

As I promised, the description of a kidnapping of me in the end of March 2014 is below:

Dear Friends,

This is Nina Sidorova, President of the Northern California Tenant Association. I was not able to contact you for three days in the end of March 2014 because I was kidnapped by Mountain View Police SWAT team of criminals and the the San Francisco Fusion Center, and put on 50/51 hold for a mental facility after I have prepared to the Hague International Criminal Court a report about genocide of American Civilians, which has been committed by the State of the Israel and Jewish organizations in the USA. Below, you can read a first page of my report....

I believe you know about NSA's, CIA's and DOD's instruction, created for them by Zionists, to Set Up a "TARGET TO BE DISPOSED OF, according which against falsely accused victims of NSA, FBI, or CIA, the agents of these US Intelligence agencies use 4 (four possible) outcomes:

- ❑ Prison
- ❑ Mental Hospital
- ❑ Brain Injury
- ❑ Death

Prison:

In August 2012 Officer Solomon, an Israeli citizen who have been working for the San Francisco Fusion Center, and District Attorney Rosen of the Santa Clara County aka President Jeff Rosen of the Congregation Kol Emeth Synagogue have sent an assassin to me, after which they have created a criminal case B1261718I against me trying to jail me for making noise while i was aatcked and injured. I was able to prove to the Palo Alto Court their criminal actions and falsifications.. Their case was dismissed, and I have received a Right to Sue Mountain View Police.

Death:

In the night of June 21 to June 22, the Israeli Officer Solomon, working for the San Francisco Fusion Center and District Attorney Rosen have organized an assassination of me. Two weeks before June 21 2013, Officer Solomon and Mountain View Police have removed from a door of my apartment a door catch and change my lock. Can you imagine what kinds of civil liberties we have now if police can come and without you change a lock and remove a door catch from your door?

In the night of June 21 to June 22, my friend has helped me to move to a different place in the night, after I was seriously injured by first microwave attack about 11:38 in the night...

Please, watch the videobelow, part 2:13, which show what was prepared for me...

In my case, they wanted to come to my apartment after murdering me and to and to set up my murder as a suicide...

Watch below short video how they murder people, imitating a heart attack... especially parts 0:44; 2:13.

Next day, June 22, 2013, I have submitted my report to the San Francisco FBI with testimonies of witnesses, etc.

Mental Hospital & Brain Injury

Now, the same criminals with an assistance of Mountain View Police Officers-SWAT criminals who have been trained in Israel have organized next kind of tortures of me, trying to show that I am mentally ill...

It was one year ago:

This is what has happened in the end of March:

Now, they have sent two Jews-criminals, immigrants from the former Soviet Union who are participating in the organizations such as Infragard, C.O.P.S., USA on Watch and Citizen Corps and who have participated in tortures and murders of innocent US Civilians in the USA.

The Fusion group has prepared a provocation with an assistance of these Jewish criminals who were waiting for me in my parking lot at 9:30PM in the evening. They have resided in a different building and did not have any reason to be near my parking lot. They attacked me immediately as I have stepped out from my car. I have called police.

The Fusion parasites-criminals came and arrested me and put me in a mental facility. Jewish criminals (a couple: Kisina and Kisin) have wrote a false accusation.

The false accusations are one of the Jewish fascist styles of how they were murdered and tortures more than 72 million of Russians, Ukrainians, and Byelorussians in the former Soviet Union when more than 72 million people were murdered from 1917 to 1954.

Since 1990, these Jewish fashists were mass transferred to the USA from the former Soviet Union. Now, their well-established and paid-by-Jewish bankers, US "Red Cheka"-- neo-Bolshevik terror and mass-murder machine, is used to commit genocide against peaceful and innocent US civilians!

I sincerely request your support; even emotional support means a lot for me. These criminals did not expect from a simple woman this kind of courage and resistance...

***With my blessings,

Part I

Subject: Holocaust --unpunishable tortures and murders of millions of

Americans-US civilians by the citizens of the State of Israel whom I identify below and by members of the US Jewish organizations in the USA.

Tortures and criminal actions against Ms. Nina Sidorova -- President of the Northern California Tenant Association (NCTA) {460 N Shoreline Blvd #108, Mountain View, CA 94043, the USA}.

Honorable Judges of The Hague International Criminal Court,

Honorable Judge M.P. Dillon, Head of the Information & Evidence Unit,

I, Nina Sidorova -- President of the Northern California Tenant Association (NCTA) {460 N Shoreline Blvd #108, Mountain View, CA 94043, the USA}, submit my new report to the Hague International Criminal Court.

Please, refer my new report to the previously filed report OTP-CR-370/13 of the Office of the Prosecutor of the International Criminal Court.

I request your urgent investigations, and I have reported previously and report again about Holocaust --unpunishable tortures and murders of millions of Americans-US civilians by the citizens of the State of Israel whom I identify below and by members of the US Jewish organizations in the USA.

This conclusion-summary is based on my personal experience (a brief description of which I provide to you below in my report), experiences of the members of the Northern California Tenant Association, seven of whom were tortured and murdered by Israeli criminals, working for the San Francisco Fusion Center that were brought to the USA by the Washington based Jewish Institute for National Security Affairs (JINSA), and based on the authentic experiences of many victims of Gang Stalking and Electronic Harassment (according to official documents more than 10 million of the victims-US civilians, some of them are my friends), and based on experiences of other American civilians: whistle-blowers, writers, journalists, veterans, etc.

Holocaust of US Civilians in the USA

Holocaust of Americans-US civilians is being committed:

1. By the State of Israel: Israeli Mossad Agency; Israeli Law Enforcement officers, working for 72 of the US Fusion Centers, who were brought to the USA by the Washington based Jewish Institute for National Security Affairs (JINSA) and by Israeli Defend Contractors, working for DOD and Homeland Security. They use the Gestapo-like mechanism that is committing serial crimes against US civilians and the US Constitution. The corrupted pro-Israeli leaders of Homeland Security and FBI with the Washington-based Jewish Institute for National Security Affairs (JINSA) have allowed the Israeli law enforcement agents-criminals, who have been involved in murdering and torturing of thousands of innocent Palestinians and other people in the Middle East, to enter the USA and participate in 72 of the US Fusion Centers and to torture and murder innocent US civilians by using microwave and other electromagnetic weapons, using other kinds of weaponry, including chemical weaponry, and using their sadistic methods of torturing and murdering US civilians that these Israeli criminals have developed in the State of Israel.

