

CHAOTICA SATANICA DETRIMONIA

PRESENTS

**TETRAGRAMMATON
NIHIL**

It not matter a gram

*A COMEDIE
OF
BLASPHEMOUS
PROPORTION*

NOT MATTER A GRAM

2 2 *was one racehorse*

1 1 *was one two*

*there are **3** things over there*

lets grab them shall we?

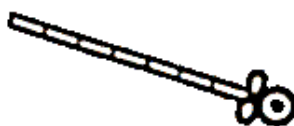

*A jug of wine,
A leg of lamb*

*And thou!
Beside me,
Whistling in
the darkness.*

*Never-the-less let us get
To the point of the matter*

shall we?

Do as Thou wilt!

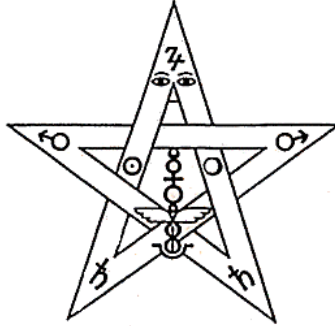

Was Crowley a Satanist?

It matter not a gram

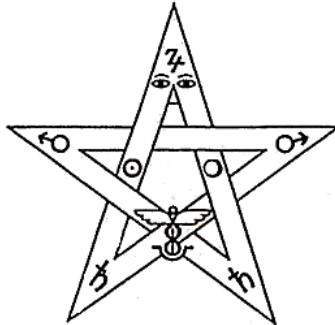

I know

I am

I am not a Jew
Take away that Hebrew
It matter not not a gram

This is Alchemy
A little mercury
To turn lead into gold
This is necessary
It matter not a gram

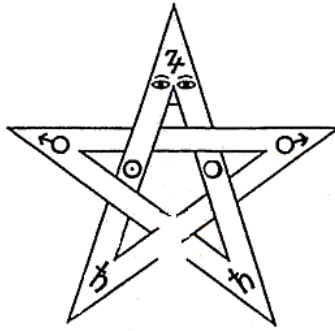

It's looking better don't you think?

Isis shouldn't mind a bit

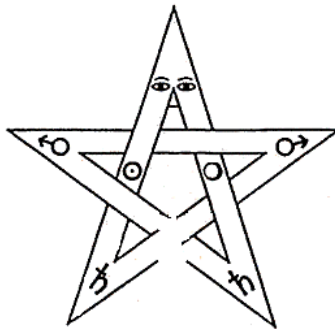

If now the gonad

We do snip

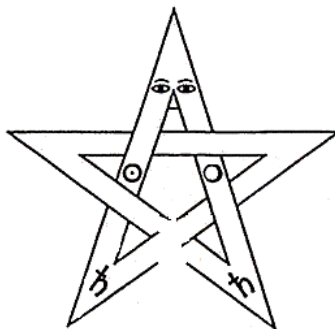

It matter not a gram

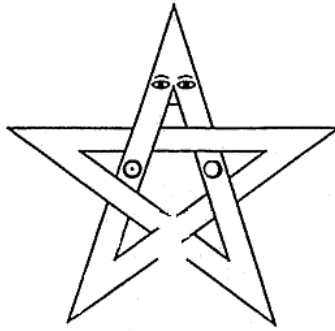

This is what Satan said
Come down and join me
I might as well I said
It matter not a gram

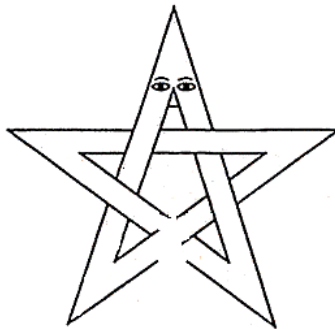

I will
I might
I may be right
It matter not a gram

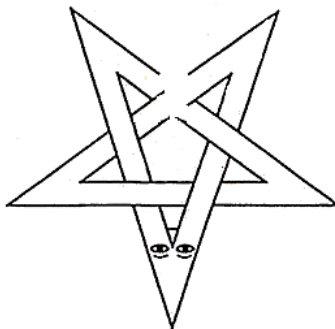

Too wise you are
Too wise you be
I see you are two wise for me
It matter not a gram

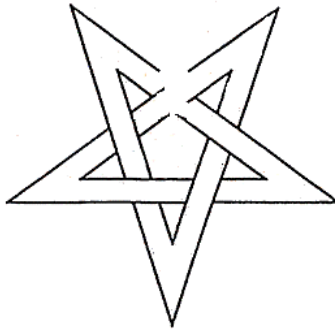

To be one step ahead
Or two steps behind
Humanity is not a race
It matter not a gram

I stand alone
I'm on my own
While having great big crack up

On the downward spiral
I see into the Abyss
I cannot find the light switch
What kind of I's are this?

Along these weary paths I plod
Bugger this and bugger Yod
The earth by any other name it seems
Is always still a sod..
