁸ but does describe all human beings as being of 'one blood' (Acts 17:26). This of course emphasizes that we are all related, as all humans are descendants of the first man, Adam (1 Corinthians 15:45).⁹ As Jesus Christ also became a descendant of Adam, being called the 'last Adam' (1 Corinthians 15:45), this is why the Gospel can be preached to all tribes and nations. Any descendant of Adam can be saved, because our mutual relative by blood (Jesus Christ) died and rose again.

'Racial' differences

But some people think there must be different 'races' of people because there appear to be major differences between various groups, such as skin colour and eye shape.

The truth though is that these so-called 'racial characteristics' are only minor variations among people groups. If one were to take any two people anywhere in the world, scientists have found that the basic genetic differences between these two people would typically be around 0.2 percent—even if they came from the same people group.¹⁰ But, these so-called 'racial' characteristics that people think are major differences (skin colour, eye shape, etc.) 'account for only 0.012 percent of human biological variation.'⁷ In other words, the so-called 'racial' differences are absolutely trivial—overall, there is more variation within any group than there is between one group and another. If a white person is looking for a tissue match for an organ transplant, for instance, the best match may come from a black person, and vice versa. The ABC news science page stated, 'What the facts show is that there are differences among us, but they stem from culture, not race.'⁶

The only reason many people think these differences are major is because they've been brought up in a culture that has taught them to see the differences this way.

Real science in the present fits with the biblical view that all people are rather closely related—there is only one 'race' biologically. Therefore, there is in essence no such thing as 'inter-racial marriage.' So we are left with this—is there anything in the Bible

that speaks clearly against men and women from different people groups marrying?

Origin of people groups

In Genesis 11, we read of the rebellion at the tower of Babel which resulted in people being scattered over the earth. Because of this dispersion, and the resulting splitting of the gene pool, different cultures formed, with certain features becoming predominant within each group. Some of these (skin colour, eye shape and so on) became general characteristics of each particular people group.¹¹

Note that the context of Genesis 11 makes it clear that the reason for God's scattering the people over the earth was that they had united in rebellion against God. Some Christians point to this event in an attempt to provide a basis for their arguments against so-called 'inter-racial' marriage. They believe that it is implied here that to keep the nations apart, God is declaring that people from different people groups can't marry. However, there is no such indication in this passage that what is called 'inter-racial marriage' is condemned. Besides, there has been so much mixing of people groups over the years, that it would be impossible for every human being today to trace their lineage back to know for certain which group(s) they are descended from.

We need to understand that the sovereign creator God is in charge of the nations of this world. Paul makes this very clear in Acts 17:26. Some people erroneously claim this verse to mean that people from different nations shouldn't marry. However, this passage has nothing to do with marriage. As John Gill makes clear in his classic commentary, the context is that God is in charge of all things—where, how and for how long any person, tribe or nation will live, prosper and perish.¹²

In all of this, God is working to redeem for Himself a people who are one in Christ. The Bible makes clear in Galatians 3:28, Colossians 3:11 and Romans 10:12–13 that in regard to salvation, there is no distinction between male or female or Jew or Greek. In Christ, any separation between people is broken down. As Christians, we are one in Christ and thus have a common purpose—to live for Him who made us. This oneness in Christ is vitally important to understanding marriage.

Purpose of marriage

Malachi 2:15 informs us that an important purpose of marriage is to produce godly offspring—progeny that are trained in the ways of the Lord. Jesus (in Matthew 19) and Paul (in Ephesians 5) make it clear that when a man and woman marry, they become one flesh (because they were one flesh historically—Eve was made from Adam). Also, the man and woman must be one spiritually so they can fulfill the command to produce godly offspring.

This is why Paul states in 2 Corinthians 6:14, 'Be ye not unequally yoked together with unbelievers: for what fellowship hath righteousness with unrighteousness? and what

communion hath light with darkness?’

According to the Bible then, which of the following marriages in the picture at right does God counsel against entering into?

The answer is obvious—number 3. According to the Bible, the priority in marriage is that a Christian should marry only a Christian.

Sadly, there are some Christian homes where the parents are more concerned about their children not marrying someone from another ‘race’ than whether or not they are marrying a Christian. When Christians marry non-Christians, it negates the spiritual (not the physical) oneness in marriage, resulting in negative consequences for the couple and their children.¹³

Rahab and Ruth

The examples of Rahab and Ruth help us understand how God views the issue of marriage between those who are from different people groups but trust in the true God.

Rahab was a Canaanite. These Canaanites had an ungodly culture, and were descendants of Canaan, the son of Ham. Remember, Canaan was cursed because of his obvious rebellious nature. Sadly, many Christians state that Ham was cursed—but this is not true.¹⁴ Some have even said that this (non-existent) curse of Ham resulted in the black ‘races.’ This is absurd and is the type of false teaching that has reinforced and justified prejudices against people with dark skin.

In the genealogy in Matthew 1, it is traditionally understood that the same Rahab is listed here as being in the line leading to Christ. Thus Rahab, a descendant of Ham, must have married an Israelite (descended from Shem). Since this was clearly a union approved by God, it underlines the fact that the particular ‘people group’ she came from was irrelevant—what mattered was that she trusted in the true God of the Israelites.

The same can be said of Ruth, who as a Moabitess, also married an Israelite, and is also listed in the genealogy in Matthew 1 that leads to Christ. Prior to her marriage, she had expressed faith in the true God (Ruth 1:16).

When Rahab and Ruth became children of God, there was no longer any barrier to Israelites marrying them, even though they were from different ‘people groups.’

Real biblical ‘inter-racial’ marriage

If one wants to use the term ‘inter-racial,’ then the real ‘inter-racial’ marriage that God says we should not enter into is when a child of the Last Adam (one who is a new creation in Christ—a Christian) marries one who is an unconverted child of the First Adam (one who is dead in trespasses and sin—a non-Christian).¹⁵

Cross-cultural problems

Because many people groups have been separated since the Tower of Babel, they have developed many cultural differences. If two people from very different cultures marry, they can have a number of communication problems, even if both are Christians. Expectations regarding relationships with members of the extended family, for example, can also differ. Even people from different English-speaking countries can have communication problems because words may have different meanings. Counselors should go through this in detail, anticipating the problems and giving specific examples, as some marriages have failed because of such cultural differences. However, such problems have nothing to do with genetics or 'race.'

Conclusion

There is no biblical justification for claiming that people from different so-called 'races' (best described as 'people groups') should not marry.

The biblical basis for marriage makes it clear that a Christian should marry only a Christian.

When Christians legalistically impose non-biblical ideas such as 'no inter-racial' marriage onto their culture, they are helping to perpetuate prejudices that have often arisen from evolutionary influences. If we are really honest, in countries like America, the main reason for Christians being against 'inter-racial' marriage is, in most instances, really because of skin colour. (By the way—every human being has the same skin colour—it just depends on how much of the colour one has).¹⁶

The church could greatly relieve the tensions over racism (particularly in countries like America), if only the leaders would teach that: all people are descended from one man and woman; all people are equal before God; all are sinners in need of salvation; all need to build their thinking on God's Word and judge all their cultural aspects accordingly; all need to be one in Christ and put an end to their rebellion against their Creator.

It is true that in some exceptional instances when a Christian has married a non-Christian, the non-Christian spouse, by the grace of God, has become a Christian. This is a praise point but it does not negate the fact that Scripture indicates that it should not have been entered into in the first place. This does not mean that the marriage is not actually valid, nor does it dilute the responsibilities of the marital union—see also 1 Corinthians 7:12–14, where the context is of one partner becoming a Christian after marriage. While I believe that the NWO shills promote interracial marriage as a way of knocking down boundaries and barriers, I'm not really against the *occasional* mixed marriage.

Moses married an Ethiopian. Miriam complained about it and God struck her with leprosy.

Moses' wife was pure-blood Abraham stock, and her father was an Abrahamic priest. The only thing they complained was she wasn't Israelite, and ya they were cursed for those tribal differences. That's like a German not wanting you to marry an Irish, and calling the Irish a bunch of monkeys. However, the Priestly experience of Moses' new father-in-law was used much as he was a major advisor to Moses. His genealogy is listed there and the people of that time were a totally different race in both lands of Cush, the (Cush/Ethopia)one all the way down in Africa, and the (Cush/Ethopia) near

Egypt where Moses lived.

The only time Jesus would bless a non-Adamite was when they admitted their race is lower than the children of God, and that their race are dogs who are barely worthy of crumbs off of God's children's table.

That Racist tripe doesn't even deserve a dignified response Pastor Steve. I guess we will have to agree to disagree then. Even if Moses's wife was Abrahamic stock, Rahab (the Canaanite) married an Israelite. Many of the Israelites married Egyptian, Syrian, and Canaanite women. It's so ironic that you guys cite Nehemiah when Nehemiah condemned marriages also with Semetic lineages as well who were following false gods. Nehemiah condemn Israelites marrying other Semites like the Syrians because of their paganism which makes racist ideals as having contradictions indeed. The non-Adamite stuff is false for plenty of reasons and one is that in the Bible, it said that the Flood destroyed all human flesh. The Bible clearly states that all men have a chance to be saved regardless of color or origin and Paul said that all men originated from Adam, the first man on Earth. The dog issue was with the Samartians and God called unbelieving Jews dogs in the OT as well that you don't mention. As for Cush, there were black Cushites in Arabia thousands of years ago and I have plenty of links to back up that point. Black Negroid traces of Arabic Cushite people exist to this day. One website even have black soldiers in Iraq looking at Iraqis looking Black Negroid ethnically.

As for the "monkeys" comment, it's rather silly and bigoted. There is no a single verse in the Bible that forbids interracial marriage among believers at all and many ministries have made that point. The Bible says that God is no respecter of persons, all believers are one, that he who hates his neighbor and brother is a murderer and no murderer will come into the kindgom of Heaven, and from one blood all men proceed from. These racists forgotten Jesus Christ's words that any man that comes unto me will have eternal life. He said anyone not just people of a specific race. **Yeah, it's time to be bold. Nothing on Earth will make embrace racist, shill ideology and nothing on Earth will make me denigrate my fellow man. It's a spiritual battle indeed. There were no different races of Cush in Africa. Genetic tests prove similarities between West Africa and many Blacks in India. In fact Black Negroid people like the Agta exist in Asia today. These links make my point.**

Rahab was Hysksos of Jericho, the major inhabitants of that land. There are many databases widely available on the archeology of the people of Jericho, well preserved skeletons and emense data. Canaanites only began mixing with the hysksos about 100 years before the Israelite invasion. Besides God doesn't command racial segregation in one part of the bible, then allow mixing in the next.

(sorry for the theology debate 2tuff) It wasn't my intension to bring this into a bible study. Just because my personal views are out of the ordinary people dont need to be threatened by it. Just write me off as a racist if you like, I dont care anymore about that because those who know me know that isn't true. In fact it was a non-white who turned me on to these truths.

Issue # 44

Date: April 5, 2004

By Darryl Eberhart

((NOTE: All emphasis throughout this newsletter, unless otherwise noted, is by the editor of "Tackling the Tough Topics (TTT)".

((NOTE: Jesuits = the Society of Jesus; the Black Pope = the Superior General of the Jesuits))

((NOTE: This issue of TTT may severely disturb some folks' comfort zones!))

((NOTE: Editor of TTT is not Roman Catholic; he also is definitely NOT anti-Roman Catholic. His dad and 90% of his relatives are Roman Catholic; his best friend is Roman Catholic; and the majority of his friends are Roman Catholic. Editor of TTT, however, is against those from secret societies (from top-level Jesuits to top-level Freemasons) who have seized control of most of the major Christian denominations, including the Roman Catholic Church. [note] In fact, editor of TTT is against all those – whether individuals or organizations – who are trying to destroy our freedom and steal from us our God-given rights. Sadly, most low-level Jesuits and most low-level Freemasons know little to nothing about the true intentions, goals, and activities of their superiors – and this information is deliberately kept from them by their superiors!..))

DEDICATION:

This issue of TTT is dedicated to courageous Roman Catholics who have stood up for truth – and fought against tyranny – over the centuries (often at the risk of their very lives)!

HERE ARE SOME GREAT QUOTES:

"Most people, sometime in their lives, stumble across the truth. Most jump up, brush themselves off, and hurry on about their business AS IF NOTHING HAD HAPPENED."

Sir Winston Leonard Churchill (1874-1965; British statesman and writer)

((Ed. Comment: Dear reader, you are about to meet some 'truth' that the controlled mainstream media, our federal government, and even church leaders try to suppress and keep from you. The important question is: What will you do with this information?))

"The world is governed by very different personages from what is imagined by those who are not behind the scenes."

Benjamin Disraeli (1804-1881; English statesman and writer; prime minister of England)

"The Order's working and involvement in America is immense. The real rulers in Washington [D.C.] are invisible and exercise power from behind the scenes."

Felix Frankfurter (1882-1965; a U.S. Supreme Court justice)

"Some of the biggest men in the U.S., in the field of commerce and manufacturing, are

afraid of SOMEBODY, are afraid of SOMETHING. They know that there is a POWER somewhere so organized, so subtle, so watchful, so interlocked, so complete, so pervasive, that they had better NOT speak above their breath when they speak in condemnation of it." (1913)

Woodrow Wilson (1856-1924; 28th President of the United States)

"The conscious and intelligent manipulation of the organized habits and opinions of the masses is an important element in democratic society. Those who manipulate this unseen mechanism of society constitute an invisible government which is the true ruling power of our country... It is they who pull the wires which control the public mind, who harness old social forces and contrive new ways to bind and guide the world..." (1928)

Edward Bernays (Called by some the "Father of Public Opinion")

((Ed. Comment: This quote is included because it explains how the top-level Jesuits and top-level Freemasons control many governments and nations. They place "their people" in key positions within government (as advisors, counselors, presidents, senators, etc.); within the judiciary (as judges and prosecutors); within the mainstream media (as editors, editorial writers); within major trade unions; within the education system; within banking systems; etc.))

(DESCRIPTIONS OF THE JESUITS):

"My history of the Jesuits is not eloquently written, but it is supported by unquestionable authorities, is very particular and very horrible. Their restoration [i.e., the Jesuits' reinstatement as an official order by Pope Pius VII in 1814] is indeed a step toward darkness, cruelty, perfidy, despotism, death... I do not like the appearance of the Jesuits. If ever there was a body of men who merited eternal damnation on earth and in hell, it is this Society of Loyola's [i.e., the Jesuits, the "Company"]."

John Adams (1735-1826; 2nd President of the United States; Quote taken from a letter in 1816 to Thomas Jefferson)

"The organization of the [Roman Catholic] Hierarchy is a complete military despotism, of which the Pope is the ostensible [i.e., apparent; seeming] head; but of which, the Black Pope [Ed. Note: The Superior General of the Jesuits], is the real head. The Black Pope is the head of the order of the Jesuits, and is called a General [i.e., the Superior General]. He not only has command of his own order, but directs and controls the general policy of the [Roman Catholic] Church. He [the Black Pope] is the power behind the throne, and is the real potential head of the Hierarchy. The whole machine is under the strictest rules of military discipline. The whole thought and will of this machine, to plan, propose and execute, is found in its head. There is no independence of thought,

or of action, in its subordinate parts. Implicit and unquestioning obedience to the orders of superiors in authority, is the sworn duty of the priesthood of every grade..."

Thomas M. Harris (U.S. Army Brigadier General; Author of the book Rome's Responsibility for the Assassination of Abraham Lincoln)

"The Jesuits are a military organization, not a religious order. Their chief is a general of an army, not the mere father abbot of a monastery. And the aim of this organization is power – power in its most despotic exercise – absolute power, universal power, power to control the world by the volition of a single man [i.e., the Black Pope, the Superior General of the Jesuits]. Jesuitism is the most absolute of despotisms: and at the same time the greatest and most enormous of abuses..."

The [Superior] General of the Jesuits insists on being master, sovereign, over the sovereign. Wherever the Jesuits are admitted they will be masters, cost what it may... Every act, every crime, however atrocious, is a meritorious work, if committed for the interest of the Society of the Jesuits, or by the order of the [Superior] General."

Napoleon Bonaparte (1769-1821; Napoleon I, emperor of the French)

"The Jesuits...are simply the Romish army for the earthly sovereignty of the world in the future, with the Pontiff of Rome for emperor...that's their ideal... It is simple lust of power, of filthy earthly gain, of domination – something like a universal serfdom with them [i.e., the Jesuits] as masters – that's all they stand for. They don't even believe in God perhaps." (1880)

Fyodor Dostoyevsky (1821-1881; Russian novelist)

"...the Council [of Trent] recommended that the Jesuits 'should be given pride of place over members of other orders as preachers and professors'. It was at [the Council of] Trent that the Roman Catholic Church began marching to the beat of the Black Papacy [the Superior General of the Jesuits]."

F. Tupper Saussy (Author of the book Rulers of Evil: Useful Knowledge About Governing Bodies)

"...This 'Directorium Inquisitorum' was dedicated to Gregory XIII, the pope who bestowed upon Jesuits the right to deal in commerce and banking, and who also decreed that every papal legate should have a Jesuit advisor on his personal staff."

F. Tupper Saussy

"Indeed, for two centuries, all the French kings, from Henry III to Louis XV, would confess to Jesuits. All German emperors after the early seventeenth century would confess to Jesuits, too. Jesuits would take the confessions of all Dukes of Bavaria after

1579, most rulers of Poland and Portugal, the Spanish kings in the eighteenth century, and James II of England.

The sacrament of confession kept Jesuit information channels loaded with vital state secrets. It also furnished the Society [of Jesus] an ideal vehicle for influencing political action."

F. Tupper Saussy

"The [British] East India Company was a major subsidizer of the Jesuit mission to Beijing [China]. The Jesuits, in turn, interceded with oriental monarchs to secure lucrative commercial favors for the company, including monopolies on tea, spices, saltpeter (for explosives), silks, and the world's opium trade. Indeed...the [East India] Company appears to owe its very existence to the Society of Jesus [i.e., the Jesuits]."

F. Tupper Saussy

"According to the Association of Jesuit Colleges and Universities, in the 106th Congress there are 40 Jesuit alumni who graduated from 17 Jesuit institutions."

F. Tupper Saussy

"...the order of the Jesuits was created – the most cruel, unscrupulous, and powerful of all the champions of popery... they knew no rule, no tie, but that of their order, and no duty but to extend its power... There was no crime too great for them to commit, no deception too base for them to practice, no disguise too difficult for them to assume. [Though] vowed to perpetual poverty and humility, it was their studied aim to secure wealth and power, to be devoted to the overthrow of Protestantism, and the re-establishment of the papal supremacy.

When appearing as members of their [Jesuit] order, they wore a garb of sanctity...but under this blameless exterior the most criminal and deadly purposes were often concealed. It was a fundamental principle of the order that 'the end justifies the means'. By this code, lying, theft, perjury, [and] assassination, were not only pardonable but commendable, when they served the interests of the Church [Ed. Note: more specifically, the interests of the Superior General of the Jesuits]. Under various disguises the Jesuits worked their way into offices of State, climbing up to be the counselors of kings, and shaping the policy of nations. They became servants [in order] to act as spies upon their master... The Jesuits rapidly spread themselves over Europe, and wherever they went, there followed a revival of popery. To give them greater power, a bull was issued re-establishing the inquisition...and atrocities too terrible to bear the light of day were repeated in its secret dungeons." (1888)

Ellen G. White (Author of the book The Great Controversy) [note: Liberty To The Captives does not endorse Ellen G. White or her doctrines.]

(WARNINGS ABOUT THE JESUITS):

"It is my opinion that if the liberties of this country – the United States of America – are destroyed, it will be by the subtlety of the Roman Catholic Jesuit priests, for they are the most crafty, dangerous enemies to civil and religious liberty. They have instigated most of the wars of Europe."

Marquis de Lafayette (1757-1834; French statesman and general; served in the American Continental Army under General George Washington)

"[Illuminist Adam] Weishaupt's success in forcing the Vatican to reestablish the abolished Jesuit Order [Ed. Note: it had been abolished in 1773 by Pope Clement XIV], through revival of the Church's original Nazarene Communism in the form of present-day Communism, led to the conspiracy's control by the Society of Jesus [i.e., the Jesuits]...

...wherever a totalitarian movement erupts, whether Communist or Nazi, a Jesuit can be found in the role of 'advisor' or leader; in [Communist] Cuba Fr. Armando Llorente and in Argentina the neo-Nazis are led by Fr. Menvieille." (1968)

Emanuel M. Josephson (American physician and historian)

"[The Jesuits] are the deadly enemies of civil and religious liberty. Nothing that stands in their way can become so sacred as to escape their vengeance...

Because of this, a sense of both duty and security demands that the history and character of this skilled and powerful adversary [i.e., the Jesuits] ...should be understood; as also the causes which have led to the expulsion of the Jesuits from every country in Europe, the public odium which has rested upon them for many years, their long continued disturbance of the peace of nations, and the final suppression and abolition of their society by one of the best and most enlightened of the popes [i.e., Pope Clement XIV] ."

R.W. Thompson (Ex-Secretary, American Navy)

"I would remind you of Webster's [i.e., the Webster Dictionary] definition of a Jesuit: a designer, an intriguer. ...The Jesuits are here [in America] to plot and scheme and, if possible, take from us the noble heritage of our civil and religious freedom. The rules of the Jesuit Order justify theft, licentiousness, lying, false-witness bearing, suicide and the murder of parents and other relatives. The greatest crimes in history committed against individuals and nations have been committed by Jesuits. ...Wherever Jesuits are they have the torch to burn, the sword to slay, the inquisition to torture. They are the enemies of [true, Biblical] Christianity. They live for conquest, fortune and glory."

B. C. Oggel (American clergyman)

"The Society of Jesus [i.e., the Jesuits] is the enemy of man. The whole human race should unite for its overthrow... For there is no alternative between its [i.e., the Society of Jesus'] total extirpation [eradication], and the absolute corruption and degradation of mankind."

Robert J. Breckinridge (Pastor; author)

"All these things cause the Father-General [of the Jesuits] to be feared by the Pope and sovereigns... A sovereign [Ed. Note: or pope] who is not their [the Jesuits'] friend will sooner or later experience their vengeance." (1852)

Luigi Desanctis

(JESUITS & MASONRY):

"This society of men [i.e., the Jesuits], after exerting their tyranny for upwards of two hundred years, at length became so formidable to the world, threatening the entire subversion of all social order, that even the Pope [Ed. Note: Pope Clement XIV]...was compelled to dissolve them. ((Ed. Note: The Jesuit Order was banned by Pope Clement XIV in his Papal 'Bull of Suppression' in 1773. He was assassinated by the Jesuits in 1774.))

They [i.e., the Jesuits] had not been suppressed, however, for fifty years, before the waning influence of Popery and Despotism required their useful labors to resist the light of Democratic liberty, and the Pope (Pius VII), simultaneously with the formation of the Holy Alliance, revived the order of the Jesuits in all their power.

[The] Jesuits...are a secret society, a sort of Masonic order, with superadded features of revolting odiousness, and a thousand times more dangerous. They are not merely priests, or of one religious creed; they are merchants, and lawyers, and editors, and men of any profession, having no outward badge (in this country) by which to be recognized; they are about in all your

society." – Samuel Morse (1791-1872; American inventor of the telegraph)

"Both Freemasonry and the Society of Jesus [i.e., the Jesuits] are (a) humanist religious orders, (B) secretive, © fraternal, (d) socially conscientious and politically active... Both orders (e) hold Tradition, Reason, and Experience in equal if not greater esteem than the Bible, (f) employ carefully structured programs of Gnostic visualization to achieve an ever-increasing knowledge of the 'divine', (g) condone 'the end justifies the means', and (h) require absolute obedience, secured by blood oath, to a hierarchy of superiors

culminating in the Jesuit General..."

F. Tupper Saussy (Author)

"The involvement of leading members of the Roman Curia in secret societies, including P2 and other Masonic Lodges, was revealed to Pope John Paul I by the Italian news agency 'L-Osservatore Politico' shortly before his untimely and mysterious death in September 1978."

Michael De Semlyen (Author of the book All Roads Lead to Rome?: The Ecumenical Movement)

((Ed. Comment: A lot of "circumstantial evidence" indicates that Pope John Paul I was assassinated by being poisoned because he was trying to remove a lot of top-level Masons in the Vatican and in the Vatican Bank.))

"...if you trace up Masonry, through all its Orders, till you come to the grand tip-top, head Mason of the World, you will discover that the dread individual and the Chief of the Society of Jesus [i.e., the Superior General of the Jesuits] are one and the same person."

James Parton (American historian)

"Masonry ought forever to be abolished. It is wrong – essentially wrong – a seed of evil, which can never produce any good."

John Quincy Adams (1767-1848; 6th President of the United States)

(ASSASSINATIONS):

"During the night preceding the day appointed for the public ceremony of announcing the abolition of the Jesuits, [Pope] Clement XIII was suddenly seized with convulsions, and died, leaving the act unperformed, and the Jesuits victorious. Cormanin...records this event in the terse and expressive words: 'The Jesuits had poisoned him'."

R.W. Thompson (Ex-Secretary, American Navy)

((Ed. Note: Clement XIII was assassinated (poisoned) in 1769 the day before he was to sign a Papal Bull suppressing the Jesuits.))

"It would seem that the Jesuits had had it in mind, from the beginning of the war [the American Civil War of 1861-1865], to find an occasion for the taking off [i.e., the assassination] of Mr. [Abraham] Lincoln."

U.S. Army Brigadier General Thomas M. Harris

"The favorite policy of the Jesuits [is] that of assassination."

U.S. Army Brigadier General Thomas M. Harris

"These facts, as developed on the trial of the conspirators before a military commission, and on the trial of John H. Surratt two years later, before a civil court...show conclusively the hand of Rome [Ed. Note: more specifically, the Jesuits] in this stab [i.e., the assassination of President Lincoln] at our nation's life."

U.S. Army Brigadier General Thomas M. Harris

"Known as Henry of Navarre, being the first of the Bourbon kings, he brought religious liberty to France with his Edict of Nantes – thus outraging the Jesuit Order... After several attempts [on King Henry IV's life], the Jesuits finally assassinated him at point blank range [in 1610] with one of their fanatical, remorseless tools, Ravallac."

Eric Jon Phelps (Author of the book Vatican Assassins)

"And two key players in the assassination of Pope John Paul I were Cardinal [Jean] Villot, the Papal Secretary of State and Bishop Marcinkus of the Vatican Bank. Both of these men were Freemasons."

Eric Jon Phelps

(INSTIGATORS OF WARS & REVOLUTIONS):

"The war [i.e., the Civil War of 1861-1865] would never have been possible without the sinister influence of the Jesuits."

Abraham Lincoln (1809-1865; 16th President of the United States)

"[Illuminist Adam] Weishaupt and his fellow Jesuits cut off the income to the Vatican by launching and leading the French Revolution; by directing Napoleon's conquest of Catholic Europe; [and] ...by eventually having Napoleon throw Pope Pius VII in jail at Avignon until he agreed, as the price for his release, to reestablish the Jesuit Order. This Jesuit war on the Vatican was terminated by the Congress of Vienna and by the secret, 1822 Treaty of Verona."

Emanuel M. Josephson (American physician and historian)

"Warfare, specifically global world war, greatly benefits the money brokers. They derive terrific economic advantage by the financing of both the military buildup and the urban

renewal projects that come as a result of war's devastation. When the warring factions face the realities of rebuilding their countries, they must borrow large sums of money at usurious interest rates, thus bringing in great revenues to the international bankers.

In this way money is further concentrated in the hands of a banking elite, and the nations are weakened and brought into submission through debt. By instigating the wars and backing both sides, the bankers can't possibly lose. They win from both sides."

Ken Klein (Author of the book America, Globalism, and the False Prophet)

((Ed. Note: This quote was included because the Jesuits seem to have been involved in instigating a significant number of wars. It was also included because it explains one of the main reasons why they do instigate wars!))

((Ed. Comment: There is excellent "circumstantial evidence" that the Jesuits played an important role in fomenting the American Revolutionary War.))

(SUPPRESSION/ABOLITION/EXPULSION):

"...that the name of the company [i.e., the Society of Jesus – the Jesuits] shall be, and is forever extinguished and suppressed... [This Papal Bull of Suppression shall] forever and to all eternity be valid, permanent, and efficacious."

Pope Clement XIV (Pope 1769-1774; from his Papal 'Bull of Suppression' banning the Jesuits in 1773)

((Ed. Comment: The suppression and the subsequent abolition of the Jesuits did not last "to all eternity". Less than 50 years later, the Jesuits were "reinstated". Pope Clement XIV had done a four-year investigation into the workings of the Jesuits. He had listed eleven other popes who had tried to curb the excesses of this society. In 1774, fourteen months after issuing his Papal Bull suppressing the Jesuits, Pope Clement XIV was assassinated by them.))

"They [the Jesuits] were abolished by papal bull in 1773 at the demand of France, Spain, Portugal, Parma, Naples and Austria. They are, however, still to be found everywhere, and they hold considerable property in England. A modern writer justly calls them the 'Black International'." (1933)

Lady Queenborough

"Between 1555 and 1931 the Society of Jesus [i.e., the Jesuits] was expelled from at least 83 countries, city states and cities, for engaging in political intrigue and subversive plots against the welfare of the State, according to the records of a Jesuit priest of repute...practically every instance of expulsion was for political intrigue, political infiltration, political subversion, and inciting to political insurrection." (1987)

J.E.C. Shepherd (Canadian historian)

INTRODUCTION

The above listed quotations tell quite a story. We find famous persons (former U.S. presidents, the inventor of the telegraph, an emperor, army generals, historians, a great Russian novelist, a pope, etc.) condemning the Jesuits, warning about the Jesuits, describing Jesuit assassinations, and even abolishing the Jesuits as a Catholic Order (i. e., Pope Clement XIV).

Why did at least 11 other popes try to "curb the excesses" of this Roman Catholic Order called the "Society of Jesus"? In 1769, one pope [Clement XIII] was getting ready to sign a Papal Bull suppressing the Jesuits when he was assassinated the day before the official signing was to occur. The next pope [Clement XIV] did suppress and abolish the Jesuits in 1773.

What could the Jesuits have done to cause them to be expelled from 83 (eighty-three) countries, city states, and cities – expulsions carried out mostly by Roman Catholic monarchs?

Let's take a look at some of these important topics raised by the quotations at the beginning of this newsletter: assassinations, expulsions, and suppressions.

ASSASSINATIONS

Here is a partial listing of just some of the individuals that the Jesuits assassinated – or paid others to assassinate:

- (1) 1572 – Admiral Coligny, leader of the French Huguenots
- (2) 1584 – William, Prince of Orange (former principality of Western Europe)
- (3) 1589 – King Henry III of France
- (4) 1610 – King Henry IV of France (this was the Jesuit "pay-back" for his 1598 "Edict of Nantes" granting religious liberty to his subjects)
- (5) 1769 – Pope Clement XIII (poisoned the day before he was to sign a Papal Bull officially suppressing the Jesuits)
- (6) 1774 – Pope Clement XIV (poisoned 14 months after he had abolished the Jesuit

Order)

(7) 1825 – Tsar Alexander I of Russia (this was the Jesuit "pay-back" for his 1820 expulsion of the Jesuits from all of Russia)

(8) 1846 – Tsar Alexander II of Russia

(9) 1865 – U.S. President Abraham Lincoln (if you think the Jesuits didn't play a major role in the assassination of Lincoln, then you need to read U.S. Army Brigadier General Thomas M. Harris' book, Rome's Responsibility in the Assassination of Abraham Lincoln) ((Ed. Note: Brigadier General Harris was on the commission that investigated the assassination of Lincoln. Some of Lincoln's "crimes" (in the Jesuit mindset) included "not playing ball with the bankers who wanted to finance the Civil War, and preventing the breakup of the Union."))

(10) 1978 – Pope John Paul I (this was accomplished through P2 Masonry; John Paul I was getting ready to "clean out" all of the top-level Masons in the Vatican and in the Vatican Bank when he was suddenly poisoned!) ((Ed. Note: If you don't think Pope John Paul I was assassinated, then you need to read the book The Murder of John Paul I by Vance Ferrell.))

Nearly all of the above men were involved in trying to expel or suppress the Jesuits. Some of them succeeded, at the cost of their lives, in temporarily expelling and/or suppressing the Jesuits. Now you can see why so many monarchs, including many Roman Catholic kings, expelled the Jesuits from their countries!

EXPULSIONS

Here is a partial listing of some of the kings and countries that expelled the Jesuits from their lands for political intrigues and assassinations:

(1) 1570 – Elizabeth I, Queen of England; (2) 1614 – Japan; (3) 1618 – the Kingdom of Bohemia; (4) 1716, 1783 – China; (5) 1719 – Peter the Great of Russia; (6) 1759 – King Joseph I of Portugal; (7) 1764 – King Louis XV of France; (8) 1816 – Russian Tsar Alexander I expels Jesuits from Moscow and St. Petersburg; (9) 1820 – Russian Tsar Alexander I expels Jesuits from all of Russia; (10) 1820, 1835, 1868 – Spain; (11) 1834 – Portugal; (12) 1848, 1859 – Italy; (13) 1848 – Switzerland; (14) 1872 – Guatemala; (15) 1872 – German-Prussian Empire; (16) 1873 – Mexico; (17) 1874 – Brazil; (18) 1875 – Ecuador and Columbia; (19) 1880, 1901 – France; (20) 1884 – Costa Rica; (21) 1901 – Portugal

Additionally, in 1867 the United States government severed all relations with the sovereign State of Vatican City because of Jesuit intrigues in the Lincoln assassination.

Diplomatic relations were not totally restored until 1984.

SUPPRESSIONS

As mentioned briefly earlier in the newsletter, Pope Clement XIII was preparing in 1769 to officially suppress the Jesuit Order. However, he was poisoned to death the day before the official signing of his Papal Bull of Suppression was to take place.

His successor, Pope Clement XIV, did a four-year study of the Jesuits – and listed eleven other popes who had tried to "curb the excesses" of the Jesuits. Pope Clement XIV finally did suppress and abolish the Jesuits as a Roman Catholic Order in 1773. Fourteen months later he paid for this action with his life – poisoned to death by the Jesuits!

Pope Clement XIV had stated in his Papal Bull suppressing the Jesuits that the ban would "forever and to all eternity be valid, permanent, and efficacious." "Eternity" lasted less than 50 years, because the ban on the Jesuits lasted only until 1814. It was then that Pope Pius VII reinstated the Jesuits as a Roman Catholic Order (after being imprisoned for 5 years – no doubt in exchange for his freedom)!

BANKING & INTELLIGENCE & UNIVERSITIES

The Jesuits seem to have their fingers in just about anything of importance in the world. They control some major banking interests, and Pope John Paul I's attempt at "banking reform" of the Vatican Bank was one of the reasons he got assassinated.

The Jesuits seem to have a lot of "influence" at the U.S. Justice Department, the U.S. State Department, and the Central Intelligence Agency (CIA). Many of the CIA chiefs have been either high-level Freemasons or Knights of Malta (such as Knight of Malta "Wild Bill" Donovan, Jesuit-trained Knight of Malta William J. Casey, and Knight of Malta John McCone). Interestingly, the Knights of Malta have their headquarters at the same location where the Jesuit Superior General resides near the Vatican. Equally interestingly, the CIA has a "Vatican Desk", formerly manned by Knight of Malta James Jesus Angleton. Knight of Malta Clay L. Shaw, a contract agent for the CIA, was involved in the JFK assassination.

The Jesuits, when they came to America, really got into the "education business". Here is a partial listing of American colleges and universities that are member institutions of the "Association of Jesuit Colleges and Universities": Boston College; College of the Holy Cross; Creighton University; Fordham University; Georgetown University; John Carroll University; Loyola University in Chicago; and Marquette University. ((Ed. Note: I

chose some of the more famous colleges and universities with which I was familiar.)) It was at Georgetown University that Bill Clinton was mentored by Professor Carroll Quigley (an "insider" and the author of the book *Tragedy and Hope*). The point I am getting at is that there are a whole lot of connections between "the Jesuits, the Knights of Malta, and Jesuit institutions of learning (such as Georgetown)" and the following: (1) the Council on Foreign Relations (CFR) – an organization that basically formulates U.S. foreign policy, and whose members hold key positions in the U.S. government, the controlled media, major universities, etc.; (2) the State Department (these people basically implement CFR foreign policy decisions); (3) the Justice Department and the Federal Bureau of Investigation; (4) the Central Intelligence Agency (again, many heads of the CIA have been high-level Knights of Malta and top-level Freemasons); etc.

And if American historian James Parton is correct when he said: "...if you trace up Masonry, through all its Orders, till you come to the grand tip-top, head Mason of the World, you will discover that the dread individual and the Chief of the Society of Jesus [i. e., the Superior General of the Jesuits] are one and the same person." – (and I believe that he is correct), then we can see that a relatively small group of men have a vastly disproportional amount of control over U.S. law enforcement, over U.S. intelligence gathering, and over U.S. foreign policy. I suspect that they also have a tremendous amount of control over the Pentagon too. I would submit to you that any rational person, when reviewing the history of American foreign policy over the past century, would come to the conclusion that this small power cabal have never done things for America's national interests, but rather for their own interests – e.g., using U.S. military forces as their own "personal army", gradually weakening America's national sovereignty while creating more and more global and international organizations, and eroding personal liberties here in the USA while building a massive police state.

Several more points:

Jesuit priests are not the only "foot soldiers" for the Superior General. There are many "Temporal Coadjutors" (Jesuits of the "short robe") to be found in those areas of the world where the Jesuits have power and influence. The "Temporal Coadjutors" can be mobilized on short notice to carry out important missions for the Superior General, or for one of his subordinate Provincial Generals. "Temporal Coadjutors" are lawyers, judges, military officers, etc. – men in positions of power and influence who can implement the wishes of their superiors whenever necessary, and again, on short notice.

The Jesuits ran the Roman Inquisition. The Office of the Inquisition has never been dismantled. Rather, it has undergone several "name changes": the latest is the "Congregation for the Doctrine of the Faith". Isn't it interesting that the Soviet (now Russian) communist intelligence & security apparatus kept changing its name: first the Cheka, then the NKVD, then the KGB, and now the FSB? The name changed, but the mission did NOT! It's the same thing with this "Congregation for the Doctrine of the Faith" – the name of the Inquisition Office has been changed, but the mission has NOT

been changed. What? You say there hasn't been an "inquisition" for a long time? You say that "inquisitions" could never happen in these modern times? Tell that to the poor French people who had their wealth and property confiscated, and who were imprisoned, tortured, and murdered during the French Revolution of 1789! Tell that to the poor Russian people who had their wealth and property confiscated, and who were imprisoned, tortured, and murdered during the Russian Revolution of 1917, and during the decades of communist terror that followed! Tell that to Jews, gypsies, and assorted Christians who had their wealth and property confiscated, and who were imprisoned, tortured, and murdered during the Nazi reign of terror in Germany in the late 1930s and early 1940s! Tell that to the Chinese, Vietnamese, and Cambodian people who had their wealth and property confiscated, and who were imprisoned, tortured, and murdered during the 1950s, 60s, 70s, and 80s (and even to this day) in Communist Red China, Communist Vietnam, and Communist Cambodia. And there are other locations too in recent history where "inquisitions" have occurred.

Yes, the office of Inquisition is still alive. Yes, the globalist rich elite STILL foment revolutions and wars – and then conduct their "inquisitions" to steal individuals' wealth and property, and to extirpate (i.e., eliminate with extreme prejudice) any of those individuals who would dare resist their tyranny and evil!

And I do not have time to get into how the Jesuits, the CIA, and the Mafia are all tied in to the "drug business". Just one example, the Jesuit Superior General ran the Opium trade a couple centuries ago out of China. Things today have not changed much at all. As author Eric Jon Phelps has stated: "The whole drug trade is run by high Mafia families out of the country of Columbia, subject to the Jesuit General."

Why have I bothered to go to the effort to put forth all of the preceding information? Surely thousands of pages could be written about the history of this Society of Jesus, the Jesuits. Certainly one thing is sure: the Jesuits have been heavily involved in fomenting revolutions and wars; in running vicious, murderous inquisitions; in confiscating individuals' wealth and property during inquisitions; in assassinating heads of state and popes, and in destroying nations and peoples. And I fear that the horrible things they have done in the past (such as the French and Russian Revolutions) are coming soon to a neighborhood near us all. These schemers who destroyed Czarist Russia and other nations now have the USA clearly in their [gun] sights! Why else have they infiltrated and taken control of every important institution in this country? Why else have they set up a police state with internment camps already prepared for the "dissidents" and "resisters"? Why else are they having their black-robed lackeys (federal judges) making decisions that are destroying the Bill of Rights, such as the recent Federal 5th Circuit Court of Appeals Ruling that gutted our 4th Amendment Right against unreasonable searches and seizures? (The police can now come into your house or business WITHOUT a search warrant!) Why else would they be pushing the American people so hard right now, much like they did when they fomented the American Revolution between the colonies and England in the 1770s, and much like

they did when they fomented the Civil War of 1861-65 by sending their "Knights of the Golden Circle" down from Ohio to "stir up" the South to secede?

You know what, I agree with Russian novelist Fyodor Dostoyevsky when he said, "The Jesuits...don't even believe in God perhaps." The top-level Jesuits are NOT Christians – they're NOT really even true Roman Catholics. These top-level Jesuits have a "thin veneer" (exterior surface) of "nominal Christianity", of "nominal Catholicism"; however, they are like their high-level Freemason cousins – they really worship a different "god" than the true and living LORD God Almighty worshipped by real Christians. Their eventual goal is the destruction of all Christianity, with the Roman Catholic Church the last piece to be destroyed, because they have been able to USE the Roman Catholic Church hierarchical system so effectively to stomp out many of the people who have resisted their efforts in the past – such as through the "Inquisition" (which, again, is a great way to steal individuals' wealth and property).

You know what: America does NOT need secret and semi-secret societies with blood oaths. The ONLY oath that red-blooded Americans ought to take is to "protect and defend the U.S. Constitution". If we do not quickly reverse this takeover of America, then our "inquisition" will soon begin, and we can then kiss all of our Rights and our freedom "goodbye"!

Finally, my guess is that this newsletter will probably get into the hands of a very small number of Americans. And my guess is that the vast majority of this tiny, tiny number of folks who will read it will then go into total denial about any possible dangers to themselves, their loved ones, and this Republic. I hope I'm wrong, but I don't think so... because don't you know, it could never happen HERE in America!

WHAT CAN WE DO?

1. If you think that this newsletter contains important information, then please make many copies of it and give them away free to others.
2. We all need to get better informed. Here are some good books and videos to buy or rent:

****Video "Romero" starring Raul Julia as Archbishop Oscar Romero; by John Duigan; Vidmark Entertainment; A Paulist Picture; 105 minutes; (the story of a courageous Roman Catholic priest who was assassinated in El Salvador in 1980 for taking a stand against tyranny, injustice, and "revolution theology");**

****Video "JFK" (Special Edition Director's Cut) starring Kevin Costner as Jim Garrison; by Oliver Stone; Warner Video; 206 minutes; (powerful video expose of the assassination of President John F. Kennedy and the subsequent cover-up);**

****Book The Murder of John Paul I by Vance Ferrell; 55 pages; 1999; (provides very strong evidence that Pope John Paul I was murdered by his enemies); Publisher: Pilgrim Books // HCR 77, Box 38A // Beersheba Springs, TN 37305 (write for price information); and,**

****Book Rome's Responsibility for the Assassination of Abraham Lincoln by U.S. Army Brigadier General Thomas M. Harris; 64 pages; 1897; (provides strong evidence of Jesuit involvement in the assassination of Abraham Lincoln); Publisher: MM Publishing; for prices on copies write to: "The Conversion Center, Inc." // P.O. Box 31688 // Raleigh, NC 27622-1688.**

Please pray that Almighty God would give all of us the discernment to see the great danger to our liberties, and that He would also give us the strength and courage to defend our liberties from all enemies, whether foreign or domestic.

note: Roman Catholicism is not a Christian denomination.

Title: Jesuit Georgetown implements CFR plan
Description: *Knight of Malta CFR John J. DeGioia*

AVBibleBeliever - October 16, 2005 08:04 PM (GMT)

Jesuit Temporal Coadjutor, Knight of Malta, CFR member John J. DeGioia on behalf of his master Edward Cardinal Egan and his Jesuit masters of Georgetown and Fordham hosted a meeting between "North American University and Government Officials April 20-21 2005" at the Georgetown Riggs Library." According to The Council on Competitiveness webpage-
<<http://www.compete.org/gi/signing.asp>>
<<http://compete.org/newsroom/readnews.asp?id=220>>

"The meeting began with a reception and dinner at the Riggs Library at Georgetown University. The objective of the meeting was to provide an opportunity for Mexican, US, and Canadian university leaders and government officials to discuss challenges facing Mexican universities and discuss opportunities and obstacles for collaboration between Mexican and US and Canadian universities to strengthen Mexican university programs of research and graduate education. Exploring and enhancing opportunities for increased education and research linkages between American and Mexican universities is a pathway to improve the development of human talent in North America--a priority both in the United States and Mexico. Human capital was identified as a key ingredient to enhance the competitiveness and prosperity of North America at the Bush-Fox Partnership for Prosperity (PfP) meeting in June 2003 and is a key element in the Council's Mexico initiative." [Further] CONACyT has ambitious aims to improve the quality of Mexican higher education, particularly graduate education and research. Even more ambitious are Mexico's "quantity" goals: to create space for 3 million college-eligible students by 2010 [a strategic year-since it is the year the Jesuits' CFR is pushing for the creation of the North American bloc and two years shy of 2012 when the

U.S. Jesuit Conference plans to consolidate its power] (compared to space for 1.2 million today).

This is in accordance with the plan of the Jesuits' CFR commanded by Cardinal Egan to make North America into one bloc for the purpose of expanding the American SS Department of Homeland Security to Canada and Mexico so North America could be punished by the Jesuit Order as a whole during and following the coming foreign invasion and occupation. Quoting from the CFR plan "Building a North American Community"
<http://www.cfr.org/content/publications/attachments/NorthAmerica_TF_final.pdf>

Despite the fact that Mexico is the second-largest trading partner of the United States, it ranks only seventh on sending students there. In 2004, only 13,000 Mexican undergraduate and graduate students attended U.S. universities. Similarly, Canada is the largest trading partner of the United States but ranked only fifth in educational exchanges with 27,000 students in the United States compared to 80,000 students from India, followed by China, South Korea, and Japan. The number of Mexicans studying in Canada remains very low at about 1,000. And although American students study all over the world, relatively few got to Canada and Mexico. These numbers should be expanded dramatically to deepen familiarity and increase knowledge in each country." (page 50)

The CFR plan is to allow for unrestrained illegal immigration in the name of "education" and "familiarity" between the U.S., Canada, and Mexico. Page 13 of the CFR plan under the heading What We Should Do Now: Intensify Mexican efforts to accelerate its economic development.

It says point 3 is "improving public access to high-quality education."

Page 14 calls for "The United States and Canada [to] establish a North American Investment Fund to encourage private capital flow into Mexico."

The CFR plans to do this through "improving primary and secondary education" Coadjutor Georgetown President DeGioia was ordered by his Jesuit masters to further undermine national boundaries and since DeGioia is on the Executive Committee of the CFR-front group Council on Competitiveness he can carry out the orders of Jesuit CFR president Joseph A. O'Hare and the Jesuits of Georgetown to create a socialist communist corporate fascist North American Union to be invaded and occupied by foreign invaders and the Jesuits' Unholy Office of the Inquisition under the name of the Department of Homeland Security will then roundup the mixed divided post-Reformation Americans especially Jews, Bible believing Christians, and liberal Roman Catholics pursuant to the Jesuits' evil Council of Trent. Black Pope Kolvenbach said "there is only one America" and he is using his CFR commanded by Jesuit-trained Cardinal Egan who answers to his masters of Jesuit Fordham and his Knights of Malta like

Jesuit-trained CFR John J. DeGioia to realize his reconstruction of North America and eventually predominately Romanist poor due to the Jesuits' enslavement of natives, socialism, communism, and liberation theology (which the Vatican pretends to oppose but since the Jesuits rule the Vatican it secretly supports it) they propagated throughout Latin Central and South America. <http://compete.org/about_us/members_affiliates.asp> (many members are undoubtedly CFR members and many of the companies and corporations represented are owned by Jesuit stockholders.)

CRAIG-OXLEY - October 15, 2005 10:25 PM (GMT)

Dear Brother Cxxxxxxx

The Jesuits infiltrated the Orthodox Church under Catherine II the Great of Russia. She was their protector along with her protecting Masonry.

The Order's Bolshevik Revolution completely took over the Orthodox Church, killing over 5,000 priests and nuns who opposed the power of the Papacy. That revolution was financed from Wall Street and the Order's Federal Reserve Bank. From 1922 to the present the Jesuits have ruled "the third Rome" which is Moscow, aided by the Order's CFR here in New York City. Thus the Orthodox Church is completely neutralized and non-resistant to papal political tyranny even as the historic Protestant Churches in the US have been completely gutted of any semblence of the Reformation.

The Pope, via the Jesuit Order, controls the Orthodox Patriarch as well as the Bhuddist Dali Lama. I believe both were at JPll's funeral.

Romania is controlled by the Vatican via the Black Pope's control of his International Intelligence Community which includes the former KGB (SVR), Interpol and the CIA. No leader can arise to power without the aide of that wicked Community---unless the risen Son of God intervenes in answer to the prayers of many.

I trust this is helpful.

Sincerely in Faith,

Brother Eric

Title: Antonin Scalia - Part 3 Popish Person

Description: *Opus Dei*

CRAIG-OXLEY - September 19, 2005 10:08 PM (GMT)

Part Three: Popish Person

Antonin Scalia is a reported Opus Dei member. That is specific reason to suspect that he takes instructions from a foreign state, namely the Vatican in Rome and its power-hungry leaders. According to Jesuit researcher Eric Phelps at the Cloak and Dagger talk radio show,

<http://www.cloakanddagger.de>,

Members Archive for 9-16-5, the person behind installing Bush as a President is Edward Cardinal Egan, the Catholic Archbishop of New York, who would also be in control of Opus Dei and their reported high-treason espionage operations to undermine the U.S. sovereignty.

As Mike Whitney,

<http://www.counterpunch.org/whitney01172004.html>

writes:

„Opus Dei is a clandestine Catholic organization based in Chicago, Ill. In size, it is insignificant, a mere 85,000 members (only 3,000 members in the US) compared to the one billion Catholics worldwide. But, its membership boasts of some of the most powerful and wealthy people in the country. The group catapulted to national attention when spymaster, Robert Hansen, was arrested and convicted in what turned out to be

the greatest act of treachery in the history of the FBI. Hansen's arrest drew immediate and unwelcome notoriety to the secretive group.

(...)

One of the former members, Sharon Clasen remembers, 'After I joined they gave me a barbed-wire chain to wear on my leg for two hours a day and a whip to hit my buttocks with.' ”

Is Antonin Scalia with his bribery reported and linked in detail above a Bench Hansen, an Opus Dei Vatican string puppet? Is that his understanding of orgies easing social tensions? Much speaks for it. There are many additional details not shown or remaining yet to be discovered at this time.

Antonio Fontan - President of the Senate in 1977. He helped draft Spain's new democratic constitution after Franco. A journalist who advocated free elections and trade unions, he was persecuted by Franco. "He was elected to the Senate as a member of the Unión de Centro Democrático coalition in the first democratic general elections in June 1977. Before he became a politician, as the International Press Institute notes, Fontán was the editor of the independent national daily Madrid from 1967 to 1971. He was prosecuted on 19 occasions and fined some 10 times before the government demanded his resignation and shut down the paper over its calls for democracy and an an end to authoritarian rule." [1]

In 1960s Spain, Francisco Franco appointed several members of Opus Dei as ministers. These ministers are generally acknowledged to have introduced to Franco's rule a capitalist, technocratic ideology which contrasted with previous Falangist, Carlist and military influences. (See Berglar 1994 p. 186)

Alberto Ullastres - Minister of Trade

Laureano Lopez Rodo - Technological Secretary of the State Department

Mariano Navarro Rubio - Treasury Department

Sam Brownback - Republican U.S. Senator, Kansas (See The Nation article, "Sam Brownback's Blind Ambition Tour," by Max Blumenthal, posted June 20, 2005 [web only; www.thenation.com])

Journalism

Rafael Calvo Serer - editor and founder of Diario Madrid who was hounded into exile for his criticism of Franco, who closed the publication. Calvo, by working underground, helped to bring democracy to Spain. (Messori 1997, p. 30)

Antonio Fontan - journalist who advocated free elections and trade unions. Persecuted by Franco. After the death of the latter, he returned as President of the Senate in 1977. He helped draft Spain's new democratic constitution. (Messori 1997, p. 30) The International Press Institute notes, Fontán was the editor of the independent national daily Madrid from 1967 to 1971. IPI says: "Fontán's staunch defence of the principles of free expression during those five years as editor of Madrid earned the paper and the men and women on its staff a unique place in the annals of Spanish journalism."

Former members

Robert Hanssen, FBI counterintelligence and Soviet mole, was a confirmed member. According to Shannon, *The Spy Next Door*, page 82, Hanssen confessed his spying activities to Reverend Bucciarelli, but this was kept confidential, as is proper in the confessor/penitent relationship. The spying continued for decades. Opus Dei sent out a letter against Hanssen's activities after his exposure.

Unconfirmed, rumoured members

Some have claimed that Ruth Kelly, United Kingdom Education Secretary, is a member, which she neither confirms nor denies but does admit to receiving "spiritual support" [4]

In the United States, the *Boston Globe* reported connections between the Opus Dei priest Father C. John McCloskey III and some conservative Catholic politicians. [5]

Some people say that Louis Freeh, once head of the FBI, is a member. The Opus Dei Information Office has denied this, (and other rumours). (See Catholic League's *Opus Dei: Fact and Fiction* [6]) "... but we would like to dispel once and for all the rumors that Louis Freeh, Antonin Scalia, Clarence Thomas, and Mel Gibson are members." Clearly Mel Gibson is unlikely to be a member, he does not support the Pope. Louis's brother John Freeh was a member, but Opus Dei spokesperson say he has left the organization. (Shannon, page 183)

One account says Father Paul Scalia, son of Supreme Court Justice Scalia, is a member.

CRAIG-OXLEY - October 15, 2005 10:21 PM (GMT)

Hi Eric:

The next line of question I would like to investigate (over the weekend, whenever time) is:

(In-)Justice Antonin Scalia, that capstone of it all (see my link below) is devoutly Catholic. His son David Paul is a Catholic priest.

I wonder if he is a Jesuit.

Antonin studied at America's foremost Jesuit university,
Georgetown University.

Indeed. And Georgetown rules the CFR.

As Eric would say(presumably): He is a Jesuit Coadjutor.

Agreed.

Catholic Opus Dei is all about enforcing the Pope's Temporal Power using their popish religion as a purpose. The purpose of apostate Protestant Skull and Bones is the same. Both Orders, one Catholic and one apostate Protestant, serve the Black Pope.

Opus Dei thrived under Franco and the Order put Franco in power who overthrew the Spanish republicans who exiled the Jesuit Order in 1932. Thus Opus Dei is a tenacle of the Society.

If the President of Columbia is indeed an Opus Dei member, then we have the controlling influence to the Black Pope's CIA/Mafia-led cocaine trade out of that nation. The purpose of that trade is to make billions in order to finance the Company's secret projects, while destroying the people of "heretic and liberal" North America.

Title: Eric Phelps - Temporal Farrakhan and the Levees

CRAIG-OXLEY - October 15, 2005 10:07 PM (GMT)

FBI informer and Masonic traitor to his own Black race, Louis Farrakhan, found that news of the blown levee on Hal Turner's website, of all places. But I too believe the levee was blown in order to demonstrate Black savagery to the Whites of the nation for the purpose of uniting all Whites---Catholics and Protestants---against a common enemy. Relocating these savage Blacks (as opposed to the minority Civil Blacks) in White cities will further the polarization of the races driving the Whites into the Right-wing, neo-fascist camp---to which end Masons Farrakhan, Sharpton and Jackson are so diligently working.

To avert the coming race war, Black leaders, loyal to their own race, should be advocating the creation of a new Black geographical nation within North America or repatriation back to Africa. To this most members of the Masonic KKK would even submit. White leaders should advocate the same for their race. But this Biblical solution, the Order will NEVER permit. Any Black or any White who honestly advocates this historical workable solution to end the nation's terrible Jesuit agitation will be defamed, deported or destroyed.

Let us never forget the frame-up and deportation of the Black Marcus Garvey who said that if the Blacks did not move back to Africa (in separating from the Whites) there would be a race war within fifty to one hundred years. He said those words in 1923.

Sincerely in Faith,

Brother Eric

Eric,

Seems the Masonic twisted liar Farrakhan has jumped on the band wagon with the Levees and pushing hard to create yet more friction which eventually will lead to what you have exposed, a race war to destabilise America leading up to the Sino-Soviet invasion. Louis Farrakhan: Levees Were 'Blown Up'

Wednesday, Sept. 14, 2005 8:06 p.m. EDT

<http://www.newsmax.com/archives/ic/2005/9/14/201055.shtml>

Nation of Islam leader Louis Farrakhan is telling his followers that the levees in New Orleans may have been deliberately "blown up" to kill the city's black population.

The influential preacher was in Charlotte, North Carolina, on Monday, where he detailed his Hurricane Katrina conspiracy theory.

"I heard from a very reliable source who saw a 25 foot deep crater under the levee breach," Farrakhan explained. "It may have been blown up to destroy the black part of town and keep the white part dry."

Farrakhan didn't say who he thought was behind the plot to blow up New Orleans' levees.

The Muslim minister also blasted both FEMA and the Red Cross, saying their response to Katrina victims after the levees were blown up was inadequate.

Title: Eric Phelps - Dr Ruckman is a Temporal Coadjutor

CRAIG-OXLEY - October 13, 2005 12:21 AM (GMT)

Dear Pastor Sxxxxxxx,

Whenever I bring up Dr. Ruckman, believing that he is a Jesuit Temporal Coadjutor, several outstanding saved, born-again, Bible-believing men on the list sternly object. Before replying to your defence of Dr. Ruckman, I must say that your response was also mine until I began to intently look at the facts.

I subscribed to Dr. Ruckman's BBB for many years and was instructed on a host of topics many of which are reflected in VA. His knowledge of history (Church, Romanism, military, manuscript evidence, etc.) is superb. He has total recall, is energetic and confrontational---which trait I admire in any man. But the following are a few points for you to consider in rethinking your position of this man who was once greatly admired by yours truly. Dr. Ruckman:

1. Has created a cult out of certain AV1611 Bible believers by stating that the English corrects the Greek. That is tantamount to saying that the AV1611 replaces its underlying Greek Textus Receptus as the final authority for every language, bringing us to the logical conclusion that we can dispense with the TR, it now being replaced with a new inspired Bible---the AV1611. I agree with Dr. Ruckman in that I do not need to know one Greek word to understand the Word of God---for I have the Word of God in English, the AV1611, just as the Germans have the Word of God in Luther's German Bible; just as the Italians have the Word of God in the Old Latin Bible used by Wycliffe. None of the forty-seven learned and godly men on King James' translation committees would have ever advocated that their translation work corrected the underlying Greek and Hebrew texts. The Dedication in the AV1611 makes this clear. This heresy is evidenced in every cult which places their writings on an equal level with the Reformation Bible and its underlying Greek and Hebrew texts so condemned by the Order's

Council of Trent. The Mormons have their "inspired" Book of Mormon; the Romanists have put their "Traditions of the Fathers" on an equal level with their Scriptures (Jeromes's heretical Latin Vulgate); the Jews have their Talmud or "Oral Tradition" on an equal level with the Hebrew Old Testament; and Dr. Ruckman has his AV1611 on an equal level with the TR and Masoretic Text. And as it is in every context where equality is preached, supremacy is in fact intended. Dr. Ruckman's AV1611 is supreme over the TR and Hebrew text. This is heresy and leads to the next.

2. Believes that the translators of the AV1611 were moved by the Spirit of God to give us an "inspired" new Word of God in English against the former Word of God inspired and preserved in the TR and Hebrew Text. Why would the Bible believer need to claim that the AV1611 was "inspired" at the time of its translation when the mere work of learned, honest translators gives us an equally inspired Bible regardless of the language? Again, Erasmus, Tyndale, Luther, Calvin, Beza, Stephens, Andrews as well as the entire translation committees in England at Oxford, Cambridge and Westminster all considered the final product of their translation efforts to be the Word of God as indeed they were, the epitome of the work in English being the AV1611. So why does Dr. Ruckman invent a new thesis, unknown to the believers of the past, in declaring that the AV1611 is the work of men who were moved by the Spirit of God to write these Scriptures? This heresy leads to the next.

3. Is a free-will champion if ever there was one. As you know the Jesuits are the champions of the unbiblical, subversive doctrine of the free will of man for it negates the sovereignty of God in salvation and ultimately teaches the fear of man. Champions of free will would never raise the sword of Just Defence as did our White Protestant and Baptist Calvinist forefathers. Augustus Toplady's works prove the collusion between "free will" Arminianism and the Jesuit subversion of England. Peter Ruckman is a deliberate Arminian and thus furthers the Jesuit agenda knowing full well the far-reaching effects of that doctrine. This heresy leads to the next.

4. Hates Calvinism including the political liberty born out of the heat of Puritan Calvinism versus Jesuit Arminianism. The Declaration of Independence, the US Constitution and its Baptist Bill of Rights all have their roots in Calvinist doctrine or political documents. Dr. Ruckman mentions none of this yet his knowledge of the topic is at least ten times greater than most fundamental Bible believing men. WHY?

The enigma beginning to appear above betrays the candid spirit and writings of honest Bible believing men. One can be an Arminian but ignorant and yet growing in Christ later to arrive at the conclusion that God is indeed sovereign in the affairs of men and that salvation is entirely of the Lord. This our friend does

not do. And his utter hatred of Calvinism, and John Calvin, yet pretending to be a defender of the US Constitution and Bill of Rights? This is now not only an enigma but sheer dishonesty, which leads me to the conclusion that, coupled with his heresies and dishonest political agenda, he is indeed a Jesuit Temporal Coadjutor.

Remember I am not attacking Pastor Grady---though he does not mention the Jesuits in his second book---or any others who are indeed saved and have benefitted from some of Dr. Ruckman's writings---including myself. My attack is directed against Dr. Ruckman along with his support of the wicked George Bush and his war on "Terrorism," while never mentioning the Popish connection to 911, the attack on the Pentagon and now this Crusade against the Islamic peoples to the exclusion of the Islamic leaders. Dr. Ruckman is much more than what he appears to be, which essence overwhelms the form that he now assumes.

I trust this may be helpful in knowing my thinking behind the charge.

Thank you for your prayers brother.

Sincerely in Faith,

Brother Eric

CRAIG-OXLEY - October 15, 2005 09:50 PM (GMT)

Dear Pastor Szzzz and Eric,

Since my views on Ruckman are mentioned in this letter, I would like to give a brief reply here, and (as per our discussion Eric) will shortly collate a much larger dossier on the World and Theology of Peter Ruckman.

I was provoked to compare the AV to all the other perversions after reading Ruckman's "HANDBOOK OF MANUSCRIPT EVIDENCE" and upon so doing immediately came to the conclusion that Ruckman was right concerning the superiority of the AV to all modern English translations. This led to me immersing myself in Ruckman's writings, the BBB, and tapes and vidos for years. I went to see Ruckman give two "chalk-talks" (where is that example or model in your KJV?), and had him sign a copy of "The Last Grenade." At that time I thought it odd that he made virtually no eye contact with me, seemed extremely uncomfortable, and would not engage in any sort of pleasentries or substantive conversation. Neither did he shake my hand: he left me with the impression that he was crawling with devils. I shook this off as my own misapprehensions, and continued to follow his ministry for a number of years. I have a shelf of about three feet of his works, and have read every last page of them. Therefore, I know what can be known of the man through his writing, both doctrinally and

personally.

1) Pastor Scott, why is it absurd to think that Ruckman may be a co-adjutor working with the Order for the subversion of the Protestant, Bible-based, Reformation faith? By his own admission he rejects all historic confessions of faith, particularly the Westminster Confession and the London 1689 Baptist Confession. By his own admission, he is, doctrinally speaking, a semi-Pelagian, and a great proponent of the Romish doctrine of free-will. He calls himself a moderate Calvinist, but believes no Calvinist tenant but perseverance. And by his own admission, he studied with a Jesuit priest who graduated from Loyola for some time before his conversion. (Page 133, THE FULL CUP by P.S. Ruckman).

2) Grady tells you that Ruckman is his hero. This demonstrates something else: Ruckman engages in endless self promotion and hot air blowing about being a hockey goalie, about playing "blood ball" with men half his age, about all the mullet he has caught, all the gardens he has grown, running for years three miles a day barefoot on pavement, about all the souls he has won (8000 + by his own count, "none retreads, all first time decisions" including 1000 blacks), and how he has read one book a day for most of his life. He also boasts in every book he had written how he has more light and knowlege because of the book than -----(a long list of apostate KJV rejecters).

Brother, Peter said: "be ye clothed with humility" 1 Peter 5:5. Ruckman spends a third or more of his print space promoting and speaking about himself and what he has done, which, we admit, is typical of an Arminian, soul winning obsessed, psuedo Baptist. "Don't take my word for it, check it for yourself!" Ruckman does not believe 1 Timothy 3:15 in the AV, and demonstrates this repeatedly when he says "There is plenty in that book which 1900 years of reverent scholarship never pulled out!" (Page 107 of Hebrews Commentary) To refresh our memories of the writing of Paul:
KJV 1 Timothy 3:15

"But if I tarry long, that thou mayest know how thou oughtest to behave thyself in the house of God, which is the church of the living God, the pillar and ground of the truth."

This verse states that at the time Paul wrote, the church of the living God was the pillar and ground of the truth. This means that in each succeeding generation, this was so. Ruckman rejects this, as is apparent by his statements again and again rejecting things the church has always held to be so. Ruckman is a proponent of "solo scriptura" as opposed to "sola scriptura." Ruckman sets himself up as a final authority, and you, Pastor Scott, prove this with your own testimony: "I see eye to eye with Ruckman on all doctrinal issues." Therefore, you believe that no own is predestinated to eternal life as stated in Ephesians one, as Ruckman teaches that no one is predestinated UNTIL they are saved. This makes men the predestinators of themselves, and is contrary to everything the true church has taught and believed, including but not limited to Luther, Calvin, Knox, Zwingli, Rutherford, Owen, Baxter, Romaine, Whitfield, Edwards, all

Puritans, Jonathan Mayhew, and an innumerable host of others, including every martyr under Bloody Mary. Since you believe what Ruckman believes (this is what I have found all of those that are indoctrinated by him say) you believe that Jesus Christ is not the eternally begotten Son of God in the sense that that has always been understood; you believe women receive male bodies in the resurrection; and you must believe that the sinner's prayer will save a man. Ruckman dogmatically teaches all these things.

3) I have not lied about Ruckman. It has become obvious to me that Ruckman engages in habitual mental reservation, and extensively uses quotations marks to lead one to think he believes things that he does not. "Check it for yourself!" Ruckman does not believe John 3:27, Proverbs 16:4, John 1:12-13, John 6:43-44 and a host of other Scriptures. While purporting to promote the AV, he continually undermines the doctrines contained therein. Ruckman does not believe of God that "by him all things consist" or "Our God is in the heavens, he hath done whatsoever he pleased." Ruckman hammers away for Rome on the central tenant of Romish doctrine---free will. Attacking the Pagan appendages and superstitions and rituals Rome engages in is all a show and window dressing. Ruckman preaches doctrines in conformity with the Council of Trent, and condemns all of the same tenants of the faith of Jesus Christ condemned by the the Papacy in Quesnell's 101 condemned propositions of 1699. His works also include many blasphemous and impious statements about our Lord and Saviour which in the future I will document.

When Eric places my work on Riplinger up on his site, you will be able to read her statements concerning the doctrines of grace, and read a biblically accurate refutation of her Pelagian, universal atonement, free will propositions. For now, I rest.

Your servant in Christ,

Pastor N C Turner

CRAIG-OXLEY - October 15, 2005 09:51 PM (GMT)

Dear Pastor Turner,

I shall forward your reply to Pastor Sxxx.

As an aside, I believe that Christ died first, for his beloved nation of Israel (Isaiah 53:8); secondly, for his elect of all ages, including his Church which is His Body (John 17:9-26); and lastly for all men (I John 2:2; Heb. 2:9; II Cor. 5:19) which secures to Him the right---as the Son of Man whose name is above every name---to judge "the dead" at the Great White Throne prior to their being cast into the Sea of Fire for eternity. I believe Christ's finished work is sufficient for all but efficient only for his elect.

Sincerely in Faith,

Brother Eric

CRAIG-OXLEY - October 15, 2005 09:53 PM (GMT)

Hi Eric

I think a few other things are worth noting.

1. As you know, Bishop Autun urged coadjutors (and all Jesuits) as follows, "Above all, not too much zeal." I think as a coadjutor therefore, Bro Ruckman falls at the first fence.
2. Bob Militello, in his testimony as a former Jesuit-trained layman states "Jesuits have dedicated their lives to undoing the Reformation and the Bible it produced for the English-speaking world - the Authorised Version. Christian colleges now teach that only the original manuscripts were inspired and that all Bibles have errors." This is totally contrary to what Dr Ruckman professes to believe about the AV1611.
3. If the AV1611 is scripture, it must be "given by inspiration of God" 2 Timothy 3:16. It is of course the providentially preserved word of God, Psalm 12:6, faithful to its underlying Text of the original languages. But nowhere in scripture do we read that inspiration and providential preservation are confined to the TR and Masoretic Hebrew. (Note that several editions of the TR exist - which one is supposed to be finally authoritative and why?)

I also have no problem agreeing with Dr Ruckman's observation that the term "scripture" or "holy scripture" as found in 2 Timothy 3:15 and elsewhere , e.g. Romans 4:3, refers to faithfully preserved copies of the scriptures, such as we have through the AV1611. It comes down to whether you believe that the God Who could inspire the scripture could also preserve it. I believe He could and this was certainly the stance the late Dr David Otis Fuller took in the many letters with which he encouraged me before he went to be with the Lord.

On whether a translation can be an improvement on "the original" see Bro. Gipp's analysis, The Answer Book, p 90ff.

Concerning the AV1611 as the final i.e. supreme authority, I think Gail Riplinger's latest work In Awe of Thy Word establishes this thesis beyond reasonable doubt.

4. I believe the whole of the AV1611 project was a work of the Spirit of God - which no doubt explains why the SJ and their coadjutor Guido Fawkes tried to stop it in 1605. I have no problem with the Lord editing His Book through the labours of the King's men - e.g. Acts 19:37, where "temples" is rendered "churches," a swipe at Rome with the

goddess Diana (Mary) in the context. (Most of Dr Ruckman's remarks on correcting the Greek with the English are directed against the corrupt Greek mss. underlying the modern versions, i.e. B and Aleph. In that sense certainly, the Greek SHOULD be corrected - back to what it was before Satan via Rome tampered with it.)

5. I think the Calvinist-Arminian subject is covered in Bro Vance's extensive work, *The Other Side of Calvinism*. One could add that Dr Ruckman has written a most helpful book entitled *Eternal Security* that I think disposes of the main objection to Arminianism, namely that a believer can lose his salvation. (Dr Ruckman also deals with this issue in his work *The Big Flap*.) I can't see a difficulty in believing in freewill because even an Old Testament Jew could exercise "voluntary will," Leviticus 1:3, a term stronger, I think, than freewill, though this term is found repeatedly in the OT (in 17 passages). Whilst not explicitly a New Testament term, I think the NT pattern for Church-age salvation is summed up in Revelation 22:18:

"Whosoever will, let him take the water of life freely."

Regards
Axxx

CRAIG-OXLEY - October 15, 2005 09:53 PM (GMT)

Dear Brother Axxxxx,

Thank you for your comments and I shall forward them on to the list.

I must say that we have lost the battle with the Jesuits in maintaining White Western Protestant civilization. I believe the reasons are two: the first is the abandonment of the AV1611; the second is the abandonment of the doctrines of grace as championed by Calvinist Englishmen and Americans of the past.

Pastor Turner is preparing an extensive critique of Dr. Ruckman's words and works. He was a follower of Dr. Ruckman for many years.

Sincerely in Faith,

Brother Eric

CRAIG-OXLEY - October 15, 2005 09:57 PM (GMT)

Bro. Eric,

Just a couple of comments on your discussion of Peter Ruckman.

I certainly agree with your conclusions about Ruckman's "cult" on the KJV and TR. And

in my opinion, Dr. Ruckman has some real personal and character problems towards other servants of God. And to add, anyone who deems another human being as his "hero" is on shaky ground, whether the hero be Peter Ruckman or John Calvin. Anyone that says he is a "_____ite" or "_____ist" is toying with the same problem. The Corinthians were caught up in this.

Although you are a true scholar in your work, you tend to use freely the terms "fundamentalist" and "Arminian" and at times misapply these tags and twist their true meanings.

The Baptist fundamentalists today, though believing right doctrine necessary to individual salvation in Christ (i.e. the Biblical Trinity, the deity of Christ, his Virgin Birth, his vicarious death (I Jn.2:2); his physical death; his bodily resurrection; his physical ascension to the right hand of the Father and his future physical return in power and great glory), are shackled with the curse of the doctrine of "free will." The doctrine of the "free will" of all men is the foundation of Arminianism. The doctrine of "free will" teaches that man has the ability to exercise saving faith in Christ through his own efforts and reasoning abilities. Biblically speaking, we know that both Adam and Christ truly had "free will." Both had the capacity to obey or disobey. Neither were sinners when they were tempted; one fell, the Other though tempted was "without sin." Thus all of humanity resides in these two men; every man on the face of the earth is either "in Adam," or "in Christ." If men are in Adam when they die, they will spend eternity in an everlasting flame of fire first prepared for the devil and his angels. If men are in Christ when they die, they will spend eternity with Christ in heaven's New Jerusalem where there are "pleasures evermore."

We know that all men are condemned in Adam; all men were in his loins when he sinned (seminal, not federal headship---the whole race was in Adam's semen, even as Levi was in Abraham's semen when Abraham paid tithes to Melchizedek) and thus "death passed upon all men, for all have sinned." (Rom. 5:12) We are born sinners and we will die sinners unless we are "born again." The question arises, "How does a condemned man in Adam get placed into Christ, thus escaping the damnation of hell?" Answer: "Believe on the Lord Jesus Christ and thou shalt be saved." (Acts 16:31) In believing the gospel a man must believe by exercising saving faith, for "By grace are ye saved through faith, and that not of yourselves; it is the gift of God, not of works lest any man should boast." (Eph.2:8-9)

Now herein resides the great controversy: Arminian or Calvinist "doctrine of salvation." Saving faith is either produced by man himself under the hearing of the gospel, or that saving faith is a gift of God, imparted to man enabling man to believe the gospel unto life everlasting. The Jesuits and Arminians teach that man believes the gospel on his own; that his faith is his own; and thus his

"decision for Christ" is his own. (Yes, Masonic Billy Graham has preached a Jesuit/Arminian gospel. Leading a man in "the sinner's prayer" does not impart faith.) The true Church, the Body of Christ, suffering untold mass-murder for the last two millennia, has believed that faith is "the gift of God;" that that "faith" by which we live after salvation is of the Son of God (Gal.2:20) and that that same saving faith is the "one faith" (Eph:4:5) which is a "fruit of the Spirit" (Gal.5:22). Thus the faith necessary with which to believe the gospel of the Lord Jesus Christ is given by God to his elect, ". . . and as many as were ordained to eternal life believed." (Acts 13:48). Anything not of this faith of the Son of God "is sin." (Rom.14:23). As an aside, I was saved in my room reading the gospel of John one night, God imparting his faith to me enabling me to believe. But I spent about twenty years in fundamental Baptist churches that preached a man-based faith. Thus, I believe there are Arminians who are indeed saved, having been given the saving faith from God imparted by the Spirit of God, but have spent their lives in man-centered living and man-centered, works-related witnessing. Thus Armininism coupled with false Counter-Reformation Bibles, has stunted the growth of true Bible-believing people, unable to mature and thus apply biblical maxims to their respective cultures as did our Calvinist American forefathers.

America throughout the 19th century was called "the Kingdom of Calvin," due to our Calvinist Puritan, Calvinist French Huguenot, Calvinist Presbyterian, and Calvinist Baptist forefathers. (Their erroneous eschatology is not now in view.) These Calvinists led revolts against the Romish dictatorships of Spain, France, England, and Germany to name a few. They, with the blessing of God giving victory in battle, were (in coming out of the Pope's dark Ages) the first to establish written Constitutions, first for Holland and then in America; they established Calvinist Republics over and against utopian, Socialist, Platonic Republics which exist today. No group of Arminians ever accomplished these feats of faith; only Calvinists for which reason the Jesuits hate Calvinists more than any other non-Roman Catholic sect! The Jesuits refer to our theology as "that Calvinist abomination," and Jesuit John LaFarge, the father of the wicked Civil Rights movement, referred to Communism as "the new Calvinism." We hate Arminianism as it is first a man-centered heresy; but we also hate Arminianism because it is the great catalyst for the destruction of White Western Protestant civilization pursuant to the Order's Counter Reformation. I cite Augustus Topalady's famous pro-Arminian, Jesuit quote in VA.

If one really claims to believe in the sovereignty of God, then why would he take up the "Sword of Just Defence?" By taking up this "Sword" would indicate that one does indeed fear man, and thus justifying his actions in taking up arms.

I will address this issue with you, dear brother, for one last time, in more detail. God instituted human government in Genesis 9:6, giving man the responsibility to execute murderers. From this charge arises all the attendant duties of

government in punishing evil and rewarding good. Different peoples deserve different governments. For example, the subSaharan Blacks have never produced advanced culture, only tribes ruled by absolutist chiefs. Moslems have never produced a limited representative government, only Muftis and divine right Caliphs with the power of death or life over their subjects---thus bringing socialist democracy to Iraq is absolutely futile. White Roman Catholic nations, at best, only limited the power of their divine right monarchs as was done via the English Magna Charta---so condemned by Pope Innocent III. Only when the Reformation arrived, when the Bible was put into the hands of the common people via their own language, did the divine right monarchies begin to crumble either from within or from without. German princes led their Calvinist subjects against the Popish armies of Holy Roman Emperor Charles V; William of Orange led his Calvinist armies against the Popish armies of King Philip II of Spain and the Duke of Alva; Cromwell led his Baptist Puritan Independents against the Popish armies of King Charles I; Washington led his American Calvinists against the Jesuit-controlled King George III; and Stonwall Jackson led his Calvinists against the Jesuit-ruled armies of the Radical Red Republicans led by Stevens and Sumner.

What do all these Calvinist have in common? They first either passed remonstrances or declarations of independence calling for an end of the tyranny of the king or calling for complete separation in order to form a new government fitting for Calvinist Puritan freemen. We maintain that these godly men were blessed by God for first declaring their grievances and then using their existing governments to resist the tyranny of the king or by separating completely from their tyrants and fighting a war of independence trusting God for the outcome. These brethren practiced the doctrine of separation first from Romish heresy, secondly from the political system shoving Romish heresy and tyranny down their throats. Many thousands died before their political resistance arrived noted for a gun in one hand and a Reformation Bible in the other, they having been recruited in the armies by their own preachers as at Lexington. They believed they were the elect of God, and that their enemies were the enemies of God "made to be taken and destroyed," being "the vessels of wrath." Some were brethren misled, as were the Presbyterians who opposed Cromwell at Dunbar, but the Lord gave Cromwell the blessing who then killed 3,000 Scots who dared to be led by leaders under the spell of the lying Charles I. Those brethren reaped what they sowed, and the counsel of God still stood.

Was the use of "the Sword of Just Defense," as Knox called it, mere disobedience to God and thus sin? You would say "yes," as does most of the Lord's Church here in the American Empire. Therefore we have George W. Bush and every president since the wicked Ulysses S. Grant. And why? Because the Church in the US is Arminian believing that absolute, unlimited submission to

tyranny is obedience to Romans 13. I maintain this to be a heresy and a total repudiation of Bible-believing Reformation Church history of the last 500 years. To the contrary I maintain that we White, English-speaking, AV1611 Reformation Bible-believing people, as an assembled body, should withdraw our allegiance from the Federal Government in Washington as did the Scotch Covenanters during the reign of King Charles II. No allegiance given and no taxes paid. We begin our new government as the Declaration of Independence so states and prepare to be attacked, all the while trusting God to intervene for us---his obedient servants---as He did in the past.

Biblical separation leads to political separation; we first settled the Eastern seaboard, then secondly withdrew our allegiance to the British Crown and then thirdly waged a war for political independence, the ranks having been manned by Calvinists who were saved under the preaching of Calvinists George Whitefield and Jonathan Edwards. The "Sword of Just Defense" was used first in submission to the Word of God in personal separation, and then in corporate submission to governments addressing the tyranny under which the Calvinists they had so terribly suffered. God blessed sanctified separatist resistance and gave us political liberty in the earth.

You tend to freely tag those who aren't in agreement with your campaign of activism as Arminians, which I feel is a careless use of the term.

Well, historical Arminianism does not lead in organized resistance to political tyranny. That is why I use the term. By the way, present day Calvinism is cloaked Arminianism---totaly non-resistant.

The idea that I get from Arminianism is a works salvation, i.e. a person's salvation and future happens by chance and depends upon his own human efforts as to the outcome. Unfortunately, this is the idea I get when you want to take up your "Sword of Just Defence." This is a seeming contradiction, i.e. a mixture of Calvinism and Arminianism, and is confusing to say the least.

Historically, you are not correct as to this presumed "mixture." To the contrary, taking up the "Sword of Just Defence" once the preliminaries have been met, is obedience to the Word of God in resisting the political tyranny of the devil. We "resist the devil" in the political arena, as we "resist the devil" in the business arena, as we "resist the devil" in the personal life. The principle of resisting the devil is boundless, as he is "the god of this world."

How can you take up a Sword of Just Defence if you don't fear man?

To the contrary, refusing to take up the "Sword of Just Defence" signifies the fear of man. The average American annually gives up one third of his income because

of "the fear of man." He submits to the military draft because of "the fear of man." He submits to federal violations of the federal constitution because of "the fear of man." Arminianism makes the believer in Christ think all is in his feeble hands. He becomes afraid to submit to the maxim of separation from political tyranny for he believes the government is too powerful and all resistance is futile, as says the Jesuit Order via its CFR-controlled Press.

Did not Peter fear the servant of the High Priest when he took the sword and cut off his ear?

No. I see no fear there.

Did not Jesus say "my kingdom is not of this world, otherwise my servants would fight?" (take up the sword).

Why did Christ say that, after He had commanded his disciples to buy a sword (Luke 22:36), after which command Peter donned a sword (Luke 22:38), carried it to the garden without any objection from the Savior and then drew that sword asking, "Lord, shall we smite with the sword?" (Luke 22:49) The first explanation to this seeming confusion is that Christ was a liar, contradicting Himself with opposing statements. If that is the case, then we are yet in our sins. The only other explanation is that the use of the Sword in that context of opposing those wicked men who with wicked hands, left to their lusts, were to fulfill the counsel of God in hanging the Prince of Life on a tree. That is why he told Peter to shield his sword as its use at that moment would have been unlawful. Indeed, Christ's earthly kingdom which he had intended to establish on earth, predicated upon Israel's national repentance, is not "ek" out of this world; that kingdom is "ek" out of heaven and comes to earth in the person of Messiah, the rock cut out without hands.

I don't see the principle of the "Sword of Just Defence" in Psalms 2, 46, 91, and 139 to mention a very few. Add to that Ps. 27:1-3 and Heb. 13:6. Neither do I see it in Prov. 16:4 where we read, "The Lord hath created all things for himself: yea, even the wicked for the day of evil." Nor in Prov. 21:1 - "The king's heart is in the hand of the Lord, as the rivers of water: he turneth it whithersoever he wills."

Then the Church of the Reformation era was in sin; its political liberty that it created, with the obvious blessing of God, is mere license (so saith the Jesuits) and we are hypocrites who enjoy what is left of political liberty here in the US by claiming that we had a Bible-beleiving Reformation anti-papal tyranny heritage. Let us call the Pope to come and resume his rule over us via England and its colonies, Russia and China, in accordance with Romans 13. Let us abandon all of our guns, as gun ownership is a sin, remembering that to own a crossbow during the Dark Ages was illegal thanks to the decree of the popes. Your theology must

of necessity lead to this conclusion. Is this what you desire dear brother?

The "mystery of Iniquity" that is at work today is subject to God's prophetic plan in bringing about judgment on this unbelieving world. An activist's "sword" to try to interrupt this plan is futile if God's time to judge this world has arrived.

Your conclusion is predicated with the word "if." It is not for us "to know the times and the seasons which the Father has put in his own power." (Acts 1:7) Luther, Knox, Calvin and a host others did what was right for the moment in which they lived. God is indeed sovereign and works all things after the counsel of his immutable will whether we be obedient or disobedient. God, if he so chose to bless us in response to our obedience, could give us a land here in North America in which we could establish a new nation based upon the AV1611 Reformation Bible---the Word of God---just as He did before. The devil's kingdom hangs on mere threads as well as much human fear. The reason we are going down in a neo-nazi, corporate fascist, socialist military dictatorship is because of our mere unbelief. Our premillennial dispensationalism has been perverted into rejoicing over the progress of evil, exclaiming "the Lord is coming." Indeed, the Lord is coming, but on his set day and not one day before. The "Appearing" of Christ for his remaining Church is imminent, but not one day before that set time. So why not leave the timing of prophetic events to God and let us occupy until he comes by resisting the Jesuit designs against our country as patriots ought? We are on the verge of losing it all---country, rights, and our White Protestant heritage. The Order' CFR-controlled American government has turned the world into our enemy that will rejoice when we fall. Shall we saved men be accountable for giving up without a fight, first in word and then in deed?

Our "activism" should be for the souls of men and the obedience of the Great Commission.

That is most important but not our only purpose in the earth. Do we not work to support our family, to have the pope's monopoly money---Federal Reserve Notes---so we can buy our bread? Do we not have a civil obligation to our political community in restraining evil by resisting the devil's Masonic governmental leaders? Shall we, like the Arminian Mennonites and Amish, relegate the political arena to "the world" and thus to the devil's Jesuit-controlled servants thereby guaranteeing the triumph of evil? Are we "quitting ourselves as men" if we do such things?

Remember, we have this promise: ALL POWER IS GIVEN UNTO ME IN HEAVEN AND IN EARTH..... AND LO, I AM WITH YOU ALWAYS, EVEN UNTO THE END OF THE WORLD." So why should we fear devilish schemes? ". . . for greater is he that is in you than he that is in the world." - I Jn. 4:4

It is for this very passage that we do not fear their schemes but openly resist their designs. We trust in the Lord's intervention that He may answer our prayers as we seek deliverance from the pope's design "so purposed against us" as said brother John Knox.

Just a little story I heard from a teacher in Bible college about Jack Van Impe. He used to be on the right side but the love of money got to him. This teacher said that he sat next to Van Impe on a plane one day (after Van Impe "left the camp". Van Impe opened up a briefcase and showed it to this guy, and the guy said it was FULL of \$\$\$\$\$\$! Then Van Impe said to him "Try getting that from a Baptist meeting". What Van Impe implied was that he was going where the money was.. Now he is "in bed" with the Catholic's and others geting their \$\$\$\$.

Yes. Mao was trained in England and was a high Freemason. He was put in power by the CIA while Taiwan was betrayed, the US Navy blockading Taiwan thus keeping Chang from launching a successful invasion. Mao then expelled 8,000 Bible preaching missionaries and killed every Chinese Bible reading Christian he could find---the inquisitional Red Guard being controlled by Chinese Jesuits. Mao was known for his love if "deflowering" young Chinese virgins---a real Jesuit sadist.

CRAIG-OXLEY - October 12, 2005 09:54 PM (GMT)

Dear Oxxxxxx,

There is no one who can prove that Jesuit-trained Pius XII was not the power behind Hitler in the light of VA. I find it utterly disgraceful that a "rabbi" would defend this mass-murderer of the risen Lord Jesus Christ's beloved Hebrew/Jewish/Israelitic people, they yet to inherit the promises given to Abraham, Issac and Jacob. But then Babylonish Talumdic Judaism and its Masonic Chief Rabbis aided Masonic Hitler in the Holocaust, especially the Chief Rabbi of Rome, Israel (Eugenio) Zollin. Zollin knew that SS General and Himmler's Chief of Staff Knight of Malta Karl Wolff shipped all of Rome's Jews to Auschwitz (except a few tokens "hidden" in the Vatican), yet he said NOTHING. Rather Zollin converted to Romanism after the war aiding in the cover story that Pius XII attempted to save the Jews! Mein Kampf was released in 1925 outlining the Nazi Party's policy towards the Jews of Europe. Papal Nuncio Pacelli signed a Concordat with Hitler's Bavaria in 1924 (aided by Munich Archbishop Michael Cardinal von Faulhaber) and, when becoming Pius XI's Cardinal Secretary of State, Pacelli signed a Concordat with Knight of Malta Franz von Papan in 1933---knowing full well the contents of Mein Kampf---silencing any priestial objection to Hitler's Nazis! (Those "liberal" priests who resisted Hitler went to Dachau near Munich and were "purged" according to the Order's Council of Trent.) The SS was patterned after the Jesuit Order! In 1941 Hitler declared the Jesuits "unfit for duty," allowing them to avoid the draft!

As in the days of Messiah so it is today: the high Masonic Talmudic Rabinnical Jews "have no king but Caesar"---the Pope of Rome. Meanwhile, these wicked rabinnical sinners aid the Jesuit Order in the continual mass-murderers of Jewish people who really believe their rabbis are on their side. If Israel is ever to be free with a true government defending the Jewish People, the Talmudic rabbis and the

Masonic Jewish Zionists will have to go; for it was this papal faction which drove the great Revisionist Zionist Vladimir Jabotinski OUT OF ISRAEL. It makes me furious! It is tantamount to denying the Jewish Holocaust.

Sincerely in Faith,

Brother Eric

Title: Eric Phelps - Meirs and NY

CRAIG-OXLEY - October 12, 2005 09:14 PM (GMT)

Bro. Eric,

Do you know any more background on this Meirs lady? Sounds like her "Christian" testimony is only a front.

Harriet Miers appears to be a left-winger and an apostate Protestant; some say she is a Jew by race. The Order has chosen her to be on the court and I believe she most definately will be confirmed evidenced by the well-speaking of Opus Dei Antonin Scalia. Masonic Jewish Zionist 33rd Degree Freemason Arlen Specter speaks well of her also.

The Jesuits of Georgetown University rule the Supreme Court via the CFR and will use the court to put in power America's coming fascist military dictator---just as the German Supreme Court was used to validate the powers of Hitler. No matter who is appointed the Order rules the Court; indeed there is "Order in the Court" ruling the Empire by its touted, unconstitutional "judicial supremacy."

Also, about the "threat" today in NY. This would be an excellent way for the "terrorists" to draw away attention, so as to attack in another area. What's your input on this?

Agreed. Though the threat has now been called a hoax, we must remember that New York City is the Western Hemisphere's financial capital for the Order. Its Federal Reserve Bank is full of gold bars; the city is the keystone for the economie life of the nation overseen by the Archbishop of New York. That economy is the backbone for the Pope's American Military Industrial Complex presently waging its Crusade in Iraq, etc. That infrastructure must be kept in place and unmolested by wholesale terrorism. There might be a few low-level bombings as in London, but both cities will continue to function. Other cities will experience nuclear detonations, but they are expendable being unnecessary for the overall functioning of the country. So your conclusion is correct. You are

learning to think like the Black Pope---militarily.

Is there any particular reason for the increase in intensity of the attacks by the insurgents in Iraq?

Yes. To further involve more US forces ultimately leading to a draft and to foment a Civil War between the Shiites and the Sunnis. The Crusade must go into Iran and ultimately Saudi Arabia resulting in the destruction of the Mosques.

Is there anything to the "bird flu" scare, and is China behind this?

No. The virus is a creation of the CIA virus makers. Whenever a virus crosses from an animal to a human it is usually man made---just like the AIDS virus. If you contact the virus, it is reversable if you do not submit to the medical inquisition.

If contracted, I recommend several glasses of colloidal silver 100ppm and the continual use of grapefruit seed extract which kills as many pathogens as silver. Keep the body adjusted by a good strait chiropractor and keep on a high enzyme, high mineral, low protein diet especially if one is over 40.

Anxious to hear your answers.

CRAIG-OXLEY - October 12, 2005 09:52 PM (GMT)

Eric,

Have you ever wondered if Miers is just in place because of those Original documents shes blackmailing G.W Bush with? Also there was an incident in New York which involved Israeli Mossad/Russian Mafia individuals, 4 being killed and 5 captured by the American-French-Alliance (AFA). The establishment used the story as a smokescreen but then quickly in conspiracy land took the heat of themselves by helping spread disinformation that it was a hoax amongst their Temporal Coadjutor/FBI Division 5/CIA websites such as Alex Jones sites, Jeff Rense & Whatreallyhappened. These sites give some truths but they are deceivers and very devious. Right now you can tell the dodgy sites more than ever due to the attacks on Tom Flocco, Sherman Skolnick and Tom Heneghen who I consider to be the finest around for REAL information. People can harp on about Flocco's Olsen intel all day long but they did this with the Indictments info when that came out just through these outlets and look whats happening now. We see

Flocco, Skolnick and co all suffering web hacks regular and radio show hassles but what happens to those sites mentioned above? NOTHING! Oh well some will say Jones sites were stopped the other day well this may be so but many others were and it was claimed to be an error and fixed within a few days.

I'm not sure on the Medhr Army/Republican Guard attacks for the reasons you say. You will find that Mossad, SAS and CIA are all part of many of the attacks upon themselves in order to keep the charade going in the way you claim below. The Medhr Army etc (resistance) are very good fighters and have plenty of high level weapons given to them by Russia just prior to the invasion thanks to Putin. Many of these men are trained by Spitznaz and I personally hope they destroy all the invaders in Iraq. Unfortunately when you have Mossad etc around using sophisticated devices like Laser bombs to get round the jammed normal methods this will create big problems. Many military recruiters are telling american teenagers to sign up now and choose their career before their signed up on the draft next year hmmmmmm.

What we must remember my friend is that with the powerful media the Order owns and uses there is no need to actually have a virus at all. The media can hype about deaths especially at a normal flu season and the masses will flock for the Vaccinations in the droves. The Vaccinations will either just put the usual viruses (like SV40), Mycoplasma etc which usually covertly and subclinically destroy the host over time making it less obvious whats going on (Global 2000 my friend). The Vaccinations may contain nanochips like what David Icke helps expose or you could find that they put in a LIVE lethal flu strain virus in the vaccinations and spread it this way. There was once an article about the Chemtrails were to damage the immune system and respiratory ready for a flu attack. The technique of damaging the Immune system is known as spreading and they can increase the invaders by simple microwave frequency as well as Scalar etc. I would recommend the Grapefruit Seed extract, Oregano, Kombucha Tea, Colloidal Ionic Silver, Vitamin C (pharmalogical dosage), Blood electrification (bob beck), onions in the rooms with spots of Oregano oil upon them, Ozone water, insufflation and room. A real godsend to have is a nebuliser in order to nebulise silver, himalayan salt etc into the lungs. Put 1oz of Himalayan Salt for every 1 litre of boiling water in a boil and inhale this should seriously help as well as Cayenne Pepper both baths and especially drinks. We have to be careful with Colloidal Silver my friend and only take it on emergencies. Proper levels of water and salt are a must also. Cleanse the Colon, Liver in that order immediately before anything arrives and the body can deal with it far more efficiently.

I would like to point out to you that HIV is a complete scam and fraud and can be proven wrong by many authority Microbiologists and researchers. AIDS is man-made but not in the way of viruses etc. Aids is caused by many factors which Mbeki has highlighted such as medical drugs, street drugs, poppers and more. Again we see how the Order's media hype the phony HIV story and everyone falls for it. In conspiracy land they have everyone thinking its a man-made virus blah blah, this makes even more intelligent folk still follow the original phony story but they think they know it all because

they think it was a man-made virus. If you tell them otherwise they gatekeeper you with the original phony story and believe your helping the establishment when infact they are. The tests are a fraud and have no standard as well its a complete scam. Once you learn the truth it hits you like a bus on a road and you can see through this scam. People in Africa aren't dying from AIDS like their making out?!?!? Many people in Africa are dying in the same quantities as for many years with the same diseases. You will find that most Africans never have one of those fraud tests simply because their too expensive and almost 100% of Africans would come up on the 60+ false positives. So when they get one of their diseases due to malnutrition and bad sanitary conditions this old problem is labelled AIDS and the statistics are passed on the programming media. There are some who have had vaccinations and then their immune system has been depleted and this can be done by simple toxins in the vaccines. I only wish more will learn the truth on AIDS and listen to people like Dr Peter Duesberg and Researchers like Jon Rappoport along with the H.E.A.L organistations which include Christine Maggiore. A good place to start looking this up is <http://s13.invisionfree.com/> [THE_UNHIVED_MI...p?act=SF&s=&f=8](http://s13.invisionfree.com/) we need this scam exposed so people get off those cocktail drugs and all the other real reasons for AIDS and show up this pathetic lie which has turned into a religion. I'm committing Heresy not believing in their pathetic hiv/aids NONSENSE.

This is the problem you see when many intelligent people just learn one subject wether Jesuits, Illuminati, Alternative Health blah blah. We all need to brush up on ALL subjects and have a big field of knowledge and it helps us dramatically see through the illusions from the Order. By studying one or two little subjects we make ourselves compartmentalised just like the establishment pathetic tunnel vision systems which then becomes dangerous.

Please feel free to spread this on your list because people need to know whats going on. I've had enough of the Jesuit Order, Committee of 300 and Illuminati illusional Matrix and its time to fight and have the frame of mind the great WILLIAM COOPER did. We about to lose shortly unless we get the message out quickly, its beginning to be too late these days.

Dear Brother In Christ Jesus :

Attached herewith is the PDF File Version 5.0 "The Holocaust", it is now becoming world wide knowledge to thousands of people around the world. Historians also knew that the Vatican is indeed involved in the extermination of 6-Millions Jews, Millions of Serbs Orthodox and other war crimes the Vatican had committed.

Atty. Levy and Easton had already filed a case at the Federal Court in San Francisco against Vatican's war crimes against the Jewish people and Serbian People killed by Ante Pavelic and Archbishop Stephinac and his cohorts - Ustashi Militia. Where it was found out that the Ustashi Militia officer that killed millions of Serbs to make a pure Catholic State Of Croatia in Yugoslavia are FRANCISCAN PRIESTS ORDER - IN USTASHI UNIFORM. SHOCKING REVELATION.

The US Federal Court have already issued order to the US State Department "Intelligence" to bring out sensitive documents that will linked out the involvement of the Vatican. However, the CIA wishes to cover-up the Vatican involvement. The Vatican on the other strongly denied their involvement in the 6-Million Exterminated Jews. Just recently, the United Nations chief-prosecutor announced in the CNN during the time

she was interviewed that the Vatican is sheltering the primary accused guy for the extermination of Serbian Orthodox in Yugoslavia.

Millions of people are still unaware that Cardinal Eugenio Pacelli who become Pope Pius XII is the Mastermind of the Holocaust and it was only carried-out by his crazy and evil cohorts like Adolf Hitler, Adolf Eichmann, Heinrich Himmler, Martin Bormann, Dr. Joseph Goebbels and Dr. Mengele.

Fortunately, Gen. George S. Patton is a Freedom Fighter that freed the Jews into total extermination.

Thank you very much.

Very truly yours,

Subject: Jesuit Priest & Einstein

The Big Bang Theory was formulated by a Jesuit priest named Georges Lemaitre. I think the photo on the webpage linked below speaks more truth than the article does.

<http://zyx.org/LEMAITRE.html>

"When the thief died on the cross, he had but just believed, and had never done a single good work. But where did he go? He ought to have gone to purgatory by rights if ever anybody did. But instead of that the Saviour said to him, 'Today shalt thou be with me in Paradise' (Luke 23:43). Why? Because the ground of the man's admission into Paradise was perfect."

A Day Without Yesterday': Georges Lemaitre & the Big Bang

user posted image

In January 1933, the Belgian mathematician and Catholic priest Georges Lemaitre traveled with Albert Einstein to California for a series of seminars. After the Belgian detailed his Big Bang theory, Einstein stood up applauded, and said, "This is the most beautiful and satisfactory explanation of creation to which I have ever listened." Lemaitre's theory, the idea that there was a burst of fireworks which marked the beginning of time and space on "a day without yesterday", was a radical departure from prevailing scientific understandings, though it has since come to be the most probable explanation for the origin of the universe.

In the winter of 1998, two separate teams of astronomers in Berkeley, California, made a similar, startling discovery. They were both observing supernovae — exploding stars visible over great distances — to see how fast the universe is expanding. In accordance with prevailing scientific wisdom, the astronomers expected to find the rate of expansion to be decreasing, Instead they found it to be increasing — a discovery which has since "shaken astronomy to its core" (Astronomy, October 1999).

This discovery would have come as no surprise to Georges Lemaitre (1894-1966), a Belgian mathematician and Catholic priest who developed the theory of the Big Bang. Lemaitre described the beginning of the universe as a burst of fireworks, comparing galaxies to the burning embers spreading out in a growing sphere from the center of the burst. He believed this burst of fireworks was the beginning of time, taking place on "a day without yesterday."

After decades of struggle, other scientists came to accept the Big Bang as fact. But while most scientists — including the mathematician Stephen Hawking — predicted that gravity would eventually slow down the expansion of the universe and make the universe fall back toward its center, Lemaitre believed that the universe would keep expanding. He argued that the Big Bang was a unique event, while other scientists believed that the universe would shrink to the point of another Big Bang, and so on. The observations made in Berkeley supported Lemaitre's contention that the Big Bang was in fact "a day without yesterday."

When Georges Lemaitre was born in Charleroi, Belgium, most scientists thought that the universe was infinite in age and constant in its general appearance. The work of Isaac Newton and James C. Maxwell suggested an eternal universe. When Albert Einstein first published his theory of relativity in 1916, it seemed to confirm that the

universe had gone on forever, stable and unchanging.

Lemaitre began his own scientific career at the College of Engineering in Louvain in 1913. He was forced to leave after a year, however, to serve in the Belgian artillery during World War I. When the war was over, he entered Maison Saint Rombaut, a seminary of the Archdiocese of Malines, where, in his leisure time, he read mathematics and science. After his ordination in 1923, Lemaitre studied math and science at Cambridge University, where one of his professors, Arthur Eddington, was the director of the observatory.

For his research at Cambridge, Lemaitre reviewed the general theory of relativity. As with Einstein's calculations ten years earlier, Lemaitre's calculations showed that the universe had to be either shrinking or expanding. But while Einstein imagined an unknown force — a cosmological constant — which kept the world stable, Lemaitre decided that the universe was expanding. He came to this conclusion after observing the reddish glow, known as a red shift, surrounding objects outside of our galaxy. If interpreted as a Doppler effect, this shift in color meant that the galaxies were moving away from us. Lemaitre published his calculations and his reasoning in *Annales de la Societe scientifique de Bruxelles* in 1927. Few people took notice. That same year he talked with Einstein in Brussels, but the latter, unimpressed, said, "Your calculations are correct, but your grasp of physics is abominable."

It was Einstein's own grasp of physics, however, that soon came under fire. In 1929 Edwin Hubble's systematic observations of other galaxies confirmed the red shift. In England the Royal Astronomical Society gathered to consider this seeming contradiction between visual observation and the theory of relativity. Sir Arthur Eddington volunteered to work out a solution. When Lemaitre read of these proceedings, he sent Eddington a copy of his 1927 paper. The British astronomer realized that Lemaitre had bridged the gap between observation and theory. At Eddington's suggestion, the Royal Astronomical Society published an English translation of Lemaitre's paper in its *Monthly Notices* of March 1931.

Most scientists who read Lemaitre's paper accepted that the universe was expanding, at least in the present era, but they resisted the implication that the universe had a beginning. They were used to the idea that time had gone on forever. It seemed illogical that infinite millions of years had passed before the universe came into existence. Eddington himself wrote in the English journal *Nature* that the notion of a beginning of the world was "repugnant."

The Belgian priest responded to Eddington with a letter published in *Nature* on May 9, 1931. Lemaitre suggested that the world had a definite beginning in which all its matter and energy were concentrated at one point:

If the world has begun with a single quantum, the notions of space and time would

altogether fail to have any meaning at the beginning; they would only begin to have a sensible meaning when the original quantum had been divided into a sufficient number of quanta. If this suggestion is correct, the beginning of the world happened a little before the beginning of space and time.

In January 1933, both Lemaitre and Einstein traveled to California for a series of seminars. After the Belgian detailed his theory, Einstein stood up, applauded, and said, "This is the most beautiful and satisfactory explanation of creation to which I have ever listened." Duncan Aikman covered these seminars for the New York Times Magazine. An article about Lemaitre appeared on February 19, 1933, and featured a large photo of Einstein and Lemaitre standing side by side. The caption read, "They have a profound respect and admiration for each other."

For his work, Lemaitre was inducted as a member of the Royal Academy of Belgium. An international commission awarded him the Francqui Prize. The archbishop of Malines, Cardinal Josef Van Roey, made Lemaitre a canon of the cathedral in 1935. The next year Pope Pius XI inducted Lemaitre into the Pontifical Academy of Science.

Despite this high praise, there were some problems with Lemaitre's theory. For one, Lemaitre's calculated rate of expansion did not work out. If the universe was expanding at a steady rate, the time it had taken to cover its radius was too short to allow for the formation of the stars and planets. Lemaitre solved this problem by expropriating Einstein's cosmological constant. Where Einstein had used it in an attempt to keep the universe at a steady size, Lemaitre used it to speed up the expansion of the universe over time.

Einstein did not take kindly to Lemaitre's use of the cosmological constant. He regarded the constant as the worst mistake of his career, and he was upset by Lemaitre's use of his super-galactic fudge factor.

After Arthur Eddington died in 1944, Cambridge University became a center of opposition to Lemaitre's theory of the Big Bang. In fact, it was Fred Hoyle, an astronomer at Cambridge, who sarcastically coined the term "Big Bang." Hoyle and others favored an approach to the history of the universe known as the "Steady State" in which hydrogen atoms were continuously created and gradually coalesced into gas clouds, which then formed stars.

But in 1964 there was a significant breakthrough that confirmed some of Lemaitre's theories. Workers at Bell Laboratories in New Jersey were tinkering with a radio telescope when they discovered a frustrating kind of microwave interference. It was equally strong whether they pointed their telescope at the center of the galaxy or in the opposite direction. What was more, it always had the same wavelength and it always conveyed the same source temperature. This accidental discovery required the passage of several months for its importance to sink in. Eventually, it won Arno Penzias

the Nobel Prize in physics. This microwave interference came to be recognized as cosmic background radiation, a remnant of the Big Bang. Lemaitre received the good news while recovering from a heart attack in the Hospital Saint Pierre at the University of Louvain. He died in Louvain in 1966, at the age of seventy-one.

After his death, a consensus built in favor of Lemaitre's burst of fireworks. But doubts did persist: Did this event really happen on a day without yesterday? Perhaps gravity could provide an alternative explanation. Some theorized that gravity would slow down the expansion of the universe and make it fall back toward its center, where there would be a Big Crunch and another Big Bang. The Big Bang, therefore, was not a unique event which marked the beginning of time but only part of an infinite sequence of Big Bangs and Big Crunches.

When word of the 1998 Berkeley discovery that the universe is expanding at an increasing rate first reached Stephen Hawking, he said it was too preliminary to be taken seriously. Later, he changed his mind. "I have now had more time to consider the observations, and they look quite good," he told Astronomy magazine (October 1999). "This led me to reconsider my theoretical prejudices."

Hawking was actually being modest. In the face of the scientific turmoil caused by the supernovae results, he has adapted very quickly. But the phrase "theoretical prejudices" makes one think of the attitudes that hampered scientists seventy years ago. It took a mathematician who also happened to be a Catholic priest to look at the evidence with an open mind and create a model that worked.

Is there a paradox in this situation? Lemaitre did not think so. Duncan Aikman of the New York Times spotlighted Lemaitre's view in 1933: "There is no conflict between religion and science,' Lemaitre has been telling audiences over and over again in this countryHis view is interesting and important not because he is a Catholic priest, not because he is one of the leading mathematical physicists of our time, but because he is both."

CRAIG-OXLEY - October 12, 2005 08:45 PM (GMT)

Dear Brother Nicholas,

This was a nice note to Mrs. Cumbey evidenced by lots of documentation. However, she is most assuredly a Coadjutor evidenced by her simple statement that my book is "all lies." You may wish to check my site under "Coadjutor Cumbey."

Thanks for the fact on Van Impe. What an apostate! I remember the days when that man could really preach.

Sincerely in Faith,

Brother Eric

Here is the email I attached back in April (that you could not open-sorry about that.) that I sent to Temporal Coadjutor Ecumenical Constance Cumbey (who never took some of her "billable" time to reply to my email-all Jesuit Temporal Coadjutors are cowards! You know she never answered my questions and sent me a condescending message which you read and posted for all of the list to see so everyone could see her error and folly) in defense of you and VA. I'm sending this just in case you wanted to read it. May the Lord bless you dear brother.

I wasn't to sure if i attached my email to Constance Cumbey correctly so I'm forwarding it to you and I hope you get it.

Brother Nicholas N. Rivera

Dear Constance,

Brother Eric Jon Phelps is currently finishing the third edition of Vatican Assassins and will not be replying to emails for the next two weeks. Otherwise, he would have replied to your email promptly. I, a 20 year old college sophomore am on his mailing list and he notified everyone on it about the short hiatus.

The fact that he was interviewed by the New Age The Spectrum magazine does not mean he is a New Ager himself-they were the only ones who would listen to what he had to say and distribute it. "Christians" such as Jack Van Impe, Hal Lindsay, Billy Graham, Pat Robertson, etc. and their "ministries" would NEVER support Brother Eric and his work because they are ecumenicals. Do you believe as Jack and Rexella believe that JP II is in heaven? I know he isn't and anyone who believes the Bible knows JP II was an idolater, false prophet, and a false christ who went to judgment was found guilty and received the degree of damnation and punishment in hell he deserved. Are you an ecumenical? Do you believe Roman Catholics are Christians? They are according to the wicked Council of Trent but not the inerrant and infallible absolute truth of the Holy Bible of the Protestant Reformation.

I wonder if you are an ecumenical because I used to write emails about Javier Solana to you a year ago and in one of them I requested a copy of your PowerPoint presentation. What troubled me about it was the last two slides that picture Roman Catholic churches-one was an actual photo and the other was an illustration. The last slide depicts a Roman Catholic priest holding his wafer god, his "Jesus"-the Eucharist up high performing

the witchcraft ritual that is the counterfeit of the Lord's Supper-the bloody non-Biblical Mass. The second to last slide had a Jesuit I.N.R.I. crucifix with an image of the "Jesus" of Roman Catholicism. The fact that Solana rebuffed Pope John Paul II and his envoys really seemed to bother you. You asked the question whether Solana would attack Jerusalem, Vatican, and Mecca next since he ordered a train bombing. The only one of those places that matters to me is Jerusalem. The destruction of the Vatican is forthcoming and Mecca will most likely be destroyed during this current 21st century Papal crusade against the Muslim peoples. The Vatican is using their sword-the U.S. empire to kill as many Muslims as possible so when the Dome of the Rock and Al Aqsa mosques are destroyed the Zionist government of Israel won't be overrun by a jihad. Another thing that concerns me is the list of your favorite books. The first two are writings by the eternally damned Roman Catholic amillennialist Augustine. City of God which says the Pope is the Sun and that he holds power over heaven and the governments of the earth according to Alberto by Chick Publications. Your second favorite book was The Confessions of St. Augustine and your third was the Bible. Why would you list Roman Catholic pagan mythology before the word of God? Brother Eric needs your support and that of Bro. Herb Peters to get the word out about the revival of political and religious Rome which Herb discussed in his commentary. Last year, I started to believe that Solana was the antichrist because he seemed to fulfill the prophecies of Daniel concerning the prince that shall come but now I believe he is a forerunner, a John the Baptist type preparing the kingdom the final Pope will take over. I believe the final Pope or next couple of Popes will rule the EU and 10 nation WEU military alliance. I believe the Papacy will assume the position of CFSP and all the powers contained in Assembly Recommendation 666 someday. The Unholy Roman Empire will be revived with the Pope as emperor-the political and religious leader of the EU and eventually the the rest of the world. You say Solana is not a devout Roman Catholic, why then is he a member of a Catholic knighthood the Order of St. Michael and St. George according to Wikipedia? Strange for an anticleric to be a member of such an order isn't it? I believe Solana might announce soon that he got "religion" just as Constantine did when he had that satanic vision during which he was told-In this sign, conquer. Constantine never became a true Christian and this is shown by the fact that he worshipped the sun god Sol until the day he died. Before he passed on to eternal hellfire he was "baptized" according to Romanism Baal religion-he was sprinkled with water which cannot wash away and atone for sins. Constantine was the first Pope not Peter so Roman Catholicism is based on the lie that Peter is the rock when it is in fact the Lord Jesus Christ-"this rock" when you unscramble it spells "Christ, ok?" accordng to Gail

Riplinger in her work "In Awe of Thy Word" The Bible clearly says Christ is the head of the church and not some unsaved wineheaded bachelor in Rome.

A Jesuit Fr. Fulco advised the making of the New Age movie "The Passion of the (Anti) Christ" in which Aramaic was predominantly employed because the Aramaic rendering of Matt. 16:18 agrees with the Romanist lie that the church is built upon Peter. Peter is rebuked in v.23 in the same chapter. Why would Peter be the rock when throughout the Old Testament and New Testament the rock and chief cornerstone is the Lord Jesus Christ? Rome is not the eternal city as Romanists claim. The last place the Lord would build his church is Rome. Romans mocked and crucified Him. The center of New Testament Christianity was Antioch, Syria and before Acts 11:22 it was Jerusalem but never Rome. None of the Popes were saved. No man who claims to be Christ on earth can ever be saved because he believes he is the Holy Father (the most reverent title for God that it is only found once in the entire Bible), the Pope believes he is the vicar of Christ-the representative of Christ and that title rightfully belongs to the third person of the Godhead. The heretic claims to be infallible when he is a mere man bound for hell. The Pope is an antichrist and part of the dynasty of the antichrist. Popes used to have coronations since they are kings but now they are called inaugurations. They used to receive a crown with the inscription VICARIVS FILLI DEI (vicar or substitute Son of God). When you add the Roman numerals they add up to 666. (Rev. 13:18) Anti-not only means against but in place of or substitute for. So for centuries the Popes have proudly proclaimed with their crowns that they are antichrists. Pope John Paul II carried a bent crucifix which stood for the mark of the beast during the Dark Ages. The Jesuits produced the New Age Movement. Jesuit Teilhard de Chardin was the father of the New Age Movement. His writings are laced with occultism like his work about the "Sacred Heart of Jesus."

The Jesuits have been expelled by almost every nation but this one. It is tragic this once great God-fearing nation has been a victim of the machinations and subversive activity of this perfidious Papal army who will do whatever it takes to enforce the false doctrine that the Pope has temporal and spiritual power of all according to Summa Theologica. The Jesuits unofficial motto is the end justifies the means. You judged Brother Eric's book by its cover and not its substance. You are an attorney at law who values evidence and objectivity. Before you pass judgment on Brother Eric's book-please read it. I haven't read it myself yet but a dear fellow Christian brother of mine is sending the second edition CD-Rom to me as a gift. He told me the book talks about the secret concordat Reagan signed with the Vatican in 1986. It is no secret Reagan recognized Vatican City as a sovereign state, that he passed executive

order REX-84 which called for the shutting down of military bases and converting them to concentration camps to be used at a later date, and the attempted assassinations of Pope John Paul II and Reagan were staged so they could have common ground and "end" Communism which they did not. It is alive and well in Russia, China, EU, Cuba, and other parts of the world. I'm not attacking you Constance. I am seriously concerned that you sympathize with Rome and the Papal Caesar just like Jack Van Impe who I heard is going to officially announce his conversion to Roman Catholicism, Pat Robertson who believes Mother Teresa and JP II were saved, Hal Lindsay who said the St. Malachy predictions were inspired according to an article on the site with Joseph Farah, etc. Please don't fall into the trap like they did. I believe it's possible they were never truly born again but are Vatican enablers. The Pope is not a born again Bible believing Christian and over 1 billion precious Roman Catholics are deceived by a man who doesn't know where he is going when he dies, is powerless to save, and a counterfeit of Jesus Christ. I know there are saved Roman Catholics but they got saved by hearing and believing the gospel of the grace of God from a true Christian. Roman Catholics who get saved will eventually be led by the Lord out of the Roman Catholic Marian cult and direct them to a Bible believing church where the Lord Jesus Christ is preached and the Bible is the final authority.

They will never hear the gospel from their priests who are lost themselves. What a team you, Brother Eric, and Brother Herb would be in exposing the EU's Javier Solana, the Vatican's Papal Caesar, and the Jesuit Order and its Black Pope, the Jesuit General-the most evil man on earth today who oversees and controls all of Freemasonry (the Jesuits and Freemasons have the Piazza del Gesu in common). The Illuminati, the International Terrorist Network including Al Qaeda and CIA asset and agent Tim OSSman aka USama bin Laden and the International Intelligence Network-the CIA, FBI, SIS, MI6, KGB, etc. Brother Eric shows that the link that ties all these groups is the Luciferian Black Pope the real head of the Vatican and his Jesuits who reign supreme over the Roman Catholic hierarchy including the White Pope Benedict XVI who is their slave just as JP II was after they attempted to assassinate him for calling for the resignation of then Jesuit General Pedro Arrupe. The Jesuits truly are the Vatican's assassins and you will see their hand in every major war, dictatorship, how they invented communism, fascism, totalitarianism, etc. They used Hitler who formed the SS after the Jesuit Order and said he saw in Heinrich Himmler the new Ignatius of Loyola, they trained Napoleon in Corsica then they betrayed him by putting him in exile, they trained Stalin, Castro, Mussolini restored the temporal power of the Pope in Italy, All of this highly researched and documented information is found in Brother Eric's book. I have never read it myself but I know it's in

there based on what I've read on his website www.vaticanassassins.org
The New Age Movement is just one part of the Roman Catholic Counter-Reformation during which the Company of Jesus-the Jesuits were found. Ignatius of Loyola was the founder of the Spanish Alumbrados known today as the Illuminati. Adam Weishaupt founded the Bavarian Illuminati on May 1, 1776 (it is commemorated on the one dollar bill) and he was a Jesuit. I hope you read Brother Eric's book. I sure can't wait to. You'll learn a lot and be blessed.

Title: Eric Phelps - Next step for Moslems and more

CRAIG-OXLEY - October 12, 2005 08:32 PM (GMT)

Dear brother Eric,

I was glad received your last repply,

1 What is the next step of illuminati for moslem countries like indonesia, iran, UEA ?

We know this "War on Terror" is in fact a Papal Crusade against the peoples of Islam----not against the rulers of Islamic nations. The leaders of Islamic nations are Freemasons of the Grand Orient Lodge of Cairo and or Istanbul. The Wahhabi Saud dynasty is masonic having been put in power in 1932 by Jesuit-controlled England and the Jesuit Order's Masonic fascist, Benito Mussolini. Mussolini's advisor was the Secretary of the Society of Jesus, Pietro Tacchi-Venturi who also negotiated the Lateran Treaty, restoring the Pope's Temporal Power in 1929.

Thus Saudi Arabia is under the control of the Jesuits through the Masonic Saudi Royal Family which is working with the Masonic Bush family during this wicked Crusade. The major goal is the destruction of the mosques in Mecca and Medina---with the aid of the Masonic, CIA-controlled, Bin Laden Construction Company. I have said that there are preset expolosives in thos mosques, possibly in or beneath the Kaaba itself. And since Bin Laden Construction Company has all the contract rights in maintaing the mosques, it is only logical that the Bin Ladens have installed the explosives for the coming detonations. When the mosques are destroyed the Americans will be blamed even as the Moslems were wrongly blamed for the 911 demolitions.

Why USA didn't release their invasion to iraq? It must be not only for oil

Iraq boldly expelled the Jesuits from their nation in 1969. For this the Order assassinated its leaders and made war on her people, first with Iran and now with

the US military. Iraq is to be decimated (as were Japan and Germany) not only with the US military but with a coming Civil War between the Shiites and the Sunnis. The coming CFR-created Iraqi constitution will insure the outbreak of Civil War. Meanwhile Iran will be invaded next, probably after the US experiences its nuclear detonations triggered by the CIA and then blamed on the Iranians.

#2 For the last hurricane in China, Pakistan, Mexico

Did leader of the countries have conspiracy with the freemason to abolish their own people ?

Yes.

3 Gaza is the important land for israel zionist

why israel release off Gaza for palestina, did they have other plan

Yes. Freemason Sharon, advised by Freemason and CFR member Henry Kissinger, betrayed his own people by agreeing to the Pope's Roadmap policy. Oslo (1993) first guaranteed the withdrawal of the IDF from Gaza leaving its occupants unprotected. The Roadmap (2003) then forced the occupants out of their homes and off their land----a land God gave to the tribe of Judah many years ago. This policy is for one purpose alone: War! Israel is now nearly cut in half; Hamas and the PLO, controlled by the Jesuits (as also the Order controls the Mossad), will ignite a war that will involve the destruction of the Temple Mount's Jerusalem mosques. This destruction will be blamed on the US, as there is now a large American base in Israel from which the US can wage war. Of course the Americans will not have in fact destroyed the mosques, but the Bin Laden Construction Company or some related Islamic faction will have been behind it. You may wish to view the Hollywood movie titled "The Order." In the movie the Dome of the Rock is nearly destroyed by a plot of "the Templars." The Order always tells what it will do in its Jesuit Theater.

I have many question and hopefull to talk with you someday.

Do you have any mail friends in indonesia to share for?

No, but maybe I now have you as a friend.

Best regards

WXXXXXX

Sincerely in Faith,

Brother Eric

Subject: Question

Dear Eric Phelps,

Could you answer this not on list, please, for my protection and yours?

I would like to ask you if you know of any Jesuits by any chance into the SDA (Seventh Day Adventist church) and at their college in Berrien Springs, Mich. Some years back, there were four of them discovered teaching, but after apology they were allowed to stay I heard.

I did hear of that. The Order has taken over the Adventists except a faction.

I would not have allowed them to stay at all. There is a man there who is the only Protestant that has ever gone through the Pontifical University and I heard him say he did not do his graduation as Catholic. I saw his garb and his big certificate in a picture that was very large and legible. I held and felt the weight of the gold medal for it. He talked at Tacoma congregation when I heard this in person.

Have you ever heard of Jim Arribito?

Yes. I have two of his videos. He was killed.

You did know of Alberto Rivera who did leave Jesuit organization and I heard he paid with his life. I have him on film telling how he helped them infiltrate, etc., and how the pentecostals could not be deceived by the Jesuits until they sidled in on the singing and praise, but the infiltrations helped and the ignorance of general population about the fact that Peter was never appointed pope and I see that the Rock is Christ and the

salvation and righteousness of the Ancient of Days as in the dream of the tall statue of different metals that Nebucadnezzar dreamed of and couldn't remember it, so he called in soothsayers, etc., and called in Daniel, eventually. This Rock made without hands came and struck that statue at the feet and broke up, pulverized, the metals and the Rock formed into a mountain.

Amen!

Arribito's plane went down and his name was discovered on a hit list later along with a teacher who died in a plane crash, too. I think you might be in danger. But by this way you do on the list, book, etc., is what you'd call high profile, safer than low profile, possibly.

Indeed.

Arribito had a Jesuit friend, and Jim and another went to Spain to view the beginning history of the Jesuits. He took pictures of the original oath with the same as is on internet, except I believe the fact they are sworn Lucifariens out to cut out every thing pertaining to Christ by any means, and to deceive and kill by any means as ordered by the papal authority or most high commandant.

True.

Maybe, if I find out if I can get some info I have on video tape, and may try to get it to you. I can tell you what I think I said already, that this old man who had been a special investigator for the government in the 20s, said one other investigator for the government who could speak 44 languages went to a big RC hierarchy gathering and said he needed an interpreter and they believed he could not speak and so they talked freely. He said they planned the wars,

True.

and said when the RCs were 50% in the USA, then they would have us.

That sounds right.

I only guessed how they would have us. Maybe in another Bartholomew massacre. There are many Jesuits living in homes in USA, etc., I understand. These are supposed to be soldiers of the papacy. Not long ago, the RC count is over 40% and from observation, moving up rapidly. Over the borders and from the results of the Passion and ignorance.

Right. Rome is behind Bush's and Fox's Mexican Roman Catholic invasion.

Also, another place of information back a ways says the vacated train station at

Minneapolis, I believe, had old railroad tall buildings and a building with pipes down the sides like gassing buildings and and I believe a furnace. Also, there were fences with barbs on either side to keep people from getting out as well as in and more than one set of fences. A doorway like one would see coming out of a zoo. Also, the buildings were tall enough to hold French guillotines that have been shipped into Texas according to another friend, and one of my friends saw a caravan of six white pickup trucks with folded guillotines on them down near Eugene, Oregon.

True.

I heard someone verify that incident because she had seen those same guillotines down by Eugene. Cannot remember the date. My other friend recognized them and the French language on the box that said blade.

Agreed.

Now, I guess I better stop this.
Thanks, XXXXXX

Thanks for all the confirmation.

Robertson Now Claims Chavez Trying To Get Nukes

10-9-5

WASHINGTON (AFP) -- Prominent US televangelist Pat Robertson on Sunday accused Venezuelan President Hugo Chavez of giving Osama bin Laden 1.2 million dollars in cash after the September 11 attacks and of trying to obtain nuclear material from Iran.

Robertson caused an uproar in August when he called during his televised religious program for the US government to assassinate Chavez. He later was forced to to apologize to the leftist leader.

But the conservative preacher issued a new denunciation of Chavez Sunday.

"The truth is, this man is setting up a Marxist-type dictatorship in Venezuela, he's trying to spread Marxism throughout South America, he's negotiating with the Iranians to get nuclear material and he also sent 1.2 million dollars in cash to Osama bin Laden right after 9/11," Robertson told

"I apologized and I said I will be praying for him, but one day we will be staring nuclear weapons and it won't be (Hurricane) Katrina facing New Orleans, it's going to be a Venezuelan nuke," Robertson said.

"So, my suggestion was, isn't it a lot cheaper sometimes to deal with these problems before you have to have a big war," he added.

Asked how he had obtained information on Chavez giving money to bin Laden,

Robertson said: "Sources that came to me. That's what I was told."

"And I know he sent a warm congratulatory letter to Carlos the Jackal, he's a friend of (Libyan leader) Moamer Kadhafi," he said. "He's made common cause with these people that are considered terrorists."

Can you hear my hand slapping my forehead?

Robertson--GET A LIFE! Please!!! I seriously doubt Chavez is any threat!

Maybe it won't be Iran we'll be after next...probably be Venezuela.... :unsure:

Dear Brother Nicholas,

Another excellent post!

Notice that the IRA is Marxist with its connection to the communists in Columbia. The Irish Redemptorist ("Redemptorists are Jesuits under a vow of poverty") Reid was the mediator between the Jesuit-controlled British (SMOM Tony Blair) and the IRA intending to bring Protestants and Catholics together (to destroy the Protestants) just as the Order has brought the Whites and Blacks together, via its Civil Rights Movement, to ultimately destroy the Whites.

Indeed, Ackerman is one of Cardinal Egan's court Jews to the detriment of the Lord's six million beloved Hebrew/Jewish/Israelitic people now in great danger here in North America..

Brother Eric

Congressman Gary Ackerman is a Papal Court Jew and a political Zionist.

His bio provides proof of this. <http://www.house.gov/ackerman/pages/biomain.html>

From his biography, "Other highlights include the Congressman authoring legislation that required President Bush to impose sanctions against the Palestinian Authority for not complying with peace agreements it signed with the U.S. and Israel." also

"Congressman Ackerman is also well known for his many missions to feed the starving people of Ethiopia and the Sudan and for playing a leading role in the rescue of Ethiopian Jews and aiding their emigration to Israel. Active in the Middle East peace process, Ackerman has met with the current and most past Israeli prime ministers and the heads of all the Arab countries in an effort to help secure peace in the region." and "He convinced the German government to establish a \$110 million fund to compensate 18,000 Holocaust survivors and to investigate whether 3300 former Nazi soldiers now living in the U.S. and collecting German pensions are war criminals."

These appear to be beneficent deeds but the truth remains that Congressman Ackerman's political boss is the American Pope Edward Cardinal Egan. See Congressman Ackerman's photo gallery for photographic proof of his involvement in the Middle East and the Masonic Zionist (traitors to their own race) American Jewish Committee-Long Island Chapter. <http://www.house.gov/ackerman/pages/photo2004.html>

Dear Pastor Scott,

Fox is controlled by Papal Knight of St. Gregory and CFR member Rupert Murdoch. Murdoch is one of the Order's five most powerful media moguls in the nation. For a surity, Tony Vinciguerra must know this and is a participant in the Order's New Right Republican-led socialist/fascist conspiracy. I would recommend that the brother in your church ask Mr. V if he is a member of Opus Dei or if he is a Knight of Malta or a Knight of Columbus or even a Freemason. Where was he educated?

Further, we know that Bill O'Reilly is an Irish Roman Catholic educated at Jesuit-controlled Harvard University. (Harvard has the Jesuit John LaFarge House on campus.) Sean Hannity was Jesuit Georgetown educated and Alan Coombs is the typical socialist "liberal" democrat Court Jew of the Papacy. Jerry Rivers (Heraldo Rivera) is another Papal Court Jew/Puerto Rican Roman Catholic who was an attorney for the ACLU for years. Jesuits have been interviewed several times on H & C and the pro-Anglo-American-led Crusade rhetoric is non-stop.

No, Tony Vinciguerra knows the scenario and actively supports it since he is president of Fox. Thus, there is a secret society connection somewhere.

Sincerely in Faith,

Brother Eric

Hey brother,

I have a man in my church that is a brother in law to Tony Vinciguerra, who is the president of the Fox TV network. He has tried to witness to him, but can not get anywhere with him. Tony V. claims to be a non practicing Catholic. Would you happen to know anything about this guy? Being that high up at Fox I would think he would be tied in to the order, but the man in my church said that there isn't anything different about him, he just started out locally and worked his way up the ladder.

Subject: **Jesuit-trained Executive VP of Bank of America and various links**

I researched the Jesuit influence and control of the Bank of America and found a main link. The executive vice president of management services and real estate holdings which according to the article found in the Winter 2005 issue of the Jesuit Canisius College Magazine "at one point held one of the largest portfolios of any company in the world with more than 100 million square feet of space in 35 countries." He was trained by Jesuits at Canisius.

http://www.canisius.edu/alumni/magazine/wi...cover_story.pdf

Note on the third page the Bank of America Plaza and Corporate Center are located near the Hearst Corporate building. Page 21, the last page shows that Palermo attends a Jesuit church so he is accountable to his masters who trained him.

I found this interview from Spiegel of a British historian named Frederick Taylor who authored a book about the bombing of the Protestant German city of Dresden. I remember you mentioned in your ConspiracyCon 2002 presentation the merciless bombardment of Dresden by Jesuit-controlled Britain which-a non-military target during WWII. According to the Interview, Taylor and German historian Joerg Friedrich had a discussion about this in January 2005 in Berlin. Taylor said Friedrich "was accusing the Allied bombers of a desire to kill as many civilians as possible and of not having legitimate military aims."

<http://service.spiegel.de/cache/internatio...,341239,00.html>

This is an interview with Amy Worthington about depleted uranium which is killing U.S. troops. What I found interesting was her reply to the question about the effect nuking our troops on national security when she said "The longer we nuke our own troops the happier China and Russia and their Muslim allies will be. Should they come to get us someday, our military could be decimated and our gates wide open. To my knowledge, Russia and China don't nuke their own troops. Someday we may face a Chinese Army of 2.5 million."

<http://www.rense.com/general65/amy.htm>

http://jesuits-chi.org/video/Companions_Of_Jesus_f.asx

-a video produced by the Jesuit Vocation Center of North America shows how the Jesuits used men they trained to put pressure on the U.S. government and it shows how cosmopolitan they are. They are like Judas Iscariot who appeared to care for the poor but did not because he was a thief (John 12:4-6). The Jesuits are the great humanists and they know nothing of the gospel of the grace of God. They appear to "help others" for their own interests and to advance their diabolical agenda.

Last week I saw the 1998 movie "The Man in the Iron Mask." (A link to the first draft of the movie script)

<http://www.allmoviescripts.com/scripts/637...8456135b89.html>

It is based on a work by Alexandre Dumas

http://www.online-literature.com/dumas/man_in_the_iron_mask/

A young French King Louis XIV is not the ruler most of the people want. Their food is rotten and the king has led war after war. The king is a wicked ruler but he is suspicious of the Jesuit Order and rightly so. The king tells an ex-Musketeer named Aramis to find the secret leader of the Jesuits and kill him because they are fomenting tension in the land and resisting him. There had been attempts made on the king's life by Jesuit assassins and he wants the leader of the Order to be killed for God and for France. The king lusts after a woman who is practically engaged to a soldier so the king calls him back to duty on the frontline and he is killed in action.

The fallen soldier's father desires revenge so he Aramis and another former Musketeers meet privately in a secret chapel. Aramis reveals his true identity that being the general of the Jesuit Order and he tells the two men that the king ordered him to find and kill the leader of the Jesuits but the problem with that is he is the Governor General of the Jesuits in France. (I can't believe I did not pick up on this from the beginning of the film because when he is first

introduced he shows up dressed completely in black and wears a cross/crucifix around his neck).

So Aramis, the Jesuit General proposes that the current king be replaced with his well hidden twin brother-Philippe who had been kept in prison by order of the Governor Jesuit General and forced to wear an iron mask until he was summoned by his cruel master. So the traitors and conspirators including Aramis perform a switcheroo by placing Louis XIV in prison (his punishment for calling for the death of the leader of the Jesuits) and his twin brother assumes the throne. It is a very interesting story. It shows how the Jesuits are proponents of treason and how they wielded power over monarchies, overthrew and installed kings of their choosing, and

conditioned their rule on absolute obedience to the Order. Only brave kings resisted them but many were murdered by the Vatican's assassins.

I recently saw the movie "National Treasure" on DVD produced by Jesuit/Illuminati controlled Disney which flaunts its connection to Freemasonry since Walt Disney was a 33rd degree Freemason. This movie is very telling in that it shows that Knights Templars preceded the

Freemasons. The use of occult symbols throughout the film display the fact that Roman Catholic Church and Freemasonry are in league. I believe the name "Jesuit" is engraved (I pressed pause and zoomed on to see if I could make out the inscription) and appears for a few seconds in a scene set in Trinity Church (Episcopalian) in Manhattan after the treasure is discovered and Nicolas Cage breaks through a hollow passage and a worker notices him and his friends.

Brother Rob sent me a copy of the VAI CD-ROM! It arrived yesterday and I have been reading it for hours on end. I have read a little more than 200 pages. It is fantastic brother and I praise God that I finally have the chance to read it and time to study it over my summer break. I'm reading about the attempted assassination of Joseph I and I just read about that wicked Jesuit de Smet who coerced Sioux Indians to murder White Protestants.

I have learned about the death grip of the Roman Catholic Institution and the Jesuit Order held in my Intro to Latin American History and Modern Latin American History courses in college. Since the Roman Catholic Spanish conquest-the Company has been in power in Latin America and the Caribbean and polluting the regions with their Communism and Socialism. The Jesuits through Fourteenth Amendment America's Industrial Military Complex and multinational corporations headed by Knights of Malta and Columbus. Jesuits are have and are presently encouraging anti-Americanism to use for the coming invasion of North America. Perhaps if you prepare another volume of VA in the future I could contribute information to expand on your research on the Jesuit Communist Reductions of the Guarani Indians of Paraguay by adding information about the Spanish conquest, the

Jesuit-controlled inquisitions of the Inkas and Aztecs carried out by the Jesuit-controlled Dominican friars. I'll keep this idea in prayer.

North America can learn lessons from South America and the Jesuit takeover there so America will know what to expect and recognize that the takeover here was partly completed after the War Between the States with the centralization of the federal government in Washington D.C. and the 28 Jesuit colleges and universities (military fortresses) which were established in South America as well. Jesuits focused their "educational efforts" and "missions" on the sons of the nobility through which they would control the poor through leaders they trained. There are no Caribbean Indians alive today and the Aztecs and Inkas (Andean peoples) were wiped out by Rome and her Jesuits. If this is how they treat what their wicked and destructive Council of Trent call "pagans" imagine what they have planned for "heretics" (us) and "liberals" (Roman Catholics who reject the false doctrine of papal temporal power) here in the U.S.

Pope Benedict XVI (Joseph the "Rat") has all of his written works distributed by the Jesuit-run Ignatius Press

<http://www.ignatius.com/index.aspx?SID=1&>

and he wrote an article for the Jesuit America magazine

<http://www.americamagazine.org/gettext.cfm...d=1&issueID=351>

I saw this before the Black Pope chose him and I knew Ratzinger would be the next Papal Caesar because he had the backing of the Order. I read that Cardinal Carlo Martini is retired rendering him virtually ineligible (unless the Black Pope decided to change that).

info on the sodomite and pedophile American Pope Francis Cardinal Spellman (note the subliminal cover photo on issue of Knight of Malta and Skull and Bonesman Henry R. Luce's Life Magazine) with a portrait of White Pope Pius XII in the background. Spellman attempted to get federal funding for parochial (Roman Catholic) schools and Eleanor Roosevelt resisted him, JFK resisted him, but Luciferian Skull and Bones right-wing Republican dictator George W. Bush was happy to acquiesce with Rome's agenda

with his "faith-based initiatives" which Jesuit-controlled Hitler promoted in Nazi Germany.

I will keep reading VAI and I'm looking forward to the completion of VAIII and ordering it. Please inform me of when in July you will be in CT so I could know when to visit Brother Rob's church in Scotland. I thank our Lord Jesus Christ for you and your defense of the Authorized English Bible of 1611 and all of your thorough research and hard work you put into VAI-III. Dear Mr. Phelps:

Any info on Noam Chompsky?

Noam Chomsky is without question a Jesuit Temporal Coadjutor. The side he plays for the Order is the left, as do most of the Jesuit General's Jewish coadjutors, like Alan Coombs of Fox News Network. Many consider Chomsky to be a 21st Century "anarchist," remembering that the Order controlled its International Masonic Anarchist Terrorist Network during the last half of the Nineteenth century which murdered Tzar Alexander II (1882), "Sisi," Empress of

Austria (1898); Umberto I "the good," King of Italy (1900); and Masonic President William McKinley (1901). All of them were "heretics or liberals," thus "usurpers or tyrants" who were disobediant to the Papacy's Syllabus of (Eighty) Errors of 1864.

Please visit this article for my latrest perceptions of how the CIA and the Mossad are working together to create Oklahoma bombing and 911 to further the ideals of the Jesuits with Rocerfeller's help!

No doubt! The Mossad along with the PLO was created by the CIA in the early 1950s via the Jesuits, many of whom were brought into the Middle East via Pope Pius XII's Vatican Ratlines. Even Paul Harvey said that Jesuits were involved in the creation of the PLO.

We see a lot of talk that Alex Jones and Jeff Rense are Jesuit Temporal Co-Adjutors but what about David Icke? This mans information is very very interesting and his knowledge on freemasonry is astounding. I have wondered if hes a Temporal Co-Adjutor because he always bangs on about Illuminati like Alex and the rest. I have seen Icke admit the Jesuits are very powerful players but its as if they're either scared to write information on the puppetmaster Jesuits or they're working for them. I think all these big players are truthsayers but with a diverted path to keep people from sniffing at the Jesuit Order's heels. We all must remember that the Jesuits are the most intelligent people on this planet and they know how to manipulate the human creature to a fine art.

I believe Icke to be another Coadjutor. He knows of the power of the Order in England via the RIIA and Stonyhurst. Yet all is blamed on "the Illuminati." The only person in conspiracy circles that I know of who openly blamed the Jesuits as being behind the Illuminati was William Cooper.

HOw could anyone survive the Passion and crucifixion that Christ went through?

The true Christ/Messiah of the New Testament, in contrast to the false "Christ" of Romanism, "died according to the scriptures, was buried and rose again according to the scriptures." (I Corinthians 15:1-5)

Why would he have gone to France, and not to TURkey/Epheseus or Greece for example?

After his death, burial and resurrection He went into heaven and is seated at the right hand of the Father (Psalm 110:1) He never went to any Gentile nation after his resurrection.

Why would he have wanted to live after being in Israel and being nearly killed by the Romans there? He had said everything he needed to say to his apostles. What was the point of living any longer? For his own enjoyment?

John 17 answers your question. His time to be made the sin offering for the Nation of Israel was come. For the love of the treasure (Israel) he purchased the field (the world including all Gentile nations). His enjoyment is the salvation of his elect, as "he shall see the travail of his soul and be satisfied." (Isaiah 53:11)

I don't understand..... IF he lived , there would have been witnesses?? why hasn't anybody said anything before??

The tail of Jesuit Coadjutor Dan Brown is just that, a tail and a blasphemous one at that. The true Messiah never fornicated; never was married; never survived the crucifixion as he voluntarily gave up his life; never went to France or fathered the

Merovingian blood line. The whole story is a lie from beginning to end and Dan Brown is making millions from it.

Just kind of glanced through it, but I know that Jews--real Jews--are not to blame for our problems.

"After the Second Ecumenical Council (Vatican II) there began clerical questioning of the church's condemnation of Masonry. In 1968 a book was printed in Spain entitled *La Masoneria Despues del Concilio* (Masonry after Vatican II).³³ The author was a Jesuit Priest, Father J. A. Ferrer Benimeli, whose thesis was that regular Freemasonry should not be condemned. He condemned irregular Freemasonry only, since it was atheistic and anti-clerical." Please take a look at this movie based on Magic! Its full of satanic evilness just like Jesuit Donnie Darko but not quite so twisted as that movie. I noticed when I quickly looked back at the screen that early on theres a very quick clip with some demon if I remember coming towards the screen and the Douay Bible with the infamous Jesuit I.H.S. S (In Hoc Signo *VINCES* [In This Sign **CONQUER**]). So my friends keep your eyes peeled in these weird evil movies for the old I.H.S. Remember the high end Jesuits are real Black Magick alchemists with greater knowledge than almost all man. You see the Jesuits learn all their knowledge from around the world from tribes peoples etc then they combine it which gives them great power. An African zulu will not look you in the eye but they look over a shoulder. A Jesuit will not look you in the eye they are supposed to look at the chest area. You see how thats one pityful example? Its not a group/persons who control money who rule the roost, its not the ones who own military equipment. The ruler will always be the one with knowledge and intelligence. Unfortunately for everyone the Jesuits and Roman Catholics have Knowledge, Money and by owning our countries they utilise our militaries. **THATS REAL POWER!!!!** Of course it wasn't always so once the Reformation came along the Roman Catholics were in quite some trouble. The Jesuits came along with the Counter-Reformation and that

took a long time and had hassles along the way. They now after all these years have gained control of the planet bar a few little pests. Its time now for the 14th Amendment American "New Holy Roman Empire" to come forth bringing about The New Atlantis from a semi-covert WW3.

SMOM Rick Santorum, SMOM Domino's Pizza magnate Thomas Monaghan, and Roman Catholic "Right" GOP Fascists

Pennsylvania Senator Rick Santorum, his wife Karen Garver and Domino's Pizza magnate Thomas Monaghan are also members of the SMOM-they are Knights of Malta and Karen is a Dame of Malta Also the term "Inspector General" used in the government of Fourteenth Amendment America is rooted in Freemasonry in that it is a title granted to a 33rd Degree Freemason "Grand Sovereign Inspector General" that receives orders from the Superior General of the Luciferian Jesuit Order

<http://freemasonry.bcy.ca/texts/masonic_degrees.html>

The Jesuit Order through their Knights of Malta and high-level Shriner and Scottish Rite Freemasons placed in positions of power work to achieve the vicious and sinister end the Order plans for this nation.

<http://www.maltausa.org/files/newsletter_hospitallers_02.pdf> (see page 7)

SMOM Philadelphia Area (American Association) sponsored a biased "Just War Theory" symposium in Union League. Papal Knight Santorum was present.

<http://en.wikipedia.org/wiki/Rick_Santorum> (note he is a Tridentine Romanist and papist and members of his church are in Opus Dei).

<<http://www.thomasmore.org/advisoryboard.html>>

[Roman Catholic] Thomas More Law Center Advisory Board many of whom are SMOM and Jesuit Temporal Coadjutors such as SMOM Bowie Kuhn, SMOM Rick Santorum, SMOM Jeremiah Denton (personal friend of SMOM supporter pro-Jesuit pro-CIA assassination Freemason Marion "Pat" Robertson who once worked for SMOM J. Peter Grace) Alan Keyes, SMOM Paul Henkels, and Richard Campbell (note Campbell received the Founder of the Society of Jesus (Jesuits)

award).

I will never order Domino's Pizza again-I did often last year then I thought about Googling it to see if it was owned by the Knights of Malta and it turned out it was just as W.R. Grace owns Taco Bell according to Brother Eric's first interview with Rick Martin of the Spectrum.

<<http://www.skepticfiles.org/american/domino.htm>> (see where all the money Domino's Pizza makes goes-to the Jesuits' Vatican and their charismatic cult). You will lose your appetite for Domino's-I know I did once I found out SMOM Thomas Monaghan owns it.

<http://www.cephasministry.com/nwo_corp_knights.htm>

<<http://www.forbes.com/technology/sciences/...5/0919/112.html>>

(Catholics in Crisis-mentions Papal Knight Monaghan, baseball commissioner Fay Vincent, SMOM Geoffrey T. Boisi and his connection to Jesuit Boston College and Wall Street).

<<http://www-tech.mit.edu/V111/N18/birnby.18o.html>>

Domino's CEO uses company funds to finance cult (plus Word of God and Legatus)

<<http://www.catholicsforchoice.org/pubs/catholicrightLong.asp>> (there are five strands of the Roman Catholic (falsely called Christian) Right aka Religious Right) See how and why the Jesuits' Vatican will use the New Right Fascist Republican party to get the concordat (which would make Romanism the official religion of Fourteenth Amendment America) they want this so a Jesuit-controlled Roman Catholic military dictatorship could be imposed on this nation and true Bible believing Christians and Jews could be persecuted and slaughtered by the Unholy Office of the Inquisition (Congregation for the Doctrine of the Faith).

James Carroll, author of Constantine's Sword is a Jesuit Temporal Coadjutor

I've been looking for papers in which I jotted down information from Constantine's Sword proving James Carroll is indeed a Jesuit Temporal Coadjutor. I remember I had them on my shelf now they're not there. Either I misplaced them or someone took them- I don't know for sure. Please keep this matter in prayer dear brother. If I can't find the sheets of paper. I'll go back to the college library and jot down the info again. Here is what I can tell you for sure and I will send thorough documentation from Carroll's work Constantine's Sword in the future. I'll redo my research if I cannot locate the info I wrote down.

1. James Carroll was trained at Jesuit Georgetown and recounts his "Ignatian Spirituality" retreat as a freshman. He said the dorm rooms had copies of Spiritual Exercises of Ignatius Loyola in the drawers in Gideon Bible-like fashion.
2. Carroll quotes Jesuit Karl Rahner before the first chapter of Constantine's Sword.
3. Carroll rightly shows that the ban on Jews in Jesuit Order in their Constitutions was the forerunner of the Nuremburg laws. He quotes from the Constitutions of the Society of Jesus verbatim.
4. Carroll only mentions the Jesuits in 3-5 pages of Constantine's Sword.
5. Carroll mentions Karl Rahner in particular in a few parts of Constantine's Sword. I will provide quotes from Carroll's book as soon as I can-Lord willing. May the Lord continue to bless you dear brother and your work on VAIII I'm looking forward to it.

"If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land." -2nd Chronicles 7:14

Epilogue

It's on. Time is apart of the universe and it rolls down so fast. Nothing is changing with me. My great intellect is still here and my debating ability is still advanced. It's a new era for me. It is time to go forward and move on with the next chapter of my life. Godly love is one of the goals that all humans should embrace. In our lives, we're bound to make mistakes along the way. I've made mistakes. The good news is that God judges, yet he

is merciful, just, and loving at the same time. If we confess our sins to God and do it no more, then Almighty God will forgive us of our sins. This is set forth in the Holy Scriptures. My main premise in my many writings is that corruption in government exists and we must expose it forthrightly. The Iraq War, regardless of the Bush administration's deception, was never justified at all. Iraq never directly threatened America, Iraq had nothing to do with the terrible events of 911, and Iraq had no massive quantities of weapons of mass destruction. House member Murtha is one brave man. He called for an exit strategy, yet House member Schmidt (from Ohio) quoted a man calling Murtha a coward. Liars call veterans cowards, yet the real cowards are the chicken hawks, who aren't willing to admit massive mistakes or level with the American people honestly. Cindy Sheehan is also another hero for exposing and protesting against the war in Iraq.

The real agenda behind the war is about building up military bases, controlling the Middle East region, and promote the New World Order (i.e. globalization. Even deceased Pope John Paul II, Henry Kissinger, and George H. W. Bush all called for the New World Order, so the N.W.O. is real). Many real conservatives are against the Iraq War and Bush as well like Ron Paul, Dr. Craig Roberts, and others. The NeoCons like Dick Cheney even want torture to be enacted secretly by the CIA in foreign nations. Many of them deny a governmental policy in favor of torture, but real evidence proves that they are just incorrect. George W. Bush said that "we do not torture," but General Janis Karpinsky and Rick Baccus told the world that torture existed in Guantamo Bay and Iraq. Donald Rumsfeld's Copper Green program had torture-like provisions in it along with Alberto Gonzales' torture memos. Abu Ghraib is another perfect example of how torture is never justified at any circumstance. Most Americans don't realize the real truth and it's our responsibility is to help our neighbors out, so all of us can enact change. Occult Secret Societies, elite organizations, and evil people in government are more of a threat than "terrorists." The reason is because evil folks in government have passed tons more unjust laws and policies that "terrorists" could ever accomplish at all. Well, I'm also tired of the staged fight between the "liberal left" [like Michael Moore and Al Franken] and "conservative right" [like Rush Limbaugh and Sean Hannity].

The rich corporations, intelligence agencies, and other groups control both controlled sides. Therefore, all sides won't create real solutions. We must work together on some issues. You may not agree with me on everything, but we must not be divided on everything for that would equate a house not standing. While people are each others throats, the government continues to restrict our civil liberties, have National ID cards, retina scans, cameras in many places, DNA databases, euthanasia, GPS tracking, and other vice continue to fester. Steve Watson on November 28 2005 wrote about the Royal Marines participating in abuse on naked soldiers before they went off to Iraq. I also want to say these comments. For many years, I keep hearing people bash religious people as causing terror. It's true that many have done terror in the name of "religion," but Atheists have shed more blood in the 20th century than any religious

creeds put together. For example, the Russian and Chinese atheist communists butchered over 100 million people in the 20th century. Atheistic China continues to kill people today. Secular humanists and the Freemasons in the French Revolution killed 40,000 people in the late 1700's. I oppose illegal immigration, but I want to say this. Many Hispanics fought for Texas independence, one Hispanic signed the Texas Constitution, and many Hispanics are becoming God believers. This isn't about race since Hispanics always have a great history and culture, but we must have legal immigration without the oppression from multinational corporations.

New Millennium Developments

Plenty of events are happening in this new millennium. Recently, Prison Planet reported on Virginian Pat Robertson using the "El Didalo" devil hand sign and saying that accepting biometrics is a good thing to do, but biometrics is anti-Constitution. It's similar to the Mark of the Beast [where the Antichrist forces everyone to take a mark in the head and hand as mentioned in Bible prophecy from the Book of Revelations]. Pat Robertson is an establishment billionaire guy. He invested millions of dollars in Red China and supports the policy of forced abortion in China now. Therefore, he's only pretending to "pro-life," while Pat Robertson wants babies to die in China, he denied the Bible's irrerancy, and subscribes to the false Dominionist theology (all proven by Cutting Edge Ministries and Biblical Discernment Ministries). Real Christians should oppose Pat by these facts alone. There are some good news in the 9/11 Truth Movement. Now, Steven E. Jones, Professor of Physics at Brigham Young University disagrees with the official story behind 9/11. He wrote an essay describing his dissent and he put forth the view that explosives is a possible explanation for the collapse of the Twin Towers and Building Number Seven (no aircraft hit building #7 Photographic evidence proves that a controlled demolition brought the building down). He cites mathematical formulas and physics to make his point as well. The turning of the concrete into fine dust powder, the temperature of the fires being below 3,000 degrees Fahrenheit, witnesses hearing explosives in the Twin Towers [like firemen, reporters, and other individuals], molten

metal, and no investigation immediately after the collapse makes a legitimate case for a controlled demolition in the attacks of 9/11. BYU is distancing themselves against Jones, but tons of authors and researchers have made a strong case for 9/11 being an inside job. Tons of nations like Pakistan, England, Israel warned America of a terror attack in America using planes. George W. Bush signed the executive order W1991 preventing the FBI to investigate some members of al-Qaeda. Pentagon officials and Mayor of SF Willie Brown were warned not to fly. Drills occurred on 9/11.

Now onto the Anti-Defamation League. The ADL supported federal hate bill hate bill S.1145 failed, which was a good thing. Never forget that the real hate crime agenda is never about preventing violence against people. It's really about preventing people from dissenting with lifestyles and other things that are immoral and inappropriate. Ted Pike is one of those men on the forefront exposing this threat to our liberty and our right to dissent publicly. It extends beyond homosexuality, but to anti-Semitism. People have a right to have stupid anti-Semitic beliefs as long as people aren't threatening or doing violence to people. Many of the pro-ADL "hate crime" criminalize dissent with Israel or advocate Holocaust revisionism. Personally, I don't agree with Holocaust revisionism, but people shouldn't go to jail if they speak about it in a peaceful way. On November 10, 2005, Abe Foxman (the leader of the ADL) blamed the "Christian Right" for the failures they have received. He lies and said that the "Christian Right" wants create a theocracy in American society. They talk about separation of church and state (when it doesn't appear in the Constitution. This "separation" was solely about preventing an established national church with no unity of the institutions of church and state. The establishment

clause never prevented people to have religious expression in the public square at all), but the Noahide Laws was passed by George H. W. Bush. These laws are theocratic in nature, yet the ADL hypocritically isn't talking about it. The Global Anti-Semitism Review Act was also passed to stifle dissent when both Jews and Gentiles had responsibility in the death of Jesus Christ. Ted Pike listed more examples of the ADL's corruption also. While I respect the B'nai B'rith and ADL 's fight against Nazis and racism, I can't respect their censorship agenda. A great writer named Anton Chaitkan prove the B'nai B'rith history as being pro-Confederacy, pro-Nazi temporary, and other evil deeds. Now, Miami police are starting to use random searches, checks of IDs, and patrol all around bus stations and trains. This definitely violates the Fourth Amendment. The ACLU supports this and this is confirmation of the ACLU being a front group for the Elite. Not only are its founders pro-socialists and pro-Communists, but many of its leadership are in the Council on Foreign Relations today.

**NEW
TOOLS

I think that President Bush is losing a real opportunity with the environment. I never advocate Gaia worship or stealing private property, but there is nothing wrong with wanting a clean environment through legitimate ways. If cold fusion, hemp, solar energy, free energy, clean diesel fuel, vegetable oil, and other technologies were utilized in a mighty way years ago, this Oil "crisis" would cease to exist. Peak Oil is supported by the Elite like the Club of Rome and even WINGTV, Dave McGowan, Alex Jones, etc. is rightfully opposing the Peak Oil agenda. Many folks who believe in Peak Oil endorse the depopulation agenda. Real alternative energy, hybrid cars, and other procedures can save the day, but Bush doesn't want to go there. I think that Hillary Clinton is smart. She's now trying to quiet down her pro-abortion record and supporting this bad Iraq war to receive more support from "Middle America." She could run for President in 2008. Hillary is a made woman who contacted a shaman to conduct a ritual (I've seen the image on CuttingEdge.org) and proposed tons of controversial measures. 2005 has got to be one of the most new development years in a long time from Terri, Iraq, Katrina, a new Pope, a new election, scandals, etc.

Another video game called "Shattered Union" for X Box talks about destruction of the United States and chaos. In it they promote EU occupies America, a nuclear blast destroys Washington D.C. after 2008, and a civil comes on. A lot of these games promote global government and demonize Patriots and the militia as "terrorists."

The Culture of Death

Things have deteriorated so bad in the world that a culture of death is spreading like a virus. This is very similar to Nazi Germany when the Nazis enjoyed the murder of innocent people because of their age, skin color, or physical condition. This is the essence of eugenics, because eugenics believes that humanity has no equal value from conception, birth, and to death. The supporters of the pro-death crowd see life as acquiring value over time from 0% to 100%, therefore life can be destroyed when it's unborn or even in old age. This is not what God condones or want. God sees life as his gift and his creation. All life from conception to death has equal value. Life should be

treated equal as we would treat our neighbor equally. George W. Bush even gave Planned Parenthood (or Murder hood) \$288,000,000 in 2003. Now, David Stewart (from www.Jesus-Is-Savior.com) and others have exposed the sick use of aborted fetus material in vaccines for children in America. This is truly an abomination unto Almighty God. Now, let's look at Planned Parenthood's evil founder Margaret Sanger and the Nazi's support of abortion. Sanger promoted eugenics. She instituted the Negro Project in promoting African Americans to have birth control and abortions in a way to stabilize the black population, but the black population have being around 12-14% for more than 100 years.

There was never a massive population growth among the black community in the 20th century at all. LEARN's blackgenocide.org exposed Sanger's agenda as well. Planned Parenthood supported racists and pro-Nazis on her staff like Lothrop Stoddard, Dr. S. Adolphus Knopf (who talked about the menace posed by black and yellow people, which was racist garbage), etc. Margaret Sanger's Plan for Peace in 1932 advocated sterilization, segregation, and the monitoring of people deemed "unfit" to society. She is quoted as opposing organized charity like the population control extremist Anglican Thomas Robert Malthus in the 1800's. Sanger's "The Pivot of Civilization" (Brentano's Press, NY, 1922) on pgs. 263 advocated sterilization and that parenthood should be banned from the "feeble minded." In 1933, Sanger's Birth Control Review mentioned an article by Dr. Ernst Rudin in support of the segregation of the "feeble minded" women. Rudin was Hitler's director of genetic sterilization and a Founder of the Nazi Society for Racial Hygiene. The Pivot of Civilization exposed all of Sanger's disgusting, bigoted, and hateful quotations. It's similar to Mien Kampf. Planned Parenthood started in 1923. It was once called the American Birth Control League (ABCL) until 1942.

Margaret Sanger also went into a KKK rally in NJ at 1926. This fact is confirmed in Margaret Sanger: An Autobiography on pgs. 366-367 (made in 1971) by her own words. I've read the quotes. She also supported the racist Immigration Restriction Act of 1924 restricting foreigners into America. Dan Flynn's book "Intellectual Morons" document Sanger's extremism as well. She died a Demerol drug addict in 1966. George Grant's "Killer Angel" and Linda Gordon also exposed this adulterer and drug addict. Margaret Sanger followed mediums, the occult, was in the New Age group called the Unity, was into theosophy, and opening opposed Christianity. All of this is documented by Dr. Cathy Burns and Dr. Stan Monheith. Case closed on that witch. Prescott was a member of Planned Parenthood and wasn't some right wing Christian. Prescott aided the Nazi empire. This is confirmed by a Planned Parenthood fundraising letter of January 8, 1947. It listed Prescott S. Bush as treasurer of Margaret Sanger's first national fundraising drive.

It's a historical fact that Adolf Hitler and the Nazis supported abortion. Pro-Life groups and researchers like Mike W. Perry have mentioned this. Adolf Hitler himself said in September 1934 to Dr. Wagner (Reich Physicians' Leader) that "pregnancies could be terminated in the case of hereditary ill women, or women who had become pregnant by a hereditary ill partner." (Michael Burleigh and Wolfgang Wipperman, *The Racial State: Germany 1933-1945* (Cambridge, 1991), 140.) The Nazis then passed law Reichskommissar Kaltenbrunner on June 9, 1943, which permitted abortion for Eastern Europeans (mentioned in Abortionfacts.com). Michael Perry proved that the Nazi SS RKFDV group issued Poland to have legal abortions on November 25, 1939. Perry also mentioned a Nazi court decision in November 10, 1938 allowing Jewish women to have abortions in the city of Lenerberg. Professor William Brennan, Pro-Lifer Mike Richmond, and even Pro-choice advocate Dr. Frederick J. Taussig agrees with me as well. Hitler only opposed abortion for Aryans.

One of the most disgusting dehumanization that is taking place in human history is located in China. I've give PrisonPlanet.com credit for exposing China's crimes against humanity as well. The Age news service reported on China having mobile death vans where people are tortured to death sometimes. Forced abortions unto women and sterilizations exist there as well with support from the evil UNESCO. The London Guardian proved that the skins of executed Chinese prisoners are used for beauty products in Europe. Organ harvesting and transplantation is so real that Professor J. Rothman exposed it in a lengthy report. There is still the one child Chinese sterilization program. This is no surprise since many globalists and public figures actually advocate the agenda of depopulation like Prince Philip, Ted Turner, Henry Kissinger, Jacques Cousteau, microbiologist Sir MacFarlane Burnet, etc. I have their quotes to back myself

up. The evil abortion industry is the source of babies' body parts being sold for money in America. Hundreds of fetuses (tiny human babies), and still born were discovered at a Paris hospital just in 2005. The media and the establishment are pro-euthanasia. The murder of Terri Schiavo proved this 100% completely. To starve deliberately an innocent woman to death is evil and wicked, yet most Americans are evil and wicked, yet most Americans wanted her to die. Regardless of the euthanasia spin, Terri's death violated Florida Statutes that forbid euthanasia and starving people to death. Her parents wanted to help her, some doctors said that she was responsive, no one knows why her heart stopped conclusively, and killing people unjustly is wrong period. Peter Singer is a prominent member of the death movement, yet he wants to equate animal life with human life.

Groups like the Club of Rome plotted depopulation for decades, but the Georgia Guidestones is the perfect representation of the evil population control agenda. It was proposed in 1979 by a guy named R.C. Christian. It was finished in the 1980's looking like Stonehenge. It had 10 Commandments (mocking the real 10 Commandments in the OT) describing how man must harmonize with "Nature." The first one reads like this: "...Maintain humanity under 500,000,000 in perpetual balance with nature..." These ten 'commandments' are written in twelve languages (Sanskrit, Babylonian Cuneiform, Egyptian Hieroglyphics, Classical Greek, English, Russian, Hebrew, Arabic, Hindi, Chinese, Spanish and Swahili. This is the essence of what we're dealing with. Population is beauty not a menace to intentionally destroy for people's pleasure, which

is sick. We're dealing with extremists here. The overpopulation lie is refuting by the fact that the world's total population growth is decreasing, Europe is having almost 0% growth, and decreases of birth rate have happened in the Third World (proven by Dr. Jacequeline Kasun's research).

Real History Part 2

Without knowing the past, we might be doomed to repeat. First, it is time to recap real black history. According to many people, the Egyptian pharaohs in its first 12 dynasties (from 3150-1783 B.C.) were all Black Africans. The pyramids were built in this region and great literary texts (i.e. the Book of the Dead) were written. Dr. Ivan Van Sertima (an Anthropologist), in a lecture delivered to the Institute of Karmic Guidance, found iron and steel production in ancient throughout Africa (like Egypt with Tutankhamen, Zimbabwe, Tanzania [1500 years ago]), and other places with achieving temperatures of 1850 Degrees Celsius and using advanced machinery. Dr. Van Sertima also displayed a series of photographic slides proving that ancient Africans have attained a high level of scientific achievement. Many classical writers like Herodotus mention that the Egyptians were black with wooly hair. According to French scholar C. F. Volney (1757-1830) in the Ruins of Empires, pgs. 16-17, 1991 version) that black people with frizzled hair founded the study of laws of nature, civil and religious system with the metropolis of Thebes and other places in Egypt and Ethiopia.

The pharaoh Tuthmosis III was the son of an Egyptian father and Nubian mother. He founded the 18th Dynasty and crucial in expanding Egyptian land overseas. Pharaoh Rameses II was a Negritic Black African and one sign of that was that his hair was kinky as represented by the coils embossed on his helmet. The Egyptian King Sewosret who colonized Greece was the founder of Athens. I'm not saying that everyone in Egypt was Black, but strong Black influences did in fact exist in Egypt. It's also a fact that now; many people have distorted museum images of the Egyptians to promote the lie that all Egyptians back then were white people. Memnon was the famous black character in Homer's Iliad. Even Alexander the Great had a black friend named Clietus the Black.

There was and is a Black presence in India. The Negroid Dravidian civilization was founded by Blacks whose architectural beauty and grandeur equals some of Egypt's most famous structures. Professor Uthaya Naida wrote that the Indus Valley Civilization had 50% Negroids, 40% Semites, and 10% Mongoloids. He proved that Aryan invasion as well. V. T. Rajshakar's and Runoko Rashidi's research confirms in their *Dalit: The Black Untouchables of India*. There were pyramids, temples, toilets, the concept of zero, astronomy, architecture, etc. in Mahanjero-Daro, Happhara, and other cities. By 1700 B.C., Aryans invaded India and created the racist caste system (varna aka color) with the Nazi, racist religion of Hinduism. The descendants of the Black Brothers and Sisters are the Dalits (300 million people) discriminated against in the caste system. They had a Sudriod language (Cushite) related to the African language. They are genetically related to African Americans and all Black Africans proven by www.dalitstan.org. The ancient Greeks historians called the Dravidians as Western Ethiopians. Agta people are blacks in the Philippines as well. Research from Sudrology in dalistan.org proved that genetically speaking Black Australoids in India and Africans to be racially identical while Aryans in India are related to Europeans.

Black man in early Rome

Kush existed for thousands of years B.C. From 3,300-2,200 B.C., the A, B, and Pan Group developed to form Iron making, trade, and commerce. The Kerma culture arose in 1800 B.C. One of its most prominent construction was the deffulfas which were massive towers made of mud bricks to store goods. Kerma, Meroe, and other cities in

Cush had pyramids, gold trading, and elaborate forms of government to flourish. Piye (Piankhy or the living one) in 724-660 B.C., Shabaka (660 B.C.) Tannetamani (698-653 B.C.), and other kings ruled the land. Taharka (698-690 B.C. and mentioned in the Bible) was a famous king who ruled Egypt. His empire even expanded up the Mediterranean Sea to as far as Spain. The Nubians created their own alphabet called the Meriotic script in 500 B.C.

There was a Black presence in ancient Britain. Scholar J. A. Rogers (in his Book "Sex and Race" vol. 1, pg. 196) quoted Tacitus of the Black Celts with unusually curly hair living with fair skinned and fair haired people of 80 A.D. David McRitchie, another researcher of Britain wrote of "thick-lipped Moors) (aka black people) on the Coat of Arms and Moors ruling Scotland as late as 827-1016 A.D. (the time of Saxon kings). Rome had a Black presence as well proven completely by the RaceandHistory.com Website. Lucius Septimus Severus ruled from 193-211 A.D. and he was born in North Africa. According to John Malalas, he was dark-skinned. Black historian and scholar RUNOKO RASHIDI went into a Roman museum and found Alexander Severus, Septimus Severus, and Septimus' two sons Geta and Caracalla having Afrocid features on their sculptures. Terrence was an African playwright who wrote the words "Homo sum, humani nihil a me alienum puto" (I am a man and nothing human is alien to me). Pescennius Niger was a famous Roman Emperor and some scholars have called him black (yet this may not be the case). Niger is a common Roman term to describe a Black person. Lusius Quietus, for example, was one of Rome's greatest generals and was named by Roman Emperor Trajan as his successor. He is described as a "man of Moorish race and considered the ablest soldier in the Roman army." Many Black African people worked and lived in the Roman Empire.

Some believe that a Black presence in the Far East. James Brunson said that Fu-Hsi of 2953-2838 B.C. was a wholly haired Negro. Runoko Rashidi talked of an African presence in Vietnam and other parts of Asia as well. There is the story of Sakanouye Tamura Maro, who is said to be a Black man and the first Shogun of Japan. Black Negritos live in Asia to this day. Black people did indeed went to Ancient America. Paul Barton, Clyde A. Winters, and other researchers proved it. Negroid Skulls have been found by Polish craniologist Andrei Wierzinski in Ancient America. Van Sentima's book showed the Black Olmec civilization with similarities with West Africa and Kush. Many of the colossal statues have blatantly Negroid in their features. The Jamesse,

Californians, Washitaw, Afro-Dariente, and other black tribes in America before Columbus set sail. Nok, Ghana, Songhai, Zimbabwe, Timbuktu (the university of Timbuktu in the Middle East had tons of subjects taught), etc. are other advanced civilizations in Africa. Today, we have a long way to go as a people. The good news is that there are tons of Black American and other Black people worldwide who are doctors, athletes, theologians, teachers, scientists, engineers, lawyers, and other people who contributed to society. Melanin is a gift from God causing an increased protection of the sun and other benefits.

Now, it's time to look at church history. Far too often, I see many Christians ignorant of their history and being intimidated by doubters and Roman Catholicism. The fact is that there were plenty of great Christians who not only disagreed with Papal dogma, but did so before Roman Catholicism even existed. There was Aerius in the 300's who didn't accept Easter (based on the pagan false goddess Istar), believed in the equality of church clergy, and refused to pray to the dead. The Novatians and Donatists also believed in God. Vigilantius in the late 300's to early 400's disagreed with church celibacy, abhorred the worship of relics, and refused prayers of the dead and vigils. He is one of the Patriots that impacted the development of the Waldensians by the 1000's A.D. in the region of the Alps. St. Patrick spread the gospel into many places. He was never a Catholic, but part of the Celtic Church, which was in existence for a long time. The Waldensians, Benegarians, Peter de Bruys, Arnoldists, and other groups in the Middle Ages were also Bible Believing Christians who got persecuted for their withdraw of the world and opposition to Vatican superstitions. By the 1300's-1400's, you have John Wycliffe, the Lollards, William Swinderby, Walter Brute, Margaret Backster and other Christians believing in Jesus Christ, yet opposing transubstantiation, the swearing of oaths, and other false doctrines. Many of them were killed in the Inquisition. John Foxe's Book of Martyrs and "Martyr's Mirror" are 2 books describing real Christian persecution. That persecution is still going on today in Sudan, Nigeria, Indonesia, India, Pakistan, China, the Philippines, and other locations globally. The Body of Christ existed for 2,000 years. I disagree with Roman Catholicism for many reasons. Mary is

not a co-reedemer with Jesus. The concept of a Pope is not biblical and didn't even exist in the early church. Jesus said he is the head of the church. The Bible perfectly said that Christ is the Rock. Many of their heresies like the rosary, veneration of images, etc. came from heathen religions and practices.

I forgot to list the Vatican crimes. Charlemagne in the 700's killed 4,500 to 5,000 pagan Saxon prisoners in 782. The Vatican was the first church to support the International slave trade. The first Crusade killed 12,000 Jews. Thousands of Waldensians and Albigensians died in Innocent III's 1208 crusade. Roman Catholic Christopher Columbus killed 2,000 San Salvadorian Native Americans. Catholic conquistadors killed thousands of Native Americans. The Catholic Ustashis killed 60,000+ Serbs, Gypsies, and Jewish people in World War II. Even if you exclude the Holocaust, the Vatican killed thousands of Jewish people throughout history. Even in the 1500's, Pope Paul IV restricts Jews to ghettos and decrees that they are to wear distinctive headgear. The Inquisition killed million of religious people. John Paul II apologized for this stuff. People who claimed to be "Protestants" and "Baptists" made mistakes, but in the level of the Vatican. I'm not over yet. There have been real contributions of Christendom (not Freemasonry) in medicine, captialism, civil liberties, civil rights, mathematics, music, culture, media, science (Johann Kepler, Robert Boyle, Blaise Pascal, Isaac Newton, George Washington Carver, Carolus Linnaeus, Michael Faraday, Arthur Custance, etc. were all Bible Believing Christians), Slave trade destruction (John Wesley, William Wiberforce, David Livingstone, Granville Sharp, etc.), Prison reform (John Howard, Elizabeth Fry, Florence Nightingale, etc.), education, labor reform, history, anthropology, theology, and tons of other things.