The fusion center Gestapo, which victims have also called as Israeli or Jewish Gestapo in the USA by deliberate calculation, uses the wars on terror, crime and drugs as the pretext, the cover story, for what amounts to a slow-kill genocide -- a hate- and ideology-driven silent holocaust directed to US civilians, often entire families it unilaterally and extrajudicially condemns as unworthy of the rights supposedly guaranteed to all Americans under the U.S. Constitution.

2. By the U.S. Jewish Organizations, including AIPAC, ADL, ZOA, SPLC, members of the US Jewish Family Centers also known as Jewish Cultural Community Centers, many of whom are immigrants from Eastern Europe, who are members of the town watch, and organizations such as Infragard, C.O.P.S., USA On Watch and Citizen Corps and participate in tortures and murders of innocent US Civilians, and by other Jewish organizations, which together have received each year from 90% to 97% of the Homeland Security grants since 2001. Some of the US Officials of Jewish nationalities have been involved and participated in Holocaust of the US civilians, as well.

I will provide in Part II the evidence that some members of the Jewish Cultural Community Centers, their parents and grandparents who came to the USA from the former Soviet Union were involved previously in Holocaust and Goldomore of Russians, Ukrainians, Belorussians and other people in the former USSR when more than 72 millions of people were murdered from 1917 to 1954.

I respectfully request your special attention to the US Jewish organizations such as ADL-- the Anti-Defamation League that was founded in 1913, AIPAC-The American Israel Public Affairs Committee and ZOA-the

3. By some of the NSA and other US Intelligence agents and some of the US Law Enforcement Agents, including trained in the State of Israel US Police Officers who were brought for training to Israel by ADL and Washington-based Jewish Institute for National Security Affairs (JINSA). I describe in my report and show videos of what kinds of wild tortures and murders of American civilians trained in Israel police officers have committed after they came back to the USA.

Many of these law enforcement officers have established illegal connection with Israeli Intelligence Agencies or with officials of the State of Israel or with the private central the Bankers of the City of London. These treacherous US Law Enforcement agents with Israeli criminals are those who on regular basis, especially since September 2001 have participated in Holocaust of US Civilians. They have overstepped the US Constitution, and by law they are in a violation of their oath of office and have committed treason!

President of the USA, US Government and US Congress cover up Israeli Crimes:

I report that US Government and US Congress know about a Holocaust of the innocent US civilians by Israeli criminals and the members of the US Jewish organizations and Jew Officials, but they intentionally cover up these actions of genocide and Holocaust of peaceful US civilians.

President of the USA, US Government and US Congress know that there are not the US civilians have committed false flag attack on September 11, 2001, and they have sufficient evidence that the Israeli Mossad and Bush's network of criminals have committed this false flag attack .

They know that on September 11, 2001 a-neutronic positron nukes were pre-planted and deployed in the elevator shafts of the Twin trade Towers one every ten stories and detonated from the top down one at a time at free fall speed. They are informed that the thing about these lithium 7 positron nukes is that they convert matter to anti-matter and turn everything within range to molecular dust. More than 200 of the Israeli Mossad Agents-terrorists did it. Now many Americans know this....

These Mossado-terrorists were arrested by the FBI immediately after a false flag attack of 9/11/2001; however, the War Criminal George Bush had required to release them and to send them back to Israel, after which other Israeli criminals, members of US Jew organizations, and high jacked American Intel have committed tortures and murders of innocent US Civilians in their phony "War on Terror." They now commit genocide against peaceful and innocent US civilians, blaming us being terrorists...

You Are The Enemy

<http://www.veteranstoday.com/2014/02/09/you-are-the-enemy/>

Please, read what has happened with an innocent US civilians whom the Israeli criminals, members of the US Jewish organizations, and control by Israel American NSA have named as a terrorist or enemy of the state of Israel:

“Once a person is classified as an “Enemy of the State” and cointelpro type acts are initiated against them which can include no-knock black bag break-ins with obvious damages left as a warning, auto vandalism and sabotage, various other types of coordinated harassment including stalking, gang-stalking, and focused targeting with advanced high tech psychotronics. It is believed by experts that the IZCS specializes in advanced Mind-control, human compromise ops and various types of blackmail and coercion as well as use of sophisticated honey traps of all types, even some remarkably bizarre and perverted.” Of course, Of course, assassinations and murders of innocent US civilians are the consequences of these attacks on these Targeted Individuals (TI)...

By using my constitutional right, I have submitting to the NSA, CIA, FBI and DOD, my Freedom of Information Request, requesting to provide me with information why I am tortured; why I was attacked and why 54 crimes against me have been committed for two years...

I have received a respond only from the CIA, written and signed by Ms. Michele Meeks, the CIA's Information and Privacy Coordinator, who has informed me that this is not the CIA but the NSA and FBI have attacked me. I have received a letter from the FBI that they do not have any file on me, and that they did not attack me... NSA did not send any responses. What did I do for controlled by Israel US NSA? I am an honest peaceful civilian.

Please, watch video testimonies of honest American Intelligence agents and read about a first US 2014 National Summit - Reassessing US Israel special relationship. Please, review how many cases of Israeli citizens and US Jews, spying for Israel! They explain about the Israel, US Jews, and Israeli Lobby in the USA are moneygrubbing the country, its technologies, weapons, industrial secrets, etc., and they reasonably ask a question "is Israel and its U.S. lobby above the law in the United States?"

Clearly understanding this and other wild Israeli and Israeli Lobby's crimes against the USA, including Holocaust of US civilians, President Obama, US Government and Congress did not stop this genocide, allowing Israeli criminals-sadists and members s of US Jewish organizations unpunishably torture and murder innocent US civilians!

