

Raja Rogers Meeting Notes
May 10, 2007

Raja Rogers	Everyone sign in please.
	Jeff and Mary, Jeff and Ruth, Carol, Alcine, Regine, Joe, Ray, Stuart and Joan, Jane, Helene, Charlie, Elaine.
Raja Rogers	<p>There's been a big transformation and new Rajas are coming and some of the Rajas are expanding their territory. Raja Dean is now taking more states – KY, MS, AL, AR and LA. Raja Steve Ruben is taking FL, GA, TN and SC. That will leave me with Hawaii and everyone is invited to come and visit. The transition will take place in the next week or so. I'll work with Charlie and Elaine to help make a smooth transition.</p> <p>I'll be helping all the Rajas to set up day spas and clinics. We're setting up a Maharishi Invincibility Center (no longer MEC) next to 70 Broad St. building. We'll be drilling through the wall to see exactly where the floor levels are connected and will be opening a doorway to a street level spa on Beaver St. We're on the corner of Broad and Beaver Street.</p> <p>I'll be working with John Moore because he has spent many years in HI - he'll be helping me with HI.</p> <p>Howard Stern mentioned TM a day or so ago and we've been flooded with hundreds of calls in the Call Center. A higher percentage of them are not very troubled with the fees. I don't know exactly what he said, but it's brought the strongest wave since we've established the Call Center.</p>
Jane	Can the Call Center mention the price?
Raja Rogers	We tried instituting that policy and certain people were vehemently against it. We're short of people now because we had the Howard Stern event and we put Bobby Roth's book on the TM website. We've had a five fold increase in leads due to that. At some pt, we want to refine the call center and customize whether we talk about the price or not. Now we discuss the price if people ask or get close to asking because certain people all over the country feel they can do a better job talking about the price.
Jeff M	Other changes in other domains?
Raja Rogers	Every domain, with the possible exception of Raja Michael, has changed. Raja Wynne had 8 states and now has 4. Raja Bruce will be taking the NW. So Raja Konhaus' states are fewer. My change was the most drastic because we had the largest domain in terms of number of states and population. I will try to have a meeting where we all connect and Charlie and Elaine will be connected to our 2 new Rajas. I will continue to answer questions for a smooth transition
Jane	What about Charlie and Elaine?
Raja Rogers	They will stay there. Everything is easy to do due to the Internet and modern communications.

	For Regine: The school project – the policy will be that Lynch Foundation will only pay for people in the 7 and 8 grades. Now 6 graders are in Junior High too. They will be able to start at that reduced rate, but the Lynch Foundation won't be paying for that.
Jane	If it's a mixed group of 6, 7 and 8 graders, could the school still apply for the funding for 7 and 8 graders and find other funding for the 6 graders?
Raja Rogers	Yes
Regine	These children in the 6 grade are the only people allowed to have this special rate, except for recipients of the Lynch Foundation grant, right? How to present the concept of a "discount"?
Raja Rogers	Yes, but only if the 6 graders are in the school with the 7 and 8 graders.
Jane	We call it a "scholarship." "Reduced fee" is lacking in dignity according to Dr. Dillbeck.
Regine	Thank you very much for pursuing this.
Jane	You could say, "Lynch Foundation will provide a full scholarship for 7 and 8 graders and there will be an internal partial scholarship for 6 graders and 6 graders will have to find funding for the \$625."
Ruth	We are working predominantly in FL, but some people come to us from GA and we go to LA frequently (where there are no other teachers). How to work this now that these states are in 2 different Raja domains.
Charlie	I'll check on the details and get back to you.
Alcine	Background on Raja Steve Rubin?
Raja Rogers	He's great. I've known him for many years. He's very well versed in the Vedas. He's been a highly successful businessman in that chapter of his life. Very organized. Very, very good person.
Jeff Murphy	Pls speak on the name change in regards to Peace Palaces.
Raja Rogers	The MEC's are now Maharishi Invincibility Centers. The Peace Palaces may also be called Maharishi Invincibility Centers, but it is not for sure. We're in a transition time. I'll find out more for you.
Helene	We'll miss you, Raja Rogers.
Raja Rogers	I'll expect to see you in Hawaii. Tremendous pressure to build quickly – from Maharishi plus all the Rajas are wanting a clinic there too. Probably will not be on the Big Island. Probably Kauai, Maui or _____. Have learned that it is very windy in the vastu pts on Maui. Don't want to do treatment where it is extremely hot, cold or windy.
Stuart	Once again, you are blazing a trail for all of us. Wanted to say how fortunate we feel that you were our Raja for so long – our founding Raja. Under your wise leadership, we've gotten off to such a great start. You're an inspiration on so many levels – your devotion to Maharishi, your dynamism, your compassion and your concern about every detail of each one of us – personal and professional, always inspiring us. We'll deeply miss you and feel so fortunate to have worked with you. We look forward to working with the

	other Rajas, but know that they will have very big shoes to fill.
Alcine	You are the best Raja.
Raja Rogers	That is just a reflection of your own consciousness and that of everyone in the 10 state (originally) region. Pull on any talents of anyone in the group, including people outside of our domain.
Jeff Moses	Originally when the whole domain was starting, Raj Rajeshwari Candace was involved. It'd be nice if she knew how much we adore you – the softness combined with the great business sense. Plus appreciate her for what she did at the beginning.
Raja Rogers	You may contact her at cbadgett@aol.com . She is doing everything from the Absolute. She is a real powerhouse.
Regine	Will you still be supervising the National Call Center and tm.org site?
Raja Rogers	Yes, still will supervise the National Call Center. We have a very great asset in Dr. Stuart Rothenberg. He's a wealth of information if you can't get a hold of me.
Jeff Murphy	Dr. Rao just finished AT instruction tonight. I'd like to invite him to speak.
Dr. Rao	Greetings. Best wishes. Wherever you are, you are with us and we will be with you and Maharishi is there too. We adore you.
Raja Rogers	Thank you. You've done such a great job wherever you have gone. Maharishi is very proud of the Raos. He called me very excited and very happy with all the results from the MVVT program. Maharishi appreciates all the devotion you have exhibited all these years. Due to the rising consciousness due to the Inv America course, the MVVT techniques are more powerful than before.
Dr. Rao	It's all just Maharishi's grace. Jai Guru Dev
Raja Rogers	I think Dr. Rao said it – we have to give total credit to Maharishi because who knows where we would be without it. We may be having a phone call next week introducing the Rajas. In the meantime, I will be available if questions come up. Jai Guru Dev
