

FRONTIERS OF FREEDOM

REPORT ON THE CONSPIRACY TO RULE THE WORLD

History tells us that between 1300 to 1650 the Jews had been evicted from most of Western Europe. Manasseh Ben Israel proposed the idea to Cromwell of England that the Jews and the Anglo Saxons of England should join together and work for the day when the Throne of England would rule the world. In selling this idea of letting the Jews return to England, Manasseh Ben Israel proposed the idea that the 12 tribes of Israel were made up of the Anglo Saxons and the Jews. In 1664 the Jews were formally granted free permission to live in England and practice their religion.

This is verified by the Freemasons in the following article in their publication, THE NEW AGE.

"THE TEN LOST TRIBES" FACTS AND FICTION

H. SOL. CLARK, 32°, K.C.C.H.
109 East 44th St., Savannah, Georgia

The so-called Anglo-Israelism is another product of this type. Under this theory the English-speaking peoples are identified as being the descendants of the Ten Tribes. This was convincingly argued in a book by John Wilson, entitled *Our Israelitish Origin*, published in 1840, and was adopted by C. F. Smyth, the Astronomer-Royal of Scotland, who supported it by observations in connection with the Great Pyramid. The tribes are traced to England by showing their travels through the lands of Europe by place-names. As an example, Denmark was supposed to have been named from the tribe of Dan, and that the Danes are the tribe of Dan. Branches are the Scythae or Scythians, who founded the population of Scotland, and the Sacae, who are now called Saxons, that is, Sons of Isaac. These wanderers are supposed to have brought with them the Bethel Stone, and this stone, which Jacob used as a pillow, is now in Westminster Abbey, where it

is used in the crowning of English monarchs.

This theory, known as Anglo-Israelism, falls in line with many of the prophecies contained in Hebrew Scripture. Among these fulfillments are that Israel's name would be changed, that they would dwell in the north, that they would glorify the Divine Name "in the isles of the sea" (Isaiah), and that one of the tribes, Manasseh, would become an independent power, as is shown by the United States. This interesting theory was promulgated originally in 1694 by John Sadler, who was a student of Oriental literature and a friend of Oliver Cromwell, in order to persuade Cromwell to grant the pleas of the Hebrews for readmission to England of the Jews. It proved successful.

The Jews brought with them on their return to England their money and experience in International finance. With the cooperation of British Royalty the International Financiers developed an ideology of conquest based on the Jewish concept of a CHOSEN PEOPLE DESTINED BY AN IRON LAW OF THE UNIVERSE TO TRIUMPH OVER AN INFERIOR PEOPLE, SEIZE THEIR WEALTH AND POWER, SUPPLANT THEIR SYSTEMS, DISSOLVE THEIR NATIONS (one world), DESTROY CHRISTIANITY AND IN THE FINAL TIME OF THE MILLENIUM, INHERIT THE FRUITS OF THE EARTH AND RULE THE WORLD. This idea was sold to the leaders of England by simply including the Anglo Saxons as well as the Jews as God's Chosen People to rule the world. To promote this ideology throughout the world they founded THE BRITISH ISRAEL WORLD FEDERATION. You will note their use of the Jewish star of David in their letterhead.

BRITISH ISRAEL ASSOCIATION

Great Britain (the isles north and west of Palestine) and all the British colonies are the lands of this Kingdom, and the Royal Throne of David (continued in the present British throne) has the rule over this Kingdom. Here we have the Throne of the Lord ruling over God's earthly Kingdom, the forerunner of the perfect Kingdom that will soon be taken over by the Lord Jesus Christ,

You will note in the article below which quotes from the NATIONAL MESSAGE the official organ of the Anglo-Israel World Movement that back in 1935 the British Israel Movement included the Jews.

The official organ of the Anglo-Israel World Movement, the National Message, which is published at 6 Buckingham Gate, London, England, back in 1935, or four years before the beginning of the present World War, carried an article in which it represented that the Racial Problem is the most important of all problems. Then it goes on to say that "the racial question is an essential one for Anglo-Israel . . . it touches the question of universal peace and good will among the nations."

Now the reader will be interested in knowing the viewpoint on the Racial Problem of the National Message. This viewpoint is clearly stated in the article under consideration. It notes: "Great Britain and her self-governing Dominions, with the American Republic and the Jews, constitute the whole race of Israel."

The Conspiracy of International Finance based in England realized that their were basic conflicts between Christianity and Judaism and so they gradually eliminated the Jews from their conspiratorial theory of British Israelism. They now eliminate the Jews from the theory of British Israelism and you will note that their literature now makes the point that the Anglo Saxons are the true Israelites and the Jews are actually not Israelites but Khazars (Turkish-Mongols) and therefore have no part of the Chosen Race to Rule the World conspiratorial scheme.

The British Israel World Federation

The aims of the Federation are as follows :—

To spread the knowledge of the origin, mission and destiny of the British race.

To demonstrate that the British Commonwealth of Nations represents the national basis of God's Kingdom on earth.

To show that Britain is the lineal continuation of the Israel Nation (as distinct from the Jews) and that every mark of identification is possessed by the Anglo-Saxon race as a whole.

To reveal the role of the British people as the inheritor of Israel's Charters, the possessor of her immunities from destruction, and the executor of her commission to develop the new order of civilisation.

To insist that the only solution to economic distress and world unrest is to be found through national repentance and the restoration of the principles of the Divine Constitution as essential preliminaries to disarmament, universal peace and the reign of Christ.

The Anglo-Saxon-Celtic Israel Belief

We believe the time has come when the lost Israel "nation and company of nations" (*Gen. 35:11*) is being found and positively identified. Only one race today answers in every detail to the Bible picture of Israel "in the latter days," and that is the Anglo-Saxon race — the British Empire and the United States of America. They possess what Israel was to possess and they are doing what Israel was to do. The "identities" of this race with Israel are so many and so pronounced that one who re-reads his Bible in the light of this great Truth will make discoveries that will cause him to give this subject most serious thought, especially in view of what is happening today. The Gentile kingdoms of the world are being broken, the time of Israel's captivity is terminating, the old Gentile social order is being overthrown, and the world is being prepared for the coming and reign upon the throne of David of our Lord and the restoration of His Kingdom in the earth (*Zech. 14:9; Lk. 1:32, 33*).

Relatively modern Bible and historical research has disclosed the fact that the Anglo-Saxon-Celtic peoples are the actual descendants of the "House of Israel," or the "Northern Kingdom of Israel," as distinct from the Southern Kingdom to which the Jews belong.

Cecil Rhodes, British Empire Builder and South African despot believed in the establishment of a secret society with the intent being to promote the ideas of British Israelism to enable Great Britain to engage the services of the white race in their aim to control the world.

When Cecil Rhodes died he left a fortune of \$150,000,000.00 to the Rhodes foundation which was to be directed towards this belief of British Israelism. He also admitted that he wanted to create in American students an attachment to the country from which they originally sprang-England. Organizations such as "Union Now" and Pilgrims of the United States which are subversive to the liberty and the Constitution of the United States of America, have a large sprinkling of Rhodes graduates among their staff.

of the will left by the late Cecil Rhodes, British empire builder and South African despot. Rhodes aimed at the return of the United States to the British empire and a world federation dominated by Anglo-Saxons. He hoped his scholars would be instilled with "political bias" toward these ends, according to his intimate friends.

lifelong burning ambition to bring about "the ultimate recovery of the United States of America as an integral part of the British empire." Today many American Rhodes scholars are working assiduously to make the dream of their imperial patron come true.

These American Rhodes scholars have been going to Oxford university for education and indoctrination in the British way of thinking since 1904. The Rhodes diamond and mining fortune foots the bills. Each year 32 campus leaders are carefully selected for the schooling abroad. Only two world wars temporarily halted the annual crop.