Jewish history is next here. The Jewish people were God's chosen people and Israel is the apple of God's eye (Zechariah 2:8). The Jewish people are chosen to be custodians of God's Word since they wrote most of the Bible, they had a covenant to live in the land of Eretz Yisrael, and they were the fruit fruits of true monotheism after Abraham. This doesn't mean that Jews are superior to Gentiles or that Jews don't have to accept Jesus Christ as Lord, but it does mean that they are chosen to fulfill God's will being chosen is different from being superior. I don't agree with the leadership of Israel

oppressing Arabs. That is wrong, but not all Jews are involved with this. There were Jews in the land who didn't assimilate and had connections with the Mizrachim (Oriental) and Sephardim (Mediterranean) tribes. Only Jerusalem was off limits to Jews by the Romans. Mount Zion had a Jewish community. Byzantine rule oppressed the Jewish people. Arabs met Jews in Israel in the 600's. For example, Caliph Salahuddin al-Ayyub (Saladin) knew the Jews and kindly invited them to settle in Jerusalem. Also, many tribes of Jewish people globally exist in Europe, Africa, and Asia. Some are in Israel now like those from Yemen, Spain, Ethiopia, Africa, Central Asia, India, China, etc. (i.e. Sephardic, Lemba, the Kaifeng, Indic, Bnei Menashe, B'ney Yisrael, etc.) They are around the world, they live in Israel, and they have nothing to do with the "Khazars." I don't agree with Israel's use of the Seal of Solomon, which has nothing to do with David at all. It existed from Canaan and other pagan cultures before the time of Moses. Author O.J. Graham documents this. This hexagram symbol is used in Hexes of Satanism, in Theosophy, magic, the Cabala, etc. Better symbols for that the Jewish people should use are the menorah and the burning bush since they are holy, biblical, and equates their struggle for liberty. I have no problem with Hanukah being celebrated to commemorate the fight of Jews against Greek imperialists as well. It's a historical fact that white supremacists and Muslim radicals (both being racist against Jews) collaborated for decades. Al-Husseini worked with Hitler to kill Serbs and other Jewish people during WWII. Oklahoma Klan leader Dennis Mahon held a rally in support of Saddam Hussein. The government infiltrated the racist, ignorant white supremacist group in Elohim City used as patsies for the OKC bombing, which the federal government were involved in.

A FBI informant ran Elohim City. Impious Digest documents this Crescent/Swastika link rather well. Ex-neo-Nazis Bill Baker is now speaking in Muslim circuits. Not all Muslims are terrorists, but racists have united with Muslim extremists to promote hate and agitation. Many of them are government shills. So, racist anti-Jewish people are never part of the real anti-global government movement. We don't need them, they never had convincing arguments, and you are traitors to God. Some of you even bash Fundamental Christianity, but without us, you would be worse off. There are evil and good Jewish people in the world.

how exactly is Qabalah evil? Perhaps if we look into the methods the Illuminati use to control us, we can use them to. All power is inherently neutral, latent force waiting to be put into form in any subjective way

Popular Culture Part 4

The reason why I talk about popular culture so much is that it is extremely powerful, especially in American society. It grabs much of the younger generation like a virus and gives them the lies of ethical relativism, anti-moral values, and New Age ideology that will damage their minds and will for the sake of adhering to the "crowd." One of the most potent occult teachings that have infected Hollywood is the Kabala. It is vital to define what the Kabala is before criticizing it. The Kabala was invented by apostate Jewish people in the Middle Ages in Europe (around Provence by Isaac the Blind) and the Middle East. It's very similar to Gnosticism viewing God's emanations created the Universe, not God himself. They use mysticism and the occult to reinterpret the Old

Testament in order to seek “fulfillment.” The books of Sepher Yetzirah and the Zohar are the two of the most famous literature that are read in relation to the Kabbala.

They believe that the sephiroth or the Kabbalistic Tree of Life will lead to man’s divinity. The Sephiroth claimed to represent God, Shekinah (a female goddess), and the Kingdom of Zion. Madonna is the most famous followers of this stuff. Other followers include Goldie Hawn, Gwyneth Paltrow, Elizabeth Taylor, Ashton Kutcher, Demi Moore, Barbara Streissand (whose nickname is Babs), and others. Freemasonry, Rosicruciansim, the O.T.O., and other occult groups have influences from the Kabbala. For example, thirty third degree Freemasonry Albert Pike in his *Morals and Dogma* book was in high praise of the Kabbala. Even from a Torah standpoint, this is an unnecessary, inferior additional to the Jewish Torah. Violence and propaganda in movies is all around the world like “Kill Bill,” “the Devil Rejects,” etc. Some people will just be desensitized to it and other people might go crazy and initiate acts of violence. While a sane person is accountable for their own actions, not a movie, it’s a fact that TV and movie can influence a person’s decisions to do evil. Doctors and researchers have shown proof of this.

Today, Hollywood actors are slicker than they ever were. Many of them like Angelina Jolie and others legitimately try to help people suffering from diseases and earthquakes in Asia and Africa. On the other hand, there’s always a catch. See, Angelina is a strong supporter of the pro-abortion, pro-sterilization, and the pro-depopulation United Nations. She doubts the existence of God and she is an adulterer. It’s like dualism almost by doing good deeds to sugarcoat the evil deeds that you’re doing. A lot of these Hollywood liberals rightfully expose the corruption in the Republican Party (which is there for anyone to witness), but don’t evaluate that Democrats also are controlled by big corporate interests who are pro-globalization. Many of people in that crowd are hypocrites. For example, Michael Moore opposes the Iraq War, but own Halliburton stock.

Oprah Winfrey seems to be loved by the world and it's true. Jesus-is-Savior.com proved that Oprah support New Age type people on her show and that she said that there are many paths to God. Music is another media that corporations use to gain the control of people. Hardcore rock bands like Metallica, Black Sabbath, etc. praised or sympathize with Satan. Regardless of what you hear, Elvis Presley wasn't a true Christian since he was into numerology and the occult, he had anger fits, and denied that Jesus was the only Son of the living God. He was into the Theosophical Society (according to Fritz Springmeier) and died with an occult sex book with him. Hardcore gangsta rap still have lyrics exploit woman, promote unnecessary violence, and feeds into the negative stereotypes about black people in general. You got people like G-Unit promoting this garbage. I recently found this information out. Guerilla News Network's author, Anthony Lappé, wrote on November 30 2005 wrote that 50 Cent performed a Bat Mitzvah for David H. Brook's 13 year old daughter. The problem is that Brook's company (he's CEO of DHB Industries) bulletproof have failed for American soldiers inside Iraq. The war profiteer Brooks spent \$10 million for it. Also, Ma\$e is part of G-Unit. He supposed to be preacher and now he's rapping about killing people and joining the ex-drug dealer 50 Cent. He's a hypocritical preacher. Even some of the wicked knows that you don't toil with God in that fashion. You either with God or you're not.

I guess people want to know what I feel about interracial marriage. It's obvious that popular culture in the movies, TV, news, etc. is promoting it. "Guess Who's Coming Home to Dinner" in 1967, Hitch in 2005 (with Will Smith and Eva Mendes), and "Guess Who" in 2005 exemplifies it. Here's what I don't agree with interracial marriage. I don't agree with it if one partner or both use it as an excuse for a trophy marriage, to deny ones heritage, or any selfish, illegitimate reason. Hollywood promotes interracial marriage to make people have a hatred of culture, heritage, and family. They want interracial marriage for almost every reason, which God doesn't intend. God wants interracial marriage if a man and a woman will worship him and not have hatred of cultural heritage as well. I agree with interracial marriage if 2 partners have real love for

one another and both are believers in God. I see no problem with that. I have no problem with biracial children also. I promote the Brotherhood of all men, regardless of color under Almighty God alone. Now people talk about the GLBT movement (or Gay, Lesbian, Bisexual, and Transgender movement). While we must love our neighbor as over selves as God's word and morality teaches, we must condemn homosexuality and the transgender lifestyles as abominations under God.

Henry Hay was one of the founders of the radical gay agenda. He not only was a Communist Party activist, but he was an OTO organist at the LA Apage Lodge. Jon Dougherty wrote an article citing a study from Baldwin proving that homosexuals have a disproportionate amount of pedophilia than heterosexuals. Homosexuals live a shorter life expectancy than straight people. Dr. Cameron is Chairman of the Family Research Institute also wrote a study on the destructive lifestyle of homosexuality. I'm excluding AIDS since AIDS is man-made disease according to some doctors, but 2tuff disagrees with this. AIDS certainly existed at the same time in Africa, Asia, and America, so AIDS had some involvement by some governmental forces as said by researchers. We must not be afraid of the consequences for God will be thankful for our opposition for our opposition to homosexuality.

Even More Occult Symbolism

I thought I've seen it all, but even more occult symbolism reigns in the world. They exist all over the place in company logos, even churches, on buildings, on statues, on entrances, and a wide variety of other locations. Larry Lawson showed that the new movie Aeon Flux movie as the "All Seeing Eye" logo. The leading lady in Aeon Flux is the pro-abortion advocate Charlize Theron. Scholars proves that this is the Egyptian sun god Osiris or the Eye of Lucifer. The word "Aeon" was mentioned by Aliester Crowley (in referring to the New Age) and it also refers to Gnosticism. Aeon in Gnosticism is an emanation from the Supreme Being. A lot of these movies do indeed try to condition people to accept or promote incidents or policies that otherwise people won't except like more militarization of America, New Ageism, etc. The "A" in the logo does look like a pyramid. Aeon Flux like many movies today talk about destruction of a

stable society, militarization, violence, and a Big Brother police state.

The eternal flame is another symbol of the something of acquiring knowledge in its flame. The legendary character of Prometheus had a flame to give mankind knowledge. Many occult images in the Statue of Liberty, CBN's logo, WTC memorial flame, and other locations have a flame symbol. According to a book called the "The Naked Olympics" and Alex Jones' movie "Martial Law: 911 the Rise of the Police State," the Olympics' flame relay and Olympic rings didn't originate from the ancient Greeks, but from Nazi Germany and we still use them today. One of the most occult symbols is the Goddess Europa on a beast after being raped by Zeus. This appears on stamp, coins, and now on the new Euro money system. The European Council in Brussels Belgium has a sculpture of it as well. It's interesting to note that the Euro is about consolidating the economic system of Europe and making one nation of Europe in years ahead.

The arm and hammer logo is always related to the Communist Revolution. Julius Hammer (a co-founder of the Communist Party in America and friend of Margaret Sanger) named his son [CFR member and part of the World Federalist Association] Armand Hammer after the arm and hammer symbol. Armand Hammer aided Communists from Lenin to Gorbachev. He was the CEO of Occidental Oil Company and funded 33rd Degree Freemason "preacher" Robert Schuller. Tons of Masonic Jewish Zionists built up the Soviet Union like Warburg, but they weren't God fearing Jews. The sickle means death not just laborers in Communism. The hammer represents power and strength. The Lodge has a hammer or gavel utilized by the "Worshipful Master" and other leadership there. The Nordic sun god Thor has the

hammer as well. Even the clenched fist originated from Communism, Masonry, and other occult philosophies. According to John Daniel's *Scarlet and the Beast* book and Texe Marrs, Freemasons use the arm and hammer as meaning man working in the heavens and the earth to achieve "godhood." John Daniel also pictures French Freemasonry and its Grand Orient Lodge as pro-Communist and anti-Christian. In fact, the Grand Lodge in 1877 said that "...there is no God, but humanity..." The thunderbolt was used by Navaho Native Americans as a sign of salvation and divine gifts. The Norse used it as meaning Thor's power. The Greek and Roman mythologies had it as well. The Nazis were famous for using it for the Nazi Youth and SS uniforms. A double Nazi thunderbolt symbolizes authority. Hindus and Tibetan had this symbol. KISS and the occult Harry Potter series use it as well. Harry Potter's new film called the "Goblet of Fire" is occultic like its other films and books. This is definitely representing Satan (i.e. The lightning looking like a "S" meaning Satan) since Jesus said in Luke 10:18-19 that he saw Satan fall from heaven like lightning.

This is from CremationofCare.com where they found the cable show Nickelodeon having the "All Seeing Eye" symbol.

[user posted image](#)

This image appears on the Left Behind Series done by Tim LaHaye and others. The cross and crown logo represents the old Knights Templar order, who was accused of degenerate acts. It's on the pyramid shaped tombstone of Jehovah Witness founder Charles Taze Russell. This and other sources from Fritz Springmeier and other people make a valid case for Russell being a Freemason. Christian Science has the symbol as well. Dr. Cathy Burns wrote about many Masons in Christian Science. It represents authority and some have called it a phallic merging with the womb of nature.

Just Say **NO!** To ASPARTAME

Health Information

Strengthening your spiritual life with Almighty God is more important than your body, but there is nothing wrong with improving your health. Before going forward, something must be said. I ineffectually oppose any New Age or occult health teachings or foods. I don't follow that route even if they "supposedly" do some "good." To do evil to try to do "good" is still evil and morally wrong. New Age practices the occult, astrology, divination, etc. which are all abominations. For example, I reject the Miracle II medicine that Liberty to Captive Ministries has proven to have occult symbolism and occult medicine. It doesn't take too much research to decipher that the pharmaceutical industry is a big scam. I'm not bashing all doctors and pharmacists, but certainly the industry is soiled. Tons of pills and drugs are utilized by people, while real alternative medicines are suppressed. We ought to reject aluminum (found in anti-perspirants and shampoos), sodium aluminum phosphate, aspartame (which can cause seizures and it's found in sodas and many other foods), and Tylenol (according to David J. Stewart, it can ruin your liver). I reject the global pharmaceutical giant Pfizer (whose CEO is Hank McKinnel) and other dangerous chemicals and drugs. Many of the same companies who aided the Third Reich like Merck, Hoescht, Monsanto, DuPont, Pfizer, etc. control the Medical Industry today. The AMA and the FDA (with influence from the Morgans and the Rockefellers) for decades brainwashed many sincere, hardworking doctors to accept the establishment's "drug/pill" only system.

One of the most famous logos of medicine is the caduceus (a symbol of 2 snakes around a wand with wings). Dr. Cathy Burns exposed these symbols as pagan relating to the Greek god Mercury. Mercury carried a magic rod to carry the souls of the dead into Hades (or Hell). It's related to necromancy (talking to the dead) and a god involved in the underworld. Mercury is mentioned by many Freemasons. Never get a tattoo. It will increase your risk of getting Hepatitis C and other diseases. See Dr. Bob Haley and Dr. Paul Fischer (of the University of Texas Southwestern Medical School in Dallas) said that commercial tattoos may be the #1 distributor of Hepatitis C. Blood borne diseases like Hepatitis B, C, tetanus, and even HIV could happen by a tattoo since a tattoo machine can puncture 3,000 times a minute on the skin. That's why the Red Cross asked you about tattoos before giving them a sample of your blood. That's why super liberal NYC banned tattoos from 1961 to 1997 when a 1961 outbreak of hepatitis B occurred from a tattoo in New York City. Today, you have paranoia about the bird flu.

Global News Matrix in October 24, 2005 reported that many Bilderbergers (like Etienne F. D. Dansian, George Schultz) will benefit from the avian flu fear mongering. The reason is that they are all members of Gilead, the manufacturer of Tamiflu.

Tamiflu really does nothing to cure the avian flu, but decreases the days of sickness and can lead to more mutations, according to Dr. Joseph Mercola. Avian flu is nothing more than a fear mongering scandal to get people on vaccines. Jesuit Dr. Edward Jenner in 1796 introduced the smallpox vaccine and Vaccinations have been composed of viruses, bad chemicals, and even some of HIV. How do we strengthen our health? First, we need to have a connection with God through firm prayer and study of the word of God. Fasting also helps to cleanse the toxins in the body. We need to eat fresh (raw if you can) vegetables [especially those that are green like broccoli, lettuces, etc.] and fruits. We need to have organic food, oatmeal (it lowers cholesterol), Vitamin C, and eating natural meats (like fish). I've learned that long distance walking hold benefits as well, not just hardcore exercise that you see on television. I think that 2tuff from Unhived Mind has one of the most hard hitting information about alternative health in the Internet. While I don't agree with him on some issues, he does present necessary and critical points about health.

Spirituality Part 2

The Magdalen Papyrus (P64) mentioned the Gospel of Matthew, Chapter 26 in ca. 66 A. D. according to German papyrologist Carsten Thiede. This one was discovered recently. The Barcelona Papyrus (P64) contains Matthew 3:19, 15; Matthew 5:20-22, 25-28 and is dated before 66 A.D. The Paris Papyrus (P64) of Luke is dated no more than 66 A.D. Many of the classical authors Plutarch, Tacticus, Sentionius, Xenophon, etc. had their earliest copies dated from 750-1600 years after their original manuscripts. While the NT Bible has over 24,000 copies from ancient times alone. Let Us Reason Ministries, Tektonics.org, Christian think-tank, carm.org, etc. have apologetics against doubters. NT books were the Syrian Peshitta (147 A.D.), Old Latin (157 A.D.), Sadicid (250 A.D.), Akhminic (250-300 A.D.), Bohairic (300 A.D.), Ethiopic (300's A.D.), Gothic (330 A.D.), Nubian (500's A.D.), Armenian, Georgian, etc. OT books were plenty and the Council of Jamnia in the 100's condemned the Apocrypha by Jewish people.

You can find scientific facts in the Bible as well. For example, the earth is round (Isaiah

40:22), the earth hangs in outer space (Job 26:7), the water travels in currents (Psa 8:8) [Matthew Perry was a Naval scholar who used this verse to chart the water current], and there is life in the blood (Lev 17:11).

I've look at both sides and it's apparent that we are in the last stages of this Age. Bible prophecy makes mention of this. There are many signs of the end. One of the easiest ways to know the end times is from Daniel 12:4 when Daniel said that knowledge will increase. The main one is obviously the rebirth of Israel in May 14, 1948. Isaiah 66:7-8 said that Israel will be reborn in one day. The new shekel currency in Israel now that was made in June 1980 was prophesized in Ezekiel 45:12, 13, and 16. Mark Twain called Israel a wasteland in the 1860's, but today it isn't. Israel blossoming like a rose from a desert was predicted in Isaiah 35:1-2. There are over 400 million trees in Israel with rainfall increased by over 450%. Bible commentary classified Jesus' "fig tree" comment as Israel in Mt. 24:32-34. Jerusalem also will not be trodden down by the Gentiles by 1967 (Luke 21:24). Isaiah 43:5-6 mentioned the migration of Jews from the West (Europe and the USA), North (Russia), East (India and the Middle East), and South (Ethiopia and the Lemba tribe) back to Israel. Unity in Israel is also predicted in Ezekiel 37:21-22. False Christ, false prophets, and religious deception would come and Jesus predicted this in MT. 24:24. Now, Jim Jones, David Koresh, and other people claimed to be God plus false Christs like Bar Kobbha and the Sabbatean movement came about as well. Nahum 2:4 seems to indicate fast travel and modern vehicles by the words "...The chariots shall rage in the streets, they shall jostle one against another in the broad ways: they shall seem like torches, they shall RUN LIKE THE LIGHTNINGS..." 2 Pet 3:3-4 show scoffers in the last days. Tons of people are scoffers now. In fact, tons of Europeans are now atheist and I've debates scoffers for years now. 2 Timothy 3:1-4, Galatians 5:17 and other verses tell of the end times of people being selfish, having fornication, adultery, engaging in witchcraft, etc. Mt. 24:7 and Luke 21:7,10-11 predicted national disasters, wars, famines, and earthquakes in the world. Fact is that earthquakes and storms have increased in intensity in the past century. Just look at the ending Hurricane season of 2005 to witness that.

This is not the End, but Just the Beginning

This is never the end for me. I will continue to write and expose things in the Internet and work in my own area as well. I must show some more tidbits though. This has to do with the "X" symbol. The X symbol was used in the Ancient Mystery Religions for thousands of years and in Freemasonry plus the occult. According to many scholars like Dr. C. J. Koster believe that it was the Chaldean sky god and the sun deity in ancient times. Freemasons like 33rd degree Freemason Jim Tresner (in the Scottish Rite Journal) see the X as a symbol of transformation. It's in the 17th degree of the Knights of the East and West's logo. X in ancient Egypt meant the sun god or Osiris. Even the insignia for the 29th degree of the Scottish Rite of St. Andrew is an X symbol. According to tradition, the apostle St. Andrew was crucified in an X cross. Still, the X symbol was pagan since pagans utilized it against Andrew. Nazis, Ku Klux Klan members, Confederates (the Freemasons, Knights of the Golden Circle, and the Jesuits infiltrated its leadership just like the Union side), and other evil groups encourage the X design in their logos.

Emperor Constantine used the "X" symbol as well. Now, I want to talk about miscellaneous information. Rosicrucianism was made in the 1400's as a counterfeit Christianity. They still exist today. They reinterpret genuine Christianity in symbolism and mysticism. They denied Jesus Christ's Deity. Like Roman Catholicism, Rosicrucianism puts a high emphasis on the Holy Grail and Mary, the mother of Jesus. Even Martin Luther is associated with wearing a Rosicrucian rose logo according to FreemasonryWatch.org. Bashers of Protestantism claim that Martin Luther was Rosicrucian, but there is no conclusive evidence that I've seen showing that. These guys must have forgotten that the Vatican was involved in the slave trade, Inquisition, conquistador invasions, the Ustasha terrorists, and edicts like the Syllabus of Errors condemning legitimate parts of modern civilization. There's also an interesting fact about Freemasonry. Masons said the word Jahbulun" in the Royal Arch Degree (equivalent in the 17th degree in the Scottish Rite and the 7th Degree in the York Rite). Jahbulun actually equals to Yah (Yahweh), Baal, and On (or Osiris). The Masonic Triple Tau symbol mocks the Trinity and the Royal Arch Degree has the initiate saying that "I am that I am." This name is actually blasphemous. According to Texe Marrs, the 13th degree of the Scottish Rite has the candidate drink wine from a human skull.

I just bought and have Texe Marrs' book called Codex Magica. The book is his best book that he ever wrote. When I read it, I was like wow since it had tons of information and occult symbolism in it. It's over 600 pages and it exposes the Elite. Surprisingly the book mentioned the Jesuit involvement in the Lincoln assassination, which has been proven time and time again by many authors. By the end of the book, Texe Marrs talks about the typical "the Jews are behind everything" mantra discussing about Communism, etc. He fails to have a distinction between good Jews and evil Masonic Jewish Zionists, except in one passage. Fact is that Plato and other Gentiles influenced the development of Communism before Stalin. Indeed, many of the main Communist leaders were Jews or half-Jewish, but Gentile bankers from NYC, London, etc. funded them also. The Jewish Communists were headed by Masonic Jewish Zionists like Warburg and others who embraced the Talmud, Kabbala, etc. which are antithetical to the Torah, OT, and NT. His book is excellent indeed. The book takes the extra mile to refute occult Freemasonry as well. I don't believe a Masonic propagandist will refute Texe's arguments and images. They are conclusive. Freemasonry is not of God indeed. Freemasonry calls itself a Religion by Albert Pike and other Masons. Masonry have bloody oaths, occult symbolism, and occult rituals that the Scriptures condemn. It unifies false faiths into "Brotherhood" that violates God's will.

The hype people talk about this book is true. I have more compassion on Texe for now

since his relative recently died. I show compassion on a grieving family in this time. I recommend his book, but you have a right to get it or not. I also want to talk about Christmas. Christmas is never associated with Bible believers really since Christmas means "Christ's mass." December 25th is the day of the celebration of the sun god sol. Baal worship is related to this. Jesus, the apostles, and the early church never celebrated Christmas at all. The Romans celebrated Pagan Brumalia and the Natalis solis invicti [day of the unconquering sun) (on Dec. 25) following the Saturnalia (Dec. 17-24) in recognizing the shortest day of the year. Religious people and scholars classify Santa as a code word for Satan in an anagram. Even according to the Encyclopedia of Occultism and Parapsychology, on p.650, Old St. Nick is a known nickname for Satan. Jeremiah 10:2-6 talks about not doing the heathen act of cutting down a tree and putting decorations on it. I have no problem with singing songs, talking with your friends and families, saving souls, or praising God on December 25th, but let's not think that Christmas was foreordained by God for us to follow. People talk about a "war on Christmas," which can be silly at time. While it is true that religious expression in the public square can never be unfairly restricted, I choose to abstain from Christ-mass. Historically, the Puritans and other Bible Believers rejected Christmas out right. Even in early America, Christmas was seldom celebrated until the 1800's, because Bible believers considered Christmas to be a Papal, heathen holiday. Alabama was the first state to make it a legal holiday. I'm still 100% Pro-Life. Abortion is murder and it have caused women tons of side effects like depression, miscarriages, sterility, and other things.

I abstain. WINGTV, I still support you guys. You guys don't compromise and are still promoting activism, but no fear-mongering. I respect you guys. The United Nations wants control over the Internet and Internet 2 is promoted as well. Well, this is it. I wonder what the late decade will be in 2006. Never follow me 100% (or any living human on this earth 100% ever), but follow God, his Word, and the Truth. To all of my enemies, racist, and other evil people: Just bring it!!!!!!!!!!!!!!!!!!!!!! It's a wrap. I knew all of this stuff since I was a kid. I never forgot about the Jesuits. The Jesuits were created by Ignatius Loyola in the 1500's (similar to the Alumbados of Spain). He used the occult and according to Reformation.com, Ignatius was in a trance and levitated. The Nazis modeled themselves after the Jesuits.

The Knights of Malta like Franz von Papen, Frank Carlucci, and others were involved in WWII, the war on terror, assassination, intelligence agencies, and other things. Fintan Dunne, Michael Ruppert, Daryl Eberhart, and other people are either skills or into distortion have nothing on me. Robert Bienenfeld, I respect you for testing my intellect. I may agree with you on everything, but you are a very sincere man and you are not a skill. I am out.

smashstuff - November 28, 2005 10:49 PM (GMT)

Found this quite interesting, a now ex-jesuit priest who was beaten up by Jesuits and their 'heavies'. Not sure about the details, but it's further proof of what kind of people the Jesuits are.

Re: Physical assault, slander through gutter press, filing of fabricated criminal cases, denial of right to livelihood and other matters relating to Fr. Pallath J. Joseph Request for Inquiry.

Dear Rev. Fr. General,

This open letter is to raise some concern from a moral and human rights point of view regarding all the episodes relating to the case of Fr. Pallath J. Joseph, of which you are aware. While it is not our intention to interfere with the affairs of your order, there are matters of public interest about which many persons including our commission is quite concerned. They are as follows;

1. Physical assault of Fr. Pallath J. Joseph by two members of your order, together with several other hired thugs
2. The throwing of the body of Fr. Pallath over the wall of Jesuit premises and onto the road while he was in an unconscious or semi-conscious state
3. Slander of Fr. Pallath by some members of your order using a gutter magazine called 'Crime Star'
4. Filing of fabricated criminal complaints against Fr. Pallath with the view to get him arrested as a way to prevent him from entering a Jesuit house.
5. The failure of the Jesuit Superiors to respect an agreement entered into between Fr. Pallath and the Jesuits in Kerela with the mediation of the Bishop of Calicut.
6. Failure to provide for the livelihood of Fr. Pallath after 33 years of service.

The details about these matters are repeated here (though it is quite clear you are aware of these) due to the fact you have not taken any action on these matters;

1. Physical Assault on Fr. Pallath J. Joseph by two members of your order, together with several other hired thugs

A picture of the place where the assault took place is attached herewith. It must be a

familiar sight to you.

Details of the assault, provided by Fr. Pallath, are as follows

At around 10.45 am [Of 16 October 2001], about 15 thugs came to my door with the Jesuit fathers and Adv. T.A. Joseph who was giving instructions. Frs. Joseph Kalleppilly and Abraham Pallivathukal got into my room and shouted at me to clear out from the room using abusive language. Fr. Pallivathukal also did the same and they started throwing away my belongings, my clothes, books, newspaper etc. Meanwhile the advocate ordered the thugs to get holds of me and throw me out. They pounced on me, lifted and threw me out of the room. On getting up I tried to get into the room to protect myself and to phone up. There upon Fr. Kalleppilly hit on my face and pushed me and I fell down on the courtyard. Fr. Vadakkal also said some abusive words. While the thugs were tackling me under the leadership of Fr. Kalleppilly and Fr. Abraham, the others went up to Provincial's Conference room for the Samskriti general body meeting.

In the courtyard I tried to dodge the thugs and resisted a little bit. They once again pounced on me and hit me, at this point I went into a daze.

Details of the assault given by another Jesuit in a letter to his superior is as follows:

Dear Father Provincial,

As I was in the Provincial's conference room on 16th October, Monday, around 10.30am, attending the General Body Meeting of Sanskrutti, I have heard the sound of a quarrel; beating, shouting and screaming and then seen a person being carried out of our parlour room below the conference room, by a group of people guided by Fr. Abraham Pallivathukkal and Fr. Joseph Kalleppallil. I also noticed that some of the participants of the meeting attending to the same trouble and some of them going in and out of the meeting. Immediately after the meeting I made sure that the person being carried out was Fr. P.J. Joseph.

The advocate of Fr. P.J. Joseph has included me among the witnesses in court case. But I have a problem here; as a witness when I say what I have heard and seen it will be against my superiors, and if I don't give witness to this truth, I'll have serious problem with my conscience. So you please instruct me in this matter, today itself, so that I can act accordingly.

Yours faithfully,

Fr. Shaji George, S.J.

Karathur

19/10/2000

2. The throwing of the body of Fr. Pallath over the wall of Jesuit premises and onto the road while he was in an unconscious or semi-conscious state

The picture of the place he was thrown out to is also attached.

Reference to this by Fr. Pallath is as follows:

When I woke up I was lying on the road outside at the gate and people were standing around me. Mr. Viswan Malaparamba and John Samuel were among them. They first took me to the main roadside to an STD booth. From there they rang up to my friends. Before they arrived, Viswan arranged a taxi car. As I was getting into the car Kairali T.V. crew came and also the Asia net T.V. I was taken to the Medical College Hospital and was there for 5 days.

In the letter quoted above Fr. Shaji George, SJ also refers to witnessing Fr. Pallath being carried out by a number of persons.

3. Slander of Fr. Pallath by some members of your order using a gutter magazine called 'Crime Star'

The cover page of this gutter magazine is attached. It is magazine that carries a nude picture of young girl in front and the web-site on Fr. Pallath excluded exhibition of this magazine due to the nature of this magazine.

In January 2001, Fr. Provincial got published passionately pro-Jesuit and anti-me anonymous article in Kerala's worst gutter magazine called 'Crime Star'. The article contains not only alleged citations from two letters allegedly addressed to me but also precise information including my bio-data kept in the Curia to which others have no access.

That the members (in this case the provincial superior) of a religious order can stoop to such practices must be a matter of serious concern.

4. Filing of fabricated criminal complaints against Fr. Pallath with the view to get him arrested as a way to prevent him from entering a Jesuit house

The details are as follows:

The 'Theft Cases'

The Camera

The Missio Aachen had given Samskriti about seven lakhs rupees to buy a digital video camera for the promotion of traditional wisdom and technology. As Samskriti, at that

time, did not have a Foreign Contribution Regulation Act (FCRA) number to receive foreign money, this money was routed, as usual, through the Kerala Jesuit Society, the parent organization of Samskriti.. So the bills and vouchers were made in the name of Kerala Jesuit Society, the legal holder. When the project was presented to Missio, it was understood that the camera would be used in network with laymen initiatives. Accordingly, the camera was given for use to a layman who is an expert in handling the camera with definite terms and conditions written in a stamp paper. It was done during the time of my transfer from Samskriti. These things were discussed and settled in the presence of the Provincial, the Consultors and the present director on 30th January 2000. After my dismissal on 28th April 2000, in order to embarrass me, they filed the case saying that I dishonestly kept the camera in my custody without the knowledge and consent of the present director and is an offense punishable under Indian Penal Code. Rev. Fr. Jose Thaiparambil S.J. the treasure, filed the case before the Inspector General of Police, Kozhikode, Crime. No.337/2000 under sections 406,464,471.r/w section 34 of Indian penal code.

Telephone

After installing a new phone, I have signed the document as the director of Samskriti for shifting a phone of Samskriti to another place. According to the constitution of Samskriti, the director has the power to do it. The Provincial also allowed me to take decisions on matters that come below fifty thousand rupees. My successor, Rev. Fr. E. J. Thomas S.J. on Fr. Provincial's behest filed a case before the same Police officer, Crime. No.337/2000 under sections 406,464,471 r/w section 34 of Indian penal code. Under these sections I can be punished for three years of imprisonment or fine or both. Section under 406 is also non-bailable. These cases were reported in the local news papers as theft cases.

5. The failure of the Jesuit Superiors respect an agreement entered into between Fr. Pallath and the Jesuits in Kerela with the mediation of the Bishop of Calicut.

The details of this agreement are as follows.

Followed my forceful eviction from living room, I had under taken a hunger strike to regain entry to my room. At this stage the Bishop of Calicut intervened and settled the matter amicably with an agreement on 28th October 2000.

From the part of the Jesuit authorities the main agreements were (i) Jesuit Provincial gets for me incardination either in Calicut or Kannur dioceses where I worked 25 out of my 33 years as a religious in order facilitate my present work. (ii) to find me accommodation either in a Jesuit house or in a semi-Jesuit house in Malabar region. (iii) to give maintenance till my appeal cases given in the ecclesiastical as well as in the civil courts are heard (iv) to withdraw the false police cases they have filed against me.

They did not implement any of the agreements. Even today I am living on the charity of my religious friends.

6. Failure to provide for the livelihood to Fr. Pallath after 33 years of service.

Whatever be the "justification" of dismissal, it is primary duty of any employer, be it a business, government or religious order, to provide for a person who has served a long period of service, which in this case is 33 years. This basic human obligation was ignored and continues to be ignored.

A Strange reply from the Jesuit Order

When all these matters were brought to notice of Jesuit Superiors in in Vatican, by way of letters by several persons, a reply was received from one Fr. Gegory Naik, which reads as follows:

The Superior General of the Society of Jesus in response to a similar query from a news agency in September 2000, stated the following:

"Let me assure you that Fr Pallathu Joseph has been legitimately dismissed from the Society of Jesus, for actions and patterns of behaviour incompatible with the Jesuit Constitutions. The reasons for his dismissal have been communicated to him in writing. You surely do not expect Jesuit superiors to discuss with the press the personal conduct of Fr Joseph, because he has the right to have his privacy respected, even if he chooses to go public."

QUOTE

religionists:

Repeat after me -- Allah is GREAT

Why would I want to believe Allah is great when Allah is nothing more than Papacy make believe for old Torah believing arabs turning them away from their old beliefs and onto Papacy nonsense called the Koran thanks to Kadijar the ex-NUN around 535 if I remember correctly!

If anyone falls for religion then with what choices we have now I believe the superior god would be **ANU** the leader of the Anunnaki. Infact if we follow the Sumerian teachings we would see that our direct creator therefore our GOD is really **ENKI** the bearded deity! Is it any wonder why many arabs like long beards. Is it any wonder how the region of Sumer now Iraq was the most advanced with maths, Geometry etc? All from Enki and his gang!

So if you wish to adore a fake Papacy creation carry on but us aware of the

Byzantine Empire shall steer well clear of it.

Talking of the Byzantine Empire! I expose Rothschilds as not being as powerful as **Temporals** would like you to think and being just an agent/Court Jew of **The Black Pope** and his **Society of Jesus**. Now isn't it just funny how their logo is EXACTLY the same as the **Byzantine Empire**?????????????? :D

A site rebutting the anti-Jesus propaganda is at:

<http://www.tektonics.org/>

Constantine was never really a true Christian, since he was a secret sun worshipper until his death. He was only baptized on his death bed. Christianity existed way before he lived. He distorted real Christianity to form the modern Roman Catholic Church. There's a difference between using teaching to enrich people and distorting teachings to advocate a theocracy and false dogma.

P.S. You got a right to believe in what you want to believe. I just respectfully disagree with that, 2tuff. I know about ancient history and ancient religions, so don't pull that mother/child bunk on me. First, Satan always mimics the original plan of God. That's why many religions have similarities to each other. Just because religions have similarities, doesn't mean that all religions are identical to each other or have equal merit to follow. Second, the Jesus story is not exclusively related to the Mother/child cult. Real Christians don't view Mary as a Goddess and don't even venerate her. The religion of Babylon and other Mystery Religion utilized that motif and it spread into Roman Catholicism. Many real Christians opposed that ideal like Vigilantius, Helvidius, and other early church heroes that doubters aren't talking about. Many credible historians and scholars (who are even secular) document Jesus Christ's existence. If his existence is non-existent, then doubt Hannibal's existence and a multiple number of ancient figures as well. Don't be a hypocrite now. Certainly Christianity has similarities with many faiths. An idiot would be someone who denied that, but there is value in a belief in God. I believe in God. There is a Supreme Being that loves all of us equally and cares for us equally. Third, I don't consider you an occultist or Satanist. You believe in the sun, but I don't since the sun is a finite creation of God. What's real crap trap is atheist communists butchering millions of people then bashing sincere religious people in the process. What's real crap is worshipping the creation rather than the creator. You talk about Jews. Well, oh no. Guess what, 2tuff, Genetic evidence and historical proof validates real Jews living in Europe, Asia, and Africa. Plus, there was a permanent presence of Jews not only in Yemen and the Middle East, but Israel as well. Anti-Semitism is just as evil as any form of racism. There's always a distinction between good and evil Jews, so I could care less if I'm called anti-Semitic because that's a lie.

Here's some links proving my point:

*I could care less what a Pope would say since they embrace tons of supertisions anyway. Also, here are links dissenting with the anti-Jesus propaganda again. The Pope doesn't even know about authentic Christianity yet alone about real history during that time.

Truthseeker I do not rate that sites information! The facts of the matter are that Jesus is simply the SUN of GOD. He is nothing more than the SUN which gives life to Earth and heals the millions whilst walking on water blah blah blah. The same old story showing a Mary figure and dates goes back to Sumer and probably before that so could he exist when told. Now don't tell me I'm occult and a satanist for believing he is the SUN because thats Religious clap trap used as a label/veil for the truth same as the crap

Anti-semetic when you mention a fact about a Jew.

MooseDog - November 26, 2005 03:58 PM (GMT)

Was it not the teachings of Jesus that caused the pagan sun worshipping Roman Emperor to very quickly change into the Catholic Pope to save the empire?

actually that was constantines mom that saw teh benefit in manipulating the religion into a control mechanism. definately wasnt jesus.

Title: Lies from the Vatican against the Creator

Description: *Jesuits pushing evolution*

Alexandra - November 28, 2005 03:26 PM (GMT)

[Lies from the Vatican against the Creator](#)

Lies from the Vatican against the Creator

In the beginning God spoke the creation into existence, but the Vatican, speaking against the Word of God, has habitually asserted that we evolved from a rock billions of years ago with god's help. Now, just 10 days after the conclusion of the Dover intelligent design trial, here comes their chief astronomer, George Coyne, declaring that the teaching of intelligent design alongside evolution would be "wrong". His comments, of course, just in time before a judge's decision in the Dover case.

"Intelligent design isn't science even though it pretends to be," stated Coyne, who is the Jesuit director of the Vatican Observatory. The observatory is one of the oldest astronomical research institutions in the world, and is based in the papal summer residence at Castel Gandolfo south of Rome. "If you want to teach it in schools, intelligent design should be taught when religion or cultural history is taught, not science," he continued.

According to the American Dictionary of the English Language, the word *science* is defined as having "knowledge, or certain knowledge; the comprehension or understanding of truth or facts by the mind."

The Scripture teaches: "Because that which may be known of God is manifest in them; for God hath shewed it unto them." (Romans 1:19) This verse refers to the *conscience*, which means "with knowledge".

In reality, it is Mr. Coyne who is not speaking scientifically, but is "speaking lies in

hypocrisy" because his conscience was "seared with a hot iron". (1 Timothy 4:2)

In an article published in the June edition of The Tablet, a British Catholic magazine, Coyne affirmed his antisciptural, evolutionary beliefs by writing: "If they respect the results of modern science, and indeed the best of modern biblical research, religious believers must move away from the notion of a dictator God or a designer God, a Newtonian God who made the universe as a watch that ticks along regularly."

"God in his infinite freedom continuously creates a world that reflects that freedom at all levels of the evolutionary process to greater and greater complexity," he wrote. "He is not continually intervening, but rather allows, participates, loves," Coyne concluded.

Should children be put on government buses and sent to indoctrination chambers? Of course not. Should we pay heed to any word from the Vatican? Certainly not. But, we must reach the indoctrinated, and if a door be opened, let us walk in with the truth, opposing the enemy's message, whether it be secular in nature or masqueraded as gospel.

"In the beginning God created the heaven and the earth." (Genesis 1:1)

Description: *Nuwabu literature*

CRAIG-OXLEY - November 26, 2005 10:26 PM (GMT)

Greetings 2tuff.....I've read some of your posts especially regarding the Jesuits with interest.....recently, I read some of the nuwabu literature (Spell of Leviathan) where indeed it mentioned "the Jesuits are the most feared religious organisation in the world", "masters of deceit" and said something to the effect that they control the illuminati. It mentioned that the Jesuits authored the Elders of Zion Protocols to put the blame upon the Jews ("Jebusites" as he calls them) There was also a Jesuit oath quoted and all the things you mention about Temporal Coajatur made much sense..... In other words, much of the info you post definitely corroborated.....Whatever the merits of nuwabu or the leader of the organisation is not the issue here. I myself aren't a member, my interest is in seeking truth.....what i found interesting was that much of the info Icke (and Credo Mutwa) puts forward about reptilians, microchip etc etc etc is all in this document from 1996 (and I believe he's been saying this stuff for a while before that!)

Not so much a question, just to say that what you've mentioned about the Jesuits has got me thinking and exploring other possibilities.....which is a tad scary on one level, but at the end of the day the mind must be open to new ideas.

That's interesting. I'm working on something new called Epilogue. It's my final long expose of 2005 and it will be better than Thanksgiving 2005. The reason is that I discuss about a wide range of subjects indeed with tons of information about the world plus history. I will talk about as much things under the sun as I can. This is going to be a great work.

Report: Israel to hand control of Jerusalem holy site to Vatican
Haaretz November 6, 2005
By Amiram Barkat

Israel is to give the Vatican control over one of the most sacred Christian sites in Jerusalem, several European newspapers have reported recently. According to the reports, Israel will give the Holy See possession of the Coenaculum, or the Room of the Last Supper (also known as the Upper Room or the Cenacle), on Mount Zion.

Rabbi Rosen invested as Papal knight
THE JERUSALEM POST Nov. 3, 2005

Rabbi David Rosen, the American Jewish Committee's international director of interreligious affairs on Thursday became the first Israeli citizen, the first Orthodox rabbi

and the fifth living Jew to be invested with a papal knighthood.

Rosen received the decoration and citation attesting to his new status as a Knight Commander of the Pontifical Order of St Gregory the Great at a ceremony hosted at the Notre Dame of Jerusalem Center by the Apostolic Delegate in Jerusalem and Palestine and the Apostolic Nuncio in Israel Archbishop Pietro Sambi.

The investiture was conducted by Cardinal Walter Kasper, President of the Holy See's Commission for Religious Relations with Jewry. The ceremony coincided with the 40th anniversary celebrations in Israel of Nostra Aetate, the ground-breaking Vatican II document that paved the way for mutual respect and dialogue between the Catholic Church and the Jews.

Kasper credited Rosen with being a moving force in the realization and implementation of the spirit of Nostra Aetate.

Noting that Rosen is active in many fields, Kasper who has known him and worked with him for several years said: "One meets him everywhere that this dialogue is going on - and he keeps the dialogue going on."

He first met Rosen, Kasper recalled, as a Jewish partner in dialogue. He found Rosen to be frank, free and outspoken, saying what pleased him about the Christians and also what didn't please him.

Kasper characterized Rosen as "a fair partner who wants to understand Christianity" and struggles to overcome misunderstandings and slander. He described Rosen as a man of peace and dialogue who builds bridges.

One of the most positive developments of the last half century said Kasper is that Jews and Christians have found a way to gather. "It is a sign of hope and reconciliation, friendship and mutual understanding."

Kasper made a point of emphasizing that in his work for reconciliation and peace, Rosen is not a man of compromise, but acts from the depth of his Jewish faith.

Because Jews and Christians are both children of Abraham who received a promise to be a blessing for all people said Kasper, "We have a universal dimension in sanctifying the name of God. In this secular world in which we live, there is a danger of forgetting the name of God."

In response, the powerfully articulate Rosen said that he was not usually at a loss for words, nor he admitted was he a particularly modest individual, but after hearing what Kasper had said about him, he felt rather inadequate.

In his quest for reconciliation he said, he had remained loyal to his people, his faith and

his tradition. His aim in life was to reach out and build bridges of understanding and thus make the world a better place, said Rosen.

A former Chief Rabbi of Ireland, Rosen confessed that when he brought his family to live in Israel 21 years ago, he thought that he had said goodbye to pomp and circumstance and had no idea what providence had in store for him.

"I'm an extremely lucky beneficiary of timing," he said, observing that he had been at the right place at times of historic opportunity.

Rosen who was on the team that negotiated diplomatic relations between Israel and the Vatican was pleased to see among the witnesses to his honor Shmuel Hadass, who was Israel's first ambassador to the Vatican.

He also paid tribute to Zvi Werblovsky whom he lauded as an Israeli pioneer in the field of Jewish-Christian dialogue. "I see myself as a spiritual son of his in this endeavor," said Rosen, who in a post ceremonial conversation, said that Werblovsky should have been given a papal knighthood years ago.

It was a most rewarding day for Rosen and his family. From Notre Dame he continued on to Dormition Abbey, where at another ceremony hosted by Abbot Benedikt Lindemann of the Benedictine Abbey Hagia Maria Sion he was presented with the Mount Zion Foundation's Award for Interreligious Understanding in recognition for his contribution to Jewish-Christian reconciliation, understanding and cooperation.

The Mount Zion award is presented biannually to individuals and institutions that have made outstanding contributions to the enhancement of dialogue between the different religions and cultures of the Holy Land.

Origins, Promulgation, Impact on Catholic-Jewish Relations
Jerusalem, 30 October–1 November, 2005

The Center for the Study of Christianity at the Hebrew University of Jerusalem, in conjunction with the John XXIII Foundation for Religious Studies in Bologna, will hold a scholarly Conference in Jerusalem on the above to mark the 40th Anniversary of the Conciliar Declaration Nostra Aetate, which was a watershed in Catholic-Jewish relations.

The first day of the Conference will be devoted mainly to Nostra Aetate and its origins and the second day to its various impacts since 1965. Participants will review the state of research on the document, make their own contribution thereto and attempt a critical assessment of Catholic-Jewish relations over the past forty years.

It will be attended by leading scholars actively engaged in these areas from Israel, Italy, Germany France, Belgium, Russia and the United States. Prominent figures, who are

personally involved in the Jewish-Catholic Dialogue

- headed by THE Cardinal Walter Kasper, President of the Pontifical Council for Christian Unity and Rabbi David Rosen, President of IJCIC - will also take part.

Holy See Address on Plight of Palestinian Christians

Moreover, of ongoing concern is the security wall which cuts access to some Palestinians' lands and water sources, as well as to employment, commerce, education, medical care and freedom of worship. My delegation freely acknowledges the right of all peoples to live in peace and security; on the other hand, we believe that the Holy Land is in greater need of bridges than of walls.

In the hope that the many problems of the region will be resolved by negotiation and dialogue, my delegation underlines that a lasting solution will include the question of the Holy City of Jerusalem. In light of the numerous incidents of violence and the challenge to free movement posed by the security wall, the Holy See renews its support for "internationally guaranteed provisions to ensure the freedom of religion and of conscience of its inhabitants, as well as permanent, free and unhindered access to the holy places by the faithful of all religions and nationalities"

Jerusalem is the acknowledged home of the three Abrahamic faiths, and whoever has custody of the Holy City has a particular responsibility for it before the international community. Borrowing the recent words of Pope Benedict XVI, we hope that Jerusalem will one day be "a home of harmony and peace" for all believers.

The time is long overdue for fraternal, open dialogue in order to bring about the birth of two states, side by side, mutually respecting each other's right to exist and prosper. There have already been far too many innocent victims, be they Israeli or Palestinian, Jews, Christians and Moslems alike. Only with a just and lasting peace -- not imposed, but secured through negotiation -- will the legitimate aspirations of all the peoples of the Holy Land be fulfilled.

A Covenant Between the Pope and PLO Leader Yasser Arafat

On 15th February, 2000 at the Vatican, the Pope and the leader of the PLO terrorist organisation, Yasser Arafat, signed a covenant against the G-d and people of Israel and Jerusalem.

According to this agreement, Jerusalem should be an international city based on international resolutions and an international guarantee. (The UN decided on more than

one occasion that Jerusalem should be an international city.) They also decided that any step or activity taken by Israel to change this position of Jerusalem is against the law. The agreement also recognizes a "Palestinian" state in the land of Israel and agrees on cooperation between the Vatican and the PLO and the Vatican committed itself to assist the so-called "Palestinians".

Authorities in the Vatican explained: "the agreement paves the way for establishment of full diplomatic relations with a Palestinian state when it is founded". The PLO representative in the Vatican stated: "This is an historical covenant.

The Wording below is from the Illuminati Plan:

"Moslem and Jewish areas in Jerusalem will be combined with Christian to create the New Jerusalem Covenant. Then, and only then, will it be possible to build a combination Temple/Church/Mosque in Jerusalem."

"At the proper moment in history, the Pope will visit the combined Jewish/Christian/Moslem sector of Jerusalem to announce that all religions should be combined into one. This action will then finally break the Middle East logjam." (Ibid.)

Palestinian leader Mahmoud Abbas has urged Pope Benedict XVI to visit the Palestinian people, according to an Italian religious affairs magazine.

Monthly magazine 30 Giorni said in a promotion of an interview with Abbas that he extended the invitation "to visit the Palestinian people in Palestine," Italian news reports said.

Abbas was quoted as urging Benedict to "use all his weight and the spiritual and moral importance of the Catholic Church to put an end to the suffering of the Palestinian people and to guarantee their legitimate right to create an independent state with East Jerusalem as its capital."

Israel's Wrong Turn: Europe to Guard Border
Monday, November 7, 2005

The Gaza Strip border crossing with Egypt must be looked after, but Israel has been pressured to turn the job over to the EU. What might the consequences be?

Israel announced on Tuesday that the EU will send inspectors "with real powers" to monitor the Rafah border crossing between the Palestinian-controlled Gaza Strip and Egypt.

The European Union has hit paydirt. After more than 10 years of struggling with America to gain control of the Middle East peace process, the EU and the Vatican are one step closer to realizing their Middle East ambitions.

<http://newsfromrussia.com/world/2005/11/02/66840.html>

Spain's foreign minister on Wednesday said Spain was studying the possibility of helping police the border separating Egypt from Gaza.

Israel's cabinet on Tuesday approved the deployment of European inspectors on that frontier following its pullout from Gaza. Foreign Minister Miguel Angel Moratinos told a news conference that Spain was willing to support an international effort to promote peace in the region.

Ariel Sharon Takes Long Path From Settlement Builder to Settlement Dismantler

Ariel Sharon's transformation from settlement builder to settlement dismantler was sealed in a secret meeting with U.S. envoys in Rome in November 2003, when the Israeli prime minister revealed his plan to give up the Gaza Strip and parts of the West Bank by the end of 2005.

For four decades, Sharon had been the main force behind Israeli settlement construction in lands claimed by the Palestinians for their state. In that Rome hotel room, two of his aides say, he became the first Israeli leader to set a clear deadline for dismantling some of them.

The following article appeared in the Jerusalem Post on 25 February 2000. It indicates that the Vatican Agreement discussed above is no longer just a discussion, but is an actual agreement between the Vatican and the Palestinian Authority to turn Jerusalem into a Free International City with the Vatican as the Protectorate. This will undoubtedly bring great pressure on Israel from the world community, because there will be a war if Israel does not conform to the agreement.

PLO-Vatican pact riles Israel

Officials in Jerusalem deplore the Vatican's interference in the peace process, only weeks before the pope's visit to the region

By Jerusalem Post Staff

The Barak government has accused the Vatican of interfering in the peace talks with the Palestinians by signing an accord with the PLO that cautions Israel to refrain from unilateral decisions affecting Jerusalem, which it called "morally and legally unacceptable."

"The agreement... is an interference in the negotiations between Israel and the Palestinians, and we regret this," the Foreign Ministry said in a statement. The representative of the Holy See in Israel, Papal Nuncio Monsignor Pietro Sambi, was called for an "urgent meeting" with Director-General Eytan Bentsur to discuss the matter.

Criticism in the agreement of a lack of freedom in the Old City was rejected by Bentsur. At no point in history has there been as much freedom as today, he told Sambi. Not only is the content of the document disturbing, but Bentsur described its timing as "deplorable," just before the papal visit.

Bentsur said Israel welcomes the pope on his visit but hopes he will not bring preconceived notions about the outcome of talks between Israel and the PA.

Following their meeting, Sambi told reporters that the agreement -was not fully understood in Israel. It is not a political statement, but one about the religious nature of Jerusalem and its importance to three major religions, he said.

The agreement was the most significant development in the PLO's relations with the Vatican since official ties were established in 1994. It came ahead of next month's historic visit to Israel by the pope.

The two sides also signed an agreement that called for an internationally guaranteed statute to preserve "the proper identity and sacred character" of the city. The text did not mention Israel, which considers Jerusalem its indivisible capital and has ignored previous Vatican calls for such a statute.

The Vatican's stance underscored the difficulties Pope John Paul II may face on his March 20-26 tour of Jordan, Israel and the: Palestinian territories

Minister Michael Melchior said Israel should welcome the visit despite the agreement, but it should be made absolutely clear that Israel is very unhappy with the denouncement of unilateral decisions on Jerusalem as "morally and legally unacceptable."

If he wants us to listen to him and respect him, he must act likewise towards us," said Melchior

The strong wording in the Vatican-PA agreement took Israel by surprise. "We express our dismay," said Zvi Tal, spokesman of the Israeli Embassy to the Holy See. Tal said that while the Vatican's stance as known, last week's action amounted to interference in ongoing peace negotiations. He also said the Palestinians appeared to breach a pact with Israel limiting the types of further agreements they could make.

The accord covers the Vatican's relations with the PLO, the Status of churches and the freedom of worship in the PA territories.

It was signed on the same day that PA Chairman Yasser Arafat met with Pope John Paul II and sprang a last-minute invitation accepted by the pope - to add Jericho to his itinerary. He is also scheduled to visit Bethlehem and a Palestinian refugee camp.

The preamble of the agreement declares that an "equitable solution" for Jerusalem based on international resolutions is "fundamental for a just and lasting peace." It says that "unilateral decisions and actions altering the specific character and status of Jerusalem are morally and legally unacceptable."

The Vatican, like many states, has never recognized Israel's occupation of the eastern section of the city. The final status of Jerusalem is to be decided in talks between Israelis and the Palestinians, acknowledged as one of the most difficult points in the peace process.

During a 1998 visit to Israel, the Vatican's foreign minister caused a stir when he called the Israeli presence in east Jerusalem an "illegal occupation."

Pope Paul VI visited Jerusalem, but that was in 1964 when the eastern side, containing the major Christian, Moslem and Jewish shrines, was in Jordanian hands.

Meanwhile, Seymour Reich, head of the International Jewish Council on Inter-Religious Consultations, described the language used in the agreement between the Holy See and the Palestinians as "offensive," especially since it came while preparations were being made for the papal visit.

But, he said, he wasn't surprised. "Every time they move forward in Vatican-Jewish or Vatican-Israel relations, they manage to take a step backwards in relations between

us," Reich. In a similar reaction, the AntiDefamation League expressed concern about the agreement, saying the Vatican was engaged in unhelpful interference in the bilateral negotiations between Israel and the Palestinians on issues such as the peace process and the status of Jerusalem.

"We would hope that the Vatican would attempt to play a role supportive of the peace process. Instead, this document deElonstFates unhelpful interfere ence into the ongoing bilateral negotiations," ~ said Abraham Foxman, ADL national director.

Foxman added that the agreement gave no indication that Israel and the Palestinians had been engaged in intensive bilateral negotiations since 1993, it made no mention of Israel, of security, or of the need for normalized relations between Israelis and Palestinians. He pointed out that in calling for "international guarantees" on Jerusalem, the document ignored the final-status renegotiations between Israel and the Palestinians which are to include the status of Jerusalem.

Lamia Lahoud adds:

The agreement signed between Arafat and the Vatican signals to the world that the Vatican is dealing with the PA as a de facto state, Arafat's spokesman Nabil Abu Rudaineh said last week.

"The agreement will help the peace process... because it signals that Jerusalem is not only a Jewish city and cannot be ruled by Israel alone," he explained.

Please investigate these disturbing facts that suggest that the conspiracy against Rabin may be ongoing and may have claimed more lives:

The assassination of Rabin is linked to the assassinations of Meir Kahane (November 5, 1990), JDL leader Irv Rubin (November 4, 2003), and JDL activist and Rubin associate Earl Krugel (November 4, 2005) by a "coincidence" of dates that could not possibly be pure coincidence. Rabin of course was murdered on Nov. 4, 1995 (exactly ten years before the Krugel murder, and exactly five years after the Kahane murder). Four Jewish leaders could not possibly have just happened to have been murdered on the same calendar date within a space of only fifteen years.

Irv Rubin, the leader of the Jewish Defense League, supposedly "committed suicide" in a United States Federal prison by first cutting his own throat, then running thirteen yards, and finally jumping off a balustrade to his death--surely the most athletic suicide in history! This happened on November 4, 2003--eight years to the day after the Rabin assassination.

Rubin's fellow JDL activist, Earl Krugel, who was imprisoned on the same charges as Rubin, was murdered in prison on November 4, 2005--exactly ten years to the day after the assassination of Rabin.

If the assassination of Rabin has been covered up, those of Rubin and Krugel have never been exposed to public view in the first place! But the assassins certainly used the date November 4 as their calling card.

Earl Krugel pleaded guilty to conspiracy and received a 20-year sentence. Irv Rubin was murdered before his case came to trial. Neither man received a death sentence or deserved to be murdered in jail. Please try to get justice for these two men, whose murders are plainly connected to that of Yitzhak Rabin.

Mehadrin to earn NIS 32.5m profit sale of land in Ashkelon

Mehadrin chairman Yonatan Basi is director of the SELA Administration for disengagement from the Gaza Strip and northern Samaria.

Roy Meltzer 31 Oct 05 16:53

Real estate company Mehadrin (TASE: MEDN) is about to reap a big profit from the removal of Jews from the Gush Katif communities from the Gaza Strip under the disengagement plan. The company announced today that it had signed an agreement with the Israel Land Administration (ILA) giving the latter a free nine-month option to buy 1,300 dunam (325 acres) in northern Ashekelon.

The exercise price for the option is NIS 46,410 per dunam (NIS 185,640 per acre), making the total exercise price for the land NIS 60 million. If the ILA exercises the option, Mehadrin will post a one-time net after-tax capital gain of NIS 25,000 per acre, making its total profit on the deal NIS 32.5 million.

For the past six months, Mehadrin chairman Yonatan Basi has been director of the SELA Administration, the special administration established in the Prime Ministers Office for handling Jews removed from the Gaza Strip and northern Samaria. IDB Holding Corp. (TASE: IDBH) subsidiary Hadarim Properties (TASE: HAPR) (37.1%) and Israel Phoenix Assurance (TASE: PHOE1;PHOE5) (33.1%) control Mehadrin. The latter's market cap is \$57 million, following a 57.1% surge in its share this year. Published by Globes [online] - www.globes.co.il - on October 31, 2005

Protests over Burg's Plan to Eat 'Festive Meal' on Ninth of Av Fast Day
18:59 Aug 11, '05 / 6 Av 5765

(IsraelINN.com) Rabbis and public leaders are furious over a statement by former Labor

Knesset Member Avraham Burg that he will eat a festive meal Sunday afternoon, the Ninth of Av. Many secular as well as observant Jews observe a 24 hour fast from sundown Saturday in memory of the destruction of the ancient First and Second Temples.

Burg, a vocal supporter of the expulsion plan, said on an Israeli radio program that a festive meal would mark what he termed Israel's nearing control over its destiny following the planned expulsion of Jews from Gaza and northern Samaria.

Burg's father, Yosef Burg, was leader of the National Religious Party, but his son identifies with the Conservative movement. Shas Sephardic party leader MK Eli Yishai said that Burg's comments represent an "anti-Jewish philosophy." Burg's statement proves his lack of understanding of Torah and Jewish Law, according to former MK Chanan Porat.

How The Zabbateans Will Destroy Israel

By Jack Manuelian

6-9-5

When the Zabbatean Zionists created the modern state of Israel they also made plans for the creation of an anti-Israel "force" in the Middle East that would be used to destroy their experiment of modern Israel. The Zabbatean Zionists would be both the creators and indirect destroyers of the state of Israel. Nowadays inner Zabbatean Zionists are activating the "self-destruction" mechanism of modern Israel; their plan is to bring a Turkish muslim dictator as a ruler of Turkey, a Muslim Hitler-like destroyer, a Turkish Bin Laden who will unite the various factions in Turkey and lead them to the old glory they once knew. Presently the invisible rulers of Turkey are not real Turks but rather infiltrated secular "Turks" who are the secret followers of the anti-Mohammed and anti-Christ prophet Zabbatai Zevi, who was the founder of the Turkish Donmeh Zabbatean sect and of the Zabbataean movement in general.

Tony Blair, the British prime minister, welcomed a Spanish proposal to create an "Alliance of civilizations" between Western and Muslim countries in the fight against terror in a meeting with Jose Luis Rodriguez Zapatero, his Spanish counterpart, on Wednesday.

Mr Blair, who also held talks on Wednesday with RecepTayyip Erdogan, the Turkish prime minister, said that Turkey is particularly involved in this initiative.

Even the Frankfurt Rothschilds must be included in the list of believers, as Mr. Schenk-Rinck records in the second part of his treatise Die Polen in Offenbach.(5)

WHO WAS WINSTON CHURCHILL?

The essential fact about Winston Churchill is that his mother's father was Leonard Jerome (formerly Jacobson, 1818-1891) a speculator and business partner of August Belmont (nee Shoenberg 1813-1890), who was Rothschild's main American representative.

Jennie Jerome's marriage to Randolph Churchill, the second son of the Duke of Marlborough appears to have been a marriage of convenience, typical of many unions between spendthrift English aristocrats and daughters of Jewish financiers.

Rolling Stones "Sympathy for the Devil" lyrics

Please allow me to introduce myself
I'm a man of wealth and taste
I've been around for a long, long year
Stole many a man's soul and faith
And I was 'round when Jesus Christ
Had his moment of doubt and pain
Made damn sure that Pilate
Washed his hands and sealed his fate
Pleased to meet you
Hope you guess my name
But what's puzzling you
Is the nature of my game
I stuck around St. Petersburg
When I saw it was a time for a change
Killed the czar and his ministers
Anastasia screamed in vain
I rode a tank
Held a general's rank
When the blitzkrieg raged
And the bodies stank
Pleased to meet you
Hope you guess my name, oh yeah
Ah, what's puzzling you

Is the nature of my game, oh yeah
I watched with glee
While your kings and queens
Fought for ten decades
For the gods they made
I shouted out,
Who killed the kennedys?
When after all
It was you and me
Let me please introduce myself
I'm a man of wealth and taste
And I laid traps for troubadours
Who get killed before they reached bombay
Pleased to meet you
Hope you guessed my name, oh yeah
But what's puzzling you
Is the nature of my game, oh yeah, get down, baby
Pleased to meet you
Hope you guessed my name, oh yeah
But what's confusing you
Is just the nature of my game
Just as every cop is a criminal
And all the sinners saints
As heads is tails
Just call me lucifer
'cause I'm in need of some restraint
So if you meet me
Have some courtesy
Have some sympathy, and some taste
Use all your well-learned politesse
Or I'll lay your soul to waste, um yeah
Pleased to meet you
Hope you guessed my name, um yeah
But what's puzzling you
Is the nature of my game, um mean it, get down
Woo, who
Oh yeah, get on down
Oh yeah
Oh yeah!
Tell me baby, what's my name
Tell me honey, can ya guess my name
Tell me baby, what's my name
I tell you one time, you're to blame

Ooo, who
Ooo, who
Ooo, who
Ooo, who, who
Ooo, who, who
Ooo, who, who
Ooo, who, who
Oh, yeah
What's me name
Tell me, baby, what's my name
Tell me, sweetie, what's my name
Ooo, who, who
Ooo, who, who
Ooo, who, who
Ooo, who, who
Ooo, who, who
Ooo, who, who
Ooo, who, who
Ooo, who, who
Oh, yeah

Catholic Monsignor Arrested, Charged With Fondling Boys

Monday, November 21, 2005

<http://www.foxnews.com/story/0,2933,176294,00.html>

PHOENIX — The former vicar general of the Roman Catholic Diocese of Phoenix was arrested Monday on charges he fondled boys and asked them questions about sex that he misrepresented as being part of confession.

Monsignor Dale Fushek becomes one of the highest-ranking priests to be charged in the sex scandal that has engulfed the church. The vicar general is the highest-ranking administrator of a diocese next to the bishop.

Fushek was charged with three counts of assault, five of contributing to the delinquency of a minor and two of indecent exposure.

Fushek "used a relationship of trust to perform criminal acts, including but not limited to sexual activities, improper sexual discussions and physical contact, upon vulnerable minor and adult victims," prosecutors said in court papers.

Prosecutors said Fushek committed the acts between 1984 and 1994 at St. Timothy's Catholic Church in Mesa or on property belonging to the church. The alleged victims were seven young men and boys.

Fushek resigned as pastor of St. Timothy's in April after someone claimed to have recovered a repressed memory involving sexual improprieties by Fushek in 1985.

SECRET SOCIETIES

((NOTE: All emphasis throughout this newsletter, unless otherwise noted, is by the editor of "Tackling the Tough Topics (TTT)". Some issues of my TTT newsletters and my "Examining the Tough Issues (ETI)" newsletters can be read on the following three Internet web sites: www.calltodecision.com , www.libertytothecaptives.net, and, www.tacklingthetoughtopics.net .))

((NOTE: This issue of TTT may seriously disturb some folks' comfort zones. Additionally, this issue is dedicated to all courageous Americans who have stood against evil, corruption, and tyranny throughout history! It is also dedicated to those Masons and Jesuits who have had the courage to leave their societies and order once

they found out about the horrible evil that exists at the top levels of these types of organizations (i.e., secret societies and orders).)

DEFINITION OF A "DUPE":

(Per Webster's Seventh New Collegiate Dictionary): dupe: one who is easily deceived or cheated: fool

I. INTRODUCTION

The America of today has changed immensely from the America of the late 1700s and early 1800s. Yes, I know we have made many technological advances. But that is not the "change" I am concerned about. Rather, I am concerned about the steady erosion of freedom, decency, and morality in the America I see today. And a good portion of that "change for the worst" can be laid at the feet of secret societies.

You see, dear reader, these societies are "secret" at the higher (and "professed") levels. That is, what really goes on at the higher levels is almost totally unknown to the lower-level members. I believe it was Soviet revolutionary leader V.I. Lenin who coined the term "useful idiots" to describe the lower-level members of the Bolshevik (Communist) movement in Russia in the 1920s. Lenin and other top Communist leaders felt that the masses of low-level folks (under their command) working for the "cause" of Communism were merely dumb animals who could be easily manipulated through slogans, propaganda, and nice-sounding ideals to serve the purposes of the Revolutionary elite. These "useful idiots", believing in such slogans as "power to the people", etc., were willing to lay down their lives for the "cause" of Communism. Yet the vast majority of these "useful idiots" (remember, these are the words used by their very own "masters" to describe these worker bees) never figured out that the reality did not match the idealism. These "useful idiots" were people who could easily be duped to serve their totalitarian leaders – again, though fancy slogans and, for the most part, a bunch of idealistic lies. Only the small circle of evil men at the "top of the pyramid" knew the true agenda.

The same thing can be said concerning the lower-level members of secret societies,

such as Freemasonry and the Society of Jesus (i.e., the "Company", the Jesuit Order). Those members at the lower levels generally have no idea of the evil at the top levels, or of what the true agenda of these secret societies is. They are merely useful dupes who can be easily manipulated to serve the secret agenda of the powerful elite who control their order or society.

I am going to give a brief description of the two most powerful secret societies in the world, in my opinion, Freemasonry and the Jesuit Order (with their Knights of Malta). But before I do, I had mentioned in the beginning of this introduction that secret societies are responsible for much of the "change for the worst" in this country. Why is this so? It is because these secret societies have placed their lackeys in key power positions in the U.S. government, especially at top levels in our Intelligence and Federal Law Enforcement agencies (in particular, the CIA and FBI). Additionally, these secret societies have infiltrated and taken over the mainline Christian denominations in America, the mainstream media, and most of America's education system. I will be discussing these infiltration and take-over activities in later sections of this newsletter.

Oh, before I forget, Freemasonry and the Jesuit Order are not just a nice fraternal club/association and religious order, respectively. ((The Jesuit Order is a military-style organization that hides behind a veneer (a façade) of religion. It is headed by a Superior General (the Black Pope) and has numerous "provincial generals".)) What both Freemasonry and the Jesuit Order share in common at the "professed" and higher levels of their societies are horrible blood oaths, secrecy, and a history of fomenting revolutions and wars, and of assassinating anyone who gets in their way! Additionally, they protect one another, no matter what the crime of a fellow member. For example, fellow members who are murderers and traitors must be protected by other members. Sadly, far too many judges are Masons, and they often do protect their fellow Masons who are brought to trial! And the men running these secret societies at the highest levels absolutely do NOT believe in and love the Almighty God of the Holy Bible. No, they serve a different "master".

II. FREEMASONRY

According to Webster's Seventh New Collegiate Dictionary, a "Freemason" is "a member of a widespread secret fraternal society called Free and Accepted Masons". Webster's also describes "Freemasonry" as "the principles, institutions, or practices of Freemasons – called also Masonry".

The World Scope Encyclopedia has this, in part, to say about the term "Freemason":

"A member of a secret fraternity known as the Freemasons, which dates from the

Middle Ages.

...The modern fraternity of Freemasons has its source in the craft guilds of the medieval period, when members of those organizations passed to different portions of Europe. Certain signs and passwords were used by the skilled workmen...such signs being kept a secret among the craft. ...The reorganization of [Freemasonry in] 1717 occurred at London, while branches were established in France in 1725; America, in 1730; Russia, in 1731; Germany, in 1740; and later in all civilized countries... From the first American branch lodge established in New Jersey sprang many thousands of others, until in 1942 there were 50 grand lodges in the U.S. and the Philippines, about 5,500 subordinate lodges, and a membership of 2,467,185.

In the U.S. and elsewhere there are numerous degrees, to which applicants are initiated... The election of new members is by ballot, and various signs, passwords, and grips [Ed. Note: "handshakes"] are given, by which members in need of assistance and succor may be tested before more than ordinary or usual benefits are extended.

...At various times, like other secret societies, Masonic activities have been declared useless and harmful by divers groups and political factions, and have often been dissolved as in Germany and Italy, for instance, in the 20th century."

What the above encyclopedia does not tell us (under the entry "Freemason") is that an anti-Masonic Party was founded in the USA in 1829. This occurred largely as a result of the Masonic kidnapping and assassination of Captain William Morgan in the autumn of 1826 in the state of New York.

Here is what John Quincy Adams, the 6th President of the United States, had to say about the "Masonic assassination of William Morgan":

"Freemasonry, corporate Freemasonry, is chargeable with the stealing [i.e., kidnapping] of a free citizen, and the murder of a father and husband.

...It [i.e., Freemasonry] is responsible for having baffled inquiry, for having defeated investigation by the removal of witnesses, and for having produced the acquittal of persons notoriously guilty.

...But perhaps the most remarkable evidence of the binding force of Masonic obligations and of the real power of the fraternity, is afforded in the conduct of those who control the newspapers of the country.

When the English forger Stephenson was kidnapped in a distant state and brought forcibly to New York, the whole country rang with the alarm which was sounded by the newspapers and every patriot was called on to resent this invasion of personal liberty.

But when a free citizen of America was dragged from his family, forcibly carried through

the country and drowned in the deep waters of the Niagara, a death-like silence pervaded the newspapers; or if they spoke, it was to notice the outrage in terms of irony and as a trifling and unimportant affair.

The papers of every party teemed with the most gross misrepresentations; a simultaneous attack was made on all who were engaged in discovering the offenders, fabricated accounts of Morgan having been seen at different and distant places were incessantly circulated and every effort was made to delude the public and mislead inquiry.

How tremendously powerful must have been that organization [i.e., Masonry], which could produce that shameful treachery of the press to its public duties!

These facts are as notorious as the sun at noon-day and a stronger proof of their general truth cannot be adduced, than the single circumstance that to this day, thousands and millions of reading citizens in this country are ignorant of Morgan's abduction and murder and are totally uninformed of the abominations of Freemasonry."

((Ed. Comment: Dear reader, the very same things happened in the assassination of President Abraham Lincoln. A number of the conspirators were helped either to initially escape capture or to escape punishment once brought to trial. The latter occurred when Jesuit priests came up from Georgetown to "influence" Catholic members of the jury so that they would NOT convict John Surratt, who clearly was guilty of conspiring to assassinate Lincoln. (Note: Some folks would call this "jury tampering".) And the very same things happened in the assassination of President John F. Kennedy (JFK). The real conspirators were protected and never brought to trial. The establishment-controlled mainstream media went along with the "lone-nut assassin" and bizarre "Magic Bullet" theories of the Warren Commission, which supposedly "investigated" the assassination of JFK. Additionally, high-level Masons were appointed to the Warren Commission to make sure it succeeded in its "whitewash" and "cover-up". These high-level Freemasons on the Warren Commission included Supreme Court Chief Justice Earl Warren (from whom the commission drew its name) and Allen Dulles (whom JFK had fired from being Director of the CIA). Powerful Knights of Malta were also involved in the cover-up of the true conspirators in the JFK assassination. One such man was CIA Chief of Counterintelligence James Jesus Angleton (who also happened to be the CIA "liaison" to the Warren Commission). Indeed, the assassinations of both Lincoln and JFK had secret societies' fingerprints all over them!))

Anti-Masonic feeling had been growing in America. Professor John Robinson's book *Proofs of a Conspiracy* (first published in 1798) and Augustin Barruel's four-volume study *Memoirs Illustrating the History of Jacobinism* (published in 1799) had been read in America. Both publications made Americans well aware of the Illuminati Order founded by Jesuit-trained Adam Weishaupt in 1776. ((Note: Weishaupt had been a professor of Canon Law at Jesuit Ingolstadt University in Bavaria. Weishaupt basically

grafted Freemasonry into his 'new' Illuminati Order. It is highly unlikely that Weishaupt ever really left the Jesuit Order, but rather pretended to leave it in order to create a new "front group" for the Jesuits without leaving an easily found trail back to them. This is a classic Jesuit maneuver.))

Anti-Masonic feeling then began to subside somewhat in America until the story of the murder of Captain William Morgan broke. Morgan had been a former Freemason who had written a book, Illustrations of Freemasonry. Morgan's book revealed Masonic secrets. "Payback" came in the autumn of 1826, when Captain Morgan was brutally kidnapped and then drowned. His body had been horribly mutilated.

As word spread across the USA of the brutal murder of Captain Morgan, so did the resentment against the Freemasons. As a result of this national indignation, an anti-Masonic political party was formed in 1829 by William H. Seward, Henry Dana Ward, and Thurlow Weed. This national indignation against the Masons, however, soon faded away. The anti-Masonic party disappeared by 1840.

Interestingly, a former President of the United States (John Quincy Adams) ran in 1830 on the anti-Masonic Party ticket for Congress and was elected to the House of Representatives! This 6th President of the United States wrote a book entitled Letters on Freemasonry, in which he exposed the evil at the top levels of Freemasonry. It was originally published in 1833 under the title of Letters on the Masonic Institution. ((If you would like to order a copy of the 284-page reprint of this book, Letters on Freemasonry, by John Quincy Adams, via your credit card, please call "Power of Prophecy" at their toll-free phone number 800-234-9673. It is \$22 postpaid. Or, you can make check or money order payable to "Power of Prophecy" and mail it to the following address: Power of Prophecy // 1708 Patterson Road // Austin, TX 78733-6507.))

John Quincy Adams, the 6th President of the United States who helped to found the anti-Masonic Party, had this to say about Masonry: "Masonry ought forever to be abolished. It is wrong – essentially wrong – a seed of evil, which can never produce any good."

Author Texe Marrs, who had Letters on Freemasonry reprinted through his RiverCrest Publishing Company, had this to say concerning Freemasonry in the "Foreword" he wrote for the book:

"I count myself as one of those who oppose Freemasonry. My reasons are many, though they center mainly on my informed conviction that the Masonic Lodge is unchristian, generally amoral, and decidedly unwholesome. Indeed, I view today's Freemasonry as a loathsome leftover of the old pagan religions and an unfortunate reminder that a virulent form of occultism and Egyptianism lingers on within the boundaries of these United States.

I readily admit the [Masonic] Lodge is responsible for some worthy humanitarian endeavors, and there are some good men who are Masons. Nevertheless, its origins, nature, rituals, and practices negate whatever noteworthy attributes there are pertaining to Lodge membership."

Here are several other quotes about Masonry:

"The principles and basic rituals of Masonry embody a naturalistic religion, active participation in which is incompatible with Christian faith and practice. Those who knowingly embrace such principles are committing serious sin." – Catholic News Service (June 7, 1985)

"There is a great danger that the Christian who becomes a Freemason will find himself compromising his Christian beliefs or his allegiance to Christ, perhaps without realizing what he is doing." – The Methodist Church of England (August 1985)

"I...have become aware that Freemasonry is much more than a fraternal or civic organization. I believe it is one of the Enemy's most subtle and pernicious front-line agencies of deception designed ultimately to keep lost souls from being saved. Infiltration into our churches has been a frighteningly deceptive tactic that most of us have been unaware of until recently."

Dr. Peter Wagner

"...To abstain from membership in secret societies and lodges which are oath bound, believing that the quasi-religious nature of such organizations divides the Christian's loyalty, and their secret nature contravenes the Christian's open witness, and the secret nature of their oaths is repugnant to the Christian conscience." – Article III, Wesleyan Methodist Church Constitution

III. THE JESUITS (i.e., the "Society of Jesus", "The Company")

Editor of TTT has written four previous TTT newsletters specifically on the Jesuit Order:

TTT #44, "The Jesuits"; TTT #49, "The Jesuits – Part II"; TTT #53, "The Jesuits – Part III – The Knights of Malta"; and, TTT #54, "The Jesuits – Part IV – the International Intelligence Community; Communism; & It is NOT the Jews!". I had only intended on doing one newsletter on the subject of the Jesuits, but every "stone" I turned revealed more "dirt" on the Jesuit Order.

Some of the above-mentioned TTT newsletters on the Jesuits may still be posted on

one of the following three Internet web sites: www.calltodecision.com , www.libertytothecaptives.net and www.tacklingthetoughtopics.net. In a nutshell, these previous four TTT newsletters on the Jesuits were full of quotations by famous personalities; they gave a brief history of the Jesuit Order; they provided information on numerous Jesuit assassinations of heads of State; and, they provided a list of the many countries, city states, and cities that have expelled the Jesuits from their lands!

Here's a very brief history of the Jesuit Order:

In 1534 Ignatius of Loyola founded the "Society of Jesus" (the Jesuit Order). Six years later, in 1540, Pope Paul III confirmed the Jesuit Order.

The Jesuits guided the Council of Trent (1545-1563) and for all extents and purposes took over the Vatican at that time. (The popes were forced to "make a deal with the devil", i.e., the Jesuit Order. This was because the popes were not only losing their power over European monarchs, but they were also losing many converts from the ranks of Catholicism to Protestantism. Thus, the Jesuits took over the "Counter-Reformation" for the Papacy.)

Jesuit control of the Vatican remained almost unbroken until several popes decided to try to rein in the immense power of the Jesuit Order in the mid to late 1700s. (These popes were getting many complaints from heads of state in Europe, since the Jesuits had already become famous for court intrigues and for assassinating any head of state who didn't "play ball" according to the rules the Jesuits laid down.)

While probably 10 or more popes had tried to curb the excesses of the Jesuit Order, two of the most famous cases were:

(1) Pope Clement XIII in 1769 was preparing to sign a papal bull to suppress the Jesuit Order. Unfortunately Clement XIII never got the chance, since the Jesuits poisoned him the night before he was to have signed the bull of suppression.

(2) Pope Clement XIV on July 21, 1773 suppressed the Jesuit Order with a papal bull (not a "brief" as is now reported). "Payback" came fourteen months later – again the Jesuits struck with the "poison cup", and Pope Clement XIV died a horrible death. (Note: Pope Clement XIV was reported to have said upon signing the papal bull banning the Jesuit Order "forever" that he had signed his own death warrant.)

The Jesuit Order, after their official suppression in 1773, faded into the "shadows" and bided their time until they rode the coattails of Napoleon Bonaparte back to power in Europe. Pope Pius VII, after being imprisoned for five years (and no doubt after some persuasion), restored the Jesuit Order to its former glory in 1814. (Please remember that Pope Clement XIV had banned the Jesuit Order forever in 1773!)

From 1814 until the present time the "white pope" has always had a Jesuit priest as his

'father confessor'. From 1814 until the present time no "white pope" has dared to try to restrain the "Black Pope" (the Jesuit Superior General who is the real power behind the Vatican Throne), with one exception. It took a "compromise candidate" for pope in 1978 to finally challenge the Masonic influence at the Roman Curia. Yes, it was in 1978 that a courageous "white pope" would once again attempt to challenge the power of the "Black Pope" (who besides his own Jesuit Order and his Knights of Malta also controls Freemasonry). Pope John Paul I had discovered that many of the top officials at the Vatican were high-level Masons. At least one Italian newspaper had revealed the power of P2 Masonry within the Vatican's walls. Pope John Paul I was making preparations to "clean house" at the Vatican. But he made a key mistake. He confided in his Vatican Secretary of State (Jean Villot – also a high-level Mason) that he was going to get rid of the Masonic control of the Vatican. Pope John Paul I showed Villot a list of the high-level Masons at the Vatican who were to be removed from key power positions. Unfortunately, John Paul I was poisoned on his 33rd day as pope, and all hopes of returning the Vatican to Catholicism died with him. (Note: No autopsy was allowed to be performed on the body of Pope John Paul I.) ((Ed. Note: My TTT #45, "Pope John Paul I – Why Was He Murdered?", dealt with the assassination of John Paul I in 1978.))

This all leads this editor to the following conclusions:

- (1) The "Black Pope" (the Jesuit Superior General) controls the Jesuit Order, the Order of the Knights of Malta (which is headquartered in Rome with the Jesuit Superior General), and the Vatican and its Roman Curia. In other words, the Black Pope controls the white pope and the hierarchy of the Roman Catholic Church.
- (2) The "Black Pope" also controls the upper levels of Freemasonry. (Note: If you doubt this, you need to read the excellent 412-page book *The Grand Design Exposed* by John Daniel. This book details the Jesuit takeover of Freemasonry. It is available for \$20 postpaid. To order, make check or money order payable to "American Sentry Books" and mail it to the following address: American Sentry Books // P.O. Box 14 // Crawley, WV 24931.) By controlling Freemasonry, the "Black Pope" also controls several of the largest Protestant denominations.
- (3) The "Black Pope", through his control of his Knights of Malta and the higher levels of Freemasonry, also controls the top intelligence agencies of the world (such as the CIA).

((Note: More on this later in the newsletter.))
- (4) The Jesuits have for centuries used "the Jews" as both scapegoats and as a cover and smokescreen for Jesuit activities. In other words, the Jesuits put out the propaganda that "the Jews" run the New World Order, invented Communism, and are responsible for all the evils in the world.

Here are several great quotations concerning the topics covered in this section on the Jesuit Order:

"...If you trace up Masonry, through all its Orders, till you come to the grand tip-top, head Mason of the World, you will discover that the dread individual and the Chief of the Society of Jesus [i.e., the Superior General of the Jesuit Order] are one and the same person."

James Parton (American historian)

"[Jesuit Illuminist Adam] Weishaupt and his fellow Jesuits cut off the income to the Vatican by launching and leading the French Revolution; by directing Napoleon's conquest of Catholic Europe; [and] ...by eventually having Napoleon throw Pope Pius VII in jail at Avignon until he agreed as the price for his release, to reestablish the Jesuit Order...

Emanuel M. Josephson (American physician and historian)

"Actually, nobody has a right to be more angry at the Rothschild clique than their fellow Jews. The Warburgs, part of the Rothschild empire, helped finance Adolph Hitler. There were few if any Rothschilds or Warburgs in Nazi prison camps! They sat out the war in luxurious hotels in [Nazi-occupied] Paris or emigrated to the United States or England. As a group, Jews have suffered most at the hands of these power seekers. A Rothschild has much more in common with a Rockefeller than he does with a [Jewish] tailor from Budapest or the Bronx."

Gary Allen (1971; page 40 of his book None Dare Call It Conspiracy)

((Ed. Note: One of the titles of the Rothschild family is "Guardians of the Vatican Treasures".))

IV. INFILTRATION OF U.S. INTELLIGENCE & LAW ENFORCEMENT

This topic was covered in my TTT #54 of December 6, 2004.

Please remember that the Jesuit Superior General controls his own Jesuit Order, the Order of the Knights of Malta, and the top levels of Freemasonry. Now, when one surveys the leadership of Federal intelligence and law enforcement agencies in the mid to late 1900s, what does one find? One finds a lot of top-level Masons and Knights of Malta as directors and deputy directors of such important federal agencies as the CIA and FBI. Here are just a few examples of past directors and other former key personnel

in the CIA and FBI who were either high-level Masons or Knights of Malta:

- (1) William ("Wild Bill") Donovan; Knight of Malta; founder of the Office of Strategic Services (OSS) – the predecessor to the CIA; co-founder of the CIA; a CIA Director;
- (2) William J. Casey; Knight of Malta; a CIA Director;
- (3) John McCone; Knight of Malta; a CIA Director;
- (4) James Jesus Angleton; Knight of Malta; CIA Chief of Counterintelligence; head of both the CIA's "Vatican Desk" and "Israel Desk";
- (5) Allen Dulles; high-level Freemason; a CIA Director;
- (6) J. Edgar Hoover; high-level Freemason; an FBI Director; and,
- (7) Cartha DeLoach; Knight of Malta; an FBI Assistant Director.

Now we can see why it is so easy for the rich and power elite to carry out whitewashes and cover-ups of their dirty deeds, such as the JFK assassination. Angleton, Dulles, Hoover, and DeLoach all played prominent roles in the JFK assassination cover-up. Angleton was the "CIA liaison" to the Warren Commission; Allen Dulles sat on the Warren Commission. Is it any wonder that the Warren Commission came up with the fantastic "lone-nut assassin" and "Magic Bullet" theories? Yes, one can easily see how the rich and power elite are able to block any true investigations into their crimes when their lackeys hold such critical positions in U.S. Intelligence and in Federal Law Enforcement.

((Ed. Comment: My TTTs #38 ("The JFK Assassination – 40 Years Later, the Cover-up Continues) and #55 ("America – The Land of Assassins") cover the JFK assassination and subsequent cover-up in much more detail. I would also like to note that the Knights of Malta are found not only in U.S. Intelligence and Law Enforcement, but also in other top foreign intelligence agencies. For example, Knight of Malta Reinhard Gehlen was Hitler's top intelligence officer against the Soviet Union. Knight of Malta Kim Philby was a top British intelligence agent. And Knight of Malta Anton Turkul was Jesuit-trained Joseph Stalin's top intelligence officer.))

((Another Ed. Comment: I strongly believe that one of the primary missions of organizations like the FBI, CIA, the Mossad, and the KGB (now the FSB) is to "ferret out" true patriots in their respective countries who would expose the globalist rich and power elite (and their lackeys), and when necessary, to "eliminate" those patriots. This is clearly what happened to John and Robert Kennedy – they were threatening the power structure of the rich and power elite who rule nations from "behind the scenes". And it seems quite a few of the elite's top lackeys come from secret societies! And my statements above are not meant to be an indictment of the many fine CIA and FBI

agents who work hard thinking that they are serving the best interests of this country. Unfortunately, the lower and mid-level personnel are extremely "compartmentalized", and generally speaking have NO idea of the evil that goes on "behind the scenes". Again, please remember that to carry out an assassination and then do a major cover-up only requires that the conspirators have a few men in key power positions to block a true investigation into the crime!))

V. INFILTRATION & TAKEOVER OF OUR CHURCHES

It seems that one of the hardest things for most folks to admit to themselves is that their church has been infiltrated and taken over by evil men!

As already briefly mentioned earlier in this newsletter, the Roman Catholic Church was taken over by the Jesuits centuries ago. After falling temporarily out of favor when Pope Clement XIV banned the Jesuit Order "forever" in 1773, the Jesuits stormed back to their former glory when Pope Pius VII "restored" the order in 1814. ((Note: I would imagine that most 'modern' Catholic historians leave out the fact that Pope Pius VII proclaimed this restoration of the Jesuit Order in exchange for his release from prison. During his five-year imprisonment, Pope Clement VII no doubt had a change of heart concerning the Jesuits after a little "friendly persuasion".))

The Roman Catholic Church is also controlled through P2 Masonry. Many top-level positions in the Roman Curia are held by high-level Masons (controlled, of course, by the "Black Pope" – the Jesuit Superior General).

Several of the largest Protestant denominations are also controlled through Masonry. The Southern Baptists come first to this editor's mind. "Undercover" Jesuits have also infiltrated the larger Protestant denominations. "Liberal theologians" have also been major players in the infiltration and takeover of our churches. While some of these "liberal theologians" fall into the category of "useful idiots", many have been, and are, members of secret societies assigned to infiltrate and takeover various religious denominations.

By the way, here's an interesting item: Three Knights of Malta (William Randolph Hearst, Henry R. Luce, and J. Peter Grace) sponsored and supported two "Protestant" televangelists (who just happened to be high-level Masons: Pat Robertson and Billy Graham)!

(Grace sponsored Pat Robertson; Hearst and Luce sponsored Billy Graham.)

((NOTE: To find out more about American televangelists (and their connections to the Knights of Malta and Freemasonry), I most highly recommend that you get the outstanding 84-minute video (available in VHS or DVD format) "Tower of Infamy" by

Texe Marrs. It is \$28 postpaid. To order, call their toll-free order line at 800-234-9673. Or, you can make check or money order payable to "Power of Prophecy" and mail it to the following address: Power of Prophecy // 1708 Patterson Road // Austin, TX 78733-6507.)

Oh, you may be asking, how could this be so, and how could Masons, or any other relatively small group of men, take over an entire religious denomination? It is actually very easy. All you have to do, initially, is infiltrate several of your intelligent, well-educated men into an organization, church, or seminary. Then, as these men rise to powerful positions within that organization, they surround themselves with their "fraternal brothers" and with men from within the organization who can be bought with money, sex, or power – or a combination of those "perks". They can also get cooperation from men in key positions (not held by their "fraternal brothers") by digging up dirt on those individuals, and then threatening to expose the "dirt" unless those individuals "go along with the program". Then, once "your men" hold the key power positions, no real Christian or American patriot is ever permitted to rise to a prominent position within the church or organization. If one such Christian or American patriot somehow manages to rise to an important enough position to challenge the system (such as President John Kennedy and Pope John Paul I), then that person is immediately "terminated". ((Note: The same methods have been used in infiltrating our intelligence and federal law enforcement agencies – and the mainstream media. Of course, sometimes infiltration isn't necessary. For example, in the case of a large publishing company or major newspaper, all the globalist rich and power elite have to do is buy it up, and then place their people in the key power positions, e.g., senior editor.))

VI. INFILTRATION AND TAKEOVER OF AMERICA'S MAINSTREAM MEDIA

Editor of TTT has done two entire issues on the subject of America's establishment-controlled mainstream media (TTTs #20 and #26). I have also mentioned this topic in numerous other issues of the TTT newsletter.

In a nutshell: several large newspapers wrote editorials criticizing John D. Rockefeller back in the early 1900s. Mr. Rockefeller decided that such would not happen again, and he sent his lackey J.P. Morgan out to buy up the most important major newspapers in the United States. Once these major newspapers were purchased, the Rockefeller interests made sure that their men always held the senior editor positions.

Basically, America's mainstream media is owned by five super media conglomerates. Quite a few of the top media personnel have in the past come from the elite Council on Foreign Relations – a globalist organization that does not have America's best interests at heart!

And because the globalist rich and power elite own and control the mainstream media in America, it is very easy for them to control what stories do and do not reach the American public. Likewise, it is also very easy for them to have the mainstream media collaborate with certain key elements in the federal government in whitewashes and cover-ups, such as the JFK assassination, the POW/MIA issue, Gulf War Illness, etc.

If you doubt that America's media is controlled, I most highly recommend that you purchase a copy of the 381-page hardback book *Into the Buzzsaw*. ((This book contains the accounts of over a dozen journalists who had their "stories" spiked (suppressed) by senior editors. (For example, one of the stories that got spiked was a story about the POW/MIA issue that revealed the truth that many of our men were still alive and had been "left behind".) The price of this great book is \$29.45 postpaid. To order it by credit card, please call the "Radio Liberty" toll-free order line at 800-544-8927. Or, you can make check or money order payable to "Radio Liberty" and mail it to the following address: Radio Liberty // P.O. Box 969 // Soquel, CA 95073.))

Additionally, some very important Knights of Malta have been big-time players in the publishing field. Here are two prominent examples:

- (1) William Randolph Hearst (1861-1951) – American publisher of newspapers and magazines; by 1937 he owned 25 large newspapers.
- (2) Henry Robinson Luce (1898-1967) – American publisher and editor; some of his magazines were *Time*, *Life*, *Fortune*, and *Sports Illustrated*.

VII. THE INFILTRATION & TAKEOVER OF MOST OF AMERICA'S PUBLIC EDUCATION SYSTEM

Since this newsletter is already getting pretty long, I will not cover this topic in any amount of depth. I covered this topic in depth in my October 23, 2003 TTT #34, "Stealing from America's Youth". Suffice it to say that the globalist rich and power elite did a fantastic job of taking over America's public education system by infiltrating many of their "liberal" lackeys into key positions in our education system (to include the large education unions). Thus, they have been able to control what portions of American history do and do not reach the American people through our history textbooks.

Yes, dear reader, through their control of the mainstream media and America's public education system (to include many of our top universities), the globalist rich and power elite are able to dictate what does and does not reach the American people via TV, Hollywood, and public education!

((NOTE: If you would like to learn more about this globalist takeover of our public

education system, I most highly recommend that you get and read the following two books:

- (1) None Dare Call It Education by John A. Stormer; 266 pages; \$11.45 postpaid; and,
- (2) The Deliberate Dumbing Down of America by Charlotte Thomson Iserbyt; 770 pages; \$43.95 postpaid.

To order with credit card, call "Radio Liberty" on their toll-free order number, 800-544-8927. Or, you can make out check or money order payable to "Radio Liberty" and mail it to the following address: Radio Liberty // P.O. Box 969 // Soquel, CA 95073.))

VIII. SUMMARY

Our Republic is in grave danger! We all must get out of whatever degrees of "denial" that we may be in, and we must all admit to ourselves that evil men have infiltrated all the important institutions in America. Yes, the globalist rich and power elite, using their lackeys in secret societies (Jesuits, Knights of Malta, and high-level Freemasons) have infiltrated and taken over our government, our two major political parties, our banking system, our education system, our intelligence & federal law enforcement agencies, the mainstream media, and the mainline Christian denominations in America. Secret societies should not be allowed in our Republic!

We must all get informed on these issues, and then become teachers of others. And that brings us to:

IX. WHAT CAN WE DO?

1. If you think that this newsletter contains important information, then please make many copies of it and give them away "free of charge" to your friends, neighbors, and relatives!
2. Please review the books and videos mentioned throughout this newsletter. Then please purchase as many of them as you can possibly afford, and then share them with others!

VATICAN: POPE MEETS ISRAEL'S PRESIDENT

http://www.adnki.com/index_2Level.php?cat=...229988034&par=0

Vatican City, 17 Nov. (AKI) - Israel's President, Moshe Katsav, became the first Israeli head of state to pay an official visit to the Vatican when he met Pope Benedict XVI here on Thursday. At the end of their 25-minute private meeting in the Pope's library, Katsav presented Benedict with framed photos of recently discovered mosaics that are believed to be from the Holy Land's oldest church. Benedict, for his part, gave the president a framed and signed copy of the Vatican's landmark 1965 document "Nostra Aetate," which revolutionised the Catholic Church's relations with Jews. "It is a real pleasure to meet you," Katsav told the Pope as he arrived for the meeting, shaking both of Benedict's hands.

Police removed parked cars along Via della Conciliazione, the main boulevard leading to St. Peter's Square ahead of Katsav's arrival, which caps a visit to Italy that also included talks with top Italian officials.

Katsav said Wednesday that during the meeting he would invite the Pope to visit Israel - an invitation first extended by Israeli premier Ariel Sharon in a letter to the Pope in July.

The Vatican which first established diplomatic ties with Israel in 1993 has several unresolved issues with the Jewish state including the status of Church assets in the Holy Land. Tel Aviv demands tax payments for Church owned properties in Israel, and opposes Vatican attempts to have "ex-territorial" status granted to the properties that would exempt them from the levies.

According to Israeli newspaper Haaretz, in his meeting with the Pope, Katsav was to explain that Israel has already made many concessions, and ask that the Vatican demonstrate some flexibility as well.

After the establishment of diplomatic relations in 1993, the late Pope John Paul II hosted Israeli prime ministers and other officials as part of his effort to build ties with the state. John Paul visited Israel in 2000.

Another Pogrom?

Interview with Eric Jon Phelps, author of Vatican Assassins. Discussion of rising furor toward all Jewry and the connections between some factions of Jewry and Freemasonry, Communism, the Vatican and Jesuit Order.

Dizzy: Our guest today is "Vatican Assassins" author Eric Jon Phelps. We usually have Eric on to speak about the Vatican and the Jesuit order and we'll do that today, but I've asked him to speak about a situation that's troubling today, and that's the whole question of Jewry.

Eric, I want to thank you for joining us today.

Now, let me set this up, a lot of email groups I'm in -- and you can read it in magazines and elsewhere -- but it seems that we are really in the spirit of anti-Semitism as it regards Jewry.

Are you finding this palpable as well?

Phelps: Oh yes, I see it as well, spreading faster than it ever has in this country, due to what I believe is the Supreme Courts decision to kick the Bible out of the public schools in 1963;

Dizzy: Thanks to those high level freemasons who did that.

Phelps: That's exactly what they want...they want to create an atmosphere of anti-Jewish fury, which is what I call it. I believe the term is more correct than anti-Semitism, in that Arabs are also Semites; and so once that would be happening then the devil knows that when a nation begins to persecute the Jews, then Genesis:12 and 15 and 17 and all the promises with regard to that race kick in, and that nation has to be cursed; exactly what happened in Egypt is exactly what happened in Germany.

Dizzy: You can point the finger at that Supreme Court decision as being the beginning of the downhill slope for a number of sectors in the United States. I don't perceive the probable venom that's out there towards the Jewish people there's always been the standard streak of making fun of [them] but it seems it's taking a turn here.

Phelps: In the FBI they will not hire any Jews to do any Arab translation work,

they have a reason I forget what it was but that's their policy.

Dizzy: Would you hazard a guess as to why if you were trying to rationalize it for yourself what would you come up with?

Phelps: I think that because the FBI's controlled by Jesuits through the Dept of Justice and they don't want any loyal Jews there that would do any Arab translating work because they would immediately forward it to their own loyal Jews and other people that would bring to naught any conspiracy against them.

It's the same reason they have what's called a 'Jew' room in the National Security Agency where no Jew is allowed to step foot in the Jew room.

Dizzy: It's interesting aren't we seeing a number of supposed Jews that are making that's the most dangerous and critical policy for this country and I'm referring to the cabal in the neo-con plank of the Republican Party?

Phelps: Those Jews are what I call the Pope's Court Jews or the Masonic anti-Torah Jewish Zionists and those are the enemies of the Lord's beloved Hebrew Jewish Israelites people in that they are working completely for the papacy and many of them are Jesuit temple: co-adjustors, one of them being Simone Perez.

Dizzy: Let's turn our sights towards the nation of Israel. As you know there is a right wing Christian radical Evangelical group that is telling most Christians Evangelicals especially that they should be behind supporting and behind the State of Israel. Now that can be a tricky question. How would you address that?

Phelps: First I would go back to Genesis 12 with the blessing upon the physical descendents of Abraham, through Isaac and Jacob that whoever blesses His physical descendents that the Lord will bless an whoever curses them He will curse. Now that is a law of physics that will never change. Any true bible believer will always bless the race of the Jews who are the physical descendents of Abraham, Isaac and Jacob.

Second of all go to the land promise of Genesis 15 and Genesis 17 where the land of Cannan is promised to them to be an everlasting possession. Therefore any true Bible believer will always defend the Jewish people's right to their land that was given to them. It is never been taken away form them. That promise has never been taken away. They've been taken off the land during their Daispora pursuant to Deut: 28,, but the land has never ceased to be their s because God gave it to them.

Furthermore it was given to them by British mandate after WWI so they have a God given and human right to the land. So those are the first of all the two

aspects any true Bible believer would defend.

But the problem with the state of Israel today is that it is completely controlled d by the Popes Masonic Jewish Zionists who contributed to the Holocaust during WWII evidenced by great works like Edward Blacks ‘The transfer Agreement’’, ‘The Scare and the Dun’ by Aniita Meyer and that wonderful book ‘Perfidy’, by Ben Heckt.

So we have to distinguish between the evil men who are in control of the government but who are completely in the hands of the papacy versus the people who live in the land who have a right to it.

Dizzy: How do you support one and not the other?

Phelps: Simple, I support their right to the land, their right to dwell there but that they have a right to be sovereign and their government should be done away with and the people there should be able to govern themselves without be governed by traitors exactly as it is today in America.

Dizzy: So even though they have returned to their land through as a result of machinations by the European Zionists and Britain in particular Is this one of those cases we see in scripture where we shouldn't be so concerned about how it happened but that it did happen? For example there has always been pharaohs and the likes of Nebuchadnezzar that were raised up get Yahweh's people to do certain things?

Phelps: Well, I think it's important to know the modus operandi because that's how we trace it through the centuries. We have to know how it happened. For example, we had the Jews in Europe, prior to WWI we had the Zionists movement that is completely in the hands of the papacy, Theodore Hertzl had an audience with the pope in 1904.

We have the Zionists in Britain working for the establishment of the state of Israel even prior to the end of WWI. We had Peter Van Passen spelling there after WWI, the great war hero, in “Days of our Years”, where he spoke with the Arab leaders and said: ‘these Jews here want to tear down the mosque and put up a temple.’” And he quotes Einstein and Lord Melshed of Britain who was a Jewish statesman there. So it's very important to see that the Jesuits ran Britain at the turn of the century and prior to that and Britain was used by the papacy to set up the Zionist movement which is what I call the anti-Torah Masonic Jewish Zionist movement and we see certain Zionist Jews like Herbert Samuel who was the first Lord high commissioner of Israel who was a high level Jewish freemason who appointed that wicked grand mufti of Jerusalem, I mean Muscini, to be the mufti who was also a brother freemason and who was involved in the killing of many Jews.

So that it continued to have this agitation brought forth by the foreign elite controlled by the papacy through their Arab and Jewish agents in the land and it will never cease they don't want it to cease because the leaders of both groups are traitors to both groups and that includes the former Arafat and Ariel Sharon.

Dizzy: Now I mentioned two groups: the European Zionists and also what seemed to be to be the British Government. Would you say that was advanced by the Jewry of Europe or Vatican?

Phelps: No, that was advanced by the high level Jews in Europe to the utter chagrin of the average Jewish people in Europe. Because the Jewish people knew they had been betrayed for example, by the American Jewish Congress. They knew they had been set up to go the camps. They knew they could have been delivered out of Europe but the American Jewish Congress with people like Rabbi Stephen Wise refused to help them. He was working in conjunction with the Archbishop of New York who at the time was I believe was Cardinal Hayes. So they knew they were being set up and sent off to the camps. And the great perfidy shows how the SS Colonel Kurt Becker, was working in conjunction with that particular Jew who was accused by Michael Greenwald,, Ruudalph Kassner. Kassner and Kurt Becker were working together to ship off 400,000 Jews off to Auschwitz out of Hungary.

So we have these high level Masonic Jews signs? and together in conjunction and together with Adolf Eichmann and Kurt Becker and other top SS officers. They were working to create a pagan state of Israel they didn't want any religious Jews there. All they wanted was Polish communists and other atheistic Jews they persecuted their own Sephardic religious Jews and the murder of many Sephardic children.

Dizzy: What time frame was that 1930's? Would you go back to the time of some very strange related or at least dictated arrangements between Great Britain to what is now Israel /Palestine. We had the Balfour Declaration, The Mc Mann agreement, Sites-Peko. What was going on in the beginning of the 20th century? Around the time of WWI? Didn't they invite the Jews to go down and inhabit the land we know as Palestine?

Phelps; Yes, they did. That was a movement that was borne, an early Zionist movement, out to the Dreyfus Affair. Actually there was a Zionist movement before the Dreyfus Affair. Napoleon Bonaparte was a Zionist. He wanted Jerusalem for the Jews. However you must remember he hated the Jews. The Jesuits were using Napoleon way back in the early 1800's to start the Zionists movement and that's why they sought to use him to take Jerusalem from the Turks, but he failed he got as far as Go? None the less, the Zionist really formally began with Dreyfus Affair and if you study that you'll see that the Jesuits were

involved in the accusation that Alfred Dreyfus, a French captain in the French army, was accused of giving secrets to the Germans which he never did. He was confined to Devil's Island for a series of years and was acquitted and he was not guilty but that gave Theodore Hertzl, who was an Austrian reporter in the courtroom, the supposed impetuous to get going with the Zionist movement. He worked with the Rothschild's in England and the Rothschild's began donating land and money for the resettlement of Palestine in 1894.

Dizzy: Turning back to what we've been talking about the Jewish question you mentioned the talmudic and Torah Jews, what's the difference?

Phelps: The Sephardic Jews for example, accept only the Torah as their final authority. The Reformed Jews, and many Jews don't consider them Jews, only accept the Torah even though it was a liberal movement according to Barry Chambers for the purpose of destroying orthodoxy. Nonetheless the Reformed Jews do not attribute the Talmud.

The talmud is a series of writings over many, many centuries. In the days of Our Lord Jesus Christ, he condemned the traditions of the fathers and those traditions were later codified and written into what is now called the talmud. There's the Babylonian talmud is the most popular and the Jerusalem talmud. The Babylonian talmud has things in it like Jesus Christ was a bastard and Mary was a whore, and that Jesus Christ is boiling in fetal material today in hell. It has all these terrible things in it which were written in it that were very hostile to people who believe the New Testament are truly born again and want to bless them.

I would have to dismiss the talmud as a book that has writings in it influenced by Rome for the specific purpose of inciting anti -Jewish fury towards the Jews while they are in the nations. It's the calculated design of certain high Rabbi's, I believe, working in conjunction with the papacy even as the chief Rabbi of Jerusalem today works with the John Paul II. So I have to dismiss the talmud as I would dismiss the Koran as I would dismiss the Council of Trent as an evil document. However, most Jews have no knowledge of the talmud , they don't know what it says and are being blamed for it's contents. So I would also bring that up to.

Dizzy: Now the Torah is an appenditude?

Phelps: The torah is an appenditude. And of course there's the law of promises and the book of Psalms. the thirty nine books of the Old Testament. That's the basis, the foundation for the New Testament. The New Testament is the Old Testament revealed. The Old Testament is the New Testament concealed. So without the foundation of the Torah there is no Messiah and there is no New

Testament.

Any true Bible believer regards the Torah on an equal level as he does the New Testament.

Dizzy: What is the beginning of the talmud Is that in turn based on something else?

Phelps: The Talmud is really commentaries on a host of Rabbi's. I believe it's 63 volume set, it's massive, its huge. All it is really is like a commentary, we would look at it as maybe a systematic theology, something we would not regard as inspired. Now I have some orthodox Jewish friends who believe the oral traditions are as much the word of God as the written Torah. Where there's no passage in the Torah or the Old testament to prove that. The oral traditions are not on an equal par and of course that's the same heresy of Romanism. They're putting the traditions of the church fathers on a equal status with the scriptures which is typical of any cult. Any cult puts their writings on the same level with the word of God.

Dizzy: I don't want ot get too convoluted but regarding the Talmud, does that have a relationship/op with the Kaballa and the Zohar?

Phelps: Yes, it includes that and now you have the occult involved.

Dizzy: so the Talmud gives rise to the cabbalism.

Phelps: It's inclusive of it. Yes it is.

Dizzy: And do you believe that the talmud might have it's origins in Egyptian sun god worship?

Phelps: If it goes back to the Cabbala, Absolutely.

Dizzy: Now when we take a look at the Israeli flag is there something wrong with the star of David?

Phelps: Absolutely, the star of David had nothing to do with the Lord's beloved Hebrew Jewish Israelis people until about the 12th or 13th century according to my friends Joel Batterman who authored, "Crimes of the President" and Barry Chamish. The star of Daivd has nothing to do with them and it is completely and totally an occult symbol and it is referred to in the Book of Amos and in Acts Chapter 7 as the star of your god rettin). It has nothing to do with Moses, David or the Torah.

Well it is interesting that I saw that symbolism that exact star of David, the Masonic star depicted in Albert Pike's Morals and Dogma. So going back to the 1870's Pike was almost laughing at how much occult symbolism the church

implicated.

Phelps: Well this is another important fact we want to remember also, is that the Vatican with its open policy of being anti Masonic when its real policy is that the Jesuits ruled ? all the high rights according to a Jesuit Masonic primer and according to a man named Charles Southerland, who was a high freemason in the late 1800's. They have blamed the rights of masonry on the Jews. When you see the six pointed star, the hexagram, you think this is the Mogan David, the star of Israel and they immediately concede this is one of the key Key figures in freemasonry.

Therefore, the Jesuits being in control of Adolf Hitler, had him and the whole nazi party put forth the propaganda that masonry was Jewish. That's why Hitler shut down all the lodges in Germany. He put tens of thousands of freemasons in the concentration camps.

Franco killed thousands of masons in Spain. Mussolini did the same.

Therefore, the Jesuits being in control of Adolf Hitler, had him and the whole nazi party put forth the propaganda that masonry was Jewish. That's why Hitler shut down all the lodges in Germany. He put tens of thousands of freemasons in the concentration camps.

Franco killed thousands of masons in Spain. Mussolini did the same. But what we're not told is that Benito Mussolini was a mason himself, That Franco was a mason himself and that Hy Marchant who was the head of the Reichsbank; he rebuilt the German army, he financed it, and he was a high level 33rd degree freemason and who was acquitted at Nurenburg. So we have this open policy of being anti Masonic and blaming freemasonry on the Jews when the secret policy is the high level freemasons work in conjunction with the Vatican.

Another one for example is Thomas J Watson, Thomas J. Watson was a high level 32/33 rd degree Scottish rite freemason who ran IBM. And it was IBM that provided the punch card system which enabled the Nazis to census all the Jews all throughout Europe so they could have the roundups. Without Thomas J. Watson who was a personal friend of Adolf Hitler there would be no holocaust.

And yet he was a high level freemason and yet freemasonry is renounced in Germany. In fact, in Berlin they had a anti-Masonic museum which Hitler used to take his SS officers through showing how wicked freemasonry was, which it is, and never telling them that there were certain high freemasons running the Reich.

Dizzy: Now that you mentioned the Jewish infiltration of freemasonry did freemasonry not make it's way back to Europe with the knights templar?

Phelps: Yes, the Knights Templar are really the foundation for the revival of freemasonry because they were suppressed in the 1312 by Pope Clement the fifth, abolished them forever,. All their treasures were given to the Knights of Malta or the Knights of Hospitalers.

They went up to Scotland and then became ultimately the Scottish Rite and then it's revived in 1717 in London in the Grand Lodge which today holds today that the high level freemasonry is nothing more than the crusading Knights Temblor's wanting to rebuild Solomon's Temple in Jerusalem.

Dizzy: For what purpose?

Phelps: So that the Pope can rule there with his world government. The purpose of the papacy has always been to control Jerusalem and that the world government would be established there.

Dizzy: Is there a point at which you can identify a heavy infiltration by Jews into Freemasonry?

Phelps: I don't identify it as an infiltration I regard it as an admission because freemasonry was there in Egypt when the children of Israel came out of Egypt. It was there when they were in the land, the religion that was condemned, the Baal worship condemned the Old Testament is essentially freemasonry. It's the worship of the sun and the worship of the male organ. The obelisks, the groves, Lord forbid that the Jewish people worship in the groves because the trees were symbolic of the obelisks. So it's the same essential Babylonian religion of freemasonry that existed then and exists today. It's just the children of Israel adopted it for which reason they were removed off the land for 70 years and ultimately into their international dispora.

So that satanic Luciferian cultic religion of freemasonry has attempted to be inclusive of all religions: Judaism, Islam, Protestantism, ultimately Catholicism so that they would have a one world religion under a one world leader which I believe to be the seventh Roman Caesar of Rev 17:10 who receives his mortal wound and comes back to life and that is the antichrist or the beast.

Dizzy: Looking back at the Jewish freemason connection, did Adam Weishaupt have anything to advance or accelerate that?

Phelps: Yes, Adam Weishaupt was not a Jew, he was a gentile. He was in the Jesuit order and from 1593 to 1946 it was against the statues of the Jesuits and their constitutions to have a Jew in the order. Getle Lanez was the third Jesuit general, that created a huge Jesuit for the order scandal in Spain and as a result even though Lanez was very important in putting together key documents for the Jesuits in their quest for world government the decision was that no Jew could ever be openly in the Jesuit order. This is exactly what E. Boyd Barrett wrote. He was an ex-Jesuit, he left the Jesuit order. He wrote a book called "the Jesuit Enigina" in 1927 and he said there could be blacks and whites French, German and whatever, but never a Jew...so the Jews have merely been polecated into freemasonry and the high Jews of today practice it.

Dizzy: Did Jewish Freemasons have a critical role in the French Revolution?

Phelps: Yes, there was Calestro who was a Jewish freemason, Rothschild financed Napoleon. So we have many freemasons who played a role in the revolution but they are always playing a subordinate role. Because Napoleon was a Roman Catholic freemason, Robspierre was a roman catholic freemason. Robspierre was trained by the Jesuits in the college of Louisiana Grand. The Jesuits fomented and ignited and caused the French revolution and Napoleonic wars and then made it look Jewish because the Jews were then given citizenship and the Jews were then blamed for the French revolution. Which is key in understanding the Jesuit hand and that's what they always do they blame the Jews for what they do but they always have key Jews that are visible doing their dirty work for them exactly like what they did in the Bolshevik revolution.

Dizzy: There seems to be a parallel situation that takes place in the early 20th century. Do we have the same scenario in Russia directed towards the Czars?

Phelps: Same exact scenario, Remember the Jesuits hated the Romanoff's. Czar Alexander the first expelled the Jesuits in 1820. Czar Alexander the first expelled all freemasonry from all the Russia's in 1822. He was poisoned in 1825. His son Nicholas the first entered into a concordat with the pope. Czar Alexander the second came along and did away with the concordat because of the popes meddling in his temporal affairs, his sovereignty. So the Jesuits use their anarchists, their huge anarchists movement they established before the communist movement, to kill the Czar, they blew off his leg in a coach.

After that Czar we have Alexander the Third that's completely in the hands of the Jesuits even thought they're formerly banned. He causes the pogroms in Russia

to unite the Jews of Russia against the Czar. So that when the Jesuits use the Japanese to further attempt to destroy Russia there was a sneak attack on the Russian Navy, the Japanese destroyed it. In 1917 the Bolshevik revolution is ignited and the key people that are front and open are the Jews, the Masonic Jewish Zionists, many of them came over from New York City financed by Jacob Schiff and others. So it looked very Jewish, very Yiddish, their holy sides in Yiddish. So it's made to the world to look like its Jews overthrowing the Czar when in fact the Jesuits were using their pope court Jewish leaders to accomplish this. One of the key Jesuits behind the Bolshevik revolution being Bishop Ropp.

Dizzy: Before we go any farther can you capsulate about the Council of Trent was about?

Phelps: Yes, the Council of Trent was the utter condemnation of all the doctors of the reformers. It's the foundation for the counter-Reformation, destroying the reformation, destroying the doctors of the reformation, destroying the Bible of the reformation and bringing All of Europe back under the temporal power of the pope by any means necessary 'de gloriam' for the greater glory of God. The time frame is for the council of Trent 1545 to 1563.

Dizzy: Moving ahead almost 300 years later, did the Vatican and Jesuits have a love/hate relationship with Russia? Two, the reasons I as is it seems because of the treaty of Verona what do we see there between the Vatican and Russia was signing on as part of the holy alliance between those years.

Phelps: That was Russia involved in the Holy Alliance which was 1815 was the result of the Napoleonic wars because Napoleon was indeed the enemy of the Romanoff's. So the Holy Alliance, Alexander enters into this, remember Alexander was there in person, in Vienna. He had no representative. He was thinking he was going to stop any other Napoleonic wars and attack on his country by coming on with the alliance. But much to his chagrin he finds that five years he has to expel these very Jesuits that were the heart and soul of the holy alliance. Remember the holy alliance Cardinal Consalvie gives back all the papal states to the pope, Pious VII. It was a very pro-Vatican thing.

It made Bavaria a kingdom in and of its own separate from Germany. It was very pro-papish and set out to stop any liberal free government that would exist in North America. North America was the nursery of an example for the peoples in Europe because they saw our prosperity and our blessing of free government and essentially being bible believing protestant's. They wanted the free government, you have Spain kicking out the Jesuits 1820, France kicking them out in 1830, you have Britain kicking them out in 1829. You have a host of European Nations expelling the Jesuits bringing forth the revolution of 1848. But

the Romanoff's shortly after the congress of Vienna began to be against the Jesuits and masons that brought this about which brought about the death of Alexander the First.

Dizzy: I'm thinking about Napoleon being thwarted on Russia's doorstep and why?

Phelps: He wasn't thwarted; it was planned because Napoleon had punished all the monarchs of Europe that had to be punished. He drove the Portuguese bourgeoisies into exile into South America because the Portuguese had expelled the Jesuits in 1759 not only from Portugal but from their South American holdings. Napoleon overthrew the King of Spain and drove the Bourbon into South America because he had expelled all the Jesuits from his South American holdings, and his Mexican holdings and his Central American holdings. They were formally shipped back to Sevita Beach by the thousands and so they punished the Bourbon King of Spain. They punished the Bourbon King of France. They beheaded Louie the XVI because his grandfather Louie XV expelled the Jesuits from France and it was the Bourbon dynasty who demanded a pope that would be against the Jesuits. That's why there was an election of Ganglanelly, who was a Franciscan, he became the pope and he suppressed the Jesuits after a four year investigation.

That would not have happened had not the monarchs of Europe demanded it. So Napoleon punished the pope, he poisoned Pope Pious VI. The Jesuits killed pope's of the Clement? the 14th ? with poison after he put forth his bull, "Dominic nos don nostra" suppressing the Jesuits forever, it was not a brief it was a bull, Napoleon punished the Knights of Malta on Malta in 1798 , drove them from the Island, took all their treasures, used their weapons to attack Palestine.

So after the Jesuits had been busy using Napoleon to again decimate Germany, do all that the punishment that the order wanted to punish in Europe they then brought Napoleon into Russia for the purpose of sacrificing his 250,000 man army which included all the freeman of Europe who wanted to be free, all the Frenchmen who wanted a free government, they were sacrificed, all the Bavarians who wanted a free government, they were sacrificed. So he deliberately sacrificed his army and you can read this in Leo Tolstoy's "War and Peace' where he deliberately took the road of retreat which was the worst or his army did, because he abandoned his army in the snows to the Cossacks.

So Napoleon deliberately betrayed his army into Russia to sacrifice them because those men could not be allowed to come back to Europe because the Holy Alliance and the Jesuits would have a problem again with these men who wanted to be free. This is the exactly the same thing Hitler did with his army's east, he sacrificed his army's east as Napoleon had done a century and a half ago.

Dizzy: So another words he used these people for his ends and when that's accomplished he turned and killed them?

Phelps: Yes, that's exactly right.

Dizzy: Alright now it's happened twice at the doorstep of Russia with Napoleon and Hitler. Now I think of Patten wanting to go in Against Russia and you know what happened to him! Is there something about Russia that's being kept for another day?

Phelps: The Jesuits have been building a huge industrial military complex in Russia. That was the purpose for the Bolshevik revolution overthrowing the Czar, beheading the Orthodox Church, putting it under Jesuit trained Joseph Stalin because Stalin was trained by Jesuits in an orthodox in Georgia named Templars seminary. They chose him to be the head of Russia even as they chose Hitler to be the head of the Reich as he was in his apprenticeship, which is what he calls it in Mein Kampf. So that after the Bolshevik revolution the five year civil war ends in 1922 the whites are betrayed. Herbert Hoover sends over 60 million dollars of food in 1922 to save the Bolshevik revolution so that in 1933 FDR can formally recognize the bloody Soviet Union and all the American business and corporations run by the Vatican like Ford and others can go start building factories and trade with Russia.

So the purpose for Russia is to build this huge military industrial complex have this cold war that would further weaken the United States, and after the cold war still remain the same evil, awful Jesuit controlled empire, just been given good press that there is no more communism there. So it can be used against us as an invader at the United States at a future date, and also ultimately as an invader, in an attempt to destroy the Lord's beloved Hebrew Jewish people in Israel as we read in Ezekiel 38 and 39.

Dizzy: Much about what VA author Eric speaks goes outside the bounds of that book. I have to tell you when I first heard you on rensen.com I I hadn't thought much about the Jesuits, I thought you were either crazy or had your ducks in a row. I started recalling how the Jesuits had come up in other books as a spiritual order which I know now they are not.

Phelps: It's essentially the same thing but I added more pictures and quotes and some older works that further solidifies the conclusions. I Included some photo's and older works that were providential. I found an ex-Jesuit who took time out of his busy life for the last two and a half years to edit it for me.

Phelps: There's no greater writer on that subject than Anthony Sutton. He was a Harvard professor. He wrote several excellent works. Brilliant, brilliant man. He

wrote several wonderful works, 'Wall Street and the Bolshevik Revolution', 'Wall street and the rise of Hitler' and 'National Suicide', 'Military aid to the Soviet Union'. A series of wonderful works that absolutely prove that high level western finance out of New York City and London financed the whole Bolshevik Revolution and built the whole soviet empire.

What I've done is shown that the whole financial industry is controlled by the Vatican through the Knights of Malta.

Dizzy: What exactly has the Vatican got on its mind through all the ages, what's their end game?

Phelps: The end game is the destruction of the reformation. The only thing the Vatican hates more than a Jew is a protestant. So we have to destroy the entire western civilization. Canada, at least western Canada, the United States, South Africa, Rhodesia, Australia, New Zealand, Britain, Holland, all the Scandinavian countries. Denmark, Scotland. They are all white protestant nations. They all have to be destroyed by any means necessary. Forced race mixing, forced machination, heavy high consistory taxation, the implementation of all the ten planks of the manifesto's in every country, high socialist communism,, no free enterprise, we have to destroy the middle class. Discredit the King James Bible, the reformation German Bible. We have to attack it on every plane. Abolition of gun ownership these people

Dizzy: What exactly has the Vatican got on its mind through all the ages, what's their end game?

Phelps: The end game is the destruction of the reformation. The only thing the Vatican hates more than a Jew is a protestant. So we have to destroy the entire western civilization. Canada, at least western Canada, the United States, South Africa, Rhodesia, Australia, New Zealand, Britain, Holland, all the Scandinavian countries. Denmark, Scotland. They are all white protestant nations. They all have

to be destroyed by any means necessary. Forced race mixing, forced machination, heavy high consistory taxation, the implementation of all the ten planks of the manifesto's in every country, high socialist communism,, no free enterprise, we have to destroy the middle class. Discredit the King James Bible, the reformation German Bible. We have to attack it on every plane. Abolition of gun ownership these people can't own guns anymore and protect themselves.

It's the destruction of the western civilization which we are going to see within the next thirty years with this crusade that George Bush has just ignited. The false, fake, ungodly center that he is, not a Christian, George Bush has ignited.

And what we're going to see is the alignment of China, which is controlled by the papacy, Russia, which is controlled by the papacy, and Islam controlled by the papacy against us. And ultimately when the smoke clears and the papacy has what it wants in the next seventy years or so, they're going to have a completed European Union with the Pope as king. He will be killed and come back to life and rule the world for forty two months in Jerusalem as the man of sin or the beast in Revelation 13. The papacy has always wanted Jerusalem, Ignatius Loyala has always wanted Jerusalem that's why he went there to begin with, and ultimately it took Jerusalem with its General Allenby, the British army and then committed it to the Pope's Masonic Jewish Zionists for his keeping.

Dizzy: It' appears there's going to be a feeding frenzy for Jerusalem for obvious reasons

Phelps: It appears to me after reading an email from a friend in Israel that this whole issue of withdrawing the settlements from Gaza, which is part of the ancient land of Judah, which is their land not the Arabs lands, I always say Palestine is Jordon. If you want to have peace there all the Arabs need to be removed. Just like the removed the Greeks out of Turkey and the Turks out of Greece in 1922 after WWI. They repatriated them all back to their own land. Same thing needs to be done there. The Arabs need to be repatriated back to Jordon. The Jews can have their own little sliver of land, leave them alone and let them have their own country and be self governed. But that will not be permitted. They need to keep the agitation going specifically with this roadmap so they can induce war and with the coming war their going to have there will be the destruction of the mosques at the temple mount.

Dizzy: Are the Jews headed for another and final pogrom?

Phelps: Yes, the Bible calls it in Jeremiah 30 the time of Jacob's Trouble. But he shall be saved out of it. We find in the book of Joel the very same thing,' Joel chapter two and three, where it says 'behold the day of the lord very great and very terrible,' and the Jews will be terribly persecuted and massacred, two thirds

of them shall be killed and a remainder shall be left and at the end of the great tribulation when they see all the gentile armies of the world are swarming in to kill the last one they can possibly can kill then they will turn to heaven, and the preaching of the 144,000 Jews or Israelites will have been done, and they will repent, turn to the Lord and have national salvation, as Isaiah said, "can a nation be born in a day," Isaiah 66 they will turn, believe on Yeshua, believe on the Lord Jesus, He will come with clouds in great glory just as he said HE would when he was before the high priest. His feet will land on the Mount of Olives and He will smash and destroy all the invading gentile armies, the blood will be as high as a horse's bridle for 185 miles covering the whole land and as he punishes the gentile nation He will save his people and after He judges them individually HE will implement his 1,000 year reign of His Davidic kingdom that He came to set up the first time but was rejected.

Dizzy: Our military presently in Iraq and Afghanistan probably a couple countries we are not aware of, what do you see as the purpose of this. There are those of the religious right saying we are defending Israel and we encourage Israel on a political level in that they wag us...what is the purpose of our military in the Middle East?

Phelps: To answer that we need to go back to what we know is true. We know that the Jesuits run the Federal Reserve Bank, that's their bank: it doesn't belong to Jews. William J. Mc Donough is a Irish Roman Catholic Jesuit trained economist, the head of the New York branch of the Federal Reserve Bank. Therefore, they're extending credit to the American Congress to finance this war. Therefore this war is being fought for the benefit of the papacy. It's the pope's crusade. What is the papacy seeking to accomplish by using this Anglo-American crusade. Without question, It's to protect their Masonic Jewish Zionist government of Israel, not the Jewish people. The papacy hates the Jews, they couldn't care less how many die. All the papacy wants is the protection of that government that's protecting the Temple Mount for them. Because remember in the dark ages, there was a Holy Roman Empire, there was what was called the Kingdom of Jerusalem and the head of Jerusalem was the Holy Roman Emperor, who was controlled by the Pope. And the Kingdom of Jerusalem, if you read Rit Patts, 'Universal History', is nearly the exact same borders as you will find in the nation of Israel today.

So they are protecting their Kingdom of Jerusalem without care of how many Jews get killed. They are going to kill millions of Muslims and then blame that on the American people to ignite massive anti-American fury against us to incite them to invade us. That's what I see happening. So millions will be killed there as were killed in Vietnam and they will be incited to invade us and use Cuba as a staging base for our future invasion.

Dizzy: We talked about the formula and the way Napoleon and Hitler was used by the

Vatican. Can it be the because there was instigation by the Vatican in the Civil War which was the beginning of the end for us, is it possible that the Vatican is going to use the middle eastern intrigues to finish off what they started in the 1860;s. I think this is going to spread. I think our military is being used to take care of 'the Arab problem' and they in turn will be turned on as was done with napoleon and Hitler.

Dizzy: When it comes down to the time of 'Jacob's Trouble' we're not really around the United States?

Phelps: We're not really around in prophecy; I don't see any mention of the United States in scripture, I only see the western nations, I see Gog and Magog in Russia, I see the kings of east in China, I see the king of the south, a united black Africa under a dictator which says to me all the whites are going to be killed and the Jews driven out in the next thirty years. I don't see any power in North America contributing unless it's subordinate to Europe somehow.

Dizzy: You look at the satanic reign as the last forty two months.

Phelps: That's correct, from the time that the sacrifice and obligation is taken away. When the pope is killed and comes back to life and destroys the Vatican and he goes down to the third Hebrew Temple that has already been rebuilt. From the abomination of desolation in Matthew 24:15 until the return of the messiah will be forty two months, thirty days per month, 1,260 days.

Dizzy: So are we looking at that same time period, forty two months as being half of the tribulation

Phelps: That's half the tribulation. The tribulation begins with the pope, the princidal com of Daniel 9;:26, making a firm covenant with many for one week. I believe that's a concordat, an international treaty with many nations for seven years. After three and a half years, he's killed and comes back to life as the eighth Roman Caesar yet he's one the seven who've already died, and I believe that will be the final pope.

Dizzy: But do you see the most horrific bloodshed taking place during that seven year period?

Phelps: The worst. It's the great tribulation. The first three and a half years according to Matthew are the beginning of sorrows. Nations rising against nations, wars and rumors of wars, that's all the beginning of sorrows, that we see in revelation, the first four or five sealed judgments in chapter six. The first forty two months Moses and Elijah, the two prophets have returned to earth and prophesize and commanding the nation of Israel to repent and are killed in the first three and a half years and brought back to life and caught up to heaven a

third of the city falls and the pope coming down and the beginning of the great tribulation.

All of the grass will be burned up, everything in the sea will die and the sea will turn to blood, we have the destruction of nature during this horrible time of the great tribulation. So when the Lord returns He will have to recreate the earth. In Matthew 18 or 19 it' talks about the regeneration. In the regeneration it talks to the disciples, 'you shall sit in twelve thrones', judging the twelve tribes of Israel going back to Ezekiel 40 tr 48.

Dizzy: So this is the worst time of the planet has ever known. It's going to be a long seven years.

Phelps: Seven years, the works It that period of time had not been cut short, according to the Messiah, no flesh would be saved, no human would be left living. But for the elect's sake, time is cut short.

The Jesuits - 1540 Their Purpose And Oath

The purpose of the Jesuit Order, formally established by the Pope in 1540, is to destroy the Protestant Reformation. They call it the Counter-Reformation. Nicolini of Rome wrote:

'The Jesuits, by their very calling, by the very essence of their institution, are bound to seek, by every means, right or wrong, the destruction of Protestantism. This is the condition of their existence, the duty they must fulfill, or cease to be Jesuits.' [Footprints of the Jesuits, R. W. Thompson, 1894]

Extract from Jesuit's Oath

To this end the professed Jesuits have obligated themselves with an oath, part of which was published in 1899, and reads:

'I do now renounce and disown my allegiance as due to any heretical King, Prince or State, named Protestant, or liberals, or obedience to any of their laws or magistrates or officers.

'I do further declare that the doctrine of the churches of England and Scotland, of the Calvinists, Huguenots, and other of the name Protestant or Liberals, to be damnable, and they themselves to be damned who will not forsake the same.

'I do further declare that I will help, assist and advise all or any of His Holiness' agents, in any place where I shall be, in Switzerland, Germany, Holland, Denmark, Sweden,

Norway, England, Ireland or America, or in any other kingdom or territory I shall come to, and do my utmost to extirpate the heretical Protestant or liberal doctrines, and to destroy all their pretended powers, legal or otherwise.' [Errors of the Roman Catholic Church, 15 Contributors, 1894]

* * *

In 1981, one of our heroes, Alberto Rivera, disclosed the oath he took as a professed Jesuit. We read:

Ceremony Of Induction And Extreme Oath Of The Jesuits

(Given to a Jesuit of minor rank when he is to be elevated to a position of command.)

Superior Speaks:

'My son, heretofore you have been taught to act the dissembler among the Roman Catholics to be a Roman Catholic, and to be a spy even among your own brethren: to believe no man, to trust no man. Among the reformers, to be a reformer; among the Huguenots (French Protestants) to be a Huguenot: among the Calvinists, to be a Calvinist: among the Protestants (those who protest and disagree with the Roman Catholic institution), generally to be a Protestant: and obtaining their confidence to seek even to preach from their pulpits, and to denounce with all the vehemence (violent emotion) in your nature our Holy Religion and the Pope; and even to descend so low as to become a Jew among the Jews, that you might be enabled to gather together all information for the benefit of your order as a faithful soldier of the Pope.

'You have been taught to insidiously plant the seeds of jealousy and hatred between states that were at peace, and incite them to deeds of blood, involving them in war with each other, and to create revolutions and civil wars in communities, provinces and countries that were independent and prosperous, cultivating the arts and the sciences and enjoying the blessings of peace;

'To take sides with the combatants and to act secretly in concert with your brother Jesuit who might be engaged on the other side, but openly opposed to that with which you might be connected;

'Only that the church might be the gainer in the end in the conditions fixed in the treaties for peace, and that the ends justify the means.

'You have been taught your duty as a spy, to gather all statistics, facts and information in your power from every source: to ingratiate yourself into the confidence of the family circle of Protestants and heretics of every class and character, as well as that of the merchant, the banker, the lawyer, among the schools and universities, in parliament and legislatures, and in the judiciaries and councils of State, and to 'be all things to all

men', for the Pope's sake, whose servants we are unto death.

'You have received all your instructions heretofore as a novice (one who has no training), a neophyte (a newly ordained priest), and have served as a coadjutor (worked as a helper), confessor and priest, but you have not yet been invested with all that is necessary to command in the army of Loyola and in the service of the Pope.

'You must serve the proper time as the instrument and executioner as directed by your superiors; for none can command here who has not consecrated (made secret or holy) his labors with the blood of the heretic; for 'without the shedding of blood no man can be saved.'

'I, _____, now, in the presence of Almighty God, the blessed Virgin Mary, the blessed Michael the Archangel, the blessed St. John the Baptist, the Holy Apostles, St. Peter and St. Paul and all the saints and sacred hosts of heaven....

'I, furthermore, promise and declare that I will, when opportunity presents, make and wage relentless war, secretly and openly, against all heretics, Protestants and Liberals, as I am directed to do.

'That when the same cannot be done openly, I will secretly use the poisoned cup, the strangulation cord, the steel of the poniard (a dagger) or the leaden bullet, regardless of the honor, rank, dignity, or authority of the person or persons, whatever may be their condition in life, either public or private, as I at any time may be directed so to do by any agent of the Pope or superior of the brotherhood of the holy faith, of the Society of Jesus.' [Double-Cross: Alberto, Part 2, 1981]

In addition to the Oath, the Jesuits have a guidebook entitled *Secreta Monita*. To the author's knowledge it has only been disclosed to the world twice: once in the 1600s and once in the 1800s. Because of the magnitude of its contents as it relates to our subject, *The Secret Instructions Of The Jesuits (1857)* is reprinted in its entirety [in *Vatican Assassins*].

[Due to the length of this material, we here at The SPECTRUM will only present a few excerpts and chapter headings, but this should be sufficient to give you a pretty good idea of what is contained within them. For the full presentation, refer to *Vatican Assassins*. The portions you are about to read have not, to our knowledge, been printed in any modern-day newspaper.

What you are about to read, *The Secret Instructions Of The Jesuits*, was first published in 1669 by the venerable and learned Dr. Compton, Bishop of London. In *Vatican Assassins* we read:]

His arguments on their authenticity, and his character as a scholar and divine, are a sufficient guarantee that he would never have given his name and influence to sustain a work of dubious authority, or calculated to mislead the public.

We have only to add that the last American edition, published at Princeton, and this one which we publish, are taken from the translation which was published in London in 1723, and dedicated to Sir Robert Walpole, who was afterwards Lord Orford, and who had the high honor of being prime minister of George I and George II.

THE SECRET INSTRUCTIONS OF THE JESUITS

Chapter 1: How the Society must behave themselves when they begin any new foundation.

V. At their first settlement, let our members be cautious of purchasing lands; but if they happen to buy such as are well situated, let this be done in the name of some faithful and trusty friend. And that our poverty may be the more colorable gloss of reality, let the purchases, adjacent to the places wherein our colleges are founded, be assigned by the provincial to colleges at a distance; by which means it will be impossible that princes and magistrates can ever attain to a certain knowledge what the revenues of the Society amount to.

VI. Let no places be pitched upon by any of our members for founding a college but opulent cities; the end of the Society being the imitation of our blessed Saviour, who made his principal residence in the metropolis of Judea, and only transiently visited the less remarkable places.

VII. Let the greatest sums be always extorted from widows, by frequent remonstrations of our extreme necessities.

VIII. In every province, let none but the principal be fully apprised of the real value of our revenues; and let what is contained in the treasury of Rome be always kept as an inviolable secret.

Chapter II: In what manner the Society must deport, that they may work themselves into, and after that preserve a familiarity with princes, noblemen, and persons of greatest distinction.

I. Princes, and persons of distinction every where, must by all means be so managed that we may have their ear, and that will easily secure their hearts; by which way of proceeding, all persons will become our creatures, and no one will dare to give the Society the least disquiet or opposition.

II. That ecclesiastical persons gain a great footing in the favor of princes and noblemen, by winking at their vices, and putting a favorable construction on whatever they do

amiss, experience convinces; and this we may observe in their contracting of marriages with their near relations and kindred, or the like. It must be our business to encourage such, whose inclination lies this way, by leading them up in hopes, that through our assistance they may easily obtain a dispensation from the Pope; and no doubt he will readily grant it, if proper reason be urged, paralleled cases produced, and opinions quoted which countenance such actions, when the common good of mankind, and the greater advancement of God's glory, which are the only end and design of the society, are pretended to be the sole motives to them.

V. Above all, due care must be taken to curry favor with the minions and domestics of princes and noblemen; whom by small presents, and many offices of piety, we may so far byass, (bias) as by means of them to get a faithful intelligence of the bent of their master's humors and inclinations; thus will the Society be better qualified to chime in with their tempers.

VII. Princesses and ladies of quality are easily to be gained by the influence of the woman of their bed-chamber; for which reason we must by all means pay particular address to these, for thereby there will be no secrets in the family but what we shall have fully disclosed to us.

XV. Finally,-Let all with such artfulness gain the ascendant over princes, noblemen, and magistrates of every place, that they may be ready at our beck, even to sacrifice their nearest relations and most intimate friends, when we say it is for our interest and advantage.

Chapter III: How the Society must behave themselves towards those who are at the helm of affairs, and others who, although they be not rich, are notwithstanding in a capacity of being otherwise serviceable.

I. All that has been before mentioned, may, in a great measure, be applied to these; and we must also be industrious to procure their favor against every one that oppose us.

II. Their authority and wisdom must be courted for obtaining several offices to be discharged by us; we must also make a handle of their advice with respect to the contempt of riches; though at the same time, if their secrecy and faith may be depended on, we may privately make use of their names in amassing temporal goods for the benefit of the Society.

Chapter IV: The chief things to be recommended to preachers and confessors of noblemen.

VI. Immediately upon the death of any person of post, let them take timely care to get some friend of our Society preferred in his room; but this must be cloaked with such cunning and management as to avoid giving the least suspicion of our intending to

usurp the prince's authority; for this reason (as has been already said) we ourselves must not appear in it, but make a handle of the artifice of some faithful friends for effecting our designs, whose power may screen them from the envy which might otherwise fall heavier upon the Society.

Chapter V:

What kind of conduct must be observed towards such religious persons as are employed in the same ecclesiastical functions with us.

Chapter VI: Of proper methods for inducing rich widows to be liberal to our Society.

I. For the managing of this affair, let such members only be chosen as are advanced in age, of a lively complexion and agreeable conversation; let these frequently visit such widows, and the minute they begin to show any affection towards our order, then is the time to lay before them the good works and merits of the society. If they seem kindly to give ear to this, and begin to visit our churches, we must by all means take care to provide them confessors by whom they may be well admonished, especially to a constant perseverance in their state of widowhood, and this, by enumerating and praising the advantages and felicity of a single life: and let them pawn their faiths, and themselves too, as a security that a firm continuance in such a pious resolution will infallibly purchase an eternal merit, and prove a most effectual means of escaping the otherwise certain pains of purgatory.

IV. Care must be taken to remove such servants particularly as do not keep a good understanding with the Society; but let this be done by little and little; and when we have managed to work them out, let such be recommended as already are, or willingly would become our creatures; thus shall we dive into every secret, and have a finger in every affair transacted in the family.

Chapter VII: How such widows are to be secured, and in what manner their effects are to be disposed of.

I. They are perpetually to be pressed to a perseverance in their devotion and good works, in such manner, that no week pass in which they do not, of their own accord, lay somewhat apart out of their abundance for the honor of Christ, the blessed Virgin, or their patron saint; and let them dispose of it in relief of the poor, or in beautifying of churches, till they are entirely stripped of their superfluous stores and unnecessary riches.

XIII. Let the confessors take diligent care to prevent such widows as are their penitents, from visiting ecclesiastics of other orders, or entering into familiarity with them, under any pretence whatsoever; for which end, let them, at proper opportunities, cry up the

Society as infinitely superior to all other orders; of the greatest service in the church of God, and of greater authority with the Pope, and all princes; and that it is the most perfect in itself, in that it discards all persons offensive or unqualified, from its community, and therefore is purified from that scum and dregs with which these monks are infected, who, generally speaking, are a set of men unlearned, stupid, and slothful, negligent of their duty, and slaves to their bellies.

XIV. Let the confessors propose to them, and endeavor to persuade them to pay small pensions and contributions towards the yearly support of colleges and professed houses, but especially of the professed house at Rome; not let them forget the ornaments of churches, tapers, wine, and things necessary in the celebration of the sacrifice of mass.

XV. If any widow does in her life-time make over her whole estate to the Society; whenever opportunity offers, but especially when she is seized with sickness, or in danger of life, let some take care to represent to her the poverty of the greatest number of our colleges, whereof many just erected have hardly as yet any foundation; engage her, by a winning behavior and inducing arguments, to such a liberality as (you must persuade her) will lay a certain foundation for her eternal happiness.

XVI. The same art must be used with princes and other benefactors; for they must be wrought up to a belief, that these are the only acts which will perpetuate their memories in this world, and secure them eternal glory in the next.

Chapter VIII:

How widows are to be treated, that they may embrace religion, or a devoted life.

Chapter IX: Of increasing the revenues of our Colleges.

XV. Let the confessors be constant in visiting the sick, but especially such as are thought to be in danger; and that the ecclesiastics and members of other orders may be discarded with a good pretence, let the superiors take care that when the confessor is obliged to withdraw, others may immediately succeed, and keep up the sick person in his good resolutions. At this time it may be advisable to move him by apprehensions of hell, and at least of purgatory; and tell him, that as fire is quenched by water, so sin is extinguished by acts of charity; and that alms can never be better bestowed than for the nourishment and support of such who by their calling profess a desire to promote the salvation of their neighbor.

XVI. Lastly, let the women who complain of the vices of ill-humor of their husbands, be instructed secretly to withdraw a sum of money, that by making an offering thereof to God, they may expiate the crimes of their sinful help-mates, and secure a pardon for them.

Chapter X.

Of the private rigor of discipline in the Society.

Chapter XI. How our members are unanimously to behave towards those who are expelled from the Society.

I. Since those that are dismissed, do frequently very much prejudice the Society by divulging such secrets as they have been privy to; their attempts must therefore be obviated in the following manner. Let them be prevailed upon, before they are dismissed, to give it under their hands, and swear that they never will, directly or indirectly, either write or speak any thing to the disadvantage of the Order; and let the superiors keep upon record the evil inclinations, failings and vices, which they, according to the custom of the Society, for discharge of their consciences, formerly confessed: this, if ever they give us occasion, may be produced by the Society, to the nobility and prelates, as a very good handle to prevent their promotion.

VIII. Let the misfortunes, and unlucky accidents which happen to them, be immediately published; but with entreaties for the prayers of good Christians, that the world may not think we are hurried away by passion: but, among our members, let these things, by all means, be represented in the blackest colors, that the rest may be the better secured.

Chapter XII.

Who should be kept, and favored in the Society.

Chapter XIII. How to pick out young men to be admitted into the Society, and in what manner to retain them.

V. Let them be allured, by little presents, and indulgence of liberties agreeable to their age; and, above all, let their affections be warmed with spiritual discourses.

VI. Let it be inculcated, that their being chosen out of such a number, rather than any of their fellow-collegiates, is a most pregnant instance of divine appointment.

VII. On other occasions, but especially in exhortations, let them be terrified with denunciations of eternal punishment, unless they accept of the heavenly invitation.

VIII. The more earnestly they desire admission into our Society, the longer let the grant of such favor be deferred, provided at the same time they seem steadfast in their resolution; but if their minds appear to be wavering, let all proper methods be used for the immediate firing of them.

Chapter XIV.

Of reserved cases, and causes of dismissal from the Society.

Chapter XV.

Of our conduct towards nuns and female devotees.

[It is noted in the pre-publication copy of Vatican Assassins from which these excerpts are being extracted that one of the pages is missing from this section of the instructions.]

Chapter XVII. Of the methods of advancing the Society.

I. Let our members chiefly endeavor at this, always to act with humanity, even in things of trifling moment; or at least to have the outward appearance of doing so; for by this means, whatever confusions may arise in the world, the Society of necessity will always increase and maintain its ground.

VII. The favor of the nobility and superior clergy, once got, our next aim must be to draw all cures and canonships into our possession, for the more complete reformation of the clergy, who wheretofore lived under certain regulation of their bishops, and made considerable advances towards perfection. And lastly, let us aspire to abbacies and bishoprics, the obtaining which, when vacancies happen, will very easily be effected, considering the supineness and stupidity of the monks; for it would entirely tend to the benefit of the church, that all bishoprics, and even the apostolical see, should be hooked into our hands, especially should his holiness ever become a temporal prince over all. Wherefore, let no methods be untried, with cunning and privacy, by degrees, to increase the worldly interests of the Society, and then, no doubt, a golden age will go hand in hand with an universal and lasting peace, and the divine blessing of consequence attend the catholic church.

VIII. But if our hopes in this should be blasted, and since offences of necessity will come, our political schemes must be cunningly varied, according to the different posture of the times; and princes, our intimates, whom we can influence to follow our councils, must be pushed on to embroil themselves in vigorous wars one with another, to the end, our Society (as promoters of the universal good of the world,) may on all hands be solicited to contribute its assistance, and always employed in being mediators of public dissensions; by this means the chief benefices and preferments in the church will, of course be given to us by way of compensation for our services.

IX. Finally, the Society must endeavor to effect this at least, that having got the favor and authority of princes, those who do not love them at least fear them.

JESUIT POWER

The Society of Jesus was thenceforth recognized as the chief opposing force of Protestantism. The Order became dominant in determining the plans and policy of the Rowish Church. The brotherhood grew and flourished. It planted its chapters first in France, Italy and Spain, and then in all civilized lands. The success of the Order was phenomenal. It became a power in the world. It sent out its representatives to every quarter of the globe. Its solitary apostles were seen shadowing the thrones of Europe. They sought, by every means known to human ingenuity, to establish and confirm the tottering fabric of Rome, and to undermine the rising fabric of Protestantism. They penetrated to the Indus and the Ganges. They traversed the deserts of Thibet, and said, 'Here am I,' in the streets of Peking. They looked down into the silver mines of Peru, and knelt in prayer on the shores of Lake Superior. To know all secrets, fathom all design, penetrate all intrigues, prevail in all counsels, rise above all diplomacy, and master the human race, - such was their purpose and ambition. They wound about human society in every part of the habitable earth, the noiseless creepers of their ever-growing plot to retake the world for the Church, and to subdue and conquer and extinguish the last remnant of opposition to her dominion from shore to shore, from the rivers to the ends of the earth.' [Ridpath's Universal History, John Clarke Ridpath, 1899]

The Jesuits are the true authors of socialist-communism. The economic system of the Dark Ages was feudalism consisting of the few rich landowners and the many poor peasants. It was a sin to make a profit by anyone other than the feudal lords. Thus, if the world is to be returned to the Dark Ages, the Protestant middle class must be destroyed. Socialist-communism accomplishes this, having yielded its bitter fruit in both Great Britain and the United States. The great deception is that the Jews are the authors of communism. (After all, is not Zionism Jewish communism?) The facts are that the Jesuits used their Masonic Jews to introduce it in 1848 and again in 1917 with the Bolshevik Revolution.

The Jesuits then moved their Shriner Freemason FDR to recognize Russia's bloody government in 1933. The Jesuits then financed Russian communism with their Knights of Malta on Wall Street. This enabled Joseph Stalin to carry out the purges of the Thirties.

Having deceived the world into believing communism was of Jewish origin, the Jesuits then used Hitler to implement 'the Final Solution to the Jewish Question'-pursuant to the evil Council of Trent. The result was the mass murder of European and Russian Jewry at the hands of the Jesuit-controlled SS.

At the close of the Second Thirty Years War (1945) the Jesuits, with their Vatican Ratline, helped top Nazis to escape to South America. And where in South America? To the old dominion where socialist-communism had been perfected by the Jesuit

fathers-to the nation of Paraguay.

The Jesuits entered Paraguay in the early 1600s, sent by the kings of Spain and Portugal. They established their supremacy over the natives called 'Guarani Indians' and did not allow them to mix with the Spanish or Portuguese. It was among this people that the Jesuits established their communes called 'reductions'.

THE JESUITS - 1776

The Jesuits, now formally suppressed by the Pope, were allied with Frederick the Great of Prussia and Catherine of Russia. The Jesuit General was in control of Scottish Rite Freemasonry and now sought an alliance with the Masonic House of Rothschild in England. To accomplish this he chose a Jesuit who was Jewish by race-Adam Weishaupt. Weishaupt was a brilliant instructor of Canon Law-the evil Council of Trent-at a Jesuit university in Bavaria. We read:

'From the Jesuit College of Ingolstadt is said to have issued the sect known as 'the Illuminati of Bavaria' founded by Adam Weishaupt. Its nominal founder, however, seems to have played a subordinate though conspicuous role in the organization of this sect.' [Occult Theocracy, Lady Queenborough, originally published in 1933]

On May 1, 1776, the Order of the Illuminati was officially founded in the old Jesuit stronghold of Bavaria. The Company would now use the Jewish House of Rothschild to finance the French Revolution and the rise of Napoleon the Freemason with his Jesuit-trained advisor, Abbe Sieyes. In spite of the historical writings of the Jesuit Abbe Barruel, who blamed the Rothschilds and Freemasonry for the Revolution, it was the Society of Jesus that used these very tools to carry out the Revolution and punish the monarchs who dared to expel the Jesuits from their dominions. The Jesuits, having been expelled from the Spanish Empire, found refuge in Corsica. From there they raised up their great avenger, Napoleon Bonaparte.

* * *

Lately, it was George Washington who was so beloved by France's General Lafayette. During the Revolution our great chieftain took the 'boy General' under his wing for which cause the Frenchman named his eldest son, George Washington Lafayette. With this same endearing love the Roman Catholic Lafayette warned:

'It is my opinion that if the liberties of this country, the United States of America, are destroyed, it will be by the subtlety of the Roman Catholic Jesuit priests, for they are the most crafty, dangerous enemies of civil and religious liberty. They have instigated most of the wars of Europe.'

* * *

Napoleon was captured by the English and banished to the island of St. Helena. There, his Memoirs were written which accurately described his masters, the Jesuits:

'The Jesuits are a military organization, not a religious order. There chief is a general of an army, not the mere father abbot of a monastery. And the aim of this organization is: POWER. Power in its most despotic exercise. Absolute power, universal power, power to control the world by the volition of a single man. Jesuitism is the most absolute of despotisms: and at the same time the greatest and most enormous of abuses....

'The general of the Jesuits insists on being master, sovereign, over the sovereign. Wherever the Jesuits are admitted they will be masters, cost what it may. Their society is by nature dictatorial, and therefore it is the irreconcilable enemy of all constituted authority. Every act, every crime, however atrocious, is a meritorious work, if committed for the interest of the Society of the Jesuits, or by the order of the general.' [Fifty Years In The Church Of Rome, Charles Chiniquy, 1968, reprinted from the 1886 edition, quoting Memorial Of The Captivity Of Napoleon At St. Helena, General Montholon]

The Knights of Malta and the Jesuits work together!

(Truth seeker, this may seem irrelevant now, but it is important for you to be aware of this connection. As we shall see, the Knights financed Lenin and Hitler from Wall Street, also using their Federal Reserve Bank headed by Masonic Jews, Warburg in particular.) The Knights negotiated the Concordat (a Papal treaty) between the Pope and Hitler in the person of Franz Von Papen. They also helped top Nazis to escape to North and South America after World War II in the persons of James Angleton and Argentina's President Juan Peron.

In America, the Knights, with their OSS, later the CIA, were behind '**Operation Paperclip**'. After World War II, top Nazis and scientists were illegally secreted into the United States. Many were placed in the top-secret military installation in Tonapah, Nevada known as '**Area 51**'. The perfection of the Nazis' anti-gravity aircraft (flying saucers) was to be completed there, among other secret technologies. 'Operation Paperclip' was overseen by America's most powerful Knight of Malta, J. Peter Grace. J. Peter Grace was subject to the Jesuit-trained Archbishop Spellman, as the American headquarters for the Knights was and is St. Patrick's Cathedral in New York.

1816 - JOHN ADAMS

Our founding Fathers knew of the Jesuit intrigue directed at the new Protestant Republic of these United States of America. In 1816, John Adams wrote to President Jefferson:

'Shall we not have regular swarms of them here, in as many disguises as only a king of the gypsies can assume, dressed as painters, publishers, writers, and schoolmasters? If ever there was a body of men who merited eternal damnation on Earth and in Hell it is this Society of Loyola's.' [The New Jesuits, George Riemer, 1971]

* * *

PRESIDENT ABRAHAM LINCOLN

A personal friend of Professor Morse believed his warning of this Jesuit conspiracy. He was President Abraham Lincoln. We read:

'The Protestants of both the North and South would surely unite to exterminate the priests and the Jesuits, if they could learn how the priests, the nuns, and the monks, which daily land on our shores, under the pretext of preaching their religion...are nothing else but the emissaries of the Pope, of Napoleon III, and the other despots of Europe, to undermine our institutions, alienate the hearts of our people from our Constitution, and our laws, destroy our schools, and prepare a reign of anarchy here as they have done in Ireland, in Mexico, in Spain, and wherever there are any people who want to be free.' [Fifty Years In The Church Of Rome, Charles Chiniquy, 1968, reprinted from the 1886 edition]

The Jesuits - 1868-1872

This new nation would be a centralized republic with the President exercising powers of an absolute monarch. The old Federal Republic of Washington would be converted into a huge centralized Empire, with the ten planks of the Masonic Communist Manifesto replacing the Ten Commandments of Moses.

In order to accomplish this, the Constitution had to be amended-'by hook or by crook'. It would be amended in accordance with the Masonic cry of both French Revolutions. 'Liberty' would be the Thirteenth Amendment. 'Equality' would be the Fourteenth Amendment. 'Fraternity' would be the Fifteenth Amendment. We now will examine the Fourteenth Amendment, as it was the coup d'etat.

THE ASSASSINATION OF PRESIDENT LINCOLN

Even though he acted the tyrant in keeping Maryland from seceding and raised the Army of the Potomac to 'put down the rebellion', there is evidence that he had a change of heart. Accordingly to many, Lincoln was converted to Christ after viewing the battlefield at Gettysburg. He later joined the Presbyterian Church in Washington and had several spiritual conversations with his close friend and converted priest, Charles Chiniquy. We read:

'I will repeat to you what I said at Urbana, when for the first time you told me your fears lest I would be assassinated by the Jesuits: Man must not care where and when he will die, provided he dies at the post of honor and duty. But I may add, today, that I have a presentiment that God will call me to Him through the hand of an assassin. Let His will, and not mine, be done! The Pope and the Jesuits, with their infernal Inquisition, are the only organized powers in the world which have recourse to the dagger of the assassin to murder those whom they cannot convince with their arguments or conquer with the sword.... It seems to me that the Lord wants today, as He wanted in the days of Moses, another victim.... I cannot conceal from you that my impression is that I am that victim. So many plots have already been made against my life, that it is a real miracle that they have failed, when we consider that the great majority of them were in the hands of skillful Roman Catholic murderers, evidently trained by Jesuits. But can we expect that God will make a perpetual miracle to save my life? I believe not. The Jesuits are so expert in those deeds of blood, that Henry IV said that it was impossible to escape them, and he became their victim, though he did all that could be done to protect himself. My escape from their hands, since the letter of the Pope to Jeff Davis has sharpened a million daggers to pierce my breast, would be more than a miracle.' [Fifty Years In The Church Of Rome, Charles Chiniquy, 1958, originally published in 1886]

[Further along:]

Of the Jesuit hand in Lincoln's murder we read:

'I feel safe in stating that nowhere else can be found in one book the connected presentation of the story leading up to the death of Abraham Lincoln, which was instigated by the 'black' pope, the General of the Jesuit Order, camouflaged by the 'white' pope, Pius IX, aided, abetted and financed by other 'Divine Righters' of Europe, and finally consummated by the Roman Hierarchy and their paid agents in this country and French Canada on 'Good Friday' night, April 14, 1865, at Ford's Theatre, Washington, D.C.' [The Suppressed Truth About The Assassination Of Abraham Lincoln, Burke McCarty, 1973, originally published in 1924]

* * *

THE JESUITS - 1945-1990

The Great and Terrible Second Thirty Years' War was now over. Europe, Russia, North Africa, China, and Japan were 'a universal wreck' thanks to the Company of Jesus. Millions of 'heretics' had been 'extirpated' pursuant to the Jesuit Oath and the Council of Trent. Unlike the Treaty of Westphalia ending the First Thirty Years' War, the agents of the Jesuits controlled the negotiations at Yalta and Potsdam ending the second Thirty Years' War.

It was time to apply the Jesuits' Hegelian Dialectic worldwide. It would be known as 'the Cold War'. The thesis and antithesis would be 'the Free World in the West' verses 'the Communist Block in the East'. The American Empire would head the West, and the Russian Empire would lead the East. Both sides would be financed by the Jesuits' International Banking Cartel centered in London and New York-the Federal Reserve and Chase-Manhattan Banks in particular.

The synthesis would be the destruction of the American Empire through the so-called 'ending of the Cold War'. The illusion of ending the Cold War would legally enable Rome's Corporate Monopolies, federated together in New York City under the leadership of the Council on Foreign Relations, to give Russia and China high technology and financial backing. The giving of these necessities would perfect the War Machines of both economically communist and politically fascist giants for the purpose of invading North America, it containing the majority of the world's Protestants, Baptists, and Jews. It is for these reasons that the financial might of Hong Kong was given to Red China, along with an American Naval Base in Long Beach, California. It is for these reasons that the Panama Canal, built with American blood, sweat, tears and Yellow Fever, was given away to Panama to be manned by Chinese soldiers imperiling the American navy. It is for these reasons that the Jesuits in control of Washington have established nationwide gun registration for the purpose of nationwide gun confiscation just as they did in Hitler's Germany. It is for these reasons that the Jesuits, with their international corporations managed by the Knights of Malta, have financed and continue to build both the Russian and Chinese War Machines, while influencing American Presidents to close down scores of military installations across the country. These facts spell invasion-massive invasion by millions of foreign soldiers, with no God and no mercy. And if the Jesuits can manage to blow-up the Dome of the Rock in Jerusalem and blame the American Empire for it, the Arabs will declare a holy war against 'the great Satan'. The private wealth of Americans using International Business Corporations with bank accounts in the Bahamas will be seized just as they were in Castro's Cuba. (The Knights have moved all their wealth into European banks denominated in Franks and Marks as well as Eurodollars, thereby escaping the coming American economic catastrophe.)

Meanwhile, as the Jesuits, with their American dictator's internal police (FEMA) and foreign invaders, are 'extirpating' 'the execrable race' of American 'heretics' and

'liberals', the European nations will be driven to lay down their historic differences and unify.

This unification will restore the Holy Roman Empire, for which reason the Jesuits are rapidly rebuilding Rome. When the smoke clears, China will control the East, Russia will control the North, and a unified R.C. [Roman Catholic] Europe will control the West. The Pope's International Intelligence Community will see to it that Jerusalem is declared an international city with Solomon's rebuilt Temple in her midst. World government will ensue and the Jesuits' 'blessed despotism' of the Dark Ages will have arrived, with the Pope being the Universal Despot of the World, so appropriately described in the Protocols Of The Elders Of Zion, while being the World Authority of The Documents Of Vatican II.

The Jesuits - 1963 THE ASSASSINATION OF PRESIDENT KENNEDY

'It is of faith that the Pope has the right of deposing heretical and rebel kings. Monarchs so deposed by the Pope are converted into notorious tyrants, and may be killed by the first who can reach them.

'If the public cause cannot meet with its defense in the death of a tyrant, it is lawful for the first who arrives, to assassinate him.' [Defensio Didei, Jesuit Suarez, Book VI. C 4, Nos. 13, 14]

Freed remembers what apparently passes for polite conversation when men such as Colby and Cline get together. 'It was quite bizzare' Freed said, 'for the subject they chose was, 'When is it acceptable to assassinate a head of state?' Colby presented what he said was a theological and philosophically sound approach. The Catholic Church, he said, had long since wrestled with this question and had, to Colby's mind, emerged with a sound concept: 'It is acceptable' he said, 'to assassinate a tyrant.' [Plausible Denial, Mark Lane, 1991, p. 85]

'A conspiracy is rarely, if ever, proved by positive testimony. When a crime of high magnitude is about to be perpetrated by a combination of individuals, they do not act openly, but covertly and secretly. The purpose formed is known only to those who enter into it. Unless one of the original conspirators betray his companions and give evidence against them, their guilt can be proved only by circumstantial evidence...and circumstances can not lie.' [Special Judge Advocate John A. Bingham, quoted in The Trial Of The Conspirators, Washington, 1865]

This chapter will examine the forest, not the trees. The hundreds of works covering the assassination can be reduced to a few simple facts. These facts viewed in the context of the previous chapters lead us to the 'Lion' in his 'Den of Iniquity' that had the power to

execute Kennedy's murder and successfully cover it up. That Lion was the Cardinal of New York and his Den of Iniquity was St. Patricks' Cathedral, 'the Little Vatican', and home base of the American Branch of the Knights of Malta. From the death of Cardinal Spellman in 1967 until now (1999), the succeeding 'Lions' having kept the assassination covered-up were: Cardinal Cooke (himself a Knight of Malta) and Cardinal O'Connor, a former Navy Chaplain during Spellman's Vietnam War, and presently the Archbishop of New York.

Knowing that President Kennedy was not going to escalate the Vietnam War, the Intelligence Community began to prepare for his assassination. Roman Catholic Lee Oswald was chosen to be a patsy.... As a CIA agent, he had been sent to Soviet Russia by Allen Dulles in 1959, supposedly as a defector. Knowing that the CIA (OSS) and the KGB (NKVD) had worked together during WW-II, Oswald apparently took a vacation for nearly two years. During that time he married a Russian whose uncle was a Colonel in the KGB.

When he returned to the American Empire in 1962, he associated with CIA agents Howard Hunt, Frank Sturgis, David Ferrie, Guy Banister, Count George DeMohrenschildt, and Clay Shaw. Oswald was CIA, and related to a Jesuit. Emmanuel Josephson tells us:

'An interesting angle is presented by the Lee Oswald involvement. His cousin is reported to be a Jesuit priest. And it is a matter of record that Lee Oswald was invited to address the Jesuit college in Springhill, Alabama, on the subject of his activities, two weeks before the Kennedy Assassination. The Jesuit involvement closely parallels that in the Lincoln Assassination.' [The Federal Reserve Conspiracy And Rockefeller, Emanuel M. Josephson, 1968]

Jim Garrison clearly proved the CIA was involved in the assassination through Clay Shaw. He writes:

'...we discovered Shaw's extensive international role as an employee of the CIA. Shaw's secret life as an Agency man in Rome, trying to bring Fascism back to Italy, was exposed in articles in the Italian press.... To me among the most significant revelations were...the confirmation by both Victor Marchetti and Richard Helms that Clay Shaw had been an agent of the Central Intelligence Agency.' [On The Trail Of The Assassins, Jim Garrison, 1991]

And who was the Director of the CIA in 1963? It was Knight of Malta John McCone. Prior to that McCone had been a defense contractor who had formally headed the Atomic Energy Commission. Later in 1970, he was a board member of ITT while remaining a CIA consultant. Marchetti tells us:

'[The] ITT board member who later admitted to a Senate investigative committee that

he had played the key role in bringing together CIA and ITT officials was John McCone, director of the CIA during the Kennedy administration and, in 1970, a CIA consultant.' [The CIA And The Cult Of Intelligence, Victor Marchetti, 1975]

Cardinal Spellman's soldier, John McCone, Director of the CIA, participated in the Kennedy assassination.

Jim Garrison and others have proved that the FBI was also involved in the assassination. He writes:

'I already had concluded that parts of the local Dallas law enforcement establishment were probably implicated in the assassination or its cover-up. But now I saw that the highly respected FBI was implicated as well.' [On The Trail Of The Assassins, Jim Garrison, 1991]

Cardinal Spellman had two agents in the FBI. The first was the Shriner Freemason and brother-Cold Warrior, J. Edgar Hoover. According to Loftus, Hoover had cooperated with the Vatican Ratlines resettling Nazi war criminals in the Northeast. Why would he not cooperate with Spellman now? How could he refuse?

More importantly, Spellman's key man in the FBI was Knight of Malta, Cartha DeLoach. As the third in command, DeLoach was in a position to supervise the assassination and suppress evidence. Garrison proved DeLoach did in fact suppress evidence.

After the assassination we see a telling relationship between Johnson and DeLoach. DeLoach was known as Johnson's man in the FBI and the President would call him any time of the day. Curt Gentry writes:

'Lyndon Johnson couldn't sleep. Late at night he had his aide, Marvin Watson, telephone the DeLoach bedroom. The president had suddenly become convinced that the murder of his predecessor had been a conspiracy and wanted more information from the FBI.' [J. Edgar Hoover: The Man And The Secrets, Curt Gentry, 1991]

This is the Cartha DeLoach who had signed a five-year contract with Lee Iacocca's Ford Mercury in connection with the series, 'The FBI'. Both DeLoach and Iacocca were Knights of Malta, subject to Cardinal Spellman during the Kennedy assassination. Later DeLoach went on to be a director of PepsiCo. And according to Col. Prouty, that company also participated in Kennedy's assassination. We read:

'Nixon was in Dallas with a top executive of the Pepsi-Cola Company, Mr. Harvey Russel, the general counsel. Nixon was a legal counsel to that corporation. That top executive's son has told of Nixon's presence in Dallas at the time of the assassination, and Russell has confirmed the accuracy of his son's account. Later, sometime after the shooting, Nixon was driven to the Dallas airport by a Mr. DeLuca, also an official of the Pepsi-Cola Company. In addition, the son of another Pepsi-Cola executive was in

Dallas at that time and had dinner with Jack Ruby, Oswald's killer, the night before JFK was murdered.' [JFK: The CIA, Vietnam, And The Plot To Assassinate John F. Kennedy, Col. L. Fletcher Prouty, 1992]

DeLoach, Iacocca, and the Knights of Pepsi, now PepsiCo, all worked together.

At the time of the assassination in Dallas, the Catholic priest, Oscar Shubert, was sent from Holy Trinity Catholic Church in Dallas to administer 'Last Rites' for the President. Knowing that Kennedy's wounds were wounds of entry, he reported everything to his superior. Shubert's superior was the Bishop of Dallas, then The Most Reverend Thomas Kiely Gorman, DD. According to Martin Lee's article entitled 'Who Are The Knights Of Malta?' appearing in the October 14, 1983 edition of the National Catholic Reporter, Thomas K. Gorman was a Knight of Malta. Being a brother Knight he reported directly to Cardinal Spellman, and kept him apprised of what was happening in Dallas.

At the time of the assassination in Dallas, roughly 12:30 P.M. in the afternoon, all the telephones went dead in Washington, D.C. for about 30 minutes. How could this have happened? Someone at ITT had to be responsible, as it served the Washington area. In 1963, one of the VIPs of ITT was Francis D. Flanagan. You guessed it. Flanagan was a Knight. Later, McCone, with his brother knights, coordinated a deal between the CIA and ITT to better work together.

The author knows there were several Knights of Columbus involved in the Kennedy assassination. They were working for the FBI in particular. But the only notable Knight who was involved was Senator Edward Kennedy in that, through his silence, he was consenting to his brother's murder. Maybe this is what has driven the perpetual Senator from Massachusetts to his ruined alcoholic life. Let us take a few moments to pray for the Senator that he might have a change of heart, that he would tell all, and that we might protect him. For he too was subject to the power of Cardinal Spellman.

Lastly we know that the Mafia was involved in the Kennedy assassination. The Mafia, CIA, FBI, and Office of Naval Intelligence has been working together throughout World War II. Jack Ruby was a mafioso and David E. Scheim makes it perfectly clear in his Contract On America that the Mob had at least two motives: the Kennedy brothers assault on Organized Crime and the loss of the Mob's gambling paradise in Cuba.

But those were not the reasons. The Mafia Dons were promised that they would make more money than Havana could ever produce, through the explosion of the international drug trade made possible by the Vietnam War. If they helped eliminate Kennedy, Johnson would escalate the war and, thereby, the drug trade. The CIA would bring the drugs in from the Golden Triangle, distribute them to the Mafia families, and both would profit.

More importantly, the Mafia's Commission had a favor to repay. Cardinal Spellman, through FDR, had arranged the release of 'Lucky' Luciano because of 'Operation Underworld' mentioned in the previous chapter. Now the Cardinal needed a favor. If refused, Spellman could use the entire intelligence community which he had helped to organize, to eliminate any mob boss. If agreed to, new gambling centers would open up, Atlantic City in particular.

Clearly, if the President was removed, everybody would acquire more power and wealth, the intelligence community would become more absolute, and the Cardinal would be even more respected by his peers in Rome. The rest is history.

Later, in 1964, for the first time in history, the Pope of Rome set foot in Fourteenth Amendment America. Cardinal Spellman had performed well and was rewarded by a visit from his Master, fellow Cold Warrior and Vatican Ratline handler, Cardinal Montini, who was now Pope Paul VI.

There is yet another reason for the removal of President Kennedy. He wanted to arm Israel. Loftus writes:

'In September 1962 Kennedy decided to supply Israel with defensive ground-to-air missiles capable of stopping aircraft, but not the Egyptian offensive missiles. It was the first arms sale by the U.S. Government to Israel.... Kennedy promised the Israelis that as soon as the 1964 election was over, he would break the CIA 'into a thousand pieces and scatter it to the winds'.... With Kennedy's assassination in November 1963, the Israelis lost the best friend they had in the White House since Truman departed.' [The Secret War Against The Jews, John Loftus, 1994]

And why did the Vatican's Jesuits not want any arms sales to Israel at this time? Why did the Jesuit-controlled President Johnson turn his back as the Egyptian army moved up through the Sinai desert to prepare its assault on Israel in 1967? Because the attack upon Israel had to be provoked. That attack was provoked by the Jesuits' International Intelligence Community through Egypt falsely perceiving the weakness of the Israeli army and the supposed abandonment of Israel by the American Empire.

The six-day war, engineered by Knight of Malta James Angleton, had one primary purpose: the taking of Jerusalem along with the Temple Mount. The apparent lack of military hardware on the part of Israel provoked the planned attack by Egypt. Therefore, Israel launched a preemptive strike and, in six days, the holy city was in the hands of Rome's Zionist government.

Had Kennedy armed Israel, the Egyptians would never have been emboldened to maneuver for war. With no provoked war, there would have been no Israeli attack. With no Israeli attack, Jerusalem would never have been taken by the Zionists, controlled by the Jesuits' Mossad. With Jerusalem in Arab hands, the Zionists could never rebuild

Solomon's Temple-unknown to them-for the Jesuits' 'infallible' Pope 'Who opposeth and exalted himself above all that is called God, or that is worshiped; so he is God sitteth in the temple of God [Solomon's rebuilt temple], showing himself that he is God.' [II Thes 2:4]

It is safe to say that the Jesuit General, using the Pope with his most powerful Cardinal in the American Empire, assassinated President John F. Kennedy in 1963.

For it was Cardinal Spellman, 'the American Pope' in command of his soldiers, the Knights of Malta, who oversaw the assassination.

And it was the Knights of Malta, using the Central Intelligence Agency, who aided in the actual assassination of the President. Those Knights were: CIA Director, John McCone, CIA officers William F. Buckley, and Henry Luce.

