Birthday RJ
13 March 1983

RON'S JOURNAL 37

Hello!

And thank you for your good wishes on this 13 March 82.

I am well and doing very fine indeed and I sincerely hope you are the same, and, believe me, earnestly, that is the only reason I have done the work I've done this last half century.

If at a breath I could wish the whole universe right as you too may have dreamed, it would be wonderful. But it takes a lot more than breaths or wishes to accomplish that and it requires that you also do your part in it if you and those dear to you are going to make it fully.

So I have a Birthday gift for you to return the flow of the avalanches of good wishes and remembrances that you send me. And as I accept them gratefully, so I hope you will accept this legacy.

It is the tech.

You see, despite inferences to the contrary, this tech has not been available before anywhere and was not even known.

I say this as no boast, but with something of amazement for you see researches by most others in the past have not been aimed at bettering man but making him more suggestible and obedient.

As a proof of this, any trouble Dianetics and Scientology had is traced to those who engage in suppression of individuals and man.

They use numerous ways to attempt the eradication of this tech. Denying it is the first. Invalidation is the second. Corrupting it is the next. But all these efforts in whatever guise, boil down to just one thing: to prevent people from achieving and enjoying freedom.

Those who attempt to suppress our tech do not themselves have the faintest clue of how to better anyone. This they cannot do. And this is your ace in the hole.

You see, truth must exist before lies and truth blows the lie away as it is later on the chain. And any suppressive person or group seeking to dissuade you or invalidate you deals only in lies. These lies are quite easily spotted if you know the Data Series.

Most people get so confused by all the lies around, they come to believe anything they're told and that's the reason the suppressive lies. But with the Data Series, one can spot bad data so easily it is itself a sort of relief to know it.

And as you burrow your way down through the layers of lies, you come to truth. And truth blows the lies away.

So we come to this legacy of tech. It is the route, which if purely used, uncorrupted and unperverted, will bring you at

last to the vast free vistas of freedom and truth and the glory of being really you.

But this is not all, and this is my true message to you this Birthday: IF YOU KNOW THE TECH, IT WILL PROTECT YOU.

You do not even have to believe it works. If you really know the true tech, no one and nothing can hurt you or demean you in the ages to come.

So it is not just freedom that is the goal; it is the maintaining of it one must assure.

Those who do not let you have it, twist it, invalidate it and pretend it is something else that's meant, are seeking to deny you not just the road out but the armor of knowledge that will guard you.

So this is my gift to you this Birthday in return for all your well wishing: the legacy of tech.

The policy is there to guard and deliver the tech as well as to help make a better society and this is also yours.

It means of course that you yourself must more than whiff at the bouquet of tech. It means hard and earnest study and precise application for only those will bring it into full bloom in your life.

It is true that paths are sometimes rough and that travel can be tiring and long. But wait!

There are vistas never dreamed of, there are joys never even known, there are glories no past glory ever surpassed. These wait for you but only if you accept my legacy and help bring these things about.

And in the years to come and the ages that follow, the hosannas will be for your Birthday, not mine.

My Love,

RON

THE FUTURE OF SCIENTOLOGY

There comes a time in all the great movements of mankind when they get attacked.

When one reviews the history of religious wars which laid the bulk of Europe in ruins time after time across the centuries, one gets some idea of the passions of Man.

The primary passions are two-fold: one stems from the decent impulses of Man, the effort to do and be something good, to accomplish a resurgence and reforms that are worthwhile; the other is the evil hatred of the status quo who, in their violence oppose all who would question their right to oppress and maim and kill.

The first impulse comes from the very heavens, the second is born in the depths of hell.

All things worthwhile have to be fought for: every decent impulse in Man's history has been opposed.

The fate of the entire civilization is decided on the issue of which one wins.

No single human being can stand aside from the fray, a spectator wondering who is going to win. It is his OWN fate that is being decided: will he in the future have a decent life or will he be crushed down into the mud? Will the decent impulses of the civilization triumph or, in defeat at the hands of evil, have to wait again for another chance, another time?

The travails of the religion of Scientology may seem great but, frankly, they do not compare to those other faiths have gone through.

Time and again since 1950, the vested interests which pretend to run the world (for their own appetites and profit) have mounted full-scale attacks. With a running dog press and slavish government agencies the forces of evil have launched their lies and sought, by whatever twisted means, to check and destroy Scientology.

What is being decided in this arena is whether mankind has a chance to go free or be smashed and tortured as an abject subject of the power elite.

The issues are extremely clear-cut, there is no argument there.

But what is the result to date of enemy action?

Hah!

Honestly, my friends, a review of these battles over the past thirty-two years moves one to contemptuous laughter. The enemy, perched in their trees or swinging by their tails, have been about as effective as one of their psychologist's monkeys peeling a policeman's club thinking it is a banana and then throwing it only to hit the chief ape in the face.

Oh, the furore has been very loud. The AMA, pouring lies into the press through gnashing teeth persevered for years—and then went bankrupt. The psychiatrist, riding high in 1959, hoping to place one of his ilk in a blackmail position behind every head of state, hoping to consign any citizen at his whim to a psychiatric Siberia, trying to preserve his right to kill and maim as a profession above the law, is today a butt of comic strips. And what of the FDA that, for fifteen years snarled and snapped about the E-Meter? One hardly hears of them today. And what of the mighty Interpol, that tool of CIA? It was found to be a nest of war criminals hiding out from the law itself.

Oh, one could go on but in each case the enemy has gone down to defeat in the end. You do not hear much about this from the running dog press because, of course, they were the tool of the enemy in the first place.

They lose because they traffic in lies. But, because they told their lies so broadly, even when they were disproven, they still tend to hang around and make one feel there is—there isn't—an adverse public opinion. The enemy and their press are not the public: you could ask yourself why, year after year, fewer and fewer people buy and read newspapers: people don't believe them anymore.

