## America.

From the beginning of mankind, there has never been a greater nation on earth, giving hope, prosperity, and **freedom** to all those who came to the shores of this great nation. Why, simply, America was built upon Biblical principles.

In just 200 years, America prospered more than all the other nations around the world over a 5,000 year period.

At one time, America was the leading country in most every field of academics. Today, we are rated about 60 from the top. In the State of California, compared to the other 50 states, California is rated 48 from the top.

America is being attack from all fronts. We have the highest divorce rate of an country in the world. **Our schools** are under attack, many students can not read their Diplomas when they graduate from high school. Our Christian heritage is under attack. Our home and property is under attack.

Farmers in Northern California have been fighting the environmentalist for years to keep their farms. In central California, the farmers have had to plow up hundreds of acres of Orchards, because they were not able to get water, because of some (extinct) fish.

In California, Oregon, and Washington, the timber Industry has been under attack for more than 40 years.

- **Richard Nixon**
- In 1970, Nixon created the **U.S. Environmental Protection Agency (EPA)** and began operation on December 2, 1970, after Nixon signed an **executive order**.
- It was said at that time, that the EPA would become one of the most **dangerous**, most **powerful and the most Un-constitutional** organizations ever created by the federal government. The environmentalist are sometimes referred to as the “**Watermelon environmentalist**” [**Green on the outside, and red on the inside**].

The Nixon Administration created the **Ten Federal Regencies to control the 50 states**, and he opened the gates to **Red China, look what we have today**.
- **Nixon was a member of the Council on Foreign Relation , (CFR) a subversive organization that works to destroy the sovereignty of nations.**

## The Spotted Owl

**1971**, The *Oregon Forest Practices Act* was passed, the first of its kind in the United States.

**1973**, Statewide land use planning is approved. Congress passed the *Endangered Species Act*.

**1975**, No large area of timber in the state could be worked on, used as sustained yield basis.

**1976**, The National Forest Management Act passed.

**1979**, The northern spotted owl, was given special habitat protection.

**1986**, The USDA Forest Service released guidelines for the northern spotted owl.

**1987**, Fire burned 245,000 acres of timber worth an estimated \$97.3. The

forest service can no longer control underbrush, or old growth management.

**1989**, the U.S. Fish and Wildlife Service listed the northern spotted owl as a

threatened species in Washington, Oregon, and northern California.

**1995**, The US Fish and Wildlife Service approves the *Habitat Conservation*

*Plan...*to provide protection for the habitat...for federal land.

The efforts of the environmentalists have cost the timber industry over 30,000 jobs, and still counting.

## U.S. Logging Industry

- Starting in the 1970's, **Environmentalists targeted the lumber industry across the United States.** Thousands of logging Companies and sawmills were forced out of business. People lost their homes, farms, businesses, and yes, a great number of towns also disappeared from the landscape. After the damage was done, it was later learned that the **Barred Owl** was the one that drove off the spotted owl, because it was a larger species. But the damage had already been done, but the environmentalist would have found something else to use for their agenda.
- In 1993, those who were promoting (**NAFTA**) North American Free Trade Agreement, told the American people the NAFTA would save the American people 2 million jobs, when in fact, NAFTA created the loss of over 7 million jobs.
- October 30, 2003. The **Contra Costa Times** reported, up to 14 million jobs...are at risk of being shipped overseas.
- In December of 2003, the **Christian Science Monitor** reported, the US economy has slowly shifted toward service jobs, factory jobs have been steadily lost – in fact, in just the past 39 months, some 2.8 million jobs have vanished.
- **The question we should ask ourselves, are these things happening by accident, or, is there a master plan for this turmoil in our country?**

- **Private Property Rights**

- The UN has deemed commercial agriculture unsustainable and has used tax dollars and local supervisors to **re-zone**, **re-shape**, and **prohibit** land use for local agriculture or building that is not approved by their bio-diversity plan of limit human habitation – all in the name of saving the planet.