In 1963, both William F. Buckley and Henry Luce were personal friends of CIA agent Howard Hunt. We read from Mark Lane's Plausible Denial on page 270, concerning Time and Life magazines, of which Henry Luce was the owner:

'I (Howard Hunt) had them typed up on a typewriter (fabricated official cables), and they were xeroxed, and the xeroxes were eventually shown to a person of Mr. (Charles) Colson's confidence, and in Time and Life.' Hunt, after swearing that he had never been involved in a disinformation effort to embarrass Kennedy, had now testified that he had merely sought to doctor and create evidence to prove that Kennedy was a murderer.

Again in Plausible Denial we read of Hunt's connection with pompous William F. Buckley, Jr. on page 207:

'(G. Gordon) Liddy completed his testimony perfectly, stating that while he no longer associated with Hunt, he did see him last, he recalled, when both men demonstrated their support for another former CIA officer, William F. Buckley, as Buckley celebrated the anniversary of his television show at the New York Yacht Club.'

Dear truth seeker, Hunt was close to both powerhouses, Buckley and Luce. Hunt was also working with two of his fellow criminals in the future Watergate scandal, G. Gordon Liddy (Jesuit-trained) and Chuck Colson.

And in 1985, it was Mark Lane who proved in Miami's federal court that Hunt was in Dallas the day President Kennedy was murdered. Therefore, the conclusion was obvious. The CIA, with its agent, E. Howard Hunt, had killed the President. In the words of the jury's forewoman, Leslie Armstrong, found on the inside cover and page 322 of Plausible Denial, we read:

'Mr. Lane was asking us to do something very difficult. He was asking us to believe that John Kennedy had been killed by our own government. When we examined the

evidence (for 65 minutes) we were compelled to conclude that the CIA had indeed killed President Kennedy.' Hunt had been part of it, and that evidence, so painstakingly presented, should now be examined by the relevant institutions of the United States Government, so that those responsible for the assassination might be brought to justice.

Title: Rick Joyner, Knighted By The Knights Of Malta

CRAIG-OXLEY - November 17, 2005 01:53 AM (GMT)

Rick Joyner, Knighted By The Knights Of Malta

Research into the Knights of Malta is quite an experience. Both the Catholic church and Masonic Order have an organization called by this name. The Sovereign Military Order of Malta (Federal Association, USA) says in an internet communication, "There are dozens of organizations which use the name, symbols, and traditions of the Order of Malta in an unauthorized fashion." They list a group of thirteen such organizations but state clearly, "The organizations listed below have no affiliation with the Order of Malta and are not recognized by the Vatican."

The primary organization, called the Knights of Malta, has its headquarters in the Vatican of Rome and is clearly controlled and operated by the Catholic church. Their official website gives their name as the "Sovereign Military Order Of Malta." They state of themselves that this "is a lay religious order of the Catholic church." It was founded in Jerusalem in 1099 and it was approved formally as an order by the Pope in 1113. They also say of themselves, "The Order of Malta was admitted to the United Nations as a permanent observer on August 24, 1994." They also claim "official diplomatic relations with over eighty states and international organizations." The Order of Malta is clearly a Catholic order, controlled by the Pope and totally committed to the Pope, the Virgin Mary, and service to Roman Catholic ideas and causes. It is a powerful and massive organization.

With this background, why would Charismatic leaders have an interest in being an intimate part, being knighted, and accepting responsibility to serve the Roman church? The answer is simply that a large body of Charismatic leaders have adopted the same ultimate goals of a One World Government, a One World Religion, and the necessity of forcing this idea upon the entire world. The present Pope has met with almost every

religious organization of the World and is inviting everyone to the same religious table. A One World Religion is ready to be established as soon as the "Holy" Bride of Jesus Christ has been removed out of their way. Bible-believing Christians are a thorn in their flesh, but our Bridegroom will remove that thorn at the proper moment.

In the meantime, Rick Joyner and others are excited to become a part of the harlot of Rome. It's overwhelming to listen as Rick Joyner tells the story of how he met the Austrian Baron that had just come from Kurt Waldheim's office to seek him out and conduct the knighting ceremony. Let's read some detail of that. Please note the name and things I have underlined because I want to speak of them.

"I'm sitting in the lobby (Nuremberg, Germany) with Bobby Conner and a few other people there and this guy comes walking in the lobby of the hotel who was an interesting looking guy. And Reed, who was Paul Cain's assistant, was standing behind me. And he said, 'Hey, there's Newman Peyton.' And this guy was Baron Newman Peyton, who Colonel Byrd had told me was looking for me. I said, 'Reed, do you know that man.' He said, 'Oh, yeah, we met him years ago.' And he came over, walked over to me, and said he had been looking to meet with me. And I stopped him right away. I said, 'Bobby, give me a readout on this guy.' And this guy's going, 'What's a readout?' (Laughter.) And Bobby goes, 'Sir, when you came in I just saw something, I saw that you had just come from the office of a man named Kurt Waldheim . . .' And his eyes got real big 'cause he had just come from his (Kurt Waldheim) office. And then he (Bobby Conner) said, 'I saw you or I saw him opening this briefcase and giving you something out of it.' And Bobby described the briefcase. And his eyes got real big then. He said, 'This is incredible!' He (Baron Peyton) said, 'That is the only briefcase like that in the world. I had it custom made for Kurt Waldheim.' And it was a weird thing Bobby had described." (Morning Star Ministries, Rick Joyner audio, no date given.)

It's extremely important to notice two things in this description by Rick Joyner. Upon this man Baron Newman Peyton entering the hotel lobby, Rick Joyner asked one of his companions to give him a "readout" on this man. A "readout" is another term for what they call a prophecy or better described as "fortune telling." These men are deep into sorcery as becomes clear in hearing this entire tape. Also, the man that Baron Newman Peyton had just visited and apparently represented in his approach to Rick Joyner is a notorious individual.

Kurt Waldheim is the recently retired President of Austria. He was also an officer in the Nazi army and "has been barred from entering the United States since 1987 as a suspected war criminal." (The Anti-Defamation League, 1999, A.T.L.) Kurt Waldheim was also recently knighted by the Pope, sparking the protest of many Jewish groups. Many believe he is guilty of atrocities against the Jewish people as well as British prisoners of war. The New Republic magazine stated that "the knighting (of Kurt Waldheim) also shows that the hatred of Jews is still no impediment to the esteem of the church (Catholic). Some say it was Waldheim's only qualification." (The New

Republic, September 5, 1994, V211N10, p. 50.).

Connecting this visit to the archives of Nazism and the Knights of Malta and now to a Nazi war criminal that has recently been knighted by the Catholic church shows an emerging picture of anti-Semitism. But, it does not end here.

A Meeting Emerged Between Paul Cain And Saddam Hussein

If what has already been established is not enough, certainly all we need to add is the entrance of Saddam Hussein into the picture. Saddam Hussein identifies himself as the modern equivalent of Nebuchadnezzar. He is rebuilding the ancient city of Babylon where the Jews spent seventy years of exile. Also, this city is the center of Revelation chapter eighteen (18) and will be the capitol of the Antichrist during the Tribulation period. The Antichrist is called an "Assyrian" placing his origination from the general location of the country of Iraq. The ancient Assyrian nation geographically spread from Northern Iran to Lebanon, but the capitol was in Northern Iraq at Nineveh (modern Monsur). I have personally visited this ancient city.

Let's listen as Rick Joyner tells about the arrangement of this meeting. He starts at the point where we just ended in telling of the Baron from Austria being overwhelmed by the "fortune telling" expertise of a man with Rick Joyner, named Bobby Connor. Please read carefully.

"Bobby told him a little bit more about the papers and everything and it really got his attention. He was captured from then on . . . And he was a prophetic man. He was the one who prophesied to Indira Gandhi that if she did not give her heart to the Lord, she would be dead in one week . . . Five days later she was assassinated. And he is a friend with head of number of the Moslem nations, as well as other countries, and he's been a prophetic voice to them, but he had never seen the gift operate like this in such a specific way about details like that, so he was just captured. This worked out strategically in a way you wouldn't believe. It was important, but this was the guy who was key to getting Paul Cain an audience with Saddam Hussein. You may have heard us talk about that. And Paul went. Saddam Hussein, some of his guys had been in a meeting, had seen the prophetic gift operate and they were utterly convinced that Paul is a true prophet. Saddam became convinced and he wanted to meet with Paul. Okay! It all worked out. Well, Newman was the guy who worked this out. And right after he sent the fax to start this process all this fear came on him, 'What have I done . . . this could really mess up world events and things like that.' He didn't know Paul Cain that well . . . And right after that the Lord had told Bobby Conner to fax Newman Peyton and just write this that Paul Cain is my man, he's okay, don't worry about it or something like that. So, Newman sends this fax to make this connection between Paul and Saddam, to work out this thing. And he's sitting there going, 'Oh, no, what have I done?' Can't get the fax back. Another fax comes in, 'Don't worry, Paul Cain's okay.' You know, I mean, it's exactly on time. They still have the little strips of paper. He sent one out. One minute

later, one comes in, this is it. So, these things happen strategically. Anyway, we went on and a bunch of us got knighted by these Knights of Malta. Okay, I did first. And I wasn't even going to do it. I thought it was a great honor and all. But, I just don't join things like that . . . Anyway, Paul Cain called me from Austria. And said, you know, 'Just tuned in on it.' And said, 'The Lord is going to give you some credentials like Paul's credentials where his Roman citizenship really was used at times . . .' And he said, 'You're really supposed to do this thing.' So, I did and then later some of the other guys, we even got Bobby Connor knighted and Steve and Leonard. Anyway, we had a big time. Bobby, we dubbed Sir Bubba and Mahesh (Chavada) became Sir Loin. We seriously polluted the Blue Blood of Europe. I mean it was bad. Ricky Skaggs, you know, country (singer). Aw man, it was a blast. We had a great time though. Anyway, we got knighted by this thing. It's a real, this somehow is real important to the Lord. He's kept this order in existence, I think, like He has Israel. It has an end times purpose and destiny . . . They went on, made me a knight commander which gave me authority to knight others and then they made me something else, where I have authority over all the knights supposedly in the U.S. . . ." (Audio by Rick Joyner Ministries, no date on tape.)

This is incredible documentation of what certain personalities in the Charismatic New Wave are willing to do to affect and prepare for the New World Order. To imagine Saddam Hussein calling a Charismatic prophet for this prophetic insight is a drawback to ancient rulers and their love for their sorcerers and fortune tellers. It also shows the affinity between Dominion Theology and the dreams of Saddam Hussein to be a world dictator. Dominion Theology, by its very design, has eliminated the prophetic future of Israel as a nation and the Jews' claim to the promises given to Abraham.

The New Wave Charismatics are absolutely in the forefront with Pope John Paul in helping prepare the stage for the false christ. It would be impossible to inaugurate a One World Order without the religious component. The political voices from the United Nations, Council of Foreign Relations Committee, varying political individuals all the way to Saddam Hussein are nurturing the religious contacts and courting every conceivable entity as they jockey for power.

When the right man, ordained for the hour appears and God the Father withdraws His hand of restraint, it will all happen with cosmic speed. The players in this article are probably insignificant, but the picture is certainly prophetic.

The rest of this story will be ready for the next edition of *The End Times And Victorious Living* (March/April, 1999).

Paul Cain and Rick Joyner

(Click Here For Part 1)

By Joseph Chambers

The new vigilantes that will enforce the New World Order will be Joel's Army and the radical Charismatics already preparing for war.

In the first part of this article, we saw Rick Joyner, Mahesh Chavada, Ricky Skaggs, and, apparently Paul Cain, being knighted by a Catholic Church organization.

In this article we will learn why this knighting is taking place and about their connection to Saddam Hussein in ancient Assyria (Iraq), the man preparing for the New World Order capitol.

You will read the words of Paul Cain, world-renowned prophet for the Charismatic leaders, as he defends Saddam Hussein as a great "wise man" and a great leader of his people.

It will be clear that America's leadership of the present world order is temporary and soon to diminish. Bill Clinton is a flash in the pan and he will soon be discarded altogether.

The Catholic Church and the New Wave Charismatics will be the key leaders of the One World Religion. The numerous paranormal miracles they are already claiming will grow beyond description and will deceive the multitudes.

Bible-believing Christians will be hated by the Catholics, the Charismatics, the Muslims, and every expression of the One World Order. We are the thorns in their side that they can do nothing about until the King comes in the midair and receives us to Himself.

After the Rapture, the New World Order will receive their leader, the Antichrist. Any effort to identify him before the Rapture is pure speculation and will be proven wrong every time.

Hope Is In The Air

It is absolutely breathtaking to see how close we are to the Antichrist kingdom. It would be scary beyond survival if we did not have the promise of the Lord that this spirit of the ultimate lie cannot stop the true saints of God. The Rapture-ready church in Revelation is the Philadelphian church and the Lord promised that church two things:

ONE: They will have an open door to preach the Gospel and obey His will and will even be repented to by the false One World Religion. Here are the words of Jesus Christ Himself as given to Apostle John, "I know thy works: behold, I have set before thee an open door, and no man can shut it: for thou hast a little strength, and hast kept my word, and hast not denied my name. Behold, I will make them of the synagogue of Satan, which say they are Jews, and are not, but do lie; behold, I will make them to

come and worship before thy feet, and to know that I have loved thee." (Revelation 3:8-9). My friends, that is set in the eternal sovereignty of our Headship and Lord. Quit being afraid of what lies ahead. Be totally faithful to the Word of God and the Lord Jesus Christ and live a completely surrendered life. The rest is in His hands.

TWO: The Bride of Christ, the blood-washed overcomers, will be removed before He opens the seven-sealed book of Revelation, chapters five and six. This seven-sealed book is a complete document that cannot be subdivided. In chapter six, we hear the crowd saying, "... Fall on us, and hide us from the face of him that sitteth on the throne, and from the wrath of the Lamb. For the great day of his wrath is come; and who shall be able to stand?" (Revelation 6:16-17). All seven years are years of His wrath. He opens every seal of the seven seals and He has promised the Philadelphian church, "Because thou hast kept the word of my patience, I also will keep thee from the hour of temptation, which shall come upon all the world, to try them that dwell upon the earth." (Revelation 3:10).

Do not let anyone destroy your expectation of the Rapture before the seven years of His wrath breaks upon this earth. That is a present major effort of the devil. You cannot look for the Antichrist and Jesus Christ at the same time. The Antichrist will be revealed after the Restraint is gone. The Restraint, the Holy Ghost, cannot leave without the church, because the Lord promised that He would never leave the church. "And I will pray the Father, and he shall give you another Comforter, that he may abide with you for ever." (John 14:16). Where the Holy Ghost goes, the indwelt believer cannot be separated. Now, let's look at the dark things without forgetting our undying hope.

The New Vigilantes

Every generation has had their shock troopers. In our lifetime, we have known the terror of the Communist KGB's and the Nazi SS troops. The Shiites of Islam have slaughtered thousands of Bible-believing Christians. Many of us have read about the Catholic Knights of Malta and Jesuit priests representing the dark history of this pagan/Christian religion. The New World Religion is going to have their vigilantes and they will be the most dreadful shock troopers of human history. If you will read Foxe's Book Of Martyrs, it will show you that no group of humans can be more cruel than those with a twisted "Christian" passion.

Listen to what is already being voiced. A book written by Richard Kelly Hoskins entitled, Vigilantes Of Christendom, describes these warriors. He says of them, "As the Kamikaze is to the Japanese, As the Shiite is to Islam, As the Zionist is to the Jew, So the Phineas priest is to Christendom." Rick Joyner, a primary subject of this article stated, "The dismantling of organizations and disbanding of some works will be a positive and exhilarating experience for the Lord's faithful servants . . . a great company of prophets, teachers, pastors, and apostles will be raised up with the spirit of Phineas . . ." (The Harvest, Rick Joyner).

One of the favorite subjects of the new Charismatics is "Prepare For War." On our video, "Beatles' Music In The Church," we have the singers at Mahesh Chavada's church, which is located here in our city of Charlotte, singing to the beat of pagan music, "Prepare For War."

In a publication recently brought to my attention entitled, "Prepare For War," the real colors of this crowd are manifest. They despise teaching of the Rapture and embrace the Catholic Eucharist, the manifest sons of God, and other Joel's Army theology. Look at the following quote carefully. Please notice their obvious hatred for the truth of the Rapture.

"The FAMC Apostolic team dispelled false theories about the anti-Christ boogie man and his Babylonian girlfriend. The FAMC team reminded New York believers that all our enemies are under Christ's feet. Declaring there will be no escape theology for the church in New York or any place else. The true church had no desire to fly away or hide away eating dried up rations of paranoid revelations salted with MSG and self-preservation." (December 5, 1998. FAMC, Direction in Age of Confusion, New York.)

"Testimonies are pouring in from across the nations. Bottles of oil are being replenished. One caller poured the oil over her neck injury, only to find the Holy Ghost refilling it after every use." (January 6, 1999. Denver, Prepare For War Radio. Flash Bulletin!)

Paul Cain, whom we will quote as he talks glowingly about Saddam Hussein of Iraq, is one of the main voices speaking about Joel's Army. Those close to him have helped voice the terror of this crowd of vigilantes. The late John Wimber stated, "This army will inspire fear and terror in the hearts of its adversaries. In Joel 2:4-6 it says this: 'They have the appearance of horses, they gallop along like a flame of fire (???) with a noise like the chariots they leap over the mountain tops like a crackling fire consuming stubble, like a mighty army drawn up for battle. At the sight of them nations in anguish, every face turns pale.'" (John Wimber, Not Dated.) Another man, Bob Jones, who is close to Paul Cain and Rick Joyner, called them "The Dread Champions."

Now, you can understand why Rick Joyner considered it delightful to visit the history archives of Nazism in Germany. Remember, in Part One of this article they talked about the spiritual things that happened in the geographical location of Hitler's regime. I believe the members of Joel's Army are the new vigilantes for the New World Order and they are in training right now. On the Trinity Broadcast Network, Kim Clementia repeats ideas like, "We are going to kick some b---- in the new millennium." And at least once, he said, "We are going to stick spears up the b---- of the Philistines." Supposedly, he was prophesying when he said those words. (Quotes taken from our new video, "Trinity Broadcast Network, A Temple To The Gods & Goddesses.")

Saddam Hussein Enters The Picture

Most of us are familiar with the atrocities of Saddam Hussein. He kills like a madman, totally without conscience. The murders and merciless slaughters in Kuwait were documented beyond question. Pictures of entire towns of the Kurds in Northern Iraq being wiped out with poison gas have been made available to the world via television. Yet, he has become an apparent friend of members of the Catholic organization known as the Knights of Malta, and with various Charismatic leaders. Since he is building the capitol of the New World Order according to the primary prophets of the Old Testament and the Book of Revelation, do they see him in a future role? Has their demon sources provided them with revelations of some evil rehearsal for the end times?

Anyone who has been reading this publication for the last ten years will remember the things I have suggested at different times about Babylon and Saddam Hussein. His survival cannot be discounted. The Charismatics have now entered his world. According to Rick Joyner, a friend of Kurt Waldheim and a member of the Catholic organization, the Knights of Malta, arranged the meeting between Paul Cain and Saddam Hussein. This meeting was so important that the "Lord Jesus Christ" is credited with directing all the details and causing it all to happen. I hope you can see the picture of how the false is being credited with connection to the true Son of God. Please read carefully as I quote Paul Cain telling about his visit. The entire story is intriguing, but let's begin with their arrival in Baghdad.

" . . . The Lord really got us there. When we got there we were given the red carpet treatment and allowed to stay in a guest house in part of the presidential palace. That was not bad at all (laughter). That evening, we had our first meeting . . . (Minister of Foreign Affairs and, later, the Deputy Prime Minister). And, on day two, our visit with President Saddam Hussein at his palace . . . But, after the initial greetings, I started the meeting with President Saddam Hussein by repenting on the part of America for what we've done to that nation, to him, and to his people. And, I nearly lost control. I tell you I was just on the verge of losing control because I thought of the round table meeting we had here and how God met with us in that round table over here in the other building (Morningstar Ministries, Pineville, NC) and how God used repentance in such a forthright way, in such a powerful way . . . Just before sobbing, both of us began to cry. Saddam Hussein began, tears began to come. If it hadn't been for calling this in check immediately, there would have been the strangest sight I think the world could ever see . . . This, so called, madman breaking to pieces and everybody knew what was about to happen. He said some of the most powerful things and I am very much shocked and surprised that the madman that we were supposed to meet turned out to be a family man, turned out to be somebody that made some bad mistakes in the past. But, turned out to be someone humble enough to say some things that would blow your mind. You could just sit there and feel the spirit that he employed when he said this. It's true that this man is a very dominant military leader, but he is not a madman. All of Iraq seems to love this man. The Christian church, especially, seems to love him . . .

"He said, 'I have never found an answer as to what America has gained by vilifying Iraq unless I look to the spiritual. (Notice that statement.) God must have wanted to humble us.' Does that sound like a madman? Does that sound like a madman? When he would speak of our president as the most powerful man on the face of the earth that God had raised up, the United States as being the last of the great super powers . . . ; President Hussein replied with this, 'President Clinton is not only the hope of America, he's the hope of Iraq, and he's the hope of the whole world.' (This was before Clinton's second election.)"

Paul Cain then reported that Saddam said, "But what ultimately brought peace was when God gave him wisdom. Almighty God gave him his wisdom to go and sit down with his enemies and to reason with them . . .

"We talked to him about the church in Iraq and asked him hard questions about different religions in Iraq. He said, 'Iraq is the only Arab nation where you will find Christians and Moslems, all kinds of Moslems and Christians living side by side.' He said that this diversity and tolerance goes all the way to the top of the government . . . I found that striking that the Deputy Prime Minister was a Catholic and his wife was a Spirit-filled Christian. It was really not what we expected."

Everything about this story is intriguing. Mr. Cain spent an entire evening with the Deputy Prime Minister, who was the Catholic, and his wife, apparently, a Charismatic. He said they talked for several hours. I'm searching for information on other meetings that Paul Cain, Rick Joyner, or other Charismatic leaders may have had with Saddam Hussein. I am convinced that this is an ongoing dialogue and that the city of Babylon has been a part of their discussion. Watch for more on the subject of Charismatics, Catholics, and the city of Babylon.

The Catholic Church And New Wave Charismatics

The language of the Charismatic world is becoming increasingly Catholic. You read the earlier quote from the publication, "Prepare For War," where they actually called communion the "Eucharist." That's Catholic trans-substantiation or the supernatural transformation of the bread and wine into His body and blood.

A recent article in the leading Charismatic publication, "Charisma," told of a phenomenon concerning a loaf of bread being the source of multiple miracles. This particular church regularly gives its members pieces of the loaf to give to the sick and the lost, and they say that they are healed or saved by the eating of it. (Please read the side article on "The Catholic Eucharist: Charismatics.") A large percentage of the church world is totally swayed when this kind of conversion or miracle occurs regardless of the source. We know that no true conversion to Jesus Christ can be accepted if the doctrines and events are the work of evil spirits. If a true conversion

occurred in the presence of evil, the transformed heart would certainly be quickly moved to separate itself.

Many paranormal and deceiving signs are going to flood the church world. The only safe soul is the one hidden in the Word of God and ready to judge everything on the basis of the truth alone. No wonder the battle cry of Pensacola, Toronto, the Trinity Broadcast Network, etc. has become, "God is bigger than His Word," or "Don't Put God in a Box or a Book." They have got to get their subjects out of the Bible or their deception will not last. Thousands have already been delivered from the New Wave doctrines because they finally came back or never really became comfortable with anything not clearly a part of Holy Scripture.

Apostle Paul warned of this deception when he said, "And then shall that Wicked be revealed, whom the Lord shall consume with the spirit of his mouth, and shall destroy with the brightness of his coming: Even him, whose coming is after the working of Satan with all power and signs and lying wonders, And with all deceivableness of unrighteousness in them that perish; because they received not the love of the truth, that they might be saved. And for this cause God shall send them strong delusion, that they should believe a lie. That they all might be damned who believed not the truth, but had pleasure in unrighteousness." (2 Thessalonians 2:8-12).

Notice the reason for their damnation was that they "believed not the truth." When you reject or replace truth, your damnation becomes unquestionable unless you repent. Many shall not find their way back to the safe haven of the Holy Book.

The New World Order - It's Real

The Bible clearly warned of a religious led New World Order. It would be impossible to unite the world unless a religious consensus could be first experienced. The entire idea of this one world system is awaiting the One World Church. No wonder the president of America will go out of his way to meet with the pope of Rome. Bill Clinton probably agrees with nothing Pope John Paul believes or promotes; yet, it becomes imperative to play the part. The Bible warns of this "harlot-led" and despicable system. John the Revelator shows the picture of her power to corrupt the whole world. ". . . Come hither; I will shew unto thee the judgment of the great whore that sitteth upon many waters; with whom the kings of the earth have committed fornication, and the inhabitants of the earth have been made drunk with the wine of her fornication. So he carried me away in the spirit into the wilderness: and I saw a woman sit upon a scarlet coloured beast, full of names of blasphemy, having seven heads and ten horns. And the woman was arrayed in purple and scarlet colour, and decked with gold and precious stones and pearls, having a golden cup in her hand full of abominations and filthiness of her fornication: And upon her forehead was a name written, MYSTERY, BABYLON THE GREAT, THE MOTHER OF HARLOTS AND ABOMINATIONS OF THE EARTH. And I saw the woman drunken with the blood of the saints, and with the blood of the martyrs

of Jesus: and when I saw her, I wondered with great admiration." (Revelation 17:1-6).

It's amazing to watch in the Scripture how she is used by the political world to unite the people, but then be hated and betrayed by the very system she helps create. John, by the Spirit, told of her unalterable destiny. "And the ten horns which thou sawest upon the beast, these shall hate the whore, and shall make her desolate and naked, and shall eat her flesh, and burn her with fire. For God hath put in their hearts to fulfil his will, and to agree, and give their kingdom unto the beast, until the words of God shall be fulfilled." (Revelation 17:16-17).

The New World Order is real! While the persons spoken of in this article may be of little consequence in the total picture; the events and languages are prophetic to the final story. The entire world is being readied for the end times fulfillment.

True.

I quote Black extensively in VAIII.

Thomas J. Watson was the head of IBM, a 33rd Degree Freemason and received Hitler's highest civilian award as did 33rd Degree Freemason Henry Ford.

Watson Jr. was also a CFR member and an ambassador to Moscow---that Jesuit Inquisition.

Title: The Honorable R. James Nicholson

Description: *Another Rome whore!*

CRAIG-OXLEY - November 17, 2005 01:07 AM (GMT)

The Honorable R. James Nicholson

R. James "Jim" Nicholson was nominated by President George W. Bush to serve as Secretary of Veterans Affairs on December 9, 2004, and was unanimously confirmed by the Senate on January 26, 2005. He was sworn into office on February 1, 2005.

Mr. Nicholson is the principal advocate for veterans in the U.S. government and directs the nation's second largest Cabinet Department, responsible for a nationwide system of health care services, benefits programs, and national cemeteries for America's veterans and dependents. VA employs approximately 230,000 people at hundreds of medical centers, clinics, nursing homes, benefits offices, and national cemeteries throughout the country. The VA budget for fiscal year 2005 is more than \$70 billion, an amount greater than the budgets of 24 states combined.

Prior to his nomination, Mr. Nicholson served as U.S. Ambassador to the Holy See, a position he held since 2001, where he became a well-known advocate in Rome for the elevation of human dignity, giving special emphasis to human trafficking, religious freedom, starvation and bio-tech food, HIV-AIDS, and international terrorism. He was knighted by Pope John Paul II in October 2003 for this work on these issues while representing the U.S. to the Vatican.

Mr. Nicholson was born in 1938 and grew up on a tenant farm in northwest Iowa in a family of seven children. He is a 1961 graduate of the United States Military Academy at West Point, N.Y. Mr. Nicholson served eight years on active duty as a paratrooper and Ranger-qualified Army officer, then 22 years in the Army Reserve, retiring with the rank of colonel. While serving in Vietnam, he earned the Bronze Star Medal, Combat Infantryman Badge, the Meritorious Service Medal, Republic of Vietnam Cross of Gallantry and two Air Medals.

Mr. Nicholson earned a master's degree from Columbia University in New York, and a law degree from the University of Denver. He practiced law in Denver, specializing in real estate, municipal finance and zoning law. In 1978 he founded Nicholson Enterprises, Inc., a developer of planned residential communities, and in 1987 he bought Renaissance Homes, which became an award-winning builder of quality custom homes.

In January 1986, Mr. Nicholson was elected committeeman from Colorado for the Republican National Committee (RNC). In 1993 he was elected vice-chairman of the RNC, and in January 1997, he was elected chairman of the RNC, where he served for four years, through the elections of 2000.

In May 2005, the U.S. Military Academy awarded Mr. Nicholson the 2005 Distinguished Graduate Award in ceremonies held at West Point, N.Y.

Mr. Nicholson is married to the former Suzanne Marie Ferrell of Highland Falls, N.Y., who is an accomplished artist. They are the parents of three adult children.

CRAIG-OXLEY - November 14, 2005 04:01 PM (GMT)

Who is working for who and who is financing who is not easily proven, but like the old SS slogan says, "no secret is impossible to learn". The Rothschild money goes back publicly at least to 1776, the founding of the Bavarian Illuminati by professor of Jesuit canon law Adam Weishaupt (Ingolstadt University), and the Hesse-Cassel nobility of Frankfurt, Germany. It seems, upon close examination, that while Germany was used as a Reformation platform, the truth behind it all may be that the Roman church gained most of its power via said land of the Reformation through Jesuit intelligence/financing.

<http://www.whale.to/b/sp/rothschild.html>

The official Rothschild title, according to a work called the Encyclopedia Judaica <http://www.hebrewworld.com/encjud.html> is KEEPERS OF THE VATICAN TREASURY. An extensive work of Jewish authorship proclaims that the Rothschilds, while practicing Jewish custom, are either working for or in partnership with the Vatican financial system. Now there does seem to be a struggle within the power ranks of the Vatican, and the various papal bulls attest to this. However, a banning of the Jesuits and a banning of the Bavarian Illuminati is a great smokescreen for underground reorganization. When the Jesuit hand was being exposed amidst all the political upheaval in Europe, the Vatican spin doctors had to create a false flag action to take heat away from the true source of the disease. Ban the Jesuits, not the people giving the orders back in Rome.

Like 2tuff pointed out, the 14th Amendment was a direct creation of the Vatican/Jesuit inspired U.S. Civil War with Jesuit John C. Calhoun playing the role of traitor and popish instigator demanding States Rights that would eventually lead to Southern succession. <http://www.pacinst.com/terrorists/chapter2/jackson.html>

Out of the flames and carnage of the Civil War, which the Rothschild family financed both sides, we have the 14th Amendment which opens up the door for the future Fed Reserve Act and fiat financial prison.

We then get Social Security and other crap while the US gold is confiscated and shipped off

to Geneva for the Rothschild bankers to store away for future Vatican war financing. This is done shortly before the Ashkenazi gold and silver of German Jews is confiscated and laundered through the same Swiss banks at the behest of Adolf Rothschild and the Jesuit SS of Nazi Germany.

Rothschild in German means **RED SHIELD**. The family symbol in Frankfurt, Germany was a red hexagram. Hexagram=Seal of Solomon. This seal is found above the eagle's head on the back of the US one dollar bill.

The Seal of the "jewish" Rothschild family on the Vatican created Federal Reserve notes with the Roman war eagle proclaiming **OUT OF MANY, ONE** or **ONE GOVERNMENT OUT OF MANY NATIONS (NWO)**.

Senator Palpatine (Palestine) Black Sith Lord (Jesuit Pope) of the Galactic Empire (Roman global sun government with Constantine christianity being the dark side of the Force).

QUOTE

2tuff:

"Do not fear the truth you are finding and will find, accept it and shrug off any disinformation given previous by ones veiling your new VISIBLE ENEMY! Once many can out this leech then the I.H.S"V" will be no more.

The visible enemy has nothing to fear as long as everyone believes the power center is "secret" and "hidden". They operate openly as the Society of Jesus corporation. While the plan for global control is much older than the Roman empire and indeed the Loyola disciples, it is pretty obvious that the Western world was conquered by, financed, and controlled by the Vatican Jesuits from Spanish "explorers" to Vatican bankers named Rothschild, and Jesuit creations such as the CIA-FBI-MOSSAD-MI6-KGB.

QUOTE

F-Minus:

Are you saying that the Papal Bull of 1773 (abolishing the Jesuit Order) is a smokescreen? Or do I misinterpret?

Seems a bit far fetched...Napoleon putting the Pope in jail for 5 years and all under guidance of the Jesuits among others when it was just a smokescreen. I don't think many will agree on this (Phelps for instance says the opposite..).

No the papal bull and Napoleon arresting the pope are definitely moves to empower the Jesuit society. Perhaps this is when the Black pope officially became more powerful overall than the white Pope? My thinking is that many anti-Jesuit maneuvers are actually Jesuit inspirations. Such as the 911 atrocity created by American-Vatican intelligence with said Jesuit leadership, further opening the door for American war crimes, thus creating more anti American sentiment around the globe. Napoleon was definitely a pure blooded Jesuit. His safe house was built in the Jesuit stronghold of New Orleans but was never occupied in the French Quarter.

I guess my overall thinking is that the Rothschilds are financed by and do the financing for Jesuit-Vatican activities. I would bet they are bloodline kin to the de Medici banking cartel of Jewish bankers in Italy.

F-minus: bottom line is, IMO, the Vatican and or the Jesuits are at the top of most of this chess game. Connecting all the historical and symbolic dots is not an easy task. John Phelps does a great job with a lot of this.

CRAIG-OXLEY - November 14, 2005 04:01 PM (GMT)

The Jesuits and Black Pope took final control of the Vatican with the **Doctrine of Infallibility**. Once the White Pope became the Infallible Prince this is when the Jesuits dominated 100%.

CRAIG-OXLEY - November 15, 2005 12:51 AM (GMT)

Well my friend Carl, a lot of the work painting the portrait of Jesuit control and foundations of global intelligence comes from Vatican Assassins. I tend to give credit to books that are banned from public distribution and public libraries some value, but they are still prone to error of course.

If we view the Jesuit Society as a "black widow spider", global intelligence is the spider web that has been cast around the world. Rome is the centrifuge of the web, operating via military, economic, political, and religious manipulation. The bible, while being composed of a lot of mythological allegory, is interesting in the book of Daniel about the Roman stronghold on the world:

"I was considering the horns, when another horn appeared, a little one coming up among them; to make room for it, three of the earlier horns were plucked up by the roots. There were eyes like human eyes in this horn, and a mouth speaking arrogantly." DANIEL 7:8

A horn with eyes? Perhaps the obelisk with the eyes of global intelligence and the Pope speaking arrogantly while facing the obelisk in St. Peter's Square?

In order to run any affective intelligence outfit, you have to have a central source of power with many branches. Vatican intelligence is the power source, and all national intelligence agencies operate as part of the same system will proclaiming to be a sovereign entity.

Hitler's SS men were for the most part confessing Jesuits. Secret Service is just another branch of the SS, and the CIA has always been full of Jesuit influence. The Jesuits protect the Vatican. The Vatican funds the Rothschild bankers. The Rothschild bankers run London. MI6 works for the Rothschild interests which basically means for the JESUIT interests.

Eric Phelps does the best job that I have found of putting the global intelligence circle around the Jesuit command.

The interview of EJ Phelps is a great read if you have time to read it. I can't paraphrase the most important parts. They are all important.

a hexagram is not simply the Seal of Solomon. This is one way it was used. The hexagram is an ancient symbol of union the male with female, receiving with giving, and it has inherent power just like any other symbol. This is why it is used by the elite, by magicians/alchemyists, and by Solomon

CRAIG-OXLEY - November 13, 2005 11:16 PM (GMT)

I do not intend to offer this information up to get everyone stirred up over 2tuff and his/her posts.

I do find this VERY interesting. While the "hidden hand" has many fingers, the Jesuit monetary and military presence cannot be ignored. A friend of mine gave me a link about the ownership of the Federal Reserve and its stockholders. While scrolling down the ownership chart the name THOMAS FORTUNE RYAN pops out as part of the Fed Reserve creation and financing.

<http://www.save-a-patriot.org/files/view/whofed.html>

Now this was what came up when I was trying to see if Nolan Ryan, a close Bush family friend, was part of the Thomas F. Ryan family tree...

Thomas Fortune Ryan was a benefactor of the Jesuits.

The Ryan Burials in this Mausoleum were originally buried in (under) the chapel of St. Andrew's, but when the building was sold, with most of the property, and the chapel would no longer be used as a chapel, the mausoleum was built in the cemetery, to which the Jesuits retained title. The bodies were then transferred there. Any burials in the mausoleum after abt. 1970-72 were direct burials, as the property was sold at about that time.

<http://www.geocities.com/Heartland/Acres/2...ewOnHudson.html>

I am willing to bet my unproductive life that NM Rothschild and family were financed by Rome and the Jesuits, and the Jesuits do indeed own the United States, England, Germany, and its various branches of "sovereignty" around the globe via economic bondage. The Jesuit noose around the American citizen is called the Federal Reserve.

Alot of information tends to back up 2tuff's claim that the Jesuits are the strong arm of the global manipulation.

There's a fascinating article here that puts the 1981 attempted assassination of JP II squarely at the feet of the Jesuits.

According to Jack Chick, I think it was in his book Smokescreens (which can be read online at chick.com), the Arab guy that shot him was working for the Vatican. He was a good marksman too--which means that he could have killed JP II if that's what he was after.

JP II attributed his survival to the Virgin Mary, and he publicly "forgave" the Arab guy--and I think it was to score some brownie points with the Muslims (think ecumenism). Remember the Muslims honor Mary too.

It was basically a show.

Vatican: Faithful Should Listen to Science

By NICOLE WINFIELD,
Associated Press Writer
Fri Nov 4, 10:12 AM ET

http://news.yahoo.com/s/ap/20051104/ap_on_sc/vatican_science

VATICAN CITY - A Vatican cardinal said Thursday the faithful should listen to what secular modern science has to offer, warning that religion risks turning into "fundamentalism" if it ignores scientific reason.

Cardinal Paul Poupard, who heads the Pontifical Council for Culture, made the comments at a news conference on a Vatican project to help end the "mutual prejudice" between religion and science that has long bedeviled the Roman Catholic Church and is part of the evolution debate in the United States.

The Vatican project was inspired by Pope John Paul II's 1992 declaration that the church's 17th-century denunciation of Galileo was an error resulting from "tragic mutual incomprehension." Galileo was condemned for supporting Nicolaus Copernicus' discovery that the Earth revolved around the sun; church teaching at the time placed Earth at the center of the universe.

"The permanent lesson that the Galileo case represents pushes us to keep alive the dialogue between the various disciplines, and in particular between theology and the natural sciences, if we want to prevent similar episodes from repeating themselves in the future," Poupard said.

But he said science, too, should listen to religion.

"We know where scientific reason can end up by itself: the atomic bomb and the possibility of cloning human beings are fruit of a reason that wants to free itself from every ethical or religious link," he said.

"But we also know the dangers of a religion that severs its links with reason and becomes prey to fundamentalism," he said.

"The faithful have the obligation to listen to that which secular modern science has to offer, just as we ask that knowledge of the faith be taken in consideration as an expert voice in humanity."

Poupard and others at the news conference were asked about the religion-science debate raging in the United States over evolution and "intelligent design."

Intelligent design's supporters argue that natural selection, an element of evolutionary theory, cannot fully explain the origin of life or the emergence of highly complex life forms.

Monsignor Gianfranco Basti, director of the Vatican project STOQ, or Science, Theology and Ontological Quest, reaffirmed John Paul's 1996 statement that evolution was "more than just a hypothesis."

"A hypothesis asks whether something is true or false," he said. "(Evolution) is more than a hypothesis because there is proof."

He was asked about comments made in July by Austrian Cardinal Christoph Schoenborn, who dismissed in a New York Times article the 1996 statement by John Paul as "rather vague and unimportant" and seemed to back intelligent design.

Basti concurred that John Paul's 1996 letter "is not a very clear expression from a definition point of view," but he said evolution was assuming ever more authority as scientific proof develops.

Poupard, for his part, stressed that what was important was that "the universe wasn't made by itself, but has a creator." But he added, "It's important for the faithful to know how science views things to understand better."

The Vatican project STOQ has organized academic courses and conferences on the relationship between science and religion and is hosting its first international conference on "the infinity in science, philosophy and theology," next week.

Vatican to host debate on infinity

http://ansa.it/main/notizie/awnplus/englis...04_1883147.html

Congress will seek harmony between science and religion (ANSA) - Vatican City, November 4 - The Vatican is to host an international conference next week aimed at finding common ground between two worlds often seen as mutually exclusive: science and religious faith .

Some of the world's most authoritative scientists, philosophers and theologians will gather at the Pontifical Lateran University for three days of debate focused on the idea of infinity .

The meeting has been organised as part of a wider, Vatican-sponsored project to promote dialogue between religion and science. The current pope's predecessor, John Paul II, issued an important document - Fides et Ratio (Faith and Reason) - arguing that the two universes were inextricably intertwined .

Among the scientists due to attend are Argentinian Juan Maldacena, an internationally renowned figure in quantum gravity and string theory; Italian Enrico Bombieri, a star in number theory and geometric algebra; and Britain's Joseph Silk, the Oxford University professor famed for his work on theoretical cosmology and dark matter. American Nino Cocchiarella, the Indiana university professor famed for his work in the field of logic, will be holding the flag for the philosopher's contingent .

The theologians, meanwhile, will include Cardinal Paul Poupard, head of the Vatican's culture 'ministry' and Cardinal Georges Cottier, the pope's official theologian .

There will also be two Jewish theologians, Rabbi Adin Steinsaltz of the Israel Institute of Talmudic Publications and Rabbi Benedetto Carucci of the Rabbinical Seminary in Rome .

"Dialogue between science and faith is becoming a stimulus for deeper inter-religious dialogue, because the challenges of science are an issue for all religions," said Monsignor Gianfranco Basti, the congress organiser .

The three-day event, which starts on November 9, will examine the concept of the infinite in four contexts: Physics, Mathematics, Philosophy and Theology .

The goal is to gauge to what extent concepts of infinity in these areas may share points of reference.

I think that true science complements Christianity. Junk science opposes it. In fact, the New Testament mentions "science so falsely called."

I know JP II said God could have used evolution and that Adam and Eve were a myth.

<_<

I believe what the Bible says. ;)

Scientists with all their fancy degrees and equations still claim a Bumble Bee cannot fly and do not know why it does! Well my friends, it does! So much for modern science!

"In everything give thanks, for this is the will of God ..."
(1 Thessalonians 5:18)

Thanksgiving 2006

Glorious is the feeling I receive when I'm about to go and write and act. This is one of

my best works that I wrote honestly. I've been through a lot of turns. There are a lot of shills out there and we must disagree with them and makes our rebuttals known. On the other hand, we must not be obsessive over them like a sicko, but mindful and logical in our approach to display evidence and information. **Samuel Alito** is the new Supreme Court justice that George W. Bush had proposed. Many conservatives love him for they feel that he's authentically Pro-Life. On at least 3 court cases, Alito voted on the Pro-Choice side whether it's partial birth abortion, notification, or a wrongful death suit in NJ. I want someone Pro-Life as well, but his view on criminal justice concerns me. The reason is that I want justice, but not at the expense of denying American citizens their inherent civil liberties. I abhor the Big Brother agenda with RFID chips and the increasingly surveillance system globally as well. I want to know more about his views on free speech, civil rights, and other things. Joel Garrett mentions that Bush betrayed Evangelical Christians by electing Alito, who is Roman Catholic. People know what I feel about Roman Catholicism.

While I disagree with Roman Catholicism for many reasons, I think we also need to equally oppose Reconstructionism and **Dominionism** (since many of these guys want a bonafide theocracy in society that Protestants/Baptists historically opposed for centuries). Dr. Kamau Kambon's statement to kill all white people was wrong, but also the 13 year old twin singers' Lamb and Lynx Gaede racist rhetoric as well. They have songs like "Sacrifice" praising the Nazi Rudolf Hess and one of their relatives branded their cattle with a Nazi swastika. These girls are known as Prussian Blue and they promote white supremacy. I'm a warrior and I know self-defense, so I have no fear but God. On the other hand, many people of my race might be intimidated by these brainwashed souls. It's apparent that the Elite class allows racism to spread so the middle class of any color are divided and desensitized to not do any radical solutions. They also want people to hate cultures and hate the diversity of mankind. Your culture and your color is God-given and should be cherished, regardless of skin color, therefore we must unite under God to fight against evil tyrants and tyranny in the world. Also, as human beings, we must expand our minds to expose other crisis occurring in the world as well. David J. Stewart from Jesus-Savior.com made an interesting point on how we need to focus on helping the poor and decrying the starvation taking place in Afghanistan and India. India has tons of grain stored away (David proved this from a 2002 article in the New York Times) that can feed millions of starving Indians, yet nothing is done to send the grain to those experiencing terrible circumstances. The transgenic or animal/human hybrid agenda is not something that I'm for. That screws around with nature of the beauty of God's creations. I'm all in favor of organic foods since they are beneficial to human beings and they are all natural. **Human trafficking** is not only in foreign countries (that's been exposed in a Lifetime cable channel movie), but here in America. Therefore, all slavery hasn't been eliminated in the U.S. despite it being immoral and unconstitutional. For example, DynCorp have been exposed for having numerous sex slaves. Some of these girls are as early as 12

or 15 years old.

Insight Magazine proves this. I knew about the benefits of Hemp, but I never knew that it can be used as a good alternative fuel replacing petroleum oil. Hemp is justified for usage and has nothing to do with smoking marijuana (which can cause problems for any human using it). According to David Stewart, Diesel engines can actually run just fine on straight vegetable oil (SVO). Randolph Hearst and Pierre DuPont (both globalist industrialists) help banned Hemp in the market on a global scale. Hemp and other alternative resources can end our reliance on foreign sources of oil indeed. Genetically modified foods are a curse in this wood, which can disrupt crops and can cause problems for humans and animals. The overpopulation lie is still promoted by Ted Turner (who wanted billions of people to die), Warren Buffett (friend of the Rothschilds, funded the son of a Nazi Roman Catholic Arnold Schwarzenegger, and Warren is one of the richest men on Earth), and even Bill Gates. Dr. Jacqueline R. Kasun refuted the lie over overpopulation. The overall world population growth between decades continue to decline, population growth in Europe is almost 0, and you can fit all humans on Earth in the state of Texas given 1,000 square feet each give or take a couple of thousand square miles.

The PrisonPlanet.com site outline that internal memos from Big Oil companies of Mobil, Texaco, and Chevron shown efforts they made to reduce refining capability of limiting refineries to drive up oil prices. Even MSNBC's Joe Scraborough is exposing the oil companies gouching profits from consumers. The Club of Rome, the CFR, The Bilderberg Group, and other globalist organizations are actively promoting peak oil along with "alternative media" folks like Michael Ruppert and Oil Empire. The truth is also that America always had good and evil people in it. The evil occult people planned America as a "New Atlantis" to fulfill their agenda to create a "new order of the ages" or

the “New World Order.” One of the men who mapped out the America that you see today was Francis Bacon, a Rosicrucian and occultist who wrote the book **“The New Atlantis.”** It only talked about America being a commonwealth, but it discussed about skyscrapers, underground vehicles, and other events. Freemason Manly P. Hall envisioned America as having to arise a global democratic commonwealth and a shrine to Universal Truth in his book called **“The Secret Destiny of America.”** So many occultists and Masons have utilized America as a puppet so to speak to carry forth their agenda. God fearing men, women, and children have existed in early America and today fighting for truth like John Wesley, Daniel Webster, Cotton Matter, John Jay, Christopher Gadshen, Henry Laurens, David Rice, John Quincy Adams, John Dickinson, Zephaniah Swift, Benjamin Rush, Jonathan Edwards, John Witherspoon, John Leland, and others in the Great Awakening, opposing slavery, preaching the gospel, opposing Occult Secret Societies, etc. There have been riots in France, Denmark, and other places of Europe for days now. In France, it’s especially worse with North African Muslims and some West Africans rioting.

This is wrong obviously and unfortunately racists are using this tragedy as an excuse to bash all Arabs and blacks. We must condemn the riots as evil criminal behavior and the wrong way in trying to solve the economic plight among North Africans plus West Africans, while at the same time not to demonize all people of Arabic descent. Now, an Atzan member Ernesto Cienfuegos questioned whether riots can come around here in America. These groups are extremist and are funded by the banking elite like **the Ford Foundation**, yet they claim they want to promote Hispanic interests. How hypocritical. The French neo-con Interior Minister Nicolas Sarzoky intentionally used defamatory language of the immigrants calling them “scum” and “riff-raff.” Wayne Madsen called the riots as an organized event used to not only promote xenophobia (or hate of immigrants. I have no problem with hating illegal immigration, but not hating the concept of immigration in general), but lead Europe in a more cooperative manner in

this "war on terror." Sarkozy, according to Madsen, has ties to the Likud party in Israel and the Bush/Blair administrations. I just saw Matrix Reloaded and it just gives me a lesson in that we should reject the matrix of evil in our lives. As long as I have breath and forever, I will be Pro-Life. A lot of Pro-Choice people don't realize that their hero **Margaret Sanger** not only had pro-Nazis on her early staff, but she was in the New Age. For example, Sanger was into Rosicrucianism, she was in the New Age group called "Unity," she loved numerology, she like astrology, she consulted mediums, and she was a drug addict. Planned Parenthood is a criminal group and others like N.A.R.A. L. and N.O.W. are just brainwashed. The world has gotten so sick that [London Observer | May 3, 2005](#) reported that aborted fetuses are used in beauty salons. It's also a carefully guarded Secret that Hitler himself was Pro-Choice. The Alex Jones situation (i.e. loving the Passion film, censorship, etc.) is sad since he's wrong on a host of issues. I like a lot of Alex's deeds, but he must change. On the other hand, WINGTV have sad a host of subliminal cheapshots against Bible Believing Christians who believe in prophecy. It's ironic, but I'm not intimidated by WINGTV or anyone. WINGTV, just because we accept the End Times (really it's not the end, but the end of this present age), doesn't mean we accept fear mongering. Without people like us, the one world government system would be heer since End Time people like Meyer, Lisa Gary, Cutting Edge, etc. have put out some of the most hard hitting info talking about the New World Order. I'm a Virginian, so I have to talk about Kilgore and Kaine. To me, I don't agree with both of them on a number of issues. Both have strengths and weaknesses. I voted in Virginia and it's strange that the nation is talking about our election like this. Tim Kaine won the Election.

Spirituality

There's nothing wrong with spirituality. Sometimes in our hearts, we need to connect with the Supreme Being. Human beings throughout history have always discussed about the world beyond what we can comprehend. Tons of people bash the Bible constantly, but the truth makes the Bible an unique work of art and God Almighty's Word Look at these facts. Let Us Reason Ministries site said that over 2,500 sites in the Bible are validated as real places by archaeological discoveries. The recently discovered Magdalen Papyrus (or P64) is dated in 64 A.D. The Barcelona Papyrus is dated before 66 A.D. This was less than 35 years after Christ's death and resurrection unto heaven while many ancient documents like the Iliad, Greek works, etc. have

copies hundreds of years after their original creations. The NT is the most documented book in ancient history with over 24,600 ancient copies.

7 copies of Plato's work existed 1,200 years after 427-327 B.C. and Homer only had 643 surviving ancient manuscript copies. The Peshitta (147 A.D.), Old Latin (150 A.D.), Sathidic, etc. are versions of the Bible that existed way before 393 A.D. The Bible is preserved so well that researchers like Sir David Dalryrinple said that 86,000 quotations from the early church have all of the Scripture quotations from the NT period!!!!!!

Tecktonics.org, carm.org, Christian Think-tank.com, and other Christian websites refute the so-called "contradictions" doubters use to bash the Bible. They use no such doubt on the ancient scripts of other ancient civilizations, but they slander the Bible. They are hypocrites. I have no problem with discussing about the Da Vinci Code, but even non-Christians have exposed its inaccuracies. For example, Dan Brown claims that Constantine invented the canon, but many canon existed in the 100's A.D. He claimed that the Trinity was invented in its modern sense in the 300's, when Christians used the word Trinity as early as 180 A.D.

Popular Culture Part 3

Compromise, death, and evil runs throughout popular culture. Desensitized people are the outcome many of the corporations and people just love it. I've haven't seen one real person in TV (regardless of color and creed) in the entertainment industry really fighting and exposing what's really going on in the world. What really going on is that this Iraq War was mentioned in the PNAC documents, Bush is 2 occult Secret Societies, and we must expose globalization and the bashing of the diversity of mankind plus sincere spirituality. Anti-Christian bashing still reigns in Hollywood. If you don't believe, just look at the movie of "Saved."

Jesus predicted in Matthew 24:9 that real Christians will be persecuted and hated and this is a reality in the Twenty-First Century. The media's mocking of Bible-Believers, the politicians demonizing Christians calling them "right wing radicals," the Ten Commandment fiasco; intimidation, the protestors in Philadelphia, etc. confirm the bigotry. Many of the staff are homosexuals or radical homosexual advocates like homosexual-rights-advocate Brain Dannelly, sodomite rock band REM singer Michael Stipe, and Sandy Stern. The cast are the world's teen and early adult "stars" who are Mandy Moore, "Home Alone" Macaulay Culkin, Jena Malone, teen "sex symbol" Patrick Fugit, Heather Matarazzo, Martin Donovan, Eva Amurri, Chad Faust and others. Many of the Christians are portrayed as insane and the message of the film [said by its producers] is to force people to accept the abomination of homosexuality. The "True Images" Bible, published by Zondervan (reported by World Net Daily) talks about oral sex and lesbianism. You got Sheryl Swoops admitting to being a lesbian and shows like the "L" word promoting this garbage. A lot of popular culture relates to the New Age Movement. **The New Age Movement accepts compromise of almost all concepts, the belief of man's divinity, and the hatred of basis conservative principles. Many people in the Hollywood/worldly lifestyle accept those precepts.**

The Nexus

This nexus is going to describe global power. First, the Vatican-based Secret Societies of the Jesuits, Knight of Malta (aka SMOM), Opus Dei, and the Knights of Columbus must be explored first. The Order of the Jesuits was invented by Ignatius Loyola in the 1500's. The SMOM was created in the 1100's, Opus Dei was formed in the 1900's, and the Knights of Columbus was invented in the early 1800's in New Haven, Connecticut. Pope Pius XII's Syllabus of Errors condemned modern civilization and even Bible Societies. Jesuit priest Joseph Rettinger and 33rd Degree Freemason (according to Dr. John Coleman) founded the Bilderbergers. Eric Jon Phelps wrote that Chief Rabbi of Rome, Israel Zollin aided Jesuit trained Pope Pius XIII in his S.S./Gestapo Inquisition in deporting the Jews of Rome to Auschwitz. SS General Karl Wolff was behind the murder and theft of Rome Jews, but he was protected by Freemason and Director of the CIA Allen Dulles (his son was the Jesuit Avery Cardinal Dulles). The Jews in general aren't to be blamed for the atrocities of the Masonic Jewish Zionists. Scalia (whose son is a priest) is promoting the Jewish Talmud).

Hitler signed Concordant with Vatican Cardinal Pacelli in 1933 with the help of **Knight of Malta Franz von Papen**. SMOM Joseph Kennedy sympathize with the Nazis and he was forced to leave his post in 1940 as a ambassador to Great Britain, because of his treason. Knight of Malta Lee Iacocca, head of the Dearborn Division of the Ford Company, dispatched Renas [head of security for the Dearborn Division of the Ford Motor Co.] to sent the car that JFK sat to D.C. Iacocca became head of the Ford Motor Company in 1970. Even Oswald meet with the Jesuits and his cousin was preparing for the Jesuit priesthood at Spring Hill College in Mobile, AL at 1963. Hitler was never excommunicated from the Roman Catholic Church at all. The canon to Munich Archbishop Michael von Faulhaber was Wilhelm August Patin. Patin was a Dominican priest, S.S. officer, and Himmler's cousin. SS General Baron Frederick von Eberstein admitted on questioning at Nuremberg that Archbishops Michael von Faulhaber and Brunswick were high ranking officers in Himmler's Germanic, Teutonic S.S. Heinrich Himmler's uncle was a Bavarian Catholic priest.

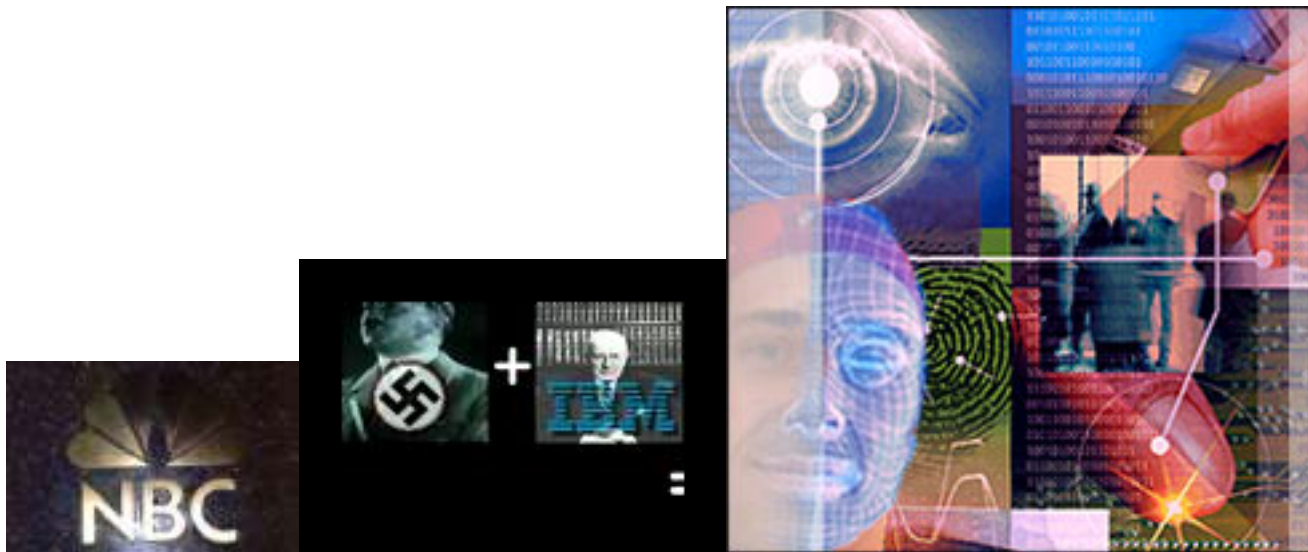

The Jesuit confessor Tacchi Venturi influenced Italy's dictator Benito Mussolini to outlaw Protestantism in Italy, deported Jews to Auschwitz, and gave military aid to Saudi Arabia's King Ibn Saud in 1932. The Vatican's Jesuits allowed Roman Catholic Franco to come to power in Spain from stopping Spain in becoming a Republic. Masonic Jewish Zionist Rudolf Kastner worked with Nazis Adolf Eichmann and Kurt Becher to kill 400,000 Hungarian Jews validated in a trial against Michael Greenwald. Jesuit priest William J. Fulco was the director of the Passion of the Christ with the Jesuit Douay Bible. SMOM Joseph L. Larken appointed Papal leader General Franco of Spain along with the FED. Knight of Malta John J. Rascob was involved in the plot to overthrow FDR's administration to form a Hitler-like dictatorship was only stopped by General Smedley Bulter, Congressional medal winner. Fritz Thyssen, a Nazi funder, was acquitted at Nuremberg via CFR member and 33rd Degree Freemason Supreme

Court Justice Robert Jackson. **SMOM German WWII General Reinhard Gehlen** (Hitler's chief intelligence officer against the Soviet Union) not only was involved in the creation of the Central Intelligence Agency, but trained Mossad troops. The Vatican had the Papacy and many SMOMs involved in shipping Nazis to America, South America, etc.

SMOM William Casey invented the Manhattan Institute, which fronting for the illegal/government controlled "faith-based" initiatives. Mayor O'Malley, Diaz, Brown, and even Fidel Castro (confirmed by Eric Jon Phelps) were trained by the Jesuits. Opus Dei Robert Hannessen was a notorious traitor and spy. Knight of Malta ex-CIA Director George J. Tenet (according to Eric, he's a SMOM) is now a professor at Jesuit Georgetown University. The President of Georgetown is SMOM John J. DeGioia (CFR member). DeGioia is member of the U.S. National Commission for UNESCO, Chair of its Education Committee, according to the webpage he "represents Georgetown" being a member of the World Economic Forum and the Council on Foreign Relations. Knight of Malta James Jesus Angleton was the Chief CIA Counterintelligence and manned both the Vatican and Israeli intelligence desks. The Bush/Bin Laden family network has a business relationship with the Carlyle Group, head by SMOM and CFR member Frank C. Carlucci. Today, the **Knight of Malta Juan Carlos of Spain** has been involved in the Peace Process as reported by Barry Chamish. Possible 2008 Presidential candidate PA Senator Rick Santorum is in the Knights of Malta and his wife is a Dame of Malta inducted at the St. Patrick's Cathedral in NYC on November 12, 2004. As for Knights of Columbus info, John F. Kennedy was a member of the K. of C. Roman Catholic Knight of Columbus Francis Matthews was the Secretary of the American Navy. He allowed thousands of Catholic Vietnamese from the North to South Vietnam aggravating the Vietnam War as mentioned by Col. L. Fletcher Prouty. In fact, Matthews was the Supreme Knight of Columbus. According to Eric Jon Phelps, Edward Kennedy is also a K. of C. Ronald Reagan's (one of the biggest wolf in sheep clothing ever) own relative was another one and Reagan admitted to that. Tom Ridge is another famous Knight of Columbus member. I forgot that the new Pope Benedict XVI was part of **Hitler's Youth as a child. Hitler's Youth Corps had the thunderbolt symbol also used on the uniforms of Nazi SS soldiers.** The thunderbolt was used in ancient mythology for the Norse, Roman, Greek, and Native American cultures. The thunderbolt in the time of the ancients meant like a fertilizer and the double bolts symbolize Nazi

power. Obviously Hitler was in the occult and paganism. That's why you see Hitler uniting with Tibetan monks and following the occult all of the time. <http://www.secretspacedvd.com/> is a link with a new DVD on the occult nature of the Space Program.

The Nexus Part 2: Corporate Power

There is no question that similarities abound (though Bush is not identical to Hitler) between the Third Reich and the modern administration of 2005. Bush, Rove, Schwarzenegger and others are in the mix as well. Industrialists globally like **John D. Rockefeller Jr.** [giving grants for Nazi race science at the Kaiser Wilhelm Institute, His Standard Oil Company was in a cartel relationship with I.G. Farben, which built Auschwitz, Zyklon B gas, and much of the Nazi war machine. By 1939, Standard Oil of New Jersey sold I.G. Farben \$20,000 worth of high quality aviator fuel], **high-level Freemason Henry Ford** [Hitler and his crew rewarded Henry Ford with the Grand Cross of the Supreme Order of the German Eagle in July 1938 (on Ford's 75th birthday). According to David Rivera, Henry's son Edsel Ford (President of the Ford Motor Co.) was on the board of Directors of the American I.G. Farben Chemical Corporation], **Gustav Krupp** [who advised Hitler and built his armaments. He had a great fortune], and **high-level closet Freemason Hjalmar Schact** [Hitler's Minister of Economics and President of the Reichsbank] were evil men who aided the Nazis in WWII.

Even high-level Freemason and Bohemian Grove member Thomas Watson Sr. headed IBM in America and Germany in the 1940's. Watson Sr. sat with Hitler and used IBM to develop a punch card system to census and exterminate the Jews in Europe. This new info that I've discovered is what Freemasons don't want people to know about. In Germany, there were 3 "Old Prussian Grand Lodges" and 6 "Modern Grand Lodes" (who were small, isolated, had a few thousand members each, had Jews and liberals in it). The Prussian lodges barred Jews from joining, were well organized,

and contained the majority of Masons in Germany. According to Hannah Newman's "The Rainbow Swastika" and Freemasonry Watch.org, Hitler in his 1942 law banned all secret societies, except for the Old Prussian Lodges since they barred Jews and were extremist. Freemasonry Watch.org said that the Old Prussian "regular" National Lodges had offices of Nazi party members, officers of high command, captains of industry, royalty, etc.

They helped Hitler into power it's a known fact that many Anglo-American Masons helped Hitler. George Edward Alexander Edmund (the Duke of Kent) became a Grand Master Mason by King George VI in 1939. Edmund was pro-Nazi and went to Germany according to historians. It is alleged that Edmund met with Nazi Rudolf Hess. Hitler loved Prussian King Frederik the Great and Frederick was the famous Freemason of Germany. There is a memorial stamp set made by Nazis in 1933 to mark the opening of the 1st Nazi Reichstag Parliament. John Buchanan finally confirmed Prescott Bush involved with Nazi Fritz Thyssen, Union Banking Company, and funding Hitler by Congressional records and other sources. By 1951, UBC liquidated their stock and gave Prescott \$1.5 million. Arnold Schwarzenegger's father Gustav was a Nazi S.S. officer. CFR member David McHenry is on the Board of Directors of Coca-Cola. **Warren Buffett** is connection to the Rothschilds and he helped financed Arnold Schwarzenegger's run for Governor of California. Michael Lehman confirmed that Newsweek magazine had Schwarzenegger wearing a Nazi SS Death head ring given by the Bush administration, which is sick. The good news is that a lot of people in California are opposed Arnold and seeing through his Hollywood façade. I hope to God that Arnold loses his re-election governor campaign. Plus, Kurt Waldheim was at the bear mininium, a Nazi collaborator. Al Martin says that even Karl H. Rove's grandfather was Karl Heinz Roverer was the Gauleither (or Governor) of Oldenburg. According to him, Roverer was a partner and senior engineer in a company, which built Birkenau, the concentration camp in Nazi Germany. **Some of the same Big Pharma companies that you see today promoting vaccines, genetically modified foods, and other things were the same ones aiding the Nazis. It's common knowledge that the Pharmaceutical Companies are supporting George W. Bush as its leader almost.**

The Nexus Part 3: The S & B and the Bohemian Grove

Skulls and Bones was born in 1832 by General William Huntington Russell and Alphonso Taft (grandfather of President William Howard Taft). Anthony Sutton and Ron Rosenbaum exposed its rituals of an occult tomb ceremony, and oath, confessing sexual secrets, masked men, and other weird circumstances. The mainstream media reported the initiate screaming "The Hangman Equals Death! The Devil Equals Death! Death equals Death!" The S & B are in very prominent positions of power in education, politics, religion, etc. Henry Rootes Jackson and John Perkins Sr. were Bonesmen who were secessionists. **Howard Stanley** was a member of the Skulls and Bones who lead Morgan Stanley & Co. after J.P. Morgan died. Bonesmen W. A. Harriman and the Guaranty Trust financed Communism in the 1920's along with Knight Woolley, a Bonesmen since 1917. It's now a historical fact that numerous Bonesmen aided Hitler (Hitler was in a S&B like groups called the Thule and Vril Societies. All of the Secret orders worked together since both were linked to the occult desiring evil). In fact, it's a historical fact that both the S&B and the Nazi SS used a skulls and crossbones as their insignia. William Bundy was one are in the JFK's administration.

The Nazis just took over the swastika symbol (once an ancient symbol used by the Druids, Native Americans, Buddhists, Blavatsky's work, etc.) The Rockefellers (i.e. David Rockefeller) supported the construction of the WTC complex and Rockefeller Plaza obvious. An interesting tidbit to note is that David Rockefeller's uncle Percy Avery Rockefeller was a member of Skulls and Bones since 1900. John Rockefeller Prentice was a member of the S&B since 1928. George W. Bush and John Kerry's [with Jewish through Kohn, French, and English ancestry] Bonesmen membership was definitely propped up in the media at the 2004 Presidential election. The head of the CIA now is

Porter Goss, another member of Skulls and Bones.

The Bohemian Grove is similar to the S&B, but they are based in Monte Rio, Northern California. Hundreds of people come to praise the false god Molech, a Druid/Canaanite pagan idol. **A statue of it is 40ft. tall in California.** Video have a human effigy burned. The whole thing is occult and Satanic since pagan words are spoken in the Cremation of Care ceremony and death with sacrifice is promoted. Corporate bigwigs, politicians, and U.S. media celebrities are in this group like Ike, Reagan, Bush Sr, George W. Bush, David Gergen, Walter Cronkite, William F. Buckley Fr., John Diebold, etc.) Many of them “relax”, male and female prostitutes abound there, and authors plus researchers like Herman Schmidt admit that networking involving world affairs exist there. For example, according to Alex Jones, Star Wars, the Atomic bomb, Alan Greenspan’s appointment, and other events were influenced by the B.G. **Don't get it twisted though since both the Skulls and Bones and Bohemian Grove are not the most powerful groups on the planet.**

The Nexus Part 4: Propaganda

Propaganda exists all over the place. The “**USA 57**” stamp is an eagle symbol representing state power similar to Nazi Germany. The Waffen SS had this symbol. The Imperial Praetorian Eagle of Ancient Rome had the eagle and fasces symbols in America. The eagle has always been a sign of power and authority for thousands of years in human history. The Associated Press on August 14, 2004 rightfully proved that the Nazis promoted the Olympic ring logo and torches as Nazi propaganda (to promote evil and have fake Oneness. Only God fearing men, women, and children are seen as One in the Eyes of God and will be in the New Kingdom of God in the future). More of this connection is found at <http://www.thememoryhole.org/eagle-stamp.htm> . Posters of Bush, discussion about “terrorism,” and photos of war are other forms of propoganda. Here's actual an actual Nazi penant:

The Nexus Part 5: The Order of the Garter, The Knights of the St. John of Jerusalem, Le Cerle, Freemasonry, & Others

Freemasonry is one of the engines of the elite. They are great instigators of Revolutions (regardless if it was legitimate or not) and cover-ups (i.e. Mason Earl Warren, Allen Dulles, and others were in the Warren Commission and whitewashed information about JFK's assassination as said by many scholars). Ex-President John Quincy Adams and hero Christian preacher Charles Finney exposed the Masonic unjust evil death of Patriot William Morgan. Many Masons do indeed act in charity and worthy humanitarian endeavors, but that doesn't justify its bloody unbiblical oaths, occult symbolism, pagan or occult rituals, and its deception unto the Blue Degrees (documented by Albert Pike). One smoking gun of the N.W.O. supported by many people in Freemasonry is said by Mason C. William Smith.

In the New Age Magazine on September 1950 (the official organ of the Supreme Council of 33rd Degree A. & A.), he discussed Nordic supremacy, lied about God's plan, and a need to combine religions to create the new order of the ages. I read his quote. If his words aren't about the New World Order, then I don't know what will. Many Freemasons have been at the foremost at radical changes in the thought of man like **Erasmus Darwin, Charles Darwin's grandfather. Erasmus Darwin not only believed in evolutionary ideals, but was a Freemason.** I get into discussions with Masons and pro-Masons and regardless Albert Pike's *Morals and Dogma* book is real.

Also, Albert Pike in that book admitted that Freemasonry is a Religion along with other Masons. "The Antichrist and a Cup of Tea" written by great Jewish Christian Tim Cohen excellently making the case that European royalty being connected to many events in the world now. Almighty God wants us to follow him alone not men, so unlimitedly following a King is wrong and immoral. To follow a King to do evil is a sin and also wrong. I follow God alone beyond a King.

Le Cerle is a secret transnational intelligence direct action group that's funded by the CIA. Big wigs like Frank Wisner Jr., Zbigniew Brzezinski, Lord Lamont, Guillo Andreotti, Prince Turki Al-Faisal (who studied at Jesuit Georgetown), Jacques Chirac (aided Saddam), William Colby, SMOM Otto von Habsburg, Henry Kissinger, Knight of Malta Alexandre de Marceches, David Rockefeller, George Soros, etc. are all members. A very powerful world leader surprisingly is Queen Elizabeth II. She is not only the cousin of SMOM Grandmaster Andrew Willoughby Ninian Bertie (the leader of all Knights of Malta worldwide and was elected as head in 1988), but Queen Elizabeth II is the head of the Order of the Garter (members include Sir William Gladstone of Fasque and Balfour, Winston Churchill, etc.) and the Order of St. John [the Protestant version of the Knights of Malta]. According to Dr. John Coleman, the Committee of 300 is run by European aristocrats and other Secret Societies. The Knights of St. John of Jerusalem was created in the 11th century from the Knights Templars. The Knights Templar helped Gerard (founder of the SMOM) become the foundation of the Order of St. John. Pope Paschal II recognized the existence of the Order of St. John in a Papal bull in 1113 A.D. Famous members of St. John include Nelson Mandela, Tony Blair, Louis M. Bloomfield (part of Permindex), and others. O.T.O members L. Ron Hubbard invented Scientology and was a friend of British Satanist Aleister Crowley. Alex Jones and the Watson brothers have exposed Cherie Booth and her husband Tony Blair's involvement with the occult. Blair is supposedly an Anglican (nothing more than Romanism without a Pope), but he has mass regularly and attends a Catholic Church. I expose many evil Zionists as well. Some of them love the Noachide Laws, the Talmud, and other sources of info that I disagree with it. I know there's a distinction between good and evil Jewish people, so I'm not being anti-Semitic here. That's a fact.

More about Real History

The whole Jewish nation wasn't in exile and there was a permanent Jewish presence in the Holy Land from 70 A.D. – 1948 A.D. The Diaspora exile didn't include all Jews. Imminalu.net documents this, so the Jewish claim to Eretz Yisrael justified not only by the Biblical promise from the land God Almighty gave in Genesis 12, but a permanent presence of Jews in the Holy Land. Anti-Semite Roman Emperor Hadrian in 135 A.D. tried to erase the Jewish identity in the Middle East, but he failed. There were Jews in the land who didn't assimilate and had connections with the Mizrachim (Oriental) and Sephardim (Mediterranean) tribes. Only Jerusalem was off limits to Jews by the Roman. Mount Zion had a Jewish community. Byzantine rule oppressed the Jewish people. Arabs met Jews in Israel in the 600's. For example, Caliph Salahuddin al-Ayyub (Saladin), knew the Jews and kindly invited them to settle in Jerusalem. Jewish people were in cities like Khaybar and Yathrib (Medina) plus in Yemen. They suffered in the Crusades and the Turks as well. Many Jewish tribes migrated into the Silk Road of Central Asia. This occurred as early as the fall of Nineveh and before the Fall of Jerusalem by Nebuchadnezzar. There were Buckharian Jews.

Palestine itself was invented by the Romans. Jewish settlements were in China (Sinim) at the ancient city of Kaifeng (with a synagogue, mikveh, etc.), the Chinag-Min people existed (who kept some of the Levitic rules), and the Shinlung (according to tradition, they descend from the Manasseh tribe). B'ney Yisrael are in India, the Ethoipic, and the Lemba are inside Africa. Some scholars like Arimasa Kubo believe that the Jewish tribes went as far East as Japan.

A Media Spin Zone

No question remains on who runs the media. Regardless of the media's denials that the media ought to be blamed for much of the polarization in America. The reason is that they present over exaggeration of issues, distortions, and deception. This is achieved, so people can be easily placed in the Left/Right paradigm. **This paradigm promotes the lie that American citizens must be either Left or Right on every issue primarily plus we must accept the Republicans and Democrats as our only political option.** The fact is that if multiple parties existed in America (all being very powerful), then more choices and a possibility of better improvement can exist in America. The paradigm is destroyed for the simple fact that Rupert Murdoch had an eating meeting with liberal Hillary Rodham Clinton. Knight of St. Gregory, CFR member, Australian billionaire, and friend of Larry Silverstein Rupert Murdoch runs FOX News. Rupert Murdoch had an eating meeting with Hillary Rodham Clinton making this Left/Right paradigm a scam.

Alan Simpson (Dick Cheney's friend) called us "kooky right wing nuts," but loving innocent life, wanting morality, hating obscene lifestyles, etc is never crazy at all. Bill O'Reilly is an Irish Roman Catholic educated at Harvard University, with a Jesuit LaFarge house on campus. Sean Hannity was educated at Jesuit Georgetown. Geraldo Rivera has Puerto Rican, Jewish, and black heritage and was an attorney for the ACLU for years. **FOX News is promoting the Anglo-American "war on terror" constantly.** Is the media liberal or conservative? This question is controversial as always. I don't believe it's either totally, but plain extremist, conformist, and Neo-Con. I've witnessed the media and it's still pro-abortion, pro-gun control, pro-Patriot Act, pro-biometrics, pro-Gestapo like agencies [like Homeland SSecurity, Information Awareness Office, etc.], anti-legal immigration, pro-distorted views on patriotism, etc. I can name tons of folks in CNN, MSNBC, ABC, CBS, and others are in the Bilderberg Group, CFR, Trilateral Commission, and other global institutions.

These groups desire globalization (aka one world government as said by David Rockefeller and others). **There are of course establishment "Left" and "Right" media stars like Bill O'Reilly, Rush Limbaugh, Chris Matthews, Michael Moore, Al Franken, Joe Scarborough, Amy Goodman, Noam Chomsky, Michael Savage, Jeanelle Garafollo, Catherine Crier, etc.** [plus even in some of the "alternative news" arena] exhibiting division, stereotypes, and distraction.

Real news that the media should report are on the inconsistencies of the official story about 9/11, Bohemian Grove, the evils of occult Secret Societies, torture, our civil liberties, etc. The good news is that millions of people worldwide hate this and are finding God's Truth. The media obsess with the anti-war protestors talking about Bush, but some of these "anti-war" guys won't discuss about people with more power than Bush like David Rockefeller, Henry Kissinger, Javier Solana, James D. Wolfenson, William J. McDonough (President of the Federal Reserve Bank of NY, a friend of President Joseph O'Hare of the Jesuit Fordham University and an Irish Roman Catholic), Jorna Ollila, and others. **They are the senior officials of the WTO, FED, UN, EU, oil conglomerates, and other institutions running the globe's policies.** Many of these agitators from the far left and from "right wing" establishment groups (like the CNP, Heritage Foundation, etc.) are funded by the same corporate and intelligence organizations like George Soros, CIA, Brookings Institute, Heritage Foundation, etc. Even the CIA had Operation Mockingbird to manipulate the media. Don't trust the spin by the mainstream media. Sometimes it's funny and hilarious to witness the theatrics by O'Reilly, but people have a right to see the real truth. I don't trust Rush Limbaugh for his racist comments for decades, hypocritically uses Oxycotin yet wants drug offenders to go to jail, and lover of the Republican Party. Bill O'Reilly said a slur about Hispanics, recently told Al Sharpton that you can dance on "Soul Train," accused of phone sex, and spoken deception. Bill Bennett was once a gambler. These aren't my role models showing real "moral values." They are no different than the controlled and corrupt Establishment Left media in this country. While I don't agree with this site on all things, <http://www.tvnewslies.org/> is one good site exposing corruption in the world. I do think I can unite with them on alternative feuls, on being against torture, against the Iraq War, for organic foods, and a host of other issues. "The Illuminati - All Conspiracy, No Theory!" is a new DVD that you can get at TVNEWSLIES.ORG discussing about some of the things you're seeing now like the O.T.O., British royal Families, etc.

What I'm Thankful For

I'm thankful for living, my family, me knowing the truth, and me knowing about God. Regardless of how the American celebrating pertaining to Thanksgiving came about, there's nothing wrong with renewing ties with your family and have a fundamental love of nation, family, and God. Thanksgiving was celebrated thousands of years before America existed and we are to celebrate it today and everyday, not just in a holiday. So, eat, be happy, but fight for the truth and be active. The doubters never had a chance, because I been here before.

For if there come unto your assembly a man with a gold ring, in goodly apparel, and there come in also a poor man in vile raiment; And ye have respect to him that weareth the gay clothing, and say unto him, Sit thou here in a good place; and say to the poor, Stand thou there, or sit here under my footstool: But if ye have respect to persons, ye commit sin, and are convinced of the law as transgressors.

QUOTE

Response from a Black Reader:

Before the civil rights movement there were many economically viable black communities. Segregation forced black people especially black man to take care of business. The civil rights movement destroyed that.

Harry Belafonte said Martin Luther King was killed after he realized that he was a pawn, that he was duped. Martin Luther King saw that de-segregation would impoverish the black community. Now there is no black community, we have no real leadership and we have no collective economic power. Put together we have a lot of money but we are the targets of corporations, this is what the civil rights movement has brought us. **And the Nation of Islam was started by the Jesuits to foment race war.**

What a shame. It seems like tons of people are infiltrated by the Jesuits, Communists, and other groups. The good news is that people like us are around exposing the evil in the world. Well, I'm working on this new exposed called "Thanksgiving 2006" where I

expose the Jesuits some more. Also, I feel that this is a great work of mine. This might be better than the Third Millennium work that 2tuff has shown across the Net.

The Jesuit Connection to the Assassination of Abraham Lincoln

by Kenneth M. Hoeck Nov.'99

<http://www.truthontheweb.org/abe.htm>

As most Americans know, Abraham Lincoln was an American statesman and the 16th President of the United States (term 1861-1865). He was born in Hardin County, Kentucky and grew up in Indiana. In 1830 his family moved to Illinois, and in 1837, Abe began practicing law in Springfield. His upright moral character had earned him the nickname "Honest Abe." Abraham, an avid reader of the Scriptures who often cited Biblical passages, held no denominational alliances and developed a keen awareness of the dangers posed by the Catholic Church and its dreaded Jesuit Order.

Most Americans do not know about the Jesuit connection to the Lincoln assassination. People who were close to Lincoln, including Samuel Morse (inventor of the telegraph) and several American Ambassadors, knew of the Jesuit hatred toward him and warned him ever increasingly right up to the point of his murder. This article has been written to recover the truth of history which has been omitted and obscured from the public view by the American government, the Catholic influenced writers of history, and even publicly suppressed by Lincoln himself, for reasons we will later see.

May all realize that a leopard does not change its spots...and this Romish predator just waits in the grasses for the prey to come unsuspectingly along. You may not see the

danger now and when you finally do...it is too late. The modern Catholic Church and the Jesuit Order are outwardly very docile and seemingly benevolent. They have lured society into a deep sleep. As the writers of our history books and as teachers in our schools, they have all but erased the jaded, yea wicked, past which is a testimony to their true character. It is our hope that this publication will wake some from their learned ignorance of the truth.

Much of the quoted testimony against the Jesuit order that we will present here is from Charles Chiniquy, a catholic priest, who befriended Lincoln and warned him of the Jesuit plot to take his life. We will quote heavily from Chiniquy's book entitled "Fifty Years in the Church of Rome" (available as a free download in text format by clicking here). Chiniquy gives us a reason why he wrote his book exposing the wicked deeds of the Catholic Church, a reason which should be even more pertinent to us today:

"Because modern Protestants have not only forgotten what Rome was, what she is, and what she will for ever be; the most irreconcilable and powerful enemy of the Gospel of Christ; but they consider her almost as a branch of the church whose corner stone is Christ."~ Chas. Chiniquy- Fifty Years in the Church of Rome.

We echo this truth to all Protestants (if one can still rightly call them that since they really do not protest anything anymore), and to the ear of the deceived modern Catholic as well; who may not know of the true and wicked history behind the church at Rome. Many people had left Europe to escape the clutches of the Roman Church, coming to America to obtain truly free religious liberty by which to enjoy their Christian worship. This article is intended neither to "bash" Catholic laypeople nor to breed contempt or hate of any one person or group. It is strictly to inform and warn of a past historical happening involving the Jesuit Order.

We will never forget that our forefathers, the first inhabitants of the American land, were compelled to leave their native country, to come to bury themselves in unknown and far-distant wildernesses to escape your [Jesuit] tyranny and cruelty. ~Jesuitism Unveiled (Americans Warned About Jesuitism) by Claude Pirat; 1851 AD

"If the liberties of the American people are ever destroyed, they will fall by the hands of the Catholic clergy." - Lafayette.

M. Fylop-Miller, former President of the John Adams Union, wrote to Jefferson in 1816: "I am not happy about the rebirth of the Jesuits. Swarms of them will present themselves under more disguises ever taken by even a chief of the Bohemians, as printers, writers, publishers, school teachers, etc. If ever an association of people deserved eternal damnation, on this earth and in hell it is this Society of Loyola. " Jefferson's reply: "Like you, I object to the Jesuit's reestablishment which makes light give way to darkness."

The Secret Treaty of Verona

The beginning of the nineteenth century was a time of change for the papacy of Rome. Pius VII was Pope (from 1800-23) and had issued a condemnation of bible societies as 'a most abominable invention that destroyed the very foundations of religion.' This new era of liberty and republics had diminished much of the papal power, but had nowhere near paralyzed them. They strongly hated these freedoms and continually were they set on destroying them and on regaining their former absolute power as in the time of the Inquisitions. The United States -and its President - were obstacles that had to be dealt with.

On our quest for the truth we must begin at the Treaty of Verona. The death of President Lincoln was the culmination of but one step in the attempt to carry out the Secret Treaty of Verona, of October, 1822, a pact entered into by the "high contracting parties" [Kings of Prussia, Russia, Austria, and behind the scenes, Pope Pius VII, the king of the Papal States] of the former Congress of Vienna, Austria, which had held its sessions secret, covering the whole year of 1814-15.~ The Suppressed Truth About the Assassination of Abraham Lincoln

The Secret Treaty of Verona referred to its contractors as the "Holy Alliance". The treaty was dedicated to the eradication of Europe's representative governments and the re-establishment of absolute monarchies. It also purposed to suppress the media (the press) and to use religion to "keep the nations in the state of passive obedience". The document, signed on September 26th, 1822, also expressed " their thanks to the Pope for what he has already done for them, and solicit his constant co-operation in their views of submitting the nations."

In the Congressional Record of April 25th, 1916, U.S. Senator Robert L. Owen was questioned by members of Congress as to what the meaning of this Secret Treaty truly was. The record shows his reply to include the following statements. "This Holy Alliance having put a Bourbon prince upon the throne of France by force, then used France to suppress the condition of Spain, immediately afterwards, and by this very treaty gave her a subsidy of 20,000,000 francs annually to enable her to wage war upon the people of Spain and prevent their exercise of any measure of the right of self-government. The Holy Alliance immediately did the same thing in Italy, by sending Austrian troops to Italy;...." "The Holy Alliance made its powers felt by the wholesale drastic suppression of the press in Europe, by universal censorship, by killing free speech and all ideas of popular rights, and by the complete suppression of popular government. The Holy Alliance having destroyed popular government in Spain, and in Italy, had well-laid plans also to destroy popular government in the American Colonies which had revolted from Spain and Portugal in Central and South America under the successful example of the United States."

It was because of this conspiracy against the American Republics by the European monarchies that President Monroe stated to Congress that the United States would regard it as an act of hostility if the Holy Alliance; or any European power, attempted to establish control of any American republic or to acquire any territorial rights. Maybe you will remember this decree from school, as this was known as the Monroe Doctrine. As you well know, the Catholic Church laughs in the face of that decree and became a major landholder in the U.S.A.

As the Vatican brought these political powers together for the Treaty of Verona they also had other things going on. "Simultaneously with the calling of Congress of Vienna in 1814, Pope Pius VIIth restored the Society of Jesus (Jesuit Order) which had been abolished by Pope Clement IVth, July 21, 1773, on the grounds that it was immoral, dangerous and was a menace to the very life of the papacy. "~ The Supressed Truth About the Assassination of Abraham Lincoln

It is interesting to notate that this Pope Clement IV, who had banned the Jesuits, was promptly poisoned for his act. The re-activation of the Jesuits was carried further through the next Pope, Leo XII (papacy from 1823-29).

The Jesuit Oath

The execution of the treaty's plans was placed under the watchful eye of the Jesuits. The equality of all men taught by Christ has always been hated and feared by the Jesuits despite all their protestations of supporting Christianity. The plans laid by these men are very long range and quite detailed and have but one goal.

"It will be well for the reader to understand that the church of Rome with its sixteen centuries of intrigue, plans fifty or a hundred years ahead. The ultimate goal is to throw the lever of time back by restoring the Pope as the "universal arbiter" from whom all the rulers of the earth must receive their authority to rule, as during the Dark Ages."~ The Supressed Truth About the Assassination of Abraham Lincoln

The treaty was clearly a political extention of the Jesuits own motives involving the obliteration of all Protestant governments. We can better understand the Jesuit motives in this regard if we take a glimpse at an excerpt of their Oath. excerpt from : The Extreme Oath Of The Jesuits

<<"I, _____ now, in the presence of Almighty God, the Blessed Virgin Mary, the blessed Michael the Archangel, the blessed St. John the Baptist, the holy Apostles St. Peter and St. Paul and all the saints and sacred hosts of heaven, and to you, my ghostly father, the Superior General of the Society of Jesus, founded by St. Ignatius Loyola in the Pontificate of Paul the Third, and continued to the present, do by the womb of the virgin, the matrix of God, and the rod of Jesus Christ,

declare and swear, that the holiness the Pope is Christ's Viceregent and is the true and only head of the Catholic or Universal Church throughout the earth; and that by virtue of the keys of binding and loosing, given to his Holiness by my Savior, Jesus Christ, he hath power to depose heretical kings, princes, states, commonwealths and governments, all being illegal without his sacred confirmation and that they may safely be destroyed. Therefore, to the utmost of my power I shall and will defend this doctrine of his Holiness' right and custom against all usurpers of the heretical or Protestant authority whatever, especially the Lutheran of German, Holland, Denmark, Sweden, Norway, and the now pretended authority and churches of England and Scotland, and branches of the same now established in Ireland and on the Continent of America and elsewhere; and all adherents in regard that they be usurped and heretical, opposing the sacred Mother Church of Rome. I do now renounce and disown any allegiance as due to any heretical king, prince or state named Protestants or Liberals, or obedience to any of the laws, magistrates or officers.

I do further declare that the doctrine of the churches of England and Scotland, of the Calvinists, Huguenots and others of the name Protestants or Liberals to be damnable and they themselves damned who will not forsake the same.

I do further declare, that I will help, assist, and advise all or any of his Holiness' agents in any place wherever I shall be, in Switzerland, Germany, Holland, Denmark, Sweden, Norway, England, Ireland or America, or in any other Kingdom or territory I shall come to, and do my uttermost to extirpate the heretical Protestants of Liberals' doctrines and to destroy all their pretended powers, regal or otherwise.>> End of Excerpt

The oath of a Catholic Priest(By John Lyons, ex-catholic priest in a tract circulated in Glenside, Pa.)

"I do declare from my heart, without mental reservation. that the Pope is Christ's vicar-general and is the true and only head of the Universal Church throughout the world, and that by virtue of the Keys of binding and loosing given to his Holiness by Jesus Christ, he has power to depose heretical kings, princes, states, commonwealths and governments, all being illegal without his sacred Confirmation, and that they may safely be destroyed. Therefore, to the utmost of my power, I will defend this doctrine and his Holiness, rights and customs against all usurpers of the Protestant authority whatsoever, especially against the now pretended authority of the Church of England and all adherents, in regard that they may be usurped and heretical, opposing the Sacred Mother, the Church of Rome.

I do renounce and disown any allegiance as due to any Protestant king, prince, or state, or obedience to any of their inferior officers. I do further declare the doctrine of the Church of England, of the Calvinist, Huguenots, and other Protestants, to be damnable and those to be damned who will not forsake the same.

I do further declare that I will help, assist, and advise, all or any of his Holiness' agents, in any place wherever I shall be, and to do my utmost to extirpate the Protestant

doctrine and to destroy all their pretended power, regal or otherwise. I do further promise and declare that, notwithstanding, I may be permitted by dispensation to assume any heretical religion for the propagation of the Mother Church's interest, to keep secret and private all her agents' counsels as they entrust to me, and not to divulge, directly or indirectly, by word, writing, or circumstances whatsoever, but to execute all which shall be proposed given in charge, discovered unto me by you my most Reverend Lord and Bishop."

The Jesuits and the political powers of the Holy Alliance had soon set their sights on the United States. The U.S. was a model to other nations of how a new republic could "break away" and this gave these other "rebels" strength in hope. If they could make an example out of the U.S. they would be in better position to crush any other "new" popular (representative) governments. Very soon, the young American nation would elect its 16th President who strongly believed in a representative government and this man would be an obstacle that, by their oath, the Jesuits must depose or destroy.

Lincoln's Defense of Charles Chiniquy

The next significant series of events involve a Roman Catholic priest by the name of Charles Chiniquy. Now while it is true that such Jesuit priests play both sides, this particular man seemed, by his actions, to be a man of integrity. Chiniquy consistently roused the ire of his bishop and even of the Vatican itself by speaking out whenever church actions conflicted with the Bible.

In one such exchange, Mr. Chiniquy had called the Bishop of Chicago a usurper for improper use of church power to take the property of Catholics. Bishop O'Regan of Chicago raged "You are half a Protestant! Your words smell of Protestantism! The Gospel! the Gospel! that is your great tower of strength against the laws and regulations of our holy church! If you think, Mr. Chiniquy, that you will frighten me with your big words of the Gospel, you will soon see your mistake, at your own expense. I will make you remember that it is the Church you must obey, and it is through your bishop that the church rules you!"

"My lord," Chiniquy answered, "I want to obey the church. Yes! but it is a church founded on the Gospel; a church that respects and follows the Gospel, that I want to obey!"

It was after this episode that the bishop's agents brought around trumped up charges to frame Chiniquy. The case appeared before the Criminal Court of Kankakee (Illinois) in November 1855. Chiniquy won this round in a series of legal battles with the powers of the Bishop of Chicago. The lawyer for the prosecution was Peter Spink, who appealed the case to the Court of Urbana, in Champaign County.

The heavy-hearted Chiniquy began to leave the court building when a stranger approached him and said: "I have followed your suit from the beginning. It is more formidable than you suspect. Your prosecutor, Spink, is only an instrument in the hands of the bishop. The real prosecutor is the land shark who is at the head of the diocese, and who is destroying our holy religion by his private and public scandals. As you are the only one among his priests who dares to resist him, he is determined to get rid of you: he will spend all his treasures and use the almost irresistible influence of his position to crush you. The misfortune for you is that, when you fight a bishop, you fight all the bishops of the world. They will unite all their wealth and influence to Bishop O'Regan's to silence you, though they hate and despise him. There was no danger of any verdict against you in this part of Illinois, where you are too well known for the perjured witnesses they have brought to influence your judges. But when you are among strangers, mind what I tell you: the false oaths of your enemies may be accepted as gospel truths by the jury, and then, though innocent, you are lost. Though your two lawyers are expert men, you will want something better at Urbana. Try to secure the services of Abraham Lincoln, of Springfield. If that man defends you, you will surely come out victorious from that deadly conflict!"....."Abraham Lincoln is the best lawyer and the most honest man we have in Illinois."~ Fifty Years in the Church of Rome.

After hearing this Chiniquy asked his two lawyers about this "Lincoln" and if he should seek his representation at the court in Urbana. They both answered: "Oh! if you can secure the services of Abraham Lincoln, by all means do it. We know him well; he is one of the best lawyers, and one of the most honest men we have in our State." The priest sent an immediate telegraph to Lincoln asking to procure his services and within twenty minutes he had received the telegraphed answer:

"Yes, I will defend your honour and your life at the next May term at Urbana.- "Abraham Lincoln."

In an ironic twist, a few minutes after Lincoln had sent his reply, Spink attempted to telegraph to Lincoln, asking his services at the next May term of the Court, at Urbana on the diocese side. Of course, the honorable Mr. Lincoln had already pledged his services.

Chiniquy Meets Lincoln

At Urbana, in Champaign County, on the 19th of May, 1856, Chiniquy met Abraham Lincoln for the first time and had this to say in recall of their meeting: It was then that I met Mr. Abraham Lincoln for the first time. He was a giant in stature; but I found him still more a giant in the noble qualities of his mind and heart. It was impossible to converse five minutes with him without loving him. There was such an expression of kindness

and honesty in that face, and such an attractive magnetism in the man, that after a few moments' conversation one felt as tied to him by all noblest affections of the heart. When pressing my hand, he told me: "You were mistaken when you telegraphed that you were unknown to me. I know you, by reputation, as the stern opponent of the tyranny of your bishop, and the fearless protector of your countrymen in Illinois; I have heard much of you from two priests; and, last night, your lawyers, Messrs. Osgood and Paddock have acquainted me with the fact that your bishop is employing some of his tools to get rid of you. I hope it will be an easy thing to defeat his projects, and protect you against his machinations."

He then asked me how I had been induced to desire his services. I answered by giving him the story of that unknown friend who had advised me to have Mr. Abraham Lincoln for one of my lawyers, for the reason that "he was the best lawyer and the most honest man in Illinois." He smiled at my answer with that inimitable and unique smile, which we may call the "Lincoln smile," and replied: "That unknown friend would surely have been more correct had he told you that Abraham Lincoln was the ugliest lawyer of the country!" and he laughed outright.~ Fifty Years in the Church of Rome.

Lincoln, in his eloquent manner, had thoroughly disarmed the testimonies of 10 false witnesses and that of two lying Catholic priests (named Lebel and Carthual). The eleven Protestants on the jury voted unanimously "Not Guilty" but the single Catholic on that jury voted against Chiniquy. The court discharged the jury for not being able to decide beyond a shadow of a doubt (the lone catholic had cast that shadow). Chiniquy was held prisoner for five months until the next court date of the 19th of October, 1856.

On the 20th of October, 1856 the Rev. Lebel was the first called to testify as a character witness against Chiniquy. His testimony lasted nearly an hour. He began by declaring that "Chiniquy was one of the vilest men of the day--that every kind of bad rumours were constantly circulating against him." He proceeded to tell of these numerous rumors and declared he could substantiate one as true. "Mr. Chiniquy," he perjured, "had attempted to do the most infamous things with my own sister, Madame Bossey. She herself has told me the whole story under oath, and she would be here to unmask the wicked man to-day before the world, if she were not forced to silence at home from a severe illness."

Lincoln, lawyer for the defense, supplied a strong cross-examination and brought in twelve respectable witnesses who swore under oath that Mr. Lebel was a drunkard and vicious man. They said that he was so publicly Chiniquy's enemy because of the many rebukes Chiniquy had given in regard to his private and public vices, that they would not believe a word of what he said, even upon his oath. And yet, the courtroom was buzzing over some of the false testimony that they still thought true. At ten p.m. the court was adjourned and told to meet again the next morning.

Chiniquy met Lincoln in his room and we will let him personally relate to us what

occurred next : "My dear Mr. Chiniquy," said Mr. Lincoln, "though I hope, tomorrow, to destroy the testimony of Mr. Lebel against you, I must concede that I see great dangers ahead. There is not the least doubt in my mind that every word he has said is a sworn lie; by my fear is that the jury thinks differently. I am a pretty good judge in these matters. I feel that our jurymen think that you are guilty. There is only one way to perfectly destroy the power of a false witness--it is by another direct testimony against what he has said, or by showing from his very lips that he has perjured himself. I failed to do that last night, though I have diminished, to a great extent, the force of his testimony. Can you not prove an alibi, or can you not bring witnesses who were there in the same house that day, who would flatly and directly contradict what your remorseless enemy has said against you?"

I (Chiniquy) answered him: "How can I try to do such a thing when they have been shrewd enough not to fix the very date of the alleged crime against me?"

"You are correct, you are perfectly correct, Mr. Chiniquy," answered Mr. Lincoln, "as they have refused to precise the date, we cannot try that. I have never seen two such skillful rogues as those two priests. There is really a diabolical skill in the plan they have concocted for your destruction. It is evident that the bishop is at the bottom of the plot. You remember how I have forced Lebel to confess that he was now on the most friendly terms with the Bishop of Chicago, since he has become the chief of your accusers. Though I do not give up the hope of rescuing you from the hands of your enemies, I do not like to conceal from you that I have several reasons to fear that you will be declared guilty, and condemned to a heavy penalty, or to the penitentiary, though I am sure you are perfectly innocent. It is very probable that we will have to confront that sister of Lebel to-morrow. Her sickness is probably a feint, in order not to appear here except after the brother will have prepared the public mind in her favour. At all events, if she does not come, they will send some justice of the peace to get her sworn testimony, which will be more difficult to rebut than her own verbal declarations. That woman is evidently in the hands of the bishop and her brother priest, ready to swear anything they order her, and I know nothing so difficult as to refute such female testimonies, particularly when they are absent from the court. The only way to be sure of a favourable verdict to-morrow is, that God Almighty would take our part and show your innocence! Go to Him and pray, for He alone can save you." Mr. Lincoln was exceedingly solemn when he addressed those words to me, and they went very deep into my soul.

I have often been asked if Abraham Lincoln had any religion? But I never had any doubt about his profound confidence in God, since I heard those words falling from his lips in that hour of anxiety. I had not been able to conceal my deep distress. Burning tears were rolling on my cheeks when he was speaking, and there was on his face the expression of friendly sympathy which I shall never forget. Without being able to say a word, I left him to go to my little room. It was nearly eleven o'clock. I locked the door and fell on my knees to pray, but I was unable to say a single word. The horrible sworn

calumnies thrown at my face by a priest of my own church were ringing in my ears! my honour and my good name so cruelly and for ever destroyed! all my friends and my dear people covered with an eternal confusion! and more than that, the sentence of condemnation which was probably to be hurled against me the next day in the presence of the whole country, whose eyes were upon me!~ Charles Chiniquy's Fifty Years in the Church of Rome.

From eleven p.m. to three in the morning Charles Chiniquy cried out to God for help in sobbing prayer. His plight against so powerful a foe as the false witnesses, set up by the Chicago diocese, seemed so dark. He began to think that maybe God had forsaken him. At three in the morning, Chiniquy answered a knock upon his door...it was Abraham Lincoln who exclaimed, "Cheer up, Mr. Chiniquy, I have the perjured priests in my hands. Their diabolical plot is all known, and if they do not fly away before dawn of day, they will surely be lynched. Bless the Lord, you are saved!"

The newspapers in Chicago were quick to print of Chiniquy's impending doom. The news that Chiniquy would be hung thrilled the Roman Catholics to no end. One of the papers was bought by a friend of Chiniquy named Terrien, whose wife, Narcisse, revealed that she delivered false testimony against the priest. She was quite ill and could not make the journey to Urbana but told her husband that another woman, Miss Philomene Moffat, was with her when the deed occurred. They rushed Miss Moffat to the courthouse right away and she related how Lebel had offered his sister 160 acres to perjure herself in testimony against Chiniquy. It was done!

Lebel, knowing he would be exposed, dropped the charges against Charles Chiniquy. Abraham Lincoln did not let the priests go unscathed during his closing statements. He fully and clearly set himself against the Jesuit powers when he forcefully said " As long as God gives me a heart to feel, a brain to think, or a hand to execute my will, I shall devote it against that power which has attempted to use the machinery of the courts to destroy the rights and character of an American citizen."

The Costs of the Legal Battle

After the excitement died down, Chiniquy asked how much the bill was for his legal services. We shall now read Mr. Lincoln's reply as told by Chiniquy: "My dear Mr. Chiniquy, I feel proud and honoured to have been called to defend you. But I have done it less as a lawyer than as a friend. The money I should receive from you would take away the pleasure I feel at having fought your battle. Your case is unique in my whole practice. I have never met a man so cruelly persecuted as you have been, and who deserves it so little. Your enemies are devils incarnate. The plot they had concocted against you is the most hellish one I ever knew. But the way you have been saved from their hands, the appearance of that young and intelligent Miss Moffat, who was really sent by God in the very hour of need, when, I confess it again, I thought everything was nearly lost, is one of the most extraordinary occurrences I ever saw. It makes me

remember what I have too often forgotten, and what my mother often told me when young - that our God is a prayer-hearing God."

This good thought, sown into my young heart by that dear mother's hand, was just in my mind when I told you, 'Go and pray, God alone can save you.' But I confess to you that I had not faith enough to believe that your prayer would be so quickly and so marvelously answered by the sudden appearance of that interesting young lady, last night. Now let us speak of what you owe me. Well! - Well! - how much do you owe me? You owe me nothing! for I suppose you are quite ruined. The expenses of such a suit, I know, must be enormous. Your enemies want to ruin you. Will I help them to finish your ruin, when I hope I have the right to be put among the most sincere and devoted of your friends?"

"You are right," I (Chiniquy) answered him; "you are the most devoted and noblest friend God ever gave me, and I am nearly ruined by my enemies. But you are the father of a pretty large family; you must support them. Your traveling expenses in coming twice here for me from Springfield; your hotel bills during the two terms you have defended me, must be very considerable. It is not just that you should receive nothing in return for such work and expenses." "Well! well!" he answered, "I will give you a promissory note which you will sign." Taking then a small piece of paper, he wrote:

Urbana, May 23, 1853

Due A. Lincoln fifty dollars, for value received.

C. Chiniquy

After reading it, I said, "Dear Mr. Lincoln, this is a joke. It is not possible that you ask only fifty dollars for services which are worth at least two thousand dollars." He then tapped me with the right hand on the shoulders and said: "Sign that, it is enough. I will pinch some rich men for that, and make them pay the rest of the bill," and he laughed outright.

When Abraham Lincoln was writing the due-bill, the relaxation of the great strain upon my mind, and the great kindness of my benefactor and defender in charging me so little for such a service, and the terrible presentiment that he would pay with his life what he had done for me caused me to break into sobs and tears.

As Mr. Lincoln had finished writing the due-bill, he turned round to me, and said, "Father Chiniquy, what are you crying for? Ought you not to be the most happy man alive? you have beaten your enemies and gained the most glorious victory, and you will come out of all your troubles in triumph."

"Dear Mr. Lincoln," I answered, "allow me to tell you that the joy I should naturally feel

for such a victory is destroyed in my mind by the fear of what it may cost you. There were then in the crowd not less than ten or twelve Jesuits from Chicago and St. Louis, who came to hear my sentence of condemnation to the penitentiary. But it was on their heads that you have brought the thunders of heaven and earth! Nothing can be compared to the expression of their rage against you, when you not only wrenched me from their cruel hands, but you were making the walls of the court-house tremble under the awful and superhumanly eloquent denunciation of their infamy, diabolical malice, and total want of Christian and human principle, in the plot they had formed for my destruction. What troubles my soul just now and draws my tears, is that it seems to me that I have read your sentence of death in their fiendish eyes. How many other noble victims have already fallen at their feet! "I am not weeping for myself, but for you, sir. They will kill you; and let me tell you this, if I were in their place and they in mine, it would be my sole, my sworn duty, to take your life myself, or find a man to do it" ~ The Supressed Truth About the Assassination of Abraham Lincoln -quoting Chas. Chiniquy speaking to Abe Lincoln after the trial in Urbana May 23rd, 1853- (referring to the Jesuit Oath.)

He tried to divert my mind, at first, with a joke, "Sign this," said he, "it will be my warrant of death." But after I had signed, he became more solemn, and said, "I know that Jesuits never forget nor forsake. But man must not care how and where he dies, provided he dies at the post of honour and duty," and he left me. ~Fifty Years in the Church of Rome- Chas. Chiniquy

The following quote backs up what Lincoln and Chiniquy feared: Charles Sauvestre (as translated by Edwin A. Sherman) wrote "...In whatever place of the Catholic world a Jesuit is insulted or resisted, no matter how insignificant he may be, he is sure to be avenged, - and this we know."

John Wilkes Booth-Act One

At this time, we introduce you to John Booth, a popular theatre actor, who was not born a Roman Catholic but by 1860 had began to convert to that religion. In 1860, he was initiated into the Knights of the Golden Circle, a catholic lay organization. The Knights of the Golden Circle "were committed to the preservation of slavery in the lands bordering the Caribbean Sea--the so-called 'Golden Circle.' The seal of the Knights featured a cross similar to the maltese cross used by the old Knights of Malta." A book, published in 1866, called The Great Conspiracy tells us of this and quotes the following excerpts of a letter from the hand of J.W. Booth to an unknown person, quite possibly a Jesuit ally (whose return letters were only signed "Veritas" which is "Truth" in Latin ... the language of the Jesuit priests.). "Dear Sir: The K.G.C. had a meeting; I was initiated.... They tell me that Lincoln, the damn chicken-hearted nigger lover, will perhaps be inaugerated, but I most heartily wish, 'That never shall sun that morrow see.' One

thing is very clear to my mind, the South must take some decisive step. She must throw a bomb-shell into the enemy's hand that shall spread terror and consternation wherever it goes. You know what I mean, so don't be surprised. Sincerely yours, John Wilkes Booth."

Chiniquy Tells of Jesuit Plot

WAR! The opening shot of the confederate rebellion rang out on April 12th, 1861; only one month after Lincoln was proclaimed President of the United States, the 4th of March 1861. This first shot on Fort Sumpter was fired by General Beauregard, who was a professed Roman Catholic and came from a well known family of Jesuits. The Confederate States of America were readied for war and their leader, Jefferson Davis had been given the blessing of the Pope to be their new President. The papacy wanted to destroy the American popular government and the "divide and conquer" strategy was a tried and true tool. Also, the Catholic Church, after all, benefited enormously from the southern slave trade and had to protect its vested interest from this talk of potentially freeing the slaves in America..

An attempt on Lincoln's life had already been thwarted on his journey to Philadelphia, via Baltimore, for his first inauguration. You see, Lincoln knew that Washington was infiltrated by "traitors" to the government and he wasted no time in rooting out these national assassins and replacing them with men whom he trusted. The papacy could not have her plans derailed at this stage of the game so a plot was devised to kill Lincoln on his stop over in Baltimore. A professed Romanist man, an Italian barber by trade, was to stab Lincoln with a dagger while seated in his carriage as it would be leaving the station. This wicked plot was uncovered and Lincoln changed his itinerary, taking an earlier train accompanied by William H. Pinkerton, head of the detective agency of the same name. But this was only the first known attempt and it would, sadly and assuredly, not be the last.

The next time Lincoln would see Chiniquy was in August of 1861. Chiniquy had learned from a Roman Catholic priest, whom he had persuaded to leave the errors of Popery, that there was a plot among the Jesuits to assassinate the President and he went to see his friend to warn him.

Lincoln greeted him : "I am so glad to meet you again," he said: "you see that your friends, the Jesuits, have not yet killed me. But they would have surely done it when I passed through their most devoted city, Baltimore, had I not defeated their plans, by passing incognito a few hours before they expected me. We have the proof that the company which has been selected and organized to murder me was led by a rabid Roman Catholic, called Byrne; it was almost entirely composed of Roman Catholics; more than that, there were two disguised priests among them, to lead and encourage them. I am sorry to have so little time to see you: but I will not let you go before telling

you that, a few days ago, I saw Mr. Morse, the learned inventor of electric telegraphy: he told me that when he was in Rome, not long ago, he found out the proofs of a most formidable conspiracy against this country and all its institutions. It is evident that it is to the intrigues and emissaries of the Pope that we owe, in great part, the horrible evil war which is threatening to cover the country with blood and ruins.

"I am sorry that Professor Morse had to leave Rome before he could know more about the secret plans of the Jesuits against the liberties and the very existence of this country. But do you know that I want you to take his place and continue that investigation? My plan is to attach you to my ambassador of France, as one of the secretaries. In that honourable position you would go from Paris to Rome, where you might find, through the directions of Mr. Morse, an opportunity of re-uniting the broken threads of his researches. 'It takes a Greek to fight a Greek.' As you have been twenty-five years a priest of Rome, I do not know any man in the United States so well acquainted as you are with the tricks of the Jesuits, and on the devotedness of whom I could better rely. And when, once on the staff of my ambassador, even as one of the secretaries, might you not soon yourself become the ambassador? I am in need of Christian men in every department of the public service, but more in those high positions. What do you think of that?"

"My dear President," I answered, "I feel overwhelmed by your kindness. Surely nothing could be more pleasant to me than to grant our request. The honour you want to confer upon me is much above my merit: but my conscience tells me that I cannot give up the preaching of the Gospel to my poor French Canadian countrymen, who are still in the errors of Popery. For I am about the only one who, by the Providence of God, has any real influence over them. I am, surely, the only one the bishops and priests seem to fear in that work. The many attempts they have made to take away my life are a proof of it. Besides that, though I consider the present President of the United States much above the Emperors of France, Russia, and Austria, much above the greatest kings of the world, I feel that I am the servant, the ambassador of One who is as much above even the good and great President of the United States as the heavens are above the earth. I appeal to your own Christian and honourable feelings to know if I can forsake the one for the other."

The President became very solemn, and replied: "You are right! you are right! There is nothing so great under heaven as to be the ambassador of Christ." ~Fifty Years in the Church of Rome- Chas. Chiniquy

The Plot Thickens

"That I am not a member of any Christian Church, is true"

~A. Lincoln -Year 1846, just prior to his election to the House of Representatives

We continue this first person account by Charles Chiniquy, friend of the President of the Union:

...The next day I was, at the appointed hour, with my noble friend, who said: "I could not give you more than ten minutes yesterday, but I will give you twenty to-day. I want your views about a thing which is exceedingly puzzling to me, and you are the only one to whom I like to speak on that subject. A great number of Democratic papers have been sent to me lately, evidently written by Roman Catholics, publishing that I was born a Roman Catholic, and baptized by a priest. They call me a renegade, an apostate, on account of that; and they heap upon my head mountains of abuses. At first I laughed at that, for it is a lie. Thanks be to God, I have never been a Roman Catholic. No priest of Rome has ever laid his hand on my head. But the persistency of the Romish press to present this falsehood to their readers as a gospel truth, must have a meaning. Please tell me, as briefly as possible, what you think about that."

"My dear President," I answered, "it was just this strange story published about you, which brought me here yesterday. I wanted to say a word about it; but you were too busy. Let me tell you that I wept as a child when I read that story for the first time. For, not only my impression is that it is your sentence of death; but I have from the lips of a converted priest, that it is in order to excite the fanaticism of the Roman Catholic murderers, whom they hope to find sooner or later, to strike you down; they have invented that false story of your being born in the Church of Rome, and of your being baptized by a priest. They want, by that, to brand your face with the ignominious mark of apostasy. Do not forget that, in the Church of Rome, an apostate is an outcast, who has no place in society, and who has no right to live.~Fifty Years in the Church of Rome- Chas. Chiniquy Who could be simple enough not to admit that, when a tyrant has endangered a nation, all means are lawful to cast off his yoke." (The R. F. Jesuit Marianna-De Rege.) excerpted from Jesuitism Unveiled by Claude Pirat 1851 AD

"It is of faith that the Pope has the right of deposing heretical and rebel kings. Monarchs so deposed by the Pope are converted into notorious tyrants, and may be killed by the first who can reach them. If the public cause cannot meet with its defense in the death of a tyrant, it is lawful for the first who arrives, to assassinate him."****Suarez, Defensio Fidei; Book VI. c. 4, Nos. 13, 14

"The Pope has the right to pronounce sentence of deposition against any sovereign when required by the good of the Spiritual Order."****Brownson's Review, 1849

Chiniquy continued "The Jesuits want the Roman Catholics to believe that you are a monster, an open enemy of God and of His Church, that you are an excommunicated man. For every apostate is, ipso facto (by that very fact) excommunicated. I have

brought to you the theology of one of the most learned and approved of the Jesuits of his time, Busembaum, who, with many others, say that the man who will kill you will do a good and holy work. More than that, here is a copy of a decree of Gregory VII., proclaiming that the killing of an apostate, or an heretic and an excommunicated man, as you are declared to be, is not murder; nay, that it is a good, a Christian action. That decree is incorporated in the canon law, which every priest must study, and which every good Catholic must follow.

"My dear President, I must repeat to you here what I said when at Urbana in 1856. My fear is that you will fall under the blows of a Jesuit assassin if you do not pay more attention than you have done, till now, to protect yourself. Remember that because Coligny was an heretic, as you are, he was brutally murdered in the St. Bartholomew night; that Henry IV was stabbed by the Jesuit assassin, Revailac, the 14th of May, 1610, for having given liberty of conscience to his people; and that William the Taciturn was shot dead by another Jesuit murderer, called Girard, for having broken the yoke of the Pope. The Church of Rome is absolutely the same to-day as she was then; she does believe and teach to-day, as then, that she has the right and that it is her duty to punish by death any heretic who is in her way as an obstacle to her designs. The unanimity with which the Catholic hierarchy of the United States is on the side of the rebels is an incontrovertible evidence that Rome wants to destroy this republic, and as you are, by your personal virtues, your popularity, your love for liberty, your position, the greatest obstacle to the diabolical schemes, their hatred is concentrated upon you; you are the daily object of their maledictions; it is at your breast they will direct their blows. My blood chills in my veins when I contemplate the day which may come, sooner or later, when Rome will add to all her other iniquities the murder of Abraham Lincoln."

Lincoln replied "I will repeat to you what I said at Urbana, when for the first time you told me your fears lest I would be assassinated by the Jesuits: 'Man must not care where and when he will die, provided he dies at the post of honour and duty.' But I may add, to-day, that I have a presentiment that God will call me to Him through the hand of an assassin. Let His will, and, not mine be done!" He then looked at his watch and said, "I am sorry, that the twenty minutes I had consecrated to our interview have almost passed away; I will be for ever grateful for the warning words you have addressed to me about the dangers ahead of my life, from Rome. I know that they are not imaginary dangers. If I were fighting against a Protestant South, as a nation, there would be no danger of assassination. The nations who read the Bible, fight bravely on the battle-fields, but they do not assassinate their enemies. The Pope and the Jesuits, with their infernal Inquisition, are the only organized powers in the world which have recourse to the dagger of the assassin to murder those whom they cannot convince with their arguments or conquer with the sword."

"Unfortunately, I feel more and more, every day, that it is not against the Americans of the South, alone, I am fighting, it is more against the Pope of Rome, his perfidious Jesuits and their blind and blood-thirsty slaves, than against the real American

Protestants, that we have to defend ourselves. Here is the real danger of our position. So long as they will hope to conquer the North, they will spare me; but the day we will rout their armies (and that day will surely come, with the help of God), take their cities, and force them to submit, then, it is my impression that the Jesuits, who are the principal rulers of the South, will do what they have almost invariably done in the past. The dagger, or the pistol of one of their adepts, will do what the strong hands of the warriors could not achieve. This civil war seems to be nothing but a political affair to those who do not see, as I do, the secret springs of that terrible drama. But it is more a religious than a civil war. It is Rome who wants to rule and degrade the North, as she has ruled and degraded the South, from the very day of its discovery. There are only very few of the Southern leaders who are not more or less under the influence of the Jesuits, through their wives, family relations, and their friends. Several members of the family of Jeff Davis belong to the Church of Rome. Even the Protestant ministers are under the influence of the Jesuits without suspecting it. To keep her ascendancy in the North, as she does in the South, Rome is doing here what she has done in Mexico, and in all the South American Republics; she is paralyzing, by a civil war, the arms of the soldiers of Liberty. She divides our nation, in order to weaken, subdue and rule it.

"Surely we have some brave and reliable Roman Catholic officers and soldiers in our armies, but they form an insignificant minority when compared with the Roman Catholic traitors against whom we have to guard ourselves, day and night. The fact is, that the immense majority of Roman Catholic bishops, priests and laymen, are rebels in heart, when they cannot be in fact; with very few exceptions, they are publicly in favour of slavery. I understand, now, why the patriots of France, who determined to see the colours of Liberty floating over their great and beautiful country, were forced to hand or shoot almost all the priests and the monks as the irreconcilable enemies of Liberty. For it is a fact, which is now evident to me, that, with very few exceptions, every priest and every true Roman Catholic is a determined enemy of Liberty.

Their extermination in France, was one of those terrible necessities which no human wisdom could avoid; it looks to me now as an order from heaven to save France. May God grant that the same terrible necessity be never felt in the United States! But there is a thing which is very certain; it is, that if the American people could learn what I know of the fierce hatred of the generality of the priests of Rome against our institutions, our schools, our most sacred rights, and our so dearly bought liberties, they would drive them away, to-morrow, from among us, or they would shoot them as traitors. But I keep those sad secrets in my heart; you are the only one to whom I reveal them, for I know that you learned them before me. The history of these last thousand years tells us that wherever the Church of Rome is not a dagger to pierce the bosom of a free nation, she is a stone to her neck, and a ball to her feet, to paralyze her, and prevent her advance in the ways of civilization, science, intelligence, happiness and liberty. But I forget that my twenty minutes are gone long ago. "Please accept my sincere thanks for the new lights you have given me on the dangers of my position, and come again. I will always

see you with a new pleasure." ~Fifty Years in the Church of Rome- Chas. Chiniquy

" A tyrant may be killed by open force and arms. However, the best way is to use fraud and stratagem, in order to preserve the country from private and public dangers." (The R. F. Jesuit Malarianna.-Reg. Institut. Liber. 6. 1.)

" It is of faith that the Pope has the right to dethrone the Kings who are heretics and rebels. But a monarch dethroned by the Pope is no longer either a King or a lawful Prince: if he refuses to obey the Pope after his degradation, then he must be styled a 'tyrant,' and may be killed by the first comer-" (The R. F. Jesuit Suarez - Defensio fidei, Liber 6, caput 4.)

Lincoln Proclaims Liberty Throughout The Land

Many of those who approached Abraham Lincoln felt that there was a prophetic spirit in him, and that he was continually walking and acting with the thought of God in his mind, and only in view to do His will and work for His glory. Speaking of the slaves, he said one day before the members of his cabinet: "I have not decided against a proclamation of liberty to the slaves, but I hold the matter under advisement. And I can assure you that the subject is on my mind, by day and by night, more than any other. Whatever shall appear to be God's will, I will do."

A few days before that proclamation, he said, before several of his counselors: "I made a solemn vow before God that if General Lee was driven back from Pennsylvania, I would crown the result by the declaration of freedom to the slaves." ~Fifty Years in the Church of Rome- Chas. Chiniquy

Lincoln did honor his vow before God and man and on Jan 1, 1863 he delivered the Emancipation Proclamation which subsequently freed the slaves in the south (in 1860 a census showed over 3 million slaves, and so considering continued importation and domestic procreation, the number of slaves freed in 1863 was substantially greater than this, upward of 4 million.). This action of liberating the slaves would economically be dangerous for the South and for the Church to which they paid tribute in offerings and collections. The Jesuits justified themselves, and the slaveowners of the South, with statements like this: "Slavery does not constitute a crime before any law, divine or human. What reason can we have for undermining the foundations of slavery with the same zeal that ought always to animate us in overcoming evil? When one thinks of the degradation in which the hordes of Africa live, the slave trade may be considered a providential act, and we almost repudiate the philanthropy which sees in a man but one thing- material liberty." ~The Doctrine of the Jesuits-by Gury. Truly, the Catholic Church's wealth was derived largely from the financial gain, as it was in the Middle Ages, by imposed serfdom upon others.

Lincoln was also thinking of taxing liquor heavily or even making it illegal. This would have been a huge blow to the Catholic monasteries who turned out over 25% of all alcohol produced in the U.S. at the time. This provided another reason to target Abe for assassination.

Also the international bankers , the Rothschild's,(interacting very closely with the vatican) wanted Abraham Lincoln killed because of his monetary policies. Lincoln needed money to finance the Civil War and he was offered loans at high interest rates by bankers in Europe led by the Rothschilds. The Rothschild's have funded many a war since - the bankers are the only winners in such wars. Rather than accept the loans, Lincoln found other means to fund the war effort- even creating U.S. greenbacks. (More importantly, the British bankers opposed Lincoln's protectionist policies. Some Englishmen in the 1860's believed that "British free trade, industrial monopoly and human slavery travel together." Lincoln's policies after the Civil War would have destroyed the Rothschilds' commodity speculations. After the war, Lincoln planned a mild Reconstruction policy which would have enabled a resumption of agriculture production. The Rothschilds were betting the other way on high prices caused by a tough Reconstruction policy toward the South. The goal was to weaken the United States so the Rothschilds, with the leadership of the American Illuminati, could takeover its economy.)

The Pope Marks Lincoln for Death

The Pope, at this time, in Rome was Pius IXth (1846-78). Pius was the first Pope to officially declare himself to be 'infallible'. He also was very close to the General of the Jesuits, also called the Black Pope, who at this time was Cardinal Giacomo Antonelli. Pius was on very good terms with Jeff Davis and wrote him acknowledging him with such titles as "honorable Mr. President" - titles which showed his approval of the

Confederates States of America as a sovereign entity and Davis as its leader.

On June 10th, 1864, Lincoln took Chiniquy for a ride in his carriage to talk inbetween his visits to the thirty thousand wounded soldiers picked up on the battle-fields of the seven days' battle of the Wilderness, and the thirty days' battle around Richmond. The only thought which seemed to occupy the mind of the President was the part which Rome had in that horrible struggle. Chiniquy tells us that Abraham Lincoln said the following words more than once:

"This war would never have been possible without the sinister influence of the Jesuits. We owe it to Popery that we now see our land reddened with the blood of her noblest sons. Though there were great differences of opinion between the South and the North, on the question of slavery, neither Jeff Davis nor any one of the leading men of the Confederacy would have dared to attack the North, had they not relied on the promises of the Jesuits, that under the mask of Democracy, the money and the arms of the Roman Catholic, even the arms of France, were at their disposal, if they would attack us. I pity the priests, the bishops and the monks of Rome in the United States, when the people realize that they are, in great part, responsible for the tears and the blood shed in this war; the later the more terrible will the retribution be.

I conceal what I know, on that subject, from the knowledge of the nation; for if the people knew the whole truth, this war would turn into a religious war, and it would, at once, take a tenfold more savage and bloody character, it would become merciless as all religious wars are. It would become a war of extermination on both sides. The Protestants of both the North and the South would surely unite to exterminate the priests and the Jesuits, if they could hear what Professor Morse has said to me of the plots made in the very city of Rome to destroy this Republic, and if they could learn how the priests, the nuns, and the monks, which daily land on our shores, under the pretext of preaching their religion, instructing the people in their schools, taking care of the sick in the hospitals, are nothing else but the emissaries of the Pope, of Napoleon, and the other despots of Europe, to undermine our institutions, alienate the hearts of our people from our constitution, and our laws, destroy our schools, and prepare a reign of anarchy here as they have done in Ireland, in Mexico, in Spain, and wherever there are any people who want to be free, ect."

When the President was speaking thus, we arrived at the door of his mansion. He invited me to go with him to his study, and said: "Though I am very busy, I must rest an hour with you. I am in need of that rest. My head is aching, I feel as crushed under the burden on affairs which are on my shoulders. There are many important things about the plots of the Jesuits that I can learn only from you. Please wait just a moment, I have just received some dispatches from General Grant, to which I must give an answer. My secretary is waiting for me. I go to him. Please amuse yourself with those books, during my short absence."

Twenty-five minutes later, the President had returned, with his face flushed with joy. "Glorious news! General Grant has again beaten Lee, and forced him to retreat towards Richmond, when he will have to surrender before long. Grant is a real hero. But let us come to the question I want to put to you. Have you read the letter of the Pope to Jeff Davis, and what do you think of it?"

"My dear President," I answered, "it is just that letter which brought me to your presence again, the day before yesterday. I wanted to come and see you, from the very day I read it. But I knew you were so overwhelmed with the affairs of your government, that I would not be able to see you. However, the anxieties of my mind were so, that I determined to go over every barrier to warn you again against the new dangers and plots which I knew would come out from that perfidious letter, against your life.

"That letter is a poisoned arrow thrown by the Pope, at you personally; and it will be more than a miracle if it be not your irrevocable warrant of death. Before reading it, it is true that every Catholic could see by the unanimity of the bishops siding with the rebel cause, that their church as a whole, was against this free Republican government. However, a good number of liberty-loving Irish, German and French Catholics, following more the instincts of their noble nature, than the degrading principles of their church, enrolled themselves under the banners of Liberty, and they have fought like heroes. To detach these men from the rank and file of the Northern armies, and force them to help the cause of the rebellion, because the object of the intrigues of the Jesuits. Secret and pressing letters were addressed from Rome to the bishops, ordering them to weaken your armies by detaching those men from you. The bishops answered, that they could not do that without exposing themselves to be shot. But they advised the Pope to acknowledge, at once, the legitimacy of the Southern Republic, and to take Jeff Davis under his supreme protection, by a letter, which would be read everywhere.

"That letter, then, tells logically the Roman Catholics that you are a blood-thirsty tyrant! a most execrable being when fighting against a government which the infallible and holy Pope of Rome recognizes as legitimate. The Pope, by this letter, tells his blind slaves that you are an infamous usurper, when considering yourself the President of the Southern States; that you are outraging the God of heaven and earth, by continuing such a sanguinary war to subdue a nation over whom God Almighty has declared, through His infallible pontiff, the Pope, that you have not the least right: that letter means that you will give an account to God and man for the blood and tears you cause to flow in order to satisfy your ambition.

"By this letter of the Pope to Jeff Davis you are not only an apostate, as you were thought before, whom every man had the right to kill, according to the canonical laws of Rome; but you are more vile, criminal and cruel than the horse thief, the public banditti, and the lawless brigand, robber and murderer, whom it is a duty to stop and kill, when we take them in their acts of blood, and that there is no other way to put an end to their plunders and murders.

"And, my dear President, the meaning I give you of this perfidious letter of the Pope to Jeff Davis, is not a fancy imagination on my part, it is the unanimous explanation given me by a great number of the priests of Rome, with whom I have had occasion to speak on that subject. In the name of God, and in the name of our dear country, which is in so much need of your services, I conjure you to pay more attention to protect your precious life, and not continue to expose it as you have done till now." ~Fifty Years in the Church of Rome- Chas. Chiniquy

Lincoln Witnesses To Us About Popery

The President listened to my words with breathless attention. He replied; "You confirm me in the views I had taken of the letter of the Pope. Professor Morse is of the same mind with you. It is, indeed, the most perfidious act which could occur under present circumstances. You are perfectly correct when you say that it was to detach the Roman Catholics who had enrolled themselves in our armies. Since the publication of that letter, a great number of them have deserted their banners and turned traitors; very few, comparatively, have remained true to their oath of fidelity. It is, however, very lucky that one of those few, Sheridan, is worth a whole army by his ability, his patriotism and his heroic courage. It is true, also, that Meade has remained with us, and gained the bloody battle of Gettysburg. But how could he lose it, when he was surrounded by such heroes as Howard, Reynolds, Buford, Wadsworth, Cutler, Slocum, Sickles, Hancock, Barnes, ect. But it is evident that his Romanism superseded his patriotism after the battle. He let the army of Lee escape, when it was so easy to cut his retreat and force him to surrender, after having lost nearly the half of his soldiers in the last three days' carnage.

"When Meade was to order the pursuit, after the battle, a stranger came, in haste, to the headquarters, and that stranger was a disguised Jesuit. After a ten minutes' conversation with him, Meade made such arrangements for the pursuit of the enemy, that he escaped almost untouched, with the loss of only two guns!

"You re right," continued the President, "when you say that this letter of the Pope has entirely changed the nature and the ground of the war. Before they read it, the Roman Catholics could see that I was fighting against Jeff Davis and his Southern Confederacy. But now, they must believe that it is against Christ and His "holy vicar", the Pope, that I am raising my sacrilegious hands; we have the daily proofs that their indignation, their hatred, their malice, against me, are a hundredfold intensified. New projects of assassination are detected almost every day, accompanied with such savage circumstances, that they bring to my memory the massacre of the St. Bartholomew and the Gunpowder Plot. We feel, at their investigation, that they come from the same masters in the art of murder, the Jesuits.

"The New York riots were evidently a Romish plot from beginning to end. We have the proofs in hand that they were the work of Bishop Hughes and his emissaries. No doubt

can remain in the minds of the most incredulous about the bloody attempts of Rome to destroy New York, when we know the easy way it was stopped. I wrote to Bishop Hughes, telling him that the whole country would hold him responsible for it if he would not stop it at once. He then gathered the rioters around his palace, called them his 'dear friends,' invited them to go back home peacefully, and all was finished! so Jupiter of old used to raise a storm and stop it with a nod of his head!

"From the beginning of our civil war, there has been, not a secret, but a public alliance, between the Pope of Rome and Jeff Davis, and that alliance has followed the common laws of this world affairs. The greater has led the smaller, the stronger has guided the weaker. The Pope and his Jesuits have advised, supported, and directed Jeff Davis on the land, from the first gun shot at Fort Sumter, by the rabid Roman Catholic Beauregard. They are helping him on the sea by guiding and supporting the other rabid Roman Catholic pirate, Semmes, on the ocean. And they will help the rebellion when firing their last gun to shed the blood of the last soldier of Liberty, who will fall in this fratricidal war. In my interview with Bishop Hughes, I told him, 'that every stranger who had sworn allegiance to our government by becoming a United States citizen, as himself, was liable to be shot or hung as a perjured traitor and an armed spy, as the sentence of the court-martial may direct. And he will be so shot and hanged accordingly, as there will be no exchange of such prisoners'. After I had put this flea in the ears of the Romish bishop, I requested him to go and report my words to the Pope. Seeing the dangerous position of his bishops and priests when siding with the rebels, my hope was that he would advise them, for their own interests, to become loyal and true to their allegiance and help us through the remaining part of the war. But he result has been the very contrary. The Pope has thrown away the mask, and shown himself the public partisan and the protector of the rebellion, by taking Jeff Davis by the hand, and impudently recognizing the Southern States as a legitimate government.

Now, I have the proof in hand that that very Bishop Hughes, whom I had sent to Rome that he might induce the Pope to urge the Roman Catholics of the North at least, to be true to their oath of allegiance, and whom I thanked publicly, when, under the impression that he had acted honestly, according to the promise he had given me, is the very man who advised the Pope to recognize the legitimacy of the Southern Republic, and put the whole weight of his tiara in the balance against us in favour of our enemies! Such is the perfidy of those Jesuits. Two cankers are biting the very entrails of the United States to-day: the Romish and the Mormon priests. Both are equally at work to form a people of the most abject, ignorant and fanatical slaves, who will recognize no other authority but their supreme pontiffs. Both are aiming at the destruction of our schools, to raise themselves upon our ruins. Both shelter themselves under our grand and holy principles of liberty of conscience, to destroy that very liberty of conscience, and bind the world before their heavy and ignominious yoke. The Mormon and the Jesuit priests are equally the uncompromising enemies of our constitution and our laws; but the more dangerous of the two is the Jesuits - the Romish priest, for he knows

better now to conceal his hatred under the mask of friendship and public good: he is better trained to commit the most cruel and diabolical deeds for the glory of God. "Till lately, I was in favour of the unlimited liberty of conscience as our constitution gives it to the Roman Catholics. But now, it seems to me that, sooner or later, the people will be forced to put a restriction to that clause towards the Papists. Is it not an act of folly to give absolute liberty of conscience to a set of men who are publicly sworn to cut our throats the very day they have their opportunity for doing it? It is right to give the privilege of citizenship to men who are the sworn and public enemies of our constitution, our laws, our liberties, and our lives?"

"The very moment that Popery assumed the right of life and death on a citizen of France, Spain, Germany, England, or the United States, it assumed to be the power, the government of France, Spain, England, Germany, and the United States. Those States then committed a suicidal act by allowing Popery to put a foot on their territory with the privilege of citizenship. The power of life and death is the supreme power, and two supreme powers cannot exist on the same territory without anarchy, riots, bloodshed, and civil wars without end. When Popery will give up the power of life and death which it proclaims on its own divine power, in all its theological books and canon laws, then, and then alone, it can be tolerated and can receive the privileges of citizenship in a free country.

"Is it not an absurdity to give to a man a thing which he is sworn to hate, curse, and destroy? And does not the Church of Rome hate, curse, and destroy liberty of conscience whenever she can do it safely? I am for liberty of conscience in its noblest, broadest, highest sense. But I cannot give liberty of conscience to the Pope and to his followers, the Papists, so long as they tell me, through all their councils, theologians, and canon laws, that their conscience orders them to burn my wife, strangle my children, and cut my throat when they find their opportunity! This does not seem to be understood by the people to-day. But sooner or later, the light of common sense will make it clear to every one that no liberty of conscience can be granted to men who are sworn to obey a Pope, who pretends to have the right to put to death those who differ from him religion.

"You are not the first to warn me against the dangers of assassination. My ambassadors in Italy, France, and England, as well as Professor Morse, have many times warned me against the plots of the murderers which they have detected in those different countries. But I see no other safeguard against those murderers but to be always ready to die, as Christ advises it. As we must all die sooner or later, it makes very little difference to me whether I die from a dagger plunged through the heart or from an inflammation of the lungs. Let me tell you that I have lately read a passage in the Old Testament which has made a profound, and, I hope, a salutary impression on me. Here is that passage." The President took his Bible, opened it at the third chapter of Deuteronomy, and read from the 22nd to the 28th verse:-

"Ye shall not fear them: for the Lord your God He shall fight for you. And I besought the Lord at that time, saying, O Lord God, Thou hast begun to shew Thy servant Thy greatness and Thy mighty hand; for what God is there, in heaven or in earth, that can do according to Thy works, and according to Thy might! I pray Thee, let me go over, and see the good land that is beyond Jordan, that goodly mountain, and Lebanon. But the Lord was wroth with me for your sakes, and would not hear me: and the Lord said unto me, Let it suffice thee: speak no more unto Me of this matter. Get thee up into the top of Pisgah, and lift up thine eyes westward, and northward, and southward, and eastward, and behold it with thine eyes: for thou shalt not go over this Jordan."

After the President had read these words with great solemnity, he added: "My dear Father Chiniquy, let me tell you that I have read these strange and beautiful verses several times these last five or six weeks. The more I read them, the more it seems to me that God has written them for me as well as for Moses. Has He not taken me from my poor log cabin by the hand, as He did of Moses in the reeds of the Nile, to put me at the head of the greatest and the most blessed of modern nations, just as He put that prophet at the head of the most blessed nation of ancient times? Has not God granted me a privilege which was not granted to any living man, when I broke the fetters of 4,000,000 of men and made them free? Has not our God given me the most glorious victories over our enemies? Are not the armies of the Confederacy so reduced to a handful of men when compared to what they were two years ago, that the day is fast approaching when they will have to surrender?"

"Now, I see the end of this terrible conflict, with the same joy of Moses, when, at the end of his trying forty years in the wilderness; and I pray my God to grant me to see the days of peace, and untold prosperity, which will follow this cruel war, as Moses asked God to see the other side of Jordan and enter the Promised Land. But do you know that I hear in my soul, as the voice of God, giving me the rebuke which was given to Moses?"

"Yes! every time that my soul goes to God to ask the favour of seeing the other side of Jordan, and eating the fruits of that peace, after which I am longing with such an unspeakable desire, do you know that there is a still, but solemn voice, which tells me that I will see those things, only from a long distance, and that I will be among the dead, when the nation which God granted me to lead through those awful trials, will cross the Jordan, and dwell in that Land of Promise, where peace, industry, happiness, and liberty, will make every one happy; and why so? Because He has already given me favours which He never gave, I dare say, to any man, in these latter days."

"Why did God Almighty refuse to Moses the favour of crossing the Jordan, and entering the Promised Land? It was on account of his own nation's sins! That law of divine retribution and justice, by which one must suffer for another, is surely a terrible mystery. But it is a fact which no man who has any intelligence and knowledge can deny. Moses, who knew that law, though he probably did not understand it better than we do, calmly says to his people, 'God was wroth with me for your sakes.'

"But though we do not understand that mysterious and terrible law, we find it written in letters of tears and blood wherever we go. We do not read a single page of history, without finding undeniable traces of its existence. "Where is the mother who has not shed tears and suffered real tortures, for her children's sake? "Who is the good king, the worthy emperor, the gifted chieftain, who have not suffered unspeakable mental agonies, or even death, for their people's sake? "Is not our Christian religion the highest expression of the wisdom, mercy, and love of God! But what is Christianity if not the very incarnation of that eternal law of divine justice in our humanity?"

"When I look on Moses, alone, silently dying on the Mount Pisgah, I see that law, in one of its most sublime human manifestations, and I am filled with admiration and awe. "But when I consider that law of justice, and expiation in the death of the Just, the divine Son of Mary, on the mountain of Calvary, I remain mute in my adoration. The spectacle of that crucified one which is before my eyes, is more than sublime, it is divine! Moses died for his people's sake, but Christ died for the whole world's sake! Both died to fulfill the same eternal law of the divine justice, though in a different measure.

"Now would it not be the greatest of honours and privileges bestowed upon me, if God, in His infinite love, mercy and wisdom, would put me between His faithful servant, Moses, and His eternal Son, Jesus, that I might die as they did, for my nation's sake!

"My God alone knows what I have already suffered for my dear country's sake. But my fear is that the justice of God is not yet paid. When I look upon the rivers of tears and blood drawn by the lashes of the merciless masters from the veins of the very heart of those millions of defenseless slaves, these two hundred years. When I remember the agonies, the cries, the unspeakable tortures of those unfortunate people, at which I have, to some extent, connived with so many others, a part of my life, I feel that we are still far from the complete expiation. For the judgments of God are true and righteous.

"It seems to me that the Lord wants, to-day, as He wanted in the days of Moses, another victim - a victim which he has himself chosen, anointed and prepared for the sacrifice, by raising it above the rest of His people. I cannot conceal from you that my impression is that I am that victim. So many plots have already been made against my life, that it is a real miracle that they have all failed, when we consider that the great majority of them were in the hands of skillful Roman Catholic murderers, evidently trained by Jesuits. But can we expect that God will make a perpetual miracle to save my life? I believe not. The Jesuits are so expert in those deeds of blood, that Henry IV. said that it was impossible to escape them, and he became their victim, though he did all that could be done to protect himself. My escape from their hands, since the letter of the Pope to Jeff Davis has sharpened a million of daggers to pierce my breast, would be more than a miracle.

"But just as the Lord heard no murmur from the lips of Moses when He told him that he

had to die, before crossing the Jordan, for the sins of his people; so I hope and pray that He will hear no murmur from me when I fall for my nation's sake. "The only two favours I ask of the Lord are, first, that I may die for the sacred cause in which I am engaged, and when I am the standard bearer of the rights and liberties of my country. "The second favour I ask of God is, that my dear son, Robert, when I am gone, will be one of those who lift up that flag of Liberty which will cover my tomb, and carry it with honour and fidelity, to the end of his life, as his father did, surrounded by the millions who will be called with him to fight and die for the defense and honour of our country."

Never had I heard such sublime words: Never had I seen a human face so solemn and so prophet-like as the face of the President, when uttering these things. Every sentence had come to me as a hymn from heaven, reverberated by the echoes of the mountains of Pisgah and Calvary. I was beside myself. Bathed in tears, I tried to say something, but I could not utter a word.

Every time I met President Lincoln I wondered how such elevation of thought and such childish simplicity could be found in the same man. After my interviews with him many times, I said to myself: "How can this rail-splitter have so easily raised himself to the highest range of human thought and philosophy?"

The secret of this was, that Lincoln had spent a great part of his life at the school of Christ, and that he meditated his sublime teachings to an extent unsuspected by the world. I found in him the most perfect type of Christianity I ever met. Professedly, he was neither a strict Presbyterian, nor a Baptist, nor a Methodist; but he was the embodiment of all which is more perfect and Christian in them. His religion was the very essence of what God wants in man. It was from Christ Himself he had learned to love God and his neighbour, as it was from Christ he had learned the dignity and the value of man. "Ye are all brethren, the children of God," was his great motto.

It was from the Gospel that he had learned his principles of equality, fraternity, and liberty, as it was from the Gospel he had learned that sublime, childish simplicity which, alone, and for ever, won the admiration and affection of all those who approached him.
~Fifty Years in the Church of Rome- Chas. Chiniquy

More than once I felt as if I [Chiniquy] were in the presence of an old prophet, when listening to his views about the future destinies of the United States. In one of my last interviews with him, I was filled with an admiration which it would be difficult to express, when I heard the following views and predictions:

"It is with the Southern leaders of this civil war as with the big and small wheels of our railroad cars. Those who ignore the laws of mechanics are apt to think that the large, strong, and noisy wheels they see are the motive power, but they are mistaken. The real motive power is not seen; it is noiseless and well concealed in the dark, behind its iron walls. The motive power are the few well-concealed pails of water heated into

steam, which is itself directed by the noiseless, small but unerring engineer's finger.

"The common people see and hear the big, noisy wheels of the Southern Confederacy's cars; they call them Jeff Davis, Lee, Toombs, Beauregard, Semmes, ect., and they honestly think that they are the motive power, the first cause of our troubles. But this is a mistake. The true motive power is secreted behind the thick walls of the Vatican, the colleges and schools of the Jesuits, the convents of the nuns, and the confessional boxes of Rome.

"There is a fact which is too much ignored by the American people, and with which I am acquainted only since I became President; it is that the best, the leading families of the South have received their education in great part, if not in whole, from the Jesuits and the nuns. Hence those degrading principles of slavery, pride, cruelty, which are as a second nature among so many of those people. Hence that strange want of fair play, humanity; that implacable hatred against the ideas of equality and liberty as we find them in the Gospel of Christ. You do not ignore that the first settlers of Louisiana, Florida, New Mexico, Texas, South California and Missouri were Roman Catholics, and that their first teachers were Jesuits. It is true that those states have been conquered or bought by us since. But Rome had put the deadly virus of her anti-social and anti-Christian maxims into the veins of the people before they became American citizens. Unfortunately, the Jesuits and the nuns have in great part remained the teachers of those people since. They have continued in a silent, but most efficacious way, to spread their hatred against our institutions, our laws, our schools, our rights and our liberties in such a way that this terrible conflict became unavoidable between the North and the South. As I told you before, it is to Popery that we owe this terrible civil war.

"I would have laughed at the man who would have told me that before I became the President. But Professor Morse has opened my eyes on that subject. And now I see that mystery; I understand that engineering of hell which, though not seen or even suspected by the country, is putting in motion the large, heavy, and noisy wheels of the state cars of the Southern Confederacy. Our people is not yet ready to learn and believe those things, and perhaps it is not the proper time to initiate them to those dark mysteries of hell; it would throw oil on a fire which is already sufficiently destructive.

"You are almost the only one with whom I speak freely on that subject. But sooner or later the nation will know the real origin of those rivers of blood and tears, which are spreading desolation and death everywhere. And then those who have caused those desolations and disasters will be called to give an account of them.

"I do not pretend to be a prophet. But though not a prophet, I see a very dark cloud on our horizon. And that dark cloud is coming from Rome. It is filled with tears of blood. It will rise and increase till its flanks will be torn by a flash of lightning, followed by a fearful peal of thunder. Then a cyclone, such as the world has never seen, will pass over this country, spreading ruin and desolation from north to south. After it is over, there will be

long days of peace and prosperity: for Popery, with its Jesuits and merciless Inquisition, will have been for ever swept away from our country. Neither I nor you, but our children, will see those things."~Fifty Years in the Church of Rome- Chas. Chiniquy

In some ways, Abraham Lincoln was a man after God's own heart. He knew of the evils of Popery and the wicked Jesuits but he withheld this information from the public to prevent further death from an escalated war. He also foresaw the wickedness of Rome becoming a terrible problem in the latter days. "Undoubtedly it is the intention of the Pope to possess this country. In this intention he is aided by the Jesuits, and all the Catholic prelates and priests."*Brownson's Review, May, 1864.

John Wilkes Booth-Act Two

In March of the year 1865, Booth became an official Roman Catholic, receiving the unholy sacraments directly from Archbishop Spaulding of Baltimore. Now the timing was right for the dirty deed. Lincoln was accused, through Jesuit intrigue, to be a heretical leader, a man deserving of death. Three weeks after outwardly becoming a Roman Catholic Booth was ready to fulfill those orders.

"I do further promise and declare, that I will have no opinion or will of my own, or any mental reservation whatever, even as a corpse or cadaver (perinde ac cadaver), but will unhesitatingly obey each and every command that I may receive from my superiors in the Militia of the Pope and of Jesus Christ"~Excerpt from The Jesuit Oath

"If the Holy Church so requires, let us sacrifice our own opinions, our knowledge, our intelligence, the splendid dreams of our imagination and the sublime attainments of human understanding."****Pope Gregory XVI., Encyclical, August 15th, 1832.

Lincoln's Last Days

On the 6th of April, 1865, President Lincoln was invited by General Grant to enter the captured capital of the South, Richmond. The beaten armies of Lee were forced to lay down their arms and their banners at the feet of the generals of Lincoln. After five long bloody years the war was finally over eight days later, the great Christian President would be shot dead by the arm of the Roman Catholic Church.

John Wilkes Booth-Act Three: The Final Scene

On the 14th of April, 1865, the President of the United States and his wife attended a performance of the humorous 'Our American Cousin'. Nothing but a tool of the Jesuits,

the assassin, Booth, murdered Lincoln in Ford's Theatre, at ten o'clock p.m. during the second scene of the third act of the play. The newspapers of the time quoted Booth as uttering the latin phrase "sic temper tyrannis"["Thus always to tyrants" ... which is the Virginia State Motto ... and a fulfillment of the Jesuit Oath]. Booth left to the stage and broke his leg (fibula) upon impact. He left town on horseback followed by another co-conspirator, David Herold.

<Reward poster & Booth>

The chase went on for nearly two weeks until cavalry officers caught up with Booth outside Port Royal. He was holed up in the barn/storagehouse of the Garrett Farm. After setting the barn afire, one of the soldiers fired a single shot to Booth's head. Booth expired in great agony on the 26th of April, twelve days after the commission of his crime.

The Conspiracy Unfurls

At the precise same time as Booth's murderous assault on Lincoln, a co-conspirator named Lewis Payne, a son of a Protestant minister, had brutally attacked Lincoln's Secretary of State, William Seward, wounding him badly. General Grant and Vice President Andy Johnson were also said to be marked for death at the exact same time.

On the evening of the 13th, a man appeared at Secretary Stanton's house where General Grant was that evening, had asked to have both General Grant and Secretary Stanton pointed out to him which was done. He did not speak to either of them, and lingered in the hall watching them and sat down on a step of the front steps until he was driven away. Grant's would-be-attacker, Irish-Catholic Michael O'Laughlin, could not accomplish his task because Grant had changed his plans at the last moment due to an ill family member. Earlier in the evening of the 14th, Booth had called at the Kirkwood House, where Vice-President Johnson was stopping, and left a card on which was written: "Don't wish to disturb you. Are you at home? J. Wilkes Booth." (Due to this, it is not known if the Johnson attempt was just a ruse to cover up any possibility of his being implicated in the conspiracy.) Johnson's appointed assassin, professed Catholic George Atzerodt, said he became frightened and stayed home rather than perpetrate the dastardly deed. Later, among other testimony, Atzerodt's confession would expose the conspiracy further.

Payne Atzerodt Herold

A small red book, which was actually an 1864 appointment book kept as a diary, was found on the body of John Wilkes Booth on April 26, 1865. The day before he died John Wilkes Booth had written in his daily memoirs: "I can never repent, though we hated to kill. Our country owed all her troubles to him (Lincoln), and God simply made me the

instrument of his punishment." Compare this with John 16:2 They shall put you out of the synagogues: yea, the time cometh, that whosoever killeth you will think that he doeth God service. "...For six months we had worked to capture, but our cause being almost lost, something decisive and great must be done. But its failure was owing to others, who did not strike for their country with a heart. I struck boldly, and not as the papers say. I walked with a firm step through a thousand of his friends, was stopped, but pushed on. A colonel was at his side. I shouted Sic semper before I fired. In jumping broke my leg. I passed all his pickets, rode sixty miles that night with the bone of my leg tearing the flesh at every jump. I can never repent it, though we hated to kill. Our country owed all her troubles to him, and God simply made me the instrument of his punishment...." ~ J.W. Booth, in his daily memoirs, April 1865

Charles Chiniquy had later cried out to an unlistening public: "And, after twenty years of constant and most difficult researches, I came fearlessly to-day before the American people, to say and prove that the President, Abraham Lincoln, was assassinated by the priests and the Jesuits of Rome." ~Fifty Years in the Church of Rome- Chas. Chiniquy

The Conspirators

We still have historical proof in the book of the testimonies given in the trial published by Ben Pitman, and in the two volumes of the trial of John Surratt, in 1867. By the documentation of the trials, we have the legal (and irrefutable) proof that the plot of the assassins of Lincoln was fostered in the house of Mary Surratt, No. 561, H. Street, Washington City, D.C. The sworn testimonies show that this house was the common rendezvous of the priests of Washington. Several priests confessed that they were going there although could not recall how often. This house sometimes held over ten priests at a time. One of them, less on his guard, swore that he seldom passed before that house without entering; and he said he never passed less than once a week. The devoted Roman Catholic (ex-Protestant and Jesuit professor of Gonzaga College), Louis J. Weichman, and local priests Father Wiget and Father Lahiman admit that they were living with Mrs. Surratt in the same house!

The method of operation reeks heavily of Jesuitism. - Read the history of the assassination of Admiral Coligny, Henry III. and Henry IV., and William the Taciturn, by the hired assassins of the Jesuits; compare them with the assassination of Abraham Lincoln, and you will find that one resembles the others exactly. You will also understand that they all come from the same source, Rome! In all those murders, you will find that the murderers, selected and trained by the Jesuits, were of the most exalted Roman Catholic piety, living in the company of priests, going to confess very often, receiving the communion the day before, if not the very day of the murder. You will see in all those horrible deeds of hell, prepared behind the dark walls of the holy inquisition, that the assassins were considering themselves as the chosen instruments of God, to save the nations by striking its tyrant; that they firmly believed that there was

no sin in killing the enemy of the people of the holy church, and of the infallible Pope!~
~Fifty Years in the Church of Rome- Chas. Chiniquy

A letter was found in Lincoln's files and used as a court exhibit. It showed that other attempts were made upon Lincoln's life by this conspiracy group and that the Jesuit methods were to be employed. The letter was dropped by Booth in a train car, and sent by an eyewitness to the President who wrote upon it 'Assassination" and filed it away on November 17th 1864. It read as follows: Dear Louis (Weichman):

The time has come at last that we have all so, wished for, and upon you everything depends. As it was decided before you left, we were to cast lots, we accordingly did so, and you are to be the Charlotte Corday of the Nineteenth Century. When you remember the fearful solemn vow that was taken by us, you will feel there is no drawback. Abe must die, and now. You can choose your weapons, the cup, the knife, the bullet. The cup failed us once and might again. Johnson, who will give this has been like an enraged demon since the meeting, because it has not fallen to him to rid the world of a monster.....You know where to find your friends. Your disguises are so perfect and complete that without noone knew your face no police telegraphic despatch would catch you. The English gentleman Harcourt, must not act hastily. Remember, he has ten days. Strike for your home; strike for your country; bide your time, but strike sure. Get introduced, congratulate him; listen to his stories (not many more will the brute tell to earthly friends;) do anything but fail, and meet us at the appointed place within the fortnight. You will probably hear from me in Washington. Sanders is doing us no good in Canada. '

Chas. Selby (co-conspirator)

SEE HOW THIS COINCIDES WITH THIS EXCERPT OF THE JESUIT OATH:

...I furthermore promise and declare that I will, when opportunity present, make and wage relentless war, secretly or openly, against all heretics, Protestants and Liberals, as I am directed to do, to extirpate and exterminate them from the face of the whole earth; and that I will spare neither age, sex or condition; and that I will hang, waste, boil, flay, strangle and bury alive these infamous heretics, rip up the stomachs and wombs of their women and crush their infants' heads against the walls, in order to annihilate forever their execrable race. That when the same cannot be done openly, I will secretly use the poisoned cup, the strangulating cord, the steel of the poniard or the leaden bullet, regardless of the honor, rank, dignity, or authority of the person or persons, whatever may be their condition in life, either public or private, as I at any time may be directed so to do by any agent of the Pope or Superior of the Brotherhood of the Holy Faith, of the Society of Jesus....

The letter not only reeks of the Jesuit Oath it actually admits that they tried to poison Abe once before! And it just so happens that conspirator Davy Herold was a drug clerk - proficient in the modern sorcery of pharmacy poisons. Booth also intended to use the knife (poniard) during Lincoln's second inauguration and was present but did not follow through ... he finally succeeded with the .44 caliber leaden bullet.

Further Evidence of Religious Undertones

"I mention, as an exceptional and remarkable fact, that every conspirator, in custody, is by education a Catholic." U.S. General Baker-patriot

Some circumstantial evidence: After spending many years in a Catholic prep school and two years in a Jesuit college, John Surrat studied to be in the Roman priesthood for three years at a Jesuit monastery. After the assassination he was confirmed to be in the military service of the Pope in Rome, which was led by the General of the Jesuits or the so-called Black Pope(at that time Cardinal Giacomo Antonelli). Weichmann was a Jesuit professor. Herold graduated from the Jesuit college at Georgetown. Samuel Mudd, the doctor who splinted Booth's broken leg was a Catholic who met Booth at a Mass. The conspirators were all part of or connected to The Knights of the Golden Circle. When he was shot, John Wilkes Booth was wearing a Catholic medallion which said in the Latin language of the priests "Agnus Dei", meaning Lamb of God, which signified the "sacrifice", the shedding of blood, which he would offer the Pope and the Catholic citizens in America. It is interesting to note that, upon Lincoln's death, numerous letters of condolence were sent to the U.S. Government from every civilized nation in the world ... except the Papal States of Rome and the Pope.

Here is an excerpt of a court affidavit of one Henri De Sainte Marie who taught at the Jesuit Gorganza College with Weichmann : " I was acquainted with Louis J. Weichman and John H. Surratt After some conversation we spoke of ... the assassination of President Lincoln, and these were his (Surratt's) words: 'Damn Yankees, they have killed my mother; but I have done them as much harm as I could. We have killed Lincoln, the nigger's friend. had it not been for me and that coward Weichmann, my mother would be living yet. It was fear that made him speak.' ... He says he can get money in Rome anytime. I believe he is protected by the clergy and that the murder is the result of a deep laid plot, not only against the life of President Lincoln but against the existence of the republic, as we are aware that priesthood and royalty are and always have been opposed to liberty. that such men as Surratt, Booth, Weichmann and others of their own accord planned and executed the infernal plot which resulted in the death of President Lincoln is impossible. There are others behind the curtain who have pulled the strings to make these scoundrels act..."

In 1897 Thomas M. Harris, a member of the 1865 military commission, wrote a book entitled Rome's Responsibility for the Assassination of Abraham Lincoln detailing the played down role of the Vatican in this murder. The great, the fatal mistake of the American Government in the prosecution of the assassins of Abraham Lincoln was to

constantly keep out of sight the religious element of that terrible drama. Nothing would have been more easy, then, than to find out the complicity of the priests, who were not only coming every week and every day, but who were even living in that den of murderers. But this was carefully avoided from the beginning to the end of the trial.

Let our prime witness, Charles Chiniquy, back this up: "When, not long after the execution of the murderers, I [Chiniquy] went, incognito, to Washington to begin my investigation about its true and real authors, I was not a little surprised to see that not a single one of the Government men to whom I addressed myself, would consent to have any talk with me on that matter, except after I had given my word of honour that I would never mention their names in connection with the result of my investigation. I saw, with a profound distress, that the influence of Rome was almost supreme in Washington. I could not find a single statesman who would dare to face that nefarious influence and fight it down"

Several of the government men in whom I [Chiniquy] had more confidence, told me: "We had not the least doubt that the Jesuits were at the bottom of that great iniquity; we even feared, sometimes, that this would come out so clearly before the military tribunal, that there would be no possibility of keeping it out of the public sight. This was not through cowardice, as you think, but through a wisdom which you ought to approve, if you cannot admire it. Had we been in days of peace, we know that with a little more pressure on the witnesses, many priests would have been compromised; for Mrs. Surratt's house was their common rendezvous; it is more than probable that several of them might have been hung. But the civil war was hardly over. The Confederacy, though broken down, was still living in millions of hearts; murderers and formidable elements of discord were still seen everywhere, to which the hanging or exiling of those priests would have given a new life. Riots after riots would have accompanied and followed their execution. We thought we had had enough of blood, fires, devastations and bad feelings. We were all longing after days of peace: the country was in need of them. We concluded that the best interests of humanity was to punish only those who were publicly and visibly guilty; that the verdict might receive the approbation of all, without creating any new bad feelings. Allow us also tell you that this policy was that of our late President. For you know it well, there was nothing which that good and great man feared so much as to arm the Protestants against the Catholics, and the Catholics against the Protestants." ~Fifty Years in the Church of Rome- Chas. Chiniquy

Conclusion I feel safe in stating that nowhere else can be found in one book the connected presentation of the story leading up to the death of Abraham Lincoln, which was instigated by the "Black" pope, the General of the Jesuit Order, camouflaged by the "White" pope, Pius IXth, aided and abetted and financed by other "Divine Righters" of Europe, and finally consummated by the Roman Hierarchy and their paid agents in this country and French Canada on "Good Friday" night, April 14th, 1865, at Ford's Theatre, Washington D.C.... I am convinced that if this knowledge can be given adequate distribution and placed in possession of the boys and girls of the public elementary

schools, for whom it is especially designed to reach, that the wicked boast of the Jesuits and their lay agents, the Knights of Columbus, to MAKE AMERICA CATHOLIC" can never be accomplished. ~Burke McCarty - in his introduction to The Supressed Truth About the Assassination of Abraham Lincoln.

That is our story, our re-establishment of history ... before it was disguised by underhanded jesuitical powers. The reason for this goes beyond setting the record straight. This should serve to warn people that the Papal forces and motives did not end with the last Inquistition. Although the Catholic church has taken a seemingly demure stance and a quiet peaceful appearance (at least publicly) it does not mean that their goals have changed.

They have recently (Oct. 31st, 1999) signed an agreement with the Luthern Church, unifying their doctrine on salvational justification by faith(which is a real truth). On the anniversary of Martin Luther beginning the Protestant Reformation like a lion - the modern Luthern Church rescinds the reformation, no longer protesting ... walking meekly into the arms of the Catholic Church ... like a lamb ... before the slaughter! They have forgotten all their founder had taught them. They even forgot that he warned: "I know that the Pope is Antichrist, and his seat is that of Satan himself."~ Martin Luther

Reader, Please consider the following quotations when regarding the current pacifist attitude of the Church of Rome-

A Quote on Jesuit Equivocation : [Sanchez Op. Mor., pars 2,lib. iii., cap 6] "A man may swear that he hath not done a thing though he really have, by understanding within himself that he did it not on such and such a day, or before he was born; or by reflecting on some other circumstance of the like nature; and yet the words he shall make use of shall not have a sense of implying any such thing; and this is a thing of great convenience on many occasions, and is always justifiable when it is necessary or advantageous in anything that concerns a man's health, honour, or estate."

"The State has not the right to leave every man free to embrace whatever religion he shall deem true." "The Church has the right to require that the Catholic Religion shall be the religion of the State, to the exclusion of ALL OTHERS." "Cursed be those who assert liberty of conscience and of worship and such that maintain that the church may not employ FORCE." (The syllabus of Pope Pius IX, December1864)

"It was proposed that all religious persuasions should be free and their worship publicly exercised. But we have rejected this article as contrary to the canons and councils of the Catholic Church."*Pope Pius VII, Encyclical, 1808

Moreover, we declare, affirm, define, and pronounce it to be necessary to salvation to every human creature, to be subject to the Roman Pontiff!!" **Pittsburg Catholic Visitor,

July 1848, official journal of the Bishop.

"The church is of necessity intolerant. Heresy, she endures when and where she must, but she hates it, and directs all her energies to destroy it."* The Shepherd of the Valley, official Journal of the Bishop of St. Louis, Nov. 23, 1851.

"No man has a right to choose his religion. Catholicism is the most intolerant of creeds. It is intolerance itself. We might as rationally maintain that two and two does not make four as the theory of Religious Liberty. Its impiety is only equaled by its absurdity."** New York Freeman, official journal of Bishop Hughes, Jan. 26, 1852.

"Protestantism has not, and never can have, any right where Catholicity has triumphed. Therefore we lose the breath we expend in declaiming against bigotry and intolerance and in favour of Religious Liberty, or the right of any man to be of any religion as best pleases him."*****Catholic World, July 1870.

"Religious Liberty is merely endured until the opposite can be carried into effect without peril to the Catholic Church." - Rt. Rev. O'Connor, Bishop of Pittsburgh.

"The Catholic church has persecuted ... when she thinks it is good to use physical force she will use it ... Will the Catholic Church give bond that she will not persecute? ... The Catholic Church gives no bonds for her good behaviour" - Western Watchman, December 24th, 1908

History Repeats Itself

People in not so distant history knew of the Jesuit terror- In 1757 the Jesuit confessors were driven out of the Portuguese Royal family and the members of the Society were forbidden to preach in Catholic Portugal. The Prime Minister banned the Society from all his territories. The marquess of Pombal in 1757 drove out the Jesuit confessors from the royal family and forbade the order to preach. Eventually he banished the society from all his territories. It seemed that all Liberals expelled the Jesuits and that the Jesuits only flourished where tolerant Protestantism was in the majority (such as England, Sweden, Denmark and the United States).

In April 1762 the society was accused of using covert means in France to usurp all authority. On April 6, the same year, the French Parliament accused the Jesuits of being "a political body working untiringly at usurping all authority, by all kinds of indirect, secret and devious means." The statement of arrests also described the Order as "perverse, a destroyer of all religious and honest principles, insulting to christian morals, pernicious to civil society, hostile to the rights of the nation, the royal power, and even the security of the sovereigns and obedience of their subjects; suitable to stir up the greatest disturbances in the States, conceive and maintain the worst kind of corruption in men's hearts." Clement XIII was trying since 1758 to suppress the Society of Jesus

and on February 2, 1769, he died the night before he was to tell the College of Cardinals about his decision to comply with the wishes of the Courts to suppress the Jesuits. In 1773 suppression was ordered by Clement XIV. He said "this suppression will kill me" and "I have cut off my right hand" On September 22, 1774 the Pope was poisoned to death. 1774, the Empress of Austria had also banned the order which was welcome educationally only in Prussia (until 1786) and Russia.

The Jesuits were banned from Russia in 1786. (In the USA, the money for the First Bank of North America and the First Bank of the United States came from the Jesuit's war chest!). The Jesuits were banished from Spain in 1820; from Portugal in 1834; from Spain in 1835; from Switzerland in 1848. In Italy their colleges and establishments were gradually taken from the Jesuits starting in 1859. The Jesuits were banished from Spain in 1868 and from Germany in 1872. In Latin America the Jesuits were suppressed in Guatamala in 1872; in Mexico in 1873.; in Brazil in 1874; in Equador and Columbia in 1875; and in Costa Rica in 1884. The Jesuits were (twice) banished from France in 1880 and again in 1901. Since that time the Society has integrated with former enemies (at least at lower levelsof discipleship) such as masonic groups. They have continued to rewrite history. They have taken control of the US education system to ultimately control your children. They have infiltrated into positions and vocations of power and authority to prepare to re-establish her dominion.

The (Un)holy Roman Empire has not changed her plans. She will dominate! When the time is right ... when she has sufficient power ... through the "host" countries that she parasitically attaches herself to then she will throw off her disguise and reveal herself and her army of Jesuit soldiers. Do not fear her ... but know her dangers ... and seek protection in the Lord. Read the word and pray!

It was Horace Greeley (Yes, the guy who said "Go west, young man") who said : "It is impossible to enslave mentally or socially a Bible-reading people. The principles of the Bible are the groundwork of human freedom." America and other nations that were founded on Godly principles of liberty and freedom are under special attack - and through the subtle (and not-so-subtle) lying changes in history books, school curriculums, and the reporting of the media- we have lost our identity and the truth. U.S. Grant, himself, had said " The Bible is the sheet-anchor of our liberties." This is the answer ... we need to get closer to God, our Father. We need to know him by reading His word ... to anchor ourselves in it. We need to keep reading the Bible, folks, it needs to be our DAILY BREAD. Only then can we be truly free.

The Last Pope: Examining Nostradamus and Malachy

Nostradamus or Michel de Nostredame was a practitioner of medicine in Provencale France. His writings were published at Lyons in 1555 as centuries, or groups of one hundred quatrains. His quatrains have been criticised as ramblings and ravings obtained under delusions and demonic influence. Whatever the basis, there is a simple and rational explanation to them and in some a startling true revelation, which could only be really understood after the event. The purpose of this paper is to look at some of these and to explain what they probably mean. One is a startling and true prediction concerning the murder of a pope. Others concern the possible commencement of what is described somewhat as the end of this phase of the control and life on earth as we know it.

Even if only one or two of Nostradamus' predictions are true, we are still confronted with the fact of the matter. Also, even if the demons are capable of this performance and it can be laid at their feet, we are nevertheless faced with the fact, that if it were not God giving this guidance, then the demons or some other agency has this demonstrated capacity outside of biblical prophecy, to predict events.

Another of the factors that come into play, is that of the translations of the quatrains themselves from the medieval French. We will start with the death of the Pope Pius XI.

Nostradamus wrote a number of works concerning the popes. There were also a

number of works written by the Nazis in his name and some spurious quatrains were published during World War 2.

One of the popes with which he seems to have been concerned was Pius XI.

At C5 Q92 he wrote:

Après le Siège tenu dix et sept ans,

Cinq changeront en tel révolu terme:

Puis sera l'un esleu de même temps

Qui des Romains ne sera trop conforme

We see this text translated by De Fontbrune as:

After a Pontificate of seventeen years, five years will see changes that put an end to the revolution. Then at the same time will be elected one who is only too like the Romans.

This rendering has a series of implications about what was to happen in Rome over this period. The revolution aspect has been ignored to date, but that is in fact what is happening. Also the last of the five popes was to be a foreigner, but more like the Romans than was considered desirable or wholesome.

The first time that the Seat (i.e. the papacy) was held for seventeen years was with Pius XI (1857-1939) who was indeed elderly. He was elected Pope on 6 February 1922 and died on 10 February 1939 after a pontificate of 17 years and four days (cf. De Fontbrune, *Nostradamus 1: Countdown to Apocalypse*, Pan Books 1983, p. 212).

He was succeeded by Eugenio Pacelli, a Roman of an aristocratic family who became Pius XII. He reigned nineteen years and died on 9 October 1958.

In 1956 a work was published at Fresno California written by a Catholic named Edward Connor (*Prophecy for Today*, Academic Library Guild, 1956). It was a series of discussions on the prophetic works of the Roman Catholic Church and included discussion of some works of Nostradamus and also on those of the Catholic Prophets down through the ages, concerning the end of the age. The uncanny and startlingly accurate prophecies of Malachy O'Morgair Archbishop of Armagh Ireland (died 1148) were coming to a close. On a visit to Pope Innocent II in Rome in 1139 he was granted a vision of all the popes of the future (ibid. p. 15). When coupled with those visions of

Nostradamus and others, the prophecies showed that there might be a coming crisis for the Church. Nostradamus is dismissed by them as some of his prophecies seem to prophesy the downfall of the [Roman] Church (ibid., p. 10). They had interpreted a prophecy of Nostradamus as saying,

After the seat is held seventeen years five shall change in the same length of the years (ibid.).

They did not quote the full text as we see above. The first part of the quatrain they interpreted as meaning, either that five shall change in five years which did not happen as Pius XII was still on the throne, or alternatively, it meant that five shall change in seventeen years, the number of the years of the duration of his papacy at that time. This they also dismissed as being unlikely as there were only a few months to go and Pius XII showed no sign of dying and was in good health. By the time they distributed the book it would be past time anyway. Why were they at pains to discredit Nostradamus? The answer was that he, and Malachy also, showed an end to the Roman Catholic Church and soon. Also, Nostradamus had in this prophecy seemingly predicted a fast turnover in popes at this end time, or so it seems, if it were to be in 17 years. The problem lay in the small number of popes left to go before the coming of the Messiah. We will examine this later.

What they had not taken into account was that Nostradamus had an uncanny ability to construct these quatrains, because they portrayed some very significant events. The problem lay in the French. The word ans in this context could mean year or years. In this case they constructed it as plural and interpreted it as meaning five years for the number of popes, or seventeen years for the same number of years of the reign mentioned.

Why is all that so important? The answer was that it was very important. As we know John XXIII succeeded Pius XII as Pope after his death in 1958. John died on 3 June 1963 and was succeeded by Paul VI.

The Reign of the Five Popes

This first reign after the seat was held seventeen years by Pius XI, i.e. the reign of Pius XII was also prophesied by Nostradamus but ignored. In the same century some thirty-six quatrains earlier at C5, Q56 he wrote:

Par le décès du très vieillard pontife,

Sera esleu Romain do bon aage:

Qu'il sera dict que le Siège debiffe

Et long tiendra et de picuant ouvrage

De Fontbrune interprets this as meaning:

After the very aged Pope's death, a middle aged pope will be elected. He will be accused of harming the Holy See and will last a long time, doing controversial work.

Pacelli was sixty-three when he was elected in 1939 and did last longer than Pius XI and indeed a very long time. He was also very controversial. From 1923, after the ascension of Pius XI in 1922, the churches had introduced some strange ideas in Germany such as euthanasia. Hitler merely restated the premise in 1939 as an order. The Lutheran and Roman Catholic churches were antidemocratic. They saw the union of church and state as enforcing only their system. Thus they actually reinforced the Nazi system as an extension of the one church and state. From 1932, the elements of the Roman Catholic and Lutheran Churches worked hand in hand with the Nazis, to establish concentration camps and commence to eliminate all non-Trinitarians and specifically Sabbatarians, including Jews, from Europe. The Lutheran Church took over a concentration camp near Hamburg, as early as 1933.