I once checked, in the 50s the effect on org stats of howling bombasts of a running dog magazine called TIME. Its owner, a man named Luce, was said to be an LSD addict, both he and his wife were carefully controlled by his psychiatrist. Of course he published blasts against anything which would expose his rotten condition. What I found was that not one of those lying bombasts had had the slightest effect upon org stats. Luce is dead now, a good testimony to his drugs and the psychiatrists. There are a dozen orgs today for every one that existed in Luce's time.

And so it goes with these attacks.

Oh, yes, we've had some casualties. Oh, yes, we've had some trouble. But that is the way with wars: not only combatants but innocent bystanders can get wounded. That's this universe: we didn't make it that way but that's no reason we cannot, bit by bit, correct it. Certainly, for mankind, there's no escaping it and if there is a battle, there is more to do than simply duck one's head: the bombs are no respecters of uniforms or identities.

It may appear that the enemy suffers no casualties for they hush them up. With no great pleasure, I used to keep a roster of them. Through no will or fault of ours, many of them are dead. Some died from things that we have tech to help: it is rather poetic in justice that they were fighting what they themselves could have used. Many others, when the battle cleared, lost their jobs: and that is a precious thing to a suppressive, his garnered rights to do others in: it is sad to say there are many in governments who are there just so they can have this right: so when one gets fired for failing in his attacks on us, that's very close to the end of his life. They do not care if you hurt the government or their association or their publication:

threats against those things are part of their own plans to cause trouble—typical of the insane. Where they can be hurt and practically the only place, is losing their job or position. And their casualties in this respect would fill some very long bread lines: when they fail, their mentors fire them.

They have lost power.

They have been hurt.

And in any contemporary attack, no matter how violent it may seem, the result predictably will be the same: failures and casualties in enemy ranks. Not because we harm or touch them—we wouldn't. They are mad monkeys and they blame and shoot each other.

Now when you hear of some new attack or an old one, you could get the idea that we're losing and are likely to winnow away and vanish. The enemy keeps saying that. But just remember a maxim: if the papers say it, it isn't true.

Hearing such things, one may think that, as a Scientologist, it doesn't matter what you do: it doesn't make any difference now since all is lost. That's silly.

In or out of Scientology, one is on these firing lines. The crime-ridden, drug-crazed, misgoverned mess out there which they call civilization is no place at all to escape to. That's surrender.

And it DOES matter what one does on post, particularly when the shots are flying hottest. If you think it's bad in a Scientology area, look at Ulster or Detroit! And those poor guys are just innocent bystanders being mowed down. At least the Scientologists are DOING something about it. They're handling people, they're making inroads on crime, they're salvaging addicts, they're even quoted, often unknowingly, by beleaguered business.

All you have to do is look at where Scientology was in terms of numbers of orgs and missions even a few years back and where it is now to know. All you have to do is count the additional countries using it year by year. All you have to do is count the memberships of the Churches. And you know conclusively that while the enemy goes down, whatever the bombast, Scientology is going UP.

It DOES matter what you do on post or in the field or in the world. This scene called Scientology is not going to end. Time after time the enemy, in our blackest hours, has told itself, "We've got them now! We've stopped them! They're through!" They were just praying past their own graveyard. Each time, there we were again, stronger, expanding, working better. And at this very moment of writing, that's where we are at right now. The last enemy attack is winding down.

And there we still are all over the world, doing good, getting stronger, getting more numerous.

And in the coming decades so it will be again.

The guys in the white hats—with the S and Double Triangle—are winning. They are winning because they mean well. They do good. They know their business. And the enemy is losing and will lose because they mean bad. They do evil. They are incompetent.

Remember the principle of Flourish and Prosper. It works!

And the next time you see an attack, remember the old truth, "This too shall come to pass away."

But not Scientology. We're here and will be here for all the decades and centuries that this civilization has left to it. And right now I am working on plans so that it will be here even when the madmen, in some possible last convulsion of evil, have blown this civilization away.

We are saving beings, not men.

And the evil die within their own generation.

We don't.

So the next time you feel blue, read this.

The enemy can't even plan for tomorrow.

We work in eternity.

Love,

RON

"YOUR NEW YEAR"

Hello.

The sun is in the sky

The stars are in the heavens

Life lives.

And I am here to wish you a happy holiday season.

With inexorable promptitude 1983 is upon us!

What will it bring?

For some, I trust, a revitalized purpose and shining life.

For others not so fortunate, another step deeper in the black pit of oblivion.

Some conceive they are in the toils of fate.

But others, having achieved insight know that is not so.

It is you who will determine whether in 1983 you will go upward or down, whether your life will be happier or worse.

I could tell you many airy things of no consequence. But, out of friendship for you and all men, I would like to take this opportunity to remind you that you are the one who determines your own destiny.

It is you who choose your future, it is you who holds firmly to your goals or lets them slip.

It is you who insists upon receiving standard tech or tolerates shoddy substitutes.

When all is said it is you who will be with yourself at the end.

And it is you who will ask yourself, did I do right or did I do wrong?

And the state you find yourself in will be the answer.

Will you become a brighter person or a cinder?

I cannot tell you to arrive at some high state.

I cannot order you to be well or happy or affluent.

I can only point out to you the route to what your innermost self desires.

I have, through half a century of work, found the road out.

I've done all I could to point the way.

It is you who choose or not to achieve a higher state.

Standard ethics will keep you and your friends on the straight road.

Standard policy will give you a powerful organization, expanding and prosperous.

Standard tech will take you into states of beingness where nothing can strike you down.

In this minute particle of time we have the opportunity to reverse the downward spiral of life.

It is you who will avail yourself of it or not.

There is no longer any question if it is the right road. Countless people now have followed it with success.

It is no longer a question whether standard ethics and policy work.

It is only a question of whether or not you apply them.

Possibly you find this a somewhat grim holiday message.