- **This is one way how they are forcing people to leave their farms. Another way is not repairing county roads.**

**Since the early 1970s there has been a systematic and deliberate effort to destroy private property rights in America through the warm and fuzzy goal of sustainable development.**

President Woodrow Wilson

Prior to the passage of the Federal Reserve Act in 1913, President Wilson published a book called, ***The New Freedom***, in which he revealed, **“Since I entered politics, I have chiefly had men’s views confide to me privately. Some of the biggest men in the U.S., in the field of commerce and manufacturing, are afraid of somebody, are afraid of something. They know that there is a power somewhere so organized, so subtle, so watchful, so interlocked, so complete, so pervasive, that they had better not speak above their breath when they speak in condemnation of it.”**

## Adam Weishaupt

- Founder of the “Illuminati” May 1<sup>st</sup>, 1776.
- **This is why the Communist always celebrated May day, May 1<sup>st</sup>.**
- I believe it was an act from God on how Adam Weishaupt’s plan to set up a World Government was discovered. (Explain)

### His plan to control the world:

- **Abolish all ordered governments.**
- **Abolish private property**
- **Abolish patriotism**
- **Abolish the family**
- **Abolish religion**
- **A global population of 500 million**
- **Creation of a world government**

- **Karl Marx**

- Born 1800 – 1890
- Karl Marx, was a member of the Illuminati.
- The **first** and **forth** plank of the Communist Maifesto is to eliminate private property.

- **Ten Planks of the Communist Manifesto.**

1. **Abolition of property in land** and application of all **rents** of land to public purpose.
2. A heavy **progressive** or graduated income tax.
3. Abolition of all right of **inheritance**.
4. **Confiscation of the property** of all **emigrants** and **rebels**.
5. Centralisation of **credit** in the hands of the **state**, by means of a **national bank** with **State capital** and an exclusive monopoly.
6. Centralisation of the means of communication and transport in the hands of the State.
7. Extension of **factories** and **instruments of production** owned by the State; the bringing into **cultivation** of **Waste-lands**, and the improvement of the **soil** generally in accordance with a **common plan**.
8. Equal **liability** of all to labor. Establishment of industrial **armies**, especially for agriculture.
9. Combination of agriculture with manufacturing **industries**; gradual abolition of the distinction between town and country, by a more equitable **distribution of the population** over the country.
10. **Free education** for all children in **public schools**. Abolition of **children's factory labor** in its present form and combination of education with industrial.

- **We have adopted all ten planks of the Communist Manifesto.**

## Purchased the UN Property

- John D. Rockefeller, III, presents a check in the amount of **\$8,500,000** to Trygve Lie of Norway, was the **first Secretary General of the United Nations**. The money is to purchase the land on Manhattan Island which will house the U.N. building.
- He had been a high-ranking member of **Norway's Social Democratic Labor Party**, an offshoot of the early Communist International. He detailed in his 1954 book, ***In the Case of Peace***, to his astonishment learned the U.S. had agreed during the founding of the **UN** would always have a "**Soviet national**" as the **UN's** Undersecretary for Political and Security Council Affairs. This post is charged by the **UN** with jurisdiction over all military affairs for the world organization.

## Alger Hiss

Alger Hiss top US official in our state department, who served as the **first Secretary General** of the **UN** founding conference at San Francisco in 1945, was later exposed as a **Soviet spy**, convicted of **perjury** (he lied to a grand jury while being questioned about his **communist** activities), and was sent to prison for two consecutive five year periods, but only served 44 months of his ten years.

Alger Hiss was a member of the (**CFR**) Council on Foreign Relations, a globalist organization, to build a socialist one world government.

The first (**14**) Secretary Generals of the **United Nations**, were all **Communist**.

Americans have had **six** Presidents that were members of the **CFR**.

## United Nations Conference 1976

The United Nations Conference on Human Settlements (Habitat 1) was held in Vancouver, British Columbia in 1976. This conference established the UN's policy on private property rights and produced a document that became the blueprint for comprehensive land use planning.

**The Preamble to the report declared that:**

“Land...cannot be treated as an ordinary asset, controlled by individuals and subject to the pressures and inefficiencies of the market. **Private land** ownership is also a principle instrument of accumulation and concentration of **wealth** and therefore contributes to **social injustice**...Public control of land use is therefore indispensable.