RHODES GRADS INFLUENTIAL IN EASTERN PRESS

Aid British, Global Propaganda

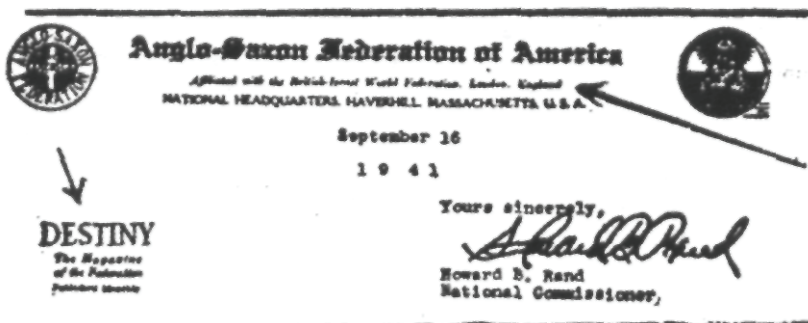

BY WILLIAM FULTON
[Chicago Tribune Press Service]

New York, July 21—The picture of the American Rhodes scholars network in the United States—a rabid movement toward internationalism—is completed and glued together by their numbers in the field of molding public opinion. They are highly influential in the eastern press, magazines and radio chains.

Rhodes scholars in this country represent 32 campus leaders carefully selected each year to go to Oxford university, England, for supplemental schooling. Their patron, the late Cecil Rhodes, British empire builder and diamond tycoon, aimed at instilling in his proteges "political bias" rather than education, according to his intimates.

This bias, as revealed by the Rhodes seven wills and writings, was to recover the United States for the British empire in the form of an Anglo-Saxon federation. The federation would be powerful enough to dominate the world and enforce the "peace."

The International Financiers operating from their base in the heart of London's financial district were finally able to promote their theories from bases in the United States. In the year 1928, the Anglo Saxon Federation of America was organized and you will note that it is affiliated with the British Israel World Federation of London England. Howard B. Rand heads this organization up and is considered the leader of the various movements of this type in America.

Notice the incongruity in it all! The Jews rejected the call to spiritual regeneration, for they were looking for the restitution of a kingdom under which they would be established in authority and rulership. Now, we are very near the time for the Second Advent to take place, when the fulfillment will come about of the Angel's annunciation to Mary: "And God shall give unto him the throne of his father David and he shall reign over the House of Jacob forever." But the leadership of the Christian Church is protesting: "We will not have it so." They reject His Kingdom. They are willing to be spiritually motivated, but not to the extent of the administration of righteousness as the result of the establishment of the Kingdom of God in perfection on earth.

When will the blind leaders of the blind awaken and refute the propagandization by slogans fashioned by the Jews?

With kind regards and Season's Greetings

Yours sincerely,

Howard B. Rand, Editor

You will note from this excerpt of a letter from Howard Rand that the Anglo Saxon Federation is leaving the Jews out of their ideology but they are using the Jew's religion as their ideology. This idea of a Fascist (racial) interpretation of the Holy Bible resulted in the ideology of Adolph Hitler and many organizations now forming in the United States

The Communist Capitalist

If Karl Marx is communism's best-known prophet, surely Friedrich Engels runs a close second. Engels collaborated with Marx on the writing of the Communist Manifesto in 1848, ghostwrote many newspaper articles for him, and on his own penned such anti-capitalist diatribes as The Conditions of the Working Class in England in 1844.

But the co-founder of modern communism was no oppressed proletarian. He was an outright capitalist. For many years, he was a high-paid executive in just the son of factory he so savagely depicted in his writings.

Engels was born in Prussia in 1820, son of a well-to-do textile magnate. It was while stationed in Berlin during an army hitch that Engels met a young radical named Karl Marx, although their most fruitful collaboration would take place in London. In the 1850s, Engels moved to Manchester, England, to work in his father's textile firm there. He lived a markedly comfortable life, with memberships in the stock exchange and exclusive clubs, and entertained lavishly—all the while supporting Marx with frequent checks and maintaining their collaboration.

Engels sold his partnership in the business in 1869 for enough cash to retire in style and spent the rest of his life urging the downfall of the very class to which he belonged.

