

PROGRAMMED SLAVES of the ILLUMINATI – Part Two

[Chapter 4A](#) of a book entitled “The Illuminati Formula used to Create an Undetectable Total Mind Controlled Slave” By Fritz Springmeier & Cisco Wheeler. Written in 1996.

And also from Fritz Springmeier's Facebook page:

<https://www.facebook.com/Fritz.Springmeier/?fref=ts>

O. ZETA (snuff films)

Zeta is the sixth letter (of the Greek alphabet), and it's ancient meaning was a sacrifice.

Some alters will be created solely by the slave in order to cope with life. For instance, say the slave is travelling with someone who is not a handler, but who is a dangerous person. This dangerous person murders several people and forces the slave to help. The slave is likely going to have front alters out, and they are simply going to have to create new alters to meet the demands of the situation.

These alters made to deal with one-time emergency will just slip into cracks in the system. Lots of odds and ends alters end up in the nooks and crannies within a system just detached and floating. The programmers and the victim work hard at structuring and cleaning up things--**but the honest truth is that trauma-based mind-control is messy.**

Any time you shatter someone's mind into thousands of pieces with horrendous torture, you have a shattered mess, in spite of the good fronts that the programmers are able to construct. One of the illuminati signs is shattered mirrors which indicates that the person has been split into many alters through mind control.

Some of the more elaborate access methods are for alters that are not on the "a" chart. **Hour glass alters** have entire sentence access codes. Deaf & blind alters need their access code signed on their hands by moving their fingers up and down, etc.

End time alters may have access codes that may entail reading an entire page.

Reporting alters are often small children, that are hidden in each section,

It seems that Diane Sawyer triggers Britney into a child alter in this interview.
and may require slaps to the face or

jabs with a needle to pull them up.

Mary's Core Protector 1 will have a shutdown code of "REVERSAL 1 BEGINNING" and the second Core Protector will have the shutdown code of "REVERSAL 2 CREATION".

These are jabs at Jesus.

Rev. 1:8 – I Am Alpha and Omega the Beginning and the Ending saith the Lord, which Is and which Was, and which Is to come, the Almighty.

John 1:1,3 – In the beginning was the Word, and the Word was with God, and the Word was God. All things were made by Him; and without Him was not anything made that was made.

Of course, **these codes are said 3 times**. The first three alters on the far left section at the top of the chart are Silences who can be woken up by singing. Also at least one of these, will wake up by

a kiss from the prince (programmer) to the third eye area. A kiss on the forehead in the occult is a symbol of the all-seeing eye or the third eye of lucifer!

Fragments/dead alters were dumped into areas named concentration camps and given the names of the famous German concentration camps. The camps were placed under the Mt. of Olives.

****Jesus would teach and pray often on the Mt. of Olives.****

Matt.24:3 – And as He (Jesus) sat upon the mount of Olives, the disciples came unto Him privately, saying, Tell us, when shall these things be? And what shall be the sign of Your coming, and of the End of the World?

Fire or Bomb children are found throughout the system and are triggered to come up by programming. They come up behind other alters and make them burn. Some of this level can be woken up by saying, “It’s time to wake up in the morning” (7 times), which is in contrast with most codes which are said 3x. Another way to look at it, is that the alters are on 4 dimensional structure and they require a 4-dimensional access code. **Height, depth, width, and color are the four dimensions.** This breaks down for this 1st section as: COLOR (4th dimension) + Genesis (Section code) +1 (level) + “a” (depth).

The following message will be used on the phone for this System’s recording machine, this example has been used nationally. “IF YOU WOULD LIKE TO MAKE A CALL PLEASE HANG UP AND TRY YOUR CALL AGAIN. IF YOU NEED ASSISTANCE, PLEASE DIAL YOUR OPERATOR. CODE 911.” This will cause section 1 or section 2, etc. to call their master.

Section 2 gatekeeper alters. Basic code pattern color + Revelation + no.[1 thru 13] + letter [a thru m] In our hypothetical example: “ORANGE REVELATION 4-A” (3X) However a shortcut is “REVELATION 4” and the primary Revelation 4 alter will come up. “ORANGE REVELATION 4 B” would get a small child on the pedestal with Revelation 4a. At times the handler will say “THE DECK IS DOUBLE-DECKED” in order to activate the clone doubles of all alters in a particular area--such as the front area of the system.

The clones are tied to the Pink Room of the dollhouse-looking computer. Since alters are also coded to cards, a FLUSH will pull up an entire section. Special alters who skinned men alive are kept in black holes in Section 2. They are special trauma alters created solely by the victim as a safety measure.

Section 2 computer (like all levels) is empowered by an emerald blue light. This power source was deactivated by unscrewing the light to the left (which took it physically out so to speak) and then saying “PEACE BE STILL” (3X). If “PEACE BE STILL” is not said three times then **the War in the heavens program kicks in.** (Rev. 12:7-13 Michael the archangel fights satan and his angels and throws them down to the earth.)

Mark 4:39 – And He (Jesus) arose, and rebuked the wind, and said unto the sea, Peace, be still. And the wind ceased, and there was a great calm.

Also “DAD WEEPS OVER HIS CITY” must be said when deactivating the computer otherwise the “children” (alters) become sick and everything kicks back in--which it does eventually anyway if the deeper computers are not deactivated or taken out.

Luke 19:41- And when He was come near, He beheld the city, and wept over it

Section 3 has programmer alters & fragment armies, not to be confused with the clones which hide everywhere. The clones, by the way, can be identified with serial no.’s at base of head gear such as 151.00 [system birth date]. This sections has 3 faceless Programmers called the 3 adepts of Atlantis. Each of them has a different color of hair. They may also be the commanders of armies--the commanders of the Egyptian armies have names

Ra

Left to Right: isis (asherah/semiramis), osiris (nimrod), set, horus (tammuz).
Remember horus is the son of asherah & nimrod (nimrod reincarnated).

Why do ra and horus look so much alike? Ra is a very ancient god, the sun-god who is often shown as a hawk, who the earliest pharaohs thought was the father of all the gods, including the pharaohs themselves. The pharaohs were always called "son of Ra".

Some other gods were also given the name of Ra eventually because they had so many features in common. We therefore see Amon-Ra (who used to be Amon).Horus looks similar to Ra and can be shown as a falcon or hawk. He was

the son of the god Osiris and the goddess Isis. He was a sky god but he was also responsible for the welfare of the kings, so he is often shown in tombs. The Egyptians clearly realized that Ra and Horus had a very similar job so in some places the two gods are shown as one god, named Ra-Horakhty.

and Set. Set, or Seth was the villain amongst the ancient Egyptian gods who murdered his brother Osiris and represented evil and darkness.

Section 4 alters are Entertainment alters. Basic code pattern = Color + double number + a name of one of the 13 tribes of Israel + the number of the alter again (3x)

There are 12 tribes of Israel. In Genesis when Jacob blesses Joseph's children it could be considered that Joseph is withdrawn from the tribes since his children are added. Making 13 in that way. But in Revelation we see God stays with 12 tribes.

Rev. 7:4-8 – they will have the seal of God in their foreheads. (Rev.7:3)

The illuminati like the number 13 because it means chaos or disorder.

SEX

Mother Kitten 8,10 and 12 have ten spinner kittens underneath each of them. To get a spinner kitten, one gets the mother kitten and then has her in the proper position which is the over-the-rainbow mode. The choice of what spin kitten to get is “WE GOTTA GET DRESSED ... IN 3 MINUTES.” 3 minutes means spinner no. 3. Specific instructions such as “PURR FOR ME KITTEN” gives the abuser fellatio. Tweedle Dee & Tweedle Dum is a S&M program. “5 FIDDLE” and “FOLLOW THE YELLOW BRICK ROAD” are important for the slave to follow instructions.

Movie – The Wizard of Oz

SPIRAL: Linked to the circle. Ancient symbol of the goddess, the womb, fertility, feminine serpent force, continual change, and the evolution of the universe. A common shape in nature (snail, shells, fingerprint...)

The alters will be sent to

Movie: "Peter Pan" – flying, fairies or pixies, spells and magic, lost boys.
never-never land where what they do is unreal.

Michael Jackson was in the illuminati or used as a puppet by them: This is a picture of his Neverland Ranch

Some kitten alters are keyed to pop out if certain areas of the body are touched, such as the space beside the big toe, or the thighs. A handler will also have standard hand signals for things, such as putting his hands on his thighs to mean "Come here and take care of me, Kitten." "COME KITTEN, TO PAPA COME" "BLUE TOPAZ" serves as 4 keys. Pisces is associated with Blue Topaz. There are also 4 keys which are: silver shoes, sun bright, birds singing, and yellow road.

They know that God forbids this kind of sexual behavior, and so satan incorporates sex into all of his secret societies and dangles it as a way to gain more power. Illuminati believe that pedophilia keeps them young, and that homosexuality helps them to open the third eye.

1 Cor.6:9-10 – Know ye not that the unrighteous shall not inherit the Kingdom of God? Be not deceived: neither fornicators, nor idolaters, nor adulterers, nor effeminate, nor abusers of themselves with mankind, nor thieves, nor covetous, nor drunkards, nor revilers, nor extortioners, shall inherit the Kingdom of God.

The drawers in the dollhouse can be pulled out with "ROYAL FLUSH"(3X). Another code is "PINK SECTION 5. FULL HOUSE. ACES HIGH. 2 DEEP." A partial code to a computer is " 8-9 RED." Our hypothetical Mary might be accessed by a woman who taps on the shoulder and says, "PHOENIX 360 [tel. area code], OUT OF ORDER". The library alter has an important access ring. A "Button Bright" alter type works with the librarian. The dwarfs are accessed by "ISOLATION + no." Judges which sit on the council give warnings to alters "CAT EYE AT THE DOOR."