In a Part II of my report, I will describe step by step the process of how the Israeli criminals and members of the Jewish organizations have committed tortures, murders, electronic harassment, assaults, provocations, and robberies of properties, jewelry, and other expensive things of the US Civilians whom they consider as being not loyal to Israel, raising concerns that the USA has been drawn into illegal, unprovoked, un-winnable proxy wars for Israel and City of London Oil Interests, question illegal AIPAC's and ADL's actions, whistleblowers, writers, journalists, veterans, etc.

In a PART II of my report, I will describe and provide sufficient evidence with names of members of Jew organizations who have committed crimes, videos, pictures, descriptions of their criminal actions, and names of the US civilians whom they have been murdered, participating in criminal actions of the members of fusion centers.

Many of the listed above, including Israeli criminals, working for members of 72 of the US Fusion centers; trained in Israel police officers-SWAT (Special Weapons Assault Team), ADL, and even members of the Jewish Cultural Community Centers are involved in tortures and murders of the US civilians with military microwave and other direct energy weapons.

These kinds of tortures and murders of the US civilians by a group of criminals and citizens of the State of Israel in the USA were established and permitted by the Bush administration--George Bush, Dick Cheney, Donald Rumsfeld, their legal adviser Alberto Gonzales, and several other war criminals against whom the Hague International Criminal Court and Kuala Lumpur War Crimes' Tribunal have issued Worldwide Arrest Warrants for being guilty of committing a Crime against Peace and Crimes against Humanity. Criminal Actions against Ms. Nina Sidorova -- President of the Northern California Tenant Association (NCTA)

I inform you that my life is in extreme danger. District Attorney Jess Rosen of the Santa Clara County of California, who at the same time is the President of the Congregation Kol Emeth Synagogue; Mr. Leon Panetta, a former Secretary of Defense and former Director of the US Central Intelligence Agency (CIA), and Israeli criminals who are working for San Francisco Fusion Center, including Officer K. Solomon and others are directing my tortures, poisoning of me, sending assassins who have injured my legs and body, making me disabled, directing vandalizing my car, electronics in my apartment, my clothes; stealing expensive things, jewelry, electronics and other things from me and my family, twice kidnapping me, and they are directing slowly murder of me with microwave and other direct energy weapons , as well as committing other criminal actions against me.

In addition to their official duties, both District Attorney Rosen and former US Secretary of Defense Panetta are Professors of the Law School of the Jesuit Santa Clara University of California.

I am not only a President of the Northern California Tenant Association, but I was a wonderful "A" student of Jesuit Santa Clara University when District Attorney Rosen and US Secretary of Defense Panetta (on his duty at this time) have required Israeli criminals to attack me and put me on the NSA's kill list with microwave and other Directed Energy weapons. I assume that the main reason for helping low income California tenants (mostly of whom are elderly people), who asked me to help them and to defend them from Franklin's Housing Cartel of bankers. I did my best, and I succeeded in solving problems for them.

ARREST Leon Panetta
<https://www.youtube.com/watch?v=GkfsSzQqol>

The President of Synagogue Rosen aka District Attorney Rosen and former US Secretary of Defense Panetta have sent Israeli bandits to attack, torture, and slowly murdering me for helping 143 (one hundred forty-three) elderly tenants of California, who did not have hot or cold water for four days straight. Fortunately, I was able to help these seniors and to solve their problems. I list below what kinds of crimes were committed against me, after which I describe to you my assistance to tenants of California with their fair housing rights.

The Israeli criminals from San Francisco Fusion Center and members of US Jewish organizations are murdering me now: I have been injured by microwave and other electromagnetic weapons (constant attacks), poisoned three times, more than 41 Police cases (for two years!); robbery of my apartment, vandalism of my car, appliances and electronics, physical assaults with injuries to my legs and body (twice they have sent assassins to injure me physically), twice I was kidnapped by them, slander, harassment, financial terrorism, satellite attacks, gang stalking, and three attempts to assassinate me, which I have reported tot eh FBI, and other criminal actions against me...

Here are numbers of thirty two of the forty one o (41) of the police cases about crimes committed against me for the past two years:

P12040399; P13012192; P13044340; P12-6591; P13012109; P12121789; P12-4410; P12-3334; P12-0715; P13073750; P12-617; L130010073; P20130620094; P13080199; P13060906; L131120034; P13044172; P12093039; P12042721; P10-2281; P130081474; P12-2226; P12012173867; P130032811; P12-1800; P10-2811; P12050171; L13090094; P12076359; P12-3310495; P14-002391, etc.

Three attempts to imprison and evict me through a court:

1. Unlawful Detainer Case 112CV222876

I have proved to the court that 52 documents, including my signatures were forged, after which the case was dismissed.

2. Unlawful Detainer Case C110CV168387

I proved that 41 documents, including my signatures were forged again; the case was dismissed

3. Criminal case B1261718I

I have proved criminal actions and an assassination of me with an injury of my leg, after which the case was dismissed.

I was able to defend myself in the court, to show falsifications made by Jew Attorney Rothbard who has represented the Franklin Housing Cartel of bankers in the court and who has committed criminal actions by falsifying documents. I have proved that there were forgeries of documents and my signatures to the court. I have exposed the Israeli criminals who have attacked me. The cases were dismissed.

This is not all: I have submitted twenty seven (27) complaints to the San Francisco FBI, including three attempts to murder me on December 22, 2011; December 22, 2012, and June 21, 2011. I can send you my reports to the FBI with supporting documents and witnesses' testimonies.

In addition to 41 of the police cases, I have submitted twenty seven (27) complaints to the San Francisco FBI, including three attempts to murder me on December 22, 2011; December 22, 2012, and June 21, 2013. I can send to you my reports to the FBI with supporting documents and witnesses' testimonies.

The President of the Congregation Kol Emeth Synagogue, Jeff Rosen, who at the same time is District Attorney Rosen of Santa Clara County, California is a person who has trained police officers of Santa Clara County on how to write a report.

