

Raja Rogers Meeting Notes  
9-12-06

1. 1175 in Domes. Maharishi wants 1730, but with safety factor, should be 2000
2. Maharishi wants the recertified Govs to call everyone that this is the time to make a commitment, if possible. There will be scholarships when the 1000 number is reached.
3. 300 people have signed up so far for CIC program in Fairfield – 1 yr commitment to go on course and be regular in the Domes.
4. Local group flying very important. Spend the extra 15 min to fly in someone's home or rent a properly oriented place. Or if can't do that, fly at the proper times.
5. 41 countries including Israel have the Super Radiance number, but war breaks out. This is because they are not coordinating the flying times.
6. Maharishi asked that Israel have their Super Radiance number and we see what happened by them not obtaining that number.
7. I don't know if people will get a scholarship even if people don't round.
8. There will be an email to send to your meditators re: the CIC in Fairfield.
9. 80% of the people who were on the course would like to come again a few times a year. 40% would like to move to Fairfield.
10. Dimetri Kanelokos, a great supporter of the movement, has been tired in program for 30 years and has not flown for 30 years. This was brought up to Maharishi and Maharishi went over many details with him. He was checked by TM-Sidhi Administrator on the course and now he is flying.
11. Stuart: Gentleman recently contacted us. He learned TM 30 years ago, but lapsed in his practice. He started again in Aug and now wants the Sidhis. This is a sign of the time.
12. Raja Rogers: Yes, there is some opening now. Everyone needs to take advantage of it.
13. Ruth: Man with blood disorder causing problem finishing program. How to put them in touch with TM-Sidhi Administrators?
14. Raja Rogers: Right now, most of them are here. Indian couples are on hold for Refresher Courses now. Focused on AT and CIC now. He should come here.
15. Ruth: He feels that somehow he will be censored if he says his program is not going well.
16. Charlie: There used to be a process for general questions for the Birxes. I'll check to see if we can do this.
17. Raja Rogers: Always ask these people what their diet is. Could be some planetary thing. The whole instruction now is we focus on rest and flying. If he feels to rest, then rest. If he can sit up and fly, even if not having done other sutras, he should do that. Flying is so powerful it can eliminate blockages.
18. Charlie: First step is to verify their status as a Sidha with Time Zone Course Office. Then Course Office will give a phone number for Birxes. Center will call the Birxes and connect Sidha with them at the Center.
19. Susan M: Are we supposed to go to course in Fairfield?
20. Raja Rogers: It's always good to keep things going in your area, but with the change in the whole employment situation, then if you're an independent

- contractor and don't have a lot of overhead, then it would be ok to come, but don't lose sight of inspiring people in your area to go to Fairfield and for Yogic Flying.
21. Dori: If people get CIC for free, do they have to commit to doing long program and rounding for the whole year?
  22. Raja Rogers: Don't have answer yet.
  23. Dori: Presenting contract to seller of land in Alpharetta. How handle the finances?
  24. Inspire donations.
  25. Dori: WPA received special instructions from Birxes. Diana and Jeff L helped me on course. Are we to put emphasis on WPA and RC?
  26. Raja Rogers: Right now favor course in DC and Vedic City. RC would be okay to organize. 25,000 people have learned the TM-Sidhi program.
  27. Stuart: It would be helpful to have a letter written from the domain level to be sent to all our meditators.
  28. Raja Rogers: Charlie and Stuart could both work on it. First theme – Special opportunity to rapidly advance your evolution. Second theme – briefly describe the TM-Sidhi program and Yogic Flying Third theme – invite them to a lecture on the Sidhis. Let them know that there is a special opportunity to learn the TM-Sidhi program for free.
  29. Raja Rogers: Marble villages in Vedic City coming along well. Earth has been cleared for the first group of houses.
  30. Raja Rogers: Students can learn Sidhis when enrolled at MUM
  31. Jane: Can independent contractors work at another job on the side (category A-30%)?
  32. Raja Rogers: Yes. You don't have to work full-time for the movement in that situation.
  33. Jane: Can those not made recertified teach?
  34. Raja Rogers: I will have recertify them and they will have to go through procedures to get an account set up. Strong teachers in your area – send that list to Elaine – and we will contact them to see if they want to resume their teaching activity. And then they could teach again.
  35. Jane: In CBE, there is considerable follow-up – checking once a month for two months, knowledge meetings. If all the income has come in...
  36. Raja Rogers: It will be adjusted. If someone taught a school and brought in \$200,000 and nothing in other months, yes, they would be paid.
  37. Debbie: In the past, I've passed men who want to learn to Stuart. How should I deal with men from my area? Could Stuart and me share some of the income, or trade..?
  38. Raja Rogers: If he teaches someone, we can see about having him recertified – Richard, your husband.
  39. Raja Rogers: Keep confidential names of teachers who want to be recertified now until we have them cleared. Want to make sure that those who went on the Recert course are still kept busy. For example, want to recertify Joe Innella in Charleston. Thanks to Diana and Jeff L for enlivening Charleston.

40. Elaine: Bills for Peace Palace land or construction should go through GCWP and not MVED NetSuite. Contact:
