

"Pope's Zionist Sabbateans" by Barry Chamish

with Forward by Eric Phelps

The following article is written by my friend, [Barry Chamish](#), whom I consider to be the foremost authority on both the past and present state of affairs within Israel today. I highly recommend the reading of his several books, as they sustain the fact that the Pope of Rome has controlled the Zionist, anti-Torah, Socialist-Communist government of the Nation of Israel from its inception - *to the detriment, pain, and heartbreak of the beloved Hebrew/Jewish/Israelites people of the Most High within and without the nation.*

In light of my research, his article simply put is as follows: the Pope's Masonic Jewish Zionists, including those *racially* half-Jews known as "Sabbateans," are merely the *open, visual agents* of the Black Pope in fulfilling his wicked Council of Trent in making the Pope the "Universal Monarch of the World" ruling from Jerusalem's soon-to-be-built Third Hebrew Temple. The fulfillment of the Order's Council of Trent (upheld by *every* Pope since its conclusion in 1563) means the deliberate mass-murder of historic "heretic" Reformation Protestants, pre-Reformation Baptists, racial and religious Jews, as well as "liberal" anti-Communist, anti-Jesuit, anti-Masonic Roman Catholics.

In giving examples illustrating the above point, history attests to the mass-murder of six hundred thousand, anti-Jesuit, Roman Catholic French Vendee by the Order's great Masonic avenger - Napoleon Bonaparte. This is why the Order, in control of the Masonic Islamic Young Turks, murdered over one million "heretic" non-Roman Catholic, Orthodox Armenian Christians (many of whom were racial Jews, as were the "Roma" Gypsies having been exterminated in Nazi Death Camps deep within the forests of Roman Catholic Poland) during World War I - the beginning of the Black Pope's Second Thirty Years' War (1914-1945). This is why, in returning the Russian Orthodox Church to the "One Shepherd" of Rome, the Jesuit "Society of the Perfect" murdered over two million Russian Orthodox people and overthrew the Orthodox Romanoff Dynasty during its Bolshevik Revolution and ensuing five-year Civil War. This is why the Sons of Loyola used their occult SS - patterned after the Jesuit Order by the infamous Bavarian Roman Catholic Jesuit Coadjutor Heinrich Himmler - to murder nearly seven million Jews, tens of millions of non-German Protestant European "Aryans," and tens of millions of Russian "Slavs" during World War II. All these massacres were *financed* by the Rothschild/Schiff/Warburg Vatican Bankers and/or were *openly led* half-Jews who, in fact, were mere agents of Jesuit General Ledochowski. Hitler, Himmler, Heydrich, Lenin, Trotsky, and Stalin were all Vatican-controlled, racially half-Jews who worked in conjunction with the Pope's Masonic Jewish Zionists, while murdering millions of "perfidious Jews" so surnamed by the Pope's Canon Law.

As of 1946, the Professed of the Fourth Vow Luciferian Society of Jesus altered its Constitutions so

as to admit Jews into the Company. I contend that Jews were secretly admitted into the Order - at the absolute discretion of the Jesuit General - for two reasons. First, to secretly carry out the Order's Council of Trent committing horrible atrocities in the name of Communism, Fascism, and Zionism. Payback would be the breakup of the Ottoman Empire and the transfer of Palestine and Jerusalem's Temple Mount to the control of the Pope's Masonic Jewish (truly anti-Jewish) Zionists. In turn, the Pope's "Court Jews" of Israel would deed back the Temple Mount to the Papacy in 1993. Later, the Pope's CFR-controlled American Jewish Zionists would aid the Order's Knight of Malta and former Director of the CIA, George J. Tenet, in demolishing the World Trade Center and then igniting a "War Against Islam," intending to ultimately destroy the Mosques now legally on the Pope's Temple Mount.

The Second reason the Sons of Loyola have admitted Jews into the Order is more ominous and deadly than the average Jew or Gentile can imagine. The Pope's Masonic Jewish Zionists, *covertly* overseen and controlled by the Society of Jesus (while they *overtly* finance and/or direct the Company's bloody revolutions during the last two centuries), have knowingly, and willingly, and purposely, and consciously, betrayed and framed the Jews of America and the world, in cunningly creating worldwide anti-Jewish fury so necessary to the culmination of the Pope's Anglo-American-led Crusade and the coming international rule of Antichrist. It is for this reason that during "the time of Jacob's trouble," the coming Great Tribulation to last 1260 days, the LORD from heaven will cry out to all the Jews on earth:

"Come out of her, my people, that ye be not partakers of her sins, and that ye receive not of her plagues."

Revelation 18:4

May the elect remnant of Jews, about to inherit salvation in Messiah, come out of the Mother Of Harlots today and believe the true gospel as preached by the Jewish Apostle Peter when he said in **Acts 3:10-12:**

"Be it known to you all, and to all the people of Israel, that by the name of Jesus Christ [Joshua the Messiah] of Nazareth, whom ye crucified, whom God raised form the dead, even by him doth this man stand here before you whole.

This is the stone which was set at nought of you builders, which is become the head of the corner [Psalm 118: 22],

Neither is there salvation in any other: for there is none other name under heaven given among men, whereby we must be saved."