This is why the police cases about crimes, committed against me (37 over a 2 year period), were not investigated!

This again is not all. The President of Synagogue, Rosen aka District Attorney Rosen, at the same time is Professor of the Santa Clara University, Jeff Rosen, who has taught trial advocacy at Jesuit Santa Clara University Law School. I have written in my testimony that I was one of the ten best students of Santa Clara University. I can send to you a letter that I received from Jesuits of SCU, saying that I am one of ten best students of their university.

My investigation has revealed that this is the Jesuit-Zionist gang that has operated at this university. This gang finds out talented and powerful patriots, students and professors, by checking and examining essays and other students' and professors' writings, after which President of Synagogue Rosen aka District Attorney Rosen contacts a Jewish lobby at the NSA and puts the students and professors whom they consider as dangerous for the NWO on the NSA's kill list and DOD's list for testing microwave and other electromagnetic weaponry on them.

Please, see the photos of a President of Synagogue, who high jacked a District Attorney Office of Santa Clara County, California, the largest county in the American Silicon Valley.

If you do not believe me, please read below what a Jewish journalist is writing about, explaining how Jeff Rosen created a branch of a Synagogue from a District Attorney Office of Santa Clara County.

You may question what I did to make the Israeli sadists and their criminal leaders attack me. You may wonder what really happened and why I have chosen to confront a Housing Cartel of bankers.

I confronted the Franklin Housing Cartel of bankers led by Mr. Matthew Franklin in March of 2010 when 143 elderly tenants did not have hot or cold water for four (4) days. One can only imagine the physical, emotional, and psychological consequences of 143 elderly, disabled individuals being without water (hot and cold) in this three story complex for a period of four whole days in March 2010 (see attachment 1, a complaint signed by 32 of the Shorebreeze tenants).

The absence of such a basic necessity harshly affects all aspects of their health. At the same time, the disease-bearing rats propagated from filthy, over-flowing garbage dumpsters, have dispersed into the building, gnawed at the balcony screen doors of tenants, and accessed their apartments through the damaged screens...Just imagine!

Knowing that I have been a member of three human rights organizations for twenty-seven years, many of the elderly tenants of Shorebreeze Apartments, ranging in age from 65 to 90, were seeking my assistance. I was tasked with explaining, understanding, and communicating their fair housing rights, since prior attempts to peacefully resolve with Mr. Franklin, the huge problems they are encountering, have proven impossible. I have helped these tenants, contacting senators and a few honest US officials.

Do you agree that this is not my job to defend the elderly and other low income citizens? District Attorney Rosen of Santa Clara County must do it! This is his job!! Instead, this treacherous criminal is directing my torture!!!

I am also doing my best to help torture victims, Targeted Individuals (TI's), especially when the Israeli criminals and NSA use psychotropic radio-frequency and microwave weapons to torture victims in effort to force them to commit suicide.

I have talked with many TI's, supported them emotionally, explaining how and why the cabal is pressuring them to commit suicide and to not let them succeed. After they recover their strength, I have explained to them the CIA's and NSA's Operation "Soul Catchers", "Soul Stealer", and "Body Snatcher," and what would happen with their souls if they again would lose their strengths.

Two of my friends were very grateful to me, and they told the other members how I helped them, so other victim started to contact me for help. At the very least, I offer kind compassionate conversation, emotional support, and my sincere friendship, which helps the victims a great deal. But they also need me to be their advocate because nobody else seems to care what they are being put through on a daily basis.

Summary:

Report about criminal actions that have been committed against Ms. Nina Sidorova, President of the Northern California Tenant Association, and Californian tenants by Mossad agents of two Israeli companies, located in California -- Verint (Address: 3979 Freedom Circle, Suite 500, Santa Clara, CA 95054) and Narus Inc. (address: 500 Logue Ave, Mountain View CA

94043). Photos of criminals participating in Verint's criminal actions in [Starbucks](#), 624 Blossom Hill Rd, Los Gatos, CA 95032 are attached. Other supporting documents, including additional photos, financial documents, testimonies, videos, etc. will be presented during an appointment.

Dear Chief of San Francisco FBI Johnson, Dear Chief of Los Gatos Police Department Seaman, I contacted you several times, informing you about tortures and criminal actions, as well as murders of seven tenants of No. California. Twice I informed you about criminal actions committed by employees of Israeli companies Verint and Narus, and how we found out about it; however, you did not make arrests and take proper actions to stop these terrorists and criminals who have committed these terrorist actions. Below, you can find my report to you about new criminal actions, committed against me and other Californian tenants.

I am again reminding you that your lack of action to stop tortures and murders of innocent civilians by military microwave and other electromagnetic weapons and to stop terrorist actions committed by Mossad-based Israeli companies, are clear support of the war criminals who have permitted and ordered these actions in the USA; they, who are already convicted guilty by the Hague International Criminal Court and Kuala Lumpur War Crimes' Tribunal, and on whom Worldwide Arrest Warrants have been issued. In addition, your inactions are violations of the US Constitution and violations of other US and International Criminal Laws.

I again respectfully remind you that, " Each US official, agent of the US Law Enforcement Agencies, including police officers and military employees, who has overstepped the US Constitution by law is in violation of their oath of office and has committed treason!

I have informed you that by following advice given to us by a famous world-known writer, the members of the Northern California Tenant Association took necessary actions which helped us to discover that two Israeli companies, Narus and Verint, are involved in criminal actions against us. According to our investigations and testimonies of the honest NSA agents, the Israeli companies, Narus and Verint, are working with the NSA (the testimonies and other supporting documents can be presented to you). Prior to the helpful advice given to us, we had never heard about these Israeli companies or their crimes committed in the USA, and we did not know about their CEOs-Mossad agents, some of whom are wanted by the FBI and some of whom are already in jail.

