

The Original LRH EDs Pack

Arrangement of Contents

These materials are divided into three sections. These sections are called Series 1, Series 2 and Series 3.

Series 1 contains the earliest of these materials. It is comprised of *EDs* issued by LRH before the LRH EDs issue line was established. Series 2 is made up of the first of the *LRH EDs* issued by LRH. In early 1969, the numbering of LRH EDs was started over and this comprises Series 3 and goes to present time.

Each Series is further subdivided into EDs by area, i.e., LRH EDs EU, LRH EDs US, LRH EDs WW, etc. With this arrangement a person can rapidly find just the LRH EDs for a particular area or for a particular time period.

The invaluable information in these LRH EDs can also be found by subject using the index in the back of the second pack.