Ah, there are happy things I could tell you. Book One, again, as it has before is climbing the bestseller list in the bookstores this very moment. And in a number of languages too. There are also new Dianetics and Scientology books coming out. Oh, yes, I've been busy! I also amused myself writing a book Battlefield Earth and I have gotten out a new music album Space Jazz. And they are both selling in avalanches. I've always worked in all the arts. It keeps my hand in, amuses people and whiles away the otherwise idle hour. It's better than playing video games!

The secret is, I get no money from students or pcs and research costs a great deal of money which I myself have always funded with my writings.

And a top publisher just said he had a million dollars for my next fiction work. They seem to think I'm more popular than ever. So you must have been saying nice things about me and also telling people to read my books. So thank you.

But my main time today is spent polishing the higher levels of research so you will find the data you need when you reach that stellar point.

I am well, indeed so, and I thank you for asking.

But I do have a concern.

Will you take advantage of the carefully marked trail upward?

I hope you do, my friends.

For if you don't, it will be very lonely in the sky.

PDH

PDH stands for Pain Drug Hypnosis. It is known to some psychiatrists as a means of compelling obedience. They sometimes use it on psychotics.

The trouble with detecting PDH was learned in 1952 when we found FAC ONE (1,000,000 to 1,250,000 year ago incident). People think they have been PDH'ed when they haven't.

You can easily get a panic going on PDH. We found out all about such panics in 1952 when a dozen people were certain another had PDH'ed them. It all went false when dated correctly.

There haven't been any current PDHes.

As we're attacking psychiatrist inhumanity to man we can easily get a motivator keyed in. So cool off any flaps about PDH. Tell people the above facts, particularly 1952.

Psychiatrists are so afraid of us they are attacking themselves! A recent "Time" magazine carried one of many such articles under "Medicine".

Even if a Scientologist were PDHed, it would run out easily with modern auditing in very short order. Might as well be afraid of toe stubs.

On psychotics it would be more serious as, not having an auditor handy he'd just go out and assassinate somebody.

So cool off any such.

Best,

Ron.

BPI

RON'S JOURNAL 33

Hello.

Well, we seem to have lived through it.

And now we can look forward to a bright new future.

Scientology will be around for a long, long time.

Expansion has been occurring. And not just inside what is called the Western World. I have looked at Russia, India, China, Japan and Pakistan as well as some other lands and Scientology is reaching there.

Throughout the world, two developments I completed and released are proving, in the last year, very popular.

One is the non-religious moral code I talked to you about in the last Ron's Journal, "The Way To Happiness." It is going like wildfire. It is being translated into many, many other languages. The Spanish, German, Italian, French and U.S. editions are already in their second printings. The little booklet is soaring up toward three million copies distributed. The success stories are rolling in, rave notices, almost one for one.

What we have here is a grass-roots revolution spreading far beyond the perimeters of organizations. The potential, all by itself, is an uplift in the decency and integrity of Man.

The editions are published in packs by Regent House, Ltd. 1770 North Vermont Avenue, Suite 118, Los Angeles, California, 90027, or P.O. Box 29903, Los Angeles, CA 90029.

Amazingly, all sorts of government officials have endorsed it and ordered more copies. It's a winner even with governments!

There was another development that is now going like a tidal wave. It is the new "Success Through Communication Course."

For many, many years orgs taught a Comm Course for the public. Unfortunately that course, the old HAS hard TRs course was designed for professional auditors. It is a very good and vitally necessary course but, for the public, is pretty rugged. So actually the orgs lacked a Comm Course at public level. Accordingly I worked on this and developed new communication drills that were aimed at general public communication needs. This became the "Success Through Communication Course."

In the pilots, 99% of the raw public who took this course went right on in to Scientology, an incredible statistic. Their success stories were raves.

So you--yes, you, my friend--have a gift that YOU can give to the world.

Across the planet, old social values have been broken. New moral values have not replaced them. The world of cultural dignity today is in a state of disintegration. The ties that held men together as Mankind and made them honorable have been sundered by an onslaught of false materialism. The worship of the atom has replaced the prayers to God.

What will men do when they believe that they are only mud? Taught to believe he is but a beast, he is now becoming convinced that he is the helpless victim of his own passions.

Almost lost is one of Man's finest intellectual abilities: to live with dignity and honor.

The priests of the holy test tube and computer thunder out even at the little children in schools that they are by nature as depraved as rats. The psychologists explain to governments that it is only natural that there is crime.

So the gift that you can give now is needed as the desert needs water.

With "The Way To Happiness" you can, factually, change all this. All you have to do is keep that booklet flowing in the society. Like gentle oil spread upon the raging sea, the calm will flow outward and outward.

And right along with that, you have the "Success Through Communication Course" that teaches men to talk to one another. It puts the world of men into communication with men.

And on that communication channel can also flow "The Way To Happiness."

So the gift that you personally can give has the potential of changing this whole civilization in every land.

Men can talk to one another and give each other a way to happiness.

It is not just a dream. Not just the pilots, but the delivery shows that these tools work and that they can produce profound, far-reaching effects.

You have it in your hands right now the gift you can give to others.

And, by giving it, you can change the entire society.

If people were put in communication with one another and could give each other a way to happiness, yes, the world would change. Think what would occur if people became decent to one another again!

Are you willing that men should be able to talk to one another and lead decent and happy lives?

All right. You, you personally, can DO something about the way things are!

Just agree it is your gift to give. And give it. In addition to pushing it to your friends and those you meet, you can even get police departments and banks to hand and mail out "The Way To Happiness." You can even get whole company staffs on the "Success Through Communication Course."

And in doing so you are giving to the world a bright future, not just for us but for everyone.

So happy New Year, my friend, and many, many happy new years that will come.

Love,

RON

RON'S JOURNAL 30

1978 - THE YEAR OF LIGHTNING FAST NEW TECH

Hello.

I have some exciting news about services.

Processing has gotten so fast that actually clearing whole areas is in view.