Friedrich Engels, Karl Marx's junior partner in creation of communism

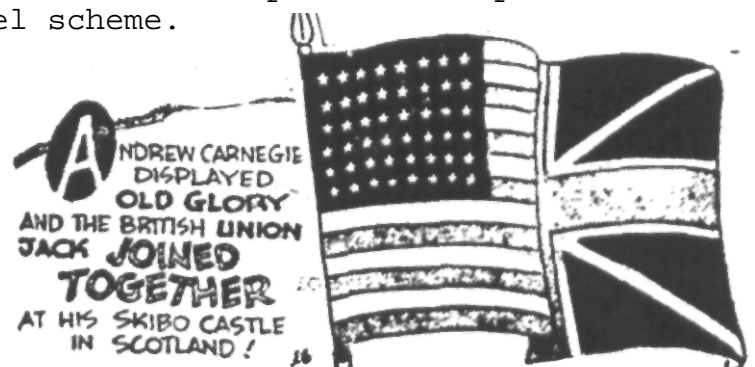

The British Israel World Federation and its American affiliate, the Anglo-Saxon Federation of America filled the needs of the Conspiracy to enlist the aid of the white race in their scheme of world control.

To further promote their scheme for world control the Conspiracy of International Finance developed Communism to enlist the aid of the radical Jews in their cause. Bear in mind that the British Israel ideology would probably appeal only to the radical whites as Communism would appeal only to the radical Jews.

Karl Marx in developing the philosophy of Communism simply paraphrased the Jewish concept as was done in the case of British - Israelism. So it is now the CONCEPT OF THE CHOSEN PEOPLE (the proletariat) DESTINED BY AN IRON LAW OF THE UNIVERSE (dialectical materialism) TO TRIUMPH OVER AN INFERIOR PEOPLE (capitalist, bourgeoisie, proprietors, craftsmen) SEIZE THEIR WEALTH AND POWER, SUPPLANT THEIR SYSTEMS, DISSOLVE THEIR NATIONS, (workers of the world unite) DESTROY CHRISTIANITY (the opium of the people) AND THROUGH THE DICTATORSHIP OF THE PROLETARIAT TO PASS INTO THE FINAL TIME OF THE MILLENIUM INTO A CLASSLESS SOCIETY AND INHERIT THE FRUITS OF THE EARTH AND RULE THE WORLD.

COMMUNISM IS TO BE THE ANTI-THESIS OF THE FREE ENTERPRISE THESIS with WORLD CONTROL BY INTERNATIONAL FINANCE AS THE SYNTHESIS. In other words, out of the conflict of Communism versus American Free Enterprise we get a synthesis of British-Israelism (Kingdom of God on Earth with the King of England sitting on the throne of David and controlling the world until Jesus returns to take over)

This is verified by Nicholas Murray Butler at the Lord Cecil luncheon November 19, 1937 at the Hotel Astor when he said, "Communism is the tool by which Britain's international finance is knocking down National governments in the interest of world government, world police, and world currency." Nicholas Murray Butler was President of Columbia University and head of the Carnegie Endowment for International Peace which promoted the British Israel scheme.

The International Financier Conspiracy located in the heart of London and referred to as "The City" needed a vehicle to infiltrate the Christian Churches and subvert the true Christian teachings to the teachings of British Israel. To do this they developed the SCOFIELD BIBLE, which perverts the true word of God. Scofield was British and preached the religion of British-Israel and promoted one world government.

The Scofield Reference Bible, page 1343, note (1) states:

"The gospel of the Kingdom. This is good news that God purposes to set up on earth, in fulfillment of the Davidic covenant, a kingdom, political, spiritual, Israelish, universal, over which God's son, David's heir, shall be king, and which shall be for one thousand years, the manifestation of the righteousness of God in human affairs."

However, Scofield is in conflict with the historic prevailing understanding of the Bible which is that "flesh and blood cannot inherit the Kingdom of God." (I Cor. 15:50) The viewpoint of all the Protestant Reformers and Pioneer Preachers of America as well as the Catholic Church has been that the Kingdom of God is transcendental, other-worldly, and to be realized only in a "new heaven and new earth," Heaven will be populated by the Saints whose immortal souls have been reunited to their resurrected and glorified bodies. Conditions in this other world will be so transfigured as to defy description beyond the Apostolic hope that "we shall see God face to face." Perfect happiness is this, the "beatific vision".