The Catholics in Europe under Pius XII, assisted in the establishment, of what was recently proven to be more than 10,000 camps, and it now seems certain that the total is of some 15,000 or more, concentration and extermination camps. They attempted deliberately and systematically to exterminate the entire Sabbath-keeping or Non-RC/ Lutheran Bible scholarship from Europe. The Jews were only half of the Holocaust, and in fact it now appears certain, that they were not even near half of the number of people murdered by the Nazi system in Europe. Hitler was not an aberration of 1930s Germany. He was a product of his time and conditioning under the Lutherans. With the help of the Vatican under Pius XII at the end of the war, the papacy helped Nazi war criminals to evade trial and used their influence to place them in South America and Australia. Some were used in Australia in security roles. Using this type of mentality perhaps did much damage to Australian residents. During WWII the Roman Catholic Church under Pius XII aided and abetted, or at least condoned, the extermination of a large number of law abiding citizens, many of whom had committed the sole crime in their eyes of being Jews or Sabbatarian (Unitarian) Christians, or of some other non Catholic denomination. Nostradamus was himself of Jewish extraction. This fact has another significance as we will see.

However, our friends in California under Connor, could hardly be writing a criticism of a living pope for the world to see and ask questions concerning his activities could they?

They were all at pains to hide it from the world. Malachy names this pope the Angelic Shepherd with incredible irony. No other single pope or person presided over the mass extermination, by his own people, of so many Sabbath-keeping Jews and Christians, in the entire history of the Jewish tribe and the Christian religion. This entire matter will be examined in the forthcoming work *The Holocaust: The Fifth Seal of Persecution*.

The consequence of the error was to end in, at the very least, a failure to prevent murder, as we will see. In the end when the truth is finally told, and the deceitful historians in European universities admit the truth, the Roman Catholic Church will be seen for what it is and stand condemned in the eyes of the world. This is the controversial aspect of the activities of the Roman Curia under Pius XII, and both before and after his election.

JOHN XXIII succeeded him on 28 October 1958 and he reigned until 3 June 1963. He was actually John XXIV but the previous John XXIII (1410-1415) (Baldassare Cossa (d. 1419) appropriately named Stag of the Siren by Malachy) had been totally evil with a harem of over 200 nuns. He also was a sodomite. He had been declared an antipope. They were embarrassed at this pope, although there were many as bad, and so they tried to reclaim the name John. He was termed The Shepherd and the Sailor. In John XXIII's time another revolution was commenced in the church under Vatican II. Here the genuine concerns of the church were aired amid new schools of thought and attitudes were developed.

From this time the church attempted to review its position and doctrines and this was to come to a head, not all that long after as we will see. The process later resulted in financial scandals, murder and a counter-revolution in the Vatican.

Giovanni Battista Montini, Paul VI was the third pope and in 1978 he was succeeded by Albino Luciani, John-Paul I. This man was the fourth pope in the prophecy. The five popes are thus: Pius XII, John XXIII, Paul VI, John Paul I and John Paul II covering the period from 1939 to 1978.

Catholic views of the prophecies

The work by Connor published in 1956 under the imprimatur of A. J. Willinger Roman Catholic Bishop of Monterey-Fresno shows some interesting comments regarding the five popes of the prophecy.

There was only one other interpretation not explored in the work by the Franciscans

and that was that it was to be understood as five shall change in the same number of the year. Pius XI died in 1939 and that meant on this explanation that five were to change in 1978.

It was probably for that reason that we have it recorded by a number of authorities, that John-Paul I went white on his election and uttered these words: May God forgive you for what you have done in my regard (or on my account).

Why should he be so alarmed on becoming pope? The answer was that he knew the prophecies as well as any of the others.

Malachy had named this Pope De Midietate Lunae or From the half of the moon. Catholics were speculating that this pope would convert Islam and that was the meaning of the half moon. In other words it was the crescent of Islam. Connor asks:

Will the conversion of the Mahommedans-whose symbol is the crescent moon - take place in his reign (p. 16).

The truth is much stranger than fiction. John Paul I died in very strange circumstances in the Vatican, in one month of his election. He lasted one moon and was cut off in the middle of the most far-reaching reforms the Vatican would ever have experienced. He was going to save it from itself and attempt to restore the faith that Jesus Christ had brought to mankind. Allegedly, he was going to rid it of its earthly wealth and put it back to where it should have been, before the emperor Constantine destroyed it, by making it a power and the religion of the world power from the edict of Toleration at Milan in 314. The other and more recent view was that he was also to clear the Vatican of the Masons in the Curia and elsewhere in the churches.

Before he could do that he died in mysterious circumstances. People within the Vatican who knew what happened called it for what they knew it to be, namely murder. The investigative journalist David Yallop was asked by sources within the Vatican to investigate the matter and write a book exposing how the pope was murdered. Yallop did that in a brilliant piece of investigative journalism called *In God's Name*. He publicly accuses the Curial powers of murdering John-Paul I and challenges some of them to step outside of the Vatican. This has not happened. Strangely his book is disappearing from the shelves now. No doubt the current shortages of the work *Hitler's Pope* would indicate it is being subjected to the same treatment.

Normally a pontiff indicates the type of pontificate he will have by choosing his name. In

this case his successor Karol Jozef Wojtyla chose the name John Paul II and one might have expected that he was to continue the reforms of the previous Pope John Paul I and the work that was started under John XXIII and Vatican II. Nothing could have been further from the truth.

Malachy and the list of the Popes

Malachy also signals that fact by the names he gave these popes. For centuries he named them by things such as the coats of arms they had, or that of their families or such significant items that could be seen in hindsight. His accurate prophecies continued from the last decade of the twelfth century down through the centuries until the twentieth when they took a change in nomenclature and which described their activities and pontificates more accurately. These are all listed alongside the names and rules of the popes in their entirety at Annex A.

Malachy's names of the popes were seen as being very accurate and Connor in his work comments on this aspect. Connor dismisses the prophecies of Nostradamus, in that if five changed and the seventeen years were up, then the age was drawing to its conclusion and the popes were on a very short and impossible list indeed. More importantly, it would indicate that a major catastrophe might be likely for such change in that short space of time. In all, Connor and the catholic scholars failed in their entirety to deal correctly with the texts of Scripture and their own and other prophecy in this regard.

After the death of John Paul I called the Half of the Moon, we see the ascension of John Paul II called De Labore Solis or From the Labour of the Sun. Connor speculates (Conversion of the pagans) after this name and goes on to De Gloria Olivae- From the Glory of the Olive with the speculation (Conversion of the Jews?).

In these terms we see great significance. The Moon represented the church in its original state and also the calendar of the church was Luni-Solar, based on the conjunctions of the moon for its annual Sabbaths, New Moons and Feasts. This was changed by the Roman system into a solar-based system, stemming from the sun cults in seeking to destroy the true system of the original church. They penetrated Christianity and transferred the day of worship to Sunday and then brought in the pagan or suncult festivals of Easter of the Baal-Istar system and of Christmas, the festival of the dies natalis Solis Invicti: the day of the birth of the Invincible Sun (see the paper The Origins of Christmas and Easter (No. 235)).

Here in the last three popes, we were to see the attempt at turning back the clock cut off in half flight and the replacement with the representative of the full-blown sun

system. One might also comment that he came from an eastern worker country. Connor's speculation is not far fetched as they see it. In Roman Catholic eyes, in spite of the fact that they hold none of the doctrines of the church founded by Christ and the Apostles, they are the true church. They believe they have the right to exterminate all opposition to themselves and do just that, whenever they have the power to do so. When they do not they revert to espionage, intrigue and the destruction of individuals who disagree with them. This war has been going on unabated since 590 and even before and has continued since 1850 into the twentieth century and will not stop until the church is destroyed, as prophesied, by the system arising now in the world.

This Pope is now dead and there are only two popes left on Malachy's list. The current Pope, Benedict XVI, as we see is called From the Glory of the Olive.

As the Roman Catholic John Bosco predicted in the mid 1800s, he was elected very quickly on the death of the previous Pope John Paul II. If Bosco's predictions are to be taken seriously, the mention of two columns and the dedication of one to the Virgin may well have a connection to Freemasonry if we assume the columns are those of Boaz and Jachin of the Temple of King Solomon and referred to so much in Freemasonry. The tying of the ship of state to those columns as Bosco predicts by description is very serious indeed.

The dream in question was narrated May 30 1862 (from Forty Dreams of St. John Bosco).

"Suddenly the Pope falls gravely wounded. Immediately, those who are with him run to help him and they lift him up. A second time the Pope is struck, he falls again and dies. A shout of victory and joy rings out amongst the enemies; from their ships an unspeakable mockery arises.

But hardly is the Pontiff dead than another takes his place. The pilots, having met together, have elected the Pope so promptly that the news of the death of the Pope coincides with the news of the election of the successor. The adversaries begin to lose courage."

"The new Pope, putting the enemy to rout and overcoming every obstacle, guides the ship right up to the two columns and comes to rest between them; he makes it fast with a light chain that hangs from the bow to an anchor of the column on which stands the Host; and with another light chain which hangs from the stern, he fastens it at the opposite end to another anchor hanging from the column on which stands the Immaculate Virgin.

Comment: To apply to Benedict XVI the prophecy must allude to John Paul II being once seriously wounded and then dying from his later Parkinsons Disease etc. Otherwise we are going to see this pope shot and the next, and last, speedily elected also.

Malachy allegedly says that there will be another pope after De Gloria Olivae. That pope is called simply Peter the Roman. Malachy says simply that after that event the Terrible Judge will judge the people.

This is the end of the papacy.

So, Benedict XVI, From the Glory of the Olive, will be followed by a Peter the Roman and after that the Catholics hold that the terrible judge will judge the people. They disregard the Bible Revelation of the Millennial reign of the Messiah from Jerusalem, as contained in Revelation 20:1-10, which all must happen before the Great White Throne Judgment in Revelation Chapter 20:11-15.

Revelation 20:1-10 Then I saw an angel coming down from heaven, holding in his hand the key of the bottomless pit and a great chain. 2 And he seized the dragon, that ancient serpent, who is the Devil and Satan, and bound him for a thousand years, 3 and threw him into the pit, and shut it and sealed it over him, that he should deceive the nations no more, till the thousand years were ended. After that he must be loosed for a little while. 4 Then I saw thrones, and seated on them were those to whom judgment was committed. Also I saw the souls of those who had been beheaded for their testimony to Jesus and for the word of God, and who had not worshiped the beast or its image and had not received its mark on their foreheads or their hands. They came to life, and reigned with Christ a thousand years. 5 The rest of the dead did not come to life until the thousand years were ended. This is the first resurrection. 6 Blessed and holy is he who shares in the first resurrection! Over such the second death has no power, but they shall be priests of God and of Christ, and they shall reign with him a thousand years. 7 And when the thousand years are ended, Satan will be loosed from his prison 8 and will come out to deceive the nations which are at the four corners of the earth, that is, Gog and Magog, to gather them for battle; their number is like the sand of the sea. 9 And they marched up over the broad earth and surrounded the camp of the saints and the beloved city; but fire came down from heaven and consumed them, 10 and the devil who had deceived them was thrown into the lake of fire and sulphur where the beast and the false prophet were, and they will be tormented day and night for ever and ever. (RSV)

The reason they disregard this Book is that it shows clearly that the reign of Christ has

not yet started and that the Roman Church cannot be acting as the delegates of Christ, as the god of this world (2Cor 4:4). Revelation shows that Satan is not yet bound, and also that the rule of the world will be at Jerusalem, and not Rome.

The Roman Church calls Revelation The Apocalypse so as to conceal the fact, that it is the Revelation of God to Jesus Christ and hence demonstrate the fact that Christ is not Omniscient. Revelation identifies Rome as the seven-hilled city referred to as Babylon in the text.

The conjecture as to who the Glory of the Olive might be has been resolved. However, speculation was endless. Would it be Martini as many suggested, or would he be a Jesuit? Would Opus Dei allow it with the current war raging between them and the Jesuits? Opus Dei has the numbers at 88,000 odd. Would he be a Spaniard that they wanted, or someone from one of their enclaves, or from their power cells in the Americas? Or could he have been a compromise candidate? Could it even have been a Jew? It could have been a Jew. There was one candidate, one last-ditch attempt at placing the system together before the coming of the Messiah. After all, they could have said, "We converted the Jews", or could they? The Cardinal Archbishop of Paris is a Holocaust victim who was taken and raised by Roman Catholics. However, that union had to take place after more pressing amalgamations. These will occur now as we will see.

Nostradamus has a prophecy (C5 Q49; Lorie p. 152) that appears to relate to this possibility.

Nul del'Espangne

Mais de l'antique France

Ne sera lu pour la

Tremblante nacelle,

A l'ennemi sera faite fiance,

Qui dans son regne fera peste cruelle.

Translated this means:

Not from Spain

but from Ancient France

one will be elected for the trembling ship,

to the enemy will make a promise, who in his reign will cause a terrible plague.

So here we see the one elected is for the trembling ship. This line was a reference both to the ill health of John Paul II and the true state of the Catholic Church. He is seen to be making a promise to the enemy. Judah might have rightly seen this as being the case. However, there are more pressing behind the scenes enemies and mergers to be attempted. That is why Australia's RC Cardinal Pell said that we would all be surprised by what this Pope does.

Will all the khemarim, the black cassocked ones, of the Baal sun-system, be allowed to come together in order to resist the soon coming Antichrist of the Catholic prophecies. This concept is examined in the paper The Messages of Revelation 14 (No. 270). The movement of the false system must take place from Rome, be consolidated and go to Jerusalem in accordance with the Bible system. A Jew would seemingly have been an ideal candidate for this process.

Ancient France was the creator under Charlemagne, King of the Franks of the Germanic Confederation of the Holy Roman Empire in Europe. The Empire of Charlemagne was not simply French-speaking but consolidated within it the Germanic tribes and also the southern Danes. That is now Europe.

Thus, the Spanish-speaking world wanted a Spanish or Spanish-speaking pope and they should have prevailed by weight of numbers but they did not prevail. A European, but not a Spaniard or even an Italian, was elected, so that he might consolidate Europe and the factions of Protestantism and the secret societies. That is what has been going on now for some time behind the scenes.

Cardinal Joseph Ratzinger has been working for decades at consolidating doctrine in the church from his position as head of the Sacred Congregation for the Doctrine of the Faith. What he wanted to do he has already done on a doctrinal basis. The Inquisition has already been established and the groundwork has been in place for 12 years. Both he and John Paul II set it in place in 1993. The Catholic lay- author, the late Morris West said this at the time in criticism of what had been set in place.

They see an agenda of consolidation before the last days. However, their agenda is demonstrably anti-biblical.

The Catholic prophecies have foretold of the Antichrist coming for centuries. They are strangely garbled and are actually a mixture of prophecies, which deal with a number of soon coming prophetic events. The Bible tells of a number of things that have to be in place before the Messiah comes. One is the restoration of the gospel and its preaching to all nations together with the warnings of the last days (cf. Jer. 4:15 and the paper The Warning of the Last Days (No. 44)). The voice of the last days warning of the coming of the Messiah is to be of Dan and Ephraim, which appears to be the new tribe of Joseph referred to in Revelation 7. After that period we will see the Two Witnesses and the final persecutions and wars (cf. the paper The Witnesses (No. 135)).

The Catholic Prophecies speak of an Antichrist of Dan who is killed, by the coming of Enoch and Elijah, who we would expect to be the witnesses of the Bible text, as they were the only ones taken by God and the purpose was not stated.

Nostradamus foretells of an iconoclastic prophet, using refined language to continually educate who is raised in the last days at C1. Q. 96.

Celuy qu'aura la charge de destruire,
Temple et sects changes par fantasie,
Plus aux rochers qu'aux
Vivans vienra nuyre,
Par langue ornee d'oreilles ressaisies.

Translated this means:

He that will have the responsibility to break down temples and sects altered through fantasy, will come to harm more the rocks than the living, through ornate language ears will continually be filled.

This is obviously a major re-education process of mankind in the last days to eliminate the idolatrous image worshipping systems of the religions of the earth. Thus, Nostradamus sees and iconoclast rising in the last days to fulfil a mission achieved through ornate language. This is a reference to Ogmios who chained the ears of his listeners with rhetoric. The anagram used by Nostradamus for Ogmios was Logmion.

The Name of the Last Pope

What name will the last pope have? If we can rely on visions of the popes as an indicator, we might take this one more seriously. This pope was the first to be appointed under the papal doctrine of infallibility, although here he was not speaking ex-Cathedra. Pius X (1835-1914) in 1909 during an audience with the general Chapter of the Franciscans fell into a semi-trance with his head sunk on his chest and after a few minutes he came to and opened his eyes with a look of horror on his face. He reputedly cried out:

What I have seen was terrible... Will it be myself? Will it be my successor? What is certain is that the Pope will quit Rome, and in fleeing from the Vatican he will have to walk over the dead bodies of his priests. Do not tell anyone while I am alive (cf. Stephen Skinner, Millennium Prophecies, Carlton, p. 75).

Obviously, Rome and specifically the papacy are seen as the enemy in this invasion of Rome. What events are happening now that might justify or cause these events? The answer is the coming war with Islam and the role of the papacy in precipitating that war.

The prophecy of the fleeing pope would not apply to the Glory of the Olive, who is Benedict XVI and hence not Pius, but will it apply to the so-called Peter the Roman? Will he take the name Pius XIII or will it be bestowed on him as a result of these actions? If bestowal of the name by action is the case then it could be either one. One thing of which we can be certain is that the city will be destroyed and they will flee from Rome. There are a number of other aspects however, that must occur when the false prophet is set up in Jerusalem.

The Glory of the Olive

The Pope known to prophecy as the Glory of the Olive took the title Benedict XVI. Cardinal Joseph Ratzinger was a Bavarian Cardinal of the RC Church who served as the Head of the Sacred Congregation for the Doctrine of the Faith. Originally termed the Holy Office, it was anything but that, and came to be termed by academics such as Professor Roth, as the Unholy Office due to the scandalous conduct of the Inquisition over the years. For an indication of what it did, look at the paper Role of the Fourth Commandment in the Historical Sabbath-keeping Churches of God (No. 170).

Cardinal Joseph Ratzinger was renowned for his inflexible denunciation of matters that impinged upon the dominance and so-called magisterium of the Roman Catholic Church. His apologists have said that he is really not that way at all. At 78 he is the oldest pope elected for 275 years since Clement XII in 1730. Why did they elect someone so old and what does that mean for those who are not Roman Catholics?

It was a very short conclave and a decision was reached very early. Such a quick election was foreshadowed by the Roman Catholic prophet John Bosco in the nineteenth century as we see in the quote above. So, obviously the numbers were there and the decision reflected the consensus of the voting cardinals, as it was not long enough in conclave to go to simple majority vote. If the two columns referred to by Bosco are symbols of Freemasonry, perhaps it may indicate that is a major step in the agenda. Indeed it has to be so for Satan to give all of his power to the beast for the last phase of world domination.

It was said that he was chosen as a "transitional" pope who would fulfil the unfinished business of John Paul's quarter-century papacy yet not be another long-term pope. Certainly John-Paul II created enough Cardinals to ensure his supporters carried through his agenda. Benedict XVI himself said his papacy would be very short. But much can happen in a short time.

At the ascension of Benedict XVI two thirds of the world's Roman Catholics lived in the Southern Hemisphere. Africa was the largest growth area and South America had the most RCs but also a great attrition rate. It was hurting and wanted a pontiff. Yet numbers on the ground did not translate into numbers of voting Cardinals. Europe was also hurting. Paganism is on the rise. North America is seeing the RC system as increasingly irrelevant. Affluence and immorality are seeing people adopt other religious systems such as Paganism and Buddhism in order that the people might pursue their immoralities without being hampered by the problems of conscience and moral censure.

When Cardinal George Pell of Australia addressed the Australian Roman Catholics he said that the New Pope was "one of us". "He was a European." Pell said this as though Australia was somehow attached as an appendage of Europe and not off the far edge of South East Asia and among the Southern Hemisphere's RC majority. What was significant was that all the competing interest of the Jesuits and Opus Dei and all the factions could suppress their divisions in the face of what they perceive as a serious threat to their existence and European supremacy.

Cardinal Pell stated at the time that there would be significant changes under this new Pope. To do that there had to be changes in his perceived agenda and presentation. The Cardinals were allegedly looking for collegiality and they wanted change to bring in the protestant churches under the Roman system.

Joseph Ratzinger stated that he wanted to be known as a man of peace during his pontificate. But how does all that square away with his known history? How would he change to absorb the Protestants and reform the Trinitarian apostasy?

Born in 1927, he was raised in Nazi Germany. He allegedly deserted from the army at the end of the war but we might expect him, in his old age, to revert to the conditioning of his youth.

He was known as being totally against multiculturalism. He reportedly regarded it as Europeans "fleeing away from their own". He is on record as opposing Turkey's entry to the EEC and Europe. He is known to be anti-Islam.

His election was also seen as a disaster for the homosexual lobby or "Gay and Lesbians." The Abortion Lobby saw him as a disaster. In short he promised to be the most divisive pope in a century. Yet Malachi names him as the Glory of the Olive, which is a symbol of peace, or is it?

Although the Benedictine order of monastics comes from St. Benedict of the sixth century, another name for the followers of St. Benedict is the Olivetans. They are a minor order following the rule of Benedict Tolomei of Siena who established the order at Accona south of Siena, Italy in 1313. Others joined the original three men and in 1324 John XXII approved the formation of the order. Olive trees abound there. They wear white habits perhaps to reflect that fact. The Benedictines were also inquisitors from the early days. They were superseded in that role after the Dominican Order was founded. The Church of God suffered under both, and later also under the Franciscans. The name The Glory of the Olive and the choice of Benedict may have referred to this early and unholy aspect of the Order's behaviour.

Umberto Ecco expressed the conflict in theology and thinking fairly interestingly in the work Name of the Rose. There the dialogues between the Franciscans and the Benedictines were expressed in the conversations between William and the Benedictines where the discussion concerned the question, "Did Christ Laugh?" The Benedictine said, "It is nowhere written that he laughed." But William said, "It is not contrary to reason that he laughed". In this exchange we see the complex question of documented history versus the process of reason that marked the transition of the new orders of the Catholic system. The Benedictines represented an old approach against the new age of reason. Thus it is of note that the Benedictines in Germany saw Cardinal Ratzinger suppress the intrusion of Zen Buddhist techniques under the Benedictine Zen master Fr. Willigis Jäger, 76, also known by his Zen name of Ko-un Roshi. The decision was made public on 5 February 2005 by the Würzburg diocese

where Jäger's Münsterschwarzach Abbey is located. Fr. Nokter Wolf, the abbot primate of the Benedictine order stated that the decision came from Cardinal Ratzinger.

Jäger was faulted for playing down the Christian concept of God as a person in his work as a spiritual guide, and for stressing mystical experience above doctrinal truths. Jäger is well known in the German-speaking world as a spiritual teacher. In 1972, he met the Japanese Zen master Yamada Roshi of the Sanbo Kyodan School. In 1975, he moved to Kamakura in Japan and spent six years studying Zen. The core of Zen is a body of spiritual techniques derived from the Buddhist tradition. In 1981, Jäger was authorized by the Roman Catholic system to train students in Zen. The result had been not acceptable to the Inquisition and had divided the prayer structure of those affected from the core of the Order.

A recent report also disclosed that Franciscan authorities say Fr. Josef Imbach, 56, has been assigned a year of "reflection", amounting to a suspension. Though a Franciscan spokesperson would not elaborate on the motive for the action, Imbach had revealed two years ago that Cardinal Ratzinger was carrying out an investigation of his 1995 book on miracles.

Imbach said at the time that he was accused of not believing in the divinity of Jesus, of refusing the magisterium of the church, of describing the gospels as teaching texts rather than historically reliable accounts, and of excluding the possibility of miracles. He denied holding these views.

Thus there are moves in Germany and in Europe towards what might be described as non-Christian views. The reality is that the Church is in damage control. Paganism and Transcendental Meditation are rife and escalating.

There are also a large number of people in the Roman Catholic Church who believe that John Paul II was an anti-pope. They are termed seder vacantist, meaning that the seat of the Bishop of Rome is vacant due to heresy.

It might be said that in effect we are also seder vacantists. The position of the Church of God was that the see of the Bishop of Rome became vacant in 154-192 CE with the election of Anicetus to the see of Rome and the introduction of the Easter heresy, and subsequent heresies and the schism forced by Bishop Victorinus (Victor) in 192 CE. That marked our split with Rome (see the paper The Quartodeciman Disputes (No. 277)).

The election of Joseph Ratzinger was a step towards reassuring the old guard that things were not really changing. The aim was stated to be to get a smaller and more pure church that was not under the influence of these heresies. What might have resulted? The least likely was Protestant ecumenical absorption but that is what we were led to believe might have occurred.

One of the things suppressed by the curial system and specifically by John-Paul II and by Ratzinger was the third secret of Fatima.

The third secret of Fatima is now widely acknowledged to be in two forms, and the major thrust of the third declaration was that a pope would be killed by soldiers, among many of his priests. These prophecies are examined herein.

This also follows the vision of Pius X where he said that a pope of his name would leave Rome over the bodies of his priests. The third vision of Fatima was held to have been fulfilled when John-Paul II was shot but that is impossible and is recognised as being impossible. Clearly Pius' vision says the pope is of his name and thus Benedict XVI cannot fulfil this vision. However, the creation of a war with Islam is not only a possible agenda that might precipitate the circumstances that will see the destruction of the see of Rome but also the removal of the Roman Catholic system from there and from the world in general.

What appears to be the case is that this short period ahead will see the deliberate polarisation of Christianity and Islam and the culmination of World War III in the aftermath that sees the destruction of Rome and its see.

In order to get the church to a pure state the trappings of paganism over the centuries have to be stripped away. In order to maximise the numbers of the church the see at Rome prostituted everything from the middle of the second century onwards.

We need to look at the story of the first bishop of Rome. They call him Pope Linus now but they did not have popes in those days. His father Caratacus (Latin for Caradog) was taken to Rome and held captive there in the "House of the Britons". As king of the Cantii from 40 CE and the Catuvellauni and Silures from 43-51 CE he led the British forces against the Romans under Claudius. He was defeated in Kent at the Battle of Medway and fled west to the lands of the Dobunni in Gloucestershire but was again forced further west by Roman advances. He gained the support of the Silures and Ordovices in South and Central Wales and from 47 onwards they maintained a guerrilla war

against the Romans. He was finally defeated at the Severn in the Cambrian Hills of Northern Wales leading an army of 15,000 Britons against the Romans. His brother and children were taken captive to Rome. He escaped to the land of the Brigantes hoping to raise more troops but was betrayed by Queen Cartimandua who had already made a deal with the Romans and handed him over to them. He and the family were taken to Rome in chains. Because he had been so powerful and his reputation so well known Claudius displayed him. Claudius spared his life and pardoned him after he made a rousing speech that impressed Claudius deeply. The family lived in comfort in Rome and he died probably around 54 CE. The family remained there in Rome, living comfortably, and at least some returned to Britain perhaps around 60 CE.

The family became members of the Church in Rome. They were exposed to and knew Paul intimately. Linus ultimately became bishop at Rome after the death of Paul. His brother Cylin had a daughter that married his cousin's son, the grandson of Caradog's brother Arviragus. This man was Coel I son of Marius. It was this line that returned to Britain and certainly brought the true faith with them. They were Sabbatarians and had the same faith as we follow today. Linus was a Sabbatarian and kept the Passover and Feasts as we do and the Food Laws as we do also. They were Unitarians that believed that Christ was the Great Angel that gave the Law to Moses at Sinai and who was the elohim of Israel referred to in Psalm 45:6-7 and Hebrews 1:8-9. These teachings are to be found to this day in the writings of Justin Martyr who followed Linus about a century later in Rome.

It is thus bizarre to the Church of God to see a pope trying to return to a paganised structure that has been inflicted on Christianity by corrupt Roman priests for power and influence. The end result of their syncretic heresy will come to full bloom over the short reign of Benedict XVI. At the end they will be taken away to make way for the restoration of the true faith once delivered to the saints. Only when Rome embraces the faith of Linus and his family will they return to Christianity.

Benedict XVI was seemingly concerned with syncretism as he saw it, yet he espoused doctrines that would have seen him disfellowshipped by the early Church as an idolater and a Gnostic heretic. He referred to Irenaeus, bishop of Lyon at the end of the second century in his comments yet believes very little of what Irenaeus actually believed.

These divisions in the Roman Catholic Church are very deep. The problems in the Anglican, Lutheran and Orthodox churches are also very deep and serious. Ratzinger had not been supportive of these faiths nor had he been sensitive to their inclusion. After his election it was suggested he may reverse this approach. This multi-marriage will be one of convenience in the face of adversity.

Much of the rhetoric of the Roman curial system has been to appear to be strong and appeal to the Protestant conservatives in order to lure them back into the Roman Catholic fold. Those churches are in the process of splitting. The Roman Catholics are trying to appear as though they are against homosexuality when in reality they are permeated with it at all levels.

The English language surveys show that over one third of them are openly professing homosexuality when it is expressly forbidden by the Vatican. The double standards are difficult to follow for the casual observer.

The fact is that these problems are simply seen as expediency in a long-term gambit for control and power.

However, time is running out. Their own prophecies say that they have one pope left to go. This Pope will have a short reign by his own comments. Perhaps even that will be too long for some. Even so there will be a great threat to the very existence of the Roman Catholic system. One reign will be short and the second reign will be cut short. Then, by their own words, Rome will be destroyed and the terrible judge will judge the people.

The Whore of Revelation

In the Book of Revelation we have a great whore, who commits sins with the kings of the earth and she is drunk on the blood of the saints. She sits over many nations and peoples and tongues. A woman symbolises a church and there is only one church on the planet that fits this description.

Revelation 17:1-18

Then one of the seven angels who had the seven bowls came and said to me, "Come, I will show you the judgment of the great harlot who is seated upon many waters, 2 with whom the kings of the earth have committed fornication, and with the wine of whose fornication the dwellers on earth have become drunk." 3 And he carried me away in the Spirit into a wilderness, and I saw a woman sitting on a scarlet beast which was full of blasphemous names, and it had seven heads and ten horns. 4 The woman was arrayed in purple and scarlet, and bedecked with gold and jewels and pearls, holding in her hand a golden cup full of abominations and the impurities of her fornication; 5 and on her forehead was written a name of mystery: "Babylon the great, mother of harlots and of earth's abominations." 6 And I saw the woman, drunk with the blood of the saints and

the blood of the martyrs of Jesus. When I saw her I marveled greatly. 7 But the angel said to me, "Why marvel? I will tell you the mystery of the woman, and of the beast with seven heads and ten horns that carries her. 8 The beast that you saw was, and is not, and is to ascend from the bottomless pit and go to perdition; and the dwellers on earth whose names have not been written in the book of life from the foundation of the world, will marvel to behold the beast, because it was and is not and is to come. 9 This calls for a mind with wisdom: the seven heads are seven mountains on which the woman is seated; 10 they are also seven kings, five of whom have fallen, one is, the other has not yet come, and when he comes he must remain only a little while. 11 As for the beast that was and is not, it is an eighth but it belongs to the seven, and it goes to perdition. 12 And the ten horns that you saw are ten kings who have not yet received royal power, but they are to receive authority as kings for one hour, together with the beast. 13 These are of one mind and give over their power and authority to the beast; 14 they will make war on the Lamb, and the Lamb will conquer them, for he is Lord of lords and King of kings, and those with him are called and chosen and faithful." 15 And he said to me, "The waters that you saw, where the harlot is seated, are peoples and multitudes and nations and tongues. 16 And the ten horns that you saw, they and the beast will hate the harlot; they will make her desolate and naked, and devour her flesh and burn her up with fire, 17 for God has put it into their hearts to carry out his purpose by being of one mind and giving over their royal power to the beast, until the words of God shall be fulfilled. 18 And the woman that you saw is the great city which has dominion over the kings of the earth." (RSV)

There is only one city and one church that have had dominion over the kings of the earth. No other church or people have killed so many millions of Bible believing Christians. Notice Revelation terms the false religious system the mother of harlots. That means that there must be a series of daughters with the same doctrines who also commit fornication with the kings of the earth. The Lutheran Church came from the same system and is going back into the same system in the very near future. That church also assisted in the extermination of the saints over a long period of time. During the Nazi era, as early as 1933, this church took over from the SA and ran concentration camps. One of the categories the Nazis had in the camps was that of Bibelforscher or Bible Researcher. Anyone who was not a so-called orthodox Trinitarian of Catholic or Lutheran persuasion was interned and killed. They assisted in the extermination of the cream of Bible scholarship in Europe in the twentieth century, but what is not understood is that they had been doing that in conjunction with the Catholics, since they were established in the Reformation. The history of their persecution of the Sabbath-keeping churches are seen from an examination of the work by R. Samuel Kohn *The Sabbatarians in Transylvania*, trans. T. McElwain and B. Rook, CCG Publishing, 1998, see also the Foreword by W. Cox). The ten horns of the system are the same as the ten toes of Daniel chapter 2. These national systems which had been established by the religious whore and which we have known as the Holy Roman Empire (590-1850), in

the last days turn on the whore and her harlot daughters and destroy them. God hates this whore and has put it into the hearts of the union of the ten, to turn on the whore. God has given it to them to give their kingdoms in this union to the beast, until the Words of God shall be fulfilled. The woman is the organisation, which formed the church, and which also ruled over the seven hills of Rome.

This union of the beast makes war with Christ and his called and chosen and faithful (Rev. 20:14). These are the elect that keep the Commandments of God and the testimony of His Christ. The dragon is wrath with them, and the woman or church they are and tries to destroy them, over the entire period of their existence (Rev. 12:17; 14:12).

These prophecies of their own leaders have been given to them, so that they may know and fear God. In the end the system they tried to create will come to power for one hour with the beast in order to fulfil the will of God and the prophecies of Scripture, as Scripture cannot be broken (Jn. 10:34-35).

Thus it is not surprising that Pius X (named Burning Fire by Malachy) (1903-1914) had a vision where he saw his namesake walk out of the Vatican and Rome over the dead bodies of his priests. His successor was named by Malachy Religio Depopulata, which is Religion Devestated (or depopulated). Benedict XV reigned from 1914-1922. This had much more to it than simply being the pope of the period of World War 1. From that period the destruction of the Sabbatarians and other sects in Armenia was commenced and a million Armenians were exterminated in mass shootings. His successor saw the elimination of the Bektashi in Turkey, with some one to two million Sabbatarians, among the five million odd Bektashi there, simply disappear from 1927 onwards.

In the 1990s the systematic destruction of the independence of the Serbs was undertaken. and Islam was forced into continual conflict.

Over the next three decades hundreds of millions of people will be forced into needless wars and nations will disappear through the political aspirations of this system.

CRAIG-OXLEY - November 5, 2005 03:48 AM (GMT)

When the full story is told; when the full horror of what these people really are is told, the beast will stone them all in the streets. Great is the mighty God who judges them, and who has given them over to the beast in the last days to bring His will into place.

In the last days prior to the coming of the Messiah the two Witnesses will stand in Jerusalem clothed in sackcloth (Rev.11:3-13). This event occurs after the events in Revelation 11:1-2. These events are explained in the paper Measuring the Temple (No. 137). The witnesses will be given the powers of Elijah. God says that He will send Elijah the prophet before the great and terrible day of the Lord and he will turn the hearts of the fathers to the children and the children to the fathers lest God smite the earth with a curse (Mal. 4:5-6). They will restore all things. The thing they will finally restore is the Nexus of the Law of God. This nexus was broken by Satan under his system and the Blessings and the Curses of the Law are imperfectly applied (cf. the paper The Blessings and the Curses (No. 75)). At present it rains on the just and the unjust.

When the Nexus of the Law is restored it will no longer rain on the just and the unjust alike. Under these two prophets the gods of this world will be stuffed down the throats of the people who will seek to kill them, but will not be able to kill them until the 1260 days of their prophesying are over. They will be left to lie in the streets for three and one half days and after that they will be resurrected and they will ascend in full view of the people. From this point on Messiah will commence to deal with the planet and will establish his headquarters at Jerusalem.

None of these prophecies can be explained or accepted by Trinitarianism, as it strikes at the very notion of a powerful church system at present on and in control of the planet under Jesus Christ. Also the Bible shows that the reason the heavens are shut up is to enforce God's Calendar. If the Feasts, New Moons and Sabbaths of the Bible are not kept there will be no rain in due season and the plagues of Egypt will be inflicted on the nations of the world (cf. the paper God's Calendar (No. 156)).

The end of Roman Catholic Prophecy

The Roman Catholic Prophets and Nostradamus have given a series of prophecies that we might summarise as follows.

There are a series of popes in the last days that are involved in a revolution that is ended by a pope that is not Roman, but is too much like them. This pope is called From the labour of the sun. This seems to indicate the fulfilment of the works of the Sun system.

The late Pope John Paul II was a Pole who was dedicated to the establishment of the mother goddess system under the guise of Mary. The mother of Christ was named Mariam and not Mary, but this is alleged to be the name of Messiah's Mother and she has been elevated now even as a fourth member of the so-called Godhead (cf. the paper The Virgin Mariam and the Family of Jesus Christ (No. 232)). This is the true

labour of the sun. The sun cults were dedicated to the Baal-Istar System with the veneration of Istar as Venus under the triune system. This Istar is the Ostar or Easter of Europe. In this period the Queen of Heaven is elevated and the Assyro-Babylonian system of sun worship is restored. All this is done to divorce mankind from the Laws of their One True God. His major labour of the sun and to which the title of Malachy perhaps emphasises, is the release of the sun systems' revelations of the mother goddess of Fatima. As one of his later? acts he released the third vision of Fatima which will be examined separately.

There are two popes to go. One, now reigning, From the Glory of the Olive, Benedict XVI and the other a Peter the Roman who is held to be the last pope.

Pius X held that one of these popes would leave Rome over the bodies of his priests and he may have had the title Pius).

There is no millennial system in the Roman Catholic structure and they ignore masses of Bible texts dealing with this matter. Thus the next phase for them is to go straight to the judgment, which the Bible places at the end of the Millennial reign from Jerusalem.

The texts concerning the Antichrist will be examined separately.

The Time Frame

The longest lived popes have reigned no more than 23 or so years. Pius VII (Barnaba Chiaramonte called The Rapacious Eagle by Malachy) reigned from 14 March 1800 – 20 July 1823. Leo XIII reigned from 20 February 1878- 20 July 1903. Two other popes this century reigned 17 and 19 years respectively and this last one has reigned 26 years. The average is much less. One pope has to leave over the bodies of his priests according to Pius X. However, the visions of Fatima add another dimension to this prophecy with the death of a pope with his priests killed by soldiers.

Scripture and God's Calendar indicated some major activities during this period. One is the overthrow of the whore by the beast system, before the coming of the Messiah as we see from Revelation above. Thus the overthrow of this false system occurs prior to the return of the Messiah.

Daniel also says that the Wars of the King of the North and the South occur in the last days from the occupation of Jerusalem by the king of the North and that system is alarmed and goes into the north and east and exterminates many (Dan. 11:41-44). This

is a war in the Russian Steppes and this northern power is victorious, but in the end he comes to his end with none to help him.

So we might look at the reign of Karol Jozef Wojtyla, John Paul II. He became pope on 16 October 1978. He reigned 26 years. At the end of 2001 he equalled the reign of Pius VII. He was to announce his abdication on medical grounds in 2001, and his will confirmed that intention, but reigned until his death after Easter 2005. Benedict XVI is the oldest pope to be elected for 275 years since Clement XII in 1730. The reign of Benedict XVI will not be a long one. The other long reign on similar dates to John Paul II, was that of Leo XIII above. Peter the Roman would expect to be in office from perhaps as early as 2012 and at the latest, 2025. The possibility exists that the name Peter the Roman is a play on the fiction that Peter the Jew was the first pope and that he founded the papacy. This may be nothing more than a final thrust of this prophecy at the entire system. It concerns the removal of the priesthood and the return to the primitive church, for that is indeed what the Bible says is to happen. We may in fact be looking at Benedict XVI as the last real pope, in the sense that it is understood today. The first recorded Bishop of Rome after the apostle Paul was Linus the Briton. He was son of Caratacus (latin for Caradog), imprisoned and pardoned by Claudius in Rome as we saw above. This religion of the early church will be the one to which the entire system is restored in the last days at the return of Messiah.

The last pope and his entire system are removed from office according to Bible Prophecy. His priests at the latest, or perhaps even those of his predecessor, will be dead in the streets. We might then legitimately expect, from their own prophecies, to see an end to what we understand as the Roman Catholic Church between 2012 and 2025 or thereabouts, or even earlier. God will use them to accomplish His ends before their destruction.

Thus we are due to see massive changes in world events and the structure of the control of the world over the next 25 years. This is entirely in accord with Bible prophecy.

The time of the activities of God is determined according to His calendar and according to that system and within Prophecy. Christ said that men seek a sign but no sign was given to his ministry other than the Sign of Jonah (cf. the paper The Sign of Jonah and the History of the Reconstruction of the Temple (No. 13)).

The Bible system works on the Jubilee. A jubilee is fifty years in duration. Forty jubilees are exactly two thousand years. The number forty has a great significance to Bible prophecy and also to the ministry of Messiah.

The jubilees fall in the years 27 and 77 of the centuries of the current era (see the paper Reading the Law with Ezra and Nehemiah (No. 250) and also the paper Significance of the Year 2000 (No. 286)). The next jubilee is in the year 2027 from atonement to atonement of the Sabbath and Jubilee years. 2028 is the start of the Forty-first jubilee since Messiah and the Fiftieth jubilee or Jubilee of Jubilees since the restoration of the Law and the Temple under Ezra and Nehemiah. This has tremendous significance.

The most important factor is that the Sign of Jonah has a number of aspects to it. It proceeded on a year for a day basis and then on a jubilee for a year and day basis in the last days.

Nineveh was given forty days to repent after one day's entry and two days preaching by Jonah, after he was three days and three nights in the belly of the great fish. Nineveh repented.

Judah was given part of a year's preaching by John the Baptist and then two years preaching by Messiah and forty years to repent. They did not repent. Messiah was crucified on 14 Abib in the year 30 CE. Judah was then given until 70 CE to repent. They martyred Christ's brother James in 63 CE and commenced the last week of years of the seventy weeks of years in Daniel 9:25-26. On 1 Abib or 1 Nisan of 70 CE Jerusalem was surrounded by a Roman army under Titus and, by Atonement of 70 CE, Jerusalem and the Temple were destroyed and the entire structure levelled to the ground. By 1 Abib 71 CE the temple at Leontopolis in Egypt was closed by order of Vespasian and Judah went into captivity for the remainder of the forty jubilees, until the time of the end and their conversion before the Advent and Millennial reign of the Messiah.

The church then went into the wilderness on a jubilee for a year basis to Israel in the wilderness at the Exodus. The nations were all given 40 jubilees to repent and they did not repent. The forty jubilees run out in 2027 and this world will be brought to repentance by force. The Nexus of the Law will be the force of the restoration to peace. The false religious systems of this world will be destroyed and the armies of this world will also be destroyed. This timetable is covered in the paper Outline Timetable of the Age (No. 272).

Messiah will cut this time short otherwise there will be no flesh saved alive (Mat. 24:20; Mk. 13:22).

Matthew 24:15-28 "So when you see the desolating sacrilege spoken of by the prophet

Daniel, standing in the holy place (let the reader understand), 16 then let those who are in Judea flee to the mountains; 17 let him who is on the housetop not go down to take what is in his house; 18 and let him who is in the field not turn back to take his mantle. 19 And alas for those who are with child and for those who give suck in those days! 20 Pray that your flight may not be in winter or on a sabbath. 21 For then there will be great tribulation, such as has not been from the beginning of the world until now, no, and never will be. 22 And if those days had not been shortened, no human being would be saved; but for the sake of the elect those days will be shortened. 23 Then if any one says to you, 'Lo, here is the Christ!' or 'There he is!' do not believe it. 24 For false Christs and false prophets will arise and show great signs and wonders, so as to lead astray, if possible, even the elect. 25 Lo, I have told you beforehand. 26 So, if they say to you, 'Lo, he is in the wilderness,' do not go out; if they say, 'Lo, he is in the inner rooms,' do not believe it. 27 For as the lightning comes from the east and shines as far as the west, so will be the coming of the Son of man. 28 Wherever the body is, there the eagles will be gathered together. (RSV)

His early arrival would seem to be for at least seven years prior to the jubilee of 2027. This is in accordance with the various Bible prophecies as explained in the paper The Fall of Jericho (No. 142).

Nostradamus' Corroboration of the Bible Timeframe

Is there any evidence from Nostradamus that he was using the Bible timeframe and working according to the jubilees? Yes there is such evidence and it appears he was working along these lines using the date of 2020 for the world peace we expect from the subjugation of the nations.

In Century 10 Quatrain 89, which is placed between predictions of dire events, we see the period of the shortfall of at least seven years and the time of the Jubilee of Jubilees.

De brique en marbre seront les murs reduicts,

Sept et Cinquante années pacifique,

Joye aux humains, renoué l'aquaduict,

Santé, grands fruits, joye et temps mellifique.

David Ovason recognises the rare gentleness in this quatrain and holds it to be a brilliant astrological quatrain. It must be remembered that at this time astrology and astronomy had not been separated and this was the accepted way of describing time in

long-term events. Ovason rightly debunks any reference to 1945 based on subsequent events and then renders the quatrain as follows:

The walls will be reduced from brick to marble,

Seven and fifty peaceful years,

Joy to humans, renewed the aquaduct,

Health, great fruit, joy and sweet times.

(D. Ovason, *The Nostradamus Code*, Arrow Books 1997, p. 443)

The seven and fifty peaceful years are a jubilee plus seven years. It could thus be deduced, given the constraints of the other prophecies he made and the Catholic prophecies themselves referred to herein, to refer to the seven years prior to the Jubilee in 2027 and the fifty years refers to the great Jubilee of Jubilees in 2028-2077. Ovason refers to Rodney Colin attempting to draw up a fifteen year cycle to war who says that: 'In fact, war is continuous, and (the measured) peaks seem only to represent its moments of maximum tension.' (ibid., p. 444).

To understand this peace prophecy of Nostradamus without external reference Ovason holds that we must look also at C.9 Q. 83. He then resorts to the explanation of the Air trigons rather than refer simply to the biblical calendar. He then places the text with the next conjunction of Jupiter and Saturn, which is in 2020, thus making the text of the third line *renoüé l'aqueduct* refer to the conjunction on 21 December 2020, occurring in the first degree of Aquarius (00.29 mins.). He explains this renewing of the aqueduct as the renewal of Aquarius after an absence of centuries. This conjunction has not occurred for over 800 years. The last two lines actually read in full:

CRAIG-OXLEY - November 5, 2005 03:49 AM (GMT)

Joy to humans, renewed the aquaduct,

Health, great fruit, joy and sweet times.

This represents the joy to mankind we might expect of the bounty after an extensive Third World War and the restoration of Messiah. The last seven years of war and the restoration of Messiah are over the same period of time as we see from the other texts. The granting of health is from the text at Ezekiel 47:6-12.

Ezekiel 47:6-12 And he said to me, "Son of man, have you seen this?" Then he led me back along the bank of the river. 7 As I went back, I saw upon the bank of the river very many trees on the one side and on the other. 8 And he said to me, "This water flows toward the eastern region and goes down into the Arabah; and when it enters the stagnant waters of the sea, the water will become fresh. 9 And wherever the river goes every living creature which swarms will live, and there will be very many fish; for this water goes there, that the waters of the sea may become fresh; so everything will live where the river goes. 10 Fishermen will stand beside the sea; from En-ge'di to En-eg'laim it will be a place for the spreading of nets; its fish will be of very many kinds, like the fish of the Great Sea. 11 But its swamps and marshes will not become fresh; they are to be left for salt. 12 And on the banks, on both sides of the river, there will grow all kinds of trees for food. Their leaves will not wither nor their fruit fail, but they will bear fresh fruit every month, because the water for them flows from the sanctuary. Their fruit will be for food, and their leaves for healing." (RSV)

The aquaduct is the healing waters that go from the Temple to the sea and the Arabah and heal the seas and the waters. The trees that grow beside these waters are for the healing of the nations. Thus we are not dependent upon some Aquarian theology for this text but rather on the biblical scenario, which can be identified, as may well be the case here, with a major 800 year conjunction in the same year. The sense of renew in the French means to resume. This is a great restoration and can only refer to the Messianic restoration of the Law of God and the power of God as we saw in the Garden of Eden.

In the same way another Quatrain (C.X. Q.72) he has given, marks the start of the period in question. It has been grossly misinterpreted by commentators.

L'an mil neuf cens nonante neuf sept mois

Du ciel viendra un grand Roy d'effrayeur

Resusciter le grand Roy d'Angoulmois.

Avant apres Mars regner par bon heur.

This quatrain is rendered by Ovason:

The year one thousand nine hundred and ninty-nine seven months.

From the sky will come a great King of alarm

To bring back to life the great King of Angoulmois.

Before after Mars reigns by good fortune.

The text has been interpreted according to the civil calendar as July 1999. However, as we have seen it may well be that we are looking at the sacred calendar in these quatrains. The seventh month contains the Day of Trumpets, Day of Atonement and Feast of Tabernacles. At the time of writing the New Year was in March.

The significance for this is that from the 21st year of the Fortieth Jubilee that is 1998, in the Sabbath year, the Law had to be read in accordance with the Law of God itself. From this time the Law then has to be promulgated to all the nations in preparation for the witnesses and the restoration of the Law and the planet to God which accords with the biblical writings.

Thus the warning of Jeremiah 4:15 is to be undertaken by the Church of God, in preparation for the coming of the Messiah. This is to be done by modern communications using satellite technology and the Internet, which was the concept of the alarm coming from the sky.

This will bring back to life the great king of Angoulmois. The King of Angoulmois was the Messiah as head of the true church, which at the time of Nostradamus was persecuted almost into extinction and later resulted in the transfer of the Huguenots to Protestant Trinitarianism and their transplanting in South Africa and elsewhere in the Commonwealth. However, at the time of Nostradamus they were Unitarian Sabbatarians of the Waldensian system, persecuted under the Albigensian crusades. They had some protection under the Counts of Toulouse and also Francis 1 who appears in other references of Nostradamus.

The interpretation of Angoulmois as King of the Mongols is as Ovason says (p. 461) sheer nonsense. Ovason breaks this word into three units: ANG-OUL-MOIS.

ANG is an apocope for Ange; French for Angels.

OUL is held to be a term that divides the word into meaningful structures.

OI is the name for one of the archangels of the Zodiac found in the medieval literature and calendars and for Nostradamus it would have referred to Verchiel in the magical scala of Agrippas's widely read *De Occulta Philosophia* (Ovason pp. 461—464).

MOIS is French for month.

Thus we are looking at the concept of a play on calendars, both pagan and biblical in this Quatrain. The Gregorian Calendar did not come in general use in France until 1582 well after this quatrain and Nostradamus' writing. The rulers of months and the months themselves were seen as being equated.

The king of the seventh biblical month is the Messiah who comes at Trumpets. This was the Angel of Great Counsel of Isaiah 9:6 in the Septuagint (LXX) identified with Jesus Christ by the early and pre-Reformation Church.

The seventh month of the solar calendar is ruled by Leo who represents the sun. Sol is the source of Ol and Oel is an anagram for Leo (cf. Ovason op.cit. pp. 462-463). The Archangel who represented this sign in early theology was Michael. The Archangel Michael (Jude 9) is the great prince who was identified as the defender of Israel (Dan. 10:13, 21) and the defender of the church and head of the angels of heaven (Dan. 12:1; Rev. 12:7), and the Angel of the Old Testament. Thus, Michael was identified as Jesus Christ by the pre-Reformation Waldensian or Albigensian system and subsequent Churches of God. So, we are dealing with the activities of Jesus Christ here and through his servants the elect in the church. It does not matter which way this text was interpreted in terms of the pagan solar calendar or the Bible lunar/solar calendar.

As this time is now past, we can look at what transpired and see what was meant by this text. In 1998 the Church of God restored and read the Law of God as required for the first time since the Waldensian system pre-Reformation and perhaps for the first time in fifteen hundred years, since the extermination of the desposyni. The Roman Catholic Church ordered and arranged the extermination of the family of Jesus Christ throughout the Empire in the fourth and fifth centuries from the conference of 318 at Rome (cf. the paper The Virgin Mariam and the Family of Jesus Christ (No. 232)).

In 1999 the Law and the warnings were translated and placed on the Internet in multiple languages from the seventh month onwards.

The nations will be now measured and dealt with under the time frames examined here and in the work Outline Timetable of the Age (No. 272).

The final line referring to Before and after Mars reigns by good fortune; or as some render it as happily, is a reference to the fact that it is only by the Grace of God that the demons are allowed to continue to reign. The wars of the end are allowed through the power of God, within the time He has given Satan. These wars are in total disregard for the Laws of God. In the not too distant future Messiah will return to put an end to war.

Until that time there is to be a long-term conflict commencing in the near future. Nostradamus attempts to place the conflict and holds that it will be twenty-seven years in duration. This conflict commenced with the war on terrorism and the invasion of the Middle East.

Chefs d'Aries, Jupiter and Saturne,

Dieu éternel quelles mutations,

Puis par long siècle son maling temps retourne

Gaule et Italie, quelles émotions.

This can be best seen as:

Chiefs of Aries, Jupiter and Saturn,

God Eternal what changes,

After a long century the evil times return

What troubles in France and Italy (C1, Q51).

This is a reference to the long twentieth century, a day longer by Gregorian rules, but made so by interminable war and yet when it ends the evil times return. The Eternal God initiates these changes. In other words we are dealing with the prophecies of the wars of the end and the destruction of the order of the current world. This century ends and the next one starts on 1 January 2001 by the solar reckoning and their calendar structure (see also the paper Significance of the Year 2000 (No. 286)).

The prophecies concern terrible troubles in France and Italy.

The duration of the last wars of the Antichrist is seen to cover the period from the end of the twentieth century up to the jubilee. Nostradamus indicates his view in C. 8 Q77.

L'antichrist trois bien tost annichilez

Vingt et sept ans sang durera sa guerre:

Les heretiques morts, captifs exilez,

Sang corps humain eau rougie greler terre.

De Fontbrune interprets this as:

The Antichrist will soon annihilate three countries.

The war he will wage will last twenty seven years. Opponents will be put to death and prisoners deported. Blood from bodies will redden the water, the land will be riddled with blows [missiles bombardments].

De Fontbrune's interpretations are just that and he does not deal with the text faithfully in some cases. In this text the words The Heretics are rendered as simply opponents. We are actually dealing with a religious war. This war is held by interpreters to continue for the first twenty-seven years of the twenty-first century until 2027. This religious war is now underway. The Antichrist might now be in power.

There is an obvious overlap in the interpretations making the war go for 27 years, yet the peace structure starts at 2020. This has an answer, if we understand that the subjugation of Canaan was not done at once. Christ appears as the captain of the army of the Lord to Joshua and Jericho fell in the seven days, but the subjugation was progressive. So too, in the last seven years of the jubilee and this era will there be progressive peace.

This should be complete by the last year of the last cycle in 2025 in order for the treble harvest for the Sabbath and jubilee to take place in 2026 and 2027.

The Millennium of Nostradamus

We see this theme emerge from another prophecy of his again translated by Lorie (p. 99).

After that Antichrist will be the infernal prince again, for the last time. All the kingdoms of Christianity will tremble even those of the infidels, for the space of 25 years. Wars and battles will be more grievous and towns, cities, castles, and all other edifices, will be burned, desolated, and destroyed, with great effusion of vestal blood, violations of married women and widows, and suckling children dashed and broken against the walls of towns. By means of Satan, Prince Infernal, so many evils will be committed that nearly all the world will find itself undone and desolated. Before these events some rare birds will cry in the air: Today, today, and some time later will vanish. After this has endured for a long time, there will be almost renewed another reign of Saturn, and a golden age. Hearing the affliction of his people, God the creator will command that

Satan be cast into the depths of the bottomless pit, and bound there. Then a universal peace will commence between God and man, and Satan will remain bound for around a thousand years, and then all unbound.

This is a direct reference to Revelation 20:1-10 as seen above.

The massacres referred to above have been engendered by the Trinitarian system itself. The violence is now escalating. Africa is seeing these atrocities on a daily basis and even now is seeing enforced cannibalism and the massacre of women and children.

Nostradamus shows that the catastrophe to the earth will see the demise of the clergy in that process. The earth will be destroyed progressively and be arid for a generation of forty years and then with the appearance of floods it will be regenerated. He uses the iris as an example of the process.

Mars nous menace par sa force bellique,

Septante fois fera le sang épandre:

Auge et ruine de 'Ecclésiastique et plus ceux qui

Deux rien voudront entendre. Faux à létang

Joint vers le Sagittaire en son haut AUGE de

L'exaltation, peste, famine, mort de main militaire:

Le siècle approche de rénovation.

Par quarante ans l'Iris n'apparaître,

Par quarante ans tous les jours sera vu:

La terre aride en siccité croâtra,

Et grands déluge quand sera aperçu.

This is translated:

Mars threatens us with his warlike strength, seventy times will he caused blood to flow: fall and ruin of the clergy and more for those who will wish to understand nothing from them. The scythe joined to the pond towards Sagittarius at the height of its ascendant,

plague, famine, death by military hand: the century approaches its renewal. For forty years the Iris will not appear, for 40 years it will be seen every day: the arid earth will grow drier and great floods when it will appear (P. Lorie *ibid*, p. 94).

Thus the wars and Global Warming before them (see the paper *Global Warming and Bible Prophecy* (No. 218)) set off an ecological disaster which proceeds into the millennium and then is restored some years into the Millennium with a generation of heavy rains or restorative flooding. This is also explained in part in Ezekiel as quoted above. The forty years relates to the period given for repentance of the nations from 1987 to 2027 (cf. *Measuring the Temple* (No. 137)).

The end times deal with the prophets, and the witnesses and the armies of Israel in the final establishment of the kingdom of God under Messiah. The whole process will be dealt with in the works on *The Antichrist* and the wars of the end.

The end of Trinitarianism in Europe

Trinitarianism and the symbol of the cross will be driven out of Europe over this period. The next Quatrain (C.6 Q.80) indicates the emergence or invasion of the Islamic system from Africa and seemingly from Islamic Morocco and the destruction of Trinitarianism.

De Fez le regne parviendra à ceux d'Europe,

Feu leur cité, et lame tranchera:

Le grand d'Asie terre et mer à grand troupe,

Que bleux, pers, criox à mort déchassera.

This Islamic incursion obviously is held to weaken Trinitarianism significantly and some writers (such as Peter Lorie) hold this to be the time of the destruction of the Catholic Church. It should not be forgotten, however, that the forces of the South push at the king of the North. In the end, after a great deal of destruction in Europe we know from the Bible texts that this system of the Kings of the North from Europe invades the Middle East prior to the wars of the Fifth and Sixth Trumpets, which kill over a third of mankind (cf. the papers *The Seven Seals* (No. 140) and *The Seven Trumpets* (No. 141)).

Germany was also held in this process to break up into many pagan sects in the final thrust until it finally returned to paying the true tithe.

En Germaine naitront diverses sectes,

S'approchant forte de l'heureux paganisme,
Le coeur captif et petites receptes,
Feront retour a payer le vrai dime (C3 76).

Translated it means:

In Germany will be born different sects, approaching strongly to happy paganism,
the heart captive and receptive to detail,
they will return to pay the true tithe

(cf. p. Lorie, Nostradamus The Millennium and Beyond..., Bloomsbury, 1993, p. 146).

It may be that the removal of the papacy from Rome over the bodies of the priests follows on from its destruction in the invasion of France and Italy in this move from North Africa. Certainly the Bible states that the king of the South pushes at the king of the North and we are taught to expect the destruction of the seven-hilled city called Mystery Babylon in the last days.

The northern system can be expected to relocate from Rome to Jerusalem, some time in this process. We then see the head of the system sitting in the Temple of God declaring himself to be God. This extension of the process started last century in Rome, will be finally destroyed when the false prophet is killed at the advent of Messiah.

The German system will become receptive to correct biblical teaching and in the end they will return to the Laws of God and pay the true tithe. At present they have a false system of allocation to the church system in place.

The Advent of the Messiah

People will be in no doubt as to the coming of the Messiah. Moreover, he will be preceded by a series of activities. The first is the warning of the last days and the clear speaking of prophecy so that people at the end times may understand. God does nothing except that He first warns the people through His servants the prophets. The next phase is the rule of the two witnesses who speak with great power and authority from Jerusalem and have the power to shut the heavens and bring fire down from heaven during the period of the ministry. They will be opposed by the false prophet,

killed and then left in the streets for three and one half days. Then Messiah will come. He will slay the false prophet with his coming and remove all false religion from Jerusalem and the environs and progressively from the world.

From that time all of the nations will be subject to the Nexus of the Law of God, for one thousand years and then in and from the second resurrection. This planet will then be run according to the laws that Christ gave to Moses at Sinai, as mediator for the one true God. From that time on the demons will be placed in the bottomless pit until they are to be judged at the end of the millennial system. The Messiah will establish his system. At present the false religious teachers are saying that the Antichrist will establish the Law of Moses from Jerusalem That is exactly what the Bible says Messiah will do. We will examine that aspect in the paper on The Antichrist.

CRAIG-OXLEY - November 5, 2005 03:50 AM (GMT)

What we can be sure of by that time is that the entire Trinitarian system in Europe will be destroyed. Every black cassocked priest in their system will be either dead, or on their knees in abject repentance and their system will be no more. This will all be within the Sign of Jonah and the Jubilee of 2027.

This evil and adulterous generation looks for a sign, but there shall be no sign given it other than the Sign of Jonah. It shall become worse than the worst days of Sodom and Gomorrah in these last days. They will not repent and thousands of millions of people will die needlessly simply because of a false religion and the work of demons, who will not obey the Laws of the Living God and His calendar system.

Come out of her my people lest you share in her judgment.

26 Mar.752 – 26 Apr.757

In March 752 an elderly presbyter, Stephen was elected pope, but died before he was ordained bishop. His successor, confusingly, was also called Stephen. Under modern canon law, however, a man is pope from the moment of election. Some modern Roman Catholic lists therefore count the first of these two Stephens as Pope Stephen II, with a consequent disturbance of the numbering of all subsequent Stephens. He is omitted from our list, but the variant numberings are noted.

BUSH/CHENEY---Dirtiest Secrets

by Sherman H. Skolnick and Lenny Bloom

http://www.cloakanddagger.de/media/S_284_S...f%20secrets.htm

The Motto that fits us the best is "We Scrape The Bullshit Off The Truth". The oil-soaked, spy-riddled Monopoly Press, however, have so baked on and caked the perjured B.S. details, that being blunt and loud-mouthed may be the only remedy short of bloody insurrection being America's destined future perhaps, caused by a fictitious presidency housed in a failed, war-mongering White House.

In the meantime, here are some good old bricks and genuine American-made baseball bats for your consideration and possible brain-use.

1. Long-time gossip peddler, Robert Novak, as some knowledgeably assert, has been a "sleeper agent" in place in America for a foreign intelligence agency. While apparently escaping himself the Federal Grand Jury blitz that his type-rats caused, he targeted an supposed anti-Bushie former Ambassador Joseph C. Wilson 4th with a wife, maiden name Valerie Plame, who has been a deep covert American CIA operative, team leader

of some seventy "penetration agents", resident in "enemies of the U.S." territories around the globe.

Some in the American spy shop may have feigned alarm that their techniques have been thus publicized. Namely, that worldwide, U.S. Ambassadors' wives, as a result of Novak's gossipy matter-of-fact whisper, are now perceived as spy adjuncts in U.S. extra-territorial enclaves in Enemy-Land.

2. So that is where the chain of CIA-leak events ostensibly began. Presumably, the CIA General Counsel checked the various Federal Criminal statutes to severely punish whosoever exposes a deep cover CIA spy and the treason that may be involved. After all, the Occupant and Resident of the White House repeatedly and loudly alleges "We are at War!". Treason while "At War" makes one subject to hanging or the firing squad.

Involved are the Espionage Act of 1917. Also, the Intelligence Identities and Protection Act of 1982 which provides a punishment on those who identify a covert agent who served outside the U.S.

in the past five years.

BUT, there is a question how the 1982 Act applies to Valerie Plame because of her great importance as a covert agent.

3. A possibly Anti-Bush element in the CIA, while not in a position to forward Plame's secret files, harped on the Bush Justice Department, that Bush's hangmen should investigate the targeting of Valerie Plame.

4. Before this, Chicago got its first out-of-town U.S. District Attorney, not a local lawyer-politician dedicated to cover-up so as to have future big-time private law firm prospective work or as a stepping stone to the Governor's mansion. Selected for Chicago was Patrick J. Fitzgerald, a New York Assistant U.S. District Attorney, expert on counter-terrorism.

As stooges and scapegoats for the Anglo-American Aristocracy, Bush/Cheney knew what they were doing in giving, through the Justice Department, to Fitzgerald the additional title of Special Prosecutor in the CIA Leak Case, with joint jurisdiction and offices in Chicago and the District of Columbia. George W. Bush, and his supervisor his Daddy, are in particular, financially tied in a joint account of One Hundred Billion dollars to Queen Elizabeth 2nd, in her private money laundry, Coutts Bank London. Daddy Bush's secret private business partner, Saddam Hussein, has a huge claim on the same account.

5. Dictator demagogues like to blame all of their nation's financial and other woes, if not also those problems of their current world, on ALL those of a certain tribe, race, ethnic group, and such. So Adolf Hitler played the Jew Card, thundering that even those Jews

born in Germany were still a "foreign element" that had to be rooted out and done away with.

Some pronounce George W. Bush as "America's Hitler" who, if he got into a pinch, would likewise use the Jew Card. Who was it that built-in this situation as a remedy for Bush? Who selected some ten or more Bush White House advisors and members of his "Royal Court", to be persons with Jewish surnames, actually traitors to their tribe?

Beholden to the British Monarchy which is outwardly viciously Anti-Catholic and Anti-Irish in particular, Oval Office Occupant Bush together with second fiddle Cheney (some assert he is really the major fiddler) are prepared to play the Jesuit Card as well, if absolutely necessary. Can it be purely accidental, that through the Bush/Cheney Justice Department, selected as Special Prosecutor was Fitzgerald, trained at and having graduated from a Jesuit college? BUT can ALL Jesuits be blamed for what some claim their sinister Order has done--- namely, jointly with the British Monarchy. to roll back Americans to being colonists, not any more U. S. Citizens but subjects of the Monarchy, and bound up hand and foot as well to Popish Persons, together carried out the dastardly assassination of seven U.S. Presidents, 1841 to 1963?

Although he graduated from a Jesuit College, Fitzgerald, so far as known, never took the series of vows usually necessary to becoming a full-scale Jesuit.

Some point to the fact that the head of the Jesuits is called "The Black Pope" (not racial) and his name and face are little known. Some of those in the Protestant Reformation point to the Jesuits as alternately either the muzzler of the regular Pope or as the Pontiff's Nazi-style Storm Troopers, although secretly so.

6. Hence, the Bush Justice Department, perhaps on purpose, did not have the Valerie Plame CIA secret files, nor did Special Prosecutor Fitzgerald who thus may have proceeded into a well-designed possible Bush/Cheney trap. These two top officials of the Executive Department are hoping the confusion they are causing will enable them to escape criminal charges.

On or about 1997, Valerie Plame ceased being a deep covert operative of the American CIA. Or, at the least, that is how some may interpret her secret files. Thereafter, the press state she was more or less out in the open as a CIA headquarters analyst. Some espionage experts contend Plame was of an extremely high and important covert role and hence the restriction in the 1982 law does not apply to her. Promoting confusion, however, perhaps to protect Bush/Cheney, some domestic as well as foreign legal scholars, experts on espionage affairs, cluck that the law by its language contemplates punishment only for those who blow the cover of a present deep covert espionage operative that served outside the U.S. within the past five years.

On Friday, October 28, 2005, Fitzgerald in Washington, D.C. at a press conference announced that Cheney's Chief of Staff, "Scooter" Libby, has been indicted by a Federal Grand Jury of lying to federal agents and the Grand Jury. Not included were charges of violating the here mentioned law of 1917 or the one of 1982.

On Sunday, October 30, 2005, CBS's "60 Minutes" confirmed that numerous covert CIA agents, part of Valerie Plame's secret team, were murdered, ostensibly because her cover was blown and that it became known that her Brewster-Jennings firm was actually a CIA proprietary.

7. A more complete discussion requires dot-connecting, a form of inquiry the press whores studiously shun, for fear of financial and other hang-ups entangling their patrons and bosses, the Ultra-Rich and their stooges in the secret political police.

At the same time that the Valerie Plame Affair was bubbling and boiling, the U.S. District Attorney in Atlanta, Georgia was preparing for a Federal Grand Jury, details how many of the upper management of Coca-Cola Company, headquartered in that town, had resigned or retired, amid accusations of massive book-cooking. The press fakers would have us believe, however, it only involved something to do with concealing losses or profits, that a whistle-blowing, falsely-punished Coke manager was raking up. Something about unusual quantities of Coca-Cola secret syrup base shipped from Coke's Ireland unit to its unit in Japan.

The media masters (or is it bastards?) although informed, did not want to know their major advertiser, Coca-Cola, was embroiled in a Federal Court suit in Chicago brought by a graphics designer who had the Coke copyright registered to his name. As part of his dispute with Coke and their marketing firm, he applied for and received Registration of Coke's copyright. Wow! He later found out that Coca-Cola had failed to renew their copyright. The top official of the Copyright Office, in writing, confirmed this.

8. In communicating with the Indiana-based graphics designer, the Atlanta District Attorney found another link to the Coke huge records scam. Namely, that Coke loot and that of Mickey Mouse were used to corrupt and work a malign influence on the Five Judge majority on the U.S. Supreme Court in December, 2000, in Bush versus Gore. The leader of "The Gang of Five" was the Fascist-inclined Justice Antonin Scalia, so arrogant and high-handed, he is referred to as a "Go To Hell Judge".

9. The Coca-Cola/CIA matter troubled the Atlanta Prosecutor for various reasons. Some of Valerie Plame's overseas secret team used as a cover that they were employees of the beverage firm capable of operating in most every country around the world. Up to 1989, the drink for domestic use in the U.S. contained in its secret base a trace of cocaine, the ingredient that gave it that "Wow! What's in this anyway?" reaction from many. In Mexico, and places south of it, the drink still had its old-time formula. So it should surprise no one why some contend that President of Mexico, Vicente Fox, is

somehow "friendly" to the dope cartel although he would vigorously deny it. He was previously head of Coca-Cola for Mexico, Central America and some places in South America. Claiming that Mexicans in the U.S. prefer the drink in containers as they knew it, Fox arranged to ship it more or less exclusively into Mexican neighborhoods in Chicago and elsewhere in the U.S. It sold out there rapidly.

The cocaine content being a psychological hook, has boosted Coca-Cola sales overseas even in opposition to their once popular domestic drinks. Minus much of the trace cocaine in U.S. Coca-Cola, sales in the U.S. have declined since 1989. Some Americans have apparently become subtracted psychologically from Coca-Cola, maybe even without knowing why. American business travelers overseas, however, surely notice the difference.

10. So, blowing the cover of Valerie Plame, even long after 1997, had a two-fold purpose. Without apparent Federal criminal law jeopardy to himself, spy "sleeper" Robert Novak helped put out in the open Bush and Cheney and their White House Iraq Group. The code word was W.H.I.G., the Whig Party, the name of a political entity that disappeared into U.S. history. A warning in some circles to the GOP?

If not already so, it was becoming clear, that Bush started the bloody invasion of Iraq without Constitutional authority and based on treasonous fraud and deceit. The clarity was wanted by, among others, the anti-Bush group in CIA and some foreign "spook" shops as well.

Furthermore, foreign intelligence services began to deeply resent Coca-Cola operations in their land as a CIA front firm. Coke offices in Belgium, Spain, Poland, and Italy, among other places, were ransacked by Intel squads posing as local police, tax collectors, or whatever. Openly grabbed were Coke's "employee records", "customer records". and such, all to unravel CIA's unwelcome snooping via Coca-Cola.

11. Identified with her, many of Valerie Plame's team were murdered. Who wanted them snuffed out anyway? Some of her army reportedly were putting the squeeze on Coca-Cola/CIA. Did they want extra hazardous duty pay from the espionage bandit bosses? Maybe they wanted a super retirement pension? Some retired "spooks" from ONI and CIA are given the sinecure as sales folk in cushy mafia liquor territories, long true in Chicago and elsewhere. Just count the bottles in the back room of cocktail lounges, enter the un-ordered "orders" electronically, and the customers' buildings get bombed if they complain about having to pay for too much additional un-needed inventory. (An independent-minded journalist was once asked to inquire into these former spy escapades.)

Critics dare ask: Did the former Ambassador and his wife know about all this? Did Coke and CIA want Plame's team silenced, as supposed blackmailers that could unravel Bush/Cheney and the High Court corruption and the false story about 9-11?

12. Notice the ticking bomb Bush/Cheney and their gang had to and have to somehow defuse:

===Bush/Cheney were arbitrarily and corruptly installed by a Five Judge majority on the U.S. Supreme Court, December, 2000. Used were secret funds of CIA/Coca-Cola and Mickey Mouse (Disney, ABC Network).

This High Court corruption became evident two ways. Court records in a copyright case against Coca-Cola. The records on the way to one of the four High Court Judges that dissented in Bush versus Gore, were unconstitutionally seized and impounded by Bush's Homeland Security and FBI.

Further, the Bush vs. Gore case was presented by then private lawyer Theodore B. Olson, known as a reputed "courthouse bagman". He was at the time a law partner of Eugene Scalia, son of the kingpin Antonin Scalia in the case. (Is Olson's wife still alive AFTER 9-11?) Later, Olson becomes Solicitor General and corruptly subverts a case so Disney was awarded an arbitrary extension of 75 years on their copyrights and such, worth thus billions.

===Amid a book-cooking scandal reportedly implicating the upper management of Coke with the corruption of the High Court in Bush vs. Gore, the bosses remove themselves from the scene. The Atlanta Federal Prosecutor, apparently sensing what might happen from a trial that ends up exposing the White House and the U.S. Supreme Court, supposedly "settles" the case. So where are the incriminating records? Shredded? Note that CIA dope crook Warren Buffet is a major stockholder of Coke and has been on their Board of Directors. Didn't he know what his firm was involved with in the High Court corruption and Plame's team?

===An anti-Bush faction in the American CIA wants exposed and out in the open, the Bush/Cheney treason involving Iraq and much, much more, such as 9-11, as orchestrated by the Anglo-American Aristocracy. So that faction demands Bush's Justice Department investigate the outing of Valerie Plame as a door opener. BUT, the pro-Bush assemblage in CIA arranges to with-hold Plame's secret files, thus hoping to build-in a clinker and confusion into Special Prosecutor Fitzgerald's prosecutions or possible prosecutions, all of which involve the highest level White House violations of national security. This purpose is to protect Bush/Cheney from being possibly named as federal criminal defendants on treason, or, at the minimum, named as un-indicted co-conspirators for treason.

===Separately, the matter of the corruption of five judges on the U.S. Supreme Court (one has died) has been sent by others to a SECRET COURT, which has no official address, no official docket, and no public records of what happens there, if anything. They purport to consider complaints of misdeeds and corruption of federal judges. (So

far, Mr. Skolnick is the only one who has written about this entity for more than thirty two years.) A group of federal judges who now claim to be honest and appalled about what they know and see, have caused Mr. Skolnick to be informed that they privately, so far, confirm and encourage his efforts and they want the corrupt Judges on the U.S. Supreme Court, identified by Skolnick, for the good of the nation, to be arrested and prosecuted for their acts and doings in Bush versus Gore.

How long can the Monopoly Press evade telling the truth about all this?

More coming. Stay tuned.

Title: The K.O.C. united with Masonry in 1967

TruthSeeker24 - November 3, 2005 04:49 PM (GMT)

From <http://www.freedomdomain.com/secretsocieties/columbus01.html>

"The Knights of Columbus is a Catholic, Family, Fraternal Service organization." These words, taken from a Knights Of Columbus recruiting pamphlet, describe a fraternal Order founded in 1882 by Catholic men in New Haven, Connecticut. The Order answered certain needs within the Catholic lay society of America which had driven some young Catholic men to join "secret societies" proscribed by the Church, such as the Freemasons. These needs were both tangible and intangible: tangible in the area of life insurance and mutual aid and assistance in times of need; intangible in answering the need for a "rite of passage" that stressed both patriotism and Catholicism, and linked them through a sense of brotherhood that affirmed their Catholic nature at a time when Catholics were a persecuted, immigrant, minority. This discussion will give brief overviews on the following subjects relating to the origins and growth of the Order and how the Knights of Columbus may be compared to Freemasonry: American anti-Catholic attitudes; foundations of the Order stemming from other fraternal organizations; the Order's expansion outside of Connecticut; and a comparison of the ritual structures of Freemasonry and the K of C.

In looking at the origins of the Knights, it is first necessary to understand that the political and cultural climate of mid-nineteenth century America regarding Catholicism was much

different than it is now. In 1790, John Carroll was installed as the sole Bishop in the United States, and had a diocese consisting of approximately 25,000 Catholics (mostly in Maryland and Pennsylvania) and only thirty priests to minister to them. This meant that Catholics were, in effect, a surrounded minority. With the Irish Potato Famine of 1846-1849, hundreds of thousands of Irish Catholics emigrated to America, with large number settling in the New England area. By the year 1860, the Irish in Connecticut alone outnumbered the total amount of Catholics in America at the time of Bishop Carroll's consecration. They were drawn by the great amount of industrial jobs in the New England area, as they were not suited to the farming conditions in the New World. The land they had left was one in which they, as Catholics, were alienated by the British government. With no Catholic politicians of any note to give their allegiance to, they strengthened their links to the Pope in Rome; with their priests unconnected to the elites of British society, they looked to the clergy as their natural leaders.

The clerics functioned in a way similar to the druids of old, acting as village "doctor, lawyer, teacher and economist." The land they came to, New England, was one with a strong sense of Anglo-Saxon Protestantism with roots in Pilgrim patriotism. This culture fostered an attitude that was intensely anti-immigration, anti-immigrant, and anti-foreigner. Part of this Anglo-Saxon pride was evidenced as a racist hatred for those of Celtic descent, who were seen as lazy and indigent. It was also manifested in anti-Catholic attitudes, which were based on fears that Catholics were slaves to Rome. These attitudes of racism and religious intolerance resulted in acts of violence and political marginalization against Irish Catholics. One form of this political opposition was the American Party which was nicknamed the "Know-Nothing" party because they (supposedly) would not openly disclose their objectives. However, their constitution stated that "its object shall be to resist the insidious policy of the Church of Rome and all other foreign influences against the institutions of our country, by placing people, whether by election or appointment, none but native born Protestant citizens [sic]." The anti-Catholics held that Catholics vote as they are told to by their priest, who is in turn instructed by his prelate in order to "serve the interests of the Pope, the establishment of the Church, and its subsequent complete rule over the country."

During this time period (early to mid 1800s), numerous fraternal organizations sprung up that had mutual assistance and insurance programs. One group that had already existed in the early eighteenth century and provided mutual fraternal assistance among its members was Freemasonry, which the Catholic Church had denounced. Freemasonry "represented a response to men's social need to organize themselves into some kind of brotherhood during a period when the dominant social ethic was becoming individualism." However, Kauffmann notes that some of the reasons behind the proscription of Freemasonry by the Church was that "individualistic, theistic, and anti-Catholic, the Masons organized a collective force infused with brotherhood based on elaborate ritual." Other fraternal organizations adopted Freemasonic ideas such as a three degree ritual program, secret modes of recognition, and pledges of mutual assistance in times of need. These pledges of assistance gave rise to fraternal insurance companies, which offered set amounts of money during a members sickness, and paid benefits to his family upon his death.

In an attempt to prevent Catholic men from joining these proscribed groups, Irish Catholic leaders formed their own fraternal insurance organizations, such as the Massachusetts Catholic Order of Foresters (MCOF, founded in 1879) and the Catholic Benevolent League (CBL, founded in Brooklyn in 1881). These were primarily death benefit societies, which had certain fraternal features such as initiations and legends, usually of "old world" origins. The Knights of Columbus started as such a group, but focused on an American Catholic future, not a European past.

The immediate predecessors to the Knights of Columbus were the Red Knights who were founded in 1874. Most of their membership came from an Irish Catholic Connecticut militia unit, the Sarsfield Guards, commanded by James T. Mullen. The Red Knights had as their goal "the advancement and mutual improvement of the young men of our race . . . [and] to bring about an acquaintance and maintain a feeling of friendship and brotherly love between young men of our race." In 1880 the Red Knights disbanded for various reasons. However, many of the first Knights of Columbus were former members of the Red Knights.

Another type of group prevalent in Irish-American life of those times was that of the temperance, or total abstinence, society. 1881 found Father Michael J. McGivney (the curate of St. Mary's Church in New Haven) operating as a chaplain to one of these

groups. In the fall of that year, Fr. McGivney attempted to link this group with the secular Ancient Order of Foresters, who derived their legendry from Robin Hood and his Merry Men. This was done in an attempt to spark interest in a Catholic Fraternal Insurance group; however, when he requested permission for this incorporation from his superior, Bishop Lawrence S. McMahon, he was denied. In the same time period, two groups of laymen (including many former Red Knights) began meeting to discuss this idea. One group met in law offices at 157 Church Street, and the other met in the basement of St. Mary's Church, where Fr. McGivney was assigned. It is to be noted that Fr. McGivney convened the St. Mary's group meeting himself. This first meeting took place on the second of October, 1881, and at a later meeting it was decided that Fr. McGivney should enquire as to the feasibility of joining either the Massachusetts Catholic Order of Foresters or the Catholic Benevolent League in Brooklyn. Both groups turned them away, saying that they did not want to accept them as insurance risks. On the second of February, 1882, they formed the first court of the Connecticut Catholic Order of Foresters; within that same week they decided on a new name, based on an idea that Fr. McGivney had suggested. He felt their group should reflect Catholic contributions to America, and recommended the use of Columbus in the group's title, which emphasized Columbus as the Catholic first discoverer of the "new world." Combining that and the fact that many of the members were former Red Knights, the group decided to name themselves the Connecticut Knights of Columbus.

Stemming from these winter meetings, the first governing body of the Order was formed as a state organization, not a local one. This group felt that they did not want to fall under direct Church authority, but remain their own separate legal entity. Recognizing this, Bishop McMahon told Fr. McGivney that the Order had his permission to form in the diocese. Permission, it must be noted, not approval, which, to ecclesiastics, connotes the assumption of authority by the Church. With this permission as backing, Fr. McGivney asked the parish priest of the diocese to support the establishment of local councils.

In order to be able to carry out their business legally, the governing body adapted the charter of the MCOF into their own articles of incorporation, which were approved by the Connecticut State Assembly on March 29, 1882. The dues for the Order started at \$3.25/year at age eighteen, with an increase of \$0.25 for every

year of age beyond that. The benefits plan offered five dollars weekly during time of sickness, and (based on the eventuality that the Order would reach one thousand members) a \$1000 dollar death benefit funded by a one dollar per capita assessment. The first Council, which met at St. Mary's and was formed from the original governing body, formally began on May 15, 1882, and was named San Salvador Council #1, in honor of Christopher Columbus' naming of the New World. This name again emphasized the importance of the Santa Maria over the Mayflower.

By the time of the 1890 annual convention, the Order had swelled to fifty-six councils, all of them located in Connecticut. The membership numbers of that time are unavailable, but can be safely estimated at over four thousand. At that convention, plans were laid for the future expansion of the Order outside of Connecticut. This took the form of establishing a groundwork for State Councils who would send delegates to the Supreme Council; prior to this, the ruling body of the Order was the Board of Government, composed of Grand Knights and Immediate Past Grand Knights. This foresight was to prove timely, for in 1891, two Knights from Silver City Council #2, in Meriden, were transferred to Brooklyn by their company. There they attracted like minded men who eventually became the charter members of Brooklyn Council #60. The Order followed that up with the incorporation of Bunker Hill Council #62, in Boston, in April of 1892. This set the stage for expansion that has resulted in Councils being established in all fifty states, all U.S. territories, Canada, and the Philippines, with over 1.35 million members as of June 30, 1981. In 1990, there were a minimum of 9,146 Councils in existence; that number is an estimated based on the likelihood that some Councils have disbanded, and that there are Councils which are newer than the one at Norwich University, in Vermont, which is Council #9146.

In looking at the relationship between the Knights of Columbus and Freemasonry, it is first necessary to state some of the common perceptions (and misconceptions) held by the Church in regards to Freemasonry, and by Freemasons surrounding the Knights of Columbus. The Church has taught, in order to justify the ban on Freemasonry, that it is a form of Deist universal religion. It (the Church) has said that references to God in Masonic Ritual are so open and accomodationist that it is both syncretist and anti-religion, in that it teaches that there is no one right way to God. The Church also holds that Freemasonry is a secret society and withholds the

secrets of its rituals from priests in the confessional, and is anti-clerical. Finally, the Church feels that the esoteric nature of Initiation, Passing and Raising is a religious ritual evocative of the Resurrection. On the other side, some Freemasons feel that the K of C is hypocritical, that it is merely Catholic Masonry. They also question the secret nature of the degrees in regards to the confessional. Another perception is that the Knights are an official tool of the Church. One of the more common misunderstandings is that there may be an esoteric side to the Knights rituals.

The Roman Catholic Church has always disapproved of any esoteric experience, or the search for the same, that occurs without the oversight of persons who may be held directly accountable to Canon Law. This includes, but is not limited to: direct gnosis of the Godhead or its intercessors, such as Mary, angels or saints; mysticism; and rites of passage that result in (possible) expanded awareness of Deity. The only esoteric experience the Church approves of may be found in the Holy Sacraments.

In light of this it is easy to understand why the K of C degrees are less initiatic than educational. Like the first two degrees in American Freemasonry, the first and second degrees of the Knights are based education lectures. The first degree teaches the main lesson of Charity, and also emphasizes the mortality of the body as opposed to the immortality of the soul. Here the candidate is first introduced to the concept of secrecy, and promises not to reveal the ceremonies, except to a priest when necessary. The secrecy is intended to prevent an impostor from gaining aid from the Order, the candidate is taught. In the second degree, the candidates are lectured on the importance of Unity to Catholics in general and Knights in particular. The third degree begins by testing the candidates on their knowledge of the tenets of Catholicism; it is not unlike a Sunday-school catechism quiz. Their knightly virtues (Charity, Unity and Fraternity) are then put to a practical test that teaches them that it is the Catholic nature of a man that matters, not the outward trappings of his career, special needs, or ethnic background. The degree also teaches profound respect for priests and American principles of democracy, through dramatic use of role playing. The third, or Fraternal, degree can be so engrossing and dramatic as to (occasionally) result in near-brawls as the candidates defend the Knightly honor of themselves and their Brethren. The Fourth, or patriotic, degree, is divided into Assemblies and serves as the

uniformed body of the Knights that is usually seen in parades. Requirements for taking the fourth degree are that a man has been a third degree member for at least one year, is in good standing, and shows a high willingness to proclaim his patriotism. The fourth degree consists primarily of lectures designed to impart an appreciation for the contribution of Catholics to American history, and to express the importance of American liberty to Catholics. This is usually followed by celebration of the Mass, and a banquet held in honor of the new Worthy Sir Knights, who wear tuxedos and a red, white and blue baldric (or sword belt) draped from right shoulder to left hip. This is the distinctive uniform of the Assembly.

As a conclusion, it is important to know that on February 22, 1967, the anniversary of George Washington's birth, a meeting took place between Supreme Knight John McDevitt, Supreme Advocate Harold Lamboley, and Deputy Supreme Knight Charles Ducey, representing the Knights of Columbus, and Ill. George Newbury, 33rd (SGC NJ A&ASR), MW Frank Staples (GM NY) and Irving Partridge, (Dep. for CT) for the Freemasons. This meeting was intended to foster fraternal accord between the two Orders, and to discuss ways that they both might promote programs that did the following things: promote patriotism, teach respect for constitutional authority, and encourage youth citizenship awareness programs.

Romans 11:1 "I say then, Hath God cast away his people? God forbid. For I also am an Israelite, of the seed of Abraham, of the tribe of Benjamin. 11:2 God hath not cast away his people which he foreknew... "

James 2:1-3, 9 "My brethren, have not the faith of our Lord Jesus Christ, the Lord of glory, with respect of persons. For if there come unto your assembly a man with a gold ring, in goodly apparel, and there come in also a poor man in vile raiment; And ye have respect to him that weareth the gay clothing, and say unto him, Sit thou here in a good place; and say to the poor, Stand thou there, or sit here under my footstool: But if ye have respect to persons, ye commit sin, and are convinced of the law as transgressors."

"Now the Spirit speaketh expressly, that in the latter times some shall depart from the faith, giving heed to seducing spirits, and doctrines of devils; Speaking lies in hypocrisy; having their conscience seared with a hot iron; Forbidding to marry, and commanding to abstain from meats, which God hath created to be received with thanksgiving of them which believe and know the truth." -1 Timothy 4:1-3

Back Door Deal With the Pope Bush Snubs Evangelical Christians Again

Letter to the Editor of Covenant News,

I am very disappointed with George Bush's nomination of Samuel Alito to the Supreme Court. Did our President secretly make a back door deal with the pope when he met with him in the Vatican before the 2004 election? Did he promise that he would appoint only Roman Catholics to the High Court - in order to get the Vatican's behind-the-scenes support for his re-election?

While the media endlessly preaches that Evangelical Christians are the ones "responsible" for the election of George Bush to the Presidency, isn't it high time that we DEMAND that an Evangelical Christian who is a Constitutional Constructionist be placed on the Highest Court of the land? What about religious diversity? We already have how many Roman Catholics on the Supreme Court? Samuel Alito will be the 5th to sit on the High Court.

Allegiance to the pope, his Vatican and its teachings is in direct violation with the U.S. Constitution. Official Roman Catholic Doctrine states that the pope has Temporal Power - total and unquestionable authority over every government and nation in the world. This belief is one of the two pillars of the Roman Catholic Church's false claim to worldwide political and religious authority - the other being Apostolic Succession. Do we want Supreme Court Justices who believe in the pope's Temporal Power? Any judge who does is a direct threat to the U.S. Constitution and our national sovereignty.

Why are we Christians so naive? Why do we always end up doing the dirty work to get Roman Catholics into high office when they represent only 22% of the U.S. population? Isn't their allegiance to a foreign king - the pope of Vatican City - a concern to those who don't want foreign intervention or international law used to decide our court proceedings? It is for me!

I could go on and on. Wake up Believers! Aren't we all tired of being thrown the crumbs from the Republican Establishment's table? Judge Alito and President Bush are no friends to the Body of Christ! Isn't it time we form a Christian/Protestant political party that will work to elect only Bible-believing, Constitutionalists? When that party is formed, I'll be the first to join!

Supreme Knight Hails Court Nominee

Judge Alito "Truly Excellent Choice," Says Anderson

NEW YORK, OCT. 31, 2005 (Zenit.org).- The head of the Knights of Columbus says that federal appeals court Judge Samuel Alito is "a truly excellent choice" for the U.S. Supreme Court.

President George Bush nominated Alito today to replace retiring Justice Sandra Day O'Connor. His previous nominee, Harriet Miers, had withdrawn her nomination.

Supreme Knight Carl Anderson, head of the world's largest lay Catholic organization, said in a statement: "Judge Alito is a man of exceptional background and experience."

Alito, 55, has spent 15 years on the 3rd U.S. Circuit Court of Appeals based in Philadelphia.

"Judge Alito's record as an appellate court judge is especially encouraging," said Anderson. "His dissent in the 3rd Circuit's decision in Planned Parenthood v. Casey was a model of well-reasoned jurisprudence, and was cited by Chief Justice Rehnquist when the case reached the Supreme Court.

"Judge Alito made a very strong argument for upholding restrictions on abortion that

had been adopted by the Pennsylvania legislature, and in the end, the Supreme Court agreed with him on all but one provision."

Meanwhile, Father Frank Pavone, national director of the group Priests for Life, thanked President Bush for acting swiftly to announce a nominee for the Supreme Court.

"We urge the Senate likewise to carry out their role of 'advice and consent' in a timely and fair way," said the priest in a statement. "We also welcome the debate over 'conservative values.'

"The nation is in a culture war, and there's no need to hide that fact. Some senators will oppose any change on the Court that would threaten so-called abortion rights. But the American people are already deciding that their Constitution does not permit dismembering children. It is inevitable that the court will catch up."

Alito Could Be 5th Catholic on Current Supreme Court

By LYNETTE CLEMETSON

WASHINGTON, Oct. 31 - If Samuel A. Alito Jr., President Bush's newest choice to succeed Justice Sandra Day O'Connor, is confirmed, he will become the fifth Roman Catholic on the court.

A Catholic majority on the nine-member court would be a significant historical shift. Until 1988, there had been no more than two Catholic justices at once. And for most of the court's history, there was typically only a single Catholic.

.....

Evangelicals recently lobbied for representation on the Supreme Court in the same way that Catholic and Jewish court watchers once did. (There are now two Jewish justices.) But religious conservatives largely rejected Ms. Miers because they said she had no clearly articulated stance on abortion.

Many of the same conservatives who publicly challenged Ms. Miers's conservative bona fides had accused Democrats of trying to keep judges off the bench because of their religion.

Earlier this year, for example, some conservatives said that any discussion of the religion of Chief Justice John G. Roberts Jr. should be off limits in his confirmation process, and that questions about his views amounted to an unconstitutional "religious test" of his faith as a Roman Catholic.

http://www.adherents.com/adh_sc.html

Here is the breakdown of the disproportionate catholic majority on the Supreme court

The chart below reflects what the composition of the Supreme Court will be if Sandra Day O'Connor (who has announced her retirement effective immediately once her replacement is confirmed) is replaced by Samuel Alito, who was nominated on 31 October 2005 to take her place:

Justice Affiliation

- John Roberts
- (Chief Justice) Catholic
- Stephen G. Breyer Jewish
- Ruth Bader Ginsburg Jewish
- Anthony M. Kennedy Catholic
- Antonin Scalia Catholic
- David H. Souter Episcopalian
- John Paul Stevens Protestant
- Clarence Thomas Catholic
- Samuel Alito Catholic

Well I guess that 10 commandment issue will be decided pretty quick!

George Washington's Conversion to Roman Catholicism

Jeb Bush, governor of Florida and Catholic Convert meets new Pope

By Ben Emerson

George Washington, the first president of the United States, served from 1789 to 1797 in that capacity. A popular slogan concerning him was that he was "first in war, first in peace, and first in the hearts of his countrymen."

On December 13, 1799, Washington (aged 67 years) was exposed to a storm of sleet and developed a cold. He rested in bed at his home in Mount Vernon, Virginia.

On the morning of the 14th at 3:00, he had a severe attack of membranous croup. At daybreak, Mrs. Washington sent for the only physician, Dr. Craik. Two other physicians also came, but all three together could not save him. Washington died between 10:00 and 11:00 that night.

About four hours before Washington's death, Father Leonard Neale, a Jesuit priest was called to Mount Vernon from St. Mary's Mission across the Piscataway River. Washington had been an Episcopalian, but was baptized into the Roman Catholic Church that night. After Washington's death, a picture of the Blessed Virgin Mary and

one of St. John were found among the effects on an inventory of articles at his home

George Washington had an interest in Roman Catholicism for many years. His servant Juba stated that the General made the Sign of the Cross before meals. He may have learned this practice from his Catholic lieutenants, John Fitzgerald or Stephen Moylan. At Valley Forge, Washington had forbidden during "Pope's Day," the burning in effigy of the Roman Pontiff. As President, Washington slipped into a Catholic Church several times to attend Sunday Mass.

Pope Leo XIII (1878-1903) praised George Washington highly in an encyclical *Longinque Oceani* of January 6, 1893, to the bishops of America: "We highly esteem and love exceedingly the young and vigorous American nation, in which we plainly discern latent forces for the advancement alike of civilization and of Christianity. . . Without morality the State cannot endure – a truth which that illustrious citizen of yours, whom we have just mentioned [‘the great Washington’] with a keenness of insight worthy of his genius and statesmanship perceived and proclaimed. . . Thanks are due to the equity of the laws which obtain in America and customs of the well-ordered Republic. For the Church amongst you, unopposed by the Constitution and the government of your nation, fettered by no hostile legislation, protected against violence by the common laws and the impartiality of the tribunals, is free to live and act without hindrance." Washington was a student of the writings on political philosophy of St. Robert Bellarmine and St. Thomas Aquinas. George Washington, James Madison, and some of the other Founding Fathers incorporated into the Constitution in 1787 some of these two saints' ideas about how to set up a Republic.

In a like manner, Thomas Jefferson had studied these saints and incorporated some of their concepts into the Declaration of Independence in 1776.

A question, therefore, the reader can pose to friends is as follows: Who was the first man who served as U.S. President, who was at the time of his death a Roman Catholic? Most people will say John F. Kennedy, but the correct answer is George Washington, the Father of our Country.

Dear Truth-seeking friends and Brethren in Christ Jesus our Lord,
 While most are celebrating the satanic high day of Samhain-the Romanist Halloween (All Saints (according to the Vatican)Eve, celebrate the day Brother Martin Luther nailed his Ninety-Five Theses to the Church in Wittenburg in 1517. <http://www.reformation.org/saint-martin-luther.html>

Because of Bro. Luther's stand for the word of God, the Biblical doctrine of justification by faith and Sola Scriptura (Scripture only) and the handwriting on the door God led Luther to write against, nail and post in Wittenburg against the MYSTERY BABYLON THE GREAT THE MOTHER OF HARLOTS AND ABOMINATIONS OF THE EARTH just as the LORD wrote MENE, MENE, TEKEL UPHARSIN against King Belshazzar and the kingdom of ancient Babylon in the Old Testament. The blessings God bestowed on our Baptist Calvinist forefathers and (i love this hymn) "the faith of our fathers, holy faith we will be true to thee till death." Because of the sovereign grace of God we can expose the Luciferian Jesuit Order here on The Unhived Mind. We are throwing ink at Satan and his Jesuit Order just as Luther threw ink at Satan and his papacy. CELEBRATE this blessed day, the day the glorious Protestant Reformation began and it continues with us friends.

The Jesuits want it in its death throes and sadly they almost do in this country. This nation still enjoys the blessings of the Protestant Reformation however the Counter-Reformation has been seeking to destroy them and they already have begun to. We must continue to contend for the faith of our fathers so this nation will never suffer what they did at the hands of the bloody whore of Revelation 17-18. We must resist evil and expose the works of darkness so our posterity will enjoy freedom without fear of a U.S.-Vatican concordat, tyranny, persecution, or a bloody inquisition from the White Papal Caesar and his master the Black Pope. May God save and bless the Reformation and all of the blessings that came with it by His sovereign grace and mercy.

Let us boldly stand and continue the work of brothers Luther, Calvin, Zwingli, Huss, Wycliffe, etc. who were beacons of the glorious light of the gospel of Christ in during the Dark Ages of Europe. They were Bible believing men and the only preserved and pure Book on earth today that is pro-Reformation that stands firmly against Rome and against sin as they did is the Authorized King James English Bible of 1611 all of the other modern Alexandrian new age bible perversions are pro-Vatican, anti-Reformation, and therefore pro-Jesuit. Many people are aiding in the Jesuit takeover of the U.S. by feasting on corrupt words that are filthy, blasphemous, ecumenical, anemic, effeminate, politically correct instead of doctrinally sound, and hearts of the wicked men and women on the revision committees speak and write damnable heresies, they add, subtract, take verses out of context, and they alter and change enough words in order to make merchandise of the saints through copyrights.

When the men women and children read these new age Alexandrian satanic bibles and become products of what they read and they become anti-Reformation and support every agitation the Jesuits cause. When one reads a modern "contemporary" bible perversion it is just like letting a Jesuit teach you and tell you what to believe and he will point you to Augustine's "City of God" to Rome, the Vatican. When you read, study, and feast upon the pure, wholesome, and holy word of truth the AV1611 Reformation Bible then it's like a reformer teaching you and that reformer is filled with the Holy Spirit the same person of the Godhead who inspired men to write the Hebrew Masoretic and Greek Textus Receptus texts-those pure words are preserved without error in the King James Authorized Bible. That reformer will point you to the Lord Jesus Christ-the Biblical Christ who was crucified, buried, went to hell/prison and preached to the captives, took the keys of hell and of death when he was there, and rose again the third day according to the scriptures (Sola Scriptura) and the scriptures say:

9"That if thou shalt confess with thy mouth the Lord Jesus and shalt believe in thine heart that God hath raised him from the dead thou shalt be saved 10 For with the heart man believeth unto righteousness and with the mouth confession is made unto salvation. 11 For the scripture saith whosoever believeth in him shall not be ashamed. 13 For whosoever shall call upon the name of the Lord shall be saved." Romans 10:9-11, 13

And they said Believe on the Lord Jesus Christ and thou shalt be saved and thy house (Acts 16:31).

May the Lord bless you all.

ch2o - October 31, 2005 03:28 PM (GMT)

Hello,

I was wondering is anybody here can provide a list of all the Jesuit colleges in the US, Canada and UK. Thank you!

AVBibleBeliever - October 31, 2005 04:56 PM (GMT)

Dear ch2o,

Check out these links from Wikipedia,

http://en.wikipedia.org/wiki/List_of_Jesui...e_United_States

Here's a map <http://www.ajcunet.edu/tier.aspx?bid=55> compare it to this map showing the 12 districts of the Federal Reserve Bank which the Order also controls. <http://www.federalreserve.gov/otherfrb.htm>

Only one Jesuit college in Canada is listed here but i'm sure there are more Jesuit schools in that large country <http://www.ajcunet.edu/tier.aspx?bid=245#ca2> middle and high schools i'm sure (there are many of those everywhere)

England has 3 colleges/universities-Mount St. Mary's College in Sheffield, Stonyhurst (that's like the Georgetown of England) in Lancashire, and Wimbledon College (same town the All England Lawn Tennis Club) but there are middle and high schools the Order controls there as well. http://en.wikipedia.org/wiki/Jesuit_High_School (scroll to the bottom for the information on the Jesuit colleges/military fortresses in England). I trust this is helpful.

Title: Who Are and Who Are Not Temporal Coadjutors?

Description: *Can anyone clear up the confusion?*

Born - October 31, 2005 01:16 AM (GMT)

Short and sweet-

Just who are the people that are serving the Jesuits? Who are the people who are fighting against it? I have a lot of questions that need answered.

CRAIG-OXLEY - October 31, 2005 01:45 AM (GMT)

Born anyone who aids the Jesuit agenda of New World Order is a Temporal Coadjutor. This means a normal everyday conspiracy follower in his bedroom can be a Temporal Coadjutor if he passes on information given by disinformation artists such as Jeff Rense, Alex Jones, Texe Marrs, Mike Ruppert, Stan Monleith, Noam Chomsky and many more.

Most of the big names in Conspiracy are Temporal Coadjutors! Their job is to feed to the more intelligent GOYIM information to keep them happy. So they feed us many truths sometimes 90% luring us in, then they give the all important 10% lies which twist and divert people away from what their protecting. You see out of 6 billion people many will wake up. When these people crave information the Jesuits have people from such as the CIA, NSA etc planting false information! People who do not mention the Jesuits/Roman Catholics or Venician Black Nobility etc most times are Temporal Coadjutors. If questioned on this they will say yeah the Jesuits are one of the most powerful but not the pinnacle. You should then use common sense and think well, if their so powerful why dont they get more of a mention especially when Skull & Bones is all you here these days and their in no league compared to THE JESUITS!

Its a mind game my friend and its meant to be confusing to the GOYIM. When you can see it all clearly it is easy and in your face.

Some of the people who've had the balls to talk about Jesuits are:-

Eric Jon Phelps, Barry Chamish, Sherman H. Skolnick, Doug Yurchey, Alberto Rivera and a few other brave souls.

Alexandra - October 31, 2005 04:59 PM (GMT)

Don't forget Jack Chick. He's the one who helped get the late Alberto Rivera's story out.

The Catholic church has had to do a lot of damage control since ex-Jesuit Alberto Rivera blew the whistle on them. Naturally they play the Bigotry Card.

I'll make this short and sweet-

I have been reading more about Father Malachi Martin as of late. He seemed to know a lot about the SRA and Satanism in the church. My question is can he be trusted considering he was a former Jesuit? Thank you!

CRAIG-OXLEY - October 31, 2005 01:13 AM (GMT)

He was still a Temporal Coadjutor for the Jesuits! He was allowed to write most of what he did but towards the end for some reason the Jesuits had to get rid of him. Much of what he said was truth to a point.

Dear Friends and Brethren in Yahushua Ha Mashiach, article by Jesuit John Dear about Jesuit Richard McSorley (info about McSorley and fornicator, plagiarist, and Communist Jesuit Temporal Coadjutor Michael (Martin) Lucifer King Jr.) (I pray I find a picture showing these two citizens of hell together). <http://www.johndear.org/articles/death.html>

Knight of Malta Cartha "Deke" DeLoach led the MLK assassination plot-Michael King was silenced after the Order grew tired of his opposition to Spelly's War so they used their intelligence community to kill him. According to Wikipedia: http://en.wikipedia.org/wiki/Martin_Luther_King

"According to a former Pemiscot County, Missouri deputy sheriff, Jim Green, who claimed to have been part of an Federal Bureau of Investigation [the Order of the FBI-meant to collect info on every man, woman, and child for a future inquisition and to use to discredit anyone who opposes them or the Gentile Jesuit World Conspiracy which the FBI, CIA and the entire International Intelligence Community plays an integral part-the American Intelligence Community was controlled by Francis Cardinal Spellman at the time] (FBI)-led conspiracy to kill Dr. King, Ray had been targeted as the patsy for the King assassination shortly before his April 1967 prison escape and had been tracked by the Bureau during his year as a fugitive. After several trips to and from Canada and Mexico during this time, Ray had gone to Memphis after agreeing to participate (allegedly controlled by his mysterious benefactor "Raoul" who reportedly had weeks before while in Birmingham, Alabama ordered Ray to purchase the Remington Gamemaster rifle) in what he was told was a major bank robbery while King was in town--since city police resources would be dedicated toward maintaining security for King and his entourage, the intended bank heist would be much simpler than usual. Green (who, like Ray, had asserted that FBI assistant director [SMOM] Cartha DeLoach headed the assassination plot) had claimed Ray had been ordered to stay in the

rooming house and as a diversion for the purported bank heist, to then hold up a small diner near the rooming house at approximately 6:00 p.m. on April 4th. Dr. King was shot a minute later by a sniper hidden in the shrubbery near the rooming house. Meanwhile, according to Green, two men, one of them allegedly a Memphis police detective, were waiting to ambush and kill Ray while Ray was on his way to the planned diner holdup and then plant the Remington rifle in the trunk of Ray's pale yellow (not white) 1966 Ford Mustang, effectively framing a dead man. However, moments before the assassination, Ray had apparently suspected a setup and instead quickly left town in his Mustang, heading for Atlanta, Georgia. Atlanta police found Ray's abandoned Mustang six days after King had been shot."

Jesuit McSorley created more fear about the airborne all out nuclear war hoax, he along with Jesuit John LaFarge fomented the Communist-Socialist Civil (Peoples') Rights agitation. McSorley openly opposed the Vietnam War aka Spelly's War. Jesuit-trained sodomite and pedophile Francis Cardinal Spellman who received his orders from the White Pope and his Fordham Jesuit masters both answerable to the Jesuit General. Spellman carried out the order from the Black Pope to assassinate JFK and Spellman called the U.S. soldiers in Vietnam "The Soldiers of Christ" and one of the tanks was called "Archbishop" named after Spellman-who was then the Archbishop of New York-the American Pope. The Order always plays both sides of any conflict so they can affect the outcome. They have no loyalty to anyone except their wicked unnatural Father General-the earthly head Luciferian and head of Freemasonry and the Illuminism worldwide.

Drinan (who fomented the abortion agitation and destroyed the Democratic Party to make way for the Order's GOP and Jesuit-controlled ecumenical Religious Romanist Right full of Freemasons, Knights of Malta, CFR, and apostate Protestants and bipartisan cooperation which is still felt today, Drinan is also a gun-grabber, opposes the capital punishment which honors the God of the Bible and cleanses the land) the Order helped the "Baptist" President/Emperor they trained and groomed. the article said, "Georgetown University law professor Rev. Robert Drinan, a former Democratic member of the Judiciary Committee, agreed that censure "would establish a dangerous precedent. . . . Almost every election cycle we would have the Congress censuring the president if he were of a different party." Drinan defended a man who lied to a grand jury and was guilty of treason on many occasions having given high technology to Red China and had no problem with the Red Chinese controlling the Panama Canal.

CRAIG-OXLEY - January 3, 2006 12:14 AM (GMT)

Brother Kilkenney is right about the wickedness of Julius Caesar but wrong about the calendar.

The Julian calendar was pagan, but its new year was on March 25 (written as 1/1) about the beginning of Spring. Protestant England and America celebrated New Year on March 25 until the early 1750s. Why the change to the Gregorian Calendar?

The **Jesuit Christopher Clavius (1538-1612) formulated the Gregorian Calendar for the papacy in 1582 in which year the Pope adopted that calendar. It was the same year the wicked Rheims-Douay English bible was put upon England. In 1751 the British Empire threw out the Julian Calendar and adopted the Jesuit Gregorian Calendar. In 1752 the American colonies did the same.**

Hence, happy **Jesuit New Year---January 1!**

Are you predatory? said "But, again, the anti-gaming people represented by Frank Wolfe and the Tom Greys of the world..... It's primarily moralistic. Now, they changed their tune. They learned, about three or four years ago, that arguing that it's unmoral to gamble -- that wasn't selling with the American people. Most American's resent other religious leaders or other -- trying to tell them what they should or should not do."

"I'm a Knight of Malta in the Catholic church. I mean, I don't need Tom Grey or some other people in religion telling me what's right or wrong. You know? I think I have my own moral code. Hopefully, it's one that the good Lord will, will pass favorably on when I get to see him. "

CRAIG-OXLEY - January 1, 2006 12:12 AM (GMT)

Your point about economic stability in the day the Son of man is revealed is well taken. I must rest on the maxim that the appearing of Christ for the bodies of his Kirk, we meeting him in our glorified bodies in the air, was a "mystery." Thus it was never spoken of in the Law or the prophets---or by Christ himself, otherwise it would not be a "mystery." (I Cor. 15:51-52)

Therefore, the appearing of Christ for his church in I Thess. 4:13-18 cannot be the same event of Luke 17:30 although both contexts include his imminent returns, not exactly known as to the precise day of his comings.

As you know, the beginning of the 70th Week is the conclusion of "the covenant [i.e., an international treaty with many nations spearheaded by the Roman Caesar/ pope] with many for one week" as spoken of in Daniel 9:27. This agreement appears to be "the covenant with death" of Isaiah 28:15, 18 that shall be annulled by the second Coming of Christ. This covenant will result in the continued eating, drinking and marriage typical of Noah's day and our day also (Lk. 17:27-28). The covenant will produce a general worldwide "peace and safety" (I Thess 5:3). This peace is the same peace that unregenerate Israel will experience just prior to its invasion by Gog leading his Russian and Moslem hordes (Ezekiel 38:8). None of the seal, trumpet or vial judgments have been released by the One who has taken "the book out of the right hand of him that sat upon the throne" (Rev.5:7). All is "peace and safety" [the pope's world peace] for the first three and one half years of the 70th week.

Then judgment falls. As the judgment of the Flood was a surprise to the world that then was; as the judgment of the destruction of Sodom and Gomorrah was a surprise to the sodomites of those cities; so will be the judgment that will befall the earth, which judgment 42-month judgment will begin at mid-trib and will culminate in the coming of the Son of man. The verse, "Even thus shall it be [the

element of surprise] in the day [or period of time, i.e., "the Day of the Lord" of I Thess. 5:1] when the Son of man is revealed [the culmination of that previously unexpected judgment being the international revelation of Christ from on High]."

The surprise judgment that begins the opening of the first seal at mid-trib is the white-horse rider of Rev. 6:2. I believe this man to be the Antichrist, being the last Roman Caesar/pope, having received his mortal head wound and risen from the dead (Rev.13:3, 14). The rising from the dead of this Seventh king/Caesar occurs at the same time the devil is cast out of heaven into the earth (Rev.12:7-9). Possessed by the devil, this Seventh Roman Caesar/pope becomes the Eighth King, yet his body is the same one as the Seventh King (Rev.17:10, 11). He, like Judas, is surnamed "the son of perdition," both of them being inhabited by the devil himself to personally resist Christ.

At mid-trib, when "that man of sin is revealed, that son of perdition," peace will be taken from the earth (Rev.6:4) with the immediate opening of the second seal. Simultaneously, this same "prince that shall come" (Dan.9:26) will "cause the sacrifice and oblation to cease" at Jerusalem's Third Hebrew Temple (Dan.9:27), he becoming the Temple's "abomination of desolation" as spoken of by Christ, he referring to Daniel (Matt.24:15). At this time, with the devil and his angels being confined to the earth (Rev.12:3, 4, 13) Israel will flee to the wilderness (Rev.12:6, 14) to her prepared place of protection (Isa.16:1-4) for forty-two months, or two and one half years (Rev.12:14; Dan.12:7). Peace and safety is now gone until Christ returns in power.

This breaking of the covenant which begins the judgment of "the wrath of the Lamb" will overtake the world (which is eating, drinking and marrying) "as "a thief in the night" (I Thess.5:2). This event will begin the judgment of Israel and the nations called "the day of the Lord" (I Thess.5:2), a term common to the prophets (Jeremiah 30:7; Joel 2:1, etc.). This "day of the Lord" will begin "the great tribulation" as spoken of by Daniel (Dan.12:1) and Christ (Matt.24:21). This "day of the Lord" or "day of Christ" (II Thess.2:2) cannot begin "except there come THEE (article in the Greek) "falling away first," which is THEE "departure" of the Church from this world, "our gathering together unto him" (II Thess.2:1).

All that to say this: the judgment that overtakes the world which is eating and drinking in peace and safety as in the days of Noah and Lot, is the judgment of the great tribulation that will culminate in the revelation of the Son of man (Luke 17:30; Rev.19:11; Matt. 24:29-30). At that time he will send his angels to "gather together his elect" having survived the Great Tribulation. They endured until the end, now they shall be physically saved as promised (Matt.23:13). This is when "one shall be taken, and the other left."

I trust this answers your objection that the second coming of Christ is not a time

when the world is in peace and safety. The judgment of the Great Tribulation arrives at the time when the world is in peace and safety, the culmination of which will be the day in which the Son of man is revealed.

Sincerely in Faith,

Brother Eric

“Peace on Earth” Means “No More War”

By John Dear

12/25/05 -- The story goes that when the nonviolent Jesus [Dear's Jesus is not the Jesus Christ of the AV1611 Reformation Bible. The Lord Jesus Christ rebuked His enemies and He entered the temple of God and cast out those who bought and sold in the temple and overthrew the tables of the moneychangers. (Mark 11:15-17, Matt.21-12-13)] was born into abject poverty to homeless refugees on the outskirts of a brutal empire, angels appeared in the sky to impoverished shepherds singing, “Glory to God in the highest and peace on earth!” That child grew up to become, in Gandhi’s words, “the greatest nonviolent resister in the history of the world,” and was subsequently executed by the empire for his insistence on justice.

This weekend, as tens of millions of Christians across the country celebrate the birth of the Prince of Peace, the U.S. wages war in Iraq, Afghanistan, Colombia and elsewhere; crushes the hungry, homeless, elderly, imprisoned and refugee; and maintains the world’s ultimate terrorist threat--its nuclear arsenal. [The Order created the Cold War/ Airborne Nuclear War hoax and it continues to milk the false threat in order to disarm the nations]

Like Herod, Pilate and their soldiers, we have rejected the angels' call for "peace on earth." When Bush, Cheney, [Jesuit-trained Georgetown Law Center dropout in the post I sent to Brother Eric I incorrectly said Rumsfeld was a Fordham dropout] Rumsfeld and their warmaking supporters celebrate Christmas, they mock Christ and his steadfast nonviolence, and carry on the massacre of the innocents.

If the angels are correct, then Christmas requires us to welcome God's gift of peace on earth [For the wages of sin is death but the gift of God is eternal life through Jesus Christ our Lord. Peace with God is only possible through His sovereign grace. Peace on earth will not come and is not possible any time before the Second Coming of Jesus Christ as King of Kings and Lord of Lords to rule and reign for a thousand years. There will be a counterfeit temporary covenant which will be confirmed for one week (7 years) by the Pope-the final one who will become the beast following his satanic resurrection according to Rev. 13 and Rev. 17:8. The Lord Jesus said in His prayer to the Father "I pray not for the world"] In such a time, that means we have to work for an end to war [mankind cannot end war only the true Lord Jesus Christ can and will] [I forgot to include these comments in this paragraph my email to Brother Eric]. Christmas calls us to become like Christ--people of active, creative, steadfast nonviolence who give our lives in resistance to empire and war.

In pursuit of this Christmas gift, a group of us [Jesuits] met this week with [Roman Catholic and member of the Order's Bilderberg Group] Bill Richardson, the Governor of New Mexico, and asked him to dismantle our [the Jesuit Order owns them] nuclear weapons and disarm Los Alamos, the birthplace of the bomb. In this day and age, it is surprising that any elected official would meet and listen to anti-war activists. Yet Richardson asked to begin a public dialogue with us about nuclear disarmament. We take this as a sign of hope, even as we continue our protests [agitations] at Los Alamos.

When [Hindu] Gandhi was asked one Christmas day for his thoughts about Christmas, he spoke about the connection between the wood of the crib--Christ's poverty--and the wood of the cross--Christ's nonviolent resistance to evil. He said Christmas summons us to the same lifelong nonviolence. It has social, economic, and political implications. I think, like Gandhi, that we have to make those connections and pursue those implications. Here are a few of them.

First, Christmas celebrates the birth of a life of perfect nonviolence and calls us to become people of active nonviolence. Christmas invites us to practice the vulnerable, disarming [great emphasis on disarmament because the Order has planned a massive invasion of the West Coast and South]simplicity of children, to live the disarmed life in solidarity with the children of the world, and to spend our lives in resistance to empire. It summons us to study, teach, practice and experiment with creative nonviolence that we too might live the life of nonviolence which Jesus exemplified so that one day peace might reign one earth.

Second, Christmas demonstrates that God sides with the poor, becomes one with the poor, and walks among the poor. God does not side with the rulers, the rich or the powerful, but with the homeless, the hungry and the refugees. Christmas puts poverty front and center and demands that we work to abolish poverty [by destroying the middle class and reducing every man, woman, and child to the status of an abject slave and serf to the Papal Caesar] itself so that every human being has food, clothing, housing, healthcare, education, employment and a lifetime of peace.

[In other words, a global absolutist government where there is no private property and all depend on the Jesuits' Vatican for all of their needs like the monks of medieval Europe under the Benedictine Rule were only allowed to have what their abbot issued and nothing else.]

Third, since Christmas illustrates how God sides with the poor in order to liberate the oppressed from poverty and injustice, it calls us to reject greed, give away our money and possessions to those in need, and also live in solidarity with the disenfranchised. [The disenfranchised are so because of the Order's corporate fascist Fourteenth Amendment American Empire and the military-industrial complex controlled by the Order through the SMOM and high-level Freemasonry both subordinate to Black Pope Kolvenbach.]

Fourth, Christmas pushes us to stand on the margins of society, where we will find God [The Jesuits are animists and pantheists especially the Professed of the Fourth Vow believing that God is in all things—all things— including assassination, corporate fascism, absolutism, genocide, bloody, deadly crusades worldwide against all who resist them. The Order engineered the created tsunami with an underwater hydrogen bomb blast last year in Southwest Asia (months later a real earthquake of the same magnitude epicentered in Aceh Banda where the reported "earthquake" occurred last December did not result in a tsunami. This is proof by the providence of God that shows the Dec. 26 2004 tsunami was planned and created. <http://www.livescience.com/forcesofnature/050328_quake_science.html> Hurricane Katrina was created through the Order's HAARP weather control and manipulation to weaken the coast of the Gulf of Mexico to facilitate the South American/Cuban/Muslim invasion from Cuba and Mexico.]

Christmas announces that every human being is a beloved son and daughter of the God of love. [The earthly gods of the Jesuits are the Papal Caesar and the Black Pope. The high-level Jesuits worship Lucifer. The god Jesuit Dear is talking about is not the God of the Bible but a counterfeit universal god-Lucifer because the majority of mankind does not believe the gospel of the grace of God because they were not given the gift of faith from God to believe on His Son. God loves His elect those whom he chose before the foundation of the world and predestinated to be adopted into His family and to be conformed into the image of His Son.]

Every human life is beautiful in the eyes of God, since God has become one of us. From now on, we reject exclusivity, racism, sexism, and discrimination of any kind, and embrace everyone as equal [universal equality-the principle of the Jesuit-ruled socialist-communist Paraguayan reductions] We stand on the margins with the excluded, the marginalized, the outsiders and outcasts. From there, we envision a new reconciled humanity. [Reconciled to whom? The Antichrist (the Pope) and the dynasty of the Antichrist-the papacy]

Fifth, as Gandhi pointed out, there is a straight line from the crib to the cross. Christ practiced steadfast nonviolent resistance to imperial injustice and was brutally executed. That bloody outcome is crucial to the story, and calls us to work for the abolition of the death penalty [The Order advocates allowing all incarcerated criminals suffrage so the Jesuit "chaplains" could convert them to Romanism and so the Fourteenth Amendment American Empire will be overrun with released criminals resulting in rapes, miscegenation, riots and even more centralization of power in Washington] so that Christ will never be crucified again [The Christ of Romanism is sacrificed repeatedly everytime the bloody perversion of the Mass and devotion of the Romanist flesh-pots (as reformer Ulrich Zwingli rightly called them) to the Egyptian sun god Horus called the Eucharist] and the killing stops once and for all.

Sixth, since the birth of Christ means that every human life is beloved by God, that all human beings are God's children [this is a lie and Jesuit Dear is calling God a liar and his AV1611 Reformation Bible a lie], we have to treat every human being on the planet as our very own sister and brother which means we must oppose war and work for the abolition of war itself [Jesuits and all Romanists in accordance with Catholic Canon Law are amillennialists. They subtract from the word of God which says "And he (Jesus Christ) shall judge among the nations, and shall rebuke many people" this is the prerequisite before " and they shall beat their swords into plowshares, and their spears into pruninghooks: nation shall not lift up sword against nation, neither shall they learn war any more." Isaiah 2:4 and Micah 4:3]. In particular, we denounce Bush's war on Iraq, demand that the troops return home, and call for reparations and nonviolent solutions to the horrors we [The Company] have brought upon the people of the Middle East.

Seventh, if the angels celebrate the coming of "peace on earth," that means they are environmentalists [Dear is a New Ager, an earth/Gaia worshipping New Age Jesuit just as Jesuit Teilhard de Chardin was being the father of the New Age Movement.] We too have to protect the earth, oppose its destruction, defend God's creatures and the universe, and help make the earth a place of peace for every life form.

Eighth, Christmas means working for the abolition of nuclear weapons. These weapons are idolatrous and blasphemous. Their very existence insults the God of peace and mocks the nonviolent Jesus [another Jesus]. We can't celebrate Christmas and at the same time work at Los Alamos, Livermore Labs, the Nevada Test Site, or the

Pentagon, or be silent while this work goes on We must reject this love or death and destruction, and pursue life, the God of life, and a new world [order or new age-a Dark Age worldwide not just throughout Europe as it was centuries ago.] without nuclear weapons.

Ninth, Christmas calls us individually to prepare for the gift of peace on earth. It invites us to welcome peace in our hearts and our personal lives, and learn to be at peace [not God's peace from the Biblical Jesus Christ but the counterfeit and temporary peace of the world from the god of this world-Satan] with ourselves, with God, with our families, friends, neighbors, and local communities, and with the whole world. [The Jesuits are the masters of the Masonic New Age Movement.]

Finally, Christmas invites us to be human in an inhuman time. The scandal [There is no scandal connected with the First Coming of Christ to this earth] of the story is that God wants to become human and show us how to be human. We [Jesuit Dear is referring to the Order secretly but the non-discerning reader will think he is speaking of the human race], on the other hand, want to play God, to be powerful, in charge, in control, to dominate the world. [Is this not what the Luciferian Company of "Jesus" (Satan) wants and to a great extent has already has?] Perhaps the best way to celebrate Christmas and welcome the beautiful gift of peace on earth is simply to be human, despite the callous inhumanity around us, and to trust that our modest, vulnerable humanity--our nonviolence, compassion and love--like the humanity of the child in the crib, will one day bear good fruit and sow the seeds of peace on earth. [Jesuit Dear's view of mankind is positive but the Bible, the word of God says that mankind is fallen and incapable of making peace because he is totally depraved , fallen and dead in trespasses and sins. Only the Prince of Peace the Lord Jesus Christ can bring what this deluded Jesuit and the hellish, deceived Company believe they can usher in for the Papal Antichrist. The Jesuit approach to world peace is unbiblical and embraces sinful humanity. It is a sin-accepting and sin-loving global fascist socialist-communist absolutist dictatorship headed by the Papal Caesar openly and controlled behind-the-scenes by his master the Black Pope.]

John Dear is a Jesuit priest, peace activist, and the author/editor of 20 books on peace and nonviolence, including most recently "The Questions of Jesus" and "Living Peace," both published by Doubleday. He is the coordinator of Pax Christi New Mexico. For information, see: www.fatherjohndear.org and www.paxchristinewmexico.org

Ever read Upton Sinclair's book "The Jungle"? It's a muckraking book, tells about the horrors of the Chicago meatpacking industry 100 years ago--and it promotes Socialism.

In the book one of the speakers claims that Jesus was a Socialist.

AVBibleBeliever - December 31, 2005 06:36 AM (GMT)

I've never read it entirely but I think I remember someone telling Jurgis that Jesus Christ was a socialist when I read portions of it in high school. Upton Sinclair obviously did not know the connection between the Jesuit Order and socialism or maybe he did.

I googled Upton Sinclair+Jesuits just to see if there is a connection. Sinclair in his "Profits of Religion" mentions the Jesuits a few times. Here is the link to the cached webpage with the words Upton, Sinclair, and Jesuits highlighted (it may or not work)-if not just google the aforementioned words using your browser.

The real reason, behind all other reasons, that the Jesuits are always pushing "nonviolence" and ending the death penalty is because they do not want the death penalty used against them by the people they have committed crimes against!

That makes sense. I'd always wondered why the Catholic church was against the death penalty--what you say makes perfect sense.

This article "The Jesuits of Baghdad" by Jesuit Joseph McDonnell of the Order's Fairfield University in Connecticut was in America magazine. <http://www.americamagazine.org/gettext.cfm...006&issueID=435> Note the last sentence.

"But one thing is clear: the Jesuit mission to the Iraqis did not end in 1969."

[The rise of Saddam Hussein and the Baath Party was orchestrated by the Jesuits to punish the Iraqis for kicking them out of their country. The current Papal crusade in the Middle East led by the Company is further punishment and after it is over the Jesuits will return to Iraq. The Order through Fourteenth Amendment America's chaplaincies have already begun to reenter Iraq.

This was on Jesuit McDonnell's Fairfield University webpage <http://www.faculty.fairfield.edu/jmac/bag/bag.htm> Jesuits By the Tigris

<http://www.faculty.fairfield.edu/jmac/bag/bcah.htm> Photos of The Order's former military fortresses in Iraq established before their expulsion in 1969: Baghdad College and Al-Hikma College.

Following the Papal crusade in the Middle East, the Company will send a "mission" to Iraq and the other countries left in ruins by the American empire to endear the remaining Muslims to them. The Order will perform acts of beneficence and the war-torn will view them as helpers and friends who will nurse their wounds and provide "spiritual guidance." Unbeknownst to the Muslims and low-level Jesuits who will be clueless of the fact that their superiors-the Professed of the Fourth Vow- and their Black Pope ordered, oversaw, and caused the genocide carried out during the decades long "war on terror."

The Jesuits are in the process of installing an Islamic dictatorship in Iraq. The Ba'ath Party was too secular to suit the Vatican. They did the same thing in Iran in 1979. The Middle Eastern people had better wake up and realize how they are being used to further the Pope's agenda.

Title: The Cold War

Description: *By Eric Jon Phelps*

CRAIG-OXLEY - December 31, 2005 01:35 AM (GMT)

The Jesuits accomplished much during Pope Pius XII's Hoax of the Cold War. They created the Airborne Nuclear War Hoax by faking the air-bursting of atomic bombs at Hiroshima and Nagasaki using dropped magnesium flash bombs loaded with uranium and/or plutonium while the atomic devices (having been assembled on the ground for months with the protection of the Japanese High Command) were simultaneously being triggered on the ground for which resident Jesuit Pedro Arrupe was promoted to Jesuit Superior General in 1965; they later gave the nuclear devices to Stalin and Mao so that with televised detonations on the ground, the Cold War was given a reality in the mind of Americans; they created the nation of Israel using Cardinal Spellman to back Jewish Masonic Jesuit Coadjutors Weizmann and Ben-Gurion who participated in the Jewish Holocaust with SS Colonels Eichmann and Kurt Becher; they created the Berlin Airlift to divert attention away from the saving of thousands of Nazis through Bishop Hudal's Jesuit-manned Vatican Ratlines, while many other Nazis were secretly flown out of Berlin via the unloaded, departing aircraft; they merged the Gehlen Org with the KGB, CIA and SIS/MI6, further perfecting Pope Pius XII's International Intelligence Community; they created both the Mossad and PLO, controlling the leaders at the top so as to produce a never ending agitation in Israel (killing both Jews and Arabs, both peoples having Biblical promises yet to inherit) enabling the Jesuits to further direct both sides via Vatican diplomacy (Oslo, etc.); Cardinal Spellman's CFR-controlled American government started both the Korean and Vietnam wars, further killing "accursed" Buddhists while leveling the American Empire financially, morally and socially; they assassinated genuine leaders who resisted this Cold War policy including JFK, MLK, Malcolm X, RFK, James Forrestal, George Wallace (almost) and Larry MacDonald---to name a few. The Jesuits then ended the Cold War with Papal Knights Reagan and Gorbechev meeting on the Island of Malta hosted by Pope John Paul II's Knights of Malta.

The Cold War, now completed, positioned the USSR, Red China and Saudi Arabia---all creations of the Jesuit Order via the US and Britain---to challenge the hegemony of the historic Protestant West, it being the greatest haven for the Jews during the history of their bloody Diaspora. If the West can be defeated economically and militarily, then the Jews can be mass-murdered with only a remnant escaping to Israel. This is one of the occult purposes of the 911 demolition overseen by New York City's "Archbishop of the capital of the world," Edward Cardinal Egan, using his Georgetown Jesuit-trained Knight of Malta and DCI, George J. Tenet. Roman Catholic, Georgetown affiliate and CFR member Jesuit Temporal Coadjutor John C. Gannon was also highly involved, he now being the real power behind the Jewish Michael Chertoff's Department of "Romeland" Security. The relationship between Bush's beloved Jesuit John Gannon and former KGB head, General Yevgeni Primakov---now advising the Department of Homeland Security---, is most telling! Remember that Stalin admitted he was trained by Jesuits in the Orthodox Seminary in Tiflis, Georgia, according to historian and Jesuit-controlled, Papal Court Jew, Emil Ludwig (Cohen).

But how would the Black Pope accomplish this destruction of the historic Protestant West and its resident Jews? The Christian evangelicals and fundamentalists would never be active agents in the persecution of America's Jews. Enter the extreme "New Right," financed by the Knights of Malta (including the late J. Peter Grace) controlling both the House of Bush and the House of Saud. Utilizing the Pope's Masonic Jew Abraham Foxman running the truly anti-Jew ADL at one extreme and Jesuit-controlled, pro-neo Nazi Roman Catholic Hal Turner at the other extreme, along with the Masonic Black neo-Nazi Louis Farrakhan ruling the hatefully racist NOI, there is a noted collusion between the American Nazi Roman Catholics and token apostate Protestants with Islam via Georgetown University in Washington, D.C. The Moslems are going to be the killers of the nation's Jews as they are backed by the Order's fascist, formerly SS-manned CIA/FBI. (The Islamic murder of Rabbi Kahane in New York City sustains this position. Islam---the Egyptian Jihad---and the CIA worked together in the murder. 911 illustrates the same---the CIA and its Islamic Terrorist Network financed by the Wahhabi Saudis brought down the WTC.) If you remember, the honest Malcolm X declared that the Muslim NOI and the Nazi KKK had the same "paymasters," for which resistance he, and later his wife, was murdered by Cardinal Spellman's NOI/FBI/NYPD Jesuit-ruled network.)

Therefore what concerns me most is the Nazification of the US Intelligence Community and its secret unity with Masonic Wahhabi Islam (the new Masonic "Young Turks" who carried out the Orthodox Armenian massacres (1915-1923)---evidenced by the existence of "the Jew Room" at the NSA. The collusion between the pro-Nazi House of Bush and House of Saud spells ultimate betrayal for the

Lord's beloved Hebrew/Jewish/Israelitic people now in Israel governed by the Order's CFR-directed Masonic Sharon and Masonic Peres.

A Jewish source in Long Island believes that atomic detonations and/or biological events will be carried out on the island resulting in its quarantine and the death of hundreds of thousands of Jews. I will forward the email for your perusal.

Again, thanks for your help and if you know of any other connections of the Nazis with the papacy please let me know.

Sincerely in Faith,

Brother Eric

H.R. 4437: A Senseless Approach to Immigration Reform

Jesuit Conference of the United States urging broader legislation
http://www.jesuit.org/sections/sub.asp?SECTION_ID=633&PAR

WASHINGTON, December 12, 2005 – This week, the House of Representatives is expected to consider “The Border and Immigration Enforcement Act of 2005.” Americans who favor comprehensive immigration reform that will better secure both our borders and basic human rights must act now and demand Congress fix the senseless solutions of H.R. 4437.

We have tried to find justice merely through enforcement. During the last ten years, the United States spent \$25 billion and tripled the number of border patrol agents to address a growing immigration crisis. With the current situation worsening, no one tries to argue that the previous effort was successful. However, H.R. 4437 is saying to America we just need more of the same failed policies.

Justice can only be measured by the dignity afforded every man, woman and child, by the safeguards we as a society place on that dignity and by the economic opportunities we offer each family within our borders. The conscience of America – a nation built by dispersed peoples from around the world seeking a second chance – calls for a compassionate response, an alternative that protects workers from abuse and employers from sudden, drastic labor shortages.

Through criminalization, provisions to strip citizenship and restricting rights to judicial review, H.R. 4437 abandons compassion. By expanding the definition of smuggling to include anyone who aids or transports an undocumented immigrant, the legislation also asks Americans to ignore the humanitarian call of the Good Samaritan. It outlaws the

very act of driving to the hospital with a man who may have been injured while laboring to keep fresh vegetables in our stores.

Were the United States to adopt the comprehensive reform advocated by the Catholic Campaign for Immigration Reform, we could better protect our country. Earned legalization is a practical response to the serious adverse effect of eliminating 11 million laborers from the U.S. economy, nearly five percent of the workforce, without any means of replacement. Inviting people out of the shadows of American life relieves our enforcement agencies of the burden of tracking millions of individuals and enables them to better focus on tracking down the small percentage of those entering America intent on smuggling people, drugs or weapons.

We welcome a continued discussion rooted in dignity and human rights and join with all who cherish humanity in calling for practical and comprehensive immigration reform that secures our borders and extends hope to those most in need. For the Society of Jesus, His words ring ever true, "As long as you did this for one of the least of my brothers or sisters, you did it for me."

The Road From Rome

By Barry Chamish
12-29-5

It has been barely a month since the Israeli government apparently agreed to cede some real estate on Jerusalem's Mount Zion to the Vatican and barely two weeks since I reported on the deep background to the affair. Since that time, a great deal of mail has arrived rounding out the picture. As grateful as I am for the new information, another event surpassed it. At a recent dinner party, the hostess informed me that she had sold her book collection but had kept one volume back. She agreed to lend it to me.

The book is called *All Roads Lead To Rome?* (Dorchester House Publications). It is a detailed study of how the ecumenical movement is razing the foundations of the Anglican church in England, and replacing it with the ceremonies and beliefs of the Roman Catholic church. The author, Michael de Semlyen, is a leader of a British Evangelist group and this is going to cause difficulties with my Jewish readers who are tired of looking over their shoulders waiting for another Evangelist trying to "save them from Hell."

To these readers, I can only assure you that this book is vital to the understanding you need to protect yourself from mortal danger. I am well aware that given the choice of who is more threatening to the Jews, the Evangelist movement or the Vatican, American Jews would choose the former because of their conversion practises. But they are very wrong. These practises are patronizing and insulting, but they are a mere inconvenience compared to the past and present mass murder of the Jews secretly organized by the papacy.

The Jews should be deeply grateful for Protestantism. As soon as any nation replaced

Catholicism with a new Protestant state religion, the slaughter and torture of the Catholic inquisition stopped and decency took over. The Protestant nations of Europe and the British Commonwealth offered their Jews a secure shelter they had never known in any Catholic country. By fighting to protect Protestantism worldwide, de Semlyen, is fighting to protect the safety of Jews worldwide.

Which leads to an issue that should bother all Jews. Why is it that only Christian writers are exposing the depths of venality that has seen the Jews massacred by the Vatican through the millennia? Where are the Jewish voices investigating the papacy and its current manipulations against the Jewish state? Why, in this time of desperate intellectual need, are Jewish writers so lame?

But that is the fact and those of us seeking the deep truth about Israel's current disastrous decline must turn to Christian writers like de Semlyen to get to the bottom of matters...At least until our own writers stop with their conventional claptrap and start investigating for themselves.

De Semlyen finished his book in 1991, and some of his findings are more than merely interesting in light of historical events which followed them, and needless to say, he could have known nothing about. Let us look at what his research tells us about the current Pope Benedict XVI.

pp. 162-3 - The Rehabilitation of the Inquisition of old is something of an article of faith for the Vatican; for the Inquisition is alive and well and, within the restrictive limits placed on it by democratic freedoms, as powerful as ever. Roman Catholic author and former priest, Peter de Rosa, in his 1988 book *Vicars Of Christ, The Dark Side Of The Papacy*, writes about the modern Inquisition: ' Located at Casa Santa, the pope's house is known locally as the Palace of the Inquisition. In recent years, having had a bad press, the Holy, Catholic and Apostolic Inquisition, like the Soviet secret police, has been renamed more than once. In 1908, this oldest of Rome's Sacred Congregations became The Holy Office. From 1967, it changed to the Congregation For The Doctrine Of The Faith. The present secretary and Chief Executive. the Grand Inquisitor Of Old, is the Bavarian Cardinal Ratzinger'...According to the Catholic Herald, ' Austere Cardinal Joseph Ratzinger is dubbed in Italy as the latter day inquisitor for his Doctrinaire Guidance as prefect of the Congregation For The Doctrine Of The Faith.'

What do you know? The pope was, until his investiture, the Grand Inquisitor of the church, the same post which saw millions of Jews, tortured, mutilated, or if they were lucky, merely forced to flee or hide their faith.

De Semlyen also provides surprising background on Princess Diana, written years before her assassination.

pp. 149, 162-3 - When Newman became Britain's most famous convert to Rome in

1845, his confession prior to his confirmation was heard by George Spencer, known as Father Ignatius Spencer of St. Paul, who also acted as his sponsor. Great great great uncle to Princess Diana, as well as great uncle to Sir Winston Churchill and convert to Rome in 1930, just before the start of the Oxford Movement, Fr Spencer is now in line for 'Sainthood.'...

The Parker-Bowles family is Catholic. Princess Diana, much influenced by her spiritual rapport with Mother Teresa and her favorite clairvoyant, Irish Roman Catholic psychic Betty Palko, is 'taking instruction from a Dominican priest to convert to the Roman Catholic faith, at a secret Oxford address,' reported the tabloid newspapers, Today and The People.

If these reports are true, the princess, once converted, may well ask the Pope for an annulment to her marriage, based on the infidelity of Prince Charles. This would create a constitutional crisis that would very likely assist the ambitions of Rome.

However, what interests us most, is the Vatican's push to create a one world religion with its capital in Jerusalem.

pp. 17 - In May 1989, a group of 100 Pentecostal and Charismatic leaders representing 30 nations, met to pray for a Decade of Evangelism in Jerusalem's ecumenical Notre Dame Centre.

pp. 19 - Robert Runcie, Archbishop of Canterbury and an enthusiastic ecumenist, told BBC Radio Three; "It is entirely possible that the Anglican Church could disappear to make way for a united world church."

pp. 56 - A remarkable revelation from a 1990 book, The Keys Of This Blood, written by a former Jesuit, Malachi Martin, is that Pope John Paul II is convinced he will be called in the 1990s to be the moral and spiritual leader of a world government.

pp. 73 - Roman Catholic writer, Piers Compton, in his book, The Broken Cross, recounts in considerable detail, the initiation of Angelo Roncalli, late Pope John XXIII, into the society of the Rose-Croix, or Rosicrucians, in 1935. He also lists eleven cardinals and 75 prelates of the Church, together with their code names and dates of initiation into secret societies.

Masonry encourages all religions. 'The Great Architect of the Universe,' it is argued, can be approached through many mediators including Buddah, Muhammed, Krishna or Christ. Freemasonry offers little or no resistance to ecumenical unity and thus freemasonry and Catholicism, freed from the difficulties of the past, can share a common goal in overseeing a one world faith.

pp. 75 - The world's statesmen and rulers continue to seek audiences to consult the pope on global strategy. George Schultz, America's Secretary of State, consulted the

pope before major discussions, stopping off at the Vatican on the way to Middle East peace conferences. Yasser Arafat, after the American acceptance of the December 1988 PLO peace initiative at the United Nations, also stopped at the Vatican on Dec 24, presumably for more than a Christmas blessing. Arafat has met with the pope more than once...

The Reformer Magazine sounded a warning: "It is not without significance that Mikhail Gorbachev went to see the Pope in this time of crisis. This stirs fear in many hearts. The reunion of Germany under a Vatican-dominated party gives cause for concern. Will history be repeated? Will there be a pro-Vatican bloc in Europe again, this time allied to Russia with Poland, Hungary, Romania and Czechoslovakia in tow? Will this be a repeat on a wider scale of the Vatican's support of the central powers leading up to the First World War and the Fascist powers in the Second World War? These are pertinent questions. The Vatican has never lost its objective of world dominion."

pp 83 - Interviewed on Denver's KLTT Radio, Dr. Malachi Martin spoke of three forces battling for total domination of the planet, as the world races towards annihilation. The contenders were John Paul II, Mikhail Gorbachev and the capitalist West. As the world's spiritual and moral leader, he would lead a world government with absolute authority to decide all basic issues of human survival and human prosperity.

pp 85 - Many believe, and not only Christians, that Europe is destined to be the center of a final world empire, as the Holy Roman Empire restored. The European newspaper reported that, "The Christian Democratic leaders from Belgium, Germany, Greece, Italy, and the Netherlands backed far-reaching plans for the transfer of national sovereignty and the establishment of a federal government, with sole control over monetary, foreign and defence policy."

pp 87 - Dutch Prime Minister, Rnd Lubbers, a devout Catholic who attended a Jesuit College, was the architect of the Maastricht Treaty on Political Union. Lubbers worked closely with Jacques Delors, also Jesuit-educated, in furthering the Maastricht agenda, undeterred by the mounting distrust of the treaty by the European people.

pp 100-01 - Author Roy Livesey is convinced that much of what we see is an elaborately devised smokescreen for the deception fashioned by the Jesuit Order and the Church of Rome...Another professor of history, Norman Cohn, writing about 'the myth of the Jewish World conspiracy,' states in his book Warrant For Genocide that it can be traced back to a French Jesuit, Abbe Barruel, who instigated the myth on which the infamous Protocols Of The Elders Of Zion were based...

Like the Vatican, the New Age has close links with powerful organizations such as the UN, UNESCO, the World Council of Churches, the Bilderberg Group and the Freemasons. Other organizations and movements with a political agenda, such as the many various peace and disarmament groups, also act as a veil behind which one-world government and one-world religion are taking shape.

pp 128 - The order of the Society of Jesus was founded by Ignatius Loyola to secretly accomplish two major goals for the Roman Catholic Institution. The first was to obtain universal political power; the second, to establish the universal church.

pp 133 - Dr. J.H. Lehmann points out in his book Behind The Dictators that the Jesuit Father Staempfle wrote Mein Kampf for Hitler.

The infiltration of the Vatican's symbology on the Israeli psyche is far deeper than Israelis can fathom. Let one example suffice for now. When the new shekel coin was introduced just over a decade ago, the imprint on one side didn't seem Jewish. It wasn't a symbol of Judaism like the date palm, menorah or even the Medieval star of David, it was a three petaled lily. Beneath it on the left side are three other symbols which may have a perfectly good explanation, but it's not known to the public whatever it may be. From top to bottom they appear to be a gallows, a yardarm with a = sign, and a Z with a - sign. Who knows what the shekel is trying to tell us, but two of my correspondents have come to similar conclusions:

Have you looked at a Shekel lately? "Joan of Arc carried a white banner that showed G-d blessing the French royal emblem, the fleur-de-lis, when she led French troops to victory over the English in support of the Dauphin, Charles VII, in his quest for the French throne. The Roman Catholic Church ascribed the lily as the special emblem of the Virgin Mary. Due to its three "petals," the fleur-de-lis has also been used to represent the Holy Trinity."

Not even the Shekel has escaped the disintegration.

*

A picture that I have seen from a Cabbalistic source showed the triple crown tiara on a flame-breathing dragon for the Solar deity worship shows exactly what these people intend to do: worship the ancient deities of the sun, moon and stars. The Jewish leaders can't get close enough to him. He is wearing the same outfits as the apostate Herodian temple high priests of 1900 years ago, wearing the same kingly tiara of three crowns... The secret societies that want to put him in place believe he is the most qualified. One of the books that I recently viewed showed that the ancient Herodian temple of 1900 years ago had the same exact Vatican snake pillars inside. The apostates will continue to congregate with their fellows. The solution is to listen to what the legends have told our people.

Papal Homily on 40th Anniversary of Close of Vatican II

She is the offshoot from which grew the tree of redemption and of the redeemed. God has not failed, as it might have seemed formerly at the beginning of history with Adam and Eve or during the period of the Babylonian Exile, and as it seemed anew in Mary's time when Israel had become a people with no importance in an occupied region and with very few recognizable signs of its holiness.

God did not fail. In the humility of the house in Nazareth lived holy Israel, the pure remnant. God saved and saves his people. From the felled tree trunk Israel's history shone out anew, becoming a living force that guides and pervades the world. Mary is holy Israel: She says "yes" to the Lord, she puts herself totally at his disposal and thus becomes the living temple of God.

Pope Benedict, in his first Christmas address, has urged humanity to unite against terrorism, poverty and environmental blight.

He called for a "new world order" to correct economic imbalances.

On December 18, I gave a lecture to the Root And Branch Association in Jerusalem called: ZION FIRST - THE VATICAN'S NEW CRUSADE FOR JERUSALEM

I had intended to give a one hour presentation explaining the government's decision to hand over a piece of Mount Zion to the Vatican, but audience enthusiasm turned it into a two hour show. The lecture was professionally filmed with two cameras and I'm thinking of turning it into a product. Please let me know if you'd like to see the lecture and if you'd prefer to view it as a DVD, video or CD-Rom.

This is more complicated than you might realize. DVDs and videos have separate standards for America and most of the rest of the world, and graphic art for the cover is an expense. If there is a good response, I'll prepare the product. It will be a good one if I do.

CRAIG-OXLEY - December 30, 2005 12:53 AM (GMT)

Dear Brother Txxxxx,

Thanks for this and I shall use it.

The Skull and Bones of Himmler's SS goes right back to Rome.

Brother Eric

Subject: Re: Shalom from Israel

Didn't have a good one of the pope seal but otherwise I believe you will find these useful. I believe the crown is empty because the successive "p-pes" keep the throne warm for the dragon.

Notice on the Jesuit confessional the term Jesu (Gesu), I believe this is short for Yeshu (not Yeshua, notice the difference). Yeshu meaning 'may his name be blotted out forever' according to the 'Toldoth Yeshu'. So the so-called "Society of Jesus" is in reality allied with the rabbinic "Yeshu", i.e., "The Society of Yeshu"... or more accurately, "The Society of May His Name Be Blotted Out Forever"

If I can help with anything else, please let me know...

We're joined again by **Eric Jon Phelps**, author of *Vatican Assassins*, for part three of our four-part interview. Today, Eric takes us from the 1830s through World War II.

Among the bombshells in today's interview: The nuclear bombs at Hiroshima and Nagasaki were detonated on the ground; Hitler let the British escape at Dunkirk; and General George Patton was assassinated to keep him from revealing that Eisenhower refused to allow Patton to trap and destroy the German army at Falaise in France, which would have prevented the Battle of the Bulge—and possibly the deaths of as many as 2 million Jews.

Title: Ian Paisley; White Race

Description: *Eric Jon Phelps*

CRAIG-OXLEY - December 30, 2005 12:30 AM (GMT)

Thanks for the prompt answer!

First of all, I don't promote Bob Jones University, and I don't know that much about Bob Jones, II, although I have spoken with him personally, and have perused several of his books, especially the one on The History of Fundamentalism. What stands out in my mind was his strong friendship with Dr. Paisley and his frequent trips to Ireland to visit him. This resulted also in the scandal in the media when he and Dr. Jones put an add in several of the leading newspapers in the US that the Pope was antichrist back when Pope John Paul II made his first visit to the US. This led to the Southern Baptists defending the Pope and lambasting Drs. Paisley and Jones. It was such a polemic event that the US either denied or attempted to deny Dr. Paisley's visa to enter the US.

Senator Ted Kennedy has attempted to block Paisley's entrance into the US several times.

I also have a daughter who is a missionary in Wales, UK. She and her husband are pioneering a Christian School there. This is rather difficult since the people have never heard of such a thing, and the corruption in that part of the world is advanced. So it will take some time for the people to gain confidence in the school.

You are correct when you say that Dr. Paisley needs to warn these churches of the Order's grip on this country. Like you say, at much as 90 % of the pastors in this country are ignorant of the "mystery of iniquity" that overshadows America.

Agreed.

You can rest assured that in my prophecy preaching, since you've educated me on this, I have exposed it in several pulpits, even in Central America, and have emailed those same messages to pastors in Latin and South America. And the number of readers will

definitely be on the increase. Once people hear of this, they indeed share it with others!!

Wonderful, my brother!

By the way, are you still convinced that the US is not the endtime political Babylon?

Yes.

If the US is not, then who is this "hindermost of the nations?"

That phrase from Jeremiah 50:12 concerns the distant city of Babylon in the land of the Chaldeans known to Jeremiah the prophet in his day (50:1). As you know, the doctrine of "compenetration" or "double reference" runs throughout the prophets, especially in Jeremiah 50 and 51. Indeed, the city of Babylon was ultimately destroyed and has never been rebuilt as it was---and never will be rebuilt even during the millennium, as Iraq is part of the land promise given to Abraham. (Genesis 15)

(Imagine that! When the land of promise is a literal garden of Eden for the Lord's born-again nation of Israel, there will be a desolate piece of land on the nation's eastern border at the Euphrates River. Maybe it will be a tourist spot as a reminder for those nations that sin against the Lord.)

Therefore, this necessitates the destruction of a future "Babylon," a city with a similar international, commercial, political and religious prominence as the one now destroyed. That "Babylon," future in Jeremiah's day, is the same "Babylon" of I Peter 5:13. Since there was no church in the destroyed city of Babylon at time the apostle wrote the epistle to his Hebrew/Jewish believing brethren (the Holy Spirit not allowing the apostle Paul to take the gospel to "Asia" (Acts 16:6) Asia being east of Turkey in which the seven churches once existed) the "Babylon" referred to by Peter is the surname for another city then in existence and inhabited by believers. This surname is used by both Jeremiah (double reference--Jer. 50:18) and the apostle John (descriptive of a then existing city--Rev.17:18). For when the Lord punishes the King of Babylon of Jer. 50:18, the result will be "in those days" (50:20) the establishment of the New Covenant (Jer.31:31-34) with the nation of Israel, it resulting in the disappearance of the iniquity of Israel and the sins of Judah---clearly millennial in its fulfillment. Thus, the final Roman Caesar/pope, murdered, risen from the dead, indwelt by Satan causing "the sacrifice and oblation to cease" (Dan. 9:27) and thereby initiating the Great Tribulation (Matt. 24:15)---is the king of Babylon referred to in another double reference found in Isa. 14:4.

Thus I maintain, in holding to a literal understanding of the words of Scripture in their contexts, that the "Babylon" of Jeremiah 50:18 and Revelation 17:18 is the

city of Rome---yet to be destroyed. That "eternal city," surviving over twenty empires, is the apex and nerve center for the "infallible" Pope's world empire presently administered by the Jesuits in obedience to their Superior General. The final "king of Babylon" is the risen Caesar/pope turned to be THEE Antichrist (notice the presence of the Greek article in I John 2:18). Interestingly enough, Rome will never be rebuilt even during the reign of Christ from Jerusalem. Thus, there will be two destroyed cities, one on the Euphrates River in the east, and one on the Tiber River in the west, that, for one thousand years, will be visible reminders to the surviving inhabitants of the earth what "the God of Jacob"---sitting on his throne of David in Jerusalem (Isa. 2)---did to the people of those two wicked cities.

Another question, why did you say "White" when you referred to my daughters having kids? Ha, ha! Bro. Eric, at times I think you are a glutton for punishment, since you know that when people see your free use of that colorful term, they will think you are a racist. No offense, I'm just trying to save you from unnecessary squabbles!!

Ah dear brother, I am White, pro-White and indeed I am a racist---a non-hateful racist---as was the Lord Jesus Christ (Matt.15:26). He loved his own racial people as I love my own racial people, and He died for his own racial people as I would for mine. Further, we must not forget that the cultural and intellectual supremacy of the White race is evidenced by any museum you choose to visit or any honest history you may choose to review---written of course by only working and frugal Whites engaged in such monumental tasks. Japheth is superior to both Shem and Ham, as well said by Brother Henry Halley in his Bible Handbook (p. 74) now censored by Masonic Billy Graham's Jesuit-ruled organization. The Lord chose to reveal his beloved Son in a White language---the most definitive language ever written--- koine Greek. He then put His Word into another White language that would be taken to the ends of the earth---English---from which most other foreign language Bibles would proceed.

Is it not true that the greatest servants of the Lord are and have been White, to the exclusion of a few racial Jews? Have we not been the means by which the Lord broke the spiritual and political power of the Pope, that mass-murderer of the Dark Ages? Did not the Lord use his White race (in contradistinction to his other two races) to bring the world into the Modern Era with the Reformation and the military victory ending the Black Pope's Thirty Years' War in 1648? Can you name One of the Lord's Black or Oriental believers who wrote a systematic theology, a concordance, an extensive bible dictionary, a voluminous history or even a symphony in praise to His holy name? (Indeed, White men can't jump, but we sure can build computers!) Can you name one Black or Oriental evangelistic ministry that funds itself and takes the gospel to the ends of the earth? Have you ever seen a Black bus ministry into the pagan White areas of town---and there are

many pagan Whites needing the gospel---in your extensive ministry? Have you ever seen Blacks adopt White children or send support for a White "Habitat for Humanity?" Indeed, the progress of Black or Oriental nations is due to White technology developed in historic White Protestant nations with freedom of conscience, speech and press. Blacks and Orientals who excel in any profession have been trained by Whites or Jews somewhere along the line. And the greatest cultural blessing to the Lord's racially Jewish people have been in historic White Protestant nations of Western Civilization---so hated by the Jesuits. Did not historic White Protestant peoples finance and back the establishment of the nation of Israel, it serving as a place of refuge for the Hebrews of the diaspora, though the nation's wicked government is ruled by the Pope of Rome? Destroy the Whites, the high English language and Protestantism, and you destroy the Reformation, dooming the Jews to the horrors of another Dark Ages under the Papacy---the White gentile Papacy!

By the same token, the Whites are the greatest servants of the Devil in fulfilling his "mystery of iniquity." Can you name one racially Black or Oriental Pope of Rome, or Black or Oriental Jesuit General? Was not the twentieth century ruled by evil White gentile bankers, White gentile politicians, and White gentile warlords---all of them subject to those wicked White devils in the Vatican? Was it not Jesuit-controlled, wicked White gentles---Stalin and Hitler---who worked together to murder the Protestant, Orthodox, and Jewish populations of their nations?

The greatest race---at present---is the White race; I want to preserve it against this filthy, amalgamated, miscegenated, africanized, mongrolized, female supremacist, black supremacist, Roman Catholic supremacist, Masonic supremacist, dying and doomed, popish "Holy Roman" Fourteenth Amendment American Empire of the USA. White supremacy is a truth that is fanatically hated by the Order's duplicitous and pernicious White "academia." The White race is the race the risen Son of God has used most extensively in accomplishing his Great Commission, bringing in "the fulness of the gentiles." Contrarywise, the White race is the race the Devil has chose to fulfill his "mystery of iniquity," evidenced by the multitude of Whites (and a few papalized Hebrews) now serving the papacy and running North America into moral, financial, political and spiritual destruction.

Brother, we need to defend our race, our language, our history and our American Protestant and Baptist-Calvinist heritage from the incessant attacks advanced from all quarters. Only then will we be respected once again for what the Lord has accomplished through His White gentile Japhethites.

Lest we Whites become wise in our own conceits, I must remember, "To whom much is given, much is required."

Thanks again, Bro. Eric, for your response.

Bro. xxxxx

Sincerely in faith,

Brother Eric

Benedict XVI's Christmas Message

"By Knocking at Our Door, God Challenges Us and Our Freedom"

VATICAN CITY, DEC. 25, 2005 (Zenit.org).- Here is a translation of Benedict XVI's Christmas message delivered at midday before he imparted the blessing "urbi et orbi" (to the city of Rome and the world).

* * *

"I bring you good news of a great joy ... for to you is born this day in the city of David a Savior, who is Christ the Lord" (Luke 2:10-11).

Last night we heard once more the Angel's message to the shepherds, and we experienced anew the atmosphere of that holy night, Bethlehem Night, when the Son of God became man, was born in a lowly stable and dwelt among us. On this solemn day, the Angel's proclamation rings out once again, inviting us, the men and women of the third millennium, to welcome the Savior. May the people of today's world not hesitate to let him enter their homes, their cities, their nations, everywhere on earth!

In the millennium just past, and especially in the last centuries, immense progress was made in the areas of technology and science. Today we can dispose of vast material resources. But the men and women in our technological age risk becoming victims of

their own intellectual and technical achievements, ending up in spiritual barrenness and emptiness of heart. That is why it is so important for us to open our minds and hearts to the Birth of Christ, this event of salvation which can give new hope to the life of each human being.

Wake up, O man! For your sake God became man" (St. Augustine, "Sermo," 185).

Wake up, O men and women of the third millennium! At Christmas, the Almighty becomes a child and asks for our help and protection. His way of showing that he is God challenges our way of being human. By knocking at our door, he challenges us and our freedom; he calls us to examine how we understand and live our lives.

The modern age is often seen as an awakening of reason from its slumbers, humanity's enlightenment after an age of darkness. Yet without the light of Christ, the light of reason is not sufficient to enlighten humanity and the world. For this reason, the words of the Christmas Gospel: "the true Light that enlightens every man was coming into this world" (John 1:9) resound now more than ever as a proclamation of salvation. "It is only in the mystery of the Word made flesh that the mystery of humanity truly becomes clear" ("Gaudium et Spes," No. 22). The Church does not tire of repeating this message of hope reaffirmed by the Second Vatican Council, which concluded 40 years ago.

Men and women of today, humanity come of age yet often still so frail in mind and will, let the Child of Bethlehem take you by the hand! Do not fear; put your trust in him! **The life-giving power of his light is an incentive for building a new world order based on just ethical and economic relationships.** May his love guide every people on earth and strengthen their common consciousness of being a "family" called to foster relationships of trust and mutual support. A united humanity will be able to confront the many troubling problems of the present time: from the menace of terrorism to the humiliating poverty in which millions of human beings live, from the proliferation of weapons to the pandemics and the environmental destruction which threatens the future of our planet.

May the God who became man out of love for humanity strengthen all those in Africa who work for peace, integral development and the prevention of fratricidal conflicts, for the consolidation of the present, still fragile political transitions, and the protection of the most elementary rights of those experiencing tragic humanitarian crises, such as those in Darfur and in other regions of central Africa. May he lead the peoples of Latin America to live in peace and harmony. May he grant courage to people of good will in the Holy Land, in Iraq, in Lebanon, where signs of hope, which are not lacking, need to be confirmed by actions inspired by fairness and wisdom; may he favor the process of dialogue on the Korean peninsula and elsewhere in the countries of Asia, so that, by the settlement of dangerous disputes, consistent and peaceful conclusions can be reached in a spirit of friendship, conclusions which their peoples expectantly await.

At Christmas we contemplate God made man, divine glory hidden beneath the poverty of a Child wrapped in swaddling clothes and laid in a manger; the Creator of the Universe reduced to the helplessness of an infant. Once we accept this paradox, we discover the Truth that sets us free and the Love that transforms our lives. On Bethlehem Night, the Redeemer becomes one of us, our companion along the

precarious paths of history. Let us take the hand which he stretches out to us: It is a hand which seeks to take nothing from us, but only to give.

With the shepherds let us enter the stable of Bethlehem beneath the loving gaze of Mary, the silent witness of his miraculous birth. May she help us to experience the happiness of Christmas, may she teach us how to treasure in our hearts the mystery of God who for our sake became man; and may she help us to bear witness in our world to his truth, his love and his peace.

Dear Friends,

John C. Gannon is a Jesuit Temporal Coadjutor and a major player in controlling the Order's Department of Homeland Security. Any further info on the Jesuit connection with the Dept of "Romeland" Security would be much appreciated.

I would imagine also the Gannon is a Knight of Malta.

What You Didn't Know About the Popes of Rome

by Mark Owen

[LINK](#)

On the evening of Saturday April 2, 2005, after receiving the Rite of Extreme Unction, Pope John Paul II passed away. At this time his chamberlain would have gone to the papal hospital bed and asked the Bishop of Rome a question, "Are you dead?" There would be no reply from the Pope.

The chamberlain would then pick up a silver hammer and strike the Pope on the head and repeat his question, "Are you dead?" Again there would be no reply. The chamberlain would then thrice call out the Pope's baptismal name. He would then declare the Pope to be dead.

This is the way the Church has determined papal deaths for centuries. This is the way of the world's oldest monarchy.

Since 1763 the august Almanach de Gotha has been the ultimate authority on the royal houses of Europe. Listed under "Reigning Sovereign Houses" is the Holy See. Therein is stated, "...the incumbent of the Holy See is considered by Christian sovereign families as the 'Father of the Family of Kings,' [and] his Holiness represents the OLDEST MONARCHY on earth."

The triple sovereignty of the Pope's Person, Holy See & Vatican City - is distinct in fact and in law. Internationally, he is not subject to any authority on earth. His Cardinals are considered to be Princes of the Church and peers of the sons of reigning monarchs.

Each diocese is considered to be a royal fiefdom. The word "diocese" originally signified an administrative unit devised by the Emperor Diocletian, a tyrant noted for his persecution of Christians.

Following are brief sketches of some of the more interesting holders of the title "Vicar of Christ" (it should be noted that the Latin equivalent of the Greek "anti" is "vicarius," from whence is derived the word "vicar").

Without a doubt, there was one Pope who was completely mad. In 896 Stephen VII set in motion the trial of his rival, the late Pope Formosus who had been dead for 9 months at the time. Formosus' corpse was dragged from its tomb and arrayed on a throne in the council chamber. The corpse, wrapped in a hair shirt, was provided with council, who wisely remained silent while Pope Stephen raved and screamed at it.

The crime of Formosus was that he had crowned emperor one of the numerous illegitimate heirs of Charlemagne after first having performed the same office for a candidate favored by Stephen. After Stephen's rant, the corpse was stripped of its clothes and its fingers were chopped off. It was then dragged through the palace and hurled from a balcony to a howling mob below who threw it into the Tiber. The body was later rescued by people sympathetic to Formosus and given a quiet burial. Stephen was strangled to death a few years later.

In 964, Pope Benedict V raped a young girl and absconded to Constantinople with the papal treasury only to reappear when the money ran out. Church historian Gerbert called Benedict "the most iniquitous of all the monsters of ungodliness." The pontiff was eventually slain by a jealous husband. His corpse, bearing a hundred dagger wounds, was dragged through the streets before being tossed into a cesspit.

In October 1032 the papal miter was purchased for the 11-year old Benedict IX. Upon reaching his 14th year, a chronicler wrote that Benedict had already surpassed in wantonness and profligacy all who had preceded him. He often had to leave Rome in a hurry.

Gregory VII was a master forger, surpassing even the great fraud known as the "Donation of Constantine," the document that created the Papal States. Gregory had an entire school of forgers turning out document after document bearing the papal seal of approval. These documents were later systematized in the mid-1100s in Bologna by Gratian, a Benedictine monk. He called his work the Decretum, or Code of Canon Law. It was peppered throughout with several centuries of forgeries along with Gratian's own fictional additions. Gregory also formalized the celibacy doctrine in order to curtail the many gifts of church lands being given away to all of the illegitimate children of priests and bishops. According to Catholic historian Peter de Rosa in his book *Vicars of Christ*:

"Popes had mistresses as young as fifteen years of age, were guilty of incest and

sexual perversions of every sort, had innumerable children, were murdered in the very act of adultery. In the old Catholic phrase, why be holier than the Pope?"

Another interesting figure was Alexander VI (formerly Rodrigo Borgia). He reigned from 1492-1503. Alexander committed his first murder at the age of 12. Upon assuming the Papal miter he cried, "I am Pope, Vicar of Christ!" In his *Decline and Fall* Gibbon referred to Alexander as the Tiberius of Rome. Like his predecessor Innocent VIII, Alexander sired many children, baptized them personally and officiated at their weddings in the Vatican. He had ten known illegitimate children (including the notorious Cesare and Lucrezia), by his favorite mistress Vannozza Catanei. When she faded, Borgia took the 15-year old Giulia Farnese. Farnese obtained a Cardinal's red hat for her brother who later became Paul III.

Alexander was followed by Julius II who purchased the papacy with his own private fortune. He didn't even pretend to be a Christian. A notorious womanizer who sired any number of bastards, Julius was so eaten away with syphilis that he couldn't even expose his foot to be kissed.

Under Leo X (1513-21), who cursed and excommunicated Martin Luther, specific prices were enumerated by the Roman Chancery for every imaginable crime. For instance, a deacon accused of murder could be absolved for 20 crowns. Once pardoned, he could not be prosecuted by civil authorities. Two hundred years earlier, John XXII had done much the same thing, setting prices for crimes ranging from incest to sodomy.

During his pontificate Innocent VIII (1484-92) granted a 20-year Butterbriefe indulgence to persons who met his price. For a sum, one could purchase the privilege of eating favorite dishes during Lent. Leo X (Giovanni de Medici) commissioned the Dominican friar Tetzl to sell indulgences which released one from purgatory. Tetzl's famous refrain went, "As soon as the coin in the coffer rings, a soul from purgatory springs!"

Pope Sixtus IV charged Roman brothels a Church tax. According to historian Will Durant, in 1490 there were 6800 registered prostitutes in Rome. Pius II declared that Rome was the only city run by bastards (the sons of Popes and Cardinals).

The iniquity of the various Popes has filled many books, and one has to wonder if the Church has been cursed from the very beginning. After all, Constantine leveled the Stadium of Caligula and the Temple of Apollo and used the stones and marble from them to erect the original basilica of Peter. Could he have been engaging in an act of sympathetic magic, as some have alleged? Constantine's choice of building materials might account for the observation made in Rome by Martin Luther centuries later who declared, "If there is a Hell, Rome is built over it. It is an abyss from whence issues every kind of sin."

Very brief mention should be made of the staggering scale of the Inquisition. In his

History of the Inquisition, Canon Llorente, who was Secretary of the Inquisition in Madrid from 1790-92 estimated the number of condemned in Spain alone to have exceeded 3 million, with 300,000 burned at the stake. A Catholic historian comments on the events leading up to the suppression of the Spanish Inquisition:

"When Napoleon conquered Spain in 1808, a Polish officer in his army, Col. Lemalouski, reported that the Dominicans (in charge of the Inquisition) blockaded themselves in their monastery in Madrid. When Lemalouski's troops forced an entry, the inquisitors denied the existence of any torture chambers. The soldiers searched the monastery and discovered them under the floors. The chambers were full of prisoners, all naked, many insane. The French troops, used to cruelty and blood, could not stomach the sight. They emptied the torture chambers, laid gunpowder to the monastery and blew the place up..."

Rome was truly drunk with the Martyr's blood.

And the Papacy isn't faring much better in our modern age, and would appear to be in serious decline, if not in outright defeat.

In November 2000 Italian headlines screamed, "Devil Defeats Pope!" when *Il Messaggero* reported that the Pope had been confronted by a teenage girl in the Vatican who screamed insults in a cavernous voice during an audience. John Paul attempted an exorcism but his ministrations had no effect on the girl.

Devils in the Vatican would come as no surprise to Msgr. Luigi Marinelli. His book *Gone With the Wind at the Vatican* fairly flew off the shelves in Italy, revealing as it did stories of money-laundering prelates, sex abuse and Satanic rituals performed within the walls of the Holy See.

Marinelli's comments echo those of the late Fr. Malachi Martin, a former Jesuit and exorcist, whose 1990 book *The Keys of this Blood* contains the following disturbing information:

"Most frighteningly for John Paul, he had come up against the irremovable presence of a malign strength in his own Vatican and in certain bishop's chanceries. It was what knowledgeable Churchmen called the 'superforce.' Rumors, difficult to verify, tied its installation to the beginning of Paul VI's reign in 1963. Indeed, Paul had alluded somberly to 'the smoke of Satan which has entered the Sanctuary,' an oblique reference to an enthronement ceremony performed by Satanists in the Vatican. Besides, the incidence of Satanic pedophilia 'rites and practices' was already documented among certain bishops and priests as widely dispersed as Turin in Italy and South Carolina in the United States. The cultic acts of Satanic pedophilia are considered by professionals to be the culmination of the Fallen Archangel's rites."

Adding fuel to the fire is ex-Jesuit Robert Kaiser with his recent book *Clerical Error*. Kaiser states that Malachi Martin was something of a confabulist who lived for 30 years as a kept man under the roof of Manhattan socialite Kikia Livanos, the ex-wife of Greek shipping magnate Stavros Niarchos. Kaiser goes on to say that Martin also stole his wife Mary from him at one point in the 60s when all three were quartered in Rome. Kaiser also surmises that Martin may have been a paid lobbyist for the American Jewish Committee.

In his new book *Glimpses of the Devil*, psychiatrist M. Scott Peck weighs in with many interesting comments on possession and exorcism. He also declares Martin to have been most scrupulous in his histories of the exorcisms recounted in *Hostage to the Devil*. However, according to Peck, although a formidable scholar and gifted polyglot (17 languages), Martin could by turns be a "pathological liar" and a "leprechaun." Needless to say, the jury is still out on the legacy of Malachi Martin.

On the other hand, the verdict on the pederasty that is endemic to the Roman priesthood, is in. The Church paid out more than \$1 billion in claims to victims of sex abuse by clergy in the 1990s alone. And the American branch offers a very disturbing treatment method to offenders. One startling example should suffice:

Fr. Jay Mullin was accused of molesting a boy more than 20 years ago in Boston. Then Cardinal Bernard Law commanded Mullin to be evaluated at St. Luke's Institute. The Institute is a Washington clinic that was profiled in a *Boston Globe* article of February 24, 2002:

"...Mullin was flown south in 1992 to a clinic outside Washington, D.C. The church-run clinic had a huge collection of child pornography of varying degrees, which ranged from soft porn to hardcore S&M images, all featuring pre-teen boys and girls..."

This would have to rate as the most devilish form of aversion therapy ever known. It would be akin to treating alcoholics with copious quantities of vintage wine or bombarding junkies with free packets of China White heroin. Truly degenerate and depraved lunatics were running the asylum known as St. Lukes.

Notwithstanding the scandal and shock of the aforementioned, Rome carries on quietly with her program of world dominion, leading the competition to establish the first one-world system that has ever existed. Their ultimate goal is global religious syncretism, and to eventually wield control and authority over every individual on earth. The human solidarity goals of the Roman Church are identical to the goals and objectives of the United Nations. This is why they are such a perfect fit. Rome only gives the appearance of objecting to the UN agenda. At the 1996 World Food Summit in Rome Cardinal Angelo Sodana pledged the Holy See's support for the UNs humanistic "Programs of Action."

Rome also has designs on Jerusalem.

For 46 years after Israel's rebirth the Vatican refused to acknowledge Israel's right to exist. But Rome wants to exert premier influence over Jerusalem, which will one day function as the capital of her World Church.

In a 1993 letter to the Pope, Shimon Peres promised to internationalize Jerusalem, granting the UN political control of the Old City and the Vatican hegemony over the holy sites within. This was confirmed by the Italian newspaper La Stampa. In March 1995 the Israeli radio station Arutz Sheva was leaked a cable from the Israeli Embassy in Rome, confirming the hand over of Jerusalem to the Vatican.

The future Pope will establish his throne one day within the walls of the rebuilt Temple in Jerusalem. It is from here that he will rule his World Church.

