The Yes Man Mike Bonanno will conduct a yeslab in various sites including KKH, Sugarcube and Stockholm at large.

Bio:

Mike Bonanno is a member of The Yes Men, an internationally known mischief-making collective behind dozens of groundbreaking media campaigns and two award-winning films. “The Yes Men” and “The Yes Men Fix the World” document their unique brand of activism, which they call “identity correction.” Armed with nothing but thrift store suits, they impersonate big-time corporate criminals in order to draw attention to their actions against humanity and the environment.

NOTE: Further public events will take place between 14-16 December 2011, sometimes at:
Sugarcube Dalgårdsvägen 33, Enskededalen

Part of the [Budget Recalcitrance Program](#) conceived by Amanda Newall at the Royal Institute of Art.
