

NOT GUILTY AT NUREMBERG

TRANSLATIONS AND ORIGINAL TEXT - FINAL REVISION MARCH 6 1996

This version contains the American page numbers followed by the German page numbers in <<brackets>>. I feel that this is essential because only the German text of the Nuremberg Trial transcript is available to the public in book form. Some of these page numbers are almost impossible to find, even if you know what you are looking for. All references have been checked in English and German. Certain minor errors have been corrected.

All page numbers are absolutely uniform: I have used the "copy" function to transfer them from one text to another, to ensure that there is not a dash in one text, and a comma in another. There are no differences in the pagination of the document volumes (XXII - LXII).

The German translation will be printed by Books Unlimited, 20 Madeira Place, Brighton, East Sussex BN2 1TN, England for mass distribution in Germany. THE GERMAN TEXT MAY NOT BE REPRODUCED IN BOOK FORM WITHOUT THE CONSENT OF BOOKS UNLIMITED.

The Spanish may or may not be printed by Ediciones Ojeda, Apartado 9169, E-08006 Barcelona, Spain. The Spanish text MAY be freely reproduced WITH PRIOR NOTICE to Ediciones Ojeda, to save them the printing costs.

The French translation may or may not be printed by Russel Granata of Box 2145 Palos Verdes, CA 90274 USA.

The Portuguese may or may not be printed by S.E. Castan of Rua Volta Pires 300 Conj. 4 Porto Alegre RS Brasil.

Personally, I oppose any copyright on this material, but I understand that some people may wish to cover their printing costs. I have never taken out a copyright on this material, or accepted a penny for it.

The text initially began as a series of corrections to NUREMBERG AND OTHER WAR CRIMES TRIALS by Richard Harwood (David McCalden), and follows approximately the same format.

All texts are dedicated to Reinhold Elstner in addition to the persons mentioned.