- In 1992 world leaders gathered in Rio de Janeiro for the first ever Conference on Sustainability and the Environment. This meeting led to three documents: the [Rio Declaration on Environment and Development](#), the [Statement of principles for the Sustainable Management of Forests](#); and Agenda 21. 178 world leaders, including **President George HW Bush**, signed these documents.
- Bush along with several of our Presidents were members of the **Skull and Bones, Trilateral Commission, Council on Foreign Relations, Free Mason.**
- **One of Lenin's goals were to control both major political parties in America, and that was accomplished nearly fifty years ago.**

**Bill Clinton's Biodiversity Executive Order 12986 on June 29, 1993;** which created the international Union for Conservation on Nature and Natural Resources is one of the UN's major interments in creating and implementing global environmental policy. **Sustainable Development is a plan for global control including the restriction of land use and resource extraction.** The land use element calls for the implementation of two action plans designed to **eliminate private property**: the **Wetlands Project for rural areas**, and **Smart Growth for urban areas**. Upon implementation of these plans, all human action is subject to control. The black dots represent the population. The Red areas are restricted from public land use.

ICLEI is an international association of local governments as well as national and regional local government organizations who have made a commitment to sustainable development.

### President Obama

On June 9, 2011 President Obama signed **Executive Order 13575**, which established the creation of the White House Council (WHC). The purpose of the WHC is to facilitate federal coordination and implementation of sustainable development at local community level.

More controls are put on local communities to accept Agenda 21 from the UN through ICLEI.

**The UN now controls most of our National Parks and Monuments.**

- **United Nations Population Control!**

**Why the increase in Cancer and other Diseases? U.N. Depopulation.**

**When I was a young lad**, I lived back in Minnesota in 1951. One day I happened to over hear some friends of my parents talking about a young girl that was very sick. They were horrified, just sick about what was happening to her. She had lost so much weight that she was nothing but skin and bones.

She had come down with cancer, and at that time, the cancer rate was very low. So, what has happened over the years that has made the cancer rate excel to the point that, one out of every three people have some sort of cancer today, not to mention all the other diseases that people are coming down with.

Have we become so insensitive to the increase of all these diseases that we just take it at face value and not question as to **why** so many people around us are have these problems which is effecting our families and loved ones?

Are the American people and the people around the world being mislead from the Medical Research centers when they tell the people that they are working to find a cure for these diseases, when in fact the truth is just the opposite?

- **A good example of this can be found in a well documented book, World Without Cancer, by G. Edward Griffin, Both of these Dr's. gave a false report on the use of Vitamin B-17, (Laetrile). These same two Dr's. MacDonald and Garland made national headlines claiming there was no connection between cigarette smoking and lung cancer in 1964. MacDonald died of lung cancer and Garland died while smoking in bed when it caught on fire.**

- **Hundreds, if not Billions of dollars are being made from people dying, it's called, (Population Control.)!!**
- Under the plan, United Nations Agenda 21, the goal through population Control is to **reduce** the world population by some 70 to 80%. This is being accomplished through unnatural causes of death like,

## Smallpox vaccine 'triggered Aids virus'

By Peter Wright  
 Science Editor

The Aids epidemic may have been triggered by the smallpox vaccination campaign which eradicated smallpox.

The World Health Organisation, which announced the 11-year campaign, is studying new scientific evidence suggesting that contamination with the vaccinia vaccine (various evidence of the unexplained, distinctive features) stimulates defence virus infection (HIV).

Some experts fear that in administering one disease another disease was transferred from a major eradication effort of the Third World into the western world.

While doctors now accept that varicella can spread after contact, they are divided about whether it was the most similar to the Aids epidemic.

But an adviser to WHO who disclosed the problem, said The Times "I thought it was not a conspiracy and we looked at the data looking about the means which can be spread by varicella. There I believe the smallest vaccine (smallpox) is the explanation to the epidemic of Aids."

Further evidence comes from the Walter Reed Army Medical Centre in Washington.

While smallpox vaccine no longer tests for public health purposes, new strains of the infectious agent are produced as a by-product of the vaccine. Some researchers at a 1984 seminar were the origin of suspicion of disease HIV virus over Aids.

The discovery of how people with infected HIV infection are at risk of rapid development of Aids as a vaccine-related disease was made in a medical team working with Dr Robert Gallo at Walter Reed.

The initial who developed Aids after vaccination had been healthy throughout high school, the researchers reported.