By this report, as President of the Northern California Tenant Association, I hereby inform you about harassment--stealing and deleting important financial and other documents from my laptop by Verint employees, spying on me, threatening me, committing provocations, etc. In my report, I have provided you with a detailed (step by step) description of how the Israeli criminals, rogue police officers, and FBI agents, who are participating in Mossad's crimes, are creating provocations against victims of corporate elite, AIPAC-Israeli Lobby in the USA or corrupted US Officials in order to affect innocent victims, depicting them as people who commit "domestic disturbance", after which the criminals, following orders of corporate elite, AIPAC, and criminal bankers, are torturing and slowly murdering these victims by using microwave weapons and other electromagnetic weapons.

I report below about a cyber attack on the Los Gatos Public Library (110 East Main Street, Los Gatos, CA), committed on June 28, 2013, by employees of the Israeli company- Verint, presenting names and phones of witnesses of this terrorist action, and I provide other supporting evidence about crimes committed against me and other Californian tenants by the same criminals.

The Franklin's Housing Cartel of California has ordered tortures, murders, and other criminal actions against me and other tenants of California. In addition to destroying financial and other documents that are exposing abuses of senior and other tenants of California, financial violations, and other crimes committed by the Franklin's Housing Cartel, the Mossad agents, working for Verint and Narus and rogue NSA agents, are participating in a gang that operates in California and other states of the US, tortures and murders innocent civilians. Please, review an attached testimony of a member of this gang, who has described a gang's structure, and please, review a testimony of a former Senior FBI Agent Ted Gunderson who has named this gang as "an illegal government rogue criminal enterprise that is active 24 hours a day within US and targeting, torturing, and murdering thousands of victims-innocent US citizens for money paid to this gang by corrupted corporate elite."

In my report below, I provide descriptions and names of the three "Cousin Nancies," working for Los Gatos Police Department and participating in provocations organized against me by employees of Mossad-based company, Verint. According to a testimony of a member of a gang, the police officers, working with a gang, are named in a gang as "Cousin Nancies" {COUSIN NANCY: a police unit sent to tail a crew and arrest them before an unchained police unit can do it.}

The main goal of these illegal criminal actions, committed in the USA by Mossad criminals, rogue agents of Intelligence Agencies, and gangsters is to provoke victims and later present these innocent people as people who have committed "domestic disturbance", after which the rogue corrupted police officers put those victims on a list for torturing and slowly murdering them by using microwave weapons and other electromagnetic weapons. These victims are usually innocent and peaceful US civilians, who have opposed criminal actions and violations of the US Constitution, committed by corporate elite, Mossad criminals, bankers, AIPAC-Israeli Lobby in the USA or corrupted US Officials. The criminals are paid by corporate elite and bankers for murders and the torturing of people whom the bankers and corporate elite name as their enemies.

These kinds of tortures and murders of the US civilians by NSA, Mossad, and CIA were established and permitted by the Bush administration: George Bush, Dick Cheney, Donald Rumsfeld, their legal adviser Alberto Gonzales, and several others war criminals against whom the Hague International Criminal Court and Kuala Lumpur War Crimes' Tribunal have issued Worldwide Arrest Warrants for being guilty of committing a Crime against Peace and Crimes against Humanity. Hague Criminal Tribunal Judge Frederick Harhoff said, "We Will Get Them" on Genocide Charges...

In violations of Geneva and other International treaties, signed by the USA, the war criminals: George Bush, Dick Cheney, Donald Rumsfeld, Alberto Gonzales, and other war criminals, working for NSA and CIA, have permitted to use against peaceful civilians-US citizens, military microwave and other electromagnetic weapons, in order to torture and murder citizens who have opposed criminals actions of these and other war criminals, corporate elite, AIPAC, and criminal bankers. The video below supports my statement.

On June 28, 2013, Mossad agents of Verint committed a cyber attack on the Los Gatos Public Library (110 East Main Street, Los Gatos, CA), disconnecting the Internet for almost a day in order to stop and prevent my Internet search to find the information and supporting testimonies of honest CIA and NSA agents about Mossad's crimes and espionage in the USA. Honest CIA, FBI, and NSA agents have stated that the Israeli espionage and 'money grubbing' of the USA is a hidden war against the USA. I provide below, in my report, names and contact information of a library visitor and an employee who witnessed the cyber attack on the Los Gatos library. When the same Israeli criminals tried to commit the same crime two days later, I informed library employees and other Los Gatos residents, after which many of the library visitors successfully helped me with my research.

Below, I am providing some of the information, which residents of City of Los Gatos, CA have helped me to find: important videos, testimonies of honest CIA, FBI, NSA agents and officials, and other documents about criminals and terrorist actions, committed by Mossad agents of Verint and Narus, which completely supports the statement of Mr. Philip Giraldi, a former CIA Counter Terrorism Officer, who said, "It is an act of war! Israel conducts more espionage against America than any other country in the world! The FBI and other intelligence confirm that Israel crosses a red line!" and supports the statement of another CIA officer who said, about Mossad and Zionists, "They are willing to spend the last drop of American blood and last American treasure to get their way in the world!"

The links to these video testimonies are below. I request proper investigations of criminal actions against me, about which I herein report to you, and to arrest the Mossad and other criminals who are attacking us and who have already murdered by electromagnetic weapons seven of the Shorebreeze tenants in Mountain View, CA.

We have stated several times to you that members of the Northern California Tenant Association are peaceful people who did not commit any terrorist actions! However, the employees of Israeli Verint and Narus, including their founders and CEOs, have committed terrorist actions in the USA.

Below, you find information about a founder and former chairman of Verint, a Mossad officer, Kobi Alexander, who is wanted by the FBI [on nearly three dozen charges of fraud, theft, lying, bribery, murders, money laundering and other crimes](#), including involvement in organizing a 9/11 false flag attack and two of his friends-Mossad comrades: Chief Financial Officer [David Kreinberg](#) and former General Counsel [William F. Sorin](#) are already in jail found guilty for many criminal actions committed in the USA. Mossad Agent Alexander is closely connected to Odigo, the Israeli messaging system that was used to warn Israelis on 9/11, 2001 to stay away from the World Trade Center. According to the video testimonies of honest NSA agents, two Israeli firms, Narus and Verint, are involved in wiretapping AT&T and Verizon for the NSA and these two companies have provided the NSA with their criminal Mossad software UNIT 8200, by which the Israeli criminals are stealing all of the information from US citizens and companies.

Below you can find information about another friend of Jacob (Kobi)

Subject: Complaint Message

Alexander, Mr. Amit Yoran-- the Israeli national "Cyber Czar," having served as Director of the Department of Homeland Security's National Cyber Security Division, being appointed by President George W. Bush in September 2003. Also, Mr. Yoran previously served as the Director of Vulnerability Programs for the Department of Defense's Computer Emergency Response Team and in support of the Assistant Secretary of Defense's Office.

The shocking information that Los Gatos residents have helped me to find is next: Mr. Amit Yoran and his brother reportedly grew up in Pound Ridge, New York during the 1970s and 1980s. However, the heads of the Jewish community told AFP that they had never seen or heard of him or his family. One said that she had conducted a survey of the Jews living in the small village of Pound Ridge in the 1970s, and she would have remembered if a wealthy Israeli family named Yoran had been found. Ms. Elad, a university professor, said, " Mr. Amit Yoran has a distinctive Israeli accent - not what you would expect for a guy who grew up in a posh Yankee village." Does the San Francisco FBI have this information?

For instance, according to the information that our Los Gatos residents found: in June 2005, Yoran joined the board of directors of Guardium, Inc., another Mossad-spawned "provider of database security solutions" based in Waltham, Massachusetts, which is linked with Ptech, an apparent Mossad "cut out" computer security company linked with the 9/11 attacks." According to the honest NSA agents, the Mossad start-up firms usually have short lives before they are acquired for exaggerated sums of money by a larger company, enriching their Israeli owners in the process and integrating the Israeli directors and their Mossad-produced software into the parent company. RSA, for example, an older security software company, acquired an Israeli-run security software company, named Cyota, at the end of 2005 for \$145 million. In January 2005, Cyota, "the leading provider of online security and anti-fraud solutions for financial institutions" had announced that "security expert" Amit Yoran, had joined the company's board of directors.

Dear Special Agent [Johnson](#), Dear Special Agents of US FBI state agencies, and Dear Chief Seaman, what is your opinion about who is Mr. Amit Yoran, one who has served as the Director of the US Department of Homeland Security's National Cyber Security Division, as the Director of Vulnerability Programs for the US Department of Defense's Computer Emergency Response Team, and as a supporter of the Assistant Secretary of US Defense's Office?! Who is Mr. Yoran? What are the real names of Mr. Yoran and several others working with him? What other intelligence agency has Mr. Yoran and his friends served? How are they are connected to the Franklin's Housing Cartel of bankers, and what do they need from low income tenants of California and me? Please, provide the Northern California Tenant Association with your written explanation.

Honorable Special Agent [Johnson](#) and Special Agents of US FBI State Agencies,
Honorable Chief Seaman,

I request an investigation and the arrest of a group of criminals who on a regular basis are committing crimes against me and tenants of Northern California.

I request the arrest of five people, who are stealing, damaging, and deleting important financial and other documents from my laptop, threatening me, harassing me, and spying on me in Los Gatos [Starbucks](#), 624 Blossom Hill Rd, Los Gatos, CA 95032 during 2012 and 2013. Their last criminal action was committed on July 24 and July 21, 2013. The group of criminals (pictures are attached) consists of two women, one of which is overweight and three men: an angry man, wearing glasses, (I assume he is a leader of this criminal group): the second has dark hair and has worn a blue T-shirt (you can see him

on Starbucks' videotape of July 21, 2013, sitting next to a woman who is in the picture), and a third man who has always been a new person to the group and has tried to sit next to me. Also, these criminals regularly commit cyber attacks on my laptop when I am sending my reports to the FBI and US Officials. We can see pictures of these five criminals that I took on different days, and they are always sitting together although they are pretending that they do not know each other.

The criminals are accessing my laptop by spy software that Verint employees have inserted in my laptop when they illegally have entered my apartment. I can present my laptop to you. For instance, it is now impossible to open a memory box of my laptop, because it is blocked and the laptop can be damaged. The Israeli criminals have deleted and damage on a regular basis my financial and other documents concerning the Franklin's Housing Cartel. Now they are damaging and deleting information about crimes and espionage that have been committed in the USA by Israeli companies and Mossad agents. This information our wonderful Los Gatos residents have helped me to find. For example, on July 21, 2013, the group of criminals deleted from my laptop 16 documents, including documents with testimonies of CIA and NSA agents about a spying war against the USA, committed by Israel, stealing technologies and selling them to third countries, after which US companies became bankrupt; about attacking, torturing, and murdering US citizens who opposed AIPAC—the Israeli lobby in the USA; who commit serious financial violations in the USA, and they deleted documents about crimes committed by Mr. Franklin, a head of Franklin Housing Cartel of bankers, etc. These five individuals have deleted links to the video testimonies, in which the honest CIA and NSA agents have stated that *"Israelis are willing to spend the last drop of American blood and treasure to get their way in the world..."* and they have deleted four of my reports to the San Francisco FBI, which I had delivered during the last three months. The information about horrific Mossad's crimes against the USA is public information! Why are these Israeli criminals deleting and damaging my documents? Below are some examples of the video testimonies we have found.

I do not know why these criminals are deleting and damaging my documents. Knowing about their criminal actions against me, I have saved all of my documents on memory sticks. Also, I do not hide any of my reports to the FBI. After delivering these reports to the San Francisco FBI, I sent them to more than 500 other email addresses, including US Officials, Public Authorities, law enforcement agencies, etc. It is my constitutional right to inform my community about crimes committed against me, against peaceful Californian tenants, and

about Mossad's actions of espionage against the USA. Why do these criminals and the rogue police officers working with them attack and torture a defenseless woman such as me, a wonderful US college student, and why do they attack and murder seven No. California tenants?

Provocations, threatening, and attacks on me by a group of criminals whom I have described above.

I request your proper investigations and to bring to justice these Mossad criminals and rogue police officers of the Los Gatos and Mountain View Police Departments, who are working with these Israeli companies and abusing, harassing, and making provocations against me and other innocent Californians.