And this day may not be as far off as many believe. The cornerstones for the Third Temple have already been quarried by the Jewish group known as the Temple Mount Faithful. They are extremely well financed and organized. They have also produced priestly vestments in accordance with scriptural outlines and are presently attempting to breed a perfect red heifer in anticipation of the coming dedication ceremonies. Obviously, Rome and the Temple Mount Faithful are headed for a showdown.

In a letter sent to the Vatican in January 2004, the TMF demanded that Pope John Paul return the Temple Menorah and other vessels and treasures removed in 70AD by Titus and taken to Rome, where they are presently held within the Secret Vatican Archives.

I've also noticed that at least a few of the popes are related to the Merovingian bloodline--a few are descended from Constantine.

For me, genealogy and history go hand-in-hand.

Who else has noticed that a lot of America's first settlers were descended from the royals? Yesterday I found out that a Nason ancestor, one of the first in Kittery, Maine, provided me with yet ANOTHER link to them through the Rogers line. So now I have three out of four great-grandparents on my mother's side that are descended that I know of. We're not sure about my grandmother's father...can't find a whole lot about that branch.

If some people's sources are to be believed, it's the same bloodline throughout history that's ruled. Supposedly--and I say "supposedly"--I'm descended from the pharaohs (that's if people's sources are accurate). It's like the pharaohs gave way to the Persians

who gave way to the Roman caesars--it's an east-to-west shift. Now we have King George II in the White House. Go figure.

Wow, I've gotten off topic here! :P

Guess what I'm trying to say is, it's the usual bunch. Same bloodline, different time and place. I would not be surprised if the current White Pope is of the same line...that's something I'm going to look into.

I'll let you all know if I find anything!

AVBibleBeliever - December 28, 2005 02:05 AM (GMT)

I have not heard from Brother Eric in awhile. I sent him a few posts but have not received any replies lately. I don't know if the emails I sent him are going through. I will send you the posts I sent him. God bless.

Brother Nicholas N. Rivera

Jesuit Jubilee 2006 and the American Reich

Dear Brother Eric,

<http://jesuit.org/sections/default.asp?SECTION_ID=192&SUBSECTION_ID=625>
The Company has laid out an elaborate celebration of Jesuit Luciferians Illuminatus/ Spanish Alumbrado and warlock Ignatius Loyola, Francis Xavier, and Peter Faber. The Order will mark three anniversaries. The 500th anniversary of the birth of Francis Xavier - born April 7, 1506, 500th anniversary of the birth of Peter Faber - born April 13, 1506, and the 450th anniversary of the death of Ignatius Loyola who died and received his degree of hellfire and damnation July 31, 1556. The jubilee year began Dec. 3 2005. The Order loves death and in honor of Luciferian Company founder Loyola and in conjunction with celebrations throughout all of the Jesuit military fortresses (colleges and universities and high schools) in the provinces of Jesuit's annexed (Un)Holy Roman American Empire the dualistic nature of the Order demands that the Jesuits especially the Professed of the Fourth Vow fulfill their extreme bloody oath while at the same time most of the low-level Jesuits will engage in beneficent activities which are ultimately used to seduce the poor, down-trodden, and disaster-struck (especially in Southwest Asia and New Orleans at this time) to convert to Romanism.

I believe the planned CFR nuclear detonations and/or biological releases overseen by the Black Pope's United Nations World Health Organization and the Centers for Disease Control may be carried out in 2006 during this Jesuit Jubilee. I remember what you said about the summer being the ideal time to carry this out and given the fact that

Luciferian Loyola died July 31 it would fit. The Nazis brought here through the Order's CIA Operation Paperclip which control Fourteenth Amendment America's allopathic pharmaceutical poison makers Bayer AG another name for I.G. Farben which sold Zyklon B in Poland through Karol Wojtyla (White Pope JPII) who joined the Romanist priesthood to escape being tried as the guilty war criminal he was. Pfizer, Bristol-Myer Squibb, Merck, Astra-Zeneca, GlaxoSmithKline, Eli Lilly etc. will be protected by this Jesuit-controlled government from being sued in the event people are sickened or killed by their mind-altering, biologically damaging drugs. The fascist New Right headed by select Masonic and Roman Catholics voted in favor of having the government provide nonexistent financial compensation from an empty fund and the Jesuits' Big Pharma will be untouchable once the man-made biological agents Avian flu and Edward Cardinal Egan's CFR orchestrated multiple nuclear detonations are triggered.

The Order's Patriot Act secretly masterminded by the Jesuits of Georgetown, and openly credited to Jesuit Temporal Coadjutor Georgetown Law School prof Viet Dinh and current head of Fourteenth Amendment America's SS the Office of Homeland (equivalent of Fatherland in German) Security Michael Chertoff will be used to further centralize power in Rome on the Potomac once the Hegelian Dialectic is unleashed upon Post-Reformation America as it was on September 11, 2001. The Order's CFR and the American Intelligence Community commanded by the Archbishop of New York will then justify an expansion of its Papal crusade and Jesuit-controlled reconstruction in the Middle East to Iran and Syria. The fascist American Empire's Vatican war machine fueled by the military-industrial complex controlled by Roman Catholics many of whom are Knights of Malta especially Frank C. Carlucci chairman of the Carlyle Group and Advisory Board member of the RAND Center for Middle East Public Policy <http://www.rand.org/nsrd/cmep/abou/advisory.html> (he benefits whether there is war or peace) and high-level Freemasons will further benefit from the created war.

CFR member Grover Norquist is behind the national/domestic pro-Muslim agenda. He is the chairman of the Islamic Institute which he also founded and he has reached out to the Council on American-Islamic Relations which is according to Wikipedia http://en.wikipedia.org/wiki/Council_on_Am...lamic_Relations "funded in a significant part by Middle Eastern sources such as the Al Maktoum Foundation, which is headed by the crown prince of Dubai and which owns the deed to CAIR's headquarters in Washington, D.C. and Saudi Prince Al-Waleed bin Talal (who recently donated to the Jesuit Georgetown School of Foreign Service and Jesuit-controlled Harvard, invested in the Carlyle Group, <http://www.redherring.com/Article.aspx?a=6...rlyle's+Way> (note the name of the howitzer-the Crusader)

<http://www.mindfully.org/Reform/2004/Carly...p-ExposedHI.htm>

http://en.wikipedia.org/wiki/Al-Waleed_bin_Talal

bin Talal donated to the George Herbert Walker Bush Scholarship Fund and donated \$500,000 to CAIR to support a program that sends pro-Islam books and tapes to public libraries in the United States. Grover Norquist Luciferian dictator George W. Bush's tax

policy which coupled with the Papal crusade has left Fourteenth Amendment America in economic ruin. Norquist said the Republican Party should go after the Muslim vote because "American Jews never vote Republican in large enough numbers to make a difference in elections." http://en.wikipedia.org/wiki/Grover_Norquist

Norquist appears to advocate things such as ending the IRS, pro-gun ownership (Norquist is on the NRA Board of Directors) etc. that Bible believers would agree with which is why this fascist is so dangerous. According to Citizen Soldier.org "Grover Norquist, whom most conservatives know as Executive Director of the College Republicans, boardmember of the NRA, and head of Americans for Tax Reform, has been exposed as helping Muslim groups and individuals who finance and support Islamic terrorism gain access to the Bush White House. Norquist has also been exposed as the founder of the Islamic Institute, a group believed to be funded by foreign governments, Wahhab [Wahhabi] Islam elements in Saudi Arabia, and U.S. Muslim groups recently raided by a special Treasury Department task force for funding Al Qaeda and Palestinian terrorists." <http://www.citizensoldier.org/norquist.html>

The pieces of the puzzle fit perfectly. We have CFR Norquist has been credited in a "conservative" magazine as the man who reelected George W. Bush (meaning the CFR re-selected him) supporting Wahhabism as well as Wahhabic Islamic Masonic Saudi Prince Al-Waleed bin Talal who gave money to his Georgetown Jesuit masters. I took an Islamic Tradition course past fall semester and the information I gained from the class only further confirmed what I had already knew about Islam. It is a daughter of the Roman whore. It is steeped in Romanism. Islam believes in apparitions-in the imaginal world-which is said to be more real than the actual world which leads me to believe that the Papal Antichrist and his Black Pope have a deceptive satanic vision of Fatima planned for the Muslim peoples after this crusade ends. Fatima was Muhammad's daughter one of many for Muhammad was a polygamist and pedophile. The Shi'as view her as sacred because they claim she was the only daughter of Muhammad. According to Wikipedia "Shi'as regard Fatima as the greatest woman who has ever lived, the leader of all women in Paradise, and the pattern of female virtue. She was the wife of the first Shi'a Imam, the mother of the second and third, and the ancestress of all the succeeding Imams." http://en.wikipedia.org/wiki/Fatima_Zahra (note Fatima is called the Lady of Light and the Lady of Paradise (sounds similar to Queen of Heaven which is a title of Semiramis/the Mary of Romanism) among other things.

The Sufis (mystics) especially of the intoxicated or drunken variety believe in ecstatic speech and an altered state of consciousness are to Islam what the Jesuits are to Romanism. Muhammad engaged in Tahannuth, a series of spiritual exercises in the cave of Hira (similar to Ignatius Loyola in a cave near Manresa, Catalonia) before Roman Catholic Khadijah's cousin Roman Catholic warlock and conjurer Waraqa orchestrated Muhammad's satanic visions. Muhammad was terrified because he believed he was going mad since he saw a jinn but his Romanist wife and her cousin assured him that there was nothing evil about them. "Fatima (also sometimes spelled

Fatimah) then was the child of Mohammed through his first wife Khadijah. Khadijah and her Jewish Christian (really Romanist) cousin Waraqah bin Nawfal were instrumental in manipulating the impressionable Mohammed, just as many centuries later the Jesuit Father Staempfle was instrumental in manipulating the impressionable Hitler. Hitler and Mohammed were remarkably similar in character." <<http://www.puritans.net/news/romemuslimleague2021203.htm>>

According to Victor Bissett, <<http://membres.lycos.fr/cdm/index2.htm>> Arabia had a surprisingly large number of Christians prior to and around Muhammad's time. Though the bedouin of the Hijaz region were pagan, many tribes of Arabia had accepted some form of Christianity. Even two tribes of the Hijaz were Christian. The tradition says that Muhammad wore long gowns given to him by desert monks there. While Muhammad was a youth, even King Nu'man of Hira converted to Christianity.

Remember that after his initial revelations, Muhammad did not know whether he had become a poet or possessed, or the both at once, a state greatly feared by Arabs at the time. Khadija went, apparently with Muhammad, to see her cousin Waraqa Ibn Naufal, an old man "who knew the Scriptures of the Jews and Christians." He had even written down the Gospels "in Hebrew". Waraqa saw in the revelation the same sort of manifestation as at the Burning Bush. Waraqa's word to Khadija was: "So he will assuredly be the prophet to his own people. Tell him so and have him stand firm" (Al-Tabari). It is worth noting the precise wording of Waraqa's understanding, because Waraqa remained a Christian all his life. We can note at this point that Khadija had another Christian cousin Uthman ibn Al-Huwayrith who became a Christian at the Byzantine court.

Brother, I have an idea for a book I believe the Lord has laid on my heart to write and it is an urgent call to write it before this nation gets a taste of the Dark Ages. The time is short The book would be titled "American Reich: The Nazification and Fall of the Post-Reformation American Empire and I will go into detail in my next post about my thesis. In a nutshell, my thesis is that after the United States of America experienced a war within-the American War between the States/Civil War it became an empire shortly after and got involved in its first foreign war with Theodore Rex Roosevelt against Spain which had expelled Jesuits. The Order used its new American Empire to punish her. Throughout the 20th century the American Empire has been in a war without with military installations throughout the world being a socialist-communist in denial. Since World War II, the American Empire remained socialist-communist but has gradually

moved toward fascism and since the Vietnam War (Spelly's War) it has been officially fascist. Since the destruction of the Democratic Party courtesy of Jesuit Robert F, Drinan with his abortion agitation which prepared the way for the Order's Religious Right led by SMOM and Freemasonry and Jesuit Temporal Coadjutor and DeMolay Freemason William Jefferson Clinton (I suspect Clinton is an undercover Jesuit) who stained the Democratic Party through his adultery (I believe this was orchestrated to give the New Right Republican Party the moral high ground and its phony faith and values platform) Clinton's impeachment hearings were coordinated and led by CFR members like Madeleine Albright (now a Georgetown prof) high-level Freemasons like Arlen Specter and Jesuit-trained Senators and Representative like Rep. Henry Hyde (R-Illinois) who chaired the proceedings. Jesuit Drinan in 1998, testified before Congress in opposition to President Bill Clinton's impeachment. He stated that impeaching President Clinton would harm the nation, as the country would be "paralyzed for some six months... This nation has a right to demand that an impeachment effort with no bipartisan support whatsoever should be reconsidered and postponed." <<http://www.fed-soc.org/Publications/barwatchbulletin/barwatchjuly2004.htm>>

With this humiliating and devastating blow to the Democratic Party, the Order destroyed it so this nation would have one party in power-the Republican Party and its Religious Right which has done more to further the Order's dream of "blessed despotism" which that traitor honorary 32nd Degree Freemason and Knight of Malta Ronald Wilson Reagan fulfilled the prerequisite to usher it in by reestablishing diplomatic ties with the (Un)Holy See-the Vatican since the U.S. severed them after the Jesuit assassination of Abraham Lincoln masterminded by Jesuit Bernardine Wiget and John Surratt. Reagan who is known as the first "Christian" right president was not a Christian at all but an unsaved Protestant. He took his oath of office twice one day he took it facing the Masonic Washington Monument, a symbol of Baal worship and another day designated by his and his wife's astrologer. Reagan's father Jack was a Roman Catholic and his mother was a Campbellite (Disciple of Christ better known as Church of Christ) meaning she believed in the heresy of baptismal regeneration. Ronald was baptized in his mother's church at age 10. Reagan was an unregenerate and wicked man. He never went to a church during his terms. His specific beliefs were left to speculation. He had the most Roman Catholic administration in the history of the U.S. presidency. This is evidenced by his Cabinet especially. <http://en.wikipedia.org/wiki/>

[Image:1981_US_Cabinet.jpg](#)

http://en.wikipedia.org/wiki/Ronald_Reagan

We know the effeminate, phony, fake, pro-freewill, anti-election/predestination professing "Christianity" which embraces the Roman leaven of ecumenicism and Jesuit heresy of Arminianism is popular. It is not Biblical Christianity because the government is growing increasingly evil. If it were Biblical there would be no Office of Homeland Security, Iraq war, etc. because the nation would be protected and blessed but it is under the judgment of God and the sentence will soon be carried out (I believe we are already seeing it). Jesuitical futurism popularized by Freemason Tim LaHaye and ecumenical Jerry B. Jenkins perversion Left Behind (which hides the identity of

Antichrist which is the Pope and the office of the Papacy), The Purpose Driven Life, The Prayer of Jabez, all of the televangelists all of which are ecumenical, many of whom are Charismatics and/or Freemasons, the contemporary "Christian" music, the images of the Christ of Romanism from art and the Jesuit theater dwell in the minds of Romanists, Protestants and dare I say even Bible believers alike. It is imperative that we be iconoclasts and that we ask the Lord to tear down the pictures in our minds, hearts, homes, and churches through prayer and Bible study. We ought to shun any "religious" images and symbols like crosses, fish car magnets (which symbolize Dagon not Jesus Christ), WWJD? all of the silly fads designed to make merchandise of the saints, movies put out by Hellywood like the Poison of the Antichrist and any film that claims to be about the Jesus Christ of the Bible-we don't need pictures or images we have the Book with the words of living God that present the plan of the ages without images or pictures. All of these fads and images of Arminian ecumenical pro-Jesuit pop-"Christianity" are tools of the devil to steal and choke the seed of the word of God in our hearts. The object of this pop-Christianity is to focus on things-symbols instead of the word of God and hiding it in our hearts. This counterfeit knows nothing of dying to the world and being alive unto God, decreasing while the Lord increases, Yea and all that will live godly in Christ Jesus shall suffer persecution. For thy sake we are killed all the day long, we are accounted as sheep for the slaughter. I am crucified with Christ nevertheless I live yet not I but Christ liveth in me and the life which I now live in the flesh I live by the faith of the Son of God who loved me and gave himself for me. May the Lord bless you dear brother.

Title: Christ-Mass exposed

Description: *Jesuits support this "holiday"*

TruthSeeker24 - December 2, 2005 01:57 PM (GMT)

From http://www.libertytothecaptives.net/Christ_Mass.html

Christ-Mass: Your Gift to God is Intercessory Prayer

Christmas, as precious the childhood memories it holds for so many Christians (including me), is not a true Christian holiday and is not of God. At the end of this article are links to some writings that explain the origins of Christmas and also the biblical reasons why a Christian must not partake of this custom that the world loves.

The main purpose for this article is to exhort you to intercede at this time of year because Christmas, like Halloween, is a time of human sacrifice. I remember how shocked I was to learn that on midnight, Christmas Eve, human sacrifices are performed. They are also performed at midnight on the Winter Solstice—December 21st (A major satanic high day), on the full moon—December 15th, and on New Year's Eve.

Christmas means the mass of Christ: Christ Mass. "In essence, the Mass is the ceremonial slaying of Jesus Christ over and over again, followed by the eating of his flesh and the drinking of his blood. The Mass is the death sacrifice, and the 'Host' is the victim." Satanists know that the celebration of Christmas originated with their master and not from the Lord Most High. They sacrifice infant boys on altars all over the world at midnight, Christmas Eve while most Christians make merry— oblivious to this heinous evil.

Where does the Bible instruct followers of the Lord Jesus Christ to commemorate His

birth? It doesn't. Then how can we convince ourselves that we are worshipping God in spirit and in truth (Jhn 4:24) when we are purposely deviating from God's Word on this particular matter?

Satan tempts Christians, who God commands to walk as children of light (Eph. 5:8), to join in the festivities of this blasphemous "mass of Christ" right along with his children of darkness. He knows that those who are making merry along with the world are in no position to counteract worldwide human sacrifice. Satan inspires his human workers to concoct compelling arguments in an attempt to persuade Christians to rationalize away the sin of indulging in Christmas festivities. Christians who give place to the devil by engaging in this thinly-disguised pagan celebration will not be able to spiritually stand against him in prayer for the babies who are being slaughtered.

Satan knows that the more Christians pray against human sacrifice, the less power he is able to give his servants to further his plans in the world. These plans include the implementation of global government—which requires an enormous amount of demonic cooperation.

The prayers and fastings of the saints is a truly powerful offensive weapon that effectively hinders the cooperative effort between Satan's human workers and his demons.

Satan sends infiltrators into seminaries and Bible schools to control the content of the teaching. The phony Christian professors use clever arguments in an attempt to neutralize the men God has called to be pastors. In the guise of giving more glory to God they downplay Satan's capabilities and what he is presently doing through his agents in this world. The most important part of Satan's neutralize-the-pastor campaign is to prevent men of God from learning what godly Christians can do to combat the devil in his efforts to accomplish his evil purposes in the world. Most pastors have been taught that the Christian's role in spiritual warfare is strictly defensive. It is easy to see where that anti-biblical doctrine came from.

Satanist infiltrators put up a huge fuss if the pastor mentions Satan's devices and how to effectively combat him. They use the same old tired line of, "If you talk about Satan, you glorify him." These pseudo-Christian imposters want the pastor to teach his people to "ignore the devil, and he will flee from you." This notion is obviously false, but pastors can be intimidated by big-giver wolves that pose as sheep. As a result, most do not teach their people about Satan and his incredibly destructive devices.

God's word commands Christians to not be ignorant of Satan's devices, and human sacrifice is one of his main devices! God commands us to stand against the wiles of the devil! We cannot do this if we are participating in what God commands us to stand against. Examples of this are participating in the very holidays in which Satan requires his followers to shed blood in ritual human sacrifice: Halloween, Christmas, Easter and

New Year's Eve.

How do you pray against Satan in regard to human sacrifice? You use the guidelines of the Bible like you do for all prayer. You must pray the way Jesus instructed his disciples to pray: " If ye abide in me, and my words abide in you, ye shall ask what ye will, and it shall be done unto you." John 15:7

Ask our Heavenly Father in Jesus' name to send people to rescue the infant boys and anyone else being held for sacrifice on the Winter Solstice, Christmas, or New Year's Eve. Ask our Heavenly Father to cause some satanists to rescue the intended victims themselves (this has happened!) and to escape the coven unharmed and to become Christians themselves. Ask the Lord to bring glory to Himself by delivering these innocents from horrendous, torturous, slaughter and ask him to return them to their proper homes and to save their parents and siblings. Pray that God's mercy would be great upon those women who have given birth to babies for the purpose of being sacrificed. Ask Him to save their souls along with their babies.

Ask God to show you, through the leading of the Holy Spirit, how to pray. God may show you more specific ways to pray than I have suggested here. The most important thing is to pray in faith. If we ask anything according to his will, he will do it. It is God's will that Satan not get glory to himself through the executions of baby boys in blasphemous mockery of the Lord Jesus Christ. Praying that Satan not receive these deaths to his own glory is a prayer we know is the will of God. Therefore we know He will grant our petition.

Christian, if you pray according to God's will, and do not hold iniquity your heart, He will answer! God always answers prayers that He inspires. He has a heart of compassion for dear babies (and adults too) that are ritually sacrificed and he definitely does deliver people from human sacrifice in answer to believing prayer.

The Lord confirmed to my husband that Satan has lost many of his sacrifice victims because God has heard the prayers of the saints and delivered those people! That is a precious comfort to me and a wonderful testimony to the kind of God we serve. His mercy is astoundingly beautiful to me. We cannot find those people bound and awaiting sacrifice, but God knows exactly where they are, and He has all power at his disposal to effect their deliverance. Nothing is too hard for Him. . . but He does work through the prayers of his saints. He does not arbitrarily interfere in the plans of the god of this world unless the children of light petition Him with prayers and fastings.

If Christians—who are the only people on the face of the earth who are qualified to stand against the powers of darkness—do not pray against the ritual murders performed at midnight, Christmas Eve, then they are aiding Satan in his quest for human sacrifice by their sin of disobeying God's command to stand in the evil day:

Wherefore take unto you the whole armour of God, that ye may be able to withstand in the evil day, and having done all, to stand. Eph. 6:13

May God richly bless those of you who are willing to cast off feasting and merriment, laughter and frivolity, and be co-laborers together with Christ, entering into much-needed intercession for the people Satan's followers intend to brutally defile and kill.

To God be the glory, great things he hath done. . . and will continue to do in answer to the prayers of his people.

Sincerely,

Gary and Lisa Ruby

Amen.

A year ago I'd left a Baptist church for two reasons: The pastor is a major Bushbot, and Xmas.

The pastor would speak a bit against Catholicism, yet not say a word about Christians observing what's essentially a Catholic holiday.

I had a talk with him about the Xmas issue. His reply was, "So you're right and everyone else is wrong?" :blink:

I told him that I was going by the Bible. I can't remember whether or not I indicated the

verse that says to let God be true and every man a liar.

Sorry, but I can't go to a church where the pastor is right and that's all there is to it. What about being like the Bereans?

My husband and I do not observe Xmas or Easter. Our son will not be told the Santa Claus lie--at least not by us. I get some pretty weird looks at the store, for example, when a cashier asks my son (who will be 4 on the 16th) if Santa's going to bring him anything. I tell him, "Say 'no,' Tyler!"

I guess telling the truth is a pretty radical idea there! Reminds me of George Orwell's quote, about in a time of deceit, telling the truth being revolutionary.

AVBibleBeliever - December 5, 2005 06:28 AM (GMT)

I agree with you Sis. Alexandra that this contradictory approach is found in almost every church--almost every church is Arminian--this Roman leaven is everywhere. The Jesuit device of Arminianism is leading even Biblical churches to go ecumenical--celebrating Christ-Mass (X-Mass--it has everything to do with the Papal Antichrist) calling it Jesus' birthday and the resurrection of the Lord Jesus Christ Easter (Babylonian-Ishtar) is subtle ecumenicism--the result of Arminianism. <http://www.iconbusters.com/iconbusters/ppt..0Part%20One.ppt> <http://www.iconbusters.com/iconbusters/ppt..0Part%20Two.ppt>

Lately, I've become an isolationist like yourself sister because our Lord commands us to "Be ye separate." I really believe as the Jesuit-controlled government of this once great Bible-believing Protestant Republic tightens the noose (especially through faith-based initiatives) we will be forced to meet and worship in homes and underground. I am also concerned about the increased politicization (prostitution) of Independent Bible believing Baptist churches/congregations with the Jesuits' CFR controlled parties--I'm a member of one Independent Bible believing Baptist church at home and I've visited one on a few occasions near my college campus. The Bushbots and the acceptance of Romanist paganism like Christ-Mass, Easter (Ishtar) etc. betrays what the brethren--saints of the past were martyred for. They refused to compromise with Rome one iota--they were separatists. Never would they bow to the Papal Antichrist or his pagan Romanist calendar high days (called holidays), rituals, or an emperor like Fourteenth Amendment America's president.

Caesar (the government) of this country Fourteenth Amendment America is not Biblically Christian, Caesar has never been for the Body of Christ but we were commanded to Render unto Caesar what is Caesar and unto God what is God's and pray that Caesar will not hinder us from preaching the gospel of the grace of God. The problem is many today are rendering the wrong thing to Caesar. Caesar is not to be worshipped, praised, or hailed as fighting for God and in His name. The Lord God Almighty--the Lord Jesus Christ alone is to be worshipped, praised, and hailed as the one true King, the government shall be upon his shoulder (not George W. Bush, not the

GOP, or the Democratic Party, or any other party). People are growing impatient and there are Christians who want a king, an earthly king to represent God for them just like the Israelites did. George W. Bush does not represent God or God's will-Bush does the will of his father and the lusts of his father (Satan/Lucifer) he will do. Indeed, this Jesuit-controlled empire is Orwellian and we will be hated and persecuted for our doctrinally sound stand on the word of God. We will be falsely accused and labeled as terrorists for our love for God, his word, and the testimony of Jesus which is the spirit of prophecy. The government we are looking for does not lie with the New Religious (Romanist wrongly called Christian Right) Right Republican Party (which is full of the Luciferian SMOM, Freemasons, and occultists) or any other party or party leader but with the King of Kings and Lord of Lords Himself and His reign from Jerusalem for a thousand years. And of His kingdom there shall be no end. Maranatha. May the Lord bless you and sister Alexandra and all of the other sincere truth-seekers on the Unhived Mind.

Politics and political parties are the affairs of nations-
The Holy Spirit-the Author of the Book-said it best and definitively for all time when He inspired the prophet Isaiah to write "Behold, the nations are as a drop of a bucket, and are counted as the small dust of the balance: behold, he taketh up the isles as a very little thing." (Isaiah 40:15). One nation and only one nation is important to God-the nation of Israel which Yeshua Ha Mashiach shall restore and save. The Israelization of Fourteenth Amendment America is an insult and the work of the enemy. God told us how and what we should think about nations (including America) and governments which are governed by sinful mankind.

That same pastor told me I'd never find a "perfect" church as just about every one observed Xmas.

Tell you what, that did not sound right to me at all. That tells me that his mind is made up over the issue and that he's unwilling to change anything.

My husband said he's probably afraid of losing members.

It's been a year since I've been to church. I really do want to assemble as the Bible commands, but how can I under these circumstances? I'm wondering if assembling via the Internet is acceptable.

AVBibleBeliever - December 29, 2005 06:12 AM (GMT)

Dear Alexandra,

I apologize sister for not replying sooner. The Lord knows the spiritual condition of this nation. Lukewarmness, false doctrine, politicization of professing Christianity, etc. The Roman leaven indeed leaveneth the whole lump. Our Lord Jesus said in Matthew 18:20 "For where two or three are gathered together in my name, there am I in the midst of them." We gather together here electronically on this message board to correspond, inquire, and freely exchange ideas. Some members like you and I cite Scripture to edify each other and everyone on The Unhived Mind. The question of if it is an acceptable alternative to assembling ourselves together personally can only be answered through prayer. Before an independent King James Bible believing church opened near my neighbourhood the Lord graciously provided fellowship with other Bible believers through emails and websites designed by people of like faith. The Lord knows all and He knows our situation. Of course I am no authority on this, I'm only speaking from personal experience. God will show you what to do through His word, prayer, and His Holy Spirit. I should be praying about this as well and seeking our Father's will in this and in everything. every part of the life He has given us to serve Him, love Him, and do His good pleasure. May the Lord bless you in this and everything sister Alexandra. I will be praying for you about this and please do the same for me.

I'm still a bit confused a year later. This same preacher who spoke against Catholic teaching doesn't mind embracing Catholic holidays. And he knew where I stood on it, too, before December 2004. He never said anything that would indicate to me that he approved of Xmas...until that month.

I tend to get depressed all over again whenever I pass by it and my son's with me in my van. He just turned 4 not two weeks ago, and he was 2, turning 3, when I left--he'll still point at the church building. :unsure:

Title: A reply from me to someone unsure of Jesuit Power

Description: *why I believe Icke & Jones to be TEMPS*

CRAIG-OXLEY - December 28, 2005 03:54 AM (GMT)

My friend the evidence of the power of Jesuit control is overwhelming and answers many peoples questions that have been left blank by the likes of Temporal Coadjutors like Icke, Jones, Monteith, Marrs, Ruppert and so forth. I have many people thank me for putting them onto the Jesuit Order pathway to truth. Many people who are not christians and more so not protestants have exposed the Jesuits. The problem is though that only people of religion and really protestants would know and find out the truth about THE ORDER and its Vatican because their the ones truely dealing with it. Its nothing to do with protestants hating the Jesuits and so forth, remember on that most of the Vatican hate the Jesuit overlords as well. The documentation against the Jesuits is amazing when you start looking and look correctly. Eric Jon Phelps is a very brave man indeed and we need to all give him credit for his knowledge on this hott subject. Now even people who still cannot make their minds up on the Jesuit Orders true power will still admit they have serious power right up their in the pinnacle of control.

I did not realise Jones and co were Temporals after having any debates with anyone whenever that was. I have known about the Jesuit Order for some time now and have spoken about them a lot for a while. Recently I have dedicated myself to help really push the Jesuit information out there. I noticed Jones and Icke just wouldn't answer questions on the Jesuits. Jones comes out with nonsense that hes smeared in a cointelpro agenda against him and Icke well he just says also they are one of many and the Illuminati has no leader. HOGWASH the Order of Illuminati as with anything has a leader. The Order of Illuminati is a group of 6 groups al controlled in freemasonry which is controlled by The Superior General of the Society Of Jesus. The Jesuits don't give a damn about Catholicism and never did yet its used as a veil and smokescreen in order to get the New Atlantis (New World Order) they desire and to put their slave the White Pope in charge for a short while as the Universal Monarch of the world based in Jerusalem in the 3rd Temple of Soloman already U.S and Israeli Patented ready for

when the time is right after WW3. After this short reign of the White pope as we know him, he will be slain by what some term the sword but who knows exactly how?!?! Then you will see the full destruction of Catholicism along with all the other religions of the world as a whole and then the New World Religion which is based on Freemasonry and Far East teachings will be unveiled and everyone will supposedly live in peace under this religion. The new religion is already created and has been mostly created in Colorado U.S which is really the capitol for the New World Order in the AMERICAS (Mexico, America and Canada joined) which also the Knights of Malta Protestant slave Queen Elizabeth II has been purchasing masses of Colorado Land. She is servant to Cardinal (Fra') Andrew Willoughby Ninian Bertie the 78th Grandmaster and Prince of the SMOM Knights of Malta (Catholic side). By the way Bertie is her cousin also of Son's of the Serpant cross hybrid bloodlines (no their not reptilian just hybrid bloodlines between the Son's of the Serpant and the Adamic Females).

I suggest you study up on Eric Jon Phelps work, radio interviews, people like Jordan Maxwell, Barry Chamish, Alberto Rivera, and a few others with the balls to tackle this subject. My site also has some interesting information across the board http://s13.invisionfree.com/THE_UNHIVED_MIND/

Honestly the information presented by people who expose the Jesuits is overwhelming and I now realise I have finally got through all the smoke/mirrors, veils and countermeasures put in place to divert our attention on fantasies, myths and nonsense. I no longer believe in the Order of Illuminati being at the top, I do not believe in Reptilians being the overlords and certainly nothing to do with the Bloodline. I believe in Reptilians being a 3rd creation of the serpant race (they were not serpant but very much like humans but called this for some weird reason). The Reptilians what few are left were simply the perfect slaves which the Serpant race failed to created the first 2 times round with the Sons of the serpant and then the adamic DUMBED DOWN race.

Remember also who is the most wealthiest and you will always find THE VATICAN and Italian banksters, insurance (Black Nobility and The Committee of 300). Who rules over the vatican 100% since 1840? The Jesuits! Who rules over the Council on Foreign Relations and all the rest the SMOM who are servant to the Pope and again hes servant to The Black Pope of the Jesuits. Everywhere you look the Vatican and Jesuits have it sown. The Jesuits have not only Vatican money but they have KNOWLEDGE and no one on this earth as anywhere near the knowledge of the Jesuit Order. Jesuits have scoured the lands dealing with many tribes peoples etc gathering the knowledge and pooling it to defeat their enemies. This order has been used by Himmler and many others as a model for organisation and power, its a MILITARY ORDER. Take Vaccines for instance, who created them? JESUITS! Which Jesuits played a bit part in this? XAVIER and EDWARD JENNER! What did they do? Xavier and others went across the lands dealing with tribes people mostly of poisoning knowledge and came back with what we now know as the modern Vaccine. Edward Jenner brought it to the public line

light with his fraudulent book and nonsense science which has allowed the Jesuit order to depopulate its enemies either quickly or subclinically like whats happening in the western protestant nations where people suffer from things like Chronic Fatigue etc. This is so they can get more power from the money etc as they enslave you to the Pharmaceutical giants they own until your slower, more painful death approaches.

Dear Brother Eric,

I did a Google search for the recent interview you gave at Eye on the Future and I came across this link "2002 Archive of Extremist Events by State" on the Law Enforcement Agency Resource Network. "Its purpose is "ADL Training and Resources to Assist Law Enforcement in Fighting Extremism and Terrorism"

See under California-Conspiracy Con 2002

A conference focusing on various anti-government [Jesuit-controlled government like this one. We are a truly patriotic people. We are not against the Bible believing Protestant Republic founded by our Baptist and Calvinist forefathers and the Constitution they framed] anti-Semitic [Masonic Jewish Zionists to be exact not the beloved Hebrew/Jewish/Israelitic race in general and all Arabs are Semites being the descendants of Ishmael who was a Semite as was his father Abraham], and anti-Christian [Romanist and the World Gentile Jesuit Conspiracy] conspiracy theories.

Note: Speakers include Bo Gritz, Eustace Mullins, Eric Jon Phelps [Obviously the Pharisaical Talmudic Kabbalist Masonic Jewish Zionists show no regard for the commandment "Thou shalt not bear false witness against thy neighbour"]

See the other entries which include Health and Freedom Rally, Tax Freedom Rally, and Conspiracy Con 2002 are falsely equated with "Hitler's Birthday Bash" "Hallow-Caust" etc.

On the subject of the Ten Commandments, the monoliths and monuments in the courthouses across the nation are Masonic. According to Wikipedia "There is an ongoing dispute [Jesuit/Masonic agitation] in the United States concerning the posting of the Ten Commandments on public property. Certain conservative religious groups,

alarmed by the banning of officially-sanctioned prayer from public schools by the U.S. Supreme Court, have sought to protect their right to express their religious beliefs in public life. As a result they have successfully lobbied many state and local governments to display the ten commandments in public buildings. As seen above, any attempt to post the Decalogue on a public building necessarily takes a sectarian stance; Protestants and Roman Catholics number the commandments differently. Hundreds of these monuments – including some of those causing dispute – were originally placed by director [Freemason] Cecil B. DeMille as a publicity stunt to promote his 1956 film *The Ten Commandments*" <http://en.wikipedia.org/wiki/Ten_Commandments>

From <<http://www.religioustolerance.org/chr10cj3.htm>>

Van Orden v. Perry (03-1500): This case involves a six-foot tall granite monument containing the Ten Commandments placed on the grounds of the Texas State Capitol at Austin in 1961 by the Fraternal Order of Eagles. It includes:

The words "Ten Commandments,"

The text of the Decalogue including the words "I am the Lord thy God,"

A Star of David, [Remphan]

A symbol representing Jesus Christ [Romanist chi-ro a P and an X}

No material from other religions is included. No text from secular sources is included.

The respondent in the case is Rick Perry, in his capacity as governor of Texas and Chairman of its State Preservation Board.

Here is a photo of the Texas State Capital monument <http://upload.wikimedia.org/wikipedia/en/c/ce/Ten_Commandments_Monument.jpg> [note the Masonic all-seeing eye of Horus/Lucifer/Satan]

Pro-New Religious Right Republican Party Alabama Judge Roy Moore received media attention when he opposed removing a Ten Commandments monument from the rotunda of Alabama State Judicial building. <http://en.wikipedia.org/wiki/Roy_Moore>

The Alabama monument was not Masonic to my knowledge but the ones given to courthouses as a publicity stunt to promote Freemason DeMille's film were. The Fraternal Order of Eagles were fashioned after the Freemasons in that the Eagles' aeries are what the call lodges. <<http://www.phoenixmasonry.org/masonicmuseum/fraternalism/eagles.htm>>

Catholic patriarch calls for dismantling of Israel's security wall

Last Updated Sat, 24 Dec 2005 20:52:15 EST

CBC News

<http://www.cbc.ca/storyview/MSN/world/nati...hem-051224.html>

Israel's top Roman Catholic has said Bethlehem has become an "immense prison" since the West Bank barrier was built, calling for its dismantling as he joined thousands of pilgrims for midnight mass on Christmas Eve.

Rev. Michel Sabbah, the Latin patriarch of Jerusalem, made the comments on Saturday after leading a procession from the city to Bethlehem, the birthplace of Jesus Christ.

It marked the first Christmas that the town has been cut off from Jerusalem by a newly completed eight-metre-high concrete wall, part of the barrier that Israel has built between itself and the West Bank.

The pilgrims had to pass through a military checkpoint to enter Bethlehem.

"This wall must not exist. One day it will not exist," Sabbah told Israeli Radio after he passed through a military checkpoint into Bethlehem.

He said the barrier – which Israel says it erected to curb suicide bombings and Palestinians say is a land grab – has turned the town into an "immense prison."

"Nobody needs checkpoints in the Holy Land," he said, according to Israel Radio.

Sabbah said the Palestinians should have the right to live freely in their own state, while also stressing that Israelis have the right to be safe.

He said the people wielding power had to realize that they couldn't rule through violence but only by "winning the hearts of Palestinians and Israelis."

Bethlehem expects big jump in pilgrims

Sabbah made the comments leading the traditional Christmas Eve midnight mass at the Church of the Nativity, built over the grotto where Jesus is said to have been born.

The chapel was packed on Saturday with worshippers, including Palestinian Authority President Mahmoud Abbas.

Bethlehem Mayor Victor Batarseh said the city was expecting 30,000 visitors on the weekend, a sharp jump over the last few years.

More than 100,000 people used to pack the town every Christmas, but pilgrimage dropped to a trickle after the second Palestinian intefadeh, or uprising, began in 2000.

Batarseh said the number was expected to swell again in 2005 because people were encouraged by a ceasefire forged 10 months ago by Israeli and Palestinian Authority leaders.

Israel, which began building the separation barrier in the summer of 2002, says it is a defensive measure that it credits with a drastic reduction in Palestinian suicide bombings.

Palestinians accuse of Israel of grabbing West Bank land in order to establish a de facto border before a peace deal is negotiated.

The barrier has also raised international criticism, including from the International Court of Justice in the Hague, which has said the barrier is illegal wherever it crosses over boundaries that existed before the Six-Day War in 1967.

Dear Eric,

I look forward to VAIII! ! I learned the information regarding Leo Taxil being a Masonic Agent and Alister Crowley being a British Spy from this book called "Blood on the Alter".
<http://www.amazon.com/gp/product/097037843...=books&v=glance>

I also agree what you say about Edgar Cayce. His writings on Atlantis are creepy.

Dr. Steven Greer and his Disclosure Project: has a free movie which can be watched here:

<http://www.freedomforceinternational.org/f...&refpage=issues> - May be just another big distraction and a lie, but something for us to keep an eye on.

I also recommend www.freedomforceinternational.org. Edward Griffin is a Great Christian man but he tends to stay in the Fabian Vs. Leninist camp and although I disagree with some of what he says, for example about the Russia Czars writing the protocols etc, I find him a great researcher.

Griffin is a good researcher and a self-controlled debater, but I am convinced he is another Coadjutor via his past connection to the John Birch Society.

Remember that JBS head, 32nd Degree Freemason Robert Welch, was "baptized" into the Church of Rome on his deathbed for an anti-Jewish, diversionary job well done.

Further, he never mentions that Lenin, the one who fashioned the Bolshevik Party after Loyola's Jesuit Order, translated the works of Sidney Webb into Russian for the party. Sidney Webb was a Fabian Socialist. That fact may be found in Stalin: Mysterious, Relentless Dictator of Soviet Russia, Isaac Don Levine, (New York City: Blue Ribbon Books, Inc., 1931) p. 11.

Godspeed Brother Eric and Happy Holidays!

Sincerely in Faith,

Xmas is a major reason why I wound up leaving a Baptist church one year ago. I told the pastor what I thought and you would not believe what he asked me: "So you're right and everyone else is wrong?"

If that's how he wants to look at it! <_<

Oh, I want to go to church. But all the ones nearby have sold out in one way or another.

I may have to travel a bit of a distance if I'm to find a decent church. Have to get new tires first.

smashstuff - December 19, 2005 06:24 AM (GMT)

I wish Phelps would get away from this religious crap all together. John Calvin was just another part of the system. He and Ignatius De Loyola went to the same school, College du Montagu. Coinidence?

The Calvinists were murdering American Indians right alongside the Catholics and other Christians, so what's the difference? They're all scumbags, why side with one over another?

Don't get me wrong, I love Phelps' work, I just think he's a little blind or stubborn when it comes to religion.

CRAIG-OXLEY - December 19, 2005 11:43 PM (GMT)

Yes I wish this also but we must remember that without these people being part of these religions we probably wouldn't have ever found the pinnacle of world control. You see its always Protestants outting the Jesuit Order and Roman Catholics because everyone else is ignorant of religion.

smashstuff - December 20, 2005 02:09 AM (GMT)

I agree 100% 2tuff, like I said, I think Phelps is brilliant, it's just a shame that some of it I feel I have to ignore. It's rather like Ian Paisley, I guess. He tells you what he thinks about the Catholic Church and the Jesuits, yet still believes in a watered down version of it. I think it's sad. I feel somewhat that maybe we swap one form of slavery for another. But, ultimately, we're all fighting on the same side, and petty things like belief in Jesus don't matter. We're all individuals.

CRAIG-OXLEY - December 20, 2005 04:40 PM (GMT)

I find it amazing how Protestants follow what Romans created. I also find it wrong when religions claim you follow the evil occult if you realise that Jesus represents the Sun for instance. This is a veil/counter measure programmed into them to stop them from going further. Its not evil occult to know about the universe, planet alignments etc etc. Its just Occult because the meaning of occult is SECRET! The Evilness is the Jesuit elite which try to keep this information to themselves so they can feed off our misery by keeping us sheep and them the Shepards

Imani - December 21, 2005 12:57 PM (GMT)

The sun symbolism and the whole Heru/Horus story are good ways to let Christians know that the bible isn't the alpha and omega of all things...of course, they are in pure denial.

I wouldn't be surprised if somehow, the word 'Jesus' is a trigger word to mass/individual brainwashing, because that's certainly how it functions, far as i can observe!

What I also find very suspicious is the amount of modern "happy clappy" or evangelical churches hat have sprung up in every major city.....there is one in Bradfor called El Shaddai that I don't feel too good about.....and that term "El Shaddai" is one I'm certain I've come across in my study but I know little else.

The sun symbolism and the whole Heru/Horus story are good ways to let Christians know that the bible isn't the alpha and omega of all things...of course, they are in pure denial.

This is amusing. First, I don't worship the sun neither Horus (a known code name for Lucifer). The Bible has stand by itself with thousands of copies, tons of places confirmed and real history from it. Funny how doubters bash the Bible, but won't condemn other faiths equally. I'm not in pure denial. Satan counterfeited concepts about God for thousands of years and that's why similarities among faiths exist. Jesus Christ was never called the Sun in the Bible. Plus, the Roman Catholic was invented in the 300's. Bible Believers existed before that time like Ignatius, Polycarp, etc. Constantine made Catholicism to embrace paganism. Many Bible believers in the Middle Ages rejected that like Vigilantius, Benegarius, John Wycliffe, and others. There was no Pope, Queen of heaven veneration, Christmas, indulgences, etc. in the early church at all. It is occult to learn about hidden knowledge that either produces an evil end or that violates the Word of God. To learn about astrology, divination, mediums, etc. is a clear violation of God's Word and an abomination. People should know about the Elite, but not to embrace their evil tactics. It's amazing that doubters bash Christianity and 9 times out of 10, they don't know real Christian history. Real Christians will never unjustly kill people. Witheforce, John Wesley, John Quincy Adams, etc. supported freedom for all men regardless of color and they are great Christian role models that counterract the lie that real Christians supported genocide, unjust slavery, and other evils in human history. Just for that, I will in 2006 set the record straight on real Christian history and our contributions. I'm angry about this false accusations of

"cover and brainwashing" garbage by Christians and thank you guys because you renewed my fire. I'm not even a Calvinist. I'm an independent Baptist. So, don't bring that lie that Catholicism created real Christianity. Yeah, Protestant proceeded from Catholicism, but Catholicism proceeded by Babylonianism. Plus, real Christianity existed before Catholicism's tenets were even established like infallibility, Mary called Mother of God, etc.

This is phony how you blaspheme the name of Jesus. I don't know about anyone else in this forum, but you won't get away with bashing Jesus here. Jesus is a real person confirmed by several biblical and secular sources. He's the Savior of the World validated by tons of prophecies in the OT and the NT. I'm not brainwashed and some of the hardcore opponents of globalization (NWO) have been Bible Believing Christians whether you like it or not.

There is nothing wrong with evangelical churches spread across the nation. This is typical of you guys. You bash Christians, but won't say a word on Muslim radicals butchering people or atheists killing people in China, or other faith's follies. El Shaddai is one of the titles of God and I see no problem with a church named that way. There is nothing wrong with naming a church that.

QUOTE

Just for this stuff, I will in 2006 expose the Holocaust Revisionist agenda, more about white supremacy, and other subject that racists don't like. I've defend my faith and my people before and I will not let my faith and people be dragged into the mud by ignorant racists without a powerful response. I'm going to target the lie of Peak Oil and these anti-Semites who hate both Jews and Arabs. Some of them don't know real history and

the fact of a permanent Jewish presence in Israel from Hadrian, Byzantium, the Islamic Empire, the Ottomans, the British, and today.

A good site you got here, 2tuff.....a lot to plow through, but I sense I'm gonna find some usefull information here.

Just for this stuff, I will in 2006 expose the Holocaust Revisionist agenda, more about white supremacy, and other subject that racists don't like. I've defend my faith and my people before and I will not let my

faith and people be dragged into the mud by ignorant racists without a powerful response.

Hi Timothy.....Seems to me that you've taken what I've said and just PROJECTED your own stuff on it.....almost putting words into my, erm, post.

So allow me to clarify:

Whatever YOU worship is entirely up to you. The point of me mentioning Heru is simply to say that the fundamentals of the Jesus story were in existence long before the bible..... it's found in the ancient Egyptian culture. As far as I'm aware that little fact is a matter of history, though if I'm incorrect in this information, I'm prepared to be corrected.

Secondly.....what you say about not dissing other religions like Islam.....Timothy, I've little time for organised religion PERIOD! I was simply responding to a post that mentioned the Sun etc.

The blasphemy "charge"it's as though people aren't able to QUESTION the veracity of the bible without being called a blasphemer.....and sadly, this is the FEAR that people have of doing just that very thing- QUESTIONING. My my, George Orwell, you were right on the money when you wrote 1984.

Please, so much evil is done in the name of "God" or "democracy"so many minds infinite potential to know, potential to be OPEN, are closed down,.....so many CONFLICTS with other religions are made possible by adhering to some religious dogma.....

I stand by every word I said because that has been my observation.....no-one was attacking your belief system, that you say you're defending (actually it feels more like an "attack" to me, you should really check your intention).....the interesting thing is that your response differs little to those of any other faith, including Islam, that you may feel you're different from.

I didn't put words in your mouth. I quoted from you and others in the forum. The story of Horus existed before the Bible was written and the story is similar to the story of Jesus, but there are profound differences as well. Just because similarities exist among religions, doesn't make all religions accurate or true. I disagree with you about the Sun. The blasphemy charge is accurate and has nothing to do with George Orwell. Orwell's book was about a police state. I don't want a police state against anyone. People have a right to

believe in what they want. On the otherhand, people have a right to respond and debate. Far too often, Christians have been intimidated in not debating people for fear of being called intolerant or a bigot. That's my point of disagreeing. Just because evil have been done in the name of God and "democracy" (which I don't believe. I believe in a republic), doesn't mean that God doesn't exist or a republic is a suitable form of government. Like I said real Christians don't kill people unjustly and real Christians role models existed that were peaceful as I've shown. You can't refute that at all. People committ evil in the name of protecting the environment, but that doesn't mean we should protect the environment in legitimate ways. I believe in God since the universe must have a cause, complexity in cells, and other reasons. Man always had conflicts with or without religion. You need to heard Athiests butchers killing over 100 million people during the 20th century in Russia and China. Atheism killed more people a century ago than all creeds put to together. I think that people killed in the name of "atheism" as well. It's funny that you said attack, since I don't attack you. I respond to you and there's a difference. I stand for every word I said. I've cited my reasons for my disagreements to your view. If that's attacking, then almost any form of dissent is "attacking." As for any other faith, my response may be similar, but I'm not some ignorant hick who doesn't know his stuff. I won't be intimidated by no man.

There are some very relevant information in the Bible.....but no less so than anywhere else.....and if looking anywhere else for guidelines and directions means that people are called blasphemers? If people like you, Timothy, are happy to defend your faith and not think outside its box, then go right ahead. But when you begin to name call and make assumptions about others, then that says more about your own self imposed limits on learning about life and truth. And as a matter a fact, I strongly feel it runs contrary to the very Jesus you beleieve in. If the man did exist (and my jury is out on that), then you know that he rubbed up the establishment the wrong way by exposing the dogma and rigidity.

Think about it, would you?

See, we are gonna run into difficulties because for one thing, whilst you are a "Christian", I don't have a name for myself.....

Yes, believe and live by what you want, but as I say, when people are called blasphemers or unbelievers, kaffirs, whatever (pick your religion) when they have the *audacity* to question the very foundations, then it doesn't surprise me that the world is in the state that it's in. And yes, it is a police state, a **thought police** state.

Whether religion or atheism or any type of "ism", the fact is that BOTH have been used by the elite to carry out the most atrocicious deeds.....the fact that there are millions of decent Christians or Muslims doesn't change the fact that BOTH have been and ARE BEING used to create the shitstem that we have today. If organised religions were run by people with an agenda for justice and truth, this would not be the case. I think it's common sense to simply explore the origins of both, if the mess is gonna be put right.....the thing is, some people aren't gonna like this and are gonna misjudge the motives. But that's simply where I'm coming from.

(Apologies for hijacking the thread topic, btw)

Timothy/TruthSeeker, one more question before I "retire" for the day: WHY is it a violation and abomination of God's word to learn astrology, divination etc.....??

Please tell me, because as far as I see it, they are only bad if used with the intention of harming other people, or influencing them against their will.

I presume that, in true Trickster/mischief maker style, they've been called an abomination by the Church big shots because they are means by which people can recieve directions and guidelines FOR THEMSLEVES, rather than seeking the counsel of the bible or the intermediary priesthood. What if EVERYONE followed their own intuitions to inerpret planetary cycles, or simply used their own intuition, rather than having to go "through the bible/church"? There'd be no church, 'cos they'd have no flock, right?

Anyway, excuse my presumption, because I may be totally wrong in it, and I look forward to your answer.

Alexandra - December 21, 2005 08:33 PM (GMT)

Satan knew that Christianity would eventually come--so he set up COUNTERFEITS before the real deal came along. You could say the counterfeit came first...like if someone knows I'm about to make a new product, they put the knock-offs out before I get my product out. Then people think that my product is a copy of the knock-offs. See the analogy?

So true, Bible-based Christianity is NOT based on the mystery Babylon religion. It's very clever of Satan. Catholicism IS based on mystery Babylon...and the twist is, your average Joe Sixpack thinks Catholicism is another Christian denomination when it's not. Catholicism is a mix of paganism, Judaism, witchcraft, and perverted Christianity.

Dear Rxxxxx,

Thank you for contacting me and for your clear outline as to what you envision for the future of Long Island. A few are concurring with your views, adding that the location is a "Mecca for the Press," easily accessible so as to instill a maximum of paranoia in the viewers.

The most telling fact of all is the high Jewish population of the Island. Estimates run as low as 350,000 to nearly one million. The counties of the Island are Kings, Queens, Nassau and Suffolk, having served as a place of refuge from Moslem nations including Iraq and Iran. As you may know, the Order keeps track of every Jew in the world, but especially here in its American Empire. The Mormon genealogical record-keeping office in Utah was established for that very purpose, Mormonism being ruled by the Jesuit General via high-level Freemasonry.

A friend mentioned that many of the Jews are on vacation now and thus away from the Order's target. Thus, it seems logical that the timing for the detonations on the Island will be between early Summer to early Fall. This makes sense, as nuclear devices can only be detonated in the Northern Hemisphere at the time when the sun is orbiting the earth in its corkscrew descent from the Tropic of Cancer to the Equator, remembering that the sun revolves around the earth---not vice versa as we have been taught. (September 11 was the time of the nuclear detonation in the basement of the WTC and August 6 and August 9 were the times of the on-ground detonations of the atomic devices in Hiroshima and Nagasaki. The bombs that were dropped by both B-29s were merely magnesium flash bombs with a radioactive slug of plutonium (Nagasaki) or uranium (Hiroshima) installed in flight so as to give the appearance that "nuclear bombs" were indeed "airbursts." Therefore it my settled opinion that there is no such

thing as "Airborne Nuclear War;" rather, there are only on-ground detonations of pre-placed nuclear devices that can only be triggered to explode when the sun is in the right harmonic position with the pre-set device.) By this time, most of Long Island's Jews will be positioned to receive the brunt of the Order's attack against, what it once formally called, "the perfidious Jews."

Sincerely in Faith,

Brother Eric

Subject: I like what your saying, and I live in Long Island, NY, "I see the handwriting on the wall"

I see the "handwriting on the wall" with Continental Long Island, NY.

I beleive it'll be a combination of 3 things.

- 1) Mass starvation, once that their is no money put into the Long Island economy, and people have no jobs, or employment.
- 2) Riots, from the Minorities, once their Welfare gets pulled off. Most Minorities live on some kind of Social Services (Welfare, Section 8, Food Stamps, Medicaid, Medicare) in the Continental Long Island, NY and NYC region. It'll make the L.A. riots look like a kiddy fight, and probably last as long as the riots in France. All pre-engineered back from 1945.
- 3) WMD will probably hit Long Island, NY, for its the easiest place to quarantine and isolate. Easy to drop biological agents on.

Long Island, NY has only 3 bridges (Whitestone, Throgs Neck, and Verazono Bridges) that get you out of trouble, other than that its all Water Locked. It has the most amount of Jews in the World Living here, and Minorities on Social Services. Long Island, NY easiest to quarantine and isolate.

Its started with the 1945 Levittown, NY developments that started suburbia Long Island, NY, which was made mostly for the military F___ups and screwups. Nobody Important (from the U.S. Government) came into Long Island, NY from 1945.

Right now, the Dioceses of Rockville Centre, NY is the rishest enterprise on Long Island, NY, which is run under the Vatican.

All pre-engineered back from 1945. The New American/Jewish Holocaust is all being planned over here in Long Island, NY.

We'll my friend it may just be that we've been lied to all along and that it is just the sun that revolves around us instead. I've come to find that almost all we've been conditioned to think it nonsense these days.

Alexandra - December 19, 2005 02:51 AM (GMT)

I, too, am a geocentrist--I believe (or rather KNOW) that the sun goes around the earth, instead of the other way around.

It does NOT mean that we're flat-earththers.

Look at Joshua, I believe chapter 10. Joshua specifically orders the sun and moon to stand still. He did NOT tell the earth to stop turning!

The earth was created on the first day, the sun on the fourth. If the earth goes around the sun, what was it going around on Days 1-3?

A very good site belongs to [The Biblical Astronomer](#). It seems to be a pretty decent King James site to boot!

Report: Israel To Hand Control Of Jerusalem To Vatican

Haaretz By Amiram Barkat

Haaretz

11-6-5

Israel is to give the Vatican control over one of the most sacred Christian sites in Jerusalem, several European newspapers have reported recently. According to the reports, Israel will give the Holy See possession of the Coenaculum, or the Room of the Last Supper (also known as the Upper Room or the Cenacle), on Mount Zion.

In response to the news, I wrote an article which proved the handover of the Old City of

Jerusalem was a done deal. In fact, it was one of the secret clauses of the first Oslo "peace" accord signed by the Israeli government.

A week after, I received a phone call from a rabbi of the Diaspora Yeshiva. He explained that the Tourism Minister was visiting their school the next day and he was trying to fill the study hall to prove to the government that their yeshiva was too valuable to be given away.

I replied that I would not partake in such a spectacle. I might come if the students forcibly barred the Minister or any government official from entering the property. Hadn't he learned anything from Gush Katif? The government of Israel couldn't care less about him and could care even less how many students he can pack into a room. Mount Zion was a litmus test of how much opposition the government and its corrupted army could expect when all of the Old City was turned over to the Vatican.

He said I must talk to the headmaster of the Yeshiva, Rabbi Goldstein.

An hour later, I was honored by a call from Rabbi Goldstein. Soon, however, I was in despair. As far as he knew, the Vatican wanted to turn his school into a money making tourist site and the Ministry of Tourism was being enticed by the prospects of millions of Catholic tourists visiting Israel to see the Last Supper room.

I did my best to wake the Rabbi. I told him that tourism was the facade, not the issue. I tried to explain the global forces using their muscle to get the Jews out of Jerusalem's holy sites. I noted that the government of Israel was the worst enemy of Judaism and that he must block the entrance of their representative with whatever force he could muster.

However, as with the Rabbis of Gush Katif, my words were wasted. Mount Zion will give up without a real fight. You watch.

Nonetheless, the truth marches on. A brilliant Jerusalem-based German-born historian, Dr. Asher Edar, also honored me with a conversation. Vive le difference:

BC - Why is the Vatican suddenly so interested in getting its hands on Mount Zion real estate?

AE - There's nothing sudden about it at all. In fact, the roots of the desire go back 1200 years to the time of Charlemagne. He was the Vatican's military tool for converting Europe to Roman Catholicism. He succeed magnificently and created what is known as the Holy Roman Empire but what was then called The Holy Roman Empire Of The German Nation. Charlemagne's capital was at Aachen and there he built his first cathedral.

BC - Excuse me but, so?

AE - Next to the yeshiva on Mount Zion is the Dormition Abbey, built by the Germans starting in 1906. It is an exact duplicate of Charlemagne's Aachen Cathedral.

BC - How did that happen?

AE - Kaiser Wilhelm II came to Jerusalem in 1898 to build two churches, a modest Lutheran Church of minor religious significance and a magnificent Catholic structure on Mount Zion. In 1898, the ruler of a nation didn't make such a difficult journey to a diplomatic backwater unless it was extremely important. The Vatican was worried that the British had an operating church in Jerusalem and its presence could solidify and spread. The Vatican provided much of the funds for the trip and the bribe to the Turkish Sultan, Khamid. Since Wilhelm had a Protestant population to appease, he put up a smaller Lutheran church as well, but the real prize was Mount Zion.

BC - Why all the money and trouble if the Vatican gets the real estate? What was in it for Germany?

AE - Germany has never given up its dream of reviving the Holy Roman Empire. At the height of that empire, their greatest king, Frederick the Great, marched into Jerusalem and became the city's king. Jerusalem was once part of the Holy Roman Empire and the dream is that it will be again. In this empire, the delineation of powers was strict. The pope was the spiritual leader, but the political leader was whoever ruled Germany. This dream led straight to World War I.

BC - Where do the Jews fit in all this?

AE - Nowhere. Herzl tried to get a role for the Jews and met with Wilhelm in Jerusalem. Wilhelm would have nothing to do with him. His goal was to save Jerusalem for a Christendom led politically by Germany and spiritually by Rome. Nothing has changed except now the pope is a determined German. The Vatican want the Jews out of the Old City and apparently our government is agreeing with them.

Now a history lesson with little comment:

Encyclopedia"Frederick II, Holy Roman emperor and German king King of Jerusalem

Having married (1225) Yolande, daughter of John of Brienne, he claimed the crown of Jerusalem, but again postponed his departure on crusade. He further offended the pope by reasserting at the Diet of Cremona (1226) the imperial claim to Lombardy. The Lombard League was immediately revived, but open conflict did not break out until 1236. On the insistent demand of the new pope, Gregory IX, Frederick embarked on a crusade (Sept., 1227), but fell ill, turned back, and was excommunicated.

In 1228, he finally embarked. His "crusade, actually a state visit, was a diplomatic victory. At Jaffa he made a treaty by which Jerusalem, Nazareth, and Bethlehem were surrendered to the Christians, with the Mosque of Omar being left to the Muslims. In 1229 he crowned himself king at Jerusalem.

<http://www.notfah.com/wiki/>

Frederick_II,_Holy_Roman_Emperor

In 1226, by means of the Golden Bull of Rimini he confirmed the legitimacy of rule by the Teutonic Knights under their headmaster Hermann von Salza over the Prussian lands east of the Vistula, the Chelmno Land.

At the time he was crowned Emperor, Frederick had promised to go on crusade. In preparation for his crusade, Frederick had, in 1225, married Yolande of Jerusalem, heiress to the Kingdom of Jerusalem, and immediately taken steps to take control of the Kingdom from his new father-in-law, John of Brienne. However, he continued to take his time in setting off, and in 1227, Frederick was excommunicated by Pope Gregory IX for failing to honor his crusading pledge - perhaps unfairly, at this point, as his plans had been delayed by an epidemic. He eventually embarked on the crusade the following year (1228), which was seen on by the pope as a rude provocation, since the church could not take any part in the honor for the crusade, resulting in a second excommunication. Frederick did not attempt to take Jerusalem by force of arms. Instead, he negotiated restitution of Jerusalem, Nazareth, and Bethlehem to the Kingdom with sultan Al-Kamil, the Ayyubid ruler of the region.

<http://www.chivalricorders.org/vatican/teutonic.htm>

THE TEUTONIC ORDER OF HOLY MARY IN JERUSALEM

Some forty knights were received into the new Order at its foundation by the King of Jerusalem and Frederick of Swabia, who selected their first Master in the name of the Pope and Emperor. The knights of the new confraternity had to be of German birth (although this rule was occasionally relaxed), a unique requirement among the Crusader Orders founded in the Holy Land. They were drawn predominately from the noble or knightly class, although this latter obligation was not formally incorporated into the rule until much later. Their blue mantle, charged with a black cross, was worn over a white tunic, a uniform recognized by the Patriarch of Jerusalem and confirmed by the Pope in 1211.

The waves of German knights and pilgrims who followed the Third Crusade brought considerable wealth to the new German Hospital as well as recruits. This enabled the

knights to acquire the Lordship of Joscelyn and, soon thereafter they built the castle of Montfort (lost in 1271), the rival of the great hospitaller fortress of Krak des Chevaliers. Never as numerous in the Holy Land as either the Hospitaller or Templar Orders, the Teutonic knights were nonetheless a formidable power.

THE EQUESTRIAN ORDER OF THE HOLY SEPULCHER OF JERUSALEM © Guy Stair Saintry

The origins of the Order of the Holy Sepulcher have been disputed for centuries. In this examination of the history of what is today a major Catholic Order of Knighthood, under the direct protection of the Holy See, it has been my intention to separate fact from fantasy and outline the historical development of this great institution. It now has a world-wide mission to support the Holy Places, particularly in Jerusalem, and has approximately eighteen thousand members across the globe. [1]

Two Christian sources who are certain the goal of the "peace" process is to establish a German/Vatican capital in Jerusalem are David Ben-Ariel, and the Philadelphia Trumpet:

<http://www.thetrumpet.com/index.php?page=article&id=1424>

Looking to Jerusalem

We have also said that the next pope would have his sights set on Jerusalem. Ratzinger was known for statements he made concerning a reconciliation of sorts with the Jews. That reconciliation being, "the moment in which Israel too will say yes to Christ. After all, the "star points to Jerusalem, Ratzinger said once. Watch for this new pope to have a more fervent interest in Israeli politics and affairs surrounding Jerusalem.

First let's understand Aachen Cathedral's history:

<http://www.holycross.edu/departments/visar...ext/gloss1.html>

Aachen Aachen in north-western Germany (in French, called Aix-la-Chapelle), was the capital of Charlemagne's empire in the 9th century. It became the site of one of the great medieval pilgrimages because of the textile relics obtained by Charlemagne and Ortho III. The four "Great Relics include the cloak of the Blessed Virgin, the swaddling clothes of the infant Jesus, the cloth on which St. John the Baptist,s head lay after his beheading, and the loin cloth which Jesus wore on the Cross. These four relics were shown only once every seven years.

<http://www.zenit.org/english/archive/0001/ZE000131.html>

CATHOLIC COMMUNITIES HAVE UNIQUE LINK WITH ROME AND JERUSALEM

John Paul II's Letter for 1,200 Years of Aachen Cathedral

VATICAN CITY, JAN 31 (ZENIT).- John Paul II referred to the ties that unite the Catholic community spread over the world with the Church of Rome and the Holy City of Jerusalem, in a letter to commemorate 1,200 years since the construction of Aachen Cathedral, an event which was celebrated last Saturday and Sunday in this historic German locality.

The Pope's special envoy to the celebration was Cardinal Darío Castrillón Hoyos, prefect of the Congregation for the Clergy. The Holy Father addressed the letter to Bishop Heinrich Mussinghoff of Aachen. John Paul II pointed out that the Cathedral, dedicated to the Virgin, was built at the request of Charlemagne. That same year, 800, the emperor was crowned in Rome by Pope Leo III in the Vatican Basilica. This historical event reflects the closeness that existed between that local Church and the diocese of Rome.

But Aachen Cathedral has yet "another link" that carries it "with heart and mind" to the Holy City. These are 4 precious relics that Jerusalem gave to Charlemagne and that recall "with profound reverence events in the history of salvation." The 4 relics are fragments of the newborn Jesus' diapers, the cloth Jesus wore around his waist on the cross, the dress Mary wore on Christmas Eve, and the cloth of John the Baptist's beheading.

Now, we have a look at Aachen Cathedral:

http://whc.unesco.org/pg.cfm?cid=31&id_site=3

Next, we look at the Dormition Abbey on Mount Zion:

http://www.atlastours.net/holyland/mount_zion_abbey.html

Surprise! It's an exact copy of the first church built by Charlemagne, founder of the Holy Roman Empire.

Conflicting Agendas!

Mount Zion and Dormition Abbey, Jerusalem Mount Zion lies to the south of today's city walls. Coming out of Zion Gate you are faced with the Benedictine Basilica of the Dormition. The Dormition Abbey is a massive structure that rises on Mount Zion, just outside the Zion Gate, and resembles a mighty fortress; it is topped by a high, domed

belltower, a conical dome and corner towers. This Benedictine Basilica, built over the site where Virgin Mary is said to have fallen asleep for the last time (Dormitio - from here one of the apocryphal writings describing this event). It was completed by Kaiser Wilhelm II at the beginning of 20th century based on plans by Heinrich Renard who used as a model the Carolingian cathedral of Aix-la-Chapelle.

<http://www.christusrex.org/www1/jvc/TVCCenac.html>

The Room of the Last Supper lies just outside the Dormition Abbey behind the Franciscan house on Sion. The whole area has been transformed by religious Jews into various Yeshivas (Schools of the Torah) especially due to the devotion for the Tomb of King David which is believed to be located beneath the Upper Room.

Germany Rejects The Jews Not For The Last Time

<http://www.jafi.org.il/education/100/act/14zion.html>

When Herzl met the Duke of Baden, the Kaiser's uncle, he tried to persuade him of the importance of a meeting with Kaiser Wilhelm for the Zionist cause. After more than one and a half years of fruitless contacts with influential German figures, Herzl was called to the German consul during a stay in Amsterdam and informed that the German Kaiser was prepared to meet him on his journey to Jerusalem.

Kaiser Wilhelm II's first stop on his journey to the land of Israel was at Kushta. In October 1898, Herzl traveled to Kushta, where he met with the Kaiser for the first time and received a promise of a subsequent meeting in Jerusalem.

Herzl and his companions went up to Jerusalem in an optimistic frame of mind to wait the second meeting, which took place on November 2. His frosty reception by the Kaiser and the lack of protocol led Herzl to realize that the German monarch had withdrawn his initial offer of support for Jewish settlement in the land of Israel.

For the rejection of Herzl and the race against Britain for Jerusalem real estate, Turkey and Germany paid a heavy price. In 1910, the Dormition Abbey was completed. Within a decade, Germany and Turkey were defeated in all out war, and Britain was in Jerusalem alongside Herzl's Jews.

Then came the Holocaust.

The old man's arm has a tatoo SERIAL NUMBER a survivor of the Jewish Holocaust during WWII.

The old Jewish man told his personal story about the Holocaust. My cousin whispered to my ears that until now (Year 2005) there is a CRIMINAL CASE / TRAIL being conducted in a TRIAL COURT IN SAN FRANCISCO, CA. Jewish Holocaust Survivors (Old Men & Women) VS. VATICAN BANK, FRANCISCAN & DOMINICAN ORDERS OF THE CATHOLIC CHURCH. The Holocaust survivors even speaking in a loud voice inside the Trial Court in front of San Francisco Judge that payment shall be given by the VATICAN to them (holocaust survivors) for the crimes and damages inflicted to the holocaust survivors and their killed relatives by the NAZI. The holocaust survivors even accusing that the FRANCISCAN AND DOMINICAN ORDERS OF THE CATHOLIC CHURCH looted their properties and golds and deposited it into the Vatican Bank. The gold is worth of millions of dollars. The VATICAN Lawyers resisting the claims of the holocaust survivors. My cousin told me to where I can get copies of the TRIAL COURT DOCUMENTS free from public to read. But first, before you read below. Please, find the attachment in PDF File as for the said documents was signed by Elizabeth D. Laporte, United States Magistrate Judge. It means that there's indeed a Criminal Case Trial In California Court Of Law Vs. Vatican Bank. An EYE DOESN'T LIE.

These documents are not mine to invent or fabricate, this documents (attached PDF File) was released into public by the Northern California District Trial Court. I'm just sharing it with you all, that the VATICAN - CATHOLIC CHURCH was involved in the Crimes Of The Century = Holocaust. If not familiar with it, just see the movie Schindler's List and Band Of Brothers how hard the life of the Jewish people persecuted by the

NAZI than lately it was found out the the VATICAN - CATHOLIC CHURCH was the mastermind of all of these historical events.

The Case Against the Vatican Bank

by William Dorich

Los Angeles, August 7, 2000—This is in response to the article, “Suit Aims to Uncover a Hidden Holocaust” by Keelyn Friesen published in the Minneapolis Star Tribune on July 23, 2000 and reproduced in the last issue of The American Srbobran.

Serbs are aware of how easily we as an ethnic race can be divided and conquered and politically split along emotional fault lines for the agendas of others. We have allowed ourselves to be ripe targets and easy prey. The case against the Vatican Bank will prove to be no exception.

The initial law suit started with the effort of Tom Easton and Jonathan Levy on behalf of relatives of several Ukrainian victims of the Ustashe regime of WWII Croatia. Alperin vs. Vatican Bank was originally filed in Federal Court in San Francisco in November 1999 and amended several times since. The plaintiffs are concentration camp survivors of Serbian, Jewish, Roma and Ukrainian background and their relatives as well as organizations representing over 300,000 Holocaust victims.

Other counsel joining Easton/Levy include, Joy Rothenberg recognized by the Governor of Ohio for her work with Holocaust survivors. She writes, travels, and lectures extensively on the issue of Holocaust restitution. K. Lee Boyd is an Associate Professor at Pepperdine University Law School and a graduate of Harvard Law School. Boyd is the author of several articles on International Law and does pro bono work in international litigation. Milosh D. Milenkovich is president of a worldwide Serbian organization and an attorney in Cleveland, Ohio. Mr. Milenkovich came to the United States from Yugoslavia in 1954. While Easton and Levy have excellent credentials they sought an additional law firm with more class action experience and associated with the firm of Zimmerman/Reed of Minneapolis.

As Tom Easton prepared to file the suit in San Francisco in November of 1999, numerous Serbs across the country were offering names of possible initial plaintiffs. Several of us offered up the name George Zivkovich of Barstow, California whom I personally know and previously interviewed for a story about his life as an eight year-old inmate of the Jasenovac Concentration Camp in Croatia where the Encyclopedia of the Holocaust claims at least 500,000 Serbs, Jews and Gypsies were liquidated. For a time the commandant of this notorious death camp at Jasenovac was a Franciscan monk by the name of Fr. Miroslav Filipovic. According to 1948 testimony by Dr. Nikola Nikolic, a Croatian camp survivor, “in the four months Fr. Filipovic was commandant of

the camp he put to death 40,000 Serbs, Jews and Gypsies, and was given the name 'Fra Sotona' (Brother Devil) by his victims."

While the Vatican case was in its infancy, Zimmerman-Reed interviewed George Zivkovich, signing him up as their plaintiff in spite of the ethical fact that his identity was furnished to Zimmerman-Reed by Tom Easton. A young attorney of the firm, Keelyn Friesen contacted me to arrange an interview in my home. I was impressed that someone would travel 2,500 miles to Los Angeles to obtain an interview that could easily be taken over the telephone.

Ms. Friesen arrived promptly at 9:00 a.m. on a Saturday morning and by the time I finished my first cup of coffee she announced that "her time was limited" and that "her ride would be back in 15 minutes to pick her up." We never spoke about my relatives or their victimology. We talked in general terms about the hideous 'humanitarian war' that was waged against the people of Serbia. During this discussion I said, "President Clinton is a war criminal and should be tried for his crimes against humanity -

Because, Pres. Clinton's superior at Georgetown University are Roman Catholic Jesuits. President Clinton's classmate is now the Philippines President Gloria Macapagal Arroyo."

Upon her return to Minneapolis, Zimmerman-Reed disqualified me as a plaintiff. The dirty work of telling me was left to Tom Easton and I was told the disqualification was related to my political opinions, not the evidence of the crimes committed against my relatives.

I have since discovered that last spring Ms. Friesen went to the State Department for a meeting before she took a trip to Republica Srpska and Bosnia-Herzegovina. What possible good can come from such a meeting? Apparently Zimmerman-Reed climbed in bed with Albright's minions who succeeded in demonizing the entire Serbian race. What kind of defense can Serb plaintiffs expect from a legal firm who seeks support from our oppressors who labeled all Serbs with collective guilt in this war?

While Croatian Nazis were slaughtering Serbs and stealing their gold and their teeth this same State Department kept the Legion of Merit award, given to Gen. Draza Mahailovich by an Act of Congress in 1942, secret for the ensuing 22 years. They continue to keep that medal refusing to release it to Mihailovich's heirs. Does Ms. Friesen actually believe the State Department is now willing to share secret documents from WWII or any information that will benefit Serbs? It has become more than obvious to the Serbs that the State Department will make every effort to see that not a single Serb will ever see a penny of restitution from WWII or any compensation for the \$60 billion in infrastructure damage done to Serbia by American bombs and missiles in the illegal 1999 war. Is Keelyn Friesen and Zimmerman-Reed really this naive? If so, I suggest to George Zivkovich and all Serbs, "Buyer Beware!"

It has been alleged that Charles “Bucky” Zimmerman has made major contributions to the Clinton campaign and was a friend of the White House. My hostility toward Zimmerman-Reed was cemented when I learned that, besides myself, they disqualified John Loftus as an expert witness. Loftus is the author of the book, *Unholy Trinity*. When Easton/Levy and Zimmerman/Reed decided to part company I was approached by Tom Easton to be the California Serb Plaintiff for their case filed in San Francisco.

It was also at this time that a source at the State Department made me aware that I was on a list of unwelcome Serbs at the White House because my views ran contrary to Madeleine Albright and her minions. This source who wishes to remain anonymous provided me with an explanation for the invitation that was extended to me to attend a White House meeting with other Serb representatives. I provided my Social Security number and personal data for security purposes then I was suddenly uninvited. Perhaps Albright read a few of my articles in this newspaper and realized that I was not about to be sucked into her web like so many of my countrymen who have been lulled into committing treason against their own country with a few million well-placed dollars—like the current bribes being made under the table with Montenegrin officials. Little do these Serbs realize that while they are being lured with the promises of “democracy” in Serbia this administration has done everything possible to push our representative form of government in the direction of one-world governance based on monopolistic capitalism in which multi-national corporations will devour our Bill of Rights to the benefit of the rich who march to Clinton’s Fourth Reich tune—aided and abetted by the partisan press, the ‘Fourth Estate’

ERIC JON PHELPS - The Author of the famous *VATICAN ASSASINS* is right about Pres. Bill Clinton as a puppet of the Roman Catholic Jesuits.

There are a few questions that need to be put to Zimmerman-Reed:

How many plaintiffs do they represent, Easton/Levy currently have thirty. Is George Zivkovich their only plaintiff—it would appear so since he continues to be the only Serb mentioned in all of their press releases? Have they served the Vatican Bank yet after all of these many months? Easton/Levy have not only served the Vatican Bank, they have also served the Franciscan Order in San Francisco, and HOP, (Hrvatski Oslobodilacki Pokret) the Croatian Liberation Movement founded by Ante Pavelic in Buenos Aires in 1956, later relocating to Toronto and then to Zagreb in 1991. These HOP Nazis are still heavily involved in Croatian politics and the government at the highest levels.

Easton/Levy are currently going after the Swiss Banks. Previously marked ‘secret’ FBI documents corroborate the transfer of Ustashe gold and currency to Swiss banks which transferred these funds to Argentina where Ante Pavelic and hundreds of war criminal Catholic priests were financially provided a comfortable life style in exile with the blood money looted from their Serbian, Jewish and Gypsy victims. Other FBI documents

clearly show that Vatican Bank funds supported Ustashe organizations in the United States and Canada. The State Department knew all of this but aided and abetted these former Nazis anyway.

How does Zimmerman-Reed explain that they are alleged to be abusers of the class action process? I suggest that my readers log onto <http://www.tlpj.org/tlpjf/pressreleases/cus2pr.html> to read what the Trial Lawyers for Public Justice (TLPJ) think of Zimmerman-Reed. Serbs should also be reminded that Zimmerman-Reed lost a major class action case against the Tobacco industry.

Fred Baron of the law firm, Baron & Budd in Texas said, "If these class counsel did not think the settlement could withstand appellant review, they should not have agreed to it. Their efforts to quash the appeal by forcing the class members to post a \$1 million bond and proving their finances are simply outrageous and wholly contrary to law."

The class action was based on Bank United of Texas cheating approximately 350,000 of its mortgage customers out of interest by maintaining excess "cushions" in their escrow accounts. The settlement gave Zimmerman-Reed \$400,000 in fees and costs while the settlement put a gag order barring all class members from freely discussing the case with the press while permitting Bank United to spew its venom in the media on class action members. Is this the kind of gag order Serbs can expect in any Zimmerman-Reed settlement against the Vatican Bank? A gag order in which the world will never learn about the hideous crimes committed in WWII by hundreds of Catholic priests who personally participated in murdering 700,000 Serbs, Jews and Gypsies while enriching the Catholic church? And what about the millions of dollars in stolen Serbian Orthodox icons, priceless manuscripts and artifacts that continue to go missing since 1945, are they also being stashed away in Vatican bank vaults?

The important issue here is in whose interest does Zimmerman-Reed work so diligently? The Trial Lawyers for Public Justice filed a Brief opposing Zimmerman-Reed's one million dollar bond motion in the Bank United case saying, "No court in U.S. history has ever required a class member to post any bond—much less a \$1 million bond—to appeal a class action settlement affecting his or her rights. This Court should not be the first." These kinds of warped ideas remind me of the Clinton ilk who wish to impose a World Court on Americans in which our sovereignty and our Constitution will no longer protect us.

Does Zimmerman-Reed have any Serb attorneys in their Vatican suit? Easton/Levy have obtained the services of Milos Milinkovich, president of the Serbian Unity Congress. Zimmerman-Reed is basically a Jewish law firm with ties to the other Jewish firms involved in the \$1.25 billion Swiss banks settlement. This should send chills down the spine of every Serb in the world since these are the same law firms that executed this settlement while excluding 1.6 million Serb victims of the Holocaust. This shocking exclusion reveals the political correctness of this immoral settlement which continues to

perpetrate the Holocaust fraud that 6 million Jews were killed while the “other” 30 million victims do not deserve recognition nor compensation. This kind of repugnant settlement will not guarantee peace in the Balkans but continued ethnic hatreds because real justice has once again been fornicated at the expense of the Serbs, just like Nuremberg. Not a single Croatian, Muslim, Albanian or Catholic priest has been brought to justice for their hideous war crimes in WWII and 30,000 of these Croatian war criminals were given visas by Juan Peron’s government. They fled to Argentina with the help of the Vatican “Ratline,” with the full knowledge of the State Department who Zimmerman-Redd now seem to trust.

This comes as no surprise to Serbs as the State Department sponsored this miserable miscarriage of justice in the Swiss Bank case. They held a conference on the settlement in Washington in 1999 in which Serbia was excluded while the those who perpetrated the Holocaust like Croatian, Bosnian, Austrian and Argentine Nazis were invited to participate—making the criminals who stole the Nazi gold partners in determining how the spoils would be divided. What a disgraceful legacy of this moronic Clinton administration. “Foggy Bottom” is a great name for Washington where the bottom feeders of the cesspool are like cat fish—all mouth and no brain.

Tom Easton is a Quaker, Jon Levy is Jewish but their faith has nothing to do with the Vatican Bank case, but their integrity does. Tom Easton is a veteran civil rights attorney in Northern California. Tom has traveled extensively in Russia and Europe and holds a Masters degree in History. Tom Easton mortgaged his home to fight this case while “Bucky” Zimmerman was giving thousands in campaign contributions to Clinton-Gore.

If TOM EASTON is a QUAKER - Then his ancestors are WHITE ANGLO-SAXONS (Protestant Bible Believing Christians). The WHITE ANGLO-SAXONS did fought bravely against the Catholic Church. The WHITE ANGLO-SAXONS as the Ancestors of ERIC JON PHELPS helped in the preservation of the Bible integrity (KING JAMES VERSION 1611 By order of KING JAMES OF ENGLAND) that the Catholic wishes to destroy the integrity of the Bible by publishing Latin Vulgate & Rheims.

I Bobby G. Limeta is the only Filipino friend and dear brother of ERIC JON PHELPS - And we are ALLIEDS fighting and exposing the hidden crimes of the Roman Catholic Church. But soon, my life will be in great danger as the Philippines is the territory of the Roman Catholic Church. Eliseo Soriano is the only sensible Bible Preacher that attacked and exposed the Catholic Church's crimes in public television in the Philippines and I believed to Eliseo Soriano as his life is now also in great danger.

Jonathan Levy is a California attorney who has represented organizations and individuals in a variety of Holocaust related lawsuits including banking, insurance, and slave labor matters. I assure you that Tom Easton and Jon Levy are not interested in any out-of-court settlement that do not include a full apology from the Vatican for what hundreds of their priests did to Serbs, Jews and Gypsies in Croatia or without the

release of Vatican archives that will finally expose the truth.

In Ms. Friesen's article she mentions various "respected" Jewish organizations like the World Jewish Congress and the Simon Wiesenthal Center of Los Angeles "who urged the Vatican Bank to open all its World War II archives." This is the same Wiesenthal Center who 4 times in recent years invited the Serbian Holocaust Museum in Belgrade to bring an exhibition on Jasenovac to the Museum of Tolerance in Los Angeles and 4 times cancelled the exhibition.

The World Jewish Congress set the stage for public relations sponsored Serbophobia throughout the 1990s. Their officials were as vile in their anti-Serb racist rhetoric as the State Department. Serbs can't count on the Jews to be honest anti-genocide brokers when they have never lifted a voice to recognize the thousands of Serbs who share common graves with Jews because those Serbs were caught hiding their Jewish neighbors in their attics, barns and basement during the Holocaust. Not a single Serb was made "Righteous" by the Jewish faith for saving the lives of over 20,000 Jews in WWII Yugoslavia. These Jewish organizations still have not managed to get beyond insultingly calling millions of non-Jewish victims of the Holocaust, "the others." A sign at the Museum of Tolerance in Los Angeles reads, "Hope Lives When People Remember." Jews mock these words by forgetting the "other" 30 million victims of the Holocaust. A wall map in the exhibition at the Museum of Tolerance shows all of the Concentration camps of WWII. Next to each camp is listed the number of dead—except for the Jasenovac Concentration Camp known at the "Auschitz of the Balkans" where 30,000 Jews were put to death. Is the Wiesenthal Center and the Museum of Tolerance afraid if they disclose the number of Jewish victims of Jansenovac they would need to recognize the 450,000 Serbs and Roma victims, too?

Now that you know some of the details about the players in the Vatican Bank law suit, you be the judge of who should represent Serbian interests. Frankly I don't trust Zimmerman-Reed. I particularly do not trust Ms. Friesen their inexperienced attorney who found it necessary to fly 2,500 miles for a 15 minute meeting with me only to announce that she and her friend were headed for the nearest beach. Ms. Friesen admitted that "this was her first trip to California" and she "had to squeeze a lot into two days." I bet she did, like Rodeo Drive, Universal Studios, Disneyland and a few night clubs. My relatives were nothing more than a fast ticket to California under the guise of defending my rights. But more importantly, Serbs should be weary of once again being divided into different camps or working in cross purposes. Have we learned nothing in the past 10 years or are we simply suckers for anyone who shows the slightest bit of interest in our ethnic plight?

The scope of the class action lawsuit against the Vatican Bank and other defendants is worldwide. Any person or organization that lost property or was a victim of the Ustashe regime in Croatia is eligible to participate, this includes heirs. Since the lawsuit process is at its very early stages, the Court has not yet decided if this matter may proceed.

Therefore it will be important to demonstrate to the Court the worldwide class is both numerous and diverse, we need potential claimants to come forward from all groups of victims in as many states and countries as possible. We especially need claimants from Yugoslavia and California. We are STILL gathering the stories of WWII Ustashe atrocities. We anticipate that the defendant Franciscan Order may deny its participation with the Ustashe regime despite the well documented historical evidence to the contrary—any stories or testimonies about the Franciscans or Catholic Church in Croatia during 1941 to 1945 would help our case. Indeed all stories are important because they demonstrate to the Judge the importance of our cause.

If you would write yours for us, and sign it as a Declaration Under Penalty of Perjury for our eventual use in federal court, we will be very appreciative.

This is what I'm strongly claiming before, that I've on my possession a 1997 Philippine Newspaper "BALITA", the picture of ADOLF HITLER living in Santiago, Chile at the age of 108 years old. Photographed and interviewed by Ernesto Pinero Suarez (Chilean Journalist) and his wife Eva Braun just died on 1972. Contrary to the traditional corrupted history that the couple committed suicide in their bunker in Berlin on 1945 when the Soviet Red Army under Gen. Geogi Zhukov entered Berlin. I have calculated the age of Hitler, he was born on April 20, 1889. His last stand in power when Berlin, Germany fell into the Russians and the Allies was 1945.

1945 - 1889 = 56 Years Old. Ideal age as a matured and capable leader of a nation. I received the newspaper on the early morning of 1997.

1997 - 1889 = 108 Years Old. GOD does not allow man to live more than 120-years old in the Book Of Genesis (Bible). But 108 is still possible for there are people in Japan and France still alive at the age of 110 to 115 years old. So it is possible. The VATICAN RATLINES is the secret passage route provided by the Vatican Roman Catholic Church for so many NAZI War Criminals & Ustashi War Criminals which includes hundreds of Catholic Priest. Their safe haven is South America. Hitler escape by planes and reached Norway still under German control on 1945 aboard Arado Class Aircraft. Then from Norway, they took U-BOAT German submarines in convoy. At the middle of the Atlantic, a secret refuelling ship awaits. Then they reached Tierra Del Fuego in South America. The allies intercepted radio message from Admiral Carl Doenitz a word Tierra del Feugo. This controversy was also shown in the Discovery Channel.

For whatever the VATICAN do with all its might and influence, they can't hide the truth. Why there are evidence being surface as times goes on. We waited 60-years and only now some hidden secrets of the VATICAN is emerging. I personally point my finger without a doubt and as per my own belief and discretion that Cardinal EUGENIO PACELLI a.k.a. POPE PIUS XII is the main and real CULPRIT of all of these WAR CRIMES as I've said it for so many times, again, again and again. I've also re-attached for you to see the face of CARDINAL PACELLI a.k.a. POPE PIUS XII what he really look like.

JESUS CHRIST said " THE LAST REVENGE IS MINE, NOBODY CAN ESCAPE " wait a little time and be patient as the RUPTURE is very near. And the FINAL RETURN OF JESUS CHRIST to judge the living and the dead in front of the Holy Angles & GOD

ALMIGHTY. THE CATHOLIC CHURCH will be punished by Fires & Explosions TOTAL DESTRUCTION - ALAS! BABYLON THE GREAT IS FALLEN, THE MOTHER OF ALL HARLOTS AND ABOMINATIONS TO THE LORD. THE VATICAN WILL BECOME THE HABITATIONS OF DEMONS, EVERY FOUL SPIRIT AND HATEFUL BIRDS ACCORDING TO THE BOOK OF REVELATION. ALL TEMPORAL POWER IN THIS WORLD WILL COME TO AN END AS PROMISED BY GOD TO BE EXECUTED BY JESUS CHRIST.

MILLIONS OF FAITHFUL CATHOLICS WHO ARE ENERGETIC AND STRONG-BODY WILL SOFTEN THEIR SMART STANDING DUE TO FRUSTRATION. AS RIGHT BEFORE THEIR EYES THAT THEIR CHURCH WHERE THEY HAVE PLACED THEIR TRUST AND CONFIDENCE FOR THE SALAVATION OF SOULS WILL BE DESTROYED. MANY MIGHT GET MAD TO ME, BUT PLEASE OPEN YOUR EYES AND YOU WILL SEE. OPEN YOUR EARS AND YOU WILL HEAR AND OPEN YOUR HEARTS AND THE LOVE OF JESUS CHRIST WILL ENTER YOUR HEART. FOR ONLY RIGHTEOUSMEN WILL ENTER HEAVEN AND THOSE EVIL DOERS THE LAKE OF FIRE (HELL) IS WAITING FOR THEM AS A WARNING FROM GOD.

YOU WILL SEE AS I'VE SAID AGAIN AND AGAIN, WHY THE PHILIPPINES GOES DOWN TO POVERTY AND WRECKED, THE HISTORY OF THE KATIPUNAN, RIZAL, BONIFACIO, MELCHORA AQUINO, DIEGO SILANG, APOLINARIO MABINI, FILIPINO PRIEST WHO DISCOVER ATROCITY OF THE CATHOLIC CHURCH WAS ALSO EXECUTED - GOMEZ, BURGOS & ZAMORA. HIDDEN FROM THE MINDS OF MILLIONS OF FILIPINO, THE FATHER OF DR. JOSE RIZAL WAS ALREADY DEAD & BURIED 4-DAYS. TWO POOR UNDERTAKER EXHUMED THE DEAD BODY (CORPSE) AND THROW INTO LAGUNA DE BAY AND WAS RUSH BY WATER ALMOST INTO PASIG RIVER. THIS HAPPENED BY THE ORDER OF A ROMAN CATHOLIC PRIEST DAMASO. JOSE RIZAL DURING THAT TIME WAS STUDYING EYE SURGERY IN FRANCE. RIZAL LEARNED THE FATE OF HIS FATHER, DR. RIZAL GONE WILD AND OUTRAGED IN ANGER TO WHAT THE CATHOLIC CHURCH DID TO HIS FATHER'S CORPSE DUGGED-OUT AND THROWN INTO LAGUNA DE BAY. THIS HISTORY IS BEING HIDDEN BY THE CATHOLIC CHURCH BY ALL COST USING THEIR WEALTH AND INFLUENCE, ENTERTAINING FANTASY TV SHOWS, MOVIES, INTRIGUING STORIES ABOUT ACTORS AND ACTRESSES RELATIONSHIPS DIVERTING OUR SENSIBLE ATTENTION. DID THE FILIPINOS KNEW THIS. WHAT WE ALL FEEL IF IT IS ALSO DONE TO OUR FATHERS.

THE ATTACHED DOCUMENTS (PDF FILE) CAME FROM NORTHERN DISTRICT COURT OF CALIFORNIA AND SIGNED BY ELIZABETH D. LAPORTE (MAGISTRATE JUDGE OF UNITED STATES - CALIFORNIA). AS TO WHY THE VATICAN IS UNDER CRIMINAL TRIAL COURT. AN INTELLIGENT QUESTION, WHY THE VATICAN IS UNDER CRIMINAL TRIAL COURT ? DID THE VATICAN DONE A SERIOUS CRIMINAL OFFENSE TO HUMANITY ? A PRACTICAL THINKING WILL BE YOURS TO DECIDE.

ANYONE WHO HAS A PURE AND KIND HEART WITH GENUINE UNDERSTANDING THAT READ THE BOOK OF REVELATION - THE GREAT BABYLON MENTIONED BY ST. JOHN IS NO OTHER THAN THE VATICAN.

Title: Georgetown's \$20 Million Gift by *ERIC PHELPS*

CRAIG-OXLEY - December 17, 2005 12:45 AM (GMT)

Dear Friends,

This gift of twenty million dollars to Georgetown University by a Saudi "Prince" is more circumstantial evidence that the Jesuits and Wahhabi Islam work together. When the Order finished using their SS/SD in Europe and the USSR destroying 20 million Orthodox Christians, 6.8 million Jews and Protestant Prussia, many of the bloodiest SS men descended into the Arab world via Pope Pius XII's "Vatican Ratlines." One of them was the brutal popish crusader in command of released convicted criminals, SS Oberfuehrer Dr. Oskar Dirlewanger, the old friend of one of Himmler's inner circle, SS General Gottlob Berger. Dirlewanger "escaped" from American custody, and according to a footnote in Alan Clark's Operation Barbarossa, was living in Egypt in 1963 having been an advisor to the former Prime Minister, Gamal Nasser. It is also most interesting that the American Press never reported this; the Order's New York City-based CFR was then, as it is now, ruling the Media.

The Jesuits rule the oil bonanza of Saudi Arabia, and thus control all the immense profits derived from America. The Black Pope's Rockefeller petroleum empire built the Kingdom's oil fields, and his Knights of Malta, like the late Spyros Skouras, transport the oil, via their huge tankers, to the West. We must never forget that Roman Catholic fascist and occult Freemason Benito Mussolini---titled "the Protector of Islam" by Libya in 1937 and who hated the Jews evidenced by the anti-Jewish policies of his "Grand [P2 Masonic] Council of Fascism"---was continually under the scrupulous advisement of the powerful Secretary of the Society of Jesus, Pietro Tacchi-Venturi. This Fascist/Saudi/Wahhabi/SS/Nazi connection to Jesuit Georgetown University, its President being Knight of Malta and CFR member John J. DeGioia, reveals the complicity of the Bush Crime family in partnership with the Nazi Wahhabis. Even Jesuit Temporal

Coadjutor Roman Catholic Michael Moore rightly stresses the relationship between the Saudis and the House of Bush. But Moore never mentions, nor will ever mention, that George H. W. Bush is also a Knight of Malta and bosom friend with the King of Spain, Jesuit-trained Knight of Malta Juan Carlos---the immediate master of Javier Solana, Shimon Peres and Ariel Sharon.

This fact gives rise to a few other most bitter conclusions. If the Jesuits control the Masonic House of Bush ruling America (and they do), and if the Jesuits control the Masonic House of Saud ruling Saudi Arabia (and they do), and if the Jesuits control the Masonic Jewish Zionists ruling Israel (and they do), and if the Jesuits control Knight of Malta Tony Blair and the British government via the RIIA ruling Great Britain (and they do), the present war in the Middle East is in fact a Papal Crusade, and when finally reversed, after the American troops are betrayed by their CFR-controlled Joint Chiefs of Staff, a Papal Crusade against post-Reformation Western Culture. Did not President George W. Bush called the war "a Crusade" in an open press conference?

In reviewing the last forty years of CIA/FBI-created Islamic agitation here in the US, it appears that the American people were being psychologically prepared for waging an extended war against the Islamic peoples of color, a war decreed by the secret councils deep within Vatican walls. It started with Sirhan Sirhan way back in 1968. Obviously he never killed Robert F. Kennedy, remembering the words of JFK's assassin, LBJ, he declaring, "Bobby made trouble for the party." Indeed Bobby did. RFK wanted to end Cardinal Cooke's war in Viet Nam. To this day, Sirhan denies that he ever shot RFK in Los Angeles, not to mention the LAPD destroyed thousands of pieces of evidence disproving the false conclusion that Kennedy was killed by "a lone nut." Then, we have the growth of Masonic Louis Farrakhan's Black Nation of Islam cult (controlled by the Archbishop of Chicago), especially in the White Roman Catholic cities of the North, infusing hatred for all "blonde-haired, blue-eyed White devils," so as to incite a future race war as predicted by Black Masonic separatist Marcus Garvey who was deported in 1925 by the Jesuit-controlled Justice Department of President Calvin Coolidge. Thanks to wicked forced integration of Blacks and Whites in the public schools through the unanimous *Brown v. Board of Education* decision of 1954 (benefiting the Papacy); the socialist Civil Rights Act of 1964; the Voting Rights Act of 1965 (backed by Black Freemason A. Philip Randolph and White Freemason President Lyndon Johnson---whose best friend was his local Roman Catholic priest "Father" Schneider); and the socialism that sprang from "one man one vote," huge, lawless, easily-agitated Black populations in nearly every major US city can be recruited into the NOI through deliberately created agitations promoted by the Jesuit Theater in "Hellishwood," or by government-induced disasters like the underwater demolition of the levee in New Orleans.

Meanwhile, the Islamic Terrorist Network, via immigration under the aegis of the

Jesuits at Georgetown, was being built within the US since the time of the RFK assassination. This very Network, overseen by the CIA and aided by the NOI, was used to kill Rabbi Meir Kahane in New York City: he had called for the separation and deportation of all Arabs from the nation of Israel---a most biblical idea! Deportation of the Greek Orthodox people back to Greece from Turkey, and the return of Greece's Islamic Turks back to Turkey, worked in 1922---but never may THAT "abomination" be implemented in Israel! The agitation must continue; more of the Lord's beloved Hebrew/Jewish/Israelitic people must be murdered; and the resultant Israeli/Arab diplomacy (the Order controlling the leaders of both factions---Sharon and Abbas) must proceed---to the benefit of that antichrist in the Vatican.

Constructed for a controlled demolition back in the 1980s, with built-in explosive charges and X-bracing that was merely bolted instead of welded, the World Trade Center was carefully demolished on 9-11-01. The unified American Intelligence Community successfully created the necessary incident with which to justify---on that very day---the present Anglo-American-led Crusade into the Middle East. That Nazified Intelligence Community (thanks to the Vatican Ratlines, Cardinal Spellman's "Operation Paperclip" and the Order's "Secret Treaty of Fort Hunt" between Gehlen's Nazis and the American CFR-controlled government) had been working with Wahhabi Islam for the last fifty years. The House of Bush and the House of Saud were financially interlocked and both had been aiding the Pope's Third Reich prior to, during and after the second round of the Black Pope's Second Thirty Years' War against Germany (1914-1919; 1933-1945). And since the House of Saud and the House of Bush were business partners in a host of enterprises (including the militaristic Carlyle Group headed by a former Deputy Director of the CIA---Knight of Malta and CFR member, Roman Catholic Frank C. Carlucci), the Saudi-financed and CIA-built Al Qaeda Terrorist Network (like the Order's International Anarchist Network of the Nineteenth Century) took the blame for 911. The Black Pope, ruling the Masonic Jewish Zionists governing Israel as well as the nation's Chief Orthodox Rabbi of Jerusalem, could now seek to accomplish what Ignatius Loyola sought to do back in the 1540s.

Indeed, Loyola made a pilgrimage to Jerusalem intending to free the city from the Moslems and there establish his base of operations. The Franciscans, then in charge of the Pope's property within the city, told him to return to Europe. Loyola obeyed and arriving in Spain, began his Latin lessons; but he never gave up his secret quest to free Jerusalem from the "infidels." The Spanish Jesuit Coadjutor Miguel de Cervantes Saavedra characterized his master Loyola in the person of "Don Quixote," after whom is named Cervantes' famous work, Don Quixote de la Mancha, the first half released in 1605 and the second in 1615. (It is the favorite of Jesuit Coadjutor Fidel Castro as well as the present Venezuelan Roman Catholic dictator, Hugo Chavez.) Yes, knight errant Don Quixote, "the noble of armor," is

the personification of none other than Ignatius Loyola---the hero of the Jesuit Order. Therefore, every member of Yale's "Order of Skull and Bones," after "kissing the slippered toe of the Pope," has been knighted by "Don Quixote" in the tomb, and thus becomes a "Knight of Eulogia" (i.e., "Knight of the Virgin Mary," as Loyola first called his soldiers) and thus a Jesuit Temporal Coadjutor serving the Pope of Rome. Masonic Bonesmen William Howard Taft, George H. W. Bush and George W. Bush have been merely Presidential slaves of the Pope.

In light of the above alliance between the Masonic Nazi/Bonesman House of Bush and the Masonic Nazi/Wahhabi House of Saud, the nearly seven million Jews of North America, are in great peril. As the Order's Nazis and Wahhabis openly united for the destruction of Orthodox Christians and European Jewry, so will it be here in the Pope's "Holy Roman" Fourteenth Amendment American Empire. What is needed is another great terrorist event involving atomic devices coupled with biologicals pre-placed by the CIA/SVR/KGB intelligence apparatus. When that detonation is released, without question many Jews will die, while the economic infrastructure will remain in order to continue production for the Crusade. A source in New Jersey has told me that key Jesuits are moving out of Long Island; that he believes, given the characteristics of the place, it would be the perfect location for the anticipated event. One of the more notorious targets is the massive Jewish population of the Island. With the large, welfare-dependent, anti-White, Jew-hating, savage Black population (as opposed to the minority civil Blacks) lapsing into mass violence once the bridges are down, those Jews who will not be killed by the blasts or the attendant biological release, will be raped, robbed and murdered. The resultant chaos will justify more martial law (yes, the Patriot Act will be renewed by the Senate) and ultimate "total war" will be declared, as championed in the past by the Order's Jesuit-trained Roman Catholic Rhinelander, Joseph Goebbels, Hitler's Nazi Propaganda Minister.

Therefore, if I was a Jew living in Long Island, I would move to the mainland ASAP! The sooner the better. And if I really wanted to escape the Company's North American "killing floor," I would return to Israel, though the nation is in preparation for war, thanks to the Order's wicked "Road Map" policy and Iran's nuclear program aided by Russia. Realizing the Word of God declares that once Israel has been established as a nation, though the people know not their Messiah (Ezekiel 38:8), she will continue to exist until her Messiah appears at the Mount of Olives (Zechariah 14:4). Israel is presently safer for the Jew than North America. Bonesman Paul Martin runs Canada; Bonesman George W. Bush runs the US; and both work for the master of all Bonesmen---the Black Pope, Peter-Hans Kolvenbach.

Sincerely in Faith,

Brother Eric

The moon goddess Allah unmasked at last!!

Allah is just another name for the great mother goddess Cybele:

Mother goddess Cybele. Variations of her name include Kybele, Khubele, Cybebe, Kybebe, Kubaba, Gubaba, and Kupapa. In Rome she was surrounded by lions.

Cybele was the original name of this goddess and at her home in Pergamos, Asia Minor, she is associated with a METEORITE CUBE.

Cybele was brought to Rome about 200 B.C. and was carefully moved by the matrons of Rome to the Temple of Victoria until a Metroon was built in 191 B.C. The black meteorite was adapted as the head of the cult statue. Cybele, like Diana of the Ephesians, was a "black virgin."

Cybele soon became the chief false goddess of Rome and was associated with her consort Attis.

In Rev. chapter 3 verse 13, Jesus refered to Pergamos and said that Satan's seat was there!!

Cybele was later called Allah in Arabia and the worship of the CUBE or BLACK STONE

The moon goddess Allah with her hands on the backs of 2 leopards. This statue was found in Catal Huyuk, Turkey, near the city of Ephesus.

The mother goddess Cybele or Allah about to give birth with her hands on the backs of 2 leopards.

This is probably one of the oldest statues of the moon goddess and clearly shows the crescent moon.

It was found at Catal Huyuk in present day Turkey near the site of the city of Ephesus.

It was in the area of Mount Ararat in Turkey that the Ark of Noah came to rest and the people began to repopulate the earth.

Around 100 years after the great Flood, Nimrod became renowned for his hunting abilities and he was the first person to gather the people into communities. He was also the builder of the Tower of Babel and the head of the idolatrous system know in the Bible as "MYSTERY, BABYLON THE GREAT, THE MOTHER OF HARLOTS AND ABOMINATIONS OF THE EARTH" " (Revelation 17:3-5).

Posters call for race riots

News Brief – December 15, 2005

Prompted by recent racial disturbances in Australia, posters have appeared in New Zealand from a group calling itself "White Crusaders of the Racial Holy War". Rather than react with media induced shock, we should be asking ourselves: who benefits?

Particularly in light of the "War on Terror" and plans by leading Freemason Albert Pike (1) over 100 years ago, to foment global conflict between the various faiths: we should be looking for the covert involvement of any Intelligence outfit.

And note how the organisation behind the posters was previously unknown, even by other campaigners on the far right, and how it appeared so quickly to conveniently exploit the recent disturbances in Australia. Almost on cue.

Ultimately, this all falls into the pattern of plans first laid out by Pike to foment global conflict and then usher in a new global faith based on Satanism. Ed.

Posters call for race riots

Kim Ruscoe – Stuff.co.nz December 15, 2005

Inflammatory posters calling for New Zealanders to show "white power" and riot Australian-style are being pasted up at Wellington railway stations.

"If Sydney can do it so can we...let's take back our land," the posters – found at Khandallah and Simla Crescent stations – say. A poster was also reported to have been seen at Raroa station near Johnsonville.

Khandallah train commuter Brent Cantwell said he was appalled by the poster.

"It's just terrible, it's awful," he said.

John Grant, of Churton Park, said the posters were shocking but he did not believe race riots like those at Cronulla beach in Sydney over the weekend would happen here.

A 5000-strong alcohol-fuelled mob, some waving flags and chanting racist slogans, chased and beat people of Middle Eastern appearance at Cronulla beach on Sunday.

White supremacist group "White Crusaders of the Racial Holy War" claims to be behind the Wellington posters.

Sergeant Maggie Windle, of Wellington, said the group was not known to police. Nor was it known to Kerry Bolton, a former National Front secretary and now spokesman for breakaway group New Right. He was not impressed with the posters, saying New Zealanders would be better directing their attention to the politicians and businessmen who were responsible for immigration.

Race Relations Commissioner Joris de Bres said he had not heard of the group either but was not surprised it existed in New Zealand.

There had been a number of race hate incidents over the past year, including the vandalism of Muslim worship centres in Auckland and abusive letters being stuffed with pork and sent to Wellington Muslims.

"There are people in New Zealand who have the kind of views evident in Australia but they have never had much of a following in New Zealand," he said.

The White Crusaders' Internet website says the movement is based on the writings of Ken Klassen, the founder of Creativity, a religion that believes whites are royalty and shuns race mixing or any social intercourse with "the inferior mud races".

The Dagon Connection

One of the mystery religions involved the Philistine idol of the fish-man god called Dagon, which was also referred to as the devil.

The most famous temples of Dagon were at Gaza (Judges 16:21-30) and Ashdod (1 Samuel 5:3,4; 1 Chronicles 10:10).

Dagon was represented with the face and hands of a man and the lower half the body as the tail of a fish (1 Samuel 5:3-4).

The fish-like form was a symbol of fruitfulness, and as such was likely to be adopted by seafaring tribes in the representation of their gods, which is why Rome who ruled the seas easily adopted the mystery religion.

Search for pictures of the Dagon priests and you'll find they wore fish costumes with fish head hats similar to today's miter. The fish symbol Christians use today is literally one of the many marks of the beast Dagon.

Here we see carvings and diagrams of Dagon priests and their fish head hats along side the Pope with his similar fish head hat holding the crooked cross of Mithra. The carving on the left shows the Dagon priests sprinkling holy water.

Image Hosted by

www.tripod.com

Here we see the drawing of the pagan goddess Cybele with the fish head of dagon on her head and the device used to sprinkle the holy water.

Cybele was worshipped in Rome and was called the great queen mother goddess.

Some scholars say the Basilica of Saint Peter actually stands upon the former site of Cybele's main temple.

Also there are some who say the fish head hat of the priests of Enki (a Sumerian god

of the earth and world order) later became the miter of the bishops.

Enki was part of the tri gods who was considered the god of 'water' and the one having devised men as slaves to the gods. Just as the Dagon priests sprinkled holy water in ceremony, so too did the priests of Enki- this god of water. He was even commonly represented as a half-fish, half-goat creature.

In actuality calling Christians fish, symbolizing them with the fish, and calling the disciples as fishers of men has little or nothing to do with the Jesus of Capernaum. Dagon's son was Baal the god of harvest. The many analogies of the fish and the mentions of harvests, wheat and tare, the seeds along with shining sunlight and water flowing to watering it, are all lures to converge the mystery cults in with the new compiled religion.

In fact the tradition of eating fish on Friday comes from many different pagan cultures. Aphrodite Salacia, the fish Goddess, was worshipped by her followers on her sacred day of Friday. They ate fish and engaging in orgies. Which is how the word "salacious" meaning lustful became used. The Christian church assimilated this tradition by requiring the faithful to eat fish on Friday.

Throughout the Mediterranean, mystery religions used fish, wine and bread for their sacramental meal and ancient Rome called Friday "dies veneris" or Day of Venus, the Pagan goddess.

Venus is the one in the fable of the mystic egg of the Babylonians about the giant egg falling from heaven into the River Euphrates. The fishes rolled it to the bank where the doves having perched upon it, hatched it. What came out of this egg was Venus-also referred to as the morning star. Venus afterwards was called the Assyrian goddess or Astarte, the queen of heaven.

In all of these stories we find the tradition of Easter born from these mystery legends as Easter was just another name for Astarte. This festival in ancient Babylonianism of Astarte (known as Istar or Easter), was about her son coming back from the dead which is why the Easter celebration has the symbolic egg as well as the Astarte name for the celebration of the borrowed mythical resurrection of the Bright Morning Star -Jesus (Revelation 22:16).

I have no doubt that Merovee existed, but I find the idea of two fathers laughable. :rolleyes:

If the Pope is such a man of faith why does he ride in an armoured car?

ArchAngel - December 15, 2005 03:23 AM (GMT)

The Pope had become very ill and was rushed to see many doctor's, none of whom could work out what was wrong with him. Finally he was bought to an old physician who stated he could figure it out. After about an hour's examination he told the cardinals that he knew what was wrong. He said that the bad news was that it was a rare disorder of the testicles. He said that the good news was that all the pope had to do was have sex and he would be cured. Well.. this was not good for the cardinals, who argued about it at length. Finally they went to the Pope with the docotor to explain the situation. The Pope agreed to having sex but only under 4 conditons. The Cardinals were amazed, and there was quite an uproar. Suddenly a single voice was heard saying, "and what are the four condions" The room stilled. There was a long pause. The Pope replied that the girl must be blind so she could not see who he was. Second, she must be deaf so she cannot hear me and third, she must be really dumb so if she works out who I am she cannot tell anyone. after another long pause, another voice asked, "and what's the fourth condition"..The Pope replied "Big Tits!"

Hagbard Celine - December 12, 2005 09:07 PM (GMT)

I only saw the second half of this programme, but the presenter seemed pretty confident that that Opus Dei is a harmless organization; not the corrupt, militant inquisition that you read about in "The Da Vinci Code". The real Opus Dei might be different to the one in the book, but I am not convinced that it is harmless. It might do a lot of good community services on the one side, like providing schools for deprived children in America, but if it was a corrupt organization it would need to show a "false colour" that would divert people's suspicions.

As a lapsed Catholic, I am familiar with the average church-goer's reluctance to be suspicious. The parish priest at my church was once very cruel and unfair to one of the altar servers and nobody dared to question him. He just said: "I am the priest and it's my decision!" and everyone shut up. If Opus Dei wanted to engage in such underhand actions as you read about in Dan Brown's book they would probably get away with it.

CRAIG-OXLEY - December 13, 2005 01:50 AM (GMT)

Remember where you watched the show and it wasn't an underground station etc was it? No it was good old Jesuit controlled Channel 4 meaning it was a white wash. You must remember that Dan Brown is a Temporal Coadjutor working for the Jesuits and the Church. The idea of his book was to help promote Jesus with the bloodline nonsense and also to divert attention away from the Jesuit Order onto Opus Dei. All this is done so that flaws can be picked out of his bad work and then people don't believe hardly any of it again. Its the same old Jesuit scenario and it gets tiresome. Now remember Channel 4 is probably the biggest promoter of the Jesuit Novos Ordo agenda there is with Chemtrail intros, big brothers and all sorts of programming reality and crap TV.

Georgetown Receives \$20 Million Gift

HRH Prince Alwaleed Bin Talal's Gift To Expand Center for Muslim-Christian Understanding

Georgetown University has received a \$20 million dollar gift from HRH Prince Alwaleed Bin Talal, an internationally renowned businessman and global investor, to support and expand its Center for Muslim-Christian Understanding (CMCU). **The Center, part of the Edmund A. Walsh School of Foreign Service at Georgetown, is an international leader in inter-religious scholarship and research, in particular Islamic studies and Muslim-Christian relations.** The Center will be renamed The HRH Prince Alwaleed Bin Talal Center for Muslim-Christian Understanding. **This endowed fund is the second largest single gift in Georgetown University history.**

"We are deeply honored by Prince Alwaleed's generosity," said Georgetown University President John J. DeGioia. "This gift will deepen Georgetown's ability to advance education in the fields of Islamic civilization and Muslim-Christian understanding and strengthen its presence as a world leader in facilitating cross-cultural and inter-religious dialogue. At this time of world conflict, Georgetown is committed to build upon our role as a Catholic, Jesuit institution in fostering greater understanding among religions around the world."

"This generous gift reflects the commitment of Prince Alwaleed to inter-religious understanding in the Muslim world and the West. It will enable the Center in these critical times to significantly expand its programs, influence and impact both here and overseas," said Dr. John L. Esposito, Founding Director of the Center for Muslim-Christian Understanding.

"I am pleased to support the Center for Muslim-Christian Understanding. It is vital for the monotheistic religions to reach a common ground of understanding and to gain

knowledge about what unites our civilizations," said Prince Alwaleed. "We are determined to build a bridge between Islam and Christianity for tolerance that transcends cultural and geographical boundaries."

Prince Alwaleed's gift will allow the Center, founded in 1993 as the only program of its kind to build stronger bridges between the Muslim world and the West as well as between Islam and Christianity, to strengthen its mission. The founding of the Center was made possible through the initiatives and generous support of Hasib Sabbagh, a longtime supporter and former member of the Georgetown University Board of Directors. The gift will endow three faculty chairs, expand programmatic and academic outreach activities, provide new scholarship support for students, broaden opportunities for research and policy discussions and expand library facilities. The professorships and scholarships funded by HRH Prince Alwaleed's gift also will be named in his honor.

Prince Alwaleed, Chairman of the Kingdom Holding Company and a member of the Saudi Royal Family and one of the world's leading philanthropists, supports many educational and humanitarian initiatives. He recently donated \$20 million to the Louvre in support of its collection of Islamic art and created the first Centers for American Studies and Research in the Arab World at the American University of Beirut and the American University in Cairo. He has also made donations to President George H.W. Bush Sr., Scholarship fund established by Phillips Academy, the Carter Center for Peace and Health Programs in Africa, and given substantial aid to the Tsunami victims.

CRAIG-OXLEY - December 14, 2005 12:02 AM (GMT)

[Taken From](#)

CAESAR'S MESSIAH ; A SUMMARY OF FINDINGS

Our understanding of Jewish and Christian history has changed dramatically with the publication of Caesar's Messiah by Joseph Atwill (Ulysses Press), which had previously been privately published under the title The Roman Origins of Christianity. According to Atwill, the Gospels are not accounts of the ministry of a historical Jewish Jesus compiled by his followers sixty years after his death. They are texts deliberately created to trick Messianic Jews into worshipping the Roman Emperor 'in disguise'. The essence of Atwill's discovery is that the majority of the key events in the life of Jesus are in fact satirical: each is an elegant literary play on a military battle in which the Jewish armies had been defeated by the Romans. This is an extraordinary claim-but supported by all the necessary evidence.

Why would the Romans go to the trouble of writing and disseminating such a text? The Jewish War, culminating in the destruction of the temple in Jerusalem in 70 CE, had devastated the Mediterranean economy, and the Romans were anxious to prevent another messianic outbreak, which could easily lead to another 500,000 deaths-as the Bar Kochba revolt would demonstrate a generation later. In order to make any reconstruction of the country lasting, the Romans needed to offer the Jews alternative stories that would distract them from the messianic messages inherent in the Torah, and persuade them to accept Roman values.

According to Atwill, the Romans' solution to these problems was to create a special kind of post-war propaganda. They called it in Greek *evangelion*, a technical term meaning "good news of military victory." In English, it is translated as "gospel." The name is in fact ironic humor: the Romans were amusing themselves with the notion of making the Jews accept, as the actions of the Messiah Jesus, what were in fact literary echoes of the very battles in which the Romans had defeated the Jews' armies. A further joke was buried in unmistakable parallels between the life of Jesus and that of Titus: in worshipping Jesus, the Jews who adopted Christianity, as it came to be called, were in fact hailing the Emperor of their conquerors as god.

To replace the Torah, then, the Romans created a literary equivalent, the gospel of Matthew (and shortly thereafter the Hellenistic and Roman versions known as Luke and Mark). The central literary character, called Jesus (or Joshua) inhabits a plot with various peculiar features: he begins his efforts by the Lake of Galilee; sends a legion of devils out of a demon-possessed man and into pigs; offers his flesh to be eaten; mentions signs of the destruction of Jerusalem; in Gethsemane a naked man escapes; Jesus is captured at Gethsemane on the Mount of Olives; Simon denies knowing him; he is crucified with two other men and only he survives; he is taken down from the cross by a man called Joseph of Arimathea; his disciple John survives but his disciple Simon is sent off to die in Rome; after his death his disciple Judas dies by eviscerating himself.

Each of these peculiar events has a parallel in the writings of Josephus, our main record of the military encounter between the Judeans and their Roman conquerors-even to the unusual crucifixion in which three men are crucified, and a man named Joseph takes one, who survives, down. To give a flavor of the humor buried in this grand Roman joke, we see that where, in Josephus, the crucifixions take place at Thecoe, which translates as the "Village of the Inquiring Mind," the gospel's satiric version takes place at Golgotha, or the "Hill of the Empty Skull."

Events at the Lake of Galilee launch the Judean careers of both Titus and Jesus. There Jesus called his disciples to be 'fishers of men'. There the Roman battle took place in which Titus attacked a band of Jewish rebels led by a leader named Jesus. The rebels fell into the water and those who were not killed by darts "attempted to swim to their enemies, the Romans cut off either their heads or their hands" (Jewish War III, 10). Men were indeed pulled out of the water like fish.

As for the episode of the Gadarene swine-in which demons leave a Gadara demoniac at Jesus' bidding and then enter into a herd of 2,000 swine, which rush wildly into the lake and drown-Josephus recounts the Roman campaign in which Vespasian marched against Gadara. In the same way that the demons were concentrated in one demoniac, Josephus describes the faults of all the rebels being concentrated in the one head of the rebel leader John. Then, rushing about "like the wildest of wild beasts," the 2000 rebels rushed over the cliff and drowned.

To take a third example, Josephus describes how Titus went out without his armor (and therefore to a soldier metaphorically naked) in the garden of Gethsemane, was nearly caught and had to flee. The parallel in the gospel of Mark is a naked young man who appears from nowhere in the Garden of Gethsemane and flees.

So far over dozen of these parallels have been identified -many of which had already been discovered by other scholars. But Atwill is the first researcher to have identified the overall pattern. The pattern in each case is the same. This fulfills the criterion for 'good' parallels set out by James R. Davila in his paper 'The Perils of Parallels', University of St Andrews Divinity School, (April 2001), which states that "patterns of parallels are more important than individual parallels" and "the larger and more complex the pattern of parallels, the more we should take them seriously."

Since the events occur in Josephus in exactly the same order as their counterpart events in the Gospels, probability theory can then be used to assess the likelihood that this might be due simply to chance, or instead, that one source copied the other. The calculation shows that it is over 99.9999% certain that one account was written based upon the other. This calculation takes a conservative approach that assumes that, once used, each of the eleven items could not be used again. The probability is thus calculated as 11 factorial, or $11 \times 10 \times 9 \times 8 \times 7 \times 6 \times 5 \times 4 \times 3 \times 2 \times 1$. This would equal 1 chance in 39,916,800. Expressed as a percentage, this means that it is 99.999997% certain that one account influenced the other. In other words, the likelihood that these parallel sequences occurred by chance is less than 0.000003%--effectively zero. (The alternative approach would assign truly random possibilities for each of the events, in which case the odds are calculated as eleven to the eleventh power, or one chance in 285,311,670,611, for an even more remote probability of 0.0000000003%.)

Since it is impossible to imagine that the Romans would have invented accounts of battles taking place in locations marked 50 years earlier by the ministry of Jesus, we need an alternative explanation, of which there is really only one, and it is Atwill's in Caesar's Messiah. The Gospels were written in the late 70s and 80s CE, about the same time as Josephus' The Jewish War. Key events in the life of Jesus were written as literary satires of the Roman battles, ambushes, crucifixions, cannibalisms, etc., in the military campaign of Titus Caesar, as recounted in Josephus. Rather than four different communities separated in time and space writing the NT Gospels (the

traditional understanding), they were written together as a single literary undertaking—possibly at the Imperial Court. The Jews who ended up following the false Messianic literary character 'Jesus' would, unbeknownst to them, really be worshipping the Emperor Titus.

Perhaps the most important new evidence for the ahistoricity of Jesus is the reading that Caesar's Messiah provides of a critical passage in Josephus' other major work, *Jewish Antiquities*. This is the famous 'Testimonium' passage in which is supposedly the major independent textual source for the historical existence of Jesus. Atwill demonstrates that this text is genuinely by Josephus. However, when read in context with the surrounding passages, it amounts to a confession admitting that the Flavian emperors invented the character of Jesus to deceive the Jews into worshipping a false messiah. The reader merely has to read the text as it was originally composed, using a well-known Hebrew compositional technique found in the Book of Leviticus, and known as 'pedimental composition'. This technique gives emphasis to the central passage of text by framing it with mirrored passages either side. (Thus, Leviticus 19, which concerns righteous dealing, is framed by two chapters about prohibitions).

Applied to *Jewish Antiquities*, the Testimonium passage about Jesus is evidently the left hand side of a triptych. The right hand side passage is about Paul, and the figure in the central panel, who is a composite of all three Flavian Emperors, wears the mask of a false god to have sex with a woman he could not persuade with gifts and money. The central focus of the triptych is that the Roman Emperors did not care about 'this business of names' but were willing to pretend to be a false god in order to be worshipped by the Jews. Patterns of word parallelisms link across the three panels of the triptych, to reveal the true story. (For example, the word *hedone* used for the Emperor's sexual enjoyment is also used—quite inappropriately—for the way that Christ's followers worship him, thereby linking the two stories).

Professor Robert Eisenman of California State University describes Atwill's research as rendering contemporary Christian scholarship so challenged that it is now "looking into the abyss". It is worth noting, in this regard, that the general scholarly consensus that there was a historical, Jewish Jesus is itself largely a recent historical idea, traceable to Abraham Geiger in the 1860's. He persuaded scholars that the Gospels were an account of a historical Jewish Jesus, a typical Pharisee of his day. Since then this view, and with it the notion of Christianity as a development of Judaism, has become the dominant paradigm in Christianity. However, as the new discoveries in Caesar's Messiah make clear, this is not just misleading, but a dangerous concession to a false system of belief. The Romans created this new religion deliberately to humiliate the Jews and to keep them in submission. For contemporary Jewish scholars to collude with this Roman literary invention, and to even pretend that this fictional character had historic reality, is the height of irony.

In the past, evidence had been put forward to suggest that the NT gospels are literary

accounts containing mythological accretions. However, Christians have been able to dismiss that evidence on the grounds that underneath it all there 'must' be a Historical Jesus. Atwill's discovery changes all that. There was no historical Jesus and the Gospels were Roman imitations of Jewish sacred texts created by the Flavian Emperors as ironical 'good news' to deceive the Jews. It is one thing for Christians to use works of literature as their sacred documents. It is quite another for them to continue using what have now been discovered to be deliberate Roman fakes about a non existent Messiah.

Title: Passion of the Christ: Jesuit Theater of Cruelty

'Passion of the Christ': Jesuit Theater of Cruelty
by URI DOWBENKO

What do you get when you cross Artaud's Theater of Cruelty with Jesuit Theater?

You could call it Mel Gibson's Crucifiction, a/k/a 'The Passion of the Christ.'

Recovering Catholics beware. You know you're in trouble when Mel Gibson has to get a Parkinson's addled Pope John Paul II to officially endorse his movie.

The programming you have tried to escape is not finished with you yet.

Mel Gibson's movie, 'The Passion of the Christ,' described as a 'vivid depiction of the last 12 hours of Jesus Christ's life,' has the trademark of religious pornography for Christians -- just as 'Schindler's List' was characterized as "emotional pornography for Jews."

"'Schindler's List,' ostensibly an indictment of the German murder of the Jews, is finally just another instance of their abuse," writes David Mamet in his book "Make Believe Town."

"The Jews in this case are not being slaughtered," he continues. "They are merely being trotted out to entertain. It's not the Holocaust we are watching.

It is a movie, and the people in the film are not actively being abused. They are acting out a drama to enable the audience to exercise a portion of its ego and call this exercise 'compassion.'"

So it is with Gibson's so-called Passion, defined as the "agony and suffering of Jesus during the Crucifixion."

Like Quentin Tarantino's 'Kill Bill,' Gibson could have called his religious horror movie 'Kill Jesus.' Watch him suffer. Watch him die. Buy the crucifixion nail pendant. The merchandising angle can't be beat. Does the Vatican get its usual percentage?

Gibson's model must have been Antonin Artaud, the French director credited with the so-called Theater of Cruelty. According to the Columbia Encyclopedia, Artaud "related theater to the plague because both destroy the veneer of civilization, revealing the ugly realities beneath and returning humanity to a primitive state, in which it lacks morality and reason. The aim of the 'theater of cruelty' was to disturb the audience and reveal the forces of nature. To achieve this end he emphasized the nonverbal aspects of theater such as color and movement and stressed the importance of violence as a theatrical device." Just like Mel's so-called Passion.

Another description of the concept -- "Artaud envisioned new forms of cinema and theater, as the Theater of Cruelty, where representation would be shattered and spoken language set aside in a convulsive, though carefully orchestrated act." Aramaic, anyone?

Like any horror flick, the Passion uses state of the art makeup and special effects to create a fetishistic violence that belies any "Christian" pretenses. Jesus's skin is endlessly flayed. His blood spurts. The scourging goes on forever. It really is the agony and the ecstasy -- especially if you like S&M. This movie is literally Sadism and Masochism for Christians.

The question remains -- is this movie another "theatrical mission" by the Jesuits? Mel Gibson has not publicized his connections with the sub rosa societies known as Opus Dei and the Jesuits.

"'The Passion' has all the earmarks of a Jesuit classical 'spiritual exercise,' in which the Jesuits subject the imagination of the supplicant with all the pain and suffering of the Christ," says Tupper Saussy, author of Rulers of Evil (www.tuppersaussy.com).

Designed by Ignatius Loyola, the founder of the Jesuits, 'The 'Spiritual Exercises,'" explains Saussy, was an intensive program of psychological indoctrination designed to align individual thought with papal authority."

How strong was this so-called "psychological indoctrination"? Jesuit obedience "alters the perception of reality according to the superiors' dictates," writes Saussy. 'Section 365.13 declares -- 'We must hold fast to the following principles: 'What seems to me white, I will believe black if the hierarchical Church so defines.' Francis Xavier would later describe this quality of submission in a vow that unintentionally summarized the

Jesuit mission: 'I would not even believe in the Gospels were the Holy Church to forbid it.'

In his book "Rulers of Evil," which details the sinister history of the Jesuits, Saussy writes, 'Embedded in the ratio studiorum [Jesuit educational process] were the elements of entertainment, of dramatic production - composition, rhetoric and eloquence. These courses interlinked with the Spiritual Exercises to intensify the experientiality of Catholic doctrine over Scripture and Protestantism. They resulted in a genre of spectacular plays that won distinction as 'Jesuit theatre.'"

Historically Jesuits have been known for their deceptions and political-religious conspiracies. In fact Webster's dictionary defines "Jesuitry" as "principles or practices ascribed to the Jesuits as the practice of mental reservation, casuistry and equivocation."

It should also be noted that President Bill Clinton was educated at the foremost Jesuit training center, Georgetown University. According to Saussy, Clinton's biographer David Maraniss said "the President owed his formidable skills as a criminal defendant to 'his training in casuistry at Georgetown University.'" Casuistry is equivocal to rationalization, "to cause something to seem reasonable, to provide plausible but untrue reasons for conduct."

Under the guidance of the Black Pope (the Jesuit Superior General), the first western translation of Sun Tzu's Art of War was published in 1772 as The Thirteen Articles Concerning Military Art. Saussy's position is that anyone knowing the Jesuit "mission," and knowing the nature of Jesuit obedience could observe world events which followed with an increased understanding of geo-political strategy.

Did "The Art of War," a military-political classic, become the de facto Jesuit handbook for conquering the world?

The Church Militant (the Roman Catholic Church) has been rocked by scandals of moral, ethical and spiritual depravity for two thousand years, yet it has remained seemingly impervious to judgment - even as sexual predators and pedophiles have been protected by Church hierarchy for generations. The material wealth of these spiritual predators has also risen beyond human calculation. The old Spanish proverb, "Don dinero, es muy catolico" says it all. So is Mel.

Tampering with Belief Systems (BS) is, of course, quite dangerous, and Mel Gibson does nothing but reinforce religious indoctrination. If 'The Passion of the Christ' is simply an exercise of S&M for Christians, watching a pretend Jesus suffering a pretended agony is about as twisted as you can get.

This brings up certain questions about Mel Gibson's agenda -- besides making a ton of

money on foolish Gallatians, I mean, Christians.

Did Mel Gibson ever read Malachi Martin's roman a clef called Windswept House in which the Roman Catholic Church is formally dedicated to Satan in a ceremonial ritual? [An interview with the late Jesuit operative Malachi Martin is included in "Bushwhacked: Inside Stories of True Conspiracy" by Uri Dowbenko.]

Does Mel Gibson believe he will win converts for the Roman Church by showing the torture of Jesus by those he called "the synagogue of Satan"? (The synagogue of Satan is not to be confused with the synagogue of the Jews.)

And then even the mind control implications of the movie become undeniable. It should be noted that the Roman Catholic Church does not celebrate the victory of Christ in the Ascension. They do not show the apotheosis of Christ, rising into another dimension, into the clouds and out of sight. They chose to portray the suffering man hung on a cross, bleeding and broken, an icon of guilt and shame -- and a stark warning to anyone who would buck the Vatican's iron-fisted control of the spiritual evolution of humanity on Earth.

The crucifix -- an image of a tortured man, strung up on a cross, head hung down -- has become the most powerful symbol of religious and political mind control ever conceived by the dark forces that prey upon humanity.

The Vatican has outlawed and ignored the teachings of Christ on karma and reincarnation because it would reveal the origins of those who have hijacked the spiritual heritage of the the souls of Light on earth.

According to the New Testament, Jesus taught about the metaphysical reality of reincarnation, as in the parable of the man who was blind from birth. The disciples asked him - was it the blind man's sin or was it the sin of his parents that he was born without vision? This was an implicit understanding of the principles of karma and reincarnation. In other words, whose karma was it that the man was blind? Jesus replied that it was neither. The man chose to be blind from birth in order for Jesus to heal him to the glory of God, when they would meet later in that time and space.

Instead the Roman Church is focused on the horror story. Lifetime after lifetime, the agony and suffering of the crucifixion has been used to indoctrinate people into believing the lie that we are sinners -- and not Sons and Daughters of God.

This attack on the spirituality of men and women is unceasing, as they are born again and again into the spiritual bondage of the Roman Church -- and other pretenders of Christianity (or Churchianity).

Of course, Mel Gibson has drawn the line. He's not playing Jesus in 'The Passion of the Christ.' He's just directing the Crucifixion. What does that tell you?

At any rate "The Passion" is a Jesuitical masterpiece. By definition, this movie is cunning, deceitful and prevaricating.

That's why you don't have to see it.

Pax vobiscum.

Gibson would be much worse than Schwarzenegger since he is much more of an insider. As a side note, the California Republican Assembly was the same organization behind the bogus "Save Our License" campaign last year. Now here is the real kicker, La Voz de Aztlan, which is a racist Catholic Mexican supremacist organization, is a strong supporter of Gibson and his recent films!

<http://www.aztlan.net/apocalypto.htm>

So an organization that supposedly opposes illegal immigration supports someone who is openly supported by Mexican racist fanatics who want to take over California along with a large portion of the rest of the county!

Title: a life sabotaged by catholics

Description: *catholics kill the truth*

palomine - December 10, 2005 02:55 PM (GMT)

Has anyone else ever felt their life was being sabotaged by an army of Catholics? Sometimes I think mine has been. It has definitely been sabotaged by SOMETHING, and when I look back on it, it occurs to me that most of the people instrumental in my problems were Catholics. So, what I was wondering was, is it possible that Catholics would spring into action to support the Jesuit agenda? Maybe at the behest of a local Knights of Columbus group?

Since my father was in the Air Force and my grandfather was a Shriner, it's possible that I was the subject of a CIA mind control experiment or something like that. All the Catholic involvement could be just a coincidence, I don't know. And I don't mean to imply that all Catholics are bad people. I'm sure most of them don't have any knowledge of the secret history of the Jesuits.

My story is long, so I'll do my best to condense it here. I was married for 17 years to a seemingly nice girl from a good Irish Catholic family whom I first met when I was about 12 years old. We were just friends until college, then we started going out and got married about a year and a half later, when we were both only 20. Stupid mistake to get married that young, but that's another story.

She divorced me in 1993, and I have basically been alone and broke ever since. I paid child support for 10 years, and I never remarried or had anything close to a long-term relationship with a woman since then, even though I wanted that more than anything in the whole world.

I didn't want the divorce, not because we had a wonderful marriage by any means, but we had two young children at the time and I wanted to get counseling and work things out for their sake as well as ours. She refused.

Since the divorce, I cannot tell you how many times I had a promising relationship fizzle

out for no good reason and with no explanation. Women who seemed genuinely interested in me would just stop returning my phone calls and my e-mails. After 12 years of this, I realized I had been placed under surveillance and someone was sabotaging my relationships behind my back.

I have always thought it was the FBI or the CIA, because I used to be a newspaper reporter and I have written a number of articles in which I criticized those corrupt agencies for complicity in the JFK assassination and other treasonous activities.

I cannot emphasize enough the devastating impact this has had on my life. I think whoever is doing this to me knows that romantic love is what I want more than anything else in this world. That's why they chose this aspect of my life to concentrate on with their psychological warfare.

In looking back on our divorce and the things that happened to me after that, I started to think that maybe my wife was co-opted at that point. I thought maybe she was forced to cooperate in the evil scheme to ruin my life, even though she didn't want to. But then I realized, it's possible that she was more than happy to cooperate. And maybe it didn't start in 1993. Maybe it all started back in 1974 when we were still in college, or even before that.

Back in 1974, the FBI and the CIA were both in the business of spying on law-abiding American citizens like me for something as innocuous as participating in a demonstration. So I was probably under surveillance as early as 1973, if not sooner. But for sure by the fall of 1974, when I went to a presentation on the JFK assassination at the University of Michigan, which was still a hotbed of campus unrest at that time.

I really couldn't believe my own government would lie to me about the murder of my president, so I started checking out books from the library and writing papers about it for my history classes. That could have made my name pop up on the radar screen. A lot of professors and students were government informants back in those days.

On New Year's Eve of 1974, I was invited to a party and my future wife was there. One thing led to another, and the next thing I knew, we were in love. Or at least I was in love with her. It was like a dream come true for me, but looking back on it, maybe it wasn't just luck. Maybe it was designed to happen that way.

Pretty soon, we were writing to each other, talking on the phone and visiting each other, and she suggested that we live together that summer. I was thrilled, because I wanted that, too. I was really in love with her back then.

The following year, 1976, she suggested that we get married. I went along with the idea, even though I had some reservations about her by that time. But I was afraid that I would never find anyone else if I didn't marry her. I was probably right about that, not

because nobody would want me, but because my life had already become a covert operation by then.

Our marriage had its ups and downs, and at the time, I didn't suspect anything too diabolical was going on. But in looking back on it, there was a weird pattern of her initiating contact with my former girlfriends. We would get together, and sometimes she would even leave me alone with someone she knew I had been interested in or involved with before. It was like she WANTED something to happen between us, maybe so she could have an excuse to leave me.

I believe she was setting me up all along to take the fall, because it had the effect of limiting my effectiveness as an activist. We started having kids a few years later, and pretty soon I was tied down with all kinds of financial responsibilities that restricted my career options greatly.

The clincher for me was last fall when I told her that I suspected my life had been sabotaged for a long, long time. You should have seen the look on her face. She looked like the cat that ate the canary. I have never seen anyone look so guilty in all my life.

Getting back to the divorce, I resolved to make the best of the situation and I was actually kind of excited about finding someone new. But in addition to the phenomenon I mentioned earlier, I started having encounters with women that seemed to be designed to humiliate me and cause me emotional distress.

I started going out to bars and clubs and concerts a lot -- anywhere I thought I could meet someone interesting. And I would wait for a sign from someone I was interested in before I would approach her. If she looked at me and smiled, I would walk up and say hello. Well, sometimes these women would let me waste half the night talking to them, but then they would refuse to see me again. Other times, when I approached, they would look shocked and offended that I tried to start a conversation with them, even though they had made a number of overtures specifically and blatantly designed to make me think they were interested.

It took me a long time to figure out that a lot of these women were agents. Their assignment was either to distract me and prevent me from meeting someone who was sincere, or to humiliate me and try to undermine my confidence. In addition to all this relationship heartache, during the past year I have also become a target of electronic surveillance, gang stalking and electronic harassment involving psychotronic weapons. I feel it's all part of the long-term plan to ruin my life.

In addition to my wife, I have been betrayed by a number of close friends in the past few years -- most of them Catholic. So what I'm wondering is, is it possible that they were all knowingly participating in some type of intelligence operation, or could they have been used somehow without their knowledge? When I think of all the people in my

life who I thought were my friends, I realize that almost all of them were Catholics. My wife's father was a Marine who fought in World War II, and he was also a Knight of Columbus. Her mother worked as a secretary in The Pentagon during the war.

Now, here's something really strange. I first met my wife in the summer before seventh grade. She used to come over and play football with us, and we were sort of going steady, even though she went to the Catholic school and I went to the public school.

Well, soon after school started in seventh grade, one of our mutual friends approached me at school and told me that my future wife wanted to break up, but she wanted to remain friends. That hurt me, not just because she wanted to break up with me, but because she didn't even have the decency to tell me in person.

I experienced a lot of emotional heartache in my childhood, but until recently, I didn't think too much of it. Then I began to see a pattern emerging. Maybe it wasn't just the normal breaks of life.

So, here's my theory. What if the Knights of Columbus in that town had a program for determining potential enemies of the Jesuits at a young age so they could embark on a sabotage campaign designed to undermine that individual?

Here's why I think it might have happened that way. When I was in elementary school, we had a schoolyard bully who used to terrorize everybody. I remember one time we were playing football and I tackled him. After he got up off the ground, he threw the football at me and it hurt like hell. He was trying to intimidate me and show there would be consequences for anyone who stood in his way.

Well, one day a Catholic friend of mine organized a "revolt" against this guy. A few of us joined up and decided to resist him. Eventually he regained control, but what if it was a test to see who had the courage to stand up for what was right? Soon after is when I began to experience a lot of strange things in my life.

It seems incredible to me that kids as young as 10 or 11 years old would participate in something like that, but when I think about the fanatical devotion demanded by the Jesuits, I think it's possible. What better way to undermine a potential future opponent than to slowly sabotage his life behind the scenes?

My family moved away from that town when I was a sophomore in high school, but after my parents divorced, I moved back there with my mom for my senior year. By that time, all my so-called Catholic "friends" had gotten into drugs, and they couldn't wait to turn me on to everything under the sun. I took LSD before I even got high on marijuana.

Being high all the time was very depressing for me, and it kept me from doing something constructive with my life. But I was at the age when I wanted to have friends, and these were the only friends I had, so I went along to get along. This pattern

continued into college, where I had a Catholic roommate my freshman year and two Catholic roommates my sophomore year and then my future wife was my roommate during my last two years. All these living arrangements were the result of invitations from Catholics. So, it seems likely to me that these people were actually spies and informants. Their actions confirmed this.

The part that is hardest for me to understand is my ex-wife's actions. Why in the world would she give up her own life and her own chance at happiness, just to ruin mine? The only explanation I can come up with is that I was identified at a young age as a potential threat because I was handsome, charismatic, articulate and somewhat courageous. And she believed she was doing her duty as a good Catholic.

What do you think? Am I just being paranoid, or is it possible that something like this could have happened to me?

MooseDog - December 10, 2005 07:00 PM (GMT)

Your probably just paranoid. Catholic girls are nuts, they are raised to be total control freaks. They play dumb and passive at first to lure ya in then when youre hooked they want control over everything from the money to your mind.

If you were being an activist, it seems you have a mind of your own. That is what the catholic female wants, control of your mind. Most guys believe that since their girl lets them drink beer during a football game that they are the king of the world. Isnt every relationship based on one person being dominate over the other. I believe true love can only be known in an atmosphere of zero money.

Almost everyone gets mad/jealous if you think different than the rest of the herd. Have you ever known anyone to be happy for someone else when they better themselves? The most used word in the world is "I". Ive had this conversation with my girl and other girl friends in the past.

My girl told me that in highschool in a home economics class they told the girls that when they get married to get control of the finances. While guys are in shop class they girls were being taught control thru money. Her sister told her "you got to train them early." Her mom told her one time in front on me "you shouldnt give in so easily" and it was some silly non-issue like what movie to go see. I got a hundred stories.

2 girls i know one time were mad that new girls at work were acting dumbing than they were. I asked "why do they act dumber?... why do you act dumb?" and got no response... so i ask my other friend and she told me "girls act stupid at work to get guys to do their work" and "guys pay more attention to stupid girls." One time i was at a party and every girl was punking down their boyfriends. It was funny to me to see guys humiliated in front of everyone and put their heads down. It was a contest between all

the girls to show who has more control. But if all these girls worked together it would be a contest to see who can act the stupidest.

Check out the 48 laws of power i posted in the general section topic.

palomine - December 11, 2005 03:15 AM (GMT)

I'm not talking about one Catholic girl (my wife), I'm talking about an ARMY of Catholics infiltrating my life, informing on me and engaging in psychological warfare and other tactics designed to undermine my effectiveness as a truth-seeker. It's definitely some type of intelligence operation, and since the Catholic Church has such close ties to the CIA, I guess it doesn't really matter if it's the Knights of Columbus, the Jesuits or the Agency. It still amounts to a wasted life.

This is a situation that should be of concern to all truth-seekers. Don't be like me and take 40 years to figure it out. Think about the things that have gone wrong in your life, and think about people you think are your friends. Ask yourself whether there could be something more sinister at work than just the normal bad breaks of life.

My own children and members of my extended family have all been co-opted to participate in the harassment. These people are more powerful than you could possible imagine. I cannot go out in public now without being followed and stalked by a gang of psychopaths. All my employment opportunities are sabotaged, unless it happens to be a CIA front company where a harassment campaign can be mounted. I am not **ALLOWED** to have friends or relationships. There isn't a single aspect of my life that hasn't been **RUINED** because of this.

And my case isn't unique. There are **THOUSANDS** of dissidents all over the world who have been turned into political prisoners in their own homes with surveillance and psychotronic weapons. We're all just target practice for the New World Order. For more information, www.stopcovertwar.com.

I think my case was of special interest to the Jesuits because I wrote some papers on the JFK assassination and the Ellsberg case while I was in college, and I was majoring in journalism. I didn't just seek out the truth, I chose to **DO SOMETHING** about it. That was a fatal mistake. Being naive about the way the world really operates, I thought I was protected by the First Amendment. I thought newspapers would **WANT** to expose these crimes. Instead, I learned they have all been infiltrated by CIA operatives. Pursuing the truth about this is the death knell for your career, and possibly your life. Just ask Gary Webb. No, wait. You can't do that because he committed "suicide" after his series of articles on CIA links to the crack cocaine epidemic resulted in his blacklisting.

No, I wish it really were just a case of one Catholic girl being responsible. That, I could deal with.

Hi palomine, good to hear from you. You do sound a bit paranoid, BUT, perfect paranoia and perfect awareness are the same thing.

It's like the Japanese saying 'Don't be the nail that sticks out further than the others, cause you'll be the first to get hit'. You made some noise with your writings, and they heard it. Happened to John Lennon, Malcolm X, Martin Luther King. In your case, it looks like an assassination of your character and way of life. Just as effective.

It happens all over the place, on many different scales. My mother has a friend who's landlord was a mason, and little by little he kept taking more and more of her garden, which was rightfully her's. He had also been spreading disgusting rumours about her as well. She would go to solicitor after solicitor, and each one would say, sure, you're right, the law's on your side, and then all of a sudden, when they found out who the landlord was, they wouldn't take the case. You just can't find a lawyer/solicitor who isn't a mason apparently.

I went to Catholic schools growing up, and used to consider myself a Catholic, but the friends that I have made and kept have not been Catholic. The Vatican is tied to absolutely everything. It took me a while to figure this out, but really, all you need is a bit of common sense, and good people like Jordan Maxwell, Eric Phelps, and of course 2tuff to point out certain things. Look at the important people at the funeral of John Paul II. Anyone who's anyone was there. They had to pay their respects to their leader. Well, almost the leader.

Your story was very interesting. Like MooseDog said, Catholics can be very weird, and easily brainwashed to believe that you are an evil sinner or whatever. If you had concrete proof that the pope was a satanist, they would choose to ignore it. There are none so blind as those that will not see.

Keep posting here, you're among friends.

MooseDog - December 11, 2005 06:55 AM (GMT)

Hey Palomine, post some of your writings, I would love to check them out.

Your story sounds a little like this guy's too.

Moosedog, most of the articles I wrote were book reviews that were published in the South Bend (Ind.) Tribune from 1990 to 1994. I also wrote a story about a JFK conference in Dallas that I attended in the fall of 1992, as well as some articles on the creation of the Assassination Records Review Board. But the editorial I am posting here was probably the one that got me in the hottest water. We had a guest editorial spot almost every day in the paper, so I asked if I could use it to write about the controversy surrounding the Oliver Stone film. To my surprise, they said OK.

One thing that I believe sealed my fate was that South Bend was also the hometown of Notre Dame law professor Robert Blakey, who served as counsel to the House Select Committee on Assassinations in the 1970s. As far as I can tell, his job was to cover up CIA involvement in the assassination. So he probably did not appreciate reading this in his hometown newspaper:

Published in the South Bend Tribune on Tuesday, Jan. 7, 1992

Oliver Stone's 'JFK' might open up more minds to the truth

By MATT BEAL

I was just a third-grader at Jefferson School in South Bend when President Kennedy was assassinated on Nov. 22, 1963, but I still remember it vividly. I was outside playing on the playground during recess when one of the teachers came out of the building and told us the president was dead.

Those of us who lived nearby were allowed to go home from school early that day, and I remember my mother greeting me at the door in tears. I stayed up later than usual that night to watch the news about the assassination on television, and I was convinced of Lee Harvey Oswald's guilt.

I was outside playing again when Jack Ruby murdered Oswald two days later, but when I came inside and heard the news, I remember feeling that justice had been done.

Like most Americans, I accepted the U.S. government's official explanation of the events in Dallas when the Warren Commission report came out in September 1964. In fact, I don't think I gave it a second thought until the fall of 1974, when I was a student at the University of Michigan. That's when I saw Abraham Zapruder's film of the assassination for the first time.

A researcher named Jeff Cohen from the Assassination Information Bureau had obtained a copy of the film and brought it with him when he came to Ann Arbor to deliver a lecture on the assassination. I saw the Zapruder film over and over that night, and it was obvious to me that Kennedy had been shot from in front because of the way

his entire body was thrown violently backward by the fatal head shot.

The Warren Commission, of course, concluded only three shots were fired that day and that they were all fired by Oswald from the Texas School Book Depository building behind the limousine. That was just one of a multitude of errors in the Warren Report that Cohen pointed out that night.

Some of the errors he referred to were so flagrant that it was difficult to believe what he was saying was true. So I started reading the report and some of the books about the assassination that were available at that time.

Believe me, I didn't want to believe my own government would lie to me. I was a reluctant convert to the conspiracy theory. But the evidence was overwhelming.

Since that time, I have tried to keep up with the controversy as best I could by reading about the case and watching documentaries about it on television. I have also told what I have learned to anyone who expressed an interest. And what I have discovered is that for the most part, the only people who still think Oswald was the lone assassin are people who have not bothered to obtain the facts. Fortunately, they are in the minority, according to the latest polls on the subject.

One of the most outrageous claims made by the legion of columnists who have recently attacked Oliver Stone's film about the assassination, "JFK," is that no one has ever produced any evidence that there was a conspiracy in the assassination. In fact, there are hundreds of credible books and articles available that are loaded with convincing evidence of a conspiracy.

In the future, some of these skeptics might want to try reading some of this material before revealing their ignorance in a public forum. But that would mean accepting something other than the official government press releases, because the truth about the JFK assassination isn't something the government wants the American public to know.

Unfortunately, most reporters did buy the official government line, and many continue to do so to this day, despite the lessons of Vietnam, Watergate and the Iran-Contra scandal, to name just a few examples of lies we have been told by our government. For some, to admit the truth would be to acknowledge they had been co-opted all these years. And that is a difficult thing for any journalist to admit.

Warren Commission apologists have names for people like me. We're known as "conspiracy freaks" or "assassination buffs," as though our interest in this case stems from a morbid fascination with assassinations or a paranoid obsession with conspiracies. In fact, most of us are just ordinary Americans who simply want to know the truth about our government.

Our desire to learn the truth is not limited to the JFK assassination. We also want to know the truth about the CIA's covert operations in Vietnam, Nicaragua, El Salvador, Chile and other countries where democratically elected governments were overthrown or destabilized as a result of secret U.S. policies.

And we want to know the truth about the mysterious death last summer of Danny Casolaro, the investigative reporter who was working on a book about allegations that the Justice Department stole computer software from Inslaw Inc., a small computer firm based in Washington.

We're from the old-fashioned school of thought that democracy means conducting the business of government out in the open. And yet we are depicted as radicals by the mainstream media.

Our point, and the point Oliver Stone is making in "JFK," is that there are forces controlling our government that we know little about. It will take courage to stand up to them, but unless we do, U.S. policies will continue to be manipulated by this secret government.

"JFK" is an attempt to remind the American public that the crime of the century is still unsolved, and our government is still hiding the truth from us. It is not likely to cause the CIA, FBI or Congress to open their files to the public, but if it succeeds in getting people to open their minds to the truth, it will have done a great service to the American people.

Moosegirl wanted to go to rockefeller plaza to see the xmas tree, i remembered Eric Phelps said St. Patricks was across the street and said we gotta go there. This home to Cardinal Egan is beautiful and huge. I took some pictures of some interesting things inside.

This guy was directly across the street.

I.H.S. on the ceiling.

Heres the Jesuit sun, i believe this was on a statue of Joseph.

Nice Pagan Xmas tree right next to the altar.

A story in this month's catholic news about how Xmas trees are loved

Christmas Trees We've Known and Loved

One Christmas a while ago, our son Peter, then a forestry student up in Syracuse, told us not to buy a tree. He said he'd bring one fresh from a real forest when he came home for Christmas vacation. Excellent, we said.

So he cut a grand tree somewhere up there and he and Sharon, now his wife, drove home with our Christmas tree lashed to the top of her jeep. Down they came on route 81, along route 17 to the Thruway, across the Bronx and over the Whitestone Bridge to our house on Long Island.

JIM DOYLE

Taking a Turn

The tree was just a skeleton when they arrived, of course. Truly a Charlie Brown tree, my wife said. The trip and thruway winds had shorn it of all its needles, and there it lay, brave but bare, on top of the car. But it was the thought that counted, we said, and went out and got another one.

Another year at a big Doyle reunion in Oregon, a phalanx of our sons set out to buy a big western-style Christmas tree but couldn't locate a decent one at all—in Oregon, no less! But they did bring back a little scraggly thing they found, they said, at the one place in town selling trees.

Christmas trees, I have been thinking, are a measure of our lives, our family growth. That spruce, fir or pine you buy this holy season for decorating and putting your gifts under for family and friends often reflects the stage of life you and your family are in.

When you're young and starting out you most likely get a little tree and put it on a side table in your small apartment, as we did after my return

from World War II and later recall in the Korean War—when we moved into our first married home in a tiny apartment in somebody else's house.

Then when your children come along, if you are so blessed, you get a bigger tree, and little kids in their pajamas sit peering up in awe and joy at your tree with its bright lights, tinsel and shiny bulbs.

Sooner than you thought it would happen, though, your children are big enough to join in stringing the lights in the branches, maybe making chains of paper loops, cranberries or marshmallows, putting on the bulbs and maybe even—as one of our sons did—drawing and coloring a strange, fat, bearded, bald family angel for our tree—which we still put up on his glorious perch these many years later.

And then, when your kids have grown and gone from home and maybe have married and started their families, they get their own bigger trees, and now your own annual Christmas tree gets smaller, more like your first one in your first apartment a long time ago.

That's where we are now. This year, as in our beginning, we'll have a brave little Christmas tree to go with our smaller home. We thank God we've made it this far to another happy Christmas with our family.

And my wife and I are pleased to send our warm wishes for a holy and joyful Christmas season to all the readers of this essay and to all the people at Catholic New York who send it to you all.

Here's the alter, and there is a huge throne for the priest that's barely in the pic.

What's crazy is you are not allowed to take pictures behind the altar. Behind the main altar is a special more "sacred" altar (I guess) to "Mary." I got a couple pics before I caught. Here's the special altar to Mary that can't be photographed. Check out the "star of David" at the top and the pentagram symbol next to it.

Heres another story from the Catholic news about the Knights of Malta and how 98 new members got knighted at St Patricks. What i just found out today is that the 9th degree on the York side of Freemasonry is the Knight of Malta. I thought the Vatican at least tried to pretend freemasonry was its enemy.

American Association of Malta Receives New Members in Cathedral Mass

By **CLAUDIA McDONNELL**

The American Association of the Sovereign Military Order of Malta received 98 new members at a Mass in St. Patrick's Cathedral.

Cardinal Adam Maida, Archbishop of Detroit, celebrated the Nov. 11 liturgy. In his homily he said, "To paraphrase St. Augustine: the Order of Malta, like the Church itself, is ever ancient and ever new. We are constantly renewed and energized as we preserve and continue the traditions of the past and then apply them to the circumstances of life in the 21st century."

Cardinal Egan, the principal chaplain of the American Association, was unable to celebrate the Mass because he was in Italy to participate in the Scalabrini's congress marking the centennial of the death of their founder, Blessed John Baptist Scalabrini.

Those inducted from the archdiocese, and their parishes, are Paul C. Hardart, St. Joseph's, Greenwich Village; Raymond J. Heuchling, Sacred Heart, Monroe; John G. Houlihan, St. John and St. Mary, Chappaqua, and Michael J. Maynard, St. Martin de Porres, Poughkeepsie.

Msgr. Thomas E. Gilleece, chancellor, speaking on behalf of Cardinal Egan, welcomed Cardinal Maida and all who attended the Mass. The new members were invested by Daniel J. Kelly, president of the American

Association.

Cardinal Maida is a member of the Order of Malta with the rank of Bailiff Grand Cross of Honor and Devotion, given only to cardinals. He said that the order is honored that its grand master, Fra' Andrew Bertie, received the Path to Peace Award from the Vatican for his leadership in promoting the order's humanitarian work. The award was presented Nov. 9 at the Sky Club in Manhattan by Archbishop Celestino Migliore, permanent observer of the Holy See to the United Nations and president of the Path to Peace Foundation, which was established by his predecessor, Archbishop Renato Martino, now president of the Pontifical Council for Justice and Peace.

Sketching the history of the Order of Malta, Cardinal Maida said it traces its roots to 11th-century Jerusalem and the first Crusade, to an order of knights founded to defend the faith and serve the poor. After the Crusades they went to Cyprus, then to Rhodes and finally to Malta.

"In all three settings, they were strategically located at the crossroads of Christian and Muslim cultures," he said. Through the years, the knights "focused more and more on their spiritual mission" of health care and the needs of the poor and refugees. Today there are more than 10,000 Knights and Dames of Malta worldwide.

"Knighthood is never to be sought or assumed for its own sake," the cardinal

said. "It is to be understood as a vocation, a spiritual calling to serve the needs of the Church everywhere, especially in the lands where Jesus once walked."

The cardinal expressed the hope that the new members will find joy in their calling. "The Lord our God is to be found hidden in the poor, and the needy, and the marginalized and the forgotten," he said. He also told the members, "In these confusing times, as different religious cultures seem to clash, the work of the Knights of Malta is more critical than ever."

Nice post Moosedog. Very good pictures. That newspaper article. How could anyone say that Catholicism and Freemasonry are at odds? Are we supposed to believe that this particular Knights of Malta is unconnected to international freemasonry? That they all stole the name? It's unbelievable really.

Nice link Smash,

QUOTE

The Sovereign Military Order of Malta (SMOM) are ideologically and historically allied with international Freemasonry, ultimately sharing the same goal of bloodline supremacy, whether their members accept this or not. The Masonic grades of The Knight of Malta and The Knight Templar are the Rosicrucian upper-degrees of Freemasonry, and clearly reveal their heritage.

There was another story in the catholic news about Fra Andrew W.N. Bertie the prince and grand master of the order of malta getting the 2005 path to peace award.

Im gunna go back during the day sometime and take more pictures and the stained glass windows probably make this place look even more beautiful. On the front of the church there was a symbol that

looked very much like the square & compass.

I recently conducted an interview with this researcher where he mentioned the power that the group known as the Jesuits possess here is the question and his answer:

Q: Who are the Illuminati and how do they tie into all of this?

A: They are a secret order created by Adam Weishaupt, a Jesuit Priest... so when we talk about the Illuminati, you are probably talking about one of the many religio-eco-political controlling arms of the Jesuits... which is a secret society that is based on an ancient pagan cult which infiltrated the Roman church long ago, and in turn, most of the denominations of 'Church-ianity'. Why do you think that the central OBEISK (shaped like the 'Washington Monument') at the center of Vatican square was brought all the way from the center of Egyptian pagan worship, and erected in the exact epicenter of Vatican square?

I'm not really sure I'd say "infiltrate," though. But good for this guy for mentioning it.

The popes were riding high, then along came the Reformation, and the popes realized that they were in trouble. So the Jesuits come along (I know about Loyola et al). They help the Vatican, then before you know it they've gone from sideseat driving to actually driving.

I don't know...think that's a fairly accurate portrayal? (I'm tired.)

The Jesuits, the Vatican, the Black Pope...
Masterminds of 9-11?
The reason the world is suffering

Sherman Skolnick, of skolnicksreport.com and cloakanddagger.de, is one of many people who tell us that the Vatican, the Jesuits, and the Black Pope are responsible for almost all of the crimes, wars, and suffering during the past few centuries.

The Catholic Church may have had significant influence in European life in 1200 AD, but it has never been so impotent. For a few examples:

There are fewer priests and nuns than ever before.

The Catholic schools have to bring in lay teachers because there are too few Jesuits.

The Church is suffering serious damage because they are being hit with one charge of pedophilia after the next.

Catholic Churches around the world are losing attendance.

None of the top church officials have the intelligence or technical skills to plan or execute the demolition of WTC towers, nor do the Church officials have the necessary control over the media of Europe, Australia or America to suppress news of the scam.

The City of London,
British Freemasonry,
the Knights Templars...

are these the world's evil masters?

Barry Chamish is an example of somebody who blames the world's problem on "British Freemasonry". In one article he claims that Israel was created by these "British Jewish Masonic families".

In another article he writes about the "Nazi Jesuits":

"The destruction of the Jews is a primary goal of the Jesuits."

So, Barry, the British Jewish Masonic families are also Nazis? And they created Israel because they really want to destroy Jews? Sure.

Here is his article about the "Nazi Jesuits".

Do these Jesuits have so much control over the media of Europe, Australia, and America that they can suppress those of us who expose them? If not, they cannot be said to be in control.

"By way of deception, thou shalt do war."

Daryl Smith has decided to admit that his dog, a German Shepherd, brought the WTC towers down. This evil dog is a British Jewish Nazi Freemason whose ultimate goal is.... Please ladies and gentlemen, how can anybody believe such nonsense?

There is only one explanation for 9-11 and our current wars. All of the evidence points to this being a Zionist power grab.

Only the Zionists have the organization, motivation, technical skills, and financial backing to risk and execute such a phenomenal crime.

And only the Zionists have enough control of the media to cover up such a phenomenal crime.

All of the people who fall for this tripe about Black Popes and Jesuits should be told to pull their head out of that dark place.

Any journalist, author, government official, or web site that promotes this Black Pope nonsense is bought and paid for. Nobody is stupid enough to believe accusations that have zero supporting evidence.

It is time everybody warned their friends,

"Watch out for Sherman Skolnick, Barry Chamish, and other Truth Tellers who promote unsupported, vague, and confusing accusations, such as this crap about the Black

Pope. Look for serious analyses.

Some of what these liars say is true, but their lies will hurt more than their truth helps."

Follow the MoneY

Specifically, the flow of money into the banking families, and the billion dollar per year river of money from Europe and America into Israel.

Don't become one of their useful idiots. Take a look at who -- and which nation -- has been benefiting from the wars, suffering, and hate crimes.

It ain't difficult to figure out the real masterminds of this misery. We may not know many of their names, but we know they are the people who control our banking system, our media, our military, and Israel.

CRAIG-OXLEY - October 28, 2005 03:22 PM (GMT)

That article is one of the most in your face disinformation pieces I've come across with no real information in it either!

To say the Church is basically nothing now is so funny when you consider its sheer wealth. Too many people want to flap their gums about wealth all the time. When it comes to it they don't even know who the true wealthy people of this planet really are. We hear Rockefella and Rothschild and old J.P Morgan all the time. The real wealth is with the Venician Black Nobility. Remember Dr John Coleman when he exposed The Committee of 300 and said that these guys dwarfed the likes of Rockefella in sheer wealth. The Queen is more powerful than Rockefella or Rothschild. The only people above Queen Elizabeth II are the Jesuits, SMOM, Opus Dei, Vatican even then shes more powerful than many of SMOM and Opus Dei members. Her cousin Cardinal Bertie is one of the most powerful men in the world being the Prince & Grandmaster of the Sovereign Military of Malta. Bertie is not that far down from The Superior General himself Mr. Kolvenbach of the Jesuit Order.

Many people will try to steer people away from the truth about our real leaders of the world and masonry itself. They will go on about Masons and conveniately forget that Jesuits created the degrees of Mason.

This guy will have you think that Cardinals themselves placed the explosives and press the buttons along with hijack the planes. The person with the most power

in the United States is Cardinal Egan. Everything that happens on American soil Cardinal Egan knows about in advance from his Jesuit masters at Fordham! The Roman Catholics dont do these things themselves. The Roman Catholics control the whole pyramid and everyone with sense is aware of how the Jesuit Order control the CIA and thats known by people who still wonder if the Jesuits dont run the whole show. When you understand the power structure and pyramid you see that the leaders dont do the dirty work themselves, they use their organisations specialised to do the tasks needed. In the case of the 9/11 this was executed by CIA possibly with some help from MI6 and MOSSAD. All these organisations are controlled by the Jesuits and if you still dont toe the Jesuit line then you'll probably say Illuminati instead. Now remember how the Jesuits have created many sciences etc including Seismology etc. That article above is useless!

Many people flap their gums and very silly people like this idiot above quote names like Sherman Skolnick. Time after time Mr. Skolnick gets proved correct. Hes put people behind bars for godsake! People look up to Jordan Maxwell for his 40+ years investigating but forget Skolnick has the same and more time in this field than Maxwell! Like I said Skolnick is PROVEN time and time again. I remember when Skolnick broke the story of the indictments on Bush eons ago and people flapped their ignorant gums then. Now what happens? IT WAS ALL TRUE! Now those same people do not say anything and choose to find someone else to target in the mean time. Sherman Skolnick knows exactly whats going on and anyone who exposes the Jesuit Order, Vatican, Opus Dei, SMOM are real truthsayers with very large balls of steel. All these Temporal Coadjutors who keep you away from the cemeting and grouting of all this conspiracy well their worthless and the system they protect will eat them up just the same maybe quicker.

So folks are you going to be suckered in by useless articles with no facts slagging off people who are PROVEN? Or are you going to use your head and get some knowledge from real truthsayers?

"SHERMAN SKOLNICK IS A LEGEND"

"TO HELL WITH THE JESUITS AND THE LAME ARTICLE AUTHOR ABOVE"

2TUFF

TruthSeeker24 - October 28, 2005 03:58 PM (GMT)

What a load of crap. You're right on this guy 2tuff!!!!!!!!!!!!!!

First off, monetary wealth is never the sign of true power necessarily, because all of our dollar bills are worth nothing. nada, zilch. The true sign of power is material wealth of all goods and services plus influences in the political, economic, social, and religious spheres of the world. I can't see one group of people with so much global impact than the Vatican. The Jesuits blatantly aided the Nazis since Jesuit Staempfle wrote Hitler's book Mein Kampf (confirmed by author Edmond Paris). The Jesuits were working in the Nazi SS and even the Nazis (with a lot of Papists in it) modeled their whole infrastructure after the Jesuits. As for Zionist power??? Come on. The Zionists movement didn't take off in a mighty way until the 19th century. The Mossad was trained by Nazi Knight of Malta Reinhard Gehlen. He cries about the Mossad, but MI6 has been documented to have more cunning than the Mossad. The vast majority of the Israeli Prime Ministers are Freemasons. Many of the intelligence community are run by SMOM, Masons, or other Secret orders. Much of this has nothing to do with the Jews or Zionists.

The Zionist movement itself was shaped by Sabbatean teaching back in the 1600's and the Kabbala (from apostate Jews who got that from Gentiles). We all know that the Jews and Arabs are used by scapegoat and this clown Daryl is one clown. The Israeli people in general has never benefited from the Hate crimes at all. Global people are blaming all Jews in general. What sane Jew would want to be blamed for everything involving terrorism, hate crime laws, and the like? None. The only people in Israel benefiting off of this madeness tripe are the Masonic Jewish Zionists and the rest of the Elite. No regular Jew on the street is liking worldwide hatred of them, threat of terror by Muslim terrorists, and other things. This guy don't even discuss about the Le Cerle and 1001 Club, both organizations with much more power than even the Zionists which he obsess about. These are all facts.

Numerically, there are more Gentile bankers than Jewish ones. Not to mention that Europe and America have more dirt and sin than Israel will ever have. This clown kill me. They say that Jews no longer exist, but new evidence proved them living in Central Asia, Africa, China, and other places. Then, they still call them Jews. That's hypocrispy and insanity. Everyone I know discussing about the Jesuits have placed serious analysis about them, so his lie is apparent. This liar won't even discuss the might of the SMOM, which are vastly stronger than the Zionists. For examples, Knights of Malta funded Hitler, were involved in the Vatican Ratline sending Nazi criminals to America, they were key in political assassinations, some were linked to Iran Contra, many head intelligence agencies, many head many international corporations and banking firms, one Knight is King Juan Carlos of Spain (involved in the Middle East affair) and they are bounded to the Vatican and the Order of the Jesuits. The head of the Knights of Malta is Bertie. Even today, the head of the Carlyle Group [benefiting in the war

on terror] is Frank Carlucci, a SMOM member as well. He doesn't talk about that at all. Of course, Israel and the Zionists made mistakes. Any sane person can tell you that, but to assume that the Zionists is the only group to expose is not only a farce, but a lie and disinformation. I don't agree with Eric on everything, but at least he has the guts to document his source and make a legitimate precept of Jesuit Global Power. The Masonic Jewish Zionist movement came originally from the influences of ancient Babylon and Egypt, not by authentic Jewish believers. Not to mention that Zionism has its ties also to Freemasonry, so Chamish is right to point out a Masonic/Zionist connection.

Barry Chamish is one of the most sincere people in Israel. His livelihood is compromised and he's one of the few Jewish people to expose Labor Zionist collaboration with the Nazis. I give him credit and for Daryl to go on and slander the man is cowardly and disgraceful. 2tuff, I don't care if he responds to this because I guarantee you that if he dares respond to me; I will refute him totally. That's a promise. The Vatican made have problems with pedophilia and low attendance, but they still have large power in the media and other avenues. You can't criticize the Vatican without being crucified as anti-Catholic. You can't criticize the Jesuits without being labeled a loon as well.

As for 9/11, more than just the Zionists benefits. It's a fact that Britian and Foreign Elite helped Israel to be a nation. It was indeed not the Zionists, but the Brits that carved up all of the Middle East after WWI when the Ottoman Empire was gone. 9/11 was done by a select people in U.S. govt./intelligence. Israel gave America foreknowledge of a terrorist attack and the Zionists may have some role, but it's basically secondary. The reason is that it's been established that only America stood down NORAD, only America prevented FBI to investigate al-Qaeda, it was only America who told officals not to fly, etc. American Government officals and American Intelligence were primarily to blame for 9/11 with possible Mossad involvement by the cheering Israelis, etc. The SMOM has consistenly run large portions of the media for decades like SMOM Frank Shakespeare CBS and SMOM fake-Patriot Pat Buchanan. Many pro-Vatican guys are big wigs of the media (not just the Zionists) like Rupert Murdoch running Faux News. Knight J. Peter Grace was a big corporate big wigs as well.

To put everything into order: The Jesuits (in control of SMOM, Opus Dei, etc.), Illuminati (Fritz Springmeier wrote a book on them), and high-level Freemasonry (members are in heads of corporations and religious circles) control the world. The high-level organizations are below them like Le Cerle, 1001 Club, Bilderberg Group, etc. Below them are the international bankers controlling the multinational corporations. These corporations in term control low level groups and the people. That's the best analogy that I can describe in a simple way to present world power. There's always a difference between good Jews and evil Jews. Bigots don't want to except any distinction between the 2.

By TruthSeeker24 (Timothy)

P.S. Other proof proving Jesuit influence globally:

Fact #1: Ignatius Loyola invented the Jesuits and he was in sympathy with the Spanish Alumbadro (a Spanish Illuminati group in the 1500's. Yes, there were Illuminati groups all over the groups centuries before 1776). Adam Weishaupt invented the Bavarian Illuminati in 1776 and he was a Jesuit priest.

Fact #2: Tons of resources and book point to the Vatican/Jesuit involvement in the death of Abraham Lincoln. For example, Roman Catholic John Surratt was involved in the assassination of Lincoln and John Wilkes Booth (the assassins) was not only a member of the Knights of the Golden Circle, but he was accepted into the Roman Catholic Church by Archbishop Spaulding 3 weeks prior to the assassination according to Eric Jon Phelps. Surratt was acquitted in 1867 and was once enlisted in the Pope's Zouavre army. The Jesuits honored Surratt a Salem High Requiem Mass. These 4 books back up my assertion:

- 1). "Romes responsibility for the assassination of Abraham Lincoln" (LCCN: E457.5.H316), author: Thomas M. Harris, Late Brigadier General U.S.V. (and a presiding judge over the trial of the conspirators),**
- 2). "The assassination of Abraham Lincoln" (LCCN: E457.5.H28 or .H31), also by Thomas M. Harris; "Behind the Purple Curtain" (LCCN: BX1773.M6);**
- 3). "The Great Conspiracy"; "The suppressed truth about the assassination of Abraham Lincoln" (LCCN: E457.5.M27) by Burke Mccarty;**
- 4). "Fifty years in the Church of Rome" by Charles Chiniquy, ex-catholic priest;**

Fact #3: Jesuit priest Bernhard Staempfle helped Hitler write Mein Kampf proven by author Edmond Paris and Otto Strasser. Strasser was one of the founders of the Nazi Party. Even Hitler said that he modeled the SS after the Jesuit Order.