For **Isaiah 62:11** declares:

**"Behold, the LORD hath proclaimed unto the end of the world,
Say ye to the daughter of Zion,**

**Behold thy salvation [Yeshua] cometh;
behold, HIS reward is with HIM,
and HIS work before HIM."**

Eric Phelps' Comments are in brackets and in Blue,

KERRY, GAZA AND THE NEW JEWISH SABBATEAN HOLOCAUST

by Barry Chamish

In the first week of February 2004, two related incidents occurred in Israel and America. Prime Minister Sharon announced his decision to evacuate the Jewish residents of Gaza and John Kerry won enough primaries to just about settle the issue of who will be the Democratic Party candidate in the upcoming American elections.

Here are a few less than publicized facts about Kerry:

- He is a graduate, like both President Bushes, of the occult Yale University cabal, the Skull And Bones Society.

[Half-Jew Roman Catholic John Kerry, J.D., was later educated in the law by Jesuits at their Boston College.]

So whoever Americans vote for, they get the same secret society determining their lives. - Kerry,

like Howard Dean, Wesley Clark and Joe Lieberman are all members of the Council On Foreign Relations (CFR). So whoever Americans choose to be the Democratic candidate, they will get the same CFR agenda.

- The well publicized CFR agenda insists on Israel withdrawing from Gaza, Judea and Samaria and half of Jerusalem, making Israel unviable as a state. To that end, like Dean before him, Kerry has promised to appoint Jimmy Carter (CFR) or Bill Clinton (CFR) as his administration's Middle East advisor.

[The Pope's CFR-Roadmap (Roadblock) agenda is intended to create a war within Israel that will result in the destruction of the Temple Mount Mosques enabling the Third Temple to be built - for the Pope.]

- Not that Kerry will receive any new advice from either of them, since his campaign manager is Alan Solomant, an executive of Peace Now - America.

- Kerry is being protected from exposure of the ugly crime of participating in a massacre in Viet Nam.

- But as his prominence grew, so did the investigation of his past. And what did we recently discover; why Kerry is Jewish on his father's side. Somehow, he forgot the fact that his grandparents were prominent Jewish business people in Prague and that his father is 100% Jewish. Ask yourself, do you know anyone who doesn't know his father's religious background?

As rare as it must be, that affliction runs rampant in CFR circles. Former CFR Secretary-of-State Madeleine Albright also forgot that both her parents were Jews, even though she was raised in the Jewish home of her relatives in London.

If you don't feel like voting for Kerry, there is Wesley Clark waiting in the wings. Uncannily, he is also a CFR member who only discovered his father was Jewish while he was burning Bosnia to ashes.

[Bosnia is composed of non-Papal Orthodox Serbs condemned by the Order's Council of Trent. As the Order used its SS Croatian Muslim Division in killing Tito's Orthodox Serbs during World War II, so it is now using Albanian Muslims to continue the same genocide pursuant to the Council of Trent.]

Now how come, no matter which Democrat you choose, you get a CFR half-Jew who forgot all about it? The answer is found in the Sabbatean (also Shabbataian and similar spellings) policy of having their Jewish apostate followers converting and hiding their roots and beliefs.

Allow me to quickly summarize Sabbateanism/Frankism:

In my previous article, "The Deutsch Devils", I revealed the findings of Rabbi Antelman in his books *To Eliminate The Opiate Volumes I and II*. His focus is the false messiah Shabtai Zvi, and the continuation of his evil ministry through the Turkish sect called the Donmeh. In the eighteenth century, Jacob Frank brought the Donmeh ideology to Europe and joined a fateful alliance. This was described in the article as:

Frankfurt at the time was the headquarters of the Jesuit, Adam Weishaupt, founder of the Illuminati, as well as Rothschild Brothers' financial empire. This is worth repeating: Frankfurt was the birthplace of both the Illuminati and the Rothschild empire.

[The Jesuit General Ricci's Illuminati was born in the Pope's ancient stronghold of Bavaria, Southern Germany. Nonetheless, the alliance between the Rothschilds and the Jesuit Order was completed by 1776.]

When Jacob Frank entered the city, the alliance between the two had already begun. Weishaupt provided the conspiratorial resources of the Jesuit Order, while the Rothschilds contributed the money. What was missing was a means to spread the agenda of the Illuminati and that the Frankists added with their network of agents throughout the Christian [non-Christian Roman Catholic; Christian Protestant] and Islamic worlds.

Jacob Frank became instantly wealthy because he was given a nice handout by the Rothschilds of Frankfurt. There is no other explanation.

And from this starting point, Rabbi Antelman gave us a blueprint for the war against Judaism and all its good, and indeed against humanity and all its moral treasures. A movement of complete evil now took hold. The Jesuits' goal was the destruction of the Protestant Reformation leading to a return of one pope sitting in judgment on all mankind. The Rothschilds goal was to control the wealth of the planet. And the Frankist vision was the destruction of Jewish ethics [Torah-based Judaism] to be replaced by a religion based on the exact opposite of God's intentions. When these factions blended, a bloody war against humanity, with the Jews on the front lines, erupted and it is reaching its very pinnacle at this moment.

Rabbi Antelman traces the means of the worldwide reach of this ugliness. By the 1770s, the Illuminati was exposed and banned in Germany and then throughout Europe. Weishaupt made a strategic change that worked miracles for the international spread of his goals. He infiltrated agents into the Freemasonic lodges of England and Scotland, changing their highest tenets to his own, until every lodge in every nation accepted them. Thus, the Illuminati now had two centers of activity, Germany and Britain [and France, as Weishaupt joined the Grand Orient Lodge in Paris in 1777].

