## RE LIFE ARTICLE

### AND LETTER

It is interesting that "Life" Magazine in the US has been a violent foe of Dianetics and Scn for 18 years.

Their connection to the enemy is not yet established. But it certainly exists.

In their letters to the editor in their issue of 6 Dec 68 they made a very fatal error. They published and signed my name to a letter I never wrote them, which makes them guilty of forgery, doesn't it.

In England the heads of the largest newspaper chain are also members of a UK World Federation of Mental Health Confederate board of directors.

This is an old Intelligence trick - to own or control a press chain in an enemy country.

It was done by German agents, for instance, to keep Spain out of the war.

Earlier the "Saturday Evening Post" published an article full of quotes never made. It has gone downhill as a magazine over the years. WFMH connected publishers often do. So there's another one.

So some of the US magazine and newspaper chains are controlled by the WFMH.

They keep a continual flow of anti-Scientology handouts going to all magazines and governments.

The Intelligence, espionage pattern is very plain here. In the "Life" article a psychotic is pushed into an org to get no case gain, his identity secret, to get discreditable data and he then writes an article. But he is already a mental patient.

Our Documents and files are often found in enemy hands. And now and then at SH or an org we find a lock smashed or a window broken.

## LOCAL AGENTS

WFMH has confederates (we call "Black Hats") in every country and many states with sub-chapters in most US cities.

These are always named "National" and have "Mental Health" in their name at nation or state level.

There is a "National Institute of Mental Health" in Washington DC that is US government. The only one in the world

really connected to a government. It does WFMH printing for it! at US expense.

All the rest of the "National" groups are phonies. They are only private groups, following orders from overseas.

In every US community, almost, local branch groups (such as Pasadena Mental Health etc as a sample) belong to the private state "National" Group.

These small town groups are advertised as "local housewives" etc. But in fact are often composed of ex institution inmates, brainwashed, ready to stir it up as the "public" for WFMH. There is even one in East Grinstead.

4 These local groups may be what give orgs trouble with Councils etc.

They always have "mental health" in their name or "mental hygiene" as unchanged from an older form they use.

These groups secretly shoot down chiropractors, churches, any Western culture or advance or healing action.

The standard propaganda line is

(a) everyone is insane

(b) psychiatrists should be next to every world leader treating them weekly.

(c) Anyone should be subject to seizure as insane without process as law ( a "Siberia" bill they seek to get passed and which once almost did pass the US congress.)

(d) Scientology breaks up families.

(e) Scientology prevents people from coming to their psychiatrist to seek real help.

(f) There are not enough psychiatrists or "facilities".

(g) All boundaries should be destroyed

(h) All constitutions should be destroyed.

(i) Any current campaign they may have to get something destroyed for a big Western take over.

They are currently shipping insane people out for "community care". They drive them hopelessly insane in an institution and then push them out onto the community to make trouble.

Every major assassin has (1) seen a member of WFMH before the assassination and (2) been defended by a member of WFMH after the act if still alive.

---

Even the press (that of it not owned by WFMH and some that is!) has begun to establish that the attacks on Scn smell to high heaven.

A conspiracy formed at the WFMH Congress in London in August 1968 resulted in simultaneous identical political channel attacks on Scn in several countries.

The "Life" Article was crudely timed to be part of this.

The "letters to the Editor" also contain a typically enemy colour and campaign note such as a disconnected family named "Fridkin".

---

It would be wise to use police re WFMH if quarters are broken into, etc. But this is not foolproof as psychiatrists are group training California police not to break up riots.

At staff level you need not make any profession of smashing WFMH as we have it going hot at the top and they are ducking.

But in answering questions about such articles you can say what you please.

And every branch of every rightist group would be delighted to know these US "mental health" groups are controlled by a foreign group which has Communists on its board of directors.

Chiropractors etc would also be delighted to know who has been shooting.

The American Medical Association and the American Psychiatric Association and such are members of the main world group and are just pawns.

WFMH is also incorporated in Delaware with a board different from its advertised board.

At least one member of the Delaware board is a Communist, I believe. At least the name is the same as one hit by the Congress Un-American Activities Committee.

---

The thing to realize about all this is that the acts of this group are often criminal in nature and they can be hit for it.

It's really a wild organization. They are called "Mental Healing" but their literature talks only of world domination and seldom about any cases.

They make big crashing mistakes such as saying they are part of the UN when they are not.

Such as committing crimes of burglary.

Such as murdering mental patients and calling it treatment.

They just make big mistakes.

They were founded by a psychotic named Clifford Beers and carry on the tradition. How would you like to run an organization composed of psychotics and psychiatrists? Be nearly impossible. So they are very frail indeed so can be obliterated successfully.

But the biggest mistake of all was hitting Dianetics and Scientology from under cover for 18 years. We weren't even in their line of country.

---

→ The public in effect takes little heed of articles or press. Hardly anybody read the "Life" article. Who reads a dead mag.

But the "letter from me" which I didn't write is typical of WFMH. Forgery.

It is interesting that WFMH says publicly there is "no difference between right and wrong" and "psychiatrists are the

only enlightened people who know this."

By traditional law, sanity is defined as the "ability to tell right from wrong."

Enough said?