Two and a half weeks later he developed fever, headache, neck stiffness and night sweats. There was no fever but he was admitted to Walter Reed suffering from meningitis and neurolytic disease further symptoms of Aids and died after improving for a short time in hospital.

There was no evidence that the virus had been injected in any horizontal activity. In describing these discoveries in a paper published in the New England Journal of Medicine, a 1986 paper by the Walter Reed team gave a working hypothesis as to how it occurred on page 118, and 1

## Aids epidemic 'triggered by smallpox vaccine'

Continued from page 1

The greatest total of HIV infections correlates with the most intense vaccination programmes, with the number of people vaccinated being as follows:

Other doctors who accept the connection between the eradication campaign and the Aids epidemic were not aware in quantities which had killed them. They had been vaccinated, some, the Aids epidemic, previously reported by an outbreak in "black, blue and red" (vaccines), began to believe that a new epidemic of something was a possibility.

Many reports are submitted to support the theory publicly because they believed it would be considered seriously as a cause of HIV.

In addition, they are concerned about the impact on other public health programmes with measles, such as against diphtheria and the continued use of varicella in protecting Aids patients.

The connection between the eradication campaign and the rise of Aids was discussed privately last year by experts at WHO. The possibility was dismissed as grounds of "speculative evidence."

Advocates of the argument believed that the use of such evidence was being focused on Aids by the media. It is now felt that doubts would have been raised if public health authorities in Africa had more willingly reported infection reports to WHO.

Indeed, some African countries continued to ignore the treatment of Aids even after UN doctors alerted the world which the infection spread to the United States.

However, an epidemiologist pointed more information about Aids from other countries.

Conrad Albani (Germany), then began to emerge from the new finding that should be taken into account. He was a member of the Joint Commission on Smallpox and Measles, a contribution of the World Health Organisation.

The smallpox vaccine was first reported for the purpose of such of the World Council of African people which was the largest body of non-aligned countries, who Brazil became the most affected Latin American country, and how that became the cause for the spread of Aids in the US.

In a 1986 paper, an epidemic case of how the infection was spread across Africa, between Brazil and Senegal, in Africa from the West and who

Zaire 3,478,000; Zambia 19,565,000; Tanzania 14,471,000; Uganda 11,414,000; Malawi 8,110,000; Kenya 10,100,000; and Botswana 1,274,000.

Brazil, the only South American country named in the eradication campaign, has the highest incidence of Aids in that region.

About 14,000 Brazilians, on United Nations personnel in Central Africa, were named in the campaign. They began to return home as a time when there had become a greater programme for the Americas hemisphere.

Dr Robert Gallo, who first identified the Aids virus in the US, told The Times "The link

Clearly and health workers are convinced that millions of new Aids cases are about to be reported in Africa. After a meeting of 10 experts near Geneva this month it was concluded that up to 75 million, one third of the population, could be the disease within the next five years.

Some organisations which have often studied Africa, such as the UN, believe that South Africa's black population, so far largely protected from the disease, could be most affected as original vaccine being it from the country from the west to some further north.

The eradication policy, they predict, will benefit the countries, but maintain the present one consequently weak, health programmes where it will be almost impossible to contain the spread.

between the WHO's programme and the epidemic in Africa as an international, important conference, I cannot see that it actually happened but I have been saying for some years that the use of the vaccine was a mistake for smallpox the disease is a natural infection such as HIV.

"Who knows you be interested in WHO? But of the importance to prevent it a major conference. Aids was first officially reported from New France in 1981 and it was about two years later that it was first reported in the United States. It had become a pandemic of Aids in long ago as the late 1970s.

Although detailed figures of

- Published in The London Times, May, 1987.
- The UN was going to vaccinate some 74 million African children in 22 countries.
- The program was stopped when some Muslims in a populated area claimed that the vaccines were to depopulate the area. Laboratory tests revealed estrogen and other female sex hormones in the polio vaccine, proof that the vaccines were contaminated with substances that could cause sterilization.

- **Google; Millions of women in third world countries were vaccinated that was sterile!**

The Philippine High Court convicted WHO (The World Health Organization) of involuntarily sterilizing over 3 million Philippine women through the use of vaccines. (Fact)

The WHO in 1985 documented that one of its' primary goals for the use of a sterilization vaccine disguised as a smallpox vaccine was to "eliminate 150 million excess Sub Saharan Africans". (Fact, 1985-ongoing)

President Obama announced to the public shortly after his inauguration that every man, woman and child should receive the Avian Flu vaccine. President Obama is on record saying that he believes that vaccinations should be mandatory. (Fact, 2009)

Many reports have surfaced over the years claiming that the World Health Organization is using Tetanus shots as a cover-up for forcibly sterilizing millions of young women in the Philippines, Mexico and other third world nations.

2 million women in third world countries were given **(TETNUS) vaccinations,(Why not the men?)**. The vaccines were later found to have been tainted which caused sterialization.

- **Chlorine in our Drinking Water.**

According to the U.S. Council of Environmental Quality, “Cancer risk among people drinking chlorinated water is as much as **93% higher than among those whose water does not contain chlorine.**”

There is a lot of well-founded concern about chlorine. When chlorine is added to our water, it combines with other natural compounds to form Trihalomethanes or (chlorination by products), or **THMS**. These chlorine by –products trigger the production of free radicals in the body causing cell damage, and are highly carcinogenic. Chlorine is also suspected to contribute to hardening of the arteries, and other diseases.

- **Studies in the United States, Canada and Norway have linked chlorine byproducts in ordinary tap water to higher risks of miscarriages and stillbirths in pregnant women and increased incidences of bladder and colon cancer.** Other disturbing news for indoor **swimming pool patrons** are studies that show much higher levels of these chemicals are found in swimmers because they breath in the fumes from the chemicals. And the highest levels are found in the most active swimmers.

## **Common Core, a New Program That Will Destroy America's Educational System Under United Nations Agenda 21!**

**Common Core Standards** is another federal program in which the federal government will define the curricula and the academic standard for each subject taught in every school district that the states have signed on to this program. To date, **46 states** have adopted **Common Core Standards**. California passed a Bill in August of 2010, and will cost each state some **\$16 billion** in new unfunded mandates.

Under the U.S. Constitution, the federal government has **NO** authority whatsoever over states education system, by doing so, it will remove all local control over public education. **Common Core** will also lower the SAT scores on Math.

- **John Dewey was a socialist and had studied in Moscow**, He urged that manual training, science, nature-study, art and similar subjects be **given precedence** over reading, writing and arithmetic (the traditional three R's) in the primary curriculum. The problems raised by the exercise of the **child's motor powers** in constructive work would lead naturally, he said, into learning the more abstract, intellectual branches of knowledge.

THE CITIZEN & THE CONSTITUTION

## Public School System

I received this history book from a 5<sup>th</sup> grade teacher in the Sacramento area in 2010.

As I thumbed through the pages I couldn't help notice that there were **no Christian or Patriot Organizations mentioned**. But there were about **six or seven** organizations that were **socialist or marxist** organizations, and that the **United Nations** was a peace organization.

**What they failed to mention, was who drew up the UN Charter. He was Alger Hiss a Soviet Spy, a member of the CFR, and the first 14 Secretary Generals of the UN were all communist. Not to mention, the UN has created over 143 wars.**

- **Quotes On Education, Stalin, Lenin, and Marx.**
- Education is a weapon whose effects depend on who holds it in his hands and at whom it is aimed.  
**Joseph Stalin**
- 
- Give me four years to teach the children and the seed I have sown will never be uprooted. **Vladimir Lenin**
- 
- Give us the child for 8 years and it will be a Bolshevik forever. **Vladimir Lenin**
- Democracy is indispensable to socialism. **Vladimir Lenin**
- 
- **Karl Marx quotes: The education of all children, from the moment that they can get along without a mother's care, shall be in state institutions at state expense.**
- **One of the most important decisions you'll ever make is who will educate your children.**
- Education is **not just learning** to read but learning what to think about what you read and how to choose worthwhile reading material. It's about learning to discern truth and falsehood in what you read.
- Education is not just learning the facts of science but **learning why** they matter and how to apply them ethically.

- **United Nations and a False Religion:**

- Tower of Babel 2247 B.C.
- This famous painting of the **Tower Of Babel** by
- **16<sup>th</sup> century Flemish artist** Bruegel depicts the well-known event described in the book of Genesis 11:9.

In the days of Babel, man's hearts grew evil, and his ways were wicked. They did not worship the true God, but the things of man. So God destroyed this **one world government**, by confusing their language, and they scattered to all parts of the earth.

- Nimrod Rebelled against God and built the Tower of Babel to go into the heavens.
  
- Throughout history, there has been several attempts to build a world government, but none so devious, and so **evil** as the **Illumanuti** formed in **1776**.

The council of Europe's decision to employ the Tower of Babel in this ([poster](#)) symbolizing their efforts to build the European super state is a telling choice. It would appear to be an open statement of defiance to God, particularly considering that the stars have been intentionally inverted to form the occult pentagrams. **These posters are all over in Europe.**

- **EU Building in Strasbourg**
- **Flemish Artist Brugel – Tower of Babel** and the new EU Building
- The logic behind this symbolism is the EU says it is seeking to “**build up the house of Europe.**”
- Here is the scary part. **A reporter was questioning, “Why the Tower of Babel”** as a design concept for the EU. The answer was astounding by a EU official. He said, “**What they failed to complete 3000 years ago – we in Europe will finish now!**”
- Here is the staggering proof of this **New World Order** in its formative, yet rapidly advancing stages.

- **Harry F. Ward 1873 – 1966**  
In hearings of [the House Committee on Un-American Activities](#) in 1953, several former Communist Party officials testified under oath as to what they knew about Ward. **Manning Johnson**, in the course of his remarks, said: “Dr. Harry F. Ward, for many years , has been the [chief architect](#) for the Communist infiltration and subversion in the [religious](#) field.... He was a member of the [Communist Party](#) while I was a member....I would say that he is the [red](#) Dean of the Communist Party in the [religious field](#).” He was the first chairman on the board for the [ACLU](#). [World Council of Churches](#), founded in 1938, by Harry Ward, used as a communist front.
- As of March 2012, it represents some [590 million](#) people, and has some [493,000](#) Ministers, and Priest.
- It is a movement working towards a “[one world religion](#).” under the guise of “[New Age](#).” worshipping mother earth.
- One could say that the World Council of Churches is a [Communist](#) front in the US, by excepting the social gospel.

- **Mikhail Gorbachev 1931 -**
- **Quote**, “I am a Communist, a convinced Communist ! For some that may be a fantasy. But for me it is my main goal.”
- Since 1995, Mikhail Gorbachev and Maurice Strong have co-chaired a global process with the purpose of **implementing the Earth Charter** on a global scale and ushering in the **one world religion**.

- Removing Lucifer from many of the Revised Bibles in the book of Isaiah 14:12.
- One cannot build a world government without a one world religion, Why, because you need the masses to support the world government.
- Mikhail Gorbachev, Maurice Strong, and Steve Rockefeller founder the earths Charter. The plans include a globalization effort that would eliminate state sovereignty, and place the world's people and resources under the direct control of the United Nations – the same organization that seeks wisdom from spirit guides through new age meditation. It is important for Christians to be aware of these (subtle) changes in our policies and government.

David Rockefeller stated, “After 500 years, we are truly in a position to have a One World Government.”

The alter that is placed in the center of the room, weighs six tons. The structure of the UN building had to be reinforced to hold the alter. The inscriptions on the wall is Occult signs.

- **Moses Ark of the Covenant**

The Ark of the Covenant was the testimony of God and was originally constructed by Moses at God's command (Exodus 20:2 – 17), in which were kept the two tables of stone, that were engraved the Ten Commandments and other artifacts.

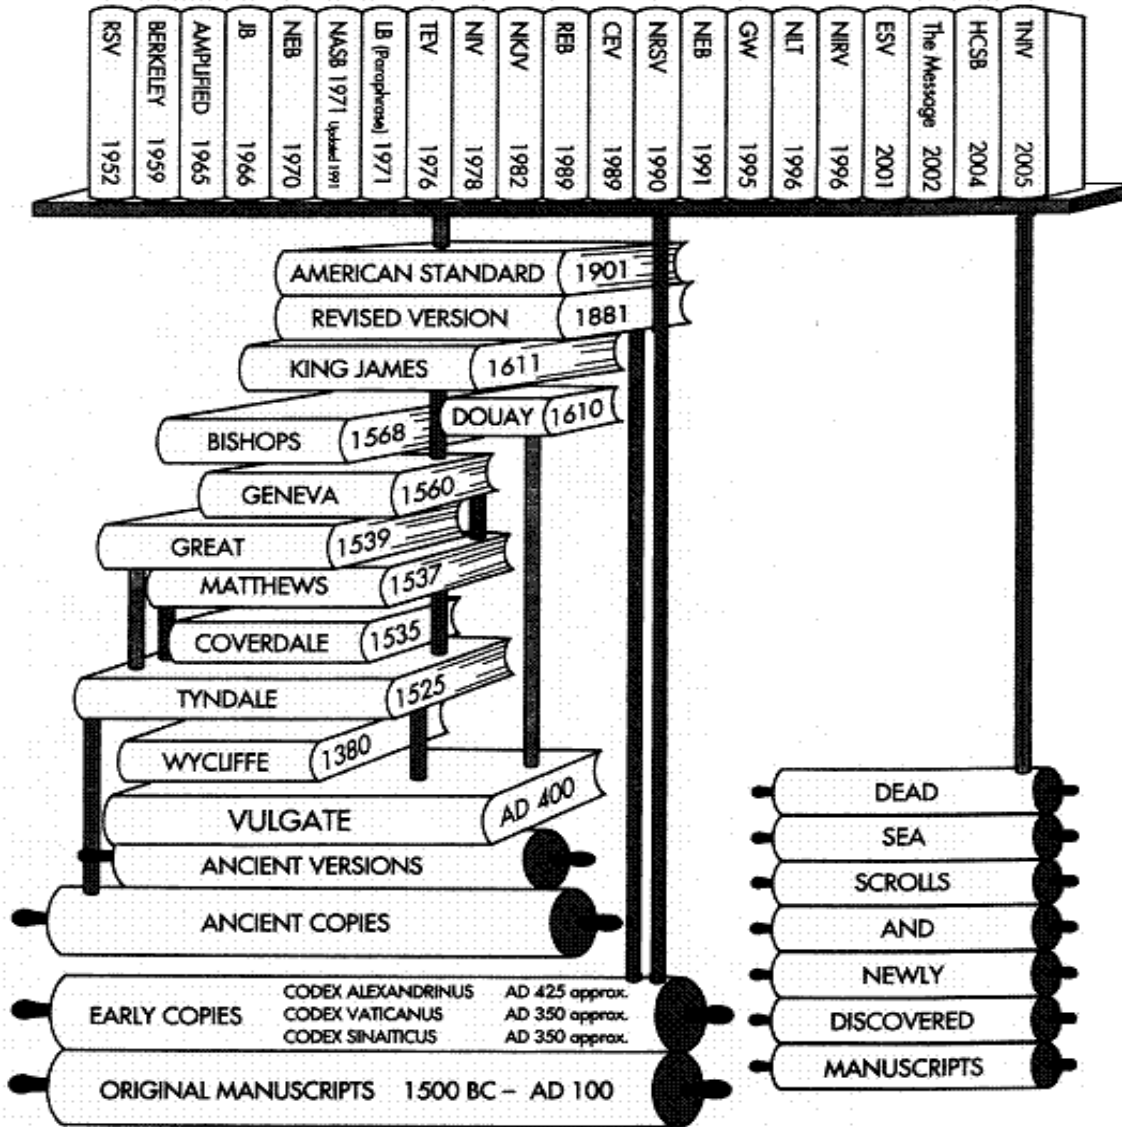

- United Nations “Ark of Hope.”
- Co-founder Mikhail Gorbachev, 2000.
- Gorbachev stated, we all want to “[protect and restore the integrity of Earth’s ecological systems.](#)” However, a closer look at the Earth Charter initiative reveals the underlying principle of atheistic and secular humanism, neo-pagan, secularism and other forms of oppressive **satanism**.
- Gorbachev is quoted as saying, “Do not unto the environment of others what you do not want done to your own environment... My hope is that this Charter will be a kind of Ten Commandments, a ‘Sermon on the Mount’, that provides a guide for human behavior toward the environment in the next century.”
- Gorbachev declared his creed: “[Cosmos is my god; nature is my god.](#)” In Maurice Strong's words, “The real goal of the Earth Charter is that it will in fact become like the [Ten Commandments](#).” for the environmental movement.
- This ark of hope has the UN Charter placed in it.
- [Satan is the Counterfeit of God.](#)

