Is it because **Alan Crawford** was an aide to Brotherhood of Death Ex-Senator **James Buckley**. **James Buckley** denied the existence of the Secret Bilderberger Society in writing. His brother **William Buckley** has even attended the Bilderberger conference!

Did **Ron Paul** hire **Alan Crawford** because Crawford in 1980 wrote the book Thus anti-Communists and the people who are closing in on the core of the conspiracy.

Did **Ron Paul** hire **Alan Crawford** because he stated in the preface that: "Joe McE... anticommunism." In the same preface Crawford refers to Brotherhood of Death member: "... high minded, authentic conservatism."