1978 was indeed the year of Tech Breakthroughs!

If processing had to get more expensive due to inflation, why then it had to be made much quicker and better. Actually processing costs today per result are much cheaper than ever before and will continue to be as the improvements have been so great.

It all began with New Era Dianetics. When I look back and remember the hundreds and even thousands of hours some people spent on Book One Dianetics, it's like an old story half remembered. If one of those 1950 auditors had the tools of NED they would have been bug-eyed at its fast results. Even the 1968 Dianetic auditor would have been incredulous if his preclears had responded with the speed that NED pcs are achieving. It's probably about 100 to 1.

But, the 1950-1968 auditors as auditors might even have objected a little bit to NED as it would have run them out of pcs. The overall cost of 1950-1977 processing, despite being cheaper per hour, was much more expensive.

Take a Drug Rundown. These used to go on for hundreds of hours and somebody said they would have cost many thousands of dollars to complete. But with NED Drug Rundowns, they go off zip, zip, zip in one or two intensives.

NED is so fast that even an incomplete old DRD can be finished up and repaired and ended utterly in less than one intensive. You would be amazed how fast and thorough it is. So it isn't the cost by hour or by intensive; it's how much the whole Rundown costs that counts and if it can be given in far fewer hours it is cheaper no matter the cost per hour.

NED is cleaning up anything and everything Book One ever mentioned with lightning speed. Of course, when somebody goes Dianetic Clear, he can't be run on more engrams, right? Right! So it's forbidden now to run NED on Dianetic Clears.

The main problem of good auditors today is hitting such tremendous wins on pcs that they have to wait 2 or 3 days for the F/N to die down - if it does. Auditors are getting sore legs from just walking in and out of sessions. It's awful.

We are making Clears these days in many cases so fast that Clearing Course bracelet numbers are jumping up by the thousands per month. We are also finding that some old Dianetic pcs had gone Clear and the auditors didn't notice. Incredibly enough, sometimes on a next life basis we are running into Dianetic Clears from 1949 and '50 so even those auditors were better than they thought they were. So we're not only making new ones we're finding old ones - such is the power of NED.

There have been technical improvements and discoveries and advances in '78 that are reaching into every level of tech and speeding it up.

The following is just a partial list:

(Key:

* means the action can be done on a non-Clear or on a Dianetic Clear.

** means the action is for OT III and above only.

† means it is a new Rundown/action.)

DISCOVERIES AND ADVANCEMENTS

IN TECH IN 1978

1. NED. (New Era Dianetics). A refinement of all previous Dianetic techniques from 1950 up to present time as well as the development of new technique giving much faster results and far higher gain per hour of auditing and speedy resolution of Dianetic cases.

Included in NED are twelve brand new developments. They are all contained in far more detail in the NED HCOBs and packs. Due to the extensive changes and improvements in Dianetics, old Dianetic auditors are also training on the NED Course as it only takes 3 weeks for the able student.

A. PREASSESSMENT. With the new Preassessment tech developed for NED, each illness or condition the pc needs and wants handled gets handled with a new technique.

B. NEW DRUG RUNDOWN. This is the answer to a druggie's dreams. Without withdrawal symptoms and in a no pain, no strain rocket ride, he comes right back up to life and living.

Where the old DRD took hundreds of hours and sometimes had to be repeated, the NED DRD requires only a few intensives that are a joy all the way according to the avalanches of Success Stories which poured in on me from over the world during the pilots.

With a good NED trained auditor, the cost of a final, finished, completed Drug Rundown has shrunk way below what it did and far below the habit. The Mafia, Drug Enforcement Agency and other criminals hate it, as it's doing them out of a job. Enlightened foreign governments liked Narconon but boy they'll love it now. Indeed, the dead will walk again.

C. END OF ENDLESS DRUG RUNDOWNS REPAIR LIST. A lot of people who have had Drug Rundowns old style and have had to have them repeated will be overjoyed to know that they can be finished with rapidity. In fact with new developments, a Repair List can be finished off so fast that the Rundown has to be sold on the basis of one intensive. This applies only to getting a CS 53 and the Repair List and is done only on those people who have "completed" an old Drug Rundown and does not apply to the NED new Rundown in Section B above. If it takes more, that's too bad for the Org. If one wants to get his old Drug Rundown handled terminatedly he should ask for the End of Endless DRD Repair List. (Demand a "CS 53" to begin it and then get the repair.)

D. OBJECTIVE ARC. This brand new process introduces the pc to the wide, bright world.

E. SWEAT PROGRAM. Some of these new drugs, like the intelligence drug, LSD (developed to poison and paralyze whole cities) or Angel Dust (developed by crooked gamblers to handle race horses and fix races) have a nasty habit of remaining in the body and popping up unexpectedly to send people on "trips". The Sweat Program has been refined to handle this. It is pretty strenuous - but so is a traffic accident when an unexpected "trip" happens. Everyone who has had the courage to go on a Sweat Program and stay with it has come up bright as a gold nugget.

F. POSTULATE OFF AS THE EP OF A DIANETIC CHAIN. The discovery that some old Dianetic auditors had not been actually completing a chain to the correct end phenomena of getting a postulate off opened the door to a lot of residual gain. Pcs with mean reputations keep right on being mean until they get the postulate off.

G. RELIEF RUNDOWN. This handles the losses that push people into the despair and shadows of life and wipes away the tears of the ages.

H. DIANETIC STUDENT RESCUE INTENSIVE. Those who find study difficult will be delighted with this one. The slow student turns into a blur of absorbed new knowledge.

I. PREPARED ASSESSMENT FORM. This NED process list dredges up the unwanted conditions that wait in the future so they can be handled before they hit the pc.

J. IDENTITY RUNDOWN. Freud said that people who are detached and to whom things are unreal could never be handled. This one makes him wrong and the pc right.