The last three Mossad actions were committed by a group of five criminals on July 24, 2013; on July 21, 2013, and in May 2013 (photos of the criminals are attached).

In May 2013, the same groups of criminals whose pictures are attached, have committed the crime of stealing documents in the same Los Gatos Starbucks, after which they committed a cyber attack on my laptop, trying to prevent me from sending my report to the FBI. I was compelled to get my camera and to take a picture of them. The criminals became angry, and their leader, who is wearing glasses, almost attacked me physically.

I believe that this was a planned provocation against me by these Mossad criminals, working with "Cousins Nancies"- three police officers of the Los Gatos Police Department, in order to provoke a victim and present an innocent person as a person who "*made domestic disturbance*," after which the Mossad and NSA criminals and a gang, which I mention above (see attachment), would continue their attacks, torturing me, slowly trying to murder me by using non lethal-electromagnetic weapons.

I mentioned above that these types of tortures and murders were designed and permitted by war criminals, guided by unelected President Bush in order to torture and murder people who oppose criminal actions and financial violations of bankers, corrupted officials, AIPAC--Israeli Lobby in the USA, and rogue law enforcement agencies.

I request that you view a video speech, in which war criminals wanted by the International Hague Criminal Court, war criminal former Secretary of Defense Rumsfeld and war criminal former Attorney General Gonzales, have explained that Bush administration ordered the Pentagon and DOJ (Department of Justice) the use of military technology-- microwave weapons, electromagnetic weapons, and other non-lethal weapons by domestic law enforcement agencies against peaceful US civilians.

America's Electromagnetic and Directed Energy Weapons Program

<http://www.youtube.com/watch?v=hfQoyR0up0g>

Below, I show step by step, an example of how these provocations have been created. Prior to this, please, review video testimonies of honest NSA agents, who resigned from NSA in order not to participate in NSA's crimes against US civilians and humanity.

For instance, an NSA agent, Mr. Thomas Drake, has stated, "**For me, it's really simple: DARPA made a conscious decision to sell our National Security to the highest bidder and it's one of the great, huge elephants in the room: A massive re-distribution of wealth in this country, to a very small, select group...**"

So, this is obvious that Mr. Franklin and his criminal housing cartel have contacted Mossad, NSA, and a gang, requesting to torture and murder me, in order to silence me, after I opposed Franklin's Housing Cartel of bankers in order to stop horrific abuses and murders of innocent California tenants!

NSA Whistleblowers Discuss Escalating Fraud and Abuse of US civilians the USA

<http://jhaines6.wordpress.com/2013/07/29/nsa-whistleblowers-discuss-escalating-abuse-of-the-us-legal-system-which-led-to-their-resignations/>

A Step by step example of how Mossad, NSA, and rogue police officers have created provocations against targeted individuals in order to present them as people who have committed "domestic disturbance", after which they are torturing and murdering innocent people with microwave and electromagnetic weapons

1. I have explained above that in May 2013 at the Los Gatos Starbucks, the group of five individuals of Israeli company Verint destroyed several of the financial and other documents from my laptop and committed cyber attacks on my laptop when I have sent my report to the FBI.

2. The criminals continue damaging and deleting my documents. In order to stop their crimes, I needed to report to police and the FBI about their criminal actions against me, and in order to do this I needed to show the photos of these five criminals who have attacked me on a regular basis. So, I made one picture of them.

3. Their leader-an angry man, wearing glasses, (see him on pictures) almost jumped on me, saying profanity and other offensive words. By reviewing a video, you can see that all five criminals stood up and up and started to threaten me, after which their leader called police, explaining that a picture was made of them.

4. The overweight woman (see her in the picture) came to me threatening me and saying that I am a Russian spy. I had not spoken even a word, yet she stated I was a Russian spy! Really? I did not say anything about my nationality; how did she know my nationality? Was this an already planned provocation against me by Israeli criminals of Verint, or is this a Crime of Hate against Russian people by Israeli employees? Please, review Starbucks videotape.

5. I am a targeted individual by Mossad and NSA. Usually when, during 2012 and 2013, I called Los Gatos police to report crimes and even physical attacks and injuries, it took at least 30 minutes for police to arrive. In this case, three (THREE!) police officers came in a few minutes! Was this a serious crime that police came in a few minutes? Were they waiting outside the [Starbucks](#) in order to help Israeli criminals to commit this provocation?

6. According to a testimony of a gang member (see an attached testimony) this kind of police officers called in a gang as "Cousins Nancies." So, Cousins Nancies have come. "Cousin Nancy: a police unit sent to tail a crew and arrest them before an unchained police unit can do it." Police Officer Joe Romeo; Police Officer Melron, and third police officer about 50 years old who has grey hair. The same police officers always have come when I report a crime although there are many other police officers in Los Gatos Police Departments. This was almost 10PM in the evening. One of Cousins Nancies-Police Officer Romeo has asked me to leave this café and followed me to my car, saying that I should safely go back home.

7. I reasonably asked him what kind of a crime I had committed. I provided my ID and explained that I was peacefully working in this café, and the Israeli criminals were deleting and damaging my documents. I request that you provide me with names of the five criminals who have committed crimes against me. Los Gatos "Cousin Nancy" has refused to provide me with names of these

five individuals, committing crimes against me. I have asked him why I should leave a public place- Starbucks. The Cousin Nancy officer did not answer, requesting that I leave.

8. What was the reason for this provocation, organized with participation of rogue Los Gatos police officers?

The reason was next: after I left they then created false testimonies by criminals, committing crimes against me, saying that I had made domestic disturbance,(!!) after which there was continuation of the attempt to murder me slowly with microwave and other Direct Energy weapons which are designed to destroy organs and parts of the body which leads to death! For these tortures and murders, the Franklin Housing Cartel have paid the rogue agents of NSA and FBI, who have sent these criminals to us, as well as they have sent the Los Gatos Cousins Nancies! The seven of the Shorebreeze tenants were already murdered by the criminals. This is how the provocations against peaceful people are created in the USA by NSA, CIA, and Israeli Zionists, who in my opinion, have high-jacked this country! A sad day for us! Can it be stopped? Of course it can, but it will take brave men and women to stand up and be counted! If we want freedom, it comes at a price!

