

Raja Rogers Meeting Notes  
November 7, 2006

Raja Rogers	News on the CBE tour?
Jane	60 educators. Ray did everything via email, no print mailing. The educators were very receptive. It was a great success! 58 educators. 18 signed up for follow-up.
Charlie	Jeff and Mary are doing a follow-up session right now for 12 people. 135 educators. 60-70 signed up for a follow-up. Great success! Jeff said he feels like it is the time for this because there was such a great response. All people who confirmed to come to the follow-up showed up.
Jane	Jeff did a mailing - 200. He had all the panelists speak. It is good to have a Master of Ceremonies who knows CBE. The promotional materials are well-thought out. They act as a filter.
Jeff	<p>93 response cards returned. 39 said they would come to a follow-up meeting. 17 wanted us to stay in touch with them. 14 wanted more information. People said it was one of the most enjoyable and inspiring conference they had ever attended. 1 week before our conference we received leadership credit for administration – state credit. We really didn't have time to promote it. If we had, we would have had probably 200 people there.</p> <p>8 teachers tonight at 2<sup>nd</sup> follow up meeting. 1<sup>st</sup> meeting – 3 of 5 showed up. 2 are coming back for a prep.</p> <p>Success largely due to a Sidha who collected the principal, asst principal, guidance counselors, teachers' email addresses. She started 4 weeks ahead. Then they received a mailing. Then 8-9 days after they received a mailing, we sent an email. We sent 1500 emails. That 1-2 punch was what made it successful.</p> <p>Presentation was one of the best intros to TM that I ever experienced: John Hagelin via videoconference, Mario was the MC, Sarina, Dr. Rutherford,</p> <p>With the teachers, we say, it's not going to cost you anything. You just introduce us to the people we need to get this program going.</p>
Raja Rogers	What types of people are responding?
Jeff	The ones who have children who are having problems.
Raja Rogers	Compile stats from all 3 CBE tours in the Southeast, Jane.
Ray	1 <sup>st</sup> follow up meeting – 2 schools – one was already on board with the principal too. The other has a 30 yr meditator working there.
Raja Rogers	<p>Congratulations to Ray and Jeff and Jane!!!</p> <p>65 more pundits are arriving tonight plus 2 vaidyas. Pundits did the first yagya several days ago. The Rajas attended. 309 pundits by this evening. Dome numbers are 1528. Recertified Govs – continue with our projects and they will be supported by pundits. They can still come 1-3 weeks as long as their Center is covered. Weather has been very friendly. Supposed to be 71 degrees tomorrow.</p> <p>Maharishi continues to call. He is very, very happy with the development</p>

	of the deeper experiences. He has commented to several people – the arrow has hit the target. He wants that experience to become constant. That's the continuing push. In relation to that, he has mentioned food, environment and is really emphasizing that. Also, good results at the Raj- a longtime Governor was resting after shiro and had a very, very deep experience.
Jane	3 Vastu houses are now started in Vero Beach.
Charlie	341 applicants for FF and DC courses from your domain. Applications have increased since pundit numbers have increased.
Raja Rogers	Charlie – I really want to commend you for keeping those numbers. Our domain has had a higher percentage participating in this course. Well done! Truly it is serving Maharishi when we do this. Election – whoever wins – they will do a better job running the country due to the pundits and all the other activities, including teaching activities by the Recertified Govs.
Elaine	Next CIC in FF is Nov 30.
Charlie	More than 100 have applied for that course.
Raja Rogers	Meet again next Tuesday.