Fact #4: Honorary 33rd Degree Freemason Ronald Reagan was cozy with Boston College President Jesuit J. Donald Monan. Reagan not only passed abortion in California in the 1960's and was anti-gun, but also allowed pro-abortion/ international law Supreme Court justice Sandra Day O'Connor to exist and other bad political policies.

Fact #5: Hitler signed Concordant with Vatican Cardinal Pacelli in 1933 with the help of Knight of Malta Franz von Papen. Hitler was never excommunicated from

the Roman Catholic Church at all. The canon to Munich Archbishop Michael von Faulhaber was Wilhelm August Patin. Patin was a Dominican priest, S.S. officer, and Himmler's cousin. SS General Baron Frederick von Eberstein admitted on questioning at Nuremberg that Archbishops Michael von Faulhaber and Brunswick were high ranking officers in Himmler's S.S. Heinrich Himmler's uncle was a Bavarian Catholic priest. The Jesuit confessor Tacchi Venturi influenced Italy's dictator Benito Mussolini to outlaw Protestantism in Italy, deported Jews to Auschwitz, and gave military aid to Saudi Arabia's King Ibn Saud in 1932. The Vatican's Jesuits allowed Roman Catholic Franco to come to power in Spain from stopping Spain in becoming a Republic.

Fact #6: The Knight of Malta Baron Luigi was in Pavvilli negotiated between SS leaders and traitor Freemason Allen Dulles. Knight of Malta Anton Turkul was Stalin's foremost intelligence officer who allowed thousands of Hungarian Patriots to die in the Revolution of 1956. Knight of Malta Kim Philby was in the British SIS CIA agent, and Russian KGB at the same time.

Fact #7: Jesuit Priest and 33rd Degree Freemason Joseph Rettinger created the powerful and sinister Bilderberger Group.

Fact #8: Many Jesuits and the Vatican supported some Latin American dictators to oppress the people there.

Fact #9: Jesuit Georgetown University trained Bill Clinton (a member of DeMolay Freemason when he was a child) and he even went with Jesuit Richard McSorley on a trip to Oslo, Norway since both of them opposed the Vietnam War. Clinton is obvious a person who is pro-abortion and he even vetoed a ban on partial birth abortion when the majority of the American people opposed that type of abortion.

Fact #10: Knight of Malta Dr. John J. DeGioia is a Georgetown/Jesuit trained person who's part of the Elite by being a member of the U.S. National Commission for UNESCO, Chair of its Education Committee, according to the webpage he "represents Georgetown" being a member of the World Economic Forum and the Council on Foreign Relations.

Fact #11: Jesuit priest William J. Fulco wrote the script for the unscriptural/occultic film of the Passion of the Christ.

Fact #12: The CIA itself was created by many SMOMs and headed by high-level Freemasons as well like Allen Dulles.

***The Opus Dei, Knights of Columbus, and the Knights of Malta are Secret Orders as well. Rick Sanctorum, Patrick Buchanan are in the SMOM headed by Bertie, a cousin of Queen Elizabeth (head of the Order of the Garter and head of the Order**

of St. John). Other Elitists groups are Le Cerle, 1001 Club, Pilgrim Society, etc. are very prominent and powerful, but very few people know about them. George W. Bush is obviously in the Skulls and Bones and Bohemian Grove (which every Republican President are members since 1924).

Daryl Smith hasn't refuted this as well.

P.S. So much for his lies 2tuff. Sherman has been exposing the N.W.O. since the late 1950's and I trust him. I hate to destroy this guy, but he inspired me 2tuff. Daryl is history.

WE WILL HAVE TO FIGHT AGAINST THE SECULAR HUMANISTS, FIGHT AGAINST THE DOUBTERS, FIGHT AGAINST THE NUT JOB RECONSTRUCTIONIST/DOMONION THEOCRATS, AND FIGHT AGAINST EVIL. BARRY CHAMISH HAS REALLY EXPOSED LABOR ZIONISTS, THE INFLUENCE OF THE CFR IN THE MIDDLE EAST, AND REST OF THE GLOBALISTS. IT'S BIGGER THAN THE ZIONISTS AND TO ASSUME THAT IT ISN'T IS JUST PLAIN FALSE. CHAMISH DOCUMENTED MUCH OF HIS JESUIT INFORMATION AND FOR DARYL TO DENY IT OFF EASILY IS TRULY DISGRACEFUL.

It makes me laugh when the media says Bill Gates is the richest person on earth. I wonder who really is.

CRAIG-OXLEY - October 30, 2005 03:12 PM (GMT)

Well my friend from a singular point of view it would have to be The Superior General of the Jesuit Order who control everything and everyone. The Queen Of England is very powerful and wealthy and shes a GELPH! The most powerfully wealthy are the **Venician** (Black Nobility) bankers who dwarf the likes of Gates, buffet, Rockefeller and Rothschild!

Alexandra - October 31, 2005 05:03 PM (GMT)

In short, pay no attention to the man behind the curtain! :rolleyes:

I like Sherman Skolnick myself. Sticking it to the poobahs...news hot enough to fry radio stations. :lol:

hitech_47460 - December 4, 2005 12:42 PM (GMT)

PLEASE NOTE THIS FOLKS!!! Sherman Skolnick IS A FRAUD! He's consistently supported Screwy Stewy Webb and his flunkie Thomas Henegen who were used by Tom Flocco to tell us that 22 indictments were coming against Dick Cheney and others. Webb is a COINTELPRO DISINFORMATION STOOGE and if Skolnick were HALF as intelligent as people think, he'd have ditched this creep LONG AGO!!

He has NOT and in fact STILL supports them. What does that TELL YOU?

Research more on Webb here:

CRAIG-OXLEY - December 6, 2005 03:44 AM (GMT)

SHERMAN SKOLNICK HAS PROVED HIMSELF OVER THE LAST 50 YEARS SO WE DON'T WANT TEMPORAL COADJUTOR WORDS AGAINST HIM. ANYONE WHOS GENUINE, KNOWS HIM AND HAS FOLLOWED HIS WORK KNOWS THE TRUTH. SKOLNICK IS ALSO ONE OF FEW WHO HAS THE BALLS TO FINGER THE JESUIT ORDER.

I find it awefully funny when a person posts negativity like this on a first post! I have my eyes on you my friend as I smell Temporal Coadjutors and believers of their myths a mile away!

TruthSeeker24 - December 6, 2005 04:14 PM (GMT)

This is a good response. It's not going to be pretty for anti-Semites, distorters, and doubters. It's the same M.O. 2tuff. 2tuff, these people have got nothing on us. Everything they show is either a blatant lie or a half-truth. Don't these people realize that we're debaters by nature. I've debated Freemasons, 7th Day Adventists, racists, and other folks that I disagree with for years and I'm only 21 years old. It's the same stuff I see all of the time by people like Daryl Eberhart, Kurt Nimmo and even Larry Lawson on some issues. These comments are about anti-Semites and doubters. I don't believe Larry Lawson is a shill, but he needs to learn about real facts. Here's some facts. First, Jewish people are here and I've got biblical, genetic, and historical evidence (all proven by AnswersinGenesis.org and other links) that they have a right to the land of Israel and there are real Jewish people today. (i.e. Lemba, Sephardic, Indic, Central Asian, Chinese, etc.) Second, regardless of Kurt Nimmo's deception, the rapture is mentioned by the early church and the Bible for over 2,000 years. I've got quotes of Tertullian believing what I believe about Bible prophecy (all before Darby, which Nimmo omits about). We have nothing to do with some jihad or a crusade to kill people. Real Christians don't support unjust killings or illegal wars. Real Bible Believers

and moral people don't hate Jewish people as well. The Bible says that they are the chosen people. Being chosen doesn't denote racial supremacy, but chosen for a duty. That duty was to create the Bible, spread true monotheism, to live in their land called Eretz Yisrael, and to support the real God. Christians are chosen to preach the gospel, but Christians aren't racially superior to other people.

No decent person, regardless of creed, want permanent tensions in the world. You know, months ago, I don't say anything about this, but now I'm calling names out. Third, real decent people expose corruption in Israel and any nation. To say that anyone who loves Israel and respect Jewish people from a prophetic and moral sense as some "Christian Zionist" is not only ignorant, but silly. These are the same people that forgotten that even the Bible said that Christ was a Jew and that salvation is of the Jews. It's funny that some of these people want to oppose the Iraq War (which is good), but want Israel to be destroyed by war if necessary. They are as just hypocritical as the Neo-Cons. As a matter of fact, the vast majority of the folks who signed the PNAC document weren't even Jewish. Most of them were members of the CFR (Council on Foreign Relations). Our foreign policy is run by the corporate elite in many organizations, not just the Zionists.

Also, doubters, the far left, and other people calling Bush a conservative Christian is silly. What conservative Christian goes around into the occult Skulls and Bones and Bohemian Grove where people perform satanic rituals dating back to the Druids and Babylon. Don't you think that a man saying that Muslims and Christians worship the same god and wanting unborn babies to be killed for rape and incest isn't a real Bible Believer. Once again, I disagree with any evil Israel has done, while at the same I condemn evil done by Muslims like persecution of dissidents and Christians in Indonesia, Pakistan, Phillipines, Nigeria, Egypt, and of course Sudan where 2 million of my people were slaughtered by a bunch of terrorists. That's real terrorism. Also, it's a historical fact that Muslim radicals colloborated with Nazis and white supremacists to do evil. For example, Nimmo don't want his readers to know that Al-Husseini worked with Nazis to kill Jews during WWII. Many pro-Nazis worked with the leadership of many Muslim nations to make a police state against their own citizens. Impious Digest.org has a lot of information on this subject as well. All evil done by any people should be equally condemned, not just inside of Israel. I agree that this war on terror is based on falsehoods (Iraq is still an immoral war) and it's contrived, but we must expose real terrorism also like abortion, religious persecution, political persecutions, etc. Funny that people like Kurt Nimmo and Larry Lawson won't talk about the Knights of Malta, Opus Dei, the Jesuits, Knights of the St. John of Jerusalem, Le Cerle, European Royalty, O.T.O, Golden Dawn, Rosicuricans, Black Nobility, and tons of other real Secret Societies that are more powerful than the Zionists (many of the Zionists are under high-level

Freemasonry and the CFR as proven by Barry Chamish. For example, Yitzah Rabin, Benjamin Netanyahu, and the majority of Israeli Prime Ministers are Freemasons. The Rothschilds and the Knights of Malta control many businesses and areas inside Israel. There is even a Masonic symbol in a Supreme Court building in Israel. They aren't the most powerful people in the world at all). The evil Zionists support the Talmud (an addition to the Torah), Kabbala, and other occult script from non-God fearing Jews. This existed from the apostate Jewish people in the OT, the Pharisees in the NT, the inventors of the Talmud, the Sabbatean movement (they promoted a false Messiah), and others. Rabbi Antleman and Scalret and the Beast website recorded that information about those apostate Jewish people as not representative of all Jewish people in general. I'm not ignorant of Middle Eastern history and I realize that both sides made terrible mistakes. The Star of David really had nothing to do with David since Satanists, Theosophists, New Agers, pagan Egypt, and the occult used the Hexagram thousands of years before the time of Christ. The Jesuits not only was the inspiration of the Nazis (proven by author Edmond Paris), but they have Spiritual Exercises which are similar to the occult. The Knights of Malta not only funded Hitler, involved in assassinations, but they head corporations and many other infrastructures today. Many of the SMOM were and are involved in the Carlyle Group, NASA, Ratline, business, media, etc.

Larry Lawson even said that Queen Elizabeth is a distracted when Queen Elizabeth is not only the head of the Knights of St. John, she's the world patroness of Freemasonry, and hold other titles. She's the cousin to Grandmaster Bertie, who is the head of the Knights of Malta and one of the most powerful people on Earth. There are indeed good and evil Jewish people. It's ironic and it's typical by these people. This Jew hatred is Satanic and I'm a man, so I'm ready for whatever. Ignorance by these people are astounding. I love Israel, I oppose the evil leadership in Israel, I love Arabs, I oppose the evil leadership in many Muslim nations, and I believe in no unfair scapegoating of Jews, Arabs, or any other people. Some of these guys are highly pro-Vatican, which is a red flag for me. Now, Daryl not only lied about the Jesuits, but lied about Carmish. Carmish risked his life in exposing the corruption in Israel, yet he still wants Israel to improve itself. A man can still love a nation, but hate the evil in a nation. You can still be pro-Israel and anti-dual loyalty and anti-evil in Israel at the same time. That's the difference that Daryl can't comprehend. He doesn't comprehend that our real wealth is fiat money worth nothing now.

Real power is political, economic, religious, and social control over the spheres of the world. Bill Gates is one of the most richest men on Earth, but he's not the most powerful. Even if you follow the money, the trail leads to European aristocrats and elite groups like the Bilderberg Group, which aren't mostly Jews. In fact, it is the Elite in America and Europe that create Israel economically. They

still fund Israel to this day, not the Israelis totally. The Vatican has the most knowledge base of info, economic, religious, and social influence than any creed on the face of the Earth. These people talk there eyes out about the Mossad, but they forgot MI6 is stronger than the Mossad and Knight of Malta Reinhard Gehlen helped trained the Mossad. The Mossad has done evil and that is true, but many intelligence agencies also have done evil like CIA drug smuggling into American communities. They talk about stealing land, but people stole land for thousands of years plus there's always been a permanent Jewish presence in Israel for thousands of years. Jews were in the land during the reign of Hadrian, the Byzantium Empire, the early Arab Islamic Empire, the Crusades, and the Ottoman Empire communicating with Arabs. All of this Replacement theology false doctrine is a product of ecumencial Christianity. A lot of these real anti-Semites love the Vatican. The Vatican shed Jewish blood for centuries as well. Nimmo forgot again that the Christians he's criticizing aren't even conservative, Rapture believing, pro-Israel Christians, but are either support of, united with, or members of occult orders (plus elite groups) like the SMOM, S&B, BG, CNP, TC, CFR, Freemasonry, etc. I don't agree with Stew Webb on everything. As for Sherman, he has exposed the New World Order since 1958. He may have done mistakes, but I don't believe that Sherman is a shill. I hear nothing by Larry Lawson on the Jesuit Order also. The ignorance by Kurt Nimmo and people like him is astounding. Kurt Nimmo cites Israeli crimes, but forgot that America and Europe has done more sin than Israel will ever do in assassinations, abortion, degenerate lifestyle promotion, tons of theft of land, real genocides, deadly wars, witchcraft, pedophilia, use of atomic weapons against innocent people, invention of tons of occult Secret Societies, etc. People like Kurt Nimmo are no different than the far left and other scoffer who demonize conservative Christians as stupid or ignorant. While people like Kurt Nimmo have a sick obsession with Jewish people, we will expose evil in all nations, promote alternative medicine, oppose torture, promote real spirituality (not myths), love all men equally, hate evil, dissent with illegal wars, expose human trafficking, respect the real truth on what's behind 9/11, making people known of voting fraud, waking people up, speaking out against rendition, abhorning the soveriegnty taking United Nations [who now wants to control the Internet. I guess they don't want people to know that they support population control, abortion, anti-gun iniatatives, etc. plus they were involved in sex scandals], enjoying real liberty, and keep on debating to back up what we say. I'm not even mad. I'm great in my skin, because the truth is on our side. It's funny that these guys refuse to listen to the total truth. This is real. These people are promoting ecumencism (like Dame of Malta Phyllis Schaffly), half-truths, and compromise instead of the real total truth. I've got my ammo and if they want to bring it, then I will bring. I'm not some ignorant hick, since I know about history, mathematics, science, religion, archaelogy, and other subjects.

Title: Opus Dei in the Media

CRAIG-OXLEY - December 6, 2005 04:11 AM (GMT)

IF YOUR QUICK THE VIDEO OF THE PROGRAMME IS STILL AVAILABLE.

I firmly believe that Opus Dei is trying to promote Jesus Christ as the "leading light" for the One World Religion ? That has to give everyone pause to consider the implications of further control.

An inside look at Opus Dei

Reporter: Suzanne Smith

TONY JONES: Former head of the FBI, Louis Freeh, was one, so was the convicted double agent Robert Hansen. And in Australia, there are members on both sides of politics. We are talking about membership in the conservative Catholic movement known as Opus Dei, a term which simply translates as God's work. Opus Dei admits to having some 500 members in Australia and only about 200,000 worldwide. Yet it's investments are reported to total more than \$300 million. Opus Dei says its aim is merely to place Christ at the head of all human activities and to spread the universal

call to holiness through professional work. Its detractors say it's an elitist organisation with questionable recruitment practices aimed at the powerful and the wealthy. For the first time, Lateline has been granted exclusive access to Opus Dei's primary religious and scholastic institutions in Australia. Suzanne Smith has this special report. The editor was Chris Schembri.

MOVIE TRAILER: What if the world's greatest works of art held the secret that could change the course of mankind forever.

SUZANNE SMITH: The Hollywood hype has already begun - Dan Brown's worldwide best-seller is soon to be a blockbuster movie.

MOVIE TRAILER: No matter what you believe, the journey has just begun.

SUZANNE SMITH: As the plot goes, the evil Cabal prepared to kill for that ancient secret - the priory of Scion - is none other than the Roman Catholic order, Opus Dei. As the modern master of the conspiracy theory, Brown chose a murderous Opus Dei monk as his most sinister character. Now Opus Dei is opening its doors in a frantic effort to counter the bad publicity. The Vatican is doing its part by elevating the conservative religion into the mainstream. A move begun by Pope John Paul II who authorised the canonisation of Opus Dei's founder, Josemaria Escriva, at this huge ceremony in Rome in 2003. Opus Dei flourished under the former Pope, whose deeply conservative Catholicism in many ways mirrored the views of Escriva.

STEPHEN CRITTENDEN, ABC RELIGION REPORT: In the last 10 years they've come out. They got their personal prelature. They got their founder made into a saint. They're much more confident now about being in the mainstream and they're spending a lot of time and effort countering the kind of Da Vinci Code view of what they're on about.

SUZANNE SMITH: Now Australian Opus Dei members are drawing back the veil on their unusual lives and speaking out, even here in Australia.

GREG BOOKALILL, OPUS DEI SUPERNUMERARY: Opus Dei, I would say, is basically me. I'm Opus Dei, my wife's Opus Dei, we're Opus Dei. We're not faceless people sitting in a back room manipulating anything. We are just people, mums and dads doing our own thing.

VANESSA BOOKALILL, OPUS DEI SUPERNUMERARY: You do intensify your prayer life, but in no way is it more elite than other Catholic groups.

FATHER JOHN FLADER, OPUS DEI PRIEST: The members of Opus Dei - call it an army, if you like - are living in society, the light of the world, like all the Christian faithful. All of the baptised have this mission, the members of Opus Dei have received more help to do it, more doctrinal, spiritual human help, so they are perhaps a little bit better equipped than others. But many others are saints and are doing a wonderful job as

well, to bring Christ into the world, into the secular structures, into our laws, into the media, into the cinema, et cetera.

SUZANNE SMITH: Escriva came to prominence during the Spanish Civil War in the 1930s, a time when priests were being persecuted and murdered by the Communists. Josemaria Escriva received a vision in 1928 that called on him to help lay people sanctify their ordinary life. They call it "a universal call to holiness". Escriva created several ranks in his evangelical army. Apart from priests, there is the influential position known as numerary. Numeraries are celibate members of Opus Dei - not priests - but single men and women who commit their lives to Opus Dei and most of their salaries. Andrew Mullins is the principal of the prestigious Redfield College in Sydney's north-west, an Opus Dei primary and secondary boys school. He is a numerary in Opus Dei.

ANDREW MULLINS, REDFIELD COLLEGE PRINCIPAL: In the end, we all follow the path that we've got life. The great message of Jose Maria, that Saint Jose Maria was given, is whatever path in life we're on, we have to live it seeking holiness.

SUZANNE SMITH: Some of my audience might be thinking, "Why be celibate?" "Why is that better for your ability to do good works in the community?"

ANDREW MULLINS: To me, it's a very personal thing and it's something that I understand in my own soul that this is what God asks of me.

SUZANNE SMITH: Numeraries live in single sex Opus Dei houses, they seek jobs in the professions and they shun close relationships with the opposite sex. This is to free them from distractions and temptations. In fact, sexuality, purity, chastity are central themes in St Jose Maria's handbook *The Way*, the guide for Opus Dei members. Saint Escriva writes: "And so it happens that among the chaste are found the finest men in every way. And among the lustful predominate the timid, the selfish, the treacherous and the cruel - characters of little manliness."

FATHER JOHN FLADER: There is an environment of hedonism, of unbridled sexuality, of sexual freedom and licence today which we've all seen and all the devastating consequence of that. Now chastity is lived by married people, as well as single people and all are called to carry out that crusade - to use that term - to bring Christ and decency, chastity back into marriage, back into life in general. So it's not only the numeraries who are detached from sexuality in some sense.

SUZANNE SMITH: The idea that the sexes must be segregated is enforced in most Opus Dei offices and facilities. Here at the organisation's \$40 million headquarters in Manhattan, there are separate entrances for men and women.

FATHER JOHN FLADER: I can assure you if we didn't have a very strict separation of men and women, then the critics of Opus Dei would be coming up with all sorts of

stories about the cavorting that's going on between the male and the female numeraries.

SUZANNE SMITH: Every Easter in Spain Catholics watch this ritual parade of flagellation, or body mortification to emulate Christ's suffering and purge sinful thoughts. While most Opus Dei members in Australia do not take part in such painful practices, they are encouraged to wear what's known as a 'cilice' - a spiked chain worn high around the thigh to avoid detection.

SAINT JOSEMARIA ESCRIVA, OPUS DEI FOUNDER: "They shall maintain the pious custom for the purpose of chastising the body and reducing it to servitude, of wearing a small cilice for at least two hours daily..."

SUZANNE SMITH: Do you wear a cilice, for example?

ANDREW MULLINS: On occasions I have.

SUZANNE SMITH: Why is that? What's the spiritual dimension to that?

ANDREW MULLINS: Sir Thomas Moore wore a hairshirt. Mother Mary MacKillop, I believe, had her own approaches to bodily mortification. This is something which has been in the church for a long time. In the end, it's probably not that healthy if we seek to make life as comfortable as possible. I think the best motive to do any sacrifice is love of God. In fact, if you don't do it out of love of God, then probably you shouldn't be doing it.

SUZANNE SMITH: Numerary and Labor Party member Richard Vella is deputy master here at Warrane College, an Opus Dei residential college at the University of NSW. Richard Vella says while he sometimes sleeps on bare boards, takes cold showers and wears the cilice, it's a very important part of his life.

RICHARD VELLA, WARRANE COLLEGE DEPUTY MASTER: It has to be seen in context. Most important, in that area of self-denial or mortification, the key thing is to imitate Jesus Christ. For people in the Opus Dei that's done in the everyday activities, like smiling when you don't want to.

FATHER JOHN FLADER: If Australians are confronted by bodily mortification, they only have to go to a fitness centre and see people sweating and puffing and punishing their bodies for the sake of noble goals of fitness, health, beauty. When Opus Dei comes to buy a cilice or a discipline, you won't find them in David Jones or Woolworths. You have to buy them somewhere. We don't make them, there's no factory of these things that I'm aware of in Opus Dei. You guess them from, I guess, religious orders in other parts of the world where they are used.

SUZANNE SMITH: Where do you buy them from?

FATHER JOHN FLADER: Well, I get one from the director, in fact the one I've been using I've been using all my life. It's lasted.

SAINT JOSEMARIA ESCRIVA, OPUS DEI FOUNDER: "Never speak of impure things or events, not even to lament them. Remember that such matter is stickier than pitch..."

SUZANNE SMITH: Numerary Andrew Mullins takes such counsel very seriously. He has modelled Redfield College on the Opus Dei school Saint Escriva, set up in Spain in the 1950s. He admits to censoring books that are sexually explicit, nihilistic or those that denigrate marriage.

ANDREW MULLINS: A one-off story about a dysfunctional family is not an issue obviously. But if seven-eighths of the book that a child receives are about dysfunctional families, then there's a major problem there, because the image that we're creating in that young person's mind, an image which will be very hard to erase is of family which does not lead to happiness, which does not lead to loving, nurturing and so on. Certainly in the past there've been books that I've been not that happy with.

SUZANNE SMITH: Can you tell us any?

ANDREW MULLINS: It's more the very explicit, sort of sexual - I'm sorry, the titles aren't with me at the moment. But where there's more explicit sexual content, I think it's inappropriate for young people. It's probably inappropriate for any of us, to be honest, in the sense that these things have an intimacy that shouldn't be paraded.

SUZANNE SMITH: Andrew Mullins admits to removing the novel *Jaws* from the Redfield library because of the sex scene. And he says some of Judy Blume's books are too sexual for teenagers. Richard Vella, an MBA student himself, always asks his spiritual adviser about sensitive texts before he reads them, but he denies claims made by critics of Opus Dei that the movement has a secret index of forbidden books.

RICHARD VELLA: I'm not aware of an index of forbidden books. I know that we have access to a bibliography, like a resource. In fact, it's a CD, it's a pretty non-descript CD. Basically it's a resource that we have access to find out about different books written about a whole range of issues and they're reviewed by academics, some who are in Opus Dei, some who are not.

SUZANNE SMITH: So there's no-one actually saying to you, given that you are a numerary, saying "you must not read these books"?

RICHARD VELLA: No.

SUZANNE SMITH: The other rank that married members of Opus Dei can aspire to is that of the supernumerary. Greg and Vanessa Bookalill are supernumeraries. They

send their children to Redfield College and maintain a so-called "plan of life", which includes daily mass and weekly guidance meetings with their spiritual director. However some detractors question whether these strict rules and practices, such as bodily mortification, could unhinge some members. In extreme cases, they claim, the spiritual directors could exert a form of mind control over some weaker members. However, Father John Flader, a close confidant of Josemaria Escriva, says weak-minded people are never invited to become members of Opus Dei.

FATHER JOHN FLADER: We don't want people who are not of sound mind of Opus Dei. Frankly, if someone comes and they're weak-minded and dependent, they can't be in Opus Dei. You used the word 'army' before. We need soldiers and not in any sense of people who are bellicose and going out with weapons, but we need to stand on our feet.

SUZANNE SMITH: Does that mean people that are homeless or addicts or necessarily addictive, weak-willed people wouldn't be Opus Dei members?

FATHER JOHN FLADER: Yes, I would say a homeless person who is homeless because they couldn't get a job or whatever wouldn't be able to be in Opus Dei.

STEPHEN CRITTENDEN: The great lie about Opus Dei is that it's a lay organisation. Opus Dei is a little bubble inside the Catholic Church or, in the Australian context, it's a bunch of little localised bubbles, and inside that bubble it is like a replica of their fantasy church and that bubble is controlled from top to bottom by priests and so Opus Dei is a group of priests and their supporters.

SUZANNE SMITH: Lateline's request to interview the chief spiritual director in Australia Vicar George Rossman was denied, as was our request for a photo. Vicar George Rossman does have the ultimate power. He decides who can become a member of Opus Dei. Suzanne Smith, Lateline.

Dan Brown is a Temporal Coadjutor and don't be fooled by the Illusion that the Church hate him and his work because their hand in glove together. Opus Dei are just like the Masons, Jesuits etc their lower Order have no idea what the pupper masters of the organisation are doing. Opus Dei is very powerful and been put in place by Jesuits regardless of the Temporal myths in order to take control of many of the Vatican affairs.

Dan Brown is such a con-man. He knows the ins and outs of the vatican and the illuminati, yet chooses to write fanciful novels with half truths and nonsense. My first impression after reading 'angels and demons' and 'the da vinci code' was that he is

probably working for the CIA. Just a hunch. How else would he get away with writing this stuff in such mainstream books? Have you ever bought a book that mentioned Illuminati in Woolworths before angels and demons? Are they trying to shove it in our faces or what? Obviously the Catholic Church must love this guy, he's brought them so much attention of late.

He's not even that good of a writer, certainly not in the league of Stephen King for popular fiction, and completely lacking a sense of humour.

There's a programme about Opus Dei on Channel 4(UK), Mon 12th Dec 8pm, 'Opus Dei and The Da Vinci Code'.

Why is Catholicism So Popular?

by David J. Stewart

"He answered and said unto them, Well hath Esaias prophesied of you hypocrites, as it is written, This people honoureth me with their lips, but their heart is far from me. Howbeit in vain do they worship me, teaching for doctrines the commandments of men. For laying aside the commandment of God, ye hold the tradition of men, as the washing of pots and cups: and many other such like things ye do. And he said unto them, Full well ye reject the commandment of God, that ye may keep your own tradition." -Mark 7:6-9

The Catholic religion is composed of traditions which are NOT based upon the Word of God. Matthew 23:9 warns us not to reverence any man as "Father." Yet, this is exactly what the Catholic religion practices. 1st Timothy 4:1-3 warns us about the Catholic religion...

"Now the Spirit speaketh expressly, that in the latter times some shall depart from the faith, giving heed to seducing spirits, and doctrines of devils; Speaking lies in hypocrisy; having their conscience seared with a hot iron; Forbidding to marry, and commanding to abstain from meats, which God hath created to be received with thanksgiving of them which believe and know the truth." -1st Timothy 4:1-3

What religion teaches it's members not to eat meat (such as during Lent)? Catholicism!!! What religion forbids its priests from getting married? Catholicism!!! It has always been disturbing to me that ANYONE would be so gullible to join the Catholic religion in light of such irrefutable Scriptures. What's so ironic is that the Catholic Bible contains the exact verses I just gave you. The problem is that Catholic people are not encouraged to read their Bibles by the Vatican, so they don't. Catholics listen to the "holy father" in Rome, the local priest, and their catechisms instead of studying the Word of God for themselves. The traditions of the Catholic religion are "doctrines of devils." How do I know this? Simply because the teachings of the Catholic religion are CONTRARY to the Holy Word of God.

The reason why the Catholic religion is so popular is because people are looking for someone to STRUCTURE their life. The Catholic church offers a package deal from the cradle to the casket, from infant baptism to have your last rites read over your dying body. By nature, we don't like to do anything by faith. I like to see exactly where I'm going to land before I leap. The Catholic religion lays it all out for people to see, a systematic plan...baptism, confirmation, holy Eucharist, the rosary, marriage, confession, last rites...and much more. It seems like a great way to go, somebody to tell me exactly what to do make God happy. The PROBLEM is that most of the teachings of the Catholic religion are merely traditions, doctrines of devils, NOT found anywhere in the Bible. According to the Bible, there were also foolish religious people in Jesus' day...

"...This people honoureth me with their lips, but their heart is far from me. Howbeit in vain do they worship me, teaching for doctrines the commandments of men" -Mark 7:6-7

Did you reads that?... "in vain do they worship me!" Did you know that the world is filled with religious heathens? The Bible teaches this! Jesus said, "But when ye pray, use not vain repetitions, as the heathen do: for they think that they shall be heard for their much speaking." -Matthew 6:7. The Catholic religion is a HEATHEN religion, based upon damnable heresies and NOT upon the preserved, inerrant, inspired, precious Word of God. Catholics "think" that they are going to heaven, but they are NOT. I realize that this seems cruel and unkind, but it is certainly NOT intended to be. I am warning you about the phony and heathen Catholic religion, it is of the devil. Why Criticize Religion?

We are commanded in James 5:16 to "Confess your faults one to another..." The Bible does NOT tell us to confess our "sins" to one another, there is a BIG difference. We should never confess our sins to anyone but Jesus Christ, since He is the One Who died upon the cross for us and paid for our sins. ONLY God can forgive sin, "...who can forgive sins but God only?" (Mark 2:7). Jesus Christ is Almighty God and did forgive sin in the Bible..."When Jesus saw their faith, he said unto the sick of the palsy, Son, thy sins be forgiven thee" (Mark 2:5). The Pope cannot forgive anyone. The priest cannot forgive anyone. The Catholic church cannot forgive anyone. ONLY through Jesus Christ can we have peace with God, and the Catholic church is NOT Jesus!

"Therefore being justified by faith, we have peace with God through our Lord Jesus Christ:" -Romans 5:1

There is nothing taught in the Bible about Last Rites. And why do Catholics bow down to Mary? You know, they all say the same thing..."We don't worship Mary, we just worship God through Mary." Listen my Catholic friend, you had better go back and read the Ten Commandments in Exodus chapter twenty because the Bible clearly forbids even BOWING to any image...

"Thou shalt not make unto thee any graven image, or any likeness of any thing that is in heaven above, or that is in the earth beneath, or that is in the water under the earth: Thou shalt not bow down thyself to them..." -Exodus 20:4,5

The Pope is a heathen who is guilty of IDOLATRY as the photo above clearly shows. Don't be fooled any longer friend, you can still be saved and go to heaven if you'll simply forsake your false religion and turn to Jesus Christ alone for salvation. How to be born-again.

have you ever heard the Pope speak about being "born-again?" No! Well, the catholic Bible has all the same verses as the King James Bible. "Jesus answered and said unto him, Verily, verily, I say unto thee, Except a man be born again, he cannot see the kingdom of God." (John 3:3). If you don't become a born-again believer in Jesus Christ, you will burn in hell for all eternity. So why doesn't the Pope warn anyone? The answer is because the Pope is a liar bound for hell-fire if he doesn't repent of his unbelief and turn to Christ for forgiveness. You heard Jesus in the above Scripture...

"Howbeit in vain do they worship me, teaching for doctrines the commandments of men" -Mark 7:7

Do you know what Jesus meant by "in vain?" Jesus was telling those people that they were wasting their time because you CANNOT worship God in heresy. "God is a Spirit: and they that worship him must worship him in spirit and in truth." (John 4:24). If you try to worship God in a false religion, you are just wasting your time. Also, notice the correlation God makes between worship and doctrine. This is very interesting...and important! You can't truly worship God unless you worship Him in TRUTH. Most of the people in the world who "think" they are worshipping God are in reality living a lie, worshipping in vain, wasting their time. The Islamic Moslems claim to love God and are known worldwide for their intense worship of Allah (god). Unfortunately, Moslems worship Allah in VAIN because they do not worship the True God, Jesus Christ. Likewise, every Catholic who tries to worship or pray to God THROUGH is doing so in VAIN. You are wasting your time, God is not part of your worship. If you don't worship God in TRUTH, then you are just practicing false religion.

The Catholic religion is the unrepentant sinners religion. You can still live like the devil and feel comfortable in a Catholic church. Most of the Catholics I have known over the years cursed in God's name, indulged in pornography, had contempt for true Christians, went to strip joints, never shared their faith with anyone, and had an arrogant attitude about the fact that they were "Catholic." You won't feel comfortable living like this in a good Baptist church. This is another reason why the Catholic religion is so popular...you are not required to live right. There is NO call to holiness. Instead, you are taught by the Catholic priests to go into a confessional booth to make everything right (a license to sin). It's sickening! The Catholic religion does not require you to carry your cross, but Jesus does. Read, Carrying Your Cross.

The catholic religion is perfect for the heathen who doesn't want to become born-again, but does want religion. The Catholic religion is perfect for the heathen who wants to continue living and sin and never be told to repent and get right with God. You can remain an unsaved, unrepentant sinner and feel at home by being a Catholic. But be warned, you will burn in hell when your time comes.

The Christian life is a life of FAITH, not ceremonial religion or organized formalism. We read in Hebrews 11:1, "Now faith is the substance of things hoped for, the evidence of things not seen." Many people refuse to live by faith; instead, they prefer to see, hear, touch, smell, and taste religion. Catholicism eliminates faith. When a Christian prays, they do NOT need to pray through a statue of Mary. Rather, the Christian prays to God from within the heart. Jesus said, "Neither shall they say, Lo here! or, lo there! for, behold, the kingdom of God is within you" (Luke 17:21). The kingdom of God is within your heart only if you have been born-again through the blood-atoning work of Jesus Christ. No religion can save you, not even the Baptists. ONLY Jesus can save you (John 14:6). The Catholic religion offers all the external manifestations of religion, but their hearts are FAR FROM GOD because for doctrines they teach the commandments and traditions of men. The "Immaculate conception of Mary" is NOT taught in the Bible. The "Seven Sacraments" are NOT taught in the Bible. The "rosary" is NOT taught in the Bible. The little wafer on a pole that the Catholic masses worship is NOT Jesus, and this evil religious practice is certainly NOT taught in the Bible. Think for yourself!

Don't forget friend, the road to destruction is often paved with good intentions...

"There is a way which seemeth right unto a man, but the end thereof are the ways of death." -Proverb 14:12

There's a lot of royalty that are post-humous Mormons. :rolleyes: I go to Rootsweb, where people have their GEDCOM files uploaded, and copy relavant information into my family tree program. Apparently people don't mind wasting time baptizing everyone by proxy long after they're dead!

I should put a note on my index page at Rootsweb--something to the effect of, if someone tries to baptize me into the LDS "church" by proxy, I consider it null and void.

The Roman Catholic Freemason Past, Present and Future

The Royal Arch Mason - Spring 1972

http://www.phoenixmasonry.org/roman_catholic_freemason.htm

By Wor. Bro. ALEC MELLOR Grande Loge Nationale Francaise

Editor's Note: For those who have been speculating as to the present relationship between the Vatican and Freemasonry, this article will be a revelation. The author is a French Catholic Freemason who can speak from either the standpoint of the Church or the Craft with equal authority. This lecture was given October 24, 1971 before Phoenix Lodge No. 30, a research lodge under the National Grand Lodge of France. The introduction is by Arthur W. Barnett, who was then serving as master of the lodge. Brother Mellor is the present master; both are members of Britannic Chapter No. 9, Royal Arch Masons.

PART I - THE PAST

Why do we speak of the "Roman Catholic Freemason"?

Why should there not be tomorrow a lecture on the "Protestant Freemason," the "Jewish Freemason," or the "Moslem Freemason"? Isn't there a kind of paradox in the very title of my lecture? No! The reason is that the Roman Catholic Church is the only one which, up to a quite recent

date, has not allowed its members to join the Craft, and that this great historical conflict is now ending under our very eyes.

That is the reason for my title!

Brethren, I would never have dared to treat such a ticklish subject in any ordinary lodge, even in my Mother Lodge. But we are tonight in a lodge of research, or as you would say, a lodge for the diffusion of Masonic knowledge, where I believe more allowance should be made. Nevertheless, I fully intend to remain on purely historical ground and be obedient to our rules, which preclude anything that might resemble religious controversy.

Brethren, I am a Roman Catholic! am a staunch supporter of the Roman Catholic and Apostolic Church. My spiritual father is the Pope - and I am proud of it.

I am also a staunch and loyal Freemason, and I am proud of that. I make no secret of the fact that I am a Mason. The whole world may know it, and I feel very moved when making this dual profession of faith, because ten years ago it would not have been possible for anyone to do so.

With your permission I will divide this lecture into three parts. Firstly, why did the great conflict between the Church and the Craft occur in the past? Secondly, how did it come to an end? Thirdly - and this is the most important - how can we face the future?

THE THREE HISTORICAL PERIODS

I shall deal very quickly with the past. You know that the history of the Craft is traditionally divided into three parts - the operative period, the era of transition and the speculative period.

During the operative period, harmony existed between the Church and the Craft. The Regius poem itself was the work of a cleric, and this was quite natural because the main aim of the Craft was building religious edifices. During the era of transition there were no attacks on the Craft by the Church - the few that did occur were by the Puritans. During the

speculative period, things were to change. When the first Grand Lodge was founded in 1717, the Church made no move and uttered no word. When Anderson's Constitutions was published in 1723, the silence continued. But suddenly and most unexpectedly, in 1738, Pope Clement XII published his well - known Bull In Eminenti, the first condemnation of the Craft in history. This was confirmed in 1751 by Pope Benedict XIV.

FIRST BULL BY POPE CLEMENT XII

If we read the text of the first Bull, we find that two reasons are given. The first one is secrecy. I pass on. The second reason is much more mysterious. It is expressed in a very short sentence, the text and translation of which I quote. This text, in Latin, was "Aliisque justis ac rationalibus causis nobis notis"; the translation being "and for other just and rational causes known to us."

This little sentence is interesting because the Pope did not explain the term "other (aliisque) reasons," and we are driven to the conclusion that there was a hidden or occult motive. What was that hidden motive? Was it a religious one? I don't think so. Why?

First of all because Anderson's Constitutions was never put on the Index (forbidden reading for Catholics). Secondly, if there was a doctrine to be condemned, we wonder what that doctrine could have been. It couldn't have been the "Deism" upheld by the English philosophers of the time, such as John Locke. Anderson, himself, was not a Deist. He was a Presbyterian clergyman, while Desaguliers was of the Church of England.

Silence as regards the Revelation - I allude to Desaguliers - is no heresy. It couldn't have been 18th century rationalism, for the German Aufklarung and that of Voltaire and the French Encyclopaedist of 1738 was still far away. Had the Bull appeared 20 years later, in 1758 for instance, things would have been different. And there is another reason. In 1776, almost at the end of the 18th century, when Pope Pius VI, in his Bull Inscrutabili, condemned the doctrines and the rationalism of the 18th century, he did not allude to Freemasonry.

When the Church condemns a doctrine, it always emphasizes what that doctrine consists of, and such was not the case regarding Freemasonry. If the hidden motive was not religious, what could it have been? Was it a moral one? Did the Roman Catholic Church put a ban against the Craft in 1738 for some hidden moral reason? If so, for what reason?

A MORAL FACTOR BEHIND FIRST BAN?

It is not speculation, but historical criticism that makes us put this question. In those days, as you know, Brethren, the first exposures came to light in England and in France and certain of our enemies reproached us with homosexuality and others with drunkenness. As for the first one, we find one protest in that old song called The Swordbearer's Song, which I quote:

We have compassion for those fools,
Who think our acts impure;
We know from ignorance proceeds
Such mean opinions of our deeds.

As for drunkenness, things were different. The period was that of the implanting of the Hanoverian dynasty, when all England reeled and rolled under the table! Since the Treaty of Methuen, port wine could be imported free of duty. I remember an English lady, a friend of mine, telling me one day: "That's why we've all got rheumatism!" The squires simply rolled under the table, and one was accustomed to speak about two or three - bottle gentlemen, according to their capacity.

In 1722, 33,000,000 bushels of malt were used for brewing. At one time matters came to the point where Parliament tried to check drunkenness by an Act, putting a tax on gin. It was a vain, laughable effort. During a debate in the House of Lords, Lord Chesterfield stressed the inconsistency of banking on the reduction of alcoholism on one hand by the means of a tax and on the other hand counting on that same tax to finance military expenditure. Gin to the rescue of the House of Austria! I am not trying to be funny, but want to put the following question: Who in those days stood up against

the immorality of that period of the first Georges? The answer is: The Craft.

HOGARTH PORTRAYED THE TIMES

It was our brother, our great brother, Hogarth, who executed the famous engraving called Night, which represents a Worshipful Master and a Tyler coming home drunk after a lodge meeting. This was done to moralize the Craft, and it is curious to note that this engraving came out in 1738, the same year as the Papal Bull. There are other moralistic engravings of Hogarth, such as The Rake's Progress, now in the Sloane Museum, Lincoln Inns Fields. It is a fact that the progress of what we might call "gentlemaness" is largely due to the influence of the early lodges; and when the Craft came across the channel to France the movement went on, developing with all the gracefulness of French 18th century manners.

So there was already something paradoxical about the condemnation, and our astonishment increases when we learn that Masonry was the only institution of the period which welcomed Roman Catholics, who were contemptuously called "Papists." If we read the newspapers of the period, such as The Craftsman or The Gentleman's Magazine, we find a passage concerning the Craft stating: "They admit all men, including Jacobites and Papists themselves." This statement in that time was the utmost limit of scandal!

We can go even further and say that during that period when Roman Catholics were considered as outlaws in England, the Roman Catholic Duke of Norfolk was not only admitted, but became Grand Master of the Craft. I have even traced the presence, among Masons of the period, of a Jesuit called Father Cotton, who was also Brother Cotton. This was lawful in those days because the Papal condemnation had not yet been promulgated.

THE REAL REASON FOR FIRST BULL

If the motives of the Papal Bull were neither religious nor moral, what could they have been? There is only one answer - they were political! I won't inflict the demonstration

on you - I have devoted half a book to it. I'll merely give you my conclusion. My personal opinion is that the hidden motive was the following:

As you know, the Old Pretender had finally found a refuge in Rome. He was under the protection of the Pope, and he represented the last card for the re - establishment of Catholicism in England. There was a war of double - agents between certain lodges composed of Jacobites and others of Hanoverian membership. The Old Pretender decided to put an end to this by closing the Jacobite lodge in Rome and, finally, to enter into the first condemnation. This leads us to understand why the motive was hidden. If the Holy See had discovered the hidden motive it would have been a terrible political blunder. The real reason was the politics of the day and the cause of the Stuarts.

Now, after the first Bull, if we examine what English policy was towards Roman Catholics, what do we find? First of all, that the legislation of the period was extremely harsh, because Roman Catholics were considered more or less as Jews were under the Third Reich: This, of course, was to become gradually milder, and the discrimination was to come to an end in the 19th century under the reign of Queen Victoria. But under the first Georges this was still very far away. It is a fact that during those two centuries, the Craft showed no hostility towards the Roman Catholic minority in Britain. It took no part in the Gordon riots, nor in the long, long troubles with Ireland. O'Connor himself was a Mason up to a certain period in his life; and you know, of course, that the so - called Orange "lodges" of nowadays are not, in fact, Masonic bodies.

LORD RIPON - THE CATHOLIC GRAND MASTER

The Craft took no steps in the intellectual sphere against the Oxford Movement, nor against the revival of Catholicism under Cardinal Newman. The Craft never, in the slightest way, opposed the gradual legal improvement of the status of the Roman Catholics and the ultimate attainment of their aims, yet nevertheless, the Papal condemnation of the Craft remained even though no reprisals were sought by the Freemasons.

This calm and impavid attitude was even somewhat heroic in a case I would like to mention - that of Lord Ripon.

In 1874, Lord Ripon was Grand Master of the United Grand Lodge of England. He was a very religious man, and for pure motives of religious conviction, decided to convert and become a Roman Catholic. It must have broken his heart to resign not only his grand mastership, but his membership in the Craft, as well. I will read a very moving page in the newspaper, The Times of September 3, 1874. Imagine the scene, brethren! Imagine the Grand Lodge of England meeting held in that solemn fashion which is still its way. Here is what The Times related under the title "Lord Ripon and the Freemasons."

"Last night the members of the Grand Lodge of England received the intelligence that the Grand Master, the Marquis of Ripon, had sent in his resignation of the high office he has held for three years as Head of the Craft in all parts of the world, acting under the warrant of England. The Grand Lodge was in the summons prepared to deal with the resolutions to be prepared by the Grand Master in the reference to the death of the Past Grand Master of Scotland, the Earl of Dalhousie, and great was the astonishment, therefore, of the brethren when it was found that the Grand Master's place on the throne was occupied by the Provincial Grand Master of Devonshire, the Rev. John Huish. There was also present a very full lodge of provincial grand officers, worshipful masters and wardens. The Grand Secretary, John Hervey, said that he had received a letter from the Most Worshipful, the Grand Master, to lay before Grand Lodge and it was with the utmost of regret he had read it, a feeling which he was sure would be shared by the Craft, whose sorrow and dismay he fully anticipated. He then read the following letter dated from Nopton Hall, Lincolnshire, on the first instant:

Dear Grand Secretary,

I have to inform you that I find myself unable to discharge any longer the duties of Grand Master, and it is therefore necessary that I should resign that office into the hands of the members of Grand Lodge. With the expression of my grateful thanks for the kindness I have ever received from

them and my regret for any inconvenience which my retirement may cause to them, I remain,

Faithfully yours,
Ripon'

"The reading of the letter caused the greatest sensation, and no one spoke for some time. The Grand Registrar, Brother McIntyre, Q.C. then rose and addressed the Acting Grand Master, saying that it was with feelings of the deepest sorrow that he had to propose a resolution on an occasion of this character. But the Grand Lodge had no alternative and must adopt a resolution concerning the sorrowful matter before them. It was a matter of the greatest grief to all that a Grand Master, who had presided over the Craft with such very great credit to himself and advantage to the Order would, for reasons which must be most cogent but which were entirely unconnected with the Noble Order, have felt it incumbent in him to resign the high post which he had held with such distinguished honour, and to which there was no doubt the noble marquis would have been elected from year to year by the body over which he had so long and so well presided.

"Deeply as they regretted the step, which the Grand Master had felt it his duty to take, they must know, all those who knew him so well and loved Mm so dearly, that he would never have taken that step unless there had been reasons so cogent to his mind, and therefore to the minds of the members of the Grand Lodge, to induce him to resign the Grand Mastership. Into those reasons the speaker was perfectly confident that no brother, throughout the great Order, would seek to pry with impertinent curiosity. The speaker then proposed that the resignation of Most Worshipful, the Grand Master, be accepted by this Grand Lodge with the deepest feelings of regret, and that the Grand Lodge shall be able to regard him, in Ms retirement from them, as they had in past times, as a bright ornament to this great Craft. The resolution was then put and carried."

Brethren, I call this grandeur. It is a splendid page in the history of Freemasonry. If Lord Ripon had lived now - adays he would very probably not have resigned and the consequence of such a conversion of a high - ranking

Mason to the Roman Catholic Church would be minimal. In 1874 he had to choose!

About 15 years later, Bradlaugh, who was the founder of a league called The League of Freethinkers in Britain, and who was an open atheist, published a book entitled What Freemasonry Is; What It Has Been; and What It Ought to Be. His main object was to prove that English Freemasonry was bigoted, and that it should follow a line like that of Continental Masonry - which had just been condemned by Pope Leo XIII for its anti - religious views. Once more nothing happened, and Bradlaugh was eventually expelled from the House of Commons for political reasons which coincided with his Masonic prejudices.

FREEMASONRY CROSSES THE CHANNEL

Now, after having rapidly seen what happened in the British Isles, let us cross the Channel and try to see what happened on this side.

Things change completely. On the Continent an historical phenomenon which our brother, Jean Baylot calls La Voi Substituee (The Substitute Path) had begun about the year 1820. In 1815 the Congress of Vienna had established, throughout Europe, the political and spiritual Order known as The Order of the Holy Alliance, which was an Order of legitimate sovereigns connected with the spiritual source of the Roman Church. This Order was necessary after the troubles of the Napoleonic period, but it was nevertheless an Order founded on strength, on compelling strength, and even, in a certain way, on strength compelling human conscience. A certain number of conspirators, such as the Carbonari and others, at a period when there was no freedom of speech, conceived the idea of joining Masonry, which existed lawfully in Continental countries, simply because it was a convenient way of conspiring.

I remember 25 years ago when, in order to escape investigation by the German Gestapo, French resisters would sometimes form groups of what we used to call in those days "Collaborationists." It was the same thing. Little by little, this perverted some lodges, however regular they might have been, and the very spirit of the Craft on the

Continent. In 1849 there was a scandal in the town of Dijon. The well - known atheist philosopher, Proudhon, was admitted to the lodge in that town, and in accordance with the ritual, he was asked to reply in writing to the following three questions: What are the duties of a man toward God, towards his neighbor and towards himself? Proudhon's answer to the question concerning the relationship with God was - "War!"

To a British Mason such a thing is unthinkable. It became increasingly compulsory in French Masonry. You know what followed. In 1877 the Grand Orient of France simply deleted from its Constitutions the name of the G.A.O.T.U. and the immediate riposte of the United Grand Lodge of England was to cease relations with that so - called Masonic body.

In Italy the origin of irregular lodges was mainly political; they confused Masonry with the fight against the temporal power of the Pope. Then there came a number of scandals in the French army - the famous "Scandale des Fiches." The anti - clerical Combes government used the Grand Orient of France for a disgusting kind of intelligence work, consisting of favoring or hindering the promotions of officers, according to their anti - religious ideas. Finally the very name "Freemason" in France became synonymous with an anti - clerical and anti - religious militant atheism.

Logically, the Church should have taken account of the difference between Anglo - Saxon and Continental Masonry. Why didn't it do so? Well, the reason is obvious - it is because Roman Catholics were too few in Britain for the matter to be important enough. At least that is how it seems, and for the same reason the confusion has continued up to the present. Brethren, so much for the past.

PART II - THE PRESENT

Now I come to the second point of this lecture. How did the great conflict come to an end, and has it really come to an end? Some do not yet know about it. Well, the proper answer is - Yes! the present situation is the following.

Let us imagine a blackboard with a diagram. We may call the Roman Catholic Church "A," irregular Masonry "B" and

regular Masonry "C." "A" has condemned "B," which means that the Church has condemned irregular Masonry, and "C" has condemned "B," for as you know, we have nothing to do with the Grand Orient and other irregular obediences. Is it therefore contrary to logic that, if "A" condemns "B" and "C" condemns "B," that "A" and "C" should not agree? Both of them condemn "B" and they even condemn "B" for the same reason principally atheism! Unhappily, the human mind is not always logical and progress is very, very slow. Ideas have progressed during the last 30 years on both sides. On the Roman Catholic side, the main promoters of pacification - or cease fire, so to speak - have been the Jesuits, Father Grouber, Father Berteloot and my friend Father Riquet, who delivered a famous lecture, which I personally organized in a lodge at Lavel. The lodge in question was not regular at the time, but has since joined the Grande Loge Nationale Francaise under another name.

On the Masonic side, we can now lift certain veils, and certain things are no longer confidential. I remember conversations having taken place in Paris with the Grand Master of Germany, M.W. Bro. Theodore Vogel (who is one of the great figures in the Craft), Brother Muller - Borner and my friend, Bro. Baron F. Von Cles, who was here half an hour ago and who was unfortunately obliged to leave. I must very proudly mention brothers from the Grande Loge Nationale Francaise, like our M.W. Grand Master Ernest Van Heeke, who have been in touch with the leaders of the Church. I must certainly not omit to mention Bro. Jean Baylot's book, The Substitute Path. I will forget about my own literary efforts, except to say one thing only: when I tried to sustain those theories, I waited to know whether or not they would be disapproved by the Holy Office - they were not censured. I consider, therefore, that they were implicitly approved. And then things went so far that a Spanish Jesuit, Father Forrer Benimeli, joined in this kind of tug - of - war.

Then in 1966, an important event took place, and most surprisingly, in the Scandinavian countries. The Roman Catholic Scandinavian bishops decided that if Protestants wished to join the Roman Catholic Church and happened to be Masons, they could remain so. That was the first step. In

Paris, a former archbishop happened to be asked by members of the Grande Loge Nationale Francaise who had returned to faith after having lost it, what they should do in actual practice. Was it their duty to resign or not? They were told: "Oh well, remain where you are Wait and see, as you say in English.'

ENGLISH EFFORT

My eminent friend and brother, Harry Carr, the secretary of Quatuor Coronati Lodge No. 2076 (English Constitution), who is not only a prominent British Mason, but also a prominent Jew - and proud of it - then had certain contacts with Cardinal Heenan in England and wrote an article on the question, from which I extract the following:

". . . On my last visit to the London Grand Rank Association, I spoke at some length of our hopes of bridging the gulf which has so long separated the Craft and the Church of Rome. During question time at the end of my talk, one of the brethren asked: 'How can you possibly hope for an accord between us and the R.C. Church, when the bookstall in Westminster Cathedral still sells those horrible anti - Masonic pamphlets, etc.?'

". . . I wrote to Cardinal Heenan explaining that the pamphlets (I know them well) are both defamatory and inaccurate and begged him to use his authority to get them removed. I also sent him a copy of my talk on Freemasonry and the Roman Catholic Church, expressing my eagerness to see peace restored between the Craft and the Vatican, and asked for an appointment when we might discuss these matters. Cardinal Heenan replied, and in regard to the anti - Masonic pamphlet he promised that '. . . if, as I suspect, it is misleading, I shall see that it is withdrawn.' He also asked me to arrange an appointment through his secretary, and I went to Archbishop's House, Westminster on 18th March, 1968. I could not have prayed for a kinder or more sympathetic reception.

CARDINAL HEENAN

"I first explained that, as a Jew, I had high hopes from the ecumenical movement and, as a Freemason, the evidence

of wider tolerance in the Roman Catholic Church had been a source of great joy to me. His Eminence replied: 'Yes, your letter to me was quite an extraordinary coincidence because I am deeply interested in the whole matter, and have been for a very long time. I shall show you a picture later on.' Our talk ranged over many aspects of the subject.

"He told me that he would be reporting direct to Rome on Masonic matters, and he asked me a number of questions on side degrees and other bodies and their supposed connections with the Craft. (I later replied on eight sheets of typescript with a collection of official printed documents, all of which were subsequently taken by him to the Holy See.)

"The highlight of our conversation arose when I emphasized how important it must be to draw a sharp line between the kind of Freemasonry recognized by the U.G.L. of England and the atheistic or anti - Christian Grand Orient type. I urged that the Church of Rome could safely take the English standards as a yardstick for distinguishing between 'the good and the bad,' and I added - 'but what we really need is an intermediary to convince your authorities.' He answered: 'I am your intermediary.'

"Then he led me into an adjoining council - chamber, a lovely room, and showed me 'the picture,' a large oil painting of Cardinal Manning's last reception. It depicted the dying Cardinal seated on a settee, his face grey and haggard, speaking to several frock - coated men nearby, while the whole background was filled with similarly clad figures. It was a 'portrait' picture of famous men with a chart below giving their names.

"His Eminence pointed to one heavily-bearded man leaning over the settee in the group surrounding the Cardinal, and asked: 'Do you know who that is?' I pleaded ignorance and he pointed to No. 3 on the chart. 'No. 3,' he said, 'is Lord Ripon; you know he was a Grand Master and he resigned from Freemasonry in order to become a Roman Catholic.' (I did know, indeed.) His Eminence continued: 'You may not know, perhaps, that after he resigned he used to say that throughout his career in Freemasonry he had never heard a single word uttered against the Altar or Throne. Those words have always remained strong in my memory and so

you can understand how eager I am to help.'

"Cardinal Heenan very kindly gave me another interview a few weeks later, when I was accompanied by a senior grand officer. It was a most promising conversation because His Eminence was on the eve of his departure for Rome when it was hoped that all these matters were to be discussed at the highest levels; but we were advised beforehand that 'the mills of God grind slowly.' And then, almost without warning 'The Pill' exploded in Rome, and now we may have to start all over again!

"I have told you all this, brethren, because I believe with all my heart that the Craft has much to gain from a reconciliation with the Church of Rome. Consider how valuable it would be if at the very least, we were able, at one stroke of the pen, to change millions of former enemies into friends. . . ."

However, brethren, someone had to begin; someone had to take, as our ritual says, the first regular step in Freemasonry. Well, I took that step on March 28, 1969. My sponsors were Father Riquet, a Roman Catholic Jesuit and Brother Harry Carr, one of the most eminent representatives not only of the Craft, but also of English Jewry. I was admitted to the Craft and did not consider it to be incompatible with my faith to adhere to "the religion to which all men agree."

PART III - THE FUTURE

The third point is, how can we confront the future?

How do things stand in this autumn of 1970?

Before I joined the Craft, I had a personal conversation with a very important English Mason, who told me in the plainest way: "We never attacked the Church! The Church attacked us! If the Church considers it has to withdraw the Bulls of the past, we will just see what happens. We have no step to take." This was the official position explained by a high - ranking official. But in fact, British Masons go much further and I have my own personal experience to testify to this. They are looking forward to a settlement.

What about French Masonry? Well, I won't speak about the Grand Orient, of course, which maintains its old hatred, not only against my Church, but against all religious ideas and the very name of God. As regards the Grande Loge Nationale Francaise, it is entirely favorable, save perhaps some individual members who do not represent the obedience. As regards the Grande Loge de France, it has taken up a curious kind of medium - way attitude. It is in favor of what it calls a talk, and its position is: "Let's have a talk, but why should the Church interfere with problems of Masonic regularity? Why should the Church, if it intends to lift the ban, lift it only for regular Masons - regularity is not the Church's business." That is the position of the Grande Loge de France.

POSITION OF THE CHURCH

On the Roman Catholic side, what is the position? I think we can say there are three schools of thought. First of all there are what we call the integrist. They are the extreme conservatives of the past, what I think you call in English politics, the "diehards." They are the diehards of the old anti - Masonic feeling. They are not very numerous and they are generally badly informed and impassioned.

Then come those who uphold a theory developed in Italy by a Jesuit named Father Esposito, which we may call the "Esposito Theory." It is not mine, but I will explain it. According to Father Esposito, the Council of Vatican II has developed the idea that the Church should enter into an overall conversation, or dialogue, with all mankind, and especially with other religions, and with all schools of philosophy - atheists included. For that reason it involves Masonry and it is in accordance with the Grande Loge de France theory. I do not agree with it myself, for the simple reason that to my mind, Masons are not unbelievers. And it is a mistake to confuse the problem of a dialogue, which is one thing, with the problem of being a member of two bodies at the same time. It is quite different. As a Roman Catholic, I don't mind entering into a dialogue with a Protestant or a Shintoist, but that does not mean that I think that I can belong to two churches at the same time. If I think that the Shintoist faith is the best, I must logically adhere to the

Shintoist Faith. If I believe that my faith is the true one, I remain faithful to my Church.

AND OF THE CRAFT

Regarding the Craft, the problem is quite different. Things do not appear under the same light, and it is obvious that a Roman Catholic may at the same time be a regular Mason. Why? Because the law is such, and that is certainly the compelling reason.

By "the law," I mean Article 2335 of the present - day Canon Code, which I translate from Latin in the following way: "No one has the right to join the Masonic sect, or a sect that conspires against religion or against the Established Power." As my friend Brother Doctor Vatcher said in a rather humorous way in this very lodge: "We don't believe in England that the Archbishop of Canterbury conspires against religion, or that the Duke of Kent conspires against the State." So, if it is a matter of pure, bare fact, it has been proven that the Grande Loge Nationale Francaise, for instance, does not conspire against the Church and does not seek to overthrow the legitimate political power.

So the condemnation (there is no question of withdrawing it) simply does not affect it; it affects something else. It's like the story of the fellow who, when it rained, passed between the drops of water; the rain didn't wet him! That is my personal opinion, and that is the opinion upheld by Father Riquet. We waited to see whether the theory would be disapproved or condemned by the Church; it has not been so condemned and we are therefore certain that this opinion is the good one and the right one. Actually, the whole matter is being reviewed once more and the Vatican is fully informed.

HOW WILL IT END

So how will the whole matter end? That is the question!

Certain Masons and also certain Catholics hope for a solemn pontifical document. I am afraid this cannot be expected for an obvious reason. The Pope cannot legislate on Freemasonry (I speak of both regular and irregular

bodies) because the Craft is too divided. It is impossible to speak about Freemasonry in general because from a Catholic point of view, there are Freemasonries in the plural. Could one then expect the Pope to issue a sort of catalogue, stating that such a Masonic body is considered legal by Catholics, while another one is not? It could be done in theory, but it would compel the Church to intervene in matters of Masonic regularity, which are none of its business.

And then, brethren, it is a fact of which you are aware that the various Grand Lodges in different countries are not all in the same frame of mind. Can, for instance, a Roman Catholic now join a lodge under the United Grand Lodge of England with absolute security that he will be considered by his brothers as being the same as any other Mason? Certainly - there is no problem. Can he join the Grande Loge Nationale Francaise? Of course he can. Can he join a German lodge? Well, I'm afraid it all depends. Can he join the Grand Lodge of Belgium (regular)? I don't know.

In fact, to leave things to each man's conscience is probably, for the moment - and I believe that is the idea of the Church - perhaps the safest way.

Personally, I have faith in the Craft. Regularity is every day gaining ground in this country. Many irregular Masons are daily more and more disgusted and join the only regular Masonic obedience, which is ours. I have faith too in the destiny of the Church. Never has the Papacy seemed so great. One can open papers to ascertain that there is no great problem of the present period on which the Pope remains mute. It is a fact, brethren, that whenever the safeguard and the dignity of mankind are in question, the tenets of the Church and the Craft are exactly the same. Let me quote another example that of the attitude to be observed towards that persecuted race, of which Our Lord and his disciples were members.

There must be room in the world of the future for "THE ROMAN CATHOLIC FREEMASON." What must he be? Well, these will be my last words: Masonry, if he rightly understands the Art, must make him a better Roman Catholic, and his own religion, if he practices it, and upholds it as is his duty, must make him a better Mason.

Freemasonry is an important topic of discussion for Catholic theologians and clerics. The Roman Catholic hierarchy are, and historically have been, quite interested in Freemasonry. For over two hundred and fifty years the Vatican has been condemning Masonry and seeking to prevent the Lodge membership of Catholics.

Masons are of many opinions regarding the present state of affairs between the Roman Catholic Church and the Masonic Fraternity (or Freemasonry). There seems to be a growing assumption that antipathy between the church and Masonry is a matter of historical importance only and that relations are such that Catholics can become

Masons without retribution by the church. Some brethren and some Catholics believe that since the Second Ecumenical Council, which was conducted from 1962 to 1965 and is informally known as "Vatican II", the attitude of the church has been to regard Freemasonry as an acceptable sphere for fraternal interaction. This paper is intended to present current Roman Catholic Church law regarding Roman Catholic membership and participation in Freemasonry, along with historical background to the development of that church law.

Roman Catholic Church Canon Law is defined as "That body of law constituted by legitimate ecclesiastical authority for the proper organization and government of the church as a visible society. The term Canon is used to designate the body of law that is proper to the Roman Catholic Church."¹

Canon Law was for centuries a simple compilation of Papal pronouncements including constitutions and encyclicals, as well as Sacred Writings and other church generated documents, some of which were contradictory. The first generally accepted authoritative collection of Roman Catholic Church Law was what is now known as the Decretum of Gratian, formally known as Concordia Discordant Canonum. This work by a twelfth century monk includes apostolic constitutions, Canons of Sacred Councils and patristic texts, all with commentary. Gratian's commentary attempted to reconcile conflicting authorities and compose a comprehensive treatment of church law.

In later centuries various church councils promulgated laws, and popes made pronouncements, but a comprehensive, consistent and authoritative statement of church law was lacking. Finally, the Codex Iuris Canonici, commonly known as the Code of Canon Law, was promulgated by Pope Benedict XV on 27 May 1917 in the Constitution *Providentissimam Mater Ecclesia*. It went into effect 19 May 1918, and constituted the first codification of church law.²

Whether under the influence of papal pronouncements or under the Code of Canon Law, the Church's attitude toward Masonry has been consistent. After Freemasonry became known to the world at large in the early eighteenth century, the church took notice of it, and objected to it. Eight popes have issued pronouncements either explicitly condemning Freemasons or those activities and principles identified with Freemasonry.³ The pronouncements took the form of constitutions, encyclicals, apostolic epistles, and addresses. Constitutions were the old style position papers or statements of church law issued by popes. Encyclicals are letters from the pope circulated to the bishops stating the church's position on certain matters.

The papal pronouncements relating to Freemasonry are as follows:

Clement XII, *In Eminenti*, 28 April 1738

This constitution was the first public written attack by the papacy against Masonry. In In

Eminentissimi the principal objections to Freemasonry given were: that it was open to men of all religions; that there were oaths taken; that Masons denied clerical authority, and that Masons met in secret.⁴ Pope Clement forbade Masonic membership by Catholics and directed the "Inquisitors of Heretical Depravity" to take action against Catholics who became Masons or assisted Freemasonry in any way. He ordered excommunication as punishment for those who defied his ban.

Benedict XIV, Providas, 18 May 1751

This constitution confirmed in Eminentissimi and condemned Freemasonry on the grounds of its naturalism, demand for oaths, secrecy, religious indifferentism, possible threat to the church and state. It specifically forbids Roman Catholics from seeking membership in any Masonic group.⁵

Pius VII, Ecclesiam A Jesu Christo, 13 September 1821

The constitution Ecclesiam specifies excommunication for Freemasons and gives as reason for the censure the oath bound secrecy of the society and their conspiracies against the church and state. It also links Freemasonry with the Society of the Carbonari, known as the "Charcoal Burners", who at that time were active in Italy and were believed to be a revolutionary group.⁶

Leo XII, Quo Graviora Mala, 13 March 1825

This constitution restated the Roman Catholic Church's objection to Freemasonry as a secret society, with oath-bound secrecy, which conspires against church and state.⁷

Pius VIII, Traditi Humilitati, 24 May 1829

This encyclical is considered by some Roman Catholic authorities to be an anti-Masonic polemic.⁸ It warned against a secret society whose "cunning purpose is to...lead the students along the path of Baal." It called for Catholics to "...eradicate those secret societies of factious men who, completely opposed to God and to princes, are wholly dedicated to bringing about the fall of the Church, the destruction of kingdoms, and disorder in the whole world."⁹ It also makes reference to the anti-Masonic pronouncements of previous popes.

Litteris Altero, 25 March 1830

This apostolic letter reiterated earlier papal condemnations of Freemasonry. It specifically condemns the influence of Freemasonry in education.¹⁰

Gregory XVI, Mirari Vos, 15 August 1832

This was an encyclical on liberalism and religious indifferentism. Religious

indifferentism is defined as "... the fraud of the wicked who claim that it is possible to obtain the eternal salvation of the soul by the profession of any kind of religion, as long as morality is maintained." This encyclical does not mention Masonry, but religious indifferentism is one of the charges often leveled against Freemasonry in papal pronouncements.¹¹ Some Roman Catholic authorities identify this pronouncement as anti-Masonic.¹²

Pius IX, *Qui Pluribus*, 9 November 1846

This encyclical calls for Roman Catholics to fight against heresy. It decries those who put human reason above faith, and who believe in human progress. Strangely, it also attacks secret "sects" and "crafty" Bible societies who "force on people of all kinds, even the uneducated, gifts of the Bible." This encyclical also calls "perverse" religious indifferentism.¹³ While not mentioning Masonry directly, it criticizes those it does not identify for those same faults that the previous papal pronouncements imputed to Freemasonry, and is regarded as an anti-Masonic pronouncement by some Catholic sources.

Quibus Quantisque Malis, 20 April 1849

This pronouncement is referred to by some authorities as anti-Masonic,¹⁴ but is unavailable in English translation.

Quanta Cura, 8 December 1864

This is an Encyclical condemning "current errors", including naturalism. It calls liberty of conscience and worship the "liberty of perdition". It attacks communism and socialism directly, but does not mention Freemasonry.¹⁵ *Quanta Cura* is referred to by some authorities as an encyclical dealing with Freemasonry.¹⁶ An attack on naturalism is usually understood to be an attack on Freemasonry.

Multiplices Inter, 25 September 1865

This is an address made by Pope Pius IX condemning Freemasonry and other secret societies. In it, he accuses Masonic associations of conspiracy against the church, God and civil society. He further attributes revolutions and uprisings to Masonic activities, and denounces secret oaths, clandestine meetings and Masonic penalties.¹⁷

Apostolicae Sedis Moderatoni, 12 October 1869

This is a constitution relating to Canon Law. It clarifies the procedure regarding censure in Canon Law, changes some Canons and establishes a new list of censures.¹⁸ Some authorities state the document relates to Freemasonry,¹⁹ but it is unavailable in English

translation.

Etsi Multa, 21 November 1873

In the encyclical Etsi Multa, Pope Pius condemned Masonry by stating that Masonic groups were among the "sects" from which "....the synagogue of Satan is formed"20

Leo XIII, Etsi Nos, 15 February 1882

This papal encyclical speaks about the conditions then prevalent in Italy and refers to a "pernicious sect" at war with Jesus Christ, which sect he blames for civil unrest in Italy.²¹ Some Roman Catholic authorities identify this as a reference to Freemasonry.²²

Humanum Genus, 20 April 1884

The encyclical Humanum Genus is considered to contain one of the most vicious attacks on Freemasonry of any papal pronouncements. It states that "A good tree cannot produce bad fruit, nor a bad tree produce good fruit...the Masonic sect produces fruits that are pernicious and of the bitterest savor." It goes on to say that Freemasonry's goal is the destruction of the Roman Catholic Church, and that Freemasonry and the Roman Catholic Church are adversaries. Pope Leo further stated that many Freemasons are unaware of the ultimate goals of Freemasonry and should not be considered partners in the criminal acts perpetrated by Freemasonry. He also condemns the naturalism of Freemasonry, by which is meant the belief that "human nature and human reason ought in all things to be mistress and guide...they allow no dogma of religion or truth which cannot be understood by the human intelligence, nor any teacher who ought to be believed by reason of his authority."²³ It is interesting to note that Brother Albert Pike stated that this encyclical was a "...declaration of war, and the signal for a crusade, against the rights of man...."²⁴

Officio Sanctissimo, 22 December 1887

This is an encyclical epistle concerning Bavaria and includes a warning against Freemasonry. It states that Freemasonry is a "contagion", and is a "sect of darkness".²⁵

Dall'Alto Dell'Apostolico Seggio, 15 October 1890

This encyclical, also known as Ab Apostolici, dealt with Freemasonry in Italy. It condemned the contemporary course of public affairs in Italy as the realization of the "Masonic programme". This alleged "programme" was said to involve a "deadly hatred of the Church", the abolition of religious instruction in schools and the absolute independence of civil society from clerical influence.²⁶

Inimica Vis, 18 December 1892

This encyclical epistle to the bishops of Italy addresses Freemasonry in Italy. It reiterates the urgent necessity of combating the ends of Freemasonry, and entreats the bishops to work to convert victims of Freemasonry. It complains that some Roman Catholic clergy are entering into or cooperating with Freemasonry.²⁷

Custodi di Qualla Fede, 18 December 1892

This is an encyclical epistle to the people of Italy attacking Freemasonry. It tells how to work against Freemasonry in ways such as guarding Catholic homes against infiltration, setting up Catholic schools and mutual aid societies, and establishing a Catholic press. It contains virulent criticism of Freemasonry.²⁸

Praeclara, 20 June 1894

Praeclara is an apostolic letter to the rulers and nations of the world which calls for union with the church of Rome, and which warns against Freemasonry.²⁹

Annum Ingressi, 18 March 1902

Annum Ingressi is an apostolic epistle to the bishops of the world reviewing the 25 years of his pontificate. It also urges resistance to Freemasonry.³⁰

As one can tell from the increasingly harsh attacks on Freemasonry by the popes, the various papal pronouncements appear not to have impeded the progress of Masonry. The attitude of the Vatican has not always been the attitude of the clergy or of the people.

It is important to note that in the 18th century the then popes' condemnations of Freemasonry were not promulgated in America by the church's chief cleric, Bishop John Carroll. Bishop Carroll wrote in a letter in 1794, and spoke of the lodge question as follows: "I do not pretend that these decrees (against Freemasonry) are received generally by the Church, or have full authority in these dioceses."³¹ That wasn't to be the last time that American Catholics refused to freely support the Vatican's position regarding Freemasonry.

British Roman Catholics had a similar attitude toward church authority. There were Roman Catholic Grandmasters of English Masonry during the 18th Century, including Thomas, Duke of Norfolk who was Grandmaster of the Premier Grand Lodge of England in 1730. Robert Edward, Ninth Lord Petre, who was considered the head of the Catholic community in England, became Grandmaster of the Premier Grand Lodge in 1772 and served for 5 years.³²

With the advent of the 1917 Code of Canon Law, the Church incorporated the attitude

of previous papal encyclicals into something akin to statutory law. In Canon 2335 of the 1917 Code of Canon Law, the church held that "those who joined a Masonic sect, or other societies of the same sort, plot against the church or against legitimate civil authority, incur excommunication". This was explicit church law for decades thereafter.

After the Second Ecumenical Council (Vatican II) there began clerical questioning of the church's condemnation of Masonry. In 1968 a book was printed in Spain entitled *La Masoneria Despues del Concilio* (Masonry after Vatican II).³³ The author was a Jesuit Priest, Father J. A. Ferrer Benimeli, whose thesis was that regular Freemasonry should not be condemned. He condemned irregular Freemasonry only, since it was atheistic and anti-clerical.

The growing ambivalence of the church's position regarding Freemasonry became official in 1974 when Franjo Cardinal Seper, Prefect of the Congregation for the Doctrine of the Faith, sent letters to John Cardinal Krol of Philadelphia and others regarding the force and meaning of Canon 2335 of the 1917 Code of Canon Law.³⁴ The Cardinal, doubtlessly prompted by the ecumenical fervor of the times, stated that the Canon still remained in force, but that since penal laws are subject to strict interpretation, excommunication would only be applicable to those Roman Catholics who joined organizations which actively plotted against the Roman Catholic Church. Given that Masonry does not plot against the Roman Catholic Church, the letter was interpreted by many to mean that the Cardinal's statement signaled that the ancient strictures against Roman Catholic membership in Masonry had been removed.

It will be remembered that in 1978 both Pope Paul VI and Pope John Paul I died and Pope John Paul II was elected. With him, conservatives in the church regained power. Their influence can be felt by the back tracking and retreat from ecumenicism of the Congregation for the Doctrine of the Faith. The Congregation for the Doctrine of the Faith is an authoritative high level organization in the Vatican concerned with church law and purity

of doctrine. On 2 March 1981, just seven years after Cardinal Seper's letter, the Congregation retreated from borderline tolerance of Freemasonry. It issued the "Declaration on Catholic Membership in Masonic Associations".³⁵ In this declaration, the letter of 1974 was blamed for giving "rise to erroneous and tendentious interpretations". By this declaration the Congregation was in effect saying that the old rules relating to Freemasonry were back in force.

The Roman Catholic Church presently operates under the new Code of Canon Law which was promulgated in 1983. This new Code revised Canon 2335 of the 1917 Code, and incorporated it into new Canon 1734, which reads as follows: "One who joins an association which plots against the church is to be punished with a just penalty; one who promotes or moderates such an association, however, is to be punished with an interdict."³⁶ As can be seen, no longer does the Canon impose excommunication on

Catholic Masons, or even mention Masons directly.

One interesting feature of the 1983 Code is that it appears to differentiate between simple lodge membership, the punishment for which is a "just penalty", and promoting or holding office in such a society, the punishment for which is an "interdict".

An "interdict" is a punishment or vindictive penalty by which the Roman Catholic faithful, remaining in communion with the church, are forbidden certain sacraments and are prohibited from participation in certain sacred acts. It is a censure. Those bound by a personal interdict are forbidden to celebrate or assist at divine services, and are denied ecclesiastical burial.³⁷ It appears, therefore, that where Masonic groups are determined to have plotted against the church, Catholic officers of those lodges will be subject to a stiffer penalty than will regular members who are Catholic.

As a consequence of the new Code of Canon Law and Cardinal Seper's letter, the church was faced with answering the question 'since the new Code does not prescribe a punishment for belonging to a Masonic organization, does that mean that the church approves of such membership as long as no plotting against the Roman Catholic Church occurs?' In other words, has there been a rapprochement between Masonry and Roman Catholicism? Numerous persons have, since the promulgation of the new Code of Canon Law in 1983, set out to answer that question. In this author's view, the question has been answered conclusively in the negative.

On 26 November 1983, the same year that the church adopted the new Canon of Church Law, the Congregation for the Doctrine of the Faith issued a statement declaring that "the church's negative position on masonic associations, therefore, remains unaltered, since their principles have always been regarded as irreconcilable with the church's doctrine...Catholics enrolled in masonic associations are involved in serious sin and may not approach holy communion."³⁸

One can see how this new policy statement conflicts with the ecumenical nature of Cardinal Seper's 1974 letter and the changes in Canon Law. Clearly there had been retrograde movement in the church's attitude toward Masonry. The Congregation avoided directly overriding their 1974 statement by drawing a distinction between penal law and morality. They held that what was meant in their 1974 statement was that Catholics could not be excommunicated or otherwise punished for merely being Masons, insofar as the particular Masonic group to which they belonged did not attack the church. However, the Congregation held that it was nonetheless immoral to belong to Masonic groups because Freemasonry was, in their view, antithetical to the teachings and authority of the church. Clearly, the momentum toward a rapprochement between Freemasonry and the church had been lost.

Influenced by the statements of the Congregation for the Doctrine of the Faith, and the reversal of the short lived drift toward ecumenicism, in 1985 the United States Bishops

Committee

for Pastoral Research and Practices published a report entitled "Masonry & Naturalistic Religion"³⁹. The Pastoral Research & Practices Committee Report states that while one can no longer be excommunicated for being a Mason, it is none the less sinful to

belong to Masonic organizations. The rationale is that the principles of Masonry are irreconcilable with those of the church. The report goes on to quote a six year study of Masonry by the bishops of Germany and the study of American Masonry by Professor William Whalen.⁴⁰ The Committee Report quotes those sources as stating that the principles and basic rituals of Masonry embody a naturalistic religion, active participation in which is incompatible with Christian faith and practice. Those who knowingly embrace such principles are "committing serious sin".

As could be predicted, and in line with its history, the American church at large is more tolerant of Freemasonry. Perhaps the attitude of American Catholics and the American church was best expressed in a letter from Bishop Fiorenza of the Houston-Galveston diocese, in which he said:

".... In the historical view, Freemasonry in Europe and Latin America has opposed the Catholic Church and has been

virulent in its anti-clerical attitude. To a great extent, however, this mentality is not typical of Freemasonry in the United States There is a concern that certain Freemasonry groups display all the elements of a religion, but forbid the mention of Jesus Christ within the lodge. This, too, is not exemplified in masonic groups in the United States but is found in other parts of the world. Most Masons in this country join for social and business reasons.

In general, there has been no conflict between Freemasonry and the Catholic Church in this country. Both organizations have existed in harmony in the United States...."⁴¹

While the apparent tolerance of American Catholics toward Masonry is encouraging, the Vatican and the U.S. Conference of Bishops have made determinative rulings by which American Catholics at large are expected to abide. The final nail in the coffin of any possible near term rapprochement between the Catholic Church and Freemasonry appears to have been a declaration published in the official Vatican newspaper L'Osservatore Romano by Joseph Cardinal Ratzinger, ".... The faithful who enroll in masonic associations are in a state of grave sin and may not receive holy communion.... In an audience... the Supreme Pontiff John Paul II approved and ordered the publication of this declaration..."⁴² Thus, the present pope is on record opposing Masonic membership for Catholics.

In subsequent editions of the newspaper the holding of the Congregation for the

Doctrine of the Faith, approved by the pope, has been restated and substantiated. For those of a philosophical bent, the 11 March 1985, L'Osservatore Romano (English language edition) contains an article which argues that Masonry establishes a relativistic symbolic concept of morality unacceptable to Catholicism.⁴³

Thus, and despite the Second Ecumenical Council, the hostile tenor of Roman Catholic Church pronouncements toward Masonry remains unabated, and official church attitudes and law are not meaningfully different from those of previous centuries. The atmosphere and tradition established by long dead European popes and Freemasons continues to haunt American Freemasons. By denying communion to Roman Catholics who are Masons, the church denies obedient Roman Catholics the opportunity to share in the brotherhood of Freemasonry, and Freemasons lose the opportunity to share fraternal bonds with many Roman Catholics.

Here is another notorious connection between the Pope's ADL led by Masonic Abraham Foxman and the Jesuit Order. The ADL awards (now get this!) "The Cardinal Bea Interfaith Award."

Bea was one of the top Bavarian German Jesuits during WWII who worked with Bavarian German Jesuit Robert Leiber in the murder of the Jews via Himmler's Rockefeller-financed SS.

Dear Canefan,

Great article! Greg should get a medal for this!

Notice that Jesuit Augustin Cardinal Bea was a Freemason, but was also the confessor of Pope Pius XII.

The ties of P2 to Catholics Mussolini and Hitler are undeniable. The occult of Himmler and Hitler was the Masonic occult overseen by the Jesuits including Cardinal Bea.

Sincerely in Faith,

Brother Eric

Dear Friends,

Here is a Bible-believing Filipino brother in Christ who is thankful for White Anglo-Saxon Protestants and Baptists who delivered to him the Word of God. May Bible-believing Blacks and Orientals acknowledge the same as it was God Who did the choosing as to which people He would use.

Sincerely in Faith,

Subject: THE HOLOCAUST

Dear Brother Mxxxxxxxx :

I've attached herewith PDF Files, my dear brother ERIC JON PHELPS agreed to me. I'm a Filipino, but my eyes with tears as I saw Israelites the Children Of Jacob => son of Isaac => son of Abraham => where GOD in heaven is the GOD Of Abraham, Isaac & Jacob.

These people are killed by the Roman Catholic System. Some told me its a fake. I replied, do you mean World War II is a fake, do you mean the personalities of Hitler, Roosevelt, Churchill, Stalin, Yamashita (World War II Icons) are fake?

Ahaa.... the above personalities are true. Even my Grandfather was poisoned by the Japanese during World War II (my mother and my uncles told me on their sincere stories).

ESPAÑOL, grabe! terrible! our country before is almost 500 years under Spain. The very reason, until now I still know how to count el español. But White Anglo-Saxons are more superior than Spanish. Why? Of all white people the Anglo-Saxons are Bible Believing race. We must thank the White-Anglo Saxons they preserved the Bible KING JAMES VERSION 1611 => the most reliable Bible a fruit and hardwork of King James and the White Anglo-Saxons people.

Brother Maverick will soon see the beauty and wonders of heaven in wonderful spirit such as the very colorful GALAXIES as a reward from GOD, just obey GOD.

Many thanks brother Mxxxxxxxxxxxx.

P.I.D. Radio 1/17/06: Eric Jon Phelps - Jesuits, Nazis, and Communists

Eric Jon Phelps, author of *Vatican Assassins*, joins us again to pick up where we left off, in the vicinity of World War II. Today, Eric details the connections between the Jesuit order and the birth of fascism and communism in pre-World War II Germany and Russia.

The most disturbing point Eric made: Hitler's decision to attack Russia was primarily to sacrifice thousands upon thousands of Russian Orthodox civilians and predominantly Protestant German soldiers.

Title: Eric Phelps reply to Michael "Temporal" Dyer
Description: *Along with 2tuff's comments in Red*

CRAIG-OXLEY - January 17, 2006 05:11 PM (GMT)

Dear Mr. Dyer,

Thank you for contacting me.

I shall reply below.

Dear Mr. Phelps,

Hello, i run the website www.nwowatcher.com as well as regularly post at a variety of different forums and do a weekly net radio show for [nwowatcher](http://www.nwowatcher.com). I will get to the point sir.

It is not necessary to call me "sir." Eric, Brother Eric or Mr. Phelps is fine.

About 6 months ago a person calling themselves 2tuff began posting at our message board, as well as the David Icke forum. (I'm under the impression that there might be more then one person posting as 2tuff, and that 2tuff might sign onto forums under more then one name in order to better 'promote' their message.) They have promoted your work at every chance, as well as the exposure of the Jesuit Order. I've never personally been one to back away from putting out information on the corruption of the Vatican, and the topics of paganism, sun worship, child molestation, and various topics of Vatican control, and am not worried about upsetting people of the Catholic faith. Though while i had read some information regarding the Jesuit Order and the Black Pope in the past, it wasn't until 2tuff pushed this information (and kept pushing and pushing, and keeps pushing) that i further began to study the importance of the Jesuit Order as a controlling faction of the Vatican power structure.

Now, i will admit that a good majority of the information you're providing exposing the

Jesuits, as well as 2tuff, is valid information that deserves more attention.. However, i must say that i disagree with your religious stance on this whole matter, and that in my viewpoint, it only goes to further give power to the institution of which you seek to be exposing..

How can that be when I thoroughly expose its doctrines, its past history, its present affiliates and future goals? How can my calling for the formal expulsion of the Jesuit Order from the United States, as has been done by every country in Europe, "further give power" to the Jesuit Order? How can my exposure of the Jesuit Order in the assassination of our first and only Roman Catholic President, JFK, further empower the Jesuit Order now ruling the nation? Light disperses darkness. I fail to grasp the logic of your conclusion.

The fact that I've come along and pushed this hot information to an even larger audience of truthseekers has annoyed the Jesuit overlords and their Temporal Coadjutors so much they wish to agitate, discredit and create yet more confusion to put people off this extensive, spot on and truthful knowledge so they can keep their veils and smokescreens up. They wish you all to believe in Reptilian races ruling the world with Rothschild the leader. Forget all the wealthier Black Nobility families and Vatican wealth which dwarf Rothschild. I'm sorry but Jesuit information needs to get out there and all their Temporals spreading disinformation need to be exposed. Remember when you were non aware of the conspiracy on any level and someone came and exposed a part of it? Yes most times you would become annoyed, angry, lack and mock which is known as a gatekeeper? Well when the Jesuit information is presented, the exact same effect happens again because believe it or not you've been conditioned twice by the same clique. You see the Jesuits and Elite know x-amount of the population will come across something which switches them onto the conspiracy. Therefore the Order has to create another set of smokescreens by feeding so many truths in order to grab that persons attention and then focus it on the wrong conclusion wether it be Reptile fantasy or Jews ruling the world etc. They program you very well and your now totally convinced of their indoctrinate but this time your so cocky because you think you've got the knowledge. When Eric Phelps and people like I come along again and burst your bubble then you fall straight back into the trap like when you were new to it all, no different whatsoever. The problem is most people become more ignorant and blinked to the REAL truth than before.

These same people will attack in any way shape or form they can and they will use the religious side instantly to try and smear the person doing the exposing. Unfortunately for them they cannot do this to me because I am non-religious as such and again if Muslims ruled the world I would expose them but they do not and same for the jew again but they do not. The facts are that the elite ruling this world are using the Catholicism religion to hide behind and it shields them very well and has done for centuries. Remember on that the Order, temporals and

ignorant will use the Jesuit created labels of Racism, Anti-semetic etc in order to quickly put others off investigating further what your saying.

Likewise, this person 2tuff, whoever they are, has one of the absolute worst attitudes of any person i've ever run across on the internet. We've gotten into disagreements on multiple occasions, and while i've tried to be civil on most accounts when i'm capable, and carry on a valid conversation of mutual growth and understanding, 2tuff has pretty much done nothing but come across with a smug, condescending, self serving attitude of egotism and superiority in which he, yourself, Nick Rivera, and 1 or 2 other researchers are the only people in the world who aren't ignorant gatekeepers, and 'Temporal Coadjutors'.

I do not know 2tuff, but I have corresponded and even debated with him in the past. Regarding the attitude you complain of, and rightly so if true, I, like you, disdain, disapprove and discard such a demeanor which always renders the advocate unworthy of serious consideration. I cannot control who posts my emails, but I do apologize for 2tuff's attitude with the promise that if it continues I will remove him from my email list.

This is true of Eric, me and Eric have debated a couple of times in the past with me initially not agreeing with some of his information on non Jesuit topics at first. I learn't quite a bit from them little debates and alas I never got angry because Eric didn't agree with me. You see folks this person and many others try to claim I hate being disagreed with, thats incorrect I just hate attackers and people trying to cause trouble. If someone has a valid question or different opinion but comes across without attacking or mocking in any way I accept them and will correspond with them to a point in a polite manner and have done on numerous occassions. What I do detest are people with very little knowledge indeed coming around trying to mock and agitate myself and belittling information they do not understand. Most times i've found that these people have never even read Vatican Assassins let alone all the other literature and information piling up and backing the information at hand. This used to happen a lot until people actually sat down and listened to the radio shows, read the numerous books and information. I've had many people in the past apologise once they've done this because they see something is true and there also many of their unanswered questions get answered finally. You see the Temporal disinformers purposely keep you in the dark and bombard you with fantasy and false history.

Now I get some Temporals trying to make silly comments that they think 2tuff is a collection of multiple humans working under the same title. I've had Temporals claim that 2tuff is a mere computer program spreading the information. What hogwash and its all again to deceive the truthseekers so that they get suspicious of me and obviously then the information. Some of these people are not stupid

and know exactly what their doing to discredit people believe me.

You see this person in particular makes out hes a nice person wanting friendly discussions but this is a lie. This person has been agitating for a long time and because hes a decent writer of words he lures some to believe him due to the way he writes and of course his deceiving. I do not claim to be the best writer and amazing at English grammar because I'm not. I do admit to myself telling the TRUTH and no matter how its put across in words/grammar, the truth is the truth. What this person doesn't like to admit his how he unjustifiably creates friction and confusion on a regular basis. The confusion is an old trick to put people off knowledge and its known as Thesis, Anti-thesis and Synthesis. An example of this action is the Iron Mountain document and how its the Thesis and the Order then create an anti-thesis by saying its fake then the conclusion is synthese CONFUSION. This person loves to create confusion! Now bare in mind he also used this henchman from his forum to help attack me and remember on that person used swear words and all kinds of abuse and no structure, info nothing in his messages of hate. This to me just keeps proving that their servants of Rome for sure and at the very least ignorant servants

Not only this, but 2 times now 2tuff has personally wished death upon me, saying that if the 'almighty Jesuits' release a super-plague, that they hope that i suffer and die, that they will be glad to stand over me and laugh at my agony. They have also said before that they wished ALL 'gatekeepers' would die and that the Jesuits would just get it over with.. (Sounds like NWO population reduction to me)

Again, this language is out of order; I would never say such things to you or anybody else for that matter. I am constrained by biblical maxims of behavior, one of which is to "honor all men" regardless of their race, language or religious affiliation. This, I am careful to implement at all times regardless of the individual or forum involved.

Now we must remember a trick of the media and that is to give a partial truth but not the whole story which ultimately would lead to a outcome not of their desiring. This person does the same and quotes the above without the rest of the story. It is true I have wished death upon him by a Jesuit/United Nations super plague (and yes they have many in the waiting). The reason for this was because whilst I have informed many on alternative health issues dealing with this subject, this person has mocked and discredited information. Remember on that were under severe times where by the Order is depopulating us as we speak. I do not appreciate anyone mocking information which could save a worthwhile truthseeker in case of health emergency. Then to see that this same person has almost no knowledge on the subject they mock is even more incredible. He claimed products like Silver, Blood Electrification etc will not stop a plague etc. I had to inform him of the people who survived The Black Death etc and how

doctors especially in Venice would wear evil theatre looking long beaked masks which the beaks were packed with herbs and oils which stopped them dying along with the fact these people had enough wealth to eat more and more correctly which deep down was the underlining issue. Remember disease only occurs through malnutrition, dehydration, pollutions and bad sanitation. Any parasites, bacteria etc present is only there because of the pollution etc and thus scavenges the body trying to naturally keep the earth and body clean. So yes I wished him to catch a viral infection of the future and carry on using nothing or the Medical/Pharmaceutical complex fake, pollution and depopulating drugs.

I'm sorry MAD but I'm not part of the New Atlantis (New World Order) depopulation and I suggest you study more on the Club of Rome and Global 2000 documents etc instead of wasting so much time arguing and inciting trouble between us.

Now, I understand the frustration that can come in this line of research when people ridicule you, mock you, or try to discredit your information. However, on most occasions my personal stance was to try and create a dialogue of MUTUAL conversation in which all parties involved in the discussion might come to better understandings and answers.

A most excellent goal and to be most admired in this age of reckless communication between interested parties.

Your desire is to do everything you say in that paragraph which is to mock, ridicule and discredit along with confuse. You try to come off all nice but your agenda is clear to all of us of intelligence

However, 2tuff does not seem to want this outcome, but instead to keep up animosity, bitterness, and anger that does nothing but stroke their own self serving ego, and, of course, promote your forthcoming book.

I would not tolerate this, but give 2tuff the ultimatum of either presenting himself as a gentleman or suffer the penalty of being removed from the forum. You are the master of dialogue and must, by extension, police what may be posted for the benefit and edification of the group.

Whats extremely funny about this situation is that upon his forum all I ever do is place the information from Jesuit exposers. You see folks I choose these days and have done for a while not to debate with these people. I feel that presenting the information is enough and what you do with it or make of it is your own business until you mock or attack myself. All thats done on his forum is information placed nothing else. You see this person wants agitation all the time and because I haven't been rising to the bait for a long time and totally ignoring him he then threatens to delete me. Now this to me shows something is up with

this person and quite frankly its childish and depriving genuine truthseekers knowledge they may not have access to elsewhere and to allow them to make their own minds up.

Because I have a strong stance in what I know and believe along with the fact these Temporals cannot change my mind and lure me back into illusion and darkness they claim I have an ego. Because many people wish to follow my information etc they claim I have an ego and so forth. Its just pure hatred for the fact that their bubbles have been burst and/or their masters are finally being exposed.

Another trick of this clique is to keep making out I'm promoting Eric Jon Phelp's book. Now they've come out with nonsense like this over Vatican Assassins claiming I was out to promote and sell this book of Eric's. Whats funny about this was the fact that this book was no longer on sale and out of print. Also what was extremely laughable was the fact that I was promoting links to getting this book for free online wether it be file sharing or direct links. This person also claims that Vatican Assassins makes the readers mind up for them which is nonsense and he claims its based on anti-catholics disinformation which means nothing just because a lot of information comes from 1800's as well as early 1900's etc. The fact that we have information dating back to these times as well as recent shows the extensive research on the matter. Now consider that when people brought Vatican Assassins they got a disc with 12 or so books on it amounting to around 1700 pages in total or more I find this a lot more extensive than almost all other authors and books sales around. Now their trying the same old nonsense on again making out I'm out to just promote Vatican Assassins III when it comes out. Remember on I've been outing the Jesuits for a long time and VAIll was not in the making then.

These people also mouth off about me posting information with two links, one to my forum/site and the other to the original information. I have explained numerous times its about making sure the information is around as long as possible. Remember sites are going down regular especially hot sites and I've had mine go down for long periods of time. If theres more than one source for the same information thats more chance of a truthseeker still being able to gain knowledge which the Order wishes removed. Its that simple but these make a ego conspiracy out if it. If these people of ignorant diverted their attentions to the real enemy then maybe we wouldn't even have this conversation.

But, this isn't really about 2tuff, it's equally about you and the stance that you present in some of your personal statements.

I figured that this is the real reason behind your missive.

Its all about you be a Temporal Coadjutor because either way your working for Rome by either being paid to or by your ignorance and promoting of Rome unknowingly.

I'm not a religious person, but instead a spiritual person not bound by the belief structure of religious ideals.

Disagreed. All people are bound by a belief structure, whether it originate internally or externally. Every man is either his own god or serves "another god" or serves the true and living God Who sent His Son "to be the savior of the world." Having been an atheist for many years prior to salvation in Christ, I know from whence I speak.

I agree totally with Eric Jon Phelps on this on.

Just as you and 2tuff are always throwing around the motto of people being 'Temporal Coadjutors', so could the same be said of you both for different reasons. (Temporal being a Jesuit term, but i'm just using it as an example for shill).

Disagreed. The term "Jesuit Temporal Coadjutor," though originating with the Order, is used by me to describe a person who, via his words or deeds or both, furthers the grand design of the Jesuit Order. I use it cautiously, but necessarily, towards individuals who merit the term after their actions have been described in detail. Since the Order will not publish its secret list of Coadjutors, then I must seek to identify those who, by their works, betray secret allegiance to the Jesuit General.

How am I a Temporal when I also expose The Order itself? A Temporal does everything in their power to protect The Order and that means keeping it in the dark away from peoples eyes as they have done well till recently. Unfortunately my forum/site has many articles upon it and some may come from temporal sources along the way which I do not know about and cannot easily weed out. That is for the truthseeker to find out and at least use some of the information which will be of some truth towards their final goal. I must stress that if anything is possibly Temporal on my site it will be in the Illuminati and other areas other than the JESUIT area. So you cannot use this against me either.

People such as myself, who see the Bible, and religion in general as deceit, might see YOU as being a form of 'Temporal' yourself.

Interesting. Why would YOU view the Bible, the English Reformation Bible---the AV1611, or even its predecessor, the Geneva Bible---as a book of deceit? The men who believed that Bible, through their actions in England, Holland and early America, secured to YOU the right of freedom of speech, freedom of conscience

and freedom of the press---so condemned by the Jesuit Order's Council of Trent (1545-1563). By calling the Reformation Bible a book of deceit, you call men like Baptist Calvinists James Madison and John Leland "deceivers," these godly founding fathers having secured for YOU the above rights in the Bill of Rights, so unique to historic American liberty.

Very well said Eric and even though i'm not a protestant I fully go along with this

Likewise, your promotion of 'Historic White Calvinist Americans' as being 'the only bastion of hope for the world' leaves a bit to be desired as well.

Disagreed. Bible-believing White Anglo-Saxon Protestant and Baptist Calvinists are *the only men in history* who broke the Temporal Power of the Papacy, bringing the world out of the Dark Ages and into the Modern Era, beginning with the Treaty of Westphalia in 1648. If you are aware of any other group of men, racial or religious, who have accomplished such a feat, please correct me, as I do wish to right on this important point. These men are the fathers of what we in America are quickly losing---Protestant-birthed national sovereignty.

These people want to use the labels of The Order such as Racism etc to help fuel the covert agitations. If genuine people only read the information first and maybe twice over they will see theirs no racism and its quite factual

And 2tuff shares this same ideal, though they take it the extra step of believing that racial segregation is what is needed in the world, and that everyone should be separated, given their own land, and not allowed to intermingle.

When I speak of racial segregation, I use the term biblically in that the Lord created the races for the purpose of keeping mankind separate, lest we should unite against God as did our forefathers at the Tower of Babel. The institution of diverse languages was for the same exact reason. A nation is a people with a common race, a common language and a common culture, that people residing in a specific geographical area. This is why America is not a nation, but is composed of a host of nations occupying a general land mass. We once were a White Protestant nation that spoke English prior to the War Between the States and the resultant massive Irish and Italian Roman Catholic immigration via Ellis Island. The solution to this problem between White and Blacks is to break up this Empire and create two nations for only Whites (one Protesant and Baptist, and the other Roman Catholic) a nation for Blacks (of any religion), a nation for Orientals (of any religion) and a nation for the race-mixers---racially and religiously speaking. This would solve the Order's racial agitation directed against White Protestants and Baptists, which relentless agitation we have been so afflicted with for the last sixty years. Today, we cannot perserve our White race, our historic Bible-based Protesant and Baptist faith, our English language,

and high White culture evidenced by our once great music and architecture. We are being Africanized, paganized and now sodomized---via the Supreme Court employing the points of federal bayonets.

I agree again with Eric and again we must remember that god said in all the texts that the blood should stay pure and the seed not mixed. I know many black people who would prefer to live with just blacks and so forth. I know of many blacks that hate Britain for not giving what it promised and wish to go back to their lands they were born and some even who weren't born there

Nevermind that in the long term, racial segregation will not work,

Disagreed. America is much more immoral and violent after forced integration than before. The Public Schools---instituted by the Puritan Calvinists and so hated by the Jesuits---are now worthless thanks to forced integration and the removal of Bible reading and prayer via the Order's Masonically-controlled Supreme Court. The Civil Rights Movement was a work of the Jesuits backing socialist-communist King and other Black leaders who in turn were controlled by Masonic A. Philip Randolph---"Mr. Black Labor." Randolph, in turn, was controlled by Jesuit John LaFarge---the real father of the Civil Rights Movement and Cardinal Spellman's right hand man obtaining for the Cardinal a lifetime membership in the Rockefeller-financed NAACP.

Of course it could and would work. Eric Phelps is absolutely correct on this issue and any black non white person of intelligence will agree with what he is saying to a very large percentage at least

but it is also a borderline idea of racism, and is definitely a subtle form of segregation EUGENICS.

Disagreed. White Protestant nations have always practiced a form of segregation concerning Blacks, be it slavery (which is not condemned in any text of the Bible or by Christ himself, as the Bible specifies the master's proper treatment of his slaves---Colossians 4:1), segregation or repatriation back to Africa as was done by James Monroe via the American creation of Monrovia, Liberia. If the races are to survive there must be segregation in some fashion. The late Baptist Black preacher and football player for the Packers, Reggie White, declared that integration destroyed the Black communities. Regarding EUGENICS, that was a Jesuit, Rockefeller-financed project intended to murder those "unfit" for a Jesuit-ordered super race culture. EUGENICS is a Roman perversion of the biblical maxim of the separation of the races.

Don't forget the British Royal Family in all this Eric as their big supporters and funders of the Eugenics also. Remember what Philip had to say about when he

dies. He wishes to come back as a virus to destroy the masses of the population. They all see us as Niddah Goyim (filthy cattle). They blame us for everything they do and create. We only use fossil fuels because they suppress cold fusion and free energy devices such as the Orgone motor from William Reich etc. Their the true Cancer of the planet but they make us it because we are the majority. Its about time people started to realise they hold the power as we are the majority. Unfortunately we're handing our power over to them on a plate with all this acceptance of Patriot Acts, Gun confiscation (New Orleans) etc etc all due to the indoctrination, dumbing down and this whole charade of 9-11 and the war on terrorism.

I realize that 'intermingling' of 'races' can deteriorate a society,

As it has done in America for the last sixty years. We White people suffer every day because of integration forced upon us by this wicked, Jesuit-ruled government in Washington. There are at least one million Black on White crimes committed every year with the Pope's CFR-controlled press never reporting such racial crimes. And yes, the Jesuits are destroying their own White Roman Catholic people, not only with forced Black integration, but with massive illegal Roman Catholic Mexican aliens now flooding in the country to the tune of 20 million. All the Cardinals are solidly behind not only the effects of the historic Civil Rights movement, but also the illegal migration of their faithful Latins into North America.

So why make out we're bad for pointing out the facts and whats in your face in the first place then? Again you constantly prove your hypocrisy and how you say something one minute then something else another. Again folks this person is all about CONFUSION. I've proved time and time again on other boards highlighting this persons lies and two sided nature which I termed Schizophrenic

but it can equally help in the building of a strong and diverse culture..

Disagreed. A religiously and racially diverse culture is a weak culture. Gibbon's *Decline and Fall of the Roman Empire* addresses this very topic, concluding that "diversity" of citizenship imposed by Caracalla in 212 was one of the major planks for the destruction of the Empire. The Jesuits are following the same plan. And our coming invaders are not racially diverse. They are Chinese and Shemetic Moslems led by racially White Russians.

Again Eric Phelps is absolutely correct. I do agree that Blacks etc have some knowledge we didn't possess till the Jesuits stole it. But again you don't need races mixing in order to share information and the internet proves this

(I might also be able to consider you a 'Temporal' because you don't cover the history

of the secret society which actually goes back 10,000-40,000 years, or the root cause of what started this whole 'New World Order' concept in the first place BEFORE Sumeria...)

Disagreed. First, man is no older than 6,000 years, and the earth is not one day older than 10,000 years. Sumer, the oldest excavated city---thanks to White Protestant archeologists by the way---is no older than 3500 BC. The theory of Evolution is merely Egyptian/Masonic religion based on nothing observable in the present. Anything older than Sumer is pre-Noahian Flood material and thus mere speculation. I commend to you the works of creation scientists Dr. Duane Gish and Dr. Henry Morris. The religion I address, in its essence, originated in Babylon which religion is today centered in Rome. The Two Babylons by Alexander Hislop fully explodes the topic. In fact, Satan's NWO began with Cain when he sought to be his own god, offering the fruit of the ground---his own human works---as opposed to the Lord's ordered blood sacrifice of a lamb---a foreshadow of the sacrifice of the Lamb of God (John 1:29).

Again I agree with Eric and where is your proof of us existing longer than 6000 years and going back as far as you claim? Sitchin a proven disinformation artist for the Vatican (big friends with the late Pope JP II) tried to claim we were many many thousands of years old. Many people who've read old texts such as Tsarion say this is nonsense and they claim around 50,000 at very max. We have to remember that almost everything to Order and its scientific and medical drones tell us is nonsense and fake. We're living in a society which is no where near as intelligent as it makes out. Again the whole fake science behind hiv along with its fake tests prove this time and time again as well as the hoax of Bird Flu. Now many people like yourself go around promoting Bird Flu and HIV as being creations of the Illuminati. This is pure hogwash and the fact that still to this day you will not see a truly isolated hiv is proof and thats because it does not exist and any decent researcher knows this. Bird Flu is utter twaddle and if the truth be know H5N1 as they term it has been around since 1959 and started in Scotland in chickens. I still do not believe in H5N1 because when you understand how flawed and guess work these tests really are along with the fake science it becomes clear.

Now Mr. Phelps, i do appreciate your exposure of the Jesuit Order and the Vatican, and wish you luck in your new book.

Thank you. I appreciate that.

Is that the same book you always wish to hate and put down claiming it makes up your mind for you?

I know that you cannot control the 'personality (if you can call it that) of 2tuff. However i

must say, for you to be seen and presented as an expert authority on the Jesuit Order, your website www.vaticanassassins.org seems extremely lacking at the moment.

Agreed. I have not been able to update for some time now.

I do not agree and many have had hours of intense viewing on this website which certainly opens your eyes. Okay of course more could be added and hopefully will do but your description is making out the worse. Also your thread Vat-i-can-ass-ass-ins on the Icke forum which basically mocks Eric's work and site shows your true colours

Half of the links you provide are not working,

Disagreed. Only two do not work at this time.

More lies from MAD, yet again

and the other parts of information at the site do not provide proper sources for the statements you are making, both historical and opinion.

Those citations are in my book.

Again Eric you see how these people make comments but haven't done the research? If they had comment would not have been made. They use their temporal conditioned minds without utilising the reality and common sense first. Eric you've given us so much evidence backing up your work its incredible. How many books give you a 600+ pages then supply you with 12 books that are highly suppressed bar 1????

Likewise, i find it a little unconvincing that you use much information from other websites (such as Secret Society charts) yet all you do is add the Jesuit Order at the top of the list, right under 'Satan'.

I use truthful charts and explanations regardless of the source.

No different to all you temporals and followers who claim the Illuminati to everything yet do not even understand who the Illuminati really are and how little power they truely have compared to The Jesuits, Vatican, SMOM and Opus Dei.

Nevermind that Lucifer is above Satan in these terms of definition.

Disagreed. According to the Bible, Satan is Lucifer before Lucifer fell from his position as the "cherub that covereth." Lucifer had the body of a cherub as described in Ezekiel 10; now as Satan, or the devil, he has no body at all and is merely a spirit who possesses men like Judas.

Lucifer is used by the real elite simply because it is LATIN and I personally believe that he really represents the late planet TIAMET

A particular section that comes to mind is the 'Jesuit Patriot Acts' which simply takes someone to the www.infowars.com website showing an article from 3 years ago that doesn't even say anything about the Jesuits.

The link connects the reader the text of the Patriot Acts. Those acts were written with the oversight of Georgetown University as I cover in VAllI. Thus the work of Coadjutor Alex Jones can be used for good.

Alex Jones is one of the best in the Patriot Act area and therefore his work can be used against the Order he truly works for. Remember Temporals give normally sometimes as much as 90% truth mixed with the all important and diverting 10% hogwash. So again even Temporals can be quoted many times and its just a case of weeding out the disinformation

(Even though Alex Jones is a 'Temporal Coadjutor', then why use anything from his infowars website?)

Because on this topic, Alex Jones has posted the truth. All coadjutors increasing the power of the Order, tell the truth in some fashion as does Coadjutors Texe Marrs and F. Tupper Saussy.

The idea of Temporals like Alex Jones is to promote anger towards to New World Order. Alex Jones is no different from Louis Farakkhan with his Nation of Islam and of course The KKK. Its all about creating anger but this time towards the agenda rather than a particular race. What it also serves it for the Order to weed out dissidents and trouble makers to their plans. What will they do with these people logging on to their ISP's and subscribing making themselves known? They will in future deny them access to Internet II and when they really get going and barbaric with all the New World Order in the future believe me if you unlucky enough to be put to death quickly you'll be forever imprisoned and most like running around on train tracks all day long in the prison trains they've had made and thankfully exposed by the late Phil Schneider who The Order had killed very quickly indeed.

What I will say as well is that the Order loves for people to be depressed and down especially the young. Again they can control these people better wether it be through their anger or with the use of drugs like prozac which aid in the programming of the populace. If I remember correctly this was one of the things they wanted in the Iron Mountain report (depression). Remember on also you may turn to using street drugs which again keeps the economys afloat as liquid

cash and of course some black operations budgets or you'll end up smoking and drinking feeding the depopulation and tax profits whilst not utilising your brain and certainly never understand the conspiracy!

In many cases it's like you take an existing 'conspiracy theory' and simply add the term 'Jesuits' to the title.. Such as 'Jesuit Whether Modification' (yet another link about whether modification that says nothing about Jesuit involvement.)

The tabs are sequential. In the first tabs I cover the Jesuit Order ruling the SS/CIA ruling the Military Industrial Establishment. When you come to Weather Modification and observe that the CIA and its minions are behind said technology, then the logical conclusion arises that the Order also controls that whether warfare. Knight of Malta and DCI William Casey was trained by Fordham Jesuits as was G. Gordon Liddy. Casey was a lynchpin in ordering weather modification.

Eric is correct again! If its proven that a group is in charge and their offshot organisations etc are doing something such as weather modification then of course that group can be linked to it also. Considering MAD thinks hes such a good conspiracy researcher some of these comments are rather amateurish. We all know that The Council on Foreign Relations rules the U.S, therefore we can call U.S weather modification as CFR weather modification. Now folks bare in mind that the master of the CFR in the U.S is Archbishop of New York Edward Egan and hes ruled by Georgetown and Fordham University who are ultimately ruled by House of Gesu in Rome/Italy.

Once again, i do find your Jesuit information very interesting and important to getting to a greater truth, i do not however follow in line with the religious beliefs that seems to be the motivating factor and core for your work.

We both have strong religious beliefs. Mine are based on a Book that brought religious freedom wherever it was freely opened, read and believed. That Book teaches me that Rome, the city on the seven hills, rules the world---evidenced by some 150 heads of state at JPII's funeral. Since you reject that Book and its presuppositions, then examine what I produce apart from that consideration. I do this with the writings of Moslems, Catholics and Jews without notifying the authors that I dissent from their religious views. They all provide some meat that fits within Rome's scheme of things.

Without Protestants there would be no Jesuits and you certainly wouldn't be using the Internet and learning this knowledge now but of just Vatican power. The arch enemy of the Catholics is the Protestants and therefore if anybody it would be protestants who could get and expose this information. Unfortunately Temporal Coadjutors such as yourself use this and label it just a anti-catholic

attack in order to shield this information.

Nor do i appreciate the self proclaimed president of your fan club, 2tuff, telling me multiple times now that they hope the Jesuits kill all the ignorant gatekeepers, and that i die a horrible death from viral infection..

I have addressed your objection to 2tuff; I have no fan club.

I don't know of a fan club for Eric Jon Phelps? Again this is explained properly above and yes all gatekeepers should suffer for helping the Romean system grip the people searching for the truth and denying people real information. The less sheep and gatekeepers around the better off the people of intelligence would be. An example of this would be less acceptance of bills being passed restricting our freedoms etc as more people would be using their common sense.

(Can you see how this attitude would turn me off of this information, as well as other people?)

Agreed, as stated above.

Your attitude my friend has exposed you as a temporal coadjutor to new people now as stated below by Eric himself

Another point of dispute that i have is that ZIONISM cannot be a functioning entity on its own accord without the Jesuits controlling it all.

This is the problem with the works of nearly all the NWO speakers and websites.

Zionism? What is this? Why the Temporal `Z'? Its really Sionism and remember what The Jesuits were called in France, The Company of Sion. Its a gentile thing not a jewish thing which you all love to throw around along with that fraud called the Protocols of Zion (Sion). Even jews like Len Horowitz will expose this as a fraud and not because hes a jew but because its a way of attacking jews instead of the gentiles/white man of Rome. Remember the Protocols of Zion were renamed from The Order of Illuminati's secret agenda instructions written by Gentile German Adam Weishaupt the still Jesuit priest. Now remember how the Jesuits did exactly the same against the Janesists with the fraud document known as The Protocols of Borge-fountain!!!!!!! Stop promoting jews as world leaders, I used to and then i found THE TRUTH

The historic ideal of Israel, ancestor worship, and the New Jerusalem, would be just as equally important to powerful Elite Zionist factions as it would be to the Catholic Church.

Those Elite Zionist factions do not exist without high-level Freemasonry controlled them who are in turn ruled by the masters of Freemasonry, the Jesuits.

I cover the Jesuit control of Freemasonry extensively in VA, and inVAIII even further.

Agree with Eric

There is a mutual relationship here that i do not think you adequately represent, but instead say that all Jewish Elites are merely puppets to the Jesuit Order.

The Jewish leaders, being the scribes and Pharisees of Christ's day, said so themselves that they have no king but Caesar (John 19:15). As it was then, so it has been through the last 2000 years. Israel and its present Masonic Zionism is the tail of the nations, not the head. (Deut. 28) But then your objection to my conclusions are in fact a rejection of biblical truth as specified in clear, simple verses of both the OT and NT.

The jews are mere puppets and for some reason you cannot get this into your head. Why do you think that almost every man and his dog instantly blame jews for everything and claim them to rule the world even though these people saying this are sheep and not aware of conspiracy? Because its gradually programmed in peoples minds from birth onwards. Do you honestly think they would do this with the truth? We know of the power of the Jesuits and SMOM etc yet how many people even know of these let alone the truth about them? Virtually NONE and if they've even heard of the Jesuits they think their just catholic teachers and monks and have no idea of the Military Order they really are same with the SMOM they control. You also forget how the Black Nobility families are far more weathier than Rothschilds etc. What also amazes me is how the Bauers chose the red shield as their logo and their name. What amazes me is how they chose the double headed eagle as the emblem on the shield logo they used. Now lets look at Constantines Byzantine empire logo and see the resemblance. Again mere agents and court jews for the Black Pope and his Church of ROME

Let's not forget what peoples gave us the Old and New Testaments in the first place. (And probably had to convince the Roman Elites to except the doctrine after 300+ years of first testing it's power as a spiritual tool of control)

Indeed, the writings of the Law and the Prophets were given through Hebrews. Christ said Himself that "Salvation is of the Jews." (John 4:22) God chose the Jewish race to God-breathe his Scriptures, revealing His Son to man, for which reason Lucifer/Satan has an inquenachable hatred for that race of people. Further, Rome hated the Jews, the OT and the Jews who believed on Messiah, for which reason they were mass-murdered by the Emperors along with us believing Gentiles. Constantine, the one who declared "Christianity" to be the religion of the Empire, hated the Scripture as he worshipped the sun---the good gnostic that he was. So if you are inferring that Romanism used the Bible as a tool of control,

you do err forgetting that it was Rome that killed millions who dared to read that Book. That Book breaks Roman power---the great controller of nations.

I do not feel that you properly cover the influence and involvement of the Crypto-Jews of the 'LOS ALUMBRADOS' either but only gloss over the fact...

If you are referring that Loyola was a Crypto Jew, you are incorrect in that he was a Spanish Gentile whose noble family lived in the days when Ferdinand and Isabella expelled the Jews in 1492. Laynez, was a Jew however, for which reason the Order passed a law in 1593 forbidding all Jews entrance into the Order. That law was changed in 1946 after the wicked, anti-Jew, Masonic Jewish Zionists had performed most obediently in the Jesuit-controlled Bolshivek and Nazi mass-murder during the Black Pope's Second Thirty Years' War (1914-1945). "Alumbrados" is Illuminati, and Weishaupt, the founder of the Illuminati, was a German Gentile, not a Jew, as he was a Jesuit instructor in the largest Jesuit stronghold north of the Alps---Bavaria.

Blame the Jews, Blame the Jews like a good little Temporal Coadjutor you are

Another point of disagreement that i have with your work is the pushing of Rome and Babylon as basically being the only influential civilizations that you mention. The Elite power of Israel, Canaan/Phoenicia, the Celts, Carthage, the Visigoths, and a few others played an equally prominent part in not only the 'fall' of Rome, but of the birth of the Vatican as well... (Through CONTROLLED OPPOSITION of mutual gain for all involved parties.)

Regardless of the parties involved in the fall of the political Empire, Rome maintained its prominence, the Caesar becoming Pope and the Roman Senate becoming the College of Cardinals. The church/state religion of Babylon in essence is the religion of Rome---purely gnostic, hermetic, sun/phallic worshipping, Egyptian, paganistic, Luciferian Satanism. And yes, Jerusalem, controlled by the Masonic Talmudic Rabbis and their Masonic anti-Torah Zionists hating the Lord's beloved Hebrew/Jewish/Israelitic racial people, is spiritually "Sodom and Egypt"---until the return of Christ (Rev.11:8).

Whos ruling now AGAIN and who ruled all the way from Sumer and Babylon? Yes The Holy Roman Empire as its been known of late

And one more point i wish to raise is in the improbability that Count Peter Hans Kolvenbach isn't really much more then a powerful scapegoat and figure head to a invisible organization of power just above the Society of Jesus, who are controlling the Vatican in MUTUAL benefit with the powers of Zionism and those other powerful secret society elements that wish to push a New Jerusalem, and the New World Order. The Pope, and Black Pope, are but figure heads to another HUMAN power source that

ultimately controls even their actions. The Society of Jesus might be the last VISIBLE source of power on the trail of illusion, but i'm willing to bet that there is still another stop or two in the 'pyramid' structure of manipulation just above the Jesuits Order.

That is your opinion, yet to be proven by you, the holder. If the Bible is a lie (Revelation 17:18) then you may have a point.

Again you try to discredit the fact that we've exposed the true leadership of the world being one old man and his council namely the Superior General Peter Kolvenbach who is the most powerful singular person on this planet. You keep wishing to keep yourself in the dark wishing for yet another mystical secret leader and if there was and it was shown you would say the same thing again. The leadership is in a pyramid structure and there has to be a pinnacle leader fullstop and we've ousted him and them fullstop. Even if you look at the powerstructure from a circular effect like Springmeier sometimes did, it would still need a center.

(My last concern is in that the route that you're taking with total Jesuit concentration will only help to lead in the fulfilling of the prophecies of St. Malachy in the great 'Persecution' of the Catholic Church, and the coming of the final Pope which is to be the reincarnation of St. PETER, who will bring unity back to the Vatican.

I knew you had a religion, a final authority! You are not merely "spiritual" are you? Why do you seek to protect that Mother of Harlots, and Abominations of the Earth? Why do you defend Romanism and refuse to seek its neutralization as a religio/ political Empire ruling the nations of the earth---and especially the US? You betray your supposed non-religious neutrality by confessing a religious partiality to Rome. Why?

Hes a Temporal Coadjutor as you know Eric

Damned if you do, and damned if you don't, but i can't help but to see all of this recent concentration and attention on the Vatican to only, ultimately, be serving the New World Order agenda all along. Even if it's done in the form of a misleading and dis-info filled 'Da Vinci Code'.)

All exposure of the political power of the Vatican is suppressed as a matter of policy in the press, politics, history, law, science, and thus academia. I know of only three 20th Century authors who dared to expose the Jesuit hand in the Third Reich. Why? And the Jesuit hand behind the Bolsheviks. Why? There is no higher power in the earth than Rome according to the Bible, for which reason that Book is the constant subject of attack and ridicule from every avenue controlled by the Counter Reformation Jesuit Order. Exposure of the Order by calling it the

impetus of the NWO in no way serves the NWO. The greatest advocates of the NWO are clearly tied to Rome. Name one who is not, including Blavatsky---the co-mason. Again, you are covering for Rome and its apologists promoting the fantasy of St. Malachi's prophecies to which you apparently adhere---thereby furthering the NWO. Are you also a Jesuit Coadjutor, Michael?

Nice one Eric, didn't take you long to work him out either

All this being said, i would appreciate some kind of response to this letter. I realize that you are busy writing your new book, but feel that myself, and some of the other people at these forums who are keeping up with the topic of Jesuit-ism, deserve to hear your thoughts and opinions on some of the questions and comments that have been raised.

Agreed. And I hope this has been helpful.

Unfortunately Eric's valuable time had to be wasted on you just like I've wasted my time now and in the past

Perhaps you would be interested in working out some kind of interview format if you feel that would be any easier a route to take in answering some of these disagreements a point at a time?

As you may wish. All interviews are given for the benefit of the listener, to which maxim I hold the interviewer as well as myself. Ad hominem attacks are forbidden. Therefore, if your forum would like an interview with you serving as the host, I will agree.

I wouldn't bother Eric with Temporal devious sneaks

I hope you will find it in your Christian faith to reply to my concerns for i feel that they are valid.. I will not seek to use them against you, though will display your comments as you respond to them. Good luck in the further exposure of the Vatican.

I trust the foregoing has been of benefit to both you and your forum. Please post this entire response on your site, as some hosts have refused to do so when given an extensive reply to their missives---men such as Jesuit Temporal Coadjutors like Hal Turner.

If he don't I will!!!!!!

Be well on the voyage,

Sincerely in non religious faith,

Ah, but you do have a religious faith!

Dear "MAD,"

Thank you for your detailed and succinct response. You have caused me to further define the use of the term, "the Jesuit Order." For the benefit of the forum please consider the following a reply to your statement that some secret inner group deep within the Company rules all the lower level Jesuits.

As you may know, the Society of Jesus consists of several groups (Spiritual Coadjutors, Temporal Coadjutors, etc.) But the group now under consideration are those Jesuits high within the Order who are professed of the Fourth Vow, under Extreme Oath of Induction. According to the ex-nun converted to the true Christ of the Reformation Bible, M. F. Cusack, to be professed of the Fourth Vow, one must be in the Order for upwards of thirty-one years---unless of course the Jesuit General desires otherwise for a few of his chosen ones. Cusack, in her classic, *The Black Pope* (1986) says these elite compose only 2% of the Jesuit Order. These Jesuits would include the Jesuit Superior General, his now eight Assistants, and quite possibly certain key Provincials, the US having ten Provincials, a total of about eighty-five Provincials now ruling the world on behalf of the General.

These key elite Jesuits are the secret adepts, the masters of all Freemasonry, the rulers of every faction of the All-Seeing Eye, the authors of all high Masonic Orders including the OTO, even as Secretary of State to Pope Leo XIII was a powerful member of the OTO---Sicilian Count Mariano Cardinal Rampolla. Of this secret power structure the lower Jesuits professed of the first Three Vows know nothing; they merely blindly obey their superior whose commands are taken to be the "words of God."

Thus, at the heart of the Society of Jesus now ruling the Vatican and the Papacy since 1814, which Papacy in turn rules the governments of the world, are a select

group of Allumbrados/Illuministic/Masonic/Egyptian/ Satanic/Luciferians who, by their sorceries and interactions with demonic spiritual wickedness in high places, deceive all the nations. (Revelation 18:23) This Egyptian occultism, in fact, is the essence of Jesuitism (evidenced by IHS), further making Rome the font of all witchcraft, sorcery and occult magic now in the earth, the Black Pope poised as the greatest sorcerer of all. This is your inner group.

One more reply. The "Protestantism" of Germany and Prussia that co-labored with Rome in bringing the Masonic Thule Society's Roman Catholic Hitler to power was totally apostate (as Masonic American Protestantism is today), having rejected the Bible as the Word of God and having been seduced by Hegelian Masonic "rationalism" of the 19th Century via Tubingen University. To grasp the degeneracy and subversion of German Protestantism, the historic Lutheran city of Dresden hosted the first International anti-Jew Congress in 1882. Is it any wonder that apostate Lutherans Goering and Bormann should serve the interests of the Jew-hating Papacy during the Third Reich which, as the "Sword of the Church," murdered not only Jews but millions of German Lutherans and tens of millions of Russian and Slavic Orthodox people? Thus the Protestantism of Bible-believing Bismarck enfranchised 550,000 Jews in 1873; the Protestantism of Bible-hating Bormann murdered the Jews, Bormann escaping through the Pope's Ratlines to South America disguised as a Jesuit according to Nino Lo Bello in his The Vatican Papers. One man read the Bible; the other rejected it. Please be aware of this distinction whenever referring to the term "Protestant" and/or "Baptist."

I wish you well my friend.

Sincerely in Faith,

Brother Eric

Searching For the Illuminati Deep Within The Bowels Of The Vatican

All roads lead to Piazza San Pietro when it comes to power, leadership and initiation into the devious and diabolical Illuminati. In the 1980's, the Vatican Bank Scandal brought to light the connections between the Freemasons/Illuminati, the Vatican and the mafia. Secret initiations are said to take place in the catacombs of the Vatican and was Pope John Paul I killed after 39 days in office for wanting to expose the truth about Vatican finances and the Illuminati?

By Greg Szymanski

Part I

<http://www.arcticbeacon.com./16-Jan-2006.html>

While Mass is being said in the Sistine Chapel and tourists are being shown the works of Michelangelo, deep within the bowels of the Vatican sits a large, circular room with 13 separate chambers, each leading to a distinct catacomb.

When a mummified body is placed in front of each doorway, a young child is then brutally sacrificed with a long, golden knife during what is said to be a secret induction ceremony for new members of the Illuminati, better known as the New World Order.

As a young freelance reporter in Rome during the early 1980s, I heard many rumors of

these secret ceremonies from local shop owners, several drunken priests and a couple of local clairvoyants or fortune-telling card readers, one who apparently advised and guided the film career of the famous Italian film director, Federico Fellini.

Although a product of a Catholic education and graduate of Notre Dame High School before going on to college, I still couldn't help but wonder if the stories about the brutal child sacrifices were actually true.

While on a story assignment or covering the weekly Papal address, I remember sneaking around the Vatican, on one occasion taking a flight of stairs down to the basement level in search of the secret room and the catacombs.

Of course, I never found the secret room or a hidden doorway leading to the tombs, my secret Indiana Jones hunt for the Satan's Den interrupted by a Vatican security guard who escorted me to the top of the stairs after showing my press card and saying I was lost.

"One night alone in this place and I know I could break the biggest story in my lifetime," I thought to myself, as I walked through St. Peter's Square and looked up at the sculptures of the 12 Apostles staring down at me from the Vatican roof.

Rome is like a huge small town with many neighborhoods, functioning like dozens of little villages within the city proper, each having its own distinct feel and flavor.

That particular day after trying to uncover the exact location of the Illuminati's secret induction ceremonies, I stopped for cheese and a glass of white wine on the first narrow, cobblestone street next the Vatican, known in English as the "Street of the Whores."

According to the locals, the street received this rather unusual name since for hundreds of years it housed many of the whores whose primary clientele were the Vatican cardinals, bishops and priests, as well as any visiting members of the clergy.

After World War II, the prostitution on the street eventually moved to a more secretive location, making way now for stores engaged in the lucrative business of selling religious paraphernalia like rosaries, pictures of the Pope's and holy water.

As I sat having a glass of wine and going through the Italian papers, the main headline read how Cardinal Paul Marcinkus, head of the Vatican Bank from 1971 to 1989, was indicted by Italian authorities (in 1982) as an accessory in the \$3.5 billion collapse of Banco Ambrosiano, an Italian financial institution with close ties to the Vatican Bank.

Although I tried many times without success to interview Marcinkus, since he was from my hometown of Chicago, the case never came to trial in Italy, as courts corruptly ruled that as a "Vatican employee he was immune from prosecution." The Vatican Bank also refused to admit legal responsibility for the Bank of Ambrosiano's downfall but did acknowledge "moral involvement", paying \$241m (?169m) to creditors.

Little did I know that this story, the 1978 death of Pope Paul I, the murder of the bank's president, Robert Calvi, found dangling under the Blackfriars Bridge in London, a little known mafia figure named Mario Cuomo (not the former mayor of New York) and a mysterious woman named Maria would all help in putting the pieces together of a larger more sinister puzzle.

Although still incomplete, the small pieces of the puzzle I uncovered in the 1980s all lead to direct involvement of members of the Illuminati/Freemasons, through groups like "P Due", the Priore du Sion and others, as well as the deep involvement of the Vatican, the hub and centerpiece of this secret worldwide organization known to the public as the Illuminati but known by members as "The Family or The Order."

After writing several stories about the Vatican Bank Scandal and traveling to London on the Calvi story, finding very little new evidence, I didn't give much thought to the Illuminati and child sacrificing until about a year later when I was sitting on Via Veneto, having coffee for a brief hour or two with the rich and famous. As a quick aside, no one ever really believes me anyway when I mention I once sat on Sophia Loren's lap, so I will leave that story for happier times.

Mysterious Maria

As I mentioned, I put the gruesome picture of a child sacrificing out of my mind until a strikingly beautiful, black-haired Italian woman in her late 20s, named Maria, asked if she could join me at my Via Veneto outdoor table.

Rome is a small town, like I mentioned, later learning Maria desperately wanted an outlet to tell her incredible story, finding out through street talk that I was an American journalist researching stories about secret societies and the Vatican's involvement.

Maria prefaced her story by saying she could never reveal her full name, saying it meant an immediate death sentence for both of us if her identity hit newsstands, linking her to what she called "The Chosen Ones" or the Illuminati.

I, on the other hand, remember feeling like I might be dealing with a quack or a mental patient, especially after she graphically explained how involvement with the Illuminati caused her to attempt suicide on three separate occasions, twice by poisoning and once by slitting her wrists, but each attempt played out in a bathtub surrounded by candles and bouquets of colored roses.

I spoke to Maria on three occasions taking copious notes for total of about five hours at the same outside cafe during a three-week time span before learning through a mutual acquaintance about a month after our last meeting, she finally succeeded in committing suicide.

This time, however, she didn't sit in her bathtub with flowers, deciding instead to make a public display, jumping from the roof of the Vatican in the early morning hours after hurling her body to concrete of St. Peter's Square (Piazza San Pietro) after standing beside the statue of St. Peter.

Although I tried in vain to get her real identity, stories of the strange suicide were

verified but, at the same time, covered up as her identity mysteriously disappeared from the face of the earth as did any possibility of selling my story.

More than twenty years have passed but I can still hear her words and see Maria's distraught face, sitting across from me at the Via Veneto cafe like it was yesterday. To the best of my recollection, these are the most important parts of her story of being recruited from birth by the Illuminati, a story that essentially died when Maria hurled herself off the Vatican roof.

"I can never tell you my name and only come to you as a last resort," were Maria's first words, as she appeared agitated and uncertain she was doing the right thing. In Italian she then said something like "May I rot in hell if I violated her trust" and I remember feeling as if someone just pointed a gun at my head.

Coming from an aristocratic northern Italian background, she continued as I was able to understand most of what she said, save the complex and educated Italian verb and tense forms as I essentially learned to speak the language in the streets of Rome with the common-folk.

In our first meeting, she delved heavily into her involvement with the "Family" or the "Chosen Ones," saying her aristocratic background left her no choice in the matter. She said she was born into the ranks of the Illuminati, taught as a child she was one of the "divine chosen ones" to rule over the masses and initiated into the "Order" at a secret Vatican underground ceremony in a room very similar to the type I previously heard about on the street.

And when I finally got up enough courage to ask her about the child sacrifices, she couldn't talk about it, only burying her head in her hands as tears rolled out from between her fingers.

The remainder of our discussions centered on the Illuminati origins, its leadership centered in the Vatican, its worldwide reach, its operations in Europe, its branches in America and its eventual goals of population control and world dominance. I remember how AIDS was not mentioned overseas and how she confused me with saying the

Illuminati or the "Chosen Fathers" had purposely inflicted the disease on the masses.

Besides being convinced she was telling the truth, Maria also said the Illuminati, referring to them in Italian swear words as "pig gods", had been entrenched for years in America, with many of its leaders among the loyal followers of the "Order."

Our last conversation became quite personal, straying away from the names of powerful church and political figures, instead centering on how the Illuminati personally devastated Maria's life. To this day, as she said her final words, I wish I would have said or done something more to save her life, but I had no inkling whatsoever it would come to a shocking end at the Vatican in less than a month.

"They killed Pope John Paul I and he didn't die of natural causes. I cannot live like this any longer but there is now way out. I am a trapped soul, destined to burn in the depths of hell for all the wrongs I have witnessed and have done nothing in my life to stop," said Maria, as she stood up from table and began walking away.

As she left, I still remember her final words: "I have had all the riches in the world, but I feel so empty and alone. Dio have mercy on me."

After Maria died, I began searching harder and harder to connect the dots of the Vatican's involvement in the Illuminati, as well as the bank scandal, the Pope's 1978 mysterious death and other stories related to Marcinkus, Calvi, financier Licio Gelli known as the head of the P-2 lodge.

Although I could never pinpoint or verify the secret Vatican ceremonies, enough information surfaced to prove beyond a reasonable doubt that the Vatican functioned as the nerve center of the Illuminati, as the appointment of John Paul II revealed he never followed through on his predecessors final orders to investigate the operations of the Vatican Bank, Marcinkus and ties to the mafia and the Illuminati.

Instead, John Paul II protected Marcinkus, quashed any investigations to be carried out by John Paul I's secretary of state Cardinal Jean Villot and buried all the people on

Villot's list to be relieved of Church duties or transferred, all the people on the list suspected of being members of the Freemason's P-2 group and the Illuminati.

Gangster Mario Cuomo

Although I didn't know it at the time, a Naples "Camorra" mafia figure, named Mario Cuomo, who lived in near me in a small town outside of Rome and who eventually was killed in a gangland shooting, was instrumental in saving my life on several occasions.

Cuomo, who drove a Maserati, lived in a huge villa, dressed to the 9's and who I knew as a land investor, made it a habit every time he saw me to practice his English, buy me coffee or dinner while, at the same time, telling me "when I was playing with fire" regarding the Calvi murder and its ties to the mafia and the Vatican.

His sound advice perhaps frightened me away from some doors I never walked through, but looking back, they were probably dangerous doors better left closed as I probably would have never walked out of them or seen the light of day ever again.

Story Updates, Notes and Important Timeline:

Cardinal Marcinkus

He is still alive, saying Mass and living in Phoenix, Arizona. Marcinkus carries a Vatican passport and still is the recipient of diplomatic immunity.

Among those linked to Calvi murder and who Italian authorities are still seeking to

question, Marcinkus was originally ordained in Chicago. Being a move and shaker in the Church, he was quickly elevated to the Holy See in Rome, and served in the Vatican Secretariat of State.

He rapidly moved up the Vatican chain of command from personal papal bodyguard to head of the Vatican Bank, a position he held from 1971 to 1989. There he worked closely with international financier, Michael Sindona, to expand the Vatican's portfolio of international holdings, transforming the Institute for Religious Works into a quiet but reliable shelter for questionable and what many have said was "dirty money."

The Vatican Bank, through Sindona, was suspected of laundering money from associates in organized crime, funneled huge sums of money through Banco Ambrosiano and the Vatican.

The Vatican Bank also has worked closely with the U.S. government as a cover money conduit to groups like the Solidarity Trade Union in Poland and other sordid CIA affairs. With the help of Marcinkus, Sindona was to become a "inside man of confidence" within the Vatican who enjoyed unique access to officials of the Holy See, even the pope.

A 1982 story in the foreign edition of Time magazine had this to say about the relation between Sindona, Calvi and Marcinkus:

"In 1971, Sindona introduced Calvi to Marcinkus. Sindona and Calvi hoped to use Marcinkus for their own purposes, and the bankers and the churchman obviously found it advantageous to do business together. Although the Vatican bank denies it had much to do with either Sindona or Calvi, the Ie Opere di Religione (I.O.R. or Vatican Bank) eventually became Banco Ambrosiano's fourth-largest stockholder, acquiring over the years at least 794,390 shares, or 1.589% of the bank's stock. A few months after Sindona and

"Calvi set up the Bahamian bank in 1971, a "Mr. Paul Marcinkus" was listed as a director. "We used his name a lot in business deals," Sindona said. "I told him clearly that I put him in because it helps me get money."

The Calvi Murder Trial

In April, 2005, a Sicilian mobster, a Roman crime boss and two others were indicted on in connection with the 1982 hanging of Roberto Calvi, a financier dubbed "God's banker" for his close ties to the Vatican.

A Reuters story added:

"Calvi, once thought to have committed suicide, was found hanging from scaffolding under London's Blackfriars Bridge in June 1982 with bricks in his pockets and \$15,000 (8,000 pounds) on his person.

"But in the latest twist to the saga, prosecutors now say the Mafia killed Calvi for stealing from them and from Italian financier Licio Gelli. Gelli was the head of the P2 lodge -- a shadowy Masonic organization whose members once included prominent politicians, businessmen and military officers.

"The judge said the trial will start on Oct 6 and will involve the convicted Cosa Nostra treasurer Pippo Calo, Roman crime boss Ernesto Diotallevi, Sardinian financier Flavio Carboni and his ex-girlfriend Manuela Kleinszig.

"The prosecutors' inquiry has focused on millions of dollars that flowed through the bank's offshore accounts in the weeks preceding Calvi's death.

"Shortly before Calvi's hanging, the bank he headed at the time, Banco Ambrosiano, had gone bankrupt. It was then Italy's largest private banking group and worked with the Vatican."

Without question, one of the strangest characters in the Calvi saga, with ties to Marcinkus and Sindona, was Licio Gelli. A former member of the fascist Black Shirts

Battalion and connected to the Mussolini regime and the Herman Goring SS Division in World War II, Gelli survived the conflict and amassed tremendous amounts of money and influence.

Considered the head of the P-2 Masonic Lodge, he was also privy to sensitive information on hundreds of key political, military and financial figures not only in Italy but throughout Europe, Latin America and elsewhere due to his access of files from the Italian secret service (OVRA) and possibly British Intelligence.

It was common knowledge in Italy that Gelli helped to smuggle Klaus Barbie, the infamous "Butcher of Lyon" to safe haven in Argentina, and even managed to work for and sell his services to the CIA and NATO.

Title: WHAT'S HE BUILDING? POPE RATZINGER

CRAIG-OXLEY - January 17, 2006 12:04 AM (GMT)

WHAT'S HE BUILDING?

http://www.sploid.com/news/2006/01/whats_he_buildi.php

The new pope is creeping out the Vatican with his increasingly bizarre behavior.

Joseph Ratzinger -- now known as Benedict XVI -- first raised eyebrows in Rome when he began appearing in bizarre clothing.

His latest eccentric behavior is more mysterious: On three nights in the past few weeks, Ratzinger has gone in disguise to his old apartment outside the Vatican walls.

Each time, a black car was seen delivering the new pope to his old quarters around 9 p. m. Instead of the usual pope costume, Ratzinger wore plain black priest robes, his face hidden by a black hat.

And each time, his male secretary follows him into the apartment. They don't come out for hours.

"We shouldn't be surprised " the Italian paper La Stampa wrote. "The calm existence he had before, and the most certainly more weighty one he has now are separated by just a few hundred meters; maybe the temptation is just too much even for the strong but delicate personality of Benedict XVI."

Maybe.

But for a pope mired in conspiracy and controversy before he even took the Vatican

throne, dark theories are in order.

Ratzinger is the first actual proven Nazi to be elected pope.

He is notorious for protecting the pedophile priests who raped so many thousands of innocent children within supposedly sacred Catholic churches.

He has lashed out at innocent homosexuals wanting to be priests, while ignoring the child rapists who preside over so many parishes.

Ratzinger also directed his cruelty at barren Italian women seeking fertility treatment. The new pope wants them to die childless.

And just before the New Year, Ratzinger was able to squirm away from felony charges in Texas, where he was accused of covering up the rape of children by his church's priests.

The scandal-stained old Nazi even ran a secret Swiss scheme with the U.S. president's criminal brother, Neil Bush.

Designer shades, women's shoes

Just before Christmas, the hardcore conservative and former Nazi known as God's Rottweiler greeted Catholics in what looked like a cheap department-store Santa hat. The Vatican later explained the red-and-white fur cap was a regular headdress for popes in the Middle Ages.

The 78-year-old German has also appeared in public wearing red Prada shoes and ridiculous designer sunglasses.

Dear Brother Nicholas,

You are doing a great job.

<http://www.latimes.com/news/nationworld/wo...headlines-world>

This act of treason is standard operating procedure for the Jesuits' CIA the Central (Catholic) Intelligence Agency. The policy towards Iran is if an attack occurs on U.S. soil Iran will be to blame thus providing a pretext for another preemptive invasion of a Muslim country and progression of the Papal crusade in the Middle East.

Absolutely correct!

Pakistan may also enter the picture as that Moslem country must also be depopulated in accordance with the wishes of the Order. If Iran cannot be blamed, then nuclear power Pakistan will serve the purpose.

AVBibleBeliever - January 12, 2006 02:55 AM (GMT)

<http://www.jesuit.org/images/docs/8ltYXQ.pdf> [My comments on select articles are below. I recommend you peruse each article because we can learn a great deal about the tactics of the Company that have not changed much since Spanish Alumbrado Ignatius Loyola dedicated his sword to the Black Virgin of Montserrat and founded the Knights of the Virgin Mary later renamed the Society of Jesus <http://www.bluemoonnews.net/images7.htm>

Agreed.

On Page 2 in the article "Center for Faith and Public Life" it reads "Richard Boucher , the U.S. Department of Education's liaison to the White House Office for Faith Based and Community Initiatives read a letter from President Bush in support of the center."

Page 3- article and photo showing the annual Jesuit agitation of Ignatian teach-ins at Fort Benning, GA. I believe the six Jesuits were professed of the Fourth Vow, murdered two women (co-workers) and themselves through soldiers trained by Order's CIA-run School of the Americas. The Order has used will continue to use this agitation to criticize the foreign policy of the U.S. they created and shaped through the CIA and Council on Foreign Relations.

Agreed.

Page 5- "Christians and Muslims:An Ambivalent Relationship" This article was written by a Georgetown prof. I think this is significant because the Order's U.S. agenda, it's domestic agenda is pro-Muslim but abroad in the Middle East it is pro-Masonic Islamic leadership but anti-Muslim.

Agreed.

Page 8- "The Tsunami's Wake: A Tale of Generous and Creative Love" This article shows the Jesuit Refugee Service (JRS) had been on the ground in Aceh, Indonesia and Sri Lanka years before the devastating tsunami of December 26, 2004. The tsunami was a major blow delivered by the Company to the Muslim and Buddhist peoples of Southeast Asia. The earthquake and tsunami were triggered through underwater nukes unbeknownst to the victims who lost their homes and families who were obliterated in obedience to the Jesuits' extreme oath.

Agreed. And underwater sea life has not returned to the trench at the location of the blast.

The second paragraph reads "Ironically, Jesuit Refugee Service teams had already been on the ground in both places [Aceh and Sri Lanka] for a number of years." [Ironic? Maybe. But accidental? Hardly!] Pedro Arrupe was a Jesuit superior at the time he oversaw the ground nuke detonations in Hiroshima and Nagasaki. The scenario was very convenient for the Company for they used it to endear the injured, suffering, and dying Japanese to themselves when it was the fanatical Professed Fourth Vow Jesuits commanded by Arrupe who attacked them because their ancestors had rightfully expelled the satanic Sons of Loyola centuries ago. This article shows how the Order utilized a crisis it created and presented the solution for the purpose of gaining the trust of those they victimized so they could then manipulate them and coax them to serve their wicked ends.

Agreed.

The article says "JRS [Jesuit Refugee Service] teams in Sri Lanka are engaged in grassroots interreligious [the Company loves that word-they created the ecumenical movement]ventures bringing together Muslims, Hindus, and Christians[Roman Catholics] lay people and religious, Jesuits and diocesan priests in the service of those displaced by the tragedy... "Likewise, JRS-Aceh was one of the first relief teams to arrive with help for the residents of Pulo Aceh, an isolated island community three hours' distance by boat from the mainland. [Get this-here is an example of the pervasive and commanding influence of the Jesuit Order] "The bonds of relationship forged by JRS with this Muslim community were so deep that when other organizations arrived to help them the island's residents told them they could not accept their assistance without consulting JRS who had become their "father" during this tragic period." The Muslims there deceived by the Order that killed their families and destroyed their homes grew dependent on it.

Agreed. The Jesuits and Masonic Moslem leadership works together

Page 6 is about "The Ignatian Anniversaries: Three Holy Jesuits" Note in bold you will see "Peter Faber and the Eucharistic Christ" The Christ of the Jesuits is a counterfeit of

the Biblical Christ. Ignatius Loyola made IHS the seal of his society. Jesuitism is Egyptian god worship in that the sun is the object of devotion. Loyola was a Spanish Alumbrado [Illuminatus] and i've read that perhaps Loyola founded the Spanish Alumbrados. The symbol of the Company is a sun with the letters IHS in the center. This picture depicts Ignatius holding the sun with IHS. <http://www.ignatiushistory.info/01542.html>

Here is another with Loyola and his "companions" at Montmartre worshipping and adoring the bright sun-shaped wafer (Eucharist) <http://www.ignatiushistory.info/01140.html>

I found this picture of Ignatius Loyola gesturing the horned hand salute with a child while teaching catechism <http://www.ignatiushistory.info/01210.html>

Page 11 "Quixotic Discernment: Celebrating 400 Years" Brother Eric has shown that Jesuit Temporal Coadjutor Miguel de Cervantes' literary character Don Quixote was based on Luciferian Ignatius Loyola, founder of the Jesuit Order. The Jesuit author of this article is not quick to admit that Cervantes was Jesuit-trained. I did a Google search and found that Cervantes studied with Jesuits in Cordoba and Seville and perhaps Salamanca. Brother Eric also pointed out that Don Quixote is a symbol of the Black Pope in Yale's satanic Order of Skull and Bones initiation.

Agreed.

Page 12 The key word is "solidarity" the Jesuits are the quintessential Socialists for they created and perfected socialist-communism in their Paraguayan reducciones.

Agreed.

Page 15 Under "Announcements" the Jesuit Refugee Service/USA [called the refugee outreach arm of the U.S. Jesuit Assistancy] is searching for a "chaplain" for the U.S. Department of Homeland Security Detention [Concentration] Center in Florence, Arizona. The applicant must speak Spanish according to the description. It seems to me that this concentration camp will be used to bring Mexicans into the U.S. By the time the concentration camps created by Freemason and Knight of Malta Ronald Reagan through REX-84 are in operation the Order's CFR would have already annexed Canada and Mexico through the plan to build a North American Community which will expand the U.S. Gestapo-the Department/Office of Homeland Security to Canada and Mexico to the delight of Black Pope Kolvenbach who said in a meeting with his provincials of the Western Hemisphere-the first of its kind in Miami "there is only one America."

Fascinating! And most correct.

CRAIG-OXLEY - January 16, 2006 11:46 PM (GMT)

Dear Brother Sxxxxxxxxxxxxx,

I know that JFK planned to get Cuba back from Jesuit Castro via a public speech to displace Cubans. But I do not know of this book. Thanks loads. This is another reason Cardinal Spellman eliminated JFK. Cuba is to be the Order's staging base for our coming Sino-Soviet-Moslem invasion.

Sincerely in faith,

Brother Eric

Subject: Ultimate Sacrifice

Eric,

Are you familiar with this book and its theory? Gore Vidal endorses it.

Ultimate Sacrifice: John and Robert Kennedy, the Plan for a Coup in Cuba, and the Murder of JFK (Hardcover)

by Lamar Waldron, Thom Hartmann

Book description:

Ultimate Sacrifice reveals, for the first time, John and Robert Kennedy's plan for a coup in Cuba on December 1, 1963 — a plan that involved a U.S. military invasion. Unique, distinctly different, and far more advanced than any previously disclosed operation, this plan is corroborated by many declassified military and CIA documents that have never been quoted in any book before. It provides the missing piece of the puzzle regarding

JFK's murder, and explains why Bobby Kennedy told close associates that the Mafia was behind his brother's assassination.

The Mafia had managed to infiltrate the Kennedys' intended coup. Ultimate Sacrifice describes and documents an attempt they made to kill JFK in a motorcade several days prior to Dallas. This attempt had more than a dozen parallels to Dallas.

Building on the work of the seven governmental committees that investigated aspects of JFK's assassination, the four million documents that were declassified in the 1990s, and exclusive interviews with many Kennedy insiders, the authors are able to tell the full story of these incidents.

Dear Friends,

Coors finances the Heritage Foundation; the Heritage Foundation was headed by Knight of Malta Frank Shakespeare; Shakespeare was a Knight of Malta and also involved in the JFK assassination working for Cardinal Spellman; the Heritage Foundation is manned today by several members of the Jesuit-controlled Opus Dei. The connection between Opus Dei and the Order is illustrated by the association of Opus Dei Mel Gibson and Jesuit William J. Fulco who was a contributor to the Pope's multi-million dollar film, The Passion.

The New Right---the Bush fascist New Republican Right is in the hands of Rome.

Title: Roman Empire mentioned in THE OMEN film

Description: *UPDATED

CRAIG-OXLEY - January 15, 2006 10:41 PM (GMT)

I watched The Omen again yesterday on terrestrial TV. Now where did the ambassador get the devil child from in the first place? Catholics (clue?)! Anyhow when the priest meets up with the ambassador to tell him his child is the anti-christ he tells him that on June 6th at 6pm the child was born. When all the jews are in Zion (should be SION the Gentile reality) then a firey comet turned into what looked like the star of bethlehem. The **HOLY ROMAN EMPIRE** will rise and the anti-christ will come forth and man will be killed.

I forgot to add this that the camera man/reporter says he believes that the Roman Empire could be the COMMON MARKET and the TREATY OF ROME :D

What this shows us is the coming NEW WORLD ORDER ruled from Jerusalem at the King Solomans Temple III initially by the Catholics till even that religion is scraped for the new generations to live under a one world religion based on freemasonry and far east religions which has been created by Jesuits mostly from the Colorado area of the U.S. Now remember that Colorado will be one of the powerbases of the New World Order and that the Queen "GELPH" Elizabeth II has bought masses of this land up. Now whos higher than the Queen? Her master Cardinal Fra' Andrew Willoughby Ninian Bertie of the SMOM and the Queens cousin!

CRAIG-OXLEY - January 16, 2006 11:21 PM (GMT)

Also notice how the priest who gave the ambassador the child is found with his right eye damaged. You will find many S.R.A (Satanic Ritual Abuse) victims suffer a removed right eye which is most times filled with candle wax. Now check out Mel "Temporal" Gibsons JESUIT Passion film.

Yep, Matthew 24 indicates post-trib.

As much as I'd love a pre-trib rapture, I don't see that happening.

Mark Brewer - January 13, 2006 06:45 AM (GMT)

The Jesuits have been involved in manipulating peoples' beliefs concerning Bible prophecy for several hundred years. Here is a link to an extensive article on the subject.

<http://www.biblelight.net/antichrist.htm>

TruthSeeker24 - January 13, 2006 02:17 PM (GMT)

I see what you mean, but the Pre-Trib rapture was blatantly invented by the Jesuits in the 1500's. The Bible and the early Church accepted the Post-Trib rapture for almost 2,000 years.

<http://www.velocity.net/~edju/Pretrib3.htm>

are smoking guns. Amillennialism is a Papal heresy that the Roman Catholic Church accepts to this day.

By TruthSeeker24 (Timothy)

Alexandra - January 13, 2006 06:54 PM (GMT)

What exactly is amillennialism? I'm still not familiar with a lot of those terms, to be honest.

The church I had been going to promoted pre-trib. I'd also say that they're ignorant of Satan's devices, since most of the members think would think we're nuts. I call it the Church of Bush.

AVBibleBeliever - January 14, 2006 11:05 PM (GMT)

Dear Sister Alexandra,

Amillennialism means "no millennium" as in no literal thousand year reign of the Lord Jesus Christ on earth with a rod of iron from Jerusalem the throne of David. Instead it means Jesus Christ is reigning in heaven and in hearts. Amillennialism is not Biblical [as far as I know given what I thought I knew about eschatology and futurism was incorrect] because Revelation 20 clearly says Jesus Christ is going to reign and throughout the Old Testament this is clear.

<http://en.wikipedia.org/wiki/Amillennialism> <http://www.geocities.com/questioningamillennialism/>
<http://www.prca.org/articles/amillennialism.html>

Roman Catholicism accepts amillennialism because it is a convenient alibi for the Papacy. If there is no literal thousand year reign of Jesus Christ then that means sinful depraved mankind led by the Papal Antichrist can usher in peace on earth but this is impossible. Every attempt by sinful man to achieve peace without Jesus Christ has failed and will continue to fail like the Pope's United Nations. Hitler, Stalin, Napoleon, Mussolini, Mao Tse-Tung, etc. all had a Jesuit-inspired worldviews and their reigns of terror were violent and bloody.

After what I've learned about the Jesuitical Futurism which is taught in most churches and popularized by books like the Left Behind series and movies on the end times, it is the mainstream and popular view. I'm going to read up on the Jesuit influence on dispensationalism and millennialism. Brother Eric told me that there is Jesuitical Futurism and Biblical Futurism. The Order has taken Biblical truths and distorted them to fit them and make them agree with their enforcement of Papal universal temporal and spiritual power.

May the Lord bless you dear sister and May his Holy Spirit guide you and I into all truth as He promised and all other truth-seekers on this board.

Brother Nicholas N. Rivera

Alexandra - January 15, 2006 01:37 AM (GMT)

So when Catholic Hitler was trying to set up his Third Reich he was trying to usher in the Millennium.

I had a Holocaust Literature class in high school (the Detroit area has a heavy Jewish population, go figure LOL). Supposedly they wanted to rule for 1000 years or something.

As I understand it, the Jesuit Order has divided the world into 83 regions. Ok? For each region, there is a Jesuit provincial. There are 10 provincials in the United States. There is one for Central America. There is one for Ireland. They've divided up the world into these provinces.'

There is no hiding it if you want to spread the information.

But it would not serve them to try to shut this place down, or other places.

It would just raise questions, and scare the sheep away from the water holes.

'They' want places like this to exist so that they can see what is being said by who.

This is what leads me to believe that the Jesuits were PUT in charge of the affairs of the world, rather than taking over. All the inbred elite fools needed an intellectual and discliplined leader, to lessen the backstabbing and infighting. I would hardly call people like Prince Charles and Queen Elizabeth II intelligent. They need guidance.

CRAIG-OXLEY - January 13, 2006 09:33 PM (GMT)

Remember on that the Jesuits are a **MILITARY ORDER** not just an ordinary order. There creation was down to Loyola and their whole creation was MILITARY and for the counter-reformation initially until they used their powers to twist it in their favor which took an awful long time and many pitfalls which Fredrick the Great and other protectors would admit to. Don't forget the whole reason the Vatican took them on was because of their loyalty, military and their knowledge. They became the backbone and real leadership early on of the Vatican. If it wasn't for the Jesuits then Catholicism would have died a serious death. The Jesuits kept it all alive and eventually the Vatican started to fear the strength of the almighty ORDER!

If we think about it more logically why would someone like a no brain cell queen put someone in charge over them due to their discipline, knowledge and power. It wouldn't happen my friend. The Jesuits deserve some credit for what they've achieved over the years using their sheer power and brains. I'm glad all these Gelpfs etc were brought into line by The Jesuits! Also why would a Monarch allow someone more power than them when they were given the right to Kingship and the devine right to rule due to their hybrid bloodline??????????

Could you imagine it if G.W Bush was really the most powerful man haha it would be a nightmare indeed along with Tony Blair although Tony is a pretty good Knights of Malta puppet than most.

Yes The Society of Jesus will be we'll aware of this site and many of its pathetic low down members may mock and take no notice as their just hoodwinked fools. I'm quite sure the 4th vow Jesuits will be very angry with me and this site indeed. I do not fear Jesuits or ANYONE not even death because I believe death to be a good thing. For one death reliefs you of this invisible prison and the Jesuits stranglehold upon us. The only thing that puts me off riding myself of this world is the fact thats its damn well possible I

would be reincarnated back. The only advantage in time you have is in the younger years before you realise your in a prison again. Now you could be unfortunate to come back as a poor person and suffer from day one or even an animal who knows :D

The Jesuits want you to fear them and death!

smashstuff - January 14, 2006 11:18 AM (GMT)

Good points there. When I said that the Jesuits may have been put in charge rather than taking over, what I meant to say was put in charge by the beings or Satan or whatever else is overseeing everything, rather than by the elite bloodlines themselves. I didn't make myself clear. It's like, they're looking down, they say, hey, these guys (jesuits) are good, let's put 'em in charge, we need some order.

I understand that they worked their way up the ladder of power, but ultimately I believe there must be something unearthly that is telling people like Queen Elizabeth II, with her belief in divine right to rule, that she must curtsy to them.

CRAIG-OXLEY - January 14, 2006 03:01 PM (GMT)

No my friend its simply the Jesuits and Church of Rome are the true power of the Earth from a Humanity side and the Monarchs just know what will happen to them if they disrespect the Jesuits in any way shape or form.

The only thing which would be possibly higher than a Jesuit would be what some term "Macrobes". These are on another astral level if whats said is true and the use of Enocian Majick is used to directly communicate. Now bare in mind where all the knowledge is and who gives this knowledge and it all comes into place.

Dear Brethren,

This connection between the Order and NASA needs to be fully exposed. Robert C. Byrd, another criminal named in Cathy O' Brien's Trance: [Jesuit] Formation of America. He is a CFR-member and a lifetime Senator from West Virginia.

The Jesuit connection between the SS and Jesuit General are clear; the Jesuit connection between the SS and the "Roman Way," i.e., the Vatican Ratlines and ODESSA, is clear; the Jesuit connection between Cardinal Spellman, the FBI, CIA and Operation Paperclip is clear; the connection between Spellman's Paperclip, Area 51 (David Adair), and the SS is clear; and the connection between the SS and NASA is clear. NASA's connection to the Wheeling Jesuit University, West Virginia (one of her US Senators being John D. Rockefeller, IV), prove the Order controls NASA, thus is the secret impetus behind the Masonic Moon Landing Hoax. (In fact, I just discovered that the Apollo "Astronauts" went to Lake Myvatn in Northern Iceland to "learn how to moonwalk." The terrain was "otherworldly" and supposedly was a landscape identical with that of the moon. I believe the fake moon landing was actually filmed here.)

You could really break a tremendous story on this one!

Sincerely in Faith,

Brother Eric

Dear Brother Eric,

Actually, it appears that the National Technology Transfer Center is located there, at Wheeling Jesuit University. How bizarre! The website (www.nttc.edu) appears to be offline this morning, but I grabbed this from Google's cache:

The NTTC is home to a number of initiatives that make an impact, from a program focused on bringing world-class space program research to market to a program identifying coal impoundments in West Virginia and technology solutions that may help alleviate the need for them.

The apollo crews also trained in Sudbury, Ont. because of the terrain. It's a nickle mining town in northern Ontario and is bald [no trees] and rocky Canadian shield terrain. I remember well the time in the late 60's when it was on the news.

Dear Brother Eric,

This will be something to talk about on Sunday. How curious! The Hubble project had been turned over to Johns Hopkins University, too, and of course many of the NASA projects go through the Jet Propulsion Laboratory, co-founded by Aleister Crowley devotee Jack Parsons.

Jack Parsons was OTO according to Jesuit coadjutor Craig Heimbichner's Blood on the Altar. (Crowley was OTO and British SIS who backed the Order's Home Rule agenda for Ireland.) The OTO is directly connected to the late Vatican Cardinal Secretary of State, the Sicilian Count Mariano Rampolla. This right-hand man of Pope Leo XIII was Jesuit-trained, OTO, a high Knight of Malta, groomed to

be Pope, and one of the key men in the Holy Office of the Inquisition. His election to the Papacy was frustrated in 1903 by a Polish Cardinal, exercising "the veto," who was loyal to Emperor Franz Joseph I of Austria-Hungary. The veto was immediately done away with after the "election" of Pius X and Rampolla's defeat, Franz Ferdinand was murdered in 1914 and the Habsburg dynasty ended in 1918---all for crossing the Black Pope's Rampolla.

Thus the Masonic OTO and the Black Pope have been tied together for at least 100 years. Therefore, we are not surprised at the OTO/SS/CIA control of the country's entire "space program."

Further, I do not believe that any of the Apollo missions went to the moon. I believe all seven-eight? trips were complete hoaxes and can be easily proven. Further, I do not believe that one piece of unmanned equipment has ever went beyond the Van Allen Belt without being completely destroyed by the sun's radiation. I do not believe that any piece of hardware as gone to Mars or beyond---this is science fiction at is most deceptive. If those calculated Jesuit-controlled liars will not teach us that the cosmos is geocentric (as stated by Christ himself), that the earth is at rest, that the sun moves in its circuit around the globe, and that no man has ever set foot on the moon, then I would not believe one word about any deep space project that I cannot personally analyze with info gathered by myself or an independent third party uncontrolled by the Pope's CFR/CIA/etc. The Hubbel telescope cannot even be used to find the flag on the moon.

I dismiss anything that these wicked sinners say about "space exploration," sci-fi adding to the illusion. I believe that anything in space is within the Van Allen belt which includes the satelites and the Space Station orbiting around the earth---as does the sun. I may be wrong about a few details, but the whole wicked space picture is correct.

Last July 4, JPL guided the space probe that slammed into Comet Tempel-1.

I believe that to be another hoax, in fact ridiculous. The distance to the comet (outside of the Van Allen belt) or its speed or its internal makeup is unknown to these shysters. The distance to the sun also is a subjective conclusion, as is carbon dating and the nonsensical "theory of relativity." It is all a faith-based, unscientific, unverifiable "religion" put upon us by the high priests of so-called "academia."

We'll also need to detail again the connections of the Jesuits to Paperclip. The effect of Paperclip on the world at large is definitely not understood even by the people who have heard of it.

Agreed.

In Christ,

Dxxxxxxxxxxxx

I look forward to our 5:00pm Sunday PID broadcast dear brother.

Sincerely in Faith,

Brother Eric

The moon landings were hoaxes yes, but does that mean that they don't have incredible technology that is not for our eyes, which would have been unbelievable in 1969 and today?

CRAIG-OXLEY - January 13, 2006 09:49 PM (GMT)

No one denys they have advanced technology hidden far in advance and the sudden explosion of all this new mobile technology and plasma screens etc goes to show this along with dvds and blu-rays blah blah. Remember on though what phelps is trying to say is that the technology cannot go outside the Van Arlen Belt. Now I believe this belt isn't what we've been lead to believe as radiation exactly. I believe this belt is whats known as the Ethereal Barrier which was erected by the Anunnaki's enemy once they knew the Anunnaki was dwelling on this planet. Remember they'd been hoodwinked by the Anunnaki that the Anunnaki were dwelling on Tiamet so the enemy destroyed this completely creating the asteroid belt along with the Fallen Angel which Jesuits and company all worship. Tiamet was Lucifer the 2nd sun and when it was destroyed it became known as the fallen angel. So again I believe the V Belt to be this erected barrier to keep the Anunnaki within this area trapped as a prison.

organization ... an idea which ultimately (leads) to the cessation of all wars and one language throughout the world.... The only thing feasible to carry this idea out is a secret one [society] gradually absorbing the wealth of the world to be devoted to such an object.... Fancy the charm to young America ... to share in a scheme to take the government of the whole world!" Rhodes also told Stead that scholars should possess the following traits: "smugness, brutality, unctuous rectitude, and tact."

"Meet the World Money Power" The blame is misdirected-the Pilgrim Society is merely a tentacle of the Company [replace the name Pilgrim Society with Jesuit Order]

The Senate Judiciary hearings are all rigged and the chairman of each is always Jesuit-controlled like Mr. Magic Bullet Theory 33rd Degree Freemason lifetime Senator Arlen Specter (Cardinal Spelly's Jew). Jesuit-trained lifetime Senator Patrick Leahy and Knight of Columbus (according to Brother Eric) Ted Kennedy are the Order's Democrats who are always bringing the staged controlled opposition to convince the public that there is difference opinion and independent consideration of the candidate. Add to the mix CFR Chuck Schumer and you have a Jesuit-controlled committee. The Bush administration controlled by the Order is packing the Supreme Court with Roman Catholics-there is a New Right Fascist Romanist Republican majority in all three branches of the U.S. The plan of the Roman Catholic Church to takeover America that Brother Charles Chiniquy exposed is just about complete. The Order, its Masonic Craft and Illuminati and lesser secret societies have been working toward this end.

Title: Timothy Leary-Jesuit Connection

Born - January 5, 2006 10:11 PM (GMT)

I am pondering whether or not any of you may remember LSD era hero Timothy Leary? Well it appears he went to a Jesuit school. Interesting. Of course, Leary had a bad reaction to their type of learning. Maybe Leary knew a little about the supposed history of the Jesuits? Either way I don't believe Leary was "one of them." Most people who put down Leary don't see what Leary was saying. Simple as that folks. Still it is interesting.

Bit of a mystery, Leary. I think perhaps he was unwittingly working for the agenda, what with the turn on, tune in, drop out thing, which is code for not giving a crap about what's happening in the world.

Born - January 11, 2006 11:06 PM (GMT)

Leary later explained: "'Turn on' meant activating your neural and genetic equipment. 'Tune in' meant interacting harmoniously with the world around you. **'Drop out' meant a voluntary detachment from involuntary commitments like school, the military, and corporate employment.**"

http://en.wikipedia.org/wiki/Turn_on%2C_tune_in%2C_drop_out

He wanted people to tune in, meaning quit ignoring all the fucked up stuff that's going on in our world and embrace your new awareness

<http://www.isellpot.ws/Marijuana/timothyLeary.html>

Note: I do not feel the writer of that article was completely understanding of what drop out meant, if you look into it Leary probably meant screw what authority tells you is the truth like he said in this quote:

"Think for yourself and question authority."

Media File:

Do you realize what Timothy Leary was saying about what LSD could do for the **GOOD** of humanity?

Listen to this two part interview with Robert Anton Wilson from the show Disinfo, somewhere in there he sums up the whole Leary situation pretty well:

Part 1:

<http://www.rawilsonfans.com/downloads/Disinfonation1.mp3>

Part 2:

<http://www.rawilsonfans.com/downloads/Disinfo2.mp3>

You see now? There was a disinformation campaign against Leary. That is why everyone has been labeling him a CIA plant and what not. **BLATANT DISINFO!**

TruthSeeker24 - January 12, 2006 03:34 PM (GMT)

Timothy Leary knew what he was doing. He supported Aliester Crowley and believed that he was an agent for him. He wanted the LSD revolution, but recreational drug usage only destroys the mind, it doesn't enhance mankind's development. That's why the government control the counter culture movement. They knew that these evil chemical can make people docile in accepting their agenda. The DVD called "They Sold Their Souls for Rock n Roll" proved that Leary said "Do what thou wilt shall be the whole of the Law under Love." Crowley readily supported the Jesuits as well. Not to mention that he was a college professor, so he wasn't stupid.

Have you ever thought that maybe just maybe the government has tried to make Leary look bad by labeling him a CIA agent and what not? Have you even bothered to look into Leary's beliefs? Do you realize he REJECTED JESUIT TEACHINGS?

TruthSeeker24 - January 13, 2006 02:20 PM (GMT)

I will look into your other statements, but it's a fact that he supported Aleister Crowley and his agenda. That alone makes me to reject him since Crowley supported moral relativism and other concepts that can destroy a legitimate society. You can say what you want, but the Crowley connection is something that's 100% fact and you can't refute it. YOU forgotten that the inventor of LSD, Hoffman, claimed to see a demon after using it full blown. Many scientists have proven the dangerous effects of using LSD for recreational use.

By TruthSeeker24 (Timothy).

Born - January 13, 2006 09:51 PM (GMT)

The government KNEW they could mess people's minds up with LSD whereas Leary saw it as a tool to change negative behaviors.

Also Aleister Crowley's writings are so cryptic that you can basically interpret the meaning any way you want. It seems possible that a lot of famous "philosophers" of the 1900's may have misinterpreted his writings. John Lennon while not necessarily a "philosopher" comes to mind. I guess he was a Temporal Coadjutor as well even though the government hated him so much that they wanted him deported out of the country! And on top of that then FBI Director J. Edgar Hoover said in memo about John Lennon that, "All extremists should be considered dangerous."

Now back to Leary. Are you by any chance a fan of the **CONTROLLED MEDIA'S** BBC? Well isn't that funny here is a BBC (hit)piece on Timothy Leary allegedly being an FBI informer. But we do believe the **CONTROLLED MEDIA'S** don't we? Also isn't it funny that Richard Nixon called Timothy Leary "The Most Dangerous Man in America." Obviously good ol' Richard was telling the truth! And isn't it even funnier that for having two marijuana joints he was sent to prison for 10 years with the highest bail in history? You may want to read these two articles if you have the time:

<http://www.konformist.com/1999/leary.htm>

<http://www.konformist.com/2000/kotc.htm>

Also keep in mind that Leary did not believe that one should be irresponsible and take as much drugs as he/she wants. He believed that it should be taken in the right

amounts and not irresponsibly.

But of all things that should be known about Leary it is most important to realize that he was against established authority. In addition if you believe in the Jesuit conspiracy he also rejected the Jesuits teachings.

In conclusion I think it should be said that while Leary may have had some incorrect philosophies he was in no way it would appear for Big Brother's agenda.

CRAIG-OXLEY - January 13, 2006 09:51 PM (GMT)

QUOTE

TRIBAL AND HERBAL MEDICINE USES

Yerba mate has been used as a beverage since the time of the ancient Indians of Brazil and Paraguay. In the early 16th century, Juan de Solís, a Spanish explorer of South America's famed La Plata River, reported that the Guarani Indians of Paraguay brewed a leaf tea that "produced exhilaration and relief from fatigue." The Spaniards tried the beverage and liked it. Their subsequent demand for the tea led the Jesuits to develop plantations of the wild species in Paraguay and yerba mate became known as "**Jesuits'** tea" or "Paraguay tea."

Rather, we discover God when we reflect on who we are as a human family and how we can become good neighbors to each other. God is in the Christian celebration of the birth of Jesus as the entrance of God into human history. **So too God can be found in the Muslim celebration of Ramadan, their month of blessing, marked by prayer, fasting, and charity**, and the Jewish celebration of Hanukkah, the festival of lights. The Kwanzaa celebration, which reaffirms traditional African values of family and community, offers important guiding principles about how we should live in the world."