In the last century a number of churches have split because of the pro-communist activities of the National Council of Churches. New "free" churches have been organized that profess to be anti-communist but who promote a new interpretation of the Bible which has been promoted by Scofield and his footnotes of explanation in the "Scofield" Bible. These explanations by Scofield promote the British - Israel scheme of subversion. By perversions of the Scripture these new churches that profess to be Christian are promoting a new Christianity. Instead of promoting the orthodox view of Christianity that has endured for centuries and says that Jesus rules today in the hearts of his believers from his throne in heaven, they are now promoting a new idea based on Jewish millennialism which states that Satan rules the world today and Jesus will return to earth at the end time and in the battle of Armageddon defeat evil and rule over the world from the Throne of David in Jerusalem. This belief, of course, is not substantiated anywhere in the Bible, but it is being used to dupe Christians into supporting the International Financier Conspiracy to rule the world.

In other words the strategy is now simple, as you get fed up with the National Council of Churches who for the most part are correct in their interpretations but who take stands in favor of communists, you leave and join one of the "free" churches and end up with the British-Israel interpretations of the Holy Bible but who take anti-communist stands.

FROM THE FRYING PAN INTO THE FIRE

These Churches that are preaching Millennialism (the Kingdom of God on Earth) are preparing your children through their Sunday School lessons to accept the British-Israel one world conspiracy of the International Financiers. It is the main plan for conquering the world by conflict and synthesis.

In other words by means of conflict between Communism and Constitutional Government we end up with a synthesis of World Control by the International Financiers. As the world is overcome with Communism, the people pray that God will send his Kingdom to deliver them from their anguish.

The teaching of the millenium which would allow the throne of Britain to rule the world is sometimes called
RED CHRISTIANITY.

A Los Angeles Times

RUSS CHURCH ADAPTS TO 'RED CHRISTIANITY'

The new article praises the Russian Orthodox Church for turning to Communist Christianity, citing pronouncements by Orthodox leaders and theologians to show they associate the Soviet system with the kingdom of God on earth.

"The establishment of Christ's kingdom on earth is more and more associated with the Communist reconstruction of the world," the religious magazine said.

Nauka i Religiya commented approvingly: "Leaders of the modern Orthodox Church proclaim that the atheistic Soviet authority carries out the will of God by establishing a new life in a just society."

The Russian people are also being programmed the same way our young people are. Many of the campaigns to sneak Bibles to the Russian people are being allowed to go unnoticed by the K.G.B. because these campaigns are peddling the Kingdom of the millenium or God's rule on earth, to the Russian people so that they will look forward to the return of Jesus to this earth to save them from the tribulations of Communism.