Before diving into the proofs that Israel is being set up for another Sabbatean Holocaust [as

foretold by Isaiah 28:14-18], permit me the liberty of explaining the inspiration for this piece. On February 1/04 I visited Gefen Books in Jerusalem to pick up some copies of my Hebrew book, *Who Murdered Yitzhak Rabin* and David Morrison's book, *Lies - The Rabin Assassination And Israel's Secret Service*.

Dr. Morrison's book has made a powerful case for a conspiracy behind the Rabin assassination. One of the favors he did for me was, as a psychiatric doctor, confirming that my analysis of Rabin's medical records was the correct one. Though I had met him just once, he has aided my cause enormously.

That time I met him was in my home when he and Gefen publisher, Ilan Greenfield arrived to hear me out and decide whether to publish a Hebrew edition of my Rabin book, or not. Ilan told me something I didn't know. "If it wasn't for David, I would never have published your book. I left your place and told him you were cocoo. He answered that if I didn't publish your book, he'd never talk to me again. As a psychiatrist he watched you carefully and concluded you were totally sane. He told me, "He thinks differently than us, that's why he can see how the truth works. That's not called crazy, it's called gifted."

I told Ilan that without knowing how much I owed him, I had repaid David many times over by reviewing *Lies* in my book, *The Last Days Of Israel*, and by selling lots of copies of the book in Hebrew and English at my lectures. Ilan's eyes lit up and he said, "Do you know we published two other books by him? Maybe you could promote them as well." He then showed me the books. He chose to display the newest book first. It is called, *The Gush*, and it is very relevant to today's impending withdrawal from Gush Katif. This book tells the human story of the Jewish residents of Gush Etzion, also secretly on the chopping block no matter what Sharon says.

It was a nice book, I told Ilan, but my readers expect deep information from me. Then he showed me the other Morrison book, *Heroes, Antiheroes And The Holocaust*. I struck gold.

David Morrison's book on the secrets of the Holocaust stands with *Perfidy*, *The Transfer Agreement* and *The Scared And The Doomed* as one of the great studies of how Labor Zionism prevented the rescue of European Jewry. Morrison doesn't see this as policy but you will with the knowledge we have gained together.

Morrison doesn't realize that he is reporting a Sabbatean massacre, yet he instinctively writes about the Young Turks. We begin and end our overview with that subject. I will add my comments beginning and ending with two stars **.

**** The First Sabbatean Holocaust - The Dry Run ****

pp 48 - The **[Jesuit-controlled, Masonic]** Young Turks who led the 1908 revolution were Turkish nationalists and established secular institutions, overthrowing the religious **[anti-Jesuit, Sunni]**

Moslem order. They viewed [\[anti-Pope, Eastern Orthodox\]](#) Armenians as a direct threat to their revolutionary plans. The evidence is overwhelming that the massacre of the Armenians was a deliberate, planned genocide [\[pursuant to the Council of Trent\]](#).

The Young Turks allied themselves with Germany and used world War I as a cover for their slaughter of Armenians... As did the Nazis in World War II, the Turks used their intended victims as slave laborers building a trans-Turkish railway for German business interests.

**** And who were these Young Turks who organized The Armenian genocide? We turn to *Sabbatean Messianism* as Proto-Secularism: M. Avrum Ehrlich for the answer. ****

The extent to which Jews were involved in the Young Turk revolution is debated, some arguing that Jews and Donme dominated the Committee of the Union and Progress Party (C.U.P) which gained control of the State. Others argue that this was anti-Semitic rhetoric and exaggerated and that while the Jews supported the revolution on a grass roots level, they were not highly represented in the upper echelons of the party. Indeed, British diplomats did report to the home office that a Jewish-Masonic conspiracy was at work favouring the revolution [\[as would later transpire in Orthodox Russia\]](#). The Donme are believed to have been equally involved in the revolution but exact details are less known due to a number of reasons...It was via the Masonic lodges that the Donme, the Jews, Bektashi and secularists who were less accepted in mainstream society were able to meet on an equal footing, many of them becoming major instruments of the revolution...Whether the suspicions that Masonry is responsible for sedition and subversive activities are true or not, in this context they were a convenient home for the revolution, providing lodges and personnel, secrecy and structures for the revolution [\[thus duplicating the Order's Masonic French Revolution in 1789\]](#). The Donme thrived in the Masonic environment, allowing them to be both secretive and influential, maintaining their religious ideas in a non-dogmatic atmosphere. Bridging the gap between the Jews and the Muslims [\[linking Masonic Jewish leadership with Masonic Muslim leadership evidenced in the Middle East today, the late Prime Minister Rabin and King Hussein of Jordan having been hailed as "Masons of Peace"\]](#), they seemed to represent the happy medium of the secular Young Turk revolution. Even today Donme are involved in the Masonic Lodof Turkey. Sahir Talat Akev of the Kapanci-Izmir group of Donme was the Grand Master of the Masons until his death in 1999.