- **Chrislim, a new movement.**
- On June 26<sup>th</sup>, 2011, the National Cathedral in Washington D.C. and approximately 50 other churches in 26 U.S. state's publicly read from the **Quran** during their Sunday worship service.
- **Rick warren** has been a guest speaker at several events, and is a member of the **Council on Foreign Relations**, (CFR), a globalist organization. And his church also belongs to the **World Council of Churches**.  
Several ministers of mega churches are involved in the new age movement working towards a, "**New World Religion.**" **To worship Gaia mother earth.**

# The New World Religion and the Ten Commandments!

Teaching god's children to worship nature: Children sing beneath a huge globe at the welcoming ceremony of the World Summit on Sustainable Development (Earth Summit II) in September 2002 in Johannesburg. Following in the footsteps of the UN's 1992 Earth Summit in Rio de Janeiro, Earth Summit II was given **New Age** rhetoric and **occultic image**. The **Earth Charter** presented to the world as the "**new Ten Commandments**" is the basis for the UN's neo-pagan, spirituality.

## The New World Religion

Presented to the world as a mystical revelation, the UN Earth Charter is actually a diabolical blueprint for global government.

Millions of Americans were justifiably shocked and outraged over the 9th U.S. Circuit Court of Appeals' notorious ruling on the Pledge of Allegiance. "Can our courts really have sunk this low?" people asked. "How can little Johnny and Suzie violate the Constitution by uttering the words 'under God' while reciting the Pledge of Allegiance in a public school?"

Yet that is what the Court said in its June 26th decision. This ruling was a continuation of an ongoing subversive campaign aimed at expunging all mention of God and all Christian symbols from the public sphere. Judicial activists have ordered our students not to invoke the Almighty's name in prayer on school property. Posting the Ten Commandments on classroom walls is also supposedly a major no-no. Traditional Christmas carols with religious themes are out, as are Nativity scenes. Christmas and Easter vacations have been de-Christianized to, respectively, winter and spring breaks. Many textbooks have dropped the traditional "Christocentric" dating system of B.C. (Before Christ) and A.D. (Anno Domini, In the Year of Our Lord) in favor of B.C.E. (Before the Common Era) and C.E. (Common Era).

Many Christians concerned about this trend are looking hopefully to the U.S. Supreme Court to reverse the 9th Circuit's ruling, as it has done with some of that court's previous radical rulings. Even if that were to happen, developments at the World Summit on Sustainable Development (also known as Earth Summit II)

**Teaching God's children to worship nature:** Children sing beneath a huge globe at the welcoming ceremony of the World Summit on Sustainable Development (Earth Summit II) in September 2002 in Johannesburg. Following in the footsteps of the UN's 1992 Earth Summit in Rio de Janeiro, Earth Summit II was steeped in New Age rhetoric and occultic imagery. The Earth Charter — presented to the world as the "new Ten Commandments" — is the basis for the UN's neo-pagan, earth-centered spirituality.

could ultimately undo any Supreme Court reversal. If the Earth Summiteers have their way, Johnny and Suzie will not be able to pledge allegiance to "one nation, under God," but they will be able to pledge to "One World, under Gaia" — that is, Mother Earth. They will not be allowed to have the Ten Commandments or the Holy Bible in class, but could soon be bowing before the pagan "Ark of Hope," reading the "sacred" Temenos Books, and reverently intoning the text of the new UN Earth Charter.

Those decrying the 9th Circuit Court's harmful decisions will take little comfort in learning that senior 9th Circuit Court

Judge J. Clifford Wallace was among the jurists attending the Johannesburg Summit's Global Judges Symposium. That meeting was hosted by several globalist institutions with a pronounced hostility toward the United States. The participants, which included judges from Communist regimes, pledged to "apply new legal instruments in keeping with the principles of sustainable development," and the international "Rule of Law."