Title: THE NEW WORLD ORDER, WHO RULES? Jews or Jesuits

Description: *Eric Jon Phelps (Very long & excellent)*

CRAIG-OXLEY - January 11, 2006 11:29 PM (GMT)

Dear Robert,

CHRISTIANS ARGUE: THE NEW WORLD ORDER, WHO RULES? Jews or Jesuits

Hello Eric,

I am finally answering your letter below.

ERIC YOU WROTE: "Avro Manhattan was the one who helped Alberto retrieve his sister out of a convent in England. Avro was led to Christ by Ian Paisley, who also believes that Alberto was a former Jesuit."

BOB'S REPLY: I did not know these facts you listed above. You have changed my mind. I have a natural inclination to dislike the Catholic church, mainly because of it's centralized form of church government and doctrines that are extra Biblical. But most of all I detest the Catholic church because it de-emphasizes the Bible as the sole arbiter of all doctrinal disputes. The Catholic church'es emphasis upon "Church tradition" as opposed to "sola scriptura" is most disturbing to me. Plus so many of their Priests are homosexual and so many Nuns advocate for "Liberation Theology" and outright socialism and communism. So I Thank you for adding fuel to my fire. I had recently read a Catholic website that refuted the Alberto story and I had accepted their explanation

carte blanche.

Excellent!

ERIC YOU WROTE: "Yes. The Jews are the front men; the Jesuits are in the shadows controlling those Jews, many of whom are later murdered. Stalin and his NKVD murdered every Bolshevik Jew except Kaganovitch."

BOB'S REPLY: Eric, I just do not buy this idea that the Jews are just puppets of the Jesuits. I think, based upon my studies that the Jews are quite capable and willing to operate on their own agenda.

When the Jews oppose the Jesuit Order with their own agenda, they are killed, as was the Jewish Kaplan woman who attempted to kill Lenin; as was Rabin for his disobedience concerning Jerusalem. According to Christ, it is "the times of the Gentiles," thus Gentiles rule Jerusalem and the world. (Luke 21:24)

ERIC YOU WROTE: "Even G. Gordon Liddy said the Jesuits of Fordham ruled the world "and they enjoyed it.""

BOB'S REPLY: I have heard G. Gordon Liddy make that comment on his radio talk show and he was not saying it in the manner you are indicating. It was hyperbole and jesting, not to be taken literally.

The quote in his book Will, is not a joke. It is quite serious, as he intended it to be at the time. He may pooh pooh it now for his own protection.

ERIC YOU WROTE: "...and see if the Jesuits are the secret power behind Hitler and the NWO rather than the Jews. "

BOB'S REPLY: That is my point precisely, you call the Jesuits a "secret power" but I see Jews on the front lines of every issue from abortion to homosexual rights.

As intended. Those evil Jews are connected to the Pope's ADL and ACLU. And the connection between Kissinger and Knight of Malta Alexander Haig--whose brother is Jesuit Francis Haig---is quite telling.

This is not something that is manipulated by the Jesuits, it comes from the heart of almost every Jew I have ever talked to, they are leftists in their heart. It is their nature. They are a synagogue of satan.

Many Jews are indeed leftists and socialists as is Allen Coombs on Fox. And the synagogues that approve of the Babylonian Talmud are indeed synagogues of Satan---as the Zohar and Kabbala are esoteric and indeed evil. (We know the Talmud teaches that Jesus Christ was a bastard, the son of a Roman soldier and his mother Mary a whore.) I am not defending the religious or political beliefs of those Jews. I am defending the Jewish race which is in the midst of our Gentile nation at this time according to Deuteronomy 28:64-68. Their physical posterity is being preserved for a future day when Christ sits on the earthly throne of David as promised (Lk. 1:31-33).

ERIC YOU WROTE: "read the Protocols of Zion written by the Jesuits of France."

BOB'S REPLY: Eric, careful now! Eric, you cannot prove that the Jesuits wrote the Protocols. It seems like a ridiculous and arrogant assertion that you of all the scholars that have looked at that topic, you alone can indisputably prove who was responsible for the authorship of the Protocols of Zion.

Again, I reiterate: the born-again Bible-believing Leo Lehmann and missionary to the Catholics of New York City, who was formerly an Irish priest involved in a suit against the Jesuits in the Pope's Sacred Rota, declared that The Protocols were written by the Jesuits. It was a repeat of the writing of the Secrets of the Borg-Fontaine intended to attack the Jansenists. Please read Lehmann's Behind the Dictators released in 1942. I believe brother Lehmann was telling the truth as he was on the inside of the Vatican

and knew well the Jesuits.

Providentially, I just read today that someone else said they can prove that Theodor Herzl was the author of the protocols.

No doubt that Herzl was a conspirator as he had an audience with the pope in 1904 shortly before Herzl died. Herzl was the Order's Masonic tool via Rothschild in the movement of the Order's Labor Zionism. But he never wrote the Protocols, which are true as to the historic instances cited, as the language betrays the real authors, the same authors of La Civiltà Cattolica and Mein Kampf.

Then there is the old stand by assertion that the Protocols were written by Czarist police officials. IMHO, no one knows who wrote the protocols and no one can prove who wrote them either.

Both Lehmann and Rivera---two insiders---named the Jesuits as the authors. And look what it produced---the continued fulfillment of the Order's Council of Trent.

But like Henry Ford said, "Whether they are a forgery or not I do not know, but I do know that they describe what is going on in the world today."

Agreed.

ERIC YOU WROTE: "The choice between the life and death of this nation rests on who is to blame for the nation's plight: The Jews as a whole, or the Jesuits as a whole."

BOB'S REPLY: Eric, the Bible is very clear on this point, the Church, the body of Christ, is the Israel of God.

Indeed, the Church is the Israel of God---spiritually, not physically. Indeed, a saved racial Gentile "is a Jew which is one inwardly; and circumcision is that of the heart, in the spirit and not in the letter . . ." (Rom. 2:29). Meanwhile the physical Jews, the racial descendants of Abraham through Isaac and Jacob (Jn. 8:37) are, as a nation, blinded to the light of the gospel (Rom. 11:25) with only a remnant of racial Jews now being saved (Rom. 11:5). Meanwhile, while in their Disapora as a nation, they are spiritually "not my people" and the Lord is not their God (Hos.1:9). The racially Hebrew/Jewish nation of Israel is now "without a king," but will return and fear the Lord in "the latter days" (Hos. 3:4-5).

So you are partially correct: the Jews of today are not Israel spiritually; they are Sodom and Egypt spiritually (Rev. 11:8). The doctrine that the Church---the Body of Christ to the exclusion of Romanism--- has presently replaced the nation of Israel regarding her future earthly dominion over the nations (Isa. 60:12) is first a Romish Papal heresy that was unfortunately continued by the Reformers and used to justify the unity of Church and State in Protestant nations, unfortunately for us Baptists. Yet there were many godly Reformed Presbyterian and Baptist-Calvinists who believed amillennial theology; who resisted Rome both with the pen and the sword; and never persecuted the Jews or blamed the Jews for the political machinations of the Jesuit Order.

If you are going to make the claim that these modern atheist East European non-sephardic Khazar Jews are still under the blessing of Abraham, I will vigorously debate you.

There is no such thing as a Khazar Jew. The Jewish Israelites of the Assyrian captivity taken North in 723 B.C., did indeed settle in Khazaria and indeed King Boris adopted Judaism. But the nation of Khazaria never adopted "the Jews' religion" (Gal. 1:13), nor did that Gentile nation learn to read and write Hebrew or build synagogues for themselves or practice circumcision---as a nation.

This Khazarian heresy is not true history and the Encyclopedia Britannica, 9th edition (1903) makes this clear. The Jewish Khazarian heresy originated in Jesuit Austria in the early 1900s as a bait for creating anti-Jewish fury in Europe. It is most interesting that the learned Jesuits in the Vatican never referred to the Jews of Europe as "Khazars." This doctrine was only to be propagated by Gentile Masonic Jesuit Coadjutors controlled by Rome. No article in La Civiltà Cattolica ever called Jews "Khazars" that I

am aware of. Masonic Hitler and his Jesuit bosses (including Michael Cardinal von Faulhaber) always referred to the Jews of Euorpe as "Jews, Hebrews, or Israelites."

"I will bless them that bless you and curse them that curse you" is a promise that belongs to the church, not those atheist Jews.

In the first instance of Genesis 12:1-3, how could this racial promise given to Abraham and his physical seed belong to the Church, when the Body of Christ was not in existence at that moment in time (2000BC)? I know we believers in Christ are the spiritual seed of Abraham (Gal. 3:26-29), but we as Gentile peoples in Christ have no land promise as was given to Abraham (Genesis 13:14-17). That promise given to the Hebrew fathers was confirmed by Christ to the nation of Israel when he came the first time (Rom.15:8).

Look at history and see who has been blessed and who has been cursed. The wicked Jews have been cursed ever since they crucified Christ.

Agreed, the unbelieving Jews as a nation in dispersion, have been cursed for their breaking of the Mosaic law and the rejection of "that Prophet" as foretold in the Scripture of truth. (I Thess.2:14-16). As a nation of Jews presently rejected by God, "the wrath has come upon them to the uttermost." That wrath however will end someday and the Messiah will deliver the nation (Rom.11:26-31) causing it to be born in a day (Isa. 66:8).

The righteous Jews and gentiles who believed in Christ were blessed. In the history of mankind no other nations have been blessed like the Christian nations which have been blessed exceedingly.

I trust you mean "Protestant" and "Baptist" nations when you use the term "Christian"--- to the exclusion of Romanism. Rome is not Christian, never has been and never will be. For Rome is the font of all anti-Jewish fury in the earth to the extension of Islam.

Eric, I am asserting that God has always had one people through all ages... those who

believed in him by faith, those who had faith in the Savior Messiah who is and was and is to come.

Agreed. But this is not to the exclusion of the twelve racial tribes composing the racial, physical nation of Israel which has been given a land promise "for ever" through Abraham and through which Christ came (Rom.9:5). This nation as a nation is the tail of the Gentile nations today (Deut. 28:43-44). And it is for this reason that the Jews as a race and nation are not ruling the world. They are presently "cast off" but will be "received" once again (Rom. 11:15-16).

ERIC YOU WROTE: "...yet please remember, as concerning their election under the unconditional Abrahamic covenant, they are "beloved for the fathers' sakes."

BOB'S REPLY: Eric my friend, I hope and I pray that you are not hinting that there are two ways of salvation. I hope you are not saying that there is one way for the Jews to be saved apart from Christ via election under the old covenant and a second way of salvation for the gentiles through faith in Christ. Let me state my position unequivocally: THERE IS ONE WAY TO GOD AND THAT IS ONLY THROUGH FAITH IN JESUS CHRIST. This is true for all men in all ages, past, present and future. The Old Covenant saints were saved through faith in the coming Messiah every bit as much as Jews today are only saved by making a sincere profession of faith in Jesus Christ. There are not two ways of salvation. The wicked Jews who rejected Jesus Christ are damned.

Agreed. Savation is by grace through faith in the finished work of Christ; his death for our personal sins, his burial and resurrection as prophecied in the prophets. All men need to be born again if they are to see the Kingdom of God, both Jews and Greeks.

But this is not my point. My point is that the land promise given to the fathers has never been fulfilled. And since this promise is unconditional and "without repentance" (Rom.11:29), it must be fulfilled to the nation in the future for which reason Christ sent out his disciples only to the lost sheep of the house of Israel (Matt.10:6). The Jesuits believe that the promises given to Israel are now the property of the Roman "church." It is for this reason that Rome has laid claim to that land and especially Jerusalem.

They are NOT still under some covenant blessing

Disagreed. The Abrahamic Covenant, which includes the land promise, is an everlasting covenant that is unilateral. The Hebrew nation has no part to play in its fulfillment except their presence in the land due to a future regathering thus fulfilling Exekiel 48.

and furthermore the wicked Zionist nation in the middle east that is wrongly named "Israel" is irrelevant in God's economy. They are under a curse. It is a very wicked atheist nation. Even religious Jews reject Zionism as a great evil.

The Labor Zionist nation of Israel is a creation of the Jesuits---the most powerful Zionists in the world. The government of Israel is evil, it being controlled by Masonic Jewish Zionists subject to the Papacy via the CFR. The racial people of that nation (80%), however, are the physical descendants of Jacob and thus compose the twelve tribes. This means that "they are beloved for the fathers' sakes" (Rom.11:28). This is why I call them, even in their national unbelief, the Lord's beloved Hebrew/Jewish/Israelitic poeple.

Concerning the "religious Jews," they know not the Scriptures nor the power of God." How can any of those Talmud-believing Jews discard the words of the prophet Daniel regarding the future existence of a temple and thus a priesthood (Dan:9:27) and thus a nation of Israel during the general Disapora, when Israel, in a condition of not knowing the Lord, will be a nation in the land in unbelief dwelling safely (Exekiel 38:8)? Simple. The religious Jews do not believe their own prophets.

Eric, I can see that you and I are going to have to have a full discussion regarding dispensationalism. I think that dispensationalism is evil.

It all revolves upon how you read the Scripture, either literally or figuratively, with the reader's mind being checked or unchecked by the maxims of context and language.

I think it was planted in the church by cunning Zionists.

I have already addressed Biblical futurism and Jesuit futurism. There is a difference indeed.

I think that dispensationalism is responsible for the wretched state of America today.

Rather, Arminian dispensationalism that is not anti-Papacy.

It is my assertion that our nation and our culture is in trouble because of the “make me feel good” dispensational preachers who do not encourage their flock to reform the entire society because after all “we all know that Jesus is coming any day now and the Bible says that everything is destined to get worse and worse... so why try to reform culture... just go get some souls saved with a pietist Gospel that is all sugar and no salt in wounds inflicted by the Church upon the wicked culture around us.”

Agreed. The historic Calvinism, although amillennial, confronted the sin of culture and a wicked government controlled by the Vatican. Praise God!!! I have fought against this terrible Arminian (Jesuit futurist) heresy of non-resistance against Roman tyranny for over twenty years. This is why I am shunned by most American Baptist Bible believers as I advocate political secession from this wicked government controlled by Rome as did my Baptist-Calvinist forefathers. The Blessed Hope of the imminent appearing of Christ for his Church (Titus 2:13; I Thess 4:13-18) never has relieved me from my civil responsibilities towards my White race, English language and historic Protestant culture founded on Protestant and Baptist Calvinist legal documents.

Eric, do you understand what I am asserting? I am saying that ideas have consequences and I am saying that the ideas that dispensationalism injects (like poison) into the minds of young Christians, have the necessary result of creating a culture of escapism in the minds of the Christians, rather than a mindset like that of the Pilgrims and Puritans who expected to triumph over the enemies of God in the here and now.

Regarding Jesuit Futurism as opposed to Biblical futurism coupled with the historic Calvinist doctrines of grace, I am in total agreement with you!

Eric, do you really believe that the creation of the nation of Israel in 1948 was prophetically significant?

Yes. There must be a Third Hebrew temple in existence for the abomination of desolation to be fulfilled (Dan.9; Matt.24:15). There must be a city of Jerusalem, though spiritually Sodom and Egypt (Rev.11:8), to which Christ must come when he appears in glory (Zech.14:1-5) fulfilling Acts 1:11. Clarence Larkin spoke of this in 1919.

Did you agree with Hal Lindsey and Jack van Impe and 88 REASONS WHY THE RAPTURE WILL BE IN 1988, written by Edgar C. Whisenant?

Of course not. All of them are heretic date-setters and never oppose the Papacy. They are not only Jesuit futurists but charlatans.

They all have made numerous false predictions and that makes them false prophets who deserve the death penalty.

Agreed, if we were under the Mosaic Law.

Eric, I am praying that Israel will cease to exist as a nation state so that dispensationalists will finally wake up and say to themselves "Oops, guess we were wrong."

Israel will never cease to exist as a nation though presently in unbelief. Both the devil and the Lord Jesus want that nation to exist. Without Jews in the land, the devil can never establish his world government from Jerusalem's Third Temple and the abomination of desolation. Without the Jews in the land as a nation of Israel (Ezk. 38:8),

there will be no Second Coming of Christ to deliver his nation from annihilation (Joel 2:32) and the resultant establishment of the Davidic Kingdom (Mk. 11:10).

Why not pray for the peace of Jerusalem? Why not pray for the death of all the pope's Masonic Jewish Zionists ruling Israel? Why not pray for the rising of patriotic Jews who will govern for the benefit of the Jews in the land and raise money for the removal of the Arabs? Why not pray for all of the Arab Moslem squatters to be removed to Jordan were they belong as they have no right whatsoever to the land? If those Arabs would have demanded a "Palestinian State" during the Ottoman Empire, they all would have been killed. Rome keeps the agitation going in order to make Jerusalem an international city for which she dreams.

Then maybe they will get up and about reforming the culture with an expectation of victory because God has promised them the victory over their enemies.

Agreed.

We can crush the abortionists and the pornographers and the sodomites if we get a vision of victory. I am asserting that we have lost the culture wars because of the End Times Theology of the Church, the Dispensationalism, which has taught the Christian to be a loser in his own mind.

Totally agreed!

Eric, 4 times in the book of Revelation it says "These things will take place shortly."

[Revelation 1:1](#)

The Revelation of Jesus Christ, which God gave unto him, to shew unto his servants things which must **shortly** come to pass; and he sent and signified it by his angel unto his servant John:

[Revelation 1:3](#) **Blessed is he that readeth, and they that hear the words of this prophecy, and keep those things which are written therein: for the time is **at hand**.**

[Revelation 22:10](#) **And he saith unto me, Seal not the sayings of the prophecy of this book: for the time is **at hand**.**

[Revelation 22:6](#)

And he said unto me, These sayings are faithful and true: and the Lord God of the holy prophets sent his angel to shew unto his servants the things which must **shortly** be done.

Eric, furthermore in the book of Daniel there is no 2000 year gap between the 69th and 70th week of Daniels 70 weeks prophecies. The gap theory between the 69th and 70th weeks of Daniel prophecy is just not taught in scripture.

If we read scripture literally, there are time gaps in several prophecies. There is a time gap of nearly 2000 years between verses 9 and 10 of Zechariah 9; there is another time gap of 2000 years in the midst of verse 2 in Isaiah 61. If not, why did the Lord Jesus stop reading in Luke 4:19 and close the book of Isaiah 61 declaring that "This day is this scripture fulfilled in your ears" (v.21)? Gaps of time are between verses if we read them literally and thus we should not be surprised if we see another time gap between verses 26 and 27 of Daniel 9.

That means that there is no final 7 year period called the tribulation that is yet to occur. Please renounce this foolishness and join a good Reformed Baptist church that is not dispensational. I do not care if they are either Amillennial or if they are Postmillennial like me but I am urging you to join a Reformed church where it is taught that dispensationalism is an eschatology that must die of utter foolishness when examined in the light of scripture and what the church has historically understood about eschatology.

I appreciate your concern and agree that the Protestant and Baptist Churches have historically been amillennial, but never post-millennial as that doctrine is indeed a Jesuit theology---"bringing in the kingdom!" If I am to read the Bible literally, with any explaining away of simple sentences as do those who "spiritualize" the Scriptures, then I cannot literally believe the words of Scripture regarding soteriology, angelology, theology proper, ecclesiology, etc. There must be one reading for the understanding of Scripture and that is a literal one. If that maxim falls, then "Sola Scriptura" crumbles at

the feet of Protestant popes returning all of us to the "Infallible" Pope of Rome.

Eric, If Israel collapses from it's own immoral weight, it's feminism and socialism and lack of replacement birth rates, it's secular state, it's strip clubs and pornography and prostitution and evils like white slavery that is flourishing in that wicked secular nation... then perhaps you will finally admit that your Zionist dispensational theology was wrong.

Disagreed. I have never said that Israel is a moral, upright nation. I have said above that Israel and thus Jerusalem is "Sodom and Egypt." I know of the wickedness of the nation as I have been there three times. The wickedness of the nation is merely a confirmation of the prophets concerning Israel prior to the coming of her Messiah. Futurism, Jesuit or biblical, has nothing to do with the present lost condition of the nation.

Eric, I am praying for the destruction of the atheist nation in the middle east wrongly named Israel, the nation that is an abomination to Almighty God. I think it could collapse just like the USSR collapsed from internal rot.

The USSR never collapsed but is more dangerous than ever.

If and when that occurs, then maybe the church will grow up and give up on her childish obsession with dispensationalism and then get about the business of obeying the GREAT COMMISSION to make disciples of THE NATIONS.

Agreed with regard to the Great Commission.

Eric, The Great Commission does not teach us that we are just to get a few souls saved in each nation. We are commanded to MAKE DISCIPLES OF THE NATIONS.

I trust you do not believe as does Rome and Islam, making disciples with the sword? Rev.5:9 speaks of those who are saved of the nations, not entire nations.

My theology teaches me that all the covenant promises to Israel are yes and amen to the church in Christ (2Cor. 1:20)

There is no mention of the Church of Christ in II Cor. 1:20. Every promise God ever gave to any person or people will be fulfilled in Christ Jesus. To the contrary, your theology is replacement theology, failing to differ between the nation of Israel and the Church which is the Body of Christ. This conclusion is based on a non-literal reading of Scripture.

We, the body of Christ as the Israel of God (Galatians 6:16)

The "Israel of God" are saved Jews, not saved Gentiles though both be in the Body of Christ. Notice the verse addresses "as many as walk according to this rule, peace be on them, and mercy, and upon the Israel of God." There are two groups here: the "them" and the "Israel of God." The "them" are Gentiles in Christ; the "Israel of God" are Jews in Christ. Romans 9:6 further sustains the point: "For they are not all Israel which are Israel." The Israel of God are the saved Jews in Christ the remnant according to the election of grace. (Rom.11:5) We are a spiritual Israel with circumcised hearts, but the "Israel of God" of Gal. 6:16 is composed of saved Jews/Israelites in Christ.

can expect victory if we humble ourselves and pray and turn from our wicked ways, THEN GOD WILL HEAR FROM HEAVEN AND BLESS OUR LAND.. That is a promise to the church in all ages.

Agreed. The principle is true for all ages; the Covenanters did so in their resistance to Charles II.

ERIC YOU WROTE: "True, the Jews, apart from those who are of the saved "remnant according to the election of grace" (Rom. 11:5), are "concerning the gospel, . . . enemies for your sakes" (Rom. 11:28) yet please remember, **as concerning their election under the unconditional Abrahamic covenant, they are "beloved for the fathers' sakes."**"

BOB'S REPLY: What do you mean here Eric? What is your interpretation of "beloved for the fathers sakes"?

They are beloved for the promises given to the fathers Abraham, Isaac and Jacob. The text is clear.

I interpret that to refer to the same kind of love a mother has for her son who is a convicted murderer. She knows he must be executed, but she still loves him and wished it were not so. Eric, I hope you are not taking the Bible verse that says "All Israel shall be saved" and applying that to those wicked atheist Jews and the Jews who crucified Christ and the Jews of whom Jesus said in John 8:44 "Ye are of your father the devil, and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because there is no truth in him." The reason the Bible says that "All Israel shall be saved" is because the church is Israel, the elect are Israel. (Compare Romans 9:27 with Romans 11:26)

Disagreed. Romans 9, 10 and 11 is dealing with national Israel. It has nothing to do with the Church which is the Body of Christ except for those racial Jews who are in Christ and thus are "the Israel of God."

CRAIG-OXLEY - January 11, 2006 11:29 PM (GMT)

Here are the words of Jesus about these wicked atheist Jews:

...I know the blasphemy of them which say they are Jews, and are not, but are the synagogue of Satan. (Revelation 2:9).

...I will make them of the synagogue of Satan, which say they are Jews, and are not, but do lie ... to come and worship before thy feet, and to know that I have loved thee.

(Revelation 3:9).

These racial Jews are not Jews inwardly with circumcised hearts; they are unsaved racial Jews with "the Jews' religion" based upon the tradition of the fathers in Christ's day, which tradition is codified in today's Babylonian Talmud. Thus, though racial Jews, their synagogue is the synagogue of Satan. The Masonic gnosticism of the Kabbalah is Babylonian, which Egyptian Masonic gnosticism governs Romanism, Islam, Protestantism and most Baptist Churches infiltrated with Jesuit-controlled and Jesuit-authored Freemasonry. Thus we have the Churches of Satan in addition to the Synagogue of Satan. The spiritual father of all these unsaved people, Jew and Gentile, is the devil (Jn.8:44; Eph.2:2).

Eric, I hope and pray that you are not claiming that the synagogue of satan is under a covenantal blessing.

No. The racial Jews, preserving their seed for two thousand years, are lost and going to hell as are all unsaved Gentiles, but they are being preserved among the nations until their national conversion at the second coming of Christ (Zech.12:10). All twelve tribes now exist even as we speak.

ERIC YOU WROTE: "If you are truly a Reformed Presbyterian Calvinist, you will hold the Pope to be Antichrist, as did the Westminster Confession of Faith of 1655; you will boldly attack the Jesuits as did a host of Presbyterian ministers, including Wylie; you will attack the notorious Pope-serving Jews as being "Papalized Hebrews;" and will seek the expulsion of the Jesuits from America as did the Kirk in England."

BOB'S REPLY: I am good with all that. I would like to get rid of those "Papalized Hebrews" and all of the Jesuits too and in fact I would love to live in a nation that is entirely Protestant of the Trinitarian variety. But those are dreams that will not come true without a lot of work in the next couple of centuries.

Then why do you not devote more of your time to the exposing of the power of the Jesuit Order here in the American Empire as well as the Papalized Hebrews who serve them? I never receive anything on the Jesuits from you.

ERIC YOU WROTE: "Finally, if you are a true Calvinist, you will allow the Jews of our land to dwell here unmolested as did William of Orange I of the Netherlands and Oliver Cromwell who readmitted the Jews into England in 1655."

BOB'S REPLY: Eric, look at the state of England and the Netherlands today. The Jews and their hatred for Jesus Christ and their proclivity for all things wicked from socialism to feminism to sodomite rights make themselves hated in every nation when at last the people realize what has been done to them by the Christ hating Jews.

To the contrary, the Netherlands and England rose to unmatched naval and political power for several centuries. It was the Jesuits who took over those Protestant nations and ruined them, especially Great Britain. Papal Court Jews assisted in that destruction, men like Disraeli, but the majority of Jews honestly conducted their business and added to the prosperity of the nation. The same holds true here in America. Crime must be punished, whether a Jew or a Gentile be the felon. May justice be blind in the punishment of crime. This means we shall prosecute the Jews as well as the Roman Catholic and Masonic Gentiles in the porno industry, both Stern and Hefner.

I believe in a Biblical form of tolerance and so yes they could live in peace as long as the Jews did not become an enemy of the Christian culture at large.

I trust you mean a White Protestant Baptist-Calvinist culture as we once had in America.

If they wanted just to live in peace and not corrupt our culture, but to enjoy their own culture in peace, I would support them in their desire to live at peace with us.

Agreed and very good!

But when they gain great wealth and power and begin using that wealth and power to corrupt our culture and denigrate our Christ, then I say deport them.

I say prosecute them for the violation of anti-trust laws as we would prosecute any Gentile Protestant or Baptist. Of course you will not allow any Roman Catholics into this nation of ours, as they are the pawns of the Hierarchy in overthrowing our Protestant culture and political sovereignty---as they have already done. Roman Catholics, as opposed to Jews, have a political allegiance to a foreign sovereign; and the Papalized Court Jews controlled by Rome via the CFR have that same allegiance. Treason must be prosecuted and then punished with death.

ERIC YOU WROTE: "If you persist in your non-historical "Presbyterian Calvinist" anti-Jewish fury, I will be forced to call you a Jesuit Temporal coadjutor, as I have done with F. Tupper Saussy. This means that you secretly are advancing the policy of the Order here in the US."

BOB'S REPLY: Eric, I laughed out loud at this sentence of yours above. You are going to call me a what? A "Jesuit Temporal coadjutor?" That is hilarious. You lose all credibility when you start calling everyone under the sun a "Jesuit Temporal coadjutor."

Not hardly. I know the fruit of the Jesuit Order. I have studied that wicked militia for over twenty years. One of their telltale heresies is blaming the Jews in general for the economic, moral and cultural destruction of a nation. This was done in Germany and is being done here by Texe Marrs, Hal Turner, Louis Farrakhan and a host of other agitators who refuse to address the history and power of the Jesuits. You, Robert, are also doing the same. As I have called the above agitators "Jesuit Temporal Coadjutors" for their persistence in this heresy, so will I you if you continue. I am hoping and praying that you will recover yourself out of this snare of the devil and begin to attack the city that rules the kings of the earth (Rev.17:18). Rome is the head and wags her tail---the Masonic Court Jews.

Eric, your theology has lead you to be more protective of the wicked atheist Jews in America than you are of your brother in Christ, me, Bob Weinert.

Disagreed. I attack the sin of these Papalized Hebrews, many of whom are in the CFR, but I refuse to persecute them because of their race. I attack the Pope's Masonic Jewish Zionists, but defend the Jews in general in accordance with Genesis 12, regardless of their Talmudic religion, as they live non-violently among us. When the Jewish men receive Christ according to the gospel of the Reformation New Testament,

then they can vote and participate in the political process---even as must White Gentile men of the nation who profess faith in the Reformation Christ. There will be a religious test for Jews and White Gentiles to govern in my nation (of Whites, as I am seeking to preserve my race from annihilation) as I will not be governed by atheists, Moslems, Roman Catholics, Talmudists, Buddhists, Hindus, socialists, commuists or any other religious creed. If they break our Bible-based Common Law and statutes thereof, then they should be punished as even are the White Gentiles who do the same. This policy has brought blessing to historic White Protestant nations and will do so again.

That is sad Eric. You better think about it. Am I your brother Eric?

I hope so, but if you persist in this Jew-baiting rhetoric, then I must conclude that you are not a brother, not believing the Scripture and bringing the curse of God (Genesis 12:1-3) upon our nation---as did many of the Protestants of Germany---for attacking all Jews in general and not the Pope's Masonic Court Jews in particular.

I reject your theology of eschatology,

That is fine. One of my supporters hates futurism but has encouraged me and she would never attack the Jews in general. She is a true, Reformed Protestant. Attacking the Jews in general is my issue with you.

but I consider you a brother in Christ and it would be utterly ridiculous for me to call you a "Jesuit Temporal coadjutor" because you hold to a different theology than I on an issue that is non-essential to salvation.

Agreed in that eschatology is a non-essential to salvation. The Calvinists who won the Thirty Years' War against the Jesuits were amil.

If you persist in your devotion to the synagogue of satan I may begin to wonder if you are really a Satanist. That was a joke, just like it was a joke for you to label me a "Jesuit

Temporal coadjutor.”

To the contrary, I am not joking Robert. Consider this long reply my first admonition to you. If you persist in this anti-Jewish fury, I will give you a second admonition and then reject you as a heretic commanded by the Word of God (Titus 3:10-11). I will not stand by and remain silent as the Jesuit Order is beginning its frontal attack against the Jews of this nation. As was done in Germany, so it is being done today, the Black Pope using visible and noteworthy Protestants and Baptists to contribute to the coming American Jewish Holocaust. Please reconsider my brother.

You are Too Funny Eric Phelps,

Sincere Love in Christ,

Bob Weinert

Sincerely in Faith,

Brother Eric Jon Phelps

Subject: Reply: Jews or Jesuits

Dear Robert,

We have a few things in common. I am also 52, not a scholar, born again by the grace of God at the ignorant age of 17. I then began to read---seriously---for the first time.

Agreed. Although "anti-Catholic" literature is not anti-Catholic when merely reciting the miserable history of the "Mother of Harlots and Abominations of the Earth." Properly, it is the "History of the Papacy."

Disagreed. The status of Alberto Rivera as an ex-Jesuit has been confirmed to my satisfaction based upon my six-month investigation about three years ago. I spent several days with an ex-French priest (having come to Christ) who personally knew Alberto. Avro Manhattan was the one who helped Alberto retrieve his sister out of a convent in England. Avro was led to Christ by Ian Paisley, who also believes that Alberto was a former Jesuit.

Agreed. You will always see Jews in the frontlines of the Pope's designs. You see Masonic CFR-member Alan Greenspan as the former Chairman of the Pope's Federal Reserve Bank, storing a horde of Vatican gold in the New York vault. You see Lazar Kaganovitch as Stalin's open agent in the mass-murder of millions of Orthodox Christians; yet it was the Gentile Stalin who, according to his own mouth, was trained by Jesuits (posing as Orthodox priests) at Tiflis Seminary in Georgia from 1894 to 1899. At that time he was dismissed by an Orthodox Bishop---another Jesuit coadjutor---who survived all of Stalin's purges once Koba came into power. Yes. The Jews are the front men; the Jesuits are in the shadows controlling those Jews, many of whom are later murdered. Stalin and his NKGB murdered every Bolshivek Jew except Kaganovitch. Meanwhile Jesuit Coadjutors and NKGB monsters Poskrebyshev and Vlasik are never mentioned even by Solzhenitsyn in his GULAG!

Agreed. All of these Jews can be traced to their organizations such as the Masonic ADL, the Masonic American Jewish Congress, the Masonic B'nai B'rith, etc., all faithfully serving the Vatican agenda. Or these notorious Jews can be traced to the CFR, ruled by Archbishop Edward Cardinal Egan who brought down the WTC using his Knight of Malta and DCI, CFR-member George J. Tenet. Knight of St. Gregory and Fox media mogul Rupert Murdoch along with Masonic Jewish Zionist George Soros are both members of the CFR working together for the Jesuits of Fordham and Georgetown Universities. Even G. Gordon Liddy said the Jesuits of Fordham ruled the world "and they enjoyed it." The Bavarian Jesuits ruled the SS; the SS was the foundation of the CIA; the CIA trained the Mossad: select Masonic Jews are mere subordinates to the Gentile White Jesuits ruling the Papacy. As long as Jerusalem is under Gentile rule, the Jews, as a race and nation, are the tail of all nations. (Luke 21:24; Deut. 28)

As intended! But this is the mere form, not the substance. They serve the Pope and betray their own people every single day.

Before you arrive at this most devastating conclusion for the country as did the Germans prior to WWII, I encourage you to reevaluate the history of the Jesuit Order in its relation to the Jews. Read the Order's *Civiltà Cattolica* of the Nineteenth and early Twentieth Centuries; read *Mein Kampf*, written by the priest Bernard Stampfle; read the *Protocols of Zion* written by the Jesuits of France just prior to the Jesuit-incited Dreyfus Affair, as so stated by Irish ex-priest and born again believer in the true Christ of the Bible, and missionary to the Roman Catholics of New York City, Leo Lehmann in his *Behind the Dictators* written in 1942. Read ex-priest Joseph McCabe's works, especially the little pamphlet series titled, *The Black International*, which series 33rd Degree Mason and FBI Director J. Edgar Hoover---the personal friend of Bavarian Jesuit Coadjutor Heinrich Himmler---suppressed, declaring that it would "damage the war effort." Read the works of Edmund Paris and Avro Manhattan of the Twentieth Century. Read the works of Protestant Calvinist J. C. Wylie; his *History of Protestantism* covers a chapter on the power of the Order in about 1870. Therein he refers to the international "Jesuit world empire." Read even the works of Jesuit Temporal Coadjutors John Cornwall and Malachi Martin and see if the Jesuits are the secret power behind Hitler and the NWO rather than the Jews.

The choice between the life and death of this nation rests on who is to blame for the nation's plight: The Jews as a whole, or the Jesuits as a whole. The choice is that of Bismarck, who expelled the Jesuits in 1872, or Hitler who was their mere servant and altar boy as was Stalin, both of whom worked together killing the Jews, the Orthodox and the Lutherans of Eurasia.

I am a premillennial dispensationalist as was the early church. The apostle Paul along with Christ himself was a Torah futurist, as opposed to being a Jesuit futurist---one who removes the truth of the pope being the Antichrist. I do not quarrel with you in this, as ex-Jesuit Alberto Rivera also rejected all futurism as being a Jesuit ruse of war.

Am I Jew-lover? Do I detect some antagonism in your query? The answer is I love the Hebrew/Jewish/Israelitic people as a race in general, as they have yet to inherit the promises given to Abraham, Isaac and Jacob---the very promises Christ came to confirm (Romans 15:8) and will yet fulfill (Matt. 8:11). If I am a spiritual son of Abraham (Romans 4), why not? True, the Jews, apart from those who are of the saved "remnant according to the election of grace" (Rom. 11:5), are "concerning the gospel, . . . enemies for your sakes" (Rom. 11:28) yet please remember, as concerning their election under the unconditional Abrahamic covenant, they are "beloved for the fathers' sakes."

Did not the apostle Paul have a continual heaviness in his heart for his Jewish kinsmen according to the flesh (Romans 9:1-3) that the nation "might be saved" (Romans 10)?

To the contrary, Larkin, in his *The Greatest Dispensational Book in the World* spoke of the Jesuits creating a modern form of futurism in the late 1500s. It was not the Jews but the Jesuits who took a truth and twisted it for the benefit of the Counter Reformation.

Regarding Oxford University, the Jesuits have controlled that institution for at least one hundred years, at least since their formal re-entry back into Britain in 1902 thanks to King Edward VII. Yet, one of my AV1611 Bibles is printed by Oxford University Press.

No doubt the doctrines of the Jews as reflected in their Talmud, which doctrine is nearly a parallel to the Order's Canon Law, are doctrines of Satan and Antichrist. Christ said it himself. But so are the doctrines of the Buddhists, the Mormons, the Hindus, the JW's, the Pope's Wahhabi Moslems and especially the Pope's Jesuits, they being the font of every one of these violent, bloody, Jew-persecuting intolerant, anti-Christ cults.

I wish you well in your quest also.

Thanks for being specific in your theological designations. I do the same.

One last comment. If you are truly a Reformed Presbyterian Calvinist, you will hold the Pope to be Antichrist, as did the Westminster Confession of Faith of 1655; you will boldly attack the Jesuits as did a host of Presbyterian ministers, including Wylie; you will attack the notorious Pope-serving Jews as being "Papalized Hebrews;" and will seek the expulsion of the Jesuits from America as did the Kirk in England. Finally, if you are a true Calvinist, you will allow the Jews of our land to dwell here unmolested as did William of Orange I of the Netherlands and Oliver Cromwell who readmitted the Jews into England in 1655.

If you persist in your non-historical "Presbyterian Calvinist" anti-Jewish fury, I will be forced to call you a Jesuit Temporal coadjutor, as I have done with F. Tupper Saussy. This means that you secretly are advancing the policy of the Order here in the US. The Order has utilized this ruse of war in the past. One of them was the Lutheran Protestant ex-priest, George Lanz---the inspiration of Hitler and Himmler.

Please reconsider, my friend.

Sincerely in Faith,

Brother Eric

Dear Mr. Phelps, eric@vaticanassassins.org,

I am not a scholar. I am age 52. Born again age 28. That is when I started reading and growing intellectually.

As I studied I first read a lot of anti-Catholic literature such as Foxes Book of Martyrs (Which I believe is accurate historically) and stuff by Jack Chick (Which I believe has now been discredited, ie, Alberto).

But over time I became aware that there was one group that was always on the frontlines of evil. JEWS.

Every where I looked I saw JEWS publicly fighting against every thing good about America, fighting against Christ, turning our nation into a nation of whores and XXX porn and sodomites marching in the streets and abortion baby slaughtering and gun haters passing gun control laws and socialists centralizing government in Washington D. C.

I can see Jews. I can see what they are doing. They are doing it out in the open for the whole world to see.

But you want me to believe in this conspiracy headed by the Jesuits that I cannot see. It is hidden. It is done in secret. You say the Jesuits control the Jews. I don't believe it.

Mr. Phelps are you a dispensationalist Zionist Jew lover? I utterly detest premillennial dispensationalism. I think it was planted in the body of Christ by cunning Jews who financed C.I. Scofield and Jews who made sure that the Scofield Bible was printed by the prestigious Oxford University Press.

Mr. Phelps if my tone here is sounding antagonistic please do not take it like that. I am very fond of you and your work. I think that you have a lot of important and true things to teach all who will listen. I respect your work. I am grateful for your work and for the work of Tauper Saussy and men who expose Catholicism for the wicked cult that it is, IMHO.

But I think you are missing the truth about the Jews. They are a synagogue of satan. Jesus said so TWICE in the book of Revelation.

I wish you the very best in your pursuit of all truth,

Love in Christ from your Orthodox Presbyterian Postmillennial Reformed Calvinist Theonomist Reconstructionist friend,

Subject: Re: CATHOLIC CHURCH DESTROYING AMERICA BY IMMIGRATION

Dear Robert,

Excellent article!

But let us evaluate the machinations of the Vatican in using their Roman Catholic Mexican and Latin illegal aliens.

1. No doubt that the Order's Vatican American Hierarchy is behind this mass theft and murder of their Roman Catholic illegal aliens. But the Vatican is also backing the massive "immigration" and violence of Moslems, amassed in key cities loaded with Jews, for the last forty years. The Vatican created the anti-White, Black NOI which attacks the Jews and "WASPS" but never the Roman Catholics per se. The Pope has also backed the monstrous Oriental invasion since the end of WWII.

2. Meanwhile, for the last sixty years, the Jesuits have backed the anti-White Civil Rights projects, forcing amalgamation of the White race of North America, both Protestant and Catholic alike. Yes, the Vatican is racially destroying their own, blindly loyal, White Roman Catholic people! The Military Order of the Society of Jesus controls both sides of this agitation. But to what end?

I believe that end is the creation of a White, neo fascist military dictator, promoted by apostate Protestants and Roman Catholics, who will rid America of all these violent aliens---which Jesuit "extirpation" will include the Jews and Bible-believing Protestants and Baptists. These two "accursed" groups must be eliminated regardless of how many Moslems, Buddhists, White and Latino Roman Catholics and NOI Blacks must perish. The Reformation must be destroyed here in North America, ending the haven for the North American Jew and the historic White Protestant Calvinist, whose high and tolerant culture was founded upon the Reformation AV1611 Bible, the U.S. Constitution and Baptist-Calvinist Bill of Rights.

This is why the Roman Catholic Hal Turner is uniting Whites of all stripes under his banner of pro-neo Nazi, extreme nationalism---not Biblical nationalism. Most of what Turner says is absolutely true, but he blames the nation's Black savagery and Roman

Catholic Mexican invasion on the Pope's (truly anti-Jew) Masonic ADL Jews but never blames the Vatican or its Jesuits. He is a most effective Jesuit Temporal Coadjutor as is Michael Savage, Rush Limbaugh, Louis Farrakhan, Mexico's Vincente Fox, America's George W. Bush, Canada's Prime Minister Paul Martin and Britain's Tony Blair. They all play their instrumental parts in a wondrous symphony directed by the Jesuit General--- to the utter confusion of the naive pedestrian and the complete destruction of the now apostate Protestant, hedonistic Western Civilization of North America.

Again, the Roman Catholic illegal alien agitation (notice that the word of "immigration" is not used) is but one part of the Black Pope's frontal and flanking attacks against the last bastion of religious and political freedom in the world: Historic White Anglo-Saxon Calvinist America.

Sincerely in Faith,

Brother Eric

Dear Brother Eric,

You wrote: "**Both Buchanan and Masonic Abe Foxman of the ADL work together in promoting anti-Jewish fury here in the US.**"

Eric, these are frightening allegations in your letter below, if true. What do you offer as proof of your assertion that Abe Foxman is doing the Jesuits bidding "promoting anti-Jewish fury?"

You wrote: "**Masonic CFR-member Edgar M. Bronfman of the American and World Jewish Congresses is another Jesuit Temporal Coadjutor whose works totally benefit the Papacy.** "

Eric, these are frightening allegations in your letter below, if true. What do you offer as proof of your assertion that "Edgar M. Bronfman of the American and World Jewish Congresses is another Jesuit Temporal Coadjutor whose works totally benefit the Papacy?"

Dear Eric, at this point in history I am so angry with these American atheist Jews that I fear that I am in sympathy with at the least "removing all Jews out of North America ... by forced emigration back to Israel."

Pray for me please.

Prayer for everyone on my email list.

Dear Lord Jesus, Precious Lord Jesus, we love you and seek you with all our hearts and we plead with you, "Do not let us be deceived." Lead us in the paths of righteousness for Thy names sake. Almighty Father God we are lost without you. We are crying out to you to help us, guide us, protect us and save us so that we might do Thy will on earth as it is done in Heaven. Father we are like sheep without a shepherd when we stray from you our savior. We have no hope of ever finding a home in heaven without Thy saving grace. We are helpless Lord. We are powerless Lord. You alone have all power and beauty and wisdom and glory. We worship you Lord and one more time petition you to deliver us from evil, for thine is the Kingdom and the Power and the Glory, forever and ever. Amen."

Eric, I do not want to be deceived. I do not want to be a deceiver. I want to proclaim truth and nothing but the truth so help me God.

Love for you and all my friends on this email list,

Subject: Re: PERSONAL LETTER FROM BOB WEINERT - TO ISRAEL SHAMIR,

Dear Robert,

A most excellent piece in defense of true, biblical, laissez-faire capitalism (to the exclusion of cartel capitalism) and utter condemnation of Jesuit-Paraguayan Reductionist, socialist communism! As I show in VA, the Jesuit Order controls both cartel capitalism and Marxian socialist communism while destroying the Modern Era's private, free enterprise, Middle Class economic system based on the Protestant-Calvinist right of freedom of conscience and speech born out of the Protestant Reformation.

Your only error is in calling Israel Shamir a "beloved Brother in Christ." The Orthodox Church is completely Romish except in title. Its Greek Text is no longer the Lord's Byzantine Text, but the pro-Latin Vulgate, pro-Jesuit Council of Trent, Westcott and Hort Greek Text in its most "modern" edition. There is no salvation in the Orthodox Church---anywhere---based on its heretical position regarding the Word of God.

Further, Israel Shamir is one of the Pope's occult agents in fomenting anti-Jewish fury around the world so as to drive the Lord's beloved racially Hebrew/Jewish/Israelitic people back to Israel---governed by the Pope's Masonic Jewish Zionists---preparing for the Pope's last attempted annihilation of the sons of Jacob at "the time of Jacob's Trouble" (Jer.30:7).

This same Israel Shamir supports 33rd Degree Masonic Lyndon LaRouche and Georgetown Jesuit-trained, Knight of Malta, Jesuit Temporal Coadjutor Pat Buchanan in openly opposing "the Jewish lobby" in Washington. The reality is that both Buchanan and Masonic Abe Foxman of the ADL work together in promoting anti-Jewish fury here in the US. Masonic CFR-member Edgar M. Bronfman of the American and World Jewish Congresses is another Jesuit Temporal Coadjutor whose works totally benefit the Papacy. The Order controls both sides to the end of removing all Jews out of North America either by murder or by forced emigration back to Israel.

I trust this is helpful.

Sincerely in Faith,

Brother Eric

Subject: PERSONAL LETTER FROM BOB WEINERT - TO ISRAEL SHAMIR,

Israel Shamir, My Dear Brother in Christ,

Again I reiterate, when I see your email in my mail box I am very happy.

It is an honor to me to be able to talk to someone of your prominence.

I want to talk to you about the morality of government taking money from one person and giving it to another person.

First of all I think I understood you to be admitting that communism does not work when you wrote: **"It was not a good system for ambitious Jews, as even a very clever Jew did not earn (much) more than a qualified worker."**

I remember a man from the old USSR said this about communism: "They pretend to pay us and we pretend to work."

The reason communism does not work is that it does not harness the industry of men who are working hard and using all of their ingenuity to make as much money as they can to benefit their own wife and children.

In a society built upon individualism and free market competition, wealth creation is exponential.

In a communist society the sluggish bureaucracies stifle all creativity and wealth creation.

Let us agree that we both have the same goals. We both want the poor to be fed, housed and clothed. We want all people to have access to reasonable health care. We want all people to have access to superior education. We want all people to have the basic human rights to freedom, to own property, to accumulate wealth, to travel freely, to have the right of freedom of religion, freedom of association, freedom of speech, freedom to write, print and publish ones ideas and beliefs. Etc.

Do you agree that we both have the same goals?

We both want mankind to prosper and enjoy liberty and peace.

The difference is that you see a role for the civil government in providing health care, providing education and providing socialist welfare benefits to the poor and I do not think it is the role of the government to help the poor by giving them money or help or benefits.

The role of helping the poor belongs exclusively to the church and it is accomplished through the power of the tithe.

But you must always remember that the tithe is given voluntarily.

The tithe is given by individuals like me who love God and want to help their fellow man.

I am a tither. I give the church 10% of everything I earn to my local church, plus I give other monies to other Christian ministries that I love and want to support.

What about you Mr. Shamir, do you pay your 10% to the church or are you like most socialists?

I find that most socialists do not pay their tithe to the church. They are stingy with their own money but they want THE STATE to steal money from others by force at gun point like a robber and give it to the slothful and sinful in addition to helping those who are truly handicapped.

An example of this was when Al Gore was running for President he released his tax

forms to the public for examination.

In the entire previous year, this very wealthy man, who was socialist to the very core of his being, only gave \$300.00 away in charitable donations. He is sick and evil like most socialists who are extreme hypocrites in their personal giving.

Israel, when you give THE STATE the power to steal from one man to give to another man you will never help the poor, you will only tear down the rich. You will cripple the ability of a society to build wealth.

Israel, Jesus taught us in the 10 commandments "Thou Shalt not Covet." Yet Marxism and communism are built upon selling class warfare to the masses. Marxism teaches the masses that the reason they are poor is because of "those evil rich people who are exploiting you and not sharing the wealth."

Marxism is an evil, unbiblical and COVETOUS philosophy of stealing from those whom God has given 10 talents and giving the money of the wealthy to the poor who in many cases are poor because they are wicked or slothful.

Mr. Shamir, in the Bible Jesus plainly taught that some men are given 10 talents, some men are given 5 talents and some men are given 1 talent. Jesus called the man with 1 talent "wicked and slothful" because he buried his talent.

Israel, the Bible is free market capitalist from cover to cover. The teachings of Jesus are free market from Genesis to the book of Revelation. The book of Proverbs is filled with capitalist sentiment.

Mr. Shamir, please open your mind and understand that this thing called Socialism is evil. Marxism is evil.

Israel, I do not understand why so many Jews are Leftwing communist or socialist.

Israel, I do not covet what other men have. I am content with the little that God has given me. Godliness with contentment is great gain.

Also, I have lived long enough to see that some of my friends who have become millionaires and some of my other friends who did drugs and were drunkards and who are now poverty stricken.

My millionaire friends work hard every day and they have worked hard for 30 years.

Mr. Shamir, the system that you want to put in place, the socialism you adore would steal the money from my hard working productive friends and give it to my lazy and slothful friends who because of their sin deserve the poverty they are suffering. In fact it is the suffering of my sinful friends that has pulled them out of their addictions to drugs and alcohol. They saw that they were headed for self-destruction and they changed when like the Prodigal Son they found themselves eating with the pigs. Sometimes it takes hitting bottom for people to wake up and change their bad behaviors. But the socialist deprives the poor of truly hitting bottom and thereby allows them to continue in the drug and alcohol abuse for endless years.

Mr. Shamir, the pilgrims and the puritans who settled America in the 17th century thought that if you were "poor" it was because of sin, either laziness or some other sin. They expected that a man who is healthy should not be poor in a free market economy. He must learn a skill or a trade and then if he is not lazy he can make an excellent living in a free market economy. The sick or the handicapped will be taken care of by the church and their families in a free society.

Mr. Shamir, I love you as my brother in Christ and I hope that you will miraculously have your eyes opened to the fact that you and I both want the same goals but I believe that your way of getting to the goal is a proven failure and my way of getting there is a proven success.

Free market capitalism produces the most wealth and the most benefits for everyone in

a society.

Socialism and redistribution of wealth will always fail because it makes people dependent, socialism makes them weak and encourages them to give in to their vices rather than magnify their virtues through strain and effort.

But the worst aspect of socialism is that it is based upon theft by force. That Mr. Shamir can never be confused with Christian love. It is not Christian love to steal money by force from one man and give that man's money to a total stranger.

Mr. Shamir, you can believe me that when people go to a government office to beg a bureaucrat for help, that this does not at all resemble Christian charity. It is a power trip.

The bureaucrat loves power. The bureaucrat loves to spend other people's money. The bureaucrat loves to be able to say yes and no to whomever he chooses.

Mr Shamir, the bureaucracy is inefficient and wasteful. This is not a system based upon love Mr. Shamir. This thing called socialism is the greatest evil in the world and you have been tricked into thinking it can work or thinking that it is compatible with Christianity.

Furthermore, socialism will never work because the government bureaucracies just grow and grow and grow until the bureaucrats fat pay checks are consuming more money than is given away to "help the poor."

Socialism is not Christian and it never will be since it is based upon theft by force. Every nation that has adopted socialism is dying from declining birth rates and sluggish economies.

The Bible clearly teaches that the only role of THE STATE is to punish evil doers, to administer justice by executing the murder, the rapist and the kidnapper as the

altogether lovely Torah commands.

The Bible clearly teaches that the only role of THE STATE is to punish evil doers and for example it is a legitimate role of the state to force a thief to make restitution 3 fold for all he stole just as the perfect law found in the Bible commands.

Now another common mistake that some people make is to think that there is socialism in the Bible.

However, the socialism in the Bible is not socialism according to a modern understanding! WHY???

Because "IT WAS 100% VOLUNTARY!"

It was not done by THE STATE.

It was done by individuals who were obeying the Torah.

Mr. Shamir, you should by this point in your life realize that THE STATE IS OUR ENEMY.

It is THE STATE that drags our sons into wars that we do not want to fight.

It is THE STATE that steals our money and wastes it in the bureaucracies and never really helps any poor person to become self-reliant.

Mr. Shamir, I beg you, I humbly beg you to read the book I earlier recommended to you. Author: David Chilton, Title: "RICH CHRISTIANS IN AN AGE OF GUILT

MANIPULATORS.”

Please, I will buy this book for you if you will promise to read it carefully, studiously discussing it with me. I have told you I am not a rich man. This is a generous offer from me to you. Like the widows mite.

The Chilton book lays out the Biblical view of economics, free markets and private property. It explains the Biblical teaching that the role of THE STATE is to protect my life, liberty and property by punishing evil doers, not by redistributing income from one class to another.

Now the beauty of this Biblical system is that it makes all hands industrious and thus wealth creation in such a society just explodes exponentially.

In a short period of time the poor are almost all elevated to middle class simply by working at an entry level job.

This is happening right now on planet earth in nations around the world that have adopted the concepts of rugged individualism, limited government, free markets and respect for private property.

Israel, I have worked very hard writing this letter for you.

I pray that you will be touched by the spirit of God and this letter will impact your thinking on what the Bible teaches about helping the poor and how to do it Biblically.

I pray the love of Christ will fill your heart, Amen.

Sincerely yours,

Bob Weinert

Dear Friends,

Notice that the dishonorable Judge Edward J. Cashman was Jesuit-trained at Boston College in Massachusetts. He is also a Roman Catholic Knight of Columbus. These facts, the Irish Roman Catholic Bill O'Reilly will never report. This reprobate judge looks like an inquisitor.

Do you see how the Order is creating outrage as a policy so as to drive the Whites of this nation---both Protestants and Roman Catholics---into the New Republican fascist Right to culminate in a military fascist dictatorship!

On TV tonight BILL O'Reilly asked us to contact the Governor of Vermont and ask politely to have Judge Edward J. Cashman of Vermont removed from the bench for giving a 60 day sentence to a child molester.

BILL O'Reilly said that although the first impulse of a father who's daughter was

molested would be to go kill the judge and to kill the molester that Bill O'Reilly said we should resist this temptation because it would only make things worse."

BILL O'Reilly said we should not engage in vigilante justice against the Judge and that would include his family members.

There is a ton of info in this email - please forward this to everyone in America - HANG THIS JUDGE (figuratively)!

He Looks like a PERVERT - I wonder if he molested his own daughter? You can read about her below. Maybe that is why the judge gave such a light sentence to the Child Molester?

Dear Friends,

More collusion between Bush and the Saudis.

We must conclude that the Saudis are controlled by the Jesuit Order through the British and American branches of Pope Benedict XVI's Knights of Malta ruling the American CIA and Britain's MI6. This further links the Black Pope's International Intelligence Community with his Masonic Islamic International Terrorist Network. Bush, Bin Laden and Bandar all work together overseen by the Jesuit General's CIA, including Jesuit Temporal Coadjutor and secret CIA founder of the Department of Homeland Security, John C. Gannon.

Eric,

Back in 1992, I had the opportunity to bid on DuPont Corian counter tops for a contactor in Aspen CO by the name of Steve Hansen. Hansen was the contractor for a

55,000 SQ FT home in the STARWOOD area of Aspen, on 200 acres-just below Red Mountain and directly across the Roaring Fork River Valley from Sardy Field, the Aspen airport. The home was to be the Aspen residence of Prince Bandar. Starwood is the most exclusive area in Aspen and is home to many well known people. Bandar had paid the Aspen City Council \$500,000 to bypass the standard building codes so he could have a water treatment plant built on the property to handle the estimated 10,000 gal per day water usage (15 bathrooms and 4 kitchens) when the Prince was in residence with all of his entourage---if this treatment plant wasn't built then the home couldn't be built as it was required by code for such volume of water usage and the City Council was not approving the initial application for a permit, hence the pay-off. What is very interesting with the location of his home is the fact that it is built next to a home of George "Poppy" Bush---this is virtually unknown. At this time, Prince Bandar was the Saudi Ambassador to the U.S., the head of Saudi Intelligence, and the head of the Saudi Air Force---simultaneously.

Prior to the Prince locating to Aspen-a mini summit was held on Aug 2,1990 between Bush and Margaret Thatcher at the Aspen chalet of US Ambassador Henry Catto, a member of the British MI6-controlled Aspen Institute. At this meeting the final preparations were discussed to have the US enter into an agreement with the British to proceed with a military build-up after Saddam Hussein invaded Kuwait when the green light to do so was given to Saddam by the message from US Ambassador April Glaspie: this became known as Operation Desert Shield. Prince Bandar had full knowledge of what was to transpire from this meeting.

Tim White, Viet Nam Vet(USAF), Concerned Citizen

ps---the counters I bid on were for the servants quarters-the main home had imported \$200+ per SQ FOOT granite and marble installed and I was underbid besides.....

Both of these men are connected with Saudi Arabia's Prince Bandar named and pictured in Jesuit Coadjutor Michael Moore's Fahrenheit 911. With the Black Pope controlling Wahhabi Islam, the Saud Dynasty, Saudi Arabia and thus its massive oil production, I suspect that Bandar is also a Knight of Malta.

Any confirmation would be helpful.

Here are some excerpts from "The Ravages of the Jihad-Occupied Mind" by Alyssa A. Lappen.

"Michael Sabbah, the Latin Patriarch of Jerusalem, taught Islamology and Arab philology for decades. According to Shoebat, he hews to Islamic jihad dogma as well. The church doctrine of Jew-hatred rests on an Islamic foundation well-laid by Sabbah's predecessors, Bat Ye'or confirms. In the 1970s, the Greek Melkite Archbishop Hilarion Capucci was convicted of gun-running for the Palestine Liberation Organization and deported to Brazil. Shoebat, who joined the PLO in the 1970s, once started a major riot in Beit Sahour at Capucci's command."

"Jerusalem Patriarch Sabbah also promotes Islamic loathing of Jews in Palestinian churches. Following a theological map created in 1983 by the al-Liqa Catholic center and a CJPC pamphlet, 'Moslems and Christians on the Road Together,' Sabbah supports the Sabeel 'Ecumenical Liberation Theology Center,' whose very name suggests a Christian brand of jihad."

Well, this site was by Robert Howard. This HardTruth site is the best conspiracy I've found of all time in my opinion. Destruction of the World's Firstborn: Abortion's Hidden Agenda

by Robert Howard

If you are happy in your life and content with what you have been taught and you feel that you have a grasp of what's going on in the world, then leave now. For ignorance truly is bliss. The material you are about to read could change every aspect of your belief system to the core.

In my research regarding Freemasonry and its involvement in the founding of this great country known as The United States of America and its influence in politics, education and religion. I have stumbled across some very disturbing facts.

(1) Regardless of claims to the contrary Freemasonry is a religion. This religion stems from the ancient Egyptian pagan worship of false gods/goddess Isis, Osiris, Rah and etc.

see: YES VIRGINIA, FREEMASONRY IS A RELIGION FREEMASONRY EXPOSED
Freemasonry The worship of Lucifer, SATAN Part 1 of 5

(2) Regardless of claims to the contrary the lower rank and files of Freemasonry do not know that the top 5% or 10% higher degree Masons worship Lucifer. Now before I get hate mail I said the top percentage. If you do not worship Lucifer/Satan then I am not talking about you.

Albert Pike, the most famous of all freemasons and the founder of the 33rd degree in masonry, also the founder of the KKK and this should be a red flag in itself is quoted as saying the following: "To you, Sovereign Grand Instructors General, we say this, that you may repeat it to the Brethren of the 32nd, 31st and 30th degrees: 'the Masonic Religion should be, by all of us initiates of the high degrees, maintained in the purity of the LUCIFERIAN Doctrine. . ." Albert Pike addressing the 23 Supreme Councils of the world on July 14, 1889.

see: FREEMASONRY -- TWO ORGANIZATIONS, ONE VISIBLE, THE OTHER
INVISIBLE

(3) Regardless of claims to the contrary Freemasonry controls politics (democrat, republicans, etc), religion (wicca, mormons, Jehovah's witnesses, pagans, satanist, Billy Graham, etc), military, health field, the legal authorities, (supreme court, county courts, IRS, lawyers, judges, mayors, police, etc) all the media (Walt Disney, movies, tv, music industry, news papers, book publishers, encyclopedia britannica, and any form thereof that can sway public opinion) education, (museums, collages, public schools,

etc) science and technology (IBM, AT&T, NASA, microsoft, etc) Intelligence agencies (CIA, MI6, FBI, KGB, etc) and that freemasonry is ultimately controlled by the Vatican/pope which in reality is the Caesar of Rome/Maximus Pontif/false prophet for the anti-christ.

see: United States Presidents and the Masonic Power Structure

(4) Regardless of claims to the contrary Freemasonry has been used to bring about Zep Tepi/The First Time of Osiris/The Golden Age/A New Order of the Ages/Novus Ordo Seclorum/New World Order/Globalization. Its all the same goal. To bring about the rule of the Anti-Christ/Lucifer/Satan. New World Order

Begin excerpt:

"The Apocalypse is, to those who receive the nineteenth Degree, the Apotheosis of that Sublime Faith which aspires to God alone, and despises all the pomps and works of Lucifer." In other words, that mean old dirty God, the equal but opposite of Satan, despises all the pomps and works of Lucifer. On page 567, Pike says that, while Satan created this world, the soul of man emanated from God, thus setting up a very long conflict between God and Satan. Then, Pike launches into a defiant and glorious defense of Lucifer. "Lucifer, the Light-bearer! Strange and mysterious name to give to the Spirit of Darkness! Lucifer, the Son of the Morning! Is it he who bears the Light and with its splendors intolerable, blinds feeble, sensual or selfish souls? Doubt it not! for traditions are full of Divine Revelations and Inspirations: and Inspiration is not of one Age nor of one Creed. Plato and Philo also, were inspired." *Morals and Dogma*, p. 321.

<http://www.cuttingedge.org/free18.htm>

End excerpt.

The above excerpt was taken from an article from Cutting Edge Ministries. After reading the above statement I went on a search for the book to verify it. After one year of searching I found and bought the book *Morals and Dogma* and that is exactly what it says. I have never been or wanted to be a Mason, but I sought out the truth of the above statement. There is no excuse for you Masons who have not.

Begin excerpt:

"When the Mason learns that the key to the warrior on the block is the proper application of the dynamo of living power, he has learned the mystery of his Craft. The seething energies of Lucifer are in his hands and before he may step onward and upward, he must prove his ability to properly handle energy." Manly P. Hall, *The Lost Keys of Freemasonry*, p. 124.

End excerpt.

For more information on this Secret Society of the Freemasons see: Secret Societies

Matthew 4:8-9 (8: Again, the devil taketh him up into an exceeding high mountain, and sheweth him all the kingdoms of the world, and the glory of them; 9: And saith unto him, All these things will I give thee, if thou wilt fall down and worship me.) Christ did not dispute the fact that Satan owned the kingdoms of the world.

So what does all this have to do with the destruction of the worlds firstborn? First I have to show you who is truly in charge of this system of things. Their manipulation of everything you see, hear and read. The control of information that is laid out before us. The creation of a mindset. The creation of psychology is to kill God. The creation of Evolution was to kill God. The removal of prayer from schools is to kill God from our public education.

If you do not believe in God then you are lost and you are right where they want you. You will not understand or believe this article. If you believe in God but not Satan, then once again you are lost. If you believe in a God but not in Jesus then you are truly lost. You can not believe in one and not the others. Lucifer/Satan has done everything in his power to hide the truth from you. Even if you go to church, chances are you are being taught lies. Is your church tax exempt? One of the qualifications for a tax exempt church is you cannot teach that your children belong to God instead of the state. Which of course true Christians know better. Don't you? Is Your Church a Part of The New World Order? If you have put your faith in a man, teacher, pastor, church, government, pope, or organization to protect or teach you the truth other than Jesus himself, then you will be lied to.

"Our battle is not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in the heavenly places" (Ephesians 6:12).

The most famous battle over the firstborns is of course in Egypt. Remember this is Egypt and freemasonry is a continuation of these pagan beliefs. Pharaoh, the king of Egypt refused to adhere to Gods command and it cost him and Egypt their firstborns.

Begin excerpt:

In the deliverance of Israel from Egypt, the dedication of the first-born was again commanded. While the children of Israel were in bondage to the Egyptians, the Lord directed Moses to go to Pharaoh, king of Egypt, and say, "Thus saith the Lord, Israel is My son, even My first-born: and I say unto thee, Let My son go, that he may serve Me: and if thou refuse to let him go, behold, I will slay thy son, even thy first-born." Ex. 4:22, 23.

Moses delivered his message; but the proud king's answer was, "Who is the Lord, that I

should obey His voice to let Israel go? I know not the Lord, neither will I let Israel go." Ex. 5:2. The Lord worked for His people by signs and wonders, sending terrible judgments upon Pharaoh. At length the destroying angel was bidden to slay the first-born of man and beast among the Egyptians. That the Israelites might be spared, they were directed to place upon their doorposts the blood of a slain lamb. Every house was to be marked, that when the angel came on his mission of death, he might pass over the homes of the Israelites.

After sending this judgment upon Egypt, the Lord said to Moses, "Sanctify unto Me all the first-born, . . . both of man and of beast: it is Mine;" "for on the day that I smote all the first-born in the land of Egypt I hallowed unto Me all the first-born in Israel, both man and beast: Mine shall they be: I am the Lord." Ex. 13:2; Num. 3:13. After the tabernacle service was established, the Lord chose the tribe of Levi in the place of the first-born of all Israel to minister in the sanctuary. But the first-born were still to be regarded as the Lord's, and were to be bought back by a ransom.

Thus the law for the presentation of the first-born was made particularly significant. While it was a memorial of the Lord's wonderful deliverance of the children of Israel, it prefigured a greater deliverance, to be wrought out by the only-begotten Son of God. As the blood sprinkled on the doorposts had saved the first-born of Israel, so the blood of Christ has power to save the world. <http://www.egwestate.andrews.edu/da/da5.html>

This battle did not end here I assure you. It is still happening to this very day. This is what abortion is all about. The destruction of the first born with population control jumping on the bandwagon so to speak. The Population Control Agenda The Population Control Agenda. The Timeline

Begin excerpt:

God had warned Israel not to intermingle with the Canaanite tribes worshippers of Baal, Asherah, Molech and Ashteroth because they were practitioners of child sacrifice. The ancient Israelites were first enticed into sexual promiscuity through the worship of Baal and Asherah, the sun god and fertility goddess. The children of this generation grew up in a world in which pagan sex rituals were deemed "normal." Soon Israel was lured into worshipping Molech and Ashteroth, supposedly the same deities; but darker and more sinister, demanding human sacrifice. And like the ancient Israelites, 20th century Americans were first enticed by the sexual revolution of the 1960s; and just a few years later, at the time of Roe v. Wade in 1973, we codified abortion as a "fundamental right" and have since killed over one million unborn children each year. Whenever pagan sexual immorality is accepted, abortion and child sacrifice becomes a necessity in covering up the fruit of sin. [massacre_of_innocence.htm](#)

History repeats itself. Always has and always will. Lucifer/Satan knows this and so do his followers. If you think some of our nations top leaders are not in the occult then you're head is in the sand.

Did you know Bill Clinton's chief campaign advisor James Carville was pictured (in People's Magazine. p.50) wearing a pentagram in the middle of his forehead. Did you know Hillary Clinton, channels the spirits of the dead, and members of the House of Representatives warned Congress of "increasing evidence of a government-sponsored religion in America. They want to make Hillary the first woman president. Hillary Clinton Plans For The Presidency: Know The Real Hillary Clinton! The Story the Media Won't Report Did you know David Spangler, Director of Planetary Initiative, United Nations is quoted as saying the following "No one will enter the New World Order unless he or she will make a pledge to worship Lucifer. No one will enter the New Age unless he will take a LUCIFERIAN Initiation."

These folks are serious people and I've only mentioned a few here, but there are thousands more and they will do whatever it takes to come out on top. Folks globalization is the New World Order and it is already here. This is the reign of the Anti-Christ foretold in Revelations. The only reason he hasn't reveled himself yet is because of those of us still here that will know him for what he is. Buckle your seat belts because its going to be a rough ride for some of you.

Lets look at some of the positive psychological traits of the first born. These examples are from books and various web articles.

Careers: Business, Research, Counseling, Promotion, Speaking

Strengths: Goal-setting, Compromise, Leadership

Parenting: Directs children towards goals

Social Contributions: Discoveries, Information, Dreams

Begin excerpt:

Frank Sulloway, author of the book BORN TO REBEL: Birth Order, Family Dynamics and Creative Lives and a scholar of birth order studies for over two decades, believes that birth order is one of the most powerful influences in the way that individuals react to the world. Sulloway contends that birth order fosters distinctive personality traits across families of different economic, social and ethic backgrounds. Beyond providing common themes between families, Sulloway suggests that birth order is also a good indicator to how a person accepts or rebels against the standards of society. Ambitious, tough-minded and socially dominant, firstborns tend to be the defenders of the status quo. While parents of the first newborn are usually responsible and diligent, they are also tentative, anxious and inconsistent—and to make up for this they may be demanding,

strict, and overprotective. It has been shown that first borns talk and walk before children who are born later. As first borns grow up, these precocious abilities remain: they are the ones who go on to succeed in the world. They get higher grades in school and have higher leadership and achievement traits. They are conscientious, organized, dependable, accommodating, and persistent. While some first borns have a strong need for approval, so that they grow up pleasing people and taking care of others (often being taken advantage of in the process), other first borns are high achievers, hard driven and ruthless. One common characteristic of many first borns is that they tend to be perfectionists. They strive for unrealistic goals, don't deal well with criticism, are devastated by failure, are frequently pessimistic, and take on so many responsibilities that things can go out of control. Asked if he's being hard on firstborns, Sulloway responds, "They're more successful in conventional aspects of life; in fact, they're more likely to be U.S. presidents." <http://members.eisa.net.au/~santeri/fbolb.html>

Are we allowing abortion to destroy our future leaders? The Highest achievers? The Highest IQ's? Future U.S. Presidents?

There is evidence that human life begins at conception. The fertilization of the egg. Not after six to eight weeks of development as pro-abortionists would like us to believe. Psychologist would also like us to believe that these traits of the first borns are developed by a series of circumstances determined by the surroundings of the environment while being raised with other siblings. This is a bold face lie. One or two of these traits perhaps, but not all of them. The best way to defend these statements is to look at research done by the U.S. Government in the 50's. Most of you if not all of you will have trouble believing the following information. I for one believe it and I have my reasons for believing it that I will not go into here. In producing this information I hope I don't lose any of my readers. Please stay with me. First a little background information that leads to the defense of the above statements.

Ecclesiastes 7:29 "Lo, this only have I found, that God hath made man upright; but they have sought out MANY INVENTIONS."

In 1943 the U.S. Government in an attempt to produce a naval vessel named the USS Eldridge at the Philadelphia Navy Yard, invisible to radar accidentally removed it from the space time continuum. This was done by creating an "electromagnetic bottle" which

actually diverted radar waves around the ship. The objective was to make the ship undetectable by radar. What happened was that the ship became invisible to the naked eye and reappeared in Norfolk Virginia, hundreds of miles away. This project became known as the Philadelphia Experiment/Rainbow Project. Yes they even made a movie about it. The best way to hide a secret is out in the open. It is what happened to the crew aboard this ship, during this experiment and how they came to the conclusion of getting around this side affect it has on people that is of interest to me as far as this article is concerned.

Begin excerpt:

While the USS Eldridge "moved" from the Philadelphia Navy Yard to Norfolk and back again, the crew found themselves in complete disorientation. They had left the physical universe and had no familiar surroundings to relate to. Upon their return to the Philadelphia Navy Yard, some were planted into the bulkheads of the ship itself. Those who survived were in a mental state of disorientation and absolute horror. The crew were subsequently discharged as "mentally unfit" after having spent considerable time in rehabilitation. The status of "mentally unfit" made it very convenient for their stories to be discredited. This put the Rainbow Project at a standstill. Although a major breakthrough had occurred, there was no certainty that human beings could survive further experimentation. It was too risky. Dr. John von Neumann, who headed the project, was now summoned to work on the Manhattan Project. Although it is not well known, vast research that began with the Rainbow Project was resumed in the late 1940's. It continued on, culminating with a hole being ripped through space-time at Montauk in 1983. (The Montauk Project. Experiments in time. Preston B. Nichols. pg 14.)

End excerpt.

So how did Dr. John von Neumann get around the human factor in his experiments? On page 50 of The Montauk Project. Experiments in time, Preston B. Nichols explains:

"Dr von Neumann had what could be described as a "good technical feel". He had the ability to apply advanced theories to technology. His background in math gave him enough theory to communicate with Einstein, and he could in turn pass this on to engineers and serve as a bridge between the two. As von Neumann began work on the Phoenix Project, he quickly learned that he was going to have to study metaphysics. He had to understand the metaphysical side of man. The Rainbow technology had dissolved the physical and biological structure of human beings. People were stuck in bulkheads and changed beyond recognition in some cases. But it was the esoteric workings of the mind that had been affected first, in each case. Von Neumann and his team spent about ten years working out why human beings had troubles with electromagnetic fields that shifted them through different places and times (aka time travel). They actually found out that humans are born with what is known as a "time

reference" point. At conception, an energy being is attached to a time line and we all start from that point. To understand this, it is necessary to view the "energy being" or soul as distinct from the physical body of the person concerned. (This blows the Jehovah's Witnesses doctrine of man not having a soul and anyone else that believes man is nothing more than a physical being right out of the water. Einstein and Neumann both proved man was much more than a physical being.) Our whole reference as a physical and metaphysical being stems from that time reference which actually resides within the electromagnetic background of our planet. This time reference is the basic orientation point you have to the universe and the way it operates.

There you have it. Einstein and Neumann the greatest minds of the century, proved that at time of conception we are locked into the universe and the way it operates as God has created it. So you can see from this it isn't only our environment that determines our psychological make up, but also our time lock reference to the universe. So there are no second born first borns. This should be common sense. For those of you still having a problem believing the above projects took place or that it is even possible for man to phase in and out of a space time continuum or time travel I would ask you to consider the following. In believing in the Bible, God and Jesus and having the ability to read between the lines, one can accumulate a vast knowledge that lies hidden from most who just skim the surface. One such example is some fifteen years ago while discussing with my daughter why she has a belly button it suddenly occurred to me that since God created Adam and Eve and that they were not born of the flesh they would not have had belly buttons. So you see how something right there in the open can also be hidden.

Now take for example time travel. One only needs to be versed in the story of John while he was imprisoned on the Island of Patmos, when God took him in the Spirit to heaven and showed him the events to take place, which has become known in the Bible as Revelations. Revelations 4: 1: After this I looked, and behold a door was opened in heaven: and the first voice which I heard was as it were of a trumpet talking with me; which said, Come up hither, and I will shew thee things which must be hereafter. 2: And immediately I was in the spirit: and behold, a throne was set in heaven, and one sat on the throne. Even as a teenager I realized the implications of these two verses. Let me explain:

(1) John was taken in the spirit which indicates his fleshly time locked reference body remained behind. (2) As his spirit left the past, his spirit proceeded forward passing my time locked reference in the here and now, even as I type this sentence. (3) Proceeding even further forward to view future events of man in their future time locked reference. What all of this means is that the past, present and future exist and exist at the same time. It also suggests, that God exist in all time references at the same time and in his dealings with us on an individual basis, is done so in our time locked reference. Hence God knows of all future events. So ignoring warnings from God about the future of man as foretold in Revelations is suicide.

I hallowed unto Me all the first-born in Israel, both man and beast: Mine shall they be: I am the Lord." Ex. 13:2

Abortion must be stopped and exposed for what it is. The destruction of Gods first fruit/ firstborns along with the other innocents aborted. Not to mention a form of population control. So in closing I will say this. If you do not speak up against abortion you are guilty of murder. If you are pro choice you are guilty of murder. If you sit on a bench and prosecute those who speak out against it, then you are guilty of murder. If you perform the abortion, you are guilty of murder. Abortion has a far more sinister agenda than you can imagine.

Update: For those of you who still maintains that no such agenda exists should read the following article by Joseph Farah. Big Brother is Here: The Oregon Senate has approved a plan to screen first-born children for medical and social problems, and the House is expected to follow suit.

Begin Excerpt:

During the three years I was with Cox, he ritually impregnated and aborted me six times, consuming several of his own offspring and preserving the others shaped in ceramic for sale in his interstate occult body parts business. Cox's M. O. for murdering always included removing the hands with a machete, as the "Hands of Glory" he kiln-dried in the ceramic shop of his and his mothers house which were in demand and thus distributed throughout the occult underground supply network. Cox's protected cocaine and body parts distribution routes included Texas, Arkansas, Mississippi, Tennessee, and Florida. (Trance Formation of America by Cathy O'Brien, pg. 103.)

Title: Henry Makow is a Temporal Co-Adjutor

Mark Brewer - January 10, 2006 12:17 AM (GMT)

Makow, like Hutton Gibson and Alex Jones, claims that the Vatican was originally good and after supposedly being infiltrated by the near mythical Illuminati it has become bad.

"Predictably, his first act was to begin to remove the element of Divine Revelation from Catholic teaching, and to embrace naturalism, materialism and Communism. These steps were taken at the Ecumenical Council in 1962 and Vatican Two in 1965." - Henry Makow <http://www.savethemales.ca/000338.html>

"I have found that the discipline of raja yoga (i.e. meditation) and/or prayer can help." - Henry Makow <http://www.savethemales.ca/000465.html>

So this practitioner of Raja Yoga is telling us that Catholic teaching has, "The element of Divine Revelation". Aleister Crowley also practiced Raja Yoga and openly praised the Jesuits.

CRAIG-OXLEY - January 10, 2006 12:29 AM (GMT)

The Vatican has always been a sh** and will always be but their masters THE JESUITS take it to a different league in evilness unparalleled anywhere else. Makow like all Temporal Coadjutors does a good job informing of the New World Order for the awakening sheep but he will never give you the final clues to the real controllers of this world. Again Makow likes to blame the International Bankers who are mere puppets for the Jesuits being their Bankers and Agents.

Makow actually asked Eric Phelps for info once but seemed to just forget it so easily.....

Mark Brewer - January 10, 2006 01:21 AM (GMT)

Barry Chamish expressed his disgust at being compared to Makow in an article in 2004. I knew that Makow was a fraud when I first heard of him, so I figured that it was time to expose him. Here are some excerpts from Chamish's article "From Hungary to Gaza".

"I am too often compared to a widely-published Jewish internet writer named Henry Makow. The parallels are pretty uncanny. At the same time but independently, we both uncovered the hidden order ruling the life of the planet, and we both discovered that the Holocaust and Israel's founding were manipulations by the same forces.

And, as Jews, these discoveries shook us both to our cores. The difference is that Makow has drawn all the wrong conclusions from our discoveries. He has joined the ranks of the pro-Arab anti-semites who exploit the information to slander Israel. The difference between him and me is I live in Israel and know what's going on intimately, while he lives in the boondocks of Canada and has to rely on mistaken second-hand research."

"And now back to Makow's core error, parroted by vicious anti-semites worldwide. The main thrust is that evil Sharon and wicked Bush have guided America and her allies into quagmires in Iraq and Afghanistan. Not many Hungarian Jews survived the Holocaust, and the ones who did were enormously lucky or had friends in the Jewish Agency."

"And that is where the Makow world is upside down. The leaders of the Israeli Left, the 'peacemakers' are the self-same murderers who let a Holocaust go on to get their way and then covered it up for all time. And now the very same gang is murdering a new generation of Jews, many who wear kippas or others who live on the land of their forefathers. If real peace ever comes to Israel, it will have to be achieved by negotiating directly with them. They're the only moral game in town."

TruthSeeker24 - January 10, 2006 02:27 PM (GMT)

Guys, Recently Makow supported Christmass and talked about this distraction called "the war on Christmass." When a writer wrote to him that Christmas is paganism, he still supported it. Christmass refers to the unbiblical pagan Babylonian/Egyptian heathen mass obviously. Christ never called us to celebrate his brith and the vast majority of CHristmass existed from pagan religions. Even Jeremiah wrote that don't cut down tree to declorate them as the heathens do. I respect Makow, but he obessess with the International Bankers, when the Secret Society network are more powerful than the Bankers. As for me, I have some compassion on people, so I don't believe that Makow

is a skill, but badly mistaken about many issues.

Here's the words:

Leo said (January 02, 2006):

Enjoyed reading your article and think that you are probably right on all points that there is a conspiracy to eradicate Christmas from our culture. But there is a fundamental problem with defending the custom...it's origin has nothing whatsoever to do with the birth of Christ. Surely you must know that Christmas celebration has it's origin in pagan roots (as is Easter) and is never mentioned in the Bible, as a event that Christians should celebrate. Are we being hoodwinked into defending something which is fundamentally false from the very beginning?

Leo,

Christmas is a celebration of the birth of Christ. Nothing else matters. Henry

Jim Nicholson was the head of the Republican National Committee when Bush first ran for president in 2000. In the words of senator Sam Brownback, "The 2000 Republican Platform called for the full implementation of the Iraq Liberation Act and support for the Iraqi opposition. I, along with many of my colleagues, have long supported that policy and hope the Administration will work to advance it."

<http://brownback.senate.gov/pressapp/record.cfm?id=175600&>

The Iraq Liberation Act was signed into law by the Jesuit trained Bill Clinton on October 31, 1998.

<http://www.library.cornell.edu/coldev/mideast/libera.htm>

We all know how the Vatican publicly condemned the Iraq war, but Jim Nicholson was knighted by the pope in October of 2003! One of the key players in creating the Iraq war was knighted by the pope. This is a perfect example of the Vatican being on both sides of a problem.

"Prior to his nomination, Mr. Nicholson served as U.S. Ambassador to the Holy See, a position he held since 2001, where he became a well-known advocate in Rome for the elevation of human dignity, giving special emphasis to human trafficking, religious freedom, starvation and bio-tech food, HIV/AIDS, and international terrorism. He was knighted by Pope John Paul II in October 2003 for this work representing the U.S. to the Vatican."

Another link connecting Islam and the Vatican.

"To the left of the Chapel of the Presentation our eyes can admire the monument to the successor of Pius X, Pope Benedict XV (1914-1922) who led the church the difficult years of World War I which he defined as 'useless slaughter'.

This pope expended most of his energy and strength in trying to convince the heads of state and governments to put down their arms and meet at a negotiating table to resolve Europe's problems peacefully. He organized charitable institutions to help refugees, deportees, prisoners, the wounded and the persecuted without regard for their political or religious beliefs. Wherever his charity could reach, pain and suffering were diminished. Upon his death, the Turkish Muslims, grateful for his charity and good works, built a monument to him in Istanbul.

In the monument here in St. Peter's, he is portrayed in prayer, kneeling above a tomb that is supposed to symbolize the graves scattered throughout Europe to commemorate the soldiers who fell in battle and the innocent victims of the war. The tomb is delicately decorated with olive branches, symbols of peace. Above the statue is the Virgin Mary, presenting the Infant Jesus, 'Prince of Peace' to a world in flames. It was Pope Benedict XV who added the words 'Queen of Peace, pray for us' to the Litanies of Loreto. The monument by Pietro Canonica (1869-1959) a renowned sculptor, was unveiled in 1928."

David, I caught the tail end of the repartee to which you are referring. Unfortunately, I didn't hear most of the question, just near the end with a mention of the Catholic Church. Then Alex the Jesuit temporal co-adjutor went into his psycho babble about "you can't blame one group or one religion, etc." This is the essence of his work for the Order: he is permitted and prompted to expose all the various third parties (the means of world domination by "the globalists") but he is not permitted and will never tell who pulls the strings of all these puppets.

Did you catch when he ranted about the Rothschilds and went on about their 3 billion? Blah, blah, blah. Remember later that Buford here predicts that when he is told to, Jones will start putting the bead on the Jews (with "new information he discovered") with a little help from his friends (like his confessor, Texe Marrs). Thanks for the

corroboration and documentation on this encounter. And Happy Jesuit New Year!

Nelson...Two days ago, AJ did the perfect tap-dance to avoid the question of the Jesuits from a caller from Michigan [Walt]. He got nervous and then tried to put words in the callers mouth; 'Oh you are saying Henry VIII was a good guy'. The caller had not mentioned Henry, or any English kings, history.

So, my point; Calmly announce that you and I, and etc, are awarding Alex the Perfected Achievement Wordgame[PAW] to dodge the question of the Jesuit influence over the entire world, from Rome to Serbia, and on to Japan.

Walt was clearly trying to suggest some Jesuit complicity in the present control of Serbia. Alex said; 'I don't know what you are talking about', and went on ranting about Jewish-Zionists, Order of the Garter, Protestants, Skull n Bones, masonry.. but never once mentioned the Jesuit word.

This was Tuesdays broadcast on 9985, and 3215 later at night.

CRAIG-OXLEY - January 5, 2006 02:17 PM (GMT)

Excellent article! http://www.michnews.com/artman/publish/printer_9118.shtml

But let us evaluate the machinations of the Vatican in using their Roman Catholic Mexican and Latin illegal aliens.

1. No doubt that the Order's Vatican American Hierarchy is behind this mass theft and murder of their Roman Catholic illegal aliens. But the Vatican is also backing the massive "immigration" and violence of Moslems, amassed in key cities loaded with Jews, for the last forty years. The Vatican created the anti-White, Black NOI which attacks the Jews and "WASPS" but never the Roman Catholics per se. The Pope has also backed the monstrous Oriental invasion since the end of WWII.

2. Meanwhile, for the last sixty years, the Jesuits have backed the anti-White Civil Rights projects, forcing amalgamation of the White race of North America, both Protestant and Catholic alike. Yes, the Vatican is racially destroying their own, blindly loyal, White Roman Catholic people! The Military Order of the Society of Jesus controls both sides of this agitation. But to what end?

I believe that end is the creation of a White, neo fascist military dictator, promoted by apostate Protestants and Roman Catholics, who will rid America of all these violent aliens---which Jesuit "extirpation" will include the Jews and Bible-believing Protestants and Baptists. These two "accursed" groups must be eliminated regardless of how many Moslems, Buddhists, White and Latino Roman Catholics and NOI Blacks must perish. The Reformation must be destroyed here in North America, ending the haven for the North American Jew

and the historic White Protestant Calvinist, whose high and tolerant culture was founded upon the Reformation AV1611 Bible, the U.S. Constitution and Baptist-Calvinist Bill of Rights.

This is why the Roman Catholic Hal Turner is uniting Whites of all stripes under his banner of pro-neo Nazi, extreme nationalism---not Biblical nationalism. Most of what Turner says is absolutely true, but he blames the nation's Black savagery and Roman Catholic Mexican invasion on the Pope's (truly anti-Jew) Masonic ADL Jews but never blames the Vatican or its Jesuits. He is a most effective Jesuit Temporal Coadjutor as is Michael Savage, Rush Limbaugh, Louis Farrakhan, Mexico's Vicente Fox, America's George W. Bush, Canada's Prime Minister Paul Martin and Britain's Tony Blair. They all play their instrumental parts in a wondrous symphony directed by the Jesuit General---to the utter confusion of the naive pedestrian and the complete destruction of the now apostate Protestant, hedonistic Western Civilization of North America.

Again, the Roman Catholic illegal alien agitation (notice that the word of "immigration" is not used) is but one part of the Black Pope's frontal and flanking attacks against the last bastion of religious and political freedom in the world: Historic White Anglo-Saxon Calvinist America.

Sincerely in Faith,

Brother Eric

My husband had that pegged sometime ago when we were discussing illegal aliens, particularly the ones from Mexico (a good majority of them). He pointed out that Mexico is a Catholic country and he figured the pope was sending them all over here. Made sense to me.

Our cable company changed the line-up recently, and I noticed that EWTN (the Catholic network, or as we call it, the Blasphemy Channel) is on Channel 18.

If you listen to ex-witches such as Bill Schnoebelen or David Meyer, you know that 18 is 3 X 6. 666.

Just found it interesting.

CRAIG-OXLEY - January 9, 2006 01:38 AM (GMT)

Good spotting and remember $18 = 2 \times 9$ and $18 = 1 + 8 = 9$ (999) reverse this and its 666.

While we're on the subject heres Bush at the Economic Club of Chicago.

I wonder if hes been ordered to meet with the Archbishop of Chicago another truly most powerful man of America who is the true leader of the Nation of Islam etc.

Alexandra - January 9, 2006 02:53 AM (GMT)

I saw that, and the caption had something to do with Hook 'em Horns.

If you mean the devil's horns, sure. I seriously doubt it REALLY has anything to do with the Texas Longhorns. Unless Putin, Arafat, et al were Longhorns fans too....

EWTN used to be on 49 if I remember right, and $4+9=13$. :P I've actually watched it out of curiosity, and I tell you what when they sing the same lyrics at mass over and over and OVER again it gets a little hypnotic.

That's where I changed the channel.

*Note: My husband wants cable. I can take it or leave it. If I watch anything, it's the public access channel for the actual temperature out so I know how to dress my son, and the Weather Channel. Maybe a few court shows here and there.

CRAIG-OXLEY - January 9, 2006 03:02 AM (GMT)

You know what annoys me with these Christian cable channels? When they claim that its fine and holy to speak in fork tongues like a gibberish idiot! This is the work of the devil and Texe "Temporal" Marris did expose this as one of his devious, deceitful truths to help against his misleading temporal twists :D

Alexandra - January 9, 2006 03:08 AM (GMT)

Oh please, I do NOT watch TBN (The Blasphemy Network) or any other "Christian" channels! :lol:

Rolling around like an idiot isn't in the Bible.

Oh that reminds me--I have to tell this about my dad and the holy rollers.

At any rate, my dad was living in Detroit in the 60s, and one time he was drunk and wandering around. He saw these people having a good time and thought they were having a party. He told this one woman her kid looked like a monkey!

Turns out they were holy rollers and when they realized he was drunk they threw him out!

He also told me that he used to sit in a fire escape in Detroit and watch Prophet Jones. One time Prophet Jones wheeled in his dead mother and said that if the people paid him enough, his mother would come back to life. Dad said he watched it for the entertainment value. :rolleyes:

Bad thing, though, is that that kind of nonsense is what helped turn Dad away from the Bible. <_<

Mark Brewer - January 9, 2006 03:54 AM (GMT)

Get cable TV. That way you can monitor their propoganda better.

Alexandra - January 9, 2006 04:32 AM (GMT)

We do have cable. I just get disgusted if I watch Communist News Network or Faux News.

mike^_^ - January 9, 2006 05:06 AM (GMT)

personally my favorite are the late-night infomercials.

they will spew some bible verses, talk in a soft voice and smile, then try to sell you holy water (I'm not kidding.) , or a "prayer" cloth (idol worship). or my favorite is "Prophet Daniel" who, when you call his toll free 1800 number, will give you your own personal prophecy!

Also some douche (I forget his name) was telling me that if I call his ministries toll free 1800 number, and sow a 10,000\$ (seriously!) seed of faith, god will bless me

can we start suing these people?

smashstuff - January 9, 2006 06:35 AM (GMT)

TBN is hilarious! What I don't get is why most people don't see how phony the whole thing is. Look at their logo for a start!

Can you say, Illuminati/British Royal Family?

Alexandra - January 9, 2006 02:25 PM (GMT)

TBN is just religious show business IMO. I checked it out once and was like, yeah right!

Title: Man Who Shot The Pope in 1981 to be Freed

ArchAngel - January 9, 2006 05:46 AM (GMT)

[user posted image](#)

ANKARA, Turkey (AP) -- The Turkish man who shot Pope John Paul II in 1981 will be released on parole on Thursday, his lawyer told The Associated Press on Sunday.

A Turkish court on Thursday decided to free Mehmet Ali Agca "on parole on January 12," his lawyer, Mustafa Demirbag said by telephone.

"We were hiding the decision, but it is not a secret anymore," Demirbag said.

Earlier, the semiofficial Anatolia news agency said a Turkish court has approved the release of Agca, 47, who was extradited to Turkey in 2000 after serving almost 20 years in prison in Italy for shooting and wounding the pope in St. Peter's Square in Rome.

John Paul II met with Agca in Italy's Rebibbia prison in 1983 and forgave him for the shooting.

Vatican spokesman Joaquin Navarro-Valls said the Vatican would defer to the judgment of the Turkish tribunal.

"The Holy See has learned only from news agencies of the news of the possible freedom of Ali Agca," he said in a brief statement. "The Holy See, before a problem of a judicial nature, submits to the decisions of the tribunals involved in this matter."

The Turkish court said Agca has completed his sentence for unrelated crimes he committed in Turkey.

His family and another lawyer said they were not aware of the court decision. But it was not clear if they were hiding the court decision, too.

"I'm surprised," another lawyer Dogan Yildirim said by telephone earlier. "If it's true, justice will finally be served. He has been in prison for so long."

Agca's sister, Fatma Agca, said: "We did not hear it." She was speaking to the AP from the family home in the southeastern city of Malatya.

Agca, a draft-dodger, was expected to be immediately enlisted by the military for obligatory military service when he is released, Anatolia said.

Turkish paramilitary police are expected to take Agca first to a local military station and then to a military hospital in Istanbul for medical checks, a routine procedure.

Upon his return to Turkey, Agca was sent to prison to serve a 10-year sentence for murdering Turkish journalist Abdi Ipekci in 1979. He was separately sentenced to seven years and four months for two robberies in Turkey the same year.

An Istanbul court ruled in 2004 that Agca should only serve the longest sentence -- his conviction for killing Ipekci.

In 2004, Yildirim had pressed for Agca's early release in court, calculating that he could be released as early as December 2005 under new laws. But the court had not responded to him then.

Agca served less than six months in a Turkish prison in 1979 for killing Ipekci before he escaped, resurfacing in 1981 in Rome.

Because of the time he had served in the past, the Turkish prison asked for permission from a court to release Agca. The court ruled that Agca could now be freed within the next week, Anatolia said.

Agca reportedly sympathized with the Gray Wolves, a far right-wing militant group that fought street battles against leftists in the 1970s.

He initially confessed to killing Ipekci, one of the country's most prominent left-wing newspaper columnists, but later retracted his statements.

Title: PERSONAL LETTER FROM BOB WEINERT - TO ISRAEL SHAMI
Description: + *ERIC JON PHELPS COMMENTS*

CRAIG-OXLEY - January 5, 2006 02:25 PM (GMT)

Dear xxxxxx,

A most excellent piece in defense of true, biblical, laissez-faire capitalism (to the exclusion of cartel capitalism) and utter condemnation of Jesuit-Paraguayan Reductionist, socialist communism! As I show in VA, the Jesuit Order controls both cartel capitalism and Marxian socialist communism while destroying the Modern Era's private, free enterprise, Middle Class economic system based on the Protestant-Calvinist right of freedom of conscience and speech born out of the Protestant Reformation.

Your only error is in calling Israel Shamir a "beloved Brother in Christ." The Orthodox Church is completely Romish except in title. Its Greek Text is no longer the Lord's Byzantine Text, but the pro-Latin Vulgate, pro-Jesuit Council of Trent, Westcott and Hort Greek Text in its most "modern" edition. There is no salvation in the Orthodox Church---anywhere---based on its heretical position regarding the Word of God.

Further, Israel Shamir is one of the Pope's occult agents in fomenting anti-Jewish fury around the world so as to drive the Lord's beloved racially Hebrew/Jewish/Israelitic people back to Israel---governed by the Pope's Masonic Jewish Zionists---preparing for the Pope's last attempted annihilation of the sons of Jacob at "the time of Jacob's Trouble" (Jer.30:7).

This same Israel Shamir supports 33rd Degree Masonic Lyndon LaRouche and Georgetown Jesuit-trained, Knight of Malta, Jesuit Temporal Coadjutor Pat Buchanan in openly opposing "the Jewish lobby" in Washington. The reality is

that both Buchanan and Masonic Abe Foxman of the ADL work together in promoting anti-Jewish fury here in the US. Masonic CFR-member Edgar M. Bronfman of the American and World Jewish Congresses is another Jesuit Temporal Coadjutor whose works totally benefit the Papacy. The Order controls both sides to the end of removing all Jews out of North America either by murder or by forced emigration back to Israel.

I trust this is helpful.

Sincerely in Faith,

Brother Eric

Israel Shamir, My Dear Brother in Christ,

Again I reiterate, when I see your email in my mail box I am very happy.

It is an honor to me to be able to talk to someone of your prominence.

I want to talk to you about the morality of government taking money from one person and giving it to another person.

First of all I think I understood you to be admitting that communism does not work when you wrote: "It was not a good system for ambitious Jews, as even a very clever Jew did not earn (much) more than a qualified worker."

I remember a man from the old USSR said this about communism: "They pretend to pay us and we pretend to work."

The reason communism does not work is that it does not harness the industry of men who are working hard and using all of their ingenuity to make as much money as they

can to benefit their own wife and children.

In a society built upon individualism and free market competition, wealth creation is exponential.

In a communist society the sluggish bureaucracies stifle all creativity and wealth creation.

Let us agree that we both have the same goals. We both want the poor to be fed, housed and clothed. We want all people to have access to reasonable health care. We want all people to have access to superior education. We want all people to have the basic human rights to freedom, to own property, to accumulate wealth, to travel freely, to have the right of freedom of religion, freedom of association, freedom of speech, freedom to write, print and publish ones ideas and beliefs. Etc.

Do you agree that we both have the same goals?

We both want mankind to prosper and enjoy liberty and peace.

The difference is that you see a role for the civil government in providing health care, providing education and providing socialist welfare benefits to the poor and I do not think it is the role of the government to help the poor by giving them money or help or benefits.

The role of helping the poor belongs exclusively to the church and it is accomplished through the power of the tithe.

But you must always remember that the tithe is given voluntarily.

The tithe is given by individuals like me who love God and want to help their fellow man.

I am a tither. I give the church 10% of everything I earn to my local church, plus I give other monies to other Christian ministries that I love and want to support.

What about you Mr. Shamir, do you pay your 10% to the church or are you like most socialists?

I find that most socialists do not pay their tithe to the church. They are stingy with their own money but they want THE STATE to steal money from others by force at gun point like a robber and give it to the slothful and sinful in addition to helping those who are truly handicapped.

An example of this was when Al Gore was running for President he released his tax forms to the public for examination.

In the entire previous year, this very wealthy man, who was socialist to the very core of his being, only gave \$300.00 away in charitable donations. He is sick and evil like most socialists who are extreme hypocrites in their personal giving.

Israel, when you give THE STATE the power to steal from one man to give to another man you will never help the poor, you will only tear down the rich. You will cripple the ability of a society to build wealth.

Israel, Jesus taught us in the 10 commandments "Thou Shalt not Covet." Yet Marxism and communism are built upon selling class warfare to the masses. Marxism teaches the masses that the reason they are poor is because of "those evil rich people who are exploiting you and not sharing the wealth."

Marxism is an evil, unbiblical and COVETOUS philosophy of stealing from those whom God has given 10 talents and giving the money of the wealthy to the poor who in many cases are poor because they are wicked or slothful.

Mr. Shamir, in the Bible Jesus plainly taught that some men are given 10 talents, some men are given 5 talents and some men are given 1 talent. Jesus called the man with 1 talent "wicked and slothful" because he buried his talent.

Israel, the Bible is free market capitalist from cover to cover. The teachings of Jesus are free market from Genesis to the book of Revelation. The book of Proverbs is filled with capitalist sentiment.

Mr. Shamir, please open your mind and understand that this thing called Socialism is evil. Marxism is evil.

Israel, I do not understand why so many Jews are Leftwing communist or socialist.

Israel, I do not covet what other men have. I am content with the little that God has given me. Godliness with contentment is great gain.

Also, I have lived long enough to see that some of my friends who have become millionaires and some of my other friends who did drugs and were drunkards and who are now poverty stricken.

My millionaire friends work hard every day and they have worked hard for 30 years.

Mr. Shamir, the system that you want to put in place, the socialism you adore would steal the money from my hard working productive friends and give it to my lazy and slothful friends who because of their sin deserve the poverty they are suffering. In fact it is the suffering of my sinful friends that has pulled them out of their addictions to drugs and alcohol. They saw that they were headed for self-destruction and they changed when like the Prodigal Son they found themselves eating with the pigs. Sometimes it takes hitting bottom for people to wake up and change their bad behaviors. But the socialist deprives the poor of truly hitting bottom and thereby allows them to continue in

the drug and alcohol abuse for endless years.

Mr. Shamir, the pilgrims and the puritans who settled America in the 17th century thought that if you were "poor" it was because of sin, either laziness or some other sin. They expected that a man who is healthy should not be poor in a free market economy. He must learn a skill or a trade and then if he is not lazy he can make an excellent living in a free market economy. The sick or the handicapped will be taken care of by the church and their families in a free society.

Mr. Shamir, I love you as my brother in Christ and I hope that you will miraculously have your eyes opened to the fact that you and I both want the same goals but I believe that your way of getting to the goal is a proven failure and my way of getting there is a proven success.

Free market capitalism produces the most wealth and the most benefits for everyone in a society.

Socialism and redistribution of wealth will always fail because it makes people dependent, socialism makes them weak and encourages them to give in to their vices rather than magnify their virtues through strain and effort.

But the worst aspect of socialism is that it is based upon theft by force. That Mr. Shamir can never be confused with Christian love. It is not Christian love to steal money by force from one man and give that man's money to a total stranger.

Mr. Shamir, you can believe me that when people go to a government office to beg a bureaucrat for help, that this does not at all resemble Christian charity. It is a power trip.

The bureaucrat loves power. The bureaucrat loves to spend other people's money. The bureaucrat loves to be able to say yes and no to whomever he chooses.

Mr Shamir, the bureaucracy is inefficient and wasteful. This is not a system based upon love Mr. Shamir. This thing called socialism is the greatest evil in the world and you have been tricked into thinking it can work or thinking that it is compatible with Christianity.

Furthermore, socialism will never work because the government bureaucracies just grow and grow and grow until the bureaucrats fat pay checks are consuming more money than is given away to "help the poor."

Socialism is not Christian and it never will be since it is based upon theft by force. Every nation that has adopted socialism is dying from declining birth rates and sluggish economies.

The Bible clearly teaches that the only role of THE STATE is to punish evil doers, to administer justice by executing the murderer, the rapist and the kidnapper as the altogether lovely Torah commands.

The Bible clearly teaches that the only role of THE STATE is to punish evil doers and for example it is a legitimate role of the state to force a thief to make restitution 3 fold for all he stole just as the perfect law found in the Bible commands.

Now another common mistake that some people make is to think that there is socialism in the Bible.

However, the socialism in the Bible is not socialism according to a modern understanding! WHY???

Because "IT WAS 100% VOLUNTARY!"

It was not done by THE STATE.

It was done by individuals who were obeying the Torah.

Mr. Shamir, you should by this point in your life realize that THE STATE IS OUR ENEMY.

It is THE STATE that drags our sons into wars that we do not want to fight.

It is THE STATE that steals our money and wastes it in the bureaucracies and never really helps any poor person to become self-reliant.

Mr. Shamir, I beg you, I humbly beg you to read the book I earlier recommended to you. Author: David Chilton, Title: "RICH CHRISTIANS IN AN AGE OF GUILT MANIPULATORS."

Please, I will buy this book for you if you will promise to read it carefully, studiously discussing it with me. I have told you I am not a rich man. This is a generous offer from me to you. Like the widows mite.

The Chilton book lays out the Biblical view of economics, free markets and private property. It explains the Biblical teaching that the role of THE STATE is to protect my life, liberty and property by punishing evil doers, not by redistributing income from one class to another.

Now the beauty of this Biblical system is that it makes all hands industrious and thus wealth creation in such a society just explodes exponentially.

In a short period of time the poor are almost all elevated to middle class simply by working at an entry level job.

This is happening right now on planet earth in nations around the world that have adopted the concepts of rugged individualism, limited government, free markets and respect for private property.

Israel, I have worked very hard writing this letter for you.

I pray that you will be touched by the spirit of God and this letter will impact your thinking on what the Bible teaches about helping the poor and how to do it Biblically.

I pray the love of Christ will fill your heart, Amen.

Sincerely yours,

Bob Weinert

Eric's right. Jack Chick points out that whether Orthodox, Byzantine, Coptic--they've all got a Catholic base.

Instead of pope the Orthodox Church has patriarchs. They have priests, monks, and nuns, and they celebrate mass. Orthodox is the eastern branch so to speak, and Roman Catholicism is the west branch, and they split sometime back.

Mark Brewer - January 9, 2006 04:22 AM (GMT)

Israel Shamir is pro Muslim and anyone who supports Islam is a stooge of the pope even if they do not realize it. The Vatican's main agenda right now is to strengthen Islam and unite Muslims under the pope against a "Zionist conspiracy" and secularism. They are doing the same thing in the United States by uniting the religious right and Zionism against the "radical Muslim terrorists".

The various Orthodox churches do not have cultic control over their members like the Catholic churches do. Anyway, most Orthodox churches in America are social clubs for people from the Middle East and southeastern Europe.

Title: Mass Murderers - Eric Jon Phelps

CRAIG-OXLEY - January 6, 2006 12:36 AM (GMT)

Eric,

I wanted to run a couple questions by you:

1. Would you consider Chiang Kai-Shek to be a mass murderer in the league of Mao, Stalin, Hitler? I've seen estimates that he was responsible for the deaths of 10.2 million.

Yes. Chiang was a high-level Freemason who had the open backing of Cardinal Spellman along with the Cardinal's American branch of the Knights of Malta, especially Henry R. Luce---another Kennedy assassin. What Chiang was to China, Diem was to Vietnam. Both were pro-Catholic fascists leading their deceived patriots into the jaws of Jesuit-controlled mass-murderers---Mao and Ho Chi Minh. (Diem was himself of Catholic royalty, one of his brothers being the Archbishop of Hue and his other brother being the head of the Inquisitional secret police.)

Chiang along with FDR and Churchill secretly agreed at Cairo in 1943 to sacrifice the truly patriotic, nationalistic Chinese people for the up and coming "Cold War" of the Pope. A similar agreement was made at Yalta regarding the anti-Stalin Russians in 1945. Interestingly enough, Chiang was put in power by his brother-in-law, T. V. Soong, one of the wealthiest men in the world---and under Jesuit control.

Remember in the Order's political dialectic, Jesuit fascism (Hitler, Mussolini and Tojo---to the exclusion of Franco in that he was not a player in WWII) always loses to Jesuit communism (FDR, Churchill, Stalin and later Castro). Fascism absorbs all the true nationalists to be eliminated, further destroying national sovereignties in preparation for the Pope's NWO. This was done throughout Europe during WWII, the young men of France, Holland, Denmark, etc., being drawn into the SS and mercilessly sacrificed by the German High Command ruled

by Hitler. Today, the America of George W. Bush is---fascist; thus in the end America's military is to be sacrificed in this papal Crusade after it accomplishes the damage predetermined by the Order.

2. Who would you consider to be the biggest mass murderers of the last few centuries? I'm thinking of names like:

Stalin
Mao
Hitler
Lenin
Pol Pot

Good choices. Politically, Mao is the first with Stalin as a close second. But the men behind Masons Stalin, Mao, Hitler and Lenin were popes Pius XI and Pius XII. These Jesuitized popes were the greatest mass-murderers of the entire history of the world. The two Black Popes behind these criminals were Ledochowski (1915-1943) and Janssens (1946-1964).

But here is another twist to your question. Without President Wilson advised by Masonic E. M. House (along with Wilson's personal secretary, Knight of Columbus Tumulty subject to Baltimore Archbishop James Cardinal Gibbons), backing the Bolshevik Revolution, there is no Lenin or Trotsky; without Masonic FDR recognizing the USSR in 1933, there is no aid from the West and thus no Stalin remaining in power; without Masonic "Dirty Harry" Truman cutting off ammo to the Nationalist Chinese and using the Seventh Fleet to block Chiang from invading the mainland, there is no Mao and thus no Cold War. Thus, the three kingpins who enabled the Order's communist dictators to murder nearly 200 million people were FDR, Churchill and Truman, all three of them high Freemasons and completely controlled by the Jesuits of Georgetown University in Washington, D.C.

I'm sure you have others for me, of the Vatican assassin type. Let me know your thoughts.

I trust this helps. Your book looks good too.

Thanks

Description: *Is Jesuit-trained Peres next in line?*

AVBibleBeliever - January 6, 2006 07:58 AM (GMT)

I believe Masonic Jewish Zionist Ariel Sharon was given the Order's poisoned cup just as Masonic Yasser Arafat about a year ago. A series of small strokes followed by a significant one in a short span of time is very suspicious to me. In fact, Sharon was in a meeting with Peres before he suddenly fell ill. I believe Jesuit-trained assassin Shimon Peres who planned in accordance with the Jesuits' Mossad the assassination of Freemason Yithzak Rabin is next in line to become Israeli Prime Minister for a third time. Masonic Sharon underwent an 8 hour surgery and paralysis of his lower back was induced. The Order is through with him. I may be right or wrong-it is just a prediction. At this moment Ehud Olmert is the prime minister and will be until the March elections. If coadjutor socialist Peres were to run as a Kadima candidate in a sham election (he supported the party led by Ariel Sharon) he would win and make Israel enforce the concordat she signed with the Jesuits' Vatican on Dec 30, 1993. http://en.wikipedia.org/wiki/Prime_Minister_of_Israel

Dear Friends,

This Abramoff scandal makes the Jews of America look as though they are the masters of President Bush and thus the impetus behind the Pope's "war on terror."

This is exactly the impression the Order wants the viewer to receive. This scandal (supposedly the greatest in 50 years?!!)will contribute to the fomenting anti-Jewish fury building here in the US. This same tactic was successfully used in Germany before Hitler came to power.

CRAIG-OXLEY - January 3, 2006 12:00 AM (GMT)

You cannot show your face and control the world until you know for sure its locked down and safe. When locked down even then it is dangerous to show your face and I believe the Jesuits will still be in the shadows. This is where the New World Order comes into place microchipping, cameras and restrictions etc. Eventually when they destroy all known religions and adopt the World Religion (freemasonry mixed with far east) Catholicism will be destroyed but the same people such as the Pope etc will change names and possibly looks but its all the same crap.

Jews, Order of Illuminati, Freemasons are all veils/smoke-mirrors to keep the real secret of the world control which is JESUITS, VATICAN, SMOM and OPUS DEI

Mark Brewer - January 3, 2006 03:29 AM (GMT)

I think they will try to keep the current religions mostly the same as they are now after they have segregated everyone off into groups based on religion and ethnicity. That is the reason for all of the multiculturalism today. They are trying to get people to believe that ethnicity and religion are united in some way. After the segregation has been accomplished, deceived people will look up to the pope as a unifying "defender of faith" who encourages everyone to return to their cultural roots.

Don't forget Prince Charles. If/when he takes the throne, he wants to be the defender of faith, not the defender of THE faith.

I think that before the Bavarian Illuminati of 1774 thing, the elite bloodlines didn't really have a cool name for themselves, and Illuminati sounded pretty good. It kind of throws people off, cause some people seem to think that the Bavarian Illuminati is actually the start of everything, rather than just being another smoke and mirrors offshoot of the elite bloodlines and Jesuitism. Not many see that Adam Weishaupt was a Jesuit and put 2 and 2 together.

There's a good page [HERE](#) about it all, with this interesting quote:

'All of the Initiates were bound to perpetual silence, total loyalty, and complete submission to the Order and its leaders. If all of this sounds like the Order of the Jesuits, with the idea of complete submission to the pope and its church leaders, it is because Adam Weishaupt, Founder of the Illuminati, was formerly himself a Jesuit! One feature of the Illuminati Society was that of a system of mutual espionage. Every member spied on every other member. Every month the Novice, or lower level member, was required to deliver to Weishaupt a sealed letter that revealed every aspect of his relationship with his Superior.'

I'm happy and glad that this forum is up. I was once part of the "Illuminati" and "Zionist" obsession, but now I know better.

RETURN OF THE JESUITS AND LOSS OF TEMPORAL POWER

<http://zionsake.tripod.com/Babylon-Rome-My...its-covert.html>

After an ostentatious show of power and wealth helped to bring about their (supposed) downfall, the activities of the Jesuits since 1773 have been more secretive and less obvious to the public at large. This secretive activity is consistent with the principles of the Mysteries, from which Jesuit teaching is derived - as against transparency advocated in the Bible:

John 3:20 For everyone practicing evil hates the light and does not come to the light, lest his deeds should be exposed. 21 But he who does the truth comes to the light, that his deeds may be clearly seen, that they have been done in God." NKJV

In the 100 years following the suppression of the Jesuits, the Church of Rome seemed to have suffered defeat after defeat, that culminated in the seizure of the Papal States by the newly formed kingdom of Italy. However, during this period the leaven of the Jesuits was starting to spread once more through Europe. Romanism was making great gains in Protestant Britain; at the same time, previously sound Protestant denominations were wavering in their belief in the Bible as the infallible word of God.

The Jesuits during the Suppression

As a result of the action taken by France and other Romanism nations to expel the Jesuits, much of their wealth was confiscated - although they were still able to salvage a considerable amount for future use. And they were still a dangerous power, as seen in the murder of Pope Clement XIV a year after their suppression.

The Jesuits were granted sanctuary in Protestant Prussia and Orthodox Russia. This act helped to sustain the Jesuits over the crucial years of their suppression, whilst they regrouped and gradually regained favor in Romanism Europe.

The reason for this insane act by Protestant Prussia and Orthodox Russia to grant sanctuary to the Jesuits lay in their common aim to use the Jesuits to subdue the Polish people. Just prior to the suppression of the Jesuits, Russia and Prussia divided Poland between themselves. In return for refuge, the Jesuits were to guide the Poles into submission to their conquerors. After having corrupted the Polish nation and lead it to disaster, the Jesuits were then the agents to help the conquerors to "absorb" Poland - how the Poles should hate the Jesuits?!

However, both these nations were later forced to act against the Jesuits because of their subversive activities. Yet again the Jesuits abused the nations that gave them refuge to undermine their stability and corrupt their religious foundation. Prussia expelled them in 1786, while Russia was forced to restrict them in 1815, and then finally expel them in 1820, as they were trying to subvert their nation to Romanism.

Meanwhile the Jesuits had regrouped, chosen new Generals and were working towards re-entry into Western Europe, by infiltration into the rank and file of ordinary clergy. In Western Europe new (ghost) organizations were formed by Jesuits priests that became openly Jesuit when conditions turned more favorable.

Napoleon - The New Emperor

Out of the chaos, anarchy and violence of the French Revolution, arose the famous Napoleon Bonaparte. His great dream was to resurrect the Roman-European civilization, dominated by France. He considered himself to be the heir and successor to Caesar and Charlemagne and, borrowing a title from ancient Rome, called himself First Consul. Being completely aware of the influence of the papacy, he concluded an agreement (concordat) with the Pope in 1801 and restored the Church of Rome's official status in France. In 1804 he summoned Pope Pius VII to give the highest religious significance to his anointing and crowning as the first Emperor of the French. However, as the Pope waited with his cardinals on the high altar of Notre Dame Cathedral, all expected Napoleon to kneel before the Pontiff, and like Charlemagne, receive a blessing; to the amazement of the congregation, he seized the crown from the Pope's hands, turned his back on him and the altar, and crowned himself. In so doing, Napoleon had made it clear that the Church was in the hands of the State, though the coronation went on to be consecrated by the Pope. Napoleon crowned himself with the "iron crown" of Lombardy, the great historic symbol of Europe that had previously been worn by Charlemagne, Otto the Great and other European sovereigns.

Napoleon sought to bring about a united Europe by force - a Europe that would recognize him as Emperor. To that end the Hapsburg Emperor of Austria, having being

defeated by Napoleon's armies, resigned his title of "Holy Roman Emperor" in 1806. However, Napoleon was careful to keep the Pope as his servant, even imprisoning him at one time.

Napoleon suppressed the Spanish Inquisition that also incurred displeasure from the papacy. The most terrible account is given of what Napoleon's troops found when they entered the "Palace of the Inquisition" in Madrid. At first it just seemed to be a place of piety, until they found a secret passage into the cellars of the Palace and the most horrific scenes of torture; there were many mutilated victims, some dead and some alive. The enraged troops released the victims that were still alive, put the inquisitors to death on their own instruments of torture and then blew up the building.

Despite Napoleon's grand schemes for a united Europe, the words of Daniel yet again proved true: the nations of Europe would not cleave together after the fall of the Roman Empire. Napoleon's disastrous invasion of Russia was a turning point, which led in 1814 to the defeat of France and his overthrow - at Waterloo in 1815. However, Napoleon's overthrow was of great significance for the Jesuits.

Re-establishment of the Jesuits

Pope Pius VII, who became Pontiff in 1800, relaxed the absolute ban on the Jesuits. In 1801 they were authorized to establish themselves officially within Byelorussia; several years later they were permitted to re-enter some of the small kingdoms that then existed in Italy.

The Jesuits proclaimed that the disasters that had befallen Europe and the Church of Rome including the the French Revolution and the wars that followed, to be a direct result of the ban placed on them.

Whereas Napoleon considered the Jesuits to be very dangerous, Pius VII (whom Napoleon had imprisoned) officially re-established them - on request of Romanist monarchs of Europe who saw the Jesuits as their bastion against political and social reform. The Spanish Inquisition was also re-started after Napoleon's fall; this was a sure sign of the terrifying policies that were to follow the re-establishment of the Jesuits.

However, Pius VII did put some controls on the Jesuits in an attempt to curb their potential to abuse their freedom of action. However, they acted according to the words of

Peter 2:22 But it has happened to them according to the true proverb: "A dog returns to his own vomit," and, "a sow, having washed, to her wallowing in the mire." NKJV

They kept on interfering in the affairs of numerous countries around the world - to be expelled wherever liberal-minded people gained victories. On the other hand, when oppressors triumphed, they re-established themselves to defend the throne and the

altar. So, were they banished from Portugal in 1834, Spain in 1820, 1835 and 1868, Switzerland in 1848, Germany in 1872 and France in 1880 and 1901. They were also suppressed in Guatemala, Mexico, Brazil, Ecuador, Colombia and Costa-Rica.

Throughout the 19th century the liberals, who were pushing for constitutional and social reforms, gained ground. However, most of Italy was ruled by Romanist kings, dukes or the Pope himself; they opposed all forms of democracy and allowed no political opposition or religious freedom. Jesuits, who were implacable opponents of liberals, aided them. This, of course, led to revolutions, the greatest of which, was in 1848, when revolution raged all over Europe. The Austrian Empire only just survived and a popular uprising in Rome, led to the forming of a Republic and the overthrow of the absolute rule of the Pope, who then fled in exile. However, the Roman Republic of 1848 was quickly crushed by an alliance of France, Austria, Spain and Naples. The Jesuits were instrumental in putting together this alliance that brutally reinstated papal rule in Rome.

The reason for the involvement of France was that Louis Napoleon sought absolute power in France by gaining the support of the Church of Rome and the Jesuits. After becoming President of the French Republic in 1848, he favored the Jesuits in many ways. This gave the Jesuits the opportunity to **stage various appearances of the Virgin Mary in France**; the most famous of which was at Lourdes. This followed the Pope's pronouncement in 1854 of the **Immaculate Conception** (sinlessness) of the Virgin Mary.

Fall of the papal States

The forces of Italian Nationalists under the king of Piedmont regrouped; spurred on by Garibaldi, and effected the collapse in 1860 of the Romanist monarchs of Southern Italy, who were under the influence of the Jesuits. The merger of these territories with those of Piedmont gave rise to the Kingdom of Italy. However, the French army still maintained the territory around Rome under the rule of the Pope.

The end finally came for the Papal States and the Pope's temporal power in 1870, when France embarked on a disastrous war with Russia. When France was threatened by Russia's reverse of the war, the French troops had to be withdrawn from Rome and enabled the Italian army to capture Rome and the Papal States. That ended the temporal rule of the Pope, although the Italian government guaranteed his freedom to rule over the ecclesiastical affairs of the Church of Rome.

Complacency of the Protestants

The calamities that befell the Vatican and the Papal States during the 19th century led many in Britain to believe that the Church of Rome was nearing its end. This was compounded by "prophecies" that the Millennium was at hand. It led to complacency and a lack of discernment of the danger the Jesuits and the Church of Rome still posed. Others bargained on the greatness of the British Empire and the protection it afforded

them.

Many Protestant nations sheltered Jesuits refugees, including Britain, enabling them to set up institutions - that jet again served as a springboard for their subversive activities, viz. in Ireland in the 1820's.

Despite the tolerance of Protestant nations, the Church of Rome throughout the 19th century consistently denied the right of freedom of conscience or religion. The papacy would push for liberty to operate freely herself, but this was with the aim of gaining supremacy and removing the liberties of her opponents.

The Oxford Movement and the Romanist Revival

In 1833 Newman, a Church of England minister and an Oxford academic, started a series of short publications entitled "Tracts of the Times." These tracts were well written from a scholarly point of view, but they started to introduce the seeds of new doctrines into the Church of England with a link to the Mysteries, of which, especially Gnosticism.

Newman quickly drew a group of clergyman and academics around him, and they became known as the "Tractarians" and also as the "Oxford Movement." They soon deviated further from the doctrines of the Church of England, as expressed in the 39 Articles of Faith. They had a strong bias towards the Church of Rome, and to covertly subverting the Church of England became their main agenda.

In line with their agenda, they started introducing customs, rituals and doctrines of the Church of Rome into the Church of England - including the Mass, followed by convents, the confessional, penances (including self-inflicted injuries) and the supposed virtue of celibacy. All this was, of course, at first done secretly. Even when they started operating more openly, the Church of England didn't take any effective action to prevent this abuse. Next, the Church of Rome officially started establishing parishes and dioceses throughout Britain. In 1845 Newman left the Church of England and eventually became a Cardinal in the Church of Rome. However, many of his piers remained in the Church of England with the secret aim of bringing it back into union with the Church of Rome!

Jesuits Infiltration into the Church of England

The Oxford Movement bore the hallmarks of the Jesuits, and there was testimony to prove it. Their agenda was to destroy the doctrinal stand of the Church of England and drive the ministers away from their Bibles. To achieve this aim they infiltrated all levels of the Church and society. And they were largely successful to undermine and weaken the Protestant foundations of the Church of England, the British Constitution and the monarchy.

Today we might be looking at the final stages of the destruction of the British nation. Britain is set to be partitioned and to become subservient to the new Reich or Holy

Roman Empire, more commonly known as the EU.

THE RISE AND FALL OF THE JESUITS

<http://zionsake.tripod.com/Babylon-Rome-My...-rise-fall.html>

The meteoric rise of the Jesuits and the profound effect they had in the 200 years after they founding. Two main aspects will be considered:

1. How they operated in Western Europe.
2. Their foreign missions in America, India and the Far East.

Finally, their fall in the 18th century. That didn't end their influence, though, since the Society was maintained outside Western Europe, until it could re-establish itself again. The Jesuits' revenge against their enemies (Protestant Churches and nations) was terrible, as will be shown.

Jesuit Policies in Europe

One of the first things that followed their establishment was the restarting of the Inquisition with its terrible torture and atrocities - in 1542, with extended powers to persecute Protestants, leading to the establishment of the great Counter-Reformation Council of Trent in 1545. The Jesuits played a central role in the extreme Romanist pronouncements of the Council. The Council was a theological as well as a militant offensive by which great persecution and attempted annihilation of Protestants around Europe was planned - viz. massacres in France and the Netherlands.

Another very effective policy of the Jesuits was the founding of schools, seminaries and other places of learning. Their abilities as teachers, their outward generosity, dedication and zeal, drew many people to study with them. Unlike previous Romanist institutions,

they encouraged Protestants to enroll their children. However, this education also included the indoctrination of pupils into the rites, symbols and ceremonies of the Church of Rome. In this way they influenced Protestants families - especially those who were rich and influential. The indoctrination was so rigorous that it instilled acceptance without question in the pupils.

Jesuit Infiltration

In infiltrating Protestant institutions and Churches, they applied their doctrine of justification of false oaths or whatever else, as "for the greater glory of God." Viz., the following from the Jesuit oath:

"I, A,B, now in the presence of the Almighty God, the blessed Virgin Mary, ... do declare from my heart that, without mental reservation, that Pope Gregory identity Christ's Vicar-General, and is the only true and only head of the Universal Church throughout the earth; that by virtue of the keys of binding and loosing, given to His Holiness by Jesus Christ, he hath power to depose heretical kings, princes, states, commonwealths and governments, all being illegal without his sacred confirmation, and that they may safely be destroyed; therefore, to the utmost of my power, I will defend this doctrine and His Holiness' rights and customs against all usurpers of the heretical, or Protestants authority whatsoever, especially against the now pretended authority and Church of England, and all adherents in regard that they be usurped and heretical, opposing the sacred Mother Church of Rome. I do renounce and disown any allegiance as due to any heretical king or prince, or state named Protestant, or any of their inferior magistrates or officers. ... I do further declare that I will help, assist and advise all or any of His Holiness' agents in any place wherever I shall be, and do my utmost to extirpate the heretical Protestant doctrine, and to destroy all their pretended power, legal or otherwise. I do further promise and declare, notwithstanding that I'm dispensed to assume any religion heretical for the propagation of the Mother Church's interest, to keep secret and private all her agents, counsels, as they entrust me, and not to divulge, directly or indirectly, by word, writing or circumstance whatsoever, but to execute all that shall be proposed, given in charge, or discovered unto me..."

Jesuit Activity in Britain

As soon as the Jesuits started entering Britain, discoveries were made in the 1560's of men preaching as ministers in the Church of England, who were in reality Jesuit agents sent to sow discord among Protestants. In 1568 a Jesuit priest posing as a Church of England minister, accidentally dropped a copy of secret instructions on how to undermine and destroy the Church of England. In a search of his lodgings, a license from the Jesuits and a Bull from Pope Pius were found concealed in his boots, authorizing him to preach whatever he might judge best fitted to inflame the animosities and widen the divisions of the Protestants ... no better way to demolish that Church of heresy, but by mixture of doctrines or by adding of ceremonies more than at present

permitted.

The ultimate goal of these instruction were to bring the Church of England and other Protestant Churches to their knees back to the Church of Rome. When we look at the much weakened state of the professed Christian Church in England today and the tendency of the Ecumenical Movement towards union with Rome, we see how successful the policy of the Jesuits had been.

Throughout the reign of Elizabeth I the Jesuits were involved in plots to try to kill her and to re-impose Romanism on Britain by means of rebellions or foreign invasion, such as the Spanish Armada of 1588. This continued after the death of Elizabeth, with the Jesuit inspired gunpowder plot of 1605, in which King James I and his parliament were blown up. The Lord nevertheless protected Britain in the 16th and 17th centuries from them perpetrating the horrors that they did in France.

Jesuit Expansion in Europe

From a small beginning, the Jesuits rapidly expanded in continental Europe. The fact that they were not under the jurisdiction of a bishop, but were free to pursue their policies wherever and however they pleased, facilitated this. From Italy they established themselves in Spain, Portugal and Austria, from where they gained a foothold in Germany, the birthplace of the Reformation. They gained great influence with the rulers of these nations, and once this was achieved, persecution was set in motion against Protestants.

The Jesuits' subversive tactics in Germany ultimately destroyed the tolerance that existed between the Protestants and the Romanists. They were instrumental in re-ignited persecution in Germany, which led to the terrible 30 Years War that started in 1618. Although the plans of the papacy to rid Germany of Protestants failed, owing to the intervention of Protestant Sweden, the war left much of Germany in ruins.

In the neighboring Austro-Hungarian Empire, ruled by the Hapsburgs, who held the title of Holy Roman Emperor, the influence of the Jesuits became immense - at times virtually controlling the Emperor. Having this power, they almost purged this part of Central and Eastern Europe of true Christianity.

The Jesuits' influence in Poland was also enormous. Until the mid 16th century the Protestant cause flourished in Poland, which at that time was a major power in Eastern Europe. Again the entrance of the Jesuits after the Council of Trent in the 1560's was crucial in turning the country back into papal darkness. Due to their policies the standard of education, literature and industry declined, as did the national well being, which led to disastrous policies to their neighbors and ultimately to Poland's annihilation.

Their entry into France was slow, but they got a foothold by establishing educational institutions. Their meddling later inflamed the civil wars between the Romanists and the Huguenots. They were even implicated in the murder of the French king Henry III in 1589. For this and other plots, they were expelled from France in 1594, although not for long; by 1605 they again wielded considerable power.

When Henry IV succeeded the murdered Henry III, he renounced the Protestant faith and became a Romanist. However, he was still sympathetic to the Huguenots and wished to see an end to the religious conflicts. This led to the Edict of Nantes in 1598, which granted tolerance to the Huguenots throughout France. This led to his murder in 1610 - inspired by the Jesuits' teaching that it was right to kill "heretic" monarchs.

The Jesuits extended their influence in France in the 17th century mostly by controlling the king via his Jesuit confessor. This was used to great effect during the long reign of Louis XIV. He had a Jesuit confessor from childhood, whose influence turned him into a fanatical bigot who unleashed terrible persecution against Protestants. Louis led an immoral life that the Jesuit confessor made careful use of to have him trembling at his feet for forgiveness. This influence led to violence against Huguenots increasing, and led ultimately to all Protestant worship to be outlawed by the revocation of the Edict of Nantes in 1685. Hundreds of thousands of France's finest citizens had to flee for their lives. Those remaining were forced to accept Romanism or face terrible punishment; the Jesuits were always at the fore in these acts of persecution. By the destruction of the Huguenots, France suffered a terrible blow and slipped into national decline.

Missions to India and the Far East

One of Loyola's original students, Xavier, set out for Goa in 1542 - a Portuguese colony in India. From there he subsequently went to Japan and China. It started a long history of missions to the East that led to the Jesuits gaining considerable influence with the powerful East India Company.

In these countries the Jesuits' methods of attracting converts was to allow conversion on the flimsiest of evidences and a simple outward ceremony. They also merged Hindu rites into those of the Church of Rome, so as to attract the native Hindus. In China and Japan they also mixed Eastern religions with Romanism. They, of course, also tried to convert leaders and gain influence over them via the confessional. The promotion of education and sciences were also used to serve their interests.

They eventually built up so much influence that they could initiate persecution of those holding onto Eastern religions - especially Buddhists in Indo-China. By means of their converts in high places, the Jesuits and the Church of Rome sought to convert China, Indo-China and Japan to Romanism.

As a result of the Jesuits' revolutionary and subversive tactics, they were expelled from

many nations in the Far East. Their actions in the name of Jesus Christ in Japan were so odious and deceitful to the Japanese, that all Christians were banned from Japan for over two hundred years. However, the Jesuits left behind them a legacy of Romanist minorities in Indo-China, which were used by the papacy in Vietnam during the 1950's and '60's to attempt the forcible conversion of the population to Romanism. As with most places the Jesuits touch, disaster follows; this can be seen in the terrible legacy of the Vietnam War.

Their common roots in the Babylonian Mysteries of course, facilitate mixing of Romanism, Buddhism, Hinduism and other Eastern religions.

The Jesuit State of Paraguay

The Jesuits were very active in the Spanish and Portuguese territories of Southern America, in which the natives were converted (often at gun or sword point) to Romanism by the conquering Europeans. The Jesuits eventually gained special status and were granted their own territory in the 17th century; this was more extensive than the present borders of the state of Paraguay. As the Jesuits were absolute rulers, Paraguay became a model of the type of society that they sought to create. They at first treated the natives kindly and taught them several useful skills, but soon changed their policy, and reducing them to slavery, compelled the natives to work for them. Effectively all forms of liberty were denied under a rigid disciplinarian regime. No private property was permitted, as all possessions were "God's property," which meant all the property belonged to the Jesuits state. A system of total equality was also imposed, so that there was no distinction between anyone, with the exception of the Jesuit rulers.

The Jesuits' rule was actually following the principles of Communism that took root in the 19th century, that had long ago been envisaged by Plato. The difference here was that the Jesuits substituted themselves for the state or community. Their applying communism is not surprising in view of the fact that both Communism and national socialism (Nazism) derived from their evil policies. The origins of these systems can also be traced back to Babylon via the ancient secret societies of the Occult.

Suppression of the Jesuits

As the Jesuits attained power and influence in Europe, they also accumulated vast wealth and property. However, their scandalous greed, loose morals, ceaseless political intrigues and their encroaching on upon the prerogatives of the secular and regular clergy had stirred up mortal enmity and hatred everywhere. Among the higher classes it had been brought into complete disrepute. In fact, they had become a threat to the fabric of society in general. It led to them progressively being driven from previously friendly Romanist countries during the period of 1760 and 1770. Although Pope Clement XIII still supported the Jesuits, the Romanist nations of Europe petitioned him to take drastic action. He reluctantly called a secret conclave in 1769 to bring into effect

the suppression of the Jesuits, but he then died mysteriously the evening before the enclave was to meet. Murder was, of course, strongly suspected, with fingers pointing at the Jesuits as the obvious perpetrators.

His successor, Clement XIV strove to reform the Jesuits, but had to act in 1773 to abolish them as a result of extreme pressure from the monarchs of Europe. It led to his death from poison a year later, with the Jesuits again topmost on the suspect list for the murder.

Evidence has it, however, that the Jesuit General Ricci contrived the demise of the Jesuits through his control of Freemasonry. Apparently Ricci's grand purpose with to confuse the enemies of the Jesuits to aid the establishment of a New World Order in America.

THE JESUITS AND THEIR DOCTRINES

<http://zionsake.tripod.com/Babylon-Rome-My...-Doctrines.html>

Following the powerful preaching of the Gospel by Luther, Zwingli and other men of God, in the period 1517 to 1530, the Church of Rome saw millions of its subjects depart from it. The people renounced the yoke of the Pope from discovering the truth. The Bible was also translated in many European languages. Satan's answer was to raise up one of the most infamous organizations in history, with the blasphemous name, "**The Society of Jesus**," commonly soon known as the Jesuits. They quickly became a powerful tool in the Vatican's fight against the Reformation.

Countless books have been written about the Jesuits over the centuries because of their power to even shape and destroy nations. Protestants need to be warned about their infiltration into their churches and corrupting influence. Truly, it's a false Christ and a false gospel that they represent. They are the main force behind the Vatican and the dynasty of the Popes - the kingdom of the Antichrist, the Pope having the credentials of the "[man of sin](#)."

Ignatius Loyola

The founder of the Jesuits, Don Inigo Lopez, was born in 1491 in the castle of Loyola in the Basque region of Spain. He changed his name to Ignatius Loyola. Having been a soldier, the principles and the discipline was the norm in his new order. The leader was to be the general who demanded total and unquestioning obedience from his inferiors down the ranks. The Order was to be at the complete disposal of the Pope as an army of the most zealous and dedicated spiritual warriors for the Vatican. They specialized in warfare by stealth and deception to undermine the enemy = true Christians and

Protestants.

Loyola was deeply influenced by his study of the exploits of various "Saints" and emulated them, soon becoming a **fanatic who made use to extreme penances** and torture of his own body in an attempt to gain acceptance with God. At one time he **resorted to a cave** in Manressa where he received visions and revelations (like Mohammad in a cave) that led him into the deepest Babylonian errors of the Church of Rome, namely the mass and worship of the Virgin Mary.

After running into trouble with the Spanish Inquisition about his strange teachings and power over his followers, he started concentrating on gaining a formal education and religious training that eventually led him to Paris where he gathered a small band (10) of highly intelligent men around him. They became the nucleus of the Jesuits in subsequent years. They built up a reputation for their preaching the doctrines of Rome and for their laboring in hospitals. However, their preaching was not from the Bible - rather the grossest doctrines of the Church of Rome.

In Rome, the Pope, Paul III, received them quite favorably. He welcomed the offer of "**assistance**" because the standard monastic orders had proved quite incapable of standing up to **the preaching of the Reformers**. A constitution for the new society was drafted and agreed upon by the Pope, who in **1540** officially established "**The Society of Jesus**," with Loyola as its first General. These new soldiers of the Papacy quickly demonstrated both their intellectual capabilities and unswerving zeal for Romanism. They spread rapidly through Europe and it was not long before the gains of the early part of the reformation were reversed through murderous campaigns of persecution instigated by the Jesuits. More later...

Loyola and the Occult

Firstly, he received revelations in a cave and the Jesuits were originally instituted in a Mass celebrated underground. This follows the example of the rites of the Mysteries which were frequently celebrated underground in honor of the Beast "from out of the earth" -

Rev 13:11 Then I saw another strange animal, this one coming up out of the earth, with two little horns like those of a lamb but a fearsome voice like the Dragon's. 12 He exercised all the authority of the Creature whose death-wound had been healed, whom he required all the world to worship. TLB

Note the similarity with Muhammad who likewise received revelations in a cave.

The second rather strange aspect was the interest of the Inquisitions in Layola's activities. How is it that he was released when so many others were executed for even the slightest deviation from the practice of the Church of Rome? The secret lies in the

even deeper level of the occult and Mysteries Layola was into than Rome. Thus there was an underlying affinity between the many who were deeply immersed in the Church of Rome and Layola's teaching - unison in the principles of the Mysteries of Babylon.

Layola was also more than just a zealous fanatic of the Church of Rome, he was also involved in an **occult group called in Spanish, the "Alumbrados,"** or in English, the **"Enlightened"** and in Latin **"illuminati."**

Other confirming info shows that when the Pope dissolved the Knights Templar in 1312, the dissolution was just a cover-up for the "Templars" to continue their activities to enrich the papacy and remain its militant arm. Their activities to acquire wealth, their secrecy, their Gnostic cabalism and their oath of papal obedience were obscurely perpetrated under a variety of corporate names. In **Spain and Portugal the Knights Templars became the Illuminati** - led by Layola.

The Spiritual Exercises

The form of teaching that Layola claimed was revealed to him was the "Spiritual Exercises." These were intended to bring one to spiritual perfection - by means of systematic meditation, prayer, contemplation, visualization and illumination, Loyola would go into a trance and ecstasy. He was even seen to levitate off the floor, as have many Jesuits under satanic power. This was to build his elite Jesuit Order that was to follow him in blind obedience. Layola built his concepts from Ancient Greece, the occult and sciences. He wanted his priests to become the intelligentsia of the Roman Catholic religious orders.

The basic teaching and initiation for a man who wished to join the Jesuits was that of Layola's "Spiritual Exercises." It comprised a body of rules for teaching men how to conduct the work of their "conversion." It consisted of four grand meditations and the penitent, retiring into solitude, was to occupy absorbingly his mind on each in succession... It could be fitly styled a journey from the gates of destruction to the gates of Paradise, mapped out in stages so that it might be completed in a short period of four weeks... Layola, like the magician of old who strove to rival Moses, wrought with his enhancements to produce the same miracle of spiritual enlightenment that was brought about by the Holy Spirit after rebirth in Christ.

A "director" guided the candidate who went through the "Exercises." All the senses were employed in these meditations, until finally the mind of the candidate was broken like that of a horse to obey his master in all things. An observer of the Jesuits wrote: "Not only visions were pre-arranged, but also sights, inhalings; breathing was noted down; the pauses and intervals of silence were written down like a music sheet... which meant that the man, being inspired or not, became a machine who had to sigh, sob, groan, cry, shout or catch his breath at the exact moment and in the order which experience showed to be the most profitable. Using this method, Layola only needed 30

days to break someone's will and reasoning.

The methods are just like those of other occult and Babylonian religions that also use methods of TM, trances and visions. In later years the Jesuits became involved in witchcraft, Voodoo and the Eastern religions of Hinduism and Buddhism - all with a common root in Babylon.

In the place of God

The Jesuits, once moulded by the "Spiritual Exercises" and further training, were to obey their superiors absolutely. Viz. in their Constitution: The Jesuit "must give instant compliance;" "sacrifice their will as a sheep is sacrificed;" they are "directed under Divine Providence by their superiors just as if they were a corpse, which allows itself to be moved and handled in any way."

The Constitution justifies this absolute obedience because they claim that the General of the Jesuits is in the place of God and Jesus Christ. In more than 500 places in the Constitution it is taught that the Jesuit is to see Jesus Christ in the General! This claim to be in the place of God follows the claim by the Pope, to whom the Constitution gives ultimate obedience. However, the General of the Jesuits came to wield so much power in the Vatican, that he became known as the "**Black Pope**," on account of the black clothes worn by the Jesuits and the General's enormous power.

The claim of divine authority of a superior over an inferior has been carried through to the wider priesthood of the Church of Rome.

The Constitution states: "No constitution, declaration or any order of living, can involve an obligation to commit sin, mortal or venial, unless the superior command it in the name of the Lord Jesus Christ, or by virtue of holy obedience; which shall be done in those cases or persons wherein it shall be judged to conduce the particular good of each, or to the general advantage; and instead of the fear of offence, let the love and desire of all perfection succeed, that greater glory of Christ, our Creator and Lord, may follow."

What awful blasphemy! The superior can command a Jesuit to commit sin for the "greater glory of God" and "in the name of Jesus Christ." This masterpiece of the devil has wrought countless atrocities over the centuries.

Jesuit Morality

In the Jesuit system the standard of morality is now centered in the Jesuit superior, through the chain of command to the General and the ultimately the Pope, since the superior is in the place of God to the inferior. Consequently, this undermines personal responsibility in the sight of God. For this reason a professor told a student who was studying under him to become a Romish priest: "You will never have to give an account

to God for actions you do by the order of your legitimate superiors. If they were to deceive you, being themselves deceived; they alone would be responsible for the error you have committed. Your sin would be imputed to you as long as you follow the golden rule that is a base for all Christian philosophy and perfection: humility and obedience."

Therefore, the Jesuit (or indeed in more recent centuries, any member of the Church of Rome) can claim as a defense before God and man that he was only carrying out orders, no matter what the Word of God or his conscience might say. It is no coincidence that those in the Nazi Holocaust said in their defense, that they were simply following orders! (As is explained elsewhere, the [SS and Gestapo](#) were modeled on and connected to the Jesuits.)

The next great principle in the Jesuit system is that "**the end justifies the means.**" Before this maxim the eternal distinction of right and wrong vanishes... There is no conceivable crime, villainy or atrocity this maxim will not justify. In fact, they become holy, provided they are done for the "greater glory of God," by which the Jesuit means the honor, interest and advancement of his society.

A further twisted doctrine of the Jesuits is that of "**probablism.**" Viz., "suppose a man has a great mind to do a certain act, of the lawfulness of which is doubt. He finds that there are two opinions about the point: the one **probably true**, that the act is lawful; the other **more probably true**, that the act is sinful. In the Jesuit system the man is allowed to **act upon the probable opinion.** To make an opinion probable, the Jesuit finds easy, indeed. If a single doctor [teacher] has pronounced in its favor, though a score of doctors may have condemned it, or if the man can imagine in his own mind something like a tolerant reason for doing the act, the opinion that it is lawful becomes probable.

Following on the doctrine of "probablism," is that of "directing the intention." This means that if a **soul can abstract itself from whatever act the body is committing**, at the same time meditating on some holy theme or on some advantage that the act of the body may perform, then the soul contracts no guilt or stain. Therefore, the Jesuit can kill somebody or tell a lie with impunity, provided he does so with a holy intention. On the contrary, the Bible teaches that sin is transgression of the law:

1 John 3:4 Whoever commits sin also commits lawlessness, and sin is lawlessness. 5 And you know that He was manifested to take away our sins, and in Him there is no sin. 6 Whoever abides in Him does not sin. Whoever sins has neither seen Him nor known Him. 7 Little children, let no one deceive you. He who practices righteousness is righteous, just as He is righteous. 8 He who sins is of the devil, for the devil has sinned from the beginning. For this purpose the Son of God was manifested, that He might destroy the works of the devil. 9 Whoever has been born of God does not sin, for His seed remains in him; and he cannot sin, because he has been born of God. NKJV

Finally, the **doctrine of "equivocation" (lie, sophism)** or "mental reservation." This

allows for the Jesuit to follow a secret policy, whilst openly stating something quite different before the world. This the same as the system of Mysteries, in which the secret doctrines and purposes of the initiated could be hidden under **double meanings and secret symbols** - that seem quite innocent to the unlearned. A Jesuit quoted: "it is permitted to use ambiguous terms, leading people to understand them in a different sense from that in which we understand them... A man may swear that he never did something (though he actually did), meaning within himself that he did not do so on such a day, or before he was born, or under any such circumstances, while the words he employs have no such sense as would discover his meaning."

Viz. how to permit perjury and yet be supposedly blameless: "It is the intention that determines the quality of the action; and one may avoid falsehood if, after saying or denying something aloud, then add something under his breath that, if true, would make his statement the truth." Thus the Jesuit argues that as long as God knows the "truth," he may deceive everyone else without sinning! Even the most solemn oath, be it for the Christian ministry, a position in the government, or that of a monarch, can be done falsely - something that has become generally accepted in society.

The Confessional and Pences

Early in his career Layola claimed to have received the gift of healing the troubled consciences of others. In the Church of Rome such supposed healing of consciences took place by the confession of sins to a priest, who would then give absolution and set certain penances to be performed - viz. repetition of prayers or physical self-punishment. [Due to its value as a means to control people] **the confessional became a specialty of the Jesuits.** [But only God can forgive sins](#) -

*Luke 5:20 Seeing their faith, Jesus said to the man, "My friend, your sins are forgiven!"
21 "Who does this fellow think he is?" the Pharisees and teachers of the Law exclaimed among themselves. "This is blasphemy! Who but God can forgive sins?" TLB*

Ex 34:7 I, Jehovah, show this steadfast love to many thousands by forgiving their sins; or else I refuse to clear the guilty, TLB

Ps 32:5 until I finally admitted all my sins to you and stopped trying to hide them. I said to myself, "I will confess them to the Lord." And you forgave me! All my guilt is gone. TLB

Ps 103:3 He forgives all my sins. He heals me. 4 He ransoms me from hell. He surrounds me with loving-kindness and tender mercies. TLB

Isa 43:25 "I, yes, I alone am he who blots away your sins for my own sake and will never think of them again. TLB

The idea of a priest absolving sins is demonstration of the Romish teaching that the priest is in the place of God.

As seen earlier, **confessions were part of initiation ceremonies into the Mysteries.**

The Church of Rome, therefore, derived the idea of the confessional from the pagan religions of Babylon. Despite the rite supposedly cleansing from guilt, the purpose was often to obtain incriminating information with which to blackmail. The questions put to in the confessional included those of obscene nature. The abominably immoral priests of Bacchus used to take confessions, and just like priests in the Church of Rome, they had to swear to remain celibate (remain unmarried). Viz. the confessional is yet again an example of the rites derived from the Mysteries in the Church of Rome.

With the Jesuits it went beyond that had gone before, due to their "enlightened" views of what comprised a crime or an immorality - therefore only requiring the lightest of penances. Through this they became very popular as confessors, attracting the rich and powerful by flatteries.

The Jesuits **carefully manipulated the rich to gain money and lands** in bequests (gift, donation, endowment, etc.). They did this by implying that the person would spend less time in purgatory if they gave their wealth to the Jesuit. They were also able secretly to direct the affairs of and destinies of nations. When a monarch or a government official went to confession, there was no limit to what the Jesuit confessor might ultimately ask. Once he was ensnared with flattering absolutions, onerous demands could be placed. The secrets of the state could be winked out and then passed on to an enemy; policies of state might also be required from the official or monarch that would serve the interests of the Vatican or the Jesuits. Furthermore, subtle pressure could be applied via a ruler's wife, who herself was ensnared in the confessional.

One of the most evil aspects of the confessional in the Church of Rome is the nature of some of the questions that may be put to a priest; Jesuit theologians have been foremost in promoting this abomination. The intention of the question is claimed to be to gain the fullest possible confession for sins, extracting even those of a most intimate nature - "the most shocking and obscene questions, even to children. Trainees for the priesthood are taught about all the immorality they might hear in the confessional. For young bachelors who had just taken the vow of celibacy, hearing about all these sexual sins put the greatest of temptations and snares before them. Furthermore, they are taught what awful questions they are to ask penitents, including girls and unmarried women.

What can be more disgusting than a young girl or married woman being asked questions a father or husband wouldn't even dared to ask? There are still today constant examples of both priests and penitents being ensnared in immorality and illicit relationships; something still very real under the surface in the Church of Rome today.

The immoral questions of the Romish confessional are simply derived from their counterparts in the Mysteries. How appropriate then are the words written on the forehead of the great whore, who symbolizes in the book of Rev. the Church of Rome:

MYSTERY, BABYLON THE GREAT, THE MOTHER OF HARLOTS AND OF THE ABOMINATIONS OF THE EARTH. Rev 17:5 NKJV

Mariolatry and the Sacred Heart

Under the influence of the Jesuits worship of Mary was raised to a higher level by making her a goddess; immaculate conception; assumed into heaven to reign as the Queen of Heaven.

The worship of Isis or Diana (names given to Nimrod's wife) was converted into that of Mary; even portraits of Mary were copied from those of Isis.

The rosary is associated with counting of prayers to Mary. = Of Babylonian origin - also used by Buddhists and Moslems.

Jesuit worship of the **Sacred Heart - of Jesus and Mary**. Heart = Bel in Chaldee = the name of the god of Babylon. Viz. it's a mystery symbol for the worship of Sacred Bel. The heart = the reborn Babylonian messiah.

In pagan Rome was Venus and her son Cupid - a boy with an arrow shooting his shafts at the hearts of mankind. The heart symbolized Nimrod + hunter shows that Cupid is actually Nimrod. Today Cupid and his Babylonian symbol is the Romish St. Valentine.

The Jesuits Order (Society of Jesus) est. 1540 by Layola - followed by the re-established Inquisition in 1542. Crucial in halting the preaching of the Gospel in Italy.

Title: Research Info: Jesuits and Civil Rights Movement

Description: *Eric Jon Phelps*

CRAIG-OXLEY - January 3, 2006 12:18 AM (GMT)

Thank you for contacting me.

There will be MUCH NEW INFO on the Order's Civil Rights movement of the 1960s. I prove that the Jesuits backed it via the domestic Masonic communists (DeBois) and high-level Freemasons---both Black and White.

For example, New York Jesuit John LaFarge, the advisor to Kennedy assassin Cardinal Francis Spellman, was the father of the Civil Rights Movement. Lafarge's favorite was Black Freemason A. Philip Randolph---"Mr. Black Labor." (I have pictures of these criminals sitting together.) Randolph was the master of King, Young, Ruskin, Abernathy and virtually every Black leader at the time so as to PREVENT any real Black man from emerging to beneficially lead his own Black people. This is why I detail the life and murder of the respectable Malcolm X, as Spellman assassinated him also with the CIA/FBI/NYPD aided by Masonic Farrakhan's Black NOI working with the Masonic White KKK.

Masons Lyndon Johnson and Randolph were the great tools of the Order for the purpose of ultimately creating huge, violent, welfare-dependent, Black populations in every major city. Encouraged by the pope's CIA and Mafia working together, guns and drugs run freely in these populations further justifying the building of huge prison complexes including concentration camps. The Black Pope's emerging Right Wing Fascist, White Masonic, Opus Dei, Jesuit-controlled, CFR-led new Republican Party is to be the instrument for the ultimate annihilation of all North American Blacks, be they savage or civil Blacks.

Thus the Order's Civil Rights Movement was necessary to bring the Pope's "Holy Roman" Fourteenth Amendment American Empire under martial law and a Neo-Nazi police state birthed by the Order's Skull and Bones Bush Crime family.

One last thing. Both the 1964 and 1965 Civil Rights acts benefited the Papacy as well as the wicked 1954 Brown v. Board of Education decision, the court packed with Masons controlled by the Jesuits of Georgetown University in Washington, D.C. Freemason Thurgood Marshall for the prosecution was another occult player in the forced integration of the Public Schools---so hated by the Jesuit Order.

I trust this helps.

Sincerely in Faith,

Brother Eric

Indeed, Jesuit John LaFarge controlled the Civil Rights Movement behind the scenes as far back as the 1930s. <http://libraries.cua.edu/achrcua/FCC/chronology.htm>

LaFarge and other Jesuits made it a full-blown agitation by the 1960s with their public figure Michael King Jr. (who was posthumously made a Mason by sight by a former Grand Master of the Prince Hall Grand Lodge of Georgia according to <http://www.masonicinfo.com/famousnon.htm>)

Praise the Lord Brother Eric acquired a photo showing Jesuit LaFarge and Freemason A. Philip Randolph sitting together! What incriminating evidence of the Company-Masonic connection found throughout history! I'm looking forward to VAIII.

Title: Thank you + Suggestion for Phelps

Novusordo - January 2, 2006 04:53 AM (GMT)

Hello 2tuff.

I thank you for making me aware of this whole new addition to the global conspiracy... the Jesuit order :o

I'm on page 55 of vatican assassins and all is well and good except for Phelp's religious beliefs.

Is he aware that religion is mythology?

Take the story of Jesus for example... it was parroted by people hundreds of times well before Jesus was supposed to exist and then there's all the symbolism... yeah yeah, you know what I'm talking about B)

What I suggest is that you tell Phelps about this because he seriously needs to get free of his religious dogma and beliefs and realize that religion is a tool for control. I bet it would improve his research and make any seeming contradictions make sense to him.

Cheers.

Alexandra - January 2, 2006 05:18 AM (GMT)

The more you read, the more you will find out that in the end, it's going to boil down to Bible-believing Christians vs. the Jesuits and their NWO. Now's the time to decide which camp you're going to be in.

Jesus Himself was against organized religion. I agree that religion (especially Catholicism) is used to control people.

Real Christianity, however, is not a religion. In a nutshell it's faith in Christ, and following Him.

smashstuff - January 2, 2006 06:40 AM (GMT)

I don't think that's fair, Alexandra. Belief in the bible (or not) should have nothing to do with fighting the Jesuits. It's not a very 'Christian' attitude anyway. We are all in the same boat.

Novusordo - January 2, 2006 07:17 AM (GMT)

I hope someone who has proper comms with Phelps can convince him that religion... all of them.. are recycled sun worship myths and are purely symbolic and fictional.

It will certainly make reading his works a lot easier without all the religious rubbish he fills half his book with :rolleyes:

Mark Brewer - January 2, 2006 08:45 AM (GMT)

To set the record straight people should read the words of Jesus correctly translated and not rely on the bogus Bible versions out there.

Actually, it has EVERYTHING to do with it.

The King James Bible believer is the Jesuit's worst enemy. Why do you think they launched the counter-Reformation? When you look at the beliefs that are anathemized in the Council of Trent, you see that those are the beliefs of a Christian!

People were starting to get their hands on the Bible, which was condemned by Rome. Now I wonder why Rome banned the Bible...? <_<

True Christianity is not based on any paganism at all--just on the Bible.

Catholicism is.

Let me draw an analogy--one I used in another thread here. Say you have a really great product that you invented.

Your enemy knows exactly what it is, and before you can send it out, your enemy produces knock-offs. To make matters worse, you finally get yours out, and then your enemy starts making knock-offs of the knock-offs.

That's what happened here. Satan started churning out his false religions. People realize that Catholicism is based on paganism, then they assume ALL Christianity is like that. Thing is, Catholicism is counterfeit Christianity.

I don't see how people can think that whether or not you're a Christian has anything to do with it. When you step back and look at the broader picture, you see that it has everything to do with it.

It's a spiritual warfare that's going on.

CRAIG-OXLEY - January 2, 2006 11:56 PM (GMT)

You will never remove Eric Jon Phelps from his religion and bible. Its a shame really because if he was a non-religious person many many more people would latch onto his words and finally start to realise the truth. I'm totally non religious but I'm very opened minded and I want answers, right now Eric Phelps has many answers and I'm finding Michael Tsarion answers some of my other questions I have left also, so look for him also.

smashstuff - January 3, 2006 12:47 AM (GMT)

I still don't agree, Alexandra. I don't believe that Christianity, no matter who started it, was anything more than repackaged sun worship. 12 disciples, 12 signs of the zodiac. 4 gospels, 4 seasons of the year. Worshipped on **SUN**day. Forbidden to work on **SUN**day. he dies on the cross, another 4 seasons clue, with a crown of thorns, which is the same as the greek sun deity Helios is depicted.

Notice the sun halo of Jesus?

And if the Jesuits are and were against true 'christians', it's only because they happen to be the ones who are clued up on the Catholic church and what it's all about. At the time of the counter reformation, yes, bible believing Christians were the Catholics' worst enemy, but only because it meant less power for Rome.

Why is Jesus the true Christ out of all the others, because he's the most recent? Are you sure he's not one of Satan's counterfeits?

Don't take this as me having a go at you Alexandra, I'm not at all. I used to believe in Jesus just as much as you do, I just think that having rigid beliefs can sometimes not allow you to look at all possibilities in life.

Look a this!!!

"Dirty Harry" 33rd Degree Truman received this award---probably for aiding Pedro Arrupe in the detonations at Nagasaki and Hiroshima!

Sincerely in Faith,

Brother Eric

Some 470 years ago, an event occurred in a remote abbey near Manresa, in what is now Spain, which has great significance to Saint Louis University. A Basque soldier-knight, Inigo Lopez de Loyola, had been seriously wounded fighting the French at Pamplona in 1521. During a long recuperation at his home in Loyola, he had ample time to consider his first thirty years - years that he himself characterized as "given to the follies of the world ... the enjoyment of warlike sport ... and a great and foolish derision to win fame." He resolved to change his life completely and to devote himself to God and the Church. To that end, in March of 1522, he undertook a pilgrimage to the Shrine of Our Lady at the Abbey of Montserrat near Manresa. In keeping with his knightly upbringing, he determined to make a vigil at the shrine laying his sword and dagger on the altar and offering his life to the service of Our Lady as a knight of God. Later he experienced a series of mystical graces that led him to a very different life and a fame beyond the greatest dreams of his youthful years. He left his sword behind and began a journey that led him to establish the Society of Jesus and, after his death, to his canonization at Saint Ignatius of Loyola.

That sword of Ignatius Loyola is symbolic of the Ignatian vision of service and has been selected as Saint Louis University's highest honor for individual achievement. The Sword of Ignatius Loyola Award is given to those who have given of themselves to

Hey Charles,

Just quick nugget on JP II.

Leon Hayblum was smuggling dollars into Poland in the 1970s to fund the nascent Solidarity Movement. His conduit was a beautiful woman named Krystyna. The two eventually began an affair. The woman related that her mother was a Jew who'd been shipped off to the camps and that her father had placed her in a convent to be raised by nuns and had become a priest in order to be near her. At one point Kystyna took Hayblum to meet her father, the Archbishop of Krakow, Karol Wojtyla. Krystyna bore Hayblum's child in 1984. John Paul II died a grandfather.

The aforementioned is recounted at length in the very rare 1995 book 'I Have to Tell My Story,' by Hayblum.

best,

Subject: Banks//Romeland Security

Bank Of America and Compass Bank managers (probably all other U.S. banks too) have been instructing their employees in the last few weeks on how to respond to customer demands in the event of a collapse of the U.S. economy - specifically telling the employees that only agents from the Department Of Homeland Security will have authority to decide what belongings customers may have from their safe deposit boxes - and that precious metals and other valuables will not be released to U.S. citizens. The bank employees have been strictly prohibited from revealing the banks' new "guidelines" to anyone. (however, employees have been talking to friends and family)

The next time you visit your bank, ask them about it - then ask yourself, why is this information being kept secret from customers and the public - what's really going on?

LIBERATED YERUSHALIYIM, D.C. (David's Capital), Liberated Israelite Tribal Territories of Yehudah and Binyamin, Kingdom of David and Shlomo, United Israelite Kingdom of Yehudah and Yosef, Yom Sheini, 23 Tevet, 5766, Root & Branch Information Services [mailto:rb@rb.org.il] [www.rb.org.il]:

Most Israelis have probably never thought very much about what the Roman Catholic Church/The Vatican thinks about "end of days" theology. Jews themselves do not give much thought to what will happen when "Gog and Magog" takes place. Jews do not go in for anything the least bit "next world" but instead are firmly planted in the here and know. That's good.

However, it does not matter what Jews think, what matters is what The Vatican believes, and why it believes this. Judaism, and modern Jewish thought pretty much just dismisses the basic tenets of Catholicism outright and does not even bother addressing the core questions of what is behind "Catholic theological claims".

Instead of taking what they believe seriously, we tend to snicker amongst ourselves when we see those pictures of obscure rituals and ceremonies, and think the whole

religion is near pagan-like with the "eating of Holy Wafers" and "sprinkling of Baptism water" on people's heads. That may be true, but that does not matter. What matters is what they believe and what they plan to do about making their beliefs become a reality.

The institution of "The Vatican" is not understood by Israelis and Jews. The conventional wisdom you get from the spokespersons in Israeli government ministries and the conventional Israeli media is "both sides have great intentions to do good" and that's about it. When it comes to Israel's bilateral affairs, nothing much gets investigated by the Israeli media. Thus a secret deal could be done between the Vatican and the State of Israel and nobody in Israel would ever find out about it.

In fact, that is exactly what happened.

This essay will provide the background to that deal, as well as what the Vatican's intentions are regarding Israel and the Old City of Jerusalem. It will reveal which Israeli politicians made certain commitments to the Vatican regarding the issue of sovereignty in the Old City of Jerusalem. These negotiations and meetings were all carried out in secret. During this time period, 1992-1995, the Oslo Accords was what got all the public's attention. Oslo was like "throwing sand in the eyes" of the public. The Vatican is where the real action was happening. Oslo seemed to be just the cover story. A "red herring", if you will.

What Does The Vatican Want?

It cannot be that the Vatican is only interested in "access to their Holy Sites" in Jerusalem. They already have that as well as legal jurisdiction under Israeli law for their institutions and assets in Jerusalem. Also, when these "Holy Sites" were under the jurisdiction of the Jordanians from 1948-1967, no Pope demanded the "internationalization of Jerusalem".

It is something else, which the Vatican wants. The Roman Catholic Church needs to have certain versions of events played out for them to stand in front of mankind and proclaim: "Our Messiah has returned". Of course, to the Jews, this Messiah will be as false as the first one was supposed to be. Does not matter. This is the goal of the Vatican and this is what all Israelis need to worry about.

The Vatican/Roman Catholic's version of events is this:

They know this is not the end of the story that the Jewish G-d had in mind, but that does not mean they will not try and engineer their own ending to the story. So what if it is fraudulent. Does not matter, that is their game plan and that is what matters and that is what Israeli Jews need to be better informed about. It is important for everyone to know what the Vatican has up its sleeve because it directly relates to our existence and our future destiny as an independent nation.

This a very powerful force this is scheming to get control of the Old City of Jerusalem so you better know why and how the Vatican intends to do this. Once you have all the facts and the chronological record you will be better informed deal with this issue and of foreign control over Israel's political existence and destiny.

First, you have to realize that for centuries the Vatican has attempted to obtain control of Jerusalem, which started with the Crusades. For them to convince the world that the Messiah they put on the world's stage is going to be accepted as genuine, they need to perform this play in the Old City. The story of this production is that this "Messiah" will merge the three monotheistic religions, usher in peace and harmony in the world, and solve the Middle East conflict. The location for this "production" will be in none other than the Old City of Jerusalem.

This so-called "Messiah" that will be proclaimed, will be a false one and will insist that by having a "world government" (i.e., the United Nations) that world peace and harmony will be ushered in. This will be a lie, and a fraud, but never mind. In our world, reality is not important. Public perceptions are.

The end result is the stripping of Israel's sovereignty as an independent nation giving way to a "regional bloc of nations" in the Middle East. Israel will be pressured to accede to these demands by all world bodies and the superpowers on the claim that "this is the only way to solve the Middle East conflict". In order for the Jews to go along they will convince them that with the "Messiah" having appeared for the Jews, it is time to start rebuilding the Third Temple -- what they call "Solomon's Temple".

This version of events is widely available through a simple search on the Internet as there are many Christian groups and organizations (the majority of which who are very pro-Israel) who do not buy into these beliefs and thus are against them. I did not come up with the theory -- I am just brining it to the attention of the Israeli public.

Make no mistake about it. The Old City of Jerusalem, as well as most of the eastern half of the city, is what the Vatican is after.

Why?

Because controlling the entire Old City of Jerusalem (and not just Church properties) and being able to build whatever they want on Mount Zion is critical for the program they have planned to put into play in our capital city. The deal that the Vatican has signed with Israel via **Yossi Beilin** and **Shimon Peres** (in secret and without the approval of the Knesset) gives The Church not only extraterritorial status vis-a-vis their properties (which is what the bilateral agreement the Israeli government signed with the Vatican on December 30th, 1993, put into law) but of control over the entire city as "custodians" under U.N. presence. In this way, the Jews will give up control over the

Old City. To the Israeli People the Vatican would say they have a problem. To the U.N., they would say, "we had no choice".

A Chronology of the Attempt by the Vatican to displace Israel from the Old City of Jerusalem

The "Chronology of Events" for the Vatican's conquest of the Old City of Jerusalem is as follows -- all of which can be verified via the sources of the information:

October, 1991

On October 12th, 1991, the **head of the World Jewish Congress, Edgar Bronfman**, is appointed head of the International Jewish Committee of Inter-religious Consultation to conduct official contacts with the Vatican and the State of Israel.

March, 1992

On March 17th, 1992, **Jerusalem Mayor Teddy Kollek** says: "The Israeli government should meet the Vatican's demand to apply special status for Jerusalem".

April, 1992

On April 1st, 1992, the Vatican announced that it "favors a Labor victory" in the June, 1992, general elections in Israel.

On April 15th, 1992, **Cardinal Joseph Ratzinger [now Pope Benedict]**, one of the highest ranking diplomats at the Vatican, visits Israel for the first time but only meets with **Jerusalem Mayor Teddy Kollek**.

June, 1992

The story of the Catholic Church's attempt to abscond with the Old City of Jerusalem from the Jews begins in July, 1992. According to the information on the Foreign Ministry web site, literally from the moment the new Rabin-led Labor government took over from **Yitzhak Shamir's** defeated Likud party, secret talks between the Vatican and the State of Israel began. What precipitated these secret talks? Who arranged these talks, and why? Why were they kept secret from the Israeli public? What was the end result of these agreements? Where do they stand today? The entire subject of Israel's bilateral relations with the Vatican is intentionally kept locked away in secrecy. It is no wonder that nobody in Israel knows much about "Israel-Vatican relations" as it is never, ever

reported on in the Israeli press.

The official story of the origins of Israel's "secret channel contacts" between Beilin's negotiating team and the Vatican comes about as a result of **Shlomo Gur**, a personal aide to **Deputy Foreign Minister Yossi Beilin**, who knew someone who put him in touch with **Father David Jaeger**. Father David Jaeger was president of the Catholic Court in Austin, Texas, and was brought up as an Israeli orthodox Jew who then converted to Catholicism and became a Father (not something that has happened to many Israelis who grew up Orthodox).

From there, which according to the information on the Israel Foreign Ministry web site was in July, 1992, right after the new Rabin government took over power, nothing is known about the discussions until the agreement is signed on December 30th, 1993. Nothing in the Israeli press. The info given on the actual agreement signed was very minimal and general in tone. This is probably one of the most important political contacts Israel has in the world's "power structure" yet it is not reported on in the press. Thus no Israelis know about it. That is how it remains hidden.

November, 1992

The document which was used as the underlying ideological basis for the Vatican's secret deal with **Yossi Beilin** and **Shimon Peres** was personally authored by Beilin. "The Illegitimacy of Israeli Sovereignty over Jerusalem" outlines the Israeli government's program for the future of Jerusalem and calls for the division of the Old City into cantons whose border posts will be under UN control.

The plan which led to the December, 1993, agreement between the Vatican and the State of Israel was originally discussed in November, 1992, at the exact same time the first meetings in London took place to discuss an agreement between Israel and the P.L. O. which led to the Oslo Agreements. The real goal was the Vatican attempt to take over the Old City of Jerusalem. Oslo, or, "peace between Israel and the Palestinians" was just a good cover story to hide what was really going on in another sphere of Israel's foreign affairs.

September, 1993

On the 10th of September, 1992, just three days before the signing of the Oslo Accords Washington, the Italian newspaper La Stampa reported that then **Foreign Minister Shimon Peres** concluded a secret deal with the Vatican to hand over sovereignty of Jerusalem's Old City to the Vatican. The agreement was included in the secret clauses of the Declaration of Principles signed on September 13th, 1993 in Washington, D.C.

In the same week that **Israeli Foreign Minister and chief Oslo architect Shimon**

Peres signed the Declaration of Principles with **Yasser Arafat** in Washington, the Israel-Vatican commission held a special meeting in Israel. Under the Vatican agreement the Israelis would give over control the Old City to the Vatican before the year 2000. The plan also calls for Jerusalem to become the second Vatican of the world with all three major religions represented but under the authority of the Vatican. Jerusalem will remain the capital of Israel but the Old City will be administered by the Vatican.

Arafat agreed to the plan just before the famous "handshake" in 1993, but when he realized that the Vatican was also going to let Israel share in the Temple Mount, he rejected it. (To get Arafat and the Palestinians "on board", on February 14th, 2000, the P.A. did sign an agreement with the Vatican which recognized the Palestinians' claims to east Jerusalem. The outbreak of the "Al Asqa Intifada" seven months after this agreement was signed may have been part of the commitment Arafat gave the Vatican as to what he would do in return for the Vatican acknowledging Palestinians claims to east Jerusalem and the right to statehood.

The violence in the Middle East serves the Catholic Church's interest especially if Jerusalem is the subject to discuss. By **Arafat** getting guarantees from the Vatican that no matter what he does the Europeans will not abandon him, then it makes sense for him to declare war on Israel in September, 2000. The "Barak gave him everything at Camp David" is propaganda. Nothing was offered that the Knesset would have approved. The Intifada could only have happened if Arafat had gotten assurances from major European powers that he would survive. The agreement on February, 2000, would have made more sense if it had occurred three or four years previous. However, its timing when it was makes the September, 2000, Intifada seem logical from Arafat's perspective.

November, 1993

In a report in the Jerusalem weekly newspaper Kol Ha'ir, it was revealed that: "for the past six months, the Israeli government has been taking advice on the future of Jerusalem from a planning commission headed by a close aide of **Teddy Kollek**, **Ra'anan Weitz**, formerly the settlement director of the Jewish Agency. At a secret meeting on September 9, 1993, one day before **Prime Minister Rabin** signed the recognition agreement with the P.L.O. in Israel, the forum met secretly and approved in principle a plan for Jerusalem concocted by Weitz, which he calls, "Metropolitan Jerusalem."

December, 1993

With absolutely no media coverage in Israel, on December 30th, 1993, a "historic agreement with the Vatican" is publicly acknowledged.

Called: "The Fundamental Agreement Between The Holy See and The State of Israel", it declares:

"Mindful of the singular character and universal significance of the Holy Land. Aware of the unique nature of the relationship between the Catholic Church and the Jewish People, and of the historic process of reconciliation and growth in mutual understanding and friendship between Catholics and Jews;

"Having decided on 29 July 1992 to establish a 'Bilateral Permanent Working Commission', in order to study and define together issues of common interest, and in view of normalizing their relations"

Already within one month of taking power there was a special committee to further "Israeli-Vatican Relations". From where did this initiative come so soon as the new government took office?

April, 1994

Deputy Mayor of Jerusalem Shmuel Meir announces at a Jerusalem press conference that he had received information that properties promised to the Vatican in Jerusalem would be granted extraterritorial status. (In early 1996 Meir was killed in a very suspicious car crash whereby the driver who drove a U.N. truck into Meir's car was not even charged).

May, 1994

Marek Halter, a French intellectual/philosopher and a close friend of **Peres**, tells the Israeli weekly magazine HaShishi that he personally delivered a letter from Peres to the Pope in September, 1993, in which Peres promised to internationalize Jerusalem, granting the U.N. political control of the Old City of Jerusalem, and the Vatican hegemony of the holy sites within. The U.N. would give the P.L.O. a capital within its new territory and east Jerusalem would become a kind of free trade zone of world diplomacy.

June, 1994

On June 15th, 1994, the Israeli government signs an agreement with the Vatican allowing the Catholic Church to participate in negotiations to determine the future of Jerusalem.

July, 1994

On July 9th, 1994, the **Vatican's Foreign Minister, Jean-Louis Tauran**, announces in Amman, Jordan: "Before territorial problems are resolved, we have to find international guarantees to safeguard the uniqueness of the city and assurances that never again one party should claim Jerusalem as its possession".