Dr Nazim, Nuzhet Faik, Mustafa Arif, Muslihiddin Adil, Sukru Bleda, Halide Edip Adivar and Ahmet Emin Yalman were all active in the Young Turks and of Donme families. Mehmet Kapanci (1839-1924) who was a mayor of Salonica and a well-known banker funded the C.U.P and was a Donme. Other Jews active in the Young Turks were Nissim Mazliah from Izmir and Vitali Faradji , Moise Cohen (later called Munis Tekinalp) who was an active Jew and once rabbinical student who turned to business and actively asserted a proud Turkish identity along with Zionist sentiments...It is curious that Israel's first and second Prime Ministers, [\[Masonic\]](#) David Ben Gurion and Moshe Sharett and her second president Yitzchak Ben Zvi had lived and studied in Istanbul and embraced the concept lehitatmen , Hebrew for "to become an Ottoman" . Ben Zvi is alleged by some to be descendent of a Sabbatean family. Sharett served in the Ottoman army in

WW1. Ben Gurion gave up Russian citizenship for Ottoman citizenship, something many others in Palestine were afraid to do. Israeli Presidents Ben Zvi, Zalman Shazar and to a lesser degree Yitzchak Navon became students of Ottomanism.

Mehmet Cavit Bey (1875-1926) was one of the most significant Donme political figures. He was active in the revolution as a highly articulate editor of a tabloid and professor of finance and was three times Finance Minister of Modern Turkey until his execution for his alleged role in the assassination attempt of Ataturk. [Ataturk was completely in the hands of the Jesuits. Like Fidel Castro, Ataturk would be protected at all costs]. It is believed that Cavit Bey was an ardent Zionist and saw the advantages for Turkey in the Jewish settlement of Palestine.

No less today than in the early days of its activities, *secular Zionism* and the *Israeli Left* in particular show distinctive utopian aspirations that in many ways resemble forms of religious Jewish messianism, oddly enough bolstered by an almost religious dogmatism. Despite a declared and articulate opposition to conservative orthodoxy and religious messianism, this group seems to have *unconsciously adopted many messianic characteristics* and uses *almost religious symbolism to address its message* [like the occult "Star of David" called in Amos 5:26, "the star of your god which ye made to yourselves."]. In contrast with the early Zionists whose goal was a secular political messianism aimed at establishing a political State and securing sovereign territory by force of arms as an essential premise, the *latter manifestation of the Israeli Left has more mystical messianic leanings*. On one hand, the Israeli Left [its open anti-popish policy] acknowledges its national aspirations for Jewish sovereignty in the Land of Israel, but on the other hand, it [its secret pro-popish policy] supports extreme territorial compromise with Israel's enemies [in order to further justify interventionist Papal diplomacy]. These two values are often perceived to negate one another [as those two policies are cunningly intended to deceive the innocent observer]. In a situation which is quite possibly un-resolvable in real-politick, it is however, considered entirely possible and likely in the paradigm of peace that the Leftist movement professes. Most interesting is the movement's choice of *messianic terminology* when describing the peace process with Israel's Arab neighbours, including a new world order in the Middle East, an *uncanny political rendition of the messianic kingdom of heaven on earth*.

[This language justifies the rule of the Pope's Masonic anti-Jewish Zionists, they having aided and abetted the Pope's Nazi SS leadership during the Jewish Holocaust, to the exclusion and elimination of truly patriotic Jewish leaders such Rabbi Meir Kahane, who angrily exclaimed, "the Zionists have hijacked Israel." For Kahane's truthfulness and courage he was assassinated by a Moslem secretly handled by the Pope's CIA. The Kahane assassination further proves the link between the Pope's SS/CIA and its creation - the Masonic Islamic International Wahhabi-led Terrorist Network known as "Al Qaeda."]

Most interesting is the extreme anti-nomian nature of the Israeli Left Wing. A new dimension to anti-nomianism was created in this mutation of messianism that extended beyond the rejection of Jewish ritual into a form of national anti-nomianism. There existed an overwhelming pressure on believers amongst the Israeli Left not only to *neglect Jewish tradition* but a fundamental

imperative to forfeit Jewish sovereignty particularly over Jewish religious sites (Cave of Joseph, Cave of Machpela, Temple Mount) by which peace was directly achievable.

Furthermore, a curious similarity between the Israeli Left and the Sabbatean movement is illustrated in the Left's strong public ties with Arabs and Islam while privately rejecting and even despising their lifestyle, morality and habits. Stark similarities are evident with the Donmeh who showed great public affection with Islam but amongst themselves entirely rejected and even despised Islam. This, of course, is not so much because of causal influences that Sabbateanism had on Zionism but rather because the same impulses and mechanisms active in both groups. *Their belief that assimilation was an important utopian/messianic goal is therefore argued to be a motivation in both Sabbatean and Left Wing Zionist messianism.*

[This same policy of the Jesuit Order is being forced upon the White Protestant nations of the West. Coerced amalgamation leading to miscegenation between Whites and Blacks, and thus the mongrelization and browning of historic Reformed nations, is producing a White Protestant Holocaust. Protestant White Rhodesia (Zimbabwe) and Protestant White South Africa - along with their Jewish communities - are finished, as hundreds of Whites are being murdered every month. This same Holocaust will continue in North America unless a group of White Calvinist Reformed peoples secede from the Empire and form their own nation once again.]