Am I right, dear Special Agent Johnson, Special Agents of US FBI State Agencies, and Chief of Los Gatos Police Department? Would you like me to provide you with additional evidence of provocations of making "domestic disturbance"? I can do it! For example, I can provide you with step by step explanation of how last year, 2012, Assassin Alfonso Reyes was sent to me to attack me and to injure my leg, after which Mountain View Cousin Nancy-Police Officer Singh created three different police reports about one event in which he tries to falsely accuse me and then later imprison me or torture me, stepping up the attempts to murder me with microwave weapons, electromagnetic weapons, and other non-lethal weapons.

I re-state my statement above that the War Criminals Wanted by International Criminal Court of Hague, Malaysian International Tribunal, and a few other International Tribunals for being guilty of committing a Crime against Peace and Crimes against Humanity: George Bush, Dick Cheney, Donald Rumsfeld and their legal adviser Alberto Gonzales have ordered to use military technology: microwave weapons, electromagnetic weapons, and other non-lethal weapons, to torture and slowly murder peaceful US citizens.

By covering up and not arresting criminals and not stopping these kinds of tortures and murders of peaceful civilians, you are participating in a Crime against Peace and Crimes against Humanity and supporting the War Criminals Wanted by International Criminal Court of Hague!
Cyber attack on Los Gatos Library, committed by Mossad Agents of Israeli company Verint (Address of Verint: 3979 Freedom Circle, Suite 500, Santa Clara, CA 95054)

On June 28, 2013, Mossad agents of Verint committed a cyber attack on Los Gatos Public Library (110 East Main Street, Los Gatos, CA). I tried to make an Internet search of Mossad and Israeli companies, working with NSA and committing crimes in the USA. I used a library computer, and Israeli criminals several times tried to stop my Internet investigation. I have continued, after which Israeli criminals of Verint disconnected the Internet for almost a day in this big, two story, library.

The library visitors were shocked, saying that they had never before witnessed this. Many visitors have left the library. I continue to work without the Internet. One of the visitors told me at the end of a day there is a technical lab in the library where the Internet is available. I have moved to this room; however, immediately after I started my search, the Internet has been disconnected in this room. I asked a library employee and one of the visitors to provide me with their names and contact information in order to support my statement about a cyber attack on the library.

There are names and contact information for a library visitor and an employee who witnessed the cyber attack on the Los Gatos library: Library employee was Ms. Melisa Maglio, and a visitor name was Bryan, and I will provide his phone

number during an appointment with the FBI.

When the Mossad criminals of Verint tried to commit a new cyber attack a few days later, I was prepared. I informed library employees. Many residents of Los Gatos who are library members have asked me what is going on and why Mossad criminals are attacking me. I have explained it to them, after which they helped me with my Internet search, and they also have identified Mossad criminals in the library, trying to commit a new cyber attack.

I now have 2,078 pages of information of crimes and espionage, committed by Mossad criminals and AIPAC in the USA! Our wonderful Los Gatos residents have continued to help me with my investigation. If necessary, I can provide you with this information, but I believe that you already have been informed about the horrific amount of espionage, criminal actions, tortures, and murders, committed by Mossad, Israeli citizens and AIPAC in the USA!

This is why I completely agree with Mr. Philip Giraldi, a former CIA Counter Terrorism Officer, who said, "**It is an act of war! The Israeli conduct more espionage against America than any other country in the world! The FBI and other intelligence confirm that Israel crosses a red line!**" and I support **the statement another CIA officer who said about Mossad and Zionists, "They are willing to spend the last drop of American blood and last American treasure to get their way in the world!"**

Dear Special Agent Johnson and Chief of Los Gatos Police Department Seaman, three months ago I informed you about terrorist attacks and tortures of me by using microwave and other electromagnetic weapons in 304 Willow Hill Ct., Los Gatos, CA. I informed you about personal attacks and injuries I sustained by Ms. Silvia Walker, a resident of Los Gatos who is participating in NSA's crimes against me and who has already been involved in criminal actions against other people. Immediately after an injury, I visited Valley Medical Hospital, showing the bleeding of my injured body by Ms. Sylvia Walker, and I was treated in this hospital. Police case L131120034, Police Officer Melron/ I have provided you with pictures, names, and addresses of the individuals who have been involved in criminal actions against me. I provide pictures of cars, in which the weapons were inserted, and I have presented to you videos of how NSA, hired by them Israeli contractors, Mossad, and gang members have murdered peaceful US civilian by using microwave and other electromagnetic weapons.

Unfortunately, I did not receive any response from Los Gatos police, although there are more than 12 (twelve) of Police cases in Los Gatos, and the criminals were not arrested or stopped officially by law.

Now, I am requesting that you provide me with police reports of all of the criminal actions and tortures committed against me in Los Gatos, CA since 2012. I can fill out and submit to you all necessary written requests and necessary police forms.

I officially request that you submit all of the police reports of all crimes that were committed against me in Los Gatos, CA to the District Attorney Office of Santa Clara County, and I again respectfully request that you arrest criminals attacking me and making provocations against me in order to continue torturing and slowly trying to murder me as they have done with others in a housing complex.

Dear Special Agent Johnson, I respectfully request your written response, explaining what kind of actions the FBI of the state of California has taken in order to stop criminals attacking me, torturing me, and slowly trying to murder me with microwave and other DE weapons. I hereby request that you submit to me information about the FBI actions being taken to stop criminal actions and abuses of tenants of No. California committed by the Franklin Housing Cartel of California, and to provide me with the day and time of my next appointment with the San Francisco FBI.

I respectfully re-state again that by covering up and not arresting criminals and not stopping these kinds of tortures and murders of peaceful civilians, you are participating in a Crime against Peace and Crimes against Humanity and supporting the War Criminals Wanted by International Criminal Court of Hague!

Sincerely,
