Revisions

Version	Description of Version	Date Completed
1.0	Initial draft – derived from TestResults.xls	19 April 2010
1.1	Separated non-FAT procedures (i.e., non-section 8) into two documents: • Sections 1-6: Cherry Blossom Internal V&V Report for Cherry Blossom Version 4.0 (CDRL 15b) • Section 7: Cherry Blossom Cherry Tree Upgrade V&V Report for Cherry Blossom Version 4.0 (CDRL 14c)	7 September 2010
1.2	Converted from excel to word doc.	19 November 2010
1.3	Changed CDRL from 15 to 15a (CB System Validation and Verification Report is now CDRL 15)	16 December 2010
1.4	Added CB v5.0 tests	6 March 2012
1.5	Added Target Deck Persistent Actions and Mobile VPN Tests	19 July 2012

1 Introduction

This document records and reports the results of the test procedures of the "Cherry Blossom FAT Procedures (CDRL 14)". For full context, see the "Cherry Blossom System Verification and Validation Report (CDRL 15)".