**** M.A. Ehrlich's great accomplishments include verifying Rabbi Antelman's *grand conspiracy involving the British rites of Freemasonry* but exceeds Rabbi Antelman in the strong evidential connections to Labor Zionism and today's Israeli Left. They are being guided to *acquiesce in a new Israeli Holocaust*, no less than the American leaders of Labor Zionism and the Left did so acquiesce in the 30s and 40s. For a revealing look at modern American Sabbateanism, visit: <http://www.donmeh-west.com/#> ****

The Rothschild Connection

**** Kerry and Clark are not the only world leaders who deliberately forgot their Jewish fathers. Numerous sources have claimed that Adolph Hitler's real father was a Rothschild and this assertion is not off the wall. Hitler's mother was working as a maid on a Rothschild estate when her son was conceived either through an affair or rape. No less an authority as the History Channel, in a Jan./04 series on dictators, revealed that Hitler razed the Austrian town he was born in, "to destroy all hints of his Jewish father."**

Could Hitler have been a Sabbatean?

The initial financiers of Labor Zionism and Theodore Herzl were barons of the Rothschild clan. Their goal was the creation of a state in the image of their *Sabbatean beliefs: that is, anti-Torah, anti-Talmudic, anti-religious and anti-Jewish. To the Sabbateans, any Jew who does not accept anti-Judaism is fit for execution.* Israel has chosen morality and God, and that means execution is the

correct punishment.

Rabbi Antelman is not alone in tracing the Rothschild path to an American financial takeover. Hundreds, if not thousands, of researchers have proven that the European Rothschilds sent their German agents of the Schiff, Astor and Warburg families to serve the interests of the cabal formed by the [Jesuit General in control of] Jesuit Illuminati, British Freemasonry and Sabbateanism.

We return to David Morrison's book to have a look at who was conducting the affairs of American Jews during the Holocaust era.

pp. 36-37 - "The leading figures were Judge Mayer Sulzberger, Louis Marshall, Cyrus Adler and Jacob Schiff. Schiff was the towering figure of that group that, to a large degree, represented wealthy American Jews of German background. Louis Marshall was named president of the JDC, and Schiff's son-in-law Felix Warburg, the treasurer. Warburg soon became chairman.

**** In the 1940s, the Warburg connection to Hitler was exposed in a startling book by one of their own, Sidney Warburg. He wrote that he was sent to Hitler's court to finance Hitler's rise with American funds funneled through the Warburg banking operation in Hamburg. For further confirmation, read Anthony Sutton's, Wall Street And the Rise of Hitler. And who was Felix Warburg allied to but Chaim Weizmann? (Later President of Israel) ****

[Both were 33rd Degree Jewish Freemasons intent on rebuilding Solomon's Temple. Weizmann's American brother Mason of the 33rd Degree was President "Dirty Harry" Truman, creator of the Airborne Nuclear War Hoax, the Cold War Hoax, the Pope's Central Intelligence Agency and a most obedient servant of "the American Pope," Knight of Columbus Francis Cardinal Spellman.]

pp 63 - When traveling to America Weizmann and his wife enjoyed the company of Felix Warburg and his wife Frieda.

pp 40 - The power behind the group that made up the JDC and American Jewish Committee was Jacob Schiff.

[Jacob Schiff, according to his son, helped to finance the Black Pope's Bolshevik Revolution to the tune of twenty million dollars in gold. This is another example of the Pope's "Court Jews" financing the Jesuit General's many revolutions.]

From a wealthy banking family in Germany, he joined Kuhn Loeb in New York in 1873. In 1875 he won the hand in marriage of the daughter of Solomon Loeb and a full partnership in the firm. His specialty was railroad finance. Working with E.H. Harriman, he acquired the Union Pacific Railroad in 1897.

[The Jesuits were busy uniting both the East and West Coasts via the railroads in creating the Pope's "Holy Roman" Fourteenth Amendment American Empire. The Company had just finished its brutal "ethnic cleansing" known as the Indian Wars of the Great Plains, or, more properly, America's First Thirty Years' War (1865-1895). By 1901 the Order, via Freemason Theodore "Rex" Roosevelt, would begin to restore the Pope's Temporal Power around the world using the fearless American Military and high finance of the Rockefellers, the Schiffs and the Morgans. In 1913 these American Vatican Bankers would create the Pope's Federal Reserve Bank - the biggest bank in the world!]

**** Now we dive into the bowels of the plot. Schiff backed the Rockefeller railroad interests, which led ultimately to the foundation of the CFR in 1921 by the same J.D. Rockefeller. E.H. Harriman was the company Prescott Bush (George Jr.'s grandfather), was working for when he funneled millions of dollars to Hitler. This connection has been documented by numerous writers including Anthony Sutton and John Loftus. The Rothschild method was to identify crooked robber barons and promise them total wealth and control, if they would follow and promote the Illuminati/Sabbatean line. The CFR is the diplomatic arm guiding America and the world into a global Satanism. And no matter who the American voter chooses, he gets the CFR and more. If Bush wasn't elected last time around, Al Gore would have been president. His daughter is married to the grandson of Jacob Schiff, assuredly meaning he is Sabbatean.**

Rabbi Antelman asserts that the Sabbateans sent more than financiers from Germany to infiltrate American Jewry. He insists the Conservative, and moreso, the Reform Movements, are *tools used to draw American Jews away from their traditions and into the arms of the Sabbateans.* **

pp 39 - Judah Magnes confessed without provocation that in Berlin he had been converted to Orthodoxy and he knew Theodore Herzl.

pp 41 - All three groups courted Judah Magnes for a leadership role. Schiff was a major supporter of the Reform Temple Emanu-El in New York but he and Felix Warburg also contributed to the Jewish Theological Seminary. Solomon Schechter, who came from England in 1902 to become president of the seminary, lent his support and prestige to the Zionist cause.