K. DISABILITY RUNDOWN. To a pc, disability can take many guises, anything from an inability to talk to girls to being unable to speak Arabic. We have a way to handle this now and it works.

L. DIANETIC REMEDIES. The Dianetic Remedies formerly in use in Dianetics have been refined and expanded with New Era Dianetics tech. They're used where the pc is having trouble with secondaries or engrams and speed up the already swift potentials of NED for the pc who might bog on it.

2. SUPER POWER. A Super fantastic, but confidential series of Rundowns that can be done on anyone whether Dianetic Clear or not that puts the person into fantastic shape unleashing the Super Power of a Thetan. This is the means that puts Scientologists into a new realm of ability enabling them to create the New World. It puts world Clearing within reach in the future. This is a parallel Rundown to Power in Saint Hills which is taken by the Dianetic Clear. It consists of 12 separate high-power rundowns which are brand new and enter realms of the tech never before approached. Power is still very much in use on the Grade Chart but is for those who didn't go Clear on Dianetics. Super Power will be delivered at Saint Hills within the next 6 weeks as we are right now super grooming the Super Power auditors in a special International course. It will be delivered in almost all languages.

The New World Corps is being formed and trained this very minute, candidates for which must be Class IV, OT IIIs. Orgs were once promised Power for their staffs. If Org staff are very, very good and get on policy and everything, they will one day look up and see a New World Corps team move in on them, and then..... New World Corps means just that!

3. END OF ENDLESS INT REPAIR. Pcs in the past have often had to have their Interiorization Rundown repaired and sometimes more than once. This repair, found while researching upper levels finalizes any seemingly endless redo of interiorization repairs. Pcs on the pilot actions of this have been ecstatic with relief.

4. NEW INTERIORIZATION RUNDOWN. When a pc exteriorizes during processing, he can thereafter find it difficult to exteriorize again - to put it mildly. The new Interiorization Rundown, in good hands, puts a final finish to any such trouble and the pc ceases to have any trouble because of exteriorization or in exteriorizing.

5. DIANETIC CLEARS. Undoubtedly the BIG news that resounded around the world in '78 was the huge numbers of people who were discovered to have made Dianetic Clear. In 1950 and on, people used to ask "Where are all the Clears?" Well, they were right there! In 1978 I discovered that it was deadly to go on running Dianetics on a Dianetic Clear. Such gave the semblance of no-case-gain! (Naturally.) So when I announced that running Dianetics on a Dianetic Clear was forbidden, people began to look around and lo and behold they had been making Clears with Dianetics and had been going right on by it! The pc who had made it wasn't declared

Clear and further Dianetics didn't work on him (naturally). So in 1978, after my announcement, auditors began to check and listen to the pc and found they had real Clears all over the place!

Now NED produces far faster gains and many (not all) NED pcs began to go Clear.

And the Clear numbers have been running up like one of those computers.

Rehabbed and allowed to declare these Dianetic Clears abruptly attained the full results of Clear!

Excited avalanches of Success Stories have been pouring in on me for months in the thousands and from all over the world.

And it's interesting that amongst those found there are a few who went Clear on Dianetics in their last life - in the 50's! (It's quite a scramble locating their last life folder and records so they can go on to full OT!)

"Where are the Clears?" There they were!

6. REDEFINITION OF INSTANT READ. Making it easier for auditors to learn metering and giving pcs vastly increased speed of gains due to higher accuracy of metering.

7. CLARIFICATION OF CONFESSIONAL PROCEDURE. Resulting in faster gain in a shorter period of time.

8. SERVICE FACSIMILES REVISITED. The early 60's handling of Service Facs was revised and overhauled and became the new Grade IV of Scientology processing.

9. POWER TO FORGIVE. Making it possible for the pc to fully end cycle on any shame, blame, regret or guilt of the past.

** 10. NED FOR OTs. The discovery and development of techniques by which the Second Wall of Fire can be overcome.

This consists of 29 fantastic new confidential Rundowns, delivered by a specially trained OT Auditor.

The auditors are in training right now from AOs to give NED for OTs to all those who are OT III and auditors already trained on it are delivering it at Flag in Flag's new Advanced Org Division 4A.

Some of the miracles of life have been exposed to full view for the first time ever in NED for OTs. The rave Success Stories coming from this are the talk of the auditing world.

** 11. OT VIII. This Rundown was developed and will be available to OT VIIs who have completed their NED for OTs which is a prerequisite for OT VIII.

12. UPPER LEVELS. There are other OT Levels above VIII but these will be released from time to time when people are ready for them. We're already higher than Man has ever been and it can get quite stratospheric.

TRAINING

In 1978 giant training strides were made for I was very busy on that as well. The NED Course was brought down to 3 weeks, Class 0-4 Checksheets were carefully shortened back to the 1968 level when auditors were being made at speed but without losing tech which is quite a trick when you come to think of it!

When you realize that a large portion of training costs goes into living expenses while taking the course, reducing the length of time of a course gives an enormous reduction in course costs, regardless of what's being charged. Training is also being helped by Scholarships.

CLASS IV

AUDITING ACTIONS THAT CAN BE RUN

Class IV Orgs - those orgs which are in major cities on 5 continents - have a large variety of public services which they can give. Many of these are very economical and are there for the raw public as well as to keep their fields getting service. Amongst them are the following:

1. GROUP PROCESSING. After an Intro Lecture a successful gradient for raw public is being part of a group who are audited simultaneously. Group Processing can be pretty effective and on a large number of "releases attained" you will find the public reporting great gains made in group auditing. It is an economical way to keep one going even after he's had professional processing.
2. CO-AUDIT. (Cooperative Auditing). A public person is instructed in the rudiments of auditing and under the supervision of a trained auditor, groups of teams audit each other attaining good gains.
- † 3. LIVINGNESS REPAIR. This is often the first action taken on a person by a professional auditor and can bring a great deal of brightness back into his life.
- † 4. NED. (New Era Dianetics). This was the bombshell of '78 and NED auditors (as well as courses) are available in every org.