November, 1994

Israel signs a peace treaty with Jordan which, according to reports in Ha'aretz, Ma'ariv, and Yediot Achronot, included secret clauses concerning water and Jerusalem. The agreement had been negotiated in London eight months before between **Rabin, King Hussein**, and **Lord Victor Mishcon**. As part of the agreement, Jordan would receive control over the Islamic Holy sites within a Vatican-controlled Old City of Jerusalem.

March, 1995

A cable from the Israeli Embassy in Rome to the Foreign Ministry was in Jerusalem is leaked to radio station Arutz Sheva, confirming the hand over of Jerusalem to the Vatican. Two days later the cable made front page of Ha'aretz. In the widely distributed minutes of a meeting with **President Clinton** in 1997, **Peres** ended the cable with the words, "as I had previously promised the Holy See".

April, 1995

Member of Knesset Avraham Shapira announced in the Knesset that he had information that all Vatican property in Jerusalem was to become tax exempt and that large tracts of real estate on Mount Zion were given to the Pope in perpetuity.

February, 1996

A delegation from the Vatican met in Jerusalem with **Palestinian Authority Religious Affairs Minister, Hassan Tahbob**. **Father Serge Sebastian, Secretary General of the Vatican**, announced that the Holy See recognizes Palestinian sovereignty over east Jerusalem. After **Shimon Peres** had replaced **Yitzhak Rabin** as Israel's prime minister, **Internal Security Minister Moshe Shachal** refused to allow a Palestinian Authority meeting at the Vatican's Notre Dame Hospice in Jerusalem. According to Shachal, the Palestinians were planning to "use the Vatican to circumvent the Oslo Accords".

November, 1997

On November 10th, 1997, the State of Israel and the Vatican sign the "Legal Personality Agreement" whereby the State of Israel agrees to "assure full effect law to the legal personality of the Catholic Church itself". (What that means in plain English is anyone's guess).

February, 2000

Hedging its bets by having bilateral agreements with both sides in the Arab-Israeli conflict, on February 14th, **Pope John Paul II** meets **Arafat** in Rome to sign an accord to normalize relations between Roman Catholic churches in Jerusalem and P.A. **Palestinian Legislative Council Speaker Ahmed Qurei** told The Jerusalem Post that the agreement is "recognition by the Catholic Church of the Palestinian claims to the eastern half of Jerusalem". According to **Arafat's spokesperson, Nabil Abu Rudaineh**, "Arafat had been lobbying for the idea of sharing undivided Jerusalem, and for creating a Vatican-style sovereignty in the Old City". (Somehow we are supposed to believe that Arafat initiated this, and not the Vatican). The agreement calls for Jerusalem to be "an international city based on international resolutions and an international guarantee". The pack was signed despite the Vatican having signed an agreement with Israel six years earlier on December 30th, 1993 which gave legal jurisdiction under Israeli law over the Church's own institutions and assets in the Holy Land.

March, 2000

The Pope visits the Holy Land and repeats the Holy See's insistence that "international oversight -- 'a special statute, internationally guaranteed' -- would best safeguard the city's holy sites and all its religions. The city of Jerusalem is the main obstacle to peace in the region".

On March 27th, 2000, the Palestinian Authority says that the Vatican no longer insists on international status for the Old City of Jerusalem, and that the Vatican accepts the political division of the Old City between Israel and the Palestinians. (One has to wonder if this agreement had anything to do with Arafat's decision to wage war on Israel six months later?)

October, 2000

In a speech to the United Nations on October 30th, **Archbishop Renato Martino** declared: "The "unique character" of Jerusalem as a city sacred to three great religions makes it essential that religious leaders, not politicians, control the holy sites". In his meeting on October 26th, 2000, with **Lebanese Ambassador to the Vatican, Fouad Aoun**, **Pope John Paul II** said that the city of Jerusalem should be given "specially

guaranteed international status".

January, 2001

Israel TV journalists secretly film under the Shrine Of Omar, the 7th century Islamic building which may have been deliberately constructed over the Holy of Holies, the most sacred prayer room of the ancient Jewish Temple. The video revealed a new and massive tunnel aimed directly at the most sacred core of Solomon's and later, Herod's Temples. During the Crusades the early 12th century chivalric order, the Knights Templar, dug under the ruins for nine years and found a network of tunnels where the Jewish priests hid their treasures from the marauding Romans in 70 C.E. It was also assumed that the original records of the Jerusalem Church which prove that the Vatican was not practicing Christianity as its founders had intended, was buried in this spot. A pope with exclusive rights of divine interpretation was not part of G-d's plan. If these scrolls were made public they would jeopardize Rome's legitimacy. Thus it is imperative to the Vatican that the Jews be removed from the Temple Mount so that they do not find these important scrolls. The P.A. is serving as the Vatican's "building contractors" in this arrangement in the hope that the Vatican will side with the Palestinians in the conflict with Israel.

July, 2002

Israeli, U.S. and German delegations at the Organization for Security and Cooperation in Europe in Berlin have to fight a surprise proposal to internationalize Jerusalem's Old City by the Italian delegation to the meeting. The head of the Italian delegation told **Rabbi Abraham Cooper, Associate Dean of the U.S.-based Simon Wiesenthal Center**, that the main concern of the Italian government was that "in the future when there are peace discussions, the Palestinian entity will be given control of the Christian Holy sites".

Why the secular government of Italy should be worried about this was not explained in the news item. (The Jerusalem Post, July 8th, 2002).

So What is the Vatican planning and what can Israeli Jews do about It?

For centuries the Vatican has been pushing its "replacement" doctrine which states that the Catholic has replaced Israel as "the New Israel".

The Roman Catholic Church wants Israel to lose sovereign control over the Old City of Jerusalem so that "the promises to the literal descendents of Abraham will be applied to the 'New Jerusalem'. If Israel controls Jerusalem it is evidence that Rome's claims are

not legitimate and that the literal interpretation of Scriptures is correct. There is no place for the restoration of the nation of Israel in its theology. How can the Vatican claim to be "the New Jerusalem" and "rightful heir to the Kingdom of God" if the Jews control Jerusalem? How is the Catholic Church going to convince the world that their version of theology is correct?

The Vatican is going to have everyone believe this "mysterious individual who will "unite the faiths" and appear in Jerusalem which will be under the control of an authority headed by the Vatican". That deal to have the Vatican come into Israel and take over these properties and to "control and dominate the Old City of Jerusalem" already exists and has been fully documented and reported in the world's media.

The end goal of the Vatican is to seize control of the Old City of Jerusalem out of the clutches of the State of Israel. To that end they have a secret agreement with Israel which obliges Israel to respect the "extraterritorial" claim to their physical presence in the city. In short, "we have accepted the Vatican's rights to have little Vatican sovereign embassies throughout our eternal capital of Jerusalem. That same Vatican has committed itself, in public and in a written agreement, to ensure that the Palestinians have sovereignty in the Old City of Jerusalem.

The public record shows a secret deal has already been conducted behind the backs of the Israeli public whereby the Vatican was promised to take over the Old City. There is ample proof in the public record to prove that a secret deal was done with the Vatican by two Israeli government representatives, **Yossi Beilin** and **Shimon Peres**. As it was concocted covertly it cannot serve the Israeli public -- but someone else. Thus these agreements need to be made void and nullified.

It does not matter if religious Jews or Israelis think that "Catholic theology" is "strange looking" or extremely "ritualistic". What matters is that all Israelis understand that the Vatican has a secret agenda and it includes stealing the Old City of Jerusalem away from the Jews. That is what you need to know and understand. Unfortunately, this agenda is being carried out in secret and behind your back and that is why you are ignorant of its true aims. The purpose of this essay is to warn you of these exact intentions of the Vatican so that you will be an "informed consumer" when it comes to Israel's relations with the Roman Catholic Church. Even the overt clauses of the Vatican agreement, the exchange of ambassadors and the opening of the Vatican archives to Israeli researchers, have not been fulfilled by the Vatican.

From an Israeli perspective, the "Fundamental Agreement between the Holy See and the State of Israel" has been a complete failure and should be immediately rescinded.

A "ring of steel." Interesting.

It seems my Jewish friend on Long Island may be right. It sure fits the Jesuit scenario. There will be a nuclear detonation(s), killing many thousands of Jews. The Island will be quarantined; the Pope's gold in the Federal Reserve Bank will be safe. The Moslems will be blamed and the war will really then be waged against "the Axis of Evil."

Below is a clarification from our source concerning Jones and what he said to a caller who was pointing to Roman Catholic subversion of governments, mass murders, etc.:
NCT

I did send a notice that Alex Jones avoided the Jesuit word. The reception was so poor that day, and Alex was blustering at the caller Walt, that I missed Alex saying the J-word, yes _twice, without a prompting from Walt. A replay went as follows:

The caller, Walt from Mich. was very easy talking about Catholic control of world events and intelligence agencies, and Illuminati. [No mention of Jesuit, yet]
Then Alex jumps in and says: "I know that Adam Weishaupt was a Jesuit" [priest ?]
and was involved in the formation of the Illuminati.

Walt continues about the Popes had been after the English kings and Protestants to come back under Vatican control.

Then Alex jumps on him "Oh your saying that King Henry VIII was a good guy ! "

Walt continues; I did not say that ! Then continues politely about Catholic intervention in world events through secretive orders.

Alex jumps on him with; You are probably going to say its the Jesuits. 'who control the secret societies, the Masons, etc.'

Walt then still calm, continues with that thread; ' that, I did not mean the Jesuits so much as the Franciscans who had conducted atrocities in Serbia.

Please send out my apology for missing Alex actually did say the Jesuit-word twice in the rebroadcast that day at approx 1130PM, on 3215mhz.

Of course, Alex only said the words in a mocking sense to cover-up. He never went 1-step further in articulating any factual history to tie the Jesuits to a particular event of assassination, revolution, or similar coup de grace.

Correction is noted for this important dialogue on the Alex Jones show with the caller Walt from michigan , last week.

Dear Brother Bobby,

Thanks for this and I will send it around.

As I have maintained, if the Jesuits can demoralize and race mix the White Protestants and Baptists of Western Civilization, then the Reformation will be over along with the attendant political liberties. And the Lord's beloved Hebrew/Jewish/Israelitic race having benefited from White Protestant civilization will have no place to go but back to Israel to await their final attempted annihilation by the coming man of sin.

Subject: THE WHITE-ANGLO SAXONS BIBLE BELIEVING CHRISTIANS - THE LAST BARRIER

Dear Brethren :

To all my brethren in Christ Jesus. I'm a Filipino (Philippines) , and I'm proud of it. I belong to the Malayan Race but I've no envy to the White Anglo-Saxons Bible Believing Christians - THE LAST BARRIER AGAINST THE TYRANY OF OF ROME (Roman Catholic Church <== uplifted by the Jesuit Oder.)

There are matters hard to comprehend in this material world and so hard to understand if our power of thinking given to us by GOD OF ISRAEL will not be utilized.

Give me a little time and I'll will support and PROVE that the White Anglo-Saxons are the last barrier against ROME. The White Anglo-Saxons Bible Believing Christians, if they are not very noisy about the diabolic operations of the Jesuits-Roman Catholic Church, perhaps few intellectuals may missed the show (real scenarios) or may not noticed (like me).

My skin color is white-yellowshih like Japanese but my eyes are round dark-brown and medium size tip-nose, my hair is dark-brown because we are mixture of various races. We Filipinos have traces of Malay, Chinese-Japanese, Spanish & American (ancestral inter-marriages). But we are still classified as Malay Race. My father and my mother told me that we are malay race with mixture of Chinese-Japanese-Filipino (my father) and Spanish (my mother being a white-meztisa => Gonzales (Spanish) where my grand-grand mother is a pure Spaniard (Almost hundred of years ago, my relatives even transferred her graveyard to my ancestors).

I'm a Filipino (Malay Race) but an American educated "Schools Of Pennsylvania, U.S. A." A country ==> Philippines is still a slave of the Roman Catholic Institution.

The United States Constitution & White Anglo-Saxons Bible Believing Christians are the last obstables "BARRIERS" for Jesuits-Rome to rule the world entirely.

Title: Quick words on MSG by Eric Phelps

CRAIG-OXLEY - January 28, 2006 11:38 PM (GMT)

Good message on MSG.

The Papacy is poisoning use via its Rockefeller-financed Medical profession and the nation's corrupt food supply. Several of the food giants are in New York Archbishop Egan's CFR.

Subject: The dangers of MSG food additive

Hello folks!,

I could'nt find any disproof of this article and I know that MSG is bad but I didn't know it was this bad. Read on and educate yourselves. What you learn from this might save your life or the life of someone you know. I am sending a copy to the newly elected PM Stephen Harper to see what he will do about it. These corporations are well protected by the government minions. We don't have a government, we have corporate puppets!!! Let's try and inform our brothers and sisters of the continuing lies and deceit we come to expect from big business and their political puppets. Please pass this on.
REMEMBER TO BCC (BLANK CARBON COPY) AS TO PRESERVE PEOPLE'S PRIVACY.

Food additive "MSG" is a Slow Poison. Slow Poisoning MSG hides behind 25 or more names, such as "Natural Flavouring".

MSG is also in your favourite Tim Horton's and other brand coffee shops! Pass this on to those who still may be unaware or disbelieving of

the dangers of MSG.

I wondered if there could be an actual chemical causing the massive obesity epidemic, so did a friend of mine, John Erb.

He was a research assistant at the University of Waterloo in Ontario, Canada, and spent years working for the government.

He made an amazing discovery while going through scientific journals for a book he was writing called "The Slow Poisoning of America". In hundreds of studies around the world, scientists were creating obese mice and rats to use in diet or diabetes test studies. No strain of rat or mice is naturally obese, so the scientists have to create them. They make these morbidly obese creatures by injecting them with MSG when they are first born. The MSG triples the amount of insulin the pancreas creates; causing rats (and humans?) to become obese. They even have a title for the fat rodents they create: "MSG-Treated Rats".

I was shocked too. I went to my kitchen, checking the cupboards and the fridge. MSG was in everything! The Campbell's soups, the Hostess Doritos, the Lays flavoured potato chips, Top Ramen, Betty Crocker Hamburger Helper, Heinz canned gravy, Swanson frozen prepared meals, Kraft salad dressings, especially the 'healthy low fat' ones. The items that didn't have MSG marked on the product label had something called "Hydrolyzed Vegetable Protein", which is just another name for Monosodium Glutamate. It was shocking to see just how many of the foods we feed our children everyday are filled with this stuff. They hide MSG under many different names in order to fool those who carefully read the ingredient list, so they don't catch on. (Other names for MSG: 'Accent' - 'Ajinomoto' - 'Natural Meat Tenderiser' etc) But it didn't stop there. When our family went out to eat, we started asking at the restaurants what menu items had MSG.

Many employees, even the managers, swore they didn't use MSG. But when we ask for the ingredient list, which they grudgingly provided, sure enough MSG and Hydrolyzed Vegetable Protein were everywhere. Burger King, McDonalds, Wendy's, Taco Bell, every restaurant, even the sit down ones like TGIF, Chilis', Applebees and Denny's use MSG in abundance. Kentucky Fried Chicken seemed to be the WORST offender: MSG was in every chicken dish, salad dressing and gravy. No wonder I loved to eat that coating on the skin, their secret spice was MSG! So why is MSG in so many of the foods we eat?.. Is it a preservative or a vitamin?? Not according to my friend John. In the book he wrote, an expose of the food additive industry called "The Slow Poisoning of America" he said that MSG is added to food for the addictive effect it has on the human body. <<http://www.spofamerica.com>

Even the propaganda website sponsored by the food manufacturers lobby group supporting MSG at: <http://www.msgfactscom/facts/msgfact12.html> explains that the reason they add it to food is to make people eat more. A study of the elderly showed that people eat more of the foods that it is added to. The Glutamate Association lobby group says eating more benefits the elderly, but what does it do to the rest of us? 'Betcha can't eat just one', takes on a whole new meaning where MSG is concerned! And we wonder why the nation is overweight? The MSG manufacturers themselves admit that it addicts people to their products. It makes people choose their product over others, and makes people eat more of it than they would if MSG wasn't added.

Not only is MSG scientifically proven to cause obesity, it is an addictive substance! Since its introduction into the American food supply fifty years ago, MSG has been added in larger and larger doses to the pre-packaged meals, soups, snacks and fast foods we are tempted to eat everyday. The FDA has set no limits on how much of it can be added to food. They claim it's safe to eat in any amount. How can they claim it safe when there are hundreds of scientific studies with titles like these? :-

'The monosodium glutamate (MSG) obese rat as a model for the study of exercise in obesity'. Gobatto CA, Mello MA, Souza CT, Ribeiro IA. Res Commun Mol Pathol Pharmacol. 2002.

'Adrenalectomy abolishes the food-induced hypothalamic serotonin release in both normal and monosodium glutamate-obese rats'. Guimaraes RB, Telles MM, Coelho VB, Mori C, Nascimento CM, Ribeiro Brain Res Bull. 2002 Aug.

'Obesity induced by neonatal monosodium glutamate treatment in spontaneously hypertensive rats: an animal model of multiple risk factors'. Iwase M, Yamamoto M, Iino K, Ichikawa K, Shinohara N, Yoshinari Fujishima Hypertens Res. 1998 Mar.

'Hypothalamic lesion induced by injection of monosodium glutamate in suckling period and subsequent development of obesity'. Tanaka K, Shimada M, Nakao K, Kusunoki Exp Neurol. 1978 Oct.

Yes, that last study was not a typo, it WAS written in 1978. Both the "medical research community" and "food manufacturers" have known about MSG's side effects for decades! Many more studies mentioned in John Erb's

book link MSG to Diabetes, Migraines and headaches, Autism, ADHD and even Alzheimer's. But what can we do to stop the food manufactures from dumping fattening and addictive MSG into our food supply and causing the obesity epidemic we now see?

Even as you read this, G. W. Bush and his corporate supporters are pushing a Bill through Congress called the "Personal Responsibility in Food Consumption Act" also known as the "Cheeseburger Bill", this sweeping law bans anyone from suing food manufacturers, sellers and distributors. Even if it comes out that they purposely added an addictive chemical to their foods. Read about it for yourself at: <http://www.yahoo.com>.

The Bill has already been rushed through the House of Representatives, and is due for the same rubber stamp at Senate level. It is important that Bush and his corporate supporters get it through before the media lets everyone know about 'MSG, the intentional Nicotine for food'. Several months ago, John Erb took his book and his concerns to one of the highest government health officials in Canada. While sitting in the Government office, the official told him "Sure I know how bad MSG is, I wouldn't touch the stuff!" But this top level government official refused to tell the public what heknew.

The big media doesn't want to tell the public either, fearing legal issues with their advertisers. It seems that the fallout on fast food industry may hurt their profit margin. The food producers and restaurants have been addicting us to their products for years, and now we are paying the price for it. Our children should not be cursed with obesity caused by an addictive food additive. But what can I do about it?... I'm just one voice!

What can I do to stop the poisoning of our children, while our governments are insuring financial protection for the industry that is poisoning us!

This e-mail is going out to everyone I know in an attempt to tell you the truth that the corporate owned politicians and media won't tell you. The best way you can help to save yourself and your children from this drug-induced epidemic, is to forward this email to everyone. With any luck, it will circle the globe before politicians can pass the legislation protecting those who are poisoning us. The food industry learned a lot from the tobacco industry. Imagine if big tobacco had a bill like this in place before someone blew the whistle on Nicotine?

If you are one of the few who can still believe that MSG is good for us, and you don't believe what John Erb has to say, see for yourself. Go to the National Library of Medicine, at <http://www.pubmed.com>. Type in

the words "MSG Obese" and read a few of the 115 medical studies that appear.

We the public, do not want to be rats in one giant experiment and we do not approve of food that makes us into a nation of obese, lethargic, addicted sheep, feeding the food industry's bottom line, while waiting for the heart transplant, diabetic induced amputation, blindness or other obesity induced, life threatening disorders. With your help we can put an end to this poison. Do your part in sending this message out by word of mouth, e-mail or by distribution of this print-out to all your friends all over the world and stop this 'Slow Poisoning of Mankind' by the packaged food industry.

Blowing the whistle on MSG is our responsibility, get the word out.

Dear Brother Eric,

Please add me to your mailing list.

Also, could you please take a look at the attached IHS picture and explain it if you have time?

I have not seen one like this before. It appears to have a bird as part of the "H" but I cannot figure out what the items are that form (what modern IHS symbols now show as) the cross. Any ideas?

The three nails are in the Order's "Sacred Heart of Jesus."

Hope to hear you on P.I.D. again, and thank you for sharing all your findings.

Glad that they are helpful.

GOD SHOWN ME WHO'S THE REAL CULPRIT

Dear Brethren :

I will say this supported by the HOLY BIBLE : Do I Become Their Enemy For I'm Telling The Truth. Millions of Filipinos are ignorant what's going on to our beloved nation.

Philippines, a nation in Far East Asia blessed with all riches of marine life, wealthiest in terms natural sea the world can offer, rich many deposited minerals (mining industry), the highest intellectual people in Asia second from Japan after World War II, the most fluent English speaking country in the whole Asia, the rice farming research of Asia, and many more where our neighboring Asian country envy us for many decades.

Now the Philippines is wrecked, decaying, lagging-behind in many aspects, and a nation went into a merry-go-round situation resulted into unstable political agenda, coup de etat, a nation of divided people. A nation so boasted as a Catholic for 485 years from now a poor country.

The real enemy of this country is so evasive - The Roman Catholic Church is the Central Conspiracy Force the very reason this nation was knocked-out. Millions of Filipino people led to believe that their religion (Catholicism) brings salvation, joy and prosperity. Without knowing (hidden as dark secret) that Roman Catholic institution murdered millions of people around the world of course including the Philippines.

Millions of Filipino people are betrayed by the Catholic Church. In every angles of rallies, street protest, corruptions, political turmoil, rebellion, coup de etat, civil unrest, division among military, an air force without jet fighters to guard our skies and navy without battleships (poorly equipped military) to guard and depend our soverienty,

intrigues, gossips, economic downfall, poverty, infiltrating government affairs, the biggest land owners, schools, universities & tax free religious institution (catholic church), involvement in changing of the Philippine Constitutions & Bill Of Rights, and etc. Such as : Occultism, Witchcraft, Superstition, Questionable Apparitions & Miraculous Events, Pornography, destruction of Filipino's good values, generosity, hospitality, broken families, rise of criminalities, gambings, smugglings and many more unpleasant situation making this country a poor nation a a nation of divided people. IT IS ALL CRAZY!!!!!!

In all of these scenarios, it can be clearly seen that the Catholic Church is involved. Millions of Filipinos are ignorant what is the reality.

Please, find the attachment in Acrobat PDF File how the Roman Catholic Church murdered millions of innocent people and martyrs of Jesus Christ. Yet hidden in secret, Yet telling millions of Filipinos that they Roman Catholic Priests are servants of GOD and JESUS CHRIST. They are traitors of this nation.

Dear Brother Txxxxx,

Thank you for contacting me.

To my knowledge, I did not say that Wycliffe used Jerome's Corrupt Latin Vulgate. I have never believed this. I HOPE that I said Wycliffe used the Old Latin Bible, which is the Word of God in Italian. I always differentiate between Jerome's Popish Latin Vulgate and the Lord's Old Latin Vulgate.

Thanks for the heads up.

Subject: Wycliffe and the myth that Wycliffe used a corrupt latin vulgate

Brother Eric.....I thoroughly enjoyed your interviews on P.I.D. (Peering into Darkness). I was puzzled by the hosts "middle ground" stance that your information is well documented but that doesn't mean "we" agree with Phelps. However, I hope you do more interviews and make it available on the web.

In regards to your statement about Wycliffe using the corrupt latin vulgate, in particular,

the corrupted Jerome Latin Vulgate, I think you need to consider some of Wycliffe's statements that tell me he would never have used anything but the Word of God. I am a KJV only.

Wycliffe believed, as I do, that the English Bible was scripture (1 Thes. 2:13). Wycliffe wrote,

"The clergy cry aloud that it is heresy to speak of the Holy Scriptures in English, and so they would condemn the Holy Ghost, who gave tongues to the Apostles of Christ to speak the word of God in all languages under heaven" (John Wycliffe, *Speculum Secularium Dominorum, Opera Minora*, London: Wycliffe Society, John Loserth, editor, 1913, p. 74, as cited in Bill Bradley, *Purified Seven Times*, Claysburg, PA: Rival Fires Publishing, 1998, p. 11). I believe that Wycliffe concluded from Acts 2:4 that the Holy Scriptures were made available to every man from every nation under heaven in every language. Wycliffe wrote in his book *Wycket*, that "...such a charge is a condemnation of the Holy Ghost, who first gave the Scriptures in tongues to the Apostles of Christ, to speak that word in all languages that were ordained under heaven" . Wycliffe Prologue states that "therefore a translator...hath need to live a clean life, and be fully devout in prayers, and have not his wit occupied about worldly things, that the Holy spirit, author of wisdom, and cunning, and truth, dress him in his work, and suffer him not for to error...". Further, Wycliffe writes "...Holy Scripture is the unique word of God and our authors are only God's scribes or heralds charged with the duty of inscribing the law he has dictated to them.....":

I suspect that Wycliffe knew that Jerome was not such a man and could never, being a papist, be an instrument of the Holy Ghost to inscribe the Word of God.

Additionally,

1. Wycliffe had access to Hebrew Old Testament manuscripts. Wycliffe said "The Jews were dispersed among the nations, taking with them their Hebrew manuscripts. Now this happened...that we might have recourse to their manuscripts as witnesses to the fact that there is NO DIFFERENCE in the sense found in our Latin books and those Hebrew ones". Wycliffe used the first century vulgar Latin scriptures (Old Latin) was originated in Acts 2.

2. Confusion arises from a classic Jesuit tactic in which the 1850 publication of Wycliffe's Bible (edited by Frederic Madden and Josiah Forshall) changed the wording in the Prologue to "made from the Latin Vulgate" instead of "Old Latin(non-Jerome)". Wycliffe warns of such tactics in the original prologue "...he shall find full many bibles in Latin full false....". And, "Jerome was not so holy as the apostles and evangelists... neither he had so high gifts of the Holy Ghost as they had...". Further, "...one need not believe that Jerome is free from error, since many other interpreters disagree with him.....".

3. From a 1380 bible's title page...."The New Testament with the Lessons taken out of the Old Law, read in churches according to the use of Sarum: translated into English from the vulgar Latin, by John Wycliffe, D.D. Rector of Lutterworth 1380". Note the phrase "vulgar latin", not the Latin Vulgate.

4. Acts 2 tells me that the Word of God, in this case, the pure Latin scripture came from Jerusalem to the "isles in the sea" (Britain) with the Roman army and the word of God spread throughout the isles (ireland, scotland, etc.) and the Word was translated into the gothic venacular bible, anglo-saxon bible, and eventually the Wycliffe Bible. The Wycliffe Bible leading to the King James Bible.

In summary, the pernicious papacy would do anything to discredit John Wycliffe. I perceive another jesuit tactic to erase the truth.

Thank you for your information over the years and your interviews on line. If you have a list of your interviews in the past, I would appreciate it.

In Christ

Title: Were Martin Luther and John Calvin Poisoned?

Description: *Evidence of the Order's Poisoned Cup*

AVBibleBeliever - January 28, 2006 08:49 PM (GMT)

There is evidence the Jesuit Order murdered Reformation heroes Martin Luther and John Calvin. Luther went home to heaven in 1546. The wicked Jesuit Order was founded in 1534 the same year Luther published the Bible in German making him a prime target. The Order was officially recognized by Antichrist Pope Paul III on September 27, 1540 but it was undoubtedly active in combating Protestantism which was the reason why Satan raised it up through his willing slave Luciferian Ignatius Loyola prior to 1540.

<http://www.healpastlives.com/pastlf/mystery/mssluther.htm>

Unnatural Causes: the Poisoning of MARTIN LUTHER "The Death of a "Heretic" [according to the Jesuit Order]

My comments are in brackets []

Carter Lindberg, author of *The European Reformations* (1996) on pages 271-272 wrote: "Calvin died on 27 May 1564 at the age of fifty-five, Beza reported Calvin's death at sundown: "Thus in the same moment, that day, the sun set and the greatest light which was in the world, for direction of the Church of God, was withdrawn to Heaven. We can well say that with this single man it has pleased God in our time, to teach us the way both to live well and to die well (Kingdon 1967: 13). Like Luther, Calvin had long suffered a variety of ailments [due to the poisoned cup of the Order fulfilling their wicked and bloody oath. Calvin and Luther suffered the same symptoms and were main Reformers at the time the Luciferian Society/Company of Jesus was founded by Spanish Alumbrado Ignatius Loyola and approved by then Antichrist Pope Paul III] that caused severe pain and breathing difficulties, including arthritis, kidney stones, pulmonary tuberculosis, intestinal parasites, hemorrhoids, bowel problems, and migraine headaches. Bouwsma (1988: 30) suggests that "even more erosive" than

these physical ailments was Calvin's internal tension between his trust in God and his own need to control and to achieve. At the end he confessed his deficiency in everything: "Truly, even the grace of forgiveness he [God] has given me only renders me all the more guilty, so that my only recourse can be this, that being the father of mercy, he will show himself the father of so miserable a sinner."

Whether Calvin was a neurotic overachiever is for psychiatrists to evaluate; but both Calvin and Luther were convinced that only divine therapy can provide more than amelioration of symptoms and begin a cure. Just before his death Luther scribbled the lines, "No one can think he has tasted the Holy Scriptures thoroughly until he has ruled over the churches with the prophets for a hundred years... We are beggars. That is true." (LW 54: 476). Both Calvin and Luther "suffered through the conflict- unavoidable for medieval and modern alike - between the conscience and Evangelical reliance on God.... This is the sickness unto death which Luther uncovered: we cling to our achievements and cannot shake the need to prove ourselves before God and man, in life and death. Luther's 'neurosis' proves to be part and parcel of the Reformation discovery: we are beggars - that is true! (Oberman 1989b:324). At his own request Calvin was buried in an unmarked grave. [Calvin cared not for this world which he made not his home and the Lord rewarded his self-denial and humility by blessing future generations for his faithfulness to His word of truth].

Royals and nobles believe in Dragon genes?

Following are some additional thoughts about the transnational intelligence group Le Cercle and its links with the monarchist Templar organizations. This article doesn't imply that all the thousands and thousands of people involved with these organizations have anything to do with the international intelligence agencies and secret plots.

user posted image

May 2004, Andrew Bertie, head Sovereign Military Order of Malta worldwide, attends the wedding of the Spanish Crown Prince Felipe. King Juan Carlos of Spain is both a member of the Order of the Garter as well as from SMOM. He's also head of the Golden Fleece Order

Le Cercle is clearly managed by people representing the British Throne and some powerful interests in the City of London. Queen Elizabeth II is head of the Order of St. John of Jerusalem, an order descended from the Knights Hospitaller (which absorbed the possessions of the Knights Templar in the early 14th century). Another great influence on Le Cercle has been (and possibly still is) the Vatican's Sovereign Military Order of Malta (SMOM), also descended from the Knights Hospitaller. SMOM is headed by Andrew Bertie, descendent of Mary Stuart and a cousin of Queen Elizabeth II. One of the founders of Le Cercle was Otto von Habsburg (once heir to the Austro-Hungarian throne) who was the longtime president of the European Council of Princes. This Council of Princes is now being headed by HRH Prince Michael Stewart. In the past, the Council has been funded by the CIA (because of its anti-communist sympathies), an intelligence agency set up and headed by members of the Knights of Malta. On the

Stewart's / European Council of Princes' website you can see how the European Council of Princes, The Order of St. John of Jerusalem, The Sovereign Military Order of Malta, the Ordo Draconis, Freemasonry, the Knights Hospitaller, and the Knights Templar are all intertwined with each other. A lot of people might have already read about this, but the fact that it's all published on an official website is quite extraordinary.

Sovereign Military Hospitaller Order of St. John of Jerusalem of Rhodes and of Malta, better known as the Knights of Malta

After reading some of the writings of Nicholas de Vere, I wondered if he carried the same ideas as the Stewarts or the other royal and noble families of Europe. De Vere claims in a lot of detail that an ancient (non-extraterrestrial) Dragon race once interbred with humanity. A relatively small amount of people still carry their genes, which means they have a small difference in their genetic makeup. Of course, some people, like de Vere, have purer Dragon genes than others, which makes them much more wise than all the other ordinary peasants. It also gives them special powers (to communicate with god-knows-what) through the practice of royal witchcraft. In short, they're destined to rule, because common ordinary peasants don't have the ability to develop any of these special powers. But as usual there's a lot of infighting about who's got the most pure genes. And on top of that, de Vere accuses the Catholic church of having replaced the kings of Europe with ordinary humans and to have done everything in its power to destroy his Elven-Fairy-Vampiric-Archdruid-Dragon race.

user posted image

Most Venerable Order of St John of Jerusalem

You might think de Vere is making everything up, but it is true that the extinct Earls of Oxford, who he claims he is a lateral descendant of, were among the bluest of blue blood family lines in England. Those that were introduced into the Knights of the Garter were the 9th Earl of Oxford in 1384, the 11th Earl of Oxford in 1415, the 13th Earl of Oxford in 1486, the 15th Earl of Oxford in 1527, and the 20th and last of the Earls of Oxford in 1660. The 20th Earl of Oxford, Aubrey de Vere, was also the last Earl to be a member of the Privy Council. In these positions they were close advisors to many kings and queens of England and were surrounded by families as Cavendish, Cecil, Spencer, Stuart/Stewart, Arundel, Plantagenet, and others. In many cases these families intermarried.

After reading de Vere used to be head of the British Dragon Court, I wanted to know if this was the same Dragon Court you can find on the website of the Stewarts. I certainly don't believe de Vere, or any other royal for that matter, is more divine than the common man in the street, but I find it very interesting that the nobles of the United Kingdom and the royal families of Europe might actually be interested in Dragon genes and the 'divine right to rule' concept. Can't remember I heard anything about this in my

biology classes. From the website of the Ordo Draconis (Sarkany Rend), where Prince Michael Stewart is Grand Master of, we can read something that is very similar to what de Vere is claiming:

[user posted image](#)

Dragon Court officers in New York city

"...Shortly after this foundation, Szigmond was crowned Holy Roman Emperor in 1411 and, although the Court's ancient origins were steeped in pre-Christian lore, Pope Gregory XII was obliged to approve his Emperor's establishment, for the nature of the Dragon is such that its princely tradition surmounts the mundane constraints of denominational dispute. After all, King David, Solomon and even Jesus were all pre-Christian dynasts of the line."

So, what this text is saying is that a person with the most pure (Dragon) genes is destined to rule. Religion doesn't matter. If I wouldn't have read this on the official website from the Royal House of Stewart & the Council of Princes I wouldn't have believed it that easily. Below, you can find two email correspondences with Sir John Reid, Secretary to HRH Prince Michael of Albany, and Erin D. Lindsey from the Dragoncourt.org. I asked them a bit about their views on the Knights Templar and the relationship between de Vere and the House of Stewart. You don't get too many answers, but they're still interesting.

Question to the Royal House of Stewart:

QUOTE

Dear Sir / Madam,

I recently came across your website and became a bit confused. For instance, there seems to have been a debate going on forever if modern Freemasonry originated from the Templars. Yet, now I see that at the Templar / Freemasonry section of your website that this notion has been more or less accepted. Is this true?

And do the Knights of Malta have anything to do with the Knights Templar? The red crosses look very similar.

Another thing I am very curious about is HRH Prince Nicholas de Vere von Drakenberg. I read an interview with him in which he claims that his bloodline, like those of many other nobles, is descended from the ancient gods, who normally are just considered myths. So, my other questions are:

What is the opinion of the Council of Princes about Prince Drakenberg? Do at least some royal families, like the house of Stewart, have the same ideas as Prince Drakenberg?

I thank you for your time.

Sincerely,

Joël van der Reijden

Reply from the Royal House of Stewart (10 days later):

QUOTE

Dear Sir,

Thank you for your e-mail.

To answer your various questions, firstly with regards to Freemasonry and the Templars, the Catholic dictionary does admit to the fact that Freemasonry evolved from The Order of the Knights Templar in Scotland. Prince Michael's next book, to be published next May, deals with that very subject and lots more.

With regards to the gentleman styling himself Prince Drakenberg, he is neither a member of the European Council of Princes nor does the European Council of Princes holds his views as valid. The title is self-assumed in any case. The only Order of the Dragon (Sarkany Rend) that is legal is that under the Grand Mastership of HRH Prince Michael of Albany and legally entered in the Courts of Hungary. Mr de Vere has nothing to do with the Order.

Yours sincerely,

Sir John Reid
Secretary to HRH Prince Michael of Albany.

So, what Sir John seems to admit is that these people believe that the Knights Templar fled to Scotland (and Portugal) where their philosophies developed into the Scottish Rite of Freemasonry. Then it's interesting to see when I look at the website of the [United Grand Lodge of England](http://www.ugle.org) I don't see any talk about Templars, only about medieval "stonemasons". HRH the Duke of Kent, cousin of both Queen Elizabeth II and Prince Philip, is head of that lodge.

The bottom part of his email doesn't really go into if de Vere and their Ordo Draconis had a common past or share certain philosophies. That's probably not by accident.

Question to <http://www.dragoncourt.org> :

QUOTE

Dear sir / madam,

I have a short question. Below, I have pasted two urls:

<http://www.royalhouseofstewart.org.uk/dragon.htm>

Dragon court of which the Stewarts are members

<http://www.thedragonsociety.com>

Nicholas de Vere's Royal Dragon Court.

Do they represent the same society? What I mean is; is Nicholas de Vere head of the society the Stewarts refer to?

sincerely,

To answer your question, Nicholas De Vere used to be allied with Laurence Gardner, Prince Michael Stewart of Albany, and the Royal Stewart House. But he broke with them around 2000-2001 when he fell out with Laurence Gardner, after co-authoring "Bloodline of the Holy Grail."

Around the same time, De Vere was replaced as head of the British Dragon Court by Baron Sir Richard Dufton. In late 2003, Nicholas De Vere or persons claiming to be operating under his aegis launched the website at <http://www.thedragonsociety.com>.

I hope that this information is helpful.

Although the details aren't clear to me, it seems that what de Vere has been writing down is a genuine belief in many noble families and royal families, and known to the leaders of the Vatican. In addition, de Vere and Laurence Gardner have been working together until de Vere accused Gardner of not giving him the proper credentials in the works he wrote. Gardner has been the Presidential Attache of the European Council of Princes. This is the same Council Le Cercle founder Otto von Habsburg has been the long time president of and which today is headed by Prince Michael Stewart.

An interest in bloodlines, without the Dragon theme, is quite common in these aristocratic circles. As has been shown earlier on this site, the leaders of several genealogical organizations have been recruited in the Pilgrims of the United States. Among them are the Order of the Crown of Charlemagne and the Order of the

Merovingian Dynasty.

And on top of that, de Vere accuses the Catholic church of having replaced the kings of Europe with ordinary humans and to have done everything in its power to destroy his Elven-Fairy-Vampiric-Archdruid-Dragon race.

Nicholas de Vere also mentioned Pan in The Origin of The Dragon Lords of the Rings. In fact, he starts out with this deity:

QUOTE

"Hermes is the father of Pan and Zeus is the father of Dionysus. Pan and Dionysus are always featured in the same retinue and as Bacchus, Pan's rites duplicate those of his twin Dionysus... The Dionysic Rites were cannibalistic and vampiric and echo the era of the cannibalism and vampirism of the (Titanic) era of the sons of the Nephilim."

"The wings of Baphomet are swan's wings and this immediately speaks of the swan princes, grail princesses and fairy queens which symbolise the dragon blood. Baphomet is a Nephilim. Its legs are the legs of Pan..."

Part 18 - The Dragon Court

<http://www.africaforum.com/showthread.php3...72&pagenumber=2>

The Imperial and Royal Dragon Court & Order was one of several occult-inspired secret societies created by the aristocracies of Europe following the formation of the Catholic Priory of Sion and the Knights Templar in the 12th Century.

During a time of turmoil within the Holy Roman Empire that controlled most of Europe, these exclusive inner courts and more accessible outer orders were designed to unify the power of the aristocratic families under the Holy Roman Emperor, against an increasingly influential Vatican.

The Dragon Sovereignty, also known as the "Rex Deus" fraternity, was created by Catholic Holy Roman Emperor Sigismund and occultist Vlad the Impaler--the historical figure behind the Dracula myths. Following alchemical principles, the order sought to attain mystical powers that they believed to be their birthright, as inheritors of the bloodline of the Holy Grail.

Vlad the Impaler was a prominent member of the Holy Roman Emperor's court, and while the occult pursuits of the Dragon Court were not unusual amongst similar aristocratic brotherhoods, it is of relevance today as one of the longest surviving and most visible of these secret societies. Recent publications from within the order such as Sir Laurence Gardner's "Genesis of the Grail Kings" outline their detailed beliefs about the evolution of Man, and are bestsellers at bookstore Barnes & Noble. These books describe a belief system similar to that of Madame Blavatsky and her Theosophy movement, which was largely responsible for the esoteric ideas that led to the Jewish Holocaust:

"In practical terms the concept of this unique fraternity can be traced back to the original Grand Assembly of the Annunaki in ancient Mesopotamia".

The aristocratic families of the Dragon Court believe their pure blood makes them the "genetically engineered" and chosen rulers of Man. They believe the natural social order of Humankind is Feudalism rather than Democracy as "Incompetant self-seeking, middle-class idiots more often find themselves voted into control of vast social systems".

Much of the European Community recognizes the Dragon Court as an ethnic racial group and Sovereign State, similar to the secret society the Knights of Malta, who incidently have Permanent Observer status at the United Nations. By its own admission, the order has within its ranks Catholic Bishops, Monsignors, and even a Papal Chaplain - Monsignor Laszlo Esterhazy of the Mariaremete Cathedral in Budapest. Extraordinary claims by ex-Jesuit priest and Vatican insider Malachi Martin may finally get the attention they deserve, albeit after his untimely death in 1999. Martin worked in the inner circles of the Vatican for over twenty years, spoke 17 languages, and wrote many respected scholarly books. However, his final book claimed an occult conspiracy was afoot within the Vatican, and that Satanic rituals were conducted within

a Secret Church dedicated to "Lucifer".

The Dragon Court is directly linked to the European Council of Princes - the political body of the European Grail families, who participated in the formation of the New World Order think-tank "The Bilderberg Group". Sir Laurence Gardner is both Chancellor of the Dragon Court and Presidential Attache to the Council of Princes. By their own admission, the Council of Princes was supported by the CIA in their fight against global communism. However, the Princes did not fight communism in order to restore democracy, but in order to reclaim their birthright as natural rulers within a feudal system that caused so much suffering to the Russian people prior to their revolution of 1917.

The Dragon Court primarily concerns itself with Witchcraft and alchemical Vampirism, and considers itself the terrestrial incarnation of the pantheon of the Gods.

It's function is to do "the will of the Gods" as interpreted by the Court's hierarchy. Gardner bluntly elaborates in his book "Genesis of the Grail Kings":

"The Mesopotamian (Sumerian) accounts indicate a rampant population problem which had to be curtailed. An ancient Akkadian text states that the people had multiplied beyond any control and were so noisy that Enlil (Annunaki God) could not get any sleep... they were still lacking the key elements of wisdom and a properly regulated society. There was no marital institution and there were no rules governing procreational couples. Until 4000 BC, sexual mating was largely a matter of free will, with a freedom of partners... they were apparently not conditioned to municipal laws and organized social government. The tablets reveal that Enlil had tried to reduce the population by means of selective famines and plagues, but without success. And so the Assembly of the Annunaki elected for a drastic solution that could quickly pave the way to a new beginning. They agreed to flood the Sumerian region in its entirety".

The genocidal impulse of the Gods doesn't find any difficulty expressing itself in modern times. No doubt the recent spread of AIDS in Africa is also the handiwork of the Assembly of the Annunaki Gods.

Presumably so was the naming of the vast mountain range which covers most of South Africa - the "Drakensberg Mountains".

In a naive attempt to put a human face to the mask that the Dragon Court has worn since its inception, Chancellor Gardner and Sovereign Grand Master Prince Nicholas de Vere von Drakenberg reveal much about their Occult philosophy and belief system. Having been appointed Sovereign Grand Master by the House of Habsburg (former head of the European Council of Princes Prince Otto von Habsburg), De Vere von Drakenberg is attempting to make a case with his website "dragoncourt.org", where he openly discussed the values of the Order - namely Vampirism, Witchcraft and

Satanism. His e-book "From Transylvania to Tunbridge Wells" candidly admits that their forefathers the Knight's Templar were a "deeply Satanic organization".

This would be of little consequence were it not for the fact that the Knights Templar are also the founding fathers of modern Freemasonry, and the role model for the Ivy League secret society "Skull and Bones" of which past President and CIA director George Bush was a member. President George W. Bush admitted in a Time magazine interview (Aug 7, 2000) that he too is an initiate. When asked to elaborate, he responds "Without revealing all the great secrets?", then adds that his father told him "These same secret societies are behind it all".

Earlier in 2000, Yale's "Skull and Bones" secret society featured Sir Laurence Gardner as a guest speaker.

Gardner's historical writings have recently been approved and sanctioned by the British Royal Family's invitation for him to join the House of Windsor's "Society of Antiquaries", the oldest antiquarian society in the world that was constituted by King George III. Or maybe it is Gardner's extensive knowledge of Witchcraft that caught the eye of the "Royal Windsor Coven", as De Vere refers to them in his essays - "During the late 70's and early 80's a series of privately published papers was circulated with material that originated from the Royal Windsor Coven, with damning criticism of so-called initiatory witchcraft, and emphatically asserted that the only genuine valid form of witchcraft was passed down through the blood". No doubt the rise of right-wing Conservatism in the 1980's was matched by an equal rise in Occultism and Witchcraft.

Magister Templi (Master Templar) De Vere's internal wires are clearly crossed as he declares "Evil is good, and good is evil".

His venomous view of Humanity is difficult reading:

"Man is thoroughly stupid and dim-witted... and this condition is genetically inherited. Nurture seems unable to ameliorate what nature has here ordained. Here the idealist might argue that a eugenic solution mediated through genetic engineering could produce a more passive, thoughtful population by weeding out the stupid gene and replacing it".

"Leaders are supposed to be able to function at a faster rate than the followers and thereby anticipate any given direction the system might go in, and plan sensible strategies that the system might adopt for its well-being".

"To any intelligent person, to any true seer, concepts like white or black magic or good or evil are irrational, childish nonsense; both in terms of logic and actual fact".

After proving that Jesus was a "Dragon King of the Grail Bloodlines" and a "descendant of Satan", De Vere pronounces "The Black Mass was the original Christian Mass of

Jesus which the later Catholics stole and sanitised for public consumption".

De Vere assures us that "technically the crime of murder doesn't exist", and comes to the defense of "paedophiles and Satanists" claiming the current "FBI and Scotland Yard investigations are undermining the foundation of the Great Western Civilization". The vampiric rituals "MUST be repeated", the internationally recognized Prince demands.

Through his website De Vere von Drakenberg was accepting submissions of blood samples to be DNA tested at a top London facility for purity of stock. If the potential initiate's blood was shown to be of the authentic bloodlines (and no doubt sufficiently connected politically and economically) they too could join the ranks of the elite aristocracy and become a Vampire. De Vere's goal is to reunify the old bloodlines and create a new Master Race, and no doubt reclaim their aristocratic authority. The elimination of the sub-races would have to be the next priority, as their evolutionary belief system dictates.

"If the planet is to survive, then social groups must become smaller, and must be ordered by economic necessity, not by the global tyranny of the so-called Democracy of Consumerism... By re-introducing their old social structures and values, the Dragons hope to establish a naturally ordained system of socio-economic interactions between the Dragon (Aryan) people".

This new community of born-again Aryans is unlikely to be picking De Vere's apple trees, more likely they will be running transnational corporations, sitting on the secretive "Bilderberg Group", or any other high-level political-financial-military body. The aristocrats of Europe are far from impotent, as illustrated by Prince Bernhard of the Netherland's position as chairman of the "Bilderberg Group" from its inception in 1952 to 1976. His daughter Queen Beatrix regularly attends the Bilderberg meetings, as do other prominent Eurocrats.

While De Vere's pursuits may sound bizarre, to outsiders the draconian methods of the Nazis and the demonic nature of the Holocaust sounded equally unbelievable at the time it was occurring. In 1919 Germany's occult "Thule Society" had 1750 members, including industrialists, business men, scientists, aristocrats, military chiefs, judges, and government ministers. Just over a decade later they had funded and created the Nazi Party, with Adolf Hitler as its leader. The sudden rise to power of Austria's "Freedom Party" headed by neo-Nazi Jorje Haider will almost certainly have connections to the Austro-Hungarian "Sarkeny Rend" inner-council of the Dragon Court. For decades Austria's Prince Otto von Habsburg has been seeking a restoration of the monarchy in Austria, and undoubtedly the "Freedom Party" is part of the plan. De Vere clearly puts his money where his mouth is, believing Gardner's earnings from his bestselling book should be "invested in organisations whose works are the practical expression of the messages conveyed in the written word".

Stanley Kubrick felt sufficiently motivated to dedicate his final years to exposing the secret occult pursuits of the Power Elite in his movie *Eyes Wide Shut*. As Sydney Pollack's character explains to Tom Cruise's Dr. Bill "If you knew who these people were, you wouldn't sleep so good at night". The same goes for the seemingly idiosyncratic, yet dangerously influential and ambitious Dragon Court.

Following the publication of Gardner's "illuminating" book, De Vere's no-holds-barred website, and the subsequent dismissal of Gardner, the Dragon Court apparently spiraled into schism. The inner council of Sarkeny Rend has side-stepped out-of-the-closet and proud Satanist Grand Master De Vere by appointing quasi-Catholic "scion" Prince Michael Stewart as Grand Protector of a rival order at a ceremony at York Manor, England, which was strangely attended by representatives for Queen Elizabeth II. This move allowed Gardner to remain in the fold, but has seemingly sent a tremor through the Dragon Sovereignty. Concurrently a legal challenge has been made by Scotland's Cardinal Winning to reverse the British law that bans Catholics from the throne, paving the way for a Stewart restoration. However, De Vere was appointed Grand Master by Austria's House of Habsburg, also prominent and influential Catholics.

The shadowy world of European secret societies is seemingly as complex as the Gore/Bush November 2000 Presidential race - no doubt its correct outcome, unethically decided by the Supreme Court, was of extreme importance to the Power Elite. The Queen of England's pre-election October visit to the Vatican, the first in 20 years, followed by the much protested post-election December meeting between Pope John Paul II and neo-Nazi Austrian leader Jorge Haider (another Habsburg minion) was undoubtedly all part of the Master Plan, or Final Battle, for absolute power in the New World Order... or at the very least to allow the back-room boys to consolidate their interests, stay on top of their respective power pyramids, and maintain their grip on the hearts and minds of Western civilization. And the rest, post-World Trade Center disaster, is fast becoming history... if not Armageddon.

As of late 2002, according to the Dragon Court website Prince Nicholas De Vere is currently suffering from acute paranoid schizophrenia.

De Vere, whose main contribution to the order was allegedly adapting rituals "to include the first menstrual blood of pre-adolescent girls", has been replaced as his cousin, Baron Sir Richard Duffon, due to De Vere's condition and his involvement with "Americans who wish to remain anonymous" with possible links to the "Dragon Order side of the Ku Klux Klan." Schizophrenia aside, De Vere is now running his own transnational order in tandem with the anonymous Americans; which means that there are now three Dragon Courts to choose from, depending on your personal leanings, and of course, that you are of the Dragon blood.

However, with their claims that a "child of pure blood was born in the late 1980's and is

being raised by the Jesuits", and that "two children with purer blood are residing in Great Britain", the plot twists are becoming less Shakespearean, and more Hollywood (as in The Omen) by the day.

But don't take our word for it...

KNIGHTS OF DARKNESS

THE SOVEREIGN MILITARY ORDER OF MALTA

INTRODUCTION

The Sovereign Military and Hospitaller Order of St. John of Jerusalem of Rhodes and of Malta, known also as the Sovereign Military Order of Malta, or SMOM, is juridically, politically, and historically unique in the world today.

Representing initially the most powerful and reactionary segments of the European aristocracy, for nearly a thousand years beginning with the early crusades of the Twelfth Century, it has organized, funded, and led military operations against states and ideas deemed threatening to its power. It is probably safe to say that the several thousand Knights of SMOM, principally in Europe, North, Central, and South America, comprise the largest most consistently powerful and reactionary membership of any organization in the world today.

Although an exclusively [Roman] Catholic organization, in this century it has

collaborated with, and given high awards to non-Catholic extremists in its current crusade against progressive forces in the West, the national liberation movements, and the socialist countries.

To be a Knight, one must not only be from wealthy, aristocratic lineage, one must also have a psychological worldview which is attracted to the "crusader mentality" of these "warrior monks." Participating in SMOM Ñ including its initiation ceremonies and feudal ritual dress Ñ members embrace a certain caste/class mentality; they are sociologically and psychologically predisposed to function as the "shock troops" of Catholic reaction. And this is precisely the historical role the Knights have played in the wars against Islam, against the Protestant "heresy," and against the Soviet "Evil Empire."

The Catholic Right and the Knights of Malta, in particular Baron Franz von Papen (see sidebar), played a critical role in Hitler's assumption of power and the launching of the Third Reich's Twentieth Century Crusade.

SMOM's influence in Germany survived World War II intact. On November 17, 1948 SMOM awarded one of its highest honors, the Grand Cross of Merit, to Reinhard Gehlen, the Nazi chief of intelligence on the Soviet front. He was subsequently installed by the Americans as the first chief of West Germany's equivalent of the CIA, the Bundesnachrichtendienst (BND: federal secret service), under West German Chancellor Adenauer, a devout Catholic who had received the Magistral Grand Cross personally from SMOM Grand Master Prince Chigi.

After the appointment of Knight of Malta William Casey as head of the Central Intelligence Agency, and another Knight, James Buckley, as head of U.S. propaganda against Eastern Europe at Radio Free Europe/Radio Liberty, several historians noted with interest President Reagan's call during the summer of 1982 for a "crusade" against the "Evil Empire" in Eastern Europe.

[including Balkans JP]

In addition to Casey, and James Buckley, its current members, or Knights, after the feudal fashion, include Lee Iacocca, John McCone, William Buckley, Alexander Haig, Alexandre de Marenches (the chief of French Intelligence under Giscard d'Estaing, himself a Knight of SMOM), Otto von Hapsburg, and various leaders of the fascist P-2 Masonic lodge in Italy. While its organizational funding is relatively modest, its leverage is maximized by the presence of its Knights in key positions in other private and governmental structures throughout the world.

FRANZ von PAPEN

A leading figure in Hitler's coming to power was SMOM Franz von Papen, known as "the devil in a top hat." A devout Catholic aristocrat from an old family of Westphalian

nobility, a former military attache and spy against the United States in 1915, von Papen became Chancellor in May 1932, with the support of the Nazis. In June he ordered the dissolution of the Reichstag, calling for new elections in July, in which the Nazis emerged as the largest party in the new Reichstag. After a meeting with Hitler, von Papen persuaded President von Hindenberg to offer Hitler the Chancellorship, which he assumed on January 30, 1933. Von Papen became his Vice-Chancellor.

In April 1933 von Papen was elevated to Knight Magistral Grand Cross of SMOM. After the murder of Austrian Chancellor Dollfuss in Vienna in July 1934, von Papen became Hitler's Ambassador to Austria, and, in March 1938 stood by the Fuhrer's side at his triumphal entry into Vienna. From 1939 until August 1944 he was the Nazi Ambassador to Turkey, and at the Nuremberg trials he was charged with conspiracy to wage aggressive war. He was one of several Nazi leaders acquitted, and subsequently received a generous pension from the first postwar Chancellor, Konrad Adenauer.

Page 28

The President of the American Eastern Association of SMOM is J. Peter Grace, President of W.R. Grace Company, who was a key figure in Operation Paperclip, which brought Nazi scientists to the U.S. 1

SMOM's Sovereign Diplomacy

As its name suggests, SMOM is both a "sovereign" and, historically, a "military" organization. Its headquarters, occupying a square block in Rome at 68 Via Condotti, enjoys the extra-territorial legal status granted to an embassy of a sovereign state. The Italian police are not welcome on its territory, it issues its own stamps, and has formal diplomatic relations and exchanges ambassadors with a number of countries.

On November 13, 1951 Italian President Alcide de Gasperi recognized the diplomatic sovereignty of SMOM, although he held off formal exchange of diplomatic envoys.² On January 11, 1983 the New York Daily News announced that,

"The Vatican and the order of the Knights of Malta, believed to be the smallest sovereign state in the world, have agreed to establish full diplomatic relations, a joint statement said today. "

President Reagan's Ambassador to the Vatican, William Wilson, is, coincidentally, a Knight of Malta.³

On September 5, 1984 French Foreign Minister Claude Cheysson signed a formal protocol with SMOM for various cooperative projects including "aid to victims of conflicts."⁴ (See below on Americares.)

Historical Antecedents

Already in existence at the time of the first Crusade in 1099, in 1113 the Order of St. John was given its independence by Pope Pascal II, permitted to elect its own Grand Master, and soon the Order began military participation in the Crusades along with with the Knights Templar and Teutonic Knights. The Order of St. John recruited successfully among the European aristocracy and soon controlled extensive estates throughout the continent, assimilating those previously belonging to the Knights Templar which it had helped crush during the first two decades of the 14th Century, with the Templar leadership burned alive as heretics.

J. Peter Grace and Project Paperclip

On January 16, 1980 ABC-TV broadcast a special "News Closeup," "Escape from Justice: Nazi War Criminals in America" which discussed Grace's Role in Project Paperclip.

The transcript of the program, available from ABC on request, states,

"Project Paperclip from the end of WW II to the mid-1950's brought more than 900 German scientists to the United States. Otto Ambros was a chemist and a Director of the notorious I.G. Farben Company which supplied gasoline and rubber for Hitler's war effort. Ambros played a supervisory role in the construction of Farben's plant in the Polish village of Auschwitz. For I.G. Farben, Auschwitz concentration inmates provided a plentiful source of cheap labor. The Nuremberg prosecution charged that each day at Farhen's plant one hundred people died from sheer exhaustion. Otto Ambros was convicted of slavery and mass murder and sentenced to eight years in prison. But even while on trial at Nuremberg, Ambros was a target for U.S. recruiters from 'Project Paperclip.' His prison sentence was commuted after only three years by American officials and he was helped in a bid to enter the United States by J. Peter Grace, President of W. R. Grace, a major American chemical company.

An internal State Department document describes how J. Peter Grace helped Otto Ambros in his efforts to enter the U.S. In a memorandum to the U.S. Ambassador to Germany, Grace acknowledges that Ambros was a war criminal. But he adds that in the years he's known Ambros, 'we have developed a very deep admiration, not only for his ability, but more important, for his character in terms of truthfulness and integrity.'

Today Otto Ambros does consulting work tor W. R. Grace and Company and lives here in Mannheim, Germany. In a recent telephone interview Ambros [said] 'I'm happy to still be working as a chemist but it's funny. Now I'm helping the Americans.' "

In June 1981, largely in response to the efforts of well known war crimes researcher Charles Allen, Yeshiva University cancelled a \$150-a-plate dinner it had organized to

honor Grace. (See also, Joe Conason and Martin A. Rosenblatt, "The Corporate State of Grace," 'Village Voice', April 12, 1983.)

When the scandal broke in West Germany over the Flick company paying huge sums of money to various politicians and parties, it was learned that additionally Flick had taken improper tax waivers and used the money to pump millions of dollars into W. R. Grace Co., becoming a major shareholder. Friedrich Karl Flick himself sits on the Grace Board. As the Moscow New Times reminded its readers (No. 8, 1983, citing Der Spiegel), Friedrich Karl's father, Flick Sr., had poured money into the coffers of the Nazi party in January 1933, and, "after Goering had promised the Ruhr magnates that "the March 5 elections will be the last elections in this decade and perhaps in this century," he contributed another 200,000 marks; this sum was handed to SS Reichfuhrer Himmler. Flick Sr. was subsequently sentenced at Nuremberg to seven years for using slave labor, spoliation and being an accessory to the crimes of the SS. To ensure a good beginning for his son, the war criminal sent him after the war for early training with W. R. Grace.

Page 29

In 1187 the Order was driven militarily from Jerusalem by Saladin. The Knights were forced to flee successively to Acre, Cyprus (1291), and finally Rhodes (1310) where they subdued the local population and established a military dictatorship enjoying territorial sovereignty for the first time. In 1522 they were defeated by Sultan Suleiman's forces of 200,000 troops and 250 ships after a six-month siege. By 1530 under Grand Master Villiers de l'Isle-Adam, the Knights established their headquarters on the island of Malta which had been given to them by Charles V.

Martin Luther was born in 1483, the same year that Torquemada unleashed the fury of the Inquisition, and while the Knights waged war against foreign heresies, they were soon confronted by the liberalizing Reformation challenge to Catholic Orthodoxy.

In England Henry VIII's assertion of an independent national policy was complicated by his marriage to Katherine who was the aunt of Emperor Charles V, patron of the Knights of Malta who in England were a militant bastion of Papal loyalty. By 1534 Pope Clement VII had excommunicated the King and two years later Pope Paul III published a Bull deposing the King and charging the Emperor with its execution. According to King and Luke's authoritative history 5 of the Order in England

The staunchest supporters of Papal supremacy were naturally to be found among the religious Orders, and the Knights were the loyal servants of the Pope, whose claims to universal dominion [the King] had repudiated, it was thus a sheer impossibility for the King to permit the existence in England of an Order so powerful and so highly organized unless it was prepared to renounce its loyalty to his most determined enemy. Inevitably the Knights would become a center of disaffection and a

rallying point for all the forces of reaction.

In July 1539, after two of the Knights had already chosen the martyr's crown, the King wrote letters to the Grand Master which practically constituted an ultimatum, demanding that the Papal supremacy should cease to be recognized by the Order in England. But it was impossible to accept the King's conditions. In April 1540 Parliament passed an Act dissolving the Order in England and conferring its estates upon the Crown. 6

Meanwhile on the continent and in the Mediterranean the wars against the infidels of the East continued. Since the military defense of Christendom required naval support, the Order created a powerful fleet and patrolled the seas of the Eastern Mediterranean fighting many naval actions.

Military operations ranged as far as Egypt and Syria, and by 1565 under Grand Master Valette, they resisted the Turkish siege of Malta. In 1571 SMOM's fleet participated in the defeat of the Turks at the naval battle of Lepanto, and remained a major military presence in the Mediterranean until 1789 when Napoleon defeated the Knights and occupied the island. The Order finally sought temporary protection under the Russian Emperor Paul I in 1797; in 1834 Pope Leo XIII established its headquarters in Rome.

The American Association of SMOM

In Europe SMOM's membership had been traditionally limited to those who could prove a requisite purity of noble blood for several generations. Nevertheless, as a concession to the rising political, economic, and military power of the United States, in 1927 SMOM agreed to incorporate an American National Association whose members were not obliged to prove their genealogical pedigree.

When the American Association of SMOM was created in 1927 the founding members included Patrick Cardinal Hayes, Edward L. Hearn, Nicholas F. Brady, Howard F. Carry, Patrick E. Crowley, James A. Farrell, James A. Fayne, Edward N. Hurley, James J. Phelan, Morgan J. O'Brien, John J. Raskob, and John D. Ryan.

By 1941 Francis Cardinal Spellman was listed as the "Grand Protector" and "Spiritual Advisor" of the Order, with John J. Raskob as Treasurer. Members included John Farrell, then President of U.S.Steel, Joseph P. Grace, and John D. Ryan. In 1934 Raskob, inspired by the French fascist Croix de Feu, and working closely with Morgan Bank's John Davis, had been a principal financier in the plot to organize a fascist coup in the U.S. The plan failed when General Smedley Butler, who had been set up to lead the project, denounced it.

The 1941 list also included Joseph J. Larkin. According to Charles Higham's *Trading With the Enemy* (see review in this issue),

Joseph J. Larkin . . . [vice-president of Chase Manhattan Bank in charge of European affairs] kept the Chase Bank open in Nazi-occupied Paris throughout World War II. [He] had received the Order of the Grand Cross of the Knights of Malta from Pope Pius XI in 1928. He was an ardent supporter of General Franco and, by extension, Hitler. Morgenthau first suspected him as a fascist sympathizer in October 1936. With the encouragement of Schacht, Larkin took on the Franco account and the Reichsbank account, though the Reichsbank was under the personal control of Hitler. 7

The Role of Felix A. Morlion

In the latter part of April 1948 the Romanian *Timpul* published an article, "The Vatican Espionage Service," cited in the Soviet journal *New Times*, No.31, 1948, at pp. 5, 6. As reported, the article indicated that,

"In 1946 the Pope entrusted the Dominican friar [Felix A.] Morlion, a Belgian, with the reorganization of the Vatican intelligence service and its merger with the jesuit espionage network. The central intelligence department of the Vatican is headed by Janssens, a general of the Jesuit Order. His deputy is Montini, the acting Vatican Secretary of State, and his assistants are Schmider, the administrative director of the central jesuit espionage bureau, and Morlion, director of Centro d'informazione pro Deo. The central intelligence department is subdivided into branches and sections dealing with the various countries. One of the main branches is the so-called 'special division' which operates under the signboard of the Centro d'informazione pro Deo press agency. Similar divisions have been set up in the Centro d'informazione pro Deo units in all parts of the world. In New York the 'special division' is directed by Cardinal Spellman, in Innsbruck (Austria) by Regent, the rector of a jesuit college, in Coblenz (Germany) by the Catholic priest Poelaert who is also director of the Catholic press agency. The branch in charge of espionage in Eastern and Southeastern Europe is supervised by Schmider and Preseren, the jesuits' chief expert on the Slav countries and adviser to the Vatican Secretary of State."

In August 1966, Morlion approached H. L. Hunt for funding Vatican anti-Communist operations in Latin America. Hunt gave an interview to the *British Guardian Weekly*, February 27, 1969:

" I was approached by Paolo Cardinal Marella, who said he spoke for the Pope and

asked if I would supply members of my [20,000 member] Youth Freedom Speakers' movement who spoke Spanish to be sent south [to Latin America] to engage in speechmaking and activities. I was told the Pope was thinking in terms of 11 million dollars a year support for the entire movement against communism in Spanish-speaking countries.' The project was now centered in New York, at the Asian Speakers Bureau, with the Free Pacific Association, Inc., on Riverside Drive [another front for the Rev. Moon's Unification Church]. A key figure in this papal concern over Leftist threats to the Vatican's greatest stronghold was the Rev. Felix A. Morlion, who was present at the original discussions. "

Subsequently, Morlion emerged as a key figure in the "Bulgarian Connection" hoax when the fascist Grey Wolf Agca attempted to assassinate the Pope: It appears that Morlion lived in Rome directly below the apartment of the Bulgarian Antonov, and was a possible source of Agca's description of Antonov's apartment. (See, Il Mondo, April 8, 1985; L'Espresso, May 19, 1985.)

The American-Italian Connection

From 1932 until 1938 Myron Charles Taylor was the Chairman of U. S. Steel. In 1939 he became the U.S. envoy to Pope Pius XII, a post he would maintain until 1950. Meanwhile, according to Anthony Cave Brown, OSS chief William Donovan secretly had established an intelligence connection with the Vatican as early as 1941, when he evacuated from Lisbon to New York the Dominican Father Felix A. Morlion, who had founded "a European Catholic anti-Comintern" called Pro Deo. (See sidebar.) Throughout the war Donovan financed Morlion's Pro Deo service and in June 1944 he "went to considerable expense, time, and trouble to transport Morlion from New York and establish him at the Holy See."⁸

Subsequently Morlion became a key figure in Vatican intelligence, working closely with Giovanni Battista Montini, the future Paul VI.

According to Frederic Laurent,

"All studies [of the post-WWII Nazi networks] have shown the determining role played by the Catholic Church in the flight of war criminals. Since April 1943, following negotiations between Pius XII and the ultra-reactionary American archbishop Francis Spellman, the Holy See became the clandestine center of Anglo-American espionage in Italy. This collaboration in fact had begun the previous year between Earl Brennan, a veteran of the American State Department and Gian Battista Montini, at the time a bishop and Under-Secretary of State at the Vatican. This close collaboration between

the future Paul VI and the American secret services continued after the war through the intermediary James Angleton. 9"

With the American Grand Protector of SMOM already in contact with the Vatican, and Allen Dulles busy negotiating with Nazis in Switzerland, the Americans entered Rome June 4, 1944. On July 7 General Mark Clark was made a Knight Grand Cross of SMOM.

According to British journalist Stuart Christie,

25 April 1945 [three days before the German forces capitulate in Italy] Admiral Ellery Stone, U.S. Proconsul in occupied Italy, instructs James Angleton to rescue Prince Valerio Borghese from the possibility of arrest by the Resistance Committees which had sentenced him to death for war crimes Stone is a close friend of the Borghese family.¹⁰

Borghese was to be heard from again on the twenty-ninth anniversary of the Japanese attack on Pearl Harbor. (See below.)

- Truman's Vatican envoy Myron C. Taylor received SMOM's Gran Croci Al Merito Con Placca May 23, 1945.

- On June 12, 1945 Admiral Ellery W. Stone was awarded the Croci Al Merito Di Prima Classe Con Corona from the SMOM.

- On December 27, 1946 James Angleton received the Croci Al Merito Seconda Classe from the Order, the same day as George Raymond Rocca. Rocca went on to become Angleton's deputy chief of Counterintelligence Division of the CIA and was the liaison between the Warren Commission and the CIA following the Kennedy Assassination. (See sidebar.)

[Also, about this same time, head of OSS "Wild Bill" Donovan was decorated by the papacy JP]

According to declassified documents from the American Department of State, in February 1948, in anticipation of the upcoming elections scheduled for April 18, the Vatican created organizations called 'Civic Committees' under the leadership of Luigi Gedda, a 45-year-old doctor from Turin who was also the leader of the rightist 'Catholic Action'. By March 17, 1948 Gedda became a Knight of the Grand Priory of Lombardy and Venice. The liaison to Gedda was through an Ecclesiastical Assistant, Mgr. Fiorenzo Angelini, a member of the National Executive of the Civic Committees, who had become a ranking member of the Rome Priory of SMOM also on March 17, 1948.¹¹ At that time the Grand Priory was headed by Ferdinando Thun Hohenstein, Director of Ceremonies of SMOM, a member of the all powerful five-member Sovereign Council of the Order, and nephew of a former SMOM Grand Master.

Page 32

On March 22, 1948 the New York Times reported that Gedda had appealed to American Catholics to provide financial assistance to Italian Catholics in their fight against communism. On April 5, it was reported that

"Myron C. Taylor arrived from Madrid for what Catholic circles described as an 'important mission' closely related to the Italian general elections."

By April 13 the paper reported that Taylor would meet with Pius once a week, and that based on the information recently received, the Pope was "considerably more optimistic" about the outcome of the elections.

Page 33

Two days later with the Italian military staging massive parades and as fascist gangs attacked leftists in the streets, C. L. Sulzberger reported from Rome that Catholic Action "is armed, active, and tough."

The State Department documents cite Angleton as "feel[ing] quite strongly that Gedda can be effectively used to further our interests in Italy in the political, labor and social fields," and that the Civic Committees were to receive CIA funds. The Pope had allegedly met with Gedda three times during the month after the elections.

One of those reported to have been involved in interference in the April 18 election was Baron Luigi Parrilli. Parrilli, son of an Italian admiral, and who had reportedly worked for the American firm Kelvinator before the war, was a fascist and had extensive industrial interests in Italy. He was made a Knight of Malta on December 7, 1942 and by early 1945 had excellent contacts with the top Schutzstaffel (SS: elite guard) and Sicherheitsdienst (SD: secret service) German officers in Northern Italy. By April 1945 he became a representative of SS General Karl Wolff to Allen Dulles and U.S. Gen. Lemnitzer during the period that the latter two were involved in private negotiations to recruit top Nazis before the end of the war. It has been rumored that Parrilli also had "concocted a plan to transport ex-Nazis from Germany to Paraguay."¹² (See article by Peter Dale Scott in this issue.)

In 1949 SMOM published an Official General Roll of the Grand Magistry with a preface by Pius XII which referred to "The ancient laurels collected on the battle-fronts" of earlier wars. As noted above, among only four recipients of the Order's Gran Croci al Merito con Placca at the time was Reinhard Gehlen, Hitler's Chief of Intelligence on the Eastern Front, who received the award November 17, 1948.

By this time Reinhard Gehlen's brother had already been in Rome serving as the Secretary to Thun Hohenstein. Conveniently for Reinhard, who was negotiating with the

U.S. for the preservation of his Nazi colleagues, Thun Hohenstein was Chairman of one of SMOM's grand magistral charities, the Institute for Associated Emigrations, and had arranged for two thousand SMOM passports to be printed for political refugees.

Thun Hohenstein was also related to the leading German Knights of SMOM, and at a crucial time in an internal SMOM controversy after the war had received the active support of Prince Frederic von Hohenzollern-Sigmaringen, Honorary Chairman of the Silesian Association of the Order, the head of the Catholic Hohenzollerns, of which several members were Knights of SMOM. The Silesian Knights, led by their Chairman Prince von Hartzfeld and Graf Henckel von Donnersmark, maintained a refugee camp at Ulm which in 1951 alone had received 134,000 refugees from the East.¹³ Meanwhile, both the Polish and Hungarian Associations of SMOM had also relocated safely to the West.

In 1950, the American Committee for Liberation from Bolshevism was created. The trustees included J. Peter Grace, Charles Edison, William Henry Chamberlain, H. J. Heinz II, Isaac Don Levine, and Eugene Lyons. The Committee (now known as Radio Liberty), under the guiding hand of the CIA's Frank Wisner, funded numerous emigre "research institutes" which, according to John Loftus [see UNHOLY TRINITY], were "little more than front groups for ex-Nazi intelligence officers."¹⁴

On November 26, 1963 the Venerable Order and the British Association of SMOM signed a treaty of mutual recognition and respect which can be seen in the Library of the Venerable Order in London. THE CHECKERED CAREERS OF JAMES ANGLETON AND ROGER PEARSON

Both James Jesus Angleton and George Raymond Rocca were forced into retirement in December 1974 following Seymour Hersh's revelations that Angleton's Division had been involved in illegal domestic operations, known as "the family jewels."¹

By the Winter of 1977-78 Angleton became one of two Associate Editors of the Journal of International Relations under General Editor Roger Pearson. The other Associate Editor was Gen. Robert C. Richardson III; the Publisher was John Fisher, President of the American Security Council.

Pearson is perhaps the most important neo-Nazi contact and racist propagandist in the U.S. today and had been a former Editor of Willis Carto's Western Destiny.

According to Replica of January 1978, when the Executive Committee of the World Anti-Communist League (WACL) met December 10 and 11, 1977 to plan for their upcoming conference in Washington D. C., "The main speaker was General Robert C. Richardson III who delivered a brilliant speech on the theme of USA-USSR nuclear balance [and] Dr. Roger Pearson [President of North American Regional WACL and later President and host of WACL in 1978] also made a brilliant exposition."

Replica is the journal of the Latin American Anti-Communist Confederation (CAL) which Jack Anderson revealed to be a CIA created anti-Semitic controller of neo-Nazi death squads.²

Pearson was removed as head of the U.S. branch of the World Anti-Communist League after its 1978 conference in Washington, D.C. because his ties to the neo-Nazi international were too extreme even for WACL which then included death squads, former Nazis, and Nazi collaborators.³

In the July 1978 issue of the racist Mankind Quarterly, the Editor-in-Chief, and Pearson's mentor, Robert Gayre, announced that Pearson would take over publication of the magazine. Robert Gayre had received the Grand Cross of Merit from SMOM in 1963, having already been editor of the Mankind Quarterly for three years. In June 1979 Pearson was listed as a member of the 'Comite de Patronage' (the Advisory Board) of the French neo-Nazi journal Nouvelle Ecole.

Today Pearson continues to publish in Washington, D.C. several journals including Mankind Quarterly; The Journal of Social, Political and Economic Studies; and The Journal of Indo-European Studies; he remains on the Board of Trustees of the American Foreign Policy Institute.⁴

According to Joseph C. Goulden,

"Brigadier General Robert C. Richardson had served as deputy chief of staff for science and technology for the U.S. Air Force Systems command; he later was a field commander of the Defense Atomic Support Agency at the supersecret Sandia Base, New Mexico. When Richardson retired in 1967 he became a consultant in defense affairs; one of his positions, which he was to take in 1973, was a vice-president of Ed Wilson's Consultant's International."⁵

Gen. Richardson is today one of the key members of the American Security Council (ASC) and the Coalition for Peace Through Strength (CPTS) and is Executive Director of the American Foreign Policy Institute of which Pearson, John Fisher, Gen. Lyman Lemnitzer, and Gen. Daniel O. Graham are members of the seven member Board of Trustees.

Angleton today is the Chairman of the Security and Intelligence Fund whose President is former Ambassador Elbridge Durbrow (the Chairman of the American Foreign Policy Institute) and whose Secretary-Treasurer is Robert C. Richardson III. Until its move in late 1984 to 1010 Vermont Avenue, N.W. in Washington, D.C., it shared offices with the ASC and the CPTS. The letter heads of the three organizations show extensive membership overlaps.

In 1953 Catholic fanatic Clare Boothe Luce [wife of Henry Luce JP] became U.S. Ambassador to Rome, and was made a Dame of Malta in 1956. **In 1954, with the backing of Cardinal Spellman and the machinations of General Edward G. Lansdale, the Catholic Ngo Dinh Diem became Prime Minister of South Vietnam.**

[Henry Luce, publisher of Time and Life magazines, was closely associated with Cardinal Spellman. See picture of Cardinal Spellman, Henry Luce and Ngo Diem in *Luce and His Empire* by Swanberg, published by Scribner JP]

Commenting on the events in Hungary in 1956, two Soviet journalists wrote,

..... we spoke with Count Karoly Khuen Hedervary [who] bears a great responsibility for the crimes the fascists had committed in Europe [but he] was not tried as a war criminal after 1945. After Mindzenty's return to Budapest during the counter-revolutionary events, Karoly Khuen Hedervary took advantage of his being an old friend of the cardinal to meet Mindzenty several times, during which he received instructions for the organization [set up by the former fascist minister of industry Geza Bornemisza]. Hedervary served also as the liaison man of the organization and the Duke of Lichtenstein, who came officially to Budapest during the October events in the capacity of the representative of the International Red Cross, but actually as the representative of the Sovereign Military Order of Malta which had helped actively in promoting the counter-revolution in Hungary.¹⁵

By November 1961, President Kennedy ¹⁶ appointed John McCone as Director of the CIA. In 1963, when it became clear Diem could no longer stay in power in South Vietnam, McCone oversaw his regrettably necessary assassination. McCone is listed as a member of SMOM in the 1980 list.¹⁷

With McCone heading the CIA and Angleton as his Chief of Counterintelligence,

another Knight of Malta of fascist fame, Italian General Giovanni De Lorenzo, who had been the chief of the secret service (then known as Sifar) and in 1962 head of the carabinieri, organized an attempted fascist coup on July 14, 1964 (the Plan Solo) and later became a deputy from the fascist MSI party.¹⁸

Six and a half years later, on the night of December 7, 1970 Angleton's Prince Borghese gave the order for Stefano delle Chiaie to proceed with seizure of the Interior Ministry in Rome along with 50 fellow neo-Nazis. (See A Killer's Career, in this issue; and see The Fascist Network, in CAIB, Number 22.) This plot to trigger a fascist coup was called off at the last minute, and Borghese and his neo-Nazi protege delle Chiaie fled to Spain where former SS Commando Skorzeny among others was waiting. ¹⁹

SMOM and P-2

Freemasonry generally purports to be hostile to Catholicism, and conversely, the Vatican has at various times forbidden Catholics to join Masonic organizations. Nevertheless, in December of 1969 an exclusive meeting was held in the Rome office of Count Umberto Ortolani, the Ambassador of the Order of Malta to Uruguay, who has been called "the brains" behind the fascist P-2 Masonic Lodge, which had been established in the mid-1960s.²⁰ In addition to Ortolani, the meeting included only Licio Gelli, Roberto Calvi, and Michele Sindona.²¹

Gelli had fought for Franco (who was himself a Bailiff Grand Cross of SMOM) with Mussolini's troops during the Spanish Civil War. He was a committed fascist during WW II and at the end of the war was wanted by the partisans for collaborating with the Nazis. After the war he developed extensive interests in Latin America where he became close friends with the Argentinean dictator Juan Peron; he was also the Grand Master of P-2.²²

Calvi had fought on the Eastern front during the war and was decorated by the Nazis. At the time of the 1969 meeting he was a senior officer at Banco Ambrosiano.

Sindona had set up business in 1943 with the help of Vito Genovese, whose Mafia contacts facilitated the American landing on Sicily. By 1948 Sindona had received a letter of introduction to Vatican intelligence operative Montini [later pope JP].

Page 35

According to Larry Gurwin's The Calvi Affair,

One of Sindona's first steps in cultivating the Vatican's money men occurred in the late 1950s when through a priest, he met Prince Massimo Spada, a Vatican nobleman and the senior layman at IOR. [Massimo Spada had become a Knight of Malta on September 21, 1944. IOR, the Istituto per le Opere di Religione (Institute for Religious Works), known generally as the Vatican Bank, was created in 1942 by Pius XII.] At the

same time he nurtured his friendship with Giovanni Montini, who had become cardinal-archbishop of Milan in 1954.

In 1959 Montini needed to raise a large sum of money for an old people's home, and he turned to Sindona for help. Sindona reportedly raised \$2 million in a single day. In 1960 Sindona purchased a small Milanese bank called Banca Privata and, thanks to his Vatican friendships, it soon began receiving deposits from IOR. Three years later Montini was elected Pope Paul VI and Sindona's Vatican connections were unbeatable."²³

The Italian journal L'Espresso of June 28, 1981 indicates that numbers of high ranking members of the Italian military intelligence organizations were both SMOMs and members of P-2. The list of dual members included General Santovito, the former head of SISMI; Admiral Giovanni Torrisi, the head of the general staff of the Army, and General Giovanni Allavena, head of the intelligence service (then Sifar, which was later split into SISDE and SISMI).

The conclusion of the affair is generally known. When, in 1983, the Vatican was finally forced to establish an "independent" commission to study the relationship between its IOR (since 1970 Ñ and still Ñ headed by Chicago-born Bishop Paul Marcinkus) and the P-2/Banco Ambrosiano criminal fascists, two of the three members selected were **Hermann Abs** and **Joseph Brennan**.

Abs, who features in nearly every book on the Third Reich and the Nuremberg trials, was Hitler's paymaster, as chairman of the Deutsche Bank from 1940 to 1945, and was a member of the board of I.G. Farben. He regained the board chairmanships of both firms after the war, even though in Yugoslavia he had been convicted of war crimes in absentia. In 1953 he received the Great Federal Service Cross for his services in restoring West Germany's financial power; and in 1960 he was decorated by Franco for his "services" to fascist Spain.²⁴

The choice of Abs for the Vatican commission of inquiry was so outrageous that at the urging of Charles Higham, the Wiesenthal Center issued a special packet of documents clearly showing Abs's involvement in war crimes and publicly protested to the Vatican, all to no avail.

Joseph Brennan is the Chairman of the executive committee of the Emigrant Savings Bank of New York and a Knight of Malta.

SMOM, Americares, and Central America

Just as World Medical Relief and Refugee Relief International are fronts for Waffen-SS worshipping editors of Soldier of Fortune magazine, so too the SMOM advertises itself Ñ to those who believe in the Tooth Fairy Ñ as a "charitable" organization greatly

concerned for the suffering of the poor and sick around the world.

The New York Times of August 13, 1985 reported that the Nicaraguan Freedom Fund (NFF), one of many front groups for the Rev. Sun Myung Moon's Unification Church, channelled \$350,000 to the Americares Foundation in Connecticut.²⁵ Clare Boothe Luce, a Dame of SMOM, is on the Board of Moon's Washington Times, and is a director of the NFF with fellow SMOM, William Simon [former U.S. Treasurer]. J. Peter Grace is the Chairman of the six member Advisory Board of Americares, which includes fellow Knight William Simon along with former CIA Director George Bush's brother, Prescott Bush, Jr.

Americares' published "Fact Sheet" recites as specific projects:

Medical Shipments to El Salvador: Since November 1983 AMERICARES has shipped almost 700,000 pounds of medicines and supplies valued at over \$8,000,000 in 15 sea shipments with local distribution being handled through the Sovereign Military Order of the Knights of Malta (SMOM).

Guatemala: In response to a request for aid from the Order of the Knights of Malta, 10 sea shipments of medical supplies worth over \$4,000,000 have been sent to the people of Guatemala since January 1984.

Honduras: Since August 1984, three sea shipments of high priority medical supplies worth over \$ 1,000,000 were sent to the people of Honduras in response to a request for aid from the Order of the Knights of Malta.

Brazil, October 1984: A shipment of vitamins worth \$156,075 were sent to Brazil, again in response to a request from the Order of the Knights of Malta (SMOM) who serve as our consignees in Central and South America.

The "Fact Sheet" also discusses an "offshoot" of Americares called "Doctors To All Peoples" said to be "dedicated to the eradication of leprosy in the Americas." Leprosy is the most publicized international "charity project" of SMOM.

CRAIG-OXLEY - January 27, 2006 05:19 PM (GMT)

The Washington Post of December 27, 1984 reported as follows:

A private humanitarian organization called the Americares Foundation, working with the Order of the Knights of Malta, has channeled more than \$14 million in donated medical aid to El Salvador, Honduras and Guatemala over the last two years.

Part of \$680,000 in aid to Honduras went to Miskito Indians linked to U.S. backed rebels fighting the leftist government in Nicaragua, according to a Knights of Malta official in Honduras.

Much of the \$3.4 million in Americares' medical aid to Guatemala has been distributed through the armed forces as part of its resettlement program of "model villages" aimed at defeating leftist insurgents, said the official, Guatemalan businessman Roberto Alejos.

Alejos, co-chairman of the Knights of Malta in Honduras [said], the Guatemalan army delivers Americares medicine to people in model villages, which are along the Mexican border.

Alejos, a major sugar and coffee grower, lent his Guatemalan estates to the Central Intelligence Agency in 1960 to train Cubans for the Bay of Pigs invasion.

Asked why the Knights of Malta turned to Americares rather than to established aid groups, such as the Red Cross, Grace said,

"The Knights have been doing this for 900 years. They have their own cross [the Maltese cross]. ... They'd consider themselves way beyond the Red Cross."

At least one pro-government group, the Air Commando Association of Fort Walton Beach, Fla., claims to have used Knights of Malta warehouses in El Salvador. Retired general H. C. Aderholt, head of the 1,500-member group, said that the commandos delivered food and medicine to the Knights' facilities and that together they "get good support from the Salvadoran air force commander."

Aderholt said the association has distributed to El Salvador \$4.5 million in food and medicine provided by the Christian Broadcasting Network and World Medical Relief. He said liberals in Congress have tried to "tie to some sinister plan with the CIA" [sic], which he said is incorrect.

While the Post story does mention that CIA Director William Casey is a SMOM, it fails to point out that Aderholt is the "Unconventional Operations" Contributing Editor of Soldier of Fortune and was a member of the "Singlaub panel" of the Pentagon, set up to devise new counterinsurgency strategies in the developing countries.

Russ Bellant, in the Detroit Metro Times of October 9, 1985, says Aderholt claimed that Pat Robertson's Christian Broadcasting Network had given the Knights of Malta \$2 million for operations in Central America.

CONCLUSION

For many years progressive groups in the U.S. and else where have been engaged in extensive research into so-called "secular" state and private organizations such as the CIA, NSC, the military, private corporations, and foundations.

This article highlights the operative importance of members of the Sovereign Military Order of Malta, which unlike traditional corporate, governmental, and foundation entities, has not yet adequately come under the scrutiny of progressive researchers. Curiously, European researchers have all but ignored the Orders of Chivalry in analyzing The structural role of their own aristocracy in organizing support for international reaction and fascist terror.

Research into the current role of SMOM and its individual members is just beginning. The most serious problem is the dearth of documents available, due to the extreme secrecy of the organization. Except for a few scattered references in various books, magazines, and newspapers, and a few romanticized stories about ancient glories of the Order, the necessary amount of materials has not yet surfaced. and this account represents only a starting point for further research.²⁶

In the U.S., for example, although the 1980 membership list was published (National Catholic Reporter, October 14, 1983), since then the Order in the U.S. has grown and been divided into an Eastern, Southern (based in D.C.), and Western Association. The published 1980 list comprises primarily members in the Northeast. Although some others are known, complete and current lists of members in other regions is obviously crucial. Lists for other countries would also be helpful.

CAIB in its Winter 1983 issue, The CIA and Religion, and Spring 1985 issue, Disconnecting the Bulgarian Connection, began to explore the operational role of specific religious, or non-secular, organizations such as Opus Dei ²⁷ and the fascist Masonic lodge P-2 in western intelligence operations and in furthering imperialism's plans.

Page 38

The recent P-2 scandal in Italy and new evidence on the importance of various ancient Orders of Chivalry (in particular SMOM) indicate that further research into these additional non-secular "parapolitical" structures is necessary both to understand their role as independent organizations and to gain a better understanding of factional alignments within organizations which have already come under scrutiny.

As with "secular" organizations, rivalries among these "non-secular" organizations takes place within an environment of selective interlinking memberships which include secular structures as well. The way competing policies and loyalties of these non-secular structures influence members in their secular roles needs considerable further research.

SMOM, GRACE, and OBANDO Y BRAVO

On August 1, 1985 the New York Times reported that during a visit to New York in May, Archbishop Miguel Obando y Bravo of Nicaragua said that he is actively directing efforts by his diocese to prevent the government from imposing a communist system in Nicaragua. The Archbishop said efforts included "dividing his diocese into old and new units, including parishes, districts and smaller groups, for leadership and religious training." He claimed the training he established in Managua was for "pastoral cadres, not military cadres. " Following a meeting with Archbishop Obando, executives at W. R. Grace arranged for the Sarita Kenedy East Foundation to contribute copies of the Bible, rosary beads and other supplies to aid the church effort, a company executive said. The foundation is headed by J. Peter Grace.

Whatever the real purpose of the "leadership training" and "pastoral cadres," it apparently seemed like such a splendid idea to the Knights that a June 21, 1985 press release from the Erlich-Manes & Associates News Service of Bethesda, Maryland stated that the Southern Association of SMOM had sent a \$5.5 million shipment of "40 massive containers" to be loaded on the ship "Freedom" to be sent to Maputo, Mozambique. "Roughly half of the shipment will go to aid agricultural development in northern Mozambique; and half will be distributed directly to the poor through the Archbishop of Maputo's Catholic Charities." Eugene I. Kane, a Knight and head of the trucking company Intermodal, Inc. organized the project. Official documents of SMOM list such "charitable" projects in many countries throughout the world.

WELL-KNOWN KNIGHTS

In addition to those listed in the article, the following are some other Knights of SMOM of interest:

- Francis Vincent Ortiz, Jr.: according to the 1982-83 'Who's Who in America', had been, among other posts, "dep. chief of mission Am. Embassy, Montevideo Uruguay, 1970-73,charg'e d'affairs,1973; country director for Argentina, Uruguay, and . Paraguay, Dept. of State 1973-75, dep. exec. sec., 1975-77; Amb. to Barbados and Grenada, spl. rep. to Antigua, Dominica, St. Christopher-Nevis-Anguilla, St. Lucia and St. Vincent, from 1977; U.S Amb. Guatemala 1979-81, to Peru 1981-; spl. asst. for international affairs U.S. So. Command, Panama 1980-" since November 18, 1983 he has been the U.S. Ambassador to Argentina.
- Patrick J. Frawley, Jr.: also a Knight of the Order of St. Sylvester of which William [head of WWII OSS JP] Donovan was a member. He is a longstanding funder of right-wing causes including Fred Schwarz's Christian Anti-Communism Crusade. His wife is a Dame of SMOM and is Publisher of the National Catholic Register of California, whose editor, Francis X. Maier was formerly with National Review. Maier was the first Chairman of the Catholic Center for Renewal, whose President, Philip F. Lawler, is the Director of Studies of the Heritage Foundation (which was chaired by Knight of SMOM Frank Shakespeare, newly appointed Ambassador to Portugal).
- Paul-Louis Weiller: Grand Cross of Merit SMOM, a close friend of Richard Nixon, member of the Board of Directors of Renault and several other French industrial corporations, former Administrateur of Air France, whose son married the cousin of Spanish King Juan-Carlos. (See also, Jim Hougan, Spooks (New York: William Morrow, 1978), pp. 209-225, which suggests that Weiller was "the French Connection. ")
- Erik von Kuehnelt-Leddihn: Munich correspondent of William Buckley's National Review.
- Admiral James D. Watkins, Reagan's recently named Chief of Naval Operations.
- Thomas Bolan: law partner of Roy Cohn. Bolan is also Counsel to the Human Life Foundation of which former CIA officer and Managing Editor of National Review, Priscilla Buckley (William's sister) is a Director.
- Jeremiah Denton: U. S. Senator from Alabama, 1980-present; former rear admiral, captured by the Vietnamese while murdering people and held as a POW 1965-1973, consultant to Pat Robertson of Christian Broadcasting Network, 1978-80.
- Pete Domenici: U.S. Senator from New Mexico 1972 - present.
- Spiros S. Skouras: President Prudential Lines 1960-present, bought Grace Lines 1969.
- William A. Schreyer: President Merrill Lynch 1978-present; Chairman since 1981.

- Walter J. Hickel: former governor of Alaska 1966-69, Secretary of the Interior 1969-1970. [Governor of Alaska again in early 90s JP]
- Antoine Pinay: Grand Cross of Merit, head of Government in France in 1952. He led the right-wing party CNIP and was linked to the "Sniffing-plane" scandal, as well as a project with Brian Crozier and American agents to make Franz Joseph Strauss head of the German government.
- Mme. Raymond Barre: Grand Cross of Merit, wife of the rightist French politician.
- Bernard Dorin: French attache to Ottawa 1957-1959, Ambassador to Haiti 1972-1974, and Ambassador to South Africa from 1978 until at least 1981.

THE "OTHER" ORDERS OF THE KNIGHTS OF MALTA

Not only are there many existing orders of chivalry today, generally under the aegis of a reigning monarch or ruling house, but there are also rival organizations each claiming to be the rightful heirs to the same order. Nowhere is this more true than with the Knights of Malta.

According to the Catholic Herald of August 23, 1985, there are more than twenty organizations claiming to be the "real" Knights of Malta. On September 9, 1985, evidently in response to growing interest in the question, the 'Wall Street Journal' ran a cover story, "Looking for a Title or Hot Controversy? See Knights of Malta. The Problem Is Which Ones; Catholic Order Maintains Rival Groups are Bogus." (The New York Sunday News had described the rivalry as early as June 15, 1975.)

The legitimacy battle is often intense and steeped in the presentation of increasingly obscure documentation. Arnaud Chaffanjon and Bertrand Galimard Flavigny's *Ordres et Contre-Ordres de Chevalerie* (Paris: Mercure de France, 1982), is one of the more useful references.

Some of the rival "Orders of Malta," all with slightly different names, in fact claim important and extremely rightwing members. We believe that the Catholic, Rome-based Sovereign Military Order of Malta (SMOM) remains the most important, with the endorsement of the Vatican and most of the Catholic ruling houses of Europe, and members like those discussed in the text of this article. The British (and generally, though not exclusively Protestant) Venerable Order, discussed in the text, is affiliated with a number of European, Protestant Orders, such as the Johanniterorden, sometimes known as the Bailiwick of Brandenburg.

Two of the "Orders of Malta" which have received particular attention recently are what may be called the "Shickshinny" Order and the "von Brancovan" Order.

The Shickshinny Order, officially called "The Sovereign Order of Saint John of Jerusalem," has been headed by Col. Thourot Pichel in Shickshinny, Pennsylvania, although a few years ago the Order was torn by serious internal rifts between Pichel and the late Frank Capell, Contributing Editor of the John Birch Society's *Review of the News*. (See, Rev. Anthony Cekada, *Light on the OSJ*, from the Oyster Bay, New York The Roman Catholic, December 1981, for an article critical of the Order and discussing some of its recent history.) It traces its legitimacy from a dispute during the time the Order spent in Russia under Czar Paul after it fled Malta. This Order achieved some notoriety a few years ago when it officially recognized the claims of controversial defector Michael Goleniewski to be Aleksei Romanoff, heir to the Russian Imperial House of Romanoff.

The case would be less interesting if James Angleton were not one of the principal supporters of Goleneiwski and some extremely rightwing members of the military intelligence community were not listed as members in a document issued by the Order in 1970. The Order listed as members of its Military Affairs Committee, under the Chairmanship of Gen. Lemuel C. Shepherd, Maj. Gen. Charles A. Willoughby, Brig. Gen. Bonner Fellers, and Gen. Pedro A. del Valle (who according to Stuart Christie's *Stefano delle Chiaie, Portrait of a Black Terrorist* (London: Anarchy Magazine, 1984), p. 6, invited Italian neo-Nazi Guido Giannettini to the U.S. to conduct a seminar at the U.S. Naval Academy at Annapolis, where del Valle was Commander. Foster & Epstein's *Danger on the Right* (New York: Random House, 1964), p.79; and Janson & Eismann's *The Far Right* (New York: McGraw Hill, 1963), p. 154, both call del Valle an anti-Semite.)

The Honorary Grand Admiral of the Order is listed as Admiral Sir Barry Domville who had been jailed by the British during WW II as a Nazi agent, and was listed as a Contributing Editor of Willis Carto's *Western Destiny*, November 1965, when Roger Pearson was the Editor. The Associate Chief of International Intelligence listed was Herman E. Kimsey, a high-ranking CIA operative, now deceased, who had worked with the Army CIC during the war.

The von Brancovan Order, led by someone who calls himself Prince Robert Bassaraba von Brancovan and several other names as well, including Prince Khimchiachvili, is officially titled "The Sovereign Military and Hospitaler Order of Saint John of Jerusalem, Knights of Malta Ecumenical." It is the order which apparently claims Frank Sinatra as a member. It also claims to include Princes Arnaldo and Basilio Petrucci. It appears to have a connection to Umberto Stafanizzi who, with Francesco Paziienza, signed the incorporation papers for something else called the "Sovereign Order of Saint John, Knights of Malta, Inc.," which was incorporated in New York State, June 22, 1983.

Interested readers should also refer to the articles by Martin Lee on the SMOM which appeared in the National Catholic Reporter of October 14, 1983 (the issue which included the complete 1980 U.S. membership list), and Mother Jones of July 1983. (These two articles formed the basis for the references to SMOM in Gordon Thomas and Max Morgan-Witts *The Year of Armageddon* (London: Granada Publishing Ltd, 1984).)

An interesting discussion of some post-WW II SMOM history based around an account of the 1949-53 attempts by Vatican-centered Rightists to restrict the sovereignty of the Order is *Knights of Malta* by the conservative French author Roger Peyrefitte originally published by Flammarion in 1957, and translated into English and published in New York by Criterion Books in 1959.

King and Luke's *The Knights of St. John in the British Realm*, op. cit., n. 6, is useful although it does try to elevate Queen Victoria's creation of the Venerable Order to a status equal to that of SMOM.

The Italian journal *L'Espresso* of June 28, 1981 carried an article by Alessandro de Feo on the SMOM-P-2 connection. The rightist French magazine *Historia* had a special issue in 1980 on various Orders of Chivalry including SMOM. Also in French is the remarkable *Souvenirs et Reflections* by Yves Marsaudon, former Minister of SMOM in France who was also one of the highest ranking members of the Scottish Rite of Freemasonry in the country, (Paris: Editions Vitiano, 20 Rue Chauchat, 75009 Paris, 1976).

27. Francis X. Stankard, Knight of SMOM and Chief Executive Officer of the International Division of Chase Manhattan Bank has led "Evenings of Conversation" at the Opus Dei Headquarters at the Riverside Study Center, 330 Riverside Drive, New York City. Other SMOMs at these sessions included William Simon and Frank Shakespeare (now Ambassador to Portugal), both of whom are Trustees of the Heritage Foundation, of which Shakespeare was Chairman of the Board. *Evenings of Conversation*, a pamphlet distributed in 1984 by Riverside Study Center.

Recognition of the importance of Opus Dei at the highest levels of SMOM had already been established in the summer of 1976 when King Juan-Carlos, himself a Knight of Malta, chose Adolfo Suarez, a member of Opus Dei, as new chief of government following the death of Franco. Absolute

Overwhelming is the truth. The truth can sometimes leap upon you sometimes. Life shows good and evil. Moral standards of right and wrong manifest themselves daily as one simple piece of evidence to outline the authentic existence of absolutes in the world. I wholeheartedly believe in absolutes. Additionally, politics is still a hot botton subject among many people. The 2006 Congressional election is coming up. Many Democrats classify Republicans as a "culture of corruption." The truth is that the leadership of both major parties are infested with CFR members, Trilateral Commission members, Freemasons, Skulls and Bones, Bohemian Grove, Jesuit-trained University folks, Knights of Malta, and other organization which contribute to the polarization of this country. We constantly see divisions on many issues, yet those in the global elite aren't fully exposed by the majority of the American citizenry. Republicans and Democrats are nothing more than 2 sides of the same coin of political control, while independent parties aren't even shown national recognition in debates.

Well, my continued goal is to exhibit meekness, but inhibit activities to move forward in our duties. We need to display facts as well. A fact is that many of our leaders or well known people embrace the occult like Alice Bailey, the people in Bohemian Grove, Nancy Reagan , Tony Blair etc. The truth is that many researchers presented plausible evidence that a controlled demolition happened in Building #1, 2, and especially Building Number Seven during September 11th, 2001 . I can't forget about exposing the Jesuits. Nicholas Rivera sent new information to Eric about how Jesuit Edmund Walsh

advised Freemason Robert Jackson at Nuremberg. Freemasonry is still a group where people swear death oaths in their Lodges (even mentioned in their own writings for the Blue Lodge rituals), has occult symbolism, and even Albert Pike said that lower level members are intentionally deceived from learning the total truth inside of their own Temples. It's a fact that not only political leaders like Prince Phillip and Ted Turner promoted extreme population control, but population control program exist to this day.

Hopefully, an invasion of Iran won't occur, but the CFR-created Project for a New American Century clique not only endorsed a "Pearl-harbor" like event and war with Iraq. PNAC also seeked a war with Iran if necessary. The Jerusalem Post article written by HERB KEINON (on January 24 2006) recorded John Bolton (the new United Nations ambassador) that President George W. Bush will not tolerate a nuclear Iran. Iran's leaders wants Israel to be destroyed from the face of the Earth, which is extreme, while Israel is threatening to attack Iran as well. If Bonesman George W. Bush is using half-truths about Iraq and the spy scandal (which he never used a FISA court and this further group the power of the executive branch of government, which is wrong), then how can we trust the policies of CFR member Condoleeza Rice and CFR member & Bohemian Grove member Vice President Dick Cheney?

I hope the Bush team wakes up, but their policies of not radically fighting against abortion, delaying legitimate responses toward illegal immigration, strongly going forward with alternative energy, changing their policies on torture, etc. equates an administration that I vehemently dissent with. Weird happenings have been going on in the news. For example, World Net Daily on January 23 2006 talked about a scheduled nuclear drill in Charleston, South Carolina area. Maj. Gen. Bruce Davis, the task force's commander, will oversee the operation in Fort Monroe. I believe this is pure paranoia, because there has never been a massive terror attack against Americans for years. Also, governments for decades have either funded or created international terrorism, so their is an incident to grow government plus limit people's civil liberties. You can see 9/11 and Homeland Security with the Patriot Act and the New Freedom Initiative as an example of the U.S. government using crisis as an excuse to grow government and pass laws that violate the Constitution. As for Iraq, an Associated Press article on January 23, 2006 (which was written by LARRY MARGASAK) mentioned that Halliburton is occured of water contimination. Documents and ex-Halliburton officials claim it, but Halliburton denies it. Critics always enacted distain for Halliburton for its no-bid contracts during the Iraq War. I disagree with the Iraq War as you know.

It's the 33rd anniversary of Roe v. Wade decision. ABC 7 on January 22, 2006 shown information on how D.C. used surveilliance cameras on the Pro-Life protestors in the Washington Mall. There will be 19 cameras and that's one example of the Big Brother obsessed culture that we acquire in America. Paul Watson even wrote an article about a test in England asking children discussing about 9/11, government support, and other

controversial issues. There was one patriotic test in the United States. TechWeb.com on January 23, 2006 has an article written by Laurie Sullivan having iris scan for New Jersey Grade children. When will this Big Brother insanity end? This tells me that we must embrace alternative thought and not be intimidated by anyone (even those in the government). The government ought to be a tool for the people, not a nanny guarding our every move.

As for Unhived Forum, I think that the criticism against 2tuff have been unwarranted. I don't agree with him on religion, but for a while, he has strongly opposed the Jesuits and I respect that. Eric Jon Phelps proved that the Jesuits supported the Council of Trent (from 1545 to 1563). Jesuit General Diego Laynez was apart of it and the Council condemned the concepts of the Reformation, even freedom of speech, religion, and conscience. In fact, even Pope Clement XIV issued a bull of suppression (called the Dominus ac Redemptor) against the Jesuits in 1773, because of them causing troubles in even Catholic nations plus their corruption.

Ironically, Clement was murdered in the same year. The bull was revoked in 1815. Hey, I don't agree with censorship or slick tactics, because we need to let everything out in the open. I not only disagree with Bush, but his allies and puppets like Arnold Schwarzenegger. Arnold is a son of a Nazi, he's allied with Kurt Waldhiem, he used steroids, Arnold is pro-abortion, he's against the Second Amendment, and he's not into my agenda. James Northstar is certainly correct by mentioning that we must not try to tear each other apart. We must go out and present rational, accurate information plus building people up, while abhorring evil and the New World Order agenda.

2TUFF, you do know that there's a difference between Bible Christianity and

Catholicism, right? :D

JP2 considered Christian fundamentalism (read, Bible Christianity) to be weak-mindedness or something to that effect.

We fundies are the Jesuits' worst enemies. The Catholic church kept the Bible from the people for years. Failing that, they came up with all these different (per)versions.

QUOTE

The Catholic church kept the Bible from the people for years. Failing that, they came up with all these different (per)versions.

This touches on a bible paradox that's been lingering quite a while, discussion of which probably deserves it's own thread, but since it came up here, I ask it here.

On the one hand, and being very conservative on the question by using the most sanitized and establishment-allowed documentary, historical and archeological views and records as a guide, any person, minus total blind faith, would be hard pressed to be fully confident in acclaiming the present version[s] of the bible as infallible in total. Furthermore, the amount of resultant confidence one has would likely be increasingly less if one were to become a little less conservative in interpreting and arriving at whatever it is they think they can safely conclude "I know" today about events that occurred 2000 to 6000 years ago and longer.

On the other hand, there are many people in these and other familiar forums who frequently and confidently quote portions of bible scriptures as infallible, and sometimes use these as corroborating evidence within the context of whatever argument/thread they are commenting within; some of these same people are frequently among those who have acknowledged that some portions of the bible / their bible, have been corrupted, altered and otherwise tampered with from it's original.

The question is - how does one arrive at the position that at certain times, they are confident in some sections of the bible while at other times regarding other sections they are not? From your perspective (any of you among *'they'* who acknowledges a relevant perspective), is there divine intervention guiding you to know when and when not?; are there times when it's not a matter of actual divine intervention but moreso a matter of your faith?; or your learning/experience?; or is there some discernment formula you have for knowing when and when not to trust portions of the bible?

The bible, regardless of vintage and version (pick one), and regardless of the many

authors and co-publishers involved along the way since it's origin[s], is nonetheless a large and complex work. For it - in any version, to have survived thousands of years fully intact is not impossible, but neither does it seem likely or probably.

I am not arguing or trying to comment on either side. At times I'd like to, but in fact, I can't, being stuck that I am on this question, I don't see myself as qualified to argue for or against in any of the many potential examples of scripture as historical fact. How does one know, or is this a less a matter of what one actually knows and more a matter of what one feels?

TruthSeeker24 - January 27, 2006 04:49 PM (GMT)

If you believe that, then don't be a hypocrite. If you believe that, then every ancient script in history is faulty and aren't to be held as 100% accurate, then there is no absolute truth to follow. The truth is there are absolute in life and nature and we must follow them. Many theologians and doctors have proven that the Bible is preserved by having over 20,000 copies of NT (more than any ancient script in history) and all of the early church leaders' quoted from almost every book of the NT. We have the Peshitta, Syriac, Old latin, etc. Bible version in existence before 393 A.D. Mainstream scholars even say that 99.99% of all NT words are recorded. The Magedan Papyrus is an NT script found in 64 A.D., which is less than 40 years after the death and resurrection of Jesus Christ. A Bible passage used by many people for thousands of years does make it mostly accurate. To denounce the Bible as almost less than accurate and refuse to use the same criteria for all other ancient scripts is hypocrisy. I hope you don't embrace that. I'm confident in the Bible, because it has reasonable messages, it's been preserved for a long time, and it gives people inspiration to live their lives righteously. Also, people here use science, history, the Bible, and other types of fields to back up their information as well. We're varied in our minds, not limited. Just because different versions of the Bible exist, doesn't mean we are to reject the Bible outright. That's like me saying that there are different versions of religion, but that doesn't mean I should reject believing in one God. The Massoretic text even called by scholars is very accurate. Scientific evidence, historical documents, and other evidence have indeed collaborated many Bible verses their accuracy. Today, we have all of the Bible fully intact and recorded for over 2,000 years. You need to understand that. Here's links to show one point of view on this issue:

And older doesn't necessarily mean better. You can have a copy of the "real" Scriptures that's 10 years old, due to people having accurately copied it over the years, and it's far better than a fake copy that's 1000 years old.

The words have been preserved. God promised they would be, and that's good enough for me.

Oh, that reminds me--David Icke or someone said that since King James was a Merovingian, that "proves" that the KJV Bible is false. I had to laugh. Who says a Merovingian can't be a Christian?

Vatican Turns To Israel For Ethernet

<http://www.telecomweb.com/news/1137526209.htm>

The Telephone Service of the Vatican State has turned to Israel's RAD Data Communications for Ethernet access solutions for the Holy See's fiber-optic network.

The Vatican installation is said to include RAD's ETX-102 and ETX-202 Ethernet media converters, its Egate-20 channelized Ethernet gateway and RICi-E1 intelligent converter. The dollar value of the order from RAD, placed via RAD distributor C.I.E. Telematica, was not disclosed.

The Vatican's official telephone carrier also did not disclose the precise nature of the use it will make of the RAD gear. However, it's easy enough to guess. Those products are typically used for purposes of service termination and demarcation. That allows an operator to maintain a distinct separation of traffic from different customers and offer services such as interoffice LAN connectivity, Internet access and virtual private networks.

Separately, within the next few weeks (at the 3GSM World Congress in Barcelona Feb. 13-16), RAD will unveil hardware the company says will complete its Vmux family of optimization solutions for cellular backhaul. The new widgetry is the Vmux-420 A-bis (BTS to BSC) and A-ter (BSC-to-MS-C) standalone optimization gateway.

RAD says the Vmux-420 will allow mobile operators to make better use of network resources by offering as much as 3:1 bandwidth optimization (assuming 50-percent average network silence) as well as a 2:1 reduction in the number of E1 ports required. The company says its new product works in a terrestrial, satellite or microwave

environment over packet-switched networks (Ethernet/IP/MPLS) or TDM-based transport.

A key target market for the Vmux-420 is backhaul over satellite applications, says Gaby Junowicz, RAD's director of business development for cellular networks. That's because satellite service is billed according to the quantity of bandwidth consumed, so "cellular operators that have opted for such resources are under ceaseless pressure to implement whatever measures are available to maximize bandwidth efficiencies" RAD adds. The Vmux-420 is said to eliminate inefficiencies by not transmitting idle and silent frames, resulting in "significant" bandwidth savings, claimed to be in the range of 50 percent or more.

A little while ago someone posted a link to a chart showing everything under Jesuit control. It looked a bit different than the one Eric has on his site. I cannot find the thread that had that link anymore. If someone knows it could you please post it here?

Thanks

Title: Archbishop of Westminster Labels Holocaust Denial

Description: As "Sacrilege"

CRAIG-OXLEY - January 24, 2006 02:54 AM (GMT)

Archbishop of Westminster Labels Holocaust Denial As "Sacrilege"

Posted on January 23, 2006

<http://www.totalcatholic.com/universe/inde...year=&arcmonth=>

The Archbishop of Westminster, Cardinal Cormac Murphy-O'Connor has said that Holocaust Denial is tantamount to "sacrilege" after he issued a message of solidarity to Britain's Jewish community ahead of Holocaust Memorial Day, on January 27, 2006. Celebrations of Holocaust Memorial Day, have been somewhat soured for the second year running, by the official non-participation of the Muslim Council of Great Britain at the event, but Cardinal Cormac Murph-O'Connor recently expressed his own happiness at attending the event, and recounted his own impressions after a visit to what remains of the Auschwitz concentration camp.

"History's greatest evil remains barely graspable by the human mind. But I glimpsed something of it at a visit once to Auschwitz, where a room contained suitcases stamped with the initials of those who were taken to the gas chamber.

Their suitcases, and their names, were stripped from them: the Jews and others whom the Nazis scapegoated had to be de-humanised in order to be slaughtered. The warning is clear: wherever dehumanisation takes hold, terrible evil is sure to follow."

"That is why the message of the Shoah remains one of the defence of the God-given intrinsic dignity of all human beings, of which the right to life is the primordial.

This is a right which comes with birth; it is not a concession of the state or the law. It cannot be given and taken away. It is the indelible mark of God in us, and its denial is a sacrilege." "The Catholic Church solemnly teaches that Jesus was a descendant of David; that Mary and the Apostles belonged to the Jewish people; that the Church is nourished by its roots in Judaism; and that the Jews are our 'elder brothers and sisters' in faith.

The Catholic people of the world stand with Jews against anti-semitism and holocaust denial, and in defence of the God-given dignity of all human beings. We are one human family: today's commemoration is especially that of the Jewish people, but it is also that of the victims of genocide everywhere and throughout history. We can never forget."

Title: Constantine's Sword by Coadjutor James Carroll

Description: *Selected quotes from the book*

AVBibleBeliever - January 24, 2006 01:17 AM (GMT)

Here is the documentation from Jesuit Temporal Coadjutor and former Paulist priest Georgetown-trained James Carroll's book "Constantine's Sword" proving he is indeed a tool of the Order although his book contains interesting and truthful information. My comments are in brackets [].

As I pointed out in a previous email Carroll opens "Constantine's Sword" with a quote by Jesuit Karl Rahner. Rahner says and I quote "For it is the bitter grief of theology and its blessed task, too, always to have to seek (because it does not clearly have present to it at the time) what in a true sense-in its historical memory-it has always known... always providing that one has the courage to ask questions [the Order opposes honest inquiry], to be dissatisfied, to think with the mind and heart one actually has and not with the mind and heart one is supposed to have."

Karl Rahner SJ (before first chapter of "Constantine's Sword")

[what sort of mind and heart would that be? One that is enslaved to the Papal Antichrist and his Black Pope?]

Carroll only mentions the Jesuits on two occasions in general and Rahner eight times. Constantine's Sword is 756 pages (it really ends at 627 with a chronology and several pages of notes)

From Chapter 2 "Stumbling Block to Jews" pg 13.

"When I was a college freshman at Georgetown University, I attended a weekend retreat that was mandatory for undergraduates at that Jesuit school. I remember the stark corridors and monkish cells of some novitiate or minor seminary to which we crew-necked college Joes had been bused deep in the Virginia countryside. Our first day was spent in the chapel, listening to the stern warnings of a crucifix-wielding Jesuit out of James Joyce

[referring to "A Portrait of the Artist as a Young Man" by James Joyce who attended a Jesuit school as did the main character Stephen Dedalus based on Joyce himself. Joyce in his book showed he was not ignorant of the structure of the Company. In "Portrait" he wrote]

"Was that a sin for Father Arnall to be in a wax or was he allowed to get into a wax when the boys were idle because that made them study better or was he only letting on to be in a wax? It was because he was allowed, because a priest would know what a sin was and would not do it. But if he did it one time by mistake what would he do to go to confession? Perhaps he would go to confession to the minister. And if the minister did it he would go to the rector: and the rector to the provincial: and the provincial to the general of the jesuits. That was called the order: and he had heard his father say that they were all clever men. They could all have become high-up people in the world if they had not become jesuits. And he wondered what Father Arnall and Paddy Barrett would have become and what Mr McGlade and Mr Gleeson would have become if they had not become jesuits. It was hard to think what because you would have to think of them in a different way with different coloured coats and trousers and with beards and moustaches and different kinds of hats."

http://www.online-literature.com/james_joy...st_young_man/1/

Back to Carroll's book same page, page 13 "The long axis of the missionary cross he held up, as if warding off the evil eye of our indifference, was the length of a slide rule. With just that mathematical infallibility, it worked. By the end of the day, damnation had never seemed so near. Ignatius Loyola was the poet laureate of the crucifixion, and in our rooms, Gideons Bible style, were copies of his Spiritual Exercises [what a Counter-Reformation act!]. They were verbal versions of the El Greco imitations on the chapel walls, with Jesus of Romanism, the Jesuit I.N.R.I. Christ, not the Lord's Christ] crying out from the cross- not to God, but to us. The call of Jesus- [of Roman Catholicism who is really Baal, Nimrod, Tammuz, etc.] it was coming to me. No wonder I welcomed it when they banged on the door to say lights out. That night I slept fitfully. At one point, I snapped awake in the middle of an ominous foretaste of eternity. My eyes opened to the glowing figure of Jesus [of Romanism] on the cross, hovering in the air a few feet above the end of my cot. Conditioned, no doubt, by that day's apparition-laden tales of Saints Paul, Francis Xavier, and Ignatius Loyola, I froze. Suspended in that moment, I felt visited."

Carroll touches on the blood-purity regulations of the Luciferian Society of Jesus on page 383. He quotes from the General Congregations of 1593-1594 Fifth, Twenty-Ninth, and Twenty-Seventh General Congregations.

My comments are within brackets [] some are for clarification. Page 382 reads and I quote:

"Blood purity regulations [Rosemary Radford] Ruether asserts, "remained on the books of Catholic religious orders, such as the Jesuits, until the Twentieth century. They are ancestor of the Nazi Nuremberg Laws." [the Nazi lie of Aryan purity and the Aryan

super race is Jesuit at its core. The blood purity regulations of the Nazi's Third Reich was mirrored after the Jesuit Order as was the SS (the elite stormtroopers) whose leader Heinrich Himmler [Hitler said once of him that he saw in him "our new Ignatius of Loyola" was mirrored after the Jesuit General/Black Pope]. Here for example, is the text of a resolution passed by the Fifth General Congregation of the Society of Jesus, which met in 1593-1594: "Those however, who are descended from parents who are recent Christians [Roman Catholics] have routinely been in the habit of inflicting of a great deal of hindrance and harm on the Society (as has become clear from our daily experience). For this reason many have earnestly requested a decree on the authority of this present congregation that no one will hereafter be admitted to this Society who is descended of Hebrew or Saracen stock.

In the Sixth General Congregation, which met fourteen years later, the restriction was extended from "parents" back to "the fifth degree of family lineage, with the requirement that a candidate for admission to the order not be descended from a Jew or Saracen "within that degree of family relationship." The restrictive regulation was allowed to stand by one General Congregation after another, although the exclusion of those of "Saracen" stock dropped away. Here is the regulation governing admission of candidates as it was approved by the Twenty-seventh General Congregation, 1923: "The impediment [see how much the Order hates Jews?] of origin extends to all who are descended from the Jewish race, unless it is clear that their father, grandfather, and great-grandfather have belonged to the Catholic Church."

The Jesuits finally did away with this rejection of those descended from Jews, but this is how the fathers meeting at the Twenty-ninth General Congregation put it: "Regarding the impediment of origin introduced by decrees 52 and 53 of the Fifth General Congregation, explained in decree 28 of the Sixth Congregation, preserved albeit in mitigated form by decree 27 of the Twenty-seventh Congregation but not contained in the Constitutions, the present congregation did not wish to retain it as a secondary impediment, but substituted for it a statement reminding the provincials of the cautions to be exercised before admitting a candidate about whom there is some doubt as to the character of his hereditary background. "This is as close as the Society of Jesus could come that year to a ringing repudiation of *limpieza de sangre*. It was 1946."

Jesuit Temporal Coadjutor

James Carroll; Author

"Constantine's Sword: The Church and the Jews"

pp 382-383

Here is more from Coadjutor Carroll's book. Again my comments are in brackets

On page 242:

"That violence [of the Western Roman Catholic crusaders against the Orthodox Church by 1096] inflicted further scars, ones that still fester, as the Balkan wars of the 1990s demonstrate. The mid-twentieth century religious violence in Cardinal Stepinac's Croatia, with Catholics targeting "schismatics"[this exactly what Jesuit Temporal

Coadjutor Georgetown-trained Bill Clinton did [[I believe he is an undercover Jesuit who is slated to be the next Secretary General of the Antichrist Papal Caesar's UN after the Order is through with Kofi Annan]] as the Serbian Orthodox were called, is also part of the crusaders' legacy." [Indeed, the Balkan war of the 1990s was a Papal crusade and Clinton and then NATO Secretary General now the Pope's EU foreign policy chief and High Representative for the Common Foreign Security Policy (CFSP) Francisco Javier Solana Madariaga ordered the bombardment against the Orthodox Serbs in obedience to and in accordance with their Jesuit masters' bloody and evil Council of Trent.]

"If history shows us anything, it is that violence is the price of the totalitarian impulse, whether religious or political. Referring to [sun god worshipper] Constantine's achievement at Nicaea [Solar devotee and Romanist Constantine is credited with establishing the doctrine of the Trinity at Nicaea-this was not the triune Godhead (one God in three persons of 1 John 5:7) but the Romanist counterfeit which Luciferian Ignatius Loyola called IHS (Isis, Horus, Seb) (also found in 26th degree [[a flaming heart with the letters IHS]] of Scottish Rite Freemasonry which the Jesuits wrote the rites to while sheltered by Frederick the Great. One of the mottos of the 32nd degree is "Ad Majorem Dei Gloriam" the official motto of the Company which Constantine saw in his satanic vision of a cross [which is NOT a Christian symbol but a pagan one] during battle with Emperor Maxentius "in hoc signo vinces" [in this sign conquer] book quote continues here (I forgot to clarify this in my email to Brother Eric. I hope it's not confusing to read). Quote con't-

"and the political consolidation it enabled, Augustine had noted, as we saw, that the absolute social and religious cohesion comes, in his word, at a cost: "But think of the cost of this achievement! Consider the scale of those wars, with all that slaughter of human beings, of all the human blood that was shed!" [Roman Catholic Augustine articulated the "just-war" theory which would be the alibi the Papacy would use for its bloody crusades including the current one in the Middle East praised by Jesuit Avery Cardinal Dulles of Fordham University]

CRAIG-OXLEY - January 22, 2006 02:45 PM (GMT)

THE SPEECH OF THE CHRISTIAN MAN RUMBOLD, ON THE SCAFFOLD BEFORE HIS EXECUTION, cited from THE WORLD'S FAMOUS ORATIONS edited by William Jennings Bryan, Published by Funk and Wagnell's, 1906. (This is presented as a particularly poignant testimony to the fact that contractual, covenantal relationships amongst the sons and daughters of men are conditioned upon observance of the contractual obligations and duties by both parties. Marriage being contractual and covenantal in nature, the sentiments elucidated below are concerning contractual relationship between a king and his subjects are just as valid concerning marriage. The speaker was on the edge of eternity when he spoke, and he gave his life for the truth that he spoke.)

RUMBOLD-SPEECH ON THE SCAFFOLD (1685) (Born about 1622, died in 1685; served under Cromwell at Dunbar and Worcester; one of the guard about the scaffold of Charles I; member of the Rye House Conspiracy in 1682; indicted for treason but escaped; served in Scotland under the Earl of Argyle in 1685; there captured, tried, condemned, and executed.) Speech delivered in Edinburgh. Rumbold was captured after having been wounded and then separated from his companions in arms. An immediate trial had been ordered that he might be condemned before he died of his wounds. He was found guilty on June 26, 1685, sentenced to be executed the same afternoon, and was drawn and quartered, the quarters being exposed on the gates of English towns. "It is for all men that come into the world once to die; and after death the judgment! And since death is a debt that all must pay, it is but a matter of small moment that way it be done. Seeing the Lord is pleased in this manner to take me to Himself, I confess, something hard to flesh and blood, yet blessed be His name, who hath made me not only willing, but thankful for His honoring me to lay down the life He gave, for his name; in which, were every hair in this head and beard of mine a life, I should joyfully sacrifice them for it, as I do this. Providence having brought me hither, I think it most necessary to clear myself of some aspersions laid upon my name; and first, that I should have had so horrid an intnetion of destroying the king and his brother. It was

also laid to my charge that I was anti-monarchical. It was ever my thoughts that kingly government was the best of all where justly executed; I mean, such as it was by our ancient laws-that is, a king and a legal, free-chosen Parliament-the king having, as I conceive, power enough to make him great; the people as much property as to make them happy; they being, as it were, contracted to one another! And who will deny me that this was not the justly constituted government of our nation? How absurd is it, then, for men of sense to maintain that tho the one party of his contract break all conditions, the other should be obliged to perform their part? No: this error is contrary to the law of God, the law of nations, and the law of reason. But as pride hath been the bait the devil hath caught most by ever since creation, so it continues to this day with us. Pride caused our first parents to fall from the blessed state wherein they were created-they aiming to be higher and wiser than God allowed, which brought an everlasting curse on them and their posterity. it was pride that caused God to drown the old world. And it Nimrod's pride in building Babel that caused that heavy curse of division of tongues to be spread among us, as it is at this day, one of the greatest afflictions the Church of God groaneth under, that there should be so many divisions during their pilgrimage here; but this is their comfort that the day draweth near where, as there is but one shepherd, there shall be but one sheepfold. It was therefore, in the defense of this party, in their just rights and liberties, against popery and slavery! (At this point Rumbold was interrupted by drum beating. He said he would say no more on the subject, "since they were so disingenuous as to interrupt a dying man.") I die this day in defense of the ancient laws and liberties of these nations; and tho God, for reasons known to Himself hath not seen fit to honor us, as to make us the instruments for the deliverance of his people, yet as I have lived, so I die in the faith that He will speedily arise for the deliverance of His Church and his people. And I desire of all you to prepare for this with speed. I may say this is a deluded generation, veiled with ignorance, that tho popery and slavery be riding in upon them, do not perceive it; tho I am sure there was no man born marked of God above another, for none comes into the world with a saddle on his back, neither any booted and spurred to ride him. Not but that I am well satisfied for men in the world, as I have already said; kings having as much power to make them great and the people as much property as to make them happy. And to conclude, I shall only add my wishes for the salvation of all men who were created for that end."

Bro. Eric,

Just got back in the country, and am catching up on your emails.

I certainly appreciate your information. You are a true educator in your field.

Since you are always so kind in taking time to answer my inquiries, could you share with me some of your insight concerning Hugo Chavez's movements in South America? Since I am the Director of Spanish Missions for our particular mission agency (local-church based), we just recruited a national Venezuelan missionary to come with our mission. And due to the situation there, I put off a trip to visit this missionary and his work. Chavez has tagged all American missionaries as working for the CIA and is in the process of expelling them from the country (He may already have done so). Several sources, not just this Venezuelan native missionary, have said that the anti-American spirit is running high in Venezuela.

Roman Catholic Hugo Chavez is a Jesuit Temporal Coadjutor as is Roman Catholic Fidel Castro in Cuba. Chavez is leading the anti-American agitation in South America due to the oppressive and murderous policies of the Order's CIA for the last fifty years. The CIA murder of Allende in 1972 and his being replaced with fascist Knight of Malta Pinochet---the protector of scores of ex-Nazis resident in Chile and whose secretary was Opus Dei---is one such example.

Again, we American people are being blamed for the crimes of the Pope's CFR/ CIA-controlled US government committed in our name.

Also, one of our national Costa Rican missionaries, having just returned from Colombia on a preaching mission, said that he was informed that there was mounting tension on the Colombia-Venezuelan border, and that all-out war could break out at any time. Have you heard anything to that respect?

No. But it would not surprise me. It appears to me that the Order, in preparing for our ultimate invasion, has set out to turn every South American government against the US. This includes Brazil, the most pro-American nation in the south.

It seems that Chavez wants to spread his leftist influence throughout all of South America, using his oil resources to gain friends. They tell me also that Chile's newly-elected woman president is extreme leftist. I can just imagine the clandestine terrorist bases that are prevalent in these countries at our back doorstep.

Agreed. What the Order did to the American and British missionaries in Russia and China will be done in South America, or so it appears. Mao expelled or killed 8,000 Protestant and Baptist missionaries from China and he also gave the order to kill Baptist missionary John Birch who was blindfolded and shot in the back of the head. To add insult to injury, a Jesuit performed Brother Birch's funeral.

Dear Jxxxxxxx,

It appears to me that the Jesuits ruling Hollywood via their Masonic Court Jews sought to debunk anybody believing in a global conspiracy---especially a Vatican conspiracy. If you remember, Opus Dei Jesuit Temporal Coadjutor Mel Gibson appears to be a paranoid lunatic though much of what he says is true. Truth couched in lunacy appears to be untruth. This was the motive behind Conspiracy Theory.

Eric,

I recently saw the 1997 movie Conspiracy Theory again with Mel Gibson and I was trying to figure out why they would make a film like this. They didn't really discredit gibson's character and they mentioned many aspects, the vatican as the center rule the Military industrial complex, mkultra, patseys and so on. I wanted to ask you why you think they made this movie and put gibson in it considering that mel is of Opus Dei. were they trying to tell the audience that much of this exists and his not just theories.

Dear Dxxxxxxx,

Thank you for the feedback on Walsh today.

Indeed, the Order, including Joe Kennedy, was behind the Lindbergh affair, as Charles was a high Mason and pro-Nazi. He was also a party to the murder of his own son, enabling Hauptmann to steal the child from his crib. Hauptmann was a Jesuit-controlled German Nazi who gave his life to create anti-Nazi fury here in the US. It was a necessary move as the country was anti-war. In the wake of that travesty, FDR and Walsh privately recognize the USSR opening the door Russia to Ford, GM and the Pope's military industrial complex, many of its factories having been bought for pennies on the dollar thanks to the Great Depression--- caused by short seller, Joe Kennedy.

Harry Hopkins was another Jesuit Temporal Coadjutor as he was FDR's closest advisor and who, without an official title, lived in the White House with FDR. Hopkins was at Yalta, dictating terms to FDR---giving over all the anti-communists to Stalin so the Order's NKGB, ruled by Jesuits Nikolai Vlasik and Alexander N. Poskrebyshev could kill them all.

And the socialist New Deal was not Talmudic, but Tridentine. The Jesuits were the impetus behind that grand theft of our rights and property, putting the country on a war economy. The New Deal---including the SSN--- is patterned after a papal encyclical that I quote in VAlll. One of the priests behind the New Deal was John Ryan of Catholic University of America.

Sincerely in Faith,

Brother Eric

Subject: [SPAM] Saturday's 'smokin gun'

Congrats to your excellent Saturday Edmund Walsh program. You guys did the patriot community a real service with your direct quips about the Jews leading the Bolshevik Revolution with their Jesuit masters orchestrating. This theme needs to be politely driven to Mr. Jones, and Marrs. Up to now, they had only your words that hinted of a Jesuit association. With a well layed out Q+A dialogue, you guys nailed Walsh as the Vatican emissary to the Jesuit-thugs at Lubyanka. That word had me sit up straight in my U-2 Gary Powers spy plane [he was at Luby ? in May 1960]. Gary's helicopter went down over LA reporting on traffic congestion years later, maybe after Gary learned about who killed JFK. That theme has been discounted by some, but then hardly any traffic helos go down, especially with the celeb spy pilot.

Smokin gun on FDR with Walsh in the oval when they toasted Uncle Joe ! !
Wow, you asked the right Q on that one. Bravo ! Alex, and Texxe missed the smokin gun of the 20th Century. They can only top that by exposing who did the Lindbergh baby and that is only on an emotional level, but could be the diversion that FDR needed for his toast to Uncle Joe that was coming up next year. Needed the trial of Hauptmann to rivet legal eyes, the rest of the masses were ready to bend over for sTalmudic-socialism from FDR controlled by Henry Hyde, or Hopkins.

Best again from the good humor man.

Oh yes "mental reservations" was a quip from a very Catholic boss I had in Silver Spring, MD. 1975. He gave clues to Jesuit thinking but he did not use the Jesuit-word.

Eric Jon Phelps - Vatican Assassins

With a special introduction by Master Scholar Jordan Maxwell, Eric Jon Phelps, author of "Vatican Assassins" exposes the shocking, long suppressed, diabolical history of the Jesuit Order. It is a history of crime, conspiracy, Satanism and mass murder, including the creation of the Federal Reserve; the sinking of the Titanic; the attack on Pearl Harbor; Hitler's escape after WWII; the Nuclear/Cold War Hoax and the assassination of many of the world's leaders like Lincoln, Kennedy and Patton. The Jesuit's General, aka "The Black Pope", is the most powerful man in the world, controlling the Vatican, the Pope, the world's intelligence communitites, as well as people like George Bush, Jessee Jackson and Osama Bin Laden. The great tides of history, rather than being spurred by the deeds of the brightest and the best of mankind, are actually the sewers of history, pulsating with the most disgusting and horrible motivations. Leaving no stone unturned, Eric Phelps exposes the writhing maggots to public view in this monumental

presentation.

This presentation is very interesting and provides real food for thought about some of the events in history and the official reports surrounding them. It basically consists of Mr. Phelps using a laser pointer on overhead slides of pages from his book and reading verbatim, while introducing some of the main Jesuit and Masonic players from throughout history. I wish that he would have elaborated more on the content, but it would have to have been a much longer presentation to cover the subject in it's entirety. There's just too much info to fit into 2 hours. I recommend that anyone who's interested in further research read the Ebook "Vatican Assassins: Wounded in the House of my Friends".

Dear Lenny,

Untermyer is another one of the Pope's Masonic Court Jews---like Bernard Baruch and Arlen Specter. He was indeed a party in the American Jewish Congress's refusal to help the European Jews escape the Pope's Nazi net. Untermyer was connected with the CFR via the New York Times and he was the friend of the evil Reformed Rabbi Stephen S. Wise, who also aided in Masonic FDR's refusal to save the European Jews.

Regarding Daryl Bradford Smith, he attacked my presentation immediately after an interview with Dr. Bill Deagle on the Genesis Network a few months ago. I regard Mr. Smith as a real Jesuit Temporal Coadjutor and anti-Jew proponent.

I trust this is helpful.

Sincerely in Faith,

Brother Eric

Samuel Untermyer's speech

Samuel Untermyer was the chief Zionist architect of the 1930's, and he helped create enmity toward the German Jewish community. His vitriol also helped propel America into World War 2.

Samuel Untermyer supports claims made by Benjamin Freedman in his 1961 speech

Dear Mike,

Thanks for your response and acceptance of my apology. That was important to me.

I shall reply to your additional comments below---because I really believe you are being sincere with me as you seem to openly defend your position.

Subject: hello.....

Eric,

Thank you, but i really see no need for you to apologize.. You shouldn't have to apologize for something you said to someone else about me..

Disagreed. It was in order.

I don't know why 2tuff (Chuck?) [**Craig, my error**] felt the need to tell me that you called me a Temporal, nor do i know why 2tuff sends you private messages that i have written to him, but i don't hold you at fault for something you said to him in a private conversation... Though it doesn't take long for this to all appear as one big drama/gossip column of 'he said, she said'.

I posted Eric's initial thoughts about you thinking they were public on his mail list. I then had an email with mentioned it was private to me only. I removed the information offline asap as was told to Eric Phelps.

As i have told 2tuff, while he has been researching information on the Jesuit Order, a large area of my study over the past couple years has consisted of the pre-historic origins of the Secret Society. I know that you believe the earth to only be 6000 years old, but as a point of disagreement in this matter, i have come to the conclusions about the historical origins of the 'Great White Brotherhood' dating back some 10's of thousands of years ago in mountainous cave regions along the Caucasus, Middle East, India, and other nearby regions.. I am a believer in 'evolution', more adequately called adaptation, though i know that there are Masonic elements involved with Charles Darwin, and am not a promoter of Darwin as a man.

Please check out one of the tabs on my site titled "Jesuit Evolution." You may find some important info previously overlooked.

I'm convinced that we are looking at 100's of millions of years of developmental life forms on earth, with the origins of 'The Great White Brotherhood' and the Secret Society coming around 40,000 years ago as a rough estimation date..

Again, there is not one shred of empiracle evidence to sustain such an age of the earth. I was trained in the theory of evolution, so it was one of my fortes in once attacking the theory of creation---scientifically speaking, as both approaches are theories only.

I totally respect your Christian/Cavlanist viewpoint on the matter, and agree with much of the information you provide on the Jesuit Order.. I guess my point to 2tuff was basically in the fact that they were calling me a 'Temporal' when i felt that the information i have discovered is equally as important, in its own way, to that information which exposes the Jesuit Order and Vatican.

I understand. You have been objective enough to allow posts regarding the Jesuit Order to continually be placed on you site. This is more than I can say for the majority of conspiratorial forums.

Whereas, perhaps, you have the Omega of the plot in the Society of Jesus, i might just have the Alpha of the plot with the historical 'Illuminated Ones' dating back pre-Sumeria into the mountainous cave regions of the Caucasus tens of thousands of years prior to any mythology/folklore on the Anunnaki...

I believe you will find Frazier's The Golden Bough and Babylon and Nineveh to be of further help if you have not consulted these classics. Hislop's The Two Babylons is another masterpiece tracing the religion of Rome back to Babylon,

that "the Christ" of Rome is Tammuz, Horus or Baal depending on the culture, and that the cross is a pagan symbol unfit for any Christian display, etc. You should really enjoy that work, it having never been refuted.

And while i'll admit that much of what i'm putting forth is based on theory, there is ample information to back up my theories and beliefs.. Just as much as there is for you in exposing the Jesuit Order.. If you look into the mythology/history of many of these historical 'savior' gods, the CAVE plays an extremely important part.. Jesus Christ, in the earliest tales, was born in a cave, not a manger..

What historical source are you relying upon for that statement, that the real Hebrew Jesus Christ was born in a cave?

As he was placed in a cave before he resurrected 3 days later. Zeus was born in a cave, Buddha was born in a cave, Mithra was born in a cave, Tammuz was born in a cave, Muhamad obtained his 'holy vision' in a cave to write the Koran, as well there have been multiple other important figures who were born in, or died in, caves..

Loyola started his Jesuit Order in a cave!

The cave has always been seen as a holy temple and sacred sanctuary for priests and prophets, and there is a historical reasoning behind this that predates our earliest civilizations of Egypt and Sumer..

(Perhaps if you're so inclined someday, you could send me other Biblical references on the importance of the cave structure for birth/death, holy purposes...?)

OK.

And i don't muck up the waters by talking about superior alien races or Atlantis, or any of that 'New Age' stuff..

Good!

I just ask you to consider this... As Above, so Below.. The Anunnaki meant 'Those from 'heaven' to earth came..' Might this not be more in tune with high mountainous regions where these people originated.....?

What evidence do you have of the historical existence of "the Anunnaki?" The only biblical parallel one might find are the "Sons of God" who fell in Genesis 6. They: fell after Lucifer and his followers; retained their angelic bodies which can be physically touched yet not confined to time and space; fathered children who became the "giants in the earth;" and were confined bound in chains inside the earth after the Flood awaiting the Great White Throne Judgment (Rev.20). The only other sources are mythological, that I know of.

But, i have written 2tuff recently calling for some kind of truce, and have left it in his hands if he will decide to do this or not.. If they decide that a truce is called for, then perhaps we can better work together in order to get out this crucial information to more people...

Excellent.

If they decide not to come to an agreement of truce, then i suppose i will have to continue to keep them on my ignore list.

Hopefully Craig and others can make their posts and the remarks will reflect their anti-Jesuit position. Hopefully, you will not attack or demean that position but allow it to be posted, without comment if necessary. Hopefully you would give them the same freedom of speech as you would expect from another forum that might be in disagreement with your postions.

I'm sure that i could have handled this whole situation better from the start as well, it's just that i didn't feel that 2tuff was giving proper respect to whatever work i have thus far accomplished.. Though i might have had disagreements, it wasn't as if i was trying to discredit what 2tuff was saying altogether...

OK. I believe you; Craig needs to know this.

Yet it felt like because of my disagreements with them, they sought to totally label me a 'Temporal' and discredit all the things (modest things) that i've already accomplished..

I understand. More objective communication on your part will go a long way in commanding respect with those who disagree with you, while you provide them with your forum. I have ahd to address this very conflict with several show hosts in the past. Some have given me the forum without losing their focus that they are serving the listener in providing information. Others have attacked me for which reason I immediately attack them in return.

But, again, thank you for the apology, though i wasn't expecting one (at least not from you). I still have some minor disagreements (especially of the religious angle) with the work that you are doing, but for the most part, i totally agree that the Jesuit Order must be exposed for what it is...

Excellent! Then can I expect you to continue to host the comments of those who expose the Jesuit Order without conflict from your end? I would expect those in return would then not label you as a Jesuit Temporal Coadjutor. Further, you are not blaming the Jews as being the centerpiece for the NWO, giving me a better feeling about you.

I would however try to conclude what human force might even be right above this order, and how that might connect with the Los Alumbrados of 1492, and a more historical agenda that does not rely entirely on Babylon in order to make it complete.. I seriously think that there is a major element to look at here with the relationship of Canaan/ Phoenicia/Israel, as well as the Celts, and how this directly ties back into Egypt and Sumer.. Rome was powerful, no doubt, but i believe that a couple other cultures played an equal role in the coming of the Vatican...

Regardless of the culture, it is "Mystery Babylon" which is the devil's salvation by works religion for the human race since the fall of Adam. This religion is the same in every culture, but with a different name. The works cited above sustain the point. A tour of the British Museum will further sustain this conclusion.

Be well my friend, thank you for writing back..

Hope to talk again soon

Blessings

michael

Be well also my friend.

Sincerely in Faith,

Brother Eric

Hi xxxxxxxxxxxx

I was listening to Eric Jon Phelps.

Very good show.

I was wondering if you could ask him a question for me.

I have been looking into the Illuminati , and who is behind it, and I keep getting led to a Jewish conspiracy.

As I cover in VA, the Jesuits founded the Masonic Illuminati in 1776 to carry out the French Revolution as a result of the Pope's suppression of the Order in 1773.

Could you ask him if the Vatican has put Jews in control of the Federal Reserve and Hollywood, to cast the shadow upon them?

Correct. This same tactic was used in the Order's Bolshevik Revolution.

Even today, the Cabala is what is popular in Hollywood as a religion. I wrote to Stan Deyo about the people that he worked for wanting to destroy Israel, and he stated that this was correct.

Correct. I have found Stan Deyo to be a fairly reliable source on many topics.

I could not evaluate this with a Jewish conspiracy, since with my understanding, they helped create Israel.

Correct. The Jesuits, being the most powerful Kabbalists and original Masonic Zionists, used both their Nazis and Masonic Jewish Zionists to bring about the Jewish Holocaust in Eurasia and thus the creation of the CFR/Zionist state of Israel---now persecuting the LORD's beloved Hebrew/Jewish/Israelitic people in the land.

However, I understood that the British side of the Illuminati wanted Israel to exist.

The Jesuit-ruled, British Masonic Jewish Zionists financed by Rothschild OPENLY wanted Israel to exist. The Jesuits-ruled Vatican Papacy and Hierarchy OPENLY resisted the establishment of Israel from 1948-1993. This false dialectic manned by the Order on both sides controlled the synthesis resulting in the creation of Israel---known as the "Kingdom of Jerusalem" during the Pope's Dark Ages. Since the Jesuits are seeking to restore the Dark Ages via the destruction of Reformation nations, the "Kingdom of Jerusalem" must be restored, known today as "Israel."

It is very confusing. There is good evidence that the Illuminati, who may be Jews, infiltrated and married the royalty of Europe, and infiltrated the Vatican. Could you ask Eric Phelps about this idea that the Illuminati is a Jewish conspiracy. I cannot break through the deception.

We know that we are living in "the times of the Gentiles." (Luke 21:24) During this time, Israel as a nation is cast off and in international diaspora. During this time, the Jews are not the "head" but the "tail" of all nations (Deut. 28) Thus, the ruling elite of the Vatican controlling the Illuminati are racial White Gentiles, not racial Jews.

Of course, there are racial Jews involved in this conspiracy for world government, but they are subordinate to the Gentile Black Pope and Gentile White Pope, now ruling the world. These Masonic/Illuministic Jews are the Pope's "Court Jews," betraying their own racial people. There are many examples of this, as I cover them in VA.

I am leaning towards the idea that there are two sides of the same coin. Both sides want a world government, but one side is Jewish, and the other gentile (Jesuits). I am thinking it is the old idea of both using each other, until the end game, and then they will see who comes to power.

Incorrect. Satan's house is not divided. They all work together, but are subordinated to the Papacy ruling the world from that great city---Rome/Babylon. (Rev. 17:18)

Sincerely in Faith,

Brother Eric

CRAIG-OXLEY - January 21, 2006 01:40 AM (GMT)

Dear Friends,

Attached is a photo of 33rd Degree Freemason General Douglas MacArthur with his immediate master, Jesuit of the Fourth Vow, Edmund A. Walsh.

MacArthur was one of the Order's chief spokesmen for the creation of "the Soviet Threat" and thus the Pope's Cold War. He sought to win in Korea: he landed at Inchong, left the destroyers on the beach where the tide rose and fell 40 feet, surprised and drove back the Chinese, thereby gaining a significant victory. In this action he opposed the Jesuit Order, its Soviet/Chinese Communist Crusade in the Far East and its United Nations. Instead of killing the General as the Order had murdered General Patton, MacArthur was merely relieved of his command by the Order's most obedient 33rd Degree Freemason, CFR/President "Dirty Harry" Truman. Truman's master was Francis Cardinal Spellman---the thoroughly Jesuitized "American Pope" and JFK arch-assassin.

Sincerely in Faith,

Brother Eric

Deep Within The Bowels Of The Vatican And Illuminati: The Small Public Chapter of Svali's Life Coming To An End

Svali says no more interviews but will still try and spread the word of truth through her Christian fellowship group called 'The Lion and the Lamb Ministries.'

19 Jan 2006

By Greg Szymanski

Part IV

<http://www.arcticbeacon.com/19-Jan-2006.html>

The final curtain on this public chapter of Svali's life is coming to a close.

One radio interview and a series of print articles about her involvement in the feared Illuminati and then back to private life, a life of spreading truth in a Christian fellowship group she founded called Lion and Lamb Ministries.

"I was up all night before the radio interview today. It is very difficult to talk about this because of what I experienced as a child. It is also very dangerous, as people in the this group can be very dangerous and ruthless" said Svali, 48, after a making a one-time appearance Wednesday on Greg Szymanski's radio show, The Investigative Journal, on both the Republic Broadcasting(RBN) and Genesis Communications(GCN) Radio Networks.

On the talk shows, Svali gasped for breath several times and was emotionally shaken when recalling how she was brainwashed as a young child and then how she was subjected to watching a young child being sacrificed at her Illuminati induction ceremony at the Vatican at age 12. Her graphic description of the evil Vatican ceremony is contained in Part II of this series.

"I hope what I am trying to tell people will help save the lives of other children, as well as show people how organized and dangerous these people in the Illuminati really are," said Svali, who was born into what insiders call the "Family or Order," running from the group's evil clutches 10 years ago.

"Growing up in the secret organization, I was one of the most loyal followers, rising fast in the group's power structure. By 22, I became a head programmer and trainer of others in the secret group. But as I grew up, I began to see the lies. I finally risked everything and left, understanding that the Illuminati ends to not justify the means."

Although Illuminati mind control programs are numerous and diverse, Svali became an expert in the group's brainwashing techniques, as a head trainer overseeing the work of at least 60 others in the San Diego area.

Recalling a typical day in the life of a mind control programmer working on other Illuminati members, Svali wrote down an hour by hour summary of one of her days which didn't end to the early hours of the next morning.

Note how Svali admits to changing her personality from day to night like Dr. Jekyll And Mr. Hyde, a result of years of Illuminati brainwashing. Her story is picked up 9:30pm in the evening after a full day and just before going to bed:

"9:30: I get ready to go to bed. I have to get ten to twelve hours of sleep a night, or I am completely exhausted. Many times, I fall asleep reading to my two children. Just before falling asleep, I say to my husband, "Remember" and give him the code that lets us know we have to wake up later. He replies in German that he remembers.

"1:00 am.: My husband wakes me up. He and I take turns being the one to wake up the others. We don't need an alarm, because our internal body clocks wake us up. I am in my sweats, I fell asleep dressed to make it easier when I rise in the middle of the night. I am finally me, I can come out now and see the outside world, not locked inside as I am during the day. "Get the kids," he says in a low tone. I go upstairs and tell them, "Get ready, now." They are up instantly, completely obedient which is very different from during the day. Quickly, silently they put their shoes on and I take them down to the car.

"My husband drives, I am in the passenger seat. He drives with the headlights off until we are on the road so we won't wake our neighbors up. We live in the country on a dirt lane and there are few houses to worry about. My job is to keep alert, looking for anyone following us, to alert him if anyone is coming.

"Once we are down the road and turn onto the paved road, he turns the headlights on and we go to the meeting. "I didn't finish my homework," my son says. My husband and I turn briefly to him, enraged. "We don't talk about day at night, EVER!" we remind him. "Do you want to be beaten?" He looks hurt, then the rest of the drive is in silence, the children looking out the windows of the car as we glide silently to our destination.

"1:20 am: We are at the first checkpoint at the military base. We drove in the back entrance and are waved through, the lookouts recognize our car and our license plates. They would stop anyone who wasn't familiar or authorized to be there. We will pass two more checkpoints before coming to the meeting area. It is at a large field on a major marine base that includes hundreds of acres. Small tents are erected, and temporary bases set up for the night's exercises. We come either here, or to one of three different meeting places, three times a week.

"People are chatting and drinking coffee. There are a lot of friendships here, because everyone is working towards the same goal. The work is intense and the friendships are just as intense. I join a group of trainers, who I know well. "Looks like Chrysa is missing," I say. "I bet the lazy b--- couldn't get out of bed." I am very different at night. I use words that would horrify me during the day, and I am very catty and mean. The others laugh. "She was late two weeks ago, too," says another. "Maybe we will need to REPORT her." He is joking, but partly serious. No one is allowed to be late, or sick. Or

too early, either. There is a ten minute window of time when all members are supposed to report to meetings. If not, then they are punished if there isn't a good excuse. High fevers, surgery, or an auto accident are considered excuses. PMS, fatigue, or the car not working aren't.

"We drink coffee to stay awake, since even our dissociated state doesn't stop the body's protest at being awake in the middle of the night after a full day's activities. I go to the tent to change into my uniform. We all wear uniforms at night, and we all have ranks too, based on how high we are in the group and how well we do.

"1:45 am: We start going to our assigned tasks. I have brought the log books with me, the "item" that I was asked to remember. I keep them hidden in a closet at home, locked in a steel box. These books contain data about different "subjects" that we have been working on.

"I go to the head trainer's room inside a nearby building. I work with him, since I am the second trainer under him. He and I despise each other, and I suspect he would love to undermine me since I have made many cruel jokes at his expense. I am supposed to be afraid of him, and I am, but I also cannot respect him, and he knows it. I point out his mistakes to him, in front of others, and he often tries to get back at me.

"1:50 am: The room inside the warehouse-like building is set up to work on the subjects. It has a table, a light, and equipment. The room is apart from the activities going on outside, so that others will not be distracted by what we do here.

"The subject is there, ready to be worked on. Another, younger trainer is there to help, and I tell her to administer the medication. We are working on medications to help induce hypnotic states, and are studying the effects of these medications, combined with hypnosis and trauma. The medication is injected subcutaneously, and then we wait. Within ten minutes, the subject is drowsy and his breathing is slower and heavier, but his eyes are open which is what we want. (I will not describe the rest of the session here, it is too painful for me to describe at this time. I believe that human experimentation is cruel and should be stopped, but the group that I was in did it on a continuous basis). We record information in the logbook throughout the session, and I have a laptop computer into which I am putting the information as well. We are profiling

not just the medication, but also this person's individual response.

"We have profiles that are very complete and thorough on this person, started when he was an infant. I can pull up a special profile that tells me everything about him: his favorite colors, foods, sexual preferences, soothing techniques, and a list of all the codes that will elicit a response from him. There is also a diagram of his internal world that has been created over the years. This subject is easy to work with and things go quickly. I correct the young trainer at one point, when she starts to do something too soon. "You have to learn patience," I chide her in German. At night, we all talk German, it and English are the two lingua francas in this group. "I'm sorry, I thought it was time," she says. I then teach her the signs to look for when the subject is ready. This is why I am a head trainer. I train the younger ones, because after years and years, I know human anatomy, physiology, and psychology inside out. Luckily, I caught this young trainer before she made the mistake; if she had made one, I would have had to punish her.

"At night, mistakes aren't accepted, ever. Once a child is two or three, they are expected to perform correctly, or they are brutalized. This continues into adulthood.

"2: 35: The session is almost over and the subject is recovering. The medication is quick acting and he will recover in time to drive home. I leave him in the care of the younger trainer and go to the coffee room to take a break. There I smoke a cigarette and having coffee with the other trainers. During the day, I have never smoked and coffee makes me ill, but here, at night, it is completely different.

"How's your night going?" Jamie, a friend, asks. I only know her as Jamie, it isn't her real name, but we all go by our nicknames at night. She is also one of the teachers at the school during the day, but we aren't friends there. "Slow. I had to correct another stupid kid," I say. I am not kind at night, because no one has ever been kind to me. It is a very dog- eat-dog and political atmosphere where the cruel win.

"How about you?" I ask. She grimaces. "I had to march some brats around", she says, referring to military exercises with children ages 8 to 10. Every night there are military exercises, because the group is preparing for the eventual takeover. The children are divided into groups by age, and different adults take turns teaching. We chat for a few minutes, and then go back to our "jobs".

"2: 45: This is a short session. It is a "tune up" for a member who is one of the military leaders. I take his profile out and review it before starting. The head trainer and one other trainer are working with me. The hypnotic induction goes quickly, and he remembers his programming. It is reinforced with shock, and we check through all parameters. They are all active and in place. I sigh with relief. This was an easy one, and he doesn't fight us. Afterwards, I am soothing and kind. "You did well, " I tell him. Inside a little trickle in my stomach revolts at the use of brutality to teach. He nods, still slightly dazed from the session. "You can be proud of yourself," I tell him, and pat his hand. He is given his reward afterwards, and spends time with a child. He is a pedophile and this is how he is comforted after his session.

"3:30: We have changed out of our uniforms, which are placed in a special hamper to be cleaned. My clothes, which were neatly folded on a shelf are back on, and we are all in the car on the way home. My daughter speaks. "I get promoted next week," she says, her voice proud. "They said I did really well in the exercises tonight."

She knows that I and the other adults will be at the ceremony to honor the promotions. "I'm glad," I tell her. I am weary for some reason. Usually, I would be glad, but tonight, although it was a routine night, was hard. I have been feeling little cold trickles inside me lately, twinges of terror. Sometimes, I hear a child inside, deep inside, screaming, and I sweat as I work on children or adults. And I wonder how long I can keep doing this. I have heard of trainers who broke down or couldn't do their job, and I also heard whispered stories of what happened to them. It was the essence of nightmares, and I shove down my own anxiety.

"4:00 am: We are home and collapse into bed, instantly asleep. The children fell asleep before we got home, and my husband and I carried them to bed. We all sleep dreamlessly and deeply.

"7:00 am: I wake up to the alarm, tired. It seems I am always tired, and this morning I have a slight headache. I hurry to get the kids up and get ready to teach another day. I wonder if there is something wrong with me, since I seem to need more and more sleep and still wake up tired. I have no idea that the night before, I was up and living my other life."

Days like Svali detailed above happened often. For years she essentially led a dual existence, somehow balancing the day and night life through sophisticated programming techniques embedded in her psyche from childhood.

Now, 10 years later after finally being united with her two children after the Illuminati left her penniless, Svali still fears repercussions but believes it's important to warn Americans that the Illuminati is stepping up efforts to destroy America.

"I was told in my lifetime or my children's lifetime, America would be completely taken over," said Svali. "The group believes they are 'The Chosen Ones. They believe they can become God if they follow the Illuminati agenda.

"America was once viewed as a missionary ground by the 12 European Fathers or heads of the Illuminati. But now they have infiltrated every aspect of government, finance and the media, preparing the population for drastic changes.

"The spiritual center of the Illuminati here is in Pittsburgh. Yes, George W. Bush went to Pittsburgh right after he was elected to speak at a Masonic Lodge for that reason. The group and its members use signs and symbols and they are all over America if you take the time to look.

Svali daid the Illuminati's display of arrogance as well as its members being programmed to feel they are invincible and above the law are now visible to all Americans if they closely watch the actions of their government leaders, a group Svali readily admits "are card-carrying Illuminati members."

"Wars. A military state. A loss of civil rights. An upcoming financial collapse that will make the "Great Depression" look like a Sunday picnic," said Svali who still holds out hope that the Illuminati can be stopped before America is destroyed. "It all goes back to the Vatican and all of our leaders take their marching orders from Rome. This is not fiction. I know because I lived it for many years."

Although many researchers of the Illuminati feel that America is doomed, Svali feels differently:

"The Illuminati and other groups that are organizing to create a world order based on the occult are hoping that this won't happen. But history is against them. They base their principles and spirituality on the occultism of ancient Rome, Crete, and Babylon. But look what happened to the original practitioners! Their rules ended, and God brought those rulers filled with pride to dust. I know that this is the end of the Illuminati and any other occult groups as well; God has given us a wonderful glimpse in Daniel of their eventual fate.

"There is only one rule, one kingdom that will last forever, and that is the reign of Jesus. His reign has already begun in His church, and this gives me hope and joy, and takes away the fear of what the occult "planners" can do. I've placed my bet on the winning side, and moved from darkness to His kingdom."

Excellent!

Several months ago I sent you

> an article about the intelligence group Le Cercle

A great article tying the Nazis with the Knights of Malta, among others.

and still today, even

> though I don't know that much SMOM members, I keep seeing the close
> connection between SMOM and intelligence.

Excellent.

In fact, SMOM/Jesuits also

- > seem to have a close connection to what Dr. Steven Greer is trying to
- > uncover, which is something I will focus on in the future.

Sounds interesting and most profitable.

Now that I've

- > written the following article:
- > <http://home.planet.nl/~reijd050/introduction.htm> I can personally claim
- > that the pinnacle of economic and political power, 'mainstream'
- > Financial Empire intelligence, and the sustainable development movement
- > all tie into the Rockefeller-Rothschild empire, no doubt about that.

Financially, yes, as the Gentile Rockefellers and the Jewish Rothschilds are the Black Pope's Vatican bankers.

- >
- > At the same time both Laurance Rockefeller (according to Steven Greer
- > who was invited to his ranch together with Clinton, a very very close
- > Rothschild buddy)

And Clinton was also a darling of the Jesuits at his alma mater, Georgetown University. He was an obedient Governor of Arkansas to his master conducting the CIA/Mafia drug trade in the White House, Ronald Reagan, whose advisors was Knight of Malta and DCI, William Casey, and Knight of Malta George H. W. Bush, whose son Prescott Bush, Jr. is also a Knight of Malta.

- and the Queen of England ("There are powers at work in

 - > not the top of the pyramid. The queen is a patron and active participant
 - > in the Pilgrims Society, wife of a top figure in the 1001 Club, and her
 - > closest associates in the 'top' levels of intelligence.

She is also the protector of the British Branch of the SMOM and curtsies to the Jesuits at Stonyhurst ruling the RIIA.

So the question

- > then becomes, who or what are they talking about?

The continuing destruction of the once White Protestant United Kingdom, subordinating those nations to the Temporal Power of the Papacy via the predominantly Roman Catholic European Union. And remember, the Jesuits have ruled Cambridge University for over a century, the same British Intelligence lair that hosted Anthony Blunt and Jesuit Bolshevik Theodore Maly---and SMOM Kim Philby, whose father, SMOM Sir John Philby, helped to enthrone Moslem

Wahhabis (the Saud Dynasty) in 1932 as the Pope's visible Masonic masters of Mecca and Medina.

Did you know that Lord Guthrie of the Pilgrims is a member of
> SMOM?

No, but thank you for the information. In fact, I am not aware of the history and power of Lord Guthrie.

He's the new N.M. Rothschild & Sons representative to the
> Trilateral Commission, a former commander of the SAS, a former Chief of
> the Defence Staff, a Gold Stick to the queen, and part-time unofficial
> warmonger for the Anglo-Saxon empire.

By his status, I completely believe it. He then is behind SMOM Tony Blair's Crusade in Iraq?

There's no way I can provide
> evidence for it, but I wouldn't be surprized if a portion of the
> SMOM-intelligence crowd keeps an eye on our globalist friends.

The SMOM rules every faction of the Black Pope's International Intelligence Community. Take a look at the past. SMOM Turkul was Sovet GRU; SMOM Menzies was MI6; SMOM Donovan was OSS, and after the war, SMOM Gehlen was CIA/BND.

Have to
> look further into it, but I believe that Lawrance Rockefeller, according
> to Greer, was talking about how his belief was that the human race was
> under the influence of some interdimensional group of beings.

Lawrance Rockefeller, Jr., knows just who that group is and it is the master of New York City, the Society of Jesus via Fordham University controlling the Archbishop of New York, SMOM Edward Cardinal Egan who in turn rules the CFR and thus the US government.

And you
> know, I wouldn't even be surprized at this point...
>
> [it's pretty much impossible to argue with the chart unless someone

Thanks for the chart. Keep up the great work.

Title: Eric Phelps addressed Jeff "TEMPORAL" Rense

CRAIG-OXLEY - January 20, 2006 09:59 PM (GMT)

Theres many I've come across who are part of the Orgone movement and others who all agree that Jeff Rense is an agent. -2tuff

Dear Tim White, Jeff Rense and James Neff,

As to my clarification concerning "The Jeff Rense Show," I have stated that I have been "avoided," although knowing not the reason why. I never said that I was "blocked."

Jeff, you had me on your show several times three or four years ago, for which I was then and am today thankful, not necessarily to promote my book, Vatican Assassins, but for the simple reason of your entertaining another view; i.e., that the Jesuits, not the Jews, are the masters of this nation as well as every nation on earth via their control of the Vatican, and thus the Papacy since 1814, by means of a host of hermetic/Masonic secret societies. In fact it recently came to my attention that Jesuit-trained and Jesuit-ruled Pope Leo XIII had a Secretary of State who was a member of the Order of Oriental Templars (OTO)---Sicilian Duke Mariano Cardinal Rampolla. The same was true for Pope John XXIII and JFK assassin Pope Paul VI; Bavarian Jesuit Cardinal Secretary of State Augustin Bea was a powerful member of Italy's fascist P-2 Lodge. And by the way, one of those Masonic secret societies, the truly anti-Jewish, "Jewish" B'nai B'rith controls the truly anti-Jewish, "Jewish" ADL; and the ADL bestows the "Cardinal Bea Interfaith Award," further evidencing the connection between the Jesuit General and his Masonic Court Jews.

Years have passed, and events have continued to unfold according to the Order's nefarious plan for this country. I remember, Jeff, that at one time you called me (at my previous phone number) and requested confirmation as to the veracity of the Jesuit Oath of the Fourth Vow, also known as the Extreme Oath of Induction.

You had the oath posted on your site, and had received some flak, I believe, for which I willingly complied with your request. That was the last time we ever communicated.

Recently Jeff, Sherman Skolnick was on your show. He gave a very good expose' of the Jesuits, mentioned VA and I heard you respond to one of his statements that you had had me on the show "years ago." So I inferred that I might receive a call or an email from yourself just to say "hello," or possibly to extend an invitation as a guest on another show. But there was no call received, or mention made that you might consider having me back. As you must know, it is easy to touch base with me; my website discloses my email address and a simple "google search" would reveal the same. With that, you could easily obtain my phone number, once contacted via email. So I dismiss the argument that several attempts were made to contact me over the last several years, James. I am quite public and easily accessible if any party so desires.

Now my policy is to never solicit a speaking engagement or an interview with anybody, as well as to send in any article to any forum without a request from the host of a particular website. I believe for an author to engage in such behavior is to discredit his work and implies a certain self-importance unbecoming to the demeanor of any researcher. If there is no call or standing request for any developing information, then there must be, in fact, no continuing interest on the part of the host. Further, your show, Jeff, is in fact YOUR show and you are under no obligation to extend an invitation to anyone, save only those of your choice.

However, it has been my observation over the last five years that the majority of radio talk show hosts known for their bold and brave attempts in bringing to light the secret power behind an international conspiracy intending to establish a "New World Order"---as Georgetown University Jesuit Edmund A. Walsh calls it in his Total Empire written in 1951---has graduated to what I consider another subversive level of the Black Pope's grand design.

That determined graduation of which I have warned---so inimical of England's Jesuit-backed Fabian Socialists via the RIIA---is the seemingly universal "confession of faith" that it is the Zionist Jews, and thus, by logical extension, all Jews in general who are the real masters of deceit, "the barbarians within the gates;" these are to blame for the universal bloodshed of the Twentieth Century! Clay Douglas, was my very first interviewer after Spectrum's release of the article, "The Black Pope; the Jesuit's General." He pictured Jesuit Superior General Peter-Hans Kolvenbach on the front page of his New American magazine. But over time, Mr. Douglas has gone down the slippery slope of injustice to Biblical truth, becoming a first class, anti-Jew, anti-Israel, pro-Palestinian agitator forever ceasing to entertain "the Jesuit Question." Other agitators who have refused to interview me outright---not that they owe ME

anything, but owe the PUBLIC everything, including this most suppressed Jesuit conspiracy world view---are Texe Marrs, Alex Jones, Joyce Reilly, Art Bell, and Chuck Morse, all of whom I have publicly called "Jesuit Temporal Coadjutors." I do not enjoy the task, but it is a clarifying necessity.

There are others who have acquitted themselves as men regarding "the Jesuit Question," as opposed to "the Jewish Question." You Tim (although I object to your language when profanity is employed) have proved to be quite bold in this regard, and most correct on such topics as "The Secret Treaty of Fort Hunt," involving the Jesuits via OSS "Wild" Bill Donovan and CFR/OSS Allen Dulles aided by FBI J. Edgar Hoover. That verbal agreement, which crime motivated the U.S. government to "move heaven and earth," saved some of the most criminal Nazis of the Reich. You, Tim, were raised as a Roman Catholic, but now understand it is the Vatican's Jesuits who "rule the roost" here in Fourteenth Amendment America. Racial Jews Nelson Thall (alias "Lenny Bloom") and Sherman Skolnick are the only hosts who have continually invited me to return to their show, giving me complete liberty to articulate my historical discoveries relating to the diabolical actions of the Jesuit Order. "Vyzgoth," of "The Grassy Knoll," has hosted me several times, and will continue to do so. Recently, via a series of interviews, Bible-believing Christians Derek and Sharon Gilbert of PID Radio have been very kind in also giving me the opportunity to articulate the Company's design and bloodletting of the last century. Apart from these three hosts, no one has asked me to return to their show---including you, Jeff.

My question is, "Why?" Why is it "crap," James, that I should wonder why I feel distanced from the Jeff Rense Show for you, Jeff, not facilitating an interview during the last four years? I am most justified in this disappointing conclusion especially when your site, Jeff, tends to host and entertain the "Jewish Question" orientation, or rather agitation, of conspiratorial history. James, "thou dost protest to strongly." Something is wrong here, and I truly hope the problem will be rectified. For if we, the informed fringe group of the American people, continue to give utmost credence to "the Jewish conspiracy" version of recent history---rather than blaming Rome, "that great city which reigneth over the kings of the earth" (Rev. 17:18)---, then North America will go down in a horrendous conflagration as did Germany---which chose to blame the Jews for her undoing, rather than the Jesuits who, though expelled by Bismarck in 1872, brought upon her The Second Thirty Years' War (1914-1945). For as the Scripture saith to Abraham and his physical "seed," or descendants:

"I will bless them that bless thee, and curse him that curseth thee; . . . " (Genesis 12:3)

And,

"For I am the LORD, I change not; therefore ye sons of Jacob are not consumed." (Malachi 3:6)

I await your replies, gentlemen, and may I not be forced to conclude that both of you, Jeff and James, are the Jesuit Temporal Coadjutors that you appear to be. May you begin to host the damning truth about the Society of Jesus, which truth Americans may squarely face and resist with manly firmness, if indeed we are to continue to be "the land of the free and the home of the brave," rather than "the land of the fee and the home of the slave."

Sincerely in Faith,

Brother Eric Jon Phelps

James and Jeff,

Well now this IS interesting as Eric is always available for interviews and by email as I am in contact with him always-just this AM I was on the phone with him for 1 1/2 hours connecting yet more very important dots.I'm sure that somewhere in this discourse is the truth but that seems somewhat elusive as I see but I will believe Eric first since he and I are close friends.Eric will be most happy to hear from Jeff but that is not the info I received from Eric just yesterday about Jeff wanting Eric's articles posted or Eric on air.I'll be very happy to make the connection for you or Jeff to get this straightened out but having a Jesuit trained Greg Szymanski to tell this story is not the ticket you should be punching-I think you and Jeff know this as well as I.Eric can be reached at either of two phone numbers and I certainly suggest either of you do so as soon as you or Jeff receives this answer from me.

Eric 610-589-5300

A few days ago,I sent in to Rense.com an article by Carl Oglesby(I'm a friend of his)about the SECRET TREATY of FT HUNT-a MOST important article that very few people know about.WHY was it not posted to Rense.com?This is the mechanism used to put Project Paperclip into full motion and it is when this country actually entered the Fourth Reich-certainly irrefutable now,isn't it?I sent this to Lt Col Dan Marvin so he could send it to Col Donn de Grand Pre-neither of them knew of this treaty,indeed,hardly anyone does in the military or legislative communities.I sent it also to Ted Gunderson yesterday and he never heard of it either so I suggest this treaty DOES get posted to Rense.com or I will really have to wonder more about what I'm already wondering about now.I'm in often contact with both Colonels and Ted is a close friend of mine too.Do what is right to get this rectified by posting this most important treaty article and I will do the same from my end to put things right with Eric and Rense.com.Any kind of a threat to me is not well taken and I can do the same all over the internet so I suggest we all come to center on this and reach a consensus we can all live with

This is an abject, unmitigated lie. No 'blocking' of Eric John Phelps or his work in any way has EVER occurred at Rense.com or the Jeff Rense Program. In fact, several efforts to reach Phelps for another guest visit on the program over the last couple of years have been unsuccessful. Further,

we have received zero written material from him...nothing.

If this is the kind of crap Mr. Phelps believes in, it is a good thing contact efforts have failed. It is this kind of slander that makes truth-telling all the more difficult now. Attacks like this joke on the few remaining sources of good information are growing all the time now. - Rense.com

Greg,

On one hand I commend you for writing this since you are a product of Jesuit education and indoctrination. On the other hand I have to correct you- John Paul I was murdered 33 days into his reign- not 39- and he was murdered by poison administered by those closet to him. He was murdered because of his Papal Bull ordering the Vatican hierarchy and the entire Roman Catholic Church to be rid of all Freemasons- ESPECIALLY the P2 Lodge. His murder was ordered by the Superior General of the Jesuits- The Black Pope. Aside from this- I find it more than just interesting that you are allowed to post this to Rense when I know for a fact that Jeff Rense has BLOCKED all efforts for my good friend, Eric Jon Phelps- author of Vatican Assassins and website owner of same- to ever have his material posted to Rense or be a guest on the Rense program. Eric IS the acknowledged contemporary expert on the exposure of the evil Jesuit Agenda so I have to ask this

question-WHY is it that Jeff Rense is doing this?

Phelps tries "AV1611" replay of long discredited Nazi Fire and Ice Theories

Well, dear blogspot readers. Thanks to one of my very good epals, I was directed to the latest on Eric Jon Phelps website. I saw a post that he allegedly believed in "hollow earth" theories, but I could not believe that even he would be dumb enough to post such proven fallacies. The Nazis had a well known belief in these theories. Their dogmatic belief in them probably cost the Nazis a possible World War II victory. These are also known as the Hans Horbiger fire and ice theories. Hitler commissioned a fleet to float up to the Arctic waters where he believed a subtropical sub-earth paradise to exist. Of course, they went without winter gear and icebreakers . . . Nobody dared say, "but the emperor isn't wearing anything" . . . and the rest is history. Now Eric Jon Phelps tells us on the one hand that the Jesuits controlled Nazi Germany. On the other hand, it is also the Jesuits seeking to keep us from believing the "truth"[NOT!] of these hollow earth, fire and ice theories.