**** "We shall have World Government, whether or not we like it. The only question is whether World Government will be achieved by conquest or consent." -- Statement made before the United States Senate on Feb. 7, 1950 by James Paul Warburg ("Angel" to and active in the United World Federalists), son of Paul Moritz Warburg, nephew of Felix Warburg and of Jacob Schiff, both of Kuhn, Loeb & Co. which poured millions into the Russian Revolution through James' brother Max, banker to the German government. ****

**** Sabbatean Labor Zionism concocted a dreadful tradeoff with the Nazis, which resulted in 50,000 indoctrinated German Jews escaping to Palestine from 1933 to 1939. The 3 million Jews of Poland were *too religious to join the enterprise.* [Further, according to one source, there were over**

300 Messianic Jewish assemblies among the Polish Jews at that time. Assuredly, the Pope's "Court Jews" would never allow those "heretic" Jews to enter Palestine but rather they would be sent to the Death Camps.] And those who weren't religious largely supported the moral and proud scions of Zeev Jabotinsky, known at the time as the Revisionist Zionists. **

[The Order hated Jabotinsky for which reason he was expelled from Israel by Chaim Weizmann, one of the Pope's Masonic anti-Jewish Zionists. Jabotinsky, who died in 1940 near Hunter, New York, was not allowed to be buried in Israel until a much later date. He like Kahane, wanted a sovereign nation of Israel, rather than a "Jewish Sate" run by the Pope's "Court Jews."]

pp 42 - Louis Dembitz Brandeis, an early Zionist leader, protested to the Schiff-Warburg group over the route that Joint Distribution Committee funds took from the United States to Polish Jewry. Millions of dollars were channeled through the Aid Society of German Jews that included Max Warburg. Brandeis protested to Felix Warburg that the German group supported the ban on immigration of Polish Jews into Germany.

pp 47 - At the outset of WWI, Jacob Schiff felt the tug of his German roots. He aided Germany financially and told a friend: "My sympathies are naturally altogether with Germany, as I would think as little to side against my country as I would against my own parents."..Schiff's brother-in-law, Max Warburg, was a German delegate to the economic talks at Versailles. He had discussions with John Foster Dulles...Dulles' brother Allen served in Turkey as assistant to the US High Commissioner. From that post he aided the attempt to cover up the Turkish massacre of the Armenians during the war. His superior, High Commissioner Mark Bristol averred: "The Armenians are a race like the Jews - they have no national spirit and poor moral character."

**** There isn't the space to present the machinations of the leaders of American Jewry, so we will focus on just one, the leader of Reform Judaism and the American Jewish Congress, Stephen Wise. His closest friend and correspondent was Felix Frankfurter. Of him, Jerry Rabow in his book, *50 Jewish Messiahs*, writes:**

"United States Supreme Court Justice Felix Frankfurter is reported to have received a copy of Eva Frank's portrait from his mother, a descendent of the Prague Frankist family."

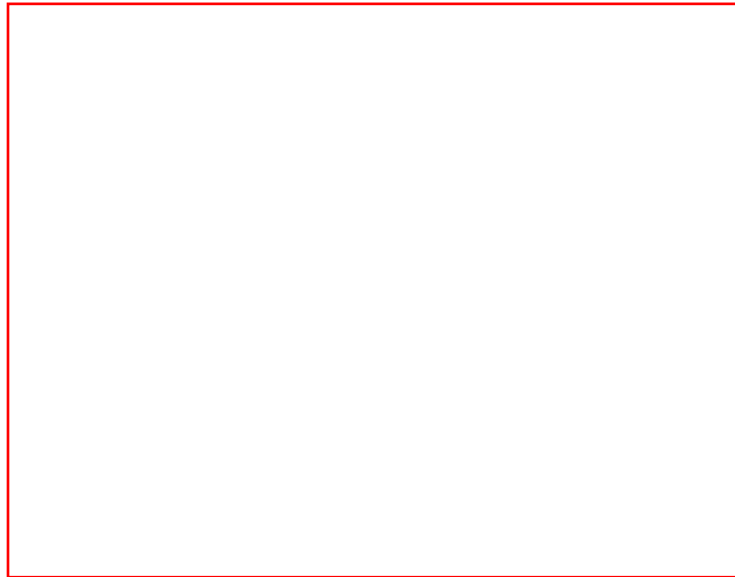

Here is a quote from Frankfurter:

"The real rulers in Washington are invisible and exercise their power from behind the scenes."-- Justice Felix Frankfurter, U.S. Supreme Court.