Disney's "Cinderella" – this cat's name was lucifer

This reflects the programmers' control. The judges have the "Keys to the Kingdom."

Rev.1:18 – I AM He that liveth, and was dead, and, behold, I Am alive for evermore, Amen: and have the keys of hell and of death.

NOT THE POPE, Pope Francis' coat of arms

Not janus (This version of janus has a king and queen side: two opposite portals, opening to the inner and outer worlds.) Sometimes Janus is a male, sometimes a woman, sometimes both. Notice the “IHS” at the top too. If that truly stands for Jesus Christ in the catholic church (you see it on all of their art work, robes, hats, etc) why is it on this satanic idol???

Only JESUS holds the keys!!!!

“MR POSTMAN WAIT AND SEE” indicates a message from the master. Ribbon alters have the names of archangels. Silver cords are attached to the ribbons.

Dan.12:1 – And at that time (the tribulation) shall Michael stand up, the great prince which standeth for the children of thy people (Israel): and there shall be a time of trouble such as never was since there was a nation even to that same time: and at that time thy people (Israel/Jacob) shall be delivered, every one that shall be found written in the book.

Rev. 12:7-9 – And there was war in heaven: Michael and his angels (they are under his command) fought against the dragon; and the dragon fought and his angels, (notice God the Father and Jesus are not in this fight – Michael and his angels are doing this all by themselves). And prevailed not; neither was their place found any more in heaven (2nd heaven). And the great dragon was cast out, that old serpent, called the devil, and satan, which deceives the whole world: he was cast out into the earth, and his angels were cast out with him.

****I thought the following information was worth sharing just so we can see how deceived our society is.****

People often feel that only certain people can call on Angels.

The truth is, every single one of us are able to easily connect with the Angels and create our own miracles. To get started all you need is a quiet space for about 10 min's, and a candle.

I've included colors for candles here but what is important is your intention. You will feel the Angels!, and this will become stronger over time. You can connect with your Angels as often as you like. If you don't have the correct candle color, white is always fine.

Remember be patient with yourself, it will happen!

NO WE DON'T CONNECT WITH ANGELS! They move at God's command and we can ask Him through prayer to send angels to help or by His Word, but we do not command them.

What about the silver cord? Why was that brought up?

Many times people who have had NDE's (near death experiences) or OBE's (out of body experiences) have testified about seeing the silver cord that connected them to their actual physical flesh body.

****Here again is more information about satan's deception and many many people around the world are involved in this.****

I focused my heartbeat into the frequency of the ping. When it had achieved vibrational entrainment, I asked my heart to lead my mind into the frequency. As a result, with no provocation, I entered the vibrational phase of astral travel. In the vibrational stage, consciousness detaches from its identification with the body and with the 3-d reality. The ping was a 4th dimensional frequency. Ironically, the minute I phased with the 4th dimensional awareness I was face to face with a very curious albeit lost personality. I did not need to “go anywhere” to find it. The ping was a being. A teenage girl. The feeling of her mental field was somewhat inaccessible. As if some part of her focus was missing. If you've ever spent time with someone who is intoxicated, mentally ill or intellectually disabled, there can be an eerie feeling that creeps over you. It's the feeling that someone is not “all there” and so there is an *unpredictability* to their rationale or lack thereof. I have encountered this kind of ‘being’ before many times out of body. **It happens when people have ingested a substance that disables their mind from focusing into the physical dimension.** DRUGS/ALCOHOL For example, many times travelers like myself will run into these ‘aspects of consciousness’ when people are taking LSD or Ayahuasca. It also happens when someone is mentally ill or mentally disabled to the degree that they are unable to fully “tune in” to the physical dimension. Because the travel is not fully conscious, their focus can end up “lost” in the various ‘landscapes’ of the higher dimensions. A very, very large portion of the time when you run into this kind of being out of body, it is in fact a consciousness fragment belonging to a person with autism. And as the amount of people with autism has been rising so dramatically on earth, so has the amount of incidents like this off of earth.

Eccl.12:6-7 – Or ever the silver cord be loosed, or the golden bowl be broken, or the pitcher be broken at the fountain, or the wheel broken at the cistern. Then shall the dust return to the earth as it was: and the spirit shall return unto God who gave it.

“The Silver Cord is an astonishing book at every level; the story, the graphics, and the production. Kevin Kelly’s creation of a new vision of the realms of angels, humans and their intersection is truly original and even grabbed a hard core atheist like me. These are not angels like any we have known in our **biblical fairy tales** both in substance and form. And **what they want from us** forced me to appreciate my life anew.” This was a book review for a book written called “The Siler Cord.”

Closing:

Angels do not want anything from us. These are demonic entities that these people are interacting with. Meditating to leave your body and astral project is 100% demonic.