NED consists of at least 12 separate Rundowns as noted in the New Discovery Section above. It occasionally makes a Dianetic Clear although this must not be promised. The only "trouble" with NED compared to earlier Dianetics is that it produces results very fast. One can achieve more result per hour of auditing time by about 100 to 1 over old Dianetics and when you realize that old Dianetics was the first and

remains the only fast and effective processing known to Man you get some idea of where NED is at. It is interesting that when somebody has been skillfully mucking himself up for trillions and trillions of years that a NED auditor can salvage him in under 100 hours!

- † 5. XDN. (Expanded Dianetics). In '78 improvements on this were undertaken and the full new Expanded Dianetics is being released in '79. It comprises very specialized applications of Dianetics for the more difficult case.

- * 6. QUAD GRADES AND EXPANDED GRADES 0-IV. These are more fully covered in the book "What Is Scientology". They are the wonder workers which put ability to live back into life. They handle the basics of relationships amongst people and improve one's ability to handle himself and others. For Dianetic Clears, this is usually their first auditing (less the engram running R3RA part of New Grade IV) after attaining Clear and permits them to expand beyond their previously barriered existence. These grades are very far from limited to Clears.

- † 7. NEW GRADE IV. Grade IV has been improved enormously by including and refining formerly Class VI materials. The engram running part cannot be run on Clears but the listing processes can. It is guaranteed to make the preclear fully and completely right.

- † 8. REVISED C/S 53. It is quite a technical achievement to put on one side of one sheet of paper everything that can be wrong with a mind. The "C/S" stands for Case Supervisor who is the one, unseen in some ivory tower, who tells the auditor exactly what to do between sessions when you're getting audited. This is a primary tool he uses in analysis. In '78 it was polished up and made as bright as the morning star to detect and handle things you didn't even know were wrong but which might have you totally caved in.

- † 9. GREEN FORM. This tool of case analysis has been improved.

- † 10. NEW GREEN FORM 40 EXPANDED. This detects and handles any reason why a case might be resistive to processing, thus handling any tendency towards slow gain and making it possible for such cases to make faster gains in future processing.

- †* 11. STUDY GREEN FORM. This is a Rundown which isolates and handles anything that could be wrong with any student or pupil.

- * 12. STUDENT CORRECTION LIST. This handles difficulties that a student or pupil may have encountered in his studies and frees him up from these, so that he can now study easily.

- * 13. NEW METHOD ONE WORD CLEARING. This is far more reaching in clearing up past misunderstandings which stuck the person in previously failed subjects he studied.

14. CONDITIONS AND EXCHANGE BY DYNAMICS. This is an auditing action which increases the awareness of exchange and flows on the various dynamics, enabling a person to be at cause over them.
- †* 15. THE MARRIAGE INTENSIVE. This is where husbands and wives handle marital difficulties, enabling them to lead happily married lives. It can restore the bloom of spring romance!
- †* 16. AUDITOR RUNDOWN. This is an intensive which fully handles any case reasons why an auditor might have difficulty and enables him to move forward without any losses or failures from past efforts to help people stopping him.
- †* 17. TEACHER OR SUPERVISOR INTENSIVE. This is for any person involved in teaching or supervising or education and enables him to become a vastly better teacher or supervisor.
- †* 18. EXECUTIVE OR BUSINESSMAN'S INTENSIVE. This enables an executive or businessman to face situations of stress with calmness and frees him from past business stresses.
- †* 19. MONEY PROCESSING INTENSIVE. This handles the inability to have money resulting in the ability to increase income.
- †* 20. PROFESSION INTENSIVE. This enables a person to overcome difficulties that he may encounter in his profession or in any given subject.
- †* 21. FIXATED PERSON RUNDOWN. This enables a person to overcome the condition of having his attention fixated on one person.
- †* 22. SUPPRESSED PERSON RUNDOWN. This is a magical Rundown just now being released to Class IV and other orgs. It utilizes a principle found in an early ACC but never fully developed and released till '78 that one could bring the Suppressive in a person's life to communicate to him and seek peace, without ever contacting him. When expertly done on a person who has been the target of suppression by antagonistic people it brings him back to freedom and handles his environment as well. When one realizes that most illness is precipitated by suppression one can understand the need and use of such a miraculous Rundown. It's unbelievable until one experiences it.

The way to get processing cheaply is, of course, to take the training route and get trained and make your grades at the same time. Training is very fast these days due to the new checksheets.

Class IV Orgs teach the Co-Audit Auditors Course, the fast New Era Dianetics Course, the NED Validated Auditor Internship, the NED Case Supervisor Course, the Validated NED Case Supervisor Internship, now have all the shorter

checksheets for and teach Class 0-IV, the Permanent Class IV Auditor Internship, the Class IV Graduate Auditor and Case Supervisor Course, the Permanent Class IV Graduate Case Supervisor Internship and will teach Expanded Dianetics Auditor and Case Supervisor Courses and Internships. They also teach a considerable number of public courses, lists of which will shortly be available from Class IV Orgs as in 1978 Department 17 was ordered to get busy handling and training the public as the pre-wave of the New World.

CLASS VI ORGS (SAINT HILLS)

The original Class VI Org was located in a beautiful English Estate, Saint Hill Manor, East Grinstead, Sussex. When a Class VI Org was formed in Copenhagen to Service Europe in all languages it was staffed by people from Saint Hill who named it, of course, "Saint Hill". And when the American Class VI Organization was formed it was staffed by people taken from Saint Hill and, of course, they called it The American Saint Hill Organization. The services remain the same in each of the organizations.