Of Stephen Wise, Rabbi Antelman provides this description in *To Eliminate The Opiate*, Volume

II:

"Consider Stephen Wise, head of the Reform movement in the United States during World War II. As the slaughter was going on in Europe, Wise was more interested in his own gratification. Wise was *both a Communist and a Sabbatian*. That he was a Communist is attested to by Maurice Malkin, a member of the Communist Party who returned to Judaism, in his book *Return To My Father's House*. Wise was a Sabbatian, as was shown in Helen Rawlinson's book *Stranger At The Party*. In her chronicle of a sexual encounter with the so-called Rabbi Wise, she describes how Wise had sex with her in his office on his conference table, and quoted the verse from Psalms which Sabbatians did when engaged in sexual intercourse." pp 217

Roman Catholic Bishop Francis T. McConnell and Rabbi Stephen S. Wise, 1933

[Zionist Stephen Wise, a personal friend of Chaim Weizmann, was also the mutual friend and co-worker of the Roman Catholic Bishop, Francis T. McConnell. Both men were servants of Jesuit-trained Patrick Cardinal Hayes of New York. Later, Jesuit-trained Archbishop Spellman would control Democrat Rabbi Stephen Wise from "the Powerhouse" - St. Patrick's Cathedral in New York. Wise's autobiography, *Challenging Years*, was completed the year of his death in 1949. Pursuant to Vatican policy, Wise along with 33rd Degree Freemason FDR, refused to come to the rescue of European Jewry perishing at the decree of Pope Pius XII and his Jesuit-led SS.]

**** Now follow David Morrison's chronicle of Wise deliberately condemning European Jews to death by torture. Lest you believe today's American Jewish leaders aren't capable of organizing a second Holocaust, always recall the *very same process, using carbon copy American Jewish leaders*, is at work against Israel at this moment. *PM Sharon is simply doing what the CFR tells him to.* ****

pp 107 - Wise wrote to Albert Einstein displacing blame for Roosevelt's silence on the Nazi atrocities on the Warburgs: "I must say to you in strictest confidence that I saw the President

yesterday...His first word was, 'Max Warburg wrote to me lately that things were so bad in Germany that nothing could be done.' The President threw up his hands as if to say, 'Well, if Max thinks nothing can be done, then nothing can be done.'"

[\[Again, Wise and FDR working for "The Powerhouse" in New York, condemning the Jews of Europe to death.\]](#)

pp 110 - Steven Wise circulated, in January, 1937, an internal memorandum to the Governing Councils in the World Jewish Congress making it clear, "in the most emphatic terms that it cannot be a party to any scheme of the Polish government which looks to a place for Polish-German emigrants."

pp 113 - At the same time, he circulated this memorandum, he wrote to a New York congressman who intended to introduce legislation to ease restrictions on emigration to America: "I have every reason to believe that any effort that is made at this time to ease the immigration laws will result in a serious wave of anti-Semitic feeling in this country."

[\[Wise and FDR refused immigration of European Jews to America, while after the War, thousands of Nazis were given sanctuary in the US under the guise of "fighting godless Jew Communism." One of those Nazis was the Jesuit Coadjutor, SS "Gestapo" Heinrich Muller.\]](#)

pp 120 - After Austria fell, Wise met with representatives of the American Jewish Committee and some non-Jewish groups. The meeting came in the wake of an attempt by New York Congressman Samuel Dickstein, to introduce legislation that would allow unused refugee quotas to be allocated to those fleeing Hitler. The gathering agreed unanimously: The organizations represented at the conference will take the position that the proposed legislation is inadvisable."

pp 128 - In the week following Kristallnacht, the British offered to give up most of the 65,000 quota for British citizens to emigrate to the United States to increase places for Jewish refugees. Under Secretary Of State [\[CFR-controlled\]](#) Sumner Welles responded: "I reminded the Ambassador that the President stated there was no intention on the part of his government to increase the quota for German nationals. I added that it was my strong impression that the responsible leaders among American Jews would be the first to urge that no change in the present quota for German Jews be made...The influential Sam Rosenman, one of the "responsible" Jewish leaders sent Roosevelt a memorandum telling him that an "increase of quotas is wholly inadvisable. It will merely produce a '*Jewish problem*' in the countries increasing the quota."

pp 129 - The General Jewish Council met the following day and spent hours of debate on an agenda that did not include the Kristallnacht. When the leaders of the American Jewish Congress addressed the issue, they did so by adopting a resolution giving the following advice to their constituents across the country:

"Resolved that it is the present policy of the General Jewish Council that there should be no parades, public demonstrations or protests by Jews." Stephen Wise on American Jewish Congress stationary sent out a report to his members labeled: CONFIDENTIAL. NOT FOR PUBLICATION IN ANY FORM WHATSOEVER: "In behalf of the American Jewish Congress I send you this report clarifying our policy in meeting the present crisis in the life of our fellow Jews in Germany. The silence of the American Jewish Congress should not be regarded as a lack of activity on our part. It is the result of well considered policy."

[Indeed, silence was not only the policy of the Order's American Jewish Congress, but of Pope Pius XII himself. For Hitler's Pope was the master behind the Order's "Final Solution to the Jewish Question." The Vatican's files on Pope Pius XII, censored by the Pope's confessor Jesuit Robert Leiber and three other Jesuits, are still closed to the scrutiny of investigators - just as the CIA files on the Kennedy Assassination are closed to those patriotic Americans who would know the truth.]

pp 145 - In the wake of Kristallnacht, New York Senator Wagner introduced legislation to allow 20,000 German Jewish children into the United States. Stephen Wise testified before the legislation committee: "If there is any conflict between our duty to those children and our duty to our country, our country comes first; and if children cannot be helped, they cannot be helped."... Reynolds saw no difficulty in accommodating the refugee children in the United States. The legislation, without support from the Jewish leadership, got nowhere.