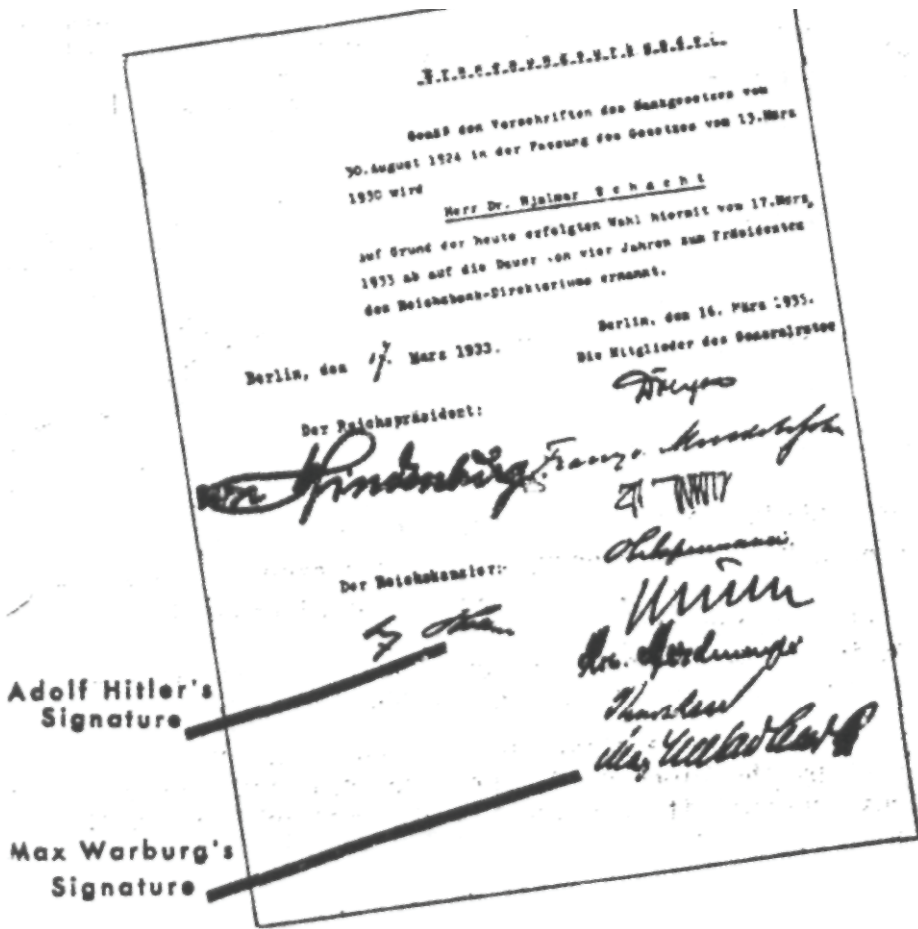

Remember: Nowhere in the Bible can this be substantiated.

Now that the average Christian has been conditioned by the teaching of the Millenium to accept British-Israel one world government ruling from the Throne of David in Israel, What about the Jews?

The International Financier Conspiracy has developed a program for the Jews that will condition the Jews to accept one world Government. This program is called JEWS FOR JESUS. It is a movement that is trying to convince the Jews that Jesus is their Messiah so that they will not object to one world government ruling from the Throne of David in Israel until Jesus returns to take over.

SO NOW THE CONSPIRACY OF INTERNATIONAL FINANCE HAS THE BASES COVERED AND EVERYONE WORKING AND THINKING IN THE SAME DIRECTION: ONE-WORLD GOVERNMENT RULING FROM THE THRONE OF DAVID IN ISRAEL.

WHAT HAS THIS THINKING SPAWNED SO FAR? Communism & Naziism, It is a well known fact that English, German, and American financiers financed Communism and it is also known that the International Financiers financed Naziism and Adolph Hitler.

To the left is a reproduction of a document showing the routine appointment of H.H.G. Schacht as the administrator, of Nazi Germany's money.

However, the signatures show who were the real rulers of NAZI Germany, THE INTERNATIONAL BANKERS.

There, side by side, are the signatures of Max Warburg and Adolph Hitler. Other signatures include additional International Financiers of the Rothschild bloc, such as E.G. Wasserman a close contact of Churchill

THIS SHOULD PROVE TO YOU THAT COMMUNISM AND NAZIISM ARE RUN BY THE SAME PEOPLE:

THE INTERNATIONAL FINANCIERS OPERATING THROUGH THE GOVERNMENT OF GREAT BRITAIN.

REMEMBER ADOLPH HITLER CAME TO POWER OVER GERMANY ON A VARIATION OF THE BRITISH-ISRAEL IDEOLOGY: THE WHITE ARYAN RACE IS THE CHOSEN RAC TO RULE THE WORLD.

A number of patriotic Americans are becoming concerned with direction that our Country and other Countries are taking and are looking around for patriotic groups to join. Most of the so-called patriotic organizations available to these people are promoting the British Israel ideology of the conspiracy to control the world. (International Financiers) Not knowing what is behind this ideology they are being misled the same as the German people were when they joined the Nazi movement in opposition to the Communist movement. In other words the conspiracy controls both sides of the problem.