The following services are given at Saint Hill Orgs:

1. ALL CLASS IV ORG AUDITING ACTIONS AND COURSES. They cost a bit more but the Saint Hills are essentially training orgs and the auditing delivered there is usually quickly available and very well done.
2. POWER PROCESSING. Grades V and VA are still available and being delivered at Saint Hills for persons who did not make Dianetic Clear, delivered only by Class VII auditors who are specialized on it. Power continues to produce its startling results.
- †* 3. SUPER POWER. There is no reason a Dianetic Clear should be denied the powerful gains which research made available in '78 (see above). For the public who have gone Dianetic Clear, and those who haven't, Saint Hills will become a mecca where they obtain the most excellent results obtainable in Super Power.

The SAINT HILL SPECIAL BRIEFING COURSE still roars on. This is the place where the Auditor gets all the tech that has ever been issued below that level, this is where his sessions are video'd and polished, this is where he gets all his auditing to catch him up on his grades. These are the Dukes of the Auditor elite, the Saint Hillers. One joins the clique only by hard work and great results.

CLASS VIII COURSE. This is the course originated on Flag and still taught in its original successful form at Saint Hills. It is a standard tech course and Class VIIIs pride themselves on keeping tech standard over the world.

CLASS IX COURSE. This is the graduate course which contains the materials issued since the Flag Class VIII.

ADVANCED ORGS

Advanced Orgs are located in Los Angeles, England and Copenhagen.

The Advanced Orgs are the OT (Operating Thetan) orgs of the world. Because of the nature of OT Auditing the person has to learn to audit himself as most OT Levels are too fast to be audited by another (only OT VII, OT IV and NED for OTs are audited on the pre-OT by a professional).

- * 1. SET UPS. It often happens that one needs to have case difficulties handled before he goes on up the grade chart to the stellar realms of the Advanced Orgs. Sometimes a Drug Rundown isn't complete or one is a bit suppressed or too introverted. It saves time to get a set up before starting the rocket ride up the top end of the grade chart. The AOs handle this sort of thing routinely when it is needed. They have a checklist of prerequisites for AO levels and this is what they're most interested in getting completed. To not complete it means a stall somewhere along the way. It usually doesn't take much time and saves time later.
- * 2. SOLO AUDITORS COURSE. The AOs are the place where the preclear or Dianetic Clear learns to solo audit so he can go on up the grade chart. Some people, wanting the best auditing they can get for this solo flight, also take lower level professional auditor courses and even Class VI at the Saint Hills. At one time a Dianetic Auditors Course was a prerequisite to AO services prior to the Solo Auditors Course and while this is not now demanded, and while the Solo Auditors Course is very good, smart preclears and smart Dianetic Clears take other courses before they get to an AO and then they're sure to make OT even more easily. I've heard Solo Auditors say that they only wanted a professional on their case and that's why they were making themselves into one before they went to an AO. Even Class IV Orgs have professional courses.
- 3. R6EW. This is the tech designation of the step a non-Dianetic Clear must take before going onto the Clearing Course in Advanced Orgs. It is Grade VI. It returns powers to act on one's own determinism. It incidentally tells one why the human race often reacts so oddly to life.
- †* 4. DIANETIC CLEAR REHAB. The state of Dianetic Clear is checked and rehabilitated which is a very fast action in most cases. It has to be verified because if the person didn't make it he has to go onto the Clearing Course and if he did really make Dianetic Clear, to do the Clearing Course would be disastrous because, of course, he's already Clear. This is why AOs are now engaged on a project of recovering folder libraries particularly of the few pcs who have died in the last few decades. Always bring your own folder or get it sent to the AO if you are going.
- 5. THE CLEARING COURSE. This was one of the most famous breakthroughs of all time requiring years of research. Those who did not make Dianetic Clear solo audit themselves to the full bursting glory of Clear.

- * 6. OPERATING THETAN I. For the Dianetic Clear who has had his Solo Course, set up and verification as Clear, this is the first solo auditing step. These OT grades have their own End Phenomena but they are confidential.
- * 7. OT II.
- * 8. OT III. This is the big step and one has to allow time for it.
- ** 9. OT III EXPANDED.
- ** 10. OT VII. This is an auditing step by a professional OT auditor. It can be given in any sequence after OT III and before OT VIII.
- †** 11. NED FOR OTs. This is the big news of the OT world. AO auditors were specially trained at Flag and are just now on their way back to AOs to deliver it. The new Division 4A Flag is an AO now and had its gala opening and its first avalanche of pre-OTs on December 16. There is very wild excitement on the results of NED for OTs as, of course, they've never been seen before on this or any other planet. NED for OTs can be given any time after OT III and before OT VIII and is a prerequisite for OT VIII.
- ** 12. OT IV.
- ** 13. OT V.
- ** 14. OT VI.
- ** 15. OT VIII. Although several upper OT grades have been researched, pre-OTs were not ready for them and so they were not released. The needed link which makes it possible is NED for OTs which is its prerequisite. The upper levels above VIII will probably be released from time to time into the future. OT VIII's release is a real cap for the tech breakthroughs of '78.

FLAG SHIP ORG

The FSO is beginning its third year at the Flag Land Base in Clearwater, Florida. The FSO was several years afloat and has a long tradition as the top training and processing org of the world. Its quarters in the posh Fort Harrison Resort Hotel still carry its distinctly nautical flavor.

Flag is the top Tech org of the world and if they can't do it, nobody can.

What you pay for at Flag is the most expert C/Sing for the best Rundowns by the best auditors in the world.