**** If the children were not destined from Germany to Palestine, they were not destined to live. The same thing happened when choosing [if] the Polish Jews [were] fit to live. ****

pp 154 - A letter to American Jews on United Jewish Appeal stationery continued to support the 'selected' immigration of Jews to Palestine, despite the fact that 3 million Jews were now trapped in Nazi-occupied Poland: "Selectivity is an inescapable factor in dealing with the problem of immigration to Palestine. By selectivity [it] is meant the choice of young men and women who are trained in either agriculture or industry.

pp 178 - During the summer of 1942, Gerhart Riegner sent a cable to the State Department detailing the Nazi plan for exterminating European Jewry. At the behest of Under Secretary Of State [CFR-controlled] Sumner Welles, Wise kept the report secret.

pp 187- In the February, 1943 issue of Wise's American Jewish Congress publication, *Opinion*, there is an extensive review of the Hitler era to date with articles contributed by 52 people. No one mentioned the word 'rescue.'

pp 200 - When [Roman Catholic Papal Knight] Anthony Eden was in Washington he met with Wise and told him nothing could be done...Eden's private secretary Oliver Harvey noted in his diary: 'Unfortunately, A.E. loves Arabs and hates Jews [which was then and is now the present

[policy of the Jesuit Order\].'](#)

pp 212 - There was an appeal from Italy which stated that an appeal from the pope might stop the deportation of Jews from Italy. The Zionist Emergency Committee did nothing about this matter. A meeting wasn't even called.

[\[And Pope Pius XII said nothing as further revealed in Rolf Hochhuth's 1963 masterpiece, The Deputy.\]](#)

pp 217 - Stephen Wise declared: "We are Americans first. Nothing else that we are, whether by faith or race, qualifies our Americanism...The way to save Jews is to unite the Jewish people behind the victory program of President Roosevelt."

pp 220 - A White House staffer recorded in his diary that, "The President told us from his bedroom that he would not see the delegation of rabbis."... Judge Rosenman, who was also in the bedroom said the group was not representative of the most thoughtful elements in Jewry. Rosenman's statement to Roosevelt that "leading Jews of his acquaintance" opposed the rabbis' march.

pp 227 - While Wise sent private memos clearly stating they thought the rescue of Jews was possible...in public they supported the Roosevelt administration's steadfast assertion that nothing could be done...

pp 230 - Congressman Gillette recalled a visit to his office by Wise and a few of his colleagues: "None of these gentlemen seemed to be enthusiastic for...the saving of the remnant of the Jewish people."

pp 241 - Wise felt strongly that the Gillette legislation did not provide for the "proper type of commission." With all that was known about the obstruction of the Jewish rescue by the State Department [\[then as now controlled by the Archbishop of New York\]](#), Wise was lobbying to leave the issue in their hands...Henry Morgenthau's aide Josiah Dubois uncovered the State Department's policy relevant to the issue of Jewish rescue... The stunning title to the Dubois memorandum was: REPORT TO THE SECRETARY ON THE ACQUIESCENCE OF THIS GOVERNMENT IN THE MURDER OF JEWS...Dubois pointed to the restrictions on visas as, "the most glaring example of the use of the machinery of this government to actually prevent the rescue of Jews."

**** David Morrison's conclusions are too generous, but his scholarship is invaluable. He has added an essential contribution to the indisputable fact that America's Jewish leaders, led by Stephen Wise, purposely murdered by proxy, the Jews of Europe.**

Rabbi Stephen S. Wise Addressing a Protest Rally in New York, 1933

[Stephen Wise was a mere puppet of the Black Pope in adhering to the secret policy of the Allied leaders - Masons Churchill, FDR and Stalin - who also worked in conjunction with the Order's Axis fascist Roman Catholic dictators - Mason Mussolini and Hitler. That secret policy was the deliberate isolation of European Jewry thus condemning it to the Death Camps of Poland, those six slaughter pens having been financed and built by corporations owned or controlled by Vatican Knights of Malta.]

Now they are working on the Jews of Israel, starting with those of Gaza. **

End

The CFR is at work taking over the media of the Israeli patriots. Ronald Lauder of the CFR and his frontman Moshe Ben Zvi have bought out the newspapers *Hatsofe* and *Makor Rishon*, as well as the religious TV channel *Tchelet*. The first thing they did at *Tchelet* and *Makor Rishon* was fire the staff and change policies. This week *Makor Rishon's* editor was ousted and the new management has promised a more "middle of the road" editorial policy.

To prove the Gaza withdrawal is a gesture of war, consider what could have been done. Next door to Gaza is the 36,000 sq. mile Sinai Peninsula, which Egypt has been using to funnel-tunnel weapons against Israel, obviously in contravention of its supposed peace treaty with Israel. The population of the Sinai is under 50,000 and if anyone actually wanted to bring peace to the region, a viable Palestinian state could be established there.

[How true! But the Order's "foreign elite," controlled by the Pope, do not want peace - *not quite yet*. The withdrawal from Gaza - a land given by God to the tribe of Judah - is not only a gesture but rather a guarantee to another coming war in Israel, as was the Versailles Treaty the foundation for a subsequent war in defeated and plundered apostate Protestant Germany. In

further igniting the present Anglo-American-led Papal Crusade against Islam, several CIA-pre-placed nuclear devices will be detonated on US soil in the near future. The Moslems will be blamed via the Order's CIA-controlled Al Qaeda Terrorist Network, and Mecca, Medina and the Jerusalem Mosques will be reduced to rubble *to the infinite delight of the Black Pope and the White Pope* - the successor of the soon-to-be-deceased Pope John Paul II.]