Its services are:

1. All levels and Rundowns, NED, CLASS IV, CLASS VI, CLASS VIII and all AO services (in its new Division 4A) as listed above are delivered at Flag. (Super Power will be delivered to the staff first and eventually to the public.) (Flag lower org services cost more mainly because they are even more expert and faster than they are in lower orgs and because the service is highly personalized.)
- *-** 2. FULL CASE RESOLUTION. It is always the fate of the top level org of the world to inherit the rough and "unsolvable" cases. Flag runs on the basis of results or else so far as their tech stuff is concerned. The words "failed case" do not exist on Flag. Therefore they have Rundowns and handlings to untangle the most tangled and get it going again. (Flag gets easy cases too. In fact they get some of the easiest and fastest cases in the world because such people have a way of making it through to the top.)
- *-** 3. INTEGRITY PROCESSING. These are a series of processes which result in a vastly improved performance in the area addressed.
- * 4. STUDENT BOOSTER RUNDOWN. This is a specialty on Flag which also trains the executives of orgs and has to have a fast study remedy. It is also given to business executives so that they can absorb effortlessly and with greater speed the vast quantities of data that pass across an executive's desk.
5. DIANETIC DEBUG AND REPAIR. Those who couldn't handle and run engrams or have trouble in Dianetics find this a successful way to start winning with Dianetics or NED.
- *-** 6. OT LEVEL DEBUG AND REPAIR. This is the full repair and resolution of any difficulties a pre-OT may have encountered due to solo auditing errors on any solo level.
7. NEW VITALITY RUNDOWN (NVRD). This was also called the "Special Rundown" when it was being developed in '75 and I trained a group of auditors on it at Flag. It has never been exported from Flag. It handled cases that had not progressed well due to suppression or other factors.
8. POWER REPAIR AND COMPLETION TO FULL EP. Given in those rare cases where a pc has not made it on Power.
- *-** 9. L-10. This is the first of the famous Ls ("L" is just the technical designation). The Ls are at Flag only. They are not grades in themselves but incredible boosters that can be delivered at any point after a completed DRD and Expanded Grades. The Ls are audited by Class X, XI and XII auditors who are the most highly trained on the planet.

- *-** 10. L-11. The next step from L-10.
- *-** 11. L-12. When I was C/Sing the Ls I would never let a pre-OT leave the ship unless he'd gone exterior with full perceptions and was able to maintain it.
- †-** 12. NED FOR OTs. Flag was the place where all the NED for OT auditors were trained. When its new AO Division 4A was opened just before Christmas even other hotels in town had to be booked to take care of the OTs arriving for their NED for OTs. The sensation caused over the world rivalled the original landing of Flag in Florida. They considered it a Christmas present and it was.
- 13. ALL AO LEVELS.
- 14. OT VIII.

Flag teaches a large variety of courses for auditors and is the place where top auditors go to become fully proficient in all classes.

Administrative courses at Flag are much sought after by top executives in businesses and other walks of life. It is a mark of considerable distinction to be known as a graduate of a Flag Executive Briefing Course.

In all, Flag teaches 69 courses which are fitted for the special requirements of the Flag clientele.

The International Training Org, for org personnel only, is also located at Flag and org staffs who are lucky enough to be selected to it are trained for executive positions in orgs. It received a new expansion at the end of '78 and was put under the command of one of the Sea Org's most veteran Officers.

1978

Man is a complex being, far more complex than he ever conceived. And he possesses abilities and potentials that neither he nor any of the wise men of the ages ever dreamed of.

In 1978, a great many new insights and revelations about life were disclosed, many of them discovered in my research at very upper levels. These then were used to speed up the lower and more fundamental grades. Without discarding any of the tech we already had, all of which remains very valid, the time and cost for a given result was greatly reduced.

And, as demand for auditors far exceeded supply, new training skills were also developed and the checksheets which govern the time in training were also reduced so that good auditors could be made FAST! A lot of 1978 time was spent on doing this.

But there was one discovery in '78 that I haven't said very much about and am really not likely to since it is a sad thing. It is what really happens to a thetan who is not salvaged or processed and goes on down the route. Man, when I saw that and knew it to be true I actually felt sorry for these guys that try to hit at us. Poor devils. Some religions talk about hell. It's an understatement of what really happens. I got a real close look at what we were salvaging people from. Well, we can do it, better than ever today, especially with these newest discoveries.

All this developmental work was done in '78 despite the fact that I also spent several months of that year directing, photographing, lighting - you name it - nine bright sparkling training films! They are now in the process of being edited and you'll be hearing much more about them when they begin to be released later on in '79.

In case you are under the mistaken impression that Scientology was bruised in 1978 you should know that raw public bought and are buying Scientology texts in a wave of best selling that is making history in the retail and publishing world. There has never before been such a boom in any specialized organization's books. Book publishers use us as an astonishing example of what can happen. Hordes of new public are sweeping these books out of the stores and in the better run orgs, are crowding the Public Division to the rafters for service. Truth doesn't bruise very easily.

New books also got attention in '78. HAVE YOU LIVED BEFORE THIS LIFE? was introduced at the Atlanta Book Fair and, in the hands of retail distributors, began its own boom. It has gone 5X the normal best seller and is still going. (After all, we discovered past lives.)

And bright, new, and in your bookstore is a big impressive hard cover book WHAT IS SCIENTOLOGY? released at Christmas! It contains all kinds of data, really a huge handbook, just the thing to use to inform and overawe your friends. 347 information packed pages plus over a hundred big full color illustrations contain the answers to just about every question ever asked about Scientology. Although staff wrote it, I had to keep it rounded up and to the printer and many a day was spent in tropic heat getting its photographs shot. There is data in it that hardly any Scientologist knows. It's a reference and reading total must for every Scientologist's library. And, incidentally, it's about half the price, despite its quality, of regular bookstore books of the same size - a triumph in itself in these inflationary times!

In '78 a lot of time was spent in developing the New Mark VI E-Meter. It was needed as OTs were going off the top of the Mark V. The New World Corps is equipped with the specially built Mark VI. This beautiful and far more sensitive meter will be available to general auditors around February '79 from Pubs Orgs. The Mark V will continue to be valid and sold as it's a good meter and less expensive. The Mark VI is just a Rolls Royce.

Needless to say, I was very busy this year!

It sure is a lot of work to dig out a planet!

Well, there it is. All yours - for '79.

Love,

RON

L. RON HUBBARD
FOUNDER
